9  
00:00:36,790 --> 00:00:34,709  
skinwalker crashes holiday gathering i

10  
00:00:38,470 --> 00:00:36,800  
was about 10 or 11 years old when i

11  
00:00:40,709 --> 00:00:38,480  
encountered a skinwalker

12  
00:00:42,790 --> 00:00:40,719  
my family always has a payo team meeting

13  
00:00:44,869 --> 00:00:42,800

on christmas and on new year's eve

14

00:00:46,950 --> 00:00:44,879

all my cousins and i were sleeping in my

15

00:00:49,029 --> 00:00:46,960

mom's hogan while most of our parents

16

00:00:50,709 --> 00:00:49,039

and guests were in the tp praying

17

00:00:52,790 --> 00:00:50,719

they said that a man saw something

18

00:00:53,189 --> 00:00:52,800

outside the tp and he told the fire

19

00:00:55,990 --> 00:00:53,199

chief

20

00:00:58,069 --> 00:00:56,000

and he told my uncle my uncle woke up my

21

00:00:59,670 --> 00:00:58,079

older brothers and they got out the guns

22

00:01:01,670 --> 00:00:59,680

in our spotlight to look for whatever

23

00:01:03,670 --> 00:01:01,680

was creeping around our houses

24

00:01:05,509 --> 00:01:03,680

we live in a small valley in the highest

25

00:01:07,750 --> 00:01:05,519

part of our part of the reservation

26

00:01:08,789 --> 00:01:07,760

near pinen all of a sudden i heard a

27

00:01:11,030 --> 00:01:08,799

loud gunshot

28

00:01:13,190 --> 00:01:11,040

my brother's thirty thirty it scared the

29

00:01:15,030 --> 00:01:13,200

hell out of me since i was fast asleep

30

00:01:17,109 --> 00:01:15,040

but my sister was the only one in the

31

00:01:19,030 --> 00:01:17,119

house with us and she already had burned

32

00:01:20,230 --> 00:01:19,040

some cedar and had said a protection

33

00:01:22,230 --> 00:01:20,240

prayer for us

34

00:01:23,990 --> 00:01:22,240

my brothers and one of my cousins were

35

00:01:25,590 --> 00:01:24,000

outside shooting at some sort of

36

00:01:26,070 --> 00:01:25,600

creature that was running around in an

37

00:01:28,390 --> 00:01:26,080

arroyo

38

00:01:30,230 --> 00:01:28,400

about half a mile from our house my

39

00:01:31,990 --> 00:01:30,240

niece and i had gotten out of our beds

40

00:01:33,590 --> 00:01:32,000

and were watching from the window

41

00:01:35,590 --> 00:01:33,600

they were sure that they had shot it a

42

00:01:36,710 --> 00:01:35,600

few times but it would just get up and

43

00:01:38,630 --> 00:01:36,720

run off again

44

00:01:40,069 --> 00:01:38,640

but when my mother and father smeared

45

00:01:41,990 --> 00:01:40,079

white ash on the bullets they

46

00:01:44,630 --> 00:01:42,000

started shooting again the creature left

47

00:01:46,149 --> 00:01:44,640

our valley it is a very taboo to do any

48

00:01:48,149 --> 00:01:46,159

sort of hunting or shooting during

49

00:01:49,590 --> 00:01:48,159

blessing ceremonies but something had

50

00:01:51,670 --> 00:01:49,600

too done that time

51  
00:02:01,030 --> 00:01:51,680  
that is as close as i have ever come to

52  
00:02:04,789 --> 00:02:03,350  
did we summon a skinwalker i live in

53  
00:02:06,630 --> 00:02:04,799  
rural southern nevada

54  
00:02:08,550 --> 00:02:06,640  
a buddy of mine and i encountered what

55  
00:02:09,430 --> 00:02:08,560  
we believe to be a skinwalker one night

56  
00:02:11,589 --> 00:02:09,440  
recently

57  
00:02:13,990 --> 00:02:11,599  
it was late i live towards the edge of

58  
00:02:16,070 --> 00:02:14,000  
town fairly close to the open desert

59  
