

ARCANE RADIO

Exploring the Unexplained 

Oct. 12th, 2018

Rita Louise

**Author,
Medical Intuitive**

1
00:00:06,630 --> 00:00:06,309
the oldest and strongest human emotion

2
00:00:09,910 --> 00:00:06,640
is

3
00:00:10,150 --> 00:00:09,920
fear and the oldest and strongest type

4
00:00:16,710 --> 00:00:10,160
of

5
00:00:20,150 --> 00:00:16,720
when we were children our parents told

6
00:00:22,630 --> 00:00:20,160
us that monsters didn't exist

7
00:00:25,910 --> 00:00:22,640
but we were sure that something was

8
00:00:30,390 --> 00:00:25,920
lurking under the bed or in the closet

9
00:00:33,590 --> 00:00:30,400
fear sees even if our eyes are closed

10
00:00:35,670 --> 00:00:33,600
welcome to the realm of the arcane my

11
00:00:37,990 --> 00:00:35,680
name is lon strickler

12
00:00:39,110 --> 00:00:38,000
join me as i examine unexplained

13
00:00:42,830 --> 00:00:39,120

creatures

14

00:00:44,069 --> 00:00:42,840

strange manifestations and remarkable

15

00:00:47,110 --> 00:00:44,079

realities

16

00:00:49,750 --> 00:00:47,120

imagine this next hour as a voyage of

17

00:00:52,790 --> 00:00:49,760

discovery to strange lands

18

00:00:55,510 --> 00:00:52,800

seeking not for new territory but for

19

00:00:57,110 --> 00:00:55,520

new knowledge of the supernatural come

20

00:01:02,310 --> 00:00:57,120

on board as we begin

21

00:01:06,390 --> 00:01:04,149

hey folks good evening and welcome to

22

00:01:08,710 --> 00:01:06,400

another episode of arcane radio

23

00:01:10,070 --> 00:01:08,720

i'm your host lon strickler and i thank

24

00:01:11,429 --> 00:01:10,080

you for joining me here on the

25

00:01:14,070 --> 00:01:11,439

paranormal king

26
00:01:14,469 --> 00:01:14,080
radio network now before i introduce my

27
00:01:17,510 --> 00:01:14,479
guest

28
00:01:20,630 --> 00:01:17,520
i want to mention a recent account

29
00:01:21,910 --> 00:01:20,640
this count was forward to me by the

30
00:01:25,190 --> 00:01:21,920
witness

31
00:01:26,710 --> 00:01:25,200
a couple weeks ago last year i was

32
00:01:28,789 --> 00:01:26,720
backpacking with my brother in the

33
00:01:30,469 --> 00:01:28,799
mountains of west virginia

34
00:01:31,910 --> 00:01:30,479
to get to our destination we had to

35
00:01:34,710 --> 00:01:31,920
drive for about two hours

36
00:01:36,390 --> 00:01:34,720
up a very long and deep ditched road

37
00:01:39,510 --> 00:01:36,400
after reaching the mountain

38
00:01:41,910 --> 00:01:39,520

we got we got out all our gear and uh

39

00:01:43,030 --> 00:01:41,920

started on our hour-long hike into the

40

00:01:44,950 --> 00:01:43,040

woods

41

00:01:48,069 --> 00:01:44,960

our destination was at the edge of a

42

00:01:49,990 --> 00:01:48,079

small lake behind us was a long path

43

00:01:51,990 --> 00:01:50,000

back to the you know back to the car

44

00:01:54,149 --> 00:01:52,000

which was covered

45

00:01:57,190 --> 00:01:54,159

by fallen trees and thick brush the area

46

00:01:59,830 --> 00:01:57,200

was surrounded by high jagged cliffs

47

00:02:01,350 --> 00:01:59,840

now after about an hour of resting we

48

00:02:04,789 --> 00:02:01,360

set up camp

49

00:02:07,350 --> 00:02:04,799

and started a fire uh we proceeded to

50

00:02:08,070 --> 00:02:07,360

cook as the sun set over the large rock

51
00:02:11,190 --> 00:02:08,080
wall

52
00:02:12,550 --> 00:02:11,200
across a lake from us just after the sun

53
00:02:15,750 --> 00:02:12,560
went down

54
00:02:16,949 --> 00:02:15,760
is when the strangeness began every half

55
00:02:18,630 --> 00:02:16,959
hour so my brother

56
00:02:21,030 --> 00:02:18,640
would hear what he said were soft

57
00:02:22,309 --> 00:02:21,040
footsteps coming from the trail behind

58
00:02:24,229 --> 00:02:22,319
us

59
00:02:25,830 --> 00:02:24,239
i was really tired and kept blowing it

60
00:02:27,750 --> 00:02:25,840
off as a joke however

61
00:02:30,070 --> 00:02:27,760
as the night passed on he refused to

62
00:02:32,070 --> 00:02:30,080
stop talking about what he was hearing

63
00:02:33,830 --> 00:02:32,080

i told him to shut up because i was

64

00:02:36,070 --> 00:02:33,840

tired of hearing it

65

00:02:37,509 --> 00:02:36,080

at around 11 p.m the situation became

66

00:02:39,509 --> 00:02:37,519

more bizarre

67

00:02:41,190 --> 00:02:39,519

i had nodded off with my hand head

68

00:02:43,830 --> 00:02:41,200

propped up on a log

69

00:02:45,830 --> 00:02:43,840

then suddenly a large crash could be

70

00:02:47,750 --> 00:02:45,840

heard from across the lake

71

00:02:50,150 --> 00:02:47,760

my brother and i both got to our feet

72

00:02:51,670 --> 00:02:50,160

grabbed our shotgun and 44 magnum

73

00:02:53,750 --> 00:02:51,680

and walked to the edge of the lake to

74

00:02:55,030 --> 00:02:53,760

see if we could spot what had made the

75

00:02:56,630 --> 00:02:55,040

noise

76

00:02:59,190 --> 00:02:56,640

after a minute of staring in the pitch

77

00:03:00,550 --> 00:02:59,200

black night we decided to go back and

78

00:03:02,470 --> 00:03:00,560

lay down

79

00:03:04,070 --> 00:03:02,480

we both thought it must have been a

80

00:03:05,910 --> 00:03:04,080

loose boulder that had fallen off the

81

00:03:08,229 --> 00:03:05,920

face of the ridge

82

00:03:10,309 --> 00:03:08,239

that was until my brother told me to

83

00:03:12,390 --> 00:03:10,319

stop in an abrupt whisper

84

00:03:14,949 --> 00:03:12,400

look there he said pointing towards the

85

00:03:16,869 --> 00:03:14,959

ridge to our left

86

00:03:19,350 --> 00:03:16,879

it was then that i realized my brother

87

00:03:21,030 --> 00:03:19,360

roy was hearing things all night long

88

00:03:22,869 --> 00:03:21,040

about a hundred yards away from us in

89

00:03:25,030 --> 00:03:22,879

the tree line was a figure

90

00:03:27,589 --> 00:03:25,040

that looked to be at least 10 foot tall

91

00:03:29,509 --> 00:03:27,599

with glowing golden eyes

92

00:03:31,270 --> 00:03:29,519

now paralyzed with fear my brother and i

93

00:03:32,229 --> 00:03:31,280

watched the large figures sway back

94

00:03:35,430 --> 00:03:32,239

and forth

95

00:03:37,509 --> 00:03:35,440

never taking its eyes off us

96

00:03:39,270 --> 00:03:37,519

let's get the f out of here my brother

97

00:03:42,550 --> 00:03:39,280

yelled while shooting around

98

00:03:43,110 --> 00:03:42,560

from his 44 mag into the lake at this

99

00:03:46,309 --> 00:03:43,120

point

100

00:03:48,869 --> 00:03:46,319

the figure stopped and stared its eyes

101
00:03:49,430 --> 00:03:48,879
seemed to get larger and brighter then

102
00:03:52,309 --> 00:03:49,440
just as

103
00:03:53,830 --> 00:03:52,319
quickly the eyes were gone we

104
00:03:56,869 --> 00:03:53,840
immediatly started

105
00:03:58,550 --> 00:03:56,879
stoking the fire as fast as we could not

106
00:04:01,830 --> 00:03:58,560
knowing that the figure would turn

107
00:04:04,789 --> 00:04:01,840
we decided to stay up all night long uh

108
00:04:06,789 --> 00:04:04,799
adding stay up all night taking turns

109
00:04:08,869 --> 00:04:06,799
adding logs to the fire

110
00:04:10,550 --> 00:04:08,879
after an hour or so we heard a faint

111
00:04:12,789 --> 00:04:10,560
wrestling in the brush

112
00:04:15,190 --> 00:04:12,799
the wrestling then stopped when all of a

113
00:04:17,749 --> 00:04:15,200

sudden this thing roared out in the most

114

00:04:19,430 --> 00:04:17,759

terrible scream that i ever heard

115

00:04:21,509 --> 00:04:19,440

we grabbed our guns of gear it was time

116

00:04:23,110 --> 00:04:21,519

to leave we both started to sprint into

117

00:04:25,830 --> 00:04:23,120

the darkness with our

118

00:04:27,670 --> 00:04:25,840

lights turned off we ran into the woods

119

00:04:28,310 --> 00:04:27,680

for at least 10 minutes until the two of

120

00:04:30,710 --> 00:04:28,320

us

121

00:04:32,629 --> 00:04:30,720

were out of breath and stopped we turned

122

00:04:34,230 --> 00:04:32,639

on our lights to find a path and listen

123

00:04:36,230 --> 00:04:34,240

for the creature

124

00:04:37,909 --> 00:04:36,240

it was moving up towards us we could

125

00:04:39,270 --> 00:04:37,919

hear the pounding of the footsteps and

126
00:04:41,749 --> 00:04:39,280
branches snapping

127
00:04:42,870 --> 00:04:41,759
this time the light stayed on as we ran

128
00:04:44,710 --> 00:04:42,880
non-stop

129
00:04:46,950 --> 00:04:44,720
tripping over obstacles until we reached

130
00:04:47,990 --> 00:04:46,960
the car the two of us threw our gear

131
00:04:50,310 --> 00:04:48,000
into the vehicle

132
00:04:52,070 --> 00:04:50,320
and locked doors behind us my brother

133
00:04:53,189 --> 00:04:52,080
was shaking from fear and fumbling with

134
00:04:54,629 --> 00:04:53,199
these keys

135
00:04:56,870 --> 00:04:54,639
just says he's got the key in the

136
00:04:58,790 --> 00:04:56,880
ignition a loud screamed the creature

137
00:05:02,070 --> 00:04:58,800
blasted from the darkness

138
00:05:04,390 --> 00:05:02,080

he started the car and gunned it

139

00:05:06,550 --> 00:05:04,400

i don't know what that thing was all i

140

00:05:07,990 --> 00:05:06,560

can say is i'll never return those woods

141

00:05:10,710 --> 00:05:08,000

to find out

142

00:05:13,029 --> 00:05:10,720

now the witness um you know i was i

143

00:05:15,270 --> 00:05:13,039

finally was able to talk to the witness

144

00:05:17,110 --> 00:05:15,280

uh after about a week or so from the

145

00:05:19,510 --> 00:05:17,120

information i was given i believe the

146

00:05:22,870 --> 00:05:19,520

area was in the ohio regions

147

00:05:24,790 --> 00:05:22,880

of monongahela national forest possibly

148

00:05:26,909 --> 00:05:24,800

near bold knob

149

00:05:28,230 --> 00:05:26,919

the incident occurred in the summer of

150

00:05:30,070 --> 00:05:28,240

2017

151
00:05:31,270 --> 00:05:30,080
uh by the way i i believe it may have

152
00:05:33,510 --> 00:05:31,280
been a bigfoot but

153
00:05:34,870 --> 00:05:33,520
i wouldn't rule out an upright canine

154
00:05:36,790 --> 00:05:34,880
because the eye color

155
00:05:40,230 --> 00:05:36,800
but there have been historical reports

156
00:05:43,430 --> 00:05:40,240
of both in that general area

157
00:05:45,830 --> 00:05:43,440
so let's get started tonight's guest is

158
00:05:47,110 --> 00:05:45,840
rita louse who is a medical intuitive

159
00:05:49,350 --> 00:05:47,120
and author

160
00:05:51,270 --> 00:05:49,360
really is the founder of the institute

161
00:05:54,870 --> 00:05:51,280
of applied energetics

162
00:05:58,469 --> 00:05:54,880
and the host of just energy radio

163
00:06:00,710 --> 00:05:58,479

she is a naturopathic physician

164

00:06:02,309 --> 00:06:00,720

and a 20-year veteran in the human

165

00:06:05,110 --> 00:06:02,319

potential field

166

00:06:07,350 --> 00:06:05,120

her unique gift as a medical intuitive

167

00:06:08,950 --> 00:06:07,360

and clairvoyant illuminates enlightens

168

00:06:10,629 --> 00:06:08,960

her work

169

00:06:13,189 --> 00:06:10,639

she has written several books including

170

00:06:14,710 --> 00:06:13,199

the latest title stepping out of eden

171

00:06:16,870 --> 00:06:14,720

she has also produced a number of

172

00:06:17,909 --> 00:06:16,880

feature lane video as well as video

173

00:06:20,950 --> 00:06:17,919

shorts

174

00:06:24,550 --> 00:06:20,960

dr louise has a degree in naturopath

175

00:06:27,350 --> 00:06:24,560

and a phd in natural

176

00:06:28,870 --> 00:06:27,360

health counseling she also has also

177

00:06:30,870 --> 00:06:28,880

received the distinction of

178

00:06:32,390 --> 00:06:30,880

reeking master and certified

179

00:06:35,309 --> 00:06:32,400

hypnotherapist

180

00:06:37,110 --> 00:06:35,319

you can find her website at

181

00:06:39,510 --> 00:06:37,120

soulhealer.com

182

00:06:41,749 --> 00:06:39,520

serea thanks for joining me thanks for

183

00:06:44,070 --> 00:06:41,759

having me lon how are you doing

184

00:06:46,390 --> 00:06:44,080

pretty good we haven't talked in a while

185

00:06:48,870 --> 00:06:46,400

in a long while but i do see your stuff

186

00:06:50,309 --> 00:06:48,880

on facebook so you know

187

00:06:52,790 --> 00:06:50,319

there are things that i hate about

188

00:06:54,710 --> 00:06:52,800

facebook and then there's the part where

189

00:06:57,029 --> 00:06:54,720

it's like you can kind of keep

190

00:06:59,990 --> 00:06:57,039

vicariously keep up with people

191

00:07:00,629 --> 00:07:00,000

you know by just watching your feed you

192

00:07:02,469 --> 00:07:00,639

know

193

00:07:03,830 --> 00:07:02,479

yeah that is kind of what one of the

194

00:07:07,589 --> 00:07:03,840

only good things about

195

00:07:09,670 --> 00:07:07,599

facebook i guess um now can you uh tell

196

00:07:10,950 --> 00:07:09,680

