00:00:35,190 --> 00:00:34,229  
arkansas bigfoot encounter deeply haunts

10  
00:00:37,590 --> 00:00:35,200  
eyewitness

11  
00:00:39,430 --> 00:00:37,600  
it was back in 2010 right before the sun

12  
00:00:41,510 --> 00:00:39,440  
was coming up one morning while hunting

13  
00:00:43,510 --> 00:00:41,520

with college buddies in arkansas

14

00:00:45,430 --> 00:00:43,520

we stayed overnight and i got up earlier

15

00:00:47,430 --> 00:00:45,440

and went out with my dog to try and view

16

00:00:49,670 --> 00:00:47,440

the path we would be taking that morning

17

00:00:51,029 --> 00:00:49,680

and get a general sense of the area we

18

00:00:53,110 --> 00:00:51,039

woke for about a mile

19

00:00:54,950 --> 00:00:53,120

and my dog out of nowhere stopped his

20

00:00:56,709 --> 00:00:54,960

hair raised up on the back of his neck

21

00:00:57,430 --> 00:00:56,719

iris went forward to detention and

22

00:00:59,029 --> 00:00:57,440

growled

23

00:01:00,630 --> 00:00:59,039

he then made a whimpering sound and

24

00:01:02,229 --> 00:01:00,640

looked at me and barked at me

25

00:01:03,910 --> 00:01:02,239

he then booked and i could hear him

26

00:01:06,469 --> 00:01:03,920

barking from a distance

27

00:01:08,230 --> 00:01:06,479

i felt very uneasy very motionless like

28

00:01:08,950 --> 00:01:08,240

i couldn't move and just a sense of

29

00:01:11,030 --> 00:01:08,960

terror

30

00:01:11,990 --> 00:01:11,040

i thought it was a cougar i had my

31

00:01:14,070 --> 00:01:12,000

sidearm on me so

32

00:01:16,390 --> 00:01:14,080

i grabbed it i checked to make sure i

33

00:01:18,710 --> 00:01:16,400

was ready to fire while looking around

34

00:01:20,870 --> 00:01:18,720

it was then ahead of me by this stream a

35

00:01:22,870 --> 00:01:20,880

full-size male bigfoot stood up

36

00:01:25,030 --> 00:01:22,880

his breath was visible because it was so

37

00:01:27,270 --> 00:01:25,040

cold he was breathing heavy

38

00:01:29,350 --> 00:01:27,280

i could smell him the only way i can

39

00:01:30,390 --> 00:01:29,360

describe the smell is like a skunk but

40

00:01:32,789 --> 00:01:30,400

not a skunk

41

00:01:34,710 --> 00:01:32,799

it's as strong as a skunk smell after

42

00:01:36,069 --> 00:01:34,720

making eye contact he screeched at me in

43

00:01:38,149 --> 00:01:36,079

an absolute threat

44

00:01:40,149 --> 00:01:38,159

i looked down keeping him in my line of

45

00:01:41,749 --> 00:01:40,159

sight but not eye contact and slowly

46

00:01:43,590 --> 00:01:41,759

packed away facing him

47

00:01:45,190 --> 00:01:43,600

i knew if he came towards me i put him

48

00:01:47,429 --> 00:01:45,200

down i'm a good shot

49

00:01:49,830 --> 00:01:47,439

i'll never forget the eyes the smell the

50

00:01:51,830 --> 00:01:49,840

fear it haunts me in my dreams

51  
00:01:53,670 --> 00:01:51,840  
i don't go deep into the woods don't go

52  
00:01:55,510 --> 00:01:53,680  
camping or hiking anywhere there isn't a

53  
00:01:56,310 --> 00:01:55,520  
lot of people or tourists in traffic

54  
00:01:58,630 --> 00:01:56,320  
anymore

55  
00:02:00,469 --> 00:01:58,640  
don't stay overnight hunting refuse to

56  
00:02:01,350 --> 00:02:00,479  
hunt camp anywhere on the northwest of

57  
00:02:02,950 --> 00:02:01,360  
the country

58  
