

**ARCANE RADIO** 

Exploring the Unexplained 

**Oct. 5th, 2016**

**Tim Beckley  
& Claudia Cunningham**

**'Cryptid Creatures...!'**

**BXP**

1  
00:00:05,030 --> 00:00:02,950  
and good evening everybody welcome to

2  
00:00:06,869 --> 00:00:05,040  
arcane radio i'm your host sean the fork

3  
00:00:09,190 --> 00:00:06,879  
chop forker joined tonight

4  
00:00:11,430 --> 00:00:09,200  
by lon strickler and butch wachowski

5  
00:00:13,589 --> 00:00:11,440  
it's october already wednesday october

6  
00:00:15,430 --> 00:00:13,599  
the 5th 2016.

7  
00:00:17,910 --> 00:00:15,440  
lots of things going on in the world we

8  
00:00:19,750 --> 00:00:17,920  
live in a major hurricane coming up the

9  
00:00:21,429 --> 00:00:19,760  
east coast while people are batting down

10  
00:00:22,550 --> 00:00:21,439  
the hatches we're gonna sit here and

11  
00:00:24,630 --> 00:00:22,560  
talk about

12  
00:00:25,670 --> 00:00:24,640  
some strange phenomena tonight with our

13  
00:00:28,950 --> 00:00:25,680

guests

14

00:00:31,589 --> 00:00:28,960

tim beckley and claudia cunningham

15

00:00:32,549 --> 00:00:31,599

joining us of course at 10 30 uh for an

16

00:00:35,110 --> 00:00:32,559

hour but butch

17

00:00:38,150 --> 00:00:35,120

lon good evening guys how you doing how

18

00:00:41,910 --> 00:00:39,670

oh you know i'm doing well well you and

19

00:00:43,990 --> 00:00:41,920

i ran into each other over the weekend

20

00:00:46,150 --> 00:00:44,000

yeah that was some running huh it was a

21

00:00:47,110 --> 00:00:46,160

lot of fun butch and i got together over

22

00:00:49,670 --> 00:00:47,120

the weekend to

23

00:00:51,110 --> 00:00:49,680

conduct some preliminary work into an

24

00:00:52,069 --> 00:00:51,120

active area of north central

25

00:00:53,590 --> 00:00:52,079

pennsylvania

26

00:00:57,029 --> 00:00:53,600

or which may turn out to be an active

27

00:00:58,549 --> 00:00:57,039

area in north central pennsylvania

28

00:01:00,630 --> 00:00:58,559

a couple gentlemen that live out that

29

00:01:01,990 --> 00:01:00,640

way both law enforcement

30

00:01:04,070 --> 00:01:02,000

by day and of course we're going to keep

31

00:01:05,350 --> 00:01:04,080

their identities under wraps for now

32

00:01:06,789 --> 00:01:05,360

because well they're good guys we don't

33

00:01:10,149 --> 00:01:06,799

want to get them in trouble

34

00:01:11,830 --> 00:01:10,159

uh and their private residences uh live

35

00:01:13,350 --> 00:01:11,840

less than a mile apart from each other

36

00:01:15,190 --> 00:01:13,360

and they have some very strange things

37

00:01:17,350 --> 00:01:15,200

going on some strange sounds

38

00:01:18,230 --> 00:01:17,360

and but you were out in the area and

39

00:01:21,429 --> 00:01:18,240

well

40

00:01:24,870 --> 00:01:21,439

i'll let you give your take uh

41

00:01:27,190 --> 00:01:24,880

i kind of thought when we were up in

42

00:01:30,550 --> 00:01:27,200

penfield that that was kind of remote

43

00:01:34,630 --> 00:01:34,069

very woodsy this makes penfield look

44

00:01:38,069 --> 00:01:34,640

like

45

00:01:41,030 --> 00:01:38,079

downtown philadelphia i mean it's

46

00:01:42,950 --> 00:01:41,040

you can't even see into the wooded areas

47

00:01:44,710 --> 00:01:42,960

i mean

48

00:01:47,109 --> 00:01:44,720

for anything to be stomping around there

49

00:01:51,030 --> 00:01:47,119

it's just a ripe area i mean you got

50

00:01:53,109 --> 00:01:51,040

you got water you got streams everywhere

51  
00:01:54,550 --> 00:01:53,119  
there's not a whole lot of homes and the

52  
00:01:57,190 --> 00:01:54,560  
homes that are there pretty much

53  
00:01:58,870 --> 00:01:57,200  
spread out i don't remember how far we

54  
00:01:59,990 --> 00:01:58,880  
drove from the one place to the other

55  
00:02:01,670 --> 00:02:00,000  
but

56  
00:02:03,590 --> 00:02:01,680  
i mean it seemed like that all the way

57  
00:02:03,990 --> 00:02:03,600  
up when i got when i got up in that area

58  
00:02:06,469 --> 00:02:04,000  
that

59  
00:02:07,830 --> 00:02:06,479  
you know there's very little once you

60  
00:02:10,070 --> 00:02:07,840  
get out of the main drag and you start

61  
00:02:12,949 --> 00:02:10,080  
heading out into the country it's just

62  
00:02:14,550 --> 00:02:12,959  
wide open mountains very woodsy very

63  
00:02:17,270 --> 00:02:14,560

hilly

64

00:02:18,630 --> 00:02:17,280

but at least we made that contact those

65

00:02:21,750 --> 00:02:18,640

fellas and

66

00:02:23,910 --> 00:02:21,760

and you know like everything else

67

00:02:26,150 --> 00:02:23,920

it's a preliminary investigation and

68

00:02:28,470 --> 00:02:26,160

we'll see where it goes from there

69

00:02:30,229 --> 00:02:28,480

we're going to be holding an event at

70

00:02:31,110 --> 00:02:30,239

one of the local establishments in that

71

00:02:33,990 --> 00:02:31,120

area

72

00:02:35,430 --> 00:02:34,000

uh where you guys listeners and anybody

73

00:02:37,110 --> 00:02:35,440

else will be able to come

74

00:02:38,949 --> 00:02:37,120

out and share your stories and

75

00:02:40,949 --> 00:02:38,959

encounters with us we're really looking

76

00:02:43,270 --> 00:02:40,959

for locals from that area so there'll be

77

00:02:45,830 --> 00:02:43,280

information posted for it locally

78

00:02:46,309 --> 00:02:45,840

once we can cement a location and a date

79

00:02:47,830 --> 00:02:46,319

but

80

00:02:49,589 --> 00:02:47,840

i think folks going to be happy with

81

00:02:49,990 --> 00:02:49,599

this i think we're going to be happy

82

00:02:51,670 --> 00:02:50,000

with this

83

00:02:54,309 --> 00:02:51,680

butch lawn it's going to be a great

84

00:02:57,509 --> 00:02:54,319

place to do some future work

85

00:03:00,790 --> 00:03:00,470

yeah i mean it pans out and you know you

86

00:03:03,110 --> 00:03:00,800

get

87

00:03:04,309 --> 00:03:03,120

regular sightings or some decent

88

00:03:06,229 --> 00:03:04,319

evidence yeah

89

00:03:11,030 --> 00:03:06,239

i mean you know i don't think you've got

90

00:03:15,270 --> 00:03:13,190

i've been all over really i've been kind

91

00:03:16,949 --> 00:03:15,280

of just focusing on the northern tier of

92

00:03:18,869 --> 00:03:16,959

pennsylvania because

93

00:03:20,149 --> 00:03:18,879

nobody else is up here researching this

94

00:03:22,070 --> 00:03:20,159

stuff and if they are they're being

95

00:03:24,710 --> 00:03:22,080

pretty darn quiet about it

96

00:03:26,550 --> 00:03:24,720

and uh it's the reason why we're not

97

00:03:28,229 --> 00:03:26,560

getting reports from this area

98

00:03:30,789 --> 00:03:28,239

is up until the last three or four years

99

00:03:32,229 --> 00:03:30,799

nobody's been collecting it up this way

100

00:03:33,990 --> 00:03:32,239

you know there's been no real known

101  
00:03:35,589 --> 00:03:34,000  
investigators and it's still a very

102  
00:03:37,270 --> 00:03:35,599  
conservative part of the state

103  
00:03:39,270 --> 00:03:37,280  
so folks don't want to talk about it you

104  
00:03:42,070 --> 00:03:39,280  
got a lot of hunters out here

105  
00:03:43,910 --> 00:03:42,080  
uh just these aren't the people that are

106  
00:03:45,110 --> 00:03:43,920  
inclined to talk about these strange

107  
00:03:47,110 --> 00:03:45,120  
phenomenas with just

108  
00:03:49,270 --> 00:03:47,120  
anybody and you really have to build a

109  
00:03:51,509 --> 00:03:49,280  
relationship with them

110  
00:03:53,429 --> 00:03:51,519  
well i think most groups concentrate on

111  
00:03:55,350 --> 00:03:53,439  
the western half of the state anyway

112  
00:03:58,830 --> 00:03:55,360  
for the most part yeah you're right and

113  
00:04:01,830 --> 00:03:58,840

um you know that's for anything

114

00:04:03,750 --> 00:04:01,840

um i mean why that is i don't know

115

00:04:05,270 --> 00:04:03,760

because quite frankly

116

00:04:07,030 --> 00:04:05,280

some of the weirdest stuff that i've

117

00:04:08,390 --> 00:04:07,040

seen or heard about

118

00:04:11,589 --> 00:04:08,400

is coming in from the middle of the

119

00:04:13,429 --> 00:04:11,599

state up north to south you know

120

00:04:15,509 --> 00:04:13,439

right in the middle of state well you

121

00:04:16,789 --> 00:04:15,519

know the reason people don't want to go

122

00:04:19,749 --> 00:04:16,799

too far away from their back

123

00:04:20,550 --> 00:04:19,759

doors no that's it uh you're right yeah

124

00:04:23,590 --> 00:04:20,560

you're right

125

00:04:24,469 --> 00:04:23,600

you know for me go ahead i'm sorry i

126

00:04:28,070 --> 00:04:24,479

mean i used to say it

127

00:04:29,110 --> 00:04:28,080

i was gonna say that um you know up

128

00:04:30,950 --> 00:04:29,120

until recently

129

00:04:32,230 --> 00:04:30,960

you just never heard a whole lot about

130

00:04:34,230 --> 00:04:32,240

the middle of the state and

131

00:04:36,950 --> 00:04:34,240

no yeah like you said being conservative

132

00:04:39,270 --> 00:04:36,960

i mean this state is fairly conservative

133

00:04:40,790 --> 00:04:39,280

and uh people that are living out in the

134

00:04:43,590 --> 00:04:40,800

boondocks out in the middle of

135

00:04:45,110 --> 00:04:43,600

the state you know they see something

136

00:04:45,830 --> 00:04:45,120

nine times out of ten aren't gonna say

137

00:04:47,510 --> 00:04:45,840

something

138

00:04:49,510 --> 00:04:47,520

let's be honest if it wasn't for philly

139

00:04:52,230 --> 00:04:49,520

in pittsburgh this would be a red state

140

00:04:53,030 --> 00:04:52,240

oh yeah i mean no joke about it i mean

141

00:04:54,469 --> 00:04:53,040

no that's true

142

00:04:56,629 --> 00:04:54,479

trying to be political this is just a

143

00:04:58,629 --> 00:04:56,639

very conservative part of the state

144

00:04:59,830 --> 00:04:58,639

and people think whenever pennsylvania

145

00:05:01,510 --> 00:04:59,840

they think of pittsburgh

146

00:05:03,350 --> 00:05:01,520

and philadelphia they really don't think

147

00:05:05,830 --> 00:05:03,360

about everything else in between

148

00:05:07,189 --> 00:05:05,840

yeah which is just loaded with right it

149

00:05:07,590 --> 00:05:07,199

is the most conservative part of the

150

00:05:10,790 --> 00:05:07,600

state

151

00:05:13,830 --> 00:05:10,800

and uh you know

152

00:05:14,150 --> 00:05:13,840

like i said when stuff does happen and

153

00:05:16,790 --> 00:05:14,160

i'm

154

00:05:17,990 --> 00:05:16,800

even talking about ufos and everything i

155

00:05:20,710 --> 00:05:18,000

mean people just don't

156

00:05:22,830 --> 00:05:20,720

say much so you know we had these

157

00:05:24,150 --> 00:05:22,840

fireballs going through the sky last

158

00:05:27,350 --> 00:05:24,160

night

159

00:05:30,390 --> 00:05:27,360

and uh only one person i saw

160

00:05:33,189 --> 00:05:30,400

posted about it in in my town

161

00:05:35,670 --> 00:05:33,199

yeah i mean i i don't think people saw

162

00:05:38,469 --> 00:05:35,680

it around here but i know it was

163

00:05:38,950 --> 00:05:38,479

uh most most of northern pennsylvania

164

00:05:41,830 --> 00:05:38,960

crossed

165

00:05:43,189 --> 00:05:41,840

up into new york and into uh toronto

166

00:05:45,909 --> 00:05:43,199

from what i understand

167

00:05:46,310 --> 00:05:45,919

they got some good pictures up there

168

00:05:48,390 --> 00:05:46,320

yeah

169

00:05:50,950 --> 00:05:48,400

i i seen a couple interesting pictures

170

00:05:54,070 --> 00:05:50,960

today from the of course the news media

171

00:05:56,710 --> 00:05:54,080

yeah and uh i uh

172

00:05:58,870 --> 00:05:56,720

well you know just kind of uh enjoyed

173

00:06:00,790 --> 00:05:58,880

the the pictures wish i could assault

174

00:06:03,270 --> 00:06:00,800

yeah i mean that was it was a definite

175

00:06:07,270 --> 00:06:03,280

meter right because it was bright green

176

00:06:09,590 --> 00:06:07,280

and uh i uh yeah i've only ever seen one

177

00:06:10,950 --> 00:06:09,600

that was weird though because you know

178

00:06:13,670 --> 00:06:10,960

that thing actually

179

00:06:15,029 --> 00:06:13,680

you could hear it explode when it came

180

00:06:17,590 --> 00:06:15,039

through

181

00:06:18,390 --> 00:06:17,600

and uh it was down i was actually down

182

00:06:21,350 --> 00:06:18,400

at work

183

00:06:23,830 --> 00:06:21,360

down in down in maryland and uh it was

184

00:06:26,950 --> 00:06:23,840

at night time i was off night coming off

185

00:06:28,710 --> 00:06:26,960

uh night shift and uh

186

00:06:30,870 --> 00:06:28,720

man i just happened to see it out over

187

00:06:32,870 --> 00:06:30,880

the river and the thing

188

00:06:34,070 --> 00:06:32,880

made a hell of a crack but it was uh

189

00:06:37,189 --> 00:06:34,080

yeah it was pretty

190

00:06:39,189 --> 00:06:37,199

wild yeah it was insane stuff

191

00:06:42,230 --> 00:06:39,199

i wish i could i never get to catch this

192

00:06:45,830 --> 00:06:43,990

i was too busy watching a joke last

193

00:06:49,110 --> 00:06:45,840

night watching a joke

194

00:06:51,990 --> 00:06:49,120

oh you're watching the um debate yeah i

195

00:06:53,189 --> 00:06:52,000

was watching it yeah that was kind of

196

00:06:55,270 --> 00:06:53,199

lackluster

197

00:06:56,790 --> 00:06:55,280

yeah you know thank god this isn't a

198

00:06:57,830 --> 00:06:56,800

political talk show we could go on and

199

00:07:01,830 --> 00:06:57,840

on for an hour

200

00:07:03,270 --> 00:07:01,840

oh no with the way skype is tonight i

201  
00:07:07,510 --> 00:07:03,280  
feel like michael caine though or

202  
00:07:11,990 --> 00:07:08,870  
see how many times i could interrupt

203  
00:07:14,790 --> 00:07:12,000  
interrupt blonde tonight yeah

204  
00:07:16,790 --> 00:07:14,800  
but you know what what on said is is is

205  
00:07:20,070 --> 00:07:16,800  
really true i mean

206  
00:07:21,189 --> 00:07:20,080  
there is no investigations in the center

207  
00:07:24,309 --> 00:07:21,199  
of the state

208  
00:07:28,550 --> 00:07:24,319  
it's either east or west

209  
00:07:31,670 --> 00:07:28,560  
and the very few that are in the center

210  
00:07:36,469 --> 00:07:31,680  
aren't really much of anything

211  
00:07:38,150 --> 00:07:36,479  
no no and to get

212  
00:07:39,430 --> 00:07:38,160  
for me to get to a sighting in the east

213  
00:07:41,110 --> 00:07:39,440

or the west i have to drive three and a

214

00:07:43,110 --> 00:07:41,120

half four hours each way

215

00:07:44,710 --> 00:07:43,120

yeah well i mean that's what it took for

216

00:07:45,430 --> 00:07:44,720

me to get to that location this past

217

00:07:47,350 --> 00:07:45,440

year

218

00:07:48,869 --> 00:07:47,360

and let me tell you guys he's a trooper

219

00:07:50,550 --> 00:07:48,879

we started at nine

220

00:07:52,070 --> 00:07:50,560

i think you got there at eight though

221

00:07:53,510 --> 00:07:52,080

you were there at eight i got there at

222

00:07:55,830 --> 00:07:53,520

about 8 30.

