[Music]

2
00:00:10,540 --> 00:00:05,730
[Applause]

3
00:00:12,890 --> 00:00:10,550
[Music]

4
00:00:17,830 --> 00:00:12,900
[Applause]

5
00:00:21,990 --> 00:00:19,670
welcome to the best of first person

6
00:00:24,870 --> 00:00:22,000
episodes from phantoms and monsters

7
00:00:28,830 --> 00:00:24,880
please like subscribe and hit the bell

8
00:00:31,830 --> 00:00:28,840
icon so you'll be notified of all future

9
00:00:33,910 --> 00:00:31,840
uploads

10
00:00:36,069 --> 00:00:33,920
bipedal wolf encountered northwest

11
00:00:38,229 --> 00:00:36,079
clearfield county pennsylvania

12
00:00:40,470 --> 00:00:38,239
i live in a small town called penfield

13
00:00:42,470 --> 00:00:40,480

in clearfield county pennsylvania

14

00:00:44,150 --> 00:00:42,480

this encounter happened in late july of

15

00:00:46,310 --> 00:00:44,160

this year 2015.

16

00:00:47,910 --> 00:00:46,320

i was driving home from work on boy

17

00:00:49,990 --> 00:00:47,920

scout road in penfield

18

00:00:52,229 --> 00:00:50,000

i usually stick to the main roads when

19

00:00:54,069 --> 00:00:52,239

driving home but sometimes take back

20

00:00:56,150 --> 00:00:54,079

roads to take in the scenery

21

00:00:58,310 --> 00:00:56,160

as i was coming around to bend i saw a

22

00:00:59,590 --> 00:00:58,320

large brownish tan creature crouching on

23

00:01:01,430 --> 00:00:59,600

the side of the road

24

00:01:03,029 --> 00:01:01,440

i slowed down to get a better look

25

00:01:04,070 --> 00:01:03,039

that's when it turned its head towards

26

00:01:05,990 --> 00:01:04,080

my vehicle

27

00:01:07,990 --> 00:01:06,000

it had a large head and yellowish glow

28

00:01:10,310 --> 00:01:08,000

to its eyes and the long nose

29

00:01:11,750 --> 00:01:10,320

i couldn't believe what i was looking at

30

00:01:13,990 --> 00:01:11,760

it was eating road kill

31

00:01:15,990 --> 00:01:14,000

i believe the deer at this point i

32

00:01:17,830 --> 00:01:16,000

slammed my foot into the gas pedal and

33

00:01:18,710 --> 00:01:17,840

didn't let off the gas until i reached

34

00:01:21,030 --> 00:01:18,720

my home

35

00:01:22,950 --> 00:01:21,040

i then jumped out of my car ran into my

36

00:01:25,030 --> 00:01:22,960

house and locked my doors

37

00:01:27,510 --> 00:01:25,040

i grabbed my rifle from my closet and

38

00:01:29,429 --> 00:01:27,520

loaded it i then went into my basement

39

00:01:31,510 --> 00:01:29,439

and took out a silver letter opener that

40

00:01:32,310 --> 00:01:31,520

i had gotten after my grandfather passed

41

00:01:34,550 --> 00:01:32,320

away

42

00:01:36,149 --> 00:01:34,560

i haven't seen anything since but i

43

00:01:38,069 --> 00:01:36,159

would like to add that about a month

44

00:01:39,510 --> 00:01:38,079

prior to this i was at the local minute

45

00:01:41,350 --> 00:01:39,520

mark getting gas

46

00:01:43,830 --> 00:01:41,360

a game commission officer pulled up to

47

00:01:46,310 --> 00:01:43,840

the next pump attached to his truck was

48

00:01:48,550 --> 00:01:46,320

a trailer and in that trailer was an elk

49

00:01:50,469 --> 00:01:48,560

a lot of elks have radio collars and

50

00:01:52,469 --> 00:01:50,479

when one dies it's the game commission's

51
00:01:53,670 --> 00:01:52,479
job to figure out how it died and to

52
00:01:55,749 --> 00:01:53,680
take samples

53
00:01:57,510 --> 00:01:55,759
i asked the man what had happened to it

54
00:01:58,389 --> 00:01:57,520
it was a young elk maybe two to three

55
00:02:00,550 --> 00:01:58,399
years at most

56
00:02:01,910 --> 00:02:00,560
it looked fine to me except for the fact

57
00:02:04,149 --> 00:02:01,920
that the throat was slit

58
