

I WAS STALKED BY A DOG MAN!

Three more encounters with
horrifying upright canines?

icon

9
00:00:31,830 --> 00:00:28,840
so you'll be notified of all future

10
00:00:33,670 --> 00:00:31,840
uploads

11
00:00:35,430 --> 00:00:33,680
horrifying upright canine dogman

12
00:00:36,229 --> 00:00:35,440
encounter near navajo reservation

13
00:00:40,709 --> 00:00:36,239

arizona

14

00:00:42,150 --> 00:00:40,719

was visiting family who live on the edge

15

00:00:43,910 --> 00:00:42,160

of the navajo nation

16

00:00:45,750 --> 00:00:43,920

the town they live in is basically on

17

00:00:46,549 --> 00:00:45,760

the border of the reservations and such

18

00:00:48,310 --> 00:00:46,559

things

19

00:00:49,670 --> 00:00:48,320

the family in question is my mother's

20

00:00:51,350 --> 00:00:49,680

brother and sister

21

00:00:52,950 --> 00:00:51,360

they live together with their spouses in

22

00:00:53,910 --> 00:00:52,960

a modest home but the home is

23

00:00:55,670 --> 00:00:53,920

unimportant

24

00:00:57,590 --> 00:00:55,680

i went there during my childhood every

25

00:00:58,229 --> 00:00:57,600

now and then and had several navajo

26

00:01:00,229 --> 00:00:58,239

friends

27

00:01:02,229 --> 00:01:00,239

so after a night out catching up with my

28

00:01:03,990 --> 00:01:02,239

tool friends his names i will not

29

00:01:06,070 --> 00:01:04,000

mention because of the events that took

30

00:01:06,950 --> 00:01:06,080

place that night i was driving the two

31

00:01:09,030 --> 00:01:06,960

of them home

32

00:01:10,950 --> 00:01:09,040

the female friend we will call her sue

33

00:01:12,870 --> 00:01:10,960

was fast asleep in the right side of the

34

00:01:13,910 --> 00:01:12,880

back seat while the male friend whom

35

00:01:15,590 --> 00:01:13,920

shall be called jim

36

00:01:17,830 --> 00:01:15,600

was wide awake in the left side of the

37

00:01:18,230 --> 00:01:17,840

back seat as we're on the way to jim's

38

00:01:19,990 --> 00:01:18,240

house

39

00:01:21,749 --> 00:01:20,000

i see something on the side of the road

40

00:01:22,469 --> 00:01:21,759

that is briefly illuminated by my

41

00:01:24,310 --> 00:01:22,479

headlights

42

00:01:26,630 --> 00:01:24,320

it looks like a large coyote walking

43

00:01:28,469 --> 00:01:26,640

down the side of the road on all fours

44

00:01:30,390 --> 00:01:28,479

jim saw it first and pointed it out to

45

00:01:31,350 --> 00:01:30,400

me so i slowed down and turned my

46

00:01:33,350 --> 00:01:31,360

brights on

47

00:01:35,109 --> 00:01:33,360

what we both saw disturbed us so deeply

48

00:01:37,109 --> 00:01:35,119

that we had to wake sue up to see if she

49

00:01:38,630 --> 00:01:37,119

would confirm that we were not crazy

50

00:01:40,469 --> 00:01:38,640

when sue woke up and looked out of the

51
00:01:40,950 --> 00:01:40,479
window i had stopped the car at this

52
00:01:42,789 --> 00:01:40,960
point

53
00:01:44,230 --> 00:01:42,799
she froze in her place and the thing

54
00:01:45,749 --> 00:01:44,240
which had been walking along with a

55
00:01:47,670 --> 00:01:45,759
leisurely pace until now

56
00:01:49,990 --> 00:01:47,680
turned around and stood up on its hind

57
00:01:51,749 --> 00:01:50,000
legs it did not look like a dog does

58
00:01:53,670 --> 00:01:51,759
when it stands on its legs

59
00:01:55,429 --> 00:01:53,680
it looked like it was used to doing it

60
00:01:57,429 --> 00:01:55,439
before sue could shake herself out of

61
00:01:59,030 --> 00:01:57,439
the soul-crushing fear she was in gym

62
00:02:00,709 --> 00:01:59,040
and i got a good look at it

63
00:02:02,709 --> 00:02:00,719

it was everything the stereotypical

64