00:02:05,350 --> 00:02:02,960  
i believe they are everywhere in north

59  
00:02:06,069 --> 00:02:05,360  
america i basically duck hunt now and

60  
00:02:07,670 --> 00:02:06,079  
did it

61  
00:02:09,029 --> 00:02:07,680  
i found out since then that there are

62  
00:02:09,990 --> 00:02:09,039  
more people that have seen them in

63  
00:02:11,670 --> 00:02:10,000

arkansas

64

00:02:14,390 --> 00:02:11,680

which is not where i'm from but where i

65

00:02:15,990 --> 00:02:14,400

went to college it changed my life

66

00:02:17,670 --> 00:02:16,000

and if it weren't for being a positive

67

00:02:19,910 --> 00:02:17,680

glass half full kind of guy

68

00:02:21,910 --> 00:02:19,920

it could have sent me down a dark path

69

00:02:22,869 --> 00:02:21,920

my experience was not one of wonder and

70

00:02:25,110 --> 00:02:22,879

amazement

71

00:02:26,630 --> 00:02:25,120

my encounter was sheer terror more

72

00:02:28,790 --> 00:02:26,640

detail of the incident

73

00:02:30,550 --> 00:02:28,800

i was up on a ridge he was at least

74

00:02:31,270 --> 00:02:30,560

three feet below me and met my line of

75

00:02:33,509 --> 00:02:31,280

sight

76

00:02:35,430 --> 00:02:33,519

i'm six foot three he was anywhere

77

00:02:38,309 --> 00:02:35,440

between eight to ten feet tall

78

00:02:40,229 --> 00:02:38,319

400 plus pounds of lean muscle eyes were

79

00:02:42,949 --> 00:02:40,239

dark like a great white shark

80

00:02:43,990 --> 00:02:42,959

forehead low back of hat tall to a point

81

00:02:46,470 --> 00:02:44,000

flat nose

82

00:02:47,350 --> 00:02:46,480

and flat teeth dark hair it was still

83

00:02:50,309 --> 00:02:47,360

dark out

84

00:02:52,150 --> 00:02:50,319

the sun was just coming up i have ptsd

85

00:02:54,309 --> 00:02:52,160

and i can't tell people why

86

00:02:55,350 --> 00:02:54,319

even though i function fine the fact

87

00:02:57,910 --> 00:02:55,360

that i know other things

88

00:02:59,110 --> 00:02:57,920

exists means other things exist and it

89

00:03:01,030 --> 00:02:59,120

is terrifying

90

00:03:02,869 --> 00:03:01,040

as i left i felt i was being watched the

91

00:03:05,270 --> 00:03:02,879

rest of the time i was there

92

00:03:06,949 --> 00:03:05,280

i told my butts i was leaving i was

93

00:03:08,710 --> 00:03:06,959

shaken up and they could tell

94

00:03:10,309 --> 00:03:08,720

i ended up pulling my truck over and

95

00:03:12,710 --> 00:03:10,319

just crying uncontrollably

96

00:03:13,990 --> 00:03:12,720

not understanding why i now think it was

97

00:03:16,869 --> 00:03:14,000

able to get into my head

98

00:03:18,309 --> 00:03:16,879

or put me under trance i don't know i

99

00:03:19,110 --> 00:03:18,319

just know they aren't to be taken

100

00:03:21,190 --> 00:03:19,120

lightly

101  
00:03:28,390 --> 00:03:21,200  
and they'll kill you if you disturb them

102  
00:03:33,350 --> 00:03:30,830  
bigfoot pair crossroad near crane lake

103  
00:03:35,430 --> 00:03:33,360  
minnesota i am writing to you about an

104  
00:03:35,990 --> 00:03:35,440  
incident my daughter and i had in early

105  
00:03:39,350 --> 00:03:36,000  
april

106  
00:03:41,430 --> 00:03:39,360  
2012 near crane lake minnesota we were

107  
00:03:42,550 --> 00:03:41,440  
on our way home and traveling south on

