

# CONJURING DOGMAN?

A glowing blue dog's face and paw are shown against a black background. The dog's face is on the right, looking towards the left. Its paw is on the left, with its claws extended. The entire scene is illuminated with a bright blue light, giving it a spectral or ethereal appearance.

Upright canines in  
Canada, California,

icon

9  
00:00:31,910 --> 00:00:28,840  
so you'll be notified of all future

10  
00:00:37,830 --> 00:00:35,270  
bipedal canine gillum manitoba i saw

11  
00:00:40,150 --> 00:00:37,840  
something that put a big scare into me

12  
00:00:40,950 --> 00:00:40,160  
i'm going to scribe it not sure you'll

13  
00:00:43,110 --> 00:00:40,960

believe it

14

00:00:46,310 --> 00:00:43,120

but i'm certain about what i saw that

15

00:00:48,310 --> 00:00:46,320

day this happened in august 2009 as i

16

00:00:49,430 --> 00:00:48,320

was driving to my husband's place of

17

00:00:51,830 --> 00:00:49,440

employment

18

00:00:53,590 --> 00:00:51,840

we live in gillam manitoba and he is an

19

00:00:55,350 --> 00:00:53,600

electrician for one of the generating

20

00:00:58,549 --> 00:00:55,360

stations on the river

21

00:01:00,549 --> 00:00:58,559

it was close to 3 p.m i had just turned

22

00:01:02,229 --> 00:01:00,559

off one of the residential roads near my

23

00:01:05,830 --> 00:01:02,239

home heading east on pr

24

00:01:07,510 --> 00:01:05,840

280 about a half mile after my turn

25

00:01:09,750 --> 00:01:07,520

i caught a glimpse of something tall

26

00:01:11,590 --> 00:01:09,760

moving through the trees to my right

27

00:01:13,429 --> 00:01:11,600

then suddenly it jumped onto the

28

00:01:14,710 --> 00:01:13,439

shoulder of the road and stood there as

29

00:01:16,310 --> 00:01:14,720

i drove by

30

00:01:18,230 --> 00:01:16,320

i looked in the mirror and saw it

31

00:01:18,950 --> 00:01:18,240

quickly cross to the other side of the

32

00:01:21,190 --> 00:01:18,960

road

33

00:01:22,870 --> 00:01:21,200

i picked up speed and didn't stop until

34

00:01:25,749 --> 00:01:22,880

i reached the station

35

00:01:26,070 --> 00:01:25,759

i had chills all over i got a decent

36

00:01:28,710 --> 00:01:26,080

look

37

00:01:30,710 --> 00:01:28,720

at it it had a large wolf head but it

38

00:01:32,149 --> 00:01:30,720

was standing upright on legs which

39

00:01:34,630 --> 00:01:32,159

looked man-like

40

00:01:36,870 --> 00:01:34,640

i didn't see arms as i passed by but i

41

00:01:38,630 --> 00:01:36,880

did see arms swaying back and forth when

42

00:01:39,350 --> 00:01:38,640

i looked in the mirror as it crossed the

43

00:01:41,030 --> 00:01:39,360

road

44

00:01:43,670 --> 00:01:41,040

the coloring of the head and body hair

45

00:01:45,749 --> 00:01:43,680

was charcoal with darker patches

46

00:01:48,469 --> 00:01:45,759

if it was an actual grey wolf then it

47

00:01:49,990 --> 00:01:48,479

was the largest one i had ever heard of

48

00:01:51,910 --> 00:01:50,000

i thought that someone was playing

49

00:01:52,310 --> 00:01:51,920

tricks but that wouldn't make sense

50

00:01:55,030 --> 00:01:52,320

since

51  
00:01:57,350 --> 00:01:55,040  
i think it was during the hunting season

52  
00:01:59,109 --> 00:01:57,360  
i did tell my husband who later checked

53  
00:02:00,709 --> 00:01:59,119  
the area where i saw it

54  
00:02:02,709 --> 00:02:00,719  
he said that there were reports of a

55  
00:02:03,670 --> 00:02:02,719  
very large wolf along the river a year

56  
00:02:05,510 --> 00:02:03,680  
or two before

57  
00:02:08,070 --> 00:02:05,520  
