

ARCANE RADIO 

Exploring the Unexplained 

Feb. 10th, 2016

Bret Oldham

**Alien Abductee, Author,
'Children of the Greys'**

1
00:00:03,990 --> 00:00:02,070
all right folks good evening welcome to

2
00:00:05,190 --> 00:00:04,000
arcane radio there's not going to be an

3
00:00:06,150 --> 00:00:05,200
intro tonight because apparently i

4
00:00:09,830 --> 00:00:06,160
killed the file

5
00:00:12,950 --> 00:00:09,840
but that's okay lana and i are here

6
00:00:14,150 --> 00:00:12,960
got this big red flashing banner on my

7
00:00:17,029 --> 00:00:14,160
page that says

8
00:00:18,710 --> 00:00:17,039
error can't load track we don't piss off

9
00:00:20,150 --> 00:00:18,720
someone's trying to reconnect

10
00:00:22,070 --> 00:00:20,160
oh i'm telling you so that's what

11
00:00:24,230 --> 00:00:22,080
happened huh yeah oh well

12
00:00:25,509 --> 00:00:24,240
here we are arcane radio folks who

13
00:00:26,870 --> 00:00:25,519

weren't able to make it monday i

14

00:00:29,349 --> 00:00:26,880

apologize

15

00:00:31,509 --> 00:00:29,359

oh forkchop was under the weather and

16

00:00:32,229 --> 00:00:31,519

lon was gracious to change things up

17

00:00:33,830 --> 00:00:32,239

because

18

00:00:35,990 --> 00:00:33,840

you didn't want to hear what was coming

19

00:00:37,670 --> 00:00:36,000

out of me

20

00:00:39,110 --> 00:00:37,680

we had food poisoning didn't you i don't

21

00:00:40,630 --> 00:00:39,120

know what the hell i had man i felt

22

00:00:43,350 --> 00:00:40,640

terrible i

23

00:00:45,190 --> 00:00:43,360

i got home from work my boss was nice

24

00:00:45,990 --> 00:00:45,200

let me go home a little early on monday

25

00:00:48,229 --> 00:00:46,000

and

26

00:00:50,630 --> 00:00:48,239

when i got home i don't know it just hit

27

00:00:52,549 --> 00:00:50,640

me like a ton of bricks and i was

28

00:00:54,229 --> 00:00:52,559

but yeah i couldn't stand it finally

29

00:00:55,189 --> 00:00:54,239

last couple days i got a good night's

30

00:00:57,510 --> 00:00:55,199

sleep

31

00:00:58,790 --> 00:00:57,520

and uh here we are on tonight going to

32

00:01:02,150 --> 00:00:58,800

talk about

33

00:01:04,390 --> 00:01:02,160

alien abduction with uh brett oldham

34

00:01:05,670 --> 00:01:04,400

yeah this will be an interesting show

35

00:01:07,270 --> 00:01:05,680

it's gonna be very interesting very

36

00:01:09,910 --> 00:01:07,280

interesting indeed

37

00:01:11,990 --> 00:01:09,920

uh you know i'll be honest with you i i

38

00:01:14,630 --> 00:01:12,000

only read parts of the book i read

39

00:01:16,149 --> 00:01:14,640

experts of it from uh actually a couple

40

00:01:19,030 --> 00:01:16,159

years ago but i've got some

41

00:01:19,670 --> 00:01:19,040

things written down also but i know his

42

00:01:23,830 --> 00:01:19,680

story

43

00:01:28,789 --> 00:01:26,950

he was actually part of the

44

00:01:30,149 --> 00:01:28,799

monsters of mysteries america's first

45

00:01:32,310 --> 00:01:30,159

season

46

00:01:34,950 --> 00:01:32,320

the when he was living in las vegas and

47

00:01:38,069 --> 00:01:34,960

i guess then it was part of that um

48

00:01:38,870 --> 00:01:38,079

that desert wasteland episode the last

49

00:01:42,310 --> 00:01:38,880

one

50

00:01:44,789 --> 00:01:42,320

on i remember that

51
00:01:46,230 --> 00:01:44,799
yeah they were he had the last segment

52
00:01:47,510 --> 00:01:46,240
of the show and they were talking about

53
00:01:49,830 --> 00:01:47,520
the um

54
00:01:50,710 --> 00:01:49,840
about the abduction and everything he

55
00:01:53,270 --> 00:01:50,720
and his

56
00:01:54,469 --> 00:01:53,280
girlfriend went through so you know

57
00:01:57,590 --> 00:01:54,479
we'll let him

58
00:02:00,630 --> 00:01:57,600
tell everything and uh it's compa

59
00:02:02,550 --> 00:02:00,640
it's a compelling story and uh uh

60
00:02:03,990 --> 00:02:02,560
it really makes you think you know i've

61
00:02:06,950 --> 00:02:04,000
been through

62
00:02:07,590 --> 00:02:06,960
this with a lot of witnesses and a lot

63
00:02:11,029 --> 00:02:07,600

of

64

00:02:14,470 --> 00:02:11,039

experiences over the years and

65

00:02:15,190 --> 00:02:14,480

you know it's not fun and games i mean

66

00:02:18,710 --> 00:02:15,200

these

67

00:02:20,070 --> 00:02:18,720

serious stuff and uh

68

00:02:21,750 --> 00:02:20,080

some of the things these people go

69

00:02:23,830 --> 00:02:21,760

through is horrendous

70

00:02:25,030 --> 00:02:23,840

that's just a simple word for it well

71

00:02:26,949 --> 00:02:25,040

you know lon you're

72

00:02:28,070 --> 00:02:26,959

you've investigated this for a long time

73

00:02:30,949 --> 00:02:28,080

you've interviewed

74

00:02:32,550 --> 00:02:30,959

countless amounts of people that have

75

00:02:35,110 --> 00:02:32,560

experienced

76

00:02:35,589 --> 00:02:35,120

uh let's just call it what we believe it

77

00:02:37,110 --> 00:02:35,599

to be

78

00:02:38,869 --> 00:02:37,120

alien abduction correct they've

79

00:02:40,630 --> 00:02:38,879

experienced they've been part of this

80

00:02:43,110 --> 00:02:40,640

they've been through the

81

00:02:44,390 --> 00:02:43,120

the traumatic uh these traumatic

82

00:02:47,270 --> 00:02:44,400

experiences

83

00:02:48,790 --> 00:02:47,280

i yield to you on this me am i a little

84

00:02:49,190 --> 00:02:48,800

skeptical about it hell yeah i'm a

85

00:02:50,630 --> 00:02:49,200

little

86

00:02:52,710 --> 00:02:50,640

skeptical about it doesn't mean i can't

87

00:02:54,630 --> 00:02:52,720

be respectful about it

88

00:02:56,309 --> 00:02:54,640

and i might ask a couple questions

89

00:02:57,670 --> 00:02:56,319

tonight that might be a little skeptical

90

00:02:59,589 --> 00:02:57,680

but please note

91

00:03:01,509 --> 00:02:59,599

that lon you know me you know i'm about

92

00:03:03,670 --> 00:03:01,519

i'd never be disrespectful to somebody

93

00:03:05,030 --> 00:03:03,680

so folks are expecting someone to be a

94

00:03:08,149 --> 00:03:05,040

little

95

00:03:10,149 --> 00:03:08,159

uh skeptical and

96

00:03:11,430 --> 00:03:10,159

maybe a little overheated not gonna

97

00:03:14,550 --> 00:03:11,440

happen here tonight

98

00:03:17,030 --> 00:03:14,560

this show is for our guests to tell

99

00:03:19,110 --> 00:03:17,040

listeners about their experiences

100

00:03:20,869 --> 00:03:19,120

and for lon and i to discuss it with

101
00:03:21,190 --> 00:03:20,879
them not to make them feel like they're

102
00:03:24,149 --> 00:03:21,200
not

103
00:03:26,550 --> 00:03:24,159
guests uh in our home or on our program

104
00:03:29,589 --> 00:03:26,560
i just wanted to put that out there

105
00:03:31,430 --> 00:03:29,599
yeah i mean you know it's um well

106
00:03:32,710 --> 00:03:31,440
there's got to be something to it i mean

107
00:03:34,869 --> 00:03:32,720
there's too many people

108
00:03:36,949 --> 00:03:34,879
through this stuff and you know i don't

109
00:03:38,630 --> 00:03:36,959
know if it's to the degree that a lot of

110
00:03:42,630 --> 00:03:38,640
people

111
00:03:44,869 --> 00:03:42,640
say it is you know we've talked to

112
00:03:46,550 --> 00:03:44,879
abduction researchers in the past and

113
00:03:47,990 --> 00:03:46,560

people have been abducted in the past

114

00:03:50,309 --> 00:03:48,000

and

115

00:03:51,030 --> 00:03:50,319

you know some you can take with a grain

116

00:03:54,390 --> 00:03:51,040

of salt

117

00:03:57,110 --> 00:03:54,400

some it's just you know their story is

118

00:03:58,710 --> 00:03:57,120

is just overwhelming and and you just

119

00:04:02,550 --> 00:03:58,720

know something

120

00:04:06,470 --> 00:04:02,560

something happened um brett's story

121

00:04:09,750 --> 00:04:06,480

is very similar to what

122

00:04:13,429 --> 00:04:09,760

i have been told by other experiencers

123

00:04:17,189 --> 00:04:13,439

and uh when he he starts to explain

124

00:04:20,310 --> 00:04:17,199

what happened uh

125

00:04:22,069 --> 00:04:20,320

i'm you'll you'll kind of see uh

126
00:04:23,909 --> 00:04:22,079
what i'm talking about and i'm gonna you

127
00:04:25,350 --> 00:04:23,919
know i'm gonna interject once when i'll

128
00:04:27,510 --> 00:04:25,360
put a few things in every

129
00:04:29,189 --> 00:04:27,520
all in all we're just gonna tell a story

130
00:04:29,670 --> 00:04:29,199
definitely we want them to tell our

131
00:04:31,110 --> 00:04:29,680
story

132
00:04:32,870 --> 00:04:31,120
you know feedback from the listeners

133
00:04:35,189 --> 00:04:32,880
we've got over the last couple weeks is

134
00:04:37,189 --> 00:04:35,199
even though they appreciate you and i

135
00:04:38,710 --> 00:04:37,199
sharing our experiences and our passion

136
00:04:40,469 --> 00:04:38,720
on things sometimes they'd like to hear

137
00:04:42,870 --> 00:04:40,479
a little bit more about the listener

138
00:04:44,469 --> 00:04:42,880

and it was really good feedback and uh

139

00:04:46,629 --> 00:04:44,479

we take that feedback to heart

140

00:04:48,469 --> 00:04:46,639

as always email us your comments and

141

00:04:51,749 --> 00:04:48,479

thoughts info

142

00:04:54,629 --> 00:04:51,759

arcane radio dot com lawn arcane radio

143

00:04:55,030 --> 00:04:54,639

dot com or shawn at arcaneradio.com i'm

144

00:04:57,030 --> 00:04:55,040

sorry

145

00:04:59,590 --> 00:04:57,040

it's launch strickler at arcane radio

146

00:05:01,590 --> 00:04:59,600

seanforker at arcaneradio.com

147

00:05:03,430 --> 00:05:01,600

and uh we make sure we read each and

148

00:05:06,150 --> 00:05:03,440

every email that you folks send us so

149

00:05:07,670 --> 00:05:06,160

send us your comments uh we love the

150

00:05:09,909 --> 00:05:07,680

feedback but we're gonna take this

151
00:05:11,430 --> 00:05:09,919
feedback and always improve the show and

152
00:05:12,629 --> 00:05:11,440
that starts tonight so you wanted to

153
00:05:14,150 --> 00:05:12,639
hear about the

154
00:05:15,749 --> 00:05:14,160
this gentleman's stories we're gonna let

155
00:05:17,749 --> 00:05:15,759
him tell them to you

156
00:05:19,749 --> 00:05:17,759
and when we have a question or thought

157
00:05:21,350 --> 00:05:19,759
we're gonna pop in and uh

158
00:05:23,189 --> 00:05:21,360
ask away and i think that's that's a

159
00:05:25,909 --> 00:05:23,199
pretty good way to do it lon

160
00:05:27,350 --> 00:05:25,919
yeah yeah and we got some other things

161
00:05:29,990 --> 00:05:27,360
we've been kicking around too

162
00:05:31,189 --> 00:05:30,000
um as far as the show goes you mentioned

163
00:05:33,510 --> 00:05:31,199

to me tonight

164

00:05:34,710 --> 00:05:33,520

about possibly changing the show to a

165

00:05:36,950 --> 00:05:34,720

wednesday night

166

00:05:38,629 --> 00:05:36,960

you know that doesn't sound bad to me i

167

00:05:40,469 --> 00:05:38,639

mean i only problem with that

168

00:05:42,070 --> 00:05:40,479

you know it's up to you and what the

169

00:05:43,990 --> 00:05:42,080

listeners are you know

170

00:05:45,189 --> 00:05:44,000

you know think about it so if you've got

171

00:05:46,950 --> 00:05:45,199

any uh

172

00:05:48,629 --> 00:05:46,960

you've got any feedback on that folks

173

00:05:50,790 --> 00:05:48,639

let us know this wouldn't be something

174

00:05:52,629 --> 00:05:50,800

we do for a couple months but

175

00:05:54,070 --> 00:05:52,639

let us know if wednesday night's a

176
00:05:56,469 --> 00:05:54,080
better night for

177
00:05:58,230 --> 00:05:56,479
you know the listenership so um well i'm

178
00:05:59,510 --> 00:05:58,240
taking that feedback from the listeners

179
00:06:02,150 --> 00:05:59,520
you know because we

180
00:06:03,270 --> 00:06:02,160
oh pardon me hiccup there from my uh

181
00:06:06,710 --> 00:06:03,280
gold peak tea

182
00:06:08,870 --> 00:06:06,720
uh green tea cheap plug and uh

183
00:06:10,710 --> 00:06:08,880
the listeners you know when we posted

184
00:06:13,350 --> 00:06:10,720
that the shoe was moving the show

185
00:06:14,710 --> 00:06:13,360
was moving to wednesday uh they were a

186
00:06:16,309 --> 00:06:14,720
little excited about it because more

187
00:06:17,670 --> 00:06:16,319
folks were able to participate and

188
00:06:18,790 --> 00:06:17,680

we see it in the chat room tonight we

189

00:06:20,870 --> 00:06:18,800

got a decent amount of people

190

00:06:22,870 --> 00:06:20,880

participating in the program

191

00:06:24,710 --> 00:06:22,880

uh so i'm kind of encouraged by that and

192

00:06:25,670 --> 00:06:24,720

like lon said it won't be for a couple

193

00:06:28,230 --> 00:06:25,680

months

194

00:06:29,270 --> 00:06:28,240

but we definitely like to uh do that for

195

00:06:32,469 --> 00:06:29,280

you

196

00:06:34,230 --> 00:06:32,479

and we're also kicking around uh going

197

00:06:37,029 --> 00:06:34,240

on another format too that's right

198

00:06:38,550 --> 00:06:37,039

we're kicking that around you know we

199

00:06:39,749 --> 00:06:38,560

don't know uh if we're going to stay

200

00:06:42,550 --> 00:06:39,759

with mixeler or go

201
00:06:43,909 --> 00:06:42,560
somewhere else but we'll still be here

202
00:06:46,710 --> 00:06:43,919
that's right of course

203
00:06:48,230 --> 00:06:46,720
we're just trying to fix the quality

204
00:06:51,830 --> 00:06:48,240
make sure the quality is

205
00:06:54,309 --> 00:06:51,840
consistent and uh you know

206
00:06:55,430 --> 00:06:54,319
though it has it sounded good last week

207
00:06:57,350 --> 00:06:55,440
and so far

208
00:07:00,950 --> 00:06:57,360
tonight it sounded pretty good as well

209
00:07:03,029 --> 00:07:00,960
so we'll have to wait and see

210
00:07:04,710 --> 00:07:03,039
yeah definitely but i i want folks to

211
00:07:06,550 --> 00:07:04,720
know that again lon this is a work in

212
00:07:07,510 --> 00:07:06,560
progress we're always trying to be

213
00:07:09,589 --> 00:07:07,520

better

214

00:07:11,189 --> 00:07:09,599

uh for them because without them well

215

00:07:14,830 --> 00:07:11,199

you and i would still be here but

216

00:07:20,390 --> 00:07:18,390

well yeah we do a lot of that anyway

217

00:07:22,070 --> 00:07:20,400

that's true that's true what do you got

218

00:07:24,950 --> 00:07:22,080

for us tonight lon

219

00:07:26,629 --> 00:07:24,960

oh man let's see not a whole lot but it

220

00:07:29,990 --> 00:07:26,639

you know i do have a few things

221

00:07:32,309 --> 00:07:30,000

um i

222

00:07:34,150 --> 00:07:32,319

i have been receiving for the last

223

00:07:37,909 --> 00:07:34,160

couple months

224

00:07:41,110 --> 00:07:37,919

uh transcripts from a friend of mine

225

00:07:42,870 --> 00:07:41,120

jamie bryan he's uh a young man in

226

00:07:44,950 --> 00:07:42,880

canada that listens to i mean he must

227

00:07:47,510 --> 00:07:44,960

listen to all the radio shows

228

00:07:49,110 --> 00:07:47,520

and he transcribes a lot of them and

229

00:07:51,670 --> 00:07:49,120

some of the stories that people call

230

00:07:52,790 --> 00:07:51,680

in he transcribes and sends off to me

231

00:07:55,110 --> 00:07:52,800

which i

232

00:07:56,710 --> 00:07:55,120

truly appreciate i mean it's fantastic

233

00:07:59,510 --> 00:07:56,720

some of the stuff is great

234

00:07:59,990 --> 00:07:59,520

well anyway he sent me something this

235

00:08:01,990 --> 00:08:00,000

past

236

00:08:04,150 --> 00:08:02,000

week that i thought was pretty

237

00:08:05,990 --> 00:08:04,160

interesting and it kind of

238

00:08:07,270 --> 00:08:06,000

that kind of goes along with what we're

239

00:08:09,670 --> 00:08:07,280

um

240

00:08:11,430 --> 00:08:09,680

we're talking about this week uh

241

00:08:15,430 --> 00:08:11,440

basically aliens

242

00:08:18,150 --> 00:08:15,440

but um he said that

243

00:08:18,869 --> 00:08:18,160

and i think the show was uh in court

244

00:08:20,550 --> 00:08:18,879

maybe somebody

245

00:08:23,110 --> 00:08:20,560

you know peop some people had listened

246

00:08:27,189 --> 00:08:23,120

to it it was on the claude lewis ground

247

00:08:30,390 --> 00:08:27,199

zero show back last may

248

00:08:33,430 --> 00:08:30,400

and uh he says here that

249

00:08:36,550 --> 00:08:33,440

a woman by the name of laura in michigan

250

00:08:37,269 --> 00:08:36,560

called into the show to talk about a

251
00:08:41,430 --> 00:08:37,279
bizarre

252
00:08:46,070 --> 00:08:41,440
sighting she had at a costco

253
00:08:48,070 --> 00:08:46,080
and uh she said that he said that this

254
00:08:49,990 --> 00:08:48,080
case happened in michigan

255
00:08:52,790 --> 00:08:50,000
and the caller never but caller never

256
00:08:55,350 --> 00:08:52,800
indicated a date

257
00:08:55,990 --> 00:08:55,360
so this is what she uh this is what she

258
00:08:59,110 --> 00:08:56,000
stated

259
00:09:00,150 --> 00:08:59,120
uh myself and my two daughters and going

260
00:09:03,110 --> 00:09:00,160
to the store

261
00:09:03,750 --> 00:09:03,120
we were at costco we were approaching

262
00:09:07,110 --> 00:09:03,760
the food

263
00:09:09,670 --> 00:09:07,120

court and my daughter had seen an odd

264

00:09:10,790 --> 00:09:09,680

couple and she had kind of whispered to

265

00:09:14,389 --> 00:09:10,800

me look ma

266

00:09:17,030 --> 00:09:14,399

i think they're angels like a sweet

267

00:09:19,590 --> 00:09:17,040

adorable daughtering old couple

268

00:09:20,790 --> 00:09:19,600

uh i don't know i had a kind of

269

00:09:23,350 --> 00:09:20,800

foreboding type

270

00:09:24,630 --> 00:09:23,360

feeling about them i said i don't think

271

00:09:28,710 --> 00:09:24,640

they're angels

272

00:09:30,630 --> 00:09:28,720

we proceeded to go over we ordered pizza

273

00:09:32,710 --> 00:09:30,640

we were going to sit down with the pizza

274

00:09:33,990 --> 00:09:32,720

and you know the boxes of costco are

275

00:09:37,030 --> 00:09:34,000

ginormous

276

00:09:38,949 --> 00:09:37,040

one of the uh the females said to me you

277

00:09:40,870 --> 00:09:38,959

considered our table

278

00:09:42,949 --> 00:09:40,880

we had more room to sit there and eat i

279

00:09:43,910 --> 00:09:42,959

said okay we ended up offering him a

280

00:09:46,870 --> 00:09:43,920

piece

281

00:09:50,070 --> 00:09:46,880

and they said that they had uh they had

282

00:09:52,230 --> 00:09:50,080

gone the female had an mri done they

283

00:09:55,430 --> 00:09:52,240

were checking her for brain cancer or a

284

00:09:58,230 --> 00:09:55,440

brain tumor or something like that

285

00:09:59,110 --> 00:09:58,240

and i sparked the conversation because

286

00:10:02,069 --> 00:09:59,120

my daughter

287

00:10:04,630 --> 00:10:02,079

who's 25 now had had brain surgery for

288

00:10:06,150 --> 00:10:04,640

brain cancer when she was 11 years old

289

00:10:07,829 --> 00:10:06,160

so we started talking to them a little

290

00:10:09,829 --> 00:10:07,839

bit and they declined but they declined

291

00:10:12,310 --> 00:10:09,839

the pizza off because

