so you'll be notified of all future

10
00:00:36,229 --> 00:00:34,549
leather gloves and sunglasses i was

11
00:00:38,150 --> 00:00:36,239
referred to you by a friend who is a

12
00:00:40,069 --> 00:00:38,160
subscriber to your newsletter

13
00:00:41,350 --> 00:00:40,079

i recently had an experience that i

14

00:00:43,110 --> 00:00:41,360

cannot explain

15

00:00:45,029 --> 00:00:43,120

i was hoping you were someone you know

16

00:00:46,950 --> 00:00:45,039

could help with an explanation

17

00:00:49,510 --> 00:00:46,960

i work for a limousine service in new

18

00:00:51,750 --> 00:00:49,520

york city and on 24-hour call

19

00:00:53,990 --> 00:00:51,760

a few nights ago i received a text

20

00:00:54,549 --> 00:00:54,000

message from the dispatcher around 9 30

21

00:00:56,389 --> 00:00:54,559

pm

22

00:00:58,229 --> 00:00:56,399

and was instructed to pick up a client

23

00:00:59,990 --> 00:00:58,239

who would be arriving at the westchester

24

00:01:02,630 --> 00:01:00,000

county airport at midnight

25

00:01:03,110 --> 00:01:02,640

though i'm on 24 hour call i rarely

26

00:01:05,350 --> 00:01:03,120

receive

27

00:01:06,710 --> 00:01:05,360

late night calls especially for a pickup

28

00:01:09,030 --> 00:01:06,720

outside of the city

29

00:01:10,950 --> 00:01:09,040

i decided to leave as soon as possible

30

00:01:12,310 --> 00:01:10,960

since i wasn't really familiar with the

31

00:01:14,310 --> 00:01:12,320

westchester area

32

00:01:16,070 --> 00:01:14,320

i arrived at the gate to the airport and

33

00:01:18,149 --> 00:01:16,080

was instructed to park in a waiting

34

00:01:20,230 --> 00:01:18,159

section not far off the tarmac

35

00:01:21,749 --> 00:01:20,240

i could see the entire runway from my

36

00:01:24,550 --> 00:01:21,759

position at 11

37

00:01:25,990 --> 00:01:24,560

45 pm i received another text message

38

00:01:27,910 --> 00:01:26,000

from the dispatcher that repeated

39

00:01:30,230 --> 00:01:27,920

the client's name and where i would be

40

00:01:32,390 --> 00:01:30,240

taking her i was instructed that i may

41

00:01:34,390 --> 00:01:32,400

be in service for an extended period

42

00:01:36,149 --> 00:01:34,400

since the client had several errands to

43

00:01:37,990 --> 00:01:36,159

make in the city and that i would need

44

00:01:38,950 --> 00:01:38,000

to return her to the airport when she

45

00:01:41,109 --> 00:01:38,960

was finished

46

00:01:43,190 --> 00:01:41,119

this was very strange since i usually

47

00:01:45,190 --> 00:01:43,200

take a client from point a to point b

48

00:01:46,310 --> 00:01:45,200

though i will occasionally run across an

49

00:01:48,069 --> 00:01:46,320

odd request

50

00:01:50,149 --> 00:01:48,079

a little after midnight there was a

51
00:01:52,069 --> 00:01:50,159
knockout on the passenger window

52
00:01:53,429 --> 00:01:52,079
i looked over and noticed a young woman

53
00:01:55,350 --> 00:01:53,439
with sunglasses

54
00:01:57,590 --> 00:01:55,360
i stepped out of limo and asked if i

55
00:01:59,510 --> 00:01:57,600
could help her it was the client

56
00:02:01,749 --> 00:01:59,520
i was totally confused because no

57
00:02:03,270 --> 00:02:01,759
private jet landed and i never saw her

58
00:02:05,990 --> 00:02:03,280
walk up to the limo

59
00:02:07,670 --> 00:02:06,000
anyway i opened the back door for her i

60
00:02:07,990 --> 00:02:07,680
returned to the driver's seat as she

61
00:02:10,150 --> 00:02:08,000
handed

62
00:02:12,470 --> 00:02:10,160
me a list of locations she want to stop

63
00:02:13,190 --> 00:02:12,480

at i noticed that all were residential

64

00:02:15,990 --> 00:02:13,200

addresses

65

00:02:17,990 --> 00:02:16,000

