forker

4
00:00:08,230 --> 00:00:07,600
a little under the weather tonight uh

5
00:00:10,549 --> 00:00:08,240
and i've got

6
00:00:11,589 --> 00:00:10,559
butch and lon on the line with us

7
00:00:14,870 --> 00:00:11,599
gentlemen good evening

8
00:00:16,870 --> 00:00:14,880
how you doing hey what's up

9
00:00:18,310 --> 00:00:16,880
oh you know my blood pressure and

10
00:00:23,269 --> 00:00:18,320
cholesterol you know how it goes

11
00:00:26,550 --> 00:00:23,279
yeah well welcome to the club

12
00:00:27,349 --> 00:00:26,560
i know i feel it well uh you know before

13
00:00:29,109 --> 00:00:27,359

we

14

00:00:31,029 --> 00:00:29,119

get started off here for the evening and

15

00:00:32,229 --> 00:00:31,039

i let you kick it off phantom clowns

16

00:00:34,870 --> 00:00:32,239

still running rampant

17

00:00:36,870 --> 00:00:34,880

across the east coast uh actually in my

18

00:00:37,750 --> 00:00:36,880

hometown of williamsport pennsylvania

19

00:00:40,389 --> 00:00:37,760

where i'm live

20

00:00:41,990 --> 00:00:40,399

in darker day studios by the way uh

21

00:00:43,590 --> 00:00:42,000

there was a clown actually seen in my

22

00:00:45,029 --> 00:00:43,600

aunt's neighborhood it was hiding behind

23

00:00:46,630 --> 00:00:45,039

cars

24

00:00:48,389 --> 00:00:46,640

trying to scare people last night and

25

00:00:50,069 --> 00:00:48,399

apparently uh

26
00:00:51,910 --> 00:00:50,079
another part of pennsylvania somebody

27
00:00:55,350 --> 00:00:51,920
was stabbed

28
00:00:57,590 --> 00:00:55,360
by a person wearing a clown costume

29
00:00:59,349 --> 00:00:57,600
well i tell you what from what i

30
00:01:02,790 --> 00:00:59,359
understand

31
00:01:06,230 --> 00:01:02,800
today uh homeland security are

32
00:01:07,670 --> 00:01:06,240
now involved with this stuff and i think

33
00:01:09,190 --> 00:01:07,680
there's a warning gonna be going out

34
00:01:10,950 --> 00:01:09,200
sometime next couple weeks telling

35
00:01:12,870 --> 00:01:10,960
people do not wear clown suits for

36
00:01:17,190 --> 00:01:12,880
halloween

37
00:01:18,630 --> 00:01:17,200
and uh people are taking seriously i i

38
00:01:21,429 --> 00:01:18,640

happen to look today and

39

00:01:22,630 --> 00:01:21,439

i think they've had reports in 31 states

40

00:01:25,270 --> 00:01:22,640

now

41

00:01:26,789 --> 00:01:25,280

well there was just one of the states

42

00:01:29,830 --> 00:01:26,799

passed a real fast

43

00:01:33,190 --> 00:01:29,840

law you know um that said

44

00:01:36,230 --> 00:01:33,200

you know we catch you it's a felony

45

00:01:38,469 --> 00:01:36,240

jesus christ well you know one of these

46

00:01:40,710 --> 00:01:38,479

one of the pardon the pun one of these

47

00:01:42,950 --> 00:01:40,720

clowns is going to get shot

48

00:01:44,310 --> 00:01:42,960

yeah i mean that's exactly what's going

49

00:01:45,830 --> 00:01:44,320

to happen somebody's going to get hurt

50

00:01:48,469 --> 00:01:45,840

real bad and that'll

51
00:01:49,749 --> 00:01:48,479
i mean you know they're going to jump

52
00:01:51,030 --> 00:01:49,759
somebody and that person is going to

53
00:01:51,749 --> 00:01:51,040
have a concealed carry and it's going to

54
00:01:53,749 --> 00:01:51,759
be all over

55
00:01:55,910 --> 00:01:53,759
i just did i mean i'd be damned i'd be

56
00:01:56,389 --> 00:01:55,920
out there in a clown suit now and you

57
00:01:58,230 --> 00:01:56,399
know

58
00:01:59,830 --> 00:01:58,240
just like being in a bigfoot suit why

59
00:02:02,389 --> 00:01:59,840
the hell would you want to go out there

60
00:02:03,429 --> 00:02:02,399
well you want anybody purposely stir the

61
00:02:05,749 --> 00:02:03,439
crap and

62
00:02:06,630 --> 00:02:05,759
somebody's going to get trigger happy

63
00:02:09,430 --> 00:02:06,640

and

64

00:02:09,910 --> 00:02:09,440

boom there's a one dead bozo pun

65

00:02:12,550 --> 00:02:09,920

intended

66

00:02:13,589 --> 00:02:12,560

one dead bozo so that's what we're all

67

00:02:15,270 --> 00:02:13,599

with that i just wanted to

68

00:02:17,830 --> 00:02:15,280

update our listeners that the phantom

69

00:02:22,630 --> 00:02:17,840

clown is now becoming the phantom menace

70

00:02:24,229 --> 00:02:22,640

and uh not directed by george lucas

71

00:02:25,830 --> 00:02:24,239

well the last guy that did that uh

72

00:02:27,190 --> 00:02:25,840

bigfoot suit didn't work out too well

73

00:02:28,470 --> 00:02:27,200

when he jumped out from a truck trying

74

00:02:31,030 --> 00:02:28,480

to spare the driver

75

00:02:33,190 --> 00:02:31,040

yeah i was in oregon got killed so this

76
00:02:36,390 --> 00:02:33,200
is what these pranks do guys these guys

77
00:02:37,990 --> 00:02:36,400
they get themselves all jocked up and uh

78
00:02:39,190 --> 00:02:38,000
liquid couraged or whatever it is the

79
00:02:40,790 --> 00:02:39,200
hell they're doing and they're being

80
00:02:42,070 --> 00:02:40,800
jackasses and going out there all

81
00:02:44,470 --> 00:02:42,080
willy-nilly and they're going to get

82
00:02:46,150 --> 00:02:44,480
themselves lined up for a uh

83
00:02:48,869 --> 00:02:46,160
a good old-fashioned killer because

84
00:02:50,309 --> 00:02:48,879
that's uh what we're seeing

85
00:02:51,910 --> 00:02:50,319
people are going to take this too far

86
00:02:53,670 --> 00:02:51,920
and i have no idea what it is i guess

87
00:02:55,589 --> 00:02:53,680
there's no explanation for it what you

88
00:02:57,190 --> 00:02:55,599

have is probably somebody

89

00:02:58,949 --> 00:02:57,200

starting a trend you know going out

90

00:03:00,790 --> 00:02:58,959

there and and being silly

91

00:03:02,470 --> 00:03:00,800

or maybe perhaps for some viral

92

00:03:03,830 --> 00:03:02,480

marketing and when people realize this

93

00:03:06,070 --> 00:03:03,840

was getting out of hand they're like oh

94

00:03:08,070 --> 00:03:06,080

let's stop this marketing campaign

95

00:03:09,830 --> 00:03:08,080

and then some real mentally ill people

96

00:03:11,430 --> 00:03:09,840

are out there like hey let's keep going

97

00:03:14,229 --> 00:03:11,440

and now let's kick it up a notch

98

00:03:15,910 --> 00:03:14,239

bam now you've got this crazy clown

99

00:03:17,509 --> 00:03:15,920

scenario going on

100

00:03:19,350 --> 00:03:17,519

well what happened from what i

101
00:03:22,149 --> 00:03:19,360
understand originally happened there was

102
00:03:23,589 --> 00:03:22,159
a vile campaign the original thing

103
00:03:25,830 --> 00:03:23,599
uh this is the thing that started in

104
00:03:29,030 --> 00:03:25,840
iowa from what i understand

105
00:03:31,830 --> 00:03:29,040
then this these pair got

106
00:03:32,949 --> 00:03:31,840
these two guys that a guy and a girl who

107
00:03:34,710 --> 00:03:32,959
were actual

108
00:03:36,869 --> 00:03:34,720
professional clowns they thought they

109
00:03:38,789 --> 00:03:36,879
were going to get into it and do some

110
00:03:40,949 --> 00:03:38,799
you know do this to advertise their

111
00:03:42,470 --> 00:03:40,959
business and apparently

112
00:03:44,309 --> 00:03:42,480
uh they went out in the woods and

113
00:03:46,070 --> 00:03:44,319

started scaring people

114

00:03:47,589 --> 00:03:46,080

and they thought that was pretty cool

115

00:03:50,710 --> 00:03:47,599

and

116

00:03:51,270 --> 00:03:50,720

you know well surprised so it got in the

117

00:03:54,789 --> 00:03:51,280

news

118

00:03:58,470 --> 00:03:54,799

and then excuse me then you know it got

119

00:04:01,990 --> 00:03:58,480

to where it's at now so

120

00:04:05,509 --> 00:04:02,000

it's just it's just ignorance

121

00:04:06,710 --> 00:04:05,519

well at the end of the day it is what it

122

00:04:08,949 --> 00:04:06,720

is

123

00:04:10,949 --> 00:04:08,959

you gotta learn the hard way we'll have

124

00:04:15,270 --> 00:04:10,959

tulpa clowns out there now and

125

00:04:16,870 --> 00:04:15,280

just like slender man and uh

126

00:04:18,710 --> 00:04:16,880

well you know i i told you i was having

127

00:04:20,390 --> 00:04:18,720

that conversation the other day and i

128

00:04:23,590 --> 00:04:20,400

think we actually had

129

00:04:26,150 --> 00:04:23,600

perhaps offline at uh

130

00:04:27,990 --> 00:04:26,160

earlier in the week that you know who's

131

00:04:28,790 --> 00:04:28,000

to say that some of these aren't a

132

00:04:32,950 --> 00:04:28,800

thought-form

133

00:04:34,790 --> 00:04:32,960

tulpa situation

134

00:04:36,390 --> 00:04:34,800

it may have gone to that i mean i don't

135

00:04:39,430 --> 00:04:36,400

know but i i i

136

00:04:41,189 --> 00:04:39,440

suspect it could be a possibility and uh

137

00:04:42,629 --> 00:04:41,199

well i think it's possible god i mean

138

00:04:48,070 --> 00:04:42,639

some of the stuff that we see

139

00:04:51,350 --> 00:04:48,080

i mean um it's pretty unusual

140

00:04:53,990 --> 00:04:51,360

so well well

141

00:04:54,870 --> 00:04:54,000

what are we going to do that's it just

142

00:04:56,870 --> 00:04:54,880

report on

143

00:04:58,950 --> 00:04:56,880

him keep it going until there's a

144

00:05:01,990 --> 00:04:58,960

resolution to this strange

145

00:05:03,430 --> 00:05:02,000

strange event well work

146

00:05:06,710 --> 00:05:03,440

we've got a we've got an interesting

147

00:05:08,790 --> 00:05:06,720

show tonight and um

148

00:05:11,029 --> 00:05:08,800

it kind of caught well it does

149

00:05:14,070 --> 00:05:11,039

concentrate on an era the area where

150

00:05:16,629 --> 00:05:14,080

butch and i live at in south central pa

151
00:05:18,550 --> 00:05:16,639
uh york lancaster and adams county in

152
00:05:20,070 --> 00:05:18,560
particular now

153
00:05:21,749 --> 00:05:20,080
when people think of adams county they

154
00:05:25,189 --> 00:05:21,759
think of gettysburg and

155
00:05:25,749 --> 00:05:25,199
but this you know this book that timothy

156
00:05:28,230 --> 00:05:25,759
renner

157
00:05:29,749 --> 00:05:28,240
wrote uh has very little to do with

158
00:05:32,150 --> 00:05:29,759
gettysburg

159
00:05:33,990 --> 00:05:32,160
uh has a lot to do with some of the

160
00:05:35,430 --> 00:05:34,000
other weird stuff that's going on in the

161
00:05:38,790 --> 00:05:35,440
other counties

162
00:05:41,510 --> 00:05:38,800
and uh i'm telling you that there has

163
00:05:44,710 --> 00:05:41,520

been a lot going on over years

164

00:05:47,670 --> 00:05:44,720

and he did a he did a very good job of

165

00:05:48,070 --> 00:05:47,680

researching this thing so timothy renner

166

00:05:49,590 --> 00:05:48,080

is

167

00:05:51,189 --> 00:05:49,600

are going to be our guest later on at

168

00:05:53,990 --> 00:05:51,199

the half hour

169

00:05:55,590 --> 00:05:54,000

in the meantime what i'm going to do is

170

00:05:58,629 --> 00:05:55,600

talk about a little bit that

171

00:06:01,909 --> 00:05:58,639

been posted on fans and monsters though

172

00:06:07,270 --> 00:06:01,919

this past week um i was sent this

173

00:06:10,150 --> 00:06:07,280

one is this transcription from

174

00:06:12,790 --> 00:06:10,160

uh radio show where a gentleman by the

175

00:06:14,710 --> 00:06:12,800

name of mickey in kentucky called

176

00:06:16,710 --> 00:06:14,720

into i think it was darkness radio i'm

177

00:06:19,110 --> 00:06:16,720

not quite sure but anyway

178

00:06:21,029 --> 00:06:19,120

he wanted to he said i want to tell

179

00:06:24,070 --> 00:06:21,039

about my experience

180

00:06:25,189 --> 00:06:24,080

it was a 1980 and it was on the 1st of

181

00:06:27,670 --> 00:06:25,199

november

182

00:06:29,189 --> 00:06:27,680

we were out [h__h] hunting one night and

183

00:06:31,990 --> 00:06:29,199

we're on the edge of a

184

00:06:33,749 --> 00:06:32,000

hayfield near the woods we turned our

185

00:06:36,629 --> 00:06:33,759

dogs loose and they took off

186

00:06:38,070 --> 00:06:36,639

me and my uncle were standing there and

187

00:06:40,950 --> 00:06:38,080

we noticed the lightning sky

188

00:06:42,070 --> 00:06:40,960

moving like a triangle it would go to

189

00:06:44,309 --> 00:06:42,080

one quarter and

190

00:06:45,270 --> 00:06:44,319

be red go to the next quarter and be

191

00:06:47,350 --> 00:06:45,280

blue

192

00:06:49,510 --> 00:06:47,360

go to the next corner and be white and

193

00:06:51,749 --> 00:06:49,520

go to the next corner be orange

194

00:06:53,430 --> 00:06:51,759

so we washed it for about 10 minutes and

195

00:06:54,790 --> 00:06:53,440

then went like to the center of this

196

00:06:58,469 --> 00:06:54,800

triangle

197

00:07:01,430 --> 00:06:58,479

like a rectangle

198

00:07:02,150 --> 00:07:01,440

and then this bolt came out of the sky

199

00:07:04,469 --> 00:07:02,160

that hit it

200

00:07:06,550 --> 00:07:04,479

and split it into four different pieces

201
00:07:10,390 --> 00:07:06,560
and took off

202
00:07:12,550 --> 00:07:10,400
now when the bolt

203
00:07:14,710 --> 00:07:12,560
came out of the sky almost like

204
00:07:16,469 --> 00:07:14,720
electricity went through us

205
00:07:18,390 --> 00:07:16,479
all the hair stood up in our arms i

206
00:07:21,110 --> 00:07:18,400
looked at my uncle and i said

207
00:07:23,189 --> 00:07:21,120
what in the world is that he just he was

208
00:07:25,749 --> 00:07:23,199
just standing there completely stiff

209
00:07:27,189 --> 00:07:25,759
his eyes were like glassed over and

210
00:07:29,510 --> 00:07:27,199
black

211
00:07:30,950 --> 00:07:29,520
i grabbed him and shook him he just fell

212
00:07:34,469 --> 00:07:30,960
over and got up

213
00:07:36,390 --> 00:07:34,479

and was asking me what was going on

214

00:07:37,670 --> 00:07:36,400

he remembers nothing about it to this

215

00:07:40,309 --> 00:07:37,680

day

216

00:07:40,870 --> 00:07:40,319

and uh so it's kind of weird because

217

00:07:43,350 --> 00:07:40,880

after

218

00:07:44,469 --> 00:07:43,360

that happened to him he got real

219

00:07:48,469 --> 00:07:44,479

religious

220

00:07:50,950 --> 00:07:48,479

to this day

221

00:07:52,869 --> 00:07:50,960

says he remembers nothing about it

222

00:07:55,510 --> 00:07:52,879

doesn't remember it happening and

223

00:07:58,710 --> 00:07:55,520

like i said his eyes were just like

224

00:08:02,710 --> 00:07:58,720

black orbs in his head

225

00:08:04,390 --> 00:08:02,720

uh now the host asked him

226

00:08:06,230 --> 00:08:04,400

and this was coast to coast it was jimmy

227

00:08:09,909 --> 00:08:06,240

church asked him um

228

00:08:12,150 --> 00:08:09,919

to explain why he went religious and

229

00:08:14,230 --> 00:08:12,160

he said to hear him explain it he thinks

230

00:08:16,869 --> 00:08:14,240

it was a negative experience

231

00:08:18,710 --> 00:08:16,879

that god told him to get religious like

232

00:08:20,469 --> 00:08:18,720

i said i asked him several times what

233

00:08:22,150 --> 00:08:20,479

was going through your head

234

00:08:25,350 --> 00:08:22,160

when you were standing there before you

235

00:08:27,589 --> 00:08:25,360

fell over he says i have no idea

236

00:08:29,510 --> 00:08:27,599

he says i don't know i don't remember

237

00:08:30,469 --> 00:08:29,520

seeing anything i don't remember feeling

238

00:08:39,589 --> 00:08:30,479

anything

239

00:08:42,469 --> 00:08:39,599

uh he i think there were four ufos there

240

00:08:43,750 --> 00:08:42,479

and that lightning bolt or energy beam

241

00:08:46,790 --> 00:08:43,760

or whatever it was

242

00:08:47,350 --> 00:08:46,800

was refueling them they were sitting

243

00:08:50,389 --> 00:08:47,360

there

244

00:08:53,110 --> 00:08:50,399

making that rectangle waiting for

245

00:08:54,230 --> 00:08:53,120

that feeling because as soon as it hit

246

00:08:56,630 --> 00:08:54,240

like i said it was like

247

00:08:58,470 --> 00:08:56,640

we felt it i felt it and boom it was

248

00:08:59,750 --> 00:08:58,480

there was four of them split apart and

249

00:09:03,350 --> 00:08:59,760

they just were gone

250

00:09:06,829 --> 00:09:03,360

in a blink of an eye now this was you

251
00:09:09,670 --> 00:09:06,839
know this was recently on the show

252
00:09:10,470 --> 00:09:09,680
um first of all you gotta be thinking

253
00:09:13,590 --> 00:09:10,480
about

254
00:09:17,590 --> 00:09:13,600
with the black eyes

255
00:09:20,630 --> 00:09:17,600
you know people have been you know

256
00:09:23,590 --> 00:09:20,640
trying to come up with the scenario why

257
00:09:24,630 --> 00:09:23,600
the black guy kids or black-eyed people

258
00:09:27,030 --> 00:09:24,640
i mean is is it

259
00:09:27,750 --> 00:09:27,040
uf i mean connection who knows i don't

260
00:09:31,509 --> 00:09:27,760
know

261
00:09:34,310 --> 00:09:31,519
experiences telling me

262
00:09:36,870 --> 00:09:34,320
that they found religion after ufo and

263
00:09:39,269 --> 00:09:36,880

non-terrestrial encounters as well

264

00:09:41,430 --> 00:09:39,279

many people said that alien beings in

265

00:09:44,870 --> 00:09:41,440

particular higher order aliens

266

00:09:48,230 --> 00:09:44,880

which insectoids and

267

00:09:50,230 --> 00:09:48,240

reptilians have told them that they are

268

00:09:54,389 --> 00:09:50,240

spiritually committed to a supreme

269

00:09:56,150 --> 00:09:54,399

energy um

270

00:09:58,230 --> 00:09:56,160

you know is this really any different

271

00:09:59,829 --> 00:09:58,240

than how humans describe their spiritual

272

00:10:02,870 --> 00:09:59,839

beliefs

273

00:10:04,550 --> 00:10:02,880

you know i and

274

00:10:06,069 --> 00:10:04,560

to make a reference to this david

275

00:10:09,190 --> 00:10:06,079

eckhart was the one

276

00:10:12,069 --> 00:10:09,200

person who told me how they

277

00:10:13,110 --> 00:10:12,079

these higher order aliens explained to

278

00:10:15,110 --> 00:10:13,120

him

279

00:10:17,350 --> 00:10:15,120

about being connected to a supreme

280

00:10:18,550 --> 00:10:17,360

energy and they're pretty fanatic about

281

00:10:29,990 --> 00:10:18,560

it

282

00:10:32,150 --> 00:10:30,000

you know are connected to or

283

00:10:34,150 --> 00:10:32,160

feel that the prey to is that isn't is

