

ARCANE RADIO 

Exploring the Unexplained

Apr. 12th, 2019

David Eckhart

**Alien Abductee/
Experiencer - Part 1**

BXP

1
00:00:09,190 --> 00:00:07,590
the oldest and strongest human emotion

2
00:00:11,430 --> 00:00:09,200
is fear

3
00:00:12,390 --> 00:00:11,440
and the oldest and strongest type of

4
00:00:15,589 --> 00:00:12,400
fear

5
00:00:17,990 --> 00:00:15,599
is trepidation of young men

6
00:00:21,429 --> 00:00:18,000
when we were children our parents told

7
00:00:23,910 --> 00:00:21,439
us that monsters didn't exist

8
00:00:27,109 --> 00:00:23,920
but we were sure that something was

9
00:00:31,669 --> 00:00:27,119
lurking under the bed or in the closet

10
00:00:34,870 --> 00:00:31,679
fear sees even if our eyes are closed

11
00:00:36,950 --> 00:00:34,880
welcome to the realm of the arcane my

12
00:00:39,270 --> 00:00:36,960
name is lon stripler

13
00:00:40,389 --> 00:00:39,280

join me as i examine unexplained

14

00:00:43,030 --> 00:00:40,399

creatures

15

00:00:45,350 --> 00:00:43,040

strange manifestations of remarkable

16

00:00:48,389 --> 00:00:45,360

realities

17

00:00:50,950 --> 00:00:48,399

imagine this next hour as a voyage of

18

00:00:54,069 --> 00:00:50,960

discovery to strange lands

19

00:00:56,790 --> 00:00:54,079

seeking not for new territory but for

20

00:00:57,430 --> 00:00:56,800

new knowledge of the supernatural come

21

00:01:03,910 --> 00:00:57,440

on board

22

00:01:08,230 --> 00:01:05,910

hey folks good evening and welcome to

23

00:01:10,950 --> 00:01:08,240

another episode of arcane radio

24

00:01:12,070 --> 00:01:10,960

where we explore the unexplained here on

25

00:01:14,310 --> 00:01:12,080

the paranormal king

26

00:01:15,270 --> 00:01:14,320

radio network i'm your host lon

27

00:01:18,070 --> 00:01:15,280

strickler

28

00:01:19,670 --> 00:01:18,080

coming to you within a cannon shot of

29

00:01:22,230 --> 00:01:19,680

historic gettysburg

30

00:01:24,390 --> 00:01:22,240

in the cryptid mecca of pennsylvania i

31

00:01:26,230 --> 00:01:24,400

thank you for joining me

32

00:01:28,070 --> 00:01:26,240

now we're going to kind of get right

33

00:01:31,670 --> 00:01:28,080

into this tonight

34

00:01:34,710 --> 00:01:31,680

uh so let me uh read the bio

35

00:01:37,429 --> 00:01:34,720

on my guest tonight's guest on arcane

36

00:01:39,109 --> 00:01:37,439

radio is alien abductee and experiencer

37

00:01:42,469 --> 00:01:39,119

david eckhart

38

00:01:43,429 --> 00:01:42,479

now over a decade david and his family

39

00:01:45,510 --> 00:01:43,439

began to

40

00:01:46,550 --> 00:01:45,520

endure numerous abductions and close

41

00:01:49,429 --> 00:01:46,560

encounters

42

00:01:50,950 --> 00:01:49,439

in their home near pensacola florida the

43

00:01:52,870 --> 00:01:50,960

encounters have continued

44

00:01:55,030 --> 00:01:52,880

though the activity has recently picked

45

00:01:56,870 --> 00:01:55,040

up in intensity

46

00:01:59,749 --> 00:01:56,880

david's ordeal has been thoroughly

47

00:02:03,030 --> 00:01:59,759

documented because of his determination

48

00:02:04,149 --> 00:02:03,040

to discover why he was chosen i have

49

00:02:08,710 --> 00:02:04,159

assisted david

50

00:02:09,669 --> 00:02:08,720

in this journey since 2010 his story was

51
00:02:11,750 --> 00:02:09,679
presented on

52
00:02:13,830 --> 00:02:11,760
fact or fake the paranormal files which

53
00:02:16,869 --> 00:02:13,840
resulted in one of the highest

54
00:02:18,070 --> 00:02:16,879
rated series episodes namely because the

55
00:02:21,270 --> 00:02:18,080
team couldn't debunk

56
00:02:24,790 --> 00:02:21,280
debunk david's claims and by the way

57
00:02:26,790 --> 00:02:24,800
this is the first time that i have

58
00:02:29,910 --> 00:02:26,800
publicly interviewed david

59
00:02:31,670 --> 00:02:29,920
so david thanks for joining me hey

60
00:02:33,190 --> 00:02:31,680
lauren how are you doing

61
00:02:35,350 --> 00:02:33,200
well this is the first time we've been

62
00:02:38,070 --> 00:02:35,360
on together and uh you know we've known

63
00:02:41,030 --> 00:02:38,080

each other for a long time now

64

00:02:42,630 --> 00:02:41,040

it's uh it's been a lot going on from

65

00:02:45,830 --> 00:02:42,640

the very beginning

66

00:02:50,790 --> 00:02:48,390

now in the in the beginning i know you

67

00:02:53,830 --> 00:02:50,800

moved to pensacola

68

00:02:55,270 --> 00:02:53,840

from uh you're originally from toledo

69

00:02:57,509 --> 00:02:55,280

ohio

70

00:02:59,670 --> 00:02:57,519

and of course you were much younger back

71

00:03:02,830 --> 00:02:59,680

then can you describe

72

00:03:04,390 --> 00:03:02,840

your initial encounter with an alien

73

00:03:08,869 --> 00:03:04,400

being

74

00:03:12,869 --> 00:03:08,879

yeah we uh i mean a couple of friends

75

00:03:15,910 --> 00:03:12,879

we uh learned to run out in some

76

00:03:18,309 --> 00:03:15,920

woods out here in gulf breeze

77

00:03:19,830 --> 00:03:18,319

uh one guy that was with us he was the

78

00:03:23,110 --> 00:03:19,840

native he knew around

79

00:03:25,830 --> 00:03:23,120

the area really well and uh

80

00:03:27,830 --> 00:03:25,840

yeah say hey let's let's go out here

81

00:03:29,270 --> 00:03:27,840

we'll build a fire around this pond and

82

00:03:32,470 --> 00:03:29,280

stuff there's some trails

83

00:03:33,030 --> 00:03:32,480

and uh so and my budget yeah let's do it

84

00:03:35,110 --> 00:03:33,040

so

85

00:03:36,470 --> 00:03:35,120

we went out there and sitting in the

86

00:03:39,750 --> 00:03:36,480

backseat of his car

87

00:03:42,710 --> 00:03:39,760

and was uh you know toyota corolla

88

00:03:43,990 --> 00:03:42,720

and uh and we just going through the

89

00:03:46,390 --> 00:03:44,000

trails and everything and

90

00:03:47,270 --> 00:03:46,400

we parked over to the side and and i

91

00:03:49,110 --> 00:03:47,280

seen this uh

92

00:03:51,350 --> 00:03:49,120

light it was going across the top of the

93

00:03:53,589 --> 00:03:51,360

trees pine trees

94

00:03:55,190 --> 00:03:53,599

and uh i was just kidding i said hey

95

00:03:56,550 --> 00:03:55,200

guys the ufo

96

00:03:58,070 --> 00:03:56,560

i mean we started laughing and

97

00:03:58,789 --> 00:03:58,080

everything i see it but it did look

98

00:04:00,630 --> 00:03:58,799

strange but

99

00:04:02,309 --> 00:04:00,640

i was just kidding i didn't know what

100

00:04:04,229 --> 00:04:02,319

the heck it was

101
00:04:05,589 --> 00:04:04,239
he said well the pond's over here and

102
00:04:06,710 --> 00:04:05,599
we'll cut through this trail here we'll

103
00:04:09,750 --> 00:04:06,720
build a fire

104
00:04:10,229 --> 00:04:09,760
and kick back i said okay so we followed

105
00:04:16,069 --> 00:04:10,239
uh

106
00:04:18,310 --> 00:04:16,079
a pond real pretty had an island in the

107
00:04:20,710 --> 00:04:18,320
middle of it and everything else

108
00:04:22,629 --> 00:04:20,720
and uh so we started gathering fire wood

109
00:04:25,670 --> 00:04:22,639
and uh

110
00:04:28,150 --> 00:04:25,680
and then uh uh i was noticing it was

111
00:04:29,510 --> 00:04:28,160
white out in the woods you know and i

112
00:04:31,590 --> 00:04:29,520
kept mentioning

113
00:04:32,629 --> 00:04:31,600

that to uh the friend we was with and he

114

00:04:34,230 --> 00:04:32,639

said well dude

115

00:04:35,990 --> 00:04:34,240

people come out here all the time don't

116

00:04:37,189 --> 00:04:36,000

don't worry about it you know i just

117

00:04:39,110 --> 00:04:37,199

thought it was kind of strange the way

118

00:04:41,590 --> 00:04:39,120

it was moving around

119

00:04:43,110 --> 00:04:41,600

so but as we louis gathering the

120

00:04:46,390 --> 00:04:43,120

firewood

121

00:04:49,189 --> 00:04:46,400

uh this orb or our light

122

00:04:50,710 --> 00:04:49,199

which we think was a flashlight ended up

123

00:04:54,150 --> 00:04:50,720

to be something totally different

124

00:04:57,030 --> 00:04:54,160

than what it was uh

125

00:04:58,710 --> 00:04:57,040

it uh i was getting real close after a

126

00:05:03,270 --> 00:04:58,720

while and then uh

127

00:05:06,550 --> 00:05:03,280

uh let's see it didn't

128

00:05:08,070 --> 00:05:06,560

yeah it was picking up the wood and then

129

00:05:10,310 --> 00:05:08,080

i've seen that spotted out and i was

130

00:05:13,590 --> 00:05:10,320

like man that is not

131

00:05:15,590 --> 00:05:13,600

somebody and uh this thing was uh

132

00:05:17,670 --> 00:05:15,600

right over our heads and it flashed and

133

00:05:20,710 --> 00:05:17,680

came down and went really close to be

134

00:05:23,430 --> 00:05:20,720

uh to me and my buddy and i about

135

00:05:24,950 --> 00:05:23,440

fell back and he fell back and it went

136

00:05:25,990 --> 00:05:24,960

right back into the trees and flashed

137

00:05:27,670 --> 00:05:26,000

and took off again

138

00:05:29,350 --> 00:05:27,680

he said what was that i said i don't

139

00:05:31,430 --> 00:05:29,360

know but it came so close to my head i

140

00:05:35,590 --> 00:05:31,440

hear the worst of it

141

00:05:37,909 --> 00:05:35,600

and uh oh yeah then uh

142

00:05:39,350 --> 00:05:37,919

i said we was discussing back and forth

143

00:05:41,590 --> 00:05:39,360

with the heck that wasn't

144

00:05:44,230 --> 00:05:41,600

our other buddy he was still getting

145

00:05:47,029 --> 00:05:44,240

wood so we went back so i get more wood

146

00:05:48,710 --> 00:05:47,039

than i seen it again so that's when i

147

00:05:49,749 --> 00:05:48,720

decided i was gonna figure out what it

148

00:05:52,150 --> 00:05:49,759

was

149

00:05:54,150 --> 00:05:52,160

so i took off running after this thing

150

00:05:55,110 --> 00:05:54,160

it was all i had on with a pair of blue

151
00:05:57,749 --> 00:05:55,120

jeans and uh

152
00:05:59,430 --> 00:05:57,759

tennis shoes no shirt you know i was

153
00:06:00,950 --> 00:05:59,440

going through briars and everything else

154
00:06:02,309 --> 00:06:00,960

trying to catch up to this thing and

155
00:06:05,350 --> 00:06:02,319

then i lost it

156
00:06:07,110 --> 00:06:05,360

i looked around and then uh i happened

157
00:06:09,990 --> 00:06:07,120

just to look up cause i don't call him i

158
00:06:12,230 --> 00:06:10,000

look up and i've seen his flash

159
00:06:13,749 --> 00:06:12,240

and uh you know when it's it's dark

160
00:06:14,950 --> 00:06:13,759

outside it's like somebody takes a

161
00:06:16,550 --> 00:06:14,960

picture of you

162
00:06:18,070 --> 00:06:16,560

you lose your bearings you know you

163
00:06:19,749 --> 00:06:18,080

can't see nothing for a second

164

00:06:21,189 --> 00:06:19,759

and then you get your vision back well

165

00:06:21,590 --> 00:06:21,199

this thing was squeezed into the woods

166

00:06:24,950 --> 00:06:21,600

it was

167

00:06:28,710 --> 00:06:24,960

remote control

168

00:06:31,189 --> 00:06:28,720

yeah so i took off after it again and uh

169

00:06:31,909 --> 00:06:31,199

like a long story short uh i must have

170

00:06:35,670 --> 00:06:31,919

cased it

171

00:06:38,469 --> 00:06:35,680

five up maybe 15 20 minutes

172

00:06:40,870 --> 00:06:38,479

could have been up to 30. uh things were

173

00:06:44,550 --> 00:06:40,880

happening pretty fast at that time

174

00:06:46,710 --> 00:06:44,560

so uh i called to a couple of other

175

00:06:49,270 --> 00:06:46,720

times and i went to go jump down on it

176
00:06:50,790 --> 00:06:49,280
and couldn't jump right on it because i

177
00:06:51,909 --> 00:06:50,800
just couldn't bring myself to do it you

178
00:06:53,589 --> 00:06:51,919
know just shoot back

179
00:06:56,230 --> 00:06:53,599
up and flashing the eyes and take off

180
00:06:56,790 --> 00:06:56,240
again well they ended up going into the

181
00:06:59,749 --> 00:06:56,800
pond

182
00:07:01,270 --> 00:06:59,759
and uh and it was pretty cool the way it

183
00:07:02,950 --> 00:07:01,280
happened but

184
00:07:05,029 --> 00:07:02,960
my buddies caught up to me and said

185
00:07:06,950 --> 00:07:05,039
what's going on said it's down there so

186
00:07:08,309 --> 00:07:06,960
i'd grab a big stick and poke it in the

187
00:07:11,510 --> 00:07:08,319
water

188
00:07:14,710 --> 00:07:11,520

and uh next you know it uh uh

189

00:07:17,350 --> 00:07:14,720

my buddy that was with the native guy

190

00:07:17,749 --> 00:07:17,360

he said let's let's go let's go okay

191

00:07:19,189 --> 00:07:17,759

let's

192

00:07:21,270 --> 00:07:19,199

find a way out heck i don't even know

193

00:07:23,749 --> 00:07:21,280

where i was at so

194

00:07:25,830 --> 00:07:23,759

i was chased for a while but we're

195

00:07:27,990 --> 00:07:25,840

trying to find the way back to the car

196

00:07:29,830 --> 00:07:28,000

and uh i got the closest look of this

197

00:07:31,909 --> 00:07:29,840

thing so i was trying to describe what

198

00:07:34,390 --> 00:07:31,919

this thing looked like to these guys and

199

00:07:35,909 --> 00:07:34,400

it must have been about maybe 25 30 feet

200

00:07:38,390 --> 00:07:35,919

behind me

201
00:07:39,589 --> 00:07:38,400
and then uh and also i just kind of

202
00:07:41,110 --> 00:07:39,599
looked up as i was

203
00:07:42,629 --> 00:07:41,120
because i was looking at my hands while

204
00:07:45,270 --> 00:07:42,639
i was just trying to shape it out and

205
00:07:48,710 --> 00:07:45,280
i've seen this

206
00:07:51,110 --> 00:07:48,720
man or guy or whatever it was

207
00:07:53,029 --> 00:07:51,120
as soon as he saw me and i saw him and

208
00:07:54,550 --> 00:07:53,039
made eye contact it just stopped

209
00:07:56,150 --> 00:07:54,560
and then you get all these things going

210
00:07:57,189 --> 00:07:56,160
through your head because you're just

211
00:07:59,990 --> 00:07:57,199
seeing something that

212
00:08:00,790 --> 00:08:00,000
does not fit in you know i'm thinking is

213
00:08:04,230 --> 00:08:00,800

this a

214

