10
00:00:37,510 --> 00:00:35,760
reported in lexington illinois

11
00:00:39,750 --> 00:00:37,520
my wife and i moved to lexington

12
00:00:41,670 --> 00:00:39,760
illinois in april 2016.

13
00:00:43,670 --> 00:00:41,680

during that first summer here we heard a

14

00:00:44,069 --> 00:00:43,680

lot of stories from residents that we

15

00:00:47,510 --> 00:00:44,079

talked

16

00:00:49,510 --> 00:00:47,520

to back on january 27 2018

17

00:00:51,590 --> 00:00:49,520

i wasn't sleeping well because the local

18

00:00:52,389 --> 00:00:51,600

coyote pack was getting riled up about

19

00:00:54,709 --> 00:00:52,399

something

20

00:00:56,790 --> 00:00:54,719

they were extremely vocal that night i'm

21

00:00:58,549 --> 00:00:56,800

usually a deep sleeper but they woke me

22

00:00:59,510 --> 00:00:58,559

up with their incessant dipping barking

23

00:01:01,990 --> 00:00:59,520

and howling

24

00:01:03,670 --> 00:01:02,000

it sounded like a hand was on i got up

25

00:01:05,590 --> 00:01:03,680

and decided to use the bathroom

26

00:01:07,670 --> 00:01:05,600

after i did a quick check outside from

27

00:01:09,429 --> 00:01:07,680

our windows while in there i heard what

28

00:01:11,510 --> 00:01:09,439

could be like to an animal-like screech

29

00:01:13,830 --> 00:01:11,520

like the ros from the princess bride

30

00:01:15,990 --> 00:01:13,840

film and a really deep bass woo

31

00:01:17,990 --> 00:01:16,000

i thought it was odd so i look out our

32

00:01:20,070 --> 00:01:18,000

bathroom window and saw a large shadow

33

00:01:21,190 --> 00:01:20,080

pass under streetlight about 30 feet

34

00:01:22,789 --> 00:01:21,200

from our place

35

00:01:24,710 --> 00:01:22,799

it did it a couple times before a

36

00:01:26,630 --> 00:01:24,720

creature like witness from wilmington

37

00:01:28,310 --> 00:01:26,640

illinois described landed

38

00:01:30,149 --> 00:01:28,320

it made no sound when it flared its

39

00:01:32,069 --> 00:01:30,159

wings when it landed in a tree not more

40

00:01:34,550 --> 00:01:32,079

than 10 feet from our place

41

00:01:35,749 --> 00:01:34,560

a local creek is about 60 to 70 feet

42

00:01:37,429 --> 00:01:35,759

away from our place

43

00:01:39,350 --> 00:01:37,439

and about the same distance from the

44

00:01:41,350 --> 00:01:39,360

tree the speed was perched in

45

00:01:43,190 --> 00:01:41,360

it walked with a kind of hop the feet

46

00:01:44,710 --> 00:01:43,200

had a splayed three-clawed foot with

47

00:01:46,469 --> 00:01:44,720

digits like a sloth

48

00:01:48,389 --> 00:01:46,479

i did not get a good look at the torso

49

00:01:49,990 --> 00:01:48,399

or how its arms and grasping digits

50

00:01:51,109 --> 00:01:50,000

looked but the way it landed it looked

51
00:01:53,590 --> 00:01:51,119
like it had paws

52
00:01:54,389 --> 00:01:53,600
but i'm not sure i never got a good look

53
00:01:56,310 --> 00:01:54,399
at the head

54
00:01:57,990 --> 00:01:56,320
i observed it for a few minutes before

55
00:01:59,910 --> 00:01:58,000
it made that unnerving screech shoot

56
00:02:01,910 --> 00:01:59,920
sound about four times before it just

57
00:02:03,749 --> 00:02:01,920
glided out of the tree towards the creek

58
00:02:06,149 --> 00:02:03,759
in the south southwest direction of the

59
00:02:07,910 --> 00:02:06,159
mackinaw river the coyotes started up

60
00:02:09,350 --> 00:02:07,920
again with their noise but it sounded

61
00:02:10,790 --> 00:02:09,360
like they were following it

62
00:02:12,869 --> 00:02:10,800
i don't think it knew it was being

63
00:02:14,710 --> 00:02:12,879

observed it was more unnerving than the

64

00:02:16,710 --> 00:02:14,720

times of bigfoot made visits to my

65

00:02:18,229 --> 00:02:16,720

family's property when i was young or

66

00:02:19,990 --> 00:02:18,239

the night when something literally

67

00:02:21,430 --> 00:02:20,000

destroyed two of our mares

68

00:02:23,830 --> 00:02:21,440

i remember enough of that night

69

00:02:26,550 --> 00:02:23,840

sometimes to actually have nightmares

70

00:02:28,229 --> 00:02:26,560

