

**Upright canines  
in the woods,  
at the park,  
even in space?**

# **DOGMAN ON THE DOG PATH**

**BXP**

1  
00:00:05,790 --> 00:00:04,590

[Music]

2  
00:00:10,540 --> 00:00:05,800

[Applause]

3  
00:00:12,890 --> 00:00:10,550

[Music]

4  
00:00:17,830 --> 00:00:12,900

[Applause]

5  
00:00:21,990 --> 00:00:19,670  
welcome to the best of first person

6  
00:00:24,870 --> 00:00:22,000  
episodes from phantoms and monsters

7  
00:00:28,830 --> 00:00:24,880  
please like subscribe and hit the bell

8  
00:00:31,910 --> 00:00:28,840  
icon so you'll be notified of all future

9  
00:00:37,990 --> 00:00:35,030  
abductee describes dogman like humanoids

10  
00:00:40,790 --> 00:00:38,000  
i come from a family of abductees during

11  
00:00:43,030 --> 00:00:40,800  
my life i have had several experiences

12  
00:00:45,430 --> 00:00:43,040  
starting with seeing a large hexagonal

13  
00:00:46,069 --> 00:00:45,440

ufo the kind that blends into the night

14

00:00:47,750 --> 00:00:46,079

sky

15

00:00:49,990 --> 00:00:47,760

and that you can only make out the

16

00:00:52,150 --> 00:00:50,000

outline as it cloaks itself

17

00:00:53,029 --> 00:00:52,160

later i experienced shining lights

18

00:00:55,110 --> 00:00:53,039

coming through my

19

00:00:57,510 --> 00:00:55,120

ceiling and eventually i began

20

00:00:57,990 --> 00:00:57,520

experiencing vivid memories of piloting

21

00:01:00,310 --> 00:00:58,000

a ship

22

00:01:01,430 --> 00:01:00,320

and being of an alien race traveling to

23

00:01:03,670 --> 00:01:01,440

unique worlds

24

00:01:05,910 --> 00:01:03,680

some of which i called home over the

25

00:01:07,750 --> 00:01:05,920

years i have had many experiences of

26

00:01:10,230 --> 00:01:07,760

being educated aboard a ship

27

00:01:10,870 --> 00:01:10,240

in human form and i was always a very

28

00:01:13,590 --> 00:01:10,880

active

29

00:01:15,670 --> 00:01:13,600

questioning and disruptive participant i

30

00:01:17,590 --> 00:01:15,680

am always trying to get people on the

31

00:01:18,310 --> 00:01:17,600

ships to open their minds up to new

32

00:01:20,550 --> 00:01:18,320

ideas

33

00:01:22,550 --> 00:01:20,560

think differently and also to get off

34

00:01:24,950 --> 00:01:22,560

the ships and onto worlds

35

00:01:26,310 --> 00:01:24,960

most recently i experienced being on a

36

00:01:28,710 --> 00:01:26,320

ship once more

37

00:01:29,590 --> 00:01:28,720

i was led to a corridor by a hybrid

38

00:01:31,830 --> 00:01:29,600

scientist

39

00:01:33,670 --> 00:01:31,840

he was mostly human in appearance but

40

00:01:36,469 --> 00:01:33,680

with wrinkled thick gray skin

41

00:01:38,789 --> 00:01:36,479

and wearing a lab coat we passed beside

42

00:01:42,069 --> 00:01:38,799

a small group of dark-skinned humanoid

43

00:01:43,429 --> 00:01:42,079

dog-like bigfoot like people i feel bad

44

00:01:45,910 --> 00:01:43,439

calling them that

45

00:01:46,550 --> 00:01:45,920

they have a name i just can't remember

46

00:01:48,950 --> 00:01:46,560

it

47

00:01:50,230 --> 00:01:48,960

there were about 12 or so of them there

48

00:01:52,870 --> 00:01:50,240

they were good looking

49

00:01:54,870 --> 00:01:52,880

not quite human but were so familiar

50

00:01:56,550 --> 00:01:54,880

like a very close relative of human

51  
00:01:58,069 --> 00:01:56,560  
beings with something different about

52  
00:01:59,910 --> 00:01:58,079  
them that was jarring

53  
00:02:02,069 --> 00:01:59,920  
they reminded me of australian

54  
00:02:04,550 --> 00:02:02,079  
aboriginal people in complexion

55  
00:02:05,270 --> 00:02:04,560  
features such as eyebrows eye shape

56  
00:02:07,990 --> 00:02:05,280  
smile

57  
00:02:09,669 --> 00:02:08,000  
lips and hair color and texture but they

58  
