

Two horrifying
encounters with
rural **DOGMEN** &
large lycanthropes!

**ALL-AMERICAN
WEREWOLVES?**

uploads

10
00:00:36,790 --> 00:00:34,399
montana werewolf incident this event

11
00:00:39,030 --> 00:00:36,800
happened five years ago during mid july

12
00:00:41,350 --> 00:00:39,040
i live in montana outside of a rural

13
00:00:42,229 --> 00:00:41,360

community with a population of about two

14

00:00:43,910 --> 00:00:42,239
thousand

15

00:00:45,990 --> 00:00:43,920
this is my first time bringing this

16

00:00:47,990 --> 00:00:46,000
story forward during this time

17

00:00:49,110 --> 00:00:48,000
i lived in a small one floor ranch home

18

00:00:50,950 --> 00:00:49,120
by myself

19

00:00:53,029 --> 00:00:50,960
my nearest neighbor lived one mile away

20

00:00:54,869 --> 00:00:53,039
and was a farmer i never had many

21

00:00:55,189 --> 00:00:54,879
strange encounters leading up to this

22

00:00:57,270 --> 00:00:55,199
one

23

00:00:58,709 --> 00:00:57,280
but the woods by my house always had an

24

00:01:00,950 --> 00:00:58,719
ominous feel to it

25

00:01:03,349 --> 00:01:00,960
soon after moving in i realized why the

26
00:01:05,670 --> 00:01:03,359
previous homeowners left pretty quickly

27
00:01:07,270 --> 00:01:05,680
i'd start to hear noises in the woods

28
00:01:09,030 --> 00:01:07,280
these weren't just any noises

29
00:01:10,469 --> 00:01:09,040
but what sounded like blood curdling

30
00:01:12,469 --> 00:01:10,479
screams and growls

31
00:01:14,390 --> 00:01:12,479
after some research i learned that even

32
00:01:16,149 --> 00:01:14,400
something like a raccoon or bobcat can

33
00:01:17,990 --> 00:01:16,159
make these unnatural noises

34
00:01:19,990 --> 00:01:18,000
and chalked it up to being that but

35
00:01:21,990 --> 00:01:20,000
still it just never felt right

36
00:01:23,030 --> 00:01:22,000
it's hard to explain but i never felt

37
00:01:24,550 --> 00:01:23,040
like this before

38
00:01:26,390 --> 00:01:24,560

and it was just something about the

39

00:01:27,429 --> 00:01:26,400

woods around my house that made me

40

00:01:29,590 --> 00:01:27,439

uncomfortable

41

00:01:31,429 --> 00:01:29,600

like i was always being watched the

42

00:01:33,429 --> 00:01:31,439

first experience i couldn't explain

43

00:01:33,910 --> 00:01:33,439

happened about two weeks after i moved

44

00:01:35,749 --> 00:01:33,920

in

45

00:01:37,749 --> 00:01:35,759

there was a thunderstorm and the thunder

46

00:01:39,749 --> 00:01:37,759

was loud enough to keep me awake

47

00:01:40,870 --> 00:01:39,759

i never did feel comfortable in storms

48

00:01:42,630 --> 00:01:40,880

by myself

49

00:01:44,230 --> 00:01:42,640

the lightning was crazy and would light

50

00:01:45,670 --> 00:01:44,240

up the whole surrounding area for a

51

00:01:47,429 --> 00:01:45,680

fraction of a second

52

00:01:49,510 --> 00:01:47,439

i was laying on the couch and got up to

53

00:01:52,310 --> 00:01:49,520

get a glass and a drink at the sink

54

00:01:52,789 --> 00:01:52,320

it was about 2 am a fire call correctly

55

00:01:54,469 --> 00:01:52,799

above it

56

00:01:56,469 --> 00:01:54,479

is a small window that gives a view of

57

00:01:58,469 --> 00:01:56,479

my yard leading up to the tree line

58

00:02:01,030 --> 00:01:58,479

when the next flash of lightning hit i

59

00:02:02,630 --> 00:02:01,040

saw it admittedly it wasn't a long view

60

00:02:04,069 --> 00:02:02,640

but it gave me enough time to see

61

00:02:05,990 --> 00:02:04,079

