

Two encounters
with supernatural
home invaders?

GOBLIN in my
BEDROOM!

BXP

1
00:00:00,040 --> 00:00:17,830

[Music]

2
00:00:21,990 --> 00:00:19,670

welcome to the best of first person

3
00:00:24,870 --> 00:00:22,000

episodes of phantoms and monsters

4
00:00:25,429 --> 00:00:24,880

please like subscribe and hit the bell

5
00:00:28,830 --> 00:00:25,439

icon

6
00:00:32,069 --> 00:00:28,840

so you'll be notified of all future

7
00:00:36,630 --> 00:00:34,229

black goblin suddenly appears in living

8
00:00:38,869 --> 00:00:36,640

room i've been struggling with what i

9
00:00:40,869 --> 00:00:38,879

saw and whether or not to share it

10
00:00:42,470 --> 00:00:40,879

part of me wants to know if i'm not

11
00:00:44,389 --> 00:00:42,480

alone in my experience

12
00:00:46,229 --> 00:00:44,399

and the other part wants to believe it

13
00:00:48,630 --> 00:00:46,239

was just in my imagination

14

00:00:50,950 --> 00:00:48,640

and i shouldn't attempt to learn more on

15

00:00:52,790 --> 00:00:50,960

the grand scale of experiences this

16

00:00:53,670 --> 00:00:52,800

probably won't be that interesting to

17

00:00:55,990 --> 00:00:53,680

some people

18

00:00:57,830 --> 00:00:56,000

but i'm afraid because of it and that is

19

00:00:59,990 --> 00:00:57,840

what has led me to share

20

00:01:01,910 --> 00:01:00,000

two nights ago i was in my apartment

21

00:01:03,990 --> 00:01:01,920

with my one-year-old son

22

00:01:04,950 --> 00:01:04,000

his dad was working the night shift at

23

00:01:07,030 --> 00:01:04,960

1am

24

00:01:09,429 --> 00:01:07,040

so i don't know the exact time this

25

00:01:10,550 --> 00:01:09,439

happened but i'd say between two to four

26

00:01:12,950 --> 00:01:10,560

in the morning

27

00:01:14,310 --> 00:01:12,960

we have a king-sized bed and our son

28

00:01:17,030 --> 00:01:14,320

fell asleep with me

29

00:01:18,870 --> 00:01:17,040

so i let him stay there at some point i

30

00:01:20,390 --> 00:01:18,880

woke up to the baby rolling around the

31

00:01:22,070 --> 00:01:20,400

bed and kicking me

32

00:01:24,870 --> 00:01:22,080

at the time i didn't know what his

33

00:01:27,109 --> 00:01:24,880

problem was but he was keeping me awake

34

00:01:29,030 --> 00:01:27,119

this lasted for a while because usually

35

00:01:31,429 --> 00:01:29,040

when my son sleeps next to me

36

00:01:33,270 --> 00:01:31,439

he doesn't move so much and i figured

37

00:01:35,910 --> 00:01:33,280

he'd eventually be still

38

00:01:36,870 --> 00:01:35,920

he didn't though he kept moving around

39

00:01:38,710 --> 00:01:36,880

half asleep

40

00:01:40,789 --> 00:01:38,720

and i was worried that he'd roll off the

41

00:01:43,590 --> 00:01:40,799

bed it felt like this went

42

00:01:45,990 --> 00:01:43,600

on for at least 30 minutes if not longer

43

00:01:48,310 --> 00:01:46,000

and i got frustrated that i was awake

44

00:01:49,590 --> 00:01:48,320

so i decided to move him to his playpen

45

00:01:51,429 --> 00:01:49,600

in the living room

46

00:01:53,910 --> 00:01:51,439

i laid him down and then went to the

47

00:01:54,789 --> 00:01:53,920

bathroom from the bathroom i could see

48

00:01:57,429 --> 00:01:54,799

the living room

49

00:01:59,270 --> 00:01:57,439

i left the door open i should also

50

00:02:01,190 --> 00:01:59,280

mention that even at night it's not

51
00:02:03,910 --> 00:02:01,200
completely dark in our apartment

52
00:02:05,749 --> 00:02:03,920
so you can still see fairly well as i

53
00:02:08,150 --> 00:02:05,759
was on the toilet i looked over to where

54
00:02:10,949 --> 00:02:08,160
the play pen is just for a few seconds

55
00:02:12,869 --> 00:02:10,959
and i saw some kind of creature it was

56
00:02:14,630 --> 00:02:12,879
all black and hunched over like it was