but he had not heard anything beyond

58  
00:02:08,790 --> 00:02:08,080  
that i still don't know if he believes

59  
00:02:13,110 --> 00:02:08,800  
me

60  
00:02:14,790 --> 00:02:13,120  
through marriage who is chippewa

61  
00:02:17,190 --> 00:02:14,800  
my uncle told me that it was not a

62  
00:02:18,150 --> 00:02:17,200  
magingan wolf and that i must forget

63  
00:02:20,150 --> 00:02:18,160

about it

64

00:02:21,990 --> 00:02:20,160

he then recited some words under his

65

00:02:25,190 --> 00:02:22,000

breath and told me not to mention

66

00:02:27,510 --> 00:02:25,200

it again that kind of freaked me out

67

00:02:29,190 --> 00:02:27,520

since it was five years ago i haven't

68

00:02:31,430 --> 00:02:29,200

thought much of it until i read a

69

00:02:33,110 --> 00:02:31,440

newspaper article about the dog man

70

00:02:36,630 --> 00:02:33,120

and sightings people had in other

71

00:02:39,030 --> 00:02:36,640

locations that's how i found you online

72

00:02:40,470 --> 00:02:39,040

i have a few questions if you consider

73

00:02:48,710 --> 00:02:40,480

emailing me

74

00:02:53,030 --> 00:02:51,270

did we encounter werewolf this encounter

75

00:02:55,190 --> 00:02:53,040

happened last night while i was hiking

76  
00:02:56,949 --> 00:02:55,200  
with my husband and eight-year-old son

77  
00:02:58,550 --> 00:02:56,959  
we went hiking to the spot in south

78  
00:03:00,149 --> 00:02:58,560  
california where we've been going for

79  
00:03:02,229 --> 00:03:00,159  
the last 13 years

80  
00:03:03,509 --> 00:03:02,239  
the hiking trails are basically located

81  
00:03:05,589 --> 00:03:03,519  
all along the cliff

82  
00:03:07,190 --> 00:03:05,599  
some trails lead to a secluded beach

83  
00:03:08,630 --> 00:03:07,200  
others lead to a cave

84  
00:03:10,710 --> 00:03:08,640  
we took the trail that leads to the

85  
00:03:12,070 --> 00:03:10,720  
beach and we usually keep walking longer

86  
00:03:13,430 --> 00:03:12,080  
than the average person

87  
00:03:15,350 --> 00:03:13,440  
since we are more familiar with the

88  
00:03:17,750 --> 00:03:15,360

terrain after the trail ends

89

00:03:19,670 --> 00:03:17,760

around 4 30 pm we decided to hike back

90

00:03:21,589 --> 00:03:19,680

up the trail while watching the sunset

91

00:03:23,110 --> 00:03:21,599

at the same time the moon was rising on

92

00:03:25,030 --> 00:03:23,120

the opposite direction

93

00:03:26,789 --> 00:03:25,040

this moon was huge probably one of the

94

00:03:28,789 --> 00:03:26,799

biggest moons i've seen here

95

00:03:31,030 --> 00:03:28,799

we decided once we got back to the top

96

00:03:32,550 --> 00:03:31,040

of the trail around 5 30ish to keep

97

00:03:34,229 --> 00:03:32,560

hiking along some other trail which

98

00:03:36,070 --> 00:03:34,239

we've only been once to

99

00:03:38,229 --> 00:03:36,080

the night was still young and plenty of

100

00:03:40,070 --> 00:03:38,239

families were walking among this trail

101

00:03:41,830 --> 00:03:40,080

i decided to take a quick break after a

102

00:03:43,190 --> 00:03:41,840

short job to enjoy the scenery and

103

00:03:45,030 --> 00:03:43,200

appreciate the moon

104

00:03:46,630 --> 00:03:45,040

at this time my husband and son were

105

00:03:47,830 --> 00:03:46,640

pretty far from me and all i could see

106

00:03:49,910 --> 00:03:47,840

was their silhouette

107

00:03:51,750 --> 00:03:49,920

the night was now upon us and the fog

108

00:03:54,149 --> 00:03:51,760

from the pacific ocean was making its

109

00:03:56,390 --> 00:03:54,159

