

ARCANE RADIO 

Exploring the Unexplained 

Mar. 27th, 2020

David Eckhart

**Alien Abductee/
Experiencer**

BXP

1
00:00:08,070 --> 00:00:04,630
the oldest

2
00:00:10,230 --> 00:00:08,080
and strongest human emotion is fear

3
00:00:11,190 --> 00:00:10,240
and the oldest and strongest type of

4
00:00:14,390 --> 00:00:11,200
fear

5
00:00:16,870 --> 00:00:14,400
is trepidation of young men

6
00:00:20,310 --> 00:00:16,880
when we were children our parents told

7
00:00:22,790 --> 00:00:20,320
us that monsters didn't exist

8
00:00:25,990 --> 00:00:22,800
but we were sure that something was

9
00:00:30,470 --> 00:00:26,000
lurking under the bed or in the closet

10
00:00:33,510 --> 00:00:30,480
fear sees even if our eyes are closed

11
00:00:36,709 --> 00:00:33,520
welcome to the realm of the arcane

12
00:00:37,350 --> 00:00:36,719
my name is lon strickler join me as i

13
00:00:39,830 --> 00:00:37,360

examine

14

00:00:44,229 --> 00:00:39,840

unexplained creatures strange

15

00:00:47,190 --> 00:00:44,239

manifestations of remarkable realities

16

00:00:49,830 --> 00:00:47,200

imagine this next hour as a voyage of

17

00:00:52,869 --> 00:00:49,840

discovery to strange lands

18

00:00:55,350 --> 00:00:52,879

seeking not for new territory but for

19

00:00:58,229 --> 00:00:55,360

new knowledge of the supernatural

20

00:01:02,709 --> 00:00:58,239

come on board as we begin this adventure

21

00:01:06,870 --> 00:01:04,710

hey folks good evening and welcome to

22

00:01:09,030 --> 00:01:06,880

another episode of arcane radio

23

00:01:10,070 --> 00:01:09,040

where we explore the unexplained here on

24

00:01:12,390 --> 00:01:10,080

the paranormal king

25

00:01:14,550 --> 00:01:12,400

radio network i'm your host lon

26

00:01:15,270 --> 00:01:14,560

strickler coming to you within a canon

27

00:01:17,590 --> 00:01:15,280

shot

28

00:01:19,270 --> 00:01:17,600

of historic gettysburg in the mysterious

29

00:01:22,550 --> 00:01:19,280

state of pennsylvania

30

00:01:25,270 --> 00:01:22,560

i thank you for joining me now if you

31

00:01:27,670 --> 00:01:25,280

have a question for tonight's guest

32

00:01:29,749 --> 00:01:27,680

feel free to post it in the chat and

33

00:01:32,630 --> 00:01:29,759

i'll try to get to it

34

00:01:34,149 --> 00:01:32,640

as well if you rece you can receive a

35

00:01:37,030 --> 00:01:34,159

signed copy

36

00:01:38,469 --> 00:01:37,040

of my recent book most recent book alien

37

00:01:41,030 --> 00:01:38,479

disclosure

38

00:01:42,230 --> 00:01:41,040

experiences exposed reality by going

39

00:01:45,510 --> 00:01:42,240

into the jet

40

00:01:46,230 --> 00:01:45,520

and following the entry instructions now

41

00:01:49,670 --> 00:01:46,240

tonight

42

00:01:51,990 --> 00:01:49,680

i welcome alien abductee and experimenter

43

00:01:54,310 --> 00:01:52,000

david eckhart to arcane radio

44

00:01:55,270 --> 00:01:54,320

over a decade ago david and his family

45

00:01:58,230 --> 00:01:55,280

began to endure

46

00:02:01,030 --> 00:01:58,240

numerous abductions and close encounters

47

00:02:03,350 --> 00:02:01,040

in their home near pensacola florida

48

00:02:05,190 --> 00:02:03,360

the encounters have continued though the

49

00:02:06,709 --> 00:02:05,200

activity has recently picked up in

50

00:02:08,630 --> 00:02:06,719

intensity

51
00:02:11,589 --> 00:02:08,640
david's ordeal has been thoroughly

52
00:02:14,710 --> 00:02:11,599
documented because of his determination

53
00:02:16,630 --> 00:02:14,720
to discover why he was chosen

54
00:02:18,790 --> 00:02:16,640
i have assisted david in his journey

55
00:02:21,750 --> 00:02:18,800
since 2010.

