

**ARCANE RADIO** 

Exploring the Unexplained 

**Feb. 1st, 2016**

**Jay Bachochin**

**Cryptozoologist, Wisconsin**

**Paranormal Investigator**

**BXP**

1  
00:00:03,990 --> 00:00:02,149  
and good evening everyone welcome to

2  
00:00:05,269 --> 00:00:04,000  
arcane radio i'm sean the fork chop

3  
00:00:08,629 --> 00:00:05,279  
forker joined by

4  
00:00:10,790 --> 00:00:08,639  
the well you all know who he is launch

5  
00:00:12,390 --> 00:00:10,800  
trickler the fox muldered my dana scully

6  
00:00:13,669 --> 00:00:12,400  
my best friend your best friend

7  
00:00:15,350 --> 00:00:13,679  
everyone's best friend

8  
00:00:17,109 --> 00:00:15,360  
and the man who runs phantoms and

9  
00:00:18,550 --> 00:00:17,119  
monsters mr lon strickler lon how you

10  
00:00:21,830 --> 00:00:18,560  
doing tonight big guy

11  
00:00:24,870 --> 00:00:21,840  
i'm doing pretty good we went from

12  
00:00:27,670 --> 00:00:24,880  
30 inches of snow to mud

13  
00:00:28,710 --> 00:00:27,680

now we got mud yeah that's disgusting i

14

00:00:30,310 --> 00:00:28,720

hate

15

00:00:32,069 --> 00:00:30,320

you know they use that term i call it

16

00:00:34,549 --> 00:00:32,079

snit when the snow turns

17

00:00:35,750 --> 00:00:34,559

to dusty it's gross it's disgusting when

18

00:00:37,910 --> 00:00:35,760

it turns into mud and

19

00:00:39,430 --> 00:00:37,920

yeah you know it's actually supposed to

20

00:00:41,350 --> 00:00:39,440

get up the 60s here

21

00:00:42,869 --> 00:00:41,360

tomorrow or the day after i know it's

22

00:00:43,430 --> 00:00:42,879

disgusting like i don't know what to do

23

00:00:46,709 --> 00:00:43,440

with this

24

00:00:51,830 --> 00:00:48,470

oh well we're supposed to survive it i

25

00:00:54,630 --> 00:00:51,840

guess i guess but it's getting old now

26

00:00:55,990 --> 00:00:54,640

it is oh i haven't had any snow yet this

27

00:00:58,229 --> 00:00:56,000

year

28

00:00:59,670 --> 00:00:58,239

knock on wood yeah let us know at all

29

00:01:00,470 --> 00:00:59,680

the old ground was gonna come out

30

00:01:02,229 --> 00:01:00,480

tomorrow

31

00:01:03,750 --> 00:01:02,239

and he's just gonna screw this and go

32

00:01:05,030 --> 00:01:03,760

back in yeah

33

00:01:07,030 --> 00:01:05,040

you're gonna tell you all figure it out

34

00:01:08,469 --> 00:01:07,040

for yourself yeah i mean i think it's

35

00:01:11,830 --> 00:01:08,479

great that we put our

36

00:01:12,469 --> 00:01:11,840

weather fate in the hands of a rodent

37

00:01:16,070 --> 00:01:12,479

yeah

38

00:01:18,630 --> 00:01:16,080

going on the uh groundhog day tradition

39

00:01:19,910 --> 00:01:18,640

well you know i only ever went up there

40

00:01:22,390 --> 00:01:19,920

one time

41

00:01:23,190 --> 00:01:22,400

and i think i was the time i was up

42

00:01:27,109 --> 00:01:23,200

there

43

00:01:31,590 --> 00:01:27,119

uh but i was in i was in high school

44

00:01:33,749 --> 00:01:31,600

and uh we drove up to punxsutawney and

45

00:01:35,670 --> 00:01:33,759

i never i really don't know why we went

46

00:01:37,990 --> 00:01:35,680

up there i it was

47

00:01:42,469 --> 00:01:38,000

the whole week the whole two days three

48

00:01:42,479 --> 00:01:46,310

ah so it was interesting but

49

00:01:49,670 --> 00:01:48,149

it wasn't like the movie no it's

50

00:01:50,469 --> 00:01:49,680

definitely not in fact i have a good

51

00:01:52,069 --> 00:01:50,479

friend

52

00:01:53,510 --> 00:01:52,079

uncle jimmy in punxsutawney he ankle

53

00:01:55,910 --> 00:01:53,520

jimmy he lives in

54

00:01:57,350 --> 00:01:55,920

in punxsutawney and uh most of it he

55

00:01:59,190 --> 00:01:57,360

said was uh

56

00:02:01,429 --> 00:01:59,200

embellished from what it's actually like

57

00:02:02,310 --> 00:02:01,439

but he said the movie was great for the

58

00:02:07,109 --> 00:02:02,320

town

59

00:02:09,190 --> 00:02:07,119

yeah ah boy so what's going on this week

60

00:02:10,869 --> 00:02:09,200

oh not much you know my grandfather's

61

00:02:14,070 --> 00:02:10,879

not doing too well so

62

00:02:15,750 --> 00:02:14,080

between uh you know actually working and

63

00:02:17,110 --> 00:02:15,760

starting this business of my wife's

64

00:02:17,990 --> 00:02:17,120

which is doing phenomenally well don't

65

00:02:20,630 --> 00:02:18,000

get me wrong

66

00:02:21,990 --> 00:02:20,640

it's just been an awful lot and uh you

67

00:02:25,110 --> 00:02:22,000

know everything's in the hands

68

00:02:26,630 --> 00:02:25,120

of the gods out of our hands but uh

69

00:02:28,309 --> 00:02:26,640

other than that one not a whole lot i

70

00:02:30,309 --> 00:02:28,319

haven't been able to get on a

71

00:02:32,229 --> 00:02:30,319

a whole and do a whole lot in terms of

72

00:02:34,070 --> 00:02:32,239

uh reading and and doing the uh

73

00:02:35,270 --> 00:02:34,080

paranormal digs so i'm kind of relying

74

00:02:36,070 --> 00:02:35,280

on you to bring me the good stuff

75

00:02:38,229 --> 00:02:36,080

tonight

76

00:02:40,150 --> 00:02:38,239

well it's been i don't know it's been

77

00:02:43,670 --> 00:02:40,160

kind of an odd off in one week

78

00:02:45,030 --> 00:02:43,680

it's uh um they've been some decent

79

00:02:46,710 --> 00:02:45,040

stories but

80

00:02:48,949 --> 00:02:46,720

all in all you know it's been kind of

81

00:02:52,229 --> 00:02:48,959

par for the course dumb

82

00:02:55,830 --> 00:02:52,239

uh i i did get a few oddball

83

00:02:57,589 --> 00:02:55,840

stories uh this week in fact

84

00:02:59,110 --> 00:02:57,599

there was one there was like a flying

85

00:03:02,830 --> 00:02:59,120

humanoid

86

00:03:07,110 --> 00:03:02,840

possibly mothman thing in uh

87

00:03:09,350 --> 00:03:07,120

and near mount fuji in japan

88

00:03:11,830 --> 00:03:09,360

and then i had another story from a

89

00:03:14,390 --> 00:03:11,840

couple weeks ago

90

00:03:17,110 --> 00:03:14,400

it was an abduction lost time down in

91

00:03:19,030 --> 00:03:17,120

the u.s virgin islands so

92

00:03:20,470 --> 00:03:19,040

it was kind of off the continental

93

00:03:23,030 --> 00:03:20,480

united states

94

00:03:24,470 --> 00:03:23,040

for what i'm going to talk about but you

95

00:03:27,030 --> 00:03:24,480

know we'll be talking about a lot of

96

00:03:28,710 --> 00:03:27,040

creatures and creepy things

97

00:03:30,550 --> 00:03:28,720

uh this week because we've got our

98

00:03:33,990 --> 00:03:30,560

friend jay bakuchin coming on

99

00:03:35,270 --> 00:03:34,000

and uh the truthologist that's what he

100

00:03:37,430 --> 00:03:35,280

wants to call himself that's what he

101  
00:03:39,670 --> 00:03:37,440  
calls himself that truthologist

102  
00:03:42,550 --> 00:03:39,680  
and uh maybe we'll catch up with him to

103  
00:03:44,869 --> 00:03:42,560  
see what he's been up to

104  
00:03:45,589 --> 00:03:44,879  
you know we're always offer always after

105  
00:03:48,869 --> 00:03:45,599  
someone to

106  
00:03:50,229 --> 00:03:48,879  
find the truth and i'm glad jay's gonna

107  
00:03:50,710 --> 00:03:50,239  
be joining us tonight jay's a good guy

108  
00:03:52,949 --> 00:03:50,720  
we've

109  
00:03:54,630 --> 00:03:52,959  
known jay for a few years now always got

110  
00:03:56,550 --> 00:03:54,640  
great stories to talk about he's out

111  
00:03:58,149 --> 00:03:56,560  
there in wisconsin so

112  
00:04:00,630 --> 00:03:58,159  
you know that wisconsin besides the

113  
00:04:02,149 --> 00:04:00,640

cheese is a pretty interesting place

114

00:04:03,750 --> 00:04:02,159

yeah well you know he's been you know of

115

00:04:05,910 --> 00:04:03,760

course we know he's been with

116

00:04:07,110 --> 00:04:05,920

working a little bit with uh linda

117

00:04:11,429 --> 00:04:07,120

godfrey as well

118

00:04:15,110 --> 00:04:11,439

yeah he's he's had his uh

119

00:04:19,030 --> 00:04:15,120

he's had his encounters also so uh

120

00:04:20,949 --> 00:04:19,040

yeah so you know a half hour we'll

121

00:04:22,790 --> 00:04:20,959

have jay on here we'll talk about a few

122

00:04:24,390 --> 00:04:22,800

things yeah excited to talk to jay it's

123

00:04:26,469 --> 00:04:24,400

it's been a while since we've actually

124

00:04:28,310 --> 00:04:26,479

had an opportunity to sit down and

125

00:04:29,670 --> 00:04:28,320

talk shop with one of our good friends

126

00:04:31,909 --> 00:04:29,680

and the course lawn you know we always

127

00:04:34,230 --> 00:04:31,919

appreciate that opportunity

128

00:04:35,270 --> 00:04:34,240

yeah it's it's almost like an open mic

129

00:04:37,430 --> 00:04:35,280

but you know

130

00:04:38,710 --> 00:04:37,440

we talk about the weird stuff that's out

131

00:04:40,710 --> 00:04:38,720

there

132

00:04:42,310 --> 00:04:40,720

you know that's what we do and uh

133

00:04:44,469 --> 00:04:42,320

speaking of weird stuff

134

00:04:45,830 --> 00:04:44,479

how about x-files this week oh my god i

135

00:04:47,110 --> 00:04:45,840

was just going to segue there with that

136

00:04:48,870 --> 00:04:47,120

it was fantastic

137

00:04:51,189 --> 00:04:48,880

i thought it was a lot of fun i i

138

00:04:52,870 --> 00:04:51,199

enjoyed it i watched it with uh with the

139

00:04:53,749 --> 00:04:52,880

family before i left to come down to the

140

00:04:55,990 --> 00:04:53,759

studio

141

00:04:57,510 --> 00:04:56,000

and uh i told you for as we got as soon

142

00:04:58,550 --> 00:04:57,520

as we got on the horn tonight i said lon

143

00:04:59,749 --> 00:04:58,560

that did you watch them so it was

144

00:05:02,950 --> 00:04:59,759

fantastic

145

00:05:03,590 --> 00:05:02,960

it was funny it was uh exciting it was

146

00:05:05,029 --> 00:05:03,600

it was well

147

00:05:06,870 --> 00:05:05,039

the acting was a little hokey and

148

00:05:07,909 --> 00:05:06,880

embellished but it was a lot of fun for

149

00:05:10,950 --> 00:05:07,919

me i enjoyed

150

00:05:12,870 --> 00:05:10,960

as an x-files fan and just a fan of uh

151  
00:05:15,189 --> 00:05:12,880  
uh weird stuff i thought it was a

152  
00:05:17,590 --> 00:05:15,199  
top-notch grade a episode

153  
00:05:18,550 --> 00:05:17,600  
yeah my son you know i asked my son he

154  
00:05:19,749 --> 00:05:18,560  
said i thought

155  
00:05:21,590 --> 00:05:19,759  
i thought it was really good got some

156  
00:05:25,510 --> 00:05:21,600  
man you know it was different

157  
00:05:27,510 --> 00:05:25,520  
uh it was kind of like the uh

158  
00:05:29,590 --> 00:05:27,520  
it was like the play on the werewolf but

159  
00:05:29,990 --> 00:05:29,600  
it was it kind of reversed and then ends

160  
00:05:33,430 --> 00:05:30,000  
up

161  
00:05:35,189 --> 00:05:33,440  
being a uh a reptilian

162  
00:05:37,029 --> 00:05:35,199  
that's hybrid that's getting ready to go

163  
00:05:38,150 --> 00:05:37,039

to hibernate for ten thousand years it's

164

00:05:39,350 --> 00:05:38,160

kind of a strange it was kind of a

165

00:05:40,870 --> 00:05:39,360

strange story

166

00:05:42,950 --> 00:05:40,880

yeah i really loved it i thought it was

167

00:05:44,870 --> 00:05:42,960

a lot of fun yeah

168

00:05:47,029 --> 00:05:44,880

so i mean you know it'll be interesting

169

00:05:47,909 --> 00:05:47,039

to see what we have this season on the

170

00:05:49,350 --> 00:05:47,919

x-files

171

00:05:51,670 --> 00:05:49,360

only a couple more episodes to go i

172

00:05:53,590 --> 00:05:51,680

think three more there's a six episode

173

00:05:54,550 --> 00:05:53,600

mini series but i'm hoping it opens it

174

00:05:56,629 --> 00:05:54,560

up

175

00:05:57,830 --> 00:05:56,639

for a uh another opportunity for a

176

00:05:59,590 --> 00:05:57,840

longer term season

177

00:06:01,270 --> 00:05:59,600

i don't know if it's in the cards but i

178

00:06:03,510 --> 00:06:01,280

think it's it's worth it

179

00:06:04,390 --> 00:06:03,520

yeah i you know it's hard to tell you

180

00:06:07,590 --> 00:06:04,400

know

181

00:06:10,150 --> 00:06:07,600

uh see the problem is with these actors

182

00:06:11,749 --> 00:06:10,160

and actresses now they just don't get

183

00:06:12,629 --> 00:06:11,759

stuck in

184

00:06:15,110 --> 00:06:12,639

you know a lot of them don't like

185

00:06:17,110 --> 00:06:15,120

getting stuck in some of these series

186

00:06:18,830 --> 00:06:17,120

that they really have no idea what's

187

00:06:20,070 --> 00:06:18,840

gonna happen they like to get a little

188

00:06:23,189 --> 00:06:20,080

more

189

00:06:25,110 --> 00:06:23,199

uh you know

190

00:06:26,390 --> 00:06:25,120

assurances that it's going to be long

191

00:06:29,270 --> 00:06:26,400

term instead of just a little

192

00:06:29,670 --> 00:06:29,280

here and little there and um i don't

193

00:06:34,469 --> 00:06:29,680

know

194

00:06:35,270 --> 00:06:34,479

they do have something extended in in

195

00:06:38,550 --> 00:06:35,280

mind

196

00:06:40,790 --> 00:06:38,560

they're keeping it very quiet and uh

197

00:06:42,150 --> 00:06:40,800

i don't know but i i'm like you i hope

198

00:06:43,590 --> 00:06:42,160

they do uh

199

00:06:45,350 --> 00:06:43,600

i hope they do extend because there's a

200

00:06:47,670 --> 00:06:45,360

lot of story line there that they could

201  
00:06:50,070 --> 00:06:47,680  
expound on oh yeah you know i just went

202  
00:06:52,150 --> 00:06:50,080  
back and watched the x-files

203  
00:06:53,670 --> 00:06:52,160  
from season one i'm i'm halfway through

204  
00:06:55,830 --> 00:06:53,680  
season eight now

205  
00:06:56,790 --> 00:06:55,840  
and you're talking about really story

206  
00:06:59,670 --> 00:06:56,800  
driven

207  
00:06:59,909 --> 00:06:59,680  
uh dramatic dramatic stories the seven

208  
00:07:04,150 --> 00:06:59,919  
eight

209  
00:07:06,150 --> 00:07:04,160  
dynamite

210  
00:07:07,189 --> 00:07:06,160  
yeah the original series is really good

211  
00:07:10,070 --> 00:07:07,199  
i mean

212  
00:07:11,430 --> 00:07:10,080  
so uh if they can get close to that i

213  
00:07:13,350 --> 00:07:11,440

mean i'd be happy

214

00:07:14,950 --> 00:07:13,360

yeah me too i think but you know this

215

00:07:17,430 --> 00:07:14,960

the short little mini series

216

00:07:18,950 --> 00:07:17,440

has been fun it's been nostalgic enough

217

00:07:21,510 --> 00:07:18,960

to make it feel good

218

00:07:23,350 --> 00:07:21,520

and to get people's pallets wet for you

219

00:07:24,950 --> 00:07:23,360

know more x-files and it's a huge

220

00:07:26,230 --> 00:07:24,960

expanded universe there that they could

221

00:07:28,629 --> 00:07:26,240

really build on

222

00:07:30,309 --> 00:07:28,639

and have some really good uh long-term

223

00:07:31,909 --> 00:07:30,319

stories from you know

224

00:07:33,830 --> 00:07:31,919

speaking of just you know expanded

225

00:07:36,230 --> 00:07:33,840

universe star wars uh disney announced

226

00:07:38,710 --> 00:07:36,240

that they had no plans of stopping

227

00:07:41,189 --> 00:07:38,720

on uh stars star wars material even

228

00:07:42,550 --> 00:07:41,199

after this this trilogy that's going

229

00:07:44,070 --> 00:07:42,560

there's actually six movies that are

230

00:07:45,510 --> 00:07:44,080

coming they spend four billion dollars

231

00:07:46,790 --> 00:07:45,520

from it i hope they wouldn't wrap it up

232

00:07:49,430 --> 00:07:46,800

after six movies

233

00:07:50,950 --> 00:07:49,440

yeah you know if they feel it's going to

234

00:07:52,309 --> 00:07:50,960

be economically viable they're going to

235

00:07:53,670 --> 00:07:52,319

keep it going well look how much money

236

00:07:55,189 --> 00:07:53,680

the first one's made so far

237

00:07:56,869 --> 00:07:55,199

absolutely and that's not even counting

238

00:07:58,230 --> 00:07:56,879

action figures books and all that other

239

00:08:00,390 --> 00:07:58,240

jazz let alone the next

240

00:08:01,270 --> 00:08:00,400

five movies that they have coming out

241

00:08:02,710 --> 00:08:01,280

absolutely

242

00:08:04,070 --> 00:08:02,720

it's a money maker and i don't

243

00:08:05,270 --> 00:08:04,080

understand why they'd want to stop but i

244

00:08:06,710 --> 00:08:05,280

wouldn't want to stop it i'd want to

245

00:08:08,390 --> 00:08:06,720

make as much money from it as i can and

246

00:08:09,189 --> 00:08:08,400

maybe that's just the greedy capitalist

247

00:08:11,430 --> 00:08:09,199

in me

248

00:08:13,029 --> 00:08:11,440

but if i spent that much money on a

249

00:08:14,710 --> 00:08:13,039

franchise i'd love to milk it for every

250

00:08:16,309 --> 00:08:14,720

cent it's worth myself

251  
00:08:18,469 --> 00:08:16,319  
now on the other hand they take finding

252  
00:08:19,350 --> 00:08:18,479  
bigfoot and did check things finally i

253  
00:08:21,350 --> 00:08:19,360  
had to be happy

254  
00:08:23,430 --> 00:08:21,360  
yeah i think it's jump to shark as much

255  
00:08:24,469 --> 00:08:23,440  
as i like those guys personally bobo and

256  
00:08:27,510 --> 00:08:24,479  
drag

257  
00:08:30,469 --> 00:08:27,520  
it was a bummer

258  
00:08:31,029 --> 00:08:30,479  
i um how many seasons has that been now

259  
00:08:34,790 --> 00:08:31,039  
um

260  
00:08:37,350 --> 00:08:34,800  
six maybe more yeah i kind of think it's

261  
00:08:38,389 --> 00:08:37,360  
more i don't know i just it gets

262  
00:08:40,790 --> 00:08:38,399  
confusing when they

263  
00:08:42,149 --> 00:08:40,800

stop these shows halfway and then they

264

00:08:43,829 --> 00:08:42,159

pick up again

265

00:08:46,070 --> 00:08:43,839

you know i i tried to go back and watch

266

00:08:49,829 --> 00:08:46,080

an episode the other day

267

00:08:53,030 --> 00:08:49,839

a new episode and i don't know it

268

00:08:53,590 --> 00:08:53,040

it lost all its appeal to me so if you

269

00:08:55,829 --> 00:08:53,600

talk about

270

00:08:57,110 --> 00:08:55,839

soul bigfoot documentaries i go back to

271

00:08:58,389 --> 00:08:57,120

my favorite being

272

00:08:59,829 --> 00:08:58,399

and i don't know if you remember it or

273

00:09:02,230 --> 00:08:59,839

not but the travel channel had a

274

00:09:04,949 --> 00:09:02,240

documentary on called bigfootville

275

00:09:05,990 --> 00:09:04,959

yeah based upon bigfoot in oklahoma and

276

00:09:07,350 --> 00:09:06,000

that was money

277

00:09:09,190 --> 00:09:07,360

that was a good special it was my

278

00:09:10,230 --> 00:09:09,200

favorite i love it i watched it on

279

00:09:12,310 --> 00:09:10,240

youtube the other night

280

00:09:14,070 --> 00:09:12,320

i love youtube by the way for you know

281

00:09:16,070 --> 00:09:14,080

rare hard to find uh

282

00:09:17,110 --> 00:09:16,080

videos do you remember that hokie one up

283

00:09:19,509 --> 00:09:17,120

ended years ago

284

00:09:20,470 --> 00:09:19,519

incident in lake county the alien

285

00:09:22,949 --> 00:09:20,480

abduction

286

00:09:24,070 --> 00:09:22,959

yeah that was cool and i and i watched

287

00:09:25,910 --> 00:09:24,080

that on youtube

288

00:09:27,670 --> 00:09:25,920

uh not too long ago i really enjoyed it

289

00:09:33,910 --> 00:09:27,680

a lot of fun

290

00:09:34,550 --> 00:09:33,920

i i did get a a an unusual report this

291

00:09:37,829 --> 00:09:34,560

week uh

292

00:09:39,910 --> 00:09:37,839

here we go you know i got this from a

293

00:09:42,710 --> 00:09:39,920

guy in australia actually

294

00:09:44,310 --> 00:09:42,720

but he said sir i'm writing on behalf of

295

00:09:47,910 --> 00:09:44,320

a business friend

296

00:09:50,860 --> 00:09:47,920

who i visited in september 2015.