00:02:18,070 --> 00:02:16,080  
i don't remember the time i'd estimate

60  
00:02:20,229 --> 00:02:18,080  
between 12 am and 2 am

61  
00:02:22,070 --> 00:02:20,239  
buddy of mine comes over and decides to

62  
00:02:23,670 --> 00:02:22,080  
spend the night hanging out with me

63  
00:02:25,510 --> 00:02:23,680

we were in the living room sitting near

64

00:02:27,670 --> 00:02:25,520

the side of the house right next to a

65

00:02:28,869 --> 00:02:27,680

couple closed and blinded windows

66

00:02:30,869 --> 00:02:28,879

we've been on the topic of the

67

00:02:32,710 --> 00:02:30,879

paranormal and cryptids when we began

68

00:02:33,910 --> 00:02:32,720

discussing navajo's southern paiute

69

00:02:35,589 --> 00:02:33,920

skinwalker lore

70

00:02:37,110 --> 00:02:35,599

we're about an hour in on that topic

71

00:02:39,110 --> 00:02:37,120

when we began hearing a faint but

72

00:02:40,229 --> 00:02:39,120

distinguishable pitter-patter directly

73

00:02:42,070 --> 00:02:40,239

outside the window

74

00:02:43,270 --> 00:02:42,080

pacing back and forth the length of the

75

00:02:45,110 --> 00:02:43,280

side of the house

76  
00:02:47,030 --> 00:02:45,120  
we suddenly dismissed it until we began

77  
00:02:48,550 --> 00:02:47,040  
to hear hyuna like cackling

78  
00:02:50,630 --> 00:02:48,560  
at that point we figured that we had

79  
00:02:52,470 --> 00:02:50,640  
attracted one to a spy speaking of them

80  
00:02:54,470 --> 00:02:52,480  
which is a staple of their lore

81  
00:02:56,309 --> 00:02:54,480  
so we decided the best course would be

82  
00:02:58,229 --> 00:02:56,319  
to not acknowledge it and carry on with

83  
00:02:59,910 --> 00:02:58,239  
our conversation until it left

84  
00:03:02,390 --> 00:02:59,920  
the pollock pacing and cackling

85  
00:03:03,990 --> 00:03:02,400  
continued for another 45 minutes or so

86  
00:03:05,670 --> 00:03:04,000  
and eventually stopped

87  
00:03:07,589 --> 00:03:05,680  
neither one of us were willing to open

88  
00:03:08,309 --> 00:03:07,599

the blinds or go outside until the

89

00:03:10,070 --> 00:03:08,319

morning

90

00:03:11,990 --> 00:03:10,080

when we woke up and went outside not

91

00:03:14,070 --> 00:03:12,000

only did we see dog prints lining the

92

00:03:15,750 --> 00:03:14,080

dirt directly outside of the windows

93

00:03:17,670 --> 00:03:15,760

we saw a set of abnormally large

94

00:03:19,509 --> 00:03:17,680

human-like footprints that ran from near

95

00:03:21,350 --> 00:03:19,519

the carport to the center of the yard

96

00:03:23,030 --> 00:03:21,360

before the tracks stopped dead

97

00:03:25,350 --> 00:03:23,040

each footprint was smaller and less

98

00:03:26,710 --> 00:03:25,360

imprinted to this day we are positive

99

00:03:27,830 --> 00:03:26,720

that we attracted or summoned a

100

00:03:29,830 --> 00:03:27,840

skinwalker

101  
00:03:31,509 --> 00:03:29,840  
even if that's not the correct cryptid i

102  
00:03:31,990 --> 00:03:31,519  
know for a fact that there was something

103  
00:03:40,550 --> 00:03:32,000  
outside

104  
00:03:45,270 --> 00:03:43,110  
two large black skinwalker dogs suddenly

105  
00:03:47,509 --> 00:03:45,280  
appear near gillette wyoming

106  
00:03:49,990 --> 00:03:47,519  
the story i'm going to share is a real

107  
00:03:53,030 --> 00:03:50,000  
experience i had on september 18

108  
00:03:53,589 --> 00:03:53,040  
2010 i was out at a friend's house whom

109  
