and of course our special correspondent

21

00:01:14,870 --> 00:01:12,400

sidekick

22

00:01:16,710 --> 00:01:14,880

uh investigator extraordinaire mr butch

23

00:01:18,310 --> 00:01:16,720

witkowski butch thanks for joining us

24

00:01:22,390 --> 00:01:18,320

tonight

25

00:01:24,230 --> 00:01:22,400

always a pleasure guys what a crazy day

26

00:01:26,390 --> 00:01:24,240

crazy week of course last week you

27

00:01:29,429 --> 00:01:26,400

couldn't make it due to stupid

28

00:01:31,109 --> 00:01:29,439

internet [h__\h] and of course it hasn't

29

00:01:32,630 --> 00:01:31,119

just been happening to us

30

00:01:34,870 --> 00:01:32,640

our good friends over beyond the edge

31

00:01:36,789 --> 00:01:34,880

radio have been biting that same curse

32

00:01:39,109 --> 00:01:36,799

i think it's just we start talking the

33

00:01:41,510 --> 00:01:39,119

truth and we start getting shut down

34

00:01:42,870 --> 00:01:41,520

yeah well that's what happens that's

35

00:01:46,710 --> 00:01:42,880

nothing new for me

36

00:01:48,550 --> 00:01:46,720

no it's not uh you and your crazy

37

00:01:49,910 --> 00:01:48,560

stuff that comes your way all the time

38

00:01:52,149 --> 00:01:49,920

yeah i mean you know i

39

00:01:53,670 --> 00:01:52,159

it just it just never ends i swear to

40

00:01:56,950 --> 00:01:53,680

god

41

00:02:00,149 --> 00:01:56,960

i i just sent you a video from a cape

42

00:02:03,350 --> 00:02:00,159

i just i'm working on and oh

43

00:02:04,149 --> 00:02:03,360

it's it's nuts it's um you know our

44

00:02:05,990 --> 00:02:04,159

listeners

45

00:02:08,710 --> 00:02:06,000

often hear me say well i don't know what

46

00:02:11,670 --> 00:02:08,720

to make of that what the hell uh

47

00:02:15,750 --> 00:02:11,680

that's an honest reaction from elon uh

48

00:02:22,869 --> 00:02:19,350

it's uh if anybody knows what stigmata

49

00:02:25,589 --> 00:02:22,879

is this is pretty

50

00:02:26,550 --> 00:02:25,599

interesting i mean this this this this

51

00:02:29,990 --> 00:02:26,560

case

52

00:02:31,589 --> 00:02:30,000

may actually be something related that

53

00:02:35,030 --> 00:02:31,599

somehow i don't know i

54

00:02:37,030 --> 00:02:35,040

i'm you know i uh

55

00:02:38,390 --> 00:02:37,040

it kind of blew my mind though it's

56

00:02:41,910 --> 00:02:38,400

beyond my realm

57

00:02:42,790 --> 00:02:41,920

of experience uh i don't deal with this

58

00:02:45,350 --> 00:02:42,800

stuff folks

59

00:02:46,390 --> 00:02:45,360

i'm a bigfoot guy occasionally i dabble

60

00:02:50,229 --> 00:02:46,400

in uh

61

00:02:54,470 --> 00:02:50,239

ghosts and hauntings i don't mess around

62

00:02:57,509 --> 00:02:54,480

with whatever is going on

63

00:02:59,750 --> 00:02:57,519

with this individual and uh seeing it

64

00:03:01,910 --> 00:02:59,760

you know hearing about it is one thing

65

00:03:04,149 --> 00:03:01,920

seeing it happen

66

00:03:05,270 --> 00:03:04,159

is just a mind-blowing experience and

67

00:03:06,949 --> 00:03:05,280

i've only been sitting on this

68

00:03:11,030 --> 00:03:06,959

information for about 10 minutes

69

00:03:12,229 --> 00:03:11,040

and my mind welcome to my life man i

70

00:03:14,309 --> 00:03:12,239

mean you know

71

00:03:15,670 --> 00:03:14,319

but uh no i'm gonna get back to him

72

00:03:17,430 --> 00:03:15,680

after the show and we'll see what

73

00:03:20,470 --> 00:03:17,440

happens i'll

74

00:03:21,990 --> 00:03:20,480

you know it's uh brett's brett's

75

00:03:23,030 --> 00:03:22,000

involved with it too so we're going to

76

00:03:24,869 --> 00:03:23,040

see if we can

77

00:03:26,309 --> 00:03:24,879

take care of this for him just something

78

00:03:28,710 --> 00:03:26,319

but uh

79

00:03:31,270 --> 00:03:28,720

hey by the way we got a we got a

80

00:03:32,869 --> 00:03:31,280

formatting change coming up on the show

81

00:03:35,110 --> 00:03:32,879

maybe you want to explain to everybody

82

00:03:38,390 --> 00:03:35,120

uh sean or what we're gonna do

83

00:03:42,550 --> 00:03:38,400

yeah so in order to make the show

84

00:03:44,229 --> 00:03:42,560

uh more what you the listeners want

85

00:03:46,710 --> 00:03:44,239

uh we're gonna be changing things up a

86

00:03:48,470 --> 00:03:46,720

little bit here on arcane radio so

87

00:03:50,390 --> 00:03:48,480

we're going to be going to an hour

88

00:03:51,990 --> 00:03:50,400

format starting next week

89

00:03:54,149 --> 00:03:52,000

we'll be going from no weekend or the

90

00:03:57,190 --> 00:03:54,159

week after sorry two weeks away

91

00:04:01,589 --> 00:03:57,200

uh we're going to a one hour format from

92

00:04:02,710 --> 00:04:01,599

10 to 11 and guests every few weeks uh i

93

00:04:04,229 --> 00:04:02,720

think we feel

94

00:04:06,949 --> 00:04:04,239

and this isn't anything against our

95

00:04:09,830 --> 00:04:06,959

guests and we talked about the software

96

00:04:11,509 --> 00:04:09,840

uh guests start to get cyclical and and

97

00:04:11,990 --> 00:04:11,519

everybody starts getting the same people

98

00:04:13,830 --> 00:04:12,000

on and

99

00:04:15,910 --> 00:04:13,840

the pool starts to shrink a little bit

100

00:04:17,189 --> 00:04:15,920

especially the good guests like

101
00:04:18,629 --> 00:04:17,199
it's not that we have anything against

102
00:04:20,390 --> 00:04:18,639
anybody we just don't want to talk to

103
00:04:21,189 --> 00:04:20,400
anybody we want to talk to the people we

104
00:04:24,310 --> 00:04:21,199
feel

105
00:04:26,710 --> 00:04:24,320
our legitimate experts or legitimate

106
00:04:28,629 --> 00:04:26,720
uh investigators researchers or

107
00:04:30,150 --> 00:04:28,639
experiencers in these fields

108
00:04:31,909 --> 00:04:30,160
in order to provide you with a better

109
00:04:33,670 --> 00:04:31,919
form of entertainment

110
00:04:35,030 --> 00:04:33,680
and a better form of information we're

111
00:04:36,550 --> 00:04:35,040
going to change it up a little bit so

112
00:04:37,909 --> 00:04:36,560
some weeks it's just going to be of the

113
00:04:41,110 --> 00:04:37,919

three of us

114

00:04:43,030 --> 00:04:41,120

plus one or plus two so

115

00:04:45,189 --> 00:04:43,040

we're doing this in order to benefit you

116

00:04:47,189 --> 00:04:45,199

the listener and bring you a better

117

00:04:48,469 --> 00:04:47,199

quality product because at arcane radio

118

00:04:50,230 --> 00:04:48,479

we don't charge

119

00:04:52,310 --> 00:04:50,240

for quality we want to keep this show

120

00:04:54,310 --> 00:04:52,320

free we want to keep the show efficient

121

00:04:55,749 --> 00:04:54,320

and we want to make it enjoyable so all

122

00:04:57,110 --> 00:04:55,759

of you keep coming back

123

00:04:58,629 --> 00:04:57,120

each and every week and we need your

124

00:05:00,710 --> 00:04:58,639

feedback so if you can go ahead over to

125

00:05:03,350 --> 00:05:00,720

stitcher radio and leave us some

126

00:05:04,950 --> 00:05:03,360

uh ratings you do it on itunes do it on

127

00:05:08,070 --> 00:05:04,960

podbean wherever

128

00:05:11,110 --> 00:05:08,080

beyond the or arcane radio

129

00:05:14,310 --> 00:05:11,120

is located go ahead and rate us

130

00:05:15,670 --> 00:05:14,320

arcane radio arcaneradio.com and we had

131

00:05:17,590 --> 00:05:15,680

a twitter incident

132

00:05:18,790 --> 00:05:17,600

i got locked out of our twitter and i

133

00:05:21,110 --> 00:05:18,800

for some reason

134

00:05:22,870 --> 00:05:21,120

twitter can't help me with their [h__\h]

135

00:05:26,150 --> 00:05:22,880

so uh

136

00:05:26,550 --> 00:05:26,160

we are now radio arcane so follow us on

137

00:05:28,230 --> 00:05:26,560

twitter

138

00:05:29,830 --> 00:05:28,240

at radio arcane and of course the

139

00:05:33,430 --> 00:05:29,840

information on the websites

140

00:05:35,590 --> 00:05:33,440

have been updated to reflect that

141

00:05:37,430 --> 00:05:35,600

yeah i mean this is you know we we've

142

00:05:38,870 --> 00:05:37,440

talked about this a while ago but you

143

00:05:41,670 --> 00:05:38,880

know

144

00:05:43,830 --> 00:05:41,680

like you said it it does kind of get

145

00:05:47,110 --> 00:05:43,840

deluded as far as

146

00:05:49,110 --> 00:05:47,120

guests and such and uh you know believe

147

00:05:51,590 --> 00:05:49,120

me if we don't if we can't

148

00:05:53,189 --> 00:05:51,600

fill an hour with talk i mean you know

149

00:05:55,189 --> 00:05:53,199

sometimes it's hard like people wouldn't

150

00:05:57,990 --> 00:05:55,199

think it's that difficult but it is

151
00:05:59,350 --> 00:05:58,000
and yeah not just that you know there's

152
00:06:02,790 --> 00:05:59,360
a good part of our listeners

153
00:06:05,830 --> 00:06:02,800
guys that enjoy this part of the show

154
00:06:07,430 --> 00:06:05,840
us talking about topics and and stranger

155
00:06:09,510 --> 00:06:07,440
topics are starting to pop up

156
00:06:11,029 --> 00:06:09,520
as you know we get more and more

157
00:06:13,990 --> 00:06:11,039
familiar with

158
00:06:15,670 --> 00:06:14,000
uh different uh investigations we're

159
00:06:17,189 --> 00:06:15,680
personally working on and different

160
00:06:20,150 --> 00:06:17,199
experiences coming the way of our

161
00:06:21,830 --> 00:06:20,160
listeners and and your readers

162
00:06:23,990 --> 00:06:21,840
we have more to talk about and we need

163
00:06:25,749 --> 00:06:24,000

to devote that portion of the show

164

00:06:28,150 --> 00:06:25,759

to those things at times and i think

165

00:06:31,189 --> 00:06:28,160

this is the best overall

166

00:06:31,749 --> 00:06:31,199

uh thing we can do to keep arcane radio

167

00:06:34,469 --> 00:06:31,759

fresh

168

00:06:36,950 --> 00:06:34,479

and to keep our listeners happy because

169

00:06:38,629 --> 00:06:36,960

that's what it's all about

170

00:06:39,830 --> 00:06:38,639

yeah i believe that's it's going to be

171

00:06:42,469 --> 00:06:39,840

for the best we're going to have some

172

00:06:43,749 --> 00:06:42,479

bells and whistles too and uh

173

00:06:45,990 --> 00:06:43,759

you know we'll go from there and see

174

00:06:49,749 --> 00:06:46,000

what happens uh next week we have

175

00:06:53,909 --> 00:06:49,759

denise stoner on she's at that abductee

176

00:06:56,230 --> 00:06:53,919

experiencer and uh she'll be our guest

177

00:06:58,070 --> 00:06:56,240

next week and then after that the week

178

00:07:00,150 --> 00:06:58,080

after we'll be starting with the new

179

00:07:02,790 --> 00:07:00,160

format

180

00:07:05,029 --> 00:07:02,800

and we'll go from there and uh moving on

181

00:07:05,909 --> 00:07:05,039

to the websites and my websites and the

182

00:07:07,830 --> 00:07:05,919

facebook

183

00:07:09,350 --> 00:07:07,840

uh we'll try to put something up so you

184

00:07:09,990 --> 00:07:09,360

folks know what the topics are so you

185

00:07:11,589 --> 00:07:10,000

can call

186

00:07:14,150 --> 00:07:11,599

in believe it or not it's a feature we

187

00:07:14,870 --> 00:07:14,160

have here on arcane radio that we rarely

188

00:07:19,670 --> 00:07:14,880

use

189

00:07:21,830 --> 00:07:19,680

where you can call into the show

190

00:07:23,350 --> 00:07:21,840

and discuss these topics with us now

191

00:07:25,029 --> 00:07:23,360

we're not certain how it's going to work

192

00:07:25,990 --> 00:07:25,039

on a full-time basis but we're getting

193

00:07:28,230 --> 00:07:26,000

better with it

194

00:07:29,589 --> 00:07:28,240

we'll experiment with it a little bit

195

00:07:32,629 --> 00:07:29,599

and uh

196

00:07:34,950 --> 00:07:32,639

you know again something for you folks

197

00:07:36,629 --> 00:07:34,960

that can be part of the program be

198

00:07:39,749 --> 00:07:36,639

interactive

199

00:07:41,430 --> 00:07:39,759

so we can figure out what's going on in

200

00:07:43,749 --> 00:07:41,440

this strange world

201
00:07:45,749 --> 00:07:43,759
around us because it's true believe me

202
00:07:47,270 --> 00:07:45,759
it's been getting stranger and stranger

203
00:07:49,830 --> 00:07:47,280
you know again take a minute we talk

204
00:07:53,909 --> 00:07:49,840
about some real real world events

205
00:07:55,990 --> 00:07:53,919
uh just give our moments of uh

206
00:07:58,390 --> 00:07:56,000
regrets and condolences to the people

207
00:08:01,589 --> 00:07:58,400
over in london today with

208
00:08:03,670 --> 00:08:01,599
the terrible terrorist attack uh

209
00:08:05,589 --> 00:08:03,680
over in london at parliament just an

210
00:08:08,230 --> 00:08:05,599
awful situation

211
00:08:10,830 --> 00:08:08,240
uh i don't know guys you get tired of

212
00:08:13,909 --> 00:08:10,840
hearing this stuff on the news all the

213
00:08:19,510 --> 00:08:17,189

you know i i hope it doesn't get to the

214

00:08:22,150 --> 00:08:19,520

point where it gets mundane but

215

00:08:24,150 --> 00:08:22,160

it just keeps it just keeps happening

216

00:08:27,430 --> 00:08:24,160

and uh

217

00:08:29,350 --> 00:08:27,440

you know i don't know but to bring some

218

00:08:30,070 --> 00:08:29,360

levity back to the program we had that

219

00:08:32,550 --> 00:08:30,080

said

220

00:08:34,070 --> 00:08:32,560

what's been going on guys lon any

221

00:08:35,750 --> 00:08:34,080

strange stories that have come through

222

00:08:37,350 --> 00:08:35,760

any strange stories

223

00:08:39,750 --> 00:08:37,360

that's a stupid question if i've ever

224

00:08:41,350 --> 00:08:39,760

asked one uh what's going on this week

225

00:08:42,949 --> 00:08:41,360

that's piqued your interest

226

00:08:44,630 --> 00:08:42,959

well you know what i posted something

227

00:08:49,430 --> 00:08:44,640

today

228

00:08:51,509 --> 00:08:49,440

and uh this has been

229

00:08:52,550 --> 00:08:51,519

and it's a it's a long account so i'm

230

00:08:57,110 --> 00:08:52,560

not i'm kind of

231

00:08:59,590 --> 00:08:57,120

kind of paraphrased but i had a um

232

00:09:00,150 --> 00:08:59,600

i had a correspondence about a week ago

233

00:09:03,110 --> 00:09:00,160

or more

234

00:09:04,949 --> 00:09:03,120

and this gentleman's from western

235

00:09:06,470 --> 00:09:04,959

washington state

236

00:09:09,990 --> 00:09:06,480

now we don't want to get heated when it

237

00:09:12,790 --> 00:09:10,000

gets specific on the location

238

00:09:15,030 --> 00:09:12,800

but he had he actually was out in the

239

00:09:18,150 --> 00:09:15,040

woods near his home

240

00:09:19,430 --> 00:09:18,160

and he saw one of these glassine

241

00:09:22,790 --> 00:09:19,440

cloaking effect

242

00:09:25,829 --> 00:09:22,800

like creatures uh people that

243

00:09:28,870 --> 00:09:25,839

are familiar with the uh predator

244

00:09:30,630 --> 00:09:28,880

movies will know what i'm talking about

245

00:09:32,470 --> 00:09:30,640

and you know this isn't the first time

246

00:09:34,710 --> 00:09:32,480

this has happened i mean i've received a

247

00:09:38,630 --> 00:09:34,720

lot of reports over the years

248

00:09:41,990 --> 00:09:38,640

of this type of phenomena and uh

249

00:09:45,509 --> 00:09:42,000

this is a fairly interesting account

250

00:09:48,550 --> 00:09:45,519

uh he's looking for answers and

251

00:09:51,190 --> 00:09:48,560

if anybody who is out there in that

252

00:09:52,870 --> 00:09:51,200

area wants to give him a hand help him

253

00:09:56,230 --> 00:09:52,880

out or wants to talk to him

254

00:09:59,190 --> 00:09:56,240

you know just um contact me and i'll

255

00:10:00,150 --> 00:09:59,200

send your information over to him but he

256

00:10:03,829 --> 00:10:00,160

uh he had this

257

00:10:04,389 --> 00:10:03,839

um he had this encounter with this thing

258

00:10:08,230 --> 00:10:04,399

and

259

00:10:12,949 --> 00:10:08,240

i was up actually up in a tree i think

260

00:10:15,829 --> 00:10:12,959

and uh i got some pictures of

261

00:10:17,030 --> 00:10:15,839

some things he took along with it so

262

00:10:18,150 --> 00:10:17,040

yeah like i said it's a real long

263

00:10:19,910 --> 00:10:18,160

account but

264

00:10:21,750 --> 00:10:19,920

you know he's got some other evidence as

265

00:10:24,150 --> 00:10:21,760

well so if you want to

266

00:10:25,670 --> 00:10:24,160

go over to the blog and read that it's

267

00:10:27,350 --> 00:10:25,680

it's an interesting it's an interesting

268

00:10:30,550 --> 00:10:27,360

account

269

00:10:34,069 --> 00:10:32,630

yeah there's there's been all kinds of

270

00:10:35,350 --> 00:10:34,079

crazy stuff i you know

271

00:10:37,990 --> 00:10:35,360

what you know of course we're still

272

00:10:38,630 --> 00:10:38,000

working on this thing in lancaster

273

00:10:42,630 --> 00:10:38,640

county

274

00:10:44,870 --> 00:10:42,640

i mean uh butch maybe you can

275

00:10:47,829 --> 00:10:44,880

give us any type of update or what

276

00:10:50,470 --> 00:10:47,839

you've been going through over there

277

00:10:51,509 --> 00:10:50,480

well i guess the biggest thing was you

278

00:10:53,990 --> 00:10:51,519

know that the

279

00:10:55,430 --> 00:10:54,000

the entity or distortion whatever you

280

00:10:56,790 --> 00:10:55,440

want to call it

281

00:10:59,509 --> 00:10:56,800

was still there just in different

282

00:11:03,350 --> 00:11:02,550

unfortunately my thermal imaging device

283

00:11:07,190 --> 00:11:03,360

that i had

284

00:11:09,750 --> 00:11:07,200

uh does not video or photographs so

285

00:11:10,470 --> 00:11:09,760

um i got a new floor which will video

286

00:11:12,150 --> 00:11:10,480

and photograph

287

00:11:14,150 --> 00:11:12,160

and i'm gonna go down there tomorrow as

288

00:11:16,470 --> 00:11:14,160

a matter of fact tomorrow night

289

00:11:19,829 --> 00:11:16,480

and see what i can get on video and

290

00:11:23,350 --> 00:11:21,829

it's going to give me i'm going to get

291

00:11:24,870 --> 00:11:23,360

into the building

292

00:11:27,269 --> 00:11:24,880

i've talked to the owner there and he's

293

00:11:29,190 --> 00:11:27,279

going to allow me into the building

294

00:11:31,590 --> 00:11:29,200

so i'm going to go into that barn and go

295

00:11:33,190 --> 00:11:31,600

through the barn from front to back

296

00:11:35,670 --> 00:11:33,200

and see if there's anything going on in

297

00:11:39,030 --> 00:11:37,750

just add it all up and probably make

298

00:11:40,630 --> 00:11:39,040

another good trip down there when the

299

00:11:41,829 --> 00:11:40,640

weather gets just a little bit warmer

300

00:11:44,389 --> 00:11:41,839

yeah because you never want to go back

301
00:11:47,340 --> 00:11:44,399
to front right

302
00:11:48,790 --> 00:11:47,350
right terrible

303
00:11:51,110 --> 00:11:48,800
[Music]