00:02:03,990 --> 00:02:02,719

definition of a werewolf was with a few

65

00:02:06,149 --> 00:02:04,000

key differences

66

00:02:07,990 --> 00:02:06,159

we sought snout was less like a wolves

67

00:02:10,309 --> 00:02:08,000

and more like a hybrid between the wolf

68

00:02:12,390 --> 00:02:10,319

and the human rounded with a dog's nose

69

00:02:14,390 --> 00:02:12,400

slightly protruding out and sharp teeth

70

00:02:16,070 --> 00:02:14,400

and its hands and feet both had claws on

71

00:02:16,710 --> 00:02:16,080

them which were seemingly permanently

72

00:02:18,550 --> 00:02:16,720

extended

73

00:02:20,390 --> 00:02:18,560

that it was extremely hostile at the

74

00:02:22,550 --> 00:02:20,400

moment it saw us or rather

75

00:02:24,390 --> 00:02:22,560

her by the time we were done gawking at

76
00:02:25,270 --> 00:02:24,400
the thing and fear started to take over

77
00:02:27,110 --> 00:02:25,280
curiosity

78
00:02:29,110 --> 00:02:27,120
sue snapped out of her own fear long

79
00:02:29,830 --> 00:02:29,120
enough to scream at me to drive as fast

80
00:02:31,750 --> 00:02:29,840
i could

81
00:02:33,350 --> 00:02:31,760
she refused to stop screaming until it

82
00:02:34,949 --> 00:02:33,360
was completely out of sight

83
00:02:37,270 --> 00:02:34,959
and when we pulled over and she calmed

84
00:02:38,790 --> 00:02:37,280
down enough to regain coherency we asked

85
00:02:40,630 --> 00:02:38,800
her what was going on

86
00:02:42,550 --> 00:02:40,640
she explained that she could not tell us

87
00:02:44,229 --> 00:02:42,560
why but she knew what that thing was

88
00:02:45,990 --> 00:02:44,239

and that it wanted nothing but to hurt

89

00:02:47,830 --> 00:02:46,000

her and anyone related to her

90

00:02:50,070 --> 00:02:47,840

when i dropped her off at her house eye

91

00:02:51,350 --> 00:02:50,080

and jim as well felt obligated to walk

92

00:02:53,430 --> 00:02:51,360

with her to her door

93

00:02:55,350 --> 00:02:53,440

we asked if she was going to be ok and

94

00:02:55,750 --> 00:02:55,360

she said she would tell her dad he was

95

00:02:57,509 --> 00:02:55,760

back

96

00:02:59,670 --> 00:02:57,519

and he would protect her like he always

97

00:03:01,670 --> 00:02:59,680

did we just looked at her with concerned

98

00:03:02,309 --> 00:03:01,680

looks on our faces and woke back to the

99

00:03:04,070 --> 00:03:02,319

car

100

00:03:05,830 --> 00:03:04,080

on the way to jim's house we saw it

101
00:03:06,470 --> 00:03:05,840
again but it was heading the opposite

102
00:03:08,710 --> 00:03:06,480
direction

103
00:03:10,390 --> 00:03:08,720
to sue's house we thought it was either

104
00:03:12,229 --> 00:03:10,400
another one or the same one which had

105
00:03:12,710 --> 00:03:12,239
either gotten lost or visited someone

106
00:03:15,030 --> 00:03:12,720
else

107
00:03:17,190 --> 00:03:15,040
and was now going to sue deciding that

108
00:03:19,030 --> 00:03:17,200
it was our duty as friends to sue to try

109
00:03:19,430 --> 00:03:19,040
and protect her from whatever this thing

110
00:03:21,670 --> 00:03:19,440
was

111
00:03:23,509 --> 00:03:21,680
we turned around but when we did so the

112
00:03:24,229 --> 00:03:23,519
creature reared up once again and looked

113
00:03:25,830 --> 00:03:24,239

at us

114

00:03:28,070 --> 00:03:25,840

then something i will never forget

115

00:03:29,509 --> 00:03:28,080

happened it let loose a deep guttural

116

00:03:31,270 --> 00:03:29,519

roar directed at us

117

00:03:33,110 --> 00:03:31,280

a roar so bestial in nature that it

118

00:03:34,949 --> 00:03:33,120

shook us both to our course

119

00:03:37,350 --> 00:03:34,959

apparently we were not the only ones