56
00:02:23,990 --> 00:02:21,760
his story was presented on factor faked

57
00:02:25,830 --> 00:02:24,000
the paranormal files which resulted

58
00:02:28,309 --> 00:02:25,840
in one of the series highest rated

59
00:02:30,550 --> 00:02:28,319
episodes namely because the team could

60
00:02:32,710 --> 00:02:30,560
not debunk david's claims

61
00:02:35,430 --> 00:02:32,720
now david's story can be found in my

62
00:02:38,309 --> 00:02:35,440
book I.a disclosure experiences

63
00:02:39,830 --> 00:02:38,319

expose reality so david thanks for

64

00:02:41,509 --> 00:02:39,840

joining me

65

00:02:43,830 --> 00:02:41,519

yeah i'm happy to be here with you lon

66

00:02:45,750 --> 00:02:43,840

it's always great talking to you

67

00:02:48,830 --> 00:02:45,760

yeah it's always great talk to you man i

68

00:02:53,430 --> 00:02:48,840

you know i know there's a lot going on

69

00:02:55,990 --> 00:02:53,440

uh it seems it seems that uh

70

00:02:57,270 --> 00:02:56,000

the activity kind of picks up at certain

71

00:02:59,430 --> 00:02:57,280

times and

72

00:03:01,589 --> 00:02:59,440

you you tend to get different types of

73

00:03:03,270 --> 00:03:01,599

beans come in there can you um

74

00:03:06,229 --> 00:03:03,280

can you talk a little bit about what's

75

00:03:09,350 --> 00:03:06,239

been going on lately

76

00:03:12,149 --> 00:03:09,360

uh they've been uh

77

00:03:13,910 --> 00:03:12,159

you know they rotate usually like every

78

00:03:16,470 --> 00:03:13,920

three months to every three weeks so

79

00:03:19,030 --> 00:03:16,480

who's coming in and stuff uh

80

00:03:19,830 --> 00:03:19,040

and i got they've been coming in new

81

00:03:22,470 --> 00:03:19,840

groups like

82

00:03:23,509 --> 00:03:22,480

every other day here now so and they

83

00:03:26,710 --> 00:03:23,519

coming in

84

00:03:30,229 --> 00:03:26,720

like an infestation and no sleep

85

00:03:32,949 --> 00:03:30,239

going on so uh

86

00:03:34,550 --> 00:03:32,959

that discovered a new group they had

87

00:03:38,949 --> 00:03:34,560

like really big hands

88

00:03:41,190 --> 00:03:38,959

uh yeah uh they look more humanoid

89

00:03:41,990 --> 00:03:41,200

but they have like huge hands it's uh

90

00:03:45,110 --> 00:03:42,000

i've been

91

00:03:48,390 --> 00:03:45,120

just calling them mole people but uh

92

00:03:49,910 --> 00:03:48,400

i saw that yeah it's it's

93

00:03:51,830 --> 00:03:49,920

though it's kind of strange to look at

94

00:03:54,149 --> 00:03:51,840

how big their hands are

95

00:03:56,309 --> 00:03:54,159

but uh and they're all coming in for

96

00:03:59,509 --> 00:03:56,319

their own different reasons here too so

97

00:04:02,789 --> 00:03:59,519

it's all they've been noisy here lately

98

00:04:03,990 --> 00:04:02,799

uh no rest i swear

99

00:04:05,990 --> 00:04:04,000

i come home from work and they're

100

00:04:06,309 --> 00:04:06,000

already at the house they're coming into

101
00:04:14,309 --> 00:04:06,319
the

102
00:04:16,150 --> 00:04:14,319
but it opens up

103
00:04:17,830 --> 00:04:16,160
and they come on in and i'm talking

104
00:04:18,629 --> 00:04:17,840
about and they're noisy when they come

105
00:04:21,030 --> 00:04:18,639
on in too

106
00:04:21,830 --> 00:04:21,040
and they're uh been knocking things off

107
00:04:25,670 --> 00:04:21,840
the dressers

108
00:04:29,510 --> 00:04:25,680
uh um you know there's zero privacy

109
00:04:32,950 --> 00:04:29,520
uh it's uh it's draining me

110
00:04:33,670 --> 00:04:32,960
oh i bet i bet yeah i mean you know you

111
00:04:36,150 --> 00:04:33,680
and i have

112
00:04:37,830 --> 00:04:36,160
known each other now for over a decade

113
00:04:41,030 --> 00:04:37,840

and uh

114

00:04:41,510 --> 00:04:41,040

it it does seem it does seem that they

115

00:04:44,230 --> 00:04:41,520

do

116

00:04:45,590 --> 00:04:44,240

not relent i mean they always seem to be

117

00:04:47,510 --> 00:04:45,600

up to something

118

00:04:50,310 --> 00:04:47,520

there always seems to be a change in the

119

00:04:53,510 --> 00:04:50,320

different type of entities that come in

120

00:04:57,110 --> 00:04:53,520

and you do have a lot more humanoid or

121

00:04:59,270 --> 00:04:57,120

human-like entities as as before right

122

00:05:00,950 --> 00:04:59,280

yeah yeah no no they're still bringing

123

00:05:04,790 --> 00:05:00,960

the kids around

124

00:05:07,270 --> 00:05:04,800

and uh and uh yeah they've been

125

00:05:09,510 --> 00:05:07,280

more yeah more human like looking like

126
00:05:10,790 --> 00:05:09,520
uh but they still were in costumes and

127
00:05:15,189 --> 00:05:10,800
masks

128
00:05:16,790 --> 00:05:15,199
so i would always say if your little kid

129
00:05:18,390 --> 00:05:16,800
says they see a monster underneath the

130
00:05:21,830 --> 00:05:18,400
bed or in a closet take

131
00:05:25,990 --> 00:05:24,230
because i why they dress up in a costume

132
00:05:29,590 --> 00:05:26,000
the only thing to

133
00:05:29,990 --> 00:05:29,600
scare us uh or so you'll run the other

134
00:05:32,310 --> 00:05:30,000
way

135
00:05:33,830 --> 00:05:32,320
so they'll be safe or to hide their

136
00:05:37,110 --> 00:05:33,840
identity

137
00:05:38,070 --> 00:05:37,120
uh who they are it's the only reasons i

138
00:05:39,909 --> 00:05:38,080

could think i don't think it's a

139

00:05:43,510 --> 00:05:39,919

religious thing or anything but

140

00:05:44,790 --> 00:05:43,520

right uh i i have turned up the heat

141

00:05:46,310 --> 00:05:44,800

around because i know it gets hot in

142

00:05:49,510 --> 00:05:46,320

those costumes so

143

00:05:51,029 --> 00:05:49,520

i really cranked it up before

144

00:05:53,430 --> 00:05:51,039

so yeah trying to make it as

145

00:05:54,950 --> 00:05:53,440

uncomfortable as possible exactly

146

00:05:57,029 --> 00:05:54,960

yeah you got to have fun with it you

147

00:06:00,390 --> 00:05:57,039

know so yeah

148

00:06:02,150 --> 00:06:00,400

yeah uh ross is actually posting some of

149

00:06:05,110 --> 00:06:02,160

the photographs

150

00:06:07,430 --> 00:06:05,120

up on the chat right now and and the one

151
00:06:10,550 --> 00:06:07,440
is the um

152
00:06:12,390 --> 00:06:10,560
it does look like one of the uh the

153
00:06:14,550 --> 00:06:12,400
portals opening up

154
00:06:16,550 --> 00:06:14,560
or one of the portals that's in in your

155
00:06:20,230 --> 00:06:16,560
in your house

156
00:06:20,710 --> 00:06:20,240
uh it's it's kind of the oval-shaped

157
00:06:25,189 --> 00:06:20,720
thing

158
00:06:28,870 --> 00:06:25,199
with the light in the middle right uh

159
00:06:30,950 --> 00:06:28,880
um yeah uh i'm trying to

160
00:06:34,150 --> 00:06:30,960
yeah okay i think i know which one

161
00:06:37,990 --> 00:06:34,160
you're talking about

162
00:06:39,830 --> 00:06:38,000
i have i have over 10 000 photographs

163
00:06:41,749 --> 00:06:39,840

i know it's hard to keep up with them

164

00:06:43,270 --> 00:06:41,759

all in my head and i got my favorites

165

00:06:45,270 --> 00:06:43,280

and one day i'm going to put my

166

00:06:46,950 --> 00:06:45,280

favorites on dvd and uh

167

00:06:48,390 --> 00:06:46,960

and i'm going to give it to you lon and

168

00:06:50,309 --> 00:06:48,400

let you distribute how

169

00:06:51,909 --> 00:06:50,319

you see accordingly well that sounds

170

00:06:55,029 --> 00:06:51,919

cool to me

171

00:06:56,950 --> 00:06:55,039

um you know i i tell you what now he did

172

00:06:59,749 --> 00:06:56,960

he just did post the one with this

173

00:07:00,550 --> 00:06:59,759

entity that you call the mole people the

174

00:07:02,390 --> 00:07:00,560

uh

175

00:07:03,830 --> 00:07:02,400

kind of the bright looking face with the

176

00:07:06,870 --> 00:07:03,840

eyes and uh

177

00:07:10,230 --> 00:07:06,880

oh yeah that one hands that that is

178

00:07:12,390 --> 00:07:10,240

really amazing uh did you see the

179

00:07:15,510 --> 00:07:12,400

writing on his helmet he's got like a uh

180

00:07:15,990 --> 00:07:15,520

yeah it's it's kind of like some uh some

181

00:07:19,510 --> 00:07:16,000

symbols

182

00:07:21,510 --> 00:07:19,520

on his helmet right yeah and uh yeah

183

00:07:23,749 --> 00:07:21,520

yeah i don't know if that stands for

184

00:07:25,350 --> 00:07:23,759

medical or what i'm just guessing

185

00:07:26,790 --> 00:07:25,360

because you know the things that they do

186

00:07:28,870 --> 00:07:26,800

when they come in

187

00:07:29,909 --> 00:07:28,880

but uh he might be a lead guy in that

188

00:07:33,029 --> 00:07:29,919

but that is uh

189

00:07:35,830 --> 00:07:33,039

you're looking at uh entity writing

190

00:07:38,550 --> 00:07:35,840

there or whatever it is or symbolism

191

00:07:40,790 --> 00:07:38,560

so i don't know i don't i can't read the

192

00:07:43,029 --> 00:07:40,800

stuff anyways but i always look for

193

00:07:45,749 --> 00:07:43,039

any kind of writing i can find i always

194

00:07:49,430 --> 00:07:45,759

try to get a picture of it if i can

195

00:07:50,869 --> 00:07:49,440

but uh but uh i'm limited on how clear i

196

00:07:53,990 --> 00:07:50,879

can get the pictures

197

00:07:55,830 --> 00:07:54,000

right because i need a better camera

198

00:07:58,070 --> 00:07:55,840

instead of using my cell phone all the

199

00:08:00,550 --> 00:07:58,080

time but yeah

200

00:08:01,430 --> 00:08:00,560

well i tell you this is the one question

201
00:08:04,550 --> 00:08:01,440

i get from

202
00:08:06,469 --> 00:08:04,560

from a lot of people is how do you take

203
00:08:07,430 --> 00:08:06,479

these photographs what do you use as a

204
00:08:09,830 --> 00:08:07,440

filter

205
00:08:11,029 --> 00:08:09,840

and how it's progressed over the years

206
00:08:14,150 --> 00:08:11,039

because i know when you

207
00:08:16,390 --> 00:08:14,160

you initially started doing it when you

208
00:08:18,550 --> 00:08:16,400

were using the camcorders at first they

209
00:08:21,430 --> 00:08:18,560

were frying those things

210
00:08:21,830 --> 00:08:21,440

right yeah they're ruining my phones now

211
00:08:23,350 --> 00:08:21,840

they

212
00:08:24,950 --> 00:08:23,360

i go through phones like i go through

213
00:08:28,070 --> 00:08:24,960

water you know i know

214

00:08:31,189 --> 00:08:29,670

can you try and explain a little bit of

215

00:08:32,790 --> 00:08:31,199

that to me

216

00:08:34,469 --> 00:08:32,800

sure yeah when you know it started out

217

00:08:36,469 --> 00:08:34,479

in the beginning that uh i was just

218

00:08:38,149 --> 00:08:36,479

trying to get a view of my whole bedroom

219

00:08:39,269 --> 00:08:38,159

and so just one corner because you know

220

00:08:42,070 --> 00:08:39,279

the cameras you know

221

00:08:42,310 --> 00:08:42,080

if you if you uh as you pan in you know

222

00:08:48,550 --> 00:08:42,320

you

223

00:08:51,190 --> 00:08:48,560

so uh

224

00:08:52,550 --> 00:08:51,200

we're using a uh stainless steel bowl

225

00:08:54,790 --> 00:08:52,560

gives you the fish eye

226

00:08:57,269 --> 00:08:54,800

look on it right and i got something

227

00:09:00,550 --> 00:08:57,279

similar i'm using right now too

228

00:09:03,269 --> 00:09:00,560

it's a kind of a decorative piece but uh

229

00:09:04,230 --> 00:09:03,279

but i've worked all the way up to uh

230

00:09:06,470 --> 00:09:04,240

using water

231

00:09:08,550 --> 00:09:06,480

because i was laying in bed and i could

232

00:09:10,310 --> 00:09:08,560

see in my glass of water next to the bed

233

00:09:13,430 --> 00:09:10,320

i could see an image of them

234

00:09:15,829 --> 00:09:13,440

and water doesn't lie and uh that's uh

235

00:09:17,110 --> 00:09:15,839

gives you because i believe that they're

236

00:09:20,310 --> 00:09:17,120

four dimensional

237

00:09:22,470 --> 00:09:20,320

uh entities uh so

238

00:09:24,550 --> 00:09:22,480

that's why i get i can get a better

239

00:09:26,710 --> 00:09:24,560

image just like a hologram

240

00:09:27,670 --> 00:09:26,720

that goes on inside the bottle i don't

241

00:09:30,230 --> 00:09:27,680

need that

242

00:09:31,430 --> 00:09:30,240

for myself personally to see them

243

00:09:33,350 --> 00:09:31,440

everybody else needs it

244

00:09:37,110 --> 00:09:33,360

because i've learned how to see them oh

245

00:09:40,710 --> 00:09:37,120

okay yeah you did explain that to me um

246

00:09:41,670 --> 00:09:40,720

yeah you said you take took the advice

247

00:09:45,190 --> 00:09:41,680

of

248

00:09:47,829 --> 00:09:45,200

dr aku about uh about

249

00:09:49,590 --> 00:09:47,839

looking at these beings uh that when

250

00:09:53,350 --> 00:09:49,600

they cloak

251
00:09:57,030 --> 00:09:53,360
oh yeah dr uh cuckoo kaku whatever

252
00:09:59,509 --> 00:09:57,040
uh darn i his name yeah

253
00:10:01,430 --> 00:09:59,519
yeah me too yeah i hope i say right but

254
00:10:03,430 --> 00:10:01,440
uh yeah he was uh

255
00:10:05,350 --> 00:10:03,440
i was listening to one of his lectures

256
00:10:06,310 --> 00:10:05,360
like i always enjoy listening to him

257
00:10:09,190 --> 00:10:06,320
talk he's a

258
00:10:09,670 --> 00:10:09,200
very intelligent man and i admire him

259
00:10:11,829 --> 00:10:09,680
for that

260
00:10:13,350 --> 00:10:11,839
but he's talking about that we're coming

261
00:10:16,470 --> 00:10:13,360
close to uh

262
00:10:19,829 --> 00:10:16,480
you know invisibility cloaking

263
00:10:23,110 --> 00:10:19,839

and uh and that he he said

264

00:10:25,269 --> 00:10:23,120

you know that when we do that

265

00:10:26,389 --> 00:10:25,279

you will not be able to cover your eyes

266

00:10:29,670 --> 00:10:26,399

because you won't be able to see

267

00:10:33,350 --> 00:10:29,680

your own cloaking shield and he does

268

00:10:35,430 --> 00:10:33,360

not know how right he is on this because

269

00:10:36,630 --> 00:10:35,440

these guys their their eyes are always

270

00:10:38,389 --> 00:10:36,640

uncovered when i get them in the

271

00:10:40,550 --> 00:10:38,399

pictures and stuff uh and then

272

00:10:41,990 --> 00:10:40,560

if you're standing in the room with them

273

00:10:44,829 --> 00:10:42,000

and they happen to open their eyes and

274

00:10:48,310 --> 00:10:44,839

look at you you'll see their eyes

275

00:10:48,949 --> 00:10:48,320

uh and that that's always spooky too

276

00:10:50,870 --> 00:10:48,959

it's like you

277

00:10:52,870 --> 00:10:50,880

if you think you're all by yourself and

278

00:10:54,310 --> 00:10:52,880

then you look over you see it open his

279

00:10:55,670 --> 00:10:54,320

eyes you see the whites of their eyes

280

00:10:58,470 --> 00:10:55,680

you know it's like

281

00:10:59,190 --> 00:10:58,480

but uh yeah it's they uh they're doing

282

00:11:02,230 --> 00:10:59,200

that

283

00:11:04,710 --> 00:11:02,240

but anyways under the water deal i i've

284

00:11:05,350 --> 00:11:04,720

i uh i progress all the way to using

285

00:11:07,990 --> 00:11:05,360

that one

286

00:11:08,630 --> 00:11:08,000

gallon jug of water okay it's uh the

287

00:11:10,230 --> 00:11:08,640

biggest

288

00:11:11,990 --> 00:11:10,240

container i have if i have anything

289

00:11:13,670 --> 00:11:12,000

bigger i would be using it but

290

00:11:15,350 --> 00:11:13,680

i don't think the fish aquarium will

291

00:11:17,910 --> 00:11:15,360

work because

292

00:11:19,030 --> 00:11:17,920

it's not rounded right so it won't

293

00:11:21,110 --> 00:11:19,040

project the picture

294

00:11:22,310 --> 00:11:21,120