but not this thing it just unnerved me

71

00:02:29,750 --> 00:02:28,239

but one thing i did notice was the

72

00:02:31,509 --> 00:02:29,760

stench of blood in the air

73

00:02:33,030 --> 00:02:31,519

i don't know if you've been hunting but

74

00:02:35,030 --> 00:02:33,040

that blood smell when you were field

75

00:02:35,509 --> 00:02:35,040

dressing a deer or antelope that was the

76

00:02:37,990 --> 00:02:35,519

smell

77

00:02:40,070 --> 00:02:38,000

left behind this occurred between 2 30

78

00:02:42,630 --> 00:02:40,080

am and 2 45 am on 1

79

00:02:45,190 --> 00:02:42,640

27 18 dot the wilmington illinois

80

00:02:46,869 --> 00:02:45,200

witness reported helicopter activity

81

00:02:49,990 --> 00:02:46,879

in my area that ramps up in the late

82

00:02:52,309 --> 00:02:50,000

full early winter between 11 pm and 1 45

83

00:02:55,910 --> 00:02:52,319

am the quits and starts up again at

84

00:02:57,910 --> 00:02:55,920

around 2 30 2 45 am until around 4 a.m

85

00:02:59,509 --> 00:02:57,920

one night i was out for a quick walk and

86

00:03:01,190 --> 00:02:59,519

heard an odd chopper sound

87

00:03:03,270 --> 00:03:01,200

it sounded like a black hawk looked

88

00:03:04,630 --> 00:03:03,280

really weird like it had baffling on

89

00:03:06,710 --> 00:03:04,640

but the chop of the blades is

90

00:03:08,710 --> 00:03:06,720

unmistakable that night there was a

91

00:03:10,470 --> 00:03:08,720

clear enough sky for a full moon

92

00:03:12,309 --> 00:03:10,480

i saw the silhouette but the tail

93

00:03:14,470 --> 00:03:12,319

section was shaped like the rear tail of

94

00:03:16,149 --> 00:03:14,480

the cancelled comanche helicopter

95

00:03:18,070 --> 00:03:16,159

they flew over the cornfields and little

96

00:03:19,110 --> 00:03:18,080

forest area nearby and the mackinaw

97

00:03:21,270 --> 00:03:19,120

river for hours

98

00:03:22,309 --> 00:03:21,280

back and forth one night in november

99

00:03:24,710 --> 00:03:22,319

2016

100

00:03:25,750 --> 00:03:24,720

i got curious enough to try out my night

101
00:03:27,750 --> 00:03:25,760
vision camera

102
00:03:29,589 --> 00:03:27,760
i waited for the chopper to come right

103
00:03:31,430 --> 00:03:29,599
like clockwork it began its root in a

104
00:03:33,350 --> 00:03:31,440
5x5 search pattern

105
00:03:35,270 --> 00:03:33,360
to the lens i seen two domes under the

106
00:03:37,670 --> 00:03:35,280
fuselage by the cockpit

107
00:03:39,670 --> 00:03:37,680
to my i not glued to my eyepiece one was

108
00:03:41,509 --> 00:03:39,680
emitting a rather powerful searchlight

109
00:03:42,229 --> 00:03:41,519
but it was concentrated on the river

110
00:03:43,990 --> 00:03:42,239
area

111
00:03:46,309 --> 00:03:44,000
it banked north and came close by our

112
00:03:47,190 --> 00:03:46,319
place i seen a brightness emitting from

113
00:03:49,190 --> 00:03:47,200

the other dome

114

00:03:50,630 --> 00:03:49,200

i couldn't see it with my naked eye but

115

00:03:52,710 --> 00:03:50,640

it was there on screen

116

00:03:53,750 --> 00:03:52,720

it overloaded the optics on my camera

117

00:03:55,830 --> 00:03:53,760

also the video

118

00:03:57,670 --> 00:03:55,840

that i recorded on the flash drive was

119

00:03:59,509 --> 00:03:57,680

corrupted and not retrievable

120

00:04:00,789 --> 00:03:59,519

the battery supply burst and the main

121

00:04:03,270 --> 00:04:00,799

board was toast

122

00:04:05,110 --> 00:04:03,280

that same night around 2 30 am 3 am i

123

00:04:05,670 --> 00:04:05,120

was woken up by the sound of diesel

124

00:04:08,309 --> 00:04:05,680

engines

125

00:04:09,190 --> 00:04:08,319

but not semi-diesel i look out on pj

126
00:04:11,589 --> 00:04:09,200
keller highway

127
00:04:12,390 --> 00:04:11,599
and there was a small convoy of 3m wraps

128
00:04:14,789 --> 00:04:12,400
four hummers

129
00:04:16,710 --> 00:04:14,799
and five m8va couple hummers had that

130
00:04:18,870 --> 00:04:16,720
new 50 cal minicon mounted

131
00:04:20,629 --> 00:04:18,880
the rest had either the m2 or m240