a total of five locations as we started

66

00:02:19,990 --> 00:02:18,000

our way back into the city i noticed

67

00:02:21,910 --> 00:02:20,000

that she never removed her sunglasses

68

00:02:23,510 --> 00:02:21,920

but seemed to be reading a document in

69

00:02:25,270 --> 00:02:23,520

the dark as well

70

00:02:26,949 --> 00:02:25,280

she never spoke and only nodded her

71

00:02:28,869 --> 00:02:26,959

motion her gloved hands

72

00:02:30,390 --> 00:02:28,879

we stopped at the first location which

73

00:02:32,630 --> 00:02:30,400

in the upper east side

74

00:02:34,949 --> 00:02:32,640

she simply got out of the limo on her on

75

00:02:37,030 --> 00:02:34,959

and walked directly into the townhouse

76
00:02:38,869 --> 00:02:37,040
a few minutes later she returned to the

77
00:02:39,750 --> 00:02:38,879
limo and quickly got into the limo by

78
00:02:41,509 --> 00:02:39,760
herself

79
00:02:43,430 --> 00:02:41,519
it was the same routine at the other

80
00:02:45,830 --> 00:02:43,440
locations two in the west village

81
00:02:47,509 --> 00:02:45,840
another in soho and last residence was

82
00:02:49,430 --> 00:02:47,519
in the lower east side where she

83
00:02:50,229 --> 00:02:49,440
remained for close to two and a half

84
00:02:52,309 --> 00:02:50,239
hours

85
00:02:53,990 --> 00:02:52,319
after we were finished i asked if she

86
00:02:55,990 --> 00:02:54,000
wanted to return to the airport

87
00:02:58,149 --> 00:02:56,000
and she nodded in the affirmative i

88
00:02:59,670 --> 00:02:58,159

noticed that she act very tired and was

89

00:03:01,910 --> 00:02:59,680

more pale than before

90

00:03:04,229 --> 00:03:01,920

we finally reached the airport around 6

91

00:03:05,110 --> 00:03:04,239

15 am as it was just starting to turn

92

00:03:07,190 --> 00:03:05,120

daylight

93

00:03:08,949 --> 00:03:07,200

as i pulled up to the gate she suddenly

94

00:03:10,790 --> 00:03:08,959

opened the door and got out

95

00:03:12,710 --> 00:03:10,800

she walked around to my side and

96

00:03:14,630 --> 00:03:12,720

motioned for me to open the window

97

00:03:17,509 --> 00:03:14,640

as i was doing this she reached into her

98

00:03:19,990 --> 00:03:17,519

small briefcase and removed five 100

99

00:03:21,830 --> 00:03:20,000

bills and handed it to me i looked up at

100

00:03:23,750 --> 00:03:21,840

her as she smiled and spoke in a very

101
00:03:24,149 --> 00:03:23,760
weak high-pitched voice saying go home

102
00:03:26,550 --> 00:03:24,159
now

103
00:03:28,470 --> 00:03:26,560
remember me then she turned around and

104
00:03:30,789 --> 00:03:28,480
walked quickly toward the hangers

105
00:03:31,750 --> 00:03:30,799
i was simply dumbfounded what did she

106
00:03:33,350 --> 00:03:31,760
mean i

107
00:03:35,509 --> 00:03:33,360
started to back the limo out of the

108
00:03:37,509 --> 00:03:35,519
access road when suddenly i felt a warm

109
00:03:39,430 --> 00:03:37,519
rush of air and a bright flash

110
00:03:40,949 --> 00:03:39,440
the next thing i remember is waking up

111
00:03:42,710 --> 00:03:40,959
in bed in my uniform

112
00:03:44,470 --> 00:03:42,720
i rushed out of bed and looked out the

113
00:03:45,509 --> 00:03:44,480

window to see if the limo was parked in

114

00:03:47,830 --> 00:03:45,519

my driveway

115

00:03:49,670 --> 00:03:47,840

the limo was there as usual so i went

116

00:03:51,509 --> 00:03:49,680

outside and looked inside

117

00:03:53,509 --> 00:03:51,519

on the front passenger seat laid the

118

00:03:55,190 --> 00:03:53,519

five one hundred dollar bills

119

00:03:57,030 --> 00:03:55,200

when i looked into the back seat there

120

00:03:59,190 --> 00:03:57,040

were a pair of long leather gloves and