108  
00:03:44,470 --> 00:03:42,560  
crane lake road

109  
00:03:47,190 --> 00:03:44,480  
only a few miles from the lodge we had

110  
00:03:49,270 --> 00:03:47,200  
stayed the weekend as we drove around a

111  
00:03:51,110 --> 00:03:49,280  
wide bend in the road we noticed two

112  
00:03:52,630 --> 00:03:51,120  
tall dark creatures walk out of the

113  
00:03:54,710 --> 00:03:52,640

forest to my left

114

00:03:56,149 --> 00:03:54,720

i slammed the brakes and stopped about

115

00:03:58,070 --> 00:03:56,159

30 feet from them

116

00:04:00,229 --> 00:03:58,080

they seemed oblivious to us as they

117

00:04:01,190 --> 00:04:00,239

walked onto the road and barely gave us

118

00:04:03,030 --> 00:04:01,200

a glance

119

00:04:05,589 --> 00:04:03,040

they crossed in front of the car and

120

00:04:07,750 --> 00:04:05,599

leaped over a ditch then into the forest

121

00:04:09,509 --> 00:04:07,760

i quickly hit the gas pedal and drove

122

00:04:12,550 --> 00:04:09,519

for about a quarter mile

123

00:04:14,229 --> 00:04:12,560

i then pulled over to collect myself my

124

00:04:16,069 --> 00:04:14,239

daughter who is 15

125

00:04:18,870 --> 00:04:16,079

was sitting with a shocked look and not

126  
00:04:20,710 --> 00:04:18,880  
moving my heart was racing and i was

127  
00:04:22,710 --> 00:04:20,720  
shaking uncontrollably

128  
00:04:25,030 --> 00:04:22,720  
i think we sat there without saying a

129  
00:04:26,790 --> 00:04:25,040  
word to each other for over a minute

130  
00:04:28,629 --> 00:04:26,800  
i then asked my daughter what she

131  
00:04:30,629 --> 00:04:28,639  
thought those creatures were

132  
00:04:31,670 --> 00:04:30,639  
immediately she said that we had seen

133  
00:04:33,749 --> 00:04:31,680  
bigfoot

134  
00:04:35,510 --> 00:04:33,759  
both creatures were about seven foot

135  
00:04:37,670 --> 00:04:35,520  
tall and massively built

136  
00:04:39,270 --> 00:04:37,680  
i was surprised by the amount of dark

137  
00:04:41,189 --> 00:04:39,280  
reddish hair they both had

138  
00:04:42,310 --> 00:04:41,199

and how proportionate their bodies were

139

00:04:44,469 --> 00:04:42,320

to humans

140

00:04:46,469 --> 00:04:44,479

i saw the face of one of the creatures

141

00:04:48,950 --> 00:04:46,479

briefly as it glanced at us

142

00:04:51,110 --> 00:04:48,960

the nose was very broad but the rest of

143

00:04:51,830 --> 00:04:51,120

the face was similar to those you see on

144

00:04:54,150 --> 00:04:51,840

tv

145

00:04:56,070 --> 00:04:54,160

that are supposed to be cavemen they

146

00:04:57,030 --> 00:04:56,080

walked upright like humans and didn't

147

00:04:59,430 --> 00:04:57,040

slouch

148

00:05:00,629 --> 00:04:59,440

i believe they were both male i have

149

00:05:03,350 --> 00:05:00,639

lived in minnesota

150

00:05:05,590 --> 00:05:03,360

insane cloud all my life and i never

151  
00:05:07,430 --> 00:05:05,600  
heard of anyone seeing a bigfoot

152  
00:05:09,110 --> 00:05:07,440  
my daughter is convinced that these

153  
00:05:11,830 --> 00:05:09,120  
creatures were bigfoot

154  
00:05:13,510 --> 00:05:11,840  
we looked online and found your website

155  
00:05:15,189 --> 00:05:13,520  
have there been sightings in the crane

156  
00:05:17,350 --> 00:05:15,199  
lake area previously

157  
