[Music]

2
00:00:08,950 --> 00:00:05,520

the oldest

3
00:00:11,110 --> 00:00:08,960

00:00:15,350 --> 00:00:12,080

fear

6
00:00:17,750 --> 00:00:15,360

is trepidation of the unknown

7
00:00:21,189 --> 00:00:17,760

when we were children our parents told

8
00:00:23,670 --> 00:00:21,199

us that monsters didn't exist

9
00:00:26,870 --> 00:00:23,680

but we were sure that something was

10
00:00:31,429 --> 00:00:26,880

lurking under the bed or in the closet

11
00:00:34,549 --> 00:00:31,439

fear sees even if our eyes are closed

this evening

73

00:03:04,070 --> 00:03:01,040

thanks for having us lon hello always a

74

00:03:07,110 --> 00:03:04,080

pleasure to be here

75

00:03:08,630 --> 00:03:07,120

well you know it hasn't really been too

76

00:03:10,630 --> 00:03:08,640

busy i mean like

77

00:03:12,070 --> 00:03:10,640

from you guys i think but for me it's

78

00:03:13,910 --> 00:03:12,080

been somewhat

79

00:03:15,270 --> 00:03:13,920

hectic keeping up with some of the

80

00:03:16,790 --> 00:03:15,280

strange things

81

00:03:19,589 --> 00:03:16,800

that have been going on but what i'm

82

00:03:21,990 --> 00:03:19,599

gonna do is i'm gonna go

83

00:03:23,509 --> 00:03:22,000

around the horn here and uh have you

84

00:03:24,869 --> 00:03:23,519

guys update us on some of the

85

00:03:27,350 --> 00:03:24,879

investigations

86

00:03:28,869 --> 00:03:27,360

that you've been working on so um butch

87

00:03:32,149 --> 00:03:28,879

what's been going on

88

00:03:35,270 --> 00:03:32,159

uh on your end

89

00:03:38,470 --> 00:03:35,280

well we have a couple of reports of

90

00:03:39,430 --> 00:03:38,480

up uh well two or upright canines uh one

91

00:03:43,750 --> 00:03:39,440

clearfield

92

00:03:44,229 --> 00:03:43,760

county uh one that we're not sure of it

93

00:03:46,470 --> 00:03:44,239

could

94

00:03:48,070 --> 00:03:46,480

be a bigfoot report that's up in center

95

00:03:48,869 --> 00:03:48,080

county sean's going to be handling that

96

00:03:52,149 --> 00:03:48,879

one

97

00:03:55,589 --> 00:03:52,159

and then i have a um a

98

00:03:57,429 --> 00:03:55,599

rake like being in uh

99

00:04:00,630 --> 00:03:57,439

below elverson pennsylvania and french

100

00:04:03,830 --> 00:04:02,390

this time i think i really lucked out

101

00:04:06,309 --> 00:04:03,840

because i have two

102

00:04:07,910 --> 00:04:06,319

park rangers one on each end that are

103

00:04:10,390 --> 00:04:07,920

going to help out with information

104

00:04:11,990 --> 00:04:10,400

mapping anything else that i need

105

00:04:13,990 --> 00:04:12,000

and it's really good now because the

106

00:04:17,509 --> 00:04:14,000

parks are closed so it's pretty much

107

00:04:18,069 --> 00:04:17,519

running around but i'm sure you remember

108

00:04:21,909 --> 00:04:18,079

the

109

00:04:25,590 --> 00:04:21,919

county

110

00:04:28,070 --> 00:04:25,600

that you and your son matt were at and

111

00:04:28,629 --> 00:04:28,080

i'll be going over there next saturday

112

00:04:31,670 --> 00:04:28,639

morning

113

00:04:34,629 --> 00:04:31,680

at 9 00 a.m uh

114

00:04:36,390 --> 00:04:34,639

speak with the gentleman that lives

115

00:04:37,510 --> 00:04:36,400

there and to see if anything's been

116

00:04:40,310 --> 00:04:37,520

popping up

117

00:04:41,110 --> 00:04:40,320

he did put out trail cams they put out

118

00:04:43,590 --> 00:04:41,120

one

119

00:04:44,230 --> 00:04:43,600

at the back door there toward where he

120

00:04:47,510 --> 00:04:44,240

where lon

121

00:04:48,230 --> 00:04:47,520

you were walking uh when you heard what

122

00:04:50,629 --> 00:04:48,240

you heard

123

00:04:51,430 --> 00:04:50,639

one is facing that from the back back of

124

00:04:54,469 --> 00:04:51,440

the home

125

00:04:57,830 --> 00:04:54,479

and the other one is facing the

126

00:04:59,510 --> 00:04:57,840

pond out front off the front porch

127

00:05:01,830 --> 00:04:59,520

so we'll see if he's got anything going

128

00:05:03,270 --> 00:05:01,840

there uh he doesn't have a computer to

129

00:05:04,310 --> 00:05:03,280

download this stuff so i'm just gonna

130

00:05:07,110 --> 00:05:04,320

take a laptop over

131

00:05:08,230 --> 00:05:07,120

download his cards and uh see what he

132

00:05:09,830 --> 00:05:08,240

can come up with

133

00:05:11,350 --> 00:05:09,840

other than that has just been you know

134

00:05:12,070 --> 00:05:11,360

really busy just keeping up with old

135

00:05:13,909 --> 00:05:12,080

reports

136

00:05:15,189 --> 00:05:13,919

uh you know trying to update the older

137

00:05:17,510 --> 00:05:15,199

reports

138

00:05:19,590 --> 00:05:17,520

uh of course i always have my thing with

139

00:05:21,029 --> 00:05:19,600

diet loft pass

140

00:05:24,710 --> 00:05:21,039

i've been working on that forever plus

141

00:05:28,469 --> 00:05:24,720

todd steven but um other than that

142

00:05:31,510 --> 00:05:28,479

you know ufo sightings are up uh

143

00:05:35,270 --> 00:05:31,520

k9 bigfoot sightings are up

144

00:05:38,150 --> 00:05:35,280

so enough to keep you busy

145

00:05:40,790 --> 00:05:38,160

and i know you're busy i've been getting

146

00:05:43,909 --> 00:05:40,800

a lot of crazy stuff i got a uh

147

00:05:44,550 --> 00:05:43,919

and i i mentioned to sean and no no you

148

00:05:48,629 --> 00:05:44,560

learned

149

00:05:54,070 --> 00:05:51,670

anyway i talked to a guy up in lake

150

00:05:56,070 --> 00:05:54,080

placid new york today

151
00:05:58,550 --> 00:05:56,080
and it's interesting because we just we

152
00:06:00,309 --> 00:05:58,560
just brought a new affiliate in

153
00:06:02,629 --> 00:06:00,319
in the group who lives up there well

154
00:06:04,710 --> 00:06:02,639
anyway um

155
00:06:05,749 --> 00:06:04,720
this was an old report from back in the

156
00:06:08,790 --> 00:06:05,759
80s

157
00:06:12,950 --> 00:06:08,800
and apparently this

158
00:06:16,070 --> 00:06:12,960
other guy a friend of his father's

159
00:06:17,749 --> 00:06:16,080
uh shot something that the way he

160
00:06:21,270 --> 00:06:17,759
described it to me

161
00:06:23,270 --> 00:06:21,280
was like a wendigo uh this guy was in

162
00:06:26,469 --> 00:06:23,280
the service you know he had

163
00:06:30,150 --> 00:06:26,479

been a commando and uh they were nom and

164

00:06:32,870 --> 00:06:30,160

um this thing came rushing at him and he

165

00:06:35,749 --> 00:06:32,880

had a remington 270 and popped

166

00:06:38,550 --> 00:06:35,759

six rounds in this thing and killed it

167

00:06:42,790 --> 00:06:38,560

and uh

168

00:06:45,909 --> 00:06:42,800

they it took two pickup trucks

169

00:06:48,469 --> 00:06:45,919

one with a cable or a rope

170

00:06:49,749 --> 00:06:48,479

actually pulling the thing up from the

171

00:06:52,390 --> 00:06:49,759

front side

172

00:06:54,309 --> 00:06:52,400

up over the truck into the pit of the

173

00:06:58,230 --> 00:06:54,319

other truck

174

00:07:01,990 --> 00:06:58,240

this thing was huge and um

175

00:07:04,950 --> 00:07:02,000

the description was that of a head

176

00:07:05,350 --> 00:07:04,960

that was like either a horse-like head

177

00:07:08,710 --> 00:07:05,360

or

178

00:07:11,270 --> 00:07:08,720

maybe the snap like of a canine but had

179

00:07:12,150 --> 00:07:11,280

eyes like that of a human that were not

180

00:07:15,430 --> 00:07:12,160

up front but

181

00:07:16,790 --> 00:07:15,440

were set to the side and he said it was

182

00:07:20,150 --> 00:07:16,800

about eight foot

183

00:07:20,950 --> 00:07:20,160

uh in height but the strange thing about

184

00:07:31,350 --> 00:07:20,960

it was

185

00:07:33,110 --> 00:07:31,360

that color was all around and he said

186

00:07:35,029 --> 00:07:33,120

when it was laying in the back of the

187

00:07:37,270 --> 00:07:35,039

truck he took a stick

188

00:07:39,430 --> 00:07:37,280

and literally took this dull stick and

189

00:07:42,309 --> 00:07:39,440

stuck it right through this thing

190

00:07:44,230 --> 00:07:42,319

now it wasn't non-corporal i mean there

191

00:07:46,550 --> 00:07:44,240

was a give to it

192

00:07:48,550 --> 00:07:46,560

so he has no idea what it was so

193

00:07:49,110 --> 00:07:48,560

eventually he took this thing they took

194

00:08:04,629 --> 00:07:49,120

it

195

00:08:09,749 --> 00:08:04,639

so by that time this guy's

196

00:08:14,309 --> 00:08:12,469

i don't know what i had the initials of

197

00:08:15,749 --> 00:08:14,319

the group up in new york but it was a

198

00:08:17,990 --> 00:08:15,759

federal group

199

00:08:19,110 --> 00:08:18,000

i mean state group it was a state uh

200

00:08:22,309 --> 00:08:19,120

game

201
00:08:23,909 --> 00:08:22,319
commission and they came and took it and

202
00:08:26,309 --> 00:08:23,919
they said well we'll take this off your

203
00:08:28,469 --> 00:08:26,319
hands and that was it

204
00:08:30,469 --> 00:08:28,479
now unfortunately now he did get some

205
00:08:32,870 --> 00:08:30,479
evidence off of it

206
00:08:34,630 --> 00:08:32,880
uh and apparently this guy still has

207
00:08:36,790 --> 00:08:34,640
he's still around

208
00:08:37,909 --> 00:08:36,800
so that's what i'm working on at this

209
00:08:40,149 --> 00:08:37,919
point now i don't know

210
00:08:42,310 --> 00:08:40,159
what to think of this but pretty pretty

211
00:08:45,670 --> 00:08:42,320
bizarre so uh we'll see what that

212
00:08:47,829 --> 00:08:45,680
turns out to be so uh

213
00:08:49,590 --> 00:08:47,839

sean what's going on with you well i'm

214

00:08:50,870 --> 00:08:49,600

kind of like butch right now a lot i'm

215

00:08:54,230 --> 00:08:50,880

going through the backlog

216

00:08:54,630 --> 00:08:54,240

until this center county sighting popped

217

00:08:56,710 --> 00:08:54,640

up

218

00:08:57,990 --> 00:08:56,720

and uh it was funny because when the

219

00:09:00,630 --> 00:08:58,000

sighting came up

220

00:09:02,790 --> 00:09:00,640

i missed it on phantomsandmonsters.com

221

00:09:05,990 --> 00:09:02,800

it just started getting

222

00:09:06,870 --> 00:09:06,000

social media blasted to me via whatever

223

00:09:08,630 --> 00:09:06,880

some nexus

224

00:09:10,389 --> 00:09:08,640

whatever that takes your stories and

225

00:09:11,350 --> 00:09:10,399

kind of pushes them out there oh it came

226

00:09:13,509 --> 00:09:11,360

out of nexus feed

227

00:09:14,870 --> 00:09:13,519

okay yeah and uh so like everybody's

228

00:09:16,310 --> 00:09:14,880

sending me this link so i'm like all

229

00:09:18,389 --> 00:09:16,320

right so i read the report you know this

230

00:09:20,550 --> 00:09:18,399

massive eight foot tall bigfoot and

231

00:09:21,670 --> 00:09:20,560

i got a hold of you and uh i want to get

232

00:09:23,350 --> 00:09:21,680

out there and get

233

00:09:25,110 --> 00:09:23,360

literal boots on the ground to get an

234

00:09:26,949 --> 00:09:25,120

area of this terrain i know butch talked

235

00:09:28,630 --> 00:09:26,959

to the witness a little bit

236

00:09:30,550 --> 00:09:28,640

there's some details we got to work out

237

00:09:32,070 --> 00:09:30,560

there a little without going too much

238

00:09:33,990 --> 00:09:32,080

you know into it because it still is an

239

00:09:35,590 --> 00:09:34,000

active investigation and you guys know i

240

00:09:37,590 --> 00:09:35,600

don't like to comment on active

241

00:09:39,509 --> 00:09:37,600

investigations too often

242

00:09:40,790 --> 00:09:39,519

and but i'm excited about that but a lot

243

00:09:43,030 --> 00:09:40,800

of it is working

244

00:09:45,430 --> 00:09:43,040

uh the historical stuff and it's funny

245

00:09:49,590 --> 00:09:45,440

because this case out of center county

246

00:09:52,070 --> 00:09:49,600

it really took me by interest because

247

00:09:53,990 --> 00:09:52,080

i've been getting reports out of there

248

00:09:55,990 --> 00:09:54,000

in the last couple years

249

00:09:57,750 --> 00:09:56,000

a lot more often than i ever have and if

250

00:10:01,110 --> 00:09:57,760

you look at uh

251
00:10:02,949 --> 00:10:01,120
bfro gcbro even the old pa bigfoot

252
00:10:04,470 --> 00:10:02,959
society website

253
00:10:06,790 --> 00:10:04,480
there aren't a lot of citing reports

254
00:10:09,750 --> 00:10:06,800
from that area listed

255
00:10:11,509 --> 00:10:09,760
but if i go through your blog through

256
00:10:13,509 --> 00:10:11,519
the search feature

257
00:10:15,590 --> 00:10:13,519
or i go back to various notes i have

258
00:10:18,630 --> 00:10:15,600
there's a lot of reports there

259
00:10:20,069 --> 00:10:18,640
that aren't listed anywhere so to me

260
00:10:20,790 --> 00:10:20,079
it's really interesting and i think it's

261
00:10:23,190 --> 00:10:20,800
because

262
00:10:24,710 --> 00:10:23,200
and i've said this many times during

263
00:10:26,870 --> 00:10:24,720

many interviews

264

00:10:28,870 --> 00:10:26,880

uh this part of the state up until

265

00:10:31,190 --> 00:10:28,880

recently wasn't a very

266

00:10:32,150 --> 00:10:31,200

actively investigated part of the state

267

00:10:33,990 --> 00:10:32,160

and it's a very

268

00:10:35,990 --> 00:10:34,000

conservative area to the state with a

269

00:10:38,230 --> 00:10:36,000

lot of hunters and outdoorsmen

270

00:10:39,509 --> 00:10:38,240

that don't like to report this stuff

271

00:10:42,949 --> 00:10:39,519

when they have a sighting

272

00:10:44,710 --> 00:10:42,959

right until a year years later so yeah

273

00:10:46,230 --> 00:10:44,720

when we get a report up here people kind

274

00:10:47,190 --> 00:10:46,240

of give me the whole well that was years

275

00:10:48,870 --> 00:10:47,200

ago

276

00:10:50,710 --> 00:10:48,880

well yeah but it still doesn't make it

277

00:10:53,269 --> 00:10:50,720

any less significant

278

00:10:54,870 --> 00:10:53,279

you know it still needs to be analyzed

279

00:10:56,470 --> 00:10:54,880

and looked at and though we might not be

280

00:10:57,190 --> 00:10:56,480

able to get anything physical from it we

281

00:10:59,030 --> 00:10:57,200

can build

282

00:11:01,269 --> 00:10:59,040

part of a profile and this is what

283

00:11:02,630 --> 00:11:01,279

happens when you're trying to actively

284

00:11:05,350 --> 00:11:02,640

investigate

285

00:11:06,870 --> 00:11:05,360

a creature lack of a better term right

286

00:11:08,550 --> 00:11:06,880

we we don't know what this is

287

00:11:10,069 --> 00:11:08,560