00:03:56,309 --> 00:03:53,599  
i'll call

110  
00:03:58,550 --> 00:03:56,319  
jay about 15 miles outside gillette

111  
00:04:00,949 --> 00:03:58,560  
wyoming at about 2 a.m

112  
00:04:02,949 --> 00:04:00,959  
jay is a native lakota sioux and grew up

113  
00:04:04,630 --> 00:04:02,959

in wounded knee south dakota

114

00:04:06,869 --> 00:04:04,640

i'm white and i've always been into

115

00:04:09,110 --> 00:04:06,879

paranormal things have had encounters

116

00:04:11,190 --> 00:04:09,120

with ghosts and seen numerous ufos

117

00:04:12,470 --> 00:04:11,200

especially when i'm playing with a green

118

00:04:14,470 --> 00:04:12,480

laser pointer

119

00:04:16,550 --> 00:04:14,480

we were sitting there playing some video

120

00:04:18,629 --> 00:04:16,560

games and checking out some videos of

121

00:04:20,629 --> 00:04:18,639

new ones coming out soon

122

00:04:22,790 --> 00:04:20,639

while watching a preview of a game i

123

00:04:25,350 --> 00:04:22,800

commented that the japanese dude talking

124

00:04:27,510 --> 00:04:25,360

about it was giving off an alien vibe

125

00:04:29,350 --> 00:04:27,520

jay then said back to me why do you

126

00:04:31,430 --> 00:04:29,360

always talk about aliens

127

00:04:32,870 --> 00:04:31,440

of which he became notably disturbed

128

00:04:35,510 --> 00:04:32,880

sitting in his chair

129

00:04:37,189 --> 00:04:35,520

i replied i don't know i'm just getting

130

00:04:39,270 --> 00:04:37,199

a weird vibe from him

131

00:04:40,629 --> 00:04:39,280

jay then stood up out of his chair and

132

00:04:42,469 --> 00:04:40,639

asked if i wanted to go

133

00:04:45,189 --> 00:04:42,479

outside with him while he smoked a

134

00:04:47,189 --> 00:04:45,199

cigarette i agreed and grabbed my green

135

00:04:48,230 --> 00:04:47,199

laser out of my bag to point at the

136

00:04:51,110 --> 00:04:48,240

stars a bit

137

00:04:52,230 --> 00:04:51,120

and maybe see another ufo he's a few

138

00:04:54,150 --> 00:04:52,240

steps ahead of me

139

00:04:55,670 --> 00:04:54,160

and the sliding glass door is open

140

00:04:57,909 --> 00:04:55,680

already as i step out

141

00:04:59,510 --> 00:04:57,919

shut the door behind me and take a few

142

00:05:01,430 --> 00:04:59,520

steps to the railing

143

00:05:03,590 --> 00:05:01,440

we're standing there for about 10

144

00:05:06,310 --> 00:05:03,600

seconds and i point the laser around in

145

00:05:07,909 --> 00:05:06,320

the sky for about another 10 seconds

146

00:05:10,310 --> 00:05:07,919

then i point the laser towards the

147

00:05:12,629 --> 00:05:10,320

horizon on my right side just above a

148

00:05:14,230 --> 00:05:12,639

large bush or shrub about 10 foot tall

149

00:05:17,029 --> 00:05:14,240

and 15 feet wide

150

00:05:19,189 --> 00:05:17,039

that's about 30 feet away in jay's yard

151

00:05:21,110 --> 00:05:19,199

as soon as i did this the huge bush

152

00:05:21,749 --> 00:05:21,120

starts shaking violently for a few

153

00:05:25,110 --> 00:05:21,759

seconds

154

00:05:27,189 --> 00:05:25,120

as we both say wtf then the porch light

155

00:05:28,870 --> 00:05:27,199

crackles and makes a humming noise as it

156

00:05:32,070 --> 00:05:28,880

fizzles out in a second

157

00:05:32,710 --> 00:05:32,080

i said f this i'm going inside jay

158

00:05:35,430 --> 00:05:32,720

replies

159

00:05:36,870 --> 00:05:35,440

right and being closest to the door is

160