00:08:07,270 --> 00:08:04,240

deer an owl or a

215

00:08:10,390 --> 00:08:07,280

or a somebody with a mask on

216

00:08:13,589 --> 00:08:10,400

and uh and i barked out and yelled

217

00:08:15,909 --> 00:08:13,599

and it took off you uh run and so uh

218

00:08:17,909 --> 00:08:15,919

i took off running after it and i

219

00:08:19,270 --> 00:08:17,919

clearly could outrun it i caught up to

220

00:08:22,869 --> 00:08:19,280

him really quick

221

00:08:25,270 --> 00:08:22,879

real quick and i could i could smell him

222

00:08:27,029 --> 00:08:25,280

with the wing just kind of breaking off

223

00:08:28,150 --> 00:08:27,039

of them and i'm looking at the back of

224

00:08:30,950 --> 00:08:28,160

its head as i was

225

00:08:32,630 --> 00:08:30,960

running behind him it reminded me of one

226

00:08:36,790 --> 00:08:32,640

of those little kids with the old man

227

00:08:38,949 --> 00:08:36,800

accelerated disease then uh

228

00:08:40,070 --> 00:08:38,959

i just i was thinking man i'm just

229

00:08:42,389 --> 00:08:40,080

scaring this thing you know

230

00:08:44,230 --> 00:08:42,399

so i started backing off a little bit i

231

00:08:45,430 --> 00:08:44,240

couldn't i couldn't tackle it but i just

232

00:08:46,949 --> 00:08:45,440

couldn't bring myself to do it because i

233

00:08:50,470 --> 00:08:46,959

didn't know what the heck it was

234

00:08:52,230 --> 00:08:50,480

and uh and so and so i started backing

235

00:08:53,829 --> 00:08:52,240

off and it just kept on going and then

236

00:08:56,310 --> 00:08:53,839

one up around this bush and he was

237

00:08:58,310 --> 00:08:56,320

leaning into it as he was running

238

00:08:59,750 --> 00:08:58,320

and then i really slowed down and then

239

00:09:01,509 --> 00:08:59,760

my buddy bob

240

00:09:02,790 --> 00:09:01,519

he said and says where's that and he

241

00:09:04,949 --> 00:09:02,800

come up to the house i said go around

242

00:09:07,829 --> 00:09:04,959

the bush on the other side

243

00:09:08,389 --> 00:09:07,839

and uh so we went around his bush or was

244

00:09:10,870 --> 00:09:08,399

like a

245

00:09:12,230 --> 00:09:10,880

little woody areas not one single bush

246

00:09:14,949 --> 00:09:12,240

but he was gone but

247

00:09:15,990 --> 00:09:14,959

everything i know now it was probably

248

00:09:18,150 --> 00:09:16,000

still there

249

00:09:20,230 --> 00:09:18,160

they got a cloaking ability they can

250

00:09:23,670 --> 00:09:20,240

become invisible

251
00:09:26,070 --> 00:09:23,680
so it's sort of like a uh we would

252
00:09:27,990 --> 00:09:26,080
think of like a uh the predator if you

253
00:09:32,310 --> 00:09:28,000
ever seen that movie

254
00:09:36,710 --> 00:09:32,320
the glass scene like uh outlined of it

255
00:09:38,949 --> 00:09:36,720
right and it's pixelated um yeah but uh

256
00:09:40,230 --> 00:09:38,959
anyways well we took back off we finally

257
00:09:42,790 --> 00:09:40,240
found our way back to the car

258
00:09:44,949 --> 00:09:42,800
and everything and we took off and i had

259
00:09:46,070 --> 00:09:44,959
dreams about that whole situation i mean

260
00:09:48,389 --> 00:09:46,080
that

261
00:09:50,310 --> 00:09:48,399
for about two weeks solid i mean it was

262
00:09:51,829 --> 00:09:50,320
like every scenario i

263
00:09:53,829 --> 00:09:51,839

even had dreams that i caught it you

264

00:09:56,150 --> 00:09:53,839

know so but uh it's uh

265

00:09:57,670 --> 00:09:56,160

it really affected me pretty good but we

266

00:09:59,509 --> 00:09:57,680

told everybody

267

00:10:01,030 --> 00:09:59,519

you know that you know we think we saw

268

00:10:04,310 --> 00:10:01,040

aliens and they're not

269

00:10:06,069 --> 00:10:04,320

green so yeah but i never gave it a

270

00:10:09,990 --> 00:10:06,079

second thought back then you know

271

00:10:10,790 --> 00:10:10,000

so but they're definitely not green some

272

00:10:13,990 --> 00:10:10,800

of them might be

273

00:10:17,430 --> 00:10:14,000

but this one wasn't

274

00:10:19,350 --> 00:10:17,440

well now this uh now that encounter

275

00:10:21,110 --> 00:10:19,360

that was your very first encounter with

276

00:10:24,630 --> 00:10:21,120

any type of uh

277

00:10:26,630 --> 00:10:24,640

alien type being yeah that's uh

278

00:10:28,949 --> 00:10:26,640

that's actually almost the only uh

279

00:10:30,790 --> 00:10:28,959

document i was a little kid and strange

280

00:10:33,190 --> 00:10:30,800

things happen when i was a little kid

281

00:10:33,990 --> 00:10:33,200

i mean and it seemed like there was

282

00:10:35,829 --> 00:10:34,000

muppets

283

00:10:38,069 --> 00:10:35,839

uh back then you know i was thinking

284

00:10:39,509 --> 00:10:38,079

about i was sleeping on top of my bumper

285

00:10:41,190 --> 00:10:39,519

that he was a little kid and it was a

286

00:10:43,269 --> 00:10:41,200

thunderstorm

287

00:10:45,350 --> 00:10:43,279

and uh i kept hearing this knocking at

288

00:10:47,110 --> 00:10:45,360

the window and it's going dave

289

00:10:49,030 --> 00:10:47,120

dave let me in and every time the

290

00:10:49,670 --> 00:10:49,040

lightning flash i could see this guy it

291

00:10:52,630 --> 00:10:49,680

looked like

292

00:10:53,990 --> 00:10:52,640

ernie or something like that uh not a

293

00:10:55,670 --> 00:10:54,000

good sight for a little kid

294

00:10:58,389 --> 00:10:55,680

especially he liked watching sesame

295

00:11:00,870 --> 00:10:58,399

street back then

296

00:11:02,630 --> 00:11:00,880

but i was thinking something like that

297

00:11:04,710 --> 00:11:02,640

because

298

00:11:05,829 --> 00:11:04,720

that was real that that was real when i

299

00:11:08,949 --> 00:11:05,839

was a little kid

300

00:11:09,750 --> 00:11:08,959

i know you know something that's

301
00:11:12,550 --> 00:11:09,760
affected me

302
00:11:14,389 --> 00:11:12,560
when i was a little kid but i was scared

303
00:11:15,829 --> 00:11:14,399
well i was at the time i was like go

304
00:11:17,590 --> 00:11:15,839
away you know i put my head underneath

305
00:11:19,590 --> 00:11:17,600
the covers go away go away

306
00:11:21,110 --> 00:11:19,600
but uh that's the only thing i could

307
00:11:24,870 --> 00:11:21,120
remember something

308
00:11:26,310 --> 00:11:24,880
really strange that that could fit in

309
00:11:28,790 --> 00:11:26,320
when i was a little kid and i almost

310
00:11:32,389 --> 00:11:28,800
forgot about maybe

311
00:11:35,030 --> 00:11:32,399
four and a half yeah years old

312
00:11:35,910 --> 00:11:35,040
maybe yeah you know i hear a lot of that

313
00:11:38,310 --> 00:11:35,920

from people

314

00:11:39,910 --> 00:11:38,320

um that say like when they were younger

315

00:11:42,150 --> 00:11:39,920

that they kind of described them as

316

00:11:45,350 --> 00:11:42,160

muppet characters or something like that

317

00:11:46,630 --> 00:11:45,360

i do get that a lot um

318

00:11:48,470 --> 00:11:46,640

you know that now this is something i've

319

00:11:52,310 --> 00:11:48,480

never asked you before

320

00:11:52,629 --> 00:11:52,320

have any of your uh parents or siblings

321

00:11:55,110 --> 00:11:52,639

have

322

00:11:56,870 --> 00:11:55,120

ever had any type of strange experiences

323

00:11:59,910 --> 00:11:56,880

like this

324

00:12:00,949 --> 00:11:59,920

well you know up in ohio uh where i come

325

00:12:03,670 --> 00:12:00,959

from

326

00:12:04,470 --> 00:12:03,680

there's a lot of uh what you would call

327

00:12:07,269 --> 00:12:04,480

like

328

00:12:08,870 --> 00:12:07,279

witchcraft or uh what would you call it

329

00:12:12,069 --> 00:12:08,880

a paranormal stuff that

330

00:12:15,430 --> 00:12:12,079

people do you know like and uh

331

00:12:16,949 --> 00:12:15,440

and that's kind of yeah and

332

00:12:19,030 --> 00:12:16,959

and that's the kind of stuff that was

333

00:12:22,230 --> 00:12:19,040

going on of

334

00:12:23,030 --> 00:12:22,240

not directly that i was new about but i

335

00:12:24,790 --> 00:12:23,040

knew about

336

00:12:27,190 --> 00:12:24,800

you know some side stuff that people

337

00:12:30,629 --> 00:12:27,200

would do but uh and

338

00:12:32,230 --> 00:12:30,639

not directly that i i could see you know

339

00:12:34,230 --> 00:12:32,240

i was involved with or anything like

340

00:12:36,550 --> 00:12:34,240

that but we had like uh

341

00:12:38,710 --> 00:12:36,560

my mother had this woman that she talked

342

00:12:41,430 --> 00:12:38,720

to all the time her name was thelma she

343

00:12:41,750 --> 00:12:41,440

like she claimed to die eight times on

344

00:12:44,629 --> 00:12:41,760

the

345

00:12:46,310 --> 00:12:44,639

operating table during heart surgery and

346

00:12:48,629 --> 00:12:46,320

as you could see spirits

347

00:12:49,590 --> 00:12:48,639

and uh stuff like that and uh we go over

348

00:12:51,829 --> 00:12:49,600

a house and

349

00:12:52,629 --> 00:12:51,839

it was a strange house you know but the

350

00:12:55,750 --> 00:12:52,639

woman was

351

00:12:57,670 --> 00:12:55,760

really nice but uh

352

00:12:59,829 --> 00:12:57,680

i think we brought something home one

353

00:13:01,829 --> 00:12:59,839

night with us and uh

354

00:13:03,590 --> 00:13:01,839

i think it was like an older man or

355

00:13:04,790 --> 00:13:03,600

something like that spirit or entity

356

00:13:07,430 --> 00:13:04,800

like that and he hung out

357

00:13:07,829 --> 00:13:07,440

the house for a while but my mom's

358

00:13:11,590 --> 00:13:07,839

worried

359

00:13:13,350 --> 00:13:11,600

she brought him back so but i mean

360

00:13:15,190 --> 00:13:13,360

you know strange things would always

361

00:13:17,430 --> 00:13:15,200

happen like spiritual stuff my brother

362

00:13:19,509 --> 00:13:17,440

went out to the shed one time

363

00:13:21,110 --> 00:13:19,519

and uh my mom was on to about cleaning

364

00:13:23,350 --> 00:13:21,120

it up or something like that and uh he

365

00:13:25,350 --> 00:13:23,360

was going out there and he was upset and

366

00:13:26,389 --> 00:13:25,360

crying and uh he threw something in the

367

00:13:27,750 --> 00:13:26,399

shed

368

00:13:29,670 --> 00:13:27,760

and all of a sudden everything started

369

00:13:30,790 --> 00:13:29,680

coming down on top or living like that

370

00:13:33,990 --> 00:13:30,800

and uh

371

00:13:35,750 --> 00:13:34,000

and he ran back in the house and he was

372

00:13:37,350 --> 00:13:35,760

stirred the heck you know he was

373

00:13:39,110 --> 00:13:37,360

not going back out there to the shed

374

00:13:41,110 --> 00:13:39,120

again you know so

375

00:13:42,870 --> 00:13:41,120

but uh you you said one of these things

376

00:13:44,389 --> 00:13:42,880

that you throw a baseball into and it

377

00:13:46,230 --> 00:13:44,399

bounces back to you you know you play

378

00:13:48,470 --> 00:13:46,240

catch with yourself but uh

379

00:13:50,389 --> 00:13:48,480

and that thing uh flew in front of the

380

00:13:51,030 --> 00:13:50,399

door and blocked him and so he was

381

00:13:53,110 --> 00:13:51,040

really

382

00:13:55,829 --> 00:13:53,120

quite shifting up about that but that's

383

00:13:57,670 --> 00:13:55,839

uh i don't think i can remember

384

00:13:59,350 --> 00:13:57,680

what was going on back then it could

385

00:14:01,189 --> 00:13:59,360

have been you know just a coincidence or

386

00:14:03,750 --> 00:14:01,199

just getting scared or whatever i don't

387

00:14:04,710 --> 00:14:03,760

know i was uh i know i was in the house

388

00:14:06,710 --> 00:14:04,720

when it happened

389

00:14:08,470 --> 00:14:06,720

but that's the one thing i could

390

00:14:10,870 --> 00:14:08,480

remember

391

00:14:13,750 --> 00:14:10,880

well let's go forward now to uh you're

392

00:14:17,350 --> 00:14:13,760

in pensacola you've got a family

393

00:14:20,389 --> 00:14:17,360

you've got this house uh

394

00:14:23,189 --> 00:14:20,399

and uh these encounters start to begin

395

00:14:25,750 --> 00:14:23,199

can you kind of give us an idea how this

396

00:14:31,829 --> 00:14:29,750

okay yeah so you know you

397

00:14:33,189 --> 00:14:31,839

you grow up and you know you you know

398

00:14:34,870 --> 00:14:33,199

part of your life and you think you got

399

00:14:36,870 --> 00:14:34,880

everything worked out you know it's like

400

00:14:38,389 --> 00:14:36,880

everything's running smooth and i got

401
00:14:41,670 --> 00:14:38,399
his family going and everything

402
00:14:44,310 --> 00:14:41,680
and uh he ended up i started a business

403
00:14:44,949 --> 00:14:44,320
and uh he's doing really well really

404
00:14:47,990 --> 00:14:44,959
good

405
00:14:51,509 --> 00:14:48,000
lots of work but uh and uh

406
00:14:51,910 --> 00:14:51,519
it was out i don't know just acreage of

407
00:14:53,509 --> 00:14:51,920
woods

408
00:14:55,829 --> 00:14:53,519
it was like this house was out in the

409
00:14:57,189 --> 00:14:55,839
middle of 17 acres and i had a pond to

410
00:14:59,750 --> 00:14:57,199
it and everything

411
00:15:00,629 --> 00:14:59,760
just beautiful house and uh we was gonna

412
00:15:02,230 --> 00:15:00,639
uh

413
00:15:03,670 --> 00:15:02,240

we had to sign on for because it was

414

00:15:05,110 --> 00:15:03,680

gonna develop all around it and

415

00:15:07,990 --> 00:15:05,120

everything so

416

00:15:09,350 --> 00:15:08,000

we did that and then uh and then you

417

00:15:11,910 --> 00:15:09,360

know

418

00:15:12,790 --> 00:15:11,920

you hear things going on in the house

419

00:15:14,870 --> 00:15:12,800

you know it's like

420

00:15:16,069 --> 00:15:14,880

you know any house you know you hear

421

00:15:18,870 --> 00:15:16,079

like pipes creaking

422

00:15:19,110 --> 00:15:18,880

and popping and stuff like that and and

423

00:15:21,030 --> 00:15:19,120

uh

424

00:15:23,430 --> 00:15:21,040

at first i wasn't around too much when

425

00:15:25,990 --> 00:15:23,440