00:05:19,110 --> 00:05:17,360  
i called the lodge where we stayed and

158  
00:05:21,110 --> 00:05:19,120  
the woman who answered said that there

159  
00:05:22,070 --> 00:05:21,120  
had been a few sightings in the area

160  
00:05:24,710 --> 00:05:22,080  
over the years

161  
00:05:26,710 --> 00:05:24,720  
but nothing that close to their location

162  
00:05:27,510 --> 00:05:26,720  
i'd be interested to know what it was we

163  
00:05:29,350 --> 00:05:27,520

saw

164

00:05:31,270 --> 00:05:29,360

i can't believe that there are not more

165

00:05:39,830 --> 00:05:31,280

reports of these creatures

166

00:05:41,990 --> 00:05:39,840

thanks for reading mm

167

00:05:43,029 --> 00:05:42,000

bigfoot encounter in america's heartland

168

00:05:46,469 --> 00:05:43,039

nebraska

169

00:05:48,469 --> 00:05:46,479

from the river

170

00:05:51,270 --> 00:05:48,479

my brother and i were able to do a lot

171

00:05:53,189 --> 00:05:51,280

back then we were outside year round

172

00:05:54,390 --> 00:05:53,199

we really enjoyed fishing in the river

173

00:05:56,390 --> 00:05:54,400

for catfish

174

00:05:58,870 --> 00:05:56,400

it was the 1950s and things were

175

00:06:01,029 --> 00:05:58,880

different no one cared much what you did

176

00:06:02,550 --> 00:06:01,039

just so you didn't cause trouble we

177

00:06:04,150 --> 00:06:02,560

usually fished in the morning and

178

00:06:06,790 --> 00:06:04,160

evening during the summer

179

00:06:08,870 --> 00:06:06,800

in june 1959 we planned to hike to an

180

00:06:09,830 --> 00:06:08,880

area on medicine creek can't spend a few

181

00:06:12,230 --> 00:06:09,840

nights there

182

00:06:13,590 --> 00:06:12,240

it was about five miles from home the

183

00:06:15,749 --> 00:06:13,600

second night we were there

184

00:06:17,670 --> 00:06:15,759

we heard strange screaming sounds coming

185

00:06:19,510 --> 00:06:17,680

from one that bluffs west of us

186

00:06:21,830 --> 00:06:19,520

it wasn't like anything else i've ever

187

00:06:24,150 --> 00:06:21,840

heard before we also heard something

188

00:06:26,390 --> 00:06:24,160

heavy moving through the brush and trees

189

00:06:28,550 --> 00:06:26,400

i'll admit we were scared as the night

190

00:06:30,230 --> 00:06:28,560

went on things quieted down

191

00:06:32,150 --> 00:06:30,240

the next morning i walked towards the

192

00:06:34,309 --> 00:06:32,160

bluff while gathering firewood

193

00:06:35,909 --> 00:06:34,319

as i approached a rocky pass i caught a

194

00:06:37,350 --> 00:06:35,919

glimpse of something big and hairy

195

00:06:39,029 --> 00:06:37,360

running away from me

196

00:06:41,510 --> 00:06:39,039

it wasn't a bear and stood at least

197

00:06:42,230 --> 00:06:41,520

seven foot high it was huge with a wide

198

00:06:44,469 --> 00:06:42,240

back

199

00:06:46,469 --> 00:06:44,479

that was enough for me i was ready to

200

00:06:48,469 --> 00:06:46,479

move camp someplace else

201  
00:06:50,150 --> 00:06:48,479  
my brother and i packed up and started

202  
00:06:52,070 --> 00:06:50,160  
back toward the old trail

203  
00:06:53,990 --> 00:06:52,080  
i guess we had walked about the mile

204  
00:06:54,550 --> 00:06:54,000  
then stopped to fish at a good spot we

205  
00:06:56,790 --> 00:06:54,560  
knew

206  