of the what's going on in the room to

295

00:11:24,630 --> 00:11:22,320

the center

296

00:11:26,230 --> 00:11:24,640

and uh yes it does project a picture

297

00:11:27,670 --> 00:11:26,240

better than i can see them with my own

298

00:11:30,550 --> 00:11:27,680

eyes

299

00:11:32,150 --> 00:11:30,560

they look like uh like the predator

300

00:11:34,949 --> 00:11:32,160

pixelated and

301
00:11:35,910 --> 00:11:34,959
it's floaty swimming looking that the

302
00:11:38,069 --> 00:11:35,920
atmosphere will be

303
00:11:39,269 --> 00:11:38,079
you can make out kind of details of what

304
00:11:40,790 --> 00:11:39,279
they're doing

305
00:11:42,949 --> 00:11:40,800
but uh as soon as they think you're

306
00:11:43,910 --> 00:11:42,959
asleep they start decloaking and they

307
00:11:47,509 --> 00:11:43,920
look like

308
00:11:50,470 --> 00:11:47,519
dark shadows uh but with details

309
00:11:50,870 --> 00:11:50,480
so and i do pretend i'm asleep sometimes

310
00:11:54,550 --> 00:11:50,880
and

311
00:11:56,069 --> 00:11:54,560
so it's uh

312
00:11:58,389 --> 00:11:56,079
it's spooky because you don't know what

313
00:12:01,509 --> 00:11:58,399

they're going to do so

314

00:12:04,310 --> 00:12:01,519

but uh well i i know when i called you

315

00:12:05,990 --> 00:12:04,320

before the show you mentioned to me that

316

00:12:07,509 --> 00:12:06,000

some of the yantes is right there with

317

00:12:09,590 --> 00:12:07,519

you now

318

00:12:13,030 --> 00:12:09,600

they are yes and they are listening to

319

00:12:14,710 --> 00:12:13,040

me and uh sometimes i can hear them talk

320

00:12:16,790 --> 00:12:14,720

back and forth and i get information

321

00:12:17,670 --> 00:12:16,800

from them about events or that they're

322

00:12:21,430 --> 00:12:17,680

going to check out

323

00:12:24,550 --> 00:12:21,440

and they've been 100

324

00:12:25,590 --> 00:12:24,560

right all the times uh but they do speak

325

00:12:29,110 --> 00:12:25,600

english

326

00:12:32,230 --> 00:12:29,120

and they speak it fairly well and uh

327

00:12:34,069 --> 00:12:32,240

and some of them they speak in codes you

328

00:12:34,949 --> 00:12:34,079

know i guess it's their own language but

329

00:12:39,670 --> 00:12:34,959

i'm not sure

330

00:12:43,670 --> 00:12:41,829

well you know the one thing i thought

331

00:12:45,030 --> 00:12:43,680

was very interesting

332

00:12:46,949 --> 00:12:45,040

very close to the beginning when i

333

00:12:49,990 --> 00:12:46,959

started talking to you

334

00:12:53,110 --> 00:12:50,000

about this um that

335

00:12:57,430 --> 00:12:53,120

you almost had to talk to them and get

336

00:13:00,870 --> 00:12:57,440

their permission for me to be able to

337

00:13:03,829 --> 00:13:00,880

document what's been going on with you

338

00:13:05,190 --> 00:13:03,839

right and they're they've been worked

339

00:13:07,990 --> 00:13:05,200

this out for

340

00:13:09,910 --> 00:13:08,000

for some reason that they're here with

341

00:13:11,670 --> 00:13:09,920

me uh

342

00:13:13,910 --> 00:13:11,680

i'm important to them for some reason

343

00:13:15,590 --> 00:13:13,920

but they never told me directly

344

00:13:17,430 --> 00:13:15,600

what it is but they do all kinds of

345

00:13:19,910 --> 00:13:17,440

things

346

00:13:21,910 --> 00:13:19,920

you have i had a better relationship

347

00:13:24,230 --> 00:13:21,920

with the group

348

00:13:25,990 --> 00:13:24,240

first on because it was you know staying

349

00:13:27,190 --> 00:13:26,000

with me and they would rotate like every

350

00:13:28,550 --> 00:13:27,200

three months so i could build a

351

00:13:31,350 --> 00:13:28,560
relationship with them because

352

00:13:33,030 --> 00:13:31,360
you just get used to each other but uh

353

00:13:36,389 --> 00:13:33,040
they're rotating them so much

354

00:13:37,829 --> 00:13:36,399
now and so fast uh that

355

00:13:39,750 --> 00:13:37,839
i don't even know who's gonna be in the

356

00:13:41,350 --> 00:13:39,760
room next you know i come home from work

357

00:13:44,230 --> 00:13:41,360
and and they'll be already out

358

00:13:44,790 --> 00:13:44,240
in my bedroom i'll you know i'll sit in

359

00:13:46,230 --> 00:13:44,800
my truck

360

00:13:48,550 --> 00:13:46,240
wondering what's gonna happen next when

361

00:13:50,230 --> 00:13:48,560
i go in my house and they'll be waiting

362

00:13:52,550 --> 00:13:50,240
for me

363

00:13:54,870 --> 00:13:52,560

it's like it's uh it's always a trip uh

364

00:13:57,990 --> 00:13:54,880

one time i was working late outside

365

00:13:59,750 --> 00:13:58,000

and uh i like to mess with them because

366

00:14:01,430 --> 00:13:59,760

it kind of gives me i got a sense of

367

00:14:03,509 --> 00:14:01,440

humor about things but i tapped on my

368

00:14:05,750 --> 00:14:03,519

bedroom window from outside

369

00:14:07,269 --> 00:14:05,760

and the third time that i did it

370

00:14:08,949 --> 00:14:07,279

somebody opened the blinds and looked

371

00:14:10,310 --> 00:14:08,959

out at me i didn't see who it was i just

372

00:14:13,910 --> 00:14:10,320

waved and walked away

373

00:14:15,829 --> 00:14:13,920

over my stomach it's like oh my god but

374

00:14:17,350 --> 00:14:15,839

but uh and i do have companies that come

375

00:14:18,389 --> 00:14:17,360

over and uh they swear that they're

376

00:14:20,710 --> 00:14:18,399

being touched and

377

00:14:21,750 --> 00:14:20,720

probed and pricked and and everything

378

00:14:24,870 --> 00:14:21,760

else and uh

379

00:14:26,470 --> 00:14:24,880

and i showed them i can set up i've set

380

00:14:28,629 --> 00:14:26,480

it up where they can see them

381

00:14:30,389 --> 00:14:28,639

and then they start tripping even some

382

00:14:32,230 --> 00:14:30,399

of the biggest skeptics they come over

383

00:14:34,389 --> 00:14:32,240

and they just sit there and he's like

384

00:14:36,150 --> 00:14:34,399

how do you do this how do you live with

385

00:14:39,189 --> 00:14:36,160

this and do what you do

386

00:14:40,790 --> 00:14:39,199

i said i have no other choice so i got

387

00:14:43,269 --> 00:14:40,800

to do it

388

00:14:44,069 --> 00:14:43,279

is anybody living to you now is your is

389

00:14:45,910 --> 00:14:44,079

your uh

390

00:14:47,189 --> 00:14:45,920

daughter-in-law there with you or your

391

00:14:50,389 --> 00:14:47,199

daughter or son

392

00:14:51,750 --> 00:14:50,399

no no i'm here by myself but uh her

393

00:14:54,150 --> 00:14:51,760

things are here she's uh

394

00:14:55,110 --> 00:14:54,160

she stays with her uh her male friend

395

00:14:58,230 --> 00:14:55,120

her boyfriend

396

00:15:00,150 --> 00:14:58,240

and a really nice guy and uh

397

00:15:02,629 --> 00:15:00,160

so and she's happy and i'm happy for her

398

00:15:04,389 --> 00:15:02,639

too but uh yeah she uh

399

00:15:05,829 --> 00:15:04,399

she knows that things are going on and

400

00:15:08,069 --> 00:15:05,839

uh her uh

401
00:15:09,509 --> 00:15:08,079
you know her friends would come over i

402
00:15:11,910 --> 00:15:09,519
sent you some pictures uh

403
00:15:13,030 --> 00:15:11,920
yeah and uh they they'd be all over her

404
00:15:16,069 --> 00:15:13,040
friends and stuff

405
00:15:17,509 --> 00:15:16,079
and i get photos of that within my broad

406
00:15:18,629 --> 00:15:17,519
daylight you know lights on and

407
00:15:20,790 --> 00:15:18,639
everything but uh

408
00:15:21,750 --> 00:15:20,800
i'll be using a reflection on that too

409
00:15:24,629 --> 00:15:21,760
um

410
00:15:25,670 --> 00:15:24,639
she had a one of her friends over and uh

411
00:15:28,069 --> 00:15:25,680
was in a

412
00:15:29,670 --> 00:15:28,079
kitchen or dining room area and uh this

413
00:15:31,189 --> 00:15:29,680

thing ran across the floor it looked

414

00:15:33,030 --> 00:15:31,199

like an octopus

415

00:15:34,550 --> 00:15:33,040

it was all black and it leaked up on the

416

00:15:35,189 --> 00:15:34,560

back of her chair she did not know it

417

00:15:36,870 --> 00:15:35,199

was there

418

00:15:39,509 --> 00:15:36,880

so i ran to my bedroom and grabbed my

419

00:15:42,710 --> 00:15:39,519

cell phone and i started taking pictures

420

00:15:44,389 --> 00:15:42,720

and uh and there was actually a whole

421

00:15:46,550 --> 00:15:44,399

bunch more in the room too there's a

422

00:15:48,470 --> 00:15:46,560

a bigger one in the kitchen and with

423

00:15:50,069 --> 00:15:48,480

another smaller one and then there was

424

00:15:51,670 --> 00:15:50,079

all around her while i was catching on

425

00:15:52,069 --> 00:15:51,680

the camera because like i said i don't

426

00:15:54,230 --> 00:15:52,079

see

427

00:15:55,670 --> 00:15:54,240

all of them all the time just when they

428

00:15:56,310 --> 00:15:55,680

it's easier to detect them when they're

429

00:15:59,269 --> 00:15:56,320

moving

430

00:15:59,749 --> 00:15:59,279

uh a a security light motion detector

431

00:16:01,829 --> 00:15:59,759

that picks

432

00:16:02,949 --> 00:16:01,839

them up as they come into the stargate

433

00:16:06,069 --> 00:16:02,959

as well

434

00:16:07,749 --> 00:16:06,079

i picked it up before i do so if i even

435

00:16:09,590 --> 00:16:07,759

sense them

436

00:16:11,030 --> 00:16:09,600

have you ever uh have you ever put a

437

00:16:13,990 --> 00:16:11,040

trail camera in the in

438

00:16:16,389 --> 00:16:14,000

your house yes yeah and i and they block

439

00:16:18,710 --> 00:16:16,399

it out they they put it is that right

440

00:16:19,990 --> 00:16:18,720

yeah it's hard to get some they put

441

00:16:20,870 --> 00:16:20,000

something in front of one time and it

442

00:16:22,790 --> 00:16:20,880

was torn

443

00:16:25,269 --> 00:16:22,800

so i was only able to get uh just a

444

00:16:27,990 --> 00:16:25,279

little through the torn part of it i was

445

00:16:28,790 --> 00:16:28,000

getting video of it uh but how they knew

446

00:16:32,069 --> 00:16:28,800

it was

447

00:16:33,670 --> 00:16:32,079

uh a camera beyond me i think the camera

448

00:16:37,030 --> 00:16:33,680

puts out some kind of light or

449

00:16:38,069 --> 00:16:37,040

or beam or something uh but yeah i do

450

00:16:41,350 --> 00:16:38,079

have a trail camera

451

00:16:43,670 --> 00:16:41,360

and uh and i'm gonna set it up too i

452

00:16:45,350 --> 00:16:43,680

even hung it from a string one time so

453

00:16:46,949 --> 00:16:45,360

they couldn't you know just

454

00:16:48,629 --> 00:16:46,959

mess with it without moving it so you

455

00:16:49,350 --> 00:16:48,639

know that there was messing with it and

456

00:16:51,269 --> 00:16:49,360

uh right

457

00:16:53,110 --> 00:16:51,279

and they still was able to block it out

458

00:16:54,069 --> 00:16:53,120

they can stand in front of your camera

459

00:16:56,790 --> 00:16:54,079

which makes my

460

00:16:58,230 --> 00:16:56,800

uh pictures more grainy when they're

461

00:16:59,430 --> 00:16:58,240

standing in front of it but they screw

462

00:17:02,150 --> 00:16:59,440

up sometimes

463

00:17:04,309 --> 00:17:02,160

and i have fixed uh pictures of them

464

00:17:05,590 --> 00:17:04,319

that uh you know

465

00:17:07,590 --> 00:17:05,600

they're trying to block me out and

466

00:17:10,870 --> 00:17:07,600

everything from the camera to get better

467

00:17:12,470 --> 00:17:10,880

photos but they're in there so

468

00:17:15,270 --> 00:17:12,480

i'll send you a few of those when i do

469

00:17:17,110 --> 00:17:15,280

them let's get a sense of what you you

470

00:17:19,990 --> 00:17:17,120

the type of beings you've been

471

00:17:23,510 --> 00:17:20,000

experiencing now in beginning

472

00:17:24,710 --> 00:17:23,520

uh you when you were started you started

473

00:17:27,029 --> 00:17:24,720

to be taken

474

00:17:27,990 --> 00:17:27,039

uh through the portal you and your

475

00:17:31,350 --> 00:17:28,000

family

476

00:17:34,549 --> 00:17:31,360

most of these were reptilians and

477

00:17:36,070 --> 00:17:34,559

some grays right right and uh we have

478

00:17:37,830 --> 00:17:36,080

the reptilians that

479

00:17:39,190 --> 00:17:37,840

they look green and they're scaly

480

00:17:42,150 --> 00:17:39,200

looking and uh

481

00:17:43,190 --> 00:17:42,160

and they do peel like a snake they do

482

00:17:47,029 --> 00:17:43,200

heal

483

00:17:49,430 --> 00:17:47,039

uh and uh and said then he had the uh

484

00:17:51,990 --> 00:17:49,440

the one they looked more like a i guess

485

00:17:55,510 --> 00:17:52,000

a komodo dragon or a uh

486

00:17:56,310 --> 00:17:55,520

one of those uh uh yeah i guess it would

487

00:17:57,990 --> 00:17:56,320

be a

488

00:17:59,510 --> 00:17:58,000

mortal dragon the ones that live on the

489

00:18:00,310 --> 00:17:59,520

islands and they right it's caboodle

490

00:18:02,310 --> 00:18:00,320

dragons right

491

00:18:03,510 --> 00:18:02,320

right yeah the their skin and their face

492

00:18:06,470 --> 00:18:03,520

looks pretty much like

493

00:18:08,390 --> 00:18:06,480

theirs you got a partial picture of the

494

00:18:11,430 --> 00:18:08,400

back of one one time

495

00:18:14,150 --> 00:18:11,440

which i have and uh you can see the

496

00:18:17,750 --> 00:18:14,160

scales and the color and everything

497

00:18:20,789 --> 00:18:19,590

right so yeah you can see the texture of

498

00:18:22,150 --> 00:18:20,799

their uh the skin

499

00:18:24,470 --> 00:18:22,160

you know and they and they some of them

500

00:18:27,110 --> 00:18:24,480

had like the frog or toad

501
00:18:27,909 --> 00:18:27,120
type uh skin on them too you know you

502
00:18:29,510 --> 00:18:27,919
get

503
00:18:31,110 --> 00:18:29,520
the renegades it seemed like more

504
00:18:33,830 --> 00:18:31,120
military type and

505
00:18:35,029 --> 00:18:33,840
and uh while one time i've only seen

506
00:18:37,110 --> 00:18:35,039
them one time

507
00:18:38,789 --> 00:18:37,120
when i was living in the milton house uh

508
00:18:41,029 --> 00:18:38,799
there was a

509
00:18:42,950 --> 00:18:41,039
roll of six of them there's two by two

510
00:18:44,870 --> 00:18:42,960
coming down the staircase

511
00:18:46,630 --> 00:18:44,880
and there was another reptilian there

512
00:18:49,909 --> 00:18:46,640
and with a young female

513
00:18:53,029 --> 00:18:49,919

and she goes merman but she

514

00:18:53,669 --> 00:18:53,039

kind of rolls to the mr she wrote it and

515

00:18:55,830 --> 00:18:53,679

uh

516

00:18:56,789 --> 00:18:55,840

and they come trot and right past us and

517

00:18:58,470 --> 00:18:56,799

he left the house

518

00:19:00,870 --> 00:18:58,480

and i never seen him again but they

519

00:19:01,990 --> 00:19:00,880

would look like a type of reptilian but

520

00:19:05,029 --> 00:19:02,000

there's really dark

521

00:19:07,110 --> 00:19:05,039

gray skin color yeah

522

00:19:09,270 --> 00:19:07,120

you know that's uh that's the only time

523

00:19:12,470 --> 00:19:09,280

but so murder men must be

524

00:19:14,230 --> 00:19:12,480

real so uh evidently but they had legs

525

00:19:17,029 --> 00:19:14,240

on them i don't know

526

00:19:18,150 --> 00:19:17,039

why but uh because i always thought they

527

00:19:21,029 --> 00:19:18,160

had tails

528

00:19:23,270 --> 00:19:21,039

but it ain't great well now now these

529

00:19:24,070 --> 00:19:23,280

reptilians that you originally and of

530

00:19:26,710 --> 00:19:24,080

course

531

00:19:27,990 --> 00:19:26,720

there was one in particular that was

