

ARCANE RADIO 

Exploring the Unexplained

March 19th, 2015

Butch Witkowski

Investigator, Researcher

'Searching for PA Dogman'

BXP

1
00:00:03,990 --> 00:00:01,990
and good afternoon good evening and good

2
00:00:04,710 --> 00:00:04,000
night folks you're listening to arcane

3
00:00:06,950 --> 00:00:04,720
radio

4
00:00:08,710 --> 00:00:06,960
i'm sean the fork chop forker joined as

5
00:00:10,509 --> 00:00:08,720
always by lon strickler

6
00:00:12,150 --> 00:00:10,519
the everyman over at

7
00:00:16,470 --> 00:00:12,160
phantomsandmonsters.com

8
00:00:18,310 --> 00:00:16,480
broadcasting to you live from high atop

9
00:00:20,470 --> 00:00:18,320
the pajama factory in williamSPORT

10
00:00:22,390 --> 00:00:20,480
pennsylvania lon how are you doing

11
00:00:23,830 --> 00:00:22,400
doing pretty good been a busy week but

12
00:00:26,710 --> 00:00:23,840
hanging in there

13
00:00:27,990 --> 00:00:26,720

busy week indeed and uh well i'm not

14

00:00:29,750 --> 00:00:28,000

having a busy day i've been

15

00:00:31,429 --> 00:00:29,760

i'm on a little five day sabbatical here

16

00:00:33,750 --> 00:00:31,439

so we're gonna do some uh

17

00:00:35,590 --> 00:00:33,760

arcane radio and some investigating on a

18

00:00:37,910 --> 00:00:35,600

case i'm working on

19

00:00:39,830 --> 00:00:37,920

and uh man i tell you i'm excited to get

20

00:00:42,470 --> 00:00:39,840

started albert rosales was supposed to

21

00:00:44,229 --> 00:00:42,480

be our guest tonight unfortunately

22

00:00:45,750 --> 00:00:44,239

circumstances prevented him from joining

23

00:00:46,630 --> 00:00:45,760

us but we are rescheduling him from

24

00:00:48,470 --> 00:00:46,640

another day

25

00:00:52,069 --> 00:00:48,480

yeah um he'll come he'll come back with

26

00:00:53,910 --> 00:00:52,079

us uh he has some family issues so uh

27

00:00:55,510 --> 00:00:53,920

uh we're gonna have uh we're gonna have

28

00:00:57,990 --> 00:00:55,520

butch witkowski join us a little bit

29

00:00:59,590 --> 00:00:58,000

later uh he's gonna talk about some new

30

00:01:01,349 --> 00:00:59,600

developments as far as the case we've

31

00:01:05,109 --> 00:01:01,359

been involved with

32

00:01:07,830 --> 00:01:05,119

so uh it will be interesting so

33

00:01:09,030 --> 00:01:07,840

looking forward to that what an

34

00:01:09,830 --> 00:01:09,040

interesting show we're going to have

35

00:01:11,109 --> 00:01:09,840

here tonight

36

00:01:12,950 --> 00:01:11,119

and but we've got some interesting

37

00:01:14,469 --> 00:01:12,960

topics to talk about here before we get

38

00:01:16,550 --> 00:01:14,479

started

39

00:01:17,910 --> 00:01:16,560

yeah it's been a it's it's been a few

40

00:01:21,190 --> 00:01:17,920

things going on and

41

00:01:23,350 --> 00:01:21,200

uh you know of course the m tooth

42

00:01:24,550 --> 00:01:23,360

uh monsters and mysteries was on last

43

00:01:27,910 --> 00:01:24,560

night

44

00:01:32,630 --> 00:01:27,920

uh you know it's first i had seen it and

45

00:01:35,510 --> 00:01:32,640

it was interesting i can say that uh

46

00:01:36,390 --> 00:01:35,520

actually i i think the um i think the

47

00:01:39,109 --> 00:01:36,400

production

48

00:01:40,870 --> 00:01:39,119

made it a little more frightful than

49

00:01:42,069 --> 00:01:40,880

what it very well may have been but then

50

00:01:45,749 --> 00:01:42,079

again i don't know

51
00:01:49,590 --> 00:01:45,759
you know it was uh it's put this way

52
00:01:50,789 --> 00:01:49,600
it was probably a scarier scenario than

53
00:01:54,310 --> 00:01:50,799
i thought it was

54
00:01:56,630 --> 00:01:54,320
when i actually took the report so uh

55
00:01:58,630 --> 00:01:56,640
from an entertainment standpoint the

56
00:01:59,190 --> 00:01:58,640
show was phenomenal i really enjoyed it

57
00:02:01,749 --> 00:01:59,200
uh

58
00:02:04,389 --> 00:02:01,759
three three segments that were on there

59
00:02:07,270 --> 00:02:04,399
the spotsville monster barton nutley

60
00:02:08,790 --> 00:02:07,280
nully i'm sorry i pronounced it yeah i

61
00:02:09,029 --> 00:02:08,800
always butchered that last name you know

62
00:02:11,990 --> 00:02:09,039
me

63
00:02:13,430 --> 00:02:12,000

tongue tied but the show was good i i

64

00:02:16,070 --> 00:02:13,440

found that segment to be quite

65

00:02:17,830 --> 00:02:16,080

interesting and entertaining the tornado

66

00:02:19,830 --> 00:02:17,840

phantoms was really

67

00:02:21,589 --> 00:02:19,840

odd it creeped my wife out when her and

68

00:02:22,869 --> 00:02:21,599

i watched it together she wasn't a fan

69

00:02:25,190 --> 00:02:22,879

of that

70

00:02:26,470 --> 00:02:25,200

but uh it was that was interesting it

71

00:02:28,070 --> 00:02:26,480

wasn't something i was

72

00:02:31,350 --> 00:02:28,080

familiar with and as you and i joked

73

00:02:33,670 --> 00:02:31,360

what the hell was a tornado phantom

74

00:02:34,790 --> 00:02:33,680

but afterwards you know they described

75

00:02:37,350 --> 00:02:34,800

these uh

76

00:02:38,790 --> 00:02:37,360

lack of a better term entities that uh

77

00:02:40,949 --> 00:02:38,800

you know appeared

78

00:02:42,150 --> 00:02:40,959

uh after the catastrophic events at

79

00:02:43,670 --> 00:02:42,160

joplin that massive

80

00:02:45,990 --> 00:02:43,680

tornado that went through and did a lot

81

00:02:48,949 --> 00:02:46,000

of damage there years ago

82

00:02:49,509 --> 00:02:48,959

yeah it was multiple witnesses uh look

83

00:02:52,550 --> 00:02:49,519

just like

84

00:02:54,710 --> 00:02:52,560

it was like a guardian angel or you know

85

00:02:57,750 --> 00:02:54,720

like some type of spirit guide watching

86

00:03:00,869 --> 00:02:57,760

over some of the people and uh

87

00:03:01,509 --> 00:03:00,879

you know i think the kids probably saw

88

00:03:03,750 --> 00:03:01,519

it

89

00:03:05,030 --> 00:03:03,760

more than anyone they're the ones that

90

00:03:08,070 --> 00:03:05,040

talked about it when they

91

00:03:11,350 --> 00:03:08,080

got to the hospitals and such uh

92

00:03:14,550 --> 00:03:11,360

so yeah i mean it was a multiple

93

00:03:16,550 --> 00:03:14,560

sighting multiple experience

94

00:03:17,990 --> 00:03:16,560

and uh that was interesting because that

95

00:03:19,670 --> 00:03:18,000

quite frankly i hadn't even heard of

96

00:03:21,430 --> 00:03:19,680

that

97

00:03:22,710 --> 00:03:21,440

me either in fact you and i tried to do

98

00:03:24,309 --> 00:03:22,720

a google search and everything

99

00:03:25,990 --> 00:03:24,319

afterwards and

100

00:03:28,550 --> 00:03:26,000

didn't get much about it so i'm glad we

101

00:03:31,910 --> 00:03:28,560

were able to do a little investigating

102

00:03:33,270 --> 00:03:31,920

and uh you know watch this show and

103

00:03:35,110 --> 00:03:33,280

find out a little bit more about this

104

00:03:36,710 --> 00:03:35,120

strange phenomena

105

00:03:37,910 --> 00:03:36,720

interesting to say the least lon but of

106

00:03:39,190 --> 00:03:37,920

course you know the segment you and i

107

00:03:40,630 --> 00:03:39,200

want to talk about

108

00:03:42,630 --> 00:03:40,640

is your little cameo there in the

109

00:03:44,710 --> 00:03:42,640

program the mantis man finally made its

110

00:03:49,190 --> 00:03:44,720

debut on tv

111

00:03:52,229 --> 00:03:49,200

yeah um and it was interesting because

112

00:03:54,149 --> 00:03:52,239

uh many people in hackett's town had not

113

00:03:56,390 --> 00:03:54,159

heard about this of course you know

114

00:03:57,350 --> 00:03:56,400

unless they read the uh red phantoms of

115

00:03:59,990 --> 00:03:57,360

mosses they

116

00:04:00,390 --> 00:04:00,000

they wouldn't have known about it and uh

117

00:04:04,949 --> 00:04:00,400

it was

118

00:04:08,630 --> 00:04:04,959

people got a chance to tune in

119

00:04:10,630 --> 00:04:08,640

and saw it for the first time so

120

00:04:12,229 --> 00:04:10,640

you know i know there was a lot of it

121

00:04:13,509 --> 00:04:12,239

was funny there was a lot of fishermen

122

00:04:15,350 --> 00:04:13,519

contacting me

123

00:04:17,670 --> 00:04:15,360

that they hadn't seen anything like that

124

00:04:19,830 --> 00:04:17,680

and were in the river exactly

125

00:04:20,789 --> 00:04:19,840

and i i told them you'd have to talk to

126

00:04:24,150 --> 00:04:20,799

the witnesses

127

00:04:27,350 --> 00:04:24,160

and uh you know i'd refer to them so

128

00:04:29,270 --> 00:04:27,360

but it is it was something interesting i

129

00:04:31,189 --> 00:04:29,280

um

130

00:04:32,790 --> 00:04:31,199

i think they did a fairly good job with

131

00:04:35,830 --> 00:04:32,800

it uh the graphics weren't

132

00:04:37,430 --> 00:04:35,840

great i don't think but what you know

133

00:04:39,189 --> 00:04:37,440

who knows how to do a graphic of a

134

00:04:40,710 --> 00:04:39,199

mantis man so i guess they did as well

135

00:04:42,870 --> 00:04:40,720

as it could

136

00:04:44,070 --> 00:04:42,880

but uh you know it's a strange phenomena

137

00:04:46,390 --> 00:04:44,080

and i quite frankly

138

00:04:48,070 --> 00:04:46,400

i i'm really hoping that if somebody

139

00:04:52,070 --> 00:04:48,080

else sees something

140

00:04:54,310 --> 00:04:52,080

they contact me and uh you know

141

00:04:56,310 --> 00:04:54,320

let me know what they saw because i

142

00:04:58,550 --> 00:04:56,320

would like to go up there

143

00:04:59,590 --> 00:04:58,560

and take a look again uh be a little

144

00:05:04,790 --> 00:04:59,600

more

145

00:05:07,510 --> 00:05:04,800

than it was

146

00:05:09,990 --> 00:05:07,520

last time uh in fact butch has talked

147

00:05:12,950 --> 00:05:10,000

about going up there with me as well so

148

00:05:14,710 --> 00:05:12,960

i will have to wait and see well count

149

00:05:16,710 --> 00:05:14,720

me and if you decide to go i'd like to

150

00:05:18,390 --> 00:05:16,720

check that out myself something really

151

00:05:20,310 --> 00:05:18,400

interesting and seeing the

152

00:05:22,390 --> 00:05:20,320

i guess the reenactment but listening to

153

00:05:23,990 --> 00:05:22,400

the actual witness talk lawn

154

00:05:25,110 --> 00:05:24,000

was pretty compelling like well you know

155

00:05:26,390 --> 00:05:25,120

because we have heard about this

156

00:05:27,749 --> 00:05:26,400

phenomena you've talked about it for

157

00:05:28,950 --> 00:05:27,759

some time but this is the first time

158

00:05:31,590 --> 00:05:28,960

i've

159

00:05:32,950 --> 00:05:31,600

been immersed you know what i mean by

160

00:05:34,950 --> 00:05:32,960

the uh

161

00:05:36,310 --> 00:05:34,960

just by the story and it was something

162

00:05:37,270 --> 00:05:36,320

different hearing a witness tell the

163

00:05:38,950 --> 00:05:37,280

story

164

00:05:40,790 --> 00:05:38,960

you know it was pretty telling to the

165

00:05:43,189 --> 00:05:40,800

actual event and to me that was

166

00:05:45,110 --> 00:05:43,199

that was really important to understand

167

00:05:45,830 --> 00:05:45,120

and to be a part of to watch that

168

00:05:47,430 --> 00:05:45,840

telling

169

00:05:48,710 --> 00:05:47,440

and it was interesting kind of lended a

170

00:05:50,950 --> 00:05:48,720

little bit more credibility to the

171

00:05:52,230 --> 00:05:50,960

phenomena to me the most compelling part

172

00:05:55,990 --> 00:05:52,240

of it is

173

00:05:59,189 --> 00:05:56,000

that uh the esp

174

00:06:01,350 --> 00:05:59,199

mind melding type of whatever

175

00:06:02,550 --> 00:06:01,360

effect this thing had on at least one of

176

00:06:05,749 --> 00:06:02,560

the witnesses

177

00:06:06,070 --> 00:06:05,759

the first witness actually had some type

178

00:06:08,870 --> 00:06:06,080

of

179

00:06:11,430 --> 00:06:08,880

uh interaction as well but it wasn't

180

00:06:13,990 --> 00:06:11,440

wasn't much said about it on the show

181

00:06:15,430 --> 00:06:14,000

uh this is something similar to what

182

00:06:18,870 --> 00:06:15,440

some people say

183

00:06:22,790 --> 00:06:18,880

when they encounter a bigfoot uh and

184

00:06:25,270 --> 00:06:22,800

especially uh non-terrestrials or alien

185

00:06:26,790 --> 00:06:25,280

during you know either an encounter or

186

00:06:29,909 --> 00:06:26,800

an abduction

187

00:06:31,110 --> 00:06:29,919

so um is it the same thing i very well

188

00:06:34,469 --> 00:06:31,120

could be

189

00:06:37,510 --> 00:06:34,479

but the second witness he um

190

00:06:40,550 --> 00:06:37,520

he lost all body function and everything

191

00:06:43,590 --> 00:06:40,560

when this happened to him so

192

00:06:45,830 --> 00:06:43,600

uh you know it's the scenario is very

193

00:06:48,469 --> 00:06:45,840

similar to what happens

194

00:06:51,430 --> 00:06:48,479

when uh people are going through

195

00:06:54,870 --> 00:06:51,440

especially younger people going through

196

00:06:55,510 --> 00:06:54,880

an abduction so i thought that was quite

197

00:06:57,749 --> 00:06:55,520

interesting

198

00:06:59,270 --> 00:06:57,759

point blank extraterrestrial or not what

199

00:07:00,790 --> 00:06:59,280

do you think this thing is

200

00:07:02,710 --> 00:07:00,800

i think it's a non-terrestrial i think

201

00:07:04,790 --> 00:07:02,720

it's a non-terrestrial

202

00:07:06,629 --> 00:07:04,800

i i can't say if it's extraterrestrial

203

00:07:07,990 --> 00:07:06,639

or from another planet or what or where

204

00:07:09,909 --> 00:07:08,000

it's from but

205

00:07:11,350 --> 00:07:09,919

i think it's something that moves in and

206

00:07:14,629 --> 00:07:11,360

out of uh

207

00:07:16,150 --> 00:07:14,639

planes of existence uh it may be able to

208

00:07:19,510 --> 00:07:16,160

do it through several several

209

00:07:23,460 --> 00:07:19,520

different planes but i think it's moving

210

00:07:24,790 --> 00:07:23,470

into you know into our dimension

211

00:07:26,150 --> 00:07:24,800

[Music]