120

00:03:38,789 --> 00:03:37,360

that were shaking as my car's radio died

121

00:03:40,710 --> 00:03:38,799

and the engine shut off

122

00:03:41,990 --> 00:03:40,720

i screamed at the top of my lungs

123

00:03:44,229 --> 00:03:42,000

accompanied by chin

124

00:03:46,390 --> 00:03:44,239

and fumbled to turn it back on by the

125

00:03:48,470 --> 00:03:46,400

time the creature was halfway to her car

126
00:03:50,550 --> 00:03:48,480
it was walking into the road towards us

127
00:03:52,309 --> 00:03:50,560
i got it back on in time to floor it out

128
00:03:54,309 --> 00:03:52,319
of there as fast as possible

129
00:03:56,390 --> 00:03:54,319
when i finally got slowed down enough to

130
00:03:58,309 --> 00:03:56,400
not break every speed limit in america

131
00:04:00,630 --> 00:03:58,319
i realized i had passed jim's house

132
00:04:02,390 --> 00:04:00,640
about three miles back i didn't see the

133
00:04:03,990 --> 00:04:02,400
creature again that night although i

134
00:04:05,990 --> 00:04:04,000
drove by sue's house again

135
00:04:08,229 --> 00:04:06,000
and everything seemed fine no broken

136
00:04:10,309 --> 00:04:08,239
windows or signs of forced entry and i

137
00:04:11,910 --> 00:04:10,319
haven't seen anything like it since

138
00:04:13,830 --> 00:04:11,920

i don't know what to call it other than

139

00:04:14,869 --> 00:04:13,840

a skinwalker or dogman or both but

140

00:04:16,710 --> 00:04:14,879

whatever it was

141

00:04:18,550 --> 00:04:16,720

it was hostile and it plagued either the

142

00:04:19,590 --> 00:04:18,560

local community or one of my friends

143

00:04:21,509 --> 00:04:19,600

specifically

144

00:04:23,990 --> 00:04:21,519

i have kept in touch with both jim and

145

00:04:24,870 --> 00:04:24,000

sue she refuses to talk about it and

146

00:04:27,670 --> 00:04:24,880

will only say

147

00:04:29,590 --> 00:04:27,680

things are fine when i ask about it jim

148

00:04:31,749 --> 00:04:29,600

can't get anything out of her either

149

00:04:33,110 --> 00:04:31,759

i'm afraid for her i'm afraid for

150

00:04:39,749 --> 00:04:33,120

everyone in that area

151
00:04:43,830 --> 00:04:41,670
large upright coyote dogman southeastern

152
00:04:45,510 --> 00:04:43,840
oklahoma i want to report disturbing

153
00:04:46,710 --> 00:04:45,520
activity around my residence during the

154
00:04:48,230 --> 00:04:46,720
past two weeks

155
00:04:49,990 --> 00:04:48,240
i hope you can give me an idea of what

156
00:04:51,590 --> 00:04:50,000
we're dealing with i live in a rural

157
00:04:53,830 --> 00:04:51,600
area of southeastern oklahoma

158
00:04:55,510 --> 00:04:53,840
a few miles from talhina i've lived here

159
00:04:56,150 --> 00:04:55,520
all of my 48 years and have never

160
00:04:57,990 --> 00:04:56,160
experienced

161
00:05:00,230 --> 00:04:58,000
anything weird around here before on

162
00:05:01,909 --> 00:05:00,240
june 1st about 10 30 pm i was on my back

163
00:05:03,430 --> 00:05:01,919

porch reading the newspaper

164

00:05:05,749 --> 00:05:03,440

my husband was getting ready to leave

165

00:05:08,310 --> 00:05:05,759

for work my porch face is a large wooded

166

00:05:09,749 --> 00:05:08,320

area about 800 feet or so from the lake

167

00:05:11,909 --> 00:05:09,759

i have a small yard in the edge of the

168

00:05:13,830 --> 00:05:11,919

woods is about 50 feet from the house

169

00:05:15,749 --> 00:05:13,840

my husband was walking out the back door

170

00:05:17,590 --> 00:05:15,759

said goodbye and walked to his truck

171

00:05:19,110 --> 00:05:17,600

as soon as he pulled away i heard a load

172

00:05:19,909 --> 00:05:19,120

shrill sound coming from the direction