304
00:11:52,069 --> 00:11:51,120
yeah so you know that we're going

305
00:11:55,190 --> 00:11:52,079
through that now

306
00:11:56,230 --> 00:11:55,200
and uh of course i you know i'm always

307
00:11:58,710 --> 00:11:56,240
getting stuff but

308
00:11:59,990 --> 00:11:58,720
i did get one interesting account about

309
00:12:01,750 --> 00:12:00,000
a week ago

310
00:12:03,030 --> 00:12:01,760
that you know we didn't not sure last

311
00:12:04,629 --> 00:12:03,040
week so i didn't get a chance to talk

312
00:12:08,829 --> 00:12:04,639
about it but it was a

313
00:12:11,030 --> 00:12:08,839

it was a black eyed person black guy kid

314

00:12:15,269 --> 00:12:11,040

account pretty interesting though

315

00:12:17,430 --> 00:12:15,279

um this witness said i just read

316

00:12:19,030 --> 00:12:17,440

one of your black-eyed people stories

317

00:12:20,949 --> 00:12:19,040

and i thought i'd rate you about an

318

00:12:24,230 --> 00:12:20,959

experience i had

319

00:12:26,949 --> 00:12:24,240

uh one evening during the summer of

320

00:12:28,710 --> 00:12:26,959

2009 i went outside on my porch to smoke

321

00:12:30,870 --> 00:12:28,720

a cigarette

322

00:12:34,389 --> 00:12:30,880

it was it was still light out i live

323

00:12:36,470 --> 00:12:34,399

near rochester minnesota

324

00:12:38,389 --> 00:12:36,480

there's a small hill directly across the

325

00:12:40,629 --> 00:12:38,399

street from my house

326

00:12:43,269 --> 00:12:40,639

and i noticed two kids a young boy and

327

00:12:46,550 --> 00:12:43,279

girl walking up the hill

328

00:12:48,870 --> 00:12:46,560

they stopped and looked back at me but i

329

00:12:50,949 --> 00:12:48,880

got a bad feeling about them

330

00:12:53,030 --> 00:12:50,959

they were wearing dark blue vinyl

331

00:12:56,069 --> 00:12:53,040

windbreakers

332

00:12:57,269 --> 00:12:56,079

with hoods and as i looked closer i

333

00:13:00,550 --> 00:12:57,279

could see that their

334

00:13:02,629 --> 00:13:00,560

eyes were black they started to walk

335

00:13:05,030 --> 00:13:02,639

down the hill and come across the street

336

00:13:07,110 --> 00:13:05,040

walking directly towards me

337

00:13:09,509 --> 00:13:07,120

i was cordial and introduced myself to

338

00:13:11,430 --> 00:13:09,519

them they continued to advance towards

339

00:13:13,269 --> 00:13:11,440

me

340

00:13:15,990 --> 00:13:13,279

i was getting scared so i quickly went

341

00:13:19,190 --> 00:13:16,000

back into the house i asked my wife

342

00:13:21,990 --> 00:13:19,200

if she heard me talking to these kids

343

00:13:22,790 --> 00:13:22,000

she heard nothing so i just put it out

344

00:13:26,069 --> 00:13:22,800

of my mind

345

00:13:28,870 --> 00:13:26,079

so that evening it was quiet and my wife

346

00:13:31,590 --> 00:13:28,880

and i went to bed around 11 p.m

347

00:13:32,389 --> 00:13:31,600

after uh several minutes laying in bed i

348

00:13:34,949 --> 00:13:32,399

started to feel

349

00:13:36,389 --> 00:13:34,959

strange i look towards the window we

350

00:13:38,629 --> 00:13:36,399

have a one floor

351

00:13:42,069 --> 00:13:38,639

ranch style house and i saw the girls

352

00:13:44,550 --> 00:13:42,079

standing outside the window

353

00:13:46,470 --> 00:13:44,560

uh i freaked out and went to make sure

354

00:13:49,110 --> 00:13:46,480

the doors were bolted

355

00:13:52,470 --> 00:13:49,120

when i got to the kitchen door i could

356

00:13:54,790 --> 00:13:52,480

see the boys standing on the back porch

357

00:13:57,509 --> 00:13:54,800

i ran back to the bedroom and grabbed my

358

00:14:00,310 --> 00:13:57,519

45 automatic i just assumed

359

00:14:03,430 --> 00:14:00,320

that they were attempting to break in

360

00:14:06,150 --> 00:14:03,440

jesus by that time

361

00:14:07,949 --> 00:14:06,160

by that time i was extremely scared i

362

00:14:09,269 --> 00:14:07,959

went to pick up the telephone to call

363

00:14:12,629 --> 00:14:09,279

9-1-1

364

00:14:13,430 --> 00:14:12,639

but the next thing i remember i was

365

00:14:16,150 --> 00:14:13,440

waking up

366

00:14:16,550 --> 00:14:16,160

in bed the next morning oh god it was

367

00:14:21,030 --> 00:14:16,560

just

368

00:14:24,230 --> 00:14:21,040

awake

369

00:14:25,110 --> 00:14:24,240

and she looked at me and and said where

370

00:14:27,750 --> 00:14:25,120

did you go

371

00:14:28,949 --> 00:14:27,760

last night i told her i didn't go

372

00:14:31,189 --> 00:14:28,959

anywhere

373

00:14:33,269 --> 00:14:31,199

she said that she heard the back door

374

00:14:35,269 --> 00:14:33,279

closed around midnight

375

00:14:38,710 --> 00:14:35,279

and that she went to see what was going

376

00:14:40,629 --> 00:14:38,720

on she said that she couldn't find me

377

00:14:43,269 --> 00:14:40,639

i told her what had happened and she

378

00:14:45,350 --> 00:14:43,279

thought i was hiding something from her

379

00:14:48,790 --> 00:14:45,360

i still don't know what happened i've

380

00:14:51,030 --> 00:14:48,800

read about lost time and alien induction

381

00:14:52,949 --> 00:14:51,040

but i always believed it was bunk i i

382

00:14:56,069 --> 00:14:52,959

still don't really believe it

383

00:14:57,990 --> 00:14:56,079

were these black-eyed kids aliens by the

384

00:15:01,350 --> 00:14:58,000

way i no longer smoke

385

00:15:03,829 --> 00:15:01,360

i just don't have the urge anymore why

386

00:15:04,790 --> 00:15:03,839

i have no idea that's a great way to

387

00:15:06,870 --> 00:15:04,800

quit

388

00:15:07,829 --> 00:15:06,880

i almost smoked i smoked for almost 30

389

00:15:11,590 --> 00:15:07,839

years

390

00:15:12,790 --> 00:15:11,600

cold turkey yeah cold black-eyed

391

00:15:16,230 --> 00:15:12,800

children

392

00:15:20,150 --> 00:15:16,240

that's an interesting one

393

00:15:21,670 --> 00:15:20,160

wow well thankfully he didn't decide to

394

00:15:22,870 --> 00:15:21,680

you know i always say if i come across

395

00:15:24,230 --> 00:15:22,880

one of these things i'm going to put him

396

00:15:26,389 --> 00:15:24,240

like a football

397

00:15:28,069 --> 00:15:26,399

uh he could have john wayne their asses

398

00:15:31,829 --> 00:15:28,079

they could have been

399

00:15:33,829 --> 00:15:31,839

axed it's terrible but where did i

400

00:15:35,110 --> 00:15:33,839

go was he drinking was he partaking a

401
00:15:38,069 --> 00:15:35,120
little bit in a little

402
00:15:39,430 --> 00:15:38,079
grain i just assumed he may have been um

403
00:15:43,030 --> 00:15:39,440
abducted somehow

404
00:15:44,870 --> 00:15:43,040
well or they did something to him that

405
00:15:45,269 --> 00:15:44,880
he just doesn't remember what the timer

406
00:15:48,710 --> 00:15:45,279
is

407
00:15:51,110 --> 00:15:48,720
wake up clothed was he well i mean he

408
00:15:52,710 --> 00:15:51,120
was already in bed he had run downstairs

409
00:15:54,310 --> 00:15:52,720
he was i guess in his pajamas and stuff

410
00:15:56,389 --> 00:15:54,320
or whatever but

411
00:15:57,430 --> 00:15:56,399
i mean he just woke up in bed the next

412
00:15:59,269 --> 00:15:57,440
morning was six o'clock

413
00:16:01,350 --> 00:15:59,279

he missed it was almost six hours i

414

00:16:02,949 --> 00:16:01,360

believe

415

00:16:04,389 --> 00:16:02,959

so i don't know i don't know what the

416

00:16:05,829 --> 00:16:04,399

hell happened

417

00:16:08,389 --> 00:16:05,839

some things that have made me lose six

418

00:16:09,990 --> 00:16:08,399

hours before i'm just there weren't any

419

00:16:11,670 --> 00:16:10,000

black eyed children involved and no

420

00:16:15,749 --> 00:16:11,680

children involved period

421

00:16:17,910 --> 00:16:15,759

but i'm telling you what this is i uh

422

00:16:18,870 --> 00:16:17,920

they just keep getting weirder keep

423

00:16:21,749 --> 00:16:18,880

getting weird

424

00:16:22,389 --> 00:16:21,759

that was a strange one um i also had

425

00:16:27,990 --> 00:16:22,399

something

426

00:16:32,069 --> 00:16:30,710

kind of relates to stan gordon too um

427

00:16:32,550 --> 00:16:32,079

he's not an alien is he because i'm

428

00:16:36,470 --> 00:16:32,560

quitting

429

00:16:37,829 --> 00:16:36,480

no i'm not done i'm out uh this witness

430

00:16:39,509 --> 00:16:37,839

said i had been listening to an

431

00:16:41,910 --> 00:16:39,519

interview you had conducted with stan

432

00:16:44,310 --> 00:16:41,920

gordon on arcane radio

433

00:16:46,150 --> 00:16:44,320

i had an incident happen about eight

434

00:16:47,829 --> 00:16:46,160

years ago when i was living in shasta

435

00:16:50,230 --> 00:16:47,839

county california

436

00:16:51,110 --> 00:16:50,240

i figured you'd be interested in reading

437

00:16:53,590 --> 00:16:51,120

it so

438

00:16:55,749 --> 00:16:53,600

one evening while i was watching

439

00:16:57,910 --> 00:16:55,759

television in my living room i noticed a

440

00:17:01,030 --> 00:16:57,920

bright red flash

441

00:17:03,670 --> 00:17:01,040

come through the window nearest me now

442

00:17:05,750 --> 00:17:03,680

the flash came from my backyard i looked

443

00:17:09,590 --> 00:17:05,760

outside and was shocked to see

444

00:17:12,710 --> 00:17:09,600

what appeared to be a flat circular

445

00:17:15,669 --> 00:17:12,720

object hovering then landing in the

446

00:17:17,029 --> 00:17:15,679

field behind my garage

447

00:17:18,870 --> 00:17:17,039

there were blue and white lights

448

00:17:21,909 --> 00:17:18,880

flashing intermittently

449

00:17:25,429 --> 00:17:21,919

and around i mean intermittingly

450

00:17:28,710 --> 00:17:25,439

around the object it's a patriotic one

451
00:17:31,270 --> 00:17:28,720
yeah there was a mist or

452
00:17:33,270 --> 00:17:31,280
smoke rising from it i first thought it

453
00:17:34,310 --> 00:17:33,280
might be a large helicopter but it was

454
00:17:36,630 --> 00:17:34,320
silent

455
00:17:40,630 --> 00:17:36,640
after a few seconds the object instantly

456
00:17:42,630 --> 00:17:40,640
vanished into another bright flash

457
00:17:44,390 --> 00:17:42,640
it stunned me and left me warning what i

458
00:17:46,230 --> 00:17:44,400
just witnessed

459
00:17:49,110 --> 00:17:46,240
i waited for a few minutes then i went

460
00:17:51,990 --> 00:17:49,120
outside with a spotlight to take a look

461
00:17:53,590 --> 00:17:52,000
i am single so i was alone there there

462
00:17:54,789 --> 00:17:53,600
are a few houses on the other side of

463
00:17:56,870 --> 00:17:54,799

the field

464

00:17:58,870 --> 00:17:56,880

but the distance to the nearest property

465

00:18:00,470 --> 00:17:58,880

is about a quarter mile

466

00:18:02,230 --> 00:18:00,480

i didn't see any other people

467

00:18:03,990 --> 00:18:02,240

investigating the lights there was

468

00:18:05,430 --> 00:18:04,000

nothing to indicate that the object had

469

00:18:07,750 --> 00:18:05,440

landed in the field

470

00:18:09,990 --> 00:18:07,760

so i decided to wait and look some more

471

00:18:11,990 --> 00:18:10,000

the next day

472

00:18:14,070 --> 00:18:12,000

i didn't find any evidence the next

473

00:18:16,470 --> 00:18:14,080

morning i estimated that the object had

474

00:18:19,750 --> 00:18:16,480

been around 50 or so feet

475

00:18:20,789 --> 00:18:19,760

in diameter then night that night

476

00:18:23,990 --> 00:18:20,799

something happened that

477

00:18:25,750 --> 00:18:24,000

changed my belief in the unknown

478

00:18:27,909 --> 00:18:25,760

i was sitting in my living room watching

479

00:18:31,430 --> 00:18:27,919

tv again about

480

00:18:33,669 --> 00:18:31,440

9 30 pm and once again i was stunned by

481

00:18:35,430 --> 00:18:33,679

another bright red flash coming from the

482

00:18:37,270 --> 00:18:35,440

backyard

483

00:18:39,029 --> 00:18:37,280

i immediately got up from my chair and

484

00:18:41,270 --> 00:18:39,039

looked out the window

485

00:18:43,430 --> 00:18:41,280

there was a full moon light so i noticed

486

00:18:45,830 --> 00:18:43,440

that in the same location

487

00:18:47,110 --> 00:18:45,840

that i saw the object land the night

488

00:18:50,150 --> 00:18:47,120

before

489

00:18:52,230 --> 00:18:50,160

there was something moving around i

490

00:18:54,830 --> 00:18:52,240

didn't know what to think or what to do

491

00:18:56,070 --> 00:18:54,840

i wondered if i could should call the

492

00:18:59,270 --> 00:18:56,080

authorities

493

00:19:01,029 --> 00:18:59,280

but then i've been i'd tell them about

494

00:19:03,669 --> 00:19:01,039

flash of light and what i had witnessed

495

00:19:06,230 --> 00:19:03,679

the previous night

496

00:19:08,549 --> 00:19:06,240

i just sat there with the lights and

497

00:19:10,870 --> 00:19:08,559

television off for several minutes

498

00:19:12,549 --> 00:19:10,880

i then started to hear dogs barking in

499

00:19:14,630 --> 00:19:12,559

the distance

500

00:19:16,230 --> 00:19:14,640

then suddenly i heard something hit the

501
00:19:19,590 --> 00:19:16,240
side of the garage

502
00:19:22,630 --> 00:19:19,600
and then a deep groaning sound

503
00:19:25,590 --> 00:19:22,640
i set a sector quietly and when i saw a

504
00:19:27,270 --> 00:19:25,600
faint shadow move across the window

505
00:19:30,070 --> 00:19:27,280
the wind was about seven foot from the

506
00:19:32,070 --> 00:19:30,080
ground but the shadow completely blacked

507
00:19:33,590 --> 00:19:32,080
out any light

508
00:19:36,390 --> 00:19:33,600
i was moving toward the front of the

509
00:19:39,590 --> 00:19:36,400
house i got up and looked out the dining

510
00:19:42,710 --> 00:19:39,600
room window there was a huge hairy

511
00:19:44,630 --> 00:19:42,720
creature eliminated by the light on the

512
00:19:47,110 --> 00:19:44,640
utility pole

513
00:19:49,909 --> 00:19:47,120

it must have been eight to nine foot in

514

00:19:52,470 --> 00:19:49,919

height and a massive body

515

00:19:54,310 --> 00:19:52,480

this had to be a bigfoot as i continued

516

00:19:56,310 --> 00:19:54,320

to watch this creature

517

00:19:58,549 --> 00:19:56,320

it walked away from my property then

518

00:20:00,950 --> 00:19:58,559

into the jason field

519

00:20:02,950 --> 00:20:00,960

i went upstairs and sat at my bedroom

520

00:20:04,710 --> 00:20:02,960

window just waiting to see if it reached

521

00:20:06,549 --> 00:20:04,720

a return

522

00:20:08,630 --> 00:20:06,559

the next morning i walked around my

523

00:20:10,950 --> 00:20:08,640

property looking for tracks

524

00:20:12,630 --> 00:20:10,960

i did find an indentation in the ground

525

00:20:16,390 --> 00:20:12,640

that measured 15 inches long

526

00:20:19,510 --> 00:20:16,400

and six inches across but i'm

527

00:20:21,350 --> 00:20:19,520

not sure if it had been for the creature

528

00:20:24,149 --> 00:20:21,360

i didn't find anything unusual other

529

00:20:27,350 --> 00:20:24,159

than a cinder block laying by the garage

530

00:20:29,350 --> 00:20:27,360

it had been brought there

531

00:20:31,669 --> 00:20:29,360

i have only told a few friends about the

532

00:20:39,029 --> 00:20:31,679

incident i wonder if the bigfoot had

533

00:20:43,830 --> 00:20:41,029

well that's something else isn't it

534

00:20:46,830 --> 00:20:43,840

patriotic ufo

535

00:20:48,070 --> 00:20:46,840

dropped off bigfoot all kinds of weird

536

00:20:50,230 --> 00:20:48,080

stuff

537

00:20:52,310 --> 00:20:50,240

well you know actually that's the i

538

00:20:53,750 --> 00:20:52,320

believe that may be the first account

539

00:20:56,870 --> 00:20:53,760

i've ever

540

00:21:00,070 --> 00:20:56,880

had other than that habituation

541

00:21:03,750 --> 00:21:00,080

incident i had up in nova scotia

542

00:21:05,750 --> 00:21:03,760

where a bigfoot was related to some type

543

00:21:06,549 --> 00:21:05,760

of ufo or some type of craft or

544

00:21:09,909 --> 00:21:06,559

something like that

545

00:21:11,830 --> 00:21:09,919

you know as much as they're associated i

546

00:21:13,270 --> 00:21:11,840

haven't received a lot of ports reports

547

00:21:15,590 --> 00:21:13,280

like that over the years

548

00:21:17,190 --> 00:21:15,600

uh i know you really haven't besides

549

00:21:20,710 --> 00:21:17,200

like you set up a nova sco

550

00:21:21,510 --> 00:21:20,720

nova scotia uh butch what about you what

551
00:21:25,590 --> 00:21:21,520
have you

552
00:21:28,549 --> 00:21:25,600
you've had any reports never

553
00:21:28,950 --> 00:21:28,559
so is it that common or do we really

554
00:21:32,149 --> 00:21:28,960
think

555
00:21:36,310 --> 00:21:32,159
that some of these reports

556
00:21:39,190 --> 00:21:36,320
with a ufo bigfoot activity

557
00:21:40,470 --> 00:21:39,200
are they more in the minds of the

558
00:21:43,669 --> 00:21:40,480
witnesses or do you think there's

559
00:21:47,110 --> 00:21:45,270
i don't know i don't know either it's

560
00:21:47,590 --> 00:21:47,120
pretty vivid i don't know if this thing

561
00:21:48,950 --> 00:21:47,600
had

562
00:21:50,630 --> 00:21:48,960
dropped him off or it was an

563
00:21:52,070 --> 00:21:50,640

interdimensional thing if there was a

564

00:21:53,750 --> 00:21:52,080

portal there

565

00:21:55,510 --> 00:21:53,760

where both objects had come in

566

00:21:56,390 --> 00:21:55,520

subsequent nights i don't know what

567

00:21:59,669 --> 00:21:56,400

happened

568

00:22:00,710 --> 00:21:59,679

you know but i mean butch um stan has

569

00:22:03,430 --> 00:22:00,720

talked about

570

00:22:05,029 --> 00:22:03,440

this for years now uh he was getting

571

00:22:06,789 --> 00:22:05,039

he's been getting had been getting all

572

00:22:08,710 --> 00:22:06,799

those reports and i guess most of them

573

00:22:11,830 --> 00:22:08,720

from the 73 flap

574

00:22:15,430 --> 00:22:11,840

yeah but but you know

575

00:22:17,029 --> 00:22:15,440

he has had reported sightings

576

00:22:19,990 --> 00:22:17,039

where there may have been a correlation

577

00:22:23,510 --> 00:22:20,000

between bigfoot and ufo but

578

00:22:25,110 --> 00:22:23,520

i i i don't know if this i do believe

579

00:22:25,990 --> 00:22:25,120

this may have been the first one i have

580

00:22:30,070 --> 00:22:26,000

received from

581

00:22:32,070 --> 00:22:30,080

uh uh you know from just a witness

582

00:22:34,630 --> 00:22:32,080

but either people are really

583

00:22:37,350 --> 00:22:34,640

uncomfortable reporting that today

584

00:22:40,070 --> 00:22:37,360

yeah it's not as common as we think or

585

00:22:42,549 --> 00:22:40,080

the weed was really good in 73.