00:02:05,830 --> 00:02:04,159
he told me he had no clue and that when

59
00:02:08,389 --> 00:02:05,840
they found it the collar it had been

60
00:02:09,990 --> 00:02:08,399
wearing was about 10 feet away he said

61
00:02:11,830 --> 00:02:10,000
at first they thought it was a bear as

62
00:02:13,670 --> 00:02:11,840
it's the only animal around here large

63
00:02:15,589 --> 00:02:13,680

enough to take down a bull elk

64

00:02:17,110 --> 00:02:15,599

but there was no evidence indicating it

65

00:02:19,350 --> 00:02:17,120

was a bear plus

66

00:02:20,150 --> 00:02:19,360

he told me the cut on its throat was too

67

00:02:22,070 --> 00:02:20,160

clean

68

00:02:23,750 --> 00:02:22,080

after that conversation i didn't think

69

00:02:24,630 --> 00:02:23,760

too much of it until i saw that thing

70

00:02:27,030 --> 00:02:24,640

that night

71

00:02:29,110 --> 00:02:27,040

i'm a very facts based person and i

72

00:02:31,509 --> 00:02:29,120

don't hold any personal beliefs as far

73

00:02:33,270 --> 00:02:31,519

as supernatural things are concerned

74

00:02:34,550 --> 00:02:33,280

but since that night i don't know what

75

00:02:36,390 --> 00:02:34,560

to think anymore

76

00:02:38,390 --> 00:02:36,400

the reason i'm writing this to you is

77

00:02:40,390 --> 00:02:38,400

because i saw that back in november you

78

00:02:42,710 --> 00:02:40,400

wrote about a man on state game lands

79

00:02:44,710 --> 00:02:42,720

331 seeing a similar creature

80

00:02:46,550 --> 00:02:44,720

i lived in this town my whole life and

81

00:02:47,670 --> 00:02:46,560

spent more time in the woods than any

82

00:02:49,670 --> 00:02:47,680

place else

83

00:02:51,430 --> 00:02:49,680

i've seen all the animals around here

84

00:02:52,309 --> 00:02:51,440

and i can tell you this thing was not

85

00:02:59,750 --> 00:02:52,319

natural

86

00:03:03,750 --> 00:03:02,229

two huge cryptid canines attack men in

87

00:03:06,309 --> 00:03:03,760

southern ontario

88

00:03:07,990 --> 00:03:06,319

we got into the field and fanned out i

89

00:03:09,750 --> 00:03:08,000

was farthest to the right

90

00:03:11,830 --> 00:03:09,760

straight ahead in the distance was a

91

00:03:13,030 --> 00:03:11,840

blue flash of light that originated in

92

00:03:15,350 --> 00:03:13,040

the cemetery

93

00:03:16,390 --> 00:03:15,360

it looked like it was 10 to 15 feet off

94

00:03:18,229 --> 00:03:16,400

the ground

95

00:03:19,750 --> 00:03:18,239

then a loud crashing thump like

96

00:03:21,589 --> 00:03:19,760

something heavy fell

97

00:03:23,350 --> 00:03:21,599

then a few hundred feet to the left the

98

00:03:26,070 --> 00:03:23,360

exact same thing happened

99

00:03:27,910 --> 00:03:26,080

like a blue ring-shaped flash of light

100

00:03:30,229 --> 00:03:27,920

these things tore out of the trees and

101
00:03:32,309 --> 00:03:30,239
into the corn at an incredible speed

102
00:03:33,430 --> 00:03:32,319
faster than any live creature i'd ever

103
00:03:35,910 --> 00:03:33,440
seen move

104
00:03:37,830 --> 00:03:35,920
supernatural fast whatever they were

105
00:03:38,390 --> 00:03:37,840
then began to bluff charge me and my

106
00:03:40,470 --> 00:03:38,400
friends

107
00:03:42,550 --> 00:03:40,480
running at me three or four times and

108
00:03:43,509 --> 00:03:42,560
stopping just outside of the range of

109
00:03:46,229 --> 00:03:43,519
direct sight

110
00:03:48,229 --> 00:03:46,239
maybe two or three rows of corn away

111
00:03:50,869 --> 00:03:48,239
they were as big as grizzly bears

112
00:03:52,630 --> 00:03:50,879
and fast as race cars they were going

113
00:03:54,470 --> 00:03:52,640

between me and my buddies

114