57
00:02:17,430 --> 00:02:14,640
hiding behind a playpen

58
00:02:19,030 --> 00:02:17,440
but not very well the playpen is made

59
00:02:21,270 --> 00:02:19,040
with see-through netting anyway

60
00:02:22,070 --> 00:02:21,280
so you can see right through it this

61
00:02:24,550 --> 00:02:22,080
thing had long

62
00:02:26,630 --> 00:02:24,560
arms and my memory says it was slightly

63
00:02:28,470 --> 00:02:26,640

muscular on its upper body

64

00:02:30,550 --> 00:02:28,480

what struck me is off about the whole

65

00:02:31,350 --> 00:02:30,560

thing was that it had long pointy ears

66

00:02:35,110 --> 00:02:31,360

like an elf

67

00:02:35,990 --> 00:02:35,120

but bigger wtf i finished and rushed to

68

00:02:38,390 --> 00:02:36,000

the living room

69

00:02:40,229 --> 00:02:38,400

and nothing is out there so i walk into

70

00:02:42,309 --> 00:02:40,239

the bedroom with the image of this thing

71

00:02:44,710 --> 00:02:42,319

lingering in the front of my head

72

00:02:45,670 --> 00:02:44,720

i try to discount it or come up with an

73

00:02:48,470 --> 00:02:45,680

explanation

74

00:02:49,990 --> 00:02:48,480

but i don't have one i know it's natural

75

00:02:52,309 --> 00:02:50,000

for people to see faces

76
00:02:53,350 --> 00:02:52,319
or human shapes but this thing was not

77
00:02:55,750 --> 00:02:53,360
human looking

78
00:02:57,670 --> 00:02:55,760
and i've never seen anything like it

79
00:02:59,830 --> 00:02:57,680
there's no reason my brain would have

80
00:03:01,190 --> 00:02:59,840
just made this thing up while i'm trying

81
00:03:03,990 --> 00:03:01,200
to go to the bathroom

82
00:03:06,149 --> 00:03:04,000
and i'm worried about my son i ended up

83
00:03:06,790 --> 00:03:06,159
grabbing the baby and he slept with me

84
00:03:09,670 --> 00:03:06,800
anyway

85
00:03:11,910 --> 00:03:09,680
i wasn't going to take any chances the

86
00:03:13,990 --> 00:03:11,920
next morning he was sick with a cold

87
00:03:15,990 --> 00:03:14,000
so i'm guessing that's why he was so

88
00:03:16,790 --> 00:03:16,000

uncomfortable but it's been a couple

89

00:03:19,589 --> 00:03:16,800

days now

90

00:03:21,589 --> 00:03:19,599

and i can't shake off what happened if i

91

00:03:23,509 --> 00:03:21,599

had to give this thing a name i'd say it

92

00:03:25,830 --> 00:03:23,519

resembled a large goblin

93

00:03:26,550 --> 00:03:25,840

it also had a larger than human-sized

94

00:03:28,630 --> 00:03:26,560

head

95

00:03:30,070 --> 00:03:28,640

i guess i'm looking for input or some

96

00:03:32,869 --> 00:03:30,080

kind of advice

97

00:03:35,030 --> 00:03:32,879

do i pretend nothing happened how do i

98

00:03:37,030 --> 00:03:35,040

protect my family if this was something

99

00:03:39,509 --> 00:03:37,040

paranormal and it comes back

100

00:03:40,789 --> 00:03:39,519

i've had a few unexplained experiences

101
00:03:42,869 --> 00:03:40,799
in my lifetime

102
00:03:45,270 --> 00:03:42,879
but never anything like this in my own

103
00:03:46,229 --> 00:03:45,280
home this whole thing has me very

104
00:03:53,910 --> 00:03:46,239
worried

105
00:03:58,390 --> 00:03:56,710
goblin encounter in my house around 2010

106
00:04:01,110 --> 00:03:58,400
i saw something in my house

107
00:04:03,670 --> 00:04:01,120
i was up studying it was around 2am i

108
00:04:05,110 --> 00:04:03,680
had my 160-pound roman rottweiler

109
00:04:06,869 --> 00:04:05,120
sitting on the bed with me

110
00:04:08,869 --> 00:04:06,879
for reference he wasn't really scared of

111
00:04:11,110 --> 00:04:08,879
anything he was well trained and always

112
00:04:13,270 --> 00:04:11,120
followed my commands without hesitation

113
00:04:15,110 --> 00:04:13,280

he's also a very friendly dog despite

114

00:04:15,589 --> 00:04:15,120