132
00:04:21,909 --> 00:04:20,639
mounted they all look like they were

133
00:04:23,749 --> 00:04:21,919
prima grey colored

134
00:04:25,909 --> 00:04:23,759
they stopped at intervals on either side

135
00:04:27,990 --> 00:04:25,919
of the small bridge 50 foot away

136
00:04:30,550 --> 00:04:28,000
troops dismounted from the mrap and m8

137
00:04:31,270 --> 00:04:30,560
tv they had rifles and strange body

138
00:04:33,430 --> 00:04:31,280

armor

139

00:04:35,590 --> 00:04:33,440

they kept the lights on the vehicles on

140

00:04:37,749 --> 00:04:35,600

i took out my field spotter glasses

141

00:04:39,030 --> 00:04:37,759

and got a better low ok number at number

142

00:04:41,909 --> 00:04:39,040

fast entry helmets

143

00:04:44,230 --> 00:04:41,919

bella clavis 4i night vision sets dull

144

00:04:46,710 --> 00:04:44,240

finish metallic looking body armor

145

00:04:48,310 --> 00:04:46,720

vest arms legs and curiously neck they

146

00:04:51,270 --> 00:04:48,320

all carry combat sabers

147

00:04:52,950 --> 00:04:51,280

and either fn 2000 rifles or rifles that

148

00:04:56,469 --> 00:04:52,960

look like the xm 25

149

00:04:57,990 --> 00:04:56,479

26 or 27 prototypes a team of three went

150

00:04:58,629 --> 00:04:58,000

into the woods off to the right of the

151
00:05:01,189 --> 00:04:58,639
road

152
00:05:02,790 --> 00:05:01,199
if you were headed west by the cemetery

153
00:05:04,790 --> 00:05:02,800
they were gone about 10 minutes

154
00:05:06,710 --> 00:05:04,800
when a couple shots rang out and all the

155
00:05:08,629 --> 00:05:06,720
troops came out of the woods in a hurry

156
00:05:10,710 --> 00:05:08,639
got in the vehicles and took off

157
00:05:12,070 --> 00:05:10,720
the helicopter flyovers stopped until

158
00:05:14,469 --> 00:05:12,080
this past august

159
00:05:15,189 --> 00:05:14,479
it's like clockwork monday wednesday

160
00:05:19,029 --> 00:05:15,199
friday

161
00:05:21,029 --> 00:05:19,039
saturday and sunday 11 p.m to 12 45 a.m

162
00:05:23,029 --> 00:05:21,039
and 2 30 a.m to 4 a.m

163
00:05:25,270 --> 00:05:23,039

currently one is flying over as i type

164

00:05:27,990 --> 00:05:25,280

this 1 31 2018

165

00:05:28,790 --> 00:05:28,000

12 30 a.m i prefer to remain anonymous

166

00:05:30,550 --> 00:05:28,800

for now

167

00:05:32,390 --> 00:05:30,560

i worked as a civilian independent

168

00:05:33,430 --> 00:05:32,400

contractor in the dakotas for about

169

00:05:35,749 --> 00:05:33,440

eight years

170

00:05:37,670 --> 00:05:35,759

advised in the golden coyote exercises

171

00:05:39,189 --> 00:05:37,680

in the black hills of south dakota and

172

00:05:41,029 --> 00:05:39,199

the bombing range recovery in the

173

00:05:43,029 --> 00:05:41,039

badlands of south dakota

174

00:05:45,510 --> 00:05:43,039

i grew up in a military family all

175

00:05:47,990 --> 00:05:45,520

branches been around military vehicles

176

00:05:50,830 --> 00:05:48,000

since i could remember i couldn't join

177

00:05:56,390 --> 00:05:50,840

because of the health problem they

178

00:06:00,390 --> 00:05:58,230

large wing being encountered in western

179

00:06:02,309 --> 00:06:00,400

kentucky about 10 years ago my

180

00:06:04,230 --> 00:06:02,319

ex-husband and i were visiting friends

181

00:06:06,390 --> 00:06:04,240

and the guys left to go rent some movies

182

00:06:08,230 --> 00:06:06,400

from a local video store we live in

183

00:06:10,469 --> 00:06:08,240

small towns surrounded by other small

184

00:06:12,390 --> 00:06:10,479

neighboring towns in western kentucky

185

00:06:14,950 --> 00:06:12,400

lots of wooded areas and lots of country

186

00:06:16,950 --> 00:06:14,960

roads not a lot of big city action

187

00:06:18,230 --> 00:06:16,960

street lights are on most roads but not

188

00:06:19,749 --> 00:06:18,240

the back roads

189

00:06:22,070 --> 00:06:19,759

my friend's husband zach and my

190

00:06:24,230 --> 00:06:22,080

ex-husband josh decided to hit a back

191

00:06:25,590 --> 00:06:24,240

road so zach could show josh a house he

192