297

00:09:52,150 --> 00:09:50,870

now he lives in tokyo japan wow

298

00:09:54,389 --> 00:09:52,160

[Music]

299

00:09:56,550 --> 00:09:54,399

he told me of an incident that occurred

300

00:10:00,470 --> 00:09:56,560

while he and his fiancée

301  
00:10:05,350 --> 00:10:00,480  
traveled to mount fujiyama kamataki

302  
00:10:07,509 --> 00:10:05,360  
shrine say that again i'm kidding

303  
00:10:08,790 --> 00:10:07,519  
they had both been at the shrine and the

304  
00:10:11,750 --> 00:10:08,800  
other local

305  
00:10:13,829 --> 00:10:11,760  
sites throughout the day now while they

306  
00:10:16,230 --> 00:10:13,839  
were leaving the parking lot

307  
00:10:17,350 --> 00:10:16,240  
they both noticed the strange looking

308  
00:10:20,230 --> 00:10:17,360  
man

309  
00:10:22,389 --> 00:10:20,240  
crouched down by a tree near the edge of

310  
00:10:25,509 --> 00:10:22,399  
the forest

311  
00:10:28,630 --> 00:10:25,519  
now my friend slowed down his car

312  
00:10:30,230 --> 00:10:28,640  
as they continued to watch his men the

313  
00:10:33,190 --> 00:10:30,240

forest was dark

314

00:10:35,509 --> 00:10:33,200

but they could see a halo of red light

315

00:10:37,910 --> 00:10:35,519

over his head

316

00:10:39,110 --> 00:10:37,920

now about that time he turned and stood

317

00:10:42,630 --> 00:10:39,120

up

318

00:10:45,750 --> 00:10:42,640

instantly a pair of large dark

319

00:10:46,790 --> 00:10:45,760

butterfly wings sprung open from his

320

00:10:49,990 --> 00:10:46,800

back

321

00:10:51,030 --> 00:10:50,000

and he shot up into the canopy as it

322

00:10:55,430 --> 00:10:51,040

ascended

323

00:10:57,670 --> 00:10:55,440

they noticed the wings reflected light

324

00:11:00,230 --> 00:10:57,680

they then noticed that two older women

325

00:11:02,470 --> 00:11:00,240

had been watching this man as well

326

00:11:04,790 --> 00:11:02,480

and who screamed and ran away towards a

327

00:11:07,350 --> 00:11:04,800

nearby building

328

00:11:10,069 --> 00:11:07,360

other people then reacted to the screams

329

00:11:12,310 --> 00:11:10,079

and were looking towards the forest

330

00:11:14,310 --> 00:11:12,320

my friend did not stay and drove off

331

00:11:16,310 --> 00:11:14,320

they were both frightened and his

332

00:11:20,470 --> 00:11:16,320

fiancee cried most of the way

333

00:11:21,110 --> 00:11:20,480

home i was shocked by this encounter and

334

00:11:23,190 --> 00:11:21,120

started

335

00:11:25,670 --> 00:11:23,200

to look on the internet at the return

336

00:11:29,350 --> 00:11:25,680

home to new south wales

337

00:11:32,710 --> 00:11:29,360

i then read about the mothman incidents

338

00:11:35,269 --> 00:11:32,720

and other strange winged humanoids

339

00:11:37,990 --> 00:11:35,279

i talked to my friend and he said that

340

00:11:42,069 --> 00:11:38,000

someone had told him the same thing

341

00:11:44,069 --> 00:11:42,079

and that it had been seen in japan could

342

00:11:47,430 --> 00:11:44,079

you offer an explanation

343

00:11:49,670 --> 00:11:47,440

thanks jan uh

344

00:11:51,350 --> 00:11:49,680

i sent an email to jan asking for more

345

00:11:53,910 --> 00:11:51,360

details

346

00:11:54,470 --> 00:11:53,920

and if possible he you know if he had

347

00:11:59,829 --> 00:11:54,480

any

348

00:12:00,870 --> 00:11:59,839

that he mentioned to his that his friend

349

00:12:04,310 --> 00:12:00,880

was worried about

350

00:12:07,350 --> 00:12:04,320

mentioning this being to others and

351  
00:12:08,710 --> 00:12:07,360  
his fiancee seemed to believe that this

352  
00:12:13,110 --> 00:12:08,720  
was an evil woman

353  
00:12:16,389 --> 00:12:13,120  
concerning mount fuji impossible dies

354  
00:12:17,030 --> 00:12:16,399  
excuse me disaster like mothman type

355  
00:12:19,110 --> 00:12:17,040  
deal

356  
00:12:21,750 --> 00:12:19,120  
yeah i remembered a witness or two who

357  
00:12:24,949 --> 00:12:21,760  
stated that a mothman like being

358  
00:12:26,710 --> 00:12:24,959  
had been seen before the 2011 japan

359  
00:12:29,750 --> 00:12:26,720  
earthquake tsunami

360  
00:12:33,350 --> 00:12:29,760  
fukushima fukushima yeah yeah and

361  
00:12:35,910 --> 00:12:33,360  
i i put in with the story i posted in

362  
00:12:38,389 --> 00:12:35,920  
an article of the from the witness who

363  
00:12:41,750 --> 00:12:38,399

stated that he had seen this thing

364

00:12:44,230 --> 00:12:41,760

so uh yeah i mean

365

00:12:45,910 --> 00:12:44,240

yeah all in all it sounded like a moth

366

00:12:49,750 --> 00:12:45,920

fan type thing

367

00:12:51,750 --> 00:12:49,760

um it's been nice if dave took a picture

368

00:12:52,949 --> 00:12:51,760

of it

369

00:12:54,550 --> 00:12:52,959

i don't know if they had got much of a

370

00:12:55,190 --> 00:12:54,560

picture in it would be as dark as it was

371

00:12:56,629 --> 00:12:55,200

in the woods

372

00:12:58,629 --> 00:12:56,639

you know that's one thing we always get

373

00:12:59,509 --> 00:12:58,639

long is why don't folk take folks take

374

00:13:00,949 --> 00:12:59,519

pictures

375

00:13:02,790 --> 00:13:00,959

of these things and i don't know about

376

00:13:03,190 --> 00:13:02,800

you but if it's something strange like

377

00:13:05,509 --> 00:13:03,200

that

378

00:13:08,310 --> 00:13:05,519

and kind of scary i don't know if the

379

00:13:10,550 --> 00:13:08,320

first reaction of mine is to oh my god

380

00:13:14,230 --> 00:13:10,560

let me get a picture with my iphone

381

00:13:15,990 --> 00:13:14,240

well you know i agree with you because

382

00:13:18,230 --> 00:13:16,000

you know i talk to a lot of people

383

00:13:19,190 --> 00:13:18,240

i you know in converse but a lot of

384

00:13:21,750 --> 00:13:19,200

people

385

00:13:23,110 --> 00:13:21,760

that have these encounters and normally

386

00:13:23,509 --> 00:13:23,120

it's not the first thing it hits their

387

00:13:28,629 --> 00:13:23,519

mind

388

00:13:30,069 --> 00:13:28,639

and uh

389

00:13:32,310 --> 00:13:30,079

and of course you're being the

390

00:13:33,509 --> 00:13:32,320

investigator or someone taking their

391

00:13:35,350 --> 00:13:33,519

questions

392

00:13:37,190 --> 00:13:35,360

and it's the first thing i think of but

393

00:13:38,069 --> 00:13:37,200

of course if i was in that situation who

394

00:13:39,990 --> 00:13:38,079

knows

395

00:13:41,509 --> 00:13:40,000

i don't know if i'd want to do that or

396

00:13:43,030 --> 00:13:41,519

not you know i'm telling you i'm an

397

00:13:44,470 --> 00:13:43,040

investigator and i probably wouldn't

398

00:13:46,230 --> 00:13:44,480

think to take a picture

399

00:13:47,509 --> 00:13:46,240

well that's that's you know it that

400

00:13:49,269 --> 00:13:47,519

happens all the time

401  
00:13:51,110 --> 00:13:49,279  
you know you have an instance like this

402  
00:13:53,590 --> 00:13:51,120  
where you see something in front of you

403  
00:13:55,269 --> 00:13:53,600  
and i i think there's times that even

404  
00:13:58,069 --> 00:13:55,279  
while investigating you still don't

405  
00:13:59,590 --> 00:13:58,079  
expect to see anything

406  
00:14:01,509 --> 00:13:59,600  
so when it happens you're like well some

407  
00:14:04,949 --> 00:14:01,519  
[h\_\_h] look what just happened and and

408  
00:14:06,389 --> 00:14:04,959  
you know when do you cognizantly take

409  
00:14:08,230 --> 00:14:06,399  
that opportunity to

410  
00:14:10,310 --> 00:14:08,240  
to snap the photo that's why i think

411  
00:14:12,069 --> 00:14:10,320  
people with wearable cameras like the

412  
00:14:15,350 --> 00:14:12,079  
gopros and whatnot

413  
00:14:17,110 --> 00:14:15,360

might be more suitable for what we're

414

00:14:18,629 --> 00:14:17,120

trying to do but then you're still very

415

00:14:20,949 --> 00:14:18,639

limited with battery life

416

00:14:23,269 --> 00:14:20,959

and here we go into the technological

417

00:14:25,509 --> 00:14:23,279

technological aspects of it but

418

00:14:27,590 --> 00:14:25,519

you know you're still limited by uh

419

00:14:29,509 --> 00:14:27,600

being prepared by the length of battery

420

00:14:30,949 --> 00:14:29,519

that you have

421

00:14:32,629 --> 00:14:30,959

so you don't know unless you plan on

422

00:14:34,550 --> 00:14:32,639

taking 40 hours for the gopro

423

00:14:37,829 --> 00:14:34,560

gopro batteries with you and that's a

424

00:14:40,870 --> 00:14:40,470

yeah i don't um so i don't know you know

425

00:14:44,150 --> 00:14:40,880

if

426

00:14:44,550 --> 00:14:44,160

mount fuji erupts the next couple months

427

00:14:46,710 --> 00:14:44,560

and

428

00:14:48,310 --> 00:14:46,720

maybe it was a malt man that's weird man

429

00:14:51,910 --> 00:14:48,320

i

430

00:14:53,910 --> 00:14:51,920

around september 11th

431

00:14:55,269 --> 00:14:53,920

uh you know to say nothing of going back

432

00:14:58,470 --> 00:14:55,279

to the

433

00:14:59,189 --> 00:14:58,480

the silver silver bridge silver river

434

00:15:03,189 --> 00:14:59,199

bridge

435

00:15:05,269 --> 00:15:03,199

get that right

436

00:15:06,870 --> 00:15:05,279

and and who knows how if we go back

437

00:15:09,750 --> 00:15:06,880

through recorded history if these things

438

00:15:12,870 --> 00:15:09,760

have been seen in other events

439

00:15:14,710 --> 00:15:12,880

well i mean i've had i had a train

440

00:15:17,829 --> 00:15:14,720

explosion

441

00:15:19,110 --> 00:15:17,839

that i wrote about happened back in the

442

00:15:21,269 --> 00:15:19,120

30s

443

00:15:23,110 --> 00:15:21,279

uh in the west virginia mountains it was

444

00:15:26,470 --> 00:15:23,120

in a coal mine

445

00:15:29,030 --> 00:15:26,480

and uh they ate the guys

446

00:15:29,590 --> 00:15:29,040

a lot of the guys that were on the train

447

00:15:33,990 --> 00:15:29,600

or

448

00:15:35,430 --> 00:15:34,000

had seen a mothman and uh

449

00:15:39,110 --> 00:15:35,440

the next day they had this train

450

00:15:42,230 --> 00:15:39,120

explosion killed down on the 16 people

451  
00:15:42,629 --> 00:15:42,240  
um and there have been other instances i

452  
00:15:45,269 --> 00:15:42,639  
even

453  
00:15:45,670 --> 00:15:45,279  
chernobyl chernobyl supposedly there was

454  
00:16:09,509 --> 00:15:45,680  
a

455  
00:16:12,949 --> 00:16:09,519  
incident do you remember me

456  
00:16:14,710 --> 00:16:12,959  
doing that uh i don't so give it another

457  
00:16:16,629 --> 00:16:14,720  
whirl if they have forgive us folks

458  
00:16:19,910 --> 00:16:16,639  
we're human

459  
00:16:23,110 --> 00:16:19,920  
well i got this

460  
00:16:24,949 --> 00:16:23,120  
i got this email from a witness down in

461  
00:16:27,749 --> 00:16:24,959  
saint croix

462  
00:16:28,870 --> 00:16:27,759  
so here here we go and see what you

463  
00:16:30,790 --> 00:16:28,880

think about it

464

00:16:33,110 --> 00:16:30,800

over the past three weeks i've had

465

00:16:35,509 --> 00:16:33,120

continued contact

466

00:16:36,310 --> 00:16:35,519

by email and telephone with a 32 year

467

00:16:39,350 --> 00:16:36,320

old singing

468

00:16:41,110 --> 00:16:39,360

mother named sally who resides in

469

00:16:42,550 --> 00:16:41,120

western saint croix island

470

00:16:45,030 --> 00:16:42,560

in the territory of the u.s virgin

471

00:16:47,030 --> 00:16:45,040

islands now

472

00:16:48,150 --> 00:16:47,040

sally originally contacted me through an

473

00:16:50,470 --> 00:16:48,160

email

474

00:16:53,269 --> 00:16:50,480

and described unusual incidents that she

475

00:16:55,910 --> 00:16:53,279

experienced during the past three years

476  
00:16:57,990 --> 00:16:55,920  
now each of these experiences consists

477  
00:17:00,870 --> 00:16:58,000  
of lost time or an abduction

478  
00:17:03,189 --> 00:17:00,880  
event which occur during the day in the

479  
00:17:05,429 --> 00:17:03,199  
evenings when she's home from work

480  
00:17:06,949 --> 00:17:05,439  
you know she's the supervisor of one of

481  
00:17:09,510 --> 00:17:06,959  
the resorts

482  
00:17:11,429 --> 00:17:09,520  
offering you know those resorts opera

483  
00:17:15,669 --> 00:17:11,439  
tropical paradise getaways she

484  
00:17:17,990 --> 00:17:15,679  
um and not be specific

485  
00:17:20,870 --> 00:17:18,000  
even though many of our her friends and

486  
00:17:23,270 --> 00:17:20,880  
staff are aware of the situation

487  
00:17:24,470 --> 00:17:23,280  
now most the abduction episodes occur in

488  
00:17:28,069 --> 00:17:24,480

the evening while she's

489

00:17:30,710 --> 00:17:28,079

at home doing house household chores

490

00:17:32,870 --> 00:17:30,720

the uh the duration of the last time

491

00:17:36,150 --> 00:17:32,880

varies but it's usually

492

00:17:38,070 --> 00:17:36,160

for 30 minutes to an hour now one

493

00:17:39,669 --> 00:17:38,080

particular incident lasted for

494

00:17:42,230 --> 00:17:39,679

several hours which frightened her

495

00:17:43,990 --> 00:17:42,240

because her child was alone and

496

00:17:47,350 --> 00:17:44,000

vulnerable

497

00:17:49,190 --> 00:17:47,360

since that episode her close friend now

498

00:17:51,510 --> 00:17:49,200

lives with her and drives her back and

499

00:17:55,190 --> 00:17:51,520

forth to work

500

00:17:57,909 --> 00:17:55,200

her friend bibi verified to me

501  
00:18:00,230 --> 00:17:57,919  
that sally actually disappears during

502  
00:18:03,029 --> 00:18:00,240  
these lost time episodes

503  
00:18:03,909 --> 00:18:03,039  
and in fact she stated that her and

504  
00:18:06,150 --> 00:18:03,919  
sally

505  
00:18:06,950 --> 00:18:06,160  
were in the kitchen cooking dinner one

506  
00:18:10,150 --> 00:18:06,960  
evening

507  
00:18:13,510 --> 00:18:10,160  
and sally simply vanished

508  
00:18:15,590 --> 00:18:13,520  
about 20 minutes later bibi found sally

509  
00:18:17,110 --> 00:18:15,600  
laying on the floor by the couch in the

510  
00:18:19,830 --> 00:18:17,120  
living room

511  
00:18:22,070 --> 00:18:19,840  
she was slightly disoriented but able to

512  
00:18:24,710 --> 00:18:22,080  
speak and stand up

513  
00:18:25,510 --> 00:18:24,720

bibi witnessed a similar episode when

514

00:18:28,710 --> 00:18:25,520

sally

515

00:18:30,070 --> 00:18:28,720

had a very bad cold with a fever and was

516

00:18:33,270 --> 00:18:30,080

in bed

517

00:18:36,470 --> 00:18:33,280

bibi went to check on her about 8 30 pm

518

00:18:38,950 --> 00:18:36,480

and sally was gone about five minutes

519

00:18:41,110 --> 00:18:38,960

later she heard sally calling for her

520

00:18:43,270 --> 00:18:41,120

and found sally nude and shivering in

521

00:18:45,190 --> 00:18:43,280

the living room

522

00:18:46,789 --> 00:18:45,200

phoebe had no explanation for these

523

00:18:48,789 --> 00:18:46,799

incidents and squares

524

00:18:50,789 --> 00:18:48,799

there's no possible way that sally is

525

00:18:52,870 --> 00:18:50,799

scheming

526

00:18:54,150 --> 00:18:52,880

as soon as the abduction would start

527

00:18:56,230 --> 00:18:54,160

sally said

528

00:18:58,470 --> 00:18:56,240

that she would see a bright flash of

529

00:19:01,190 --> 00:18:58,480

light

530

00:19:02,789 --> 00:19:01,200

bibi states that she never witnessed a

531

00:19:05,190 --> 00:19:02,799

bright flash

532

00:19:07,029 --> 00:19:05,200

during an ordeal sally says that she was

533

00:19:10,710 --> 00:19:07,039

always laying face down

534

00:19:13,590 --> 00:19:10,720

and nude in a wet cold surface

535

00:19:15,590 --> 00:19:13,600

she is confined somehow to unable and

536

00:19:17,909 --> 00:19:15,600

unable to move

537

00:19:18,950 --> 00:19:17,919

her face is placed in an opening on the

538

00:19:21,830 --> 00:19:18,960

surface

539

00:19:23,830 --> 00:19:21,840

which restrict her from seeing anything

540

00:19:24,870 --> 00:19:23,840

her ears are covered by some kind of

541

00:19:29,430 --> 00:19:24,880

device

542

00:19:32,630 --> 00:19:29,440

that emits a humming sound each time

543

00:19:34,150 --> 00:19:32,640

a sharp object most likely a needle is

544

00:19:37,909 --> 00:19:34,160

inserted in her right

545

00:19:39,990 --> 00:19:37,919

buttocks and left calf there's no pain

546

00:19:41,909 --> 00:19:40,000

but there is an uncomfortable pressure

547

00:19:44,390 --> 00:19:41,919

around the injection point

548

00:19:46,230 --> 00:19:44,400

then later a sickening sweet taste in

549

00:19:48,150 --> 00:19:46,240

her mouth

550

00:19:49,270 --> 00:19:48,160

as soon as those procedures are

551  
00:19:52,310 --> 00:19:49,280  
performed

552  
00:19:54,789 --> 00:19:52,320  
she has returned there have been no

553  
00:19:57,110 --> 00:19:54,799  
marks found anywhere in her body

554  
00:19:58,150 --> 00:19:57,120  
sally also mentioned that she had a deep

555  
00:20:01,270 --> 00:19:58,160  
cut

556  
00:20:03,350 --> 00:20:01,280  
on her hand from a broken dish which

557  
00:20:06,390 --> 00:20:03,360  
required six stitches

558  
00:20:07,430 --> 00:20:06,400  
the next evening the next evening she

559  
00:20:09,830 --> 00:20:07,440  
was taken

560  
00:20:12,390 --> 00:20:09,840  
and when she returned the wound was

561  
00:20:14,630 --> 00:20:12,400  
completely healed

562  
00:20:16,710 --> 00:20:14,640  
now sally says that her overall health

563  
00:20:19,510 --> 00:20:16,720

has been excellent throughout

564

00:20:21,990 --> 00:20:19,520

the ordeal she also states that she no

565

00:20:24,470 --> 00:20:22,000

longer suffers from psoriasis

566

00:20:26,310 --> 00:20:24,480

on her back which she had since she was

567

00:20:28,310 --> 00:20:26,320

a child

568

00:20:30,070 --> 00:20:28,320

none of the abductions have occurred

569

00:20:32,549 --> 00:20:30,080

while sally was sleeping

570

00:20:34,630 --> 00:20:32,559

or in the presence of her young child

571

00:20:36,310 --> 00:20:34,640

who is usually sleeping or taking a nap

572

00:20:39,190 --> 00:20:36,320

at the time

573

00:20:41,350 --> 00:20:39,200

there have been there have not been any

574

00:20:44,149 --> 00:20:41,360

episodes during the time

575

00:20:46,870 --> 00:20:44,159

when sally has been her her job or

576

00:20:49,830 --> 00:20:46,880

anywhere outside of her home

577

00:20:50,470 --> 00:20:49,840

she has never seen any of her captors

578

00:20:53,909 --> 00:20:50,480

there have

579

00:20:57,270 --> 00:20:53,919

also been a few abductions where she

580

00:20:59,430 --> 00:20:57,280

has not noticed any lost time at all

581

00:21:02,149 --> 00:20:59,440

sally estimates that she's been abducted

582

00:21:05,710 --> 00:21:02,159

approximately 28 times

583

00:21:09,830 --> 00:21:05,720

since the first episode on december 5th

584

00:21:11,510 --> 00:21:09,840

2013. during the three weeks i had been

585

00:21:13,909 --> 00:21:11,520

conversing with sally

586

00:21:14,830 --> 00:21:13,919

there have not been any lost time

587

00:21:17,110 --> 00:21:14,840

induction

588

00:21:18,630 --> 00:21:17,120

episodes i don't attribute this to

589

00:21:20,950 --> 00:21:18,640

anything i've done

590

00:21:21,750 --> 00:21:20,960

and according to sally there have been

591

00:21:24,470 --> 00:21:21,760

time gaps

592

00:21:25,590 --> 00:21:24,480

up to two months since these events

593

00:21:28,310 --> 00:21:25,600

started

594

00:21:30,149 --> 00:21:28,320

it took several conversations with sally

595

00:21:31,110 --> 00:21:30,159

for her to begin feeling comfortable

596

00:21:33,430 --> 00:21:31,120

with me

597

00:21:35,350 --> 00:21:33,440

which i understand and appreciate she

598

00:21:36,149 --> 00:21:35,360

was appreciate she was informed from the

599

00:21:38,070 --> 00:21:36,159

beginning

600

00:21:40,070 --> 00:21:38,080

that was not only my objective to

601  
00:21:42,870 --> 00:21:40,080  
determine and possibly help her

602  
00:21:45,029 --> 00:21:42,880  
with her situation but it was also able

603  
00:21:47,270 --> 00:21:45,039  
to tell her story on the blog

604  
00:21:48,789 --> 00:21:47,280  
which she eventually agreed to i will

605  
00:21:51,669 --> 00:21:48,799  
continue to monitor this case

606  
00:21:52,630 --> 00:21:51,679  
update any changes uh your comments are

607  
00:21:56,230 --> 00:21:52,640  
welcome now

608  
00:22:00,870 --> 00:21:56,240  
this is this case this is one i've been

609  
00:22:04,630 --> 00:22:03,909  
i've only ever talked to her twice most

610  
00:22:06,470 --> 00:22:04,640  
of everything

611  
00:22:07,750 --> 00:22:06,480  
i have talked to her about has been by

612  
00:22:10,870 --> 00:22:07,760  
email

613  
00:22:13,510 --> 00:22:10,880

this is i

614

00:22:15,510 --> 00:22:13,520

i guess i've been helping her with this

615

00:22:18,070 --> 00:22:15,520

for approximately

616

00:22:18,870 --> 00:22:18,080

six months now and so far in that six

617

00:22:21,029 --> 00:22:18,880

months

618

00:22:24,230 --> 00:22:21,039

there hasn't been any you know any other

619

00:22:29,029 --> 00:22:24,240

incidents now i don't know what happened

620

00:22:31,590 --> 00:22:29,039

but uh it's an it's an interesting case

621

00:22:34,710 --> 00:22:31,600

i i'm going by what she's telling me i

622

00:22:37,830 --> 00:22:34,720