way up the cliff into the hiking trails

110

00:03:58,630 --> 00:03:56,400

my husband and son decided to turn back

111

00:04:01,350 --> 00:03:58,640

and meet me because it was getting dark

112

00:04:01,750 --> 00:04:01,360

my son began to run past us at this

113

00:04:03,509 --> 00:04:01,760

point

114

00:04:05,509 --> 00:04:03,519

my husband looks towards his direction

115

00:04:07,429 --> 00:04:05,519

and sees this black silhouette of a tall

116

00:04:08,309 --> 00:04:07,439

person standing about nine meters from

117

00:04:10,070 --> 00:04:08,319

my son

118

00:04:12,070 --> 00:04:10,080

as soon as this thing notices that my

119

00:04:14,149 --> 00:04:12,080

husband is looking at it it gets on all

120

00:04:16,710 --> 00:04:14,159

fours and takes off like an animal

121

00:04:18,390 --> 00:04:16,720

he yells for my son to come back he then

122

00:04:20,069 --> 00:04:18,400

tells me what he saw and says something

123

00:04:22,069 --> 00:04:20,079

is running across the trail

124

00:04:24,310 --> 00:04:22,079

i am scared of dogs so first thing i

125

00:04:27,030 --> 00:04:24,320

thought was a stray dog running loose

126  
00:04:28,710 --> 00:04:27,040  
he says no it is bigger than a dog

127  
00:04:30,150 --> 00:04:28,720  
almost like the size of a bear

128  
00:04:31,830 --> 00:04:30,160  
but it had the silhouette of a man

129  
00:04:33,749 --> 00:04:31,840  
standing in the middle of the trail and

130  
00:04:34,710 --> 00:04:33,759  
it took off on all fours as soon as i

131  
00:04:36,310 --> 00:04:34,720  
look at it

132  
00:04:38,550 --> 00:04:36,320  
he said this thing was darker than the

133  
00:04:39,270 --> 00:04:38,560  
dark around us at this point we were

134  
00:04:41,430 --> 00:04:39,280  
freaking the f

135  
00:04:43,270 --> 00:04:41,440  
out we were hugging each other close not

136  
00:04:44,710 --> 00:04:43,280  
knowing what to expect next

137  
00:04:46,550 --> 00:04:44,720  
we were basically in the middle of a

138  
00:04:48,950 --> 00:04:46,560

trail we've only been once with sh

139

00:04:50,790 --> 00:04:48,960

typhon service we looked around and the

140

00:04:51,749 --> 00:04:50,800

trail was completely empty with no one

141

00:04:53,909 --> 00:04:51,759

to be seen

142

00:04:55,430 --> 00:04:53,919

we were basically the only ones there

143

00:04:57,189 --> 00:04:55,440

that rail went from being packed with

144

00:04:58,710 --> 00:04:57,199

people to now us three being the only

145

00:05:00,150 --> 00:04:58,720

ones there within minutes

146

00:05:02,550 --> 00:05:00,160

which made everything even more

147

00:05:03,749 --> 00:05:02,560

terrifying we decided to suck it up and

148

00:05:05,510 --> 00:05:03,759

walk back to our car

149

00:05:07,510 --> 00:05:05,520

which meant we had to pass by where my

150

00:05:09,110 --> 00:05:07,520

husband saw this thing on the trail

151  
00:05:10,710 --> 00:05:09,120  
my husband said he thought he saw this

152  
00:05:12,390 --> 00:05:10,720  
humanoid run down the trail

153  
00:05:13,990 --> 00:05:12,400  
but once we got to that spot where he

154  
00:05:16,230 --> 00:05:14,000  
saw it the trail turned right

155  
00:05:18,230 --> 00:05:16,240  
but the figure ran left to the left was

156  
00:05:20,150 --> 00:05:18,240  
a fence and a bunch of tall bushes

157  
00:05:22,070 --> 00:05:20,160  
making it impossible for something to go

158  
00:05:23,830 --> 00:05:22,080  
that way whatever it was would have had

159  
00:05:24,550 --> 00:05:23,840  
to jump the fence to keep going the way

160  