00:06:27,350 --> 00:06:25,600

had been helping bill

193

00:06:29,430 --> 00:06:27,360

i am familiar with the road they were on

194

00:06:31,670 --> 00:06:29,440

because my grandparents live off it it's

195

00:06:32,950 --> 00:06:31,680

a very long road probably 20 miles from

196

00:06:34,469 --> 00:06:32,960

start to finish

197

00:06:36,230 --> 00:06:34,479

a childhood friend of mine lived

198

00:06:38,070 --> 00:06:36,240

directly on this road so i

199

00:06:39,990 --> 00:06:38,080

grew up in these woods and have had some

200

00:06:41,749 --> 00:06:40,000

strange stories from down there

201
00:06:43,189 --> 00:06:41,759
it's not like people talk about this

202
00:06:43,909 --> 00:06:43,199
place being haunted or anything

203
00:06:46,070 --> 00:06:43,919
paranormal

204
00:06:46,950 --> 00:06:46,080
i just had experienced weirdness myself

205
00:06:48,950 --> 00:06:46,960
as a kid

206
00:06:50,469 --> 00:06:48,960
mostly i chalk my stories up to being

207
00:06:52,469 --> 00:06:50,479
young and impressionable

208
00:06:54,070 --> 00:06:52,479
anyway the guys were talking about the

209
00:06:56,150 --> 00:06:54,080
house and hanging out when they got a

210
00:06:58,230 --> 00:06:56,160
part of the road that is some will curve

211
00:07:00,070 --> 00:06:58,240
at that point off the side of the road

212
00:07:01,270 --> 00:07:00,080
stood a figure that my ex-head had to be

213
00:07:03,270 --> 00:07:01,280

seven foot tall

214

00:07:04,950 --> 00:07:03,280

they were in a dodge neon so he said

215

00:07:06,469 --> 00:07:04,960

maybe he could have mistaken his height

216

00:07:08,629 --> 00:07:06,479

because they were sitting low

217

00:07:10,309 --> 00:07:08,639

but he towered over the vehicle neither

218

00:07:11,909 --> 00:07:10,319

of them said a word to each other until

219

00:07:13,990 --> 00:07:11,919

they had passed the figure

220

00:07:15,830 --> 00:07:14,000

after they passed another car was coming

221

00:07:17,510 --> 00:07:15,840

and that car hit their brakes which led

222

00:07:18,550 --> 00:07:17,520

the guys to believe that carr had seen

223

00:07:20,550 --> 00:07:18,560

it as well

224

00:07:22,469 --> 00:07:20,560

zach pulls into the next available place

225

00:07:24,390 --> 00:07:22,479

to turn around and that's when they both

226

00:07:26,870 --> 00:07:24,400

started talking and freaking out

227

00:07:28,950 --> 00:07:26,880

did you see that what was that they

228

00:07:31,029 --> 00:07:28,960

turned around and drove back but nothing

229

00:07:31,990 --> 00:07:31,039

was there they stopped the car and got

230

00:07:34,309 --> 00:07:32,000

flashlights out

231

00:07:35,430 --> 00:07:34,319

no street lights the only light had been

232

00:07:37,029 --> 00:07:35,440

their headlights

233

00:07:39,350 --> 00:07:37,039

they hurried back to the house and when

234

00:07:41,909 --> 00:07:39,360

they came inside both were very quiet

235

00:07:43,990 --> 00:07:41,919

i was like what's up with you guys each

236

00:07:45,670 --> 00:07:44,000

kept saying for the other to tell us

237

00:07:47,749 --> 00:07:45,680

they tell us the story of what they had

238

00:07:49,670 --> 00:07:47,759

witnessed but with no description

239

00:07:51,749 --> 00:07:49,680

so me and my friends separated the guys

240

00:07:53,510 --> 00:07:51,759

and asked them to draw what they saw

241

00:07:55,110 --> 00:07:53,520

basically it was the same thing only one

242

00:07:56,710 --> 00:07:55,120

of them drew half of it and the other

243

00:07:58,309 --> 00:07:56,720

drew the entire figure

244

00:08:00,150 --> 00:07:58,319

both have the center as being black

245

00:08:01,909 --> 00:08:00,160

except red where the eyes are

246

00:08:03,830 --> 00:08:01,919

josh described that it didn't appear to

247

00:08:05,270 --> 00:08:03,840

have feet and it was floating

248

00:08:06,790 --> 00:08:05,280

zack said he didn't remember if he

249

00:08:08,869 --> 00:08:06,800

looked at the feet because he was so

250

00:08:10,390 --> 00:08:08,879

taken back by the giant wings

251