121

00:04:01,110 --> 00:03:59,200

the sunglasses worn by the client

122

00:04:03,509 --> 00:04:01,120

can you possibly explain what happened

123

00:04:05,110 --> 00:04:03,519

to me i have suffered no ill effects

124

00:04:06,630 --> 00:04:05,120

from this incident but feel that

125

00:04:09,270 --> 00:04:06,640

something else will happen

126

00:04:10,949 --> 00:04:09,280

what did she mean by remember me any

127

00:04:12,830 --> 00:04:10,959

information you can provide would be

128

00:04:19,430 --> 00:04:12,840

most appreciated

129

00:04:23,430 --> 00:04:21,749

gollum in the city bizarre humanoid in

130

00:04:25,350 --> 00:04:23,440

downtown chicago

131

00:04:28,070 --> 00:04:25,360

what i'm going to tell you is the honest

132

00:04:28,870 --> 00:04:28,080

truth i've had experiences before but

133

00:04:31,830 --> 00:04:28,880

this incident

134

00:04:33,430 --> 00:04:31,840

i still doubt as to what i saw this

135

00:04:36,870 --> 00:04:33,440

happened two summers ago

136

00:04:38,870 --> 00:04:36,880

2018 in downtown chicago if you've ever

137

00:04:39,430 --> 00:04:38,880

been to downtown chicago during the

138

00:04:41,590 --> 00:04:39,440

summer

139

00:04:42,629 --> 00:04:41,600

after working hours you know how crowded

140

00:04:45,110 --> 00:04:42,639

it can get

141

00:04:47,430 --> 00:04:45,120

i've been living here 13 years and i've

142

00:04:50,070 --> 00:04:47,440

seen my share of homeless weirdos

143

00:04:51,749 --> 00:04:50,080

i commute using the subway every day and

144

00:04:53,830 --> 00:04:51,759

seen some weird people

145

00:04:56,150 --> 00:04:53,840

the city has many and at first that's

146

00:04:58,230 --> 00:04:56,160

what i brushed the sighting off as

147

00:04:59,990 --> 00:04:58,240

i was walking to the comic book store

148

00:05:01,909 --> 00:05:00,000

coming up to state street

149

00:05:03,350 --> 00:05:01,919

there's lots of shoppers and tourists

150

00:05:05,270 --> 00:05:03,360

going about their business

151

00:05:07,909 --> 00:05:05,280

when i saw what i will refer to as a

152

00:05:09,909 --> 00:05:07,919

homeless man on a corner on his knees

153

00:05:11,350 --> 00:05:09,919

it was only when i looked at him again

154

00:05:13,350 --> 00:05:11,360

that i was confused

155

00:05:14,790 --> 00:05:13,360

he looked like a caucasian man that had

156

00:05:17,029 --> 00:05:14,800

a scar on his face

157

00:05:18,870 --> 00:05:17,039

that made him look a little deformed he

158

00:05:21,270 --> 00:05:18,880

was wearing an oversized hat

159

00:05:22,870 --> 00:05:21,280

but i could see he was bold he was on

160

00:05:24,070 --> 00:05:22,880

his knees and muttering something

161

00:05:27,029 --> 00:05:24,080

partially covering his

162

00:05:28,710 --> 00:05:27,039

face i've never stared at someone before

163

00:05:29,110 --> 00:05:28,720

but there i was in the middle of state

164

00:05:31,350 --> 00:05:29,120

street

165

00:05:32,230 --> 00:05:31,360

shocked and confused he didn't look

166

00:05:34,629 --> 00:05:32,240

normal

167

00:05:35,830 --> 00:05:34,639

his eyes were huge and i felt really

168

00:05:38,230 --> 00:05:35,840

sorry for him

169

00:05:39,189 --> 00:05:38,240

his facial expressions just had lots of

170

00:05:41,350 --> 00:05:39,199

sorrow

171

00:05:42,469 --> 00:05:41,360

i looked around to see if anyone had

172

00:05:44,870 --> 00:05:42,479

noticed him

173

00:05:46,870 --> 00:05:44,880

a young boy in his teens with his dad

174

00:05:47,590 --> 00:05:46,880

was looking at this thing the same way i

175

00:05:49,749 --> 00:05:47,600

was

176

00:05:51,670 --> 00:05:49,759