00:05:26,710 --> 00:05:24,560  
it went

161  
00:05:28,150 --> 00:05:26,720  
we never saw her to jump the fence and

162  
00:05:29,749 --> 00:05:28,160  
better yet we didn't even hear his

163  
00:05:30,710 --> 00:05:29,759

footsteps or anything moving in the

164

00:05:33,029 --> 00:05:30,720

bushes

165

00:05:34,710 --> 00:05:33,039

my husband said it just disappeared we

166

00:05:36,230 --> 00:05:34,720

managed to keep walking along the trail

167

00:05:37,350 --> 00:05:36,240

while holding his phone flashlight

168

00:05:39,749 --> 00:05:37,360

pointed at the fence

169

00:05:41,909 --> 00:05:39,759

and bushes where he saw a goat words too

170

00:05:43,670 --> 00:05:41,919

all i had was my water bottle and i was

171

00:05:45,189 --> 00:05:43,680

ready to use it as a weapon

172

00:05:47,270 --> 00:05:45,199

all we could hope for at this time was

173

00:05:49,029 --> 00:05:47,280

to see other people along the trail

174

00:05:51,110 --> 00:05:49,039

then we finally see lice coming from a

175

00:05:52,950 --> 00:05:51,120

motorbike towards the end of the trail

176  
00:05:54,390 --> 00:05:52,960  
this person was going into the trail as

177  
00:05:55,749 --> 00:05:54,400  
we were relieved to be out of it and

178  
00:05:57,670 --> 00:05:55,759  
into the parking lot

179  
00:05:59,830 --> 00:05:57,680  
when we finally got to the parking lot

180  
00:06:00,469 --> 00:05:59,840  
it went from 50 cars to only two cars

181  
00:06:02,230 --> 00:06:00,479  
left

182  
00:06:04,550 --> 00:06:02,240  
there was this couple outside taking

183  
00:06:06,150 --> 00:06:04,560  
pics at this point even the person in

184  
00:06:08,309 --> 00:06:06,160  
the motorbike nope back out of this

185  
00:06:10,070 --> 00:06:08,319  
trail back to the parking lot and left

186  
00:06:11,909 --> 00:06:10,080  
as we made our way back to our car i

187  
00:06:13,350 --> 00:06:11,919  
kind of joked with my husband how he

188  
00:06:15,430 --> 00:06:13,360

might have seen a werewolf

189

00:06:17,270 --> 00:06:15,440

he was still in shock and didn't say no

190

00:06:18,070 --> 00:06:17,280

but he was still trying to process what

191

00:06:21,749 --> 00:06:18,080

he saw

192

00:06:23,189 --> 00:06:21,759

and that's when my husband called him to

193

00:06:24,790 --> 00:06:23,199

come back towards us

194

00:06:26,710 --> 00:06:24,800

he was really scared that night and

195

00:06:29,110 --> 00:06:26,720

refused to sleep by himself

196

00:06:30,629 --> 00:06:29,120

we all slept in the same room my son

197

00:06:31,909 --> 00:06:30,639

said he felt like it was following us

198

00:06:34,390 --> 00:06:31,919

the whole time home

199

00:06:36,150 --> 00:06:34,400

i hope not today we ended up watching

200

00:06:37,189 --> 00:06:36,160

this segment on the news by accident

201  
00:06:39,029 --> 00:06:37,199  
while having dinner

202  
00:06:41,270 --> 00:06:39,039  
and we heard that today as a super blood

203  
00:06:43,830 --> 00:06:41,280  
wolf moon now i am 90

204  
00:06:45,749 --> 00:06:43,840  
convinced he saw werewolf this location

205  
00:06:47,189 --> 00:06:45,759  
is notorious for many deaths as it is on

206  
00:06:48,710 --> 00:06:47,199  
a cliff where many have died from

207  
00:06:50,469 --> 00:06:48,720  
falling over a drown

208  
00:06:52,070 --> 00:06:50,479  
when we went there for the first time

209  
00:06:53,990 --> 00:06:52,080  
there was was a sign round about a

210  
00:07:01,189 --> 00:06:54,000  
person who fell off the cliff

211  
00:07:05,990 --> 00:07:03,990  