um we first moved in because i was

426

00:15:27,509 --> 00:15:26,000

i was running back and forth to ohio and

427

00:15:29,189 --> 00:15:27,519

for weddings and

428

00:15:30,790 --> 00:15:29,199

running the business and everything else

429

00:15:31,670 --> 00:15:30,800

my wife did all the moving and

430

00:15:34,949 --> 00:15:31,680

everything so

431

00:15:36,710 --> 00:15:34,959

well that was a blessing but uh she

432

00:15:38,069 --> 00:15:36,720

kept telling me you know i'm here on

433

00:15:38,629 --> 00:15:38,079

these noises in the house and

434

00:15:41,670 --> 00:15:38,639

everything's

435

00:15:43,110 --> 00:15:41,680

okay no problem so and uh just

436

00:15:45,829 --> 00:15:43,120

water pipes or something you know it's

437

00:15:47,110 --> 00:15:45,839

like so i didn't really investigate it i

438

00:15:50,150 --> 00:15:47,120

didn't have time i was

439

00:15:51,110 --> 00:15:50,160

running the business and uh it just kept

440

00:15:52,949 --> 00:15:51,120

uh

441

00:15:54,550 --> 00:15:52,959

and it kept bothering her and it started

442

00:15:56,550 --> 00:15:54,560

bothering the kids and

443

00:15:58,550 --> 00:15:56,560

and then you know i just kept going to

444

00:16:01,910 --> 00:15:58,560

ignore it you know it's no big deal

445

00:16:02,870 --> 00:16:01,920

and then uh i come home one evening from

446

00:16:05,910 --> 00:16:02,880

work

447

00:16:08,069 --> 00:16:05,920

and uh i came into the back door my wife

448

00:16:11,189 --> 00:16:08,079

she was white as a ghost and i'm like

449

00:16:13,030 --> 00:16:11,199

what's wrong she says david seeing

450

00:16:16,310 --> 00:16:13,040

people walking through the house

451
00:16:17,910 --> 00:16:16,320
like oh god so it's uh i said

452
00:16:19,350 --> 00:16:17,920
just ignore it i don't know what to tell

453
00:16:21,749 --> 00:16:19,360
her you know it's like man

454
00:16:24,230 --> 00:16:21,759
i'm working all day come home and i

455
00:16:26,550 --> 00:16:24,240
gotta deal with this now you know so

456
00:16:27,910 --> 00:16:26,560
but uh she almost started crying and i

457
00:16:29,189 --> 00:16:27,920
said okay i'm gonna have to figure out

458
00:16:31,269 --> 00:16:29,199
what's going on and see if we're in

459
00:16:33,430 --> 00:16:31,279
danger or anything because

460
00:16:34,310 --> 00:16:33,440
and then uh so i started uh doing

461
00:16:36,870 --> 00:16:34,320
research on

462
00:16:38,550 --> 00:16:36,880
maybe poltergeist and which i did not

463
00:16:40,389 --> 00:16:38,560

believe in the ghosts and stuff like

464

00:16:41,590 --> 00:16:40,399

that but i believe in stuff like that

465

00:16:46,069 --> 00:16:41,600

now

466

00:16:49,910 --> 00:16:46,079

yeah but uh yeah definitely and then uh

467

00:16:51,430 --> 00:16:49,920

and then uh yeah so i was really

468

00:16:51,990 --> 00:16:51,440

starting to sound like poultry guys you

469

00:16:53,829 --> 00:16:52,000

know

470

00:16:55,030 --> 00:16:53,839

everything i was reading and stuff and

471

00:16:59,749 --> 00:16:55,040

uh

472

00:17:01,910 --> 00:16:59,759

camera and she would walk to the house

473

00:17:02,629 --> 00:17:01,920

taking pictures because the cats was

474

00:17:04,470 --> 00:17:02,639

reacting

475

00:17:05,750 --> 00:17:04,480

as well so she took pictures around the

476

00:17:07,750 --> 00:17:05,760

cats and stuff and

477

00:17:09,429 --> 00:17:07,760

she's getting pictures and these orbs

478

00:17:12,870 --> 00:17:09,439

and stuff in the house you know

479

00:17:16,150 --> 00:17:12,880

uh you there yeah okay

480

00:17:19,669 --> 00:17:16,160

and uh and then uh uh

481

00:17:22,069 --> 00:17:19,679

he didn't know to get this one picture

482

00:17:23,909 --> 00:17:22,079

of these uh overlooking people looking

483

00:17:26,710 --> 00:17:23,919

into the window it looked like you know

484

00:17:28,230 --> 00:17:26,720

flying boy in 30s or something like that

485

00:17:30,870 --> 00:17:28,240

and uh

486

00:17:31,990 --> 00:17:30,880

and that that caught my attention they

487

00:17:34,390 --> 00:17:32,000

look kind of messed up

488

00:17:35,029 --> 00:17:34,400

in it too but i still got that picture

489

00:17:38,789 --> 00:17:35,039

today

490

00:17:40,630 --> 00:17:38,799

um and uh the thing was they was looking

491

00:17:42,150 --> 00:17:40,640

into a window that was two stories up in

492

00:17:45,270 --> 00:17:42,160

the air

493

00:17:47,190 --> 00:17:45,280

and so i thought okay so let's

494

00:17:49,510 --> 00:17:47,200

see if we can do better so uh my son

495

00:17:51,350 --> 00:17:49,520

ended up getting a vhs camera you know

496

00:17:54,630 --> 00:17:51,360

back then you know that was stopping

497

00:17:55,990 --> 00:17:54,640

stuff and uh and we started playing

498

00:17:57,909 --> 00:17:56,000

around with that trying to catch stuff

499

00:18:01,350 --> 00:17:57,919

and he was catching stuff on there

500

00:18:03,909 --> 00:18:01,360

and uh and but it always looked you know

501
00:18:04,710 --> 00:18:03,919
really grainy you know that's when our

502
00:18:06,710 --> 00:18:04,720
uh

503
00:18:08,549 --> 00:18:06,720
video was being caught by a magnetic

504
00:18:11,909 --> 00:18:08,559
tape so it was

505
00:18:13,270 --> 00:18:11,919
not very good and uh but you know that

506
00:18:15,350 --> 00:18:13,280
got my attention because we

507
00:18:17,590 --> 00:18:15,360
got a couple of good things on there and

508
00:18:18,390 --> 00:18:17,600
uh it's okay i want to give me a better

509
00:18:20,950 --> 00:18:18,400
camera so i

510
00:18:22,070 --> 00:18:20,960
forked out the money for this uh uh

511
00:18:26,150 --> 00:18:22,080
digital camera

512
00:18:27,590 --> 00:18:26,160
the dvd put you know miniature dvds in

513
00:18:29,750 --> 00:18:27,600

and then uh that's when we started

514

00:18:31,909 --> 00:18:29,760

catching stuff and that i just tried to

515

00:18:33,350 --> 00:18:31,919

improve from there and i started running

516

00:18:35,830 --> 00:18:33,360

experiments and

517

00:18:37,909 --> 00:18:35,840

and then uh uh we started catching some

518

00:18:40,950 --> 00:18:37,919

pretty good stuff on video

519

00:18:41,990 --> 00:18:40,960

matter of fact uh uh one night a day i

520

00:18:43,990 --> 00:18:42,000

was working about 9

521

00:18:46,150 --> 00:18:44,000

30 in the morning i was working out my

522

00:18:48,310 --> 00:18:46,160

pole barn working on my truck

523

00:18:50,070 --> 00:18:48,320

and i come in to go use the restroom i

524

00:18:52,789 --> 00:18:50,080

thank you and then uh

525

00:18:54,390 --> 00:18:52,799

right where my tv was sitting it didn't

526

00:18:57,669 --> 00:18:54,400

even dawn on me but

527

00:18:59,270 --> 00:18:57,679

it was like a hole and uh i looked down

528

00:19:00,549 --> 00:18:59,280

inside this hole and they had these

529

00:19:03,110 --> 00:19:00,559

people

530

00:19:03,830 --> 00:19:03,120

down there getting ready for maybe a

531

00:19:06,549 --> 00:19:03,840

shot too

532

00:19:06,950 --> 00:19:06,559

or whatever but the people that my wife

533

00:19:09,590 --> 00:19:06,960

got

534

00:19:11,430 --> 00:19:09,600

pictures of that was in the window was

535

00:19:13,190 --> 00:19:11,440

down there dressed up from

536

00:19:15,190 --> 00:19:13,200

flame boy and 30s and they had like

537

00:19:15,990 --> 00:19:15,200

cameras rolling around and a concrete

538

00:19:19,110 --> 00:19:16,000

floor with

539

00:19:19,909 --> 00:19:19,120

uh painted lines in the floor people

540

00:19:22,470 --> 00:19:19,919

running around

541

00:19:23,190 --> 00:19:22,480

being entities let's just say entities

542

00:19:25,909 --> 00:19:23,200

uh

543

00:19:27,190 --> 00:19:25,919

and they had set ups of my rooms at my

544

00:19:28,710 --> 00:19:27,200

house down there

545

00:19:30,630 --> 00:19:28,720

you know with furniture and everything

546

00:19:32,789 --> 00:19:30,640

so

547

00:19:34,070 --> 00:19:32,799

i'm like they're not ghosts that was the

548

00:19:36,070 --> 00:19:34,080

first thing that ran in my head and they

549

00:19:38,470 --> 00:19:36,080

had me convinced that it was ghosts

550

00:19:40,310 --> 00:19:38,480

i was so upset i just started yelling it

551
00:19:42,950 --> 00:19:40,320
did not goes to everybody everybody say

552
00:19:44,230 --> 00:19:42,960
calm down dude i said do not go strong

553
00:19:46,549 --> 00:19:44,240
but uh i didn't know what the hell it

554
00:19:48,230 --> 00:19:46,559
was from there but uh my wife is like oh

555
00:19:49,750 --> 00:19:48,240
that's dimensional it's gotta be

556
00:19:52,310 --> 00:19:49,760
dimensional i said i don't

557
00:19:53,270 --> 00:19:52,320
i don't know but the weird thing was it

558
00:19:55,350 --> 00:19:53,280
didn't

559
00:19:57,190 --> 00:19:55,360
i was so upset by it because i thought

560
00:19:58,150 --> 00:19:57,200
it was ghosts i didn't even dominate i

561
00:20:01,990 --> 00:19:58,160
was looking through a

562
00:20:03,669 --> 00:20:02,000
a portal or a stargate and uh

563
00:20:05,750 --> 00:20:03,679

that that was the kicker right the way i

564

00:20:05,990 --> 00:20:05,760

said wait a minute that how did i see

565

00:20:08,149 --> 00:20:06,000

that

566

00:20:09,350 --> 00:20:08,159

you know it's like it was a portable

567

00:20:11,830 --> 00:20:09,360

stargate so

568

00:20:13,029 --> 00:20:11,840

that that's when you know two and two

569

00:20:16,789 --> 00:20:13,039

started coming together

570

00:20:18,789 --> 00:20:16,799

about what was going on uh

571

00:20:21,350 --> 00:20:18,799

so was this around the time was this

572

00:20:23,590 --> 00:20:21,360

around the time that you had um

573

00:20:26,549 --> 00:20:23,600

put the uh video camera in the bedroom

574

00:20:29,669 --> 00:20:26,559

and caught that entity at the bathroom

575

00:20:30,630 --> 00:20:29,679

yeah i had probably over 2 000 hours

576
00:20:34,310 --> 00:20:30,640
worth of uh

577
00:20:35,830 --> 00:20:34,320
videotapes and uh i i decided to walk

578
00:20:38,230 --> 00:20:35,840
away from this several times

579
00:20:39,669 --> 00:20:38,240
and uh i burned everything it's like

580
00:20:41,510 --> 00:20:39,679
it's just because it was eating all my

581
00:20:43,669 --> 00:20:41,520
time and everything else and

582
00:20:44,549 --> 00:20:43,679
and uh yeah one morning i was getting up

583
00:20:47,270 --> 00:20:44,559
for work and i

584
00:20:48,549 --> 00:20:47,280
run that video camera all night and uh

585
00:20:52,070 --> 00:20:48,559
and

586
00:20:52,950 --> 00:20:52,080
it was the uh the footage was corrupt on

587
00:20:56,549 --> 00:20:52,960
it

588
00:20:58,630 --> 00:20:56,559

lost data

589

00:21:00,710 --> 00:20:58,640

so i just pushed the button and finished

590

00:21:02,950 --> 00:21:00,720

getting ready for work and still

591

00:21:04,549 --> 00:21:02,960

and functioning you know working on it

592

00:21:05,190 --> 00:21:04,559

so that's why i got to go to work so i

593

00:21:07,270 --> 00:21:05,200

went to work

594

00:21:09,590 --> 00:21:07,280

come back home from work that evening

595

00:21:11,190 --> 00:21:09,600

and it was just finishing up

596

00:21:12,630 --> 00:21:11,200

i said okay so we got it so i grabbed

597

00:21:14,789 --> 00:21:12,640

the camera took it into my office

598

00:21:17,190 --> 00:21:14,799

plugged it into the computer and uh

599

00:21:19,029 --> 00:21:17,200

it was still blank all the way through i

600

00:21:20,789 --> 00:21:19,039

mean i i went through

601
00:21:22,789 --> 00:21:20,799
the whole thing i had this uh program

602
00:21:24,470 --> 00:21:22,799
called win dvd

603
00:21:26,070 --> 00:21:24,480
number eight or something like that and

604
00:21:27,990 --> 00:21:26,080
then uh it gave me

605
00:21:29,990 --> 00:21:28,000
an option where i could go frame by

606
00:21:33,110 --> 00:21:30,000
frame a camera takes 30 frames

607
00:21:35,430 --> 00:21:33,120
a second which is uh kind of slow but

608
00:21:37,190 --> 00:21:35,440
if you don't know how to a camera works

609
00:21:39,029 --> 00:21:37,200
which i didn't at the time

610
00:21:41,110 --> 00:21:39,039
uh i learned but that that is really

611
00:21:43,750 --> 00:21:41,120
slow 30 frames a second

612
00:21:45,669 --> 00:21:43,760
well all the way to the end i i've seen

613
00:21:47,909 --> 00:21:45,679

this flash

614

00:21:49,350 --> 00:21:47,919

and so so i back it up and and go back

615

00:21:50,870 --> 00:21:49,360

and forth and i thought i lost it but

616

00:21:52,789 --> 00:21:50,880

then i caught it again

617

00:21:54,950 --> 00:21:52,799

and then uh so i narrowed it down and

618

00:21:58,390 --> 00:21:54,960

then it came up with uh

619

00:22:00,230 --> 00:21:58,400

about 15 frames and a half a second so

620

00:22:01,430 --> 00:22:00,240

a half a second i got this thing that

621

00:22:03,430 --> 00:22:01,440

came out of the bedroom

622

00:22:05,029 --> 00:22:03,440

uh came out of the bathroom with the

623

00:22:06,630 --> 00:22:05,039

light on i always left the light onto

624

00:22:06,950 --> 00:22:06,640

the shine light in the bedroom so i

625

00:22:09,190 --> 00:22:06,960

could

626
00:22:10,070 --> 00:22:09,200
you know see what's going on in there

627
00:22:11,750 --> 00:22:10,080
and uh

628
00:22:13,590 --> 00:22:11,760
and then this thing come out around the

629
00:22:14,870 --> 00:22:13,600
door and looks in the bedroom and turns

630
00:22:19,350 --> 00:22:14,880
off the bathroom light

631
00:22:20,710 --> 00:22:19,360
the end and uh i said i've got my son i

632
00:22:23,590 --> 00:22:20,720
said hey come here look at this

633
00:22:24,070 --> 00:22:23,600
and he was looking he's going no way you

634
00:22:26,870 --> 00:22:24,080
know

635
00:22:28,149 --> 00:22:26,880
tears are coming to his eyes he's about

636
00:22:31,590 --> 00:22:28,159
he's about 14

637
00:22:35,029 --> 00:22:31,600
uh years old then for 15.