i heard his dad tell the young boy not

177

00:05:51,990 --> 00:05:51,680

to look at him but i could see the boy

178

00:05:54,870 --> 00:05:52,000

was

179

00:05:56,469 --> 00:05:54,880

also in shock and confused he also knew

180

00:05:58,469 --> 00:05:56,479

that wasn't a human

181

00:06:01,110 --> 00:05:58,479

something about this humanoid was not

182

00:06:01,430 --> 00:06:01,120

right everyone else who walked by dared

183

00:06:04,390 --> 00:06:01,440

not

184

00:06:05,029 --> 00:06:04,400

look and ignored this humanoid it was my

185

00:06:07,189 --> 00:06:05,039

signal

186

00:06:08,870 --> 00:06:07,199

to cross the street and i walked away

187

00:06:09,749 --> 00:06:08,880

but i kept turning around to get a

188

00:06:11,749 --> 00:06:09,759

glimpse

189

00:06:13,510 --> 00:06:11,759

the last thing i remember that was odd

190

00:06:15,590 --> 00:06:13,520

was how his eyes blinked

191

00:06:17,350 --> 00:06:15,600

it reminded a lot of smeagol from the

192

00:06:19,830 --> 00:06:17,360

lord of the rings movie

193

00:06:20,790 --> 00:06:19,840

he didn't look real i think about this

194

00:06:22,790 --> 00:06:20,800

sighting a lot

195

00:06:25,189 --> 00:06:22,800

and sometimes brush it off as it was

196

00:06:27,029 --> 00:06:25,199

just a weird looking homeless human

197

00:06:29,270 --> 00:06:27,039

the more i recall the sighting the more

198

00:06:31,909 --> 00:06:29,280

i'm convinced it was not a human

199

00:06:33,909 --> 00:06:31,919

that's exactly what this thing was doing

200

00:06:35,590 --> 00:06:33,919

trying to hide in plain sight in front

201
00:06:38,390 --> 00:06:35,600
of hundreds of people

202
00:06:39,749 --> 00:06:38,400
its mannerisms were strange too the way

203
00:06:41,590 --> 00:06:39,759
it kept its head down

204
00:06:43,350 --> 00:06:41,600
but occasionally looking up to make eye

205
00:06:45,430 --> 00:06:43,360
contact was bizarre

206
00:06:47,350 --> 00:06:45,440
it almost felt like i was looking at a

207
00:06:56,309 --> 00:06:47,360
wild animal at a zoo

208
00:07:00,950 --> 00:06:58,870
bizarre entities in dark swedish forest

209
00:07:01,990 --> 00:07:00,960
i am an au pair in sweden and spend most

210
00:07:03,909 --> 00:07:02,000
summer weekends in my

211
00:07:06,150 --> 00:07:03,919
family's summer house which is out in

212
00:07:08,070 --> 00:07:06,160
the archipelago outside of stockholm

213
00:07:10,230 --> 00:07:08,080

breathhtakingly beautiful place but

214

00:07:11,909 --> 00:07:10,240

boonies doesn't even begin to cover

215

00:07:13,510 --> 00:07:11,919

the nearest neighbor is about a 30

216

00:07:15,110 --> 00:07:13,520

minute brisk walk away

217

00:07:17,270 --> 00:07:15,120

and after that there's nothing except

218

00:07:19,110 --> 00:07:17,280

ocean and terrifying forest

219

00:07:20,950 --> 00:07:19,120

this particular night was date night for

220

00:07:22,629 --> 00:07:20,960

the parents so i was left with the two

221

00:07:23,430 --> 00:07:22,639

children alone out in the terrifying

222

00:07:30,150 --> 00:07:23,440

house

223

00:07:32,469 --> 00:07:30,160

alone

224

00:07:34,390 --> 00:07:32,479

it's literally two meters from the ocean

225

00:07:36,309 --> 00:07:34,400

the game plan was to go exploring in the

226

00:07:36,950 --> 00:07:36,319

forest which i had never done alone with

227

00:07:38,790 --> 00:07:36,960

the children

228

00:07:41,110 --> 00:07:38,800

only with the parents and then want to

229

00:07:42,790 --> 00:07:41,120

pick up my boyfriend from the bus stop

230

00:07:44,550 --> 00:07:42,800

he would stay with us until the parents

231

00:07:46,309 --> 00:07:44,560

got home from their date and then my