284

00:10:35,110 --> 00:10:34,160

this just one supreme being one supreme

285

00:10:37,430 --> 00:10:35,120

energy

286

00:10:38,790 --> 00:10:37,440

i don't know but you know they're

287

00:10:42,870 --> 00:10:38,800

they're

288

00:10:47,590 --> 00:10:42,880

i can understand where this guy

289

00:10:50,790 --> 00:10:47,600

just suddenly started religion or

290

00:10:52,310 --> 00:10:50,800

you know whatever it was he found but

291

00:10:55,509 --> 00:10:52,320

i thought that was quite an interesting

292

00:10:55,519 --> 00:10:58,710

any questions

293

00:11:02,389 --> 00:11:01,829

well there have been over time there

294

00:11:07,590 --> 00:11:02,399

have been

295

00:11:10,069 --> 00:11:07,600

um some ufology that have put

296

00:11:11,430 --> 00:11:10,079

tried to put the visitations or inciting

297

00:11:15,430 --> 00:11:11,440

reports

298

00:11:17,829 --> 00:11:15,440

to um want let's say one religious

299

00:11:22,150 --> 00:11:17,839

movement or another

300

00:11:25,670 --> 00:11:22,160

and um you know

301

00:11:28,310 --> 00:11:25,680

it's like he said you know could it be

302

00:11:29,110 --> 00:11:28,320

yeah i guess it could you know if we're

303

00:11:30,790 --> 00:11:29,120

just

304

00:11:33,670 --> 00:11:30,800

keeping that open mind again i mean you

305

00:11:36,710 --> 00:11:33,680

can't you can't shrug off everything

306

00:11:41,190 --> 00:11:36,720

and you shrug off anything so

307

00:11:41,990 --> 00:11:41,200

uh it's it's a fascinating way of

308

00:11:44,069 --> 00:11:42,000

looking at something

309

00:11:46,710 --> 00:11:44,079

though because you know that that

310

00:11:48,949 --> 00:11:46,720

affects everything

311

00:11:52,069 --> 00:11:48,959

you know it just doesn't affect a

312

00:11:54,389 --> 00:11:52,079

certain report but i mean

313

00:11:55,990 --> 00:11:54,399

i mean it could affect as well you know

314

00:11:57,110 --> 00:11:56,000

that'd be just like saying disclosure

315

00:11:59,750 --> 00:11:57,120

is going to happen tomorrow at 10

316

00:12:01,910 --> 00:11:59,760

o'clock yeah

317

00:12:03,910 --> 00:12:01,920

you know well i guess there's no real

318

00:12:07,030 --> 00:12:03,920

answer to that i mean you know i have

319

00:12:07,670 --> 00:12:07,040

now i had a lot of people get back to me

320

00:12:13,190 --> 00:12:07,680

on this

321

00:12:16,949 --> 00:12:13,200

and um several of them are actually

322

00:12:19,670 --> 00:12:16,959

ufology researchers uh

323

00:12:20,710 --> 00:12:19,680

crop circle researchers couple people

324

00:12:23,750 --> 00:12:20,720

that

325

00:12:27,110 --> 00:12:23,760

they had their

326

00:12:29,590 --> 00:12:27,120

kind of went the game range

327

00:12:31,190 --> 00:12:29,600

in the gamut of their you know what they

328

00:12:34,550 --> 00:12:31,200

thought it was

329

00:12:34,949 --> 00:12:34,560

uh i think for the most part if i had to

330

00:12:37,509 --> 00:12:34,959

go

331

00:12:39,509 --> 00:12:37,519

and take an overall synopsis of what

332

00:12:42,629 --> 00:12:39,519

they were trying to explain

333

00:12:45,190 --> 00:12:42,639

they probably feel they felt that it

334

00:12:47,190 --> 00:12:45,200

probably wasn't related to

335

00:12:49,190 --> 00:12:47,200

to the incident but i just find that

336

00:12:51,269 --> 00:12:49,200

hard to believe i mean i i think it had

337

00:12:54,389 --> 00:12:51,279

something to do with the incident

338

00:12:57,750 --> 00:12:54,399

um on a spiritual level that is

339

00:12:59,509 --> 00:12:57,760

i i don't you know oh sure

340

00:13:01,829 --> 00:12:59,519

yeah i can't think it was something that

341

00:13:05,030 --> 00:13:01,839

just happened physically

342

00:13:08,150 --> 00:13:05,040

um i mean i

343

00:13:12,710 --> 00:13:08,160

i think there there was definitely

344

00:13:15,829 --> 00:13:12,720

a mental or conditioning some type

345

00:13:18,069 --> 00:13:15,839

you know so i don't know i don't know

346

00:13:20,069 --> 00:13:18,079

another thing these abductees also

347

00:13:22,230 --> 00:13:20,079

mention stuff like that yeah sure

348

00:13:24,949 --> 00:13:22,240

yeah and that's what i was saying i i've

349

00:13:26,389 --> 00:13:24,959

had i've had several abductees and

350

00:13:29,829 --> 00:13:26,399

experiences

351

00:13:32,310 --> 00:13:29,839

tell me similar stories uh

352

00:13:33,350 --> 00:13:32,320

but i've also had several tell me that

353

00:13:35,910 --> 00:13:33,360

they

354

00:13:37,350 --> 00:13:35,920

completely threw off religion after the

355

00:13:40,790 --> 00:13:37,360

experience

356

00:13:44,550 --> 00:13:40,800

so it worked both ways so uh

357

00:13:47,509 --> 00:13:44,560

i don't know i don't know

358

00:13:50,150 --> 00:13:47,519

anyway i got a i got another email this

359

00:13:52,550 --> 00:13:50,160

week um

360

00:13:54,470 --> 00:13:52,560

from an individual who said that they

361

00:13:57,670 --> 00:13:54,480

had read

362

00:14:01,350 --> 00:13:57,680

the post i put up about the unknown

363

00:14:04,870 --> 00:14:01,360

activity in mingo county west virginia

364

00:14:06,629 --> 00:14:04,880

and he wanted to detail some

365

00:14:08,790 --> 00:14:06,639

bigfoot activity that was occurring

366

00:14:13,269 --> 00:14:08,800

around their homes

367

00:14:16,870 --> 00:14:13,279

um he said we live in marion

368

00:14:19,750 --> 00:14:16,880

county florida in our hard couple

369

00:14:22,069 --> 00:14:19,760

we are in a neighborhood very near the

370

00:14:25,750 --> 00:14:22,079

ocala national forest

371

00:14:29,829 --> 00:14:25,760

now as a lot of people know ocala is

372

00:14:31,829 --> 00:14:29,839

well known for uh skunk ape and other

373

00:14:32,550 --> 00:14:31,839

bigfoot activity and a lot of other

374

00:14:36,389 --> 00:14:32,560

stuff and

375

00:14:37,430 --> 00:14:36,399

ufo a lot of strange stuff has happened

376

00:14:40,629 --> 00:14:37,440

in that forest

377

00:14:43,829 --> 00:14:40,639

it's a large it's a it's a large reserve

378

00:14:44,310 --> 00:14:43,839

um i don't think people are allowed in

379

00:14:46,790 --> 00:14:44,320

there

380

00:14:47,750 --> 00:14:46,800

by law but apparently people do make it

381

00:14:50,509 --> 00:14:47,760

in there

382

00:14:52,710 --> 00:14:50,519

well anyway we when we moved here in

383

00:14:54,550 --> 00:14:52,720

2014

384

00:14:57,509 --> 00:14:54,560

we were told of strange sightings in the

385

00:14:59,350 --> 00:14:57,519

area in particular bigfoot

386

00:15:01,590 --> 00:14:59,360

we had moved from new york city so i

387

00:15:03,430 --> 00:15:01,600

figured it was just a bunch of hogwash

388

00:15:05,269 --> 00:15:03,440

just like the alligators at the new york

389

00:15:07,829 --> 00:15:05,279

sewers

390

00:15:10,230 --> 00:15:07,839

uh to make a long story short here's a

391

00:15:13,189 --> 00:15:10,240

list of things going on here

392

00:15:16,069 --> 00:15:13,199

uh howling late at night intense

393

00:15:17,750 --> 00:15:16,079

guttural screams to be exact

394

00:15:21,030 --> 00:15:17,760

many times they come from different

395

00:15:23,110 --> 00:15:21,040

directions at one time

396

00:15:25,030 --> 00:15:23,120

uh i know the bigfoot are making the

397

00:15:25,990 --> 00:15:25,040

noise because we haven't encountered

398

00:15:28,710 --> 00:15:26,000

them

399

00:15:30,790 --> 00:15:28,720

one broke my side garage door not long

400

00:15:32,949 --> 00:15:30,800

after we moved in

401
00:15:35,509 --> 00:15:32,959
we weren't home at the time but i have

402
00:15:37,829 --> 00:15:35,519
no doubt that's what did the damage

403
00:15:39,350 --> 00:15:37,839
my wife saw a young one in her garden

404
00:15:41,910 --> 00:15:39,360
one evening

405
00:15:42,710 --> 00:15:41,920
she turned the on the porch light and it

406
00:15:45,590 --> 00:15:42,720
scampered

407
00:15:46,710 --> 00:15:45,600
into the brush she described it as four

408
00:15:50,790 --> 00:15:46,720
foot or so with

409
00:15:54,790 --> 00:15:52,389
they like to leave things around the

410
00:15:56,470 --> 00:15:54,800
yard and patio usually it's others

411
00:15:59,509 --> 00:15:56,480
people's garbage

412
00:16:01,509 --> 00:15:59,519
cans and bottles for the most part i

413
00:16:03,590 --> 00:16:01,519

don't want to encourage this activity by

414

00:16:06,949 --> 00:16:03,600

leaving something for them

415

00:16:09,990 --> 00:16:06,959

but i'm sure they mean no harm

416

00:16:12,629 --> 00:16:10,000

also i've never been never seen

417

00:16:14,470 --> 00:16:12,639

another animal in our yard which i

418

00:16:16,310 --> 00:16:14,480

believe is unusual because of where we

419

00:16:19,590 --> 00:16:16,320

live

420

00:16:21,509 --> 00:16:19,600

um we feel that the bigfoot room soon

421

00:16:24,629 --> 00:16:21,519

near to our property

422

00:16:26,389 --> 00:16:24,639

as small animals avoid the area this

423

00:16:29,269 --> 00:16:26,399

could be the wrong assumption but the

424

00:16:32,389 --> 00:16:29,279

lack of raccoons possums etc

425

00:16:34,470 --> 00:16:32,399

is strange now

426

00:16:36,949 --> 00:16:34,480

i'm not going to take try and take

427

00:16:38,870 --> 00:16:36,959

photographs because i believe

428

00:16:41,430 --> 00:16:38,880

that they know better and that it would

429

00:16:43,189 --> 00:16:41,440

anger them a fellow on our block tried

430

00:16:45,590 --> 00:16:43,199

to set out a motion

431

00:16:47,350 --> 00:16:45,600

sensitive camera well the damage they

432

00:16:49,269 --> 00:16:47,360

endured from a bigfoot

433

00:16:51,590 --> 00:16:49,279

which included a busted camber broken

434

00:16:55,030 --> 00:16:51,600

lawn furniture and uprooted plants

435

00:16:57,910 --> 00:16:55,040

changed those plans i have no people

436

00:17:00,069 --> 00:16:57,920

excuse me i have seen people going into

437

00:17:01,829 --> 00:17:00,079

the forest at other locations

438

00:17:03,990 --> 00:17:01,839

and it's obvious that they are searching

439

00:17:06,949 --> 00:17:04,000

for bigfoot even though the wildlife

440

00:17:07,909 --> 00:17:06,959

is protected my feeling is that they

441

00:17:10,390 --> 00:17:07,919

should leave these

442

00:17:11,429 --> 00:17:10,400

creatures alone though i doubt they'll

443

00:17:14,230 --> 00:17:11,439

ever find it

444

00:17:14,630 --> 00:17:14,240

find one they're very keen and aloof

445

00:17:16,829 --> 00:17:14,640

almost

446

00:17:19,110 --> 00:17:16,839

magical in a way they go about their

447

00:17:21,429 --> 00:17:19,120

lives i didn't want to give

448

00:17:23,270 --> 00:17:21,439

out our exact location we don't want the

449

00:17:25,750 --> 00:17:23,280

bigfoot people trampling about our

450

00:17:29,190 --> 00:17:25,760

neighborhood

451

00:17:30,710 --> 00:17:29,200

so um you know he

452

00:17:32,549 --> 00:17:30,720

he actually didn't even leave me a phone

453

00:17:34,310 --> 00:17:32,559

though but i had to go i had to email

454

00:17:36,710 --> 00:17:34,320

him back

455

00:17:38,789 --> 00:17:36,720

uh he gave me people in his neighborhood

456

00:17:40,630 --> 00:17:38,799

or bigfoot research people

457

00:17:42,230 --> 00:17:40,640

well i don't know i mean i don't know

458

00:17:43,590 --> 00:17:42,240

you know

459

00:17:45,430 --> 00:17:43,600

i'm quite sure he didn't know the

460

00:17:47,029 --> 00:17:45,440

difference but he knows

461

00:17:49,029 --> 00:17:47,039

there's something to do with bigfoot so

462

00:17:50,950 --> 00:17:49,039

he may have had signs in her vehicles or

463

00:17:53,270 --> 00:17:50,960

something i don't know

464

00:17:53,990 --> 00:17:53,280

uh apparently from what i he talked to

465

00:18:00,150 --> 00:17:54,000

me about

466

00:18:02,789 --> 00:18:00,160

he didn't take care of any of them um

467

00:18:05,110 --> 00:18:02,799

so you know i'm not sure they're they've

468

00:18:07,270 --> 00:18:05,120

learned to live with the bigfoot

469

00:18:08,549 --> 00:18:07,280

and or rather they'd be gone but you

470

00:18:09,990 --> 00:18:08,559

know

471

00:18:12,630 --> 00:18:10,000

i think they have gained a certain

472

00:18:14,870 --> 00:18:12,640

amount of respect for them so

473

00:18:17,990 --> 00:18:14,880

you know i you know i'm sure they don't

474

00:18:20,549 --> 00:18:18,000

want anything happening to him

475

00:18:21,029 --> 00:18:20,559

so and from what i from what he told me

476

00:18:46,870 --> 00:18:21,039

he

477

00:18:52,390 --> 00:18:46,880

that's

478

00:18:54,310 --> 00:18:52,400

though i'll be honest with you if it is

479

00:18:56,549 --> 00:18:54,320

a skunk a skunky

480

00:19:00,549 --> 00:18:56,559

i've never heard a skunk ate doing that

481

00:19:00,559 --> 00:19:08,230

i don't know what you think um sean

482

00:19:11,909 --> 00:19:10,310

what was that about the skunk ape one i

483

00:19:12,710 --> 00:19:11,919

said you know i this is the first i've

484

00:19:16,070 --> 00:19:12,720

heard

485

00:19:17,990 --> 00:19:16,080

i mean if this was a skunk ape as and as

486

00:19:20,710 --> 00:19:18,000

far as gifting that that would be

487

00:19:22,070 --> 00:19:20,720

i believe the first time i've heard of a

488

00:19:24,470 --> 00:19:22,080

skunk ache actually

489

00:19:25,990 --> 00:19:24,480

being accused of that i mean i know the

490

00:19:28,549 --> 00:19:26,000

other bigfoot have but

491

00:19:31,270 --> 00:19:28,559

you know i i don't know of an incident

492

00:19:33,350 --> 00:19:31,280

down there in florida where

493

00:19:34,789 --> 00:19:33,360

there's anybody talking about stone

494

00:19:36,950 --> 00:19:34,799

capex gifting

495

00:19:38,230 --> 00:19:36,960

humans i guess it all kind of depends

496

00:19:40,789 --> 00:19:38,240

like it

497

00:19:41,830 --> 00:19:40,799

i think you have to be into the line of

498

00:19:44,070 --> 00:19:41,840

thought that uh

499

00:19:45,510 --> 00:19:44,080

bigfoot creatures are different i think

500

00:19:46,549 --> 00:19:45,520

the only thing that really makes them

501
00:19:48,630 --> 00:19:46,559
different

502
00:19:50,789 --> 00:19:48,640
is their adaptation to their environment

503
00:19:53,750 --> 00:19:50,799
that's why they're bigger in the pnw

504
00:19:54,390 --> 00:19:53,760
and in the northeast and more uh

505
00:20:01,510 --> 00:19:54,400
flexible

506
00:20:03,029 --> 00:20:01,520
less bulky you know lighter colored and

507
00:20:04,310 --> 00:20:03,039
the hair tends to be a little different

508
00:20:06,149 --> 00:20:04,320
on the sightings of the creatures you

509
00:20:08,470 --> 00:20:06,159
see in the southwest and

510
00:20:10,070 --> 00:20:08,480
even in parts of pennsylvania so i don't

511
00:20:12,070 --> 00:20:10,080
know if it's the fact that there is no

512
00:20:12,630 --> 00:20:12,080
gifting if folks even believe in gifting

513
00:20:13,990 --> 00:20:12,640

but

514

00:20:16,149 --> 00:20:14,000

i just don't know maybe it's just a

515

00:20:16,710 --> 00:20:16,159

behavior that's not observed in skunk

516

00:20:19,190 --> 00:20:16,720

ape

517

00:20:19,990 --> 00:20:19,200

but i don't know i'm starting to hear a

518

00:20:23,430 --> 00:20:20,000

lot more about

519

00:20:24,710 --> 00:20:23,440

gifting uh yeah the western part of pa

520

00:20:27,590 --> 00:20:24,720

i don't know what to make of it myself

521

00:20:29,270 --> 00:20:27,600

oh really well i guess a lot of the

522

00:20:31,110 --> 00:20:29,280

good thing from past reports has always

523

00:20:33,270 --> 00:20:31,120

been in that arg in washington

524

00:20:34,310 --> 00:20:33,280

you know in the heavily uh heavily

525

00:20:37,750 --> 00:20:34,320

wooded areas

526
00:20:39,029 --> 00:20:37,760
and i mean leave everything from toys to

527
00:20:41,190 --> 00:20:39,039
food to clothing

528
00:20:42,549 --> 00:20:41,200
i mean they leave everything and there's

529
00:20:45,430 --> 00:20:42,559
some pretty good

530
00:20:46,830 --> 00:20:45,440
jc had that one incident where that one

531
00:20:49,669 --> 00:20:46,840
was gifting

532
00:20:53,350 --> 00:20:49,679
back i mean they get

533
00:20:55,590 --> 00:20:53,360
you know gifts both ways yeah

534
00:20:56,710 --> 00:20:55,600
oh yeah i mean you know jc had that one

535
00:20:58,870 --> 00:20:56,720
where uh

536
00:21:01,029 --> 00:20:58,880
you know i reported on where it and

537
00:21:05,190 --> 00:21:01,039
eventually get the debt

538
00:21:07,110 --> 00:21:05,200

that uh anasazi agate piece

539

00:21:08,870 --> 00:21:07,120

and oh yeah yeah everybody got that

540

00:21:12,710 --> 00:21:08,880

thing but they were

541

00:21:15,190 --> 00:21:12,720

gifting back and forth for several days

542

00:21:16,230 --> 00:21:15,200

putting stuff out and getting stuff so

543

00:21:19,669 --> 00:21:16,240

um

544

00:21:21,510 --> 00:21:19,679

i don't know you know

545

00:21:23,350 --> 00:21:21,520

i think that's the first time that gc

546

00:21:27,029 --> 00:21:23,360

ever mentioned that or

547

00:21:28,950 --> 00:21:27,039

you know as far as the the bigfoot

548

00:21:31,350 --> 00:21:28,960

that are down there and you know down

549

00:21:34,549 --> 00:21:31,360

there in the four corners area but

550

00:21:37,350 --> 00:21:34,559

i don't know i'd have to talk to uh

551
00:21:40,549 --> 00:21:37,360
i'd have to talk to david weatherly and

552
00:21:42,149 --> 00:21:40,559
a few other people down there about that

553
00:21:46,149 --> 00:21:42,159
i mean we have a lot of people coming on

554
00:21:49,190 --> 00:21:46,159
the show uh in the next several weeks

555
00:21:53,029 --> 00:21:49,200
that are that actually

556
00:21:56,630 --> 00:21:53,039
are bigfoot hunters so uh

557
00:22:03,669 --> 00:21:56,640
are researchers so maybe i remember i

558
00:22:10,549 --> 00:22:06,710
i think it's worth the ask lawn yeah

559
00:22:13,590 --> 00:22:10,559
i think i think that you know bigfoot

560
00:22:15,909 --> 00:22:13,600
in general is you know i

561
00:22:17,590 --> 00:22:15,919
