

ARCANE RADIO 

Exploring the Unexplained 

Oct. 9th, 2020

9PM Eastern

Stan Gordon

Pennsylvania UFO

& Anomalies Investigator

BXP

1
00:00:06,630 --> 00:00:03,350
the oldest

2
00:00:08,790 --> 00:00:06,640
and strongest human emotion is fear

3
00:00:09,830 --> 00:00:08,800
and the oldest and strongest type of

4
00:00:13,030 --> 00:00:09,840
fear

5
00:00:15,509 --> 00:00:13,040
is trepidation of the unknown

6
00:00:18,870 --> 00:00:15,519
when we were children our parents told

7
00:00:21,349 --> 00:00:18,880
us that monsters didn't exist

8
00:00:24,550 --> 00:00:21,359
but we were sure that something was

9
00:00:29,109 --> 00:00:24,560
lurking under the bed or in the closet

10
00:00:32,229 --> 00:00:29,119
fear sees even if our eyes are closed

11
00:00:33,110 --> 00:00:32,239
welcome to the realm of the arcane my

12
00:00:35,990 --> 00:00:33,120
name is lon

13
00:00:37,830 --> 00:00:36,000

stripler join me as i examine

14

00:00:40,470 --> 00:00:37,840

unexplained creatures

15

00:00:42,790 --> 00:00:40,480

strange manifestations and remarkable

16

00:00:45,750 --> 00:00:42,800

realities

17

00:00:48,389 --> 00:00:45,760

imagine this next hour as a voyage of

18

00:00:51,430 --> 00:00:48,399

discovery to strange lands

19

00:00:53,990 --> 00:00:51,440

seeking not for new territory but for

20

00:00:56,830 --> 00:00:54,000

new knowledge of the supernatural

21

00:00:58,180 --> 00:00:56,840

come on board as we begin this adventure

22

00:01:05,590 --> 00:00:58,190

together

23

00:01:09,830 --> 00:01:07,510

hey folks good evening and welcome to

24

00:01:12,550 --> 00:01:09,840

another episode of arcane radio

25

00:01:14,230 --> 00:01:12,560

where we explore the unexplained live on

26

00:01:16,789 --> 00:01:14,240

beyond explanation

27

00:01:18,390 --> 00:01:16,799

with all the osama cast on paranormal

28

00:01:20,950 --> 00:01:18,400

king radio network

29

00:01:22,789 --> 00:01:20,960

i'm your host lon strickler coming to

30

00:01:24,550 --> 00:01:22,799

you with an enchanted shot of historic

31

00:01:27,270 --> 00:01:24,560

gettysburg pennsylvania

32

00:01:28,149 --> 00:01:27,280

and thank you for joining me now before

33

00:01:44,069 --> 00:01:28,159

i

34

00:01:45,510 --> 00:01:44,079

phantoms of monsters fortune research

35

00:01:50,230 --> 00:01:45,520

investigator

36

00:01:55,350 --> 00:01:50,240

manuel navrette on ufo clearinghouse

37

00:01:58,230 --> 00:01:55,360

and uh what happened was a usps

38

00:01:59,830 --> 00:01:58,240

uh sorting facility employee at o'hare

39

00:02:02,870 --> 00:01:59,840

international

40

00:02:04,950 --> 00:02:02,880

recalls her scary encounter with a tall

41

00:02:09,749 --> 00:02:04,960

red-eyed winged humanoid

42

00:02:13,190 --> 00:02:09,759

in the parking lot uh

43

00:02:15,670 --> 00:02:13,200

manuel has scheduled an actual

44

00:02:16,869 --> 00:02:15,680

face-to-face interview with this this

45

00:02:19,589 --> 00:02:16,879

witness

46

00:02:21,750 --> 00:02:19,599

and when that's all said and done and

47

00:02:23,350 --> 00:02:21,760

the report's written up for that

48

00:02:26,150 --> 00:02:23,360

we'll go ahead and post it on the

49

00:02:26,869 --> 00:02:26,160

website but in the meantime this is what

50

00:02:30,229 --> 00:02:26,879

we have

51

00:02:32,869 --> 00:02:30,239

um she states i just left

52

00:02:34,390 --> 00:02:32,879

work at the usps sorting facility area

53

00:02:37,509 --> 00:02:34,400

international

54

00:02:38,790 --> 00:02:37,519

at about 11 p.m on thursday the 24th of

55

00:02:41,110 --> 00:02:38,800

september

56

00:02:42,949 --> 00:02:41,120

and was walking out to my car when i saw

57

00:02:43,910 --> 00:02:42,959

something standing at the far end of the

58

00:02:47,110 --> 00:02:43,920

parking

59

00:02:47,990 --> 00:02:47,120

lot where i usually park now at first i

60

00:02:51,350 --> 00:02:48,000

thought it was a

61

00:02:54,390 --> 00:02:51,360

very tall person with a long coat

62

00:02:56,309 --> 00:02:54,400

as i got closer to my car i unlocked my

63

00:02:57,509 --> 00:02:56,319

car which caused my headlights to come

64

00:03:02,229 --> 00:02:57,519

on

65

00:03:06,229 --> 00:03:02,239

about 20 to 25 foot from my car

66

00:03:09,430 --> 00:03:06,239

causing it to turn and look right at me

67

00:03:12,550 --> 00:03:09,440

i saw that this was not some person

68

00:03:13,110 --> 00:03:12,560

but some red eye being and what appeared

69

00:03:16,470 --> 00:03:13,120

to be

70

00:03:17,270 --> 00:03:16,480

a coat were actually wings which it

71

00:03:21,030 --> 00:03:17,280

spread out

72

00:03:23,350 --> 00:03:21,040

as it turned to look at me now at first

73

00:03:24,630 --> 00:03:23,360

i thought it was some kind of very large

74

00:03:28,390 --> 00:03:24,640

bird

75

00:03:30,309 --> 00:03:28,400

about seven foot tall

76
00:03:33,350 --> 00:03:30,319
i'm 5'4 and this thing looked taller

77
00:03:36,470 --> 00:03:33,360
than me by at least two foot

78
00:03:39,589 --> 00:03:36,480
now this thing then started making

79
00:03:42,229 --> 00:03:39,599
some type of chirping sound

80
00:03:44,390 --> 00:03:42,239
almost a half chirp and half click like

81
00:03:47,750 --> 00:03:44,400
someone was clicking their tongue

82
00:03:49,670 --> 00:03:47,760
but much much faster it then made some

83
00:03:52,869 --> 00:03:49,680
type of screeching sound

84
00:03:55,990 --> 00:03:52,879
and took off running towards me

85
00:03:59,910 --> 00:03:56,000
it got to within 10 foot of me and it

86
00:04:02,070 --> 00:03:59,920
took off into the air and flew above me

87
00:04:04,390 --> 00:04:02,080
i was screaming hysterically

88
00:04:05,509 --> 00:04:04,400

as i crouched down behind my core open

89

00:04:08,949 --> 00:04:05,519

corridor

90

00:04:11,509 --> 00:04:08,959

and dove into the core head first

91

00:04:13,429 --> 00:04:11,519

i was in near panic as it tried to start

92

00:04:15,509 --> 00:04:13,439

the car

93

00:04:16,870 --> 00:04:15,519

and lock the doors and turn on my

94

00:04:19,590 --> 00:04:16,880

interior lights

95

00:04:21,590 --> 00:04:19,600

i started my car and took off out of the

96

00:04:23,510 --> 00:04:21,600

parking lot and flew down the road until

97

00:04:26,469 --> 00:04:23,520

i hit the main road

98

00:04:28,950 --> 00:04:26,479

said i got home and told my husband who

99

00:04:31,590 --> 00:04:28,960

also works at the same facility

100

00:04:33,670 --> 00:04:31,600

and he was the one who told me about the

101

00:04:35,990 --> 00:04:33,680

sightings of this thing

102

00:04:37,990 --> 00:04:36,000

i was truly scared and hope i never see

103

00:04:40,310 --> 00:04:38,000

it again this thing

104

00:04:42,469 --> 00:04:40,320

is roaming around the area scaring

105

00:04:44,710 --> 00:04:42,479

people half to death

106

00:04:47,350 --> 00:04:44,720

i hope the airport people decide to do

107

00:04:50,870 --> 00:04:47,360

something about this someday

108

00:04:54,469 --> 00:04:50,880

now this facility

109

00:04:57,189 --> 00:04:54,479

is actually located near several other

110

00:05:00,150 --> 00:04:57,199

wing humanoid settings at the airport

111

00:05:02,310 --> 00:05:00,160

um you know it's not far from the uh the

112

00:05:06,070 --> 00:05:02,320

graveyard the cemetery

113

00:05:07,749 --> 00:05:06,080

and the fedex facility where sightings

114

00:05:10,070 --> 00:05:07,759

have been

115

00:05:12,469 --> 00:05:10,080

uh and like i said before manuel had

116

00:05:15,189 --> 00:05:12,479

contacted the witness and has scheduled

117

00:05:17,029 --> 00:05:15,199

an interview i also think tobias may be

118

00:05:19,590 --> 00:05:17,039

involved with that as well

119

00:05:21,670 --> 00:05:19,600

so like i said any new any new

120

00:05:23,510 --> 00:05:21,680

information that received

121

00:05:27,350 --> 00:05:23,520

i'll go ahead and do an update on the

122

00:05:30,390 --> 00:05:27,360

blog and i'll mention on the next show

123

00:05:32,390 --> 00:05:30,400

so tonight i welcome pennsylvania ufo

124

00:05:35,029 --> 00:05:32,400

and anomalies investigator and colleague

125

00:05:37,670 --> 00:05:35,039

stan gordon to arcane radio

126

00:05:40,150 --> 00:05:37,680

now stan began his interest in ufo

127

00:05:43,189 --> 00:05:40,160

subject and other strange incidents

128

00:05:45,909 --> 00:05:43,199

at the age of 10 in 1959

129

00:05:48,629 --> 00:05:45,919

he began the field investigations of

130

00:05:52,310 --> 00:05:48,639

ufo's other mysterious events

131

00:05:56,070 --> 00:05:52,320

in 1965 and is a primary investigator

132

00:05:57,909 --> 00:05:56,080

of the december 9 1965 ufo crash

133

00:06:00,150 --> 00:05:57,919

recovery incident that occurred near

134

00:06:02,070 --> 00:06:00,160

kecksburg pennsylvania

135

00:06:03,909 --> 00:06:02,080

stan is a former pennsylvania state

136

00:06:05,189 --> 00:06:03,919

director mufon

137

00:06:07,350 --> 00:06:05,199

and has been involved with the

138

00:06:08,469 --> 00:06:07,360

investigation of thousands of mysterious

139

00:06:09,749 --> 00:06:08,479

encounters

140

00:06:12,309 --> 00:06:09,759

throughout the commonwealth of

141

00:06:14,150 --> 00:06:12,319

pennsylvania its three books roy

142

00:06:16,309 --> 00:06:14,160

mysterious pennsylvania

143

00:06:17,909 --> 00:06:16,319

solid invasion of the pennsylvania ufo

144

00:06:19,430 --> 00:06:17,919

bigfoot casebook

145

00:06:21,430 --> 00:06:19,440

and astonishing encounters

146

00:06:23,590 --> 00:06:21,440

pennsylvania's unknown creatures

147

00:06:24,870 --> 00:06:23,600

for the combination of his extensive

148

00:06:26,950 --> 00:06:24,880

field research

149

00:06:28,390 --> 00:06:26,960

stan was recently featured in the small

150

00:06:31,270 --> 00:06:28,400

town monster film

151
00:06:32,629 --> 00:06:31,280
on the trail of ufos and stan's website

152
00:06:36,790 --> 00:06:32,639
can be found

153
00:06:39,990 --> 00:06:36,800
at stan gordon dot info so stan

154
00:06:41,430 --> 00:06:40,000
thanks again for coming on the show oh

155
00:06:43,430 --> 00:06:41,440
juana thanks for having me back on the

156
00:06:47,510 --> 00:06:43,440
program i always enjoy it

157
00:06:49,350 --> 00:06:47,520
wow we appreciate you coming on uh

158
00:06:53,029 --> 00:06:49,360
what what's been going on you have

159
00:06:56,070 --> 00:06:53,039
anything new that you can report to us

160
00:06:57,670 --> 00:06:56,080
yeah actually uh this entire year you

161
00:06:58,790 --> 00:06:57,680
know we've talked in previous programs

162
00:07:01,990 --> 00:06:58,800
how busy

163
00:07:04,070 --> 00:07:02,000

2018 and actually such a surge

164

00:07:05,510 --> 00:07:04,080

of really interesting detail reports in

165

00:07:07,589 --> 00:07:05,520

2019

166

00:07:09,350 --> 00:07:07,599

and very surprisingly even with a virus

167

00:07:10,309 --> 00:07:09,360

situation there's been just steady

168

00:07:12,230 --> 00:07:10,319

reports

169

00:07:14,070 --> 00:07:12,240

all year here through 2020 right through

170

00:07:17,270 --> 00:07:14,080

the last few days

171

00:07:19,830 --> 00:07:17,280

and this past wednesday now even though

172

00:07:22,150 --> 00:07:19,840

i focus on pennsylvania

173

00:07:23,589 --> 00:07:22,160

i do get reports uh from other states at

174

00:07:25,510 --> 00:07:23,599

times and i did get an interesting

175

00:07:28,550 --> 00:07:25,520

report that happened uh

176

00:07:30,390 --> 00:07:28,560

actually early wednesday morning up in

177

00:07:33,830 --> 00:07:30,400

new york state

178

00:07:36,710 --> 00:07:33,840

and this would be an area

179

00:07:39,350 --> 00:07:36,720

a near lake ontario probably the easiest

180

00:07:41,749 --> 00:07:39,360

reference would be in the general area

181

00:07:43,029 --> 00:07:41,759

somewhere up around niagara up in that

182

00:07:45,510 --> 00:07:43,039

general area

183

00:07:46,790 --> 00:07:45,520

and um there is an investigator now

184

00:07:49,990 --> 00:07:46,800

looking into it

185

00:07:52,230 --> 00:07:50,000

i've done some interviews with a witness

186

00:07:53,670 --> 00:07:52,240

he did get a few pictures and not real

187

00:07:56,869 --> 00:07:53,680

great but there's something

188

00:07:58,550 --> 00:07:56,879

on them uh he was just

189

00:08:00,869 --> 00:07:58,560

outside early that morning and he

190

00:08:02,469 --> 00:08:00,879

observed this really unusual looking he

191

00:08:04,469 --> 00:08:02,479

said it looked like almost like a

192

00:08:05,830 --> 00:08:04,479

a beam from a headlight like a headlight

193

00:08:08,710 --> 00:08:05,840

beam uh

194

00:08:10,230 --> 00:08:08,720

high up in the tree across um the road

195

00:08:12,469 --> 00:08:10,240

from his home

196

00:08:13,510 --> 00:08:12,479

and suddenly this beam of light it

197

00:08:16,469 --> 00:08:13,520

starts to

198

00:08:17,909 --> 00:08:16,479

go on and off and it it gets real bright

199

00:08:19,749 --> 00:08:17,919

then goes away

200

00:08:22,469 --> 00:08:19,759

and soon after it's followed by what he

201
00:08:25,110 --> 00:08:22,479
describes like two loops of light

202
00:08:27,350 --> 00:08:25,120
uh like circles of light and there's a

203
00:08:31,430 --> 00:08:27,360
small little what he called the orbs

204
00:08:33,509 --> 00:08:31,440
uh that began to chase each other around

205
00:08:36,310 --> 00:08:33,519
the circles of light

206
00:08:36,949 --> 00:08:36,320
and um as he watched these things for a

207
00:08:39,190 --> 00:08:36,959
while

208
00:08:40,389 --> 00:08:39,200
a red one a more of a solid red color

209
00:08:42,870 --> 00:08:40,399
one came i believe

210
00:08:44,790 --> 00:08:42,880
it from behind the tree and was pretty

211
00:08:45,350 --> 00:08:44,800
low to the ground and regained approach

212
00:08:48,949 --> 00:08:45,360
towards him

213
00:08:50,630 --> 00:08:48,959

left about 60 feet away from him and

214

00:08:53,670 --> 00:08:50,640

then it went back but he watched these

215

00:08:58,070 --> 00:08:53,680

things for a considerable period of time

216

00:09:00,310 --> 00:08:58,080

and so it's kind of interesting but

217

00:09:02,310 --> 00:09:00,320

the other siding that i got the same day

218

00:09:05,110 --> 00:09:02,320

happened here in the pittsburgh area

219

00:09:05,910 --> 00:09:05,120

so the suburb of pittsburgh and actually

220

00:09:11,750 --> 00:09:05,920

uh

221

00:09:13,829 --> 00:09:11,760

though this was off the main area into a

222

00:09:14,949 --> 00:09:13,839

little more rural area of monroeville

223

00:09:16,150 --> 00:09:14,959

pennsylvania where there have been

224

00:09:18,470 --> 00:09:16,160

sightings before

225

00:09:20,310 --> 00:09:18,480

of different things but this is a

226