whatever this thing was

62

00:02:07,429 --> 00:02:06,000

it was near the tree line just a few

63

00:02:09,350 --> 00:02:07,439

steps into my yard

64

00:02:11,910 --> 00:02:09,360

at first i thought it was a bear but it

65

00:02:13,990 --> 00:02:11,920

wasn't it was standing on two legs with

66

00:02:16,150 --> 00:02:14,000

its face pointed towards the house

67

00:02:17,910 --> 00:02:16,160

its legs were like a dog's and i could

68

00:02:19,750 --> 00:02:17,920

clearly make out the hawks

69

00:02:20,949 --> 00:02:19,760

it was hard to tell the color of the fur

70

00:02:22,710 --> 00:02:20,959

but it was dark

71

00:02:24,710 --> 00:02:22,720

its upper body was massive with the

72

00:02:26,550 --> 00:02:24,720

white torso and arms that could almost

73

00:02:28,470 --> 00:02:26,560

reach the ground from standing

74

00:02:30,790 --> 00:02:28,480

the strangest thing is is how the upper

75

00:02:33,030 --> 00:02:30,800

body seemed to dwarf the lower body

76

00:02:35,030 --> 00:02:33,040

after standing there frozen in shock i

77

00:02:36,869 --> 00:02:35,040

waited for the next lightning strike but

78

00:02:38,790 --> 00:02:36,879

when it happened it wasn't there

79

00:02:41,190 --> 00:02:38,800

it happened so quickly and was gone so

80

00:02:42,710 --> 00:02:41,200

quickly after that i bought a gun and

81

00:02:43,350 --> 00:02:42,720

would sleep with it within an arm's

82

00:02:45,350 --> 00:02:43,360

reach

83

00:02:47,509 --> 00:02:45,360

the next encounter is what i consider

84

00:02:49,350 --> 00:02:47,519

the most frightening thing of my life

85

00:02:51,589 --> 00:02:49,360

for several weeks nothing worth noting

86

00:02:53,430 --> 00:02:51,599

happened i don't get cable where i live

87

00:02:55,430 --> 00:02:53,440

and one night i was watching something

88

00:02:57,430 --> 00:02:55,440

and my satellite kept acting up

89

00:02:58,470 --> 00:02:57,440

i didn't like going outside at night but

90

00:03:00,390 --> 00:02:58,480

this would be quick

91

00:03:02,949 --> 00:03:00,400

i just had to move the antenna a little

92

00:03:05,509 --> 00:03:02,959

bit nothing had happened for a few weeks

93

00:03:07,509 --> 00:03:05,519

so i decided to just go out and do it i

94

00:03:07,990 --> 00:03:07,519

grabbed my gun and flashlight and went

95

00:03:09,750 --> 00:03:08,000

out

96

00:03:11,589 --> 00:03:09,760

the first thing i noticed was the eerie

97

00:03:13,430 --> 00:03:11,599

quietness that surrounded me

98

00:03:15,509 --> 00:03:13,440

this time of year at night the woods are

99

00:03:17,670 --> 00:03:15,519

active with all types of creatures

100

00:03:19,750 --> 00:03:17,680

not tonight despite the fear i was

101
00:03:21,830 --> 00:03:19,760
developing i made my way over to the

102
00:03:23,670 --> 00:03:21,840
satellite and began to adjust it

103
00:03:25,509 --> 00:03:23,680
i heard a small snap of a stick and

104
00:03:27,589 --> 00:03:25,519
quickly turned to my left and shined the

105
00:03:29,589 --> 00:03:27,599
light towards the direction of the noise

106
00:03:31,910 --> 00:03:29,599
what i saw will horrify me for the rest

107
00:03:32,869 --> 00:03:31,920
of my life i was immediately met with

108
00:03:34,550 --> 00:03:32,879
red eyes

109
00:03:36,550 --> 00:03:34,560
these eyes were color of blood and they

110
00:03:38,470 --> 00:03:36,560
were evil the head of this thing looked

111
00:03:40,070 --> 00:03:38,480
like a mutated german shepherd

112
