

ARCANE RADIO 

Exploring the Unexplained

May 17th, 2019

David Eckhart
**Alien Abductee/
Experiencer - Part 2**

BXP

1
00:00:06,550 --> 00:00:06,230
the oldest and strongest human emotion

2
00:00:09,830 --> 00:00:06,560
is

3
00:00:10,070 --> 00:00:09,840
fear and the oldest and strongest type

4
00:00:16,630 --> 00:00:10,080
of

5
00:00:20,070 --> 00:00:16,640
when we were children our parents told

6
00:00:22,550 --> 00:00:20,080
us that monsters didn't exist

7
00:00:25,830 --> 00:00:22,560
but we were sure that something was

8
00:00:30,310 --> 00:00:25,840
lurking under the bed or in the closet

9
00:00:33,510 --> 00:00:30,320
fear sees even if our eyes are closed

10
00:00:35,590 --> 00:00:33,520
welcome to the realm of the arcane my

11
00:00:37,910 --> 00:00:35,600
name is lon stripler

12
00:00:39,030 --> 00:00:37,920
join me as i examine unexplained

13
00:00:42,830 --> 00:00:39,040

creatures

14

00:00:43,990 --> 00:00:42,840

strange manifestations and remarkable

15

00:00:47,029 --> 00:00:44,000

realities

16

00:00:49,670 --> 00:00:47,039

imagine this next hour as a voyage of

17

00:00:52,709 --> 00:00:49,680

discovery to strange lands

18

00:00:55,430 --> 00:00:52,719

seeking not for new territory but for

19

00:00:57,029 --> 00:00:55,440

new knowledge of the supernatural come

20

00:01:02,549 --> 00:00:57,039

on board as we begin

21

00:01:06,789 --> 00:01:04,630

hey folks good evening and welcome to

22

00:01:09,030 --> 00:01:06,799

another episode of arcane radio

23

00:01:10,070 --> 00:01:09,040

where we explore the unexplained here on

24

00:01:13,109 --> 00:01:10,080

paranormal

25

00:01:14,950 --> 00:01:13,119

king radio network i'm your host lon

26

00:01:16,950 --> 00:01:14,960

strickler coming to you within a cannon

27

00:01:19,510 --> 00:01:16,960

shot of historic gettysburg

28

00:01:21,670 --> 00:01:19,520

in the cryptid mecca of pennsylvania

29

00:01:24,789 --> 00:01:21,680

thank you for joining me

30

00:01:27,830 --> 00:01:24,799

so i'm gonna uh go right into

31

00:01:29,830 --> 00:01:27,840

the guest and uh

32

00:01:31,910 --> 00:01:29,840

we'll go from there tonight's guest is

33

00:01:32,950 --> 00:01:31,920

alien abductee and experiencer david

34

00:01:35,830 --> 00:01:32,960

eckhart

35

00:01:36,870 --> 00:01:35,840

over a decade ago david and his family

36

00:01:38,870 --> 00:01:36,880

began to endure

37

00:01:42,149 --> 00:01:38,880

numerous abductions and close encounters

38

00:01:45,109 --> 00:01:42,159

in their home near pensacola florida

39

00:01:46,789 --> 00:01:45,119

the encounters haven't continued the act

40

00:01:48,069 --> 00:01:46,799

activity has recently picked up an

41

00:01:49,670 --> 00:01:48,079

intensity

42

00:01:51,910 --> 00:01:49,680

david's ordeal has been thoroughly

43

00:01:53,429 --> 00:01:51,920

documented because of his determination

44

00:01:56,469 --> 00:01:53,439

to discover

45

00:01:59,350 --> 00:01:56,479

why he was chosen i have assisted david

46

00:02:01,670 --> 00:01:59,360

in his journey since 2010.