532

00:19:30,950 --> 00:19:28,000

basically

533

00:19:31,590 --> 00:19:30,960

the uh your guide or the one that you

534

00:19:35,350 --> 00:19:31,600

was

535

00:19:37,430 --> 00:19:35,360

associating with you uh

536

00:19:39,270 --> 00:19:37,440

were they the hierarchy were they the

537

00:19:41,909 --> 00:19:39,280

top dog in the group or

538

00:19:43,270 --> 00:19:41,919

were there other beings that were above

539

00:19:45,669 --> 00:19:43,280

them that you know of

540

00:19:46,950 --> 00:19:45,679

the there was other beans there it's uh

541

00:19:50,070 --> 00:19:46,960

it seems to be like

542

00:19:52,310 --> 00:19:50,080

uh they pay for the the

543

00:19:54,070 --> 00:19:52,320

whatever is going on they paid for the

544

00:19:55,029 --> 00:19:54,080

their uh their workers and scientists

545

00:19:56,950 --> 00:19:55,039

matter of fact

546

00:19:58,870 --> 00:19:56,960

i do have some pictures of one that's a

547

00:20:01,029 --> 00:19:58,880

higher up and he's dressed all in

548

00:20:02,630 --> 00:20:01,039

white and uh he came to the house

549

00:20:04,310 --> 00:20:02,640

several times in fact i had a girl that

550

00:20:06,789 --> 00:20:04,320

was sitting on the end of my bed

551
00:20:08,549 --> 00:20:06,799
and uh he was uh checking her out he

552
00:20:11,350 --> 00:20:08,559
came on in but he was skittish

553
00:20:11,750 --> 00:20:11,360
now whether you believe this or not i

554
00:20:14,789 --> 00:20:11,760
get

555
00:20:17,110 --> 00:20:14,799
that they are afraid of us and

556
00:20:18,549 --> 00:20:17,120
i don't know in what aspect that they're

557
00:20:20,390 --> 00:20:18,559
afraid of us maybe because we're

558
00:20:23,430 --> 00:20:20,400
unpredictable or whatever

559
00:20:24,710 --> 00:20:23,440
but uh that's uh that's why they don't

560
00:20:27,750 --> 00:20:24,720
get too close

561
00:20:29,750 --> 00:20:27,760
as well but i found that kind of hard to

562
00:20:32,230 --> 00:20:29,760
believe for what they do

563
00:20:33,350 --> 00:20:32,240

but also it's not too far fetched that

564

00:20:35,830 --> 00:20:33,360

they might be

565

00:20:36,870 --> 00:20:35,840

because we are pretty screwy people you

566

00:20:39,510 --> 00:20:36,880

know it's like uh

567

00:20:39,909 --> 00:20:39,520

yeah that's all they they are too you

568

00:20:41,669 --> 00:20:39,919

know

569

00:20:42,950 --> 00:20:41,679

they they do some pretty weird things

570

00:20:46,149 --> 00:20:42,960

too so

571

00:20:49,510 --> 00:20:46,159

uh um yeah i you know i know that

572

00:20:52,549 --> 00:20:49,520

because um

573

00:20:53,909 --> 00:20:52,559

it just you know it does seem that they

574

00:20:57,510 --> 00:20:53,919

do

575

00:21:00,630 --> 00:20:57,520

kind of they are wary of us to a degree

576

00:21:03,990 --> 00:21:00,640

and you know i know the reptilian

577

00:21:06,310 --> 00:21:04,000

that you dealt with was not too keen

578

00:21:07,430 --> 00:21:06,320

on humans in general from what the way

579

00:21:11,029 --> 00:21:07,440

he describes

580

00:21:13,830 --> 00:21:11,039

you right yeah

581

00:21:15,669 --> 00:21:13,840

do do you think now these photographs

582

00:21:16,390 --> 00:21:15,679

and all this information you share with

583

00:21:19,590 --> 00:21:16,400

me

584

00:21:23,510 --> 00:21:19,600

jeopardy

585

00:21:26,310 --> 00:21:23,520

uh i might think about showing that

586

00:21:26,950 --> 00:21:26,320

i i think about that i'm i i think i'm

587

00:21:28,950 --> 00:21:26,960

and

588

00:21:30,870 --> 00:21:28,960

i could be in jeopardy because when they

589

00:21:33,990 --> 00:21:30,880

done with me uh

590

00:21:36,470 --> 00:21:34,000

they might let me roll or or they might

591

00:21:37,990 --> 00:21:36,480

end it or they might decide yeah i don't

592

00:21:40,870 --> 00:21:38,000

know what their plans are

593

00:21:42,630 --> 00:21:40,880

right but uh that like all they could do

594

00:21:43,990 --> 00:21:42,640

they could inject me with something and

595

00:21:47,270 --> 00:21:44,000

it could be all over

596

00:21:48,789 --> 00:21:47,280

for me or it might hang out but there's

597

00:21:50,710 --> 00:21:48,799

things that tell me that i'm important

598

00:21:53,270 --> 00:21:50,720

to them that they wouldn't do that

599

00:21:54,310 --> 00:21:53,280

or because i mean they fixed my

600

00:21:56,470 --> 00:21:54,320

arthritis

601
00:21:57,590 --> 00:21:56,480
and uh that was getting pretty bad at

602
00:21:59,830 --> 00:21:57,600
the time

603
00:22:01,190 --> 00:21:59,840
and uh and i have not had a recurrence

604
00:22:03,669 --> 00:22:01,200
of it ever since

605
00:22:04,710 --> 00:22:03,679
i mean our rheumatoid arthritis goes in

606
00:22:07,510 --> 00:22:04,720
remission for like

607
00:22:09,510 --> 00:22:07,520
seven years sometimes and uh it's been

608
00:22:11,990 --> 00:22:09,520
way past seven years now so

609
00:22:14,230 --> 00:22:12,000
yeah i have not had a reoccurrence of

610
00:22:16,310 --> 00:22:14,240
that since they fixed me

611
00:22:18,390 --> 00:22:16,320
you know that whole scenario was pretty

612
00:22:21,990 --> 00:22:18,400
interesting because they uh

613
00:22:23,750 --> 00:22:22,000

they they actually had some type of

614

00:22:26,950 --> 00:22:23,760

surgery they used on you

615

00:22:29,029 --> 00:22:26,960

in consecutive nights and uh

616

00:22:30,390 --> 00:22:29,039

they i mean they actually went into your

617

00:22:34,789 --> 00:22:30,400

body

618

00:22:38,149 --> 00:22:34,799

and and act and fixed the arthritis

619

00:22:40,070 --> 00:22:38,159

and uh you had no scars at all with that

620

00:22:43,669 --> 00:22:40,080

do you um

621

00:22:46,070 --> 00:22:43,679

well i've taken pictures and i've uh

622

00:22:47,029 --> 00:22:46,080

some pictures show up that i've been

623

00:22:51,669 --> 00:22:47,039

diced up

624

00:22:55,029 --> 00:22:53,909

yeah there's uh some of my little

625

00:22:58,310 --> 00:22:55,039

personal but

626

00:23:01,110 --> 00:22:58,320

but they uh yeah through the pictures it

627

00:23:02,149 --> 00:23:01,120

shows up but not when i'm looking at

628

00:23:05,270 --> 00:23:02,159

myself

629

00:23:07,190 --> 00:23:05,280

i can't tell but the surgery it looks a

630

00:23:09,750 --> 00:23:07,200

little barbaric the way they do it

631

00:23:10,870 --> 00:23:09,760

but yeah they they don't dug all the way

632

00:23:13,430 --> 00:23:10,880

down to the bone

633

00:23:14,630 --> 00:23:13,440

and uh and they pulled me apart you can

634

00:23:15,110 --> 00:23:14,640

feel the pressure and they're pulling

635

00:23:17,029 --> 00:23:15,120

you apart

636

00:23:18,549 --> 00:23:17,039

breaking bones and stuff until they get

637

00:23:19,990 --> 00:23:18,559

at the joints and stuff

638

00:23:22,149 --> 00:23:20,000

no i didn't know what they was doing at

639

00:23:23,750 --> 00:23:22,159

first i had no idea

640

00:23:25,590 --> 00:23:23,760

and i was telling my wife i said you

641

00:23:27,909 --> 00:23:25,600

know they're doing something to me that

642

00:23:28,630 --> 00:23:27,919

i don't i guarantee you i might be here

643

00:23:30,549 --> 00:23:28,640

you know

644

00:23:31,909 --> 00:23:30,559

the next day or whatever he said they're

645

00:23:33,909 --> 00:23:31,919

doing something

646

00:23:35,590 --> 00:23:33,919

and uh about two weeks after the

647

00:23:38,870 --> 00:23:35,600

surgeries and i was feeling

648

00:23:40,549 --> 00:23:38,880

pretty darn good so i mean it just

649

00:23:42,310 --> 00:23:40,559

and you could tell that they did surgery

650

00:23:44,630 --> 00:23:42,320

because it like the leg or something

651
00:23:45,350 --> 00:23:44,640
like beat red you know it's like blood

652
00:23:48,390 --> 00:23:45,360
red

653
00:23:50,070 --> 00:23:48,400
and by within 12 hours it's like normal

654
00:23:52,549 --> 00:23:50,080
again but

655
00:23:54,310 --> 00:23:52,559
uh they take you apart layer by layer

656
00:23:56,950 --> 00:23:54,320
and put keep putting it on a tray

657
00:23:58,630 --> 00:23:56,960
and uh wow and uh they get they get all

658
00:24:00,070 --> 00:23:58,640
the way down to uh well they take the

659
00:24:01,669 --> 00:24:00,080
first layer of skin off because

660
00:24:02,549 --> 00:24:01,679
evidently they can't save the first

661
00:24:04,549 --> 00:24:02,559
layer

662
00:24:05,590 --> 00:24:04,559
and then they use a bunch of like needle

663
00:24:07,510 --> 00:24:05,600

type things and they

664

00:24:08,950 --> 00:24:07,520

go across the skin and it just peels up

665

00:24:11,110 --> 00:24:08,960

and then they have these leech looking

666

00:24:14,549 --> 00:24:11,120

things that would eat the skin off of it

667

00:24:14,870 --> 00:24:14,559

then they uh they start uh cutting you

668

00:24:16,630 --> 00:24:14,880

know

669

00:24:18,390 --> 00:24:16,640

making their incisions and taking apart

670

00:24:21,029 --> 00:24:18,400

lifting it and everything else

671

00:24:21,990 --> 00:24:21,039

and uh then when they uh get down to the

672

00:24:23,909 --> 00:24:22,000

bones you can feel

673

00:24:25,269 --> 00:24:23,919

the bones and you see the smell of bone

674

00:24:26,870 --> 00:24:25,279

dust in the air and

675

00:24:29,110 --> 00:24:26,880

they have lights like you have at a

676
00:24:30,870 --> 00:24:29,120
hospital over you you know so you can

677
00:24:33,909 --> 00:24:30,880
see the bone dust in the air

678
00:24:35,190 --> 00:24:33,919
was going on and uh i i watched it was

679
00:24:37,190 --> 00:24:35,200
very interesting because

680
00:24:38,950 --> 00:24:37,200
i mean i couldn't feel the pain but i

681
00:24:39,830 --> 00:24:38,960
got to see it down inside my own body

682
00:24:42,950 --> 00:24:39,840
which was

683
00:24:45,750 --> 00:24:42,960
pretty uh amazing to me but uh

684
00:24:47,190 --> 00:24:45,760
and and then uh they would put me new

685
00:24:47,590 --> 00:24:47,200
joints in and everything else like that

686
00:24:48,870 --> 00:24:47,600
you know

687
00:24:51,350 --> 00:24:48,880
rheumatoid arthritis is like an

688
00:24:53,430 --> 00:24:51,360

autoimmune disease it's where right

689

00:24:55,430 --> 00:24:53,440

your body attacks itself you know it's

690

00:24:57,750 --> 00:24:55,440

like thinks you're the foreigner

691

00:24:59,590 --> 00:24:57,760

and uh so that just tears apart your

692

00:24:59,990 --> 00:24:59,600

bones and everything else so there's no

693

00:25:02,950 --> 00:25:00,000

cure

694

00:25:05,269 --> 00:25:02,960

for it or anything like that but uh i

695

00:25:07,830 --> 00:25:05,279

got i still work construction

696

00:25:09,269 --> 00:25:07,840

i have no problems with anymore i mean i

697

00:25:11,190 --> 00:25:09,279

i was to the point where i couldn't

698

00:25:14,149 --> 00:25:11,200

stand my kids to give me a hug

699

00:25:16,390 --> 00:25:14,159

that's how bad it was so in two weeks

700

00:25:17,750 --> 00:25:16,400

it's a remarkable recovery

701
00:25:19,430 --> 00:25:17,760
but uh when they put you all back

702
00:25:20,230 --> 00:25:19,440
together they start doing it the same

703
00:25:21,990 --> 00:25:20,240
way again

704
00:25:23,669 --> 00:25:22,000
and uh they put you like they start

705
00:25:25,350 --> 00:25:23,679
bringing the pieces in and they just fit

706
00:25:27,029 --> 00:25:25,360
them all together like a puzzle

707
00:25:28,549 --> 00:25:27,039
and then now at the very end they got

708
00:25:30,710 --> 00:25:28,559
this uh

709
00:25:32,149 --> 00:25:30,720
this beaker that has like a greatest

710
00:25:34,630 --> 00:25:32,159
clearest liquid

711
00:25:36,630 --> 00:25:34,640
gel and they dump it on you and i don't

712
00:25:37,269 --> 00:25:36,640
know if it has nano technology in it or

713
00:25:39,590 --> 00:25:37,279

whatever

714

00:25:40,310 --> 00:25:39,600

and you just go to healing to hold you

715

00:25:44,070 --> 00:25:40,320

together

716

00:25:46,950 --> 00:25:44,080

whatever so these were these the

717

00:25:49,510 --> 00:25:46,960

reptilians that did the actual surgery

718

00:25:51,430 --> 00:25:49,520

yeah correct and uh and they would

719

00:25:52,149 --> 00:25:51,440

listen to music while they were doing

720

00:25:54,950 --> 00:25:52,159

the surgery

721

00:25:56,310 --> 00:25:54,960

is that right yes dude just like like

722

00:26:00,149 --> 00:25:56,320

beethoven or whatever

723

00:26:01,830 --> 00:26:00,159

they love music yeah so and uh you could

724

00:26:02,230 --> 00:26:01,840

hear them talking and everything else

725

00:26:05,350 --> 00:26:02,240

and

726

00:26:07,110 --> 00:26:05,360

you know yeah it's uh it was it's pretty

727

00:26:09,430 --> 00:26:07,120

interesting one of the surgeries i got

728

00:26:11,510 --> 00:26:09,440

up and walked out because i was saying

729

00:26:13,350 --> 00:26:11,520

to myself if this isn't real then it

730

00:26:15,590 --> 00:26:13,360

doesn't matter if i get up and walk out

731

00:26:17,110 --> 00:26:15,600

and i did and i kept walking and they

732

00:26:18,710 --> 00:26:17,120

ended up getting me and then the next

733

00:26:21,029 --> 00:26:18,720

time they brought me in for surgery the

734

00:26:22,390 --> 00:26:21,039

the guy doing the surgery says he's he's

735

00:26:23,510 --> 00:26:22,400

not going to get up and walk out on us

736

00:26:25,190 --> 00:26:23,520

anymore is he

737

00:26:27,669 --> 00:26:25,200

said no so they started strapping me

738

00:26:29,590 --> 00:26:27,679

down into the bed so

739

00:26:31,110 --> 00:26:29,600

there's no more getting up after that so

740

00:26:33,110 --> 00:26:31,120

i mean i could

741

00:26:35,190 --> 00:26:33,120

take off and run you know usually i'll

742

00:26:37,510 --> 00:26:35,200

be butt naked

743

00:26:38,710 --> 00:26:37,520

and uh and i'll be walking around and

744

00:26:40,470 --> 00:26:38,720

nobody would touch me

745

00:26:42,549 --> 00:26:40,480

and uh and i don't know where i'm going

746

00:26:44,149 --> 00:26:42,559

so i just kind of sit down and wait for

747

00:26:45,669 --> 00:26:44,159

somebody to come and get me so because i

748

00:26:48,789 --> 00:26:45,679

don't know where the heck i'm at

749

00:26:51,350 --> 00:26:48,799

so now you were you under

750

00:26:52,549 --> 00:26:51,360

were you under treatment from a regular

751

00:26:55,750 --> 00:26:52,559

medical doctor

752

00:26:59,029 --> 00:26:55,760

i mean before this and specialist

753

00:27:01,350 --> 00:26:59,039

yeah yeah yeah afterwards but at the

754

00:27:03,510 --> 00:27:01,360

same time i was starting to see them uh

755

00:27:04,630 --> 00:27:03,520

it was getting better right at that same

756

00:27:07,110 --> 00:27:04,640

time

757

00:27:09,190 --> 00:27:07,120

and uh and they uh you know he's like

758

00:27:11,669 --> 00:27:09,200

he's having me do all kinds of testing

759

00:27:13,750 --> 00:27:11,679

and everything else like that and my uh

760

00:27:15,590 --> 00:27:13,760

my regular doctor she was doing blood

761

00:27:16,950 --> 00:27:15,600

samples and everything else uh

762

00:27:19,510 --> 00:27:16,960

trying to figure out what was the

763

00:27:21,029 --> 00:27:19,520

problem and she told me he said you need

764

00:27:23,029 --> 00:27:21,039

you need to quit work now

765

00:27:24,070 --> 00:27:23,039

and uh before you wind up in a

766

00:27:27,029 --> 00:27:24,080

wheelchair

767

00:27:28,789 --> 00:27:27,039

i said you're going to pay my bills i

768

00:27:30,310 --> 00:27:28,799