have no way of proving any of this

623

00:22:39,830 --> 00:22:37,840

uh most of

624

00:22:41,830 --> 00:22:39,840

the information i have been told was by

625

00:22:45,430 --> 00:22:41,840

her friend

626

00:22:47,110 --> 00:22:45,440

bibi but uh

627

00:22:50,310 --> 00:22:47,120

i'm putting i just put it out there as

628

00:22:54,070 --> 00:22:50,320

it was you know as i was told so

629

00:22:56,870 --> 00:22:54,080

you know we'll see if that's you know

630

00:22:58,630 --> 00:22:56,880

see if anything else comes up you can't

631

00:22:59,750 --> 00:22:58,640

do any more than that right just report

632

00:23:03,190 --> 00:22:59,760

it

633

00:23:05,830 --> 00:23:03,200

of anything

634

00:23:06,710 --> 00:23:05,840

basically just talking to her on

635

00:23:10,390 --> 00:23:06,720

occasion

636

00:23:15,830 --> 00:23:10,400

emails back to her

637

00:23:21,510 --> 00:23:19,909

because i had an incident not long ago

638

00:23:23,270 --> 00:23:21,520

that kind of mirrored a little bit of

639

00:23:25,110 --> 00:23:23,280

what she's been going through and i

640

00:23:26,230 --> 00:23:25,120

don't and i really have questions about

641

00:23:28,070 --> 00:23:26,240

it

642

00:23:29,669 --> 00:23:28,080

uh in fact i don't really want to go

643

00:23:32,149 --> 00:23:29,679

into it a whole lot

644

00:23:33,990 --> 00:23:32,159

though i have talked to butch about it

645

00:23:35,350 --> 00:23:34,000

i've talked to a few other people about

646

00:23:37,190 --> 00:23:35,360

i'm trying to figure out really what

647

00:23:40,230 --> 00:23:37,200

happened well how many uh

648

00:23:41,190 --> 00:23:40,240

abduction cases have you investigated oh

649

00:23:45,029 --> 00:23:41,200

i've had a few

650

00:23:45,590 --> 00:23:45,039

yeah yeah you know i had a couple before

651  
00:23:49,350 --> 00:23:45,600  
i had

652  
00:23:54,070 --> 00:23:49,360  
the big one with david uh david eckhart

653  
00:24:00,310 --> 00:23:57,430  
probably seven or eight

654  
00:24:01,669 --> 00:24:00,320  
seven or eight cases that people wanted

655  
00:24:04,710 --> 00:24:01,679  
me to help them with

656  
00:24:05,190 --> 00:24:04,720  
wow yeah i mean and i'm no expert at it

657  
00:24:10,710 --> 00:24:05,200  
you know

658  
00:24:11,669 --> 00:24:10,720  
just a bit ago i i think i was actually

659  
00:24:15,269 --> 00:24:11,679  
involved with something

660  
00:24:17,830 --> 00:24:15,279  
not long ago and i don't know

661  
00:24:19,750 --> 00:24:17,840  
why all of a sudden i'm still trying to

662  
00:24:22,310 --> 00:24:19,760  
get some facts put together

663  
00:24:24,310 --> 00:24:22,320

trying to understand what happened to me

664

00:24:25,669 --> 00:24:24,320

um

665

00:24:27,830 --> 00:24:25,679

i don't know you know i don't i don't

666

00:24:31,029 --> 00:24:27,840

know if it's it's because of

667

00:24:32,950 --> 00:24:31,039

you know working with people or

668

00:24:35,350 --> 00:24:32,960

you know i have had other instances in

669

00:24:38,310 --> 00:24:35,360

the past and uh

670

00:24:38,789 --> 00:24:38,320

uh you know it's nothing really major

671

00:24:42,149 --> 00:24:38,799

but i

672

00:24:45,350 --> 00:24:42,159

i will say one thing i'd never as far as

673

00:24:46,070 --> 00:24:45,360

any type if it was induction or any type

674

00:24:48,710 --> 00:24:46,080

of encounter

675

00:24:50,070 --> 00:24:48,720

other than here i don't want to remember

676

00:24:54,230 --> 00:24:50,080

any entities

677

00:24:56,390 --> 00:24:54,240

yeah so yeah but it's something i may

678

00:24:59,190 --> 00:24:56,400

talk about down the road i may write up

679

00:25:00,390 --> 00:24:59,200

about but right now i'm just not gonna

680

00:25:02,789 --> 00:25:00,400

i don't know if it's something i

681

00:25:06,390 --> 00:25:02,799

actually want to get into because that

682

00:25:09,430 --> 00:25:06,400

concept scares me well

683

00:25:12,149 --> 00:25:09,440

i tell you i of course i had never

684

00:25:12,870 --> 00:25:12,159

remember going through anything like

685

00:25:16,470 --> 00:25:12,880

this

686

00:25:17,669 --> 00:25:16,480

but i will tell you one thing during one

687

00:25:20,789 --> 00:25:17,679

point of this

688

00:25:24,070 --> 00:25:20,799

incident i was probably as frightened

689

00:25:25,350 --> 00:25:24,080

as i ever have been and i will admit to

690

00:25:28,710 --> 00:25:25,360

that

691

00:25:31,830 --> 00:25:28,720

i mean i thought i bought the farm wow

692

00:25:34,789 --> 00:25:31,840

yeah and you know it really shook me up

693

00:25:35,750 --> 00:25:34,799

and uh that's why i'm kind of con you

694

00:25:38,070 --> 00:25:35,760

know

695

00:25:39,990 --> 00:25:38,080

concerned and interested in what

696

00:25:42,390 --> 00:25:40,000

actually happened

697

00:25:43,029 --> 00:25:42,400

and uh until you know until i get more

698

00:25:46,549 --> 00:25:43,039

information

699

00:25:49,669 --> 00:25:46,559

until i i talk to some other people

700

00:25:50,950 --> 00:25:49,679

who have some experience in this

701  
00:25:52,870 --> 00:25:50,960  
you know even though i have helped

702  
00:25:55,669 --> 00:25:52,880  
people with theirs i

703  
00:25:57,269 --> 00:25:55,679  
want to get a few more you know a few

704  
00:26:00,470 --> 00:25:57,279  
more opinions on

705  
00:26:03,350 --> 00:26:00,480  
what exactly i remember and uh you know

706  
00:26:04,630 --> 00:26:03,360  
go from there yeah definitely that's

707  
00:26:05,909 --> 00:26:04,640  
just something i don't know i don't feel

708  
00:26:07,190 --> 00:26:05,919  
like i'm prepared to deal with something

709  
00:26:11,669 --> 00:26:07,200  
like that yet

710  
00:26:14,870 --> 00:26:11,679  
bigfoot's enough for me i don't know

711  
00:26:16,070 --> 00:26:14,880  
that's a good point um you know in

712  
00:26:19,830 --> 00:26:16,080  
david's instance

713  
00:26:23,430 --> 00:26:19,840

you know it's been an ordeal for him

714

00:26:26,070 --> 00:26:23,440

and his family for well i mean

715

00:26:27,269 --> 00:26:26,080

it was 10 years when i started in on it

716

00:26:30,950 --> 00:26:27,279

and he still has

717

00:26:34,710 --> 00:26:30,960

occasional uh encounters and

718

00:26:36,630 --> 00:26:34,720

visitations and uh

719

00:26:37,990 --> 00:26:36,640

you know it it's it's one of those

720

00:26:39,350 --> 00:26:38,000

things that

721

00:26:41,190 --> 00:26:39,360

you know i have talked to him about it

722

00:26:42,870 --> 00:26:41,200

before and i you know i put a few things

723

00:26:46,149 --> 00:26:42,880

in the book about it

724

00:26:48,470 --> 00:26:46,159

but uh it may actually require me

725

00:26:50,710 --> 00:26:48,480

doing a whole book on one time uh i

726

00:26:53,110 --> 00:26:50,720

don't know i i've been thinking about it

727

00:26:54,710 --> 00:26:53,120

but they're just so much

728

00:26:56,710 --> 00:26:54,720

you really don't know if you really want

729

00:26:59,909 --> 00:26:56,720

to go into it let's put it that way

730

00:27:02,310 --> 00:26:59,919

it's just so much weird stuff but

731

00:27:05,029 --> 00:27:02,320

there's a lot of stuff in there

732

00:27:05,990 --> 00:27:05,039

a lot of things that happen that you

733

00:27:10,149 --> 00:27:06,000

really want to

734

00:27:12,470 --> 00:27:10,159

put it out there because uh

735

00:27:13,830 --> 00:27:12,480

i don't want to be freaking everybody

736

00:27:16,870 --> 00:27:13,840

yeah most definitely dude

737

00:27:18,070 --> 00:27:16,880

all right i feel you well it's that time

738

00:27:19,590 --> 00:27:18,080

i think we ought to bring jay on the

739

00:27:21,430 --> 00:27:19,600

program what do you

740

00:27:23,029 --> 00:27:21,440

i think so let's step back we're going

741

00:27:26,149 --> 00:27:23,039

to take a minute folks uh

742

00:27:29,269 --> 00:27:26,159

when we come back mr j bachojan from

743

00:27:30,310 --> 00:27:29,279

wpi hunts the truth stay tuned right

744

00:27:32,630 --> 00:27:30,320

after this

745

00:27:33,830 --> 00:27:32,640

no music just dead silence so smoke him

746

00:27:36,230 --> 00:27:33,840

if you got them

747

00:27:37,990 --> 00:27:36,240

get a drink let's go out to the kitchen

748

00:27:39,830 --> 00:27:38,000

and grab ourselves a snack

749

00:27:41,750 --> 00:27:39,840

all right folks and we're back arcane

750

00:27:43,350 --> 00:27:41,760

radio sean forker launched strickler and

751  
00:27:45,590 --> 00:27:43,360  
our guest tonight mr j

752  
00:27:47,110 --> 00:27:45,600  
bachochen did i say it right jay you

753  
00:27:49,510 --> 00:27:47,120  
sure did how about that

754  
00:27:50,549 --> 00:27:49,520  
all right i didn't bang it up all right

755  
00:27:53,430 --> 00:27:50,559  
so jay

756  
00:27:54,710 --> 00:27:53,440  
uh wpi hunts the truth you do a little

757  
00:27:56,389 --> 00:27:54,720  
bit of everything you consider yourself

758  
00:27:58,310 --> 00:27:56,399  
a truthologist

759  
00:27:59,990 --> 00:27:58,320  
and explain to our listeners what a

760  
00:28:02,789 --> 00:28:00,000  
truthologist actually is

761  
00:28:05,110 --> 00:28:02,799  
and what you feel it to be well uh

762  
00:28:08,830 --> 00:28:05,120  
honestly i never considered myself

763  
00:28:10,470 --> 00:28:08,840

uh a ghost hunter or a ufologist or a

764

00:28:13,430 --> 00:28:10,480

cryptozoologist

765

00:28:14,230 --> 00:28:13,440

um it's basically everything across the

766

00:28:17,190 --> 00:28:14,240

whole

767

00:28:17,990 --> 00:28:17,200

uh spectrum of the uh the paranormal or

768

00:28:24,870 --> 00:28:18,000

the uh

769

00:28:28,310 --> 00:28:24,880

i've always taken

770

00:28:31,029 --> 00:28:28,320

the uh the approach of

771

00:28:31,750 --> 00:28:31,039

what is the truth i mean we can see it

772

00:28:34,470 --> 00:28:31,760

on tv

773

00:28:36,870 --> 00:28:34,480

you know we can look on youtube or or

774

00:28:39,590 --> 00:28:36,880

google or take anybody's claims

775

00:28:40,549 --> 00:28:39,600

but for me it wasn't until i actually

776

00:28:43,669 --> 00:28:40,559

got myself

777

00:28:45,510 --> 00:28:43,679

out there to discover uh you know

778

00:28:54,789 --> 00:28:45,520

what these truths are you know see if

779

00:28:59,510 --> 00:28:56,230

i hate when i hit the mute button i'm

780

00:29:01,110 --> 00:28:59,520

sorry excellent

781

00:29:03,350 --> 00:29:01,120

you already muted me there sean i'm

782

00:29:05,909 --> 00:29:03,360

muting me because you know

783

00:29:07,430 --> 00:29:05,919

this microphone is so silent you can

784

00:29:10,070 --> 00:29:07,440

hear everything

785

00:29:12,149 --> 00:29:10,080

yeah i can i actually i can almost hear

786

00:29:13,590 --> 00:29:12,159

an echo in the background that's how

787

00:29:15,669 --> 00:29:13,600

oh it's picking up that's just me being

788

00:29:16,950 --> 00:29:15,679

so loud i'm intensely loud i'm so

789

00:29:18,789 --> 00:29:16,960

excited about

790

00:29:20,389 --> 00:29:18,799

about the show tonight dude because we

791

00:29:21,990 --> 00:29:20,399

wanted to have you on for some time and

792

00:29:23,830 --> 00:29:22,000

it finally worked out

793

00:29:25,190 --> 00:29:23,840

and now that we got the truthologist

794

00:29:27,029 --> 00:29:25,200

stuff away

795

00:29:28,549 --> 00:29:27,039

uh you know a lot of things that you do

796

00:29:30,870 --> 00:29:28,559

and it's not just a solo effort right

797

00:29:33,430 --> 00:29:30,880

you got a group of you together

798

00:29:34,310 --> 00:29:33,440

yeah you know what uh i started off with

799

00:29:38,149 --> 00:29:34,320

a very

800

00:29:41,590 --> 00:29:38,159

fairly large group back in uh 2007

801  
00:29:43,269 --> 00:29:41,600  
2008 um you know as in some groups go

802  
00:29:45,110 --> 00:29:43,279  
they kind of uh

803  
00:29:46,310 --> 00:29:45,120  
teammates come and go and they still

804  
00:29:49,590 --> 00:29:46,320  
remain friends

805  
00:29:52,710 --> 00:29:49,600  
um but it wasn't until 2014 that i'm

806  
00:29:55,190 --> 00:29:52,720  
pretty much going um on a solo

807  
00:29:56,630 --> 00:29:55,200  
base with this and networking with other

808  
00:29:59,830 --> 00:29:56,640  
great researchers so

809  
00:30:01,990 --> 00:29:59,840  
it's really really worked out and wpi

810  
00:30:06,549 --> 00:30:02,000  
hunts the truth has really evolved over

811  
00:30:10,389 --> 00:30:09,029  
hey jay now you sent this a video over

812  
00:30:12,149 --> 00:30:10,399  
to uh

813  
00:30:13,830 --> 00:30:12,159

shawn and i the other day you called the

814

00:30:15,750 --> 00:30:13,840

creeper yeah

815

00:30:17,110 --> 00:30:15,760

now you're over in the kettle moran area

816

00:30:18,310 --> 00:30:17,120

and i you know i've talked to linda

817

00:30:19,750 --> 00:30:18,320

about kettle moran

818

00:30:21,350 --> 00:30:19,760

a couple of times and i know it's a

819

00:30:24,710 --> 00:30:21,360

creepy place

820

00:30:25,029 --> 00:30:24,720

what's the creeper about well i have

821

00:30:26,950 --> 00:30:25,039

been

822

00:30:28,789 --> 00:30:26,960

researching this certain area in a

823

00:30:31,510 --> 00:30:28,799

kettle moraine for

824

00:30:32,710 --> 00:30:31,520

uh it's been going on three years and i

825

00:30:35,830 --> 00:30:32,720

am going to the

826

00:30:36,710 --> 00:30:35,840

same area now it's not that i just love

827

00:30:38,950 --> 00:30:36,720

night hikes

828

00:30:40,470 --> 00:30:38,960

and to go out in the wilderness you know

829

00:30:43,590 --> 00:30:40,480

of course i do

830

00:30:44,470 --> 00:30:43,600

um but each time i wouldn't say each

831

00:30:46,549 --> 00:30:44,480

time maybe

832

00:30:48,710 --> 00:30:46,559

every other time or whatnot i'm i'm

833

00:30:51,590 --> 00:30:48,720

actually stumbling across

834

00:30:52,870 --> 00:30:51,600

uh you know whether it's prints or or

835

00:30:55,269 --> 00:30:52,880

wood knocks

836

00:30:57,269 --> 00:30:55,279

or vocalizations just things i can't

837

00:31:00,870 --> 00:30:57,279

explain i mean they're classic

838

00:31:04,070 --> 00:31:00,880

uh bigfoot activity yet i have not

839

00:31:06,230 --> 00:31:04,080

seen who's made the print who knocked uh

840

00:31:08,549 --> 00:31:06,240

who made the vocals you know

841

00:31:10,149 --> 00:31:08,559

um going out with looking at that one

842

00:31:11,750 --> 00:31:10,159

video that was actually taken in august

843

00:31:14,950 --> 00:31:11,760

of 2014

844

00:31:18,149 --> 00:31:14,960

i was out there with uh uh

845

00:31:19,990 --> 00:31:18,159

kevin of my brother-in-law and uh

846

00:31:21,269 --> 00:31:20,000

we're basically doing the same thing we

847

00:31:23,990 --> 00:31:21,279

normally do

848

00:31:25,669 --> 00:31:24,000

and if you guys watch that video which

849

00:31:28,470 --> 00:31:25,679

is actually on my um

850

00:31:29,669 --> 00:31:28,480

on my youtube channel you will actually

851  
00:31:33,350 --> 00:31:29,679  
hear

852  
00:31:35,590 --> 00:31:33,360  
something um fairly large

853  
00:31:36,710 --> 00:31:35,600  
that actually is moving and actually

854  
00:31:38,389 --> 00:31:36,720  
circling us

855  
00:31:40,230 --> 00:31:38,399  
that's actually probably one of the most

856  
00:31:43,350 --> 00:31:40,240  
hair-raising times i have

857  
00:31:44,870 --> 00:31:43,360  
had a couple since 2007 but

858  
00:31:47,750 --> 00:31:44,880  
you see me in the video i'm actually

859  
00:31:49,190 --> 00:31:47,760  
taking a um kind of a selfie testimony

860  
00:31:51,190 --> 00:31:49,200  
when this is going on

861  
00:31:52,549 --> 00:31:51,200  
and i forget the cameras on my face so

862  
00:31:54,630 --> 00:31:52,559  
you can actually almost see the fear in

863  
00:31:56,630 --> 00:31:54,640

my face as this is kind of going on

864

00:31:57,990 --> 00:31:56,640

i can tell you from experience that's no

865

00:32:01,350 --> 00:31:58,000

fun

866

00:32:01,990 --> 00:32:01,360

well right i mean it is well it was

867

00:32:03,909 --> 00:32:02,000

august

868

00:32:05,110 --> 00:32:03,919

and um you know so you got heavy

869

00:32:07,509 --> 00:32:05,120

greenery

870

00:32:08,230 --> 00:32:07,519

and we heard this thing actually

871

00:32:10,470 --> 00:32:08,240

stepping

872

00:32:12,389 --> 00:32:10,480

around us as did you ever see that uh

873

00:32:14,230 --> 00:32:12,399

the movie desperado where

874

00:32:15,669 --> 00:32:14,240

he would walk through the shadow and

875

00:32:17,830 --> 00:32:15,679

before his face would be shown

876

00:32:19,830 --> 00:32:17,840

another shadow would hit his face well i

877

00:32:20,950 --> 00:32:19,840

always refer to this as the desperado as

878

00:32:24,149 --> 00:32:20,960

well as the creeper

879

00:32:27,269 --> 00:32:24,159

it was almost visible and just as you

880

00:32:29,029 --> 00:32:27,279

think you could see it it's not there

881

00:32:30,870 --> 00:32:29,039

and we're checking it out again and all

882

00:32:31,669 --> 00:32:30,880

of a sudden it's coming from right where

883

00:32:33,350 --> 00:32:31,679

we were at

884

00:32:35,350 --> 00:32:33,360

and kind of flanking us on the left and

885

00:32:37,509 --> 00:32:35,360

circling from behind

886

00:32:39,509 --> 00:32:37,519

so you know whether you could sit there

887

00:32:43,029 --> 00:32:39,519

and say okay it was a

888

00:32:46,549 --> 00:32:43,039

a big foot or a dog man or

889

00:32:47,750 --> 00:32:46,559

a wolf or you know a cougar um

890

00:32:50,230 --> 00:32:47,760

that's actually what i'm trying to

891

00:32:51,509 --> 00:32:50,240

figure out is uh

892

00:32:52,789 --> 00:32:51,519

these certain things when you're out

893

00:32:54,470 --> 00:32:52,799

when you're out in the woods it's

894

00:32:55,350 --> 00:32:54,480

uncontrolled it's an uncontrolled

895

00:32:57,350 --> 00:32:55,360

environment

896

00:32:59,190 --> 00:32:57,360

you're out there with nature and you

897

00:33:01,750 --> 00:32:59,200

really don't know

898

00:33:03,430 --> 00:33:01,760

um actually what it is until you see it

899

00:33:06,070 --> 00:33:03,440

but in this case whatever it was

900

00:33:07,029 --> 00:33:06,080

was actually it was circling us it was

901  
00:33:08,830 --> 00:33:07,039  
it's kind of freaky

902  
00:33:10,070 --> 00:33:08,840  
yeah it's a frightening experience and i

903  
00:33:11,990 --> 00:33:10,080  
mean

904  
00:33:13,590 --> 00:33:12,000  
like you said you don't know what it is

905  
00:33:15,350 --> 00:33:13,600  
but because there's a lot of variables

906  
00:33:17,110 --> 00:33:15,360  
there it could be a lot of things

907  
00:33:18,549 --> 00:33:17,120  
but even some of the more known things

908  
00:33:19,990 --> 00:33:18,559  
that are out there you still don't want

909  
00:33:23,350 --> 00:33:20,000  
circling you

910  
00:33:23,750 --> 00:33:23,360  
oh exactly i mean the the dnr out here

911  
00:33:36,149 --> 00:33:23,760  
in

912  
00:33:37,830 --> 00:33:36,159  
yeah i i beg to differ because actually

913  
00:33:41,029 --> 00:33:37,840

it was about um

914

00:33:42,389 --> 00:33:41,039

i think it was a last uh february uh

915

00:33:44,310 --> 00:33:42,399

linda and i were

916

00:33:46,710 --> 00:33:44,320

out uh out in the kettle we came across

917

00:33:47,909 --> 00:33:46,720

some fairly nice size uh cougar tracks

918

00:33:51,110 --> 00:33:47,919

in the snow

919

00:33:54,389 --> 00:33:51,120

um so they they they are out here

920

00:33:55,750 --> 00:33:54,399

um but now you know i i tried to

921

00:33:57,590 --> 00:33:55,760

try to debunk this thing all right if

922

00:33:58,950 --> 00:33:57,600

it's a cougar aren't cougars a little

923

00:34:02,149 --> 00:33:58,960

more stealthier

924

00:34:03,909 --> 00:34:02,159

um you know you know sitting in trees or

925

00:34:05,269 --> 00:34:03,919

waiting for the meal to walk by to

926  
00:34:07,669 --> 00:34:05,279  
pounce on them

927  
00:34:08,869 --> 00:34:07,679  
um and these are the type of things i do

928  
00:34:11,349 --> 00:34:08,879  
i mean i spend

929  
00:34:13,270 --> 00:34:11,359  
countless hours out in the field but you

930  
00:34:16,389 --> 00:34:13,280  
know i also spend a lot of countless

931  
00:34:19,589 --> 00:34:16,399  
hours researching and um you know

932  
00:34:21,430 --> 00:34:19,599  
trying to learn calls tracks behaviors

933  
00:34:24,069 --> 00:34:21,440  
of animals

934  
00:34:26,069 --> 00:34:24,079  
just so that i can try to classify this

935  
00:34:27,990 --> 00:34:26,079  
as as an unknown

936  
00:34:29,510 --> 00:34:28,000  
and in fact that's where i'm at right

937  
00:34:31,109 --> 00:34:29,520  
now i call it the creeper because

938  
00:34:31,909 --> 00:34:31,119

whatever it was it was creeping around

939

00:34:35,030 --> 00:34:31,919

us but

940

00:34:37,030 --> 00:34:35,040

i can't tell you what it was yeah

941

00:34:38,310 --> 00:34:37,040

have you um have you guys been

942

00:34:41,510 --> 00:34:38,320

experiencing

943

00:34:42,389 --> 00:34:41,520

any of these uh these koi walls up that

944

00:34:45,669 --> 00:34:42,399

area

945

00:34:48,069 --> 00:34:45,679

you know what i have not um

946

00:34:48,869 --> 00:34:48,079