my listeners how you start on the road

197

00:07:14,830 --> 00:07:10,960

to the medical physical

198

00:07:19,189 --> 00:07:14,840

and uh enlightenment sure

199

00:07:21,350 --> 00:07:19,199

um so growing up there was a tv show

200

00:07:23,990 --> 00:07:21,360

called the amazing crescent

201
00:07:26,469 --> 00:07:24,000
um and then another tv show called the

202
00:07:28,950 --> 00:07:26,479
sixth sense so not the movie but a tv

203
00:07:31,110 --> 00:07:28,960
series that featured gary collins who

204
00:07:35,350 --> 00:07:31,120
was a college professor

205
00:07:37,589 --> 00:07:35,360
who had esp and i just thought that this

206
00:07:40,230 --> 00:07:37,599
this between those two shows that it was

207
00:07:42,070 --> 00:07:40,240
just beyond fascinating and i wanted to

208
00:07:45,270 --> 00:07:42,080
know what that was all about

209
00:07:47,270 --> 00:07:45,280
and so moved from reading books on

210
00:07:51,430 --> 00:07:47,280
archaeology and anthropology

211
00:07:54,469 --> 00:07:51,440
to reading books on uh

212
00:07:57,670 --> 00:07:54,479
psychic abilities and stuff like that

213
00:07:57,990 --> 00:07:57,680

um you know and as i like to say and i

214

00:07:59,990 --> 00:07:58,000

read

215

00:08:02,150 --> 00:08:00,000

him red and red and red and red and red

216

00:08:05,430 --> 00:08:02,160

and red and was getting pretty smart

217

00:08:08,070 --> 00:08:05,440

but still wasn't getting psychic at all

218

00:08:09,350 --> 00:08:08,080

and uh finally found the berkeley

219

00:08:11,990 --> 00:08:09,360

psychic institute

220

00:08:13,670 --> 00:08:12,000

and studied with them and discovered

221

00:08:17,029 --> 00:08:13,680

that i had been very psychic

222

00:08:19,670 --> 00:08:17,039

my whole life and when i finished

223

00:08:22,070 --> 00:08:19,680

uh taking that training one of the

224

00:08:23,350 --> 00:08:22,080

things that i found was that i was able

225

00:08:26,550 --> 00:08:23,360

to

226

00:08:29,350 --> 00:08:26,560

find people's health issues

227

00:08:31,350 --> 00:08:29,360

like you know everybody has their own

228

00:08:33,269 --> 00:08:31,360

thing that they vibrate with you know so

229

00:08:35,029 --> 00:08:33,279

some people talk to dead people

230

00:08:37,110 --> 00:08:35,039

some people are really good with past

231

00:08:37,909 --> 00:08:37,120

lives they're looking at your contracts

232

00:08:40,469 --> 00:08:37,919

you're

233

00:08:41,589 --> 00:08:40,479

reading your acacia records you know for

234

00:08:43,670 --> 00:08:41,599

some reason

235

00:08:44,630 --> 00:08:43,680

looking at people's bodies and telling

236

00:08:47,269 --> 00:08:44,640

them what's wrong

237

00:08:48,630 --> 00:08:47,279

is something i'm very good at and so i

238

00:08:50,710 --> 00:08:48,640

went back to school

239

00:08:51,910 --> 00:08:50,720

uh because the first question people

240

00:08:54,310 --> 00:08:51,920

asked was

241

00:08:55,190 --> 00:08:54,320

well what can i do about it and i had

242

00:08:59,350 --> 00:08:55,200

nothing

243

00:09:01,430 --> 00:08:59,360

that was my answer

244

00:09:03,110 --> 00:09:01,440

uh so went back to school to get a

245

00:09:05,590 --> 00:09:03,120

degree as a naturopath

246

00:09:07,110 --> 00:09:05,600

and it which is a holistic physician so

247

00:09:09,350 --> 00:09:07,120

they don't work with

248

00:09:11,030 --> 00:09:09,360

uh prescription drugs but more with

249

00:09:14,470 --> 00:09:11,040

herbs and supplements

250

00:09:15,030 --> 00:09:14,480

and dietary changes and nutrition um and

251
00:09:19,190 --> 00:09:15,040
then

252
00:09:21,509 --> 00:09:19,200
got a phd in natural health counseling

253
00:09:22,310 --> 00:09:21,519
interesting well we're kind of on the

254
00:09:24,470 --> 00:09:22,320
same

255
00:09:25,430 --> 00:09:24,480
wavelength there i suppose i you know i

256
00:09:27,750 --> 00:09:25,440
found out

257
00:09:29,670 --> 00:09:27,760
i was an intuitive when i was eight

258
00:09:30,389 --> 00:09:29,680
years old and you know he kind of stuck

259
00:09:32,230 --> 00:09:30,399
with me

260
00:09:34,470 --> 00:09:32,240
i never really dwelled on it be honest

261
00:09:36,230 --> 00:09:34,480
with you but it was um

262
00:09:37,990 --> 00:09:36,240
you know it's something i've always had

263
00:09:41,350 --> 00:09:38,000

and i've kind of

264

00:09:43,190 --> 00:09:41,360

you know kind of uh gotten a little

265

00:09:46,470 --> 00:09:43,200

better as i've gotten older

266

00:09:50,310 --> 00:09:46,480

i can i can only really sense energy

267

00:09:50,949 --> 00:09:50,320

spiritual energy and uh occasionally i

268

00:09:53,430 --> 00:09:50,959

can tell

269

00:09:55,110 --> 00:09:53,440

if someone has an issue possibly

270

00:09:59,030 --> 00:09:55,120

physically wise but

271

00:10:01,350 --> 00:09:59,040

i i i've never really delved into that

272

00:10:02,389 --> 00:10:01,360

so what you do is quite interesting to

273

00:10:05,030 --> 00:10:02,399

me

274

00:10:05,590 --> 00:10:05,040

well i'll share a quick story and this

275

00:10:08,710 --> 00:10:05,600

is like

276

00:10:09,590 --> 00:10:08,720

way before i like found out i was

277

00:10:12,790 --> 00:10:09,600

psychic

278

00:10:13,190 --> 00:10:12,800

um you know but in hindsight it was like

279

00:10:16,150 --> 00:10:13,200

this

280

00:10:18,150 --> 00:10:16,160

huge psychic moment which had would

281

00:10:20,710 --> 00:10:18,160

happen to me all the time and i didn't

282

00:10:21,190 --> 00:10:20,720

i didn't know that what i would do these

283

00:10:24,310 --> 00:10:21,200

things

284

00:10:26,790 --> 00:10:24,320

just thought it was

285

00:10:27,910 --> 00:10:26,800

like a very strange coincidence but i

286

00:10:31,269 --> 00:10:27,920

worked at a company

287

00:10:35,190 --> 00:10:31,279

i was like 20 years old and in the

288

00:10:36,949 --> 00:10:35,200

office next door it was a lab there was

289

00:10:38,870 --> 00:10:36,959

this guy who was my friend we were about

290

00:10:42,550 --> 00:10:38,880

the same age and then his

291

00:10:46,550 --> 00:10:42,560

manager who is older i'll just say that

292

00:10:49,269 --> 00:10:46,560

you know older and

293

00:10:50,949 --> 00:10:49,279

he drank tab and i drank tab and so

294

00:10:52,389 --> 00:10:50,959

every day at three o'clock we would go

295

00:10:54,150 --> 00:10:52,399

down my friend and i would go down and

296

00:10:55,110 --> 00:10:54,160

get a soda and i would get bring him

297

00:10:57,350 --> 00:10:55,120

back a soda

298

00:10:59,350 --> 00:10:57,360

a tab and that was pretty much our

299

00:11:00,870 --> 00:10:59,360

relationship i'd say hi but we never

300

00:11:03,829 --> 00:11:00,880

like talked or anything

301
00:11:05,190 --> 00:11:03,839
and so he didn't come into work one day

302
00:11:08,710 --> 00:11:05,200
you know no big deal

303
00:11:10,790 --> 00:11:08,720
so the next day i went into the lab to

304
00:11:14,470 --> 00:11:10,800
say good morning to everybody

305
00:11:16,310 --> 00:11:14,480
and so this is coming from like a 20

306
00:11:18,790 --> 00:11:16,320
year old perspective and so i hope no

307
00:11:21,990 --> 00:11:18,800
one's offended by how this comes out but

308
00:11:22,630 --> 00:11:22,000
you know and so he had like a really

309
00:11:25,829 --> 00:11:22,640
good comb

310
00:11:28,870 --> 00:11:25,839
over happening but you could see

311
00:11:29,990 --> 00:11:28,880
like on his head that he had a little

312
00:11:33,590 --> 00:11:30,000
round band-aid

313
00:11:35,990 --> 00:11:33,600

on the top of his head and so i thought

314

00:11:36,630 --> 00:11:36,000

that he had like maybe had a zit up

315

00:11:38,389 --> 00:11:36,640

there

316

00:11:39,990 --> 00:11:38,399

and it had gotten like kind of red and

317

00:11:41,829 --> 00:11:40,000

[h__h] so he put one of those little

318

00:11:43,350 --> 00:11:41,839

round band-aids on top so you wouldn't

319

00:11:45,829 --> 00:11:43,360

have to look at it because you know it

320

00:11:47,990 --> 00:11:45,839

wasn't that great of a comb over

321

00:11:49,990 --> 00:11:48,000

and so that was what was going on in my

322

00:11:51,269 --> 00:11:50,000

cognitive mind because it's kind of sick

323

00:11:54,949 --> 00:11:51,279

most of the time

324

00:11:57,190 --> 00:11:54,959

and i wa and and i walked over to the

325

00:11:58,710 --> 00:11:57,200

man and i crossed my arms and i looked

326

00:12:00,389 --> 00:11:58,720

him in the face and i said

327

00:12:03,430 --> 00:12:00,399

well where were you yesterday having

328

00:12:05,990 --> 00:12:03,440

them check for a brain tumor

329

00:12:08,150 --> 00:12:06,000

and his face turned white and he turned

330

00:12:10,870 --> 00:12:08,160

around and walked out of the room and

331

00:12:13,190 --> 00:12:10,880

i had no idea what was going on except

332

00:12:15,190 --> 00:12:13,200

every hair on my body was standing on

333

00:12:16,790 --> 00:12:15,200

end and i had this electric current

334

00:12:19,990 --> 00:12:16,800

going through my body

335

00:12:22,150 --> 00:12:20,000

and i went back to my desk and my friend

336

00:12:25,509 --> 00:12:22,160

his assistant

337

00:12:29,750 --> 00:12:25,519

ripped me the riot act because the

338

00:12:33,190 --> 00:12:29,760

the manager thought that he had told me

339

00:12:35,350 --> 00:12:33,200

what was going on but i didn't know

340

00:12:37,190 --> 00:12:35,360

you know and so like in hindsight that

341

00:12:39,350 --> 00:12:37,200

was like a pretty powerful like

342

00:12:41,110 --> 00:12:39,360

psychic medical intuitive thing but in

343

00:12:43,990 --> 00:12:41,120

the moment

344

00:12:45,590 --> 00:12:44,000

i i i would never have called myself

345

00:12:47,829 --> 00:12:45,600

psychic or having a psychic thing

346

00:12:53,990 --> 00:12:47,839

because i wasn't psychic yet

347

00:12:57,350 --> 00:12:56,310

so stepping out of eden is it's a

348

00:13:00,790 --> 00:12:57,360

fascinating book

349

00:13:04,150 --> 00:13:00,800

it's a lot to it now that being said

350

00:13:05,190 --> 00:13:04,160

in your opinion are humans and involved

351
00:13:08,470 --> 00:13:05,200
species

352
00:13:10,389 --> 00:13:08,480
are an amalgamation of

353
00:13:11,990 --> 00:13:10,399
other life forms as an engineered

354
00:13:15,509 --> 00:13:12,000
species

355
00:13:18,550 --> 00:13:15,519
i firmly believe that humanity

356
00:13:19,590 --> 00:13:18,560
as we see it today is an engineered

357
00:13:23,190 --> 00:13:19,600
species

358
00:13:23,590 --> 00:13:23,200
but my feeling is is that all life on

359
00:13:25,910 --> 00:13:23,600
earth

360
00:13:26,870 --> 00:13:25,920
has been manufactured you know that

361
00:13:29,990 --> 00:13:26,880
evolution

362
00:13:34,230 --> 00:13:30,000
were

363
00:13:35,190 --> 00:13:34,240

some bouts of evolution but not in the

364

00:13:38,790 --> 00:13:35,200

way that they

365

00:13:40,470 --> 00:13:38,800

want you to think based on accepted

366

00:13:43,509 --> 00:13:40,480

scientific

367

00:13:47,269 --> 00:13:43,519

theory because it just doesn't work

368

00:13:51,269 --> 00:13:47,279

right yeah these are i've always

369

00:13:53,910 --> 00:13:51,279

been a strong evolutionist and you know

370

00:13:55,990 --> 00:13:53,920

i i just can't buy into the creation

371

00:13:58,150 --> 00:13:56,000

theory but you know what

372

00:14:00,230 --> 00:13:58,160

it kind of goes to my next question you

373

00:14:01,189 --> 00:14:00,240

discuss progressive creationism in your

374

00:14:03,910 --> 00:14:01,199

book

375

00:14:05,750 --> 00:14:03,920

now how is this any different than

376

00:14:09,030 --> 00:14:05,760

intelligent design which

377

00:14:14,069 --> 00:14:09,040

i'm starting to buy into as

378

00:14:18,069 --> 00:14:17,189

i mean intelligent design makes the

379

00:14:21,430 --> 00:14:18,079

assumption

380

00:14:25,590 --> 00:14:21,440

that there is a

381

00:14:29,030 --> 00:14:27,430

pushes i i don't really have a really

382

00:14:34,069 --> 00:14:29,040

good definition for it

383

00:14:39,030 --> 00:14:34,079

you know but that there's an energy that

384

00:14:42,310 --> 00:14:39,040

compels us to grow and change

385

00:14:45,990 --> 00:14:42,320

um i mean i was a hardcore evolution

386

00:14:49,750 --> 00:14:46,000

person i mean i was all about it

387

00:14:53,269 --> 00:14:49,760

all about it and um but in my

388

00:14:56,230 --> 00:14:53,279

research and when you take a step back

389

00:14:57,430 --> 00:14:56,240

well actually in in my last book uh et

390

00:15:00,870 --> 00:14:57,440

chronicles

391

00:15:04,470 --> 00:15:00,880

one of the things that i uncovered

392

00:15:07,670 --> 00:15:04,480