i just don't see it being a bunch of

562
00:22:20,070 --> 00:22:17,600
different types of creatures i think

563
00:22:23,430 --> 00:22:20,080

there's just varieties of

564

00:22:24,630 --> 00:22:23,440

of this uh entity being creature

565

00:22:26,310 --> 00:22:24,640

whatever you want to call it that just

566

00:22:27,990 --> 00:22:26,320

is more adaptable to its environment i

567

00:22:29,909 --> 00:22:28,000

think the behavior

568

00:22:31,750 --> 00:22:29,919

though areas may seem to be more

569

00:22:33,110 --> 00:22:31,760

aggressive i think they all have

570

00:22:35,510 --> 00:22:33,120

aggressive moments and i think the

571

00:22:37,830 --> 00:22:35,520

gifting may be something of a similar

572

00:22:40,310 --> 00:22:37,840

behavior if it happens i just know

573

00:22:41,029 --> 00:22:40,320

that folks in western pa are starting to

574

00:22:43,029 --> 00:22:41,039

report

575

00:22:44,070 --> 00:22:43,039

more gifting a particular group of

576

00:22:48,230 --> 00:22:44,080

researchers

577

00:22:55,270 --> 00:22:51,990

that's cool so

578

00:22:58,070 --> 00:22:55,280

that's about all i have right now um

579

00:22:59,750 --> 00:22:58,080

so i'm just gonna go ahead and introduce

580

00:23:02,870 --> 00:22:59,760

our guest and we'll get him on here

581

00:23:03,990 --> 00:23:02,880

um timothy renner is an accomplished

582

00:23:07,029 --> 00:23:04,000

as well as a member of seekers encrypted

584

00:23:12,070 --> 00:23:08,880

exploring toad road

588

00:23:19,830 --> 00:23:18,080

the seven gates of hell and other

589

00:23:22,070 --> 00:23:19,840

strangest new york

590

00:23:23,750 --> 00:23:22,080

lancaster and adams counties was

591

00:23:25,789 --> 00:23:23,760

published recently

592

00:23:28,070 --> 00:23:25,799

extensive research and on-site

593

00:23:30,549 --> 00:23:28,080

exploration was combined

594

00:23:32,149 --> 00:23:30,559

to dispel urban ledges while revealing

595

00:23:35,029 --> 00:23:32,159

stranger truths

596

00:23:35,669 --> 00:23:35,039

true tales of bigfoot creatures witches

597

00:23:39,669 --> 00:23:35,679

ghosts

598

00:23:43,269 --> 00:23:39,679

werewolves and flying phantoms

599

00:23:44,070 --> 00:23:43,279

so um we'll go ahead and take a break

600

00:23:47,830 --> 00:23:44,080

here and

601
00:23:48,870 --> 00:23:47,840
we'll get timothy on the phone and to

602
00:23:52,070 --> 00:23:48,880
join us and

603
00:23:53,430 --> 00:23:52,080
we'll be back in a bit into uh right at

604
00:23:55,269 --> 00:23:53,440
the get-go line i want to

605
00:23:56,870 --> 00:23:55,279
thank you for for all you do for this

606
00:23:59,430 --> 00:23:56,880
community i mean your

607
00:24:00,549 --> 00:23:59,440
phantom is a monster is a real great

608
00:24:03,269 --> 00:24:00,559
resource and you've been

609
00:24:04,710 --> 00:24:03,279
a you were a great help to me throughout

610
00:24:06,390 --> 00:24:04,720
the book and and uh

611
00:24:08,310 --> 00:24:06,400
very kind and letting me use some

612
00:24:11,350 --> 00:24:08,320
encounters you collected so thank you

613
00:24:13,669 --> 00:24:11,360

all right i i thank you for

614

00:24:15,269 --> 00:24:13,679

um stating that and uh it was my

615

00:24:17,750 --> 00:24:15,279

pleasure i mean this

616

00:24:18,549 --> 00:24:17,760

this part of country's uh part of the

617

00:24:20,950 --> 00:24:18,559

state is

618

00:24:23,190 --> 00:24:20,960

uh where i was born and raised and i

619

00:24:23,909 --> 00:24:23,200

moved back up here a couple months ago

620

00:24:25,909 --> 00:24:23,919

so

621

00:24:27,510 --> 00:24:25,919

yeah i'm glad anything i could provide

622

00:24:29,430 --> 00:24:27,520

for you and it is

623

00:24:32,470 --> 00:24:29,440

the book is fantastic it's got a lot of

624

00:24:33,830 --> 00:24:32,480

stuff in there i never even knew about

625

00:24:35,990 --> 00:24:33,840

so uh why don't you tell us a little bit

626
00:24:37,110 --> 00:24:36,000
about yourself and then uh go ahead and

627
00:24:39,909 --> 00:24:37,120
start off

628
00:24:40,390 --> 00:24:39,919
and start telling us about the book sure

629
00:24:43,669 --> 00:24:40,400
thing

630
00:24:46,710 --> 00:24:43,679
um well i was born in in

631
00:24:49,830 --> 00:24:46,720
1970 which a as a great uh

632
00:24:53,430 --> 00:24:49,840
time to to come on the heels of

633
00:24:56,630 --> 00:24:53,440
patterson gimlin and and

634
00:24:58,470 --> 00:24:56,640
grew up watching in search of and just

635
00:25:00,789 --> 00:24:58,480
became fascinated with this stuff at an

636
00:25:04,630 --> 00:25:00,799
early age

637
00:25:06,630 --> 00:25:04,640
and i grew up in northern maryland um

638
00:25:08,630 --> 00:25:06,640

and around that time i always took an

639

00:25:10,390 --> 00:25:08,640

interest in folk tales and ghost stories

640

00:25:12,789 --> 00:25:10,400

and whatever i could

641

00:25:15,350 --> 00:25:12,799

when i moved to york county it was in

642

00:25:17,590 --> 00:25:15,360

the mid 1990s

643

00:25:18,710 --> 00:25:17,600

and of course i immediately started

644

00:25:21,110 --> 00:25:18,720

asking around

645

00:25:23,190 --> 00:25:21,120

about uh you know ghost stories or weird

646

00:25:26,710 --> 00:25:23,200

stuff or anything

647

00:25:27,190 --> 00:25:26,720

and at that time i was told a story

648

00:25:30,789 --> 00:25:27,200

about

649

00:25:34,070 --> 00:25:30,799

toad road and the original story i heard

650

00:25:36,710 --> 00:25:34,080

back in the 1990s was that uh

651

00:25:37,830 --> 00:25:36,720

it was just a very haunting phrase that

652

00:25:41,590 --> 00:25:37,840

that

653

00:25:43,590 --> 00:25:41,600

my wife told me she had gone to day camp

654

00:25:45,190 --> 00:25:43,600

on a road called jerusalem school road

655

00:25:48,470 --> 00:25:45,200

which parallels toad road

656

00:25:51,990 --> 00:25:48,480

on the other side of the doors creek

657

00:25:53,510 --> 00:25:52,000

and a kid or or a

658

00:25:55,990 --> 00:25:53,520

a councillor there i'm not sure which

659

00:25:58,070 --> 00:25:56,000

had told her i pointed over to toad road

660

00:26:00,470 --> 00:25:58,080

and they just said that's toad road over

661

00:26:03,350 --> 00:26:00,480

there don't look behind you on toad road

662

00:26:03,990 --> 00:26:03,360

and that's all that she was told and uh

663

00:26:05,590 --> 00:26:04,000

it was very

664

00:26:08,149 --> 00:26:05,600

very haunting i always kind of filed

665

00:26:11,269 --> 00:26:08,159

that in the back of my head

666

00:26:14,149 --> 00:26:11,279

over time um i joined an

667

00:26:15,669 --> 00:26:14,159

email group uh back this is back in the

668

00:26:18,310 --> 00:26:15,679

late 90s

669

00:26:20,390 --> 00:26:18,320

probably uh that was dedicated to local

670

00:26:22,230 --> 00:26:20,400

legends and so forth and

671

00:26:23,990 --> 00:26:22,240

there was a group of people when they

672

00:26:27,269 --> 00:26:24,000

are the kind of legend seekers and so

673

00:26:27,909 --> 00:26:27,279

forth and at some point they decided

674

00:26:29,830 --> 00:26:27,919

they

675

00:26:31,750 --> 00:26:29,840

that the legend of the seven gates of

676

00:26:34,470 --> 00:26:31,760

hell was associated with toad road

677

00:26:35,830 --> 00:26:34,480

which when i first moved here that was i

678

00:26:36,950 --> 00:26:35,840

had always heard that associated with

679

00:26:41,190 --> 00:26:36,960

sex hollow which is

680

00:26:43,350 --> 00:26:41,200

raymar's howl or a local cemetery

681

00:26:45,029 --> 00:26:43,360

i'd never heard that before and but and

682

00:26:45,510 --> 00:26:45,039

then they came up with this story about

683

00:27:27,269 --> 00:26:45,520

a

684

00:27:32,789 --> 00:27:27,279

house

685

00:27:34,630 --> 00:27:32,799

that's what's back there and then the

686

00:27:35,990 --> 00:27:34,640

town fathers of york don't want people

687

00:27:39,669 --> 00:27:36,000

to know this story

688

00:27:43,510 --> 00:27:39,679

and it's it's just pretty crazy

689

00:27:46,389 --> 00:27:43,520

um so i started digging

690

00:27:47,830 --> 00:27:46,399

and there's nowhere in the county of

691

00:27:48,789 --> 00:27:47,840

york has there ever been a dedicated

692

00:27:52,070 --> 00:27:48,799

building that was a

693

00:27:55,269 --> 00:27:52,080

mental hospital or an insane asylum it's

694

00:27:58,230 --> 00:27:55,279

it's it just never was and

695

00:27:59,510 --> 00:27:58,240

this is an old uh i don't think the road

696

00:28:01,269 --> 00:27:59,520

was anything ever more than a

697

00:28:03,590 --> 00:28:01,279

than a graded stone road anyway they're

698

00:28:07,110 --> 00:28:03,600

not going to put any kind of hospital

699

00:28:09,510 --> 00:28:07,120

on a road like that so

700

00:28:11,190 --> 00:28:09,520

they blame this this doctor well not

701
00:28:12,070 --> 00:28:11,200
they i think subsequent ghost story

702
00:28:13,830 --> 00:28:12,080
books had kind of

703
00:28:15,110 --> 00:28:13,840
i think people just started looking in

704
00:28:17,350 --> 00:28:15,120
the area to see well

705
00:28:18,310 --> 00:28:17,360
where's the doctor in the area and they

706
00:28:20,549 --> 00:28:18,320
found this guy

707
00:28:21,350 --> 00:28:20,559
this dr belknap who who did live in the

708
00:28:23,510 --> 00:28:21,360
area he lived

709
00:28:25,590 --> 00:28:23,520
on trout run road which is very close to

710
00:28:27,269 --> 00:28:25,600
toad room

711
00:28:29,029 --> 00:28:27,279
and they said well he was he was the

712
00:28:31,909 --> 00:28:29,039
head doctor but

713
00:28:33,510 --> 00:28:31,919

i did a a a lot of research on him he

714

00:28:36,230 --> 00:28:33,520

was a cardiologist and

715

00:28:39,269 --> 00:28:36,240

and uh he never worked at any mental

716

00:28:41,830 --> 00:28:39,279

hospital like the ghost story book said

717

00:28:44,470 --> 00:28:41,840

he seems like he was quite a a model

718

00:28:46,549 --> 00:28:44,480

citizen he fought in both world wars

719

00:28:48,470 --> 00:28:46,559

he did a lot of work for charities

720

00:28:50,630 --> 00:28:48,480

around the new york area

721

00:28:52,149 --> 00:28:50,640

he taught it both johns hopkins and uh

722

00:28:54,310 --> 00:28:52,159

upenn

723

00:28:55,590 --> 00:28:54,320

so this isn't the kind of guy that's

724

00:28:58,789 --> 00:28:55,600

going to be

725

00:29:00,789 --> 00:28:58,799

you know keeping mental patients in his

726

00:29:05,269 --> 00:29:00,799

house

727

00:29:07,350 --> 00:29:05,279

so i kind of dispelled all these rumors

728

00:29:09,350 --> 00:29:07,360

but what i did find is witnesses

729

00:29:12,789 --> 00:29:09,360

reporting a lot of strange things

730

00:29:13,430 --> 00:29:12,799

back there and the things they're

731

00:29:16,870 --> 00:29:13,440

reporting

732

00:29:19,350 --> 00:29:16,880

anything to do with ghosts

733

00:29:20,870 --> 00:29:19,360

well if you go back there and you're

734

00:29:21,430 --> 00:29:20,880

looking for ghosts and you hear a scream

735

00:29:22,950 --> 00:29:21,440

in the woods

736

00:29:24,710 --> 00:29:22,960

you're going to attribute it to a ghost

737

00:29:25,590 --> 00:29:24,720

that's that's kind of where i landed on

738

00:29:28,149 --> 00:29:25,600

it

739

00:29:29,990 --> 00:29:28,159

but what they were reporting was being

740

00:29:31,909 --> 00:29:30,000

stalked in the woods

741

00:29:34,149 --> 00:29:31,919

things peeking from trees at them

742

00:29:37,350 --> 00:29:34,159

screams in the woods the the most common

743

00:29:40,549 --> 00:29:37,360

thing was a woman screaming

744

00:29:42,789 --> 00:29:40,559

back there gibberish language sounds

745

00:29:45,350 --> 00:29:42,799

like babies crying

746

00:29:46,470 --> 00:29:45,360

and i'm sure you've read enough bigfoot

747

00:29:49,750 --> 00:29:46,480

accounts to know that

748

00:29:52,950 --> 00:29:49,760

this is kind of bigfoot behavior

749

00:29:54,549 --> 00:29:52,960

uh this kind of active stalking type

750

00:29:58,070 --> 00:29:54,559

stuff being paced in the woods

751
00:30:00,310 --> 00:29:58,080
things like that right so i started

752
00:30:02,149 --> 00:30:00,320
looking

753
00:30:03,669 --> 00:30:02,159
more along those lines and seen what i

754
00:30:06,870 --> 00:30:03,679
could find

755
00:30:10,470 --> 00:30:06,880
and i did find a newspaper report from

756
00:30:12,710 --> 00:30:10,480
1973 a local man was attacked by what he

757
00:30:15,269 --> 00:30:12,720
called a green-haired monster

758
00:30:18,310 --> 00:30:15,279
right back in the area he was hurt badly

759
00:30:21,669 --> 00:30:18,320
enough to get sent to the hospital

760
00:30:22,310 --> 00:30:21,679
and i know green hair sounds outrageous

761
00:30:25,590 --> 00:30:22,320
but

762
00:30:28,870 --> 00:30:25,600
um if you look into other accounts like

763
00:30:30,310 --> 00:30:28,880

honey island swamp monster and right and

764

00:30:33,750 --> 00:30:30,320

uh some accounts like that they're

765

00:30:36,630 --> 00:30:33,760

talking about bigfoot having you know

766

00:30:37,190 --> 00:30:36,640

mildew or mold kicked in his fur or else

767

00:30:39,830 --> 00:30:37,200

leaves

768

00:30:40,630 --> 00:30:39,840

you know kicked in it may not be so

769

00:30:43,830 --> 00:30:40,640

outrageous

770

00:30:47,190 --> 00:30:43,840

um the green hair account

771

00:30:49,909 --> 00:30:47,200

we have received reports like that

772

00:30:51,590 --> 00:30:49,919

uh in the past you know in it yeah yeah

773

00:30:54,149 --> 00:30:51,600

with the you know greenish color

774

00:30:56,310 --> 00:30:54,159

uh moss and such we have received

775

00:30:58,310 --> 00:30:56,320

reports actually in pennsylvania

776

00:30:59,430 --> 00:30:58,320
um and it's i wanted to mention

777

00:31:02,630 --> 00:30:59,440
something to you as well

778

00:31:06,149 --> 00:31:02,640
that area around where the doors

779

00:31:08,230 --> 00:31:06,159
furnace and up and down um doors creek

780

00:31:11,190 --> 00:31:08,240
there have been bigfoot sightings up and

781

00:31:11,750 --> 00:31:11,200
up around there in the last several

782

00:31:13,750 --> 00:31:11,760
years

783

00:31:15,029 --> 00:31:13,760
um i don't know which ones you may have

784

00:31:17,509 --> 00:31:15,039
covered but

785

00:31:19,669 --> 00:31:17,519
you know not all of them got in you know

786

00:31:23,110 --> 00:31:19,679
got reported

787

00:31:25,350 --> 00:31:23,120
um and as well we've been getting

788

00:31:26,549 --> 00:31:25,360

and yeah sean can verify this we've been

789

00:31:30,389 --> 00:31:26,559

getting a lot of

790

00:31:31,509 --> 00:31:30,399

um bigfoot reports up and down the

791

00:31:35,110 --> 00:31:31,519

susquehanna on

792

00:31:35,509 --> 00:31:35,120

the york county side as opposed to uh

793

00:31:37,830 --> 00:31:35,519

you know

794

00:31:39,350 --> 00:31:37,840

the lancaster side like chickies rock in

795

00:31:43,110 --> 00:31:39,360

that area but

796

00:31:46,310 --> 00:31:43,120

the uh on the uh york county side

797

00:31:48,789 --> 00:31:46,320

we have had numerous sightings in the

798

00:31:51,909 --> 00:31:48,799

last couple years

799

00:31:54,230 --> 00:31:51,919

yeah that's what that's picking up

800

00:31:55,990 --> 00:31:54,240

there were reports up there i guess uh a

801
00:31:57,750 --> 00:31:56,000
couple years back and then and then

802
00:32:01,350 --> 00:31:57,760
the fellow who did those reports i

803
00:32:03,750 --> 00:32:01,360
talked to him uh he's in the book um

804
00:32:05,110 --> 00:32:03,760
he said he found more footprints this

805
00:32:08,789 --> 00:32:05,120
year um

806
00:32:10,630 --> 00:32:08,799
his uh this is up um i forget the

807
00:32:12,389 --> 00:32:10,640
township up there but it's right where

808
00:32:15,029 --> 00:32:12,399
you're talking about

809
00:32:15,430 --> 00:32:15,039
the northern part close to the river and

810
00:32:19,509 --> 00:32:15,440
uh

811
00:32:23,029 --> 00:32:19,519
they described as

812
00:32:25,909 --> 00:32:23,039
uh orangutan beating up a dog

813
00:32:28,789 --> 00:32:25,919

is that right yeah yeah we don't have

814

00:32:31,509 --> 00:32:28,799

orangutans so

815

00:32:31,830 --> 00:32:31,519

uh so yeah that that's definitely and i

816

00:32:34,230 --> 00:32:31,840

had

817

00:32:36,070 --> 00:32:34,240

another report it came too late to go in

818

00:32:37,590 --> 00:32:36,080

the book um

819

00:32:39,430 --> 00:32:37,600

but it was one of the islands in the

820

00:32:40,389 --> 00:32:39,440

susquehanna where people camp someone

821

00:32:42,149 --> 00:32:40,399

told me

822

00:32:43,909 --> 00:32:42,159

and again that's right up there that

823

00:32:44,549 --> 00:32:43,919

that he was camping there and had a had

824

00:32:47,110 --> 00:32:44,559

a uh

825

00:32:48,549 --> 00:32:47,120

some kind of encounter i i forget the

826

00:32:50,870 --> 00:32:48,559

details i think he said it was

827

00:32:51,590 --> 00:32:50,880

kind of pacing around his campsite and

828

00:32:54,710 --> 00:32:51,600

so forth

829

00:32:57,990 --> 00:32:54,720

mm-hmm wow so yeah

830

00:33:01,190 --> 00:32:58,000

they're this toad road thing

831

00:33:03,590 --> 00:33:01,200

i you know i heard about this when i was

832

00:33:05,269 --> 00:33:03,600

younger back in the 60s and i you know i

833

00:33:08,870 --> 00:33:05,279

really didn't think much of it

834

00:33:10,149 --> 00:33:08,880

but i will tell you i i know there were

835

00:33:13,110 --> 00:33:10,159

a lot of different stories

836

00:33:13,750 --> 00:33:13,120

up around that area but the only thing i

837

00:33:15,990 --> 00:33:13,760

ever

838

00:33:16,950 --> 00:33:16,000

heard around that area was up there

839

00:33:20,149 --> 00:33:16,960

cador's

840

00:33:21,830 --> 00:33:20,159

furnace and there used to be there used

841

00:33:24,870 --> 00:33:21,840

to be a story about an old

842

00:33:25,669 --> 00:33:24,880

granny magic woman that used to live up

843

00:33:28,789 --> 00:33:25,679

there

844

00:33:31,990 --> 00:33:28,799

