

ARCANE RADIO

Exploring the Unexplained 

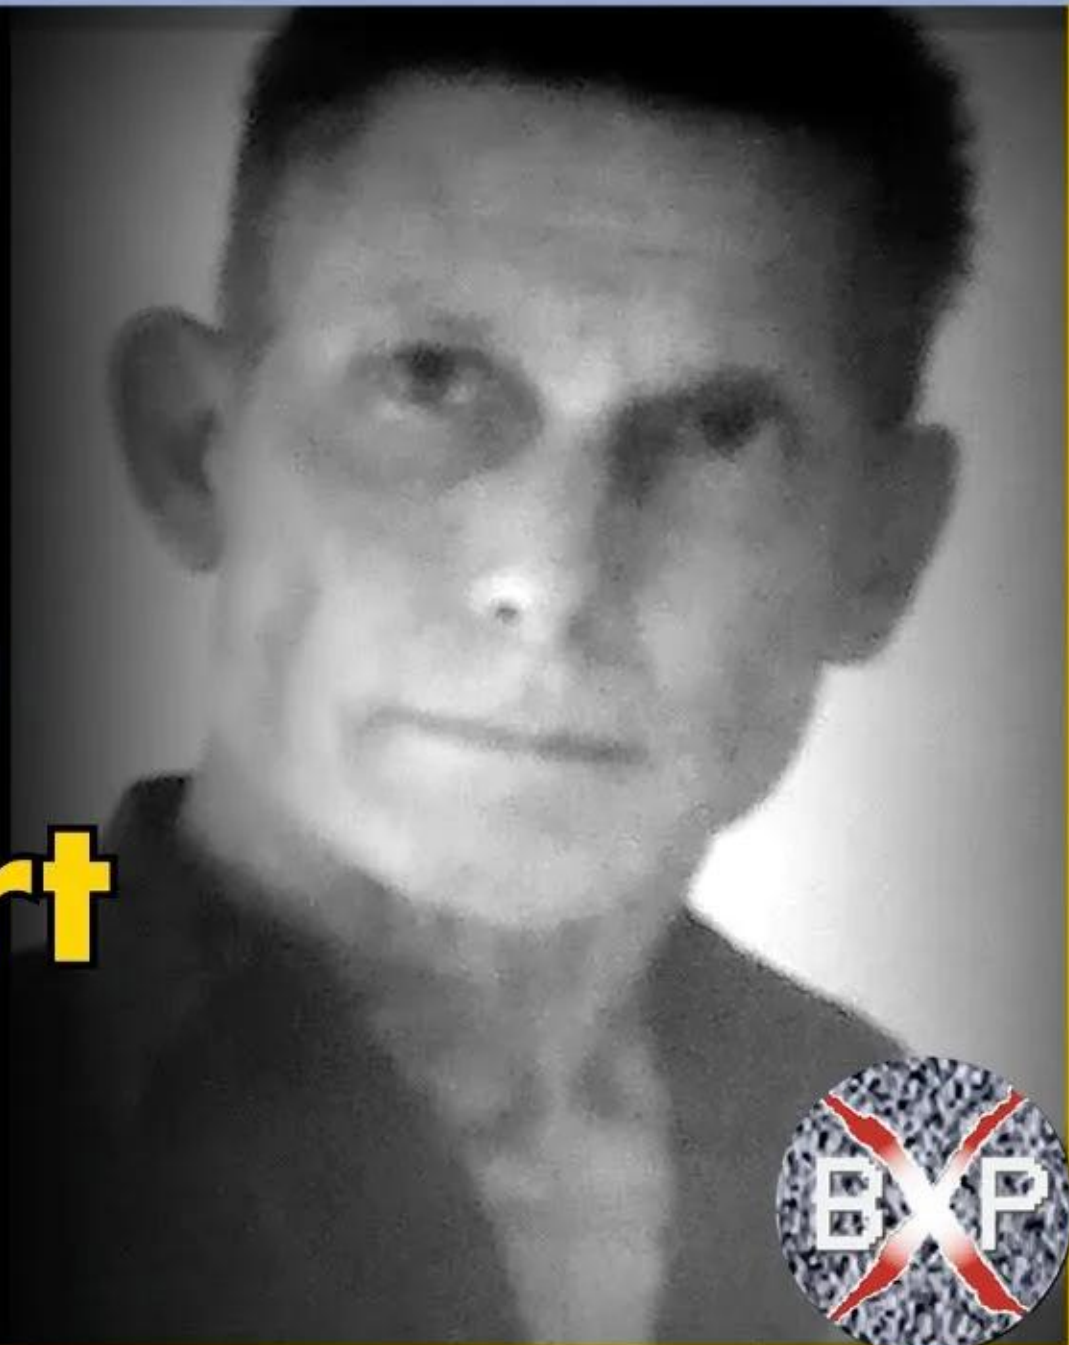

Oct. 23rd, 2020

9PM Eastern

David Eckhart

**Alien Abductee/
Experiencer**

Experiencer

1
00:00:04,710 --> 00:00:03,909

[Music]

2
00:00:08,150 --> 00:00:04,720

the oldest

3
00:00:10,310 --> 00:00:08,160

and strongest human emotion is fear

4
00:00:11,270 --> 00:00:10,320

and the oldest and strongest type of

5
00:00:14,470 --> 00:00:11,280

fear

6
00:00:16,950 --> 00:00:14,480

is trepidation of the unknown

7
00:00:20,390 --> 00:00:16,960

when we were children our parents told

8
00:00:22,870 --> 00:00:20,400

us that monsters didn't exist

9
00:00:26,070 --> 00:00:22,880

but we were sure that something was

10
00:00:30,550 --> 00:00:26,080

lurking under the bed or in the closet

11
00:00:33,590 --> 00:00:30,560

fear sees even if our eyes are closed

12
00:00:36,790 --> 00:00:33,600

welcome to the realm of the arcane

13
00:00:37,430 --> 00:00:36,800

my name is lon strickler join me as i

14

00:00:39,910 --> 00:00:37,440

examine

15

00:00:41,030 --> 00:00:39,920

unexplained creatures strange

16

00:00:44,310 --> 00:00:41,040

manifestations

17

00:00:47,270 --> 00:00:44,320

and remarkable realities

18

00:00:49,910 --> 00:00:47,280

imagine this next hour as a voyage of

19

00:00:52,950 --> 00:00:49,920

discovery to strange lands

20

00:00:55,430 --> 00:00:52,960

seeking not for new territory but for

21

00:00:58,310 --> 00:00:55,440

new knowledge of the supernatural

22

00:00:59,670 --> 00:00:58,320

come on board as we begin this adventure

23

00:01:07,030 --> 00:00:59,680

together

24

00:01:11,190 --> 00:01:09,030

hey folks good evening and welcome to

25

00:01:13,109 --> 00:01:11,200

another episode of arcane rio where we

26

00:01:15,670 --> 00:01:13,119

explore the unexplained

27

00:01:17,350 --> 00:01:15,680

live on beyond explanation with audio

28

00:01:19,270 --> 00:01:17,360

simulcast on the parent

29

00:01:20,789 --> 00:01:19,280

normal king radio network now i'm your

30

00:01:22,870 --> 00:01:20,799

host lon strickler

31

00:01:25,109 --> 00:01:22,880

coming to you with a cannon shot of

32

00:01:28,310 --> 00:01:25,119

historic gettysburg pennsylvania

33

00:01:29,830 --> 00:01:28,320

i thank you for joining me now before we

34

00:01:33,749 --> 00:01:29,840

get started i just want to mention

35

00:01:35,109 --> 00:01:33,759

that the donation icon is active in the

36

00:01:38,390 --> 00:01:35,119

chat

37

00:01:39,590 --> 00:01:38,400

uh if you wish to help us out please

38

00:01:41,990 --> 00:01:39,600

click on that

39

00:01:42,950 --> 00:01:42,000

and uh if you have questions for the

40

00:01:46,630 --> 00:01:42,960

guests just

41

00:01:50,789 --> 00:01:46,640

uh feel free to post in the chat

42

00:01:54,069 --> 00:01:50,799

now before we get to talking to david

43

00:01:57,109 --> 00:01:54,079

um i'm going to talk about a

44

00:01:59,350 --> 00:01:57,119

uh something i received this week i

45

00:02:02,550 --> 00:01:59,360

received a telephone call from

46

00:02:04,230 --> 00:02:02,560

a gentleman i'm going to call r.a

47

00:02:06,830 --> 00:02:04,240

who states that he had a bigfoot

48

00:02:09,029 --> 00:02:06,840

sighting near his cabin in center county

49

00:02:11,670 --> 00:02:09,039

pennsylvania during the first week of

50

00:02:14,869 --> 00:02:11,680

october 2020.