the reputation of rottweilers being more

115

00:04:17,349 --> 00:04:15,599

of a

116

00:04:19,270 --> 00:04:17,359

loves the family but suspicious of

117

00:04:20,629 --> 00:04:19,280

others breed normally when there is a

118

00:04:22,390 --> 00:04:20,639

bear outside he can tell

119

00:04:24,390 --> 00:04:22,400

and he'll give me that low quiet growl

120

00:04:25,990 --> 00:04:24,400

and walk to the door i let him out and

121

00:04:27,270 --> 00:04:26,000

he'll chase it off he knows to not

122

00:04:28,950 --> 00:04:27,280

pursue or attack it

123

00:04:30,870 --> 00:04:28,960

he doesn't even react to deer in the

124

00:04:32,710 --> 00:04:30,880

yard because he knows they're no threat

125

00:04:34,629 --> 00:04:32,720

back to my studying if i remember

126

00:04:36,550 --> 00:04:34,639

correctly it was bovine anatomy

127

00:04:37,749 --> 00:04:36,560

i had finished my notes and decided to

128

00:04:39,670 --> 00:04:37,759

change my music

129

00:04:41,189 --> 00:04:39,680

all of a sudden he starts whimpering he

130

00:04:42,390 --> 00:04:41,199

doesn't really do that unless it's

131

00:04:44,230 --> 00:04:42,400

something serious

132

00:04:46,550 --> 00:04:44,240

once when he got bit by a snake and the

133

00:04:48,469 --> 00:04:46,560

other time was when a tornado got close

134

00:04:49,749 --> 00:04:48,479

i loved on him patted him and told him

135

00:04:51,350 --> 00:04:49,759

to stop that whining

136

00:04:52,870 --> 00:04:51,360

i guess it didn't click at the time that

137

00:04:55,350 --> 00:04:52,880

something might have been wrong

138

00:04:57,270 --> 00:04:55,360

he jumps up suddenly posted up teeth

139

00:04:58,070 --> 00:04:57,280

showing guttural growling and his scruff

140

00:04:59,990 --> 00:04:58,080

is on end

141

00:05:01,670 --> 00:05:00,000

he's staring at my bedroom door so i

142

00:05:02,550 --> 00:05:01,680

look to see what it is that has him so

143

00:05:04,629 --> 00:05:02,560

freaked out

144

00:05:06,390 --> 00:05:04,639

this thing was about three feet tall it

145

00:05:08,310 --> 00:05:06,400

had a pointed nose and ears

146

00:05:09,830 --> 00:05:08,320

the eyes were long and bloodshot looking

147

00:05:10,790 --> 00:05:09,840

the pupils were way bigger than they

148

00:05:12,469 --> 00:05:10,800

should have been

149

00:05:14,790 --> 00:05:12,479

looking at them was like staring into a

150

00:05:15,990 --> 00:05:14,800

dark hole its hair was long and matted

151

00:05:17,909 --> 00:05:16,000

really dirty looking

152

00:05:19,670 --> 00:05:17,919

its arms hands feet seemed longer than

153

00:05:21,270 --> 00:05:19,680

they should have been i couldn't tell

154

00:05:22,950 --> 00:05:21,280

exactly what it was wearing but it

155

00:05:24,070 --> 00:05:22,960

looked like some kind of hooded poncho

156

00:05:26,150 --> 00:05:24,080

that was tattered and covered

157

00:05:27,749 --> 00:05:26,160

in mud its skin was almost an olive

158

00:05:29,749 --> 00:05:27,759

color but was covered in dirt

159

00:05:31,590 --> 00:05:29,759

the lips were extremely thin and it had

160

00:05:33,670 --> 00:05:31,600

a kind of smirk on its face

161

00:05:34,629 --> 00:05:33,680

i couldn't even move i just had a hold

162

00:05:36,390 --> 00:05:34,639

on my dog

163

00:05:38,310 --> 00:05:36,400

unable to speak i'm sitting there just

164

00:05:40,310 --> 00:05:38,320

staring at this thing then it f king

165

00:05:42,070 --> 00:05:40,320

smiled at me revealing sharp teeth

166

00:05:43,670 --> 00:05:42,080

when i say shark teeth i mean it look

167

00:05:44,710 --> 00:05:43,680

like when a person files their teeth

168

00:05:46,629 --> 00:05:44,720

into points

169

00:05:47,909 --> 00:05:46,639

all the while my dog is still growling

170