and that actually i i just listened to

947

00:34:51,589 --> 00:34:48,879

you on the uh

948

00:34:53,430 --> 00:34:51,599

the other show on eric's show um when

949

00:34:56,310 --> 00:34:53,440

you guys were talking about this

950

00:34:56,950 --> 00:34:56,320

um about the skinwalkers and the dogman

951  
00:35:00,230 --> 00:34:56,960  
um but

952  
00:35:02,950 --> 00:35:00,240  
not that anything has really

953  
00:35:04,470 --> 00:35:02,960  
you know been been known well actually i

954  
00:35:07,510 --> 00:35:04,480  
should say about two weeks ago

955  
00:35:09,829 --> 00:35:07,520  
uh one of my friends up in palmyra um

956  
00:35:10,950 --> 00:35:09,839  
actually was driving her car and she

957  
00:35:13,670 --> 00:35:10,960  
actually said

958  
00:35:14,710 --> 00:35:13,680  
she almost hit the biggest wolf she'd

959  
00:35:16,870 --> 00:35:14,720  
seen

960  
00:35:18,470 --> 00:35:16,880  
and um you know depending on what kind

961  
00:35:19,589 --> 00:35:18,480  
that is again i'm getting this you know

962  
00:35:21,670 --> 00:35:19,599  
secondhand

963  
00:35:24,069 --> 00:35:21,680

but again you know being a you know

964

00:35:24,790 --> 00:35:24,079

native to this area you you kind of know

965

00:35:32,230 --> 00:35:24,800

your

966

00:35:34,230 --> 00:35:32,240

i i take a word on it so you know is

967

00:35:35,430 --> 00:35:34,240

there these big wolves running around

968

00:35:38,630 --> 00:35:35,440

here i

969

00:35:41,910 --> 00:35:38,640

i don't know i mean possibly

970

00:35:42,950 --> 00:35:41,920

well i mean for the most part the koi

971

00:35:46,870 --> 00:35:42,960

walls that

972

00:35:49,109 --> 00:35:46,880

are being seen in pa or uh

973

00:35:49,910 --> 00:35:49,119

and and also other areas in fact i've

974

00:35:53,109 --> 00:35:49,920

talked to people

975

00:35:54,950 --> 00:35:53,119

and seen them up in maine and you know a

976

00:35:57,670 --> 00:35:54,960

few other areas

977

00:35:57,990 --> 00:35:57,680

uh i mean they look a lot like a coyote

978

00:36:00,310 --> 00:35:58,000

you know

979

00:36:01,030 --> 00:36:00,320

but they do have that wolf look to them

980

00:36:04,390 --> 00:36:01,040

and

981

00:36:07,430 --> 00:36:04,400

bigger

982

00:36:10,230 --> 00:36:07,440

and thicker tail and uh

983

00:36:10,550 --> 00:36:10,240

they are somewhat aggressive right

984

00:36:12,550 --> 00:36:10,560

because

985

00:36:14,950 --> 00:36:12,560

you know coyote isn't really that

986

00:36:16,790 --> 00:36:14,960

aggressive unless it's you know it's

987

00:36:18,150 --> 00:36:16,800

you know they're going after food or

988

00:36:19,990 --> 00:36:18,160

something or something that's already

989

00:36:23,030 --> 00:36:20,000

been killed or scavenged

990

00:36:26,310 --> 00:36:23,040

but uh as far as

991

00:36:27,270 --> 00:36:26,320

walking up on somebody and just standing

992

00:36:30,710 --> 00:36:27,280

its ground

993

00:36:34,150 --> 00:36:30,720

that's unusual for a coyote right

994

00:36:36,550 --> 00:36:34,160

i you know and apparently that's that's

995

00:36:37,910 --> 00:36:36,560

a lot of what's going on so i was

996

00:36:40,870 --> 00:36:37,920

interested if you guys have been

997

00:36:43,190 --> 00:36:40,880

experiencing that up there

998

00:36:44,790 --> 00:36:43,200

yeah not not anything to i mean you know

999

00:36:46,230 --> 00:36:44,800

we here are coyotes actually i could

1000

00:36:47,349 --> 00:36:46,240

walk out my back door

1001

00:36:50,550 --> 00:36:47,359

as a matter of fact last night i

1002

00:36:53,430 --> 00:36:50,560

recorded uh just packs of them two

1003

00:36:54,230 --> 00:36:53,440

two sets they were just going crazy and

1004

00:36:55,670 --> 00:36:54,240

it's like

1005

00:36:57,270 --> 00:36:55,680

you know you see your subdivision and

1006

00:37:00,390 --> 00:36:57,280

they're just there

1007

00:37:01,109 --> 00:37:00,400

you know so uh but as far you know as

1008

00:37:03,349 --> 00:37:01,119

far as

1009

00:37:04,150 --> 00:37:03,359

the wolves themselves know that nothing

1010

00:37:07,349 --> 00:37:04,160

i'm aware of

1011

00:37:10,150 --> 00:37:07,359

at least nobody's reporting them

1012

00:37:11,750 --> 00:37:10,160

okay yeah i was just interested i i

1013

00:37:14,390 --> 00:37:11,760

didn't know what um

1014

00:37:15,910 --> 00:37:14,400

what you guys were running into now you

1015

00:37:19,030 --> 00:37:15,920

you mentioned linda

1016

00:37:22,470 --> 00:37:19,040

um now i know you and linda were

1017

00:37:23,510 --> 00:37:22,480

investigating this about what about a

1018

00:37:27,030 --> 00:37:23,520

year ago this

1019

00:37:29,270 --> 00:37:27,040

uh this candid type odd thing

1020

00:37:31,270 --> 00:37:29,280

i don't know it was a dog man or a type

1021

00:37:33,349 --> 00:37:31,280

of wolf or whatever

1022

00:37:34,470 --> 00:37:33,359

uh you know what i'm talking about could

1023

00:37:36,870 --> 00:37:34,480

you explain what

1024

00:37:37,670 --> 00:37:36,880

you guys were going after that time well

1025

00:37:39,190 --> 00:37:37,680

you know what i

1026

00:37:41,510 --> 00:37:39,200

would i would love to but this is

1027

00:37:44,150 --> 00:37:41,520

actually uh part of linda's research

1028

00:37:44,710 --> 00:37:44,160

okay and um you know with that i

1029

00:37:48,150 --> 00:37:44,720

definitely

1030

00:37:50,950 --> 00:37:48,160

yes i respect her research and keep her

1031

00:37:52,710 --> 00:37:50,960

confidentiality with her clients but uh

1032

00:37:53,910 --> 00:37:52,720

but yes i mean you you're you're on the

1033

00:37:55,829 --> 00:37:53,920

right track because i know that you've

1034

00:37:58,550 --> 00:37:55,839

talked to both of us on that

1035

00:38:00,230 --> 00:37:58,560

yeah yeah it seems like it's something

1036

00:38:02,710 --> 00:38:00,240

unusual i uh

1037

00:38:04,950 --> 00:38:02,720

you know i since you know butch and i

1038

00:38:06,950 --> 00:38:04,960

have been working on this thing in pa

1039

00:38:09,430 --> 00:38:06,960

with the dog man and stuff uh you know a

1040

00:38:13,349 --> 00:38:09,440

lot of sightings up here

1041

00:38:15,829 --> 00:38:13,359

lot of weird sightings too

1042

00:38:17,510 --> 00:38:15,839

and uh you know we're just comparing

1043

00:38:18,150 --> 00:38:17,520

notes now because any type of

1044

00:38:20,790 --> 00:38:18,160

information

1045

00:38:22,790 --> 00:38:20,800

we can get that you know can kind of

1046

00:38:23,430 --> 00:38:22,800

help us hone down to what we're running

1047

00:38:27,109 --> 00:38:23,440

into

1048

00:38:29,349 --> 00:38:27,119

or what what people are reporting well

1049

00:38:30,950 --> 00:38:29,359

exactly and the thing is i know that you

1050

00:38:32,870 --> 00:38:30,960

know you get um

1051

00:38:34,550 --> 00:38:32,880

you know the great deal of the reports

1052

00:38:35,510 --> 00:38:34,560

as well as linda does out here in

1053

00:38:38,790 --> 00:38:35,520

wisconsin

1054

00:38:41,190 --> 00:38:38,800

um i've also started up with um my own

1055

00:38:43,910 --> 00:38:41,200

little uh reported campaign

1056

00:38:45,990 --> 00:38:43,920

um because i mean right now i'm not real

1057

00:38:47,589 --> 00:38:46,000

writing any books or blogging or

1058

00:38:48,150 --> 00:38:47,599

anything like that this is actually kind

1059

00:38:52,310 --> 00:38:48,160

of

1060

00:38:54,550 --> 00:38:52,320

hunting the truth

1061

00:38:56,230 --> 00:38:54,560

and to be able to help you know validate

1062

00:38:56,790 --> 00:38:56,240

the people that are seeing these to be

1063

00:38:59,349 --> 00:38:56,800

able to come

1064

00:38:59,990 --> 00:38:59,359

forward uh you know without any judgment

1065

00:39:01,510 --> 00:39:00,000

because

1066

00:39:03,030 --> 00:39:01,520

believe me this the stuff that i'm

1067

00:39:06,069 --> 00:39:03,040

seeing out in the kettle

1068

00:39:08,710 --> 00:39:06,079

doesn't just stop with a creeper

1069

00:39:10,470 --> 00:39:08,720

or what you think a bigfoot would be

1070

00:39:10,790 --> 00:39:10,480

we're getting a little bit on the side

1071

00:39:13,990 --> 00:39:10,800

of the

1072

00:39:17,270 --> 00:39:14,000

the paranormal side of um of

1073

00:39:18,310 --> 00:39:17,280

being able to witness uh actual white

1074

00:39:21,270 --> 00:39:18,320

orbs

1075

00:39:22,790 --> 00:39:21,280

out in the woods with this activity

1076

00:39:25,030 --> 00:39:22,800

being around

1077

00:39:26,230 --> 00:39:25,040

um i've only seen it three times in the

1078

00:39:28,870 --> 00:39:26,240

past three years but

1079

00:39:30,150 --> 00:39:28,880

it's fascinating actually um uh the last

1080

00:39:33,190 --> 00:39:30,160

time that uh mary

1081

00:39:35,510 --> 00:39:33,200

me and mary marshall of paranormal md

1082

00:39:37,589 --> 00:39:35,520

uh she actually has been networking and

1083

00:39:38,470 --> 00:39:37,599

uh with me and researching getting her

1084

00:39:41,030 --> 00:39:38,480

away from the

1085

00:39:41,990 --> 00:39:41,040

the uh the city ghost hunts getting her

1086

00:39:45,190 --> 00:39:42,000

out in the woods looking

1087

00:39:47,109 --> 00:39:45,200

for a you know a nine foot creature but

1088

00:39:49,030 --> 00:39:47,119

uh the last time we were out there we

1089

00:39:52,069 --> 00:39:49,040

saw an amazing

1090

00:39:55,349 --> 00:39:52,079

display of these white

1091

00:39:57,430 --> 00:39:55,359

like they were like kind of a dull fused

1092

00:39:59,750 --> 00:39:57,440

wall of lights that were kind of just

1093

00:40:03,030 --> 00:39:59,760

popping high and low

1094

00:40:05,750 --> 00:40:03,040

um it was just crazy and the thing is we

1095

00:40:07,670 --> 00:40:05,760

we didn't film it it was dark but we're

1096

00:40:08,870 --> 00:40:07,680

just sitting there in awe of what's

1097

00:40:10,309 --> 00:40:08,880

going on but

1098

00:40:12,630 --> 00:40:10,319

after she saw them that actually

1099

00:40:14,390 --> 00:40:12,640

validates uh some things that me and

1100

00:40:15,829 --> 00:40:14,400

some other researchers have seen over

1101

00:40:18,790 --> 00:40:15,839

the past couple years

1102

00:40:19,589 --> 00:40:18,800

um in a different area but the same

1103

00:40:23,109 --> 00:40:19,599

neighboring

1104

00:40:23,990 --> 00:40:23,119

kettle um and we we can't explain them

1105

00:40:26,710 --> 00:40:24,000

we don't know

1106

00:40:27,670 --> 00:40:26,720

what we're what we're dealing with now

1107

00:40:29,829 --> 00:40:27,680

um

1108

00:40:30,870 --> 00:40:29,839

you know is this uh you know native

1109

00:40:34,230 --> 00:40:30,880

american

1110

00:40:36,069 --> 00:40:34,240

you know burial mounds or is this um

1111

00:40:37,829 --> 00:40:36,079

you know you hear the theories of

1112

00:40:41,430 --> 00:40:37,839

portals even though their

1113

00:40:42,950 --> 00:40:41,440

hypothesis you know and now proven um

1114

00:40:44,630 --> 00:40:42,960

we don't know what we're dealing with

1115

00:40:45,030 --> 00:40:44,640

but that's why we keep going out there

1116

00:40:47,109 --> 00:40:45,040

with

1117

00:40:48,550 --> 00:40:47,119

all of our different pieces of equipment

1118

00:40:50,470 --> 00:40:48,560

is to uh just

1119

00:40:52,630 --> 00:40:50,480

keep peeling that onion you know see

1120

00:40:54,630 --> 00:40:52,640

what we can find

1121

00:40:56,230 --> 00:40:54,640

well you know i think a lot of

1122

00:40:58,470 --> 00:40:56,240

researchers can kind of verify

1123

00:40:59,349 --> 00:40:58,480

that as well because well and i just

1124

00:41:03,109 --> 00:40:59,359

think of the area

1125

00:41:06,470 --> 00:41:03,119

where p.a pennsylvania bigfoot um

1126

00:41:08,950 --> 00:41:06,480

has a research up there in rockton

1127

00:41:10,870 --> 00:41:08,960

and uh some of the stuff that they told

1128

00:41:12,630 --> 00:41:10,880

me of that they've seen up there

1129

00:41:14,470 --> 00:41:12,640

and some other areas of people that

1130

00:41:16,150 --> 00:41:14,480

experience all kinds of different

1131

00:41:17,750 --> 00:41:16,160

phenomena in one area

1132

00:41:19,430 --> 00:41:17,760

i mean they'd be out there bigfoot

1133

00:41:21,750 --> 00:41:19,440

hunting and

1134

00:41:23,190 --> 00:41:21,760

they've got the typical bigfoot sign

1135

00:41:25,589 --> 00:41:23,200

stuff being thrown and

1136

00:41:27,109 --> 00:41:25,599

this and that but then they they start

1137

00:41:31,190 --> 00:41:27,119

seeing lights

1138

00:41:34,950 --> 00:41:31,200

uh other phenomena weird sounds

1139

00:41:37,750 --> 00:41:34,960

shadows the lights are reported a lot

1140

00:41:39,589 --> 00:41:37,760

actually but yet but but yet it doesn't

1141

00:41:42,230 --> 00:41:39,599

seem like a lot of people

1142

00:41:42,790 --> 00:41:42,240

want to talk about it it seems like the

1143

00:41:44,710 --> 00:41:42,800

ghost

1144

00:41:46,470 --> 00:41:44,720

people don't want to talk to the ufo

1145

00:41:48,150 --> 00:41:46,480

people the ufo people don't want to talk

1146

00:41:49,990 --> 00:41:48,160

to the crypto zoologist

1147

00:41:51,430 --> 00:41:50,000

you know it's kind of this circle where

1148

00:41:53,270 --> 00:41:51,440

we're all studying

1149

00:41:54,790 --> 00:41:53,280

pretty much the truth we're trying to

1150

00:41:57,270 --> 00:41:54,800

get to the bottom of it

1151  
00:41:58,390 --> 00:41:57,280  
but yet nobody wants to collaborate

1152  
00:42:00,710 --> 00:41:58,400  
these efforts

1153  
00:42:01,990 --> 00:42:00,720  
to see if is it possible that they're

1154  
00:42:03,750 --> 00:42:02,000  
all connected

1155  
00:42:05,190 --> 00:42:03,760  
you know i mean everything from ghosts

1156  
00:42:07,589 --> 00:42:05,200  
to ufos to cryptids

1157  
00:42:09,190 --> 00:42:07,599  
well i can say you know with a certain

1158  
00:42:10,550 --> 00:42:09,200  
amount of uh

1159  
00:42:12,390 --> 00:42:10,560  
you know authority that a lot of

1160  
00:42:14,630 --> 00:42:12,400  
researchers in pennsylvania

1161  
00:42:16,950 --> 00:42:14,640  
that investigate bigfoot they

1162  
00:42:18,390 --> 00:42:16,960  
investigate the whole spectrum

1163  
00:42:20,470 --> 00:42:18,400

but then you get a lot of research in

1164

00:42:22,069 --> 00:42:20,480

pennsylvania that you know you go

1165

00:42:23,589 --> 00:42:22,079

outside the state and you don't talk to

1166

00:42:24,470 --> 00:42:23,599

another researcher from pennsylvania

1167

00:42:25,829 --> 00:42:24,480

they're like hmm

1168

00:42:28,150 --> 00:42:25,839

you know some of those pennsylvanians

1169

00:42:30,630 --> 00:42:28,160

are a little nuts stan gordon

1170

00:42:32,470 --> 00:42:30,640

gets that a lot and stan is probably one

1171

00:42:34,069 --> 00:42:32,480

of the most respected researchers in

1172

00:42:36,550 --> 00:42:34,079

terms of his approach and

1173

00:42:38,470 --> 00:42:36,560

for the tenure you know over 50 years of

1174

00:42:41,190 --> 00:42:38,480

researching these phenomena

1175

00:42:43,109 --> 00:42:41,200

and uh he still leaves it open to

1176

00:42:45,270 --> 00:42:43,119

interpretation he'll never say that's

1177

00:42:47,430 --> 00:42:45,280

what it is he'll hint he'll suggest

1178

00:42:48,550 --> 00:42:47,440

but he'll never come out and say it you

1179

00:42:50,950 --> 00:42:48,560

know even myself

1180

00:42:51,589 --> 00:42:50,960

i kind of like to keep all these

1181

00:42:54,069 --> 00:42:51,599

different

1182

00:42:54,790 --> 00:42:54,079

uh facets separate i don't like to

1183

00:42:58,069 --> 00:42:54,800

connect them

1184

00:42:59,750 --> 00:42:58,079

i i just personally uh you know like to

1185

00:43:01,670 --> 00:42:59,760

keep each one of my categories set

1186

00:43:03,109 --> 00:43:01,680

separate but there's some times where i

1187

00:43:05,349 --> 00:43:03,119

scratch my head and wonder

1188

00:43:06,470 --> 00:43:05,359

hmm is there a connection with some of

1189

00:43:09,109 --> 00:43:06,480

these things

1190

00:43:11,750 --> 00:43:09,119

exactly i'm right there with you it's i

1191

00:43:14,710 --> 00:43:11,760

i like to keep everything as

1192

00:43:15,510 --> 00:43:14,720

realistically and unknown it's so easy

1193

00:43:18,630 --> 00:43:15,520

to say

1194

00:43:20,309 --> 00:43:18,640

it's classic bigfoot activity right so

1195

00:43:22,069 --> 00:43:20,319

let's label it bigfoot but

1196

00:43:24,710 --> 00:43:22,079

you know i guess not until you

1197

00:43:27,349 --> 00:43:24,720

personally are standing in front of

1198

00:43:28,150 --> 00:43:27,359

you know the supposed myth to be able to

1199

00:43:31,910 --> 00:43:28,160

say

1200

00:43:34,870 --> 00:43:31,920

okay i see you you are there now

1201  
00:43:36,150 --> 00:43:34,880  
that opens up another can of worms of

1202  
00:43:38,470 --> 00:43:36,160  
questions of

1203  
00:43:40,150 --> 00:43:38,480  
what are you where did you come from

1204  
00:43:41,990 --> 00:43:40,160  
right you know you you

1205  
00:43:43,589 --> 00:43:42,000  
can discover it and say yeah it's it

1206  
00:43:45,750 --> 00:43:43,599  
does exist i mean

1207  
00:43:47,430 --> 00:43:45,760  
all these claims all over the world land

1208  
00:43:49,829 --> 00:43:47,440  
you can you can vouch for it i mean

1209  
00:43:51,430 --> 00:43:49,839  
everybody who's sending you reports or

1210  
00:43:54,069 --> 00:43:51,440  
or to linda i mean we're not

1211  
00:43:55,589 --> 00:43:54,079  
they're not all crazy or they can't be

1212  
00:43:58,630 --> 00:43:55,599  
all misidentifications

1213  
00:44:00,069 --> 00:43:58,640

some could sure but not all of them

1214

00:44:02,150 --> 00:44:00,079

you know and that that's where i'm kind

1215

00:44:03,910 --> 00:44:02,160

of stuck right now is

1216

00:44:05,190 --> 00:44:03,920

these are all possibilities it's that

1217

00:44:07,589 --> 00:44:05,200

poster on the wall

1218

00:44:09,270 --> 00:44:07,599

on the x-files i want to believe and i

1219

00:44:10,069 --> 00:44:09,280

and i'm and i'm there with you i want to

1220

00:44:11,829 --> 00:44:10,079

believe

1221

00:44:14,790 --> 00:44:11,839

but sometimes i see i need something

1222

00:44:18,390 --> 00:44:14,800

more than just my desire

1223

00:44:20,630 --> 00:44:18,400

right i i i i will say

1224

00:44:21,510 --> 00:44:20,640

as opposed to what i used to get years

1225

00:44:24,309 --> 00:44:21,520

and years ago

1226

00:44:25,589 --> 00:44:24,319

as far as citing reports and witness

1227

00:44:28,790 --> 00:44:25,599

reports and accounts

1228

00:44:30,390 --> 00:44:28,800

um there is a mixed bag now and a lot of

1229

00:44:30,710 --> 00:44:30,400

stuff i get in fact you know it's just

1230

00:44:36,309 --> 00:44:30,720

not

1231

00:44:38,550 --> 00:44:36,319

several phenomena several different

1232

00:44:41,109 --> 00:44:38,560

types of phenomena at one time

1233

00:44:41,670 --> 00:44:41,119

uh it's not your standard well i saw

1234

00:44:44,870 --> 00:44:41,680

this

1235

00:44:45,510 --> 00:44:44,880

and that was it there's always for the

1236

00:44:49,030 --> 00:44:45,520

most

1237

00:44:50,870 --> 00:44:49,040

or something else tied to it and uh

1238

00:44:52,150 --> 00:44:50,880

you know that's that's the reason why i

1239

00:44:54,230 --> 00:44:52,160

do believe

1240

00:44:56,710 --> 00:44:54,240

that there there is a there's a thread

1241

00:44:58,550 --> 00:44:56,720

to a lot of this i mean uh

1242

00:44:59,990 --> 00:44:58,560

you know just like me i was going back

1243

00:45:01,589 --> 00:45:00,000

to what i was saying about rockton i

1244

00:45:03,190 --> 00:45:01,599

mean those guys have been up there and

1245

00:45:04,069 --> 00:45:03,200

they have experienced so many weird

1246

00:45:06,390 --> 00:45:04,079

things up there

1247

00:45:08,230 --> 00:45:06,400

i have it's a hot zone yeah i know you

1248

00:45:10,309 --> 00:45:08,240

have and uh it's a hot zone

1249

00:45:11,510 --> 00:45:10,319

and it's just like a lot of other places

1250

00:45:13,430 --> 00:45:11,520

that

1251  
00:45:16,230 --> 00:45:13,440  
you know we have investigator places

1252  
00:45:18,550 --> 00:45:16,240  
that we plan to investigate this year

1253  
00:45:19,829 --> 00:45:18,560  
that the phenomena isn't just one thing

1254  
00:45:22,870 --> 00:45:19,839  
it's several things

1255  
00:45:25,270 --> 00:45:22,880  
i have to tell you and for the most part

1256  
00:45:27,990 --> 00:45:25,280  
there has also been a lot of activity as

1257  
00:45:32,630 --> 00:45:28,000  
far as ufo and unexplained

1258  
00:45:33,990 --> 00:45:32,640  
uh aerial phenomena that is starting to

1259  
00:45:36,390 --> 00:45:34,000  
tie into these things people are

1260  
00:45:38,790 --> 00:45:36,400  
noticing it as well

1261  
00:45:39,829 --> 00:45:38,800  
so uh i mean what's that mean i don't

1262  
00:45:44,309 --> 00:45:39,839  
know

1263  
00:45:45,910 --> 00:45:44,319

same thing

1264

00:45:48,550 --> 00:45:45,920

uh but you know a lot of people just are

1265

00:45:51,910 --> 00:45:48,560

trying to ignore stan what he was saying

1266

00:45:53,750 --> 00:45:51,920

and you can quite frankly yeah