51
00:02:15,510 --> 00:02:14,879
now r.a is staying in a cabin staying in

52
00:02:17,430 --> 00:02:15,520
a cabin

53
00:02:18,790 --> 00:02:17,440
near the campground area at bald eagle

54
00:02:21,510 --> 00:02:18,800
state park

55
00:02:22,229 --> 00:02:21,520
and he said around 6 30 p.m he walked

56
00:02:24,949 --> 00:02:22,239
outside

57
00:02:27,910 --> 00:02:24,959
to relieve himself when he noticed

58
00:02:29,670 --> 00:02:27,920
movement in the hemlock trees

59
00:02:31,589 --> 00:02:29,680
uh there was still enough light for him

60
00:02:35,190 --> 00:02:31,599
to observe whatever that was

61
00:02:36,949 --> 00:02:35,200
uh approximately 50 yards away he

62
00:02:39,430 --> 00:02:36,959
watched a huge

63
00:02:40,550 --> 00:02:39,440

dark-haired hominid walking towards pine

64

00:02:43,030 --> 00:02:40,560

creek

65

00:02:44,949 --> 00:02:43,040

now r.a stated that he literally heard

66

00:02:47,030 --> 00:02:44,959

each footfall

67

00:02:48,550 --> 00:02:47,040

as a massive creature moved through the

68

00:02:51,910 --> 00:02:48,560

forest

69

00:02:54,869 --> 00:02:51,920

he continued to watch as

70

00:02:55,910 --> 00:02:54,879

the bigfoot stepped over the small creek

71

00:02:59,110 --> 00:02:55,920

and continued

72

00:03:00,949 --> 00:02:59,120

trekking away from him

73

00:03:03,990 --> 00:03:00,959

now r.a states that he watched the

74

00:03:07,270 --> 00:03:04,000

bigfoot for about 20 seconds

75

00:03:09,990 --> 00:03:07,280

now he describes the bigfoot as at least

76

00:03:11,030 --> 00:03:10,000

eight foot height with massive wide

77

00:03:12,790 --> 00:03:11,040

shoulders

78

00:03:14,710 --> 00:03:12,800

it was covered in dark brown hair the

79

00:03:17,990 --> 00:03:14,720

face was hard to make out

80

00:03:18,710 --> 00:03:18,000

but he compared it as more human than

81

00:03:21,750 --> 00:03:18,720

eight

82

00:03:22,630 --> 00:03:21,760

with a conical head and a prominent brow

83

00:03:27,509 --> 00:03:22,640

ridge which was

84

00:03:30,630 --> 00:03:27,519

he noticed uh it never altered its pace

85

00:03:31,990 --> 00:03:30,640

now that evening r.a said that he heard

86

00:03:35,430 --> 00:03:32,000

a series of wood knocks

87

00:03:38,470 --> 00:03:35,440

and whoops in around 1 30 a.m

88

00:03:40,630 --> 00:03:38,480

or 1 o'clock a.m excuse me uh it was

89

00:03:42,390 --> 00:03:40,640

emanating from all directions around the

90

00:03:44,149 --> 00:03:42,400

cabin

91

00:03:45,830 --> 00:03:44,159

he said this is the first time he'd ever

92

00:03:48,149 --> 00:03:45,840

heard anything similar to this in all

93

00:03:50,149 --> 00:03:48,159

the years you'd come to the cabin

94

00:03:51,589 --> 00:03:50,159

now the area does have a lot of wildlife

95

00:03:53,270 --> 00:03:51,599

including pretty large

96

00:03:55,030 --> 00:03:53,280

black bears which i know because i've

97

00:03:57,589 --> 00:03:55,040

been up there before

98

00:03:58,869 --> 00:03:57,599

where a state said he uh it was not a

99

00:04:01,830 --> 00:03:58,879

black bear

100

00:04:03,190 --> 00:04:01,840

which he's very familiar with seeing in

101
00:04:06,869 --> 00:04:03,200
the area

102
00:04:09,830 --> 00:04:06,879
now i will note that center county

103
00:04:12,309 --> 00:04:09,840
has several state parks enforced as well

104
00:04:14,710 --> 00:04:12,319
as a state game land within its borders

105
00:04:17,590 --> 00:04:14,720
and the surrounding counties

106
00:04:20,469 --> 00:04:17,600
and we have received several upright

107
00:04:23,510 --> 00:04:20,479
canine sightings and encounters

108
00:04:26,790 --> 00:04:23,520
uh in the area

109
00:04:29,909 --> 00:04:26,800
over the years so um

110
00:04:31,990 --> 00:04:29,919
you know we do have

111
00:04:33,510 --> 00:04:32,000
the research team looking into it i

112
00:04:37,430 --> 00:04:33,520
talked to butch

113
00:04:40,629 --> 00:04:37,440

let's talk to the witness and uh

114

00:04:43,350 --> 00:04:40,639

we're gonna put it on our list to uh

115

00:04:45,270 --> 00:04:43,360

to look into when we get up there uh

116

00:04:49,110 --> 00:04:45,280

we've got a few other areas we want to

117

00:04:53,430 --> 00:04:51,909

so tonight i welcome alien abductee

118

00:04:56,469 --> 00:04:53,440

experiencer

119

00:04:57,350 --> 00:04:56,479

david eckhart to arcane radio over the

120

00:04:59,590 --> 00:04:57,360

decade ago

121

00:05:01,430 --> 00:04:59,600

david and his family began to endure

122

00:05:03,909 --> 00:05:01,440

numerous abductions

123

00:05:06,469 --> 00:05:03,919

and close encounters in their home near

124

00:05:09,189 --> 00:05:06,479

pensacola florida

125

00:05:11,029 --> 00:05:09,199

the encounters have continued though the

126

00:05:14,310 --> 00:05:11,039

activity has recently picked up an

127

00:05:15,909 --> 00:05:14,320

intensely i'd say in the past year or so

128

00:05:18,070 --> 00:05:15,919

david's ordeal has been thoroughly

129

00:05:18,870 --> 00:05:18,080

documented because of his determination

130

00:05:22,469 --> 00:05:18,880

to discover

131

00:05:25,510 --> 00:05:22,479

why he was chosen i have assisted david

132

00:05:27,990 --> 00:05:25,520

in this journey since 2010

133

00:05:29,670 --> 00:05:28,000

his story was presented on fact or fake

134

00:05:31,749 --> 00:05:29,680

paranormal files

135

00:05:34,150 --> 00:05:31,759

which resulted in one of the series

136

00:05:36,390 --> 00:05:34,160

highest rated episodes

137

00:05:38,070 --> 00:05:36,400

namely because the team could not debunk

138

00:05:40,150 --> 00:05:38,080

david's claims

139

00:05:42,230 --> 00:05:40,160

david's story can be found in my book

140

00:05:44,950 --> 00:05:42,240

alien disclosure experiences

141

00:05:47,110 --> 00:05:44,960

exposed reality so david thanks for

142

00:05:49,590 --> 00:05:47,120

coming on the show

143

00:05:50,310 --> 00:05:49,600

you're welcome uh it's kind of strange

144

00:05:57,430 --> 00:05:50,320

doing the

145

00:06:02,070 --> 00:06:00,790

but but uh so what do you want to talk

146

00:06:06,150 --> 00:06:02,080

about tonight

147

00:06:08,070 --> 00:06:06,160

well you know you and i discuss and chat

148

00:06:12,390 --> 00:06:08,080

and stuff back and forth

149

00:06:12,400 --> 00:06:18,830

uh i

150

00:06:23,510 --> 00:06:21,270

lately they've been uh

151

00:06:24,950 --> 00:06:23,520

laying low kind of lately i mean this

152

00:06:27,430 --> 00:06:24,960

thing's been going on but

153

00:06:28,629 --> 00:06:27,440

you know they've been switching out

154

00:06:30,309 --> 00:06:28,639

teams here uh

155

00:06:32,309 --> 00:06:30,319

like crazy i don't know if they leasing

156

00:06:35,510 --> 00:06:32,319

out uh

157

00:06:36,629 --> 00:06:35,520

um to other entities or whatever uh to

158

00:06:39,270 --> 00:06:36,639

come and uh

159

00:06:40,309 --> 00:06:39,280

but sometimes they don't man a festival

160

00:06:42,790 --> 00:06:40,319

about me

161

00:06:43,350 --> 00:06:42,800

and i can catch them off guard sometimes

162

00:06:46,230 --> 00:06:43,360

when their

163

00:06:47,029 --> 00:06:46,240

new uh team coming in when i'm uh trying

164

00:06:49,110 --> 00:06:47,039

to capture

165

00:06:50,550 --> 00:06:49,120

pictures with them and stuff but one

166

00:06:53,029 --> 00:06:50,560

thing you'll never get used to

167

00:06:54,550 --> 00:06:53,039

is when you're laying in bed as soon as

168

00:06:55,510 --> 00:06:54,560

they think you're asleep they are

169

00:06:58,550 --> 00:06:55,520

impatient

170

00:06:59,749 --> 00:06:58,560

and uh they start coming out from all

171

00:07:02,790 --> 00:06:59,759

different directions

172

00:07:05,909 --> 00:07:02,800

and they look like black shadows

173

00:07:07,350 --> 00:07:05,919

and uh you lay those eyes squinting and

174

00:07:08,309 --> 00:07:07,360

then they start touching you and

175

00:07:11,670 --> 00:07:08,319

everything else is

176

00:07:13,749 --> 00:07:11,680

uh i'll never get used to it i i guess

177

00:07:15,189 --> 00:07:13,759

that's one part i'll never get used to

178

00:07:16,710 --> 00:07:15,199

because

179

00:07:19,589 --> 00:07:16,720

shoot man you just don't get no sleep

180

00:07:23,110 --> 00:07:19,599

that way yeah oh i bet

181

00:07:26,390 --> 00:07:23,120

yeah i did yeah they wear me down

182

00:07:28,629 --> 00:07:26,400

so uh now the group that you originally

183

00:07:31,510 --> 00:07:28,639

started working with

184

00:07:32,950 --> 00:07:31,520

was uh a reptilian and and some graze

185

00:07:36,950 --> 00:07:32,960

right

186

00:07:38,469 --> 00:07:36,960

yeah correct yes but since that time

187

00:07:41,270 --> 00:07:38,479

there have been several other types of

188

00:07:44,790 --> 00:07:41,280

groups coming in there and as well as

189

00:07:47,589 --> 00:07:44,800

possible human hybrids right

190

00:07:48,390 --> 00:07:47,599

yeah yeah yeah lots of i've been dealing

191

00:07:52,070 --> 00:07:48,400

with a lot of

192

00:07:53,830 --> 00:07:52,080

uh seeing a lot of humans uh hybrids or

193

00:07:56,150 --> 00:07:53,840

or i mean some of them look a little

194

00:07:59,110 --> 00:07:56,160

messed up but uh

195

00:08:01,189 --> 00:07:59,120

uh and uh i've been giving actually

196

00:08:04,309 --> 00:08:01,199

photos of them too a little bit more

197

00:08:06,230 --> 00:08:04,319

um uh they uh

198

00:08:07,909 --> 00:08:06,240

you know i don't see too many of the

199

00:08:11,110 --> 00:08:07,919

grays here lately

200

00:08:12,230 --> 00:08:11,120

but uh they i think they're all tied in

201
00:08:15,350 --> 00:08:12,240
together i think the

202
00:08:16,070 --> 00:08:15,360
reptilians the greys the the other

203
00:08:18,150 --> 00:08:16,080
entities

204
00:08:19,670 --> 00:08:18,160
that the i guess what i call the mole

205
00:08:20,309 --> 00:08:19,680
people i haven't seen them in a while

206
00:08:22,869 --> 00:08:20,319
but they have

207
00:08:24,830 --> 00:08:22,879
really big hands i don't know how to get

208
00:08:26,629 --> 00:08:24,840
anything done with hands like that but

209
00:08:30,790 --> 00:08:26,639
uh

210
00:08:31,589 --> 00:08:30,800
different entities and they do wear

211
00:08:33,990 --> 00:08:31,599
costumes

212
00:08:35,350 --> 00:08:34,000
and a lot of people just like get mad

213
00:08:37,190 --> 00:08:35,360

because i say that i'm

214

00:08:38,790 --> 00:08:37,200

sorry they do and it's like why would

215

00:08:40,550 --> 00:08:38,800

they wear costumes

216

00:08:42,630 --> 00:08:40,560

i'm sure there's several reasons because

217

00:08:43,990 --> 00:08:42,640

maybe sometime in the future

218

00:08:46,470 --> 00:08:44,000

and maybe we're going to meet up with

219

00:08:48,070 --> 00:08:46,480

them it's going to be unavoidable

220

00:08:49,509 --> 00:08:48,080

especially with the new quantum computer

221

00:08:50,230 --> 00:08:49,519

and everything else we've got going on

222

00:08:54,150 --> 00:08:50,240

it's going to

223

00:08:55,030 --> 00:08:54,160

they're here uh so we're gonna have to

224

00:08:57,670 --> 00:08:55,040

face one day

225

00:08:59,590 --> 00:08:57,680

and so their identity will be hidden

226

00:09:02,470 --> 00:08:59,600

from the costumes if i get photos of

227

00:09:04,630 --> 00:09:02,480

them plus uh they try to look scary

228

00:09:05,509 --> 00:09:04,640

to scare people off so they'll go run

229

00:09:07,350 --> 00:09:05,519

another way

230

00:09:08,870 --> 00:09:07,360

say i seen a ghost or a monster or

231

00:09:11,509 --> 00:09:08,880

something like that

232

00:09:12,389 --> 00:09:11,519

but uh yeah the costumes are pretty

233

00:09:15,590 --> 00:09:12,399

poorly done

234

00:09:18,550 --> 00:09:15,600

in my opinion so but uh for a long time

235

00:09:21,910 --> 00:09:19,990

them what they look like or if it was

236

00:09:23,590 --> 00:09:21,920

their costumes but

237

00:09:26,150 --> 00:09:23,600

these costumes a lot of them that they

238

00:09:29,190 --> 00:09:26,160

were so

239

00:09:32,710 --> 00:09:29,200

very strange right

240

00:09:33,350 --> 00:09:32,720

now uh for people who aren't familiar

241

00:09:36,630 --> 00:09:33,360

with you

242

00:09:40,470 --> 00:09:36,640

um you first moved down to

243

00:09:42,630 --> 00:09:40,480

uh the gulf breeze pensacola area back

244

00:09:44,710 --> 00:09:42,640

in 89 right

245

00:09:47,350 --> 00:09:44,720

so somewhere around the the dates always

246

00:09:49,990 --> 00:09:47,360

elude me somewhere around that line yes

247

00:09:51,829 --> 00:09:50,000

yeah your first encounter was happened

248

00:09:53,269 --> 00:09:51,839

not too long after you got down there

249

00:09:55,670 --> 00:09:53,279

isn't that correct

250

00:09:56,550 --> 00:09:55,680

that's correct yes uh we was going

251
00:09:59,750 --> 00:09:56,560
camping

252
00:10:00,870 --> 00:09:59,760
uh and and uh one of my buddies he was a

253
00:10:04,069 --> 00:10:00,880
native of uh

254
00:10:04,630 --> 00:10:04,079
golf breeze and uh he knew where a pond

255
00:10:07,030 --> 00:10:04,640
was at

256
00:10:09,509 --> 00:10:07,040
out in some woods and uh in a it was an

257
00:10:11,350 --> 00:10:09,519
island on a pond too and uh

258
00:10:12,550 --> 00:10:11,360
let's go check it out you know me and my

259
00:10:15,350 --> 00:10:12,560
other buddy bob

260
00:10:17,030 --> 00:10:15,360
and then uh he's out there trail riding

261
00:10:18,470 --> 00:10:17,040
his toyota corolla going through some

262
00:10:20,870 --> 00:10:18,480
trails and uh

263
00:10:21,910 --> 00:10:20,880

he finally stops and then i was sitting

264

00:10:23,430 --> 00:10:21,920

in the back seat

265

00:10:25,269 --> 00:10:23,440

and then i seen something going across

266

00:10:27,590 --> 00:10:25,279

the tops of the trees

267

00:10:29,269 --> 00:10:27,600

i said hey guys look it's a ufo i was

268

00:10:30,870 --> 00:10:29,279

just kidding i was

269

00:10:32,870 --> 00:10:30,880

looked strange i didn't know what it was

270

00:10:34,870 --> 00:10:32,880

but it uh

271

00:10:36,150 --> 00:10:34,880

last thing and then you know we all

272

00:10:36,470 --> 00:10:36,160

laughed it off and got out of the car

273

00:10:38,790 --> 00:10:36,480

and

274

00:10:39,829 --> 00:10:38,800

we followed our buddy through the woods

275

00:10:42,150 --> 00:10:39,839

to a trail

276

00:10:43,269 --> 00:10:42,160

which maybe it wasn't a trail but

277

00:10:44,470 --> 00:10:43,279

because we was

278

00:10:47,509 --> 00:10:44,480

going through a bunch of briars and

279

00:10:48,069 --> 00:10:47,519

stuff but uh anyways we ended up to a

280

00:10:49,670 --> 00:10:48,079

clearing

281

00:10:51,110 --> 00:10:49,680

around the pond i had a bunch of pine

282

00:10:54,150 --> 00:10:51,120

straw and pine trees

283

00:10:55,829 --> 00:10:54,160

pretty pretty pretty sight and then uh

284

00:10:57,430 --> 00:10:55,839

we started gathering wood and stuff and

285

00:10:58,310 --> 00:10:57,440

i kept noticing the lights out in the

286

00:11:01,829 --> 00:10:58,320

woods

287

00:11:03,670 --> 00:11:01,839

up in the distance and it uh i thought

288

00:11:05,509 --> 00:11:03,680

maybe uh it could be the police out

289

00:11:07,590 --> 00:11:05,519

there or some other kids and

290

00:11:08,630 --> 00:11:07,600

or something strange if my buddy phillip

291

00:11:09,829 --> 00:11:08,640

he says uh

292

00:11:11,670 --> 00:11:09,839

people coming out here all the time

293

00:11:13,990 --> 00:11:11,680

don't worry about it it's okay so

294

00:11:15,990 --> 00:11:14,000

gather some more firewood and the thing

295

00:11:18,949 --> 00:11:16,000

got closer and then i realized that

296

00:11:20,550 --> 00:11:18,959

it's not a human it's it's too high to

297

00:11:34,230 --> 00:11:20,560

be up in the air to be human and then

298

00:11:37,350 --> 00:11:36,630

i think damn it might have froze an orb

299

00:11:42,310 --> 00:11:37,360

of light

300

00:11:44,790 --> 00:11:42,320

yeah yeah it was an orb

301
00:11:45,590 --> 00:11:44,800
uh did you lose me oh you're all right

302
00:11:47,990 --> 00:11:45,600
you came back

303
00:11:49,590 --> 00:11:48,000
okay well what it was like an orb of

304
00:11:52,629 --> 00:11:49,600
light or something and then uh

305
00:11:55,670 --> 00:11:52,639
about the size of a softball and uh

306
00:11:57,829 --> 00:11:55,680
a little red uh looked like a led

307
00:11:59,190 --> 00:11:57,839
light that would orbit around it on the

308
00:12:02,550 --> 00:11:59,200
in the middle of it on the

309
00:12:04,069 --> 00:12:02,560
equator of it and uh every time i get up

310
00:12:05,670 --> 00:12:04,079
close to it flashed in the eyes like it

311
00:12:07,509 --> 00:12:05,680
was taking my picture

312
00:12:09,190 --> 00:12:07,519
and uh you know take off again but you

313
00:12:10,069 --> 00:12:09,200

can't see nothing for a minute or so

314

00:12:13,030 --> 00:12:10,079

until you get your

315

00:12:14,550 --> 00:12:13,040

eye vision back and uh i see cruising

316

00:12:15,670 --> 00:12:14,560

through the trees it was zig-zagging

317

00:12:18,230 --> 00:12:15,680

through them

318

00:12:18,870 --> 00:12:18,240

and uh i thought it was a remote control

319

00:12:20,389 --> 00:12:18,880

somebody's

320

00:12:22,230 --> 00:12:20,399

remote controlling i didn't know what it

321

00:12:24,310 --> 00:12:22,240

was but i was gonna find out

322

00:12:26,230 --> 00:12:24,320

no matter what and so i went chasing

323

00:12:27,590 --> 00:12:26,240

after it again over and over

324

00:12:29,030 --> 00:12:27,600

the time we'd do that but i couldn't

325

00:12:30,550 --> 00:12:29,040

bring myself to touch it when i get up

326

00:12:32,470 --> 00:12:30,560

really close to it

327

00:12:33,910 --> 00:12:32,480

uh i didn't know if it was going to

328

00:12:34,230 --> 00:12:33,920

electrocute me or what it was going to

329

00:12:37,030 --> 00:12:34,240

do

330

00:12:37,990 --> 00:12:37,040

so but it finally went into the water

331

00:12:41,990 --> 00:12:38,000

and we lost it there

332

00:12:43,910 --> 00:12:42,000

and then my buddy uh fellas native he uh

333

00:12:45,990 --> 00:12:43,920

wanted to leave so let's get out of here

334

00:12:47,190 --> 00:12:46,000

you know okay so we walked down the

335

00:12:48,870 --> 00:12:47,200

trail

336

00:12:50,470 --> 00:12:48,880

trying to find out where the car was i

337

00:12:53,829 --> 00:12:50,480

had no idea where the car was but

338

00:12:56,150 --> 00:12:53,839

he might have had an idea but uh

339

00:12:56,870 --> 00:12:56,160

as i there was about 30 feet behind me

340

00:12:59,110 --> 00:12:56,880

and i was

341

00:13:00,629 --> 00:12:59,120

uh as i was walking explaining to him

342

00:13:01,030 --> 00:13:00,639

what this ball looked like this bald

343

00:13:03,110 --> 00:13:01,040

light

344

00:13:05,110 --> 00:13:03,120

and then uh outside i looked up and it

345

00:13:05,990 --> 00:13:05,120

was a entity he looked at me and i

346

00:13:09,030 --> 00:13:06,000

looked at him and he

347

00:13:11,430 --> 00:13:09,040

froze he stayed still for a second and

348

00:13:14,629 --> 00:13:11,440

i'm looking at it's like is that a deer

349

00:13:17,670 --> 00:13:14,639

is that an owl no it smells the mask on

350

00:13:17,910 --> 00:13:17,680

him and i yelled and it took off running

351

00:13:22,790 --> 00:13:17,920

and

352

00:13:25,190 --> 00:13:22,800

i caught up to him really quick

353

00:13:26,790 --> 00:13:25,200

i could clearly outrun him i had no

354

00:13:28,470 --> 00:13:26,800

problem at all and i was

355

00:13:30,069 --> 00:13:28,480

weird or not because he wasn't bending

356

00:13:32,710 --> 00:13:30,079

at the knees when he's running

357

00:13:34,790 --> 00:13:32,720

like running on his toes and i could see

358

00:13:36,710 --> 00:13:34,800

the back of his head and uh

359

00:13:38,470 --> 00:13:36,720

and the moonlight shining on it and uh i

360

00:13:41,110 --> 00:13:38,480

could smell him too

361

00:13:42,069 --> 00:13:41,120

uh and he smelled sort of like uh an

362

00:13:43,910 --> 00:13:42,079

ether smell

363

00:13:45,350 --> 00:13:43,920

it wasn't real potent just enough to

364

00:13:47,670 --> 00:13:45,360

break off of them

365

00:13:49,110 --> 00:13:47,680

and uh i could have tackled him i could

366

00:13:50,710 --> 00:13:49,120

have but i

367

00:13:53,350 --> 00:13:50,720

was he was running and i never seen

368

00:13:55,910 --> 00:13:53,360

nothing like that i did not know

369

00:13:56,710 --> 00:13:55,920

what it was or if i could get hurt or

370

00:13:58,389 --> 00:13:56,720

what

371

00:14:00,470 --> 00:13:58,399

so i just kind of slowed down i was just

372

00:14:02,150 --> 00:14:00,480

scaring it and uh

373

00:14:03,509 --> 00:14:02,160

and then my buddy bob was right behind

374

00:14:03,829 --> 00:14:03,519

me the whole time and he knew i would

375

00:14:04,790 --> 00:14:03,839

say

376

00:14:06,069 --> 00:14:04,800

something he could see it but he

377

00:14:07,509 --> 00:14:06,079

couldn't see as well as i do because i

378

00:14:10,150 --> 00:14:07,519

was right up on it

379

00:14:11,509 --> 00:14:10,160

and uh and he said which way did it go

380

00:14:13,750 --> 00:14:11,519

and then

381

00:14:14,870 --> 00:14:13,760

that way so we run around the bush and

382

00:14:17,269 --> 00:14:14,880

it's gone but

383

00:14:19,110 --> 00:14:17,279

everything i know now he's probably

384

00:14:21,430 --> 00:14:19,120

still there but he's probably closed

385

00:14:22,790 --> 00:14:21,440

uh they have a cloaking ability and uh

386

00:14:25,990 --> 00:14:22,800

and so there's their

387

00:14:28,710 --> 00:14:26,000

their crafts uh and

388

00:14:29,189 --> 00:14:28,720

personal cloaking that's uh it's pretty

389

00:14:30,629 --> 00:14:29,199

awesome

390

00:14:32,870 --> 00:14:30,639

that they can cloak like that but i've

391

00:14:36,069 --> 00:14:32,880

learned how to see through them

392

00:14:36,870 --> 00:14:36,079

so it took me years to do it but yeah

393

00:14:39,910 --> 00:14:36,880

i've learned it

394

00:14:41,430 --> 00:14:39,920

so anybody can do it so but

395

00:14:43,350 --> 00:14:41,440

anyway we went back to town we told

396

00:14:44,069 --> 00:14:43,360

everybody hey man we think we've seen an

397

00:14:45,750 --> 00:14:44,079

alien with

398

00:14:47,910 --> 00:14:45,760

not green you know it was like it was

399

00:14:50,310 --> 00:14:47,920

like oh come on guys you know

400

00:14:51,829 --> 00:14:50,320

and uh so we're serious but yeah that

401
00:14:53,990 --> 00:14:51,839
was a true story

402
