

Four more winged humanoid encounters!

**DID I JUST
RUN
OVER
MOTHMAN?**

BXP

1
00:00:05,720 --> 00:00:04,580
[Music]

2
00:00:10,540 --> 00:00:05,730
[Applause]

3
00:00:12,890 --> 00:00:10,550
[Music]

4
00:00:17,830 --> 00:00:12,900
[Applause]

5
00:00:21,990 --> 00:00:19,670
welcome to the best of first person

6
00:00:24,870 --> 00:00:22,000
episodes from phantoms and monsters

7
00:00:28,830 --> 00:00:24,880
please like subscribe and hit the bell

8
00:00:31,990 --> 00:00:28,840
icon so you'll be notified of all future

9
00:00:37,190 --> 00:00:33,990
tall red eyed o'hare mothman close

10
00:00:39,990 --> 00:00:37,200
encounter at usps sorting facility

11
00:00:42,549 --> 00:00:40,000
i had just left work at the usps sorting

12
00:00:45,830 --> 00:00:42,559
facility at o'hare international airport

13
00:00:46,709 --> 00:00:45,840

at about 11 pm on thursday the 24th of

14

00:00:49,270 --> 00:00:46,719

september

15

00:00:51,350 --> 00:00:49,280

and was walking out to my car when i saw

16

00:00:53,510 --> 00:00:51,360

something standing at the far end of the

17

00:00:55,590 --> 00:00:53,520

parking where i usually park

18

00:00:57,430 --> 00:00:55,600

at first i thought it was a very tall

19

00:01:00,470 --> 00:00:57,440

person with a long coat

20

00:01:01,029 --> 00:01:00,480

as i got closer to my car i unlocked my

21

00:01:03,910 --> 00:01:01,039

car

22

00:01:06,230 --> 00:01:03,920

which caused my headlights to come on my

23

00:01:09,429 --> 00:01:06,240

headlights hit the person standing about

24

00:01:11,190 --> 00:01:09,439

20 to 25 feet from my car causing it to

25

00:01:13,750 --> 00:01:11,200

turn and look right at me

26
00:01:14,950 --> 00:01:13,760
i saw that this was not some person but

27
00:01:16,550 --> 00:01:14,960
some red-eyed being

28
00:01:18,550 --> 00:01:16,560
and what appeared to be a coat were

29
00:01:20,070 --> 00:01:18,560
actually wings which it spread out as it

30
00:01:22,070 --> 00:01:20,080
turned to look at me

31
00:01:23,429 --> 00:01:22,080
at first i thought it was some kind of

32
00:01:25,510 --> 00:01:23,439
very large bird

33
00:01:27,429 --> 00:01:25,520
but i've never seen any bird that stood

34
00:01:29,749 --> 00:01:27,439
almost seven feet tall

35
00:01:32,149 --> 00:01:29,759
i'm five foot four and this thing looked

36
00:01:34,550 --> 00:01:32,159
taller than me by at least two feet

37
00:01:35,830 --> 00:01:34,560
this thing then started making some type

38
00:01:38,310 --> 00:01:35,840

of chirping sound

39

00:01:40,069 --> 00:01:38,320

almost a half chirp and half click like

40

00:01:42,950 --> 00:01:40,079

someone was clicking their tongue

41

00:01:45,190 --> 00:01:42,960

but much much faster it then made some

42

00:01:46,550 --> 00:01:45,200

type of screeching sound then took off

43

00:01:48,789 --> 00:01:46,560

running toward me

44

00:01:51,190 --> 00:01:48,799

it got to within 10 feet of me and took

45

00:01:53,190 --> 00:01:51,200

off into the air and flew above me

46

00:01:55,830 --> 00:01:53,200

i was screaming hysterically as i

47

00:01:58,709 --> 00:01:55,840

crouched down behind my car's open door

48

00:02:00,950 --> 00:01:58,719

and i dived into my car head first i was

49

00:02:01,429 --> 00:02:00,960

in a near panic as i tried to start the

50

00:02:03,590 --> 00:02:01,439

car

51
00:02:05,030 --> 00:02:03,600
close and lock the doors and turn on my

52
00:02:07,350 --> 00:02:05,040
interior lights

53
00:02:09,350 --> 00:02:07,360
i started my car and took off out of the

54
00:02:12,150 --> 00:02:09,360
parking lot and flew down the road

55
00:02:14,390 --> 00:02:12,160
until i hit the main road i got home and

56
00:02:15,510 --> 00:02:14,400
told my husband who also works at the

57
00:02:17,589 --> 00:02:15,520
same facility

58
00:02:19,110 --> 00:02:17,599