47

00:02:03,749 --> 00:02:01,680

his story was presented on fact or fake

48

00:02:06,389 --> 00:02:03,759

the paranormal fouts which resorted

49

00:02:08,790 --> 00:02:06,399

resulted in one the series highest rated

50

00:02:11,430 --> 00:02:08,800

episodes namely because the team

51
00:02:13,430 --> 00:02:11,440
could not debunk david's claims i've

52
00:02:15,430 --> 00:02:13,440
invited david back to the show in order

53
00:02:17,910 --> 00:02:15,440
for him to continue to describe

54
00:02:20,070 --> 00:02:17,920
his ordeal so david thanks again for

55
00:02:22,070 --> 00:02:20,080
coming back on

56
00:02:24,229 --> 00:02:22,080
thanks for having me online good to talk

57
00:02:26,790 --> 00:02:24,239
to you again

58
00:02:27,270 --> 00:02:26,800
so uh you know when we were on the last

59
00:02:29,750 --> 00:02:27,280
time

60
00:02:31,589 --> 00:02:29,760
we talked a bit about the uh you coming

61
00:02:34,869 --> 00:02:31,599
down moving down to

62
00:02:39,190 --> 00:02:34,879
florida from toledo and

63
00:02:42,550 --> 00:02:39,200

that you had a first-hand encounter with

64

00:02:47,350 --> 00:02:42,560

some type of ufo and

65

00:02:50,869 --> 00:02:47,360

uh also a alien humanoid of some type

66

00:02:52,790 --> 00:02:50,879

then we discussed a bit about you um

67

00:02:55,030 --> 00:02:52,800

you know your encounters at whom and how

68

00:02:58,790 --> 00:02:55,040

it all started

69

00:03:00,790 --> 00:02:58,800

right so uh one thing i wanted to

70

00:03:02,309 --> 00:03:00,800

ask you about and i had people asking me

71

00:03:06,470 --> 00:03:02,319

before

72

00:03:08,309 --> 00:03:06,480

we came on the show what um

73

00:03:09,990 --> 00:03:08,319

you know i know you went into the

74

00:03:12,309 --> 00:03:10,000

underground where you saw

75

00:03:14,949 --> 00:03:12,319

all these alien beings and that these

76

00:03:18,869 --> 00:03:14,959

reptilians and their families or

77

00:03:21,750 --> 00:03:18,879

Pods or whatever had set up uh

78

00:03:23,670 --> 00:03:21,760

you know habitation and such what were

79

00:03:27,830 --> 00:03:23,680

some of the equipment and other

80

00:03:30,390 --> 00:03:27,840

items that you saw at that location

81

00:03:32,710 --> 00:03:30,400

i tell you i think the most impressive

82

00:03:33,430 --> 00:03:32,720

thing i was watching was they had this

83

00:03:37,030 --> 00:03:33,440

uh

84

00:03:39,430 --> 00:03:37,040

like horseshoe looking device up there

85

00:03:41,350 --> 00:03:39,440

and uh and away from it they had another

86

00:03:41,910 --> 00:03:41,360

device that this thing was like popping

87

00:03:45,270 --> 00:03:41,920

out these

88

00:03:46,229 --> 00:03:45,280

uh orbs and they would put these orbs

89

00:03:48,149 --> 00:03:46,239

together

90

00:03:50,630 --> 00:03:48,159

right in the center where this horseshoe

91

00:03:50,949 --> 00:03:50,640

looking object was it was a red and

92

00:03:54,229 --> 00:03:50,959

white

93

00:03:57,270 --> 00:03:54,239

about 16 foot floor platform uh that

94

00:03:59,830 --> 00:03:57,280

probably about maybe 16 foot tall of

95

00:04:00,309 --> 00:03:59,840

what it was and uh they put these orbs

96

00:04:03,270 --> 00:04:00,319

together

97

00:04:04,309 --> 00:04:03,280

and they figure orb like a hollow spear

98

00:04:05,990 --> 00:04:04,319

but it was like

99

00:04:07,910 --> 00:04:06,000

the shell of the sphere that they was

100

00:04:09,429 --> 00:04:07,920

making and they would just this little

101
00:04:11,750 --> 00:04:09,439
box would pop out these orbs and they

102
00:04:13,429 --> 00:04:11,760
would carry it over with these gloves on

103
00:04:15,509 --> 00:04:13,439
and they would put them together and

104
00:04:17,189 --> 00:04:15,519
then uh they brought this

105
00:04:19,349 --> 00:04:17,199
young girl in she must have been

106
00:04:19,990 --> 00:04:19,359
probably about five or six years old

107
00:04:22,069 --> 00:04:20,000
maybe

108
00:04:24,070 --> 00:04:22,079
right around that age and they put her

109
00:04:24,870 --> 00:04:24,080
inside this they stretched it open and

110
00:04:27,030 --> 00:04:24,880
put her inside

111
00:04:28,310 --> 00:04:27,040
and then they kicked on the machine and

112
00:04:30,070 --> 00:04:28,320
then it showed uh

113
00:04:32,070 --> 00:04:30,080

in front of it showed a picture looked

114

00:04:33,830 --> 00:04:32,080

like it was space i guess it was

115

00:04:35,189 --> 00:04:33,840

because uh it looked like there was

116

00:04:36,790 --> 00:04:35,199

stars back there

117

00:04:38,390 --> 00:04:36,800

and then uh they kicked on the machine

118

00:04:39,110 --> 00:04:38,400

and then started flashing blue lights

119

00:04:41,670 --> 00:04:39,120

and they

120

00:04:42,390 --> 00:04:41,680

pushed her and it just like swooped down

121

00:04:44,310 --> 00:04:42,400

and then it

122

00:04:46,390 --> 00:04:44,320

shot her right out through the wall

123

00:04:47,749 --> 00:04:46,400

through a portal stargate whatever you

124

00:04:49,749 --> 00:04:47,759

want to call the thing

125

00:04:50,790 --> 00:04:49,759

and it just took off into like a ball of

126

00:04:53,030 --> 00:04:50,800

light you know

127

00:04:55,030 --> 00:04:53,040

wherever she was going i don't know it's

128

00:04:55,990 --> 00:04:55,040

like but i'll watch that thing and it

129

00:04:59,270 --> 00:04:56,000

took him about 30

130

00:05:00,550 --> 00:04:59,280

minutes to do this all process and uh

131

00:05:02,469 --> 00:05:00,560

and then uh you know they was kind of

132

00:05:03,909 --> 00:05:02,479

strolling me through there but

133

00:05:05,510 --> 00:05:03,919

you know they always take me with armed

134

00:05:07,990 --> 00:05:05,520

guards i don't know

135

00:05:08,550 --> 00:05:08,000

what they expect was going to happen but

136

00:05:12,070 --> 00:05:08,560

uh

137

00:05:14,550 --> 00:05:12,080

was gonna happen

138

00:05:16,310 --> 00:05:14,560

in the future i guess so they brought me

139

00:05:19,430 --> 00:05:16,320

into this uh

140

00:05:21,110 --> 00:05:19,440

really really huge room and uh had all

141

00:05:22,629 --> 00:05:21,120

kinds of computers and stuff that was

142

00:05:24,070 --> 00:05:22,639

going on in there and there was people

143

00:05:26,070 --> 00:05:24,080

sitting there not people but

144

00:05:27,749 --> 00:05:26,080

yeah some more people but mainly

145

00:05:30,310 --> 00:05:27,759

entities like uh

146

00:05:32,230 --> 00:05:30,320

you know reptilians and uh and uh maybe

147

00:05:34,230 --> 00:05:32,240

some greys and stuff like that

148

00:05:35,350 --> 00:05:34,240

but uh and they were showing me some

149

00:05:38,390 --> 00:05:35,360

stuff on the screen and

150

00:05:40,230 --> 00:05:38,400

they had two screens going and uh

151

00:05:41,830 --> 00:05:40,240

there's things that i might should not

152

00:05:44,150 --> 00:05:41,840

talk about but

153

00:05:45,749 --> 00:05:44,160

the uh they showed me some stuff i

154

00:05:47,270 --> 00:05:45,759

didn't know what i was exactly looking

155

00:05:49,029 --> 00:05:47,280

at what they were trying to show me but

156

00:05:50,310 --> 00:05:49,039

uh they showed it to me anyways i was so

157

00:05:53,189 --> 00:05:50,320

close to it you know

158

00:05:53,749 --> 00:05:53,199

you feel like uh it was actually there

159

00:05:56,550 --> 00:05:53,759

almost

160

00:05:58,230 --> 00:05:56,560

like uh uh like if you ever seen that

161

00:05:59,830 --> 00:05:58,240

star wars movie where they was flying

162

00:06:00,150 --> 00:05:59,840

around through the death star and stuff

163

00:06:01,430 --> 00:06:00,160

and

164

00:06:03,590 --> 00:06:01,440

if you were sitting in the front row of

165

00:06:04,550 --> 00:06:03,600

that movie you could feel like yourself

166

00:06:07,029 --> 00:06:04,560

moving with the

167

00:06:07,830 --> 00:06:07,039

x-wing fighter that was cruising to the

168

00:06:09,590 --> 00:06:07,840

death star

169

00:06:11,590 --> 00:06:09,600

you know trenches and stuff like that

170

00:06:14,230 --> 00:06:11,600

but uh that's what it felt like to me

171

00:06:14,870 --> 00:06:14,240

so it felt like a boat i guess almost

172

00:06:17,830 --> 00:06:14,880

but uh

173

00:06:20,070 --> 00:06:17,840

that's how close i was to the screen but

174

00:06:21,189 --> 00:06:20,080

that was a pretty impressive there and

175

00:06:23,029 --> 00:06:21,199

then uh

176

00:06:24,230 --> 00:06:23,039

one time that they was taking me through

177

00:06:27,670 --> 00:06:24,240

uh

178

00:06:30,950 --> 00:06:27,680

one there was

179

00:06:31,670 --> 00:06:30,960

a machine tunneled out for sure and they

180

00:06:34,790 --> 00:06:31,680

had like

181

00:06:36,309 --> 00:06:34,800

uh trains down there or or like the

182

00:06:38,710 --> 00:06:36,319

subway you know they had like a bullet

183

00:06:40,469 --> 00:06:38,720

train down to where i was at

184

00:06:42,710 --> 00:06:40,479

uh and that's what it looked like to me

185

00:06:44,550 --> 00:06:42,720

and they brought me up into a uh

186

00:06:45,749 --> 00:06:44,560

a room and it had like some chemistry

187

00:06:48,309 --> 00:06:45,759

stuff up on the

188

00:06:49,990 --> 00:06:48,319

black shelves in there and then uh and

189

00:06:51,510 --> 00:06:50,000

some other instruments but it wasn't

190

00:06:53,029 --> 00:06:51,520

really loaded down with a bunch of stuff

191

00:06:53,990 --> 00:06:53,039

because i always look for things to try

192

00:06:56,390 --> 00:06:54,000

to take

193

00:06:57,830 --> 00:06:56,400

but this has you know said to prove i

194

00:06:59,670 --> 00:06:57,840

was there but as you know everything's

195

00:07:02,950 --> 00:06:59,680

tied down and everything's to a very

196

00:07:05,110 --> 00:07:02,960

bare minimum so but i remember they took

197

00:07:07,350 --> 00:07:05,120

my wife with me at this time too but

198

00:07:08,469 --> 00:07:07,360

she was down the hall i could hear her

199

00:07:10,870 --> 00:07:08,479

calling my name

200

00:07:13,110 --> 00:07:10,880

like moaning at the same time but i knew

201

00:07:15,990 --> 00:07:13,120

she was going to be okay

202

00:07:16,390 --> 00:07:16,000

so you know once once the doctors come

203

00:07:21,670 --> 00:07:16,400

in

204

00:07:23,110 --> 00:07:21,680

i guess i don't remember whatever and i

205

00:07:26,870 --> 00:07:23,120

don't you know i go their way

206

00:07:28,950 --> 00:07:26,880

come back to sleep um pretty impressive

207

00:07:31,430 --> 00:07:28,960

stuff and then uh

208

00:07:33,189 --> 00:07:31,440

let's see then there's uh oh yeah i

209

00:07:33,749 --> 00:07:33,199

remember they took my whole bed out of

210

00:07:39,510 --> 00:07:33,759

the

211

00:07:41,270 --> 00:07:39,520

pretending i was asleep and i was kind

212

00:07:43,110 --> 00:07:41,280

of watching through my squint my eyes

213

00:07:46,469 --> 00:07:43,120

what was going on

214

00:07:48,150 --> 00:07:46,479

and uh the whole wall was like a

215

00:07:50,230 --> 00:07:48,160

portal stargate whatever you want to

216

00:07:52,309 --> 00:07:50,240

call it but it looks like a

217

00:07:54,309 --> 00:07:52,319

tv screen with that snow on it but it

218

00:07:56,469 --> 00:07:54,319

was green looking

219

00:07:58,469 --> 00:07:56,479

and uh and when they they opened it up

220

00:07:59,510 --> 00:07:58,479

it's you can feel that the pressure

221

00:08:01,830 --> 00:07:59,520

change and everything

222

00:08:03,430 --> 00:08:01,840

it's like everything changes instantly

223

00:08:05,670 --> 00:08:03,440

they just walk right on in

224

00:08:08,469 --> 00:08:05,680

and uh i said they're laying there and

225

00:08:10,550 --> 00:08:08,479

uh there was a female reptilian

226

00:08:11,749 --> 00:08:10,560

and uh you know they kind of look like

227

00:08:15,270 --> 00:08:11,759

us but kind of scaly

228

00:08:17,350 --> 00:08:15,280

you know kind of tall and uh she had a

229

00:08:19,510 --> 00:08:17,360

short reptilian not the same species

230

00:08:21,510 --> 00:08:19,520

with her but i guess

231

00:08:23,029 --> 00:08:21,520

he was her apprentice or something like

232

00:08:24,950 --> 00:08:23,039

that and uh

233

00:08:26,469 --> 00:08:24,960

i sat up in the bed because they brought

234

00:08:28,790 --> 00:08:26,479

my children down and they laid them

235

00:08:30,150 --> 00:08:28,800

across the bed you know crisscrossed

236

00:08:31,990 --> 00:08:30,160

and this was a big bed you know it's a

237

00:08:34,149 --> 00:08:32,000

california king huge

238

00:08:35,589 --> 00:08:34,159

huge bed it was posted and everything on

239

00:08:38,230 --> 00:08:35,599

it and uh

240

00:08:39,990 --> 00:08:38,240

and i sat up in a little shorter

241

00:08:42,550 --> 00:08:40,000

apprentice looking reptilian

242

00:08:44,389 --> 00:08:42,560

asked me if that bothered me and i said

243

00:08:44,710 --> 00:08:44,399

you know i didn't want to blow it i said

244

00:08:48,630 --> 00:08:44,720

no

245

00:08:50,230 --> 00:08:48,640

uh i trust you and uh and they

246

00:08:52,230 --> 00:08:50,240

were looking at me and i looking at them

247

00:08:53,269 --> 00:08:52,240

and then and i said why you guys doing

248

00:08:54,630 --> 00:08:53,279

this

249

00:08:56,550 --> 00:08:54,640

and uh they turned around and started

250

00:08:57,030 --> 00:08:56,560

walking out and the female reptilian put

251
00:08:58,550 --> 00:08:57,040
this

252
00:09:00,470 --> 00:08:58,560
long finger up in the air you know they

253
00:09:02,310 --> 00:09:00,480
got three fingers but uh

254
00:09:04,310 --> 00:09:02,320
and she goes because you're special

255
00:09:05,750 --> 00:09:04,320
that's a bull crap i says

256
00:09:07,750 --> 00:09:05,760
i have a better answer than that you

257
00:09:09,509 --> 00:09:07,760
could tell that to anybody you know like

258
00:09:10,790 --> 00:09:09,519
how many times they used that one you

259
00:09:13,910 --> 00:09:10,800
know like but they

260
00:09:15,110 --> 00:09:13,920
uh they took nine of these big reptilian

261
00:09:16,949 --> 00:09:15,120
looking guys

262
00:09:18,150 --> 00:09:16,959
to carry that whole bed out of the house

263
00:09:20,550 --> 00:09:18,160

i mean they carried

264

00:09:21,590 --> 00:09:20,560

the whole bed out of the house with us

265

00:09:23,910 --> 00:09:21,600

on it

266

00:09:25,430 --> 00:09:23,920

so it was nine of them and uh we went

267

00:09:26,470 --> 00:09:25,440

through and they put us on the back of

268

00:09:28,870 --> 00:09:26,480

this uh

269

00:09:30,070 --> 00:09:28,880

train car looking thing a flatbed train

270

00:09:32,310 --> 00:09:30,080

car

271

00:09:33,269 --> 00:09:32,320

and uh and i remember there was a golf

272

00:09:36,470 --> 00:09:33,279

cart down there

273

00:09:38,389 --> 00:09:36,480

it was that old model a ford was down

274

00:09:40,389 --> 00:09:38,399

there was barely running

275

00:09:41,910 --> 00:09:40,399

uh you would not believe some of the

276

00:09:44,150 --> 00:09:41,920

antiques i see down there

277

00:09:46,070 --> 00:09:44,160

i mean just just like you know just

278

00:09:47,269 --> 00:09:46,080

discarded to the side you know like

279

00:09:50,310 --> 00:09:47,279

they've been doing this for a

280

00:09:52,550 --> 00:09:50,320

very long time uh

281

00:09:54,949 --> 00:09:52,560

and uh they have yeah and some of the

282

00:09:58,310 --> 00:09:54,959

smaller reptilians worker species they

283

00:10:00,870 --> 00:09:58,320

weren't hard hats like we were at work

284

00:10:02,710 --> 00:10:00,880

kind of blows my mind and they got like

285

00:10:05,190 --> 00:10:02,720

a subway down there too