00:08:12,309 --> 00:08:10,400
the wings they both drew and said were

252
00:08:13,110 --> 00:08:12,319
white at the top then faded to yellow

253
00:08:14,869 --> 00:08:13,120
then red

254
00:08:16,469 --> 00:08:14,879
the craziest part of me was that both

255
00:08:17,589 --> 00:08:16,479
guys said that it wasn't flapping the

256
00:08:19,189 --> 00:08:17,599
wings up and down

257
00:08:21,430 --> 00:08:19,199
but that it was flapping them in towards

258
00:08:23,029 --> 00:08:21,440
the center body and then back out

259
00:08:24,790 --> 00:08:23,039
my ex and i would talk about this

260
00:08:26,550 --> 00:08:24,800
engraved links for years

261
00:08:28,629 --> 00:08:26,560
zach had since been in an accident and

262
00:08:30,710 --> 00:08:28,639
suffered a traumatic brain injury

263
00:08:32,230 --> 00:08:30,720

he was alone on his motorcycle and the

264

00:08:33,829 --> 00:08:32,240

eyewitness said he seemed to have just

265

00:08:35,509 --> 00:08:33,839

drove off the side of the road like

266

00:08:37,350 --> 00:08:35,519

something ran in front of him

267

00:08:39,029 --> 00:08:37,360

but he is no longer able to communicate

268

00:08:40,230 --> 00:08:39,039

to be able to tell anyone what happened

269

00:08:42,149 --> 00:08:40,240

to him that night

270

00:08:44,070 --> 00:08:42,159

but it's always made me wonder if he saw

271

00:08:46,070 --> 00:08:44,080

that creature again or if it was some

272

00:08:52,710 --> 00:08:46,080

sort of warning for what was to come

273

00:08:56,150 --> 00:08:54,710

winged humanoid encounter in morehouse

274

00:08:58,070 --> 00:08:56,160

parish louisiana

275

00:08:59,910 --> 00:08:58,080

i've never told anyone this or talked

276

00:09:01,910 --> 00:08:59,920

about it to anyone besides the people

277

00:09:02,389 --> 00:09:01,920

that were with me that night and my best

278

00:09:04,070 --> 00:09:02,399

friend

279

00:09:05,829 --> 00:09:04,080

who claims to have seen him at a

280

00:09:08,389 --> 00:09:05,839

different date that i didn't know about

281

00:09:10,310 --> 00:09:08,399

until i described my experience to him

282

00:09:12,949 --> 00:09:10,320

i lived in a small town bastard

283

00:09:14,790 --> 00:09:12,959

louisiana with my cousin and his wife

284

00:09:16,870 --> 00:09:14,800

there's not much to do in morehouse

285

00:09:17,350 --> 00:09:16,880

parish besides drive backroads like

286

00:09:19,829 --> 00:09:17,360

we've done

287

00:09:22,310 --> 00:09:19,839

thousands of times before then one night

288

00:09:23,190 --> 00:09:22,320

in 2015 we were leaving a church we used

289

00:09:25,829 --> 00:09:23,200

to clean

290

00:09:29,829 --> 00:09:25,839

it was around 2 am or so we were in my

291

00:09:32,389 --> 00:09:29,839

cousin's 1990 gmc sierra single cab 4x4

292

00:09:33,269 --> 00:09:32,399

and we decided to ride back roads so

293

00:09:35,030 --> 00:09:33,279

we're cruising

294

00:09:37,030 --> 00:09:35,040

he and i are talking and listening to

295

00:09:37,829 --> 00:09:37,040

nirvana probably we played music

296

00:09:39,750 --> 00:09:37,839

together

297

00:09:41,509 --> 00:09:39,760

but anyway his wife was asleep in the

298

00:09:43,910 --> 00:09:41,519

middle seat when we turned on a paved

299

00:09:46,630 --> 00:09:43,920

road five miles or so outside of town

300

00:09:48,630 --> 00:09:46,640

and come around a curve and there it was

301
00:09:50,630 --> 00:09:48,640
something we had never seen before

302
00:09:52,310 --> 00:09:50,640
i'm an avid hunter been in the woods all

303
00:09:54,230 --> 00:09:52,320
hours of the night and day

304
00:09:55,910 --> 00:09:54,240
i was in the army but had never been

305
00:09:56,870 --> 00:09:55,920
more freaked out by something than what

306
00:09:58,710 --> 00:09:56,880
we witnessed

307
00:09:59,910 --> 00:09:58,720
there was something dead in the road and

308
00:10:01,030 --> 00:09:59,920
something was eating it when the

309
00:10:02,870 --> 00:10:01,040
headlights hit

310
00:10:04,870 --> 00:10:02,880
it looked up was about two and a half to

311