we'll fight for years if it's flesh and

288

00:11:11,190 --> 00:11:10,079

blood or it has some sort of other

289

00:11:13,030 --> 00:11:11,200

aspect to it

290

00:11:15,430 --> 00:11:13,040

but the fact of the matter is we can

291

00:11:16,870 --> 00:11:15,440

start building a profile around it

292

00:11:18,630 --> 00:11:16,880

so that's what i'm working on a lot of

293

00:11:19,990 --> 00:11:18,640

historical stuff and then this case that

294

00:11:22,710 --> 00:11:20,000

just popped down right in front of me

295

00:11:25,829 --> 00:11:22,720

i'm really just eager to get out there

296

00:11:27,509 --> 00:11:25,839

you know what we need to do now we

297

00:11:29,430 --> 00:11:27,519

started doing it with the uh

298

00:11:30,630 --> 00:11:29,440

the upright canines and dog men in

299

00:11:34,150 --> 00:11:30,640

pennsylvania

300

00:11:37,190 --> 00:11:34,160

even though my map got

301
00:11:37,590 --> 00:11:37,200
taken down somehow by google we need to

302
00:11:39,030 --> 00:11:37,600
take

303
00:11:42,069 --> 00:11:39,040
all the cryptid sightings in

304
00:11:44,710 --> 00:11:42,079
pennsylvania and document them somehow i

305
00:11:46,949 --> 00:11:44,720
mean i'm getting a lot of stuff

306
00:11:48,470 --> 00:11:46,959
reported to me that never gets in any of

307
00:11:50,629 --> 00:11:48,480
the databases

308
00:11:52,350 --> 00:11:50,639
uh with you you know with you guys or

309
00:11:57,350 --> 00:11:52,360
you know pennsylvania

310
00:11:59,269 --> 00:11:57,360
cryptozoology or any of these groups um

311
00:12:00,470 --> 00:11:59,279
even there's even a pennsylvania dog man

312
00:12:03,590 --> 00:12:00,480
group so i don't know

313
00:12:05,269 --> 00:12:03,600

um maybe i need to we need to do

314

00:12:07,750 --> 00:12:05,279

something about that i don't know

315

00:12:09,190 --> 00:12:07,760

well my brother ray did have a google

316

00:12:11,030 --> 00:12:09,200

earth file

317

00:12:13,350 --> 00:12:11,040

populated with all the cities in

318

00:12:14,870 --> 00:12:13,360

pennsylvania he was able to compile

319

00:12:17,670 --> 00:12:14,880

so if i could find that and send that

320

00:12:18,790 --> 00:12:17,680

your way that'd be a good first step

321

00:12:20,710 --> 00:12:18,800

and all that part when we were running

322

00:12:22,470 --> 00:12:20,720

the keystone bigfoot project that was a

323

00:12:24,710 --> 00:12:22,480

big goal of mine was to

324

00:12:26,310 --> 00:12:24,720

map bigfoot sightings in pa but i'm with

325

00:12:27,430 --> 00:12:26,320

you i think we need to go the next step

326

00:12:29,590 --> 00:12:27,440

further and

327

00:12:33,030 --> 00:12:29,600

document all the weird crap and get it

328

00:12:37,350 --> 00:12:33,040

and get it put up on a map somewhere

329

00:12:41,670 --> 00:12:37,360

yeah yeah

330

00:12:45,350 --> 00:12:44,389

well i mean it's uh it's kind of the

331

00:12:47,990 --> 00:12:45,360

opposite that

332

00:12:50,470 --> 00:12:48,000

you know from you guys uh you guys have

333

00:12:52,870 --> 00:12:50,480

got more stuff coming at you than

334

00:12:54,069 --> 00:12:52,880

uh you know the the law will probably

335

00:12:56,310 --> 00:12:54,079

allow

336

00:12:58,949 --> 00:12:56,320

uh here in mississippi it's it's it's a

337

00:13:02,069 --> 00:12:58,959

lot harder to come by

338

00:13:04,310 --> 00:13:02,079

people are are uh you know like

339

00:13:06,790 --> 00:13:04,320

like the old saying from monty python

340

00:13:10,230 --> 00:13:06,800

and the holy grail it's getting better

341

00:13:12,949 --> 00:13:10,240

but uh we're just not quite there yet

342

00:13:14,470 --> 00:13:12,959

people are real reticent to come forward

343

00:13:18,550 --> 00:13:14,480

still

344

00:13:20,310 --> 00:13:18,560

um just the other day though

345

00:13:22,389 --> 00:13:20,320

you know taking the opposite side of the

346

00:13:26,310 --> 00:13:22,399

coin uh

347

00:13:29,350 --> 00:13:26,320

a co-worker the uh

348

00:13:32,230 --> 00:13:29,360

well a former co-worker contacted me and

349

00:13:35,829 --> 00:13:32,240

sent me a picture they were out hiking

350

00:13:38,470 --> 00:13:35,839

uh out in uh on the edge

351
00:13:40,790 --> 00:13:38,480
of yazoo county and they sent me a

352
00:13:45,030 --> 00:13:40,800
picture of a possible track

353
00:13:47,269 --> 00:13:45,040
uh it was it was compelling

354
00:13:48,710 --> 00:13:47,279
i can't say for sure that it was or was

355
00:13:51,590 --> 00:13:48,720
not a track

356
00:13:54,389 --> 00:13:51,600
but considering the fact that we now

357
00:13:57,829 --> 00:13:54,399
know that that bigfoot is active

358
00:13:59,110 --> 00:13:57,839
in in this county and in mississippi

359
00:14:01,670 --> 00:13:59,120
period

360
00:14:04,790 --> 00:14:01,680
uh you know it's possible and the track

361
00:14:07,750 --> 00:14:04,800
was found close to a swampy area

362
00:14:08,470 --> 00:14:07,760
and down here in the south these

363
00:14:12,069 --> 00:14:08,480

creatures

364

00:14:13,430 --> 00:14:12,079

love swampy wetlands type areas it's

365

00:14:17,350 --> 00:14:13,440

it's the perfect

366

00:14:20,310 --> 00:14:17,360

place to hide

367

00:14:21,189 --> 00:14:20,320

lots of food and water sources so it's

368

00:14:22,629 --> 00:14:21,199

something that

369

00:14:24,389 --> 00:14:22,639

hopefully in the next couple of weeks

370

00:14:28,069 --> 00:14:24,399

i'll i'll look at

371

00:14:29,750 --> 00:14:28,079

a couple years ago i joined up with

372

00:14:31,269 --> 00:14:29,760

with mufon and became a field

373

00:14:34,310 --> 00:14:31,279

investigator

374

00:14:36,629 --> 00:14:34,320

and ufo sightings ufo sightings have

375

00:14:40,629 --> 00:14:36,639

been on the rise here in mississippi

376

00:14:43,990 --> 00:14:40,639

uh you know i i just about

377

00:14:45,910 --> 00:14:44,000

can't go a couple of weeks and not get a

378

00:14:47,750 --> 00:14:45,920

ufo sighting you know through through

379

00:14:49,910 --> 00:14:47,760

mufon

380

00:14:50,870 --> 00:14:49,920

yeah and some of them a couple of them

381

00:14:54,150 --> 00:14:50,880

are kind of

382

00:14:57,430 --> 00:14:54,160

what i would call historical sightings

383

00:14:59,189 --> 00:14:57,440

so uh and you know the

384

00:15:01,509 --> 00:14:59,199

i think long we talked about this when i

385

00:15:04,310 --> 00:15:01,519

was on you know months ago

386

00:15:04,870 --> 00:15:04,320

the uh the gates of hail area which is

387

00:15:08,069 --> 00:15:04,880

kind of a

388

00:15:10,470 --> 00:15:08,079

a paranormal hot spot that

389

00:15:13,829 --> 00:15:10,480

you know i kind of took under my wing or

390

00:15:15,670 --> 00:15:13,839

it took me under its wing or whatever

391

00:15:17,110 --> 00:15:15,680

i was out there just a couple of weeks

392

00:15:21,030 --> 00:15:17,120

ago and

393

00:15:23,990 --> 00:15:21,040

uh had i mean i had something just

394

00:15:25,189 --> 00:15:24,000

just plain old bizarre happen and occur

395

00:15:27,509 --> 00:15:25,199

and

396

00:15:29,269 --> 00:15:27,519

it just it just never fails every time i

397

00:15:31,350 --> 00:15:29,279

go out to this spot

398

00:15:33,430 --> 00:15:31,360

you know where these three indian mounds

399

00:15:37,670 --> 00:15:33,440

are at this confluence

400

00:15:38,310 --> 00:15:37,680

uh you know it it something happens and

401

00:15:41,829 --> 00:15:38,320

and

402

00:15:44,150 --> 00:15:41,839

i'll be totally honest with you

403

00:15:46,069 --> 00:15:44,160

you know me and mk davis first started

404

00:15:47,749 --> 00:15:46,079

going out there

405

00:15:50,069 --> 00:15:47,759

because of bigfoot because we thought

406

00:15:52,470 --> 00:15:50,079

that it was cryptid activity

407

00:15:53,990 --> 00:15:52,480

and i think now the line has blurred

408

00:15:56,550 --> 00:15:54,000

because so many things have happened

409

00:15:59,430 --> 00:15:56,560

to me that were that were paranormal i

410

00:16:02,949 --> 00:15:59,440

mean it's just no other way to say it so

411

00:16:04,550 --> 00:16:02,959

uh that that place will

412

00:16:06,150 --> 00:16:04,560

you think you're just gonna go out there

413

00:16:09,509 --> 00:16:06,160

and take some pictures

414

00:16:11,829 --> 00:16:09,519

and take some video uh

415

00:16:13,269 --> 00:16:11,839

and that place will just snap you to

416

00:16:14,949 --> 00:16:13,279

attention real quick

417

00:16:16,389 --> 00:16:14,959

every time you think that you're just

418

00:16:20,829 --> 00:16:16,399

gonna go for a

419

00:16:25,749 --> 00:16:22,069

wrong

420

00:16:28,550 --> 00:16:25,759

well we got a question here from vincent

421

00:16:31,829 --> 00:16:28,560

do you think paranormal activity

422

00:16:36,389 --> 00:16:31,839

increases during halloween

423

00:16:40,230 --> 00:16:36,399

what's your thoughts on that butch

424

00:16:41,990 --> 00:16:40,240

um yeah i think so uh

425

00:16:43,509 --> 00:16:42,000

but you know you can almost figure out

426

00:16:45,829 --> 00:16:43,519

what they are uh

427

00:16:46,629 --> 00:16:45,839

you know it's almost like the guiding

428

00:16:49,990 --> 00:16:46,639

gillies

429

00:16:52,710 --> 00:16:50,000

playing bigfoot but um

430

00:16:54,230 --> 00:16:52,720

i i think the history of halloween or

431

00:16:56,310 --> 00:16:54,240

all hollows

432

00:16:58,550 --> 00:16:56,320

i mean it just it just carries

433

00:17:01,110 --> 00:16:58,560

everybody's perception of you know

434

00:17:01,670 --> 00:17:01,120

the dark and gloomy full moon moon that

435

00:17:03,189 --> 00:17:01,680

might

436

00:17:06,230 --> 00:17:03,199

you know night with everything running

437

00:17:06,789 --> 00:17:06,240

around from from bigfoot to werewolves

438

00:17:09,909 --> 00:17:06,799

to

439

00:17:13,990 --> 00:17:09,919

else

440

00:17:17,189 --> 00:17:14,000

it's uh i i don't know that it's

441

00:17:20,309 --> 00:17:17,199

i think people really enjoy halloween

442

00:17:26,630 --> 00:17:20,319

you know our our friend and cohort uh

443

00:17:29,750 --> 00:17:28,150

there's halloween take the day after

444

00:17:32,789 --> 00:17:29,760

christmas

445

00:17:33,270 --> 00:17:32,799

yeah that's right i think i think you

446

00:17:35,430 --> 00:17:33,280

know

447

00:17:36,789 --> 00:17:35,440

it's i think people have a lot of fun

448

00:17:39,909 --> 00:17:36,799

with it

449

00:17:41,190 --> 00:17:39,919

especially the kids and uh unfortunately

450

00:17:44,230 --> 00:17:41,200

right now here

451
00:17:46,230 --> 00:17:44,240
we have a really cold rain and ain't too

452
00:17:47,990 --> 00:17:46,240
much activity outside but

453
00:17:50,390 --> 00:17:48,000
i'm sure they'll make up for tomorrow if

454
00:17:54,310 --> 00:17:50,400
it's nice out

455
00:17:58,870 --> 00:17:56,390
i think people get excited about it i

456
00:18:02,549 --> 00:17:58,880
think excitement's up but i don't think

457
00:18:03,350 --> 00:18:02,559
uh activity and the set true sense of

458
00:18:05,350 --> 00:18:03,360
the fuel

459
00:18:06,390 --> 00:18:05,360
you know true sense of the being

460
00:18:09,029 --> 00:18:06,400
actually

461
00:18:11,190 --> 00:18:09,039
uh picks up i think people's awareness

462
00:18:11,669 --> 00:18:11,200
and the predilection to being excited

463
00:18:13,430 --> 00:18:11,679

and

464

00:18:15,350 --> 00:18:13,440

about things that go bump in the night

465

00:18:16,870 --> 00:18:15,360

but i don't think i i think if even if

466

00:18:18,390 --> 00:18:16,880

we looked at the data

467

00:18:20,310 --> 00:18:18,400

i don't think there's anything that says

468

00:18:21,830 --> 00:18:20,320

because it's halloween the activity gets

469

00:18:24,150 --> 00:18:21,840

a little bit more

470

00:18:25,190 --> 00:18:24,160

uh prevalent i think it just does

471

00:18:27,510 --> 00:18:25,200

exciting

472

00:18:30,549 --> 00:18:27,520

yeah i agree with you i don't i don't

473

00:18:33,430 --> 00:18:30,559

really notice much of a difference

474

00:18:33,669 --> 00:18:33,440

so um well you would because you get it

475

00:18:36,789 --> 00:18:33,679

all

476
00:18:39,909 --> 00:18:36,799
day long so you would never i'm so used

477
00:18:46,230 --> 00:18:43,270
uh white yetis uh

478
00:18:46,870 --> 00:18:46,240
albino bigfoot any any albino sightings

479
00:18:48,310 --> 00:18:46,880
lately

480
00:18:50,549 --> 00:18:48,320
you know we had that one here in

481
00:18:53,110 --> 00:18:50,559
pennsylvania a while back

482
00:18:54,230 --> 00:18:53,120
uh but boy i don't i can't recall any of

483
00:18:57,590 --> 00:18:54,240
them since then

484
00:18:58,870 --> 00:18:57,600
do you guys remember any um my friend

485
00:19:02,230 --> 00:18:58,880
dan nadrello

486
00:19:04,710 --> 00:19:02,240
on facebook runs the uh i think white

487
00:19:05,830 --> 00:19:04,720
bipedal hominid website or uh facebook

488
00:19:08,150 --> 00:19:05,840

group

489

00:19:09,590 --> 00:19:08,160
is that right and uh it's about all

490

00:19:11,990 --> 00:19:09,600
about cataloging

491

00:19:12,950 --> 00:19:12,000
uh white or light-colored bigfoot

492

00:19:15,350 --> 00:19:12,960
sightings and there's a

493

00:19:17,510 --> 00:19:15,360
ton on there it's an exciting group to

494

00:19:18,549 --> 00:19:17,520
be a part of because the information

495

00:19:22,549 --> 00:19:18,559
gets

496

00:19:24,470 --> 00:19:22,559
there's a lot more than i ever thought

497

00:19:25,590 --> 00:19:24,480
i've been writing an article about the

498

00:19:27,909 --> 00:19:25,600
about this uh

499

00:19:29,830 --> 00:19:27,919
exact thing that'll be coming out soon

500

00:19:30,789 --> 00:19:29,840
uh it just kind of started with don

501
00:19:32,390 --> 00:19:30,799
keating's video

502
00:19:34,150 --> 00:19:32,400
in the you know early 90s i think it was

503
00:19:36,470 --> 00:19:34,160
92

504
00:19:38,390 --> 00:19:36,480
uh but yeah there's still sightings that

505
00:19:39,750 --> 00:19:38,400
happened uh somebody

506
00:19:42,390 --> 00:19:39,760
i wish i could remember who i was

507
00:19:43,750 --> 00:19:42,400
talking to just recently said they were

508
00:19:46,630 --> 00:19:43,760
investigating a uh

509
00:19:49,830 --> 00:19:46,640
light color blonde bigfoot uh sighting

510
00:19:53,430 --> 00:19:52,150
so they're still around cajun will get

511
00:19:56,150 --> 00:19:53,440
one i mean

512
00:19:57,350 --> 00:19:56,160
but like i said the one i think i was in