232

00:07:47,510 --> 00:07:46,319

boyfriend and i would go sleep in the

233

00:07:49,589 --> 00:07:47,520

guest house

234

00:07:50,710 --> 00:07:49,599

so while in the forest i kept getting

235

00:07:52,469 --> 00:07:50,720

the jitters

236

00:07:54,390 --> 00:07:52,479

things were definitely stranger and it

237

00:07:54,950 --> 00:07:54,400

wasn't just because i was alone with two

238

00:07:57,189 --> 00:07:54,960

children

239

00:07:58,869 --> 00:07:57,199

i grew up in the forest but several

240

00:08:00,710 --> 00:07:58,879

times we heard the birds calling out

241

00:08:02,950 --> 00:08:00,720

these weird distress call noises

242

00:08:04,550 --> 00:08:02,960

and big flocks would appear a long time

243

00:08:05,430 --> 00:08:04,560

before we were even close enough to

244

00:08:07,029 --> 00:08:05,440

scare them

245

00:08:09,350 --> 00:08:07,039

and there were big fighting footsteps

246

00:08:10,550 --> 00:08:09,360

nearby i was terrified of there being a

247

00:08:12,390 --> 00:08:10,560

moose or something

248

00:08:13,909 --> 00:08:12,400

we came to a little hidden lake and then

249

00:08:15,670 --> 00:08:13,919

things got even weirder

250

00:08:17,670 --> 00:08:15,680

though the place is unpopulated for

251

00:08:18,469 --> 00:08:17,680

miles there was a woman sitting on rock

252

00:08:21,189 --> 00:08:18,479

opposite us

253

00:08:22,390 --> 00:08:21,199

about 60 feet away she was naked and wet

254

00:08:24,150 --> 00:08:22,400

as though she'd been swimming

255

00:08:26,550 --> 00:08:24,160

even though the water was much too cold

256

00:08:28,150 --> 00:08:26,560

for that when she saw us she stood up

257

00:08:29,670 --> 00:08:28,160

and did this weird pacing thing

258

00:08:32,230 --> 00:08:29,680

like she would get close to the water

259

00:08:34,310 --> 00:08:32,240

and then back away then move close again

260

00:08:35,990 --> 00:08:34,320

like she wanted to cross and comfort us

261

00:08:36,790 --> 00:08:36,000

but there was the obvious late barrier

262

00:08:38,550 --> 00:08:36,800

in the way

263

00:08:40,230 --> 00:08:38,560

the kids were mildly worried and it

264

00:08:41,110 --> 00:08:40,240

wasn't long before i ushered them back

265

00:08:43,350 --> 00:08:41,120

the way we come

266

00:08:45,269 --> 00:08:43,360

and we made our way out of the forest on

267

00:08:47,509 --> 00:08:45,279

the road to pick up my boyfriend i had

268

00:08:49,910 --> 00:08:47,519

the oddest sensation of being watched

269

00:08:51,750 --> 00:08:49,920

i was really terrified actually but we

270

00:08:54,070 --> 00:08:51,760

met him with no incident and returned to

271

00:08:55,829 --> 00:08:54,080

the cabin just as the sun was setting

272

00:08:57,509 --> 00:08:55,839

we gave the kids dinner and just as they

273

00:08:59,670 --> 00:08:57,519

were curling up with a swedish comic

274

00:09:01,430 --> 00:08:59,680

book the main door slammed open

275

00:09:03,590 --> 00:09:01,440

i really remember thinking it was a real

276

00:09:04,630 --> 00:09:03,600

person there was a heavy footfall and

277

00:09:06,389 --> 00:09:04,640

then bam

278

00:09:08,790 --> 00:09:06,399

like someone had stomped and flung open

279

00:09:10,550 --> 00:09:08,800

the door but there was no one there

280

00:09:12,150 --> 00:09:10,560

my boyfriend went out and had a look

281

00:09:14,389 --> 00:09:12,160

around nothing

282

00:09:15,750 --> 00:09:14,399

must have been the wind of course right

283

00:09:17,350 --> 00:09:15,760

it's always the wind

284

00:09:18,870 --> 00:09:17,360

while we were in bed reading the story

285

00:09:20,870 --> 00:09:18,880

we could hear skittering around and