00:05:49,830 --> 00:05:47,919

like i've never heard

171

00:05:51,350 --> 00:05:49,840

i buried my head and my dog and didn't

172

00:05:53,590 --> 00:05:51,360

move for what felt like hours

173

00:05:55,350 --> 00:05:53,600

in reality ten minutes had passed i

174

00:05:57,110 --> 00:05:55,360

guess that kid part of me came out

175

00:05:58,790 --> 00:05:57,120

and i was doing the equivalent of hiding

176

00:05:59,510 --> 00:05:58,800

under the blanket so the monster can't

177

00:06:01,270 --> 00:05:59,520

get you

178

00:06:03,189 --> 00:06:01,280

even though i was terrified he seemed to

179

00:06:05,350 --> 00:06:03,199

calm down after a while and i looked up

180

00:06:06,790 --> 00:06:05,360

this thing was gone i grabbed him by the

181

00:06:07,270 --> 00:06:06,800

collar and drug him through the house

182

00:06:08,950 --> 00:06:07,280

with me

183

00:06:11,110 --> 00:06:08,960

so i could make sure all the doors and

184

00:06:12,790 --> 00:06:11,120

windows were locked my front door was

185

00:06:13,350 --> 00:06:12,800

wide open when i made it into the living

186

00:06:15,029 --> 00:06:13,360

room

187

00:06:16,710 --> 00:06:15,039

i didn't sleep that night and i didn't

188

00:06:18,390 --> 00:06:16,720

sleep well for a good while after that

189

00:06:20,309 --> 00:06:18,400

afraid this thing would come back

190

00:06:22,150 --> 00:06:20,319

i noticed after the incident i started

191

00:06:24,070 --> 00:06:22,160

waking up with my dog laying over my

192

00:06:25,909 --> 00:06:24,080

body like he was trying to pin me

193

00:06:28,150 --> 00:06:25,919

this lasted for weeks but eventually

194

00:06:29,830 --> 00:06:28,160

stopped he still followed me anywhere i

195

00:06:31,590 --> 00:06:29,840

went though i couldn't even close the

196

00:06:32,070 --> 00:06:31,600

bathroom door without him trying to get

197

00:06:35,110 --> 00:06:32,080

in

198

00:06:35,749 --> 00:06:35,120

fills me with a sense of dread and

199

00:06:37,510 --> 00:06:35,759

terror

200

00:06:39,270 --> 00:06:37,520

i've always lived alone so it's not as

201
00:06:40,870 --> 00:06:39,280
if a roommate planked me and there's no

202
00:06:42,550 --> 00:06:40,880
way what i saw was human

203
00:06:43,990 --> 00:06:42,560
it's crazy to think that if you told

204
00:06:45,270 --> 00:06:44,000
others they'd think you're crazy

205
00:06:47,510 --> 00:06:45,280
or think you're just telling them a

206
00:06:48,070 --> 00:06:47,520
spooky story i've never seen anything

207
00:06:49,749 --> 00:06:48,080
like that

208
00:06:51,110 --> 00:06:49,759
and i've never experienced anything

209
00:06:53,110 --> 00:06:51,120
weird like that again

210
00:06:54,150 --> 00:06:53,120
life moved on but i still think about

211
00:06:56,070 --> 00:06:54,160
that encounter

212
00:06:58,390 --> 00:06:56,080
i know i wasn't asleep and i know i'm

213
00:07:00,150 --> 00:06:58,400

not crazy all of my searching just led

214

00:07:02,390 --> 00:07:00,160

me to things like fairy folk

215

00:07:04,230 --> 00:07:02,400

i don't even believe in that stuff i've

216

00:07:10,790 --> 00:07:04,240

never really told people about this

217

00:07:14,230 --> 00:07:13,350

this is lon strickler if you like this

218

00:07:15,990 --> 00:07:14,240

program

219

00:07:17,350 --> 00:07:16,000

it would help us if you would give it a

220

00:07:20,230 --> 00:07:17,360

thumbs up

221

00:07:20,710 --> 00:07:20,240

then subscribe and click the bell icon

222

00:07:23,029 --> 00:07:20,720

so you

223

00:07:25,189 --> 00:07:23,039

get notification when we upload new

224

00:07:28,309 --> 00:07:25,199

first person encounters

225

00:07:30,710 --> 00:07:28,319

we have many more to come very soon and

226

00:07:33,110 --> 00:07:30,720

by the way if you have a suggestion