513
00:19:59,510 --> 00:19:57,360

the allegheny

514

00:20:01,110 --> 00:19:59,520
national forest around that area i

515

00:20:04,310 --> 00:20:01,120
remember that one

516

00:20:08,950 --> 00:20:04,320
around here but i uh i can't quite

517

00:20:16,310 --> 00:20:12,549
that's uh i'm not aware of any albino

518

00:20:17,669 --> 00:20:16,320
sightings in in in mississippi but i

519

00:20:21,510 --> 00:20:17,679
know of one

520

00:20:24,710 --> 00:20:21,520
that was captured on a video in texas

521

00:20:25,430 --> 00:20:24,720
you know texas has a lot of bigfoot

522

00:20:28,470 --> 00:20:25,440
activity

523

00:20:30,470 --> 00:20:28,480
and this family was being

524

00:20:31,909 --> 00:20:30,480
they were basically being terrorized on

525

00:20:35,350 --> 00:20:31,919
this farm

526

00:20:38,149 --> 00:20:35,360

and they managed to figure out a way to

527

00:20:38,630 --> 00:20:38,159

uh set up cameras and and catch a few of

528

00:20:41,750 --> 00:20:38,640

these

529

00:20:43,110 --> 00:20:41,760

things on on video and one of the ones

530

00:20:46,830 --> 00:20:43,120

that they caught

531

00:20:50,789 --> 00:20:46,840

uh it was white it was a a white albino

532

00:20:53,510 --> 00:20:50,799

bigfoot so they're there

533

00:20:55,990 --> 00:20:53,520

yeah i got a i got a guy who uh owns a

534

00:20:59,590 --> 00:20:56,000

ranch on guadalupe river and

535

00:21:02,149 --> 00:20:59,600

in the hill country in texas and

536

00:21:04,630 --> 00:21:02,159

he showed me some pretty interesting

537

00:21:07,029 --> 00:21:04,640

photographs over the years

538

00:21:08,230 --> 00:21:07,039

he said it's definite bituation there

539

00:21:11,990 --> 00:21:08,240

and

540

00:21:14,710 --> 00:21:12,000

um he did mention a lighter colored one

541

00:21:16,310 --> 00:21:14,720

yeah but i don't i don't you know other

542

00:21:17,990 --> 00:21:16,320

than that but there there seem to be a

543

00:21:20,549 --> 00:21:18,000

different varieties

544

00:21:21,110 --> 00:21:20,559

of colors and the ones that he's been

545

00:21:24,630 --> 00:21:21,120

seeing

546

00:21:27,830 --> 00:21:24,640

so i don't know i don't know that's

547

00:21:28,549 --> 00:21:27,840

uh i don't know it's just like anything

548

00:21:31,270 --> 00:21:28,559

else i guess

549

00:21:32,549 --> 00:21:31,280

it shows up then we talk about it you

550

00:21:33,510 --> 00:21:32,559

know i didn't say it that there's

551
00:21:36,149 --> 00:21:33,520
anything

552
00:21:36,950 --> 00:21:36,159
special about it rare right it's so rare

553
00:21:40,149 --> 00:21:36,960
that's yeah

554
00:21:41,830 --> 00:21:40,159
i mean you know albinism isn't that

555
00:21:44,549 --> 00:21:41,840
common in any

556
00:21:45,830 --> 00:21:44,559
no beaches so when you see it i guess

557
00:21:48,070 --> 00:21:45,840
the one thing that's been really

558
00:21:49,590 --> 00:21:48,080
interesting to me was the uh

559
00:21:51,510 --> 00:21:49,600
uh what do they call it the opposite the

560
00:21:53,990 --> 00:21:51,520
melanestic uh

561
00:21:55,669 --> 00:21:54,000
yeah cats cats and i think there was

562
00:21:57,029 --> 00:21:55,679
another animal i just saw recently that

563
00:21:59,029 --> 00:21:57,039

was pure

564

00:22:01,029 --> 00:21:59,039

pure black which was really different

565

00:22:03,590 --> 00:22:01,039

and cool it was uh

566

00:22:05,270 --> 00:22:03,600

who knows i'm sure that'll be the next

567

00:22:07,350 --> 00:22:05,280

thing

568

00:22:09,270 --> 00:22:07,360

well you know you go down further south

569

00:22:10,710 --> 00:22:09,280

and uh and even in mississippi because

570

00:22:11,669 --> 00:22:10,720

there's been some panther and cat

571

00:22:14,710 --> 00:22:11,679

sliding

572

00:22:17,350 --> 00:22:14,720

down there and uh

573

00:22:19,510 --> 00:22:17,360

all along the gulf coast you know

574

00:22:20,710 --> 00:22:19,520

there's been a lot of cat sightings and

575

00:22:23,830 --> 00:22:20,720

a lot of black cat

576

00:22:25,430 --> 00:22:23,840

black cat sightings that are probably

577

00:22:26,310 --> 00:22:25,440

florida panthers that are just

578

00:22:29,669 --> 00:22:26,320

melanistic

579

00:22:31,430 --> 00:22:29,679

so um you know one day we're gonna have

580

00:22:32,310 --> 00:22:31,440

to really take a better look into all

581

00:22:35,029 --> 00:22:32,320

that i mean

582

00:22:35,669 --> 00:22:35,039

as far as cryptozoology altogether

583

00:22:38,070 --> 00:22:35,679

because

584

00:22:39,750 --> 00:22:38,080

uh we know you know even though the

585

00:22:41,590 --> 00:22:39,760

state of pennsylvania is denied it

586

00:22:42,950 --> 00:22:41,600

always denies it we've got mountain

587

00:22:46,070 --> 00:22:42,960

lions here in pennsylvania

588

00:22:49,590 --> 00:22:46,080

and oh yeah i mean i saw one in maryland

589

00:22:52,070 --> 00:22:49,600

so i know they're here there's no

590

00:22:53,470 --> 00:22:52,080

fence that stops them you know it's not

591

00:22:56,470 --> 00:22:53,480

like an invisible

592

00:22:58,230 --> 00:22:56,480

anti-mountain lion shield up in pa that

593

00:23:00,549 --> 00:22:58,240

prevents it

594

00:23:01,590 --> 00:23:00,559

they killed one up in uh connecticut a

595

00:23:03,590 --> 00:23:01,600

couple years ago

596

00:23:04,870 --> 00:23:03,600

so they're getting they're coming down

597

00:23:05,430 --> 00:23:04,880

here i mean i don't know which way

598

00:23:07,830 --> 00:23:05,440

they're

599

00:23:09,350 --> 00:23:07,840

traveling some people seem to think they

600

00:23:12,230 --> 00:23:09,360

travel along southern

601
00:23:12,630 --> 00:23:12,240
canada and come back in you know either

602
00:23:15,350 --> 00:23:12,640
through

603
00:23:18,149 --> 00:23:15,360
new york or somewhere but then again

604
00:23:21,270 --> 00:23:18,159
they killed one in chicago years ago

605
00:23:23,029 --> 00:23:21,280
so i i don't know you know

606
00:23:24,470 --> 00:23:23,039
but they're here i mean it's just like

607
00:23:27,430 --> 00:23:24,480
it's you know

608
00:23:28,630 --> 00:23:27,440
we didn't have coyotes here 30 years ago

609
00:23:30,950 --> 00:23:28,640
now they're everywhere

610
00:23:32,789 --> 00:23:30,960
we short he'll have now we have these

611
00:23:35,669 --> 00:23:32,799
koi wolves as well

612
00:23:36,710 --> 00:23:35,679
which are a mix of uh well they have koi

613
00:23:38,630 --> 00:23:36,720

dogs too but

614

00:23:39,909 --> 00:23:38,640

they have the koi walls which are a mix

615

00:23:42,950 --> 00:23:39,919

of coyote and

616

00:23:45,190 --> 00:23:42,960

uh timber timberwolves

617

00:23:47,110 --> 00:23:45,200

that are coming down from canada and of

618

00:23:49,190 --> 00:23:47,120

course these coyotes have been mating

619

00:23:51,990 --> 00:23:49,200

with record dogs

620

00:23:53,269 --> 00:23:52,000

so uh yeah butch could tell you that the

621

00:23:55,669 --> 00:23:53,279

coin walls

622

00:23:57,350 --> 00:23:55,679

are thick in central pa well i have to

623

00:23:59,590 --> 00:23:57,360

tell you i was coming home one night

624

00:24:01,750 --> 00:23:59,600

probably about quarter of midnight down

625

00:24:03,830 --> 00:24:01,760

route 87 which is the northern part of

626
00:24:07,029 --> 00:24:03,840
central

627
00:24:10,549 --> 00:24:07,039
from between barbers to williamsport and

628
00:24:12,789 --> 00:24:10,559
a large canine crossed the road right in

629
00:24:13,669 --> 00:24:12,799
front of me and it was as wide as half

630
00:24:17,110 --> 00:24:13,679
the lane of

631
00:24:18,870 --> 00:24:17,120
half the road i mean it was huge and

632
00:24:21,510 --> 00:24:18,880
i actually stopped and pulled over and

633
00:24:25,110 --> 00:24:21,520
called my buddy brian

634
00:24:28,070 --> 00:24:25,120
who is a uh retired canine cop

635
00:24:28,470 --> 00:24:28,080
bro uh butch you've met brian and uh

636
00:24:32,710 --> 00:24:28,480
yeah

637
00:24:34,070 --> 00:24:32,720
of these coi wolves or something around

638
00:24:35,909 --> 00:24:34,080

here because uh

639

00:24:37,029 --> 00:24:35,919

none of his neighbor's dogs were out and

640

00:24:37,909 --> 00:24:37,039

it would have been further away from his

641

00:24:39,350 --> 00:24:37,919

neighbor's dog

642

00:24:40,870 --> 00:24:39,360

but it scared the crap at him i almost

643

00:24:42,310 --> 00:24:40,880

called butch and said hey i think i saw

644

00:24:47,990 --> 00:24:42,320

a dog man

645

00:24:51,909 --> 00:24:49,909

when we were in clearfield the ranger

646

00:24:56,710 --> 00:24:51,919

showed us

647

00:24:59,909 --> 00:24:56,720

pack of uh eight and a pack of ten

648

00:25:01,269 --> 00:24:59,919

they're huge i mean people think well

649

00:25:01,830 --> 00:25:01,279

you what are you talking like german

650

00:25:04,149 --> 00:25:01,840

shepherd

651
00:25:05,350 --> 00:25:04,159
huge and we're like no much bigger than

652
00:25:07,430 --> 00:25:05,360
that

653
00:25:10,870 --> 00:25:07,440
and you know people got to remember

654
00:25:12,470 --> 00:25:10,880
those coils they have a wolf mentality

655
00:25:14,070 --> 00:25:12,480
you may look at one or two in front of

656
00:25:17,190 --> 00:25:14,080
you but i'd be worried about the eight

657
00:25:21,830 --> 00:25:19,669
yeah you know i know up in canada up in

658
00:25:23,510 --> 00:25:21,840
southern ontario around toronto they've

659
00:25:25,510 --> 00:25:23,520
had those coils up there

660
00:25:26,950 --> 00:25:25,520
for over 20 years in fact they've been

661
00:25:27,669 --> 00:25:26,960
trapping them and trying to move them

662
00:25:30,710 --> 00:25:27,679
off

663
00:25:32,310 --> 00:25:30,720

but uh they've got a distinctive look to

664

00:25:34,470 --> 00:25:32,320

them they are

665

00:25:36,310 --> 00:25:34,480

uh they look like a wolf but they got

666

00:25:37,590 --> 00:25:36,320

longer lengthier legs on them like that

667

00:25:41,590 --> 00:25:37,600

of a coyote

668

00:25:44,630 --> 00:25:41,600

and they're big i mean you know so uh

669

00:25:46,549 --> 00:25:44,640

i imagine sean saw one first thing you

670

00:25:47,909 --> 00:25:46,559

think i was just a regular wolf and

671

00:25:50,230 --> 00:25:47,919

of course we don't have wolves here in

672

00:25:51,990 --> 00:25:50,240

pennsylvania well that's what i thought

673

00:25:53,990 --> 00:25:52,000

like my god that's a wolf i'm like well

674

00:25:57,029 --> 00:25:54,000

it's not quite it was big in it

675

00:25:58,390 --> 00:25:57,039

i mean it wasn't like you know it sat

676
00:25:59,909 --> 00:25:58,400
around there and waited for me to give

677
00:26:01,430 --> 00:25:59,919
it a treat and you know look at it but i

678
00:26:03,190 --> 00:26:01,440
mean i got a good enough you to know

679
00:26:03,669 --> 00:26:03,200
what the hell i was looking at it was

680
00:26:07,110 --> 00:26:03,679
just

681
00:26:08,710 --> 00:26:07,120
big and uh you know it kind of goes to

682
00:26:10,070 --> 00:26:08,720
the you know the reality of some of

683
00:26:11,029 --> 00:26:10,080
these things we look for whether you

684
00:26:13,510 --> 00:26:11,039
believe in the

685
00:26:15,350 --> 00:26:13,520
uh bigfoot or the dog man there are real

686
00:26:17,190 --> 00:26:15,360
animals out there that could potentially

687
00:26:19,110 --> 00:26:17,200
harm you and you need to be on alert and

688
00:26:20,549 --> 00:26:19,120

pay attention to

689

00:26:22,070 --> 00:26:20,559

your surroundings and what's going on

690

00:26:23,669 --> 00:26:22,080

out there these things will hurt you i

691

00:26:24,230 --> 00:26:23,679

mean it's not because they're malicious

692

00:26:26,710 --> 00:26:24,240

it's just

693

00:26:29,510 --> 00:26:26,720

their nature and you you know can't

694

00:26:33,510 --> 00:26:31,750

well marcus i you know what kind of have

695

00:26:34,470 --> 00:26:33,520

you had any canine slaves down there now

696

00:26:39,029 --> 00:26:34,480

i know

697

00:26:40,630 --> 00:26:39,039

i have had a few in alabama uh i'm

698

00:26:42,870 --> 00:26:40,640

up around birmingham all around

699

00:26:44,390 --> 00:26:42,880

birmingham the suburbs have been a lot

700

00:26:47,110 --> 00:26:44,400

of canine sightings

701
00:26:48,549 --> 00:26:47,120
big canine sightings there have you

702
00:26:51,750 --> 00:26:48,559
heard of anything like that in your neck

703
00:26:57,269 --> 00:26:53,830
i have not and that's that's something

704
00:27:00,710 --> 00:27:00,230
you know it's it's amazing to me i mean

705
00:27:13,909 --> 00:27:00,720
we get

706
00:27:15,990 --> 00:27:13,919
the whole schmear but

707
00:27:17,830 --> 00:27:16,000
you know since i started investigating

708
00:27:19,830 --> 00:27:17,840
you know a few years back

709
00:27:20,870 --> 00:27:19,840
i have yet to have somebody come up and

710
00:27:24,149 --> 00:27:20,880
say hey

711
00:27:26,149 --> 00:27:24,159
you know we saw what you know people are

712
00:27:29,990 --> 00:27:26,159
referring to as a dog man

713
00:27:34,310 --> 00:27:30,000

now i forget the name of the website

714

00:27:39,269 --> 00:27:34,320

uh they're on facebook oh gosh

715

00:27:41,430 --> 00:27:39,279

oh there's a page on facebook that is

716

00:27:43,110 --> 00:27:41,440

dedicated to dogman you guys may know

717

00:27:46,149 --> 00:27:43,120

what i'm talking about

718

00:27:49,190 --> 00:27:46,159

um but they they've got a map and

719

00:27:52,070 --> 00:27:49,200

and there are a smattering of

720

00:27:53,909 --> 00:27:52,080

you know dog man sightings in

721

00:27:55,590 --> 00:27:53,919

mississippi

722

00:27:57,269 --> 00:27:55,600

but they're very few and very far

723

00:28:00,630 --> 00:27:57,279

between and

724

00:28:01,669 --> 00:28:00,640

uh i i don't i don't know i i don't know

725

00:28:03,909 --> 00:28:01,679

whether

726

00:28:05,830 --> 00:28:03,919

you know dog man just is not as

727

00:28:06,870 --> 00:28:05,840

prevalent here in mississippi or whether

728

00:28:09,669 --> 00:28:06,880

people just

729

00:28:10,470 --> 00:28:09,679

won't talk about it uh i really don't

730

00:28:14,230 --> 00:28:10,480

know but

731

00:28:16,230 --> 00:28:14,240

i would love to get my hands on more

732

00:28:18,389 --> 00:28:16,240

more you know information and sightings

733

00:28:19,410 --> 00:28:18,399

about dog man i i would love to know

734

00:28:22,149 --> 00:28:19,420

more

735

00:28:24,710 --> 00:28:22,159

[Music]