173

00:05:21,749 --> 00:05:19,919

of the lake

174

00:05:23,189 --> 00:05:21,759

it reminded me of pig squealing but was

175

00:05:24,629 --> 00:05:23,199

much louder and scarier

176

00:05:26,469 --> 00:05:24,639

i didn't get up from my chair as i

177

00:05:26,870 --> 00:05:26,479

looked towards the woods after a few

178

00:05:28,310 --> 00:05:26,880

minutes

179

00:05:30,310 --> 00:05:28,320

i heard something heavy walking through

180

00:05:32,070 --> 00:05:30,320

the woods i was definitely something or

181

00:05:34,390 --> 00:05:32,080

someone walking on two legs

182

00:05:35,909 --> 00:05:34,400

it was so dark i couldn't see anything

183

00:05:37,749 --> 00:05:35,919

suddenly three deer burst out of the

184

00:05:39,430 --> 00:05:37,759

woods and ran alongside the house

185

00:05:41,430 --> 00:05:39,440

i thought that they caused the noise so

186

00:05:43,189 --> 00:05:41,440

i got up and walked into the house

187

00:05:45,670 --> 00:05:43,199

most nights after i come home from work

188

00:05:47,590 --> 00:05:45,680

around 8 30 pm i eat dinner then go out

189

00:05:49,350 --> 00:05:47,600

on the porch and read the newspaper

190

00:05:50,790 --> 00:05:49,360

ever since that first night i heard the

191

00:05:51,670 --> 00:05:50,800

same shrill sound on four other

192

00:05:53,670 --> 00:05:51,680

occasions

193

00:05:55,430 --> 00:05:53,680

my husband sat with me a few times and

194

00:05:57,270 --> 00:05:55,440

he was surprised by the sounds

195

00:05:58,870 --> 00:05:57,280

he has been a hunter all his adult life

196

00:05:59,670 --> 00:05:58,880

but didn't have an idea what made those

197

00:06:01,350 --> 00:05:59,680

sounds

198

00:06:03,430 --> 00:06:01,360

this tuesday night i was sitting on the

199

00:06:05,510 --> 00:06:03,440

porch talking to my daughter by phone

200

00:06:07,270 --> 00:06:05,520

my husband was working that night it was

201
00:06:08,790 --> 00:06:07,280
about 10 45 pm

202
00:06:10,550 --> 00:06:08,800
i had a strange feeling most of the

203
00:06:11,350 --> 00:06:10,560
evening and kept my eyes focused towards

204
00:06:12,950 --> 00:06:11,360
the woods

205
00:06:14,629 --> 00:06:12,960
i was about ready to get up and walk

206
00:06:16,230 --> 00:06:14,639
into the house after ending the call but

207
00:06:17,830 --> 00:06:16,240
then i noticed a pair of bright yellow

208
00:06:19,590 --> 00:06:17,840
eyes looking at me from the woods

209
00:06:21,110 --> 00:06:19,600
it was only a few feet into the brush

210
00:06:22,070 --> 00:06:21,120
and the eyes were at least seven feet

211
00:06:23,430 --> 00:06:22,080
from the ground

212
00:06:25,270 --> 00:06:23,440
i ran into the kitchen and quickly

213
00:06:26,950 --> 00:06:25,280

closed the door and locked it i turned

214

00:06:27,909 --> 00:06:26,960

the lights off inside but the porch

215

00:06:29,350 --> 00:06:27,919

light was still on

216

00:06:31,110 --> 00:06:29,360

and the edge of the woods was slightly

217

00:06:33,029 --> 00:06:31,120

illuminated as i peeked out of the

218

00:06:34,710 --> 00:06:33,039

window above the sink i noticed a tall

219

00:06:35,430 --> 00:06:34,720

huge dark figure standing in the back of

220

00:06:36,950 --> 00:06:35,440

the yard

221

00:06:39,110 --> 00:06:36,960

the eyes still shone brightly and were

222

00:06:39,590 --> 00:06:39,120

looking in my direction as i continued

223

00:06:41,590 --> 00:06:39,600

to watch

224

00:06:43,270 --> 00:06:41,600

my eyes were adjusting to the low light

225

00:06:44,710 --> 00:06:43,280

i then noticed the long thick arms with

226

00:06:46,309 --> 00:06:44,720

fingers and long nails

227