223

00:07:57,589 --> 00:07:55,840

and uh we left at midnight or no

224

00:08:00,070 --> 00:07:57,599

actually we left at 1

225

00:08:01,350 --> 00:08:00,080

yeah butch and butch and troy on their

226

00:08:04,629 --> 00:08:01,360

way back down to

227

00:08:07,589 --> 00:08:06,230

so i mean it was a trip and it's not

228

00:08:09,749 --> 00:08:07,599

that i'm complaining about it i don't

229

00:08:10,629 --> 00:08:09,759

want folks to think i'm angry or upset

230

00:08:11,830 --> 00:08:10,639

that

231

00:08:14,150 --> 00:08:11,840

you know we're getting these reports

232

00:08:16,629 --> 00:08:14,160

we're not i just wish there were

233

00:08:18,150 --> 00:08:16,639

more capable people involved handling

234

00:08:19,670 --> 00:08:18,160

some of these cases

235

00:08:20,869 --> 00:08:19,680

because let's just be honest there's

236

00:08:22,950 --> 00:08:20,879

some people out there that are doing

237

00:08:27,430 --> 00:08:22,960

these cases that aren't worth spent

238

00:08:28,629 --> 00:08:27,440

yeah and uh it's just causing a

239

00:08:29,830 --> 00:08:28,639

at least a bad taste of my mouth

240

00:08:30,869 --> 00:08:29,840

sometimes and folks just don't know who

241

00:08:32,550 --> 00:08:30,879

to turn to but

242

00:08:34,469 --> 00:08:32,560

the central part of the states lighten

243

00:08:35,670 --> 00:08:34,479

up because we're discovering things that

244

00:08:37,350 --> 00:08:35,680

are happening out here

245

00:08:39,269 --> 00:08:37,360

we're making an effort to get to these

246

00:08:39,990 --> 00:08:39,279

folks and we're making an effort to find

247

00:08:42,870 --> 00:08:40,000

new areas

248

00:08:46,630 --> 00:08:42,880

to explore that may have some historical

249

00:08:49,670 --> 00:08:46,640

stuff we haven't found out about yet

250

00:08:50,389 --> 00:08:49,680

yeah and that and the other thing to get

251  
00:08:52,870 --> 00:08:50,399  
people to

252  
00:08:54,070 --> 00:08:52,880  
come and talk about their experiences i

253  
00:08:55,670 --> 00:08:54,080  
mean i don't know

254  
00:08:57,590 --> 00:08:55,680  
of anybody that's ever done anything

255  
00:08:59,590 --> 00:08:57,600  
like that in in that area

256  
00:09:01,590 --> 00:08:59,600  
not that i'm aware of no not in that

257  
00:09:02,949 --> 00:09:01,600  
area uh

258  
00:09:05,509 --> 00:09:02,959  
and i think we're going to get some

259  
00:09:07,350 --> 00:09:05,519  
stuff from that but moving past our

260  
00:09:08,790 --> 00:09:07,360  
weekend excursion and the fun that butch

261  
00:09:11,670 --> 00:09:08,800  
and i had ate a lot of bologna and

262  
00:09:15,590 --> 00:09:11,680  
cheese and butch knows i like the food

263  
00:09:16,870 --> 00:09:15,600

uh we uh have some more clown stuff

264

00:09:20,310 --> 00:09:16,880

going on lon

265

00:09:22,070 --> 00:09:20,320

oh god yeah yeah it's happening again

266

00:09:24,389 --> 00:09:22,080

it's gonna continue i mean like i was

267

00:09:24,710 --> 00:09:24,399

telling you they've had a report come

268

00:09:27,430 --> 00:09:24,720

out

269

00:09:28,230 --> 00:09:27,440

from retailers that sell costume and

270

00:09:30,949 --> 00:09:28,240

stuff

271

00:09:32,230 --> 00:09:30,959

that the clown costume is up about 300

272

00:09:35,030 --> 00:09:32,240

percent

273

00:09:36,710 --> 00:09:35,040

so and like i also told sean i i'm just

274

00:09:38,550 --> 00:09:36,720

waiting for something to happen

275

00:09:40,630 --> 00:09:38,560

and not necessarily one of the clowns

276

00:09:42,470 --> 00:09:40,640

getting shot but some clown coming to

277

00:09:43,670 --> 00:09:42,480

somebody's door on halloween and robbing

278

00:09:46,870 --> 00:09:43,680

the police

279

00:09:50,770 --> 00:09:46,880

trick or treat i

280

00:09:56,230 --> 00:09:50,780

was shot

281

00:10:00,550 --> 00:09:58,150

you know scare somebody and they scared

282

00:10:02,230 --> 00:10:00,560

him what the hell

283

00:10:06,710 --> 00:10:02,240

we said it was only a matter of time

284

00:10:11,030 --> 00:10:09,269

oh boy so what do you got for us what's

285

00:10:13,670 --> 00:10:11,040

going on yeah this uh

286

00:10:14,310 --> 00:10:13,680

i got a few odd things the past week or

287

00:10:18,150 --> 00:10:14,320

so i

288

00:10:18,790 --> 00:10:18,160

um we want to start with first the dog

289

00:10:22,230 --> 00:10:18,800

man

290

00:10:23,590 --> 00:10:22,240

insectoid or the uh mib let's start with

291

00:10:27,190 --> 00:10:23,600

the insectoid

292

00:10:28,949 --> 00:10:27,200

okay this um

293

00:10:31,110 --> 00:10:28,959

this was something that was called into

294

00:10:34,870 --> 00:10:31,120

coast to coast about

295

00:10:37,990 --> 00:10:34,880

uh a little over a week ago uh a guy by

296

00:10:41,990 --> 00:10:38,000

name a ricky in san diego

297

00:10:44,829 --> 00:10:42,000

uh he was camping in the uh

298

00:10:46,389 --> 00:10:44,839

in the sequoia national forest out in

299

00:10:48,710 --> 00:10:46,399

california

300

00:10:50,949 --> 00:10:48,720

i just want to share an experience i had

301  
00:10:52,069 --> 00:10:50,959  
about two years ago the sequoia national

302  
00:10:54,389 --> 00:10:52,079  
forest

303  
00:10:56,150 --> 00:10:54,399  
my sister took my friend and i out there

304  
00:10:58,630 --> 00:10:56,160  
and we were deep in the forest

305  
00:11:00,230 --> 00:10:58,640  
far away from civilization we were

306  
00:11:02,150 --> 00:11:00,240  
having a great time i'm a believer in

307  
00:11:03,430 --> 00:11:02,160  
the paranormal bigfoot aliens and all

308  
00:11:05,110 --> 00:11:03,440  
that stuff but

309  
00:11:06,550 --> 00:11:05,120  
while i was there i never had that

310  
00:11:08,389 --> 00:11:06,560  
thought

311  
00:11:11,430 --> 00:11:08,399  
i was there camping with my family

312  
00:11:15,030 --> 00:11:11,440  
having a good a great time

313  
00:11:16,790 --> 00:11:15,040

at nine o'clock everyone decides to go

314

00:11:19,910 --> 00:11:16,800

to sleep my friend and i were left

315

00:11:21,750 --> 00:11:19,920

staring at the bonfire i decided it was

316

00:11:22,310 --> 00:11:21,760

a good time to listen to music so i went

317

00:11:24,230 --> 00:11:22,320

to my

318

00:11:26,550 --> 00:11:24,240

sister's forerunner and i was opening

319

00:11:28,310 --> 00:11:26,560

the back to grab my ipod

320

00:11:31,110 --> 00:11:28,320

and as i opened the back door i heard

321

00:11:34,230 --> 00:11:31,120

something out come out of the tree

322

00:11:35,190 --> 00:11:34,240

it didn't come out of the tree it was it

323

00:11:38,230 --> 00:11:35,200

was almost like

324

00:11:41,190 --> 00:11:38,240

it was holding on and it fell

325

00:11:42,150 --> 00:11:41,200

and i heard this huge thump i could feel

326

00:11:45,030 --> 00:11:42,160

it

327

00:11:46,470 --> 00:11:45,040

and as i i had a flashlight on i looked

328

00:11:48,790 --> 00:11:46,480

over the trees

329

00:11:51,269 --> 00:11:48,800

i heard the falling and when i swear my

330

00:11:53,750 --> 00:11:51,279

life and swear to god honest to god

331

00:11:56,069 --> 00:11:53,760

that i saw a six to seven foot tall

332

00:11:58,389 --> 00:11:56,079

praying mantis

333

00:12:01,110 --> 00:11:58,399

and as i laid eyes on i completely lost

334

00:12:03,750 --> 00:12:01,120

breath i was completely taken aback

335

00:12:05,910 --> 00:12:03,760

it took a step back and it completely

336

00:12:09,030 --> 00:12:05,920

became completely invisible

337

00:12:10,790 --> 00:12:09,040

i could not believe what i saw i slammed

338

00:12:12,710 --> 00:12:10,800

the door and ran back to the campfire

339

00:12:13,430 --> 00:12:12,720

and i alerted my friend i woke everyone

340

00:12:16,069 --> 00:12:13,440

up and no one

341

00:12:18,150 --> 00:12:16,079

believed me i was really upset because i

342

00:12:20,150 --> 00:12:18,160

knew what i had seen

343

00:12:22,069 --> 00:12:20,160

so that happened and my friend didn't

344

00:12:24,150 --> 00:12:22,079

believe me he was laughing at me and

345

00:12:25,509 --> 00:12:24,160

then all of a sudden i could hear all

346

00:12:28,069 --> 00:12:25,519

these surrounding us

347

00:12:29,750 --> 00:12:28,079

and finally when i brought her to my

348

00:12:30,389 --> 00:12:29,760

friend's attention he kind of put his

349

00:12:36,069 --> 00:12:30,399

ear

350

00:12:37,509 --> 00:12:36,079

finally i was patrolling the campground

351

00:12:38,870 --> 00:12:37,519

with my flashlight

352

00:12:40,949 --> 00:12:38,880

and i could just hear these things

353

00:12:42,949 --> 00:12:40,959

surrounding us and

354

00:12:44,230 --> 00:12:42,959

it hurt like a clicking sound like it

355

00:12:48,790 --> 00:12:44,240

was making you know

356

00:12:51,110 --> 00:12:48,800

like making your uh clicking sounds

357

00:12:53,990 --> 00:12:51,120

when you click on your mouth it was a

358

00:12:56,470 --> 00:12:54,000

really strange i was so scared

359

00:12:57,670 --> 00:12:56,480

well even if you what he's saying is

360

00:13:01,590 --> 00:12:57,680

true

361

00:13:04,870 --> 00:13:01,600

um i you know of course i've had

362

00:13:09,110 --> 00:13:04,880

people report these insectoid i mean

363

00:13:12,150 --> 00:13:09,120

specifically you rip these um

364

00:13:15,030 --> 00:13:12,160

praying menace type beings

365

00:13:17,670 --> 00:13:15,040

and uh in all cases they cloak

366

00:13:20,949 --> 00:13:17,680

themselves or just disappear

367

00:13:22,710 --> 00:13:20,959

now um you know

368

00:13:24,870 --> 00:13:22,720

this very well could be i don't know

369

00:13:25,190 --> 00:13:24,880

what you know he didn't really get much

370

00:13:26,870 --> 00:13:25,200

of this

371

00:13:28,389 --> 00:13:26,880

i don't know how much he saw that just

372

00:13:30,069 --> 00:13:28,399

that height

373

00:13:31,509 --> 00:13:30,079

i mean did it look just like a praying

374

00:13:33,670 --> 00:13:31,519

mass or was it something

375

00:13:39,189 --> 00:13:33,680

you know a little bit odd different i

376

00:13:39,199 --> 00:13:42,389

these mantis men

377

00:13:47,590 --> 00:13:45,750

creepy yeah

378

00:13:48,870 --> 00:13:47,600

well you know this thing you know just

379

00:13:49,829 --> 00:13:48,880

like this thing i had up there in

380

00:13:52,629 --> 00:13:49,839

hackensville

381

00:13:54,150 --> 00:13:52,639

or hackett's town up in new jersey i

382

00:13:56,470 --> 00:13:54,160

mean we got

383

00:13:58,150 --> 00:13:56,480

i had three good sightings up there and

384

00:13:59,590 --> 00:13:58,160

another one as well which i couldn't

385

00:14:03,189 --> 00:13:59,600

verify

386

00:14:05,990 --> 00:14:03,199

but uh you know and this was all within

387

00:14:07,430 --> 00:14:06,000

a half a mile of each other and to the

388

00:14:09,509 --> 00:14:07,440

sightings the ones that were actually

389

00:14:13,110 --> 00:14:09,519

seen on television

390

00:14:16,389 --> 00:14:13,120

on the uh monsters and mysteries

391

00:14:19,670 --> 00:14:16,399

segment or actually like just

392

00:14:22,949 --> 00:14:19,680

a few hundred feet apart so

393

00:14:26,870 --> 00:14:22,959

um and those things disappeared on

394

00:14:28,389 --> 00:14:26,880

the witnesses as well has that program

395

00:14:30,150 --> 00:14:28,399

brought you more sightings of these

396

00:14:31,509 --> 00:14:30,160

insectoid type creatures

397

00:14:34,470 --> 00:14:31,519

no it doesn't seem like you get a whole

398

00:14:37,030 --> 00:14:34,480

lot of them doesn't no no they're rare

399

00:14:38,870 --> 00:14:37,040

they really are rare the only you know

400

00:14:41,590 --> 00:14:38,880

mostly the insectoid

401  
00:14:43,990 --> 00:14:41,600  
sightings are given to me by people that

402  
00:14:46,069 --> 00:14:44,000  
have alien abductions

403  
00:14:47,750 --> 00:14:46,079  
that's where most most of the sightings

404  
00:14:48,870 --> 00:14:47,760  
are because they have an encounter with

405  
00:14:50,790 --> 00:14:48,880  
them on

406  
00:14:52,230 --> 00:14:50,800  
their craft or wherever they take them

407  
00:14:55,590 --> 00:14:52,240  
to well that's interesting

408  
00:14:57,189 --> 00:14:55,600  
interesting it's so i mean they're a

409  
00:14:57,990 --> 00:14:57,199  
high they are what they consider a

410  
00:15:01,110 --> 00:14:58,000  
higher order

411  
00:15:01,910 --> 00:15:01,120  
being now you know i don't i don't know

412  
00:15:04,550 --> 00:15:01,920  
what names they

413  
00:15:05,030 --> 00:15:04,560

to really use for them or what but you

414

00:15:06,550 --> 00:15:05,040

know

415

00:15:08,710 --> 00:15:06,560

they're they're considered a higher

416

00:15:08,949 --> 00:15:08,720

order being just like reptilians though

417

00:15:12,389 --> 00:15:08,959

i

418

00:15:14,389 --> 00:15:12,399

some research

419

00:15:15,509 --> 00:15:14,399

researchers have told me to talk to

420

00:15:18,949 --> 00:15:15,519

others

421

00:15:19,430 --> 00:15:18,959

the the mantis beings are the highest

422

00:15:23,350 --> 00:15:19,440

order

423

00:15:25,269 --> 00:15:23,360

of them all now i don't know if

424

00:15:27,590 --> 00:15:25,279

what they are it seems like the

425

00:15:31,110 --> 00:15:27,600

reptilian species

426

00:15:33,670 --> 00:15:31,120

are like the overlords and you know

427

00:15:34,710 --> 00:15:33,680

the mantis are almost like a royal type

428

00:15:36,389 --> 00:15:34,720

thing

429

00:15:38,069 --> 00:15:36,399

i mean that's just that's just what

430

00:15:40,150 --> 00:15:38,079

people say uh

431

00:15:41,509 --> 00:15:40,160

experiencers have said and have

432

00:15:44,870 --> 00:15:41,519

described

433

00:15:46,550 --> 00:15:44,880

so the fact that we're seeing them

434

00:15:50,150 --> 00:15:46,560

terrestrial wise i don't know i don't

435

00:15:53,670 --> 00:15:52,150

i mean it's i'm not saying that they're

436

00:15:55,509 --> 00:15:53,680

actually oh yeah they could be anything

437

00:15:57,990 --> 00:15:55,519

but quite honest with you i mean

438

00:15:58,710 --> 00:15:58,000

maybe it's another question yeah maybe

439

00:16:01,749 --> 00:15:58,720

it's another crypt

440

00:16:02,310 --> 00:16:01,759

or something i don't know who knows who

441

00:16:03,749 --> 00:16:02,320

knows

442

00:16:05,430 --> 00:16:03,759

and that's why we take these reports

443

00:16:07,430 --> 00:16:05,440

when we talk about them because

444

00:16:09,030 --> 00:16:07,440

strange [h\_\_\h] really goes on out there

445

00:16:13,030 --> 00:16:09,040

you see giant mantises

446

00:16:15,670 --> 00:16:13,040

these i don't know i i

447

00:16:17,430 --> 00:16:15,680

you know you don't know because if you

448

00:16:21,189 --> 00:16:17,440

knew i wouldn't be saying you know

449

00:16:22,790 --> 00:16:21,199

but yeah i i feel like like damn there's

450

00:16:25,749 --> 00:16:22,800

an awful lot of alien

451

00:16:27,749 --> 00:16:25,759

contact out there that i'm just really

452

00:16:29,269 --> 00:16:27,759

ignorant to i don't follow the alien

453

00:16:31,670 --> 00:16:29,279

stuff unless you talk about it very much

454

00:16:34,710 --> 00:16:31,680

just being completely transparent

455

00:16:35,509 --> 00:16:34,720

i uh i don't follow it too much and it

456

00:16:37,030 --> 00:16:35,519

yeah

457

00:16:38,710 --> 00:16:37,040

is frightening and maybe that's why i

458

00:16:40,470 --> 00:16:38,720

don't i don't want to test my fate

459

00:16:43,189 --> 00:16:40,480

well you know i never really got into a

460

00:16:44,550 --> 00:16:43,199

lot of that either i mean you know i

461

00:16:46,790 --> 00:16:44,560

all the years i hadn't been

462

00:16:48,470 --> 00:16:46,800

investigating i never really thought

463

00:16:51,030 --> 00:16:48,480

much about it

464

00:16:52,230 --> 00:16:51,040

you know i mean david eckert in his

465

00:16:53,990 --> 00:16:52,240

situation

466

00:16:56,230 --> 00:16:54,000

really got me looking into it and that's

467

00:16:59,110 --> 00:16:56,240

been what about

468

00:17:00,230 --> 00:16:59,120

i don't know eight ten years ago now so

469

00:17:03,110 --> 00:17:00,240

since that time

470

00:17:04,710 --> 00:17:03,120

you know and by luck people have been

471

00:17:08,470 --> 00:17:04,720

have contacted me about

472

00:17:11,510 --> 00:17:08,480

it and through other things i've done uh

473

00:17:12,870 --> 00:17:11,520

you know but you know people it's gotten

474

00:17:14,470 --> 00:17:12,880

to the point just like anything else

475

00:17:17,189 --> 00:17:14,480

people aren't afraid to talk about it

476  
00:17:19,750 --> 00:17:17,199  
like they used to be and you know quite

477  
00:17:21,429 --> 00:17:19,760  
frankly if you got something

478  
00:17:23,110 --> 00:17:21,439  
that looks like a stick person walking

479  
00:17:24,470 --> 00:17:23,120  
out in your backyard

480  
00:17:27,189 --> 00:17:24,480  
you're not gonna really say a whole lot

481  
00:17:28,630 --> 00:17:27,199  
to people well yeah people aren't afraid

482  
00:17:30,310 --> 00:17:28,640  
to talk about it i got people that

483  
00:17:33,110 --> 00:17:30,320  
listen to my show that actually come up

484  
00:17:34,950 --> 00:17:33,120  
to my actual place of employment

485  
00:17:36,870 --> 00:17:34,960  
and talk to me about aliens that they're

486  
00:17:39,510 --> 00:17:36,880  
observing in their concrete patios

487  
00:17:40,390 --> 00:17:39,520  
and i said in their concrete patios not

488  
00:17:42,950 --> 00:17:40,400

on them

489

00:17:44,310 --> 00:17:42,960

in them extraterrestrials that live in

490

00:17:46,549 --> 00:17:44,320

concrete

491

00:17:47,830 --> 00:17:46,559

so i don't know what the hell's going on

492

00:17:49,350 --> 00:17:47,840

in this crazy world we live and of

493

00:17:50,870 --> 00:17:49,360

course i just try to be nice but these

494

00:17:54,230 --> 00:17:50,880

people will talk to you about anything

495

00:17:58,470 --> 00:17:57,430

well what do you want mib or a dog man

496

00:18:00,150 --> 00:17:58,480

down virginia

497

00:18:02,150 --> 00:18:00,160

well let's do dog man because you know

498

00:18:04,710 --> 00:18:02,160

we have a uh preferred place in our

499

00:18:07,750 --> 00:18:04,720

hearts for the uh that canine

500

00:18:09,350 --> 00:18:07,760

companion okay this was uh something

501  
00:18:12,789 --> 00:18:09,360  
that happened

502  
00:18:15,350 --> 00:18:12,799  
uh back in july uh down

503  
00:18:17,669 --> 00:18:15,360  
on the uh virginia peninsula not far

504  
00:18:21,350 --> 00:18:17,679  
actually not far from williamsburg

505  
00:18:23,590 --> 00:18:21,360  
um i like i'd like to know your opinion

506  
00:18:25,110 --> 00:18:23,600  
on something i saw in july this year i

507  
00:18:27,029 --> 00:18:25,120  
was driving home

508  
00:18:28,789 --> 00:18:27,039  
during early evening from williamsburg

509  
00:18:32,390 --> 00:18:28,799  
virginia on us 64

510  
00:18:35,190 --> 00:18:32,400  
west towards richmond about a mile past

511  
00:18:36,070 --> 00:18:35,200  
route 607 overpass i saw something ahead

512  
00:18:39,669 --> 00:18:36,080  
of me

513  
00:18:42,710 --> 00:18:39,679

on the right the best i can describe it

514

00:18:45,590 --> 00:18:42,720

is it looked like a huge black dog

515

00:18:48,070 --> 00:18:45,600

standing on its back legs off the

516

00:18:50,150 --> 00:18:48,080

shoulder at the edge of the woods

517

00:18:52,950 --> 00:18:50,160

i slowed up because the person in front

518

00:18:56,390 --> 00:18:52,960

of me was looking at it as well

519

00:18:59,590 --> 00:18:56,400

there's no doubt that that is what

520

00:19:02,310 --> 00:18:59,600

it was there as i drove by

521

00:19:02,710 --> 00:19:02,320

the beast just disappeared it was so

522

00:19:04,789 --> 00:19:02,720

quick

523

00:19:06,310 --> 00:19:04,799

though i suppose it could have stepped

524

00:19:08,710 --> 00:19:06,320

back into the woods

525

00:19:10,470 --> 00:19:08,720

i was in shock i believe i flashed my

526  
00:19:12,070 --> 00:19:10,480  
headlights in order to draw attention to

527  
00:19:14,870 --> 00:19:12,080  
the driver

528  
00:19:16,310 --> 00:19:14,880  
uh i believe it was a woman that was in

529  
00:19:19,029 --> 00:19:16,320  
front of her

530  
00:19:20,150 --> 00:19:19,039  
and to possibly pull over so i could ask

531  
00:19:23,750 --> 00:19:20,160  
her what she saw

532  
00:19:25,510 --> 00:19:23,760  
she sped up continued on her way so

533  
00:19:27,590 --> 00:19:25,520  
i know for a fact that others on the

534  
00:19:30,470 --> 00:19:27,600  
highway had seen it

535  
00:19:31,430 --> 00:19:30,480  
now it looked to be at least seven foot

536  
00:19:33,590 --> 00:19:31,440  
tall

537  
00:19:35,029 --> 00:19:33,600  
and a huge head like that of a german

538  
00:19:36,950 --> 00:19:35,039

shepherd

539

00:19:38,789 --> 00:19:36,960

all the hair was black the body was

540

00:19:41,350 --> 00:19:38,799

tapered at the torso

541

00:19:43,190 --> 00:19:41,360

like what you see in the werewolf movies

542