586

00:22:43,909 --> 00:22:42,559

well that may be true too like i had a

587

00:22:44,710 --> 00:22:43,919

butcher's snickering in the background

588

00:22:47,669 --> 00:22:44,720

we just don't know

589

00:22:48,950 --> 00:22:47,679

right like if i remember from 73 the

590

00:22:50,630 --> 00:22:48,960

weed wasn't really that good

591

00:22:52,230 --> 00:22:50,640

there's probably other things but uh

592

00:22:52,789 --> 00:22:52,240

yeah not that we advocate those things

593

00:22:54,950 --> 00:22:52,799

here on our

594

00:22:57,029 --> 00:22:54,960

radio we are pretty straight edge show

595

00:23:00,070 --> 00:22:57,039

with the exception of some

596

00:23:02,870 --> 00:23:00,080

liquid and vibes but we digress

597

00:23:04,630 --> 00:23:02,880

it's some weird [h__h] going on and i

598

00:23:06,390 --> 00:23:04,640

can't explain it i'm at this point in my

599

00:23:07,990 --> 00:23:06,400

life i'm not even trying to explain it i

600

00:23:09,830 --> 00:23:08,000

collect the information as it comes

601
00:23:11,510 --> 00:23:09,840
in you collect the information that

602
00:23:13,029 --> 00:23:11,520
comes in we investigate it and it is

603
00:23:14,070 --> 00:23:13,039
what it is because you know what guys at

604
00:23:16,630 --> 00:23:14,080
the end of the day

605
00:23:18,470 --> 00:23:16,640
we're not going to change anybody's mind

606
00:23:20,149 --> 00:23:18,480
i think we're past that stage where

607
00:23:21,029 --> 00:23:20,159
we're trying to convince people that

608
00:23:22,870 --> 00:23:21,039
there's connections

609
00:23:24,630 --> 00:23:22,880
i don't know if there's one i'm not

610
00:23:26,230 --> 00:23:24,640
trying to convince myself

611
00:23:28,230 --> 00:23:26,240
all i know is that these people see

612
00:23:31,190 --> 00:23:28,240
stuff

613
00:23:32,710 --> 00:23:31,200

they report it we do our due diligence

614

00:23:34,390 --> 00:23:32,720

there it is we leave it out for you in

615

00:23:37,590 --> 00:23:34,400

the court of public opinion

616

00:23:38,710 --> 00:23:37,600

to digest we add our opinions on what we

617

00:23:40,630 --> 00:23:38,720

feel

618

00:23:42,390 --> 00:23:40,640

and that's where at because unless we

619

00:23:43,510 --> 00:23:42,400

were there with all of butch's gadgets

620

00:23:45,029 --> 00:23:43,520

and gizmos

621

00:23:48,470 --> 00:23:45,039

there's not much evidence to collect

622

00:23:50,149 --> 00:23:48,480

from somebody sending in a story right

623

00:23:51,590 --> 00:23:50,159

i mean the rabbit hole isn't that deep

624

00:23:55,110 --> 00:23:51,600

it hurts when we fall in

625

00:23:59,269 --> 00:23:55,120

no and like i fall quite a bit um

626

00:24:02,710 --> 00:23:59,279

you know i uh you know

627

00:24:05,350 --> 00:24:02,720

those were two unique stories and uh

628

00:24:06,630 --> 00:24:05,360

our accounts like i hate home stories

629

00:24:08,310 --> 00:24:06,640

accounts but

630

00:24:09,830 --> 00:24:08,320

yeah i mean not that yeah i guess i know

631

00:24:10,630 --> 00:24:09,840

what you mean stories does sound a

632

00:24:13,909 --> 00:24:10,640

little

633

00:24:15,430 --> 00:24:13,919

fabricated the accounts uh

634

00:24:17,269 --> 00:24:15,440

will be a little bit more politically

635

00:24:19,510 --> 00:24:17,279

correct you know

636

00:24:21,110 --> 00:24:19,520

like i've said for years you know you

637

00:24:23,750 --> 00:24:21,120

know when you talk to these people

638

00:24:25,669 --> 00:24:23,760

it's like oh man you know these people

639

00:24:27,190 --> 00:24:25,679

definitely saw something

640

00:24:29,110 --> 00:24:27,200

i mean then that something something

641

00:24:31,269 --> 00:24:29,120

happened they they don't know

642

00:24:32,230 --> 00:24:31,279

they may not not understand what they

643

00:24:36,390 --> 00:24:32,240

saw but

644

00:24:37,990 --> 00:24:36,400

you know they saw something and uh

645

00:24:40,310 --> 00:24:38,000

or witnessed something or something

646

00:24:41,990 --> 00:24:40,320

happened to them

647

00:24:43,830 --> 00:24:42,000

and who are we to say these people

648

00:24:45,190 --> 00:24:43,840

aren't experiencing these things i mean

649

00:24:47,510 --> 00:24:45,200

and it sounds like i'm poking a little

650

00:24:49,350 --> 00:24:47,520

fun at it i'm i am poking a little bit

651
00:24:50,310 --> 00:24:49,360
fun at it tonight because these are some

652
00:24:51,909 --> 00:24:50,320
pretty

653
00:24:53,350 --> 00:24:51,919
uh you know aside from the black eyed

654
00:24:56,950 --> 00:24:53,360
children and this

655
00:24:59,029 --> 00:24:56,960
uh patriotic ufo and bigfoot uh

656
00:25:00,390 --> 00:24:59,039
it's they're not really common reports

657
00:25:03,430 --> 00:25:00,400
that you get and they're not common

658
00:25:06,630 --> 00:25:03,440
things i read you know the reports i get

659
00:25:09,269 --> 00:25:06,640
guys are very

660
00:25:10,070 --> 00:25:09,279
momentary fleeting citing reports or

661
00:25:12,310 --> 00:25:10,080
experiences

662
00:25:13,990 --> 00:25:12,320
they're nothing usually of the what i

663
00:25:15,750 --> 00:25:14,000

would consider supernatural or

664

00:25:18,070 --> 00:25:15,760

uber paranormal you know they're just

665

00:25:21,830 --> 00:25:18,080

very basic run-of-the-mill every day

666

00:25:24,950 --> 00:25:21,840

what i assumed to be a biological type

667

00:25:27,510 --> 00:25:24,960

being um and with the dogman stuff we've

668

00:25:28,870 --> 00:25:27,520

been getting you know

669

00:25:30,310 --> 00:25:28,880

some of these reports when we get them

670

00:25:31,190 --> 00:25:30,320

are a little bit exciting to read and

671

00:25:33,430 --> 00:25:31,200

yeah they

672

00:25:35,269 --> 00:25:33,440

do kind of ding my [h__h] meter a

673

00:25:37,669 --> 00:25:35,279

little bit but

674

00:25:38,870 --> 00:25:37,679

who am i to know and i just like talking

675

00:25:40,950 --> 00:25:38,880

about them and their fun story

676

00:25:42,630 --> 00:25:40,960

they're fun accounts aren't they they

677

00:25:43,909 --> 00:25:42,640

they are uh

678

00:25:45,350 --> 00:25:43,919

i mean i guess they're not fun if you

679

00:25:47,510 --> 00:25:45,360

experience it but they're fun to talk

680

00:25:50,470 --> 00:25:47,520

about

681

00:25:52,789 --> 00:25:50,480

yeah i mean you know i i deeply

682

00:25:54,310 --> 00:25:52,799

appreciate when people

683

00:25:56,470 --> 00:25:54,320

and i guess it does take courage

684

00:25:57,269 --> 00:25:56,480

sometimes when they report this stuff to

685

00:26:01,830 --> 00:25:57,279

me and uh

686

00:26:04,149 --> 00:26:01,840

it does um keep it up folks

687

00:26:04,950 --> 00:26:04,159

yeah really so again putting it there

688

00:26:07,590 --> 00:26:04,960

it's not

689

00:26:08,950 --> 00:26:07,600

making fun of some of these reports are

690

00:26:11,190 --> 00:26:08,960

really strange

691

00:26:12,630 --> 00:26:11,200

and they make me chuckle a little bit

692

00:26:15,750 --> 00:26:12,640

but at the same time

693

00:26:16,390 --> 00:26:15,760

i chuckle at inappropriate times i've

694

00:26:19,669 --> 00:26:16,400

been known to

695

00:26:22,789 --> 00:26:19,679

giggle at a funeral so it's oh

696

00:26:25,830 --> 00:26:22,799

god it's how i deal with weird stuff

697

00:26:27,909 --> 00:26:25,840

i'm sorry it happens

698

00:26:28,950 --> 00:26:27,919

yeah is butch still alive or did he just

699

00:26:30,789 --> 00:26:28,960

hang up and check

700

00:26:32,630 --> 00:26:30,799

he's going there with you guys we're

701
00:26:35,990 --> 00:26:32,640
finished it's over picturing you

702
00:26:37,029 --> 00:26:36,000
at the funeral laughing your ass off in

703
00:26:38,789 --> 00:26:37,039
the front row

704
00:26:40,070 --> 00:26:38,799
butch is actually picturing me at a

705
00:26:42,950 --> 00:26:40,080
funeral

706
00:26:44,549 --> 00:26:42,960
looking for a buffet is what he's doing

707
00:26:46,549 --> 00:26:44,559
you know i actually went to a funeral

708
00:26:48,149 --> 00:26:46,559
one time this is new this is no lie i

709
00:26:49,830 --> 00:26:48,159
went through you know one time

710
00:26:52,070 --> 00:26:49,840
and one of the pallbearers was just

711
00:26:55,430 --> 00:26:52,080
smiling his ass off the whole time

712
00:26:55,909 --> 00:26:55,440
he was they were lifting that casket

713
00:26:58,870 --> 00:26:55,919

through the

714

00:26:59,590 --> 00:26:58,880

to the gravesite i i never i never will

715

00:27:01,990 --> 00:26:59,600

forget that

716

00:27:02,870 --> 00:27:02,000

i don't know who this guy was was it me

717

00:27:05,750 --> 00:27:02,880

i got a story for you

718

00:27:08,470 --> 00:27:05,760

uh there's a funeral i went to with uh

719

00:27:10,710 --> 00:27:08,480

somebody i worked with so

720

00:27:12,230 --> 00:27:10,720

and uh i don't know who this guy was but

721

00:27:13,909 --> 00:27:12,240

man he was smiling

722

00:27:16,630 --> 00:27:13,919

i don't know if he got an inheritance or

723

00:27:20,070 --> 00:27:16,640

what he got boy he was a happy guy

724

00:27:20,870 --> 00:27:20,080

i was a funeral for a family friends of

725

00:27:24,070 --> 00:27:20,880

our family

726

00:27:25,830 --> 00:27:24,080

i was a pallbearer and she was a little

727

00:27:27,430 --> 00:27:25,840

old lady but we picked up that casket

728

00:27:28,389 --> 00:27:27,440

and i swear to god it weighed a thousand

729

00:27:31,269 --> 00:27:28,399

pounds

730

00:27:33,110 --> 00:27:31,279

and everybody in the front row everybody

731

00:27:36,710 --> 00:27:33,120

in the front could audibly hear me

732

00:27:38,870 --> 00:27:36,720

say holy [\h__\h] as i picked it up it was

733

00:27:40,149 --> 00:27:38,880

heavy it was the first time i was ever a

734

00:27:43,669 --> 00:27:40,159

pallbearer and i was like

735

00:27:46,710 --> 00:27:43,679

holy [\h__\h] you know it's funny that when

736

00:27:50,470 --> 00:27:46,720

you're saying that i was at a um

737

00:27:54,389 --> 00:27:50,480

i was paul bear for a funeral of uh

738

00:27:57,029 --> 00:27:54,399

a guy used to work with and uh

739

00:27:59,190 --> 00:27:57,039

it was there were eight of us and we

740

00:28:00,310 --> 00:27:59,200

went to pick that casket up and i swear

741

00:28:03,430 --> 00:28:00,320

to god

742

00:28:04,070 --> 00:28:03,440

that thing was so damn heavy i mean the

743

00:28:06,389 --> 00:28:04,080

first thing

744

00:28:07,909 --> 00:28:06,399

the guy across me was saying damn joe

745

00:28:08,549 --> 00:28:07,919

must put all his damn money in this

746

00:28:11,350 --> 00:28:08,559

casket

747

00:28:13,029 --> 00:28:11,360

you know and taking him with him because

748

00:28:14,830 --> 00:28:13,039

i mean this that thing was heavy i

749

00:28:18,470 --> 00:28:14,840

couldn't believe how heavy it was

750

00:28:19,430 --> 00:28:18,480

yeah they are as morbid as it is folks

751

00:28:21,350 --> 00:28:19,440

there are moments

752

00:28:23,029 --> 00:28:21,360

where you can have a chuckle at a

753

00:28:24,070 --> 00:28:23,039

funeral i guess especially when you're a

754

00:28:25,909 --> 00:28:24,080

polar bear

755

00:28:28,549 --> 00:28:25,919

you know when i die i hope they use a

756

00:28:30,230 --> 00:28:28,559

pneumatic lift to move me

757

00:28:33,269 --> 00:28:30,240

i don't want to punish anybody trying to

758

00:28:37,190 --> 00:28:34,789

of course it's going to be a long time

759

00:28:38,710 --> 00:28:37,200

and you know i i want to be a tree i

760

00:28:41,269 --> 00:28:38,720

want to be put in one of those tree pods

761

00:28:42,870 --> 00:28:41,279

and then planted

762

00:28:44,870 --> 00:28:42,880

oh well that's interesting and then my

763

00:28:46,630 --> 00:28:44,880

wife always says knowing your luck honey

764

00:28:48,310 --> 00:28:46,640

the tree will be struck by lightning or

765

00:28:50,789 --> 00:28:48,320

a tornado will just

766

00:28:52,549 --> 00:28:50,799

pluck it up and chug it oh no no with

767

00:28:53,030 --> 00:28:52,559

your luck shawn they'll put it in a dog

768

00:28:54,710 --> 00:28:53,040

park

769

00:28:57,750 --> 00:28:54,720

[Laughter]

770

00:28:59,510 --> 00:28:57,760

even better you know what even better

771

00:29:00,710 --> 00:28:59,520

i got that sick twisted sense of humor

772

00:29:02,710 --> 00:29:00,720

but it is what it is cause you gotta

773

00:29:04,230 --> 00:29:02,720

laugh a little bit folks

774

00:29:06,470 --> 00:29:04,240

you gotta laugh because at the end of

775

00:29:10,149 --> 00:29:06,480

the day this is just a radio show

776

00:29:11,669 --> 00:29:10,159

and something just

777

00:29:12,789 --> 00:29:11,679

there's always something to be you

778

00:29:14,630 --> 00:29:12,799

always have to find something to smile

779

00:29:16,950 --> 00:29:14,640

about or life's not worth living

780

00:29:18,950 --> 00:29:16,960

817

00:30:31,590 --> 00:30:30,320

you guys having me on

818

00:30:34,470 --> 00:30:31,600

give me a little time to hang out with

819

00:30:35,190 --> 00:30:34,480

you guys it's our pleasure as always and

820

00:30:36,870 --> 00:30:35,200

uh

821

00:30:38,630 --> 00:30:36,880

i know lon was itching at the bit to get

822

00:30:40,710 --> 00:30:38,640

you back on here and as we all

823

00:30:42,549 --> 00:30:40,720

are what's been going on how's things

824

00:30:46,230 --> 00:30:42,559

been on youtube and and what great

825

00:30:49,510 --> 00:30:46,240

stories you got lined up for us tonight

826
00:30:51,909 --> 00:30:49,520
youtube has been awesome um i started

827
00:30:55,110 --> 00:30:51,919
putting out a lot more content lately

828
00:30:57,110 --> 00:30:55,120
just because i figured you know

829
00:30:58,470 --> 00:30:57,120
over time i had slowed down and had a

830
00:31:00,549 --> 00:30:58,480
few distractions

831
00:31:01,830 --> 00:31:00,559
so i figured you know from a youtube

832
00:31:04,789 --> 00:31:01,840
perspective

833
00:31:07,269 --> 00:31:04,799
i've yet to find someone who can pretty

834
00:31:09,269 --> 00:31:07,279
much tell a story on youtube

835
00:31:10,389 --> 00:31:09,279
the majority of those guys on youtube

836
00:31:12,950 --> 00:31:10,399
are

837
00:31:15,110 --> 00:31:12,960
they're in the sound and scary but their

838
00:31:17,269 --> 00:31:15,120

content is not scary so

839

00:31:18,950 --> 00:31:17,279

i decided to put out a lot more content

840

00:31:20,630 --> 00:31:18,960

so that's what i've been doing

841

00:31:22,070 --> 00:31:20,640

normally i'll put out like five videos a

842

00:31:25,029 --> 00:31:22,080

month i think this month

843

00:31:26,710 --> 00:31:25,039

i put out 17 so far with another maybe

844

00:31:29,750 --> 00:31:26,720

seven to go

845

00:31:32,149 --> 00:31:29,760

yeah um great so

846

00:31:33,590 --> 00:31:32,159

i'm putting out a lot more content

847

00:31:37,430 --> 00:31:33,600

outside of that

848

00:31:40,389 --> 00:31:37,440

you know life is going pretty good um

849

00:31:42,630 --> 00:31:40,399

we had some interesting revelations in

850

00:31:44,310 --> 00:31:42,640

my family and i think i shared all

851
00:31:46,149 --> 00:31:44,320
my family's background in history with

852
00:31:47,990 --> 00:31:46,159
you guys right about my grandmother

853
00:31:49,110 --> 00:31:48,000
being in the hoodoo and all the crazy

854
00:31:52,389 --> 00:31:49,120
foolishness in my family

855
00:31:53,669 --> 00:31:52,399
oh go ahead and tell us about that

856
00:31:55,990 --> 00:31:53,679
i thought i shared that with you guys

857
00:31:58,470 --> 00:31:56,000
last time well i did i know i did share

858
00:32:00,630 --> 00:31:58,480
the story about when i was 12 years old

859
00:32:02,549 --> 00:32:00,640
how there was this shadow figure that

860
00:32:04,950 --> 00:32:02,559
came from me in mississippi

861
00:32:06,389 --> 00:32:04,960
well all that stems back to my

862
00:32:09,909 --> 00:32:06,399
grandmother's

863
00:32:11,110 --> 00:32:09,919

um who do practicing well she's 98 years

864

00:32:14,710 --> 00:32:11,120

old now

865

00:32:16,230 --> 00:32:14,720

and two weeks ago everybody thought she

866

00:32:17,190 --> 00:32:16,240

was on a death bed she was at the

867

00:32:19,029 --> 00:32:17,200

hospital

868

00:32:21,350 --> 00:32:19,039

you know family members came in from

869

00:32:23,190 --> 00:32:21,360

around the country to visit her because

870

00:32:25,029 --> 00:32:23,200

they thought she was gonna die

871

00:32:26,230 --> 00:32:25,039

and people started putting this pressure

872

00:32:27,750 --> 00:32:26,240

on me you know

873

00:32:29,269 --> 00:32:27,760

i don't really associate with that side

874

00:32:30,710 --> 00:32:29,279

of the family which is my mother's side

875

00:32:32,230 --> 00:32:30,720

of family and also people start putting

876

00:32:33,750 --> 00:32:32,240

this pressure on me like you know

877

00:32:35,509 --> 00:32:33,760

if your grandmother passes or you're

878

00:32:37,110 --> 00:32:35,519

going to the funeral you know

879

00:32:39,830 --> 00:32:37,120

you know she's sick you need to reach

880

00:32:41,990 --> 00:32:39,840

out to her and blah blah blah blah

881

00:32:43,430 --> 00:32:42,000

and i don't i don't say that to be you

882

00:32:45,029 --> 00:32:43,440

know to sound like a hard

883

00:32:45,990 --> 00:32:45,039

behind but i'm just it's just one of

884

00:32:47,590 --> 00:32:46,000

those things people started putting

885

00:32:49,430 --> 00:32:47,600

pressure on me

886

00:32:51,029 --> 00:32:49,440

and i told them i'm like she's not going

887

00:32:52,230 --> 00:32:51,039

anywhere i'm like you guys are all

888

00:32:53,909 --> 00:32:52,240

coming in town

889

00:32:55,909 --> 00:32:53,919

you're running to see her and she's not

890

00:32:57,269 --> 00:32:55,919

going anywhere i said that woman's not

891

00:32:59,750 --> 00:32:57,279

dying anytime soon

892

00:33:00,389 --> 00:32:59,760

so goes into the hospital they got all

893

00:33:03,110 --> 00:33:00,399

morphine

894

00:33:06,470 --> 00:33:03,120

all the stuff that you prepare to do for

895

00:33:08,389 --> 00:33:06,480

a person that's going to pass away

896

00:33:10,630 --> 00:33:08,399

my sister because i have a younger

897

00:33:12,149 --> 00:33:10,640

sister she goes there goes to visit

898

00:33:14,310 --> 00:33:12,159

when she goes i say hey don't bring your

899

00:33:15,590 --> 00:33:14,320

children you just go

900

00:33:17,669 --> 00:33:15,600

and she's like no i'm gonna bring my

901
00:33:19,990 --> 00:33:17,679
children blah blah blah blah

902
00:33:20,789 --> 00:33:20,000
they go she goes and visit her in the

903
00:33:22,549 --> 00:33:20,799
hospital

904
00:33:25,029 --> 00:33:22,559
she says well she looks like she's you

905
00:33:27,909 --> 00:33:25,039
know she's about to die

906
00:33:29,110 --> 00:33:27,919
the very next day before she can get

907
00:33:31,269 --> 00:33:29,120
back to new orleans

908
00:33:32,870 --> 00:33:31,279
she goes to visit one more time my

909
00:33:34,149 --> 00:33:32,880
grandmother's sitting up in a chair next

910
00:33:37,269 --> 00:33:34,159
to the bed

911
00:33:39,269 --> 00:33:37,279
and there's a preacher a southern

912
00:33:41,909 --> 00:33:39,279
baptist preacher that's coming to

913
00:33:43,669 --> 00:33:41,919

kind of give her her last rights and the

914

00:33:44,230 --> 00:33:43,679

craziest thing is you know most people

915

00:33:47,110 --> 00:33:44,240

when they're

916

00:33:48,710 --> 00:33:47,120

up in age like that in their 90s and

917

00:33:50,549 --> 00:33:48,720

they know they're close to death

918

00:33:52,470 --> 00:33:50,559

they really want you know to get that

919

00:33:54,149 --> 00:33:52,480

final blessing well

920

00:33:55,909 --> 00:33:54,159

preacher walks in the room and says hey

921

00:33:57,590 --> 00:33:55,919

i want to pray over you

922

00:33:58,870 --> 00:33:57,600

she starts to curse this preacher out

923

00:33:59,430 --> 00:33:58,880

tells him that he needs to leave the

924

00:34:00,710 --> 00:33:59,440

room

925

00:34:02,549 --> 00:34:00,720

well i actually didn't say that she said

926

00:34:04,950 --> 00:34:02,559

you need to get away from me

927

00:34:05,990 --> 00:34:04,960

and so the preacher's like wait what

928

00:34:08,149 --> 00:34:06,000

yeah you need to get away

929

00:34:09,589 --> 00:34:08,159

from me she said i don't need your

930

00:34:11,669 --> 00:34:09,599

prayers get away from me

931

00:34:13,270 --> 00:34:11,679

and so he backs away and says you know

932

00:34:15,030 --> 00:34:13,280

is this far enough away from you

933

00:34:16,869 --> 00:34:15,040

and she says no i mean like outside of

934

00:34:18,149 --> 00:34:16,879

the door so this preacher stands in the

935

00:34:21,270 --> 00:34:18,159

threshold of the

936

00:34:22,710 --> 00:34:21,280

hospital door room and he says a prayer

937

00:34:24,230 --> 00:34:22,720

and then he leaves well my sister

938

00:34:25,190 --> 00:34:24,240

catches up with him and talks to him a

939

00:34:27,829 --> 00:34:25,200

little bit

940

00:34:28,869 --> 00:34:27,839

and i heard my uncle standing there and

941

00:34:30,149 --> 00:34:28,879

this is the same

942

00:34:31,669 --> 00:34:30,159

southern baptist preacher that's

943

00:34:33,030 --> 00:34:31,679

preached to my family since my

944

00:34:36,470 --> 00:34:33,040

grandfather

945

00:34:39,589 --> 00:34:36,480

my god

946

00:34:43,430 --> 00:34:39,599

i had to be nine years old

947

00:34:44,790 --> 00:34:43,440

so he tells my sister he said you know

948

00:34:46,710 --> 00:34:44,800

and my uncle he says you know

949

00:34:48,310 --> 00:34:46,720

something's not right with her you know

950

00:34:50,550 --> 00:34:48,320

something's off with her

951
00:34:51,829 --> 00:34:50,560
she's not you know she's not all there

952
00:34:53,750 --> 00:34:51,839
and they said well you know she's up in

953
00:34:54,470 --> 00:34:53,760
age and she's old he's like no no no no

954
00:34:58,390 --> 00:34:54,480
no

955
00:35:02,310 --> 00:34:58,400
walks off

956
00:35:03,910 --> 00:35:02,320
so now my family is they've come to town

957
00:35:05,349 --> 00:35:03,920
a lot of them have spent money coming

958
00:35:06,470 --> 00:35:05,359
traveling in town and now she's back at

959
00:35:10,470 --> 00:35:06,480
home

960
00:35:14,069 --> 00:35:10,480
and sitting around relaxing

961
00:35:16,630 --> 00:35:14,079
so after

962
00:35:17,589 --> 00:35:16,640
after cursing out the preacher and so i

963
00:35:19,589 --> 00:35:17,599

had a lot of

964

00:35:21,990 --> 00:35:19,599

i have a few cousins that i'm very close

965

00:35:23,190 --> 00:35:22,000

to and they all had to come in town and

966

00:35:25,430 --> 00:35:23,200

you know when you're going into

967

00:35:27,190 --> 00:35:25,440

mississippi the closest international

968

00:35:28,390 --> 00:35:27,200

airport is the new orleans international

969

00:35:29,750 --> 00:35:28,400

airport

970

00:35:31,430 --> 00:35:29,760

so they all come through here and they

971

00:35:31,990 --> 00:35:31,440

track you down like hey you know we're

972

00:35:35,670 --> 00:35:32,000

going to

973

00:35:36,630 --> 00:35:35,680

and they put this pressure on you and

974

00:35:38,470 --> 00:35:36,640

i'm like no i'm

975

00:35:40,310 --> 00:35:38,480

i'm not going you know leave me alone

976
00:35:41,190 --> 00:35:40,320
you can go you can do whatever you want

977
00:35:43,349 --> 00:35:41,200
to do

978
00:35:44,230 --> 00:35:43,359
i'm not putting myself in an environment

979
00:35:46,790 --> 00:35:44,240
with her

980
00:35:48,390 --> 00:35:46,800
because i don't think it's safe so

981
00:35:49,190 --> 00:35:48,400
that's what's been going on the family

982
00:35:51,109 --> 00:35:49,200
side

983
00:35:53,750 --> 00:35:51,119
crazy crazy foolishness and i think i

984
00:35:56,390 --> 00:35:53,760
don't know if i told you guys this but

985
00:35:57,510 --> 00:35:56,400
my family over the years my family has

986
00:35:58,470 --> 00:35:57,520
been plagued with these different

987
00:36:00,069 --> 00:35:58,480
cancers

988
00:36:02,150 --> 00:36:00,079

just to bring into your attention why

989

00:36:05,349 --> 00:36:02,160

i'm so worried about going there

990

00:36:09,829 --> 00:36:05,359

my father who's still alive this is

991

00:36:12,310 --> 00:36:09,839

all last year so last year 2016

992

00:36:13,670 --> 00:36:12,320

at the end of 2015 he was diagnosed with

993

00:36:17,109 --> 00:36:13,680

prostate cancer

994

00:36:19,270 --> 00:36:17,119

in october of 2015

995

00:36:20,230 --> 00:36:19,280

he went to visit my grandmother and they

996

00:36:22,069 --> 00:36:20,240

had an argument

997

00:36:23,670 --> 00:36:22,079

about because my mother died of cancer

998

00:36:26,630 --> 00:36:23,680

breast cancer when i was young

999

00:36:28,230 --> 00:36:26,640

young girls in my 20s so my father goes

1000

00:36:31,030 --> 00:36:28,240

to visit his

1001

00:36:32,790 --> 00:36:31,040

mother-in-law just to say hey just to

1002

00:36:35,589 --> 00:36:32,800

say hello how are you doing i'm checking

1003

00:36:36,870 --> 00:36:35,599

in with you she completely spazzes out

1004

00:36:38,310 --> 00:36:36,880

kanye west style saying

1005

00:36:40,230 --> 00:36:38,320

i know you have another woman down there

1006

00:36:41,670 --> 00:36:40,240

in new orleans and you better not ever

1007

00:36:43,109 --> 00:36:41,680

let me see her because i got something

1008

00:36:43,750 --> 00:36:43,119

for you and her but i would meet her

1009

00:36:45,510 --> 00:36:43,760

blah blah blah

1010

00:36:47,190 --> 00:36:45,520

blah woman he was with not even serious

1011

00:36:48,950 --> 00:36:47,200

with the woman but she just spans us

1012

00:36:50,870 --> 00:36:48,960

completely out

1013

00:36:52,870 --> 00:36:50,880

two and a half to three days later after

1014

00:36:55,670 --> 00:36:52,880

that he ends up going to

1015

00:36:57,670 --> 00:36:55,680

get a routine checkup finds out he has

1016

00:37:04,310 --> 00:36:57,680

prostate cancer

1017

00:37:06,150 --> 00:37:04,320

year of 2016.