00:10:06,230 --> 00:10:04,880
three foot tall like it was kneeling

312
00:10:08,630 --> 00:10:06,240
over whatever it was eating

313
00:10:10,389 --> 00:10:08,640

had red eyes and it stood up so fast

314

00:10:11,509 --> 00:10:10,399

seemed like a millisecond was seven or

315

00:10:13,590 --> 00:10:11,519

eight feet tall

316

00:10:15,590 --> 00:10:13,600

was pitch black its skin looked like a

317

00:10:17,829 --> 00:10:15,600

bat skin but way darker

318

00:10:19,430 --> 00:10:17,839

in one fell swoop it left and its wings

319

00:10:20,630 --> 00:10:19,440

opened and flew into the woods on the

320

00:10:22,870 --> 00:10:20,640

side of the road

321

00:10:25,190 --> 00:10:22,880

it had to be moving over 50 miles per

322

00:10:25,910 --> 00:10:25,200

hour freaking wildest experience of my

323

00:10:27,670 --> 00:10:25,920

life

324

00:10:29,190 --> 00:10:27,680

and i've always been cynical when it

325

00:10:31,269 --> 00:10:29,200

comes to paranormal stuff

326

00:10:32,550 --> 00:10:31,279

but i know what i saw that night and so

327

00:10:39,750 --> 00:10:32,560

does my cousin

328

00:10:43,509 --> 00:10:41,829

enormous black wind cryptid observed in

329

00:10:45,670 --> 00:10:43,519

tequila washington

330

00:10:47,750 --> 00:10:45,680

i have a story to share which to this

331

00:10:48,470 --> 00:10:47,760

very day still makes me shrink on the

332

00:10:51,190 --> 00:10:48,480

inside

333

00:10:53,430 --> 00:10:51,200

wanting to become very small it only

334

00:10:55,430 --> 00:10:53,440

lasted about two to three minutes yet

335

00:10:57,430 --> 00:10:55,440

this short event filled me with a heavy

336

00:10:58,790 --> 00:10:57,440

dark feeling of the ultimate ending of

337

00:11:00,870 --> 00:10:58,800

my existence

338

00:11:02,710 --> 00:11:00,880

i have only shared this with maybe a

339

00:11:04,949 --> 00:11:02,720

single handful of people

340

00:11:06,949 --> 00:11:04,959

even then they give me that look of oh

341

00:11:10,230 --> 00:11:06,959

whatever with a sideways grin

342

00:11:12,389 --> 00:11:10,240

that familiar reaction about myself i'm

343

00:11:14,389 --> 00:11:12,399

60 years old now and beginning to

344

00:11:15,509 --> 00:11:14,399

understand that if i don't share my

345

00:11:17,509 --> 00:11:15,519

experiences

346

00:11:20,470 --> 00:11:17,519

well someday it will go to the grave

347

00:11:22,710 --> 00:11:20,480

with me then no one will have heard them

348

00:11:24,310 --> 00:11:22,720

so at this time of my life ridicule is

349

00:11:27,030 --> 00:11:24,320

not a fear anymore

350

00:11:28,150 --> 00:11:27,040

believe my story or not this is not my

351
00:11:31,269 --> 00:11:28,160
concern

352
00:11:33,190 --> 00:11:31,279
my story starts as follows i was walking

353
00:11:35,030 --> 00:11:33,200
to work to begin my night shift at a

354
00:11:38,389 --> 00:11:35,040
manufacturing company

355
00:11:40,949 --> 00:11:38,399
the shift started at six pm to six am

356
00:11:42,389 --> 00:11:40,959
i lived about four blocks from work so i

357
00:11:45,190 --> 00:11:42,399
walked all the time

358
00:11:47,269 --> 00:11:45,200
i would leave home at about 5 p.m take

359
00:11:49,350 --> 00:11:47,279
my time and enjoy the walk

360
00:11:50,629 --> 00:11:49,360
the walking path i followed ran along

361
00:11:52,550 --> 00:11:50,639
the green river

362
00:11:54,949 --> 00:11:52,560
i was just starting on the head of the

363
00:11:57,590 --> 00:11:54,959

path with a slight downward incline

364

00:11:59,670 --> 00:11:57,600

it was spring warm clear with no wind

365

00:12:01,750 --> 00:11:59,680

just a very beautiful day

366

00:12:03,829 --> 00:12:01,760

as i was looking ahead something dark

367

00:12:05,829 --> 00:12:03,839

caught my attention from my right and

368

00:12:07,670 --> 00:12:05,839

slightly high above the tree line

369

00:12:10,069 --> 00:12:07,680

and towards the shopping mall which was

370

00:12:12,870 --> 00:12:10,079

about two blocks in that direction

371

00:12:14,870 --> 00:12:12,880

i just slightly turned my head to see