werewolf conjured during ouija session i

212  
00:07:08,629 --> 00:07:06,000  
have seen this werewolf creature

213  
00:07:09,589 --> 00:07:08,639

as well however mine spoke to me and ran

214

00:07:13,390 --> 00:07:09,599

toward me

215

00:07:16,710 --> 00:07:13,400

i was 14 so over 24 years ago

216

00:07:18,309 --> 00:07:16,720

1995 had been using ouija boards for

217

00:07:20,710 --> 00:07:18,319

weeks prior with my friend

218

00:07:21,990 --> 00:07:20,720

angela and had contacted what we thought

219

00:07:24,790 --> 00:07:22,000

was a little girl named

220

00:07:26,550 --> 00:07:24,800

emily carter my friends and i were out

221

00:07:28,550 --> 00:07:26,560

front of my house when our friend

222

00:07:29,749 --> 00:07:28,560

michelle started skipping and acting

223

00:07:32,870 --> 00:07:29,759

like a young child

224

00:07:34,070 --> 00:07:32,880

a very odd vibe was present angela and i

225

00:07:36,629 --> 00:07:34,080

called out emily

226

00:07:37,830 --> 00:07:36,639

with that hand on heart 10 on my three

227

00:07:39,990 --> 00:07:37,840

children's lives

228

00:07:41,270 --> 00:07:40,000

a large wolf figure appeared instead of

229

00:07:44,070 --> 00:07:41,280

my friend michelle

230

00:07:44,629 --> 00:07:44,080

levitated and in this voice deep growly

231

00:07:47,350 --> 00:07:44,639

said

232

00:07:47,749 --> 00:07:47,360

don't ever call me emily carter again it

233

00:07:50,309 --> 00:07:47,759

then

234

00:07:51,990 --> 00:07:50,319

at an intense speed ran towards us

235

00:07:54,150 --> 00:07:52,000

angela and myself

236

00:07:55,430 --> 00:07:54,160

with that it was gone and michelle was

237

00:07:58,309 --> 00:07:55,440

back to normal

238

00:07:59,589 --> 00:07:58,319

the thing is both angela and i saw this

239

00:08:03,029 --> 00:07:59,599

she spoke first

240

00:08:05,110 --> 00:08:03,039

so i know it was not just me it happened

241

00:08:06,790 --> 00:08:05,120

for years i have tried to make sense of

242

00:08:09,430 --> 00:08:06,800

it research what it was

243

00:08:11,189 --> 00:08:09,440

look at why it happened i experienced

244

00:08:13,749 --> 00:08:11,199

many odd things at that time

245

00:08:15,830 --> 00:08:13,759

i believe due to using the ouija board i

246

00:08:17,909 --> 00:08:15,840

never after this nor ever will use it

247

00:08:20,309 --> 00:08:17,919

again after that experience

248

00:08:21,110 --> 00:08:20,319

if i had not experienced it i wouldn't

249

00:08:23,749 --> 00:08:21,120

believe it

250

00:08:24,710 --> 00:08:23,759

so i'm not asking for belief simply

251  
00:08:27,189 --> 00:08:24,720  
letting you know

252  
00:08:29,110 --> 00:08:27,199  
i have seen it too and believe you yet

253  
00:08:31,029 --> 00:08:29,120  
on the positive it is shown me dark

254  
00:08:38,149 --> 00:08:31,039  
and in doing so confirmed there has to

255  
00:08:41,589 --> 00:08:40,709  
this is lon strickler if you like this

256  
00:08:43,350 --> 00:08:41,599  
program

257  
00:08:44,710 --> 00:08:43,360  
it would help us if you would give it a

258  
00:08:47,509 --> 00:08:44,720  
thumbs up

259  
00:08:48,070 --> 00:08:47,519  
then subscribe and click the bell icon

260  
00:08:50,389 --> 00:08:48,080  
so you

261  
00:08:52,470 --> 00:08:50,399  
get notification when we upload new

262  
00:08:55,590 --> 00:08:52,480  
first person encounters

263  
00:08:56,310 --> 00:08:55,600

we have many more to come very soon and

264

00:08:58,470 --> 00:08:56,320

by the way

265

00:09:00,070 --> 00:08:58,480

if you have a suggestion or an