gotta pay bills just like everybody else

769

00:27:31,909 --> 00:27:30,320

does you know so

770

00:27:33,590 --> 00:27:31,919

but as long as you stayed moving it

771

00:27:33,990 --> 00:27:33,600

wasn't so bad but as soon as you stopped

772

00:27:35,750 --> 00:27:34,000

moving

773

00:27:38,389 --> 00:27:35,760

the ride home from work was always the

774

00:27:41,590 --> 00:27:38,399

worst yeah i had to pour out of the car

775

00:27:43,510 --> 00:27:41,600

you know i was like man so but but

776

00:27:45,269 --> 00:27:43,520

it's uh it was good it was getting hard

777

00:27:48,950 --> 00:27:45,279

on me and trying to maintain and not

778

00:27:51,350 --> 00:27:48,960

complain you know so

779

00:27:52,389 --> 00:27:51,360

did they were they just were they just

780

00:27:56,070 --> 00:27:52,399

astounded by

781

00:27:59,510 --> 00:27:56,080

what how you healed or did they uh

782

00:28:00,070 --> 00:27:59,520

what did they say to you not not too

783

00:28:02,230 --> 00:28:00,080

much

784

00:28:03,269 --> 00:28:02,240

i mean they talked to some friend of

785

00:28:06,389 --> 00:28:03,279

mine that uh

786

00:28:08,070 --> 00:28:06,399

that i've met through you know through

787

00:28:09,669 --> 00:28:08,080

golfing buddies and everything else like

788

00:28:12,950 --> 00:28:09,679

that it's uh

789

00:28:14,630 --> 00:28:12,960

and uh they they uh they

790

00:28:16,310 --> 00:28:14,640

you know was having a hard time

791

00:28:17,029 --> 00:28:16,320

understanding what happened or what was

792

00:28:19,669 --> 00:28:17,039

going on

793

00:28:21,430 --> 00:28:19,679

so because i i just quit going all

794

00:28:22,710 --> 00:28:21,440

together i didn't need them no more so

795

00:28:26,389 --> 00:28:22,720

yeah

796

00:28:27,990 --> 00:28:26,399

so but interesting you know i had uh my

797

00:28:28,470 --> 00:28:28,000

hand crushed i was working down at the

798

00:28:30,870 --> 00:28:28,480

port

799

00:28:32,789 --> 00:28:30,880

pensacola and uh i had one of these big

800

00:28:35,029 --> 00:28:32,799

fender systems that hold these giant

801
00:28:36,149 --> 00:28:35,039
uh ships in you know that from bumping

802
00:28:37,029 --> 00:28:36,159
up against the wall and tearing up the

803
00:28:38,389 --> 00:28:37,039
ship

804
00:28:40,070 --> 00:28:38,399
and one of those weighed about eight

805
00:28:40,870 --> 00:28:40,080
thousand pounds and it came down on top

806
00:28:43,110 --> 00:28:40,880
of my hand

807
00:28:45,110 --> 00:28:43,120
and uh it was all about two foot off the

808
00:28:46,950 --> 00:28:45,120
ground but that was enough to uh

809
00:28:48,470 --> 00:28:46,960
match my hand pretty good and it was

810
00:28:50,470 --> 00:28:48,480
going to amputate it

811
00:28:51,909 --> 00:28:50,480
and uh that would have been a bad thing

812
00:28:54,789 --> 00:28:51,919
with my right hand

813
00:28:55,510 --> 00:28:54,799

but uh i i wanted to surgery a neural

814

00:28:57,510 --> 00:28:55,520

surgeon he

815

00:28:59,269 --> 00:28:57,520

i was three hours in surgery he said he

816

00:29:00,310 --> 00:28:59,279

never seen so much laceration to one

817

00:29:02,310 --> 00:29:00,320

hand in his life because they didn't

818

00:29:04,870 --> 00:29:02,320

know that he was gonna go to save it

819

00:29:06,630 --> 00:29:04,880

and uh and there was a female with less

820

00:29:08,549 --> 00:29:06,640

lacerations to her hand and she never

821

00:29:09,590 --> 00:29:08,559

gained use of it i got full use of my

822

00:29:10,789 --> 00:29:09,600

hand now

823

00:29:12,070 --> 00:29:10,799

but i think that these guys had

824

00:29:13,029 --> 00:29:12,080

something to do with that as well

825

00:29:14,630 --> 00:29:13,039

because

826

00:29:15,909 --> 00:29:14,640

you know he told me that he's there's no

827

00:29:16,549 --> 00:29:15,919

way that he's going to guarantee

828

00:29:18,710 --> 00:29:16,559

anything

829

00:29:19,669 --> 00:29:18,720

so i might end up losing my hand anyways

830

00:29:22,950 --> 00:29:19,679

which

831

00:29:23,909 --> 00:29:22,960

but uh at this time the i'm i'm thinking

832

00:29:25,350 --> 00:29:23,919

the entities

833

00:29:27,190 --> 00:29:25,360

did something because that's when i

834

00:29:28,310 --> 00:29:27,200

first started noticing something was

835

00:29:31,750 --> 00:29:28,320

weird going on with

836

00:29:34,230 --> 00:29:31,760

i was living in my golf breeze house

837

00:29:35,590 --> 00:29:34,240

i came home from work and my wife was

838

00:29:38,470 --> 00:29:35,600

cooking cooking

839

00:29:39,510 --> 00:29:38,480

dinner in the kitchen and uh i went to

840

00:29:40,870 --> 00:29:39,520

the living room and i

841

00:29:41,990 --> 00:29:40,880

sat down on the couch and i seen

842

00:29:43,430 --> 00:29:42,000

something coming out of the kitchen it

843

00:29:45,269 --> 00:29:43,440

looked like a bunch of bouncing balls

844

00:29:47,269 --> 00:29:45,279

but it was in humanoid shape

845

00:29:48,549 --> 00:29:47,279

and it went really fast down the hallway

846

00:29:50,630 --> 00:29:48,559

and into my bedroom

847

00:29:51,909 --> 00:29:50,640

i was like wow i just sat down too fast

848

00:29:54,470 --> 00:29:51,919

you know and this is

849

00:29:55,669 --> 00:29:54,480

right at the time that this happened so

850

00:29:56,870 --> 00:29:55,679

i'm wondering if uh

851

00:29:59,830 --> 00:29:56,880

if they had something to do with that

852

00:30:03,110 --> 00:29:59,840

because i got full use of my hand

853

00:30:05,350 --> 00:30:03,120

and about you yeah so i i really think

854

00:30:08,789 --> 00:30:05,360

they're looking out for me

855

00:30:09,909 --> 00:30:08,799

yeah it's amazing you know we did get a

856

00:30:11,909 --> 00:30:09,919

question in the chat

857

00:30:13,190 --> 00:30:11,919

and i've i've thought about this as well

858

00:30:15,669 --> 00:30:13,200

but i haven't

859

00:30:16,470 --> 00:30:15,679

it hasn't been a problem for me have you

860

00:30:20,710 --> 00:30:16,480

had any

861

00:30:23,190 --> 00:30:20,720

issues with the government

862

00:30:25,350 --> 00:30:23,200

as far as your encounters has anybody

863

00:30:28,870 --> 00:30:25,360

ever come to you and ask you anything

864

00:30:30,149 --> 00:30:28,880

now look i will say off the bat i have

865

00:30:32,549 --> 00:30:30,159

been questioned about

866

00:30:33,510 --> 00:30:32,559

other people and other incidents in the

867

00:30:36,230 --> 00:30:33,520

past

868

00:30:37,909 --> 00:30:36,240

but i have never had anybody come to me

869

00:30:41,669 --> 00:30:37,919

discussing you

870

00:30:46,870 --> 00:30:44,710

not directly but i i

871

00:30:48,630 --> 00:30:46,880

know that my my phone's been tapped a

872

00:30:51,750 --> 00:30:48,640

few times i caught him on it

873

00:30:53,750 --> 00:30:51,760

and uh and i and i followed them i was

874

00:30:56,389 --> 00:30:53,760

tapping their phone back

875

00:30:58,149 --> 00:30:56,399

uh so and i followed them they went from

876

00:31:02,070 --> 00:30:58,159

georgia all the way over to mobile

877

00:31:03,990 --> 00:31:02,080

alabama and uh i was tracking them so i

878

00:31:07,590 --> 00:31:04,000

i never knew who it was

879

00:31:07,909 --> 00:31:07,600

uh but yeah that there's there's things

880

00:31:13,590 --> 00:31:07,919

that

881

00:31:16,950 --> 00:31:13,600

definitely uh keeping an eye on me but

882

00:31:19,750 --> 00:31:16,960

they have not made direct contact

883

00:31:21,590 --> 00:31:19,760

so yeah i've never had i've never had

884

00:31:23,350 --> 00:31:21,600

anybody come up to me and ask anything

885

00:31:26,710 --> 00:31:23,360

about you as well

886

00:31:30,070 --> 00:31:26,720

um which is interesting because

887

00:31:31,909 --> 00:31:30,080

i have been involved with other

888

00:31:33,590 --> 00:31:31,919

experiencers and other people in the

889

00:31:35,430 --> 00:31:33,600

past where i have been questioned by

890

00:31:38,950 --> 00:31:35,440

government officials

891

00:31:42,149 --> 00:31:38,960

and uh but i've never had anybody

892

00:31:43,909 --> 00:31:42,159

talk to to me about you uh which i think

893

00:31:44,710 --> 00:31:43,919

is is interesting and you know it's

894

00:31:48,310 --> 00:31:44,720

funny i

895

00:31:50,630 --> 00:31:48,320

i have also and i i was i probably knew

896

00:31:53,990 --> 00:31:50,640

this was gonna happen eventually but

897

00:31:58,070 --> 00:31:54,000

i have received visitation uh

898

00:32:00,070 --> 00:31:58,080

on two occasions from the tall grays

899

00:32:02,470 --> 00:32:00,080

uh three of them on two different

900

00:32:04,070 --> 00:32:02,480

occasions and i know for a fact

901
00:32:05,750 --> 00:32:04,080
it was something to do with your

902
00:32:07,269 --> 00:32:05,760
incident i mean with what's been going

903
00:32:10,470 --> 00:32:07,279
on with you

904
00:32:13,590 --> 00:32:10,480
um so yeah and you warned me about that

905
00:32:14,310 --> 00:32:13,600
so i know yeah all they know yeah they

906
00:32:15,750 --> 00:32:14,320
do know

907
00:32:19,110 --> 00:32:15,760
they know who you are they know who you

908
00:32:24,310 --> 00:32:22,149
um let me ask you this

909
00:32:25,909 --> 00:32:24,320
now you and i've talked about this a lot

910
00:32:29,110 --> 00:32:25,919
and especially the

911
00:32:33,430 --> 00:32:29,120
past the recent years about what these

912
00:32:35,990 --> 00:32:33,440
entities eat uh it's funny because you

913
00:32:38,070 --> 00:32:36,000

you said there was one group that were

914

00:32:38,549 --> 00:32:38,080

actually bringing their own food with

915

00:32:41,509 --> 00:32:38,559

them

916

00:32:42,070 --> 00:32:41,519

it was live food it was like they're uh

917

00:32:44,549 --> 00:32:42,080

like their

918

00:32:46,710 --> 00:32:44,559

minions and if they'd get upset with

919

00:32:50,230 --> 00:32:46,720

them they'd actually eat them

920

00:32:51,110 --> 00:32:50,240

yeah they uh they there's one reptilian

921

00:32:54,230 --> 00:32:51,120

group that

922

00:32:56,710 --> 00:32:54,240

uh human babies are a delicacies

923

00:32:58,389 --> 00:32:56,720

uh and uh there was a i had a group of

924

00:33:01,269 --> 00:32:58,399

the grades that was in my room

925

00:33:02,870 --> 00:33:01,279

one one day this is the one that that

926

00:33:05,750 --> 00:33:02,880

was laughing at me because i

927

00:33:07,430 --> 00:33:05,760

call them aliens and uh they was eating

928

00:33:08,870 --> 00:33:07,440

out of these silver bags they look like

929

00:33:09,430 --> 00:33:08,880

meatballs i don't know for something

930

00:33:12,789 --> 00:33:09,440

that

931

00:33:14,870 --> 00:33:12,799

eating

932

00:33:16,950 --> 00:33:14,880

and uh they said it wasn't bad but it

933

00:33:20,230 --> 00:33:16,960

was uh the gray reptilians

934

00:33:23,110 --> 00:33:20,240

uh was eating those and uh and

935

00:33:24,470 --> 00:33:23,120

yeah they they there's this one one i

936

00:33:26,630 --> 00:33:24,480

got video footage of

937

00:33:27,750 --> 00:33:26,640

that uh yeah i guess he was the head

938

00:33:31,909 --> 00:33:27,760

honcho and

939

00:33:34,789 --> 00:33:31,919

uh and and uh they i guess because

940

00:33:36,149 --> 00:33:34,799

the entity let me get a photo of him

941

00:33:37,110 --> 00:33:36,159

that he was being punished and they

942

00:33:40,149 --> 00:33:37,120

paralyzed him

943

00:33:41,909 --> 00:33:40,159

and uh and he went down to the floor

944

00:33:43,190 --> 00:33:41,919

and then the guy came in and he had one

945

00:33:46,310 --> 00:33:43,200

of those uh saul's

946

00:33:48,950 --> 00:33:46,320

body saws you know that zing you know

947

00:33:50,549 --> 00:33:48,960

has a round blade on it he opened up he

948

00:33:53,190 --> 00:33:50,559

opened up his skull

949

00:33:55,590 --> 00:33:53,200

uh right there you know watch i got that

950

00:33:57,269 --> 00:33:55,600

on video it's kind of grainy but

951
00:33:58,789 --> 00:33:57,279
uh he opened up his head you could hear

952
00:34:01,909 --> 00:33:58,799
the saw going too

953
00:34:03,909 --> 00:34:01,919
and then uh the main head

954
00:34:05,830 --> 00:34:03,919
honcho guy you know i could hear him

955
00:34:07,350 --> 00:34:05,840
talking to open up his jacket

956
00:34:09,669 --> 00:34:07,360
and i don't know if there was his kids

957
00:34:10,869 --> 00:34:09,679
or what and uh they got down and started

958
00:34:12,389 --> 00:34:10,879
eating his brains his friends looked

959
00:34:14,149 --> 00:34:12,399
like spaghetti

960
00:34:16,470 --> 00:34:14,159
when he was eating like they they like

961
00:34:17,430 --> 00:34:16,480
angel hair spaghetti yeah i made me tell

962
00:34:19,109 --> 00:34:17,440
me that

963
00:34:20,790 --> 00:34:19,119

and the guy was alive with his gut in

964

00:34:22,710 --> 00:34:20,800

his head out they just paralyzed him

965

00:34:24,230 --> 00:34:22,720

i was like i was like oh my god i don't

966

00:34:25,589 --> 00:34:24,240

even know like dealing with these guys

967

00:34:27,109 --> 00:34:25,599

you know i was like but uh

968

00:34:28,790 --> 00:34:27,119

but then he found out that i was

969

00:34:32,149 --> 00:34:28,800

recording him so

970

00:34:35,510 --> 00:34:32,159

he got some of his own medicine so

971

00:34:37,669 --> 00:34:35,520

uh but yeah i sent you i i think i sent

972

00:34:39,510 --> 00:34:37,679

you the video but it's so grainy but

973

00:34:40,710 --> 00:34:39,520

yeah i need somebody knows a little bit

974

00:34:43,430 --> 00:34:40,720

more about videos

975

00:34:45,510 --> 00:34:43,440

than i do so they could clear it up but

976
00:34:48,149 --> 00:34:45,520
when i record video on my phone

977
00:34:49,190 --> 00:34:48,159
you get such the lowest quality of video

978
00:34:50,389 --> 00:34:49,200
it doesn't matter what kind of cell

979
00:34:52,550 --> 00:34:50,399
phone you got or

980
00:34:54,389 --> 00:34:52,560
or how good of cell phone get the

981
00:34:56,470 --> 00:34:54,399
quality is so low that's why i take

982
00:34:58,310 --> 00:34:56,480
pictures because because the the quality

983
00:34:59,750 --> 00:34:58,320
is more higher it's all concentrated

984
00:35:02,710 --> 00:34:59,760
into one picture

985
00:35:04,790 --> 00:35:02,720
instead of a video that's streamed out

986
00:35:06,069 --> 00:35:04,800
well i do have i do have some pictures

987
00:35:09,349 --> 00:35:06,079
of that entity

988
00:35:12,870 --> 00:35:09,359

the one that got eaten and oh yeah

989

00:35:15,030 --> 00:35:12,880

yeah and it's pretty remarkable um

990

00:35:16,310 --> 00:35:15,040

i don't know if i released it or not i

991

00:35:19,750 --> 00:35:16,320

may not have but

992

00:35:22,150 --> 00:35:19,760

i do have it uh it looks almost like a

993

00:35:25,030 --> 00:35:22,160

it looks almost like a toy

994

00:35:25,670 --> 00:35:25,040

uh oh yeah okay yeah the one was on my

995

00:35:28,630 --> 00:35:25,680

bed

996

00:35:28,950 --> 00:35:28,640

yeah at first i thought it was a toy too

997

00:35:30,550 --> 00:35:28,960

but

998

00:35:32,150 --> 00:35:30,560

it's not a toy that's like one of the

999

00:35:33,910 --> 00:35:32,160

clearest pictures i got a

1000

00:35:36,310 --> 00:35:33,920

little there's little people and these

1001
00:35:38,950 --> 00:35:36,320
little uh animal looking people

1002
00:35:39,510 --> 00:35:38,960
yeah you know it just seems like that

1003
00:35:43,829 --> 00:35:39,520