00:14:55,430 --> 00:14:54,000
uh i can remember like it was yesterday

403
00:14:58,550 --> 00:14:55,440
so

404
00:15:01,509 --> 00:14:58,560
do you think that you were

405
00:15:02,949 --> 00:15:01,519
meant to see this thing and that it's

406
00:15:06,710 --> 00:15:02,959
related to what happened

407
00:15:07,269 --> 00:15:06,720
later on with you it could be that you

408
00:15:09,269 --> 00:15:07,279
know because

409
00:15:12,870 --> 00:15:09,279
i had strange things happen to us when

410
00:15:16,069 --> 00:15:12,880
was kids my sister reported uh uh

411
00:15:18,310 --> 00:15:16,079
i was being visited by some human

412
00:15:19,670 --> 00:15:18,320
type ufo people that came down and

413
00:15:20,790 --> 00:15:19,680

landed back me and my brother don't

414

00:15:22,629 --> 00:15:20,800

remember it

415

00:15:24,389 --> 00:15:22,639

but she remembers it and we pretty much

416

00:15:26,949 --> 00:15:24,399

beat her up for it you know but she

417

00:15:29,509 --> 00:15:26,959

stays to this day that they came and

418

00:15:31,189 --> 00:15:29,519

talked to us when he was kids and uh

419

00:15:33,030 --> 00:15:31,199

man and a woman i think that's what she

420

00:15:34,069 --> 00:15:33,040

said it was but uh i don't remember

421

00:15:36,230 --> 00:15:34,079

nothing

422

00:15:37,110 --> 00:15:36,240

and uh they came at night and then i was

423

00:15:39,110 --> 00:15:37,120

a little kid

424

00:15:40,629 --> 00:15:39,120

i was laying in my bunk bed during a

425

00:15:42,389 --> 00:15:40,639

thunderstorm

426

00:15:44,629 --> 00:15:42,399

and i kept hearing the tapping at the

427

00:15:46,870 --> 00:15:44,639

window my window was pretty high up

428

00:15:48,230 --> 00:15:46,880

and i was in the top bunk of my bunk bed

429

00:15:50,949 --> 00:15:48,240

the lighting would flash

430

00:15:52,710 --> 00:15:50,959

and i could see the thing that was out

431

00:15:53,430 --> 00:15:52,720

there he's calling my name so david let

432

00:15:58,949 --> 00:15:53,440

me in

433

00:16:00,870 --> 00:15:58,959

it looked like ernie to me like like

434

00:16:03,990 --> 00:16:00,880

from sesame street that's like

435

00:16:05,509 --> 00:16:04,000

so uh so i know i

436

00:16:08,389 --> 00:16:05,519

i just kept my head underneath the

437

00:16:10,550 --> 00:16:08,399

covers and i'm hoping to go away it did

438

00:16:11,509 --> 00:16:10,560

eventually so i went to sleep either or

439

00:16:14,710 --> 00:16:11,519

i can't remember

440

00:16:15,030 --> 00:16:14,720

that but you know we had experiences

441

00:16:16,870 --> 00:16:15,040

with

442

00:16:18,790 --> 00:16:16,880

what we could call ghosts or whatever

443

00:16:22,389 --> 00:16:18,800

was kids uh

444

00:16:23,829 --> 00:16:22,399

but but this is you know this is a

445

00:16:25,590 --> 00:16:23,839

totally different it could have been

446

00:16:27,350 --> 00:16:25,600

that they might have been interested by

447

00:16:28,310 --> 00:16:27,360

the hell i was chasing them in the first

448

00:16:31,030 --> 00:16:28,320

place

449

00:16:32,949 --> 00:16:31,040

yeah my because i think like two weeks

450

00:16:34,710 --> 00:16:32,959

after that i had like these really

451
00:16:36,389 --> 00:16:34,720
heavy-duty dreams and then something

452
00:16:37,110 --> 00:16:36,399
happened my buddy bob said something

453
00:16:40,069 --> 00:16:37,120
happened and

454
00:16:41,590 --> 00:16:40,079
uh and and i remember walking the street

455
00:16:44,150 --> 00:16:41,600
and there's a bunch of other people and

456
00:16:46,310 --> 00:16:44,160
i ended up in this baseball diamond

457
00:16:47,749 --> 00:16:46,320
and uh there was a craft sitting there

458
00:16:49,910 --> 00:16:47,759
one ed walters craft

459
00:16:51,590 --> 00:16:49,920
and i didn't know that craft because

460
00:16:53,350 --> 00:16:51,600
i've seen it but uh

461
00:16:54,550 --> 00:16:53,360
uh and i was walking around and sitting

462
00:16:55,430 --> 00:16:54,560
tapping on and trying to figure out what

463
00:16:57,910 --> 00:16:55,440

it's made out of

464

00:17:00,470 --> 00:16:57,920

and uh it opened up and i went inside

465

00:17:03,749 --> 00:17:00,480

and i was interrogated by some

466

00:17:05,350 --> 00:17:03,759

reptilians and so uh

467

00:17:06,949 --> 00:17:05,360

and it seemed like it was bigger inside

468

00:17:07,669 --> 00:17:06,959

and was on the outside i can't explain

469

00:17:11,189 --> 00:17:07,679

that neither

470

00:17:12,549 --> 00:17:11,199

but uh uh they interrogated me and at

471

00:17:16,789 --> 00:17:12,559

the very end they

472

00:17:20,630 --> 00:17:16,799

sent in a young female reptilian

473

00:17:22,390 --> 00:17:20,640

and she sat on my lap and uh and then

474

00:17:24,309 --> 00:17:22,400

i remember leaving but i don't remember

475

00:17:26,789 --> 00:17:24,319

getting back to the house

476

00:17:27,669 --> 00:17:26,799

i remember leaving the crafting hit left

477

00:17:29,029 --> 00:17:27,679

but uh

478

00:17:30,390 --> 00:17:29,039

i was just wondering why there's so many

479

00:17:33,350 --> 00:17:30,400

other people out there walking down the

480

00:17:35,750 --> 00:17:33,360

street too uh

481

00:17:37,669 --> 00:17:35,760

but there was maybe the there was three

482

00:17:39,510 --> 00:17:37,679

crafts that night there was uh three of

483

00:17:40,870 --> 00:17:39,520

them they all looked the same

484

00:17:43,909 --> 00:17:40,880

so maybe they went to the other ones i

485

00:17:45,110 --> 00:17:43,919

don't know but that was uh

486

00:17:47,110 --> 00:17:45,120

you know for the longest time i thought

487

00:17:50,390 --> 00:17:47,120

it was maybe a dream but no it's

488

00:17:52,549 --> 00:17:50,400

it was uh not a dream so there's too

489

00:17:55,110 --> 00:17:52,559

much coincidence but

490

00:17:55,990 --> 00:17:55,120

you know i you're the only person that i

491

00:17:59,110 --> 00:17:56,000

have

492

00:18:00,789 --> 00:17:59,120

ever talked to and maybe you know

493

00:18:02,310 --> 00:18:00,799

somebody but the only person i ever

494

00:18:05,029 --> 00:18:02,320

talked to

495

00:18:06,230 --> 00:18:05,039

who referenced ed walter the craft that

496

00:18:09,909 --> 00:18:06,240

ed walters saw

497

00:18:11,750 --> 00:18:09,919

in golf breeze that you also had an

498

00:18:13,510 --> 00:18:11,760

encounter with

499

00:18:14,950 --> 00:18:13,520

right i've seen it yeah there's three of

500

00:18:16,870 --> 00:18:14,960

them i've seen three of them i know

501
00:18:18,230 --> 00:18:16,880
somebody's got a video footage i had

502
00:18:20,470 --> 00:18:18,240
five of them going in and out of the

503
00:18:23,669 --> 00:18:20,480
water from the bob sites bridge

504
00:18:27,590 --> 00:18:23,679
on bhs and i guess uh nbc sent

505
00:18:31,590 --> 00:18:27,600
these guys a really nice

506
00:18:33,590 --> 00:18:31,600
cameras to get catch this stuff on video

507
00:18:35,669 --> 00:18:33,600
and uh and it was getting some pretty

508
00:18:37,430 --> 00:18:35,679
cool stuff uh you know that that stuff's

509
00:18:37,990 --> 00:18:37,440
on youtube some of the guys that are on

510
00:18:40,549 --> 00:18:38,000
there

511
00:18:42,070 --> 00:18:40,559
i met all of those guys and uh we did

512
00:18:44,549 --> 00:18:42,080
some trading on some stuff

513
00:18:46,310 --> 00:18:44,559

like like uh uh i went through a

514

00:18:48,150 --> 00:18:46,320

hypnotic regression to uh

515

00:18:49,510 --> 00:18:48,160

live that night out there in the woods

516

00:18:52,150 --> 00:18:49,520

and uh

517

00:18:52,710 --> 00:18:52,160

and just to see you know if i missed

518

00:18:54,950 --> 00:18:52,720

anything

519

00:18:57,350 --> 00:18:54,960

or if i would i saw where i really saw

520

00:18:59,110 --> 00:18:57,360

and if not a progression was really cool

521

00:19:01,350 --> 00:18:59,120

because i got to relive the whole

522

00:19:03,590 --> 00:19:01,360

thing through my eyes not as a bystander

523

00:19:06,870 --> 00:19:03,600

but to my own eyes and

524

00:19:09,510 --> 00:19:06,880

you know so i i didn't miss anything

525

00:19:09,990 --> 00:19:09,520

i i think i got it all i remember pretty

526

00:19:13,510 --> 00:19:10,000

well

527

00:19:14,710 --> 00:19:13,520

so uh because everybody was wondering

528

00:19:16,310 --> 00:19:14,720

something else might have happened when

529

00:19:19,080 --> 00:19:16,320

he was there or something i missed or

530

00:19:22,830 --> 00:19:19,090

anything i don't think i did so

531

00:19:28,470 --> 00:19:24,549

um

532

00:19:30,710 --> 00:19:28,480

you know people ask me a lot how i ever

533

00:19:32,070 --> 00:19:30,720

found you how we ever got in contact

534

00:19:35,029 --> 00:19:32,080

with you

535

00:19:35,270 --> 00:19:35,039

and now it's been over a decade but what

536

00:19:44,870 --> 00:19:35,280

i

537

00:19:49,190 --> 00:19:44,880

doorway

538

00:19:52,789 --> 00:19:49,200

and uh i saw you had put it online

539

00:19:53,270 --> 00:19:52,799

uh and you were i think you were trying

540

00:19:56,310 --> 00:19:53,280

to

541

00:20:00,070 --> 00:19:56,320

saw

542

00:20:03,510 --> 00:20:00,080

or whatever and i decided

543

00:20:06,310 --> 00:20:03,520

to give you a call or to contact you

544

00:20:08,230 --> 00:20:06,320

and that's kind of where it started at

545

00:20:12,310 --> 00:20:08,240

yeah

546

00:20:14,710 --> 00:20:12,320

kind of

547

00:20:18,630 --> 00:20:14,720

recollect that as well tell people what

548

00:20:24,549 --> 00:20:22,149

that video that that video right there

549

00:20:26,070 --> 00:20:24,559

was actually uh my camera takes 30

550

00:20:28,789 --> 00:20:26,080

frames a second

551
00:20:29,430 --> 00:20:28,799
okay that that's a low quality camera it

552
00:20:32,070 --> 00:20:29,440
really is

553
00:20:33,270 --> 00:20:32,080
compared to everything i know now but uh

554
00:20:36,630 --> 00:20:33,280
30 frames a second

555
00:20:37,669 --> 00:20:36,640
so and that happened in 15 frames of

556
00:20:46,310 --> 00:20:37,679
that

557
00:20:48,470 --> 00:20:46,320
and then uh uh uh my

558
00:20:49,510 --> 00:20:48,480
camera said that the video was corrupt

559
00:20:51,190 --> 00:20:49,520
and uh so i

560
00:20:52,870 --> 00:20:51,200
it gave me an option to rebuild the

561
00:20:55,909 --> 00:20:52,880
video and uh

562
00:20:56,390 --> 00:20:55,919
so uh i pushed go ahead you know go

563
00:20:58,149 --> 00:20:56,400

ahead and

564

00:20:59,590 --> 00:20:58,159

and i was taking them forever after i

565

00:21:01,110 --> 00:20:59,600

went ahead and went to work and by time

566

00:21:02,870 --> 00:21:01,120

i was getting home from work it was just

567

00:21:06,230 --> 00:21:02,880

finishing up

568

00:21:08,230 --> 00:21:06,240

and uh and it was uh uh

569

00:21:10,390 --> 00:21:08,240

so i unplugged it and i carried into my

570

00:21:13,029 --> 00:21:10,400

office and i plugged it into my computer

571

00:21:14,310 --> 00:21:13,039

and i had this program called wind dvd

572

00:21:17,270 --> 00:21:14,320

something like that

573

00:21:18,230 --> 00:21:17,280

and it goes into each frame for a second

574

00:21:20,390 --> 00:21:18,240

you know so

575

00:21:21,750 --> 00:21:20,400

uh so and i played through that and then

576

00:21:23,270 --> 00:21:21,760

the whole thing was blank

577

00:21:24,870 --> 00:21:23,280

blank all the way through and then i

578

00:21:25,750 --> 00:21:24,880

just kept running and fast forwarding

579

00:21:27,990 --> 00:21:25,760

all the way through and then all the

580

00:21:30,310 --> 00:21:28,000

time i seen a flash or something so

581

00:21:31,270 --> 00:21:30,320

i backed up and it took me a few minutes

582

00:21:34,470 --> 00:21:31,280

to find it but

583

00:21:35,990 --> 00:21:34,480

that showed up right there and uh and i

584

00:21:37,909 --> 00:21:36,000

did it frame by frame and i called my

585

00:21:38,390 --> 00:21:37,919

son down and showed it to him and he

586

00:21:40,470 --> 00:21:38,400

like

587

00:21:41,990 --> 00:21:40,480

tears coming to his eye he says no way

588

00:21:45,510 --> 00:21:42,000

he's like yes

589

00:21:47,669 --> 00:21:45,520

so but um put it out there and then uh

590

00:21:49,750 --> 00:21:47,679

you know uh it was out there for about a

591

00:21:50,149 --> 00:21:49,760

year and then uh then uh you got a hold

592

00:21:52,149 --> 00:21:50,159

of me

593

00:21:54,630 --> 00:21:52,159

and then um we talked about it and he

594

00:21:56,230 --> 00:21:54,640

says you said what is that that says

595

00:21:58,070 --> 00:21:56,240

say this is what you're seeing that's

596

00:21:58,950 --> 00:21:58,080

all i can tell you is it is what you're

597

00:22:01,830 --> 00:21:58,960

seeing

598

00:22:03,510 --> 00:22:01,840

so uh i i can't tell you what it is but

599

00:22:04,390 --> 00:22:03,520

we got all this stuff going on around

600

00:22:06,149 --> 00:22:04,400

the house

601
00:22:08,310 --> 00:22:06,159
and tell you the truth we i told the

602
00:22:10,149 --> 00:22:08,320
kids to keep all this stuff a secret for

603
00:22:11,669 --> 00:22:10,159
about 10 years so i figured out what was

604
00:22:12,870 --> 00:22:11,679
going on but first we thought it was

605
00:22:15,909 --> 00:22:12,880
something in the damn water

606
00:22:17,430 --> 00:22:15,919
if we just moved into this house and uh

607
00:22:19,190 --> 00:22:17,440
and uh and so i thought everybody put

608
00:22:20,789 --> 00:22:19,200
you in the bar we got all this filtering

609
00:22:23,110 --> 00:22:20,799
systems set up and

610
00:22:24,149 --> 00:22:23,120
high dollar high tech filtering water

611
00:22:26,789 --> 00:22:24,159
filter and

612
00:22:28,470 --> 00:22:26,799
still going on you know i was like so i

613
00:22:29,830 --> 00:22:28,480

just told my wife to ignore it and the

614

00:22:32,630 --> 00:22:29,840

kids i said man it's just the house

615

00:22:35,270 --> 00:22:32,640

making noises you know it's like but uh

616

00:22:36,470 --> 00:22:35,280

you know my uh wife got a polaroid

617

00:22:39,110 --> 00:22:36,480

picture of uh

618

00:22:39,990 --> 00:22:39,120

somebody looking in the bathroom window

619

00:22:41,270 --> 00:22:40,000

it was two stories

620

00:22:44,149 --> 00:22:41,280

up in the air and it looked like they're

621

00:22:45,430 --> 00:22:44,159

from like the flame boy and 30s you know

622

00:22:47,270 --> 00:22:45,440

dressed up like that but they looked

623

00:22:50,310 --> 00:22:47,280

really messed up looking and uh

624

00:22:52,230 --> 00:22:50,320

couldn't find out later because uh uh a

625

00:22:52,950 --> 00:22:52,240

portal was opened up to my bedroom the

626

00:22:55,669 --> 00:22:52,960

first time i've

627

00:22:56,470 --> 00:22:55,679

seen one opened up and i walked into my

628

00:22:57,990 --> 00:22:56,480

bedroom i was

629

00:22:59,830 --> 00:22:58,000

outside working on my truck in my pole

630

00:23:00,950 --> 00:22:59,840

barn and it was about 9 30 in the

631

00:23:03,110 --> 00:23:00,960

morning

632

00:23:04,789 --> 00:23:03,120

i walked in and right where my tv was

633

00:23:06,950 --> 00:23:04,799

there was a hole

634

00:23:08,470 --> 00:23:06,960

and i stopped and i backed up and i'm

635

00:23:10,070 --> 00:23:08,480

looking down i was heading into my

636

00:23:13,270 --> 00:23:10,080

bathroom and i looked inside of it

637

00:23:14,789 --> 00:23:13,280

and it looked like a big studio

638

00:23:16,390 --> 00:23:14,799

going on and had cameras down there and

639

00:23:17,990 --> 00:23:16,400

they had these guys

640

00:23:19,510 --> 00:23:18,000

the floor was painted where you could

641

00:23:21,270 --> 00:23:19,520

walk when you couldn't walk i could see

642

00:23:25,110 --> 00:23:21,280

the painted lines and everything and

643

00:23:27,029 --> 00:23:25,120

and across the there they had a room

644

00:23:29,270 --> 00:23:27,039

like every room in my house up in these

645

00:23:30,230 --> 00:23:29,280

cubicles all the way across me stacked

646

00:23:32,470 --> 00:23:30,240

up

647

00:23:33,750 --> 00:23:32,480

and uh buzzards were going off and

648

00:23:36,070 --> 00:23:33,760

everything else and they had the same

649

00:23:38,070 --> 00:23:36,080

people that my wife got a picture of

650

00:23:39,750 --> 00:23:38,080

dressed up like the flame boy and 30s

651
00:23:43,190 --> 00:23:39,760
and then uh

652
00:23:45,430 --> 00:23:43,200
uh and i'm like no way

653
00:23:47,269 --> 00:23:45,440
this is like and i was mad i was super

654
00:23:49,430 --> 00:23:47,279
mad because

655
00:23:50,630 --> 00:23:49,440
i started believing in ghosts and

656
00:23:51,590 --> 00:23:50,640
poultry guys because that's what i was

657
00:23:53,269 --> 00:23:51,600
thinking it was

658
00:23:55,350 --> 00:23:53,279
and uh yeah i got mad i just started

659
00:23:57,190 --> 00:23:55,360
yelling i said they're not ghosts do not

660
00:23:58,549 --> 00:23:57,200
ghosts everybody's like settle down

661
00:24:01,350 --> 00:23:58,559
settle down and say do not

662
00:24:02,870 --> 00:24:01,360
ghosts i'm telling you and uh but it

663
00:24:05,830 --> 00:24:02,880

didn't dawn on me that i was looking

664

00:24:06,390 --> 00:24:05,840

into a hole into a portal or whatever it

665

00:24:16,950 --> 00:24:06,400

was

666

00:24:18,549 --> 00:24:16,960

just like the first time they'd taken me

667

00:24:20,310 --> 00:24:18,559

and my wife that i could recall that

668

00:24:21,750 --> 00:24:20,320

they'd taken us that reading and talked

669

00:24:24,070 --> 00:24:21,760

about it the next morning

670

00:24:25,990 --> 00:24:24,080

and so i was halfway to work and and

671

00:24:28,789 --> 00:24:26,000

when we went to a portal we was

672

00:24:30,230 --> 00:24:28,799

fully awake and conscious and uh we was

673

00:24:32,470 --> 00:24:30,240

like limp biscuits but

674

00:24:34,870 --> 00:24:32,480

i think they i think they use your uh

675

00:24:38,470 --> 00:24:34,880

the neil gland in your brain

676

00:24:40,310 --> 00:24:38,480

uh as your own uh is to

677

00:24:41,990 --> 00:24:40,320

do what they do so yeah i think they

678

00:24:42,870 --> 00:24:42,000

cause like a near-death experience

679

00:24:45,350 --> 00:24:42,880

whatever

680

00:24:46,470 --> 00:24:45,360

you know what's going on but you just

681

00:24:49,510 --> 00:24:46,480

don't care

682

00:24:51,350 --> 00:24:49,520

you know so yeah and so you just kind of

683

00:24:52,630 --> 00:24:51,360

go with it but i could talk to my teeth

684

00:24:53,990 --> 00:24:52,640

she could talk to her teeth and i was

685

00:24:55,430 --> 00:24:54,000

like oh my god you feel that you see

686

00:24:56,230 --> 00:24:55,440

that what's going on and he's like yeah

687

00:24:58,470 --> 00:24:56,240

yeah

688

00:25:00,070 --> 00:24:58,480

and uh then they carried us through this

689

00:25:01,750 --> 00:25:00,080

portal stargate whatever you want to

690

00:25:03,990 --> 00:25:01,760

call it and uh

691

00:25:05,909 --> 00:25:04,000

they was they had military guys that was

692

00:25:07,830 --> 00:25:05,919

like

693

00:25:09,269 --> 00:25:07,840

on three of them on each side of us that

694

00:25:11,029 --> 00:25:09,279

they carrying this thing you hear them

695

00:25:12,789 --> 00:25:11,039

marching down through there

696

00:25:14,710 --> 00:25:12,799

and uh they were rushing us too it's

697

00:25:16,710 --> 00:25:14,720

like they did not like being it's like

698

00:25:18,230 --> 00:25:16,720

between a realm of their world and our

699

00:25:20,470 --> 00:25:18,240

world that's a

700

00:25:21,350 --> 00:25:20,480

did not like that realm uh whatever goes

701
00:25:23,909 --> 00:25:21,360
on in there

702
00:25:24,470 --> 00:25:23,919
but you know i got audio and stuff like

703
00:25:27,510 --> 00:25:24,480
that

704
00:25:29,269 --> 00:25:27,520
uh from some of these deductions too

705
00:25:31,110 --> 00:25:29,279
uh we have hear all kinds of animal

706
00:25:33,669 --> 00:25:31,120
noises and uh

707
00:25:35,269 --> 00:25:33,679
i i gotta get that to you i'm gonna have

708
00:25:37,029 --> 00:25:35,279
to download it to get it to you

709
00:25:38,950 --> 00:25:37,039
i guess again because they pulled it off

710
00:25:41,750 --> 00:25:38,960
youtube didn't they

711
00:25:42,870 --> 00:25:41,760
yeah yeah i don't know who did that or

712
00:25:46,310 --> 00:25:42,880
anything like that yeah i

713
00:25:48,950 --> 00:25:46,320

uh i had all those uh oh my god

714

00:25:50,470 --> 00:25:48,960

i had almost an hour or more worth of

715

00:25:53,350 --> 00:25:50,480

video

716

00:25:55,750 --> 00:25:53,360

of the uh all the sounds and everything

717

00:25:57,269 --> 00:25:55,760

that was going on in your bedroom

718

00:25:59,750 --> 00:25:57,279

because you used to use the strobe

719

00:26:02,950 --> 00:25:59,760

lights and such out there

720

00:26:05,990 --> 00:26:02,960

and i mean it was amazing

721

00:26:09,110 --> 00:26:06,000

and somebody took it off

722

00:26:10,310 --> 00:26:09,120

it was just removed somehow and youtube

723

00:26:13,590 --> 00:26:10,320

can never give me an

724

00:26:15,269 --> 00:26:13,600

explanation as to what happened uh if

725

00:26:17,510 --> 00:26:15,279

you've got those videos

726

00:26:18,710 --> 00:26:17,520

i'd like to really get put them back up

727

00:26:21,590 --> 00:26:18,720

somehow

728

00:26:22,390 --> 00:26:21,600

yeah i i i don't know my google drive i

729

00:26:24,230 --> 00:26:22,400

i have

730

00:26:25,669 --> 00:26:24,240

part of it downloaded on there and i

731

00:26:26,310 --> 00:26:25,679

thought i sent you a link on that too

732

00:26:27,590 --> 00:26:26,320

but uh

733

00:26:30,310 --> 00:26:27,600

something i don't know why i can't give

734

00:26:31,990 --> 00:26:30,320

it to you but uh

735

00:26:34,070 --> 00:26:32,000

i'm gonna get so i'm gonna i'm gonna

736

00:26:36,950 --> 00:26:34,080

send it to you electronically maybe get

737

00:26:38,070 --> 00:26:36,960

the whole thing so it might take a while

738

00:26:39,750 --> 00:26:38,080

to do but uh

739

00:26:41,110 --> 00:26:39,760

i mean to get it to you that way but a

740

00:26:42,950 --> 00:26:41,120

day or so

741

00:26:44,470 --> 00:26:42,960

but i'm gonna do that for you too yeah

742

00:26:47,750 --> 00:26:44,480

so you put that back up or

743

00:26:49,190 --> 00:26:47,760

whatever so sure yeah that'd be great we

744

00:26:51,110 --> 00:26:49,200

could put the whole thing back all of

745

00:26:51,669 --> 00:26:51,120

them but we can't get them put it back

746

00:26:54,950 --> 00:26:51,679

on

747

00:26:57,750 --> 00:26:54,960

that'd be great

748