00:09:21,990 --> 00:09:20,320

possible thunderbird sighting which i've

227

00:09:23,910 --> 00:09:22,000

had other reports this year in the last

228

00:09:25,350 --> 00:09:23,920

few years and we continue to get these

229

00:09:29,350 --> 00:09:25,360

reports of these very

230

00:09:30,829 --> 00:09:29,360

large huge flying wing somethings

231

00:09:33,269 --> 00:09:30,839

and of course yes there's a lot of

232

00:09:34,470 --> 00:09:33,279

misidentifications as with ufos but some

233

00:09:36,150 --> 00:09:34,480

of the cases are

234

00:09:38,550 --> 00:09:36,160

pretty detailed and i interviewed this

235

00:09:40,070 --> 00:09:38,560

person uh i believe was last night or

236

00:09:43,269 --> 00:09:40,080

night before again

237

00:09:44,870 --> 00:09:43,279

and um was outside on her deck

238

00:09:46,870 --> 00:09:44,880

and just happened to be out there

239

00:09:49,509 --> 00:09:46,880

looking around when something uh

240

00:09:52,150 --> 00:09:49,519

caught her left eye quite a emotional

241

00:09:55,990 --> 00:09:52,160

movement and she looked up and

242

00:09:58,070 --> 00:09:56,000

only uh maybe about 15 20 feet away

243

00:10:00,310 --> 00:09:58,080

was a group of trees and only about 40

244

00:10:03,990 --> 00:10:00,320

feet above the trees was this

245

00:10:07,110 --> 00:10:04,000

very large dark um huge

246

00:10:08,790 --> 00:10:07,120

bird-like object that uh she said in

247

00:10:10,389 --> 00:10:08,800

trying to compare the size she said the

248

00:10:12,949 --> 00:10:10,399

any i can compare with would be

249

00:10:15,030 --> 00:10:12,959

a hawk by about five times the size of a

250

00:10:18,069 --> 00:10:15,040

hawk with a wingspan

251
00:10:19,750 --> 00:10:18,079
and um she estimated this thing would

252
00:10:22,069 --> 00:10:19,760
have a wingspan

253
00:10:25,509 --> 00:10:22,079
um that i believe she said she thought

254
00:10:28,630 --> 00:10:25,519
that it was probably around uh 14 foot

255
00:10:29,110 --> 00:10:28,640
and she said what was interesting was

256
00:10:30,949 --> 00:10:29,120
that

257
00:10:32,870 --> 00:10:30,959
it never flapped its wings it just

258
00:10:34,630 --> 00:10:32,880
soared very quickly

259
00:10:37,350 --> 00:10:34,640
she watched it going around in the sky

260
00:10:39,990 --> 00:10:37,360
for a while and suddenly it made a sharp

261
00:10:42,470 --> 00:10:40,000
right turn and she said all of a sudden

262
00:10:45,509 --> 00:10:42,480
i have a purple clear sky right in front

263
00:10:48,790 --> 00:10:45,519

of me no obstruction

264

00:10:49,350 --> 00:10:48,800

it's some only disadvantages right in

265

00:10:50,630 --> 00:10:49,360

front of me

266

00:10:52,949 --> 00:10:50,640

and disappears and she had no

267

00:10:53,750 --> 00:10:52,959

explanation why that it disappeared like

268

00:11:03,509 --> 00:10:53,760

that

269

00:11:06,389 --> 00:11:03,519

you've had these

270

00:11:07,110 --> 00:11:06,399

wing reports before that did this thing

271

00:11:12,550 --> 00:11:07,120

resemble

272

00:11:16,550 --> 00:11:14,310

now she said it was more like a huge

273

00:11:17,430 --> 00:11:16,560

bird and i can with the thunderbird

274

00:11:19,110 --> 00:11:17,440

reports

275

00:11:20,790 --> 00:11:19,120

you know i investigated multitudes of

276

00:11:23,269 --> 00:11:20,800

these sightings and a lot of the

277

00:11:23,910 --> 00:11:23,279

historical thunderbird sightings we get

278

00:11:25,910 --> 00:11:23,920

um

279

00:11:27,269 --> 00:11:25,920

they look like a huge overgrown turkey

280

00:11:30,710 --> 00:11:27,279

vulture kind of dark

281

00:11:32,710 --> 00:11:30,720

black in color and again very difficult

282

00:11:33,670 --> 00:11:32,720

to judge altitude and size but in some

283

00:11:35,110 --> 00:11:33,680

cases these

284

00:11:36,870 --> 00:11:35,120

huge flying creatures that have been

285

00:11:37,670 --> 00:11:36,880

very low to the ground are actually on

286

00:11:39,269 --> 00:11:37,680

the ground

287

00:11:41,269 --> 00:11:39,279

i mean i've had incidents where on the

288

00:11:42,790 --> 00:11:41,279

highway they're eating roadkill

289

00:11:44,710 --> 00:11:42,800

and they're blocking the roads so the

290

00:11:46,389 --> 00:11:44,720

motorist has to stop their vehicle

291

00:11:47,990 --> 00:11:46,399

and they're sitting in one case they're

292

00:11:49,910 --> 00:11:48,000

looking eye to eye

293

00:11:51,910 --> 00:11:49,920

i have more than one case like that

294

00:11:53,110 --> 00:11:51,920

there was one amazing case out a number

295

00:11:54,829 --> 00:11:53,120

of years ago and

296

00:11:56,389 --> 00:11:54,839

actually in a bordering state of west

297

00:11:58,470 --> 00:11:56,399

virginia and

298

00:12:00,069 --> 00:11:58,480

i mean this thing was huge it was it was

299

00:12:01,829 --> 00:12:00,079

a two-lane road early in the morning in

300

00:12:04,470 --> 00:12:01,839

daylight

301
00:12:06,150 --> 00:12:04,480
and it's hopping from one one leg

302
00:12:08,230 --> 00:12:06,160
together trying to get up off the ground

303
00:12:10,710 --> 00:12:08,240
because of his huge size

304
00:12:12,310 --> 00:12:10,720
and the witness was watching these wings

305
00:12:14,310 --> 00:12:12,320
flapping and there's dust and dirt

306
00:12:16,150 --> 00:12:14,320
coming up off the end of the road

307
00:12:18,870 --> 00:12:16,160
and it finally got up over the trees and

308
00:12:21,190 --> 00:12:18,880
was gone and he was so amazed by what he

309
00:12:24,710 --> 00:12:21,200
saw but he had a really good idea

310
00:12:26,629 --> 00:12:24,720
of the wingspan and he went back the

311
00:12:28,310 --> 00:12:26,639
next day and measured it was 21 feet

312
00:12:31,590 --> 00:12:28,320
across

313
00:12:37,750 --> 00:12:35,670

had other reports of wing humanoids

314

00:12:39,350 --> 00:12:37,760

over the years and i've interviewed

315

00:12:41,269 --> 00:12:39,360

other people from out of state over the

316

00:12:43,030 --> 00:12:41,279

years have had something like a huge

317

00:12:44,310 --> 00:12:43,040

winged humanoid come down right over top

318

00:12:47,110 --> 00:12:44,320

of their car

319

00:12:50,389 --> 00:12:47,120

um but i also had that case i looked

320

00:12:53,750 --> 00:12:50,399

into back in she's one of the 2011

321

00:12:56,150 --> 00:12:53,760

up in butler county and uh that

322

00:12:57,509 --> 00:12:56,160

case became uh something of interest a

323

00:13:00,389 --> 00:12:57,519

lot of people in the field that's they

324

00:13:04,829 --> 00:13:00,399

end up calling the the buckler gargoyle

325

00:13:06,069 --> 00:13:04,839

right now um in march of 2011 that was

326

00:13:08,550 --> 00:13:06,079

between

327

00:13:10,230 --> 00:13:08,560

shakur and east brady up north of

328

00:13:10,870 --> 00:13:10,240

pittsburgh up in buffalo county which

329

00:13:14,949 --> 00:13:10,880

has had a

330

00:13:16,069 --> 00:13:14,959

very long history of ufo sightings

331

00:13:18,470 --> 00:13:16,079

bigfoot encounters

332

00:13:20,310 --> 00:13:18,480

cryptids weird phenomena i mean i was up

333

00:13:22,069 --> 00:13:20,320

there in the 60s look in the cases and

334

00:13:24,710 --> 00:13:22,079

there have been many many reports

335

00:13:27,030 --> 00:13:24,720

but um in that particular case the man

336

00:13:28,870 --> 00:13:27,040

who i've interviewed multitudes of times

337

00:13:31,350 --> 00:13:28,880

got to know him and his family very well

338

00:13:32,949 --> 00:13:31,360

he's very professional businessman

339

00:13:34,629 --> 00:13:32,959

he's riding down the road late that

340

00:13:36,150 --> 00:13:34,639

night and his headlights

341

00:13:37,750 --> 00:13:36,160

catch something ahead of him in the

342

00:13:40,470 --> 00:13:37,760

field to the right

343

00:13:42,150 --> 00:13:40,480

and he thought at first it was a deer

344

00:13:43,670 --> 00:13:42,160

and as he pulled up a little closer and

345

00:13:46,150 --> 00:13:43,680

has his high beams up

346

00:13:47,990 --> 00:13:46,160

this huge creature suddenly just that

347

00:13:48,710 --> 00:13:48,000

was hunched down suddenly rises up and

348

00:13:51,670 --> 00:13:48,720

it was

349

00:13:52,949 --> 00:13:51,680

very muscular very tall uh he had a

350

00:13:55,430 --> 00:13:52,959

right in his headlights

351
00:13:57,430 --> 00:13:55,440
it took three big steps across the road

352
00:13:58,790 --> 00:13:57,440
and gone into the woods

353
00:14:00,310 --> 00:13:58,800
and he told me when i interviewed him

354
00:14:02,150 --> 00:14:00,320
the first time he said he said i've

355
00:14:02,710 --> 00:14:02,160
heard stories of bigfoot in my area but

356
00:14:06,790 --> 00:14:02,720
he said

357
00:14:09,350 --> 00:14:06,800
thing's at least eight feet tall

358
00:14:11,269 --> 00:14:09,360
but it had smooth level like skin that

359
00:14:12,389 --> 00:14:11,279
was either dark tan or a light brown

360
00:14:14,389 --> 00:14:12,399
color

361
00:14:15,590 --> 00:14:14,399
and the head he said was flat in the

362
00:14:19,189 --> 00:14:15,600
front and rounded out

363
00:14:21,030 --> 00:14:19,199

kind of like an aerodynamic helmet and

364

00:14:22,870 --> 00:14:21,040

the top was not quite a point but it

365

00:14:25,670 --> 00:14:22,880

looked like a ridge on top of the head

366

00:14:27,670 --> 00:14:25,680

the face was flat the eyes were kind of

367

00:14:30,150 --> 00:14:27,680

swept back

368

00:14:32,389 --> 00:14:30,160

the ear was long and flat came up and

369

00:14:35,430 --> 00:14:32,399

back was pointed backwards like a flap

370

00:14:37,350 --> 00:14:35,440

the arms were muscular he said they were

371

00:14:40,389 --> 00:14:37,360

a little longer than that of a human

372

00:14:42,550 --> 00:14:40,399

uh it had claws he said the one thing

373

00:14:44,150 --> 00:14:42,560

that really stood out was its extremely

374

00:14:47,430 --> 00:14:44,160

muscular legs

375

00:14:48,550 --> 00:14:47,440

he said the legs look not much different

376

00:14:50,230 --> 00:14:48,560

than a human

377

00:14:52,470 --> 00:14:50,240

and that they look like they were bent

378

00:14:53,990 --> 00:14:52,480

backwards and he said it appeared to

379

00:14:56,310 --> 00:14:54,000

have wings on its back

380

00:14:58,310 --> 00:14:56,320

which were tucked into its body with the

381

00:14:59,670 --> 00:14:58,320

wingtips extending towards the side of

382

00:15:02,790 --> 00:14:59,680

his head

383

00:15:04,310 --> 00:15:02,800

and um it walked in front of a big sign

384

00:15:05,750 --> 00:15:04,320

he went back and measured next day it

385

00:15:07,430 --> 00:15:05,760

was over a foot so this thing was a

386

00:15:10,629 --> 00:15:07,440

little taller than eight feet tall

387

00:15:12,389 --> 00:15:10,639

within days numerous other people

388

00:15:13,829 --> 00:15:12,399

were reporting the same thing to the

389

00:15:16,790 --> 00:15:13,839

local local

390

00:15:18,150 --> 00:15:16,800

uh boru uh research group up there in

391

00:15:20,389 --> 00:15:18,160

the butler county

392

00:15:21,670 --> 00:15:20,399

and my understanding is in the last year

393

00:15:23,350 --> 00:15:21,680

i guess have been last year there were

394

00:15:24,949 --> 00:15:23,360

allegedly more sightings of it

395

00:15:28,389 --> 00:15:24,959

at least a sighting of it in the same

396

00:15:31,910 --> 00:15:30,470

well this this happens to be a phenomena

397

00:15:33,829 --> 00:15:31,920

that it

398

00:15:35,670 --> 00:15:33,839

kind of raises its ugly head every once

399

00:15:37,990 --> 00:15:35,680

in a while in pennsylvania now

400

00:15:39,749 --> 00:15:38,000

i do know butler county has had a lot of

401
00:15:41,430 --> 00:15:39,759
strange things happen

402
00:15:43,030 --> 00:15:41,440
and you know of course i had my

403
00:15:45,430 --> 00:15:43,040
encounter in 88

404
00:15:47,350 --> 00:15:45,440
with something that was winged and

405
00:15:49,670 --> 00:15:47,360
looked like a humanoid very similar to

406
00:15:51,590 --> 00:15:49,680
what we're seeing out in chicago

407
00:15:54,150 --> 00:15:51,600
but as well i've gotten reports down

408
00:15:57,030 --> 00:15:54,160
here in york and adams county as well

409
00:15:58,470 --> 00:15:57,040
so i don't know it it's kind of bizarre

410
00:16:01,910 --> 00:15:58,480
you know the um

411
00:16:02,710 --> 00:16:01,920
the more recent case that i mentioned to

412
00:16:05,910 --> 00:16:02,720
you all fair

413
00:16:08,949 --> 00:16:05,920

was the um was this

414

00:16:12,550 --> 00:16:08,959

uh cow sized

415

00:16:16,069 --> 00:16:12,560

possibly canine type being

416

00:16:18,949 --> 00:16:16,079

that was seen near shippensburg

417

00:16:19,509 --> 00:16:18,959

now this guy is a garbage hauler and uh

418

00:16:22,389 --> 00:16:19,519

he was

419

00:16:24,389 --> 00:16:22,399

out before you know early in the morning

420

00:16:25,350 --> 00:16:24,399

at work and he saw this thing out in the

421

00:16:27,350 --> 00:16:25,360

field

422

00:16:29,990 --> 00:16:27,360

and he said he thought actually it might

423

00:16:32,389 --> 00:16:30,000

have been a cow or a bull out there

424

00:16:33,829 --> 00:16:32,399

but he said when it raised up it was

425

00:16:36,790 --> 00:16:33,839

muscular

426
00:16:37,430 --> 00:16:36,800
and it had that sloping back like what

427
00:16:41,990 --> 00:16:37,440
we

428
00:16:45,590 --> 00:16:42,000
get descriptions of with these quadruped

429
00:16:47,590 --> 00:16:45,600
canine cryptids uh i think i sent that

430
00:16:50,550 --> 00:16:47,600
to you at one point so what do you think

431
00:16:53,030 --> 00:16:50,560
about that stamp

432
00:16:55,670 --> 00:16:53,040
well i can tell you a line is you know

433
00:16:57,269 --> 00:16:55,680
i've been doing this now for 61 years

434
00:16:58,870 --> 00:16:57,279
and the more i know about it the

435
00:17:01,749 --> 00:16:58,880
stranger the phenomena is

436
00:17:03,350 --> 00:17:01,759
and there are so many different types of

437
00:17:04,549 --> 00:17:03,360
cryptids being reported including what

438
00:17:06,870 --> 00:17:04,559

you described

439

00:17:08,470 --> 00:17:06,880

and a lot of these possible what they

440

00:17:08,789 --> 00:17:08,480

call dogman sightings which i think

441

00:17:11,909 --> 00:17:08,799

you're

442

00:17:13,270 --> 00:17:11,919

kind of referring to i don't think

443

00:17:15,669 --> 00:17:13,280

they're anything new

444

00:17:17,270 --> 00:17:15,679

i mean if you go back to my my solid

445

00:17:18,470 --> 00:17:17,280

invasion book you know which focus on

446

00:17:20,549 --> 00:17:18,480

that massive

447

00:17:22,390 --> 00:17:20,559

bigfoot ufo wave here in pennsylvania in

448

00:17:24,789 --> 00:17:22,400

73 and the 74.