00:05:39,270 --> 00:05:36,880

sliding it open

161

00:05:41,270 --> 00:05:39,280

i'm about four steps away and managed to

162

00:05:41,670 --> 00:05:41,280

take my first step as a noise on the

163

00:05:43,350 --> 00:05:41,680

roof

164

00:05:45,510 --> 00:05:43,360

and another on the other side of the

165

00:05:47,830 --> 00:05:45,520

porch happen at the same time

166

00:05:49,510 --> 00:05:47,840

this noise is like some kind of base or

167

00:05:51,749 --> 00:05:49,520

something really strange

168

00:05:54,550 --> 00:05:51,759

hard to describe but i'll never forget

169

00:05:56,870 --> 00:05:54,560

it before i can even take my next step i

170

00:05:59,350 --> 00:05:56,880

was hit by this sound and strong wind as

171

00:06:01,830 --> 00:05:59,360

i'm feeling hands touch me all over

172

00:06:03,029 --> 00:06:01,840

i felt like i was in a tornado and doing

173

00:06:05,670 --> 00:06:03,039

ten flips

174

00:06:07,110 --> 00:06:05,680

i just hunched over closed my eyes and

175

00:06:09,749 --> 00:06:07,120

braced thinking this is it

176

00:06:12,629 --> 00:06:09,759

i'm being taken this chaotic wind and

177

00:06:14,710 --> 00:06:12,639

feeling goes on for about five seconds

178

00:06:16,309 --> 00:06:14,720

then it's calm and i realize i'm laying

179

00:06:19,590 --> 00:06:16,319

on my back i hear jay

180

00:06:21,990 --> 00:06:19,600

telling me to calm down just stay calm

181

00:06:24,550 --> 00:06:22,000

i open my eyes and my arms are crossed

182

00:06:26,230 --> 00:06:24,560

on my chest like some egyptian pharaoh

183

00:06:28,469 --> 00:06:26,240

jay is standing there in the open

184

00:06:31,110 --> 00:06:28,479

doorway centered in my line of sight

185

00:06:32,950 --> 00:06:31,120

and two very large black dogs or wolves

186

00:06:34,150 --> 00:06:32,960

are on each side of me growling and

187

00:06:37,430 --> 00:06:34,160

showing their very large

188

00:06:40,629 --> 00:06:37,440

teeth i don't look at the dogs directly

189

00:06:42,710 --> 00:06:40,639

jay says just be calm relax man as he

190

00:06:45,430 --> 00:06:42,720

puts his hand out to pick me up

191

00:06:47,590 --> 00:06:45,440

i oblige and grab his hand then stand up

192

00:06:48,950 --> 00:06:47,600

shaking in shock and fear as the dogs

193

00:06:51,830 --> 00:06:48,960

stop growling

194

00:06:53,990 --> 00:06:51,840

i mutter out there fast to which jay

195

00:06:56,309 --> 00:06:54,000

chuckles and says yeah and takes a step

196

00:06:58,629 --> 00:06:56,319

back standing in the open doorway

197

00:06:59,909 --> 00:06:58,639

just then jay's girlfriend comes walking

198

00:07:02,150 --> 00:06:59,919

through the kitchen saying

199

00:07:03,430 --> 00:07:02,160

what was that noise she comes to the

200

00:07:05,270 --> 00:07:03,440

door next to jay

201  
00:07:07,749 --> 00:07:05,280  
sees me standing there on the porch

202  
00:07:11,110 --> 00:07:07,759  
between these two huge wire-haired dogs

203  
00:07:13,350 --> 00:07:11,120  
and says oh dogs a little chuckle and

204  
00:07:15,430 --> 00:07:13,360  
remains silent standing next to jay

205  
00:07:18,790 --> 00:07:15,440  
inside with the door open

206  
00:07:21,589 --> 00:07:18,800  
jay tells me to sit down and just become

207  
00:07:22,950 --> 00:07:21,599  
i do it when i sit down the dogs begin

208  
00:07:24,710 --> 00:07:22,960  
to growl again

209  
00:07:26,629 --> 00:07:24,720  
i then look at the one on my right