00:26:58,310 --> 00:26:57,760

i have a guy that says you can take off

749

00:27:02,230 --> 00:26:58,320

the

750

00:27:05,190 --> 00:27:02,240

cleared it up even more

751
00:27:06,149 --> 00:27:05,200
that's an annoying hell but i know but

752
00:27:10,149 --> 00:27:06,159
uh

753
00:27:12,710 --> 00:27:10,159
yeah well i tell you now

754
00:27:13,430 --> 00:27:12,720
from what i remember you uh when you

755
00:27:16,950 --> 00:27:13,440
looked down

756
00:27:18,470 --> 00:27:16,960
into the open portal and then you

757
00:27:21,510 --> 00:27:18,480
eventually were taken

758
00:27:24,789 --> 00:27:21,520
to this area that you described

759
00:27:27,590 --> 00:27:24,799
as an underground cavern huge

760
00:27:29,830 --> 00:27:27,600
underground cavern and these reptilians

761
00:27:30,870 --> 00:27:29,840
seem to inhabit the area but they also

762
00:27:34,149 --> 00:27:30,880
had

763
00:27:35,269 --> 00:27:34,159

slave labor which consisted of other

764

00:27:38,870 --> 00:27:35,279

alien beings

765

00:27:41,510 --> 00:27:38,880

plus humans correct yeah yeah

766

00:27:42,950 --> 00:27:41,520

uh that was one of the times i was uh i

767

00:27:43,669 --> 00:27:42,960

was laying in bed pretending i was

768

00:27:46,070 --> 00:27:43,679

asleep

769

00:27:48,310 --> 00:27:46,080

and uh and the the creatures of habit

770

00:27:50,549 --> 00:27:48,320

that they're uh predictable

771

00:27:51,990 --> 00:27:50,559

so uh uh i lay there pretend like i'm

772

00:27:53,590 --> 00:27:52,000

asleep and it don't take them long they

773

00:27:56,070 --> 00:27:53,600

come in and they don't send the best of

774

00:27:59,909 --> 00:27:56,080

the best to always come in and get me

775

00:28:02,389 --> 00:27:59,919

so uh they come in uh and that'd be up

776

00:28:03,590 --> 00:28:02,399

and uh and i just pretend i'm asleep the

777

00:28:05,350 --> 00:28:03,600

whole time and we go through

778

00:28:06,470 --> 00:28:05,360

the whole process again and you can feel

779

00:28:08,389 --> 00:28:06,480

them when they're picking up and you're

780

00:28:10,630 --> 00:28:08,399

moving and everything else it's uh

781

00:28:12,149 --> 00:28:10,640

you're swaying back and forth and you

782

00:28:12,789 --> 00:28:12,159

can hear them talking back and forth and

783

00:28:14,710 --> 00:28:12,799

uh yeah

784

00:28:16,549 --> 00:28:14,720

they've taken me to this one spot they

785

00:28:17,029 --> 00:28:16,559

sometimes wrap me up in this like yellow

786

00:28:19,350 --> 00:28:17,039

looking

787

00:28:22,230 --> 00:28:19,360

cellophane stuff i don't know if there's

788

00:28:24,470 --> 00:28:22,240

like scared of germs or whatever but uh

789

00:28:27,029 --> 00:28:24,480

and then they uh would take me in and

790

00:28:29,190 --> 00:28:27,039

then they put me in this like a

791

00:28:30,149 --> 00:28:29,200

gurney or whatever with like a plastic

792

00:28:31,909 --> 00:28:30,159

uh

793

00:28:33,430 --> 00:28:31,919

taste going around it and that they've

794

00:28:35,510 --> 00:28:33,440

taken me down

795

00:28:36,710 --> 00:28:35,520

uh even further and then now i've been

796

00:28:39,909 --> 00:28:36,720

ended up in this

797

00:28:41,110 --> 00:28:39,919

cavern oh my god it was huge it's just

798

00:28:43,750 --> 00:28:41,120

huge

799

00:28:45,350 --> 00:28:43,760

and uh there's reptilian families down

800

00:28:45,990 --> 00:28:45,360

there they had the kids with them

801
00:28:48,230 --> 00:28:46,000
there's like

802
00:28:49,190 --> 00:28:48,240
uh carvings to the side of the walls

803
00:28:51,269 --> 00:28:49,200
they had like uh

804
00:28:53,350 --> 00:28:51,279
some stores and stuff like that i mean

805
00:28:57,190 --> 00:28:53,360
we live way better than they do

806
00:28:58,789 --> 00:28:57,200
uh and uh they uh

807
00:29:00,230 --> 00:28:58,799
they they really like their kids you

808
00:29:02,310 --> 00:29:00,240
know i heard a lot of people call it say

809
00:29:05,029 --> 00:29:02,320
these guys are demons you know i'm not

810
00:29:05,669 --> 00:29:05,039
you know like they love their kids i

811
00:29:08,389 --> 00:29:05,679
swear

812
00:29:09,430 --> 00:29:08,399
they love their kids and uh they do

813
00:29:11,750 --> 00:29:09,440

anything for them

814

00:29:12,549 --> 00:29:11,760

that's their future i guess but they

815

00:29:13,990 --> 00:29:12,559

seem like they

816

00:29:15,830 --> 00:29:14,000

pay more attention to their children

817

00:29:16,710 --> 00:29:15,840

than humans pay attention to their

818

00:29:19,269 --> 00:29:16,720

children

819

00:29:20,070 --> 00:29:19,279

which is uh very amazing it's uh because

820

00:29:21,190 --> 00:29:20,080

you think

821

00:29:22,710 --> 00:29:21,200

you just wouldn't think that because

822

00:29:25,110 --> 00:29:22,720

it's cold bloody because yes and they

823

00:29:27,590 --> 00:29:25,120

are cold to the touch

824

00:29:28,230 --> 00:29:27,600

yeah like a real chilly feeling like

825

00:29:30,630 --> 00:29:28,240

like if you

826

00:29:31,269 --> 00:29:30,640

had a a snake on you if you ever called

827

00:29:33,510 --> 00:29:31,279

a snake

828

00:29:34,710 --> 00:29:33,520

that's what it feels like they are cold

829

00:29:36,950 --> 00:29:34,720

blooded

830

00:29:38,789 --> 00:29:36,960

and uh and they do homeschool the

831

00:29:41,590 --> 00:29:38,799

children but uh yeah and they have

832

00:29:42,389 --> 00:29:41,600

bullet trains down there uh like on a

833

00:29:44,950 --> 00:29:42,399

mag rail

834

00:29:46,549 --> 00:29:44,960

you know and they have like uh train

835

00:29:48,789 --> 00:29:46,559

tracks on there for like uh

836

00:29:50,310 --> 00:29:48,799

like subway cars and stuff seeing

837

00:29:51,990 --> 00:29:50,320

something down there like uh

838

00:29:53,669 --> 00:29:52,000

doesn't look like from maybe the 80s or

839

00:29:56,310 --> 00:29:53,679

something they had no blast in it at all

840

00:29:59,269 --> 00:29:56,320

but it was transporting workers around

841

00:30:00,950 --> 00:29:59,279

uh down there and they have artwork uh

842

00:30:02,870 --> 00:30:00,960

carved into the stone

843

00:30:05,430 --> 00:30:02,880

oh my god just some of the hardwood

844

00:30:08,710 --> 00:30:05,440

carvings of stone is just amazing

845

00:30:10,710 --> 00:30:08,720

but uh and then uh uh

846

00:30:11,750 --> 00:30:10,720

i've been out let me tell you about this

847

00:30:14,230 --> 00:30:11,760

one time

848

00:30:14,950 --> 00:30:14,240

they they don't pick me up and and uh i

849

00:30:16,789 --> 00:30:14,960

was

850

00:30:18,950 --> 00:30:16,799

i woke up right in the middle of it and

851

00:30:20,710 --> 00:30:18,960

i was on this train car

852

00:30:22,710 --> 00:30:20,720

uh i could hear the clicking noise and

853

00:30:24,389 --> 00:30:22,720

it was hot i mean it was hot i couldn't

854

00:30:25,909 --> 00:30:24,399

breathe you know that dry mouth and

855

00:30:27,909 --> 00:30:25,919

everything it was just

856

00:30:29,590 --> 00:30:27,919

hot and uh there was two reptilian

857

00:30:30,149 --> 00:30:29,600

females in front of me and there's this

858

00:30:33,269 --> 00:30:30,159

guy

859

00:30:34,950 --> 00:30:33,279

and his black boxers on kind of

860

00:30:37,269 --> 00:30:34,960

kind of style kind of beat up a little

861

00:30:39,430 --> 00:30:37,279

bit and he was drooling on my shoulder

862

00:30:41,110 --> 00:30:39,440

so i pushed him off of me and uh and i'm

863

00:30:42,389 --> 00:30:41,120

looking at the females in front of me

864

00:30:43,350 --> 00:30:42,399

and they're talking about the guy next

865

00:30:45,830 --> 00:30:43,360

to me

866

00:30:47,669 --> 00:30:45,840

and i stood up and uh i said where we

867

00:30:48,470 --> 00:30:47,679

going and somebody behind me i didn't

868

00:30:51,430 --> 00:30:48,480

see who it was

869

00:30:53,269 --> 00:30:51,440

they sat my butt right back down but uh

870

00:30:54,470 --> 00:30:53,279

i don't remember much after that neither

871

00:30:55,750 --> 00:30:54,480

so but uh

872

00:30:57,509 --> 00:30:55,760

that was going on but you heard the

873

00:30:59,029 --> 00:30:57,519

clicking was on like a rail car

874

00:31:01,269 --> 00:30:59,039

or something like that you hear the

875

00:31:01,750 --> 00:31:01,279

clicking going on but it was definitely

876

00:31:03,590 --> 00:31:01,760

high

877

00:31:05,190 --> 00:31:03,600

but i don't know the guy was next to me

878

00:31:07,750 --> 00:31:05,200

neither so

879

00:31:09,350 --> 00:31:07,760

but uh i i i don't know if i ever told

880

00:31:12,230 --> 00:31:09,360

you that story right there but

881

00:31:13,029 --> 00:31:12,240

yeah anyway well you know you can

882

00:31:15,190 --> 00:31:13,039

imagine

883

00:31:16,389 --> 00:31:15,200

now i'm talk i started talking to you

884

00:31:20,389 --> 00:31:16,399

about

885

00:31:22,470 --> 00:31:20,399

for and we talked almost every day for

886

00:31:23,990 --> 00:31:22,480

for a good long time yeah yeah a year

887

00:31:26,630 --> 00:31:24,000

maybe a year

888

00:31:28,710 --> 00:31:26,640

and uh you're telling me all about this

889

00:31:31,509 --> 00:31:28,720

and you know i'm thinking

890

00:31:33,590 --> 00:31:31,519

what the hell is going on with this guy

891

00:31:37,110 --> 00:31:33,600

you know because first of all

892

00:31:40,149 --> 00:31:37,120

i thought maybe you were having

893

00:31:43,190 --> 00:31:40,159

either spirit activity or something else

894

00:31:46,630 --> 00:31:43,200

going on and uh

895

00:31:47,590 --> 00:31:46,640

but as time went on and as i started

896

00:31:50,470 --> 00:31:47,600

seeing

897

00:31:51,110 --> 00:31:50,480

some of the evidence you were collecting

898

00:31:52,710 --> 00:31:51,120

uh

899

00:31:54,710 --> 00:31:52,720

some of the videos and of course some of

900

00:31:57,909 --> 00:31:54,720

the other things that were

901
00:31:59,509 --> 00:31:57,919
showing up well i mean you know you

902
00:32:01,430 --> 00:31:59,519
it was it was obvious to me that you

903
00:32:05,590 --> 00:32:01,440
were not faking this

904
00:32:10,630 --> 00:32:05,600
and uh uh you know it's it's interesting

905
00:32:13,269 --> 00:32:10,640
uh of course they they were taking you

906
00:32:15,029 --> 00:32:13,279
and your family but they you they never

907
00:32:18,389 --> 00:32:15,039
kept you and your families together

908
00:32:20,070 --> 00:32:18,399
and uh they kind of showed you around

909
00:32:22,310 --> 00:32:20,080
the place this reptilian

910
00:32:23,990 --> 00:32:22,320
who who a matter of fact didn't like you

911
00:32:25,590 --> 00:32:24,000
he said he didn't he said he did not

912
00:32:32,310 --> 00:32:25,600
like humans

913
00:32:34,070 --> 00:32:32,320

spoke english as well didn't it yeah a

914

00:32:35,509 --> 00:32:34,080

lot of them speak english uh even in

915

00:32:38,310 --> 00:32:35,519

some of the grades uh

916

00:32:39,110 --> 00:32:38,320

they was uh speaking english too it's

917

00:32:42,630 --> 00:32:39,120

like

918

00:32:43,990 --> 00:32:42,640

i i they they do telekinesis not

919

00:32:46,630 --> 00:32:44,000

telekinesis but uh

920

00:32:47,430 --> 00:32:46,640

uh telepathic their mind reading or

921

00:32:49,990 --> 00:32:47,440

whatever

922

00:32:50,789 --> 00:32:50,000

you know and but it's not they're not

923

00:32:52,950 --> 00:32:50,799

always right

924

00:32:54,870 --> 00:32:52,960

because uh yeah because they'd be trying

925

00:32:56,789 --> 00:32:54,880

to talk about what i was thinking i

926

00:32:58,950 --> 00:32:56,799

could hear over here i'm talking

927

00:33:00,549 --> 00:32:58,960

and uh they did it partially right but

928

00:33:02,950 --> 00:33:00,559

not all the way right you know

929

00:33:03,830 --> 00:33:02,960

uh i don't know if they you know if

930

00:33:05,269 --> 00:33:03,840

you're putting

931

00:33:07,990 --> 00:33:05,279

i believe these guys are from the fourth

932

00:33:09,269 --> 00:33:08,000

dimension uh i i really do

933

00:33:10,789 --> 00:33:09,279

because if you're for the fourth

934

00:33:12,630 --> 00:33:10,799

dimension you would be able to read

935

00:33:13,990 --> 00:33:12,640

people's minds you go see the auras

936

00:33:16,710 --> 00:33:14,000

you'll be able to see

937

00:33:18,310 --> 00:33:16,720

and uh read things and see portal

938

00:33:19,590 --> 00:33:18,320

natural portals and stargates and

939

00:33:21,669 --> 00:33:19,600

everything else that

940

00:33:23,430 --> 00:33:21,679

uh and that technology is like totally

941

00:33:26,470 --> 00:33:23,440

different from ours but

942

00:33:28,789 --> 00:33:26,480

they're not so far-fetched but uh and

943

00:33:29,590 --> 00:33:28,799

so i think i think that they're from the

944

00:33:31,269 --> 00:33:29,600

fourth dimension

945

00:33:32,630 --> 00:33:31,279

because you'd have to think and see

946

00:33:35,590 --> 00:33:32,640

things the way they do

947

00:33:36,470 --> 00:33:35,600

in order to to develop this technology

948

00:33:39,029 --> 00:33:36,480

and uh

949

00:33:40,149 --> 00:33:39,039

and to see this portal to stargate i

950

00:33:41,830 --> 00:33:40,159

think they're all around us

951

00:33:45,110 --> 00:33:41,840

uh the portals and stuff like that we

952

00:33:48,630 --> 00:33:46,789

i think the best place to look for these

953

00:33:50,310 --> 00:33:48,640

portals is where you got a lot of iron

954

00:33:51,990 --> 00:33:50,320

content in the soil

955

00:33:53,990 --> 00:33:52,000

it'd be the best places to look for

956

00:33:55,430 --> 00:33:54,000

these uh portals uh i guess there's one

957

00:33:58,549 --> 00:33:55,440

in murphy's wash in uh

958

00:33:59,509 --> 00:33:58,559

arizona you got the uh portal of uh lake

959

00:34:02,710 --> 00:33:59,519

titicaca

960

00:34:04,470 --> 00:34:02,720

uh i i think the i think they're all

961

00:34:06,630 --> 00:34:04,480

over the place that you just gotta know

962

00:34:08,470 --> 00:34:06,640

how to access them vibrate at the

963

00:34:11,109 --> 00:34:08,480

frequency to get to

964

00:34:12,389 --> 00:34:11,119

the other side but i've never been able

965

00:34:15,589 --> 00:34:12,399

to walk into one

966

00:34:17,829 --> 00:34:15,599

by myself they've always taken me and uh

967

00:34:21,030 --> 00:34:17,839

yes i do vibrate when they take me

968

00:34:23,190 --> 00:34:21,040

and i've only run out run out of one by

969

00:34:25,430 --> 00:34:23,200

myself i run out but i've never

970

00:34:27,589 --> 00:34:25,440

been able to run in or go in it because

971

00:34:29,109 --> 00:34:27,599

i waited i waited for them to start to

972

00:34:31,190 --> 00:34:29,119

open it up and go through

973

00:34:32,869 --> 00:34:31,200

i tried and i i hit a dead end every

974

00:34:34,790 --> 00:34:32,879

time so but

975

00:34:36,470 --> 00:34:34,800

uh sometimes you can watch it going on

976
00:34:38,470 --> 00:34:36,480
and stuff i got

977
00:34:39,750 --> 00:34:38,480
yeah i got so many pictures inside the

978
00:34:41,990 --> 00:34:39,760
portals and uh

979
00:34:43,990 --> 00:34:42,000
and and i got so many pictures of uh

980
00:34:45,109 --> 00:34:44,000
outside of them with them coming in the

981
00:34:48,550 --> 00:34:45,119
room

982
00:34:49,669 --> 00:34:48,560
yeah yeah i even got video footage of

983
00:34:52,389 --> 00:34:49,679
what they look like

984
00:34:53,909 --> 00:34:52,399
without any enhancements that i use so

985
00:34:55,510 --> 00:34:53,919
so everybody can see

986
00:34:57,190 --> 00:34:55,520
that which way do you want to look at it

987
00:34:58,550 --> 00:34:57,200
this way or this way so

988
00:35:00,069 --> 00:34:58,560

well we're going to be showing we're

989

00:35:01,030 --> 00:35:00,079

going to be sharing a bunch of these

990

00:35:03,030 --> 00:35:01,040

images

991

00:35:05,109 --> 00:35:03,040

uh i did i did want to state one thing

992

00:35:07,190 --> 00:35:05,119

you know my my theory on this portal

993

00:35:09,349 --> 00:35:07,200

entry thing is um

994

00:35:10,790 --> 00:35:09,359

that they've got to equalize your

995

00:35:14,150 --> 00:35:10,800

vibration with

996

00:35:17,990 --> 00:35:14,160

what the portal vibration is uh

997

00:35:20,630 --> 00:35:18,000

as far as maybe molecular

998

00:35:22,069 --> 00:35:20,640

i don't know sync synchronicity you know

999

00:35:24,950 --> 00:35:22,079

syncing it somehow

1000

00:35:26,710 --> 00:35:24,960

so you can get through there right you

1001
00:35:28,310 --> 00:35:26,720
know i don't know exactly how it was

1002
00:35:29,589 --> 00:35:28,320
done you know i've been thinking for

1003
00:35:33,349 --> 00:35:29,599
years now

1004
00:35:35,829 --> 00:35:33,359
when quantum computing starts to become

1005
00:35:37,670 --> 00:35:35,839
more mainstream maybe we're going to

1006
00:35:38,150 --> 00:35:37,680
start getting some answers as to what

1007
00:35:40,950 --> 00:35:38,160
this

1008
00:35:42,310 --> 00:35:40,960
is we will we're going to meet them

1009
00:35:46,470 --> 00:35:42,320
we're going to meet them i swear

1010
00:35:48,550 --> 00:35:46,480
i said well i i i will tell you this and

1011
00:35:51,750 --> 00:35:48,560
i'll tell the audiences

1012
00:35:53,910 --> 00:35:51,760
david told me after several months after

1013
00:35:56,310 --> 00:35:53,920

we started working together

1014

00:35:58,150 --> 00:35:56,320

that they knew about me because they

1015

00:36:02,390 --> 00:35:58,160

told him that

1016

00:36:06,230 --> 00:36:02,400

and i had gotten indications

1017

00:36:10,470 --> 00:36:06,240

that they were around me

1018

00:36:13,829 --> 00:36:10,480

but the year my wife passed away in 2015

1019

00:36:15,030 --> 00:36:13,839

was when i started having connection

1020

00:36:17,270 --> 00:36:15,040

with them when i started having

1021

00:36:19,829 --> 00:36:17,280

interaction with them

1022

00:36:20,390 --> 00:36:19,839

and these beings that came to me were

1023

00:36:23,270 --> 00:36:20,400

tall

1024

00:36:25,030 --> 00:36:23,280

grace like beings there was always three

1025

00:36:27,829 --> 00:36:25,040

of them

1026

00:36:29,910 --> 00:36:27,839

and uh i always got the indication that

1027

00:36:31,109 --> 00:36:29,920

the reason why they came was because of

1028

00:36:34,230 --> 00:36:31,119

you

1029

00:36:37,109 --> 00:36:34,240

and i was abducted one time i was

1030

00:36:39,430 --> 00:36:37,119

you know i did lose time and you know

1031

00:36:41,670 --> 00:36:39,440

there was uh there was some interaction

1032

00:36:43,430 --> 00:36:41,680

there should be a few things and uh

1033

00:36:45,510 --> 00:36:43,440

now i haven't had that happen that i

1034

00:36:48,550 --> 00:36:45,520

know of so far

1035

00:36:50,310 --> 00:36:48,560

i mean since that time but uh yeah i

1036

00:36:52,630 --> 00:36:50,320

think they um

1037

00:36:55,190 --> 00:36:52,640

and i know they they know that what you

1038

00:36:57,510 --> 00:36:55,200

and i have done

1039

00:36:59,270 --> 00:36:57,520

yeah i i have a theory on all that

1040

00:37:02,710 --> 00:36:59,280

that's uh why they okayed you

1041

00:37:06,069 --> 00:37:02,720

because i think uh okay there's

1042

00:37:08,470 --> 00:37:06,079

a pretty strong theory but they

1043

00:37:10,069 --> 00:37:08,480

they know the future okay and knowing

1044

00:37:13,750 --> 00:37:10,079

the future changes the future but

1045

00:37:14,150 --> 00:37:13,760

they could be running uh uh a system to

1046

00:37:16,390 --> 00:37:14,160

work

1047

00:37:18,230 --> 00:37:16,400

see if everything happens the same way

1048

00:37:21,270 --> 00:37:18,240

over and over again this

1049

00:37:23,270 --> 00:37:21,280

is so so uh i mean if you had the

1050

00:37:25,589 --> 00:37:23,280

technology to do something like that

1051
00:37:26,630 --> 00:37:25,599
why wouldn't you do it we built a the

1052
00:37:29,510 --> 00:37:26,640
super

1053
00:37:31,750 --> 00:37:29,520
uh hydrogen collider just to see the

1054
00:37:33,030 --> 00:37:31,760
beginnings of the universe and uh

1055
00:37:34,710 --> 00:37:33,040
why wouldn't you do something to see if

1056
00:37:36,790 --> 00:37:34,720
everything happens the same way just to

1057
00:37:39,670 --> 00:37:36,800
see if you have free will or not

1058
00:37:41,030 --> 00:37:39,680
but uh yeah so okay and you to do it

1059
00:37:41,910 --> 00:37:41,040
you've probably already done this one

1060
00:37:43,670 --> 00:37:41,920
time before

1061
00:37:45,589 --> 00:37:43,680
you never know or another dimension or

1062
00:37:49,030 --> 00:37:45,599
whatever uh

1063
00:37:52,230 --> 00:37:49,040

who knows that's just a theory well my

1064

00:37:52,630 --> 00:37:52,240

my hope is one day that these beings

1065

00:37:54,950 --> 00:37:52,640

that

1066

00:37:55,750 --> 00:37:54,960

have been associated with you will give

1067

00:37:58,550 --> 00:37:55,760

you or

1068

00:37:59,349 --> 00:37:58,560

myself some indication what these wing

1069

00:38:01,270 --> 00:37:59,359

beings are

1070

00:38:03,510 --> 00:38:01,280

that have been seeing all around chicago

1071

00:38:05,829 --> 00:38:03,520

and some parts of florida

1072

00:38:08,470 --> 00:38:05,839

it could be could be draco's uh i i've

1073

00:38:10,230 --> 00:38:08,480

never seen a draco personally but uh

1074

00:38:11,750 --> 00:38:10,240

i heard the reptilian wings and i heard

1075

00:38:15,430 --> 00:38:11,760

they're pretty awesome size

1076

00:38:17,030 --> 00:38:15,440

uh but i've never seen one but

1077

00:38:19,190 --> 00:38:17,040

i think i think everything's all tied

1078

00:38:20,790 --> 00:38:19,200

together somehow another i think

1079

00:38:22,390 --> 00:38:20,800

yeah i think it's all tied together and

1080

00:38:23,829 --> 00:38:22,400

it could be even a spot that we're

1081

00:38:26,710 --> 00:38:23,839

entering in the galaxy

1082

00:38:27,349 --> 00:38:26,720

uh and i'm talking about the galaxy that

1083

00:38:29,270 --> 00:38:27,359

uh

1084

00:38:30,550 --> 00:38:29,280

that maybe the vibrational frequency of

1085

00:38:32,550 --> 00:38:30,560

the planet is changing and

1086

00:38:33,670 --> 00:38:32,560

our two worlds is starting to intertwine

1087

00:38:36,390 --> 00:38:33,680

more because

1088

00:38:38,310 --> 00:38:36,400

you said yourself that uh that the

1089

00:38:39,910 --> 00:38:38,320

phenomenons are picking up all around

1090

00:38:41,670 --> 00:38:39,920

the world that you're getting calls from

1091

00:38:43,109 --> 00:38:41,680

people all around the world about things

1092

00:38:46,870 --> 00:38:43,119

are going on

1093

00:38:49,109 --> 00:38:46,880