292

00:10:14,230 --> 00:10:12,320

uh whatever i forget which i can't kind

293

00:10:16,790 --> 00:10:14,240

of understand what you wrote here so we

294

00:10:19,590 --> 00:10:16,800

just kind of talked them a little bit

295

00:10:21,430 --> 00:10:19,600

anyway when we were getting up getting

296

00:10:24,790 --> 00:10:21,440

ready to leave

297

00:10:26,630 --> 00:10:24,800

i said hey uh what's your name i want to

298

00:10:28,949 --> 00:10:26,640

pray for you

299

00:10:30,829 --> 00:10:28,959

uh she kind of stammered a little bit

300

00:10:35,190 --> 00:10:30,839

and as she stammered and stuttered a

301
00:10:39,110 --> 00:10:35,200
little i saw what looked like a hologram

302
00:10:42,389 --> 00:10:39,120
over her face and through the hologram

303
00:10:43,030 --> 00:10:42,399
i could see a head shape and could kind

304
00:10:45,430 --> 00:10:43,040
of see

305
00:10:46,710 --> 00:10:45,440
and kind of make out features a little

306
00:10:49,910 --> 00:10:46,720
bit

307
00:10:51,030 --> 00:10:49,920
uh not a whole lot but to me it looked

308
00:10:54,389 --> 00:10:51,040
like what people call

309
00:10:56,870 --> 00:10:54,399
a gray a gray alien

310
00:10:59,030 --> 00:10:56,880
so after that she told me her name was

311
00:11:01,910 --> 00:10:59,040
ruth

312
00:11:04,470 --> 00:11:01,920
and i don't remember them walking away i

313
00:11:06,949 --> 00:11:04,480

don't remember none of that

314

00:11:08,870 --> 00:11:06,959

the next thing i knew we were kind of

315

00:11:09,990 --> 00:11:08,880

all of us we didn't speak about it at

316

00:11:12,870 --> 00:11:10,000

all

317

00:11:15,670 --> 00:11:12,880

uh so we were in the middle of the

318

00:11:17,829 --> 00:11:15,680

parking lot going towards my vehicle

319

00:11:21,110 --> 00:11:17,839

and i kind of said hey did anybody

320

00:11:23,430 --> 00:11:21,120

notice anything weird about rude's face

321

00:11:24,630 --> 00:11:23,440

that's when my 25 year old said yeah

322

00:11:27,350 --> 00:11:24,640

that's kind of weird

323

00:11:28,069 --> 00:11:27,360

she goes it looked kind of like a mirage

324

00:11:31,990 --> 00:11:28,079

or something

325

00:11:33,910 --> 00:11:32,000

kind of like wavy wavy across her face

326

00:11:35,269 --> 00:11:33,920

and i said yeah did you see anything

327

00:11:38,389 --> 00:11:35,279

else and

328

00:11:41,509 --> 00:11:38,399

i said like beyond that and she said no

329

00:11:45,030 --> 00:11:41,519

why i said because i did

330

00:11:47,269 --> 00:11:45,040

it was just so surreal and it still is

331

00:11:48,230 --> 00:11:47,279

to me it seemed like it was yesterday i

332

00:11:50,710 --> 00:11:48,240

mean they got

333

00:11:51,910 --> 00:11:50,720

they get tired of me talking about it

334

00:11:54,389 --> 00:11:51,920

but you know i mean

335

00:11:55,910 --> 00:11:54,399

what are you gonna do there's nothing

336

00:11:57,910 --> 00:11:55,920

that you can

337

00:11:59,670 --> 00:11:57,920

you know people are going to think and

338

00:12:00,790 --> 00:11:59,680

i'm out of my mind i told my husband and

339

00:12:03,350 --> 00:12:00,800

my daughters

340

00:12:06,069 --> 00:12:03,360

my 21 year old 25 year old we just

341

00:12:08,790 --> 00:12:06,079

discussed it so much of

342

00:12:11,269 --> 00:12:08,800

like they you know much you know so much

343

00:12:13,509 --> 00:12:11,279

that they keep telling me to stop

344

00:12:15,750 --> 00:12:13,519

so why did this happen to me why could i

345

00:12:17,910 --> 00:12:15,760

see it my daughter couldn't

346

00:12:19,590 --> 00:12:17,920

uh she could sense there was something

347

00:12:21,750 --> 00:12:19,600

wrong with them i don't know

348

00:12:22,870 --> 00:12:21,760

i just wanted to call and tell you about

349

00:12:25,509 --> 00:12:22,880

it

350

00:12:26,470 --> 00:12:25,519

well that's kind of a weird story but i

351
00:12:29,590 --> 00:12:26,480
tell you

352
00:12:31,509 --> 00:12:29,600
i do hear and i do get

353
00:12:34,790 --> 00:12:31,519
you know comments from people on similar

354
00:12:41,430 --> 00:12:38,150
you know encounters for whatever reason

355
00:12:43,350 --> 00:12:41,440
um you know

356
00:12:45,430 --> 00:12:43,360
are they among us yeah i think they

357
00:12:48,629 --> 00:12:45,440
probably are

358
00:12:50,629 --> 00:12:48,639
uh i think our guest probably thinks

359
00:12:53,829 --> 00:12:50,639
they may be as well

360
00:12:54,870 --> 00:12:53,839
uh though his situation is somewhat

361
00:12:58,710 --> 00:12:54,880
different

362
00:13:02,550 --> 00:12:58,720
but as far as being here with us

363
00:13:05,829 --> 00:13:02,560

uh i don't know

364

00:13:06,310 --> 00:13:05,839

it's uh it's kind of a strange story but

365

00:13:12,069 --> 00:13:06,320

you know

366

00:13:14,629 --> 00:13:12,079

some people do have a way of changing

367

00:13:17,509 --> 00:13:14,639

you know the way they look very quickly

368

00:13:20,629 --> 00:13:17,519

but as far as something like this

369

00:13:23,030 --> 00:13:20,639

like a mirage or something or

370

00:13:26,310 --> 00:13:23,040

like a shape shifter that's a bit

371

00:13:32,790 --> 00:13:29,430

so i just give that to you for your

372

00:13:35,990 --> 00:13:35,269

for you the listener to make up your own

373

00:13:40,470 --> 00:13:36,000

mind

374

00:13:43,350 --> 00:13:40,480

that that's a weird one

375

00:13:45,829 --> 00:13:43,360

um what aren't they weird they're always

376

00:13:48,150 --> 00:13:45,839

weird but sometimes they're really weird

377

00:13:51,590 --> 00:13:48,160

yeah yeah we got some really interesting

378

00:13:54,470 --> 00:13:51,600

ones sometimes you know i um

379

00:13:55,110 --> 00:13:54,480

yeah what's this one here must be

380

00:13:59,110 --> 00:13:55,120

something about

381

00:14:01,430 --> 00:13:59,120

costco because uh i'm

382

00:14:03,189 --> 00:14:01,440

i i just pulled up a story here from

383

00:14:06,069 --> 00:14:03,199

another costco

384

00:14:06,870 --> 00:14:06,079

uh the costco baby now i had this for a

385

00:14:09,990 --> 00:14:06,880

while

386

00:14:11,030 --> 00:14:10,000

what uh yeah this is something else i

387

00:14:14,389 --> 00:14:11,040

wanted to

388

00:14:16,150 --> 00:14:14,399

bring it's another alien story uh in

389

00:14:19,590 --> 00:14:16,160

september 2009

390

00:14:21,990 --> 00:14:19,600

a memphis tennessee woman called into

391

00:14:23,030 --> 00:14:22,000

tennessee mufon to report that she was

392

00:14:25,030 --> 00:14:23,040

sure

393

00:14:27,110 --> 00:14:25,040

she had just had an encounter with an

394

00:14:31,269 --> 00:14:27,120

alien human hybrid baby

395

00:14:33,030 --> 00:14:31,279

at costco's in cordova tennessee

396

00:14:34,710 --> 00:14:33,040

you know i did it's funny because i just

397

00:14:36,790 --> 00:14:34,720

ran up against this i

398

00:14:38,790 --> 00:14:36,800

that's funny i i didn't know i had this

399

00:14:41,189 --> 00:14:38,800

anyway

400

00:14:43,430 --> 00:14:41,199

coincidences i think none yeah that's

401
00:14:44,790 --> 00:14:43,440
weird she and her granddaughter had gone

402
00:14:47,590 --> 00:14:44,800
there

403
00:14:49,509 --> 00:14:47,600
to pick up a birthday cake as soon as

404
00:14:52,550 --> 00:14:49,519
they walked through the entrance a tall

405
00:14:54,710 --> 00:14:52,560
asian looking man he was apparently in a

406
00:14:55,430 --> 00:14:54,720
big hurry walked directly across their

407
00:14:58,790 --> 00:14:55,440
path

408
00:15:01,189 --> 00:14:58,800
almost running into them he was dressed

409
00:15:03,990 --> 00:15:01,199
casually in all black clothing

410
00:15:07,670 --> 00:15:04,000
and had a caucasian-like infant in a

411
00:15:09,990 --> 00:15:07,680
carrier basket strapped in front of him

412
00:15:11,910 --> 00:15:10,000
he seemed to take no notice whatsoever

413
00:15:12,949 --> 00:15:11,920

her on her granddaughter as she marched

414

00:15:15,189 --> 00:15:12,959

on past them

415

00:15:17,670 --> 00:15:15,199

without one word of apology for the near

416

00:15:20,230 --> 00:15:17,680

collision with them

417

00:15:22,949 --> 00:15:20,240

my uh correspondent who had asked to

418

00:15:24,790 --> 00:15:22,959

remain anonymous told me

419

00:15:27,269 --> 00:15:24,800

that and then this was actually a report

420

00:15:30,470 --> 00:15:27,279

to mufon told me that seeing a man

421

00:15:31,829 --> 00:15:30,480

of asian descent who was over six foot

422

00:15:35,430 --> 00:15:31,839

tall was in itself

423

00:15:37,590 --> 00:15:35,440

unusual but she had to confess that the

424

00:15:38,550 --> 00:15:37,600

racial contradiction between himself and

425

00:15:40,629 --> 00:15:38,560

the infant

426

00:15:43,189 --> 00:15:40,639

companion startled her more than

427

00:15:46,710 --> 00:15:43,199

anything else

428

00:15:49,030 --> 00:15:46,720

uh now she didn't get a good look at the

429

00:15:52,150 --> 00:15:49,040

baby at the time

430

00:15:53,269 --> 00:15:52,160

if she had she might have stopped in her

431

00:15:55,590 --> 00:15:53,279

tracks wiped then

432

00:15:57,269 --> 00:15:55,600

and there and asked her granddaughter

433

00:15:59,350 --> 00:15:57,279

did you see that

434

00:16:01,430 --> 00:15:59,360

but neither she or her granddaughter

435

00:16:04,310 --> 00:16:01,440

commented on that moment

436

00:16:05,829 --> 00:16:04,320

about this sudden close encounter how

437

00:16:08,230 --> 00:16:05,839

old was the baby

438

00:16:09,829 --> 00:16:08,240

i don't know i because like is you know

439

00:16:11,829 --> 00:16:09,839

because he's asian and the baby's

440

00:16:14,069 --> 00:16:11,839

caucasian have he

441

00:16:16,310 --> 00:16:14,079

don't know the babies look like asian i

442

00:16:18,790 --> 00:16:16,320

mean for crying out loud

443

00:16:19,990 --> 00:16:18,800

oh i don't know well i always think so

444

00:16:23,030 --> 00:16:20,000

they all have the i don't know

445

00:16:26,310 --> 00:16:23,040

so that's a weird one um

446

00:16:29,670 --> 00:16:26,320

that that's weird in fact this um this

447

00:16:33,749 --> 00:16:29,680

story actually i think came to linda

448

00:16:36,470 --> 00:16:33,759

uh linda molten howe

449

00:16:37,269 --> 00:16:36,480

yeah that's pretty weird but i don't

450

00:16:43,749 --> 00:16:37,279

know

451
00:16:44,949 --> 00:16:43,759
of uh in a store like that where a woman

452
00:16:46,230 --> 00:16:44,959
and her daughter or when her

453
00:16:48,629 --> 00:16:46,240
granddaughter

454
00:16:49,990 --> 00:16:48,639
had seen a baby in a carrier where he

455
00:16:52,550 --> 00:16:50,000
had you know the eyes turned

456
00:16:53,509 --> 00:16:52,560
black as she was looking at him that

457
00:16:57,829 --> 00:16:53,519
would freak me out

458
00:17:01,350 --> 00:16:59,509
not that i'm encouraging everybody to go

459
00:17:02,949 --> 00:17:01,360
out and punt babies but if that thing's

460
00:17:06,069 --> 00:17:02,959
eyes rolled over black and

461
00:17:09,189 --> 00:17:08,789
uh here's another one i had and i've had

462
00:17:11,829 --> 00:17:09,199
this

463
00:17:12,949 --> 00:17:11,839

for a while but uh it's pretty

464

00:17:17,029 --> 00:17:12,959

interesting

465

00:17:20,390 --> 00:17:17,039

um it's about a woman named

466

00:17:22,549 --> 00:17:20,400

delia who's puerto rican uh

467

00:17:23,829 --> 00:17:22,559

she was just one of many women who have

468

00:17:26,630 --> 00:17:23,839

been abducted

469

00:17:27,669 --> 00:17:26,640

by ufo delia is married and has two

470

00:17:29,750 --> 00:17:27,679

other children

471

00:17:30,710 --> 00:17:29,760

one is 16 years old and the other was

472

00:17:34,549 --> 00:17:30,720

five

473

00:17:37,830 --> 00:17:34,559

now let me just say first of all

474

00:17:40,549 --> 00:17:37,840

for some reason and you know i have

475

00:17:42,390 --> 00:17:40,559

gotten a lot of reports of puerto rico

476

00:17:43,590 --> 00:17:42,400

over the years i was going to say this

477

00:17:44,789 --> 00:17:43,600

sounds like something we talked about a

478

00:17:46,870 --> 00:17:44,799

couple weeks ago

479

00:17:48,310 --> 00:17:46,880

this is something different okay here we

480

00:17:50,390 --> 00:17:48,320

go

481

00:17:51,990 --> 00:17:50,400

yeah i've had something i've had a lot

482

00:17:54,710 --> 00:17:52,000

of cases

483

00:17:56,950 --> 00:17:54,720

from puerto rico and in fact i had and i

484

00:18:00,310 --> 00:17:56,960

will pull it out one day it's a long

485

00:18:01,510 --> 00:18:00,320

it's a long read but it's from a woman

486

00:18:05,029 --> 00:18:01,520

maria rivera

487

00:18:08,310 --> 00:18:05,039

she um she used to live

488

00:18:09,990 --> 00:18:08,320

in the interior of puerto rico

489

00:18:11,510 --> 00:18:10,000

and surround her house was surrounded by

490

00:18:13,750 --> 00:18:11,520

rainforest

491

00:18:14,549 --> 00:18:13,760

and she was abducted at one time and

492

00:18:16,390 --> 00:18:14,559

she's had

493

00:18:18,710 --> 00:18:16,400

several friends ever she said were

494

00:18:20,950 --> 00:18:18,720

abducted as well

495

00:18:22,390 --> 00:18:20,960

so you know i'm just i'm just putting

496

00:18:22,789 --> 00:18:22,400

that premise out there before i read

497

00:18:24,950 --> 00:18:22,799

this

498

00:18:25,990 --> 00:18:24,960

so she was abducted and some friends

499

00:18:28,630 --> 00:18:26,000

were abducted

500

00:18:29,750 --> 00:18:28,640

at the same location and maria's story

501
00:18:33,190 --> 00:18:29,760
which is interesting

502
00:18:34,390 --> 00:18:33,200
she had cancer and after she was

503
00:18:37,590 --> 00:18:34,400
abducted

504
00:18:38,630 --> 00:18:37,600
she was cancer-free after that and the

505
00:18:40,470 --> 00:18:38,640
doctor i mean

506
00:18:42,549 --> 00:18:40,480
she went for an mri in fact she went to

507
00:18:45,270 --> 00:18:42,559
the she had to go into new york because

508
00:18:47,510 --> 00:18:45,280
she has a house in new york as well

509
00:18:48,870 --> 00:18:47,520
went to see the doctor and they did an

510
00:18:52,310 --> 00:18:48,880
mri and it

511
00:18:54,789 --> 00:18:52,320
the tumor was gone and she hadn't even

512
00:18:58,390 --> 00:18:54,799
taken treatment yet

513
00:19:00,310 --> 00:18:58,400

well anyway um so that

514

00:19:02,310 --> 00:19:00,320

this is a narration of delia's

515

00:19:04,310 --> 00:19:02,320

extraordinary experience

516

00:19:06,789 --> 00:19:04,320

uh she describes how she was abducted

517

00:19:08,470 --> 00:19:06,799

got pregnant by an extraterrestrial

518

00:19:09,909 --> 00:19:08,480

uh gave birth to a child which she

519

00:19:10,870 --> 00:19:09,919

described as half human and have

520

00:19:14,789 --> 00:19:10,880

extraterrestrials

521

00:19:16,310 --> 00:19:14,799

what is it with these with this i mean

522

00:19:18,070 --> 00:19:16,320

it bugs me a little bit and i'm sorry to

523

00:19:20,070 --> 00:19:18,080

just jump on you there like

524

00:19:22,230 --> 00:19:20,080

extraterrestrials go ahead i mean this

525

00:19:23,909 --> 00:19:22,240

is a long story so i'm not really gonna

526

00:19:25,510 --> 00:19:23,919

i'm not gonna really read it all but

527

00:19:26,870 --> 00:19:25,520

yeah go ahead let's talk about this

528

00:19:28,789 --> 00:19:26,880

do they have nothing better to do than

529

00:19:31,909 --> 00:19:28,799

to come to our planet and knock women up

530

00:19:34,950 --> 00:19:31,919

i mean i don't know

531

00:19:35,830 --> 00:19:34,960

i think um you know i think this is

532

00:19:39,190 --> 00:19:35,840

something that

533

00:19:41,750 --> 00:19:39,200

we're going to get into a bread because

534

00:19:42,470 --> 00:19:41,760

you know of course he's going through

535

00:19:45,990 --> 00:19:42,480

this

536

00:19:49,029 --> 00:19:48,470

and i you know i heard something today

537

00:19:55,350 --> 00:19:49,039

about

538

00:19:57,990 --> 00:19:55,360

meeting emissaries from and having

539

00:20:01,270 --> 00:19:58,000

treaties and such with these aliens

540

00:20:04,950 --> 00:20:01,280

apparently the story is and

541

00:20:07,669 --> 00:20:04,960

it's hard to really you know to really

542

00:20:08,230 --> 00:20:07,679

base any of this as fact because all of

543

00:20:10,470 --> 00:20:08,240

it

544

00:20:11,990 --> 00:20:10,480

for the most part is anecdotal anyway

545

00:20:14,230 --> 00:20:12,000

i'm really trying to make a

546

00:20:15,669 --> 00:20:14,240

not make a bill cosby joke at all this i

547

00:20:20,070 --> 00:20:15,679

do i'm just letting you know this

548

00:20:23,750 --> 00:20:20,080

i'm like biting my tongue but uh

549

00:20:26,789 --> 00:20:23,760

i believe now and and i think brett

550

00:20:31,190 --> 00:20:26,799

agrees to this and we'll ask him later

551
00:20:34,549 --> 00:20:31,200
that these grays

552
00:20:36,390 --> 00:20:34,559
may are may possibly be trying to

553
00:20:39,430 --> 00:20:36,400
reinforce

554
00:20:42,470 --> 00:20:39,440
their species somehow with

555
00:20:43,750 --> 00:20:42,480
human dna now i don't know

556
00:20:45,750 --> 00:20:43,760
i don't know if that's the reason for

557
00:20:49,350 --> 00:20:45,760
the hybrids

558
00:20:49,750 --> 00:20:49,360
or you know if we're allowing them to do

559
00:20:52,549 --> 00:20:49,760
this

560
00:20:54,870 --> 00:20:52,559
for exchange for technology i think

561
00:20:58,390 --> 00:20:54,880
there may be something to that

562
00:20:59,190 --> 00:20:58,400
i have heard lots of different stories

563
00:21:02,390 --> 00:20:59,200

about

564

00:21:03,270 --> 00:21:02,400

treaties and this all goes along with

565

00:21:05,510 --> 00:21:03,280

the dolce

566

00:21:07,190 --> 00:21:05,520

underground and a lot of other areas out

567

00:21:11,510 --> 00:21:07,200

in the southwest

568

00:21:16,310 --> 00:21:14,230

and breeding is is taking place it's

569

00:21:17,350 --> 00:21:16,320

like intergalactic political

570

00:21:20,789 --> 00:21:17,360

prostitution

571

00:21:23,190 --> 00:21:20,799

is what all this you know it you know

572

00:21:24,870 --> 00:21:23,200

it's i don't know it's just there's been

573

00:21:29,430 --> 00:21:24,880

so many different

574

00:21:31,350 --> 00:21:29,440

takes on this um

575

00:21:32,549 --> 00:21:31,360

i've got my i've actually got my own

576

00:21:34,630 --> 00:21:32,559

theories but

577

00:21:36,310 --> 00:21:34,640

it's disturbing it's a disturbing line

578

00:21:37,029 --> 00:21:36,320

of thought for me to go down to just

579

00:21:39,990 --> 00:21:37,039

think

580

00:21:40,870 --> 00:21:40,000

just for the remote possibility that

581

00:21:44,630 --> 00:21:40,880

this is all

582

00:21:46,950 --> 00:21:44,640

sanctioned governmental behavior

583

00:21:48,710 --> 00:21:46,960

that it just bugs me to no end like this

584

00:21:51,350 --> 00:21:48,720

is real x-files [\h__\h]