that everybody thought

845

00:33:33,990 --> 00:33:32,000

were absolutely bonkers and she'd run

846

00:33:35,350 --> 00:33:34,000

people off and they weren't sure if she

847

00:33:39,110 --> 00:33:35,360

was actually alive

848

00:33:40,470 --> 00:33:39,120

or she was a spirit so

849

00:33:43,269 --> 00:33:40,480

i i don't know if you heard anything

850

00:33:46,070 --> 00:33:43,279

about that but that was something that

851
00:33:47,830 --> 00:33:46,080
i heard among people around around this

852
00:33:50,230 --> 00:33:47,840
area where i live in hanover

853
00:33:51,190 --> 00:33:50,240
but that was back in the 60s so i don't

854
00:33:54,950 --> 00:33:51,200
know

855
00:33:58,310 --> 00:33:54,960
a lot of weird stuff has happened

856
00:34:01,669 --> 00:33:58,320
i think so and i think uh i

857
00:34:03,590 --> 00:34:01,679
well i i believe that that for whatever

858
00:34:03,990 --> 00:34:03,600
reason certain areas kind of draw this

859
00:34:07,430 --> 00:34:04,000
stuff

860
00:34:09,909 --> 00:34:07,440
in i don't know why or how but

861
00:34:11,669 --> 00:34:09,919
everywhere i found you know bigfoot

862
00:34:14,470 --> 00:34:11,679
sightings it seems i found

863
00:34:16,069 --> 00:34:14,480

other stuff too in in the book um just

864

00:34:16,710 --> 00:34:16,079

about everywhere but these places like

865

00:34:18,389 --> 00:34:16,720

code road

866

00:34:19,750 --> 00:34:18,399

you'll find ghost stories you'll find

867

00:34:21,750 --> 00:34:19,760

bigfoot you'll find

868

00:34:23,669 --> 00:34:21,760

and toad road just i essentially led

869

00:34:27,349 --> 00:34:23,679

right to the furnace

870

00:34:30,710 --> 00:34:27,359

right so it went up and

871

00:34:33,990 --> 00:34:30,720

it was closed in 1973 i believe 72

872

00:34:37,669 --> 00:34:34,000

hurricane agnes washed it out and

873

00:34:41,190 --> 00:34:37,679

that's when it was finally closed right

874

00:34:41,669 --> 00:34:41,200

so yeah that's right it's basically a

875

00:34:44,790 --> 00:34:41,679

path

876

00:34:47,030 --> 00:34:44,800

right now um but if you if you go back

877

00:34:48,790 --> 00:34:47,040

there and i didn't

878

00:34:51,030 --> 00:34:48,800

when i was writing the book i was i was

879

00:34:53,030 --> 00:34:51,040

trying to get the story down

880

00:34:54,389 --> 00:34:53,040

and i i noted all the all the trees

881

00:34:57,270 --> 00:34:54,399

pushed across the path but

882

00:34:59,750 --> 00:34:57,280

i i didn't really note that as as uh

883

00:35:01,510 --> 00:34:59,760

bigfoot behavior too but the more

884

00:35:02,950 --> 00:35:01,520

the more i research and stuff the more i

885

00:35:04,870 --> 00:35:02,960

find out is it's

886

00:35:06,150 --> 00:35:04,880

you know you hear about that more and

887

00:35:08,630 --> 00:35:06,160

more where they just

888

00:35:10,390 --> 00:35:08,640

they'll push over trees you know try to

889

00:35:11,750 --> 00:35:10,400

keep people out or maybe to mark their

890

00:35:15,109 --> 00:35:11,760

territory

891

00:35:16,230 --> 00:35:15,119

but that uh tow road is i mean several

892

00:35:19,109 --> 00:35:16,240

trees down

893

00:35:20,870 --> 00:35:19,119

all through it what part of maryland do

894

00:35:22,950 --> 00:35:20,880

you grow up

895

00:35:24,230 --> 00:35:22,960

northern maryland um northern baltimore

896

00:35:25,430 --> 00:35:24,240

county not not too far from the

897

00:35:27,510 --> 00:35:25,440

pennsylvania line

898

00:35:29,589 --> 00:35:27,520

oh okay well i mean you know i lived

899

00:35:31,510 --> 00:35:29,599

down there for almost 40 years and

900

00:35:34,550 --> 00:35:31,520

i had a big foot encounter in maryland

901
00:35:40,470 --> 00:35:38,470
down to southern carroll county but

902
00:35:42,829 --> 00:35:40,480
in northern baltimore county have had a

903
00:35:45,670 --> 00:35:42,839
lot of settings as well

904
00:35:47,829 --> 00:35:45,680
and i know i never had one i

905
00:35:49,910 --> 00:35:47,839
mean i spent my whole life in the woods

906
00:35:52,870 --> 00:35:49,920
and and in fact um

907
00:35:54,790 --> 00:35:52,880
bob canton had let me read through a uh

908
00:35:57,030 --> 00:35:54,800
an old um

909
00:35:58,310 --> 00:35:57,040
it was like an old photocopied like

910
00:36:00,950 --> 00:35:58,320
account of all these different

911
00:36:03,109 --> 00:36:00,960
uh bigfoot sightings in maryland it's

912
00:36:05,829 --> 00:36:03,119
really interesting

913
00:36:07,510 --> 00:36:05,839

but uh i didn't get any any anyone near

914

00:36:08,710 --> 00:36:07,520

the farm where i grew up i was kind of i

915

00:36:10,790 --> 00:36:08,720

was excited to see but

916

00:36:12,069 --> 00:36:10,800

but uh i don't know i don't know why but

917

00:36:14,390 --> 00:36:12,079

there were there weren't any

918

00:36:15,510 --> 00:36:14,400

well there's been a there's been a

919

00:36:18,950 --> 00:36:15,520

recent

920

00:36:21,430 --> 00:36:18,960

uptake of uh sightings in southern

921

00:36:23,910 --> 00:36:21,440

hartford county recently and down there

922

00:36:27,030 --> 00:36:23,920

around edgewood and

923

00:36:28,710 --> 00:36:27,040

uh near to the uh river you know as it

924

00:36:32,069 --> 00:36:28,720

goes into the bay

925

00:36:33,910 --> 00:36:32,079

and uh i've had i've had a lot of people

926
00:36:36,950 --> 00:36:33,920
sending me

927
00:36:39,829 --> 00:36:36,960
all kinds of photographs of

928
00:36:40,790 --> 00:36:39,839
huge wood structures and all kinds of

929
00:36:43,829 --> 00:36:40,800
that's uh

930
00:36:44,230 --> 00:36:43,839
all kinds of crazy stuff so i don't know

931
00:36:47,190 --> 00:36:44,240
it's

932
00:36:49,589 --> 00:36:47,200
uh i i talked to one gentleman who's a

933
00:36:53,030 --> 00:36:49,599
police officer and he uh

934
00:36:56,310 --> 00:36:53,040
he had an encounter in his yard actually

935
00:36:59,670 --> 00:36:56,320
not far from uh up in hartford county so

936
00:37:00,790 --> 00:36:59,680
uh yeah it's um i don't know it's just

937
00:37:02,790 --> 00:37:00,800
this area i

938
00:37:04,150 --> 00:37:02,800

for whatever reason and you know when

939

00:37:07,270 --> 00:37:04,160

you talk about

940

00:37:10,310 --> 00:37:07,280

southern pa and northern maryland

941

00:37:13,190 --> 00:37:10,320

you don't really think about bigfoot but

942

00:37:14,470 --> 00:37:13,200

you know there has been a lot of weird

943

00:37:16,870 --> 00:37:14,480

stuff

944

00:37:18,950 --> 00:37:16,880

that has transpired in this part of the

945

00:37:22,150 --> 00:37:18,960

country i mean it's just

946

00:37:22,550 --> 00:37:22,160

it really has and uh unfortunately a lot

947

00:37:27,109 --> 00:37:22,560

of

948

00:37:30,310 --> 00:37:27,119

and that's why i was so glad to see

949

00:37:32,630 --> 00:37:30,320

him out with this book uh you know you

950

00:37:35,030 --> 00:37:32,640

really kind of put in perspective

951
00:37:36,630 --> 00:37:35,040
on what's been going on around here and

952
00:37:40,950 --> 00:37:36,640
uh

953
00:37:43,190 --> 00:37:40,960
paying attention

954
00:37:44,950 --> 00:37:43,200
well i try i try to what i usually say

955
00:37:45,589 --> 00:37:44,960
is what i do is i try to connect the

956
00:37:49,589 --> 00:37:45,599
dots

957
00:37:51,349 --> 00:37:49,599
and uh right in order to do that i'd

958
00:37:52,870 --> 00:37:51,359
had to be thorough you know like really

959
00:37:54,630 --> 00:37:52,880
really thorough um

960
00:37:56,870 --> 00:37:54,640
and try to just document everything i

961
00:37:59,990 --> 00:37:56,880
could

962
00:38:01,829 --> 00:38:00,000
uh the the but i still i was shocked

963
00:38:03,109 --> 00:38:01,839

i was shocked at the number of just just

964

00:38:05,589 --> 00:38:03,119

take bigfoot if you

965

00:38:07,430 --> 00:38:05,599

remove all the other cryptids you know

966

00:38:09,349 --> 00:38:07,440

from the equation

967

00:38:11,030 --> 00:38:09,359

just bigfoot sightings alone i was

968

00:38:13,990 --> 00:38:11,040

shocked at how many i found i did not

969

00:38:16,230 --> 00:38:14,000

expect to find that many

970

00:38:19,430 --> 00:38:16,240

i just thought we're we're not remote

971

00:38:23,190 --> 00:38:19,440

enough you know what i mean but uh yeah

972

00:38:23,910 --> 00:38:23,200

as i've learned they uh these creatures

973

00:38:26,390 --> 00:38:23,920

seem to

974

00:38:28,310 --> 00:38:26,400

um not mind too much as long as they

975

00:38:29,990 --> 00:38:28,320

have a place to hide get in and out and

976

00:38:31,750 --> 00:38:30,000

there's uh it seems like flowing water

977

00:38:34,310 --> 00:38:31,760

is part of the equation

978

00:38:34,790 --> 00:38:34,320

some kind of river or creek or something

979

00:38:38,069 --> 00:38:34,800

um

980

00:38:40,950 --> 00:38:38,079

yeah they uh they can get in and out

981

00:38:44,630 --> 00:38:43,270

well you know we've also been getting uh

982

00:38:48,390 --> 00:38:44,640

dogman sightings

983

00:38:51,750 --> 00:38:48,400

down in this region too uh we had one

984

00:38:56,390 --> 00:38:51,760

down south of york a couple years ago

985

00:38:58,390 --> 00:38:56,400

and actually had two sightings

986

00:38:59,670 --> 00:38:58,400

and uh we're going to be talking to that

987

00:39:02,310 --> 00:38:59,680

witness

988

00:39:04,390 --> 00:39:02,320

and um there was a sighting down near

989

00:39:07,190 --> 00:39:04,400

chicobus

990

00:39:08,950 --> 00:39:07,200

not too long ago and in fact that very

991

00:39:12,150 --> 00:39:08,960

well could have been a bigfoot

992

00:39:13,109 --> 00:39:12,160

but it it just didn't sound right you

993

00:39:16,069 --> 00:39:13,119

know i'm not

994

00:39:17,990 --> 00:39:16,079

i'm not sure what this person saw but

995

00:39:19,349 --> 00:39:18,000

the way it acted it didn't act like a

996

00:39:23,190 --> 00:39:19,359

bigfoot and it was he

997

00:39:25,750 --> 00:39:23,200

had a pretty good size to it too so uh

998

00:39:28,550 --> 00:39:25,760

these bigfoot sightings and as you know

999

00:39:30,150 --> 00:39:28,560

we're trying to document what's going on

1000

00:39:33,589 --> 00:39:30,160

around the state

1001
00:39:34,390 --> 00:39:33,599
uh you know maryland's had their share

1002
00:39:37,510 --> 00:39:34,400
of them down

1003
00:39:41,510 --> 00:39:37,520
in the um catacomb valley

1004
00:39:43,910 --> 00:39:41,520
for many years and uh

1005
00:39:45,829 --> 00:39:43,920
but as far as all the settings that are

1006
00:39:47,589 --> 00:39:45,839
cropping up now

1007
00:39:49,990 --> 00:39:47,599
and the reports we've been getting it's

1008
00:39:52,470 --> 00:39:50,000
pretty interesting what's

1009
00:39:53,349 --> 00:39:52,480
uh what some of the descriptions so the

1010
00:39:56,470 --> 00:39:53,359
behavior

1011
00:39:57,190 --> 00:39:56,480
has been uh what do you make of the the

1012
00:39:59,589 --> 00:39:57,200
dog man

1013
00:40:00,870 --> 00:39:59,599

thing i mean do you are you do you think

1014

00:40:03,430 --> 00:40:00,880

it's a flesh

1015

00:40:04,710 --> 00:40:03,440

creature do you think this is a more of

1016

00:40:09,750 --> 00:40:04,720

a paranormal thing

1017

00:40:14,390 --> 00:40:12,790

i don't know butch what do you think i i

1018

00:40:15,030 --> 00:40:14,400

think it could be uh i think it could be

1019

00:40:18,550 --> 00:40:15,040

the one

1020

00:40:22,069 --> 00:40:18,560

be quite honest with you some of the um

1021

00:40:23,750 --> 00:40:22,079

some of the sightings we have had

1022

00:40:26,470 --> 00:40:23,760

seem like they're flesh and blood

1023

00:40:29,990 --> 00:40:26,480

because they're aggressive

1024

00:40:32,309 --> 00:40:30,000

and you know they just don't

1025

00:40:33,990 --> 00:40:32,319

have that look of being something other

1026

00:40:37,430 --> 00:40:34,000

than flesh and blood

1027

00:40:40,630 --> 00:40:37,440

but then again we've had some where

1028

00:40:42,150 --> 00:40:40,640

the actual beast itself just had that

1029

00:40:44,790 --> 00:40:42,160

look to it

1030

00:40:45,270 --> 00:40:44,800

that it didn't you know it had uh like a

1031

00:40:47,190 --> 00:40:45,280

sheen

1032

00:40:48,470 --> 00:40:47,200

or something to it or something that

1033

00:40:52,150 --> 00:40:48,480

would make it look like

1034

00:40:53,430 --> 00:40:52,160

it was not holy flesh and blood i mean

1035

00:40:56,470 --> 00:40:53,440

that's hard to me

1036

00:40:58,470 --> 00:40:56,480

uh these things kind of jump out

1037

00:41:00,790 --> 00:40:58,480

uh you know you heard about this you

1038

00:41:03,430 --> 00:41:00,800

heard about the theory of the uh

1039

00:41:05,109 --> 00:41:03,440

the uh bigfoot that are able to go in

1040

00:41:07,510 --> 00:41:05,119

and out of uh you know

1041

00:41:08,309 --> 00:41:07,520

dimensions well i mean we've heard the

1042

00:41:12,950 --> 00:41:08,319

same thing for

1043

00:41:14,790 --> 00:41:12,960

these dog men so you know i don't know

1044

00:41:16,150 --> 00:41:14,800

it's hard to tell what it is i i guess

1045

00:41:18,150 --> 00:41:16,160

it's just like bigfoot

1046

00:41:20,550 --> 00:41:18,160

and if we get a hold of one or get a

1047

00:41:23,270 --> 00:41:20,560

real good some really

1048

00:41:24,790 --> 00:41:23,280

tangent evidence of it and you know it's

1049

00:41:26,309 --> 00:41:24,800

not going to be too easy to figure out

1050

00:41:29,030 --> 00:41:26,319

what it is

1051
00:41:29,910 --> 00:41:29,040
sure i mean are you finding footprints

1052
00:41:32,550 --> 00:41:29,920
and hair

1053
00:41:34,470 --> 00:41:32,560
like some no hair i don't think we've

1054
00:41:37,589 --> 00:41:34,480
gotten any hair yet

1055
00:41:38,309 --> 00:41:37,599
well we've got yeah butch i know i know

1056
00:41:42,470 --> 00:41:38,319
we have

1057
00:41:45,430 --> 00:41:42,480
had some some odd prints

1058
00:41:46,710 --> 00:41:45,440
but uh i mean the sightings themselves

1059
00:41:50,309 --> 00:41:46,720
and these are people that

1060
00:41:52,230 --> 00:41:50,319
had no idea what this these things were

1061
00:41:54,309 --> 00:41:52,240
uh of course they never heard of them

1062
00:41:57,430 --> 00:41:54,319
you know it's not something that's been

1063
00:42:08,470 --> 00:41:57,440

been talked about in you know

1064

00:42:13,430 --> 00:42:11,910

between the uh the uh dog man and the

1065

00:42:17,589 --> 00:42:13,440

bipedal canine

1066

00:42:19,030 --> 00:42:17,599

the canines are much larger

1067

00:42:21,589 --> 00:42:19,040

you know and they're all described as

1068

00:42:22,390 --> 00:42:21,599

the same you know the massive wolf head

1069

00:42:25,670 --> 00:42:22,400

the

1070

00:42:28,790 --> 00:42:25,680

broad big chested muscular arms

1071

00:42:33,270 --> 00:42:28,800

hands with claws thin waisted

1072

00:42:36,470 --> 00:42:33,280

muscled legs uh hocked legs with uh

1073

00:42:39,750 --> 00:42:36,480

you know uh glowing yellow eyes

1074

00:42:40,550 --> 00:42:39,760

and and that's in every report they show

1075

00:42:44,309 --> 00:42:40,560

no fear

1076

00:42:46,309 --> 00:42:44,319

they don't back off and they

1077

00:42:48,150 --> 00:42:46,319

however they do it they all seem to

1078

00:42:51,109 --> 00:42:48,160

instill this

1079

00:42:51,589 --> 00:42:51,119

um the thing into the viewer's mind that

1080

00:42:54,870 --> 00:42:51,599

um

1081

00:42:57,829 --> 00:42:54,880

you know if you don't leave or you know

1082

00:43:00,870 --> 00:42:57,839

things are really going to get ugly

1083

00:43:01,109 --> 00:43:00,880

and um we've covered a few of them up in

1084

00:43:02,790 --> 00:43:01,119

this

1085

00:43:04,390 --> 00:43:02,800

up quite a few of them up in the center

1086

00:43:07,510 --> 00:43:04,400

part of the state

1087

00:43:08,230 --> 00:43:07,520

we're going back up again and we have a

1088

00:43:10,870 --> 00:43:08,240

couple in

1089

00:43:12,470 --> 00:43:10,880

the east and of course down south in the

1090

00:43:15,270 --> 00:43:12,480

new york area

1091

00:43:16,870 --> 00:43:15,280

but i don't know what we're dealing with

1092

00:43:18,950 --> 00:43:16,880

it could be interdimensional because

1093

00:43:20,390 --> 00:43:18,960

you know the very first one we got was

1094

00:43:22,069 --> 00:43:20,400

where one walked out of the woods in

1095

00:43:24,150 --> 00:43:22,079

front of a guy in his roaring dogs that

1096

00:43:26,309 --> 00:43:24,160

wanted to tear it apart

1097

00:43:28,790 --> 00:43:26,319

and walk in the other side and the

1098

00:43:31,910 --> 00:43:28,800

creature paid no attention to the guy

1099

00:43:34,069 --> 00:43:31,920

at all like they weren't even there

1100

00:43:35,589 --> 00:43:34,079

no dogs no man he just strolled across

1101

00:43:37,510 --> 00:43:35,599

the road and in the other side of the

1102

00:43:40,710 --> 00:43:37,520

woods

1103

00:43:42,950 --> 00:43:40,720

could they be skin walkers possibly

1104

00:43:44,390 --> 00:43:42,960

you know could they be flesh and blood

1105

00:43:47,589 --> 00:43:44,400

possibly

1106

00:43:49,030 --> 00:43:47,599

but until we get more evidence you know

1107

00:43:52,309 --> 00:43:49,040

we just have to keep looking for what we

1108

00:43:55,589 --> 00:43:55,109

now uh do you in my book i have a couple

1109

00:43:58,230 --> 00:43:55,599

of these

1110

00:43:59,270 --> 00:43:58,240

uh sightings of what they described as

1111

00:44:02,309 --> 00:43:59,280

kind of anubis

1112

00:44:02,550 --> 00:44:02,319

sort of creatures um which i'm assuming

1113

00:44:06,309 --> 00:44:02,560

is

1114
00:44:09,910 --> 00:44:06,319
hawks legs

1115
00:44:12,950 --> 00:44:09,920
do you get any uh

1116
00:44:17,589 --> 00:44:12,960
you mean more jackal-like looking

1117
00:44:21,990 --> 00:44:19,270
i'm trying to think off-hand we hadn't

1118
00:44:23,750 --> 00:44:22,000
let that butch i don't think

1119
00:44:25,349 --> 00:44:23,760
all of ours were wolf-like i mean they

1120
00:44:29,030 --> 00:44:25,359
were all described

1121
00:44:33,030 --> 00:44:29,040