was the presence of extraterrestrials

393

00:15:09,430 --> 00:15:07,680

on the earth and being part of the

394

00:15:12,710 --> 00:15:09,440

terraforming of the planet

395

00:15:15,350 --> 00:15:12,720

right you know and so if they were here

396

00:15:17,910 --> 00:15:15,360

from all the way back then then why are

397

00:15:19,430 --> 00:15:17,920

we so special that they only interfered

398

00:15:22,470 --> 00:15:19,440

in the genetic engineering

399

00:15:24,470 --> 00:15:22,480

of us right you know

400

00:15:25,990 --> 00:15:24,480

and so i'm just kind of looking at the

401
00:15:29,509 --> 00:15:26,000
evidence that i have

402
00:15:30,550 --> 00:15:29,519
uncovered and going you know i think it

403
00:15:33,350 --> 00:15:30,560
is very possible

404
00:15:34,949 --> 00:15:33,360
and it makes it so that i mean there are

405
00:15:40,310 --> 00:15:34,959
a lot of missing links

406
00:15:42,790 --> 00:15:40,320
did we get eyes how did flowering plants

407
00:15:44,790 --> 00:15:42,800
appear you know there isn't anything in

408
00:15:47,590 --> 00:15:44,800
the fossil record

409
00:15:48,870 --> 00:15:47,600
to show this gradual process that just

410
00:15:51,990 --> 00:15:48,880
kind of

411
00:15:53,030 --> 00:15:52,000
appears and no one knows why you know we

412
00:15:55,509 --> 00:15:53,040
have these major

413
00:15:56,389 --> 00:15:55,519

extinction events and then the next

414

00:15:59,350 --> 00:15:56,399

group of

415

00:16:01,350 --> 00:15:59,360

animals that come back aren't lesser

416

00:16:03,749 --> 00:16:01,360

beings they're more evolved beings which

417

00:16:06,389 --> 00:16:03,759

doesn't make any sense

418

00:16:07,430 --> 00:16:06,399

and it happens very quickly and they

419

00:16:09,110 --> 00:16:07,440

can't explain it

420

00:16:11,350 --> 00:16:09,120

and if you can't explain something or

421

00:16:13,670 --> 00:16:11,360

you try to do flips and spins to make

422

00:16:15,590 --> 00:16:13,680

the square peg fit in the round hole

423

00:16:18,310 --> 00:16:15,600

well maybe you shouldn't try to put the

424

00:16:19,829 --> 00:16:18,320

square peg in the round hole

425

00:16:22,470 --> 00:16:19,839

well i definitely believe there was some

426
00:16:23,990 --> 00:16:22,480
type of influence i mean um now what we

427
00:16:26,069 --> 00:16:24,000
were influenced by

428
00:16:27,990 --> 00:16:26,079
were these some not type of non-human

429
00:16:31,030 --> 00:16:28,000
beings or was it

430
00:16:34,069 --> 00:16:31,040
uh a non-corporal

431
00:16:34,310 --> 00:16:34,079
intelligence of some type do you believe

432
00:16:36,629 --> 00:16:34,320
that

433
00:16:37,749 --> 00:16:36,639
ancient men physically interacted with

434
00:16:41,110 --> 00:16:37,759
what they considered

435
00:16:48,069 --> 00:16:45,670
well yes i mean you know but

436
00:16:49,189 --> 00:16:48,079
you know when we sit there and use the

437
00:16:51,509 --> 00:16:49,199
word god

438
00:16:53,269 --> 00:16:51,519

in the western world we end up with a

439

00:16:56,710 --> 00:16:53,279

lot of confusion because

440

00:16:58,870 --> 00:16:56,720

most people associate god

441

00:17:00,389 --> 00:16:58,880

with the omnipotent creator that

442

00:17:02,870 --> 00:17:00,399

underlies everything

443

00:17:04,630 --> 00:17:02,880

in our universe you know regardless of

444

00:17:07,669 --> 00:17:04,640

your definition of that

445

00:17:10,789 --> 00:17:07,679

you know and the characters that we find

446

00:17:15,590 --> 00:17:10,799

in mythology

447

00:17:18,870 --> 00:17:17,909

you know one of the things that i have

448

00:17:21,110 --> 00:17:18,880

uh

449

00:17:22,710 --> 00:17:21,120

talked about is you know when we think

450

00:17:23,750 --> 00:17:22,720

of god you know when we think of the

451
00:17:25,990 --> 00:17:23,760
biblical god

452
00:17:27,350 --> 00:17:26,000
you know that character the creator of

453
00:17:29,669 --> 00:17:27,360
the universe

454
00:17:30,710 --> 00:17:29,679
you know there is the notion that god is

455
00:17:33,190 --> 00:17:30,720
omnipotent

456
00:17:34,070 --> 00:17:33,200
you know but what does that imply that

457
00:17:36,470 --> 00:17:34,080
means that

458
00:17:38,549 --> 00:17:36,480
god you know with a wiggle of his nose

459
00:17:39,669 --> 00:17:38,559
or a knot of his head or the snap of a

460
00:17:43,190 --> 00:17:39,679
finger

461
00:17:43,669 --> 00:17:43,200
can create and manifest whatever he

462
00:17:48,150 --> 00:17:43,679
wants

463
00:17:51,190 --> 00:17:48,160

i like to use

464

00:17:52,390 --> 00:17:51,200

uh the character q from star trek next

465

00:17:55,990 --> 00:17:52,400

generation

466

00:17:58,150 --> 00:17:56,000

q was truly omnipotent he'd snap

467

00:17:59,590 --> 00:17:58,160

his fingers and there would be mariachi

468

00:18:02,150 --> 00:17:59,600

band and he'd

469

00:18:02,630 --> 00:18:02,160

wave his hand and the enterprise would

470

00:18:04,390 --> 00:18:02,640

be

471

00:18:06,870 --> 00:18:04,400

you know hundreds of thousands of light

472

00:18:09,430 --> 00:18:06,880

years away and he'd like make a galaxy

473

00:18:10,390 --> 00:18:09,440

and you know he would do all this stuff

474

00:18:14,070 --> 00:18:10,400

and it was

475

00:18:14,870 --> 00:18:14,080

immediate and instant instantaneous you

476

00:18:17,909 --> 00:18:14,880

know when we look

477

00:18:19,830 --> 00:18:17,919

at mythology we have these stories of

478

00:18:22,710 --> 00:18:19,840

the gods flying around in aerial

479

00:18:25,510 --> 00:18:22,720

chariots we have them using weapons

480

00:18:27,510 --> 00:18:25,520

against each other that were built by a

481

00:18:28,789 --> 00:18:27,520

different group of gods the master

482

00:18:31,590 --> 00:18:28,799

builder group

483

00:18:31,990 --> 00:18:31,600

um you know so we find these things that

484

00:18:35,590 --> 00:18:32,000

are

485

00:18:35,990 --> 00:18:35,600

more human-like you know and i hate to

486

00:18:38,549 --> 00:18:36,000

use

487

00:18:39,990 --> 00:18:38,559

you know but corporeal you know tied to

488

00:18:43,270 --> 00:18:40,000

corporeal beings

489

00:18:45,590 --> 00:18:43,280

then we find to anyone that

490

00:18:46,630 --> 00:18:45,600

could possibly be omnipotent i mean why

491

00:18:47,990 --> 00:18:46,640

would they need a weapon

492

00:18:49,750 --> 00:18:48,000

why would they need a chariot they could

493

00:18:51,830 --> 00:18:49,760

snap their fingers and go to wherever

494

00:18:53,990 --> 00:18:51,840

they wanted

495

00:18:56,390 --> 00:18:54,000

well you know this goes back to a theory

496

00:18:59,669 --> 00:18:56,400

i have which you may very well believe

497

00:19:02,710 --> 00:18:59,679

in that our human descendants

498

00:19:04,470 --> 00:19:02,720

have evolved to a state where they can

499

00:19:06,630 --> 00:19:04,480

actually travel back

500

00:19:07,510 --> 00:19:06,640

to our current time in order to change

501
00:19:10,789 --> 00:19:07,520

history

502
00:19:14,230 --> 00:19:10,799

thus saving us from ourselves do you uh

503
00:19:17,669 --> 00:19:14,240

do you buy into that any

504
00:19:20,549 --> 00:19:17,679

i think that it is a possibility

505
00:19:21,110 --> 00:19:20,559

you know i mean we don't really know you

506
00:19:23,190 --> 00:19:21,120

know

507
00:19:24,230 --> 00:19:23,200

what we're basing or what i based my

508
00:19:26,549 --> 00:19:24,240

material on

509
00:19:27,270 --> 00:19:26,559

is you know what i find in the mythic

510
00:19:29,590 --> 00:19:27,280

record

511
00:19:30,390 --> 00:19:29,600

and what i find in the archaeological

512
00:19:33,590 --> 00:19:30,400

record

513
00:19:36,870 --> 00:19:33,600

um and so there isn't anything

514

00:19:40,310 --> 00:19:36,880

to support it

515

00:19:43,110 --> 00:19:40,320

from a narrative standpoint but

516

00:19:44,630 --> 00:19:43,120

is it possible that that's where there's

517

00:19:46,070 --> 00:19:44,640

these people come from where these

518

00:19:48,549 --> 00:19:46,080

characters come from

519

00:19:49,590 --> 00:19:48,559

it's entirely possible you know so i'm

520

00:19:52,230 --> 00:19:49,600

not going to

521

00:19:53,430 --> 00:19:52,240

negate it or pooh-pooh it because we

522

00:19:55,350 --> 00:19:53,440

don't know

523

00:19:58,070 --> 00:19:55,360

you know there's so much that we don't

524

00:20:02,950 --> 00:20:01,029

well i'm gonna i'm gonna state something

525

00:20:04,789 --> 00:20:02,960

i don't know how which how you're gonna

526

00:20:08,950 --> 00:20:04,799

take this

527

00:20:11,029 --> 00:20:08,960

but over the years

528

00:20:14,390 --> 00:20:11,039

you know i've been looking into a lot of

529

00:20:16,390 --> 00:20:14,400

this summer type subjects as far as uh

530

00:20:17,909 --> 00:20:16,400

how civilizations were developed and

531

00:20:20,710 --> 00:20:17,919

such and so on

532

00:20:22,549 --> 00:20:20,720

because you know there's just no

533

00:20:24,149 --> 00:20:22,559

archaeological record for a lot of what

534

00:20:27,590 --> 00:20:24,159

really happened

535

00:20:29,590 --> 00:20:27,600

and uh how things developed to points

536

00:20:31,270 --> 00:20:29,600

even even in the modern world i mean our

537

00:20:35,669 --> 00:20:31,280

technology has just increased

538

00:20:39,990 --> 00:20:35,679

so much over the just the past century

539

00:20:43,510 --> 00:20:40,000

um i i have it on occasion

540

00:20:47,350 --> 00:20:43,520

and had visions of

541

00:20:50,630 --> 00:20:47,360

these of our of past civilizations

542

00:20:51,029 --> 00:20:50,640

and things developing that i would have

543

00:20:54,390 --> 00:20:51,039

never

544

00:20:56,230 --> 00:20:54,400

thought of quite honest with you and it

545

00:21:00,870 --> 00:20:56,240

gets me thinking and wondering

546

00:21:03,029 --> 00:21:00,880

how a lot of that a lot of what has

547

00:21:04,710 --> 00:21:03,039

happened in the historical record

548

00:21:08,230 --> 00:21:04,720

actually did happen if

549

00:21:13,190 --> 00:21:08,240

and if uh you know archaeology

550

00:21:20,549 --> 00:21:16,230

uh as far as

551
00:21:23,430 --> 00:21:20,559
our advancement in uh

552
00:21:24,470 --> 00:21:23,440
i'm gonna say technology meaning

553
00:21:28,310 --> 00:21:24,480
education

554
00:21:30,310 --> 00:21:28,320
and knowledge of how to make things work

555
00:21:31,669 --> 00:21:30,320
is that kind of where you're going well

556
00:21:35,430 --> 00:21:31,679
not only that but

557
00:21:37,990 --> 00:21:35,440
um how things actually developed how we

558
00:21:39,270 --> 00:21:38,000
if we were given the technology of by

559
00:21:42,830 --> 00:21:39,280
something

560
00:21:45,430 --> 00:21:42,840
um you know well i mean in the mythic

561
00:21:46,230 --> 00:21:45,440
record it tells us that the gods gave us

562
00:21:53,110 --> 00:21:46,240
everything

563
00:21:56,950 --> 00:21:53,120

to agriculture to metallurgy to

564

00:21:58,950 --> 00:21:56,960

weaving to everything

565

00:22:01,029 --> 00:21:58,960

you know and you read these stories and

566

00:22:03,190 --> 00:22:01,039

it's like well humanity was pretty

567

00:22:05,510 --> 00:22:03,200

dumb you know and then there's some that

568

00:22:05,909 --> 00:22:05,520

suggest and like you know again we don't

569

00:22:09,350 --> 00:22:05,919

know

570

00:22:10,789 --> 00:22:09,360

so it's as valid a theory as any that

571

00:22:14,310 --> 00:22:10,799

are out there

572

00:22:17,990 --> 00:22:14,320

that um the downed ufos

573

00:22:21,909 --> 00:22:18,000

is another way that these

574

00:22:24,630 --> 00:22:21,919

gods are giving us advanced technology

575

00:22:26,310 --> 00:22:24,640

you know so instead of interacting with

576

00:22:27,830 --> 00:22:26,320

people you know landing on the white

577

00:22:29,990 --> 00:22:27,840

house lawn kind of like

578

00:22:31,430 --> 00:22:30,000

moses you know the interaction that

579

00:22:34,149 --> 00:22:31,440

moses had

580

00:22:35,990 --> 00:22:34,159

um that they're just kind of dropping it

581

00:22:39,190 --> 00:22:36,000

off and leaving it for us

582

00:22:41,110 --> 00:22:39,200

to access and utilize

583

00:22:42,390 --> 00:22:41,120

and use that to move forward

584

00:22:45,029 --> 00:22:42,400

technologically

585

00:22:45,990 --> 00:22:45,039

you know and i think that's a valid

586

00:22:47,590 --> 00:22:46,000

conjecture

587

00:22:49,430 --> 00:22:47,600

i mean we can't prove it one way or the

588

00:22:52,789 --> 00:22:49,440

other but

589

00:22:55,590 --> 00:22:52,799

i i could i could see why

590

00:22:57,750 --> 00:22:55,600

you know in in the other stories they

591

00:23:01,669 --> 00:22:57,760

you know they're taught

592