286

00:09:22,550 --> 00:09:20,880

clung from underneath where we were

287

00:09:24,150 --> 00:09:22,560

i knew for a fact that rats and other

288

00:09:24,790 --> 00:09:24,160

rodents camped out at the other end of

289

00:09:26,870 --> 00:09:24,800

the house

290

00:09:28,630 --> 00:09:26,880

because that's where the kitchen was i

291

00:09:29,350 --> 00:09:28,640

had a really awful feeling in the pit of

292

00:09:31,190 --> 00:09:29,360

my stomach

293

00:09:33,110 --> 00:09:31,200

but my rational boyfriend promised me it

294

00:09:34,070 --> 00:09:33,120

was a fox or weasel and not to get

295

00:09:36,870 --> 00:09:34,080

worked up

296

00:09:39,190 --> 00:09:36,880

fast forward to 3 a.m i had to pee my

297

00:09:41,750 --> 00:09:39,200

boyfriend and i were in the guest house

298

00:09:42,790 --> 00:09:41,760

my bosses had come home long ago right

299

00:09:44,550 --> 00:09:42,800

after i had finished

300

00:09:46,710 --> 00:09:44,560

i straightened and adjusted my shirt

301
00:09:48,630 --> 00:09:46,720
that i got that awful feeling of dread

302
00:09:50,470 --> 00:09:48,640
i had it in the forest i had it on the

303
00:09:52,550 --> 00:09:50,480
way to see my boyfriend i had it while

304
00:09:54,389 --> 00:09:52,560
we were camped out inside the house

305
00:09:56,310 --> 00:09:54,399
i had felt just fine in the guest house

306
00:09:57,269 --> 00:09:56,320
with my boyfriend but now the feeling

307
00:09:59,350 --> 00:09:57,279
was back

308
00:10:01,190 --> 00:09:59,360
behind the guest house is a steep hill

309
00:10:02,870 --> 00:10:01,200
about a 45 degree angle

310
00:10:05,030 --> 00:10:02,880
and on that hill sits what we call the

311
00:10:06,710 --> 00:10:05,040
ghost house it was the house of an old

312
00:10:08,710 --> 00:10:06,720
soldier in the 1600s

313
00:10:10,150 --> 00:10:08,720

and now it just sits there vacant

314

00:10:11,990 --> 00:10:10,160

there's a trail going from the ghost

315

00:10:13,829 --> 00:10:12,000

house to the main summer home and my

316

00:10:14,630 --> 00:10:13,839

boss had lit the trail with dim solar

317

00:10:16,310 --> 00:10:14,640

lamps

318

00:10:17,990 --> 00:10:16,320

you can't see how to read by the light

319

00:10:19,990 --> 00:10:18,000

of the lamps but the idea was to

320

00:10:21,590 --> 00:10:20,000

light your way up the hill and not rip

321

00:10:23,190 --> 00:10:21,600

and die over a triode

322

00:10:24,790 --> 00:10:23,200

i could sense something moving up the

323

00:10:26,389 --> 00:10:24,800

trail that means

324

00:10:28,710 --> 00:10:26,399

something moving from the main house to

325

00:10:30,150 --> 00:10:28,720

the ghost house i squinted in the dark

326

00:10:31,670 --> 00:10:30,160

and saw a shape of a person

327

00:10:33,269 --> 00:10:31,680

but that wasn't right because by the

328

00:10:35,350 --> 00:10:33,279

solar light you can see color

329

00:10:36,630 --> 00:10:35,360

jeans and shirts or jackets and ours all

330

00:10:38,870 --> 00:10:36,640

had reflectors on them

331

00:10:39,670 --> 00:10:38,880

but this was just a black shadow i

332

00:10:41,430 --> 00:10:39,680

thought animal

333

00:10:43,430 --> 00:10:41,440

but then ruled that out because it was

334

00:10:44,069 --> 00:10:43,440

two legs walking really fast and

335

00:10:45,750 --> 00:10:44,079

smoothly

336

00:10:47,990 --> 00:10:45,760

but then it slowed and seemed to notice

337

00:10:49,750 --> 00:10:48,000

me i was actually terrified

338

00:10:51,509 --> 00:10:49,760

but my intuition told me to commence

339

00:10:53,350 --> 00:10:51,519

stare down so i did

340

00:10:54,710 --> 00:10:53,360

i was fighting to see in the dark and