1018

00:37:07,750 --> 00:37:06,160

and he's fine and he's had his prostate

1019

00:37:09,750 --> 00:37:07,760

removed and everything's cool but

1020

00:37:11,270 --> 00:37:09,760

it's just when people get close to this

1021

00:37:14,870 --> 00:37:11,280

woman bad things happen

1022

00:37:18,550 --> 00:37:14,880

so i'm staying away she puts the mojo

1023

00:37:22,390 --> 00:37:18,560

absolutely puts the major mojo on him

1024

00:37:23,109 --> 00:37:22,400

major major mojo on him so i am staying

1025

00:37:25,270 --> 00:37:23,119

away

1026

00:37:26,630 --> 00:37:25,280

i think it's the best thing for me to do

1027

00:37:29,910 --> 00:37:26,640

considering the fact that

1028

00:37:31,829 --> 00:37:29,920

um i have been away for so long and that

1029

00:37:35,190 --> 00:37:31,839

she's requested for me to come

1030

00:37:36,710 --> 00:37:35,200

several times and i've said no she even

1031

00:37:38,230 --> 00:37:36,720

called and said you need to come see me

1032

00:37:39,109 --> 00:37:38,240

and i'll say no i'm not coming to see

1033

00:37:41,910 --> 00:37:39,119

you

1034

00:37:43,510 --> 00:37:41,920

so um and when the funeral happens i

1035

00:37:44,550 --> 00:37:43,520

won't go and i won't let my sons go

1036

00:37:47,270 --> 00:37:44,560

because i have a son

1037

00:37:48,390 --> 00:37:47,280

that's 12 and one that's 13. and that's

1038

00:37:50,069 --> 00:37:48,400

that age

1039

00:37:51,829 --> 00:37:50,079

where all that strangeness tends to

1040

00:37:54,230 --> 00:37:51,839

happen so there's

1041

00:37:56,390 --> 00:37:54,240

no i mean when i tell you there is a

1042

00:37:59,829 --> 00:37:56,400

zero percent chance that they're going

1043

00:38:01,589 --> 00:37:59,839

zero in fact we had a conversation

1044

00:38:03,190 --> 00:38:01,599

because i hadn't told them everything

1045

00:38:04,310 --> 00:38:03,200

about their family so we were riding in

1046

00:38:05,750 --> 00:38:04,320

the car and i said hey man i need to

1047

00:38:07,030 --> 00:38:05,760

tell you guys some things

1048

00:38:09,750 --> 00:38:07,040

and i'm like well what you need to tell

1049

00:38:11,270 --> 00:38:09,760

us dad so i started this was hilarious

1050

00:38:12,630 --> 00:38:11,280

because i have one in the front seat one

1051
00:38:13,910 --> 00:38:12,640
in the back seat the oldest one's the

1052
00:38:15,270 --> 00:38:13,920
back seat the youngest one is just

1053
00:38:16,550 --> 00:38:15,280
sitting there with his mouth open when

1054
00:38:19,910 --> 00:38:16,560
i'm explaining this to him

1055
00:38:23,270 --> 00:38:19,920
and the other one is like wait what wait

1056
00:38:24,390 --> 00:38:23,280
what happened really he was like man

1057
00:38:26,310 --> 00:38:24,400
this is crazy

1058
00:38:27,910 --> 00:38:26,320
and i was like yeah so you you won't be

1059
00:38:29,750 --> 00:38:27,920
going to that funeral and i need you to

1060
00:38:30,790 --> 00:38:29,760
understand why when the fight starts

1061
00:38:32,550 --> 00:38:30,800
over this

1062
00:38:34,550 --> 00:38:32,560
i want you to understand why i don't

1063
00:38:36,390 --> 00:38:34,560

want you to go because

1064

00:38:38,550 --> 00:38:36,400

there will be a knock down drag out

1065

00:38:40,630 --> 00:38:38,560

fight if someone tries to take you

1066

00:38:42,150 --> 00:38:40,640

to that funeral and it was like well man

1067

00:38:43,990 --> 00:38:42,160

based on what you're telling me i'm not

1068

00:38:44,710 --> 00:38:44,000

trying to go i'm like i just need you to

1069

00:38:48,470 --> 00:38:44,720

know

1070

00:38:51,510 --> 00:38:48,480

so um that's just my life though crazy

1071

00:38:54,310 --> 00:38:51,520

crazy crazy foolishness that

1072

00:38:56,069 --> 00:38:54,320

that only happens to me and this and it

1073

00:38:56,870 --> 00:38:56,079

is insane because it seems like these

1074

00:38:58,230 --> 00:38:56,880

type of

1075

00:38:59,990 --> 00:38:58,240

things have followed me around my whole

1076

00:39:02,950 --> 00:39:00,000

life and i think it all boils back down

1077

00:39:03,829 --> 00:39:02,960

to you know to that that bloodline that

1078

00:39:06,310 --> 00:39:03,839

i have with this

1079

00:39:09,030 --> 00:39:06,320

this who doing it i really think that's

1080

00:39:11,510 --> 00:39:09,040

what it boils down to

1081

00:39:13,109 --> 00:39:11,520

yeah well you know i i tell you you know

1082

00:39:23,750 --> 00:39:13,119

i

1083

00:39:25,190 --> 00:39:23,760

the hoodoo and the scenery and all that

1084

00:39:28,310 --> 00:39:25,200

i mean i just

1085

00:39:30,069 --> 00:39:28,320

i like to read about it and uh i have

1086

00:39:32,310 --> 00:39:30,079

had cases where

1087

00:39:33,829 --> 00:39:32,320

you know some of the uh information has

1088

00:39:36,710 --> 00:39:33,839

helped me but

1089

00:39:37,270 --> 00:39:36,720

i know it's it's a pretty wicked stuff

1090

00:39:39,510 --> 00:39:37,280

man i

1091

00:39:41,510 --> 00:39:39,520

i i don't like to mess with it myself

1092

00:39:44,550 --> 00:39:41,520

either

1093

00:39:48,790 --> 00:39:44,560

no it's truly wicked stuff yeah yeah

1094

00:39:52,630 --> 00:39:48,800

oh yeah yes it is and um

1095

00:39:54,950 --> 00:39:52,640

so what interesting story

1096

00:39:57,670 --> 00:39:54,960

as far as monsters and creatures do you

1097

00:40:01,109 --> 00:39:57,680

have for us you have something uh

1098

00:40:03,430 --> 00:40:01,119

something quite unusual i gotta

1099

00:40:05,109 --> 00:40:03,440

i got all kinds of stuff for you i mean

1100

00:40:06,230 --> 00:40:05,119

you guys can pick a topic and i can

1101

00:40:09,750 --> 00:40:06,240

pretty much give you one

1102

00:40:12,870 --> 00:40:09,760

i would say that the most recent one

1103

00:40:13,430 --> 00:40:12,880

that i just had was and this is this has

1104

00:40:17,990 --> 00:40:13,440

to do with

1105

00:40:19,349 --> 00:40:18,000

ghosts um a gentleman called me

1106

00:40:21,270 --> 00:40:19,359

what's the day wednesday or tuesday

1107

00:40:22,230 --> 00:40:21,280

today's two wednesdays so he called me

1108

00:40:26,630 --> 00:40:22,240

saturday

1109

00:40:27,910 --> 00:40:26,640

he was like hey dog waters i just want

1110

00:40:29,829 --> 00:40:27,920

to share a story with you

1111

00:40:31,270 --> 00:40:29,839

you may find it true you mean you may

1112

00:40:32,550 --> 00:40:31,280

not find it true but

1113

00:40:34,950 --> 00:40:32,560

i just want to share the story because i

1114

00:40:35,589 --> 00:40:34,960

know you listen and he goes on to tell

1115

00:40:37,430 --> 00:40:35,599

me that

1116

00:40:39,990 --> 00:40:37,440

him and his mother share a car and his

1117

00:40:41,670 --> 00:40:40,000

mother works at a funeral home

1118

00:40:43,510 --> 00:40:41,680

and this guy's right in baton rouge he's

1119

00:40:46,630 --> 00:40:43,520

not very far from here at all

1120

00:40:48,230 --> 00:40:46,640

and so every morning he gets up early

1121

00:40:49,910 --> 00:40:48,240

drops his mother off at the funeral home

1122

00:40:52,150 --> 00:40:49,920

her job is to

1123

00:40:54,630 --> 00:40:52,160

dress the people's dead bodies and get

1124

00:40:56,069 --> 00:40:54,640

them prepared for the funeral so

1125

00:40:57,430 --> 00:40:56,079

you know when you do the final viewing

1126

00:40:59,510 --> 00:40:57,440

in the castle got a person look so

1127

00:41:02,870 --> 00:40:59,520

beautiful and they had the makeup on and

1128

00:41:05,430 --> 00:41:02,880

eyeshadow that's his mom's job right

1129

00:41:06,710 --> 00:41:05,440

so he's every morning he drops her off

1130

00:41:10,150 --> 00:41:06,720

then he goes to his job

1131

00:41:12,790 --> 00:41:10,160

well his mother had been telling him

1132

00:41:14,069 --> 00:41:12,800

these weird things like over the past

1133

00:41:16,309 --> 00:41:14,079

couple of weeks like

1134

00:41:17,829 --> 00:41:16,319

stuff like bad things happen when you

1135

00:41:19,750 --> 00:41:17,839

disrespect the dead he was like you know

1136

00:41:20,390 --> 00:41:19,760

she would say these cryptic things like

1137

00:41:21,990 --> 00:41:20,400

cryptic

1138

00:41:23,990 --> 00:41:22,000

things like you know things that just

1139

00:41:25,190 --> 00:41:24,000

didn't they were out of the blue

1140

00:41:26,790 --> 00:41:25,200

and he's like it really started to

1141

00:41:27,990 --> 00:41:26,800

bother me because she would just say

1142

00:41:29,190 --> 00:41:28,000

these little things like people are

1143

00:41:31,589 --> 00:41:29,200

disrespecting the dead and when you

1144

00:41:34,470 --> 00:41:31,599

disrespect the dead bad things happen

1145

00:41:36,790 --> 00:41:34,480

um you know be careful what you say and

1146

00:41:40,230 --> 00:41:36,800

be careful what you wish for

1147

00:41:43,190 --> 00:41:40,240

and so finally he's dropping her off

1148

00:41:45,030 --> 00:41:43,200

at work one morning drops her off pulls

1149

00:41:46,710 --> 00:41:45,040

up in the parking lot drops off you know

1150

00:41:49,190 --> 00:41:46,720

talks with her a little bit

1151

00:41:51,030 --> 00:41:49,200

drives away as he's heading down uh

1152

00:41:51,910 --> 00:41:51,040

florida boulevard which is the actual

1153

00:41:54,550 --> 00:41:51,920

street that he's on

1154

00:41:55,349 --> 00:41:54,560

in baton rouge he looks in his rear view

1155

00:41:57,030 --> 00:41:55,359

mirror

1156

00:41:58,390 --> 00:41:57,040

and in the back seat he sees it and he

1157

00:42:00,470 --> 00:41:58,400

described it as this

1158

00:42:01,750 --> 00:42:00,480

most absolutely gorgeous woman he'd ever

1159

00:42:01,990 --> 00:42:01,760

seen in his life just sitting in the

1160

00:42:03,829 --> 00:42:02,000

back

1161

00:42:05,430 --> 00:42:03,839

seat of his car and he's like what the

1162

00:42:06,150 --> 00:42:05,440

hell is this woman doing my car he turns

1163

00:42:10,150 --> 00:42:06,160

his head

1164

00:42:12,069 --> 00:42:10,160

but there's no one there goes to work

1165

00:42:13,670 --> 00:42:12,079

does his normal thing throughout the day

1166

00:42:14,550 --> 00:42:13,680

around 2 30 3 o'clock goes to the

1167

00:42:17,349 --> 00:42:14,560

restroom

1168

00:42:18,710 --> 00:42:17,359

hands and he starts to get this feeling

1169

00:42:19,750 --> 00:42:18,720

like somebody's watching him looks in

1170

00:42:21,589 --> 00:42:19,760

the mirror

1171

00:42:23,990 --> 00:42:21,599

and sees this warming this woman

1172

00:42:26,150 --> 00:42:24,000

standing behind him through the mirror

1173

00:42:27,990 --> 00:42:26,160

and he turns around and he can actually

1174

00:42:28,710 --> 00:42:28,000

physically see the manifestation of this

1175

00:42:31,510 --> 00:42:28,720

ghost

1176

00:42:33,109 --> 00:42:31,520

and he said she looked concerned and i

1177

00:42:34,309 --> 00:42:33,119

was like what do you mean bro concern

1178

00:42:36,790 --> 00:42:34,319

he's like she had this look of

1179

00:42:37,910 --> 00:42:36,800

compassion on her face like she was just

1180

00:42:39,270 --> 00:42:37,920

concerned i don't know if she was

1181

00:42:41,510 --> 00:42:39,280

concerned for me

1182

00:42:43,430 --> 00:42:41,520

or who or what she was concerned about

1183

00:42:45,109 --> 00:42:43,440

but she just looked very very concerned

1184

00:42:48,150 --> 00:42:45,119

and then she disappeared

1185

00:42:50,069 --> 00:42:48,160

and so me you know trying to vet out all

1186

00:42:51,349 --> 00:42:50,079

the stories i i try i say hey man well

1187

00:42:52,790 --> 00:42:51,359

give me a description of how it

1188

00:42:54,710 --> 00:42:52,800

manifested and he was

1189

00:42:56,069 --> 00:42:54,720

and i've discovered that sometimes i

1190

00:42:57,589 --> 00:42:56,079

press people too hard and when you

1191

00:43:00,630 --> 00:42:57,599

really press someone

1192

00:43:02,630 --> 00:43:00,640

extremely hard who's

1193

00:43:03,910 --> 00:43:02,640

telling the truth they'll tell you the

1194

00:43:05,109 --> 00:43:03,920

same thing over and over and over and

1195

00:43:06,550 --> 00:43:05,119

over again and they get to a point to

1196

00:43:08,069 --> 00:43:06,560

where it just aggravates them and so

1197

00:43:09,589 --> 00:43:08,079

then they start pushing you away

1198

00:43:11,109 --> 00:43:09,599

well that's the process i went through

1199

00:43:12,230 --> 00:43:11,119

with him i got to the point where i

1200

00:43:13,430 --> 00:43:12,240

guess i got on the skin and he was like

1201

00:43:15,510 --> 00:43:13,440

man you're not listening to me

1202

00:43:16,870 --> 00:43:15,520

it wasn't like on tv where the ghost

1203

00:43:19,270 --> 00:43:16,880

kind of is this

1204

00:43:21,030 --> 00:43:19,280

myth that appears she was just there and

1205

00:43:22,470 --> 00:43:21,040

she was right there behind me and i saw

1206

00:43:25,910 --> 00:43:22,480

her and i looked her in her eyes

1207

00:43:26,710 --> 00:43:25,920

and she looked concerned he goes back to

1208

00:43:28,230 --> 00:43:26,720

um

1209

00:43:29,589 --> 00:43:28,240

he goes back to pick up his mom from

1210

00:43:31,829 --> 00:43:29,599

work at the end of the day start telling

1211

00:43:34,390 --> 00:43:31,839

his mom about what happened

1212

00:43:36,150 --> 00:43:34,400

she pulls out a picture of one of the

1213

00:43:36,870 --> 00:43:36,160

people that she had been dressing that

1214

00:43:40,309 --> 00:43:36,880

day

1215

00:43:42,069 --> 00:43:40,319

this lady had died in a car accident and

1216

00:43:43,750 --> 00:43:42,079

uh it's the exact same person in the

1217

00:43:45,349 --> 00:43:43,760

picture that he was seeing

1218

00:43:47,030 --> 00:43:45,359

and so his question to me was well you

1219

00:43:47,510 --> 00:43:47,040

know why would she be following me

1220

00:43:48,790 --> 00:43:47,520

around

1221

00:43:50,870 --> 00:43:48,800

i'm like dude i don't know i said i

1222

00:43:52,470 --> 00:43:50,880

don't have the answers to everything

1223

00:43:54,309 --> 00:43:52,480

i said i can't tell you the answers to

1224

00:43:56,550 --> 00:43:54,319

everything so all i can tell you is

1225

00:43:57,750 --> 00:43:56,560

i believe your story i ended up talking

1226

00:44:00,069 --> 00:43:57,760

to his mom briefly

1227

00:44:01,510 --> 00:44:00,079

she was kind of standoffish but she

1228

00:44:03,109 --> 00:44:01,520

confirmed everything

1229

00:44:04,630 --> 00:44:03,119

and uh and it's probably just probably

1230

00:44:06,550 --> 00:44:04,640

more standoffish because i was trying to

1231

00:44:07,190 --> 00:44:06,560

dig into more of what has happened to

1232

00:44:09,430 --> 00:44:07,200

her

1233

00:44:10,790 --> 00:44:09,440

and why she was being so cryptic with

1234

00:44:11,829 --> 00:44:10,800

her son and telling her son these

1235

00:44:14,470 --> 00:44:11,839

stories and these

1236

00:44:16,069 --> 00:44:14,480

little sayings and she just was kind of

1237

00:44:17,190 --> 00:44:16,079

closed off i think eventually i'll get

1238

00:44:20,230 --> 00:44:17,200

her to talk

1239

00:44:21,270 --> 00:44:20,240

but that's one of the most recent

1240

00:44:22,630 --> 00:44:21,280

stories

1241

00:44:24,630 --> 00:44:22,640

and i don't know why the spirit would

1242

00:44:27,270 --> 00:44:24,640

get in the car and follow him

1243

00:44:28,790 --> 00:44:27,280

uh but he's still alive he hasn't had

1244

00:44:29,829 --> 00:44:28,800

any car accidents nothing crazy has

1245

00:44:30,870 --> 00:44:29,839

happened so

1246

00:44:32,390 --> 00:44:30,880

maybe something's coming down the

1247

00:44:33,589 --> 00:44:32,400

pipeline that's going to happen to him i

1248

00:44:36,790 --> 00:44:33,599

don't know

1249

00:44:40,309 --> 00:44:36,800

i i really doubt that that's like a

1250

00:44:44,150 --> 00:44:40,319

pre-cog thing i i it's probably

1251

00:44:48,550 --> 00:44:45,829

i don't know this thing was attracted to

1252

00:44:49,349 --> 00:44:48,560

him somehow this energy was attracted to

1253

00:44:50,790 --> 00:44:49,359

him

1254

00:44:52,470 --> 00:44:50,800

you know since he was so close to her

1255

00:44:55,030 --> 00:44:52,480

funeral home he dropped his mother off

1256

00:44:57,829 --> 00:44:55,040

she may have kids to ride with him

1257

00:45:00,069 --> 00:44:57,839

she was attracted to him did he ever

1258

00:45:03,670 --> 00:45:00,079

mention he had any other um

1259

00:45:03,990 --> 00:45:03,680

experiences before that i asked him that

1260

00:45:06,309 --> 00:45:04,000

very

1261

00:45:08,309 --> 00:45:06,319

question he said no he hadn't had any

1262

00:45:09,430 --> 00:45:08,319

paranormal experiences outside of that

1263

00:45:11,190 --> 00:45:09,440

one

1264

00:45:12,470 --> 00:45:11,200

and he said he doesn't want it he was he

1265

00:45:13,109 --> 00:45:12,480

was like and i don't want anything other

1266

00:45:15,829 --> 00:45:13,119

than that

1267

00:45:16,790 --> 00:45:15,839

yeah so yeah that means i can't blame

1268

00:45:20,309 --> 00:45:16,800

the dude

1269

00:45:25,510 --> 00:45:20,319

yeah well that's pretty cool um

1270

00:45:28,069 --> 00:45:25,520

any um any bigfoot or dog man stories

1271

00:45:29,910 --> 00:45:28,079

since we talked to you the last time

1272

00:45:31,750 --> 00:45:29,920

yeah i get dog meeting stuff

1273

00:45:33,109 --> 00:45:31,760

i literally get dog man stuff all the

1274

00:45:34,470 --> 00:45:33,119

time

1275

00:45:36,309 --> 00:45:34,480

do you think how many of these store

1276
00:45:37,589 --> 00:45:36,319
these dog man encounters people are

1277
00:45:40,710 --> 00:45:37,599
having

1278
00:45:43,109 --> 00:45:40,720
uh i i just you know i the stuff that i

1279
00:45:46,790 --> 00:45:43,119
hear and i know you here too

1280
00:45:50,150 --> 00:45:46,800
it's uh it for whatever reason

1281
00:45:51,990 --> 00:45:50,160
it just becomes more prevalent now

1282
00:45:53,670 --> 00:45:52,000
well it's a lot more prevalent than like

1283
00:45:54,710 --> 00:45:53,680