00:23:03,909 --> 00:23:01,679

you know and i don't think you know

593

00:23:04,870 --> 00:23:03,919

if i turned around and said you know i

594

00:23:08,149 --> 00:23:04,880

had these uh

595

00:23:10,549 --> 00:23:08,159

zeta reticuli people come and visit me

596

00:23:11,750 --> 00:23:10,559

and they taught me this stuff and i want

597

00:23:14,070 --> 00:23:11,760

to share it with you

598

00:23:15,830 --> 00:23:14,080

you know i know where i would end up oh

599

00:23:17,110 --> 00:23:15,840

yeah that's exactly what i'm trying to

600

00:23:20,390 --> 00:23:17,120

say you know i

601
00:23:21,110 --> 00:23:20,400
you know the these what i call visions i

602
00:23:23,190 --> 00:23:21,120
guess

603
00:23:24,470 --> 00:23:23,200
are that's the easiest way of saying

604
00:23:26,789 --> 00:23:24,480
what they are

605
00:23:27,990 --> 00:23:26,799
you know when i uh when i present them

606
00:23:31,430 --> 00:23:28,000
to my colleagues

607
00:23:32,149 --> 00:23:31,440
and even people that read uh the blog

608
00:23:34,870 --> 00:23:32,159
and such

609
00:23:36,549 --> 00:23:34,880
it i know i dropped them crazy by doing

610
00:23:38,630 --> 00:23:36,559
that because

611
00:23:40,310 --> 00:23:38,640
most people want to find what actual

612
00:23:43,350 --> 00:23:40,320
physical evidence of some type

613
00:23:45,029 --> 00:23:43,360

or something that has been in some type

614

00:23:46,950 --> 00:23:45,039

of research

615

00:23:49,510 --> 00:23:46,960

but you know when you when you come off

616

00:23:52,390 --> 00:23:49,520

a lot of this from the top of your head

617

00:23:54,230 --> 00:23:52,400

or for something that you uh you know

618

00:23:55,510 --> 00:23:54,240

i'm not saying i'm a prophet let's put

619

00:23:57,510 --> 00:23:55,520

it that way

620

00:23:59,430 --> 00:23:57,520

but it does drop people nuts and you

621

00:24:00,470 --> 00:23:59,440

know it is hard to get it across to some

622

00:24:03,669 --> 00:24:00,480

individuals

623

00:24:06,710 --> 00:24:03,679

about you know is this

624

00:24:10,870 --> 00:24:06,720

the ability an ability i have that i can

625

00:24:13,830 --> 00:24:10,880

that i can uh sense that or see that

626
00:24:15,029 --> 00:24:13,840
and then the conundrum is trying to

627
00:24:18,630 --> 00:24:15,039
explain what i

628
00:24:20,549 --> 00:24:18,640
actually envisioned

629
00:24:22,149 --> 00:24:20,559
that's always a challenging part you

630
00:24:24,149 --> 00:24:22,159
know but i'm going to kind of shift here

631
00:24:27,029 --> 00:24:24,159
you know because i talked about

632
00:24:28,230 --> 00:24:27,039
the gods that are talked about in myth

633
00:24:31,669 --> 00:24:28,240
you know and to me

634
00:24:34,710 --> 00:24:31,679
the mythological gods seem like

635
00:24:37,029 --> 00:24:34,720
there is at least some corporeality

636
00:24:38,630 --> 00:24:37,039
to their nature that they had bodies and

637
00:24:40,470 --> 00:24:38,640
and that people saw them and

638
00:24:42,070 --> 00:24:40,480

interacted with them at some point in

639

00:24:43,830 --> 00:24:42,080

time right

640

00:24:45,350 --> 00:24:43,840

you know but then there is this and i'm

641

00:24:49,110 --> 00:24:45,360

going to say whole other

642

00:24:51,750 --> 00:24:49,120

group of gods that people were

643

00:24:52,310 --> 00:24:51,760

accessing during the ritual experience

644

00:24:55,510 --> 00:24:52,320

you know

645

00:24:58,630 --> 00:24:55,520

and performing ritual and

646

00:25:01,830 --> 00:24:58,640

uh creating you know

647

00:25:03,669 --> 00:25:01,840

which would be a group it would you know

648

00:25:04,870 --> 00:25:03,679

i mean this sounds so politically

649

00:25:07,350 --> 00:25:04,880

incorrect but i think

650

00:25:09,430 --> 00:25:07,360

people get this image you know of a

651
00:25:10,470 --> 00:25:09,440
group of native americans dancing around

652
00:25:13,269 --> 00:25:10,480
the fire

653
00:25:15,510 --> 00:25:13,279
you know people in the west look at and

654
00:25:18,230 --> 00:25:15,520
it's like ah they're a bunch of heathens

655
00:25:20,470 --> 00:25:18,240
but there was just something very deep

656
00:25:22,950 --> 00:25:20,480
and esoteric in what they were doing

657
00:25:25,669 --> 00:25:22,960
because they were creating ritual

658
00:25:26,549 --> 00:25:25,679
in order to raise the vibration of the

659
00:25:29,750 --> 00:25:26,559
community

660
00:25:32,710 --> 00:25:29,760
which would raise the vibration of this

661
00:25:33,669 --> 00:25:32,720
the shaman or the medicine men so that

662
00:25:36,470 --> 00:25:33,679
they could move

663
00:25:38,390 --> 00:25:36,480

into a higher state of being and

664

00:25:41,110 --> 00:25:38,400

interact with these

665

00:25:42,230 --> 00:25:41,120

other worldly souls you know whether it

666

00:25:45,190 --> 00:25:42,240

was uh

667

00:25:47,110 --> 00:25:45,200

ancestors you know whether it was these

668

00:25:50,310 --> 00:25:47,120

godly characters

669

00:25:53,990 --> 00:25:50,320

um you know there's not a whole lot

670

00:25:55,269 --> 00:25:54,000

of information especially ancient you

671

00:25:58,789 --> 00:25:55,279

know

672

00:26:02,350 --> 00:25:58,799

little hesitant

673

00:26:05,269 --> 00:26:02,360

on my believability meter um but the

674

00:26:06,630 --> 00:26:05,279

ethnographers who were documenting these

675

00:26:11,110 --> 00:26:06,640

rituals

676
00:26:12,549 --> 00:26:11,120
never asked what was the experience

677
00:26:14,549 --> 00:26:12,559
you know they just talked about them

678
00:26:16,630 --> 00:26:14,559
dancing around the fire

679
00:26:18,789 --> 00:26:16,640
um but they would use they would go into

680
00:26:21,269 --> 00:26:18,799
this ecstatic state

681
00:26:22,310 --> 00:26:21,279
in order to access higher level

682
00:26:24,470 --> 00:26:22,320
information

683
00:26:25,669 --> 00:26:24,480
you know so when someone like yourself

684
00:26:29,830 --> 00:26:25,679
or myself

685
00:26:31,029 --> 00:26:29,840
meditates and allows information to come

686
00:26:34,470 --> 00:26:31,039
to us from

687
00:26:37,750 --> 00:26:34,480
our higher self from god from you know

688
00:26:41,909 --> 00:26:37,760

some place um you know we

689

00:26:44,950 --> 00:26:41,919

are utilizing that same capability

690

00:26:46,630 --> 00:26:44,960

as our ancestors except they were really

691

00:26:49,350 --> 00:26:46,640

good at it

692

00:26:49,909 --> 00:26:49,360

oh yeah uh i mean do you believe that

693

00:26:52,870 --> 00:26:49,919

maybe

694

00:26:54,230 --> 00:26:52,880

modern humans will eventually need to

695

00:26:56,870 --> 00:26:54,240

reconnect with

696

00:26:58,710 --> 00:26:56,880

ancient tradition intuitiveness in order

697

00:27:01,110 --> 00:26:58,720

to survive

698

00:27:01,750 --> 00:27:01,120

yeah i mean i think we are going so far

699

00:27:08,230 --> 00:27:01,760

off

700

00:27:11,350 --> 00:27:08,240

you know i'm gonna say materialistic um

701
00:27:11,830 --> 00:27:11,360
and losing touch with ourselves losing

702
00:27:18,710 --> 00:27:11,840
touch

703
00:27:20,549 --> 00:27:18,720
with i'm gonna say god you know

704
00:27:22,070 --> 00:27:20,559
and i'm not really a religious person

705
00:27:26,149 --> 00:27:22,080
but that higher

706
00:27:29,269 --> 00:27:26,159
consciousness that we all can tap into

707
00:27:30,710 --> 00:27:29,279
that we all can connect with um

708
00:27:32,470 --> 00:27:30,720
you know and i think that that's part of

709
00:27:34,549 --> 00:27:32,480
the craziness that's going on

710
00:27:35,750 --> 00:27:34,559
is that you know people aren't grounding

711
00:27:39,029 --> 00:27:35,760
people aren't

712
00:27:42,389 --> 00:27:39,039
stopping and breathing and reconnecting

713
00:27:45,269 --> 00:27:42,399

with themselves you know to

714

00:27:47,430 --> 00:27:45,279

look at what's really going on and i'm

715

00:27:48,389 --> 00:27:47,440

not making a judgment you know one side

716

00:27:51,510 --> 00:27:48,399

or the other

717

00:27:54,710 --> 00:27:51,520

but people are going crazy

718

00:27:56,470 --> 00:27:54,720

yeah it's yeah it just you know even

719

00:27:58,389 --> 00:27:56,480

the time when we were kids it just

720

00:28:01,669 --> 00:27:58,399

seemed so much different

721

00:28:05,190 --> 00:28:01,679

uh so social wise but

722

00:28:07,110 --> 00:28:05,200

you know and a lot of other things uh

723

00:28:08,389 --> 00:28:07,120

it just seems like it's a more dangerous

724

00:28:11,669 --> 00:28:08,399

world out there and very

725

00:28:14,789 --> 00:28:14,389

you know and the sad part is is that we

726

00:28:21,430 --> 00:28:14,799

all

727

00:28:24,630 --> 00:28:21,440

live and be happy and feel secure

728

00:28:26,549 --> 00:28:24,640

and have a place to live and food to eat

729

00:28:27,750 --> 00:28:26,559

and be able to interact with the world

730

00:28:30,710 --> 00:28:27,760

around us

731

00:28:32,870 --> 00:28:30,720

you know and there's just so much drama

732

00:28:35,909 --> 00:28:32,880

and so much disparity

733

00:28:37,830 --> 00:28:35,919

you know between people and

734

00:28:40,070 --> 00:28:37,840

those that have and those that don't

735

00:28:41,830 --> 00:28:40,080

have you know that it's just becoming

736

00:28:43,590 --> 00:28:41,840

more and more challenging and

737

00:28:45,190 --> 00:28:43,600

you know but when you don't have it

738

00:28:47,350 --> 00:28:45,200

leaves you in a state of fear

739

00:28:48,630 --> 00:28:47,360

and when you're in a state of fear

740

00:28:50,470 --> 00:28:48,640

you're not going to get kind of

741

00:28:52,710 --> 00:28:50,480

metaphysical here for a second

742

00:28:54,870 --> 00:28:52,720

your first chakra shuts down you know

743

00:28:56,870 --> 00:28:54,880

because your first chakra is associated

744

00:28:59,590 --> 00:28:56,880

with your survival energy

745

00:29:01,750 --> 00:28:59,600

and so you can't let go you can't

746

00:29:02,470 --> 00:29:01,760

release your energy gets totally stuck

747

00:29:06,310 --> 00:29:02,480

in your head

748

00:29:08,789 --> 00:29:06,320

it gets stuck in your body and

749

00:29:09,430 --> 00:29:08,799

it can make you kind of crazy like that

750

00:29:12,149 --> 00:29:09,440

because

751

00:29:14,950 --> 00:29:12,159

it's just it's not moving anywhere it's

752

00:29:17,669 --> 00:29:14,960

just rolling around in your head and you

753

00:29:19,430 --> 00:29:17,679

yeah there's a whole huge dynamic maybe

754

00:29:21,190 --> 00:29:19,440

i need to write an article on that that

755

00:29:23,510 --> 00:29:21,200

might be kind of interesting

756

00:29:25,110 --> 00:29:23,520

you know and this is one thing i do like

757

00:29:28,230 --> 00:29:25,120

about social media though

758

00:29:30,149 --> 00:29:28,240

you know it's you know you know

759

00:29:32,070 --> 00:29:30,159

in a sense you can't really tell if what

760

00:29:35,830 --> 00:29:32,080

you're reading is true but

761

00:29:39,350 --> 00:29:35,840

overall i think people are more open to

762

00:29:42,549 --> 00:29:39,360

issues and

763

00:29:43,029 --> 00:29:42,559

you start to read how other people are

764

00:29:45,830 --> 00:29:43,039

living

765

00:29:46,710 --> 00:29:45,840

how they're what they're experiencing

766

00:29:48,789 --> 00:29:46,720

and

767

00:29:49,990 --> 00:29:48,799

you know you have to come to the

768

00:29:51,909 --> 00:29:50,000

conclusion

769

00:29:53,430 --> 00:29:51,919

everybody's got real issues in this

770

00:29:57,269 --> 00:29:53,440

modern world

771

00:29:59,110 --> 00:29:57,279

and it's just not it's just not

772

00:30:02,070 --> 00:29:59,120

what it was you seemed like i said

773

00:30:04,310 --> 00:30:02,080

before like it was when we were younger

774

00:30:05,350 --> 00:30:04,320

you know but i think some of the things

775

00:30:08,630 --> 00:30:05,360

that get into

776

00:30:12,310 --> 00:30:08,640

this whole dynamic is uh

777

00:30:13,990 --> 00:30:12,320

electronics i think that's huge huge

778

00:30:15,830 --> 00:30:14,000

i mean when we were kids it's like what

779

00:30:16,389 --> 00:30:15,840

did you do my mom kicked us out of the

780

00:30:18,630 --> 00:30:16,399

house

781

00:30:19,430 --> 00:30:18,640

like go play absolutely come back in

782

00:30:23,029 --> 00:30:19,440

dark

783

00:30:23,909 --> 00:30:23,039

go run around and burn off all that

784

00:30:26,630 --> 00:30:23,919

energy

785

00:30:27,190 --> 00:30:26,640

and you know and then come back before

786

00:30:30,310 --> 00:30:27,200

dark

787

00:30:30,870 --> 00:30:30,320

for dinner and that would then that was

788

00:30:33,190 --> 00:30:30,880

it

789

00:30:34,070 --> 00:30:33,200

you know and so you weren't hanging on

790