341

00:10:56,630 --> 00:10:54,720

just when i couldn't focus

342

00:10:58,630 --> 00:10:56,640

i realized there were two very softly

343

00:11:00,790 --> 00:10:58,640

illuminated eyes on his face

344

00:11:02,710 --> 00:11:00,800

and they were on me it slowed down to a

345

00:11:04,550 --> 00:11:02,720

stroll and i could see the eyes changed

346

00:11:06,150 --> 00:11:04,560

tin from a bluish to yellowish glow

347

00:11:07,430 --> 00:11:06,160

based on where they were in relation to

348

00:11:10,150 --> 00:11:07,440

the solar lamps

349

00:11:12,310 --> 00:11:10,160

they were catching light so i stared it

350

00:11:14,069 --> 00:11:12,320

was going so slow now this felt cereal

351

00:11:15,750 --> 00:11:14,079

and i could hear twigs snapping and

352

00:11:17,590 --> 00:11:15,760

other noises that a real-life

353

00:11:19,430 --> 00:11:17,600

non-imagined creature makes

354

00:11:21,509 --> 00:11:19,440

i remember actually thinking this isn't

355

00:11:22,470 --> 00:11:21,519

a hallucination it's freaking walking on

356

00:11:24,230 --> 00:11:22,480

the ground

357

00:11:26,150 --> 00:11:24,240

and then the weirdest part adam instead

358

00:11:27,190 --> 00:11:26,160

of moving into normal relative height

359

00:11:29,750 --> 00:11:27,200

the way human eyes

360

00:11:30,949 --> 00:11:29,760

or animal eyes would do the eyes started

361

00:11:32,710 --> 00:11:30,959

kind of hovering

362

00:11:34,470 --> 00:11:32,720

they were six feet off the ground

363

00:11:37,030 --> 00:11:34,480

suddenly would dip down to four feet

364

00:11:37,590 --> 00:11:37,040

then back up to five and they never left

365

00:11:39,269 --> 00:11:37,600

me

366

00:11:41,269 --> 00:11:39,279

but the direction this thing was moving

367

00:11:43,509 --> 00:11:41,279

and never changed it kept going up the

368

00:11:45,509 --> 00:11:43,519

hill the eyes and the figure faded out

369

00:11:45,910 --> 00:11:45,519

into the darkness once the solar lamps

370

00:11:47,990 --> 00:11:45,920

ended

371

00:11:49,110 --> 00:11:48,000

and i went back into the guest house and

372

00:11:51,190 --> 00:11:49,120

locked the door

373

00:11:52,949 --> 00:11:51,200

i heard nothing else that night my

374

00:11:54,310 --> 00:11:52,959

boyfriend slept through everything but

375

00:11:56,310 --> 00:11:54,320

early in the morning he woke up

376

00:11:58,150 --> 00:11:56,320

whimpering from a nightmare and that's

377

00:11:59,350 --> 00:11:58,160

the only time anything has ever happened

378

00:12:08,629 --> 00:11:59,360

at that summer house

379

00:12:12,550 --> 00:12:10,870

bizarre humanoid attempts to board bus

380

00:12:14,790 --> 00:12:12,560

in chicago suburb

381

00:12:16,069 --> 00:12:14,800

tonight was a wild night one that i'll

382

00:12:19,030 --> 00:12:16,079

never forget

383

00:12:20,310 --> 00:12:19,040

i had my scooby-doo umbrella by my side

384

00:12:22,389 --> 00:12:20,320

after a good day

385

00:12:24,470 --> 00:12:22,399

and i was headed back home on a public

386

00:12:27,030 --> 00:12:24,480

bus i believe it was a pace

387

00:12:29,030 --> 00:12:27,040

and i was pretty much alone just me and

388

00:12:29,990 --> 00:12:29,040

the bus driver and one or two other

389

00:12:32,150 --> 00:12:30,000

people

390

00:12:34,150 --> 00:12:32,160

that in and of itself was strange but

391

00:12:36,150 --> 00:12:34,160

i'm not sure that was related

392

00:12:37,990 --> 00:12:36,160

anyways i board the bus and the bus

393

00:12:40,470 --> 00:12:38,000

driver is stopping off at plenty

394

00:12:42,470 --> 00:12:40,480

of locations and we arrive to one where

395

00:12:45,269 --> 00:12:42,480