212

00:07:28,309 --> 00:07:26,160

for whatever reason i don't know if it's

213

00:07:31,749 --> 00:07:28,319

coming in to feed coming in

214

00:07:33,589 --> 00:07:31,759

just to explore you know i don't know

215

00:07:35,430 --> 00:07:33,599

but uh i think i think it's a

216

00:07:36,950 --> 00:07:35,440

non-terrestrial and of course this

217

00:07:43,350 --> 00:07:36,960

insectoid

218

00:07:46,950 --> 00:07:43,360

during uh human encounters with

219

00:07:48,869 --> 00:07:46,960

with aliens a lot of these races or

220

00:07:52,710 --> 00:07:48,879

species of aliens

221

00:07:53,589 --> 00:07:52,720

do congregate and i've heard of several

222

00:07:57,909 --> 00:07:53,599

different

223

00:07:59,270 --> 00:07:57,919

types being together during uh

224

00:08:00,869 --> 00:07:59,280

abductions

225

00:08:02,790 --> 00:08:00,879

uh where each of them seems to have

226

00:08:04,469 --> 00:08:02,800

their own little job on a little level

227

00:08:08,230 --> 00:08:04,479

and our importance

228

00:08:12,309 --> 00:08:08,240

and uh the insecticoids are usually

229

00:08:13,749 --> 00:08:12,319

the the ones on top from most of the uh

230

00:08:16,230 --> 00:08:13,759

for most of the descriptions i've

231

00:08:17,909 --> 00:08:16,240

received that's the first thing laura

232

00:08:18,869 --> 00:08:17,919

said when we were my wife when we were

233

00:08:20,390 --> 00:08:18,879

watching

234

00:08:22,309 --> 00:08:20,400

the program she goes it's like one of

235

00:08:23,589 --> 00:08:22,319

those insectoid aliens

236

00:08:27,270 --> 00:08:23,599

i'm like how the hell do you know about

237

00:08:28,950 --> 00:08:27,280

those and she goes i do pay attention

238

00:08:30,150 --> 00:08:28,960

i think it's an extraterrestrial but

239

00:08:30,790 --> 00:08:30,160

that's just my opinion i don't have

240

00:08:32,550 --> 00:08:30,800

enough

241

00:08:34,790 --> 00:08:32,560

information backed up but that's what it

242

00:08:36,310 --> 00:08:34,800

just reminds me of but watching you know

243

00:08:38,709 --> 00:08:36,320

listening to the witness recount how it

244

00:08:40,949 --> 00:08:38,719

just kind of slowly faded

245

00:08:42,790 --> 00:08:40,959

like the show kind of had it more of

246

00:08:44,070 --> 00:08:42,800

like a cloaking

247

00:08:46,150 --> 00:08:44,080

and it was done but when he was

248

00:08:49,190 --> 00:08:46,160

recounting it was very

249

00:08:51,350 --> 00:08:49,200

uh very like slowly fading

250

00:08:53,350 --> 00:08:51,360

away and i have to say that when you're

251
00:08:55,190 --> 00:08:53,360
talking about the grays you either the

252
00:08:58,230 --> 00:08:55,200
small grades or the

253
00:08:59,990 --> 00:08:58,240
even the tall grays in particular

254
00:09:01,829 --> 00:09:00,000
they seem to move in and out like that

255
00:09:03,750 --> 00:09:01,839
as well um

256
00:09:05,910 --> 00:09:03,760
it's not like if they show up in your

257
00:09:10,070 --> 00:09:05,920
bedroom they're coming through the doors

258
00:09:13,269 --> 00:09:10,080
uh they just uh just seem to appear and

259
00:09:15,750 --> 00:09:13,279
disappear uh fade in fade out

260
00:09:17,430 --> 00:09:15,760
it's uh the same type of thing for them

261
00:09:19,509 --> 00:09:17,440
for me i think we could move this thing

262
00:09:21,750 --> 00:09:19,519
away from the cryptid standpoint

263
00:09:23,430 --> 00:09:21,760

and into something a little bit more

264

00:09:26,310 --> 00:09:23,440

quote-unquote paranormal

265

00:09:28,470 --> 00:09:26,320

supernatural in my opinion uh again

266

00:09:29,350 --> 00:09:28,480

nonetheless lawn monsters and mysteries

267

00:09:32,550 --> 00:09:29,360

last night

268

00:09:33,190 --> 00:09:32,560

good showing uh lauren coleman reports

269

00:09:34,710 --> 00:09:33,200

our

270

00:09:37,190 --> 00:09:34,720

you know the cryptozoologist lorne

271

00:09:38,389 --> 00:09:37,200

coleman reports on his facebook page

272

00:09:40,310 --> 00:09:38,399

that monsters and mysteries will be

273

00:09:41,269 --> 00:09:40,320

running his never-before-revealed

274

00:09:43,350 --> 00:09:41,279

sighting

275

00:09:44,710 --> 00:09:43,360

of the south illinois black panther that

276

00:09:47,750 --> 00:09:44,720

episode's going to air on march

277

00:09:49,509 --> 00:09:47,760

25th at 10 p.m he posted that on his

278

00:09:50,470 --> 00:09:49,519

facebook page today so i'm interested to

279

00:09:52,550 --> 00:09:50,480

see and and

280

00:09:53,509 --> 00:09:52,560

hear his recounting of this never before

281

00:09:55,670 --> 00:09:53,519

revealed

282

00:09:56,710 --> 00:09:55,680

sighting i have heard of this phenomena

283

00:09:58,949 --> 00:09:56,720

going on before

284

00:09:59,910 --> 00:09:58,959

i i have talked to at least one person

285

00:10:03,110 --> 00:09:59,920

who

286

00:10:04,310 --> 00:10:03,120

claims to have seen this thing

287

00:10:06,710 --> 00:10:04,320

all right now i don't know if it's a

288

00:10:09,829 --> 00:10:06,720

seam i don't know it's the same

289

00:10:11,509 --> 00:10:09,839

cat or whatever it is that that

290

00:10:14,870 --> 00:10:11,519

coleman's talking about

291

00:10:17,590 --> 00:10:14,880

but this phenomena is is known

292

00:10:18,470 --> 00:10:17,600

so cryptid yeah i think this is def

293

00:10:21,430 --> 00:10:18,480

encrypted

294

00:10:24,550 --> 00:10:21,440

i think there was a um there was another

295

00:10:27,190 --> 00:10:24,560

type of cat species of big cat species

296

00:10:28,710 --> 00:10:27,200

seen in the same general area not long

297

00:10:32,150 --> 00:10:28,720

ago

298

00:10:35,750 --> 00:10:32,160

uh this southern illinois

299

00:10:39,030 --> 00:10:35,760

western kentucky eastern missouri

300

00:10:39,670 --> 00:10:39,040

area is ripe for a lot of cryptid

301
00:10:42,949 --> 00:10:39,680
activity

302
00:10:45,269 --> 00:10:42,959
of course the land between the lakes is

303
00:10:46,470 --> 00:10:45,279
in this general area as well so there

304
00:10:48,230 --> 00:10:46,480
are there are

305
00:10:49,590 --> 00:10:48,240
there is a lot of phenomena that goes on

306
00:10:52,230 --> 00:10:49,600
that area so

307
00:10:53,030 --> 00:10:52,240
including absolutely including the ufo

308
00:10:56,150 --> 00:10:53,040
because the

309
00:10:59,350 --> 00:10:56,160
ufo that the sightings from

310
00:11:02,389 --> 00:10:59,360
year 2000 the southern illinois

311
00:11:04,870 --> 00:11:02,399
st louis sightings of that huge

312
00:11:06,870 --> 00:11:04,880
craft that was that all the police

313
00:11:11,750 --> 00:11:06,880

departments had seen

314

00:11:13,430 --> 00:11:11,760

uh well known for that as well so um

315

00:11:15,509 --> 00:11:13,440

i don't know you know it'll be

316

00:11:17,110 --> 00:11:15,519

interesting to see i i i am

317

00:11:18,949 --> 00:11:17,120

i'm glad you mentioned it because i had

318

00:11:20,069 --> 00:11:18,959

knowing about it but i'll definitely be

319

00:11:21,750 --> 00:11:20,079

watching it

320

00:11:23,190 --> 00:11:21,760

me too it's a good wednesday night

321

00:11:25,190 --> 00:11:23,200

activity

322

00:11:27,030 --> 00:11:25,200

yeah it was uh not much going on on a

323

00:11:27,590 --> 00:11:27,040

wednesday night i think it finally found

324

00:11:30,310 --> 00:11:27,600

its uh

325

00:11:31,430 --> 00:11:30,320

time time span where it really belongs

326

00:11:33,350 --> 00:11:31,440

you know not really going up in

327

00:11:35,430 --> 00:11:33,360

competition with anything else

328

00:11:36,870 --> 00:11:35,440

uh not on the weekends when there's a

329

00:11:38,949 --> 00:11:36,880

lot of other programming

330

00:11:40,150 --> 00:11:38,959

on there that people are trying to fight

331

00:11:42,550 --> 00:11:40,160

for it was

332

00:11:44,310 --> 00:11:42,560

on the friday night for a while and then

333

00:11:45,430 --> 00:11:44,320

they replaced that with that tna

334

00:11:46,949 --> 00:11:45,440

wrestling

335

00:11:48,870 --> 00:11:46,959

and then they moved it to that saturday

336

00:11:49,350 --> 00:11:48,880

night spot and i think it fits right in

337

00:11:50,949 --> 00:11:49,360

place

338

00:11:52,310 --> 00:11:50,959

right at home on wednesday nights i

339

00:11:53,430 --> 00:11:52,320

think that's going to be a good time for

340

00:11:55,110 --> 00:11:53,440

it yeah i think a lot of those

341

00:11:56,870 --> 00:11:55,120

paranormal shows are trying

342

00:11:58,230 --> 00:11:56,880

to move in the prime time in the week

343

00:11:59,829 --> 00:11:58,240

now uh

344

00:12:01,990 --> 00:11:59,839

i have noticed that some of them are

345

00:12:05,590 --> 00:12:02,000

doing that and of course

346

00:12:07,910 --> 00:12:05,600

you know it's you know m2 is part of

347

00:12:09,430 --> 00:12:07,920

uh that's part of the discovery channel

348

00:12:11,110 --> 00:12:09,440

so i think they are kind of moving their

349

00:12:13,030 --> 00:12:11,120

program into the week

350

00:12:14,550 --> 00:12:13,040

so you know they got a lot of other

351

00:12:18,069 --> 00:12:14,560

different programming

352

00:12:19,990 --> 00:12:18,079

some good some bad but you know

353

00:12:22,470 --> 00:12:20,000

uh i think i think monsters and

354

00:12:24,710 --> 00:12:22,480

mysteries is a fairly well done

355

00:12:26,710 --> 00:12:24,720

production i mean you know some stories

356

00:12:28,710 --> 00:12:26,720

are maybe a bit contrived

357

00:12:30,230 --> 00:12:28,720

have a little bit of entertainment value

358

00:12:32,389 --> 00:12:30,240

added to it but

359

00:12:33,990 --> 00:12:32,399

for the most part it's a it's a good

360

00:12:35,509 --> 00:12:34,000

product and uh

361

00:12:37,269 --> 00:12:35,519

i've enjoyed working with them you know

362

00:12:39,590 --> 00:12:37,279

bound to happen for television

363

00:12:40,790 --> 00:12:39,600

it really is and i mean aside from that

364

00:12:44,790 --> 00:12:40,800

you know little

365

00:12:46,629 --> 00:12:44,800

scares put in there overall good quality

366

00:12:48,230 --> 00:12:46,639

program for uh

367

00:12:50,150 --> 00:12:48,240

you know taking the core material and

368

00:12:50,550 --> 00:12:50,160

actually doing something good rendition

369

00:12:52,389 --> 00:12:50,560

of it

370

00:12:53,590 --> 00:12:52,399

i think so kudos to that program again

371

00:12:55,910 --> 00:12:53,600

we talk about it every

372

00:12:57,190 --> 00:12:55,920

every time we do a show because it gives

373

00:12:58,550 --> 00:12:57,200

us something to talk about

374

00:13:00,949 --> 00:12:58,560

yeah well i think you know i tell you

375

00:13:02,310 --> 00:13:00,959

the the the story editors the story

376

00:13:04,470 --> 00:13:02,320

producers

377

00:13:06,150 --> 00:13:04,480

and i've talked to there's two or three

378

00:13:07,030 --> 00:13:06,160

of them there in particular i've talked

379

00:13:09,990 --> 00:13:07,040

to

380

00:13:10,310 --> 00:13:10,000

uh they have bounced some ideas off of

381

00:13:12,710 --> 00:13:10,320

me

382

00:13:13,910 --> 00:13:12,720

over the years and uh of course they've

383

00:13:16,550 --> 00:13:13,920

done two of

384

00:13:17,190 --> 00:13:16,560

my stories as well but um they really

385

00:13:18,949 --> 00:13:17,200

dig i

386

00:13:21,590 --> 00:13:18,959

gotta get i don't know if i'd want that

387

00:13:24,230 --> 00:13:21,600

job but uh they're they're really uh

388

00:13:26,310 --> 00:13:24,240

they're really dedicated to finding some

389

00:13:27,910 --> 00:13:26,320

really odd things and i think they've

390

00:13:31,430 --> 00:13:27,920

done a pretty good job of that

391

00:13:33,910 --> 00:13:31,440

me too me too well speaking of uh

392

00:13:35,750 --> 00:13:33,920

paranormal phenomena and new things

393

00:13:37,030 --> 00:13:35,760

yesterday while i was doing my daily

394

00:13:42,550 --> 00:13:37,040

facebook surfing

395

00:13:44,710 --> 00:13:42,560

i stumbled upon a new type of

396

00:13:47,189 --> 00:13:44,720

a new type of phenomenon called the

397

00:13:49,350 --> 00:13:47,199

black stickman

398

00:13:50,230 --> 00:13:49,360

you mentioned that before the show and

399

00:13:53,110 --> 00:13:50,240

this is uh

400

00:13:53,990 --> 00:13:53,120

from uh micahackerman.com the nuclear

401
00:13:56,310 --> 00:13:54,000
blog lawn

402
00:13:59,030 --> 00:13:56,320
i don't know if you've been on there but

403
00:14:00,949 --> 00:13:59,040
i'll read this to you quick

404
00:14:02,389 --> 00:14:00,959
a new phenomena has been reported

405
00:14:04,150 --> 00:14:02,399
recently and i thought it sounded

406
00:14:05,670 --> 00:14:04,160
interesting so i decided to let you guys

407
00:14:07,670 --> 00:14:05,680
know about it

408
00:14:09,110 --> 00:14:07,680
reportedly in the last few years people

409
00:14:10,230 --> 00:14:09,120
have seen entities which can only be

410
00:14:13,110 --> 00:14:10,240
described as black

411
00:14:14,949 --> 00:14:13,120
stick men these creatures appear to be

412
00:14:16,710 --> 00:14:14,959
black stick figures that often are cited

413
00:14:18,310 --> 00:14:16,720

around dusk or dawn

414

00:14:19,990 --> 00:14:18,320

reports have had them walking on the

415

00:14:21,829 --> 00:14:20,000

sides of roads or in alleys and they

416

00:14:24,230 --> 00:14:21,839

seem to follow the unlucky person who

417

00:14:26,150 --> 00:14:24,240

witnesses them

418

00:14:27,590 --> 00:14:26,160

another strange things about these stick

419

00:14:30,550 --> 00:14:27,600

figures is that they make no

420

00:14:32,150 --> 00:14:30,560

sound and cast no shadow rumor also has

421

00:14:33,910 --> 00:14:32,160

it that the figures are often charged

422

00:14:36,949 --> 00:14:33,920

with some form of electricity

423

00:14:39,110 --> 00:14:36,959

most often reported as static people who

424

00:14:41,189 --> 00:14:39,120

encounter these reportedly shy

425

00:14:43,910 --> 00:14:41,199

these reportedly shy beings often have

426

00:14:46,150 --> 00:14:43,920

strange feelings of anger or agitation

427

00:14:47,990 --> 00:14:46,160

the theory is that whatever energy

428

00:14:49,829 --> 00:14:48,000

these entities are charged with causes

429

00:14:51,829 --> 00:14:49,839

an atmospheric effect that makes people

430

00:14:54,389 --> 00:14:51,839

feel very strange

431

00:14:56,310 --> 00:14:54,399

at the least these stick figures should

432

00:14:58,069 --> 00:14:56,320

not be confused with shadow people

433

00:14:59,670 --> 00:14:58,079

but it may be possible they are all

434

00:15:01,110 --> 00:14:59,680

somehow related

435

00:15:03,509 --> 00:15:01,120

what little is known about these

436

00:15:04,949 --> 00:15:03,519

creatures is based on eyewitness reports

437

00:15:07,350 --> 00:15:04,959

they don't seem to be tied to any

438

00:15:09,030 --> 00:15:07,360

particular haunting tragedy or area but

439

00:15:10,949 --> 00:15:09,040

the one thing is for sure

440

00:15:12,310 --> 00:15:10,959

incidents in which black stick figures

441

00:15:15,829 --> 00:15:12,320

are witnessed

442

00:15:17,829 --> 00:15:15,839

has increased recently from the spirit

443

00:15:19,430 --> 00:15:17,839

seekers website the details of what

444

00:15:21,509 --> 00:15:19,440

little there are about these creatures

445

00:15:23,269 --> 00:15:21,519

apparitions seem to be consistent from

446

00:15:25,110 --> 00:15:23,279

story to story

447

00:15:27,269 --> 00:15:25,120

the appearance usually takes place along

448

00:15:28,470 --> 00:15:27,279

a deserted road or in an alleyway away

449

00:15:31,110 --> 00:15:28,480

from bright lights and

450

00:15:33,269 --> 00:15:31,120

prying eyes the person encountering the

451
00:15:34,790 --> 00:15:33,279
stickman more times than not report

452
00:15:36,790 --> 00:15:34,800
being tired

453
00:15:38,710 --> 00:15:36,800
the figures move smoothly as if gliding

454
00:15:40,069 --> 00:15:38,720
they do not make any sound although the

455
00:15:42,790 --> 00:15:40,079
air around them is reportedly

456
00:15:44,710 --> 00:15:42,800
charged with static the actual stick men

457
00:15:46,150 --> 00:15:44,720
themselves seem indifferent to us unless

458
00:15:48,790 --> 00:15:46,160
provoked or if they realize they have

459
00:15:51,430 --> 00:15:48,800
been spotted

460
00:15:53,110 --> 00:15:51,440
then they will flee quickly or in some

461
00:15:54,069 --> 00:15:53,120
rare instances will approach quickly in

462
00:15:56,790 --> 00:15:54,079
a frightening display

463
00:15:58,710 --> 00:15:56,800

of aggravation however there have been

464

00:16:00,470 --> 00:15:58,720

no reported incidents of anyone being

465

00:16:01,509 --> 00:16:00,480

touched or harmed by the mysterious

466

00:16:03,590 --> 00:16:01,519

beings

467

00:16:05,269 --> 00:16:03,600

the only indications of their intent

468

00:16:07,189 --> 00:16:05,279

have been reports of vague feelings of

469

00:16:08,470 --> 00:16:07,199

malevolence though some feel this has to

470

00:16:10,790 --> 00:16:08,480

do with the disturbances in the

471

00:16:13,749 --> 00:16:10,800

atmospheric barometric pressures

472

00:16:15,189 --> 00:16:13,759

that often accompany a sighting and if

473

00:16:17,030 --> 00:16:15,199

anyone out there has witnessed these

474

00:16:19,189 --> 00:16:17,040

creatures please post your experiences

475

00:16:22,949 --> 00:16:19,199

in the comments section of the

476

00:16:23,430 --> 00:16:22,959

micro micahackerman.com i'll repost this

477

00:16:25,509 --> 00:16:23,440

on the

478

00:16:27,350 --> 00:16:25,519

arcane radio page and folks if you have

479

00:16:28,710 --> 00:16:27,360

some familiar instance with this please

480

00:16:30,470 --> 00:16:28,720

send it to us

481

00:16:33,110 --> 00:16:30,480

alan and i would like to hear about this

482

00:16:35,910 --> 00:16:33,120

new phenomena called the black stickman

483

00:16:37,350 --> 00:16:35,920

you know it sounds from most of the

484

00:16:39,110 --> 00:16:37,360

sightings but not in california

485

00:16:40,550 --> 00:16:39,120

didn't say specifically in this report

486

00:16:42,550 --> 00:16:40,560

where they were coming from

487

00:16:44,629 --> 00:16:42,560

i tell you it sounds like a phenomenon

488

00:16:47,590 --> 00:16:44,639

that was reported about five or six

489

00:16:48,389 --> 00:16:47,600

years ago called the nightcrawlers and

490

00:16:50,150 --> 00:16:48,399

uh

491

00:16:52,629 --> 00:16:50,160

i don't know if you remember seeing this

492

00:16:55,829 --> 00:16:52,639

but these beans

493

00:16:58,790 --> 00:16:55,839

looked like stickmen and they would

494

00:16:59,749 --> 00:16:58,800

but they were white in color and they'd

495

00:17:05,750 --> 00:16:59,759

come out at night

496

00:17:07,510 --> 00:17:05,760

and they'd roam around in open areas

497

00:17:09,270 --> 00:17:07,520

and you know people were threatened by

498

00:17:12,150 --> 00:17:09,280

them but i don't i don't

499

00:17:13,029 --> 00:17:12,160

know what else other than that it would

500

00:17:15,189 --> 00:17:13,039

you know if there was

501
00:17:16,789 --> 00:17:15,199
any malevolence or any type of contact

502
00:17:18,789 --> 00:17:16,799
with people

503
00:17:20,630 --> 00:17:18,799
it kind of sounds like that in a way

504
00:17:21,189 --> 00:17:20,640
because you know if you know when you

505
00:17:23,270 --> 00:17:21,199
say stick

506
00:17:25,429 --> 00:17:23,280
people they it kind of looked like that

507
00:17:29,830 --> 00:17:25,439
now

508
00:17:32,070 --> 00:17:29,840
but uh that's you anything i think i can

509
00:17:33,909 --> 00:17:32,080
think of

510
00:17:36,070 --> 00:17:33,919
the fact that it's this static

511
00:17:39,909 --> 00:17:36,080
electricity type of feeling

512
00:17:43,590 --> 00:17:39,919
or energy it does kind of seem like a

513
00:17:45,510 --> 00:17:43,600

you know a paranormal type of

514

00:17:47,110 --> 00:17:45,520

deal here that may be something that's

515

00:17:50,630 --> 00:17:47,120

doing you know

516

00:17:53,830 --> 00:17:50,640

involved with emf or

517

00:17:55,270 --> 00:17:53,840

you know some type of uh spirit energy

518

00:17:57,110 --> 00:17:55,280

maybe

519

00:17:59,430 --> 00:17:57,120

i don't know well you know the thing

520

00:18:02,150 --> 00:17:59,440

like like the article said is often

521

00:18:04,150 --> 00:18:02,160

accompanied by a feeling of agitation

522

00:18:05,669 --> 00:18:04,160

perhaps a thought form of some sort

523

00:18:07,909 --> 00:18:05,679

possibly

524

00:18:09,990 --> 00:18:07,919

it's possible though if it was a thought

525

00:18:12,950 --> 00:18:10,000

form

526

00:18:14,470 --> 00:18:12,960

it would probably take different shapes

527

00:18:15,510 --> 00:18:14,480

but then again you know these

528

00:18:18,310 --> 00:18:15,520

you know when you're talking about

529

00:18:20,470 --> 00:18:18,320

thought forms uh

530

00:18:21,750 --> 00:18:20,480

just like the slenderman you're not i

531

00:18:23,750 --> 00:18:21,760

think that's turned in

532

00:18:25,110 --> 00:18:23,760

the thought form realm now other you

533

00:18:27,590 --> 00:18:25,120

know after the

534

00:18:28,470 --> 00:18:27,600

internet mem and then it has become a

535

00:18:30,390 --> 00:18:28,480

thought form

536

00:18:32,470 --> 00:18:30,400

this very well may be the same type of

537

00:18:33,430 --> 00:18:32,480

thing what the hell do you think about

538

00:18:35,990 --> 00:18:33,440

slender man

539

00:18:38,070 --> 00:18:36,000

lon is that is that something real i

540

00:18:40,549 --> 00:18:38,080

think it has become real

541

00:18:43,190 --> 00:18:40,559

in the sense that some people have made

542

00:18:44,710 --> 00:18:43,200

it real you know that's a fine line

543

00:18:47,750 --> 00:18:44,720

between reality and

544

00:18:49,590 --> 00:18:47,760

in fiction but quite frankly thought

545

00:18:53,110 --> 00:18:49,600

forms

546

00:18:54,470 --> 00:18:53,120

are fiction to a point that

547

00:18:56,870 --> 00:18:54,480

you know they're not there's not

548

00:18:59,350 --> 00:18:56,880

something that everybody can see

549

00:19:00,950 --> 00:18:59,360

because it's one person that is actually

550

00:19:04,150 --> 00:19:00,960

manifesting it

551
00:19:05,830 --> 00:19:04,160
um you know i think that's what

552
00:19:08,549 --> 00:19:05,840
slenderman has turned into

553
00:19:10,070 --> 00:19:08,559
maybe in some instances you know every

554
00:19:13,909 --> 00:19:10,080
you know some people take a

555
00:19:14,230 --> 00:19:13,919
take a interest in it they get involved

556
00:19:18,310 --> 00:19:14,240
with

557
00:19:19,909 --> 00:19:18,320
it they kind of gear their life to it in

558
00:19:22,150 --> 00:19:19,919
some sense

559
00:19:24,630 --> 00:19:22,160
and they may get to the point where

560
00:19:26,630 --> 00:19:24,640
they're hoping to see it and manifest it

561
00:19:28,230 --> 00:19:26,640
by accident

562
00:19:29,750 --> 00:19:28,240
and i i think that's uh you know you

563
00:19:31,669 --> 00:19:29,760

know robin swoop has talked about that

564

00:19:34,710 --> 00:19:31,679

he and i have talked about this as well

565

00:19:35,110 --> 00:19:34,720

i think it has caught gotten to the

566

00:19:39,430 --> 00:19:35,120

thought

567

00:19:42,870 --> 00:19:39,440

form or tulpa level now

568

00:19:43,990 --> 00:19:42,880

so um you know i and i think this is a

569

00:19:46,630 --> 00:19:44,000

phenomena

570

00:19:48,310 --> 00:19:46,640

that if it's if it's continues to be

571

00:19:51,590 --> 00:19:48,320

mentioned

572

00:19:53,029 --> 00:19:51,600

in these forums or on the internet as a

573

00:19:56,950 --> 00:19:53,039

uh

574

00:19:59,510 --> 00:19:56,960

you know as it's kind of like a um

575

00:20:00,789 --> 00:19:59,520

a viral thing i i think that it's gonna

576

00:20:04,070 --> 00:20:00,799

you know it's gonna continue

577

00:20:06,549 --> 00:20:04,080

i think i think the the slenderman

578

00:20:09,750 --> 00:20:06,559

phenomena is gonna continue and people

579

00:20:10,870 --> 00:20:09,760

are going to uh probably act on it or

580

00:20:12,390 --> 00:20:10,880

report seeing it

581

00:20:14,950 --> 00:20:12,400

well and i think you make a good point

582

00:20:18,070 --> 00:20:14,960

there lon it's as real as people make it

583

00:20:19,270 --> 00:20:18,080

sure but when you're using it as a

584

00:20:21,510 --> 00:20:19,280

criminal defense

585

00:20:23,430 --> 00:20:21,520

you know what i mean you know the case

586

00:20:26,630 --> 00:20:23,440

out uh out west where they're

587

00:20:28,230 --> 00:20:26,640

using the slender man as the uh made the

588

00:20:29,990 --> 00:20:28,240

other person kill someone else i think

589

00:20:32,390 --> 00:20:30,000

that's something that we have to

590

00:20:33,270 --> 00:20:32,400

really tie down like you say the reality

591

00:20:35,990 --> 00:20:33,280

of it

592

00:20:37,510 --> 00:20:36,000

it's as real as we make it right so you

593

00:20:39,430 --> 00:20:37,520

know i think in her situation she

594

00:20:41,029 --> 00:20:39,440

actually believed it was real

595

00:20:42,870 --> 00:20:41,039

and i think she actually believed to

596

00:20:45,510 --> 00:20:42,880

talk to her now

597

00:20:47,270 --> 00:20:45,520

you know peop some people swear in

598

00:20:49,190 --> 00:20:47,280

poltergeist situations that they

599

00:20:51,190 --> 00:20:49,200

communicate with the uh

600

00:20:52,789 --> 00:20:51,200

the entity uh you know i don't know if

601
00:20:53,990 --> 00:20:52,799
that's true or not never mind they may

602
00:20:55,750 --> 00:20:54,000
think that

603
00:20:58,310 --> 00:20:55,760
uh you know there's actual mental

604
00:21:00,390 --> 00:20:58,320
illness that should go into that

605
00:21:02,549 --> 00:21:00,400
yeah i think it's been determined she

606
00:21:06,230 --> 00:21:02,559
she has a screw loose but you know

607
00:21:08,630 --> 00:21:06,240
she still acted upon it so and i think

608
00:21:10,230 --> 00:21:08,640
it's probably a pretty good defense in

609
00:21:13,510 --> 00:21:10,240
their case

610
00:21:15,350 --> 00:21:13,520
uh as far as using it as a uh you know

611
00:21:17,909 --> 00:21:15,360
as a mental issue well you know it kind

612
00:21:21,190 --> 00:21:17,919
of screams back to the defeo case

613
00:21:23,909 --> 00:21:21,200

can you use the paranormal as a as a

614

00:21:25,830 --> 00:21:23,919

as a defense and a murder case and it

615

00:21:30,070 --> 00:21:25,840

didn't work out too well for him

616

00:21:32,149 --> 00:21:30,080

well yeah ronnie defer i um

617

00:21:33,590 --> 00:21:32,159

i think there were some other things

618

00:21:37,029 --> 00:21:33,600

beyond that with him i

619

00:21:38,710 --> 00:21:37,039

i think uh there was some type of energy

620

00:21:40,950 --> 00:21:38,720

in that house

621

00:21:42,470 --> 00:21:40,960

that just connected with him and he

622

00:21:45,350 --> 00:21:42,480

ended up you know he ended up

623

00:21:46,070 --> 00:21:45,360

letting it get to him and uh you know it

624

00:21:47,830 --> 00:21:46,080

was mental

625

00:21:49,430 --> 00:21:47,840

there's no doubt about that the guy's a

626

00:21:52,310 --> 00:21:49,440

flake but the uh

627

00:21:54,310 --> 00:21:52,320

he acted upon it now you know that story

628

00:21:55,830 --> 00:21:54,320

always has fascinated me for a lot of

629

00:21:58,549 --> 00:21:55,840

reasons

630

00:21:59,510 --> 00:21:58,559

but i i i myself don't think he did it

631

00:22:01,430 --> 00:21:59,520

alone i think

632

00:22:03,110 --> 00:22:01,440

one of the sisters were involved well

633

00:22:04,149 --> 00:22:03,120

they have speculated that for some time

634

00:22:05,590 --> 00:22:04,159

now too

635

00:22:07,190 --> 00:22:05,600

but i think the thing that was kind of

636

00:22:08,870 --> 00:22:07,200

telling from that and i just watched

637

00:22:10,830 --> 00:22:08,880

something briefly on it today

638

00:22:12,870 --> 00:22:10,840

the in search of with leonard nimoy go

639

00:22:15,669 --> 00:22:12,880

figure uh

640

00:22:16,310 --> 00:22:15,679

lutz was experiencing similar feelings

641

00:22:20,070 --> 00:22:16,320

and

642

00:22:21,909 --> 00:22:20,080

were noting the

643

00:22:24,390 --> 00:22:21,919

the oddness and the similarities of how

644

00:22:26,070 --> 00:22:24,400

the two men even looked

645

00:22:29,029 --> 00:22:26,080

so i don't know before we turn this into

646

00:22:30,470 --> 00:22:29,039

a show about the uh amityville

647

00:22:31,830 --> 00:22:30,480

we kind of transitioned there pretty

648

00:22:33,510 --> 00:22:31,840

quickly which is all right and i guess

649

00:22:34,789 --> 00:22:33,520

you know maybe that is a topic worth

650

00:22:36,149 --> 00:22:34,799

exploring

651
00:22:37,669 --> 00:22:36,159
let's take this from the end of the

652
00:22:39,909 --> 00:22:37,679
spectrum we're at now from the black

653
00:22:40,470 --> 00:22:39,919
stickman and go opposite to the strange

654
00:22:44,070 --> 00:22:40,480
tall

655
00:22:46,310 --> 00:22:44,080
white albino beings lon yeah this was a

656
00:22:50,149 --> 00:22:46,320
story that chris hawley sent to me

657
00:22:52,149 --> 00:22:50,159
today so i posted on the blog

658
00:22:53,750 --> 00:22:52,159
i kind of perused it somewhat so maybe

659
00:22:57,909 --> 00:22:53,760
you want to

660
00:23:00,470 --> 00:22:57,919
talk a little bit about it she's

661
00:23:01,510 --> 00:23:00,480
chris usually post or write stories

662
00:23:04,870 --> 00:23:01,520
about

663
00:23:05,750 --> 00:23:04,880

personal uh encounters she has but most

664

00:23:08,390 --> 00:23:05,760

of the time it's

665

00:23:09,590 --> 00:23:08,400

encounters that friends and neighbors

666

00:23:11,669 --> 00:23:09,600

and such

667

00:23:12,630 --> 00:23:11,679

in her in her neighborhood in long

668

00:23:13,750 --> 00:23:12,640

island and

669

00:23:15,830 --> 00:23:13,760

she comes up with some pretty

670

00:23:18,870 --> 00:23:15,840

interesting things uh

671

00:23:20,549 --> 00:23:18,880

but this is uh you know i think this

672

00:23:23,590 --> 00:23:20,559

kind of goes back to

673

00:23:27,110 --> 00:23:23,600