00:19:46,630 --> 00:19:43,200

and he put in here i didn't believe i

543

00:19:49,430 --> 00:19:46,640

don't believe in werewolves by the way

544

00:19:50,950 --> 00:19:49,440

i didn't really notice much below the

545

00:19:53,110 --> 00:19:50,960

waist since

546

00:19:55,590 --> 00:19:53,120

much of it was hidden by tall weeds can

547

00:19:57,990 --> 00:19:55,600

we talk guys named marv

548

00:19:59,590 --> 00:19:58,000

so i tried to call marv a couple times i

549

00:20:02,470 --> 00:19:59,600

did get a hold of him

550

00:20:04,149 --> 00:20:02,480

and uh you know after leaving voice

551  
00:20:07,750 --> 00:20:04,159  
message he finally called me

552  
00:20:09,510 --> 00:20:07,760  
this past sunday night and

553  
00:20:11,110 --> 00:20:09,520  
he asked me what i thought it was and i

554  
00:20:13,270 --> 00:20:11,120  
told him you know about the sightings of

555  
00:20:15,350 --> 00:20:13,280  
pa that we've been having

556  
00:20:17,510 --> 00:20:15,360  
and uh he said he heard of bigfoot

557  
00:20:19,110 --> 00:20:17,520  
activity on the peninsula before

558  
00:20:20,870 --> 00:20:19,120  
but nothing to do with anything like

559  
00:20:23,909 --> 00:20:20,880  
that

560  
00:20:26,390 --> 00:20:23,919  
he uh he said he did contact two other

561  
00:20:28,149 --> 00:20:26,400  
investigators but they didn't get back

562  
00:20:29,909 --> 00:20:28,159  
to him

563  
00:20:31,830 --> 00:20:29,919

uh he isn't from there he actually lives

564

00:20:32,870 --> 00:20:31,840

in roanoke and virginia which is further

565

00:20:35,909 --> 00:20:32,880

west

566

00:20:38,549 --> 00:20:35,919

he also said that he attempted to get a

567

00:20:40,710 --> 00:20:38,559

photo of it while slowing down

568

00:20:43,430 --> 00:20:40,720

but wasn't successful he doubled back at

569

00:20:47,110 --> 00:20:43,440

the next turn off and came back around

570

00:20:49,430 --> 00:20:47,120

but never caught another glimpse

571

00:20:51,590 --> 00:20:49,440

he insisted that the head looked like a

572

00:20:53,750 --> 00:20:51,600

german shepherd not a wolf

573

00:20:55,830 --> 00:20:53,760

but the body resembled werewolves seen

574

00:20:57,990 --> 00:20:55,840

in modern horror films

575

00:20:59,350 --> 00:20:58,000

said the ears were long and stood

576  
00:21:02,310 --> 00:20:59,360  
straight up

577  
00:21:03,909 --> 00:21:02,320  
the snout and face were streamlined he

578  
00:21:06,710 --> 00:21:03,919  
didn't notice the tail

579  
00:21:08,390 --> 00:21:06,720  
this description is not similar to most

580  
00:21:11,190 --> 00:21:08,400  
of what we've got in pa

581  
00:21:13,110 --> 00:21:11,200  
um because most of witness that's you

582  
00:21:17,110 --> 00:21:13,120  
know state the creatures

583  
00:21:20,070 --> 00:21:17,120  
are more wolf-like and the odds way

584  
00:21:20,470 --> 00:21:20,080  
this particular sighting reminds me more

585  
00:21:23,990 --> 00:21:20,480  
of

586  
00:21:26,470 --> 00:21:24,000  
the dogmen that are being seen up in uh

587  
00:21:30,310 --> 00:21:26,480  
up the upper midwest or what linda has

588  
00:21:31,430 --> 00:21:30,320

been reporting for years so you know i

589

00:21:32,789 --> 00:21:31,440

don't know if it's different what we've

590

00:21:35,909 --> 00:21:32,799

been seeing around here

591

00:21:41,750 --> 00:21:35,919

but i haven't heard of one where anybody

592

00:21:47,430 --> 00:21:45,669

so that's all that that's uh

593

00:21:49,190 --> 00:21:47,440

that's what stood out for me is it

594

00:21:51,590 --> 00:21:49,200

looked like a german shepherd had a very

595

00:21:55,190 --> 00:21:51,600

tapered waist and looked like a

596

00:21:57,830 --> 00:21:55,200

wolf werewolf from the movies

597

00:22:00,070 --> 00:21:57,840

it just i mean it just doesn't seem like

598

00:22:01,669 --> 00:22:00,080

it was as robust as some of the other

599

00:22:05,510 --> 00:22:01,679

ones we've talked about

600

00:22:07,750 --> 00:22:05,520

i don't know i mean he uh

601  
00:22:08,789 --> 00:22:07,760  
he he said that you know the waist was

602  
00:22:11,270 --> 00:22:08,799  
thin and

603  
00:22:12,950 --> 00:22:11,280  
you know top of the body was big like we

604  
00:22:16,390 --> 00:22:12,960  
get in a lot of these reports

605  
00:22:18,310 --> 00:22:16,400  
but he said the head itself was like

606  
00:22:19,750 --> 00:22:18,320  
i know if you look at a german shepherd

607  
00:22:22,149 --> 00:22:19,760  
it's got like a long snout in the

608  
00:22:25,270 --> 00:22:22,159  
tapered head with long ears

609  
00:22:26,070 --> 00:22:25,280  
and uh he said that's what it looked

610  
00:22:29,750 --> 00:22:26,080  
like and it was

611  
00:22:32,870 --> 00:22:29,760  
all black i said did you notice anything

612  
00:22:37,190 --> 00:22:32,880  
with the eyes and he said no

613  
00:22:38,789 --> 00:22:37,200

no i don't know what the hell you saw

614

00:22:40,390 --> 00:22:38,799

but apparently some other people saw it

615

00:22:41,430 --> 00:22:40,400

on the road because you said people are

616

00:22:43,510 --> 00:22:41,440

slowing down

617

00:22:45,190 --> 00:22:43,520

even on the other side of the road so

618

00:22:48,230 --> 00:22:45,200

the woman that was in front of him

619

00:22:52,710 --> 00:22:48,240

she saw it but wouldn't stop him

620

00:22:56,230 --> 00:22:54,470

so i don't know what he saw what do you

621

00:22:58,149 --> 00:22:56,240

think butch i think these folks are

622

00:23:00,630 --> 00:22:58,159

seeing something out there

623

00:23:02,070 --> 00:23:00,640

yeah just just yeah i haven't had

624

00:23:05,510 --> 00:23:02,080

virginia

625

00:23:09,430 --> 00:23:05,520

yeah too many reports yeah

626  
00:23:14,710 --> 00:23:09,440  
and they're too similar so

627  
00:23:18,470 --> 00:23:16,390  
yeah we gotta figure out something

628  
00:23:20,710 --> 00:23:18,480  
because it's

629  
00:23:22,549 --> 00:23:20,720  
well maybe our guest and i can help i

630  
00:23:25,990 --> 00:23:22,559  
mean um

631  
00:23:27,990 --> 00:23:26,000  
you know this book that they wrote

632  
00:23:29,909 --> 00:23:28,000  
and actually butch is in the book as

633  
00:23:32,230 --> 00:23:29,919  
well but they've got a

634  
00:23:34,630 --> 00:23:32,240  
some vignettes and some stuff and some

635  
00:23:36,549 --> 00:23:34,640  
other writings from other

636  
00:23:38,070 --> 00:23:36,559  
researchers in particular dogman

637  
00:23:40,230 --> 00:23:38,080  
researchers and people that have dealt

638  
00:23:43,909 --> 00:23:40,240

with these type of cryptids

639

00:23:48,789 --> 00:23:47,029

maybe they'll have some answers for it

640

00:23:50,310 --> 00:23:48,799

excellent well what else do we have you

641

00:23:52,070 --> 00:23:50,320

said you had a man in black store so we

642

00:23:56,149 --> 00:23:52,080

just got a couple minutes here yet

643

00:23:59,190 --> 00:23:56,159

yeah we'll get that next time okay okay

644

00:24:02,710 --> 00:23:59,200

we'll go ahead and anything short now

645

00:24:04,789 --> 00:24:02,720

let's just go ahead and uh introduce our

646

00:24:06,870 --> 00:24:04,799

guests and go ahead and bring them all

647

00:24:09,190 --> 00:24:06,880

all right you want to do the intro you

648

00:24:11,590 --> 00:24:09,200

want me to do the intro

649

00:24:13,110 --> 00:24:11,600

tim beckley who is known as mr ufo and

650

00:24:15,990 --> 00:24:13,120

claudia cunningham

651  
00:24:17,430 --> 00:24:16,000  
who is known as the mib lady our

652  
00:24:19,510 --> 00:24:17,440  
longtime anomaly

653  
00:24:22,070 --> 00:24:19,520  
14 researchers who have concentrated on

654  
00:24:24,230 --> 00:24:22,080  
the apology and related phenomenon

655  
00:24:26,549 --> 00:24:24,240  
now tim recently published cryptic

656  
00:24:29,830 --> 00:24:26,559  
creatures from dark domains

657  
00:24:31,990 --> 00:24:29,840  
dogmen devil hounds phantom canines and

658  
00:24:33,510 --> 00:24:32,000  
real werewolves

659  
00:24:35,510 --> 00:24:33,520  
which includes chapters written by

660  
00:24:37,830 --> 00:24:35,520  
various cryptid and ufology

661  
00:24:39,510 --> 00:24:37,840  
investigators and writers the book

662  
00:24:40,789 --> 00:24:39,520  
offers a wide array of supernatural

663  
00:24:42,310 --> 00:24:40,799

phenomena and possible connections

664

00:24:46,230 --> 00:24:42,320

between cryptids

665

00:24:48,070 --> 00:24:46,240

and ufos so in a minute we'll be back

666

00:24:51,510 --> 00:24:48,080

and uh we'll have tim beckley and

667

00:24:53,110 --> 00:24:51,520

claudia cunningham on with us

668

00:24:54,950 --> 00:24:53,120

and good evening folks welcome back

669

00:24:56,230 --> 00:24:54,960

arcane radio i'm shawn the fork chop

670

00:24:58,950 --> 00:24:56,240

forker joined with

671

00:25:00,789 --> 00:24:58,960

butch wachowski and lon strickler and

672

00:25:02,789 --> 00:25:00,799

our special guest tonight

673

00:25:04,390 --> 00:25:02,799

tim beckley and miss claudia we're going

674

00:25:06,870 --> 00:25:04,400

to be talking about some

675

00:25:08,470 --> 00:25:06,880

very strange happenings so guys thanks

676  
00:25:11,029 --> 00:25:08,480  
for joining us tonight

677  
00:25:13,590 --> 00:25:11,039  
uh i got a copy of your book right here

678  
00:25:16,549 --> 00:25:13,600  
cryptid creatures from dark domains

679  
00:25:18,549 --> 00:25:16,559  
and i'm excited to let's get to it good

680  
00:25:20,310 --> 00:25:18,559  
and uh butch how are you this evening

681  
00:25:22,549 --> 00:25:20,320  
i'm fine tim how are you doing son uh

682  
00:25:24,630 --> 00:25:22,559  
hanging in here hanging in here with

683  
00:25:24,940 --> 00:25:24,640  
all kinds of craziness and sounds in my

684  
00:25:30,950 --> 00:25:24,950  
ear

685  
00:25:35,909 --> 00:25:33,350  
and we're ready to go deep into the

686  
00:25:40,870 --> 00:25:39,029  
i'm ready well apparently

687  
00:25:42,470 --> 00:25:40,880  
in the book you're seeing the devil

688  
00:25:44,390 --> 00:25:42,480

butch as i'm looking at you right here

689

00:25:45,830 --> 00:25:44,400

this lovely photograph that i also use

690

00:25:48,390 --> 00:25:45,840

of butch witkowski

691

00:25:49,350 --> 00:25:48,400

uh in the book on page seven so let's

692

00:25:50,950 --> 00:25:49,360

start from the top

693

00:25:52,230 --> 00:25:50,960

tim our listeners might not be too

694

00:25:53,830 --> 00:25:52,240

familiar with you and if they are

695

00:25:55,590 --> 00:25:53,840

fantastic but i'm not tell me a little

696

00:25:57,669 --> 00:25:55,600

bit about yourself and claudia

697

00:25:59,990 --> 00:25:57,679

will do the same for you oh boy you got

698

00:26:03,510 --> 00:26:00,000

an hour of discussion right there

699

00:26:05,669 --> 00:26:03,520

well let me see um i got

700

00:26:06,950 --> 00:26:05,679

involved in all of this well the house i

701  
00:26:09,990 --> 00:26:06,960  
was raised in

702  
00:26:12,070 --> 00:26:10,000  
had um poltergeist phenomena you know

703  
00:26:13,909 --> 00:26:12,080  
lights going on and often doors opening

704  
00:26:16,789 --> 00:26:13,919  
and uh closing

705  
00:26:18,710 --> 00:26:16,799  
and uh at one point uh people were even

706  
00:26:22,390 --> 00:26:18,720  
hearing the sound of a baby

707  
00:26:22,950 --> 00:26:22,400  
uh crying um in the in the house there

708  
00:26:24,870 --> 00:26:22,960  
and we

709  
00:26:26,310 --> 00:26:24,880  
we found out later on that there had

710  
00:26:29,430 --> 00:26:26,320  
been a um

711  
00:26:30,549 --> 00:26:29,440  
i guess a uh an epidemic like typhoid

712  
00:26:33,590 --> 00:26:30,559  
epidemic

713  
00:26:36,630 --> 00:26:33,600

right after world war one

714

00:26:38,710 --> 00:26:36,640

and there was a uh a woman who had

715

00:26:40,149 --> 00:26:38,720

given them birth to a baby and died

716

00:26:41,909 --> 00:26:40,159

within a couple of days

717

00:26:43,269 --> 00:26:41,919

and they had awake with both of them in

718

00:26:44,870 --> 00:26:43,279

the same coffin so

719

00:26:47,750 --> 00:26:44,880

we assume if one believes in the

720

00:26:50,710 --> 00:26:47,760

paranormal uh aspect of uh

721

00:26:51,510 --> 00:26:50,720

ghosts and so forth spirits uh that this

722

00:26:53,590 --> 00:26:51,520

might have been

723

00:26:54,870 --> 00:26:53,600

them uh coming back or haunting of the

724

00:26:57,269 --> 00:26:54,880

place but

725

00:26:58,070 --> 00:26:57,279

perhaps the most relevant thing was uh

726

00:27:00,870 --> 00:26:58,080

when i was

727

00:27:02,950 --> 00:27:00,880

10 years old i had the first of three

728

00:27:05,909 --> 00:27:02,960

ufo sightings

729

00:27:07,350 --> 00:27:05,919

and ufos i guess are really what's kept

730

00:27:11,350 --> 00:27:07,360

me uh going

731

00:27:14,390 --> 00:27:11,360

uh over uh all these years you know i'm

732

00:27:15,909 --> 00:27:14,400

probably uh have more i have a small

733

00:27:17,510 --> 00:27:15,919

publishing company called interlight

734

00:27:20,630 --> 00:27:17,520

global communications

735

00:27:23,269 --> 00:27:20,640

we have about 250 books published over a

736

00:27:26,070 --> 00:27:23,279

period of almost half a century

737

00:27:27,029 --> 00:27:26,080

uh authors like brad steiger t lump

738

00:27:30,470 --> 00:27:27,039

synchrompa

739

00:27:33,590 --> 00:27:30,480

sean castille myself and a

740

00:27:36,630 --> 00:27:33,600

multitude of others and

741

00:27:39,750 --> 00:27:36,640

we have a youtube channel which is uh

742

00:27:40,789 --> 00:27:39,760

mr ufo secret file our own weekly

743

00:27:44,710 --> 00:27:40,799

podcast

744

00:27:45,909 --> 00:27:44,720

uh which is um uh exploring the bazaar

745

00:27:49,029 --> 00:27:45,919

and kcr

746

00:27:52,310 --> 00:27:49,039

radio i organized some of the first

747

00:27:54,470 --> 00:27:52,320

ufo conferences around the country

748

00:27:55,990 --> 00:27:54,480

and have a bit involved in putting out

749

00:27:58,549 --> 00:27:56,000

many many ufo

750

00:28:00,070 --> 00:27:58,559

journals and magazines which sold on the

751  
00:28:03,430 --> 00:28:00,080  
newsstand

752  
00:28:04,710 --> 00:28:03,440  
but going back to 1957 i was 10 years

753  
00:28:07,190 --> 00:28:04,720  
old at the time

754  
00:28:08,549 --> 00:28:07,200  
and we were in the middle of a summer

755  
00:28:15,830 --> 00:28:08,559  
ufo

756  
00:28:17,269 --> 00:28:15,840  
now uh we were seated on the front porch

757  
00:28:17,990 --> 00:28:17,279  
i was seated on the front porch of my

758  
00:28:20,789 --> 00:28:18,000  
parents home

759  
00:28:22,310 --> 00:28:20,799  
in new jersey which was pretty common

760  
00:28:24,630 --> 00:28:22,320  
because you just kind of stayed outside

761  
00:28:27,590 --> 00:28:24,640  
until it cooled off no air conditioners

762  
00:28:28,630 --> 00:28:27,600  
uh in those days and someone came

763  
00:28:32,549 --> 00:28:28,640

running up to

764

00:28:35,669 --> 00:28:32,559

where we were seated and pointed out

765

00:28:37,590 --> 00:28:35,679

two objects in the sky one was across

766

00:28:38,549 --> 00:28:37,600

the street over an abandoned factory

767

00:28:41,110 --> 00:28:38,559

building

768

00:28:43,430 --> 00:28:41,120

and one was right above the uh the house

769

00:28:46,230 --> 00:28:43,440

where i was living with my parents

770

00:28:48,549 --> 00:28:46,240

and these things circled in the sky for

771

00:28:49,830 --> 00:28:48,559

oh 15 or 20 minutes and then the one

772

00:28:51,510 --> 00:28:49,840

across the street

773

00:28:53,990 --> 00:28:51,520

just blinked out like somebody had

774

00:28:55,510 --> 00:28:54,000

pulled the uh the light switch

775

00:28:57,750 --> 00:28:55,520

and the other one continued to circle

776

00:29:01,750 --> 00:28:57,760

overhead for a period of time

777

00:29:04,389 --> 00:29:01,760

now this kind of wetted my curiosity

778

00:29:06,230 --> 00:29:04,399

and the next day or the following day

779

00:29:08,230 --> 00:29:06,240

there was an item in the paper

780

00:29:09,909 --> 00:29:08,240

that other people had witnessed this but

781

00:29:11,909 --> 00:29:09,919

the authorities were saying

782

00:29:13,830 --> 00:29:11,919

that it was nothing more unconventional

783

00:29:16,710 --> 00:29:13,840

than a weather balloon

784

00:29:18,389 --> 00:29:16,720

well fellows even at the age of 10 i

785

00:29:18,870 --> 00:29:18,399

knew that this was something that seemed

786

00:29:22,310 --> 00:29:18,880

to be

787

00:29:24,070 --> 00:29:22,320

under uh in intelligent control

788

00:29:26,310 --> 00:29:24,080

it wasn't something that was bobbing and

789

00:29:29,750 --> 00:29:26,320

weaving with the wooden current or

790

00:29:31,110 --> 00:29:29,760

anything like that so i wrote a letter

791

00:29:32,310 --> 00:29:31,120

to the local newspaper and they

792

00:29:34,310 --> 00:29:32,320

published it

793

00:29:35,830 --> 00:29:34,320

and i asked for people to share their

794

00:29:39,110 --> 00:29:35,840

sightings and all with me

795

00:29:40,950 --> 00:29:39,120

and they started mailing me in

796

00:29:42,870 --> 00:29:40,960

the reports and calling on the the

797

00:29:44,230 --> 00:29:42,880

telephone and i started putting out a

798

00:29:46,870 --> 00:29:44,240

little newsletter

799

00:29:48,710 --> 00:29:46,880

uh started out printing 75 copies of the

800

00:29:52,549 --> 00:29:48,720

first issue

801

00:29:55,669 --> 00:29:52,559

it was 10 pages long by time i

802

00:29:59,510 --> 00:29:55,679

gave it over to a larger publisher

803

00:30:00,470 --> 00:29:59,520

it was 50 pages long and we had 1500

804

00:30:03,029 --> 00:30:00,480

subscribers

805

00:30:03,669 --> 00:30:03,039

which in those days was quite a bit

806

00:30:07,029 --> 00:30:03,679

in fact

807

00:30:09,110 --> 00:30:07,039

we had as many subscribers as apro

808

00:30:10,230 --> 00:30:09,120

which was the second largest ufo group

809

00:30:12,230 --> 00:30:10,240

had had

810

00:30:14,310 --> 00:30:12,240

members so i've i've traveled all over

811

00:30:14,870 --> 00:30:14,320

the world investigating ufos talking to

812

00:30:17,190 --> 00:30:14,880

people

813

00:30:18,310 --> 00:30:17,200

who have had uh experiences on the

814

00:30:20,310 --> 00:30:18,320

subject

815

00:30:22,389 --> 00:30:20,320

some people may think i have a rather

816

00:30:24,710 --> 00:30:22,399

radical viewpoint on this

817

00:30:25,750 --> 00:30:24,720

and and my viewpoints are subject to

818

00:30:28,789 --> 00:30:25,760

change

819

00:30:30,070 --> 00:30:28,799

uh you know over over time i i guess

820

00:30:33,269 --> 00:30:30,080

when i first started out

821

00:30:35,430 --> 00:30:33,279

uh my concept were that these were

822

00:30:36,310 --> 00:30:35,440

all are mostly all extraterrestrial in

823

00:30:39,110 --> 00:30:36,320

origin

824

00:30:40,230 --> 00:30:39,120

i tend to discredit that theory today to

825

00:30:43,350 --> 00:30:40,240

a uh

826

00:30:46,549 --> 00:30:43,360

to an extent i think that some of these

827

00:30:49,510 --> 00:30:46,559

objects are made right here on earth

828

00:30:50,230 --> 00:30:49,520

advanced technology perhaps a part of a

829

00:30:53,350 --> 00:30:50,240

secret

830

00:30:56,789 --> 00:30:53,360

space program or a program that was

831

00:30:59,190 --> 00:30:56,799

started in affiliation with the nazi

832

00:31:02,710 --> 00:30:59,200

german scientists that came over here

833

00:31:04,549 --> 00:31:02,720

after world war ii under the auspices of

834

00:31:06,470 --> 00:31:04,559

project paper clip

835

00:31:07,909 --> 00:31:06,480

and i think that a lot of the early ufo

836

00:31:10,710 --> 00:31:07,919

sightings at least

837

00:31:11,990 --> 00:31:10,720

were covered up by the government

838

00:31:15,590 --> 00:31:12,000

because uh

839

00:31:17,669 --> 00:31:15,600

because they didn't want us us citizens

840

00:31:19,750 --> 00:31:17,679

us citizens to know that they were in

841

00:31:23,990 --> 00:31:19,760

collaboration with uh

842

00:31:27,269 --> 00:31:26,389

and and that's kind of in a nutshell my

843

00:31:28,870 --> 00:31:27,279

my background

844

00:31:30,549 --> 00:31:28,880

and like i say i've traveled all over

845

00:31:34,710 --> 00:31:30,559

the world i um

846

00:31:37,350 --> 00:31:34,720

spoke at the um uh house of lords uh

847

00:31:37,830 --> 00:31:37,360

in england they had a ufo uh group they

848

00:31:39,750 --> 00:31:37,840

were

849

00:31:40,950 --> 00:31:39,760

uh way ahead of everybody else on

850

00:31:43,830 --> 00:31:40,960

disclosure

851  
00:31:44,710 --> 00:31:43,840  
uh in the early 1980s i was invited over

852  
00:31:47,669 --> 00:31:44,720  
by my friend

853  
00:31:49,350 --> 00:31:47,679  
uh the earl of eighth earl of clan cardie

854  
00:31:52,310 --> 00:31:49,360  
brinsley laporte trench

855  
00:31:53,830 --> 00:31:52,320  
and he was a member of the house of

856  
00:31:57,509 --> 00:31:53,840  
lords and he had this

857  
00:32:00,149 --> 00:31:57,519  
ufo group and they were trying to get