210  
00:07:28,390 --> 00:07:26,639  
making eye contact with it

211  
00:07:30,710 --> 00:07:28,400  
its eyes are about the size of a

212  
00:07:32,870 --> 00:07:30,720  
softball and look as if a spiraling

213  
00:07:35,270 --> 00:07:32,880

green galaxy is in each one

214

00:07:37,670 --> 00:07:35,280

they are majestically beautiful the

215

00:07:38,710 --> 00:07:37,680

beauty is quickly forgotten as soon as i

216

00:07:41,270 --> 00:07:38,720

look at them

217

00:07:43,110 --> 00:07:41,280

my brain inside my skull feels like it's

218

00:07:45,990 --> 00:07:43,120

being squeezed down to the size of a

219

00:07:48,230 --> 00:07:46,000

baseball slowly for about 10 seconds

220

00:07:50,629 --> 00:07:48,240

i closed my eyes after a few seconds

221

00:07:53,830 --> 00:07:50,639

from the agony and started to say no

222

00:07:55,430 --> 00:07:53,840

no no nuo at the moment i thought my

223

00:07:57,430 --> 00:07:55,440

brain was going to implode

224

00:07:59,830 --> 00:07:57,440

i had a very real vision of the earth

225

00:08:01,189 --> 00:07:59,840

burning and felt the loss and sorrow of

226

00:08:03,270 --> 00:08:01,199

losing everyone

227

00:08:05,350 --> 00:08:03,280

i screamed out in the pain and said

228

00:08:08,150 --> 00:08:05,360

please god don't kill me

229

00:08:09,350 --> 00:08:08,160

at the top of my lungs at that moment a

230

00:08:11,029 --> 00:08:09,360

pan or something fell

231

00:08:13,270 --> 00:08:11,039

in the kitchen clanging around in the

232

00:08:13,830 --> 00:08:13,280

sink it startled everyone including the

233

00:08:16,469 --> 00:08:13,840

dogs

234

00:08:18,390 --> 00:08:16,479

and my head was released from this grasp

235

00:08:18,950 --> 00:08:18,400

as both the dogs looked towards the

236

00:08:21,350 --> 00:08:18,960

inside

237

00:08:23,749 --> 00:08:21,360

without a moment's hesitation bolted as

238

00:08:26,230 --> 00:08:23,759

that strange noise was made again

239

00:08:28,390 --> 00:08:26,240

they departed in a fraction of a second

240

00:08:30,230 --> 00:08:28,400

i sat there bewildered and teary-eyed as

241

00:08:32,469 --> 00:08:30,240

jay put his hand down to me again

242

00:08:33,750 --> 00:08:32,479

and helped me up he said let's get

243

00:08:35,670 --> 00:08:33,760

inside now

244

00:08:37,430 --> 00:08:35,680

i shut the door behind me and in a

245

00:08:39,829 --> 00:08:37,440

shocked state kept asking

246

00:08:42,389 --> 00:08:39,839

what the f was that what the f was that

247

00:08:44,710 --> 00:08:42,399

j while holding back from bowling

248

00:08:45,829 --> 00:08:44,720

he told me again to calm down and got me

249

00:08:48,550 --> 00:08:45,839

to relax

250

00:08:49,190 --> 00:08:48,560

i asked was that a werewolf or what jay

251  
00:08:52,070 --> 00:08:49,200  
replied

252  
00:08:54,310 --> 00:08:52,080  
noah chuckled then what the f was it a

253  
00:08:56,949 --> 00:08:54,320  
moment of silence goes by as jay is

254  
00:08:59,110 --> 00:08:56,959  
obviously contemplating what to say

255  
00:09:00,630 --> 00:08:59,120  
finally he says this word i'd never

256  
00:09:03,110 --> 00:09:00,640  
heard before in replies

257  
00:09:04,870 --> 00:09:03,120  
some people call them skinwalkers we

258  
00:09:06,949 --> 00:09:04,880  
then go into his room to smoke some

259  
00:09:08,790 --> 00:09:06,959  
weeds so i can quit shaking

260  
00:09:10,790 --> 00:09:08,800  