i said this the last time we spoke i

1284
00:45:59,030 --> 00:45:54,720
think it's

1285
00:46:01,270 --> 00:45:59,040
monetized that monetization leads to

1286
00:46:03,190 --> 00:46:01,280
people creating encounters and making up

1287
00:46:04,790 --> 00:46:03,200
stuff and so it gets to the point where

1288
00:46:06,470 --> 00:46:04,800

it's kind of hard to decipher what's

1289

00:46:08,550 --> 00:46:06,480

real and what's not real

1290

00:46:10,470 --> 00:46:08,560

i've heard so many of them and heard so

1291

00:46:12,230 --> 00:46:10,480

many fake ones

1292

00:46:14,069 --> 00:46:12,240

and i've heard so many real ones that

1293

00:46:14,870 --> 00:46:14,079

there are these things that that ring

1294

00:46:17,430 --> 00:46:14,880

true through the

1295

00:46:17,910 --> 00:46:17,440

the real encounters right i mean and

1296

00:46:20,710 --> 00:46:17,920

it's just

1297

00:46:22,870 --> 00:46:20,720

it's consistent and it's not just it's

1298

00:46:24,309 --> 00:46:22,880

not the description of the creature

1299

00:46:26,150 --> 00:46:24,319

and that's what i found i found that the

1300

00:46:28,550 --> 00:46:26,160

description of the creature is not

1301
00:46:30,309 --> 00:46:28,560
always consistent because it hinges that

1302
00:46:32,390 --> 00:46:30,319
description hinges on

1303
00:46:33,990 --> 00:46:32,400
that individual's mind state the

1304
00:46:37,109 --> 00:46:34,000
individual's physical

1305
00:46:38,790 --> 00:46:37,119
ability to see the the creature but what

1306
00:46:40,790 --> 00:46:38,800
is very very consistent through all

1307
00:46:41,510 --> 00:46:40,800
dogman encounters is the emotions that

1308
00:46:43,670 --> 00:46:41,520
the person

1309
00:46:44,550 --> 00:46:43,680
feels from their encounter with the

1310
00:46:46,870 --> 00:46:44,560
creature

1311
00:46:47,910 --> 00:46:46,880
that's the one thing that lets me know

1312
00:46:49,349 --> 00:46:47,920
um

1313
00:46:50,950 --> 00:46:49,359

whether it's real or not whether it's

1314

00:46:51,910 --> 00:46:50,960

true or not i talk to people who say oh

1315

00:46:54,630 --> 00:46:51,920

i've seen them

1316

00:46:56,390 --> 00:46:54,640

and they can describe the eyebrows and

1317

00:46:57,829 --> 00:46:56,400

they can describe the whiskers and they

1318

00:46:59,829 --> 00:46:57,839

can describe the nose and how the nose

1319

00:47:02,870 --> 00:46:59,839

is wet and the teeth and blah blah blah

1320

00:47:04,230 --> 00:47:02,880

i mean just down to the i mean down to

1321

00:47:06,470 --> 00:47:04,240

where you could almost

1322

00:47:07,670 --> 00:47:06,480

uh craft the clay model from their

1323

00:47:09,510 --> 00:47:07,680

description

1324

00:47:11,270 --> 00:47:09,520

or if you had like a crime scene guy who

1325

00:47:12,790 --> 00:47:11,280

a crime screen sketch artist a sketch

1326
00:47:13,430 --> 00:47:12,800
artist they can describe to the sketch

1327
00:47:15,990 --> 00:47:13,440
artisan

1328
00:47:17,109 --> 00:47:16,000
he can draw a picture but at the same

1329
00:47:18,870 --> 00:47:17,119
time

1330
00:47:20,870 --> 00:47:18,880
while they're sharing that description

1331
00:47:22,390 --> 00:47:20,880
with me there's no fear

1332
00:47:24,790 --> 00:47:22,400
no tone of fear in their voice

1333
00:47:25,510 --> 00:47:24,800
whatsoever and i'm like yeah you know

1334
00:47:29,270 --> 00:47:25,520
you

1335
00:47:33,430 --> 00:47:29,280
description

1336
00:47:34,790 --> 00:47:33,440
mean you really got a great idea of how

1337
00:47:36,950 --> 00:47:34,800
to describe it

1338
00:47:38,630 --> 00:47:36,960

but how did it make you feel and then

1339

00:47:39,670 --> 00:47:38,640

that's where it just falls off the roof

1340

00:47:41,270 --> 00:47:39,680

because

1341

00:47:43,109 --> 00:47:41,280

if i'm standing in front of an eight

1342

00:47:44,870 --> 00:47:43,119

foot nine foot ten foot

1343

00:47:46,710 --> 00:47:44,880

seven foot six foot it doesn't matter

1344

00:47:48,549 --> 00:47:46,720

walking wolf

1345

00:47:51,030 --> 00:47:48,559

that's drooling at the mouth that's got

1346

00:47:54,150 --> 00:47:51,040

these piercing eyes

1347

00:47:55,990 --> 00:47:54,160

to me i'm

1348

00:47:57,670 --> 00:47:56,000

i'm gonna lose my mind and you're gonna

1349

00:47:58,470 --> 00:47:57,680

be able to tell that i lo i was losing

1350

00:47:59,670 --> 00:47:58,480

my mind

1351

00:48:03,190 --> 00:47:59,680

when i'm talking to you because i'm

1352

00:48:05,990 --> 00:48:03,200

gonna relive it so i say all that to say

1353

00:48:06,870 --> 00:48:06,000

the encounters that um i consider to be

1354

00:48:09,030 --> 00:48:06,880

true

1355

00:48:10,549 --> 00:48:09,040

are the encounters in which people

1356

00:48:13,589 --> 00:48:10,559

actually

1357

00:48:15,430 --> 00:48:13,599

uh show that fear and it's manifested

1358

00:48:16,630 --> 00:48:15,440

via the phone conversation and i'm

1359

00:48:19,430 --> 00:48:16,640

talking about people having

1360

00:48:20,150 --> 00:48:19,440

emotional breakdowns on the phone where

1361

00:48:22,309 --> 00:48:20,160

they just

1362

00:48:23,910 --> 00:48:22,319

i mean they're losing it and that was

1363

00:48:24,710 --> 00:48:23,920

one that i just recently talked to a

1364

00:48:26,069 --> 00:48:24,720

gentleman

1365

00:48:28,150 --> 00:48:26,079

were actually two gentlemen that are

1366

00:48:29,829 --> 00:48:28,160

hunters and he went out hunting together

1367

00:48:32,870 --> 00:48:29,839

their two brothers

1368

00:48:35,190 --> 00:48:32,880

they set up in a tree stand shot a deer

1369

00:48:36,630 --> 00:48:35,200

um and i didn't know this because i

1370

00:48:38,069 --> 00:48:36,640

don't go hunting but

1371

00:48:39,750 --> 00:48:38,079

they explained to me when you shoot the

1372

00:48:41,030 --> 00:48:39,760

deer then sometimes they don't always

1373

00:48:42,390 --> 00:48:41,040

die i'm thinking like in a video game

1374

00:48:43,990 --> 00:48:42,400

you shoot the deer just falls over right

1375

00:48:44,630 --> 00:48:44,000

there bam you go skinny and do whatever

1376

00:48:46,470 --> 00:48:44,640

you do

1377

00:48:48,069 --> 00:48:46,480

right they were like no no that's not

1378

00:48:49,589 --> 00:48:48,079

how it works sometimes when you shoot a

1379

00:48:51,030 --> 00:48:49,599

deer that you're run off

1380

00:48:52,630 --> 00:48:51,040

it's like and it's best just to let it

1381

00:48:54,470 --> 00:48:52,640

run off and bleed out

1382

00:48:56,309 --> 00:48:54,480

and you can go track it down you can

1383

00:48:56,710 --> 00:48:56,319

skin it wherever it is and take the meat

1384

00:48:59,910 --> 00:48:56,720

home

1385

00:49:02,069 --> 00:48:59,920

i'm like okay he taught me something so

1386

00:49:03,109 --> 00:49:02,079

they shoot this deer the two brothers go

1387

00:49:05,589 --> 00:49:03,119

and they go to try and

1388

00:49:06,710 --> 00:49:05,599

track it down well the track can follow

1389

00:49:08,069 --> 00:49:06,720

a blood trail

1390

00:49:10,069 --> 00:49:08,079

and when they get to the spot where the

1391

00:49:13,270 --> 00:49:10,079

dead body should be it's no longer there

1392

00:49:14,870 --> 00:49:13,280

but they see these this blood with

1393

00:49:16,630 --> 00:49:14,880

bubbles in it which i didn't understand

1394

00:49:18,309 --> 00:49:16,640

this either so i'm educated

1395

00:49:20,309 --> 00:49:18,319

and they said well when you see like

1396

00:49:20,790 --> 00:49:20,319

blood with bubbles in it it's lung blood

1397

00:49:26,069 --> 00:49:20,800

it's

1398

00:49:29,109 --> 00:49:26,079

blood you know the prey

1399

00:49:30,790 --> 00:49:29,119

or whatever you killed is dead or near

1400

00:49:31,430 --> 00:49:30,800

the depth and it should be an immediate

1401

00:49:33,670 --> 00:49:31,440

area

1402

00:49:35,109 --> 00:49:33,680

it shouldn't be a hundred yards away

1403

00:49:36,790 --> 00:49:35,119

because if you have a punctured line

1404

00:49:37,190 --> 00:49:36,800

you're not gonna get 100 yards away you

1405

00:49:40,710 --> 00:49:37,200

are

1406

00:49:41,190 --> 00:49:40,720

they break all that stuff down i mean

1407

00:49:42,950 --> 00:49:41,200

i'm like

1408

00:49:44,630 --> 00:49:42,960

okay guys cool you know i appreciate you

1409

00:49:45,990 --> 00:49:44,640

explaining it to me i like so what

1410

00:49:48,470 --> 00:49:46,000

happened to the deer

1411

00:49:49,430 --> 00:49:48,480

and they're like well my brother went

1412

00:49:51,430 --> 00:49:49,440

left i went right

1413

00:49:54,069 --> 00:49:51,440

and we started searching for it and the

1414

00:49:55,750 --> 00:49:54,079

older brother is walking under a tree

1415

00:49:57,030 --> 00:49:55,760

and as he's packing up passing under the

1416

00:49:58,230 --> 00:49:57,040

tree he starts to feel something

1417

00:49:59,670 --> 00:49:58,240

dripping on his shoulder

1418

00:50:01,430 --> 00:49:59,680

looks over his blood that's dripping

1419

00:50:02,950 --> 00:50:01,440

down on his shoulder and when are you

1420

00:50:03,510 --> 00:50:02,960

telling me this i'm like okay you guys

1421

00:50:07,430 --> 00:50:03,520

just watch

1422

00:50:10,390 --> 00:50:08,790

y'all playing me that's what i'm

1423

00:50:11,349 --> 00:50:10,400

thinking in my head you guys just like

1424

00:50:13,190 --> 00:50:11,359

president so i'm like

1425

00:50:15,109 --> 00:50:13,200

come on man you got to come better than

1426

00:50:16,549 --> 00:50:15,119

this so

1427

00:50:19,589 --> 00:50:16,559

he's like he looks up in the tree and

1428

00:50:22,230 --> 00:50:19,599

this deer is wedged in between

1429

00:50:23,349 --> 00:50:22,240

these two tree limbs like a wedge like

1430

00:50:25,829 --> 00:50:23,359

jammed in

1431

00:50:27,030 --> 00:50:25,839

smushed in there and he's like man i

1432

00:50:29,910 --> 00:50:27,040

don't understand

1433

00:50:31,270 --> 00:50:29,920

not hanging but like something pushed it

1434

00:50:32,630 --> 00:50:31,280

in there and he was like

1435

00:50:34,630 --> 00:50:32,640

man i'm standing there looking up at the

1436

00:50:36,150 --> 00:50:34,640

tree he said i forgot my brother was

1437

00:50:37,430 --> 00:50:36,160

even out there with me

1438

00:50:39,510 --> 00:50:37,440

because i'm trying to my mind is trying

1439

00:50:39,990 --> 00:50:39,520

to wrap around what takes a deer and

1440

00:50:42,549 --> 00:50:40,000

wedges

1441

00:50:43,990 --> 00:50:42,559

it in a tree and why is this deer in a

1442

00:50:45,190 --> 00:50:44,000

tree he's like i could see the deer

1443

00:50:47,190 --> 00:50:45,200

possibly being

1444

00:50:48,549 --> 00:50:47,200

behind the trees died on the ground

1445

00:50:49,030 --> 00:50:48,559

behind the tree but being where's in the

1446

00:50:50,549 --> 00:50:49,040

tree

1447

00:50:52,230 --> 00:50:50,559

was just way too much and i was trying

1448

00:50:53,990 --> 00:50:52,240

to process it as he's standing there

1449

00:50:55,910 --> 00:50:54,000

looking up his brother walks up

1450

00:50:57,109 --> 00:50:55,920

looks at it this youngest brother name

1451

00:50:59,190 --> 00:50:57,119

is claude

1452

00:51:00,710 --> 00:50:59,200

claude is the smarter the two brothers

1453

00:51:01,750 --> 00:51:00,720

he says man i don't know what put that

1454

00:51:04,069 --> 00:51:01,760

up there but uh

1455

00:51:05,910 --> 00:51:04,079

we probably need to leave it up there

1456

00:51:07,670 --> 00:51:05,920

and they have this discussion

1457

00:51:08,950 --> 00:51:07,680

the older brother wins out they climb up

1458

00:51:12,309 --> 00:51:08,960

the tree to try and kick

1459

00:51:13,829 --> 00:51:12,319

this deer out of the tree i paused right

1460

00:51:16,069 --> 00:51:13,839

there i said man

1461

00:51:17,829 --> 00:51:16,079

you know i heard a lot of stories and

1462

00:51:19,510 --> 00:51:17,839

the number one number one question that

1463

00:51:20,549 --> 00:51:19,520

anybody would ask you at this point in

1464

00:51:22,950 --> 00:51:20,559

time is

1465

00:51:24,950 --> 00:51:22,960

what possesses you to climb up a tree

1466

00:51:27,030 --> 00:51:24,960

after a deer that's been wedging a tree

1467

00:51:30,549 --> 00:51:27,040

how high up in the tree was this this

1468

00:51:33,030 --> 00:51:30,559

deer he was like 18 to 20 feet i said 18

1469

00:51:36,069 --> 00:51:33,040

to 20 feet i said okay

1470

00:51:38,870 --> 00:51:36,079

people tell stories i'll give them i'll

1471

00:51:39,910 --> 00:51:38,880

give them 12 to 13 feet but he says 18

1472

00:51:43,270 --> 00:51:39,920

to 20 feet

1473

00:51:45,430 --> 00:51:43,280

so they climb up the tree

1474

00:51:46,390 --> 00:51:45,440

and the older brother is trying to kick

1475

00:51:48,870 --> 00:51:46,400

the deer that's

1476
00:51:50,710 --> 00:51:48,880
wedged between the two limbs out of the

1477
00:51:52,390 --> 00:51:50,720
tree he's literally with his foot trying

1478
00:51:53,910 --> 00:51:52,400
to kick it loose

1479
00:51:55,589 --> 00:51:53,920
the younger brother claude is up on

1480
00:51:55,990 --> 00:51:55,599
another limb and he's watching his

1481
00:52:02,549 --> 00:51:56,000
brother

1482
00:52:03,270 --> 00:52:02,559
into another tree and completely freaks

1483
00:52:06,950 --> 00:52:03,280
out

1484
00:52:09,829 --> 00:52:06,960
now what he sees

1485
00:52:11,430 --> 00:52:09,839
and how he sees it and and how

1486
00:52:12,790 --> 00:52:11,440
everything else transpires from there

1487
00:52:14,549 --> 00:52:12,800
the story is coming from the older

1488
00:52:15,190 --> 00:52:14,559

brothers so he tells me he says hey man

1489

00:52:18,470 --> 00:52:15,200

you know

1490

00:52:19,349 --> 00:52:18,480

i'm looking at claude and claude is his

1491

00:52:22,630 --> 00:52:19,359

eyes are

1492

00:52:23,510 --> 00:52:22,640

are wide open his face is red he's

1493

00:52:25,829 --> 00:52:23,520

sweating

1494

00:52:26,950 --> 00:52:25,839

and he's kind of he's he's not breathing

1495

00:52:28,790 --> 00:52:26,960

hard but

1496

00:52:30,710 --> 00:52:28,800

the heart's beating fast his chest is

1497

00:52:32,230 --> 00:52:30,720

moving fast he said i'm like man what

1498

00:52:33,589 --> 00:52:32,240

the hell is wrong with you

1499

00:52:35,430 --> 00:52:33,599

and he says his brother just points at

1500

00:52:36,309 --> 00:52:35,440

the tree and when he looks over there's

1501
00:52:38,870 --> 00:52:36,319
this creature

1502
00:52:39,670 --> 00:52:38,880
in the tree 10 to 15 feet higher than

1503
00:52:41,829 --> 00:52:39,680
them

1504
00:52:43,270 --> 00:52:41,839
on a limb and he said that it was

1505
00:52:45,829 --> 00:52:43,280
squatted down

1506
00:52:46,710 --> 00:52:45,839
with its feet like you imagine squatting

1507
00:52:47,990 --> 00:52:46,720
down on the ground

1508
00:52:50,069 --> 00:52:48,000
like you would just squat where you're

1509
00:52:50,710 --> 00:52:50,079
on the balls of your feet said squat it

1510
00:52:53,270 --> 00:52:50,720
down on a

1511
00:52:54,790 --> 00:52:53,280
pretty sizable tree limb but close to

1512
00:52:57,430 --> 00:52:54,800
the trunk of the tree

1513
00:52:59,030 --> 00:52:57,440

one hand on its knee the other hand or

1514

00:53:00,470 --> 00:52:59,040

the other claw whatever

1515

00:53:02,069 --> 00:53:00,480

how he described it's other claw he said

1516

00:53:02,870 --> 00:53:02,079

well the other whatever it is is his

1517

00:53:04,630 --> 00:53:02,880

exact words

1518

00:53:06,470 --> 00:53:04,640

he said one hand on his knee or whatever

1519

00:53:07,910 --> 00:53:06,480

it was the other thing was

1520

00:53:09,349 --> 00:53:07,920

holding on to the tree and it's just

1521

00:53:11,030 --> 00:53:09,359

standing there looking at us i mean

1522

00:53:13,670 --> 00:53:11,040

squatted down looking at it

1523

00:53:16,549 --> 00:53:13,680

and i said okay what goes through your

1524

00:53:18,150 --> 00:53:16,559

mind when something like this happens

1525

00:53:19,990 --> 00:53:18,160

he's like man i didn't know what to

1526
00:53:21,589 --> 00:53:20,000
think he said i'm thinking that maybe

1527
00:53:23,589 --> 00:53:21,599
it's a movie problem

1528
00:53:25,109 --> 00:53:23,599
joke i'm thinking you know i can't be

1529
00:53:26,829 --> 00:53:25,119
seeing this

1530
00:53:29,589 --> 00:53:26,839
and i said what did your brother call it

1531
00:53:31,829 --> 00:53:29,599
say he said claude was like man i don't

1532
00:53:34,710 --> 00:53:31,839
know what that is but we need to go

1533
00:53:36,150 --> 00:53:34,720
so they're watching this creature look

1534
00:53:38,150 --> 00:53:36,160
at them they're looking at it

1535
00:53:39,349 --> 00:53:38,160
it starts to look at them look at their

1536
00:53:40,950 --> 00:53:39,359
look at them look at the deal look at

1537
00:53:43,430 --> 00:53:40,960
them look at the deer right

1538
00:53:44,549 --> 00:53:43,440

and i'm like what do you think that

1539

00:53:46,790 --> 00:53:44,559

means

1540

00:53:49,190 --> 00:53:46,800

he says well i think it was telling us

1541

00:53:51,750 --> 00:53:49,200

that that was his dear

1542

00:53:52,870 --> 00:53:51,760

so i hit him with this question because

1543

00:53:54,710 --> 00:53:52,880

this is how i could tell

1544

00:53:56,549 --> 00:53:54,720

you know because there's these crazy dog

1545

00:53:58,230 --> 00:53:56,559

man people right who think that dog man

1546

00:53:59,430 --> 00:53:58,240

can communicate telepathically with them

1547

00:54:01,750 --> 00:53:59,440

so i said well

1548

00:54:03,589 --> 00:54:01,760

you know dog man is known to communicate

1549

00:54:04,309 --> 00:54:03,599

telepathically with people and send them

1550

00:54:05,829 --> 00:54:04,319

messages

1551
00:54:07,430 --> 00:54:05,839
did it talk to you in your head and

1552
00:54:08,950 --> 00:54:07,440
maybe i said it like a smart

1553
00:54:09,920 --> 00:54:08,960
you know i forgot i can't curse like a

1554
00:54:11,670 --> 00:54:09,930
smart behind but

1555
00:54:13,430 --> 00:54:11,680
[Laughter]