585

00:21:54,390 --> 00:21:51,360

pardon my language and it just bugs me

586

00:21:57,029 --> 00:21:54,400

like it's making my skin crawl

587

00:21:59,350 --> 00:21:57,039

well you know we had uh you remember we

588

00:22:02,149 --> 00:21:59,360

had uh

589

00:22:03,350 --> 00:22:02,159

oh god nick redford on just a couple

590

00:22:05,029 --> 00:22:03,360

weeks ago

591

00:22:06,549 --> 00:22:05,039

well about a month or so ago and you

592

00:22:10,390 --> 00:22:06,559

know he was talking about the

593

00:22:11,909 --> 00:22:10,400

rh negative factor uh

594

00:22:13,830 --> 00:22:11,919

coming up in just the smallest

595

00:22:14,710 --> 00:22:13,840

percentage of the legacy bloodline we

596

00:22:18,310 --> 00:22:14,720

were talking about

597

00:22:19,750 --> 00:22:18,320

and uh you know after after we had

598

00:22:21,750 --> 00:22:19,760

talked about that i've been checking

599

00:22:24,870 --> 00:22:21,760

into a lot of that

600

00:22:28,789 --> 00:22:24,880

and there there is particularly

601
00:22:32,710 --> 00:22:28,799
some people that

602
00:22:35,830 --> 00:22:32,720
claim to be hybrids that where this uh

603
00:22:36,230 --> 00:22:35,840
or their blood does turn out to be with

604
00:22:39,590 --> 00:22:36,240
the

605
00:22:41,430 --> 00:22:39,600
negative rh factor and in fact

606
00:22:43,270 --> 00:22:41,440
there have been several books written in

607
00:22:48,470 --> 00:22:43,280
the past

608
00:22:51,029 --> 00:22:48,480
uh by these people who state their

609
00:22:53,510 --> 00:22:51,039
hybrids one case is uh

610
00:22:55,029 --> 00:22:53,520
malagurus garcia which is another puerto

611
00:22:58,710 --> 00:22:55,039
rican lady

612
00:23:07,029 --> 00:23:02,789
that her father was an alien and that

613
00:23:09,110 --> 00:23:07,039

her mother was uh was implanted

614

00:23:10,789 --> 00:23:09,120

so i mean you know and that's not the

615

00:23:12,950 --> 00:23:10,799

only case there are other cases i know

616

00:23:16,149 --> 00:23:12,960

there's a woman out in ohio

617

00:23:17,350 --> 00:23:16,159

who uh and i don't know her name offhand

618

00:23:22,789 --> 00:23:17,360

who had the same

619

00:23:25,350 --> 00:23:22,799

who has the same flame as well um

620

00:23:26,549 --> 00:23:25,360

you know i i know it's kind of hard to

621

00:23:29,110 --> 00:23:26,559

argue with these people

622

00:23:30,870 --> 00:23:29,120

or you know you know you can listen to

623

00:23:34,470 --> 00:23:30,880

the story and

624

00:23:37,029 --> 00:23:34,480

take it for what it's worth i guess but

625

00:23:37,830 --> 00:23:37,039

you know i'd been quite honest with you

626
00:23:40,630 --> 00:23:37,840
i i've

627
00:23:42,549 --> 00:23:40,640
worked with a lot of uh abductees and

628
00:23:45,510 --> 00:23:42,559
experiencers

629
00:23:47,669 --> 00:23:45,520
and but i will say that none that i have

630
00:23:52,070 --> 00:23:47,679
worked with

631
00:23:55,830 --> 00:23:53,909
with the exchange of dna for

632
00:23:58,029 --> 00:23:55,840
hybridization

633
00:23:59,909 --> 00:23:58,039
it's always been there have been

634
00:24:03,110 --> 00:23:59,919
experimentations

635
00:24:05,830 --> 00:24:03,120
there have been surgeries

636
00:24:06,710 --> 00:24:05,840
but it's been for something other than

637
00:24:09,510 --> 00:24:06,720
that

638
00:24:11,029 --> 00:24:09,520

you know my problem with all this is at

639

00:24:14,149 --> 00:24:11,039

the end of the day

640

00:24:17,029 --> 00:24:14,159

really it you know lacks proof

641

00:24:19,029 --> 00:24:17,039

right and it's not that you never want

642

00:24:20,549 --> 00:24:19,039

to be insensitive to something like this

643

00:24:23,029 --> 00:24:20,559

because these are really truly

644

00:24:24,870 --> 00:24:23,039

traumatic experiences that these folks

645

00:24:26,710 --> 00:24:24,880

really believe

646

00:24:28,149 --> 00:24:26,720

that they've encountered they've endured

647

00:24:29,830 --> 00:24:28,159

correct i mean it

648

00:24:32,789 --> 00:24:29,840

you never want to minimize that but you

649

00:24:35,510 --> 00:24:32,799

know there's part of me that goes man

650

00:24:38,149 --> 00:24:35,520

some of this is really fantastic and

651
00:24:39,990 --> 00:24:38,159
like it just came out of a sci-fi movie

652
00:24:41,430 --> 00:24:40,000
and and i don't know lon that's where i

653
00:24:44,710 --> 00:24:41,440
yield to you

654
00:24:47,990 --> 00:24:44,720
as you've been the guy to go through and

655
00:24:51,510 --> 00:24:48,000
uh investigate talk and

656
00:24:54,630 --> 00:24:51,520
uh uncover some of these more disturbing

657
00:24:57,909 --> 00:24:54,640
uh and downright you know bizarre

658
00:24:59,110 --> 00:24:57,919
encounters i don't know i mean i'm

659
00:25:00,470 --> 00:24:59,120
trying to be sensitive about it and i

660
00:25:00,950 --> 00:25:00,480
don't want you to think i'm not with you

661
00:25:02,950 --> 00:25:00,960
i'm just

662
00:25:04,390 --> 00:25:02,960
not it's just i understand i mean

663
00:25:06,630 --> 00:25:04,400

they're they're i'd say the vast

664

00:25:09,029 --> 00:25:06,640
majority of people don't believe

665

00:25:11,830 --> 00:25:09,039
for any i mean anyone i want to be there

666

00:25:15,350 --> 00:25:11,840
are people skeptical like yourself

667

00:25:18,789 --> 00:25:15,360
uh what it is it's hard to believe

668

00:25:22,310 --> 00:25:18,799
um you know i

669

00:25:23,669 --> 00:25:22,320
i that's why i you know i just like any

670

00:25:25,430 --> 00:25:23,679
type of uh

671

00:25:27,190 --> 00:25:25,440
encounter anybody has not just

672

00:25:30,230 --> 00:25:27,200
particularly an alien camera

673

00:25:33,990 --> 00:25:30,240
any encounter any type of cryptid

674

00:25:37,110 --> 00:25:34,000
paranormal encounter anything uh

675

00:25:39,669 --> 00:25:37,120
you know you i i and you know how i am i

676

00:25:40,149 --> 00:25:39,679

i take anybody at the word and that's

677

00:25:41,909 --> 00:25:40,159

fine

678

00:25:44,390 --> 00:25:41,919

and i think that's great i like that you

679

00:25:45,990 --> 00:25:44,400

said most most evidence is anecdotal

680

00:25:48,390 --> 00:25:46,000

evidence i mean

681

00:25:49,909 --> 00:25:48,400

and it's hard to disprove people unless

682

00:25:52,870 --> 00:25:49,919

it's just

683

00:25:55,430 --> 00:25:52,880

you know totally impossible uh i mean it

684

00:25:59,110 --> 00:25:55,440

does take some common sense sometimes

685

00:26:00,950 --> 00:25:59,120

to uh to weed out you know some the

686

00:26:01,350 --> 00:26:00,960

ridiculousness that you know people tell

687

00:26:03,669 --> 00:26:01,360

you

688

00:26:04,390 --> 00:26:03,679

there are people who just want attention

689

00:26:07,430 --> 00:26:04,400

but

690

00:26:12,070 --> 00:26:07,440

then there are people that have

691

00:26:15,830 --> 00:26:12,080

long term you know over periods of years

692

00:26:18,230 --> 00:26:15,840

visitations abductions

693

00:26:18,950 --> 00:26:18,240

you know are those the people that uh

694

00:26:20,470 --> 00:26:18,960

you know

695

00:26:22,470 --> 00:26:20,480

how do you tell those folks that

696

00:26:24,390 --> 00:26:22,480

everything there that's made up

697

00:26:26,310 --> 00:26:24,400

that's the thing that gets me like we

698

00:26:27,990 --> 00:26:26,320

don't know we weren't there

699

00:26:30,310 --> 00:26:28,000

of course there's not going to be any

700

00:26:33,750 --> 00:26:30,320

proof out of this but

701
00:26:35,510 --> 00:26:33,760
you know you know i can honestly say

702
00:26:37,269 --> 00:26:35,520
i can't finish that thought of all the

703
00:26:39,669 --> 00:26:37,279
cases that i've

704
00:26:40,950 --> 00:26:39,679
looked into and that have been brought

705
00:26:43,190 --> 00:26:40,960
to me

706
00:26:45,909 --> 00:26:43,200
not one of these cases had been one

707
00:26:47,830 --> 00:26:45,919
single episode

708
00:26:49,269 --> 00:26:47,840
it's been a string of episodes have you

709
00:26:53,269 --> 00:26:49,279
had an experience one

710
00:26:56,789 --> 00:26:53,279
do you think just yeah i've had

711
00:26:59,909 --> 00:26:56,799
i had something recently um

712
00:27:02,310 --> 00:26:59,919
and i've had at least two other

713
00:27:04,710 --> 00:27:02,320

encounters

714

00:27:05,750 --> 00:27:04,720

i had something happens a couple weeks

715

00:27:10,149 --> 00:27:05,760

ago that

716

00:27:12,950 --> 00:27:10,159

i can't explain and until i do

717

00:27:13,510 --> 00:27:12,960

figure it out i'm i'm not really going

718

00:27:16,870 --> 00:27:13,520

to go

719

00:27:19,110 --> 00:27:16,880

into a lot of it i will say that

720

00:27:20,630 --> 00:27:19,120

whatever happened to me in this last

721

00:27:23,669 --> 00:27:20,640

episode

722

00:27:25,110 --> 00:27:23,679

i didn't see any alien beings or any

723

00:27:28,870 --> 00:27:25,120

type of

724

00:27:32,789 --> 00:27:28,880

just so

725

00:27:34,870 --> 00:27:32,799

weird uh

726

00:27:36,310 --> 00:27:34,880

you know it was something happened i

727

00:27:37,909 --> 00:27:36,320

don't know exactly what it was but

728

00:27:39,669 --> 00:27:37,919

something happened i had lost time

729

00:27:41,190 --> 00:27:39,679

i lost better uh about an hour and a

730

00:27:44,389 --> 00:27:41,200

half

731

00:27:46,070 --> 00:27:44,399

and uh and i will be honest with you i

732

00:27:57,990 --> 00:27:46,080

was probably as frightened as i ever

733

00:28:02,710 --> 00:28:00,149

but i will you know when i do figure out

734

00:28:03,750 --> 00:28:02,720

what's going on then i'll probably write

735

00:28:05,750 --> 00:28:03,760

about it you know

736

00:28:07,990 --> 00:28:05,760

but until then i just want to get as

737

00:28:12,549 --> 00:28:08,000

much facts about what happened

738

00:28:15,510 --> 00:28:12,559

you know um you know i've had

739

00:28:15,990 --> 00:28:15,520

well i told you a while back um that you

740

00:28:18,310 --> 00:28:16,000

know i had

741

00:28:19,750 --> 00:28:18,320

a um i think i had an incident when i

742

00:28:22,710 --> 00:28:19,760

was a child well when i was

743

00:28:24,230 --> 00:28:22,720

in high school because i had a scoop

744

00:28:26,789 --> 00:28:24,240

mark

745

00:28:29,029 --> 00:28:26,799

that was found near my navel and uh i

746

00:28:32,630 --> 00:28:29,039

had an implant behind my knee

747

00:28:35,669 --> 00:28:32,640

that i dug out and uh

748

00:28:36,789 --> 00:28:35,679

but you know but from that period up

749

00:28:39,669 --> 00:28:36,799

until

750

00:28:41,110 --> 00:28:39,679

maybe the last couple years i i can't

751

00:28:44,389 --> 00:28:41,120

remember anything happening

752

00:28:47,190 --> 00:28:44,399

that doesn't mean nothing did happen so

753

00:28:48,630 --> 00:28:47,200

um yeah so it's one of those things it's

754

00:28:50,230 --> 00:28:48,640

nothing that's

755

00:28:52,230 --> 00:28:50,240

you know it's nothing that it's caused

756

00:28:55,190 --> 00:28:52,240

me to have problems

757

00:28:56,470 --> 00:28:55,200

i know of but uh you know i am aware of

758

00:29:00,070 --> 00:28:56,480

it

759

00:29:01,990 --> 00:29:00,080

mean to bring all that up for you

760

00:29:03,510 --> 00:29:02,000

on the air where we had to talk about in

761

00:29:06,549 --> 00:29:03,520

front of everybody but

762

00:29:08,549 --> 00:29:06,559

you know it's i've

763

00:29:10,710 --> 00:29:08,559

as far as i know you know and i'm not

764

00:29:12,789 --> 00:29:10,720

asking for it so please

765

00:29:14,389 --> 00:29:12,799

you know don't if they're listening you

766

00:29:14,789 --> 00:29:14,399

know i've not had an experience like

767

00:29:18,230 --> 00:29:14,799

this

768

00:29:18,789 --> 00:29:18,240

and that i remember that i recall and i

769

00:29:20,230 --> 00:29:18,799

don't know

770

00:29:22,630 --> 00:29:20,240

if i want to experience anything like

771

00:29:25,990 --> 00:29:24,310

it's just you know there's a huge part

772

00:29:27,750 --> 00:29:26,000

of me that empathizes with

773

00:29:29,669 --> 00:29:27,760

the folks that have experienced these

774

00:29:32,710 --> 00:29:29,679

things because so badly

775

00:29:34,549 --> 00:29:32,720

i want to be able to understand

776

00:29:35,990 --> 00:29:34,559

uh you know what they're going through

777

00:29:36,789 --> 00:29:36,000

that i'll never be able to understand

778

00:29:37,909 --> 00:29:36,799

that you know

779

00:29:39,350 --> 00:29:37,919

it's like anything else you get there

780

00:29:40,870 --> 00:29:39,360

and say oh i understand i get you but i

781

00:29:44,230 --> 00:29:40,880

really don't i

782

00:29:45,669 --> 00:29:44,240

and i'd like to be able to you know just

783

00:29:47,269 --> 00:29:45,679

i guess let folks know that i do

784

00:29:49,110 --> 00:29:47,279

empathize even part of the even though

785

00:29:51,269 --> 00:29:49,120

part of me is very skeptical

786

00:29:53,190 --> 00:29:51,279

i i really do empathize with with the

787

00:29:55,750 --> 00:29:53,200

folks going through this because even if

788

00:29:59,350 --> 00:29:55,760

i don't think it's real they do

789

00:30:00,789 --> 00:29:59,360

and that's uh you know sometimes there's

790

00:30:04,149 --> 00:30:00,799

more harm in that

791

00:30:05,430 --> 00:30:04,159

than uh anything you know it's fun to

792

00:30:08,549 --> 00:30:05,440

joke about

793

00:30:08,870 --> 00:30:08,559

fun to you know do all kinds of things

794

00:30:10,950 --> 00:30:08,880

and

795

00:30:13,269 --> 00:30:10,960

but it's not fun to be disrespectful so

796

00:30:16,870 --> 00:30:13,279

i don't want to come across that way but

797

00:30:19,350 --> 00:30:16,880

you know i really empathize with this

798

00:30:25,669 --> 00:30:19,360

yeah i mean you know so hope that made

799

00:30:29,029 --> 00:30:27,350

let's have brett come on let him tell

800

00:30:31,029 --> 00:30:29,039

his story to us all right

801
00:30:32,630 --> 00:30:31,039
and as per usual you're just going to be

802
00:30:33,110 --> 00:30:32,640
listening to some dead air for a couple

803
00:30:34,870 --> 00:30:33,120
moments

804
00:30:37,110 --> 00:30:34,880
don't feel bad if you want to blame

805
00:30:38,549 --> 00:30:37,120
anybody blame the powers that be

806
00:30:40,310 --> 00:30:38,559
because i'm cheap and i'm not going to

807
00:30:42,870 --> 00:30:40,320
play it i'm not going to pay

808
00:30:44,630 --> 00:30:42,880
to play music so you just go ahead smoke

809
00:30:46,070 --> 00:30:44,640
them if you got them drain the lizard i

810
00:30:48,549 --> 00:30:46,080
don't know we'll be right back

811
00:30:50,470 --> 00:30:48,559
right after this folks stay tuned all

812
00:30:53,190 --> 00:30:50,480
right folks we're back

813
00:30:54,549 --> 00:30:53,200

that wasn't too long that was it lon you

814

00:30:56,789 --> 00:30:54,559

there with me big guy

815

00:30:58,149 --> 00:30:56,799

yeah um all right lon's gonna read the

816

00:30:59,909 --> 00:30:58,159

bio so take it away

817

00:31:01,990 --> 00:30:59,919

and our guest is brett oldham he's the

818

00:31:03,269 --> 00:31:02,000

uh author of children of the grades a

819

00:31:04,870 --> 00:31:03,279

personal account

820

00:31:06,549 --> 00:31:04,880

of his lifelong alien abduction

821

00:31:09,430 --> 00:31:06,559

experience and he also