he says he's weirded out because they've

261  
00:09:12,470 --> 00:09:10,800  
never came to him before with anybody

262  
00:09:14,389 --> 00:09:12,480  
else around before me

263  
00:09:16,310 --> 00:09:14,399

i asked him when was the first time he

264

00:09:17,829 --> 00:09:16,320

seen them and he said when he was about

265

00:09:19,750 --> 00:09:17,839

12 years old

266

00:09:21,910 --> 00:09:19,760

a lot of people he knew were dying at

267

00:09:24,070 --> 00:09:21,920

the time and he wandered into a field in

268

00:09:25,990 --> 00:09:24,080

the dark when a dog approached him

269

00:09:27,990 --> 00:09:26,000

we have an in-depth conversation for

270

00:09:29,910 --> 00:09:28,000

about an hour on the subject

271

00:09:32,470 --> 00:09:29,920

i can tell he's not telling everything

272

00:09:33,350 --> 00:09:32,480

he knows i'm asking him why they were so

273

00:09:35,829 --> 00:09:33,360

hostile to me

274

00:09:37,509 --> 00:09:35,839

and if he made them come at me he denied

275

00:09:39,509 --> 00:09:37,519

making them come and didn't really

276

00:09:42,310 --> 00:09:39,519

answer why they did what they did

277

00:09:44,070 --> 00:09:42,320

he just said they like the way you think

278

00:09:46,230 --> 00:09:44,080

eventually i get calmed down

279

00:09:47,269 --> 00:09:46,240

and jay insists that we should go back

280

00:09:49,430 --> 00:09:47,279

outside

281

00:09:51,190 --> 00:09:49,440

i'm saying f that they've probably been

282

00:09:54,150 --> 00:09:51,200

listening to us the whole time

283

00:09:54,790 --> 00:09:54,160

and i'm scared man jay says it'll be

284

00:09:56,150 --> 00:09:54,800

okay

285

00:09:58,150 --> 00:09:56,160

they are listening and they're

286

00:10:00,630 --> 00:09:58,160

waiting.all of the sudden i get this

287

00:10:03,910 --> 00:10:00,640

weird feeling that my dad is outside

288

00:10:05,750 --> 00:10:03,920

not my birth dad but my true father it's

289

00:10:07,110 --> 00:10:05,760

a feeling i've never felt before in

290

00:10:09,350 --> 00:10:07,120

heaven since

291

00:10:11,110 --> 00:10:09,360

so jay convinces me to go outside with

292

00:10:12,389 --> 00:10:11,120

him while i have this feeling that i

293

00:10:14,790 --> 00:10:12,399

tell him about

294

00:10:17,110 --> 00:10:14,800

we go outside and walk for about 50

295

00:10:19,269 --> 00:10:17,120

yards away from the yard in a field

296

00:10:21,110 --> 00:10:19,279

we sit down and begin talking about

297

00:10:22,230 --> 00:10:21,120

stuff and we're hearing noises all

298

00:10:25,430 --> 00:10:22,240

around us

299

00:10:27,829 --> 00:10:25,440

jay tells me to relax so i do we then

300

00:10:29,910 --> 00:10:27,839

lay down in stargaze for a few minutes

301  
00:10:30,870 --> 00:10:29,920  
as i'm poking my head up looking around

302  
00:10:33,030 --> 00:10:30,880  
the tall grass

303  
00:10:35,430 --> 00:10:33,040  
and seeing multiple dog-like figures

304  
00:10:37,829 --> 00:10:35,440  
walking in circles in each direction

305  
00:10:39,990 --> 00:10:37,839  
jay then stands up and tells me to stay

306  
00:10:43,030 --> 00:10:40,000  
here as he starts walking away

307  
00:10:45,110 --> 00:10:43,040  
i say nope if you're walking i'm walking

308  
00:10:47,350 --> 00:10:45,120  
he tells me i need to stay here as he

309  
00:10:49,269 --> 00:10:47,360  
keeps trying to walk back to the house

310  
00:10:50,389 --> 00:10:49,279  