00:02:12,150 --> 00:02:09,679  
had sharp canine teeth

59  
00:02:13,670 --> 00:02:12,160  
dark dog-like noses and the men had a

60  
00:02:15,510 --> 00:02:13,680  
lot of facial hair

61  
00:02:18,150 --> 00:02:15,520  
the men and women wore animal skin

62  
00:02:18,630 --> 00:02:18,160  
clothing the women were mostly of older

63  
00:02:20,630 --> 00:02:18,640

age

64

00:02:22,630 --> 00:02:20,640

wore long cloaks and were hunched over

65

00:02:23,990 --> 00:02:22,640

and huddled together and they seemed to

66

00:02:26,710 --> 00:02:24,000

be feeling cold

67

00:02:28,630 --> 00:02:26,720

the men wore less more like loin cloths

68

00:02:30,550 --> 00:02:28,640

and were of varying ages

69

00:02:32,309 --> 00:02:30,560

the scientist was very nervous in

70

00:02:34,229 --> 00:02:32,319

proximity to these people

71

00:02:35,990 --> 00:02:34,239

and tried to hurry knee past down the

72

00:02:39,190 --> 00:02:36,000

hallway he felt they were

73

00:02:41,509 --> 00:02:39,200

wild animals in a telepathic environment

74

00:02:43,830 --> 00:02:41,519

you just know how others feel they don't

75

00:02:45,990 --> 00:02:43,840

have to say it or explain their feelings

76

00:02:47,509 --> 00:02:46,000

they just are what they are i was

77

00:02:50,470 --> 00:02:47,519

approached by one of the men

78

00:02:51,830 --> 00:02:50,480

very insistently he came very close into

79

00:02:54,070 --> 00:02:51,840

my physical space

80

00:02:56,150 --> 00:02:54,080

and he flashed his eyes at me urgently

81

00:02:56,869 --> 00:02:56,160

they glowed bright green light cat eyes

82

00:02:59,110 --> 00:02:56,879

do

83

00:03:01,509 --> 00:02:59,120

he was very passionate animated and

84

00:03:03,990 --> 00:03:01,519

intense and i was attracted to him

85

00:03:05,110 --> 00:03:04,000

he smelled nice he told me

86

00:03:07,110 --> 00:03:05,120

telepathically

87

00:03:08,710 --> 00:03:07,120

that he was lonely that his people

88

00:03:10,790 --> 00:03:08,720

wanted to get off the ship

89

00:03:12,309 --> 00:03:10,800

that genetically they were dying and had

90

00:03:14,070 --> 00:03:12,319

a very small gene pool

91

00:03:16,630 --> 00:03:14,080

and that they needed to start meeting

92

00:03:17,190 --> 00:03:16,640

people it wasn't just to reproduce of

93

00:03:19,830 --> 00:03:17,200

course

94

00:03:21,910 --> 00:03:19,840

they were very social beings he had a

95

00:03:23,990 --> 00:03:21,920

lot to say and felt that i could help

96

00:03:25,350 --> 00:03:24,000

explain it to the scientist because he

97

00:03:27,430 --> 00:03:25,360

wasn't listening

98

00:03:28,869 --> 00:03:27,440

the scientist wanted to punish the man

99

00:03:31,430 --> 00:03:28,879

for being disobedient

100

00:03:33,589 --> 00:03:31,440

and i was appalled i had a very good

101  
00:03:35,430 --> 00:03:33,599  
feeling about them culturally as a group

102  
00:03:36,630 --> 00:03:35,440  
and felt that they would fit in very

103  
00:03:38,630 --> 00:03:36,640  
well on earth

104  
00:03:40,630 --> 00:03:38,640  
both the dog man and the scientist

105  
00:03:42,229 --> 00:03:40,640  
received my feelings on the matter in a

106  
00:03:44,149 --> 00:03:42,239  
telepathic environment

107  
00:03:46,869 --> 00:03:44,159  
it's all pretty obvious when someone

108  
00:03:48,229 --> 00:03:46,879  
hears you the scientist was surprised at

109  
00:03:50,309 --> 00:03:48,239  
my reaction

110  
00:03:51,910 --> 00:03:50,319  
this was another experience of dealing

111  
00:03:53,750 --> 00:03:51,920  
with grey hybrid humans

112  
00:03:55,190 --> 00:03:53,760  
and sort of shaking my head at their

113  
00:03:57,429 --> 00:03:55,200

oblivious ways

114

00:03:59,030 --> 00:03:57,439

they know so much but there is a lot

115