822

00:31:11,430 --> 00:31:09,440

wrote ghost stories of las vegas now

823

00:31:12,710 --> 00:31:11,440

brett began researching the paranormal

824

00:31:15,909 --> 00:31:12,720

in his teen years in the hopes of

825

00:31:17,669 --> 00:31:15,919

finding answers to his own experiences

826
00:31:19,750 --> 00:31:17,679
brett and his wife gina who are based

827
00:31:22,149 --> 00:31:19,760
out of nashville tennessee

828
00:31:24,630 --> 00:31:22,159
their research encompasses a wide

829
00:31:27,350 --> 00:31:24,640
spectrum of paranormal including ghosts

830
00:31:28,310 --> 00:31:27,360
ufos and cryptozoology they have been

831
00:31:31,350 --> 00:31:28,320
featured on

832
00:31:33,190 --> 00:31:31,360
numerous radio shows magazine uh

833
00:31:36,310 --> 00:31:33,200
newspaper articles internet

834
00:31:38,389 --> 00:31:36,320
local pbs national tv in the u.s canada

835
00:31:39,509 --> 00:31:38,399
new zealand and europe including shows

836
00:31:43,750 --> 00:31:39,519
on bio

837
00:31:45,909 --> 00:31:43,760
discovery cbc canada tv7 and bulgaria

838
00:31:48,070 --> 00:31:45,919

and most recently brett was featured on

839

00:31:50,070 --> 00:31:48,080

the history channels ancient aliens

840

00:31:52,630 --> 00:31:50,080

uh brett has contributed to several

841

00:31:55,190 --> 00:31:52,640

books by other authors and has written

842

00:31:58,389 --> 00:31:55,200

articles for alternate perceptions

843

00:32:00,630 --> 00:31:58,399

and mysterious universe magazines so

844

00:32:02,549 --> 00:32:00,640

i wish to introduce to everybody mr

845

00:32:04,549 --> 00:32:02,559

brett alden brett thanks for uh joining

846

00:32:06,549 --> 00:32:04,559

us tonight

847

00:32:08,230 --> 00:32:06,559

uh thank you lon and thank you sean i

848

00:32:10,310 --> 00:32:08,240

appreciate you guys having me on

849

00:32:11,750 --> 00:32:10,320

um before we get started i want to

850

00:32:13,190 --> 00:32:11,760

compliment you on your

851

00:32:14,549 --> 00:32:13,200

excellent newsletter that you put out

852

00:32:15,990 --> 00:32:14,559

i've been subscribed to that for quite a

853

00:32:20,710 --> 00:32:16,000

while and i really enjoy it

854

00:32:24,870 --> 00:32:20,720

well i appreciate that uh

855

00:32:28,710 --> 00:32:27,669

uh first you you've been experiencing

856

00:32:35,509 --> 00:32:28,720

these type of

857

00:32:38,710 --> 00:32:35,519

most of your life have you not

858

00:32:40,149 --> 00:32:38,720

i have um my experiences started when i

859

00:32:42,070 --> 00:32:40,159

was five years old

860

00:32:44,630 --> 00:32:42,080

i lived in southern illinois at the time

861

00:32:47,669 --> 00:32:44,640

and uh out in the country

862

00:32:48,549 --> 00:32:47,679

um in an old farmhouse surrounded by

863

00:32:51,590 --> 00:32:48,559

soybeans

864

00:32:53,509 --> 00:32:51,600

fields and cornfields gravel road going

865

00:32:56,870 --> 00:32:53,519

up to the house and it was pretty remote

866

00:32:58,870 --> 00:32:56,880

and it was a house that was a

867

00:33:00,549 --> 00:32:58,880

two-story and the stairwell was sort of

868

00:33:03,269 --> 00:33:00,559

in the middle of the house and

869

00:33:04,789 --> 00:33:03,279

in the winter time my parents would

870

00:33:06,870 --> 00:33:04,799

close off the upstairs

871

00:33:08,149 --> 00:33:06,880

and they'd bring my brother and my

872

00:33:10,549 --> 00:33:08,159

sister and i

873

00:33:12,149 --> 00:33:10,559

uh we'd sleep in this sort of large

874

00:33:14,710 --> 00:33:12,159

living room area

875

00:33:15,509 --> 00:33:14,720

and uh basically on the floor before my

876

00:33:17,750 --> 00:33:15,519

brother and i

877

00:33:18,870 --> 00:33:17,760

and my sister be on the sofa they said

878

00:33:19,430 --> 00:33:18,880

it's trying to save on the heating

879

00:33:22,470 --> 00:33:19,440

building

880

00:33:26,470 --> 00:33:22,480

and it was uh late fall

881

00:33:28,070 --> 00:33:26,480

and um i was awakened one night

882

00:33:29,590 --> 00:33:28,080

i heard a voice which i actually at the

883

00:33:31,430 --> 00:33:29,600

time uh when i raised up i thought it

884

00:33:35,110 --> 00:33:31,440

was my stepdad

885

00:33:36,950 --> 00:33:35,120

calling out to me um and

886

00:33:38,549 --> 00:33:36,960

it just i kept hearing i couldn't figure

887

00:33:39,509 --> 00:33:38,559

out where it was coming from because

888

00:33:41,190 --> 00:33:39,519

of course there's nothing but the

889

00:33:42,470 --> 00:33:41,200

ambient noise out in the country like

890

00:33:46,070 --> 00:33:42,480

that and

891

00:33:47,909 --> 00:33:46,080

it was coaching me to come to the window

892

00:33:50,549 --> 00:33:47,919

and i noticed a very bright light coming

893

00:33:53,990 --> 00:33:50,559

in the side window

894

00:33:57,430 --> 00:33:54,000

i got up just sort of curious young kid

895

00:33:59,430 --> 00:33:57,440

wondering what was going on and um

896

00:34:00,630 --> 00:33:59,440

walked across the cold hardwood floor

897

00:34:04,230 --> 00:34:00,640

and we had these

898

00:34:07,430 --> 00:34:04,240

very thin white curtains

899

00:34:08,790 --> 00:34:07,440

um no blinds didn't really need them out

900

00:34:11,430 --> 00:34:08,800

there and

901
00:34:12,310 --> 00:34:11,440
i didn't go to the you wonder where the

902
00:34:14,629 --> 00:34:12,320
light was at

903
00:34:15,990 --> 00:34:14,639
um although i was very curious as to

904
00:34:17,270 --> 00:34:16,000
what was causing the light because we

905
00:34:18,869 --> 00:34:17,280
didn't have any kind of street lights or

906
00:34:22,230 --> 00:34:18,879
anything like that and

907
00:34:23,589 --> 00:34:22,240
i raised my right hand up um pulled away

908
00:34:26,550 --> 00:34:23,599
the curtain

909
00:34:26,869 --> 00:34:26,560
and came face to face with what we now

910
00:34:30,230 --> 00:34:26,879
know

911
00:34:33,990 --> 00:34:30,240
as a typical gray that moment

912
00:34:37,030 --> 00:34:34,000
pretty much changed my life

913
00:34:38,710 --> 00:34:37,040

now you know based on your lifetime of

914

00:34:41,109 --> 00:34:38,720

alien encounters and

915

00:34:43,030 --> 00:34:41,119

in particularly though the inside we're

916

00:34:45,829 --> 00:34:43,040

going to talk about in a bit

917

00:34:48,629 --> 00:34:45,839

uh it had to be difficult for you to

918

00:34:52,149 --> 00:34:48,639

write this book

919

00:34:53,190 --> 00:34:52,159

i was i mean i only remembered my first

920

00:34:55,430 --> 00:34:53,200

two encounters

921

00:34:56,310 --> 00:34:55,440

uh and this was when i was still a child

922

00:34:58,069 --> 00:34:56,320

and i came back

923

00:34:59,910 --> 00:34:58,079

uh tell my mom about the little man you

924

00:35:02,950 --> 00:34:59,920

took me and

925

00:35:04,310 --> 00:35:02,960

you know she just brushed it off like a

926
00:35:05,750 --> 00:35:04,320
lot of parents do with their kids and

927
00:35:09,109 --> 00:35:05,760
their imaginary friends

928
00:35:10,550 --> 00:35:09,119
right and then um after

929
00:35:12,630 --> 00:35:10,560
one night we were watching the wizard of

930
00:35:14,310 --> 00:35:12,640
oz and i had never been exposed at that

931
00:35:17,510 --> 00:35:14,320
point in time

932
00:35:20,150 --> 00:35:17,520
um to any comic books

933
00:35:22,630 --> 00:35:20,160
any movies anything to do with aliens i

934
00:35:24,310 --> 00:35:22,640
was never talked about my house my

935
00:35:25,990 --> 00:35:24,320
family and relatives were all really

936
00:35:27,829 --> 00:35:26,000
religious and

937
00:35:29,589 --> 00:35:27,839
anything to do with paranormal got

938
00:35:30,950 --> 00:35:29,599

instantly attributed to demons

939

00:35:33,190 --> 00:35:30,960

and you know it was one of those type of

940

00:35:35,829 --> 00:35:33,200

things and i was very very innocent

941

00:35:37,349 --> 00:35:35,839

and so when i might even my mind

942

00:35:38,950 --> 00:35:37,359

couldn't even process what was not only

943

00:35:39,670 --> 00:35:38,960

what was happening to me but what i was

944

00:35:41,990 --> 00:35:39,680

seeing

945

00:35:43,109 --> 00:35:42,000

because i had nothing to compare it to

946

00:35:45,990 --> 00:35:43,119

and uh

947

00:35:47,510 --> 00:35:46,000

after i i was watching the wizard of oz

948

00:35:48,790 --> 00:35:47,520

and the scene come on with the flying

949

00:35:50,310 --> 00:35:48,800

monkeys i i started

950

00:35:52,230 --> 00:35:50,320

basically just having to fit and going

951
00:35:53,670 --> 00:35:52,240
berserk and my mom figured out what was

952
00:35:55,910 --> 00:35:53,680
wrong with me and

953
00:35:56,950 --> 00:35:55,920
it triggered uh you know these memories

954
00:36:01,990 --> 00:35:56,960
and

955
00:36:03,990 --> 00:36:02,000
time you know it's time to uh

956
00:36:05,589 --> 00:36:04,000
to wipe his memories and everything that

957
00:36:07,190 --> 00:36:05,599
happened to me was suppressed from men

958
00:36:09,589 --> 00:36:07,200
all the way to my early 20s

959
00:36:13,750 --> 00:36:09,599
i had a lot of the classic symptoms you

960
00:36:16,790 --> 00:36:13,760
know the chronic nosebleeds

961
00:36:19,990 --> 00:36:16,800
and unexplainable scars popping up

962
00:36:20,710 --> 00:36:20,000
things like that but uh i ended up in

963
00:36:23,670 --> 00:36:20,720

therapy

964

00:36:24,310 --> 00:36:23,680

uh in my early 20s from severe anxiety

965

00:36:26,550 --> 00:36:24,320

which is a

966

00:36:28,710 --> 00:36:26,560

very common with uh you know people

967

00:36:32,069 --> 00:36:28,720

don't realize the trauma

968

00:36:34,630 --> 00:36:32,079

that is induced by these experiences

969

00:36:36,550 --> 00:36:34,640

and is something that needs really more

970

00:36:38,069 --> 00:36:36,560

address more i mean i know

971

00:36:39,510 --> 00:36:38,079

of course if my books came out i've been

972

00:36:40,310 --> 00:36:39,520

contacted by people from all over the

973

00:36:43,190 --> 00:36:40,320

world

974

00:36:43,829 --> 00:36:43,200

but i mean last year in 2015 i know two

975

00:36:45,750 --> 00:36:43,839

people that

976
00:36:47,829 --> 00:36:45,760
committed suicide because they couldn't

977
00:36:49,910 --> 00:36:47,839
handle their abductees they couldn't

978
00:36:52,310 --> 00:36:49,920
handle the uh

979
00:36:53,349 --> 00:36:52,320
the anxiety that's associated with it

980
00:36:55,430 --> 00:36:53,359
and uh and

981
00:36:57,030 --> 00:36:55,440
myself and that's actually how my memory

982
00:36:59,670 --> 00:36:57,040
surfaced because uh

983
00:37:00,630 --> 00:36:59,680
i ended up in therapy uh basically for

984
00:37:02,470 --> 00:37:00,640
the anxiety

985
00:37:04,069 --> 00:37:02,480
and i'd been in sports when i was

986
00:37:05,349 --> 00:37:04,079
younger and

987
00:37:07,030 --> 00:37:05,359
at that time i was a professional

988
00:37:07,510 --> 00:37:07,040

musician and i've been in front of

989

00:37:09,990 --> 00:37:07,520

people

990

00:37:11,990 --> 00:37:10,000

a lot i'm not that person to have

991

00:37:13,589 --> 00:37:12,000

anxiety i ended up with like severe

992

00:37:15,270 --> 00:37:13,599

agoraphobic i didn't want to leave the

993

00:37:17,190 --> 00:37:15,280

house you know so it was affecting me

994

00:37:19,190 --> 00:37:17,200

i knew i had to do something and even

995

00:37:21,589 --> 00:37:19,200

when my memories uh

996

00:37:22,630 --> 00:37:21,599

started coming out uh like i didn't tell

997

00:37:26,550 --> 00:37:22,640

a therapist

998

00:37:28,230 --> 00:37:26,560

and um you know because of just the

999

00:37:30,630 --> 00:37:28,240

skeptics out there what you have to

1000

00:37:32,069 --> 00:37:30,640

endure everybody with their anal probe

1001
00:37:34,550 --> 00:37:32,079

jokes and

1002
00:37:36,230 --> 00:37:34,560

and it was just one of those things you

1003
00:37:37,829 --> 00:37:36,240

know i call it suffering in silence and

1004
00:37:39,670 --> 00:37:37,839

and that's what exactly what happened

1005
00:37:41,510 --> 00:37:39,680

for years and years because once the

1006
00:37:44,710 --> 00:37:41,520

floodgate sort of opened

1007
00:37:46,150 --> 00:37:44,720

uh it it just more and more it was

1008
00:37:47,750 --> 00:37:46,160

you know just coming out in dreams it

1009
00:37:49,109 --> 00:37:47,760

would come out the actual conscious

1010
00:37:51,349 --> 00:37:49,119

memories and

1011
00:37:53,109 --> 00:37:51,359

i i think that's when you have an event

1012
00:37:54,950 --> 00:37:53,119

of a volatile nature like that you know

1013
00:37:55,910 --> 00:37:54,960

it gets repressed in your subconscious

1014

00:38:00,550 --> 00:37:55,920

and

1015

00:38:03,510 --> 00:38:00,560

subconscious is protecting you

1016

00:38:04,310 --> 00:38:03,520

but when it gets to the point where he

1017

00:38:07,270 --> 00:38:04,320

can't

1018

00:38:08,310 --> 00:38:07,280

hold it so to speak anymore uh it's

1019

00:38:09,510 --> 00:38:08,320

going to come out in some kind of

1020

00:38:11,349 --> 00:38:09,520

physical form and

1021

00:38:12,790 --> 00:38:11,359

a lot of abductees that people have

1022

00:38:13,589 --> 00:38:12,800

these experience especially multiple

1023

00:38:16,790 --> 00:38:13,599

experiences

1024

00:38:17,270 --> 00:38:16,800

that's added up over time uh they do end

1025

00:38:20,069 --> 00:38:17,280

up with

1026

00:38:20,550 --> 00:38:20,079

a lot of uh symptoms very very similar

1027

00:38:21,910 --> 00:38:20,560

to

1028

00:38:23,349 --> 00:38:21,920

post-traumatic stress i mean there's

1029

00:38:25,829 --> 00:38:23,359

actually uh they're calling it

1030

00:38:27,990 --> 00:38:25,839

post-abduction stress now pas

1031

00:38:29,270 --> 00:38:28,000

and and a lot of things that happen with

1032

00:38:30,550 --> 00:38:29,280

that and it happened with me

1033

00:38:32,710 --> 00:38:30,560

is even when i first started having

1034

00:38:33,990 --> 00:38:32,720

these memories i did not you know i

1035

00:38:37,910 --> 00:38:34,000

didn't want to accept it i

1036

00:38:39,589 --> 00:38:37,920

i was like there's no way and um

1037

00:38:41,190 --> 00:38:39,599

and then i got angry about it you know

1038

00:38:42,150 --> 00:38:41,200

once i started kind of accepting it

1039

00:38:43,670 --> 00:38:42,160

because more and more

1040

00:38:45,030 --> 00:38:43,680

stuff started coming out and then i

1041

00:38:45,829 --> 00:38:45,040

started putting all the pieces together

1042

00:38:50,230 --> 00:38:45,839

and

1043

00:38:50,950 --> 00:38:50,240

gets to be like a really really hard

1044

00:38:54,710 --> 00:38:50,960

thing

1045

00:38:56,630 --> 00:38:54,720

to accept and there's nobody especially

1046

00:38:58,069 --> 00:38:56,640

this was in the you know the 80s i mean

1047

00:38:58,550 --> 00:38:58,079

it was there was really not that many

1048

00:38:59,990 --> 00:38:58,560

people

1049

00:39:01,990 --> 00:39:00,000

you couldn't i couldn't go tell my

1050

00:39:05,030 --> 00:39:02,000

therapist you know uh

1051
00:39:07,190 --> 00:39:05,040
you know i talked to my mom about it um

1052
00:39:08,230 --> 00:39:07,200
and and that was pretty much it i mean i

1053
00:39:11,510 --> 00:39:08,240
just i kept

1054
00:39:14,470 --> 00:39:11,520
very very quiet about it and i knew uh

1055
00:39:18,230 --> 00:39:14,480