00:03:42,229 --> 00:03:40,080
i don't like to say it but it looked

113
00:03:43,350 --> 00:03:42,239

like a werewolf the long snout and

114

00:03:45,110 --> 00:03:43,360

pointed ears

115

00:03:47,270 --> 00:03:45,120

the fur was black and shaggy in some

116

00:03:49,509 --> 00:03:47,280

places i could see this creature's

117

00:03:51,750 --> 00:03:49,519

extremely developed musculature and it

118

00:03:53,830 --> 00:03:51,760

warped even the biggest humans on earth

119

00:03:54,869 --> 00:03:53,840

it was half in half out of the woods

120

00:03:56,789 --> 00:03:54,879

almost crouching

121

00:03:58,390 --> 00:03:56,799

and it still came up to my head at six

122

00:03:59,830 --> 00:03:58,400

foot fully standing

123

00:04:02,470 --> 00:03:59,840

this thing would have been eight foot i

124

00:04:03,190 --> 00:04:02,480

estimated i was about 20 feet from this

125

00:04:05,030 --> 00:04:03,200

thing

126
00:04:06,470 --> 00:04:05,040
i didn't even consider my gun which i

127
00:04:08,470 --> 00:04:06,480
thought to protect me

128
00:04:10,149 --> 00:04:08,480
chances are in hindsight the little two

129
00:04:11,830 --> 00:04:10,159
two three bullets would have just pissed

130
00:04:12,630 --> 00:04:11,840
this thing off before it tore me to

131
00:04:14,869 --> 00:04:12,640
shreds

132
00:04:15,990 --> 00:04:14,879
i backed ways slowly never breaking eye

133
00:04:17,670 --> 00:04:16,000
contact with it

134
00:04:19,909 --> 00:04:17,680
i gently picked up my gun and my

135
00:04:22,710 --> 00:04:19,919
fight-or-flight reflexes kicked in

136
00:04:24,070 --> 00:04:22,720
i chose slide maybe not the best option

137
00:04:26,070 --> 00:04:24,080
but even if i stayed there

138
00:04:27,909 --> 00:04:26,080

this thing would kill me i ran the

139

00:04:29,510 --> 00:04:27,919

fastest i ever have in my life and

140

00:04:31,990 --> 00:04:29,520

didn't turn back once

141

00:04:32,950 --> 00:04:32,000

i have no idea if it was pursuing me i

142

00:04:34,950 --> 00:04:32,960

got in the house

143

00:04:37,030 --> 00:04:34,960

locked every door window covered the

144

00:04:39,189 --> 00:04:37,040

blinds and sat with my back against the

145

00:04:41,110 --> 00:04:39,199

wall cradling the gun the entire night

146

00:04:43,030 --> 00:04:41,120

i didn't get a wink of sleep that night

147

00:04:45,189 --> 00:04:43,040

and very few the following days

148

00:04:46,230 --> 00:04:45,199

to make a long story short i don't live

149

00:04:48,150 --> 00:04:46,240

there anymore

150

00:04:49,990 --> 00:04:48,160

people often talk of sasquatch being

151
00:04:51,350 --> 00:04:50,000
harmonious with nature and living within

152
00:04:53,430 --> 00:04:51,360
the ecosystem

153
00:04:54,790 --> 00:04:53,440
sure if you see one it might be scary

154
00:04:55,590 --> 00:04:54,800
but it's probably more well than

155
00:04:57,830 --> 00:04:55,600
anything

156
00:04:59,270 --> 00:04:57,840
with this thing it was totally different

157
00:05:02,070 --> 00:04:59,280
it felt unnatural

158
00:05:02,790 --> 00:05:02,080
it was sinister they felt evil it was

159
00:05:04,629 --> 00:05:02,800
stalking me

160
00:05:06,629 --> 00:05:04,639
toying with me and i believe it would

161
00:05:08,390 --> 00:05:06,639
have killed me i have never seen nor

162
00:05:09,029 --> 00:05:08,400
experienced this feeling again in my

163
00:05:11,270 --> 00:05:09,039

life

164

00:05:13,189 --> 00:05:11,280

it is a memory i try to put past me but

165