1556
00:54:14,790 --> 00:54:13,440
but i just wanted to see if these guys

1557
00:54:16,950 --> 00:54:14,800
were crazy

1558
00:54:19,270 --> 00:54:16,960
and he completely slips out and he

1559
00:54:21,270 --> 00:54:19,280
curses he says no man are you crazy

1560
00:54:23,190 --> 00:54:21,280
it's looking at me and it's looking at

1561
00:54:24,630 --> 00:54:23,200
the deer it's looking at us and it's

1562
00:54:27,910 --> 00:54:24,640
looking at the deer it's looking

1563
00:54:30,470 --> 00:54:27,920

like that's my food that belongs to me

1564

00:54:32,230 --> 00:54:30,480

leave it alone and i'm like why would it

1565

00:54:34,230 --> 00:54:32,240

wedge it up in the tree i mean

1566

00:54:35,270 --> 00:54:34,240

that left it right there where it was

1567

00:54:36,549 --> 00:54:35,280

and just did that

1568

00:54:37,910 --> 00:54:36,559

he was like i don't know what it looked

1569

00:54:39,349 --> 00:54:37,920

like i could read the creature's mind

1570

00:54:42,069 --> 00:54:39,359

all i'm telling you is what happened

1571

00:54:43,670 --> 00:54:42,079

so he really bucks and i gets this you

1572

00:54:45,670 --> 00:54:43,680

know he gets an attitude about it

1573

00:54:47,430 --> 00:54:45,680

which is fine because it just depends on

1574

00:54:48,630 --> 00:54:47,440

that person's personality that you're

1575

00:54:51,270 --> 00:54:48,640

talking to

1576
00:54:52,950 --> 00:54:51,280
if they're an alpha male personality

1577
00:54:54,710 --> 00:54:52,960
that's how they tend to react if they're

1578
00:54:56,789 --> 00:54:54,720
beta male personality they tend to kind

1579
00:54:58,150 --> 00:54:56,799
of go back into their little cage and

1580
00:55:00,230 --> 00:54:58,160
hide in the corner because they feel

1581
00:55:01,589 --> 00:55:00,240
like you're attacked so he kind of

1582
00:55:03,349 --> 00:55:01,599
lashed out and i said okay well

1583
00:55:04,950 --> 00:55:03,359
you know based on everything he told me

1584
00:55:07,030 --> 00:55:04,960
this is consistent with the personality

1585
00:55:09,589 --> 00:55:07,040
type that i know i'm dealing with

1586
00:55:10,950 --> 00:55:09,599
so i said well what happens next he said

1587
00:55:11,349 --> 00:55:10,960
man this thing jumped down out of the

1588
00:55:13,109 --> 00:55:11,359

tree

1589

00:55:15,030 --> 00:55:13,119

i said so i'm testing him again i said

1590

00:55:15,910 --> 00:55:15,040

so it's 20 feet now and he's like no i

1591

00:55:18,069 --> 00:55:15,920

told you man

1592

00:55:20,950 --> 00:55:18,079

it's 10 to 15 feet above us he said it's

1593

00:55:22,470 --> 00:55:20,960

like 35 36 feet in the air i said well

1594

00:55:23,030 --> 00:55:22,480

it jumps down he's like yeah i said well

1595

00:55:25,750 --> 00:55:23,040

how do i

1596

00:55:27,589 --> 00:55:25,760

how was the most he says man this thing

1597

00:55:29,910 --> 00:55:27,599

kind of leaned forward

1598

00:55:31,430 --> 00:55:29,920

and jumped out the tree and he said when

1599

00:55:33,109 --> 00:55:31,440

it landed to the ground it hit the

1600

00:55:35,030 --> 00:55:33,119

ground he said it sounded like 15 16

1601
00:55:37,030 --> 00:55:35,040
bowling balls hitting the ground at once

1602
00:55:38,870 --> 00:55:37,040
he said it landed with one knee down one

1603
00:55:40,390 --> 00:55:38,880
hand down and it stood up

1604
00:55:41,910 --> 00:55:40,400
and i was like like superman he's like

1605
00:55:43,190 --> 00:55:41,920
you know how superman does in the movies

1606
00:55:44,710 --> 00:55:43,200
where he lands on the ground

1607
00:55:47,109 --> 00:55:44,720
with his fists in the ground like yeah

1608
00:55:48,549 --> 00:55:47,119
that's how it landed but it's fan flat

1609
00:55:50,390 --> 00:55:48,559
on the ground and then it stood up and

1610
00:55:53,430 --> 00:55:50,400
it looked up at us in the tree

1611
00:55:54,549 --> 00:55:53,440
i'm like so what are you guys doing and

1612
00:55:55,990 --> 00:55:54,559
i keep in mind this is a part of the

1613
00:55:57,510 --> 00:55:56,000

story i left out

1614

00:55:59,190 --> 00:55:57,520

because i that's just a part of

1615

00:56:00,950 --> 00:55:59,200

storytelling before they climbed up the

1616

00:56:02,230 --> 00:56:00,960

tree these two clowns left their rifles

1617

00:56:03,670 --> 00:56:02,240

on the ground

1618

00:56:05,349 --> 00:56:03,680

from wife was leaning up against the

1619

00:56:07,910 --> 00:56:05,359

truck

1620

00:56:09,349 --> 00:56:07,920

they did and and that was what my

1621

00:56:10,789 --> 00:56:09,359

thought process was you know why would

1622

00:56:12,630 --> 00:56:10,799

you do something like but at the same

1623

00:56:14,870 --> 00:56:12,640

time

1624

00:56:16,150 --> 00:56:14,880

i don't know i'm not in a situation so

1625

00:56:18,390 --> 00:56:16,160

anyway the young

1626
00:56:20,470 --> 00:56:18,400
the brother claudé is like hey i'm

1627
00:56:22,309 --> 00:56:20,480
getting down out of this tree

1628
00:56:23,589 --> 00:56:22,319
the dog man is looking at them looking

1629
00:56:24,950 --> 00:56:23,599
at the deal looking them at them looking

1630
00:56:25,750 --> 00:56:24,960
at this he cursed and said hey you can

1631
00:56:27,349 --> 00:56:25,760
have this m

1632
00:56:29,670 --> 00:56:27,359
f and deer if you want it we're about to

1633
00:56:29,990 --> 00:56:29,680
go he starts climbing down a tree picks

1634
00:56:31,829 --> 00:56:30,000
up his

1635
00:56:33,430 --> 00:56:31,839
rifle the other brother looks down and

1636
00:56:34,950 --> 00:56:33,440
sees his brother with the rifle and he's

1637
00:56:35,750 --> 00:56:34,960
thinking okay we're going to shoot this

1638
00:56:38,870 --> 00:56:35,760

thing

1639

00:56:39,190 --> 00:56:38,880

he gets down grabs his gun goes to point

1640

00:56:40,630 --> 00:56:39,200

it

1641

00:56:42,390 --> 00:56:40,640

his brother says no man don't shoot this

1642

00:56:43,750 --> 00:56:42,400

thing there's nothing we can do

1643

00:56:45,510 --> 00:56:43,760

they both put their rifles on i said

1644

00:56:47,750 --> 00:56:45,520

well you know most people in these

1645

00:56:48,950 --> 00:56:47,760

under these circumstances they feel like

1646

00:56:50,309 --> 00:56:48,960

the only thing they can do to protect

1647

00:56:51,270 --> 00:56:50,319

themselves when they have a gun is take

1648

00:56:53,030 --> 00:56:51,280

a shot

1649

00:56:54,549 --> 00:56:53,040

he says man i can tell you right now

1650

00:56:56,950 --> 00:56:54,559

shooting at this thing

1651
00:56:58,470 --> 00:56:56,960
would have done absolutely nothing yeah

1652
00:56:59,990 --> 00:56:58,480
they would have done absolutely nothing

1653
00:57:01,670 --> 00:57:00,000
he said it was done nothing but pissed

1654
00:57:03,829 --> 00:57:01,680
it off so you know what we did

1655
00:57:04,870 --> 00:57:03,839
we backed on out of there and we slowly

1656
00:57:06,390 --> 00:57:04,880
got away

1657
00:57:07,910 --> 00:57:06,400
so these two guys and i'm not going to

1658
00:57:09,109 --> 00:57:07,920
call them clowns because these nice

1659
00:57:12,069 --> 00:57:09,119
gentlemen but

1660
00:57:12,789 --> 00:57:12,079
in the sense of their what they did was

1661
00:57:14,309 --> 00:57:12,799
foolish so

1662
00:57:15,990 --> 00:57:14,319
in that sense guys you if you're

1663
00:57:18,549 --> 00:57:16,000

listening you were being clowns because

1664

00:57:20,230 --> 00:57:18,559

you should have never done this

1665

00:57:21,750 --> 00:57:20,240

these two crowds leave they stay away

1666

00:57:23,750 --> 00:57:21,760

for a little while

1667

00:57:27,030 --> 00:57:23,760

deciding i'll go back to that very same

1668

00:57:29,270 --> 00:57:27,040

area to go hunting again

1669

00:57:30,789 --> 00:57:29,280

this time they set up tree stands but

1670

00:57:32,390 --> 00:57:30,799

they set the tree stands up

1671

00:57:33,829 --> 00:57:32,400

to where they're an eye shot of each

1672

00:57:35,510 --> 00:57:33,839

other where they can see each other

1673

00:57:37,190 --> 00:57:35,520

another deer runs out they shoot the

1674

00:57:39,510 --> 00:57:37,200

deer deer runs off

1675

00:57:41,430 --> 00:57:39,520

as it runs off like it normally does

1676
00:57:42,950 --> 00:57:41,440
they start hearing this growling sound

1677
00:57:44,549 --> 00:57:42,960
coming from the tree line that's a

1678
00:57:47,030 --> 00:57:44,559
little bit further away

1679
00:57:49,190 --> 00:57:47,040
they look at each other hop down run

1680
00:57:51,990 --> 00:57:49,200
back to the truck get in and leave

1681
00:57:54,069 --> 00:57:52,000
they get back home and they talk their

1682
00:57:55,430 --> 00:57:54,079
friends into going back with them to get

1683
00:57:56,870 --> 00:57:55,440
their tree stands

1684
00:57:58,470 --> 00:57:56,880
and i was like you know i was like dude

1685
00:58:00,549 --> 00:57:58,480
how much does a tree stand cost that you

1686
00:58:01,829 --> 00:58:00,559
need to go back in that situation

1687
00:58:03,430 --> 00:58:01,839
i know that these things were that

1688
00:58:04,630 --> 00:58:03,440

expensive because i don't hunt i mean

1689

00:58:06,309 --> 00:58:04,640

these 250

1690

00:58:08,390 --> 00:58:06,319

dollar tree stands we're gonna go i mean

1691

00:58:09,349 --> 00:58:08,400

street thing in tree stands it's the

1692

00:58:11,270 --> 00:58:09,359

kind that you

1693

00:58:13,349 --> 00:58:11,280

you hook up onto the trunk of a tree and

1694

00:58:13,910 --> 00:58:13,359

you sit on it like again i don't hunt

1695

00:58:15,430 --> 00:58:13,920

but

1696

00:58:17,030 --> 00:58:15,440

you know they they wrap around and treat

1697

00:58:18,630 --> 00:58:17,040

some kind of when they sit on them so

1698

00:58:20,549 --> 00:58:18,640

right it's like these are real expensive

1699

00:58:22,150 --> 00:58:20,559

we wanted them back so they get

1700

00:58:24,150 --> 00:58:22,160

themselves and three other friends to go

1701

00:58:25,190 --> 00:58:24,160

back so now it's five of them they go

1702

00:58:28,309 --> 00:58:25,200

out there these things

1703

00:58:31,510 --> 00:58:28,319

are not torn the stress but they're bent

1704

00:58:34,069 --> 00:58:31,520

up twisted turned around on a tree

1705

00:58:34,710 --> 00:58:34,079

the the tree that the oldest brother was

1706

00:58:37,910 --> 00:58:34,720

in

1707

00:58:39,430 --> 00:58:37,920

the tree

1708

00:58:41,270 --> 00:58:39,440

so now their friends are out there

1709

00:58:43,109 --> 00:58:41,280

friends are like man well you know

1710

00:58:45,190 --> 00:58:43,119

what exactly was out here when you guys

1711

00:58:47,109 --> 00:58:45,200

were here because ain't no deer doing

1712

00:58:49,349 --> 00:58:47,119

this

1713

00:58:50,390 --> 00:58:49,359

they leave haven't gone back not going

1714

00:58:52,069 --> 00:58:50,400

back anymore

1715

00:58:53,670 --> 00:58:52,079

in fact they decide to start hunting in

1716

00:58:55,109 --> 00:58:53,680

a whole nother state that's how serious

1717

00:58:55,829 --> 00:58:55,119

they are about not encountering anything

1718

00:58:57,670 --> 00:58:55,839

again

1719

00:58:59,349 --> 00:58:57,680

and that's one of the latest dog man and

1720

00:59:02,390 --> 00:58:59,359

comments that i have

1721

00:59:03,910 --> 00:59:02,400

i think that they're telling the truth

1722

00:59:05,670 --> 00:59:03,920

i don't think that they're exaggerating

1723

00:59:08,390 --> 00:59:05,680

at all um

1724

00:59:10,230 --> 00:59:08,400

i talked to them a number of times and i

1725

00:59:13,349 --> 00:59:10,240

just don't feel like they're lying to me

1726

00:59:15,829 --> 00:59:13,359

i feel like i feel like some people

1727

00:59:18,630 --> 00:59:15,839

can't not feel i know that some people

1728

00:59:21,589 --> 00:59:18,640

just can't wrap their minds around

1729

00:59:22,470 --> 00:59:21,599

um the concept of dog man being there

1730

00:59:27,270 --> 00:59:22,480

yeah

1731

00:59:28,710 --> 00:59:27,280

and then also some people's ego

1732

00:59:30,710 --> 00:59:28,720

and this is something that i think this

1733

00:59:33,270 --> 00:59:30,720

is something that's common to

1734

00:59:35,430 --> 00:59:33,280

the the natures outdoors men because

1735

00:59:37,829 --> 00:59:35,440

these outdoorsmen i talked to

1736

00:59:39,349 --> 00:59:37,839

it's this bravado like nothing's gonna

1737

00:59:41,750 --> 00:59:39,359

run me out of my area

1738

00:59:43,349 --> 00:59:41,760

and that's something i understand but

1739

00:59:44,950 --> 00:59:43,359

that was the one thing that

1740

00:59:46,470 --> 00:59:44,960

with these two guys that they had this

1741

00:59:47,829 --> 00:59:46,480

bravado like man this thing is not gonna

1742

00:59:50,309 --> 00:59:47,839

run us to our area

1743

00:59:50,950 --> 00:59:50,319

you know we had this encounter and we're

1744

00:59:53,750 --> 00:59:50,960

gonna go

1745

00:59:55,349 --> 00:59:53,760

it was kind of like they had to it was

1746

00:59:56,309 --> 00:59:55,359

like they were lying to themselves like

1747

00:59:58,390 --> 00:59:56,319

they weren't afraid

1748

01:00:00,230 --> 00:59:58,400

but they were but they had i guess it

1749

01:00:02,390 --> 01:00:00,240

was like you scared me but i got to go

1750

01:00:03,910 --> 01:00:02,400

back for my own sake

1751

01:00:05,750 --> 01:00:03,920

i don't know it's freaky it's kind of

1752

01:00:06,950 --> 01:00:05,760

like if i guess if you let something run

1753

01:00:07,990 --> 01:00:06,960

you out of the woods you never go in the

1754

01:00:10,390 --> 01:00:08,000

woods again

1755

01:00:11,270 --> 01:00:10,400

and that was their that was their thing

1756

01:00:14,549 --> 01:00:11,280

so

1757

01:00:16,789 --> 01:00:14,559

well you know we we've received a lot of

1758

01:00:17,750 --> 01:00:16,799

these upright canine dog man reports

1759

01:00:19,270 --> 01:00:17,760

where

1760

01:00:21,190 --> 01:00:19,280

the people have had guns with them

1761

01:00:23,750 --> 01:00:21,200

they're hunters and

1762

01:00:25,750 --> 01:00:23,760

none of them take a shot at it because i

1763

01:00:29,190 --> 01:00:25,760

don't know if it's a fright thing

1764

01:00:31,190 --> 01:00:29,200

or they just think that like you said

1765

01:00:32,710 --> 01:00:31,200

the shot's not gonna help that much

1766

01:00:34,549 --> 01:00:32,720

this thing coming after it's coming

1767

01:00:36,710 --> 01:00:34,559

after you know what i mean

1768

01:00:39,589 --> 01:00:36,720

so uh it does happen i mean the

1769

01:00:42,309 --> 01:00:39,599

reactions we have had from people

1770

01:00:44,069 --> 01:00:42,319

are are pretty interesting i mean you

1771

01:00:47,349 --> 01:00:44,079

know

1772

01:00:50,470 --> 01:00:47,359

uh message

1773

01:00:53,589 --> 01:00:50,480

me messaged us

1774

01:00:55,270 --> 01:00:53,599

on um on skype and said we need to talk

1775

01:00:58,710 --> 01:00:55,280

to you or ask you about

1776

01:01:00,150 --> 01:00:58,720

your vampire stories

1777

01:01:01,670 --> 01:01:00,160

yeah i'd be more than happy to tell you

1778

01:01:03,109 --> 01:01:01,680

i'm not telling those vampire stories

1779

01:01:06,870 --> 01:01:03,119

and i'll tell you why

1780

01:01:09,030 --> 01:01:06,880

um because over the past

1781

01:01:10,069 --> 01:01:09,040

over the past 12 months people have

1782

01:01:11,829 --> 01:01:10,079

consistently

1783

01:01:14,630 --> 01:01:11,839

tried to get me to tell these vampire

1784

01:01:17,750 --> 01:01:14,640

stories that

1785

01:01:18,870 --> 01:01:17,760

um that i stumbled upon

1786

01:01:21,910 --> 01:01:18,880

and i don't know if you guys remember

1787

01:01:23,670 --> 01:01:21,920

way back when i first started my channel

1788

01:01:25,109 --> 01:01:23,680

and i talked too much then because at

1789

01:01:27,190 --> 01:01:25,119

that point in time i just wasn't

1790

01:01:29,270 --> 01:01:27,200

completely convinced of everything i

1791

01:01:31,109 --> 01:01:29,280

knew some of the stuff was 100 real

1792

01:01:33,190 --> 01:01:31,119

i knew some of the stuff was like 80

1793

01:01:35,510 --> 01:01:33,200

real but when it came to the vampire

1794

01:01:37,670 --> 01:01:35,520

thing there was nothing you can tell me

1795

01:01:38,870 --> 01:01:37,680

to convince me that there were people

1796

01:01:40,950 --> 01:01:38,880

who were actual

1797

01:01:42,230 --> 01:01:40,960

vampires and i'm not talking about the

1798

01:01:44,710 --> 01:01:42,240

blood sucking

1799

01:01:45,910 --> 01:01:44,720

vampires the i forgot what they called

1800

01:01:48,390 --> 01:01:45,920

gin swines or

1801
01:01:50,230 --> 01:01:48,400
young swings or whatever the name is but

1802
01:01:51,750 --> 01:01:50,240
there was nothing you can convince me

1803
01:01:53,589 --> 01:01:51,760
that to tell me to convince me that

1804
01:01:57,270 --> 01:01:53,599
there were people who were actual

1805
01:01:59,029 --> 01:01:57,280
vampires until i ran into the

1806
01:02:01,029 --> 01:01:59,039
police officers here in new orleans that

1807
01:02:02,069 --> 01:02:01,039
were working this kind of paranormal

1808
01:02:04,470 --> 01:02:02,079
duty

1809
01:02:06,069 --> 01:02:04,480
and i went on coast to coast and i told

1810
01:02:08,150 --> 01:02:06,079
a couple of those stories about

1811
01:02:09,829 --> 01:02:08,160
their encounters on coast to coast and

1812
01:02:11,190 --> 01:02:09,839
then i started getting a little flack

1813
01:02:13,990 --> 01:02:11,200

and it was a little slack it wasn't

1814

01:02:16,549 --> 01:02:14,000

nothing major um

1815

01:02:18,390 --> 01:02:16,559

then i went through this thing where

1816

01:02:19,270 --> 01:02:18,400

people wanted me to do a tv show called

1817

01:02:22,150 --> 01:02:19,280

dark nights

1818

01:02:23,829 --> 01:02:22,160

and on this tv show they wanted to do

1819

01:02:26,309 --> 01:02:23,839

this ride along with

1820

01:02:28,870 --> 01:02:26,319

the new orleans police department and go

1821

01:02:31,270 --> 01:02:28,880

on these paranormal

1822

01:02:32,230 --> 01:02:31,280

phone calls so we go through the process

1823

01:02:34,390 --> 01:02:32,240

of

1824

01:02:36,150 --> 01:02:34,400

talking to the chief who at that point

1825

01:02:37,349 --> 01:02:36,160

in time was the interim chief

1826

01:02:39,829 --> 01:02:37,359

getting clearance going through the

1827

01:02:42,549 --> 01:02:39,839

mayor's office blah blah blah blah

1828

01:02:43,990 --> 01:02:42,559

and two finale sitting down having lunch

1829

01:02:46,470 --> 01:02:44,000

and uh

1830

01:02:48,069 --> 01:02:46,480

chief says look i don't have a problem

1831

01:02:49,829 --> 01:02:48,079

with you guys doing the show i don't

1832

01:02:52,470 --> 01:02:49,839

have problems with doing anything at all

1833

01:02:53,670 --> 01:02:52,480

um i think it's good for the city new

1834

01:02:55,670 --> 01:02:53,680

orleans definitely has a lot of

1835

01:02:57,190 --> 01:02:55,680

paranormal stuff he's like but

1836

01:02:59,190 --> 01:02:57,200

to sit and wait on a call that's

1837

01:03:01,910 --> 01:02:59,200

paranormal they'd be waiting forever

1838

01:03:02,230 --> 01:03:01,920

he's like because um we do get them

1839

01:03:03,670 --> 01:03:02,240

where

1840

01:03:05,510 --> 01:03:03,680

strange things that happen in people's

1841

01:03:08,309 --> 01:03:05,520

houses but it's like

1842

01:03:09,109 --> 01:03:08,319

it's not like you know they call every

1843

01:03:11,270 --> 01:03:09,119

day

1844

01:03:12,630 --> 01:03:11,280

right so we go into this whole

1845

01:03:15,190 --> 01:03:12,640

conversation about the

1846

01:03:16,950 --> 01:03:15,200

the gentleman who ended up having kind

1847

01:03:18,549 --> 01:03:16,960

of that stigma of dealing with

1848

01:03:19,910 --> 01:03:18,559

paranormal stuff

1849

01:03:21,430 --> 01:03:19,920

and at this point in time he's interim

1850

01:03:22,870 --> 01:03:21,440

so he's new so he's like i don't know

1851

01:03:24,470 --> 01:03:22,880

much about that but

1852

01:03:27,190 --> 01:03:24,480

you can go ahead and talk to a couple of

1853

01:03:29,990 --> 01:03:27,200

the guys who've been on the force longer

1854

01:03:31,750 --> 01:03:30,000

talk to those guys we build a good

1855

01:03:33,750 --> 01:03:31,760

rapport

1856

01:03:35,430 --> 01:03:33,760

and they start telling me this vampire

1857

01:03:37,990 --> 01:03:35,440

story

1858

01:03:39,029 --> 01:03:38,000

they tell me i want to say 95 percent of

1859

01:03:40,630 --> 01:03:39,039

the story

1860

01:03:42,470 --> 01:03:40,640

and it's like well you know let's think

1861

01:03:43,109 --> 01:03:42,480

about this before you share any more of

1862

01:03:45,430 --> 01:03:43,119

it

1863

01:03:46,630 --> 01:03:45,440

a couple days later i get a phone call

1864

01:03:48,069 --> 01:03:46,640

says look man

1865

01:03:49,589 --> 01:03:48,079

don't share those vampire stories

1866

01:03:51,109 --> 01:03:49,599

anything else we've ever told you you

1867

01:03:51,990 --> 01:03:51,119

can tell but don't share the vampire

1868

01:03:54,870 --> 01:03:52,000

stories

1869

01:03:56,069 --> 01:03:54,880

i say well why he says well the vampires

1870

01:03:58,630 --> 01:03:56,079

aren't what you think they are

1871

01:04:00,069 --> 01:03:58,640

they aren't blood sucking people who

1872

01:04:01,029 --> 01:04:00,079

break in your house at night and stand

1873

01:04:03,109 --> 01:04:01,039

over your bed

1874

01:04:04,309 --> 01:04:03,119

he was like it's a psychic form of

1875

01:04:06,230 --> 01:04:04,319

vaporism

1876

01:04:07,990 --> 01:04:06,240

where they actually drain your blood

1877

01:04:09,029 --> 01:04:08,000

they drain your psychic energy and your

1878

01:04:10,549 --> 01:04:09,039

life force

1879

01:04:12,069 --> 01:04:10,559

and he was like and these people have

1880

01:04:13,829 --> 01:04:12,079

been here a very very long

1881

01:04:15,510 --> 01:04:13,839

time i'm like well how long are we

1882

01:04:16,150 --> 01:04:15,520

talking about he was like let me give

1883

01:04:19,190 --> 01:04:16,160

you a crash

1884

01:04:21,829 --> 01:04:19,200

course on on this and so he goes into

1885

01:04:23,430 --> 01:04:21,839

how our mardi gras clubs he named

1886

01:04:25,430 --> 01:04:23,440

four of the mardi gras clubs that are

1887

01:04:26,069 --> 01:04:25,440

here and he named a couple of people in

1888

01:04:28,789 --> 01:04:26,079

those clubs

1889

01:04:30,950 --> 01:04:28,799

that he knows for a fact are these

1890

01:04:32,710 --> 01:04:30,960

psychic vampires and he's like so

1891

01:04:34,870 --> 01:04:32,720

when you start talking about the most

1892

01:04:37,910 --> 01:04:34,880

powerful people in the city

1893

01:04:38,950 --> 01:04:37,920

people who are huge donors to political

1894

01:04:40,710 --> 01:04:38,960

campaigns

1895

01:04:43,270 --> 01:04:40,720

people behind the scenes that pull the

1896

01:04:44,789 --> 01:04:43,280

strings this is what they are

1897

01:04:45,990 --> 01:04:44,799

and he was like you don't want to be in

1898

01:04:47,349 --> 01:04:46,000

you don't want to tangle with those

1899

01:04:48,470 --> 01:04:47,359

people you don't want those kind of

1900

01:04:49,910 --> 01:04:48,480

problems

1901

01:04:52,069 --> 01:04:49,920

so i start using because i have

1902

01:04:53,430 --> 01:04:52,079

extensive network here in the city so i

1903

01:04:56,230 --> 01:04:53,440

started doing a little

1904

01:04:58,390 --> 01:04:56,240

digging called a couple friends of mine

1905

01:05:00,150 --> 01:04:58,400

who are judges and i start off trying to

1906