286

00:10:06,710 --> 00:10:05,200

there was uh transporting people but

287

00:10:08,150 --> 00:10:06,720

they took us on this train car and it

288

00:10:10,790 --> 00:10:08,160

was a long ride

289

00:10:13,190 --> 00:10:10,800

long ride and uh they separated us from

290

00:10:14,630 --> 00:10:13,200

once we got to our destination

291

00:10:16,389 --> 00:10:14,640

and then uh they took the kids a

292

00:10:18,790 --> 00:10:16,399

different direction and took my wife in

293

00:10:21,110 --> 00:10:18,800

another direction and then they uh

294

00:10:22,470 --> 00:10:21,120

took me to this room it was like a an

295

00:10:24,310 --> 00:10:22,480

airport it was huge

296

00:10:25,829 --> 00:10:24,320

it was really huge and there was a lot

297

00:10:28,790 --> 00:10:25,839

of them coming in on this uh

298

00:10:30,550 --> 00:10:28,800

like a subway looking car uh maybe it

299

00:10:32,150 --> 00:10:30,560

looked like it was from the 1980s or

300

00:10:33,509 --> 00:10:32,160

something like that and uh didn't have

301

00:10:35,110 --> 00:10:33,519

no glass in it

302

00:10:36,630 --> 00:10:35,120

and it was full of workers and other

303

00:10:40,150 --> 00:10:36,640

species and uh

304

00:10:42,550 --> 00:10:40,160

they had like a giant stargate

305

00:10:43,509 --> 00:10:42,560

thing going you could hear humming you

306

00:10:46,710 --> 00:10:43,519

know you know

307

00:10:47,269 --> 00:10:46,720

doing the buzzing sound and you almost

308

00:10:49,350 --> 00:10:47,279

feel the

309

00:10:51,670 --> 00:10:49,360

energy coming off of it and uh they had

310

00:10:53,110 --> 00:10:51,680

like three big screens there

311

00:10:54,790 --> 00:10:53,120

and these people would walk out on these

312

00:10:56,150 --> 00:10:54,800

grates and they would dial in

313

00:10:58,069 --> 00:10:56,160

and they would just walk right on

314

00:10:59,829 --> 00:10:58,079

through and they just gone

315

00:11:01,670 --> 00:10:59,839

and they had me like suspended up in

316

00:11:04,389 --> 00:11:01,680

this uh blue beam

317

00:11:05,829 --> 00:11:04,399

and uh they had another person there too

318

00:11:07,829 --> 00:11:05,839

he was suspended up in there too but i

319

00:11:10,550 --> 00:11:07,839

was kind of looking at him but

320

00:11:11,190 --> 00:11:10,560

like it's almost like suffocating but

321

00:11:14,550 --> 00:11:11,200

but

322

00:11:17,509 --> 00:11:14,560

can't move

323

00:11:19,590 --> 00:11:17,519

and uh so i just kind of looking around

324

00:11:22,230 --> 00:11:19,600

and uh seeing what's going on and it was

325

00:11:23,269 --> 00:11:22,240

like an airport but it was a stargate

326
00:11:25,430 --> 00:11:23,279
airport

327
00:11:26,630 --> 00:11:25,440
so there was a lot of them coming in and

328
00:11:28,310 --> 00:11:26,640
going out is the

329
00:11:29,670 --> 00:11:28,320
weirdest thing i've seen but it was

330
00:11:30,710 --> 00:11:29,680
pretty cool at the same time but i was

331
00:11:32,310 --> 00:11:30,720
more interested in

332
00:11:33,829 --> 00:11:32,320
with the center of the floor with the

333
00:11:34,870 --> 00:11:33,839
machine that was running and what kind

334
00:11:36,710 --> 00:11:34,880
of power it was

335
00:11:38,389 --> 00:11:36,720
you know taking to dial in on these

336
00:11:41,750 --> 00:11:38,399
places so

337
00:11:43,509 --> 00:11:41,760
uh but eventually they got me

338
00:11:45,509 --> 00:11:43,519

did they ever send you through to any

339

00:11:49,110 --> 00:11:45,519

other place

340

00:11:51,269 --> 00:11:49,120

uh i've been to you know i

341

00:11:53,269 --> 00:11:51,279

they sent me to some places i i don't

342

00:11:57,350 --> 00:11:53,279

know where it was at

343

00:11:59,269 --> 00:11:57,360

i remember watching uh we flew over this

344

00:12:01,030 --> 00:11:59,279

looked like a city or a town it was like

345

00:12:03,829 --> 00:12:01,040

it was i remember the colors were

346

00:12:05,269 --> 00:12:03,839

red white and and blue but you know like

347

00:12:08,150 --> 00:12:05,279

the red and blue was like

348

00:12:09,110 --> 00:12:08,160

pinstripings on stuff and uh it was like

349

00:12:11,590 --> 00:12:09,120

trees there

350

00:12:12,150 --> 00:12:11,600

and grass you know in small like little

351
00:12:15,110 --> 00:12:12,160
spots

352
00:12:16,069 --> 00:12:15,120
but it wasn't like it was a bluish green

353
00:12:17,509 --> 00:12:16,079
you know it's uh

354
00:12:19,509 --> 00:12:17,519
like it was i don't know it's like it

355
00:12:21,110 --> 00:12:19,519
wasn't real maybe it was but then there

356
00:12:23,190 --> 00:12:21,120
were streets

357
00:12:24,870 --> 00:12:23,200
and uh and they had like transporters

358
00:12:26,069 --> 00:12:24,880
that would transport people across the

359
00:12:28,069 --> 00:12:26,079
street

360
00:12:29,350 --> 00:12:28,079
and uh i didn't see no traffic but

361
00:12:30,310 --> 00:12:29,360
people were still using instead of

362
00:12:31,990 --> 00:12:30,320
crossing the street

363
00:12:33,910 --> 00:12:32,000

um and it would zip them to the other

364

00:12:37,110 --> 00:12:33,920

side it was pretty cool

365

00:12:38,629 --> 00:12:37,120

and uh and they had like mushroom shaped

366

00:12:40,949 --> 00:12:38,639

buildings and it looked like water

367

00:12:43,110 --> 00:12:40,959

towers but there was buildings

368

00:12:44,389 --> 00:12:43,120

and uh and they were getting in and out

369

00:12:45,910 --> 00:12:44,399

of those

370

00:12:47,430 --> 00:12:45,920

that's when they were showing me some

371

00:12:50,550 --> 00:12:47,440

information and and

372

00:12:52,389 --> 00:12:50,560

drilling me with some information and uh

373

00:12:54,790 --> 00:12:52,399

i didn't know what why they was doing it

374

00:12:56,629 --> 00:12:54,800

or what even my role was in it but uh

375

00:12:58,230 --> 00:12:56,639

maybe it's all gonna come together one

376

00:13:01,190 --> 00:12:58,240

day to ahead i don't know

377

00:13:02,310 --> 00:13:01,200

i'm gonna know everything so i'm hoping

378

00:13:04,470 --> 00:13:02,320

so

379

00:13:06,389 --> 00:13:04,480

you had mentioned to me that you believe

380

00:13:08,710 --> 00:13:06,399

you may have been taken to the lunar

381

00:13:12,230 --> 00:13:08,720

surface at one point

382

00:13:14,230 --> 00:13:12,240

yeah absolutely and uh this is

383

00:13:15,670 --> 00:13:14,240

gonna sound kind of funny but but i

384

00:13:18,629 --> 00:13:15,680

remember waking up

385

00:13:20,069 --> 00:13:18,639

and uh and i was you know if you ever

386

00:13:21,750 --> 00:13:20,079

see these indian things that

387

00:13:23,670 --> 00:13:21,760

one of the indians would be injured you

388

00:13:25,269 --> 00:13:23,680

know and they make this like

389

00:13:26,710 --> 00:13:25,279

thing out of sticks and maybe some

390

00:13:29,110 --> 00:13:26,720

canvas and stuff and

391

00:13:29,910 --> 00:13:29,120

they dragged the person you know behind

392

00:13:31,509 --> 00:13:29,920

them

393

00:13:33,269 --> 00:13:31,519

that's that's what i was on but i was

394

00:13:33,990 --> 00:13:33,279

like upside down on this thing and they

395

00:13:36,710 --> 00:13:34,000

had my wife

396

00:13:37,190 --> 00:13:36,720

too and i remember looking at the dirt

397

00:13:38,949 --> 00:13:37,200

uh

398

00:13:41,030 --> 00:13:38,959

the stick that was dragging in the dirt

399

00:13:43,189 --> 00:13:41,040

behind them and i was looking at things

400

00:13:44,870 --> 00:13:43,199

we had to go through uh security point

401
00:13:45,750 --> 00:13:44,880
at the security point and this is when

402
00:13:48,949 --> 00:13:45,760
it was taken to

403
00:13:49,990 --> 00:13:48,959
taking me to uh yeah like a council of

404
00:13:51,509 --> 00:13:50,000
five

405
00:13:53,430 --> 00:13:51,519
and i didn't know where the council of

406
00:13:55,590 --> 00:13:53,440
five is i still really don't

407
00:13:57,030 --> 00:13:55,600
know daddy you know that whole council

408
00:13:59,269 --> 00:13:57,040
of five thing

409
00:14:00,069 --> 00:13:59,279
you and i have talked about that a bit

410
00:14:02,230 --> 00:14:00,079
and

411
00:14:04,230 --> 00:14:02,240
that's something that i've been looking

412
00:14:06,069 --> 00:14:04,240
into the past year or so because it's

413
00:14:09,430 --> 00:14:06,079

been mentioned to me

414

00:14:12,150 --> 00:14:09,440

and from you and from talking to you

415

00:14:13,189 --> 00:14:12,160

and some things you had told me and from

416

00:14:15,110 --> 00:14:13,199

what i've seen it

417

00:14:17,110 --> 00:14:15,120

seems that this council of five may

418

00:14:19,269 --> 00:14:17,120

actually be

419

00:14:20,870 --> 00:14:19,279

in on the moon but underground on the

420

00:14:22,389 --> 00:14:20,880

moon somewhere

421

00:14:23,910 --> 00:14:22,399

right yeah because when it was taken it

422

00:14:24,949 --> 00:14:23,920

looked just like the pictures that you

423

00:14:28,069 --> 00:14:24,959

do on the moon

424

00:14:29,189 --> 00:14:28,079

you see the hills and uh you can the the

425

00:14:31,990 --> 00:14:29,199

background was from

426
00:14:32,230 --> 00:14:32,000
you know black and uh and then but there

427
00:14:35,030 --> 00:14:32,240
was

428
00:14:36,470 --> 00:14:35,040
air there i could breathe and uh and

429
00:14:37,990 --> 00:14:36,480
there was dragging me behind i kept

430
00:14:39,509 --> 00:14:38,000
trying to get those guys to talk to me

431
00:14:40,230 --> 00:14:39,519
they were talking back and forth while i

432
00:14:41,910 --> 00:14:40,240
was walking and

433
00:14:45,269 --> 00:14:41,920
you know we stopped you like maybe five

434
00:14:49,430 --> 00:14:47,829
yes they do and uh where they got the

435
00:14:51,829 --> 00:14:49,440
language from i don't know maybe

436
00:14:53,590 --> 00:14:51,839
like i said that the english language

437
00:14:54,710 --> 00:14:53,600
must be like the language of the birds

438
00:14:57,189 --> 00:14:54,720

so

439

00:14:58,870 --> 00:14:57,199

that's my universal language you know

440

00:15:02,069 --> 00:14:58,880

that's one thing i can think of

441

00:15:05,350 --> 00:15:02,079

i know when i communicated when i had my

442

00:15:07,670 --> 00:15:05,360

lost time experience where they showed

443

00:15:09,189 --> 00:15:07,680

me all these scenarios and stuff i wrote

444

00:15:12,389 --> 00:15:09,199

about the book

445

00:15:15,030 --> 00:15:12,399

uh they were talking english to me

446

00:15:17,030 --> 00:15:15,040

and when they were most the time it was

447

00:15:19,430 --> 00:15:17,040

like a telepathy type thing

448

00:15:21,269 --> 00:15:19,440

i knew what they were saying but when i

449

00:15:24,470 --> 00:15:21,279

did hear the language it was

450

00:15:25,990 --> 00:15:24,480

it was always in english yeah and they

451

00:15:27,430 --> 00:15:26,000

yeah they talk to each other in uh

452

00:15:29,990 --> 00:15:27,440

english uh

453

00:15:31,269 --> 00:15:30,000

there's a lot of humans in that's with

454

00:15:33,189 --> 00:15:31,279

them too and they speak you know they're

455

00:15:34,790 --> 00:15:33,199

speaking english as well and i

456

00:15:36,550 --> 00:15:34,800

over listen to them talk all the time

457

00:15:38,230 --> 00:15:36,560

especially when they stop here

458

00:15:39,670 --> 00:15:38,240

or they're waiting for me to go to bed

459

00:15:40,389 --> 00:15:39,680

or something you can hear them talking

460

00:15:42,550 --> 00:15:40,399

you know it's like

461

00:15:44,470 --> 00:15:42,560

it sounds like a clock radio off in the

462

00:15:46,389 --> 00:15:44,480

distance when they're talking

463

00:15:48,790 --> 00:15:46,399

uh that's what it sounds like to me but

464

00:15:49,670 --> 00:15:48,800

end up i remember this thing came up out

465

00:15:51,670 --> 00:15:49,680

of the ground

466

00:15:52,870 --> 00:15:51,680

and it looked reminded me of stone's

467

00:15:55,749 --> 00:15:52,880

hands you know it's like

468

00:15:56,710 --> 00:15:55,759

no i asked them you know we have

469

00:15:59,189 --> 00:15:56,720

something like that

470

00:16:00,230 --> 00:15:59,199

where i'm from and uh and they one of

471

00:16:03,509 --> 00:16:00,240

them turned around and says

472

00:16:06,470 --> 00:16:03,519

we know and i said like what

473

00:16:07,829 --> 00:16:06,480

is it they said survey marker well i

474

00:16:09,430 --> 00:16:07,839

know what a survey marker is i didn't

475

00:16:10,550 --> 00:16:09,440

want to sound stupid so i just hit my

476
00:16:13,910 --> 00:16:10,560
mouth shut

477
00:16:15,990 --> 00:16:13,920
so but i'm thinking you know

478
00:16:17,269 --> 00:16:16,000
stonehenge you know it's a calendar and

479
00:16:19,990 --> 00:16:17,279
it's probably a

480
00:16:21,430 --> 00:16:20,000
place where they paid homage to these uh

481
00:16:23,910 --> 00:16:21,440
entities at one time for

482
00:16:25,829 --> 00:16:23,920
trading with technology because they

483
00:16:28,629 --> 00:16:25,839
showed me something a long time ago

484
00:16:29,749 --> 00:16:28,639
when uh this first started happening i

485
00:16:33,350 --> 00:16:29,759
think that was happening

486
00:16:36,069 --> 00:16:33,360
in uh baghdad over there you know

487
00:16:36,949 --> 00:16:36,079
during the war and they so many

488
00:16:39,509 --> 00:16:36,959

techniques and

489

00:16:40,710 --> 00:16:39,519

that the military was using that i had

490

00:16:42,629 --> 00:16:40,720

no idea that there was using the

491

00:16:44,389 --> 00:16:42,639

techniques but seemed to be pretty uh

492

00:16:45,670 --> 00:16:44,399

smart and clever how they was flushing

493

00:16:48,389 --> 00:16:45,680

these guys out you know

494

00:16:50,069 --> 00:16:48,399

and uh so and then i seen a bunch of

495

00:16:53,030 --> 00:16:50,079

bodies that were on

496

00:16:53,910 --> 00:16:53,040

these gurneys or or uh what you would

497

00:16:55,590 --> 00:16:53,920

see you know

498

00:16:57,269 --> 00:16:55,600

world war ii they would carry them off

499

00:16:58,470 --> 00:16:57,279

in these canvas things you know with the

500

00:17:00,230 --> 00:16:58,480

sticks and everything

501
00:17:02,629 --> 00:17:00,240
they had them stacked up around this

502
00:17:05,590 --> 00:17:02,639
stargate i mean uh uh unless i get the

503
00:17:07,189 --> 00:17:05,600
stonehenge thing and it was opening up

504
00:17:08,630 --> 00:17:07,199
and it was carrying these guys too old

505
00:17:10,789 --> 00:17:08,640
soldiers i don't know if they were dead

506
00:17:12,069 --> 00:17:10,799
or alive or what was going on but i was

507
00:17:13,429 --> 00:17:12,079
seeing everything you know from a

508
00:17:15,909 --> 00:17:13,439
distance

509
00:17:18,230 --> 00:17:15,919
and uh and it was a stonehenge it

510
00:17:19,750 --> 00:17:18,240
definitely was stonehenge and uh

511
00:17:21,270 --> 00:17:19,760
and it was it was opening up like a

512
00:17:23,669 --> 00:17:21,280
stargate and it was carrying all these

513
00:17:25,350 --> 00:17:23,679

guys through bodies or whatever so i

514

00:17:26,789 --> 00:17:25,360

don't know if these guys are playing a

515

00:17:29,750 --> 00:17:26,799

role in these wars or what

516

00:17:31,830 --> 00:17:29,760

or are they uh they harvesting the dna

517

00:17:33,270 --> 00:17:31,840

from these soldiers after they die or or

518

00:17:35,990 --> 00:17:33,280

they're still alive you know

519

00:17:37,510 --> 00:17:36,000

so i only got parts you know i only get

520

00:17:37,830 --> 00:17:37,520

parts of information that got tried to

521

00:17:40,230 --> 00:17:37,840

put

522

00:17:42,470 --> 00:17:40,240

together you know from other uh

523

00:17:44,789 --> 00:17:42,480

incidences that happen