00:06:48,390 --> 00:06:46,319

i then recognized the long snout and

228

00:06:50,390 --> 00:06:48,400

long pointed ears then suddenly

229

00:06:52,309 --> 00:06:50,400

it turned and ran into the woods it was

230

00:06:54,710 --> 00:06:52,319

gone i was literally trembling

231

00:06:56,550 --> 00:06:54,720

because i had no idea what i just saw i

232

00:06:58,150 --> 00:06:56,560

called my daughter back and told her

233

00:06:59,589 --> 00:06:58,160

my son-in-law and her immediately came

234

00:07:01,589 --> 00:06:59,599

over and spent that night

235

00:07:03,830 --> 00:07:01,599

he brought his rifle with him the next

236

00:07:05,749 --> 00:07:03,840

morning i told my husband what i saw

237

00:07:07,350 --> 00:07:05,759

he is part osage and believes in animal

238

00:07:08,550 --> 00:07:07,360

spirits but he was confused by this

239

00:07:10,070 --> 00:07:08,560

thing i described

240

00:07:11,830 --> 00:07:10,080

he told me that it may be a trickster

241

00:07:12,710 --> 00:07:11,840

spirit and if we ignore it it won't

242

00:07:14,629 --> 00:07:12,720

bother us

243

00:07:16,150 --> 00:07:14,639

i'm not so sure i believe that this

244

00:07:17,990 --> 00:07:16,160

didn't look like a spirit and literally

245

00:07:18,629 --> 00:07:18,000

resembled a huge dark coyote walking on

246

00:07:20,710 --> 00:07:18,639

two legs

247

00:07:22,629 --> 00:07:20,720

a dogman have you heard of anything like

248

00:07:28,830 --> 00:07:22,639

this please contact me

249

00:07:33,990 --> 00:07:31,830

patty

250

00:07:35,029 --> 00:07:34,000

cryptid canine dogman encounters in

251

00:07:36,629 --> 00:07:35,039

appalachia

252

00:07:38,870 --> 00:07:36,639

when i was in the seventh grade in

253

00:07:40,710 --> 00:07:38,880

eastern tennessee i was outside with my

254

00:07:42,629 --> 00:07:40,720

dog laying on a dirt mound looking at

255

00:07:45,430 --> 00:07:42,639

the clouds to pass the time

256

00:07:47,270 --> 00:07:45,440

this was around 5 30 pm when my dog

257

00:07:48,230 --> 00:07:47,280

started to start barking and pulling at

258

00:07:50,230 --> 00:07:48,240

the leash

259

00:07:52,550 --> 00:07:50,240

we lived in the countryside so we have

260

00:07:54,550 --> 00:07:52,560

wood surrounding one half of our house

261

00:07:56,869 --> 00:07:54,560

i tried hushing my beagle but she

262

00:07:58,790 --> 00:07:56,879

persisted i then stood up and looked the

263

00:08:00,309 --> 00:07:58,800

direction she was looking to say look

264

00:08:02,230 --> 00:08:00,319

there isn't anything there

265

00:08:04,070 --> 00:08:02,240

as i said that a large black creature

266

00:08:04,869 --> 00:08:04,080

with a candid body sprinted out of the

267

00:08:06,869 --> 00:08:04,879

woods

268

00:08:08,710 --> 00:08:06,879

this creature had thin fur that was so

269

00:08:10,230 --> 00:08:08,720

black it had a pearlescent hue with

270

00:08:12,629 --> 00:08:10,240

almost a purple tint

271

00:08:14,550 --> 00:08:12,639

the eyes were a mid-shade of yellow its

272

00:08:16,390 --> 00:08:14,560

legs were crooked backwards and its

273

00:08:18,230 --> 00:08:16,400

hands were long and slender

274

00:08:20,070 --> 00:08:18,240

it stood about seven feet tall when

275

00:08:21,990 --> 00:08:20,080

standing on its hind legs

276

00:08:24,070 --> 00:08:22,000

when it dropped to all four its back had

277

00:08:25,350 --> 00:08:24,080

an aggressive hunch and still maintained

278

00:08:28,070 --> 00:08:25,360

its fluid motion

279

00:08:29,909 --> 00:08:28,080

every step seemed pre-calculated as it

280

00:08:31,510 --> 00:08:29,919

was sprinting it tilted its head towards