01:05:01,670 --> 01:05:00,160

find out who's giving money to who based

1907

01:05:02,470 --> 01:05:01,680

on those names turns out that those

1908

01:05:05,029 --> 01:05:02,480

names

1909

01:05:06,950 --> 01:05:05,039

actually had given like in the last

1910

01:05:09,510 --> 01:05:06,960

mayor's race i mean

1911

01:05:10,870 --> 01:05:09,520

extremely large sums of money and the

1912

01:05:12,230 --> 01:05:10,880

way political donations are done in

1913

01:05:13,829 --> 01:05:12,240

louisiana is

1914

01:05:15,430 --> 01:05:13,839

you can give twenty five hundred dollars

1915

01:05:16,870 --> 01:05:15,440

per person twenty five hundred dollars

1916

01:05:18,470 --> 01:05:16,880

per corporation so

1917

01:05:20,309 --> 01:05:18,480

you and your wife can get five thousand

1918

01:05:21,910 --> 01:05:20,319

dollars as a family if you got one

1919

01:05:23,190 --> 01:05:21,920

company you can give another twenty five

1920

01:05:24,230 --> 01:05:23,200

hundred dollars you got another company

1921

01:05:24,710 --> 01:05:24,240

you can give another twenty five hundred

1922

01:05:26,150 --> 01:05:24,720

dollars

1923

01:05:27,270 --> 01:05:26,160

but then you go and you start doing the

1924

01:05:29,270 --> 01:05:27,280

research and you find that these guys

1925

01:05:31,109 --> 01:05:29,280

have 50 60 companies set up

1926

01:05:32,870 --> 01:05:31,119

because each corporation is its own

1927

01:05:33,990 --> 01:05:32,880

private entity and all those

1928

01:05:36,950 --> 01:05:34,000

corporations

1929

01:05:37,750 --> 01:05:36,960

were giving donations so you're like

1930

01:05:40,549 --> 01:05:37,760

okay

1931

01:05:42,950 --> 01:05:40,559

this is you i know how power works in

1932

01:05:46,230 --> 01:05:42,960

the city i'm fine with that but

1933

01:05:48,309 --> 01:05:46,240

when you take that bit of truth and you

1934

01:05:50,630 --> 01:05:48,319

mix it in what i'm already being told by

1935

01:05:52,230 --> 01:05:50,640

the police officer and i'm like okay

1936

01:05:53,190 --> 01:05:52,240

this is something i really really don't

1937

01:05:54,470 --> 01:05:53,200

want to get into

1938

01:05:56,470 --> 01:05:54,480

and he's like man those people can make

1939

01:05:58,470 --> 01:05:56,480

your life a living hell

1940

01:06:00,549 --> 01:05:58,480

an absolute living hell they have access

1941

01:06:02,069 --> 01:06:00,559

to all intel all information

1942

01:06:03,990 --> 01:06:02,079

and they have power rising all the way

1943

01:06:06,470 --> 01:06:04,000

up to washington dc leave it alone and

1944

01:06:08,470 --> 01:06:06,480

so i left it alone you know because

1945

01:06:09,910 --> 01:06:08,480

unfortunately for people who are fans

1946

01:06:10,549 --> 01:06:09,920

and family members of the dark waters

1947

01:06:12,710 --> 01:06:10,559

channel

1948

01:06:13,670 --> 01:06:12,720

for them is just kind of telling a story

1949

01:06:16,150 --> 01:06:13,680

and it's

1950

01:06:17,910 --> 01:06:16,160

um it's entertainment but you know for

1951

01:06:19,109 --> 01:06:17,920

you guys you guys gotta investigate you

1952

01:06:20,870 --> 01:06:19,119

know that there's some stuff you guys

1953

01:06:22,630 --> 01:06:20,880

went out on investigations on

1954

01:06:23,829 --> 01:06:22,640

that although it's entertaining to tell

1955

01:06:25,029 --> 01:06:23,839

it wasn't entertaining when you

1956

01:06:29,190 --> 01:06:25,039

encountered it

1957

01:06:30,150 --> 01:06:29,200

so all right that's true you know

1958

01:06:32,309 --> 01:06:30,160

you know what i'm saying so it's

1959

01:06:33,990 --> 01:06:32,319

entertaining when it's all said and done

1960

01:06:35,829 --> 01:06:34,000

but man that's not entertaining when i'm

1961

01:06:38,150 --> 01:06:35,839

dealing with that so i don't

1962

01:06:40,230 --> 01:06:38,160

i don't tell those vampire stories i

1963

01:06:42,789 --> 01:06:40,240

started to tell one or two

1964

01:06:44,309 --> 01:06:42,799

and then you know the angel on my

1965

01:06:45,670 --> 01:06:44,319

shoulder slapped me across the head and

1966

01:06:46,309 --> 01:06:45,680

said are you crazy you're not telling

1967

01:06:48,549 --> 01:06:46,319

that story

1968

01:06:49,349 --> 01:06:48,559

you don't need those kind of problems so

1969

01:06:50,870 --> 01:06:49,359

no i'm not

1970

01:06:53,190 --> 01:06:50,880

sharing those vampire stories because

1971

01:06:56,230 --> 01:06:53,200

it's that's dangerous for my

1972

01:06:59,990 --> 01:06:56,240

well-being um

1973

01:07:04,069 --> 01:07:00,000

yeah i mean i can understand that i mean

1974

01:07:07,589 --> 01:07:04,079

i had run across a while back

1975

01:07:09,349 --> 01:07:07,599

a person who considered himself as a

1976

01:07:11,750 --> 01:07:09,359

psychic vampire

1977

01:07:13,430 --> 01:07:11,760

and like you i didn't really buy into

1978

01:07:17,270 --> 01:07:13,440

that crap

1979

01:07:19,349 --> 01:07:17,280

at first but uh

1980

01:07:20,549 --> 01:07:19,359

they kind of proved to me that it was

1981

01:07:24,150 --> 01:07:20,559

the real deal

1982

01:07:24,870 --> 01:07:24,160

and uh i didn't associate with them

1983

01:07:29,029 --> 01:07:24,880

anymore

1984

01:07:31,029 --> 01:07:29,039

it's scary because uh you know do you

1985

01:07:33,109 --> 01:07:31,039

i'm not even gonna ask you about i was

1986

01:07:35,190 --> 01:07:33,119

gonna say do you think these psychic

1987

01:07:38,710 --> 01:07:35,200

vampires for the most part

1988

01:07:42,390 --> 01:07:41,670

are they just regular people i have no

1989

01:07:46,309 --> 01:07:42,400

clue

1990

01:07:49,430 --> 01:07:46,319

what i will tell you is this and this

1991

01:07:51,270 --> 01:07:49,440

this is what i'll speculate on okay and

1992

01:07:53,990 --> 01:07:51,280

allow me to jump down the rabbit hole

1993

01:07:54,789 --> 01:07:54,000

for a second new orleans the city of new

1994

01:07:56,630 --> 01:07:54,799

orleans

1995

01:07:58,150 --> 01:07:56,640

has been run by powerful forces for a

1996

01:08:00,710 --> 01:07:58,160

very very long time

1997

01:08:03,109 --> 01:08:00,720

i have i'm 40 years old now i have

1998

01:08:04,789 --> 01:08:03,119

watched those forces move

1999

01:08:06,950 --> 01:08:04,799

around this city around hurricane

2000

01:08:08,630 --> 01:08:06,960

katrina i watch how the city change

2001

01:08:09,829 --> 01:08:08,640

i watch how the city evolved i watch

2002

01:08:11,190 --> 01:08:09,839

people get moved in and out of

2003

01:08:13,349 --> 01:08:11,200

neighborhoods

2004

01:08:14,309 --> 01:08:13,359

um prior to hurricane katrina i was in a

2005

01:08:17,189 --> 01:08:14,319

meeting

2006

01:08:18,229 --> 01:08:17,199

as a young developer where people in

2007

01:08:20,630 --> 01:08:18,239

this meeting

2008

01:08:22,229 --> 01:08:20,640

and this is how i know that you know

2009

01:08:24,870 --> 01:08:22,239

power is something that

2010

01:08:27,669 --> 01:08:24,880

that's long-standing in this meeting

2011

01:08:32,390 --> 01:08:27,679

they were sharing plans with me in

2012

01:08:35,030 --> 01:08:32,400

the year 2000 what in the world was that

2013

01:08:35,430 --> 01:08:35,040

oh okay that was a bird okay all right

2014

01:08:38,789 --> 01:08:35,440

so

2015

01:08:41,829 --> 01:08:38,799

in 2000 um they were sharing

2016

01:08:43,669 --> 01:08:41,839

they were sharing uh plans to literally

2017

01:08:45,749 --> 01:08:43,679

tear down the projects that were around

2018

01:08:48,229 --> 01:08:45,759

the french quarters and around the city

2019

01:08:49,030 --> 01:08:48,239

in order to build uh mixed-use housing

2020

01:08:51,590 --> 01:08:49,040

right

2021

01:08:53,669 --> 01:08:51,600

and in that meeting this was something

2022

01:08:55,669 --> 01:08:53,679

that these people have been planning

2023

01:08:56,789 --> 01:08:55,679

for 50 years and so i'm sitting in the

2024

01:08:57,829 --> 01:08:56,799

meeting and they're explaining to me

2025

01:09:00,470 --> 01:08:57,839

their plan

2026
01:09:02,309 --> 01:09:00,480
to to tear down these projects and build

2027
01:09:04,070 --> 01:09:02,319
those mixed-use housing and i'm like

2028
01:09:06,870 --> 01:09:04,080
you know you guys been playing this for

2029
01:09:09,030 --> 01:09:06,880
50 years and it's like well now the plan

2030
01:09:10,950 --> 01:09:09,040
is a lot older than that but you know

2031
01:09:12,470 --> 01:09:10,960
this is where the city's heading shown

2032
01:09:15,030 --> 01:09:12,480
up hurricane katrina hit

2033
01:09:16,390 --> 01:09:15,040
and that's where the city is now so from

2034
01:09:22,149 --> 01:09:16,400
that perspective

2035
01:09:23,990 --> 01:09:22,159
50-year 60-year hundred-year plans

2036
01:09:26,309 --> 01:09:24,000
those type of people exist who have

2037
01:09:28,149 --> 01:09:26,319
those long-term plans

2038
01:09:29,430 --> 01:09:28,159

if those type of and those are mortal

2039

01:09:31,669 --> 01:09:29,440

people right i'm assuming they're

2040

01:09:33,510 --> 01:09:31,679

mortals so if those people are here

2041

01:09:34,709 --> 01:09:33,520

and they have those kind of game plans

2042

01:09:37,189 --> 01:09:34,719

for their life

2043

01:09:37,990 --> 01:09:37,199

i can only imagine what a per what kind

2044

01:09:41,430 --> 01:09:38,000

of game pers

2045

01:09:42,390 --> 01:09:41,440

plan a person has that um that has life

2046

01:09:44,149 --> 01:09:42,400

extension

2047

01:09:45,829 --> 01:09:44,159

and then when you start talking about

2048

01:09:47,349 --> 01:09:45,839

the true powers that run the world and

2049

01:09:49,269 --> 01:09:47,359

you start talking about the ones who

2050

01:09:50,950 --> 01:09:49,279

actually will the influence across the

2051

01:09:52,470 --> 01:09:50,960

world and across the globe

2052

01:09:54,070 --> 01:09:52,480

it's long been said that those people

2053

01:09:55,830 --> 01:09:54,080

are evil and that they are forms of

2054

01:09:59,110 --> 01:09:55,840

psychic vampires so

2055

01:10:00,149 --> 01:09:59,120

when unfortunately when we start talking

2056

01:10:02,149 --> 01:10:00,159

about that topic

2057

01:10:04,149 --> 01:10:02,159

i think it gets a little bit too real i

2058

01:10:06,310 --> 01:10:04,159

mean i really think it does because

2059

01:10:08,310 --> 01:10:06,320

if you just imagine for a moment that

2060

01:10:09,830 --> 01:10:08,320

let's say someone was immortal and they

2061

01:10:13,030 --> 01:10:09,840

had been around for

2062

01:10:14,470 --> 01:10:13,040

let's give them 300 years right do you

2063

01:10:16,149 --> 01:10:14,480

know what you can accomplish in 300

2064

01:10:17,910 --> 01:10:16,159

years how much you can um wealth and

2065

01:10:19,430 --> 01:10:17,920

power you can imagine 300 years most

2066

01:10:20,149 --> 01:10:19,440

people can do it in a lifetime of 80

2067

01:10:21,750 --> 01:10:20,159

years

2068

01:10:23,270 --> 01:10:21,760

so that's just not something that you

2069

01:10:25,189 --> 01:10:23,280

want to tangle with

2070

01:10:27,189 --> 01:10:25,199

if it is true so why take the chance in

2071

01:10:30,709 --> 01:10:27,199

my opinion it makes no sense to even

2072

01:10:32,310 --> 01:10:30,719

risk it it's dumb i'm not trying to

2073

01:10:34,470 --> 01:10:32,320

hang out with those kind of people well

2074

01:10:36,229 --> 01:10:34,480

you know you've told me about

2075

01:10:38,709 --> 01:10:36,239

what you went through with katrina and

2076

01:10:41,910 --> 01:10:38,719

you know i've talked to a lot of people

2077

01:10:43,750 --> 01:10:41,920

since katrina and

2078

01:10:45,669 --> 01:10:43,760

people that have been in new orleans all

2079

01:10:48,790 --> 01:10:45,679

their life and have seen a lot of

2080

01:10:50,550 --> 01:10:48,800

weird stuff but they tell me and i don't

2081

01:10:51,750 --> 01:10:50,560

know how true this is and that's why i'm

2082

01:10:55,430 --> 01:10:51,760

asking you

2083

01:11:00,709 --> 01:10:55,440

it just seems like the activity

2084

01:11:05,910 --> 01:11:03,750

yeah it did it um

2085

01:11:07,510 --> 01:11:05,920

it it the city became electric after

2086

01:11:11,030 --> 01:11:07,520

katrina

2087

01:11:12,070 --> 01:11:11,040

if it just depends on what the person

2088

01:11:15,350 --> 01:11:12,080

encountered and

2089

01:11:16,550 --> 01:11:15,360

their encounters depend on let me give

2090

01:11:17,669 --> 01:11:16,560

my thoughts together and make sure i say

2091

01:11:19,910 --> 01:11:17,679

this correctly

2092

01:11:20,950 --> 01:11:19,920

what people encountered depended on how

2093

01:11:22,390 --> 01:11:20,960

soon

2094

01:11:24,870 --> 01:11:22,400

they came back to the city of new

2095

01:11:26,149 --> 01:11:24,880

orleans so hurricane katrina hits you

2096

01:11:27,910 --> 01:11:26,159

see all the stuff on the news where they

2097

01:11:29,830 --> 01:11:27,920

got the people that's in the

2098

01:11:31,430 --> 01:11:29,840

superdome inside the superdome they're

2099

01:11:32,870 --> 01:11:31,440

raping robbing killing doing all kind of

2100

01:11:33,590 --> 01:11:32,880

crazy foolishness people are starving to

2101
01:11:35,110 --> 01:11:33,600
death

2102
01:11:37,830 --> 01:11:35,120
all kinds of crazy stuff is going on

2103
01:11:40,470 --> 01:11:37,840
right eventually the city gets evacuated

2104
01:11:42,790 --> 01:11:40,480
and so you cannot come back into the

2105
01:11:45,590 --> 01:11:42,800
city until the water recedes right

2106
01:11:47,910 --> 01:11:45,600
well if you're in certain business lines

2107
01:11:51,030 --> 01:11:47,920
of business you could return to the city

2108
01:11:52,470 --> 01:11:51,040
i.e insurance adjusters um military

2109
01:11:54,709 --> 01:11:52,480
contractors

2110
01:11:55,669 --> 01:11:54,719
people of that nature and they were also

2111
01:11:58,390 --> 01:11:55,679
they were doing

2112
01:12:00,229 --> 01:11:58,400
door-to-door checking houses looking for

2113
01:12:01,510 --> 01:12:00,239

dead bodies looking for survivors

2114

01:12:04,550 --> 01:12:01,520

all the rest of stuff that went on for a

2115

01:12:05,990 --> 01:12:04,560

very long time the people who were here

2116

01:12:08,149 --> 01:12:06,000

afterwards right after the waters

2117

01:12:10,630 --> 01:12:08,159

receded were the people who saw

2118

01:12:12,390 --> 01:12:10,640

the absolute craziest stuff now there

2119

01:12:14,550 --> 01:12:12,400

were people who saw crazy stuff

2120

01:12:15,510 --> 01:12:14,560

while they were on the roofs but the

2121

01:12:18,149 --> 01:12:15,520

people who were here

2122

01:12:20,390 --> 01:12:18,159

after the waters rescinded and went down

2123

01:12:21,590 --> 01:12:20,400

they saw some of the craziest crap that

2124

01:12:25,669 --> 01:12:21,600

i've ever heard

2125

01:12:27,750 --> 01:12:25,679

and i literally have probably 50 stories

2126
01:12:29,590 --> 01:12:27,760
of things that happen here in the city

2127
01:12:31,669 --> 01:12:29,600
after hurricane katrina from military

2128
01:12:33,830 --> 01:12:31,679
contractors killing people to the

2129
01:12:35,430 --> 01:12:33,840
military itself the national guard

2130
01:12:38,310 --> 01:12:35,440
shooting people to

2131
01:12:40,470 --> 01:12:38,320
people seeing um children of ghost

2132
01:12:42,470 --> 01:12:40,480
children walking out of houses

2133
01:12:44,310 --> 01:12:42,480
the military contractors black water in

2134
01:12:45,830 --> 01:12:44,320
particular going into rules cutting in

2135
01:12:49,110 --> 01:12:45,840
the roofs and finding

2136
01:12:51,030 --> 01:12:49,120
you know mothers and sons

2137
01:12:52,550 --> 01:12:51,040
dead bodies huddled together where they

2138
01:12:54,950 --> 01:12:52,560

died

2139

01:12:56,709 --> 01:12:54,960

in the in the attic of the house all

2140

01:12:58,229 --> 01:12:56,719

kinds of crazy stuff happen here at the

2141

01:13:01,830 --> 01:12:58,239

katrina

2142

01:13:06,950 --> 01:13:05,030

that that paranormal activity it

2143

01:13:09,030 --> 01:13:06,960

heightened then

2144

01:13:10,870 --> 01:13:09,040

and i will never i'll never see that it

2145

01:13:12,630 --> 01:13:10,880

goes it's gone away

2146

01:13:14,470 --> 01:13:12,640

but the more and more people find out

2147

01:13:15,910 --> 01:13:14,480

about dark waters and that dark waters

2148

01:13:19,189 --> 01:13:15,920

are from new orleans

2149

01:13:19,830 --> 01:13:19,199

i start to get more stories but there

2150

01:13:22,070 --> 01:13:19,840

are

2151
01:13:24,630 --> 01:13:22,080
they're not based in events that happen

2152
01:13:28,950 --> 01:13:24,640
now they're basing events that happened

2153
01:13:30,790 --> 01:13:28,960
um between 2005 and 2009

2154
01:13:32,790 --> 01:13:30,800
and then i get some stories of things

2155
01:13:37,270 --> 01:13:32,800
that happened 2004

2156
01:13:39,669 --> 01:13:37,280
2003 but it seems like right around 2009

2157
01:13:41,510 --> 01:13:39,679
a lot of those stories stopped coming in

2158
01:13:42,870 --> 01:13:41,520
and i get occasionally i get a story

2159
01:13:44,550 --> 01:13:42,880
where someone is like you know

2160
01:13:45,750 --> 01:13:44,560
i was driving in the car come leaving

2161
01:13:47,590 --> 01:13:45,760
for the french quarters and i saw

2162
01:13:50,550 --> 01:13:47,600
something weird on the side of the road

2163
01:13:51,830 --> 01:13:50,560

blah blah blah blah blah but i like

2164

01:13:52,790 --> 01:13:51,840

some of those i throw away because if

2165

01:13:54,070 --> 01:13:52,800

you're leaving for the french quarter

2166

01:13:55,189 --> 01:13:54,080

nine times out of ten you're drunk if

2167

01:13:55,669 --> 01:13:55,199

you're leaving now the french quarters

2168

01:13:57,669 --> 01:13:55,679

that

2169

01:13:59,590 --> 01:13:57,679

you know twelve o'clock at night you're

2170

01:14:00,950 --> 01:13:59,600

not sober even if you work in the french

2171

01:14:02,310 --> 01:14:00,960

quarters you're still drunk because

2172

01:14:04,149 --> 01:14:02,320

that's what you do down there you drink

2173

01:14:07,669 --> 01:14:04,159

while you're on your job so

2174

01:14:09,590 --> 01:14:07,679

um i would give the i would give it 2009

2175

01:14:10,390 --> 01:14:09,600

is when i think things kind of died down

2176

01:14:11,669 --> 01:14:10,400

a bit

2177

01:14:13,350 --> 01:14:11,679

but overall it's still the most

2178

01:14:14,630 --> 01:14:13,360

paranormal active city in the whole

2179

01:14:17,510 --> 01:14:14,640

entire world

2180

01:14:20,709 --> 01:14:17,520

and the the beauty of this is the beauty

2181

01:14:23,669 --> 01:14:22,070

if you understand people when you

2182

01:14:25,030 --> 01:14:23,679

understand new orleanian people or

2183

01:14:26,550 --> 01:14:25,040

people from new orleans

2184

01:14:28,870 --> 01:14:26,560

you understand how to talk to them and

2185

01:14:30,870 --> 01:14:28,880

you understand that

2186

01:14:32,229 --> 01:14:30,880

it becomes a part of a normal

2187

01:14:34,790 --> 01:14:32,239

conversation

2188

01:14:36,229 --> 01:14:34,800

so you know most in most cases when you

2189

01:14:37,430 --> 01:14:36,239

talk to somebody about paranormal you go

2190

01:14:38,709 --> 01:14:37,440

up to say well have you

2191

01:14:39,990 --> 01:14:38,719

have you ever had any paranormal

2192

01:14:40,630 --> 01:14:40,000

experiences they look at you like you're

2193

01:14:42,229 --> 01:14:40,640

crazy

2194

01:14:43,590 --> 01:14:42,239

well if you had a crawfish ball down

2195

01:14:45,030 --> 01:14:43,600

here and you're drinking some beer

2196

01:14:45,990 --> 01:14:45,040

eating some crawfish and you're like man

2197

01:14:47,830 --> 01:14:46,000

you're not gonna believe what happened

2198

01:14:49,510 --> 01:14:47,840

to me the other day

2199

01:14:51,110 --> 01:14:49,520

blah blah blah blah blah happen have you

2200

01:14:52,470 --> 01:14:51,120

ever seen anything like that

2201
01:14:54,790 --> 01:14:52,480
immediately they're gonna go into their

2202
01:14:56,149 --> 01:14:54,800
story yeah man i was out hunting and

2203
01:14:58,790 --> 01:14:56,159
this is what happened

2204
01:14:59,830 --> 01:14:58,800
it's not like people they don't hold it

2205
01:15:02,709 --> 01:14:59,840
in it's not like it's

2206
01:15:03,990 --> 01:15:02,719
taboo and that's the beauty of the city

2207
01:15:05,270 --> 01:15:04,000
if you go anywhere else it's kind of

2208
01:15:05,990 --> 01:15:05,280
like people don't want to talk about it

2209
01:15:07,189 --> 01:15:06,000
but here

2210
01:15:08,950 --> 01:15:07,199
people will talk about it and drop a

2211
01:15:09,590 --> 01:15:08,960
dime you just have to know how to talk

2212
01:15:10,870 --> 01:15:09,600
to

2213
01:15:11,990 --> 01:15:10,880

the people from new orleans and they

2214

01:15:13,510 --> 01:15:12,000

can't be like oh i'm going to

2215

01:15:15,030 --> 01:15:13,520

investigate you just have to be a part

2216

01:15:17,990 --> 01:15:15,040

of casual conversation

2217

01:15:20,310 --> 01:15:18,000

because that's what we do well i'll tell

2218

01:15:25,189 --> 01:15:20,320

you i mean i i had done a series

2219

01:15:27,189 --> 01:15:25,199

of uh of reports from an ex-new orleans

2220

01:15:30,229 --> 01:15:27,199

police officer

2221

01:15:34,470 --> 01:15:30,239

who swore to god that he

2222

01:15:38,149 --> 01:15:34,480

had encountered reptilian military

2223

01:15:40,470 --> 01:15:38,159

in new orleans after katrina

2224

01:15:42,950 --> 01:15:40,480

i've heard that i've actually heard that

2225

01:15:45,350 --> 01:15:42,960

i've heard that from

2226

01:15:47,510 --> 01:15:45,360

from a member of the national guard yeah

2227

01:15:49,189 --> 01:15:47,520

i didn't touch on it

2228

01:15:50,709 --> 01:15:49,199

yeah i didn't touch on that at all

2229

01:15:54,229 --> 01:15:50,719

because i was like that's way

2230

01:15:56,950 --> 01:15:54,239

outside of my wheelhouse um but yeah and

2231

01:15:58,709 --> 01:15:56,960

what i was told was that and he didn't

2232

01:16:00,310 --> 01:15:58,719

say it was reptilian military he said it

2233

01:16:02,709 --> 01:16:00,320

was reptiles that came from

2234

01:16:04,310 --> 01:16:02,719

under the sewers of the streets and was

2235

01:16:06,070 --> 01:16:04,320

actually taking people

2236

01:16:08,149 --> 01:16:06,080

and i was you know i don't know anything

2237

01:16:09,110 --> 01:16:08,159

about reptilians you know that that's

2238

01:16:10,870 --> 01:16:09,120

just

2239

01:16:12,630 --> 01:16:10,880

my mind has enough trouble wrapping

2240

01:16:13,110 --> 01:16:12,640

around the stuff that i deal with day to

2241

01:16:15,030 --> 01:16:13,120

day

2242

01:16:16,790 --> 01:16:15,040

right to try and go and jump down this

2243

01:16:18,310 --> 01:16:16,800

rabbit hole of reptiles like

2244

01:16:19,910 --> 01:16:18,320

what's the name of that tv show that was

2245

01:16:20,709 --> 01:16:19,920

on when i was a kid whether they had the

2246

01:16:21,910 --> 01:16:20,719

was it

2247

01:16:23,990 --> 01:16:21,920

through the tv show where there's like

2248

01:16:25,669 --> 01:16:24,000

these reptile aliens that had human skin

2249

01:16:29,350 --> 01:16:25,679

what was the name of that show

2250

01:16:32,709 --> 01:16:29,360

um god i don't uh v was it v

2251

01:16:35,590 --> 01:16:32,719

it was vegan it was yeah yeah

2252

01:16:36,390 --> 01:16:35,600

i'm not trying to live v i i'm not doing

2253

01:16:39,430 --> 01:16:36,400

that i'm

2254

01:16:40,709 --> 01:16:39,440

my brain is like no if you are a reptile