524

00:17:46,310 --> 00:17:44,799

uh and i don't even know why i was there

525

00:17:47,830 --> 00:17:46,320

watching that stuff when it was just

526

00:17:49,270 --> 00:17:47,840

drilling me with information like do you

527

00:17:50,630 --> 00:17:49,280

know about this you know about this you

528

00:17:52,390 --> 00:17:50,640

know it's like kind of stuff that they

529

00:17:54,390 --> 00:17:52,400

were showing me information and

530

00:17:56,549 --> 00:17:54,400

i don't have no power i was like who am

531

00:17:59,990 --> 00:17:56,559

i going to talk to you knows like

532

00:18:01,669 --> 00:18:00,000

but uh but it's a pretty interesting

533

00:18:04,150 --> 00:18:01,679

stuff the way they do it and these

534

00:18:05,909 --> 00:18:04,160

portals and stargates i

535

00:18:07,830 --> 00:18:05,919

i sure like to be able to create one

536

00:18:09,750 --> 00:18:07,840

myself i've never been able to walk into

537

00:18:12,470 --> 00:18:09,760

it by myself but i have

538

00:18:13,350 --> 00:18:12,480

ran out of one before so right back into

539

00:18:15,909 --> 00:18:13,360

my bedroom

540

00:18:17,430 --> 00:18:15,919

yeah that's uh that was that story when

541

00:18:18,070 --> 00:18:17,440

they took me out and put me on this

542

00:18:20,230 --> 00:18:18,080

gurney

543

00:18:22,070 --> 00:18:20,240

and this thing opened up by my dresser

544

00:18:23,990 --> 00:18:22,080

and it went down to like a hallway

545

00:18:26,310 --> 00:18:24,000

uh eight foot by eight foot instead of

546

00:18:27,750 --> 00:18:26,320

square and it kind of just swooped down

547

00:18:29,350 --> 00:18:27,760

like in the hill type and they was

548

00:18:31,750 --> 00:18:29,360

rolling me down through there and there

549

00:18:33,510 --> 00:18:31,760

was reptilians working on humans

550

00:18:34,630 --> 00:18:33,520

on the side where the walls were and

551
00:18:35,830 --> 00:18:34,640
they were still on the gurneys you know

552
00:18:37,830 --> 00:18:35,840
like they were just brought in a

553
00:18:40,470 --> 00:18:37,840
shipment of people and it was

554
00:18:41,590 --> 00:18:40,480
uh catching up on what they was doing

555
00:18:43,830 --> 00:18:41,600
there was this uh

556
00:18:45,990 --> 00:18:43,840
i remember watching this uh uh heavysset

557
00:18:48,950 --> 00:18:46,000
fella and he was laying on his uh

558
00:18:50,630 --> 00:18:48,960
uh belly and and his back was facing up

559
00:18:52,789 --> 00:18:50,640
the female reptilian

560
00:18:53,990 --> 00:18:52,799
and she was kind of uh maybe five foot

561
00:18:56,230 --> 00:18:54,000
four

562
00:18:57,750 --> 00:18:56,240
and uh he had this rod shoved up in his

563
00:18:59,990 --> 00:18:57,760

back and she was getting

564

00:19:02,070 --> 00:19:00,000

mad and uh she pulled the rod out and

565

00:19:03,909 --> 00:19:02,080

she threw it on the floor

566

00:19:05,430 --> 00:19:03,919

and then uh she stuck her fingers into

567

00:19:07,350 --> 00:19:05,440

the incision and she

568

00:19:09,029 --> 00:19:07,360

peeled up part his back i mean just look

569

00:19:09,990 --> 00:19:09,039

you just ripped the incision open big

570

00:19:12,070 --> 00:19:10,000

and she shoved her whole

571

00:19:13,990 --> 00:19:12,080

hand and arm up in his back and she

572

00:19:17,350 --> 00:19:14,000

pulled out this thing and she says i

573

00:19:19,270 --> 00:19:17,360

got it and uh i said oh hell no

574

00:19:20,470 --> 00:19:19,280

i rode off this gurney and took off i

575

00:19:22,070 --> 00:19:20,480

was going down i didn't know which way i

576

00:19:22,470 --> 00:19:22,080

was going i just come back the same way

577

00:19:24,390 --> 00:19:22,480

i came

578

00:19:26,150 --> 00:19:24,400

in there and uh i walked right through a

579

00:19:27,590 --> 00:19:26,160

wall right into my bedroom and i spun

580

00:19:27,909 --> 00:19:27,600

around i was waiting for him to come

581

00:19:30,070 --> 00:19:27,919

through

582

00:19:31,190 --> 00:19:30,080

i was like i was not gonna go do that i

583

00:19:34,390 --> 00:19:31,200

thought they were gonna chase me

584

00:19:34,789 --> 00:19:34,400

back yes i did and then no one ever came

585

00:19:36,950 --> 00:19:34,799

through

586

00:19:37,990 --> 00:19:36,960

so and uh i woke up my wife and she told

587

00:19:41,270 --> 00:19:38,000

me to get back in bed

588

00:19:42,390 --> 00:19:41,280

and everything was like man but uh you

589

00:19:43,789 --> 00:19:42,400

know you talked about

590

00:19:45,830 --> 00:19:43,799

you talked to me about the

591

00:19:48,230 --> 00:19:45,840

experimentation

592

00:19:49,430 --> 00:19:48,240

and the surgeries and such that you

593

00:19:51,190 --> 00:19:49,440

witnessed

594

00:19:53,669 --> 00:19:51,200

and then they exposed i mean they

595

00:20:00,710 --> 00:19:53,679

disposed of the bodies through this

596

00:20:04,390 --> 00:20:02,630

it was huge it was a huge facility i

597

00:20:06,390 --> 00:20:04,400

mean as far as i could see

598

00:20:08,390 --> 00:20:06,400

and it had this thing on the ceiling it

599

00:20:09,830 --> 00:20:08,400

was uh like a half moon shaped and it

600

00:20:13,110 --> 00:20:09,840

was silver

601
00:20:14,950 --> 00:20:13,120
and it was like vacuuming up these uh

602
00:20:16,230 --> 00:20:14,960
bodies that been drained of all the

603
00:20:18,230 --> 00:20:16,240
fluids you know they look like

604
00:20:19,669 --> 00:20:18,240
mummies it was like really light down

605
00:20:21,270 --> 00:20:19,679
there and then uh

606
00:20:23,110 --> 00:20:21,280
they had like burners down there and

607
00:20:25,510 --> 00:20:23,120
they were like they were stationed out

608
00:20:26,470 --> 00:20:25,520
every four of them in a row i mean there

609
00:20:28,870 --> 00:20:26,480
was pretty

610
00:20:31,190 --> 00:20:28,880
huge steel doors on these things and

611
00:20:32,710 --> 00:20:31,200
these shorter reptilians and when uh

612
00:20:34,950 --> 00:20:32,720
with often these bodies and they're

613
00:20:36,470 --> 00:20:34,960

burning them you know it's like it's as

614

00:20:39,190 --> 00:20:36,480

fast as they could do you could see it

615

00:20:41,750 --> 00:20:39,200

was hot it was glowing red

616

00:20:43,270 --> 00:20:41,760

and uh and as far as i when i looked off

617

00:20:43,590 --> 00:20:43,280

into the distance you know there's more

618

00:20:45,270 --> 00:20:43,600

than

619

00:20:46,870 --> 00:20:45,280

just one these silver things up on the

620

00:20:48,070 --> 00:20:46,880

ceiling it was you know some off in the

621

00:20:49,750 --> 00:20:48,080

distance and

622

00:20:52,310 --> 00:20:49,760

it was a huge facility that they were

623

00:20:54,950 --> 00:20:52,320

doing this at and these people

624

00:20:55,510 --> 00:20:54,960

was wearing like hand-me-down clothing

625

00:20:58,870 --> 00:20:55,520

like

626

00:21:01,029 --> 00:20:58,880

corduroys uh pants and flannel shirts

627

00:21:04,149 --> 00:21:01,039

and maybe some scarves and uh some hats

628

00:21:05,430 --> 00:21:04,159

and stuff like that uh and it didn't

629

00:21:07,110 --> 00:21:05,440

look like it was real healthy it was

630

00:21:11,110 --> 00:21:07,120

kind of pale looking and

631

00:21:16,070 --> 00:21:11,120

skinny but uh and it was like

632

00:21:18,710 --> 00:21:16,080

uh falling from uh uh area above my head

633

00:21:19,750 --> 00:21:18,720

which i could only see very little of

634

00:21:21,430 --> 00:21:19,760

and uh

635

00:21:24,149 --> 00:21:21,440

i you know i just glancing out there but

636

00:21:25,430 --> 00:21:24,159

i was more and enthused like these uh

637

00:21:27,909 --> 00:21:25,440

things that were coming out of the walls

638

00:21:29,750 --> 00:21:27,919

as these bodies were falling down it was

639

00:21:31,270 --> 00:21:29,760

still you know full fluid and these

640

00:21:32,390 --> 00:21:31,280

things were jabbing them on each side of

641

00:21:34,149 --> 00:21:32,400

the leg

642

00:21:35,590 --> 00:21:34,159

and it would suck all this fluid out and

643

00:21:36,789 --> 00:21:35,600

it would happen really quick and then

644

00:21:39,350 --> 00:21:36,799

they'd become like

645

00:21:40,710 --> 00:21:39,360

really light light like paper going down

646

00:21:42,789 --> 00:21:40,720

from that point

647

00:21:44,230 --> 00:21:42,799

and uh down to the piles and that thing

648

00:21:47,110 --> 00:21:44,240

was vacuuming them up

649

00:21:49,590 --> 00:21:47,120

so wow it was a amazing i did i didn't

650

00:21:53,590 --> 00:21:49,600

know if i was next as my going home

651
00:21:55,990 --> 00:21:53,600
or what's going on uh and there was all

652
00:21:56,950 --> 00:21:56,000
one facility that they took me to and

653
00:21:59,990 --> 00:21:56,960
there was a

654
00:22:01,909 --> 00:22:00,000
it was like a cafeteria and uh they

655
00:22:03,830 --> 00:22:01,919
pushed me into there's like a morgue

656
00:22:05,669 --> 00:22:03,840
and it was a bunch of bodies and they're

657
00:22:07,510 --> 00:22:05,679
all covered up and there was a

658
00:22:09,350 --> 00:22:07,520
a chef or whatever he was going in there

659
00:22:11,029 --> 00:22:09,360
cutting off limbs and stuff

660
00:22:12,470 --> 00:22:11,039
and putting them on plates and passing

661
00:22:13,909 --> 00:22:12,480
them out to these reptilians it was

662
00:22:16,870 --> 00:22:13,919
eaten in the cafeteria

663
00:22:19,590 --> 00:22:16,880

so they it was like so they were

664

00:22:23,430 --> 00:22:19,600

actually eating human flesh

665

00:22:27,909 --> 00:22:23,440

yes they do eat humans and the delicacy

666

00:22:30,070 --> 00:22:27,919

is children so oh my god you know

667

00:22:32,950 --> 00:22:30,080

i thought you had told me that at one

668

00:22:36,789 --> 00:22:32,960

point i never really pressed you on it

669

00:22:41,990 --> 00:22:40,149

yeah i know you know this is um

670

00:22:44,630 --> 00:22:42,000

this is some of the stuff that people

671

00:22:47,590 --> 00:22:44,640

ask me do they eat human flesh

672

00:22:49,029 --> 00:22:47,600

uh do they uh absolutely do they kill

673

00:22:51,510 --> 00:22:49,039

humans well they do they

674

00:22:52,149 --> 00:22:51,520

they experiment on them they dispose of

675

00:22:58,390 --> 00:22:52,159

them

676
00:22:59,110 --> 00:22:58,400
and uh yeah and then and then when

677
00:23:02,310 --> 00:22:59,120
they're

678
00:23:02,950 --> 00:23:02,320
cloning humans or making children they

679
00:23:04,950 --> 00:23:02,960
run into

680
00:23:05,990 --> 00:23:04,960
i was i was watching this that they had

681
00:23:09,029 --> 00:23:06,000
a bunch of

682
00:23:10,630 --> 00:23:09,039
children behind us uh this steel door

683
00:23:12,710 --> 00:23:10,640
and i was on the other side where i

684
00:23:13,909 --> 00:23:12,720
watched them come in one at a time

685
00:23:15,990 --> 00:23:13,919
and they would come over and they would

686
00:23:17,750 --> 00:23:16,000
stand on this platform and

687
00:23:19,990 --> 00:23:17,760
a light would shine all around them and

688
00:23:22,470 --> 00:23:20,000

scan them like up and down

689

00:23:23,110 --> 00:23:22,480

and uh if there was something wrong with

690

00:23:25,909 --> 00:23:23,120

them

691

00:23:26,390 --> 00:23:25,919

it was in maine it would uh it would zap

692

00:23:28,630 --> 00:23:26,400

them and

693

00:23:29,669 --> 00:23:28,640

you could hear them hit the deck and

694

00:23:31,909 --> 00:23:29,679

then and then

695

00:23:33,669 --> 00:23:31,919

dump the body it was gone and then the

696

00:23:35,510 --> 00:23:33,679

next child they had no idea that this

697

00:23:37,669 --> 00:23:35,520

was going to happen to them and uh

698

00:23:38,630 --> 00:23:37,679

it was tough to watch because i mean

699

00:23:41,029 --> 00:23:38,640

because someone

700

00:23:43,269 --> 00:23:41,039

you know the children you know like i'm

701
00:23:46,789 --> 00:23:43,279
saying it was just tough to watch

702
00:23:47,990 --> 00:23:46,799
and uh it's so it's uh it was hard to

703
00:23:51,190 --> 00:23:48,000
watch that as well

704
00:23:54,230 --> 00:23:51,200
and they'll make these children uh

705
00:23:56,549 --> 00:23:54,240
for like living dolls for their children

706
00:23:58,390 --> 00:23:56,559
you know like the reptilian children or

707
00:24:01,110 --> 00:23:58,400
a playmate you know and then

708
00:24:04,149 --> 00:24:01,120
when you know after time goes by they

709
00:24:07,350 --> 00:24:04,159
will send them off to be processed uh

710
00:24:08,950 --> 00:24:07,360
you know or yeah you know it's a and uh

711
00:24:10,149 --> 00:24:08,960
they'll use them as slave material and

712
00:24:11,430 --> 00:24:10,159
everything else like that you know that

713
00:24:12,870 --> 00:24:11,440

you know keep the house clean and

714

00:24:15,990 --> 00:24:12,880

everything else like that

715

00:24:18,310 --> 00:24:16,000

or they'll have them uh keep an eye on

716

00:24:19,990 --> 00:24:18,320

the little babies you know uh they'll

717

00:24:20,710 --> 00:24:20,000

make them you know hold them and rock

718

00:24:23,590 --> 00:24:20,720

them and

719

00:24:24,630 --> 00:24:23,600

and give them attention because uh i

720

00:24:26,710 --> 00:24:24,640

guess they die

721

00:24:28,230 --> 00:24:26,720

if they don't get any love if a child

722

00:24:30,789 --> 00:24:28,240

doesn't get any love that they'll

723

00:24:31,990 --> 00:24:30,799

just die so they have to have they don't

724

00:24:34,470 --> 00:24:32,000

care about humans that much

725

00:24:36,630 --> 00:24:34,480

so they'll put the children there to

726

00:24:39,830 --> 00:24:36,640

take care of the babies you know to

727

00:24:42,549 --> 00:24:39,840

look after them uh so and that's

728

00:24:42,950 --> 00:24:42,559

that's part of their uh their economy

729

00:24:45,750 --> 00:24:42,960

and

730

00:24:46,549 --> 00:24:45,760

they're using uh we're a commodity to

731

00:24:49,669 --> 00:24:46,559

them

732

00:24:52,789 --> 00:24:49,679

yeah and uh i recently uh

733

00:24:53,430 --> 00:24:52,799

got information that they also use our

734

00:24:56,470 --> 00:24:53,440

dna

735

00:24:58,870 --> 00:24:56,480

to help their soldiers out or whatever

736

00:25:00,630 --> 00:24:58,880

that apparently they've been at war for

737

00:25:01,669 --> 00:25:00,640

a long time with somebody else i don't

738

00:25:08,149 --> 00:25:01,679

know who

739

00:25:10,070 --> 00:25:08,159

they might be traveling in time i don't

740

00:25:13,269 --> 00:25:10,080

know for sure but

741

00:25:14,470 --> 00:25:13,279

they are harvesting dna to make more

742

00:25:17,590 --> 00:25:14,480

soldiers and to

743

00:25:20,549 --> 00:25:17,600

uh help repair their soldiers

744

00:25:21,990 --> 00:25:20,559

so uh some kind of wars going on for a

745

00:25:25,029 --> 00:25:22,000

long time a conflict

746

00:25:27,029 --> 00:25:25,039

with somebody i don't know who so

747

00:25:28,230 --> 00:25:27,039

well you know recently you've been

748

00:25:32,230 --> 00:25:28,240

seeing a lot more

749

00:25:35,750 --> 00:25:32,240

of humans or possible uh

750

00:25:38,789 --> 00:25:35,760

engineered human hybrids or whatever

751
00:25:43,269 --> 00:25:38,799
come into your your home as well

752
00:25:46,390 --> 00:25:43,279
uh it seems that several of these races

753
00:25:49,590 --> 00:25:46,400
are working together right

754
00:25:51,909 --> 00:25:49,600
yeah they seem to be there's a there's a

755
00:25:54,149 --> 00:25:51,919
species now i don't know that they're

756
00:25:54,870 --> 00:25:54,159
fitting the description of maybe draco's

757
00:25:57,830 --> 00:25:54,880
but

758
00:26:00,230 --> 00:25:57,840