1267

00:45:55,670 --> 00:45:53,760

he's right i mean there's a lot of weird

1268

00:45:56,230 --> 00:45:55,680

stuff going on there that just doesn't

1269

00:45:59,990 --> 00:45:56,240

ex

1270

00:46:03,349 --> 00:46:00,000

people that are seeing

1271

00:46:06,550 --> 00:46:03,359

it they're they're bona fide witnesses

1272

00:46:08,470 --> 00:46:06,560

and i i really at the point now where i

1273

00:46:10,470 --> 00:46:08,480

i just don't ignore anything i mean i

1274

00:46:11,990 --> 00:46:10,480

will check into it and i will

1275

00:46:13,589 --> 00:46:12,000

try to verify and there are a lot of

1276

00:46:15,349 --> 00:46:13,599

things i get sometimes that just

1277

00:46:17,270 --> 00:46:15,359

you know you know aren't true and you

1278

00:46:20,550 --> 00:46:17,280

know you just throw it out but

1279

00:46:22,230 --> 00:46:20,560

for the most part uh people

1280

00:46:23,990 --> 00:46:22,240

believe they see something they try to

1281

00:46:25,910 --> 00:46:24,000

explain and they want answers

1282

00:46:27,670 --> 00:46:25,920

and that's what they called us you're

1283

00:46:27,990 --> 00:46:27,680

right right right but you know i i

1284

00:46:30,790 --> 00:46:28,000

always

1285

00:46:32,710 --> 00:46:30,800

go back to even though it's classic

1286

00:46:35,109 --> 00:46:32,720

who's throwing the rocks

1287

00:46:36,069 --> 00:46:35,119

out of the woods now i i can tell you

1288

00:46:38,309 --> 00:46:36,079

though one

1289

00:46:39,190 --> 00:46:38,319

kind of funny story uh when linda and i

1290

00:46:41,190 --> 00:46:39,200

were out uh

1291

00:46:42,230 --> 00:46:41,200

a different trip up and uh up in the

1292

00:46:45,349 --> 00:46:42,240

kettle

1293

00:46:47,910 --> 00:46:45,359

and uh we thought why not just kind of

1294

00:46:49,589 --> 00:46:47,920

shake a a small sapling and kind of show

1295

00:46:50,870 --> 00:46:49,599

some aggression aggression like a

1296

00:46:52,710 --> 00:46:50,880

gorilla

1297

00:46:54,069 --> 00:46:52,720

so actually linda goes up to it and it's

1298

00:46:55,910 --> 00:46:54,079

not that big of a sapling and

1299

00:46:58,230 --> 00:46:55,920

she kind of shakes it for a real good

1300

00:46:59,670 --> 00:46:58,240

shake and then she said hey you know why

1301

00:47:01,030 --> 00:46:59,680

don't you give it a try

1302

00:47:02,950 --> 00:47:01,040

you know you're you're bigger you're

1303

00:47:05,750 --> 00:47:02,960

stronger just give it all you got

1304

00:47:07,190 --> 00:47:05,760

so i'm there and i've got my hat on my

1305

00:47:07,670 --> 00:47:07,200

sunglasses were on top of my head and

1306

00:47:10,069 --> 00:47:07,680

i'm just

1307

00:47:11,750 --> 00:47:10,079

shaking this thing like you know come on

1308

00:47:12,870 --> 00:47:11,760

you see me out there

1309

00:47:14,309 --> 00:47:12,880

and next thing i know because i'm

1310

00:47:15,670 --> 00:47:14,319

looking down i don't want anything to

1311

00:47:18,390 --> 00:47:15,680

fall on my face

1312

00:47:19,990 --> 00:47:18,400

and uh all of a sudden my sunglasses

1313

00:47:21,589 --> 00:47:20,000

fall down and i i'm still looking at

1314

00:47:22,870 --> 00:47:21,599

them and i'm still shaking

1315

00:47:24,870 --> 00:47:22,880

and all of a sudden i feel like this

1316

00:47:27,670 --> 00:47:24,880

knot on it like on the side of my head

1317

00:47:29,430 --> 00:47:27,680

and i stop and i get up and linda's you

1318

00:47:31,030 --> 00:47:29,440

know out on the trail i walk over to her

1319

00:47:31,829 --> 00:47:31,040

and i'm kind of rubbing my head and i'm

1320

00:47:33,589 --> 00:47:31,839

like

1321

00:47:35,270 --> 00:47:33,599

i don't i don't know i think i i felt

1322

00:47:37,030 --> 00:47:35,280

like gilligan from gilligan's island

1323

00:47:38,069 --> 00:47:37,040

like i shake the coconut loops or

1324

00:47:40,790 --> 00:47:38,079

something

1325

00:47:41,270 --> 00:47:40,800

and uh i mean it was it was really weird

1326

00:47:43,190 --> 00:47:41,280

and

1327

00:47:44,630 --> 00:47:43,200

um i noticed there was a pine cone on

1328

00:47:45,990 --> 00:47:44,640

the ground where i was shaking and

1329

00:47:47,990 --> 00:47:46,000

i walked over to it and picked the pine

1330

00:47:49,589 --> 00:47:48,000

cone up the thing is the walk like

1331

00:47:51,589 --> 00:47:49,599

there was no weight to it didn't weigh

1332

00:47:53,349 --> 00:47:51,599

an ounce then i started noticing well

1333

00:47:56,230 --> 00:47:53,359

this was a sapling it wasn't even a

1334

00:47:57,510 --> 00:47:56,240

pine cone you know pine tree and all of

1335

00:47:58,390 --> 00:47:57,520

a sudden i'm looking around and there's

1336

00:48:01,190 --> 00:47:58,400

nothing on the ground

1337

00:48:02,390 --> 00:48:01,200

i'm like what hit my head now my head

1338

00:48:06,069 --> 00:48:02,400

hurt for the next

1339

00:48:06,790 --> 00:48:06,079

four hours after that so the only thing

1340

00:48:10,790 --> 00:48:06,800

i can

1341

00:48:13,829 --> 00:48:10,800

result on possibly is it was

1342

00:48:15,270 --> 00:48:13,839

a rock or a heavy object hit me when it

1343

00:48:16,470 --> 00:48:15,280

did that i mean again there was no

1344

00:48:18,150 --> 00:48:16,480

branches that fell

1345

00:48:19,990 --> 00:48:18,160

nothing like that that fell out of the

1346

00:48:21,589 --> 00:48:20,000

tree there was no bird nest with you

1347

00:48:23,750 --> 00:48:21,599

know marble-sized

1348

00:48:24,630 --> 00:48:23,760

you know eggs out of a nest nothing hit

1349

00:48:28,069 --> 00:48:24,640

me like that

1350

00:48:29,030 --> 00:48:28,079

um but again we never found a rock so we

1351

00:48:31,030 --> 00:48:29,040

can only

1352

00:48:32,390 --> 00:48:31,040

speculate well it wasn't a wheat until a

1353

00:48:35,190 --> 00:48:32,400

week later

1354

00:48:35,990 --> 00:48:35,200

uh when we and investigator uh sanjay

1355

00:48:37,510 --> 00:48:36,000

singhal

1356

00:48:39,030 --> 00:48:37,520

were actually walking into one of our

1357

00:48:40,470 --> 00:48:39,040

areas um

1358

00:48:42,790 --> 00:48:40,480

actually first time investigating with

1359

00:48:45,349 --> 00:48:42,800

sanjay it was a really good time

1360

00:48:46,950 --> 00:48:45,359

all of a sudden we're getting it sounded

1361

00:48:49,190 --> 00:48:46,960

like acorns being

1362

00:48:50,950 --> 00:48:49,200

dropped out of a tree except that they

1363

00:48:52,230 --> 00:48:50,960

weren't falling down they were going

1364

00:48:55,510 --> 00:48:52,240

through the trees

1365

00:48:57,270 --> 00:48:55,520

so they were being curled and

1366

00:48:58,950 --> 00:48:57,280

so we're walking a little bit longer and

1367

00:49:00,630 --> 00:48:58,960

finally i got fed up with it i pick up a

1368

00:49:02,150 --> 00:49:00,640

medium-sized rock and i

1369

00:49:05,109 --> 00:49:02,160

i heave it back into the woods and it

1370

00:49:07,990 --> 00:49:05,119

has hits a tree makes a nice sound and

1371

00:49:09,270 --> 00:49:08,000

sanji is like hey that was good yeah

1372

00:49:10,549 --> 00:49:09,280

watch now they're going to peg me

1373

00:49:13,109 --> 00:49:10,559

because i threw the rock

1374

00:49:15,589 --> 00:49:13,119

by the time i said rock a bunch of rocks

1375

00:49:17,910 --> 00:49:15,599

came hurling right at my feet

1376

00:49:20,390 --> 00:49:17,920

yes so you know what i mean we can sit

1377

00:49:23,109 --> 00:49:20,400

here and try to say

1378

00:49:24,790 --> 00:49:23,119

you know that you know there's a person

1379

00:49:28,069 --> 00:49:24,800

out there who's following me around

1380

00:49:28,630 --> 00:49:28,079

doing this is it possible i guess but i

1381

00:49:30,470 --> 00:49:28,640

don't

1382

00:49:32,230 --> 00:49:30,480

announce when i'm going where i'm doing

1383

00:49:35,030 --> 00:49:32,240

my research so

1384

00:49:36,150 --> 00:49:35,040

uh it's things like that who's throwing

1385

00:49:38,630 --> 00:49:36,160

the rocks you know

1386

00:49:40,549 --> 00:49:38,640

who's banging the trees who's doing

1387

00:49:43,589 --> 00:49:40,559

these weird vocalizations that no

1388

00:49:46,790 --> 00:49:43,599

known animal here in southeast wisconsin

1389

00:49:48,630 --> 00:49:46,800

you know can pick up so

1390

00:49:49,829 --> 00:49:48,640

this is the part where i say i'm not a

1391

00:49:51,510 --> 00:49:49,839

crypto zoologist

1392

00:49:54,630 --> 00:49:51,520

i'm a truthologist i'm going to get to

1393

00:49:58,309 --> 00:49:54,640

the bottom of this i want to i'd like to

1394

00:50:00,950 --> 00:49:58,319

like sean was saying i want to believe

1395

00:50:01,990 --> 00:50:00,960

but i'm still not seeing it so i've got

1396

00:50:04,870 --> 00:50:02,000

to be skeptical

1397

00:50:06,470 --> 00:50:04,880

be open-minded and just keep approaching

1398

00:50:08,390 --> 00:50:06,480

my research with you know

1399

00:50:09,750 --> 00:50:08,400

the best intent of you know hunting the

1400

00:50:11,589 --> 00:50:09,760

truth

1401  
00:50:13,030 --> 00:50:11,599  
have you guys ever taken a clairvoyant

1402  
00:50:16,069 --> 00:50:13,040  
out there with you

1403  
00:50:19,589 --> 00:50:16,079  
uh i have not not not out there no

1404  
00:50:20,630 --> 00:50:19,599  
i i was telling linda that a long time

1405  
00:50:23,030 --> 00:50:20,640  
before i even never

1406  
00:50:24,630 --> 00:50:23,040  
i never uh before i ever heard her talk

1407  
00:50:28,150 --> 00:50:24,640  
about kettle marine

1408  
00:50:29,589 --> 00:50:28,160  
i i used to get some really odd ufo

1409  
00:50:31,910 --> 00:50:29,599  
reports out there

1410  
00:50:32,870 --> 00:50:31,920  
oh yeah yeah i mean there were a lot of

1411  
00:50:35,910 --> 00:50:32,880  
weird reports

1412  
00:50:39,910 --> 00:50:35,920  
i mean actually craft in fact i had a

1413  
00:50:42,390 --> 00:50:39,920

landing a landing report from there oh

1414

00:50:45,270 --> 00:50:42,400

god about 10 years ago

1415

00:50:46,790 --> 00:50:45,280

and uh the guy even drew me a map i got

1416

00:50:51,190 --> 00:50:46,800

to dig that map up

1417

00:50:52,630 --> 00:50:51,200

and uh i was just wondering if you had

1418

00:50:54,549 --> 00:50:52,640

ever taken

1419

00:50:56,549 --> 00:50:54,559

kind of you know going on the fringe and

1420

00:50:58,309 --> 00:50:56,559

taking uh

1421

00:51:00,390 --> 00:50:58,319

taking a clairvoyant or intuitive out

1422

00:51:03,430 --> 00:51:00,400

there and seeing what they can pick up

1423

00:51:04,950 --> 00:51:03,440

yeah you know not not as of yet but my i

1424

00:51:05,589 --> 00:51:04,960

don't think my research is going to stop

1425

00:51:08,790 --> 00:51:05,599

anytime

1426  
00:51:12,549 --> 00:51:08,800  
soon um because the few reports that i

1427  
00:51:13,430 --> 00:51:12,559  
have been getting um i throw it out

1428  
00:51:16,670 --> 00:51:13,440  
there as in

1429  
00:51:18,230 --> 00:51:16,680  
reported you know at to uh wpi

1430  
00:51:21,430 --> 00:51:18,240  
hudsontruth.com

1431  
00:51:25,190 --> 00:51:21,440  
and it could be from anything from ghost

1432  
00:51:26,069 --> 00:51:25,200  
uh ufos bigfoot and i've been getting

1433  
00:51:29,670 --> 00:51:26,079  
tons of

1434  
00:51:33,190 --> 00:51:29,680  
um some ghost uh you know reports um

1435  
00:51:36,230 --> 00:51:33,200  
some ufos the triangular uh shaped

1436  
00:51:38,790 --> 00:51:36,240  
uh ufos up here some orange

1437  
00:51:39,589 --> 00:51:38,800  
uh fireballs that actually seem to be

1438  
00:51:42,069 --> 00:51:39,599

really bright

1439

00:51:44,630 --> 00:51:42,079

stop and then actually change direction

1440

00:51:45,670 --> 00:51:44,640

um on like a planning you know just a 90

1441

00:51:48,630 --> 00:51:45,680

degree turn

1442

00:51:49,510 --> 00:51:48,640

um you know and then again things like

1443

00:51:53,109 --> 00:51:49,520

uh

1444

00:51:56,390 --> 00:51:53,119

you know dogman um which again

1445

00:51:58,069 --> 00:51:56,400

don't seem to be around the same area

1446

00:52:01,349 --> 00:51:58,079

where you think it would be you know

1447

00:52:04,390 --> 00:52:01,359

on good old bray road but because

1448

00:52:05,109 --> 00:52:04,400

it is it's it's vast up here you know i

1449

00:52:07,910 --> 00:52:05,119

mean it's

1450

00:52:08,309 --> 00:52:07,920

it's incredible once you get out here

1451

00:52:09,910 --> 00:52:08,319

it's

1452

00:52:11,910 --> 00:52:09,920

you know if you're not in a car you are

1453

00:52:13,829 --> 00:52:11,920

just it's vast

1454

00:52:16,549 --> 00:52:13,839

that's all i can say you know i've spent

1455

00:52:19,190 --> 00:52:16,559

i you know i document everything i do

1456

00:52:20,950 --> 00:52:19,200

with all my reports um you know with

1457

00:52:23,030 --> 00:52:20,960

documentation of uh

1458

00:52:25,030 --> 00:52:23,040

any evidence uh who i've gone out with

1459

00:52:27,109 --> 00:52:25,040

with the dates and the time

1460

00:52:29,349 --> 00:52:27,119

and i was really shocked to see that i

1461

00:52:32,549 --> 00:52:29,359

was actually out in 2015

1462

00:52:33,750 --> 00:52:32,559

over 250 hours out of the field that's

1463

00:52:39,990 --> 00:52:33,760

not even

1464

00:52:42,150 --> 00:52:40,000

doing research um in my own spare time

1465

00:52:43,670 --> 00:52:42,160

this is actually being out in the field

1466

00:52:45,109 --> 00:52:43,680

it's like i don't want to

1467

00:52:46,710 --> 00:52:45,119

i don't want to read about it i don't

1468

00:52:48,870 --> 00:52:46,720

want to see a movie about it

1469

00:52:50,230 --> 00:52:48,880

you know documentary about it i want to

1470

00:52:52,790 --> 00:52:50,240

go out there i want to

1471

00:52:54,390 --> 00:52:52,800

be out there and uh so that's been

1472

00:52:55,829 --> 00:52:54,400

that's been my drive for the past three

1473

00:52:57,589 --> 00:52:55,839

years right now

1474

00:52:59,670 --> 00:52:57,599

well what what areas of the state you

1475

00:53:01,510 --> 00:52:59,680

concentrating on what parts

1476

00:53:03,910 --> 00:53:01,520

well i mean right now it'd be

1477

00:53:05,030 --> 00:53:03,920

southeastern wisconsin i'm also taking

1478

00:53:07,829 --> 00:53:05,040

any reports

1479

00:53:09,109 --> 00:53:07,839

you know from northern illinois uh you

1480

00:53:11,670 --> 00:53:09,119

know western

1481

00:53:12,790 --> 00:53:11,680

um and same thing uh you know i've done

1482

00:53:15,430 --> 00:53:12,800

some work out in

1483

00:53:16,390 --> 00:53:15,440

la crosse which would be uh western

1484

00:53:19,510 --> 00:53:16,400

wisconsin

1485

00:53:22,069 --> 00:53:19,520

um but i'm also getting reports as uh

1486

00:53:23,510 --> 00:53:22,079

you know going up to uh door county uh

1487

00:53:27,109 --> 00:53:23,520

green bay

1488

00:53:28,950 --> 00:53:27,119

and um iron mountain uh eagle waters

1489

00:53:32,710 --> 00:53:28,960

michigan paulding

1490

00:53:34,710 --> 00:53:32,720

where the appalling light is um so i

1491

00:53:36,230 --> 00:53:34,720

you know i'm i'm kind of i don't want to

1492

00:53:37,910 --> 00:53:36,240

say spread thin

1493

00:53:40,470 --> 00:53:37,920

but i am and i'm but i'm taking reports

1494

00:53:42,630 --> 00:53:40,480

wherever i can because i'm not going to

1495

00:53:43,510 --> 00:53:42,640

just take these reports and do nothing

1496

00:53:45,430 --> 00:53:43,520

with them

1497

00:53:46,710 --> 00:53:45,440

um this is where i'd like to be able to

1498

00:53:47,910 --> 00:53:46,720

share with somebody who's gonna be able

1499

00:53:49,670 --> 00:53:47,920

to help me like linda

1500

00:53:51,190 --> 00:53:49,680

you know contact her i i've actually had

1501

00:53:53,990 --> 00:53:51,200

somebody up in uh

1502

00:53:57,270 --> 00:53:54,000

uh the racine uh area where i've

1503

00:53:59,910 --> 00:53:57,280

actually have what looks like

1504

00:54:01,430 --> 00:53:59,920

it almost looks like the the biggest

1505

00:54:03,910 --> 00:54:01,440

goat print

1506

00:54:05,990 --> 00:54:03,920

or deer print or maybe bigger than an

1507

00:54:08,150 --> 00:54:06,000

elk print with a deep impression

1508

00:54:09,190 --> 00:54:08,160

where there's actually been some reports

1509

00:54:12,309 --> 00:54:09,200

in the past of

1510

00:54:13,349 --> 00:54:12,319

goat man up here so it's you know and

1511

00:54:14,549 --> 00:54:13,359

i'm working with a few different

1512

00:54:17,030 --> 00:54:14,559

researchers out

1513

00:54:19,990 --> 00:54:17,040

here regarding that too but it's just

1514

00:54:21,430 --> 00:54:20,000

it's all over the board

1515

00:54:24,630 --> 00:54:21,440

well i know you've been into a few

1516

00:54:25,910 --> 00:54:24,640

things i mean i i know you contacted me

1517

00:54:27,829 --> 00:54:25,920

i don't know how long it's been you were

1518

00:54:31,589 --> 00:54:27,839

talking about the pulling lights and

1519

00:54:33,030 --> 00:54:31,599

yes you remember that yeah

1520

00:54:35,030 --> 00:54:33,040

explain a little bit of what you

1521

00:54:36,630 --> 00:54:35,040

experienced when you were up there

1522

00:54:38,789 --> 00:54:36,640

well i'll tell you you know we were

1523

00:54:41,829 --> 00:54:38,799

going up there um

1524

00:54:42,630 --> 00:54:41,839

uh with uh aaron houdini a couple years

1525

00:54:45,030 --> 00:54:42,640

ago

1526  
00:54:45,670 --> 00:54:45,040  
and there's been so many people trying

1527  
00:54:48,710 --> 00:54:45,680  
to

1528  
00:54:49,510 --> 00:54:48,720  
debunk the paulding light uh and i don't

1529  
00:54:55,190 --> 00:54:49,520  
know if you've ever

1530  
00:54:58,950 --> 00:54:57,030  
there's a lot of reports that you get

1531  
00:55:00,309 --> 00:54:58,960  
the vantage point and you can sit there

1532  
00:55:02,789 --> 00:55:00,319  
and you see this

1533  
00:55:04,390 --> 00:55:02,799  
light or orb just kind of you know get

1534  
00:55:05,670 --> 00:55:04,400  
bigger looks like it's coming closer to

1535  
00:55:06,069 --> 00:55:05,680  
you and it looks like it goes right over

1536  
00:55:09,829 --> 00:55:06,079  
you

1537  
00:55:12,150 --> 00:55:09,839  
couple times i've been up there

1538  
00:55:14,309 --> 00:55:12,160

what you're seeing is you know um

1539

00:55:17,990 --> 00:55:14,319

headlights from almost seven miles

1540

00:55:19,349 --> 00:55:18,000

away um we've actually gone on two

1541

00:55:21,270 --> 00:55:19,359

two-way radios

1542

00:55:22,870 --> 00:55:21,280

and had somebody go seven miles away

1543

00:55:24,549 --> 00:55:22,880

with a green laser pen

1544

00:55:26,309 --> 00:55:24,559

and we were able to see it seven miles

1545

00:55:29,349 --> 00:55:26,319

away okay

1546

00:55:32,069 --> 00:55:29,359

so we're thinking okay you know

1547

00:55:33,109 --> 00:55:32,079

is it possible that you know we debunk

1548

00:55:36,789 --> 00:55:33,119

the paulding light

1549

00:55:39,510 --> 00:55:36,799

well it wasn't until the next day when

1550

00:55:40,069 --> 00:55:39,520

somebody approached uh showed me a

1551

00:55:42,630 --> 00:55:40,079

picture

1552

00:55:43,670 --> 00:55:42,640

that they took off the trail cam and i

1553

00:55:46,150 --> 00:55:43,680

think that's the one that i actually

1554

00:55:49,589 --> 00:55:46,160

shared with you to get your input on it

1555

00:55:51,990 --> 00:55:49,599

and it is the the bizzarrous thing

1556

00:55:53,109 --> 00:55:52,000

it's still unexplained that's all i can

1557

00:55:55,190 --> 00:55:53,119

tell you right now and

1558

00:55:56,630 --> 00:55:55,200

this has gone through some some really

1559

00:56:00,470 --> 00:55:56,640

top channels too

1560

00:56:01,030 --> 00:56:00,480

um but what is out there you know what i

1561

00:56:02,390 --> 00:56:01,040

mean

1562

00:56:05,349 --> 00:56:02,400

it's one of those things where you think

1563

00:56:07,910 --> 00:56:05,359

you can debunk it and prove it but

1564

00:56:09,589 --> 00:56:07,920

there it is all right i can't explain it

1565

00:56:10,150 --> 00:56:09,599

i think there's a time fold out there

1566

00:56:12,230 --> 00:56:10,160

somewhere

1567

00:56:14,870 --> 00:56:12,240

really be honest with you yeah i mean

1568

00:56:16,150 --> 00:56:14,880

you saw that picture i showed you

1569

00:56:17,910 --> 00:56:16,160

the woman that was driving through there

1570

00:56:22,390 --> 00:56:17,920

and the aliens showed up in their back

1571

00:56:25,270 --> 00:56:22,400

back right right yeah i mean you know

1572

00:56:26,870 --> 00:56:25,280

uh there's some weird stories well i'm

1573

00:56:29,349 --> 00:56:26,880

gonna i'm gonna tell you one of my weird

1574

00:56:29,990 --> 00:56:29,359

stories okay and it does have something

1575

00:56:33,430 --> 00:56:30,000

to do with

1576

00:56:35,430 --> 00:56:33,440

the elkhorn wisconsin area uh

1577

00:56:38,230 --> 00:56:35,440

i do a lot of patrolling up there and

1578

00:56:41,270 --> 00:56:38,240

believe me it's not called stalking

1579

00:56:42,710 --> 00:56:41,280

it's patrolling i've got three dash cams

1580

00:56:44,390 --> 00:56:42,720

in so many different directions they're

1581

00:56:46,390 --> 00:56:44,400

running 24 7.