another another uh species

674

00:23:29,270 --> 00:23:27,120

are supposed species of alien uh

675

00:23:30,310 --> 00:23:29,280

that people have been uh have been

676

00:23:31,990 --> 00:23:30,320

experiencing

677

00:23:33,350 --> 00:23:32,000

well you know it's interesting to say

678

00:23:35,029 --> 00:23:33,360

the least and uh

679

00:23:36,950 --> 00:23:35,039

i believe if i'm recalling this i'm

680

00:23:39,270 --> 00:23:36,960

trying to pull up the article right now

681

00:23:41,350 --> 00:23:39,280

uh this happened to a woman at the end

682

00:23:43,029 --> 00:23:41,360

of long island montauk right montauk

683

00:23:44,710 --> 00:23:43,039

point

684

00:23:46,710 --> 00:23:44,720

all right and here it's pulled up here

685

00:23:49,590 --> 00:23:46,720

do you want me to read it i can read it

686

00:23:50,789 --> 00:23:49,600

for the audience and again this comes

687

00:23:53,350 --> 00:23:50,799

from chris holly

688

00:23:55,190 --> 00:23:53,360

i was sent an email by a woman who lives

689

00:23:56,390 --> 00:23:55,200

on the end of long island new york at

690

00:23:58,070 --> 00:23:56,400

montauk point

691

00:23:59,830 --> 00:23:58,080

she told me that she often walked her

692

00:24:01,430 --> 00:23:59,840

two large dogs on the beach along the

693

00:24:03,510 --> 00:24:01,440

atlantic ocean coast

694

00:24:05,269 --> 00:24:03,520

on the end of long island the woman told

695

00:24:07,269 --> 00:24:05,279

me that she often reads my articles and

696

00:24:08,470 --> 00:24:07,279

remembered one i wrote years ago about a

697

00:24:11,269 --> 00:24:08,480

strange

698

00:24:13,350 --> 00:24:11,279

tall very white odd looking family that

699

00:24:14,630 --> 00:24:13,360

lived on long island in the 1960s and

700

00:24:16,390 --> 00:24:14,640

they're not talking about the kennedys

701
00:24:18,310 --> 00:24:16,400
folks

702
00:24:19,830 --> 00:24:18,320
this lady told me that while walking her

703
00:24:21,269 --> 00:24:19,840
two large dogs during the months of

704
00:24:23,110 --> 00:24:21,279
december and january

705
00:24:24,390 --> 00:24:23,120
she witnessed a strange family with a

706
00:24:26,789 --> 00:24:24,400
huge strange dog

707
00:24:28,390 --> 00:24:26,799
also walking on the beach she told me

708
00:24:30,310 --> 00:24:28,400
they were extremely tall and seemed to

709
00:24:31,909 --> 00:24:30,320
be two couples of albinos with about

710
00:24:33,669 --> 00:24:31,919
four or five children with them running

711
00:24:35,750 --> 00:24:33,679
along the beach as the adults walked the

712
00:24:37,510 --> 00:24:35,760
dog

713
00:24:38,870 --> 00:24:37,520

she told me she remembered my article

714

00:24:40,710 --> 00:24:38,880

and wanted to know if i had any other

715

00:24:43,269 --> 00:24:40,720

reports of this strange family being

716

00:24:45,269 --> 00:24:43,279

seen on long island

717

00:24:47,029 --> 00:24:45,279

i contacted the woman who told me she

718

00:24:49,590 --> 00:24:47,039

stopped seeing the strange group of tall

719

00:24:51,669 --> 00:24:49,600

albino people at the end of february

720

00:24:53,110 --> 00:24:51,679

she told me she found them to be so very

721

00:24:54,710 --> 00:24:53,120

odd that she asked the people in the

722

00:24:56,310 --> 00:24:54,720

town shops and her friends and neighbors

723

00:24:58,630 --> 00:24:56,320

if they have seen the group

724

00:25:00,070 --> 00:24:58,640

the only other person who claimed to

725

00:25:01,750 --> 00:25:00,080

have seen them was an older man

726
00:25:03,350 --> 00:25:01,760
who would feed the birds along the shore

727
00:25:05,110 --> 00:25:03,360
on the beach but he only noticed them

728
00:25:07,830 --> 00:25:05,120
once and did not recall ever seeing them

729
00:25:11,669 --> 00:25:09,830
i questioned her and found the woman to

730
00:25:12,710 --> 00:25:11,679
be concerned about the people as she

731
00:25:14,390 --> 00:25:12,720
felt they were

732
00:25:16,710 --> 00:25:14,400
something other than human and felt very

733
00:25:18,950 --> 00:25:16,720
uncomfortable when walking near them

734
00:25:20,470 --> 00:25:18,960
she told me her large dogs who were very

735
00:25:22,070 --> 00:25:20,480
protective and a bit on the aggressive

736
00:25:23,750 --> 00:25:22,080
side would whimper and stick their tails

737
00:25:24,789 --> 00:25:23,760
between their legs dragging her away

738
00:25:26,390 --> 00:25:24,799

from the group

739

00:25:28,149 --> 00:25:26,400

refusing to stay close to them which

740

00:25:30,070 --> 00:25:28,159

ended with her being dragged into a

741

00:25:31,750 --> 00:25:30,080

half-run downed beach

742

00:25:34,549 --> 00:25:31,760

away from the strange group of people by

743

00:25:37,110 --> 00:25:34,559

her frightened protective pets

744

00:25:38,710 --> 00:25:37,120

in all the years 50 years since 1965

745

00:25:40,789 --> 00:25:38,720

since my family and i encountered the

746

00:25:41,110 --> 00:25:40,799

same type of tall albino people this was

747

00:25:43,669 --> 00:25:41,120

not

748

00:25:45,510 --> 00:25:43,679

this was the first time anyone in my

749

00:25:48,070 --> 00:25:45,520

area ever talked about them not

750

00:25:50,230 --> 00:25:48,080

uh seeing them not only on long island

751
00:25:51,750 --> 00:25:50,240
but anywhere

752
00:25:54,390 --> 00:25:51,760
and then they go on to write the

753
00:25:57,590 --> 00:25:54,400
original uh original article

754
00:25:58,710 --> 00:25:57,600
so it's very strange so that th this

755
00:26:01,990 --> 00:25:58,720
lady

756
00:26:04,230 --> 00:26:02,000
and one other person sees this very tall

757
00:26:05,830 --> 00:26:04,240
family of albino people also walking

758
00:26:07,909 --> 00:26:05,840
their dog but nobody else notices them

759
00:26:11,190 --> 00:26:07,919
but one other person

760
00:26:15,350 --> 00:26:11,200
i i think this is a situation and like

761
00:26:18,710 --> 00:26:15,360
some others i have uh i have read and

762
00:26:23,909 --> 00:26:18,720
people have told me about where

763
00:26:24,310 --> 00:26:23,919

these non-humans certain non-humans are

764

00:26:26,630 --> 00:26:24,320

are

765

00:26:28,149 --> 00:26:26,640

detected by certain humans in other

766

00:26:30,630 --> 00:26:28,159

words

767

00:26:32,310 --> 00:26:30,640

the the this the humans that are

768

00:26:35,029 --> 00:26:32,320

reporting or mentioning

769

00:26:36,870 --> 00:26:35,039

are one of a few that have the ability

770

00:26:39,830 --> 00:26:36,880

to see these things and

771

00:26:40,390 --> 00:26:39,840

you know i i think excuse me i think

772

00:26:43,029 --> 00:26:40,400

that's

773

00:26:44,870 --> 00:26:43,039

i think that may be what's going on here

774

00:26:48,710 --> 00:26:44,880

um

775

00:26:52,230 --> 00:26:48,720

i think a lot of that happens in

776

00:26:52,789 --> 00:26:52,240

cases of encounters where someone says

777

00:26:55,909 --> 00:26:52,799

they see

778

00:26:56,870 --> 00:26:55,919

this type of being and the other

779

00:26:58,710 --> 00:26:56,880

person's

780

00:26:59,990 --> 00:26:58,720

around them and they can't see it as

781

00:27:03,510 --> 00:27:00,000

they can't see it

782

00:27:05,669 --> 00:27:03,520

at the same time or have ever seen it

783

00:27:07,350 --> 00:27:05,679

what causes that i don't know is is it

784

00:27:12,310 --> 00:27:07,360

controlled by

785

00:27:15,430 --> 00:27:12,320

himself or is it just something that

786

00:27:16,310 --> 00:27:15,440

uh you know maybe possibly that

787

00:27:18,830 --> 00:27:16,320

somebody's

788

00:27:20,549 --> 00:27:18,840

able is able to see into an alternate

789

00:27:22,389 --> 00:27:20,559

universe

790

00:27:24,149 --> 00:27:22,399

i don't know that's that's the best

791

00:27:26,389 --> 00:27:24,159

thing i can come up with well again you

792

00:27:27,990 --> 00:27:26,399

post a very interesting point there and

793

00:27:29,110 --> 00:27:28,000

it goes back to something you said

794

00:27:31,430 --> 00:27:29,120

before and

795

00:27:33,269 --> 00:27:31,440

we'll rehash it here for just a moment

796

00:27:36,310 --> 00:27:33,279

perhaps there is something

797

00:27:39,350 --> 00:27:36,320

to a certain subset of people lon

798

00:27:42,630 --> 00:27:39,360

that may have that ability to quote or

799

00:27:44,710 --> 00:27:42,640

unquote pierce beyond the veil

800

00:27:47,830 --> 00:27:44,720

or just have an open mind enough where

801
00:27:49,269 --> 00:27:47,840
they can witness these type of phenomena

802
00:27:49,590 --> 00:27:49,279
and there's something interesting about

803
00:27:55,269 --> 00:27:49,600
that

804
00:27:57,430 --> 00:27:55,279
or am i just full of hot air i don't

805
00:27:59,510 --> 00:27:57,440
know you know what i mean and it's it's

806
00:28:00,549 --> 00:27:59,520
fascinating to me why do some people see

807
00:28:02,710 --> 00:28:00,559
things and other folks

808
00:28:03,909 --> 00:28:02,720
don't but at the same time you look at

809
00:28:06,950 --> 00:28:03,919
children right

810
00:28:08,149 --> 00:28:06,960
that uncorrupted pure mind that hasn't

811
00:28:10,230 --> 00:28:08,159
been diluted with

812
00:28:12,630 --> 00:28:10,240
the world saying things aren't possible

813
00:28:14,389 --> 00:28:12,640

you know to kids everything's possible

814

00:28:15,990 --> 00:28:14,399

and yet they see things that we don't

815

00:28:17,430 --> 00:28:16,000

see on almost a daily basis

816

00:28:19,350 --> 00:28:17,440

and they interact with things that we

817

00:28:20,789 --> 00:28:19,360

don't on a daily basis

818

00:28:22,549 --> 00:28:20,799

we usually call them figments of their

819

00:28:24,310 --> 00:28:22,559

imagination but then again you take that

820

00:28:26,630 --> 00:28:24,320

one step further and you ask yourself

821

00:28:28,789 --> 00:28:26,640

perhaps there's something more

822

00:28:30,310 --> 00:28:28,799

to that and that's where i'm kind of at

823

00:28:32,070 --> 00:28:30,320

with this perhaps there are folks that

824

00:28:33,430 --> 00:28:32,080

don't lose that

825

00:28:35,029 --> 00:28:33,440

for lack of a better term let's just

826

00:28:36,470 --> 00:28:35,039

call it that childlike wonder that

827

00:28:38,950 --> 00:28:36,480

uncorrupted thought

828

00:28:41,510 --> 00:28:38,960

that you know that thought process and

829

00:28:43,110 --> 00:28:41,520

they can see these things and they can

830

00:28:45,510 --> 00:28:43,120

you know perhaps there's something more

831

00:28:47,350 --> 00:28:45,520

to that and maybe that's the key

832

00:28:48,710 --> 00:28:47,360

to opening up this whole realm of the

833

00:28:49,909 --> 00:28:48,720

paranormal the otherworldly the

834

00:28:53,190 --> 00:28:49,919

supernatural

835

00:28:53,590 --> 00:28:53,200

well you know i think that and you know

836

00:28:56,310 --> 00:28:53,600

i knew

837

00:28:58,230 --> 00:28:56,320

i used to think that it was uh a

838

00:28:59,909 --> 00:28:58,240

non-corrupted mind

839

00:29:01,269 --> 00:28:59,919

and i thought about i thought that for a

840

00:29:04,389 --> 00:29:01,279

long time

841

00:29:07,909 --> 00:29:04,399

but over the years i've kind of

842

00:29:09,830 --> 00:29:07,919

gone more to the theory that it may be

843

00:29:12,870 --> 00:29:09,840

brain chemistry or some type

844

00:29:13,909 --> 00:29:12,880

that a younger brain either has some

845

00:29:17,029 --> 00:29:13,919

type of uh

846

00:29:21,029 --> 00:29:17,039

chemical in their brains

847

00:29:22,710 --> 00:29:21,039

that causes certain abilities

848

00:29:25,350 --> 00:29:22,720

that they aren't something that they

849

00:29:28,389 --> 00:29:25,360

lose you know as they grow older

850

00:29:30,710 --> 00:29:28,399

um it may be that may be classified as

851
00:29:34,070 --> 00:29:30,720
corruptable maybe it's something that

852
00:29:36,630 --> 00:29:34,080
you know is spurred on as they start to

853
00:29:38,950 --> 00:29:36,640
as they start to live life and people

854
00:29:41,190 --> 00:29:38,960
tell them they can't do this or do that

855
00:29:42,230 --> 00:29:41,200
and they just lose that ability but i i

856
00:29:45,669 --> 00:29:42,240
think there's something

857
00:29:49,269 --> 00:29:45,679
there um that is

858
00:29:51,190 --> 00:29:49,279
that is unadulterated and uh is allowed

859
00:29:53,350 --> 00:29:51,200
to happen

860
00:29:54,470 --> 00:29:53,360
but i think it's a more chemical basis

861
00:29:57,590 --> 00:29:54,480
and it is just

862
00:29:59,510 --> 00:29:57,600
you know the fact that they're in fact

863
00:30:00,710 --> 00:29:59,520

it's a fault thing or something that

864

00:30:03,830 --> 00:30:00,720

they uh

865

00:30:04,310 --> 00:30:03,840

that they pick up from someone else i

866

00:30:07,190 --> 00:30:04,320

don't know

867

00:30:08,789 --> 00:30:07,200

i mean perhaps it is uh it is it is

868

00:30:11,990 --> 00:30:08,799

fascinating

869

00:30:13,029 --> 00:30:12,000

that you know and i've investigated

870

00:30:15,830 --> 00:30:13,039

cases like this

871

00:30:17,990 --> 00:30:15,840

many times where children just see

872

00:30:23,510 --> 00:30:18,000

certain things

873

00:30:25,110 --> 00:30:23,520

uh another situation where we've got

874

00:30:26,870 --> 00:30:25,120

it's happened twice now in the last

875

00:30:30,310 --> 00:30:26,880

couple of months where

876

00:30:35,190 --> 00:30:30,320

a child can recall a past life

877

00:30:36,789 --> 00:30:35,200

to such detail and

878

00:30:38,630 --> 00:30:36,799

there have been instances that before

879

00:30:41,830 --> 00:30:38,640

but as the child gets older

880

00:30:44,310 --> 00:30:41,840

they start to lose that connection they

881

00:30:46,950 --> 00:30:44,320

start to forget about it because they're

882

00:30:48,630 --> 00:30:46,960

actually getting on with their life and

883

00:30:52,149 --> 00:30:48,640

the past life

884

00:30:54,710 --> 00:30:52,159

recall is is gone um

885

00:30:56,310 --> 00:30:54,720

i i think a lot of this i mean i know

886

00:30:57,909 --> 00:30:56,320

it's being investigated i know it's

887

00:30:59,909 --> 00:30:57,919

being looked into

888

00:31:02,230 --> 00:30:59,919

but it's a fascinating it's fascinating

889

00:31:05,509 --> 00:31:02,240

phenomena and uh

890

00:31:08,470 --> 00:31:05,519

maybe we'll be able to uh

891

00:31:10,310 --> 00:31:08,480

you know expound on it at some point and

892

00:31:13,430 --> 00:31:10,320

use it for some good

893

00:31:14,549 --> 00:31:13,440

i don't know well i hope so i mean

894

00:31:15,909 --> 00:31:14,559

you know we're never going to get

895

00:31:17,190 --> 00:31:15,919

anywhere unless we ask the questions

896

00:31:19,830 --> 00:31:17,200

that's true

897

00:31:22,230 --> 00:31:19,840

and i think that's where uh you know

898

00:31:23,430 --> 00:31:22,240

perhaps a a focus point could be put

899

00:31:27,909 --> 00:31:23,440

into

900

00:31:31,909 --> 00:31:30,230

well you know i yeah it's it's it's

901
00:31:32,789 --> 00:31:31,919
that's why i like doing what i do

902
00:31:36,149 --> 00:31:32,799
because

903
00:31:39,509 --> 00:31:36,159
i get the opportunity to

904
00:31:43,430 --> 00:31:39,519
experience people that experience

905
00:31:46,549 --> 00:31:43,440
other things just put that one and uh

906
00:31:48,310 --> 00:31:46,559
it's something that of course i

907
00:31:50,630 --> 00:31:48,320
you know i probably would have never

908
00:31:52,070 --> 00:31:50,640
thought of unless i had the opportunity

909
00:31:55,029 --> 00:31:52,080
to uh

910
00:31:57,269 --> 00:31:55,039
to discuss these things or talk to

911
00:32:00,149 --> 00:31:57,279
people about their abilities or

912
00:32:00,870 --> 00:32:00,159
the things that they see do or

913
00:32:05,110 --> 00:32:00,880

experience

914

00:32:06,470 --> 00:32:05,120

so you know it's uh it's great but

915

00:32:08,870 --> 00:32:06,480

you know some of the things you hear

916

00:32:11,190 --> 00:32:08,880

sometimes you just gotta

917

00:32:12,230 --> 00:32:11,200

kind of step back and think uh do i want

918

00:32:13,990 --> 00:32:12,240

to present that

919

00:32:16,389 --> 00:32:14,000

you and i certainly are blessed with the

920

00:32:19,430 --> 00:32:16,399

ability to be able to talk and

921

00:32:21,350 --> 00:32:19,440

uh listen to people who experience

922

00:32:23,110 --> 00:32:21,360

really strange and unusual phenomenon

923

00:32:25,990 --> 00:32:23,120

and impacts their life so greatly that

924

00:32:28,310 --> 00:32:26,000

they seek us out to talk to us about it

925

00:32:29,029 --> 00:32:28,320

more so you than me i get the bigfoot

926

00:32:32,470 --> 00:32:29,039

stuff you get

927

00:32:34,230 --> 00:32:32,480

everything else and uh you know for me

928

00:32:35,590 --> 00:32:34,240

i kind of take you know responsibility

929

00:32:37,509 --> 00:32:35,600

to that to those people that

930

00:32:40,470 --> 00:32:37,519

you know are putting so much trust in us

931

00:32:42,549 --> 00:32:40,480

to you know counsel them or

932

00:32:44,470 --> 00:32:42,559

give them uh information that sometimes

933

00:32:46,070 --> 00:32:44,480

we just don't have the answers too long

934

00:32:48,149 --> 00:32:46,080

and the fact that we're just willing to

935

00:32:50,070 --> 00:32:48,159

listen and really not pull

936

00:32:52,070 --> 00:32:50,080

any judgment on them that that service

937

00:32:52,470 --> 00:32:52,080

is invaluable to them and and you know

938

00:32:54,950 --> 00:32:52,480

this

939

00:32:57,029 --> 00:32:54,960

shows kind of a thank you you know for

940

00:32:58,470 --> 00:32:57,039

that gives us the opportunity to kind of

941

00:33:00,470 --> 00:32:58,480

talk

942

00:33:02,070 --> 00:33:00,480

about these phenomena open without

943

00:33:02,389 --> 00:33:02,080

judgment and i think like i said i think

944

00:33:05,430 --> 00:33:02,399

we're

945

00:33:07,750 --> 00:33:05,440

someone's looking out for us

946

00:33:09,190 --> 00:33:07,760

for that you hadn't mentioned roy i had

947

00:33:12,389 --> 00:33:09,200

um

948

00:33:13,509 --> 00:33:12,399

i had posted some on the blog concerning

949

00:33:15,750 --> 00:33:13,519

um

950

00:33:18,070 --> 00:33:15,760

disclosing certain details of stories

951
00:33:22,830 --> 00:33:18,080
when i get them and in particular

952
00:33:25,029 --> 00:33:22,840
uh on encounters or alien abductions

953
00:33:27,750 --> 00:33:25,039
um you know the question

954
00:33:29,430 --> 00:33:27,760
i basically asked everybody was you know

955
00:33:33,909 --> 00:33:29,440
should i

956
00:33:39,110 --> 00:33:33,919
present every little dirty detail that

957
00:33:42,149 --> 00:33:39,120
i get from you know from a report

958
00:33:44,950 --> 00:33:42,159
or should i just leave things out even

959
00:33:47,830 --> 00:33:44,960
though it may not be

960
00:33:50,230 --> 00:33:47,840
you know it may be not be something that

961
00:33:52,950 --> 00:33:50,240
adds any value to the story

962
00:33:53,350 --> 00:33:52,960
but should report everything you know

963
00:33:55,590 --> 00:33:53,360

and

964

00:33:57,029 --> 00:33:55,600

uh you know i've thought about that from

965

00:33:59,990 --> 00:33:57,039

the very beginning

966

00:34:00,870 --> 00:34:00,000

even with david eckhardt's ordeal he and

967

00:34:03,909 --> 00:34:00,880

his family

968

00:34:05,750 --> 00:34:03,919

you know i've i've rarely written

969

00:34:08,629 --> 00:34:05,760

about you know the involvement that i've

970

00:34:10,710 --> 00:34:08,639

had with the suspected alien encounters

971

00:34:14,470 --> 00:34:10,720

even abductions

972

00:34:17,030 --> 00:34:14,480

but um now of course this todd c's

973

00:34:19,589 --> 00:34:17,040

death case which may eventually prove to

974

00:34:23,430 --> 00:34:19,599

be a non-terrestrial type of influence i

975

00:34:26,629 --> 00:34:23,440

you know i for the most part i've kept

976

00:34:29,750 --> 00:34:26,639

other type of findings uh and

977

00:34:33,109 --> 00:34:29,760

my conclusions out of the blog

978

00:34:33,990 --> 00:34:33,119

i i just don't really think it adds any

979

00:34:36,629 --> 00:34:34,000

value at

980

00:34:37,829 --> 00:34:36,639

putting such things in there and the

981

00:34:41,829 --> 00:34:37,839

real

982

00:34:43,829 --> 00:34:41,839

sword sort of details uh

983

00:34:45,909 --> 00:34:43,839

that you know i don't want kids getting

984

00:34:47,589 --> 00:34:45,919

on there and reading some of this stuff

985

00:34:49,589 --> 00:34:47,599

freaking out or stuff like because you

986

00:34:51,430 --> 00:34:49,599

know i can't control who reads the blog

987

00:34:53,109 --> 00:34:51,440

but you know you make a great point on

988

00:34:54,389 --> 00:34:53,119

that and we were going to save it for

989

00:34:56,069 --> 00:34:54,399

later so what the hell we might as well

990

00:34:59,589 --> 00:34:56,079

talk about it now though yeah

991

00:35:01,349 --> 00:34:59,599

you know as a

992

00:35:02,470 --> 00:35:01,359

you know we'll call you a journalist

993

00:35:03,750 --> 00:35:02,480

because that's what you you know

994

00:35:05,670 --> 00:35:03,760

essentially what you are

995

00:35:07,030 --> 00:35:05,680

right you know you're chronicling these

996

00:35:08,150 --> 00:35:07,040

you're reporting on them

997

00:35:09,829 --> 00:35:08,160

you know i think there's a certain

998

00:35:11,510 --> 00:35:09,839

responsibility where when you're writing

999

00:35:13,270 --> 00:35:11,520

this information it shouldn't do

1000

00:35:14,870 --> 00:35:13,280

harm to the people that are coming to

1001

00:35:16,870 --> 00:35:14,880

you and trusting to you

1002

00:35:18,710 --> 00:35:16,880

with this really delicate sensitive

1003

00:35:19,750 --> 00:35:18,720

information and i don't think people

1004

00:35:22,390 --> 00:35:19,760

understand

1005

00:35:23,030 --> 00:35:22,400

folks going through something like this

1006

00:35:25,510 --> 00:35:23,040

uh

1007

00:35:27,270 --> 00:35:25,520

you know the tremendous amount of

1008

00:35:28,870 --> 00:35:27,280

ridicule that they experience this isn't

1009

00:35:29,990 --> 00:35:28,880

something lon especially in these

1010

00:35:32,069 --> 00:35:30,000

abduction situations

1011

00:35:33,670 --> 00:35:32,079

where somebody's sees something running

1012

00:35:35,990 --> 00:35:33,680

across the road the middle of the night

1013

00:35:38,069 --> 00:35:36,000

this is something extremely personal

1014

00:35:40,150 --> 00:35:38,079

and extremely emotionally upsetting and

1015

00:35:41,030 --> 00:35:40,160

painful that has to be handled with the

1016

00:35:43,589 --> 00:35:41,040

utmost

1017

00:35:45,349 --> 00:35:43,599

delicacy and you know one i commend you

1018

00:35:47,190 --> 00:35:45,359

for that for not taking these people and

1019

00:35:48,710 --> 00:35:47,200

making them public pawns and puppets

1020

00:35:50,630 --> 00:35:48,720

because it just shows a testament to

1021

00:35:52,310 --> 00:35:50,640

your character that you do care

1022

00:35:53,910 --> 00:35:52,320

enough about these people i'm not saying

1023

00:35:55,829 --> 00:35:53,920

that because you're my co-host i'm

1024

00:35:57,829 --> 00:35:55,839

saying that because you're a human being

1025

00:35:59,510 --> 00:35:57,839

and from one human being to another

1026

00:36:02,950 --> 00:35:59,520

that's a pretty awesome thing to do is

1027

00:36:05,190 --> 00:36:02,960

not take advantage of somebody in such a

1028

00:36:06,950 --> 00:36:05,200

situation for lack of a better term it's

1029

00:36:07,910 --> 00:36:06,960

it's a tremendously personal powerful

1030

00:36:10,390 --> 00:36:07,920

experience and

1031

00:36:11,270 --> 00:36:10,400

you're treating it with such uh

1032

00:36:14,310 --> 00:36:11,280

credibility

1033

00:36:15,589 --> 00:36:14,320

and in good taste and i fear that with

1034

00:36:19,510 --> 00:36:15,599

people

1035

00:36:20,870 --> 00:36:19,520

you know maybe they are giving out a

1036

00:36:22,230 --> 00:36:20,880

little bit too much and i know you

1037

00:36:23,430 --> 00:36:22,240

struggle with it because there are times

1038

00:36:24,790 --> 00:36:23,440

you and i talk you're like

1039

00:36:27,670 --> 00:36:24,800

i don't know if i want to talk about

1040

00:36:29,910 --> 00:36:27,680

this or put this out there

1041

00:36:30,950 --> 00:36:29,920

i think that's a good thing and you know

1042

00:36:33,829 --> 00:36:30,960

as we talked about

1043

00:36:34,550 --> 00:36:33,839

on show notes with shannon uh ligro the

1044

00:36:36,950 --> 00:36:34,560

other night

1045

00:36:38,870 --> 00:36:36,960

and you know just we touched on it

1046

00:36:40,069 --> 00:36:38,880

briefly about uh what you should

1047

00:36:42,069 --> 00:36:40,079

disclose

1048

00:36:43,349 --> 00:36:42,079

you know i think as professionals you

1049

00:36:44,630 --> 00:36:43,359

know not that we

1050

00:36:46,230 --> 00:36:44,640

can claim to be professional

1051

00:36:47,829 --> 00:36:46,240

investigators or whatnot because we know

1052

00:36:49,510 --> 00:36:47,839

that term doesn't exist

1053

00:36:50,630 --> 00:36:49,520

but in any kind of professional setting

1054

00:36:51,750 --> 00:36:50,640

when you're doing some sort of

1055

00:36:53,430 --> 00:36:51,760

investigating

1056

00:36:55,270 --> 00:36:53,440

you have to establish some sort of

1057

00:36:57,270 --> 00:36:55,280

personal baseline ground rules that you

1058

00:36:59,349 --> 00:36:57,280

just won't violate

1059

00:37:01,430 --> 00:36:59,359

and uh if that's you know really

1060

00:37:02,790 --> 00:37:01,440

sensitive personal information and stuff

1061

00:37:04,710 --> 00:37:02,800

that you know you're not writing jerry

1062

00:37:05,750 --> 00:37:04,720

springer paranormal sitcom stuff out

1063

00:37:07,430 --> 00:37:05,760

there

1064

00:37:08,950 --> 00:37:07,440

right and honest to god research and i

1065

00:37:11,030 --> 00:37:08,960

think that's the difference if you want

1066

00:37:12,550 --> 00:37:11,040

that please read it somewhere else

1067

00:37:14,470 --> 00:37:12,560

but i think it takes somebody with a

1068

00:37:17,349 --> 00:37:14,480

certain set of integrity

1069

00:37:19,030 --> 00:37:17,359

and values to not report that that way

1070

00:37:20,230 --> 00:37:19,040

and i think it's a lot more beneficial

1071

00:37:22,150 --> 00:37:20,240

to the people

1072

00:37:24,470 --> 00:37:22,160

who are disclosing this information that

1073

00:37:25,910 --> 00:37:24,480

other folks so we can collect today the

1074

00:37:27,109 --> 00:37:25,920

other folks that are experiencing this

1075

00:37:28,630 --> 00:37:27,119

kind of phenomena

1076

00:37:30,470 --> 00:37:28,640

can come to you and say this is a

1077

00:37:31,589 --> 00:37:30,480

trusted sower someone who's not going to

1078

00:37:35,430 --> 00:37:31,599

use me

1079

00:37:37,030 --> 00:37:35,440

as ratings or as a you know a portfolio

1080

00:37:38,790 --> 00:37:37,040

to make money off of this is something

1081

00:37:40,550 --> 00:37:38,800

that's going to treat me as a person

1082

00:37:42,710 --> 00:37:40,560

and that's a huge difference and you

1083

00:37:44,870 --> 00:37:42,720

know one i commend you for that but two

1084

00:37:46,310 --> 00:37:44,880

i think more people we really need to

1085

00:37:48,150 --> 00:37:46,320

get into that line of thought that these

1086

00:37:49,190 --> 00:37:48,160

are actual people in situations that we

1087

00:37:50,630 --> 00:37:49,200

need to protect

1088

00:37:52,950 --> 00:37:50,640

even if we're going to report on it we

1089

00:37:55,430 --> 00:37:52,960

still have to protect well you know i i

1090

00:37:57,829 --> 00:37:55,440

posted this article yesterday

1091

00:38:00,230 --> 00:37:57,839

and i had a full mailbox this morning

1092

00:38:03,430 --> 00:38:00,240

now some people

1093

00:38:05,510 --> 00:38:03,440

i'd say the minority you know

1094

00:38:06,630 --> 00:38:05,520

agreed with me you know i got to be

1095

00:38:09,109 --> 00:38:06,640

careful what i say

1096

00:38:11,109 --> 00:38:09,119

you know show some you know continue

1097

00:38:13,270 --> 00:38:11,119

showing integrity as far as

1098

00:38:14,950 --> 00:38:13,280

the information you know that is

1099

00:38:19,030 --> 00:38:14,960

supplied to me

1100

00:38:22,390 --> 00:38:19,040

and you know also

1101
00:38:23,510 --> 00:38:22,400
to you know you know leave some things

1102
00:38:26,710 --> 00:38:23,520
out that really don't

1103
00:38:29,030 --> 00:38:26,720
add any value to the story but

1104
00:38:31,109 --> 00:38:29,040
you know on the other hand i got blasted

1105
00:38:32,950 --> 00:38:31,119
by a lot of people

1106
00:38:35,430 --> 00:38:32,960
saying that well you know regardless of

1107
00:38:38,950 --> 00:38:35,440
the fact you should disclose

1108
00:38:41,349 --> 00:38:38,960
regardless you know put it out there

1109
00:38:43,190 --> 00:38:41,359
you know it's better to disclose things

1110
00:38:46,069 --> 00:38:43,200
and i'll be quite honest with you

1111
00:38:46,950 --> 00:38:46,079
you know i subscribe to some of the

1112
00:38:49,589 --> 00:38:46,960
logic that

1113
00:38:51,109 --> 00:38:49,599

people may not be ready for certain

1114

00:38:52,950 --> 00:38:51,119

specifics you know

1115

00:38:54,790 --> 00:38:52,960

just like the government says well you

1116

00:38:57,349 --> 00:38:54,800

know you know the government knows

1117

00:38:59,750 --> 00:38:57,359

what's going on with ufos and aliens but

1118

00:39:01,270 --> 00:38:59,760

quite frankly they're not putting it out

1119

00:39:02,550 --> 00:39:01,280

there and there's a reason why they're

1120

00:39:04,470 --> 00:39:02,560

not putting it out there

1121

00:39:06,150 --> 00:39:04,480

i don't i may not agree with it all the

1122

00:39:08,470 --> 00:39:06,160

time

1123

00:39:10,150 --> 00:39:08,480

but i think in my case since i'm not the

1124

00:39:11,430 --> 00:39:10,160

government and i'm not responsible to

1125

00:39:13,900 --> 00:39:11,440

everybody

1126

00:39:15,430 --> 00:39:13,910

uh i think it's best for me to

1127

00:39:17,349 --> 00:39:15,440

[Music]