there's little to no light around it

396

00:12:46,389 --> 00:12:45,279

no street lamps no houses or buildings

397

00:12:48,230 --> 00:12:46,399

no nothing

398

00:12:50,230 --> 00:12:48,240

the only thing illuminating the scene

399

00:12:51,350 --> 00:12:50,240

was the dim light inside the bus in the

400

00:12:53,350 --> 00:12:51,360

headlights

401
00:12:54,470 --> 00:12:53,360
the bus driver opened the doors and

402
00:12:56,790 --> 00:12:54,480
nobody budges

403
00:12:58,790 --> 00:12:56,800
but as the bus driver began to close the

404
00:13:01,110 --> 00:12:58,800
doors we heard these really heavy

405
00:13:03,350 --> 00:13:01,120
footsteps come out of nowhere

406
00:13:04,629 --> 00:13:03,360
then i heard the most god-awful sound i

407
00:13:06,870 --> 00:13:04,639
have ever heard

408
00:13:09,190 --> 00:13:06,880
it wasn't quite screaming it wasn't

409
00:13:11,509 --> 00:13:09,200
singing but it sounded angry

410
00:13:13,030 --> 00:13:11,519
the bus driver began to open the doors

411
00:13:15,190 --> 00:13:13,040
again for the thing to board

412
00:13:17,110 --> 00:13:15,200
but as soon as it came into eyesight

413
00:13:19,829 --> 00:13:17,120

nobody wanted that that thing

414

00:13:21,590 --> 00:13:19,839

to board this bus the driver shut the

415

00:13:24,230 --> 00:13:21,600

doors as quickly as he could

416

00:13:25,910 --> 00:13:24,240

and this creature became infuriated it

417

00:13:27,910 --> 00:13:25,920

was wearing women's clothing

418

00:13:30,310 --> 00:13:27,920

an orange shirt and an orange hat with

419

00:13:32,310 --> 00:13:30,320

some shorts it's been hot here

420

00:13:33,670 --> 00:13:32,320

but that thing was not like any women

421

00:13:36,389 --> 00:13:33,680

i've ever seen

422

00:13:38,310 --> 00:13:36,399

i don't even know how to describe it it

423

00:13:40,949 --> 00:13:38,320

could have the power to shape shift

424

00:13:41,430 --> 00:13:40,959

if that's a thing this thing it was a

425

00:13:44,230 --> 00:13:41,440

she

426
00:13:45,910 --> 00:13:44,240
or at least wanted to appear so began

427
00:13:48,870 --> 00:13:45,920
pounding on the bus doors

428
00:13:50,550 --> 00:13:48,880
howling its angry screaming song it went

429
00:13:52,790 --> 00:13:50,560
on for a long time

430
00:13:55,189 --> 00:13:52,800
the bus driver was clearly in shock and

431
00:13:56,150 --> 00:13:55,199
confused and downright scared as he

432
00:13:59,189 --> 00:13:56,160
should be

433
00:14:00,870 --> 00:13:59,199
hell i was scared too i don't think any

434
00:14:03,189 --> 00:14:00,880
of us knew what to do

435
00:14:04,870 --> 00:14:03,199
and at the same time we weren't sure if

436
00:14:06,949 --> 00:14:04,880
this thing would follow us

437
00:14:07,910 --> 00:14:06,959
if we did let the creature in would it

438
00:14:10,550 --> 00:14:07,920

harm us

439

00:14:11,430 --> 00:14:10,560

kill us even would it chase after us if

440

00:14:13,670 --> 00:14:11,440

we didn't

441

00:14:15,430 --> 00:14:13,680

if we called the police and it left

442

00:14:17,269 --> 00:14:15,440

would they even believe us

443

00:14:19,269 --> 00:14:17,279

it wasn't any kind of cryptid like

444

00:14:20,910 --> 00:14:19,279

bigfoot or the chupacabra

445

00:14:23,030 --> 00:14:20,920

without a doubt it was an

446

00:14:25,189 --> 00:14:23,040

extraterrestrial life form

447

00:14:26,629 --> 00:14:25,199

it is an experience i will not forget

448

00:14:28,629 --> 00:14:26,639

ever in my life

449

00:14:30,069 --> 00:14:28,639

the first thing i did when i arrived

450

00:14:33,350 --> 00:14:30,079

home was look up anything

451

00:14:38,710 --> 00:14:33,360

similar to no avail so i came to report