736

00:28:26,470 --> 00:28:24,720

i'll be happy yeah i've been getting

737

00:28:29,750 --> 00:28:26,480

sightings down louisiana

738

00:28:32,149 --> 00:28:29,760

and um and

739

00:28:35,190 --> 00:28:32,159

alabama for the most part i mean it kind

740

00:28:37,110 --> 00:28:35,200

of got you surrounded so

741

00:28:39,269 --> 00:28:37,120

uh yeah definitely if i get any

742

00:28:40,549 --> 00:28:39,279

information i mean i have had people

743

00:28:43,110 --> 00:28:40,559

tell me about

744

00:28:45,269 --> 00:28:43,120

uh dogman upright canines in mississippi

745

00:28:49,430 --> 00:28:45,279

but i just haven't really gotten

746

00:28:51,750 --> 00:28:49,440

any accounts that i can really count on

747

00:28:52,710 --> 00:28:51,760

uh yeah i get anything down there you're

748

00:28:54,710 --> 00:28:52,720

definitely getting them

749

00:28:56,830 --> 00:28:54,720

i mean i see mississippi it's going to

750

00:28:59,029 --> 00:28:56,840

markets

751
00:29:02,389 --> 00:28:59,039
so well you know

752
00:29:04,950 --> 00:29:02,399
the uh i think you just recently

753
00:29:06,549 --> 00:29:04,960
i'm not sure i know recently you talked

754
00:29:09,669 --> 00:29:06,559
to dark waters right

755
00:29:13,830 --> 00:29:09,679
you know the radio

756
00:29:16,549 --> 00:29:13,840
uh well now he has an incredible

757
00:29:17,909 --> 00:29:16,559
uh dog man story that was from his

758
00:29:21,110 --> 00:29:17,919
childhood

759
00:29:24,230 --> 00:29:21,120
uh and at one point he even had uh

760
00:29:26,070 --> 00:29:24,240
an encounter himself and this occurred

761
00:29:27,669 --> 00:29:26,080
on the outskirts of a little town in

762
00:29:31,190 --> 00:29:27,679
mississippi called taylor's

763
00:29:34,149 --> 00:29:31,200

mississippi and uh

764

00:29:35,830 --> 00:29:34,159

you know i i mean just hearing what

765

00:29:38,630 --> 00:29:35,840

happened to him

766

00:29:39,029 --> 00:29:38,640

will send chills up your up your spine

767

00:29:41,669 --> 00:29:39,039

so

768

00:29:42,470 --> 00:29:41,679

uh taylor mississippi seems to be on the

769

00:29:45,990 --> 00:29:42,480

map

770

00:29:50,310 --> 00:29:46,000

as far as dog man goes but beyond that

771

00:29:53,750 --> 00:29:51,909

yeah i think i got an account from

772

00:29:53,990 --> 00:29:53,760

taylor mississippi as well be honest

773

00:29:58,470 --> 00:29:54,000

with

774

00:30:03,029 --> 00:29:58,480

you um i had to dig it up for you

775

00:30:07,029 --> 00:30:05,269

yeah i i don't know i you know i i'm

776

00:30:10,310 --> 00:30:07,039

trying to remember that story that

777

00:30:12,870 --> 00:30:10,320

that uh james dark waters

778

00:30:13,510 --> 00:30:12,880

mentioned and i i do know he had a real

779

00:30:17,750 --> 00:30:13,520

horrific

780

00:30:19,510 --> 00:30:17,760

encounter at one point but um

781

00:30:24,070 --> 00:30:19,520

anyway you know i don't i don't know

782

00:30:24,080 --> 00:30:28,070

what's that

783

00:30:31,909 --> 00:30:30,310

i think it was him and a friend of his

784

00:30:34,950 --> 00:30:31,919

who worked for the uh

785

00:30:36,470 --> 00:30:34,960

the local power company uh oh

786

00:30:38,230 --> 00:30:36,480

okay you know he's been hearing about

787

00:30:39,909 --> 00:30:38,240

you know dog

788

00:30:41,510 --> 00:30:39,919

you know being out in this area so he

789

00:30:43,830 --> 00:30:41,520

rode out with this guy who was with the

790

00:30:49,029 --> 00:30:43,840

power company and uh

791

00:30:52,870 --> 00:30:51,990

well you know you know that james is out

792

00:30:56,310 --> 00:30:52,880

he's got uh

793

00:31:00,149 --> 00:30:56,320

dog man cam's now a new website and

794

00:31:03,190 --> 00:31:00,159

he is he's actually out there

795

00:31:06,230 --> 00:31:03,200

uh setting up trail cams

796

00:31:11,269 --> 00:31:06,240

to capture dogman

797

00:31:14,549 --> 00:31:13,590

so uh i don't know i mean i i hope it

798

00:31:16,789 --> 00:31:14,559

works out for him

799

00:31:19,750 --> 00:31:16,799

i'm i'm kind of helping him out with it

800

00:31:22,870 --> 00:31:19,760

and i'm doing some advisor

801

00:31:24,070 --> 00:31:22,880

stuff with it with him for it so do you

802

00:31:26,149 --> 00:31:24,080

think it's going to work

803

00:31:27,830 --> 00:31:26,159

lon i mean the what what are the odds

804

00:31:29,590 --> 00:31:27,840

like you know they did that with bigfoot

805

00:31:31,509 --> 00:31:29,600

in the past remember they've had those

806

00:31:34,149 --> 00:31:31,519

big jams and

807

00:31:34,710 --> 00:31:34,159

it doesn't hurt to try right i just i

808

00:31:36,630 --> 00:31:34,720

don't know

809

00:31:37,990 --> 00:31:36,640

like that's why we do what we do my

810

00:31:40,630 --> 00:31:38,000

friend i mean i don't know

811

00:31:42,230 --> 00:31:40,640

i i don't i don't really know if it will

812

00:31:44,230 --> 00:31:42,240

work but then again

813

00:31:47,509 --> 00:31:44,240

i believe me if he gets one he's gonna

814

00:31:50,630 --> 00:31:47,519

let everybody know about it

815

00:31:54,070 --> 00:31:53,350

but uh no i uh we'll have to wait and

816

00:31:58,470 --> 00:31:54,080

see

817

00:32:02,070 --> 00:31:58,480

there was one captured on

818

00:32:04,950 --> 00:32:02,080

camera down in uh

819

00:32:06,149 --> 00:32:04,960

down in florida on with titusville or

820

00:32:10,710 --> 00:32:06,159

fort pierce

821

00:32:15,990 --> 00:32:10,720

video to

822

00:32:17,750 --> 00:32:16,000

uh to james and i looked at it

823

00:32:19,590 --> 00:32:17,760

because he's got it up on he's got it up

824

00:32:21,509 --> 00:32:19,600

on his youtube channel

825

00:32:22,789 --> 00:32:21,519

i don't know what the hell that was but

826

00:32:25,669 --> 00:32:22,799

boy did it look like

827

00:32:27,269 --> 00:32:25,679

an upright canine i mean it really did i

828

00:32:29,909 --> 00:32:27,279

mean it was a dark and it was

829

00:32:32,950 --> 00:32:29,919

more shadow than anything else but man i

830

00:32:36,870 --> 00:32:32,960

mean the outline was very interesting so

831

00:32:39,830 --> 00:32:36,880

that kind of sparked him and now he's uh

832

00:32:41,110 --> 00:32:39,840

he's he's renting these trail cams and

833

00:32:42,870 --> 00:32:41,120

stuff and

834

00:32:45,269 --> 00:32:42,880

going and setting them up all over the

835

00:32:47,110 --> 00:32:45,279

place down south so

836

00:32:48,630 --> 00:32:47,120

how do they how do they connect i mean i

837

00:32:49,990 --> 00:32:48,640

guess that may be technical talk we

838

00:32:53,029 --> 00:32:50,000

could talk about

839

00:32:55,590 --> 00:32:53,039

off the air but yeah yeah

840

00:32:57,269 --> 00:32:55,600

i think it's all wi-fi i mean i think he

841

00:32:59,669 --> 00:32:57,279

it's all wi-fi

842

00:33:01,669 --> 00:32:59,679

uh however he's got it hooked up to

843

00:33:03,029 --> 00:33:01,679

whatever servers or whatever it's got

844

00:33:05,750 --> 00:33:03,039

doing going on there

845

00:33:07,909 --> 00:33:05,760

i don't know i mean because you know we

846

00:33:10,230 --> 00:33:07,919

thought about doing something like this

847

00:33:11,350 --> 00:33:10,240

uh over the summer setting up a fake

848

00:33:13,669 --> 00:33:11,360

kind of camp

849

00:33:15,509 --> 00:33:13,679

and then a blind and actually staying in

850

00:33:18,870 --> 00:33:15,519

the blind and having all this stuff

851
00:33:20,310 --> 00:33:18,880
run uh through wires to like a camera

852
00:33:22,149 --> 00:33:20,320
system and having it up there for a

853
00:33:23,509 --> 00:33:22,159
while like with rotating people going in

854
00:33:26,230 --> 00:33:23,519
and out to kind of man it

855
00:33:27,509 --> 00:33:26,240
but it's a lot of tech and a lot of

856
00:33:29,029 --> 00:33:27,519
man-hours and just how

857
00:33:32,470 --> 00:33:29,039
you know the technical ability to pull

858
00:33:34,310 --> 00:33:32,480
it all together is pretty damn amazing

859
00:33:36,149 --> 00:33:34,320
it takes a lot of work and dedication to

860
00:33:39,830 --> 00:33:36,159
do that yeah that's right

861
00:33:43,430 --> 00:33:39,840
and uh we'll see that's all i could say

862
00:33:44,630 --> 00:33:43,440
so um hey folks if you got a question

863
00:33:47,590 --> 00:33:44,640

just go ahead and

864

00:33:47,990 --> 00:33:47,600

type it into the uh the chat and we'll

865

00:33:50,389 --> 00:33:48,000

see

866

00:33:51,430 --> 00:33:50,399

uh if we can all answer for you

867

00:33:54,149 --> 00:33:51,440

somebody's asked about

868

00:33:55,430 --> 00:33:54,159

goblin sightings any goblin sightings i

869

00:33:56,630 --> 00:33:55,440

guess this is the time of year for

870

00:33:58,710 --> 00:33:56,640

goblins so

871

00:34:00,710 --> 00:33:58,720

only me at dinner time when i'm gobbling

872

00:34:03,680 --> 00:34:00,720

down my food goblin

873

00:34:04,830 --> 00:34:03,690

wow that was a bad joke

874

00:34:08,149 --> 00:34:04,840

[Music]