after i get him to sit down with me a

311  
00:10:52,710 --> 00:10:50,399  
few times

312  
00:10:53,829 --> 00:10:52,720  
eventually he gets agitated i won't sit

313  
00:11:03,430 --> 00:10:53,839

there by myself

314

00:11:08,630 --> 00:11:06,389

stalked by a skinwalker inside my house

315

00:11:10,389 --> 00:11:08,640

this happened about 18 years ago

316

00:11:12,069 --> 00:11:10,399

but i was living with my grandmother on

317

00:11:13,750 --> 00:11:12,079

the navajo reservation

318

00:11:15,350 --> 00:11:13,760

her house was between two unknown

319

00:11:17,590 --> 00:11:15,360

unmarked cemeteries

320

00:11:19,190 --> 00:11:17,600

anyways one night she was out at bingo

321

00:11:20,630 --> 00:11:19,200

and my cousin matt was in charge of

322

00:11:22,310 --> 00:11:20,640

watching me that night

323

00:11:24,389 --> 00:11:22,320

i was in the back of the house watching

324

00:11:26,230 --> 00:11:24,399

tv when the dogs began to house soon

325

00:11:28,069 --> 00:11:26,240

after i heard a thud on the roof

326

00:11:30,230 --> 00:11:28,079

confused and freaked out i jumped up and

327

00:11:32,389 --> 00:11:30,240

backed away from my window and listened

328

00:11:34,150 --> 00:11:32,399

the dogs were going ballistic outside

329

00:11:35,829 --> 00:11:34,160

howling growling and barking

330

00:11:37,269 --> 00:11:35,839

that's when i had enough and started to

331

00:11:38,550 --> 00:11:37,279

walk towards the front of the house

332

00:11:39,430 --> 00:11:38,560

where the living room and mat were

333

00:11:41,269 --> 00:11:39,440

located

334

00:11:42,710 --> 00:11:41,279

whatever was on the roof began to mirror

335

00:11:43,910 --> 00:11:42,720

my movement and was following me

336

00:11:45,590 --> 00:11:43,920

directly above

337

00:11:47,829 --> 00:11:45,600

i bolted to the living room and yelled

338

00:11:48,710 --> 00:11:47,839

at matt he turned off the tv and we

339

00:11:50,310 --> 00:11:48,720

listened

340

00:11:52,550 --> 00:11:50,320

something was walking in circles on the

341

00:11:54,389 --> 00:11:52,560

roof and wanted us to know it was there

342

00:11:56,629 --> 00:11:54,399

matt being a traditional native began to

343

00:11:58,629 --> 00:11:56,639

pray after a few minutes of torment

344

00:11:59,829 --> 00:11:58,639

matt instructed me to follow him outside

345

00:12:01,350 --> 00:11:59,839

onto the porch

346

00:12:03,590 --> 00:12:01,360

at this point matt yelled at the thing

347

00:12:04,550 --> 00:12:03,600

to leave whatever was ran towards the

348

00:12:06,069 --> 00:12:04,560

back of the house

349

00:12:08,069 --> 00:12:06,079

jumped off and landed with a loud

350

00:12:09,430 --> 00:12:08,079

audible thud and began running towards

351  
00:12:11,110 --> 00:12:09,440  
the neighbor's trailer

352  
00:12:13,430 --> 00:12:11,120  
the neighbor's horses got uneasy and

353  
00:12:15,350 --> 00:12:13,440  
began freaking out in their stables

354  
00:12:16,790 --> 00:12:15,360  
meanwhile the neighborhood dogs were in

355  
00:12:19,110 --> 00:12:16,800  
pursuit they followed

356  
00:12:20,470 --> 00:12:19,120  
east and down the trail out of earshot

357  
00:12:27,430 --> 00:12:20,480  
hands down the most terrifying

358  
00:12:30,870 --> 00:12:29,990  
this is lon strickler if you like this

359  
00:12:32,629 --> 00:12:30,880  
program

360  
00:12:33,990 --> 00:12:32,639  
it would help us if you would give it a