1128

00:39:19,510 --> 00:39:17,359

you know disclose less controversial

1129

00:39:21,910 --> 00:39:19,520

particulars and uh

1130

00:39:23,190 --> 00:39:21,920

now i may i you know quite frankly if

1131

00:39:25,750 --> 00:39:23,200

i'm not writing it down

1132

00:39:27,349 --> 00:39:25,760

and i'm on the radio i may disclose a

1133

00:39:29,910 --> 00:39:27,359

few more things

1134

00:39:31,589 --> 00:39:29,920

but like i said again i i don't want to

1135

00:39:33,829 --> 00:39:31,599

put it out there

1136

00:39:36,310 --> 00:39:33,839

that for certain people that shouldn't

1137

00:39:39,510 --> 00:39:36,320

be reading it to get it and to

1138

00:39:41,670 --> 00:39:39,520

you know start using it possibly against

1139

00:39:43,349 --> 00:39:41,680

one of the witnesses or you know make

1140

00:39:44,470 --> 00:39:43,359

getting the wrong impression when i'm

1141

00:39:46,390 --> 00:39:44,480

writing

1142

00:39:48,790 --> 00:39:46,400

so you know it is a fine line yeah i

1143

00:39:50,550 --> 00:39:48,800

tell you i i sit on a lot of cases

1144

00:39:51,910 --> 00:39:50,560

there are a lot of them that i get that

1145

00:39:55,990 --> 00:39:51,920

i sit on

1146

00:39:59,589 --> 00:39:56,000

and uh you know i don't put it out

1147

00:40:02,950 --> 00:39:59,599

there and i i think it's it's probably

1148

00:40:06,390 --> 00:40:02,960

in the greater interest to do that but

1149

00:40:07,670 --> 00:40:06,400

you know it it is a constant battle

1150

00:40:09,430 --> 00:40:07,680

well you know i think if there's

1151
00:40:11,910 --> 00:40:09,440
something controversial you know as you

1152
00:40:13,589 --> 00:40:11,920
said those controversial particulars

1153
00:40:15,510 --> 00:40:13,599
i think they should be disclosed by the

1154
00:40:18,069 --> 00:40:15,520
experiencee don't you that should be

1155
00:40:19,750 --> 00:40:18,079
somebody that should be there

1156
00:40:21,829 --> 00:40:19,760
their right to come out and say this is

1157
00:40:22,790 --> 00:40:21,839
what happens or they come to you and say

1158
00:40:24,309 --> 00:40:22,800
lon

1159
00:40:25,750 --> 00:40:24,319
we've been sitting on this and you've

1160
00:40:26,550 --> 00:40:25,760
been giving to folks a little bit you

1161
00:40:27,910 --> 00:40:26,560
know what

1162
00:40:29,670 --> 00:40:27,920
hit them with the rest of it let them

1163
00:40:31,670 --> 00:40:29,680

know what's really going on

1164

00:40:33,349 --> 00:40:31,680

that should be their choice not our

1165

00:40:35,270 --> 00:40:33,359

choice you know and if folks are

1166

00:40:37,030 --> 00:40:35,280

uncomfortable with that i'm sorry

1167

00:40:39,030 --> 00:40:37,040

but you want to read a tabloid go pick

1168

00:40:40,790 --> 00:40:39,040

up weekly world news if these folks

1169

00:40:43,349 --> 00:40:40,800

want to disclose what's going on with

1170

00:40:44,390 --> 00:40:43,359

them they have the right to disclose the

1171

00:40:45,990 --> 00:40:44,400

information to us

1172

00:40:47,670 --> 00:40:46,000

we don't have the right to take that out

1173

00:40:48,430 --> 00:40:47,680

from under him and do what we want with

1174

00:40:51,349 --> 00:40:48,440

it that's not

1175

00:40:53,270 --> 00:40:51,359

responsibility that's being a trash

1176

00:40:55,829 --> 00:40:53,280

journalist and it's being

1177

00:40:57,109 --> 00:40:55,839

just a trash investigator you know what

1178

00:41:00,150 --> 00:40:57,119

possible harm

1179

00:41:00,710 --> 00:41:00,160

could come to these folks and again you

1180

00:41:04,390 --> 00:41:00,720

know

1181

00:41:06,230 --> 00:41:04,400

a variety of opinions on this as well

1182

00:41:09,349 --> 00:41:06,240

and i don't want to alienate

1183

00:41:11,430 --> 00:41:09,359

i don't want to alienate any of them but

1184

00:41:13,829 --> 00:41:11,440

personally for me speaking from my

1185

00:41:15,430 --> 00:41:13,839

perspective

1186

00:41:17,589 --> 00:41:15,440

and let me just frame this for a second

1187

00:41:21,910 --> 00:41:17,599

and i apologize for this brief

1188

00:41:24,150 --> 00:41:21,920

brief pause but we don't know

1189

00:41:26,150 --> 00:41:24,160

what the government knows we don't know

1190

00:41:27,910 --> 00:41:26,160

what certain fringe groups know correct

1191

00:41:31,030 --> 00:41:27,920

we don't even know if these groups learn

1192

00:41:32,790 --> 00:41:31,040

or even reportable to the government

1193

00:41:34,309 --> 00:41:32,800

why would we want to put somebody in

1194

00:41:36,470 --> 00:41:34,319

danger why would we

1195

00:41:38,150 --> 00:41:36,480

want and i'm not saying that there is a

1196

00:41:38,950 --> 00:41:38,160

real threat or a real credible danger

1197

00:41:41,030 --> 00:41:38,960

but there's that

1198

00:41:43,990 --> 00:41:41,040

mind that part of my mind that says what

1199

00:41:45,990 --> 00:41:44,000

if what if sean what if lon

1200

00:41:47,349 --> 00:41:46,000

that there is something more nefarious

1201

00:41:49,430 --> 00:41:47,359

out there or what if

1202

00:41:51,190 --> 00:41:49,440

there are people and these agencies

1203

00:41:54,069 --> 00:41:51,200

keeping track

1204

00:41:55,670 --> 00:41:54,079

of these things and what what happens if

1205

00:41:58,150 --> 00:41:55,680

something befells

1206

00:41:59,109 --> 00:41:58,160

our witnesses or befells one of your

1207

00:42:01,270 --> 00:41:59,119

contacts

1208

00:42:02,470 --> 00:42:01,280

i'd feel pretty terrible about that oh

1209

00:42:03,990 --> 00:42:02,480

that's exactly

1210

00:42:06,150 --> 00:42:04,000

i mean i don't take a lose a fair

1211

00:42:09,270 --> 00:42:06,160

attitude with anything i get

1212

00:42:10,470 --> 00:42:09,280

and in particular with david's you know

1213

00:42:12,710 --> 00:42:10,480

situation

1214

00:42:14,470 --> 00:42:12,720

and i told david from the very beginning

1215

00:42:16,710 --> 00:42:14,480

you know that dave and i talk

1216

00:42:18,150 --> 00:42:16,720

occasionally and i get updates from him

1217

00:42:20,069 --> 00:42:18,160

but i told him in the beginning you know

1218

00:42:21,829 --> 00:42:20,079

i i appreciate that i got all the

1219

00:42:23,750 --> 00:42:21,839

information i got from him

1220

00:42:26,069 --> 00:42:23,760

but there are some information i just

1221

00:42:29,190 --> 00:42:26,079

i'm certainly not going to put out there

1222

00:42:32,710 --> 00:42:29,200

now i may talk about it you know

1223

00:42:36,230 --> 00:42:32,720

with other colleagues and researchers

1224

00:42:37,589 --> 00:42:36,240

uh you know where i think they need to

1225

00:42:40,550 --> 00:42:37,599

know maybe a particular

1226

00:42:41,670 --> 00:42:40,560

you know uh detail but as far as

1227

00:42:45,270 --> 00:42:41,680

actually putting it

1228

00:42:49,109 --> 00:42:45,280

in print or you know explaining

1229

00:42:51,349 --> 00:42:49,119

the the bad and the bad parts of what

1230

00:42:52,710 --> 00:42:51,359

or something i feel is not really that

1231

00:42:56,309 --> 00:42:52,720

great to put out

1232

00:42:58,230 --> 00:42:56,319

i'm just not gonna do it and uh

1233

00:43:00,630 --> 00:42:58,240

and i think david kind of pushes me a

1234

00:43:02,790 --> 00:43:00,640

little bit to want me to do that

1235

00:43:03,910 --> 00:43:02,800

but i've kind of held off on it you know

1236

00:43:04,870 --> 00:43:03,920

you would think it'd be the other way

1237

00:43:07,430 --> 00:43:04,880

around

1238

00:43:09,109 --> 00:43:07,440

but uh there are just some things i

1239

00:43:12,309 --> 00:43:09,119

don't know if i want to put out

1240

00:43:14,870 --> 00:43:12,319

and you know david's story i probably

1241

00:43:17,270 --> 00:43:14,880

have disclosed maybe half of it there's

1242

00:43:21,990 --> 00:43:17,280

a lot of there's a lot more out there

1243

00:43:24,309 --> 00:43:22,000

and um you know maybe one day

1244

00:43:25,589 --> 00:43:24,319

but you know it's just not his case

1245

00:43:28,470 --> 00:43:25,599

there's other cases too

1246

00:43:30,230 --> 00:43:28,480

that i uh other situations that i you

1247

00:43:32,950 --> 00:43:30,240

know i get some pretty

1248

00:43:34,710 --> 00:43:32,960

like i say pretty sorted details that i

1249

00:43:37,990 --> 00:43:34,720

i just feel

1250

00:43:38,309 --> 00:43:38,000

best left you know in the file for the

1251
00:43:40,550 --> 00:43:38,319
time

1252
00:43:41,349 --> 00:43:40,560
being and if i need to get it out i'll

1253
00:43:43,349 --> 00:43:41,359
get it up

1254
00:43:45,349 --> 00:43:43,359
there you have it i guess one thing that

1255
00:43:48,470 --> 00:43:45,359
we can talk about here lon not to wrap

1256
00:43:50,710 --> 00:43:48,480
us up but we do have a guest to bring on

1257
00:43:52,630 --> 00:43:50,720
but uh we would be remiss if we didn't

1258
00:43:53,510 --> 00:43:52,640
talk about the paranormal roundtable

1259
00:43:57,349 --> 00:43:53,520
event on

1260
00:44:00,230 --> 00:43:57,359
april 18th 2015 once again an alberta's

1261
00:44:03,510 --> 00:44:00,240
pa at the albertas area community center

1262
00:44:05,510 --> 00:44:03,520
220 west 2nd street albertus pa 18011

1263
00:44:07,990 --> 00:44:05,520

from 9 am to 8 pm

1264

00:44:09,349 --> 00:44:08,000

tickets on sale now for fifteen dollars

1265

00:44:11,990 --> 00:44:09,359

on on the internet

1266

00:44:13,589 --> 00:44:12,000

twenty dollars at the door a round table

1267

00:44:14,950 --> 00:44:13,599

discussion driven by the audience

1268

00:44:16,230 --> 00:44:14,960

featuring members of the keystone

1269

00:44:18,230 --> 00:44:16,240

bigfoot project

1270

00:44:20,550 --> 00:44:18,240

phantoms and monsters 14 research

1271

00:44:22,150 --> 00:44:20,560

division legend hunters ufo research

1272

00:44:23,349 --> 00:44:22,160

center of pa and ghost hunters

1273

00:44:24,790 --> 00:44:23,359

incorporated

1274

00:44:26,710 --> 00:44:24,800

with you and i being there with our

1275

00:44:29,030 --> 00:44:26,720

sparkling personalities tentatively

1276
00:44:31,349 --> 00:44:29,040
because you know things may change

1277
00:44:32,870 --> 00:44:31,359
but uh gonna be a great event and i'm

1278
00:44:34,069 --> 00:44:32,880
looking forward to it and again that's

1279
00:44:40,349 --> 00:44:34,079
on april 18

1280
00:44:44,069 --> 00:44:41,910
alhs18011.org

1281
00:44:45,990 --> 00:44:44,079
and pick up your tickets and uh you know

1282
00:44:47,109 --> 00:44:46,000
post on the arcane radio page event that

1283
00:44:50,150 --> 00:44:47,119
we created

1284
00:44:51,430 --> 00:44:50,160
arcane radio on facebook and let us know

1285
00:44:51,910 --> 00:44:51,440
if you're going we'd like to hook up and

1286
00:44:54,069 --> 00:44:51,920
see you

1287
00:44:56,790 --> 00:44:54,079
and pick your brain what's going to make

1288
00:44:58,069 --> 00:44:56,800

arcane radio the best for you

1289

00:45:00,309 --> 00:44:58,079

and yeah i think it's going to be a good

1290

00:45:03,190 --> 00:45:00,319

experience all around um

1291

00:45:04,069 --> 00:45:03,200

i think a lot of situations that that

1292

00:45:07,109 --> 00:45:04,079

have not been

1293

00:45:07,829 --> 00:45:07,119

disclosed may possibly come up and

1294

00:45:09,750 --> 00:45:07,839

that's great

1295

00:45:10,790 --> 00:45:09,760

that's good for everybody yeah and one

1296

00:45:12,630 --> 00:45:10,800

of the gentlemen who will be in

1297

00:45:13,589 --> 00:45:12,640

attendance in fact the man who put this

1298

00:45:16,230 --> 00:45:13,599

together

1299

00:45:18,069 --> 00:45:16,240

mr butch witkowski from the ufo research

1300

00:45:20,550 --> 00:45:18,079

center of pennsylvania and the editor

1301

00:45:22,230 --> 00:45:20,560

of jar the journal for abnormal

1302

00:45:24,069 --> 00:45:22,240

abduction research

1303

00:45:25,430 --> 00:45:24,079

and just a little bit about butch butch

1304

00:45:27,750 --> 00:45:25,440

witkowski has been an independent

1305

00:45:29,430 --> 00:45:27,760

researcher since 1989

1306

00:45:31,750 --> 00:45:29,440

when he along with four other people

1307

00:45:33,910 --> 00:45:31,760

witnessed a ufo of unbelievable size

1308

00:45:35,190 --> 00:45:33,920

quietly hover above a mountain in tucson

1309

00:45:38,069 --> 00:45:35,200

arizona

1310

00:45:39,750 --> 00:45:38,079

it was totally silent burned copper in

1311

00:45:41,910 --> 00:45:39,760

color in at least three football fields

1312

00:45:43,750 --> 00:45:41,920

in length it moved slowly up and down

1313

00:45:46,309 --> 00:45:43,760

then rose upwards moved forwards and

1314

00:45:47,910 --> 00:45:46,319

vanished at lightning speed they all

1315

00:45:49,190 --> 00:45:47,920

agreed on what they had just seen

1316

00:45:50,870 --> 00:45:49,200

however calls to the sheriff's

1317

00:45:54,390 --> 00:45:50,880

department the news media and the local

1318

00:45:57,270 --> 00:45:54,400

air force base yielded no citing reports

1319

00:45:58,390 --> 00:45:57,280

butch began his own investigation into

1320

00:46:00,950 --> 00:45:58,400

ufo phenomena

1321

00:46:02,470 --> 00:46:00,960

on that day after joining mufon the

1322

00:46:04,790 --> 00:46:02,480

mutual ufo network

1323

00:46:06,790 --> 00:46:04,800

butch was able to dig deeper into past

1324

00:46:09,190 --> 00:46:06,800

and existing cases and even pursue

1325

00:46:10,870 --> 00:46:09,200

more on-site investigations but his

1326
00:46:12,630 --> 00:46:10,880
research was still lacking something and

1327
00:46:15,270 --> 00:46:12,640
he wasn't getting to the crucial answers

1328
00:46:16,790 --> 00:46:15,280
that he was seeking

1329
00:46:18,309 --> 00:46:16,800
it was time to go about his work in a

1330
00:46:20,710 --> 00:46:18,319
different manner and after almost a year

1331
00:46:22,710 --> 00:46:20,720
of serious reflection and consideration

1332
00:46:24,790 --> 00:46:22,720
butch started the ufo research center of

1333
00:46:26,309 --> 00:46:24,800
pennsylvania in 2009

1334
00:46:29,750 --> 00:46:26,319
and brought together some of the best

1335
00:46:31,270 --> 00:46:29,760
like-minded researchers he could find

1336
00:46:33,589 --> 00:46:31,280
the use of multi-disciplined

1337
00:46:36,950 --> 00:46:33,599
investigators enhanced ufo

1338
00:46:38,390 --> 00:46:36,960

uh ufo r cops finding a fact-finding

1339

00:46:39,430 --> 00:46:38,400

like no other group that he's aware of

1340

00:46:41,349 --> 00:46:39,440

at the present

1341

00:46:43,190 --> 00:46:41,359

the primary objective is to pursue both

1342

00:46:45,030 --> 00:46:43,200

the historical cases and new cases that

1343

00:46:46,470 --> 00:46:45,040

arise with hopes of bringing resolution

1344

00:46:47,670 --> 00:46:46,480

to some of these cases of high

1345

00:46:49,349 --> 00:46:47,680

strangeness

1346

00:46:51,430 --> 00:46:49,359

they have also fielded two fully

1347

00:46:53,349 --> 00:46:51,440

equipped mobile units and have affiliate

1348

00:46:55,030 --> 00:46:53,359

affiliate groups in nine states even

1349

00:46:56,710 --> 00:46:55,040

including one in europe

1350

00:46:59,109 --> 00:46:56,720

and mr butchkowski is going to be

1351
00:47:00,950 --> 00:46:59,119
joining us here in a few moments so sit

1352
00:47:02,550 --> 00:47:00,960
back relax and enjoy

1353
00:47:03,829 --> 00:47:02,560
this brief blip because you're never

1354
00:47:05,109 --> 00:47:03,839
going to hear a commercial because we're

1355
00:47:09,670 --> 00:47:05,119
going to cut it and then when we come

1356
00:47:14,150 --> 00:47:12,790
and we're back arcane radio sean forker

1357
00:47:15,750 --> 00:47:14,160
the fork chop himself

1358
00:47:18,069 --> 00:47:15,760
and mr lon strickler from phantoms and

1359
00:47:19,430 --> 00:47:18,079
monsters with our good friend as you

1360
00:47:21,670 --> 00:47:19,440
heard the intro before the little break

1361
00:47:22,950 --> 00:47:21,680
there from mr butch buckowski butch how

1362
00:47:26,309 --> 00:47:22,960
you doing tonight man

1363
00:47:29,990 --> 00:47:26,319

i'm doing fine guys how you all doing

1364

00:47:30,470 --> 00:47:30,000

we're hanging in there a good show so

1365

00:47:32,069 --> 00:47:30,480

far

1366

00:47:33,670 --> 00:47:32,079

it's been a busy week for us i think

1367

00:47:35,670 --> 00:47:33,680

it's been a busy week for everybody

1368

00:47:37,030 --> 00:47:35,680

so butch we got you on here you know

1369

00:47:38,790 --> 00:47:37,040

you're our uh

1370

00:47:40,150 --> 00:47:38,800

uh kind of our uh i don't want to call

1371

00:47:42,150 --> 00:47:40,160

you filling because you're always much

1372

00:47:44,309 --> 00:47:42,160

more than a felon but you are

1373

00:47:46,390 --> 00:47:44,319

the man we can always count on to stop

1374

00:47:48,150 --> 00:47:46,400

on and talk about the strange unusual

1375

00:47:49,829 --> 00:47:48,160

world we live in

1376

00:47:52,390 --> 00:47:49,839

and uh we're just glad that you could

1377

00:47:54,390 --> 00:47:52,400

join us tonight and i know just by

1378

00:47:57,750 --> 00:47:54,400

following you on facebook

1379

00:48:00,790 --> 00:47:57,760

that you put out a new edition of jar

1380

00:48:03,430 --> 00:48:00,800

yes yeah the newest edition went up uh

1381

00:48:04,829 --> 00:48:03,440

day before yesterday i believe yeah day

1382

00:48:09,109 --> 00:48:04,839

before yesterday it went up

1383

00:48:11,750 --> 00:48:09,119

um it's uh

1384

00:48:12,630 --> 00:48:11,760

really going well a lot of cases to put

1385

00:48:16,309 --> 00:48:12,640

in

1386

00:48:18,549 --> 00:48:16,319

stagger them to not

1387

00:48:20,150 --> 00:48:18,559

let them be so case heavy if you know

1388

00:48:22,309 --> 00:48:20,160

what i mean to really

1389

00:48:24,230 --> 00:48:22,319

because the groups that do submit stuff

1390

00:48:26,470 --> 00:48:24,240

you know they have things going on so i

1391

00:48:27,990 --> 00:48:26,480

kind of put that out there for them uh

1392

00:48:29,750 --> 00:48:28,000

more this month and then next month

1393

00:48:31,349 --> 00:48:29,760

there's like four or five new cases to

1394

00:48:33,030 --> 00:48:31,359

go in

1395

00:48:34,549 --> 00:48:33,040

but they say it's doing very very well

1396

00:48:35,990 --> 00:48:34,559

and i'm sure elaine douglas is looking

1397

00:48:37,490 --> 00:48:36,000

down on us somewhere and going like

1398

00:48:39,349 --> 00:48:37,500

damn finally worked

1399

00:48:42,630 --> 00:48:39,359

[Music]

1400

00:48:43,270 --> 00:48:42,640

yeah she uh boy elaine i tell you that

1401

00:48:47,030 --> 00:48:43,280

was

1402

00:48:47,670 --> 00:48:47,040

one lady who did a lot of work 27 or 28

1403

00:48:50,309 --> 00:48:47,680

years worth

1404

00:48:51,349 --> 00:48:50,319

yes it was i mean i mean when you look

1405

00:48:54,710 --> 00:48:51,359

at her finals on

1406

00:48:56,790 --> 00:48:54,720

on her on the elaine douglas site

1407

00:48:59,670 --> 00:48:56,800

which is managed by marilyn carlson at

1408

00:49:04,069 --> 00:49:02,150

the the stuff that she had i mean the

1409

00:49:05,030 --> 00:49:04,079

stuff she collected the papers that she

1410

00:49:06,230 --> 00:49:05,040

got from

1411

00:49:08,950 --> 00:49:06,240

places that she shouldn't have never

1412

00:49:09,990 --> 00:49:08,960

really got and uh you know we were

1413

00:49:12,150 --> 00:49:10,000

fortunate

1414

00:49:13,270 --> 00:49:12,160

ruber left her book collection and i'm

1415

00:49:15,910 --> 00:49:13,280

still finding books

1416

00:49:16,390 --> 00:49:15,920

that i've never heard of written by you

1417

00:49:18,549 --> 00:49:16,400

know like

1418

00:49:19,829 --> 00:49:18,559

jacqueline and i can't find them i mean

1419

00:49:23,109 --> 00:49:19,839

i have a copy here

1420

00:49:25,750 --> 00:49:23,119

now but um

1421

00:49:27,109 --> 00:49:25,760

books on near-death experiences uh

1422

00:49:31,190 --> 00:49:27,119

bigfoot

1423

00:49:35,270 --> 00:49:31,200

uh ufology of all types uh creatures

1424

00:49:37,109 --> 00:49:35,280

i mean she was into everything and

1425

00:49:39,670 --> 00:49:37,119

i mean her library's taking up pretty

1426

00:49:41,470 --> 00:49:39,680

much my dining room right now but

1427

00:49:42,950 --> 00:49:41,480

we'll take care of that shortly

1428

00:49:44,549 --> 00:49:42,960

[Laughter]