875

00:34:11,349 --> 00:34:09,750

you know what though have you watched

876
00:34:13,750 --> 00:34:11,359
the uh hellier

877
00:34:14,629 --> 00:34:13,760
series i didn't watch it it's

878
00:34:16,230 --> 00:34:14,639
interesting

879
00:34:17,669 --> 00:34:16,240
now you could draw all kinds of

880
00:34:19,589 --> 00:34:17,679
conclusions it's just

881
00:34:21,669 --> 00:34:19,599
it's something else man just bringing up

882
00:34:23,430 --> 00:34:21,679
goblins what is that uh

883
00:34:25,589 --> 00:34:23,440
the name of that town oh hell here but

884
00:34:27,510 --> 00:34:25,599
uh the hopkinsville goblin

885
00:34:29,109 --> 00:34:27,520
hopkins real thing yeah we're gonna do

886
00:34:31,109 --> 00:34:29,119
we're gonna eventually do um

887
00:34:32,470 --> 00:34:31,119
yeah we're gonna do a documentary about

888
00:34:35,669 --> 00:34:32,480

that over here

889

00:34:38,950 --> 00:34:35,679

that's cool yeah so i'm i'm i've got

890

00:34:40,629 --> 00:34:38,960

just i'm working on the script now but

891

00:34:42,389 --> 00:34:40,639

we're we're doing all kinds of different

892

00:34:46,310 --> 00:34:42,399

things anything involving caves just

893

00:34:51,510 --> 00:34:49,510

well you know we do believe that the

894

00:34:53,430 --> 00:34:51,520

caves have a lot to do with the evol

895

00:34:55,909 --> 00:34:53,440

i mean you are involved with a lot of

896

00:34:58,150 --> 00:34:55,919

the upright canine settings here in

897

00:35:00,470 --> 00:34:58,160

pennsylvania so

898

00:35:01,510 --> 00:35:00,480

coal mines abandoned mines like all that

899

00:35:05,030 --> 00:35:01,520

stuff man

900

00:35:07,430 --> 00:35:05,040

this state's littered with them and it's

901
00:35:08,950 --> 00:35:07,440
who knows we really don't know and for

902
00:35:10,230 --> 00:35:08,960
years that's been speculation on the

903
00:35:13,349 --> 00:35:10,240
bigfoot stuff too

904
00:35:14,230 --> 00:35:13,359
right and sure so i mean it does make

905
00:35:16,790 --> 00:35:14,240
sense it is

906
00:35:19,030 --> 00:35:16,800
easily accessible shelter and

907
00:35:21,589 --> 00:35:19,040
subterranean access

908
00:35:22,790 --> 00:35:21,599
who knows i'm not brave enough to go in

909
00:35:25,270 --> 00:35:22,800
and try one

910
00:35:25,829 --> 00:35:25,280
and you know given my level of physical

911
00:35:27,190 --> 00:35:25,839
fitness

912
00:35:31,829 --> 00:35:27,200
i i don't know how many of those places

913
00:35:33,349 --> 00:35:31,839

i'd actually fit in yeah right

914

00:35:35,430 --> 00:35:33,359

well i'm in the same boat with you my

915

00:35:38,710 --> 00:35:35,440

friend um

916

00:35:41,430 --> 00:35:38,720

well you know now now butch you know

917

00:35:42,710 --> 00:35:41,440

the caves are just loaded in this state

918

00:35:46,710 --> 00:35:42,720

let alone

919

00:35:49,829 --> 00:35:46,720

all the abandoned government facilities

920

00:35:51,990 --> 00:35:49,839

here in pennsylvania as well uh

921

00:35:53,510 --> 00:35:52,000

you know especially from the war i mean

922

00:35:55,670 --> 00:35:53,520

from the world war ii

923

00:35:57,109 --> 00:35:55,680

they had all these munition areas here

924

00:35:58,470 --> 00:35:57,119

in the state of pennsylvania just

925

00:36:00,069 --> 00:35:58,480

abandoned now

926

00:36:01,589 --> 00:36:00,079

uh i think there's a place up there

927

00:36:02,710 --> 00:36:01,599

where you got where you're from up in

928

00:36:04,790 --> 00:36:02,720

williamsport

929

00:36:05,829 --> 00:36:04,800

that's uh either an old town or an old

930

00:36:08,630 --> 00:36:05,839

facility that

931

00:36:10,390 --> 00:36:08,640

is it's got a whole history has a lot of

932

00:36:12,630 --> 00:36:10,400

bigfoot activity as well

933

00:36:13,589 --> 00:36:12,640

yeah there's three cemeteries there too

934

00:36:16,950 --> 00:36:13,599

one of them i think

935

00:36:19,430 --> 00:36:16,960

is revolutionary war

936

00:36:20,390 --> 00:36:19,440

era and forward like it's it's got some

937

00:36:23,990 --> 00:36:20,400

history there

938

00:36:25,030 --> 00:36:24,000

it's the former town of alvira alvira

939

00:36:26,870 --> 00:36:25,040

that was taken

940

00:36:28,470 --> 00:36:26,880

by eminent domain by the government

941

00:36:30,069 --> 00:36:28,480

world war ii and it wasn't a booming

942

00:36:32,950 --> 00:36:30,079

metropolis by any means

943

00:36:33,910 --> 00:36:32,960

but it was a town people lived there and

944

00:36:35,750 --> 00:36:33,920

over the years

945

00:36:38,310 --> 00:36:35,760

it became one of those ammunitions

946

00:36:40,870 --> 00:36:38,320

facility a tnt factory it borders the

947

00:36:41,910 --> 00:36:40,880

allenwood federal penitentiary so it

948

00:36:44,470 --> 00:36:41,920

sure there's a

949

00:36:45,430 --> 00:36:44,480

it actually shares border wall within a

950

00:36:47,510 --> 00:36:45,440

fence

951
00:36:49,190 --> 00:36:47,520
i've been in that one cemetery and with

952
00:36:51,030 --> 00:36:49,200
my night vision camera

953
00:36:52,630 --> 00:36:51,040
my old sony handycam you could actually

954
00:36:56,150 --> 00:36:52,640
see these scope

955
00:36:57,510 --> 00:36:56,160
lasers from the uh feds pointing at us

956
00:36:59,589 --> 00:36:57,520
into the cemetery to see what we're

957
00:37:01,349 --> 00:36:59,599
doing looking through their scopes

958
00:37:03,109 --> 00:37:01,359
uh at us so it's a it's a pretty

959
00:37:04,069 --> 00:37:03,119
interesting place but over the years

960
00:37:06,069 --> 00:37:04,079
it's had

961
00:37:08,069 --> 00:37:06,079
some really uh interesting paranormal

962
00:37:10,310 --> 00:37:08,079
activity there and i wonder like does

963
00:37:11,829 --> 00:37:10,320

that share commonalities with the tnt

964

00:37:14,870 --> 00:37:11,839

area in point pleasant

965

00:37:19,349 --> 00:37:16,470

i was thinking the same thing which is

966

00:37:22,390 --> 00:37:19,359

funny i just got a question here from uh

967

00:37:25,030 --> 00:37:22,400

from ross do you

968

00:37:25,750 --> 00:37:25,040

blonde do you prioritize wing humanoid

969

00:37:28,470 --> 00:37:25,760

reports

970

00:37:30,390 --> 00:37:28,480

for over others no i really don't but i

971

00:37:30,710 --> 00:37:30,400

tell you when i get a report on one i'm

972

00:37:33,910 --> 00:37:30,720

i'm

973

00:37:35,670 --> 00:37:33,920

on it um you know

974

00:37:37,750 --> 00:37:35,680

you know this is something that we've

975

00:37:39,349 --> 00:37:37,760

really been working on for the last

976
00:37:41,349 --> 00:37:39,359
couple years

977
00:37:43,829 --> 00:37:41,359
and of course you know your friends is

978
00:37:44,950 --> 00:37:43,839
seth and he's been doing all the walkman

979
00:37:47,430 --> 00:37:44,960
stuff

980
00:37:49,349 --> 00:37:47,440
in recent years and there does seem to

981
00:37:52,790 --> 00:37:49,359
be more of a focus

982
00:37:55,030 --> 00:37:52,800
on mothman and winged humanoids so um

983
00:37:56,230 --> 00:37:55,040
you know i i i guess more people are

984
00:37:59,430 --> 00:37:56,240
much more aware of

985
00:38:02,150 --> 00:37:59,440
what the phenomena is now uh

986
00:38:04,069 --> 00:38:02,160
so i wouldn't say we prioritize it but

987
00:38:06,950 --> 00:38:04,079
yeah when we get it we're looking into

988
00:38:08,069 --> 00:38:06,960

it i kind of try to stay out of the

989

00:38:09,829 --> 00:38:08,079

flavor of the week

990

00:38:11,510 --> 00:38:09,839

with the cryptids you know because i

991

00:38:13,670 --> 00:38:11,520

think

992

00:38:15,670 --> 00:38:13,680

it becomes too easy for people to start

993

00:38:17,990 --> 00:38:15,680

contaminating it

994

00:38:20,390 --> 00:38:18,000

even with other researchers lon like

995

00:38:21,750 --> 00:38:20,400

it's it's hard to

996

00:38:24,630 --> 00:38:21,760

not that you ever want to restrict

997

00:38:26,550 --> 00:38:24,640

access to people but sometimes

998

00:38:27,670 --> 00:38:26,560

access needs to be restricted just so

999

00:38:30,150 --> 00:38:27,680

it's not

1000

00:38:32,390 --> 00:38:30,160

contaminated or just over saturated and

1001
00:38:33,910 --> 00:38:32,400
and it happens it happens in every field

1002
00:38:35,910 --> 00:38:33,920
if i get a bigfoot sighting i'm not

1003
00:38:37,589 --> 00:38:35,920
telling 42 people to go out there and

1004
00:38:40,630 --> 00:38:37,599
traipse along with it you know i want to

1005
00:38:43,670 --> 00:38:40,640
keep it uh its integrity is intact

1006
00:38:45,030 --> 00:38:43,680
as much as possible so uh

1007
00:38:46,710 --> 00:38:45,040
it's just one of those things like the

1008
00:38:48,069 --> 00:38:46,720
more popular it becomes sometimes the

1009
00:38:51,589 --> 00:38:48,079
less interested i am

1010
00:38:53,750 --> 00:38:51,599
in the moment catalog it check it out

1011
00:38:57,109 --> 00:38:53,760
and then you know follow up on it later

1012
00:38:59,750 --> 00:38:57,119
yeah yeah well i agree with you there

1013
00:39:01,670 --> 00:38:59,760

yeah you know and you know when we've

1014

00:39:03,910 --> 00:39:01,680

been doing this thing in chicago i i was

1015

00:39:06,310 --> 00:39:03,920

kind of worried about that

1016

00:39:08,069 --> 00:39:06,320

uh though i don't think that has really

1017

00:39:09,910 --> 00:39:08,079

become a problem

1018

00:39:11,270 --> 00:39:09,920

because uh of course we're gonna get

1019

00:39:14,470 --> 00:39:11,280

sightings that are just

1020

00:39:17,829 --> 00:39:14,480

definitely you know um

1021

00:39:21,109 --> 00:39:17,839

implausible i will say one thing if

1022

00:39:23,030 --> 00:39:21,119

it was as crazy as i thought it would be

1023

00:39:24,310 --> 00:39:23,040

i don't think you'd be able to catch up

1024

00:39:27,030 --> 00:39:24,320

with all the bigfoot or

1025

00:39:28,390 --> 00:39:27,040

all the mothman sightings if it was more

1026
00:39:29,190 --> 00:39:28,400
of a hoax do you know what i'm trying to

1027
00:39:32,390 --> 00:39:29,200
say

1028
00:39:34,550 --> 00:39:32,400
like if it was as popular as

1029
00:39:35,829 --> 00:39:34,560
it was supposed to be like you guys

1030
00:39:37,270 --> 00:39:35,839
wouldn't be able to catch up to the

1031
00:39:38,630 --> 00:39:37,280
paperwork like everybody and their

1032
00:39:42,069 --> 00:39:38,640
brother would be reporting something

1033
00:39:44,470 --> 00:39:42,079
every time they saw it in the sky

1034
00:39:46,470 --> 00:39:44,480
well that's the surprising thing i think

1035
00:39:47,270 --> 00:39:46,480
as far as what we've been dealing with

1036
00:39:50,470 --> 00:39:47,280
out there is

1037
00:39:52,870 --> 00:39:50,480
uh the sightings are

1038
00:39:53,589 --> 00:39:52,880

the witnesses are believable i mean and

1039

00:39:55,430 --> 00:39:53,599

they're

1040

00:39:56,870 --> 00:39:55,440

you know you've been doing this long

1041

00:40:00,150 --> 00:39:56,880

enough to know when you get a

1042

00:40:01,589 --> 00:40:00,160

report from somebody and it's crap

1043

00:40:03,190 --> 00:40:01,599

i mean you're gonna be able to sniff

1044

00:40:05,430 --> 00:40:03,200

that out pretty quick

1045

00:40:07,109 --> 00:40:05,440

well the guy i talked to bill one of the

1046

00:40:09,589 --> 00:40:07,119

first ones lon

1047

00:40:11,829 --> 00:40:09,599

like i found him to be the delivery

1048

00:40:15,510 --> 00:40:11,839

driver i found him to be

1049

00:40:17,109 --> 00:40:15,520

incredibly truthful and legitimate i

1050

00:40:18,870 --> 00:40:17,119

only ever investigated him just being

1051

00:40:20,790 --> 00:40:18,880

completely transparent i only ever

1052

00:40:22,550 --> 00:40:20,800

investigated that one with you i didn't

1053

00:40:24,470 --> 00:40:22,560

get to go out there to chicago because

1054

00:40:27,190 --> 00:40:24,480

we ain't living close to it

1055

00:40:30,309 --> 00:40:27,200

uh but i found him you know based

1056

00:40:33,510 --> 00:40:30,319

conversation be a very truthful person

1057

00:40:34,710 --> 00:40:33,520

oh yeah billy bands yeah he was very and

1058

00:40:37,430 --> 00:40:34,720

you know he has

1059

00:40:38,790 --> 00:40:37,440

physical problems because of it and

1060

00:40:40,230 --> 00:40:38,800

that's documented

1061

00:40:42,150 --> 00:40:40,240

through his doctor and everything so

1062

00:40:45,670 --> 00:40:42,160

yeah he's very credible

1063

00:40:48,870 --> 00:40:45,680

uh and you know i gotta say a a good

1064

00:40:52,150 --> 00:40:48,880

number of the witnesses were like that

1065

00:40:54,870 --> 00:40:52,160

uh you know they were coming up with

1066

00:40:56,550 --> 00:40:54,880

details that we just didn't publicize

1067

00:40:59,270 --> 00:40:56,560

that much

1068

00:41:00,069 --> 00:40:59,280

and of course there were a few uh

1069

00:41:01,750 --> 00:41:00,079

differences

1070

00:41:04,630 --> 00:41:01,760

and you know just made it part of the

1071

00:41:08,790 --> 00:41:07,030

you know have you seen mothman legacy

1072

00:41:11,109 --> 00:41:08,800

yet

1073

00:41:12,790 --> 00:41:11,119

uh yeah you know what i kind of found

1074

00:41:14,069 --> 00:41:12,800

really remarkable from that is that

1075

00:41:15,589 --> 00:41:14,079

after all these years there was stuff

1076

00:41:17,430 --> 00:41:15,599

about that i didn't know

1077

00:41:18,710 --> 00:41:17,440

yeah they watched the mothman legacy

1078

00:41:21,430 --> 00:41:18,720

like i didn't know

1079

00:41:21,990 --> 00:41:21,440

sightings happened before scarberry you

1080

00:41:24,470 --> 00:41:22,000

know that

1081

00:41:26,069 --> 00:41:24,480

that event i didn't know uh some of the

1082

00:41:26,710 --> 00:41:26,079

things that happened i didn't know about

1083

00:41:28,630 --> 00:41:26,720

uh

1084

00:41:30,309 --> 00:41:28,640

you know the information from the 70s

1085

00:41:31,750 --> 00:41:30,319

from the newspaper reporter like all

1086

00:41:33,109 --> 00:41:31,760

that was fresh to me

1087

00:41:34,790 --> 00:41:33,119

it's a good documentary i encourage

1088

00:41:36,630 --> 00:41:34,800

people to check it out mothman legacy

1089

00:41:40,150 --> 00:41:36,640

it's on every streaming platform

1090

00:41:41,109 --> 00:41:40,160

uh cheap plug but uh it was really

1091

00:41:42,630 --> 00:41:41,119

insightful

1092

00:41:45,030 --> 00:41:42,640

i mean it showed a lot and it kind of

1093

00:41:47,349 --> 00:41:45,040

gives me parallel to some of these other

1094

00:41:49,510 --> 00:41:47,359

you know winged you know humanoid

1095

00:41:51,589 --> 00:41:49,520

sightings even that have happened before

1096

00:41:52,790 --> 00:41:51,599

chicago because there have been reports

1097

00:41:55,990 --> 00:41:52,800

of these for

1098

00:41:56,950 --> 00:41:56,000

for some time uh i mean our our friend

1099

00:41:59,030 --> 00:41:56,960

uh

1100

00:42:00,870 --> 00:41:59,040

alberto i mean look at all his books

1101
00:42:02,470 --> 00:42:00,880
that he's written on wing humanoids

1102
00:42:05,030 --> 00:42:02,480
through uh

1103
00:42:07,030 --> 00:42:05,040
uh through the years you know how many

1104
00:42:11,109 --> 00:42:07,040
books has he written like 23 of them now

1105
00:42:14,069 --> 00:42:11,119
on the albert yeah yeah yeah yeah

1106
00:42:15,990 --> 00:42:14,079
next week actually yeah albert and jack

1107
00:42:19,750 --> 00:42:16,000
here are going to come on next week

1108
00:42:22,950 --> 00:42:19,760
and do a round table with me but um

1109
00:42:25,829 --> 00:42:22,960
yeah i mean i hatched seth on

1110
00:42:27,510 --> 00:42:25,839
three weeks ago and we played the

1111
00:42:29,750 --> 00:42:27,520
trailer and everything for the uh

1112
00:42:31,190 --> 00:42:29,760
for the film but it is it's an excellent

1113
00:42:32,950 --> 00:42:31,200

film

1114

00:42:34,630 --> 00:42:32,960

yeah there's a lot i tell you that's the

1115

00:42:35,990 --> 00:42:34,640

one thing about this phenomena you know

1116

00:42:37,589 --> 00:42:36,000

people think you know the story

1117

00:42:39,990 --> 00:42:37,599

a moth man but there's something you

1118

00:42:40,870 --> 00:42:40,000

always learn about it and uh you know

1119

00:42:44,069 --> 00:42:40,880

the lore

1120

00:42:48,150 --> 00:42:44,079

itself is what fascinates me and

1121

00:42:50,630 --> 00:42:48,160

um yeah it's it's a very good uh

1122

00:42:53,430 --> 00:42:50,640

it's a very good film got a question

1123

00:42:56,550 --> 00:42:53,440

here from dorian james elon do you think

1124

00:42:59,589 --> 00:42:56,560

dog man is responsible for some of

1125

00:43:02,150 --> 00:42:59,599

the missing people

1126

00:43:03,589 --> 00:43:02,160

they uh they think they they think it is

1127

00:43:05,030 --> 00:43:03,599

true and the government knows about

1128

00:43:08,069 --> 00:43:05,040

these beings

1129

00:43:13,829 --> 00:43:11,349

that's possible you know we um

1130

00:43:16,950 --> 00:43:13,839

i mean going back as far as we did into

1131

00:43:19,910 --> 00:43:16,960

the mid-1800s on these things

1132

00:43:20,630 --> 00:43:19,920

i mean we found some cases where you

1133

00:43:24,150 --> 00:43:20,640

know people

1134

00:43:26,390 --> 00:43:24,160

were attacked but not killed uh

1135

00:43:30,470 --> 00:43:26,400

on some cases where the dog men were

1136

00:43:35,820 --> 00:43:34,150

there we have 39 missing persons reports

1137

00:43:38,069 --> 00:43:35,830

here in pennsylvania

1138

00:43:41,270 --> 00:43:38,079

[Music]