00:05:14,950 --> 00:05:13,199

i still get nightmares about it

166

00:05:16,550 --> 00:05:14,960

i think until the day i die i will

167

00:05:17,270 --> 00:05:16,560

always have the image burned into my

168

00:05:19,270 --> 00:05:17,280

memory

169

00:05:20,870 --> 00:05:19,280

the best image i have seen that fits the

170

00:05:23,110 --> 00:05:20,880

description of the creature are the

171

00:05:25,270 --> 00:05:23,120

werewolves from the movie the howling

172

00:05:27,510 --> 00:05:25,280

the isolation is definitely the worst

173

00:05:29,270 --> 00:05:27,520

part it's just you and this creature out

174

00:05:30,629 --> 00:05:29,280

there and if it decides that it doesn't

175

00:05:32,710 --> 00:05:30,639

want you around anymore

176

00:05:34,629 --> 00:05:32,720

you will disappear then your death will

177

00:05:35,510 --> 00:05:34,639

be ruled as either an attack from bears

178

00:05:36,950 --> 00:05:35,520

or wolves

179

00:05:39,029 --> 00:05:36,960

looking back there were a lot of

180

00:05:39,749 --> 00:05:39,039

wildlife related deaths in my general

181

00:05:42,230 --> 00:05:39,759

area

182

00:05:44,390 --> 00:05:42,240

i wonder if it's just coincidence in my

183

00:05:46,230 --> 00:05:44,400

mind there is no way this way bear

184

00:05:48,390 --> 00:05:46,240

i was so close to it i could see every

185

00:05:50,310 --> 00:05:48,400

feature it had an obvious canine

186

00:05:50,870 --> 00:05:50,320

appearance in the face and also had

187

00:05:53,510 --> 00:05:50,880

hawks

188

00:05:55,350 --> 00:05:53,520

like the legs of a dog misidentification

189

00:05:57,189 --> 00:05:55,360

is always a thing but i don't believe

190

00:05:59,029 --> 00:05:57,199

this was anything like a bear

191

00:06:00,629 --> 00:05:59,039

maybe the whole sinister and evil thing

192

00:06:02,230 --> 00:06:00,639

is an exaggeration

193

00:06:04,870 --> 00:06:02,240

if it wanted to hurt me would have done

194

00:06:05,990 --> 00:06:04,880

it it's just how i justify coming face

195

00:06:08,150 --> 00:06:06,000

to face with something

196

00:06:10,150 --> 00:06:08,160

so terrifying i think it looked like a

197

00:06:12,230 --> 00:06:10,160

predator that would rip me apart

198

00:06:14,550 --> 00:06:12,240

it's just that it wasn't scared of me

199

00:06:16,790 --> 00:06:14,560

unlike other dogman stories i have read

200

00:06:18,710 --> 00:06:16,800

this thing didn't run off for back down

201
00:06:19,990 --> 00:06:18,720
it wasn't expressively aggressive in the

202
00:06:22,390 --> 00:06:20,000
encounter it was just

203
00:06:23,189 --> 00:06:22,400
silently watching me it didn't growl at

204
00:06:26,070 --> 00:06:23,199
me either

205
00:06:27,270 --> 00:06:26,080
it was just that silent yes i saw it

206
00:06:29,430 --> 00:06:27,280
very close

207
00:06:30,629 --> 00:06:29,440
so close i could even smell it it

208
00:06:33,189 --> 00:06:30,639
smelled like a wet dog

209
00:06:34,790 --> 00:06:33,199
a wet dog that rolled in something nasty

210
00:06:36,710 --> 00:06:34,800
very strong and pungent

211
00:06:38,629 --> 00:06:36,720
when the light was shined on its face

212
00:06:39,670 --> 00:06:38,639
its eyes had the same reflection that

213
00:06:49,270 --> 00:06:39,680

the cats would

214

00:06:51,029 --> 00:06:49,280

i will answer any questions you have rc

215

00:06:53,510 --> 00:06:51,039

two werewolves encountered along the

216

00:06:55,430 --> 00:06:53,520

little canoe river west virginia