1429

00:49:46,470 --> 00:49:44,559

i you know i expected a box or two of

1430

00:49:48,950 --> 00:49:46,480

books i didn't expect yeah

1431

00:49:51,270 --> 00:49:48,960

eight boxes of books and they're big

1432

00:49:54,630 --> 00:49:51,280

boxes

1433

00:49:56,309 --> 00:49:54,640

uh so why don't you uh we we did talk

1434

00:49:58,790 --> 00:49:56,319

about the um

1435

00:49:59,670 --> 00:49:58,800

the paranormal round table that's coming

1436

00:50:02,870 --> 00:49:59,680

up in

1437

00:50:04,470 --> 00:50:02,880

april uh why don't you give the folks

1438

00:50:05,990 --> 00:50:04,480

your assessment of what this is going to

1439

00:50:08,390 --> 00:50:06,000

be well

1440

00:50:10,710 --> 00:50:08,400

the paranormal roundtable was just an

1441

00:50:13,990 --> 00:50:10,720

idea i had a long time ago

1442

00:50:15,670 --> 00:50:14,000

and finally got put together um you know

1443

00:50:19,030 --> 00:50:15,680

conferences are conferences

1444

00:50:20,950 --> 00:50:19,040

and they cost a lot of money and

1445

00:50:22,630 --> 00:50:20,960

basically you're paying to go see the

1446

00:50:23,430 --> 00:50:22,640

same people most of the time the same

1447

00:50:25,589 --> 00:50:23,440

time

1448

00:50:27,190 --> 00:50:25,599

and hear the same stories about roswell

1449

00:50:28,390 --> 00:50:27,200

and this and i mean stories that have

1450

00:50:31,589 --> 00:50:28,400

been out there for

1451
00:50:33,270 --> 00:50:31,599
50 years nobody talks about

1452
00:50:35,109 --> 00:50:33,280
what's going on now or what they're

1453
00:50:37,750 --> 00:50:35,119
doing or what research

1454
00:50:39,270 --> 00:50:37,760
is moving forward what's become stagnant

1455
00:50:41,109 --> 00:50:39,280
what's a hoax

1456
00:50:42,870 --> 00:50:41,119
so i thought you know if i got some

1457
00:50:46,069 --> 00:50:42,880
groups together

1458
00:50:53,589 --> 00:50:50,790
and uh the albertus

1459
00:50:54,710 --> 00:50:53,599
lockridge historical society uh is

1460
00:50:57,190 --> 00:50:54,720
putting it on

1461
00:50:57,750 --> 00:50:57,200
and the proceeds will go to restoration

1462
00:51:01,349 --> 00:50:57,760
of their

1463
00:51:03,430 --> 00:51:01,359

1870 memorial church headquarters

1464

00:51:04,630 --> 00:51:03,440

and uh what is it's just going to be a

1465

00:51:06,390 --> 00:51:04,640

roundtable discussion

1466

00:51:07,990 --> 00:51:06,400

uh it's going to be the guys from the

1467

00:51:09,109 --> 00:51:08,000

groups up front the people in the

1468

00:51:11,829 --> 00:51:09,119

audience

1469

00:51:13,270 --> 00:51:11,839

and they can ask what they want to ask

1470

00:51:15,270 --> 00:51:13,280

they can ask what we do

1471

00:51:17,190 --> 00:51:15,280

how we do it what type of equipment we

1472

00:51:19,030 --> 00:51:17,200

use

1473

00:51:20,790 --> 00:51:19,040

what have we found what have we not

1474

00:51:23,990 --> 00:51:20,800

found what are we

1475

00:51:25,910 --> 00:51:24,000

looking at now um

1476

00:51:27,349 --> 00:51:25,920

i'm sure they're all going to have cases

1477

00:51:29,510 --> 00:51:27,359

that you know they're going to ask about

1478

00:51:31,430 --> 00:51:29,520

that maybe we can help them out with

1479

00:51:32,630 --> 00:51:31,440

uh so it's really it's going to

1480

00:51:34,390 --> 00:51:32,640

encompass

1481

00:51:36,549 --> 00:51:34,400

you know ghost hunters and the

1482

00:51:41,030 --> 00:51:36,559

paranormal and cryptozoology

1483

00:51:42,790 --> 00:51:41,040

ufos uh 14 cases

1484

00:51:45,190 --> 00:51:42,800

just basically all the cases of high

1485

00:51:46,630 --> 00:51:45,200

strangeness in the state of pennsylvania

1486

00:51:48,790 --> 00:51:46,640

and i'm sure we'll get cases that are

1487

00:51:50,549 --> 00:51:48,800

out of pennsylvania but

1488

00:51:51,910 --> 00:51:50,559

the groups are going to be involved you

1489

00:51:54,630 --> 00:51:51,920

know it's a ghost hunters inc

1490

00:51:55,750 --> 00:51:54,640

um incorporated the keystone bigfoot

1491

00:51:58,390 --> 00:51:55,760

project

1492

00:51:59,670 --> 00:51:58,400

uh which i'm sure long's familiar with

1493

00:52:01,990 --> 00:51:59,680

and um

1494

00:52:03,349 --> 00:52:02,000

sean should be more familiar with just a

1495

00:52:05,349 --> 00:52:03,359

little bit

1496

00:52:07,109 --> 00:52:05,359

legend hunters uh dave ruppert and his

1497

00:52:09,750 --> 00:52:07,119

crew uh phantoms and monsters

1498

00:52:10,150 --> 00:52:09,760

of course long and ourselves uh ufo

1499

00:52:12,630 --> 00:52:10,160

research

1500

00:52:13,430 --> 00:52:12,640

in pennsylvania and it's gonna start at

1501

00:52:15,349 --> 00:52:13,440

nine in the morning

1502

00:52:16,470 --> 00:52:15,359

uh it's gonna be going through until

1503

00:52:18,710 --> 00:52:16,480

eight o'clock at night there will be

1504

00:52:21,510 --> 00:52:18,720

food on the premises um the place that

1505

00:52:25,109 --> 00:52:21,520

is being held at which is the albertus

1506

00:52:28,309 --> 00:52:25,119

lockridge um uh what's it called

1507

00:52:29,510 --> 00:52:28,319

um yeah they're gonna have they have a

1508

00:52:31,190 --> 00:52:29,520

food service there

1509

00:52:32,950 --> 00:52:31,200

so people be able to get you know drinks

1510

00:52:36,150 --> 00:52:32,960

and food if they wanted

1511

00:52:39,190 --> 00:52:36,160

um it's going to be different

1512

00:52:42,309 --> 00:52:40,870

nobody's going to be up there putting

1513

00:52:43,589 --> 00:52:42,319

them a powerpoint presentation and

1514

00:52:45,349 --> 00:52:43,599

giving their

1515

00:52:46,630 --> 00:52:45,359

you know predetermined speech that

1516

00:52:49,190 --> 00:52:46,640

they've been given now for

1517

00:52:50,309 --> 00:52:49,200

many years it's just going to be

1518

00:52:53,670 --> 00:52:50,319

one-on-one with the

1519

00:52:57,750 --> 00:52:56,630

the the amount of information that these

1520

00:53:00,390 --> 00:52:57,760

groups have

1521

00:53:02,150 --> 00:53:00,400

as opposed to what they would normally

1522

00:53:03,750 --> 00:53:02,160

get from

1523

00:53:06,470 --> 00:53:03,760

speakers at a conference at a large

1524

00:53:08,870 --> 00:53:06,480

conference is just going to be

1525

00:53:10,790 --> 00:53:08,880

pretty much never been done before that

1526

00:53:13,990 --> 00:53:10,800

i'm aware of

1527

00:53:15,910 --> 00:53:14,000

and the price is right you know

1528

00:53:17,270 --> 00:53:15,920

it's uh fifteen dollars pre-sale and

1529

00:53:19,270 --> 00:53:17,280

twenty dollars and four

1530

00:53:20,950 --> 00:53:19,280

but they're limited to 300 seats and the

1531

00:53:23,750 --> 00:53:20,960

300 seats i understand are going

1532

00:53:24,870 --> 00:53:23,760

really fast uh there are going to be

1533

00:53:27,510 --> 00:53:24,880

some people there that

1534

00:53:28,870 --> 00:53:27,520

are not going to be speaking but they're

1535

00:53:30,549 --> 00:53:28,880

going to be there for information if

1536

00:53:33,910 --> 00:53:30,559

it's wanted i'm sure

1537

00:53:38,870 --> 00:53:37,190

our good friend larry is going to be

1538

00:53:42,309 --> 00:53:38,880

there

1539

00:53:45,349 --> 00:53:42,319

to discuss human uh

1540

00:53:48,870 --> 00:53:45,359

combustion spontaneous human combustion

1541

00:53:49,990 --> 00:53:48,880

larry arnold and some folks are

1542

00:53:52,150 --> 00:53:50,000

some folks are coming up from

1543

00:53:53,510 --> 00:53:52,160

philadelphia uh from the starborn

1544

00:53:55,670 --> 00:53:53,520

support group which is an abduction

1545

00:53:58,870 --> 00:53:55,680

support group

1546

00:53:59,349 --> 00:53:58,880

and i'm just hoping that we get get a

1547

00:54:02,950 --> 00:53:59,359

lot of

1548

00:54:05,349 --> 00:54:02,960

sightings are up in the northeast part

1549

00:54:09,190 --> 00:54:05,359

of pennsylvania and central pennsylvania

1550

00:54:14,790 --> 00:54:09,200

but there is very little in the way

1551
00:54:17,829 --> 00:54:16,470
mufon has some investigators i believe

1552
00:54:21,670 --> 00:54:17,839
in lactawanna

1553
00:54:23,670 --> 00:54:21,680
county but really central pennsylvania

1554
00:54:27,750 --> 00:54:23,680
is a real hot spot

1555
00:54:31,030 --> 00:54:27,760
and you know the clearfield county

1556
00:54:31,589 --> 00:54:31,040
center county all those areas are just

1557
00:54:33,510 --> 00:54:31,599
wild

1558
00:54:35,109 --> 00:54:33,520
with you know when you look at the old

1559
00:54:36,470 --> 00:54:35,119
reports

1560
00:54:38,230 --> 00:54:36,480
i just i'm not if i was looking at

1561
00:54:41,109 --> 00:54:38,240
sean's reports today

1562
00:54:41,829 --> 00:54:41,119
and uh some of those are you know really

1563
00:54:44,230 --> 00:54:41,839

good reports

1564

00:54:45,430 --> 00:54:44,240

and pbs they have a bunch of reports out

1565

00:54:48,549 --> 00:54:45,440

there

1566

00:54:50,470 --> 00:54:48,559

and um of course we have this creature

1567

00:54:51,190 --> 00:54:50,480

report going on up in up in clearfield

1568

00:54:53,109 --> 00:54:51,200

but

1569

00:54:54,549 --> 00:54:53,119

i think the paranormal round table is

1570

00:54:56,789 --> 00:54:54,559

going to be really neat it's going to be

1571

00:54:58,390 --> 00:54:56,799

a lot of fun

1572

00:54:59,430 --> 00:54:58,400

it's and basically it's a one-on-one

1573

00:55:00,710 --> 00:54:59,440

with the people that want to know what

1574

00:55:03,670 --> 00:55:00,720

we're doing

1575

00:55:04,950 --> 00:55:03,680

that's that's it you know nobody tells

1576

00:55:06,309 --> 00:55:04,960

anybody what they're doing they just do

1577

00:55:06,870 --> 00:55:06,319

it they file a report and then they put

1578

00:55:10,789 --> 00:55:06,880

it up

1579

00:55:12,630 --> 00:55:10,799

end of it i mean never goes any further

1580

00:55:13,750 --> 00:55:12,640

than that

1581

00:55:15,750 --> 00:55:13,760

there's a lot of people that have

1582

00:55:17,190 --> 00:55:15,760

questions to what we do and how often

1583

00:55:19,990 --> 00:55:17,200

we're doing things and and

1584

00:55:21,030 --> 00:55:20,000

you know the thing is uh butch and lon

1585

00:55:22,950 --> 00:55:21,040

you guys both know

1586

00:55:25,430 --> 00:55:22,960

is sometimes we don't have the time to

1587

00:55:26,950 --> 00:55:25,440

sit down and put it on the website or on

1588

00:55:28,630 --> 00:55:26,960

the report that as much as we'd like to

1589

00:55:29,990 --> 00:55:28,640

be transparent about things and get

1590

00:55:31,510 --> 00:55:30,000

information out there

1591

00:55:33,030 --> 00:55:31,520

it's not always possible due to

1592

00:55:35,510 --> 00:55:33,040

constraints of life

1593

00:55:36,150 --> 00:55:35,520

uh yeah exactly and and uh you know i

1594

00:55:37,829 --> 00:55:36,160

have people

1595

00:55:39,430 --> 00:55:37,839

uh send me emails want to know about a

1596

00:55:41,829 --> 00:55:39,440

certain piece of equipment

1597

00:55:43,349 --> 00:55:41,839

or or how can they do this or how can

1598

00:55:44,710 --> 00:55:43,359

they do that or where's the best place

1599

00:55:46,470 --> 00:55:44,720

to find this or where's the best place

1600

00:55:47,990 --> 00:55:46,480

to find that

1601
00:55:50,710 --> 00:55:48,000
and i try to answer them as fast as i

1602
00:55:52,069 --> 00:55:50,720
can but you know when you get 60 70

1603
00:55:53,510 --> 00:55:52,079
emails

1604
00:55:54,870 --> 00:55:53,520
every morning you know you're it's just

1605
00:55:56,309 --> 00:55:54,880
loaded with emails not just from

1606
00:55:56,630 --> 00:55:56,319
pennsylvania from all over the country

1607
00:55:59,109 --> 00:55:56,640
because

1608
00:56:01,430 --> 00:55:59,119
our group is all over the country but

1609
00:56:03,910 --> 00:56:01,440
one of the things that's

1610
00:56:05,030 --> 00:56:03,920
uh has always intrigued me was you know

1611
00:56:07,829 --> 00:56:05,040
somebody from

1612
00:56:08,390 --> 00:56:07,839
maybe florida will call up uh or send me

1613
00:56:09,829 --> 00:56:08,400

an email

1614

00:56:12,150 --> 00:56:09,839

and want to discuss a case in

1615

00:56:14,870 --> 00:56:12,160

pennsylvania whether it be a bigfoot

1616

00:56:18,230 --> 00:56:14,880

case or a paranormal case or

1617

00:56:19,190 --> 00:56:18,240

or or ufo case and it just amazes me

1618

00:56:20,870 --> 00:56:19,200

that you know

1619

00:56:22,470 --> 00:56:20,880

when you find out that well they used to

1620

00:56:24,390 --> 00:56:22,480

live in

1621

00:56:26,150 --> 00:56:24,400

pittsburgh or they lived down in reading

1622

00:56:28,230 --> 00:56:26,160

you know they're from the state

1623

00:56:29,670 --> 00:56:28,240

they just moved away i a fellow from

1624

00:56:30,549 --> 00:56:29,680

louisiana just contacted me told me

1625

00:56:32,630 --> 00:56:30,559

about this

1626
00:56:34,069 --> 00:56:32,640
great report that you know i don't know

1627
00:56:35,270 --> 00:56:34,079
he didn't give it to mufon mufon didn't

1628
00:56:37,190 --> 00:56:35,280
exist when he gave it

1629
00:56:38,950 --> 00:56:37,200
gave it out but made might have been

1630
00:56:42,870 --> 00:56:38,960
april or one of those

1631
00:56:45,030 --> 00:56:42,880
early groups but as he's describing

1632
00:56:45,990 --> 00:56:45,040
the scene i'm looking at overhead on

1633
00:56:47,990 --> 00:56:46,000
google

1634
00:56:50,230 --> 00:56:48,000
and now this is case is very old this

1635
00:56:52,470 --> 00:56:50,240
guy's 71

1636
00:56:53,589 --> 00:56:52,480
72 but he just wanted to tell somebody

1637
00:56:55,349 --> 00:56:53,599
about it

1638
00:56:57,510 --> 00:56:55,359

and he's telling me how this craft came

1639

00:56:59,190 --> 00:56:57,520

overhead of a junkyard that he was in

1640

00:57:00,470 --> 00:56:59,200

he collected car keys so he would go to

1641

00:57:02,789 --> 00:57:00,480

the junkyard every now and then on the

1642

00:57:05,829 --> 00:57:02,799

weekend and just swipe all the keys

1643

00:57:07,270 --> 00:57:05,839

he said he had a great collection and he

1644

00:57:10,230 --> 00:57:07,280

saw this craft above the water

1645

00:57:11,589 --> 00:57:10,240

and the river running down spukel river

1646

00:57:13,030 --> 00:57:11,599

running down past it

1647

00:57:14,470 --> 00:57:13,040

and he starts to describe this and i'm

1648

00:57:15,670 --> 00:57:14,480

looking at his describing he says yeah

1649

00:57:16,950 --> 00:57:15,680

there used to be an old bridge

1650

00:57:19,030 --> 00:57:16,960

or there was a bridge across there well

1651
00:57:20,630 --> 00:57:19,040
i can see where the bridge used to be

1652
00:57:22,309 --> 00:57:20,640
and he said then this road ran up this

1653
00:57:23,670 --> 00:57:22,319
way and he said if he said if you can

1654
00:57:24,950 --> 00:57:23,680
visualize this man i didn't tell him i

1655
00:57:26,549 --> 00:57:24,960
was looking at google

1656
00:57:28,549 --> 00:57:26,559
and he says the parking lot's here and i

1657
00:57:29,270 --> 00:57:28,559
can see the cars the junkyard's still

1658
00:57:32,069 --> 00:57:29,280
there

1659
00:57:32,870 --> 00:57:32,079
a shed in the middle of the yard where

1660
00:57:35,270 --> 00:57:32,880
they used to just

1661
00:57:36,309 --> 00:57:35,280
you know put tools and he said that's

1662
00:57:38,950 --> 00:57:36,319
where i hid out

1663
00:57:40,069 --> 00:57:38,960

and he said it actually scanned the you

1664

00:57:42,549 --> 00:57:40,079

know light came through

1665

00:57:43,510 --> 00:57:42,559

the cracks in the woods and stuff and

1666

00:57:45,990 --> 00:57:43,520

it's just neat that

1667

00:57:46,549 --> 00:57:46,000

you know people see that remember that

1668

00:57:48,150 --> 00:57:46,559

stuff

1669

00:57:49,589 --> 00:57:48,160

and although they never reported or if

1670

00:57:51,109 --> 00:57:49,599

they did report it you know to

1671

00:57:53,829 --> 00:57:51,119

to one of the older groups that never

1672

00:57:56,470 --> 00:57:53,839

put their stuff forward

1673

00:57:57,990 --> 00:57:56,480

to hear those kind of stories and then

1674

00:57:59,430 --> 00:57:58,000

when i looked up the area that he said

1675

00:58:02,870 --> 00:57:59,440

that happened in

1676

00:58:06,069 --> 00:58:02,880

it's also rich with a lot of of

1677

00:58:08,950 --> 00:58:06,079

nowaday reports on ufos

1678

00:58:09,990 --> 00:58:08,960

and it kind of hits a a favorite spot

1679

00:58:11,510 --> 00:58:10,000

alarm and i

1680

00:58:14,630 --> 00:58:11,520

which was this is just outside of

1681

00:58:17,910 --> 00:58:17,430

so um i think the paranormal table is

1682

00:58:20,549 --> 00:58:17,920

going to be

1683

00:58:21,990 --> 00:58:20,559

a great day a lot of fun it's going to

1684

00:58:23,349 --> 00:58:22,000

be good to intertwine the groups all

1685

00:58:24,870 --> 00:58:23,359

intertwining because i'm sure there's

1686

00:58:27,430 --> 00:58:24,880

all information we can share between

1687

00:58:29,990 --> 00:58:27,440

ourselves not only with the public

1688

00:58:31,829 --> 00:58:30,000

but um we'll have our va we'll have our

1689

00:58:33,270 --> 00:58:31,839

big van there with all the equipment so

1690

00:58:35,030 --> 00:58:33,280

people can actually see that we really

1691

00:58:38,069 --> 00:58:35,040

do have that equipment

1692

00:58:38,789 --> 00:58:38,079

and um i think it's just going to be a

1693

00:58:42,150 --> 00:58:38,799

good day

1694

00:58:43,270 --> 00:58:42,160

a good fun time for everybody

1695

00:58:45,430 --> 00:58:43,280

yeah i think it's going to be quite

1696

00:58:48,069 --> 00:58:45,440

interesting and i think

1697

00:58:49,670 --> 00:58:48,079

that it gives everybody an opportunity

1698

00:58:52,150 --> 00:58:49,680

to uh

1699

00:58:53,990 --> 00:58:52,160

you know to tell something that maybe

1700

00:58:54,309 --> 00:58:54,000

they've been sitting on for a long time

1701

00:58:56,390 --> 00:58:54,319

but

1702

00:58:59,030 --> 00:58:56,400

uh well you know you know they contact

1703

00:59:01,589 --> 00:58:59,040

us by email they hear us on the radio

1704

00:59:02,710 --> 00:59:01,599

or or they talk to us on facebook they

1705

00:59:04,950 --> 00:59:02,720

but their chances of them

1706

00:59:05,829 --> 00:59:04,960

really meeting us face on head on head

1707

00:59:08,950 --> 00:59:05,839

on head to

1708

00:59:10,069 --> 00:59:08,960

to really discuss something that's like

1709

00:59:11,510 --> 00:59:10,079

sean said you know there's a lot of

1710

00:59:13,190 --> 00:59:11,520

things going on so

1711

00:59:14,470 --> 00:59:13,200

it's not like you can spend four hours a

1712

00:59:16,870 --> 00:59:14,480

day sitting on your front porch waiting

1713

00:59:20,950 --> 00:59:16,880

for people to drive up and talk to you

1714

00:59:23,750 --> 00:59:20,960

that's right so i i it's an opportunity

1715

00:59:25,190 --> 00:59:23,760

uh both for the groups uh the people in

1716

00:59:27,109 --> 00:59:25,200

the groups to

1717

00:59:28,390 --> 00:59:27,119

uh talk to the folks and the folks to

1718

00:59:29,829 --> 00:59:28,400

talk to us and

1719

00:59:31,270 --> 00:59:29,839

hopefully i'm sure we're gonna get new

1720

00:59:33,030 --> 00:59:31,280

reports i'm sure we're gonna get a lot

1721

00:59:35,030 --> 00:59:33,040

of good questions i'm sure we're going

1722

00:59:39,349 --> 00:59:35,040

to get some strange questions

1723

00:59:41,670 --> 00:59:39,359

but um it's uh so far it's

1724

00:59:43,589 --> 00:59:41,680

tickets are selling very well they think

1725

00:59:45,750 --> 00:59:43,599

it's going to be a sellout so

1726

00:59:47,589 --> 00:59:45,760

anybody didn't get their ticket yet

1727

00:59:49,510 --> 00:59:47,599

maybe you want to do that because uh

1728

00:59:51,589 --> 00:59:49,520

like i said they're limited to 300 seats

1729

00:59:54,470 --> 00:59:51,599

and that's it i mean there's no standing

1730

00:59:56,630 --> 00:59:54,480

room after the 300 seats are taken

1731

00:59:58,069 --> 00:59:56,640

yeah that far fire marshal might frown a

1732

01:00:00,549 --> 00:59:58,079

little bit when you start packing

1733

01:00:02,309 --> 01:00:00,559

buildings up yeah

1734

01:00:03,750 --> 01:00:02,319

you see some standing up outside and on

1735

01:00:04,870 --> 01:00:03,760

the roof and stuff yeah that's not going

1736

01:00:06,150 --> 01:00:04,880

to go over well

1737

01:00:07,910 --> 01:00:06,160

you know but she said something a few

1738

01:00:09,910 --> 01:00:07,920

moments earlier and i just wanted to

1739

01:00:12,390 --> 01:00:09,920

touch on it quick because

1740

01:00:13,670 --> 01:00:12,400

uh you know we talk about like you said

1741

01:00:16,870 --> 01:00:13,680

looking through some of the old reports

1742

01:00:18,230 --> 01:00:16,880

on keystone bigfoot and other places

1743

01:00:20,069 --> 01:00:18,240

you know we're starting to get a lot

1744

01:00:21,670 --> 01:00:20,079

more reports from the northern tier and

1745

01:00:22,549 --> 01:00:21,680

the north and central part of the state

1746

01:00:25,589 --> 01:00:22,559

because they now

1747

01:00:28,069 --> 01:00:25,599

know someone's out there investigating

1748

01:00:29,670 --> 01:00:28,079

we we live in an area particularly up

1749

01:00:31,190 --> 01:00:29,680

here where there aren't a lot of people

1750

01:00:34,470 --> 01:00:31,200

investigating this kind of stuff

1751

01:00:34,870 --> 01:00:34,480

credible people anyhow and i think again

1752

01:00:38,150 --> 01:00:34,880

this

1753

01:00:40,789 --> 01:00:38,160

going to further

1754

01:00:42,549 --> 01:00:40,799

further our cause of getting that

1755

01:00:43,349 --> 01:00:42,559

information out to there are people in

1756

01:00:46,309 --> 01:00:43,359

this area that

1757

01:00:47,190 --> 01:00:46,319

really want to legitimately look into

1758

01:00:50,470 --> 01:00:47,200

your

1759

01:00:51,990 --> 01:00:50,480

established people we're not new we've

1760

01:00:54,870 --> 01:00:52,000

been doing this a long time

1761

01:00:56,950 --> 01:00:54,880

and we can't do this without you yeah

1762

01:00:59,510 --> 01:00:56,960

that and the fact that you know if

1763

01:01:00,470 --> 01:00:59,520

if it goes as well as i think it's going

1764

01:01:02,470 --> 01:01:00,480

to go

1765

01:01:03,990 --> 01:01:02,480

uh i'd really like to hold one up in

1766

01:01:05,349 --> 01:01:04,000

that area um

1767

01:01:07,589 --> 01:01:05,359

you know maybe it's a local fire coming

1768

01:01:09,190 --> 01:01:07,599

maybe an outdoor maybe an outdoor thing

1769

01:01:11,430 --> 01:01:09,200

uh doesn't have to be indoors in the

1770

01:01:13,829 --> 01:01:11,440

summertime could be outdoor

1771

01:01:14,789 --> 01:01:13,839

you know combine a round table with a

1772

01:01:18,630 --> 01:01:14,799

star watch

1773

01:01:23,430 --> 01:01:20,870

some training on how to investigate you

1774

01:01:24,789 --> 01:01:23,440

know bigfoot sightings

1775

01:01:27,510 --> 01:01:24,799

there's a whole realm of things you can

1776

01:01:29,510 --> 01:01:27,520

do and

1777

01:01:31,750 --> 01:01:29,520

so i'm i'm i'm hoping that it kind of

1778

01:01:33,109 --> 01:01:31,760

catches on and we can move it around the

1779

01:01:35,349 --> 01:01:33,119

state

1780

01:01:37,510 --> 01:01:35,359

uh because it's like you said there are

1781

01:01:39,750 --> 01:01:37,520

there's a lot of territory

1782

01:01:41,349 --> 01:01:39,760

you know in that northern tier and the

1783

01:01:43,589 --> 01:01:41,359

north central tier

1784

01:01:44,870 --> 01:01:43,599

and although it's not populated like

1785

01:01:47,190 --> 01:01:44,880

philadelphia

1786

01:01:48,630 --> 01:01:47,200

but there is a population and these

1787

01:01:50,549 --> 01:01:48,640

people see things whether it's in the

1788

01:01:54,390 --> 01:01:50,559

sky or on the ground

1789

01:01:56,390 --> 01:01:54,400
or or it's a paranormal event and

1790

01:01:57,829 --> 01:01:56,400
like you said it's it's kind of slim

1791

01:01:58,950 --> 01:01:57,839
pickings when it comes to finding

1792

01:02:02,069 --> 01:01:58,960
somebody that's gonna you know

1793

01:02:03,750 --> 01:02:02,079
either show up or call you or or follow

1794

01:02:07,190 --> 01:02:03,760
up on the case

1795

01:02:10,309 --> 01:02:07,200
and um i think it's just good for

1796

01:02:11,829 --> 01:02:10,319
us as investigators and researchers and

1797

01:02:12,789 --> 01:02:11,839
it's good for the public because now

1798

01:02:15,910 --> 01:02:12,799
they have

1799

01:02:16,870 --> 01:02:15,920
somebody they can call or talk to or you

1800

01:02:17,990 --> 01:02:16,880
know have somebody

1801
01:02:19,990 --> 01:02:18,000
you know come and look at these

1802
01:02:22,230 --> 01:02:20,000
footprints they saw or

1803
01:02:23,270 --> 01:02:22,240
or see pictures of what they took you

1804
01:02:24,870 --> 01:02:23,280
know it's just

1805
01:02:26,150 --> 01:02:24,880
i just think it's a good all-around

1806
01:02:27,349 --> 01:02:26,160
thing for everybody that's going to be

1807
01:02:29,589 --> 01:02:27,359
involved both the public and the

1808
01:02:32,710 --> 01:02:29,599
researchers

1809
01:02:36,150 --> 01:02:32,720
benefits a good cause yeah

1810
01:02:37,829 --> 01:02:36,160
the uh i've been to the place twice um

1811
01:02:40,549 --> 01:02:37,839
the alberta's locker ridge historical

1812
01:02:41,510 --> 01:02:40,559
society that 1870 church when the first

1813
01:02:42,710 --> 01:02:41,520

time i walked in it

1814

01:02:45,510 --> 01:02:42,720

i thought oh this is going to be just

1815

01:02:47,349 --> 01:02:45,520

you know run down all beat to death

1816

01:02:49,349 --> 01:02:47,359

the outside needs work they're working

1817

01:02:50,870 --> 01:02:49,359

on that now painting and stuff

1818

01:02:53,990 --> 01:02:50,880

but when you walk inside it looks like

1819

01:02:56,789 --> 01:02:54,000

it was built the day before yesterday

1820

01:02:57,349 --> 01:02:56,799

i mean it's gorgeous i mean the the pews

1821

01:03:07,750 --> 01:02:57,359

the

1822

01:03:09,670 --> 01:03:07,760

it's just gorgeous and you know it was

1823

01:03:11,750 --> 01:03:09,680

really taken care of

1824

01:03:13,270 --> 01:03:11,760

and in the basement is where the actual

1825

01:03:14,470 --> 01:03:13,280

historical society is

1826

01:03:16,630 --> 01:03:14,480

where they have all the you know

1827

01:03:20,150 --> 01:03:16,640

historical stuff from the area

1828

01:03:21,990 --> 01:03:20,160

but the church itself uh is just

1829

01:03:24,470 --> 01:03:22,000

it's amazing it's really something to

1830

01:03:25,190 --> 01:03:24,480

see and and anybody that's going to show

1831

01:03:28,230 --> 01:03:25,200

up i mean

1832

01:03:29,829 --> 01:03:28,240

you know whether they go up early

1833

01:03:31,029 --> 01:03:29,839

to just drive up the street it's only up

1834

01:03:32,390 --> 01:03:31,039

the streets that's all i gotta do is

1835

01:03:33,670 --> 01:03:32,400

drop the street just look at the place

1836

01:03:36,390 --> 01:03:33,680

take pictures

1837

01:03:37,910 --> 01:03:36,400

it's it's um it has some paranormal

1838

01:03:41,190 --> 01:03:37,920

activity

1839

01:03:43,029 --> 01:03:41,200

uh the alberta's uh um lockridge furnace

1840

01:03:46,789 --> 01:03:43,039

which is down the street about

1841

01:03:49,190 --> 01:03:46,799

a block that's also a historical site

1842

01:03:50,870 --> 01:03:49,200

i mean they have everything there from

1843

01:03:54,069 --> 01:03:50,880

way back they had indian wars in that

1844

01:03:57,430 --> 01:03:54,079

area there are burial mounds there are

1845

01:03:59,910 --> 01:03:57,440

spirit sightings photographs of spirits

1846

01:04:00,630 --> 01:03:59,920

um a lot of strange stuff goes on down

1847

01:04:03,589 --> 01:04:00,640

there

1848

01:04:04,309 --> 01:04:03,599

so that's just an area that's been

1849

01:04:06,950 --> 01:04:04,319

preserved

1850

01:04:08,470 --> 01:04:06,960

from the 1860s and 1870s and it goes

1851

01:04:09,510 --> 01:04:08,480

back even further than that with with

1852

01:04:11,190 --> 01:04:09,520

settlers

1853

01:04:12,870 --> 01:04:11,200

so there's a lot of history there so the

1854

01:04:15,349 --> 01:04:12,880

history buffs that show up

1855

01:04:16,549 --> 01:04:15,359

they can stroll around the next day and

1856

01:04:17,990 --> 01:04:16,559

stay overnight and

1857

01:04:21,589 --> 01:04:18,000

do whatever they want but it's really a

1858

01:04:26,230 --> 01:04:23,990

uh butch you mentioned earlier talked

1859

01:04:27,910 --> 01:04:26,240

about clearfield and

1860

01:04:29,670 --> 01:04:27,920

some of the weird things going on up

1861

01:04:32,390 --> 01:04:29,680

there and of course

1862

01:04:33,510 --> 01:04:32,400

sean and i know that it's it is

1863

01:04:36,150 --> 01:04:33,520

definitely

1864

01:04:38,150 --> 01:04:36,160
a strange area of the state but of

1865

01:04:40,470 --> 01:04:38,160
course you um

1866

01:04:42,390 --> 01:04:40,480
you got a report back in november last

1867

01:04:45,270 --> 01:04:42,400
year concerning a

1868

01:04:46,910 --> 01:04:45,280
possible cryptid sighting and the state

1869

01:04:50,230 --> 01:04:46,920
gained lamb in

1870

01:04:51,990 --> 01:04:50,240
331 which is in clearfield it's actually

1871

01:04:55,190 --> 01:04:52,000
close to dubois i think

1872

01:04:57,109 --> 01:04:55,200
yeah once you talk about that report

1873

01:04:58,549 --> 01:04:57,119
now we have talked about sean and i

1874

01:05:01,589 --> 01:04:58,559
talked about it a bit

1875

01:05:03,829 --> 01:05:01,599
before on other shows but uh

1876

01:05:06,069 --> 01:05:03,839

why don't you talk about this and let

1877

01:05:09,109 --> 01:05:06,079

the folks know what's going on there

1878

01:05:11,190 --> 01:05:09,119

and what's been going on and what we

1879

01:05:13,990 --> 01:05:11,200

plan on doing

1880

01:05:15,109 --> 01:05:14,000

well we got a report that the actual uh

1881

01:05:18,390 --> 01:05:15,119

event took place

1882

01:05:20,950 --> 01:05:18,400

on november 6 of 2014

1883

01:05:22,789 --> 01:05:20,960

and a gentleman a retired airline pilot

1884

01:05:25,109 --> 01:05:22,799

and military pilot of 40 years

1885

01:05:26,069 --> 01:05:25,119

uh was walking his dogs like he does he

1886

01:05:28,069 --> 01:05:26,079

said on a nice

1887

01:05:29,990 --> 01:05:28,079

day he takes his two y mirandas out for

1888

01:05:33,270 --> 01:05:30,000

a walk and he usually goes up to the

1889

01:05:35,750 --> 01:05:33,280

state game lens 331 uh which uh

1890

01:05:36,710 --> 01:05:35,760

the area he was in this near the further

1891

01:05:39,829 --> 01:05:36,720

end toward penn

1892

01:05:41,670 --> 01:05:39,839

toward penfield and uh

1893

01:05:43,349 --> 01:05:41,680

he's a hunter he's hunted there all his

1894

01:05:45,510 --> 01:05:43,359

life he's familiar with the area he

1895

01:05:48,789 --> 01:05:45,520

doesn't live far away

1896

01:05:50,549 --> 01:05:48,799

and uh as he's uh

1897

01:05:52,069 --> 01:05:50,559

he parks his truck gets his two dogs out

1898

01:05:53,670 --> 01:05:52,079

of course they're unleashes he's walking

1899

01:05:54,870 --> 01:05:53,680

up a fire trail

1900

01:05:56,789 --> 01:05:54,880

and for your listeners that don't know

1901

01:05:58,390 --> 01:05:56,799

what a fire trail is that's just a wider

1902

01:05:59,910 --> 01:05:58,400

trail so they can get fire apparatus in

1903

01:06:01,430 --> 01:05:59,920

case of a forest fire

1904

01:06:03,029 --> 01:06:01,440

he walks up the fire trail he gets up

1905

01:06:05,510 --> 01:06:03,039

about 150

1906

01:06:06,630 --> 01:06:05,520

yards from his truck and the dogs start

1907

01:06:08,230 --> 01:06:06,640

to go crazy

1908

01:06:09,510 --> 01:06:08,240

they're pawn at the ground and now

1909

01:06:10,069 --> 01:06:09,520

they're pulling that hard they're

1910

01:06:13,430 --> 01:06:10,079

digging

1911

01:06:15,270 --> 01:06:13,440

a hole each of them and he said they've

1912

01:06:17,109 --> 01:06:15,280

never acted that way he's looking around

1913

01:06:18,870 --> 01:06:17,119

he thought maybe they saw a skunk or

1914

01:06:20,390 --> 01:06:18,880

bear or deer or something but he didn't

1915

01:06:22,710 --> 01:06:20,400

see anything he saw

1916

01:06:25,349 --> 01:06:22,720

nothing the dogs were focused on the

1917

01:06:27,109 --> 01:06:25,359

right hand side of the road

1918

01:06:28,390 --> 01:06:27,119

and he had all he could do to keep him

1919

01:06:31,589 --> 01:06:28,400

just hold him back

1920

01:06:32,870 --> 01:06:31,599

and out from the tree line at the edge

1921

01:06:35,109 --> 01:06:32,880

of the road

1922

01:06:36,470 --> 01:06:35,119

walks this i'm going to use the word

1923

01:06:39,589 --> 01:06:36,480

creature because

1924

01:06:43,430 --> 01:06:39,599

i wouldn't what else to call it and

1925

01:06:46,230 --> 01:06:43,440

um he said it

1926
01:06:47,270 --> 01:06:46,240
walked across the road got on the other

1927
01:06:49,190 --> 01:06:47,280
side

1928
01:06:51,750 --> 01:06:49,200
and walked into the woods and the dogs

1929
01:06:54,870 --> 01:06:51,760
were still at it

1930
01:06:56,549 --> 01:06:54,880
and he took the dogs back and retrieved

1931
01:06:57,910 --> 01:06:56,559
the handgun that he had in the truck and

1932
01:06:59,430 --> 01:06:57,920
came back in

1933
01:07:01,750 --> 01:06:59,440
went into the right hand side went over

1934
01:07:04,309 --> 01:07:01,760
to left-hand side he didn't see anything

1935
01:07:04,950 --> 01:07:04,319
but his description of it was first of

1936
01:07:06,630 --> 01:07:04,960
all he said

1937
01:07:08,470 --> 01:07:06,640
it was not bigfoot that was the first

1938
01:07:10,069 --> 01:07:08,480

thing he said he said i know what

1939

01:07:11,589 --> 01:07:10,079

pictures of bigfoot look like and this

1940

01:07:14,789 --> 01:07:11,599

was no bigfoot

1941

01:07:18,390 --> 01:07:14,799

so he kind of described it as a

1942

01:07:20,230 --> 01:07:18,400

a muscular man tall

1943

01:07:22,630 --> 01:07:20,240

and he's got now he said it stood

1944

01:07:25,430 --> 01:07:22,640

approximately eight to ten feet tall

1945

01:07:26,230 --> 01:07:25,440

now that's his estimation which the

1946

01:07:27,670 --> 01:07:26,240

following day

1947

01:07:29,589 --> 01:07:27,680

they did something and he called me back

1948

01:07:30,470 --> 01:07:29,599

he says no more like seven to eight feet

1949

01:07:32,390 --> 01:07:30,480

tall

1950

01:07:34,309 --> 01:07:32,400

because then he was looking at the tree

1951

01:07:35,910 --> 01:07:34,319

and he kind of gauged it by a tree a low

1952

01:07:38,230 --> 01:07:35,920

branch

1953

01:07:40,069 --> 01:07:38,240

but he said uh this when this creature

1954

01:07:43,190 --> 01:07:40,079

walked across in front of him

1955

01:07:45,589 --> 01:07:43,200

he got a good look at it head to toe

1956

01:07:46,630 --> 01:07:45,599

it did not look at him it did not look

1957

01:07:49,430 --> 01:07:46,640

at the dogs like

1958

01:07:51,589 --> 01:07:49,440

he and the dogs weren't even there it

1959

01:07:54,950 --> 01:07:51,599

paid no attention whatsoever to two

1960

01:07:56,230 --> 01:07:54,960

two why maranas their big dog growling

1961

01:07:58,470 --> 01:07:56,240

snarling and ripping

1962

01:07:59,349 --> 01:07:58,480

trying to get to it and him standing

1963

01:08:01,910 --> 01:07:59,359

there

1964

01:08:05,670 --> 01:08:01,920

and it never even twitched it just

1965

01:08:09,750 --> 01:08:05,680

walked across like they didn't exist

1966

01:08:17,669 --> 01:08:13,829

it was um either dark brown or black

1967

01:08:20,470 --> 01:08:17,679

um he said very muscular

1968

01:08:22,550 --> 01:08:20,480

noice no lengthened arms you know longer

1969

01:08:25,269 --> 01:08:22,560

than normal arms or legs

1970

01:08:26,309 --> 01:08:25,279

uh he didn't notice any any big feet or

1971

01:08:29,669 --> 01:08:26,319

long hair

1972

01:08:32,630 --> 01:08:29,679

no tail he said if he'd had ears he

1973

01:08:40,390 --> 01:08:38,229

it just you know