372

00:12:16,150 --> 00:12:14,880

now what i saw was giving me a right

373

00:12:19,190 --> 00:12:16,160

profile of it

374

00:12:22,310 --> 00:12:19,200

it was a very black thing humanoid like

375

00:12:23,829 --> 00:12:22,320

it had wings black with legs it was in a

376

00:12:25,670 --> 00:12:23,839

bird of prey position

377

00:12:28,470 --> 00:12:25,680

just when they were about to grab their

378

00:12:30,790 --> 00:12:28,480

prey i turned my attention forward and

379

00:12:33,750 --> 00:12:30,800

was hit with a feeling of fear and dread

380

00:12:35,829 --> 00:12:33,760

like i was a field mouse in an open area

381

00:12:38,470 --> 00:12:35,839

now my mind is telling me that it was a

382

00:12:39,509 --> 00:12:38,480

black bird's whooping down yet another

383

00:12:42,310 --> 00:12:39,519

part is saying

384

00:12:43,590 --> 00:12:42,320

what the bleep so i turned my head right

385

00:12:45,910 --> 00:12:43,600

again to see

386

00:12:46,629 --> 00:12:45,920

there it was in the same spot it hadn't

387

00:12:48,949 --> 00:12:46,639

moved

388

00:12:51,590 --> 00:12:48,959

it looked like a bird but with legs and

389

00:12:53,350 --> 00:12:51,600

arms held slightly out from its body

390

00:12:54,790 --> 00:12:53,360

and with what looked like a head not

391

00:12:56,870 --> 00:12:54,800

like a bird at all

392

00:12:59,269 --> 00:12:56,880

and wings back in the position a bird of

393

00:13:01,509 --> 00:12:59,279

prey would have them when swooping down

394

00:13:03,030 --> 00:13:01,519

now my mind is trying to take in all

395

00:13:05,990 --> 00:13:03,040

this information

396

00:13:08,230 --> 00:13:06,000

and it is not going well warning signals

397

00:13:10,389 --> 00:13:08,240

going off like crazy in my mind telling

398

00:13:12,230 --> 00:13:10,399

me to move slow and quietly

399

00:13:14,150 --> 00:13:12,240

at the same time i'm beginning to

400

00:13:15,910 --> 00:13:14,160

realize that this thing is hovering in

401
00:13:19,350 --> 00:13:15,920
the direction of the shopping mall

402
00:13:20,710 --> 00:13:19,360
and kind of above it now wait that's two

403
00:13:23,269 --> 00:13:20,720
blocks away

404
00:13:25,190 --> 00:13:23,279
how can i see this in any detail it's

405
00:13:27,509 --> 00:13:25,200
over there a far enough distance i

406
00:13:30,629 --> 00:13:27,519
should not even be able to see it

407
00:13:32,629 --> 00:13:30,639
other than a black spot yet i can

408
00:13:34,069 --> 00:13:32,639
at least enough to see that what i'm

409
00:13:36,150 --> 00:13:34,079
seeing shouldn't be

410
00:13:37,190 --> 00:13:36,160
i'm beginning to understand that it must

411
00:13:40,230 --> 00:13:37,200
be large

412
00:13:41,990 --> 00:13:40,240
i mean really right two blocks away yet

413
00:13:43,269 --> 00:13:42,000

large enough for me to see the shape

414

00:13:46,629 --> 00:13:43,279

definition

415

00:13:48,629 --> 00:13:46,639

no detail just shape i shift my gaze

416

00:13:51,350 --> 00:13:48,639

forward to gauge how much farther into

417

00:13:54,629 --> 00:13:51,360

line down this incline and out a visual

418

00:13:56,230 --> 00:13:54,639

not far maybe 50 feet i decided to look

419

00:13:57,990 --> 00:13:56,240

again just to see

420

00:14:00,310 --> 00:13:58,000

and of course it's still in the same

421

00:14:01,430 --> 00:14:00,320

position but giving off that feeling of

422

00:14:04,150 --> 00:14:01,440

pure dread

423

00:14:06,389 --> 00:14:04,160

i had no desire to stop and look all i

424

00:14:08,629 --> 00:14:06,399

cared about was get to work full

425

00:14:10,790 --> 00:14:08,639

so after the third look i just focused

426
00:14:12,230 --> 00:14:10,800
on getting to the location of not being

427
00:14:14,069 --> 00:14:12,240
seen or seeing it

428
00:14:15,350 --> 00:14:14,079
i made it to work ahead of time of

429
00:14:17,829 --> 00:14:15,360
course still

430
00:14:19,750 --> 00:14:17,839
feeling scared later in the shift i

431
00:14:20,790 --> 00:14:19,760
shared it with a co-worker and received

432
00:14:22,949 --> 00:14:20,800