00:04:01,110 --> 00:03:59,040

they don't understand

116

00:04:02,949 --> 00:04:01,120

i was definitely more interested in the

117

00:04:05,589 --> 00:04:02,959

people in the corridor than whatever the

118

00:04:07,589 --> 00:04:05,599

hybrid scientist was taking me to do

119

00:04:09,110 --> 00:04:07,599

i don't remember anything after this

120

00:04:11,270 --> 00:04:09,120

point later

121

00:04:12,470 --> 00:04:11,280

i was unnerved by my attraction to a

122

00:04:14,630 --> 00:04:12,480

non-human

123

00:04:15,420 --> 00:04:14,640

but i guess it was close enough

124

00:04:21,909 --> 00:04:15,430

anonymous

125

00:04:25,590 --> 00:04:24,390

dogman by petal canine encounter central

126

00:04:27,110 --> 00:04:25,600

pennsylvania

127

00:04:28,550 --> 00:04:27,120

i am sending this to you in light of

128

00:04:29,909 --> 00:04:28,560

hearing about some other recent

129

00:04:32,790 --> 00:04:29,919

pennsylvania sightings

130

00:04:34,469 --> 00:04:32,800

so i wanted to share my experience this

131

00:04:35,830 --> 00:04:34,479

first encounter happened to me about

132

00:04:38,469 --> 00:04:35,840

four weeks ago

133

00:04:40,790 --> 00:04:38,479

i am a 42 year old woman of sober mind

134

00:04:42,550 --> 00:04:40,800

and i am not prone to embellishing

135

00:04:44,230 --> 00:04:42,560

i have a five-pound chihuahua and an

136

00:04:45,749 --> 00:04:44,240

80-pound pit bull that i walk around

137

00:04:47,510 --> 00:04:45,759

town every evening

138

00:04:49,030 --> 00:04:47,520

this encounter happened at around 8

139

00:04:51,510 --> 00:04:49,040

o'clock 8 30 p.m

140

00:04:52,230 --> 00:04:51,520

just after dusk the street lights were

141

00:04:53,909 --> 00:04:52,240

on

142

00:04:56,150 --> 00:04:53,919

there is a town park and portage that

143

00:04:58,629 --> 00:04:56,160

lies on the edge of some woods i would

144

00:04:59,430 --> 00:04:58,639

guess that the park is around 25 acres

145

00:05:01,110 --> 00:04:59,440

or so

146

00:05:02,950 --> 00:05:01,120

i walked the dogs through the park and

147

00:05:04,870 --> 00:05:02,960

then decided i wanted to go around the

148

00:05:06,790 --> 00:05:04,880

block on the back side of the park

149

00:05:07,990 --> 00:05:06,800

there is a main road that runs alongside

150

00:05:09,909 --> 00:05:08,000

of the front of the park

151  
00:05:11,029 --> 00:05:09,919  
and a dirt road that runs along the back

152  
00:05:13,350 --> 00:05:11,039  
side of the park

153  
00:05:15,590 --> 00:05:13,360  
the roads needed a street light i was on

154  
00:05:16,790 --> 00:05:15,600  
the main road and got within about 25

155  
00:05:18,950 --> 00:05:16,800  
yards of the street light

156  
00:05:20,629 --> 00:05:18,960  
and there was a huge figure about seven

157  
00:05:22,629 --> 00:05:20,639  
feet tall i estimate

158  
00:05:24,710 --> 00:05:22,639  
it was standing just back from the light

159  
00:05:25,990 --> 00:05:24,720  
and i could see just the legs

160  
00:05:28,310 --> 00:05:26,000  
they were hair covered and bent

161  
00:05:30,310 --> 00:05:28,320  
backwards like a dog i could not make

162  
00:05:31,510 --> 00:05:30,320  
out a face or other details as it was

163  
00:05:33,830 --> 00:05:31,520

standing back

164

00:05:36,150 --> 00:05:33,840

keep in mind i have my two dogs with me

165

00:05:38,230 --> 00:05:36,160

and the pit bull is extremely protective

166

00:05:39,510 --> 00:05:38,240

the first thought i had was oh [h\_\_h] that

167

00:05:41,029 --> 00:05:39,520

is a big damn dog

168

00:05:43,189 --> 00:05:41,039

and then it dawned on me what i was

169

00:05:44,550 --> 00:05:43,199

seeing my next thought was it is a

170

00:05:46,390 --> 00:05:44,560

freaking werewolf

171

00:05:48,310 --> 00:05:46,400