00:06:59,350 --> 00:06:56,800  
we spent most of the day there late

207  
00:07:01,749 --> 00:06:59,360  
afternoon we decided to hike back home

208  
00:07:03,589 --> 00:07:01,759  
i wasn't feeling well anyway the area

209  
00:07:05,589 --> 00:07:03,599  
was much different than today

210  
00:07:07,589 --> 00:07:05,599  
it's part of a state park with lots of

211  
00:07:09,830 --> 00:07:07,599  
roads and camp areas today

212  
00:07:10,950 --> 00:07:09,840  
back then it was much more rugged it was

213  
00:07:12,550 --> 00:07:10,960

about 6 pm

214

00:07:14,870 --> 00:07:12,560

and we were close to the footbridge of

215

00:07:16,710 --> 00:07:14,880

the river my brother suddenly stopped

216

00:07:17,749 --> 00:07:16,720

walking and pointed at a clearing at the

217

00:07:20,150 --> 00:07:17,759

riverbank

218

00:07:22,070 --> 00:07:20,160

he said someone was over there we stood

219

00:07:23,589 --> 00:07:22,080

there for a minute then this huge hairy

220

00:07:24,550 --> 00:07:23,599

creature stood straight up and looked

221

00:07:26,790 --> 00:07:24,560

right at us

222

00:07:28,070 --> 00:07:26,800

it let out a loud grunt swinging its arm

223

00:07:30,150 --> 00:07:28,080

up over its head

224

00:07:32,070 --> 00:07:30,160

we started running i don't think we

225

00:07:33,430 --> 00:07:32,080

stopped until we got near the roadway at

226

00:07:35,270 --> 00:07:33,440

the end of the trail

227

00:07:36,469 --> 00:07:35,280

over the years we talked about our

228

00:07:38,790 --> 00:07:36,479

run-in with the creature

229

00:07:40,710 --> 00:07:38,800

and we're both sure it was a bigfoot i

230

00:07:42,950 --> 00:07:40,720

only told a friend about it a few years

231

00:07:44,869 --> 00:07:42,960

later but he thought i was lying to him

232

00:07:46,710 --> 00:07:44,879

we've been back to the same area many

233

00:07:47,430 --> 00:07:46,720

times since then and never noticed

234

00:07:50,550 --> 00:07:47,440

anything

235

00:07:52,790 --> 00:07:50,560

i contacted the bfro in the 1990s but

236

00:08:02,469 --> 00:07:52,800

they never came out to take a statement

237

00:08:05,589 --> 00:08:03,909

the thing in the woods bigfoot

238

00:08:06,710 --> 00:08:05,599

confrontations in rural western

239

00:08:08,710 --> 00:08:06,720

pennsylvania

240

00:08:10,629 --> 00:08:08,720

within the past two or three years i put

241

00:08:12,070 --> 00:08:10,639

pieces together for my childhood and

242

00:08:14,070 --> 00:08:12,080

concluded that the creature we all

243

00:08:15,510 --> 00:08:14,080

feared when we were kids which we simply

244

00:08:17,589 --> 00:08:15,520

named the thing in the woods

245

00:08:19,350 --> 00:08:17,599

was in fact a bigfoot there were just

246

00:08:20,869 --> 00:08:19,360

too many similarities to a lot of

247

00:08:22,629 --> 00:08:20,879

incidents and descriptions that i've

248

00:08:23,510 --> 00:08:22,639

heard from researchers and eyewitness

249

00:08:25,430 --> 00:08:23,520

accounts

250

00:08:27,029 --> 00:08:25,440

i also looked up citing reports and

251  
00:08:27,510 --> 00:08:27,039  
couldn't believe it when i saw that my

252  
00:08:29,430 --> 00:08:27,520  
area

253  
00:08:30,869 --> 00:08:29,440  
western pennsylvania was a literal

254  
00:08:32,949 --> 00:08:30,879  