449

00:17:26,230 --> 00:17:24,799

i mean that was the most amazing series

450

00:17:27,510 --> 00:17:26,240

of events that went on for months and

451
00:17:29,669 --> 00:17:27,520
months and there were

452
00:17:31,110 --> 00:17:29,679
multitudes of bigfoot sightings went on

453
00:17:33,430 --> 00:17:31,120
many in daylight

454
00:17:35,190 --> 00:17:33,440
and while you had a lot of your

455
00:17:37,990 --> 00:17:35,200
so-called typical

456
00:17:39,750 --> 00:17:38,000
bigfoot descriptions being reported

457
00:17:41,430 --> 00:17:39,760
there were some variations as well

458
00:17:44,310 --> 00:17:41,440
especially people who were

459
00:17:46,310 --> 00:17:44,320
extremely close to these creatures when

460
00:17:49,990 --> 00:17:46,320
i started screaming clothes i'm only

461
00:17:51,669 --> 00:17:50,000
within feet and some of those people

462
00:17:53,110 --> 00:17:51,679
were basically looking right into the

463
00:17:55,430 --> 00:17:53,120

face of these things

464

00:17:57,510 --> 00:17:55,440

and they're describing uh the head and

465

00:17:59,750 --> 00:17:57,520

the face more like a wolf

466

00:18:02,549 --> 00:17:59,760

with fang like teeth luminous glowing

467

00:18:04,950 --> 00:18:02,559

red orangish red glowing eyes

468

00:18:05,990 --> 00:18:04,960

and in some cases people reported that

469

00:18:07,750 --> 00:18:06,000

these things

470

00:18:09,190 --> 00:18:07,760

would run for a while upright then they

471

00:18:10,950 --> 00:18:09,200

would get down on all fours

472

00:18:12,230 --> 00:18:10,960

and then sometimes get back up again and

473

00:18:15,190 --> 00:18:12,240

run away

474

00:18:15,750 --> 00:18:15,200

so i i don't think it's a new phenomena

475

00:18:17,909 --> 00:18:15,760

and

476
00:18:19,110 --> 00:18:17,919
i mean there's all kind of strange

477
00:18:20,390 --> 00:18:19,120
things going on out there

478
00:18:22,150 --> 00:18:20,400
it's just incredible i'm actually

479
00:18:24,549 --> 00:18:22,160
working on my fourth book

480
00:18:25,990 --> 00:18:24,559
and some of the things in there are just

481
00:18:27,190 --> 00:18:26,000
it's incredible

482
00:18:30,070 --> 00:18:27,200
and the whole thing is and i'm sure

483
00:18:31,830 --> 00:18:30,080
you'll agree you have so many types of

484
00:18:33,590 --> 00:18:31,840
these strange creatures being reported

485
00:18:35,110 --> 00:18:33,600
not only in pennsylvania but around the

486
00:18:37,990 --> 00:18:35,120
country and around the world

487
00:18:39,750 --> 00:18:38,000
it's just impossible to have so many

488
00:18:40,630 --> 00:18:39,760

type of unknown species of animals

489

00:18:43,270 --> 00:18:40,640

running around

490

00:18:45,110 --> 00:18:43,280

but at the same time you've got so many

491

00:18:46,630 --> 00:18:45,120

credible eyewitnesses

492

00:18:48,549 --> 00:18:46,640

who have no reason to make up these

493

00:18:49,350 --> 00:18:48,559

stories and i'm sure probably the same

494

00:18:51,830 --> 00:18:49,360

with you

495

00:18:52,630 --> 00:18:51,840

probably 95 or more of the witnesses i

496

00:18:54,870 --> 00:18:52,640

interview

497

00:18:56,789 --> 00:18:54,880

don't want any publicity most of them

498

00:18:57,909 --> 00:18:56,799

would never believe what they saw until

499

00:18:59,350 --> 00:18:57,919

they saw it

500

00:19:01,270 --> 00:18:59,360

many of them had a life-changing

501
00:19:02,710 --> 00:19:01,280
experience so there's got to be

502
00:19:03,430 --> 00:19:02,720
something else we're dealing with and

503
00:19:06,230 --> 00:19:03,440
you know

504
00:19:08,150 --> 00:19:06,240
i started writing about in the 70s some

505
00:19:09,750 --> 00:19:08,160
of those very strange case with bigfoot

506
00:19:12,950 --> 00:19:09,760
ufo scene together

507
00:19:14,549 --> 00:19:12,960
and other phenomena with a bigfoot being

508
00:19:16,070 --> 00:19:14,559
reported and there's more more this in

509
00:19:18,710 --> 00:19:16,080
more recent years

510
00:19:20,150 --> 00:19:18,720
which continues to suggest that we're

511
00:19:22,310 --> 00:19:20,160
dealing with something that's much

512
00:19:24,310 --> 00:19:22,320
stranger than just an unknown animal

513
00:19:25,430 --> 00:19:24,320

and once again for lack of a better term

514

00:19:25,830 --> 00:19:25,440

i think we're dealing with something

515

00:19:28,230 --> 00:19:25,840

that's

516

00:19:29,990 --> 00:19:28,240

interdimensional it has a physical and a

517

00:19:31,990 --> 00:19:30,000

nonstatistical component to it

518

00:19:34,070 --> 00:19:32,000

because of all these cryptics being

519

00:19:36,390 --> 00:19:34,080

reported people are seeing them

520

00:19:38,950 --> 00:19:36,400

yeah at times we get some tracks you may

521

00:19:41,110 --> 00:19:38,960

get some other physical evidence of time

522

00:19:42,789 --> 00:19:41,120

we never come up with any bodies there's

523

00:19:44,390 --> 00:19:42,799

got to be something else we just don't

524

00:19:46,630 --> 00:19:44,400

understand going on

525

00:19:48,390 --> 00:19:46,640

no absolutely you know you and i have

526

00:19:52,310 --> 00:19:48,400

talked about that for

527

00:19:54,470 --> 00:19:52,320

forever it's amazing and and um

528

00:19:57,190 --> 00:19:54,480

you know going back to the this this

529

00:19:58,950 --> 00:19:57,200

canine the cryptic canine sightings

530

00:20:00,310 --> 00:19:58,960

you know these things have been being

531

00:20:02,630 --> 00:20:00,320

seen

532

00:20:04,789 --> 00:20:02,640

you know for hundreds of years quite

533

00:20:06,549 --> 00:20:04,799

frankly here in around pennsylvania

534

00:20:08,390 --> 00:20:06,559

down in maryland i mean you know a lot

535

00:20:11,190 --> 00:20:08,400

of times

536

00:20:13,909 --> 00:20:11,200

uh i think some of the earlier reports

537

00:20:16,230 --> 00:20:13,919

of what people called the dwell

538

00:20:17,270 --> 00:20:16,240

were coming out of uh southern

539

00:20:20,310 --> 00:20:17,280

pennsylvania

540

00:20:23,350 --> 00:20:20,320

into maryland and these were these

541

00:20:26,470 --> 00:20:23,360

uh old world german farmers that moved

542

00:20:28,710 --> 00:20:26,480

into the united states uh they were

543

00:20:32,830 --> 00:20:28,720

reporting these beings and

544

00:20:33,990 --> 00:20:32,840

basically describing them as similar

545

00:20:37,430 --> 00:20:34,000

types

546

00:20:40,470 --> 00:20:37,440

folklorish or some type of canine

547

00:20:44,470 --> 00:20:40,480

cryptid mostly upright that they had

548

00:20:46,710 --> 00:20:44,480

encountered over in germany so um

549

00:20:49,110 --> 00:20:46,720

you know you go back and start looking

550

00:20:51,110 --> 00:20:49,120

at those reports and

551
00:20:52,470 --> 00:20:51,120
you know it's very similar to what we're

552
00:20:53,990 --> 00:20:52,480
getting now and of course

553
00:20:55,669 --> 00:20:54,000
you know butch and i have been working

554
00:20:58,630 --> 00:20:55,679
on these

555
00:21:01,110 --> 00:20:58,640
uh these upright canines and dogman

556
00:21:03,270 --> 00:21:01,120
sightings here in pennsylvania and

557
00:21:04,710 --> 00:21:03,280
there do there there do seem to be two

558
00:21:08,310 --> 00:21:04,720
distinct groups here

559
00:21:09,110 --> 00:21:08,320
you know the uprights that we call the

560
00:21:11,990 --> 00:21:09,120
lichens

561
00:21:14,230 --> 00:21:12,000
and uh then the quadrupeds which kind of

562
00:21:16,710 --> 00:21:14,240
have that hyena look to it

563
00:21:17,590 --> 00:21:16,720

uh it still has the large head it looks

564

00:21:21,350 --> 00:21:17,600

like i had a

565

00:21:21,909 --> 00:21:21,360

wolf but uh and there are two camps and

566

00:21:26,070 --> 00:21:21,919

i i

567

00:21:28,390 --> 00:21:26,080

you know i uh it's unexplainable but you

568

00:21:31,510 --> 00:21:28,400

know you talk about the interdimensional

569

00:21:33,830 --> 00:21:31,520

aspect to this and

570

00:21:35,990 --> 00:21:33,840

you know hopefully i think i hope we get

571

00:21:37,190 --> 00:21:36,000

some more information as to being able

572

00:21:40,549 --> 00:21:37,200

to

573

00:21:41,750 --> 00:21:40,559

uh make that theory stick somewhat more

574

00:21:45,750 --> 00:21:41,760

than what we know

575

00:21:49,430 --> 00:21:45,760

from just what our conjecture

576

00:21:51,909 --> 00:21:49,440

yeah it's um it's just the phenomena

577

00:21:53,430 --> 00:21:51,919

it's so complex and you know i haven't

578

00:21:54,230 --> 00:21:53,440

been involved in this for so many years

579

00:21:56,070 --> 00:21:54,240

doing first-hand

580

00:21:59,270 --> 00:21:56,080

interviews with literally thousands of

581

00:22:02,470 --> 00:21:59,280

witnesses over the years

582

00:22:03,270 --> 00:22:02,480

when you begin to see the patterns from

583

00:22:04,630 --> 00:22:03,280

years ago

584

00:22:06,390 --> 00:22:04,640

you get down there and you interview

585

00:22:08,390 --> 00:22:06,400

these people in person sometimes

586

00:22:10,549 --> 00:22:08,400

you know my teams back in the 70s and

587

00:22:11,430 --> 00:22:10,559

80s would be on the scene within minutes

588

00:22:13,750 --> 00:22:11,440

of hours

589

00:22:15,270 --> 00:22:13,760

of these incidents in many cases and to

590

00:22:16,310 --> 00:22:15,280

see the emotional reaction of the

591

00:22:18,390 --> 00:22:16,320

witnesses

592

00:22:20,630 --> 00:22:18,400

to see how they responded see the animal

593

00:22:22,870 --> 00:22:20,640

reactions that they've seen

594

00:22:24,950 --> 00:22:22,880

sometimes various physical evidence you

595

00:22:27,190 --> 00:22:24,960

begin to realize something is going on

596

00:22:28,390 --> 00:22:27,200

out there and everybody's not making up

597

00:22:30,710 --> 00:22:28,400

these stories

598

00:22:32,470 --> 00:22:30,720

and when you begin to get so many little

599

00:22:33,990 --> 00:22:32,480

details from different people

600

00:22:35,750 --> 00:22:34,000

who have no way of knowing each other

601
00:22:36,549 --> 00:22:35,760
especially in the 70s for example when

602
00:22:38,310 --> 00:22:36,559
there was no

603
00:22:39,590 --> 00:22:38,320
cell phones no internet people didn't

604
00:22:41,669 --> 00:22:39,600
have a way to communicate

605
00:22:43,909 --> 00:22:41,679
a lot of this information and over the

606
00:22:44,870 --> 00:22:43,919
years you get some really interesting

607
00:22:50,149 --> 00:22:44,880
detailed

608
00:22:57,750 --> 00:22:54,070
now more recently we've been receiving

609
00:23:00,149 --> 00:22:57,760
a lot of ufo reports mostly orbs

610
00:23:01,909 --> 00:23:00,159
a lot of warb reports especially coming

611
00:23:04,710 --> 00:23:01,919
out of your area

612
00:23:07,590 --> 00:23:04,720
out in around pittsburgh and in western

613
00:23:11,029 --> 00:23:09,029

have there's been has there been an

614

00:23:15,750 --> 00:23:11,039

increase is those type of settings

615

00:23:17,750 --> 00:23:15,760

for you um i hear about them quite often

616

00:23:19,669 --> 00:23:17,760

and you know again i started talking

617

00:23:21,510 --> 00:23:19,679

about this years and years ago i started

618

00:23:23,669 --> 00:23:21,520

investing what i called the many ufos

619

00:23:25,190 --> 00:23:23,679

back in the 1960s

620

00:23:26,789 --> 00:23:25,200

and even today you don't hear a lot of

621

00:23:28,390 --> 00:23:26,799

people talk about that i mean they might

622

00:23:31,510 --> 00:23:28,400

use the term

623

00:23:33,350 --> 00:23:31,520

orbs it may or may not be exactly the

624

00:23:34,549 --> 00:23:33,360

same thing but maybe what people are in

625

00:23:36,470 --> 00:23:34,559

fact describing

626
00:23:39,909 --> 00:23:36,480
and when i investigated those cases back

627
00:23:41,669 --> 00:23:39,919
years ago a lot of these incidents

628
00:23:42,950 --> 00:23:41,679
whatever these objects were they were

629
00:23:44,950 --> 00:23:42,960
generally spherical

630
00:23:46,070 --> 00:23:44,960
but not always sometimes there was other

631
00:23:48,950 --> 00:23:46,080
type of

632
00:23:49,990 --> 00:23:48,960
shapes be reported but they were small

633
00:23:51,830 --> 00:23:50,000
they were generally

634
00:23:53,830 --> 00:23:51,840
an inch or two maybe a foot or two in

635
00:23:56,149 --> 00:23:53,840
diameter they were small

636
00:23:57,590 --> 00:23:56,159
but the interesting point was they were

637
00:24:00,149 --> 00:23:57,600
low to the ground

638
00:24:01,750 --> 00:24:00,159

they came very close to people i mean

639

00:24:03,029 --> 00:24:01,760

i've had a case where people

640

00:24:05,110 --> 00:24:03,039

i mean they got to reach out and grab

641

00:24:06,390 --> 00:24:05,120

these things they were so close i've had

642

00:24:09,350 --> 00:24:06,400

them in recent years

643

00:24:11,110 --> 00:24:09,360

pacing cars go entering vehicles through

644

00:24:14,390 --> 00:24:11,120

open windows entering people's

645

00:24:15,110 --> 00:24:14,400

homes through open windows uh fly around

646

00:24:16,549 --> 00:24:15,120

glide around

647

00:24:17,830 --> 00:24:16,559

gently go back out the windows but i've

648

00:24:19,190 --> 00:24:17,840

had reports to go right through the

649

00:24:21,430 --> 00:24:19,200

walls

650

00:24:23,510 --> 00:24:21,440

and they're fascinating but i think the

651
00:24:25,590 --> 00:24:23,520
more interesting thing is that

652
00:24:26,950 --> 00:24:25,600
in more recent years not only in

653
00:24:28,870 --> 00:24:26,960
pennsylvania

654
00:24:31,350 --> 00:24:28,880
but all across the country i'm talking a

655
00:24:34,710 --> 00:24:31,360
lot of people in the bigfoot field

656
00:24:37,510 --> 00:24:34,720
and there's more and more reports of

657
00:24:38,789 --> 00:24:37,520
these unusual generally spheres of light

658
00:24:40,549 --> 00:24:38,799
small spheres of light

659
00:24:42,470 --> 00:24:40,559
but once again not always sometimes

660
00:24:44,710 --> 00:24:42,480
other odd light configurations

661
00:24:47,430 --> 00:24:44,720
being reported in areas where there's a

662
00:24:50,710 --> 00:24:47,440
lot of history of bigfoot activity or

663
00:24:53,269 --> 00:24:50,720

you're also getting reports of a bigfoot

664

00:24:55,350 --> 00:24:53,279

being associated with these lights

665

00:24:58,830 --> 00:24:55,360

or these spheres of light and of course

666

00:25:05,269 --> 00:25:02,630

1973. they had that incident uh

667

00:25:06,230 --> 00:25:05,279

outside of pittsburgh where witnesses

668

00:25:08,230 --> 00:25:06,240

were out there that

669

00:25:10,149 --> 00:25:08,240

uh evening and they see this white

670

00:25:11,909 --> 00:25:10,159

bigfoot with a white hairy bigfoot

671

00:25:16,149 --> 00:25:11,919

running across the road

672

00:25:19,430 --> 00:25:16,159

towards the woods and

673

00:25:22,070 --> 00:25:19,440

this thing was carrying a small sphere

674

00:25:24,870 --> 00:25:22,080

of light in one of his hands

675

00:25:26,950 --> 00:25:24,880

and then a short time later this object

676

00:25:29,110 --> 00:25:26,960

came across the sky

677

00:25:32,310 --> 00:25:29,120

and projecting a beam like down into the

678

00:25:34,870 --> 00:25:32,320

woods where the creature ran into

679

00:25:36,630 --> 00:25:34,880

and um in more recent years there have

680

00:25:37,750 --> 00:25:36,640

been other somewhat similar kind of