and he was the one who told me about the

59
00:02:21,350 --> 00:02:19,120
sightings of this thing

60
00:02:22,949 --> 00:02:21,360
i was scared shitless and hope i never

61
00:02:25,270 --> 00:02:22,959
see this thing again

62
00:02:27,270 --> 00:02:25,280
this thing is roaming around the area

63
00:02:29,670 --> 00:02:27,280

scaring people half to death

64

00:02:34,830 --> 00:02:29,680

i hope the airport people decide to do

65

00:02:34,840 --> 00:02:38,630

lenore

66

00:02:42,150 --> 00:02:40,869

could wink cryptids really be harbingers

67

00:02:45,030 --> 00:02:42,160

of bad luck

68

00:02:47,190 --> 00:02:45,040

i live in little rock arkansas i am so

69

00:02:49,350 --> 00:02:47,200

glad i found your website

70

00:02:51,509 --> 00:02:49,360

i found it by googling large flying

71

00:02:53,670 --> 00:02:51,519

thing with 20 foot wings

72

00:02:54,550 --> 00:02:53,680

over the years i have stepped outside my

73

00:02:56,949 --> 00:02:54,560

home at night

74

00:02:58,149 --> 00:02:56,959

just walking around often to look up at

75

00:03:00,229 --> 00:02:58,159

the stars

76

00:03:02,229 --> 00:03:00,239

i love the night sky and find it

77

00:03:05,350 --> 00:03:02,239

beautiful and mysterious

78

00:03:06,149 --> 00:03:05,360

back in 2017 i went outside after the

79

00:03:09,110 --> 00:03:06,159

sunset

80

00:03:10,470 --> 00:03:09,120

around 10 p.m i looked to the south side

81

00:03:12,869 --> 00:03:10,480

above my home

82

00:03:14,630 --> 00:03:12,879

i couldn't believe it but i saw a large

83

00:03:16,550 --> 00:03:14,640

wing thing on my roof

84

00:03:18,550 --> 00:03:16,560

it spread its wings and swooped toward

85

00:03:20,309 --> 00:03:18,560

me i couldn't move

86

00:03:21,910 --> 00:03:20,319

i remember its wings were wider than

87

00:03:24,789 --> 00:03:21,920

length of my house

88

00:03:26,070 --> 00:03:24,799

it flew around and was gone i thought

89

00:03:29,190 --> 00:03:26,080

what was that

90

00:03:31,990 --> 00:03:29,200

i only would see it randomly other times

91

00:03:33,990 --> 00:03:32,000

i would come outside around dusk i would

92

00:03:34,710 --> 00:03:34,000

see a black flying thing the size of a

93

00:03:37,270 --> 00:03:34,720

hummingbird

94

00:03:38,229 --> 00:03:37,280

swoop around my yard going extremely

95

00:03:41,110 --> 00:03:38,239

fast

96

00:03:42,149 --> 00:03:41,120

then it would disappear last night on

97

00:03:44,630 --> 00:03:42,159

october 10

98

00:03:46,229 --> 00:03:44,640

2020 i was sitting at the drive-through

99

00:03:47,350 --> 00:03:46,239

at a wendy's here in little rock

100

00:03:49,350 --> 00:03:47,360

arkansas

101
00:03:51,830 --> 00:03:49,360
i had ordered food then drove up in the

102
00:03:52,470 --> 00:03:51,840
line i heard someone running near my

103
00:03:54,949 --> 00:03:52,480
vehicle

104
00:03:57,589 --> 00:03:54,959
i looked behind me and saw a dark wing

105
00:03:59,670 --> 00:03:57,599
thing flying over back of my vehicle

106
00:04:01,589 --> 00:03:59,680
i looked at the cars behind me and

107
00:04:04,470 --> 00:04:01,599
wondered if anyone else had seen

108
00:04:06,309 --> 00:04:04,480
anything but i didn't get out to ask

109
00:04:08,309 --> 00:04:06,319
this was troubling to me

110
00:04:10,710 --> 00:04:08,319
i thought is this some bad omen taunting

111
00:04:11,830 --> 00:04:10,720
me because back when i saw this thing

112
00:04:15,350 --> 00:04:11,840
around my home

113
00:04:17,990 --> 00:04:15,360

bad things would happen bad luck things

114

00:04:18,789 --> 00:04:18,000

relationship problems water pipes burst

115

00:04:22,469 --> 00:04:18,799

in my house

116

00:04:25,670 --> 00:04:22,479

car problems sewer backup lost my job

117

00:04:26,629 --> 00:04:25,680

i got scared and i'm still scared i got

118