so uh it could be all tied together uh

1094

00:38:50,069 --> 00:38:49,119

the frequency of the plans like runs at

1095

00:38:53,589 --> 00:38:50,079

eight ohms

1096

00:38:55,910 --> 00:38:53,599

too so

1097

00:38:58,870 --> 00:38:55,920

if you change that things start

1098

00:39:02,310 --> 00:38:58,880

happening now i was listening to a uh

1099

00:39:05,030 --> 00:39:02,320

a guy on uh on a youtube channel he was

1100

00:39:08,390 --> 00:39:05,040

the broadcast and he was talking about

1101

00:39:10,069 --> 00:39:08,400

that uh uh uh that

1102

00:39:11,510 --> 00:39:10,079

that was doing some experiments on the

1103

00:39:13,030 --> 00:39:11,520

scientists who were doing experiments on

1104

00:39:14,470 --> 00:39:13,040

dmt

1105

00:39:15,990 --> 00:39:14,480

and then uh they wanted to know what

1106

00:39:18,150 --> 00:39:16,000

part of the brain it opens up because

1107

00:39:19,750 --> 00:39:18,160

everybody has the same experience

1108

00:39:22,150 --> 00:39:19,760

and uh they found out it was quite the

1109

00:39:23,510 --> 00:39:22,160

opposite that it shut down certain parts

1110

00:39:26,310 --> 00:39:23,520

of the human brain

1111

00:39:28,069 --> 00:39:26,320

and now that blood the blockers of

1112

00:39:29,430 --> 00:39:28,079

what's really going on around us with

1113

00:39:31,430 --> 00:39:29,440

this shutting down

1114

00:39:32,790 --> 00:39:31,440

so they can see these entities and

1115

00:39:35,829 --> 00:39:32,800

everything else so that's

1116

00:39:39,109 --> 00:39:35,839

that intrigued me so it really does so

1117

00:39:43,030 --> 00:39:39,119

uh maybe you we can all

1118

00:39:44,790 --> 00:39:43,040

do spiritual uh uh education we can

1119

00:39:45,829 --> 00:39:44,800

figure out how to shut down these parts

1120

00:39:47,990 --> 00:39:45,839

of our brains

1121

00:39:49,990 --> 00:39:48,000

so we can really see what's going on and

1122

00:39:50,470 --> 00:39:50,000

i can i can see these guys what's going

1123

00:39:53,190 --> 00:39:50,480

on

1124

00:39:54,069 --> 00:39:53,200

uh pretty good but i still miss a whole

1125

00:39:56,150 --> 00:39:54,079

bunch but

1126

00:39:57,109 --> 00:39:56,160

the tools that i use helps me seem a lot

1127

00:40:00,470 --> 00:39:57,119

better

1128

00:40:01,510 --> 00:40:00,480

but um well some of the images you have

1129

00:40:05,589 --> 00:40:01,520

captured

1130

00:40:11,910 --> 00:40:08,550

i'm sorry about that my phone came up um

1131

00:40:15,270 --> 00:40:13,430

you know that you've collected over the

1132

00:40:18,950 --> 00:40:15,280

years are pretty incredible

1133

00:40:21,190 --> 00:40:18,960

uh portals different types of beings

1134

00:40:23,510 --> 00:40:21,200

i mean just the whole nine yards and

1135

00:40:26,790 --> 00:40:23,520

especially the last couple of years

1136

00:40:29,510 --> 00:40:26,800

you've been able to get a lot of yeah

1137

00:40:31,030 --> 00:40:29,520

it it's it's fascinating and i i did put

1138

00:40:33,109 --> 00:40:31,040

a few in the book

1139

00:40:34,710 --> 00:40:33,119

uh we are going to share some more later

1140

00:40:36,550 --> 00:40:34,720

tonight but um

1141

00:40:38,710 --> 00:40:36,560

i did want to mention one thing you know

1142

00:40:41,349 --> 00:40:38,720

the one thing that really

1143

00:40:43,589 --> 00:40:41,359

blew my mind when you told me about this

1144

00:40:46,870 --> 00:40:43,599

was when you had interaction

1145

00:40:49,430 --> 00:40:46,880

with this reptilian you seem to be

1146

00:40:50,950 --> 00:40:49,440

the guy he some type of hierarchy of

1147

00:40:54,069 --> 00:40:50,960

some type

1148

00:40:56,390 --> 00:40:54,079

and uh he um

1149

00:40:57,750 --> 00:40:56,400

you know he had underlings he was a

1150

00:41:01,270 --> 00:40:57,760

overseer some

1151
00:41:03,829 --> 00:41:01,280
some degree but he told you

1152
00:41:04,390 --> 00:41:03,839
that they do have a supreme being that

1153
00:41:07,990 --> 00:41:04,400
they all

1154
00:41:12,230 --> 00:41:08,000
follow yes and i've always thought

1155
00:41:16,550 --> 00:41:12,240
are is god their god or god the same god

1156
00:41:18,309 --> 00:41:16,560
is it the same supposed being

1157
00:41:19,589 --> 00:41:18,319
it's a possibility it could be the same

1158
00:41:21,510 --> 00:41:19,599
guy

1159
00:41:23,349 --> 00:41:21,520
we don't know what god looks like he

1160
00:41:25,270 --> 00:41:23,359
could do a reptilian he could be

1161
00:41:26,710 --> 00:41:25,280
he could look uh totally different from

1162
00:41:29,270 --> 00:41:26,720
what we think i mean

1163
00:41:30,309 --> 00:41:29,280

who said he's a guy with a white beard

1164

00:41:32,390 --> 00:41:30,319

and uh

1165

00:41:33,990 --> 00:41:32,400

you know sitting in a fuzzy chair you

1166

00:41:34,870 --> 00:41:34,000

know that's a that's the kind of picture

1167

00:41:37,589 --> 00:41:34,880

i would give

1168

00:41:39,190 --> 00:41:37,599

but you know i i read this article out

1169

00:41:40,630 --> 00:41:39,200

of this book it's called the great holy

1170

00:41:42,790 --> 00:41:40,640

spirit

1171

00:41:44,550 --> 00:41:42,800

and uh and the vatican almost burned

1172

00:41:46,550 --> 00:41:44,560

this book and it's like a continuing

1173

00:41:48,069 --> 00:41:46,560

relation of uh what happened to adam and

1174

00:41:49,829 --> 00:41:48,079

eve when they came out of the garden

1175

00:41:51,430 --> 00:41:49,839

and everything all went to babylon when

1176

00:41:52,069 --> 00:41:51,440

the planet was starting to flood for

1177

00:41:54,069 --> 00:41:52,079

enough

1178

00:41:56,309 --> 00:41:54,079

when the polar caps melting and stuff

1179

00:41:58,710 --> 00:41:56,319

and ice uh ice glaciers

1180

00:42:00,309 --> 00:41:58,720

and uh there was a female which was

1181

00:42:03,589 --> 00:42:00,319

considered like a female jesus

1182

00:42:04,230 --> 00:42:03,599

and she was a warrior and it talks into

1183

00:42:07,510 --> 00:42:04,240

that

1184

00:42:11,109 --> 00:42:07,520

the guy created the pathways to earth as

1185

00:42:13,670 --> 00:42:11,119

as sure as a box tree and uh

1186

00:42:14,710 --> 00:42:13,680

and parked his golden vessels around the

1187

00:42:17,990 --> 00:42:14,720

planet

1188

00:42:18,630 --> 00:42:18,000

now why would god need a craft a golden

1189

00:42:22,710 --> 00:42:18,640

craft

1190

00:42:23,910 --> 00:42:22,720

and and uh and the pathways he created

1191

00:42:25,270 --> 00:42:23,920

the pathway to earth

1192

00:42:27,109 --> 00:42:25,280

as sure as the box tree i don't know

1193

00:42:29,270 --> 00:42:27,119

what about the box tree but

1194

00:42:31,030 --> 00:42:29,280

was that must be the the portals or star

1195

00:42:34,550 --> 00:42:31,040

gates or whatever

1196

00:42:35,270 --> 00:42:34,560

so uh maybe uh and he talks about you

1197

00:42:36,550 --> 00:42:35,280

know

1198

00:42:38,950 --> 00:42:36,560

babylon and everything it's called

1199

00:42:41,270 --> 00:42:38,960

babylon because he they he said let's

1200

00:42:42,630 --> 00:42:41,280

change confuse their language to slow

1201

00:42:44,630 --> 00:42:42,640

them down and uh

1202

00:42:46,870 --> 00:42:44,640

so that's again he's using the word

1203

00:42:49,510 --> 00:42:46,880

let's that could be more than one

1204

00:42:51,030 --> 00:42:49,520

god or a scientist or whatever but uh

1205

00:42:53,190 --> 00:42:51,040

they talked about

1206

00:42:54,950 --> 00:42:53,200

that there was a each god that created

1207

00:42:56,069 --> 00:42:54,960

our hands one created our legs one

1208

00:42:57,910 --> 00:42:56,079

create our feet

1209

00:42:59,589 --> 00:42:57,920

and this is what the vatican had this

1210

00:43:00,309 --> 00:42:59,599

was one of their books that they had in

1211

00:43:02,390 --> 00:43:00,319

storage

1212

00:43:04,150 --> 00:43:02,400

and uh which is really interesting

1213

00:43:07,190 --> 00:43:04,160

because i i want to read the whole thing

1214

00:43:09,349 --> 00:43:07,200

so uh but anybody's

1215

00:43:11,510 --> 00:43:09,359

wondering so look it up it's called the

1216

00:43:13,829 --> 00:43:11,520

great holy spirit

1217

00:43:14,950 --> 00:43:13,839

look that book up got some cool

1218

00:43:17,270 --> 00:43:14,960

information in it

1219

00:43:18,710 --> 00:43:17,280

you know and then you talk about the

1220

00:43:20,710 --> 00:43:18,720

book of enoch

1221

00:43:22,230 --> 00:43:20,720

uh you talk about all the gods in there

1222

00:43:25,510 --> 00:43:22,240

the in the in the gods

1223

00:43:27,349 --> 00:43:25,520

uh angels in a head of his

1224

00:43:28,630 --> 00:43:27,359

armies and everything else like that

1225

00:43:31,190 --> 00:43:28,640

there's a

1226
00:43:31,990 --> 00:43:31,200
whole bunch of stuff going on all around

1227
00:43:36,790 --> 00:43:32,000
us

1228
00:43:39,109 --> 00:43:36,800
from i don't know if that's

1229
00:43:40,069 --> 00:43:39,119
because we're special or we're cursed i

1230
00:43:43,910 --> 00:43:40,079
don't know

1231
00:43:45,670 --> 00:43:43,920
but uh but it's uh and i like

1232
00:43:48,230 --> 00:43:45,680
my end goal is total enlightenment i

1233
00:43:51,990 --> 00:43:48,240
want to know everything

1234
00:43:53,510 --> 00:43:52,000
what's going on so uh i i now believe in

1235
00:43:55,670 --> 00:43:53,520
life after death and i believe that you

1236
00:43:57,910 --> 00:43:55,680
get to take the consciousness with you

1237
00:43:59,270 --> 00:43:57,920
i think that's the uh that's the miracle

1238
00:44:01,990 --> 00:43:59,280

of the consciousness

1239

00:44:03,430 --> 00:44:02,000

it's not life but i think the universe

1240

00:44:06,470 --> 00:44:03,440

is an abundance of life

1241

00:44:08,390 --> 00:44:06,480

it's uh it's it's the uh it's

1242

00:44:10,150 --> 00:44:08,400

consciousness and what exactly is

1243

00:44:11,589 --> 00:44:10,160

consciousness we're just now starting to

1244

00:44:15,270 --> 00:44:11,599

scratch the surface of it

1245

00:44:17,670 --> 00:44:15,280

you know what consciousness really is so

1246

00:44:19,190 --> 00:44:17,680

uh that's where my research is uh

1247

00:44:21,430 --> 00:44:19,200

falling through

1248

00:44:23,349 --> 00:44:21,440

what exactly what is consciousness and

1249

00:44:26,150 --> 00:44:23,359

do we have free will

1250

00:44:29,430 --> 00:44:26,160

uh is it really free will and do i want

1251

00:44:31,910 --> 00:44:29,440

to know those answers i don't know

1252

00:44:32,630 --> 00:44:31,920

i don't know but those are scary answers

1253

00:44:34,230 --> 00:44:32,640

that i uh

1254

00:44:36,390 --> 00:44:34,240

answered that might not be the ones i

1255

00:44:39,510 --> 00:44:36,400

want to hear but uh anyways that

1256

00:44:40,950 --> 00:44:39,520

same thing goes with these guys that i i

1257

00:44:42,230 --> 00:44:40,960

used to think if there was an alien

1258

00:44:44,069 --> 00:44:42,240

account it'd be like close encounters

1259

00:44:47,430 --> 00:44:44,079

are the third time but it's not

1260

00:44:48,870 --> 00:44:47,440

it's totally not that way it's uh and

1261

00:44:50,470 --> 00:44:48,880

these are the same people that everybody

1262

00:44:52,230 --> 00:44:50,480

else sees and talks about

1263

00:44:54,150 --> 00:44:52,240

and say they come in these spaceships

1264

00:44:54,550 --> 00:44:54,160

they don't need spaceships man they they

1265

00:44:56,870 --> 00:44:54,560

come in

1266

00:44:58,230 --> 00:44:56,880

portals bands shoot i've seen a lot of

1267

00:44:59,910 --> 00:44:58,240

spacecrafts

1268

00:45:01,910 --> 00:44:59,920

and uh i wasn't impressed with them

1269

00:45:04,150 --> 00:45:01,920

unless uh i could see the rivets on them

1270

00:45:05,829 --> 00:45:04,160

and i've seen a couple of rivets on

1271

00:45:07,270 --> 00:45:05,839

someone that was big enough for a jet

1272

00:45:10,309 --> 00:45:07,280

liner to land on top of

1273

00:45:12,790 --> 00:45:10,319

so uh well you know you have i mean

1274

00:45:15,270 --> 00:45:12,800

we've been showing some pictures up here

1275

00:45:16,390 --> 00:45:15,280

of somebody the uh the portals that open

1276

00:45:17,910 --> 00:45:16,400

up and you some

1277

00:45:20,470 --> 00:45:17,920

some of them you can see where they're

1278

00:45:23,109 --> 00:45:20,480

coming through there there have been

1279

00:45:24,309 --> 00:45:23,119

others that show literally the one has a

1280

00:45:25,990 --> 00:45:24,319

device

1281

00:45:28,150 --> 00:45:26,000

that you explain to me the kind of thing

1282

00:45:30,710 --> 00:45:28,160

it looks like a big long worm

1283

00:45:32,309 --> 00:45:30,720

from top to bottom that that right there

1284

00:45:34,309 --> 00:45:32,319

it's up there yeah

1285

00:45:36,390 --> 00:45:34,319

that's a portal like a transporter like

1286

00:45:39,670 --> 00:45:36,400

you would see on star trek

1287

00:45:41,510 --> 00:45:39,680

yeah it's so amazing

1288

00:45:43,750 --> 00:45:41,520

yeah i i'd be scared to go on that thing

1289

00:45:45,990 --> 00:45:43,760

because if it works like it does in star

1290

00:45:47,990 --> 00:45:46,000

trek it has to kill you in order to uh

1291

00:45:49,670 --> 00:45:48,000

we put you back together somewhere else

1292

00:45:51,349 --> 00:45:49,680

so are you the same person

1293

00:45:52,950 --> 00:45:51,359

you know i'm saying that's spooky

1294

00:45:54,950 --> 00:45:52,960

because i was watching it go on i was

1295

00:45:57,109 --> 00:45:54,960

like wow

1296

00:45:58,390 --> 00:45:57,119

but uh yeah so that's pretty that was

1297

00:46:00,309 --> 00:45:58,400

pretty good that was a good

1298

00:46:02,230 --> 00:46:00,319

good picture right there i've never

1299

00:46:03,990 --> 00:46:02,240

caught something like that so

1300

00:46:06,950 --> 00:46:04,000

i've gotten probably more comments from

1301
00:46:09,109 --> 00:46:06,960
that photograph than anything else

1302
00:46:10,069 --> 00:46:09,119
it's just amazing and some of the

1303
00:46:13,109 --> 00:46:10,079
variety of

1304
00:46:15,670 --> 00:46:13,119
entities and there's one up there now

1305
00:46:18,309 --> 00:46:15,680
it's like a humanoid type of antony

1306
00:46:19,190 --> 00:46:18,319
i mean that means oh yeah there are lots

1307
00:46:23,670 --> 00:46:19,200
of humans

1308
00:46:25,990 --> 00:46:23,680
like beings and such you were even shown

1309
00:46:26,790 --> 00:46:26,000
and you believe you may have been bred

1310
00:46:30,069 --> 00:46:26,800
you were even

1311
00:46:32,150 --> 00:46:30,079
shown a female yeah that

1312
00:46:33,430 --> 00:46:32,160
you thought may have be an offspring of

1313
00:46:36,309 --> 00:46:33,440

yours

1314

00:46:37,510 --> 00:46:36,319

right yeah that's it yeah yeah and they

1315

00:46:39,109 --> 00:46:37,520

wouldn't let me touch her or anything

1316

00:46:42,150 --> 00:46:39,119

else like that she was wearing a

1317

00:46:45,510 --> 00:46:42,160

uh i think a care bear

1318

00:46:46,790 --> 00:46:45,520

or a little pony uh uh pajamas or

1319

00:46:48,710 --> 00:46:46,800

something like that she was cute

1320

00:46:50,710 --> 00:46:48,720

she used a button i'm like i didn't know

1321

00:46:52,630 --> 00:46:50,720

what was going on first and uh they had

1322

00:46:55,030 --> 00:46:52,640

it like behind a piece of glass

1323

00:46:56,630 --> 00:46:55,040

and uh and they showed it to me and and

1324

00:46:57,589 --> 00:46:56,640

uh she was looking at me i was looking

1325

00:47:00,550 --> 00:46:57,599

at her i'm like

1326

00:47:01,829 --> 00:47:00,560

what's going on and then uh then they

1327

00:47:04,309 --> 00:47:01,839

they escorted her out

1328

00:47:06,230 --> 00:47:04,319

you know they're like yeah keep screwing

1329

00:47:07,349 --> 00:47:06,240

up go ahead you know we'll make things

1330

00:47:09,670 --> 00:47:07,359

rough on her

1331

00:47:11,589 --> 00:47:09,680

but uh because i was giving them a hard

1332

00:47:12,470 --> 00:47:11,599

time i was uh i was pushing them pretty

1333

00:47:14,390 --> 00:47:12,480

hard

1334

00:47:16,309 --> 00:47:14,400

and uh well i remember when you i

1335

00:47:17,270 --> 00:47:16,319

remember when you contacted me because

1336

00:47:19,990 --> 00:47:17,280

you said

1337

00:47:20,710 --> 00:47:20,000

that you've been you've been uh trying

1338

00:47:23,750 --> 00:47:20,720

to uh

1339

00:47:27,510 --> 00:47:23,760

resist them and then

1340

00:47:29,990 --> 00:47:27,520

this they brought this child

1341

00:47:31,190 --> 00:47:30,000

that up you know to you though you

1342

00:47:34,069 --> 00:47:31,200

couldn't touch her or

1343

00:47:35,670 --> 00:47:34,079

you know uh you know you couldn't re

1344

00:47:38,790 --> 00:47:35,680

interact with her

1345

00:47:41,430 --> 00:47:38,800

but it was basically a warning yeah they

1346

00:47:44,069 --> 00:47:41,440

were trying to hold that over your head

1347

00:47:44,950 --> 00:47:44,079

yeah yeah so yeah right and it's like

1348

00:47:46,150 --> 00:47:44,960

yeah

1349

00:47:48,710 --> 00:47:46,160

they've done something like that one

1350

00:47:49,750 --> 00:47:48,720

time in the past too and uh

1351

00:47:52,630 --> 00:47:49,760

it's one of the things i don't talk

1352

00:47:56,069 --> 00:47:52,640

about but uh yeah

1353

00:48:00,069 --> 00:47:56,079

but anyways yeah so they've they've done

1354

00:48:03,109 --> 00:48:01,990

yeah well you know i get people ask me a

1355

00:48:06,470 --> 00:48:03,119

lot

1356

00:48:09,030 --> 00:48:06,480

about you and these reptilians and

1357

00:48:09,670 --> 00:48:09,040

and some of these other beings that they

1358

00:48:13,510 --> 00:48:09,680

actually

1359

00:48:14,309 --> 00:48:13,520

do eat human flesh and in some instances

1360

00:48:18,549 --> 00:48:14,319

they eat them

1361

00:48:21,670 --> 00:48:18,559

they eat each other yeah you know

1362

00:48:22,150 --> 00:48:21,680

you've seen it yeah yeah i got it i got

1363

00:48:25,430 --> 00:48:22,160

a

1364

00:48:27,030 --> 00:48:25,440

video of one of uh this uh

1365

00:48:29,030 --> 00:48:27,040

you can hear him talking on there that's

1366

00:48:32,390 --> 00:48:29,040

very low quality but

1367

00:48:33,030 --> 00:48:32,400

but i i can see i'd love to clear it up

1368

00:48:36,230 --> 00:48:33,040

but it's

1369

00:48:36,630 --> 00:48:36,240

uh they had one one of the workers that

1370

00:48:38,069 --> 00:48:36,640

was

1371

00:48:39,990 --> 00:48:38,079

supposed to come and get me and i got

1372

00:48:43,109 --> 00:48:40,000

him on video a picture of him

1373

00:48:44,950 --> 00:48:43,119

he saw her like a gecko and uh the guy

1374

00:48:46,630 --> 00:48:44,960

was going off on him and uh

1375

00:48:48,390 --> 00:48:46,640

as you know they paralyzed him and while

1376

00:48:51,430 --> 00:48:48,400

he's still alive they uh

1377

00:48:53,190 --> 00:48:51,440

they cut off the top of his head and uh

1378

00:48:54,630 --> 00:48:53,200

he had his his children up underneath

1379

00:48:55,910 --> 00:48:54,640

his jacket and he pulled it open and

1380

00:48:57,030 --> 00:48:55,920

they come out and it was eating his

1381

00:48:59,990 --> 00:48:57,040

brain so it's like

1382

00:49:01,589 --> 00:49:00,000

looked like spaghetti and uh then he

1383

00:49:03,990 --> 00:49:01,599

realized that i was watching and getting

1384

00:49:05,589 --> 00:49:04,000

him on video so he

1385

00:49:07,430 --> 00:49:05,599

he got rid of one of his guys for the

1386

00:49:09,030 --> 00:49:07,440

same thing as i was doing to him i mean

1387

00:49:10,470 --> 00:49:09,040

it's like i got him on video they

1388

00:49:12,150 --> 00:49:10,480

they act like they get in trouble when

1389

00:49:15,430 --> 00:49:12,160

they get on video

1390

00:49:17,109 --> 00:49:15,440

some of them want to be seen uh they do

1391

00:49:18,230 --> 00:49:17,119

and some of them seem like they want to

1392

00:49:20,069 --> 00:49:18,240

contact you know

1393

00:49:21,589 --> 00:49:20,079

that all of them are not exactly the

1394

00:49:23,910 --> 00:49:21,599

same that's like saying all humans are

1395

00:49:26,150 --> 00:49:23,920

the same i've seen some pretty

1396

00:49:28,150 --> 00:49:26,160

bad looking humans and they want to do

1397

00:49:31,190 --> 00:49:28,160

some pretty bad things you know uh

1398

00:49:32,710 --> 00:49:31,200

and some humans that really wish for the

1399

00:49:34,549 --> 00:49:32,720

world to straighten up you know and want

1400

00:49:36,309 --> 00:49:34,559

things to be good for everybody

1401

00:49:37,750 --> 00:49:36,319

but uh that's sort of like they are i

1402

00:49:38,710 --> 00:49:37,760

mean they're no different from us

1403

00:49:40,950 --> 00:49:38,720

when it comes to that kind of

1404

00:49:43,109 --> 00:49:40,960

personality so that i can't say they're

1405

00:49:44,710 --> 00:49:43,119

all bad and all good you know so

1406

00:49:46,950 --> 00:49:44,720

everybody always asks me bad or good i

1407

00:49:48,309 --> 00:49:46,960

don't i don't know you can say humans

1408

00:49:50,630 --> 00:49:48,319

good or bad

1409

00:49:51,430 --> 00:49:50,640

but i wanted to talk about the effect

1410

00:49:54,150 --> 00:49:51,440

and faked

1411

00:49:56,069 --> 00:49:54,160

paranormal files and i'm you know i i

1412

00:49:57,829 --> 00:49:56,079

know in 2011

1413

00:49:59,990 --> 00:49:57,839

you know fact and fake paranormal fouls

1414

00:50:01,990 --> 00:50:00,000

television series

1415

00:50:05,990 --> 00:50:02,000

uh they presented an episode on your

1416

00:50:09,109 --> 00:50:06,000

encounters they titled it alien intruder

1417

00:50:11,270 --> 00:50:09,119

and there was a point and you know i

1418

00:50:12,710 --> 00:50:11,280

i remember this and i've talked to ben

1419

00:50:15,109 --> 00:50:12,720

hanson about this

1420

00:50:16,230 --> 00:50:15,119

there was a point where the earthworm

1421

00:50:18,870 --> 00:50:16,240

phenomena

1422

00:50:21,190 --> 00:50:18,880

manifested in the episode and you had

1423

00:50:23,670 --> 00:50:21,200

told me about this before

1424

00:50:25,670 --> 00:50:23,680

you told me about this and you know you

1425

00:50:28,150 --> 00:50:25,680

had claimed to me

1426

00:50:29,589 --> 00:50:28,160

that after each intrusion by these

1427

00:50:31,990 --> 00:50:29,599

beings

1428

00:50:34,150 --> 00:50:32,000

his your driveway would be covered with

1429

00:50:38,069 --> 00:50:34,160

thousands of earthworms

1430

00:50:40,069 --> 00:50:38,079

yeah thousands i mean thousands not tens

1431