eventually got to the point where i

1056
00:39:23,670 --> 00:39:18,240
remembered so many experiences

1057
00:39:28,069 --> 00:39:25,910
20 some years you know to get the nerve

1058
00:39:29,829 --> 00:39:28,079
and the courage to actually

1059
00:39:32,150 --> 00:39:29,839
put it in into print and put it out

1060
00:39:35,030 --> 00:39:32,160
there because i wanted to

1061
00:39:36,069 --> 00:39:35,040
bring more awareness to the public in

1062
00:39:38,390 --> 00:39:36,079
any way that i could

1063
00:39:39,510 --> 00:39:38,400

about what's going on and what really

1064

00:39:41,829 --> 00:39:39,520

happened

1065

00:39:43,510 --> 00:39:41,839

and i went in a lot of details and a lot

1066

00:39:44,950 --> 00:39:43,520

of stuff that most people find very

1067

00:39:46,310 --> 00:39:44,960

embarrassing you know the sexual stuff

1068

00:39:48,150 --> 00:39:46,320

that's done

1069

00:39:49,349 --> 00:39:48,160

and you know i talked about a lot of

1070

00:39:49,910 --> 00:39:49,359

stuff that really hadn't been brought

1071

00:39:53,910 --> 00:39:49,920

about

1072

00:39:55,589 --> 00:39:53,920

before in books up to that point

1073

00:39:57,430 --> 00:39:55,599

because i just wanted people to know

1074

00:39:58,950 --> 00:39:57,440

like what what you know i talked about

1075

00:39:59,349 --> 00:39:58,960

my like going through my own depression

1076

00:40:01,829 --> 00:39:59,359

and

1077

00:40:03,430 --> 00:40:01,839

you know what it affects you mentally

1078

00:40:05,510 --> 00:40:03,440

and

1079

00:40:06,790 --> 00:40:05,520

everything like that because i wanted

1080

00:40:09,750 --> 00:40:06,800

more awareness

1081

00:40:09,990 --> 00:40:09,760

uh in the reality of what happens out

1082

00:40:11,430 --> 00:40:10,000

there

1083

00:40:13,109 --> 00:40:11,440

in any way that i could contribute to it

1084

00:40:15,270 --> 00:40:13,119

and i also wanted to

1085

00:40:16,790 --> 00:40:15,280

be not only a voice for people that are

1086

00:40:18,470 --> 00:40:16,800

having these experiences

1087

00:40:19,829 --> 00:40:18,480

but also like something that they could

1088

00:40:22,710 --> 00:40:19,839

relate to and

1089

00:40:23,510 --> 00:40:22,720

know that no you're not crazy uh you

1090

00:40:26,710 --> 00:40:23,520

know you're not

1091

00:40:28,470 --> 00:40:26,720

having sleep paralysis and and all these

1092

00:40:31,750 --> 00:40:28,480

lame things that the people try to

1093

00:40:33,270 --> 00:40:31,760

to attribute this to um that

1094

00:40:35,510 --> 00:40:33,280

that just doesn't add up you know when

1095

00:40:36,710 --> 00:40:35,520

you get into it's a very very complex

1096

00:40:38,550 --> 00:40:36,720

phenomena that's going on

1097

00:40:40,790 --> 00:40:38,560

when you get into what's really

1098

00:40:42,710 --> 00:40:40,800

happening and you find out

1099

00:40:44,390 --> 00:40:42,720

i mean i can tell you right now living

1100

00:40:47,990 --> 00:40:44,400

in nashville you know there's

1101
00:40:48,870 --> 00:40:48,000
there's there's one famous country

1102
00:40:50,150 --> 00:40:48,880
singer

1103
00:40:51,430 --> 00:40:50,160
that won't come to go public with her

1104
00:40:53,349 --> 00:40:51,440
that i know about that's having me

1105
00:40:55,750 --> 00:40:53,359
that's had these experiences

1106
00:40:56,790 --> 00:40:55,760
um but you know there's there's

1107
00:40:59,990 --> 00:40:56,800
celebrities uh

1108
00:41:03,030 --> 00:41:00,000
the tatum uh you know there's

1109
00:41:03,750 --> 00:41:03,040
people from all walks of life that that

1110
00:41:07,270 --> 00:41:03,760
had these

1111
00:41:07,750 --> 00:41:07,280
experiences that don't want to go public

1112
00:41:09,910 --> 00:41:07,760
with it

1113
00:41:10,950 --> 00:41:09,920

because of the the stigma associated

1114

00:41:13,030 --> 00:41:10,960

with it you know

1115

00:41:15,670 --> 00:41:13,040

the more people that come out with their

1116

00:41:18,390 --> 00:41:15,680

stories uh the better it's just gonna

1117

00:41:20,069 --> 00:41:18,400

make for everybody and that's what i

1118

00:41:22,630 --> 00:41:20,079

tried to do you know i just i

1119

00:41:23,990 --> 00:41:22,640

i knew i had when i decided to write the

1120

00:41:27,589 --> 00:41:24,000

book it took me

1121

00:41:29,510 --> 00:41:27,599

two years because um you know i had

1122

00:41:30,309 --> 00:41:29,520

developed coping mechanisms by this time

1123

00:41:32,950 --> 00:41:30,319

in life

1124

00:41:34,870 --> 00:41:32,960

and i started writing a book and i

1125

00:41:35,270 --> 00:41:34,880

started going right back into depression

1126

00:41:37,589 --> 00:41:35,280

again

1127

00:41:39,270 --> 00:41:37,599

and and uh you know i was reliving a lot

1128

00:41:42,950 --> 00:41:39,280

of stuff i really didn't want to

1129

00:41:45,589 --> 00:41:42,960

go back and visit again you know and so

1130

00:41:47,270 --> 00:41:45,599

then i i have some people that i know

1131

00:41:49,430 --> 00:41:47,280

here in tennessee that

1132

00:41:51,589 --> 00:41:49,440

encouraged me you know a friend of mine

1133

00:41:53,270 --> 00:41:51,599

and my life

1134

00:41:54,790 --> 00:41:53,280

and i i'd wait two or three weeks i

1135

00:41:56,069 --> 00:41:54,800

start feeling better again and i go back

1136

00:41:57,430 --> 00:41:56,079

at it and then i finally got to the

1137

00:41:58,950 --> 00:41:57,440

point where i was sort of seeing the

1138

00:42:01,030 --> 00:41:58,960

light at the end of the tunnel and i

1139

00:42:03,990 --> 00:42:01,040

knew i could like you know finish it

1140

00:42:05,109 --> 00:42:04,000

and and once i did i went public and and

1141

00:42:07,829 --> 00:42:05,119

put it out there

1142

00:42:08,470 --> 00:42:07,839

uh it was just such a huge huge relief

1143

00:42:10,630 --> 00:42:08,480

uh

1144

00:42:11,990 --> 00:42:10,640

off my shoulders you know to like let

1145

00:42:13,109 --> 00:42:12,000

everybody know like look this has

1146

00:42:15,670 --> 00:42:13,119

happened to me

1147

00:42:16,870 --> 00:42:15,680

and and of course you you put yourself

1148

00:42:18,470 --> 00:42:16,880

as a target when it gets

1149

00:42:20,630 --> 00:42:18,480

to like that you know there's people

1150

00:42:23,910 --> 00:42:20,640

that are threatened by the truth of this

1151

00:42:26,630 --> 00:42:23,920

uh it threatens their religious beliefs

1152

00:42:28,710 --> 00:42:26,640

um and so they're gonna try to attack

1153

00:42:30,230 --> 00:42:28,720

you and do everything they can

1154

00:42:31,829 --> 00:42:30,240

because they feel threatened by it you

1155

00:42:33,990 --> 00:42:31,839

know and

1156

00:42:35,910 --> 00:42:34,000

but for the most part most of people

1157

00:42:39,030 --> 00:42:35,920

that i know and my family

1158

00:42:39,829 --> 00:42:39,040

um you know luckily i had a life of

1159

00:42:43,190 --> 00:42:39,839

building

1160

00:42:44,309 --> 00:42:43,200

of a man of good character and uh and

1161

00:42:47,270 --> 00:42:44,319

most people

1162

00:42:47,829 --> 00:42:47,280

said wow you know if he says this didn't

1163

00:42:51,109 --> 00:42:47,839

happen

1164

00:42:53,270 --> 00:42:51,119

and uh and so that was i really

1165

00:42:54,230 --> 00:42:53,280

appreciate the support you know from the

1166

00:42:56,150 --> 00:42:54,240

people that

1167

00:42:57,589 --> 00:42:56,160

in my life and the people a lot of

1168

00:42:59,270 --> 00:42:57,599

people that i came across you know since

1169

00:43:02,550 --> 00:42:59,280

the books came out

1170

00:43:06,790 --> 00:43:02,560

brett have other folks in your family

1171

00:43:11,030 --> 00:43:10,230

yeah and i do think this is a genetic

1172

00:43:13,030 --> 00:43:11,040

thing

1173

00:43:14,309 --> 00:43:13,040

it is once they find a certain genetic

1174

00:43:16,710 --> 00:43:14,319

code within a family

1175

00:43:18,550 --> 00:43:16,720

they stick with it uh you know my

1176

00:43:19,990 --> 00:43:18,560

family's got strong native american

1177

00:43:23,829 --> 00:43:20,000

blood and uh i

1178

00:43:25,510 --> 00:43:23,839

there's a lot of in my research anyway

1179

00:43:26,710 --> 00:43:25,520

um i heard you guys talking about the rh

1180

00:43:27,510 --> 00:43:26,720

negative thing which that's really

1181

00:43:29,829 --> 00:43:27,520

attributed like

1182

00:43:31,030 --> 00:43:29,839

mostly toward the reptilian thing but

1183

00:43:34,390 --> 00:43:31,040

with the greys

1184

00:43:35,589 --> 00:43:34,400

they seem to favor uh people that have

1185

00:43:37,430 --> 00:43:35,599

native mix

1186

00:43:39,270 --> 00:43:37,440

with uh with celtic mix you know and

1187

00:43:42,390 --> 00:43:39,280

that's exactly what i am you know

1188

00:43:43,910 --> 00:43:42,400

i was a native american and uh and and

1189

00:43:45,990 --> 00:43:43,920

then my family line you know there was

1190

00:43:48,790 --> 00:43:46,000

rumors of some

1191

00:43:49,430 --> 00:43:48,800

odd stuff with my great grandfather that

1192

00:43:52,870 --> 00:43:49,440

was very

1193

00:43:55,109 --> 00:43:52,880

uh similar with my life um and my mom

1194

00:43:57,750 --> 00:43:55,119

remembered uh

1195

00:43:58,870 --> 00:43:57,760

when she was 14 15 right in there

1196

00:44:01,829 --> 00:43:58,880

somewhere

1197

00:44:03,030 --> 00:44:01,839

um being on some kind of uh of a crap

1198

00:44:05,750 --> 00:44:03,040

and putting some kind of

1199

00:44:07,270 --> 00:44:05,760

strange chair and seeing these you know

1200

00:44:08,309 --> 00:44:07,280

this equipment and these controls and

1201
00:44:10,870 --> 00:44:08,319
stuff that

1202
00:44:11,589 --> 00:44:10,880
she had no idea of course you know what

1203
00:44:15,109 --> 00:44:11,599
what it was

1204
00:44:16,550 --> 00:44:15,119
you know so um i i think it

1205
00:44:18,790 --> 00:44:16,560
continued and that's one of the one of

1206
00:44:20,870 --> 00:44:18,800
the fears you kind of live with because

1207
00:44:22,390 --> 00:44:20,880
it's something that you wouldn't really

1208
00:44:24,230 --> 00:44:22,400
want to wish on anybody and you

1209
00:44:25,990 --> 00:44:24,240
certainly don't want to happen into

1210
00:44:28,309 --> 00:44:26,000
family members or you know any loved

1211
00:44:30,550 --> 00:44:28,319
ones

1212
00:44:32,550 --> 00:44:30,560
well i i guess we ought to talk about

1213
00:44:35,990 --> 00:44:32,560

the incident that

1214

00:44:36,950 --> 00:44:36,000

uh provide you with the title of the

1215

00:44:40,630 --> 00:44:36,960

book

1216

00:44:42,309 --> 00:44:40,640

and subsequent events uh do you mind

1217

00:44:44,790 --> 00:44:42,319

talking about it yeah

1218

00:44:46,309 --> 00:44:44,800

yeah if i ever did get the courage to

1219

00:44:47,349 --> 00:44:46,319

write a book i knew what i was going to

1220

00:44:48,950 --> 00:44:47,359

call it and i knew

1221

00:44:50,630 --> 00:44:48,960

exactly what the cover was going to look

1222

00:44:52,069 --> 00:44:50,640

like and my brother jeffrey olman's

1223

00:44:53,750 --> 00:44:52,079

he's an award-winning artist in las

1224

00:44:55,510 --> 00:44:53,760

vegas and he

1225

00:44:58,870 --> 00:44:55,520

did the depiction on the cover for me

1226

00:45:00,870 --> 00:44:58,880

and he did a fabulous job

1227

00:45:02,069 --> 00:45:00,880

it's very very similar to the it's the

1228

00:45:05,109 --> 00:45:02,079

hybrid child

1229

00:45:05,990 --> 00:45:05,119

that i was presented with um and you i

1230

00:45:09,190 --> 00:45:06,000

heard you mentioned

1231

00:45:09,990 --> 00:45:09,200

uh the uh the monsters and mysteries

1232

00:45:13,349 --> 00:45:10,000

episode

1233

00:45:15,190 --> 00:45:13,359

um that we were on and and uh and she

1234

00:45:20,150 --> 00:45:15,200

also did ancient aliens with me

1235

00:45:22,230 --> 00:45:20,160

um and and the child that's uh

1236

00:45:24,230 --> 00:45:22,240

well i guess i can get to that story the

1237

00:45:26,309 --> 00:45:24,240

uh and this is an incident that

1238

00:45:27,430 --> 00:45:26,319

you know when you get people when

1239

00:45:29,349 --> 00:45:27,440

something happens with

1240

00:45:30,829 --> 00:45:29,359

multiple witness and they both have

1241

00:45:35,109 --> 00:45:30,839

experienced the same thing

1242

00:45:38,230 --> 00:45:35,119

um you know it sort of raises the uh

1243

00:45:40,069 --> 00:45:38,240

raise it up a notch you know and um

1244

00:45:41,430 --> 00:45:40,079

and that's exactly what happened with us

1245

00:45:42,950 --> 00:45:41,440

uh we were both

1246

00:45:45,349 --> 00:45:42,960

we were awakened in our in our bedroom

1247

00:45:48,710 --> 00:45:45,359

we lived in las vegas

1248

00:45:51,430 --> 00:45:48,720

uh and we heard a thump

1249

00:45:51,910 --> 00:45:51,440

like a real loud banging noise you know

1250

00:45:55,030 --> 00:45:51,920

kind of

1251

00:45:59,030 --> 00:45:55,040

pumping sound and we both

1252

00:46:01,670 --> 00:45:59,040

woke up and she remembered seeing

1253

00:46:02,550 --> 00:46:01,680

i think four and i remember seeing five

1254

00:46:04,230 --> 00:46:02,560

because it was one

1255

00:46:06,069 --> 00:46:04,240

up from my side of bed the way the

1256

00:46:07,670 --> 00:46:06,079

master bath was in that bedroom the

1257

00:46:09,349 --> 00:46:07,680

wall was kind of blocking her view from

1258

00:46:12,630 --> 00:46:09,359

that one um

1259

00:46:15,990 --> 00:46:12,640

surrounding has a typical small grays

1260

00:46:18,150 --> 00:46:16,000

and uh what we found out later

1261

00:46:19,589 --> 00:46:18,160

they she had had a old-fashioned

1262

00:46:22,390 --> 00:46:19,599

typewriter

1263

00:46:23,670 --> 00:46:22,400

up on a uh on a stand in the bedroom and

1264

00:46:26,069 --> 00:46:23,680

they had inadvertently

1265

00:46:26,710 --> 00:46:26,079

hit it knocked it off and it hit the

1266

00:46:28,390 --> 00:46:26,720

floor

1267

00:46:31,109 --> 00:46:28,400

uh and that's what woke us up i don't

1268

00:46:34,230 --> 00:46:31,119

think they woke us up purposely

1269

00:46:37,750 --> 00:46:34,240

but they took us at the time

1270

00:46:40,870 --> 00:46:37,760

she was one week

1271

00:46:44,630 --> 00:46:40,880

shy of her first trimester pregnancy

1272

00:46:47,190 --> 00:46:44,640

and um we had actually just been to

1273

00:46:47,670 --> 00:46:47,200

her old gyn the week before that for a

1274

00:46:50,870 --> 00:46:47,680

checkup

1275

00:46:56,710 --> 00:46:50,880

everything was fine and

1276

00:47:00,630 --> 00:46:56,720

uh when we when i woke up i found myself

1277

00:47:07,109 --> 00:47:04,069

eight to ten feet from a platform to her

1278

00:47:08,150 --> 00:47:07,119

and of all my experiences i had never

1279

00:47:10,309 --> 00:47:08,160

seen

1280

00:47:11,910 --> 00:47:10,319

this many of them in a room together at

1281

00:47:14,230 --> 00:47:11,920

a time and they had her

1282

00:47:15,430 --> 00:47:14,240

uh she was uh to my right and they had

1283

00:47:19,349 --> 00:47:15,440

her

1284

00:47:21,430 --> 00:47:19,359

equipment and um

1285

00:47:23,750 --> 00:47:21,440

there was actually a tall gray and for

1286

00:47:25,829 --> 00:47:23,760

people that's unfamiliar with this

1287

00:47:27,430 --> 00:47:25,839

the tip and my this is just my

1288