i have not seen the wings uh you know

759
00:26:02,789 --> 00:26:00,240
that people described for the dracos

760
00:26:04,310 --> 00:26:02,799
they don't these guys usually i can fool

761
00:26:07,110 --> 00:26:04,320
them and stuff and uh

762
00:26:08,710 --> 00:26:07,120
do what i do but uh these guys they

763
00:26:11,269 --> 00:26:08,720

they're not putting up with my crap

764

00:26:12,310 --> 00:26:11,279

so they they uh they just go ahead and

765

00:26:14,070 --> 00:26:12,320

put me down we

766

00:26:15,590 --> 00:26:14,080

didn't have to deal with now when you

767

00:26:18,310 --> 00:26:15,600

say put you down they

768

00:26:20,149 --> 00:26:18,320

literally knock you out right yeah i

769

00:26:21,909 --> 00:26:20,159

mean and it happens so quick

770

00:26:23,909 --> 00:26:21,919

next you know i'm waking up i could be

771

00:26:25,269 --> 00:26:23,919

on the floor like anywhere i'm at if

772

00:26:27,830 --> 00:26:25,279

they want to do something

773

00:26:28,630 --> 00:26:27,840

they don't try to wait anymore they just

774

00:26:30,630 --> 00:26:28,640

go ahead and

775

00:26:32,870 --> 00:26:30,640

put me down so and they know what time i

776

00:26:34,549 --> 00:26:32,880

got to be at work and everything so

777

00:26:37,110 --> 00:26:34,559

they'll give me sometimes it'll be late

778

00:26:38,789 --> 00:26:37,120

for me and i was like man but uh

779

00:26:41,110 --> 00:26:38,799

but yeah they're not putting up with my

780

00:26:45,110 --> 00:26:41,120

crap so but they know all about me

781

00:26:46,950 --> 00:26:45,120

they have a an affidavit of information

782

00:26:48,390 --> 00:26:46,960

that uh about me so and they've been

783

00:26:51,269 --> 00:26:48,400

reading it i'll be listening to them

784

00:26:53,110 --> 00:26:51,279

read it so what to expect from me

785

00:26:54,310 --> 00:26:53,120

and these guys ain't putting up with it

786

00:26:55,110 --> 00:26:54,320

let me tell you what happened to me

787

00:26:56,789 --> 00:26:55,120

y'all

788

00:26:58,230 --> 00:26:56,799

not too long ago i was outside working i

789

00:26:59,269 --> 00:26:58,240

was at the dark i was working in my

790

00:27:01,430 --> 00:26:59,279

garden

791

00:27:02,310 --> 00:27:01,440

and uh and i decided to mess with some

792

00:27:03,990 --> 00:27:02,320

guys that were here

793

00:27:05,669 --> 00:27:04,000

this ain't the group that was here right

794

00:27:08,310 --> 00:27:05,679

now that shows up

795

00:27:09,269 --> 00:27:08,320

and uh i knocked on the window in the of

796

00:27:12,310 --> 00:27:09,279

my bedroom

797

00:27:14,390 --> 00:27:12,320

and i knocked on it i said hey and then

798

00:27:15,430 --> 00:27:14,400

i did it a second time knocked on it i

799

00:27:17,750 --> 00:27:15,440

go hey

800

00:27:19,029 --> 00:27:17,760

and then uh the third time i did it the

801

00:27:20,310 --> 00:27:19,039

blinds opened up

802

00:27:22,310 --> 00:27:20,320

and somebody was looking out i didn't

803

00:27:24,149 --> 00:27:22,320

see who it was i just went through them

804

00:27:26,149 --> 00:27:24,159

i walked away holding my stomach i'm

805

00:27:27,430 --> 00:27:26,159

like oh my god i said i gotta go in the

806

00:27:29,269 --> 00:27:27,440

house you know but

807

00:27:30,549 --> 00:27:29,279

because sometimes it gets spooky because

808

00:27:34,789 --> 00:27:30,559

man they uh

809

00:27:37,110 --> 00:27:34,799

they they they just do things that

810

00:27:38,389 --> 00:27:37,120

that when they get mad at me that one

811

00:27:41,510 --> 00:27:38,399

time i thought they got a hold of

812

00:27:43,190 --> 00:27:41,520

one of my guns but uh because

813

00:27:45,110 --> 00:27:43,200

they set it off something that sounded

814

00:27:46,950 --> 00:27:45,120

like a gun in my room and uh

815

00:27:47,990 --> 00:27:46,960

because i was pretending i was going to

816

00:27:48,789 --> 00:27:48,000

work because i was trying to get some

817

00:27:51,350 --> 00:27:48,799

good video

818

00:27:53,029 --> 00:27:51,360

so i went outside and i got my phone

819

00:27:54,149 --> 00:27:53,039

ready you know my camera

820

00:27:55,510 --> 00:27:54,159

and then i turned around and walked

821

00:27:57,269 --> 00:27:55,520

right back inside the house and went

822

00:27:57,510 --> 00:27:57,279

straight into my room and then i put it

823

00:27:59,750 --> 00:27:57,520

on

824

00:28:01,110 --> 00:27:59,760

with a heist you know powered spotlight

825

00:28:02,470 --> 00:28:01,120

and i was shining them on and trying to

826

00:28:04,630 --> 00:28:02,480

get video of them

827

00:28:06,789 --> 00:28:04,640

and uh all of a sudden they just like a

828

00:28:09,269 --> 00:28:06,799

gunshot went off and i hit the deck

829

00:28:10,149 --> 00:28:09,279

and that's like my god they got my gun

830

00:28:11,510 --> 00:28:10,159

and uh

831

00:28:13,190 --> 00:28:11,520

and then i was looking around i just

832

00:28:15,029 --> 00:28:13,200

went to work from there so now we're

833

00:28:16,789 --> 00:28:15,039

kind of spooked to come back home

834

00:28:18,630 --> 00:28:16,799

just find out what's going to happen but

835

00:28:20,230 --> 00:28:18,640

for three days when i

836

00:28:21,669 --> 00:28:20,240

every time i wasn't expecting it sounded

837

00:28:23,990 --> 00:28:21,679

like a gunshot going off

838

00:28:25,510 --> 00:28:24,000

boom and it's like man for three days

839

00:28:25,909 --> 00:28:25,520

that's how i really made him mad that

840

00:28:28,470 --> 00:28:25,919

time

841

00:28:29,110 --> 00:28:28,480

but uh yeah it's uh so they can be

842

00:28:30,389 --> 00:28:29,120

tricked

843

00:28:32,470 --> 00:28:30,399

and because they don't always send the

844

00:28:33,830 --> 00:28:32,480

best of the best to come and get me but

845

00:28:35,350 --> 00:28:33,840

the group that's here now they're like

846

00:28:38,549 --> 00:28:35,360

the green berets of

847

00:28:39,750 --> 00:28:38,559

entities so uh you know it is

848

00:28:42,549 --> 00:28:39,760

interesting that they do

849

00:28:44,230 --> 00:28:42,559

change up groups and uh bring different

850

00:28:45,909 --> 00:28:44,240

ones in there

851
00:28:47,590 --> 00:28:45,919
yeah i just seems like they're leasing

852
00:28:49,750 --> 00:28:47,600
out the slot

853
00:28:50,950 --> 00:28:49,760
you know it's like okay you're going to

854
00:28:52,389 --> 00:28:50,960
do what you got to do but

855
00:28:53,590 --> 00:28:52,399
they have heavy rules what they're

856
00:28:54,630 --> 00:28:53,600
allowed to do and what they're not

857
00:28:56,710 --> 00:28:54,640
allowed to do

858
00:28:58,149 --> 00:28:56,720
right and i'm still trying to find out

859
00:29:00,070 --> 00:28:58,159
who's making the rules

860
00:29:01,269 --> 00:29:00,080
and i'm guessing it might be the council

861
00:29:02,789 --> 00:29:01,279
of five

862
00:29:06,149 --> 00:29:02,799
because uh when they brought me out

863
00:29:08,549 --> 00:29:06,159

there to go see the council of five uh

864

00:29:10,149 --> 00:29:08,559

there was a woman i think i believe was

865

00:29:11,750 --> 00:29:10,159

a woman that drew a picture and i sent

866

00:29:15,110 --> 00:29:11,760

to you and yeah and it was

867

00:29:16,630 --> 00:29:15,120

the exact room i swerved is exactly when

868

00:29:18,310 --> 00:29:16,640

i was there and i was standing at the

869

00:29:20,549 --> 00:29:18,320

end of that table

870

00:29:21,430 --> 00:29:20,559

and it was like reminding me like star

871

00:29:23,990 --> 00:29:21,440

wars

872

00:29:24,710 --> 00:29:24,000

of uh all these different entities that

873

00:29:27,029 --> 00:29:24,720

was there now

874

00:29:28,149 --> 00:29:27,039

all talking at one time right and there

875

00:29:31,430 --> 00:29:28,159

was uh

876

00:29:32,389 --> 00:29:31,440

some monkeys uh looking guys and it was

877

00:29:33,990 --> 00:29:32,399

trying to figure out what they were

878

00:29:35,350 --> 00:29:34,000

saying and one of these grades come up

879

00:29:36,630 --> 00:29:35,360

and put a wand up to his head and the

880

00:29:37,510 --> 00:29:36,640

whole room could understand what he was

881

00:29:39,830 --> 00:29:37,520

saying

882

00:29:40,950 --> 00:29:39,840

and i'm like thinking the planet of the

883

00:29:42,630 --> 00:29:40,960

apes i'm like

884

00:29:44,630 --> 00:29:42,640

this is strange that's and i was getting

885

00:29:46,070 --> 00:29:44,640

upset because uh

886

00:29:47,990 --> 00:29:46,080

they were talking to these guys and it

887

00:29:48,950 --> 00:29:48,000

wasn't talking to me monkeys you know

888

00:29:51,430 --> 00:29:48,960

what i'm saying so

889

00:29:52,950 --> 00:29:51,440

i don't sell my little stuff a little

890

00:29:56,630 --> 00:29:52,960

higher than a monkey

891

00:29:59,029 --> 00:29:56,640

but uh uh and and i don't know if i ever

892

00:30:00,870 --> 00:29:59,039

got to see him or talk to him or or what

893

00:30:02,549 --> 00:30:00,880

happened because you know it uh

894

00:30:04,789 --> 00:30:02,559

it won't blink after a while i don't

895

00:30:08,070 --> 00:30:04,799

remember a whole bunch after that point

896

00:30:09,669 --> 00:30:08,080

and uh so i really don't but

897

00:30:10,870 --> 00:30:09,679

evidently they brought me back i think

898

00:30:12,310 --> 00:30:10,880

they was trying to decide whether

899

00:30:14,789 --> 00:30:12,320

they're gonna keep me there

900

00:30:15,430 --> 00:30:14,799

or send me back and take their chances i

901
00:30:17,909 --> 00:30:15,440
don't know

902
00:30:19,590 --> 00:30:17,919
because uh you know i know all about

903
00:30:20,870 --> 00:30:19,600
what's going on and what they're doing

904
00:30:21,669 --> 00:30:20,880
and what they look like and everything

905
00:30:23,190 --> 00:30:21,679
else

906
00:30:25,590 --> 00:30:23,200
so i think that's what he was trying to

907
00:30:26,070 --> 00:30:25,600
decide on that's the biggest guess i

908
00:30:31,669 --> 00:30:26,080
have

909
00:30:33,430 --> 00:30:31,679
we got a question and i'm going to kind

910
00:30:38,070 --> 00:30:33,440
of tie it in

911
00:30:41,110 --> 00:30:38,080
with what i want to do next um

912
00:30:43,110 --> 00:30:41,120
that question said why why

913
00:30:45,110 --> 00:30:43,120

do you think that you won't be

914

00:30:47,830 --> 00:30:45,120

sacrificed

915

00:30:50,549 --> 00:30:47,840

you know i'm i'm thinking that it has

916

00:30:54,590 --> 00:30:50,559

something to do with breeding

917

00:30:57,830 --> 00:30:54,600

now they have and they have you believe

918

00:31:00,549 --> 00:30:57,840

successfully bred bread with you can you

919

00:31:03,269 --> 00:31:00,559

kind of tell us a little bit about that

920

00:31:04,789 --> 00:31:03,279

what the the very first time i remember

921

00:31:08,070 --> 00:31:04,799

as a i was living in

922

00:31:09,509 --> 00:31:08,080

gulf breeze uh and you know they have

923

00:31:11,909 --> 00:31:09,519

this ed walter

924

00:31:12,549 --> 00:31:11,919

uh craft or a picture of one that they

925

00:31:15,269 --> 00:31:12,559

said that

926

00:31:16,950 --> 00:31:15,279

he faked no i i had seen a picture of

927

00:31:18,230 --> 00:31:16,960

three of them but i i see them together

928

00:31:20,389 --> 00:31:18,240

three of them

929

00:31:21,990 --> 00:31:20,399

and uh matter of fact the guy from

930

00:31:25,830 --> 00:31:22,000

neufon showed me the picture he had

931

00:31:27,990 --> 00:31:25,840

in ed walters uh a book that he wrote

932

00:31:31,190 --> 00:31:28,000

about grassroots ufos

933

00:31:33,750 --> 00:31:31,200

and uh well yeah

934

00:31:35,430 --> 00:31:33,760

i was a i was abducted like you know

935

00:31:37,909 --> 00:31:35,440

within the two weeks after

936

00:31:40,389 --> 00:31:37,919

that incident happened out in the woods

937

00:31:42,070 --> 00:31:40,399

and i wasn't the only one there was a

938

00:31:43,909 --> 00:31:42,080

bunch of people walking down the street

939

00:31:45,029 --> 00:31:43,919

it was at night and i was like

940

00:31:46,310 --> 00:31:45,039

everything was kind of quiet but you

941

00:31:47,750 --> 00:31:46,320

could watch these people walking down

942

00:31:49,590 --> 00:31:47,760

scene i'm watering i don't know why i'm

943

00:31:51,990 --> 00:31:49,600

walking down the street but and then uh

944

00:31:53,830 --> 00:31:52,000

i walked into this uh lanyard craft and

945

00:31:55,509 --> 00:31:53,840

i go up in there and it was like bigger

946

00:31:56,630 --> 00:31:55,519

in the inside and it was on the outside

947

00:31:58,149 --> 00:31:56,640

it's like i was

948

00:32:00,149 --> 00:31:58,159

totally different place but they put me

949

00:32:03,509 --> 00:32:00,159

in this room i had like uh

950

00:32:05,029 --> 00:32:03,519

uh chairs you know uh they had a low

951
00:32:06,310 --> 00:32:05,039
back to it and it was kind of high you

952
00:32:07,830 --> 00:32:06,320
know that you could put your feet on the

953
00:32:09,669 --> 00:32:07,840
second thing and sit there comfortably

954
00:32:12,070 --> 00:32:09,679
but they was like

955
00:32:14,149 --> 00:32:12,080
interrogating me and i i don't remember

956
00:32:16,389 --> 00:32:14,159
exactly what they was asking me and

957
00:32:18,230 --> 00:32:16,399
there was and who i was and everything

958
00:32:19,750 --> 00:32:18,240
else and then after it was all done and

959
00:32:21,350 --> 00:32:19,760
over with and they were wearing green

960
00:32:24,310 --> 00:32:21,360
uniforms like uh

961
00:32:25,430 --> 00:32:24,320
like a military type deal and uh then

962
00:32:28,950 --> 00:32:25,440
they brought this uh

963
00:32:32,470 --> 00:32:28,960

young uh female reptilian and

964

00:32:34,230 --> 00:32:32,480

and uh and she got on my lap and

965

00:32:36,389 --> 00:32:34,240

it was down and over with and she walked

966

00:32:38,470 --> 00:32:36,399

out of the room then they let me go

967

00:32:39,830 --> 00:32:38,480

and uh wow that was like the first time

968

00:32:40,870 --> 00:32:39,840

that that everybody was able to

969

00:32:44,549 --> 00:32:40,880

recognize

970

00:32:47,430 --> 00:32:44,559

female but and then uh not now

971

00:32:48,070 --> 00:32:47,440

they'll they'll do the same thing now

972

00:32:50,630 --> 00:32:48,080

but

973

00:32:52,070 --> 00:32:50,640

tori's been a human i could never see

974

00:32:54,789 --> 00:32:52,080

their face

975

00:32:56,710 --> 00:32:54,799

be a human uh female that would come in

976

00:32:57,909 --> 00:32:56,720

and they get you don't feel a thing

977

00:32:59,990 --> 00:32:57,919

don't feel another you just see it

978

00:33:01,750 --> 00:33:00,000

happening you can feel so everything

979

00:33:03,909 --> 00:33:01,760

else is going on but but that

980

00:33:04,950 --> 00:33:03,919

and then they get and they leave so it

981

00:33:08,389 --> 00:33:04,960

really quick

982

00:33:12,389 --> 00:33:08,399

so i um you mentioned

983

00:33:15,750 --> 00:33:12,399

me that the uh and these humans

984

00:33:19,029 --> 00:33:15,760

human females look like they're maybe

985

00:33:21,430 --> 00:33:19,039

older teenagers or young women yeah they

986

00:33:22,710 --> 00:33:21,440

yeah they they uh they look anywhere

987

00:33:24,870 --> 00:33:22,720

from uh

988

00:33:27,669 --> 00:33:24,880

they could be in front of judging their

989

00:33:29,669 --> 00:33:27,679

body they could be uh

990

00:33:32,149 --> 00:33:29,679

anywhere from you know i don't know when

991

00:33:34,470 --> 00:33:32,159

uh puberty starts exactly but uh

992

00:33:38,710 --> 00:33:34,480

could be anywhere from that to the

993

00:33:41,750 --> 00:33:38,720

oldest one was probably about maybe 65.