hotbed of activity

255  
00:08:34,550 --> 00:08:32,959  
and i can commiserate with others having

256  
00:08:35,750 --> 00:08:34,560  
something like this lurking in your home

257  
00:08:38,070 --> 00:08:35,760  
area is terrifying

258  
00:08:39,509 --> 00:08:38,080  
especially for kids i remember these

259  
00:08:41,750 --> 00:08:39,519  
occurrences didn't really start

260  
00:08:42,949 --> 00:08:41,760  
happening until i was around 11 and my

261  
00:08:44,550 --> 00:08:42,959  
sister was a

262  
00:08:46,150 --> 00:08:44,560  
i remember when we first acknowledged

263  
00:08:47,910 --> 00:08:46,160

our thing to a couple of our cousins

264

00:08:49,829 --> 00:08:47,920

when they were visiting for a day

265

00:08:52,070 --> 00:08:49,839

we were sitting on my gram's porch who

266

00:08:53,670 --> 00:08:52,080

lived next door to us in a rural area

267

00:08:55,590 --> 00:08:53,680

it was going to start getting dark in

268

00:08:56,790 --> 00:08:55,600

about an hour or so and we started

269

00:08:58,470 --> 00:08:56,800

getting nervous

270

00:09:00,230 --> 00:08:58,480

our cousins kept asking why we were

271

00:09:01,430 --> 00:09:00,240

saying we had to go down home and be in

272

00:09:02,870 --> 00:09:01,440

before dark

273

00:09:03,990 --> 00:09:02,880

we finally told them that there was

274

00:09:05,910 --> 00:09:04,000

something that would come through the

275

00:09:07,829 --> 00:09:05,920

woods after dark that sounded like a

276

00:09:08,150 --> 00:09:07,839

freight train and broke tree branches

277

00:09:10,150 --> 00:09:08,160

and

278

00:09:11,269 --> 00:09:10,160

i guess this was the vital clue that is

279

00:09:12,949 --> 00:09:11,279

stunk awful

280

00:09:15,190 --> 00:09:12,959

the best way to describe it then was

281

00:09:15,670 --> 00:09:15,200

like burning rubber that's when my older

282

00:09:17,829 --> 00:09:15,680

cousin

283

00:09:18,870 --> 00:09:17,839

very calmly but matter of factly simply

284

00:09:20,389 --> 00:09:18,880

said oh well

285

00:09:22,389 --> 00:09:20,399

it sounds like you have the thing in the

286

00:09:24,550 --> 00:09:22,399

woods here too we were shocked and

287

00:09:26,150 --> 00:09:24,560

asked what he meant he recalled a story

288

00:09:27,750 --> 00:09:26,160

he'd heard his dad and uncle talking

289

00:09:28,630 --> 00:09:27,760

about for their wives the previous

290

00:09:30,470 --> 00:09:28,640

hunting season

291

00:09:32,870 --> 00:09:30,480

about two or three hours from our place

292

00:09:34,550 --> 00:09:32,880

this was they always went deer hunting

293

00:09:36,070 --> 00:09:34,560

and then summer when fishing

294

00:09:37,670 --> 00:09:36,080

they had this little tin trailer they

295

00:09:39,670 --> 00:09:37,680

bought for that property that was about

296

00:09:41,829 --> 00:09:39,680

a couple hours from their houses

297

00:09:43,590 --> 00:09:41,839

they had it for only about three years

298

00:09:44,870 --> 00:09:43,600

he said that this past hunting season

299

00:09:47,350 --> 00:09:44,880

they cut their trip early

300

00:09:49,190 --> 00:09:47,360

coming home after only about three days

301  
00:09:49,750 --> 00:09:49,200  
and they got home at some crazy hour in

302  
00:09:51,190 --> 00:09:49,760  
the morning

303  