00:47:30,150 --> 00:47:27,440

observations and my own

1289

00:47:30,630 --> 00:47:30,160

opinion but i think it's pretty valid uh

1290

00:47:38,390 --> 00:47:30,640

the

1291

00:47:40,549 --> 00:47:38,400

are workers

1292

00:47:41,910 --> 00:47:40,559

i think they're created there's a tall

1293

00:47:45,990 --> 00:47:41,920

gray

1294

00:47:46,710 --> 00:47:46,000

believe they're biological robots clones

1295

00:47:49,109 --> 00:47:46,720

they all

1296

00:47:51,109 --> 00:47:49,119

they have a hive mentality uh they're

1297

00:47:53,829 --> 00:47:51,119

completely logic based

1298

00:47:55,109 --> 00:47:53,839

anything that goes against what they're

1299

00:47:56,390 --> 00:47:55,119

programmed to do they don't even know

1300

00:47:59,589 --> 00:47:56,400

how to react to it

1301

00:48:01,910 --> 00:47:59,599

uh they they stick to you telepathically

1302

00:48:03,430 --> 00:48:01,920

but it's all the same condescending you

1303

00:48:05,030 --> 00:48:03,440

know we're not going to hurt you

1304

00:48:06,470 --> 00:48:05,040

all this kind of stuff like that over

1305

00:48:08,470 --> 00:48:06,480

and over the same thing

1306

00:48:09,750 --> 00:48:08,480

uh they clearly take directions from the

1307

00:48:12,630 --> 00:48:09,760

tall grave

1308

00:48:15,030 --> 00:48:12,640

and in this case uh they were

1309

00:48:18,150 --> 00:48:15,040

surrounding me

1310

00:48:20,549 --> 00:48:18,160

except they left the open an open area

1311

00:48:21,270 --> 00:48:20,559

on the right side where i could clearly

1312

00:48:23,270 --> 00:48:21,280

see

1313

00:48:25,349 --> 00:48:23,280

uh what was going on and i was not able

1314

00:48:28,390 --> 00:48:25,359

to move uh

1315

00:48:29,990 --> 00:48:28,400

they do this mentally their mental

1316

00:48:33,349 --> 00:48:30,000

powers and their mental control

1317

00:48:35,109 --> 00:48:33,359

over you why while you're taken is it's

1318

00:48:36,950 --> 00:48:35,119

really hard to wrap your head around if

1319

00:48:40,710 --> 00:48:36,960

you've never experienced it but

1320

00:48:43,270 --> 00:48:40,720

it's very real and you're literally

1321

00:48:45,109 --> 00:48:43,280

ether at their will i mean whatever they

1322

00:48:48,230 --> 00:48:45,119

want that's what you're gonna do

1323

00:48:51,430 --> 00:48:48,240

uh and they immobilize you in this way

1324

00:48:54,790 --> 00:48:51,440

um and the tall gray was uh

1325

00:48:56,069 --> 00:48:54,800

they had her up about like a in the same

1326

00:48:58,150 --> 00:48:56,079

way that a woman

1327

00:48:59,190 --> 00:48:58,160

that was giving birth um you know her

1328

00:49:02,630 --> 00:48:59,200

legs were up and

1329

00:49:05,510 --> 00:49:02,640

sort of these syrup like things and um

1330

00:49:07,030 --> 00:49:05,520

and it was a tall glaze standing down

1331

00:49:11,030 --> 00:49:07,040

there and

1332

00:49:14,950 --> 00:49:13,030

this bloody murder like please take my

1333

00:49:17,990 --> 00:49:14,960

baby stop what are you doing

1334

00:49:20,230 --> 00:49:18,000

why all this kind of thing and i was

1335

00:49:23,270 --> 00:49:20,240

doing the same i was very very angry

1336

00:49:24,150 --> 00:49:23,280

um and threatening to do all kinds of

1337

00:49:27,030 --> 00:49:24,160

things to them

1338

00:49:28,710 --> 00:49:27,040

uh and if i'd been able to get off that

1339

00:49:32,150 --> 00:49:28,720

table i would have carried out

1340

00:49:32,950 --> 00:49:32,160

my threats um because i realized what

1341

00:49:36,390 --> 00:49:32,960

was happening

1342

00:49:37,589 --> 00:49:36,400

and i decided not to not play into it

1343

00:49:38,470 --> 00:49:37,599

and i didn't want to watch it i couldn't

1344

00:49:40,549 --> 00:49:38,480

take it and

1345

00:49:41,990 --> 00:49:40,559

i turned my head as the only thing i

1346

00:49:46,870 --> 00:49:42,000

could move

1347

00:49:49,910 --> 00:49:46,880

and one of the the grays that was at the

1348

00:49:54,150 --> 00:49:49,920

top of the table where my head was at

1349

00:49:56,069 --> 00:49:54,160

puts his hand on my forehead and

1350

00:49:57,190 --> 00:49:56,079

uh really didn't have to do it

1351
00:50:00,950 --> 00:49:57,200
physically but

1352
00:50:03,270 --> 00:50:00,960
guided my head back to force me to watch

1353
00:50:04,069 --> 00:50:03,280
and then i couldn't i was no longer able

1354
00:50:06,390 --> 00:50:04,079
to move my head

1355
00:50:07,910 --> 00:50:06,400
and i was forced to watch them take the

1356
00:50:11,190 --> 00:50:07,920
fetus

1357
00:50:12,309 --> 00:50:11,200
and the next morning that was all i

1358
00:50:16,549 --> 00:50:12,319
remember like

1359
00:50:18,309 --> 00:50:16,559
on the craft and the next morning um

1360
00:50:19,670 --> 00:50:18,319
bright sunny day in vegas you know

1361
00:50:23,589 --> 00:50:19,680
someone's coming through the

1362
00:50:25,910 --> 00:50:23,599
windows and wake up and uh

1363
00:50:26,710 --> 00:50:25,920

she says she starts to get up and she

1364

00:50:28,710 --> 00:50:26,720

says

1365

00:50:29,829 --> 00:50:28,720

she noticed there was some spot of blood

1366

00:50:31,910 --> 00:50:29,839

on the bed

1367

00:50:34,390 --> 00:50:31,920

and she goes into the bathroom and she

1368

00:50:37,349 --> 00:50:34,400

calls up in the bathroom

1369

00:50:38,870 --> 00:50:37,359

that she's uh bleeding and that i better

1370

00:50:42,390 --> 00:50:38,880

call her doctor

1371

00:50:45,109 --> 00:50:42,400

which i did and we

1372

00:50:46,069 --> 00:50:45,119

we went up east sahara there we go

1373

00:50:49,349 --> 00:50:46,079

pretty close uh

1374

00:50:50,549 --> 00:50:49,359

to where her doctor's office was at and

1375

00:50:52,069 --> 00:50:50,559

he says well i think you had a

1376

00:50:53,270 --> 00:50:52,079

miscarriage and she says well that's

1377

00:50:55,829 --> 00:50:53,280

impossible because

1378

00:50:56,309 --> 00:50:55,839

there's no tissue come out you know i

1379

00:50:59,990 --> 00:50:56,319

was

1380

00:51:02,069 --> 00:51:00,000

attention

1381

00:51:03,430 --> 00:51:02,079

and he kept insisting that and right

1382

00:51:06,309 --> 00:51:03,440

across the street at time was

1383

00:51:07,270 --> 00:51:06,319

a place called women's hospital and they

1384

00:51:09,510 --> 00:51:07,280

checked her in

1385

00:51:10,470 --> 00:51:09,520

and i called her mom and i called my mom

1386

00:51:11,910 --> 00:51:10,480

and told her

1387

00:51:13,510 --> 00:51:11,920

told him you know like you better come

1388

00:51:15,910 --> 00:51:13,520

down here um

1389

00:51:17,430 --> 00:51:15,920

something's happening with the baby and

1390

00:51:20,630 --> 00:51:17,440

uh

1391

00:51:21,510 --> 00:51:20,640

and then my mom was there with me in the

1392

00:51:23,910 --> 00:51:21,520

waiting room and

1393

00:51:25,750 --> 00:51:23,920

the doctor comes down the hall and he

1394

00:51:27,670 --> 00:51:25,760

has a funny look on his face

1395

00:51:29,510 --> 00:51:27,680

and i thought something happened and i

1396

00:51:31,430 --> 00:51:29,520

got up to meet him and

1397

00:51:33,109 --> 00:51:31,440

and i i said what's the matter and he

1398

00:51:34,790 --> 00:51:33,119

says no no she's okay

1399

00:51:36,230 --> 00:51:34,800

but that's the damndest thing i've ever

1400

00:51:39,589 --> 00:51:36,240

seen and i said

1401

00:51:40,630 --> 00:51:39,599

what she says well if i hadn't just saw

1402

00:51:42,710 --> 00:51:40,640

this woman

1403

00:51:43,990 --> 00:51:42,720

last week i would have never thought she

1404

00:51:46,870 --> 00:51:44,000

was pregnant because the womb was

1405

00:51:53,270 --> 00:51:50,790

and so

1406

00:51:55,589 --> 00:51:53,280

when we left well when she was uh

1407

00:51:56,950 --> 00:51:55,599

dismissed in the hospital and

1408

00:51:58,950 --> 00:51:56,960

i didn't want to say anything because we

1409

00:52:00,230 --> 00:51:58,960

were just so traumatized by all of it

1410

00:52:03,430 --> 00:52:00,240

and i wasn't quite sure

1411

00:52:05,990 --> 00:52:03,440

if she even remembered anything and uh

1412

00:52:07,510 --> 00:52:06,000

but they had completely left memories in

1413

00:52:09,510 --> 00:52:07,520

both of them

1414

00:52:11,270 --> 00:52:09,520

and you know they were basically

1415

00:52:13,349 --> 00:52:11,280

monitoring my emotion

1416

00:52:15,430 --> 00:52:13,359

to it um which is something that they're

1417

00:52:17,990 --> 00:52:15,440

very interested in

1418

00:52:19,190 --> 00:52:18,000

because of the hybrid program uh that's

1419

00:52:21,589 --> 00:52:19,200

why they took me home

1420

00:52:23,670 --> 00:52:21,599

to witness this but uh she did remember

1421

00:52:25,270 --> 00:52:23,680

it and we just made a vow at that time

1422

00:52:27,990 --> 00:52:25,280

not to talk about it but nobody

1423

00:52:28,390 --> 00:52:28,000

no we're like no one's gonna believe us

1424

00:52:30,470 --> 00:52:28,400

and

1425

00:52:32,150 --> 00:52:30,480

um because i had her like even look at

1426

00:52:34,150 --> 00:52:32,160

my mom after the doctor said and i just

1427

00:52:36,470 --> 00:52:34,160

turned around i said they took it

1428

00:52:38,230 --> 00:52:36,480

and she seemed sort of her perplexed as

1429

00:52:40,549 --> 00:52:38,240

well like she didn't know exactly what i

1430

00:52:44,069 --> 00:52:40,559

was talking about the time either

1431

00:52:46,549 --> 00:52:44,079

and approximately

1432

00:52:47,670 --> 00:52:46,559

three years after that during one of my

1433

00:52:50,870 --> 00:52:47,680

events

1434

00:52:53,990 --> 00:52:50,880

i was escorted by two small grays into

1435

00:52:56,470 --> 00:52:54,000

a relatively large room

1436

00:52:58,710 --> 00:52:56,480

very dimly lit which is something that's

1437

00:53:01,990 --> 00:52:58,720

quite unusual

1438

00:53:02,710 --> 00:53:02,000

most their lighting is different than

1439

00:53:05,829 --> 00:53:02,720

our lighting

1440

00:53:08,150 --> 00:53:05,839

um it's very bright but

1441

00:53:10,230 --> 00:53:08,160

um a lot of times it doesn't like hurt

1442

00:53:12,950 --> 00:53:10,240

your eyes kind of bright you know and

1443

00:53:15,190 --> 00:53:12,960

but this in this particular room was a

1444

00:53:17,910 --> 00:53:15,200

very dimly lit and it was just some

1445

00:53:18,950 --> 00:53:17,920

small handling lighting like a world and

1446

00:53:22,710 --> 00:53:18,960

it was a

1447

00:53:25,349 --> 00:53:22,720

uh there was a ramp uh they use ramps

1448

00:53:28,230 --> 00:53:25,359

more they don't like hairs everything's

1449

00:53:30,470 --> 00:53:28,240

very rounded and they use a lot of ramps

1450

00:53:31,670 --> 00:53:30,480

and i could see a light at the end of

1451

00:53:35,109 --> 00:53:31,680

this ramp

1452

00:53:36,549 --> 00:53:35,119

um and it looked like uh an entry into

1453

00:53:37,990 --> 00:53:36,559

another room but the light wasn't

1454

00:53:39,829 --> 00:53:38,000

filtering into the room

1455

00:53:41,670 --> 00:53:39,839

that i was in they seem to have the

1456

00:53:42,630 --> 00:53:41,680

ability to actually control light like

1457

00:53:45,990 --> 00:53:42,640

that

1458

00:53:47,270 --> 00:53:46,000

and they just left me there and um i was

1459

00:53:48,470 --> 00:53:47,280

pretty concerned

1460

00:53:50,710 --> 00:53:48,480

because when you no matter how many

1461

00:53:52,630 --> 00:53:50,720

times you go through this like really

1462

00:53:54,309 --> 00:53:52,640

the main thing that happens to you after

1463

00:53:55,109 --> 00:53:54,319

numerous times of this is just to get

1464

00:53:57,829 --> 00:53:55,119

through it

1465

00:53:58,870 --> 00:53:57,839

survive and get back all right you know

1466

00:54:00,150 --> 00:53:58,880

you never know

1467

00:54:01,990 --> 00:54:00,160

what kind of thing is going to happen to

1468

00:54:03,510 --> 00:54:02,000

you with physical they also run a lot of

1469

00:54:05,349 --> 00:54:03,520

mental experiments

1470

00:54:06,790 --> 00:54:05,359

sometimes they're more intrusive than

1471

00:54:08,390 --> 00:54:06,800

the physical stuff you know because of

1472

00:54:11,030 --> 00:54:08,400

the way it affects you

1473

00:54:12,950 --> 00:54:11,040

and i was just standing there and i saw

1474

00:54:14,230 --> 00:54:12,960

a figure break through the light and as

1475

00:54:16,470 --> 00:54:14,240

she did

1476

00:54:17,430 --> 00:54:16,480

uh or it did i didn't know the sheets so

1477

00:54:19,430 --> 00:54:17,440

i got closer but

1478

00:54:21,109 --> 00:54:19,440

the light started filtering into the

1479

00:54:24,309 --> 00:54:21,119

room that i was in

1480

00:54:26,150 --> 00:54:24,319

and it still didn't light it up

1481

00:54:27,349 --> 00:54:26,160

real bright but it was i could see much

1482

00:54:29,349 --> 00:54:27,359

better and

1483

00:54:31,030 --> 00:54:29,359

uh as i figured it out closer i could

1484

00:54:34,069 --> 00:54:31,040

see that it was a female

1485

00:54:35,190 --> 00:54:34,079

a gray female hybrid and she was

1486

00:54:37,510 --> 00:54:35,200

carrying something

1487

00:54:39,030 --> 00:54:37,520

and then as she got even more close i

1488

00:54:42,069 --> 00:54:39,040

could see there's a

1489

00:54:46,069 --> 00:54:42,079

child and she come up to me um

1490

00:54:49,109 --> 00:54:46,079

and she set the child down and um

1491

00:54:51,109 --> 00:54:49,119

i didn't know what was going on and

1492

00:54:52,950 --> 00:54:51,119

once again you know she's even even

1493

00:54:55,190 --> 00:54:52,960

though she's a hybrid she was speaking

1494

00:54:58,309 --> 00:54:55,200

to me telepathically and

1495

00:55:00,549 --> 00:54:58,319

she told me uh that was my child um

1496

00:55:03,030 --> 00:55:00,559

wanted me to interact with it and i

1497

00:55:05,670 --> 00:55:03,040

refused at first

1498

00:55:07,270 --> 00:55:05,680

i didn't want a part of it and i just

1499

00:55:09,910 --> 00:55:07,280

looked down at the child and

1500

00:55:11,349 --> 00:55:09,920

she looked at me uh sort of with that

1501
00:55:13,430 --> 00:55:11,359
same expression that's on

1502
00:55:14,470 --> 00:55:13,440
on the cover of the book and i just sort

1503
00:55:17,990 --> 00:55:14,480
of just melted

1504
00:55:20,069 --> 00:55:18,000
you know and i

1505
00:55:22,710 --> 00:55:20,079
i kneeled down and you know started

1506
00:55:25,349 --> 00:55:22,720
talking to her she never spoke to me

1507
00:55:26,870 --> 00:55:25,359
uh she seemed very curious about me but

1508
00:55:28,630 --> 00:55:26,880
um

1509
00:55:30,150 --> 00:55:28,640
it was one of those sort of bonding

1510
00:55:31,750 --> 00:55:30,160
things you know like i did

1511
00:55:33,990 --> 00:55:31,760
i will have to admit that i don't know

1512
00:55:38,549 --> 00:55:34,000
if it was my child or not but i did feel

1513
00:55:41,589 --> 00:55:38,559

that kind of maternal bond and

1514

00:55:44,390 --> 00:55:41,599

they went on for a few minutes and they

1515

00:55:45,510 --> 00:55:44,400

they the little the little hyper girl

1516

00:55:49,030 --> 00:55:45,520

seemed to enjoy it

1517

00:55:50,710 --> 00:55:49,040

um she wasn't afraid of me and uh

1518

00:55:52,309 --> 00:55:50,720

and i was actually starting to enjoy it

1519

00:55:53,990 --> 00:55:52,319