2255

01:16:42,070 --> 01:16:40,719

and you running around man just run

2256

01:16:43,669 --> 01:16:42,080

around and do what you do leave me don't

2257

01:16:45,030 --> 01:16:43,679

leave me in the hell alone i'm fine with

2258

01:16:45,830 --> 01:16:45,040

that because that's just too much but

2259

01:16:47,350 --> 01:16:45,840

yes

2260

01:16:49,350 --> 01:16:47,360

i've heard that from a guy who's

2261

01:16:50,870 --> 01:16:49,360

national guard here after katrina

2262

01:16:53,510 --> 01:16:50,880

and his thing was yeah man they were

2263

01:16:54,950 --> 01:16:53,520

taking people and i'm like what

2264

01:16:56,550 --> 01:16:54,960

you mean taking people he's like they

2265

01:16:58,550 --> 01:16:56,560

were literally taking people

2266

01:16:59,669 --> 01:16:58,560

um and i ended the conversation to be

2267

01:17:00,470 --> 01:16:59,679

honest with you because it was just too

2268

01:17:03,270 --> 01:17:00,480

much for me

2269

01:17:05,270 --> 01:17:03,280

order for me to know if he was telling

2270

01:17:06,390 --> 01:17:05,280

the truth i know nothing about the topic

2271

01:17:07,830 --> 01:17:06,400

so in order for me to know if he's

2272

01:17:09,270 --> 01:17:07,840

telling the truth or not i had to go

2273

01:17:10,950 --> 01:17:09,280

back research the topic

2274

01:17:12,149 --> 01:17:10,960

find out about what type of reptilians

2275

01:17:14,390 --> 01:17:12,159

there were if there was ever any

2276

01:17:16,149 --> 01:17:14,400

reptilian sightings in new orleans

2277

01:17:17,430 --> 01:17:16,159

uh and i was like that was too much for

2278

01:17:20,070 --> 01:17:17,440

me i'm gonna leave it alone

2279

01:17:21,189 --> 01:17:20,080

and i left it alone all right what's the

2280

01:17:26,950 --> 01:17:21,199

other story that

2281

01:17:29,990 --> 01:17:28,550

the oddest story that i had that came

2282

01:17:33,669 --> 01:17:30,000

out of katrina was this

2283

01:17:36,709 --> 01:17:33,679

um that people were seeing this

2284

01:17:41,110 --> 01:17:36,719

raft they described it as a

2285

01:17:43,750 --> 01:17:41,120

old-time river raft with a lantern on it

2286

01:17:45,510 --> 01:17:43,760

and a small sail that was floating down

2287

01:17:47,990 --> 01:17:45,520

the streets and they would see it

2288

01:17:48,950 --> 01:17:48,000

they would swim up to it and it would

2289

01:17:51,510 --> 01:17:48,960

disappear

2290

01:17:52,950 --> 01:17:51,520

and that was for that was the oddest

2291

01:17:54,550 --> 01:17:52,960

story like

2292

01:17:56,310 --> 01:17:54,560

if you could imagine being in the water

2293

01:17:57,750 --> 01:17:56,320

at night it's pitch black

2294

01:17:59,830 --> 01:17:57,760

there's all kind of crap floating around

2295

01:18:01,430 --> 01:17:59,840

in the water and you see a light

2296

01:18:03,750 --> 01:18:01,440

coming towards you and as you get closer

2297

01:18:04,070 --> 01:18:03,760

and closer you realize that it's a raft

2298

01:18:06,229 --> 01:18:04,080

and

2299

01:18:07,590 --> 01:18:06,239

not a boat but a raft like with wooden

2300

01:18:09,990 --> 01:18:07,600

logs and

2301

01:18:11,910 --> 01:18:10,000

a lantern on it and you're like okay

2302

01:18:13,110 --> 01:18:11,920

this i'm gonna climb up on that and then

2303

01:18:14,149 --> 01:18:13,120

when you get right up on it it

2304

01:18:16,149 --> 01:18:14,159

disappears

2305

01:18:18,390 --> 01:18:16,159

and i i've had six people tell me that

2306

01:18:20,310 --> 01:18:18,400

they encountered that

2307

01:18:21,590 --> 01:18:20,320

that exact same thing they i mean they

2308

01:18:24,870 --> 01:18:21,600

describe it to the t

2309

01:18:25,270 --> 01:18:24,880

one guy um i never forget him telling me

2310

01:18:27,590 --> 01:18:25,280

his story

2311

01:18:29,110 --> 01:18:27,600

he told to me face to face the whole day

2312

01:18:30,229 --> 01:18:29,120

he had been fighting for his life when i

2313

01:18:31,350 --> 01:18:30,239

said the whole day this man had been

2314

01:18:34,149 --> 01:18:31,360

fighting for his life

2315

01:18:35,750 --> 01:18:34,159

from the time he got up that morning

2316

01:18:37,350 --> 01:18:35,760

till that night that man had been

2317

01:18:39,430 --> 01:18:37,360

fighting for his life

2318

01:18:40,470 --> 01:18:39,440

he his first encounter was with two pit

2319

01:18:42,950 --> 01:18:40,480

bulls

2320

01:18:45,030 --> 01:18:42,960

that were trying to kill him and eat him

2321

01:18:47,669 --> 01:18:45,040

his next encounter with um

2322

01:18:49,110 --> 01:18:47,679

was with these two guys that uh that

2323

01:18:49,910 --> 01:18:49,120

tracked him down and tried to chase him

2324

01:18:53,110 --> 01:18:49,920

down

2325

01:18:55,030 --> 01:18:53,120

with a bat with bats and finally he ends

2326

01:18:57,350 --> 01:18:55,040

up in the water

2327

01:18:58,790 --> 01:18:57,360

and he's and i can't remember where he

2328

01:18:59,270 --> 01:18:58,800

was going i think he was trying to get

2329

01:19:03,110 --> 01:18:59,280

to

2330

01:19:04,550 --> 01:19:03,120

there was food i want it maybe about

2331

01:19:05,669 --> 01:19:04,560

walgreens he may have been a cvr it was

2332

01:19:07,510 --> 01:19:05,679

somewhere where there was food where he

2333

01:19:09,270 --> 01:19:07,520

thought there was food

2334

01:19:11,110 --> 01:19:09,280

and he got tired because he was trying

2335

01:19:14,229 --> 01:19:11,120

to swim through the water and it wasn't

2336

01:19:17,189 --> 01:19:14,239

during katrina that it wasn't water like

2337

01:19:18,229 --> 01:19:17,199

open ocean water it was muddy slimy

2338

01:19:20,870 --> 01:19:18,239

mucky

2339

01:19:22,470 --> 01:19:20,880

debris filled water so you're trying to

2340

01:19:24,390 --> 01:19:22,480

you're climbing over things

2341

01:19:26,149 --> 01:19:24,400

things are cutting you underwater things

2342

01:19:28,229 --> 01:19:26,159

are tugging on your clothes

2343

01:19:29,910 --> 01:19:28,239

and he's he's trying to get to this food

2344

01:19:31,830 --> 01:19:29,920

and he sees this raft

2345

01:19:33,430 --> 01:19:31,840

and he was in his mind he said to me it

2346

01:19:34,070 --> 01:19:33,440

was like look dude this is my first

2347

01:19:36,149 --> 01:19:34,080

break

2348

01:19:38,310 --> 01:19:36,159

i had gotten the whole day he was like

2349

01:19:39,750 --> 01:19:38,320

so i was relieved that i got a break

2350

01:19:42,870 --> 01:19:39,760

he's like i didn't really think that

2351

01:19:43,430 --> 01:19:42,880

okay this is weird he's like it was just

2352

01:19:45,590 --> 01:19:43,440

a rapture

2353

01:19:46,470 --> 01:19:45,600

i figured somebody created a raft with

2354

01:19:48,550 --> 01:19:46,480

some trees and

2355

01:19:50,630 --> 01:19:48,560

put a lamp on it and they were out

2356

01:19:52,630 --> 01:19:50,640

helping people he was like so this was

2357

01:19:54,229 --> 01:19:52,640

my opportunity after this rough day this

2358

01:19:55,270 --> 01:19:54,239

was my opportunity things were finally

2359

01:19:57,510 --> 01:19:55,280

gonna go well

2360

01:19:59,110 --> 01:19:57,520

so he spends pretty much all his energy

2361

01:20:01,510 --> 01:19:59,120

trying to get to it he gets 15 feet away

2362

01:20:04,630 --> 01:20:01,520

from it and it disappears

2363

01:20:05,590 --> 01:20:04,640

and he was emotional when i say

2364

01:20:09,669 --> 01:20:05,600

emotional

2365

01:20:10,790 --> 01:20:09,679

man sat in front of me and cried

2366

01:20:12,550 --> 01:20:10,800

he was like man you know that was the

2367

01:20:13,590 --> 01:20:12,560

worst time of my life he's like cause i

2368

01:20:15,510 --> 01:20:13,600

thought i was gonna die

2369

01:20:16,870 --> 01:20:15,520

he said he's fat in fact i knew i was

2370

01:20:18,470 --> 01:20:16,880

gonna die

2371

01:20:20,229 --> 01:20:18,480

and i said well you survived it he was

2372

01:20:22,470 --> 01:20:20,239

like yeah i survived it man but i

2373

01:20:24,070 --> 01:20:22,480

he's like you know i knew i was going to

2374

01:20:28,310 --> 01:20:24,080

die that night

2375

01:20:29,910 --> 01:20:28,320

so yeah that's the strangest thing that

2376

01:20:31,510 --> 01:20:29,920

um that i heard during katrina now there

2377

01:20:32,709 --> 01:20:31,520

was the banshee stories out of new

2378

01:20:35,110 --> 01:20:32,719

orleans east

2379

01:20:36,470 --> 01:20:35,120

there was the extremely large alligators

2380

01:20:37,990 --> 01:20:36,480

in the lower ninth ward

2381

01:20:39,750 --> 01:20:38,000

there were the sharks that people were

2382

01:20:43,270 --> 01:20:39,760

saying was swimming around the city

2383

01:20:45,510 --> 01:20:43,280

in the lower ninth ward um the banshee

2384

01:20:46,790 --> 01:20:45,520

has been something that an irish bayou

2385

01:20:47,990 --> 01:20:46,800

in new orleans has been

2386

01:20:50,310 --> 01:20:48,000

something that's been around for a long

2387

01:20:51,750 --> 01:20:50,320

time so i wasn't surprised when people

2388

01:20:52,950 --> 01:20:51,760

started talking about the banshee that

2389

01:20:54,149 --> 01:20:52,960

was something i was hearing about when i

2390

01:20:57,910 --> 01:20:54,159

was in high school

2391

01:20:59,270 --> 01:20:57,920

but that that raft was something that

2392

01:21:01,030 --> 01:20:59,280

i thought was actually for now i'm gonna

2393

01:21:01,510 --> 01:21:01,040

have six people tell you about the same

2394

01:21:03,110 --> 01:21:01,520

thing

2395

01:21:04,629 --> 01:21:03,120

i thought that was amazing i thought it

2396

01:21:05,270 --> 01:21:04,639

really was amazing because that means

2397

01:21:06,629 --> 01:21:05,280

that

2398

01:21:08,310 --> 01:21:06,639

and these i'm not talking about six

2399

01:21:10,950 --> 01:21:08,320

related people i'm talking about

2400

01:21:12,470 --> 01:21:10,960

six different people who came to me

2401
01:21:15,030 --> 01:21:12,480
through different

2402
01:21:17,270 --> 01:21:15,040
individuals who know me so none of these

2403
01:21:20,310 --> 01:21:17,280
people had a direct connection

2404
01:21:22,310 --> 01:21:20,320
to each other this was me reaching out

2405
01:21:24,709 --> 01:21:22,320
through my network of friends and saying

2406
01:21:26,229 --> 01:21:24,719
hey anybody had any crazy hurricane

2407
01:21:28,550 --> 01:21:26,239
katrina stories

2408
01:21:30,149 --> 01:21:28,560
and one person would say hey my cousin

2409
01:21:31,430 --> 01:21:30,159
was here after katrina another person

2410
01:21:32,390 --> 01:21:31,440
said well i was here other tree another

2411
01:21:34,470 --> 01:21:32,400
person would say

2412
01:21:35,669 --> 01:21:34,480
yeah my brother's my brother's brother

2413
01:21:37,990 --> 01:21:35,679

was i mean my

2414

01:21:38,950 --> 01:21:38,000

brother-in-law's brother was here during

2415

01:21:40,470 --> 01:21:38,960

katrina

2416

01:21:41,990 --> 01:21:40,480

and all those people came back with

2417

01:21:45,110 --> 01:21:42,000

those stories and they mentioned

2418

01:21:48,070 --> 01:21:45,120

that same thing yeah so

2419

01:21:48,390 --> 01:21:48,080

that's the best that that's another one

2420

01:21:53,110 --> 01:21:48,400

i

2421

01:21:55,430 --> 01:21:53,120

lot of stuff that went on down there but

2422

01:21:58,070 --> 01:21:55,440

i didn't hear about that one

2423

01:21:59,030 --> 01:21:58,080

that's almost like yeah yeah it's almost

2424

01:22:02,149 --> 01:21:59,040

like

2425

01:22:05,189 --> 01:22:02,159

uh an old 18

2426

01:22:07,030 --> 01:22:05,199

1800s river raft you know up the

2427

01:22:10,709 --> 01:22:07,040

mississippi or something that

2428

01:22:13,350 --> 01:22:10,719

you know but that's uh

2429

01:22:13,910 --> 01:22:13,360

well i bet that was frightening i know

2430

01:22:17,189 --> 01:22:13,920

that's scared

2431

01:22:21,430 --> 01:22:17,199

oh no he [h__\h] man oh no that's

2432

01:22:23,189 --> 01:22:21,440

i mean man that that gentleman

2433

01:22:25,030 --> 01:22:23,199

that generally was one of the he was one

2434

01:22:28,390 --> 01:22:25,040

of the reasons why

2435

01:22:30,470 --> 01:22:28,400

i quickly started using um

2436

01:22:32,550 --> 01:22:30,480

and after that conversation with him i

2437

01:22:34,310 --> 01:22:32,560

really really started using nlp in my

2438

01:22:36,310 --> 01:22:34,320

conversations with people to pull them

2439

01:22:37,430 --> 01:22:36,320

back out of the emotional states

2440

01:22:39,430 --> 01:22:37,440

that i was putting them in because i

2441

01:22:40,950 --> 01:22:39,440

realized how irresponsible it was

2442

01:22:42,550 --> 01:22:40,960

because i know how to pull the emotions

2443

01:22:43,189 --> 01:22:42,560

out of a person i did years and years on

2444

01:22:45,030 --> 01:22:43,199

radio

2445

01:22:46,550 --> 01:22:45,040

and so i understand how to to stroke

2446

01:22:47,430 --> 01:22:46,560

emotions and stroke flames especially

2447

01:22:48,950 --> 01:22:47,440

when we do it

2448

01:22:50,070 --> 01:22:48,960

dealing with political topics like we

2449

01:22:51,270 --> 01:22:50,080

dealt with you know sometimes you got to

2450

01:22:52,950 --> 01:22:51,280

fire people up and you got to put the

2451
01:22:54,390 --> 01:22:52,960
fire out so i know how to fire people up

2452
01:22:56,229 --> 01:22:54,400
now how to pull out those emotions

2453
01:22:58,149 --> 01:22:56,239
but i was irresponsible and i wasn't

2454
01:23:00,870 --> 01:22:58,159
putting out that flame after i

2455
01:23:01,910 --> 01:23:00,880
ignited it and i realized after that

2456
01:23:03,910 --> 01:23:01,920
conversation with him

2457
01:23:05,510 --> 01:23:03,920
i have a responsibility that if i'm

2458
01:23:06,790 --> 01:23:05,520
going to bring that person back to that

2459
01:23:07,669 --> 01:23:06,800
moment in time when they had that

2460
01:23:09,350 --> 01:23:07,679
encounter

2461
01:23:11,590 --> 01:23:09,360
i have to be able to pull them back out

2462
01:23:12,149 --> 01:23:11,600
of it and so now when i talk to people

2463
01:23:14,390 --> 01:23:12,159

and

2464

01:23:15,270 --> 01:23:14,400

i dredge up an encounter or drudge up an

2465

01:23:17,990 --> 01:23:15,280

encounter

2466

01:23:18,870 --> 01:23:18,000

i pull them i put them in that situation

2467

01:23:21,030 --> 01:23:18,880

i watch or

2468

01:23:22,470 --> 01:23:21,040

listen to their emotions and their

2469

01:23:24,310 --> 01:23:22,480

tonality while they're there

2470

01:23:25,910 --> 01:23:24,320

and then after i'm after that i know

2471

01:23:27,830 --> 01:23:25,920

they've gotten too much i pull them back

2472

01:23:29,910 --> 01:23:27,840

out of it as fast as possible

2473

01:23:31,430 --> 01:23:29,920

and it's real simple to do you know you

2474

01:23:32,470 --> 01:23:31,440

lose verbal tap patterns like

2475

01:23:33,990 --> 01:23:32,480

non-sequentials

2476

01:23:36,390 --> 01:23:34,000

well you can say crazy stuff like purple

2477

01:23:38,709 --> 01:23:36,400

pigs fly backwards oh my god what's that

2478

01:23:41,110 --> 01:23:38,719

you say little things that just snap the

2479

01:23:43,510 --> 01:23:41,120

brain out of that emotional state

2480

01:23:44,149 --> 01:23:43,520

and it helps that person because they

2481

01:23:46,950 --> 01:23:44,159

actually

2482

01:23:48,390 --> 01:23:46,960

relive that encounter and now you guys

2483

01:23:50,070 --> 01:23:48,400

deal with witnesses all the time

2484

01:23:51,270 --> 01:23:50,080

and you know you can look at a person in

2485

01:23:52,870 --> 01:23:51,280

their eyes and see when they're reliving

2486

01:23:54,790 --> 01:23:52,880

that encounter based on how their eyes

2487

01:23:56,310 --> 01:23:54,800

kind of gloss and glaze over

2488

01:23:57,990 --> 01:23:56,320

it's like they're looking at you but

2489

01:23:59,990 --> 01:23:58,000

they're looking at the event

2490

01:24:01,350 --> 01:24:00,000

at the same time they're not there with

2491

01:24:04,310 --> 01:24:01,360

you 100

2492

01:24:05,990 --> 01:24:04,320

they look right through you so yeah and

2493

01:24:07,510 --> 01:24:06,000

you have to be responsible to those

2494

01:24:08,070 --> 01:24:07,520

people and that's another way you can

2495

01:24:09,430 --> 01:24:08,080

tell and

2496

01:24:11,110 --> 01:24:09,440

you can even tell it on the end of

2497

01:24:13,270 --> 01:24:11,120

during the phone conversation because

2498

01:24:14,870 --> 01:24:13,280

you can feel their attention during that

2499

01:24:17,430 --> 01:24:14,880

conversation kind of wane

2500

01:24:19,510 --> 01:24:17,440

and leave away as they're drifting off

2501

01:24:21,030 --> 01:24:19,520

to that spot of that encounter or

2502

01:24:22,629 --> 01:24:21,040

their mind is drifting to that space and

2503

01:24:23,669 --> 01:24:22,639

that's one of the easiest things to

2504

01:24:25,990 --> 01:24:23,679

detect

2505

01:24:26,950 --> 01:24:26,000

when someone's lying to me in particular

2506

01:24:29,270 --> 01:24:26,960

is because

2507

01:24:30,390 --> 01:24:29,280

if they're not drifting off and and

2508

01:24:32,390 --> 01:24:30,400

drifting away to that

2509

01:24:33,669 --> 01:24:32,400

i mean something that's rehearsed and

2510

01:24:34,950 --> 01:24:33,679

something that you know they sat there

2511

01:24:37,510 --> 01:24:34,960

and they literally rehearse

2512

01:24:38,950 --> 01:24:37,520

and you'll be amazed that circling back

2513

01:24:41,990 --> 01:24:38,960

the dog man

2514

01:24:45,189 --> 01:24:42,000

you would be amazed number of people

2515

01:24:46,390 --> 01:24:45,199

who have tried to feed me fake dog man

2516

01:24:50,070 --> 01:24:46,400

stories

2517

01:24:52,470 --> 01:24:50,080

um over the past six to eight months

2518

01:24:53,910 --> 01:24:52,480

just so they could turn around just so

2519

01:24:55,189 --> 01:24:53,920

they could turn around and say oh i fed

2520

01:24:56,950 --> 01:24:55,199

him this story

2521

01:24:58,790 --> 01:24:56,960

and discredited him and tried to

2522

01:25:01,189 --> 01:24:58,800

discredit me and you know

2523

01:25:02,390 --> 01:25:01,199

and the funniest thing to me is i tell

2524

01:25:04,709 --> 01:25:02,400

people all the time

2525

01:25:05,830 --> 01:25:04,719

how i determine if they're lying or not

2526

01:25:07,590 --> 01:25:05,840

but then i always catch them when

2527

01:25:08,790 --> 01:25:07,600

they're lying

2528

01:25:10,870 --> 01:25:08,800

and now we've gotten to the point to

2529

01:25:11,430 --> 01:25:10,880

where when it comes to dog man in

2530

01:25:12,790 --> 01:25:11,440

particular

2531

01:25:14,470 --> 01:25:12,800

nothing else when it comes to dog man

2532

01:25:15,830 --> 01:25:14,480

when i feel like someone's giving me a

2533

01:25:19,189 --> 01:25:15,840

bogus story

2534

01:25:21,270 --> 01:25:19,199

with the intent of um trying to get me

2535

01:25:23,270 --> 01:25:21,280

to put it out and

2536

01:25:24,870 --> 01:25:23,280

turn around and say oh well you know dog

2537

01:25:27,189 --> 01:25:24,880

waters puts out fake stories

2538

01:25:28,310 --> 01:25:27,199

oh man i tell them a new one i tell them

2539

01:25:29,590 --> 01:25:28,320

a new one

2540

01:25:30,629 --> 01:25:29,600

when it comes to that particular topic

2541

01:25:34,229 --> 01:25:30,639

because as you know the people are

2542

01:25:37,270 --> 01:25:34,239

fanatical about that topic they're crazy

2543

01:25:39,590 --> 01:25:37,280

it has it has exploded and you're right

2544

01:25:41,510 --> 01:25:39,600

the amount of the these stories on the

2545

01:25:44,790 --> 01:25:41,520

internet on youtube in particular

2546

01:25:46,790 --> 01:25:44,800

is just nuts uh

2547

01:25:48,310 --> 01:25:46,800

i you know you listen to some of that

2548

01:25:51,110 --> 01:25:48,320

stuff you know i have people send me

2549

01:25:53,830 --> 01:25:51,120

youtube videos all the time

2550

01:25:56,709 --> 01:25:53,840

for my opinion what you know what i

2551

01:25:58,870 --> 01:25:56,719

think about the story

2552

01:26:00,870 --> 01:25:58,880

it's just i don't know it's crazy it

2553

01:26:04,070 --> 01:26:00,880

really is it's crazy

2554

01:26:06,830 --> 01:26:04,080

and uh people over embellish stuff and

2555

01:26:12,390 --> 01:26:09,270

it's you know

2556

01:26:12,709 --> 01:26:12,400

well you know dw i our hours about up

2557

01:26:14,709 --> 01:26:12,719

and

2558

01:26:16,149 --> 01:26:14,719

man i i thank you for coming back on you

2559

01:26:17,830 --> 01:26:16,159

know we need to get you on here

2560

01:26:19,270 --> 01:26:17,840

we're changing our format a little bit

2561

01:26:21,430 --> 01:26:19,280

what we ought to do is just have you

2562

01:26:25,189 --> 01:26:21,440

come on here every once in a while

2563

01:26:27,750 --> 01:26:25,199

and just join us in our hour talk and uh

2564

01:26:29,830 --> 01:26:27,760

you know update us on what's going on in

2565

2602
01:27:44,830 --> 01:27:40,960
tonight where we've talked about

2603
01:27:47,910 --> 01:27:44,840
some pretty incredible things

2604
01:27:48,950 --> 01:27:47,920
yeah a lot of weird stuff and it only

2605
01:27:50,709 --> 01:27:48,960
gets you i'm glad he

2606
01:27:52,629 --> 01:27:50,719
i'm glad he took the time to talk about

2607
01:27:53,510 --> 01:27:52,639
all the stuff that was going on down in

2608
01:27:56,950 --> 01:27:53,520
new orleans

2609
01:27:59,669 --> 01:27:56,960
it blew my mind yeah

2610
01:28:00,149 --> 01:27:59,679
i i had heard so many weird things down

2611
01:28:03,270 --> 01:28:00,159
there

2612
01:28:06,310 --> 01:28:03,280
but you know it it just seemed that

2613
01:28:09,669 --> 01:28:06,320

when when katrina blew through there

2614

01:28:13,030 --> 01:28:09,679

it just woke up something and uh

2615

01:28:16,390 --> 01:28:13,040

you know i it's interesting i

2616

01:28:18,149 --> 01:28:16,400

when um when

2617

01:28:20,790 --> 01:28:18,159

a couple a lot of my friends went down

2618

01:28:22,470 --> 01:28:20,800

to new orleans to watch the super bowl

2619

01:28:25,669 --> 01:28:22,480

you know when the ravens were playing

2620

01:28:29,110 --> 01:28:25,679

the 49ers what was it 2012 or 13.

2621

01:28:30,950 --> 01:28:29,120

and uh some of the stories i got from

2622

01:28:33,510 --> 01:28:30,960

people that were down there

2623

01:28:34,870 --> 01:28:33,520

of you know seeing apparitions weird

2624

01:28:38,070 --> 01:28:34,880

things happening in their

2625

01:28:39,030 --> 01:28:38,080

hotel rooms strange stuff around the

2626
01:28:42,070 --> 01:28:39,040
superdome

2627
01:28:45,750 --> 01:28:42,080
it there was just a lot going on

2628
01:28:48,310 --> 01:28:45,760
and uh you know

2629
01:28:50,229 --> 01:28:48,320
it just seemed like he said it just woke

2630
01:28:51,910 --> 01:28:50,239
something up down there

2631
01:28:53,510 --> 01:28:51,920
so maybe we'll get him back on here

2632
01:28:56,709 --> 01:28:53,520
we'll talk some more about that

2633
01:28:57,669 --> 01:28:56,719
well i definitely think uh it's a show

2634
01:29:00,709 --> 01:28:57,679
topic

2635
01:29:01,430 --> 01:29:00,719
uh worthy of discussion uh the post

2636
01:29:04,470 --> 01:29:01,440
katrina

2637
01:29:06,229 --> 01:29:04,480
new orleans uh experience you know steve

2638
01:29:07,990 --> 01:29:06,239

foster in the chat says look it up or

2639

01:29:11,590 --> 01:29:08,000

2640

01:29:12,149 --> 01:29:11,600

very true points but yeah we'll explore

2641

01:29:13,830 --> 01:29:12,159

that

2642

01:29:15,830 --> 01:29:13,840