858  
00:32:01,430 --> 00:32:00,159  
her majesty to release their findings on

859  
00:32:03,590 --> 00:32:01,440  
ufos uh

860  
00:32:05,509 --> 00:32:03,600  
of course they were maybe about 25 or 30

861  
00:32:06,950 --> 00:32:05,519  
years too early but

862  
00:32:08,710 --> 00:32:06,960  
eventually of course a lot of those

863  
00:32:10,630 --> 00:32:08,720

reports were released

864

00:32:12,789 --> 00:32:10,640

and i continue my investigation and my

865

00:32:13,990 --> 00:32:12,799

publishing today and

866

00:32:15,990 --> 00:32:14,000

even though i'm supposed to be

867

00:32:18,870 --> 00:32:16,000

semi-retired i'm probably more active

868

00:32:22,789 --> 00:32:20,549

you know not everybody can say they've

869

00:32:24,789 --> 00:32:22,799

been invited to speak by an earl

870

00:32:27,190 --> 00:32:24,799

that is true that is true i think there

871

00:32:28,070 --> 00:32:27,200

were only two people from the united

872

00:32:31,269 --> 00:32:28,080

states

873

00:32:35,269 --> 00:32:31,279

and maybe nine or ten um

874

00:32:36,789 --> 00:32:35,279

other investigators uh all together

875

00:32:39,269 --> 00:32:36,799

the the group met like i say

876

00:32:40,789 --> 00:32:39,279

unofficially maybe once every other

877

00:32:43,110 --> 00:32:40,799

month or so

878

00:32:44,389 --> 00:32:43,120

i think they had about uh a hundred

879

00:32:46,149 --> 00:32:44,399

members

880

00:32:48,710 --> 00:32:46,159

from both the house of lords and

881

00:32:49,750 --> 00:32:48,720

parliament uh some of whom were not even

882

00:32:52,230 --> 00:32:49,760

believers

883

00:32:53,190 --> 00:32:52,240

uh but you know even the united nations

884

00:32:56,710 --> 00:32:53,200

here

885

00:32:59,750 --> 00:32:56,720

uh for many years had an unofficial

886

00:33:00,549 --> 00:32:59,760

ufo group i i don't believe it's uh uh

887

00:33:03,190 --> 00:33:00,559

active then

888

00:33:05,350 --> 00:33:03,200

yeah yeah active any longer but there

889

00:33:07,029 --> 00:33:05,360

was a meeting hall

890

00:33:08,470 --> 00:33:07,039

you uh across the street because i

891

00:33:10,789 --> 00:33:08,480

remember one time

892

00:33:12,870 --> 00:33:10,799

somebody rented it for a wedding it was

893

00:33:14,789 --> 00:33:12,880

the you know like a u.n

894

00:33:17,029 --> 00:33:14,799

reception hall or something and they had

895

00:33:17,830 --> 00:33:17,039

the they had meeting rooms and so if you

896

00:33:21,110 --> 00:33:17,840

were

897

00:33:23,350 --> 00:33:21,120

uh you know involved in the uh un

898

00:33:24,630 --> 00:33:23,360

uh in in some function and of course if

899

00:33:26,950 --> 00:33:24,640

thousands of

900

00:33:28,789 --> 00:33:26,960

employees from all over the world you

901  
00:33:29,990 --> 00:33:28,799  
could have your own group so i'm sure

902  
00:33:31,190 --> 00:33:30,000  
they had every group that you could

903  
00:33:32,789 --> 00:33:31,200  
think of under the sun

904  
00:33:34,389 --> 00:33:32,799  
but they had a paranormal group and they

905  
00:33:36,149 --> 00:33:34,399  
had a ufo group and

906  
00:33:37,830 --> 00:33:36,159  
and they invited speakers to come in it

907  
00:33:39,190 --> 00:33:37,840  
did not necessarily mean that they

908  
00:33:40,950 --> 00:33:39,200  
endorsed them

909  
00:33:42,389 --> 00:33:40,960  
it certainly was not sanctioned by the

910  
00:33:44,389 --> 00:33:42,399  
world body itself

911  
00:33:46,149 --> 00:33:44,399  
but they did exchange information on

912  
00:33:49,909 --> 00:33:46,159  
this and some were more interested

913  
00:33:53,430 --> 00:33:49,919

than others interesting

914

00:33:55,990 --> 00:33:53,440

um claudia um

915

00:33:57,669 --> 00:33:56,000

they you're known as the mib lady now

916

00:34:01,430 --> 00:33:57,679

how did that start

917

00:34:03,269 --> 00:34:01,440

well you know let me just say

918

00:34:04,870 --> 00:34:03,279

i've always been interested in the

919

00:34:07,350 --> 00:34:04,880

unknown because it's so much more

920

00:34:10,069 --> 00:34:07,360

exciting than the dull material world

921

00:34:12,149 --> 00:34:10,079

and even as a little child i would have

922

00:34:13,030 --> 00:34:12,159

pajama parties for my little friends and

923

00:34:14,629 --> 00:34:13,040

i would

924

00:34:16,470 --> 00:34:14,639

off the cuff just tell them these

925

00:34:17,829 --> 00:34:16,480

stories to scare them to death and i'd

926

00:34:20,310 --> 00:34:17,839

get in trouble

927

00:34:22,470 --> 00:34:20,320

and i always believed a monster lived in

928

00:34:25,589 --> 00:34:22,480

my closet like a lot of little kids do

929

00:34:26,950 --> 00:34:25,599

but doesn't it well i think it did yeah

930

00:34:29,909 --> 00:34:26,960

i really do i think

931

00:34:31,190 --> 00:34:29,919

uh that's the story for another day uh i

932

00:34:34,069 --> 00:34:31,200

have had two ufo

933

00:34:35,750 --> 00:34:34,079

sightings i've had what they call an old

934

00:34:37,589 --> 00:34:35,760

hag experience where

935

00:34:38,790 --> 00:34:37,599

something will attack you during the

936

00:34:41,510 --> 00:34:38,800

night

937

00:34:42,230 --> 00:34:41,520

actually i had two of those but as i got

938

00:34:44,629 --> 00:34:42,240

older

939

00:34:46,230 --> 00:34:44,639

uh and kind of more mature but not that

940

00:34:48,869 --> 00:34:46,240

much more mature

941

00:34:49,750 --> 00:34:48,879

my interest kind of turned uh to life

942

00:34:52,310 --> 00:34:49,760

after death

943

00:34:54,550 --> 00:34:52,320

why are we here why you know what is it

944

00:34:58,470 --> 00:34:54,560

what's it all about alfie you know

945

00:34:59,829 --> 00:34:58,480

uh why why does why do bad things happen

946

00:35:02,550 --> 00:34:59,839

to good people

947

00:35:04,470 --> 00:35:02,560

uh so i've always been um kind of an

948

00:35:07,030 --> 00:35:04,480

investigator

949

00:35:08,710 --> 00:35:07,040

not professionally but i started out as

950

00:35:09,990 --> 00:35:08,720

just somebody who had a whole lot of

951  
00:35:12,150 --> 00:35:10,000  
questions

952  
00:35:13,430 --> 00:35:12,160  
and it took me into some very strange

953  
00:35:17,030 --> 00:35:13,440  
terrain

954  
00:35:17,990 --> 00:35:17,040  
but what happened in 2009 was a friend

955  
00:35:20,390 --> 00:35:18,000  
of mine

956  
00:35:21,349 --> 00:35:20,400  
who is a nurse at the local veterans

957  
00:35:23,829 --> 00:35:21,359  
hospital

958  
00:35:25,670 --> 00:35:23,839  
in albany new york where i live which is

959  
00:35:28,630 --> 00:35:25,680  
about 160 miles

960  
00:35:30,710 --> 00:35:28,640  
north of tim's hometown in manhattan

961  
00:35:33,109 --> 00:35:30,720  
halfway between new york city and

962  
00:35:35,510 --> 00:35:33,119  
montreal

963  
00:35:37,190 --> 00:35:35,520

she called me one day and she said you

964

00:35:38,710 --> 00:35:37,200

know you're probably one of the crazier

965

00:35:40,630 --> 00:35:38,720

people i know

966

00:35:42,950 --> 00:35:40,640

and you're probably the only person i

967

00:35:45,750 --> 00:35:42,960

could tell this to who won't laugh at me

968

00:35:47,109 --> 00:35:45,760

but she said i went to the albany rural

969

00:35:49,589 --> 00:35:47,119

cemetery

970

00:35:51,030 --> 00:35:49,599

on a beautiful afternoon last week and

971

00:35:53,829 --> 00:35:51,040

she said what happened to me

972

00:35:54,950 --> 00:35:53,839

was so shocking and she said i don't

973

00:35:56,870 --> 00:35:54,960

know what to do about it

974

00:35:58,230 --> 00:35:56,880

so i kind of helped her through it but

975

00:36:01,910 --> 00:35:58,240

she actually saw

976  
00:36:03,750 --> 00:36:01,920  
a black suv who that literally came out

977  
00:36:07,030 --> 00:36:03,760  
of nowhere when she was parked

978  
00:36:10,069 --> 00:36:07,040  
over off of this uh dirt road

979  
00:36:11,510 --> 00:36:10,079  
and it was like so far so close to the

980  
00:36:13,190 --> 00:36:11,520  
back of her car

981  
00:36:14,950 --> 00:36:13,200  
she said and this is a quote it could

982  
00:36:16,150 --> 00:36:14,960  
have been in my back seat it just came

983  
00:36:18,790 --> 00:36:16,160  
out of nowhere

984  
00:36:19,190 --> 00:36:18,800  
completely black uh looked like it was

985  
00:36:21,829 --> 00:36:19,200  
just

986  
00:36:23,349 --> 00:36:21,839  
rolled out of the showroom huge big

987  
00:36:25,190 --> 00:36:23,359  
black tires everything

988  
00:36:27,270 --> 00:36:25,200

tinted windows and she said oh my

989

00:36:29,670 --> 00:36:27,280

heavens you know i'm gonna be attacked

990

00:36:32,150 --> 00:36:29,680

or robbed or worse

991

00:36:34,150 --> 00:36:32,160

so she said um then i got kind of mad

992

00:36:36,069 --> 00:36:34,160

you know why are they doing this to me

993

00:36:37,430 --> 00:36:36,079

so she kind of inched up a little bit

994

00:36:40,790 --> 00:36:37,440

and she's looking in the mirror

995

00:36:43,510 --> 00:36:40,800

the whole time and instead of you know

996

00:36:45,349 --> 00:36:43,520

the vehicle trying to you know keep pace

997

00:36:45,990 --> 00:36:45,359

with her it kind of turned around and

998

00:36:49,190 --> 00:36:46,000

went down

999

00:36:51,030 --> 00:36:49,200

a side road so she said i was

1000

00:36:53,349 --> 00:36:51,040

really mad i had to find out who that

1001  
00:36:55,270 --> 00:36:53,359  
was so she followed it

1002  
00:36:56,390 --> 00:36:55,280  
and when she got to the point where she

1003  
00:36:58,230 --> 00:36:56,400  
saw it take a right

1004  
00:37:00,390 --> 00:36:58,240  
down the hill there was nothing there

1005  
00:37:03,349 --> 00:37:00,400  
but a chain-link fence

1006  
00:37:04,550 --> 00:37:03,359  
with a lot of graves on the other side

1007  
00:37:06,950 --> 00:37:04,560  
so she turned around

1008  
00:37:07,990 --> 00:37:06,960  
and went out the way that she came in

1009  
00:37:10,150 --> 00:37:08,000  
which was a big

1010  
00:37:12,150 --> 00:37:10,160  
black macadam road as you come into this

1011  
00:37:14,310 --> 00:37:12,160  
huge old cemetery it looks like

1012  
00:37:16,550 --> 00:37:14,320  
something out of a monster movie

1013  
00:37:18,310 --> 00:37:16,560

and here in the middle of the macadam

1014

00:37:21,510 --> 00:37:18,320

road was a black

1015

00:37:24,230 --> 00:37:21,520

this black suv with a man in black

1016

00:37:25,589 --> 00:37:24,240

he had black wrap around sunglasses all

1017

00:37:27,910 --> 00:37:25,599

in black

1018

00:37:28,790 --> 00:37:27,920

she said it looked like his clothes just

1019

00:37:30,470 --> 00:37:28,800

came out of a

1020

00:37:33,349 --> 00:37:30,480

you know from macy's a brand new

1021

00:37:35,109 --> 00:37:33,359

clothing uh black

1022

00:37:36,470 --> 00:37:35,119

patent leather shoes everything black

1023

00:37:37,910 --> 00:37:36,480

even black hair

1024

00:37:39,990 --> 00:37:37,920

and she said i looked at him and he gave

1025

00:37:42,150 --> 00:37:40,000

me the creepiest smile

1026  
00:37:43,190 --> 00:37:42,160  
and she said as i pushed nick you know

1027  
00:37:45,190 --> 00:37:43,200  
beyond this

1028  
00:37:47,670 --> 00:37:45,200  
vehicle i looked in the mirror and it

1029  
00:37:51,430 --> 00:37:47,680  
completely blinked out

1030  
00:37:53,829 --> 00:37:51,440  
so that got me investigating the whole

1031  
00:37:55,349 --> 00:37:53,839  
subject of men in black and what i found

1032  
00:37:58,550 --> 00:37:55,359  
was that the cemetery

1033  
00:37:59,750 --> 00:37:58,560  
is a virtual disneyland of paranormal

1034  
00:38:02,550 --> 00:37:59,760  
activity

1035  
00:38:03,990 --> 00:38:02,560  
and three months later i had my own man

1036  
00:38:06,470 --> 00:38:04,000  
in black experience

1037  
00:38:08,310 --> 00:38:06,480  
at a shopping center in a little town

1038  
00:38:10,390 --> 00:38:08,320

called del mar new york

1039

00:38:11,510 --> 00:38:10,400

i had my late mother and my dog in the

1040

00:38:13,270 --> 00:38:11,520

car with me

1041

00:38:14,550 --> 00:38:13,280

and i went into the dollar store and i

1042

00:38:16,550 --> 00:38:14,560

left them in the car

1043

00:38:18,390 --> 00:38:16,560

and of course i was all psyched up over

1044

00:38:19,910 --> 00:38:18,400

this linda thing because i had i had

1045

00:38:21,990 --> 00:38:19,920

read tim beckley's

1046

00:38:24,230 --> 00:38:22,000

excellent book on the men in black you

1047

00:38:26,550 --> 00:38:24,240

know several years before

1048

00:38:27,750 --> 00:38:26,560

and i thought you know this sounds like

1049

00:38:31,349 --> 00:38:27,760

one of these guys that

1050

00:38:33,190 --> 00:38:31,359

tim wrote about so i pull up i went in

1051

00:38:35,829 --> 00:38:33,200

got my purchase got back in the car

1052

00:38:36,630 --> 00:38:35,839

and this little creepy man came out of

1053

00:38:39,910 --> 00:38:36,640

the back

1054

00:38:41,990 --> 00:38:39,920

um kind of like from the parking lot and

1055

00:38:44,069 --> 00:38:42,000

there was a big black van parked next to

1056

00:38:45,589 --> 00:38:44,079

the car and i said to my mother gee that

1057

00:38:48,069 --> 00:38:45,599

that looks like something one of those

1058

00:38:51,190 --> 00:38:48,079

men that linda saw might drive

1059

00:38:53,990 --> 00:38:51,200

well this little guy with a pork pie hat

1060

00:38:56,150 --> 00:38:54,000

like something out of a 1940s crime

1061

00:38:59,510 --> 00:38:56,160

movie you know the like the fedora

1062

00:39:01,190 --> 00:38:59,520

type hat all in black

1063

00:39:02,710 --> 00:39:01,200

he stuck his head in the window and he

1064

00:39:05,190 --> 00:39:02,720

said hello

1065

00:39:06,550 --> 00:39:05,200

like just oh my god and then he walked

1066

00:39:08,550 --> 00:39:06,560

in front of the car

1067

00:39:10,390 --> 00:39:08,560

took a couple of steps turned around and

1068

00:39:11,990 --> 00:39:10,400

kind of put his glasses down and looked

1069

00:39:14,550 --> 00:39:12,000

over the top of his glasses

1070

00:39:15,750 --> 00:39:14,560

and it was the creepiest look i've ever

1071

00:39:18,310 --> 00:39:15,760

seen in my life

1072

00:39:19,589 --> 00:39:18,320

he did not belong there he he came out

1073

00:39:22,630 --> 00:39:19,599

of nowhere

1074

00:39:25,030 --> 00:39:22,640

uh it might that town is loaded with

1075

00:39:25,829 --> 00:39:25,040

uh i call them it's like a yuppie haven

1076

00:39:28,150 --> 00:39:25,839

you know little

1077

00:39:29,910 --> 00:39:28,160

you know very normal looking people this

1078

00:39:32,470 --> 00:39:29,920

guy did not fit there

1079

00:39:34,310 --> 00:39:32,480

and i always regretted not following him

1080

00:39:35,589 --> 00:39:34,320

because he did not look right he just

1081

00:39:39,109 --> 00:39:35,599

did not

1082

00:39:40,230 --> 00:39:39,119

and um so i i wrote a letter i emailed

1083

00:39:42,470 --> 00:39:40,240

tim beckley

1084

00:39:44,630 --> 00:39:42,480

who has been kind of a hero to me since

1085

00:39:45,109 --> 00:39:44,640

maybe the early 70s when i started to

1086

00:39:47,270 --> 00:39:45,119

get

1087

00:39:49,030 --> 00:39:47,280

some of his publications because i

1088

00:39:50,390 --> 00:39:49,040

remembered the book that i had about the

1089

00:39:52,710 --> 00:39:50,400

men in black

1090

00:39:54,550 --> 00:39:52,720

and i i wanted to know what he thought

1091

00:39:57,910 --> 00:39:54,560

of all this crazy stuff

1092

00:40:00,550 --> 00:39:57,920

and uh he liked my letter and he

1093

00:40:02,790 --> 00:40:00,560

asked me to go on coast to coast am with

1094

00:40:05,190 --> 00:40:02,800

george nori and tell my tale

1095

00:40:06,790 --> 00:40:05,200

and that kind of kicked off a nice

1096

00:40:08,829 --> 00:40:06,800

friendship with tim he's come up to

1097

00:40:11,270 --> 00:40:08,839

albany several times we've gone to the

1098

00:40:14,790 --> 00:40:11,280

cemetery shot footage

1099

00:40:16,630 --> 00:40:14,800

and lo and behold i found out that

1100

00:40:18,230 --> 00:40:16,640

charles fort the father of the

1101

00:40:20,470 --> 00:40:18,240

paranormal movement

1102

00:40:22,550 --> 00:40:20,480

in america is buried there so that

1103

00:40:25,510 --> 00:40:22,560

really blew my mind

1104

00:40:26,710 --> 00:40:25,520

so uh that's how i kind of got into all

1105

00:40:29,270 --> 00:40:26,720

this craziness

1106

00:40:32,470 --> 00:40:29,280

and um i've been um on the road of the

1107

00:40:36,230 --> 00:40:34,309

that's all i i tell you i read your

1108

00:40:38,790 --> 00:40:36,240

account about the

1109

00:40:40,550 --> 00:40:38,800

albany rural cemetery i didn't realize

1110

00:40:43,910 --> 00:40:40,560

the place was that big

1111

00:40:46,470 --> 00:40:43,920

but some of the stuff that goes on there

1112

00:40:47,190 --> 00:40:46,480

is pretty interesting i uh i saw the

1113

00:40:49,589 --> 00:40:47,200

videos

1114

00:40:51,990 --> 00:40:49,599

and uh then i read you know i read your

1115

00:40:54,870 --> 00:40:52,000

segment in the book

1116

00:40:56,230 --> 00:40:54,880

very interesting i i i am definitely

1117

00:40:58,870 --> 00:40:56,240

going to make a stop

1118

00:40:59,670 --> 00:40:58,880

if i ever go up there because uh you

1119

00:41:01,109 --> 00:40:59,680

know i know

1120

00:41:02,790 --> 00:41:01,119

you know i actually knew that chester

1121

00:41:07,349 --> 00:41:02,800

author's buried there but i

1122

00:41:09,190 --> 00:41:07,359

knew that charles fort was buried there

1123

00:41:10,790 --> 00:41:09,200

they're within they're within a stone's

1124

00:41:14,390 --> 00:41:10,800

throw almost

1125

00:41:16,870 --> 00:41:14,400

are they not too far not too far away

1126  
00:41:17,910 --> 00:41:16,880  
because i know in fact the the entire uh

1127  
00:41:21,270 --> 00:41:17,920  
charles ford

1128  
00:41:22,950 --> 00:41:21,280  
family is uh buried there

1129  
00:41:24,710 --> 00:41:22,960  
i guess most people or a lot of people

1130  
00:41:27,349 --> 00:41:24,720  
were under the impression

1131  
00:41:27,910 --> 00:41:27,359  
that he lived in britain but he did a

1132  
00:41:29,990 --> 00:41:27,920  
party

1133  
00:41:31,030 --> 00:41:30,000  
he spent part of his life there but his

1134  
00:41:33,030 --> 00:41:31,040  
family uh

1135  
00:41:34,230 --> 00:41:33,040  
claudia am i correct was from the albany

1136  
00:41:37,589 --> 00:41:34,240  
area yes

1137  
00:41:37,910 --> 00:41:37,599  
yes he was born in albany yeah and there

1138  
00:41:40,950 --> 00:41:37,920

are

1139

00:41:44,150 --> 00:41:40,960

nine i believe uh tombstones

1140

00:41:45,910 --> 00:41:44,160

representing members of his his family

1141

00:41:47,670 --> 00:41:45,920

but some of the things that have

1142

00:41:50,950 --> 00:41:47,680

happened there of course

1143

00:41:53,510 --> 00:41:50,960

we're all interested in the cryptids

1144

00:41:55,270 --> 00:41:53,520

uh have been pretty uh bizarre i mean

1145

00:41:56,630 --> 00:41:55,280

how many sightings of these uh

1146

00:41:58,390 --> 00:41:56,640

hellhounds do you think have been made

1147

00:42:00,950 --> 00:41:58,400

there uh well

1148

00:42:02,230 --> 00:42:00,960

well okay what i found through some

1149

00:42:04,309 --> 00:42:02,240

investigation and one

1150

00:42:05,829 --> 00:42:04,319

uh my niece who is also very interested

1151  
00:42:07,510 --> 00:42:05,839  
in this stuff when she was going to

1152  
00:42:09,510 --> 00:42:07,520  
college she took the bus

1153  
00:42:10,790 --> 00:42:09,520  
up to hudson valley community college

1154  
00:42:13,109 --> 00:42:10,800  
and every morning

1155  
00:42:14,870 --> 00:42:13,119  
there would be a young guy on the bus

1156  
00:42:18,150 --> 00:42:14,880  
and they kind of became friends

1157  
00:42:19,670 --> 00:42:18,160  
and he was the uh caretaker and albany

1158  
00:42:20,550 --> 00:42:19,680  
rural and he actually opened up the

1159  
00:42:23,190 --> 00:42:20,560  
cemetery

1160  
00:42:23,670 --> 00:42:23,200  
in the morning before dawn actually and

1161  
00:42:25,750 --> 00:42:23,680  
she said

1162  
00:42:27,030 --> 00:42:25,760  
oh my god how aren't you afraid to go in

1163  
00:42:28,710 --> 00:42:27,040

there and he goes no

1164

00:42:30,230 --> 00:42:28,720

he said as a matter of fact i see a

1165

00:42:32,150 --> 00:42:30,240

ghost every other day and

1166

00:42:33,349 --> 00:42:32,160

so i mean she was floored she said what

1167

00:42:35,270 --> 00:42:33,359

do you mean

1168

00:42:36,630 --> 00:42:35,280

and he said well i'll go in i'll open up

1169

00:42:38,870 --> 00:42:36,640

the gates and

1170

00:42:39,750 --> 00:42:38,880

i'll be you know taking the flowers off

1171

00:42:42,710 --> 00:42:39,760

the graves or

1172

00:42:43,589 --> 00:42:42,720

mowing or whatever and all of a sudden i

1173

00:42:45,510 --> 00:42:43,599

know when she

1174

00:42:47,109 --> 00:42:45,520

is going to appear and she he says i

1175

00:42:48,870 --> 00:42:47,119