1974

01:08:41,910 --> 01:08:40,400

he didn't know what he saw he said but

1975

01:08:43,910 --> 01:08:41,920

one of the things that stuck out that

1976

01:08:47,749 --> 01:08:43,920

still puzzles him

1977

01:08:50,950 --> 01:08:47,759

is that he did notice it had a snout

1978

01:08:52,229 --> 01:08:50,960

now he described the snout not like a

1979

01:08:55,030 --> 01:08:52,239

dog like a doberman

1980

01:08:55,669 --> 01:08:55,040

or why morana or even like one of my

1981

01:08:58,229 --> 01:08:55,679

dachshunds

1982

01:09:02,630 --> 01:08:58,239

he said it was a short snout more like a

1983

01:09:09,669 --> 01:09:06,550

he saw no facial features because it was

1984

01:09:12,470 --> 01:09:09,679

sideways all he saw was the profile

1985

01:09:14,390 --> 01:09:12,480

but um again he started to tell me he

1986

01:09:17,749 --> 01:09:14,400

says look because i'm telling you

1987

01:09:19,829 --> 01:09:17,759

whatever it was it was no bigfoot and

1988

01:09:22,070 --> 01:09:19,839

whatever it was

1989

01:09:23,669 --> 01:09:22,080

two dogs and and myself stand there

1990

01:09:27,110 --> 01:09:23,679

didn't phase it one bit

1991

01:09:29,030 --> 01:09:27,120

just walked right across so

1992

01:09:31,269 --> 01:09:29,040

he said the best i can describe it he

1993

01:09:33,990 --> 01:09:31,279

said if i had to put it in plain terms

1994

01:09:35,110 --> 01:09:34,000

he said it was just a tall big well

1995

01:09:37,510 --> 01:09:35,120

muscular

1996

01:09:38,630 --> 01:09:37,520

hairy man and he said that is the best i

1997

01:09:41,669 --> 01:09:38,640

can describe it

1998

01:09:44,709 --> 01:09:41,679

he said i have no other description

1999

01:09:47,990 --> 01:09:44,719

so later in the evening he had found

2000

01:09:50,390 --> 01:09:48,000

something on the internet and and he

2001

01:09:53,030 --> 01:09:50,400

sent me the drawing

2002

01:09:54,470 --> 01:09:53,040

and he said it's only an illustration i

2003

01:09:56,070 --> 01:09:54,480

just looked for something that closely

2004

01:09:58,870 --> 01:09:56,080

resembled the creature

2005

01:10:00,390 --> 01:09:58,880

and i made some changes with color so

2006

01:10:02,390 --> 01:10:00,400

after he sent me the picture

2007

01:10:03,510 --> 01:10:02,400

he said that he is going to get a hold

2008

01:10:05,189 --> 01:10:03,520

of a couple friends and they were going

2009

01:10:06,630 --> 01:10:05,199

to go down the next day

2010

01:10:08,550 --> 01:10:06,640

which would have made it to 7th for

2011

01:10:10,550 --> 01:10:08,560

sunday and

2012

01:10:12,790 --> 01:10:10,560

so he gathered up two buddies he told

2013

01:10:14,390 --> 01:10:12,800

them what was going on

2014

01:10:17,350 --> 01:10:14,400

and they armed themselves to the teeth

2015

01:10:20,149 --> 01:10:17,360

with hunting rifles and they went back

2016

01:10:21,830 --> 01:10:20,159

and this is where the story gets if it

2017

01:10:24,390 --> 01:10:21,840

can get any stranger then the creature

2018

01:10:26,310 --> 01:10:24,400

walking across not paying attention

2019

01:10:27,910 --> 01:10:26,320

it gets stranger they go back they park

2020

01:10:28,950 --> 01:10:27,920

he parks the same place they get out

2021

01:10:31,510 --> 01:10:28,960

they load up

2022

01:10:32,709 --> 01:10:31,520

they go in he can see exactly where he

2023

01:10:35,669 --> 01:10:32,719

was standing because there's the two

2024

01:10:37,669 --> 01:10:35,679

holes left by the dogs the day prior

2025

01:10:38,709 --> 01:10:37,679

so they walk up and he said this is

2026

01:10:40,229 --> 01:10:38,719

pretty much where

2027

01:10:42,229 --> 01:10:40,239

it came out of so they went in there

2028

01:10:43,510 --> 01:10:42,239

they went back about 50 100 yards they

2029

01:10:44,149 --> 01:10:43,520

didn't see anything or anything like

2030

01:10:46,390 --> 01:10:44,159

that nothing

2031

01:10:48,709 --> 01:10:46,400

no footprints no broken branches no

2032

01:10:50,229 --> 01:10:48,719

downed trees nothing like that

2033

01:10:52,149 --> 01:10:50,239

they come out they walk straight across

2034

01:10:55,350 --> 01:10:52,159

they get about 50 feet

2035

01:10:57,110 --> 01:10:55,360

into the other side and they stop

2036

01:10:59,189 --> 01:10:57,120

and they basically all look at each

2037

01:11:00,709 --> 01:10:59,199

other and and it comes out

2038

01:11:02,950 --> 01:11:00,719

we need to get out of here and we need

2039

01:11:04,950 --> 01:11:02,960

to get out of here right now

2040

01:11:06,070 --> 01:11:04,960

and for three guys to have the same

2041

01:11:09,030 --> 01:11:06,080

feelings of

2042

01:11:09,590 --> 01:11:09,040

disaster dread something bad is going to

2043

01:11:12,070 --> 01:11:09,600

happen

2044

01:11:13,430 --> 01:11:12,080

at the same time that's pretty unusual

2045

01:11:15,590 --> 01:11:13,440

in itself

2046

01:11:17,270 --> 01:11:15,600

so they don't walk out they back out

2047

01:11:18,870 --> 01:11:17,280

with their weapons facing forward

2048

01:11:20,630 --> 01:11:18,880

and they get back out onto the road and

2049

01:11:22,550 --> 01:11:20,640

they go back to the truck

2050

01:11:23,750 --> 01:11:22,560

and he called me later that he needed to

2051

01:11:25,110 --> 01:11:23,760

tell me what had happened

2052

01:11:27,270 --> 01:11:25,120

and he said i want to tell you something

2053

01:11:30,070 --> 01:11:27,280

mr witkowski he says i am

2054

01:11:32,790 --> 01:11:30,080

never going in those woods again under

2055

01:11:35,270 --> 01:11:32,800

any circumstance to walk dogs to hunt

2056

01:11:36,790 --> 01:11:35,280

never again and i i tried to get out of

2057

01:11:39,030 --> 01:11:36,800

him what what happened

2058

01:11:40,390 --> 01:11:39,040

he said all i know is we shouldn't have

2059

01:11:43,590 --> 01:11:40,400

been there

2060

01:11:44,550 --> 01:11:43,600

and we were basically all feeling the

2061

01:11:46,870 --> 01:11:44,560

same thing

2062

01:11:48,550 --> 01:11:46,880

this was very dangerous we shouldn't be

2063

01:11:49,270 --> 01:11:48,560

there we need to get out of here and

2064

01:11:58,470 --> 01:11:49,280

like now

2065

01:12:01,750 --> 01:11:59,910

you know that's that's you know i

2066

01:12:03,669 --> 01:12:01,760

remember when you told me that and i'm

2067

01:12:06,709 --> 01:12:03,679

thinking to myself

2068

01:12:09,590 --> 01:12:06,719

well you know that uh

2069

01:12:10,950 --> 01:12:09,600

fighter that flight or you know fear and

2070

01:12:14,149 --> 01:12:10,960

flight thing

2071

01:12:15,990 --> 01:12:14,159

that that reaction to happen to three

2072

01:12:19,510 --> 01:12:16,000

individuals or even more

2073

01:12:21,750 --> 01:12:19,520

at one time yeah says to me that there's

2074

01:12:24,950 --> 01:12:21,760

something there

2075

01:12:28,550 --> 01:12:24,960

either magnetic wise magna

2076

01:12:29,910 --> 01:12:28,560

you know uh electronic magnetic wise

2077

01:12:32,390 --> 01:12:29,920

that

2078

01:12:34,709 --> 01:12:32,400

sets something out in everybody's brain

2079

01:12:37,830 --> 01:12:34,719

and just put them in that into that mode

2080

01:12:39,990 --> 01:12:37,840

of uh you know fear and flight you know

2081

01:12:42,390 --> 01:12:40,000

uh that's the only thing i could figure

2082

01:12:44,790 --> 01:12:42,400

i mean they weren't seeing anything

2083

01:12:46,229 --> 01:12:44,800

they were sensing something i guess the

2084

01:12:49,110 --> 01:12:46,239

old primal fear came

2085

01:12:51,030 --> 01:12:49,120

in and took over and they all knew they

2086

01:12:53,910 --> 01:12:51,040

had to get the hell out of there

2087

01:12:54,790 --> 01:12:53,920

yeah and you know and the guy was very

2088

01:12:57,189 --> 01:12:54,800

uh

2089

01:12:59,350 --> 01:12:57,199

you know he was very intelligent i mean

2090

01:13:00,790 --> 01:12:59,360

everything he talked about he explained

2091

01:13:03,030 --> 01:13:00,800

as he was going along so i didn't

2092

01:13:05,669 --> 01:13:03,040

misinterpret anything

2093

01:13:07,430 --> 01:13:05,679

anything i asked he you know answered

2094

01:13:09,750 --> 01:13:07,440

the question

2095

01:13:11,430 --> 01:13:09,760

except when it came to that i said what

2096

01:13:14,070 --> 01:13:11,440

did you feel

2097

01:13:15,110 --> 01:13:14,080

he said all i felt was we needed to get

2098

01:13:17,750 --> 01:13:15,120

out of there

2099

01:13:19,669 --> 01:13:17,760

right now no questions asked and he said

2100

01:13:22,390 --> 01:13:19,679

we backed out what our weapons painted

2101
01:13:23,990 --> 01:13:22,400
pointed toward where we went in so did

2102
01:13:27,510 --> 01:13:24,000
they see something

2103
01:13:29,110 --> 01:13:27,520
uh did something um like you said

2104
01:13:31,590 --> 01:13:29,120
uh put into their head that they were

2105
01:13:33,990 --> 01:13:31,600
going to there was going to be a fight

2106
01:13:35,830 --> 01:13:34,000
so the fight and flight or fear and

2107
01:13:40,149 --> 01:13:35,840
flight took place

2108
01:13:41,669 --> 01:13:40,159
um and it's not unheard of as i started

2109
01:13:42,709 --> 01:13:41,679
looking for reports where that has

2110
01:13:47,510 --> 01:13:42,719
happened

2111
01:13:49,270 --> 01:13:47,520
not only in

2112
01:13:50,709 --> 01:13:49,280
some of the bigfoots from bigfoot

2113
01:13:52,149 --> 01:13:50,719

reports that i've read you know from

2114

01:13:53,430 --> 01:13:52,159

around the country

2115

01:13:54,870 --> 01:13:53,440

there's quite a number of those where

2116

01:13:56,390 --> 01:13:54,880

you know people be like camping having a

2117

01:13:58,149 --> 01:13:56,400

good time drinking a beer sitting there

2118

01:14:00,390 --> 01:13:58,159

and all of a sudden

2119

01:14:02,870 --> 01:14:00,400

we need to pack up and leave now and

2120

01:14:06,229 --> 01:14:02,880

they pack up and they go

2121

01:14:08,070 --> 01:14:06,239

and uh in the paranormal where

2122

01:14:10,630 --> 01:14:08,080

experienced investigators have walked

2123

01:14:12,630 --> 01:14:10,640

into a house or wherever

2124

01:14:14,870 --> 01:14:12,640

and they get so far in or they make it

2125

01:14:16,870 --> 01:14:14,880

up to the second floor and that same

2126

01:14:18,470 --> 01:14:16,880

fear and flight thing hits them and they

2127

01:14:19,270 --> 01:14:18,480

say okay we're done we're out of here

2128

01:14:20,470 --> 01:14:19,280

you know

2129

01:14:23,030 --> 01:14:20,480

everybody's out and they're heading down

2130

01:14:25,669 --> 01:14:23,040

local dunkin donuts they're done

2131

01:14:27,189 --> 01:14:25,679

and they don't go back they just don't

2132

01:14:30,070 --> 01:14:27,199

go back

2133

01:14:30,630 --> 01:14:30,080

for any reason uh these guys went back

2134

01:14:33,590 --> 01:14:30,640

with

2135

01:14:35,030 --> 01:14:33,600

whatever it is if it comes after them

2136

01:14:35,590 --> 01:14:35,040

you know we got the firepower we'll stop

2137

01:14:37,910 --> 01:14:35,600

it

2138

01:14:39,910 --> 01:14:37,920

well evidently that didn't mean anything

2139

01:14:42,390 --> 01:14:39,920

because they had firearms they went in

2140

01:14:45,990 --> 01:14:42,400

there and they were stopped

2141

01:14:48,709 --> 01:14:46,000

and there uh these reports

2142

01:14:49,590 --> 01:14:48,719

i found a few uh more than a few i

2143

01:14:53,030 --> 01:14:49,600

should say

2144

01:14:55,990 --> 01:14:53,040

where people have seen an entity

2145

01:14:56,390 --> 01:14:56,000

of some sort or a creature of some sort

2146

01:14:57,830 --> 01:14:56,400

you know

2147

01:15:00,550 --> 01:14:57,840

just walk by them like they weren't

2148

01:15:04,310 --> 01:15:00,560

there you know like it paid no attention

2149

01:15:07,189 --> 01:15:04,320

uh or it walked by and within so many

2150

01:15:09,030 --> 01:15:07,199

feeder yards it just kind of vanished

2151
01:15:10,229 --> 01:15:09,040
and that's both in bigfoot and the

2152
01:15:12,310 --> 01:15:10,239
paranormal

2153
01:15:13,669 --> 01:15:12,320
and you know we see it in ufos a lot but

2154
01:15:14,709 --> 01:15:13,679
that's you know you're looking at

2155
01:15:16,310 --> 01:15:14,719
something that's maybe

2156
01:15:18,950 --> 01:15:16,320
thirty thousand forty thousand feet in

2157
01:15:21,430 --> 01:15:18,960
the air and it disappears

2158
01:15:22,950 --> 01:15:21,440
but this stuff on the ground is the

2159
01:15:26,070 --> 01:15:22,960
stuff that's really got me

2160
01:15:27,350 --> 01:15:26,080
half crazy because this stuff you know

2161
01:15:29,430 --> 01:15:27,360
if you would have said this to me

2162
01:15:30,709 --> 01:15:29,440
two years ago i would went like i don't

2163
01:15:34,070 --> 01:15:30,719

think so

2164

01:15:37,110 --> 01:15:34,080

but i'm finding cases like that this guy

2165

01:15:38,470 --> 01:15:37,120

is more than was more than happy to talk

2166

01:15:40,310 --> 01:15:38,480

about it

2167

01:15:41,510 --> 01:15:40,320

but he said he's done he said i'm

2168

01:15:43,910 --> 01:15:41,520

finished not going back there

2169

01:15:45,510 --> 01:15:43,920

never ever under any circumstance

2170

01:15:45,990 --> 01:15:45,520

because i said to him i said if we'd

2171

01:15:47,830 --> 01:15:46,000

come up

2172

01:15:49,350 --> 01:15:47,840

would you show us where it's at and he

2173

01:15:51,110 --> 01:15:49,360

gave me enough information where i do

2174

01:15:53,110 --> 01:15:51,120

know where he was

2175

01:15:54,229 --> 01:15:53,120

me gave me the road number he was on and

2176

01:15:55,590 --> 01:15:54,239

when i mentioned that to another

2177

01:15:56,950 --> 01:15:55,600

researcher up in that area

2178

01:15:58,630 --> 01:15:56,960

he said yeah he knows exactly where that

2179

01:16:01,350 --> 01:15:58,640

road is where that gate is

2180

01:16:02,470 --> 01:16:01,360

so um you got to park outside the gate

2181

01:16:05,350 --> 01:16:02,480

but he only walked in

2182

01:16:06,310 --> 01:16:05,360

like i said 150 yards so and who knows

2183

01:16:08,790 --> 01:16:06,320

maybe those two holes

2184

01:16:09,510 --> 01:16:08,800

from the dogs are still there well you

2185

01:16:11,910 --> 01:16:09,520

know

2186

01:16:13,910 --> 01:16:11,920

this other researcher you talked to uh

2187

01:16:17,270 --> 01:16:13,920

mentioned you they saw something else

2188

01:16:20,310 --> 01:16:17,280

in that area as well didn't it

2189

01:16:22,470 --> 01:16:20,320

yeah they said that they had a fellow

2190

01:16:24,950 --> 01:16:22,480

run out of the woods on them and just

2191

01:16:29,590 --> 01:16:24,960

kept on running

2192

01:16:35,030 --> 01:16:32,950

so is it you know

2193

01:16:36,669 --> 01:16:35,040

people talk about you know telekinesis

2194

01:16:39,270 --> 01:16:36,679

with ufos and and

2195

01:16:41,110 --> 01:16:39,280

telecommunications and and all this mind

2196

01:16:42,470 --> 01:16:41,120

games and stuff like that well who's to

2197

01:16:46,149 --> 01:16:42,480

say that

2198

01:16:49,669 --> 01:16:46,159

these creatures whatever they are uh

2199

01:16:50,870 --> 01:16:49,679

have that same ability and they don't

2200

01:16:52,149 --> 01:16:50,880

have to really hurt you

2201

01:16:53,350 --> 01:16:52,159

they just have to put a fear in you

2202

01:16:55,350 --> 01:16:53,360

that'll get you out of there and you'll

2203

01:16:57,910 --> 01:16:55,360

go

2204

01:16:58,790 --> 01:16:57,920

well you know it's just like this uh you

2205

01:17:00,630 --> 01:16:58,800

know

2206

01:17:01,990 --> 01:17:00,640

uh sean and i were talking about this

2207

01:17:05,030 --> 01:17:02,000

mantis man thing

2208

01:17:07,510 --> 01:17:05,040

where one of the witnesses just had this

2209

01:17:08,310 --> 01:17:07,520

you know he lost all bodily function

2210

01:17:10,950 --> 01:17:08,320

well you know

2211

01:17:12,630 --> 01:17:10,960

everything went limp on him and it this

2212

01:17:15,990 --> 01:17:12,640

thing got in his head

2213

01:17:19,350 --> 01:17:16,000

and we knew we do hear that on encrypted

2214

01:17:22,149 --> 01:17:19,360

sightings bigfoot sightings uh

2215

01:17:23,510 --> 01:17:22,159

and of course we hear it in alien type

2216

01:17:26,790 --> 01:17:23,520

scenarios

2217

01:17:28,870 --> 01:17:26,800

uh you know this very well could be the

2218

01:17:31,990 --> 01:17:28,880

same type of thing

2219

01:17:33,750 --> 01:17:32,000

uh you know are people seeing

2220

01:17:35,030 --> 01:17:33,760

you know are people seeing alternate

2221

01:17:37,590 --> 01:17:35,040

universes

2222

01:17:38,310 --> 01:17:37,600

where this thing just shows up where

2223

01:17:42,470 --> 01:17:38,320

they're

2224

01:17:45,510 --> 01:17:42,480

up inadvertently

2225

01:17:47,189 --> 01:17:45,520

or what's going on um i don't you know

2226
01:17:48,950 --> 01:17:47,199
you know you can't answer that unless

2227
01:17:50,550 --> 01:17:48,960
you know the facts but

2228
01:17:52,470 --> 01:17:50,560
you know people are still seeing it

2229
01:17:55,189 --> 01:17:52,480
nonetheless

2230
01:17:56,950 --> 01:17:55,199
well yeah i mean and it if you found

2231
01:17:59,030 --> 01:17:56,960
like five reports

2232
01:18:00,470 --> 01:17:59,040
i mean that wouldn't really light your

2233
01:18:03,350 --> 01:18:00,480
fire

2234
01:18:03,990 --> 01:18:03,360
but i found lots of reports like that

2235
01:18:06,390 --> 01:18:04,000
where

2236
01:18:08,070 --> 01:18:06,400
that fear and flight took over or

2237
01:18:09,830 --> 01:18:08,080
actually the fighting you know fighter

2238
01:18:12,550 --> 01:18:09,840

fleet took over i mean were

2239

01:18:13,830 --> 01:18:12,560

actually stood their ground not for very

2240

01:18:17,350 --> 01:18:13,840

long

2241

01:18:19,270 --> 01:18:17,360

they stood their ground and they had no

2242

01:18:21,830 --> 01:18:19,280

description they didn't see anything

2243

01:18:22,470 --> 01:18:21,840

they didn't hear anything they just were

2244

01:18:24,709 --> 01:18:22,480

stopped

2245

01:18:25,590 --> 01:18:24,719

you know like hiking on the one was a

2246

01:18:28,870 --> 01:18:25,600

report in

2247

01:18:31,910 --> 01:18:28,880

oregon where uh two young fellows

2248

01:18:33,510 --> 01:18:31,920

one was 19 i believe the other was 22

2249

01:18:35,350 --> 01:18:33,520

just hiking the trail that they hiked up

2250

01:18:37,270 --> 01:18:35,360

many many times and

2251

01:18:38,790 --> 01:18:37,280

it was just like their yearly hike thing

2252

01:18:41,189 --> 01:18:38,800

so they loaded up and

2253

01:18:42,709 --> 01:18:41,199

started up the trail and they got about

2254

01:18:44,229 --> 01:18:42,719

three quarters a mile into this trail

2255

01:18:45,110 --> 01:18:44,239

which they're very familiar with heading

2256

01:18:46,870 --> 01:18:45,120

for the spot where they were going to

2257

01:18:48,229 --> 01:18:46,880

camp for the night and set up

2258

01:18:51,189 --> 01:18:48,239

and they just stopped dead in their

2259

01:18:53,510 --> 01:18:51,199

tracks and the same thing

2260

01:18:55,030 --> 01:18:53,520

they got the same feeling of we

2261

01:18:55,430 --> 01:18:55,040

shouldn't be here right now we need to

2262

01:18:59,030 --> 01:18:55,440

leave

2263

01:19:01,830 --> 01:18:59,040

now and they turned around left

2264

01:19:02,390 --> 01:19:01,840

so um they've never seen anything like

2265

01:19:04,870 --> 01:19:02,400

you know

2266

01:19:06,470 --> 01:19:04,880

no creatures or anything like that the

2267

01:19:06,870 --> 01:19:06,480

guy said the biggest thing they ever saw

2268

01:19:08,950 --> 01:19:06,880

there

2269

01:19:11,189 --> 01:19:08,960

uh they ran into a badger one time or

2270

01:19:13,910 --> 01:19:11,199

something and he said that was enough

2271

01:19:15,350 --> 01:19:13,920

he said you know they said we never even

2272

01:19:16,390 --> 01:19:15,360

saw a snake in the whole time we've been

2273

01:19:19,430 --> 01:19:16,400

going up there which was

2274

01:19:21,669 --> 01:19:19,440

many years since they were boy scouts

2275

01:19:22,550 --> 01:19:21,679

but this particular time they got

2276

01:19:26,149 --> 01:19:22,560

stopped

2277

01:19:28,229 --> 01:19:26,159

don't know what was there

2278

01:19:29,510 --> 01:19:28,239

but there was something there that made

2279

01:19:31,510 --> 01:19:29,520

them

2280

01:19:34,870 --> 01:19:31,520

fear for their lives and they turned

2281

01:19:38,149 --> 01:19:34,880

around and bullied

2282

01:19:39,910 --> 01:19:38,159

you know we've we've all discussed this

2283

01:19:42,149 --> 01:19:39,920

this thing in pennsylvania with these

2284

01:19:43,430 --> 01:19:42,159

state game lands and there's so many of

2285

01:19:46,630 --> 01:19:43,440

these small

2286

01:19:48,310 --> 01:19:46,640

areas within the state and of course

2287

01:19:51,110 --> 01:19:48,320

pennsylvania

2288

01:19:52,550 --> 01:19:51,120

overall is got some pretty strange

2289

01:19:54,709 --> 01:19:52,560

phenomena

2290

01:19:57,189 --> 01:19:54,719

uh going on people see a lot of

2291

01:20:00,550 --> 01:19:57,199

different streams a lot of different

2292

01:20:03,990 --> 01:20:00,560

odd things and unexplainable

2293

01:20:05,750 --> 01:20:04,000

unknown things and uh you know i and i

2294

01:20:07,830 --> 01:20:05,760

you and i even talked about that i think

2295

01:20:11,510 --> 01:20:07,840

today we where

2296

01:20:13,669 --> 01:20:11,520

you know these these small areas just

2297

01:20:14,870 --> 01:20:13,679

you know that are marked as state game

2298

01:20:17,990 --> 01:20:14,880

lands what

2299

01:20:21,750 --> 01:20:18,000

it is the state got something going

2300

01:20:24,790 --> 01:20:24,070

you know you've got the kuihana wildlife

2301

01:20:26,229 --> 01:20:24,800

area

2302

01:20:28,070 --> 01:20:26,239

and i think sean's familiar with that

2303

01:20:30,149 --> 01:20:28,080

area uh

2304

01:20:32,870 --> 01:20:30,159

where you have a reactor a nuclear

2305

01:20:35,110 --> 01:20:32,880

reactor now it's defunct and it's been

2306

01:20:36,310 --> 01:20:35,120

you know demobilized and evidently

2307

01:20:40,070 --> 01:20:36,320

cleaned up

2308

01:20:40,870 --> 01:20:40,080

but uh that is sitting in a state game

2309

01:20:43,270 --> 01:20:40,880

lands

2310

01:20:45,189 --> 01:20:43,280

now the wildlife area is huge i mean

2311

01:20:48,149 --> 01:20:45,199

it's i forget how many

2312

01:20:49,189 --> 01:20:48,159

thousands and thousands of acres it is

2313

01:20:51,510 --> 01:20:49,199

but

2314

01:20:53,830 --> 01:20:51,520

right smack in the middle of this thing

2315

01:20:57,030 --> 01:20:53,840

on state game lands 34

2316

01:21:00,790 --> 01:20:57,040

and it's still a restricted area is

2317

01:21:03,990 --> 01:21:00,800

a nuclear reactor and

2318

01:21:04,870 --> 01:21:04,000

uh when i saw that that just totally

2319

01:21:08,149 --> 01:21:04,880

blew my mind

2320

01:21:09,510 --> 01:21:08,159

and uh what it was

2321

01:21:11,110 --> 01:21:09,520

and it was huge i mean i got some

2322

01:21:12,709 --> 01:21:11,120

overhead pictures of it when it was

2323

01:21:16,870 --> 01:21:12,719

brand new and it's i mean

2324

01:21:19,030 --> 01:21:16,880

this place is huge and um

2325

01:21:20,709 --> 01:21:19,040

it was a cold water reactor and it was

2326

01:21:24,950 --> 01:21:20,719

actually put up there

2327

01:21:28,310 --> 01:21:24,960

to um it was a

2328

01:21:31,590 --> 01:21:28,320

piper cub was developing

2329

01:21:35,910 --> 01:21:31,600

a nuclear engine for

2330

01:21:39,030 --> 01:21:35,920

um small planes private planes

2331

01:21:40,470 --> 01:21:39,040

and i'm thinking well you know why

2332

01:21:42,950 --> 01:21:40,480

didn't they just take it up and put it

2333

01:21:47,510 --> 01:21:42,960

up here piper's

2334

01:21:51,350 --> 01:21:47,520

plant which is up in that area lockhaven

2335

01:21:53,750 --> 01:21:51,360

and they didn't and um

2336

01:21:56,149 --> 01:21:53,760

they built this thing and it the state

2337

01:21:57,910 --> 01:21:56,159

constructed it actually and cost 1.6

2338

01:22:01,990 --> 01:21:57,920

million back then

2339

01:22:04,149 --> 01:22:02,000

and um they actually talked about it in

2340

01:22:06,870 --> 01:22:04,159

53

2341

01:22:07,830 --> 01:22:06,880

and then the land was purchased by

2342

01:22:12,390 --> 01:22:07,840

curtis wright

2343

01:22:15,669 --> 01:22:12,400

and it's 24 square miles

2344

01:22:16,070 --> 01:22:15,679

uh the actual uh area that was cleared

2345

01:22:19,510 --> 01:22:16,080

out and

2346

01:22:21,669 --> 01:22:19,520

it was all done by a um

2347

01:22:27,990 --> 01:22:21,679

well what they call themselves uh if i

2348

01:22:32,470 --> 01:22:30,870

it was run by the state uh uh you know a

2349

01:22:34,629 --> 01:22:32,480

bunch of out-of-work people were given a

2350

01:22:37,910 --> 01:22:34,639

job to do it and they did it

2351

01:22:39,030 --> 01:22:37,920

but you know by 1960 the air force

2352

01:22:40,390 --> 01:22:39,040

decided they were going to go through

2353

01:22:42,709 --> 01:22:40,400

with this and they really wanted

2354

01:22:44,149 --> 01:22:42,719

nuclear-powered aircraft

2355

01:22:45,430 --> 01:22:44,159

which stan friedman has talked about

2356

01:22:46,870 --> 01:22:45,440

many times a matter of fact he even

2357

01:22:50,070 --> 01:22:46,880

worked on it

2358

01:22:53,750 --> 01:22:50,080

so uh the air force and curtis wright in

2359

01:22:55,750 --> 01:22:53,760

on in august of 60

2360

01:22:57,510 --> 01:22:55,760

said they were going to donate the site

2361

01:23:00,550 --> 01:22:57,520

to the pence to penn state

2362

01:23:01,350 --> 01:23:00,560

and was selling um one of their

2363

01:23:04,070 --> 01:23:01,360

divisions

2364

01:23:05,669 --> 01:23:04,080

with 235 employees who automatically

2365

01:23:09,430 --> 01:23:05,679

lost their jobs

2366

01:23:12,629 --> 01:23:09,440

and uh it turned out to be

2367

01:23:15,030 --> 01:23:12,639

that was kind of a farce that they were

2368

01:23:16,390 --> 01:23:15,040

going to build that facility

2369

01:23:17,990 --> 01:23:16,400

but nobody knew it was going to be a

2370

01:23:18,790 --> 01:23:18,000

nuclear facility they just said it was

2371

01:23:20,229 --> 01:23:18,800

like a

2372

01:23:21,910 --> 01:23:20,239

cure cure-on-phone division that they

2373

01:23:23,590 --> 01:23:21,920

were going to build

2374

01:23:25,910 --> 01:23:23,600

and they did what they did was they

2375

01:23:27,350 --> 01:23:25,920

built the nuclear reactor

2376

01:23:29,750 --> 01:23:27,360

and the facility was going to be built

2377

01:23:32,310 --> 01:23:29,760

for research and training

2378

01:23:33,110 --> 01:23:32,320

and it was in curtis wright and piper

2379

01:23:35,510 --> 01:23:33,120

and

2380

01:23:37,030 --> 01:23:35,520

the us air force built this facility up

2381

01:23:40,390 --> 01:23:37,040

there

2382

01:23:41,590 --> 01:23:40,400

and it was

2383

01:23:43,750 --> 01:23:41,600

it's amazing when you look at the

2384

01:23:47,910 --> 01:23:43,760

overhead picture these places

2385

01:23:49,110 --> 01:23:47,920

you know curtis wright actually paid

2386

01:23:52,229 --> 01:23:49,120

pennsylvania

2387

01:23:55,669 --> 01:23:52,239

to lease like 42 500

2388

01:23:57,750 --> 01:23:55,679

acres so that gives you

2389

01:24:00,830 --> 01:23:57,760

the kind of size and the power lines

2390

01:24:03,430 --> 01:24:00,840

that ran into this place

2391

01:24:05,110 --> 01:24:03,440

were oh my god they were phenomenal

2392

01:24:06,709 --> 01:24:05,120

they actually built roads to bring the

2393

01:24:08,149 --> 01:24:06,719

power lines in because the power lines

2394

01:24:09,510 --> 01:24:08,159

couldn't be put on poles they were too

2395

01:24:10,550 --> 01:24:09,520

heavy they had to be mounted on the

2396

01:24:13,350 --> 01:24:10,560

ground

2397

01:24:15,990 --> 01:24:13,360

wow so the amount of power that that

2398

01:24:20,790 --> 01:24:16,000

thing was using

2399

01:24:27,990 --> 01:24:24,709

it was just amazing

2400

01:24:29,430 --> 01:24:28,000

and but why would you put a cold water

2401

01:24:31,430 --> 01:24:29,440

nuclear reactor

2402

01:24:32,870 --> 01:24:31,440

in the middle of a state game land

2403

01:24:34,950 --> 01:24:32,880

that's just it i mean

2404

01:24:36,390 --> 01:24:34,960

you know you could have done that you

2405

01:24:36,950 --> 01:24:36,400

know you could have done that at any

2406

01:24:40,709 --> 01:24:36,960

airport

2407

01:24:44,709 --> 01:24:40,719

or at piper's plant

2408

01:24:47,110 --> 01:24:44,719

any place like that but in 1993

2409

01:24:48,950 --> 01:24:47,120

here was the bugaboo that really put the

2410

01:24:50,629 --> 01:24:48,960

clamps on it

2411

01:24:53,750 --> 01:24:50,639

that place was contaminated with

2412

01:24:58,950 --> 01:24:57,030

and strodium 90 if

2413

01:25:00,229 --> 01:24:58,960

anybody knows anything about that you

2414

01:25:01,830 --> 01:25:00,239

don't have to get

2415

01:25:03,669 --> 01:25:01,840

you don't have to touch that just be in

2416

01:25:05,510 --> 01:25:03,679

the same room with it yeah

2417

01:25:06,790 --> 01:25:05,520

and you're not going to go very far you

2418

01:25:08,709 --> 01:25:06,800

may get to your car

2419

01:25:09,910 --> 01:25:08,719

and you may get the ignition turned on

2420

01:25:11,990 --> 01:25:09,920

and that's pretty much all you're going

2421

01:25:15,830 --> 01:25:12,000

to get done

2422

01:25:16,950 --> 01:25:15,840

and then they estimated by 2006 when

2423

01:25:19,910 --> 01:25:16,960

they cleaned up it's going to cost

2424

01:25:21,510 --> 01:25:19,920

30 million dollars and i don't know

2425

01:25:23,590 --> 01:25:21,520

doesn't really tell you who paid that

2426
01:25:25,430 --> 01:25:23,600
if the state picked it up or the feds

2427
01:25:27,750 --> 01:25:25,440
picked it up but

2428
01:25:29,510 --> 01:25:27,760
until this day it's still con the

2429
01:25:31,350 --> 01:25:29,520
contamination is just

2430
01:25:33,030 --> 01:25:31,360
it's still there i mean it's still a

2431
01:25:35,030 --> 01:25:33,040
contaminated area

2432
01:25:36,550 --> 01:25:35,040
well i don't know if you were aware of

2433
01:25:39,110 --> 01:25:36,560
this or not but i was just talking to

2434
01:25:42,390 --> 01:25:39,120
lon last week that they

2435
01:25:43,669 --> 01:25:42,400
we're storing uh radioactive materials

2436
01:25:47,270 --> 01:25:43,679
radioactive waste

2437
01:25:49,910 --> 01:25:47,280
at uh state game lands 252. oh brother

2438
01:25:50,950 --> 01:25:49,920

alan what out there behind the prison uh

2439

01:25:52,790 --> 01:25:50,960

why would they do that

2440

01:25:53,990 --> 01:25:52,800

i don't know but that's an area you know

2441

01:25:57,350 --> 01:25:54,000

i frequent for

2442

01:26:01,510 --> 01:25:57,360

uh investigating now is that near alvaro

2443

01:26:04,310 --> 01:26:01,520

yeah that is elvira huh

2444

01:26:06,310 --> 01:26:04,320

now are they using the are they stored

2445

01:26:08,550 --> 01:26:06,320

in the old uh bunkers

2446

01:26:09,750 --> 01:26:08,560

or are they just burying it well and i

2447

01:26:11,110 --> 01:26:09,760

don't know i need to get some more

2448

01:26:12,870 --> 01:26:11,120

specifics because there are a lot of

2449

01:26:14,709 --> 01:26:12,880

bunkers out there that are sealed that

2450

01:26:16,310 --> 01:26:14,719

are locked that you can't get into

2451

01:26:17,990 --> 01:26:16,320

i know there's a couple open but most of

2452

01:26:19,189 --> 01:26:18,000

them are welded shut quite a few but

2453

01:26:19,990 --> 01:26:19,199

there are a decent amount that are open

2454

01:26:23,110 --> 01:26:20,000

but there are

2455

01:26:24,629 --> 01:26:23,120

many that are sealed shut and uh

2456

01:26:26,390 --> 01:26:24,639

that really interests me because you

2457

01:26:29,430 --> 01:26:26,400

know like you know i spent a lot of time

2458

01:26:32,629 --> 01:26:31,669

now that was just reported not too long

2459

01:26:35,110 --> 01:26:32,639

ago

2460

01:26:36,070 --> 01:26:35,120

some of the some of the people really

2461

01:26:37,590 --> 01:26:36,080

complained and

2462

01:26:40,229 --> 01:26:37,600

lost their minds when they found out

2463

01:26:42,149 --> 01:26:40,239

that when they did this cleanup

2464

01:26:44,470 --> 01:26:42,159

they were basically burying hundreds of

2465

01:26:46,070 --> 01:26:44,480

drums with unknown waste from that

2466

01:26:47,910 --> 01:26:46,080

facility

2467

01:26:49,590 --> 01:26:47,920

and they say you can still see the

2468

01:26:55,110 --> 01:26:49,600

trench which they say is

2469

01:27:00,470 --> 01:26:58,709

25 foot trenches and

2470

01:27:02,229 --> 01:27:00,480

12 feet deep and that's what they were

2471

01:27:05,350 --> 01:27:02,239

putting this waste in

2472

01:27:07,510 --> 01:27:05,360

and a lot of us besides the strontium 90

2473

01:27:10,790 --> 01:27:07,520

there was like beryllium oxide

2474

01:27:11,910 --> 01:27:10,800

all other kinds of toxic compounds and

2475

01:27:13,430 --> 01:27:11,920

you know people were worried about it

2476
01:27:14,870 --> 01:27:13,440
getting into the groundwater and they

2477
01:27:16,470 --> 01:27:14,880
said well that'll never happen well we

2478
01:27:19,590 --> 01:27:16,480
know how that works

2479
01:27:22,310 --> 01:27:19,600
and um but they still do

2480
01:27:24,229 --> 01:27:22,320
geology studies um i think it's once

2481
01:27:27,590 --> 01:27:24,239
every other year i read

2482
01:27:30,790 --> 01:27:27,600
but they did find some um

2483
01:27:33,910 --> 01:27:30,800
the last they found was in 2007

2484
01:27:34,470 --> 01:27:33,920
which they dug up and just reburied is

2485
01:27:37,110 --> 01:27:34,480
all they did

2486
01:27:39,189 --> 01:27:37,120
i mean it wasn't removed from the site

2487
01:27:42,310 --> 01:27:39,199
but it was in operation

2488
01:27:45,590 --> 01:27:42,320

from 67 to 71 and then

2489

01:27:48,070 --> 01:27:45,600

71 it geared up and

2490

01:27:49,830 --> 01:27:48,080

took on more and that's when they

2491

01:27:54,390 --> 01:27:49,840

started messing with the strodium 90

2492

01:27:58,470 --> 01:27:56,870

so if anybody ventures in there i

2493

01:28:01,669 --> 01:27:58,480

wouldn't you know bring anything home as

2494

01:28:04,870 --> 01:28:01,679

a souvenir

2495

01:28:07,110 --> 01:28:04,880

no i i don't think so

2496

01:28:08,470 --> 01:28:07,120

you know anybody that go in there

2497

01:28:10,229 --> 01:28:08,480

without a geiger counter in their hand

2498

01:28:12,629 --> 01:28:10,239

to be a fool

2499

01:28:13,350 --> 01:28:12,639

because starting 90 i mean if you

2500

01:28:15,590 --> 01:28:13,360

remember just

2501
01:28:17,430 --> 01:28:15,600
a couple years ago that russian spy that

2502
01:28:19,669 --> 01:28:17,440
was killed over in england

2503
01:28:21,750 --> 01:28:19,679
he was assassinated that guy poked him

2504
01:28:24,950 --> 01:28:21,760
in the leg with an umbrella

2505
01:28:28,550 --> 01:28:26,830
it killed him in what two and a half

2506
01:28:32,229 --> 01:28:28,560
months painfully again

2507
01:28:36,390 --> 01:28:32,239
yeah very painfully so uh

2508
01:28:38,390 --> 01:28:36,400
you know but why in a state game lands

2509
01:28:39,510 --> 01:28:38,400
and there's no military bases around

2510
01:28:42,070 --> 01:28:39,520
there

2511
01:28:43,030 --> 01:28:42,080
at all not even a reserve center but

2512
01:28:45,189 --> 01:28:43,040
there have been

2513
01:28:46,629 --> 01:28:45,199

reports of military personnel seen in

2514

01:28:50,070 --> 01:28:46,639

that area

2515

01:28:50,870 --> 01:28:50,080

in full combat gear what would they be

2516

01:28:55,910 --> 01:28:50,880

doing there

2517

01:28:58,070 --> 01:28:55,920

just going out for a walk yeah on bear

2518

01:28:59,110 --> 01:28:58,080

got a full automatic weapon

2519

01:29:02,310 --> 01:28:59,120

well i'm going to tell you guys

2520

01:29:03,990 --> 01:29:02,320

something one night we were out at 2 52.