00:30:37,029 --> 00:30:34,080

to all this

791

00:30:37,430 --> 00:30:37,039

energy and you could burn it off and you

792

00:30:40,870 --> 00:30:37,440

know

793

00:30:43,669 --> 00:30:40,880

there achieve more inner peace

794

00:30:44,950 --> 00:30:43,679

you know people don't have inner peace

795

00:30:48,070 --> 00:30:44,960

when your energy stuck

796

00:30:49,430 --> 00:30:48,080

it's just not possible you know it's

797

00:30:50,950 --> 00:30:49,440

sitting in front of a computer or

798

00:30:51,830 --> 00:30:50,960

sitting with you you know your face in

799

00:30:55,029 --> 00:30:51,840

your phone

800

00:30:56,630 --> 00:30:55,039

all day just doesn't promote that it

801
00:30:58,549 --> 00:30:56,640
doesn't promote people to read it

802
00:30:59,590 --> 00:30:58,559
doesn't promote people to go outside and

803
00:31:01,190 --> 00:30:59,600
take a walk

804
00:31:02,789 --> 00:31:01,200
you know and that was i was talking to a

805
00:31:04,870 --> 00:31:02,799
friend the other day it's like

806
00:31:06,630 --> 00:31:04,880
yeah it was a whole lot easier before

807
00:31:09,350 --> 00:31:06,640
all the electronic stuff because there

808
00:31:11,590 --> 00:31:09,360
wasn't anything else to do

809
00:31:13,029 --> 00:31:11,600
that's exactly right that that is

810
00:31:15,350 --> 00:31:13,039
exactly right

811
00:31:17,029 --> 00:31:15,360
because you know i look at how it was

812
00:31:19,990 --> 00:31:17,039
when i was let's say when i was

813
00:31:22,870 --> 00:31:20,000

in school in high school then when you

814

00:31:26,310 --> 00:31:22,880

have kids you see how they

815

00:31:28,310 --> 00:31:26,320

how they live their life as children

816

00:31:29,830 --> 00:31:28,320

and then you look at your grandchildren

817

00:31:32,070 --> 00:31:29,840

and it you know it

818

00:31:33,590 --> 00:31:32,080

it progresses but it's not really

819

00:31:36,630 --> 00:31:33,600

progression it's

820

00:31:39,430 --> 00:31:36,640

you're right electronics has so much

821

00:31:43,909 --> 00:31:39,440

involved i mean it influences so much of

822

00:31:51,509 --> 00:31:48,950

so um do you think that modern humans

823

00:31:55,750 --> 00:31:51,519

experience more psychological illness

824

00:31:55,760 --> 00:32:03,110

hmm interesting question um

825

00:32:06,549 --> 00:32:05,909

i mean my knee-jerk reaction would be to

826

00:32:10,710 --> 00:32:06,559

say

827

00:32:14,549 --> 00:32:10,720

no right um you know but then there

828

00:32:19,430 --> 00:32:14,559

are other factors that

829

00:32:23,110 --> 00:32:21,509

uh bigger communities bigger cities

830

00:32:23,990 --> 00:32:23,120

there's a lot more influence and

831

00:32:26,549 --> 00:32:24,000

pressure

832

00:32:27,350 --> 00:32:26,559

you know there's what society brings to

833

00:32:28,470 --> 00:32:27,360

the table

834

00:32:30,389 --> 00:32:28,480

you know then there's the whole

835

00:32:31,750 --> 00:32:30,399

medication thing that you have to kind

836

00:32:33,509 --> 00:32:31,760

of throw on the table

837

00:32:35,750 --> 00:32:33,519

and then there's you know the foods we

838

00:32:36,549 --> 00:32:35,760

eat and the air we breathe and the water

839

00:32:39,509 --> 00:32:36,559

we drink

840

00:32:41,750 --> 00:32:39,519

you know i mean i think all of that has

841

00:32:44,549 --> 00:32:41,760

to get put onto the table

842

00:32:46,230 --> 00:32:44,559

which could add to people having

843

00:32:49,350 --> 00:32:46,240

psychological issues but

844

00:32:51,190 --> 00:32:49,360

is it really a true psychological issue

845

00:32:52,950 --> 00:32:51,200

or is it something that's been created

846

00:32:53,590 --> 00:32:52,960

because we haven't taken care of

847

00:32:57,509 --> 00:32:53,600

ourselves

848

00:32:57,990 --> 00:32:57,519

right right you mentioned something

849

00:33:04,549 --> 00:32:58,000

about

850

00:33:06,310 --> 00:33:04,559

do you are you now when you say that you

851
00:33:07,350 --> 00:33:06,320
you're you're talking about terraforming

852
00:33:09,990 --> 00:33:07,360
as far as

853
00:33:11,430 --> 00:33:10,000
pam spermia are you talking about some

854
00:33:16,230 --> 00:33:11,440
type of intellectual

855
00:33:22,870 --> 00:33:16,240
life form or being causing

856
00:33:26,310 --> 00:33:25,509
i mean i'm going to start with pants

857
00:33:28,470 --> 00:33:26,320
burmea

858
00:33:30,710 --> 00:33:28,480
right you know directed pants permia

859
00:33:33,750 --> 00:33:30,720
that there was a group that actually

860
00:33:36,950 --> 00:33:33,760
facilitated that um but then

861
00:33:39,269 --> 00:33:36,960
as you read these stories so and i'm

862
00:33:39,990 --> 00:33:39,279
going to use greek cosmology as the

863
00:33:43,110 --> 00:33:40,000

example

864

00:33:46,710 --> 00:33:43,120

but there was the war between zeus

865

00:33:50,389 --> 00:33:46,720

and kronos that occurred um

866

00:33:52,950 --> 00:33:50,399

and after that war

867

00:33:53,830 --> 00:33:52,960

there was another terraforming event

868

00:33:55,509 --> 00:33:53,840

that occurred

869

00:33:57,990 --> 00:33:55,519

you know so there was the initial and

870

00:34:01,190 --> 00:33:58,000

i'm going to say seeding of the planet

871

00:34:04,870 --> 00:34:01,200

um but then at during

872

00:34:07,350 --> 00:34:04,880

after this war that happened um

873

00:34:08,149 --> 00:34:07,360

basically the way the storyline reads is

874

00:34:10,310 --> 00:34:08,159

that

875

00:34:12,550 --> 00:34:10,320

you know their bones became the

876

00:34:14,790 --> 00:34:12,560

mountains and their hair became the

877

00:34:16,389 --> 00:34:14,800

trees and the plants and their blood

878

00:34:18,950 --> 00:34:16,399

became the water

879

00:34:19,510 --> 00:34:18,960

you know and so that's one that's tied

880

00:34:22,629 --> 00:34:19,520

to this

881

00:34:26,550 --> 00:34:22,639

event but then there's another parallel

882

00:34:30,470 --> 00:34:26,560

or not parallel myth uh but narrative

883

00:34:32,389 --> 00:34:30,480

where they went and like a bug went down

884

00:34:35,430 --> 00:34:32,399

to the bottom of the water and pulled up

885

00:34:38,790 --> 00:34:35,440

a little mud and then dry land formed

886

00:34:40,230 --> 00:34:38,800

or they put a stick down into the water

887

00:34:42,790 --> 00:34:40,240

and pulled up a little mud

888

00:34:43,909 --> 00:34:42,800

and dry land formed and so there's this

889

00:34:47,510 --> 00:34:43,919

secondary

890

00:34:49,669 --> 00:34:47,520

terraforming event that you also find

891

00:34:51,270 --> 00:34:49,679

which seems like and there are

892

00:34:54,069 --> 00:34:51,280

characters and people

893

00:34:54,710 --> 00:34:54,079

that are tied to this thing happening

894

00:34:57,750 --> 00:34:54,720

and so

895

00:35:01,030 --> 00:34:57,760

i do feel like um

896

00:35:04,630 --> 00:35:01,040

you know it was consciously directed

897

00:35:06,470 --> 00:35:04,640

at some point in time yeah

898

00:35:10,150 --> 00:35:06,480

it seems that there very well may have

899

00:35:13,270 --> 00:35:12,790

you know when you you read about how

900

00:35:16,550 --> 00:35:13,280

many

901
00:35:20,069 --> 00:35:16,560
extinction cycles that have actually

902
00:35:21,589 --> 00:35:20,079
happened on this on the earth yeah it is

903
00:35:24,950 --> 00:35:21,599
kind of mind-blowing

904
00:35:27,109 --> 00:35:24,960
and and wondering how you know how

905
00:35:28,069 --> 00:35:27,119
we started started over from the

906
00:35:32,230 --> 00:35:28,079
beginning again

907
00:35:34,950 --> 00:35:32,240
how many times it had to happen and

908
00:35:36,950 --> 00:35:34,960
what kind of other influence had been

909
00:35:40,470 --> 00:35:36,960
involved with that

910
00:35:41,349 --> 00:35:40,480
uh you know are we ever going to be able

911
00:35:45,190 --> 00:35:41,359
to

912
00:35:48,630 --> 00:35:45,200
and especially

913
00:35:50,550 --> 00:35:48,640

you know it's involving life

914

00:35:52,150 --> 00:35:50,560

well you know when you talk about

915

00:35:55,270 --> 00:35:52,160

humanity

916

00:35:57,190 --> 00:35:55,280

and i didn't realize this until i was

917

00:36:00,390 --> 00:35:57,200

researching this book

918

00:36:04,030 --> 00:36:02,390

you know so researchers will sit there

919

00:36:05,190 --> 00:36:04,040

and they kind of talk about like

920

00:36:08,470 --> 00:36:05,200

australopithecus

921

00:36:10,310 --> 00:36:08,480

and you know homo robustus

922

00:36:11,670 --> 00:36:10,320

and homo you know and all these

923

00:36:14,710 --> 00:36:11,680

different

924

00:36:17,589 --> 00:36:14,720

characters you know in our lineage or

925

00:36:20,630 --> 00:36:17,599

parallel lineages or whatever

926

00:36:21,750 --> 00:36:20,640

and where it gets really interesting is

927

00:36:25,030 --> 00:36:21,760

that they make

928

00:36:29,349 --> 00:36:25,040

these huge claims

929

00:36:31,270 --> 00:36:29,359

based on a piece of a jawbone a leg bone

930

00:36:33,349 --> 00:36:31,280

i mean i feel like and you know i

931

00:36:36,470 --> 00:36:33,359

probably am exaggerating here

932

00:36:37,270 --> 00:36:36,480

but i feel like if you took all of the

933

00:36:39,430 --> 00:36:37,280

bones

934

00:36:40,950 --> 00:36:39,440

that have been found you could probably

935

00:36:43,670 --> 00:36:40,960

put him inside a box

936

00:36:44,310 --> 00:36:43,680

because it doesn't seem like there had

937

00:36:49,750 --> 00:36:44,320

been

938

00:36:51,750 --> 00:36:49,760

now you know when you talk about the

939

00:36:55,670 --> 00:36:51,760

devonians i mean there was a

940

00:36:57,750 --> 00:36:55,680

piece of a pinky and a tooth that was it

941

00:36:59,109 --> 00:36:57,760

now the only reason i give them any

942

00:37:01,829 --> 00:36:59,119

credit at all

943

00:37:04,230 --> 00:37:01,839

is they've been able to look at the

944

00:37:07,349 --> 00:37:04,240

genetic record you know the dna

945

00:37:09,270 --> 00:37:07,359

that came out of those bones out of that

946

00:37:09,829 --> 00:37:09,280

fossil record so they actually have

947

00:37:13,990 --> 00:37:09,839

something

948

00:37:16,790 --> 00:37:14,000

concrete to work with versus

949

00:37:18,390 --> 00:37:16,800

you know it's a piece of a jawbone i

950

00:37:21,270 --> 00:37:18,400

mean how can you recreate

951
00:37:22,230 --> 00:37:21,280
an entire individual based on a piece of

952
00:37:25,589 --> 00:37:22,240
a jawbone

953
00:37:28,790 --> 00:37:25,599
exactly but in turn

954
00:37:32,069 --> 00:37:28,800
we have this broad

955
00:37:35,990 --> 00:37:32,079
reaching and extensive and

956
00:37:39,190 --> 00:37:36,000
very deep mythological record

957
00:37:41,349 --> 00:37:39,200
that has been passed on generation to

958
00:37:44,150 --> 00:37:41,359
generation to generation

959
00:37:45,670 --> 00:37:44,160
and they won't even look at it they

960
00:37:47,829 --> 00:37:45,680
won't consider it

961
00:37:49,750 --> 00:37:47,839
you know and it just has been pushed to

962
00:37:52,470 --> 00:37:49,760
the side and poo-pooed and i'm like

963
00:37:53,589 --> 00:37:52,480

wait a minute i've written two books on

964

00:37:56,470 --> 00:37:53,599

the topic

965

00:37:58,550 --> 00:37:56,480

and you have like one little baby box

966

00:37:59,030 --> 00:37:58,560

and i'm only like skimming the surface i

967

00:38:02,870 --> 00:37:59,040

mean i

968

00:38:05,910 --> 00:38:02,880

it just seems unreasonable

969

00:38:06,230 --> 00:38:05,920

when there is just such a rich record to

970

00:38:09,589 --> 00:38:06,240

just

971

00:38:13,990 --> 00:38:09,599

ignore it in in lieu of a little box

972

00:38:20,550 --> 00:38:18,390

baby box well that being said

973

00:38:22,470 --> 00:38:20,560

how much how much of the narrative in

974

00:38:26,230 --> 00:38:22,480

the bible

975

00:38:29,190 --> 00:38:26,240

can be directly connected to

976
00:38:29,750 --> 00:38:29,200
non-terrestrial influence for instance

977
00:38:34,069 --> 00:38:29,760
angel

978
00:38:37,829 --> 00:38:34,079
contact massive destruction etc

979
00:38:40,630 --> 00:38:37,839
um i mean where my area of specialty is

980
00:38:42,069 --> 00:38:40,640
is looking at what's considered the

981
00:38:45,030 --> 00:38:42,079
creation myth

982
00:38:47,190 --> 00:38:45,040
right um and so although i'll make some

983
00:38:50,069 --> 00:38:47,200
commentary um

984
00:38:50,550 --> 00:38:50,079
to more answer your question sure and so

985
00:38:54,390 --> 00:38:50,560
when

986
00:38:57,270 --> 00:38:54,400
you look at the book of genesis so from

987
00:38:58,710 --> 00:38:57,280
in the beginning up until the flood

988
00:39:01,990 --> 00:38:58,720

narrative

989

00:39:04,390 --> 00:39:02,000