217

00:06:57,350 --> 00:06:55,440

one night i was out along the road that

218

00:06:59,830 --> 00:06:57,360

goes past my house

219

00:07:00,870 --> 00:06:59,840

we are pretty rural area here along west

220

00:07:02,790 --> 00:07:00,880

virginia 5

221

00:07:04,550 --> 00:07:02,800

which parallels the little kanor river

222

00:07:07,270 --> 00:07:04,560

from elizabeth to grantsville

223

00:07:09,350 --> 00:07:07,280

but the animals here are always the same

224

00:07:11,510 --> 00:07:09,360

until the late 1990s the state

225

00:07:14,150 --> 00:07:11,520

department of natural resources let

226

00:07:15,589 --> 00:07:14,160

coyotes loose and in the early 1980s

227

00:07:18,309 --> 00:07:15,599

wild turkeys

228

00:07:19,029 --> 00:07:18,319

now they are releasing wild elk yet

229

00:07:21,270 --> 00:07:19,039

there is no

230

00:07:23,589 --> 00:07:21,280

sightings of these creatures i have

231

00:07:24,790 --> 00:07:23,599

heard black panthers and even seen two

232

00:07:27,189 --> 00:07:24,800

kittens dead

233

00:07:27,990 --> 00:07:27,199

at my friend's house her dad had treated

234

00:07:31,110 --> 00:07:28,000

the kittens

235

00:07:33,909 --> 00:07:31,120

but the mother got away to this day west

236

00:07:36,550 --> 00:07:33,919

virginia dnr refuses to state that black

237

00:07:38,390 --> 00:07:36,560

panthers exists in west virgina

238

00:07:40,070 --> 00:07:38,400

this night i saw something i never

239

00:07:41,749 --> 00:07:40,080

thought i would have seen

240

00:07:43,749 --> 00:07:41,759

two huge wolves that were bigger than

241

00:07:45,909 --> 00:07:43,759

anything i have seen before

242

00:07:47,189 --> 00:07:45,919

i know people who own wolves and i have

243

00:07:49,830 --> 00:07:47,199

been around them

244

00:07:51,270 --> 00:07:49,840

when they left on vacation i even feed

245

00:07:53,510 --> 00:07:51,280

their pet wolves

246

00:07:55,350 --> 00:07:53,520

so i know how big they can get but these

247

00:07:57,270 --> 00:07:55,360

were no regular wolves

248

00:07:59,189 --> 00:07:57,280

they were twice as big as me and they

249

00:08:01,189 --> 00:07:59,199

gave this eerie feeling

250

00:08:02,950 --> 00:08:01,199

they walked off the hillside and came

251
00:08:04,869 --> 00:08:02,960
out of the foggy mist

252
00:08:07,189 --> 00:08:04,879
their eyes have this glow of yellow even

253
00:08:07,909 --> 00:08:07,199
before i turn my phone's flashlight on

254
00:08:10,869 --> 00:08:07,919
them

255
00:08:13,510 --> 00:08:10,879
yes i have my phone in hand why no

256
00:08:15,589 --> 00:08:13,520
picture because i was scared

257
00:08:17,589 --> 00:08:15,599
scared stiff and was just able to look

258
00:08:19,189 --> 00:08:17,599
and see these two wolves with one being

259
00:08:21,510 --> 00:08:19,199
smaller than the other

260
00:08:22,950 --> 00:08:21,520
both were very skinny hippie or one

261
00:08:25,029 --> 00:08:22,960
could say bony

262
00:08:26,469 --> 00:08:25,039
gray with black color markings around

263
00:08:28,550 --> 00:08:26,479

eyes and ears

264

00:08:29,510 --> 00:08:28,560

browned on their backs and grey bushy

265

00:08:33,829 --> 00:08:29,520

tail

266

00:08:36,550 --> 00:08:33,839

way bigger than my own

267

00:08:38,709 --> 00:08:36,560

glowing yellow eyes looking right at me

268

00:08:40,550 --> 00:08:38,719

slowly walking past me

269

00:08:43,029 --> 00:08:40,560

both moving together and moving their

270

00:08:44,230 --> 00:08:43,039