00:03:57,270 --> 00:03:54,480

then i saw the head and shoulders of the

115

00:03:59,110 --> 00:03:57,280

one a large wolf-like head with pointed

116

00:04:01,270 --> 00:03:59,120

ears and broad shoulders

117

00:04:03,110 --> 00:04:01,280

the head had no neck and was situated

118

00:04:05,910 --> 00:04:03,120

directly on the shoulders

119

00:04:08,070 --> 00:04:05,920

it was a terrifying sight there was zero

120

00:04:08,869 --> 00:04:08,080

doubt in my mind as to what i had just

121

00:04:11,589 --> 00:04:08,879

seen

122

00:04:13,270 --> 00:04:11,599

it was ten feet away at the max just

123

00:04:15,750 --> 00:04:13,280

then it charged me from the front

124

00:04:17,030 --> 00:04:15,760

and left and then my beauty's dog came

125

00:04:19,030 --> 00:04:17,040

in from the right

126
00:04:21,270 --> 00:04:19,040
i thought i had been flanked and almost

127
00:04:21,990 --> 00:04:21,280
shot the dog who was losing her mind at

128
00:04:23,670 --> 00:04:22,000
the time

129
00:04:25,430 --> 00:04:23,680
whining and whimpering and shaking

130
00:04:27,670 --> 00:04:25,440
profusely non-stop

131
00:04:29,909 --> 00:04:27,680
at that point i started praying to jesus

132
00:04:30,870 --> 00:04:29,919
christ and the two dog creatures or

133
00:04:32,950 --> 00:04:30,880
whatever they were

134
00:04:34,629 --> 00:04:32,960
instantly turned and high tailed it out

135
00:04:35,670 --> 00:04:34,639
of the cornfield back towards the

136
00:04:37,990 --> 00:04:35,680
cemetery

137
00:04:39,830 --> 00:04:38,000
so my buddies and i found each other and

138
00:04:40,950 --> 00:04:39,840

the guys said that they had been being

139

00:04:42,790 --> 00:04:40,960

charged too

140

00:04:45,590 --> 00:04:42,800

the guy who had driven us there said he

141

00:04:47,510 --> 00:04:45,600

had seen it i told him i did also

142

00:04:49,990 --> 00:04:47,520

i continued to pray as i looked in the

143

00:04:52,710 --> 00:04:50,000

direction where i saw them run off to

144

00:04:54,550 --> 00:04:52,720

we had a serious job still to do there

145

00:04:55,430 --> 00:04:54,560

were thousands of dollars sitting in the

146

00:04:57,590 --> 00:04:55,440

field

147

00:04:59,430 --> 00:04:57,600

we got things harvested and wrapped up

148

00:05:01,510 --> 00:04:59,440

ready to move out of there

149

00:05:03,189 --> 00:05:01,520

well they doubled back around on us

150

00:05:05,110 --> 00:05:03,199

because when my friend and i were

151
00:05:07,510 --> 00:05:05,120
struggling with dragging the big blue

152
00:05:07,909 --> 00:05:07,520
tarp full back along the tractor access

153
00:05:10,550 --> 00:05:07,919
route

154
00:05:12,390 --> 00:05:10,560
we passed a large bush one of these

155
00:05:15,350 --> 00:05:12,400
creatures was right there

156
00:05:16,070 --> 00:05:15,360
my friend screams out there's a wolf as

157
00:05:18,710 --> 00:05:16,080
i looked up

158
00:05:21,189 --> 00:05:18,720
it was running like a man on two legs

159
00:05:23,830 --> 00:05:21,199
the creature only ran about 10 feet into

160
00:05:25,749 --> 00:05:23,840
the woods and stopped dead in its tracks

161
00:05:27,909 --> 00:05:25,759
my friend and i were ready to go

162
00:05:28,790 --> 00:05:27,919
and he says to me is it coming back to

163
00:05:31,510 --> 00:05:28,800

get us

164

00:05:33,029 --> 00:05:31,520

i just started praying out loud again

165

00:05:35,590 --> 00:05:33,039

nothing else happened

166

00:05:36,950 --> 00:05:35,600

we dragged everything to the car because

167

00:05:39,830 --> 00:05:36,960

it's a little hatchback

168

00:05:41,350 --> 00:05:39,840

someone had to stay behind so i thought

169

00:05:43,189 --> 00:05:41,360