681

00:25:39,350 --> 00:25:37,760

reports coming in

682

00:25:42,470 --> 00:25:39,360

there was an incident outside of

683

00:25:45,350 --> 00:25:42,480

pittsburgh in 2019

684

00:25:47,190 --> 00:25:45,360

and um from my memory here and i have to

685

00:25:48,470 --> 00:25:47,200

try to look up the details if i can here

686

00:25:49,029 --> 00:25:48,480

in a few minutes i'll try to look for

687

00:25:50,950 --> 00:25:49,039

you but

688

00:25:52,310 --> 00:25:50,960

it was early morning hours as i recall

689

00:25:53,990 --> 00:25:52,320

and a man happened to get up and was

690

00:25:55,990 --> 00:25:54,000

looking at his kitchen window

691

00:25:57,590 --> 00:25:56,000

it was near a wooded area and he sees

692

00:26:01,029 --> 00:25:57,600

this small bigfoot maybe

693

00:26:03,269 --> 00:26:01,039

four to five feet tall and

694

00:26:04,310 --> 00:26:03,279

it's running across the road or rather

695

00:26:06,310 --> 00:26:04,320

through his yard

696

00:26:08,950 --> 00:26:06,320

towards this wooded area and enters a

697

00:26:12,710 --> 00:26:08,960

particular area

698

00:26:14,470 --> 00:26:12,720

of the woods and

699

00:26:15,750 --> 00:26:14,480

as soon as the creature entered that

700

00:26:19,190 --> 00:26:15,760

area there was within

701
00:26:20,950 --> 00:26:19,200
seconds at the same exact location

702
00:26:23,510 --> 00:26:20,960
a bright sphere of light about three or

703
00:26:25,190 --> 00:26:23,520
four inches diameter suddenly appeared

704
00:26:26,950 --> 00:26:25,200
and he said it was like looking directly

705
00:26:28,470 --> 00:26:26,960
into the front of a flashlight

706
00:26:31,190 --> 00:26:28,480
but it was only about four feet or so

707
00:26:32,950 --> 00:26:31,200
off the ground and he said

708
00:26:35,510 --> 00:26:32,960
it moved a short distance and then it

709
00:26:37,990 --> 00:26:35,520
vanished and a few seconds later

710
00:26:38,789 --> 00:26:38,000
the light came back on about 10 feet

711
00:26:41,350 --> 00:26:38,799
away

712
00:26:43,110 --> 00:26:41,360
and this time the small sphere emitted a

713
00:26:45,830 --> 00:26:43,120

bright beam of light

714

00:26:47,430 --> 00:26:45,840

that extended out about 10 to 12 feet it

715

00:26:49,029 --> 00:26:47,440

suddenly disappeared and vanishing was

716

00:26:51,269 --> 00:26:49,039

gone

717

00:26:52,549 --> 00:26:51,279

so there's something going on with the

718

00:26:55,590 --> 00:26:52,559

slight phenomena

719

00:26:57,350 --> 00:26:55,600

and the association with bigfoot and i

720

00:27:00,870 --> 00:26:57,360

started noticing this uh

721

00:27:02,390 --> 00:27:00,880

that connection back in 1972 when we had

722

00:27:04,070 --> 00:27:02,400

a series of incidents

723

00:27:05,510 --> 00:27:04,080

uh here in westmoreland county in a

724

00:27:06,630 --> 00:27:05,520

wooded area where people lived around

725

00:27:09,510 --> 00:27:06,640

there for years and years

726
00:27:10,470 --> 00:27:09,520
and nothing had ever happened then

727
00:27:12,470 --> 00:27:10,480
suddenly

728
00:27:14,950 --> 00:27:12,480
the people around there began to report

729
00:27:17,990 --> 00:27:14,960
loud screams and cries and howls

730
00:27:19,990 --> 00:27:18,000
something heavy walking in the woods uh

731
00:27:21,029 --> 00:27:20,000
they they actually saw a bigfoot

732
00:27:23,990 --> 00:27:21,039
creature chasing

733
00:27:25,990 --> 00:27:24,000
a dog they found strange footprints

734
00:27:27,510 --> 00:27:26,000
strange lights and they began to report

735
00:27:29,190 --> 00:27:27,520
these small little

736
00:27:31,430 --> 00:27:29,200
spheres of light very close to their

737
00:27:33,430 --> 00:27:31,440
homes under bushes and trees

738
00:27:37,190 --> 00:27:33,440

so that's when i first began to realize

739

00:27:37,200 --> 00:27:41,909

we have a question in the chat um

740

00:27:46,830 --> 00:27:44,470

do you have any instances where the

741

00:27:48,149 --> 00:27:46,840

witnesses have had any sort of

742

00:27:50,710 --> 00:27:48,159

communication

743

00:27:53,269 --> 00:27:50,720

with any of the beings that you uh

744

00:27:55,510 --> 00:27:53,279

report about

745

00:27:57,190 --> 00:27:55,520

actually yes and it's something that's

746

00:27:59,510 --> 00:27:57,200

not commonly talked about

747

00:28:01,110 --> 00:27:59,520

and i can tell you with my cases it's

748

00:28:03,510 --> 00:28:01,120

extremely rare

749

00:28:05,269 --> 00:28:03,520

and it's mainly because it's strange

750

00:28:06,710 --> 00:28:05,279

enough for a witness

751
00:28:08,389 --> 00:28:06,720
to share their experience with for

752
00:28:10,149 --> 00:28:08,399
example singing a bigfoot

753
00:28:11,669 --> 00:28:10,159
but when there's some other even

754
00:28:13,350 --> 00:28:11,679
stranger elements

755
00:28:15,590 --> 00:28:13,360
it's much harder for them to even want

756
00:28:17,510 --> 00:28:15,600
to discuss it but

757
00:28:19,590 --> 00:28:17,520
uh this has happened there have been

758
00:28:21,110 --> 00:28:19,600
reports and not only in pennsylvania but

759
00:28:21,990 --> 00:28:21,120
in fact it seems to be more common out

760
00:28:24,630 --> 00:28:22,000
in the west

761
00:28:25,190 --> 00:28:24,640
in the pacific northwest i understand

762
00:28:27,669 --> 00:28:25,200
where

763
00:28:30,950 --> 00:28:27,679

some people claim that they've had

764

00:28:34,549 --> 00:28:30,960

telepathic communication with a bigfoot

765

00:28:36,630 --> 00:28:34,559

and um again here in pennsylvania

766

00:28:37,990 --> 00:28:36,640

it's maybe a handful of cases over the

767

00:28:38,789 --> 00:28:38,000

years i've had and they're all pretty

768

00:28:41,669 --> 00:28:38,799

interesting

769

00:28:42,710 --> 00:28:41,679

but there was one particular case that i

770

00:28:46,389 --> 00:28:42,720

won't forget

771

00:28:49,029 --> 00:28:46,399

because i was there when it happened and

772

00:28:50,950 --> 00:28:49,039

there was information revealed at that

773

00:28:51,830 --> 00:28:50,960

time when i was there allegedly from the

774

00:28:53,750 --> 00:28:51,840

creature

775

00:28:56,310 --> 00:28:53,760

to a witness who was among a group of

776

00:28:58,230 --> 00:28:56,320

people where they had called me out

777

00:28:59,830 --> 00:28:58,240

not far from the chestnut ridge which

778

00:29:01,350 --> 00:28:59,840

i'm sure we'll talk about

779

00:29:02,789 --> 00:29:01,360

and there have been frequent bigfoot

780

00:29:04,950 --> 00:29:02,799

sightings and these people had seen this

781

00:29:06,230 --> 00:29:04,960

thing and this one person said that

782

00:29:08,149 --> 00:29:06,240

they felt that this thing had been

783

00:29:09,430 --> 00:29:08,159

trying to communicate with them and that

784

00:29:12,870 --> 00:29:09,440

evening that person

785

00:29:13,830 --> 00:29:12,880

told us as i'm there that this creature

786

00:29:16,470 --> 00:29:13,840

was saying

787

00:29:18,310 --> 00:29:16,480

that there would be a ufo sighting the

788

00:29:20,630 --> 00:29:18,320

next morning tomorrow morning

789

00:29:22,230 --> 00:29:20,640

in another county in indiana county

790

00:29:25,990 --> 00:29:22,240

about 15 miles away

791

00:29:28,789 --> 00:29:26,000

over homer city and guess what

792

00:29:30,630 --> 00:29:28,799

early the next morning over homer city

793

00:29:33,990 --> 00:29:30,640

there's this very loud

794

00:29:36,310 --> 00:29:34,000

low strange sound in the sky that was so

795

00:29:37,830 --> 00:29:36,320

unusual with multiple people calling in

796

00:29:39,430 --> 00:29:37,840

it led to a search by the fire

797

00:29:40,630 --> 00:29:39,440

departments and the police and made the

798

00:29:45,269 --> 00:29:40,640

news

799

00:29:51,750 --> 00:29:48,789

wow uh we also had someone who asked how

800

00:29:55,190 --> 00:29:51,760

many law enforcement testimonials

801
00:29:57,430 --> 00:29:55,200
have uh bro have been brought forward

802
00:29:59,510 --> 00:29:57,440
about having witnessed these creatures

803
00:30:01,029 --> 00:29:59,520
in other words are you do you have

804
00:30:03,590 --> 00:30:01,039
officials or

805
00:30:05,590 --> 00:30:03,600
local authority making reports or

806
00:30:07,510 --> 00:30:05,600
getting involved with these uh these

807
00:30:10,870 --> 00:30:07,520
cases

808
00:30:14,070 --> 00:30:10,880
uh over the years i interviewed many

809
00:30:15,510 --> 00:30:14,080
many uh local police officers state

810
00:30:18,230 --> 00:30:15,520
troopers over the years

811
00:30:19,510 --> 00:30:18,240
who were witnesses to various phenomena

812
00:30:22,070 --> 00:30:19,520
some of which included

813
00:30:23,510 --> 00:30:22,080

uh bigfoot encounters or other other

814

00:30:24,789 --> 00:30:23,520

cryptids and i'll tell you about one of

815

00:30:27,669 --> 00:30:24,799

those in a few minutes

816

00:30:30,149 --> 00:30:27,679

but uh i i started interviewing she's

817

00:30:32,070 --> 00:30:30,159

going back of course the early 70s

818

00:30:33,590 --> 00:30:32,080

uh there were police officers that told

819

00:30:34,630 --> 00:30:33,600

me they encountered a bigfoot during

820

00:30:36,149 --> 00:30:34,640

that time

821

00:30:38,149 --> 00:30:36,159

uh there were others i remember down in

822

00:30:39,830 --> 00:30:38,159

the mon valley area probably in early

823

00:30:41,350 --> 00:30:39,840

70s as well

824

00:30:42,310 --> 00:30:41,360

but there have been other reports since

825

00:30:43,669 --> 00:30:42,320

then and there have been other

826

00:30:45,269 --> 00:30:43,679

investigators that i know that

827

00:30:46,149 --> 00:30:45,279

interviewed other police officers as

828

00:30:49,350 --> 00:30:46,159

well

829

00:30:49,990 --> 00:30:49,360

so yes a lot of these people have talked

830

00:30:53,110 --> 00:30:50,000

to me about

831

00:30:55,430 --> 00:30:53,120

incidents they were involved in um

832

00:30:57,110 --> 00:30:55,440

and it's fascinating and again of the

833

00:30:59,029 --> 00:30:57,120

witnesses i've interviewed they come

834

00:31:00,149 --> 00:30:59,039

from all walks of life men women and

835

00:31:02,070 --> 00:31:00,159

children

836

00:31:04,149 --> 00:31:02,080

they're professionals many are

837

00:31:06,710 --> 00:31:04,159

professionals they're school teachers or

838

00:31:09,190 --> 00:31:06,720

engineers or scientists or

839

00:31:10,549 --> 00:31:09,200

hunters outdoors and police officers

840

00:31:13,110 --> 00:31:10,559

what do they have to gain

841

00:31:14,630 --> 00:31:13,120

they want no publicity most of them are

842

00:31:16,470 --> 00:31:14,640

very confused about what they saw

843

00:31:17,990 --> 00:31:16,480

because they can't figure it out

844

00:31:20,149 --> 00:31:18,000

they don't want to anybody to know who

845

00:31:21,830 --> 00:31:20,159

they are why would you make up such a

846

00:31:22,549 --> 00:31:21,840

story but their stories are very

847

00:31:25,590 --> 00:31:22,559

interesting

848

00:31:27,430 --> 00:31:25,600

and of course one of those more

849

00:31:30,710 --> 00:31:27,440

interesting cases

850

00:31:34,070 --> 00:31:30,720

um occurred back in

851
00:31:37,509 --> 00:31:34,080
august of 73 now excuse me

852
00:31:39,909 --> 00:31:37,519
august of 2017

853
00:31:41,990 --> 00:31:39,919
and um that was one of the stranger

854
00:31:43,909 --> 00:31:42,000
cases you know i've talked about

855
00:31:45,509 --> 00:31:43,919
and this this was a police officer on

856
00:31:48,630 --> 00:31:45,519
patrol

857
00:31:50,630 --> 00:31:48,640
here in southwestern pennsylvania and uh

858
00:31:52,389 --> 00:31:50,640
he was patrolling a raw area that he

859
00:31:53,350 --> 00:31:52,399
commonly was controlled in so he knew

860
00:31:56,070 --> 00:31:53,360
the area well

861
00:31:56,470 --> 00:31:56,080
and they see something on the ground

862
00:31:58,630 --> 00:31:56,480
that

863
00:32:01,750 --> 00:31:58,640

um it was kind of a very dull white

864

00:32:03,350 --> 00:32:01,760

light that's a round light on the ground

865

00:32:04,950 --> 00:32:03,360

and he stops his patrol car he's

866

00:32:05,990 --> 00:32:04,960

thinking i don't remember ever seeing

867

00:32:08,230 --> 00:32:06,000

any lights or

868

00:32:10,070 --> 00:32:08,240

artificial lighting on the ground and as

869

00:32:13,029 --> 00:32:10,080

he's watching

870

00:32:14,870 --> 00:32:13,039

this light suddenly rises up or like

871

00:32:16,710 --> 00:32:14,880

stands up from the ground

872

00:32:18,310 --> 00:32:16,720

and as he's watching and he realized it

873

00:32:19,909 --> 00:32:18,320

was this weirdest strangest thing he'd

874

00:32:22,149 --> 00:32:19,919

ever seen

875

00:32:24,149 --> 00:32:22,159

and what he was actually seeing was the

876

00:32:26,630 --> 00:32:24,159

head of a strange being

877

00:32:29,590 --> 00:32:26,640

about six feet tall or even larger it

878

00:32:33,110 --> 00:32:29,600

was tall and almost skeletal thin

879

00:32:36,230 --> 00:32:33,120

and uh the the dull

880

00:32:37,830 --> 00:32:36,240

luminosity of the of the of the ball

881

00:32:38,470 --> 00:32:37,840

that he saw was actually the head of the

882

00:32:40,149 --> 00:32:38,480

creature

883

00:32:41,990 --> 00:32:40,159

that was illuminating the upper section

884

00:32:44,149 --> 00:32:42,000

of the body and he only

885

00:32:46,070 --> 00:32:44,159

saw it for a very quick time it turned

886

00:32:47,750 --> 00:32:46,080

and he said it moved off it was the

887

00:32:48,950 --> 00:32:47,760

fastest thing he'd ever seen the way it

888

00:32:51,269 --> 00:32:48,960

moved

889

00:32:53,590 --> 00:32:51,279

and uh he said he assumed it ran but he

890

00:32:55,509 --> 00:32:53,600

couldn't see his legs at that point

891

00:32:57,590 --> 00:32:55,519

and he said the head was made by eight

892

00:32:59,269 --> 00:32:57,600

to ten inches diameter

893

00:33:01,190 --> 00:32:59,279

kind of shaped like a ball but it could

894

00:33:02,070 --> 00:33:01,200

have been more egg shaped hillary wasn't

895

00:33:03,990 --> 00:33:02,080

certain

896

00:33:06,389 --> 00:33:04,000

he said the light was kind of a dull

897

00:33:06,710 --> 00:33:06,399

white it illuminated the shoulders the

898

00:33:10,950 --> 00:33:06,720

top

899

00:33:13,269 --> 00:33:10,960

arms he could not see its hands

900

00:33:14,710 --> 00:33:13,279

chest is about 18 inches across waist

901
00:33:17,750 --> 00:33:14,720
appeared to be small

902
00:33:20,149 --> 00:33:17,760
and the arms were unusually long and

903
00:33:20,950 --> 00:33:20,159
the limbs looked skeletal with their

904
00:33:23,269 --> 00:33:20,960
muscle mass

905
00:33:24,389 --> 00:33:23,279
and the skin tone was a dull grayish

906
00:33:26,470 --> 00:33:24,399
blue

907
00:33:27,590 --> 00:33:26,480
and he could not see any facial features

908
00:33:30,549 --> 00:33:27,600
at all

909
00:33:31,029 --> 00:33:30,559
and it was it was kind of sickly looking

910
00:33:34,230 --> 00:33:31,039
and

911
00:33:35,909 --> 00:33:34,240
um that thing was gone he pulled his

912
00:33:37,990 --> 00:33:35,919
vehicle up put a spotlight on

913
00:33:40,149 --> 00:33:38,000

there was no tracks or anything around

914

00:33:42,630 --> 00:33:40,159

but that was kind of the beginning

915

00:33:44,149 --> 00:33:42,640

of the series of other similar reports

916