it was rocking side to side like it was

172

00:05:50,230 --> 00:05:48,320

waiting for us to get closer

173

00:05:51,590 --> 00:05:50,240

that is when i yanked both leashes and

174

00:05:53,510 --> 00:05:51,600

ran towards home

175

00:05:54,870 --> 00:05:53,520

if it were a dog note that the thing was

176  
00:05:56,790 --> 00:05:54,880  
about seven feet tall

177  
00:05:58,230 --> 00:05:56,800  
it would have chased me and my dogs like

178  
00:06:00,150 --> 00:05:58,240  
a normal do would do

179  
00:06:01,909 --> 00:06:00,160  
it just stood there pacing from one foot

180  
00:06:04,309 --> 00:06:01,919  
to the other side to side

181  
00:06:05,189 --> 00:06:04,319  
it was standing on two feet not on all

182  
00:06:07,590 --> 00:06:05,199  
fours

183  
00:06:09,189 --> 00:06:07,600  
my dogs did not seem to sense anything

184  
00:06:11,110 --> 00:06:09,199  
and there was no reaction from them

185  
00:06:13,110 --> 00:06:11,120  
which i found very strange

186  
00:06:15,029 --> 00:06:13,120  
perhaps that thing was downwind and the

187  
00:06:16,629 --> 00:06:15,039  
dogs did not see it because this all

188  
00:06:18,790 --> 00:06:16,639

happened so fast

189

00:06:19,990 --> 00:06:18,800

i got home and told my fiance what had

190

00:06:22,390 --> 00:06:20,000

happened and he did not

191

00:06:24,629 --> 00:06:22,400

make fun of me he believed me he

192

00:06:27,270 --> 00:06:24,639

encouraged me not to go that way again

193

00:06:29,270 --> 00:06:27,280

well guess what i went that way the next

194

00:06:30,629 --> 00:06:29,280

night because i had convinced myself i

195

00:06:32,230 --> 00:06:30,639

was seeing things

196

00:06:34,150 --> 00:06:32,240

this time i took the dirt road that

197

00:06:35,909 --> 00:06:34,160

circles the back side of the park just

198

00:06:37,670 --> 00:06:35,919

to prove myself wrong

199

00:06:39,510 --> 00:06:37,680

it was not quite dust so it was still

200

00:06:40,309 --> 00:06:39,520

pretty light out and the woods are on

201  
00:06:41,830 --> 00:06:40,319  
either side

202  
00:06:45,189 --> 00:06:41,840  
and there are no houses in this

203  
00:06:46,469 --> 00:06:45,199  
particular area i got to within 150 feet

204  
00:06:48,309 --> 00:06:46,479  
of where i saw the thing

205  
00:06:50,230 --> 00:06:48,319  
and my chihuahua started growling and

206  
00:06:52,070 --> 00:06:50,240  
all of his hair was standing up

207  
00:06:53,510 --> 00:06:52,080  
he started barking and going in circles

208  
00:06:54,390 --> 00:06:53,520  
looking for whatever it was that he

209  
00:06:56,870 --> 00:06:54,400  
sensed

210  
00:06:59,110 --> 00:06:56,880  
no reaction at all from the pit she is

211  
00:07:01,589 --> 00:06:59,120  
feisty and not afraid to fight intruders

212  
00:07:03,350 --> 00:07:01,599  
so that really surprised me about the

213  
00:07:05,110 --> 00:07:03,360

same time the little dog was freaking

214

00:07:05,909 --> 00:07:05,120

out there was a huge crash in the woods

215

00:07:08,870 --> 00:07:05,919

next to us

216

00:07:11,029 --> 00:07:08,880

maybe 10 yards away off so this area is

217

00:07:12,790 --> 00:07:11,039

very swampy and there are quite a few

218

00:07:14,870 --> 00:07:12,800

large bushes and trees

219

00:07:15,830 --> 00:07:14,880

this crash sounded like a tree falling

220

00:07:19,029 --> 00:07:15,840

but like it fell

221

00:07:21,830 --> 00:07:19,039

instantly it was lounge fast and instant

222

00:07:23,749 --> 00:07:21,840

i ran out of there so damn fast i did

223

00:07:26,150 --> 00:07:23,759

not see anything this time other than my

224

00:07:28,790 --> 00:07:26,160

dog freaking out in the large crash

225

00:07:30,710 --> 00:07:28,800

i did not think i could move that fast i

226

00:07:32,070 --> 00:07:30,720