00:50:41,750 --> 00:50:40,079

of thousands twenty two thousand i mean

1432

00:50:43,270 --> 00:50:41,760

there'd be so many of them you couldn't

1433

00:50:44,549 --> 00:50:43,280

walk down the driveway without stepping

1434

00:50:47,670 --> 00:50:44,559

on i mean i'll be heading

1435

00:50:50,150 --> 00:50:47,680

out of my yard out gone and that

1436

00:50:51,589 --> 00:50:50,160

that the night that they filmed that it

1437

00:50:54,630 --> 00:50:51,599

was in the low

1438

00:50:56,069 --> 00:50:54,640

low teens i mean it was cold out i mean

1439

00:50:57,829 --> 00:50:56,079

worms don't come up out of the ground

1440

00:50:59,109 --> 00:50:57,839

when it's that freaking cold out they

1441

00:51:02,150 --> 00:50:59,119

just don't do it

1442

00:51:03,829 --> 00:51:02,160

and uh and and that that was a

1443

00:51:05,829 --> 00:51:03,839

they thought that i mean i told

1444

00:51:07,670 --> 00:51:05,839

everybody don't be surprised if you all

1445

00:51:09,030 --> 00:51:07,680

wake up you know your clothes are inside

1446

00:51:11,589 --> 00:51:09,040

out you know i was like

1447

00:51:13,190 --> 00:51:11,599

but uh but yeah that was very cold that

1448

00:51:14,950 --> 00:51:13,200

night it was cold during that daytime

1449

00:51:16,549 --> 00:51:14,960

when was out in front of the house we

1450

00:51:18,950 --> 00:51:16,559

it was so cold i could almost i couldn't

1451

00:51:21,109 --> 00:51:18,960

even talk nobody could talk it was so

1452

00:51:24,150 --> 00:51:21,119

cold out that weekend

1453

00:51:26,230 --> 00:51:24,160

so you you told me that in it that the

1454

00:51:28,069 --> 00:51:26,240

earth one thing got so bad that

1455

00:51:29,750 --> 00:51:28,079

you'd come out there with the hose and

1456

00:51:32,069 --> 00:51:29,760

and hold them up

1457

00:51:34,069 --> 00:51:32,079

yeah down onto the street i bet your

1458

00:51:37,430 --> 00:51:34,079

neighbors were not happy with you

1459

00:51:39,030 --> 00:51:37,440

no they no they they you know they were

1460

00:51:40,549 --> 00:51:39,040

wondering what the hell was going on and

1461

00:51:42,630 --> 00:51:40,559

stuff you know

1462

00:51:44,069 --> 00:51:42,640

i couldn't i did it one time i drove out

1463

00:51:45,030 --> 00:51:44,079

of the driveway and it was all over the

1464

00:51:46,470 --> 00:51:45,040

driveway and i drove

1465

00:51:49,030 --> 00:51:46,480

and that was the wrong thing to do it

1466

00:51:51,349 --> 00:51:49,040

just made a big mess oh

1467

00:51:52,870 --> 00:51:51,359

yeah so the best thing for me to do is

1468

00:51:55,990 --> 00:51:52,880

there's a leaf blower when you get them

1469

00:51:57,430 --> 00:51:56,000

off so you had to hose them off so

1470

00:51:59,030 --> 00:51:57,440

that's what i would do is just hold them

1471

00:51:59,670 --> 00:51:59,040

off you know it's like what's going on

1472

00:52:04,870 --> 00:51:59,680

dave

1473

00:52:07,670 --> 00:52:04,880

hey uh

1474

00:52:09,510 --> 00:52:07,680

i know during the filming uh you were in

1475

00:52:10,710 --> 00:52:09,520

the bedroom now you had moved out of the

1476
00:52:12,630 --> 00:52:10,720
house

1477
00:52:14,710 --> 00:52:12,640
and you you actually got permission from

1478
00:52:15,910 --> 00:52:14,720
the the new owners to come back into the

1479
00:52:18,069 --> 00:52:15,920
filming

1480
00:52:20,230 --> 00:52:18,079
and uh you're in the bedroom and you

1481
00:52:22,790 --> 00:52:20,240
were sitting on the bed

1482
00:52:24,150 --> 00:52:22,800
the the crew was situated in a van

1483
00:52:25,670 --> 00:52:24,160
outside the house and they were

1484
00:52:29,270 --> 00:52:25,680
monitoring you

1485
00:52:31,510 --> 00:52:29,280
and at one point you you exclaimed that

1486
00:52:34,790 --> 00:52:31,520
you sensed that the alien beings were

1487
00:52:39,990 --> 00:52:37,990
and the equipment started going nuts

1488
00:52:41,589 --> 00:52:40,000

in the van you know the electrical

1489

00:52:43,109 --> 00:52:41,599

interference was detected on all the

1490

00:52:44,790 --> 00:52:43,119

monitors after a few minutes the

1491

00:52:48,069 --> 00:52:44,800

interference stopped

1492

00:52:50,309 --> 00:52:48,079

and when the crew walked out of the van

1493

00:52:51,910 --> 00:52:50,319

they noticed that the yard was covered

1494

00:52:55,829 --> 00:52:51,920

with earthworms

1495

00:52:59,589 --> 00:52:55,839

yeah yeah yeah you know the fbi

1496

00:53:03,190 --> 00:52:59,599

voice analysis expert later administered

1497

00:53:06,470 --> 00:53:03,200

a deceptive voice examination of you

1498

00:53:09,670 --> 00:53:06,480

which you passed on all levels they they

1499

00:53:12,069 --> 00:53:09,680

just could not debunk you they tried

1500

00:53:13,030 --> 00:53:12,079

you know i talked to uh i had ben hansen

1501
00:53:17,670 --> 00:53:13,040
on

1502
00:53:20,630 --> 00:53:17,680
that and we talked to him about it

1503
00:53:21,109 --> 00:53:20,640
and you know and i asked him point blank

1504
00:53:23,109 --> 00:53:21,119
i said

1505
00:53:25,270 --> 00:53:23,119
well what do you think was going on he

1506
00:53:27,270 --> 00:53:25,280
said you know i can't explain it we

1507
00:53:29,829 --> 00:53:27,280
cannot debunk it

1508
00:53:32,390 --> 00:53:29,839
uh you know the earthworm thing is

1509
00:53:35,829 --> 00:53:32,400
that's what really freaked them out

1510
00:53:37,750 --> 00:53:35,839
so uh yeah if you do get a chance to

1511
00:53:39,510 --> 00:53:37,760
watch that

1512
00:53:42,390 --> 00:53:39,520
uh because it's on youtube if you get a

1513
00:53:45,750 --> 00:53:42,400

chance to see that episode

1514

00:53:47,829 --> 00:53:45,760

it's really interesting and uh

1515

00:53:49,190 --> 00:53:47,839

you know i was a little upset with them

1516

00:53:50,549 --> 00:53:49,200

because i thought they were trying to

1517

00:53:53,190 --> 00:53:50,559

mess with you a bit

1518

00:53:54,150 --> 00:53:53,200

but overall though they they just could

1519

00:53:56,950 --> 00:53:54,160

not

1520

00:53:59,030 --> 00:53:56,960

they couldn't debunk it well you know

1521

00:54:00,069 --> 00:53:59,040

ben hansen was like one of my biggest

1522

00:54:02,790 --> 00:54:00,079

skeptics

1523

00:54:04,150 --> 00:54:02,800

right absolutely yeah he was but now he

1524

00:54:07,670 --> 00:54:04,160

goes around promoting

1525

00:54:10,870 --> 00:54:07,680

my stuff uh now yeah so and i sent you a

1526
00:54:11,430 --> 00:54:10,880
video on that from the congress or ufo

1527
00:54:16,710 --> 00:54:11,440
or

1528
00:54:17,670 --> 00:54:16,720
he did a presentation using my stuff on

1529
00:54:20,549 --> 00:54:17,680
there

1530
00:54:21,910 --> 00:54:20,559
so uh yeah so and he showed stuff that

1531
00:54:24,549 --> 00:54:21,920
wasn't never shown before

1532
00:54:26,470 --> 00:54:24,559
too so i sent him some emails and stuff

1533
00:54:27,990 --> 00:54:26,480
i lost his email i'm not in contact with

1534
00:54:29,910 --> 00:54:28,000
him anymore but uh

1535
00:54:32,309 --> 00:54:29,920
yeah he put stuff on the internet that

1536
00:54:34,549 --> 00:54:32,319
yeah we think it's uh you know dave

1537
00:54:36,230 --> 00:54:34,559
the oaks and this and all that but i

1538
00:54:37,670 --> 00:54:36,240

didn't know it was him at first i put it

1539

00:54:40,309 --> 00:54:37,680

on there but yeah he was my

1540

00:54:42,230 --> 00:54:40,319

biggest skeptic that was online but he's

1541

00:54:44,150 --> 00:54:42,240

not anymore so

1542

00:54:46,470 --> 00:54:44,160

uh not like they did the shooting and

1543

00:54:49,990 --> 00:54:46,480

stuff so but

1544

00:54:52,150 --> 00:54:50,000

yeah that that's uh yeah that was uh

1545

00:54:53,750 --> 00:54:52,160

that was pretty cool that he did uh that

1546

00:54:55,270 --> 00:54:53,760

you know but i know you can't take it

1547

00:54:56,549 --> 00:54:55,280

back off the line but oh well don't

1548

00:54:58,870 --> 00:54:56,559

matter

1549

00:55:00,630 --> 00:54:58,880

i i i have no reason to lie i don't have

1550

00:55:02,549 --> 00:55:00,640

time to do all this stuff

1551

00:55:03,990 --> 00:55:02,559

and i just want you to to the bottom of

1552

00:55:05,750 --> 00:55:04,000

the truth so uh

1553

00:55:07,349 --> 00:55:05,760

maybe i can do something behind because

1554

00:55:10,549 --> 00:55:07,359

i'm not going to live forever

1555

00:55:12,470 --> 00:55:10,559

so uh you know some things are going to

1556

00:55:14,150 --> 00:55:12,480

die with me so i just want to take with

1557

00:55:15,750 --> 00:55:14,160

me to the great but yeah well you know

1558

00:55:18,150 --> 00:55:15,760

i've told plenty of people

1559

00:55:20,069 --> 00:55:18,160

that you've told me things that i i am

1560

00:55:22,390 --> 00:55:20,079

just not going to disclose

1561

00:55:24,309 --> 00:55:22,400

and uh you know i think it's best left

1562

00:55:26,789 --> 00:55:24,319

that way to some point

1563

00:55:29,510 --> 00:55:26,799

um but there have been things you know

1564

00:55:33,190 --> 00:55:29,520

like the experimentations

1565

00:55:36,230 --> 00:55:33,200

uh the disposal bodies and such that

1566

00:55:37,510 --> 00:55:36,240

i and i did put in the book and you

1567

00:55:39,270 --> 00:55:37,520

talked about that

1568

00:55:40,549 --> 00:55:39,280

and you gave me permission to go ahead

1569

00:55:42,710 --> 00:55:40,559

and mention them

1570

00:55:43,910 --> 00:55:42,720

so i'll tell you what folks if you're in

1571

00:55:45,829 --> 00:55:43,920

the chat

1572

00:55:48,549 --> 00:55:45,839

if you have questions for david go ahead

1573

00:55:51,109 --> 00:55:48,559

put the questions up uh

1574

00:55:53,190 --> 00:55:51,119

also if you you want to use the super

1575

00:55:54,390 --> 00:55:53,200

chat icon for donation i'd really

1576

00:55:56,150 --> 00:55:54,400

appreciate it

1577

00:55:58,150 --> 00:55:56,160

but go ahead and put your questions up

1578

00:55:59,109 --> 00:55:58,160

and i'll read them off to david as they

1579

00:56:01,030 --> 00:55:59,119

come and

1580

00:56:02,630 --> 00:56:01,040

let's see what he can answer for you

1581

00:56:04,069 --> 00:56:02,640

maybe you know

1582

00:56:05,990 --> 00:56:04,079

maybe i'll tell you something he hasn't

1583

00:56:07,829 --> 00:56:06,000

told me i doubt it yeah i like really

1584

00:56:09,270 --> 00:56:07,839

good questions i do i'll tell you if i

1585

00:56:12,710 --> 00:56:09,280

know him if i don't i'll tell you i

1586

00:56:16,710 --> 00:56:14,870

but uh you know the one thing that

1587

00:56:20,549 --> 00:56:16,720

another thing that fascinated me

1588

00:56:23,829 --> 00:56:20,559

and this involved your wife was that um

1589

00:56:26,470 --> 00:56:23,839

uh them coming into your house

1590

00:56:27,270 --> 00:56:26,480

and taking tours i always thought that

1591

00:56:30,069 --> 00:56:27,280

was the

1592

00:56:32,390 --> 00:56:30,079

craziest thing yeah that freaks around

1593

00:56:34,150 --> 00:56:32,400

when the first time it happened

1594

00:56:35,750 --> 00:56:34,160

yeah it's like like they were selling

1595

00:56:37,510 --> 00:56:35,760

the house to somebody else uh

1596

00:56:39,589 --> 00:56:37,520

uh it was like that and you can hear

1597

00:56:40,710 --> 00:56:39,599

them walking and talking you can follow

1598

00:56:43,829 --> 00:56:40,720

around and they look like

1599

00:56:45,510 --> 00:56:43,839

ghost separations you know it's like uh

1600

00:56:47,589 --> 00:56:45,520

it was really strange

1601
00:56:49,109 --> 00:56:47,599
you know if the first time we were

1602
00:56:50,950 --> 00:56:49,119
seeing them we'd be laying in bed and

1603
00:56:52,390 --> 00:56:50,960
you ever see that movie poultry guys

1604
00:56:53,750 --> 00:56:52,400
where they had all the angels coming

1605
00:56:55,510 --> 00:56:53,760
into the room and everything they had

1606
00:56:57,190 --> 00:56:55,520
like halos on their head and stuff

1607
00:56:58,870 --> 00:56:57,200
that happened to us one night they was

1608
00:57:01,030 --> 00:56:58,880
coming from my side of the bed

1609
00:57:01,990 --> 00:57:01,040
going around the bed and going into the

1610
00:57:05,109 --> 00:57:02,000
closet

1611
00:57:06,549 --> 00:57:05,119
i'm like what the hell is going on and i

1612
00:57:07,829 --> 00:57:06,559
get up and i look in the closet i can't

1613
00:57:09,670 --> 00:57:07,839

see where they're going in the closet

1614

00:57:11,589 --> 00:57:09,680

and but they were walking through there

1615

00:57:13,270 --> 00:57:11,599

and it was all lit up like in a bluish

1616

00:57:14,470 --> 00:57:13,280

color or or

1617

00:57:16,150 --> 00:57:14,480

sometimes that's what we wake up in the

1618

00:57:18,309 --> 00:57:16,160

middle of night in the house the room be

1619

00:57:20,630 --> 00:57:18,319

lit up a pink or a blue

1620

00:57:22,150 --> 00:57:20,640

and you get up you look outside it's uh

1621

00:57:23,589 --> 00:57:22,160

you know it's still dark out i thought

1622

00:57:24,789 --> 00:57:23,599

it was like morning time coming or

1623

00:57:27,430 --> 00:57:24,799

something or

1624

00:57:27,829 --> 00:57:27,440

or evening time is this what makes sense

1625

00:57:29,270 --> 00:57:27,839

you know

1626
00:57:31,270 --> 00:57:29,280
because we usually went to bed before it

1627
00:57:34,470 --> 00:57:31,280
get dark out in the summertime

1628
00:57:38,549 --> 00:57:34,480
so uh yeah we started our day early

1629
00:57:40,630 --> 00:57:38,559
what we would do so but it was uh

1630
00:57:41,829 --> 00:57:40,640
i don't have a question i got a question

1631
00:57:44,549 --> 00:57:41,839
here from flynn

1632
00:57:46,309 --> 00:57:44,559
writer he asked about the council of

1633
00:57:47,670 --> 00:57:46,319
five now you and i have discussed this

1634
00:57:49,430 --> 00:57:47,680
before

1635
00:57:51,430 --> 00:57:49,440
but you had talked to a woman who

1636
00:58:03,349 --> 00:57:51,440
actually gave you a drawing of that

1637
00:58:06,789 --> 00:58:04,789
there was a woman i was reading an

1638
00:58:08,390 --> 00:58:06,799

article on that

1639

00:58:09,829 --> 00:58:08,400

because i i was going through a bunch of

1640

00:58:11,670 --> 00:58:09,839

stuff and i seen that picture and i was

1641

00:58:12,309 --> 00:58:11,680

like that caught my attention and then i

1642

00:58:14,950 --> 00:58:12,319

think

1643

00:58:16,069 --> 00:58:14,960

hey that's familiar and uh and then i

1644

00:58:18,549 --> 00:58:16,079

got to read an article

1645

00:58:20,710 --> 00:58:18,559

it was a woman but i never contacted her

1646

00:58:23,190 --> 00:58:20,720

or anything like that

1647

00:58:24,549 --> 00:58:23,200

but she was talking about council of

1648

00:58:25,829 --> 00:58:24,559

five and i think that's

1649

00:58:28,069 --> 00:58:25,839

he was talking about the council fight

1650

00:58:29,510 --> 00:58:28,079

but but i was being taken to see the

1651

00:58:32,150 --> 00:58:29,520

council of five and uh

1652

00:58:33,430 --> 00:58:32,160

we had to go through a series of uh of

1653

00:58:37,109 --> 00:58:33,440

uh security points

1654

00:58:38,950 --> 00:58:37,119

uh uh to get to them and it was like

1655

00:58:40,309 --> 00:58:38,960

when i was in that room there was a

1656

00:58:42,390 --> 00:58:40,319

table there

1657

00:58:44,549 --> 00:58:42,400

uh i was standing at the end of that

1658

00:58:46,230 --> 00:58:44,559

table where she said she was standing at

1659

00:58:47,990 --> 00:58:46,240

and then but when i was there they

1660

00:58:50,230 --> 00:58:48,000

brought these monkeys in

1661

00:58:52,069 --> 00:58:50,240

i'm like thinking the planet of the eggs

1662

00:58:53,510 --> 00:58:52,079

man's because it reminds me of

1663

00:58:55,430 --> 00:58:53,520

star wars you know because everybody's

1664

00:58:56,950 --> 00:58:55,440

kind of different looking and nobody

1665

00:58:58,470 --> 00:58:56,960

everybody was chit-chatting and it was

1666

00:59:01,670 --> 00:58:58,480

like smokey in there or

1667

00:59:03,589 --> 00:59:01,680

or dusty i i couldn't remember but uh

1668

00:59:04,710 --> 00:59:03,599

either but and nobody could understand

1669

00:59:07,030 --> 00:59:04,720

what the monkeys were saying and they

1670

00:59:08,870 --> 00:59:07,040

had these military outfits on and uh

1671

00:59:10,230 --> 00:59:08,880

and there was like chimpanzees which

1672

00:59:12,069 --> 00:59:10,240

they might know

1673

00:59:13,349 --> 00:59:12,079

and uh and nobody could understand when

1674

00:59:14,710 --> 00:59:13,359

one of these grace came up

1675

00:59:17,030 --> 00:59:14,720

and hit them on the side of the head

1676
00:59:17,829 --> 00:59:17,040
with one of these uh wands or whatever

1677
00:59:19,190 --> 00:59:17,839
then

1678
00:59:20,549 --> 00:59:19,200
everybody in the room could hear my

1679
00:59:21,190 --> 00:59:20,559
instantly god shut up and they could

1680
00:59:22,870 --> 00:59:21,200
hear what he was

1681
00:59:24,150 --> 00:59:22,880
trying to say to him i couldn't

1682
00:59:25,589 --> 00:59:24,160
understand what he was trying to say but

1683
00:59:28,710 --> 00:59:25,599
everybody else could

1684
00:59:30,390 --> 00:59:28,720
but uh and i you know i was like

1685
00:59:32,150 --> 00:59:30,400
i'm thinking these guys are talking to

1686
00:59:33,510 --> 00:59:32,160
these guys and they're not talking to me

1687
00:59:36,230 --> 00:59:33,520
this is after

1688
00:59:37,030 --> 00:59:36,240

i think so that's the the fact of the

1689

00:59:38,950 --> 00:59:37,040

future

1690

00:59:40,230 --> 00:59:38,960

yeah it was actually because i think

1691

00:59:41,349 --> 00:59:40,240

they were trying to tell what he's gonna

1692

00:59:43,030 --> 00:59:41,359

do with me because i knew too much

1693

00:59:46,309 --> 00:59:43,040

information or something

1694

00:59:46,950 --> 00:59:46,319

uh but yeah it was uh it was it was

1695

00:59:51,510 --> 00:59:46,960

strange

1696

00:59:53,430 --> 00:59:51,520

and i remember going through all the

1697

00:59:54,309 --> 00:59:53,440

security points and everything else it's

1698

00:59:57,910 --> 00:59:54,319

uh

1699

01:00:00,150 --> 00:59:57,920

was like it seemed like he was on the

1700

01:00:02,549 --> 01:00:00,160

moon or something it was low

1701

01:00:04,390 --> 01:00:02,559

gravity that the sky looks the same and

1702

01:00:06,309 --> 01:00:04,400

it looked like the dunes uh

1703

01:00:07,510 --> 01:00:06,319

it could have been on the moon i i'm i'm

1704

01:00:09,510 --> 01:00:07,520

not saying it was for true but

1705

01:00:11,670 --> 01:00:09,520

it sure could have been you know the

1706

01:00:14,150 --> 01:00:11,680

references that i have found about the

1707

01:00:16,150 --> 01:00:14,160

council of five myself

1708

01:00:18,470 --> 01:00:16,160

keep mentioning the dark side of the

1709

01:00:20,470 --> 01:00:18,480

moon in an underground facility and

1710

01:00:22,630 --> 01:00:20,480

you know i don't know if that's true or

1711

01:00:24,549 --> 01:00:22,640

not but some of the things that you

1712

01:00:26,069 --> 01:00:24,559

said to me and others have said to me

1713

01:00:27,990 --> 01:00:26,079

there's something going on

1714

01:00:30,710 --> 01:00:28,000

i don't know if they're modern they're

1715

01:00:32,950 --> 01:00:30,720

probably monitoring us

1716

01:00:34,789 --> 01:00:32,960

yeah for some reason or other or

1717

01:00:35,750 --> 01:00:34,799

whatever it is but there's definitely

1718

01:00:37,750 --> 01:00:35,760

something

1719

01:00:40,069 --> 01:00:37,760

going on there that you know i i'm

1720

01:00:41,829 --> 01:00:40,079

continuously looking into this

1721

01:00:43,109 --> 01:00:41,839

i hope i can get some answers now i did

1722

01:00:45,750 --> 01:00:43,119

get a question from

1723

01:00:46,710 --> 01:00:45,760

brian here he talks again about your uh

1724

01:00:50,789 --> 01:00:46,720

how you used to

1725

01:00:53,910 --> 01:00:50,799

uh capture these beings with the uh

1726

01:00:55,990 --> 01:00:53,920

the reflective mirrors that the

1727

01:00:57,829 --> 01:00:56,000

security mirrors and but you use

1728

01:01:01,109 --> 01:00:57,839

something different now don't you

1729

01:01:03,589 --> 01:01:01,119

yeah i i use them all now i uh i use a

1730

01:01:04,630 --> 01:01:03,599

actually uh i use a one gallon jug of

1731

01:01:08,549 --> 01:01:04,640

water

1732

01:01:11,910 --> 01:01:08,559

doesn't lie it doesn't have it

1733

01:01:15,109 --> 01:01:11,920

in july but uh it produces like a 3d

1734

01:01:15,910 --> 01:01:15,119

image inside the bottle of water that

1735

01:01:19,750 --> 01:01:15,920

i'm

1736

01:01:22,390 --> 01:01:19,760

you know i could look at the uh it

1737

01:01:23,990 --> 01:01:22,400

produces a pretty good image because

1738

01:01:26,870 --> 01:01:24,000

when i have company over

1739

01:01:28,069 --> 01:01:26,880

and they uh they want to see them uh i

1740

01:01:30,230 --> 01:01:28,079

have to show them to them in this

1741

01:01:31,670 --> 01:01:30,240

way because they have a hard time seeing

1742

01:01:33,190 --> 01:01:31,680

them the way i do they

1743

01:01:34,950 --> 01:01:33,200

actually don't know how to see them

1744

01:01:38,230 --> 01:01:34,960

unless they're slipping up

1745

01:01:41,510 --> 01:01:38,240

and uh or being careless back

1746

01:01:43,589 --> 01:01:41,520

yeah it's uh i i used uh

1747

01:01:45,109 --> 01:01:43,599

i got some pictures of some stuff going

1748

01:01:47,190 --> 01:01:45,119

on with my one of my daughter's

1749

01:01:48,549 --> 01:01:47,200

friends that was over here my daughter

1750

01:01:52,230 --> 01:01:48,559

was staying with me for a little bit

1751
01:01:54,390 --> 01:01:52,240
and uh yeah you remember that one uh

1752
01:01:55,750 --> 01:01:54,400
yes i do and you know i didn't send it

1753
01:01:57,430 --> 01:01:55,760
over to

1754
01:01:59,349 --> 01:01:57,440
we'll have to use that the next time we

1755
01:02:01,510 --> 01:01:59,359
have um

1756
01:02:02,470 --> 01:02:01,520
we have you on but that is a freaky

1757
01:02:05,670 --> 01:02:02,480
picture

1758
01:02:08,630 --> 01:02:05,680
this is behind your

1759
01:02:10,870 --> 01:02:08,640
daughter's friend yeah yeah i mean in

1760
01:02:12,470 --> 01:02:10,880
the dining room that is so bizarre

1761
01:02:14,470 --> 01:02:12,480
they ran across the floor it looks like

1762
01:02:16,230 --> 01:02:14,480
an octopus and it's black

1763
01:02:18,309 --> 01:02:16,240

and run across the floor and lift up on

1764

01:02:20,150 --> 01:02:18,319

the back of her chair so gracefully

1765

01:02:21,990 --> 01:02:20,160