turn around and here's this little old

1176

00:42:50,950 --> 00:42:48,880

lady all in black

1177

00:42:52,630 --> 00:42:50,960

and she walks right past him within like

1178

00:42:54,550 --> 00:42:52,640

five feet and she just

1179

00:42:56,550 --> 00:42:54,560

very quietly nods and she says good

1180

00:42:58,790 --> 00:42:56,560

morning and he'll say good morning and

1181

00:43:01,589 --> 00:42:58,800

he'll turn around and she'll be gone

1182

00:43:02,710 --> 00:43:01,599

so that that's one thing but um there

1183

00:43:06,309 --> 00:43:02,720

are reports

1184

00:43:09,990 --> 00:43:06,319

even to this day as i am now finding out

1185

00:43:12,309 --> 00:43:10,000

that um if it's usually at dusk

1186

00:43:13,670 --> 00:43:12,319

and now um albania rural like i said is

1187

00:43:15,829 --> 00:43:13,680

like uh um

1188

00:43:17,910 --> 00:43:15,839

going to disneyland on acid if you're in

1189

00:43:19,910 --> 00:43:17,920

the uh it's it's just completely crazy

1190

00:43:22,950 --> 00:43:19,920

in there a lot of activity

1191

00:43:25,510 --> 00:43:22,960

but uh when people are walking their dog

1192

00:43:25,990 --> 00:43:25,520

uh down this macadam road which is the

1193

00:43:28,550 --> 00:43:26,000

main road

1194

00:43:31,349 --> 00:43:28,560

into the cemetery and it's it's huge it

1195

00:43:33,990 --> 00:43:31,359

really is it goes back to the 1600s

1196

00:43:34,870 --> 00:43:34,000

um they'll the lights go on they have

1197

00:43:37,829 --> 00:43:34,880

street lights

1198

00:43:39,270 --> 00:43:37,839

in the cemetery and the main road and

1199

00:43:41,109 --> 00:43:39,280

they'll be walking their dog and this

1200

00:43:42,870 --> 00:43:41,119

one lady had a little poodle

1201  
00:43:44,230 --> 00:43:42,880  
and all of a sudden out the corner of

1202  
00:43:47,270 --> 00:43:44,240  
her eye she'll see this

1203  
00:43:50,230 --> 00:43:47,280  
huge dog bigger than a great dane

1204  
00:43:50,470 --> 00:43:50,240  
and it's all black it has a red cast to

1205  
00:43:53,109 --> 00:43:50,480  
his

1206  
00:43:54,710 --> 00:43:53,119  
eye and it'll pace the people all the

1207  
00:43:55,829 --> 00:43:54,720  
way until they leave it doesn't do

1208  
00:43:59,430 --> 00:43:55,839  
anything it just

1209  
00:44:00,870 --> 00:43:59,440  
looks at them and the dog the people who

1210  
00:44:03,030 --> 00:44:00,880  
have the dogs on the leash

1211  
00:44:06,069 --> 00:44:03,040  
they don't react which is really weird

1212  
00:44:09,349 --> 00:44:06,079  
to me because you hear about animals

1213  
00:44:11,589 --> 00:44:09,359

sensing the paranormal they sense

1214

00:44:12,870 --> 00:44:11,599

the spirit world they they growl they

1215

00:44:15,750 --> 00:44:12,880

cower they

1216

00:44:17,910 --> 00:44:15,760

they uh crawl under the bed but nothing

1217

00:44:20,630 --> 00:44:17,920

uh and that vein happens

1218

00:44:21,510 --> 00:44:20,640

so this is going on even right now

1219

00:44:24,950 --> 00:44:21,520

another thing

1220

00:44:27,990 --> 00:44:24,960

uh back in 1809 uh the

1221

00:44:30,069 --> 00:44:28,000

uh this cemetery is located in a little

1222

00:44:31,030 --> 00:44:30,079

town called mananz new york which is

1223

00:44:33,670 --> 00:44:31,040

like two miles

1224

00:44:34,710 --> 00:44:33,680

out of uh albany proper out of the city

1225

00:44:36,790 --> 00:44:34,720

of albany

1226

00:44:37,990 --> 00:44:36,800

and right below manan's is another

1227

00:44:41,349 --> 00:44:38,000

little town called

1228

00:44:42,630 --> 00:44:41,359

water of elite and uh apparently back in

1229

00:44:46,390 --> 00:44:42,640

the 1800s

1230

00:44:48,790 --> 00:44:46,400

a man was um on a kind of a buck board

1231

00:44:50,710 --> 00:44:48,800

like a you know a wagon with a horse

1232

00:44:52,870 --> 00:44:50,720

and the horse got spooked and he started

1233

00:44:55,109 --> 00:44:52,880

to run down broadway in the direction of

1234

00:44:57,270 --> 00:44:55,119

the cemetery the man jumped off

1235

00:44:58,950 --> 00:44:57,280

and the horse ran into the cemetery and

1236

00:45:01,750 --> 00:44:58,960

crashed into the home

1237

00:45:03,349 --> 00:45:01,760

of the superintendent who had a little

1238

00:45:06,950 --> 00:45:03,359

cottage there

1239

00:45:09,030 --> 00:45:06,960

and died it was killed and for

1240

00:45:10,069 --> 00:45:09,040

even up until now on certain nights of

1241

00:45:12,550 --> 00:45:10,079

the week of the year

1242

00:45:13,270 --> 00:45:12,560

people see this horse walking around the

1243

00:45:15,990 --> 00:45:13,280

building

1244

00:45:16,790 --> 00:45:16,000

and if they approach it it will just

1245

00:45:20,230 --> 00:45:16,800

melt away

1246

00:45:22,230 --> 00:45:20,240

it'll just vanish away so um

1247

00:45:24,630 --> 00:45:22,240

now there are other things that go on

1248

00:45:27,670 --> 00:45:24,640

there if i just could quickly tell you

1249

00:45:30,150 --> 00:45:27,680

at dusk there is a couple who hold

1250

00:45:32,790 --> 00:45:30,160

hands and float over the tombstones in

1251  
00:45:37,109 --> 00:45:32,800  
their pajamas no that is how romantic

1252  
00:45:39,430 --> 00:45:37,119  
oh cool yes and there's a big pond

1253  
00:45:41,190 --> 00:45:39,440  
actually it's right almost at the foot

1254  
00:45:43,589 --> 00:45:41,200  
of charles fort's

1255  
00:45:45,430 --> 00:45:43,599  
grave a very pretty pond people go up

1256  
00:45:46,230 --> 00:45:45,440  
there they have picnics in the daytime

1257  
00:45:47,910 --> 00:45:46,240  
people jog

1258  
00:45:49,990 --> 00:45:47,920  
they walk their dog it's a beautiful

1259  
00:45:52,470 --> 00:45:50,000  
place and um

1260  
00:45:54,230 --> 00:45:52,480  
at another time at you know in the fall

1261  
00:45:56,870 --> 00:45:54,240  
toward uh the end of

1262  
00:45:57,510 --> 00:45:56,880  
uh like maybe toward what did they say

1263  
00:45:59,270 --> 00:45:57,520

um

1264

00:46:01,109 --> 00:45:59,280

the halloween season late you know late

1265

00:46:04,630 --> 00:46:01,119

in the fall people will

1266

00:46:07,430 --> 00:46:04,640

see an old funeral procession

1267

00:46:09,190 --> 00:46:07,440

going around the pond and the ladies

1268

00:46:11,910 --> 00:46:09,200

have the dark veils

1269

00:46:13,270 --> 00:46:11,920

they're all dressed in morning clothes

1270

00:46:16,069 --> 00:46:13,280

and there's a casket

1271

00:46:17,270 --> 00:46:16,079

um in a and a wagon drawn by two black

1272

00:46:19,829 --> 00:46:17,280

horses

1273

00:46:21,030 --> 00:46:19,839

and if you approach it it will just fade

1274

00:46:22,790 --> 00:46:21,040

away

1275

00:46:25,190 --> 00:46:22,800

they don't hurt anybody but you know

1276

00:46:28,390 --> 00:46:25,200

they they like to be seen apparently

1277

00:46:30,390 --> 00:46:28,400

they're show-offs so um another thing

1278

00:46:31,510 --> 00:46:30,400

uh my last thing i'll tell you about

1279

00:46:34,550 --> 00:46:31,520

albany rural

1280

00:46:37,270 --> 00:46:34,560

in 1973 i was a young girl

1281

00:46:37,990 --> 00:46:37,280

and i wish it was now but i'm not and i

1282

00:46:40,870 --> 00:46:38,000

just bought

1283

00:46:41,510 --> 00:46:40,880

um a mustang convertible and i thought i

1284

00:46:44,230 --> 00:46:41,520

was

1285

00:46:45,589 --> 00:46:44,240

something else you know and i had my

1286

00:46:48,870 --> 00:46:45,599

little niece with me

1287

00:46:51,430 --> 00:46:48,880

she was two years old and um

1288

00:46:52,150 --> 00:46:51,440

adorable little girl and i i was with

1289

00:46:53,990 --> 00:46:52,160

her mother

1290

00:46:55,589 --> 00:46:54,000

and i said let's go in the cemetery

1291

00:46:57,349 --> 00:46:55,599

let's do something crazy because we love

1292

00:46:59,829 --> 00:46:57,359

to be scared you know

1293

00:47:01,430 --> 00:46:59,839

and uh i my sister-in-law said i'm not

1294

00:47:03,910 --> 00:47:01,440

going to get out of the car you guys

1295

00:47:05,430 --> 00:47:03,920

walk around so i had the baby by her

1296

00:47:08,390 --> 00:47:05,440

hand and we walked over

1297

00:47:09,270 --> 00:47:08,400

to one of these mammoth crips that kind

1298

00:47:12,710 --> 00:47:09,280

of align

1299

00:47:15,589 --> 00:47:12,720

um the roads there the uh containing the

1300

00:47:16,710 --> 00:47:15,599

remains of the aristocracy of early new

1301

00:47:19,270 --> 00:47:16,720

york a lot of them

1302

00:47:20,790 --> 00:47:19,280

dutch families like the skylers and keep

1303

00:47:22,870 --> 00:47:20,800

going guys i'll get close okay

1304

00:47:24,790 --> 00:47:22,880

well you know let me tell you my uh mib

1305

00:47:29,510 --> 00:47:24,800

story well i have you on the phone

1306

00:47:32,630 --> 00:47:29,520

right um back in 1967

1307

00:47:33,510 --> 00:47:32,640

i was working as managing editor of a

1308

00:47:36,390 --> 00:47:33,520

magazine called

1309

00:47:38,230 --> 00:47:36,400

saucer news they had taken over my

1310

00:47:40,309 --> 00:47:38,240

newsletter subscribers because they

1311

00:47:42,150 --> 00:47:40,319

were putting out a more professional

1312

00:47:43,109 --> 00:47:42,160

scene and i didn't have to sit there and

1313

00:47:45,030 --> 00:47:43,119

collate it and

1314

00:47:46,230 --> 00:47:45,040

print it on my mimeograph machine and

1315

00:47:49,109 --> 00:47:46,240

all right

1316

00:47:50,309 --> 00:47:49,119

and um i would come into manhattan every

1317

00:47:52,710 --> 00:47:50,319

day

1318

00:47:54,390 --> 00:47:52,720

and we were getting this was the the

1319

00:47:57,750 --> 00:47:54,400

around the time of the marsh gas

1320

00:47:59,829 --> 00:47:57,760

sightings in michigan uh and there were

1321

00:48:01,589 --> 00:47:59,839

the news media was full of reports of

1322

00:48:05,190 --> 00:48:01,599

ufos it was one of the

1323

00:48:07,030 --> 00:48:05,200

real peak uh years for ufo sightings in

1324

00:48:10,790 --> 00:48:07,040

in north america

1325

00:48:11,190 --> 00:48:10,800

there was 1952 well 1947 of course the

1326

00:48:14,309 --> 00:48:11,200

first

1327

00:48:16,870 --> 00:48:14,319

flap 1952 1957

1328

00:48:18,069 --> 00:48:16,880

then it skipped about that uh 10 10

1329

00:48:20,390 --> 00:48:18,079

years

1330

00:48:23,109 --> 00:48:20,400

and uh we were in the middle like uh a

1331

00:48:26,230 --> 00:48:23,119

summer a wave of ufo sightings

1332

00:48:28,710 --> 00:48:26,240

and uh one of the um uh incidents

1333

00:48:30,950 --> 00:48:28,720

uh that we had heard about involved a

1334

00:48:31,910 --> 00:48:30,960

group of teenagers i think four teenage

1335

00:48:36,390 --> 00:48:31,920

boys

1336

00:48:39,750 --> 00:48:36,400

who had seen an object land in a park

1337

00:48:40,230 --> 00:48:39,760

in passaic new jersey and apparently

1338

00:48:43,430 --> 00:48:40,240

several

1339

00:48:45,430 --> 00:48:43,440

small creatures got out of the craft and

1340

00:48:48,230 --> 00:48:45,440

scurried around and did whatever small

1341

00:48:51,349 --> 00:48:48,240

creatures that come out of crafts do

1342

00:48:52,710 --> 00:48:51,359

and they were very excited what teenage

1343

00:48:54,870 --> 00:48:52,720

boy wouldn't be

1344

00:48:55,750 --> 00:48:54,880

uh they didn't have any nintendo in

1345

00:48:58,309 --> 00:48:55,760

those days

1346

00:48:59,109 --> 00:48:58,319

right so they were very excited about

1347

00:49:01,030 --> 00:48:59,119

this you

1348

00:49:02,870 --> 00:49:01,040

landed ufo and the little men that they

1349

00:49:07,109 --> 00:49:02,880

had seen scurrying around it

1350

00:49:08,950 --> 00:49:07,119

so they called a oh i guess a local

1351

00:49:10,549 --> 00:49:08,960

researcher by the name of john jay

1352

00:49:12,950 --> 00:49:10,559

robinson

1353

00:49:15,109 --> 00:49:12,960

and he was an assistant editor for

1354

00:49:17,349 --> 00:49:15,119

saucer news he wasn't a full-time job he

1355

00:49:20,150 --> 00:49:17,359

would just send in reports and

1356

00:49:22,230 --> 00:49:20,160

uh occasionally from time to time jim

1357

00:49:25,510 --> 00:49:22,240

mosley the publisher and john would be

1358

00:49:26,870 --> 00:49:25,520

uh on the long john nebbel show and they

1359

00:49:30,069 --> 00:49:26,880

would bring up all these

1360

00:49:32,309 --> 00:49:30,079

reports and so forth well anyway

1361

00:49:33,510 --> 00:49:32,319

uh several weeks after the sighting they

1362

00:49:35,190 --> 00:49:33,520

had a meeting

1363

00:49:37,109 --> 00:49:35,200

with the teenage boys just on the

1364

00:49:38,950 --> 00:49:37,119

perimeter of the park

1365

00:49:40,710 --> 00:49:38,960

to discuss and take down notes about

1366

00:49:42,549 --> 00:49:40,720

what they had seen

1367

00:49:44,870 --> 00:49:42,559

and the boys described in detail the

1368

00:49:46,710 --> 00:49:44,880

landing of this craft and the little men

1369

00:49:48,950 --> 00:49:46,720

uh that scurried around they seemed to

1370

00:49:52,069 --> 00:49:48,960

be dressed in some sort of

1371

00:49:54,309 --> 00:49:52,079

uniform they looked

1372

00:49:56,069 --> 00:49:54,319

humanoid in appearance they were smaller

1373

00:49:57,990 --> 00:49:56,079

than any earth person but

1374

00:49:59,670 --> 00:49:58,000

they didn't you know look monstrous and

1375

00:50:01,430 --> 00:49:59,680

they didn't have wings or horns or

1376

00:50:03,829 --> 00:50:01,440

anything like that

1377

00:50:05,430 --> 00:50:03,839

so they noticed while they were

1378

00:50:08,470 --> 00:50:05,440

interviewing the teenagers

1379

00:50:09,349 --> 00:50:08,480

off about a block away on the perimeter

1380

00:50:11,589 --> 00:50:09,359

of the park

1381

00:50:12,790 --> 00:50:11,599

there was a big old black cadillac

1382

00:50:15,750 --> 00:50:12,800

sitting there

1383

00:50:16,309 --> 00:50:15,760

and it had a partially lowered window on

1384

00:50:19,430 --> 00:50:16,319

it

1385

00:50:22,069 --> 00:50:19,440

and the the glasses were all you know

1386

00:50:23,349 --> 00:50:22,079

blacked out and you couldn't really see

1387

00:50:26,950 --> 00:50:23,359

who was inside

1388

00:50:29,430 --> 00:50:26,960

but somebody seemed to be uh observing

1389

00:50:32,630 --> 00:50:29,440

the conversation

1390

00:50:34,470 --> 00:50:32,640

and they i i guess they eventually left

1391

00:50:37,829 --> 00:50:34,480

and everybody went home and

1392

00:50:40,549 --> 00:50:37,839

jack filed a report with the jim mosley

1393

00:50:41,589 --> 00:50:40,559

saucer news and we put it in our file

1394

00:50:44,470 --> 00:50:41,599

cabinet and

1395

00:50:45,030 --> 00:50:44,480

planned to you know report on it in the

1396

00:50:47,510 --> 00:50:45,040

next

1397

00:50:48,470 --> 00:50:47,520

issue of the magazine which was a

1398

00:50:51,670 --> 00:50:48,480

quarterly

1399

00:50:55,430 --> 00:50:51,680

well now we got several calls from

1400

00:50:58,790 --> 00:50:55,440

jack after he had met with the teenage

1401  
00:50:59,910 --> 00:50:58,800  
boys that he thought that his telephone

1402  
00:51:03,190 --> 00:50:59,920  
was being

1403  
00:51:04,549 --> 00:51:03,200  
tapped uh and apparently somebody had

1404  
00:51:07,430 --> 00:51:04,559  
broken into

1405  
00:51:08,309 --> 00:51:07,440  
his uh apartment he lived in a small but

1406  
00:51:11,030 --> 00:51:08,319  
he didn't

1407  
00:51:12,549 --> 00:51:11,040  
marry uh robinson lived in a small

1408  
00:51:15,670 --> 00:51:12,559  
apartment uh building

1409  
00:51:17,270 --> 00:51:15,680  
in jersey city which is a bedroom

1410  
00:51:20,309 --> 00:51:17,280  
community of uh

1411  
00:51:22,390 --> 00:51:20,319  
manhattan uh probably hundreds of couple

1412  
00:51:23,990 --> 00:51:22,400  
hundred thousand people take the path

1413  
00:51:26,950 --> 00:51:24,000

train over from

1414

00:51:28,470 --> 00:51:26,960

uh jersey city to manhattan every day

1415

00:51:32,710 --> 00:51:28,480

it's about maybe a 20 mi

1416

00:51:35,430 --> 00:51:32,720

a 20 minute ride it stops at wall street

1417

00:51:36,230 --> 00:51:35,440

uh it stops uh pretty near macy's and

1418

00:51:38,549 --> 00:51:36,240

it's a

1419

00:51:40,309 --> 00:51:38,559

a hover activity if you don't want to

1420

00:51:43,109 --> 00:51:40,319

pay the manhattan rents

1421

00:51:44,790 --> 00:51:43,119

uh that's where you lived uh you know

1422

00:51:45,430 --> 00:51:44,800

back in those days today wouldn't much

1423

00:51:49,030 --> 00:51:45,440

matter i

1424

00:51:51,910 --> 00:51:49,040

wouldn't uh suspect but uh anyway

1425

00:51:52,790 --> 00:51:51,920

when jack would go to work uh his wife

1426

00:51:54,630 --> 00:51:52,800

mary um

1427

00:51:55,990 --> 00:51:54,640

you know who stayed at home she would go

1428

00:51:58,309 --> 00:51:56,000

out and do the uh

1429

00:52:00,230 --> 00:51:58,319

the shopping and uh whatever she had you

1430

00:52:02,069 --> 00:52:00,240

know chores she had to do

1431

00:52:03,510 --> 00:52:02,079

and she would call us on several

1432

00:52:06,549 --> 00:52:03,520

occasions to tell us

1433

00:52:09,030 --> 00:52:06,559

that there was this strange man

1434

00:52:10,470 --> 00:52:09,040

standing in the doorway next door to the

1435

00:52:12,549 --> 00:52:10,480

building where they lived

1436

00:52:14,950 --> 00:52:12,559

uh he had on a black suit black

1437

00:52:17,990 --> 00:52:14,960

sunglasses black hat

1438

00:52:20,230 --> 00:52:18,000

and he was kind of recessed into the

1439

00:52:21,030 --> 00:52:20,240

uh the doorway as if he did not want to

1440

00:52:24,309 --> 00:52:21,040

be uh

1441

00:52:26,069 --> 00:52:24,319

observed so she was wondering well

1442

00:52:27,990 --> 00:52:26,079

what was he you know what was he doing

1443

00:52:30,309 --> 00:52:28,000

there and this was around the time

1444

00:52:31,190 --> 00:52:30,319

that jack mary felt that their phone was

1445

00:52:33,670 --> 00:52:31,200

being tapped

1446

00:52:35,190 --> 00:52:33,680

and that they were uh apartment was

1447

00:52:38,549 --> 00:52:35,200

broken into and the files

1448

00:52:42,390 --> 00:52:38,559

rifled through so i

1449

00:52:44,390 --> 00:52:42,400

i guess uh you know it at some point uh

1450

00:52:45,990 --> 00:52:44,400

mary had called so many times i guess

1451

00:52:48,710 --> 00:52:46,000

she was kind of being

1452

00:52:50,710 --> 00:52:48,720

persistent that we should go over and

1453

00:52:52,710 --> 00:52:50,720

see for ourselves this strange

1454

00:52:54,870 --> 00:52:52,720

uh individual standing in the in the

1455

00:52:57,190 --> 00:52:54,880

doorway near her house now

1456

00:52:58,069 --> 00:52:57,200

the men in black of course the movies

1457

00:53:01,829 --> 00:52:58,079

hadn't come out

1458

00:53:02,790 --> 00:53:01,839

then if you were in the uh ufologist or

1459

00:53:04,390 --> 00:53:02,800

listened to

1460

00:53:06,790 --> 00:53:04,400

maybe long john neville or some of the

1461

00:53:07,670 --> 00:53:06,800

early broadcasts you knew who they uh

1462

00:53:11,750 --> 00:53:07,680

they were

1463

00:53:13,670 --> 00:53:11,760

researchers and appearing on the

1464

00:53:15,430 --> 00:53:13,680

doorsteps and

1465

00:53:17,030 --> 00:53:15,440

look pretty much like in the in the

1466

00:53:19,030 --> 00:53:17,040

movie version you know

1467

00:53:21,109 --> 00:53:19,040

but they obviously were not so comical

1468

00:53:23,030 --> 00:53:21,119

they were very serious about

1469

00:53:24,390 --> 00:53:23,040

uh in their attempts to silence uh

1470

00:53:26,549 --> 00:53:24,400

people so now

1471

00:53:28,950 --> 00:53:26,559

we decided well you know this could

1472

00:53:31,349 --> 00:53:28,960

possibly be a hoax that

1473

00:53:32,230 --> 00:53:31,359

jack and mary were trying to pull on the

1474

00:53:35,270 --> 00:53:32,240

the staff

1475

00:53:37,990 --> 00:53:35,280

just to gleam a little bit of attention

1476

00:53:39,430 --> 00:53:38,000

so jim and i decided we're going to to

1477

00:53:41,430 --> 00:53:39,440

drive over to

1478

00:53:43,430 --> 00:53:41,440

their apartment in jersey city and to

1479

00:53:45,190 --> 00:53:43,440

take a look without letting them know

1480

00:53:48,150 --> 00:53:45,200

that we are coming

1481

00:53:50,710 --> 00:53:48,160

so uh one morning we get into jim's

1482

00:53:53,430 --> 00:53:50,720

automobile we go through the uh

1483

00:53:54,390 --> 00:53:53,440

lincoln tunnel and head over to um

1484

00:53:57,190 --> 00:53:54,400

jersey city

1485

00:53:58,309 --> 00:53:57,200

very quick uh drive and and we get there

1486

00:54:02,069 --> 00:53:58,319

it's about probably

1487

00:54:04,630 --> 00:54:02,079

oh maybe 8 8 15 in the morning and uh

1488

00:54:06,069 --> 00:54:04,640

the streets the streets are very narrow

1489

00:54:08,950 --> 00:54:06,079

it's a residential

1490

00:54:11,109 --> 00:54:08,960

area the streets are very narrow and a

1491

00:54:12,950 --> 00:54:11,119

lot of people are double parked i assume

1492