got home safe and vowed to never take

227

00:07:33,670 --> 00:07:32,080

that trail again

228

00:07:35,749 --> 00:07:33,680

please keep in mind that this trail is

229

00:07:36,469 --> 00:07:35,759

very heavily used by cars and people

230

00:07:38,469 --> 00:07:36,479

daily

231

00:07:40,309 --> 00:07:38,479

that is what strikes me is so odd to see

232

00:07:42,309 --> 00:07:40,319

and hear something like that there

233

00:07:44,150 --> 00:07:42,319

well the next morning i put the dogs out

234

00:07:45,110 --> 00:07:44,160

to pee and they both freaked out and

235

00:07:47,110 --> 00:07:45,120

started growling

236

00:07:49,270 --> 00:07:47,120

hair standing up and running up and down

237

00:07:50,790 --> 00:07:49,280

our fence sniffing and digging at it

238

00:07:52,629 --> 00:07:50,800

they get excited when they smell

239

00:07:53,990 --> 00:07:52,639

something that should not be there i.e

240

00:07:56,230 --> 00:07:54,000

another dog or such

241

00:07:58,390 --> 00:07:56,240

but this is now how they were behaving

242

00:07:59,110 --> 00:07:58,400

the acted very agitated and almost

243

00:08:00,869 --> 00:07:59,120

scared

244

00:08:02,629 --> 00:08:00,879

it truly makes me wonder if something

245

00:08:04,390 --> 00:08:02,639

followed us home that night

246

00:08:06,230 --> 00:08:04,400

needless to say if i walk the park i

247

00:08:08,309 --> 00:08:06,240

stay away from the backside

248

00:08:10,230 --> 00:08:08,319

the dogs get agitated when we are on the

249

00:08:11,589 --> 00:08:10,240

front side and they can smell in that

250

00:08:14,070 --> 00:08:11,599

general direction

251

00:08:16,230 --> 00:08:14,080

they will growl and whine i always carry

252

00:08:17,909 --> 00:08:16,240

a loaded handgun no matter where i go

253

00:08:19,990 --> 00:08:17,919

but something tells me that it would not

254

00:08:22,869 --> 00:08:20,000

help if that thing wanted to meet

255

00:08:24,629 --> 00:08:22,879

so that is my story every word true you

256

00:08:26,469 --> 00:08:24,639

can take it for what it's worth

257

00:08:28,150 --> 00:08:26,479

i would be very curious to know if you

258

00:08:28,950 --> 00:08:28,160

have had other reports of things in my

259

00:08:30,550 --> 00:08:28,960

area

260

00:08:32,389 --> 00:08:30,560

of all the years i have lived here and

261

00:08:34,310 --> 00:08:32,399

been on the backwoods trails i have

262

00:08:35,430 --> 00:08:34,320

never felt fear or saw anything out of

263

00:08:37,990 --> 00:08:35,440

the ordinary

264

00:08:39,350 --> 00:08:38,000

now i am scared to walk in town i would

265

00:08:41,110 --> 00:08:39,360

much rather be in the woods

266

00:08:42,630 --> 00:08:41,120

and i have actually started walking

267

00:08:44,310 --> 00:08:42,640

those trails instead

268

00:08:45,829 --> 00:08:44,320

i would truly appreciate if you would

269

00:08:47,750 --> 00:08:45,839

let me know of other sightings or

270

00:08:48,710 --> 00:08:47,760

encounters in my area if you have had

271

00:08:50,790 --> 00:08:48,720

reports

272

00:08:52,630 --> 00:08:50,800

i am about an hour drive from penfield

273

00:08:53,509 --> 00:08:52,640

and i am aware of things going on there

274

00:08:55,110 --> 00:08:53,519

as well

275

00:08:56,630 --> 00:08:55,120

thank you for your time lon and i

276

00:09:03,509 --> 00:08:56,640

appreciate your work

277

00:09:07,110 --> 00:09:05,590

terrifying dogman cryptic canine close

278

00:09:09,030 --> 00:09:07,120

encounter in quebec

279

00:09:10,790 --> 00:09:09,040

an old friend and i saw a dogman in the

280

00:09:12,790 --> 00:09:10,800

center ecologique fernand sequin in

281

00:09:15,269 --> 00:09:12,800

chittogway in quebec canada

282

00:09:16,230 --> 00:09:15,279