and they're like holy crap and so i

1766

01:02:24,470 --> 01:02:22,000

rented my room grabbed my cell phone

1767

01:02:25,910 --> 01:02:24,480

and i grabbed the uh i got i have my

1768

01:02:26,870 --> 01:02:25,920

daughter gave me this stainless steel

1769

01:02:29,029 --> 01:02:26,880

ball it's really

1770

01:02:29,990 --> 01:02:29,039

highly polished probably a decorative

1771

01:02:31,910 --> 01:02:30,000

piece or something but

1772

01:02:33,109 --> 01:02:31,920

i put my phone to that so i could see

1773

01:02:34,630 --> 01:02:33,119

there was more going on than i could

1774

01:02:36,630 --> 01:02:34,640

even see with my eyes going on there was

1775

01:02:38,870 --> 01:02:36,640

another guy standing in the kitchen

1776

01:02:40,549 --> 01:02:38,880

doorway and there's another one standing

1777

01:02:41,349 --> 01:02:40,559

by him and then uh there's other stuff

1778

01:02:43,190 --> 01:02:41,359

going on

1779

01:02:44,710 --> 01:02:43,200

but yeah that i never seen anything like

1780

01:02:45,750 --> 01:02:44,720

that it was like an octopus looking

1781

01:02:47,750 --> 01:02:45,760

thing it had like

1782

01:02:49,589 --> 01:02:47,760

long tentacled legs and it had like

1783

01:02:50,870 --> 01:02:49,599

flippers on the end of its feet i don't

1784

01:02:52,710 --> 01:02:50,880

i don't know what it was i've never seen

1785

01:02:53,430 --> 01:02:52,720

i only seen it at one time got pictures

1786

01:02:56,230 --> 01:02:53,440

of it so

1787

01:02:56,950 --> 01:02:56,240

yeah so that was pretty good it was

1788

01:02:59,910 --> 01:02:56,960

really good

1789

01:03:00,630 --> 01:02:59,920

but what was me talking about what i

1790

01:03:02,549 --> 01:03:00,640

don't

1791

01:03:04,309 --> 01:03:02,559

uh was talking about how i was getting

1792

01:03:06,150 --> 01:03:04,319

the photos yeah i was using i'm using a

1793

01:03:08,470 --> 01:03:06,160

one gallon jug of water which

1794

01:03:10,470 --> 01:03:08,480

really works because water don't lie and

1795

01:03:14,470 --> 01:03:10,480

i try to set it up in such a way that

1796

01:03:15,829 --> 01:03:14,480

uh uh that that you can't

1797

01:03:17,589 --> 01:03:15,839

figure i'm not catching anything else

1798

01:03:19,190 --> 01:03:17,599

but while i'm catching what's in uh

1799

01:03:21,109 --> 01:03:19,200

going on in the room

1800

01:03:22,230 --> 01:03:21,119

uh and i do it for everybody else i

1801

01:03:23,990 --> 01:03:22,240

don't have to have it

1802

01:03:25,750 --> 01:03:24,000

for me to see it but i have to have an

1803

01:03:27,589 --> 01:03:25,760

order for everybody else because

1804

01:03:28,950 --> 01:03:27,599

it takes years to figure out how to see

1805

01:03:31,109 --> 01:03:28,960

what you see

1806

01:03:31,990 --> 01:03:31,119

uh without that stuff but it even helps

1807

01:03:33,910 --> 01:03:32,000

me to see better

1808

01:03:35,190 --> 01:03:33,920

too i get more detail about it when i

1809

01:03:36,870 --> 01:03:35,200

look at it that way

1810

01:03:38,309 --> 01:03:36,880

uh it shows me things that i can't see

1811

01:03:41,670 --> 01:03:38,319

with my own eyes going on

1812

01:03:44,549 --> 01:03:41,680

uh sometimes so but yeah

1813

01:03:44,870 --> 01:03:44,559

it's uh well and your daughter-in-law

1814

01:03:50,230 --> 01:03:44,880

had

1815

01:03:51,190 --> 01:03:50,240

your granddaughter has also been seeing

1816

01:03:53,990 --> 01:03:51,200

these beings

1817

01:03:55,349 --> 01:03:54,000

yeah uh you've had friends that have

1818

01:04:00,390 --> 01:03:55,359

come in

1819

01:04:06,870 --> 01:04:01,829

i guess i'm going to have to come down

1820

01:04:12,470 --> 01:04:10,150

and you want to thank you one of my

1821

01:04:13,990 --> 01:04:12,480

friend family a young female stand with

1822

01:04:16,069 --> 01:04:14,000

me she stayed in that room

1823

01:04:17,029 --> 01:04:16,079

and uh her mom was telling her because

1824

01:04:20,549 --> 01:04:17,039

she was scared

1825

01:04:22,470 --> 01:04:20,559

too i think so she took my mom told me

1826

01:04:23,910 --> 01:04:22,480

saying take some brick and

1827

01:04:25,430 --> 01:04:23,920

pulverize it and put it in front of the

1828

01:04:26,150 --> 01:04:25,440

door won't let them in i said they're

1829

01:04:31,589 --> 01:04:26,160

not

1830

01:04:34,390 --> 01:04:31,599

kidding everybody

1831

01:04:35,029 --> 01:04:34,400

but uh they do what they want the flesh

1832

01:04:38,230 --> 01:04:35,039

and blood

1833

01:04:42,470 --> 01:04:40,150

it's hard to explain it to people but

1834

01:04:44,950 --> 01:04:42,480

they they can control their density

1835

01:04:46,309 --> 01:04:44,960

somehow i don't i guess if you're in the

1836

01:04:46,950 --> 01:04:46,319

fourth dimension you would learn how to

1837

01:04:50,150 --> 01:04:46,960

do that

1838

01:04:51,109 --> 01:04:50,160

but right uh i and they have a cloaking

1839

01:04:53,829 --> 01:04:51,119

ability so

1840

01:04:54,950 --> 01:04:53,839

and you know what dr mitra cocky was

1841

01:04:56,630 --> 01:04:54,960

talking

1842

01:04:59,190 --> 01:04:56,640

one time on one of his lectures and

1843

01:05:00,789 --> 01:04:59,200

started when we invented invisibility

1844

01:05:02,549 --> 01:05:00,799

says you won't be able to cover your

1845

01:05:04,549 --> 01:05:02,559

eyes and uh

1846

01:05:07,349 --> 01:05:04,559

these guys cannot cover their eyes with

1847

01:05:08,549 --> 01:05:07,359

it and it's like how does he know that

1848

01:05:10,549 --> 01:05:08,559

i would did he do it with the

1849

01:05:13,990 --> 01:05:10,559

mathematical equation and how does he

1850

01:05:15,990 --> 01:05:14,000

know because he don't like to talk about

1851

01:05:17,270 --> 01:05:16,000

stuff like aliens or anything like that

1852

01:05:20,150 --> 01:05:17,280

he doesn't want to get mixed up in it i

1853

01:05:22,150 --> 01:05:20,160

don't blame him but uh

1854

01:05:23,589 --> 01:05:22,160

but how does he know that then you won't

1855

01:05:25,190 --> 01:05:23,599

belt cover up your eyes he said you

1856

01:05:26,950 --> 01:05:25,200

won't bother your own shield

1857

01:05:28,230 --> 01:05:26,960

these guys can't see through their own

1858

01:05:30,069 --> 01:05:28,240

field so

1859

01:05:31,589 --> 01:05:30,079

they they don't cover their eyes with

1860

01:05:34,069 --> 01:05:31,599

their own shielding

1861

01:05:34,870 --> 01:05:34,079

so and depending on what they're wearing

1862

01:05:37,029 --> 01:05:34,880

makes them uh

1863

01:05:38,309 --> 01:05:37,039

more invisible too so it's not a perfect

1864

01:05:41,270 --> 01:05:38,319

system

1865

01:05:41,829 --> 01:05:41,280

but uh but yeah it can be duplicated and

1866

01:05:43,589 --> 01:05:41,839

i

1867

01:05:45,349 --> 01:05:43,599

probably wouldn't be too far off from uh

1868

01:05:49,029 --> 01:05:45,359

going to produce it myself but i can't

1869

01:05:51,750 --> 01:05:49,039

guarantee it wouldn't cause you cancer

1870

01:05:52,950 --> 01:05:51,760

but uh i've been seeing that that's my a

1871

01:05:55,029 --> 01:05:52,960

big interest of mine is

1872

01:05:57,670 --> 01:05:55,039

how they doing it and what they got and

1873

01:05:59,990 --> 01:05:57,680

so you need some resonators for sure

1874

01:06:00,950 --> 01:06:00,000

but the frequency i think i already got

1875

01:06:03,589 --> 01:06:00,960

and i think i

1876

01:06:04,789 --> 01:06:03,599

i got that from darpa they they uh

1877

01:06:07,430 --> 01:06:04,799

partially patent

1878

01:06:08,309 --> 01:06:07,440

partial invisibility so we're not so far

1879

01:06:11,430 --> 01:06:08,319

off

1880

01:06:12,150 --> 01:06:11,440

so but anyway i could make probably a

1881

01:06:18,150 --> 01:06:12,160

crude device

1882

01:06:23,670 --> 01:06:18,160

doing it so um

1883

01:06:30,829 --> 01:06:28,069

uh i'm trying to i'm seeing if i'm

1884

01:06:33,670 --> 01:06:30,839

getting any more questions in here

1885

01:06:37,029 --> 01:06:33,680

um uh

1886

01:06:37,910 --> 01:06:37,039

do you feel like the reptilians are at

1887

01:06:42,789 --> 01:06:37,920

war with

1888

01:06:46,150 --> 01:06:42,799

maybe

1889

01:06:48,549 --> 01:06:46,160

i don't know yeah

1890

01:06:50,549 --> 01:06:48,559

they they're alright they are at uh war

1891

01:06:52,069 --> 01:06:50,559

with somebody and i don't know who it is

1892

01:06:53,910 --> 01:06:52,079

but they said it's a war that they

1893

01:06:55,190 --> 01:06:53,920

believe it's been going on for a very

1894

01:06:58,470 --> 01:06:55,200

very long time

1895

01:07:00,549 --> 01:06:58,480

but i just overheard him talking and uh

1896

01:07:02,150 --> 01:07:00,559

i've seen some battle scenes that was

1897

01:07:05,990 --> 01:07:02,160

going on battle areas that

1898

01:07:07,670 --> 01:07:06,000

i was seeing uh and uh it looked like

1899

01:07:09,270 --> 01:07:07,680

buildings were on fire and stuff like

1900

01:07:10,870 --> 01:07:09,280

that and uh but they

1901

01:07:12,789 --> 01:07:10,880

fight different from the way we fight

1902

01:07:14,630 --> 01:07:12,799

they think the way we fight is

1903

01:07:16,390 --> 01:07:14,640

cowardly they want to go battle

1904

01:07:18,710 --> 01:07:16,400

head-to-head battle

1905

01:07:20,069 --> 01:07:18,720

uh and because they're in the very

1906

01:07:21,910 --> 01:07:20,079

beginning they were showing me stuff

1907

01:07:24,710 --> 01:07:21,920

that was going on in

1908

01:07:25,510 --> 01:07:24,720

the uh the last war that we had with uh

1909

01:07:27,430 --> 01:07:25,520

baghdad

1910

01:07:28,630 --> 01:07:27,440

and stuff and they were showing me uh

1911

01:07:30,630 --> 01:07:28,640

how they was flushing

1912

01:07:32,390 --> 01:07:30,640

uh the military was flushing people out

1913

01:07:35,910 --> 01:07:32,400

of buildings how they was doing it

1914

01:07:38,549 --> 01:07:35,920

pretty good tactic i mean this market uh

1915

01:07:39,990 --> 01:07:38,559

our military using that tactic and and

1916

01:07:41,349 --> 01:07:40,000

it was like you know about this you know

1917

01:07:44,630 --> 01:07:41,359

about this you know it's like

1918

01:07:46,230 --> 01:07:44,640

you know that was like so i

1919

01:07:48,789 --> 01:07:46,240

i mean i don't know i had nothing to do

1920

01:07:50,549 --> 01:07:48,799

with it it's like i have no power at all

1921

01:07:52,470 --> 01:07:50,559

uh but there's asking questions like

1922

01:07:54,549 --> 01:07:52,480

that and uh i've seen a lot of stuff

1923

01:07:56,710 --> 01:07:54,559

going on there but yeah there was uh

1924

01:07:57,589 --> 01:07:56,720

they're a battle with somebody i don't

1925

01:07:59,190 --> 01:07:57,599

know who it is

1926

01:08:01,589 --> 01:07:59,200

and they believe that they can win it

1927

01:08:03,829 --> 01:08:01,599

but it's like

1928

01:08:05,430 --> 01:08:03,839

i don't know why they're battling them

1929

01:08:07,910 --> 01:08:05,440

uh it could be

1930

01:08:08,470 --> 01:08:07,920

i don't know uh we would probably be at

1931

01:08:11,349 --> 01:08:08,480

war with

1932

01:08:11,750 --> 01:08:11,359

them eventually i don't know maybe not

1933

01:08:14,069 --> 01:08:11,760

because

1934

01:08:15,910 --> 01:08:14,079

not all of them are bad not all in bad

1935

01:08:19,030 --> 01:08:15,920

but uh there are some

1936

01:08:21,110 --> 01:08:19,040

not all humans are good neither so it's

1937

01:08:22,950 --> 01:08:21,120

hard telling you we can be programmed to

1938

01:08:24,229 --> 01:08:22,960

hate and like whoever they want us to

1939

01:08:26,470 --> 01:08:24,239

hate and like

1940

01:08:27,349 --> 01:08:26,480

you know say oh the japanese were

1941

01:08:29,510 --> 01:08:27,359

telling

1942

01:08:31,349 --> 01:08:29,520

everybody that we eat babies and stuff

1943

01:08:32,789 --> 01:08:31,359

you know that that made all the japanese

1944

01:08:34,789 --> 01:08:32,799

hate us you know so

1945

01:08:36,950 --> 01:08:34,799

that's during world war ii you know so

1946

01:08:38,950 --> 01:08:36,960

yeah yeah absolutely

1947

01:08:40,309 --> 01:08:38,960

yeah so they but you know where they

1948

01:08:44,229 --> 01:08:40,319

tell them in north korea

1949

01:08:45,749 --> 01:08:44,239

and i was like uh so it's

1950

01:08:47,669 --> 01:08:45,759

they they say all kinds of awful things

1951

01:08:47,990 --> 01:08:47,679

and their people believe it or they have

1952

01:08:49,990 --> 01:08:48,000

no

1953

01:08:51,430 --> 01:08:50,000

choice to believe it because they get

1954

01:08:55,510 --> 01:08:51,440

their head cut off they don't

1955

01:08:59,189 --> 01:08:55,520

so what a strange world we live on

1956

01:09:02,149 --> 01:08:59,199

um any more questions

1957

01:09:03,910 --> 01:09:02,159

yeah folks you got more questions uh put

1958

01:09:07,269 --> 01:09:03,920

them up here

1959

01:09:09,349 --> 01:09:07,279

i like really good yeah he wants

1960

01:09:12,789 --> 01:09:09,359

uh johnny d wants to know if uh you

1961

01:09:15,269 --> 01:09:12,799

think these aliens rely on deception

1962

01:09:16,229 --> 01:09:15,279

as a major tool to fool us and make

1963

01:09:19,430 --> 01:09:16,239

abductees

1964

01:09:22,070 --> 01:09:19,440

think that they are special

1965

01:09:22,950 --> 01:09:22,080

yeah yeah you're right you're you're

1966

01:09:26,390 --> 01:09:22,960

right on track

1967

01:09:29,349 --> 01:09:26,400

i mean all your reasoning is right there

1968

01:09:31,349 --> 01:09:29,359

uh yeah they they they try to accept me

1969

01:09:33,669 --> 01:09:31,359

they try to uh

1970

01:09:34,390 --> 01:09:33,679

and but it's like getting to know

1971

01:09:36,709 --> 01:09:34,400

somebody for

1972

01:09:38,470 --> 01:09:36,719

so long you know who's joshing you and

1973

01:09:41,430 --> 01:09:38,480

who's not joshing you you know

1974

01:09:41,910 --> 01:09:41,440

uh i don't know all the answers but uh

1975

01:09:44,149 --> 01:09:41,920

yeah

1976

01:09:45,829 --> 01:09:44,159

they they full deception that's why they

1977

01:09:47,430 --> 01:09:45,839

were costumes that's part of the

1978

01:09:49,510 --> 01:09:47,440

deception as well

1979

01:09:51,189 --> 01:09:49,520

uh because sooner or later we're gonna

1980

01:09:51,829 --> 01:09:51,199

we're gonna meet up with them and they

1981

01:09:53,910 --> 01:09:51,839

don't want

1982

01:09:56,229 --> 01:09:53,920

us to know that it was them doing all

1983

01:09:59,510 --> 01:09:56,239

their abductions you know so

1984

01:10:01,110 --> 01:09:59,520

uh and so i mean because they're gonna

1985

01:10:03,990 --> 01:10:01,120

want to do business with us

1986

01:10:04,870 --> 01:10:04,000

they do business with everybody else uh

1987

01:10:06,790 --> 01:10:04,880

so they're gonna

1988

01:10:08,390 --> 01:10:06,800

they might be doing business with us now

1989

01:10:11,669 --> 01:10:08,400

because i've seen things that

1990

01:10:13,430 --> 01:10:11,679

that shows that we are but they don't

1991

01:10:15,270 --> 01:10:13,440

really like humans that much

1992

01:10:17,110 --> 01:10:15,280

i mean the reptilians are running the

1993

01:10:20,310 --> 01:10:17,120

show and i think everybody

1994

01:10:23,830 --> 01:10:20,320

below including the greys are

1995

01:10:25,510 --> 01:10:23,840

are under their thumb i really do and uh

1996

01:10:27,110 --> 01:10:25,520

so

1997

01:10:30,470 --> 01:10:27,120

they're gonna be calling all the shots

1998

01:10:33,590 --> 01:10:30,480

one day probably for us uh

1999

01:10:34,229 --> 01:10:33,600

yeah you're right deception and you

2000

01:10:35,669 --> 01:10:34,239

can't

2001
01:10:37,510 --> 01:10:35,679
you know because i always have to look

2002
01:10:40,550 --> 01:10:37,520
at what they're showing me

2003
01:10:41,910 --> 01:10:40,560
is what i'm actually seeing or or

2004
01:10:44,070 --> 01:10:41,920
what they want me to see or the

2005
01:10:47,590 --> 01:10:44,080
information they want me to know

2006
01:10:49,430 --> 01:10:47,600
uh you know i was like how much of it

2007
01:10:51,669 --> 01:10:49,440
has been the world pulled over my own

2008
01:10:52,310 --> 01:10:51,679
eyes you know i always wondered that too

2009
01:10:55,590 --> 01:10:52,320
but

2010
01:10:58,870 --> 01:10:55,600
hopefully i'm on the right track still

2011
01:11:02,870 --> 01:10:58,880
i tried you were you just were just

2012
01:11:05,910 --> 01:11:02,880
involved with the uh with the

2013
01:11:12,870 --> 01:11:08,950

about uh reptilians uh

2014

01:11:14,470 --> 01:11:12,880

that you registered and uh

2015

01:11:16,229 --> 01:11:14,480

can you tell us a little bit about that

2016

01:11:19,430 --> 01:11:16,239

or are you kind of

2017

01:11:23,030 --> 01:11:19,440

no i i didn't talk about it the trailer

2018

01:11:27,590 --> 01:11:23,040

is uh is out out there on on a

2019

01:11:31,030 --> 01:11:27,600

video now it's a uh chris uh

2020

01:11:33,189 --> 01:11:31,040

uh well his name would lose me so uh

2021

01:11:34,229 --> 01:11:33,199

let's stop telling youtube just type in

2022

01:11:42,070 --> 01:11:34,239

uh uh

2023

01:11:46,149 --> 01:11:43,990

yeah you're you're we're kind of losing

2024

01:11:56,630 --> 01:11:46,159

it back and forth here

2025

01:12:00,390 --> 01:11:58,550

well i don't know folks i think this is

2026

01:12:03,590 --> 01:12:00,400
probably going to be it because

2027

01:12:05,189 --> 01:12:03,600
uh unfortunately david's froze up on me

2028

01:12:10,390 --> 01:12:05,199
my daughter was actually did

2029

01:12:16,070 --> 01:12:13,430
yeah i don't know about okay 30

2030

01:12:17,910 --> 01:12:16,080
30 seconds maybe okay well chris turner

2031

01:12:20,550 --> 01:12:17,920
is the guy who put it out there uh

2032

01:12:22,229 --> 01:12:20,560
yeah chris turner don't mention the

2033

01:12:23,990 --> 01:12:22,239
reptilians or something like that

2034

01:12:25,750 --> 01:12:24,000
and that's true there's some kind of

2035

01:12:27,590 --> 01:12:25,760
stigma going on like

2036

01:12:29,669 --> 01:12:27,600
there's little great gray guys but

2037

01:12:30,070 --> 01:12:29,679
there's no uh reptilians you know it's

2038

01:12:35,110 --> 01:12:30,080

like

2039

01:12:37,189 --> 01:12:35,120

story it sounds too fantastic i'm sorry

2040

01:12:38,550 --> 01:12:37,199

for all the researchers that think it

2041

01:12:41,189 --> 01:12:38,560

sounds too fantastic

2042

01:12:42,709 --> 01:12:41,199

but you're missing out uh you're missing

2043

01:12:43,590 --> 01:12:42,719

out a lot of information that you should

2044

01:12:46,229 --> 01:12:43,600

probably be

2045

01:12:47,750 --> 01:12:46,239

listening to you guys need to talk to

2046

01:12:49,590 --> 01:12:47,760

each other instead of

2047

01:12:51,189 --> 01:12:49,600

arguing with each other about what's

2048

01:12:54,310 --> 01:12:51,199

really going on

2049

01:12:56,229 --> 01:12:54,320

uh and there's a lot more going on than

2050

01:12:57,830 --> 01:12:56,239

than just little gray guys let me tell

2051

01:13:00,390 --> 01:12:57,840

you uh

2052

01:13:01,030 --> 01:13:00,400

and do i feel like i'm been chosen i

2053

01:13:02,630 --> 01:13:01,040

don't know

2054

01:13:04,070 --> 01:13:02,640

what the deal is because they never told

2055

01:13:06,229 --> 01:13:04,080

me directly why

2056

01:13:08,470 --> 01:13:06,239

they come why i got connection with them

2057

01:13:11,590 --> 01:13:08,480

but it might be something that i've done

2058

01:13:13,510 --> 01:13:11,600

or something i do in the future uh

2059

01:13:15,030 --> 01:13:13,520

that's gonna affect them in some way

2060

01:13:16,870 --> 01:13:15,040

that i don't know

2061

01:13:18,950 --> 01:13:16,880

but they've helped me and they scared

2062

01:13:22,070 --> 01:13:18,960

the hell out of me and uh

2063

01:13:24,950 --> 01:13:22,080

and i've seen things that that

2064

01:13:26,950 --> 01:13:24,960

that i i can't even talk about but uh so

2065

01:13:28,310 --> 01:13:26,960

are they good or bad i don't know but

2066

01:13:30,790 --> 01:13:28,320

the other researchers need to get it

2067

01:13:33,590 --> 01:13:30,800

together and it's more more than just

2068

01:13:34,470 --> 01:13:33,600

little gray guys going on this is uh

2069

01:13:36,229 --> 01:13:34,480

this is

2070

01:13:37,910 --> 01:13:36,239

more this not just happening to me it's

2071

01:13:39,189 --> 01:13:37,920

happening to a lot of people

2072

01:13:41,350 --> 01:13:39,199

a lot of people won't talk about it i

2073

01:13:43,750 --> 01:13:41,360

don't blame them uh

2074

01:13:44,550 --> 01:13:43,760

i'm not gotten rich off of this or

2075

01:13:48,149 --> 01:13:44,560

anything like that

2076

01:13:50,310 --> 01:13:48,159

i i everything i tell is uh

2077

01:13:51,590 --> 01:13:50,320

for the truth because everybody deserves

2078

01:13:54,870 --> 01:13:51,600

it i believe

2079

01:13:56,709 --> 01:13:54,880

and uh and i've taken the blunt of the

2080

01:13:59,510 --> 01:13:56,719

whole story these guys are wearing

2081

01:14:00,470 --> 01:13:59,520

me down they are wearing me down bad i

2082

01:14:02,790 --> 01:14:00,480

mean

2083

01:14:04,870 --> 01:14:02,800

they i don't know how much longer i go

2084

01:14:07,590 --> 01:14:04,880

on like i swear to god

2085

01:14:09,189 --> 01:14:07,600

sometimes it gets really tough but uh

2086

01:14:10,630 --> 01:14:09,199

yeah they're wearing me down

2087

01:14:15,350 --> 01:14:10,640

i haven't had a decent night's sleep in

2088

01:14:18,630 --> 01:14:15,360

20 years oh

2089

01:14:21,270 --> 01:14:18,640

they're aging me bad so um

2090

01:14:23,030 --> 01:14:21,280

but yeah they do i don't wish this on

2091

01:14:24,950 --> 01:14:23,040

nobody so i'm taking the blowing of

2092

01:14:27,189 --> 01:14:24,960

everything lines taking the blunt

2093

01:14:28,709 --> 01:14:27,199

of everything on his enemy stick for me

2094

01:14:31,910 --> 01:14:28,719

and i can't thank him enough

2095

01:14:36,310 --> 01:14:31,920

but uh and he's he's done a good job so

2096

01:14:39,350 --> 01:14:36,320

i wouldn't be here yeah

2097

01:14:41,510 --> 01:14:39,360

there's one question here i uh from

2098

01:14:45,270 --> 01:14:41,520

vincent wanted to know uh

2099

01:14:48,470 --> 01:14:45,280

the in between portal areas the

2100

01:14:50,070 --> 01:14:48,480

uh can you talk about that when you're

2101

01:14:53,270 --> 01:14:50,080

you're going through

2102

01:14:55,750 --> 01:14:53,280

what's actually happening i

2103

01:14:58,390 --> 01:14:55,760