00:04:28,629 --> 00:04:26,639

holy water

119

00:04:30,870 --> 00:04:28,639

sprinkled it in my yard and burned white

120

00:04:33,510 --> 00:04:30,880

sage outside and inside

121

00:04:36,150 --> 00:04:33,520

praying to god for protection i don't

122

00:04:38,550 --> 00:04:36,160

need nothing else bad coming my way

123

00:04:40,870 --> 00:04:38,560

i just got my transmission fixed and

124

00:04:43,590 --> 00:04:40,880

since i saw this large wing monster

125

00:04:45,670 --> 00:04:43,600

my engine light is on the first time i

126

00:04:47,270 --> 00:04:45,680

saw the dark flying humanoid was at

127

00:04:50,790 --> 00:04:47,280

night after 10 pm

128

00:04:53,590 --> 00:04:50,800

between 2012 and 2017 on my roof

129

00:04:54,550 --> 00:04:53,600

i didn't see its face i only saw the

130

00:04:56,950 --> 00:04:54,560

huge wings

131

00:04:59,110 --> 00:04:56,960

and i'm wearing a long black coat i

132

00:05:01,189 --> 00:04:59,120

began seeing a smaller dark wing thing

133

00:05:03,590 --> 00:05:01,199

flying around my property

134

00:05:05,749 --> 00:05:03,600

it looked like a large dragonfly it

135

00:05:08,150 --> 00:05:05,759

would show up right after sunset

136

00:05:09,270 --> 00:05:08,160

or dusk it would fly at high speeds

137

00:05:11,590 --> 00:05:09,280

around my porch

138

00:05:13,350 --> 00:05:11,600

where i would be sitting it would fly

139

00:05:15,909 --> 00:05:13,360

around for only seconds

140

00:05:16,469 --> 00:05:15,919

and disappeared i had not seen it for a

141

00:05:19,029 --> 00:05:16,479

while

142

00:05:20,710 --> 00:05:19,039

nor did i tell anyone or google it until

143

00:05:23,990 --> 00:05:20,720

i saw it sunday 10 11

144

00:05:26,950 --> 00:05:24,000

20 20. i did experience bad things

145

00:05:29,110 --> 00:05:26,960

after i first saw it i had financial

146

00:05:32,310 --> 00:05:29,120

problems and personal relationships

147

00:05:35,670 --> 00:05:32,320

ended water pipes burst inside the house

148

00:05:37,909 --> 00:05:35,680

my three cars broke down i even lost my

149

00:05:40,469 --> 00:05:37,919

job when visitors would come by the

150

00:05:42,790 --> 00:05:40,479

house we would get into arguments

151
00:05:43,990 --> 00:05:42,800
visitors would act strange like they had

152
00:05:45,749 --> 00:05:44,000
an affliction

153
00:05:47,830 --> 00:05:45,759
it would flare up when they got around

154
00:05:51,029 --> 00:05:47,840
me or at my home

155
00:05:53,590 --> 00:05:51,039
so i got tired i sprinkled sulfur and

156
00:05:56,070 --> 00:05:53,600
holy water all around my property

157
00:05:57,029 --> 00:05:56,080
burn white sage into a small burning pit

158
00:05:59,110 --> 00:05:57,039
i made

159
00:06:00,469 --> 00:05:59,120
prayed out loud each day for weeks

160
00:06:03,590 --> 00:06:00,479
months that the thing would

161
00:06:05,590 --> 00:06:03,600
get out go i have not seen

162
00:06:08,070 --> 00:06:05,600
or sensed this thing for about nine

163
00:06:10,950 --> 00:06:08,080

months i was feeling better

164

00:06:12,070 --> 00:06:10,960

situations getting lighter finances

165

00:06:16,950 --> 00:06:12,080

improving

166

00:06:19,270 --> 00:06:16,960

transmissions in my cars

167

00:06:20,870 --> 00:06:19,280

fixed everything in house that broke

168

00:06:24,710 --> 00:06:20,880

saturday october 10

169

00:06:25,350 --> 00:06:24,720

2020 around 9 30 p.m i see it near my

170

00:06:27,110 --> 00:06:25,360

vehicle

171

00:06:28,710 --> 00:06:27,120

while i'm sitting in a drive-through at

172

00:06:31,830 --> 00:06:28,720

wendy's so

173

00:06:33,430 --> 00:06:31,840

that's my story my question to you from

174

00:06:34,950 --> 00:06:33,440

all of the stories you have received

175

00:06:37,189 --> 00:06:34,960

from people over the years

176