every

1004
00:35:44,069 --> 00:35:43,839
species has had its turn in evolution

1005
00:35:46,550 --> 00:35:44,079
and

1006
00:35:47,750 --> 00:35:46,560
uh we're one of those species as well it

1007
00:35:49,030 --> 00:35:47,760
just seems that way

1008
00:35:51,270 --> 00:35:49,040
what i see because some of them look

1009
00:35:55,190 --> 00:35:51,280
like they're from lion people or

1010
00:35:56,870 --> 00:35:55,200
or uh or or dog people or you know it's

1011
00:35:58,390 --> 00:35:56,880
just really strange to look at them and

1012
00:36:00,069 --> 00:35:58,400
they're communicating with each other

1013
00:36:02,790 --> 00:36:00,079

and talking

1014

00:36:04,790 --> 00:36:02,800

uh just very strange uh but that thing

1015

00:36:05,349 --> 00:36:04,800

that you guys like a purplish blueish

1016

00:36:07,589 --> 00:36:05,359

color

1017

00:36:09,589 --> 00:36:07,599

yeah yeah kind of like a little bit of

1018

00:36:10,230 --> 00:36:09,599

red like the legs and stuff it was kind

1019

00:36:13,190 --> 00:36:10,240

of yeah

1020

00:36:13,829 --> 00:36:13,200

look yeah it's and it's a real it's a

1021

00:36:16,390 --> 00:36:13,839

living

1022

00:36:17,829 --> 00:36:16,400

entity it's a i don't know what they're

1023

00:36:20,069 --> 00:36:17,839

called or anything like that but

1024

00:36:21,670 --> 00:36:20,079

i just that was pure luck i got that

1025

00:36:23,589 --> 00:36:21,680

picture pure luck

1026

00:36:24,790 --> 00:36:23,599

you know one of these days you and i are

1027

00:36:28,150 --> 00:36:24,800

gonna have to sit down

1028

00:36:30,870 --> 00:36:28,160

and list all these entities and try to

1029

00:36:31,270 --> 00:36:30,880

make some association as to what and

1030

00:36:33,910 --> 00:36:31,280

each

1031

00:36:36,150 --> 00:36:33,920

of them do you know i was thinking about

1032

00:36:36,790 --> 00:36:36,160

that one day we got to do that sometime

1033

00:36:39,510 --> 00:36:36,800

because

1034

00:36:42,630 --> 00:36:39,520

um maybe we'll do it around the time if

1035

00:36:45,750 --> 00:36:42,640

you get a dvd put together because

1036

00:36:47,190 --> 00:36:45,760

i i know that would be you know

1037

00:36:49,670 --> 00:36:47,200

a lot of people would have a lot of

1038

00:36:50,870 --> 00:36:49,680

interest in that and that they want to

1039

00:36:55,109 --> 00:36:50,880

know what they do

1040

00:36:56,790 --> 00:36:55,119

now i i know over recent years a lot of

1041

00:36:57,670 --> 00:36:56,800

the entities that have been coming

1042

00:37:00,710 --> 00:36:57,680

through

1043

00:37:04,470 --> 00:37:00,720

look like humans right and

1044

00:37:08,150 --> 00:37:04,480

uh you were also shown what you believe

1045

00:37:10,230 --> 00:37:08,160

was a hybrid child of yours oh yeah

1046

00:37:11,430 --> 00:37:10,240

yeah that was that was strange too

1047

00:37:11,910 --> 00:37:11,440

because i didn't know what to think at

1048

00:37:15,190 --> 00:37:11,920

first

1049

00:37:18,710 --> 00:37:15,200

so uh yeah she had on like a little

1050

00:37:20,870 --> 00:37:18,720

pony uh pajamas looked like uh

1051
00:37:22,150 --> 00:37:20,880
outfit they showed i was about to touch

1052
00:37:24,950 --> 00:37:22,160
it was like uh

1053
00:37:26,390 --> 00:37:24,960
looking through a glass and uh they

1054
00:37:28,470 --> 00:37:26,400
brought her in and showed it to me but

1055
00:37:30,069 --> 00:37:28,480
it was only like just a brief moment

1056
00:37:33,270 --> 00:37:30,079
it's like what's going on

1057
00:37:36,230 --> 00:37:33,280
and uh it was not a toucher so but

1058
00:37:38,230 --> 00:37:36,240
they showed her to me they they uh

1059
00:37:39,829 --> 00:37:38,240
showed me to her you know i was like

1060
00:37:41,430 --> 00:37:39,839
they're like yeah this is what we got

1061
00:37:43,510 --> 00:37:41,440
you know so uh

1062
00:37:44,630 --> 00:37:43,520
that's could be blackmailing me i don't

1063
00:37:47,750 --> 00:37:44,640

know it's like

1064

00:37:50,230 --> 00:37:47,760

don't fall nothing in yours or we'll

1065

00:37:51,829 --> 00:37:50,240

hurt her you know it's like so but

1066

00:37:53,990 --> 00:37:51,839

it could be i'm just saying that i just

1067

00:37:56,790 --> 00:37:54,000

don't know

1068

00:37:58,630 --> 00:37:56,800

at the time it seemed that you they were

1069

00:37:59,750 --> 00:37:58,640

you were kind of pissed off at them for

1070

00:38:02,390 --> 00:37:59,760

something

1071

00:38:04,950 --> 00:38:02,400

and they they kind of brought her up to

1072

00:38:06,870 --> 00:38:04,960

make them make you feel like

1073

00:38:08,230 --> 00:38:06,880

you know they have some kind of control

1074

00:38:10,630 --> 00:38:08,240

over you

1075

00:38:12,630 --> 00:38:10,640

oh yeah they've uh they've showed me

1076

00:38:14,230 --> 00:38:12,640

some recent stuff that uh it's uh

1077

00:38:17,109 --> 00:38:14,240

hard for me to talk about what they've

1078

00:38:19,349 --> 00:38:17,119

done yeah to

1079

00:38:20,230 --> 00:38:19,359

trying to children it's like they tell

1080

00:38:23,190 --> 00:38:20,240

them that they're

1081

00:38:25,109 --> 00:38:23,200

that i'm they're they're biological and

1082

00:38:28,230 --> 00:38:25,119

then they want to get close to me and

1083

00:38:29,910 --> 00:38:28,240

then they won't let them and uh just one

1084

00:38:30,150 --> 00:38:29,920

reptilian just beat the [h__\h] out of them

1085

00:38:33,670 --> 00:38:30,160

and

1086

00:38:36,630 --> 00:38:33,680

i gotta remain neutral

1087

00:38:37,589 --> 00:38:36,640

uh or it didn't go bad so and it was not

1088

00:38:40,950 --> 00:38:37,599

easy to watch

1089

00:38:43,030 --> 00:38:40,960

but they test me they just they test me

1090

00:38:47,030 --> 00:38:43,040

all the time to see how far i'll go

1091

00:38:49,270 --> 00:38:47,040

so yeah but uh here lately

1092

00:38:51,270 --> 00:38:49,280

the communication with them has not been

1093

00:38:51,589 --> 00:38:51,280

on the up and up but i still talk to

1094

00:38:53,349 --> 00:38:51,599

them

1095

00:38:55,030 --> 00:38:53,359

uh and they've been making a lot of

1096

00:38:57,030 --> 00:38:55,040

noise and then

1097

00:38:58,150 --> 00:38:57,040

knocking things off my dresses i mean

1098

00:38:59,589 --> 00:38:58,160

everything on the dresser

1099

00:39:01,430 --> 00:38:59,599

i'll be going in the bathroom and come

1100

00:39:02,790 --> 00:39:01,440

back out and you hear the big crash and

1101

00:39:04,550 --> 00:39:02,800

it's all on the floor

1102

00:39:06,150 --> 00:39:04,560

now right there when it started it opens

1103

00:39:06,870 --> 00:39:06,160

up or portal whatever you want to call

1104

00:39:09,750 --> 00:39:06,880

it or

1105

00:39:11,030 --> 00:39:09,760

yeah i'll have the company over and uh

1106

00:39:12,630 --> 00:39:11,040

in the spare bedroom

1107

00:39:14,150 --> 00:39:12,640

things that go crashing down in there

1108

00:39:14,950 --> 00:39:14,160

and like company's like you gonna go

1109

00:39:19,349 --> 00:39:14,960

check on that

1110

00:39:21,510 --> 00:39:19,359

no you know it's like

1111

00:39:23,030 --> 00:39:21,520

man there's the pictures being knocked

1112

00:39:26,550 --> 00:39:23,040

off the walls and it's like

1113

00:39:27,829 --> 00:39:26,560

man it's crazy sometimes

1114

00:39:29,190 --> 00:39:27,839

and i don't know who i'm dealing with

1115

00:39:31,750 --> 00:39:29,200

all the time you know because they they

1116

00:39:34,150 --> 00:39:31,760

just switched out here lately

1117

00:39:35,670 --> 00:39:34,160

yeah i know because you do contact me

1118

00:39:37,589 --> 00:39:35,680

and and tell me that look there's

1119

00:39:41,510 --> 00:39:37,599

another group in here

1120

00:39:44,550 --> 00:39:41,520

there's something else coming and uh it

1121

00:39:46,069 --> 00:39:44,560

you know have they given you any idea

1122

00:39:49,670 --> 00:39:46,079

why they keep switching up

1123

00:39:51,430 --> 00:39:49,680

or do do this unless uh one

1124

00:39:52,870 --> 00:39:51,440

unless one group is done doing what

1125

00:39:54,390 --> 00:39:52,880

they're doing and they bring in another

1126

00:39:57,510 --> 00:39:54,400

group and they do whatever they do

1127

00:39:59,589 --> 00:39:57,520

i'm i'm just guessing at that or uh

1128

00:40:00,950 --> 00:39:59,599

they don't let them get attached to me

1129

00:40:03,270 --> 00:40:00,960

because uh

1130

00:40:04,630 --> 00:40:03,280

they have feelings too you know like

1131

00:40:06,150 --> 00:40:04,640

they might feel sorry for me or

1132

00:40:08,069 --> 00:40:06,160

something or say hey you know look out

1133

00:40:11,510 --> 00:40:08,079

for this or look out for that

1134

00:40:11,990 --> 00:40:11,520

but um hopefully one day with one of the

1135

00:40:14,309 --> 00:40:12,000

groups

1136

00:40:16,069 --> 00:40:14,319

i had to sit down and talk to a

1137

00:40:17,910 --> 00:40:16,079

reptilian just before i went to work in

1138

00:40:19,190 --> 00:40:17,920

the morning for about 45 minutes and i

1139

00:40:21,349 --> 00:40:19,200

recorded it

1140

00:40:23,109 --> 00:40:21,359

i knew i was recording it and he told me

1141

00:40:24,710 --> 00:40:23,119

to keep it a secret

1142

00:40:26,309 --> 00:40:24,720

and uh which i was and then i started

1143

00:40:26,630 --> 00:40:26,319

thinking about all the questions i asked

1144

00:40:28,550 --> 00:40:26,640

him

1145

00:40:30,390 --> 00:40:28,560

and the lies that he was telling me

1146

00:40:32,950 --> 00:40:30,400

right and then i was like

1147

00:40:34,870 --> 00:40:32,960

okay well if he's telling me lies then

1148

00:40:37,910 --> 00:40:34,880

the deal's off then i'm gonna i'm gonna

1149

00:40:38,630 --> 00:40:37,920

put this out there uh i put it in my

1150

00:40:40,710 --> 00:40:38,640

computer

1151

00:40:43,030 --> 00:40:40,720

and i don't know where i left it at in

1152

00:40:46,390 --> 00:40:43,040

there so it's uh still in there

1153

00:40:47,430 --> 00:40:46,400

somewhere so it's like i gotta get out i

1154

00:40:51,430 --> 00:40:47,440

know they have

1155

00:40:53,990 --> 00:40:51,440

computers in the past

1156

00:40:55,030 --> 00:40:54,000

and wiped off pictures in the past as

1157

00:40:57,270 --> 00:40:55,040

well

1158

00:40:59,349 --> 00:40:57,280

uh you know some of the pictures that

1159

00:41:01,750 --> 00:40:59,359

you have sent to me

1160

00:41:02,550 --> 00:41:01,760

that i have put in my files have

1161

00:41:07,030 --> 00:41:02,560

actually

1162

00:41:09,589 --> 00:41:07,040

degraded terribly oh i believe it

1163

00:41:10,150 --> 00:41:09,599

yeah and i i know it's them i know they

1164

00:41:13,670 --> 00:41:10,160

have done

1165

00:41:16,470 --> 00:41:13,680

it somehow but uh you know it it's

1166

00:41:18,470 --> 00:41:16,480

it's remarkable it really is it is uh

1167

00:41:20,230 --> 00:41:18,480

and uh the pictures that i send out

1168

00:41:21,430 --> 00:41:20,240

and within a few days they've done be

1169

00:41:21,990 --> 00:41:21,440

great they're doing look like the same

1170

00:41:24,470 --> 00:41:22,000

picture

1171

00:41:26,150 --> 00:41:24,480

oh actually yeah yeah like what the hell

1172

00:41:28,390 --> 00:41:26,160

is going on

1173

00:41:29,990 --> 00:41:28,400

but uh yeah i actually when i get when i

1174

00:41:33,349 --> 00:41:30,000

get these photographs

1175

00:41:37,270 --> 00:41:33,359

from you i do put them in

1176

00:41:40,069 --> 00:41:37,280

a encrypted type of file

1177

00:41:41,109 --> 00:41:40,079

and so far it's been pretty good because

1178

00:41:43,430 --> 00:41:41,119

i haven't lost

1179

00:41:45,030 --> 00:41:43,440

too many of them though i have lost a

1180

00:41:48,470 --> 00:41:45,040

few

1181

00:41:51,430 --> 00:41:48,480

why you know why they're being taken

1182

00:41:52,230 --> 00:41:51,440

are they being taken by you know someone

1183

00:41:55,349 --> 00:41:52,240

close to us

1184

00:41:58,550 --> 00:41:55,359

or are they right by them i don't know

1185

00:42:02,950 --> 00:41:58,560

but uh you know that does happen

1186

00:42:06,950 --> 00:42:02,960

and and i will attest to that uh yeah

1187

00:42:11,109 --> 00:42:09,910

you know there was one incident and i i

1188

00:42:14,309 --> 00:42:11,119

mentioned it

1189

00:42:18,069 --> 00:42:14,319

before on some other radio shows but

1190

00:42:20,470 --> 00:42:18,079

now i had to had the two encounters

1191

00:42:21,670 --> 00:42:20,480

uh not long after my wife had passed

1192

00:42:25,270 --> 00:42:21,680

away

1193

00:42:27,030 --> 00:42:25,280

and uh then i was i had something happen

1194

00:42:29,670 --> 00:42:27,040

to me where i think i was abducted well

1195

00:42:32,790 --> 00:42:29,680

i'm pretty sure i was abducted

1196

00:42:34,630 --> 00:42:32,800

and uh you know they these beings which

1197

00:42:37,750 --> 00:42:34,640

were these tall grays

1198

00:42:39,430 --> 00:42:37,760

they showed me some historical

1199

00:42:43,190 --> 00:42:39,440

information

1200

00:42:43,670 --> 00:42:43,200

well i thought i actually went to the

1201
00:42:46,390 --> 00:42:43,680
moon

1202
00:42:48,309 --> 00:42:46,400
seriously and i know you have talked

1203
00:42:51,910 --> 00:42:48,319
about that in the past

1204
00:42:55,349 --> 00:42:51,920
right about being shown

1205
00:42:56,630 --> 00:42:55,359
uh you know certain things on the moon

1206
00:43:00,150 --> 00:42:56,640
can you kind of talk about

1207
00:43:02,790 --> 00:43:00,160
that a little bit yeah it's uh

1208
00:43:03,430 --> 00:43:02,800
i was uh i was taking and uh there was

1209
00:43:08,950 --> 00:43:03,440
uh

1210
00:43:10,710 --> 00:43:08,960
council five whatever they are i don't

1211
00:43:13,829 --> 00:43:10,720
know if i even seen them

1212
00:43:16,630 --> 00:43:13,839
but uh i remember when they we got there

1213
00:43:17,030 --> 00:43:16,640

uh they had me like on this uh me and my

1214

00:43:18,950 --> 00:43:17,040

wife

1215

00:43:20,790 --> 00:43:18,960

matter of fact they had me uh she was

1216

00:43:22,630 --> 00:43:20,800

comatose and uh

1217

00:43:23,829 --> 00:43:22,640

you know you see these indian things

1218

00:43:25,750 --> 00:43:23,839

that you know they would

1219

00:43:28,309 --> 00:43:25,760

carry the wounded you know and uh and

1220

00:43:29,430 --> 00:43:28,319

like a uh two sticks and uh maybe a felt

1221

00:43:32,550 --> 00:43:29,440

or something going across

1222

00:43:34,390 --> 00:43:32,560

yeah like that yeah yeah yeah i was

1223

00:43:35,589 --> 00:43:34,400

upside down when he pulled my my feet

1224

00:43:37,510 --> 00:43:35,599

was up towards it and it was a big

1225

00:43:39,190 --> 00:43:37,520

reptilian he was pulling me and i was

1226

00:43:41,910 --> 00:43:39,200

looking down at the stick that was

1227

00:43:43,349 --> 00:43:41,920

dragging to the dirt and uh and i'm

1228

00:43:44,790 --> 00:43:43,359

looking up and they're talking back and

1229

00:43:47,030 --> 00:43:44,800

forth there was a short one in the

1230

00:43:48,069 --> 00:43:47,040

and uh two big ones and they were

1231

00:43:51,030 --> 00:43:48,079

talking back and forth and

1232

00:43:53,030 --> 00:43:51,040

i seen a building look like stonehenge i

1233

00:43:54,710 --> 00:43:53,040

mean the moon uh

1234

00:43:56,790 --> 00:43:54,720

at first i didn't know it was the moon

1235

00:43:59,510 --> 00:43:56,800

but it just all makes sense but