994

00:33:42,149 --> 00:33:41,760

so and and and i remember that one for

995

00:33:44,470 --> 00:33:42,159

sure

996

00:33:45,590 --> 00:33:44,480

because it was kind of weird so but not

997

00:33:47,029 --> 00:33:45,600

bad but

998

00:33:48,710 --> 00:33:47,039

you know she didn't want to do it but

999

00:33:51,190 --> 00:33:48,720

she said okay okay but

1000

00:33:52,070 --> 00:33:51,200

so it's like but it's always interesting

1001

00:33:55,110 --> 00:33:52,080

to watch and

1002

00:33:58,149 --> 00:33:55,120

that's bizarre i mean i it is yeah

1003

00:33:59,350 --> 00:33:58,159

and you know you recently and you told

1004

00:34:02,710 --> 00:33:59,360

me this recently

1005

00:34:04,870 --> 00:34:02,720

that you had a um you were resisting

1006

00:34:07,990 --> 00:34:04,880

them for some reason

1007

00:34:11,829 --> 00:34:08,000

and brought a female

1008

00:34:13,990 --> 00:34:11,839

child right out and told me

1009

00:34:15,510 --> 00:34:14,000

and showed you and you thought

1010

00:34:18,950 --> 00:34:15,520

instinctively

1011

00:34:22,470 --> 00:34:18,960

that this was your daughter right

1012

00:34:23,030 --> 00:34:22,480

yeah she had this like rainbow care bear

1013

00:34:26,550 --> 00:34:23,040

looking

1014

00:34:29,190 --> 00:34:26,560

shirt on and and and pants and uh

1015

00:34:30,790 --> 00:34:29,200

and and they're like they brought her in

1016

00:34:32,230 --> 00:34:30,800

and showed me but they wouldn't let me

1017

00:34:33,109 --> 00:34:32,240

you know get closer they had it like

1018

00:34:35,909 --> 00:34:33,119

behind a

1019

00:34:37,190 --> 00:34:35,919

glass shield and and it was like there

1020

00:34:39,669 --> 00:34:37,200

was proud and it was like

1021

00:34:41,190 --> 00:34:39,679

showing me and uh but they wouldn't let

1022

00:34:43,430 --> 00:34:41,200

me talk to her they wouldn't let me

1023

00:34:44,710 --> 00:34:43,440

uh say anything and i'm like what did

1024

00:34:45,430 --> 00:34:44,720

you know i was like who is she you know

1025

00:34:48,950 --> 00:34:45,440

i was like

1026

00:34:50,629 --> 00:34:48,960

i'm like and i didn't but i think that's

1027

00:34:52,869 --> 00:34:50,639

what they was trying to

1028

00:34:54,710 --> 00:34:52,879

tell me or show me without saying it and

1029

00:34:56,389 --> 00:34:54,720

then it only lasted for just for a few

1030

00:34:58,470 --> 00:34:56,399

minutes and then they walked around

1031

00:35:00,230 --> 00:34:58,480

out so i'm guessing that's pretty much

1032

00:35:03,750 --> 00:35:00,240

what was going on

1033

00:35:06,470 --> 00:35:03,760

uh so yeah and yeah well i i know

1034

00:35:08,630 --> 00:35:06,480

i know when you and i discussed it you

1035

00:35:11,990 --> 00:35:08,640

seem to be a little upset about it and

1036

00:35:16,470 --> 00:35:12,000

uh yeah there's a reason for that too

1037

00:35:19,270 --> 00:35:16,480

so and uh the fact is i mean

1038

00:35:20,150 --> 00:35:19,280

it seems to me that they did that and

1039

00:35:22,230 --> 00:35:20,160

you may

1040

00:35:24,150 --> 00:35:22,240

question what i'm going to say but it

1041

00:35:26,470 --> 00:35:24,160

seems that they did that to chronic

1042

00:35:27,829 --> 00:35:26,480

punish you in a way for trying to resist

1043

00:35:31,589 --> 00:35:27,839

them

1044

00:35:33,430 --> 00:35:31,599

uh you or origin to uh calm me down

1045

00:35:35,430 --> 00:35:33,440

or but they've they've done something

1046

00:35:37,829 --> 00:35:35,440

way worse than that to me to uh

1047

00:35:39,349 --> 00:35:37,839

get me to cooperate uh to try to get the

1048

00:35:41,109 --> 00:35:39,359

emotions flowing but i wouldn't give

1049

00:35:43,109 --> 00:35:41,119

them the satisfaction

1050

00:35:44,150 --> 00:35:43,119

but uh and that was a while back ago

1051
00:35:47,829 --> 00:35:44,160
that was uh

1052
00:35:51,589 --> 00:35:47,839
before uh this second incident of a wave

1053
00:35:53,510 --> 00:35:51,599
of uh of incidences happening

1054
00:35:55,910 --> 00:35:53,520
they did something that was just uh just

1055
00:35:58,550 --> 00:35:55,920
blew my freaking mind as i

1056
00:35:59,190 --> 00:35:58,560
i saw i couldn't believe it was going on

1057
00:36:02,230 --> 00:35:59,200
but

1058
00:36:03,910 --> 00:36:02,240
anyways uh yeah i don't yeah i don't

1059
00:36:09,829 --> 00:36:03,920
want to discuss that right now but

1060
00:36:15,109 --> 00:36:12,950
well recently they've been using a

1061
00:36:17,670 --> 00:36:15,119
series of transports

1062
00:36:19,030 --> 00:36:17,680
when they come into your your room into

1063
00:36:21,670 --> 00:36:19,040

your home

1064

00:36:24,150 --> 00:36:21,680

uh as opposed to coming through the

1065

00:36:26,710 --> 00:36:24,160

walls like they had previously

1066

00:36:28,790 --> 00:36:26,720

they use it like a portable stargate or

1067

00:36:30,950 --> 00:36:28,800

transport isn't it

1068

00:36:32,950 --> 00:36:30,960

yeah yeah it's uh like three different

1069

00:36:33,510 --> 00:36:32,960

ones will open up at the same time and

1070

00:36:37,030 --> 00:36:33,520

then i

1071

00:36:39,750 --> 00:36:37,040

want to open up in my bathroom uh and uh

1072

00:36:42,230 --> 00:36:39,760

one time let me tell you about this i

1073

00:36:45,430 --> 00:36:42,240

was sitting in my office at my computer

1074

00:36:47,750 --> 00:36:45,440

and i heard a live female talking

1075

00:36:49,030 --> 00:36:47,760

and my dorks my office was open and i

1076
00:36:49,990 --> 00:36:49,040
could see through my living room all the

1077
00:36:51,349 --> 00:36:50,000
way to my uh

1078
00:36:53,190 --> 00:36:51,359
my dining room table and there was a

1079
00:36:54,230 --> 00:36:53,200
female there combing her hair in my

1080
00:36:55,750 --> 00:36:54,240
mirror because i got a mirror right

1081
00:36:57,349 --> 00:36:55,760
there where my table is

1082
00:36:58,950 --> 00:36:57,359
and uh she's calling me and she's just

1083
00:37:01,109 --> 00:36:58,960
talking to this older female just

1084
00:37:03,190 --> 00:37:01,119
talking away why she's combing her hair

1085
00:37:04,710 --> 00:37:03,200
i'm like i got my phone out and and i

1086
00:37:05,829 --> 00:37:04,720
got some footage you know it's kind of

1087
00:37:07,430 --> 00:37:05,839
blurred a little bit but

1088
00:37:09,510 --> 00:37:07,440

i was trying my best that the rest of

1089

00:37:11,990 --> 00:37:09,520

the house was dark you know

1090

00:37:13,589 --> 00:37:12,000

and then and i walked down there and i

1091

00:37:15,589 --> 00:37:13,599

tried to talk to her i couldn't see her

1092

00:37:17,190 --> 00:37:15,599

you know she they figured out that i

1093

00:37:18,710 --> 00:37:17,200

spotted him and then i walked in there

1094

00:37:20,470 --> 00:37:18,720

to try and talk to her

1095

00:37:21,990 --> 00:37:20,480

and then uh i walked over by one of my

1096

00:37:23,750 --> 00:37:22,000

trees and i pulled back the tree and it

1097

00:37:25,430 --> 00:37:23,760

was like a hole in my wall

1098

00:37:26,870 --> 00:37:25,440

and i could see down it must have been

1099

00:37:29,670 --> 00:37:26,880

about maybe 30 or

1100

00:37:30,230 --> 00:37:29,680

40 different types of entities down

1101

00:37:32,470 --> 00:37:30,240

there and they

1102

00:37:34,470 --> 00:37:32,480

all turned around and looked at me i'm

1103

00:37:35,750 --> 00:37:34,480

like and i'm looking at them it's like

1104

00:37:38,069 --> 00:37:35,760

they didn't know what to do and i didn't

1105

00:37:39,270 --> 00:37:38,079

know what to do so i just backed off

1106

00:37:41,349 --> 00:37:39,280

real slow

1107

00:37:42,870 --> 00:37:41,359

so i didn't know what to expect from

1108

00:37:44,950 --> 00:37:42,880

that and then i just wanted to check

1109

00:37:46,310 --> 00:37:44,960

back at my desk and i put you know

1110

00:37:47,910 --> 00:37:46,320

got my cell phone out and trying to

1111

00:37:48,390 --> 00:37:47,920

record in case something else happened

1112

00:37:51,990 --> 00:37:48,400

but

1113

00:37:55,430 --> 00:37:52,000

kind of was

1114

00:37:57,430 --> 00:37:55,440

right at the same time i got up for work

1115

00:37:59,270 --> 00:37:57,440

getting ready for work and uh

1116

00:38:01,190 --> 00:37:59,280

i'm the only one in the house and i was

1117

00:38:01,750 --> 00:38:01,200

trying to hear two girls talking back

1118

00:38:04,550 --> 00:38:01,760

and forth

1119

00:38:05,270 --> 00:38:04,560

with each other and they go into my

1120

00:38:07,030 --> 00:38:05,280

bathroom

1121

00:38:08,390 --> 00:38:07,040

which is right next to my bedroom where

1122

00:38:10,630 --> 00:38:08,400

i was getting dressed

1123

00:38:11,589 --> 00:38:10,640

and they closed the door and my heart

1124

00:38:13,589 --> 00:38:11,599

goes to thumping

1125

00:38:15,109 --> 00:38:13,599

because i i didn't know what to say or

1126

00:38:16,630 --> 00:38:15,119

what to do i was not

1127

00:38:18,069 --> 00:38:16,640

i was not ready for this i was just

1128

00:38:19,270 --> 00:38:18,079

getting ready gotten up and getting

1129

00:38:21,589 --> 00:38:19,280

ready for work

1130

00:38:23,670 --> 00:38:21,599

and uh i walked up to the bathroom door

1131

00:38:26,950 --> 00:38:23,680

and i pushed it open

1132

00:38:28,870 --> 00:38:26,960

and nobody was in there and i was really

1133

00:38:31,510 --> 00:38:28,880

because i i was really because i didn't

1134

00:38:33,349 --> 00:38:31,520

know what i was going to say to him

1135

00:38:34,870 --> 00:38:33,359

but they they sounded young because they

1136

00:38:37,349 --> 00:38:34,880

were talking back and forth like some

1137

00:38:40,550 --> 00:38:37,359

teenagers were you know i was like uh

1138

00:38:42,630 --> 00:38:40,560

and it was like it was that was the trip

1139

00:38:43,750 --> 00:38:42,640

i mean it's like i'm glad they wasn't in

1140

00:38:45,270 --> 00:38:43,760

there when i opened the door

1141

00:38:47,270 --> 00:38:45,280

because i didn't know what i was going

1142

00:38:50,790 --> 00:38:47,280

to say to him but i did not know

1143

00:38:52,230 --> 00:38:50,800

so well so one thing i do

1144

00:38:54,390 --> 00:38:52,240

want to talk there's two things i want

1145

00:38:54,710 --> 00:38:54,400

to talk about and i know the one is a

1146

00:38:58,150 --> 00:38:54,720

bit

1147

00:39:01,030 --> 00:38:58,160

sensitive but anyway the first one is

1148

00:39:02,390 --> 00:39:01,040

you've recently had your daughter-in-law

1149

00:39:05,349 --> 00:39:02,400

and some other people

1150

00:39:05,990 --> 00:39:05,359

your friends yours come into your home

1151

00:39:08,310 --> 00:39:06,000

and

1152

00:39:09,270 --> 00:39:08,320

witness this stuff haven't you yeah

1153

00:39:11,829 --> 00:39:09,280

matter of fact uh

1154

00:39:13,510 --> 00:39:11,839

yeah that's from uh you've got to hold

1155

00:39:14,069 --> 00:39:13,520

me to ask me about a case that you was

1156

00:39:20,550 --> 00:39:14,079

on

1157

00:39:21,910 --> 00:39:20,560

that my uh my daughter-in-law was

1158

00:39:24,950 --> 00:39:21,920

staying here with her

1159

00:39:27,910 --> 00:39:24,960

with my granddaughter and uh and

1160

00:39:29,109 --> 00:39:27,920

she got some really good video and

1161

00:39:31,910 --> 00:39:29,119

really i was at work

1162

00:39:33,349 --> 00:39:31,920

and she got something she and she was

1163

00:39:35,030 --> 00:39:33,359

she didn't really

1164

00:39:37,589 --> 00:39:35,040

believe me what was going on because you

1165

00:39:38,950 --> 00:39:37,599

know i don't you know

1166

00:39:41,670 --> 00:39:38,960

i know what it sounds like when i tell

1167

00:39:42,710 --> 00:39:41,680

people i advertise and i understand that

1168

00:39:45,589 --> 00:39:42,720

yeah

1169

00:39:46,470 --> 00:39:45,599

right i try to keep my mouth shut but

1170

00:39:49,510 --> 00:39:46,480

she

1171

00:39:51,589 --> 00:39:49,520

got some really good video and i

1172

00:39:52,950 --> 00:39:51,599

kept telling i said she showed it to me

1173

00:39:56,069 --> 00:39:52,960

i said this is it this is

1174

00:39:58,870 --> 00:39:56,079

really good and i was uh i was excited

1175

00:40:00,310 --> 00:39:58,880

for it and and i thought i said we need

1176

00:40:01,829 --> 00:40:00,320

to do something with this get it off

1177

00:40:03,910 --> 00:40:01,839

your phone we need to go do something

1178

00:40:06,230 --> 00:40:03,920

with it because it's gonna disappear

1179

00:40:07,349 --> 00:40:06,240

and then she started acting like it

1180

00:40:08,870 --> 00:40:07,359

seemed like that

1181

00:40:10,630 --> 00:40:08,880

i was gonna take it from her or

1182

00:40:12,470 --> 00:40:10,640

something or that i was

1183

00:40:13,750 --> 00:40:12,480

just bowling i was you know bull crap

1184

00:40:16,069 --> 00:40:13,760

and that stuff was gonna happen because

1185

00:40:18,550 --> 00:40:16,079

i lost so much good stuff i mean so much

1186

00:40:19,109 --> 00:40:18,560

they just take it and yeah and all of a

1187

00:40:20,870 --> 00:40:19,119

sudden

1188

00:40:22,390 --> 00:40:20,880

you know i think it was within one or

1189

00:40:25,589 --> 00:40:22,400

two days uh

1190

00:40:25,910 --> 00:40:25,599

it was gone it was and see i said i told

1191

00:40:27,990 --> 00:40:25,920

you

1192

00:40:29,750 --> 00:40:28,000

i said i was not trying to take it from

1193

00:40:31,910 --> 00:40:29,760

me i was not gonna take credit for it i

1194

00:40:34,069 --> 00:40:31,920

was gonna give it all to you it says

1195

00:40:35,349 --> 00:40:34,079

they're gonna take it and they took it

1196

00:40:39,030 --> 00:40:35,359

so it was gone

1197

00:40:42,950 --> 00:40:39,040

it yeah i have had other experiences

1198

00:40:45,030 --> 00:40:42,960

have had the same thing and

1199

00:40:47,430 --> 00:40:45,040

they what they will wipe a cell phone

1200

00:40:48,870 --> 00:40:47,440

off in a heartbeat

1201

00:40:50,950 --> 00:40:48,880

yeah so you gotta move you gotta keep it

1202

00:40:52,550 --> 00:40:50,960

moving make as many copies as you can

1203

00:40:54,390 --> 00:40:52,560

yeah that's and that's what you've been

1204

00:40:55,990 --> 00:40:54,400

doing you've been sending it to me as it

1205

00:40:57,990 --> 00:40:56,000

comes and uh

1206

00:40:59,829 --> 00:40:58,000

yeah i'm surprised they haven't got me

1207

00:41:02,230 --> 00:40:59,839

yet but we'll see

1208

00:41:04,150 --> 00:41:02,240

right i know they're going to find out

1209

00:41:07,270 --> 00:41:04,160

where it's going sooner or later

1210

00:41:12,069 --> 00:41:09,910

you know well you know i have asked you

1211

00:41:14,870 --> 00:41:12,079

before about the original stuff that

1212

00:41:16,550 --> 00:41:14,880

i had gotten from you and the stuff i

1213

00:41:20,550 --> 00:41:16,560

had posted on youtube

1214

00:41:22,470 --> 00:41:20,560

that that was gone that was out

1215

00:41:23,589 --> 00:41:22,480

of the face i mean off the facebo off

1216

00:41:26,390 --> 00:41:23,599

youtube

1217

00:41:27,990 --> 00:41:26,400

and uh i never have been able to find

1218

00:41:30,710 --> 00:41:28,000

out where that went to

1219

00:41:31,910 --> 00:41:30,720

and youtube has no idea what happened to

1220

00:41:35,750 --> 00:41:31,920

it

1221

00:41:38,230 --> 00:41:35,760

i i got like

1222

00:41:40,309 --> 00:41:38,240

10 copies of that one it was a one that

1223

00:41:42,630 --> 00:41:40,319

factor fake used

1224

00:41:43,990 --> 00:41:42,640

floating entity and uh you know what i i

1225

00:41:46,790 --> 00:41:44,000

got to dissect that

1226
00:41:47,589 --> 00:41:46,800
with better technology that we got now

1227
00:41:49,430 --> 00:41:47,599
and uh

1228
00:41:51,270 --> 00:41:49,440
that was actually wasn't floating there

1229
00:41:52,950 --> 00:41:51,280
it was a female with really long legs

1230
00:41:55,030 --> 00:41:52,960
and it was somebody standing in front of

1231
00:41:57,910 --> 00:41:55,040
her that was invisible

1232
00:41:58,309 --> 00:41:57,920
and uh and yeah and there was a bunch

1233
00:42:00,069 --> 00:41:58,319
more

1234
00:42:01,430 --> 00:42:00,079
in there and it was all standing at the

1235
00:42:03,510 --> 00:42:01,440
window

1236
00:42:05,030 --> 00:42:03,520
uh looking in like it was a portal or

1237
00:42:07,349 --> 00:42:05,040
stargate right there

1238
00:42:09,829 --> 00:42:07,359

so there was a i got to dissect it you

1239

00:42:11,829 --> 00:42:09,839

know i always waited for somebody else

1240

00:42:13,349 --> 00:42:11,839

to dissect these this stuff you know

1241

00:42:15,589 --> 00:42:13,359

and uh i thought there was better

1242

00:42:17,270 --> 00:42:15,599

technology at that time that

1243

00:42:19,109 --> 00:42:17,280

these people that would be enthusiastic

1244

00:42:21,670 --> 00:42:19,119

to tear apart my videos

1245

00:42:23,510 --> 00:42:21,680

and and drag it out you know and uh find

1246

00:42:25,349 --> 00:42:23,520

out what was really going on

1247

00:42:27,190 --> 00:42:25,359

and i got to do the stuff myself so

1248

00:42:29,430 --> 00:42:27,200

outside but if i do it myself then

1249

00:42:32,550 --> 00:42:29,440