i don't you hear a lot of things inside

2104

01:15:01,590 --> 01:14:58,400

there it's like a buffer zone between

2105

01:15:03,350 --> 01:15:01,600

the worlds or or or dimensions or

2106

01:15:05,030 --> 01:15:03,360

whatever it is i don't

2107

01:15:06,709 --> 01:15:05,040

in there it's like being in space it's

2108

01:15:08,070 --> 01:15:06,719

like you can't tell what's up and what's

2109

01:15:10,630 --> 01:15:08,080

down but

2110

01:15:12,229 --> 01:15:10,640

but it has a floor to it but i would i

2111

01:15:13,750 --> 01:15:12,239

never touched the floor because

2112

01:15:15,990 --> 01:15:13,760

i've always been on a gurney or they're

2113

01:15:16,709 --> 01:15:16,000

carrying me through there uh but you can

2114

01:15:18,790 --> 01:15:16,719

hear

2115

01:15:20,229 --> 01:15:18,800

the guys that they usually bring

2116

01:15:22,229 --> 01:15:20,239

military

2117

01:15:24,070 --> 01:15:22,239

guys in there with uh and you can hear

2118

01:15:24,870 --> 01:15:24,080

them uh marching through them they're

2119

01:15:27,590 --> 01:15:24,880

rushing us

2120

01:15:29,350 --> 01:15:27,600

you know go go go go and like they're

2121

01:15:31,430 --> 01:15:29,360

paranoid there's hell to whatever's in

2122

01:15:35,030 --> 01:15:31,440

there i don't know if that's

2123

01:15:36,229 --> 01:15:35,040

that's uh i don't know it doesn't have

2124

01:15:39,590 --> 01:15:36,239

no smell in there

2125

01:15:40,870 --> 01:15:39,600

it doesn't uh uh it's hard to tell which

2126

01:15:44,630 --> 01:15:40,880

is up which is down

2127

01:15:46,950 --> 01:15:44,640

um but that could be because of the

2128

01:15:48,709 --> 01:15:46,960

what they uh uh kind of drug you up on i

2129

01:15:50,709 --> 01:15:48,719

think they use the pineal gland to

2130

01:15:52,709 --> 01:15:50,719

drug you up with your own stuff why use

2131

01:15:54,950 --> 01:15:52,719

their own [h__h] and you gotta

2132

01:15:56,709 --> 01:15:54,960

uh your they use you against yourself

2133

01:15:58,950 --> 01:15:56,719

they know everything about us

2134

01:16:00,550 --> 01:15:58,960

but uh so they can use it all against us

2135

01:16:03,750 --> 01:16:00,560

so um

2136

01:16:06,070 --> 01:16:03,760

it's uh i i

2137

01:16:07,910 --> 01:16:06,080

don't see much and it's just it's a it's

2138

01:16:09,510 --> 01:16:07,920

a strange area

2139

01:16:11,430 --> 01:16:09,520

and and when every time i've gone

2140

01:16:12,790 --> 01:16:11,440

through there

2141

01:16:14,229 --> 01:16:12,800

they don't seem to like it in there and

2142

01:16:15,590 --> 01:16:14,239

it's like i don't know why they don't

2143

01:16:17,590 --> 01:16:15,600

like it being there i don't know

2144

01:16:19,669 --> 01:16:17,600

but you can hear noises going off in the

2145

01:16:21,830 --> 01:16:19,679

distance

2146

01:16:22,709 --> 01:16:21,840

and uh i think maybe i captured some of

2147

01:16:26,550 --> 01:16:22,719

those noises

2148

01:16:28,470 --> 01:16:26,560

on audio one time during an induction uh

2149

01:16:30,229 --> 01:16:28,480

you know the the one i was telling you

2150

01:16:31,430 --> 01:16:30,239

with all the audio information on you

2151

01:16:33,350 --> 01:16:31,440

know with the audio that

2152

01:16:34,709 --> 01:16:33,360

there's one clip in there that they

2153

01:16:37,110 --> 01:16:34,719

showed on fact right there

2154

01:16:38,470 --> 01:16:37,120

floating entities not actually salty and

2155

01:16:39,830 --> 01:16:38,480

it's a female

2156

01:16:41,750 --> 01:16:39,840

and there's somebody standing in front

2157

01:16:43,270 --> 01:16:41,760

of her legs that's invisible so it was

2158

01:16:44,870 --> 01:16:43,280

blocking her legs it makes her looks

2159

01:16:47,189 --> 01:16:44,880

like she's floating she's really tall

2160

01:16:49,350 --> 01:16:47,199

like the ones that came in that's right

2161

01:16:51,590 --> 01:16:49,360

uh and and i cleared up the word they

2162

01:16:53,189 --> 01:16:51,600

was coming into the window

2163

01:16:54,630 --> 01:16:53,199

uh there's a bunch of them right there

2164

01:16:57,750 --> 01:16:54,640

at the window where it was sent

2165

01:17:01,030 --> 01:16:57,760

uh standing there so uh

2166

01:17:03,189 --> 01:17:01,040

i i i have that already

2167

01:17:04,630 --> 01:17:03,199

set up to send you the photos of that

2168

01:17:05,030 --> 01:17:04,640

because i just found them last night

2169

01:17:08,390 --> 01:17:05,040

because

2170

01:17:10,550 --> 01:17:08,400

my computer's got over 10 000

2171

01:17:11,750 --> 01:17:10,560

images on it and uh some of them all to

2172

01:17:15,189 --> 01:17:11,760

go go together

2173

01:17:17,590 --> 01:17:15,199

in a series so because when you

2174

01:17:18,470 --> 01:17:17,600

video record with your cell phone the

2175

01:17:21,669 --> 01:17:18,480

quality just

2176

01:17:23,669 --> 01:17:21,679

drops out yeah so uh yeah so

2177

01:17:25,270 --> 01:17:23,679

when you take pictures and put them

2178

01:17:25,669 --> 01:17:25,280

together you can see them kind of moving

2179

01:17:28,870 --> 01:17:25,679

around

2180

01:17:30,149 --> 01:17:28,880

what's going on i wish uh uh i had a

2181

01:17:32,070 --> 01:17:30,159

better camera and

2182

01:17:33,510 --> 01:17:32,080

and i could you could buy one for the

2183

01:17:36,470 --> 01:17:33,520

price of a small car

2184

01:17:36,950 --> 01:17:36,480

you know i was like uh did not cheat you

2185

01:17:38,870 --> 01:17:36,960

know

2186

01:17:40,470 --> 01:17:38,880

for uh especially one i would like i

2187

01:17:40,950 --> 01:17:40,480

told ben hanson i said you give me a

2188

01:17:43,189 --> 01:17:40,960

camera

2189

01:17:44,950 --> 01:17:43,199

that was over 100 frames a second

2190

01:17:47,270 --> 01:17:44,960

because i guarantee you

2191

01:17:47,990 --> 01:17:47,280

i guarantee i get the best video that

2192

01:17:50,390 --> 01:17:48,000

the world's

2193

01:17:51,590 --> 01:17:50,400

ever seen he goes well dave i just i

2194

01:17:53,430 --> 01:17:51,600

just can't help you guys

2195

01:17:54,630 --> 01:17:53,440

i could set you with the phone number

2196

01:17:57,830 --> 01:17:54,640

the guy uh

2197

01:17:58,229 --> 01:17:57,840

uh uh that he's a millionaire and he has

2198

01:18:00,630 --> 01:17:58,239

on

2199

01:18:02,550 --> 01:18:00,640

skin walker ranch or something like that

2200

01:18:04,709 --> 01:18:02,560

and uh

2201

01:18:05,990 --> 01:18:04,719

i'm done with this this is uh i you guys

2202

01:18:08,149 --> 01:18:06,000

got your investigation

2203

01:18:09,669 --> 01:18:08,159

i mean everybody got the investigation

2204

01:18:11,030 --> 01:18:09,679

the only reason why i did that tv show

2205

01:18:13,350 --> 01:18:11,040

was so everybody would

2206

01:18:14,229 --> 01:18:13,360

get an investigation some some kind of

2207

01:18:17,430 --> 01:18:14,239

investigation

2208

01:18:19,189 --> 01:18:17,440

so and and it turned out

2209

01:18:20,870 --> 01:18:19,199

i guess fairly well they still making

2210

01:18:23,189 --> 01:18:20,880

money off that that's good for them and

2211

01:18:25,430 --> 01:18:23,199

nbc sent me a letter thanking me for

2212

01:18:26,390 --> 01:18:25,440

because they had the most viewers on

2213

01:18:28,630 --> 01:18:26,400

that

2214

01:18:29,669 --> 01:18:28,640

show than they've ever had shattered

2215

01:18:32,229 --> 01:18:29,679

their record

2216

01:18:33,669 --> 01:18:32,239

they beat the super bowl and i was

2217

01:18:34,950 --> 01:18:33,679

impressed with that and i don't know how

2218

01:18:36,430 --> 01:18:34,960

they do the ratings

2219

01:18:39,270 --> 01:18:36,440

i really don't but they said it was over

2220

01:18:42,229 --> 01:18:39,280

137 million viewers

2221

01:18:43,110 --> 01:18:42,239

to watch that uh the first night is that

2222

01:18:46,149 --> 01:18:43,120

right

2223

01:18:47,510 --> 01:18:46,159

yeah i know they got a hell of a crowd

2224

01:18:50,630 --> 01:18:47,520

for that thing

2225

01:18:53,669 --> 01:18:50,640

yeah and so and uh they sent me a letter

2226

01:18:55,830 --> 01:18:53,679

they're thanking me you know

2227

01:18:56,870 --> 01:18:55,840

okay so maybe you could have paid me no

2228

01:18:59,510 --> 01:18:56,880

i just you know

2229

01:19:00,390 --> 01:18:59,520

so it's fine that's fine i got the

2230

01:19:03,110 --> 01:19:00,400

information out there

2231

01:19:04,630 --> 01:19:03,120

everybody got the investigation uh but

2232

01:19:06,790 --> 01:19:04,640

you know the like i was telling you

2233

01:19:08,229 --> 01:19:06,800

earlier on that the phenomenon is how

2234

01:19:10,149 --> 01:19:08,239

come some

2235

01:19:11,830 --> 01:19:10,159

company or scientist or whatever don't

2236

01:19:15,350 --> 01:19:11,840

come out with some real

2237

01:19:18,709 --> 01:19:17,669

prove me wrong somebody proved me

2238

01:19:21,430 --> 01:19:18,719

freaking wrong

2239

01:19:23,350 --> 01:19:21,440

that this is going on i just somebody do

2240

01:19:24,709 --> 01:19:23,360

it i don't i like to see him do it

2241

01:19:26,470 --> 01:19:24,719

they're going to come out here as a new

2242

01:19:29,270 --> 01:19:26,480

person i guarantee it

2243

01:19:30,630 --> 01:19:29,280

uh so i changed some people's minds too

2244

01:19:34,229 --> 01:19:30,640

so

2245

01:19:35,990 --> 01:19:34,239

uh any more questions um well i i will

2246

01:19:39,030 --> 01:19:36,000

tell you one thing when my wife was

2247

01:19:41,030 --> 01:19:39,040

alive she begged me not to come down

2248

01:19:42,709 --> 01:19:41,040

there with you

2249

01:19:43,990 --> 01:19:42,719

afraid i wasn't gonna come back she

2250

01:19:45,350 --> 01:19:44,000

thought they were gonna abduct me i

2251

01:19:48,709 --> 01:19:45,360

swear to god they did

2252

01:19:51,110 --> 01:19:48,719

she did i mean she was she was scared

2253

01:19:51,910 --> 01:19:51,120

yeah i i i wouldn't doubt it it's a lot

2254

01:19:54,070 --> 01:19:51,920

of people are scared

2255

01:19:55,510 --> 01:19:54,080

uh you know they don't believe me but

2256

01:19:56,630 --> 01:19:55,520

but they're too scared to come over you

2257

01:19:59,669 --> 01:19:56,640

know i was like you don't believe you

2258

01:20:04,310 --> 01:20:02,709

but uh you know when they take me

2259

01:20:05,750 --> 01:20:04,320

that's scary part two because i don't

2260

01:20:07,830 --> 01:20:05,760

know if i'm coming back

2261

01:20:09,430 --> 01:20:07,840

i really don't know and they was doing

2262

01:20:12,470 --> 01:20:09,440

yeah before they did the surgery and

2263

01:20:14,470 --> 01:20:12,480

stuff i didn't know what they were doing

2264

01:20:15,830 --> 01:20:14,480

they had a replica of me there that i

2265

01:20:17,430 --> 01:20:15,840

don't know if they was putting it in the

2266

01:20:19,750 --> 01:20:17,440

bag i don't know i wasn't there

2267

01:20:21,430 --> 01:20:19,760

to make my wife and she woke up she'd

2268

01:20:23,110 --> 01:20:21,440

still see me there but

2269

01:20:25,110 --> 01:20:23,120

they had a replica and they had them

2270

01:20:28,629 --> 01:20:25,120

sitting next to the park the whole door

2271

01:20:31,830 --> 01:20:28,639

and they using placing glass

2272

01:20:33,910 --> 01:20:31,840

in a comatose state and i don't i don't

2273

01:20:37,110 --> 01:20:33,920

know if it was rubber or if it was

2274

01:20:39,430 --> 01:20:37,120

alive or what but you know no but

2275

01:20:40,550 --> 01:20:39,440

i did see them so and then some of the

2276

01:20:42,310 --> 01:20:40,560

different portals

2277

01:20:43,590 --> 01:20:42,320

kind of portals and stargates as even

2278

01:20:47,270 --> 01:20:43,600

transporters

2279

01:20:50,229 --> 01:20:47,280

that they have yeah

2280

01:20:52,470 --> 01:20:50,239

well i mean you had mentioned to me that

2281

01:20:54,790 --> 01:20:52,480

you think you have

2282

01:20:55,510 --> 01:20:54,800

been having lost time or possibly

2283

01:20:58,790 --> 01:20:55,520

abducted

2284

01:20:59,750 --> 01:20:58,800

in recently the last year or so but you

2285

01:21:02,470 --> 01:20:59,760

just don't remember

2286

01:21:04,550 --> 01:21:02,480

anything uh they're probably you do

2287

01:21:06,629 --> 01:21:04,560

believe they are abducting you

2288

01:21:08,870 --> 01:21:06,639

yeah and it's like yeah because i'll be

2289

01:21:10,390 --> 01:21:08,880

doing something next you know i'm waking

2290

01:21:11,990 --> 01:21:10,400

up and it's like

2291

01:21:13,510 --> 01:21:12,000

what the hell just happened because and

2292

01:21:16,149 --> 01:21:13,520

it's not like getting sleep at all

2293

01:21:16,790 --> 01:21:16,159

it's not like getting sleep you just you

2294

01:21:18,709 --> 01:21:16,800

just

2295

01:21:20,070 --> 01:21:18,719

come out of it you know it's like like

2296

01:21:23,189 --> 01:21:20,080

you've been awake the whole time

2297

01:21:25,350 --> 01:21:23,199

but but i'll be obviously like

2298

01:21:27,430 --> 01:21:25,360

dude like last night man i was talking

2299

01:21:27,990 --> 01:21:27,440

to you you know next time i'm waking up

2300

01:21:30,870 --> 01:21:28,000

i'm sitting

2301

01:21:31,270 --> 01:21:30,880

on the couch still that's gotta get off

2302

01:21:34,149 --> 01:21:31,280

with you

2303

01:21:35,510 --> 01:21:34,159

it's 2 30 in the morning i was like heck

2304

01:21:37,750 --> 01:21:35,520

you know just going on you know

2305

01:21:39,669 --> 01:21:37,760

i don't remember anything oh and i just

2306

01:21:42,010 --> 01:21:39,679

got done talking to you

2307

01:21:44,790 --> 01:21:42,020

that was that was strange too so

2308

01:21:48,310 --> 01:21:44,800

[Laughter]

2309

01:21:51,189 --> 01:21:48,320

yeah oh god did um do you know

2310

01:21:51,830 --> 01:21:51,199

now you grew up in ohio do you know if

2311

01:21:55,430 --> 01:21:51,840

any of your

2312

01:22:00,470 --> 01:21:55,440

relatives and i knew your mother

2313

01:22:04,790 --> 01:22:02,950

do you are you aware of any relatives

2314

01:22:08,790 --> 01:22:04,800

actually being abducted

2315

01:22:11,590 --> 01:22:08,800

or having alien encounters at some point

2316

01:22:12,470 --> 01:22:11,600

no you know they're up in ohio there's

2317

01:22:14,070 --> 01:22:12,480

uh

2318

01:22:15,750 --> 01:22:14,080

there when i was growing up there was a

2319

01:22:18,709 --> 01:22:15,760

lot of uh like

2320

01:22:21,669 --> 01:22:18,719

witchcraft going on and stuff like that

2321

01:22:25,270 --> 01:22:21,679

you know it was back in the 70s and

2322

01:22:27,030 --> 01:22:25,280

60s and stuff like that but uh

2323

01:22:28,950 --> 01:22:27,040

no nobody's ever really talked about

2324

01:22:30,229 --> 01:22:28,960

ufos and i think once or twice

2325

01:22:31,270 --> 01:22:30,239

somebody's mentioned that they might

2326

01:22:34,390 --> 01:22:31,280

have seen something

2327

01:22:37,270 --> 01:22:34,400

uh but

2328

01:22:38,709 --> 01:22:37,280

it was mostly about witchcraft and devil

2329

01:22:41,830 --> 01:22:38,719

worshiping and stuff just

2330

01:22:44,629 --> 01:22:41,840

just stuff off the wall like that uh

2331

01:22:45,990 --> 01:22:44,639

and you know a cult that they was going

2332

01:22:48,629 --> 01:22:46,000

around that was like that

2333

01:22:50,550 --> 01:22:48,639

um this really strange stuff a lot of

2334

01:22:51,669 --> 01:22:50,560

strange stuff happened in the 70s a lot

2335

01:22:54,870 --> 01:22:51,679

of strange stuff

2336

01:22:56,629 --> 01:22:54,880

you know um they're just weird all they

2337

01:22:57,430 --> 01:22:56,639

seem like all the weirdos came out in

2338

01:23:00,470 --> 01:22:57,440

the 70s

2339

01:23:03,430 --> 01:23:00,480

and but yeah

2340

01:23:04,709 --> 01:23:03,440

but no that they never they never talked

2341

01:23:06,629 --> 01:23:04,719

about

2342

01:23:08,709 --> 01:23:06,639

ufos or anything like that and that's

2343

01:23:12,229 --> 01:23:08,719

like i never gave it a second

2344

01:23:13,350 --> 01:23:12,239

thought you know uh until after that

2345

01:23:16,070 --> 01:23:13,360

night in the woods

2346

01:23:18,310 --> 01:23:16,080

but but uh then you start putting things

2347

01:23:20,550 --> 01:23:18,320

together throughout the years and

2348

01:23:22,070 --> 01:23:20,560

you know so i'm glad i'm not the only

2349

01:23:25,350 --> 01:23:22,080

one that's happening to but

2350

01:23:25,830 --> 01:23:25,360

i'll come well i will tell you i will

2351
01:23:29,590 --> 01:23:25,840
tell you

2352
01:23:33,110 --> 01:23:29,600
people the folks on here right now that

2353
01:23:35,990 --> 01:23:33,120
you have actually helped me

2354
01:23:37,189 --> 01:23:36,000
with other individuals who have been

2355
01:23:41,189 --> 01:23:37,199
having

2356
01:23:42,950 --> 01:23:41,199
activity right i i have talked to people

2357
01:23:45,030 --> 01:23:42,960
and what i do is refer them to you and

2358
01:23:47,990 --> 01:23:45,040
you've talked to several people

2359
01:23:49,510 --> 01:23:48,000
and in fact some of them had one wasn't

2360
01:23:52,470 --> 01:23:49,520
really that far from you

2361
01:23:53,350 --> 01:23:52,480
and the other one was down in florida on

2362
01:23:56,709 --> 01:23:53,360
the west coast

2363
01:23:59,990 --> 01:23:56,719

down further south as well

2364

01:24:02,070 --> 01:24:00,000

um i think i'm going to put you on the

2365

01:24:04,070 --> 01:24:02,080

fans of monsters 14 team because you're

2366

01:24:08,229 --> 01:24:04,080

helping me out with a lot of stuff

2367

01:24:12,870 --> 01:24:10,229

but you have been helping me with these

2368

01:24:15,510 --> 01:24:12,880

people and you have to talk to them

2369

01:24:16,790 --> 01:24:15,520

and i know you you do an excellent job

2370

01:24:19,030 --> 01:24:16,800

uh i you know i

2371

01:24:20,229 --> 01:24:19,040

i don't feel like i'm qualified to talk

2372

01:24:23,510 --> 01:24:20,239

to them

2373

01:24:25,510 --> 01:24:23,520

and i mean as opposed to you talking to

2374

01:24:26,870 --> 01:24:25,520

them because um

2375

01:24:29,110 --> 01:24:26,880

you know you've been through this you

2376

01:24:30,709 --> 01:24:29,120

know what's going on yeah a lot

2377

01:24:33,110 --> 01:24:30,719

a lot of people think their life is in

2378

01:24:36,390 --> 01:24:33,120

danger it's not they wanted you dead

2379

01:24:39,110 --> 01:24:36,400

you'd be dead already yeah yeah yeah

2380

01:24:39,510 --> 01:24:39,120

that's true don't worry about them yeah

2381

01:24:40,550 --> 01:24:39,520

yeah

2382

01:24:43,350 --> 01:24:40,560

they want you dead you'll be dead

2383

01:24:45,270 --> 01:24:43,360

already but uh yeah i try to help out as

2384

01:24:48,310 --> 01:24:45,280

much as i can and i live a very

2385

01:24:49,910 --> 01:24:48,320

very very busy life i i'm

2386

01:24:52,709 --> 01:24:49,920

yeah i keep my mind up for things though

2387

01:24:54,470 --> 01:24:52,719

too so but i'm always doing something

2388

01:24:56,390 --> 01:24:54,480

always doing something just sit down

2389

01:24:58,229 --> 01:24:56,400

here and talk with you tonight

2390

01:25:00,550 --> 01:24:58,239

it's rarity i'm sitting still i'm about

2391

01:25:02,310 --> 01:25:00,560

still fiddling and so i was like

2392

01:25:03,669 --> 01:25:02,320

okay i think about what i gotta do next

2393

01:25:04,950 --> 01:25:03,679

is i get off the show here

2394

01:25:06,550 --> 01:25:04,960

hopefully i won't fall asleep or

2395

01:25:07,270 --> 01:25:06,560

anything like that like last night go

2396

01:25:10,390 --> 01:25:07,280

lord

2397

01:25:10,709 --> 01:25:10,400

but uh yeah uh well david i'm not gonna

2398

01:25:12,870 --> 01:25:10,719

take

2399

01:25:14,470 --> 01:25:12,880

i'm not going to keep you on too much

2400

01:25:17,510 --> 01:25:14,480

longer i i just want

2401

01:25:18,870 --> 01:25:17,520

i want to thank you for coming on uh you

2402

01:25:21,510 --> 01:25:18,880

know i have people

2403

01:25:22,550 --> 01:25:21,520

that really like having you come on and

2404

01:25:26,070 --> 01:25:22,560

talk to you

2405

01:25:28,709 --> 01:25:26,080

the fact that they can see your media

2406

01:25:29,189 --> 01:25:28,719

on here you know with this youtube makes

2407

01:25:31,510 --> 01:25:29,199

it

2408

01:25:33,030 --> 01:25:31,520

much better they get an idea of what's

2409

01:25:36,470 --> 01:25:33,040

really going on

2410

01:25:37,669 --> 01:25:36,480

and uh promise me that we can do this

2411

01:25:41,030 --> 01:25:37,679

again

2412

01:25:42,709 --> 01:25:41,040

uh i i'm quite sure that everybody's

2413

01:25:46,390 --> 01:25:42,719

going to enjoy it

2414

01:25:48,390 --> 01:25:46,400

but uh yeah thanks again and uh

2415

01:25:49,669 --> 01:25:48,400

i'll be talking to you soon just stay

2416

01:26:00,629 --> 01:25:49,679

safe

2417

01:26:04,550 --> 01:26:02,790

now if you have an unexplained counter

2418

01:26:06,470 --> 01:26:04,560

sighting feel free to contact me through

2419

01:26:07,910 --> 01:26:06,480

the families of monster blog site

2420

01:26:10,550 --> 01:26:07,920

if you're interested in supporting

2421

01:26:13,189 --> 01:26:10,560

families of monsters and arcane radio

2422

01:26:15,430 --> 01:26:13,199

you can use the paypal donation buttons

2423

01:26:19,110 --> 01:26:15,440

on the blog in the newsletter

2424

01:26:21,669 --> 01:26:19,120

um the youtube channel is

2425

01:26:22,629 --> 01:26:21,679

coming along well i mean and we really

2426

01:26:24,790 --> 01:26:22,639

appreciate you

2427

01:26:26,470 --> 01:26:24,800

coming on looking at everything your

2428

01:26:29,189 --> 01:26:26,480

comments and such and

2429

01:26:31,350 --> 01:26:29,199

subscribing we've got a lot of things

2430

01:26:33,750 --> 01:26:31,360

coming up in the future

2431

01:26:35,030 --> 01:26:33,760

uh and you know of course we have the

2432

01:26:38,550 --> 01:26:35,040

archived

2433

01:26:42,070 --> 01:26:38,560

arcane radio shows as well so

2434

01:26:44,470 --> 01:26:42,080

your uh your patronage is absolutely

2435

01:26:46,709 --> 01:26:44,480

appreciated and i do want to thank those

2436

01:26:48,629 --> 01:26:46,719

who contributed tonight

2437

01:26:51,030 --> 01:26:48,639

um i want to again thank david for

2438

01:26:53,110 --> 01:26:51,040

joining me this evening

2439

01:26:54,790 --> 01:26:53,120

and i want to thank you for coming on

2440

01:26:56,470 --> 01:26:54,800

and listening to the show and spending

2441

01:26:59,750 --> 01:26:56,480

some time with us