1139

00:43:42,710 --> 00:43:41,280

that are unsolved uh

1140

00:43:44,470 --> 00:43:42,720

the couple that were solved were

1141

00:43:46,230 --> 00:43:44,480

basically older gentlemen that were out

1142

00:43:48,550 --> 00:43:46,240

hunting and just you know overdid their

1143

00:43:52,829 --> 00:43:48,560

heart ratio

1144

00:43:57,990 --> 00:43:55,829

yeah but possible

1145

00:44:00,470 --> 00:43:58,000

you know i kind of waver both ways on

1146

00:44:02,550 --> 00:44:00,480

that because of

1147

00:44:03,510 --> 00:44:02,560

you know it could be a lot of things

1148

00:44:09,670 --> 00:44:03,520

that would take you

1149

00:44:11,270 --> 00:44:09,680

in the woods you know a bear cougar uh

1150

00:44:13,270 --> 00:44:11,280

uh remember the whack job that was

1151

00:44:15,910 --> 00:44:13,280

killing people up on appalachian trail i

1152

00:44:18,230 --> 00:44:15,920

mean so it doesn't have to be anything

1153

00:44:20,390 --> 00:44:18,240

they could just be a human but i don't

1154

00:44:22,630 --> 00:44:20,400

know there's just not enough

1155

00:44:23,750 --> 00:44:22,640

i think when people get into the realm

1156

00:44:30,550 --> 00:44:23,760

of

1157

00:44:31,109 --> 00:44:30,560

rakes or whatever their whole mindset

1158

00:44:34,870 --> 00:44:31,119

changes

1159

00:44:38,150 --> 00:44:34,880

as far as investigators you know they

1160

00:44:40,069 --> 00:44:38,160

they don't go at it step by step to take

1161

00:44:44,470 --> 00:44:40,079

it at its worst

1162

00:44:47,030 --> 00:44:44,480

like uh the lady in north carolina um

1163

00:44:51,270 --> 00:44:47,040

it's a year now i guess that was

1164

00:44:53,270 --> 00:44:51,280

attacked a 77 year old school teacher

1165

00:44:55,430 --> 00:44:53,280

she was attacked by walking her dogs

1166

00:44:57,030 --> 00:44:55,440

dogs were fine she was shredded

1167

00:44:58,630 --> 00:44:57,040

all the dna testing and all the

1168

00:45:00,710 --> 00:44:58,640

information they had they're still it's

1169

00:45:04,150 --> 00:45:00,720

still an open investigation

1170

00:45:06,710 --> 00:45:04,160

they have not found anything

1171

00:45:08,390 --> 00:45:06,720

that corresponds uh with the type of

1172

00:45:10,470 --> 00:45:08,400

wounds that she suffered

1173

00:45:12,230 --> 00:45:10,480

nor have they connected any dna hair

1174

00:45:15,990 --> 00:45:12,240

samples or anything else

1175

00:45:19,190 --> 00:45:16,000

and they did dna testing on

1176

00:45:22,710 --> 00:45:19,200

i believe it was 14 local uh

1177

00:45:25,270 --> 00:45:22,720

pets dogs some very large and

1178

00:45:25,829 --> 00:45:25,280

they all had the dna of a canine but

1179

00:45:29,750 --> 00:45:25,839

they had

1180

00:45:32,950 --> 00:45:29,760

no such dna from her she wasn't eaten

1181

00:45:34,630 --> 00:45:32,960

so it's not a bear um or

1182

00:45:36,870 --> 00:45:34,640

uh you know she wasn't she wasn't

1183

00:45:39,670 --> 00:45:36,880

dragged away so it wasn't a cougar

1184

00:45:41,430 --> 00:45:39,680

panther or anything like that so to the

1185

00:45:43,589 --> 00:45:41,440

state they have no clue what killed that

1186

00:45:46,710 --> 00:45:43,599

woman but she was shredded

1187

00:45:48,710 --> 00:45:46,720

just uh even the ambulance even the

1188

00:45:50,470 --> 00:45:48,720

ambulance personnel and the one sheriff

1189

00:45:52,390 --> 00:45:50,480

that i got to talk to

1190

00:45:54,950 --> 00:45:52,400

he said you wouldn't believe what she

1191

00:45:56,470 --> 00:45:54,960

looked like he said just like

1192

00:45:59,349 --> 00:45:56,480

you know she went through a machine a

1193

00:46:01,349 --> 00:45:59,359

grinder and

1194

00:46:03,430 --> 00:46:01,359

she didn't put up any fight and there

1195

00:46:08,230 --> 00:46:03,440

were no parts missing

1196

00:46:10,069 --> 00:46:08,240

so who knows what's out there

1197

00:46:11,670 --> 00:46:10,079

like sean said you know pennsylvania we

1198

00:46:13,270 --> 00:46:11,680

have caves all over the place we have

1199

00:46:16,069 --> 00:46:13,280

abandoned towns

1200

00:46:17,190 --> 00:46:16,079

we have abandoned military facilities we

1201

00:46:18,950 --> 00:46:17,200

have abandoned

1202

00:46:22,150 --> 00:46:18,960

warehouses buildings they're all over

1203

00:46:25,829 --> 00:46:22,160

the state abandoned railroad stations

1204

00:46:27,030 --> 00:46:25,839

i mean something wants to go hide

1205

00:46:29,349 --> 00:46:27,040

somewhere

1206

00:46:31,349 --> 00:46:29,359

i find it strange that people will go

1207

00:46:32,710 --> 00:46:31,359

out and

1208

00:46:34,470 --> 00:46:32,720

you know they'll spend the whole day

1209

00:46:37,510 --> 00:46:34,480

walking around the place

1210

00:46:38,790 --> 00:46:37,520

but they won't go into a building or you

1211

00:46:41,349 --> 00:46:38,800

know check out a building

1212

00:46:42,710 --> 00:46:41,359

or now i'm not talking about caves

1213

00:46:44,470 --> 00:46:42,720

that's a whole different thing

1214

00:46:46,150 --> 00:46:44,480

uh we have a lot of equipment to do that

1215

00:46:48,470 --> 00:46:46,160

but uh

1216

00:46:49,750 --> 00:46:48,480

you know even gas analyzers because you

1217

00:46:51,109 --> 00:46:49,760

don't know what kind of gas is in the

1218

00:46:54,790 --> 00:46:51,119

cave

1219

00:46:55,349 --> 00:46:54,800

so uh but you know when you look at some

1220

00:46:57,990 --> 00:46:55,359

of these

1221

00:46:59,030 --> 00:46:58,000

old abandoned uh track stations that

1222

00:47:00,390 --> 00:46:59,040

they call them where one

1223

00:47:02,870 --> 00:47:00,400

crew would get off another crew would

1224

00:47:04,470 --> 00:47:02,880

get on to continue their out

1225

00:47:06,550 --> 00:47:04,480

i mean they have everything they have

1226

00:47:07,829 --> 00:47:06,560

very large basements they're normally

1227

00:47:10,630 --> 00:47:07,839

two stories they're

1228

00:47:11,589 --> 00:47:10,640

huge inside uh they're out of the

1229

00:47:15,190 --> 00:47:11,599

weather

1230

00:47:16,390 --> 00:47:15,200

you know uh they're all boarded up

1231

00:47:17,750 --> 00:47:16,400

some of them are boarded up but you can

1232

00:47:19,109 --> 00:47:17,760

open the door and walk right in i don't

1233

00:47:20,630 --> 00:47:19,119

know who did the board up job but he

1234

00:47:22,309 --> 00:47:20,640

really sucked

1235

00:47:23,990 --> 00:47:22,319

so i mean there's all kind of stuff out

1236

00:47:26,790 --> 00:47:24,000

there um right

1237

00:47:28,790 --> 00:47:26,800

and i i just started looking for the

1238

00:47:30,870 --> 00:47:28,800

things that shouldn't be there

1239

00:47:33,190 --> 00:47:30,880

that's what i want to see i want to see

1240

00:47:36,790 --> 00:47:33,200

the things that shouldn't be there

1241

00:47:38,710 --> 00:47:36,800

and um we'll see

1242

00:47:40,470 --> 00:47:38,720

this is whether you know we're going out

1243

00:47:41,829 --> 00:47:40,480

as soon as these leaves get off the

1244

00:47:42,790 --> 00:47:41,839

trees so we can get some cameras out

1245

00:47:45,910 --> 00:47:42,800

there

1246

00:47:49,750 --> 00:47:48,069

well we got a question here how about

1247

00:47:51,270 --> 00:47:49,760

for the sake of halloween what's the

1248

00:47:55,030 --> 00:47:51,280

scariest report

1249

00:48:00,230 --> 00:47:55,040

each of you have received so

1250

00:48:05,589 --> 00:48:03,270

well again i gotta i gotta go back to uh

1251
00:48:06,470 --> 00:48:05,599
you know the legend of hell's gate you

1252
00:48:09,670 --> 00:48:06,480
know here in

1253
00:48:11,190 --> 00:48:09,680
central mississippi uh me and another

1254
00:48:13,990 --> 00:48:11,200
researcher were

1255
00:48:14,549 --> 00:48:14,000
investigating uh one halloween night a

1256
00:48:18,390 --> 00:48:14,559
few

1257
00:48:21,589 --> 00:48:18,400
years ago and uh

1258
00:48:23,910 --> 00:48:21,599
we had gone out there looking for

1259
00:48:25,910 --> 00:48:23,920
potential bigfoot activity and i

1260
00:48:28,710 --> 00:48:25,920
definitely think we got it but

1261
00:48:30,549 --> 00:48:28,720
uh our first few minutes of being there

1262
00:48:32,710 --> 00:48:30,559
it was relatively quiet

1263
00:48:35,109 --> 00:48:32,720

we had been relatively quiet but i mean

1264

00:48:39,109 --> 00:48:35,119

we weren't just you know

1265

00:48:42,790 --> 00:48:39,119

running silent but after a while

1266

00:48:44,870 --> 00:48:42,800

i i had a led spotlight that i shined

1267

00:48:49,510 --> 00:48:44,880

out across the uh

1268

00:48:51,670 --> 00:48:49,520

the sunflower river and after i did that

1269

00:48:52,630 --> 00:48:51,680

i mean all hell broke loose i mean we

1270

00:49:03,750 --> 00:48:52,640

had

1271

00:49:05,349 --> 00:49:03,760

the sound of limbs breaking on top of

1272

00:49:09,190 --> 00:49:05,359

one of the mounds

1273

00:49:11,190 --> 00:49:09,200

uh i got hit with a rock

1274

00:49:13,589 --> 00:49:11,200

i mean something something threw a rock

1275

00:49:17,910 --> 00:49:13,599

and hit me got it on video

1276

00:49:18,870 --> 00:49:17,920

uh i mean and what was going on behind

1277

00:49:21,910 --> 00:49:18,880

us

1278

00:49:25,190 --> 00:49:21,920

uh we heard these i don't know

1279

00:49:27,670 --> 00:49:25,200

this was probably a coyote but

1280

00:49:29,109 --> 00:49:27,680

but all this stuff was going on at one

1281

00:49:32,390 --> 00:49:29,119

time

1282

00:49:33,990 --> 00:49:32,400

and you know it was it was pretty freaky

1283

00:49:38,470 --> 00:49:34,000

and

1284

00:49:41,270 --> 00:49:38,480

you know we we after so much of that

1285

00:49:43,670 --> 00:49:41,280

the old mind and the old common sense

1286

00:49:46,710 --> 00:49:43,680

kicks in and you're like you know

1287

00:49:47,349 --> 00:49:46,720

it's been real and it's been fun but

1288

00:49:49,270 --> 00:49:47,359

it's it's

1289

00:49:50,870 --> 00:49:49,280

it might be time to end the real fun and

1290

00:49:53,510 --> 00:49:50,880

get the heck out of here

1291

00:49:54,470 --> 00:49:53,520

so uh that was one of my halloween

1292

00:49:57,589 --> 00:49:54,480

nights at uh

1293

00:50:01,109 --> 00:49:57,599

at hills gate you know so

1294

00:50:05,990 --> 00:50:01,119

it was pretty pretty wild how are you

1295

00:50:11,829 --> 00:50:09,829

cool well i think you

1296

00:50:14,710 --> 00:50:11,839

you know the one i'd tell you was my own

1297

00:50:17,510 --> 00:50:14,720

experience out in clearfield

1298

00:50:18,150 --> 00:50:17,520

oh yeah and that had multiple witnesses

1299

00:50:21,349 --> 00:50:18,160

as well

1300

00:50:23,510 --> 00:50:21,359

uh me and two other gentlemen where this

1301
00:50:26,150 --> 00:50:23,520
thing kept disturbing us while we were

1302
00:50:27,829 --> 00:50:26,160
in our tent and it kept coming back uh

1303
00:50:29,270 --> 00:50:27,839
several times without me it's a very

1304
00:50:30,549 --> 00:50:29,280
long story and i've told it on the show

1305
00:50:33,589 --> 00:50:30,559
before

1306
00:50:36,069 --> 00:50:33,599
uh that was a pretty uh intense night

1307
00:50:37,349 --> 00:50:36,079
uh i mean other that i've experienced

1308
00:50:39,109 --> 00:50:37,359
personally

1309
00:50:40,549 --> 00:50:39,119
uh i would get this call from a

1310
00:50:42,950 --> 00:50:40,559
gentleman that lived out in the middle

1311
00:50:44,069 --> 00:50:42,960
of nowhere back in the early 2000s when

1312
00:50:47,430 --> 00:50:44,079
i just started

1313
00:50:50,790 --> 00:50:47,440

really getting into the research lawn

1314

00:50:53,190 --> 00:50:50,800

and uh one night i got a call at like

1315

00:50:55,030 --> 00:50:53,200

three in the morning my time

1316

00:50:56,790 --> 00:50:55,040

and this gentleman starts telling me

1317

00:50:58,710 --> 00:50:56,800

about these sounds he's hearing outside

1318

00:50:59,750 --> 00:50:58,720

his house and he stuck the phone out the

1319

00:51:03,109 --> 00:50:59,760

window

1320

00:51:04,390 --> 00:51:03,119

and you could hear these god forsaken

1321

00:51:07,190 --> 00:51:04,400

screams

1322

00:51:08,069 --> 00:51:07,200

that were coming from around his home

1323

00:51:10,630 --> 00:51:08,079

and uh

1324

00:51:12,630 --> 00:51:10,640

the phone went dead the one night uh in

1325

00:51:14,630 --> 00:51:12,640

the process of this and that was pretty

1326

00:51:16,630 --> 00:51:14,640

uh horrifying i don't even know what

1327

00:51:18,950 --> 00:51:16,640

happened to him i never looked into it

1328

00:51:20,230 --> 00:51:18,960

and never heard from him again but i

1329

00:51:22,230 --> 00:51:20,240

wish him well

1330

00:51:23,430 --> 00:51:22,240

i hope you're fine pal that was pretty

1331

00:51:25,430 --> 00:51:23,440

scary but my

1332

00:51:27,349 --> 00:51:25,440

own uh experience in clearfield and then

1333

00:51:29,510 --> 00:51:27,359

that always just terrified me this guy

1334

00:51:31,990 --> 00:51:29,520

would call me every few months

1335

00:51:33,589 --> 00:51:32,000

and uh with just these stories he had

1336

00:51:36,230 --> 00:51:33,599

these sightings and i used to think he

1337

00:51:37,750 --> 00:51:36,240

was full of crap and that one night with

1338

00:51:40,390 --> 00:51:37,760

the screams it just

1339

00:51:42,069 --> 00:51:40,400

i don't know man that that gets to you

1340

00:51:43,990 --> 00:51:42,079

and i was just a little baby bigfooter

1341

00:51:46,630 --> 00:51:44,000

back then like

1342

00:51:47,910 --> 00:51:46,640

hell it was it was frightening guys very

1343

00:51:51,270 --> 00:51:47,920

frightening

1344

00:51:54,950 --> 00:51:51,280

how about you butch

1345

00:51:56,710 --> 00:51:54,960

oh my let's see the most uh terrifying

1346

00:52:02,829 --> 00:51:56,720

encounter in halloween

1347

00:52:02,839 --> 00:52:06,390

halloween

1348

00:52:12,230 --> 00:52:09,750

well again also we have to be clearfield

1349

00:52:14,790 --> 00:52:12,240

county when we were on an expedition

1350

00:52:16,549 --> 00:52:14,800

and uh for the weekend we had tom

1351

00:52:17,910 --> 00:52:16,559

ferran's son matt and myself

1352

00:52:19,829 --> 00:52:17,920

and troy we were up there for the

1353

00:52:21,829 --> 00:52:19,839

weekend um

1354

00:52:22,950 --> 00:52:21,839

on mountain road where right below

1355

00:52:26,069 --> 00:52:22,960

mountain road and off the

1356

00:52:27,109 --> 00:52:26,079

off to the off to the west about a mile

1357

00:52:29,750 --> 00:52:27,119

and a half was our first

1358

00:52:30,950 --> 00:52:29,760

bipedal report and then the second one

1359

00:52:31,750 --> 00:52:30,960

was about 10 miles in the other

1360

00:52:35,990 --> 00:52:31,760

direction

1361

00:52:37,510 --> 00:52:36,000

but the it was on the whole weekend was

1362

00:52:38,790 --> 00:52:37,520

kind of unnerving because it was a full

1363

00:52:40,470 --> 00:52:38,800

moon weekend

1364

00:52:42,549 --> 00:52:40,480

we heard nothing in the woods i mean

1365

00:52:43,670 --> 00:52:42,559

nothing we didn't see anything we heard

1366

00:52:47,430 --> 00:52:43,680

nothing

1367

00:52:49,190 --> 00:52:47,440

no birds no deer and you know the ranger

1368

00:52:51,030 --> 00:52:49,200

uh was kind enough to come check on it a

1369

00:52:52,950 --> 00:52:51,040

couple times and

1370

00:52:54,470 --> 00:52:52,960

i said images are normally this quiet he

1371

00:52:57,750 --> 00:52:54,480

says no

1372

00:52:58,870 --> 00:52:57,760

he said that just uh he said what

1373

00:53:00,470 --> 00:52:58,880

what you're going through right now is

1374

00:53:01,990 --> 00:53:00,480

he said there's some kind of predator in

1375

00:53:04,150 --> 00:53:02,000

the area he said it could be a bear

1376

00:53:05,589 --> 00:53:04,160

could be this could be that it could be

1377

00:53:08,069 --> 00:53:05,599

coy wolves

1378

00:53:09,109 --> 00:53:08,079

or uh and i'm thinking myself yeah well

1379

00:53:11,190 --> 00:53:09,119

i hope

1380

00:53:13,510 --> 00:53:11,200

it's a lot more than that because that's

1381

00:53:15,190 --> 00:53:13,520

what we're set up for but

1382

00:53:17,750 --> 00:53:15,200

you know we couldn't keep a fire going

1383

00:53:19,990 --> 00:53:17,760

at night no wind

1384

00:53:22,549 --> 00:53:20,000

uh when the wind did come it came from

1385

00:53:24,309 --> 00:53:22,559

north and went south and went south went

1386

00:53:26,710 --> 00:53:24,319

north or east and west

1387

00:53:28,150 --> 00:53:26,720

and when i talked to the noaa people up

1388

00:53:29,829 --> 00:53:28,160

at penn state university

1389

00:53:31,349 --> 00:53:29,839

you know the guy says you know i said

1390

00:53:33,910 --> 00:53:31,359

how does that happen

1391

00:53:34,630 --> 00:53:33,920

you know our our little portable we

1392

00:53:36,630 --> 00:53:34,640

didn't have our big

1393

00:53:38,150 --> 00:53:36,640

uh weather station we had the portable

1394

00:53:39,990 --> 00:53:38,160

hanging in the tree

1395

00:53:42,230 --> 00:53:40,000

and that does the same thing and it's

1396

00:53:44,549 --> 00:53:42,240

all captured on an sd card

1397

00:53:46,150 --> 00:53:44,559

and i said but you know the wind changes

1398

00:53:47,430 --> 00:53:46,160

north south east west it doesn't go

1399

00:53:48,710 --> 00:53:47,440

anyplace else

1400

00:53:49,990 --> 00:53:48,720

and he said well he said it's not

1401
00:53:51,430 --> 00:53:50,000
unusual he said it's not going to happen

1402
00:53:52,950 --> 00:53:51,440
in pennsylvania he said but you couldn't

1403
00:53:54,470 --> 00:53:52,960
find it in the himalayas and i went like

1404
00:53:56,710 --> 00:53:54,480
oh okay great

1405
00:53:57,990 --> 00:53:56,720
but it was just uh it was eerie uh you

1406
00:54:01,589 --> 00:53:58,000
know like the full moon

1407
00:54:05,829 --> 00:54:01,599
uh all the coyote and coy wolves nothing

1408
00:54:09,030 --> 00:54:05,839
no howling basically dead silence

1409
00:54:13,829 --> 00:54:12,150
uh hey sean uh go ahead and talk about

1410
00:54:16,069 --> 00:54:13,839
clearfield again people want to hear

1411
00:54:18,069 --> 00:54:16,079
about that well so clearfield

1412
00:54:21,190 --> 00:54:18,079
i mean you really have to know