people question it and then this is also

1250

00:42:33,990 --> 00:42:32,560

if if it's really grainy pictures people

1251

00:42:35,990 --> 00:42:34,000

complain as grainy

1252

00:42:38,069 --> 00:42:36,000

and then if i get really clear pictures

1253

00:42:40,230 --> 00:42:38,079

then they like oh that was fake

1254

00:42:42,069 --> 00:42:40,240

you know it's like oh my god so you

1255

00:42:42,870 --> 00:42:42,079

can't please them one way or the other

1256

00:42:46,150 --> 00:42:42,880

you know it's like

1257

00:42:49,670 --> 00:42:47,829

yeah yeah there's something that

1258

00:42:52,230 --> 00:42:49,680

happened recently

1259

00:42:54,470 --> 00:42:52,240

and after you and i discussed it i

1260

00:42:56,069 --> 00:42:54,480

decided not to put it out there because

1261

00:42:58,470 --> 00:42:56,079

and well you didn't want it you didn't

1262

00:43:00,790 --> 00:42:58,480

want any problems but what happened was

1263

00:43:02,309 --> 00:43:00,800

right and i'm gonna mention it first i

1264

00:43:03,190 --> 00:43:02,319

know you can talk about it if you want

1265

00:43:07,349 --> 00:43:03,200

to

1266

00:43:11,510 --> 00:43:07,359

but uh you captured an image

1267

00:43:14,470 --> 00:43:11,520

of a young human child right yeah

1268

00:43:14,790 --> 00:43:14,480

it was really clear and they were clear

1269

00:43:18,630 --> 00:43:14,800

they

1270

00:43:21,109 --> 00:43:18,640

were very clear and

1271

00:43:22,630 --> 00:43:21,119

i sure you know i showed my team and i

1272

00:43:24,870 --> 00:43:22,640

still have them

1273

00:43:26,550 --> 00:43:24,880

but it seems to me now i don't know how

1274

00:43:29,510 --> 00:43:26,560

you feel about this

1275

00:43:30,230 --> 00:43:29,520

it seems to me that you have been shown

1276

00:43:33,910 --> 00:43:30,240

abducted

1277

00:43:36,230 --> 00:43:33,920

children right it could be a

1278

00:43:37,990 --> 00:43:36,240

hybrid or abducted i don't i don't know

1279

00:43:40,470 --> 00:43:38,000

in some pictures that child looked like

1280

00:43:41,990 --> 00:43:40,480

he had a mask on in chinese

1281

00:43:43,829 --> 00:43:42,000

and uh some of the other children that

1282

00:43:45,349 --> 00:43:43,839

was in the picture that it's easy

1283

00:43:47,910 --> 00:43:45,359

easier for me because i've been looking

1284

00:43:48,390 --> 00:43:47,920

at it for so long uh they had masks on

1285

00:43:51,750 --> 00:43:48,400

too

1286

00:43:52,390 --> 00:43:51,760

but uh but that one uh one i you know i

1287

00:43:54,069 --> 00:43:52,400

didn't even

1288

00:43:55,990 --> 00:43:54,079

see them when it was happening you know

1289

00:43:56,630 --> 00:43:56,000

it's like you see in phases of

1290

00:43:58,470 --> 00:43:56,640

things

1291

00:44:00,309 --> 00:43:58,480

as it comes in and out because it's not

1292

00:44:02,550 --> 00:44:00,319

a really a steady stream of

1293

00:44:03,510 --> 00:44:02,560

invisibility that they have and how they

1294

00:44:05,670 --> 00:44:03,520

do it

1295

00:44:07,430 --> 00:44:05,680

but i'm getting close it won't be long

1296

00:44:08,710 --> 00:44:07,440

before i will build build the machine

1297

00:44:10,150 --> 00:44:08,720

that they are using

1298

00:44:11,990 --> 00:44:10,160

for invisibility because i've been

1299

00:44:13,349 --> 00:44:12,000

that's what my main study is on them

1300

00:44:15,670 --> 00:44:13,359

right now so

1301

00:44:17,510 --> 00:44:15,680

uh i figured out how they're doing that

1302

00:44:20,550 --> 00:44:17,520

just building a machine to do it

1303

00:44:22,309 --> 00:44:20,560

and i pretty much know the frequency so

1304

00:44:24,630 --> 00:44:22,319

that's great so i'm

1305

00:44:25,990 --> 00:44:24,640

oh yeah i mean it's uh i mean some of

1306

00:44:27,829 --> 00:44:26,000

the things you have done have been

1307

00:44:29,430 --> 00:44:27,839

pretty ingenious the thing

1308

00:44:30,870 --> 00:44:29,440

when you originally started using the

1309

00:44:34,230 --> 00:44:30,880

smoke machine

1310

00:44:36,710 --> 00:44:34,240

to start seeing some of the grays that

1311

00:44:39,829 --> 00:44:36,720

were coming through that right

1312

00:44:40,390 --> 00:44:39,839

that was very cool and i mean you know

1313

00:44:42,309 --> 00:44:40,400

they have

1314

00:44:43,430 --> 00:44:42,319

really put you through an ordeal as far

1315

00:44:47,109 --> 00:44:43,440

as far

1316

00:44:49,510 --> 00:44:47,119

as trying to photograph or video

1317

00:44:51,910 --> 00:44:49,520

any of these uh record any of these

1318

00:44:55,910 --> 00:44:54,069

how many how many camcorders did they

1319

00:44:59,589 --> 00:44:55,920

blow up on you

1320

00:45:01,190 --> 00:44:59,599

uh uh yeah i've lost a lot of uh

1321

00:45:03,109 --> 00:45:01,200

camcorders and stuff they they just go

1322

00:45:04,390 --> 00:45:03,119

down and it just never cease to keep

1323

00:45:06,309 --> 00:45:04,400

working in cell phones

1324

00:45:07,670 --> 00:45:06,319

oh my god the guy go through cell phones

1325

00:45:10,390 --> 00:45:07,680

like crazy yeah

1326

00:45:11,270 --> 00:45:10,400

and uh i've listened i they discussed

1327

00:45:14,390 --> 00:45:11,280

the problems

1328

00:45:16,550 --> 00:45:14,400

among themselves on how to deal with it

1329

00:45:17,829 --> 00:45:16,560

and uh you know and i you know i even

1330

00:45:19,589 --> 00:45:17,839

told them i said you don't want to get

1331

00:45:20,390 --> 00:45:19,599

on video you can come and talk to me and

1332

00:45:22,790 --> 00:45:20,400

i'll help you

1333

00:45:23,990 --> 00:45:22,800

out you know it's like and so if i can

1334

00:45:25,750 --> 00:45:24,000

do it somebody else is going to be able

1335

00:45:27,270 --> 00:45:25,760

to do it so but i try to gain an

1336

00:45:28,150 --> 00:45:27,280

alliance with them since the very

1337

00:45:30,790 --> 00:45:28,160

beginning

1338

00:45:32,630 --> 00:45:30,800

right not that i not that i agree with

1339

00:45:33,829 --> 00:45:32,640

everything they do and i know it's their

1340

00:45:36,630 --> 00:45:33,839

money maker

1341

00:45:37,510 --> 00:45:36,640

and what they're doing it they've never

1342

00:45:40,790 --> 00:45:37,520

it never

1343

00:45:41,430 --> 00:45:40,800

hurt me or anybody that will could be

1344

00:45:43,829 --> 00:45:41,440

possible

1345

00:45:46,069 --> 00:45:43,839

but uh or anybody i've showed them to

1346

00:45:49,270 --> 00:45:46,079

and i've had some company come over

1347

00:45:50,470 --> 00:45:49,280

that uh that was uh not believers and

1348

00:45:52,150 --> 00:45:50,480

stuff like that that

1349

00:45:53,670 --> 00:45:52,160

some of my friends brought over you know

1350

00:45:55,190 --> 00:45:53,680

i know david eckhart you know

1351

00:45:57,349 --> 00:45:55,200

let's go and check this out and you know

1352

00:45:58,150 --> 00:45:57,359

like and i'll bring them over and i put

1353

00:46:00,550 --> 00:45:58,160

them on it

1354

00:46:01,829 --> 00:46:00,560

i show them to them and they quit

1355

00:46:03,109 --> 00:46:01,839

breathing i have to tell them start

1356

00:46:05,990 --> 00:46:03,119

breathing again

1357

00:46:07,190 --> 00:46:06,000

and they don't know they they they uh i

1358

00:46:08,630 --> 00:46:07,200

mean

1359

00:46:11,430 --> 00:46:08,640

i at the present time i could show them

1360

00:46:13,349 --> 00:46:11,440

to anybody and uh and

1361

00:46:14,470 --> 00:46:13,359

and uh there's one fellow that came with

1362

00:46:18,150 --> 00:46:14,480

one of my friends

1363

00:46:20,870 --> 00:46:18,160

that the entities were all over this guy

1364

00:46:22,390 --> 00:46:20,880

and he said that he claimed that he was

1365

00:46:25,750 --> 00:46:22,400

abducted before and everything

1366

00:46:27,030 --> 00:46:25,760

and uh but he was scared he was he was

1367

00:46:29,430 --> 00:46:27,040

scared and it was all

1368

00:46:31,670 --> 00:46:29,440

over him and uh that they'll be touching

1369

00:46:32,150 --> 00:46:31,680

my my company and every like jumping

1370

00:46:33,589 --> 00:46:32,160

around

1371

00:46:35,510 --> 00:46:33,599

you would think it was culture guys you

1372

00:46:37,190 --> 00:46:35,520

know like when everything i ever grew up

1373

00:46:39,589 --> 00:46:37,200

to know about culture guys

1374

00:46:40,390 --> 00:46:39,599

that's what it's like but it's not it's

1375

00:46:43,270 --> 00:46:40,400

them

1376
00:46:44,550 --> 00:46:43,280
and uh and the one guy was sitting there

1377
00:46:45,910 --> 00:46:44,560
he was squinting his eyes and i was

1378
00:46:46,870 --> 00:46:45,920
showing to him he's like he's shaking

1379
00:46:50,150 --> 00:46:46,880
his head and

1380
00:46:51,030 --> 00:46:50,160
he's like how do you do i mean how do

1381
00:46:53,510 --> 00:46:51,040
you

1382
00:46:56,069 --> 00:46:53,520
live and and deal with this every single

1383
00:46:57,829 --> 00:46:56,079
day i said i have no choice i have no

1384
00:46:59,510 --> 00:46:57,839
choice i just got to do it you know

1385
00:47:01,430 --> 00:46:59,520
i can i understand why people commit

1386
00:47:04,069 --> 00:47:01,440
suicide on this stuff

1387
00:47:05,510 --> 00:47:04,079
uh i i understand that they lose their

1388
00:47:06,870 --> 00:47:05,520

you know their minds and everything

1389

00:47:10,069 --> 00:47:06,880

because

1390

00:47:10,630 --> 00:47:10,079

uh it's it's not stopping who do you

1391

00:47:13,349 --> 00:47:10,640

talk to

1392

00:47:14,309 --> 00:47:13,359

you know who do you what do you tell uh

1393

00:47:17,510 --> 00:47:14,319

and it's

1394

00:47:20,549 --> 00:47:17,520

it it's so deep in it but the thing is

1395

00:47:21,510 --> 00:47:20,559

is i can show people yeah i can show it

1396

00:47:24,470 --> 00:47:21,520

to them

1397

00:47:25,190 --> 00:47:24,480

and uh it's and it's and it just blows

1398

00:47:27,349 --> 00:47:25,200

their mind

1399

00:47:29,430 --> 00:47:27,359

even though the hardcore non-believers

1400

00:47:29,750 --> 00:47:29,440

and they don't know what to say after

1401

00:47:33,190 --> 00:47:29,760

that

1402

00:47:35,030 --> 00:47:33,200

they uh and so they become friends and

1403

00:47:36,630 --> 00:47:35,040

become hardcore believers after that but

1404

00:47:38,630 --> 00:47:36,640

they don't know all the information i

1405

00:47:40,470 --> 00:47:38,640

know so because it could take years to

1406

00:47:42,390 --> 00:47:40,480

catch somebody up

1407

00:47:43,990 --> 00:47:42,400

everything that i know and how to deal

1408

00:47:45,030 --> 00:47:44,000

with it even how to see them i learned

1409

00:47:47,510 --> 00:47:45,040

how to see them

1410

00:47:48,150 --> 00:47:47,520

uh unless they can from the beginning to

1411

00:47:50,470 --> 00:47:48,160

now to

1412

00:47:51,990 --> 00:47:50,480

be able to spot them without any devices

1413

00:47:54,390 --> 00:47:52,000

or anything like that so

1414

00:47:55,349 --> 00:47:54,400

i know what to look for they know about

1415

00:47:58,150 --> 00:47:55,359

how we seem

1416

00:48:00,630 --> 00:47:58,160

you know you think you think that you

1417

00:48:01,910 --> 00:48:00,640

may have developed the type of sixth

1418

00:48:05,109 --> 00:48:01,920

sense

1419

00:48:07,190 --> 00:48:05,119

after being exposed to all this

1420

00:48:09,109 --> 00:48:07,200

yes i i you know it usually takes two

1421

00:48:09,910 --> 00:48:09,119

weeks for the human mind to uh make a

1422

00:48:12,309 --> 00:48:09,920

change but

1423

00:48:13,270 --> 00:48:12,319

yeah i was i was forced to i forced

1424

00:48:15,750 --> 00:48:13,280

myself to uh

1425

00:48:18,069 --> 00:48:15,760

learn how to see him uh without any

1426

00:48:20,390 --> 00:48:18,079

devices and what's recognized

1427

00:48:21,430 --> 00:48:20,400

and and uh everything else and when

1428

00:48:23,910 --> 00:48:21,440

they're there

1429

00:48:24,790 --> 00:48:23,920

i can see them but you know some people

1430

00:48:27,670 --> 00:48:24,800

can't but

1431

00:48:28,150 --> 00:48:27,680

uh but if i use a device you know like

1432

00:48:29,990 --> 00:48:28,160

uh

1433

00:48:31,589 --> 00:48:30,000

a reflective bowl or something like that

1434

00:48:33,990 --> 00:48:31,599

slow down the speed of light for them

1435

00:48:34,950 --> 00:48:34,000

and i can show them and and what i've

1436

00:48:38,150 --> 00:48:34,960

been using here

1437

00:48:39,990 --> 00:48:38,160

recently is uh a water jug

1438

00:48:41,829 --> 00:48:40,000

fill it all up with one gallon water jug

1439

00:48:43,829 --> 00:48:41,839

and i'll fill it up for water

1440

00:48:45,589 --> 00:48:43,839

and it takes out the images the whole

1441

00:48:47,430 --> 00:48:45,599

room is projected right in the middle

1442

00:48:49,190 --> 00:48:47,440

right and it's so hard for them to block

1443

00:48:50,790 --> 00:48:49,200

that out because i can use a

1444

00:48:52,069 --> 00:48:50,800

reflective device and now they got these

1445

00:48:54,710 --> 00:48:52,079

crowd up around it with their

1446

00:48:56,470 --> 00:48:54,720

invisibility and then it gets all grainy

1447

00:48:57,910 --> 00:48:56,480

that's done doing that that's not my

1448

00:49:02,630 --> 00:48:57,920

camera it's them doing it

1449

00:49:04,549 --> 00:49:02,640

so uh so but yes i developed uh

1450

00:49:07,430 --> 00:49:04,559

my own way of seeing them and detecting

1451

00:49:08,790 --> 00:49:07,440

them and plus my left ear will ring

1452

00:49:12,309 --> 00:49:08,800

when they get closer to me it gets

1453

00:49:15,750 --> 00:49:12,319

louder and louder uh well i do not know

1454

00:49:17,670 --> 00:49:15,760

but yeah i believe it's probably like an

1455

00:49:19,589 --> 00:49:17,680

intuitive thing now it's something that

1456

00:49:23,030 --> 00:49:19,599

you developed

1457

00:49:24,069 --> 00:49:23,040

and it could be or i can sense spiritual

1458

00:49:27,670 --> 00:49:24,079

energy

1459

00:49:31,670 --> 00:49:27,680

as it gives me you know i mine is

1460

00:49:32,870 --> 00:49:31,680

basically done uh telepathic wise

1461

00:49:36,069 --> 00:49:32,880

because i start to see

1462

00:49:39,430 --> 00:49:36,079

colors different colors in my mind's eye

1463

00:49:40,950 --> 00:49:39,440

and i can't tell but i but i know i mean

1464

00:49:42,309 --> 00:49:40,960

it does seem to me you know i've known

1465

00:49:43,270 --> 00:49:42,319

you and i known each other for over a

1466

00:49:45,430 --> 00:49:43,280

decade now

1467

00:49:46,470 --> 00:49:45,440

so i know you haven't developed over the

1468

00:49:48,470 --> 00:49:46,480

years

1469

00:49:49,510 --> 00:49:48,480

as far as being able to detect this

1470

00:49:51,190 --> 00:49:49,520

these things

1471

00:49:52,790 --> 00:49:51,200

here's one thing i did want to ask you

1472

00:49:53,510 --> 00:49:52,800

and i don't know if we covered the last

1473

00:49:55,510 --> 00:49:53,520

time

1474

00:49:58,549 --> 00:49:55,520

but i i had mentioned it a couple of

1475

00:50:01,670 --> 00:49:58,559

times and people asked me about it you

1476

00:50:05,109 --> 00:50:01,680

you and your wife um

1477

00:50:06,630 --> 00:50:05,119

and i guess your kids as well used to

1478

00:50:08,630 --> 00:50:06,640

you'd be sitting in the kitchen or

1479

00:50:09,750 --> 00:50:08,640

someplace in the house and all of a

1480

00:50:11,190 --> 00:50:09,760

sudden a group of

1481

00:50:13,270 --> 00:50:11,200

graves would come through like they were

1482

00:50:15,109 --> 00:50:13,280

on a tour

1483

00:50:17,270 --> 00:50:15,119

yeah right yeah there was like there was

1484

00:50:18,390 --> 00:50:17,280

a female what it was like a female

1485

00:50:21,030 --> 00:50:18,400

reptilian like

1486

00:50:22,630 --> 00:50:21,040

i guess she was uh selling my house but

1487

00:50:25,270 --> 00:50:22,640

she'd be uh taking him to

1488

00:50:26,390 --> 00:50:25,280

a tour on the house and you can see you

1489

00:50:27,829 --> 00:50:26,400

can follow around

1490

00:50:29,910 --> 00:50:27,839

and uh and you know you can see the

1491

00:50:32,309 --> 00:50:29,920

apparitions of them talking and uh she'd

1492

00:50:33,670 --> 00:50:32,319

be doing all the talking like it was uh

1493

00:50:35,670 --> 00:50:33,680

like it was either she was selling the

1494

00:50:39,190 --> 00:50:35,680

house or was in a historical place

1495

00:50:40,470 --> 00:50:39,200

and uh and i and yeah it's like and

1496

00:50:44,390 --> 00:50:40,480

you can hear walking through with your

1497

00:50:47,910 --> 00:50:46,230

it was i could never you know that's

1498

00:50:48,549 --> 00:50:47,920

when it was first starting to happen you

1499

00:50:51,030 --> 00:50:48,559

know it's like

1500

00:50:52,630 --> 00:50:51,040

and we was trying to explain it and uh

1501
00:50:54,790 --> 00:50:52,640
to myself like what the

1502
00:50:56,630 --> 00:50:54,800
heck is going on my wife's like this is

1503
00:50:57,750 --> 00:50:56,640
dimensional it's gotta be dimensional

1504
00:51:00,230 --> 00:50:57,760
i'm like yeah

1505
00:51:01,589 --> 00:51:00,240
and she's been so right about so many

1506