638
00:22:38,789 --> 00:22:35,039

yeah and uh this is it so

639

00:22:40,390 --> 00:22:38,799

uh i sent it to uh one guy mr burkhart

640

00:22:43,430 --> 00:22:40,400

and that's about that time when that

641

00:22:46,390 --> 00:22:43,440

um was that the uh

642

00:22:47,029 --> 00:22:46,400

bigfoot was uh out and being hoaxed and

643

00:22:50,470 --> 00:22:47,039

everything and

644

00:22:52,070 --> 00:22:50,480

yeah we'll we'll put it out there and

645

00:22:53,430 --> 00:22:52,080

we'll see what uh happens you know

646

00:22:54,470 --> 00:22:53,440

because that's something frame by frame

647

00:22:57,590 --> 00:22:54,480

and he put it in a

648

00:22:59,350 --> 00:22:57,600

little short video but yeah

649

00:23:00,630 --> 00:22:59,360

yeah and that's the video that that's

650

00:23:01,590 --> 00:23:00,640

the video you've been showing in the

651
00:23:03,430 --> 00:23:01,600
video that

652
00:23:05,029 --> 00:23:03,440
i've been putting i've been showing for

653
00:23:08,470 --> 00:23:05,039
several years now

654
00:23:09,350 --> 00:23:08,480
which is basically a couple frames put

655
00:23:10,630 --> 00:23:09,360
together

656
00:23:12,710 --> 00:23:10,640
that you were able to get off the

657
00:23:14,310 --> 00:23:12,720
videotape right

658
00:23:17,029 --> 00:23:14,320
and yeah and the rest of it was

659
00:23:18,630 --> 00:23:17,039
corrupted and still and so but i was uh

660
00:23:21,110 --> 00:23:18,640
i was lucky to get that

661
00:23:22,390 --> 00:23:21,120
and yeah that's what that's what started

662
00:23:23,669 --> 00:23:22,400
the whole thing because that was like

663
00:23:25,990 --> 00:23:23,679

the clearest that i could

664

00:23:27,669 --> 00:23:26,000

i ever got and then it just started from

665

00:23:31,909 --> 00:23:27,679

there and uh

666

00:23:34,950 --> 00:23:31,919

yeah i do know when you got the video

667

00:23:37,350 --> 00:23:34,960

and you saw it and then you've been

668

00:23:38,789 --> 00:23:37,360

we're encountering other things you did

669

00:23:42,149 --> 00:23:38,799

contact mufon

670

00:23:43,269 --> 00:23:42,159

in florida and they kind of rejected you

671

00:23:44,870 --> 00:23:43,279

didn't they

672

00:23:46,710 --> 00:23:44,880

yeah yeah they're like what do you want

673

00:23:48,470 --> 00:23:46,720

us to do about it i'm like absolutely

674

00:23:50,230 --> 00:23:48,480

don't you have somebody come out and

675

00:23:52,070 --> 00:23:50,240

investigate this stuff i said don't

676
00:23:53,750 --> 00:23:52,080
get any equipment or something like that

677
00:23:56,149 --> 00:23:53,760
he said let me show you something

678
00:23:57,830 --> 00:23:56,159
this is new fun the guy pulls out some

679
00:23:58,630 --> 00:23:57,840
paperwork and throws it down in front of

680
00:24:01,430 --> 00:23:58,640
me he said

681
00:24:02,710 --> 00:24:01,440
all we do is take reports that's are you

682
00:24:04,950 --> 00:24:02,720
kidding

683
00:24:06,549 --> 00:24:04,960
i said that's all we do we take reports

684
00:24:07,669 --> 00:24:06,559
it's all wasted my time with you guys

685
00:24:09,510 --> 00:24:07,679
then i talked to uh

686
00:24:10,789 --> 00:24:09,520
people that you know psychics and stuff

687
00:24:12,230 --> 00:24:10,799
like that and people that

688
00:24:14,149 --> 00:24:12,240

were supposed to investigate the stuff

689

00:24:16,549 --> 00:24:14,159

we couldn't get nobody come out

690

00:24:18,390 --> 00:24:16,559

and investigate it you know i was i was

691

00:24:21,909 --> 00:24:18,400

going to entertain them you know like

692

00:24:24,149 --> 00:24:21,919

like and uh you know shoot they would

693

00:24:24,950 --> 00:24:24,159

nobody would show up it was like a waste

694

00:24:27,750 --> 00:24:24,960

of the time i mean

695

00:24:28,549 --> 00:24:27,760

the story sounds fantastic i'm i'm i

696

00:24:30,549 --> 00:24:28,559

agree but

697

00:24:33,110 --> 00:24:30,559

maybe i was too honest to be out you

698

00:24:36,390 --> 00:24:33,120

know i should get some things to myself

699

00:24:37,190 --> 00:24:36,400

but uh i i know if somebody was telling

700

00:24:39,350 --> 00:24:37,200

me

701
00:24:41,590 --> 00:24:39,360
i was like i'll be like this guy's out

702
00:24:45,990 --> 00:24:41,600
there man i'm done yeah so

703
00:24:47,830 --> 00:24:46,000
but i know you know after a while

704
00:24:49,190 --> 00:24:47,840
you i had noticed that you had put the

705
00:24:52,390 --> 00:24:49,200
video up

706
00:24:55,990 --> 00:24:52,400
online and i noticed it

707
00:24:58,549 --> 00:24:56,000
and what happened was i contacted you

708
00:24:59,110 --> 00:24:58,559
i guess i called you i forget how we

709
00:25:01,830 --> 00:24:59,120
first

710
00:25:04,070 --> 00:25:01,840
yeah yeah you called me yeah and you

711
00:25:05,830 --> 00:25:04,080
told me what was going on

712
00:25:07,110 --> 00:25:05,840
and i'll be honest with you i didn't

713
00:25:10,549 --> 00:25:07,120

know what the hell the thing

714

00:25:12,070 --> 00:25:10,559

because uh you know we you and i i told

715

00:25:14,070 --> 00:25:12,080

you look day i want you to keep in

716

00:25:16,390 --> 00:25:14,080

contact with me

717

00:25:19,110 --> 00:25:16,400

keep updated what's going on so what we

718

00:25:22,149 --> 00:25:19,120

did we almost were talking every day

719

00:25:23,830 --> 00:25:22,159

and i mean hours at a time sometimes and

720

00:25:25,909 --> 00:25:23,840

um

721

00:25:27,750 --> 00:25:25,919

you know i wasn't really convinced of

722

00:25:30,789 --> 00:25:27,760

what was going on

723

00:25:32,470 --> 00:25:30,799

and in fact for about six months i

724

00:25:35,830 --> 00:25:32,480

thought maybe you had

725

00:25:38,390 --> 00:25:35,840

some type of uh spirits or entities

726

00:25:39,669 --> 00:25:38,400

because you had mentioned to me that you

727

00:25:42,549 --> 00:25:39,679

had found some

728

00:25:44,070 --> 00:25:42,559

traps or something up in the attic

729

00:25:46,149 --> 00:25:44,080

you're right

730

00:25:47,909 --> 00:25:46,159

just didn't look right you know so i

731

00:25:51,110 --> 00:25:47,919

thought maybe that's what's going

732

00:25:53,430 --> 00:25:51,120

but you convinced me eventually that

733

00:25:54,870 --> 00:25:53,440

yeah this wasn't these just weren't

734

00:25:58,070 --> 00:25:54,880

spirits

735

00:26:00,310 --> 00:25:58,080

and uh that's where we went and then you

736

00:26:04,149 --> 00:26:00,320

started finding

737

00:26:06,950 --> 00:26:04,159

uh getting more evidence

738

00:26:08,789 --> 00:26:06,960

let me answer me this this is one thing

739

00:26:09,750 --> 00:26:08,799

that i get question about more than

740

00:26:12,630 --> 00:26:09,760

anything

741

00:26:14,470 --> 00:26:12,640

and people kind of question me about it

742

00:26:15,510 --> 00:26:14,480

the way you take your video off a

743

00:26:18,390 --> 00:26:15,520

reflective

744

00:26:19,669 --> 00:26:18,400

surface explain to people why you do

745

00:26:24,470 --> 00:26:19,679

that

746

00:26:25,750 --> 00:26:24,480

i did i couldn't figure out why it was

747

00:26:28,390 --> 00:26:25,760

working in the beginning

748

00:26:30,070 --> 00:26:28,400

but uh you know yeah you have a little

749

00:26:31,510 --> 00:26:30,080

bit of science behind it which uh

750

00:26:34,950 --> 00:26:31,520

everything's scientific to me

751

00:26:37,430 --> 00:26:34,960

uh electrons they reflect uh

752

00:26:38,789 --> 00:26:37,440

like you the only reason why you we can

753

00:26:40,310 --> 00:26:38,799

see each other

754

00:26:41,909 --> 00:26:40,320

because there's electrons that's

755

00:26:44,950 --> 00:26:41,919

bouncing off of us

756

00:26:47,750 --> 00:26:44,960

and reproducing an image you know of us

757

00:26:49,029 --> 00:26:47,760

so we can you know see each other that's

758

00:26:52,230 --> 00:26:49,039

the only reason

759

00:26:53,269 --> 00:26:52,240

but uh and uh these guys know our blind

760

00:26:55,510 --> 00:26:53,279

spots

761

00:26:57,110 --> 00:26:55,520

and uh for victory review if you take

762

00:26:59,830 --> 00:26:57,120

your thumb

763

00:27:01,350 --> 00:26:59,840

and put it out at arm's length out and

764

00:27:04,950 --> 00:27:01,360

you look at your thumbnail

765

00:27:05,750 --> 00:27:04,960

that is about all you see your brain has

766

00:27:07,990 --> 00:27:05,760

to fill in

767

00:27:09,190 --> 00:27:08,000

all the rest of the blanking right there

768

00:27:11,190 --> 00:27:09,200

so that that goes with

769

00:27:12,630 --> 00:27:11,200

everybody i don't care what you think or

770

00:27:14,630 --> 00:27:12,640

whatever but that's your view

771

00:27:16,230 --> 00:27:14,640

that's your vision it's about the size

772

00:27:16,870 --> 00:27:16,240

of your thumbnail with your arm all the

773

00:27:18,230 --> 00:27:16,880

way out

774

00:27:20,470 --> 00:27:18,240

and your brain is putting everything

775

00:27:22,950 --> 00:27:20,480

together even if it's gotta lie to you

776

00:27:23,590 --> 00:27:22,960

it's gonna put a picture up for you so

777

00:27:25,669 --> 00:27:23,600

but uh

778

00:27:27,430 --> 00:27:25,679

that's our blind spot and these guys can

779

00:27:27,990 --> 00:27:27,440

do anything they want in our particular

780

00:27:31,909 --> 00:27:28,000

view

781

00:27:33,909 --> 00:27:31,919

and uh so so by using

782

00:27:35,909 --> 00:27:33,919

you know armed that knowledge there and

783

00:27:36,389 --> 00:27:35,919

uh you see i have a reflection and you

784

00:27:38,789 --> 00:27:36,399

can

785

00:27:40,470 --> 00:27:38,799

see because it's slowing down the speed

786

00:27:41,750 --> 00:27:40,480

of that electron that's producing an

787

00:27:44,870 --> 00:27:41,760

image of you

788

00:27:48,389 --> 00:27:44,880

uh looking at it it uh produces a

789

00:27:51,750 --> 00:27:48,399

a picture so a concaved or or curved

790

00:27:55,190 --> 00:27:51,760

uh reflective surface it uh

791

00:27:57,029 --> 00:27:55,200

it it captures it and puts it uh uh

792

00:27:58,310 --> 00:27:57,039

an image out so but it looks like

793

00:28:00,389 --> 00:27:58,320

cartoonish

794

00:28:01,350 --> 00:28:00,399

a little bit aluminum aluminum works

795

00:28:03,510 --> 00:28:01,360

pretty good too

796

00:28:04,549 --> 00:28:03,520

of why i don't know why aluminum works

797

00:28:06,630 --> 00:28:04,559

really good but

798

00:28:08,149 --> 00:28:06,640

it's standing as reflective as uh

799

00:28:11,029 --> 00:28:08,159

stainless steel

800

00:28:13,350 --> 00:28:11,039

but but that's nasty's using it to look

801
00:28:14,950 --> 00:28:13,360
at distant stars so if you accept that

802
00:28:17,430 --> 00:28:14,960
the pictures that you look at from the

803
00:28:20,389 --> 00:28:17,440
planets or other stars through nasa

804
00:28:20,950 --> 00:28:20,399
you can accept my pictures because uh

805
00:28:26,230 --> 00:28:20,960
they know

806
00:28:28,630 --> 00:28:26,240
more about our psychology and everything

807
00:28:31,909 --> 00:28:28,640
else on top of that

808
00:28:33,990 --> 00:28:31,919
you know uh you got a paradonia

809
00:28:36,230 --> 00:28:34,000
which uh your brain produces a picture

810
00:28:37,110 --> 00:28:36,240
of of faces and hands and everything

811
00:28:39,669 --> 00:28:37,120
like that they see

812
00:28:40,230 --> 00:28:39,679
faces that's what it's good to do it's

813
00:28:43,029 --> 00:28:40,240

uh

814

00:28:43,350 --> 00:28:43,039

it's designed to pick out people's faces

815

00:28:45,590 --> 00:28:43,360

but

816

00:28:46,470 --> 00:28:45,600

now they're using uh squares and

817

00:28:49,110 --> 00:28:46,480

everything else what

818

00:28:50,070 --> 00:28:49,120

because they wear masks and uh you'll

819

00:28:51,830 --> 00:28:50,080

overlook them

820

00:28:53,350 --> 00:28:51,840

as well if you see squares you know

821

00:28:54,070 --> 00:28:53,360

instead of where the eyes are you look

822

00:28:55,590 --> 00:28:54,080

you'll go off

823

00:28:57,430 --> 00:28:55,600

right over it and you won't even know

824

00:28:58,230 --> 00:28:57,440

that it's there because your brain's

825

00:29:00,630 --> 00:28:58,240

looking for

826

00:29:02,549 --> 00:29:00,640

round figures for your face and they'll

827

00:29:04,310 --> 00:29:02,559

put a mask up that it'll be

828

00:29:06,630 --> 00:29:04,320

blocks or squares and everything else

829

00:29:07,590 --> 00:29:06,640

like that so you'll gloss right over you

830

00:29:09,190 --> 00:29:07,600

want to see them

831

00:29:11,110 --> 00:29:09,200

you could have one standing right next

832

00:29:13,269 --> 00:29:11,120

to it you won't even see the guy

833

00:29:15,110 --> 00:29:13,279

but uh so if they know that information

834

00:29:16,149 --> 00:29:15,120

they've been around for a long time i

835

00:29:17,990 --> 00:29:16,159

mean

836

00:29:19,750 --> 00:29:18,000

this is uh what they've been dig enough

837

00:29:21,350 --> 00:29:19,760

to find out where our blind spots are

838

00:29:22,630 --> 00:29:21,360

where our weaknesses are and everything

839

00:29:24,789 --> 00:29:22,640

so they've been

840

00:29:25,669 --> 00:29:24,799

they've been here messing with humankind

841

00:29:27,190 --> 00:29:25,679

for a while

842

00:29:28,870 --> 00:29:27,200

because they know a bunch of uh

843

00:29:32,070 --> 00:29:28,880

psychology information

844

00:29:35,190 --> 00:29:32,080

how the brain works the human brain

845

00:29:37,269 --> 00:29:35,200

so uh well

846

00:29:39,110 --> 00:29:37,279

i'm gonna say right off the bat this

847

00:29:39,990 --> 00:29:39,120

this one hour interview we're gonna

848

00:29:42,070 --> 00:29:40,000

definitely be doing

849

00:29:43,510 --> 00:29:42,080

some a series on this because there's

850

00:29:47,750 --> 00:29:43,520

just so much

851
00:29:50,389 --> 00:29:47,760
to talk oh yeah uh get down

852
00:29:51,510 --> 00:29:50,399
go ahead if you get down to the nuts and

853
00:29:54,070 --> 00:29:51,520
bolts of everything

854
00:29:55,750 --> 00:29:54,080
it's going yeah it's going to a series

855
00:29:57,510 --> 00:29:55,760
it would have to be a series because he

856
00:29:58,149 --> 00:29:57,520
will never be able to talk about it in

857
00:30:00,789 --> 00:29:58,159
one hour

858
00:30:02,230 --> 00:30:00,799
or even in a week if you really want to

859
00:30:04,230 --> 00:30:02,240
get down to the nuts and bolts of

860
00:30:06,149 --> 00:30:04,240
everything else we can't cover a decade

861
00:30:09,510 --> 00:30:06,159
in one hour

862
00:30:13,190 --> 00:30:09,520
that's that's right jump to the

863
00:30:16,310 --> 00:30:13,200

um let's jump to the the first abduction

864

00:30:20,310 --> 00:30:16,320

uh what happened and what these

865

00:30:23,430 --> 00:30:20,320

entities looked like and what they did

866

00:30:26,789 --> 00:30:23,440

okay yeah and that's how we resolve

867

00:30:28,630 --> 00:30:26,799

don't be afraid to to if it gets graphic

868

00:30:29,830 --> 00:30:28,640

don't be afraid to tell us because i've

869

00:30:33,430 --> 00:30:29,840

already told people

870

00:30:36,630 --> 00:30:33,440

this could get somewhat graphic right

871

00:30:38,870 --> 00:30:36,640

well i remember um matter of fact that i

872

00:30:40,149 --> 00:30:38,880

sent you an audio what we was hearing

873

00:30:43,350 --> 00:30:40,159

that you hear the growling

874

00:30:45,510 --> 00:30:43,360

and everything else like that and uh

875

00:30:46,950 --> 00:30:45,520

it was right around the same time that

876

00:30:47,990 --> 00:30:46,960

this happened and uh

877

00:30:50,470 --> 00:30:48,000

that's like it was probably around the

878

00:30:52,149 --> 00:30:50,480

same time as the entity that was

879

00:30:54,310 --> 00:30:52,159

floating up in the air that was on facts

880

00:30:55,990 --> 00:30:54,320

of faith as well but i couldn't find out

881