1413
00:54:23,670 --> 00:54:21,200

clearfield county has been a huge

1414

00:54:25,030 --> 00:54:23,680

uh area of bigfoot sightings over the

1415

00:54:26,630 --> 00:54:25,040

years i mean we're not talking about

1416

00:54:28,230 --> 00:54:26,640

recently we're talking about

1417

00:54:30,309 --> 00:54:28,240

since we've probably been collecting

1418

00:54:33,109 --> 00:54:30,319

bigfoot reports in ba

1419

00:54:35,030 --> 00:54:33,119

clearfield has had the sighting reports

1420

00:54:37,109 --> 00:54:35,040

large concentrations in the alleg you

1421

00:54:39,589 --> 00:54:37,119

know near the allegheny national forest

1422

00:54:41,109 --> 00:54:39,599

it's very wilderness type area in this

1423

00:54:43,829 --> 00:54:41,119

particular area we were at

1424

00:54:44,630 --> 00:54:43,839

rockton mountain uh there had been

1425

00:54:47,190 --> 00:54:44,640

sightings there

1426

00:54:50,230 --> 00:54:47,200

actually that year that october

1427

00:54:52,069 --> 00:54:50,240

september october we went long

1428

00:54:53,430 --> 00:54:52,079

that year there were a whole bunch of

1429

00:54:55,510 --> 00:54:53,440

sighting reports that happened which is

1430

00:54:56,230 --> 00:54:55,520

why we went to that area to kind of

1431

00:54:57,750 --> 00:54:56,240

elicit

1432

00:55:00,069 --> 00:54:57,760

you know see if we could you know pick

1433

00:55:01,589 --> 00:55:00,079

up some activity you know you go into

1434

00:55:02,390 --> 00:55:01,599

these areas and i don't think you ever

1435

00:55:04,470 --> 00:55:02,400

really

1436

00:55:05,990 --> 00:55:04,480

ever anticipate anything happening at

1437

00:55:09,270 --> 00:55:06,000

least i don't maybe because i'm more

1438

00:55:12,150 --> 00:55:09,280

cynical than i am uh you know practical

1439

00:55:13,910 --> 00:55:12,160

but uh we had some equipment in the tent

1440

00:55:15,270 --> 00:55:13,920

and we were setting up for the night and

1441

00:55:18,829 --> 00:55:15,280

there were uh derek uh

1442

00:55:22,470 --> 00:55:18,839

derek eric altman

1443

00:55:25,750 --> 00:55:22,480

uh ryan cavale

1444

00:55:27,510 --> 00:55:25,760

and uh dave rupert

1445

00:55:28,549 --> 00:55:27,520

were there with us uh at the beginning

1446

00:55:30,150 --> 00:55:28,559

of the evening we were gonna make a

1447

00:55:33,030 --> 00:55:30,160

whole weekend of it

1448

00:55:35,030 --> 00:55:33,040

uh we were three of us myself dustin

1449

00:55:36,950 --> 00:55:35,040

kinley and ray hendershot

1450

00:55:38,630 --> 00:55:36,960

uh we were the ones that actually stayed

1451

00:55:40,710 --> 00:55:38,640

in this area all night

1452

00:55:42,549 --> 00:55:40,720

right and as we're sitting there kind of

1453

00:55:43,990 --> 00:55:42,559

the fires going

1454

00:55:45,990 --> 00:55:44,000

i see something run through the

1455

00:55:48,470 --> 00:55:46,000

peripheral

1456

00:55:50,309 --> 00:55:48,480

uh into the woods you know only lit

1457

00:55:53,670 --> 00:55:50,319

right now by the campfire and some very

1458

00:55:55,510 --> 00:55:53,680

you know some moonlight and i looked

1459

00:55:57,750 --> 00:55:55,520

over at dustin real quick and dustin and

1460

00:55:59,270 --> 00:55:57,760

i stand up and we run to the

1461

00:56:00,789 --> 00:55:59,280

wood line because you can hear something

1462

00:56:02,470 --> 00:56:00,799

running through the

1463

00:56:03,589 --> 00:56:02,480

the brush and he and i both look at each

1464

00:56:04,950 --> 00:56:03,599

other like well that was pretty

1465

00:56:06,150 --> 00:56:04,960

interesting like you know at this point

1466

00:56:08,069 --> 00:56:06,160

we're thinking okay

1467

00:56:09,589 --> 00:56:08,079

maybe we had a deer or something run

1468

00:56:10,390 --> 00:56:09,599

through it's just our mind playing

1469

00:56:13,270 --> 00:56:10,400

tricks on us

1470

00:56:14,549 --> 00:56:13,280

you know whatever uh we just kind of

1471

00:56:16,309 --> 00:56:14,559

think well we'll sit here and see if we

1472

00:56:17,829 --> 00:56:16,319

can get anything else

1473

00:56:19,270 --> 00:56:17,839

you know throughout the night well we

1474

00:56:21,829 --> 00:56:19,280

wait a couple hours and nothing's

1475

00:56:24,549 --> 00:56:21,839

happening so we put the fire out

1476
00:56:25,829 --> 00:56:24,559
and we go into the tent yeah we're lying

1477
00:56:28,870 --> 00:56:25,839
there probably about 20

1478
00:56:30,069 --> 00:56:28,880
25 minutes and all of a sudden we hear

1479
00:56:33,109 --> 00:56:30,079
something

1480
00:56:35,750 --> 00:56:33,119
walking around the campsite

1481
00:56:36,630 --> 00:56:35,760
now there's a difference between bipedal

1482
00:56:40,150 --> 00:56:36,640
walking

1483
00:56:42,950 --> 00:56:40,160
and uh you know an animal on fours

1484
00:56:44,630 --> 00:56:42,960
walking around and i look over at you

1485
00:56:46,390 --> 00:56:44,640
know dustin i see his cell phone light

1486
00:56:47,990 --> 00:56:46,400
come on now there's no cell phone but in

1487
00:56:48,870 --> 00:56:48,000
the middle of this meadow we're camping

1488
00:56:50,710 --> 00:56:48,880

in

1489

00:56:52,309 --> 00:56:50,720

all right there's no cell phone service

1490

00:56:54,230 --> 00:56:52,319

and i'm talking like one bar someone

1491

00:56:57,190 --> 00:56:54,240

ain't even that great

1492

00:56:58,630 --> 00:56:57,200

uh so dusty did you hear that i'm like

1493

00:56:59,990 --> 00:56:58,640

yeah i hear it

1494

00:57:01,270 --> 00:57:00,000

you know i wonder what the heck it is so

1495

00:57:03,270 --> 00:57:01,280

we're lying there and we're hearing this

1496

00:57:06,870 --> 00:57:03,280

and ray saw and logs he's asleep

1497

00:57:09,190 --> 00:57:06,880

uh and

1498

00:57:10,470 --> 00:57:09,200

i go and i look up and we can see this

1499

00:57:14,309 --> 00:57:10,480

faint orange glow

1500

00:57:16,069 --> 00:57:14,319

coming from the outside of our tent

1501
00:57:17,750 --> 00:57:16,079
so dustin throws his boots on and goes

1502
00:57:18,069 --> 00:57:17,760
out and something had started the fire

1503
00:57:22,789 --> 00:57:18,079
back

1504
00:57:24,390 --> 00:57:22,799
onto the fire

1505
00:57:27,030 --> 00:57:24,400
and the fire was starting to rekindle

1506
00:57:29,030 --> 00:57:27,040
itself so he'll say sean come out here

1507
00:57:31,510 --> 00:57:29,040
look at this so i go to throw

1508
00:57:32,870 --> 00:57:31,520
my boots on and he goes throw me my gun

1509
00:57:34,150 --> 00:57:32,880
so i go to get out and i

1510
00:57:36,069 --> 00:57:34,160
literally threw him his gun like an

1511
00:57:37,670 --> 00:57:36,079
idiot and he goes holy [h__\h] look and

1512
00:57:39,829 --> 00:57:37,680
something runs up the hill of our

1513
00:57:41,670 --> 00:57:39,839

campsite

1514

00:57:42,870 --> 00:57:41,680

very similar to what ran through our

1515

00:57:45,990 --> 00:57:42,880

campsite earlier

1516

00:57:47,510 --> 00:57:46,000

that night okay so i wake right up we

1517

00:57:49,829 --> 00:57:47,520

get out

1518

00:57:52,150 --> 00:57:49,839

and like you can hear it running around

1519

00:57:54,230 --> 00:57:52,160

the perimeter of our campsite

1520

00:57:55,990 --> 00:57:54,240

it's freaking me out man okay because

1521

00:57:57,589 --> 00:57:56,000

like

1522

00:57:58,789 --> 00:57:57,599

you know you don't expect this to happen

1523

00:57:59,910 --> 00:57:58,799

and it's happening and you're like well

1524

00:58:02,870 --> 00:57:59,920

what the hell is this

1525

00:58:05,030 --> 00:58:02,880

is somebody messing with us out here uh

1526
00:58:07,349 --> 00:58:05,040
uh so we you know threw some verbal

1527
00:58:08,470 --> 00:58:07,359
warnings at it and uh you know kind of

1528
00:58:09,349 --> 00:58:08,480
if you don't show yourself we're gonna

1529
00:58:12,870 --> 00:58:09,359
start shooting

1530
00:58:15,349 --> 00:58:12,880
probably wouldn't but uh and it stops

1531
00:58:16,549 --> 00:58:15,359
so i get on the phone and i call dave

1532
00:58:17,990 --> 00:58:16,559
rupert's wife

1533
00:58:19,190 --> 00:58:18,000
and she you could call her encounter

1534
00:58:20,789 --> 00:58:19,200
this day i'm like you need to get these

1535
00:58:21,990 --> 00:58:20,799
guys back in here because i really don't

1536
00:58:23,990 --> 00:58:22,000
want to stay out here anymore tonight

1537
00:58:25,430 --> 00:58:24,000
it's just the three of us with god knows

1538
00:58:26,870 --> 00:58:25,440

what running around our campsite i'm

1539

00:58:28,390 --> 00:58:26,880

just not comfortable

1540

00:58:30,789 --> 00:58:28,400

well eric was sitting all the way back

1541

00:58:33,670 --> 00:58:30,799

home so he wasn't coming back

1542

00:58:36,309 --> 00:58:33,680

but dave and ryan were probably 45

1543

00:58:37,430 --> 00:58:36,319

minutes from our location so she goes

1544

00:58:38,150 --> 00:58:37,440

well i'll try to get a hold of these

1545

00:58:39,750 --> 00:58:38,160

guys

1546

00:58:41,270 --> 00:58:39,760

and i'll send them out your way so we're

1547

00:58:42,950 --> 00:58:41,280

sitting there and uh

1548

00:58:45,190 --> 00:58:42,960

you know about an hour and then dave and

1549

00:58:47,030 --> 00:58:45,200

ryan come out and you actually ryan

1550

00:58:48,870 --> 00:58:47,040

has our reactions filmed you could

1551

00:58:51,349 --> 00:58:48,880

probably see the film to this day of us

1552

00:58:52,549 --> 00:58:51,359

petrified wanting to be extracted out of

1553

00:58:54,870 --> 00:58:52,559

there

1554

00:58:55,829 --> 00:58:54,880

and uh they managed to talk us down like

1555

00:58:57,829 --> 00:58:55,839

hey you know what

1556

00:58:59,190 --> 00:58:57,839

this is why we're out here you guys are

1557

00:59:01,270 --> 00:58:59,200

out here getting some you know good

1558

00:59:02,549 --> 00:59:01,280

activity do you think you could stay

1559

00:59:04,390 --> 00:59:02,559

and we'll hang out with you for a little

1560

00:59:05,030 --> 00:59:04,400

bit and then we're gonna go okay fine

1561

00:59:06,549 --> 00:59:05,040

we'll stay

1562

00:59:09,430 --> 00:59:06,559

you made us seem like we're heroes we'll

1563

00:59:11,030 --> 00:59:09,440

go ahead and stay a little longer

1564

00:59:13,349 --> 00:59:11,040

you know we're out there nothing happens

1565

00:59:15,510 --> 00:59:13,359

so they go and leave

1566

00:59:17,190 --> 00:59:15,520

well about 35-40 minutes after they

1567

00:59:18,390 --> 00:59:17,200

leave

1568

00:59:21,109 --> 00:59:18,400

here comes something through our

1569

00:59:23,750 --> 00:59:21,119

campsite again well at this point we

1570

00:59:26,309 --> 00:59:23,760

are ready okay we jump out like we're a

1571

00:59:28,630 --> 00:59:26,319

two-man three-man extermination team

1572

00:59:30,309 --> 00:59:28,640

and i start yelling at this thing and

1573

00:59:33,750 --> 00:59:30,319

you could see it

1574

00:59:37,270 --> 00:59:33,760

just faintly moving from behind a tree

1575

00:59:40,630 --> 00:59:37,280

and back looking at us so dustin took

1576

00:59:42,230 --> 00:59:40,640

one of his uh glow sticks

1577

00:59:43,670 --> 00:59:42,240

he throws the glow stick out into the

1578

00:59:45,829 --> 00:59:43,680

woods

1579

00:59:47,349 --> 00:59:45,839

well something picks that glow stick up

1580

00:59:49,190 --> 00:59:47,359

and is walking around with it

1581

00:59:51,270 --> 00:59:49,200

and i yell at it it throws the glow

1582

00:59:52,150 --> 00:59:51,280

stick down well i had enough and i'm

1583

00:59:53,750 --> 00:59:52,160

like all right

1584

00:59:56,069 --> 00:59:53,760

obviously this is somebody messing with

1585

00:59:58,069 --> 00:59:56,079

us i said dustin get your gun ready so i

1586

01:00:00,230 --> 00:59:58,079

start yelling at this thing

1587

01:00:01,349 --> 01:00:00,240

that you know show yourself now we're

1588

01:00:02,230 --> 01:00:01,359

gonna start pumping you for a little bit

1589

01:00:03,990 --> 01:00:02,240

i've had enough

1590

01:00:05,349 --> 01:00:04,000

like shoot it dust and shoot it well

1591

01:00:07,030 --> 01:00:05,359

dustin couldn't shoot it because he

1592

01:00:10,390 --> 01:00:07,040

didn't want to commit a crime

1593

01:00:12,069 --> 01:00:10,400

and uh it did run off and uh

1594

01:00:14,069 --> 01:00:12,079

it just left us with this feeling it

1595

01:00:15,750 --> 01:00:14,079

kept coming back and i'm probably not

1596

01:00:17,750 --> 01:00:15,760

doing the story justice because i really

1597

01:00:20,789 --> 01:00:17,760

wasn't planning on talking about it

1598

01:00:22,390 --> 01:00:20,799

but uh the next morning uh we go back

1599

01:00:22,789 --> 01:00:22,400

and we lay down on the ten it starts to

1600

01:00:24,789 --> 01:00:22,799

rain

1601

01:00:26,549 --> 01:00:24,799

nothing's happening okay nothing happens

1602

01:00:29,109 --> 01:00:26,559

for the rest of the night

1603

01:00:30,230 --> 01:00:29,119

uh we get up the next morning we throw

1604

01:00:32,950 --> 01:00:30,240

everything into a tote

1605

01:00:34,870 --> 01:00:32,960

and i run with that tote to the mile and

1606

01:00:36,870 --> 01:00:34,880

a half two miles back to my

1607

01:00:38,950 --> 01:00:36,880

my van it took me probably eight minutes

1608

01:00:41,190 --> 01:00:38,960

to run that far and i'm fat okay that's

1609

01:00:43,510 --> 01:00:41,200

a feat for a guy my side

1610

01:00:44,950 --> 01:00:43,520

and i called my wife on the way home i

1611

01:00:46,390 --> 01:00:44,960

said i'm coming home early and she goes

1612

01:00:47,990 --> 01:00:46,400

we're supposed to be gone for the

1613

01:00:49,190 --> 01:00:48,000

weekend i'm like i'm done i'm done with

1614

01:00:50,150 --> 01:00:49,200

this [h__h] i don't want to do this

1615

01:00:51,750 --> 01:00:50,160

anymore

1616

01:00:53,270 --> 01:00:51,760

i'm finished and then i went home and

1617

01:00:54,710 --> 01:00:53,280

called eric and lana i even talked to

1618

01:00:55,349 --> 01:00:54,720

you i said i'm done i don't want to do

1619

01:00:58,230 --> 01:00:55,359

this

1620

01:00:58,789 --> 01:00:58,240

it left me with such fear because

1621

01:01:01,829 --> 01:00:58,799

whatever

1622

01:01:03,270 --> 01:01:01,839

it was didn't care that we were going to

1623

01:01:04,470 --> 01:01:03,280

harm it

1624

01:01:06,069 --> 01:01:04,480

maybe i didn't understand it maybe we

1625

01:01:07,670 --> 01:01:06,079

couldn't reason with it and it didn't

1626
01:01:09,510 --> 01:01:07,680
care that it was intruding in our space

1627
01:01:10,789 --> 01:01:09,520
and it kept coming back

1628
01:01:12,789 --> 01:01:10,799
and that was the thing that frightened

1629
01:01:13,750 --> 01:01:12,799
me the most is that it kept coming back

1630
01:01:15,670 --> 01:01:13,760
to us

1631
01:01:17,589 --> 01:01:15,680
and i didn't know what it was gonna do

1632
01:01:18,390 --> 01:01:17,599
and at one point when we were talking

1633
01:01:20,789 --> 01:01:18,400
about it later

1634
01:01:22,309 --> 01:01:20,799
ray said he distinctly remembers

1635
01:01:25,829 --> 01:01:22,319
something reaching and touching him

1636
01:01:27,430 --> 01:01:25,839
through the tent wall

1637
01:01:29,349 --> 01:01:27,440
i slept in the you know center of the

1638
01:01:31,109 --> 01:01:29,359

tent nothing would have touched me but

1639

01:01:32,789 --> 01:01:31,119

ray said he distinctly remembers being

1640

01:01:35,109 --> 01:01:32,799

touched and then i think about

1641

01:01:37,829 --> 01:01:35,119

uh you know my buddy billy willard who

1642

01:01:40,069 --> 01:01:37,839

was grabbed in his tent in paris texas

1643

01:01:43,430 --> 01:01:40,079

uh something grabbed his leg in the tent

1644

01:01:44,789 --> 01:01:43,440

and uh you know steve calls and uh

1645

01:01:46,309 --> 01:01:44,799

you start putting things together and

1646

01:01:48,870 --> 01:01:46,319

you're like well what the hell did we

1647

01:01:51,829 --> 01:01:48,880

experience out there and

1648

01:01:53,589 --> 01:01:51,839

it took me two years to go back to that

1649

01:01:55,109 --> 01:01:53,599

area guys two years it took me to get

1650

01:01:57,349 --> 01:01:55,119

the courage to go back and that was with

1651
01:02:00,549 --> 01:01:57,359
a large team of like 12 people

1652
01:02:02,069 --> 01:02:00,559
yeah you know i remember that distinctly

1653
01:02:05,270 --> 01:02:02,079
because it's funny i was

1654
01:02:06,549 --> 01:02:05,280
i was at home that night i mean i'm down

1655
01:02:10,390 --> 01:02:06,559
in maryland

1656
01:02:12,630 --> 01:02:10,400
and eric called me

1657
01:02:14,549 --> 01:02:12,640
and he says i don't know what the heck

1658
01:02:18,870 --> 01:02:14,559
you know we're on my way back from

1659
01:02:20,870 --> 01:02:18,880
from uh clearfield and uh

1660
01:02:22,390 --> 01:02:20,880
sean just called me did he call you and

1661
01:02:24,390 --> 01:02:22,400
you hadn't called me yet

1662
01:02:26,390 --> 01:02:24,400
i said no he said i don't know what the

1663
01:02:28,230 --> 01:02:26,400

hell is going on up there but he said

1664

01:02:29,750 --> 01:02:28,240

man he's scary shitless something's up

1665

01:02:31,750 --> 01:02:29,760

there in the camp

1666

01:02:34,549 --> 01:02:31,760

i said was anybody going back up he said

1667

01:02:36,390 --> 01:02:34,559

well i'm not well he's gonna have

1668

01:02:38,870 --> 01:02:36,400

somebody come up here i guess so

1669

01:02:42,069 --> 01:02:38,880

well dave rupert went back to look yeah

1670

01:02:43,510 --> 01:02:42,079

dave had had game cameras up right

1671

01:02:45,910 --> 01:02:43,520

now the one thing i didn't think about

1672

01:02:47,589 --> 01:02:45,920

and i i mention this sometimes not all

1673

01:02:49,750 --> 01:02:47,599

the time but while we're in the tent

1674

01:02:51,109 --> 01:02:49,760

as it started to rain there's this

1675

01:02:52,870 --> 01:02:51,119

bright flash of light

1676

01:02:54,230 --> 01:02:52,880

so i was like okay well there's a game

1677

01:02:56,230 --> 01:02:54,240

cam out there because i know dave put

1678

01:02:58,069 --> 01:02:56,240

game cams up

1679

01:02:59,040 --> 01:02:58,079

uh i wonder if that flash was from a

1680

01:03:00,470 --> 01:02:59,050

game camera

1681

01:03:02,630 --> 01:03:00,480

[Music]