00:06:38,309 --> 00:06:37,199

what have you come up with have you seen

177

00:06:40,790 --> 00:06:38,319

the humanoid

178

00:06:42,870 --> 00:06:40,800

have you experienced anything negative

179

00:06:44,629 --> 00:06:42,880

well that's my story

180

00:06:46,870 --> 00:06:44,639

if you know what this large wing thing

181

00:06:56,790 --> 00:06:46,880

is please email me back

182

00:07:01,189 --> 00:06:58,870

batwing humanoid observed behind

183

00:07:03,029 --> 00:07:01,199

schoenberg illinois catholic church

184

00:07:05,350 --> 00:07:03,039

i was just reading an article on

185

00:07:06,230 --> 00:07:05,360

facebook about the illinois mothman bat

186

00:07:08,309 --> 00:07:06,240

creature

187

00:07:09,909 --> 00:07:08,319

i recently just saw something that

188

00:07:11,430 --> 00:07:09,919

matched that description over in

189

00:07:13,909 --> 00:07:11,440

schomburg illinois

190

00:07:15,589 --> 00:07:13,919

it happened just two nights ago my

191

00:07:15,990 --> 00:07:15,599

cousin and i were walking around the

192

00:07:18,710 --> 00:07:16,000

area

193

00:07:19,110 --> 00:07:18,720

over by a church we were playing pokemon

194

00:07:21,270 --> 00:07:19,120

go

195

00:07:23,029 --> 00:07:21,280

and right before we walked up a path

196

00:07:24,870 --> 00:07:23,039

there was an open meadow with tall

197

00:07:26,469 --> 00:07:24,880

street lights shining at the opening

198

00:07:28,870 --> 00:07:26,479

into the grassy area

199

00:07:29,990 --> 00:07:28,880

i happened to notice two big black wings

200

00:07:32,469 --> 00:07:30,000

flap a few times

201
00:07:34,309 --> 00:07:32,479
then take off and it actually passed

202
00:07:36,390 --> 00:07:34,319
through the lights of the street lamps

203
00:07:37,830 --> 00:07:36,400
and i could tell it wasn't a bird but

204
00:07:39,189 --> 00:07:37,840
more like a bat

205
00:07:41,110 --> 00:07:39,199
i could see the light through the

206
00:07:42,710 --> 00:07:41,120
membrane wings as well

207
00:07:44,710 --> 00:07:42,720
but then i thought how could that be a

208
00:07:47,270 --> 00:07:44,720
bat it was huge

209
00:07:48,469 --> 00:07:47,280
i'm talking like a wingspan of about 12

210
00:07:56,830 --> 00:07:48,479
feet or more

211
00:08:01,029 --> 00:07:58,790
thomas

212
00:08:03,029 --> 00:08:01,039
flying jeepers creepers humanoid strikes

213
00:08:05,749 --> 00:08:03,039

windshield in south dakota

214

00:08:07,909 --> 00:08:05,759

back in 2013 my friend brad lived in

215

00:08:09,830 --> 00:08:07,919

rural south dakota and i would go see

216

00:08:11,510 --> 00:08:09,840

him any time of the day or night

217

00:08:13,670 --> 00:08:11,520

it was late and i was headed to his

218

00:08:15,430 --> 00:08:13,680

place no traffic on the highway

219

00:08:17,589 --> 00:08:15,440

and just had the light of my headlights

220

00:08:19,029 --> 00:08:17,599

to see i came upon a curve

221

00:08:20,790 --> 00:08:19,039

and up ahead was something black

222

00:08:22,309 --> 00:08:20,800

crouched over in the middle of the road

223

00:08:24,950 --> 00:08:22,319

like it was looking at something or

224

00:08:25,990 --> 00:08:24,960

maybe eating it i like to drive fast and

225

00:08:28,150 --> 00:08:26,000

love animals and

226

00:08:30,070 --> 00:08:28,160

didn't want to hurt whatever it was so i

227

00:08:31,830 --> 00:08:30,080

hid my brakes to slow down

228

00:08:33,750 --> 00:08:31,840

when all of a sudden this thing spread

229

00:08:34,149 --> 00:08:33,760

out its wings which looked like a black

230

00:08:36,630 --> 00:08:34,159

cape

231

00:08:37,990 --> 00:08:36,640

i think it all happened so fast and i

232

00:08:38,310 --> 00:08:38,000

thought it would have lifted up in the

233

00:08:40,230 --> 00:08:38,320

way

234

00:08:42,230 --> 00:08:40,240