00:30:57,669 --> 00:30:56,000

i dissected that video

882

00:30:59,110 --> 00:30:57,679

it's not floating in the air it's

883

00:31:01,909 --> 00:30:59,120

standing there uh

884

00:31:03,350 --> 00:31:01,919

it really is and it's a female entity on

885

00:31:06,470 --> 00:31:03,360

top of that

886

00:31:08,070 --> 00:31:06,480

but uh anyways me and my wife laying in

887

00:31:09,110 --> 00:31:08,080

bed and we we gotta go through this

888

00:31:10,870 --> 00:31:09,120

stuff every night

889

00:31:12,230 --> 00:31:10,880

all the noises and everything else and

890

00:31:15,509 --> 00:31:12,240

the growling and

891

00:31:16,870 --> 00:31:15,519

and uh and i i kind of uh asked these

892

00:31:19,190 --> 00:31:16,880

guys that there was

893

00:31:20,950 --> 00:31:19,200

good or bad you know some of the first

894

00:31:24,950 --> 00:31:20,960

questions you asked you know

895

00:31:26,710 --> 00:31:24,960

to give us some kind of sign well from

896

00:31:28,149 --> 00:31:26,720

from about three seconds right after i

897

00:31:32,070 --> 00:31:28,159

asked that

898

00:31:34,789 --> 00:31:32,080

uh we got this humming numbing

899

00:31:35,269 --> 00:31:34,799

uh vibration feeling and started at her

900

00:31:37,350 --> 00:31:35,279

toes

901
00:31:38,630 --> 00:31:37,360
and and uh it's like i i didn't know

902
00:31:39,590 --> 00:31:38,640
what's happening to her i knew it was

903
00:31:41,509 --> 00:31:39,600
happening to me at that

904
00:31:42,789 --> 00:31:41,519
time like and it started moving up

905
00:31:44,950 --> 00:31:42,799
through our legs and

906
00:31:46,470 --> 00:31:44,960
and torsos down like oh my god i'm

907
00:31:48,389 --> 00:31:46,480
feeling something that's yeah me too

908
00:31:49,590 --> 00:31:48,399
he's like what is that and uh

909
00:31:51,190 --> 00:31:49,600
you know outside and started moving up

910
00:31:52,149 --> 00:31:51,200
through our arms and head all the way to

911
00:31:55,110 --> 00:31:52,159
the head

912
00:31:55,669 --> 00:31:55,120
and uh and but it felt good at the same

913
00:31:59,029 --> 00:31:55,679

time

914

00:31:59,990 --> 00:31:59,039

and i think i think that they were using

915

00:32:02,950 --> 00:32:00,000

the uh

916

00:32:03,750 --> 00:32:02,960

the neo gland for like near-death

917

00:32:06,070 --> 00:32:03,760

experience so

918

00:32:07,590 --> 00:32:06,080

you just kind of let go you know they're

919

00:32:10,389 --> 00:32:07,600

using your own body

920

00:32:12,070 --> 00:32:10,399

to drug you out so they can come in and

921

00:32:15,909 --> 00:32:12,080

do whatever they're gonna do

922

00:32:16,870 --> 00:32:15,919

and uh and so and then as soon as that

923

00:32:19,509 --> 00:32:16,880

happened but now

924

00:32:21,830 --> 00:32:19,519

they come on in and big numbers and they

925

00:32:23,509 --> 00:32:21,840

they brought some pretty big guys in

926
00:32:25,430 --> 00:32:23,519
and they picked me up out of the bed up

927
00:32:28,230 --> 00:32:25,440
underneath the armpits can you describe

928
00:32:30,470 --> 00:32:28,240
what they look like

929
00:32:31,590 --> 00:32:30,480
at that time there was still uh uh

930
00:32:34,630 --> 00:32:31,600
invisible

931
00:32:37,190 --> 00:32:34,640
uh you could see the like the predator

932
00:32:37,669 --> 00:32:37,200
uh type uh yeah the glass scene like

933
00:32:42,470 --> 00:32:37,679
yeah

934
00:32:42,789 --> 00:32:42,480
in that position but you could see them

935
00:32:46,389 --> 00:32:42,799
in

936
00:32:47,029 --> 00:32:46,399
you know and you can still see the the

937
00:32:49,990 --> 00:32:47,039
shapes of

938
00:32:52,389 --> 00:32:50,000

what was going on but these guys were

939

00:32:54,389 --> 00:32:52,399

pretty awesome size of reptilian uh

940

00:32:56,149 --> 00:32:54,399

they ended up being reptilian and uh

941

00:32:58,230 --> 00:32:56,159

they picked me up out of the bed

942

00:33:00,230 --> 00:32:58,240

up underneath the armpits and i'm like

943

00:33:01,669 --> 00:33:00,240

me my wife is still talking back and

944

00:33:01,909 --> 00:33:01,679

forth to each other while this is going

945

00:33:04,789 --> 00:33:01,919

on

946

00:33:06,710 --> 00:33:04,799

and i'm trying to stay awake i feel like

947

00:33:07,590 --> 00:33:06,720

i'm gonna fall asleep at any exactly you

948

00:33:09,110 --> 00:33:07,600

know like

949

00:33:11,190 --> 00:33:09,120

i could talk to my teeth you know i was

950

00:33:12,630 --> 00:33:11,200

like oh my god you didn't feel that you

951
00:33:14,230 --> 00:33:12,640
know i was like yeah that's for that and

952
00:33:17,269 --> 00:33:14,240
then uh

953
00:33:20,549 --> 00:33:17,279
carrying us towards the tv set and

954
00:33:23,430 --> 00:33:20,559
we walked right through a portal and uh

955
00:33:25,269 --> 00:33:23,440
and it was like pitch black when one

956
00:33:27,909 --> 00:33:25,279
inside you couldn't tell what was up

957
00:33:28,630 --> 00:33:27,919
or down i mean it was like this fish

958
00:33:30,310 --> 00:33:28,640
black and

959
00:33:32,149 --> 00:33:30,320
we was going through there with armed

960
00:33:33,590 --> 00:33:32,159
guards as well there was three of them

961
00:33:35,110 --> 00:33:33,600
on each side of us

962
00:33:37,430 --> 00:33:35,120
and it was like a whole bunch of them

963
00:33:39,110 --> 00:33:37,440

and they were surrounded everybody

964

00:33:40,870 --> 00:33:39,120

the armed guards as we was moving

965

00:33:42,789 --> 00:33:40,880

through this uh portal

966

00:33:43,990 --> 00:33:42,799

and then uh up ahead in the distance i'm

967

00:33:46,630 --> 00:33:44,000

looking up

968

00:33:48,230 --> 00:33:46,640

and i see like a doorway it looked like

969

00:33:50,310 --> 00:33:48,240

a door with light coming through it

970

00:33:52,230 --> 00:33:50,320

and uh these guys seem to be pretty

971

00:33:52,870 --> 00:33:52,240

paranoid going through this place as

972

00:33:56,310 --> 00:33:52,880

well

973

00:33:56,789 --> 00:33:56,320

so there's a realm between uh each realm

974

00:33:59,509 --> 00:33:56,799

i guess

975

00:34:01,190 --> 00:33:59,519

i don't know buffer zone or whatever and

976
00:34:02,950 --> 00:34:01,200
there's something going on in there that

977
00:34:07,029 --> 00:34:02,960
these guys are even scared of

978
00:34:09,109 --> 00:34:07,039
uh so every screw travel through there

979
00:34:10,069 --> 00:34:09,119
we uh came out into this opening it was

980
00:34:13,750 --> 00:34:10,079
like daylight

981
00:34:15,829 --> 00:34:13,760
and it was like a airplane hangar field

982
00:34:17,589 --> 00:34:15,839
i could see like like a half moon

983
00:34:18,710 --> 00:34:17,599
building you know like we would have for

984
00:34:21,349 --> 00:34:18,720
an airplane

985
00:34:22,629 --> 00:34:21,359
and then uh you see all the concrete and

986
00:34:24,470 --> 00:34:22,639
everything there was some cubicles

987
00:34:26,710 --> 00:34:24,480
sitting off to the side

988
00:34:28,790 --> 00:34:26,720

and uh they walked us all the way up to

989

00:34:29,829 --> 00:34:28,800

that i remembered it was bright too man

990

00:34:32,310 --> 00:34:29,839

it was bright

991

00:34:33,430 --> 00:34:32,320

we walked inside this cubicle look up

992

00:34:35,669 --> 00:34:33,440

underneath my armpits

993

00:34:37,990 --> 00:34:35,679

out in front of this guy and uh we

994

00:34:38,470 --> 00:34:38,000

walked by this uh reptilian doctor i

995

00:34:40,790 --> 00:34:38,480

could see

996

00:34:42,550 --> 00:34:40,800

him now he was wearing blue scrubs you

997

00:34:44,869 --> 00:34:42,560

can see his eyes you know i knew he was

998

00:34:47,829 --> 00:34:44,879

reptilian because you can see the

999

00:34:49,430 --> 00:34:47,839

the bumpity part or scaly part of his

1000

00:34:50,470 --> 00:34:49,440

skin where his eyes wasn't covered up

1001
00:34:53,750 --> 00:34:50,480
but he had

1002
00:34:56,470 --> 00:34:53,760
like a cover over his mouth like so

1003
00:34:57,589 --> 00:34:56,480
sanitary reasons and this battery that

1004
00:35:00,310 --> 00:34:57,599
folded out of the wall

1005
00:35:01,670 --> 00:35:00,320
the walls were like padded and there was

1006
00:35:03,670 --> 00:35:01,680
a oval window

1007
00:35:05,349 --> 00:35:03,680
i could see light coming in and they

1008
00:35:05,910 --> 00:35:05,359
walked me right i'm passed to the first

1009
00:35:09,589 --> 00:35:05,920
doctor

1010
00:35:12,230 --> 00:35:09,599
and went into uh another room and uh

1011
00:35:13,589 --> 00:35:12,240
there was like a another bed that folded

1012
00:35:14,710 --> 00:35:13,599
out of the ball this opposite of the

1013
00:35:17,030 --> 00:35:14,720

other one that

1014

00:35:19,030 --> 00:35:17,040

i came out of the room and it was doctor

1015

00:35:22,069 --> 00:35:19,040

they laid me down on the table

1016

00:35:23,430 --> 00:35:22,079

it was stainless steel they swung over

1017

00:35:25,750 --> 00:35:23,440

the light over my eyes

1018

00:35:27,589 --> 00:35:25,760

and uh i could hear them talking and

1019

00:35:30,310 --> 00:35:27,599

doing things and then i was

1020

00:35:31,829 --> 00:35:30,320

gone and out and then the funny thing is

1021

00:35:33,589 --> 00:35:31,839

is that the next morning

1022

00:35:35,589 --> 00:35:33,599

we woke up we didn't even say anything

1023

00:35:36,870 --> 00:35:35,599

to each other we just you know routine

1024

00:35:38,550 --> 00:35:36,880

we were getting dressed and everything

1025

00:35:40,470 --> 00:35:38,560

and get all the work and

1026

00:35:41,829 --> 00:35:40,480

it was real quiet morning and i was

1027

00:35:43,990 --> 00:35:41,839

driving to work and

1028

00:35:45,510 --> 00:35:44,000

got halfway there and it's like wow that

1029

00:35:47,030 --> 00:35:45,520

happened last night

1030

00:35:48,870 --> 00:35:47,040

what the heck we didn't talk about it so

1031

00:35:50,230 --> 00:35:48,880

i called up my wife and i said that

1032

00:35:52,069 --> 00:35:50,240

happened she goes yeah that

1033

00:35:53,589 --> 00:35:52,079

that did happen you know i was like i

1034

00:35:54,470 --> 00:35:53,599

was blown away that we didn't even talk

1035

00:35:57,510 --> 00:35:54,480

about it

1036

00:35:59,270 --> 00:35:57,520

and then uh and and then i had to

1037

00:36:00,790 --> 00:35:59,280

go to work and i couldn't concentrate

1038

00:36:02,470 --> 00:36:00,800

all day work and i was like i just

1039

00:36:04,310 --> 00:36:02,480

couldn't wait to get home and i got home

1040

00:36:06,870 --> 00:36:04,320

and we talked about it

1041

00:36:07,589 --> 00:36:06,880

and uh she remembers everything i did

1042

00:36:09,589 --> 00:36:07,599

but she was

1043

00:36:11,190 --> 00:36:09,599

out she didn't remember coming out

1044

00:36:12,710 --> 00:36:11,200

towards the airplane field she didn't

1045

00:36:14,470 --> 00:36:12,720

make it through the

1046

00:36:15,990 --> 00:36:14,480

staying awake because you had to fight

1047

00:36:17,349 --> 00:36:16,000

the side of your cheeks you had to do

1048

00:36:19,270 --> 00:36:17,359

everything you can try to stay awake

1049

00:36:22,950 --> 00:36:19,280

because these guys are good at it

1050

00:36:24,390 --> 00:36:22,960

but uh uh but that's

1051
00:36:25,990 --> 00:36:24,400
she remembered all the way to that point

1052
00:36:27,670 --> 00:36:26,000
that she doesn't remember so

1053
00:36:29,270 --> 00:36:27,680
she don't remember seeing no doctor or

1054
00:36:30,870 --> 00:36:29,280
anything of what they did to her

1055
00:36:32,310 --> 00:36:30,880
i don't remember anything about that i

1056
00:36:33,030 --> 00:36:32,320
just remember waking up going to work

1057
00:36:36,230 --> 00:36:33,040
the next day

1058
00:36:39,510 --> 00:36:36,240
and uh but two stories

1059
00:36:40,950 --> 00:36:39,520
that was uh the very first heavy duty uh

1060
00:36:43,349 --> 00:36:40,960
abduction experience that i could

1061
00:36:46,150 --> 00:36:43,359
remember and uh

1062
00:36:47,990 --> 00:36:46,160
so that was that was uh yeah of course

1063
00:36:50,550 --> 00:36:48,000

they had the grades but them too

1064

00:36:52,310 --> 00:36:50,560

and uh and some other entities i guess

1065

00:36:54,550 --> 00:36:52,320

uh is this i was just

1066

00:36:55,829 --> 00:36:54,560

in a world of wall as it was happening

1067

00:36:56,150 --> 00:36:55,839

so you don't catch everything you just

1068

00:37:00,310 --> 00:36:56,160

know

1069

00:37:03,030 --> 00:37:00,320

being manhandled

1070

00:37:04,230 --> 00:37:03,040

but yeah people was like oh can't you

1071

00:37:05,829 --> 00:37:04,240

get any dna

1072

00:37:07,430 --> 00:37:05,839

or can't you do you know get some kind

1073

00:37:09,589 --> 00:37:07,440

of evidence it's like let me tell you

1074

00:37:13,910 --> 00:37:09,599

what let me get you a syringe and you go

1075

00:37:17,190 --> 00:37:15,670

i am not going to do nothing like that

1076

00:37:18,310 --> 00:37:17,200

because they outnumber me and they got

1077

00:37:22,310 --> 00:37:18,320

the best toys

1078

00:37:23,430 --> 00:37:22,320

so yeah so how many of them how many of

1079

00:37:26,630 --> 00:37:23,440

these ripped to you

1080

00:37:30,069 --> 00:37:26,640

and kind of describe the reptilians uh

1081

00:37:32,950 --> 00:37:30,079

okay but overall what they looked like

1082

00:37:33,349 --> 00:37:32,960

okay yeah that's uh they got we've got

1083

00:37:35,750 --> 00:37:33,359

the

1084

00:37:36,950 --> 00:37:35,760

like uh silverback ape looking

1085

00:37:38,710 --> 00:37:36,960

reptilians they got

1086

00:37:40,230 --> 00:37:38,720

they got long arms they're they're

1087

00:37:42,310 --> 00:37:40,240

really beefy uh

1088

00:37:43,670 --> 00:37:42,320

upper apart and they've got like a

1089

00:37:45,670 --> 00:37:43,680

shorter legs and

1090

00:37:47,589 --> 00:37:45,680

you remind me of a silver backape uh

1091

00:37:51,109 --> 00:37:47,599

that they'll just like them

1092

00:37:54,630 --> 00:37:51,119

and uh they're like a like a bumpy type

1093

00:37:58,069 --> 00:37:54,640

toad skin you know and uh and they

1094

00:37:59,510 --> 00:37:58,079

they do eat uh raw rotten fish as they

1095

00:38:02,390 --> 00:37:59,520

do that and then uh

1096

00:38:02,950 --> 00:38:02,400

uh you get the reptilians that look like

1097

00:38:05,349 --> 00:38:02,960

you know

1098

00:38:06,870 --> 00:38:05,359

they're more like slender like this and

1099

00:38:08,950 --> 00:38:06,880

uh thinner

1100

00:38:10,790 --> 00:38:08,960

uh they got scales in their skin that

1101

00:38:13,430 --> 00:38:10,800

people report seeing

1102

00:38:14,069 --> 00:38:13,440

often uh they they got a lot of good

1103

00:38:16,710 --> 00:38:14,079

toys and

1104

00:38:17,589 --> 00:38:16,720

and you know then you got these like

1105

00:38:20,630 --> 00:38:17,599

draco

1106

00:38:21,910 --> 00:38:20,640

looking reptilians as well but i don't

1107

00:38:24,870 --> 00:38:21,920

see too many draco

1108

00:38:26,630 --> 00:38:24,880

like reptilians uh i just see a lot of

1109

00:38:30,150 --> 00:38:26,640

these uh like renegade

1110

00:38:33,349 --> 00:38:30,160

uh type silverback looking reptilians

1111

00:38:35,430 --> 00:38:33,359

but uh i've been abducted by by the

1112

00:38:38,470 --> 00:38:35,440

scaly kind of looking reptilians

1113

00:38:41,829 --> 00:38:38,480

they look they look like uh us

1114

00:38:44,230 --> 00:38:41,839

but they they're uh like scaly

1115

00:38:46,069 --> 00:38:44,240

i guess uh they can picture a human like

1116

00:38:47,829 --> 00:38:46,079

that in the face kind of protrudes out

1117

00:38:51,349 --> 00:38:47,839

where their mouth is

1118

00:38:53,270 --> 00:38:51,359

i've gotten some photos of them uh

1119

00:38:55,109 --> 00:38:53,280

but you know they're kind of grainy and

1120

00:38:56,550 --> 00:38:55,119

it's hard to catch they do not want to

1121