well this is great

170

00:05:45,590 --> 00:05:43,199

there's something seriously messed up

171

00:05:47,029 --> 00:05:45,600

going on here that only seems to be kept

172

00:05:49,189 --> 00:05:47,039

at bay by prayer

173

00:05:51,189 --> 00:05:49,199

these guys don't know i've been praying

174

00:05:52,390 --> 00:05:51,199

so one of them is going to get killed if

175

00:05:54,150 --> 00:05:52,400

i don't stay

176
00:05:57,029 --> 00:05:54,160
i think that it was the holy spirit

177
00:05:59,270 --> 00:05:57,039
protecting me i strongly felt it

178
00:06:00,790 --> 00:05:59,280
so the dog and i stayed behind and spent

179
00:06:03,189 --> 00:06:00,800
the next hour on the road

180
00:06:05,670 --> 00:06:03,199
as she whined and cried and freaked out

181
00:06:07,830 --> 00:06:05,680
i was praying and holding my ground

182
00:06:09,670 --> 00:06:07,840
i did notice that one creature came up

183
00:06:11,590 --> 00:06:09,680
behind the embankment that was along the

184
00:06:14,469 --> 00:06:11,600
entrance to the field and stood there

185
00:06:16,230 --> 00:06:14,479
pacing back and forth i then saw other

186
00:06:17,270 --> 00:06:16,240
creature was now on the other side of

187
00:06:19,590 --> 00:06:17,280
the entrance road

188
00:06:20,710 --> 00:06:19,600

behind a huge blackberry bush that hangs

189

00:06:23,430 --> 00:06:20,720

over the ditch

190

00:06:25,590 --> 00:06:23,440

it was not more than ten feet from us

191

00:06:27,270 --> 00:06:25,600

the dog was freaking out so badly that

192

00:06:28,950 --> 00:06:27,280

it almost got to me

193

00:06:31,510 --> 00:06:28,960

i thought she might just drop from a

194

00:06:31,909 --> 00:06:31,520

heart attack every time i see the dog

195

00:06:36,870 --> 00:06:31,919

now

196

00:06:39,110 --> 00:06:36,880

just gives me a look and starts shaking

197

00:06:39,909 --> 00:06:39,120

she has strongly bonded to me since that

198

00:06:41,749 --> 00:06:39,919

day

199

00:06:43,830 --> 00:06:41,759

i was never so happy as when those

200

00:06:46,390 --> 00:06:43,840

headlights came back over that hill

201
00:06:48,070 --> 00:06:46,400
and my friend pulled up to get us it

202
00:06:50,710 --> 00:06:48,080
seemed like forever we were on that

203
00:06:51,990 --> 00:06:50,720
road but in reality it may have been one

204
00:06:54,309 --> 00:06:52,000
hour tops

205
00:06:56,309 --> 00:06:54,319
when we got back my friend said did you

206
00:07:00,830 --> 00:06:56,319
see the size of that dog bro

207
00:07:00,840 --> 00:07:05,270
it

208
00:07:09,270 --> 00:07:07,270
pretty devil dog encountered near bray

209
00:07:11,589 --> 00:07:09,280
road in southeast wisconsin

210
00:07:13,830 --> 00:07:11,599
back in 2012 my friends and i used to

211
00:07:15,430 --> 00:07:13,840
meet up every night to go cruise around

212
00:07:17,189 --> 00:07:15,440
we all lived with our parents so we

213
00:07:19,350 --> 00:07:17,199

didn't have much of an option

214

00:07:20,950 --> 00:07:19,360

we worked in retail so we'd all usually

215

00:07:23,350 --> 00:07:20,960

be off around 10 pm

216

00:07:24,790 --> 00:07:23,360

and would meet up around 11 pm and go

217

00:07:26,950 --> 00:07:24,800

for an evening drive

218

00:07:29,029 --> 00:07:26,960

one night was the usual two friends came

219

00:07:30,790 --> 00:07:29,039

and picked me up in my buddy's green van

220

00:07:32,950 --> 00:07:30,800

and we drove a little out of town to a

221

00:07:35,189 --> 00:07:32,960

popular country road cruise spot

222

00:07:36,550 --> 00:07:35,199

it was unusually foggy i believe it was

223

00:07:38,710 --> 00:07:36,560

a late spring night

224

00:07:40,230 --> 00:07:38,720