00:54:15,510 --> 00:54:12,960

doing their own chores and

1493

00:54:16,870 --> 00:54:15,520

uh and stuff so uh as we pulled up to

1494

00:54:20,470 --> 00:54:16,880

the block we saw that

1495

00:54:22,549 --> 00:54:20,480

indeed there was a a strange individual

1496

00:54:24,309 --> 00:54:22,559

uh or a stranger let's say that's

1497

00:54:27,750 --> 00:54:24,319

standing in the doorway

1498

00:54:30,069 --> 00:54:27,760

so jim is driving and he hands me his

1499

00:54:32,470 --> 00:54:30,079

camera and i'm in the passenger

1500

00:54:34,230 --> 00:54:32,480

seat and i stick my head out the window

1501  
00:54:36,829 --> 00:54:34,240  
and i stick the camera out

1502  
00:54:38,549 --> 00:54:36,839  
and i take a photograph of the

1503  
00:54:41,589 --> 00:54:38,559  
individual and i

1504  
00:54:42,789 --> 00:54:41,599  
take a photograph of the vehicle that's

1505  
00:54:45,069 --> 00:54:42,799  
parked at the curb

1506  
00:54:47,109 --> 00:54:45,079  
which happens to be one of these long

1507  
00:54:48,950 --> 00:54:47,119  
limousine-like

1508  
00:54:50,549 --> 00:54:48,960  
cadillacs or lincolns i don't remember

1509  
00:54:53,270 --> 00:54:50,559  
exactly now

1510  
00:54:54,630 --> 00:54:53,280  
we decided we're going to confront this

1511  
00:54:56,710 --> 00:54:54,640  
strange character

1512  
00:54:58,230 --> 00:54:56,720  
and find out what is this gentleman

1513  
00:55:00,870 --> 00:54:58,240

doing standing there

1514

00:55:01,510 --> 00:55:00,880

uh almost on a daily basis observing

1515

00:55:03,109 --> 00:55:01,520

people

1516

00:55:05,349 --> 00:55:03,119

going in and out of this apartment

1517

00:55:07,910 --> 00:55:05,359

building so jim suggests

1518

00:55:09,430 --> 00:55:07,920

we uh ride uh drive around the block and

1519

00:55:12,630 --> 00:55:09,440

then i get out of the car

1520

00:55:14,230 --> 00:55:12,640

and approach the um the individual well

1521

00:55:15,750 --> 00:55:14,240

it took us i think a little bit longer

1522

00:55:16,870 --> 00:55:15,760

than we suspected to get around the

1523

00:55:19,670 --> 00:55:16,880

block because

1524

00:55:21,349 --> 00:55:19,680

of the congestion uh in and one-way

1525

00:55:23,910 --> 00:55:21,359

streets and and so forth

1526  
00:55:25,270 --> 00:55:23,920  
so by time we had gotten back to where

1527  
00:55:28,470 --> 00:55:25,280  
he was

1528  
00:55:31,670 --> 00:55:28,480  
uh the gentleman was gone and the

1529  
00:55:33,190 --> 00:55:31,680  
car was gone as well but we did have the

1530  
00:55:35,270 --> 00:55:33,200  
one photograph

1531  
00:55:37,190 --> 00:55:35,280  
and people that look at it will say well

1532  
00:55:38,710 --> 00:55:37,200  
maybe it was a pallbearer

1533  
00:55:40,950 --> 00:55:38,720  
well there was no funeral home or

1534  
00:55:43,349 --> 00:55:40,960  
anything like that nearby

1535  
00:55:45,670 --> 00:55:43,359  
i don't think anybody had died they

1536  
00:55:47,589 --> 00:55:45,680  
weren't picking up a casket

1537  
00:55:49,109 --> 00:55:47,599  
they weren't shooting you know some kind

1538  
00:55:51,349 --> 00:55:49,119

of horror movie in the

1539

00:55:52,390 --> 00:55:51,359

in the neighborhood but the peculiar

1540

00:55:54,309 --> 00:55:52,400

thing was you know

1541

00:55:55,910 --> 00:55:54,319

we think about the men in black or the

1542

00:55:59,030 --> 00:55:55,920

the mibs as we call them

1543

00:56:02,069 --> 00:55:59,040

is silencing ufo researchers well

1544

00:56:05,750 --> 00:56:02,079

i think that i silenced him because he

1545

00:56:09,030 --> 00:56:05,760

never showed up uh anymore after our

1546

00:56:10,789 --> 00:56:09,040

taking his photograph and there was

1547

00:56:12,069 --> 00:56:10,799

no more attempts to break into the

1548

00:56:14,710 --> 00:56:12,079

apartment

1549

00:56:16,230 --> 00:56:14,720

and as far as we know the jack and

1550

00:56:19,190 --> 00:56:16,240

mary's telephone

1551  
00:56:21,109 --> 00:56:19,200  
calls were not being tapped so you could

1552  
00:56:22,789 --> 00:56:21,119  
say i have the power to scare off the

1553  
00:56:23,430 --> 00:56:22,799  
men in black which not too many other

1554  
00:56:26,870 --> 00:56:23,440  
people

1555  
00:56:29,670 --> 00:56:26,880  
in the ufo field can justifiably say

1556  
00:56:31,349 --> 00:56:29,680  
but that was my experience with the with

1557  
00:56:33,349 --> 00:56:31,359  
the so-called men in black

1558  
00:56:35,829 --> 00:56:33,359  
uh they are real but then you know

1559  
00:56:39,030 --> 00:56:35,839  
there's so many so much strange

1560  
00:56:41,589 --> 00:56:39,040  
phenomena that's associated with ufos uh

1561  
00:56:42,549 --> 00:56:41,599  
that's what makes it so the subject so

1562  
00:56:45,190 --> 00:56:42,559  
intriguing

1563  
00:56:45,990 --> 00:56:45,200

if it were just lights in the sky or an

1564

00:56:48,710 --> 00:56:46,000

occasional

1565

00:56:50,870 --> 00:56:48,720

you know landing uh with some burton

1566

00:56:52,710 --> 00:56:50,880

rocks or soil or something like that

1567

00:56:55,430 --> 00:56:52,720

i don't think it would have held my

1568

00:56:58,870 --> 00:56:55,440

interest uh for

1569

00:57:00,710 --> 00:56:58,880

half a century tim that's the craziest

1570

00:57:03,589 --> 00:57:00,720

picture i ever saw that is so

1571

00:57:04,870 --> 00:57:03,599

spooky of that guy well he seems awesome

1572

00:57:07,510 --> 00:57:04,880

too

1573

00:57:08,789 --> 00:57:07,520

you know what i find unusual about him

1574

00:57:12,230 --> 00:57:08,799

more than anything else

1575

00:57:13,750 --> 00:57:12,240

he seems to be wearing fairy boots yeah

1576

00:57:16,549 --> 00:57:13,760

it looks like a little elf

1577

00:57:18,069 --> 00:57:16,559

like well he doesn't but the but the uh

1578

00:57:18,549 --> 00:57:18,079

the shoes are the boots that he's

1579

00:57:21,030 --> 00:57:18,559

wearing

1580

00:57:21,750 --> 00:57:21,040

uh yes i certainly do right and i don't

1581

00:57:24,870 --> 00:57:21,760

know uh

1582

00:57:27,349 --> 00:57:24,880

yeah yeah i have used myself now fellas

1583

00:57:29,349 --> 00:57:27,359

have you encountered uh or heard stories

1584

00:57:32,390 --> 00:57:29,359

about anybody that's had them

1585

00:57:35,510 --> 00:57:32,400

uh cryptid sightings or encounters being

1586

00:57:37,349 --> 00:57:35,520

harassed or or observed by men and black

1587

00:57:40,470 --> 00:57:37,359

type individuals

1588

00:57:41,750 --> 00:57:40,480

well no i haven't no yeah i had one i

1589

00:57:43,990 --> 00:57:41,760

had one um

1590

00:57:45,990 --> 00:57:44,000

uh well i just just let me finish uh

1591

00:57:48,150 --> 00:57:46,000

that one bit about uh being in the

1592

00:57:50,150 --> 00:57:48,160

cemetery my phone went ahead

1593

00:57:51,190 --> 00:57:50,160

i only take a second i anyway my niece

1594

00:57:53,510 --> 00:57:51,200

and i went up to

1595

00:57:55,270 --> 00:57:53,520

john boyd thatcher's crypt who was an

1596

00:57:58,390 --> 00:57:55,280

early mayor of new york

1597

00:58:01,109 --> 00:57:58,400

and it sounded like uh metallic uh

1598

00:58:01,750 --> 00:58:01,119

a huge noise that came out from from the

1599

00:58:03,670 --> 00:58:01,760

crypt

1600

00:58:05,190 --> 00:58:03,680

it was like somebody took a steel drum

1601  
00:58:06,630 --> 00:58:05,200  
and just kind of threw it against the

1602  
00:58:08,870 --> 00:58:06,640  
side of the building

1603  
00:58:09,910 --> 00:58:08,880  
and anyway i i didn't go back for almost

1604  
00:58:11,510 --> 00:58:09,920  
35 years

1605  
00:58:13,030 --> 00:58:11,520  
until my friend told me about the men in

1606  
00:58:15,990 --> 00:58:13,040  
black anyway

1607  
00:58:16,870 --> 00:58:16,000  
uh in the late 80s i had just broken up

1608  
00:58:18,549 --> 00:58:16,880  
with someone

1609  
00:58:20,470 --> 00:58:18,559  
which i did all the time i was kind of

1610  
00:58:23,030 --> 00:58:20,480  
fickle and

1611  
00:58:23,670 --> 00:58:23,040  
i decided i wanted to get back with him

1612  
00:58:26,069 --> 00:58:23,680  
but he had met

1613  
00:58:27,990 --> 00:58:26,079

someone else you know how that goes and

1614

00:58:29,430 --> 00:58:28,000

i heard he was going out with someone so

1615

00:58:30,950 --> 00:58:29,440

i said well i'm going to get

1616

00:58:32,870 --> 00:58:30,960

up in the middle of the night and i know

1617

00:58:34,470 --> 00:58:32,880

where he goes on a friday night and i'm

1618

00:58:35,589 --> 00:58:34,480

just going to see if he walks out with

1619

00:58:39,349 --> 00:58:35,599

somebody

1620

00:58:41,430 --> 00:58:39,359

so across the river there's an old

1621

00:58:42,390 --> 00:58:41,440

road and it's a two-lane highway it's

1622

00:58:45,750 --> 00:58:42,400

completely dark

1623

00:58:47,589 --> 00:58:45,760

it isn't lit by any street lamps

1624

00:58:50,870 --> 00:58:47,599

and it goes to the little village of

1625

00:58:52,470 --> 00:58:50,880

castleton on hudson which is about maybe

1626

00:58:55,750 --> 00:58:52,480

six miles from uh

1627

00:58:59,349 --> 00:58:55,760

albany across the river and i

1628

00:59:01,990 --> 00:58:59,359

i just got almost to where the town

1629

00:59:03,990 --> 00:59:02,000

began after going down this very dark

1630

00:59:06,309 --> 00:59:04,000

road which was kind of creepy

1631

00:59:07,910 --> 00:59:06,319

and out of the corner of my eye i saw

1632

00:59:10,309 --> 00:59:07,920

something white

1633

00:59:12,710 --> 00:59:10,319

and when i looked at it and i swear to

1634

00:59:15,750 --> 00:59:12,720

you on a stack of bibles

1635

00:59:18,150 --> 00:59:15,760

as god is my judge here was

1636

00:59:19,430 --> 00:59:18,160

it looked like a white owl and it was

1637

00:59:21,829 --> 00:59:19,440

about 36

1638

00:59:23,270 --> 00:59:21,839

inches tall it was just sitting there on

1639

00:59:25,910 --> 00:59:23,280

the side of the road

1640

00:59:27,670 --> 00:59:25,920

and when i looked at it it it flew right

1641

00:59:29,349 --> 00:59:27,680

over my windshield and almost hit the

1642

00:59:31,109 --> 00:59:29,359

windshield and i have never been so

1643

00:59:34,309 --> 00:59:31,119

scared in my life

1644

00:59:36,549 --> 00:59:34,319

so i'm of course i wanted to find out uh

1645

00:59:38,470 --> 00:59:36,559

you know are there owls that big around

1646

00:59:41,750 --> 00:59:38,480

you know upstate new york

1647

00:59:42,710 --> 00:59:41,760

no there's nothing but what i did find

1648

00:59:45,910 --> 00:59:42,720

out is that

1649

00:59:47,510 --> 00:59:45,920

people who have been abducted sometimes

1650

00:59:49,589 --> 00:59:47,520

there they see an owl

1651  
00:59:51,829 --> 00:59:49,599  
or a deer and they call it a screen

1652  
00:59:53,430 --> 00:59:51,839  
memory so you don't really remember

1653  
00:59:55,109 --> 00:59:53,440  
you know i'm sure you're familiar with

1654  
00:59:58,829 --> 00:59:55,119  
that and uh

1655  
01:00:02,230 --> 00:59:58,839  
also uh there's a demon called malik

1656  
01:00:03,510 --> 01:00:02,240  
m-o-l-o-c that is represented by a big

1657  
01:00:07,109 --> 01:00:03,520  
white owl

1658  
01:00:10,069 --> 01:00:07,119  
and i will never know what that meant um

1659  
01:00:13,670 --> 01:00:10,079  
i i don't want to know but that was in

1660  
01:00:18,230 --> 01:00:13,680  
probably about 1985 or six

1661  
01:00:22,069 --> 01:00:18,240  
so that was my i had a stretch of about

1662  
01:00:22,630 --> 01:00:22,079  
uh i know about almost a year and a half

1663  
01:00:25,109 --> 01:00:22,640

it happened

1664

01:00:26,069 --> 01:00:25,119

actually started going on after my wife

1665

01:00:28,710 --> 01:00:26,079

started

1666

01:00:30,150 --> 01:00:28,720

my wife got sick and it didn't end to

1667

01:00:33,030 --> 01:00:30,160

after she passed away

1668

01:00:34,630 --> 01:00:33,040

and um i was seeing owls i was seeing

1669

01:00:37,670 --> 01:00:34,640

references to owls

1670

01:00:41,750 --> 01:00:37,680

i was seeing owls uh

1671

01:00:45,109 --> 01:00:41,760

it was crazy i was told

1672

01:00:48,549 --> 01:00:45,119

yeah i was told by a shaman that it was

1673

01:00:50,789 --> 01:00:48,559

actually a uh

1674

01:00:51,589 --> 01:00:50,799

if aforementioned before death or

1675

01:00:54,549 --> 01:00:51,599

something i

1676

01:00:56,710 --> 01:00:54,559

yeah i don't know but uh you know it

1677

01:01:00,549 --> 01:00:56,720

eventually stopped but uh

1678

01:01:02,950 --> 01:01:00,559

it was odd there is something to it um

1679

01:01:03,829 --> 01:01:02,960

uh you know like uh tim mentioned uh

1680

01:01:07,829 --> 01:01:03,839

cryptids

1681

01:01:08,870 --> 01:01:07,839

well and i probably mentioned i live 160

1682

01:01:11,349 --> 01:01:08,880

miles from

1683

01:01:11,990 --> 01:01:11,359

manhattan and there you have to go

1684

01:01:13,990 --> 01:01:12,000

through the

1685

01:01:15,270 --> 01:01:14,000

catskill mountains which are extremely

1686

01:01:18,390 --> 01:01:15,280

haunted by

1687

01:01:22,069 --> 01:01:18,400

um animals that are absolutely

1688

01:01:22,390 --> 01:01:22,079

mammoth and they're called catamounts

1689

01:01:24,870 --> 01:01:22,400

they're

1690

01:01:26,390 --> 01:01:24,880

huge cats probably three times the size

1691

01:01:27,670 --> 01:01:26,400

of maybe a panther

1692

01:01:29,910 --> 01:01:27,680

and they've been seen through the

1693

01:01:33,190 --> 01:01:29,920

centuries as well as

1694

01:01:36,069 --> 01:01:33,200

little people and so forth and so on and

1695

01:01:37,990 --> 01:01:36,079

as you go up um the hudson valley

1696

01:01:40,870 --> 01:01:38,000

through the catskills

1697

01:01:42,710 --> 01:01:40,880

probably maybe i would say 20 miles from

1698

01:01:45,829 --> 01:01:42,720

where i live across the river

1699

01:01:48,789 --> 01:01:45,839

there's a place called kinderhook

1700

01:01:49,589 --> 01:01:48,799

meaning children's corner in dutch it

1701

01:01:53,270 --> 01:01:49,599

was a dutch

1702

01:01:53,829 --> 01:01:53,280

settlement and that is where washington

1703

01:01:56,069 --> 01:01:53,839

irving

1704

01:01:56,870 --> 01:01:56,079

spent a lot of time when he was

1705

01:01:59,109 --> 01:01:56,880

composing

1706

01:02:00,150 --> 01:01:59,119

the legend of sleepy hollow ripton

1707

01:02:02,150 --> 01:02:00,160

wrinkle

1708

01:02:03,910 --> 01:02:02,160

and all you know all these scary things

1709

01:02:07,750 --> 01:02:03,920

and he was very influenced

1710

01:02:10,309 --> 01:02:07,760

by that area and he actually said that

1711

01:02:11,829 --> 01:02:10,319

it was a drowsy dreamy influence that

1712

01:02:14,950 --> 01:02:11,839

seemed to hang over

1713

01:02:18,470 --> 01:02:14,960

the area and held the people

1714

01:02:20,549 --> 01:02:18,480

under a strange witching power and

1715

01:02:21,750 --> 01:02:20,559

this is where uh he got the inspiration

1716

01:02:25,750 --> 01:02:21,760

for all of his

1717

01:02:28,150 --> 01:02:25,760

his work um but in that area

1718

01:02:30,349 --> 01:02:28,160

uh right next to kinderhook there's a

1719

01:02:33,829 --> 01:02:30,359

little uh town called ghent

1720

01:02:35,430 --> 01:02:33,839

g-h-e-n-t and starting in the 70s

1721

01:02:38,230 --> 01:02:35,440

bigfoot was seen

1722

01:02:39,349 --> 01:02:38,240

constantly out there it would knock on

1723

01:02:40,470 --> 01:02:39,359

people's doors

1724

01:02:43,029 --> 01:02:40,480

in the middle of the night it would

1725

01:02:45,109 --> 01:02:43,039

steal food it would get in the garbage

1726

01:02:47,109 --> 01:02:45,119

and it plagued this one family that was

1727

01:02:49,029 --> 01:02:47,119

the bartholomew family

1728

01:02:50,390 --> 01:02:49,039

and he actually wrote a book about it

1729

01:02:52,230 --> 01:02:50,400

but um

1730

01:02:54,390 --> 01:02:52,240

his family wasn't the only one that saw

1731

01:02:57,430 --> 01:02:54,400

this thing it was eight feet tall

1732

01:03:00,549 --> 01:02:57,440

brown hair and they would go

1733

01:03:02,549 --> 01:03:00,559

uh to a fishing place uh just about a

1734

01:03:04,390 --> 01:03:02,559

mile from their house he and his cousin

1735

01:03:06,710 --> 01:03:04,400

called cushing's hill

1736

01:03:07,670 --> 01:03:06,720

and they would see what they called the

1737

01:03:09,910 --> 01:03:07,680

white blob

1738

01:03:11,510 --> 01:03:09,920

and it would kind of drift across the

1739

01:03:14,549 --> 01:03:11,520

creek toward them

1740

01:03:17,270 --> 01:03:14,559

and kind of take a human shape and then

1741

01:03:19,349 --> 01:03:17,280

disappear and this is where they saw

1742

01:03:21,349 --> 01:03:19,359

bigfoot

1743

01:03:22,789 --> 01:03:21,359

probably i don't know i don't know how

1744

01:03:24,150 --> 01:03:22,799

many times he mentioned but they they

1745

01:03:27,430 --> 01:03:24,160

saw him running across

1746

01:03:29,270 --> 01:03:27,440

the creek and as you go up

1747

01:03:30,710 --> 01:03:29,280

north of where i live toward the

1748

01:03:34,069 --> 01:03:30,720

adirondack mountains

1749

01:03:37,109 --> 01:03:34,079

also a lot of hornings up there

1750

01:03:37,829 --> 01:03:37,119

um there are bigfoot sightings in lake

1751

01:03:40,950 --> 01:03:37,839

george

1752

01:03:43,430 --> 01:03:40,960

and near french mountain where

1753

01:03:44,870 --> 01:03:43,440

many many people have seen things and in

1754

01:03:48,390 --> 01:03:44,880

the skene valley

1755

01:03:51,109 --> 01:03:48,400

uh country club area there is one place

1756

01:03:53,990 --> 01:03:51,119

near there in whitehall new york near

1757

01:03:56,549 --> 01:03:54,000

saranac lake in lake luzerne fort edward

1758

01:03:57,109 --> 01:03:56,559

ford and fort ticonderoga and it's

1759

01:04:00,710 --> 01:03:57,119

called

1760

01:04:02,390 --> 01:04:00,720

a bear road and this is a hot spot if

1761

01:04:02,950 --> 01:04:02,400

you really wanted to get in your car

1762

01:04:05,349 --> 01:04:02,960

today

1763

01:04:06,150 --> 01:04:05,359

and have a good chance of seeing a

1764

01:04:07,910 --> 01:04:06,160

bigfoot

1765

01:04:09,349 --> 01:04:07,920

you want to go to a bear road in

1766

01:04:12,069 --> 01:04:09,359

whitehall

1767

01:04:13,029 --> 01:04:12,079

um i have gotten a lot i've gotten a lot

1768

01:04:16,230 --> 01:04:13,039

of uh

1769

01:04:17,510 --> 01:04:16,240

sightings up in around white hall and

1770

01:04:20,630 --> 01:04:17,520

across the lakes

1771

01:04:23,750 --> 01:04:20,640

actually as well and uh well of course

1772

01:04:27,270 --> 01:04:23,760

shawn's friend just did a movie about

1773

01:04:30,789 --> 01:04:27,280

whitehall and uh seth breedlove

1774

01:04:32,630 --> 01:04:30,799

and uh very interesting film uh yeah

1775

01:04:35,589 --> 01:04:32,640

whitehall is kind of a hot spot

1776

01:04:36,069 --> 01:04:35,599

it's uh it's very well known for for uh

1777

01:04:38,630 --> 01:04:36,079

cryptid

1778

01:04:40,309 --> 01:04:38,640

and bigfoot activity yeah and it's still

1779

01:04:43,829 --> 01:04:40,319

going on it started

1780

01:04:45,589 --> 01:04:43,839

really um in the 70s where more

1781

01:04:47,910 --> 01:04:45,599

i guess most people saw the thing and

1782

01:04:49,670 --> 01:04:47,920

then it kind of receded for a number of

1783

01:04:50,470 --> 01:04:49,680

years and now people are starting to see

1784

01:04:52,630 --> 01:04:50,480

it again

1785

01:04:54,870 --> 01:04:52,640

so if i get my nerve up i'll i'll go up

1786

01:04:58,390 --> 01:04:54,880

there probably not though i don't know

1787

01:05:00,309 --> 01:04:58,400

but um it was a um

1788

01:05:01,430 --> 01:05:00,319

they always say it was brown had brown

1789

01:05:03,349 --> 01:05:01,440

fur and

1790

01:05:04,870 --> 01:05:03,359

eight to nine feet tall and we just kind

1791

01:05:07,270 --> 01:05:04,880

of walk in front of the cars

1792

01:05:09,190 --> 01:05:07,280

like some demented hitchhiker you know

1793

01:05:10,630 --> 01:05:09,200

swinging his arms and just kind of

1794

01:05:13,109 --> 01:05:10,640

walk into the woods he doesn't seem

1795

01:05:16,789 --> 01:05:13,119

aggressive at least not this one

1796

01:05:19,910 --> 01:05:16,799

so that's um that's in that area and uh

1797

01:05:22,789 --> 01:05:19,920

another place if you go down

1798

01:05:25,349 --> 01:05:22,799

again along the hudson valley if you go

1799

01:05:27,109 --> 01:05:25,359

to a place called poughkeepsie new york

1800

01:05:28,390 --> 01:05:27,119

there is a video i just spent a week

1801  
01:05:29,670 --> 01:05:28,400  
there you didn't tell me about that

1802  
01:05:32,230 --> 01:05:29,680  
claudia yeah

1803  
01:05:32,870 --> 01:05:32,240  
oh okay well uh do you does anyone

1804  
01:05:35,750 --> 01:05:32,880  
remember

1805  
01:05:36,950 --> 01:05:35,760  
the bishop james pike james pike in the

1806  
01:05:40,630 --> 01:05:36,960  
70s oh yes

1807  
01:05:43,750 --> 01:05:40,640  
actually uh yes indeed okay well he was

1808  