and they they seemed to let it go to

1520

00:55:57,270 --> 00:55:54,000

right about that time

1521

00:55:58,069 --> 00:55:57,280

uh and then the adult hybrid woman

1522

00:55:59,670 --> 00:55:58,079

picked her up and

1523

00:56:01,670 --> 00:55:59,680

started taking her away and i was

1524

00:56:02,549 --> 00:56:01,680

begging her like wait wait stop you know

1525

00:56:04,470 --> 00:56:02,559

i don't

1526
00:56:06,230 --> 00:56:04,480
what's your name i start you know asking

1527
00:56:07,829 --> 00:56:06,240
questions and don't take her yet you

1528
00:56:10,230 --> 00:56:07,839
know that type of thing

1529
00:56:11,990 --> 00:56:10,240
um and and that was it and you know

1530
00:56:13,589 --> 00:56:12,000
that's been one of the

1531
00:56:15,190 --> 00:56:13,599
one of the hard things to deal with

1532
00:56:17,430 --> 00:56:15,200
because i've always

1533
00:56:18,390 --> 00:56:17,440
wondered even to this day like what

1534
00:56:20,470 --> 00:56:18,400
happened to her

1535
00:56:22,230 --> 00:56:20,480
wish was she really something that you

1536
00:56:25,270 --> 00:56:22,240
know was part me

1537
00:56:26,950 --> 00:56:25,280
um from sending from numerous things

1538
00:56:29,589 --> 00:56:26,960

that they've done to me um

1539

00:56:31,190 --> 00:56:29,599

you know were there others like like her

1540

00:56:34,069 --> 00:56:31,200

that

1541

00:56:35,750 --> 00:56:34,079

i was also instrumental in creating and

1542

00:56:38,630 --> 00:56:35,760

um

1543

00:56:39,270 --> 00:56:38,640

you know they never i i don't if they'd

1544

00:56:43,270 --> 00:56:39,280

ever

1545

00:56:43,589 --> 00:56:43,280

again i i don't have any memories of it

1546

00:56:47,910 --> 00:56:43,599

you know

1547

00:56:50,630 --> 00:56:47,920

so i knew that that just to dedicate

1548

00:56:51,990 --> 00:56:50,640

for uh for her you know that i was going

1549

00:56:53,349 --> 00:56:52,000

to put her on the cover

1550

00:56:55,910 --> 00:56:53,359

you know because it made that kind of

1551
00:56:59,030 --> 00:56:55,920
impact on me do you think that you may

1552
00:57:02,789 --> 00:56:59,040
see her again do you have a gut feeling

1553
00:57:06,549 --> 00:57:04,309
i don't know i'm kind of on the fence

1554
00:57:09,670 --> 00:57:06,559
about it because it's been so long now

1555
00:57:13,349 --> 00:57:09,680
i mean we're talking you know this is uh

1556
00:57:17,829 --> 00:57:13,359
91 you know right in there uh

1557
00:57:19,670 --> 00:57:17,839
and i don't know you know i i

1558
00:57:20,950 --> 00:57:19,680
she they got to the point now and i

1559
00:57:22,150 --> 00:57:20,960
heard you guys mentioned it earlier i

1560
00:57:25,190 --> 00:57:22,160
mean i do

1561
00:57:29,190 --> 00:57:25,200
think um that not only

1562
00:57:31,750 --> 00:57:29,200
uh the the some of the grades themselves

1563
00:57:33,190 --> 00:57:31,760

uh because when you're talking about the

1564

00:57:34,630 --> 00:57:33,200

hologram thing with it

1565

00:57:35,829 --> 00:57:34,640

you know i think it's more of a mental

1566

00:57:38,069 --> 00:57:35,839

thing with them i mean they have the

1567

00:57:40,390 --> 00:57:38,079

capabilities to make you see whatever

1568

00:57:42,069 --> 00:57:40,400

right you know if they want to look like

1569

00:57:43,349 --> 00:57:42,079

an old couple or whatever

1570

00:57:45,270 --> 00:57:43,359

they can just make you think that in

1571

00:57:48,309 --> 00:57:45,280

their mind you know and uh

1572

00:57:49,030 --> 00:57:48,319

but i think the hybrids uh have

1573

00:57:51,270 --> 00:57:49,040

integrated

1574

00:57:52,549 --> 00:57:51,280

you know i thought press site is a

1575

00:57:53,750 --> 00:57:52,559

friend of mine and you know we've talked

1576

00:57:55,430 --> 00:57:53,760

about this and

1577

00:57:56,870 --> 00:57:55,440

you know he kind of feels the same way

1578

00:57:57,510 --> 00:57:56,880

you know with all his research you know

1579

00:57:59,349 --> 00:57:57,520

that the

1580

00:58:00,549 --> 00:57:59,359

the hybrid programs like reach the point

1581

00:58:01,990 --> 00:58:00,559

where they've integrated into our

1582

00:58:04,870 --> 00:58:02,000

society now

1583

00:58:05,829 --> 00:58:04,880

uh because even even her you know uh she

1584

00:58:08,950 --> 00:58:05,839

looks

1585

00:58:09,430 --> 00:58:08,960

odd uh and in real life you know her

1586

00:58:11,270 --> 00:58:09,440

hair was

1587

00:58:13,349 --> 00:58:11,280

a little wider and a little more stringy

1588

00:58:14,150 --> 00:58:13,359

looking than what my brother jeff came

1589

00:58:15,670 --> 00:58:14,160

up with but

1590

00:58:17,270 --> 00:58:15,680

you know we kind of had to fill that in

1591

00:58:18,950 --> 00:58:17,280

a little bit for

1592

00:58:20,950 --> 00:58:18,960

graphic purposes you know for the book

1593

00:58:24,470 --> 00:58:20,960

you know for it to stand out you know

1594

00:58:25,190 --> 00:58:24,480

um but i still think that uh if she was

1595

00:58:26,789 --> 00:58:25,200

an adult

1596

00:58:28,390 --> 00:58:26,799

um you know people might give her like

1597

00:58:29,349 --> 00:58:28,400

kind of a maybe a second look or

1598

00:58:31,829 --> 00:58:29,359

something but

1599

00:58:33,589 --> 00:58:31,839

uh she she might even be able to blend

1600

00:58:36,630 --> 00:58:33,599

blend in you know so

1601

00:58:39,190 --> 00:58:36,640

uh it's time you know it's it's not

1602

00:58:42,549 --> 00:58:39,200

impossible it's it's probable that

1603

00:58:42,870 --> 00:58:42,559

that they are uh especially the hybrids

1604

00:58:48,789 --> 00:58:42,880

uh

1605

00:58:50,870 --> 00:58:48,799

and and integrating into our society you

1606

00:58:52,470 --> 00:58:50,880

know for that purpose

1607

00:58:55,510 --> 00:58:52,480

well what do you think their main reason

1608

00:58:57,990 --> 00:58:55,520

for the hybridization program

1609

00:58:58,630 --> 00:58:58,000

you know what that's a 99 question i

1610

00:59:01,510 --> 00:58:58,640

mean

1611

00:59:02,230 --> 00:59:01,520

no one knows and i don't care who they

1612

00:59:03,990 --> 00:59:02,240

think they are

1613

00:59:05,589 --> 00:59:04,000

and how many years they think they

1614

00:59:08,710 --> 00:59:05,599

research stuff

1615

00:59:11,670 --> 00:59:08,720

nobody knows the truth agenda uh i my

1616

00:59:12,390 --> 00:59:11,680

theory on it is uh i you know i know

1617

00:59:15,750 --> 00:59:12,400

like jake

1618

00:59:17,589 --> 00:59:15,760

uh dr j jacobs you know

1619

00:59:18,870 --> 00:59:17,599

he's the doom and gloom i think they're

1620

00:59:19,990 --> 00:59:18,880

taking over the earth and stuff if they

1621

00:59:22,630 --> 00:59:20,000

were going to do that i think they have

1622

00:59:25,910 --> 00:59:22,640

done that a long time ago

1623

00:59:29,430 --> 00:59:25,920

but uh i think that they're a dying race

1624

00:59:31,589 --> 00:59:29,440

uh their bodies are very atrophied um

1625

00:59:32,549 --> 00:59:31,599

something's happened possibly you know

1626

00:59:34,710 --> 00:59:32,559

where they're from

1627

00:59:36,150 --> 00:59:34,720

and and the thing is they might not be

1628

00:59:37,270 --> 00:59:36,160

extraterrestrial they might be

1629

00:59:39,430 --> 00:59:37,280

ultra-terrestrial

1630

00:59:41,750 --> 00:59:39,440

they might be dimensional you know or

1631

00:59:43,670 --> 00:59:41,760

they could be from a different planet

1632

00:59:45,589 --> 00:59:43,680

in that dimension you know it because

1633

00:59:48,710 --> 00:59:45,599

they do have the ability

1634

00:59:49,910 --> 00:59:48,720

uh to use they use dimensional portals

1635

00:59:52,069 --> 00:59:49,920

to take us

1636

00:59:52,950 --> 00:59:52,079

i've witnessed it i've witnessed it you

1637

00:59:54,630 --> 00:59:52,960

know uh

1638

00:59:55,670 --> 00:59:54,640

people talk about floating through walls

1639

00:59:56,789 --> 00:59:55,680

floating through the wells flowing

1640

00:59:58,309 --> 00:59:56,799

through the wings

1641

01:00:00,230 --> 00:59:58,319

in essence they are because it's no

1642

01:00:03,190 --> 01:00:00,240

longer there you know

1643

01:00:04,630 --> 01:00:03,200

they opened up a portal in my bedroom um

1644

01:00:08,870 --> 01:00:04,640

and

1645

01:00:12,230 --> 01:00:08,880

craft

1646

01:00:15,270 --> 01:00:12,240

and in an instant i mean i was from

1647

01:00:18,870 --> 01:00:15,280

awaken my bed and i was inside a craft

1648

01:00:21,990 --> 01:00:18,880

and well i you know i i had mentioned

1649

01:00:23,430 --> 01:00:22,000

right before we came to talk to you uh

1650

01:00:24,230 --> 01:00:23,440

that i have gone through something

1651
01:00:27,109 --> 01:00:24,240
recently

1652
01:00:27,990 --> 01:00:27,119
and uh that's kind of like it was for me

1653
01:00:30,630 --> 01:00:28,000
it was like i'm

1654
01:00:31,510 --> 01:00:30,640
here and there you know it's uh it's

1655
01:00:34,230 --> 01:00:31,520
almost like

1656
01:00:35,990 --> 01:00:34,240
you're taken into an another astral

1657
01:00:37,750 --> 01:00:36,000
plane and

1658
01:00:39,430 --> 01:00:37,760
whether it be a planet or another

1659
01:00:42,950 --> 01:00:39,440
universe or wherever just

1660
01:00:46,950 --> 01:00:42,960
in a craft uh this wasn't your

1661
01:00:50,630 --> 01:00:46,960
typical media type of uh

1662
01:00:51,829 --> 01:00:50,640
abduction you know uh yeah as far media

1663
01:00:53,589 --> 01:00:51,839

goes what what

1664

01:00:57,190 --> 01:00:53,599

what do you feel about the media and how

1665

01:00:59,430 --> 01:00:57,200

they portray abductions

1666

01:01:00,549 --> 01:00:59,440

um well before i get to that though let

1667

01:01:03,349 --> 01:01:00,559

me finish on the

1668

01:01:03,750 --> 01:01:03,359

i think i think the grays um are not

1669

01:01:05,829 --> 01:01:03,760

able to

1670

01:01:07,589 --> 01:01:05,839

reproduce anymore i think their bodies

1671

01:01:08,390 --> 01:01:07,599

maybe they rely on technology for so

1672

01:01:10,390 --> 01:01:08,400

long you know

1673

01:01:11,910 --> 01:01:10,400

uh is why they've atrophied so much and

1674

01:01:15,990 --> 01:01:11,920

maybe even why they because they have

1675

01:01:18,069 --> 01:01:16,000

really a complete lack of emotion um

1676

01:01:19,910 --> 01:01:18,079

and and that's one of the things i've

1677

01:01:21,109 --> 01:01:19,920

tried to to deal with psychologically is

1678

01:01:23,910 --> 01:01:21,119

like you know they're

1679

01:01:25,750 --> 01:01:23,920

they they really don't know you know

1680

01:01:29,030 --> 01:01:25,760

they have any empathy so you know

1681

01:01:30,630 --> 01:01:29,040

i've tried not to blame them as much

1682

01:01:32,069 --> 01:01:30,640

uh for some of the stuff they've done

1683

01:01:33,670 --> 01:01:32,079

because uh

1684

01:01:34,789 --> 01:01:33,680

they don't feel things like we do you

1685

01:01:36,549 --> 01:01:34,799

know but that's one of the main things

1686

01:01:39,829 --> 01:01:36,559

that they're interested in because

1687

01:01:42,470 --> 01:01:39,839

to to the human species

1688

01:01:44,390 --> 01:01:42,480

physically is very appealing to them you

1689

01:01:47,510 --> 01:01:44,400

know what part is physical specimen

1690

01:01:50,390 --> 01:01:47,520

especially compared to to the grace uh

1691

01:01:52,150 --> 01:01:50,400

you know intellectually well you know

1692

01:01:54,230 --> 01:01:52,160

come on

1693

01:01:55,750 --> 01:01:54,240

you know just take a look around tell us

1694

01:01:58,390 --> 01:01:55,760

how smart we are

1695

01:01:58,950 --> 01:01:58,400

but uh you know but if you combine the

1696

01:02:01,029 --> 01:01:58,960

two

1697

01:02:02,150 --> 01:02:01,039

you know you you've got quite a species

1698

01:02:04,309 --> 01:02:02,160

yeah and

1699

01:02:05,990 --> 01:02:04,319

and so you know i think by creating the

1700

01:02:09,670 --> 01:02:06,000

hybrids what's happening

1701

01:02:13,910 --> 01:02:11,589

that they're coming with they're

1702

01:02:16,230 --> 01:02:13,920

shipping some of these same emotional

1703

01:02:17,109 --> 01:02:16,240

traits and characteristics that humans

1704

01:02:19,910 --> 01:02:17,119

have

1705

01:02:21,430 --> 01:02:19,920

so when they take us uh the people

1706

01:02:22,230 --> 01:02:21,440

that's been taken multiple times like

1707

01:02:26,630 --> 01:02:22,240

myself

1708

01:02:29,349 --> 01:02:26,640

you know we're not only subjected to um

1709

01:02:30,150 --> 01:02:29,359

physical things and and that's one of

1710

01:02:32,470 --> 01:02:30,160

the things you know

1711

01:02:33,589 --> 01:02:32,480

like that is evidence you know you're

1712

01:02:34,309 --> 01:02:33,599

talking about evidence you know there's

1713

01:02:35,829 --> 01:02:34,319

there's

1714

01:02:37,990 --> 01:02:35,839

unexplained like you talked about you

1715

01:02:40,549 --> 01:02:38,000

had a stupid mark you know i've got two

1716

01:02:42,230 --> 01:02:40,559

two function marks uh on my side on the

1717

01:02:43,910 --> 01:02:42,240

rib cage no exclamation point i've got

1718

01:02:47,270 --> 01:02:43,920

stars on my back

1719

01:02:49,510 --> 01:02:47,280

uh pretty basic scars uh

1720

01:02:51,430 --> 01:02:49,520

that i've had numerous doctors look at

1721

01:02:55,190 --> 01:02:51,440

that cannot explain

1722

01:02:57,990 --> 01:02:55,200

um and and in fact uh

1723

01:03:00,150 --> 01:02:58,000

i had a lady contact me that had an

1724

01:03:02,470 --> 01:03:00,160

identical scar on her back

1725

01:03:03,670 --> 01:03:02,480

um and it's had lifelong experiences

1726

01:03:05,510 --> 01:03:03,680

very similar to mine

1727

01:03:07,670 --> 01:03:05,520

that didn't we don't know each other at

1728

01:03:10,309 --> 01:03:07,680

all uh sent me

1729

01:03:12,230 --> 01:03:10,319

a picture and an mri of her scar and

1730

01:03:13,990 --> 01:03:12,240

they found some kind of little

1731

01:03:15,750 --> 01:03:14,000

object that her doctor don't even know

1732

01:03:17,910 --> 01:03:15,760

what it is and

1733

01:03:18,870 --> 01:03:17,920

along her spine you know so it's

1734

01:03:21,029 --> 01:03:18,880

probably some kind of an

1735

01:03:22,390 --> 01:03:21,039

implant a strange place for but it's

1736

01:03:24,230 --> 01:03:22,400

something very unique

1737

01:03:26,710 --> 01:03:24,240

and you know so you know you've got

1738

01:03:28,549 --> 01:03:26,720

stuff uh physical things

1739

01:03:29,750 --> 01:03:28,559

that happen with these with these events

1740

01:03:32,309 --> 01:03:29,760

as well but

1741

01:03:32,870 --> 01:03:32,319

the grades monitor our emotions because

1742

01:03:35,109 --> 01:03:32,880

i think

1743

01:03:36,549 --> 01:03:35,119

they have to because they're dealing

1744

01:03:37,990 --> 01:03:36,559

with these hybrids that are coming up

1745

01:03:39,190 --> 01:03:38,000

that are exhibiting some of these same

1746

01:03:42,309 --> 01:03:39,200

traits

1747

01:03:43,829 --> 01:03:42,319

and you know of course i say good luck

1748

01:03:46,069 --> 01:03:43,839

because i mean we can't we can't even

1749

01:03:48,150 --> 01:03:46,079

figure ourselves out you know so

1750

01:03:49,430 --> 01:03:48,160

um but it's something that they're

1751

01:03:51,510 --> 01:03:49,440