1582

00:56:48,950 --> 00:56:46,400

you know i'm waiting to capture the holy

1583

00:56:52,230 --> 00:56:48,960

grail of something but i haven't yet

1584

00:56:52,789 --> 00:56:52,240

um and i'll drive you know moderately

1585

00:56:54,870 --> 00:56:52,799

slow

1586

00:56:57,109 --> 00:56:54,880

you know late friday night or saturday

1587

00:56:59,910 --> 00:56:57,119

night or whatnot when i'm up there

1588

00:57:01,109 --> 00:56:59,920

and uh i i was doing about maybe 15

1589

00:57:02,390 --> 00:57:01,119

miles an hour

1590

00:57:04,710 --> 00:57:02,400

now don't laugh at me because i don't

1591

00:57:08,069 --> 00:57:04,720

tell a lot of people this story

1592

00:57:09,670 --> 00:57:08,079

but i'm i'm driving and we're going

1593

00:57:12,870 --> 00:57:09,680

right past the field

1594

00:57:14,589 --> 00:57:12,880

and i swear on anything

1595

00:57:16,150 --> 00:57:14,599

that for a second i saw a

1596

00:57:19,750 --> 00:57:16,160

two-dimensional

1597

00:57:23,990 --> 00:57:19,760

it almost looked like a transparent

1598

00:57:26,230 --> 00:57:24,000

drawing of a standing wolf

1599

00:57:28,390 --> 00:57:26,240

with its arms bent in and its face

1600

00:57:29,670 --> 00:57:28,400

looking up towards the sky

1601  
00:57:31,990 --> 00:57:29,680  
for a second as a matter of fact i

1602  
00:57:33,030 --> 00:57:32,000  
slammed on the brakes i was with uh you

1603  
00:57:34,630 --> 00:57:33,040  
know another researcher

1604  
00:57:36,950 --> 00:57:34,640  
at the time and of course there's

1605  
00:57:38,390 --> 00:57:36,960  
nothing there so it's these things where

1606  
00:57:41,510 --> 00:57:38,400  
it's like okay is it

1607  
00:57:43,670 --> 00:57:41,520  
is it paradolia did my headlights hit up

1608  
00:57:46,150 --> 00:57:43,680  
you know a telephone pole weird did i

1609  
00:57:48,630 --> 00:57:46,160  
what did i see that doesn't happen

1610  
00:57:50,150 --> 00:57:48,640  
it doesn't happen with me because as

1611  
00:57:53,030 --> 00:57:50,160  
much as mulder's uh

1612  
00:57:54,069 --> 00:57:53,040  
uh poster as i want to believe i'm still

1613  
00:57:56,150 --> 00:57:54,079

to question it

1614

00:57:58,069 --> 00:57:56,160

and i still do but whatever it was

1615

00:57:58,549 --> 00:57:58,079

scared the crap out of me for a second

1616

00:58:00,309 --> 00:57:58,559

so

1617

00:58:02,789 --> 00:58:00,319

but it but it wasn't there it was there

1618

00:58:04,309 --> 00:58:02,799

for an instant

1619

00:58:05,990 --> 00:58:04,319

i didn't explain that you know i

1620

00:58:07,270 --> 00:58:06,000

wouldn't surprise me though i'd be quite

1621

00:58:11,349 --> 00:58:07,280

honest with you

1622

00:58:14,309 --> 00:58:11,359

uh over the years these

1623

00:58:15,589 --> 00:58:14,319

even with bigfoot reports or upright

1624

00:58:16,710 --> 00:58:15,599

candidate reports there have been

1625

00:58:17,589 --> 00:58:16,720

instances where people just seen

1626

00:58:19,910 --> 00:58:17,599

something

1627

00:58:21,670 --> 00:58:19,920

similar to that it's just for an instant

1628

00:58:22,710 --> 00:58:21,680

uh it's almost like you're looking into

1629

00:58:24,309 --> 00:58:22,720

another

1630

00:58:26,870 --> 00:58:24,319

you know you're looking beyond the veil

1631

00:58:28,789 --> 00:58:26,880

just for a second or it's showing itself

1632

00:58:30,230 --> 00:58:28,799

for a second and no that wouldn't

1633

00:58:32,549 --> 00:58:30,240

surprise me at all i wouldn't

1634

00:58:34,230 --> 00:58:32,559

yeah but but that's what i'm saying is

1635

00:58:36,789 --> 00:58:34,240

we we can talk about it

1636

00:58:38,390 --> 00:58:36,799

yeah i couldn't even tell my wife no

1637

00:58:41,589 --> 00:58:38,400

it's kind of like

1638

00:58:42,150 --> 00:58:41,599

stop doing what you're doing you're

1639

00:58:44,870 --> 00:58:42,160

getting

1640

00:58:45,270 --> 00:58:44,880

too far down the rabbit hole but you

1641

00:58:47,750 --> 00:58:45,280

know

1642

00:58:49,030 --> 00:58:47,760

it's things that i do take note of

1643

00:58:50,309 --> 00:58:49,040

because um

1644

00:58:52,710 --> 00:58:50,319

you know like i've always said we used

1645

00:58:53,910 --> 00:58:52,720

to do a lot of ghost investigation in

1646

00:58:55,190 --> 00:58:53,920

people's houses

1647

00:58:57,510 --> 00:58:55,200

you know when researchers go out

1648

00:58:59,430 --> 00:58:57,520

investigators go out to a house

1649

00:59:01,270 --> 00:58:59,440

you already have a suggestive thought

1650

00:59:02,470 --> 00:59:01,280

that there's a ghost there or something

1651  
00:59:03,910 --> 00:59:02,480  
paranormal

1652  
00:59:06,309 --> 00:59:03,920  
so you're already going in with that

1653  
00:59:07,750 --> 00:59:06,319  
suggestive thought and then it's funny

1654  
00:59:09,750 --> 00:59:07,760  
what the mind will do

1655  
00:59:11,030 --> 00:59:09,760  
especially if we are like molders and we

1656  
00:59:11,910 --> 00:59:11,040  
all want to believe if we want to

1657  
00:59:13,589 --> 00:59:11,920  
believe

1658  
00:59:15,190 --> 00:59:13,599  
there's a ghost you know when the fridge

1659  
00:59:17,109 --> 00:59:15,200  
turns on at 3am

1660  
00:59:18,870 --> 00:59:17,119  
it's gonna be a ghost or if something

1661  
00:59:20,390 --> 00:59:18,880  
creeps around us and does a circle we're

1662  
00:59:20,870 --> 00:59:20,400  
gonna think it's a bigfoot you know it's

1663  
00:59:24,150 --> 00:59:20,880

all

1664

00:59:26,950 --> 00:59:24,160

suggestive thought however um

1665

00:59:28,309 --> 00:59:26,960

you know i i try to go out there exactly

1666

00:59:28,870 --> 00:59:28,319

with that intention saying okay i know

1667

00:59:31,109 --> 00:59:28,880

what i'm doing

1668

00:59:32,630 --> 00:59:31,119

out here be skeptical it's an

1669

00:59:34,630 --> 00:59:32,640

uncontrolled environment

1670

00:59:36,069 --> 00:59:34,640

and then boom when something comes up

1671

00:59:38,309 --> 00:59:36,079

and it does come up

1672

00:59:39,510 --> 00:59:38,319

then i'm already trying to dismiss it

1673

00:59:42,710 --> 00:59:39,520

you know like

1674

00:59:45,030 --> 00:59:42,720

did i really see a transparent wolf

1675

00:59:45,990 --> 00:59:45,040

for i mean it literally was over seven

1676  
00:59:48,789 --> 00:59:46,000  
feet tall i i

1677  
00:59:49,990 --> 00:59:48,799  
remember seeing it so you know my am i

1678  
00:59:53,430 --> 00:59:50,000  
losing my mind

1679  
00:59:55,670 --> 00:59:53,440  
possibly you know or or maybe not but i

1680  
01:00:00,710 --> 00:59:55,680  
do take note of those things

1681  
01:00:02,870 --> 01:00:00,720  
so bizarre stuff

1682  
01:00:04,390 --> 01:00:02,880  
yeah i was you know i was just looking

1683  
01:00:07,109 --> 01:00:04,400  
on on a map right now

1684  
01:00:07,910 --> 01:00:07,119  
uh where the killer marine is i i just

1685  
01:00:11,030 --> 01:00:07,920  
forgot

1686  
01:00:11,510 --> 01:00:11,040  
where exactly it was and what port it

1687  
01:00:13,670 --> 01:00:11,520  
was and

1688  
01:00:15,430 --> 01:00:13,680

yeah that that's a hot area in there

1689

01:00:16,069 --> 01:00:15,440

yeah it seems that area right there

1690

01:00:18,549 --> 01:00:16,079

around

1691

01:00:19,829 --> 01:00:18,559

lake winnebago there there is a lot of

1692

01:00:23,430 --> 01:00:19,839

weird stuff

1693

01:00:25,510 --> 01:00:23,440

uh that happens around appleton down

1694

01:00:26,829 --> 01:00:25,520

sheboygan i get a lot of reports around

1695

01:00:30,549 --> 01:00:26,839

sheboygan

1696

01:00:33,589 --> 01:00:30,559

uh for whatever reason i don't know why

1697

01:00:36,390 --> 01:00:33,599

but i do uh i actually got one i don't

1698

01:00:39,430 --> 01:00:36,400

know if you've got one in um

1699

01:00:42,309 --> 01:00:39,440

uh it was actually in the uh jackson

1700

01:00:45,270 --> 01:00:42,319

wisconsin um i don't know if you've ever

1701

01:00:48,309 --> 01:00:45,280

heard of black river state forest

1702

01:00:50,309 --> 01:00:48,319

um i actually had somebody contact me

1703

01:00:53,190 --> 01:00:50,319

with something they didn't see anything

1704

01:00:55,670 --> 01:00:53,200

but it was the sound it was the walk

1705

01:00:57,190 --> 01:00:55,680

and of course because it's reported i

1706

01:00:58,549 --> 01:00:57,200

keep everything confidential i'm not

1707

01:01:00,390 --> 01:00:58,559

going to go out and blast

1708

01:01:02,950 --> 01:01:00,400

their story because that's what i i tell

1709

01:01:06,069 --> 01:01:02,960

them you know but at the same time

1710

01:01:07,190 --> 01:01:06,079

i already have two other accounts just

1711

01:01:09,670 --> 01:01:07,200

like the kettle moraine

1712

01:01:10,630 --> 01:01:09,680

further north of exactly where they

1713

01:01:13,270 --> 01:01:10,640

reported it

1714

01:01:14,789 --> 01:01:13,280

you know like seven years ago so you

1715

01:01:15,910 --> 01:01:14,799

know what i'm saying it's things like

1716

01:01:17,990 --> 01:01:15,920

this

1717

01:01:19,030 --> 01:01:18,000

that really kind of help us put the

1718

01:01:21,030 --> 01:01:19,040

pieces together

1719

01:01:22,390 --> 01:01:21,040

and of course when we network like this

1720

01:01:25,270 --> 01:01:22,400

you know what i mean

1721

01:01:26,390 --> 01:01:25,280

so it's definitely there's something out

1722

01:01:28,309 --> 01:01:26,400

here i

1723

01:01:29,670 --> 01:01:28,319

i don't want to say what it is you know

1724

01:01:33,349 --> 01:01:29,680

what i mean i don't want to say

1725

01:01:34,549 --> 01:01:33,359

dog man bigfoot you know ufos aliens

1726

01:01:36,789 --> 01:01:34,559

little grays

1727

01:01:38,150 --> 01:01:36,799

but at the same time if you read it

1728

01:01:41,190 --> 01:01:38,160

between the lines

1729

01:01:42,870 --> 01:01:41,200

this is what i do all right

1730

01:01:44,230 --> 01:01:42,880

well let's go across the state a little

1731

01:01:46,630 --> 01:01:44,240

bit by the mississippi

1732

01:01:47,270 --> 01:01:46,640

and uh you know what i'm coming to la

1733

01:01:50,549 --> 01:01:47,280

crosse

1734

01:01:51,270 --> 01:01:50,559

uh what in the hell is going on out

1735

01:01:53,910 --> 01:01:51,280

there i mean

1736

01:01:55,430 --> 01:01:53,920

is it still happening are these guys

1737

01:01:58,789 --> 01:01:55,440

still tearing up dead

1738

01:02:00,549 --> 01:01:58,799

or is it yeah well you know like yeah as

1739

01:02:01,190 --> 01:02:00,559

you know you know usually uh and maybe

1740

01:02:04,230 --> 01:02:01,200

we can

1741

01:02:08,230 --> 01:02:04,240

briefly touch on it but

1742

01:02:15,029 --> 01:02:11,670

i'm basically um part of uh

1743

01:02:17,750 --> 01:02:15,039

the hidden truth uh documentary dvd

1744

01:02:19,109 --> 01:02:17,760

uh about the ten lacrosse um college

1745

01:02:22,870 --> 01:02:19,119

boys that have drowned

1746

01:02:25,750 --> 01:02:22,880

since 1997 in different times but

1747

01:02:27,029 --> 01:02:25,760

you know almost the same um you know

1748

01:02:29,910 --> 01:02:27,039

high blood alcohol

1749

01:02:31,670 --> 01:02:29,920

content um you know going out and

1750

01:02:33,349 --> 01:02:31,680

partying with friends

1751

01:02:34,789 --> 01:02:33,359

missing you know you know as soon as

1752

01:02:38,309 --> 01:02:34,799

they leave

1753

01:02:41,510 --> 01:02:38,319

um you know sometimes not found for

1754

01:02:44,150 --> 01:02:41,520

several weeks later even though

1755

01:02:45,750 --> 01:02:44,160

they rece you know they investigated

1756

01:02:46,950 --> 01:02:45,760

along the mississippi river right in

1757

01:02:49,829 --> 01:02:46,960

front of the cross

1758

01:02:51,589 --> 01:02:49,839

and yet what do you know the victim

1759

01:02:54,789 --> 01:02:51,599

shows up there

1760

01:02:57,270 --> 01:02:54,799

so what's going on out there is

1761

01:02:58,710 --> 01:02:57,280

again definitely a paranormal case

1762

01:03:02,150 --> 01:02:58,720

because

1763

01:03:03,990 --> 01:03:02,160

there is no answer for it yet um

1764

01:03:06,470 --> 01:03:04,000

i'm sure you guys have heard uh david

1765

01:03:09,910 --> 01:03:06,480

pilates missing 4-1-1

1766

01:03:12,470 --> 01:03:09,920

um you know being being worldwide

1767

01:03:13,829 --> 01:03:12,480

not just in lacrosse however you know of

1768

01:03:15,430 --> 01:03:13,839

course lacrosse was

1769

01:03:17,109 --> 01:03:15,440

um you know a place where we really

1770

01:03:19,510 --> 01:03:17,119

wanted to focus because

1771

01:03:20,470 --> 01:03:19,520

you know the the town was really kind of

1772

01:03:22,390 --> 01:03:20,480

uh

1773

01:03:23,670 --> 01:03:22,400

you know nobody wants to talk about it

1774

01:03:25,990 --> 01:03:23,680

you know it's like a

1775

01:03:27,029 --> 01:03:26,000

it's it's taboo to talk about you know

1776

01:03:29,109 --> 01:03:27,039

it's it

1777

01:03:30,150 --> 01:03:29,119

you know the official party line is that

1778

01:03:32,630 --> 01:03:30,160

it was binge drinking

1779

01:03:34,230 --> 01:03:32,640

and bad luck um but during my

1780

01:03:36,309 --> 01:03:34,240

investigations you know we

1781

01:03:38,789 --> 01:03:36,319

went right across the river a couple

1782

01:03:41,750 --> 01:03:38,799

miles up north to uh winona

1783

01:03:42,950 --> 01:03:41,760

uh minnesota and uh they have just as

1784

01:03:45,510 --> 01:03:42,960

big as a party town

1785

01:03:47,990 --> 01:03:45,520

in fact their their levy uh right on the

1786

01:03:49,670 --> 01:03:48,000

mississippi is even more easy accessible

1787

01:03:51,750 --> 01:03:49,680

to fallen and drone

1788

01:03:53,349 --> 01:03:51,760

but yet there are no reports from there

1789

01:03:55,349 --> 01:03:53,359

and that's just two miles up on the

1790

01:03:58,069 --> 01:03:55,359

minnesota side so what's

1791

01:03:59,510 --> 01:03:58,079

going on in lacrosse itself well that's

1792

01:04:01,349 --> 01:03:59,520

what i it makes it's hard for me to

1793

01:04:03,510 --> 01:04:01,359

understand because

1794

01:04:05,670 --> 01:04:03,520

they're on lacrosse now there are some

1795

01:04:06,390 --> 01:04:05,680

bars there are bars near the river there

1796

01:04:08,870 --> 01:04:06,400

but

1797

01:04:10,789 --> 01:04:08,880

yeah actually you got to go out a good

1798

01:04:13,510 --> 01:04:10,799

bit to get out in the water

1799

01:04:14,950 --> 01:04:13,520

especially if it's frozen yeah exactly

1800

01:04:15,829 --> 01:04:14,960

and the thing is when we did our

1801  
01:04:18,710 --> 01:04:15,839  
documentary

1802  
01:04:20,549 --> 01:04:18,720  
we actually walked the steps of uh you

1803  
01:04:22,630 --> 01:04:20,559  
know some of the victims um that

1804  
01:04:23,990 --> 01:04:22,640  
were at whatever last bar and it's about

1805  
01:04:27,510 --> 01:04:24,000  
a three block

1806  
01:04:29,430 --> 01:04:27,520  
walk to a riverside park um

1807  
01:04:30,630 --> 01:04:29,440  
but again you know a lot of people think

1808  
01:04:31,029 --> 01:04:30,640  
all right well they're binge drinking

1809  
01:04:33,430 --> 01:04:31,039  
they're

1810  
01:04:34,230 --> 01:04:33,440  
you know it's kind of a downward slope

1811  
01:04:36,309 --> 01:04:34,240  
so when they

1812  
01:04:37,589 --> 01:04:36,319  
walk out of a bar you know the path of

1813  
01:04:39,270 --> 01:04:37,599

less resistance

1814

01:04:40,630 --> 01:04:39,280

is going to be you know heading towards

1815

01:04:43,670 --> 01:04:40,640

the mississippi

1816

01:04:45,190 --> 01:04:43,680

well you know at the same time um like

1817

01:04:46,230 --> 01:04:45,200

you were saying even if some of it was

1818

01:04:47,750 --> 01:04:46,240

frozen

1819

01:04:49,589 --> 01:04:47,760

um which was actually the first case

1820

01:04:51,910 --> 01:04:49,599

back in 1997

1821

01:04:52,789 --> 01:04:51,920

um you'd still have to walk so far out

1822

01:04:55,990 --> 01:04:52,799

so

1823

01:04:59,270 --> 01:04:56,000

you know if you're that intoxicated

1824

01:05:01,349 --> 01:04:59,280

how are you even walking you know um

1825

01:05:03,270 --> 01:05:01,359

so if you're not that intoxicated you

1826

01:05:06,630 --> 01:05:03,280

still have some sort of

1827

01:05:09,029 --> 01:05:06,640

self-ful self-aware you know you think

1828

01:05:10,470 --> 01:05:09,039

uh different circumstances for each one

1829

01:05:12,710 --> 01:05:10,480

of them though because

1830

01:05:14,069 --> 01:05:12,720

uh you know one of one of the cases

1831

01:05:17,270 --> 01:05:14,079

there was actually um

1832

01:05:19,990 --> 01:05:17,280

a set of keys and the wall that left

1833

01:05:20,710 --> 01:05:20,000

um out you know like an um on a little

1834

01:05:23,270 --> 01:05:20,720

statue

1835

01:05:25,670 --> 01:05:23,280

outside the mississippi almost as if

1836

01:05:27,990 --> 01:05:25,680

this person wanted to

1837

01:05:29,190 --> 01:05:28,000

you know get in the river for a second

1838

01:05:30,710 --> 01:05:29,200

because he's going to come back because

1839

01:05:31,589 --> 01:05:30,720

that's where he put his wallet and keys

1840

01:05:34,309 --> 01:05:31,599

right

1841

01:05:35,750 --> 01:05:34,319

yeah so it's weird things like that so

1842

01:05:38,390 --> 01:05:35,760

it's yeah it's def that

1843

01:05:39,270 --> 01:05:38,400

that's definitely uh an x-files case

1844

01:05:43,109 --> 01:05:39,280

that's

1845

01:05:46,789 --> 01:05:43,119

actually

1846

01:05:47,670 --> 01:05:46,799

put out a dvd um uh neil sanders scott

1847

01:05:49,510 --> 01:05:47,680

marcus and

1848

01:05:50,710 --> 01:05:49,520

myself uh two years ago and it's

1849

01:05:53,190 --> 01:05:50,720

available online

1850

01:05:53,990 --> 01:05:53,200

it's it's yeah just it's a fascinating

1851  
01:05:55,589 --> 01:05:54,000  
story

1852  
01:05:57,510 --> 01:05:55,599  
i looked at it and of course you know

1853  
01:06:00,230 --> 01:05:57,520  
you had me look at the case

1854  
01:06:01,750 --> 01:06:00,240  
before that yeah and yeah it's pretty

1855  
01:06:05,430 --> 01:06:01,760  
odd i mean

1856  
01:06:09,349 --> 01:06:05,440  
the circumstances and how they happened

1857  
01:06:11,109 --> 01:06:09,359  
and and what was behind it i mean it is

1858  
01:06:16,150 --> 01:06:11,119  
it's just

1859  
01:06:19,190 --> 01:06:16,160  
had my theories but i don't know

1860  
01:06:21,029 --> 01:06:19,200  
you know you know you're 100

1861  
01:06:22,710 --> 01:06:21,039  
right that's where the truthologist

1862  
01:06:25,430 --> 01:06:22,720  
comes in right it's

1863  
01:06:26,150 --> 01:06:25,440

what is it you still don't know you know

1864

01:06:27,990 --> 01:06:26,160

i mean

1865

01:06:30,549 --> 01:06:28,000

there's a lot of people can come out and

1866

01:06:33,029 --> 01:06:30,559

it's always going to be you know theory

1867

01:06:34,390 --> 01:06:33,039

or their opinion theories speculation of

1868

01:06:36,789 --> 01:06:34,400

what something is but

1869

01:06:37,510 --> 01:06:36,799

where is the hardened proof you know

1870

01:06:39,990 --> 01:06:37,520

what i mean

1871

01:06:41,990 --> 01:06:40,000

and even so let's say i even saw it

1872

01:06:43,430 --> 01:06:42,000

firsthand

1873

01:06:45,190 --> 01:06:43,440

if i don't have the proof i'm only

1874

01:06:46,309 --> 01:06:45,200

telling you a claim i'm only telling you

1875

01:06:48,630 --> 01:06:46,319

a story

1876

01:06:50,870 --> 01:06:48,640

yeah um so this is where the

1877

01:06:52,150 --> 01:06:50,880

documentation is so important and it's

1878

01:06:57,270 --> 01:06:52,160

also

1879

01:07:00,150 --> 01:06:57,280

you know it's every time i go out i'm

1880

01:07:02,230 --> 01:07:00,160

not seeing a ufo or a bigfoot or a ghost

1881

01:07:04,470 --> 01:07:02,240