00:38:58,230 --> 00:38:56,560

be caught on video

1122

00:39:00,150 --> 00:38:58,240

or film or anything like that they act

1123

00:39:03,349 --> 00:39:00,160

like they get in trouble for it and

1124

00:39:05,990 --> 00:39:03,359

uh and and so

1125

00:39:08,230 --> 00:39:06,000

it's hard to get them on video or even a

1126

00:39:08,790 --> 00:39:08,240

picture of them a good clear picture of

1127

00:39:11,030 --> 00:39:08,800

them

1128

00:39:12,950 --> 00:39:11,040

i catch you know half of the face or

1129

00:39:15,829 --> 00:39:12,960

anything like that on video but

1130

00:39:17,270 --> 00:39:15,839

uh it did and they get the really short

1131

00:39:18,790 --> 00:39:17,280

looking kind of reptilian just like a

1132

00:39:19,990 --> 00:39:18,800

workers species they might have been

1133

00:39:22,390 --> 00:39:20,000

genetically engineered

1134

00:39:24,310 --> 00:39:22,400

because really don't see them doing too

1135

00:39:27,430 --> 00:39:24,320

much of anything but like being

1136

00:39:29,910 --> 00:39:27,440

like slave labor for these guys

1137

00:39:31,910 --> 00:39:29,920

speaking of that i mean i i remember

1138

00:39:34,550 --> 00:39:31,920

when you told me about that

1139

00:39:35,990 --> 00:39:34,560

uh now i know they had abducted you

1140

00:39:38,230 --> 00:39:36,000

several times

1141

00:39:40,829 --> 00:39:38,240

and in some occasions almost like they

1142

00:39:43,750 --> 00:39:40,839

were taking you on a tour

1143

00:39:45,190 --> 00:39:43,760

yeah and can you kind of just can you

1144

00:39:48,790 --> 00:39:45,200

describe

1145

00:39:51,190 --> 00:39:48,800

what you saw in the cavern uh

1146

00:39:53,670 --> 00:39:51,200

where they used the slave labor and what

1147

00:39:56,470 --> 00:39:53,680

kind of beings were there

1148

00:39:57,030 --> 00:39:56,480

okay yeah there was a there's like a

1149

00:39:59,589 --> 00:39:57,040

like a

1150

00:40:00,230 --> 00:39:59,599

town or somewhere anything these were

1151
00:40:03,990 --> 00:40:00,240
massive

1152
00:40:05,990 --> 00:40:04,000
towing systems that i was in uh you know

1153
00:40:07,750 --> 00:40:06,000
they would uh when they were the ducks

1154
00:40:09,990 --> 00:40:07,760
uh sometimes they would wrap

1155
00:40:11,510 --> 00:40:10,000
me up and my wife and this like yellow

1156
00:40:14,950 --> 00:40:11,520
looking cellophane like is

1157
00:40:16,790 --> 00:40:14,960
maybe some kind of sanitary thing but uh

1158
00:40:17,990 --> 00:40:16,800
i remember them uh took me out of the

1159
00:40:19,990 --> 00:40:18,000
house and get to our

1160
00:40:21,510 --> 00:40:20,000
our spot before they would uh you know

1161
00:40:23,589 --> 00:40:21,520
unwrap us and

1162
00:40:25,109 --> 00:40:23,599
and uh and i would always sit there and

1163
00:40:26,790 --> 00:40:25,119

try to observe what was going on i

1164

00:40:28,950 --> 00:40:26,800

didn't want to really think i was awake

1165

00:40:31,910 --> 00:40:28,960

and alert at that time

1166

00:40:32,309 --> 00:40:31,920

and uh and so uh they would throw us

1167

00:40:33,910 --> 00:40:32,319

around

1168

00:40:35,190 --> 00:40:33,920

or they would walk us through because

1169

00:40:36,230 --> 00:40:35,200

i've seen a lot of humans down there it

1170

00:40:39,270 --> 00:40:36,240

was like an incumbent

1171

00:40:39,750 --> 00:40:39,280

state but these caverns were were huge i

1172

00:40:43,190 --> 00:40:39,760

mean they

1173

00:40:44,790 --> 00:40:43,200

just i just unbelievably these

1174

00:40:46,390 --> 00:40:44,800

some of them would look like part of the

1175

00:40:49,190 --> 00:40:46,400

grand canyon

1176

00:40:51,030 --> 00:40:49,200

but just tunneled out that like the

1177

00:40:52,150 --> 00:40:51,040

grand canyon had a lid on it i mean

1178

00:40:54,150 --> 00:40:52,160

someone was smooth

1179

00:40:55,589 --> 00:40:54,160

like that and they had like towns and

1180

00:40:58,230 --> 00:40:55,599

unfinished uh tunneling

1181

00:40:59,349 --> 00:40:58,240

sections and they had trains down there

1182

00:41:03,829 --> 00:40:59,359

uh

1183

00:41:05,990 --> 00:41:03,839

rock on the side

1184

00:41:07,190 --> 00:41:06,000

they had like stores and stuff like that

1185

00:41:07,750 --> 00:41:07,200

and they're getting around with their

1186

00:41:09,510 --> 00:41:07,760

kids and

1187

00:41:11,750 --> 00:41:09,520

and living down there and everything

1188

00:41:14,150 --> 00:41:11,760

else and uh i remember they

1189

00:41:15,990 --> 00:41:14,160

came up to me and i was in this uh this

1190

00:41:17,589 --> 00:41:16,000

like bubble looking thing

1191

00:41:19,990 --> 00:41:17,599

and they was all staring at me i was

1192

00:41:22,069 --> 00:41:20,000

like god i feel like a zoo animal

1193

00:41:23,270 --> 00:41:22,079

i didn't even handle damn clothes on it

1194

00:41:26,870 --> 00:41:23,280

was like

1195

00:41:29,510 --> 00:41:26,880

it's like so uh i know

1196

00:41:30,069 --> 00:41:29,520

see and then they think of me towards

1197

00:41:32,390 --> 00:41:30,079

these

1198

00:41:34,390 --> 00:41:32,400

places uh walking down through there is

1199

00:41:36,630 --> 00:41:34,400

uh some like uh look at

1200

00:41:37,990 --> 00:41:36,640

like an archaeological dig and stuff and

1201

00:41:39,349 --> 00:41:38,000

they had like a central building that

1202

00:41:40,950 --> 00:41:39,359

was controlling everything and the

1203

00:41:43,670 --> 00:41:40,960

lights that they had down there

1204

00:41:44,950 --> 00:41:43,680

it's like they were carefully removing

1205

00:41:48,309 --> 00:41:44,960

and looking for stuff

1206

00:41:49,829 --> 00:41:48,319

like the archaeological digs and uh some

1207

00:41:52,390 --> 00:41:49,839

places up underneath the

1208

00:41:53,030 --> 00:41:52,400

water was uh pretty interesting too but

1209

00:41:55,270 --> 00:41:53,040

it was like

1210

00:41:57,030 --> 00:41:55,280

really wet down and dripping and they

1211

00:41:59,910 --> 00:41:57,040

had pumps running and uh

1212

00:42:00,309 --> 00:41:59,920

and the water was like a domed over us i

1213

00:42:03,270 --> 00:42:00,319

don't

1214

00:42:04,950 --> 00:42:03,280

see like maybe uh maybe it was a force

1215

00:42:07,190 --> 00:42:04,960

field holding back the water they could

1216

00:42:09,430 --> 00:42:07,200

control it or whatever but

1217

00:42:11,030 --> 00:42:09,440

uh there was like some ancient ruins

1218

00:42:14,950 --> 00:42:11,040

down there that they was going through

1219

00:42:16,069 --> 00:42:14,960

too so yeah i had no yeah i do not and

1220

00:42:17,750 --> 00:42:16,079

know exactly i'm

1221

00:42:19,829 --> 00:42:17,760

i remember i was in an area where they

1222

00:42:20,309 --> 00:42:19,839

had all this piping and pumps running

1223

00:42:23,829 --> 00:42:20,319

and

1224

00:42:26,230 --> 00:42:23,839

human little girl down there

1225

00:42:29,109 --> 00:42:26,240

and she was running around she was all

1226

00:42:31,910 --> 00:42:29,119

nasty and dirty and stuff

1227

00:42:32,710 --> 00:42:31,920

and i was trying to catch up with her

1228

00:42:36,870 --> 00:42:32,720

but

1229

00:42:40,150 --> 00:42:36,880

they brought me in some rooms and

1230

00:42:42,550 --> 00:42:40,160

and you know debrief me on some

1231

00:42:44,390 --> 00:42:42,560

kind of stuff like that and i don't know

1232

00:42:47,030 --> 00:42:44,400

exactly what my involvement was

1233

00:42:48,470 --> 00:42:47,040

for that but yeah i was i was trying to

1234

00:42:49,910 --> 00:42:48,480

figure out why they were showing me this

1235

00:42:51,190 --> 00:42:49,920

stuff it was like it was

1236

00:42:53,829 --> 00:42:51,200

they don't really talk to you unless

1237

00:42:54,710 --> 00:42:53,839

they find it absolutely necessary and i

1238

00:42:57,990 --> 00:42:54,720

try to

1239

00:43:00,390 --> 00:42:58,000

communicate with you right yes yeah

1240

00:43:01,109 --> 00:43:00,400

they do they uh they communicate with me

1241

00:43:03,349 --> 00:43:01,119

but

1242

00:43:05,589 --> 00:43:03,359

it's not it seems like they just give me

1243

00:43:07,829 --> 00:43:05,599

bits and pieces of information

1244

00:43:09,670 --> 00:43:07,839

and uh i get information from them just

1245

00:43:11,430 --> 00:43:09,680

over listening to them talk and yeah

1246

00:43:13,430 --> 00:43:11,440

they do what they can't understand what

1247

00:43:16,790 --> 00:43:13,440

they say

1248

00:43:19,829 --> 00:43:16,800

uh sometimes i can't it all depends uh

1249

00:43:22,710 --> 00:43:19,839

but they do speak english yeah they do

1250

00:43:24,550 --> 00:43:22,720

they do speak english and uh i've heard

1251
00:43:26,630 --> 00:43:24,560
you know it's like people over in france

1252
00:43:29,030 --> 00:43:26,640
and that's been abducted they speak in

1253
00:43:29,670 --> 00:43:29,040
the french language too it's like i

1254
00:43:34,390 --> 00:43:29,680
don't

1255
00:43:36,630 --> 00:43:34,400
and they're speaking to each other in

1256
00:43:37,910 --> 00:43:36,640
english so it's like maybe the language

1257
00:43:39,750 --> 00:43:37,920
of the birds you know maybe it's a

1258
00:43:43,430 --> 00:43:39,760
universal language

1259
00:43:44,710 --> 00:43:43,440
but uh you know this these caverns do

1260
00:43:48,069 --> 00:43:44,720
you believe these are

1261
00:43:49,430 --> 00:43:48,079
underground on earth i would i would

1262
00:43:53,430 --> 00:43:49,440
think so but you know

1263
00:43:54,150 --> 00:43:53,440

you know stargate portal is yeah i'm

1264

00:43:58,150 --> 00:43:54,160

believing that

1265

00:44:00,950 --> 00:43:58,160

it is but i you know i cannot tell you

1266

00:44:02,550 --> 00:44:00,960

for sure how it could be on mars but the

1267

00:44:05,990 --> 00:44:02,560

gravity felt like it does here

1268

00:44:07,990 --> 00:44:06,000

uh you know i've been underground stuff

1269

00:44:09,990 --> 00:44:08,000

like that you know when i was a kid

1270

00:44:11,829 --> 00:44:10,000

uh you know you smell the dampness so

1271

00:44:13,510 --> 00:44:11,839

everything smelled the same and the

1272

00:44:16,630 --> 00:44:13,520

atmosphere was the same so

1273

00:44:17,829 --> 00:44:16,640

i'm assuming yeah it's it's been it was

1274

00:44:19,430 --> 00:44:17,839

here on earth

1275

00:44:21,349 --> 00:44:19,440

that they were doing the digs and stuff

1276

00:44:23,829 --> 00:44:21,359

so they're pretty much interested

1277

00:44:24,390 --> 00:44:23,839

in like what we are interested in you

1278

00:44:26,390 --> 00:44:24,400

know

1279

00:44:27,670 --> 00:44:26,400

finding out our history and maybe

1280

00:44:30,470 --> 00:44:27,680

they'll try and find out

1281

00:44:31,589 --> 00:44:30,480

their history or our history of what

1282

00:44:32,950 --> 00:44:31,599

happened but

1283

00:44:37,030 --> 00:44:32,960

these guys been around for a long time

1284

00:44:38,870 --> 00:44:37,040

so it's hard telling there's so many

1285

00:44:40,790 --> 00:44:38,880

they also took you to an underwater

1286

00:44:44,230 --> 00:44:40,800

facility as well didn't it

1287

00:44:45,430 --> 00:44:44,240

yeah yes absolutely yeah yeah they've

1288

00:44:49,109 --> 00:44:45,440

taken me there too

1289

00:44:51,109 --> 00:44:49,119

uh yeah so but

1290

00:44:53,109 --> 00:44:51,119

that was doing like a underwater

1291

00:44:56,230 --> 00:44:53,119

archaeological dig there too

1292

00:44:56,790 --> 00:44:56,240

and uh so but then was pumping it out

1293

00:44:59,670 --> 00:44:56,800

like uh

1294

00:45:01,030 --> 00:44:59,680

i was saying earlier and uh i never

1295

00:45:01,349 --> 00:45:01,040

figured out what they were looking for

1296

00:45:02,710 --> 00:45:01,359

but

1297

00:45:04,230 --> 00:45:02,720

some of the stuff that i was looking at

1298

00:45:04,870 --> 00:45:04,240

would look pretty cool and it was like

1299

00:45:06,870 --> 00:45:04,880

really

1300

00:45:08,550 --> 00:45:06,880

damp and wet everything was wet i just

1301

00:45:10,470 --> 00:45:08,560

remember that and it's like i

1302

00:45:12,230 --> 00:45:10,480

i didn't feel comfortable there i know

1303

00:45:14,790 --> 00:45:12,240

that yeah but

1304

00:45:16,950 --> 00:45:14,800

yeah so but uh you know i've been to

1305

00:45:18,790 --> 00:45:16,960

some places

1306

00:45:20,390 --> 00:45:18,800

that i don't know exactly what that i've

1307

00:45:21,589 --> 00:45:20,400

been inflatable it felt like it was low

1308

00:45:24,870 --> 00:45:21,599

gravity

1309

00:45:27,750 --> 00:45:24,880

that might have been on the moon

1310

00:45:29,510 --> 00:45:27,760

and this is i run across some

1311

00:45:30,390 --> 00:45:29,520

information this lady drew a picture of

1312

00:45:33,670 --> 00:45:30,400

this

1313

00:45:36,950 --> 00:45:33,680

building that i've been in and she drew

1314

00:45:38,790 --> 00:45:36,960

uh it was about me going to

1315

00:45:40,470 --> 00:45:38,800

seeing a council five or something like

1316

00:45:42,069 --> 00:45:40,480

that i don't even know i didn't even see

1317

00:45:44,870 --> 00:45:42,079

the council five or maybe i did

1318

00:45:45,670 --> 00:45:44,880

i didn't know who they were but uh she

1319

00:45:48,150 --> 00:45:45,680

do

1320

00:45:49,030 --> 00:45:48,160

she drew it up exactly i was standing by

1321

00:45:52,150 --> 00:45:49,040

that table

1322

00:45:53,829 --> 00:45:52,160

and and uh and and everybody there's a

1323

00:45:54,790 --> 00:45:53,839

bunch of people and it was either really

1324

00:45:56,790 --> 00:45:54,800

dusty in there or

1325

00:45:58,470 --> 00:45:56,800

smokey i couldn't really figure that one

1326

00:46:00,309 --> 00:45:58,480

out i think it was dusty

1327

00:46:01,510 --> 00:46:00,319

but and everybody was talking all at one

1328

00:46:03,030 --> 00:46:01,520

time and there was there were these

1329

00:46:04,870 --> 00:46:03,040

monkeys that came up

1330

00:46:06,790 --> 00:46:04,880

that looked like monkeys out of like the

1331

00:46:08,790 --> 00:46:06,800

planet of the eights and i was like

1332

00:46:10,390 --> 00:46:08,800

yeah and uh they're talking to these

1333

00:46:12,710 --> 00:46:10,400

guys and now i'm like

1334

00:46:14,790 --> 00:46:12,720

they're talking to these guys but

1335

00:46:15,349 --> 00:46:14,800

they're not paying attention to me what

1336

00:46:16,950 --> 00:46:15,359

i'm

1337

00:46:19,190 --> 00:46:16,960

saying you know it's like i was getting

1338

00:46:20,390 --> 00:46:19,200

offended by it and uh

1339

00:46:22,069 --> 00:46:20,400

nobody could understand what they were

1340

00:46:22,790 --> 00:46:22,079

saying and then one of these great

1341

00:46:24,790 --> 00:46:22,800

entity

1342

00:46:26,630 --> 00:46:24,800

uh beings came up and put this wand up

1343

00:46:28,230 --> 00:46:26,640

against the monkey's head

1344

00:46:30,470 --> 00:46:28,240

and then everybody in the whole room

1345

00:46:34,069 --> 00:46:30,480

could understand what he's he was uh

1346

00:46:36,309 --> 00:46:34,079

saying so uh except for me i i didn't

1347

00:46:37,430 --> 00:46:36,319

have that luxury but i just remember

1348

00:46:39,190 --> 00:46:37,440

that these guys

1349

00:46:40,710 --> 00:46:39,200

they have clothes on and everything and

1350

00:46:42,069 --> 00:46:40,720

they're talking to them and it wasn't

1351
00:46:44,470 --> 00:46:42,079
talking to me

1352
00:46:45,990 --> 00:46:44,480
and uh but uh i was in that building

1353
00:46:48,150 --> 00:46:46,000
that was in that room

1354
00:46:50,470 --> 00:46:48,160
and yes it was like microgravity it's

1355
00:46:51,589 --> 00:46:50,480
not gravity like it is here

1356
00:46:53,670 --> 00:46:51,599
that's why i'm thinking it might have

1357
00:46:55,430 --> 00:46:53,680
been on the moon but i think the moons

1358
00:46:57,750 --> 00:46:55,440
are way more different than what

1359