00:51:03,670 --> 00:51:01,599
things that i had

1507
00:51:05,910 --> 00:51:03,680
such a hard time trying to put my head

1508
00:51:06,309 --> 00:51:05,920
too good i was trying to run a business

1509
00:51:08,230 --> 00:51:06,319
to

1510
00:51:09,990 --> 00:51:08,240
take care of a family and i was taking

1511
00:51:11,670 --> 00:51:10,000
care of everybody else and

1512
00:51:13,109 --> 00:51:11,680
i didn't have time to deal with this

1513
00:51:16,470 --> 00:51:13,119

stuff you know but and then

1514

00:51:19,270 --> 00:51:16,480

i got you know sucked in on a hook line

1515

00:51:20,630 --> 00:51:19,280

and stinker because i i had to figure

1516

00:51:23,829 --> 00:51:20,640

out what was going on and

1517

00:51:24,549 --> 00:51:23,839

yeah yeah and i've i've gotten a lot of

1518

00:51:26,790 --> 00:51:24,559

answers

1519

00:51:28,630 --> 00:51:26,800

and i don't there's some things i still

1520

00:51:31,270 --> 00:51:28,640

don't know so

1521

00:51:32,309 --> 00:51:31,280

uh what was going on so but i got a lot

1522

00:51:33,829 --> 00:51:32,319

of information that

1523

00:51:35,589 --> 00:51:33,839

i could hear them over talk about what

1524

00:51:37,910 --> 00:51:35,599

my kids were doing and what

1525

00:51:39,510 --> 00:51:37,920

my wife was doing and you know

1526
00:51:41,589 --> 00:51:39,520
everything what my friends were doing

1527
00:51:43,190 --> 00:51:41,599
and what they were talking about all

1528
00:51:46,710 --> 00:51:43,200
through listening to them

1529
00:51:47,430 --> 00:51:46,720
talked so it's like my my daughter gets

1530
00:51:50,069 --> 00:51:47,440
so upset

1531
00:51:50,790 --> 00:51:50,079
she goes damn aliens you don't like you

1532
00:51:53,109 --> 00:51:50,800
because uh

1533
00:51:53,829 --> 00:51:53,119
you know you know you tell us your kids

1534
00:51:55,270 --> 00:51:53,839
you know like

1535
00:51:56,950 --> 00:51:55,280
okay you were supposed to do this today

1536
00:51:59,750 --> 00:51:56,960
you told me you did this and it's like

1537
00:52:01,270 --> 00:51:59,760
you should be so upset but uh she's lots

1538
00:52:03,589 --> 00:52:01,280

of fun anyways

1539

00:52:05,589 --> 00:52:03,599

and well you know i remember when i

1540

00:52:06,870 --> 00:52:05,599

first when i first started working with

1541

00:52:09,430 --> 00:52:06,880

you

1542

00:52:09,990 --> 00:52:09,440

and like i said before i i'll be honest

1543

00:53:09,349 --> 00:52:10,000

i

1544

00:53:12,150 --> 00:53:09,359

somebody

1545

00:53:14,069 --> 00:53:12,160

and and i had to talk to it with

1546

00:53:15,190 --> 00:53:14,079

somebody about it somebody that had some

1547

00:53:17,750 --> 00:53:15,200

kind of information

1548

00:53:19,030 --> 00:53:17,760

or or they would even just listen to me

1549

00:53:21,349 --> 00:53:19,040

you know i was like

1550

00:53:22,870 --> 00:53:21,359

uh because it's so hard i'm doing i

1551
00:53:24,870 --> 00:53:22,880
can't just tell my customers or my

1552
00:53:25,589 --> 00:53:24,880
employees or or anything like that what

1553
00:53:28,150 --> 00:53:25,599
was going on

1554
00:53:29,670 --> 00:53:28,160
it was like i had employees coming to my

1555
00:53:30,630 --> 00:53:29,680
house picking out the checks and this is

1556
00:53:32,630 --> 00:53:30,640
a filipino

1557
00:53:34,069 --> 00:53:32,640
guy that was working with me he would

1558
00:53:35,510 --> 00:53:34,079
not come in the house

1559
00:53:36,630 --> 00:53:35,520
exactly he came in the house one time

1560
00:53:37,589 --> 00:53:36,640
but he would not come in the house

1561
00:53:40,069 --> 00:53:37,599
anymore

1562
00:53:40,710 --> 00:53:40,079
and i said why why won't you come in the

1563
00:53:42,870 --> 00:53:40,720

house and

1564

00:53:44,790 --> 00:53:42,880

he said dave i seen something in your

1565

00:53:46,069 --> 00:53:44,800

house this is a dark shadow staying on

1566

00:53:48,549 --> 00:53:46,079

your staircase

1567

00:53:50,150 --> 00:53:48,559

and really that's as i said i i think

1568

00:53:51,910 --> 00:53:50,160

things are going on in there too he said

1569

00:53:53,190 --> 00:53:51,920

dave there's something but something in

1570

00:53:54,790 --> 00:53:53,200

there

1571

00:53:56,309 --> 00:53:54,800

but he would not you would not go in the

1572

00:53:58,150 --> 00:53:56,319

house he would sit out in the driveway

1573

00:53:59,589 --> 00:53:58,160

he would not come in the house

1574

00:54:01,270 --> 00:53:59,599

for anything you couldn't drag him in

1575

00:54:03,270 --> 00:54:01,280

there with a bulldozer that's where he

1576

00:54:05,829 --> 00:54:03,280

got he would not go in that house he

1577

00:54:06,309 --> 00:54:05,839

he was uh yeah i i will tell you you

1578

00:54:10,390 --> 00:54:06,319

know i

1579

00:54:12,230 --> 00:54:10,400

um they started checking up on me

1580

00:54:14,230 --> 00:54:12,240

maybe a year or two after you and i

1581

00:54:17,589 --> 00:54:14,240

started working together

1582

00:54:20,630 --> 00:54:17,599

and uh you know i was going through

1583

00:54:23,670 --> 00:54:20,640

training for the to learn how to

1584

00:54:26,790 --> 00:54:23,680

remove view at the time but you know

1585

00:54:29,349 --> 00:54:26,800

and uh i they blocked me

1586

00:54:31,190 --> 00:54:29,359

they blocked me every time i tried to do

1587

00:54:34,870 --> 00:54:31,200

it they blocked me

1588

00:54:38,069 --> 00:54:34,880

and uh they eventually showed up here

1589

00:54:41,349 --> 00:54:38,079

well at my old place down in maryland

1590

00:54:41,750 --> 00:54:41,359

and uh because i remember one night i'm

1591

00:54:43,910 --> 00:54:41,760

i'm

1592

00:54:45,750 --> 00:54:43,920

out in the living room fell asleep in

1593

00:54:48,870 --> 00:54:45,760

the recliner

1594

00:54:51,030 --> 00:54:48,880

and i woke up and these three tall grays

1595

00:54:54,150 --> 00:54:51,040

are standing beside my chair

1596

00:54:54,870 --> 00:54:54,160

looking down at me my dogs are sitting

1597

00:54:56,630 --> 00:54:54,880

there like

1598

00:54:58,549 --> 00:54:56,640

nothing happened they don't know what's

1599

00:55:00,150 --> 00:54:58,559

going on i don't know if they were

1600

00:55:02,230 --> 00:55:00,160

knocked out or whatever

1601
00:55:04,150 --> 00:55:02,240
but these three degrees were these tall

1602
00:55:06,950 --> 00:55:04,160
graves were standing here looking down

1603
00:55:09,510 --> 00:55:06,960
at me and

1604
00:55:10,470 --> 00:55:09,520
i i didn't understand what was going on

1605
00:55:12,309 --> 00:55:10,480
until

1606
00:55:13,670 --> 00:55:12,319
then i thought well this is because of

1607
00:55:15,910 --> 00:55:13,680
david

1608
00:55:17,430 --> 00:55:15,920
and when i said that because i said it

1609
00:55:20,630 --> 00:55:17,440
under my breath

1610
00:55:24,470 --> 00:55:20,640
and and they left it came later

1611
00:55:27,510 --> 00:55:24,480
a couple of months later and

1612
00:55:31,670 --> 00:55:27,520
my wife then knew that they

1613
00:55:33,510 --> 00:55:31,680

they were there as well so um

1614

00:55:35,190 --> 00:55:33,520

yeah it was almost like they were they

1615

00:55:38,230 --> 00:55:35,200

were checking me out

1616

00:55:41,589 --> 00:55:38,240

and giving me permission to

1617

00:55:45,349 --> 00:55:41,599

yeah go ahead and tell david's story

1618

00:55:47,990 --> 00:55:45,359

but do it to with some respect and

1619

00:55:49,190 --> 00:55:48,000

discretion which i have tried to do you

1620

00:55:50,870 --> 00:55:49,200

know i didn't just

1621

00:55:53,190 --> 00:55:50,880

blurt everything out you know there's

1622

00:55:56,549 --> 00:55:53,200

still stuff i'm holding back

1623

00:55:59,829 --> 00:55:56,559

there's a there's a bunch of stuff

1624

00:56:01,190 --> 00:55:59,839

yeah and yeah so yeah i know i know that

1625

00:56:04,150 --> 00:56:01,200

you're reserved on it

1626
00:56:05,750 --> 00:56:04,160
and uh and you're reserved on a lot of

1627
00:56:08,309 --> 00:56:05,760
uh photos i sent you

1628
00:56:09,990 --> 00:56:08,319
and uh it's gonna be i'd like and i was

1629
00:56:13,109 --> 00:56:10,000
discussing with you earlier maybe

1630
00:56:14,630 --> 00:56:13,119
we should put up a what you call that

1631
00:56:16,710 --> 00:56:14,640
like a scrapbook or something that would

1632
00:56:20,150 --> 00:56:16,720
flash as it plays or whatever you can

1633
00:56:23,349 --> 00:56:20,160
well next time i bring you on

1634
00:56:25,430 --> 00:56:23,359
maybe in a few months or so i'm gonna

1635
00:56:28,470 --> 00:56:25,440
put everything together

1636
00:56:31,270 --> 00:56:28,480
on a web page and then what we'll do

1637
00:56:33,829 --> 00:56:31,280
is we'll distribute the web page url out

1638
00:56:36,069 --> 00:56:33,839

to everybody and they can look at it

1639

00:56:36,870 --> 00:56:36,079

before or during the show and after the

1640

00:56:39,910 --> 00:56:36,880

show

1641

00:56:42,069 --> 00:56:39,920

to get an idea of what your

1642

00:56:43,750 --> 00:56:42,079

you know some of the pictures some of

1643

00:56:47,430 --> 00:56:43,760

the photographs and stuff

1644

00:56:48,950 --> 00:56:47,440

some of the sketches and then we'll go

1645

00:56:51,270 --> 00:56:48,960

from there i mean because

1646

00:56:52,390 --> 00:56:51,280

you can stan you can be on here and talk

1647

00:56:55,270 --> 00:56:52,400

about it

1648

00:56:56,069 --> 00:56:55,280

but some of the visuals even just like

1649

00:57:00,710 --> 00:56:56,079

the older

1650

00:57:01,829 --> 00:57:00,720

that was the entities that were in the

1651
00:57:05,349 --> 00:57:01,839
bedroom

1652
00:57:07,589 --> 00:57:05,359
uh and just then we can go from there

1653
00:57:09,349 --> 00:57:07,599
we'll make a special out of that and

1654
00:57:11,430 --> 00:57:09,359
we'll go you know we'll go through with

1655
00:57:15,589 --> 00:57:11,440
that you know like that

1656
00:57:17,270 --> 00:57:15,599
so um you know david i'll tell you it's

1657
00:57:19,589 --> 00:57:17,280
um

1658
00:57:20,470 --> 00:57:19,599
it's been an ordeal for you i understand

1659
00:57:22,150 --> 00:57:20,480
that

1660
00:57:23,670 --> 00:57:22,160
i still have people questioning me

1661
00:57:26,789 --> 00:57:23,680
thinking i'm nuts

1662
00:57:27,270 --> 00:57:26,799
thinking you're nuts and uh but i tell

1663
00:57:31,510 --> 00:57:27,280

you

1664

00:57:34,470 --> 00:57:31,520

i uh people that knew me they

1665

00:57:35,829 --> 00:57:34,480

they know that if i didn't believe what

1666

00:57:38,829 --> 00:57:35,839

was going on i wouldn't have been

1667

00:57:44,230 --> 00:57:41,430

so you know maybe one day

1668

00:57:44,549 --> 00:57:44,240

you and i will write a book together or

1669

00:57:46,710 --> 00:57:44,559

put

1670

00:57:47,829 --> 00:57:46,720

something out together i don't know i

1671

00:57:50,710 --> 00:57:47,839

know i

1672

00:57:51,670 --> 00:57:50,720

i've been writing blog posts for years

1673

00:57:54,870 --> 00:57:51,680

and then i

1674

00:57:56,789 --> 00:57:54,880

wrote a chapter in his latest book about

1675

00:58:00,309 --> 00:57:56,799

your ordeal but there's a lot

1676
00:58:02,309 --> 00:58:00,319
more that can be talked about yeah yeah

1677
00:58:04,309 --> 00:58:02,319
yeah there's a lot more and and to put

1678
00:58:05,750 --> 00:58:04,319
it in all in context you know i thought

1679
00:58:07,430 --> 00:58:05,760
about doing it myself and

1680
00:58:09,190 --> 00:58:07,440
i don't even know where to start i

1681
00:58:11,030 --> 00:58:09,200
really don't it's like

1682
00:58:12,950 --> 00:58:11,040
where does it end and the heck because

1683
00:58:15,109 --> 00:58:12,960
it hasn't ended yet you know i was like

1684
00:58:18,390 --> 00:58:15,119
what is the conclusion of everything

1685
00:58:20,230 --> 00:58:18,400
but uh uh i i i

1686
00:58:21,430 --> 00:58:20,240
sometimes i fear that when they're done

1687
00:58:24,390 --> 00:58:21,440
with me

1688
00:58:25,589 --> 00:58:24,400

that's going to be hit for me that's

1689

00:58:28,630 --> 00:58:25,599

what scares me

1690

00:58:31,030 --> 00:58:28,640

i mean and i know that's on your mind

1691

00:58:32,150 --> 00:58:31,040

uh but that's what scares me they're

1692

00:58:34,870 --> 00:58:32,160

like they're they're

1693

00:58:37,430 --> 00:58:34,880

stringing you along until they don't

1694

00:58:39,349 --> 00:58:37,440

need you anymore so

1695

00:58:41,270 --> 00:58:39,359

i don't know i hope that never comes to

1696

00:58:44,630 --> 00:58:41,280

pass you know that i know they have

1697

00:58:46,230 --> 00:58:44,640

showed you a lot of things about our

1698

00:58:48,950 --> 00:58:46,240

future

1699

00:58:51,589 --> 00:58:48,960

they have shown you scenarios of

1700

00:58:54,390 --> 00:58:51,599

destruction and so forth

1701

00:58:55,030 --> 00:58:54,400

that you know i didn't really want to

1702

00:58:58,470 --> 00:58:55,040

talk about

1703

00:59:01,030 --> 00:58:58,480

detail yeah because yeah

1704

00:59:02,230 --> 00:59:01,040

yeah exactly that's what yeah because i

1705

00:59:04,950 --> 00:59:02,240

don't know because

1706

00:59:06,230 --> 00:59:04,960

i don't want to believe what what has

1707

00:59:07,589 --> 00:59:06,240

been shown to me

1708

00:59:09,670 --> 00:59:07,599

so i don't want to believe it and but

1709

00:59:10,470 --> 00:59:09,680

also knowing the future changes the

1710

00:59:13,430 --> 00:59:10,480

future

1711

00:59:14,710 --> 00:59:13,440

and that's part of that scenario too

1712

00:59:17,589 --> 00:59:14,720

yeah but

1713

00:59:18,069 --> 00:59:17,599

uh yeah it's a it's it's pretty wild but

1714

00:59:25,510 --> 00:59:18,079

and

1715

00:59:27,510 --> 00:59:25,520

have the exact date but pretty darn

1716

00:59:28,150 --> 00:59:27,520

close to when it was going to happen you

1717

00:59:31,670 --> 00:59:28,160

know so

1718

00:59:33,990 --> 00:59:31,680

but oh yeah yeah we uh we we were given

1719

00:59:36,390 --> 00:59:34,000

a time here when it would happen

1720

00:59:39,750 --> 00:59:36,400

and uh you know i tried to we tried to

1721

00:59:41,829 --> 00:59:39,760

remove view it we got a few things but

1722

00:59:43,910 --> 00:59:41,839

i'm telling you i i literally think they

1723

00:59:47,349 --> 00:59:43,920

were blocking me for a lot of this stuff

1724

00:59:49,829 --> 00:59:47,359

but i i you know you had no doubt about

1725

00:59:52,789 --> 00:59:49,839

that as well i know

1726

00:59:53,030 --> 00:59:52,799

yeah yeah yeah i don't want it to happen

1727

00:59:57,109 --> 00:59:53,040

i

1728

00:59:59,510 --> 00:59:57,119

but so

1729

01:00:01,349 --> 00:59:59,520

you know i think that they was trying to

1730

01:00:03,430 --> 01:00:01,359

do for a payment for

1731

01:00:05,589 --> 01:00:03,440

for this crap that they put me through

1732

01:00:07,030 --> 01:00:05,599

you know i was like maybe

1733

01:00:08,710 --> 01:00:07,040

i think they're trying to think out it's

1734

01:00:11,030 --> 01:00:08,720

helping me but it really isn't

1735

01:00:11,990 --> 01:00:11,040

but i don't even know if i'm supposed to

1736

01:00:15,030 --> 01:00:12,000

talk about it

1737

01:00:18,069 --> 01:00:15,040

so yeah well my friend you know we're

1738

01:00:20,710 --> 01:00:18,079

just gonna keep on getting on and uh

1739

01:00:22,150 --> 01:00:20,720

you know as time goes by i'm quite sure

1740

01:00:25,270 --> 01:00:22,160

more will happen and

1741

01:00:28,630 --> 01:00:25,280

we'll have more to put into the file

1742

01:00:31,030 --> 01:00:28,640

but um we'll have to wait and see david

1743

01:00:33,030 --> 01:00:31,040

thanks again for being on the show

1744

01:00:34,390 --> 01:00:33,040

and uh very welcome we'll be talking

1745

01:00:37,670 --> 01:00:34,400

soon

1746

01:00:40,789 --> 01:00:37,680

okay great i'll talk to you then

1747

01:00:42,950 --> 01:00:40,799

bye-bye so listeners can show their

1748

01:00:44,069 --> 01:00:42,960

support for arcane radio by becoming a

1749

01:00:46,549 --> 01:00:44,079

patron

1750

01:00:49,030 --> 01:00:46,559

simply go to phantomsthemonsters.com and

1751

01:00:51,109 --> 01:00:49,040

click the podbean patron banner

1752

01:00:52,390 --> 01:00:51,119

arcane radio also accepts direct

1753

01:00:54,309 --> 01:00:52,400

donations

1754

01:00:56,710 --> 01:00:54,319

now if you have an unexplained encounter

1755

01:00:58,390 --> 01:00:56,720

of sighting feel free to contact me

1756

01:00:59,510 --> 01:00:58,400

through the phantoms of monster blog

1757

01:01:02,670 --> 01:00:59,520

site

1758

01:01:05,990 --> 01:01:02,680

my new book alien disclosure

1759

01:01:07,309 --> 01:01:06,000

experiencers expose reality is now

1760

01:01:10,789 --> 01:01:07,319

available on

1761

01:01:14,069 --> 01:01:10,799

amazon.com and there is a chapter

1762

01:01:16,069 --> 01:01:14,079

that deals with david and his ordeal

1763

01:01:17,990 --> 01:01:16,079

i want to again thank david eckhart for

1764

01:01:20,150 --> 01:01:18,000

joining me this evening and i want to

1765

01:01:22,829 --> 01:01:20,160

thank you for listening to the show

1766

01:01:32,470 --> 01:01:22,839

good night and have a safe and enjoyable