that storyline is very consistent

990

00:39:06,470 --> 00:39:04,400

with what you see around the world you

991

00:39:08,950 --> 00:39:06,480

know and i call that the global mythic

992

00:39:12,390 --> 00:39:08,960

narrative it's the early myths

993

00:39:13,589 --> 00:39:12,400

and the you find the same stories

994

00:39:16,310 --> 00:39:13,599

basically i mean they're

995

00:39:17,510 --> 00:39:16,320

different but they're the same all

996

00:39:20,710 --> 00:39:17,520

around the world

997

00:39:24,069 --> 00:39:20,720

i was talking about

998

00:39:27,109 --> 00:39:24,079

the terraforming event after the war

999

00:39:30,710 --> 00:39:27,119

you know and when i was working on

1000

00:39:33,750 --> 00:39:30,720

uh my last book et chronicles

1001
00:39:38,069 --> 00:39:36,230
well i wanted to look at the the seven

1002
00:39:40,870 --> 00:39:38,079
days of creation story

1003
00:39:41,829 --> 00:39:40,880
you know and incorporate that because i

1004
00:39:43,990 --> 00:39:41,839
kept finding

1005
00:39:45,109 --> 00:39:44,000
these stories that started with like in

1006
00:39:48,230 --> 00:39:45,119
the beginning

1007
00:39:50,230 --> 00:39:48,240
was void

1008
00:39:51,829 --> 00:39:50,240
you know and it was this abyss and it

1009
00:39:56,150 --> 00:39:51,839
was very consistent

1010
00:39:58,950 --> 00:39:56,160
so i kind of used that as my template

1011
00:39:59,270 --> 00:39:58,960
you know but on the all right i have to

1012
00:40:03,829 --> 00:39:59,280
sit

1013
00:40:08,069 --> 00:40:06,470

third day i think it's the third day it

1014

00:40:09,990 --> 00:40:08,079

might be the fourth day so don't hold me

1015

00:40:13,109 --> 00:40:10,000

to this um

1016

00:40:15,430 --> 00:40:13,119

you know god creates the plants and

1017

00:40:18,550 --> 00:40:15,440

trees

1018

00:40:19,670 --> 00:40:18,560

you know of the earth right and then on

1019

00:40:22,069 --> 00:40:19,680

the next day

1020

00:40:22,950 --> 00:40:22,079

so the fourth day he puts the sun the

1021

00:40:25,670 --> 00:40:22,960

moon in the cigar

1022

00:40:27,910 --> 00:40:25,680

stars in the sky which you read and it's

1023

00:40:29,750 --> 00:40:27,920

like okay but what about photosynthesis

1024

00:40:33,109 --> 00:40:29,760

because that really wouldn't work

1025

00:40:35,270 --> 00:40:33,119

without it um you know so my

1026

00:40:38,390 --> 00:40:35,280

initial thought was you know maybe they

1027

00:40:39,990 --> 00:40:38,400

got the days mixed up you know

1028

00:40:42,230 --> 00:40:40,000

i mean you could come up with a lot of

1029

00:40:44,870 --> 00:40:42,240

different explanations of you know why

1030

00:40:45,670 --> 00:40:44,880

the sun didn't go into the sky until

1031

00:40:49,190 --> 00:40:45,680

after

1032

00:40:49,990 --> 00:40:49,200

the plants until i started doing all of

1033

00:40:52,309 --> 00:40:50,000

this digging

1034

00:40:54,150 --> 00:40:52,319

and one of the things that i found was

1035

00:40:57,190 --> 00:40:54,160

we have this war

1036

00:40:58,870 --> 00:40:57,200

we have this terraforming event and then

1037

00:41:01,030 --> 00:40:58,880

the next piece of narrative

1038

00:41:03,990 --> 00:41:01,040

talks about and then the sun the moon

1039

00:41:07,030 --> 00:41:04,000

and the stars were put in the sky

1040

00:41:10,150 --> 00:41:07,040

so weird as it may be

1041

00:41:14,390 --> 00:41:13,109

so one of the things i talk about in

1042

00:41:17,589 --> 00:41:14,400

stepping out of eden

1043

00:41:19,670 --> 00:41:17,599

is the viewpoint of the myths

1044

00:41:21,109 --> 00:41:19,680

and so in these early myths and these

1045

00:41:24,230 --> 00:41:21,119

creation myths which go

1046

00:41:26,150 --> 00:41:24,240

up to the flood the stories are all told

1047

00:41:28,150 --> 00:41:26,160

and i like to say from the viewpoint of

1048

00:41:29,990 --> 00:41:28,160

the gods you know they're right there in

1049

00:41:31,190 --> 00:41:30,000

the middle of the action so you know lon

1050

00:41:34,630 --> 00:41:31,200

if you and i were

1051
00:41:37,270 --> 00:41:34,640
hanging out and you know doing whatever

1052
00:41:38,309 --> 00:41:37,280
it would be you know well lon went and

1053
00:41:40,150 --> 00:41:38,319
did this thing

1054
00:41:41,750 --> 00:41:40,160
and you know then he went and did that

1055
00:41:44,230 --> 00:41:41,760
thing and it would be

1056
00:41:45,510 --> 00:41:44,240
you know third person but third person

1057
00:41:47,030 --> 00:41:45,520
familiar

1058
00:41:48,790 --> 00:41:47,040
you know because we're hanging out i'm

1059
00:41:52,230 --> 00:41:48,800
just telling the story

1060
00:41:55,430 --> 00:41:52,240
um but after the flood

1061
00:41:58,710 --> 00:41:55,440
one there's no more global narrative

1062
00:42:00,390 --> 00:41:58,720
and so every culture starts creating

1063
00:42:03,190 --> 00:42:00,400

their own mythic record

1064

00:42:05,349 --> 00:42:03,200

for their culture but the viewpoint

1065

00:42:06,309 --> 00:42:05,359

changes it changes from the stories of

1066

00:42:09,829 --> 00:42:06,319

the gods

1067

00:42:10,870 --> 00:42:09,839

to the stories of men interacting with

1068

00:42:13,510 --> 00:42:10,880

the gods

1069

00:42:14,230 --> 00:42:13,520

you know and so i like using mooses as an

1070

00:42:16,790 --> 00:42:14,240

example

1071

00:42:18,870 --> 00:42:16,800

because you know mooses goes and he

1072

00:42:22,069 --> 00:42:18,880

climbs up mount sinai

1073

00:42:25,670 --> 00:42:22,079

and instead of like hanging out with god

1074

00:42:28,309 --> 00:42:25,680

um you know he is demure

1075

00:42:29,030 --> 00:42:28,319

and respectful and he takes his shoes

1076

00:42:32,630 --> 00:42:29,040

off

1077

00:42:36,230 --> 00:42:32,640

and there is this air of uh

1078

00:42:39,910 --> 00:42:36,240

you know god is superior and i have to

1079

00:42:43,109 --> 00:42:39,920

you know be in awe of him and you see

1080

00:42:44,870 --> 00:42:43,119

this major change you know so think of

1081

00:42:48,390 --> 00:42:44,880

moses on the mountain

1082

00:42:50,710 --> 00:42:48,400

but that change is in all of the stories

1083

00:42:52,309 --> 00:42:50,720

you know now we're praying to the gods

1084

00:42:54,950 --> 00:42:52,319

you know and we're asking them

1085

00:42:56,470 --> 00:42:54,960

for their help and support and we're not

1086

00:42:57,910 --> 00:42:56,480

hanging out with them before we were

1087

00:43:01,349 --> 00:42:57,920

like hanging out with the gods

1088

00:43:04,550 --> 00:43:01,359

now we're subservient to

1089

00:43:07,829 --> 00:43:04,560

some deity that

1090

00:43:11,030 --> 00:43:07,839

is outside of our reach except for

1091

00:43:14,470 --> 00:43:11,040

in the hands of a select

1092

00:43:17,510 --> 00:43:14,480

number of individuals and so

1093

00:43:20,630 --> 00:43:17,520

what you find is that you know

1094

00:43:22,630 --> 00:43:20,640

people like mooses uh you know i always

1095

00:43:23,510 --> 00:43:22,640

like to throw in jason in the argonauts

1096

00:43:26,309 --> 00:43:23,520

you know jason

1097

00:43:27,270 --> 00:43:26,319

interacts with the gods right but it's

1098

00:43:30,230 --> 00:43:27,280

very select

1099

00:43:31,270 --> 00:43:30,240

individuals and it's not the gods

1100

00:43:34,950 --> 00:43:31,280

hanging out with

1101

00:43:38,230 --> 00:43:34,960

all of humanity um

1102

00:43:42,710 --> 00:43:41,190

but there are a number of instances in

1103

00:43:45,190 --> 00:43:42,720

the bible where

1104

00:43:46,390 --> 00:43:45,200

you know god shows up but again it's

1105

00:43:50,390 --> 00:43:46,400

very select

1106

00:43:52,470 --> 00:43:50,400

individuals that he is uh

1107

00:43:54,630 --> 00:43:52,480

dealing with right you know and then

1108

00:43:56,950 --> 00:43:54,640

they talk about the angels but

1109

00:43:59,109 --> 00:43:56,960

it's kind of like okay so are we really

1110

00:44:00,550 --> 00:43:59,119

just talking about the lesser god

1111

00:44:02,790 --> 00:44:00,560

you know because there were the chief

1112

00:44:06,829 --> 00:44:02,800

gods and then there were lesser gods

1113

00:44:08,390 --> 00:44:06,839

who had roles in all of these books as

1114

00:44:13,270 --> 00:44:08,400

well

1115

00:44:14,870 --> 00:44:13,280

angels much consideration

1116

00:44:17,109 --> 00:44:14,880

i really hate to say that you know i'm

1117

00:44:19,910 --> 00:44:17,119

not a religious person anyway i kind of

1118

00:44:21,589 --> 00:44:19,920

i look at everything in on a historical

1119

00:44:24,710 --> 00:44:21,599

basis basically

1120

00:44:28,309 --> 00:44:24,720

and uh but until i started reading

1121

00:44:30,550 --> 00:44:28,319

the books of enoch and the stories in

1122

00:44:33,910 --> 00:44:30,560

the books of enoch and relationship the

1123

00:44:34,710 --> 00:44:33,920

angels and and how that incorporates

1124

00:44:37,829 --> 00:44:34,720

itself

1125

00:44:40,950 --> 00:44:37,839

in the bible and the people in the bible

1126

00:44:43,109 --> 00:44:40,960

um there's

1127

00:44:45,750 --> 00:44:43,119

really a historical story there

1128

00:44:52,390 --> 00:44:49,750

yeah enoch was taken to the heavens

1129

00:44:54,390 --> 00:44:52,400

to be with the gods and was educated by

1130

00:44:58,390 --> 00:44:54,400

the gods i mean stories of

1131

00:45:01,670 --> 00:44:58,400

humans or hybrid humans uh

1132

00:45:05,430 --> 00:45:01,680

going and up to the heavens

1133

00:45:07,190 --> 00:45:05,440

is a fairly common not super common but

1134

00:45:09,750 --> 00:45:07,200

a fairly common theme

1135

00:45:11,349 --> 00:45:09,760

that you'll find in mythology you know

1136

00:45:14,390 --> 00:45:11,359

so it's it's not

1137

00:45:20,150 --> 00:45:14,400

out of the ballpark of

1138

00:45:24,710 --> 00:45:23,589

oh and i can't erath us you know there's

1139

00:45:27,990 --> 00:45:24,720

a story that comes

1140

00:45:30,950 --> 00:45:28,000

out of sumerian uh the

1141

00:45:32,390 --> 00:45:30,960

epic of a rathas and he goes up to the

1142

00:45:35,750 --> 00:45:32,400

heavens and

1143

00:45:38,790 --> 00:45:35,760

interacts with anu the chief god of

1144

00:45:40,790 --> 00:45:38,800

the anunnaki right um

1145

00:45:42,230 --> 00:45:40,800

you know and it doesn't talk about him

1146

00:45:45,430 --> 00:45:42,240

being educated but

1147

00:45:47,990 --> 00:45:45,440

he is taken up to the heavens um

1148

00:45:49,430 --> 00:45:48,000

you know so is that a parallel kind of

1149

00:45:53,589 --> 00:45:49,440

hard to tell

1150

00:45:54,150 --> 00:45:53,599

um you know there really aren't stories

1151

00:45:56,630 --> 00:45:54,160

of

1152

00:45:57,670 --> 00:45:56,640

people being taken to the heavens to be

1153

00:45:59,589 --> 00:45:57,680

taught

1154

00:46:01,750 --> 00:45:59,599

but i can't rule it out because there

1155

00:46:03,190 --> 00:46:01,760

are a number of stories of people being

1156

00:46:04,870 --> 00:46:03,200

taken up to the heavens to

1157

00:46:06,950 --> 00:46:04,880

interact with the gods for one reason or

1158

00:46:08,069 --> 00:46:06,960

another all right

1159

00:46:11,589 --> 00:46:08,079

well you know i've always been

1160

00:46:14,550 --> 00:46:11,599

fascinated with the egyptian

1161

00:46:16,790 --> 00:46:14,560

dynasties in the history of egypt but

1162

00:46:18,950 --> 00:46:16,800

you know as i've gotten older

1163

00:46:20,069 --> 00:46:18,960

i i've just wanted more you know you

1164

00:46:22,390 --> 00:46:20,079

know there there are

1165

00:46:24,710 --> 00:46:22,400

every it seems like every year something

1166

00:46:26,790 --> 00:46:24,720

new comes up as far as

1167

00:46:28,790 --> 00:46:26,800

uh the history of egypt something's

1168

00:46:29,990 --> 00:46:28,800

discovered or something's added or

1169

00:46:33,270 --> 00:46:30,000

whatever

1170

00:46:34,550 --> 00:46:33,280

but i i'm more interested in its

1171

00:46:37,589 --> 00:46:34,560

connection

1172

00:46:39,349 --> 00:46:37,599

to the bible like the the exodus is it

1173

00:46:43,270 --> 00:46:39,359

fascinates me exodus

1174

00:46:46,309 --> 00:46:43,280

because i think there's more egyptian

1175

00:46:48,550 --> 00:46:46,319

influence in this uh

1176
00:46:49,589 --> 00:46:48,560
than what's written in the bible and as

1177
00:46:52,790 --> 00:46:49,599
far as the

1178
00:46:55,270 --> 00:46:52,800
beginning of the egyptian civilization

1179
00:46:56,550 --> 00:46:55,280
i i think it goes much much further than

1180
00:46:59,910 --> 00:46:56,560
the record

1181
00:47:01,910 --> 00:46:59,920
and and may involve other empires that

1182
00:47:03,910 --> 00:47:01,920