281

00:08:33,269 --> 00:08:31,520

me as if it was aware of me

282

00:08:35,509 --> 00:08:33,279

but could not be bothered by my being

283

00:08:37,829 --> 00:08:35,519

there it then jumped over a four-foot

284

00:08:40,070 --> 00:08:37,839

cattle fence without much difficulty

285

00:08:42,550 --> 00:08:40,080

i'm a senior in high school now and just

286

00:08:44,710 --> 00:08:42,560

last summer i had another experience

287

00:08:46,230 --> 00:08:44,720

i worked with my father in his shed he

288

00:08:48,630 --> 00:08:46,240

worked on motors and stuff

289

00:08:50,550 --> 00:08:48,640

and had left my phone in there my friend

290

00:08:52,470 --> 00:08:50,560

was staying the night so we headed back

291

00:08:53,750 --> 00:08:52,480

down to the shed when i realized i had

292

00:08:55,990 --> 00:08:53,760

left my phone there

293

00:08:58,070 --> 00:08:56,000

it was about 10 o'clock and it was pitch

294

00:08:59,750 --> 00:08:58,080

black and about the same time of year as

295

00:09:01,590 --> 00:08:59,760

my previous encounter

296

00:09:03,269 --> 00:09:01,600

we were standing outside the front of

297

00:09:05,030 --> 00:09:03,279

the shed trying to get the key into the

298

00:09:06,230 --> 00:09:05,040

keyhole when we heard a rustling in the

299

00:09:08,230 --> 00:09:06,240

brush in the woods

300

00:09:10,070 --> 00:09:08,240

it was a very faint and sounded like

301

00:09:11,990 --> 00:09:10,080

that of the breeze on leaves

302

00:09:13,990 --> 00:09:12,000

both my friend and i heard it so we

303

00:09:16,070 --> 00:09:14,000

turned the flashlights towards the brush

304

00:09:17,350 --> 00:09:16,080

only to see a pitch-black shape standing

305

00:09:19,509 --> 00:09:17,360

in the light brush

306

00:09:21,190 --> 00:09:19,519

the yellow eyes destroy my mind every

307

00:09:23,670 --> 00:09:21,200

time i recall the moment

308

00:09:25,430 --> 00:09:23,680

my friend says you see that right by

309

00:09:26,710 --> 00:09:25,440

this time i was already sprinting

310

00:09:28,550 --> 00:09:26,720

towards the house

311

00:09:31,110 --> 00:09:28,560

seeing this creature and knowing how it

312

00:09:33,350 --> 00:09:31,120

was just watching us tore my mind apart

313

00:09:35,829 --> 00:09:33,360

it was so silent i had a mental

314

00:09:37,910 --> 00:09:35,839

breakdown as soon as i got in the house

315

00:09:38,949 --> 00:09:37,920

i've never had such an intense reaction

316

00:09:40,949 --> 00:09:38,959

to anything

317

00:09:42,949 --> 00:09:40,959

from then on every time i went into the

318

00:09:43,509 --> 00:09:42,959

woods i felt like something was watching

319

00:09:46,070 --> 00:09:43,519

me

320

00:09:47,829 --> 00:09:46,080

i know this sounds crazy and i get that

321

00:09:49,590 --> 00:09:47,839

i struggle with telling anyone

322

00:09:51,590 --> 00:09:49,600

and this is the first time i've ever

323

00:09:52,790 --> 00:09:51,600

tried to reach out in search of similar

324

00:09:58,630 --> 00:09:52,800

experiences

325

00:10:02,069 --> 00:10:01,190

this is lon strickler if you like this

326

00:10:03,829 --> 00:10:02,079

program

327

00:10:05,190 --> 00:10:03,839

it would help us if you would give it a

328

00:10:08,069 --> 00:10:05,200

thumbs up

329

00:10:08,550 --> 00:10:08,079

then subscribe and click the bell icon

330

00:10:10,870 --> 00:10:08,560

so you

331

00:10:13,030 --> 00:10:10,880

get notification when we upload new

332

00:10:16,069 --> 00:10:13,040

first person encounters

333

00:10:18,550 --> 00:10:16,079

we have many more to come very soon and

334

00:10:20,949 --> 00:10:18,560

by the way if you have a suggestion