as a a very large wolf head um

1122
00:44:35,109 --> 00:44:33,040
short ears um you know a typical

1123
00:44:36,790 --> 00:44:35,119
looking wolf i mean everybody nobody

1124
00:44:38,470 --> 00:44:36,800
described anything what but a wolf

1125
00:44:41,910 --> 00:44:38,480
nobody described

1126
00:44:43,349 --> 00:44:41,920
a dog or um you know bigfoot looking

1127
00:44:46,150 --> 00:44:43,359
creature

1128
00:44:46,550 --> 00:44:46,160
they all seem to have the same color of

1129
00:44:53,910 --> 00:44:46,560
dark

1130
00:44:54,470 --> 00:44:53,920
and um we have a couple with the glowing

1131
00:44:57,750 --> 00:44:54,480
lights

1132
00:44:58,950 --> 00:44:57,760
you know the machine around or the halo

1133
00:45:03,030 --> 00:44:58,960
around the uh

1134
00:45:08,230 --> 00:45:06,230
that's very very interesting um i'm uh

1135
00:45:10,069 --> 00:45:08,240
curious to it seems like they're the

1136
00:45:12,550 --> 00:45:10,079
sightings not just here but but all

1137
00:45:14,790 --> 00:45:12,560
around are just growing and growing

1138
00:45:15,990 --> 00:45:14,800

uh with the the canines the upright

1139

00:45:18,550 --> 00:45:16,000

canines no

1140

00:45:19,510 --> 00:45:18,560

it's you know it you know linda

1141

00:45:22,069 --> 00:45:19,520

godfrey's been

1142

00:45:22,710 --> 00:45:22,079

working on this for years now and of

1143

00:45:25,829 --> 00:45:22,720

course

1144

00:45:27,750 --> 00:45:25,839

mostly was the michigan and wisconsin

1145

00:45:29,270 --> 00:45:27,760

sightings but we're now we're getting in

1146

00:45:32,630 --> 00:45:29,280

ontario

1147

00:45:35,910 --> 00:45:32,640

uh of course ohio's had sightings

1148

00:45:38,230 --> 00:45:35,920

maryland of course had sightings uh

1149

00:45:39,349 --> 00:45:38,240

yeah i mean it's it's something that's

1150

00:45:43,109 --> 00:45:39,359

just

1151
00:45:45,030 --> 00:45:43,119
course

1152
00:45:46,710 --> 00:45:45,040
if you go back and look at yeah if you

1153
00:45:47,750 --> 00:45:46,720
go back and look in history

1154
00:45:49,910 --> 00:45:47,760
there have been sightings in

1155
00:45:52,950 --> 00:45:49,920
pennsylvania but

1156
00:45:54,630 --> 00:45:52,960
you know it's just the fact that people

1157
00:45:55,750 --> 00:45:54,640
i guess didn't want to talk about it a

1158
00:45:58,390 --> 00:45:55,760
whole lot

1159
00:45:58,870 --> 00:45:58,400
uh you know they're historical sightings

1160
00:46:01,190 --> 00:45:58,880
and

1161
00:46:02,670 --> 00:46:01,200
i mean i think the the earliest one i

1162
00:46:07,510 --> 00:46:02,680
have is like the

1163
00:46:12,069 --> 00:46:10,309

you know the interesting thing about

1164

00:46:15,670 --> 00:46:12,079

pennsylvania is and you know

1165

00:46:19,910 --> 00:46:15,680

that the uh the immigrants came from

1166

00:46:23,190 --> 00:46:19,920

germany and it picked up

1167

00:46:26,470 --> 00:46:23,200

as far as the lore and the

1168

00:46:28,309 --> 00:46:26,480

werewolf lure and the type of you know

1169

00:46:31,750 --> 00:46:28,319

these type of things when

1170

00:46:33,670 --> 00:46:31,760

the germans people moved into um

1171

00:46:34,790 --> 00:46:33,680

moved into pennsylvania in northern

1172

00:46:38,069 --> 00:46:34,800

maryland

1173

00:46:41,589 --> 00:46:38,079

and uh you know

1174

00:46:43,589 --> 00:46:41,599

for whatever reason these

1175

00:46:45,990 --> 00:46:43,599

beasts have been started being seen and

1176

00:46:48,710 --> 00:46:46,000

recognized then

1177

00:46:50,550 --> 00:46:48,720

so um yeah and even in the amish and

1178

00:46:52,069 --> 00:46:50,560

mennonite communities especially the old

1179

00:46:53,430 --> 00:46:52,079

amish old men tonight those stories

1180

00:46:56,550 --> 00:46:53,440

still abound

1181

00:46:57,910 --> 00:46:56,560

oh yeah oh yeah

1182

00:47:00,630 --> 00:46:57,920

yeah i always say that uh in

1183

00:47:02,470 --> 00:47:00,640

pennsylvania we we have so much uh

1184

00:47:04,390 --> 00:47:02,480

werewolf stuff that we have the name for

1185

00:47:05,589 --> 00:47:04,400

a a ghost of a werewolf with the

1186

00:47:10,309 --> 00:47:05,599

spookwolf which is

1187

00:47:12,550 --> 00:47:10,319

i i never ran it anywhere but here yep

1188

00:47:13,910 --> 00:47:12,560

yeah i think i heard about a spookwolf

1189

00:47:17,430 --> 00:47:13,920

years and years ago

1190

00:47:18,230 --> 00:47:17,440

but i saw a book and i hadn't thought

1191

00:47:20,470 --> 00:47:18,240

about that and i

1192

00:47:21,270 --> 00:47:20,480

i it brought back some memories because

1193

00:47:23,589 --> 00:47:21,280

i had

1194

00:47:25,910 --> 00:47:23,599

i remember a relative talking about a

1195

00:47:28,470 --> 00:47:25,920

spooked wolf when i was younger

1196

00:47:30,069 --> 00:47:28,480

um and and they were actually they were

1197

00:47:31,990 --> 00:47:30,079

mennonite

1198

00:47:34,069 --> 00:47:32,000

so um you know that kind of thing has

1199

00:47:36,230 --> 00:47:34,079

been going around my family for a long

1200

00:47:39,270 --> 00:47:36,240

time i mean these kind of stories

1201

00:47:44,470 --> 00:47:39,280

and you know you you wonder if they're

1202

00:47:48,309 --> 00:47:46,549

you know i i people are saying something

1203

00:47:50,950 --> 00:47:48,319

i mean i that's that's a fact

1204

00:47:51,990 --> 00:47:50,960

people are seeing something and you know

1205

00:47:55,030 --> 00:47:52,000

when you do talk to

1206

00:47:57,750 --> 00:47:55,040

them and uh

1207

00:48:01,349 --> 00:47:57,760

get the story out of them you can tell

1208

00:48:04,470 --> 00:48:04,069

they are seeing some well it's like i

1209

00:48:07,190 --> 00:48:04,480

say

1210

00:48:08,549 --> 00:48:07,200

in regards to bigfoot sightings if at

1211

00:48:10,549 --> 00:48:08,559

end dogman

1212

00:48:12,069 --> 00:48:10,559

if we're going to trust an adult can

1213

00:48:15,270 --> 00:48:12,079

tell the difference between a bear

1214

00:48:18,790 --> 00:48:15,280

and an you know an upright walking uh

1215

00:48:20,870 --> 00:48:18,800

hominid and i think most most adults can

1216

00:48:22,549 --> 00:48:20,880

i mean most people can look at a bear

1217

00:48:23,750 --> 00:48:22,559

and know you know if they see a bigfoot

1218

00:48:24,870 --> 00:48:23,760

it's not a bear

1219

00:48:26,390 --> 00:48:24,880

and we're going to have to trust them

1220

00:48:26,950 --> 00:48:26,400

when they say the thing had a wolf head

1221

00:48:28,950 --> 00:48:26,960

too i

1222

00:48:30,950 --> 00:48:28,960

i mean if you're going to trust them as

1223

00:48:32,630 --> 00:48:30,960

as far as defeats and eight foot walking

1224

00:48:34,390 --> 00:48:32,640

hominids then

1225

00:48:36,150 --> 00:48:34,400

you can't discount it if they say it has

1226

00:48:40,790 --> 00:48:36,160

a wolf head you know you gotta gotta

1227

00:48:46,230 --> 00:48:43,990

so what other uh what our phenomena

1228

00:48:49,109 --> 00:48:46,240

you wanna talk about in this down here

1229

00:48:52,069 --> 00:48:49,119

in south central

1230

00:48:54,950 --> 00:48:52,079

oh well there was the main areas i

1231

00:48:57,510 --> 00:48:54,960

looked into were were

1232

00:48:58,470 --> 00:48:57,520

the toad road area which again i i found

1233

00:49:01,030 --> 00:48:58,480

that to be

1234

00:49:02,790 --> 00:49:01,040

um cryptid activity you know it had been

1235

00:49:05,349 --> 00:49:02,800

reported to be ghost activity i think it

1236

00:49:07,589 --> 00:49:05,359

confirms more with cryptid activity

1237

00:49:09,030 --> 00:49:07,599

and in fact i found uh there was a

1238

00:49:10,470 --> 00:49:09,040

creature from pennsylvania folklore

1239

00:49:13,750 --> 00:49:10,480

called the hide behind

1240

00:49:14,069 --> 00:49:13,760

and uh the nature of that yeah was that

1241

00:49:16,549 --> 00:49:14,079

uh

1242

00:49:17,990 --> 00:49:16,559

it stalked people and it it was took the

1243

00:49:20,870 --> 00:49:18,000

last people in line and they said

1244

00:49:22,630 --> 00:49:20,880

the native americans when the uh

1245

00:49:24,069 --> 00:49:22,640

europeans got here they said only the

1246

00:49:24,390 --> 00:49:24,079

bravest should be the last in line

1247

00:49:25,829 --> 00:49:24,400

because

1248

00:49:28,069 --> 00:49:25,839

they can be relied on number to look

1249

00:49:29,430 --> 00:49:28,079

behind them and uh

1250

00:49:31,430 --> 00:49:29,440

when you look behind is when you get

1251

00:49:34,150 --> 00:49:31,440

taken i guess people would be

1252

00:49:34,790 --> 00:49:34,160

like uh they'd see the hide behind they

1253

00:49:38,069 --> 00:49:34,800

get

1254

00:49:41,109 --> 00:49:38,079

struck with fear so um that

1255

00:49:44,309 --> 00:49:41,119

actually reminded me of david polite's

1256

00:49:47,030 --> 00:49:44,319

work because uh the missing 411 stuff

1257

00:49:49,190 --> 00:49:47,040

he found that often it's the last in

1258

00:49:51,750 --> 00:49:49,200

line that's getting taken

1259

00:49:53,589 --> 00:49:51,760

so i started i started to look for

1260

00:49:57,349 --> 00:49:53,599

missing people up there

1261

00:50:00,470 --> 00:49:57,359

and i did find uh in march of 2014

1262

00:50:02,309 --> 00:50:00,480

a 61 year old woman was dropped off to

1263

00:50:04,470 --> 00:50:02,319

walk alone in the area she's gone

1264

00:50:06,470 --> 00:50:04,480

missing without a trace

1265

00:50:07,910 --> 00:50:06,480

and i found two dead hunters right in

1266

00:50:09,829 --> 00:50:07,920

the area to the road one was from the

1267

00:50:12,150 --> 00:50:09,839

1920s he was found dead he had

1268

00:50:15,190 --> 00:50:12,160

discharged a shotgun two times

1269

00:50:16,950 --> 00:50:15,200

and was found dead and in recent years

1270

00:50:18,470 --> 00:50:16,960

uh in the past three years i think a

1271

00:50:20,470 --> 00:50:18,480

hunter was found dead he was assumed to

1272

00:50:22,630 --> 00:50:20,480

have fallen from his tree stand

1273

00:50:24,390 --> 00:50:22,640

so there's some you know mysterious

1274

00:50:25,349 --> 00:50:24,400

deaths that go along with it up there or

1275

00:50:27,990 --> 00:50:25,359

and missing people

1276

00:50:29,910 --> 00:50:28,000

too you know i would ask you about that

1277

00:50:31,430 --> 00:50:29,920

photograph you took on trout road the

1278

00:50:35,190 --> 00:50:31,440

one looks like

1279

00:50:36,870 --> 00:50:35,200

the wolf yeah the canine type thing

1280

00:50:38,470 --> 00:50:36,880

uh what do you think that was you think

1281

00:50:42,069 --> 00:50:38,480

that was paranoia you think it was

1282

00:50:44,950 --> 00:50:42,079

actually something that you captured

1283

00:50:45,430 --> 00:50:44,960

i i i honestly i go back and forth on

1284

00:50:48,470 --> 00:50:45,440

that

1285

00:50:50,069 --> 00:50:48,480

because it whatever it was

1286

00:50:51,910 --> 00:50:50,079

i didn't know it was there i was just

1287

00:50:53,510 --> 00:50:51,920

taking pictures when i was back there

1288

00:50:55,430 --> 00:50:53,520

i want to take as many pictures i could

1289

00:50:58,549 --> 00:50:55,440

to document things

1290

00:50:59,750 --> 00:50:58,559

and uh when i when i saw that picture i

1291

00:51:03,030 --> 00:50:59,760

saw that dark spot

1292

00:51:05,510 --> 00:51:03,040

in the picture i had to blow it up um

1293

00:51:06,549 --> 00:51:05,520

i'm i i don't know the people that were

1294

00:51:09,910 --> 00:51:06,559

with me

1295

00:51:10,870 --> 00:51:09,920

um one of them says it's just paradoria

1296

00:51:13,910 --> 00:51:10,880

the other one says

1297

00:51:17,030 --> 00:51:13,920

we caught something um and i'm i

1298

00:51:18,309 --> 00:51:17,040

i go back and forth i don't know it's i

1299

00:51:21,349 --> 00:51:18,319

think

1300

00:51:24,309 --> 00:51:21,359

type

1301

00:51:25,430 --> 00:51:24,319

it could be i mean i really do the eye

1302

00:51:30,230 --> 00:51:25,440

looks like it's glowing

1303

00:51:33,750 --> 00:51:32,630

thing you caught me was that glowing eye

1304

00:51:35,190 --> 00:51:33,760

yeah that's that's

1305

00:51:37,030 --> 00:51:35,200

that's input but there's nothing

1306

00:51:38,390 --> 00:51:37,040

underneath it that's that's

1307

00:51:41,270 --> 00:51:38,400

a strange thing about it's like a

1308

00:51:44,710 --> 00:51:41,280

floating head and neck

1309

00:51:47,190 --> 00:51:44,720

and uh i just think that that is some

1310

00:51:50,950 --> 00:51:47,200

type of apparition or

1311

00:51:53,670 --> 00:51:50,960

weird anomaly i don't think i just

1312

00:51:55,430 --> 00:51:53,680

think it's you know it's something that

1313

00:51:58,150 --> 00:51:55,440

actually manifested

1314

00:52:00,470 --> 00:51:58,160

and you're lucky enough to capture it

1315

00:52:03,510 --> 00:52:00,480

yeah it was pure luck but i didn't see

1316

00:52:04,470 --> 00:52:03,520

anything when i took that picture um but

1317

00:52:06,150 --> 00:52:04,480

uh

1318

00:52:07,829 --> 00:52:06,160

well for instance and i mentioned this

1319

00:52:09,910 --> 00:52:07,839

in the book my my wife's a

1320

00:52:11,510 --> 00:52:09,920

pretty die-hard skeptic which i'm i'm

1321

00:52:12,630 --> 00:52:11,520

happy about i think it's good to to have

1322

00:52:14,950 --> 00:52:12,640

a skeptic in my life

1323

00:52:16,549 --> 00:52:14,960

and it you know who can point at stuff

1324

00:52:17,990 --> 00:52:16,559

and say you know you're being silly

1325

00:52:20,069 --> 00:52:18,000

that's you know

1326

00:52:22,309 --> 00:52:20,079

look at it this way and she usually has

1327

00:52:24,390 --> 00:52:22,319

good logical explanations for things

1328

00:52:26,069 --> 00:52:24,400

but when she saw that picture she was

1329

00:52:29,190 --> 00:52:26,079

she said whoa that is

1330

00:52:30,710 --> 00:52:29,200

really weird that is eerie

1331

00:52:34,950 --> 00:52:30,720

so that kind of let me know i was onto

1332

00:52:40,630 --> 00:52:37,750

yeah you were uh you're talking about uh

1333

00:52:43,270 --> 00:52:40,640

in the book about spook lights

1334

00:52:44,790 --> 00:52:43,280

and that's you know that's a phenomenon

1335

00:52:47,829 --> 00:52:44,800

that we see

1336

00:52:48,390 --> 00:52:47,839

with bigfoot sightings a lot uh where

1337

00:52:51,430 --> 00:52:48,400

these

1338

00:52:55,670 --> 00:52:51,440

strange lights just end to show up

1339

00:52:59,270 --> 00:52:55,680

uh particularly in wooded areas

1340

00:53:02,390 --> 00:52:59,280

uh i've had several s even with

1341

00:53:03,430 --> 00:53:02,400

uh people i know that research in in the

1342

00:53:07,109 --> 00:53:03,440

state

1343

00:53:09,670 --> 00:53:07,119

several spooklights are glowing orbs or

1344

00:53:12,870 --> 00:53:09,680

something like that that shows up

1345

00:53:14,069 --> 00:53:12,880

around the time a bigfoot is suspected

1346

00:53:17,430 --> 00:53:14,079

to be in the area

1347

00:53:24,069 --> 00:53:20,549

yeah i i found that again and again it's

1348

00:53:25,750 --> 00:53:24,079

uh i guess it's inconvenient for for uh

1349

00:53:27,510 --> 00:53:25,760

some people who just want to think of it

1350

00:53:30,230 --> 00:53:27,520

as just an ape in the woods

1351

00:53:32,230 --> 00:53:30,240

um but these lights go along with it

1352

00:53:33,990 --> 00:53:32,240

with their weather

1353

00:53:35,589 --> 00:53:34,000

i i kind of fall down on the side that

1354

00:53:38,390 --> 00:53:35,599

it's it's

1355

00:53:40,710 --> 00:53:38,400

it's a paranormal creature in that it's

1356

00:53:42,390 --> 00:53:40,720

it's outside of the normal

1357

00:53:44,069 --> 00:53:42,400

and it's super human in that it has

1358

00:53:45,430 --> 00:53:44,079

abilities that are beyond ours it's

1359

00:53:47,349 --> 00:53:45,440

certainly quicker stronger

1360

00:53:49,190 --> 00:53:47,359

you can see in the dark you know just it

1361

00:53:52,549 --> 00:53:49,200

has abilities beyond earth

1362

00:53:54,150 --> 00:53:52,559

but i think it's uh i'm not sure if it's

1363

00:53:56,470 --> 00:53:54,160

supernatural or if there's something

1364

00:53:59,670 --> 00:53:56,480

like quantum physics going on

1365

00:54:01,589 --> 00:53:59,680

um because you know quantum physics

1366

00:54:02,390 --> 00:54:01,599

before we understood it seemed very very

1367

00:54:04,549 --> 00:54:02,400

spooky

1368

00:54:06,309 --> 00:54:04,559

um and if you don't understand quantum

1369

00:54:09,030 --> 00:54:06,319

physics it seems like magic

1370

00:54:11,430 --> 00:54:09,040

uh that's going on so i don't know if

1371

00:54:13,190 --> 00:54:11,440

there's something

1372

00:54:16,069 --> 00:54:13,200

they leave footprints they leave hair

1373

00:54:19,030 --> 00:54:16,079

they eat they leave scat

1374

00:54:21,030 --> 00:54:19,040

um i i'm falling down on the side that

1375

00:54:24,069 --> 00:54:21,040

they're natural creatures but that they

1376

00:54:26,069 --> 00:54:24,079

they have access to

1377

00:54:27,750 --> 00:54:26,079

to something that we don't uh you know

1378

00:54:30,790 --> 00:54:27,760

there's some way that that

1379

00:54:32,710 --> 00:54:30,800

that these lights play into it and uh

1380

00:54:34,950 --> 00:54:32,720

well the footprints that just walk off

1381

00:54:36,390 --> 00:54:34,960

into the middle fields and stop

1382

00:54:37,750 --> 00:54:36,400

and uh and things like that and of

1383

00:54:37,990 --> 00:54:37,760

course you know people reported them

1384

00:54:41,030 --> 00:54:38,000

just

1385

00:54:42,710 --> 00:54:41,040

disappearing which

1386

00:54:44,470 --> 00:54:42,720

yeah i mean what's that you know maybe

1387

00:54:45,510 --> 00:54:44,480

maybe they're that fast that it seems

1388

00:54:46,470 --> 00:54:45,520

like they're disappearing or maybe

1389

00:54:49,270 --> 00:54:46,480

they're disappearing i

1390

00:54:53,030 --> 00:54:49,280

i don't know but uh the lights do seem

1391

00:54:55,670 --> 00:54:53,040

to play into it somehow

1392