laughter

433
00:14:24,230 --> 00:14:22,959
so i shut up and didn't talk about this

434
00:14:26,150 --> 00:14:24,240
for many years

435
00:14:27,509 --> 00:14:26,160
over the years i have tried to grasp

436
00:14:30,150 --> 00:14:27,519
what i had seen

437
00:14:31,189 --> 00:14:30,160
i really don't know maybe i don't need

438
00:14:33,430 --> 00:14:31,199

to know

439

00:14:35,110 --> 00:14:33,440

yet even to this very day when i think

440

00:14:35,990 --> 00:14:35,120

about this the feeling of fear is

441

00:14:37,910 --> 00:14:36,000

present

442

00:14:40,230 --> 00:14:37,920

i just have this strong feeling that

443

00:14:42,069 --> 00:14:40,240

what i had seen was not known

444

00:14:43,829 --> 00:14:42,079

now there is a short incident that

445

00:14:44,710 --> 00:14:43,839

happened about three or four months

446

00:14:46,629 --> 00:14:44,720

later

447

00:14:47,910 --> 00:14:46,639

i believe that it was around the first

448

00:14:49,590 --> 00:14:47,920

part of july

449

00:14:52,150 --> 00:14:49,600

it was around one o'clock in the

450

00:14:53,829 --> 00:14:52,160

afternoon i was walking in the parking

451
00:14:57,030 --> 00:14:53,839
lot of the shopping mall

452
00:14:57,990 --> 00:14:57,040
yes the same one i was about halfway

453
00:15:01,110 --> 00:14:58,000
across the parking

454
00:15:02,150 --> 00:15:01,120
lot which is quite large i had my

455
00:15:05,030 --> 00:15:02,160
headphones in

456
00:15:06,710 --> 00:15:05,040
listening to music all of a sudden i had

457
00:15:07,750 --> 00:15:06,720
a feeling that something was flying

458
00:15:10,150 --> 00:15:07,760
above me

459
00:15:12,150 --> 00:15:10,160
i mean i actually ducked down thinking

460
00:15:14,310 --> 00:15:12,160
something was going over me

461
00:15:16,389 --> 00:15:14,320
at the same time that this occurred i

462
00:15:19,189 --> 00:15:16,399
saw shadow pass over me

463
00:15:21,430 --> 00:15:19,199

and it was shaped like a very large bird

464

00:15:24,389 --> 00:15:21,440

i mean i could tell it was a wing

465

00:15:25,670 --> 00:15:24,399

end to end maybe 20 feet just a poor

466

00:15:28,069 --> 00:15:25,680

guess at best

467

00:15:29,509 --> 00:15:28,079

i immediately stopped and looked up

468

00:15:31,430 --> 00:15:29,519

there was nothing in the sky

469

00:15:34,710 --> 00:15:31,440

except for a few high and thin white

470

00:15:37,749 --> 00:15:34,720

clouds i looked to see if it was a plane

471

00:15:38,629 --> 00:15:37,759

nope i did a complete 360 looking up

472

00:15:41,430 --> 00:15:38,639

nothing

473

00:15:43,269 --> 00:15:41,440

so i beat my feet to the entrance once

474

00:15:45,350 --> 00:15:43,279

again having that feeling of being a

475

00:15:48,230 --> 00:15:45,360

field mouse out in the open

476
00:15:49,590 --> 00:15:48,240
so i have no idea what i saw those two

477
00:15:51,910 --> 00:15:49,600
different times

478
00:15:53,030 --> 00:15:51,920
but i think they may have been related

479
00:15:55,189 --> 00:15:53,040
whatever it was

480
00:15:56,870 --> 00:15:55,199
i know the feeling that being seen is

481
00:15:59,670 --> 00:15:56,880
not going to be good

482
00:16:01,110 --> 00:15:59,680
well that about covers that subject take

483
00:16:02,870 --> 00:16:01,120
it for what it's worth

484
00:16:05,189 --> 00:16:02,880
thank you for your time in allowing me

485
00:16:07,110 --> 00:16:05,199
to share final thought

486
00:16:09,430 --> 00:16:07,120
i've noticed that people who have had

487
00:16:11,670 --> 00:16:09,440
strange encounters seem to be able to

488
00:16:12,470 --> 00:16:11,680

check a few boxes off in the cryptid or

489

00:16:15,590 --> 00:16:12,480

paranormal

490

00:16:18,470 --> 00:16:15,600

or even ufo categories dot i know i can

491

00:16:20,470 --> 00:16:18,480

check a few of those boxes off myself

492

00:16:21,670 --> 00:16:20,480

and all are in the category of i just

493

00:16:28,710 --> 00:16:21,680

don't know

494

00:16:32,150 --> 00:16:31,189

this is lon strickler if you like this

495

00:16:33,910 --> 00:16:32,160

496