00:33:46,070 --> 00:33:44,159

that were coming in from different areas

917

00:33:48,630 --> 00:33:46,080

across the state

918

00:33:49,990 --> 00:33:48,640

in fact interestingly this case i'll

919

00:33:52,389 --> 00:33:50,000

tell you about right now it happened

920

00:33:53,750 --> 00:33:52,399

probably just a couple weeks after that

921

00:33:54,950 --> 00:33:53,760

one and this person didn't know anything

922

00:33:57,669 --> 00:33:54,960

about that

923

00:33:58,870 --> 00:33:57,679

and i interviewed this woman again a few

924

00:34:01,190 --> 00:33:58,880

days ago

925

00:34:03,029 --> 00:34:01,200

and this happened uh she's from that

926

00:34:06,070 --> 00:34:03,039

area there i i guess

927

00:34:07,750 --> 00:34:06,080

30 some miles away and this happened uh

928

00:34:10,790 --> 00:34:07,760

during when evening

929

00:34:13,589 --> 00:34:10,800

and it's about dusk

930

00:34:15,109 --> 00:34:13,599

and there's this object in the sky over

931

00:34:16,869 --> 00:34:15,119

top of the trees like a disc with

932

00:34:19,589 --> 00:34:16,879

multiple lights on it uh

933

00:34:21,510 --> 00:34:19,599

bobbing around and she said what was so

934

00:34:22,950 --> 00:34:21,520

unusual was there was something hanging

935

00:34:24,790 --> 00:34:22,960

down from the object

936

00:34:26,629 --> 00:34:24,800

kind of looked like an electrified rope

937

00:34:27,750 --> 00:34:26,639

made up of neon lights hanging down from

938

00:34:29,990 --> 00:34:27,760

the object

939

00:34:32,470 --> 00:34:30,000
and shortly after that and as the

940

00:34:36,310 --> 00:34:32,480
thing's still hovering there

941

00:34:37,669 --> 00:34:36,320
shears this very loud incredibly weird

942

00:34:39,430 --> 00:34:37,679
sound

943

00:34:41,349 --> 00:34:39,440
uh she thought it was like a loud steady

944

00:34:43,270 --> 00:34:41,359
and almost an angry noise

945

00:34:45,510 --> 00:34:43,280
and she's familiar with the owls in the

946

00:34:47,750 --> 00:34:45,520
area she said that's not what it was

947

00:34:49,589 --> 00:34:47,760
so as this object is still hovering

948

00:34:51,990 --> 00:34:49,599
there

949

00:34:53,270 --> 00:34:52,000
she noticed this figure approaching from

950

00:34:56,310 --> 00:34:53,280
about

951
00:34:57,910 --> 00:34:56,320
40 feet away and

952
00:34:59,589 --> 00:34:57,920
assumed at that point it was a neighbor

953
00:35:00,950 --> 00:34:59,599
of somebody this thing's maybe around

954
00:35:02,950 --> 00:35:00,960
six foot tall

955
00:35:05,270 --> 00:35:02,960
and said that the head was kind of egg

956
00:35:06,950 --> 00:35:05,280
shaped that color the creature was odd

957
00:35:08,069 --> 00:35:06,960
getting impression it was sickly looking

958
00:35:10,470 --> 00:35:08,079
and poor health

959
00:35:11,670 --> 00:35:10,480
looked like a very light cream to an

960
00:35:13,670 --> 00:35:11,680
ivory color

961
00:35:14,870 --> 00:35:13,680
but could not see any facial features

962
00:35:17,270 --> 00:35:14,880
again

963
00:35:18,630 --> 00:35:17,280

and appear to be thin and hairless

964

00:35:19,910 --> 00:35:18,640

similar what the police officer had

965

00:35:23,109 --> 00:35:19,920

described

966

00:35:24,310 --> 00:35:23,119

and um it actually approached at one

967

00:35:27,430 --> 00:35:24,320

point

968

00:35:30,310 --> 00:35:27,440

it approached her and came uh

969

00:35:30,710 --> 00:35:30,320

i believe to about 20 feet away from her

970

00:35:33,190 --> 00:35:30,720

and

971

00:35:34,310 --> 00:35:33,200

she was so frightened she said she was

972

00:35:36,630 --> 00:35:34,320

just so scared

973

00:35:38,310 --> 00:35:36,640

she just couldn't even move or talk and

974

00:35:39,750 --> 00:35:38,320

then suddenly it just seemed to fade

975

00:35:41,990 --> 00:35:39,760

away and disappear

976
00:35:44,150 --> 00:35:42,000
and at that point she ran into the house

977
00:35:46,470 --> 00:35:44,160
the ufo was still hovering there

978
00:35:47,910 --> 00:35:46,480
when she got her nerve uh lookout later

979
00:35:50,230 --> 00:35:47,920
probably a couple hours later

980
00:35:52,310 --> 00:35:50,240
she saw neither one at that time and

981
00:35:54,069 --> 00:35:52,320
then the reports continued and got even

982
00:35:55,750 --> 00:35:54,079
summoned reports were even stranger

983
00:35:59,109 --> 00:35:55,760
of something similar and i know you've

984
00:36:02,950 --> 00:35:59,119
had those kind of reports as well

985
00:36:06,150 --> 00:36:02,960
yeah these uh these hairless

986
00:36:09,190 --> 00:36:06,160
pale colored humanoids

987
00:36:11,750 --> 00:36:09,200
and that's something that i'm getting

988
00:36:13,349 --> 00:36:11,760

more and more you know as time goes on

989

00:36:14,710 --> 00:36:13,359

and of course we've got a couple here in

990

00:36:17,589 --> 00:36:14,720

pennsylvania

991

00:36:19,349 --> 00:36:17,599

but you know you know with that story or

992

00:36:22,069 --> 00:36:19,359

that account you just

993

00:36:24,710 --> 00:36:22,079

mentioned it it seems that they're you

994

00:36:28,150 --> 00:36:24,720

know these may be ufo related possible

995

00:36:31,430 --> 00:36:30,310

well we don't know that's the only one i

996

00:36:33,349 --> 00:36:31,440

can think of

997

00:36:34,470 --> 00:36:33,359

that there was a ufo reported in

998

00:36:37,270 --> 00:36:34,480

conjunction with

999

00:36:38,870 --> 00:36:37,280

deciding but other reports that it was

1000

00:36:41,829 --> 00:36:38,880

not that i'm aware of

1001
00:36:43,030 --> 00:36:41,839
but i mean you know some of the people

1002
00:36:44,150 --> 00:36:43,040
were counting these things i mean

1003
00:36:45,589 --> 00:36:44,160
there's a shock that was there was

1004
00:36:49,670 --> 00:36:45,599
another fellow

1005
00:36:51,589 --> 00:36:49,680
and this would have been okay probably

1006
00:36:53,349 --> 00:36:51,599
within weeks of the of the sighting i

1007
00:36:54,870 --> 00:36:53,359
just told you about in another area

1008
00:36:57,270 --> 00:36:54,880
southwest pennsylvania

1009
00:36:58,550 --> 00:36:57,280
and this guy basically his home is in

1010
00:37:03,990 --> 00:36:58,560
the woods

1011
00:37:07,910 --> 00:37:04,000
enjoys doing

1012
00:37:09,030 --> 00:37:07,920
and he had heard a sound a bipedal sound

1013
00:37:10,790 --> 00:37:09,040

he knew the ears

1014

00:37:12,550 --> 00:37:10,800

lived a deer up there and he knew it was

1015

00:37:13,829 --> 00:37:12,560

not deer and it it kind of frightened

1016

00:37:15,510 --> 00:37:13,839

him because it didn't sound normal and

1017

00:37:17,910 --> 00:37:15,520

he went back down to his home

1018

00:37:20,069 --> 00:37:17,920

and a short time later he's sitting

1019

00:37:23,109 --> 00:37:20,079

there at the kitchen table

1020

00:37:26,310 --> 00:37:23,119

and 10 feet away there's the

1021

00:37:28,230 --> 00:37:26,320

the large unobstructed back door

1022

00:37:30,230 --> 00:37:28,240

so there's no curtains or anything on it

1023

00:37:32,550 --> 00:37:30,240

and here's this

1024

00:37:33,349 --> 00:37:32,560

six and a half seven foot tall skeletal

1025

00:37:36,310 --> 00:37:33,359

thin

1026

00:37:37,990 --> 00:37:36,320

humanoid creature hairless bent down

1027

00:37:43,190 --> 00:37:38,000

with luminous glowing yellow eyes

1028

00:37:48,829 --> 00:37:46,230

i mean and it goes on and on yeah yeah

1029

00:37:51,190 --> 00:37:48,839

we had a report out

1030

00:37:53,750 --> 00:37:51,200

uh out your way out

1031

00:37:55,910 --> 00:37:53,760

near closer to pittsburgh of something

1032

00:37:59,829 --> 00:37:55,920

that this gentleman saw

1033

00:38:01,510 --> 00:37:59,839

in the woods that

1034

00:38:03,510 --> 00:38:01,520

i don't know what this thing was i mean

1035

00:38:05,750 --> 00:38:03,520

it was it was actually

1036

00:38:08,710 --> 00:38:05,760

moving from tree to tree but it was kind

1037

00:38:12,870 --> 00:38:08,720

of lower to the ground it was bizarre

1038

00:38:15,670 --> 00:38:12,880

uh actually it you know when i talked to

1039

00:38:17,109 --> 00:38:15,680

eric about it uh eric galtman he said

1040

00:38:19,910 --> 00:38:17,119

the location

1041

00:38:21,510 --> 00:38:19,920

was actually real real close to where he

1042

00:38:24,069 --> 00:38:21,520

works at

1043

00:38:26,150 --> 00:38:24,079

so i don't know what this person saw but

1044

00:38:29,190 --> 00:38:26,160

yeah you're right these

1045

00:38:32,470 --> 00:38:29,200

these bizarre pale humanoid settings are

1046

00:38:34,550 --> 00:38:32,480

popping up more and more i got a um

1047

00:38:35,829 --> 00:38:34,560

i got another question in here where

1048

00:38:39,430 --> 00:38:35,839

someone asked

1049

00:38:42,630 --> 00:38:39,440

if bigfoot and little people

1050

00:38:44,470 --> 00:38:42,640

or i guess in general any type of

1051

00:38:46,390 --> 00:38:44,480

humanoid even the ones

1052

00:38:50,790 --> 00:38:46,400

that you're mentioning now uh could

1053

00:38:54,950 --> 00:38:52,790

you know it it's so hard to say it's

1054

00:38:56,390 --> 00:38:54,960

again it's such a complex phenomenon i'm

1055

00:38:57,430 --> 00:38:56,400

not sure exactly what to talk about

1056

00:39:00,790 --> 00:38:57,440

we're talking about

1057

00:39:01,589 --> 00:39:00,800

you know back in the 60s 70s some years

1058

00:39:04,710 --> 00:39:01,599

since then

1059

00:39:07,670 --> 00:39:04,720

especially back in those days 60s 70s

1060

00:39:09,430 --> 00:39:07,680

there were a number of reports of ufo

1061

00:39:10,950 --> 00:39:09,440

landing cases not only in pennsylvania

1062

00:39:13,030 --> 00:39:10,960

but again around the country

1063

00:39:15,510 --> 00:39:13,040

and back then it was not uncommon to

1064

00:39:16,790 --> 00:39:15,520

hear uh reports of small humanoid

1065

00:39:18,310 --> 00:39:16,800

creatures are being reported

1066

00:39:20,069 --> 00:39:18,320

in conjunction with some of the ufo

1067

00:39:21,750 --> 00:39:20,079

sightings and

1068

00:39:23,349 --> 00:39:21,760

you know we've heard about the graves

1069

00:39:25,589 --> 00:39:23,359

people talk about the grays and other

1070

00:39:28,630 --> 00:39:25,599

similar type of beings have been seen

1071

00:39:29,910 --> 00:39:28,640

i've had reports of small entities even

1072

00:39:32,310 --> 00:39:29,920

in recent years

1073

00:39:33,990 --> 00:39:32,320

that basically don't walk across the

1074

00:39:34,710 --> 00:39:34,000

ground but they float or glide across

1075

00:39:36,790 --> 00:39:34,720

the ground

1076
00:39:38,630 --> 00:39:36,800
and not only humanoids i've had reports

1077
00:39:39,349 --> 00:39:38,640
of bigfoot like creatures doing the same

1078
00:39:40,630 --> 00:39:39,359
thing

1079
00:39:42,710 --> 00:39:40,640
that's what i'm saying there there are

1080
00:39:44,150 --> 00:39:42,720
aspects to bigfoot most people don't

1081
00:39:46,630 --> 00:39:44,160
know anything about

1082
00:39:47,270 --> 00:39:46,640
or prefer not to talk about it because

1083
00:39:49,109 --> 00:39:47,280
it even

1084
00:39:51,510 --> 00:39:49,119
makes the phenomenon even stranger and

1085
00:39:53,990 --> 00:39:51,520
stranger i mean one of the first things

1086
00:39:55,510 --> 00:39:54,000
i began to notice back in 73

1087
00:39:57,510 --> 00:39:55,520
when my teams would get out to some of

1088
00:40:00,310 --> 00:39:57,520

these locations would be

1089

00:40:02,150 --> 00:40:00,320

that there would be trails of footprints

1090

00:40:05,349 --> 00:40:02,160

a lot of these tracks were what

1091

00:40:06,870 --> 00:40:05,359

13 14 17 inches long but with a big

1092

00:40:08,390 --> 00:40:06,880

stride between them

1093

00:40:10,390 --> 00:40:08,400

and we would see them in all type of

1094

00:40:12,790 --> 00:40:10,400

ground conditions including later

1095

00:40:13,510 --> 00:40:12,800

in the in the wintertime in fresh heavy

1096

00:40:15,430 --> 00:40:13,520

snow

1097

00:40:17,990 --> 00:40:15,440

and you follow these tracks and they

1098

00:40:20,069 --> 00:40:18,000

suddenly stop vanish and just disappear

1099

00:40:21,430 --> 00:40:20,079

which made absolutely no sense there's

1100

00:40:23,270 --> 00:40:21,440

no way

1101
00:40:24,710 --> 00:40:23,280
under the conditions we found i mean you

1102
00:40:26,390 --> 00:40:24,720
could have fabricated that

1103
00:40:28,550 --> 00:40:26,400
and these kind of reports continuing

1104
00:40:29,910 --> 00:40:28,560
even this year i mean even the last few

1105
00:40:30,550 --> 00:40:29,920
years we're getting reports all across

1106
00:40:32,069 --> 00:40:30,560
the state

1107
00:40:33,430 --> 00:40:32,079
of people telling me the same thing

1108
00:40:33,990 --> 00:40:33,440
they're seeing these big tracks in the

1109
00:40:35,589 --> 00:40:34,000
snow

1110
00:40:38,550 --> 00:40:35,599
they follow them they suddenly vanish

1111
00:40:40,950 --> 00:40:38,560
and disappear

1112
00:40:42,870 --> 00:40:40,960
it's so again i'm repeating myself the

1113
00:40:43,829 --> 00:40:42,880

phenomenon is so strange and unusual i

1114

00:40:45,750 --> 00:40:43,839

said years ago

1115

00:40:49,670 --> 00:40:45,760

it's so strange and unusual it protects

1116

00:40:53,349 --> 00:40:51,109

yeah well that's just good you're who's

1117

00:40:54,870 --> 00:40:53,359

gonna believe it

1118

00:40:57,190 --> 00:40:54,880

some of the stuff we get at the su

1119

00:40:58,870 --> 00:40:57,200

bazaar uh you know

1120

00:41:01,430 --> 00:40:58,880

of course we got a question at some

1121

00:41:03,829 --> 00:41:01,440

point sometimes too but

1122

00:41:06,390 --> 00:41:03,839

you know i i don't know you know it but

1123

00:41:09,030 --> 00:41:06,400

it you know it is interesting though

1124

00:41:10,710 --> 00:41:09,040

that you and i will get reports and

1125

00:41:12,710 --> 00:41:10,720

other investigators in the state too

1126

00:41:14,390 --> 00:41:12,720

that are very similar

1127

00:41:15,750 --> 00:41:14,400

uh we may think it's strange but then

1128

00:41:17,990 --> 00:41:15,760

when we talk to each other

1129

00:41:18,870 --> 00:41:18,000

it's very similar to something somebody

1130

00:41:22,390 --> 00:41:18,880

else told us

1131

00:41:25,190 --> 00:41:22,400

so it is it's it's really

1132

00:41:26,550 --> 00:41:25,200

really quite bizarre you know here's an

1133

00:41:29,349 --> 00:41:26,560

interesting question

1134

00:41:30,550 --> 00:41:29,359

i don't know if i've ever asked you this

1135

00:41:33,990 --> 00:41:30,560

but have you ever had

1136

00:41:36,790 --> 00:41:34,000

any types of mib or

1137

00:41:39,750 --> 00:41:36,800

government agencies get involved with

1138

00:41:43,030 --> 00:41:39,760

anything that you're investigating

1139

00:41:45,510 --> 00:41:43,040

yes i have and um well i

1140

00:41:46,710 --> 00:41:45,520

it's been years and years ago i can

1141

00:41:48,230 --> 00:41:46,720

remember some of these things from

1142

00:41:50,150 --> 00:41:48,240

memory and others i'd have to look up

1143

00:41:51,750 --> 00:41:50,160

but i i get into some of this my other

1144

00:41:54,550 --> 00:41:51,760

my books actually my uh

1145

00:41:56,550 --> 00:41:54,560

really mysterious pennsylvania and uh

1146

00:41:59,109 --> 00:41:56,560

silent invasion goes into it during that

1147

00:42:01,349 --> 00:41:59,119

massive wave of 73 and 74.