01:05:44,230 --> 01:05:43,760  
the rector of uh christ's episcopal

1809  
01:05:47,349 --> 01:05:44,240  
church

1810  
01:05:52,870 --> 01:05:47,359  
in that area and uh he did all the

1811  
01:05:59,349 --> 01:05:56,950  
his son committed suicide in a hotel

1812  
01:06:01,829 --> 01:05:59,359  
that's just right around the corner uh

1813  
01:06:03,990 --> 01:06:01,839

from where i am here in manhattan

1814

01:06:04,950 --> 01:06:04,000

and where i had some close friends who

1815

01:06:07,190 --> 01:06:04,960

who lived there for

1816

01:06:09,029 --> 01:06:07,200

many years and of course there's a lot

1817

01:06:12,390 --> 01:06:09,039

of paranormal

1818

01:06:14,390 --> 01:06:12,400

um uh phenomena involved with

1819

01:06:16,870 --> 01:06:14,400

his passing and his son's death and so

1820

01:06:19,190 --> 01:06:16,880

forth but go on with your your story

1821

01:06:20,390 --> 01:06:19,200

this little tail for another time yeah

1822

01:06:22,309 --> 01:06:20,400

he was a rector

1823

01:06:23,910 --> 01:06:22,319

in the in the late 40s in that church

1824

01:06:26,630 --> 01:06:23,920

it's quite an old church

1825

01:06:28,150 --> 01:06:26,640

and you know many people wonder how to

1826

01:06:29,829 --> 01:06:28,160

reconcile their faith

1827

01:06:31,349 --> 01:06:29,839

with their belief in the supernatural

1828

01:06:32,309 --> 01:06:31,359

and that's always been a thing with me i

1829

01:06:39,990 --> 01:06:32,319

i

1830

01:06:43,029 --> 01:06:40,000

that there's

1831

01:06:45,109 --> 01:06:43,039

a dark side a light side i know that

1832

01:06:47,270 --> 01:06:45,119

and a lot of people are kind of in that

1833

01:06:47,670 --> 01:06:47,280

conundrum you know we're interested in

1834

01:06:49,510 --> 01:06:47,680

what's

1835

01:06:50,950 --> 01:06:49,520

what the other side is but we don't want

1836

01:06:52,309 --> 01:06:50,960

to get too close to it we just want to

1837

01:06:53,510 --> 01:06:52,319

know it exists because it kind of

1838

01:06:55,670 --> 01:06:53,520

confirms

1839

01:06:56,789 --> 01:06:55,680

the light side the you know the your

1840

01:06:59,510 --> 01:06:56,799

religion

1841

01:07:00,069 --> 01:06:59,520

and um but they're often surprised to

1842

01:07:02,230 --> 01:07:00,079

learn that

1843

01:07:03,829 --> 01:07:02,240

um actually there are many haunted

1844

01:07:06,950 --> 01:07:03,839

churches and um

1845

01:07:09,750 --> 01:07:06,960

many men um of the clock have have had

1846

01:07:11,829 --> 01:07:09,760

encounters with ghosts in their church

1847

01:07:13,510 --> 01:07:11,839

and this particular church in

1848

01:07:16,390 --> 01:07:13,520

poughkeepsie

1849

01:07:19,910 --> 01:07:16,400

is extremely haunted i believe it was

1850

01:07:24,390 --> 01:07:19,920

founded in the 17 the mid 1700s

1851

01:07:27,109 --> 01:07:24,400

and i at one one time uh the late uh

1852

01:07:29,109 --> 01:07:27,119

james pike the bishop who was who came

1853

01:07:31,589 --> 01:07:29,119

out in the 70s as a medium and

1854

01:07:32,710 --> 01:07:31,599

that was a strange word back then we

1855

01:07:35,190 --> 01:07:32,720

heard of psychics

1856

01:07:36,630 --> 01:07:35,200

everybody kind of chuckled nobody really

1857

01:07:38,630 --> 01:07:36,640

took it too seriously

1858

01:07:39,750 --> 01:07:38,640

but he was a medium so that was

1859

01:07:41,670 --> 01:07:39,760

something different

1860

01:07:44,069 --> 01:07:41,680

and he claimed to speak to the dead and

1861

01:07:45,510 --> 01:07:44,079

he was into reincarnation and a lot of

1862

01:07:46,549 --> 01:07:45,520

things that go against the christian

1863

01:07:49,190 --> 01:07:46,559

faith

1864

01:07:51,589 --> 01:07:49,200

but anyway he was the rector there and

1865

01:07:55,109 --> 01:07:51,599

he had seen many ghosts in the church

1866

01:07:56,390 --> 01:07:55,119

uh and during one mass as he lit a holy

1867

01:07:58,950 --> 01:07:56,400

candle

1868

01:07:59,990 --> 01:07:58,960

he was actually attacked by a bat on the

1869

01:08:03,750 --> 01:08:00,000

altar

1870

01:08:06,069 --> 01:08:03,760

and this inexplicable gust of wind

1871

01:08:07,270 --> 01:08:06,079

blew the candle out just as the bat

1872

01:08:11,029 --> 01:08:07,280

appeared

1873

01:08:13,190 --> 01:08:11,039

and the incident uh it was witnessed by

1874

01:08:14,230 --> 01:08:13,200

the entire congregation and it's you

1875

01:08:16,870 --> 01:08:14,240

know it seems like

1876

01:08:17,829 --> 01:08:16,880

candles and bats have featured uh

1877

01:08:20,309 --> 01:08:17,839

prominently

1878

01:08:21,189 --> 01:08:20,319

in other strange incidences at that

1879

01:08:23,749 --> 01:08:21,199

church

1880

01:08:24,550 --> 01:08:23,759

uh the candles uh in the library

1881

01:08:27,430 --> 01:08:24,560

extinguish

1882

01:08:29,349 --> 01:08:27,440

themselves on occasion and this

1883

01:08:31,990 --> 01:08:29,359

malevolent bat has been seen by

1884

01:08:33,189 --> 01:08:32,000

more than one church-goer uh i think the

1885

01:08:36,309 --> 01:08:33,199

fact that it sometimes

1886

01:08:37,749 --> 01:08:36,319

fades before their eyes gives credence

1887

01:08:39,669 --> 01:08:37,759

to the possibility that

1888

01:08:41,189 --> 01:08:39,679

there's something supernatural about the

1889

01:08:44,630 --> 01:08:41,199

creature so

1890

01:08:47,189 --> 01:08:44,640

um but incidents with bats and candles

1891

01:08:48,470 --> 01:08:47,199

uh you know it can be rationalized as

1892

01:08:49,510 --> 01:08:48,480

not having anything to do with the

1893

01:08:50,950 --> 01:08:49,520

paranormal

1894

01:08:53,430 --> 01:08:50,960

you know you can just say well back been

1895

01:08:55,110 --> 01:08:53,440

in the church okay but when it fades in

1896

01:08:58,390 --> 01:08:55,120

front of you and disappears

1897

01:09:01,430 --> 01:08:58,400

that's something different and uh

1898

01:09:04,630 --> 01:09:01,440

the church has doors that open and close

1899

01:09:07,910 --> 01:09:04,640

you know unassisted and strange sounds

1900

01:09:11,189 --> 01:09:07,920

and one lady fell asleep while her her

1901

01:09:13,030 --> 01:09:11,199

sister was practicing the organ and uh

1902

01:09:15,829 --> 01:09:13,040

when she woke up there was a ghost

1903

01:09:16,390 --> 01:09:15,839

uh looking right at her smiling so there

1904

01:09:19,269 --> 01:09:16,400

are

1905

01:09:21,110 --> 01:09:19,279

some something going on there you know

1906

01:09:22,309 --> 01:09:21,120

that being an episcopal church has

1907

01:09:25,510 --> 01:09:22,319

anybody ever

1908

01:09:26,470 --> 01:09:25,520

tried to exercise it that i could not

1909

01:09:30,470 --> 01:09:26,480

tell you

1910

01:09:33,189 --> 01:09:30,480

i don't know uh but they say um

1911

01:09:33,590 --> 01:09:33,199

during excuse me during recent times uh

1912

01:09:36,229 --> 01:09:33,600

it's

1913

01:09:36,709 --> 01:09:36,239

well that nonsense has kind of stopped

1914

01:09:40,149 --> 01:09:36,719

so

1915

01:09:41,990 --> 01:09:40,159

um but they um but it did happen

1916

01:09:43,590 --> 01:09:42,000

it's all been uh in fact it was written

1917

01:09:46,789 --> 01:09:43,600

about and um

1918

01:09:49,269 --> 01:09:46,799

uh i believe it was susan's uh smitten

1919

01:09:50,870 --> 01:09:49,279

she's a local author uh ghost stories of

1920

01:09:53,349 --> 01:09:50,880

new york state or something like that

1921

01:09:55,350 --> 01:09:53,359

so it's pretty well documented it's a

1922

01:09:58,470 --> 01:09:55,360

very it was a very haunted church

1923

01:09:59,990 --> 01:09:58,480

i don't even know if it's still standing

1924

01:10:01,590 --> 01:10:00,000

but that's something that i would like

1925

01:10:04,709 --> 01:10:01,600

to look into

1926

01:10:07,910 --> 01:10:04,719

my next trip down interesting

1927

01:10:11,189 --> 01:10:07,920

yeah interesting um you know new york is

1928

01:10:13,830 --> 01:10:11,199

a very uh haunted area in fact saturday

1929

01:10:16,950 --> 01:10:13,840

night i'm going to on a haunted tour

1930

01:10:18,950 --> 01:10:16,960

up uh in lake george uh at the fort

1931

01:10:23,030 --> 01:10:18,960

william henry which was a

1932

01:10:25,910 --> 01:10:23,040

revolutionary war fortress in the 1700s

1933

01:10:27,110 --> 01:10:25,920

and uh very heavily populated with

1934

01:10:30,149 --> 01:10:27,120

indians and

1935

01:10:31,270 --> 01:10:30,159

revolutionary war soldiers and uh even

1936

01:10:33,990 --> 01:10:31,280

to this day

1937

01:10:35,750 --> 01:10:34,000

people hear muskets uh you know being

1938

01:10:37,669 --> 01:10:35,760

shot on the battlefield and

1939

01:10:38,870 --> 01:10:37,679

they see men in revolutionary war

1940

01:10:41,110 --> 01:10:38,880

costumes

1941

01:10:42,950 --> 01:10:41,120

so i'm looking forward to that i don't i

1942

01:10:45,990 --> 01:10:42,960

don't expect i'll see anything but

1943

01:10:46,470 --> 01:10:46,000

that has been reported i have heard i

1944

01:10:49,270 --> 01:10:46,480

have heard

1945

01:10:49,590 --> 01:10:49,280

people that had been there previously

1946

01:10:52,310 --> 01:10:49,600

and

1947

01:10:53,189 --> 01:10:52,320

uh yeah there seems to be a lot of

1948

01:10:55,590 --> 01:10:53,199

activity

1949

01:10:56,870 --> 01:10:55,600

all around that fort in particular the

1950

01:10:59,910 --> 01:10:56,880

mess and uh out

1951

01:11:03,030 --> 01:10:59,920

on the walls or the old walls or

1952

01:11:05,669 --> 01:11:03,040

um yeah that that should be very

1953

01:11:07,590 --> 01:11:05,679

interesting well we're going up at night

1954

01:11:10,229 --> 01:11:07,600

and it's going to be a candlelit tour

1955

01:11:11,430 --> 01:11:10,239

through the the old fort and they're

1956

01:11:13,189 --> 01:11:11,440

going to dress in them

1957

01:11:14,950 --> 01:11:13,199

you know the old revolutionary war

1958

01:11:15,590 --> 01:11:14,960

soldier uniforms and they're actually

1959

01:11:17,270 --> 01:11:15,600

having real

1960

01:11:18,950 --> 01:11:17,280

indians there so it's going to be like

1961

01:11:20,470 --> 01:11:18,960

we're being chased by the indians it's

1962

01:11:22,950 --> 01:11:20,480

going to be a lot of fun

1963

01:11:23,750 --> 01:11:22,960

now who who is sponsoring that claudia

1964

01:11:25,669 --> 01:11:23,760

uh the fort

1965

01:11:26,870 --> 01:11:25,679

the fort william henry i grew up there a

1966

01:11:29,910 --> 01:11:26,880

lot yeah

1967

01:11:32,630 --> 01:11:29,920

my my best friend margaret ann she's

1968

01:11:34,630 --> 01:11:32,640

a uh uh she when she was a little girl

1969

01:11:36,870 --> 01:11:34,640

her parents would take her up there

1970

01:11:38,630 --> 01:11:36,880

and um that she has a lot of memories so

1971

01:11:40,149 --> 01:11:38,640

we were up there one day and we found

1972

01:11:41,669 --> 01:11:40,159

out that they had these haunted tours so

1973

01:11:43,510 --> 01:11:41,679

we signed up for it

1974

01:11:45,910 --> 01:11:43,520

and we're going on the headless horseman

1975

01:11:46,950 --> 01:11:45,920

tour in terrytown the following week so

1976

01:11:48,950 --> 01:11:46,960

wow

1977

01:11:51,430 --> 01:11:48,960

this is going to be good i had i had

1978

01:11:54,709 --> 01:11:51,440

lunch in terrytown uh yesterday

1979

01:11:57,990 --> 01:11:54,719

uh looking for ichabod crane but

1980

01:11:58,390 --> 01:11:58,000

you know you you read that little item

1981

01:12:01,270 --> 01:11:58,400

from

1982

01:12:02,070 --> 01:12:01,280

washington irving's uh sleepy hollow

1983

01:12:03,830 --> 01:12:02,080

book

1984

01:12:05,189 --> 01:12:03,840

uh if you read if i could find that

1985

01:12:07,270 --> 01:12:05,199

paragraph which i don't have

1986

01:12:09,510 --> 01:12:07,280

here in front of me about what he

1987

01:12:11,030 --> 01:12:09,520

described and this was what about 1700

1988

01:12:13,110 --> 01:12:11,040

or something like that

1989

01:12:14,390 --> 01:12:13,120

a little bit after right if you read

1990

01:12:17,510 --> 01:12:14,400

that paragraph or two

1991

01:12:19,030 --> 01:12:17,520

out of his book you would swear that he

1992

01:12:21,750 --> 01:12:19,040

was talking about

1993

01:12:22,550 --> 01:12:21,760

what was going on up there even recently

1994

01:12:25,030 --> 01:12:22,560

because

1995

01:12:25,950 --> 01:12:25,040

this is the exact same area where in the

1996

01:12:29,510 --> 01:12:25,960

early

1997

01:12:32,229 --> 01:12:29,520

1980s this huge boomerang

1998

01:12:32,790 --> 01:12:32,239

shaped the craft was coming down over

1999

01:12:39,910 --> 01:12:32,800

the

2000

01:12:42,470 --> 01:12:39,920

actually witnessed this

2001

01:12:43,270 --> 01:12:42,480

uh similar in some respects to the the

2002

01:12:45,669 --> 01:12:43,280

phoenix

2003

01:12:46,630 --> 01:12:45,679

lights uh in that it moved across the

2004

01:12:50,149 --> 01:12:46,640

sky

2005

01:12:53,430 --> 01:12:50,159

uh silently and it was so

2006

01:12:57,270 --> 01:12:53,440

large that it blocked out a a huge

2007

01:13:01,510 --> 01:12:57,280

a huge section of the uh of the sky

2008

01:13:04,790 --> 01:13:01,520

and it's it's so perturbed

2009

01:13:08,630 --> 01:13:04,800

and perplexed the residents of the area

2010

01:13:11,669 --> 01:13:08,640

that they actually held a town hall

2011

01:13:16,229 --> 01:13:11,679

meeting in the local

2012

01:13:17,830 --> 01:13:16,239

middle school there

2013

01:13:19,270 --> 01:13:17,840

and they called in the number of

2014

01:13:21,110 --> 01:13:19,280

scientists they had dr j

2015

01:13:22,470 --> 01:13:21,120

allen heineck and jacques valet was

2016

01:13:25,189 --> 01:13:22,480

there and

2017

01:13:26,709 --> 01:13:25,199

and so forth to get to the bottom of

2018

01:13:29,669 --> 01:13:26,719

what it is that they had

2019

01:13:31,189 --> 01:13:29,679

observed of course they had no luck

2020

01:13:33,030 --> 01:13:31,199

because

2021

01:13:35,830 --> 01:13:33,040

what they had observed did not seem to

2022

01:13:37,030 --> 01:13:35,840

be man-made in the sense that we think

2023

01:13:40,390 --> 01:13:37,040

of man-made now

2024

01:13:41,189 --> 01:13:40,400

these crafts may not be physical nuts

2025

01:13:43,669 --> 01:13:41,199

and bolt

2026

01:13:44,630 --> 01:13:43,679

objects i mean they do seem to have the

2027

01:13:48,149 --> 01:13:44,640

ability

2028

01:13:51,110 --> 01:13:48,159

to transport themselves uh

2029

01:13:51,750 --> 01:13:51,120

through space and time i do believe that

2030

01:14:05,990 --> 01:13:51,760

the

2031

01:14:08,950 --> 01:14:06,000

race or races of beings actually uh have

2032

01:14:10,790 --> 01:14:08,960

bases here underground so this all kind

2033

01:14:11,750 --> 01:14:10,800

of ties in together but if you had told

2034

01:14:14,870 --> 01:14:11,760

me this

2035

01:14:18,070 --> 01:14:14,880

uh back in nineteen

2036

01:14:20,630 --> 01:14:18,080

when i had my first uh ufo sighting

2037

01:14:22,630 --> 01:14:20,640

i would have thought you were terribly

2038

01:14:24,709 --> 01:14:22,640

uh batty uh

2039

01:14:26,470 --> 01:14:24,719

well you you think a lot on the lines

2040

01:14:27,830 --> 01:14:26,480

like i do about

2041

01:14:29,830 --> 01:14:27,840

extraterrestrial so-called

2042

01:14:32,550 --> 01:14:29,840

extraterrestrials and

2043

01:14:34,229 --> 01:14:32,560

non-terrestrial beings i think i think a

2044

01:14:35,990 --> 01:14:34,239

lot like you do

2045

01:14:37,270 --> 01:14:36,000

well now let me let me tell you okay

2046

01:14:40,149 --> 01:14:37,280

just let me tell you this one quick

2047

01:14:41,910 --> 01:14:40,159

story uh people uh ask you know is there

2048

01:14:44,950 --> 01:14:41,920

what is the possible connection

2049

01:14:46,470 --> 01:14:44,960

between ufos and uh and bigfoot

2050

01:14:48,310 --> 01:14:46,480

they don't see how there would be a

2051

01:14:49,030 --> 01:14:48,320

relation that that's the question i was

2052

01:14:51,910 --> 01:14:49,040

going to ask

2053

01:14:54,550 --> 01:14:51,920

okay well here's a story that i remember

2054

01:14:55,189 --> 01:14:54,560

from my days of writing for the weekly

2055

01:14:58,310 --> 01:14:55,199

uh

2056

01:14:59,110 --> 01:14:58,320

press i i was a a stringer they called

2057

01:15:02,310 --> 01:14:59,120

it for

2058

01:15:03,910 --> 01:15:02,320

the uh inquirer the globe uh

2059

01:15:06,149 --> 01:15:03,920

the main paper i wrote for was something

2060

01:15:07,990 --> 01:15:06,159

out of chicago called the tattler

2061

01:15:09,669 --> 01:15:08,000

which was named after a british paper i

2062

01:15:10,070 --> 01:15:09,679

think went back to the 1700s or

2063

01:15:12,630 --> 01:15:10,080

something

2064

01:15:13,990 --> 01:15:12,640

like that uh and in those days they

2065

01:15:16,630 --> 01:15:14,000

weren't you know like all

2066

01:15:18,470 --> 01:15:16,640

celebrity gossip and and stuff like that

2067

01:15:20,950 --> 01:15:18,480

you actually had the opportunity

2068

01:15:21,750 --> 01:15:20,960

to uh you know to do some investigative

2069

01:15:23,669 --> 01:15:21,760

work and

2070

01:15:25,669 --> 01:15:23,679

see your name in print and guess what

2071

01:15:26,229 --> 01:15:25,679

you even got paid a few dollars right

2072

01:15:30,390 --> 01:15:26,239

what a

2073

01:15:32,310 --> 01:15:30,400

hearing about a report

2074

01:15:34,950 --> 01:15:32,320

of a gentleman and i got him on the

2075

01:15:37,110 --> 01:15:34,960

telephone he had been driving along at

2076

01:15:40,630 --> 01:15:37,120

night i guess a rather remote

2077

01:15:41,830 --> 01:15:40,640

uh area and i think this was either in

2078

01:15:44,470 --> 01:15:41,840

wisconsin or

2079

01:15:45,350 --> 01:15:44,480

in michigan and i think you can find it

2080

01:15:48,070 --> 01:15:45,360

on the internet

2081

01:15:49,830 --> 01:15:48,080

and he actually drew me a uh made a

2082

01:15:52,870 --> 01:15:49,840

sketch of what he

2083

01:15:54,870 --> 01:15:52,880

had seen and he sent it to me uh in

2084

01:15:56,950 --> 01:15:54,880

a uh you know in a letter in those days

2085

01:16:00,390 --> 01:15:56,960

obviously uh and it was a

2086

01:16:03,510 --> 01:16:00,400

giant transparent globe

2087

01:16:07,030 --> 01:16:03,520

almost like a fishbowl type of device

2088

01:16:10,870 --> 01:16:07,040

and inside the vehicle

2089

01:16:13,910 --> 01:16:10,880

was a large hairy creature it was a

2090

01:16:17,750 --> 01:16:13,920

one foot device or one man

2091

01:16:20,310 --> 01:16:17,760

device was this seeming creature this

2092

01:16:21,030 --> 01:16:20,320

big hairy creature standing sitting

2093

01:16:24,070 --> 01:16:21,040

behind

2094

01:16:24,550 --> 01:16:24,080

a control panel and i asked this fellow

2095

01:16:26,470 --> 01:16:24,560

if he

2096

01:16:28,310 --> 01:16:26,480

knew about reports of bigfoot or

2097

01:16:30,070 --> 01:16:28,320

anything like that and he didn't even

2098

01:16:31,350 --> 01:16:30,080

really know what i was talking about or

2099

01:16:34,070 --> 01:16:31,360

at least i i assumed

2100

01:16:34,790 --> 01:16:34,080

he didn't and so that was my first

2101

01:16:37,270 --> 01:16:34,800

inkling

2102

01:16:38,950 --> 01:16:37,280

that there might be a an actual i was

2103

01:16:40,470 --> 01:16:38,960

going to say solid but that may not be

2104

01:16:43,189 --> 01:16:40,480

the correct word

2105

01:16:43,830 --> 01:16:43,199

a way to phrase it a connection between

2106

01:16:46,870 --> 01:16:43,840

uh the

2107

01:16:50,310 --> 01:16:46,880

ufos and these uh equipteds

2108

01:16:52,709 --> 01:16:50,320

and of course that that's kind of the um

2109

01:16:54,070 --> 01:16:52,719

uh the uh i guess the concept that we

2110

01:16:56,070 --> 01:16:54,080

project in this uh

2111

01:16:58,149 --> 01:16:56,080

book that we just did the cryptic

2112

01:17:01,430 --> 01:16:58,159

features some dark domains

2113

01:17:02,790 --> 01:17:01,440

dogman devil hounds phantom canines and

2114

01:17:05,590 --> 01:17:02,800

real werewolves

2115

01:17:06,470 --> 01:17:05,600

and i guess maybe they're all in some

2116

01:17:09,110 --> 01:17:06,480

sort of way

2117

01:17:10,550 --> 01:17:09,120

related out there hard to say but uh you

2118

01:17:12,390 --> 01:17:10,560

know i think it's just getting to the

2119

01:17:12,790 --> 01:17:12,400

point now where we can all really start

2120

01:17:15,750 --> 01:17:12,800

just

2121

01:17:16,550 --> 01:17:15,760

taking this uh seriously i don't know as

2122

01:17:19,750 --> 01:17:16,560

if

2123

01:17:21,189 --> 01:17:19,760

any members of the academic uh community

2124

01:17:23,750 --> 01:17:21,199

are going to

2125

01:17:25,189 --> 01:17:23,760

pursue this but then you know it's like

2126

01:17:26,709 --> 01:17:25,199

disclosure people say

2127

01:17:28,390 --> 01:17:26,719

do you think the government is going to

2128

01:17:31,030 --> 01:17:28,400