00:46:59,510 --> 00:46:57,760
oh it is i i believe that too you know

1360
00:47:03,430 --> 00:46:59,520
i've heard way too many

1361
00:47:06,550 --> 00:47:03,440
many uh experiences tell me about

1362
00:47:08,630 --> 00:47:06,560
uh going to the moon either

1363
00:47:09,589 --> 00:47:08,640

through a portal or some type of crap

1364

00:47:13,510 --> 00:47:09,599

and such

1365

00:47:15,990 --> 00:47:13,520

i had a lost time experience

1366

00:47:17,109 --> 00:47:16,000

myself where i know i was taken to the

1367

00:47:20,150 --> 00:47:17,119

moon

1368

00:47:22,870 --> 00:47:20,160

the earth right now so yeah you just

1369

00:47:23,990 --> 00:47:22,880

know it so yeah there's something

1370

00:47:26,069 --> 00:47:24,000

there's something there

1371

00:47:28,069 --> 00:47:26,079

i mean it you know this council of five

1372

00:47:31,109 --> 00:47:28,079

thing has been coming up

1373

00:47:33,190 --> 00:47:31,119

to me recently uh when you showed me

1374

00:47:36,390 --> 00:47:33,200

that drawing

1375

00:47:37,589 --> 00:47:36,400

i was almost positive that what you told

1376

00:47:39,829 --> 00:47:37,599

me was true

1377

00:47:41,589 --> 00:47:39,839

that something had been going on there

1378

00:47:44,230 --> 00:47:41,599

and i had no doubt that you

1379

00:47:46,150 --> 00:47:44,240

had experienced that as well but see

1380

00:47:48,549 --> 00:47:46,160

that's something else i got to look into

1381

00:47:49,990 --> 00:47:48,559

i'm really not sure on that and that's

1382

00:47:53,829 --> 00:47:50,000

just more

1383

00:47:55,829 --> 00:47:53,839

i know you're you're

1384

00:47:57,589 --> 00:47:55,839

poor guy you're you're you're taking on

1385

00:47:59,750 --> 00:47:57,599

so many cases and stuff like you're

1386

00:48:01,190 --> 00:47:59,760

you're on it wow i don't know how you

1387

00:48:04,710 --> 00:48:01,200

keep up especially with the stuff

1388

00:48:08,710 --> 00:48:04,720

we talked about so oh man

1389

00:48:11,910 --> 00:48:11,349

in this hour this show we're kind of

1390

00:48:13,910 --> 00:48:11,920

going to

1391

00:48:15,430 --> 00:48:13,920

gloss over and do a little here little

1392

00:48:18,630 --> 00:48:15,440

there to give people an

1393

00:48:20,790 --> 00:48:18,640

idea of what you went through and then

1394

00:48:21,910 --> 00:48:20,800

if we do further shows we'll get into

1395

00:48:24,470 --> 00:48:21,920

more detail

1396

00:48:25,750 --> 00:48:24,480

but the one thing i did want to ask you

1397

00:48:27,670 --> 00:48:25,760

uh and you know you've

1398

00:48:29,670 --> 00:48:27,680

you know i've talked about this but they

1399

00:48:33,510 --> 00:48:29,680

did they did

1400

00:48:34,790 --> 00:48:33,520

do a um a surgical procedure on you

1401

00:48:37,670 --> 00:48:34,800

didn't it

1402

00:48:39,910 --> 00:48:37,680

right yeah my uh i was having problems

1403

00:48:41,589 --> 00:48:39,920

with my bones and stuff like that uh

1404

00:48:43,510 --> 00:48:41,599

and i was going back and forth to the

1405

00:48:46,549 --> 00:48:43,520

doctor getting protozoan shots

1406

00:48:47,109 --> 00:48:46,559

and uh and she's like david i need to

1407

00:48:50,470 --> 00:48:47,119

talk to

1408

00:48:50,950 --> 00:48:50,480

so yeah you saw you you more than likely

1409

00:48:53,589 --> 00:48:50,960

have this

1410

00:48:55,670 --> 00:48:53,599

rheumatoid arthritis you know that it's

1411

00:48:57,270 --> 00:48:55,680

and i i don't wish it on nobody because

1412

00:48:59,270 --> 00:48:57,280

it's like the worst kind of arthritis a

1413

00:48:59,829 --> 00:48:59,280

person can have it's like an autoimmune

1414

00:49:02,230 --> 00:48:59,839

disease

1415

00:49:03,589 --> 00:49:02,240

where your body attacks itself and

1416

00:49:04,470 --> 00:49:03,599

deteriorates you you know from the

1417

00:49:07,670 --> 00:49:04,480

inside out

1418

00:49:10,710 --> 00:49:07,680

it's uh not cool at all but uh

1419

00:49:12,230 --> 00:49:10,720

yeah i was like i don't know she said

1420

00:49:16,230 --> 00:49:12,240

you're gonna end up in a wheelchair

1421

00:49:19,430 --> 00:49:16,240

says uh you need to quit work

1422

00:49:21,990 --> 00:49:19,440

yeah i see that happening yeah right

1423

00:49:22,710 --> 00:49:22,000

but all right so and then uh you know

1424

00:49:25,670 --> 00:49:22,720

it's like

1425

00:49:25,990 --> 00:49:25,680

so it kind of got me down and everything

1426

00:49:27,430 --> 00:49:26,000

but

1427

00:49:29,109 --> 00:49:27,440

i figured i was going to try to beat it

1428

00:49:30,150 --> 00:49:29,119

anyway then it goes into remission you

1429

00:49:32,790 --> 00:49:30,160

know sometimes for

1430

00:49:34,549 --> 00:49:32,800

uh seven years and it comes back and and

1431

00:49:37,910 --> 00:49:34,559

everything else like that but

1432

00:49:38,150 --> 00:49:37,920

well i was having a lot of abductions

1433

00:49:42,150 --> 00:49:38,160

and

1434

00:49:44,230 --> 00:49:42,160

night pretending i was

1435

00:49:45,510 --> 00:49:44,240

asleep you know just so i get as much

1436

00:49:47,109 --> 00:49:45,520

information as i could and i was

1437

00:49:50,309 --> 00:49:47,119

listening to him talk and

1438

00:49:50,790 --> 00:49:50,319

it's one entity he kept bringing uh

1439

00:49:53,589 --> 00:49:50,800

people

1440

00:49:56,069 --> 00:49:53,599

in or or entered other entities like we

1441

00:49:57,990 --> 00:49:56,079

always call them people but

1442

00:49:59,750 --> 00:49:58,000

and they would talk about my situation

1443

00:50:01,109 --> 00:49:59,760

and what kind of person i was and

1444

00:50:04,069 --> 00:50:01,119

everything else and

1445

00:50:05,750 --> 00:50:04,079

and uh he was like selling off the idea

1446

00:50:07,030 --> 00:50:05,760

of something about me and i didn't know

1447

00:50:10,230 --> 00:50:07,040

what they was doing or

1448

00:50:11,910 --> 00:50:10,240

or anything like that and and uh

1449

00:50:13,270 --> 00:50:11,920

and i was you know telling my wife you

1450

00:50:14,790 --> 00:50:13,280

know it's like something's going to

1451
00:50:16,470 --> 00:50:14,800
happen i i just know it i don't know

1452
00:50:18,309 --> 00:50:16,480
what they're doing gene but there

1453
00:50:19,829 --> 00:50:18,319
there's something's going to happen so

1454
00:50:21,589 --> 00:50:19,839
the they might

1455
00:50:23,030 --> 00:50:21,599
end up taking me out because every time

1456
00:50:24,870 --> 00:50:23,040
they take you out of the house you don't

1457
00:50:27,910 --> 00:50:24,880
know if you're coming back

1458
00:50:33,030 --> 00:50:31,030
and you know that by experience because

1459
00:50:34,150 --> 00:50:33,040
you know of people that never did come

1460
00:50:36,390 --> 00:50:34,160
back

1461
00:50:38,069 --> 00:50:36,400
right yeah oh yeah you can do that

1462
00:50:41,030 --> 00:50:38,079
another time

1463
00:50:41,430 --> 00:50:41,040

right well they had this dummy of me uh

1464

00:50:54,390 --> 00:50:41,440

i

1465

00:50:57,589 --> 00:50:54,400

out

1466

00:50:59,829 --> 00:50:57,599

yeah or my kid so i was like maybe they

1467

00:51:00,710 --> 00:50:59,839

stuffed him in the bed and so she wakes

1468

00:51:04,309 --> 00:51:00,720

up um

1469

00:51:06,950 --> 00:51:04,319

she sees something there you know so uh

1470

00:51:08,309 --> 00:51:06,960

that's what's going on well right about

1471

00:51:11,510 --> 00:51:08,319

the last time that this

1472

00:51:13,349 --> 00:51:11,520

uh entity uh brought somebody in and and

1473

00:51:14,870 --> 00:51:13,359

i guess he was the guy the money guy or

1474

00:51:18,549 --> 00:51:14,880

whatever uh

1475

00:51:20,950 --> 00:51:18,559

and he says okay uh do it and it's like

1476

00:51:23,109 --> 00:51:20,960

do what you know i was like well i ended

1477

00:51:24,230 --> 00:51:23,119

up spending about a week's worth of

1478

00:51:27,589 --> 00:51:24,240

surgery

1479

00:51:29,510 --> 00:51:27,599

and they was disassembling me section by

1480

00:51:31,990 --> 00:51:29,520

section legs and feet and

1481

00:51:33,829 --> 00:51:32,000

uh i mean just cutting the flesh away

1482

00:51:35,030 --> 00:51:33,839

and and putting it on trays and carrying

1483

00:51:37,430 --> 00:51:35,040

it away and

1484

00:51:38,790 --> 00:51:37,440

and uh it was a major procedure and like

1485

00:51:40,710 --> 00:51:38,800

breaking the bones and

1486

00:51:42,549 --> 00:51:40,720

and sawing and cutting and i'm like oh

1487

00:51:43,670 --> 00:51:42,559

my god what the heck you smell the bone

1488

00:51:45,910 --> 00:51:43,680

dust in the air you know

1489

00:51:47,430 --> 00:51:45,920

and the light you can see above you and

1490

00:51:49,030 --> 00:51:47,440

then i would sit up and i'd be looking

1491

00:51:50,710 --> 00:51:49,040

at it and they'd have music playing in

1492

00:51:52,309 --> 00:51:50,720

the background these doctors would

1493

00:51:54,549 --> 00:51:52,319

while they were doing all this stuff i

1494

00:51:55,670 --> 00:51:54,559

was like cool so i get to watch what's

1495

00:51:58,230 --> 00:51:55,680

going on

1496

00:51:59,910 --> 00:51:58,240

and uh i was kind of disconnected from

1497

00:52:01,589 --> 00:51:59,920

the surgery part of itself because i

1498

00:52:03,349 --> 00:52:01,599

couldn't feel it but i could feel the

1499

00:52:04,790 --> 00:52:03,359

pressure in them twisting my body around

1500

00:52:07,829 --> 00:52:04,800

and breaking bones and

1501
00:52:09,510 --> 00:52:07,839
and cutting and refitting uh you know

1502
00:52:10,309 --> 00:52:09,520
new joints and everything up in men's

1503
00:52:12,710 --> 00:52:10,319
like

1504
00:52:14,390 --> 00:52:12,720
i did not understand what was going on

1505
00:52:17,430 --> 00:52:14,400
but uh and then at the end of the

1506
00:52:19,349 --> 00:52:17,440
each night of the surgery uh

1507
00:52:21,030 --> 00:52:19,359
they you know they put me all back

1508
00:52:22,390 --> 00:52:21,040
together again and he's like what time

1509
00:52:23,190 --> 00:52:22,400
he's gotta be at the work and all this

1510
00:52:24,950 --> 00:52:23,200
stuff

1511
00:52:26,630 --> 00:52:24,960
and uh so they'll be running out of time

1512
00:52:28,549 --> 00:52:26,640
they'd be hurrying you know right

1513
00:52:30,230 --> 00:52:28,559

to the last second and then uh for the

1514

00:52:32,870 --> 00:52:30,240

last procedure part

1515

00:52:34,790 --> 00:52:32,880

once they got you put back together uh

1516

00:52:37,750 --> 00:52:34,800

they would dump this like

1517

00:52:39,270 --> 00:52:37,760

a clear grazed looking liquid on you on

1518

00:52:40,390 --> 00:52:39,280

that was in the speaker they dump it on

1519

00:52:41,430 --> 00:52:40,400

your leg you know whatever they was

1520

00:52:43,910 --> 00:52:41,440

working on

1521

00:52:45,190 --> 00:52:43,920

and then uh then the body would just

1522

00:52:47,910 --> 00:52:45,200

start healing i don't know if i had

1523

00:52:51,270 --> 00:52:47,920

nanotechnology in it or what but

1524

00:52:53,750 --> 00:52:51,280

magical water i don't know but uh uh

1525

00:52:54,710 --> 00:52:53,760

but you know my leg would be like bright

1526

00:52:56,069 --> 00:52:54,720

red and

1527

00:52:57,430 --> 00:52:56,079

everything i've been getting dressed for

1528

00:52:58,870 --> 00:52:57,440

working it's like i know something

1529

00:52:59,670 --> 00:52:58,880

happened but i didn't know what they did

1530

00:53:01,589 --> 00:52:59,680

but

1531

00:53:03,510 --> 00:53:01,599

uh get to working about halfway through

1532

00:53:05,030 --> 00:53:03,520

the day about lunchtime my legs start

1533

00:53:05,670 --> 00:53:05,040

looking better by time i made it home

1534

00:53:09,910 --> 00:53:05,680

again

1535

00:53:11,190 --> 00:53:09,920

describe in detail exactly how they were

1536

00:53:14,230 --> 00:53:11,200

doing this surgery

1537

00:53:15,829 --> 00:53:14,240

but uh well time is an issue i know yeah

1538

00:53:17,910 --> 00:53:15,839

yeah we'll have to get into that at

1539

00:53:20,390 --> 00:53:17,920

another time because i know

1540

00:53:21,190 --> 00:53:20,400

i do want to do this in a little more

1541

00:53:23,190 --> 00:53:21,200

detail

1542

00:53:24,790 --> 00:53:23,200

now i know one more thing i did want to

1543

00:53:26,549 --> 00:53:24,800

cover today

1544

00:53:28,549 --> 00:53:26,559

uh and it's something i have talked

1545

00:53:32,549 --> 00:53:28,559

about recently to people

1546

00:53:33,910 --> 00:53:32,559

is that you observed human beings being

1547

00:53:37,750 --> 00:53:33,920

experimented on

1548

00:53:41,030 --> 00:53:37,760

and disposed of yeah yeah that was uh

1549

00:53:43,510 --> 00:53:41,040

okay i could talk about that one too

1550

00:53:45,030 --> 00:53:43,520

uh hey yeah you know there's some things

1551
00:53:47,510 --> 00:53:45,040
i've never talked about but because uh

1552
00:53:49,430 --> 00:53:47,520
it's not my job to tell everybody but uh

1553
00:53:51,589 --> 00:53:49,440
uh but yeah this issue i could talk

1554
00:53:54,069 --> 00:53:51,599
about uh this situation here

1555
00:53:56,230 --> 00:53:54,079
was being i was abducted okay they taken

1556
00:53:59,270 --> 00:53:56,240
me out of the house and uh

1557
00:54:01,510 --> 00:53:59,280
and uh uh i was looking at some of their

1558
00:54:03,990 --> 00:54:01,520
inner structure and i was getting upset

1559
00:54:05,030 --> 00:54:04,000
because these are like mundane things

1560
00:54:08,549 --> 00:54:05,040
that we have

1561
00:54:09,510 --> 00:54:08,559
you know here like tiles doorways you

1562
00:54:10,870 --> 00:54:09,520
know you push the

1563
00:54:12,390 --> 00:54:10,880

handle on the door we had them in the

1564

00:54:13,910 --> 00:54:12,400

school buildings you know you had double

1565

00:54:15,430 --> 00:54:13,920

doors and you push the

1566

00:54:17,030 --> 00:54:15,440

the latch on the bottom and it goes all

1567

00:54:17,990 --> 00:54:17,040

the way across the door and the door

1568

00:54:19,990 --> 00:54:18,000

opens and

1569

00:54:21,510 --> 00:54:20,000

and i was getting terribly upset about

1570

00:54:22,710 --> 00:54:21,520

all this they brought me into this room

1571

00:54:26,549 --> 00:54:22,720

and it was all

1572

00:54:28,470 --> 00:54:26,559

tile ceiling floor and it was like a

1573

00:54:30,069 --> 00:54:28,480

drain in the floor and there was a one

1574

00:54:33,109 --> 00:54:30,079

stainless steel bed

1575

00:54:36,069 --> 00:54:33,119

and they laid me down on and then they

1576

00:54:37,430 --> 00:54:36,079

they left the room i'm laying on the

1577

00:54:39,190 --> 00:54:37,440

stainless steel table

1578

00:54:40,710 --> 00:54:39,200

i'm like looking at the towel and the

1579

00:54:43,270 --> 00:54:40,720

window and everything i kept seeing

1580

00:54:45,109 --> 00:54:43,280

these colors going by the window

1581

00:54:47,510 --> 00:54:45,119

and uh i said what the heck is that you

1582

00:54:49,990 --> 00:54:47,520

know it just kept going by the window

1583

00:54:51,829 --> 00:54:50,000

so i'm looking over and uh i knew there

1584

00:54:52,630 --> 00:54:51,839

was some reptilian doctors on the other

1585

00:54:54,710 --> 00:54:52,640

side of the door because

1586

00:54:56,630 --> 00:54:54,720

they kept peaking in it on me but i

1587

00:54:58,630 --> 00:54:56,640

thought my curiosity got the best of me

1588

00:55:00,630 --> 00:54:58,640

so i used myself off the table and i

1589

00:55:01,990 --> 00:55:00,640

walked across the room and looked out

1590

00:55:04,710 --> 00:55:02,000

this window

1591

00:55:06,390 --> 00:55:04,720

and it was like this i think this was on

1592

00:55:09,510 --> 00:55:06,400

the moon as well because it was like

1593

00:55:10,390 --> 00:55:09,520

low gravity and uh and i was looking out

1594

00:55:12,150 --> 00:55:10,400

the window and