00:54:57,430 --> 00:54:55,680

um you know i uh i had spent a lot of

1393

00:55:00,549 --> 00:54:57,440

time in hex hollow

1394

00:55:02,390 --> 00:55:00,559

when i was younger and uh i had

1395

00:55:05,589 --> 00:55:02,400

i had been there a couple years ago too

1396

00:55:08,789 --> 00:55:05,599

but i i know we used to see these lights

1397

00:55:11,829 --> 00:55:08,799

in around there as well

1398

00:55:13,109 --> 00:55:11,839

especially several hundred yards in

1399

00:55:14,390 --> 00:55:13,119

front of the house into the hollow

1400

00:55:15,750 --> 00:55:14,400

itself

1401

00:55:17,430 --> 00:55:15,760

and we used to see them out there in the

1402

00:55:20,390 --> 00:55:17,440

field

1403

00:55:21,589 --> 00:55:20,400

and uh you know that was something that

1404

00:55:24,230 --> 00:55:21,599

we actually

1405

00:55:25,510 --> 00:55:24,240

was pretty constant what they were i

1406

00:55:28,230 --> 00:55:25,520

have no idea i mean

1407

00:55:29,750 --> 00:55:28,240

now i know you've been down there i was

1408

00:55:32,470 --> 00:55:29,760

down there today

1409

00:55:34,309 --> 00:55:32,480

where are you what is your what is your

1410

00:55:36,950 --> 00:55:34,319

impression of that place

1411

00:55:38,390 --> 00:55:36,960

now you know i i'm sure not everybody

1412

00:55:40,789 --> 00:55:38,400

knows the history of it

1413

00:55:41,670 --> 00:55:40,799

maybe you can give give a brief history

1414

00:55:44,710 --> 00:55:41,680

of what

1415

00:55:46,630 --> 00:55:44,720

the remark ray meyer hollow hex hollow

1416

00:55:48,630 --> 00:55:46,640

what that is

1417

00:55:50,150 --> 00:55:48,640

well it's called hex hollow because the

1418

00:55:52,069 --> 00:55:50,160

the the so-called uh

1419

00:55:53,670 --> 00:55:52,079

hex murder occurred there one one of

1420

00:55:54,230 --> 00:55:53,680

pennsylvania's many i guess the most

1421

00:55:57,270 --> 00:55:54,240

famous

1422

00:56:00,549 --> 00:55:57,280

uh pennsylvania hex murder um

1423

00:56:03,109 --> 00:56:00,559

which is a man named nelson raymar who

1424

00:56:04,150 --> 00:56:03,119

i in my mind he was just a healer he he

1425

00:56:07,750 --> 00:56:04,160

really wasn't a witch

1426

00:56:09,829 --> 00:56:07,760

or anything but he he uh

1427

00:56:11,670 --> 00:56:09,839

was a proponent of pow-wowing and this

1428

00:56:15,030 --> 00:56:11,680

is a local kind of faith healing

1429

00:56:18,870 --> 00:56:15,040

um and i will say nelson rigemeier was

1430

00:56:23,670 --> 00:56:18,880

a relative was he

1431

00:56:25,589 --> 00:56:23,680

yeah yeah on my grandmother's side yeah

1432

00:56:28,829 --> 00:56:25,599

we might be you might be related to my

1433

00:56:34,710 --> 00:56:30,549

do

1434

00:56:37,109 --> 00:56:34,720

but uh yeah and uh so

1435

00:56:39,190 --> 00:56:37,119

this uh fella named blimeyer had decided

1436

00:56:41,190 --> 00:56:39,200

someone had put a curse on him

1437

00:56:43,430 --> 00:56:41,200

and he went to see several powwow

1438

00:56:45,670 --> 00:56:43,440

doctors in the area

1439

00:56:47,670 --> 00:56:45,680

and finally saw this uh woman they

1440

00:56:52,789 --> 00:56:47,680

called the river witch of marietta

1441

00:56:55,829 --> 00:56:52,799

um right who lived in marietta of course

1442

00:56:57,910 --> 00:56:55,839

and after several visits to her she the

1443

00:56:59,589 --> 00:56:57,920

story goes he handed her a dollar bill

1444

00:57:01,430 --> 00:56:59,599

and she handed it back to him and said

1445

00:57:03,430 --> 00:57:01,440

unfold it you'll see the the face of the

1446

00:57:06,950 --> 00:57:03,440

person who put the curse on you

1447

00:57:09,190 --> 00:57:06,960

he unfolded and saw ray meyer's face

1448

00:57:10,309 --> 00:57:09,200

so he decided uh he asked her how to

1449

00:57:11,910 --> 00:57:10,319

break the curse and she said you got to

1450

00:57:13,430 --> 00:57:11,920

get his textbook which would have been

1451

00:57:16,630 --> 00:57:13,440

the long-lost friend that's a

1452

00:57:18,789 --> 00:57:16,640

common uh book in the area

1453

00:57:20,230 --> 00:57:18,799

and that deals with pow-wowing or you

1454

00:57:21,030 --> 00:57:20,240

got to get a lock of his hair and you

1455

00:57:24,390 --> 00:57:21,040

got to bury him

1456

00:57:27,510 --> 00:57:24,400

six feet in the ground

1457

00:57:27,910 --> 00:57:27,520

so blaimer got the help of of uh these

1458

00:57:30,390 --> 00:57:27,920

two

1459

00:57:32,230 --> 00:57:30,400

local boys hess and curry kind of

1460

00:57:34,630 --> 00:57:32,240

convinced them that they had a curse put

1461

00:57:36,230 --> 00:57:34,640

put on them too and they all went down

1462

00:57:38,069 --> 00:57:36,240

to raymer's place

1463

00:57:40,309 --> 00:57:38,079

two consecutive nights on on the second

1464

00:57:41,750 --> 00:57:40,319

night uh

1465

00:57:44,150 --> 00:57:41,760

the first night they couldn't work up

1466

00:57:47,670 --> 00:57:44,160

the nerve to uh

1467

00:57:50,230 --> 00:57:47,680

to take them on um and ray meyer

1468

00:57:50,710 --> 00:57:50,240

he was a healer he was a seems like a

1469

00:57:53,190 --> 00:57:50,720

pretty

1470

00:57:54,630 --> 00:57:53,200

righteous guy he invited him in and gave

1471

00:57:56,309 --> 00:57:54,640

them breakfast the next morning kind of

1472

00:57:58,230 --> 00:57:56,319

sent them on their way

1473

00:57:59,670 --> 00:57:58,240

and they showed up the following night

1474

00:58:01,829 --> 00:57:59,680

he invited him in again and that's when

1475

00:58:04,309 --> 00:58:01,839

they got kind of hostile with them and

1476
00:58:05,750 --> 00:58:04,319
and they asked where where is it where

1477
00:58:07,510 --> 00:58:05,760
is it he thought they were talking about

1478
00:58:08,630 --> 00:58:07,520
his wallet so he pulled out his wallet

1479
00:58:13,109 --> 00:58:08,640
and

1480
00:58:14,630 --> 00:58:13,119
they uh then they just beat him to death

1481
00:58:17,190 --> 00:58:14,640
tried to lay the place on fire to burn

1482
00:58:19,910 --> 00:58:17,200
it down and the fire didn't take

1483
00:58:21,270 --> 00:58:19,920
and they left and a big big trial ensued

1484
00:58:23,510 --> 00:58:21,280
afterwards

1485
00:58:25,910 --> 00:58:23,520
very famous uh at the time it was kind

1486
00:58:28,470 --> 00:58:25,920
of like as big as the oj trial i think

1487
00:58:29,990 --> 00:58:28,480
in its day newspapers all over the

1488
00:58:33,589 --> 00:58:30,000

country covered it but

1489

00:58:36,710 --> 00:58:33,599

um so it became kind of uh

1490

00:58:39,190 --> 00:58:36,720

associated with with witchcraft and and

1491

00:58:40,789 --> 00:58:39,200

ghosts and spooky stuff but heck's how

1492

00:58:42,870 --> 00:58:40,799

the raymeyer howl

1493

00:58:43,910 --> 00:58:42,880

has had stuff going on there but well

1494

00:58:47,190 --> 00:58:43,920

before the

1495

00:58:47,589 --> 00:58:47,200

the hex murder i have uh found stories

1496

00:58:49,589 --> 00:58:47,599

about

1497

00:58:51,109 --> 00:58:49,599

what they call a fiery ghost that they

1498

00:58:52,950 --> 00:58:51,119

were seeing in there like a flaming

1499

00:58:54,630 --> 00:58:52,960

flaming ghost they were seeing in in the

1500

00:58:56,390 --> 00:58:54,640

1890s

1501

00:58:58,230 --> 00:58:56,400

and they talked about spook lights in

1502

00:59:01,190 --> 00:58:58,240

the newspaper

1503

00:59:01,510 --> 00:59:01,200

back then too which which i've seen uh

1504

00:59:03,589 --> 00:59:01,520

not

1505

00:59:05,430 --> 00:59:03,599

in ray myself but coming coming out like

1506

00:59:07,030 --> 00:59:05,440

i i was in raymond's island i saw him on

1507

00:59:08,390 --> 00:59:07,040

the distance the hills kind of outside

1508

00:59:10,630 --> 00:59:08,400

of the hollow

1509

00:59:13,190 --> 00:59:10,640

so uh it's it's definitely a spooky

1510

00:59:17,109 --> 00:59:15,270

yeah my experience is down there as well

1511

00:59:18,950 --> 00:59:17,119

it's um

1512

00:59:20,870 --> 00:59:18,960

it you know of course i think you might

1513

00:59:24,069 --> 00:59:20,880

have mentioned something in the book but

1514

00:59:25,270 --> 00:59:24,079

i had a uh i don't know what i it may

1515

00:59:28,069 --> 00:59:25,280

have been an apparition

1516

00:59:30,789 --> 00:59:28,079

it had to be an apparition but this this

1517

00:59:32,710 --> 00:59:30,799

man didn't have a face

1518

00:59:35,030 --> 00:59:32,720

and i know it scared the living crap out

1519

00:59:37,349 --> 00:59:35,040

of me i was just a kid in high school

1520

00:59:39,349 --> 00:59:37,359

and i i jumped over the barrier got back

1521

00:59:42,710 --> 00:59:39,359

in the car and hauled ass home

1522

00:59:44,870 --> 00:59:42,720

but uh that was the damnest thing i

1523

00:59:46,309 --> 00:59:44,880

one of the strangest things i had ever

1524

00:59:49,430 --> 00:59:46,319

seen

1525

00:59:52,710 --> 00:59:49,440

but i had been there after that and

1526

00:59:54,470 --> 00:59:52,720

like i said before it just i just always

1527

00:59:56,150 --> 00:59:54,480

got the impression that

1528

00:59:58,870 --> 00:59:56,160

something was hanging around down there

1529

01:00:02,549 --> 00:59:58,880

uh i don't know how you feel about it

1530

01:00:05,109 --> 01:00:02,559

well i right now i'm i'm i'm playing uh

1531

01:00:07,109 --> 01:00:05,119

with what my wife calls chess with

1532

01:00:08,069 --> 01:00:07,119

someone or something down there i found

1533

01:00:15,910 --> 01:00:08,079

a

1534

01:00:17,270 --> 01:00:15,920

interesting

1535

01:00:18,470 --> 01:00:17,280

and i've been moving them and every time

1536

01:00:19,109 --> 01:00:18,480

i come back they're in a different

1537

01:00:22,230 --> 01:00:19,119

pattern

1538

01:00:24,069 --> 01:00:22,240

um i i don't think it's

1539

01:00:25,670 --> 01:00:24,079

i don't know i don't think it's people

1540

01:00:27,670 --> 01:00:25,680

but it could be i i

1541

01:00:29,990 --> 01:00:27,680

it absolutely could be i just i have no

1542

01:00:31,990 --> 01:00:30,000

way of knowing it seems like

1543

01:00:33,270 --> 01:00:32,000

the other day i i moved him into a

1544

01:00:34,789 --> 01:00:33,280

different pattern i left

1545

01:00:36,630 --> 01:00:34,799

came back in 20 minutes and something

1546

01:00:38,470 --> 01:00:36,640

was added to it um

1547

01:00:39,990 --> 01:00:38,480

within 20 minutes i didn't see any other

1548

01:00:43,030 --> 01:00:40,000

people there

1549

01:00:45,190 --> 01:00:43,040

so i i don't know what's going on with

1550

01:00:48,630 --> 01:00:45,200

that

1551
01:00:49,030 --> 01:00:48,640
yeah it's um and if people want to read

1552
01:00:53,109 --> 01:00:49,040
about

1553
01:00:56,470 --> 01:00:53,119
book is uh

1554
01:00:59,829 --> 01:00:56,480
is hex which was uh

1555
01:01:03,190 --> 01:00:59,839
which was written by uh author

1556
01:01:05,030 --> 01:01:03,200
what's water lewis yeah arthur lewis

1557
01:01:06,630 --> 01:01:05,040
and you know i read that book when i was

1558
01:01:10,549 --> 01:01:06,640
younger

1559
01:01:12,630 --> 01:01:10,559
yeah i might be out of print now um

1560
01:01:13,750 --> 01:01:12,640
but it is that is i think the best one i

1561
01:01:16,470 --> 01:01:13,760
i agree yeah

1562
01:01:17,190 --> 01:01:16,480
it kind of gets gets into exactly what

1563
01:01:19,430 --> 01:01:17,200

happened

1564

01:01:20,470 --> 01:01:19,440

now there was a movie made years ago not

1565

01:01:23,990 --> 01:01:20,480

not too long

1566

01:01:27,349 --> 01:01:24,000

i guess back in i don't know the 80s but

1567

01:01:30,150 --> 01:01:27,359

it was uh it was

1568

01:01:31,589 --> 01:01:30,160

titled back in 88 called apprentice to

1569

01:01:35,670 --> 01:01:31,599

myrrh

1570

01:01:39,349 --> 01:01:35,680

and uh donald sutherland yeah

1571

01:01:42,710 --> 01:01:39,359

and uh it kind of brushed around

1572

01:01:47,270 --> 01:01:42,720

you know the the hex murder and

1573

01:01:50,390 --> 01:01:47,280

he was uh out to kill

1574

01:01:52,710 --> 01:01:50,400

uh you know the old witch and

1575

01:01:55,270 --> 01:01:52,720

that he ended up prison so he kind of

1576

01:01:59,109 --> 01:01:55,280

paralleled it to a point

1577

01:02:02,630 --> 01:01:59,119

but uh it was kind of a weird movie

1578

01:02:03,750 --> 01:02:02,640

it really was yeah it was it was it was

1579

01:02:05,670 --> 01:02:03,760

odd

1580

01:02:06,789 --> 01:02:05,680

there's a documentary released recently

1581

01:02:08,309 --> 01:02:06,799

um

1582

01:02:09,990 --> 01:02:08,319

it's i think it's on amazon it's just

1583

01:02:12,150 --> 01:02:10,000

called hex hollow that's it does a

1584

01:02:15,589 --> 01:02:12,160

pretty good job of of uh

1585

01:02:18,069 --> 01:02:15,599

telling the story yeah pretty pretty

1586

01:02:20,710 --> 01:02:18,079

fair job too i've

1587

01:02:22,309 --> 01:02:20,720

seen some local local authors give talks

1588

01:02:24,870 --> 01:02:22,319

and stuff and and they're

1589

01:02:26,230 --> 01:02:24,880

often uh pretty hard on raymar who who

1590

01:02:27,270 --> 01:02:26,240

in my mind was nothing more than a

1591

01:02:29,029 --> 01:02:27,280

victim

1592

01:02:32,829 --> 01:02:29,039

and i think i think this documentary is

1593

01:02:34,309 --> 01:02:32,839

a little more fair all around uh to all

1594

01:02:36,390 --> 01:02:34,319

parties

1595

01:02:39,029 --> 01:02:36,400

um have you ever had an experience have

1596

01:02:42,230 --> 01:02:39,039

you ever had any experience with

1597

01:02:46,390 --> 01:02:42,240

with any pal hours at all

1598

01:02:48,230 --> 01:02:46,400

well my wife's uh family

1599

01:02:49,430 --> 01:02:48,240

her grandparent or sorry her

1600

01:02:52,950 --> 01:02:49,440

great-grandmother

1601

01:02:54,630 --> 01:02:52,960

uh was and uh her mom

1602

01:02:57,190 --> 01:02:54,640

was taken when she was young she was

1603

01:02:59,510 --> 01:02:57,200

taken to pow hours um

1604

01:03:01,349 --> 01:02:59,520

it was just very common around here i i

1605

01:03:03,270 --> 01:03:01,359

didn't live in the area so

1606

01:03:05,430 --> 01:03:03,280

by the time i moved here it was kind of

1607

01:03:10,549 --> 01:03:05,440

a not as much a going concern but

1608

01:03:16,390 --> 01:03:13,190

we had relatives that were actually

1609

01:03:20,390 --> 01:03:16,400

doing it back in the 60s yet and

1610

01:03:22,789 --> 01:03:20,400

i've been raised around a few of them

1611

01:03:25,829 --> 01:03:22,799

but as you know i mean pow wow is

1612

01:03:27,670 --> 01:03:25,839

considered illegal in pennsylvania

1613

01:03:29,109 --> 01:03:27,680

there's actually a law in the books that

1614

01:03:30,870 --> 01:03:29,119

outlaws

1615

01:03:32,789 --> 01:03:30,880

and that was put in the books not long

1616

01:03:37,589 --> 01:03:32,799

after the trial

1617

01:03:40,150 --> 01:03:37,599

but uh i believe it yeah yeah and uh

1618

01:03:41,589 --> 01:03:40,160

you know i i still and i still keep it i

1619

01:03:43,990 --> 01:03:41,599

uh

1620

01:03:46,230 --> 01:03:44,000

i have a long lost friend i keep with me

1621

01:03:48,150 --> 01:03:46,240

all the time

1622

01:03:50,470 --> 01:03:48,160

i you know it's almost like a talisman

1623

01:03:53,910 --> 01:03:53,510

it's a neat little book i i buy uh i

1624

01:03:56,630 --> 01:03:53,920

have

1625

01:03:57,990 --> 01:03:56,640

i try to collect different editions uh i

1626

01:04:00,390 --> 01:03:58,000

can't afford the the real real

1627

01:04:01,990 --> 01:04:00,400

old ones but uh yeah there's been so

1628

01:04:03,349 --> 01:04:02,000

many additions when some when i come up

1629

01:04:05,029 --> 01:04:03,359

at you know an antique store or an

1630

01:04:07,270 --> 01:04:05,039

auction or something for for

1631

01:04:08,470 --> 01:04:07,280

cheap i always pick it up and i have a

1632

01:04:11,589 --> 01:04:08,480

whole collection all these different

1633

01:04:14,789 --> 01:04:13,589

yeah it is an interesting little book

1634

01:04:17,510 --> 01:04:14,799

it's i mean i

1635

01:04:17,910 --> 01:04:17,520

wouldn't put my faith in a lot of it but

1636

01:04:23,190 --> 01:04:17,920

uh

1637

01:04:26,390 --> 01:04:23,200

spells are kind of interesting to read

1638

01:04:27,670 --> 01:04:26,400

uh and then of course in the back of it

1639

01:04:30,150 --> 01:04:27,680

it gives you uh

1640

01:04:30,950 --> 01:04:30,160

what each spell is for how you can treat

1641

01:04:32,950 --> 01:04:30,960

each

1642

01:04:36,150 --> 01:04:32,960

ailment and all and i mean tell you i

1643

01:04:37,589 --> 01:04:36,160

mean that's some really weird stuff but

1644

01:04:40,549 --> 01:04:37,599

some of the stuff i heard when i was

1645

01:04:42,549 --> 01:04:40,559

younger it doesn't surprise me

1646

01:04:44,870 --> 01:04:42,559

because i have seen people do some of

1647

01:04:48,549 --> 01:04:44,880

the weird stuff that's in there

1648

01:04:51,109 --> 01:04:48,559

and uh i had an aunt that used the

1649

01:04:52,789 --> 01:04:51,119

just just for the family used a few

1650

01:04:54,230 --> 01:04:52,799

things that were very similar what were

1651

01:04:57,750 --> 01:04:54,240

in the book

1652

01:05:02,630 --> 01:04:57,760

uh i wasn't sure what it was back then

1653

01:05:05,190 --> 01:05:02,640

but uh yeah i know she she knew of it

1654

01:05:06,470 --> 01:05:05,200

but like you said that appalachian folk

1655

01:05:10,309 --> 01:05:06,480

magic

1656

01:05:12,470 --> 01:05:10,319

it as well

1657

01:05:13,670 --> 01:05:12,480

that was pretty prevalent up and down up

1658

01:05:16,390 --> 01:05:13,680

and down the uh

1659

01:05:18,230 --> 01:05:16,400

appalachian mountains in pennsylvania

1660

01:05:18,470 --> 01:05:18,240

all the way down into kentucky and such

1661

01:05:25,670 --> 01:05:18,480

i

1662

01:05:28,710 --> 01:05:25,680

and all down

1663

01:05:32,069 --> 01:05:28,720

you know down in the carolinas so

1664