when it took off backwards towards my

235

00:08:43,190 --> 00:08:42,240

car and it hit the top center of my

236

00:08:45,190 --> 00:08:43,200

windshield

237

00:08:46,949 --> 00:08:45,200

it was so hard i ducked and instantly

238

00:08:48,310 --> 00:08:46,959

looked in the rear view mirror to see if

239

00:08:50,470 --> 00:08:48,320

it was still alive

240

00:08:51,910 --> 00:08:50,480

it was way too dark to see plus there

241

00:08:53,590 --> 00:08:51,920

was a row of bushes

242

00:08:55,990 --> 00:08:53,600

i knew it had to have smashed my

243

00:08:58,150 --> 00:08:56,000

windshield i couldn't tell how bad

244

00:09:00,630 --> 00:08:58,160

but i could see this glitter splatter so

245

00:09:03,030 --> 00:09:00,640

i just kept driving to my friend's place

246

00:09:04,710 --> 00:09:03,040

which was about another 10 minutes away

247

00:09:05,350 --> 00:09:04,720

when i pulled up and he came out to

248

00:09:07,590 --> 00:09:05,360

greet me

249

00:09:09,030 --> 00:09:07,600

i was so shook up on what i just hit and

250

00:09:11,110 --> 00:09:09,040

was telling him the story

251
00:09:12,790 --> 00:09:11,120
and how we had to take his truck and go

252
00:09:14,790 --> 00:09:12,800
see if it was still alive

253
00:09:16,630 --> 00:09:14,800
he kept telling me to wait for morning

254
00:09:19,110 --> 00:09:16,640
but i wouldn't stop begging him

255
00:09:21,110 --> 00:09:19,120
he finally agreed to ease my mind and we

256
00:09:22,550 --> 00:09:21,120
started to walk to his truck and stop to

257
00:09:24,550 --> 00:09:22,560
look at my windshield

258
00:09:26,389 --> 00:09:24,560
the windshield was not cracked at all

259
00:09:28,710 --> 00:09:26,399
but the splatter it left behind was a

260
00:09:29,829 --> 00:09:28,720
huge grey glitter splatter and felt all

261
00:09:31,990 --> 00:09:29,839
silky and soft

262
00:09:33,030 --> 00:09:32,000
like when you kill a moth only bigger

263
00:09:34,870 --> 00:09:33,040

way bigger

264

00:09:36,710 --> 00:09:34,880

we got in the truck and drove to where i

265

00:09:37,590 --> 00:09:36,720

had hit it and nothing was in the router

266

00:09:39,750 --> 00:09:37,600

ditches

267

00:09:41,590 --> 00:09:39,760

i felt better about not seeing anything

268

00:09:43,269 --> 00:09:41,600

still alive and suffering but was

269

00:09:44,550 --> 00:09:43,279

baffled at what just happened and the

270

00:09:46,710 --> 00:09:44,560

glitter splatter

271

00:09:48,150 --> 00:09:46,720

about a week later my friend died of the

272

00:09:50,949 --> 00:09:48,160

massive heart attack

273

00:09:52,070 --> 00:09:50,959

this happened in 2013 and i moved away

274

00:09:54,550 --> 00:09:52,080

for a couple years

275

00:09:56,230 --> 00:09:54,560

and now i'm back home i haven't told a

276

00:09:58,310 --> 00:09:56,240

lot of people my story

277

00:10:00,949 --> 00:09:58,320

i did research mothman and it makes me

278

00:10:03,030 --> 00:10:00,959

wonder it happened so fast and i'm very

279

00:10:04,550 --> 00:10:03,040

observant and it kind of reminded me of

280

00:10:06,069 --> 00:10:04,560

the jeepers creepers guy

281

00:10:11,990 --> 00:10:06,079

all crouched in the road eating

282

00:10:15,430 --> 00:10:14,550

this is lon strickler if you like this

283

00:10:17,190 --> 00:10:15,440

program

284

00:10:18,550 --> 00:10:17,200

it would help us if you would give it a

285

00:10:21,430 --> 00:10:18,560

thumbs up

286

00:10:21,910 --> 00:10:21,440

then subscribe and click the bell icon

287

00:10:24,230 --> 00:10:21,920

so you

288

00:10:26,389 --> 00:10:24,240

get notification when we upload new

289

00:10:29,509 --> 00:10:26,399

first-person encounters

290

00:10:32,150 --> 00:10:29,519

we have many more to come very soon and

291

00:10:33,910 --> 00:10:32,160

by the way if you have a suggestion or