1682

01:03:03,510 --> 01:03:02,640

so i talked to dave a couple days later

1683

01:03:06,150 --> 01:03:03,520

he goes no those

1684

01:03:07,430 --> 01:03:06,160

cameras didn't have any flashes on them

1685

01:03:09,670 --> 01:03:07,440

but none of the cameras

1686

01:03:11,109 --> 01:03:09,680

were posted towards the campsite per se

1687

01:03:14,390 --> 01:03:11,119

because we set the cam

1688

01:03:16,870 --> 01:03:14,400

we set the tents up after

1689

01:03:18,150 --> 01:03:16,880

he or before he had set up the the

1690

01:03:20,390 --> 01:03:18,160

cameras you know what i mean

1691

01:03:22,150 --> 01:03:20,400

like so it was just it was just weird

1692

01:03:24,150 --> 01:03:22,160

and like none of that

1693

01:03:25,589 --> 01:03:24,160

none of that got documented and the

1694

01:03:27,589 --> 01:03:25,599

[h__\h] of this is it really

1695

01:03:29,510 --> 01:03:27,599

pisses me off now in hindsight i had my

1696

01:03:31,750 --> 01:03:29,520

sony handycam

1697

01:03:33,270 --> 01:03:31,760

in the tent with night vision and we

1698

01:03:34,870 --> 01:03:33,280

probably could have used it to at least

1699

01:03:36,549 --> 01:03:34,880

see what we were looking at

1700

01:03:38,470 --> 01:03:36,559

but at no point again this is where you

1701

01:03:39,990 --> 01:03:38,480

empathize with witnesses because at

1702

01:03:42,789 --> 01:03:40,000

no point when you're going through this

1703

01:03:44,950 --> 01:03:42,799

do you think hey i need to grab that

1704

01:03:46,069 --> 01:03:44,960

you know what i mean maybe you know i

1705

01:03:47,589 --> 01:03:46,079

need to really grab

1706

01:03:49,109 --> 01:03:47,599

that and use it and i don't know how

1707

01:03:51,109 --> 01:03:49,119

many times i've heard people say it and

1708

01:03:52,630 --> 01:03:51,119

before i had my experience

1709

01:03:54,950 --> 01:03:52,640

i used to say well that's just the

1710

01:03:56,710 --> 01:03:54,960

biggest load of bs like whatever

1711

01:03:57,990 --> 01:03:56,720

until you go through and experience it

1712

01:03:59,990 --> 01:03:58,000

you're like no it's because you're just

1713

01:04:01,910 --> 01:04:00,000

not thinking about it at that moment

1714

01:04:02,950 --> 01:04:01,920

i'm thinking of self-preservation and

1715

01:04:04,549 --> 01:04:02,960

getting the hell out of there i'm not

1716

01:04:05,510 --> 01:04:04,559

thinking about taking one for the team

1717

01:04:08,230 --> 01:04:05,520

and getting evidence

1718

01:04:10,549 --> 01:04:08,240

you know like i want to get out it was a

1719

01:04:12,789 --> 01:04:10,559

horrible experience

1720

01:04:14,230 --> 01:04:12,799

well for folks who don't know what we're

1721

01:04:17,109 --> 01:04:14,240

talking about this was the

1722

01:04:19,270 --> 01:04:17,119

pennsylvania bigfoot society's research

1723

01:04:21,430 --> 01:04:19,280

area up in clearfield now

1724

01:04:22,470 --> 01:04:21,440

it's still in the research area you guys

1725

01:04:25,109 --> 01:04:22,480

still using it

1726

01:04:25,990 --> 01:04:25,119

yep you still use it well i have heard a

1727

01:04:29,109 --> 01:04:26,000

lot of stories

1728

01:04:33,109 --> 01:04:29,119

about what has gone on up there because

1729

01:04:35,510 --> 01:04:33,119

i know uh eric used to tell us about

1730

01:04:37,510 --> 01:04:35,520

uh they'd be out in the middle of the

1731

01:04:39,510 --> 01:04:37,520

meadow and they'd have

1732

01:04:41,349 --> 01:04:39,520

twigs and stones and stuff thrown from

1733

01:04:44,630 --> 01:04:41,359

both sides at them

1734

01:04:46,710 --> 01:04:44,640

and uh he had a pretty interesting ufo

1735

01:04:49,270 --> 01:04:46,720

encounter there as well

1736

01:04:50,549 --> 01:04:49,280

so um he was seeing all kinds of lights

1737

01:04:51,829 --> 01:04:50,559

in the sky that were just doing the

1738

01:04:53,589 --> 01:04:51,839

crazy stuff

1739

01:04:56,150 --> 01:04:53,599

so there's something definitely going on

1740

01:04:57,349 --> 01:04:56,160

up there and i have never been up there

1741

01:04:59,750 --> 01:04:57,359

unfortunately

1742

01:05:01,430 --> 01:04:59,760

well i can tell you alon that uh several

1743

01:05:02,789 --> 01:05:01,440

times i've been up there with other

1744

01:05:05,589 --> 01:05:02,799

investigators

1745

01:05:07,589 --> 01:05:05,599

and one thing we can all we could almost

1746

01:05:09,510 --> 01:05:07,599

depend on it while we're there is just

1747

01:05:11,430 --> 01:05:09,520

an unknown flash of light

1748

01:05:13,109 --> 01:05:11,440

for whatever reason it happens every

1749

01:05:15,670 --> 01:05:13,119

time we go up there it's happened to me

1750

01:05:17,670 --> 01:05:15,680

with brian and terry siege

1751

01:05:19,349 --> 01:05:17,680

it's happened to me with rupert like no

1752

01:05:21,270 --> 01:05:19,359

matter who i've been up there with

1753

01:05:23,109 --> 01:05:21,280

that flash of light has happened i've

1754

01:05:24,390 --> 01:05:23,119

tried to find a source for it there's no

1755

01:05:26,710 --> 01:05:24,400

source for it

1756

01:05:29,430 --> 01:05:26,720

i don't know what it is now nobody can

1757

01:05:31,510 --> 01:05:29,440

report any missing time or anything

1758

01:05:32,470 --> 01:05:31,520

but it's nonetheless something you

1759

01:05:34,309 --> 01:05:32,480

notate

1760

01:05:36,150 --> 01:05:34,319

you know when you get up there now

1761

01:05:37,589 --> 01:05:36,160

apparently this area it looks a lot

1762

01:05:37,910 --> 01:05:37,599

different now because they're starting

1763

01:05:41,510 --> 01:05:37,920

to

1764

01:05:43,029 --> 01:05:41,520

they're using it for other purposes now

1765

01:05:45,430 --> 01:05:43,039

keep your mind when i went to get a

1766

01:05:47,510 --> 01:05:45,440

permit to camp in this meadow

1767

01:05:51,029 --> 01:05:47,520

the dcnr had no idea what the hell we

1768

01:05:53,430 --> 01:05:51,039

were talking about up on google earth to

1769

01:05:54,950 --> 01:05:53,440

show them this spot

1770

01:05:57,029 --> 01:05:54,960

well they've been frank they frack up

1771

01:05:57,990 --> 01:05:57,039

there don't they i think they are now

1772

01:06:00,710 --> 01:05:58,000

but back then

1773

01:06:02,230 --> 01:06:00,720

you know 2012 that wasn't happening yeah

1774

01:06:04,470 --> 01:06:02,240

in that area it was just a gas

1775

01:06:06,870 --> 01:06:04,480

line you know that runs through the you

1776

01:06:09,430 --> 01:06:06,880

know the pipeline that runs through

1777

01:06:11,109 --> 01:06:09,440

and uh that's what it or whatever it is

1778

01:06:13,270 --> 01:06:11,119

it's like it's under the ground but it's

1779

01:06:15,349 --> 01:06:13,280

you know an open area that you can just

1780

01:06:16,950 --> 01:06:15,359

walk for miles on end

1781

01:06:18,549 --> 01:06:16,960

and then there was this meadow off in

1782

01:06:20,230 --> 01:06:18,559

the woods that

1783

01:06:21,829 --> 01:06:20,240

you know you should be able to get a

1784

01:06:23,349 --> 01:06:21,839

camping spot for and people should know

1785

01:06:24,789 --> 01:06:23,359

about it but they had no idea what the

1786

01:06:28,230 --> 01:06:24,799

hell we were talking about when we got a

1787

01:06:32,549 --> 01:06:30,950

well i i think we're going to talk about

1788

01:06:35,029 --> 01:06:32,559

creepy stories i think

1789

01:06:36,309 --> 01:06:35,039

in my instance and i've talked about

1790

01:06:38,630 --> 01:06:36,319

this before because i even got a

1791

01:06:42,150 --> 01:06:38,640

recording of the ebp

1792

01:06:45,349 --> 01:06:42,160

but um it was a case i was working with

1793

01:06:52,309 --> 01:06:49,029

they were in neath wales

1794

01:06:53,750 --> 01:06:52,319

which is right along the uh the severn

1795

01:06:56,870 --> 01:06:53,760

river

1796

01:06:57,829 --> 01:06:56,880

uh in southern west southwest southeast

1797

01:07:02,069 --> 01:06:57,839

wales

1798

01:07:05,349 --> 01:07:02,079

and there was a pub and they had some

1799

01:07:05,829 --> 01:07:05,359

strange activity going on and you know

1800

01:07:11,589 --> 01:07:05,839

we

1801
01:07:14,789 --> 01:07:11,599
had gotten all kinds of crazy i i should

1802
01:07:18,549 --> 01:07:14,799
sean some of this years ago but uh

1803
01:07:21,750 --> 01:07:18,559
we had stuff disappearing on camera and

1804
01:07:25,029 --> 01:07:21,760
uh a lot of crazy apparitions

1805
01:07:26,789 --> 01:07:25,039
and a lot of weird stuff and we did re

1806
01:07:28,789 --> 01:07:26,799
remove views there but we actually

1807
01:07:32,150 --> 01:07:28,799
worked the area

1808
01:07:35,109 --> 01:07:32,160
for a couple months but and

1809
01:07:37,190 --> 01:07:35,119
the reason why we got called in was

1810
01:07:38,470 --> 01:07:37,200
because the two guys who were running

1811
01:07:40,230 --> 01:07:38,480
the place

1812
01:07:42,150 --> 01:07:40,240
at separate apartments they were living

1813
01:07:45,029 --> 01:07:42,160

upstairs above it

1814

01:07:46,150 --> 01:07:45,039

and one morning they had come downstairs

1815

01:07:48,630 --> 01:07:46,160

and the bar

1816

01:07:49,670 --> 01:07:48,640

something had caught something had took

1817

01:07:54,950 --> 01:07:49,680

the sugar

1818

01:07:56,710 --> 01:07:54,960

the bar

1819

01:07:58,630 --> 01:07:56,720

another night another morning they came

1820

01:08:00,789 --> 01:07:58,640

down and all the candles in place were

1821

01:08:03,829 --> 01:08:00,799

lit

1822

01:08:05,910 --> 01:08:03,839

uh something was going on uh

1823

01:08:08,150 --> 01:08:05,920

people had commented about an apparition

1824

01:08:09,910 --> 01:08:08,160

walking through the place during the day

1825

01:08:11,670 --> 01:08:09,920

this little girl that was walking

1826
01:08:13,910 --> 01:08:11,680
through

1827
01:08:16,789 --> 01:08:13,920
well anyway we had uh we were in there

1828
01:08:20,950 --> 01:08:16,799
one night i was on my computer i was

1829
01:08:23,510 --> 01:08:20,960
watching it through skype and uh

1830
01:08:25,269 --> 01:08:23,520
the head investigator told me that they

1831
01:08:26,390 --> 01:08:25,279
were going to go ahead and do some evps

1832
01:08:27,669 --> 01:08:26,400
i said okay

1833
01:08:31,269 --> 01:08:27,679
that's fine so i'm sitting there

1834
01:08:34,470 --> 01:08:31,279
watching it hoping i could see something

1835
01:08:37,030 --> 01:08:34,480
and we had another group here in the u.s

1836
01:08:38,470 --> 01:08:37,040
uh part of our group on another computer

1837
01:08:42,789 --> 01:08:38,480
that were watching

1838
01:08:46,070 --> 01:08:44,630

we didn't really hear anything online

1839

01:08:47,749 --> 01:08:46,080

though the other group said they heard

1840

01:08:50,070 --> 01:08:47,759

some voices

1841

01:08:51,349 --> 01:08:50,080

well they wrapped up the investigation

1842

01:08:54,709 --> 01:08:51,359

oh and i have to say

1843

01:08:56,950 --> 01:08:54,719

the the the uh the head investigator

1844

01:08:58,149 --> 01:08:56,960

had two of her friends from london there

1845

01:09:00,630 --> 01:08:58,159

with them

1846

01:09:03,430 --> 01:09:00,640

uh it was a guy by it was uh his a guy

1847

01:09:05,510 --> 01:09:03,440

by the name of barry and his wife

1848

01:09:07,510 --> 01:09:05,520

and they were close friends of this this

1849

01:09:09,590 --> 01:09:07,520

person so anyway

1850

01:09:10,709 --> 01:09:09,600

uh they wrapped up everything packed up

1851

01:09:13,030 --> 01:09:10,719

so i'm home

1852

01:09:15,829 --> 01:09:13,040

i'm you know what like two three in the

1853

01:09:18,709 --> 01:09:15,839

morning here in the united states

1854

01:09:19,829 --> 01:09:18,719

and i got a phone call from her and she

1855

01:09:22,870 --> 01:09:19,839

calls me up

1856

01:09:25,030 --> 01:09:22,880

about 45 minutes after they left

1857

01:09:27,189 --> 01:09:25,040

and you know she lives in wales too she

1858

01:09:30,309 --> 01:09:27,199

lives up near carmarthen

1859

01:09:32,789 --> 01:09:30,319

and uh she says

1860

01:09:35,510 --> 01:09:32,799

lorne i gotta i gotta play this evp for

1861

01:09:36,870 --> 01:09:35,520

you i i can't believe what i'm hearing

1862

01:09:39,349 --> 01:09:36,880

i said i'm thinking about saying yeah

1863

01:09:40,630 --> 01:09:39,359

okay so she goes goes ahead and puts it

1864

01:09:43,829 --> 01:09:40,640

on there

1865

01:09:47,430 --> 01:09:45,510

i think the first thing you think is old

1866

01:09:51,110 --> 01:09:47,440

hag talking

1867

01:09:54,630 --> 01:09:51,120

this voice came out and said barry

1868

01:09:56,149 --> 01:09:54,640

you're gonna die now and it was distinct

1869

01:09:59,030 --> 01:09:56,159

and i've got to record it

1870

01:10:00,070 --> 01:09:59,040

i got to put it on here one day and i'm

1871

01:10:02,709 --> 01:10:00,080

thinking myself

1872

01:10:04,550 --> 01:10:02,719

well what are you going to do about this

1873

01:10:06,630 --> 01:10:04,560

is i don't know

1874

01:10:08,950 --> 01:10:06,640

she's i'm afraid to tell my friend and

1875

01:10:11,830 --> 01:10:08,960

you know my friends about this

1876

01:10:12,709 --> 01:10:11,840

and uh she said i said well don't tell

1877

01:10:15,510 --> 01:10:12,719

them

1878

01:10:16,550 --> 01:10:15,520

okay is that but i mean it was probably

1879

01:10:20,229 --> 01:10:16,560

the best evp

1880

01:10:21,590 --> 01:10:20,239

mvp i've ever heard so about a week

1881

01:10:23,189 --> 01:10:21,600

later

1882

01:10:25,350 --> 01:10:23,199

and we've been talking about this all

1883

01:10:25,750 --> 01:10:25,360

week about a week later she calls me

1884

01:10:28,870 --> 01:10:25,760

back

1885

01:10:31,669 --> 01:10:28,880

up on skype and she says lon i gotta

1886

01:10:34,149 --> 01:10:31,679

tell you barry's dead

1887

01:10:36,470 --> 01:10:34,159

i said what the hell happened to barry

1888

01:10:39,590 --> 01:10:36,480

they were home in london

1889

01:10:40,070 --> 01:10:39,600

and he was selling his car so these two

1890

01:10:42,790 --> 01:10:40,080

guys

1891

01:10:43,990 --> 01:10:42,800

were out there and he was talking to him

1892

01:10:47,830 --> 01:10:44,000

about this car

1893

01:10:47,840 --> 01:10:51,270

beat the hell out and killed him

1894

01:10:56,830 --> 01:10:54,950

so she eventually told the wife about

1895

01:11:00,470 --> 01:10:56,840

the evp

1896

01:11:03,110 --> 01:11:00,480

uh i i don't know i you know

1897

01:11:03,669 --> 01:11:03,120

i i did get the reporting according kept

1898

01:11:06,310 --> 01:11:03,679

it

1899

01:11:06,950 --> 01:11:06,320

she keeps she kept telling me do not

1900

01:11:09,590 --> 01:11:06,960

ever

1901

01:11:12,390 --> 01:11:09,600

play this for anybody but i did play it

1902

01:11:12,950 --> 01:11:12,400

on uh beyond the edge one time but it is

1903

01:11:15,910 --> 01:11:12,960

it is

1904

01:11:17,110 --> 01:11:15,920

very creepy but yeah the guy died like a

1905

01:11:22,229 --> 01:11:17,120

week later

1906

01:11:26,709 --> 01:11:25,350

just wow yeah it it the damnedest thing

1907

01:11:28,390 --> 01:11:26,719

that ever

1908

01:11:29,990 --> 01:11:28,400

i'd ever experienced you know i've seen

1909

01:11:32,550 --> 01:11:30,000

a lot of things and i've

1910

01:11:35,110 --> 01:11:32,560

heard a lot of things but you know as

1911

01:11:35,590 --> 01:11:35,120

far as a haunting or something like that

1912

01:11:42,550 --> 01:11:35,600

you just

1913

01:11:46,790 --> 01:11:42,560

experience but

1914

01:11:49,110 --> 01:11:46,800

yeah so guys i tell you what

1915

01:11:51,590 --> 01:11:49,120

uh we're gonna wrap this up and i i

1916

01:11:55,350 --> 01:11:51,600

1917

01:11:58,630 --> 01:11:55,360

01:12:09,030 --> 01:12:07,120