01:05:33,589 --> 01:05:32,079

you know it's still going on but uh

1665

01:05:36,549 --> 01:05:33,599

like you said it's not as prevalent as

1666

01:05:38,390 --> 01:05:36,559

it used to be

1667

01:05:40,069 --> 01:05:38,400

they talk a bit about it in that uh hex

1668

01:05:41,510 --> 01:05:40,079

hollow movie they have some modern day

1669

01:05:44,230 --> 01:05:41,520

uh practitioners in there

1670

01:05:45,589 --> 01:05:44,240

and and stuff yeah it's pretty

1671

01:05:47,430 --> 01:05:45,599

interesting

1672

01:05:48,870 --> 01:05:47,440

yeah i know a few of them that are still

1673

01:05:50,870 --> 01:05:48,880

around i know there's a guy up in

1674

01:05:52,710 --> 01:05:50,880

redding

1675

01:05:54,710 --> 01:05:52,720

that i don't think he advertises a whole

1676

01:05:57,829 --> 01:05:54,720

lot but i know of one

1677

01:05:59,589 --> 01:05:57,839

and every once in a while you'll read

1678

01:06:03,109 --> 01:05:59,599

about another person that

1679

01:06:07,829 --> 01:06:03,119

is actually interested in it so yeah

1680

01:06:11,670 --> 01:06:10,710

so i i would i would hazard a guess with

1681

01:06:13,270 --> 01:06:11,680

you know the families that have been

1682

01:06:15,270 --> 01:06:13,280

here for generations it's probably

1683

01:06:16,309 --> 01:06:15,280

there's probably more of it around than

1684

01:06:20,150 --> 01:06:16,319

uh

1685

01:06:23,910 --> 01:06:20,160

then is made public um

1686

01:06:26,150 --> 01:06:23,920

well my family were all

1687

01:06:28,230 --> 01:06:26,160

amish on both sides i mean not my

1688

01:06:29,829 --> 01:06:28,240

mother's side but on both sides of my

1689

01:06:32,549 --> 01:06:29,839

grandparents they were both they were

1690

01:06:36,069 --> 01:06:32,559

all amish when they came over here

1691

01:06:37,589 --> 01:06:36,079

and uh so when they settled

1692

01:06:40,309 --> 01:06:37,599

my family actually the homestead's

1693

01:06:41,589 --> 01:06:40,319

actually still there you might

1694

01:06:43,510 --> 01:06:41,599

i don't know if you know of it or not

1695

01:06:45,349 --> 01:06:43,520

but you know what spriggettsville is

1696

01:06:48,870 --> 01:06:45,359

about by the uh

1697

01:06:49,589 --> 01:06:48,880

york county prison oh yeah right on the

1698

01:06:51,510 --> 01:06:49,599

uh the

1699

01:06:53,990 --> 01:06:51,520

grounds of the york county prison is a

1700

01:06:56,150 --> 01:06:54,000

little it's an old house

1701

01:06:57,829 --> 01:06:56,160

and that's the original strickler

1702

01:07:01,029 --> 01:06:57,839

homestead

1703

01:07:01,430 --> 01:07:01,039

so yeah i know secret service used to

1704

01:07:02,549 --> 01:07:01,440

have an

1705

01:07:05,029 --> 01:07:02,559

office there but i don't know who's

1706

01:07:07,510 --> 01:07:05,039

there now but some people in the family

1707

01:07:10,549 --> 01:07:07,520

still do take care of it so

1708

01:07:12,150 --> 01:07:10,559

uh but you know they when they moved

1709

01:07:15,190 --> 01:07:12,160

over here

1710

01:07:16,230 --> 01:07:15,200

uh to pennsylvania in the early 1700s

1711

01:07:17,829 --> 01:07:16,240

they um

1712

01:07:19,510 --> 01:07:17,839

that's where they settled that so they

1713

01:07:22,549 --> 01:07:19,520

just spread out over

1714

01:07:26,309 --> 01:07:22,559

the three counties and uh

1715

01:07:28,230 --> 01:07:26,319

yeah and this um this folk magic and

1716

01:07:31,910 --> 01:07:28,240

folk healing was pretty prevalent

1717

01:07:35,430 --> 01:07:31,920

and even even though not all the people

1718

01:07:37,589 --> 01:07:35,440

remained as as amish most of them became

1719

01:07:40,950 --> 01:07:37,599

mennonites but then later to reform

1720

01:07:43,990 --> 01:07:40,960

church they um

1721

01:07:50,069 --> 01:07:44,000

they still have knowledge of it

1722

01:07:53,349 --> 01:07:52,789

i i know you no i don't know if you went

1723

01:07:57,109 --> 01:07:53,359

down there

1724

01:07:58,150 --> 01:07:57,119

but you know of the uh and you you did

1725

01:08:00,230 --> 01:07:58,160

and you were nice enough to put

1726

01:08:03,430 --> 01:08:00,240

something in the book about it about

1727

01:08:06,470 --> 01:08:03,440

my uh my encounter with the the conewago

1728

01:08:08,230 --> 01:08:06,480

what i call the conewago phantom uh i

1729

01:08:09,829 --> 01:08:08,240

know the uh

1730

01:08:11,430 --> 01:08:09,839

i know the people around there are

1731

01:08:15,190 --> 01:08:11,440

called old red eye

1732

01:08:15,829 --> 01:08:15,200

and in fact i had a i had been down

1733

01:08:19,030 --> 01:08:15,839

there

1734

01:08:21,430 --> 01:08:19,040

about 10 years ago

1735

01:08:23,110 --> 01:08:21,440

and uh i was just looking around and

1736

01:08:25,110 --> 01:08:23,120

some guy came up to me and

1737

01:08:26,550 --> 01:08:25,120

was mentioning about old red eye and i

1738

01:08:27,990 --> 01:08:26,560

didn't i really didn't know what he was

1739

01:08:30,070 --> 01:08:28,000

talking about

1740

01:08:31,349 --> 01:08:30,080

until i started thinking about it and

1741

01:08:33,829 --> 01:08:31,359

then he when he started

1742

01:08:35,189 --> 01:08:33,839

saying with people how to describe it

1743

01:08:35,910 --> 01:08:35,199

then i knew that's what he was talking

1744

01:08:39,910 --> 01:08:35,920

about so

1745

01:08:40,470 --> 01:08:39,920

then you know but i know i have received

1746

01:08:43,749 --> 01:08:40,480

all

1747

01:08:47,030 --> 01:08:43,759

together about six sightings

1748

01:08:51,189 --> 01:08:47,040

of this thing up and down the the

1749

01:08:54,470 --> 01:08:51,199

um the conewago creek

1750

01:08:55,110 --> 01:08:54,480

and um i don't know if you've have you

1751

01:08:57,590 --> 01:08:55,120

run into

1752

01:09:00,229 --> 01:08:57,600

any other sightings of this thing or

1753

01:09:02,630 --> 01:09:00,239

anything similar to that

1754

01:09:03,430 --> 01:09:02,640

no i didn't i didn't ask around too much

1755

01:09:05,430 --> 01:09:03,440

though um

1756

01:09:06,630 --> 01:09:05,440

i went up there one day and looked

1757

01:09:08,229 --> 01:09:06,640

around i didn't there weren't too many

1758

01:09:10,149 --> 01:09:08,239

people around

1759

01:09:11,269 --> 01:09:10,159

and uh if i'd have seen somebody out

1760

01:09:12,709 --> 01:09:11,279

knowing or something i might have

1761

01:09:15,590 --> 01:09:12,719

stopped and asked them

1762

01:09:16,709 --> 01:09:15,600

you know anything strange around here or

1763

01:09:17,990 --> 01:09:16,719

anything but uh

1764

01:09:19,030 --> 01:09:18,000

there just weren't too many people

1765

01:09:20,309 --> 01:09:19,040

around i didn't want to go knocking on

1766

01:09:24,950 --> 01:09:20,319

doors

1767

01:09:28,149 --> 01:09:24,960

yeah yeah it seems like somebody's out

1768

01:09:29,590 --> 01:09:28,159

and uh and i did this by uh up by toad

1769

01:09:30,390 --> 01:09:29,600

road a lot too if somebody's out and

1770

01:09:33,990 --> 01:09:30,400

they're

1771

01:09:35,510 --> 01:09:34,000

and i'm walking by it's easier to talk

1772

01:09:37,189 --> 01:09:35,520

to them than you know and you can kind

1773

01:09:39,990 --> 01:09:37,199

of strike up a conversation a little bit

1774

01:09:41,269 --> 01:09:40,000

absolutely ease into the the questions

1775

01:09:42,229 --> 01:09:41,279

about the weird stuff you don't

1776

01:09:44,550 --> 01:09:42,239

you know you're not just hitting them

1777

01:09:46,070 --> 01:09:44,560

over the head with uh you know

1778

01:09:48,149 --> 01:09:46,080

have you seen anything weird straight up

1779

01:09:49,910 --> 01:09:48,159

straight out uh but but yeah

1780

01:09:51,590 --> 01:09:49,920

i didn't see anybody around i i took the

1781

01:09:53,110 --> 01:09:51,600

picture for the book or i think my wife

1782

01:09:54,790 --> 01:09:53,120

did of the uh

1783

01:09:56,149 --> 01:09:54,800

the sign that cam kind of all got a sign

1784

01:09:57,910 --> 01:09:56,159

there um but

1785

01:09:59,510 --> 01:09:57,920

there just weren't any people around so

1786

01:10:00,709 --> 01:09:59,520

i didn't really get a chance to ask him

1787

01:10:04,149 --> 01:10:00,719

any questions

1788

01:10:07,830 --> 01:10:06,709

yeah i'm pretty sure the troop uh the

1789

01:10:10,709 --> 01:10:07,840

scout troops don't

1790

01:10:11,350 --> 01:10:10,719

camp in the woods anymore uh as they

1791

01:10:14,950 --> 01:10:11,360

used to

1792

01:10:17,669 --> 01:10:14,960

years ago um

1793

01:10:19,110 --> 01:10:17,679

i don't know it's because of that or

1794

01:10:21,430 --> 01:10:19,120

what it is but uh you know

1795

01:10:22,149 --> 01:10:21,440

that place hasn't changed it's it's

1796

01:10:24,550 --> 01:10:22,159

interesting i

1797

01:10:27,350 --> 01:10:24,560

i had seen recent pictures of it and

1798

01:10:31,030 --> 01:10:27,360

that place has not changed at all

1799

01:10:33,110 --> 01:10:31,040

and um don't know i i'm

1800

01:10:34,709 --> 01:10:33,120

i haven't had a new report in almost

1801

01:10:37,669 --> 01:10:34,719

three years

1802

01:10:39,910 --> 01:10:37,679

though that thing that we had that

1803

01:10:42,390 --> 01:10:39,920

people were seeing in lancaster

1804

01:10:43,990 --> 01:10:42,400

i don't know if i had that is related to

1805

01:10:45,750 --> 01:10:44,000

it or not

1806

01:10:47,510 --> 01:10:45,760

that uh that thing was peering in

1807

01:10:48,870 --> 01:10:47,520

people's windows it looked like a

1808

01:10:50,870 --> 01:10:48,880

gargoyle

1809

01:10:51,990 --> 01:10:50,880

i don't know i have no idea what that

1810

01:10:54,630 --> 01:10:52,000

was but

1811

01:10:56,470 --> 01:10:54,640

stan gordon had some reports of of

1812

01:10:57,110 --> 01:10:56,480

gargoyle things from from other parts of

1813

01:10:59,030 --> 01:10:57,120

the state

1814

01:11:01,510 --> 01:10:59,040

i know that's why yeah in the book i

1815

01:11:03,590 --> 01:11:01,520

kind of separated it out just because uh

1816

01:11:05,590 --> 01:11:03,600

because he had had these other you know

1817

01:11:09,510 --> 01:11:05,600

what people were describing as gargoyles

1818

01:11:11,830 --> 01:11:09,520

um which again it may or may not be

1819

01:11:13,030 --> 01:11:11,840

a separate thing but it seemed to

1820

01:11:14,790 --> 01:11:13,040

warrant separating out

1821

01:11:16,550 --> 01:11:14,800

at least well these gargle sightings

1822

01:11:17,030 --> 01:11:16,560

have been in butler county for the most

1823

01:11:20,070 --> 01:11:17,040

part

1824

01:11:20,950 --> 01:11:20,080

um there's a lot of other winged

1825

01:11:24,070 --> 01:11:20,960

creatures

1826

01:11:26,870 --> 01:11:24,080

that you know have been reported uh

1827

01:11:28,630 --> 01:11:26,880

as far as around here i mean other than

1828

01:11:32,709 --> 01:11:28,640

you know that phantom man that

1829

01:11:35,990 --> 01:11:32,719

that one up there uh gifford pinchot

1830

01:11:38,709 --> 01:11:36,000

that somebody saw and said it looked

1831

01:11:41,270 --> 01:11:38,719

like a pterodactyl

1832

01:11:44,149 --> 01:11:41,280

and the thing in lancaster i i really

1833

01:11:46,630 --> 01:11:44,159

don't know of anything else though

1834

01:11:48,229 --> 01:11:46,640

you know the this thing that we saw from

1835

01:11:52,310 --> 01:11:48,239

con

1836

01:11:53,910 --> 01:11:52,320

i think i really can't

1837

01:11:55,590 --> 01:11:53,920

it's hard it was hard to describe as

1838

01:11:59,830 --> 01:11:55,600

dark for one thing

1839

01:12:02,950 --> 01:11:59,840

and uh but we did see

1840

01:12:04,870 --> 01:12:02,960

a wing structure it took off so damn

1841

01:12:05,990 --> 01:12:04,880

quick we couldn't really get a good look

1842

01:12:07,669 --> 01:12:06,000

at it

1843

01:12:10,390 --> 01:12:07,679

uh we couldn't get we couldn't even get

1844

01:12:13,270 --> 01:12:10,400

our flashlights on it quick enough

1845

01:12:14,950 --> 01:12:13,280

when we first saw the eyes uh because

1846

01:12:16,390 --> 01:12:14,960

this thing just shot up in the air with

1847

01:12:19,189 --> 01:12:16,400

a whooshing sound and

1848

01:12:19,510 --> 01:12:19,199

it was really strange and we thought we

1849

01:12:24,470 --> 01:12:19,520

were

1850

01:12:27,669 --> 01:12:24,480

started getting

1851

01:12:29,750 --> 01:12:27,679

so i wrote something about it and i

1852

01:12:31,590 --> 01:12:29,760

started getting reports

1853

01:12:33,510 --> 01:12:31,600

the first guy was up there dick's damn

1854

01:12:37,110 --> 01:12:33,520

and then of course the scout leaders

1855

01:12:39,510 --> 01:12:37,120

started contacting me so uh

1856

01:12:41,030 --> 01:12:39,520

you know actually the sightings the

1857

01:12:42,630 --> 01:12:41,040

sightings the newer side of things have

1858

01:12:46,149 --> 01:12:42,640

been actually going down

1859

01:12:48,830 --> 01:12:46,159

downstream if you notice that

1860

01:12:52,149 --> 01:12:48,840

and the last one that i had was above

1861

01:12:56,149 --> 01:12:52,159

york going towards dover

1862

01:12:58,310 --> 01:12:56,159

so um yeah i mean that

1863

01:12:59,830 --> 01:12:58,320

that's interesting because it so yeah

1864

01:13:02,550 --> 01:12:59,840

like it's sort of following

1865

01:13:03,510 --> 01:13:02,560

the creek uh towards the river then yeah

1866

01:13:07,990 --> 01:13:03,520

i mean

1867

01:13:08,390 --> 01:13:08,000

and but that's spread over 20 years now

1868

01:13:12,070 --> 01:13:08,400

too

1869

01:13:15,910 --> 01:13:12,080

but right right who knows i mean i don't

1870

01:13:19,590 --> 01:13:17,510

the one you had with the scouts who

1871

01:13:22,709 --> 01:13:19,600

described what they just like a dragon

1872

01:13:26,790 --> 01:13:22,719

um that's pretty intense

1873

01:13:28,630 --> 01:13:26,800

yeah the this scout master

1874

01:13:30,709 --> 01:13:28,640

if not remember what he said he told

1875

01:13:32,790 --> 01:13:30,719

when he wrote the letter and then i

1876

01:13:34,070 --> 01:13:32,800

talked to him later he said you know i

1877

01:13:36,709 --> 01:13:34,080

thought these kids were crazy i thought

1878

01:13:39,030 --> 01:13:36,719

these kids were just playing with me

1879

01:13:40,390 --> 01:13:39,040

and you know because they they they were

1880

01:13:41,750 --> 01:13:40,400

scared

1881

01:13:43,669 --> 01:13:41,760

but they they said it looked like a

1882

01:13:47,910 --> 01:13:43,679

dragon but they

1883

01:13:51,590 --> 01:13:47,920

thought it had uh had feathers on it

1884

01:13:53,910 --> 01:13:51,600

and it was about six foot high

1885

01:13:55,189 --> 01:13:53,920

and it had a tail or something on it i

1886

01:13:56,870 --> 01:13:55,199

remember what he was telling

1887

01:13:58,830 --> 01:13:56,880

he had written but he told me he said

1888

01:14:00,630 --> 01:13:58,840

you know when they came back to the

1889

01:14:03,430 --> 01:14:00,640

campsite

1890

01:14:04,630 --> 01:14:03,440

running and we're all flipped out he

1891

01:14:05,990 --> 01:14:04,640

said

1892

01:14:07,669 --> 01:14:06,000

i just thought they were playing a game

1893

01:14:07,910 --> 01:14:07,679

with me saying i didn't buy into any of

1894

01:14:09,990 --> 01:14:07,920

it

1895

01:14:11,430 --> 01:14:10,000

he said and that was a year or so ago

1896

01:14:13,189 --> 01:14:11,440

and i still

1897

01:14:15,350 --> 01:14:13,199

i still didn't believe until i read it

1898

01:14:18,470 --> 01:14:15,360

on your site

1899

01:14:20,950 --> 01:14:18,480

and uh so

1900

01:14:22,390 --> 01:14:20,960

there you go so i don't know what they

1901

01:14:24,470 --> 01:14:22,400

saw i guess it may have been the same

1902

01:14:28,630 --> 01:14:24,480

thing

1903

01:14:30,790 --> 01:14:28,640

going on by by uh running water by

1904

01:14:32,470 --> 01:14:30,800

creek and and yeah your sighting was

1905

01:14:33,669 --> 01:14:32,480

where where uh two creeks met right

1906

01:14:36,709 --> 01:14:33,679

where they uh

1907

01:14:41,830 --> 01:14:36,719

right there the forks yeah yeah yeah

1908

01:14:43,510 --> 01:14:41,840

so uh again there's there's something to

1909

01:14:45,910 --> 01:14:43,520

well you know there there has always

1910

01:14:48,790 --> 01:14:45,920

been there has always been

1911

01:14:49,669 --> 01:14:48,800

paranormal activity that being

1912

01:14:53,030 --> 01:14:49,679

associated with

1913

01:14:55,750 --> 01:14:53,040

running water i mean you

1914

01:14:57,030 --> 01:14:55,760

i know a lot of houses that i have

1915

01:14:59,590 --> 01:14:57,040

investigated

1916

01:15:00,390 --> 01:14:59,600

have had either underground streams

1917

01:15:03,590 --> 01:15:00,400

running

1918

01:15:05,189 --> 01:15:03,600

near it or a spring nearby

1919

01:15:07,669 --> 01:15:05,199

or something that had to do with water

1920

01:15:11,270 --> 01:15:07,679

or you know fresh water

1921

01:15:15,189 --> 01:15:11,280

and uh you know why that is

1922

01:15:18,470 --> 01:15:15,199

i don't know uh it just seems that

1923

01:15:21,669 --> 01:15:18,480

they turn into hot spots so

1924

01:15:22,790 --> 01:15:21,679

um i don't know it's uh i mean almost

1925

01:15:25,030 --> 01:15:22,800

every place in my book

1926

01:15:26,709 --> 01:15:25,040

was either right along the river or near

1927

01:15:29,270 --> 01:15:26,719

near one of the creeks i mean

1928

01:15:30,149 --> 01:15:29,280

is that right without without fail yeah

1929

01:15:32,310 --> 01:15:30,159

that's that's

1930

01:15:34,470 --> 01:15:32,320

uh old chicky's rocks right by the river

1931

01:15:36,310 --> 01:15:34,480

that that hansgroff cemetery

1932

01:15:38,310 --> 01:15:36,320

which that's what i wanted to ask um you

1933

01:15:40,630 --> 01:15:38,320

said bush was from lancaster

1934

01:15:43,590 --> 01:15:40,640

yeah he's from up in uh northern

1935

01:15:47,030 --> 01:15:45,669

you ever heard of or dealt with that

1936

01:15:51,110 --> 01:15:47,040

hansgraf cemetery