2521

01:29:06,070 --> 01:29:04,000

a couple of the guys from the keystone

2522

01:29:08,390 --> 01:29:06,080

bigfoot project and my uncle

2523

01:29:10,229 --> 01:29:08,400

all went out for an evening walk we had

2524

01:29:13,590 --> 01:29:10,239

split off and i got on the radio

2525

01:29:13,990 --> 01:29:13,600

that these guys had lasers pointed at

2526

01:29:17,110 --> 01:29:14,000

them

2527

01:29:20,629 --> 01:29:17,120

they observed four men in all black

2528

01:29:23,669 --> 01:29:20,639

uh all black gear black military

2529

01:29:25,110 --> 01:29:23,679

style boots high-powered rifles

2530

01:29:27,030 --> 01:29:25,120

and they had the lasers trained on them

2531

01:29:29,750 --> 01:29:27,040

and as they approached them uh

2532

01:29:31,110 --> 01:29:29,760

the gentleman were sort of a passive

2533

01:29:32,390 --> 01:29:31,120

aggressive about what they were doing

2534

01:29:33,189 --> 01:29:32,400

out there they didn't want to answer any

2535

01:29:35,590 --> 01:29:33,199

questions

2536

01:29:37,270 --> 01:29:35,600

so we had joined up and i and i had run

2537

01:29:38,870 --> 01:29:37,280

up to the front of the guys and started

2538

01:29:40,790 --> 01:29:38,880

introducing myself and talking to them

2539

01:29:42,550 --> 01:29:40,800

and they weren't really

2540

01:29:43,910 --> 01:29:42,560

engaged with us trying to figure out

2541

01:29:45,350 --> 01:29:43,920

what we were doing we asked whether they

2542

01:29:46,709 --> 01:29:45,360

heard some strange sounds and they said

2543

01:29:49,110 --> 01:29:46,719

they were out there

2544

01:29:51,030 --> 01:29:49,120

blasting their hunting coyotes is what

2545

01:29:52,790 --> 01:29:51,040

they were doing

2546

01:29:53,830 --> 01:29:52,800

the old hunting coyote play yeah well

2547

01:29:55,669 --> 01:29:53,840

let me tell you i don't know what kind

2548

01:29:56,870 --> 01:29:55,679

of hunting coyotes they were doing out

2549

01:30:00,229 --> 01:29:56,880

there but these guys

2550

01:30:02,310 --> 01:30:00,239

look professional they were precision

2551
01:30:03,750 --> 01:30:02,320
they were definitely outfitted for the

2552
01:30:05,270 --> 01:30:03,760
job and i'll get you

2553
01:30:06,870 --> 01:30:05,280
six seven witnesses that'll tell you

2554
01:30:08,709 --> 01:30:06,880
they saw the exact same thing i did they

2555
01:30:10,790 --> 01:30:08,719
were there with me that night

2556
01:30:12,550 --> 01:30:10,800
and we don't know what they were up to

2557
01:30:14,870 --> 01:30:12,560
we had all they were going towards an

2558
01:30:16,709 --> 01:30:14,880
area where we had heard some pretty

2559
01:30:18,149 --> 01:30:16,719
awkward sounds coming from earlier in

2560
01:30:21,430 --> 01:30:18,159
that night an area behind a little

2561
01:30:22,629 --> 01:30:21,440
like man-made dam behind a lake out that

2562
01:30:24,870 --> 01:30:22,639
way we heard some

2563
01:30:26,229 --> 01:30:24,880

very interesting calls out that way we

2564

01:30:27,510 --> 01:30:26,239

were all heading towards it but we were

2565

01:30:29,030 --> 01:30:27,520

taking different areas

2566

01:30:31,110 --> 01:30:29,040

you know different routes to see if we

2567

01:30:32,070 --> 01:30:31,120

could you know pick up something on the

2568

01:30:35,110 --> 01:30:32,080

way in there

2569

01:30:36,470 --> 01:30:35,120

and my uh it would be my second team uh

2570

01:30:37,990 --> 01:30:36,480

that they took the route and that's when

2571

01:30:39,510 --> 01:30:38,000

they ran into those guys and those guys

2572

01:30:42,310 --> 01:30:39,520

were heading towards the same area we

2573

01:30:42,320 --> 01:30:47,110

it was really interesting well you know

2574

01:30:51,270 --> 01:30:48,709

you know if you run into another hunter

2575

01:30:51,510 --> 01:30:51,280

or another group of bigfoot researchers

2576

01:30:55,030 --> 01:30:51,520

or

2577

01:30:57,030 --> 01:30:55,040

the woods that's not such a big deal

2578

01:30:58,550 --> 01:30:57,040

when you walk into guys like that or

2579

01:31:02,149 --> 01:30:58,560

somebody in full military

2580

01:31:04,629 --> 01:31:02,159

in full combat gear you know

2581

01:31:05,990 --> 01:31:04,639

that kind of raises tackles on my neck i

2582

01:31:10,149 --> 01:31:06,000

get a little nervous

2583

01:31:12,790 --> 01:31:10,159

and um you know

2584

01:31:13,990 --> 01:31:12,800

why that area why that particular area

2585

01:31:16,149 --> 01:31:14,000

we all know

2586

01:31:18,470 --> 01:31:16,159

the history of the area and we know the

2587

01:31:21,990 --> 01:31:18,480

strange sightings in the area

2588

01:31:23,910 --> 01:31:22,000

so what is there that brings these

2589

01:31:26,550 --> 01:31:23,920

fellas out

2590

01:31:27,669 --> 01:31:26,560

and um you know it's just like lon with

2591

01:31:31,189 --> 01:31:27,679

your story down there

2592

01:31:33,270 --> 01:31:31,199

when you saw what you saw and how the

2593

01:31:34,870 --> 01:31:33,280

like you said almost instantaneously the

2594

01:31:36,310 --> 01:31:34,880

police and the military were on that

2595

01:31:40,709 --> 01:31:36,320

site

2596

01:31:45,270 --> 01:31:43,430

this guy with his sighting of a creature

2597

01:31:47,030 --> 01:31:45,280

that he he swears and declares

2598

01:31:48,470 --> 01:31:47,040

was not bigfoot he said this was no

2599

01:31:51,830 --> 01:31:48,480

bigfoot he said

2600

01:31:56,070 --> 01:31:51,840

it was a man he said now muscular

2601
01:31:58,950 --> 01:31:56,080
yes but it was a man he said it it just

2602
01:31:59,510 --> 01:31:58,960
there's no not even close no pointed

2603
01:32:02,310 --> 01:31:59,520
head no

2604
01:32:04,229 --> 01:32:02,320
thick neck no big broad wide shoulders

2605
01:32:06,950 --> 01:32:04,239
no long extended arms no

2606
01:32:08,470 --> 01:32:06,960
stupid looking gait uh this guy just

2607
01:32:09,590 --> 01:32:08,480
walked across like he was crossing the

2608
01:32:12,950 --> 01:32:09,600
street down in

2609
01:32:13,830 --> 01:32:12,960
in on main street in penfield but he was

2610
01:32:16,870 --> 01:32:13,840
big

2611
01:32:20,149 --> 01:32:16,880
he was covered in hair and

2612
01:32:23,669 --> 01:32:20,159
the the protruding jaw snout

2613
01:32:27,110 --> 01:32:23,679

i guess is best way to put that out

2614

01:32:30,550 --> 01:32:27,120

he said was just weird just strange

2615

01:32:33,830 --> 01:32:30,560

and the fact that it never looked at him

2616

01:32:35,750 --> 01:32:33,840

so you know then you get the government

2617

01:32:39,110 --> 01:32:35,760

into play in the same areas

2618

01:32:42,229 --> 01:32:39,120

that these things are happening in

2619

01:32:43,110 --> 01:32:42,239

why you know you get a hot spot in

2620

01:32:44,550 --> 01:32:43,120

ufology

2621

01:32:46,070 --> 01:32:44,560

and you can sit there for five days

2622

01:32:48,629 --> 01:32:46,080

staring at the sky catching flies with

2623

01:32:51,750 --> 01:32:48,639

your mouth open a pair of binoculars

2624

01:32:55,669 --> 01:32:51,760

but you know the last

2625

01:32:56,950 --> 01:32:55,679

venture we were on uh was our yearly

2626

01:32:58,709 --> 01:32:56,960

equipment check we just

2627

01:33:00,950 --> 01:32:58,719

take the van down we unload everything

2628

01:33:02,070 --> 01:33:00,960

set it up like we're on side of a siding

2629

01:33:04,709 --> 01:33:02,080

and we just test everything the

2630

01:33:07,270 --> 01:33:04,719

computers the radios everything

2631

01:33:08,629 --> 01:33:07,280

and we notify them they lock us in to

2632

01:33:09,990 --> 01:33:08,639

the state park

2633

01:33:11,830 --> 01:33:10,000

they tell us they're gonna lock us in

2634

01:33:14,870 --> 01:33:11,840

but they'll have somebody check on us

2635

01:33:17,030 --> 01:33:14,880

and uh she's uh the lady said you know

2636

01:33:18,629 --> 01:33:17,040

uh you may get a state trooper like you

2637

01:33:20,310 --> 01:33:18,639

know once or twice during the night no

2638

01:33:22,470 --> 01:33:20,320

big deal i said no fine you know

2639

01:33:26,390 --> 01:33:22,480

absolutely tell them we have coffee that

2640

01:33:28,709 --> 01:33:26,400

state trooper was there every 45 minutes

2641

01:33:31,270 --> 01:33:28,719

every 45 minutes i could have set my

2642

01:33:35,110 --> 01:33:31,280

watch by him

2643

01:33:36,310 --> 01:33:35,120

and uh the guy who was with me

2644

01:33:38,070 --> 01:33:36,320

you know he said you know i can see his

2645

01:33:39,430 --> 01:33:38,080

taillights go down the road and it's not

2646

01:33:41,750 --> 01:33:39,440

like the taillights disappear it's like

2647

01:33:45,270 --> 01:33:41,760

they get turned off

2648

01:33:46,550 --> 01:33:45,280

and i said well you know he said and the

2649

01:33:47,350 --> 01:33:46,560

last time i was here when i looked down

2650

01:33:48,950 --> 01:33:47,360

that road

2651
01:33:52,070 --> 01:33:48,960
i could see the lights turn on and that

2652
01:33:56,790 --> 01:33:54,550
so we're watching the sky and they're

2653
01:33:59,110 --> 01:33:56,800
watching us

2654
01:34:00,310 --> 01:33:59,120
and then while we're there we're looking

2655
01:34:01,430 --> 01:34:00,320
we have everything cameras and

2656
01:34:04,070 --> 01:34:01,440
everything set up

2657
01:34:05,189 --> 01:34:04,080
looking forward i mean the vans forward

2658
01:34:06,310 --> 01:34:05,199
all the gears forward

2659
01:34:08,149 --> 01:34:06,320
we're not looking behind us we're

2660
01:34:08,629 --> 01:34:08,159
looking forward because it's a nice open

2661
01:34:11,669 --> 01:34:08,639
spot

2662
01:34:13,110 --> 01:34:11,679
no light uh uh intrusion from any big

2663
01:34:15,110 --> 01:34:13,120

city or anything like that

2664

01:34:16,149 --> 01:34:15,120

so we're seeing what we're seeing we're

2665

01:34:17,910 --> 01:34:16,159

you know we're

2666

01:34:19,189 --> 01:34:17,920

elated because we're seeing stuff moving

2667

01:34:22,390 --> 01:34:19,199

all over the place

2668

01:34:25,270 --> 01:34:22,400

he shows up and of course to

2669

01:34:26,870 --> 01:34:25,280

get a cup of coffee for the 15th time

2670

01:34:28,149 --> 01:34:26,880

and

2671

01:34:30,390 --> 01:34:28,159

out of clear blue he said well what

2672

01:34:31,669 --> 01:34:30,400

about that one and we're looking and he

2673

01:34:33,830 --> 01:34:31,679

says no this one

2674

01:34:36,070 --> 01:34:33,840

and he's behind us he's his car is

2675

01:34:38,390 --> 01:34:36,080

parked on the road we're off the road

2676
01:34:40,070 --> 01:34:38,400
and we look and there's one coming

2677
01:34:42,790 --> 01:34:40,080
across and it does stops

2678
01:34:44,870 --> 01:34:42,800
and does like a u dive comes up and

2679
01:34:46,470 --> 01:34:44,880
continues on its way then zigzags a few

2680
01:34:48,629 --> 01:34:46,480
times and shoot straight up

2681
01:34:50,149 --> 01:34:48,639
and i said you see that stuff often he

2682
01:34:51,510 --> 01:34:50,159
says oh all the time

2683
01:34:53,590 --> 01:34:51,520
he said we've had him come down to the

2684
01:34:57,830 --> 01:34:53,600
ground i said

2685
01:35:01,109 --> 01:34:57,840
really he says he says no big deal

2686
01:35:01,750 --> 01:35:01,119
so i started talking to him and back and

2687
01:35:06,149 --> 01:35:01,760
forth and

2688
01:35:09,270 --> 01:35:07,750

he said i said you know you live around

2689

01:35:10,229 --> 01:35:09,280

here are you close what barracks you out

2690

01:35:11,590 --> 01:35:10,239

of he said i

2691

01:35:13,669 --> 01:35:11,600

work down here he said but i live up to

2692

01:35:13,990 --> 01:35:13,679

state college he said we see that stuff

2693

01:35:17,350 --> 01:35:14,000

up there

2694

01:35:18,709 --> 01:35:17,360

all the time i said well how come you

2695

01:35:20,709 --> 01:35:18,719

guys don't report it

2696

01:35:22,870 --> 01:35:20,719

he said who's going to believe me i said

2697

01:35:23,990 --> 01:35:22,880

i believe you i just saw it

2698

01:35:27,510 --> 01:35:24,000

i said so you're going to make an

2699

01:35:30,790 --> 01:35:27,520

instant report about this he went no way

2700

01:35:32,470 --> 01:35:30,800

i went okay so this

2701
01:35:34,629 --> 01:35:32,480
the government no matter whether state

2702
01:35:36,470 --> 01:35:34,639
local or federal

2703
01:35:37,910 --> 01:35:36,480
they know what's going on they know

2704
01:35:41,669 --> 01:35:37,920
where it's going on at

2705
01:35:45,030 --> 01:35:41,679
they know what it is and i'm sure

2706
01:35:48,070 --> 01:35:45,040
that this invisible

2707
01:35:50,470 --> 01:35:48,080
visible creature up there in state

2708
01:35:54,070 --> 01:35:50,480
gambling 331

2709
01:35:57,669 --> 01:35:54,080
is probably well known by those folks

2710
01:36:00,070 --> 01:35:57,679
yeah i'm kind of thinking the same thing

2711
01:36:01,750 --> 01:36:00,080
i know i agree with you i think i'm kind

2712
01:36:04,870 --> 01:36:01,760
of thinking the same way

2713
01:36:08,310 --> 01:36:07,430

you know just the situation itself i

2714

01:36:10,149 --> 01:36:08,320

mean

2715

01:36:11,830 --> 01:36:10,159

and you know when you take all the

2716

01:36:14,550 --> 01:36:11,840

variables involved and

2717

01:36:15,510 --> 01:36:14,560

and people know how the state is well

2718

01:36:17,189 --> 01:36:15,520

you know we're talking about

2719

01:36:19,030 --> 01:36:17,199

pennsylvania but they're all like that

2720

01:36:21,109 --> 01:36:19,040

you know we talk like the you know the

2721

01:36:22,870 --> 01:36:21,119

game commission pennsylvania

2722

01:36:24,229 --> 01:36:22,880

squares up and down there there are no

2723

01:36:25,910 --> 01:36:24,239

big cats in pennsylvania

2724

01:36:27,669 --> 01:36:25,920

but everybody right every once in a

2725

01:36:29,189 --> 01:36:27,679

while somebody'll shoot one or kill one

2726

01:36:32,790 --> 01:36:29,199

or run over one

2727

01:36:34,629 --> 01:36:32,800

and they'll deny it yeah well

2728

01:36:36,229 --> 01:36:34,639

you know i did a piece in our newsletter

2729

01:36:38,470 --> 01:36:36,239

years back

2730

01:36:40,629 --> 01:36:38,480

on the uh the last cougar that allegedly

2731

01:36:42,950 --> 01:36:40,639

was killed in the state of pennsylvania

2732

01:36:44,950 --> 01:36:42,960

and it was like 1896 or something like

2733

01:36:48,229 --> 01:36:44,960

that a female

2734

01:36:50,070 --> 01:36:48,239

was shot by a minor uh down by a creek

2735

01:36:52,070 --> 01:36:50,080

where she was drinking

2736

01:36:53,350 --> 01:36:52,080

and her carcass is actually stuffed and

2737

01:36:55,990 --> 01:36:53,360

it's in the pennsylvania historical

2738

01:36:59,109 --> 01:36:56,000

society up in harrisburg

2739

01:37:02,550 --> 01:37:01,030

from that point i mean you can you can

2740

01:37:04,950 --> 01:37:02,560

document uh

2741

01:37:06,470 --> 01:37:04,960

all the all the cases of cougar

2742

01:37:07,910 --> 01:37:06,480

sightings and panther sightings in

2743

01:37:10,310 --> 01:37:07,920

pennsylvania

2744

01:37:12,229 --> 01:37:10,320

all across the state north south east

2745

01:37:15,910 --> 01:37:12,239

west they're everywhere

2746

01:37:19,270 --> 01:37:15,920

and uh pictures of cats large cats with

2747

01:37:21,669 --> 01:37:19,280

long tails and you know muscular

2748

01:37:23,270 --> 01:37:21,679

shoulders and big paws

2749

01:37:24,870 --> 01:37:23,280

that's not tabby that's not the

2750

01:37:27,910 --> 01:37:24,880

neighbor's cat

2751
01:37:29,350 --> 01:37:27,920
you know and we're fortunate enough and

2752
01:37:31,189 --> 01:37:29,360
the guy just passed away a few months

2753
01:37:32,790 --> 01:37:31,199
ago but there was a professor from the

2754
01:37:34,870 --> 01:37:32,800
university of pennsylvania

2755
01:37:36,709 --> 01:37:34,880
who was studying big cats and we were

2756
01:37:40,550 --> 01:37:36,719
given a

2757
01:37:44,070 --> 01:37:40,560
hard deal up at a up in

2758
01:37:47,750 --> 01:37:44,080
schuylkill county two years ago it was a

2759
01:37:51,189 --> 01:37:47,760
set up for orphan dogs and

2760
01:37:52,550 --> 01:37:51,199
dogs that were are you know being kept

2761
01:37:54,390 --> 01:37:52,560
for

2762
01:37:55,830 --> 01:37:54,400
adoption and stuff like that and they

2763
01:37:57,030 --> 01:37:55,840

were looking for donors it was a pretty

2764

01:37:58,310 --> 01:37:57,040

big deal i mean there were a lot of

2765

01:37:59,830 --> 01:37:58,320

vendors there were a lot of they had

2766

01:38:01,590 --> 01:37:59,840

music they had they had all kinds of

2767

01:38:03,189 --> 01:38:01,600

big uh the big foot truck up there they

2768

01:38:04,790 --> 01:38:03,199

had a whole bunch of stuff

2769

01:38:05,990 --> 01:38:04,800

this guy walked over and he stayed with

2770

01:38:07,990 --> 01:38:06,000

us for about an hour and a half he

2771

01:38:10,310 --> 01:38:08,000

showed us footprints

2772

01:38:12,310 --> 01:38:10,320

he showed us casts of footprints and and

2773

01:38:14,950 --> 01:38:12,320

then he had comparison casts he said

2774

01:38:15,990 --> 01:38:14,960

this is a cougar and you could the size

2775

01:38:18,870 --> 01:38:16,000

was unbelievable

2776
01:38:19,830 --> 01:38:18,880
he said this is a male coyote and you're

2777
01:38:22,229 --> 01:38:19,840
looking at those two

2778
01:38:24,070 --> 01:38:22,239
two casts and you're going like there

2779
01:38:26,950 --> 01:38:24,080
ain't no way somebody's gonna

2780
01:38:28,790 --> 01:38:26,960
tell me that they saw a coyote and it

2781
01:38:30,310 --> 01:38:28,800
was actually a cougar

2782
01:38:31,990 --> 01:38:30,320
he says no and then you just had this

2783
01:38:34,310 --> 01:38:32,000
cougar what two years ago

2784
01:38:35,189 --> 01:38:34,320
that they they had tagged with a radio

2785
01:38:37,350 --> 01:38:35,199
collar

2786
01:38:39,109 --> 01:38:37,360
and it went from like colorado and it

2787
01:38:40,470 --> 01:38:39,119
got hit up in

2788
01:38:41,990 --> 01:38:40,480

massachusetts or new hampshire or

2789

01:38:43,109 --> 01:38:42,000

something like that i forget i think it

2790

01:38:45,990 --> 01:38:43,119

was

2791

01:38:46,310 --> 01:38:46,000

up in connecticut yeah yeah but it but

2792

01:38:47,669 --> 01:38:46,320

but

2793

01:38:48,950 --> 01:38:47,679

when they showed throughout the way they

2794

01:38:49,990 --> 01:38:48,960

were tracking it it actually went

2795

01:38:50,870 --> 01:38:50,000

through pennsylvania northern

2796

01:38:58,470 --> 01:38:50,880

pennsylvania

2797

01:39:00,950 --> 01:38:58,480

yeah so guys give me a break

2798

01:39:02,070 --> 01:39:00,960

ah yeah i've always had a good laugh out

2799

01:39:04,070 --> 01:39:02,080

of uh

2800

01:39:05,750 --> 01:39:04,080

these state game commissions i swear up

2801
01:39:08,149 --> 01:39:05,760
and down there's no

2802
01:39:10,070 --> 01:39:08,159
big cat they talked about coyotes like

2803
01:39:11,590 --> 01:39:10,080
that for years

2804
01:39:13,669 --> 01:39:11,600
people were seeing you know we were

2805
01:39:16,950 --> 01:39:13,679
seeing coyotes in maryland

2806
01:39:18,870 --> 01:39:16,960
back in the 70s but you know

2807
01:39:20,310 --> 01:39:18,880
they would never acknowledge it they

2808
01:39:21,990 --> 01:39:20,320
still don't like to acknowledge it but

2809
01:39:23,510 --> 01:39:22,000
we see them all the time

2810
01:39:25,030 --> 01:39:23,520
when we were when i was still working

2811
01:39:27,189 --> 01:39:25,040
before i retired i retired three years

2812
01:39:28,790 --> 01:39:27,199
ago when i was still working

2813
01:39:30,229 --> 01:39:28,800

we used to go out back to take a break

2814

01:39:31,990 --> 01:39:30,239

especially when it was nice out you know

2815

01:39:32,709 --> 01:39:32,000

nice summer night and go out and take a

2816

01:39:34,229 --> 01:39:32,719

break and

2817

01:39:35,669 --> 01:39:34,239

take a couple guys and go out there and

2818

01:39:36,709 --> 01:39:35,679

just smoke and shoot the crap and go

2819

01:39:39,510 --> 01:39:36,719

sign the onion

2820

01:39:42,310 --> 01:39:39,520

listen to coyotes howling away for hours

2821

01:39:43,750 --> 01:39:42,320

just carrying on all night long

2822

01:39:45,590 --> 01:39:43,760

so a game commission guy rolled through

2823

01:39:47,510 --> 01:39:45,600

the parking lot one time now

2824

01:39:50,070 --> 01:39:47,520

uh penske corporation is a big campus i

2825

01:39:52,390 --> 01:39:50,080

mean there's 2900 people work there

2826

01:39:54,070 --> 01:39:52,400

but it's like three o'clock in the

2827

01:39:55,669 --> 01:39:54,080

morning that was my shift i had i was a

2828

01:39:59,910 --> 01:39:55,679

supervisor on night shift

2829

01:40:02,550 --> 01:39:59,920

but um we stopped him

2830

01:40:03,510 --> 01:40:02,560

and the coyotes are howling they're

2831

01:40:04,790 --> 01:40:03,520

howling

2832

01:40:06,709 --> 01:40:04,800

and i said did you hear that he went

2833

01:40:09,430 --> 01:40:06,719

here what

2834

01:40:11,109 --> 01:40:09,440

i said are you deaf he said i don't hear

2835

01:40:12,629 --> 01:40:11,119

anything they're howling i mean

2836

01:40:13,830 --> 01:40:12,639

as i'm speaking to him they're howling

2837

01:40:15,270 --> 01:40:13,840

and he's talking to me like i'm some

2838

01:40:18,070 --> 01:40:15,280

kind of nut

2839

01:40:19,270 --> 01:40:18,080

and i went you know what you're a waste

2840

01:40:21,350 --> 01:40:19,280

of breath

2841

01:40:23,030 --> 01:40:21,360

i said you don't hear that and he just

2842

01:40:25,510 --> 01:40:23,040

smiled and he drove off have a nice

2843

01:40:28,629 --> 01:40:25,520

night guys and all he went

2844

01:40:30,229 --> 01:40:28,639

so they're already predisposed like most

2845

01:40:32,229 --> 01:40:30,239

police departments and and law

2846

01:40:32,709 --> 01:40:32,239

enforcement and any type of enforcement

2847

01:40:36,070 --> 01:40:32,719

is

2848

01:40:39,270 --> 01:40:36,080

what you don't want to hear

2849

01:40:40,950 --> 01:40:39,280

yeah but

2850

01:40:45,189 --> 01:40:40,960

as far as that part of the part of

2851
01:40:49,510 --> 01:40:47,590
i think a lot of western pennsylvania

2852
01:40:51,270 --> 01:40:49,520
was active

2853
01:40:53,109 --> 01:40:51,280
up until from what i see up until a

2854
01:40:55,590 --> 01:40:53,119
couple years ago

2855
01:40:57,270 --> 01:40:55,600
maybe three years ago and now a lot of

2856
01:40:59,830 --> 01:40:57,280
the stuff is coming from

2857
01:41:01,430 --> 01:40:59,840
either way northwest like venango and

2858
01:41:03,990 --> 01:41:01,440
erie in that area

2859
01:41:06,229 --> 01:41:04,000
or it's in the middle of the state and

2860
01:41:10,550 --> 01:41:06,239
the northern tier of the state

2861
01:41:13,510 --> 01:41:10,560
and uh the cases are

2862
01:41:16,830 --> 01:41:13,520
a lot better documented uh this the one

2863
01:41:18,709 --> 01:41:16,840

that i'm getting now from venango

2864

01:41:20,550 --> 01:41:18,719

on um

2865

01:41:21,669 --> 01:41:20,560

well i've had two emails so far that

2866

01:41:23,270 --> 01:41:21,679

she's explaining what happened because

2867

01:41:24,790 --> 01:41:23,280

there's multiple sightings with multiple

2868

01:41:28,709 --> 01:41:24,800

witnesses

2869

01:41:30,229 --> 01:41:28,719

and she's seen orbs and i'm gonna

2870

01:41:32,070 --> 01:41:30,239

put it the way she puts it it looks like

2871

01:41:33,270 --> 01:41:32,080

they're fighting with each other

2872

01:41:37,030 --> 01:41:33,280

they're chasing each other they're

2873

01:41:39,669 --> 01:41:37,040

hitting each other and i went like okay

2874

01:41:40,070 --> 01:41:39,679

and she says and the best i can describe

2875

01:41:43,350 --> 01:41:40,080

them

2876

01:41:46,950 --> 01:41:43,360

is it's an orb it's

2877

01:41:48,390 --> 01:41:46,960

a reddish or reddish orange but you can

2878

01:41:49,910 --> 01:41:48,400

see through it it's like almost

2879

01:41:52,229 --> 01:41:49,920

translucent

2880

01:41:53,990 --> 01:41:52,239

and the inside looks like a lava lamp

2881

01:41:55,430 --> 01:41:54,000

from the 60s

2882

01:41:57,750 --> 01:41:55,440

and i laugh because i got one sitting

2883

01:42:01,990 --> 01:41:57,760

here on my desk

2884

01:42:06,709 --> 01:42:04,790

i investigated a case for a canadian

2885

01:42:09,430 --> 01:42:06,719

researcher

2886

01:42:10,470 --> 01:42:09,440

along with him in washington state last

2887

01:42:13,109 --> 01:42:10,480

year

2888

01:42:13,510 --> 01:42:13,119

and the description given to the guy and

2889

01:42:15,510 --> 01:42:13,520

this

2890

01:42:16,470 --> 01:42:15,520

object went right by him six foot off

2891

01:42:17,990 --> 01:42:16,480

the ground he could have reached out and

2892

01:42:20,709 --> 01:42:18,000

touched it

2893

01:42:22,229 --> 01:42:20,719

he described as a reddish orange

2894

01:42:25,590 --> 01:42:22,239

translucent

2895

01:42:27,109 --> 01:42:25,600

uh orb circle ball about the size of a

2896

01:42:29,270 --> 01:42:27,119

large beach ball

2897

01:42:32,390 --> 01:42:29,280

and the interior looked like the inside

2898

01:42:35,270 --> 01:42:32,400

of a lava lamp from the 60s

2899

01:42:37,109 --> 01:42:35,280

and that description has come up many

2900

01:42:39,590 --> 01:42:37,119

times over the years

2901
01:42:40,550 --> 01:42:39,600
of the lava lamp looking translucent red

2902
01:42:43,590 --> 01:42:40,560
or orange

2903
01:42:45,830 --> 01:42:43,600
or they're solid and um

2904
01:42:47,189 --> 01:42:45,840
so she just this afternoon i got the

2905
01:42:48,870 --> 01:42:47,199
coordinates so she gave me the course

2906
01:42:50,390 --> 01:42:48,880
they went out to the gps coordinate of

2907
01:42:51,750 --> 01:42:50,400
the where they saw it

2908
01:42:54,390 --> 01:42:51,760
but there are three other locations so

2909
01:42:57,830 --> 01:42:54,400
i'm going to get those probably tomorrow

2910
01:43:01,189 --> 01:42:57,840
and then um sometime

2911