actually developed into the egyptian

1183
00:47:08,870 --> 00:47:03,920
civilization

1184
00:47:15,670 --> 00:47:12,069
polytheism in in the egyptian

1185
00:47:18,230 --> 00:47:15,680
religion and then that brief a mourner

1186
00:47:22,870 --> 00:47:18,240
period where there was

1187
00:47:26,390 --> 00:47:22,880
monotheism and how that influenced

1188
00:47:30,390 --> 00:47:26,400

uh mores or the person who was

1189

00:47:32,230 --> 00:47:30,400

known as mores i think there's a tie in

1190

00:47:35,030 --> 00:47:32,240

there and i i i just

1191

00:47:35,750 --> 00:47:35,040

you know i i make i try to make a quest

1192

00:47:38,309 --> 00:47:35,760

to try to

1193

00:47:39,910 --> 00:47:38,319

figure out what what is actually going

1194

00:47:40,630 --> 00:47:39,920

on there have been books written about

1195

00:47:43,990 --> 00:47:40,640

this

1196

00:47:46,630 --> 00:47:44,000

about certain uh pharaohs or

1197

00:47:47,990 --> 00:47:46,640

family of pharaohs that may have

1198

00:47:51,430 --> 00:47:48,000

actually been

1199

00:47:52,069 --> 00:47:51,440

mores i mean even sigmund freud wrote a

1200

00:47:55,910 --> 00:47:52,079

book about

1201

00:47:57,349 --> 00:47:55,920

it it's it's just um

1202

00:47:59,589 --> 00:47:57,359

i don't know what are your thoughts on

1203

00:48:01,349 --> 00:47:59,599

that i mean you talk about mooses so what

1204

00:48:04,710 --> 00:48:01,359

are your thoughts on that

1205

00:48:11,430 --> 00:48:07,910

i think a lot of i mean well

1206

00:48:13,829 --> 00:48:11,440

two things one i find studying

1207

00:48:15,829 --> 00:48:13,839

egyptian cosmology really challenging

1208

00:48:19,750 --> 00:48:15,839

because the seat of power

1209

00:48:23,510 --> 00:48:19,760

moved so many times in 3 000

1210

00:48:26,390 --> 00:48:23,520

hard to i don't think

1211

00:48:27,510 --> 00:48:26,400

anyone has written a book or i have yet

1212

00:48:30,710 --> 00:48:27,520

to find it

1213

00:48:34,309 --> 00:48:30,720

of this is where the culture was

1214

00:48:36,549 --> 00:48:34,319

from a a god perspective you know

1215

00:48:38,470 --> 00:48:36,559

and and then it moved here and they

1216

00:48:41,510 --> 00:48:38,480

changed the name to this you know

1217

00:48:42,630 --> 00:48:41,520

and so it's hard to even figure out you

1218

00:48:44,790 --> 00:48:42,640

know

1219

00:48:46,710 --> 00:48:44,800

okay so here's this pyramid text but

1220

00:48:49,430 --> 00:48:46,720

where does it fit in the timeline you

1221

00:48:52,790 --> 00:48:49,440

know it's just very disjointed to me

1222

00:48:56,150 --> 00:48:52,800

um but i but i love

1223

00:49:01,430 --> 00:48:59,430

i think everybody loves you yeah it is

1224

00:49:02,950 --> 00:49:01,440

you know but then there's i think a

1225

00:49:05,270 --> 00:49:02,960

whole level of whitewash

1226

00:49:06,710 --> 00:49:05,280

that happens you know every so often

1227

00:49:10,470 --> 00:49:06,720

you'll hear

1228

00:49:12,390 --> 00:49:10,480

um you know like i'm pretty good friends

1229

00:49:14,470 --> 00:49:12,400

with brian forrester you know

1230

00:49:15,430 --> 00:49:14,480

and i would make some when he and i were

1231

00:49:18,230 --> 00:49:15,440

talking a lot

1232

00:49:18,870 --> 00:49:18,240

i would make some comment and he would

1233

00:49:21,030 --> 00:49:18,880

say

1234

00:49:23,270 --> 00:49:21,040

oh but you know when you talk to so and

1235

00:49:26,790 --> 00:49:23,280

so you know i don't remember his name

1236

00:49:28,390 --> 00:49:26,800

you know who was from an elder family

1237

00:49:31,030 --> 00:49:28,400

you know it's like you get a totally

1238

00:49:34,549 --> 00:49:31,040

different story of what the history is

1239

00:49:36,790 --> 00:49:34,559

and so have we just covered it over

1240

00:49:37,750 --> 00:49:36,800

and just made up our own history for

1241

00:49:39,910 --> 00:49:37,760

what's going on

1242

00:49:41,109 --> 00:49:39,920

in egypt and don't want to listen to the

1243

00:49:44,230 --> 00:49:41,119

local people

1244

00:49:44,950 --> 00:49:44,240

that have the indigenous story and i'm

1245

00:49:48,150 --> 00:49:44,960

going to give it

1246

00:49:49,030 --> 00:49:48,160

a much an example that i know much

1247

00:49:52,549 --> 00:49:49,040

better

1248

00:49:55,030 --> 00:49:52,559

so um soccerwoman is in

1249

00:49:57,270 --> 00:49:55,040

peru and so and i think anyone listening

1250

00:50:00,870 --> 00:49:57,280

to your show has probably seen it's that

1251
00:50:03,990 --> 00:50:00,880
big wall where all of the stones just

1252
00:50:06,069 --> 00:50:04,000
fit together super perfectly you know

1253
00:50:06,549 --> 00:50:06,079
and you can't figure out how the heck

1254
00:50:09,109 --> 00:50:06,559
they

1255
00:50:10,470 --> 00:50:09,119
did it because it's like a jigsaw puzzle

1256
00:50:13,589 --> 00:50:10,480
with no instructions

1257
00:50:17,190 --> 00:50:13,599
yep and so the

1258
00:50:20,790 --> 00:50:17,200
uh scientific line

1259
00:50:23,589 --> 00:50:20,800
you know the historical line to

1260
00:50:25,430 --> 00:50:23,599
how that was built was that 50 years

1261
00:50:27,990 --> 00:50:25,440
prior to

1262
00:50:30,390 --> 00:50:28,000
the spanish coming there that's when the

1263
00:50:32,710 --> 00:50:30,400

native people built it

1264

00:50:33,750 --> 00:50:32,720

and then somehow by the end of that

1265

00:50:35,910 --> 00:50:33,760

period of time

1266

00:50:37,670 --> 00:50:35,920

they lost all of their technology and

1267

00:50:38,549 --> 00:50:37,680

they couldn't and they couldn't do it

1268

00:50:40,470 --> 00:50:38,559

anymore

1269

00:50:41,589 --> 00:50:40,480

but they only built it 50 years before

1270

00:50:43,910 --> 00:50:41,599

the spanish

1271

00:50:44,710 --> 00:50:43,920

but if you asked any of the indigenous

1272

00:50:47,829 --> 00:50:44,720

people

1273

00:50:50,069 --> 00:50:47,839

who built it they say that it was there

1274

00:50:52,870 --> 00:50:50,079

when they showed up to the land

1275

00:50:55,430 --> 00:50:52,880

and that it was built by giants you know

1276

00:50:56,870 --> 00:50:55,440

so it's kind of like

1277

00:50:58,870 --> 00:50:56,880

all right so where did they get this

1278

00:51:00,950 --> 00:50:58,880

50-year thing you know

1279

00:51:03,349 --> 00:51:00,960

where did where did the west get this

1280

00:51:06,230 --> 00:51:03,359

50-year thing they just made it up

1281

00:51:09,589 --> 00:51:06,240

sure because it fits in their timeline

1282

00:51:12,069 --> 00:51:09,599

and if it's in the bible timeline that

1283

00:51:12,950 --> 00:51:12,079

you know everything started 6 000 years

1284

00:51:15,990 --> 00:51:12,960

ago and

1285

00:51:17,589 --> 00:51:16,000

i mean you know we all know about

1286

00:51:20,710 --> 00:51:17,599

gobekli tepi

1287

00:51:22,950 --> 00:51:20,720

and they still kind of just push it to

1288

00:51:23,670 --> 00:51:22,960

the side because they can't incorporate

1289

00:51:25,750 --> 00:51:23,680

it

1290

00:51:27,910 --> 00:51:25,760

into anything you know and that was

1291

00:51:31,990 --> 00:51:27,920

built you know at least 10 000

1292

00:51:32,470 --> 00:51:32,000

uh bc yeah that and that that's another

1293

00:51:37,109 --> 00:51:32,480

thing

1294

00:51:38,390 --> 00:51:37,119

uh like it is so difficult to even

1295

00:51:41,349 --> 00:51:38,400

imagine

1296

00:51:43,349 --> 00:51:41,359

that people back then had any type of

1297

00:51:46,309 --> 00:51:43,359

technology

1298

00:51:48,390 --> 00:51:46,319

to be able to develop those type of that

1299

00:51:53,670 --> 00:51:48,400

type of structures and such

1300

00:51:55,990 --> 00:51:53,680

and you know the learned people

1301
00:51:58,710 --> 00:51:56,000
will not come out and say oh yeah well

1302
00:52:00,950 --> 00:51:58,720
gt or somebody else came in and did it

1303
00:52:03,030 --> 00:52:00,960
it takes people that are those people

1304
00:52:05,349 --> 00:52:03,040
who are open-minded enough

1305
00:52:06,870 --> 00:52:05,359
and not afraid to say things like you

1306
00:52:10,069 --> 00:52:06,880
said brian forster

1307
00:52:13,349 --> 00:52:10,079
i mean he i mean his work you know

1308
00:52:13,910 --> 00:52:13,359
in peru just unbelievable but it you

1309
00:52:17,349 --> 00:52:13,920
know

1310
00:52:20,230 --> 00:52:17,359
the reason why i always

1311
00:52:21,349 --> 00:52:20,240
was interested in archaeology you know

1312
00:52:23,910 --> 00:52:21,359
you know it just it

1313
00:52:25,430 --> 00:52:23,920

you need to be so open-minded about

1314

00:52:27,190 --> 00:52:25,440

things because it just

1315

00:52:28,630 --> 00:52:27,200

the record is just not there and you

1316

00:52:30,950 --> 00:52:28,640

talk about white watch

1317

00:52:32,150 --> 00:52:30,960

well you know look at the uh the

1318

00:52:36,630 --> 00:52:32,160

egyptians it

1319

00:52:38,710 --> 00:52:36,640

is so many times that they just

1320

00:52:40,870 --> 00:52:38,720

tried to erase the record of the

1321

00:52:44,069 --> 00:52:40,880

previous pharaoh

1322

00:52:44,950 --> 00:52:44,079

and it takes you know in i i'm pretty

1323

00:52:48,630 --> 00:52:44,960

sure

1324

00:52:51,030 --> 00:52:48,640

there are more pharaohs or

1325

00:52:53,829 --> 00:52:51,040

leaders or such that we just have no

1326

00:52:56,710 --> 00:52:53,839

idea it existed

1327

00:52:59,030 --> 00:52:56,720

but it's you're right i mean egypt egypt

1328

00:53:03,430 --> 00:52:59,040

history egyptian history

1329

00:53:06,870 --> 00:53:03,440

and whatever influenced those people

1330

00:53:10,390 --> 00:53:06,880

over those millennia is just

1331

00:53:10,950 --> 00:53:10,400

a mind-blowing concept be quite honest

1332

00:53:13,910 --> 00:53:10,960

and that's

1333

00:53:15,510 --> 00:53:13,920

the way i feel about it well and there's

1334

00:53:18,710 --> 00:53:15,520

this whole

1335

00:53:21,829 --> 00:53:18,720

notion that life

1336

00:53:23,430 --> 00:53:21,839

didn't exist before writing you know and

1337

00:53:26,950 --> 00:53:23,440

it's kind of like

1338

00:53:30,150 --> 00:53:26,960

you know you'll appreciate this um

1339

00:53:33,510 --> 00:53:30,160

and so the earliest

1340

00:53:36,549 --> 00:53:33,520

written document that

1341

00:53:37,510 --> 00:53:36,559

mentions a ghost was the epic of

1342

00:53:41,349 --> 00:53:37,520

gilgamesh

1343

00:53:44,630 --> 00:53:41,359

right which was written about 2500 bc

1344

00:53:48,950 --> 00:53:44,640

you know or at least was written

1345

00:53:50,790 --> 00:53:48,960

down on a piece of paper 2500 bc

1346

00:53:52,470 --> 00:53:50,800

but how old you know so they're like oh

1347

00:53:54,549 --> 00:53:52,480

well the epic of the gilgamesh is from

1348

00:53:59,030 --> 00:53:54,559

2500 bc it's like well

1349

00:54:02,630 --> 00:53:59,040

no not really it was written down

1350

00:54:04,950 --> 00:54:02,640

in 2500 bc it doesn't mean that they

1351

00:54:06,390 --> 00:54:04,960

came up with the story then

1352

00:54:08,630 --> 00:54:06,400

you know and they and you know and you

1353

00:54:11,190 --> 00:54:08,640

have to sit there and argue with people

1354

00:54:12,630 --> 00:54:11,200

about you know the difference between

1355

00:54:14,309 --> 00:54:12,640

the actual date

1356

00:54:15,750 --> 00:54:14,319

and the date that it was put on a piece

1357

00:54:18,309 --> 00:54:15,760

of paper or

1358

00:54:19,750 --> 00:54:18,319

stone or clay tablet or whatever you

1359

00:54:22,390 --> 00:54:19,760

want to put it on

1360

00:54:23,109 --> 00:54:22,400

um which might be two totally different

1361

00:54:24,950 --> 00:54:23,119

things

1362

00:54:26,470 --> 00:54:24,960

you know and so we have this history and

1363

00:54:29,910 --> 00:54:26,480

so we just assume

1364

00:54:32,630 --> 00:54:29,920

that because the first piece of

1365

00:54:34,230 --> 00:54:32,640

written evidence documented evidence is

1366

00:54:37,430 --> 00:54:34,240

at a certain point in time

1367

00:54:41,349 --> 00:54:37,440

doesn't mean that the belief uh

1368

00:54:45,349 --> 00:54:41,359

wasn't there long before that

1369

00:54:46,710 --> 00:54:45,359

um now

1370

00:54:48,630 --> 00:54:46,720

i'm gonna ask you a question that's a

1371

00:54:50,829 --> 00:54:48,640

little bit away from what we have been

1372

00:54:54,950 --> 00:54:50,839

talking about

1373

00:54:58,390 --> 00:54:54,960

but this is about non-terrestrial

1374

00:54:59,910 --> 00:54:58,400

craft travelers or

1375

00:55:02,230 --> 00:54:59,920

i believe for the most part

1376

00:55:05,990 --> 00:55:02,240

interdimensional corporal

1377

00:55:10,870 --> 00:55:06,000

beings i mean is it possible