1937

01:15:55,350 --> 01:15:51,120

at all just the stories

1938

01:15:57,910 --> 01:15:55,360

um and just like the powwows you know we

1939

01:15:59,030 --> 01:15:57,920

in in lancaster county they're still

1940

01:16:04,149 --> 01:15:59,040

said to go on

1941

01:16:08,149 --> 01:16:06,790

but you know take chickies uh chickens

1942

01:16:09,350 --> 01:16:08,159

rock i mean you know riding along the

1943

01:16:10,630 --> 01:16:09,360

river

1944

01:16:13,189 --> 01:16:10,640

all the weird stuff that happens up

1945

01:16:15,830 --> 01:16:13,199

there um

1946

01:16:17,750 --> 01:16:15,840

we have uh some cemeteries uh in and

1947

01:16:21,830 --> 01:16:17,760

around the redding area

1948

01:16:25,110 --> 01:16:21,840

that apparitions are seen all the time

1949

01:16:27,270 --> 01:16:25,120

uh some of all very old uh people

1950

01:16:30,550 --> 01:16:27,280

when i say very old i mean back in the

1951

01:16:33,110 --> 01:16:30,560

turn of the century that were

1952

01:16:35,590 --> 01:16:33,120

well-known businessmen bar owners

1953

01:16:38,310 --> 01:16:35,600

gangsters

1954

01:16:39,189 --> 01:16:38,320

those those stories they're still alive

1955

01:16:41,510 --> 01:16:39,199

and well i mean

1956

01:16:43,430 --> 01:16:41,520

i started hearing those when i was a kid

1957

01:16:44,709 --> 01:16:43,440

i live about 50 minutes from where you

1958

01:16:48,310 --> 01:16:44,719

are

1959

01:16:51,510 --> 01:16:48,320

okay and um i was born and raised

1960

01:16:54,550 --> 01:16:51,520

in writing but the uh

1961

01:16:55,350 --> 01:16:54,560

the stories you know uh when i read your

1962

01:16:58,390 --> 01:16:55,360

book

1963

01:17:01,510 --> 01:16:58,400

um first

1964

01:17:03,030 --> 01:17:01,520

kudos on the research oh thanks thank

1965

01:17:04,149 --> 01:17:03,040

you because i know what a pain that can

1966

01:17:07,590 --> 01:17:04,159

be

1967

01:17:10,630 --> 01:17:07,600

but uh you know this this whole area

1968

01:17:14,149 --> 01:17:10,640

you know the york lancaster uh

1969

01:17:14,550 --> 01:17:14,159

berks county uh one of the things that

1970

01:17:17,350 --> 01:17:14,560

always

1971

01:17:18,390 --> 01:17:17,360

kind of bugged me was there's a lot of

1972

01:17:20,470 --> 01:17:18,400

uh

1973

01:17:22,390 --> 01:17:20,480

whole of course old furnaces old you

1974

01:17:25,510 --> 01:17:22,400

know old iron furnaces and stuff

1975

01:17:26,950 --> 01:17:25,520

in lancaster county and and um in berks

1976

01:17:30,070 --> 01:17:26,960

county and

1977

01:17:32,310 --> 01:17:30,080

york and up into in the uh allentown

1978

01:17:33,669 --> 01:17:32,320

area and i did get to go to one of those

1979

01:17:36,790 --> 01:17:33,679

in the allentown area

1980

01:17:38,149 --> 01:17:36,800

and uh it's been um it shut down many

1981

01:17:40,310 --> 01:17:38,159

many years ago

1982

01:17:41,430 --> 01:17:40,320

but it originally was an indian campsite

1983

01:17:42,709 --> 01:17:41,440

and

1984

01:17:43,990 --> 01:17:42,719

it's probably been one of the spookiest

1985

01:17:45,350 --> 01:17:44,000

places i've ever walked around in my

1986

01:17:49,350 --> 01:17:45,360

life

1987

01:17:50,709 --> 01:17:49,360

it just uh you know and matter of fact

1988

01:17:51,830 --> 01:17:50,719

even after reading your book i said to

1989

01:17:55,510 --> 01:17:51,840

my wife i said we should be thinking

1990

01:18:02,229 --> 01:17:59,110

it's uh this this whole central

1991

01:18:03,430 --> 01:18:02,239

south central and uh southeastern

1992

01:18:05,510 --> 01:18:03,440

pennsylvania

1993

01:18:06,790 --> 01:18:05,520

it just abounds with stories of

1994

01:18:08,470 --> 01:18:06,800

creatures and

1995

01:18:09,750 --> 01:18:08,480

when you were talking about the red eyed

1996

01:18:12,630 --> 01:18:09,760

thing at the ladies window is that the

1997

01:18:15,830 --> 01:18:12,640

one that was in columbia log

1998

01:18:17,430 --> 01:18:15,840

what's that the gargoye thing yeah

1999

01:18:18,870 --> 01:18:17,440

with the red eye at the ladies window

2000

01:18:19,590 --> 01:18:18,880

was that in colombia that was in

2001

01:18:23,030 --> 01:18:19,600

lancaster

2002

01:18:27,669 --> 01:18:23,040

in the city because i know i

2003

01:18:31,110 --> 01:18:27,679

yeah i kind of remember one in colombia

2004

01:18:35,030 --> 01:18:31,120

but um you know

2005

01:18:38,830 --> 01:18:35,040

the whole area is just ripe with

2006

01:18:41,270 --> 01:18:38,840

stories that go back way back

2007

01:18:43,430 --> 01:18:41,280

yeah and

2008

01:18:44,709 --> 01:18:43,440

you know where i live i'm i'm smack in

2009

01:18:47,830 --> 01:18:44,719

the middle of

2010

01:18:49,669 --> 01:18:47,840

uh uh old water amish and uh old order

2011

01:18:53,189 --> 01:18:49,679

mennonite area

2012

01:18:59,350 --> 01:18:56,390

they'll talk sometimes sometimes no

2013

01:19:01,990 --> 01:18:59,360

but you know this the stuff still goes

2014

01:19:05,270 --> 01:19:02,000

on i mean it's uh

2015

01:19:06,709 --> 01:19:05,280

uh i just read a story about a powwow

2016

01:19:10,070 --> 01:19:06,719

that was going on out in

2017

01:19:13,590 --> 01:19:10,080

ohio right in the pennsylvania line

2018

01:19:16,630 --> 01:19:13,600

and so there's

2019

01:19:20,070 --> 01:19:16,640

it's an odd area it's it's rife with

2020

01:19:23,590 --> 01:19:20,080

reports of all types of apparitions

2021

01:19:27,750 --> 01:19:23,600

beings orbs lights

2022

01:19:32,390 --> 01:19:30,950

creatures of all types and

2023

01:19:34,229 --> 01:19:32,400

it's like we said in the very beginning

2024

01:19:36,630 --> 01:19:34,239

of the show you know these people are

2025

01:19:37,910 --> 01:19:36,640

seeing something i mean you can't just

2026

01:19:39,910 --> 01:19:37,920

go out there and label them all as

2027

01:19:42,390 --> 01:19:39,920

lunatics

2028

01:19:43,910 --> 01:19:42,400

and uh you know the research just goes

2029

01:19:47,030 --> 01:19:43,920

on and on and on

2030

01:19:49,990 --> 01:19:47,040

uh it's just the way it is but uh

2031

01:19:51,430 --> 01:19:50,000

yeah i think the the chestnut ridge area

2032

01:19:51,910 --> 01:19:51,440

out in the western pa gets a lot of

2033

01:19:55,350 --> 01:19:51,920

credit

2034

01:19:57,030 --> 01:19:55,360

and and uh but i mean

2035

01:19:59,189 --> 01:19:57,040

whatever i don't know if these areas are

2036

01:20:02,070 --> 01:19:59,199

vortexes or or whatever um

2037

01:20:02,950 --> 01:20:02,080

but i i think uh i think we got quite a

2038

01:20:05,750 --> 01:20:02,960

bit going on

2039

01:20:07,189 --> 01:20:05,760

in in this area too and there are a lot

2040

01:20:10,310 --> 01:20:07,199

of hot spots in this state

2041

01:20:13,510 --> 01:20:10,320

and yeah i believe that as well uh

2042

01:20:16,149 --> 01:20:13,520

i think south central pa has got

2043

01:20:16,790 --> 01:20:16,159

i don't know it's just an overall area

2044

01:20:18,390 --> 01:20:16,800

but

2045

01:20:19,990 --> 01:20:18,400

you know i think a lot of it goes back

2046

01:20:22,709 --> 01:20:20,000

to you know

2047

01:20:23,669 --> 01:20:22,719

the original settlements that were here

2048

01:20:26,950 --> 01:20:23,679

um

2049

01:20:30,070 --> 01:20:26,960

you know this this area you know adams

2050

01:20:30,629 --> 01:20:30,080

york even lancaster county you know

2051

01:20:33,990 --> 01:20:30,639

these

2052

01:20:34,870 --> 01:20:34,000

before the settlers came in there's a

2053

01:20:37,430 --> 01:20:34,880

lot of weird

2054

01:20:39,189 --> 01:20:37,440

and bad stuff going on you know between

2055

01:20:42,629 --> 01:20:39,199

indian tribes

2056

01:20:45,350 --> 01:20:42,639

uh a lot of warring in this area

2057

01:20:46,629 --> 01:20:45,360

uh oh yeah nice central part of this

2058

01:20:50,310 --> 01:20:46,639

susquehanna

2059

01:20:54,070 --> 01:20:52,229

yeah they'll not be they were all

2060

01:20:57,590 --> 01:20:54,080

fighting in and around

2061

01:21:00,390 --> 01:20:57,600

this part of the state and uh

2062

01:21:01,510 --> 01:21:00,400

you know there's a lot of bad energy i

2063

01:21:04,550 --> 01:21:01,520

believe

2064

01:21:06,950 --> 01:21:04,560

around here be quite honest with you

2065

01:21:09,910 --> 01:21:06,960

so i don't know if that manifests into

2066

01:21:12,070 --> 01:21:09,920

some of the activity we see or not

2067

01:21:13,510 --> 01:21:12,080

but uh it's it's something to think

2068

01:21:16,310 --> 01:21:13,520

about you know we get

2069

01:21:17,990 --> 01:21:16,320

when we do get a lot of these big these

2070

01:21:20,709 --> 01:21:18,000

dog man stories

2071

01:21:23,030 --> 01:21:20,719

you know we do look into also the the

2072

01:21:25,830 --> 01:21:23,040

history of the area

2073

01:21:27,350 --> 01:21:25,840

and uh you know people come up with all

2074

01:21:30,149 --> 01:21:27,360

kinds of

2075

01:21:30,470 --> 01:21:30,159

interesting stories but you know if you

2076

01:21:32,310 --> 01:21:30,480

start

2077

01:21:34,870 --> 01:21:32,320

digging around a lot of times you come

2078

01:21:37,189 --> 01:21:34,880

up with a little bit of something

2079

01:21:38,870 --> 01:21:37,199

but i think i think pennsylvania in

2080

01:21:41,189 --> 01:21:38,880

particular had

2081

01:21:42,310 --> 01:21:41,199

and just because of the area itself i i

2082

01:21:44,149 --> 01:21:42,320

just you know

2083

01:21:46,390 --> 01:21:44,159

it just seemed like a crossroad to a lot

2084

01:21:48,550 --> 01:21:46,400

of different types of people

2085

01:21:49,750 --> 01:21:48,560

and uh there's you know i think there's

2086

01:21:52,550 --> 01:21:49,760

just a lot of

2087

01:21:53,990 --> 01:21:52,560

juju bad juju at some point in this

2088

01:21:57,189 --> 01:21:54,000

state

2089

01:21:59,189 --> 01:21:57,199

well you know and and until 1754 there

2090

01:22:02,390 --> 01:21:59,199

were no white men in this state

2091

01:22:05,750 --> 01:22:02,400

no no there there were i mean

2092

01:22:08,830 --> 01:22:05,760

my family came to 1734 but

2093

01:22:10,229 --> 01:22:08,840

you know it was uh it was the late 1600s

2094

01:22:11,910 --> 01:22:10,239

anyway

2095

01:22:14,550 --> 01:22:11,920

but they they all had to move they all

2096

01:22:18,070 --> 01:22:14,560

had to move out what was there before

2097

01:22:22,830 --> 01:22:18,080

yeah a very sparse population

2098

01:22:27,510 --> 01:22:24,149

yeah

2099

01:22:28,790 --> 01:22:27,520

so um i tell you you know

2100

01:22:31,110 --> 01:22:28,800

quite honestly i don't know if you're

2101

01:22:33,910 --> 01:22:31,120

going to be researching for another

2102

01:22:35,590 --> 01:22:33,920

set for a second book but believe me i

2103

01:22:37,750 --> 01:22:35,600

think in four or five years you may come

2104

01:22:40,550 --> 01:22:37,760

up with another book

2105

01:22:41,430 --> 01:22:40,560

yeah i'm trying to you know keep keep

2106

01:22:43,990 --> 01:22:41,440

track of stuff i

2107

01:22:45,590 --> 01:22:44,000

i want to keep keep documenting uh

2108

01:22:48,229 --> 01:22:45,600

things where i can

2109

01:22:51,110 --> 01:22:48,239

i think my next book um is probably just

2110

01:22:54,149 --> 01:22:51,120

going to be a straight bigfoot book

2111

01:22:55,590 --> 01:22:54,159

we'll see though i i i think see how

2112

01:22:56,790 --> 01:22:55,600

things pan out here i

2113

01:22:59,590 --> 01:22:56,800

kind of feel like i just finished this

2114

01:23:02,550 --> 01:22:59,600

one so i don't want to

2115

01:23:04,629 --> 01:23:02,560

box myself in too much here yeah that's

2116

01:23:06,629 --> 01:23:04,639

that's kind of the way i'm leaning

2117

01:23:07,910 --> 01:23:06,639

i want to do something kind of a bit

2118

01:23:09,990 --> 01:23:07,920

more uh less

2119

01:23:11,430 --> 01:23:10,000

locally focused you know i'll have local

2120

01:23:11,990 --> 01:23:11,440

stuff in it for sure but it won't be

2121

01:23:17,510 --> 01:23:12,000

just

2122

01:23:21,110 --> 01:23:17,520

lot of time in fayette county

2123

01:23:21,990 --> 01:23:21,120

yeah yeah if you're going to research pa

2124

01:23:23,990 --> 01:23:22,000

that's where you're going to know that

2125

01:23:27,910 --> 01:23:24,000

for the most part

2126

01:23:30,149 --> 01:23:27,920

uh but you know

2127

01:23:31,189 --> 01:23:30,159

these sightings are statewide so you

2128

01:23:35,110 --> 01:23:31,199

know

2129

01:23:35,510 --> 01:23:35,120

once before you need help don't hesitate

2130

01:23:38,550 --> 01:23:35,520

to

2131

01:23:40,470 --> 01:23:38,560

get a hold of me sure yeah i think

2132

01:23:43,350 --> 01:23:40,480

you're very you're very fortunate bob

2133

01:23:46,950 --> 01:23:43,360

chance to help you out because he uh

2134

01:23:50,070 --> 01:23:46,960

that guy he's had he's has information

2135

01:23:53,270 --> 01:23:50,080

for a lot of different things

2136

01:23:55,189 --> 01:23:53,280

and uh you know he's one of the foremost

2137

01:23:58,390 --> 01:23:55,199

researchers down there in that area

2138

01:23:58,870 --> 01:23:58,400

in in maryland so you were lucky to be

2139

01:24:01,110 --> 01:23:58,880

able to

2140

01:24:02,229 --> 01:24:01,120

reach research very very very very kind

2141

01:24:04,070 --> 01:24:02,239

to me he uh

2142

01:24:06,070 --> 01:24:04,080

i i think i bugged the heck out of him

2143

01:24:09,110 --> 01:24:06,080

but uh

2144

01:24:09,510 --> 01:24:09,120

he uh he's uh he just plopped down his

2145

01:24:13,430 --> 01:24:09,520

whole

2146

01:24:14,709 --> 01:24:13,440

or five inches thick his file of

2147

01:24:16,149 --> 01:24:14,719

sightings he just popped him down in

2148

01:24:19,750 --> 01:24:16,159

front of me one day and said go

2149

01:24:21,510 --> 01:24:19,760

go get what you need yeah so very good

2150

01:24:23,350 --> 01:24:21,520

sat in his house and just poured through

2151

01:24:25,669 --> 01:24:23,360

them and and you know made notes

2152

01:24:27,750 --> 01:24:25,679

and i mean it couldn't have been nice or

2153

01:24:30,870 --> 01:24:27,760

could have been more helpful

2154

01:24:32,070 --> 01:24:30,880

very cool well timothy i want to thank

2155

01:24:35,750 --> 01:24:32,080

you for joining us

2156

01:24:39,510 --> 01:24:35,760

and uh you know it was an interesting

2157

01:24:42,229 --> 01:24:39,520

show and i i hope the the audience

2158

01:24:44,870 --> 01:24:42,239

enjoyed our stories

2159

01:24:45,430 --> 01:24:44,880

it says it involved you know not only me

2160

01:24:48,790 --> 01:24:45,440

but you

2161

01:24:50,229 --> 01:24:48,800

and the things you found out uh but uh

2162

01:24:51,270 --> 01:24:50,239

you know i had to get you on here

2163

01:24:53,750 --> 01:24:51,280

because

2164

01:24:55,110 --> 01:24:53,760

you know i didn't i i didn't know about

2165

01:24:58,229 --> 01:24:55,120

the book until i actually

2166

01:25:01,350 --> 01:24:58,239

accidentally ran across it and

2167

01:25:04,790 --> 01:25:01,360

then i think i remember this guy and uh

2168

01:25:06,870 --> 01:25:04,800

so i had to get the book and uh

2169

01:25:09,030 --> 01:25:06,880

i'm glad it did and you were just on

2170

01:25:12,709 --> 01:25:09,040

coast coast the other night weren't you

2171

01:25:14,790 --> 01:25:12,719

yeah yeah yeah that go well

2172

01:25:16,310 --> 01:25:14,800

i think so yeah yeah it went pretty that

2173

01:25:16,790 --> 01:25:16,320

was a surprise they called me because i

2174

01:25:18,310 --> 01:25:16,800

guess i

2175

01:25:19,830 --> 01:25:18,320

i've been on darkness radio a couple

2176
01:25:21,350 --> 01:25:19,840
weeks before that and then they called

2177
01:25:24,149 --> 01:25:21,360
me out of nowhere

2178
01:25:25,910 --> 01:25:24,159
i mean i had tried to get on but i never

2179
01:25:26,550 --> 01:25:25,920
heard anything from but then then i

2180
01:25:28,709 --> 01:25:26,560
guess after

2181
01:25:30,629 --> 01:25:28,719
the darkness radio they called me so

2182
01:25:33,669 --> 01:25:30,639
yeah that was that was very nice

2183
01:25:35,990 --> 01:25:33,679
did you get a lot of calls from the area

2184
01:25:37,350 --> 01:25:36,000
uh just a handful actually it was it was

2185
01:25:42,390 --> 01:25:37,360
uh

2186
01:25:45,830 --> 01:25:42,400
them were from out of the area

2187
01:25:47,590 --> 01:25:45,840
okay well thanks again and uh i'm pretty

2188
01:25:50,149 --> 01:25:47,600

sure we'll be keeping in touch

2189

01:25:51,189 --> 01:25:50,159

okay very good good evening you let me

2190

01:25:54,229 --> 01:25:51,199

know

2191

01:25:59,030 --> 01:25:54,239

very good thank you you take care now

2192

01:26:08,870 --> 01:26:02,229

there we go folks timothy

2193

01:26:10,390 --> 01:26:08,880

renner indeed goodbye

2194

01:26:13,350 --> 01:26:10,400

lots of good information there tonight

2195

01:26:18,310 --> 01:26:13,360

guys oh it's uh

2196

01:26:21,590 --> 01:26:21,189

yeah it looks great i mean anybody

2197

01:26:24,229 --> 01:26:21,600

that's

2198

01:26:25,669 --> 01:26:24,239

uh looked into any of any part of it the

2199

01:26:28,550 --> 01:26:25,679

bigfoot or the

2200

01:26:30,550 --> 01:26:28,560

the uh stuff that's been going on in

2201

01:26:31,030 --> 01:26:30,560

this state for many many many many years

2202

01:26:34,550 --> 01:26:31,040

and

2203

01:26:36,149 --> 01:26:34,560

he has you know the pictures locations

2204

01:26:38,390 --> 01:26:36,159

he got maps he's got everything

2205

01:26:39,990 --> 01:26:38,400

he's got all kind of reports i mean it's

2206

01:26:41,750 --> 01:26:40,000

just an amazing amount of research that

2207

01:26:43,510 --> 01:26:41,760

went into that book

2208

01:26:44,790 --> 01:26:43,520

and i would say to anybody who's out

2209

01:26:46,790 --> 01:26:44,800

who's out there that

2210

01:26:48,629 --> 01:26:46,800

has any interest in the in the lore and

2211

01:26:51,030 --> 01:26:48,639

the the

2212