1236

00:44:00,470 --> 00:43:59,520

but it looks just like the pictures but

1237

00:44:03,829 --> 00:44:00,480

uh

1238

00:44:06,710 --> 00:44:03,839

something like that

1239

00:44:08,150 --> 00:44:06,720

where i'm around and uh and they looked

1240

00:44:09,670 --> 00:44:08,160

the small one turned to his head and

1241

00:44:10,630 --> 00:44:09,680

looked at back at me he says yeah we

1242

00:44:13,990 --> 00:44:10,640

know

1243

00:44:17,510 --> 00:44:14,000

and uh i i said uh i said well

1244

00:44:19,349 --> 00:44:17,520

what is it and he goes a survey point

1245

00:44:20,790 --> 00:44:19,359

and uh i was like well i know what a

1246

00:44:22,470 --> 00:44:20,800

survey point is i don't want to sound

1247

00:44:22,870 --> 00:44:22,480

stupid and asking more questions but

1248

00:44:25,030 --> 00:44:22,880

they

1249

00:44:27,349 --> 00:44:25,040

we had to go through security over and

1250

00:44:29,430 --> 00:44:27,359

over they stop us and look at us and

1251
00:44:30,710 --> 00:44:29,440
then they let us go through and uh this

1252
00:44:32,790 --> 00:44:30,720
thing came up out of the ground looked

1253
00:44:34,550 --> 00:44:32,800
like another stonehenge but it was uh

1254
00:44:36,309 --> 00:44:34,560
like all polls and it was just round and

1255
00:44:38,309 --> 00:44:36,319
it came up out of the ground

1256
00:44:40,550 --> 00:44:38,319
and uh we went to security on that and

1257
00:44:42,069 --> 00:44:40,560
then it took us under the ground

1258
00:44:43,829 --> 00:44:42,079
and they had like a city up in this

1259
00:44:46,630 --> 00:44:43,839
thing man so

1260
00:44:47,829 --> 00:44:46,640
the grass was like a bluish green and

1261
00:44:50,710 --> 00:44:47,839
they had like little

1262
00:44:51,990 --> 00:44:50,720
small trees that was like blue spring

1263
00:44:52,710 --> 00:44:52,000

and they had like some streets down

1264

00:44:54,470 --> 00:44:52,720

there

1265

00:44:56,069 --> 00:44:54,480

and they had portals that would zap them

1266

00:44:57,589 --> 00:44:56,079

across the street

1267

00:45:00,230 --> 00:44:57,599

and they had like mushroom shaped

1268

00:45:01,190 --> 00:45:00,240

buildings and uh look like water towers

1269

00:45:04,390 --> 00:45:01,200

and there was a

1270

00:45:07,750 --> 00:45:04,400

red and white and blue and uh i

1271

00:45:09,510 --> 00:45:07,760

imagine we was uh waiting in uh in line

1272

00:45:10,950 --> 00:45:09,520

and uh i'm watching these people

1273

00:45:13,589 --> 00:45:10,960

go across the street there was no

1274

00:45:15,190 --> 00:45:13,599

traffic but yet they walked through this

1275

00:45:16,630 --> 00:45:15,200

arch looking thing and they zap them to

1276

00:45:18,550 --> 00:45:16,640

the other side

1277

00:45:19,750 --> 00:45:18,560

and i was thinking why isn't that you

1278

00:45:21,430 --> 00:45:19,760

know senseless

1279

00:45:22,870 --> 00:45:21,440

to do something like that but it looked

1280

00:45:23,750 --> 00:45:22,880

pretty cool but they took me up in this

1281

00:45:25,990 --> 00:45:23,760

uh

1282

00:45:28,150 --> 00:45:26,000

building that looked like a water tower

1283

00:45:28,870 --> 00:45:28,160

and uh and they had computers going up

1284

00:45:31,030 --> 00:45:28,880

in there and

1285

00:45:32,870 --> 00:45:31,040

everybody sitting in the chairs and then

1286

00:45:34,630 --> 00:45:32,880

uh that's when they saw me some pictures

1287

00:45:36,870 --> 00:45:34,640

of what was going on in uh

1288

00:45:38,150 --> 00:45:36,880

on a big screen two of them matter of

1289

00:45:40,870 --> 00:45:38,160

fact

1290

00:45:41,910 --> 00:45:40,880

uh yeah it was so close to it i felt

1291

00:45:43,109 --> 00:45:41,920

swimming when i was

1292

00:45:45,510 --> 00:45:43,119

because i was so close you know like

1293

00:45:48,630 --> 00:45:45,520

when things are moving around and stuff

1294

00:45:50,230 --> 00:45:48,640

but uh but yeah it's uh

1295

00:45:52,470 --> 00:45:50,240

well i'll tell you that's somewhat

1296

00:45:54,790 --> 00:45:52,480

similar to what i went through

1297

00:45:56,230 --> 00:45:54,800

because when i was taking i don't you

1298

00:45:59,430 --> 00:45:56,240

know i thought

1299

00:45:59,750 --> 00:45:59,440

at least at one point i i saw the moon

1300

00:46:02,309 --> 00:45:59,760

as

1301
00:46:02,790 --> 00:46:02,319
we were approaching it but i don't know

1302
00:46:08,309 --> 00:46:02,800
if

1303
00:46:10,630 --> 00:46:08,319
in some location other than home

1304
00:46:12,710 --> 00:46:10,640
and i was looking on this type of screen

1305
00:46:16,390 --> 00:46:12,720
where they were showing me

1306
00:46:18,710 --> 00:46:16,400
these historical um incidents

1307
00:46:20,309 --> 00:46:18,720
now i've written about it in the book

1308
00:46:23,430 --> 00:46:20,319
but

1309
00:46:27,430 --> 00:46:23,440
they did basically talk about

1310
00:46:30,230 --> 00:46:27,440
a large circular craft that landed

1311
00:46:31,030 --> 00:46:30,240
and later turned into an island in the

1312
00:46:34,309 --> 00:46:31,040
um

1313
00:46:37,670 --> 00:46:34,319

what is now the Nile delta

1314

00:46:40,470 --> 00:46:37,680

and uh they basically were

1315

00:46:42,470 --> 00:46:40,480

explaining that this is how the eastern

1316

00:46:46,230 --> 00:46:42,480

Mediterranean civilizations

1317

00:46:46,710 --> 00:46:46,240

began it was like 14 uh hundreds i mean

1318

00:46:50,550 --> 00:46:46,720

uh

1319

00:46:53,990 --> 00:46:50,560

like 13 13 or 14

1320

00:46:57,190 --> 00:46:54,000

uh century BC and anyway

1321

00:46:59,349 --> 00:46:57,200

they were showing me this and um

1322

00:47:01,349 --> 00:46:59,359

i actually asked them if this was

1323

00:47:02,870 --> 00:47:01,359

Atlanta's

1324

00:47:04,950 --> 00:47:02,880

and they never answered me and they

1325

00:47:06,870 --> 00:47:04,960

wouldn't answer me they don't give you a

1326
00:47:10,230 --> 00:47:06,880
direct answer man no they never give a

1327
00:47:12,710 --> 00:47:10,240
direct answer

1328
00:47:15,190 --> 00:47:12,720
yeah i mean i i think it may have been

1329
00:47:17,430 --> 00:47:15,200
very similar to what i went through now

1330
00:47:19,109 --> 00:47:17,440
you know when's the last time that you

1331
00:47:20,309 --> 00:47:19,119
know you're abducted i know there have

1332
00:47:22,069 --> 00:47:20,319
been times

1333
00:47:23,430 --> 00:47:22,079
when they have come in there and kind of

1334
00:47:25,349 --> 00:47:23,440
knocked you out

1335
00:47:26,790 --> 00:47:25,359
and you didn't know you were abducted or

1336
00:47:28,950 --> 00:47:26,800
not but when's the last time you were

1337
00:47:32,549 --> 00:47:28,960
consciously abducted

1338
00:47:36,549 --> 00:47:32,559

uh shoot i i don't know

1339

00:47:39,109 --> 00:47:36,559

it's uh it's hard to tell it's uh so

1340

00:47:41,589 --> 00:47:39,119

much has gone on it's uh

1341

00:47:42,950 --> 00:47:41,599

i know that one time they've taken

1342

00:47:44,069 --> 00:47:42,960

because you can't wear nothing metal

1343

00:47:47,109 --> 00:47:44,079

going through the portal

1344

00:47:47,670 --> 00:47:47,119

uh it burns you it just burns right into

1345

00:47:50,390 --> 00:47:47,680

you

1346

00:47:51,349 --> 00:47:50,400

so uh i wear this uh bracelet on my

1347

00:47:53,190 --> 00:47:51,359

wrist it's a

1348

00:47:54,470 --> 00:47:53,200

it's made out of brass and copper and

1349

00:47:56,710 --> 00:47:54,480

it's a has a

1350

00:47:57,910 --> 00:47:56,720

wahoo fish on it and everything but

1351

00:47:59,670 --> 00:47:57,920

they're taking it off

1352

00:48:01,190 --> 00:47:59,680

and uh they taking it off without

1353

00:48:02,790 --> 00:48:01,200

bending it off my wrist

1354

00:48:04,309 --> 00:48:02,800

because uh you had to bend it to get it

1355

00:48:04,630 --> 00:48:04,319

off the wrist you know it was laying

1356

00:48:08,069 --> 00:48:04,640

down

1357

00:48:10,150 --> 00:48:08,079

beside me in the bed when i woke up uh

1358

00:48:11,589 --> 00:48:10,160

but i don't i don't remember them doing

1359

00:48:13,510 --> 00:48:11,599

that or they

1360

00:48:15,190 --> 00:48:13,520

they just saw i don't have the

1361

00:48:18,150 --> 00:48:15,200

relationship with them like i used to

1362

00:48:19,430 --> 00:48:18,160

but uh because of new groups but i'm

1363

00:48:20,950 --> 00:48:19,440

trying to think of the last

1364

00:48:22,870 --> 00:48:20,960

conscious i guess when they went and

1365

00:48:25,430 --> 00:48:22,880

seen the council of five

1366

00:48:26,710 --> 00:48:25,440

right it was a really the uh when they

1367

00:48:29,030 --> 00:48:26,720

brought me in there it looked like star

1368

00:48:29,750 --> 00:48:29,040

wars i mean they had it was like smokey

1369

00:48:33,270 --> 00:48:29,760

no or

1370

00:48:35,430 --> 00:48:33,280

dusty either or and uh and

1371

00:48:36,309 --> 00:48:35,440

this woman drew a picture of the same

1372

00:48:39,190 --> 00:48:36,319

place you said

1373

00:48:40,470 --> 00:48:39,200

that yeah the table and where was that

1374

00:48:41,910 --> 00:48:40,480

and that was at the table

1375

00:48:43,510 --> 00:48:41,920

and and then they had these

1376

00:48:45,589 --> 00:48:43,520

monkey-looking people in there

1377

00:48:47,030 --> 00:48:45,599

and uh and nobody could understand them

1378

00:48:48,470 --> 00:48:47,040

and then one of these grace came up and

1379

00:48:49,510 --> 00:48:48,480

put the wand to his head and then

1380

00:48:51,190 --> 00:48:49,520

everybody could understand what he was

1381

00:48:53,990 --> 00:48:51,200

saying except for me

1382

00:48:55,430 --> 00:48:54,000

and uh i was like thinking that they're

1383

00:48:56,950 --> 00:48:55,440

talking to this guy

1384

00:48:58,470 --> 00:48:56,960

and they're not talking to me but he

1385

00:48:58,870 --> 00:48:58,480

looked like he had like military you

1386

00:49:01,190 --> 00:48:58,880

know

1387

00:49:02,710 --> 00:49:01,200

and he was upset about something he was

1388

00:49:04,230 --> 00:49:02,720

raising hell about it but he was

1389

00:49:06,790 --> 00:49:04,240

standing on the table you know he looked

1390

00:49:08,950 --> 00:49:06,800

like a chimpanzee i'm like

1391

00:49:11,910 --> 00:49:08,960

what the heck is going on here i was

1392

00:49:15,670 --> 00:49:14,630

this council 5 thing has fascinated me

1393

00:49:17,990 --> 00:49:15,680

i've been

1394

00:49:19,750 --> 00:49:18,000

i had been her hearing it from you and i

1395

00:49:20,470 --> 00:49:19,760

had been hearing it from other people as

1396

00:49:21,990 --> 00:49:20,480

well

1397

00:49:25,030 --> 00:49:22,000

it's something that i have been

1398

00:49:26,790 --> 00:49:25,040

investigating for a couple years now i

1399

00:49:29,190 --> 00:49:26,800

have asked people about it

1400

00:49:30,790 --> 00:49:29,200

nobody seems to really know what it is

1401

00:49:34,790 --> 00:49:30,800

there are people that

1402

00:49:38,309 --> 00:49:34,800

speculate what it is but i believe

1403

00:49:41,670 --> 00:49:38,319

that this council five is actually

1404

00:49:44,549 --> 00:49:41,680

a group of maybe

1405

00:49:45,990 --> 00:49:44,559

unknown alien beings that have some type

1406

00:49:48,230 --> 00:49:46,000

of control

1407

00:49:50,470 --> 00:49:48,240

either on the solar system or just earth

1408

00:49:53,750 --> 00:49:50,480

itself but i think there's

1409

00:49:56,870 --> 00:49:53,760

it's some kind of uh legislative

1410

00:50:01,270 --> 00:49:56,880

group or something that controls what

1411

00:50:05,510 --> 00:50:03,750

it's very it's very interesting you know

1412

00:50:08,309 --> 00:50:05,520

you sent me that picture that

1413

00:50:09,990 --> 00:50:08,319

and i i tell you when i saw that picture

1414

00:50:12,710 --> 00:50:10,000

of this group

1415

00:50:14,870 --> 00:50:12,720

it just struck a nerve with me i i don't

1416

00:50:17,190 --> 00:50:14,880

remember seeing anything

1417

00:50:19,030 --> 00:50:17,200

but man it hit me like man that's

1418

00:50:19,349 --> 00:50:19,040

something that kind of like like a deja

1419

00:50:21,670 --> 00:50:19,359

vu

1420

00:50:22,710 --> 00:50:21,680

thing that's actually i flipped up and i

1421

00:50:24,870 --> 00:50:22,720

said i was like

1422

00:50:26,710 --> 00:50:24,880

yeah i was there i was there you know it

1423

00:50:27,109 --> 00:50:26,720

was like the sound you see the details

1424

00:50:28,950 --> 00:50:27,119

were

1425

00:50:31,430 --> 00:50:28,960

so good on that picture i was like

1426

00:50:34,549 --> 00:50:31,440

that's that's i was there

1427

00:50:36,150 --> 00:50:34,559

uh yeah it just blows my mind that i

1428

00:50:36,950 --> 00:50:36,160

didn't feel so alone you know how

1429

00:50:39,589 --> 00:50:36,960

anymore i was like

1430

00:50:40,150 --> 00:50:39,599

yeah but i i don't know who the lady is

1431

00:50:46,470 --> 00:50:40,160

or

1432

00:50:48,150 --> 00:50:46,480

but i just got the pictures and i just i

1433

00:50:48,710 --> 00:50:48,160

was so excited when i seen that one it's

1434

00:50:50,950 --> 00:50:48,720

like

1435

00:50:52,790 --> 00:50:50,960

see i mean she got a good memory she

1436

00:50:55,030 --> 00:50:52,800

drew a very good picture or she had

1437

00:50:58,150 --> 00:50:55,040

somebody else to offer i'm not sure

1438

00:50:59,910 --> 00:50:58,160

but it just blew my mind i you know i'm

1439

00:51:02,950 --> 00:50:59,920

gonna have to have you send me that

1440

00:51:05,829 --> 00:51:02,960

that image again if you got it because

1441

00:51:07,910 --> 00:51:05,839

i had a i did have a computer crash at

1442

00:51:10,470 --> 00:51:07,920

one period and i don't know if i still

1443

00:51:12,309 --> 00:51:10,480

have it but if you can find it again i'd

1444

00:51:14,390 --> 00:51:12,319

like for you to send it to me

1445

00:51:16,470 --> 00:51:14,400

i'll look at i'll look for i got a uh

1446

00:51:17,190 --> 00:51:16,480

yeah i got a laptop with so many files

1447

00:51:20,390 --> 00:51:17,200

in there

1448

00:51:22,390 --> 00:51:20,400

i'll find it there's a holy cow

1449

00:51:23,910 --> 00:51:22,400

you know i go back it's funny when i go

1450

00:51:26,309 --> 00:51:23,920

back and look at some of the old

1451

00:51:29,670 --> 00:51:26,319

photographs that you've sent me

1452

00:51:30,630 --> 00:51:29,680

uh just like where that one time where

1453

00:51:33,750 --> 00:51:30,640

you sent me uh

1454

00:51:36,870 --> 00:51:33,760

you sent me a video and i captured this

1455

00:51:40,069 --> 00:51:36,880

being coming out of the wall

1456

00:51:43,190 --> 00:51:40,079

uh you remember that yeah i think yeah

1457

00:51:44,790 --> 00:51:43,200

yeah you know it was something i picked

1458

00:51:46,870 --> 00:51:44,800

up on then

1459

00:51:48,630 --> 00:51:46,880

it's just been a whole lot of stuff i

1460

00:51:51,190 --> 00:51:48,640

mean it the whole

1461

00:51:53,190 --> 00:51:51,200

the whole experience that i have been

1462

00:51:55,430 --> 00:51:53,200

going through with you

1463

00:51:56,790 --> 00:51:55,440

and and some of the things that i have

1464

00:52:00,309 --> 00:51:56,800

been told and then

1465

00:52:01,750 --> 00:52:00,319

shown later uh it's remarkable it's

1466

00:52:05,990 --> 00:52:01,760

remarkable

1467

00:52:09,270 --> 00:52:06,000

i i just hope that as time goes on

1468

00:52:11,510 --> 00:52:09,280