every time you know if there's something

1882

01:07:06,630 --> 01:07:04,480

out there it could be an animal i will

1883

01:07:08,150 --> 01:07:06,640

say it's unknown i'm not i'm not gonna

1884

01:07:09,990 --> 01:07:08,160

go on the line and just say

1885

01:07:12,230 --> 01:07:10,000

i'm a bigfooter and that's what i'm

1886

01:07:13,349 --> 01:07:12,240

gonna do however i do think there is

1887

01:07:15,109 --> 01:07:13,359

something out there that

1888

01:07:16,549 --> 01:07:15,119

i've only told you the tip of the ice

1889

01:07:19,349 --> 01:07:16,559

cream that's going on out there yeah i

1890

01:07:21,349 --> 01:07:19,359

think something's going on but you know

1891

01:07:23,109 --> 01:07:21,359

i think there's i personally think

1892

01:07:24,549 --> 01:07:23,119

there's a connection with someone or

1893

01:07:26,630 --> 01:07:24,559

something or some

1894

01:07:28,309 --> 01:07:26,640

group or something but yeah i'm not

1895

01:07:29,510 --> 01:07:28,319

gonna i'm not gonna expose anything

1896

01:07:31,349 --> 01:07:29,520

right now

1897

01:07:32,789 --> 01:07:31,359

you know you and i talked about it so i

1898

01:07:35,589 --> 01:07:32,799

know i don't know

1899

01:07:36,470 --> 01:07:35,599

anyway you know sticking with lacrosse

1900

01:07:38,870 --> 01:07:36,480

now

1901

01:07:39,510 --> 01:07:38,880

of course lacrosse is famous for the the

1902

01:07:43,029 --> 01:07:39,520

man bat

1903

01:07:46,470 --> 01:07:43,039

you know uh that was linda's case right

1904

01:07:48,870 --> 01:07:46,480

as has any is that a lacrosse man back

1905

01:07:50,150 --> 01:07:48,880

thing uh ever been seen since the

1906

01:07:51,990 --> 01:07:50,160

original

1907

01:07:54,069 --> 01:07:52,000

i think no and you know what actually

1908

01:07:56,870 --> 01:07:54,079

what i'm you know and i mean who knows

1909

01:07:58,789 --> 01:07:56,880

if if the man bat is something that

1910

01:08:01,270 --> 01:07:58,799

looks like a sasquatch but its wings are

1911

01:08:04,069 --> 01:08:01,280

folded up and back and it's not flying

1912

01:08:05,670 --> 01:08:04,079

there still has been a lot of bigfoot

1913

01:08:07,349 --> 01:08:05,680

sightings out there on the bluffs

1914

01:08:09,349 --> 01:08:07,359

and you know and actually call them the

1915

01:08:12,069 --> 01:08:09,359

water spirits out there

1916

01:08:13,589 --> 01:08:12,079

with you know the whole chunk um the

1917

01:08:16,950 --> 01:08:13,599

native americans out there

1918

01:08:20,309 --> 01:08:16,960

um but as far as a flying man that not

1919

01:08:20,870 --> 01:08:20,319

that i'm aware of again this this goes

1920

01:08:23,910 --> 01:08:20,880

back to

1921

01:08:25,110 --> 01:08:23,920

i'm hoping that people will report that

1922

01:08:28,630 --> 01:08:25,120

i don't care if it's

1923

01:08:29,189 --> 01:08:28,640

to me to linda to you i mean but just to

1924

01:08:31,269 --> 01:08:29,199

get that

1925

01:08:33,269 --> 01:08:31,279

out just so we can have that one more

1926

01:08:35,749 --> 01:08:33,279

case documented because you're right

1927

01:08:36,630 --> 01:08:35,759

i have not heard anything out lacrosse

1928

01:08:38,309 --> 01:08:36,640

besides

1929

01:08:40,550 --> 01:08:38,319

well the investigation we're doing about

1930

01:08:43,749 --> 01:08:40,560

the the mysterious drownings

1931

01:08:46,070 --> 01:08:43,759

a few bigfoot cases but other than that

1932

01:08:47,990 --> 01:08:46,080

no other no other type of cryptid no

1933

01:08:50,950 --> 01:08:48,000

yeah i've always wondered if

1934

01:08:52,630 --> 01:08:50,960

anybody had ever seen anything after

1935

01:08:53,749 --> 01:08:52,640

what she had reported the original

1936

01:08:57,430 --> 01:08:53,759

sighting and when

1937

01:08:58,070 --> 01:08:57,440

in 2006 right and if anything else had

1938

01:09:01,189 --> 01:08:58,080

come up

1939

01:09:02,229 --> 01:09:01,199

uh and quite frankly i it wasn't too

1940

01:09:03,990 --> 01:09:02,239

long ago

1941

01:09:05,749 --> 01:09:04,000

that i went back and started looking

1942

01:09:07,269 --> 01:09:05,759

through old reports to see if anything

1943

01:09:09,110 --> 01:09:07,279

similar that did show up

1944

01:09:10,309 --> 01:09:09,120

in that area and i haven't seen anything

1945

01:09:12,070 --> 01:09:10,319

so you know yeah

1946

01:09:14,470 --> 01:09:12,080

yeah i mean it's just that's just an

1947

01:09:16,390 --> 01:09:14,480

initial report

1948

01:09:18,470 --> 01:09:16,400

exactly well you know that's what's what

1949

01:09:21,829 --> 01:09:18,480

i'm anything that comes up

1950

01:09:22,950 --> 01:09:21,839

um i do keep uh you you you abreast to

1951

01:09:24,390 --> 01:09:22,960

it just like linda

1952

01:09:25,990 --> 01:09:24,400

i'll send something over to her but

1953

01:09:27,590 --> 01:09:26,000

she's always one step ahead of me no

1954

01:09:28,309 --> 01:09:27,600

matter what that's that's the beauty of

1955

01:09:32,229 --> 01:09:28,319

it

1956

01:09:33,510 --> 01:09:32,239

she does know that's good that's what i

1957

01:09:35,749 --> 01:09:33,520

love about linda she's

1958

01:09:38,470 --> 01:09:35,759

she's on it um you know at the same time

1959

01:09:42,070 --> 01:09:38,480

i also um you know networked with eric

1960

01:09:45,430 --> 01:09:42,080

altman so you know we we have this big

1961

01:09:48,229 --> 01:09:45,440

network of chain going and um

1962

01:09:48,789 --> 01:09:48,239

that's that's the beauty of it i like i

1963

01:09:50,229 --> 01:09:48,799

said

1964

01:09:51,749 --> 01:09:50,239

you know i don't blog i don't write

1965

01:09:52,709 --> 01:09:51,759

books i'm not gonna even you know make a

1966

01:09:55,030 --> 01:09:52,719

movie on this

1967

01:09:56,149 --> 01:09:55,040

but same time if i can help one person

1968

01:09:58,630 --> 01:09:56,159

validate

1969

01:10:00,550 --> 01:09:58,640

their their claims you know then i then

1970

01:10:02,070 --> 01:10:00,560

i've done what i've set out to do

1971

01:10:03,750 --> 01:10:02,080

i'm hunting the truth and i'm trying to

1972

01:10:07,750 --> 01:10:03,760

help people so and

1973

01:10:10,149 --> 01:10:07,760

and network so uh recently

1974

01:10:11,590 --> 01:10:10,159

they had this uh phenomena out your way

1975

01:10:14,070 --> 01:10:11,600

and you told me that you guys

1976

01:10:15,189 --> 01:10:14,080

even heard it with this uh these ice

1977

01:10:17,510 --> 01:10:15,199

quakes

1978

01:10:20,470 --> 01:10:17,520

oh yeah can you explain that i think

1979

01:10:22,070 --> 01:10:20,480

it's so fascinating

1980

01:10:24,070 --> 01:10:22,080

yeah i mean you've never heard it well

1981

01:10:27,189 --> 01:10:24,080

actually if you've ever been on a frozen

1982

01:10:29,669 --> 01:10:27,199

lake right you know a big lake

1983

01:10:30,550 --> 01:10:29,679

you know you hear that that ice pushing

1984

01:10:32,950 --> 01:10:30,560

and cracking

1985

01:10:33,669 --> 01:10:32,960

it's it almost sounds like gunshots

1986

01:10:36,550 --> 01:10:33,679

going out

1987

01:10:38,310 --> 01:10:36,560

i mean it really does um but in this

1988

01:10:40,950 --> 01:10:38,320

case what they're talking about

1989

01:10:42,709 --> 01:10:40,960

is kind of i don't want to say the

1990

01:10:45,270 --> 01:10:42,719

continent or the state

1991

01:10:46,870 --> 01:10:45,280

but a certain area that is compressing

1992

01:10:49,189 --> 01:10:46,880

due to the cold

1993

01:10:50,550 --> 01:10:49,199

you know from it um not expanding but

1994

01:10:51,990 --> 01:10:50,560

compressing

1995

01:10:54,070 --> 01:10:52,000

and it's almost where you kind of get

1996

01:10:57,350 --> 01:10:54,080

that almost like

1997

01:10:59,350 --> 01:10:57,360

earthquake plates you know shifting um

1998

01:11:01,350 --> 01:10:59,360

and then you can actually just hear it

1999

01:11:02,709 --> 01:11:01,360

rolling and i mean people can

2000

01:11:04,310 --> 01:11:02,719

hear this and they have no idea where

2001

01:11:05,270 --> 01:11:04,320

it's coming from it's almost like the

2002

01:11:07,270 --> 01:11:05,280

sky quakes

2003

01:11:08,310 --> 01:11:07,280

you know um you know when you're hearing

2004

01:11:10,229 --> 01:11:08,320

these things but

2005

01:11:11,910 --> 01:11:10,239

this is what you know the meteorologist

2006

01:11:12,470 --> 01:11:11,920

will say you know the one that just

2007

01:11:15,270 --> 01:11:12,480

happened

2008

01:11:17,830 --> 01:11:15,280

what like a couple weeks ago was it

2009

01:11:20,229 --> 01:11:17,840

trying to think what that was

2010

01:11:21,510 --> 01:11:20,239

right but it's kind of you know it's

2011

01:11:24,149 --> 01:11:21,520

basically um

2012

01:11:25,350 --> 01:11:24,159

you know the cold you know everything

2013

01:11:27,990 --> 01:11:25,360

compressing

2014

01:11:29,510 --> 01:11:28,000

um into a certain area and that's what

2015

01:11:32,870 --> 01:11:29,520

they said it did i i don't know

2016

01:11:34,550 --> 01:11:32,880

they never said how big you know the the

2017

01:11:36,870 --> 01:11:34,560

shift was or whatnot but

2018

01:11:38,630 --> 01:11:36,880

it was kind of cool i mean we people

2019

01:11:39,590 --> 01:11:38,640

have heard it as far down as kenosha

2020

01:11:41,189 --> 01:11:39,600

county

2021

01:11:43,270 --> 01:11:41,199

um and that was that's considerable

2022

01:11:46,070 --> 01:11:43,280

distance from where it happened

2023

01:11:46,790 --> 01:11:46,080

can you uh can you feel anything no yeah

2024

01:11:49,830 --> 01:11:46,800

you know what i

2025

01:11:52,870 --> 01:11:49,840

yeah i i never heard anybody said they

2026

01:11:53,350 --> 01:11:52,880

they felt it but i would imagine that if

2027

01:11:55,669 --> 01:11:53,360

you were

2028

01:11:56,630 --> 01:11:55,679

closer by it probably the initial shock

2029

01:11:58,870 --> 01:11:56,640

would probably

2030

01:12:00,070 --> 01:11:58,880

send out kind of that the shock wave

2031

01:12:02,149 --> 01:12:00,080

like a wave yeah

2032

01:12:03,750 --> 01:12:02,159

or who knows i mean if it was directly

2033

01:12:06,149 --> 01:12:03,760

underneath yeah i'm sure it would

2034

01:12:07,590 --> 01:12:06,159

most likely pounce off your house yeah

2035

01:12:09,750 --> 01:12:07,600

but again the further away

2036

01:12:11,189 --> 01:12:09,760

the further you are away the more you're

2037

01:12:13,750 --> 01:12:11,199

just going to kind of hear

2038

01:12:15,270 --> 01:12:13,760

um more of a almost i don't want to say

2039

01:12:17,910 --> 01:12:15,280

a sonic boom

2040

01:12:19,669 --> 01:12:17,920

but it is almost like that's kind of you

2041

01:12:22,470 --> 01:12:19,679

know it just keeps going

2042

01:12:23,510 --> 01:12:22,480

that's weird yeah it's it is but it's

2043

01:12:25,590 --> 01:12:23,520

cool because

2044

01:12:26,950 --> 01:12:25,600

i as soon as i hear that it's like i'm

2045

01:12:27,510 --> 01:12:26,960

driving over there to see what's going

2046

01:12:29,910 --> 01:12:27,520

on

2047

01:12:30,950 --> 01:12:29,920

it's kind of like uh back in 2011 with

2048

01:12:33,669 --> 01:12:30,960

uh clintonville

2049

01:12:34,950 --> 01:12:33,679

wisconsin the clintonville booms they

2050

01:12:37,990 --> 01:12:34,960

kept experiencing

2051  
01:12:38,790 --> 01:12:38,000  
things sounding like explosions under

2052  
01:12:40,950 --> 01:12:38,800  
the ground

2053  
01:12:42,630 --> 01:12:40,960  
which very well could have been fracking

2054  
01:12:46,630 --> 01:12:42,640  
maybe i don't know

2055  
01:12:49,990 --> 01:12:46,640  
yeah i remember uh maybe the winner of

2056  
01:12:51,350 --> 01:12:50,000  
2012 the clintonville is that what it

2057  
01:12:52,229 --> 01:12:51,360  
was that area around there where they

2058  
01:12:55,430 --> 01:12:52,239  
were getting these

2059  
01:12:57,910 --> 01:12:55,440  
big boom sounds yeah yeah actually uh i

2060  
01:12:59,270 --> 01:12:57,920  
i caught a sound of it and it's actually

2061  
01:13:01,590 --> 01:12:59,280  
on my youtube channel

2062  
01:13:02,630 --> 01:13:01,600  
i posted several years ago you can you

2063  
01:13:05,430 --> 01:13:02,640

can hear it

2064

01:13:06,870 --> 01:13:05,440

it's it's bizarre it's uh actually if

2065

01:13:08,149 --> 01:13:06,880

you keep listening to because i loop it

2066

01:13:10,070 --> 01:13:08,159

over and over and over

2067

01:13:12,470 --> 01:13:10,080

it sounds like a t-rex from jurassic

2068

01:13:14,550 --> 01:13:12,480

world or dressed up

2069

01:13:16,229 --> 01:13:14,560

it does a lot of people think if that's

2070

01:13:18,470 --> 01:13:16,239

what it sounds like but

2071

01:13:19,990 --> 01:13:18,480

uh but it's it's incredible because

2072

01:13:20,950 --> 01:13:20,000

nobody could figure it out and it was

2073

01:13:23,669 --> 01:13:20,960

making national

2074

01:13:24,390 --> 01:13:23,679

news of what the clintonville booms were

2075

01:13:26,550 --> 01:13:24,400

you know i

2076

01:13:27,669 --> 01:13:26,560

i had to go up there it was a you know

2077

01:13:30,310 --> 01:13:27,679

six hour drive

2078

01:13:32,630 --> 01:13:30,320

but i don't care i i just get in the car

2079

01:13:34,550 --> 01:13:32,640

and do it

2080

01:13:36,390 --> 01:13:34,560

well you know that upper your upper

2081

01:13:39,510 --> 01:13:36,400

midwest including what michigan

2082

01:13:42,470 --> 01:13:39,520

and even up into canada what

2083

01:13:42,950 --> 01:13:42,480

i mean these booming these booming

2084

01:13:46,149 --> 01:13:42,960

sounds

2085

01:13:47,030 --> 01:13:46,159

seem to be kind of kind of common up in

2086

01:13:49,430 --> 01:13:47,040

that area i

2087

01:13:50,390 --> 01:13:49,440

i don't know what it's from i mean

2088

01:13:51,990 --> 01:13:50,400

there's a lot of

2089

01:13:53,510 --> 01:13:52,000

lot that have happened around detroit

2090

01:13:54,470 --> 01:13:53,520

that people don't understand either i

2091

01:13:57,110 --> 01:13:54,480

don't know is it

2092

01:13:57,590 --> 01:13:57,120

because of the old salt mine the old

2093

01:13:59,830 --> 01:13:57,600

salt

2094

01:14:00,950 --> 01:13:59,840

caverns well the thing is what i always

2095

01:14:02,229 --> 01:14:00,960

tell people to do

2096

01:14:03,990 --> 01:14:02,239

i mean because a lot of times you're

2097

01:14:04,470 --> 01:14:04,000

hearing this not feeling in the ground

2098

01:14:06,470 --> 01:14:04,480

but

2099

01:14:08,070 --> 01:14:06,480

hearing it in the sky and the first

2100

01:14:11,510 --> 01:14:08,080

place i would tell people to look

2101  
01:14:14,630 --> 01:14:11,520  
or look up and research is cern

2102  
01:14:17,990 --> 01:14:14,640  
the hydro collider out in switzerland

2103  
01:14:21,030 --> 01:14:18,000  
and research what that's doing okay

2104  
01:14:22,870 --> 01:14:21,040  
now i'm sure you've heard of it yeah um

2105  
01:14:24,630 --> 01:14:22,880  
do a little bit more digging and just

2106  
01:14:25,750 --> 01:14:24,640  
keep digging and keep digging

2107  
01:14:28,470 --> 01:14:25,760  
next thing you know you're gonna find

2108  
01:14:30,790 --> 01:14:28,480  
out that and i don't know for

2109  
01:14:31,750 --> 01:14:30,800  
certain just like bigfoot ufos or aliens

2110  
01:14:34,470 --> 01:14:31,760  
but i

2111  
01:14:35,750 --> 01:14:34,480  
tend to feel that um harp you know the

2112  
01:14:39,830 --> 01:14:35,760  
heart project

2113  
01:14:43,110 --> 01:14:39,840

and cern is doing something

2114

01:14:45,270 --> 01:14:43,120

you know within our uh

2115

01:14:46,709 --> 01:14:45,280

within our weather you know and i i

2116

01:14:48,310 --> 01:14:46,719

don't mean like you know the old get

2117

01:14:49,910 --> 01:14:48,320

smart where you press the button and

2118

01:14:51,350 --> 01:14:49,920

you're gonna make a tornado up here in

2119

01:14:52,870 --> 01:14:51,360

kansas yeah

2120

01:14:55,669 --> 01:14:52,880

you know we're just saying that it's

2121

01:14:56,709 --> 01:14:55,679

causing phenomena other places because

2122

01:14:59,189 --> 01:14:56,719

of what it's doing

2123

01:15:01,189 --> 01:14:59,199

it is very well possible because these

2124

01:15:01,910 --> 01:15:01,199

sky quakes did not really start picking

2125

01:15:04,950 --> 01:15:01,920

up

2126

01:15:08,709 --> 01:15:04,960

until i think about 2010 after

2127

01:15:10,070 --> 01:15:08,719

cern fired the second time and each time

2128

01:15:12,550 --> 01:15:10,080

that they're doing this they keep

2129

01:15:13,430 --> 01:15:12,560

increasing the power and every time they

2130

01:15:15,510 --> 01:15:13,440

do

2131

01:15:16,550 --> 01:15:15,520

just start looking on youtube and and

2132

01:15:19,590 --> 01:15:16,560

start uh

2133

01:15:21,189 --> 01:15:19,600

uh searching strange sounds in the sky

2134

01:15:23,270 --> 01:15:21,199

and you're gonna find out

2135

01:15:25,270 --> 01:15:23,280

that they're happening just weeks ago

2136

01:15:28,229 --> 01:15:25,280

you know after cern fired

2137

01:15:29,750 --> 01:15:28,239

you know it can again you totally put

2138

01:15:32,390 --> 01:15:29,760

those two together

2139

01:15:33,590 --> 01:15:32,400

again no i'm not there and i don't know

2140

01:15:36,870 --> 01:15:33,600

i'm not a

2141

01:15:39,510 --> 01:15:36,880

anything like that

2142

01:15:40,790 --> 01:15:39,520

but um i could tell you that these are

2143

01:15:44,070 --> 01:15:40,800

just the kind of the pieces i

2144

01:15:46,149 --> 01:15:44,080

i try to put together you know what

2145

01:15:47,830 --> 01:15:46,159

what specifically are you working on now

2146

01:15:49,110 --> 01:15:47,840

you got any specific projects you're

2147

01:15:52,070 --> 01:15:49,120

working on

2148

01:15:52,630 --> 01:15:52,080

uh no uh right while right now i am due

2149

01:15:55,030 --> 01:15:52,640

i mean

2150

01:15:55,669 --> 01:15:55,040

i continue my research up in the kettle

2151

01:15:58,229 --> 01:15:55,679

um

2152

01:15:59,669 --> 01:15:58,239

and that's big it's it's not really a

2153

01:16:01,270 --> 01:15:59,679

project that's um

2154

01:16:03,830 --> 01:16:01,280

you know gonna go mainstream i do have

2155

01:16:05,750 --> 01:16:03,840

somebody following me around um

2156

01:16:07,910 --> 01:16:05,760

documenting it so it could turn into a

2157

01:16:09,430 --> 01:16:07,920

documentary but again this documentary

2158

01:16:12,630 --> 01:16:09,440

will be more for

2159

01:16:14,149 --> 01:16:12,640

um educational uh more for hunting the

2160

01:16:15,990 --> 01:16:14,159

truth than it would be for

2161

01:16:17,350 --> 01:16:16,000

putting it out there to sell or whatnot

2162

01:16:19,990 --> 01:16:17,360

but uh basically

2163

01:16:21,430 --> 01:16:20,000

that's it's how i keep busy is my

2164

01:16:22,390 --> 01:16:21,440

research there because it's not just

2165

01:16:24,550 --> 01:16:22,400

walking in the woods

2166

01:16:26,070 --> 01:16:24,560

hoping to find a bigfoot it's walking

2167

01:16:27,990 --> 01:16:26,080

into the woods trying to figure out

2168

01:16:30,310 --> 01:16:28,000

what are these lights what are these red

2169

01:16:31,430 --> 01:16:30,320

little beady eyes in the dark staring at

2170

01:16:33,030 --> 01:16:31,440

me what were they

2171

01:16:35,110 --> 01:16:33,040

i mean this these things happen to me

2172

01:16:38,390 --> 01:16:35,120

out there um

2173

01:16:40,070 --> 01:16:38,400

you know so it's that that that besides

2174

01:16:40,870 --> 01:16:40,080

my two full-time jobs and my two young

2175

01:16:43,030 --> 01:16:40,880

kids

2176

01:16:45,510 --> 01:16:43,040

and you know my wife is enough to keep

2177

01:16:48,229 --> 01:16:45,520

me busy without having any other pro

2178