tell us what ufos are

2129

01:17:32,229 --> 01:17:31,040

well if you've investigated this uh for

2130

01:17:33,510 --> 01:17:32,239

50 years

2131

01:17:34,630 --> 01:17:33,520

if you don't believe they're real

2132

01:17:35,669 --> 01:17:34,640

probably you're not going to believe

2133

01:17:37,990 --> 01:17:35,679

that you're going to think it's some

2134

01:17:40,470 --> 01:17:38,000

kind of false flag or something see

2135

01:17:42,229 --> 01:17:40,480

and if you do believe it i do believe it

2136

01:17:45,110 --> 01:17:42,239

either from your own observation or

2137

01:17:45,669 --> 01:17:45,120

what somebody has told you or from a

2138

01:17:48,470 --> 01:17:45,679

personal

2139

01:17:50,070 --> 01:17:48,480

investigation nobody can sway your you

2140

01:17:52,149 --> 01:17:50,080

know opinion anyway so

2141

01:17:53,350 --> 01:17:52,159

i don't know as if it really matters i

2142

01:17:54,709 --> 01:17:53,360

don't think the government tells you too

2143

01:17:56,790 --> 01:17:54,719

much about anything so why would they

2144

01:17:57,910 --> 01:17:56,800

tell you about ufos and aliens you know

2145

01:18:00,310 --> 01:17:57,920

well i don't think they're going to

2146

01:18:02,870 --> 01:18:00,320

disclose that anytime soon

2147

01:18:03,750 --> 01:18:02,880

no no no not in our lifetime i wouldn't

2148

01:18:05,350 --> 01:18:03,760

think you know

2149

01:18:07,189 --> 01:18:05,360

maybe we can get one of the bigfoot to

2150

01:18:08,070 --> 01:18:07,199

run for president i think that would be

2151

01:18:09,669 --> 01:18:08,080

that

2152

01:18:12,310 --> 01:18:09,679

he might win this time might win maybe

2153

01:18:14,229 --> 01:18:12,320

he deserves to be better with

2154

01:18:17,510 --> 01:18:14,239

what they have running now right he'd be

2155

01:18:20,229 --> 01:18:17,520

good at the debate that's for sure

2156

01:18:21,430 --> 01:18:20,239

that that event you describe it's pretty

2157

01:18:25,270 --> 01:18:21,440

similar to

2158

01:18:28,470 --> 01:18:25,280

um one of one of my witnesses

2159

01:18:29,590 --> 01:18:28,480

up in nova scotia had oh jeez just a few

2160

01:18:33,910 --> 01:18:29,600

years ago

2161

01:18:37,189 --> 01:18:33,920

uh he saw a crystal like globe

2162

01:18:40,070 --> 01:18:37,199

i don't know maybe about 20 foot around

2163

01:18:42,550 --> 01:18:40,080

coming down from the sky and it landed

2164

01:18:46,229 --> 01:18:42,560

in the field across from his house

2165

01:18:49,270 --> 01:18:46,239

and this bigfoot walked out of it

2166

01:18:49,669 --> 01:18:49,280

yeah and he said it just lifted off and

2167

01:18:53,350 --> 01:18:49,679

he's

2168

01:18:56,390 --> 01:18:53,360

what i

2169

01:18:58,390 --> 01:18:56,400

a habituation area uh because

2170

01:19:00,070 --> 01:18:58,400

there were three distinct creatures that

2171

01:19:02,790 --> 01:19:00,080

he described

2172

01:19:03,750 --> 01:19:02,800

and drew down for me and but you know he

2173

01:19:06,709 --> 01:19:03,760

couldn't get

2174

01:19:09,430 --> 01:19:06,719

he tried we set things up set cameras up

2175

01:19:10,950 --> 01:19:09,440

get pictures uh we got like an arm one

2176

01:19:12,630 --> 01:19:10,960

time but that's about the only thing

2177

01:19:13,990 --> 01:19:12,640

i've ever seen but some of his

2178

01:19:16,149 --> 01:19:14,000

some of his stories were pretty

2179

01:19:18,550 --> 01:19:16,159

interesting but there was always a lot

2180

01:19:21,270 --> 01:19:18,560

back ufo activity

2181

01:19:22,229 --> 01:19:21,280

when these bigfoot would be moving

2182

01:19:25,270 --> 01:19:22,239

around

2183

01:19:31,510 --> 01:19:25,280

and it was always when the weather

2184

01:19:35,910 --> 01:19:33,750

what did the bigfoot do when your friend

2185

01:19:36,229 --> 01:19:35,920

saw it did it take long he just got out

2186

01:19:39,270 --> 01:19:36,239

and

2187

01:19:39,510 --> 01:19:39,280

just walked away yeah they seemed kind

2188

01:19:42,390 --> 01:19:39,520

of

2189

01:19:43,910 --> 01:19:42,400

castle i know they throw stones at

2190

01:19:46,229 --> 01:19:43,920

people sometimes or they

2191

01:19:47,430 --> 01:19:46,239

you know they they're it's almost like

2192

01:19:50,310 --> 01:19:47,440

they're human

2193

01:19:51,430 --> 01:19:50,320

but they don't seem to you know i don't

2194

01:19:54,709 --> 01:19:51,440

know i don't think they're

2195

01:19:56,790 --> 01:19:54,719

uh as opposed to the uh as opposed to

2196

01:19:58,630 --> 01:19:56,800

the upright canines

2197

01:20:00,070 --> 01:19:58,640

that we've been reporting on down here

2198

01:20:03,110 --> 01:20:00,080

in pennsylvania yes

2199

01:20:03,910 --> 01:20:03,120

uh i mean those those things and we

2200

01:20:05,590 --> 01:20:03,920

still don't know

2201  
01:20:07,830 --> 01:20:05,600  
we have no idea what they are we don't

2202  
01:20:08,310 --> 01:20:07,840  
know if they're they're actual flesh and

2203  
01:20:12,149 --> 01:20:08,320  
blood

2204  
01:20:14,709 --> 01:20:12,159  
or they're you know from an alternate

2205  
01:20:15,430 --> 01:20:14,719  
reality or what they are supernatural or

2206  
01:20:18,550 --> 01:20:15,440  
what we

2207  
01:20:21,830 --> 01:20:18,560  
you know but the thing is these these

2208  
01:20:24,390 --> 01:20:21,840  
beings do seem to have to have uh

2209  
01:20:26,070 --> 01:20:24,400  
some aggressiveness to them you know i

2210  
01:20:29,030 --> 01:20:26,080  
don't want to meet one would you

2211  
01:20:31,270 --> 01:20:29,040  
no no no i wouldn't we have to talk to

2212  
01:20:32,950 --> 01:20:31,280  
people who swear they have

2213  
01:20:35,750 --> 01:20:32,960

uh i believe that there's too many

2214

01:20:37,669 --> 01:20:35,760

people that that have seen them

2215

01:20:40,629 --> 01:20:37,679

uh yeah well this flap has been having

2216

01:20:42,550 --> 01:20:40,639

up here and well here in pennsylvania

2217

01:20:44,709 --> 01:20:42,560

uh particularly around the central part

2218

01:20:46,229 --> 01:20:44,719

of the state it's been uh

2219

01:20:48,229 --> 01:20:46,239

it's been fairly interesting the last

2220

01:20:49,430 --> 01:20:48,239

two years though i don't know how many

2221

01:20:51,830 --> 01:20:49,440

how many sightings have we got all

2222

01:20:55,189 --> 01:20:51,840

together butch uh

2223

01:20:57,510 --> 01:20:55,199

24. well

2224

01:20:58,950 --> 01:20:57,520

butch filed a report uh with us uh yeah

2225

01:21:02,629 --> 01:20:58,960

we we used in the

2226

01:21:06,070 --> 01:21:02,639

book and also mr ufo's secret files

2227

01:21:07,590 --> 01:21:06,080

on youtube uh the

2228

01:21:09,590 --> 01:21:07,600

recent interview that we did with them

2229

01:21:11,830 --> 01:21:09,600

on exploring the bazaar is posted

2230

01:21:15,270 --> 01:21:11,840

up there and thanks to our associate

2231

01:21:17,030 --> 01:21:15,280

peter as i did some uh lively uh

2232

01:21:18,390 --> 01:21:17,040

illustrations and artwork and i think a

2233

01:21:20,149 --> 01:21:18,400

little video of

2234

01:21:21,430 --> 01:21:20,159

bigfoot in the swamp or something like

2235

01:21:23,189 --> 01:21:21,440

that hey isn't there

2236

01:21:25,510 --> 01:21:23,199

isn't there a video floating i'm not

2237

01:21:27,910 --> 01:21:25,520

video but still shots floating around

2238

01:21:28,950 --> 01:21:27,920

of a head of a bigfoot or or some kind

2239

01:21:31,110 --> 01:21:28,960

of creature

2240

01:21:32,950 --> 01:21:31,120

walking through a marsh or a swamp that

2241

01:21:35,270 --> 01:21:32,960

i just saw

2242

01:21:37,110 --> 01:21:35,280

yeah there was one not long ago that was

2243

01:21:39,750 --> 01:21:37,120

down in florida

2244

01:21:41,110 --> 01:21:39,760

uh i don't know i mean i you know i

2245

01:21:42,870 --> 01:21:41,120

don't know if that was real or not you

2246

01:21:43,590 --> 01:21:42,880

know there's still been so many photos

2247

01:21:45,350 --> 01:21:43,600

and

2248

01:21:47,189 --> 01:21:45,360

videos it's just you know it's hard to

2249

01:21:48,790 --> 01:21:47,199

tell i think the most interesting one

2250

01:21:50,790 --> 01:21:48,800

i've seen lately

2251  
01:21:52,950 --> 01:21:50,800  
is the one that was caught on that eagle

2252  
01:21:56,629 --> 01:21:52,960  
cam up in uh

2253  
01:22:00,070 --> 01:21:56,639  
uh maybe michigan yeah michigan

2254  
01:22:03,189 --> 01:22:00,080  
uh this is status uh

2255  
01:22:07,350 --> 01:22:03,199  
um stationary eagle cam

2256  
01:22:10,550 --> 01:22:07,360  
which is focused on a uh

2257  
01:22:12,229 --> 01:22:10,560  
a bald eagle nest well on the side

2258  
01:22:13,990 --> 01:22:12,239  
of the other side of the nest down on

2259  
01:22:15,110 --> 01:22:14,000  
the ground they pick something walking

2260  
01:22:16,709 --> 01:22:15,120  
by

2261  
01:22:18,790 --> 01:22:16,719  
now i don't you know i don't know if

2262  
01:22:20,390 --> 01:22:18,800  
somebody staged that or what but it was

2263  
01:22:23,910 --> 01:22:20,400

kind of interesting the way this thing

2264

01:22:27,750 --> 01:22:23,920

walked up there and uh

2265

01:22:34,310 --> 01:22:31,830

back back in 1975 i think i was

2266

01:22:35,350 --> 01:22:34,320

one of the first to actually uh

2267

01:22:38,470 --> 01:22:35,360

investigate

2268

01:22:39,189 --> 01:22:38,480

the skunk man of the everglades there

2269

01:22:40,790 --> 01:22:39,199

was a

2270

01:22:43,350 --> 01:22:40,800

fellow down there by the name of

2271

01:22:45,750 --> 01:22:43,360

professor osbon

2272

01:22:46,390 --> 01:22:45,760

who actually had a team of investigators

2273

01:22:49,030 --> 01:22:46,400

and

2274

01:22:51,030 --> 01:22:49,040

as far as i know well anyway this is the

2275

01:22:53,350 --> 01:22:51,040

first

2276

01:22:55,189 --> 01:22:53,360

incident that i had uh heard of like i

2277

01:22:57,030 --> 01:22:55,199

say my main thing has been ufos but i've

2278

01:23:00,229 --> 01:22:57,040

kind of always been into

2279

01:23:00,870 --> 01:23:00,239

the uh cryptids to some extent i was a

2280

01:23:03,910 --> 01:23:00,880

uh

2281

01:23:06,310 --> 01:23:03,920

a friend of the late ivan t sanderson

2282

01:23:07,910 --> 01:23:06,320

who wrote the the first book on uh the

2283

01:23:11,270 --> 01:23:07,920

abominable snowman

2284

01:23:15,830 --> 01:23:11,280

big 500 pound uh 500 page

2285

01:23:18,070 --> 01:23:15,840

little uh jobby there you know and um

2286

01:23:19,990 --> 01:23:18,080

and and so he had quite a collection of

2287

01:23:22,149 --> 01:23:20,000

uh plaster of paris you know the

2288

01:23:24,629 --> 01:23:22,159

footworkings and things like that and

2289

01:23:26,870 --> 01:23:24,639

he used to have a um a headquarters an

2290

01:23:27,669 --> 01:23:26,880

organization up in blairstown new jersey

2291

01:23:33,990 --> 01:23:27,679

and

2292

01:23:36,629 --> 01:23:34,000

discuss it

2293

01:23:38,709 --> 01:23:36,639

uh with him he was well known in uh i

2294

01:23:41,830 --> 01:23:38,719

guess on tv in those days too

2295

01:23:43,750 --> 01:23:41,840

he was a collector or a caretaker of

2296

01:23:45,669 --> 01:23:43,760

exotic animals you know he had traveled

2297

01:23:48,310 --> 01:23:45,679

all over the world and stuff like that

2298

01:23:50,950 --> 01:23:48,320

and i guess he was the the fellow too

2299

01:23:53,189 --> 01:23:50,960

you've probably all heard about the uh

2300

01:23:54,629 --> 01:23:53,199

the uh bigfoot uh supposed bigfoot

2301

01:23:57,910 --> 01:23:54,639

creature in the uh

2302

01:24:00,070 --> 01:23:57,920

in the big uh block of ice

2303

01:24:01,510 --> 01:24:00,080

yeah the medicinal iceman yeah yeah yeah

2304

01:24:03,270 --> 01:24:01,520

well he was the one

2305

01:24:05,110 --> 01:24:03,280

that first brought this to the public's

2306

01:24:08,870 --> 01:24:05,120

attention in argosy

2307

01:24:11,270 --> 01:24:08,880

uh magazine and did a uh a report

2308

01:24:13,430 --> 01:24:11,280

on it and of course that's always been a

2309

01:24:17,270 --> 01:24:13,440

a controversial case because

2310

01:24:20,070 --> 01:24:17,280

some people say well the iceman existed

2311

01:24:21,110 --> 01:24:20,080

and then he was later swapped for a

2312

01:24:24,149 --> 01:24:21,120

non-existent

2313

01:24:24,870 --> 01:24:24,159

or or a dummy or you know a model or a

2314

01:24:28,470 --> 01:24:24,880

hollywood

2315

01:24:30,149 --> 01:24:28,480

prop of the iceman i don't know

2316

01:24:32,310 --> 01:24:30,159

i i guess there's a different opinion on

2317

01:24:35,750 --> 01:24:32,320

that i suppose everybody has their uh

2318

01:24:37,189 --> 01:24:35,760

has their own well team man uh and uh

2319

01:24:39,270 --> 01:24:37,199

claudia i want you to

2320

01:24:40,390 --> 01:24:39,280

tell us where people can get in contact

2321

01:24:43,430 --> 01:24:40,400

with you

2322

01:24:47,030 --> 01:24:43,440

and uh where they can buy your books at

2323

01:24:49,030 --> 01:24:47,040

well um i i am in uh tim um

2324

01:24:50,790 --> 01:24:49,040

is kind enough to put my stories in his

2325

01:24:53,510 --> 01:24:50,800

book but uh so the the

2326  
01:24:54,550 --> 01:24:53,520  
latest crypto book that [h\_\_h] that uh tim

2327  
01:24:56,470 --> 01:24:54,560  
mentioned

2328  
01:24:58,790 --> 01:24:56,480  
uh i'm in that and a couple of men in

2329  
01:25:01,030 --> 01:24:58,800  
black books um

2330  
01:25:02,229 --> 01:25:01,040  
tim what is the one that i can't think

2331  
01:25:04,470 --> 01:25:02,239  
of oh let me see

2332  
01:25:05,270 --> 01:25:04,480  
well there's the uh curse of the men in

2333  
01:25:08,550 --> 01:25:05,280  
black

2334  
01:25:11,950 --> 01:25:08,560  
one was the

2335  
01:25:14,070 --> 01:25:11,960  
ufo silencers which was goes back to the

2336  
01:25:15,270 --> 01:25:14,080  
1970s and then the curse of the men in

2337  
01:25:18,070 --> 01:25:15,280  
black

2338  
01:25:19,270 --> 01:25:18,080

our publishing company has about 250

2339

01:25:21,750 --> 01:25:19,280

titles

2340

01:25:23,750 --> 01:25:21,760

and covers everything you know in the

2341

01:25:26,310 --> 01:25:23,760

paranormal new age alternative

2342

01:25:27,270 --> 01:25:26,320

press uh if people would like to keep up

2343

01:25:31,950 --> 01:25:27,280

to date

2344

01:25:35,430 --> 01:25:31,960

uh if you send me an email at mr ufo

2345

01:25:38,229 --> 01:25:35,440

mruf08 the number eight at hotmail.com

2346

01:25:39,430 --> 01:25:38,239

i will put you on our mailing list send

2347

01:25:42,229 --> 01:25:39,440

you our free

2348

01:25:43,430 --> 01:25:42,239

uh magazine we actually print the uh a

2349

01:25:46,070 --> 01:25:43,440

publication

2350

01:25:47,669 --> 01:25:46,080

conspiracy journal bizarre bizarre or

2351

01:25:48,950 --> 01:25:47,679

you can just google me i mean that's

2352

01:25:51,510 --> 01:25:48,960

you know like there's enough stuff to

2353

01:25:54,310 --> 01:25:51,520

keep you busy for uh for a hundred

2354

01:25:56,950 --> 01:25:54,320

years uh tim beckley or timothy beckley

2355

01:25:59,189 --> 01:25:56,960

you got my own page on amazon and uh

2356

01:26:00,070 --> 01:25:59,199

uh you know i'm i'm semi-retired but i

2357

01:26:03,030 --> 01:26:00,080

still do four

2358

01:26:04,790 --> 01:26:03,040

new books a month so and uh i was in a

2359

01:26:07,669 --> 01:26:04,800

couple of books by nick redfearn

2360

01:26:08,950 --> 01:26:07,679

well that's right yeah nick has got a a

2361

01:26:11,590 --> 01:26:08,960

book out on the women

2362

01:26:12,870 --> 01:26:11,600

in black yeah we're going to have more

2363

01:26:14,870 --> 01:26:12,880

than a week or two

2364

01:26:15,990 --> 01:26:14,880

well i'm having him on exploring the

2365

01:26:19,669 --> 01:26:16,000

bazaar

2366

01:26:23,030 --> 01:26:19,679

with this a gal uh kate elizabeth

2367

01:26:26,629 --> 01:26:23,040

who is the champion of a champ

2368

01:26:29,910 --> 01:26:26,639

from lake champlain katie and i are very

2369

01:26:31,669 --> 01:26:29,920

very well i mean we're good friends well

2370

01:26:33,030 --> 01:26:31,679

she was just on my program and made an

2371

01:26:35,750 --> 01:26:33,040

excellent presentation

2372

01:26:37,750 --> 01:26:35,760

so i thought i would have them on since

2373

01:26:38,629 --> 01:26:37,760

she believes in the physical existence

2374

01:26:43,110 --> 01:26:38,639

of the

2375

01:26:45,510 --> 01:26:43,120

of a supernatural type of

2376

01:26:47,189 --> 01:26:45,520

guy and i thought well we'd like to keep

2377

01:26:48,310 --> 01:26:47,199

just like you guys to keep the ball

2378

01:26:51,750 --> 01:26:48,320

rolling for an hour

2379

01:26:53,590 --> 01:26:51,760

or or or two no dead error unless skype

2380

01:26:56,149 --> 01:26:53,600

interferes

2381

01:26:58,390 --> 01:26:56,159

absolutely there you go well we'd like

2382

01:27:00,870 --> 01:26:58,400

to have both of you to come back once i

2383

01:27:02,790 --> 01:27:00,880

love to do it man you guys got a good

2384

01:27:05,430 --> 01:27:02,800

hot program going here and

2385

01:27:05,830 --> 01:27:05,440

we know that bigfoot is listening in

2386

01:27:09,270 --> 01:27:05,840

yeah

2387

01:27:12,229 --> 01:27:09,280

really okay well thanks again and

2388

01:27:13,030 --> 01:27:12,239

we'll be in contact anytime thank you

2389

01:27:17,669 --> 01:27:13,040

very much

2390

01:27:18,520 --> 01:27:17,679

have a good evening okay bye

2391

01:27:23,510 --> 01:27:18,530

and skype

2392

01:27:28,950 --> 01:27:26,709

so folks there you go that was uh

2393

01:27:30,149 --> 01:27:28,960

timothy beckley and claudia cunningham

2394

01:27:31,830 --> 01:27:30,159

joining us

2395

01:27:33,270 --> 01:27:31,840

i don't know sean's still on here you

2396

01:27:35,830 --> 01:27:33,280

still want her sean

2397

01:27:36,470 --> 01:27:35,840

i'm here somewhere there he is i'm still

2398

01:27:41,189 --> 01:27:36,480

here

2399

01:27:45,510 --> 01:27:41,199

board you know keeping things in order

2400

01:27:49,189 --> 01:27:48,070

uh us been a real [h\_\_\h] tonight yeah it

2401  
01:27:51,669 --> 01:27:49,199  
has been

2402  
01:27:53,189 --> 01:27:51,679  
so next week we've got j michael long

2403  
01:27:54,790 --> 01:27:53,199  
joining us who's the screenwriter and

2404  
01:27:58,550 --> 01:27:54,800  
producer of uh

2405  
01:28:01,830 --> 01:27:58,560  
paranormal tv and films and uh

2406  
01:28:03,590 --> 01:28:01,840  
and uh he's going to be joining us

2407  
01:28:04,470 --> 01:28:03,600  
talking about some of the things he has

2408  
01:28:07,189 --> 01:28:04,480  
done

2409  
01:28:09,110 --> 01:28:07,199  
and doing so that'll be all very

2410  
01:28:12,629 --> 01:28:09,120  
interesting fantastic guy

2411  
01:28:14,950 --> 01:28:12,639  
we got ken gerhart and uh uh

2412  
01:28:15,669 --> 01:28:14,960  
nick redfem joining us again the next

2413  
01:28:18,390 --> 01:28:15,679

few weeks

2414

01:28:18,790 --> 01:28:18,400

and uh also linda gottfried's coming

2415

01:28:21,510 --> 01:28:18,800

back

2416

01:28:23,910 --> 01:28:21,520

with us so we're gonna be talking about

2417

01:28:25,590 --> 01:28:23,920

a lot of different things a lot of new

2418

01:28:29,030 --> 01:28:25,600

books have been out

2419

01:28:31,510 --> 01:28:29,040

so it'll be very good

2420

01:28:32,950 --> 01:28:31,520

well lon that was a good program yes it

2421

01:28:35,110 --> 01:28:32,960

was it was very interesting

2422

01:28:36,229 --> 01:28:35,120

like to get them back on again yeah and

2423

01:28:37,830 --> 01:28:36,239

like you said next week we're going to

2424

01:28:39,669 --> 01:28:37,840

have my friend jay michael long on the

2425

01:28:40,790 --> 01:28:39,679

program now i met jay a few years ago

2426

01:28:43,910 --> 01:28:40,800

well actually it's been about

2427

01:28:45,669 --> 01:28:43,920

a decade ago uh from our internet

2428

01:28:48,950 --> 01:28:45,679

correspondent he interviewed me some

2429

01:28:51,669 --> 01:28:48,960

time ago on his program conundrums

2430

01:28:52,470 --> 01:28:51,679

and i had a really good time uh it was a

2431

01:28:55,990 --> 01:28:52,480

lot of fun

2432

01:28:58,950 --> 01:28:56,000

in fact my son never met him yeah i i i

2433

01:29:00,229 --> 01:28:58,960

think we he he and i just uh had

2434

01:29:03,590 --> 01:29:00,239

conversation on

2435

01:29:05,510 --> 01:29:03,600

facebook or whatever in the past but

2436

01:29:06,870 --> 01:29:05,520

i don't think i've ever met him i've

2437

01:29:08,390 --> 01:29:06,880

never met him either but it feels like

2438

01:29:11,590 --> 01:29:08,400

i've known him forever

2439

01:29:12,390 --> 01:29:11,600

oh so next week folks join us with j

2440

01:29:15,189 --> 01:29:12,400

michael long

2441

01:29:16,790 --> 01:29:15,199

and uh you all have a good week and i

2442

01:29:18,070 --> 01:29:16,800

hope you can join us

2443

01:29:20,310 --> 01:29:18,080

good night everybody take care of