1378

00:55:14,710 --> 00:55:10,880

that you know we see people see ufos

1379

00:55:18,309 --> 00:55:14,720

are these interstellar spacecraft

1380

00:55:22,309 --> 00:55:18,319

or are the are these

1381

00:55:25,589 --> 00:55:22,319

these craft more international

1382

00:55:30,630 --> 00:55:25,599

uh craft that are actually

1383

00:55:36,549 --> 00:55:34,230

yeah and we don't know i mean it goes

1384

00:55:38,069 --> 00:55:36,559

right along with the time traveler thing

1385

00:55:39,750 --> 00:55:38,079

i mean because they could be time

1386

00:55:42,230 --> 00:55:39,760

travelers themselves

1387

00:55:42,950 --> 00:55:42,240

you know and this is how they get around

1388

00:55:45,670 --> 00:55:42,960

you know

1389

00:55:46,549 --> 00:55:45,680

until a ship lands on the white house

1390

00:55:49,510 --> 00:55:46,559

lawn

1391

00:55:50,549 --> 00:55:49,520

yeah or you know actually i'm going to

1392

00:55:53,670 --> 00:55:50,559

take that back

1393

00:55:57,910 --> 00:55:53,680

until they release the documents

1394

00:56:01,430 --> 00:55:57,920

that share that bit of information

1395

00:56:02,150 --> 00:56:01,440

we have a bunch of uh testimonial from

1396

00:56:04,390 --> 00:56:02,160

people

1397

00:56:05,349 --> 00:56:04,400

yeah you know about their experiences

1398

00:56:08,789 --> 00:56:05,359

but you know

1399

00:56:10,549 --> 00:56:08,799

they're crackpots and

1400

00:56:12,069 --> 00:56:10,559

and you can't believe anything that they

1401

00:56:15,190 --> 00:56:12,079

say you know

1402

00:56:17,670 --> 00:56:15,200

which is really sad um

1403

00:56:19,190 --> 00:56:17,680

you know and so i mean i think it's

1404

00:56:20,549 --> 00:56:19,200

interesting that we're waiting for

1405

00:56:23,750 --> 00:56:20,559

something to come

1406

00:56:27,990 --> 00:56:23,760

through official channels for us

1407

00:56:31,030 --> 00:56:28,000

to accept right

1408

00:56:32,630 --> 00:56:31,040

yeah right that you're right uh

1409

00:56:34,630 --> 00:56:32,640

i don't believe that's ever gonna happen

1410

00:56:37,349 --> 00:56:34,640

unless it's there's a need

1411

00:56:39,589 --> 00:56:37,359

to know situation where it has has to be

1412

00:56:41,750 --> 00:56:39,599

disclosed somehow

1413

00:56:42,789 --> 00:56:41,760

well you know i think when some big ship

1414

00:56:45,190 --> 00:56:42,799

you know one

1415

00:56:45,829 --> 00:56:45,200

parks itself over a building you know

1416

00:56:48,549 --> 00:56:45,839

kind of like

1417

00:56:49,430 --> 00:56:48,559

independence day um there's not going to

1418

00:56:52,630 --> 00:56:49,440

be any way

1419

00:56:52,870 --> 00:56:52,640

that they can cover that up yeah that'll

1420

00:56:57,109 --> 00:56:52,880

be

1421

00:57:00,630 --> 00:56:58,950

you know i i i don't know how much you

1422

00:57:01,750 --> 00:57:00,640

know that i've been involved with this

1423

00:57:04,309 --> 00:57:01,760

uh

1424

00:57:05,670 --> 00:57:04,319

the situation in chicago where people

1425

00:57:09,030 --> 00:57:05,680

have been seeing these winged

1426
00:57:09,910 --> 00:57:09,040
humanoid beings uh i mean i've heard

1427
00:57:12,309 --> 00:57:09,920
about that

1428
00:57:13,829 --> 00:57:12,319
but you know i've just kind of gone hmm

1429
00:57:16,710 --> 00:57:13,839
that's interesting

1430
00:57:17,270 --> 00:57:16,720
i mean i mean do you i mean have you

1431
00:57:18,870 --> 00:57:17,280
seen one

1432
00:57:20,390 --> 00:57:18,880
i mean that would be like the totally

1433
00:57:22,230 --> 00:57:20,400
coolest thing well

1434
00:57:24,230 --> 00:57:22,240
you know the number of reports we have

1435
00:57:27,510 --> 00:57:24,240
received is just staggering

1436
00:57:28,150 --> 00:57:27,520
and the witness testimony that we

1437
00:57:31,190 --> 00:57:28,160
received

1438
00:57:33,030 --> 00:57:31,200

is just you know people don't have not

1439

00:57:34,870 --> 00:57:33,040

been embellishing on what they see

1440

00:57:36,069 --> 00:57:34,880

they stick to what their original story

1441

00:57:39,270 --> 00:57:36,079

is which is something

1442

00:57:42,470 --> 00:57:39,280

that very rarely happens as far as

1443

00:57:43,750 --> 00:57:42,480

crypto reporting you know

1444

00:57:45,910 --> 00:57:43,760

but you know the thing that's happened

1445

00:57:47,910 --> 00:57:45,920

that's fascinated me more than anything

1446

00:57:49,829 --> 00:57:47,920

about this whole situation is

1447

00:57:52,309 --> 00:57:49,839

like where in the hell are these things

1448

00:57:53,430 --> 00:57:52,319

coming from you know i i've always had

1449

00:57:57,190 --> 00:57:53,440

this thought

1450

00:57:59,349 --> 00:57:57,200

that cryptids bigfoot in particular or

1451
00:58:00,870 --> 00:57:59,359
other cryptids may be interdimensional

1452
00:58:03,349 --> 00:58:00,880
beings

1453
00:58:05,430 --> 00:58:03,359
but they're corporal i mean they're

1454
00:58:08,549 --> 00:58:05,440
flesh and blood beings

1455
00:58:11,349 --> 00:58:08,559
as what people are reporting in chicago

1456
00:58:11,829 --> 00:58:11,359
uh you know i'm gonna throw something

1457
00:58:14,950 --> 00:58:11,839
out

1458
00:58:16,950 --> 00:58:14,960
just to kind of put in your mind so in

1459
00:58:17,750 --> 00:58:16,960
the mythic record one of the things that

1460
00:58:21,190 --> 00:58:17,760
we find

1461
00:58:23,910 --> 00:58:21,200
is that some of the gods had technology

1462
00:58:25,750 --> 00:58:23,920
that gave them certain abilities so like

1463
00:58:28,390 --> 00:58:25,760

freya for example

1464

00:58:29,510 --> 00:58:28,400

um had a feathered cloak and it allowed

1465

00:58:32,549 --> 00:58:29,520

her to fly through the

1466

00:58:34,069 --> 00:58:32,559

soar through the air like an eagle you

1467

00:58:36,390 --> 00:58:34,079

know and so

1468

00:58:38,549 --> 00:58:36,400

it could be that they're not necessarily

1469

00:58:39,910 --> 00:58:38,559

cryptids and i'm not making commentary

1470

00:58:43,030 --> 00:58:39,920

one way or the other

1471

00:58:43,910 --> 00:58:43,040

right but they're utilizing some form of

1472

00:58:45,829 --> 00:58:43,920

technology

1473

00:58:47,990 --> 00:58:45,839

to give them the wings so that they can

1474

00:58:50,230 --> 00:58:48,000

fly yeah

1475

00:58:51,190 --> 00:58:50,240

just so yeah yeah well that no that you

1476

00:58:54,390 --> 00:58:51,200

know

1477

00:58:55,349 --> 00:58:54,400

i am open to all possibilities at this

1478

00:58:57,349 --> 00:58:55,359

point

1479

00:58:59,349 --> 00:58:57,359

you know even though the sightings have

1480

00:59:01,670 --> 00:58:59,359

waned off so much

1481

00:59:03,109 --> 00:59:01,680

i mean i am going to be digging into

1482

00:59:04,470 --> 00:59:03,119

this for

1483

00:59:06,950 --> 00:59:04,480

wherever i'm afraid even though i wrote

1484

00:59:08,630 --> 00:59:06,960

a book about it i have no conclusions to

1485

00:59:11,190 --> 00:59:08,640

it you know

1486

00:59:13,190 --> 00:59:11,200

so well and and it's almost impossible

1487

00:59:16,390 --> 00:59:13,200

when you're working in this area it's

1488

00:59:18,710 --> 00:59:16,400

almost actually i'd rather people not

1489

00:59:22,150 --> 00:59:18,720

have a conclusion because

1490

00:59:26,870 --> 00:59:22,160

don't know

1491

00:59:29,670 --> 00:59:26,880

i hear grief about it

1492

00:59:31,670 --> 00:59:29,680

people want me to give them my opinion

1493

00:59:33,190 --> 00:59:31,680

as to what it is but

1494

00:59:36,870 --> 00:59:33,200

you know i really don't want to do that

1495

00:59:38,950 --> 00:59:36,880

you know i'm leaving all options open

1496

00:59:40,069 --> 00:59:38,960

so well and i get the same grief it's

1497

00:59:41,750 --> 00:59:40,079

like yeah but you didn't

1498

00:59:43,430 --> 00:59:41,760

you know you didn't make any conclusions

1499

00:59:45,030 --> 00:59:43,440

it's like it's not my job

1500

00:59:47,589 --> 00:59:45,040

i'm just supposed to present the

1501
00:59:50,950 --> 00:59:47,599
information here's the information and

1502
00:59:54,630 --> 00:59:50,960
you come to your own conclusion well

1503
00:59:55,589 --> 00:59:54,640
rita can uh tell us how people can

1504
00:59:58,470 --> 00:59:55,599
contact you

1505
01:00:00,630 --> 00:59:58,480
and uh what you know what events do you

1506
01:00:02,390 --> 01:00:00,640
have coming up and uh

1507
01:00:04,870 --> 01:00:02,400
anything else you want to throw in there

1508
01:00:06,589 --> 01:00:04,880
sure the best way to find me is by going

1509
01:00:09,190 --> 01:00:06,599
to my website

1510
01:00:12,870 --> 01:00:09,200
soulhealer.com s o u l

1511
01:00:14,630 --> 01:00:12,880
h e a l e r dot com or just type in

1512
01:00:16,950 --> 01:00:14,640
you know rita louise in any search

1513
01:00:20,390 --> 01:00:16,960

engine you'll you'll totally find me

1514

01:00:22,789 --> 01:00:20,400

um you can friend me or like my facebook

1515

01:00:23,750 --> 01:00:22,799

page it would be dr rita louise on

1516

01:00:27,030 --> 01:00:23,760

facebook

1517

01:00:28,069 --> 01:00:27,040

or you can uh you know find me on

1518

01:00:32,309 --> 01:00:28,079

twitter which would be

1519

01:00:34,789 --> 01:00:32,319

psychic doc on twitter um

1520

01:00:35,910 --> 01:00:34,799

event wise let's see i'll be at the

1521

01:00:39,910 --> 01:00:35,920

history haunts and

1522

01:00:43,109 --> 01:00:39,920

legends conference november

1523

01:00:45,750 --> 01:00:43,119

6th 3rd fifth i don't know the first

1524

01:00:47,430 --> 01:00:45,760

saturday in november

1525

01:00:49,190 --> 01:00:47,440

i just know it's the first saturday in

1526

01:00:52,390 --> 01:00:49,200

november and i just show up

1527

01:00:52,950 --> 01:00:52,400

um because this will be like my 13th

1528

01:00:56,309 --> 01:00:52,960

year

1529

01:00:59,109 --> 01:00:56,319

uh oh wow skating in that event so

1530

01:01:00,069 --> 01:00:59,119

um and that's pretty much it for this

1531

01:01:02,549 --> 01:01:00,079

year

1532

01:01:04,470 --> 01:01:02,559

um probably going to be starting to do a

1533

01:01:06,230 --> 01:01:04,480

bunch more writing now that this book is

1534

01:01:09,349 --> 01:01:06,240

done

1535

01:01:11,510 --> 01:01:09,359

i don't know i might have to uh write an

1536

01:01:13,109 --> 01:01:11,520

article about the dynamic of crazy

1537

01:01:15,750 --> 01:01:13,119

because actually that would be kind of

1538

01:01:18,470 --> 01:01:15,760

interesting yeah it would be interesting

1539

01:01:21,270 --> 01:01:18,480

maria thanks so much for joining me i

1540

01:01:23,270 --> 01:01:21,280

really appreciate you coming on and uh

1541

01:01:24,309 --> 01:01:23,280

hope i can get you on a little quicker

1542

01:01:26,470 --> 01:01:24,319

the next time

1543

01:01:28,549 --> 01:01:26,480

well that would be great i would love it

1544

01:01:31,430 --> 01:01:28,559

because you know you're a great guy

1545

01:01:32,870 --> 01:01:31,440

excellent show and um we'll have to do

1546

01:01:34,390 --> 01:01:32,880

that

1547

01:01:38,710 --> 01:01:34,400

okay you take care and have a great

1548

01:01:40,549 --> 01:01:38,720

weekend you too thanks bye listeners can

1549

01:01:41,990 --> 01:01:40,559

show their support for arcane radio by

1550

01:01:44,230 --> 01:01:42,000

becoming a patron

1551

01:01:45,829 --> 01:01:44,240

simply go to phantomsomemonsters.com and

1552

01:01:48,390 --> 01:01:45,839

click the podbean

1553

01:01:50,470 --> 01:01:48,400

patron banner now arcane radio will be

1554

01:01:53,349 --> 01:01:50,480

on a two-week hiatus

1555

01:01:54,390 --> 01:01:53,359

and we will return on friday november

1556

01:01:56,069 --> 01:01:54,400

2nd

1557

01:01:58,470 --> 01:01:56,079

now before i go allow me to leave this

1558

01:01:59,910 --> 01:01:58,480

with the listeners the late physicists

1559

01:02:03,109 --> 01:01:59,920

and cosmologists

1560

01:02:04,069 --> 01:02:03,119

stephen hawking once stated shouldn't we

1561

01:02:06,710 --> 01:02:04,079

be content

1562

01:02:09,109 --> 01:02:06,720

to be cosmic sloths enjoying the

1563

01:02:12,549 --> 01:02:09,119

universe from the comfort of earth

1564

01:02:14,630 --> 01:02:12,559

the answer is no the earth is under

1565

01:02:19,029 --> 01:02:14,640

threat from so many areas

1566

01:02:20,789 --> 01:02:19,039

that is difficult for me to be positive

1567

01:02:23,109 --> 01:02:20,799

well you i guess you can take anything

1568

01:02:24,870 --> 01:02:23,119

from that you want

1569

01:02:32,829 --> 01:02:24,880

i thank everyone for listening to the

1570

01:02:32,839 --> 01:02:37,470

weekend

1571

01:02:37,480 --> 01:02:46,829

[Music]

1572

01:02:46,839 --> 01:03:07,080

so