00:09:53,269 --> 00:09:51,200  
because they'd left in the middle of the

304  
00:09:54,150 --> 00:09:53,279  
night to come home their reason was the

305  
00:09:55,910 --> 00:09:54,160  
following

306  
00:09:57,829 --> 00:09:55,920  
my cousin said that his dad and uncle

307  
00:09:58,790 --> 00:09:57,839  
had been up a camp and everything seemed

308  
00:10:00,070 --> 00:09:58,800  
normal at first

309  
00:10:02,710 --> 00:10:00,080  
though it seemed that there were fewer

310  
00:10:04,389 --> 00:10:02,720  
deer that season populations changed so

311  
00:10:05,750 --> 00:10:04,399  
they didn't think anything of it

312  
00:10:07,350 --> 00:10:05,760  
the first night they were there one of

313  
00:10:09,110 --> 00:10:07,360

them thought they heard some tree breaks

314

00:10:10,790 --> 00:10:09,120

while he was out relieving himself

315

00:10:12,310 --> 00:10:10,800

but thought nothing of it since there

316

00:10:14,630 --> 00:10:12,320

are bears up there too

317

00:10:16,550 --> 00:10:14,640

trees can break naturally and fall that

318

00:10:17,829 --> 00:10:16,560

night they slept well but when they left

319

00:10:19,670 --> 00:10:17,839

in the morning they saw some odd

320

00:10:20,870 --> 00:10:19,680

pinecones and a couple small rocks

321

00:10:22,310 --> 00:10:20,880

around the trailer

322

00:10:24,389 --> 00:10:22,320

they couldn't figure out where they came

323

00:10:25,829 --> 00:10:24,399

from the second night they both heard

324

00:10:26,389 --> 00:10:25,839

pinching on the roof and back of the

325

00:10:28,710 --> 00:10:26,399

trailer

326

00:10:30,630 --> 00:10:28,720

that sounded like really heavy big hail

327

00:10:32,310 --> 00:10:30,640

it only happened randomly but it was

328

00:10:34,069 --> 00:10:32,320

enough to pique their interest

329

00:10:35,910 --> 00:10:34,079

they looked outside but didn't see

330

00:10:37,910 --> 00:10:35,920

anything they commented that they

331

00:10:38,870 --> 00:10:37,920

smelled something awful like a skunky

332

00:10:40,630 --> 00:10:38,880

type smell

333

00:10:42,710 --> 00:10:40,640

it was my cousin's uncle that it said it

334

00:10:43,750 --> 00:10:42,720

reminded him of burning tires on asphalt

335

00:10:45,190 --> 00:10:43,760

in the heat of summer

336

00:10:47,829 --> 00:10:45,200

that's why when we said that it tipped

337

00:10:50,150 --> 00:10:47,839

my cousin off outside that next morning

338

00:10:51,750 --> 00:10:50,160

they found more rocks behind the trailer

339

00:10:53,269 --> 00:10:51,760

they climbed a ladder to the roof and

340

00:10:55,190 --> 00:10:53,279

there were rocks on top

341

00:10:56,870 --> 00:10:55,200

this definitely perplexed them but they

342

00:10:57,990 --> 00:10:56,880

thought maybe it was some stupid kids

343

00:11:00,230 --> 00:10:58,000

messing with them

344

00:11:01,750 --> 00:11:00,240

so they hunted that day and that final

345

00:11:03,750 --> 00:11:01,760

night they were talking and listening to

346

00:11:05,509 --> 00:11:03,760

see if something would happen again

347

00:11:07,190 --> 00:11:05,519

sure enough they heard some large rocks

348

00:11:08,630 --> 00:11:07,200

hitting the back of the trailer

349

00:11:10,389 --> 00:11:08,640

they went out with guns and yelled

350

00:11:12,069 --> 00:11:10,399