01:43:02,629 --> 01:43:01,199
um probably this saturday i'm gonna

2912
01:43:03,669 --> 01:43:02,639
drive out and while i'm out there i'm

2913
01:43:05,189 --> 01:43:03,679

gonna go over to hit

2914

01:43:06,950 --> 01:43:05,199

cleveland and see if i can get over to

2915

01:43:11,109 --> 01:43:06,960

cleveland to pick up on their uh

2916

01:43:13,910 --> 01:43:11,119

ufo meeting cleveland ufology group

2917

01:43:14,550 --> 01:43:13,920

they've been there since well 1957 i

2918

01:43:17,030 --> 01:43:14,560

think

2919

01:43:17,830 --> 01:43:17,040

they started way before mufon they're

2920

01:43:19,830 --> 01:43:17,840

the oldest and

2921

01:43:21,189 --> 01:43:19,840

oldest in the world they have the same

2922

01:43:23,030 --> 01:43:21,199

members that started

2923

01:43:25,189 --> 01:43:23,040

well they have a few the same members

2924

01:43:27,750 --> 01:43:25,199

have started back then

2925

01:43:29,750 --> 01:43:27,760

and this is going to be their 52nd year

2926

01:43:32,070 --> 01:43:29,760

i think

2927

01:43:33,910 --> 01:43:32,080

so they're the oldest move on is not the

2928

01:43:35,750 --> 01:43:33,920

oldest they are

2929

01:43:37,189 --> 01:43:35,760

but anyhow i'm going to try to hit them

2930

01:43:40,709 --> 01:43:37,199

too

2931

01:43:42,870 --> 01:43:40,719

so be a lot of driving on saturday

2932

01:43:44,470 --> 01:43:42,880

uh but yeah a lot of strange things

2933

01:43:45,990 --> 01:43:44,480

going on especially up in sean's area

2934

01:43:47,590 --> 01:43:46,000

you know that that whole day

2935

01:43:49,830 --> 01:43:47,600

in dave roberts area that that whole

2936

01:43:52,629 --> 01:43:49,840

area rentalsville and

2937

01:43:53,830 --> 01:43:52,639

state college and du bois and and just

2938

01:43:56,310 --> 01:43:53,840

just that strip

2939

01:43:57,270 --> 01:43:56,320

just really wild well that's why i'm

2940

01:43:59,430 --> 01:43:57,280

hoping we'll get some

2941

01:44:00,550 --> 01:43:59,440

some good information for this round

2942

01:44:03,350 --> 01:44:00,560

table

2943

01:44:04,629 --> 01:44:03,360

and uh that's the you know that's a big

2944

01:44:07,669 --> 01:44:04,639

reason why we're doing it

2945

01:44:09,350 --> 01:44:07,679

and uh you know make everybody aware

2946

01:44:11,350 --> 01:44:09,360

some of the things that are going on in

2947

01:44:13,030 --> 01:44:11,360

the state

2948

01:44:14,790 --> 01:44:13,040

and it's not just it's not just the

2949

01:44:16,629 --> 01:44:14,800

creature reports it's

2950

01:44:19,270 --> 01:44:16,639

everything it's everything i mean it's

2951

01:44:21,669 --> 01:44:19,280

your ufos it's bigfoot it's

2952

01:44:24,790 --> 01:44:21,679

it's strange creatures it's uh

2953

01:44:28,229 --> 01:44:26,550

for some reason another last maybe a

2954

01:44:29,669 --> 01:44:28,239

year and a half there's been so much

2955

01:44:32,870 --> 01:44:29,679

interest in

2956

01:44:34,310 --> 01:44:32,880

indian burial grounds

2957

01:44:35,990 --> 01:44:34,320

we're going to go down to holy

2958

01:44:37,590 --> 01:44:36,000

pennsylvania

2959

01:44:39,189 --> 01:44:37,600

uh as soon as they're done planning

2960

01:44:40,229 --> 01:44:39,199

because we can't get it's just too muddy

2961

01:44:41,350 --> 01:44:40,239

to get through the field and we'd have

2962

01:44:43,270 --> 01:44:41,360

to drive through the field to get to

2963

01:44:46,870 --> 01:44:43,280

this spot but at the end of the property

2964

01:44:49,109 --> 01:44:46,880

it's a 50 acre property and um

2965

01:44:50,310 --> 01:44:49,119

they have uh there was just a huge pile

2966

01:44:51,510 --> 01:44:50,320

of rocks and they never paid much

2967

01:44:53,750 --> 01:44:51,520

attention to it but it was just a big

2968

01:44:55,669 --> 01:44:53,760

pile of rocks just huge rocks

2969

01:44:56,950 --> 01:44:55,679

and the lady said you know think one of

2970

01:44:57,590 --> 01:44:56,960

the old cadillacs you said that's how

2971

01:45:00,709 --> 01:44:57,600

big the

2972

01:45:01,350 --> 01:45:00,719

there's just a bunch of them back there

2973

01:45:03,109 --> 01:45:01,360

but

2974

01:45:04,709 --> 01:45:03,119

one time they got back there i think a

2975

01:45:06,790 --> 01:45:04,719

tractor broke down and they

2976

01:45:08,229 --> 01:45:06,800

it broke down right at that area and

2977

01:45:09,750 --> 01:45:08,239

they kind of went to sit on the rocks to

2978

01:45:10,870 --> 01:45:09,760

wait for somebody to bring gasoline out

2979

01:45:13,109 --> 01:45:10,880

or something

2980

01:45:15,430 --> 01:45:13,119

and uh they noticed that there's all

2981

01:45:19,109 --> 01:45:15,440

kind of markings on these rocks

2982

01:45:20,149 --> 01:45:19,119

and she sent me traces of them paper

2983

01:45:21,910 --> 01:45:20,159

traces

2984

01:45:24,310 --> 01:45:21,920

and when i looked them up they're let it

2985

01:45:27,669 --> 01:45:24,320

be indian markings

2986

01:45:29,030 --> 01:45:27,679

so now the lenape i mean they were all

2987

01:45:31,270 --> 01:45:29,040

over pennsylvania just like the

2988

01:45:33,350 --> 01:45:31,280

susquehanna and everything else but

2989

01:45:35,510 --> 01:45:33,360

i mean we had cherokee in pennsylvania

2990

01:45:38,390 --> 01:45:35,520

but um

2991

01:45:41,990 --> 01:45:38,400

it's just so are we looking at a burial

2992

01:45:44,149 --> 01:45:42,000

ground or some kind of sacred mound or

2993

01:45:45,590 --> 01:45:44,159

something and she said now there is an

2994

01:45:45,990 --> 01:45:45,600

opening she's but i'm not crawling in

2995

01:45:49,189 --> 01:45:46,000

there

2996

01:45:50,470 --> 01:45:49,199

so you know i said well i might not do

2997

01:45:51,750 --> 01:45:50,480

that either but i said i may have

2998

01:45:54,790 --> 01:45:51,760

somebody that might do that

2999

01:45:56,390 --> 01:45:54,800

but i can walk into it a lot smaller a

3000

01:45:59,750 --> 01:45:56,400

lot thinner

3001

01:46:00,149 --> 01:45:59,760

um but so there's there's all kind of

3002

01:46:01,990 --> 01:46:00,159

stuff

3003

01:46:04,390 --> 01:46:02,000

out there and and there's all kind of

3004

01:46:05,750 --> 01:46:04,400

investigations going on

3005

01:46:07,030 --> 01:46:05,760

i'm nothing familiar with what all is

3006

01:46:08,229 --> 01:46:07,040

going on out in the western part of the

3007

01:46:11,270 --> 01:46:08,239

state

3008

01:46:12,470 --> 01:46:11,280

uh but i know around here it's very

3009

01:46:14,950 --> 01:46:12,480

active you know

3010

01:46:15,669 --> 01:46:14,960

in this part of the state and the lower

3011

01:46:19,590 --> 01:46:15,679

end of the state

3012

01:46:20,790 --> 01:46:19,600

down around well gettysburg that's

3013

01:46:22,629 --> 01:46:20,800

i think somebody said it was the most

3014

01:46:24,149 --> 01:46:22,639

haunted spot in the country well

3015

01:46:26,950 --> 01:46:24,159

gettysburg and that

3016

01:46:28,310 --> 01:46:26,960

adam's yorkies speaking of york county

3017

01:46:29,669 --> 01:46:28,320

and lancaster county talk about the

3018

01:46:30,950 --> 01:46:29,679

bigfoot sightings we've been getting

3019

01:46:33,350 --> 01:46:30,960

down there

3020

01:46:34,070 --> 01:46:33,360

i mean we've gotten reports up the yahoo

3021

01:46:36,550 --> 01:46:34,080

for the last

3022

01:46:37,510 --> 01:46:36,560

year so oh definitely it's been lighting

3023

01:46:40,149 --> 01:46:37,520

up like crazy

3024

01:46:41,270 --> 01:46:40,159

nuts i don't know what's going on butch

3025

01:46:42,790 --> 01:46:41,280

lawn but

3026

01:46:44,950 --> 01:46:42,800

some of these areas where we haven't

3027

01:46:46,629 --> 01:46:44,960

gotten anything and i'm thinking maybe

3028

01:46:47,750 --> 01:46:46,639

it's due to some of the fracking going

3029

01:46:50,790 --> 01:46:47,760

on that these guys

3030

01:46:52,550 --> 01:46:50,800

need to get away from it and

3031

01:46:54,149 --> 01:46:52,560

you know you may be onto something there

3032

01:46:57,189 --> 01:46:54,159

because i i

3033

01:46:58,550 --> 01:46:57,199

was looking at some reports this has to

3034

01:47:01,590 --> 01:46:58,560

be three years ago

3035

01:47:03,590 --> 01:47:01,600

uh in uh washington county okay and they

3036

01:47:05,109 --> 01:47:03,600

were hot and heavy i mean there was a

3037

01:47:06,310 --> 01:47:05,119

i'm not gonna say every week but at

3038

01:47:08,229 --> 01:47:06,320

least twice a month there would be a

3039

01:47:10,790 --> 01:47:08,239

report of something

3040

01:47:11,590 --> 01:47:10,800

and when they started tracking about the

3041

01:47:14,070 --> 01:47:11,600

same time

3042

01:47:15,350 --> 01:47:14,080

those reports ceased they're just like

3043

01:47:16,470 --> 01:47:15,360

somebody cut them off

3044

01:47:18,870 --> 01:47:16,480

there's just no reports out of

3045

01:47:21,030 --> 01:47:18,880

washington county at all

3046

01:47:22,470 --> 01:47:21,040

and if one pops up it really is a

3047

01:47:24,229 --> 01:47:22,480

nothing you know it's

3048

01:47:25,910 --> 01:47:24,239

a nothing report which means that you

3049

01:47:27,030 --> 01:47:25,920

can't confirm it you can't get ahold of

3050

01:47:27,669 --> 01:47:27,040

anybody to tell you what happened if

3051

01:47:30,709 --> 01:47:27,679

they just

3052

01:47:33,830 --> 01:47:30,719

put out a blurb and that's it and

3053

01:47:35,030 --> 01:47:33,840

areas where there is no fracking like

3054

01:47:37,910 --> 01:47:35,040

i don't know what you got up in your

3055

01:47:40,470 --> 01:47:37,920

area sean or in fracking wise

3056

01:47:43,030 --> 01:47:40,480

but it just seems like in the areas were

3057

01:47:45,030 --> 01:47:43,040

populated that there's fracking

3058

01:47:46,149 --> 01:47:45,040

it just seems like the state game lands

3059

01:47:49,350 --> 01:47:46,159

now are

3060

01:47:50,629 --> 01:47:49,360

alive with these reports and i don't

3061

01:47:52,390 --> 01:47:50,639

know how many state game lanes we have

3062

01:47:54,470 --> 01:47:52,400

because we have wild areas we have state

3063

01:47:56,629 --> 01:47:54,480

game lands we have preservation areas

3064

01:47:58,149 --> 01:47:56,639

this state is covered with that stuff

3065

01:47:59,030 --> 01:47:58,159

that's what i was saying it's just so

3066

01:48:02,070 --> 01:47:59,040

much

3067

01:48:04,390 --> 01:48:02,080

you know and it's it's it didn't used to

3068

01:48:07,430 --> 01:48:04,400

be like that when i was living up there

3069

01:48:09,109 --> 01:48:07,440

but but over the past 35 years it's like

3070

01:48:10,629 --> 01:48:09,119

you got something popping up everywhere

3071

01:48:12,310 --> 01:48:10,639

i mean you know

3072

01:48:13,990 --> 01:48:12,320

i think i read the other day and i don't

3073

01:48:16,709 --> 01:48:14,000

know if this is true or not

3074

01:48:17,669 --> 01:48:16,719

that there are over 700 protected areas

3075

01:48:19,350 --> 01:48:17,679

in pennsylvania

3076

01:48:21,430 --> 01:48:19,360

yeah there is that's what it is there's

3077

01:48:24,790 --> 01:48:21,440

over seven seven hundred and uh

3078

01:48:26,390 --> 01:48:24,800

uh what i just read it 720 or 721

3079

01:48:28,950 --> 01:48:26,400

protected areas in pennsylvania

3080

01:48:31,510 --> 01:48:28,960

now that includes wild areas now inside

3081

01:48:34,390 --> 01:48:31,520

the wild areas you may have

3082

01:48:36,550 --> 01:48:34,400

five or six state game lands and then

3083

01:48:38,149 --> 01:48:36,560

then you have just state game lands

3084

01:48:40,229 --> 01:48:38,159

and then you have preservation areas

3085

01:48:41,669 --> 01:48:40,239

where you can't hunt you can hike in it

3086

01:48:43,189 --> 01:48:41,679

but you can't do anything else you can

3087

01:48:44,870 --> 01:48:43,199

hike in it you can't camp in it you

3088

01:48:46,149 --> 01:48:44,880

can't go build a bonfire you can't ride

3089

01:48:47,270 --> 01:48:46,159

your motorcycle through it you can't do

3090

01:48:49,030 --> 01:48:47,280

anything you can hike in it

3091

01:48:50,870 --> 01:48:49,040

that's what you're allowed to do and

3092

01:48:53,350 --> 01:48:50,880

those preservation areas

3093

01:48:54,629 --> 01:48:53,360

there must be 40 or 50 of those and

3094

01:48:58,629 --> 01:48:54,639

they're inside of

3095

01:49:01,750 --> 01:48:58,639

wild areas so you got you know

3096

01:49:02,870 --> 01:49:01,760

these areas that probably people haven't

3097

01:49:04,950 --> 01:49:02,880

been in in years

3098

01:49:06,870 --> 01:49:04,960

that's just that's just it you know we

3099

01:49:09,830 --> 01:49:06,880

talk about these cryptic settings

3100

01:49:11,270 --> 01:49:09,840

and albeit you know bigfoot sayings

3101

01:49:13,270 --> 01:49:11,280

who's the same

3102

01:49:14,709 --> 01:49:13,280

areas people have been going in that

3103

01:49:15,589 --> 01:49:14,719

they're not they're not hanging up in

3104

01:49:18,310 --> 01:49:15,599

there

3105

01:49:18,709 --> 01:49:18,320

sure and and you know that that takes me

3106

01:49:21,350 --> 01:49:18,719

to

3107

01:49:24,149 --> 01:49:21,360

my little theory which i've been laughed

3108

01:49:26,950 --> 01:49:24,159

at a couple times for my guys but

3109

01:49:28,149 --> 01:49:26,960

i have a problem somewhere in my mind i

3110

01:49:30,310 --> 01:49:28,159

have this problem

3111

01:49:31,990 --> 01:49:30,320

with people mailing pork chops to trees

3112

01:49:34,229 --> 01:49:32,000

sorry sean

3113

01:49:35,030 --> 01:49:34,239

uh you know throwing out donuts and

3114

01:49:38,709 --> 01:49:35,040

bacon

3115

01:49:41,430 --> 01:49:38,719

and hot dogs and wrapping on trees with

3116

01:49:42,550 --> 01:49:41,440

axes axe handles and screaming top of

3117

01:49:44,149 --> 01:49:42,560

their lungs and running through the

3118

01:49:45,510 --> 01:49:44,159

woods with flaming sticks and all that

3119

01:49:47,589 --> 01:49:45,520

stuff

3120

01:49:48,870 --> 01:49:47,599

and a couple reports and i picked out

3121

01:49:51,510 --> 01:49:48,880

about half a dozen

3122

01:49:53,109 --> 01:49:51,520

just just for my own benefit to show

3123

01:49:56,870 --> 01:49:53,119

that i wasn't really losing it yet

3124

01:49:59,109 --> 01:49:56,880

where a sighting takes place

3125

01:50:01,510 --> 01:49:59,119

and somebody says well it just went over

3126

01:50:03,109 --> 01:50:01,520

this little hill and it disappeared

3127

01:50:04,390 --> 01:50:03,119

okay well there were a couple of those

3128

01:50:05,510 --> 01:50:04,400

and there were some where they just

3129

01:50:06,550 --> 01:50:05,520

disappeared while they were watching

3130

01:50:07,830 --> 01:50:06,560

them and then there's something where

3131

01:50:09,669 --> 01:50:07,840

they just ran off and they

3132

01:50:11,510 --> 01:50:09,679

kind of tried to track them but they

3133

01:50:14,790 --> 01:50:11,520

couldn't track them

3134

01:50:16,550 --> 01:50:14,800

and i'm thinking so okay

3135

01:50:20,629 --> 01:50:16,560

why are we not looking for bigfoot's

3136

01:50:25,189 --> 01:50:23,669

it has to have trash yeah yeah you know

3137

01:50:27,750 --> 01:50:25,199

sean you submitted something that

3138

01:50:29,350 --> 01:50:27,760

me once before didn't you yeah but i

3139

01:50:30,870 --> 01:50:29,360

think uh it was off the

3140

01:50:32,390 --> 01:50:30,880

i i honestly think it was off a

3141

01:50:33,350 --> 01:50:32,400

conversation that we had with butch

3142

01:50:36,709 --> 01:50:33,360

before but oh maybe

3143

01:50:38,629 --> 01:50:36,719

a good point maybe it was

3144

01:50:40,149 --> 01:50:38,639

that sticks in my mind i mean and i i

3145

01:50:41,189 --> 01:50:40,159

thought it was a pretty good idea be

3146

01:50:42,709 --> 01:50:41,199

honest with you

3147

01:50:44,470 --> 01:50:42,719

i mean there has to be trash there has

3148

01:50:46,870 --> 01:50:44,480

to be little ones

3149

01:50:48,070 --> 01:50:46,880

nobody ever sees little ones well bobo

3150

01:50:50,310 --> 01:50:48,080

sees little ones

3151
01:50:52,149 --> 01:50:50,320
but a dog up a tree would be a small

3152
01:50:55,189 --> 01:50:52,159
sasquatch to bobo

3153
01:50:59,510 --> 01:50:55,199
so we have

3154
01:51:05,750 --> 01:51:03,109
and plus the males so

3155
01:51:06,950 --> 01:51:05,760
where do they stay where do they

3156
01:51:09,350 --> 01:51:06,960
congregate

3157
01:51:10,709 --> 01:51:09,360
they need water they don't need fire but

3158
01:51:15,270 --> 01:51:10,719
they need water

3159
01:51:20,629 --> 01:51:18,149
so you know where do they take their nap

3160
01:51:21,350 --> 01:51:20,639
where do they take care of their little

3161
01:51:24,709 --> 01:51:21,360
ones and their

3162
01:51:27,189 --> 01:51:24,719
their families i mean so

3163
01:51:28,229 --> 01:51:27,199

in my opinion we should be looking in

3164

01:51:31,109 --> 01:51:28,239

caves

3165

01:51:32,790 --> 01:51:31,119

um which pennsylvania is loaded with

3166

01:51:36,550 --> 01:51:32,800

them

3167

01:51:38,709 --> 01:51:36,560

caves and um old buildings

3168

01:51:40,070 --> 01:51:38,719

old factories which pennsylvania is

3169

01:51:41,830 --> 01:51:40,080

riddled with especially up in the

3170

01:51:42,709 --> 01:51:41,840

northern end of the town uh northern end

3171

01:51:44,470 --> 01:51:42,719

of the state

3172

01:51:46,149 --> 01:51:44,480

there were shoe factories i found

3173

01:51:48,229 --> 01:51:46,159

abandoned shoe factories clothing

3174

01:51:52,470 --> 01:51:48,239

factories parachute factories

3175

01:51:55,589 --> 01:51:52,480

car part factories um

3176

01:51:59,030 --> 01:51:55,599

pot places that made pots and pans

3177

01:52:00,229 --> 01:51:59,040

dishes glassware and these places have

3178

01:52:02,709 --> 01:52:00,239

been abandoned since

3179

01:52:05,109 --> 01:52:02,719

some of them in the late 1800s and

3180

01:52:07,910 --> 01:52:05,119

they're still there

3181

01:52:08,950 --> 01:52:07,920

so you know you got a factory say and

3182

01:52:10,149 --> 01:52:08,960

then when i started

3183

01:52:11,430 --> 01:52:10,159

pinpointing just a couple of the

3184

01:52:12,870 --> 01:52:11,440

factories i didn't want to get too into

3185

01:52:14,070 --> 01:52:12,880

it because it's going to be a whole lot

3186

01:52:15,589 --> 01:52:14,080

of work for that

3187

01:52:17,109 --> 01:52:15,599

and i really going to need help on that

3188

01:52:19,030 --> 01:52:17,119

but

3189

01:52:21,109 --> 01:52:19,040

i pinpointed a couple of reports and

3190

01:52:22,229 --> 01:52:21,119

just did some overheads and did some

3191

01:52:25,990 --> 01:52:22,239

research

3192

01:52:27,109 --> 01:52:26,000

and i didn't find any with caves close

3193

01:52:30,070 --> 01:52:27,119

by but i found

3194

01:52:31,589 --> 01:52:30,080

three that there were old buildings

3195

01:52:34,310 --> 01:52:31,599

within a mile

3196

01:52:36,790 --> 01:52:34,320

and within a half a mile to a quarter to

3197

01:52:39,990 --> 01:52:36,800

half a mile of those old buildings

3198

01:52:41,109 --> 01:52:40,000

were streams or creeks and in one case a

3199

01:52:45,669 --> 01:52:41,119

river

3200

01:52:47,510 --> 01:52:45,679

so there's the water there's the housing

3201

01:52:49,030 --> 01:52:47,520

we should be looking at that yeah i

3202

01:52:50,950 --> 01:52:49,040

think that i think they very well may

3203

01:52:52,149 --> 01:52:50,960

utilize those old factories

3204

01:52:53,830 --> 01:52:52,159

i mean who's going to go into an old

3205

01:52:54,790 --> 01:52:53,840

factory who would go into an old factory

3206

01:52:58,390 --> 01:52:54,800

looking for bigfoot

3207

01:53:01,270 --> 01:52:58,400

nobody sean well sean might i would

3208

01:53:02,790 --> 01:53:01,280

yeah sean would but but really if you

3209

01:53:03,510 --> 01:53:02,800

you know if you talk to any investigator

3210

01:53:05,430 --> 01:53:03,520

and say uh

3211

01:53:06,870 --> 01:53:05,440

bigfoot invest investigator equipment

3212

01:53:10,390 --> 01:53:06,880

investigators say

3213

01:53:11,750 --> 01:53:10,400

uh well did you have you gone into any

3214

01:53:12,470 --> 01:53:11,760

old factories or anything looking for

3215

01:53:13,589 --> 01:53:12,480

them

3216

01:53:16,550 --> 01:53:13,599

they probably looked at you like you

3217

01:53:19,510 --> 01:53:16,560

were crazy but that makes sense

3218

01:53:21,030 --> 01:53:19,520

but they have to have trash yeah you

3219

01:53:22,790 --> 01:53:21,040

know they're sure not laying a little

3220

01:53:26,709 --> 01:53:22,800

one out in the middle of the woods in a

3221

01:53:28,550 --> 01:53:26,719

in below zero temperatures in the snow

3222

01:53:30,709 --> 01:53:28,560

well this all comes down to my theory

3223

01:53:32,229 --> 01:53:30,719

about trail cams and candy bars and then

3224

01:53:35,430 --> 01:53:32,239

raccoons

3225

01:53:37,189 --> 01:53:35,440

so you put the candy bar out by the

3226

01:53:38,830 --> 01:53:37,199

trail cam and then you see the raccoon

3227

01:53:40,390 --> 01:53:38,840

dating the candy bar you never see the

3228

01:53:42,229 --> 01:53:40,400

bigfoot

3229

01:53:44,070 --> 01:53:42,239

so you know i i think you know i think

3230

01:53:47,030 --> 01:53:44,080

you you're right about that

3231

01:53:48,790 --> 01:53:47,040

i mean the most unexpected places are

3232

01:53:49,589 --> 01:53:48,800

probably the places where you should be

3233

01:53:51,750 --> 01:53:49,599

looking

3234

01:53:53,109 --> 01:53:51,760

yeah and uh yeah you know people say

3235

01:53:54,470 --> 01:53:53,119

well they're really good at hiding you

3236

01:53:55,270 --> 01:53:54,480

know the hide-and-seek champion of the

3237

01:53:57,430 --> 01:53:55,280

world

3238

01:54:00,390 --> 01:53:57,440

no i think they're hiding in plain sight

3239

01:54:02,870 --> 01:54:00,400

that may very well be

3240

01:54:05,189 --> 01:54:02,880

i mean it's just just an opinion and i

3241

01:54:06,870 --> 01:54:05,199

mean it's just a thought and a theory

3242

01:54:08,229 --> 01:54:06,880

but i know that this summer i'm going to

3243

01:54:10,709 --> 01:54:08,239

try it because i found

3244

01:54:12,310 --> 01:54:10,719

two places that had a number of

3245

01:54:15,430 --> 01:54:12,320

sightings and still do

3246

01:54:17,350 --> 01:54:15,440

up in uh in that area and uh

3247

01:54:20,550 --> 01:54:17,360

in those two locations both have old

3248

01:54:23,510 --> 01:54:20,560

buildings one actually has an old town

3249

01:54:25,350 --> 01:54:23,520

and the other place has a building uh

3250

01:54:27,189 --> 01:54:25,360

railroad tracks and an old

3251

01:54:29,030 --> 01:54:27,199

train station all abandoned for many

3252

01:54:34,950 --> 01:54:29,040

many many many years

3253

01:54:39,109 --> 01:54:38,149

well look know i i agree with you and uh

3254

01:54:41,990 --> 01:54:39,119

you know

3255

01:54:42,950 --> 01:54:42,000

going to have to get you come back here

3256

01:54:45,030 --> 01:54:42,960

after we do this

3257

01:54:46,229 --> 01:54:45,040

round table because i'm quite sure we're

3258

01:54:47,990 --> 01:54:46,239

going to have to we're going to have a

3259

01:54:51,910 --> 01:54:48,000

lot of stuff to decide

3260

01:54:53,109 --> 01:54:51,920

over there so i think we have a lot to

3261

01:54:53,990 --> 01:54:53,119

talk about for a long time i think we

3262

01:54:58,070 --> 01:54:54,000

will

3263

01:54:59,990 --> 01:54:58,080

so uh sean you want to wrap this up

3264

01:55:02,470 --> 01:55:00,000

yeah i do but first before we wrap it up

3265

01:55:04,149 --> 01:55:02,480

and again budge thanks for

3266

01:55:05,510 --> 01:55:04,159

coming on to the program i just wanted

3267

01:55:06,709 --> 01:55:05,520

to put something out there for the folks

3268

01:55:09,109 --> 01:55:06,719

who might be listening to the show

3269

01:55:10,629 --> 01:55:09,119

folks you know if you're having a

3270

01:55:12,149 --> 01:55:10,639

problem in life and things aren't going

3271

01:55:13,750 --> 01:55:12,159

right there's other ways to do things

3272

01:55:15,270 --> 01:55:13,760

besides to end it

3273

01:55:16,709 --> 01:55:15,280

and one of the things i'd like to do is

3274

01:55:18,070 --> 01:55:16,719

because we have such a forum lon and

3275

01:55:20,550 --> 01:55:18,080

butch to point out that there is

3276

01:55:22,070 --> 01:55:20,560

someone you can talk to and if you're

3277

01:55:23,350 --> 01:55:22,080

feeling down or you need someone to talk

3278

01:55:24,950 --> 01:55:23,360

to and you having thoughts that just

3279

01:55:28,350 --> 01:55:24,960

don't make you feel right

3280

01:55:29,990 --> 01:55:28,360

the national suicide prevention hotline

3281

01:55:35,990 --> 01:55:30,000

1-800-273-talk

3282

01:55:37,350 --> 01:55:36,000

that's 1-800-2732 1-800-273-8255

3283

01:55:39,189 --> 01:55:37,360

and you'll be rooted to the nearest

3284

01:55:42,149 --> 01:55:39,199

crisis center to receive some immediate

3285

01:55:43,990 --> 01:55:42,159

counseling don't end it folks

3286

01:55:45,430 --> 01:55:44,000

and that's what i want to leave us with

3287

01:55:46,790 --> 01:55:45,440

yeah we want you to come back and listen

3288

01:55:48,149 --> 01:55:46,800

to us that's right yeah we're going to

3289

01:55:53,149 --> 01:55:48,159

have great stories after

3290

01:55:56,030 --> 01:55:54,629

lhs18011.org

3291

01:55:57,669 --> 01:55:56,040

and you can go to the website

3292

01:55:58,830 --> 01:55:57,679

arcane radio.com but give them your

3293

01:56:03,270 --> 01:55:58,840

website

3294

01:56:04,550 --> 01:56:03,280

wwe and they can find us on facebook

3295

01:56:07,030 --> 01:56:04,560

and there you have it folks you've been

3296

01:56:08,709 --> 01:56:07,040

listening to arcane radio shawn forker

3297

01:56:10,390 --> 01:56:08,719

launch dreckler and our good friend