you start to get a better sense of why

1469

00:52:13,430 --> 00:52:11,520

they are doing this

1470

00:52:15,270 --> 00:52:13,440

right i've had people say that they're

1471

00:52:17,990 --> 00:52:15,280

going to get horrible psychics and

1472

00:52:18,470 --> 00:52:18,000

and find out and the the psychic stories

1473

00:52:20,630 --> 00:52:18,480

say that

1474

00:52:21,750 --> 00:52:20,640

they're they're being blocked out and

1475

00:52:25,270 --> 00:52:21,760

everything else like that

1476

00:52:25,910 --> 00:52:25,280

uh so but i can never get no no good

1477

00:52:28,549 --> 00:52:25,920

answers

1478

00:52:31,430 --> 00:52:28,559

and i can only speculate you know so you

1479

00:52:35,109 --> 00:52:31,440

know for a fact that we have done

1480

00:52:38,150 --> 00:52:35,119

some remote views with you

1481

00:52:40,870 --> 00:52:38,160

and we were blocked out

1482

00:52:41,990 --> 00:52:40,880

right yeah we were locked out i i told

1483

00:52:44,630 --> 00:52:42,000

you about that

1484

00:52:46,230 --> 00:52:44,640

we you know it's almost like they knew

1485

00:52:50,069 --> 00:52:46,240

we were there

1486

00:52:51,109 --> 00:52:50,079

and they blocked us out i read about

1487

00:52:52,790 --> 00:52:51,119

remote viewing

1488

00:52:54,390 --> 00:52:52,800

and i heard that that they can sense you

1489

00:52:56,549 --> 00:52:54,400

there but that's that's awesome

1490

00:52:57,430 --> 00:52:56,559

seems like more proof that maybe they're

1491

00:53:00,470 --> 00:52:57,440

from the fourth

1492

00:53:01,829 --> 00:53:00,480

dimension because there's no uh fourth

1493

00:53:03,109 --> 00:53:01,839

dimension if you stood on one side of

1494

00:53:05,349 --> 00:53:03,119

the house you could be able to see

1495

00:53:07,430 --> 00:53:05,359

all four sides of the house and uh and

1496

00:53:09,109 --> 00:53:07,440

then that that would make it so

1497

00:53:10,710 --> 00:53:09,119

you would be able to read people and

1498

00:53:11,430 --> 00:53:10,720

feel their feelings and everything else

1499

00:53:14,549 --> 00:53:11,440

like that

1500

00:53:16,470 --> 00:53:14,559

that kind of drags me to uh this

1501
00:53:17,589 --> 00:53:16,480
as well and we're hardwired for the

1502
00:53:19,990 --> 00:53:17,599
fourth dimension

1503
00:53:21,589 --> 00:53:20,000
but we live in the third and uh and you

1504
00:53:23,430 --> 00:53:21,599
know the reptilians were in the garden

1505
00:53:25,829 --> 00:53:23,440
with adam and eve

1506
00:53:27,109 --> 00:53:25,839
uh as the bible you know talks about the

1507
00:53:29,510 --> 00:53:27,119
serpent you know

1508
00:53:31,510 --> 00:53:29,520
i'm thinking that uh they're talk that

1509
00:53:34,069 --> 00:53:31,520
was god's first uh

1510
00:53:35,190 --> 00:53:34,079
uh creature that he made i guess was the

1511
00:53:38,230 --> 00:53:35,200
reptilians

1512
00:53:40,069 --> 00:53:38,240
so um well

1513
00:53:42,630 --> 00:53:40,079

you know there is some type of

1514

00:53:45,430 --> 00:53:42,640

connection there i don't know exactly

1515

00:53:47,030 --> 00:53:45,440

how it's interpreted but right you know

1516

00:53:50,470 --> 00:53:47,040

the one thing it's it's kind of

1517

00:53:52,870 --> 00:53:50,480

stuck with me since i met you

1518

00:53:55,270 --> 00:53:52,880

was the day you told me that they do

1519

00:53:57,910 --> 00:53:55,280

have a supreme being

1520

00:53:59,990 --> 00:53:57,920

yes that they actually i i don't know if

1521

00:54:03,750 --> 00:54:00,000

it's in a religious sense

1522

00:54:06,870 --> 00:54:03,760

but they do have a supreme being and uh

1523

00:54:09,430 --> 00:54:06,880

i've been fascinated by that

1524

00:54:11,030 --> 00:54:09,440

yeah that and their cross looks like a i

1525

00:54:12,710 --> 00:54:11,040

mean they have a cross that they use too

1526

00:54:14,069 --> 00:54:12,720

but it looks like a starburst at the

1527

00:54:16,549 --> 00:54:14,079

same time

1528

00:54:17,750 --> 00:54:16,559

and uh and then they do uh have

1529

00:54:19,910 --> 00:54:17,760

something that they believe is

1530

00:54:22,150 --> 00:54:19,920

much worse than the devil too so that

1531

00:54:23,190 --> 00:54:22,160

they even feared of uh then they seem to

1532

00:54:24,870 --> 00:54:23,200

be furious

1533

00:54:26,950 --> 00:54:24,880

because you know there's like a realm in

1534

00:54:30,470 --> 00:54:26,960

between the two uh

1535

00:54:32,230 --> 00:54:30,480

where they take me in in my our realm

1536

00:54:34,150 --> 00:54:32,240

and they go we go through there with

1537

00:54:41,510 --> 00:54:34,160

armed guards and stuff and uh

1538

00:54:45,030 --> 00:54:44,150

yeah there's like a space in between

1539

00:54:46,630 --> 00:54:45,040

yeah and that

1540

00:54:48,150 --> 00:54:46,640

we go through you can't tell which is up

1541

00:54:48,470 --> 00:54:48,160

and which is down but you can see the

1542

00:54:50,549 --> 00:54:48,480

light

1543

00:54:51,990 --> 00:54:50,559

ahead where they're heading and you can

1544

00:54:52,710 --> 00:54:52,000

hear them marching right next to you

1545

00:54:55,589 --> 00:54:52,720

know it's like

1546

00:54:57,030 --> 00:54:55,599

like like a uh like a jog type march you

1547

00:54:57,910 --> 00:54:57,040

know like they're moving to let's move

1548

00:55:01,190 --> 00:54:57,920

through now no

1549

00:55:03,270 --> 00:55:01,200

they're armed and uh i've had one i'll

1550

00:55:06,390 --> 00:55:03,280

pull a weapon out on me before too

1551

00:55:08,069 --> 00:55:06,400

uh i was uh laying it up

1552

00:55:09,990 --> 00:55:08,079

i let them abduct me and take me and

1553

00:55:12,630 --> 00:55:10,000

they took me into this room

1554

00:55:13,829 --> 00:55:12,640

and uh and but they put me on the bed

1555

00:55:15,670 --> 00:55:13,839

and everything and i was laying because

1556

00:55:17,430 --> 00:55:15,680

i was pretending i was asleep

1557

00:55:19,589 --> 00:55:17,440

and then also i sat up and said i want

1558

00:55:20,150 --> 00:55:19,599

to speak to somebody in charge and then

1559

00:55:21,430 --> 00:55:20,160

all these

1560

00:55:22,950 --> 00:55:21,440

little great appealing guys they were

1561

00:55:24,150 --> 00:55:22,960

running all different directions and

1562

00:55:25,430 --> 00:55:24,160

leaving the room

1563

00:55:27,990 --> 00:55:25,440

and then at the foot of the bed there

1564

00:55:28,950 --> 00:55:28,000

was a reptilian and he was so mad he was

1565

00:55:32,549 --> 00:55:28,960

shaking

1566

00:55:34,390 --> 00:55:32,559

and he had a a firearm or not

1567

00:55:35,670 --> 00:55:34,400

not with bullets but it had a square

1568

00:55:37,990 --> 00:55:35,680

barrel on the end of it

1569

00:55:39,990 --> 00:55:38,000

and uh he just held it up and it had

1570

00:55:40,789 --> 00:55:40,000

like a wire stock on it and it was red

1571

00:55:42,870 --> 00:55:40,799

and white

1572

00:55:43,829 --> 00:55:42,880

uh and it didn't didn't look like a real

1573

00:55:45,670 --> 00:55:43,839

big gun but

1574

00:55:47,030 --> 00:55:45,680

he was so mad he was shaking i just put

1575

00:55:48,309 --> 00:55:47,040

my hand up so i just want to speak to

1576

00:55:51,750 --> 00:55:48,319

somebody in charge

1577

00:55:55,030 --> 00:55:51,760

and that's the last thing i remember so

1578

00:55:55,990 --> 00:55:55,040

uh that's uh go there wait come back to

1579

00:55:59,910 --> 00:55:56,000

sleep

1580

00:56:02,549 --> 00:55:59,920

always seems to be that way but um

1581

00:56:03,670 --> 00:56:02,559

one one time i i went and i pretended i

1582

00:56:05,109 --> 00:56:03,680

was asleep and uh

1583

00:56:07,190 --> 00:56:05,119

they don't always send the best of the

1584

00:56:09,349 --> 00:56:07,200

best and to come and get me so

1585

00:56:10,710 --> 00:56:09,359

and it's uh one reptilian which i

1586

00:56:13,270 --> 00:56:10,720

actually got video of

1587

00:56:15,270 --> 00:56:13,280

or photographs of enough that looks like

1588

00:56:17,829 --> 00:56:15,280

a video you know frame grabs

1589

00:56:19,430 --> 00:56:17,839

but uh he took me in and i told him i

1590

00:56:21,589 --> 00:56:19,440

want to speak to somebody in charge

1591

00:56:23,030 --> 00:56:21,599

and uh he wouldn't go look for somebody

1592

00:56:25,990 --> 00:56:23,040

in charge he brought me with him

1593

00:56:27,589 --> 00:56:26,000

and uh and he i guess it seemed like he

1594

00:56:29,190 --> 00:56:27,599

was on a craft or something like that

1595

00:56:31,190 --> 00:56:29,200

yeah i don't know because

1596

00:56:33,510 --> 00:56:31,200

it's just the way we're walking down the

1597

00:56:35,109 --> 00:56:33,520

hallways and we came into this room

1598

00:56:36,470 --> 00:56:35,119

and it looked like it could have been

1599

00:56:38,789 --> 00:56:36,480

the planet earth out there but it had

1600

00:56:40,870 --> 00:56:38,799

like an atrium on the side of this thing

1601
00:56:42,470 --> 00:56:40,880
and all the plants in the atrium was

1602
00:56:43,990 --> 00:56:42,480
dead and there was like another room off

1603
00:56:47,109 --> 00:56:44,000
to the side where they had computers

1604
00:56:49,589 --> 00:56:47,119
and tables and stuff like that and she

1605
00:56:51,109 --> 00:56:49,599
uh the female which i know now is was

1606
00:56:53,510 --> 00:56:51,119
the head of the

1607
00:56:54,950 --> 00:56:53,520
the whole operation she's not the the

1608
00:56:57,190 --> 00:56:54,960
lead guy she's just

1609
00:56:58,069 --> 00:56:57,200
she's the superintendent let's just say

1610
00:57:00,630 --> 00:56:58,079
that

1611
00:57:02,309 --> 00:57:00,640
and she goes what the hell is he doing

1612
00:57:04,069 --> 00:57:02,319
in here he says he needs to speak to

1613
00:57:05,589 --> 00:57:04,079

somebody in charge and she just starts

1614

00:57:06,309 --> 00:57:05,599

with raising her voice waving her

1615

00:57:09,349 --> 00:57:06,319

fingers

1616

00:57:10,630 --> 00:57:09,359

get him the hell out of here now and uh

1617

00:57:14,150 --> 00:57:10,640

he was he was in trouble

1618

00:57:16,470 --> 00:57:14,160

so but uh but it took me back so um

1619

00:57:17,349 --> 00:57:16,480

but she's still with uh running things

1620

00:57:20,710 --> 00:57:17,359

the show

1621

00:57:23,750 --> 00:57:20,720

uh all right really yeah yeah she's

1622

00:57:26,230 --> 00:57:23,760

a reptilian and she dresses like she's

1623

00:57:27,270 --> 00:57:26,240

tries to dress like she's human is that

1624

00:57:29,990 --> 00:57:27,280

right you know

1625

00:57:30,549 --> 00:57:30,000

yes she even wears like a pair of blue

1626
00:57:32,710 --> 00:57:30,559
jeans

1627
00:57:33,829 --> 00:57:32,720
uh that she'll wear and so she's a dress

1628
00:57:37,109 --> 00:57:33,839
in a lab coat

1629
00:57:39,030 --> 00:57:37,119
and uh but she's reptilian but

1630
00:57:40,230 --> 00:57:39,040
and she tries to present herself as

1631
00:57:43,349 --> 00:57:40,240
she's very

1632
00:57:46,470 --> 00:57:43,359
when's the last time you saw her uh

1633
00:57:47,510 --> 00:57:46,480
it's been a couple months now is that

1634
00:57:51,510 --> 00:57:47,520
right

1635
00:57:53,750 --> 00:57:51,520
came into a doorway

1636
00:57:56,150 --> 00:57:53,760
the wall opened up and she came right on

1637
00:57:57,430 --> 00:57:56,160
in and uh she's like she was clocking in

1638
00:57:59,510 --> 00:57:57,440

or something

1639

00:58:00,789 --> 00:57:59,520

and uh i'm like what the heck is going

1640

00:58:02,069 --> 00:58:00,799

on which is you know

1641

00:58:03,990 --> 00:58:02,079

things like that just mess with your

1642

00:58:06,069 --> 00:58:04,000

head when you see this going on

1643

00:58:08,230 --> 00:58:06,079

yeah and uh she had on pair of blue

1644

00:58:11,109 --> 00:58:08,240

jeans in a lab coat and

1645

00:58:12,710 --> 00:58:11,119

she was uh she's just very proper and

1646

00:58:15,109 --> 00:58:12,720

she's uh very serious about what she

1647

00:58:19,589 --> 00:58:15,119

does and she's very protective over me

1648

00:58:21,589 --> 00:58:19,599

so uh yeah but she has

1649

00:58:23,589 --> 00:58:21,599

i'm gonna have to have you come on and

1650

00:58:26,390 --> 00:58:23,599

we're going to have to talk about

1651
00:58:28,150 --> 00:58:26,400
that and the portal and the transport

1652
00:58:31,190 --> 00:58:28,160
thing in more depth

1653
00:58:32,230 --> 00:58:31,200
because i know people are interested in

1654
00:58:34,710 --> 00:58:32,240
that

1655
00:58:36,789 --> 00:58:34,720
and we're going to have to somehow bring

1656
00:58:39,430 --> 00:58:36,799
the photographs

1657
00:58:40,230 --> 00:58:39,440
up somehow so we can discuss each one of

1658
00:58:42,230 --> 00:58:40,240
them

1659
00:58:44,309 --> 00:58:42,240
maybe we can coordinate we can

1660
00:58:47,430 --> 00:58:44,319
coordinate that somehow

1661
00:58:49,270 --> 00:58:47,440
and do a presentation to where people

1662
00:58:52,309 --> 00:58:49,280
can actually see it

1663
00:58:54,950 --> 00:58:52,319

right yeah i got pictures of her

1664

00:58:55,510 --> 00:58:54,960

oh do you yeah yeah i have pictures of

1665

00:58:57,430 --> 00:58:55,520

her

1666

00:58:59,109 --> 00:58:57,440

that'd be great you know david thanks

1667

00:59:01,670 --> 00:58:59,119

again for coming on

1668

00:59:02,789 --> 00:59:01,680

uh i i know you don't usually do a lot

1669

00:59:05,910 --> 00:59:02,799

of these shows

1670

00:59:06,950 --> 00:59:05,920

uh but i i i really am appreciate you

1671

00:59:09,510 --> 00:59:06,960

coming on

1672

00:59:12,309 --> 00:59:09,520

and explaining a lot of this to me and

1673

00:59:14,069 --> 00:59:12,319

uh to our guest to our listeners

1674

00:59:15,589 --> 00:59:14,079

and uh i'm gonna have to try to have you

1675

00:59:17,589 --> 00:59:15,599

come on pretty soon

1676

00:59:20,309 --> 00:59:17,599

we'll try to put this thing together to

1677

00:59:23,270 --> 00:59:20,319

where we have a more visual type of show

1678

00:59:24,230 --> 00:59:23,280

and uh maybe we'll do something in that

1679

00:59:27,750 --> 00:59:24,240

effect so

1680

00:59:30,230 --> 00:59:27,760

you take care stay safe stay healthy

1681

00:59:31,990 --> 00:59:30,240

and uh you know i'm always around for

1682

00:59:34,309 --> 00:59:32,000

you so uh

1683

00:59:35,510 --> 00:59:34,319

yes you are i will talk to you later you

1684

00:59:38,950 --> 00:59:35,520

take care now

1685

00:59:42,230 --> 00:59:40,630

so if you have an unexplained encounter

1686

00:59:44,390 --> 00:59:42,240

setting feel free to contact me through

1687

00:59:46,390 --> 00:59:44,400

the phantoms and monsters blog site

1688

00:59:48,309 --> 00:59:46,400

if you're interested in supporting fans

1689

00:59:50,230 --> 00:59:48,319

of monsters in arcane radio

1690

00:59:51,589 --> 00:59:50,240

you can use the paypal donation button

1691

00:59:53,750 --> 00:59:51,599

on the blog and newsletter or go

1692

00:59:55,589 --> 00:59:53,760

directly to paypal

1693

00:59:57,270 --> 00:59:55,599

your continued support is truly

1694

00:59:58,390 --> 00:59:57,280

appreciated now i want to again thank

1695

01:00:00,150 --> 00:59:58,400

david eckhart

1696

01:00:03,030 --> 01:00:00,160

for joining me this evening and i want

1697

01:00:06,150 --> 01:00:03,040

to thank you for listening to the show

1698

01:00:07,349 --> 01:00:06,160

have a good night have a safe enjoyable

1699

01:00:26,829 --> 01:00:07,359

weekend