as we were riding around something crazy

225

00:07:41,909 --> 00:07:40,240

and unexplained happened

226

00:07:43,430 --> 00:07:41,919

my friend was driving and out of the

227

00:07:46,150 --> 00:07:43,440

[h__\h] i saw something

228

00:07:48,070 --> 00:07:46,160

it was a dog but not like one i ever saw

229

00:07:49,909 --> 00:07:48,080

it had long gnarled black hair that

230

00:07:51,110 --> 00:07:49,919

formed into mangled dreadlocks that went

231

00:07:53,270 --> 00:07:51,120

down to the ground

232

00:07:55,270 --> 00:07:53,280

it had long big short teeth bigger than

233

00:07:57,670 --> 00:07:55,280

i've ever seen on a dog before

234

00:07:59,110 --> 00:07:57,680

and it had beady piercing red eyes my

235

00:08:01,189 --> 00:07:59,120

friend who was driving

236

00:08:03,350 --> 00:08:01,199

saw it as soon as i did dan yelled holy

237

00:08:05,110 --> 00:08:03,360

crap and slammed the bricks

238

00:08:06,950 --> 00:08:05,120

we hid the thing and it disappeared into

239

00:08:08,550 --> 00:08:06,960

thin air we got out of the car

240

00:08:10,629 --> 00:08:08,560

immediately and looked around

241

00:08:12,150 --> 00:08:10,639

there was nothing no evidence of

242

00:08:14,309 --> 00:08:12,160

anything no fur

243

00:08:15,749 --> 00:08:14,319

no blood it didn't even feel like we hid

244

00:08:17,430 --> 00:08:15,759

anything but we did

245

00:08:19,670 --> 00:08:17,440

at this point we hadn't discussed what

246

00:08:21,589 --> 00:08:19,680

we saw yet so i asked my friend

247

00:08:23,749 --> 00:08:21,599

and he gave the exact same description

248

00:08:26,150 --> 00:08:23,759

as me the guy in the back seat didn't

249

00:08:27,589 --> 00:08:26,160

see anything and was very confused we

250

00:08:29,430 --> 00:08:27,599

called it an early night

251

00:08:31,270 --> 00:08:29,440

we didn't talk or say much the rest of

252

00:08:32,230 --> 00:08:31,280

the way but we still talk about it to

253

00:08:34,149 --> 00:08:32,240

this day

254

00:08:36,550 --> 00:08:34,159

i know that we both both saw the exact

255

00:08:38,550 --> 00:08:36,560

same thing some have doubted my story

256

00:08:41,190 --> 00:08:38,560

over the years and said we were high

257

00:08:42,469 --> 00:08:41,200

but this was a shared experience we both

258

00:08:44,790 --> 00:08:42,479

saw the same thing

259

00:08:46,150 --> 00:08:44,800

to this day i'm legitimately curious as

260

00:08:47,990 --> 00:08:46,160

to what this was

261

00:08:49,269 --> 00:08:48,000

some have told me it's a devil dog an

262

00:08:51,110 --> 00:08:49,279

old irish legend

263

00:08:53,030 --> 00:08:51,120

what makes this very strange is there is

264

00:08:54,870 --> 00:08:53,040

a barn less than half a mile from our

265

00:08:55,829 --> 00:08:54,880

siding in which two sisters committed

266

00:08:57,829 --> 00:08:55,839

suicide

267

00:09:00,470 --> 00:08:57,839

this is also about half an hour away

268

00:09:05,990 --> 00:09:00,480

from road the local werewolf legend

269

00:09:09,430 --> 00:09:08,550

this is lon strickler if you like this

270

00:09:11,190 --> 00:09:09,440

program

271

00:09:12,550 --> 00:09:11,200

it would help us if you would give it a

272

00:09:15,430 --> 00:09:12,560

thumbs up

273

00:09:15,910 --> 00:09:15,440

then subscribe and click the bell icon

274

00:09:18,230 --> 00:09:15,920

so you

275

00:09:20,389 --> 00:09:18,240

get notification when we upload new

276

00:09:23,509 --> 00:09:20,399

first person encounters

277

00:09:25,910 --> 00:09:23,519

we have many more to come very soon and

278

00:09:28,310 --> 00:09:25,920

by the way if you have a suggestion