1148

00:42:03,589 --> 00:42:01,359

it is without a doubt probably one of

1149

00:42:05,109 --> 00:42:03,599

the strangest outbreaks ever recorded it

1150

00:42:07,510 --> 00:42:05,119

was well documented

1151
00:42:09,510 --> 00:42:07,520
i mean i we have all the documentation

1152
00:42:12,309 --> 00:42:09,520
on the cases it was in the news

1153
00:42:13,670 --> 00:42:12,319
then back in 73. you got to remember was

1154
00:42:15,990 --> 00:42:13,680
no internet back then

1155
00:42:17,750 --> 00:42:16,000
so the local newspapers and many

1156
00:42:19,109 --> 00:42:17,760
newspapers across the state

1157
00:42:20,790 --> 00:42:19,119
and even some of the national news

1158
00:42:23,109 --> 00:42:20,800
awards were picking up a lot of

1159
00:42:25,430 --> 00:42:23,119
sightings of some of our investigations

1160
00:42:26,150 --> 00:42:25,440
and it was just an amazing time to live

1161
00:42:27,829 --> 00:42:26,160
through i mean

1162
00:42:29,270 --> 00:42:27,839
we were out there day and night i spent

1163
00:42:31,030 --> 00:42:29,280

weeks out there day and night

1164

00:42:33,510 --> 00:42:31,040

continually investigating reports with

1165

00:42:35,030 --> 00:42:33,520

my teams and we came across some very

1166

00:42:38,390 --> 00:42:35,040

interesting things but

1167

00:42:41,750 --> 00:42:38,400

it was during that time um

1168

00:42:43,510 --> 00:42:41,760

i think it was september of 73 that i

1169

00:42:45,270 --> 00:42:43,520

got a phone call from a fella who told

1170

00:42:46,550 --> 00:42:45,280

me he worked for the government

1171

00:42:48,230 --> 00:42:46,560

they were very interested in the

1172

00:42:50,790 --> 00:42:48,240

research i was doing in the

1173

00:42:53,349 --> 00:42:50,800

investigation on bigfoot

1174

00:42:55,829 --> 00:42:53,359

i was given the name of a laboratory in

1175

00:42:57,670 --> 00:42:55,839

washington dc in the name of a contact

1176

00:42:59,829 --> 00:42:57,680

a phone number to call in the event that

1177

00:43:01,670 --> 00:42:59,839

we came up with a body or anything very

1178

00:43:05,589 --> 00:43:01,680

very significant

1179

00:43:07,990 --> 00:43:05,599

and um anyhow in the weeks

1180

00:43:08,870 --> 00:43:08,000

around that time i also got calls from

1181

00:43:12,150 --> 00:43:08,880

other

1182

00:43:14,069 --> 00:43:12,160

uh government um represent offices of

1183

00:43:16,870 --> 00:43:14,079

government representative

1184

00:43:18,630 --> 00:43:16,880

and they request a meeting which we did

1185

00:43:19,990 --> 00:43:18,640

have i had two representatives from one

1186

00:43:21,190 --> 00:43:20,000

of the congressman's office come to

1187

00:43:23,670 --> 00:43:21,200

visit me they were

1188

00:43:25,510 --> 00:43:23,680

very open-minded they were very

1189

00:43:26,550 --> 00:43:25,520

interested in fact i kept in contact

1190

00:43:29,670 --> 00:43:26,560

with him for

1191

00:43:31,109 --> 00:43:29,680

quite a long time and i actually gave

1192

00:43:32,390 --> 00:43:31,119

him that phone number i was giving away

1193

00:43:34,069 --> 00:43:32,400

and they confirmed yes it was a

1194

00:43:35,510 --> 00:43:34,079

government number

1195

00:43:37,589 --> 00:43:35,520

and there are about other cases though

1196

00:43:39,510 --> 00:43:37,599

over the years

1197

00:43:40,710 --> 00:43:39,520

that i was involved in that were very

1198

00:43:43,750 --> 00:43:40,720

interesting where

1199

00:43:45,829 --> 00:43:43,760

some somebody who they were was a

1200

00:43:47,270 --> 00:43:45,839

government agency was it something

1201

00:43:48,870 --> 00:43:47,280

else i don't know of course the

1202

00:43:49,829 --> 00:43:48,880

interesting thing was in some of those

1203

00:43:53,030 --> 00:43:49,839

cases

1204

00:43:54,390 --> 00:43:53,040

was that nobody knew about them nobody

1205

00:43:58,390 --> 00:43:54,400

knew about them

1206

00:44:01,589 --> 00:43:58,400

and um and the witnesses were contacted

1207

00:44:03,430 --> 00:44:01,599

and um some very interesting things uh

1208

00:44:05,670 --> 00:44:03,440

came up with some of his cases so

1209

00:44:06,470 --> 00:44:05,680

yes i've had some cases one was the case

1210

00:44:13,109 --> 00:44:06,480

where

1211

00:44:14,710 --> 00:44:13,119

a car was riding down a major road in

1212

00:44:17,190 --> 00:44:14,720

blair county

1213

00:44:19,109 --> 00:44:17,200

and this object rises up out of the

1214

00:44:19,589 --> 00:44:19,119

field right goes over top of the car on

1215

00:44:23,030 --> 00:44:19,599

the road

1216

00:44:25,270 --> 00:44:23,040

and lifts the car off sideways

1217

00:44:26,950 --> 00:44:25,280

at an angle up off the road and the

1218

00:44:28,630 --> 00:44:26,960

driver is pushed down

1219

00:44:30,390 --> 00:44:28,640

into the driver's seat and about with

1220

00:44:31,430 --> 00:44:30,400

the with her weight she's able to

1221

00:44:35,030 --> 00:44:31,440

balance it to get back

1222

00:44:36,550 --> 00:44:35,040

level and um it was a very very

1223

00:44:38,710 --> 00:44:36,560

interesting case she had a number of

1224

00:44:40,309 --> 00:44:38,720

different physical ailments afterwards

1225

00:44:41,990 --> 00:44:40,319

and for what i remember and again i had

1226
00:44:43,270 --> 00:44:42,000
to look at my notes but i guess within

1227
00:44:45,109 --> 00:44:43,280
days

1228
00:44:46,390 --> 00:44:45,119
i believe her neighbors saw this as well

1229
00:44:47,990 --> 00:44:46,400
i think one case i think it happened

1230
00:44:50,870 --> 00:44:48,000
twice

1231
00:44:52,309 --> 00:44:50,880
at her home early one morning a car

1232
00:44:54,069 --> 00:44:52,319
pulls up with i believe

1233
00:44:56,630 --> 00:44:54,079
men in dark suits i believe they were in

1234
00:44:57,270 --> 00:44:56,640
dark suits they had very long strips of

1235
00:44:59,109 --> 00:44:57,280
tape

1236
00:45:01,430 --> 00:44:59,119
they were going over every section of

1237
00:45:02,230 --> 00:45:01,440
the car and so to pick up any fragments

1238
00:45:04,150 --> 00:45:02,240

on there

1239

00:45:05,829 --> 00:45:04,160

supposedly probably to study to see if

1240

00:45:07,670 --> 00:45:05,839

they can find the information out

1241

00:45:09,349 --> 00:45:07,680

but um those are just a couple of

1242

00:45:12,870 --> 00:45:09,359

reports i can think of right off top of

1243

00:45:16,150 --> 00:45:14,470

well you talk about blair county we've

1244

00:45:17,190 --> 00:45:16,160

gotten some really strange things out of

1245

00:45:19,589 --> 00:45:17,200

there

1246

00:45:21,510 --> 00:45:19,599

i mean you know that altoona area then a

1247

00:45:22,630 --> 00:45:21,520

little bit further south into some of

1248

00:45:24,390 --> 00:45:22,640

the uh

1249

00:45:26,230 --> 00:45:24,400

some of the game lands there have been a

1250

00:45:28,069 --> 00:45:26,240

lot of especially

1251

00:45:30,150 --> 00:45:28,079

upright canine reports coming out of

1252

00:45:33,349 --> 00:45:30,160

their years

1253

00:45:34,790 --> 00:45:33,359

um and go ahead

1254

00:45:36,470 --> 00:45:34,800

yeah i was gonna say that's also an area

1255

00:45:37,589 --> 00:45:36,480

where historically and the game lands

1256

00:45:39,990 --> 00:45:37,599

around the area

1257

00:45:42,309 --> 00:45:40,000

of a lot of ufo sightings i mean low

1258

00:45:43,990 --> 00:45:42,319

level not high altitude lights work on

1259

00:45:47,190 --> 00:45:44,000

large structured objects low to the

1260

00:45:48,790 --> 00:45:47,200

ground and um

1261

00:45:49,829 --> 00:45:48,800

and i know there's been bigfoot activity

1262

00:45:51,349 --> 00:45:49,839

up through that area and then when you

1263

00:45:55,109 --> 00:45:51,359

get down through

1264

00:45:56,630 --> 00:45:55,119

um came cambria county and you get into

1265

00:45:58,150 --> 00:45:56,640

indiana county then you're going down

1266

00:45:59,109 --> 00:45:58,160

towards the ridge down this way and

1267

00:46:00,950 --> 00:45:59,119

through those areas

1268

00:46:02,710 --> 00:46:00,960

there's been a lot of history of all

1269

00:46:03,829 --> 00:46:02,720

kind of phenomena this is going on

1270

00:46:06,710 --> 00:46:03,839

everywhere

1271

00:46:07,829 --> 00:46:06,720

and people don't realize how much this

1272

00:46:09,750 --> 00:46:07,839

is taking place

1273

00:46:12,069 --> 00:46:09,760

we can't even begin to imagine because i

1274

00:46:14,069 --> 00:46:12,079

know you found the same thing

1275

00:46:16,390 --> 00:46:14,079

there is no clearinghouse for these kind

1276

00:46:17,270 --> 00:46:16,400

of reports i get many reports you get

1277

00:46:18,950 --> 00:46:17,280

many reports

1278

00:46:20,790 --> 00:46:18,960

there's other researchers i know they

1279

00:46:21,750 --> 00:46:20,800

get reports there's other organizations

1280

00:46:23,750 --> 00:46:21,760

that get reports

1281

00:46:25,990 --> 00:46:23,760

there's no one depository for all the

1282

00:46:28,550 --> 00:46:26,000

cases we don't even begin to know how

1283

00:46:30,630 --> 00:46:28,560

much of this is going on

1284

00:46:31,750 --> 00:46:30,640

oh yeah you're right there is a yeah

1285

00:46:35,190 --> 00:46:31,760

you're right

1286

00:46:38,790 --> 00:46:37,910

it is i mean it's it we get all you know

1287

00:46:41,030 --> 00:46:38,800

i know

1288

00:46:42,790 --> 00:46:41,040

most of the researchers in pennsylvania

1289

00:46:46,870 --> 00:46:42,800

or people investigate

1290

00:46:47,990 --> 00:46:46,880

but it you know even if somebody is not

1291

00:46:49,910 --> 00:46:48,000

known to us

1292

00:46:51,190 --> 00:46:49,920

you know they're getting setting reports

1293

00:46:53,510 --> 00:46:51,200

you're right

1294

00:46:55,990 --> 00:46:53,520

if there was some type of clearing house

1295

00:46:58,470 --> 00:46:56,000

where we could put this stuff together

1296

00:47:02,790 --> 00:46:58,480

i mean i would welcome that absolutely i

1297

00:47:06,790 --> 00:47:04,870

and and as you said you know when we

1298

00:47:08,630 --> 00:47:06,800

when we on a rare occasion get together

1299

00:47:10,390 --> 00:47:08,640

or when we do radio shows and

1300

00:47:12,790 --> 00:47:10,400

you talk witnesses you talk to other

1301
00:47:14,069 --> 00:47:12,800
people you and i both researchers

1302
00:47:15,510 --> 00:47:14,079
we talk about some of those little

1303
00:47:16,790 --> 00:47:15,520
details that come out and where

1304
00:47:18,150 --> 00:47:16,800
everybody's surprised

1305
00:47:19,510 --> 00:47:18,160
that's the same kind of thing i'm

1306
00:47:21,510 --> 00:47:19,520
finding out and you know one of those

1307
00:47:23,430 --> 00:47:21,520
and we've talked about this before and

1308
00:47:24,790 --> 00:47:23,440
i started mentioning this about three or

1309
00:47:26,630 --> 00:47:24,800
four years ago and then you started

1310
00:47:29,349 --> 00:47:26,640
saying yeah i'm noticing it too

1311
00:47:29,910 --> 00:47:29,359
is that in some cases i've had where

1312
00:47:31,990 --> 00:47:29,920
people were

1313
00:47:33,589 --> 00:47:32,000

physically very close to bigfoot or

1314

00:47:35,510 --> 00:47:33,599

other cryptids

1315

00:47:37,109 --> 00:47:35,520

they noticed an interesting reaction

1316

00:47:39,910 --> 00:47:37,119

from the creatures

1317

00:47:42,390 --> 00:47:39,920

and that was that you know a lot of the

1318

00:47:43,670 --> 00:47:42,400

cases with the observation of kryptos

1319

00:47:45,910 --> 00:47:43,680

they don't seem to be bothered

1320

00:47:48,950 --> 00:47:45,920

whatsoever when people are close by

1321

00:47:50,950 --> 00:47:48,960

but in some cases they seem to realize

1322

00:47:51,750 --> 00:47:50,960

that they could be seen by the human

1323

00:47:54,309 --> 00:47:51,760

witness

1324

00:47:56,549 --> 00:47:54,319

and they became very startled and very

1325

00:47:58,390 --> 00:47:56,559

upset and there was a strong reaction

1326

00:48:00,069 --> 00:47:58,400

and i think that might well be a clue to