whoever it was to stop that they had a

351

00:11:13,030 --> 00:11:12,079

right to protect their property and

352

00:11:15,430 --> 00:11:13,040

they'd do it

353

00:11:17,590 --> 00:11:15,440

but the rocks kept coming they went back

354

00:11:19,590 --> 00:11:17,600

out and smelled that awful loader again

355

00:11:21,190 --> 00:11:19,600

very strong at that point then they

356

00:11:22,949 --> 00:11:21,200

heard what they described was a loud

357

00:11:23,829 --> 00:11:22,959

powerful slap on the backside of the

358

00:11:25,910 --> 00:11:23,839

trailer

359

00:11:27,190 --> 00:11:25,920

now they were mad they ran out again

360

00:11:28,230 --> 00:11:27,200

with their guns to confront the

361

00:11:29,910 --> 00:11:28,240

pranksters

362

00:11:31,509 --> 00:11:29,920

they said that all they saw was a dent

363

00:11:32,230 --> 00:11:31,519

in the trailer and as they panned their

364

00:11:33,829 --> 00:11:32,240

flashlight

365

00:11:35,670 --> 00:11:33,839

they caught a glimpse of something large

366

00:11:37,670 --> 00:11:35,680

taking off through the tree line

367

00:11:39,269 --> 00:11:37,680

they said it had dark fur like a bear

368

00:11:40,790 --> 00:11:39,279

but they both said they saw it running

369

00:11:42,310 --> 00:11:40,800

upright like a person

370

00:11:44,389 --> 00:11:42,320

they knew no one in a fake suit could

371

00:11:45,990 --> 00:11:44,399

move that stealthily or put that dent in

372

00:11:47,990 --> 00:11:46,000

the sidewall of their trailer

373

00:11:49,750 --> 00:11:48,000

they went inside and one of them said we

374

00:11:51,190 --> 00:11:49,760

just saw a freaking bigfoot

375

00:11:53,590 --> 00:11:51,200

they packed up their things and left

376

00:11:55,350 --> 00:11:53,600

within the hour feeling very threatened

377

00:11:57,590 --> 00:11:55,360

that was the last time they ever went to

378

00:11:59,670 --> 00:11:57,600

that property so something terrified

379

00:12:01,430 --> 00:11:59,680

these lifelong hunters and woodsmen into

380

00:12:03,750 --> 00:12:01,440

giving up something they loved

381

00:12:05,269 --> 00:12:03,760

hearing that story made me a believer we

382

00:12:06,629 --> 00:12:05,279

were terrified all through growing up of

383

00:12:08,629 --> 00:12:06,639

the thing in the woods

384

00:12:10,710 --> 00:12:08,639

even to this day after more recent

385

00:12:11,829 --> 00:12:10,720

encounters i'm just as scared and won't

386

00:12:13,590 --> 00:12:11,839

go there at night

387

00:12:15,269 --> 00:12:13,600

and what really solidified my belief

388

00:12:16,790 --> 00:12:15,279

that bigfoot were around here was when i

389

00:12:18,470 --> 00:12:16,800

started to live with my ex

390

00:12:20,069 --> 00:12:18,480

not living there now because he passed

391

00:12:21,509 --> 00:12:20,079

away unexpectedly

392

00:12:23,110 --> 00:12:21,519

he insisted that there were bigfoot

393

00:12:25,190 --> 00:12:23,120

coming around the property

394

00:12:26,710 --> 00:12:25,200

he had weird habits too which made me

395

00:12:28,550 --> 00:12:26,720

feel he was serious

396

00:12:30,790 --> 00:12:28,560

he was a very well respected army

397

00:12:36,710 --> 00:12:30,800

veteran and active duty policeman

398

00:12:40,150 --> 00:12:39,190