heads when needed to keep me in view

271

00:08:46,470 --> 00:08:44,240

then they crossed the road and

272

00:08:48,310 --> 00:08:46,480

disappeared into the river bank

273

00:08:50,550 --> 00:08:48,320

across the river on the hillside were

274

00:08:52,389 --> 00:08:50,560

coyotes barking and yapping

275

00:08:54,150 --> 00:08:52,399

that was until those two wolves crossed

276

00:08:57,269 --> 00:08:54,160

the river to their side

277

00:09:00,389 --> 00:08:57,279

dead quite then no noise at all

278

00:09:02,790 --> 00:09:00,399

no bugs no birds no coyotes

279

00:09:05,190 --> 00:09:02,800

when my heart started again i ran as

280

00:09:08,310 --> 00:09:05,200

fast as my legs could carry me

281

00:09:10,949 --> 00:09:08,320

i posted what i saw on my facebook page

282

00:09:11,829 --> 00:09:10,959

many said they were just northern wolves

283

00:09:17,030 --> 00:09:11,839

no

284

00:09:19,430 --> 00:09:17,040

that haven't been brought here as pets

285

00:09:21,430 --> 00:09:19,440

these two wear no pets i think the

286

00:09:24,310 --> 00:09:21,440

smallest the one closet towards me

287

00:09:25,269 --> 00:09:24,320

was a female i also feel she protected

288

00:09:28,710 --> 00:09:25,279

me from the male

289

00:09:30,790 --> 00:09:28,720

the biggest one she nudged him to go on

290

00:09:32,389 --> 00:09:30,800

i thank her for that he would have

291

00:09:34,310 --> 00:09:32,399

killed me easily

292

00:09:37,030 --> 00:09:34,320

they both could have with one bite to my

293

00:09:39,110 --> 00:09:37,040

throat it's not too often i venture out

294

00:09:41,509 --> 00:09:39,120

further than my yard nowadays

295

00:09:43,110 --> 00:09:41,519

this property has many of supernatural

296

00:09:45,509 --> 00:09:43,120

events happen here

297

00:09:47,269 --> 00:09:45,519

but that night i truthfully feel ice all

298

00:09:49,590 --> 00:09:47,279

werewolf and his mate

299

00:09:51,509 --> 00:09:49,600

i know what i saw and it scared me so

300

00:09:52,310 --> 00:09:51,519

bad that i have become afraid of the

301
00:09:54,710 --> 00:09:52,320
dark

302
00:09:55,350 --> 00:09:54,720
even on my own property that i grew up

303
00:09:57,350 --> 00:09:55,360
on

304
00:09:58,389 --> 00:09:57,360
it has changed me in ways i can't

305
00:10:00,949 --> 00:09:58,399
explain

306
00:10:03,670 --> 00:10:00,959
i have become more nature minded i

307
00:10:05,990 --> 00:10:03,680
worship nature and the power she holds

308
00:10:06,949 --> 00:10:06,000
if it wasn't for her i wouldn't be here

309
00:10:09,190 --> 00:10:06,959
today

310
00:10:11,350 --> 00:10:09,200
i know those creatures exists and i give

311
00:10:13,269 --> 00:10:11,360
them a wide path to travel

312
00:10:16,829 --> 00:10:13,279
always respected and mindful of their

313
00:10:16,839 --> 00:10:20,310

mc

314

00:10:23,750 --> 00:10:22,870

this is lon strickler if you like this

315

00:10:25,509 --> 00:10:23,760

program

316

00:10:26,870 --> 00:10:25,519

it would help us if you would give it a

317

00:10:29,750 --> 00:10:26,880

thumbs up

318

00:10:30,230 --> 00:10:29,760

then subscribe and click the bell icon

319

00:10:32,550 --> 00:10:30,240

so you

320

00:10:34,710 --> 00:10:32,560

get notification when we upload new

321

00:10:37,829 --> 00:10:34,720

first-person encounters

322

00:10:40,230 --> 00:10:37,839

we have many more to come very soon and

323

00:10:42,630 --> 00:10:40,240

by the way if you have a suggestion