1327

00:48:01,910 --> 00:48:00,079

what's going on

1328

00:48:03,750 --> 00:48:01,920

well you're right i mean and that's

1329

00:48:05,910 --> 00:48:03,760

something we've been you know you and i

1330

00:48:08,309 --> 00:48:05,920

both have been noticing and you know i i

1331

00:48:10,470 --> 00:48:08,319

have had several witnesses tell me

1332

00:48:13,270 --> 00:48:10,480

that they would you know say they'd be

1333

00:48:16,390 --> 00:48:13,280

in the woods and they'd see this thing

1334

00:48:19,430 --> 00:48:16,400

and they just would watch it

1335

00:48:21,270 --> 00:48:19,440

and this thing would turn towards them

1336

00:48:22,790 --> 00:48:21,280

and notice that they were looking at

1337

00:48:25,030 --> 00:48:22,800

them and they would react

1338

00:48:27,270 --> 00:48:25,040

i mean they would react not like they

1339

00:48:28,150 --> 00:48:27,280

were just running away but they would

1340

00:48:30,309 --> 00:48:28,160

look at them

1341

00:48:32,549 --> 00:48:30,319

surprised and they could see that

1342

00:48:35,510 --> 00:48:32,559

surprise look on their face

1343

00:48:37,589 --> 00:48:35,520

uh that you know that's not just with

1344

00:48:39,430 --> 00:48:37,599

bigfoot as well i mean i think these

1345

00:48:42,950 --> 00:48:39,440

upright canines

1346

00:48:45,190 --> 00:48:42,960

uh i've kind of reacted to some people

1347

00:48:47,670 --> 00:48:45,200

you know realizing that they could see

1348

00:48:51,430 --> 00:48:47,680

them i mean is it to the point where

1349

00:48:54,549 --> 00:48:51,440

these cryptids believe that they're

1350

00:48:56,309 --> 00:48:54,559

they're either cloaked or you know not

1351

00:48:59,430 --> 00:48:56,319

being able to be seen

1352

00:49:01,829 --> 00:48:59,440

and then realize that oops you know

1353

00:49:03,270 --> 00:49:01,839

i'm being seen you know am i you know

1354

00:49:05,990 --> 00:49:03,280

are they trying to stay

1355

00:49:07,910 --> 00:49:06,000

cloaked at some point are there certain

1356

00:49:09,030 --> 00:49:07,920

people who can see them and others they

1357

00:49:10,710 --> 00:49:09,040

can't

1358

00:49:12,309 --> 00:49:10,720

i mean that's that's an interesting

1359

00:49:14,630 --> 00:49:12,319

question

1360

00:49:16,549 --> 00:49:14,640

and again that you know that's something

1361

00:49:18,309 --> 00:49:16,559

that i i started again talking about

1362

00:49:19,990 --> 00:49:18,319

years ago that i began to study the

1363

00:49:21,750 --> 00:49:20,000

backgrounds of witnesses oh this is

1364

00:49:25,109 --> 00:49:21,760

going back to the 70s

1365

00:49:26,790 --> 00:49:25,119

and i began to realize interviewing a

1366

00:49:28,309 --> 00:49:26,800

lot of witnesses began to study their

1367

00:49:29,190 --> 00:49:28,319

backgrounds as best i could but you got

1368

00:49:31,349 --> 00:49:29,200

to remember

1369

00:49:33,589 --> 00:49:31,359

you know you're limited there's no

1370

00:49:35,670 --> 00:49:33,599

funding i have two organizations of

1371

00:49:37,750 --> 00:49:35,680

hundreds of people investigating reports

1372

00:49:39,430 --> 00:49:37,760

i'm working full-time have a family so

1373

00:49:41,910 --> 00:49:39,440

you're limited just can't do everything

1374

00:49:44,790 --> 00:49:41,920

but what i began to learn was that

1375

00:49:45,589 --> 00:49:44,800

it may well be possible that one there

1376

00:49:47,270 --> 00:49:45,599

are a lot of

1377

00:49:48,950 --> 00:49:47,280

sporadic encounters with various

1378

00:49:52,069 --> 00:49:48,960

creatures that different people see

1379

00:49:52,870 --> 00:49:52,079

but there are some people from the time

1380

00:49:54,950 --> 00:49:52,880

there are little

1381

00:49:56,630 --> 00:49:54,960

throughout their life that they have

1382

00:49:57,430 --> 00:49:56,640

encounters with various paranormal

1383

00:50:01,109 --> 00:49:57,440

phenomena

1384

00:50:02,549 --> 00:50:01,119

and cryptids and ufos and it may well be

1385

00:50:04,950 --> 00:50:02,559

that certain people

1386

00:50:06,950 --> 00:50:04,960

have certain abilities they're able to

1387

00:50:07,829 --> 00:50:06,960

perceive certain phenomena other people

1388

00:50:10,069 --> 00:50:07,839

can't

1389

00:50:12,870 --> 00:50:10,079

and it may well be that the phenomena

1390

00:50:14,549 --> 00:50:12,880

might be attracted to them

1391

00:50:16,710 --> 00:50:14,559

yeah i think there's something to that i

1392

00:50:17,349 --> 00:50:16,720

really do you know there's something

1393

00:50:20,549 --> 00:50:17,359

else that's

1394

00:50:23,750 --> 00:50:20,559

been popping up more and more are these

1395

00:50:27,030 --> 00:50:23,760

glimmer man settings in other words

1396

00:50:28,950 --> 00:50:27,040

uh you know if you

1397

00:50:31,109 --> 00:50:28,960

understand what i'm talking about like

1398

00:50:32,150 --> 00:50:31,119

with the predator movies and these cloak

1399

00:50:33,910 --> 00:50:32,160

beings

1400

00:50:36,390 --> 00:50:33,920

and they kind of had that glimmer

1401

00:50:38,390 --> 00:50:36,400

shimmering effect to them

1402

00:50:40,870 --> 00:50:38,400

i mean what do you think you think that

1403

00:50:44,950 --> 00:50:40,880

these may be cryptids that are

1404

00:50:48,630 --> 00:50:44,960

cloaking at some point uh

1405

00:50:51,910 --> 00:50:48,640

i mean is that is that a possibility

1406

00:50:53,349 --> 00:50:51,920

it's yeah i i keep repeat myself and i'm

1407

00:50:54,470 --> 00:50:53,359

saying the more i know about it the

1408

00:50:56,309 --> 00:50:54,480

stranger it is

1409

00:50:58,710 --> 00:50:56,319

and talk to other researchers around the

1410

00:51:01,430 --> 00:50:58,720

country for years and years

1411

00:51:02,390 --> 00:51:01,440

it's so it's so unusual it's so hard to

1412

00:51:05,270 --> 00:51:02,400

believe but

1413

00:51:06,870 --> 00:51:05,280

one thing i believe to be true is that i

1414

00:51:08,069 --> 00:51:06,880

noticed that there was an energy

1415

00:51:12,150 --> 00:51:08,079

connection

1416

00:51:14,470 --> 00:51:12,160

to one low-level close range

1417

00:51:15,910 --> 00:51:14,480

ufo encounters so we're not tall lights

1418

00:51:17,670 --> 00:51:15,920

in the sky we're talking the instant of

1419

00:51:19,829 --> 00:51:17,680

large structured objects

1420

00:51:21,990 --> 00:51:19,839

that are seen in great detail low to the

1421

00:51:24,230 --> 00:51:22,000

ground and close to witnesses

1422

00:51:26,150 --> 00:51:24,240

and encounters with bigfoot and other

1423

00:51:28,309 --> 00:51:26,160

cryptids they commonly occur

1424

00:51:31,270 --> 00:51:28,319

in the vicinity of high energy sources

1425

00:51:33,910 --> 00:51:31,280

so you've got many many reports

1426
00:51:35,270 --> 00:51:33,920
around uh once again high tension power

1427
00:51:38,069 --> 00:51:35,280
lines

1428
00:51:39,030 --> 00:51:38,079
power plants railroad tracks radio

1429
00:51:42,309 --> 00:51:39,040
towers

1430
00:51:44,870 --> 00:51:42,319
gas wells gas lines reservoirs rivers

1431
00:51:46,790 --> 00:51:44,880
sources of energy i have no doubt

1432
00:51:49,910 --> 00:51:46,800
there's energy connection to it

1433
00:51:51,750 --> 00:51:49,920
and the salmon reports are so bizarre i

1434
00:51:53,270 --> 00:51:51,760
mean they're reports of balls of light

1435
00:51:55,190 --> 00:51:53,280
that change in the creatures

1436
00:51:56,390 --> 00:51:55,200
creature creatures are changing to other

1437
00:51:58,069 --> 00:51:56,400
creatures

1438
00:51:59,750 --> 00:51:58,079

and another thing with bigfoot that some

1439

00:52:01,270 --> 00:51:59,760

people never hear about there have been

1440

00:52:01,829 --> 00:52:01,280

incidents and i think you probably have

1441

00:52:04,150 --> 00:52:01,839

some too

1442

00:52:06,309 --> 00:52:04,160

i know other researchers have where a

1443

00:52:09,270 --> 00:52:06,319

bigfoot is seen

1444

00:52:10,790 --> 00:52:09,280

being accompanied by another cryptid so

1445

00:52:12,470 --> 00:52:10,800

you might have a

1446

00:52:14,549 --> 00:52:12,480

a bigfoot in the black panther scene

1447

00:52:16,390 --> 00:52:14,559

together or not a place animal

1448

00:52:18,069 --> 00:52:16,400

in the case of black panthers and that's

1449

00:52:19,910 --> 00:52:18,079

another whole phenomena

1450

00:52:21,990 --> 00:52:19,920

that i've uncovered some very weird

1451
00:52:24,230 --> 00:52:22,000
things about we've had three black

1452
00:52:29,589 --> 00:52:24,240
panther sightings here in western pa

1453
00:52:34,150 --> 00:52:31,750
yeah you know that that is something

1454
00:52:36,069 --> 00:52:34,160
that does pop up especially out there

1455
00:52:37,589 --> 00:52:36,079
on the ridge where it does seem to be

1456
00:52:39,910 --> 00:52:37,599
some correlation

1457
00:52:41,270 --> 00:52:39,920
between two tips different types of

1458
00:52:43,670 --> 00:52:41,280
cryptids

1459
00:52:45,109 --> 00:52:43,680
that you wouldn't even you know you

1460
00:52:47,430 --> 00:52:45,119
wouldn't even think had anything

1461
00:52:49,349 --> 00:52:47,440
in relation to each other i guess i

1462
00:52:49,829 --> 00:52:49,359
guess it's possible that it's it's

1463
00:52:54,630 --> 00:52:49,839

something

1464

00:52:58,710 --> 00:52:54,640
that's very similar to with the ufo

1465

00:53:01,030 --> 00:52:58,720
alien bigfoot connection as well

1466

00:53:03,109 --> 00:53:01,040
well you know i've had these

1467

00:53:04,549 --> 00:53:03,119
well-documented cases with ufos and

1468

00:53:06,549 --> 00:53:04,559
bigfoot scenes together

1469

00:53:08,390 --> 00:53:06,559
at the same time in place and of course

1470

00:53:10,549 --> 00:53:08,400
that famous case that occurred october

1471

00:53:11,990 --> 00:53:10,559
25th 73 in fayette county

1472

00:53:14,549 --> 00:53:12,000
you know near the ridge area where

1473

00:53:15,829 --> 00:53:14,559
there's so many reports year after year

1474

00:53:17,349 --> 00:53:15,839
and i mean that was such a well

1475

00:53:19,109 --> 00:53:17,359
documented case we had multiple

1476

00:53:22,390 --> 00:53:19,119

eyewitnesses observing this

1477

00:53:24,549 --> 00:53:22,400

barn sized object landed in the field

1478

00:53:27,109 --> 00:53:24,559

and even though was a big red sphere in

1479

00:53:28,950 --> 00:53:27,119

the sky when it went down

1480

00:53:31,030 --> 00:53:28,960

when the three witnesses went up to the

1481

00:53:32,710 --> 00:53:31,040

pasture to investigate

1482

00:53:34,309 --> 00:53:32,720

and this object is on the ground to

1483

00:53:37,109 --> 00:53:34,319

right above it now it's about 100 feet

1484

00:53:38,950 --> 00:53:37,119

in diameter but it's a big white dome

1485

00:53:41,510 --> 00:53:38,960

making this high-pitched winding noise

1486

00:53:43,349 --> 00:53:41,520

illuminating the area

1487

00:53:45,750 --> 00:53:43,359

but again the short part of the story is

1488

00:53:48,150 --> 00:53:45,760

there were two bigfoot creatures in the

1489

00:53:50,309 --> 00:53:48,160

field at the same time

1490

00:53:53,270 --> 00:53:50,319

and that was amazing that was the case

1491

00:53:54,710 --> 00:53:53,280

that really convinced my team and myself

1492

00:53:56,470 --> 00:53:54,720

that there's something more going on

1493

00:53:57,750 --> 00:53:56,480

here than any of us had ever realized

1494

00:53:59,349 --> 00:53:57,760

because you know when i

1495

00:54:01,670 --> 00:53:59,359

got involved in investigating bigfoot

1496

00:54:02,870 --> 00:54:01,680

back in the 60s i mean i was fully

1497

00:54:05,190 --> 00:54:02,880

convinced that bigfoot

1498

00:54:07,190 --> 00:54:05,200

was some type of unknown animal some

1499

00:54:08,710 --> 00:54:07,200

type of unknown animal species

1500

00:54:11,270 --> 00:54:08,720

i wasn't looking for any of these

1501
00:54:13,109 --> 00:54:11,280
strange things but as the events of the

1502
00:54:14,710 --> 00:54:13,119
70s began to unfold

1503