it was the summer of 2008 if my memory

283

00:09:17,750 --> 00:09:16,240

is correct

284

00:09:19,910 --> 00:09:17,760

during the late evening hike with my

285

00:09:20,389 --> 00:09:19,920

friend in the park like around 9 or 10

286

00:09:22,230 --> 00:09:20,399

pm

287

00:09:24,389 --> 00:09:22,240

we begin to be followed by an animal who

288

00:09:25,190 --> 00:09:24,399

acted very weird emitting a dog-like

289

00:09:26,710 --> 00:09:25,200

sound

290

00:09:28,630 --> 00:09:26,720

when we returned to the entrance of the

291

00:09:29,509 --> 00:09:28,640

park this thing cleverly followed us at

292

00:09:31,110 --> 00:09:29,519

the edge of the wood

293

00:09:33,030 --> 00:09:31,120

to avoid the light at the entrance of

294

00:09:34,630 --> 00:09:33,040

the park so we couldn't see it

295

00:09:36,070 --> 00:09:34,640

like it knew we can't see anything at

296

00:09:37,750 --> 00:09:36,080

night and the light will reveal

297

00:09:39,750 --> 00:09:37,760

it when we were running back to the

298

00:09:40,870 --> 00:09:39,760

parking area my friend and i entered the

299

00:09:42,870 --> 00:09:40,880

car in a hurry

300

00:09:44,389 --> 00:09:42,880

when he started the car my friend saw

301  
00:09:45,590 --> 00:09:44,399  
the face of the beast two to three

302  
00:09:47,670 --> 00:09:45,600  
meters from the window

303  
00:09:48,870 --> 00:09:47,680  
standing on two feet staring at him with

304  
00:09:50,870 --> 00:09:48,880  
a creepy grin

305  
00:09:52,949 --> 00:09:50,880  
my friend is a very tough guy normally

306  
00:09:54,630 --> 00:09:52,959  
and he knows the forest very well

307  
00:09:57,030 --> 00:09:54,640  
he has seen lots of predators in the

308  
00:09:58,389 --> 00:09:57,040  
past it was the first time i saw him

309  
00:10:00,470 --> 00:09:58,399  
terrified like that

310  
00:10:02,710 --> 00:10:00,480  
a couple of days ago his father saw a

311  
00:10:04,790 --> 00:10:02,720  
muscular and massive black dog in lurie

312  
00:10:06,150 --> 00:10:04,800  
a small town near chittogway around

313  
00:10:08,630 --> 00:10:06,160

their little cabin in the wood

314

00:10:09,190 --> 00:10:08,640

close to a marsh the creature had large

315

00:10:10,710 --> 00:10:09,200

shoulders

316

00:10:12,550 --> 00:10:10,720

and it confronted the father of my

317

00:10:14,310 --> 00:10:12,560

friend by staring at him from a distance

318

00:10:16,069 --> 00:10:14,320

of five to six meters

319

00:10:17,670 --> 00:10:16,079

the moment the father of my friend tried

320

00:10:19,590 --> 00:10:17,680

to reach a kind of spear weapon to

321

00:10:21,990 --> 00:10:19,600

confront it the creature ran away into

322

00:10:23,990 --> 00:10:22,000

the marsh very fast and never come back

323

00:10:26,069 --> 00:10:24,000

his father never told us about his story

324

00:10:27,910 --> 00:10:26,079

until we talk about our encounter

325

00:10:29,670 --> 00:10:27,920

so maybe it was the same beast living in

326

00:10:30,630 --> 00:10:29,680

the area or another one living in the

327

00:10:38,310 --> 00:10:30,640

same area

328

00:10:41,750 --> 00:10:40,870

this is lon strickler if you like this

329

00:10:43,509 --> 00:10:41,760

program

330

00:10:44,870 --> 00:10:43,519

it would help us if you would give it a

331

00:10:47,750 --> 00:10:44,880

thumbs up

332

00:10:48,230 --> 00:10:47,760

then subscribe and click the bell icon

333

00:10:50,550 --> 00:10:48,240

so you

334

00:10:52,630 --> 00:10:50,560

get notification when we upload new

335

00:10:55,750 --> 00:10:52,640

first-person encounters

336

00:10:56,470 --> 00:10:55,760

we have many more to come very soon and

337

00:10:58,630 --> 00:10:56,480

by the way

338

00:11:00,230 --> 00:10:58,640

if you have a suggestion or an