1595

00:55:13,910 --> 00:55:12,160

and the colors i'm looking at it and

1596

00:55:15,109 --> 00:55:13,920

then everything started coming into

1597

00:55:17,670 --> 00:55:15,119

focus and

1598

00:55:18,870 --> 00:55:17,680

so these are bodies there was human

1599

00:55:21,270 --> 00:55:18,880

bodies falling off

1600

00:55:22,470 --> 00:55:21,280

they were like being pushed or whatever

1601

00:55:24,470 --> 00:55:22,480

off and i looked up

1602

00:55:27,190 --> 00:55:24,480

the window and it was like another ledge

1603

00:55:28,710 --> 00:55:27,200

up above where out the room i was at

1604

00:55:30,390 --> 00:55:28,720

and it was all dressed up in like these

1605

00:55:33,430 --> 00:55:30,400

corduroys flannel shirts

1606

00:55:34,390 --> 00:55:33,440

like hand-me-down clothing uh and it was

1607

00:55:35,829 --> 00:55:34,400

uh some of the

1608

00:55:37,910 --> 00:55:35,839

you know people they were skinny didn't

1609

00:55:39,990 --> 00:55:37,920

look real healthy but uh

1610

00:55:41,670 --> 00:55:40,000

and and then as the bodies were falling

1611

00:55:42,630 --> 00:55:41,680

these things were coming out of the wall

1612

00:55:44,549 --> 00:55:42,640

it looked like uh

1613

00:55:46,950 --> 00:55:44,559

electrical coils you know you you would

1614

00:55:48,630 --> 00:55:46,960

run conduit electrical wires in

1615

00:55:50,789 --> 00:55:48,640

and it was jabbing them on each side of

1616

00:55:51,109 --> 00:55:50,799

the leg these bodies that were falling

1617

00:55:53,349 --> 00:55:51,119

down

1618

00:55:55,109 --> 00:55:53,359

and it was vacuum all the fluid out of

1619

00:55:55,910 --> 00:55:55,119

really quick so they looked like a mummy

1620

00:55:58,150 --> 00:55:55,920

by time

1621

00:55:59,829 --> 00:55:58,160

it was going by my window with the

1622

00:56:00,549 --> 00:55:59,839

clothes on and it was falling to the

1623

00:56:02,150 --> 00:56:00,559

floor

1624

00:56:04,309 --> 00:56:02,160

then this big thing on the ceiling it

1625

00:56:07,109 --> 00:56:04,319

was like a half moon shape and it was

1626
00:56:09,190 --> 00:56:07,119
silver and it would vacuum up these big

1627
00:56:10,710 --> 00:56:09,200
piles of bodies and suck it all way up

1628
00:56:12,150 --> 00:56:10,720
and then move all the way across there's

1629
00:56:15,430 --> 00:56:12,160
these burners down there

1630
00:56:17,270 --> 00:56:15,440
a wall just full of burns huge burners

1631
00:56:19,190 --> 00:56:17,280
and these little short reptilian guys

1632
00:56:21,270 --> 00:56:19,200
are down there working their butt off

1633
00:56:22,789 --> 00:56:21,280
picking these things up these bodies and

1634
00:56:26,470 --> 00:56:22,799
tossing them into these burners

1635
00:56:27,990 --> 00:56:26,480
uh and it's like you know i was always

1636
00:56:29,750 --> 00:56:28,000
speculating and maybe

1637
00:56:31,750 --> 00:56:29,760
why these people being killed why are

1638
00:56:33,510 --> 00:56:31,760

they dying it's like my next am i part

1639

00:56:35,910 --> 00:56:33,520

of this because i'm looking at this

1640

00:56:37,190 --> 00:56:35,920

and they're just right above me it's

1641

00:56:39,910 --> 00:56:37,200

like the room above me

1642

00:56:40,950 --> 00:56:39,920

or a ledge or up there i'm starting to

1643

00:56:44,390 --> 00:56:40,960

think maybe i'm

1644

00:56:46,710 --> 00:56:44,400

not going back home this time so yeah

1645

00:56:47,430 --> 00:56:46,720

but they ended up uh bringing my wife in

1646

00:56:49,589 --> 00:56:47,440

and

1647

00:56:51,270 --> 00:56:49,599

dropped her on the floor over in the

1648

00:56:53,270 --> 00:56:51,280

corner and stuff and uh

1649

00:56:55,589 --> 00:56:53,280

and i ran over and jumped up on the bed

1650

00:56:58,230 --> 00:56:55,599

and nobody said anything to me

1651
00:57:00,710 --> 00:56:58,240
and then the doctors came on into the

1652
00:57:02,630 --> 00:57:00,720
room i'm like oh this is it this is

1653
00:57:04,710 --> 00:57:02,640
not going back home you know then i

1654
00:57:07,030 --> 00:57:04,720
don't remember anything after that

1655
00:57:08,150 --> 00:57:07,040
until the next day you know uh like

1656
00:57:09,750 --> 00:57:08,160
halfway through the day i always

1657
00:57:11,190 --> 00:57:09,760
remember always like halfway through the

1658
00:57:14,069 --> 00:57:11,200
next day i go there away

1659
00:57:14,470 --> 00:57:14,079
come back asleep most of the time i i

1660
00:57:17,349 --> 00:57:14,480
haven't

1661
00:57:19,349 --> 00:57:17,359
have a stargate before uh i had yeah

1662
00:57:22,150 --> 00:57:19,359
definitely ran out over stargate

1663
00:57:23,990 --> 00:57:22,160

right back into my own bedroom and uh

1664

00:57:25,829 --> 00:57:24,000

and that that's when uh they was

1665

00:57:27,190 --> 00:57:25,839

taking me out wheeling me down on this

1666

00:57:29,109 --> 00:57:27,200

uh dolly

1667

00:57:30,870 --> 00:57:29,119

or or gurney with his bed with the

1668

00:57:31,670 --> 00:57:30,880

wheels on it and it was going down like

1669

00:57:34,789 --> 00:57:31,680

in this tunnel

1670

00:57:36,710 --> 00:57:34,799

and then uh there was a female reptilian

1671

00:57:38,069 --> 00:57:36,720

that was trying to get a device or

1672

00:57:41,109 --> 00:57:38,079

something out of this guy's back

1673

00:57:42,870 --> 00:57:41,119

and she was very evasive she did

1674

00:57:45,109 --> 00:57:42,880

very basic she stuck her fingers inside

1675

00:57:46,950 --> 00:57:45,119

his back and and uh stuck her hand in

1676

00:57:50,470 --> 00:57:46,960

there and uh pulled something out

1677

00:57:52,309 --> 00:57:50,480

and she says i got it i'm going hell no

1678

00:57:54,230 --> 00:57:52,319

i rolled off that gurney and going back

1679

00:57:55,990 --> 00:57:54,240

the same way i came in i was running

1680

00:57:57,750 --> 00:57:56,000

and so uh then i came right back into my

1681

00:57:59,190 --> 00:57:57,760

bedroom i spun around and uh i was

1682

00:58:01,910 --> 00:57:59,200

waiting for him to come through

1683

00:58:02,710 --> 00:58:01,920

nobody came through but uh it was like

1684

00:58:04,630 --> 00:58:02,720

that was too

1685

00:58:06,829 --> 00:58:04,640

too much for me so i wasn't gonna be

1686

00:58:08,710 --> 00:58:06,839

part of that so

1687

00:58:09,990 --> 00:58:08,720

uh well i'm gonna tell you you know for

1688

00:58:12,470 --> 00:58:10,000

all all the years we

1689

00:58:15,030 --> 00:58:12,480

you know for about two years there you

1690

00:58:17,589 --> 00:58:15,040

and i were talking almost every day

1691

00:58:20,470 --> 00:58:17,599

and some of these some of these accounts

1692

00:58:23,109 --> 00:58:20,480

that you have given me

1693

00:58:25,349 --> 00:58:23,119

the bottom well the bottom line is for

1694

00:58:28,069 --> 00:58:25,359

whatever reason

1695

00:58:30,549 --> 00:58:28,079

you were given an opportunity to see

1696

00:58:32,470 --> 00:58:30,559

this stuff and they trusted you

1697

00:58:34,710 --> 00:58:32,480

and in fact they used to talk to you

1698

00:58:38,069 --> 00:58:34,720

about me because they knew

1699

00:58:41,430 --> 00:58:38,079

that you were talking to me i had

1700

00:58:45,349 --> 00:58:41,440

some encounters after it here at home

1701

00:58:50,789 --> 00:58:48,630

yeah you know i don't

1702

00:58:52,230 --> 00:58:50,799

i don't know uh exactly what the whole

1703

00:58:54,309 --> 00:58:52,240

aspect of what

1704

00:58:55,349 --> 00:58:54,319

my part of the play is or or your part

1705

00:58:58,549 --> 00:58:55,359

of the play

1706

00:58:59,589 --> 00:58:58,559

yeah uh for reporting it uh you know i

1707

00:59:01,510 --> 00:58:59,599

think it's

1708

00:59:03,030 --> 00:59:01,520

it's like two points of time coming

1709

00:59:07,030 --> 00:59:03,040

together uh and

1710

00:59:09,270 --> 00:59:07,040

it's doomed to meet together so uh

1711

00:59:10,150 --> 00:59:09,280

these guys it might end up being part of

1712

00:59:12,870 --> 00:59:10,160

disclosure

1713

00:59:14,150 --> 00:59:12,880

in one day uh but you know i sent you

1714

00:59:15,030 --> 00:59:14,160

that picture the other day is that

1715

00:59:17,430 --> 00:59:15,040

heritage

1716

00:59:18,630 --> 00:59:17,440

house you know i was like would is this

1717

00:59:22,069 --> 00:59:18,640

on the part in the future

1718

00:59:25,190 --> 00:59:22,079

these guys that that

1719

00:59:26,789 --> 00:59:25,200

that's the strangest thing if let me let

1720

00:59:30,630 --> 00:59:26,799

me tell people real quick

1721

00:59:33,670 --> 00:59:30,640

you you sent this photograph to me where

1722

00:59:36,630 --> 00:59:33,680

in this type of uh it looked like a

1723

00:59:37,670 --> 00:59:36,640

like a light had blue light yeah yeah

1724

00:59:41,109 --> 00:59:37,680

projected

1725

00:59:42,630 --> 00:59:41,119

this words heritage house on a table

1726

00:59:44,390 --> 00:59:42,640

but you couldn't tell where it was

1727

00:59:46,950 --> 00:59:44,400

coming from right

1728

00:59:49,670 --> 00:59:46,960

right and there was a there was also a

1729

00:59:51,990 --> 00:59:49,680

shadow of an individual there too

1730

00:59:54,230 --> 00:59:52,000

that you didn't know it wasn't your

1731

00:59:56,549 --> 00:59:54,240

shadow it was coming from somewhere else

1732

00:59:58,390 --> 00:59:56,559

you know you know when and when we get

1733

01:00:00,230 --> 00:59:58,400

back to talking at another time we're

1734

01:00:04,150 --> 01:00:00,240

going to start going into more

1735

01:00:08,309 --> 01:00:04,160

of what has been going on recently uh

1736

01:00:12,390 --> 01:00:08,319

you may have seen or been introduced to

1737

01:00:15,670 --> 01:00:12,400

uh a one of your hybrid children

1738

01:00:17,109 --> 01:00:15,680

yeah yeah yeah these new entities that

1739

01:00:19,430 --> 01:00:17,119

you're seeing

1740

01:00:20,870 --> 01:00:19,440

are entirely different than the ones you

1741

01:00:22,390 --> 01:00:20,880

used to see

1742

01:00:24,150 --> 01:00:22,400

but we'll go a little more into

1743

01:00:25,990 --> 01:00:24,160

everything uh

1744

01:00:27,190 --> 01:00:26,000

yeah it's a fascinating it's a

1745

01:00:29,910 --> 01:00:27,200

fascinating story

1746

01:00:31,910 --> 01:00:29,920

there's so much that we aren't able to

1747

01:00:33,109 --> 01:00:31,920

cover in one hour but i promise

1748

01:00:35,190 --> 01:00:33,119

everybody

1749

01:00:36,230 --> 01:00:35,200

and it's up to you dave if you don't

1750

01:00:38,230 --> 01:00:36,240

mind coming back

1751
01:00:39,589 --> 01:00:38,240
that we'll get into this a little more

1752
01:00:41,510 --> 01:00:39,599
deeply

1753
01:00:43,270 --> 01:00:41,520
the the next couple of times we can do

1754
01:00:44,950 --> 01:00:43,280
this is that fine with you

1755
01:00:47,190 --> 01:00:44,960
just yeah yeah because we're just

1756
01:00:49,750 --> 01:00:47,200
glossing over i mean speed

1757
01:00:50,710 --> 01:00:49,760
demon popping uh trying to get through

1758
01:00:52,710 --> 01:00:50,720
this uh

1759
01:00:54,950 --> 01:00:52,720
really quick but yeah there's so much

1760
01:00:56,789 --> 01:00:54,960
details that you missed the details

1761
01:00:59,109 --> 01:00:56,799
it's like it's hard to really put the

1762
01:01:02,230 --> 01:00:59,119
whole thing together

1763
01:01:04,870 --> 01:01:02,240

so yeah but you know i wanted to give

1764

01:01:07,109 --> 01:01:04,880

everybody kind of an overview tonight

1765

01:01:09,109 --> 01:01:07,119

of what had happened in the beginning

1766

01:01:12,309 --> 01:01:09,119

what was going on

1767

01:01:14,549 --> 01:01:12,319

and some of the really

1768

01:01:15,829 --> 01:01:14,559

unbelievable remarkable things that you

1769

01:01:20,230 --> 01:01:15,839

witnessed

1770

01:01:23,990 --> 01:01:20,240

but i i think out of all this we can say

1771

01:01:27,430 --> 01:01:24,000

to a certain degree of fact that

1772

01:01:29,750 --> 01:01:27,440

some people that who that are abducted

1773

01:01:30,710 --> 01:01:29,760

don't come back because they're used as

1774

01:01:33,670 --> 01:01:30,720

slaves

1775

01:01:35,910 --> 01:01:33,680

they're used for experiments right and

1776

01:01:38,549 --> 01:01:35,920

whatever else they use them for

1777

01:01:40,870 --> 01:01:38,559

what is it like 250 000 children go

1778

01:01:43,190 --> 01:01:40,880

missing every single year vanish

1779

01:01:44,870 --> 01:01:43,200

off the planet without a trace i think

1780

01:01:46,789 --> 01:01:44,880

it's a like that it's a lot

1781

01:01:49,030 --> 01:01:46,799

yeah that's a huge number how do you

1782

01:01:50,870 --> 01:01:49,040

miss that many children i mean it's like

1783

01:01:53,670 --> 01:01:50,880

how come nobody talks about it you know

1784

01:01:57,029 --> 01:01:53,680

it's like but that's what blows my mind

1785

01:01:59,589 --> 01:01:57,039

uh but yeah there's people and

1786

01:02:01,510 --> 01:01:59,599

human mutilations they got those too you

1787

01:02:04,710 --> 01:02:01,520

know that's the scary stuff

1788

01:02:09,270 --> 01:02:04,720

so well we're gonna go deeper into that

1789

01:02:11,670 --> 01:02:09,280

uh you know maybe in several weeks we'll

1790

01:02:12,710 --> 01:02:11,680

we'll uh plan something for you to come

1791

01:02:14,549 --> 01:02:12,720

back on

1792

01:02:15,990 --> 01:02:14,559

by that time i think a lot of people are

1793

01:02:19,910 --> 01:02:16,000

going to have a lot of questions

1794

01:02:23,430 --> 01:02:19,920

for you after listening to us this show

1795

01:02:25,670 --> 01:02:23,440

so i'd like really good questions

1796

01:02:26,710 --> 01:02:25,680

so david thanks again for being on the

1797

01:02:29,510 --> 01:02:26,720

show

1798

01:02:31,029 --> 01:02:29,520

and uh i look forward to talking to you

1799

01:02:34,390 --> 01:02:31,039

soon

1800

01:02:36,150 --> 01:02:34,400

uh yeah yeah as always lon it's always a

1801

01:02:38,230 --> 01:02:36,160

pleasure speaking to you

1802

01:02:39,430 --> 01:02:38,240

and uh thanks a lot for giving me the

1803

01:02:43,589 --> 01:02:39,440

opportunity

1804

01:02:45,349 --> 01:02:43,599

okay talk to you later all right bye-bye

1805

01:02:47,670 --> 01:02:45,359

so listeners can show their support for

1806

01:02:50,230 --> 01:02:47,680

arcane radio by becoming a patron

1807

01:02:51,349 --> 01:02:50,240

simply go to familiesmonsters.com and

1808

01:02:54,150 --> 01:02:51,359

click the podbean

1809

01:02:55,750 --> 01:02:54,160

patron banner arcane radio also accepts

1810

01:02:57,750 --> 01:02:55,760

direct donations

1811

01:02:59,990 --> 01:02:57,760

now if you have an unexplained encounter

1812

01:03:02,069 --> 01:03:00,000

sighting feel free to contact me through

1813

01:03:04,390 --> 01:03:02,079

the phantoms of miners blog site

1814

01:03:06,069 --> 01:03:04,400

now i want to thank david ecker for

1815

01:03:09,510 --> 01:03:06,079

joining me this evening

1816

01:03:12,549 --> 01:03:09,520

uh this was just the first

1817

01:03:16,470 --> 01:03:12,559

in what i hope to do several shows

1818

01:03:17,109 --> 01:03:16,480

about david and his ordeal uh david will

1819

01:03:20,230 --> 01:03:17,119

be a

1820

01:03:22,470 --> 01:03:20,240

part of the my upcoming book and

1821

01:03:24,309 --> 01:03:22,480

uh but we're going to go through as much

1822

01:03:27,270 --> 01:03:24,319

as possible

1823

01:03:28,230 --> 01:03:27,280

to let people know what is really going

1824

01:03:29,829 --> 01:03:28,240

on

1825

01:03:32,309 --> 01:03:29,839

so i want to thank you for listening to

1826

01:03:44,670 --> 01:03:32,319

the show good night and have a safe and

1827

01:03:56,829 --> 01:03:44,680

enjoyable weekend

1828

01:03:56,839 --> 01:04:14,790

so

1829

01:04:14,800 --> 01:04:38,829

[Music]

1830

01:04:38,839 --> 01:04:42,740

so