00:54:17,349 --> 00:54:14,720
and you interviewed so many different

1504
00:54:18,710 --> 00:54:17,359
people just normal people had no

1505
00:54:19,910 --> 00:54:18,720
interest in these kind of reports in

1506
00:54:22,230 --> 00:54:19,920
most cases

1507
00:54:23,990 --> 00:54:22,240
and they're telling you about seeing the

1508
00:54:25,430 --> 00:54:24,000
strange lights on their farm and then

1509
00:54:27,349 --> 00:54:25,440
hearing screams and then seeing a

1510
00:54:29,349 --> 00:54:27,359
bigfoot and you've got all these other

1511
00:54:30,630 --> 00:54:29,359
reports coming in from widespread areas

1512
00:54:32,309 --> 00:54:30,640
of the state

1513
00:54:34,390 --> 00:54:32,319

and and they're still continuing to

1514

00:54:35,589 --> 00:54:34,400

occur and again not only in pennsylvania

1515

00:54:36,069 --> 00:54:35,599

but around the country and around the

1516

00:54:39,829 --> 00:54:36,079

world

1517

00:54:41,430 --> 00:54:39,839

similar reports but you don't hear a lot

1518

00:54:42,870 --> 00:54:41,440

about them even though in more recent

1519

00:54:43,510 --> 00:54:42,880

years you're beginning to hear more

1520

00:54:44,870 --> 00:54:43,520

about it

1521

00:54:47,190 --> 00:54:44,880

you're hearing more people in the

1522

00:54:47,829 --> 00:54:47,200

bigfoot field beginning to talk about it

1523

00:54:49,030 --> 00:54:47,839

now

1524

00:54:50,789 --> 00:54:49,040

there have been several new books

1525

00:54:51,670 --> 00:54:50,799

written about it in the last couple of

1526

00:54:54,390 --> 00:54:51,680

years

1527

00:54:55,829 --> 00:54:54,400

and it's getting out more and more so at

1528

00:54:57,270 --> 00:54:55,839

least people are becoming more

1529

00:54:58,950 --> 00:54:57,280

open-minded because

1530

00:55:00,789 --> 00:54:58,960

they ask the same question i did years

1531

00:55:04,789 --> 00:55:00,799

ago if bigfoot's real

1532

00:55:06,309 --> 00:55:04,799

where's the bodies well exactly

1533

00:55:08,150 --> 00:55:06,319

i mean you know that's something we've

1534

00:55:11,109 --> 00:55:08,160

been looking

1535

00:55:13,670 --> 00:55:11,119

and asking questions about for decades

1536

00:55:14,950 --> 00:55:13,680

you know where the body's at and uh

1537

00:55:18,230 --> 00:55:14,960

yeah you're right there there just

1538

00:55:21,750 --> 00:55:18,240

seemed to be an uh more open mindedness

1539

00:55:26,069 --> 00:55:21,760

to the theories that these beings may

1540

00:55:30,470 --> 00:55:26,079

either be able to move within realities

1541

00:55:33,750 --> 00:55:30,480

or is possibly some type of being that

1542

00:55:34,950 --> 00:55:33,760

that's being transported from craft and

1543

00:55:37,349 --> 00:55:34,960

such

1544

00:55:39,589 --> 00:55:37,359

you know i i hear so many crazy things

1545

00:55:41,670 --> 00:55:39,599

as you do and uh

1546

00:55:42,789 --> 00:55:41,680

you know as time goes on they they

1547

00:55:46,150 --> 00:55:42,799

aren't as crazy

1548

00:55:48,870 --> 00:55:46,160

as you merely think they were that's it

1549

00:55:50,630 --> 00:55:48,880

but one thing again i'm not suggesting

1550

00:55:53,829 --> 00:55:50,640

that bigfoot

1551

00:55:55,589 --> 00:55:53,839

is a passenger in a ufo

1552

00:55:57,589 --> 00:55:55,599

because we won't even know for sure what

1553

00:55:59,109 --> 00:55:57,599

the ufos are i mean we have been had

1554

00:56:00,789 --> 00:55:59,119

memories over the years

1555

00:56:02,789 --> 00:56:00,799

i said for years there's more than one

1556

00:56:05,750 --> 00:56:02,799

origin to the unknown category

1557

00:56:07,270 --> 00:56:05,760

but again with many ufo reports i

1558

00:56:08,789 --> 00:56:07,280

receive even in daylight

1559

00:56:10,950 --> 00:56:08,799

suddenly you have these objects that

1560

00:56:13,750 --> 00:56:10,960

suddenly appear out of nowhere

1561

00:56:14,150 --> 00:56:13,760

some look physically solid they suddenly

1562

00:56:16,309 --> 00:56:14,160

change

1563

00:56:18,549 --> 00:56:16,319

physical form from one form to another

1564

00:56:20,789 --> 00:56:18,559

they suddenly appear and disappear

1565

00:56:23,109 --> 00:56:20,799

there's similar similarities to what

1566

00:56:24,950 --> 00:56:23,119

some of the bigfoot reports we have

1567

00:56:26,789 --> 00:56:24,960

i think more and more as we look into

1568

00:56:28,150 --> 00:56:26,799

these phenomena that a lot of the

1569

00:56:30,309 --> 00:56:28,160

paranormal stuff

1570

00:56:32,630 --> 00:56:30,319

that a lot of the crypto stuff and ufo

1571

00:56:34,150 --> 00:56:32,640

stuff it's somehow all related somehow

1572

00:56:35,829 --> 00:56:34,160

we just don't understand

1573

00:56:37,990 --> 00:56:35,839

it's beyond our present scientific

1574

00:56:39,750 --> 00:56:38,000

understanding and i think one day we'll

1575

00:56:40,789 --> 00:56:39,760

know a lot more but right now we just

1576

00:56:44,150 --> 00:56:40,799

don't

1577

00:56:45,829 --> 00:56:44,160

yeah oh i agree with you and uh

1578

00:56:47,670 --> 00:56:45,839

you know i i think with a lot of the

1579

00:56:51,910 --> 00:56:47,680

reports that we are getting

1580

00:56:54,950 --> 00:56:51,920

more recently i think this uh connection

1581

00:56:57,589 --> 00:56:54,960

theory is conducive to what we're seeing

1582

00:56:59,190 --> 00:56:57,599

so uh yeah hopefully we're gonna get

1583

00:57:02,390 --> 00:56:59,200

some answers

1584

00:57:04,789 --> 00:57:02,400

you know it's strained because uh

1585

00:57:06,470 --> 00:57:04,799

like these winged humanoids that

1586

00:57:09,270 --> 00:57:06,480

sightings were getting

1587

00:57:09,670 --> 00:57:09,280

especially in the area around uh o'hare

1588

00:57:14,069 --> 00:57:09,680

and

1589

00:57:17,670 --> 00:57:14,079

the rosemont area we we are getting

1590

00:57:19,910 --> 00:57:17,680

alien beings or alien-like beings

1591

00:57:20,710 --> 00:57:19,920

uh being associated and being seen with

1592

00:57:26,309 --> 00:57:20,720

these

1593

00:57:29,430 --> 00:57:26,319

sightings as well and

1594

00:57:31,750 --> 00:57:29,440

uh the ufo activity according to

1595

00:57:35,109 --> 00:57:31,760

witnesses that we have been talking to

1596

00:57:39,270 --> 00:57:35,119

is picking up around o'hara so

1597

00:57:40,390 --> 00:57:39,280

uh i don't know what is going on and why

1598

00:57:44,390 --> 00:57:40,400

this is happening

1599

00:57:46,230 --> 00:57:44,400

but uh you know i it's funny that the

1600

00:57:46,870 --> 00:57:46,240

personnel at the airport i mean you know

1601
00:57:51,589 --> 00:57:46,880
the

1602
00:57:53,670 --> 00:57:51,599
quiet as much as possible but

1603
00:57:55,270 --> 00:57:53,680
you know the people that are working

1604
00:57:57,589 --> 00:57:55,280
there and you know they're

1605
00:57:58,549 --> 00:57:57,599
they're seeing it and it's starting to

1606
00:58:01,190 --> 00:57:58,559
get out so

1607
00:58:04,230 --> 00:58:01,200
hopefully you know we're gonna get some

1608
00:58:08,789 --> 00:58:04,240
more information as far as that goes so

1609
00:58:10,549 --> 00:58:08,799
so stan what do you have going on um

1610
00:58:11,910 --> 00:58:10,559
what's coming up i know you're you said

1611
00:58:12,870 --> 00:58:11,920
you're working on a book is there

1612
00:58:15,109 --> 00:58:12,880
anything else

1613
00:58:16,870 --> 00:58:15,119

i know the cove at 19 has things all

1614

00:58:19,030 --> 00:58:16,880

screwed up for all of us

1615

00:58:21,109 --> 00:58:19,040

but uh you know what do you have what

1616

00:58:23,270 --> 00:58:21,119

plans do you have

1617

00:58:25,510 --> 00:58:23,280

well unfortunately you're right i had

1618

00:58:27,349 --> 00:58:25,520

multitudes of speaking events uh

1619

00:58:28,710 --> 00:58:27,359

that was set up for 2020 and of course

1620

00:58:29,750 --> 00:58:28,720

everything has been canceled or being

1621

00:58:31,430 --> 00:58:29,760

canceled

1622

00:58:33,109 --> 00:58:31,440

and uh so i've been pretty much stuck

1623

00:58:35,190 --> 00:58:33,119

here in the house just uh

1624

00:58:36,710 --> 00:58:35,200

doing reports and getting investigations

1625

00:58:38,069 --> 00:58:36,720

and interviewing witnesses and doing

1626

00:58:40,470 --> 00:58:38,079

radio interviews and

1627

00:58:42,069 --> 00:58:40,480

working on my book so i'm keeping busy

1628

00:58:43,750 --> 00:58:42,079

uh you know there's a lot of talk about

1629

00:58:45,030 --> 00:58:43,760

having events next year but we're all

1630

00:58:46,630 --> 00:58:45,040

gonna have to wait and see what happens

1631

00:58:48,870 --> 00:58:46,640

because nobody knows it's

1632

00:58:49,670 --> 00:58:48,880

it's you know it's like i always said

1633

00:58:52,230 --> 00:58:49,680

this whole

1634

00:58:54,630 --> 00:58:52,240

virus situation it's like a sci-fi movie

1635

00:58:57,510 --> 00:58:54,640

with no ending

1636

00:58:59,030 --> 00:58:57,520

that's a good analogy uh well stan

1637

00:59:00,789 --> 00:58:59,040

thanks again for coming on the show i

1638

00:59:04,230 --> 00:59:00,799

appreciate you coming on

1639

00:59:06,069 --> 00:59:04,240

always good talking to you and uh

1640

00:59:07,670 --> 00:59:06,079

my friend i hope i hope we just keep

1641

00:59:08,950 --> 00:59:07,680

getting more and more reports you know

1642

00:59:11,349 --> 00:59:08,960

it's interesting

1643

00:59:12,870 --> 00:59:11,359

even though there is there is a lockdown

1644

00:59:15,910 --> 00:59:12,880

or there was a lockdown

1645

00:59:17,349 --> 00:59:15,920

with this covered uh situation we're

1646

00:59:19,270 --> 00:59:17,359

still getting reports

1647

00:59:20,710 --> 00:59:19,280

uh it really hasn't slowed that up at

1648

00:59:24,390 --> 00:59:20,720

all

1649

00:59:26,309 --> 00:59:24,400

year long

1650

00:59:27,670 --> 00:59:26,319

other reports are coming in it's just

1651
00:59:29,270 --> 00:59:27,680
amazing that's for sure

1652
00:59:31,270 --> 00:59:29,280
people can go to my website by the way

1653
00:59:33,190 --> 00:59:31,280
at stan gordon dot info for

1654
00:59:35,829 --> 00:59:33,200
some reports and other information and

1655
00:59:39,109 --> 00:59:35,839
my books are available on amazon.com

1656
00:59:39,670 --> 00:59:39,119
and barnesandnoble.com absolutely but

1657
00:59:41,589 --> 00:59:39,680
then

1658
00:59:43,270 --> 00:59:41,599
thanks again stan and uh we'll be

1659
00:59:44,789 --> 00:59:43,280
talking soon

1660
00:59:46,870 --> 00:59:44,799
all right thanks for having me back on

1661
00:59:50,069 --> 00:59:46,880
the program you take care have a good

1662
00:59:54,150 --> 00:59:51,750
now if you have an unexplained encounter

1663
00:59:55,670 --> 00:59:54,160

or sighting feel free to contact me

1664

00:59:57,670 --> 00:59:55,680

through the phantoms of monsters blog

1665

00:59:59,829 --> 00:59:57,680

site now if you're interested in

1666

01:00:00,789 --> 00:59:59,839

supporting fans of monsters and arcane

1667

01:00:03,349 --> 01:00:00,799

radio

1668

01:00:05,510 --> 01:00:03,359

you can use the paypal donation buttons

1669

01:00:08,390 --> 01:00:05,520

on the blog and newsletter

1670

01:00:09,829 --> 01:00:08,400

now our uh youtube channel beyond

1671

01:00:12,390 --> 01:00:09,839

explanation

1672

01:00:14,069 --> 01:00:12,400

has a lot of new content being added all

1673

01:00:17,109 --> 01:00:14,079

the time and uh

1674

01:00:19,829 --> 01:00:17,119

we're also keeping the

1675

01:00:22,230 --> 01:00:19,839

arcane radio archive shows there as well

1676

01:00:24,309 --> 01:00:22,240

so check it out and subscribe

1677

01:00:26,150 --> 01:00:24,319

you know i again want to thank stan for

1678

01:00:27,109 --> 01:00:26,160

stan gordon for coming on the show this

1679

01:00:29,670 --> 01:00:27,119

evening

1680

01:00:31,190 --> 01:00:29,680

and i especially want to thank you for

1681

01:00:33,589 --> 01:00:31,200

listening to the show

1682

01:00:36,230 --> 01:00:33,599

and participating in the chat stay