01:16:50,470 --> 01:16:48,239

i hear you there well you know i tell

2179

01:16:52,149 --> 01:16:50,480

you if i ever ended up wisconsin for an

2180

01:16:53,830 --> 01:16:52,159

extended period of time

2181

01:16:55,910 --> 01:16:53,840

to do research i think the one thing

2182

01:16:56,390 --> 01:16:55,920

that fascinates me more than anything up

2183

01:16:58,229 --> 01:16:56,400

there

2184

01:16:59,430 --> 01:16:58,239

besides the dog man the bigfoot and

2185

01:17:03,030 --> 01:16:59,440

everything else

2186

01:17:07,030 --> 01:17:03,040

are all these old sightings

2187

01:17:09,590 --> 01:17:07,040

years and years ago of lake monsters

2188

01:17:10,790 --> 01:17:09,600

now i'm talking about the lake mendota

2189

01:17:12,470 --> 01:17:10,800

monster

2190

01:17:14,229 --> 01:17:12,480

there used to be they said there was one

2191

01:17:17,750 --> 01:17:14,239

in rock lake

2192

01:17:19,270 --> 01:17:17,760

uh pewaukee lake and in fact i had a

2193

01:17:22,550 --> 01:17:19,280

report at milwaukee lake not

2194

01:17:26,310 --> 01:17:22,560

long ago and uh

2195

01:17:30,310 --> 01:17:26,320

koshkanan yellow lake um

2196

01:17:33,189 --> 01:17:30,320

these are old reports and i mean i think

2197

01:17:33,669 --> 01:17:33,199

there were from the 1920s and 1940s but

2198

01:17:37,590 --> 01:17:33,679

as far

2199

01:17:39,990 --> 01:17:37,600

back as like the 1800s right

2200

01:17:41,270 --> 01:17:40,000

yeah i i you know i know there's a book

2201

01:17:44,870 --> 01:17:41,280

written in the 40s

2202

01:17:47,430 --> 01:17:44,880

what a big book uh it was put out by the

2203

01:17:50,070 --> 01:17:47,440

wisconsin folklore society

2204

01:17:51,590 --> 01:17:50,080

but it was titled sea serpents no though

2205

01:17:53,830 --> 01:17:51,600

it was in lakes

2206

01:17:55,990 --> 01:17:53,840

but they were talking about those lakes

2207

01:17:57,270 --> 01:17:56,000

and a couple other ones including lake

2208

01:18:00,310 --> 01:17:57,280

michigan

2209

01:18:02,630 --> 01:18:00,320

i mean all these uh these

2210

01:18:04,149 --> 01:18:02,640

lake monster sightings and i had knowing

2211

01:18:06,149 --> 01:18:04,159

about this stuff

2212

01:18:07,350 --> 01:18:06,159

you know i i didn't i hadn't even heard

2213

01:18:10,950 --> 01:18:07,360

anything like that

2214

01:18:11,830 --> 01:18:10,960

in in wisconsin i'm telling you you know

2215

01:18:13,830 --> 01:18:11,840

we we're we're

2216

01:18:16,630 --> 01:18:13,840

i think we're one of the overlooked

2217

01:18:17,189 --> 01:18:16,640

states uh when i because i do i listen

2218

01:18:20,630 --> 01:18:17,199

to

2219

01:18:21,750 --> 01:18:20,640

and research um just about every cryptid

2220

01:18:23,030 --> 01:18:21,760

that i can

2221

01:18:25,750 --> 01:18:23,040

but it always seems that it's either

2222

01:18:26,709 --> 01:18:25,760

michigan or you know ohio pennsylvania

2223

01:18:28,149 --> 01:18:26,719

you know what i mean

2224

01:18:29,910 --> 01:18:28,159

it's all over here and then it seems to

2225

01:18:33,270 --> 01:18:29,920

go out to the west coast

2226

01:18:36,470 --> 01:18:33,280

and i'm like you guys look in wisconsin

2227

01:18:37,270 --> 01:18:36,480

there is more here than just cheese or

2228

01:18:39,350 --> 01:18:37,280

bronze

2229

01:18:41,510 --> 01:18:39,360

you know i was always fascinated with

2230

01:18:44,470 --> 01:18:41,520

devil lake in that area there

2231

01:18:45,669 --> 01:18:44,480

yeah but right now a lot just happened

2232

01:18:46,950 --> 01:18:45,679

over that area but

2233

01:18:49,669 --> 01:18:46,960

you know when i started reading about

2234

01:18:51,430 --> 01:18:49,679

some of these other ones uh

2235

01:18:52,870 --> 01:18:51,440

you know from back in the 1800s it's

2236

01:18:55,350 --> 01:18:52,880

some pretty weird stuff

2237

01:18:55,990 --> 01:18:55,360

and most of them are always most of them

2238

01:18:58,870 --> 01:18:56,000

are always

2239

01:19:00,870 --> 01:18:58,880

described like either a huge snake or a

2240

01:19:02,790 --> 01:19:00,880

dragon like type of thing right

2241

01:19:03,990 --> 01:19:02,800

yeah and not just similar to what you

2242

01:19:08,709 --> 01:19:04,000

know like you have it

2243

01:19:12,070 --> 01:19:08,719

you know loch ness or

2244

01:19:14,470 --> 01:19:12,080

and you just never hear about them no

2245

01:19:15,350 --> 01:19:14,480

i mean you don't and again i keep going

2246

01:19:17,189 --> 01:19:15,360

back to

2247

01:19:19,430 --> 01:19:17,199

and you know maybe that's wisconsin's

2248

01:19:21,189 --> 01:19:19,440

fault for not reporting it

2249

01:19:23,110 --> 01:19:21,199

you know i mean there's like there's

2250

01:19:25,910 --> 01:19:23,120

good enough people that do

2251

01:19:27,350 --> 01:19:25,920

but you know there's only so many

2252

01:19:29,110 --> 01:19:27,360

researchers and

2253

01:19:30,950 --> 01:19:29,120

uh you know people that are doing what

2254

01:19:32,950 --> 01:19:30,960

we do uh

2255

01:19:34,870 --> 01:19:32,960

that can only be in so many places and

2256

01:19:36,630 --> 01:19:34,880

can only do so much

2257

01:19:37,990 --> 01:19:36,640

uh but i would rather just take a load

2258

01:19:40,870 --> 01:19:38,000

of reports

2259

01:19:41,430 --> 01:19:40,880

and be able to hand these things off and

2260

01:19:44,070 --> 01:19:41,440

let's say

2261

01:19:44,709 --> 01:19:44,080

let's research into these and document

2262

01:19:47,189 --> 01:19:44,719

them because

2263

01:19:49,110 --> 01:19:47,199

i i have heard about the you know the

2264

01:19:51,830 --> 01:19:49,120

sea creatures or the lake monsters up

2265

01:19:52,229 --> 01:19:51,840

here um but you don't hear enough about

2266

01:19:55,110 --> 01:19:52,239

them

2267

01:19:56,550 --> 01:19:55,120

you know you don't hear much of anything

2268

01:19:59,350 --> 01:19:56,560

it's basically uh

2269

01:20:00,709 --> 01:19:59,360

beast debris road and a few bigfoot

2270

01:20:04,070 --> 01:20:00,719

sightings and that's about it

2271

01:20:09,669 --> 01:20:04,080

you know yeah yep afraid sir

2272

01:20:15,430 --> 01:20:11,669

i'm still you know shaking about the

2273

01:20:15,440 --> 01:20:18,550

i'm going to wisconsin

2274

01:20:21,830 --> 01:20:20,149

i was there nobody heard me but we're

2275

01:20:22,310 --> 01:20:21,840

there you were drinking and eating them

2276

01:20:24,310 --> 01:20:22,320

huh

2277

01:20:25,350 --> 01:20:24,320

i i tell you what man when i go to

2278

01:20:27,270 --> 01:20:25,360

wisconsin

2279

01:20:29,189 --> 01:20:27,280

and uh we hang out we got to get the

2280

01:20:32,070 --> 01:20:29,199

best beer the best

2281

01:20:33,830 --> 01:20:32,080

brats and the best cheese in wisconsin

2282

01:20:34,950 --> 01:20:33,840

it's all right here it's all around me

2283

01:20:36,790 --> 01:20:34,960

we got to make it

2284

01:20:38,629 --> 01:20:36,800

i can't escape the cheese heads here see

2285

01:20:40,550 --> 01:20:38,639

i'm i'm i'm definitely

2286

01:20:41,669 --> 01:20:40,560

i'm a native guy he's not a packers fan

2287

01:20:43,350 --> 01:20:41,679

he's a bears fan

2288

01:20:45,110 --> 01:20:43,360

that's right i was born i was born in

2289

01:20:46,870 --> 01:20:45,120

illinois i'm a chicago bears fan i'll

2290

01:20:49,750 --> 01:20:46,880

admit it gotta stay true

2291

01:20:50,470 --> 01:20:49,760

stay true exactly but it's uh it's

2292

01:20:52,870 --> 01:20:50,480

definitely

2293

01:20:53,750 --> 01:20:52,880

interesting i don't know what's um gonna

2294

01:20:57,030 --> 01:20:53,760

be coming out

2295

01:21:00,149 --> 01:20:57,040

for um you know for myself uh

2296

01:21:03,270 --> 01:21:00,159

my group um you know

2297

01:21:05,270 --> 01:21:03,280

in the future but you know i we we do

2298

01:21:07,510 --> 01:21:05,280

uh still keep our ear to the uh the

2299

01:21:11,030 --> 01:21:07,520

cross you know grindstone

2300

01:21:13,110 --> 01:21:11,040

of the news that's coming out there um

2301

01:21:14,709 --> 01:21:13,120

so that's always you know there could be

2302

01:21:17,910 --> 01:21:14,719

definitely a follow-up with

2303

01:21:19,110 --> 01:21:17,920

the hidden truth part two um

2304

01:21:20,950 --> 01:21:19,120

we're definitely gonna be looking into

2305

01:21:23,110 --> 01:21:20,960

more of this stuff here but as

2306

01:21:24,550 --> 01:21:23,120

of right now it's just pretty much my

2307

01:21:26,149 --> 01:21:24,560

research and

2308

01:21:29,189 --> 01:21:26,159

trying to put the word out there to

2309

01:21:32,070 --> 01:21:29,199

report it at [wpihuntsthetruth.com](http://wpihuntsthetruth.com)

2310

01:21:32,709 --> 01:21:32,080

um and that could even be just it could

2311

01:21:34,950 --> 01:21:32,719

it could be

2312

01:21:37,270 --> 01:21:34,960

from anywhere but you know if it's

2313

01:21:40,149 --> 01:21:37,280

around wisconsin illinois

2314

01:21:42,229 --> 01:21:40,159

minnesota michigan you know these are

2315

01:21:44,870 --> 01:21:42,239

the areas that i can

2316

01:21:46,470 --> 01:21:44,880

easily get access to you know i mean i'd

2317

01:21:49,669 --> 01:21:46,480

love to come out by you guys too

2318

01:21:50,470 --> 01:21:49,679

so i heard a rumor you might be out this

2319

01:21:53,430 --> 01:21:50,480

way

2320

01:21:54,070 --> 01:21:53,440

oh you heard correctly actually in may

2321

01:21:56,390 --> 01:21:54,080

i'm going to be

2322

01:21:58,550 --> 01:21:56,400

you know is it uh uh western

2323

01:22:00,310 --> 01:21:58,560

pennsylvania yep

2324

01:22:02,629 --> 01:22:00,320

are you gonna be there i'm gonna try my

2325

01:22:04,709 --> 01:22:02,639

best a lot going on at that time there's

2326

01:22:06,310 --> 01:22:04,719

so many conferences and events happening

2327

01:22:08,149 --> 01:22:06,320

i know but you know what i'm gonna be

2328

01:22:09,669 --> 01:22:08,159

there so you gotta be there yeah i know

2329

01:22:12,149 --> 01:22:09,679

so i'm gonna i i gotta at least make a

2330

01:22:14,470 --> 01:22:12,159

day a day visit down to see what's going

2331

01:22:16,149 --> 01:22:14,480

on there oh how far away

2332

01:22:18,470 --> 01:22:16,159

everything gets scheduled in this in the

2333

01:22:19,910 --> 01:22:18,480

spring you know it's

2334

01:22:21,189 --> 01:22:19,920

i don't know you're right i mean it

2335

01:22:21,910 --> 01:22:21,199

seems like everything is scheduled in

2336

01:22:23,910 --> 01:22:21,920

the spring

2337

01:22:25,750 --> 01:22:23,920

depending on where the actual location

2338

01:22:28,950 --> 01:22:25,760

is jam about four hours away

2339

01:22:31,110 --> 01:22:28,960

okay pennsylvania's a big state people

2340

01:22:33,189 --> 01:22:31,120

you know i'm right smack dab in the

2341

01:22:34,550 --> 01:22:33,199

north uh in the north central part of

2342

01:22:35,430 --> 01:22:34,560

the state so it's four hours to

2343

01:22:36,550 --> 01:22:35,440

pittsburgh

2344

01:22:38,790 --> 01:22:36,560

about three and a half hours to

2345

01:22:41,990 --> 01:22:38,800

pittsburgh three and a half hours to

2346

01:22:43,830 --> 01:22:42,000

uh philadelphia in about what three

2347

01:22:45,590 --> 01:22:43,840

hours do you lawn

2348

01:22:47,430 --> 01:22:45,600

about four hours about four hours do so

2349

01:22:49,110 --> 01:22:47,440

like i have to travel a while to get

2350

01:22:51,270 --> 01:22:49,120

anywhere stuff's happening

2351

01:22:52,870 --> 01:22:51,280

exactly so it better be worth it but

2352

01:22:55,030 --> 01:22:52,880

yeah i i know i meant

2353

01:22:56,149 --> 01:22:55,040

uh definitely i'm really excited about

2354

01:22:59,350 --> 01:22:56,159

this uh this

2355

01:23:01,430 --> 01:22:59,360

workshop camp and just honestly to get

2356

01:23:01,910 --> 01:23:01,440

out of wisconsin i love it don't get me

2357

01:23:03,430 --> 01:23:01,920

wrong

2358

01:23:05,430 --> 01:23:03,440

i mean i don't like the cheeseheads but

2359

01:23:07,030 --> 01:23:05,440

i mean i do but you know

2360

01:23:08,790 --> 01:23:07,040

just to get out of here research

2361

01:23:10,470 --> 01:23:08,800

somewhere different especially a place

2362

01:23:10,870 --> 01:23:10,480

like pennsylvania i'm really excited

2363

01:23:13,270 --> 01:23:10,880

about

2364

01:23:14,950 --> 01:23:13,280

uh you know putting that under my belt

2365

01:23:16,790 --> 01:23:14,960

too

2366

01:23:19,189 --> 01:23:16,800

yeah pennsylvania ought to run a

2367

01:23:20,870 --> 01:23:19,199

campaign on their paranormal activity

2368

01:23:23,750 --> 01:23:20,880

they had like paranormal pa

2369

01:23:25,510 --> 01:23:23,760

some sort of uh yeah they got to figure

2370

01:23:28,470 --> 01:23:25,520

that out in a marketing campaign

2371

01:23:29,910 --> 01:23:28,480

yeah i'm able to do that you know that'd

2372

01:23:32,709 --> 01:23:29,920

be good

2373

01:23:33,669 --> 01:23:32,719

well any final thoughts lon oh i'm just

2374

01:23:35,430 --> 01:23:33,679

gonna tell jay i'm

2375

01:23:36,950 --> 01:23:35,440

i'm getting i'm going to move back up pa

2376

01:23:41,189 --> 01:23:36,960

in the middle of the year

2377

01:23:46,470 --> 01:23:41,199

yes coming back home great

2378

01:23:50,390 --> 01:23:47,830

no i don't think i have anything else to

2379

01:23:52,950 --> 01:23:50,400

say you left lawn speechless jay

2380

01:23:55,110 --> 01:23:52,960

hey you know what i'll oh i just want to

2381

01:23:56,870 --> 01:23:55,120

say i appreciate you guys having me on

2382

01:23:58,390 --> 01:23:56,880

and listen to me babble because i know i

2383

01:23:58,950 --> 01:23:58,400

can babble with the best of them that's

2384

01:24:03,590 --> 01:23:58,960

good stuff

2385

01:24:05,350 --> 01:24:03,600

and i think our listeners are going to

2386

01:24:06,790 --> 01:24:05,360

really appreciate that and folks

2387

01:24:08,910 --> 01:24:06,800

you know as always if you didn't listen

2388

01:24:11,669 --> 01:24:08,920

to us live you can catch the archive

2389

01:24:13,910 --> 01:24:11,679

arcaneradio.com click on archives

2390

01:24:15,270 --> 01:24:13,920

uh we'll have the show posted and

2391

01:24:16,310 --> 01:24:15,280

probably tomorrow afternoon

2392

01:24:17,750 --> 01:24:16,320

unless i have to do a little bit of

2393

01:24:18,790 --> 01:24:17,760

editing but tomorrow afternoon it should

2394

01:24:20,709 --> 01:24:18,800

be posted

2395

01:24:22,870 --> 01:24:20,719

and you can always email us at info

2396

01:24:25,110 --> 01:24:22,880

arcane radio dot com stop over and see

2397

01:24:27,189 --> 01:24:25,120

lawn at phantomsandmonsters.com

2398

01:24:28,270 --> 01:24:27,199

keep tr keep track of what's going on

2399

01:24:29,669 --> 01:24:28,280

with me and what i'm doing at

2400

01:24:31,270 --> 01:24:29,679

theforkchop.net and

2401

01:24:32,709 --> 01:24:31,280

jay one more time let the folks know how

2402

01:24:34,470 --> 01:24:32,719

they can get a hold of you

2403

01:24:36,830 --> 01:24:34,480

yeah they can get a hold of me um you

2404

01:24:38,470 --> 01:24:36,840

can go to my website

2405

01:24:40,870 --> 01:24:38,480

wpihuntsthetruth.com

2406

01:24:41,669 --> 01:24:40,880

um also from there everybody's on

2407

01:24:43,510 --> 01:24:41,679

facebook

2408

01:24:45,750 --> 01:24:43,520

you can also look up you know under

2409

01:24:47,669 --> 01:24:45,760

facebook wpi hunts the truth

2410

01:24:49,270 --> 01:24:47,679

um like the page actually that's where i

2411

01:24:51,590 --> 01:24:49,280

post uh

2412

01:24:53,510 --> 01:24:51,600

you know any evidence or any suitable

2413

01:24:54,950 --> 01:24:53,520

evidence

2414

01:24:56,950 --> 01:24:54,960

you know just to be able to track to see

2415

01:24:58,070 --> 01:24:56,960

what i'm doing but definitely take a

2416

01:24:59,669 --> 01:24:58,080

look uh bookmark

2417

01:25:01,830 --> 01:24:59,679

the website because i do keep that

2418

01:25:04,070 --> 01:25:01,840

updated and it's a pretty cool website

2419

01:25:07,830 --> 01:25:04,080

because i designed it and i maintain it

2420

01:25:11,350 --> 01:25:10,229

but but definitely keep it there um you

2421

01:25:13,990 --> 01:25:11,360

know and

2422

01:25:14,390 --> 01:25:14,000

you know i'll tell anybody out there yes

2423

01:25:18,790 --> 01:25:14,400

my

2424

01:25:20,310 --> 01:25:18,800

truth dot com

2425

01:25:22,149 --> 01:25:20,320

or report it to whoever you feel

2426

01:25:25,189 --> 01:25:22,159

comfortable with someone like lon

2427

01:25:27,590 --> 01:25:25,199

linda eric anybody just

2428

01:25:28,629 --> 01:25:27,600

report it that's that's it we all kind

2429

01:25:31,270 --> 01:25:28,639

of network

2430

01:25:32,310 --> 01:25:31,280

uh like this and this is this is what we

2431

01:25:36,149 --> 01:25:32,320

do try to

2432

01:25:37,430 --> 01:25:36,159

try to hunt the truth that's right

2433

01:25:40,470 --> 01:25:37,440

if you want it really taken care of

2434

01:25:42,229 --> 01:25:40,480

really quickly get a hold of lawn

2435

01:25:44,390 --> 01:25:42,239

right exactly long jumps on it man let

2436

01:25:45,910 --> 01:25:44,400

me tell you he did something he's like

2437

01:25:47,510 --> 01:25:45,920

i got it he's like right on he's like

2438

01:25:50,550 --> 01:25:47,520

hey sean check this out

2439

01:25:50,790 --> 01:25:50,560

and you're drunk man it is it thought is

2440

01:25:58,550 --> 01:25:50,800

it

2441

01:26:00,870 --> 01:25:58,560

happen

2442

01:26:02,470 --> 01:26:00,880

it didn't but it's going to check it out

2443

01:26:04,629 --> 01:26:02,480

i feel this is going to happen here

2444

01:26:05,750 --> 01:26:04,639

anytime i got to bust along balls every

2445

01:26:07,430 --> 01:26:05,760

once in a while

2446

01:26:09,590 --> 01:26:07,440

love to be connected with this guy lod's

2447

01:26:10,629 --> 01:26:09,600

got uh he really does he he's had his

2448

01:26:12,229 --> 01:26:10,639

pulse you know

2449

01:26:14,070 --> 01:26:12,239

it was no coincidence when i called him

2450

01:26:16,629 --> 01:26:14,080

the pulse of the paranormal because he

2451  
01:26:18,870 --> 01:26:16,639  
literally is the pulse of the paranormal

2452  
01:26:26,070 --> 01:26:18,880  
i think i called you that in gettysburg

2453  
01:26:30,310 --> 01:26:26,950  
because they were calling him the

2454  
01:26:32,950 --> 01:26:30,320  
godfather paranormal and uh you called

2455  
01:26:35,430 --> 01:26:32,960  
me the poop of paranoia

2456  
01:26:36,390 --> 01:26:35,440  
yeah i love it i love it well folks

2457  
01:26:38,390 --> 01:26:36,400  
you've been listening to the arcane

2458  
01:26:41,669 --> 01:26:38,400  
radio sean fork or launch strickler

2459  
01:26:45,750 --> 01:26:41,679  
catch us next week with our guest brett

2460  
01:26:48,310 --> 01:26:45,760  
oldham and uh what are we talking about

2461  
01:26:49,510 --> 01:26:48,320  
this is an abductee and oh okay so it's

2462  
01:26:51,270 --> 01:26:49,520  
gonna get serious rich

2463  
01:26:52,790 --> 01:26:51,280

he's actually a couple books eating his

2464

01:26:53,669 --> 01:26:52,800

wife and uh

2465

01:26:56,070 --> 01:26:53,679

i don't know if she's going to be

2466

01:26:58,149 --> 01:26:56,080

joining us or not but he um

2467

01:26:59,669 --> 01:26:58,159

he is going to be joining us and i'm

2468

01:27:00,229 --> 01:26:59,679

quite sure he's going to be talking

2469

01:27:02,149 --> 01:27:00,239

about

2470

01:27:03,510 --> 01:27:02,159

some of his experiences interesting so

2471

01:27:05,350 --> 01:27:03,520

next week it gets a little wild and

2472

01:27:07,750 --> 01:27:05,360

weird here in arcane radio we talk about

2473

01:27:09,110 --> 01:27:07,760

alien abductions again with brett oldham