having to uh

1752

01:03:53,109 --> 01:03:51,520

to deal with and that's why i think that

1753

01:03:54,950 --> 01:03:53,119

they they've tried to integrate them

1754

01:03:57,829 --> 01:03:54,960

into our society as well

1755

01:03:58,950 --> 01:03:57,839

um you know they monitor us even with

1756

01:04:02,789 --> 01:03:58,960

the implants

1757

01:04:04,309 --> 01:04:02,799

to put us in certain uh situations that

1758

01:04:06,630 --> 01:04:04,319

they can monitor

1759

01:04:07,829 --> 01:04:06,640

uh i think so one of the reasons such a

1760

01:04:11,990 --> 01:04:07,839

long-term project

1761

01:04:15,349 --> 01:04:12,000

you know is is learning uh if they if

1762

01:04:18,630 --> 01:04:15,359

they do go back to wherever they're from

1763

01:04:22,230 --> 01:04:18,640

with millions of hybrids

1764

01:04:25,270 --> 01:04:22,240

uh it's got to be something that

1765

01:04:26,150 --> 01:04:25,280

that the tall greys uh want to be able

1766

01:04:28,390 --> 01:04:26,160

to control

1767

01:04:29,990 --> 01:04:28,400

and they have to understand you know the

1768

01:04:33,029 --> 01:04:30,000

psychological

1769

01:04:34,870 --> 01:04:33,039

makeup of what they've created um so

1770

01:04:36,789 --> 01:04:34,880

and it goes way beyond like a small

1771

01:04:39,750 --> 01:04:36,799

smaller grade clones

1772

01:04:40,069 --> 01:04:39,760

who have the height mentality all work

1773

01:04:42,710 --> 01:04:40,079

all

1774

01:04:44,069 --> 01:04:42,720

the same you know like central base uh

1775

01:04:45,589 --> 01:04:44,079

and i don't think the hybrids

1776

01:04:47,589 --> 01:04:45,599

are like that i think they're as unique

1777

01:04:50,230 --> 01:04:47,599

and individual as

1778

01:04:51,990 --> 01:04:50,240

the humans are you know so uh that

1779

01:04:54,230 --> 01:04:52,000

really plays into a lot of stuff

1780

01:04:55,190 --> 01:04:54,240

that they will try to do in their

1781

01:04:58,309 --> 01:04:55,200

experiments

1782

01:04:59,990 --> 01:04:58,319

to put you in scenarios where

1783

01:05:01,990 --> 01:05:00,000

uh just like what they did with me when

1784

01:05:03,990 --> 01:05:02,000

they they they wanted to

1785

01:05:06,069 --> 01:05:04,000

monitor anger well this is what triggers

1786

01:05:06,710 --> 01:05:06,079

this this is how severe it can get you

1787

01:05:09,829 --> 01:05:06,720

know

1788

01:05:11,829 --> 01:05:09,839

uh and they'll do the same thing whether

1789

01:05:13,270 --> 01:05:11,839

whatever it is and even the same thing

1790

01:05:13,829 --> 01:05:13,280

with some of the sexual experiments that

1791

01:05:15,349 --> 01:05:13,839

they do

1792

01:05:17,270 --> 01:05:15,359

you know obviously they understand the

1793

01:05:18,870 --> 01:05:17,280

bio biology of it and they understand

1794

01:05:20,069 --> 01:05:18,880

the human reproductive system

1795

01:05:22,549 --> 01:05:20,079

but they don't understand the

1796

01:05:25,829 --> 01:05:22,559

psychological part of it

1797

01:05:27,109 --> 01:05:25,839

and uh so they've uh you know their

1798

01:05:27,670 --> 01:05:27,119

stuff that i described in the book you

1799

01:05:30,630 --> 01:05:27,680

know with

1800

01:05:32,630 --> 01:05:30,640

lots of humans uh all together uh in a

1801

01:05:34,309 --> 01:05:32,640

room but they were observing

1802

01:05:36,630 --> 01:05:34,319

and you know it sounds like some kind of

1803

01:05:37,750 --> 01:05:36,640

a big lord became but trust me it was

1804

01:05:40,789 --> 01:05:37,760

far from that

1805

01:05:42,309 --> 01:05:40,799

and and funny enough i ran into another

1806

01:05:45,990 --> 01:05:42,319

lady

1807

01:05:47,029 --> 01:05:46,000

who contacted me and said the same thing

1808

01:05:49,910 --> 01:05:47,039

happened to me

1809

01:05:50,150 --> 01:05:49,920

very similar type room all humans all in

1810

01:05:57,510 --> 01:05:50,160

a

1811

01:06:00,309 --> 01:05:57,520

like they were um coherent

1812

01:06:01,430 --> 01:06:00,319

as far as being able to go about but

1813

01:06:05,109 --> 01:06:01,440

they seem to be

1814

01:06:07,510 --> 01:06:05,119
in some kind of drug stupor um

1815

01:06:08,630 --> 01:06:07,520
and maybe i was too and you know maybe

1816

01:06:09,829 --> 01:06:08,640
we were all they were all observing

1817

01:06:13,510 --> 01:06:09,839
things just like i was

1818

01:06:14,870 --> 01:06:13,520
uh but this lady described the exact

1819

01:06:17,670 --> 01:06:14,880
same thing

1820

01:06:19,190 --> 01:06:17,680
and said um that these guys would get on

1821

01:06:20,470 --> 01:06:19,200
top of it when they wouldn't look at her

1822

01:06:22,069 --> 01:06:20,480
in the face they were they were like

1823

01:06:23,510 --> 01:06:22,079
looking above her like you know like she

1824

01:06:27,270 --> 01:06:23,520
wasn't even there

1825

01:06:30,470 --> 01:06:27,280
and uh she had a rudimentary

1826

01:06:32,309 --> 01:06:30,480

drawing of this room that she had given

1827

01:06:33,349 --> 01:06:32,319

to her therapist which happens to be a

1828

01:06:36,470 --> 01:06:33,359

lady that i know

1829

01:06:38,549 --> 01:06:36,480

here in tennessee um and it all happened

1830

01:06:41,829 --> 01:06:38,559

before my book even came out

1831

01:06:44,829 --> 01:06:41,839

and when she read the description

1832

01:06:45,990 --> 01:06:44,839

of uh when i was put through that

1833

01:06:49,109 --> 01:06:46,000

experiment

1834

01:06:50,630 --> 01:06:49,119

um and i think that's what it was

1835

01:06:52,549 --> 01:06:50,640

and it freaked her out because it was

1836

01:06:54,069 --> 01:06:52,559

almost you know verbatim of what exactly

1837

01:06:56,150 --> 01:06:54,079

had happened to her

1838

01:06:57,990 --> 01:06:56,160

and so she sent me the drawing you know

1839

01:07:00,069 --> 01:06:58,000

i'm like wow you know

1840

01:07:02,150 --> 01:07:00,079

we didn't know we didn't know each other

1841

01:07:05,029 --> 01:07:02,160

and of course one would say

1842

01:07:06,230 --> 01:07:05,039

at first my thought was uh well she just

1843

01:07:08,069 --> 01:07:06,240

read

1844

01:07:09,910 --> 01:07:08,079

but it wasn't my book maybe she drew

1845

01:07:11,190 --> 01:07:09,920

this afterward you know and then i got a

1846

01:07:14,069 --> 01:07:11,200

hold of her therapist and

1847

01:07:15,589 --> 01:07:14,079

it was verified that she had given that

1848

01:07:18,870 --> 01:07:15,599

drawing to her

1849

01:07:20,470 --> 01:07:18,880

before my book even came out

1850

01:07:23,349 --> 01:07:20,480

you know you hadn't mentioned i've heard

1851
01:07:25,829 --> 01:07:23,359
you mentioned on other shows

1852
01:07:27,589 --> 01:07:25,839
about uh an incident that happened to

1853
01:07:31,190 --> 01:07:27,599
you and i believe it's the first time

1854
01:07:34,789 --> 01:07:31,200
when your wife was abducted gina

1855
01:07:39,109 --> 01:07:36,470
you had the three greys that were

1856
01:07:42,230 --> 01:07:39,119
standing beside your bed

1857
01:07:45,750 --> 01:07:42,240
and the wall behind them was no longer

1858
01:07:48,069 --> 01:07:45,760
solid and you could see through it and

1859
01:07:49,829 --> 01:07:48,079
it that kind of that kind of grabbed my

1860
01:07:52,950 --> 01:07:49,839
attention because

1861
01:07:55,670 --> 01:07:52,960
uh one gentleman i had

1862
01:07:57,510 --> 01:07:55,680
worked with he was an abductee by the

1863
01:08:00,950 --> 01:07:57,520

name of david eckhart

1864

01:08:02,630 --> 01:08:00,960

uh has had the same phenomena happen to

1865

01:08:04,309 --> 01:08:02,640

him

1866

01:08:05,829 --> 01:08:04,319

where he can look well that's what i was

1867

01:08:07,190 --> 01:08:05,839

uh

1868

01:08:08,789 --> 01:08:07,200

yeah well that's what i was talking

1869

01:08:09,270 --> 01:08:08,799

about earlier the dimensional portal i

1870

01:08:12,950 --> 01:08:09,280

mean

1871

01:08:15,750 --> 01:08:12,960

that was it uh you know we we

1872

01:08:17,590 --> 01:08:15,760

my interest in the paranormal um one of

1873

01:08:20,709 --> 01:08:17,600

the things that happens

1874

01:08:22,229 --> 01:08:20,719

is because of this in my opinion uh what

1875

01:08:25,510 --> 01:08:22,239

happens to us when we're taken through

1876

01:08:28,229 --> 01:08:25,520

these portals it changes our

1877

01:08:29,910 --> 01:08:28,239

vibrational rate you know our g our

1878

01:08:32,789 --> 01:08:29,920

image whatever you want to call it

1879

01:08:34,149 --> 01:08:32,799

um and we start i think we started

1880

01:08:36,229 --> 01:08:34,159

vibrating at a faster

1881

01:08:38,149 --> 01:08:36,239

rate a little closer to what the spirit

1882

01:08:41,829 --> 01:08:38,159

world was vibrating at

1883

01:08:45,030 --> 01:08:41,839

and because of that we sort of become

1884

01:08:47,189 --> 01:08:45,040

a beacon to the spirit world and many

1885

01:08:49,829 --> 01:08:47,199

many abductees

1886

01:08:50,789 --> 01:08:49,839

report having high incidence paranormal

1887

01:08:53,430 --> 01:08:50,799

activity

1888

01:08:54,709 --> 01:08:53,440

beginning after their experiences and

1889

01:08:55,189 --> 01:08:54,719

that's what happened to me and i was a

1890

01:08:56,950 --> 01:08:55,199

kid

1891

01:08:58,309 --> 01:08:56,960

i didn't i didn't remember my abductions

1892

01:09:02,070 --> 01:08:58,319

at the time

1893

01:09:02,709 --> 01:09:02,080

but um i was getting i was just haunted

1894

01:09:04,390 --> 01:09:02,719

like

1895

01:09:06,309 --> 01:09:04,400

we moved a lot wherever we moved no

1896

01:09:09,030 --> 01:09:06,319

matter wild house anything

1897

01:09:10,870 --> 01:09:09,040

uh there was always kind of stuff and i

1898

01:09:12,550 --> 01:09:10,880

talked about quite a bit in the book

1899

01:09:13,990 --> 01:09:12,560

uh some of the more major things that

1900

01:09:15,349 --> 01:09:14,000

happened and that's what got me

1901

01:09:16,789 --> 01:09:15,359

got interested in the paranormal to

1902

01:09:17,269 --> 01:09:16,799

begin with because i wanted to make it

1903

01:09:19,349 --> 01:09:17,279

stop

1904

01:09:21,430 --> 01:09:19,359

you know i lived my whole childhood like

1905

01:09:24,550 --> 01:09:21,440

scared out of my mind of this stuff

1906

01:09:25,110 --> 01:09:24,560

uh but now what's happened and what i've

1907

01:09:26,870 --> 01:09:25,120

learned is

1908

01:09:28,149 --> 01:09:26,880

a lot of us uh you know my whole thing

1909

01:09:29,829 --> 01:09:28,159

was spirit communication you know i

1910

01:09:33,430 --> 01:09:29,839

would i would hear them

1911

01:09:35,990 --> 01:09:33,440

talking to me you know and uh

1912

01:09:37,749 --> 01:09:36,000

and still do of course now uh i can

1913

01:09:38,470 --> 01:09:37,759

record it you know i can say uh someone

1914

01:09:40,630 --> 01:09:38,480

just said

1915

01:09:42,390 --> 01:09:40,640

whatever and when i'm with a group of

1916

01:09:44,470 --> 01:09:42,400

people and they might not have heard it

1917

01:09:46,149 --> 01:09:44,480

but you know i'll have my digital

1918

01:09:48,070 --> 01:09:46,159

recorder and we'll play it back and sure

1919

01:09:51,829 --> 01:09:48,080

enough there's the evp you know

1920

01:09:54,550 --> 01:09:51,839

um and and so i've i've learned

1921

01:09:55,189 --> 01:09:54,560

that many of the abductees will come

1922

01:09:57,510 --> 01:09:55,199

back with

1923

01:09:59,030 --> 01:09:57,520

some sort of enhanced psychic ability

1924

01:10:00,070 --> 01:09:59,040

and i hate the word psychic you know

1925

01:10:01,510 --> 01:10:00,080

because it has such a negative

1926

01:10:03,350 --> 01:10:01,520

connotation to it and there's so many

1927

01:10:05,910 --> 01:10:03,360

thoughts and shapes out there

1928

01:10:06,470 --> 01:10:05,920

you know but there are also the real

1929

01:10:09,830 --> 01:10:06,480

things

1930

01:10:11,510 --> 01:10:09,840

um and you know when you when you do

1931

01:10:13,270 --> 01:10:11,520

stuff long enough you start learning how

1932

01:10:16,630 --> 01:10:13,280

to discern between the two

1933

01:10:19,350 --> 01:10:16,640

but uh but i i believe that

1934

01:10:20,390 --> 01:10:19,360

is all stems from what you talked about

1935

01:10:23,510 --> 01:10:20,400

of these

1936

01:10:24,310 --> 01:10:23,520

these these dimensional portals opening

1937

01:10:26,390 --> 01:10:24,320

up

1938

01:10:27,910 --> 01:10:26,400

uh were taken through this and there's

1939

01:10:29,110 --> 01:10:27,920

something that happens to the human body

1940

01:10:32,470 --> 01:10:29,120

by going through

1941

01:10:32,870 --> 01:10:32,480

these uh these portals and i don't think

1942

01:10:35,270 --> 01:10:32,880

i can

1943

01:10:35,990 --> 01:10:35,280

that i come up with was that it seems to

1944

01:10:38,630 --> 01:10:36,000

raise

1945

01:10:39,669 --> 01:10:38,640

our vibrational rate and we match up

1946

01:10:41,669 --> 01:10:39,679

more closely

1947

01:10:42,950 --> 01:10:41,679

uh you know with the spirit world and of

1948

01:10:44,470 --> 01:10:42,960

course if you're

1949

01:10:46,310 --> 01:10:44,480

in the spirit world and i really believe

1950

01:10:47,910 --> 01:10:46,320

that most hauntings are our

1951

01:10:50,310 --> 01:10:47,920

spirit seeking help and not trying to

1952

01:10:52,630 --> 01:10:50,320

scare us

1953

01:10:53,990 --> 01:10:52,640

and uh always wanting to communicate for

1954

01:10:56,709 --> 01:10:54,000

whatever reason

1955

01:10:57,030 --> 01:10:56,719

and and and that's what happens you know

1956

01:11:00,630 --> 01:10:57,040

they

1957

01:11:02,790 --> 01:11:00,640

their side someone

1958

01:11:04,550 --> 01:11:02,800

that has the ability to either see them

1959

01:11:10,229 --> 01:11:04,560

hear them feel them

1960

01:11:13,590 --> 01:11:11,430

personally you know two or three

1961

01:11:14,950 --> 01:11:13,600

different abductees some of them are

1962

01:11:16,550 --> 01:11:14,960

full-fledged mediums

1963

01:11:18,149 --> 01:11:16,560

you know we've actually worked together

1964

01:11:21,110 --> 01:11:18,159

before and stuff so

1965

01:11:23,030 --> 01:11:21,120

uh and it has this ability and um you

1966

01:11:24,390 --> 01:11:23,040

know i resisted it for a long time i

1967

01:11:26,790 --> 01:11:24,400

didn't understand it

1968

01:11:28,310 --> 01:11:26,800

but once i did i decided like wow this

1969

01:11:29,750 --> 01:11:28,320

is something positive if i can

1970

01:11:31,430 --> 01:11:29,760

pull from a lot you know what what i

1971

01:11:32,950 --> 01:11:31,440

consider negative experiences

1972

01:11:34,470 --> 01:11:32,960

and it's a coping mechanism if there's

1973

01:11:37,030 --> 01:11:34,480

anybody out there listening that

1974

01:11:37,750 --> 01:11:37,040

that has had these abductions and has

1975

01:11:39,669 --> 01:11:37,760

affected you

1976

01:11:41,189 --> 01:11:39,679

psychologically that's one of the things

1977

01:11:43,110 --> 01:11:41,199

you you have to do

1978

01:11:44,390 --> 01:11:43,120

is the first thing is to talk to

1979

01:11:45,669 --> 01:11:44,400

somebody there's always somebody that

1980

01:11:48,709 --> 01:11:45,679

will listen

1981

01:11:52,790 --> 01:11:48,719

and get it off your chest and secondly

1982

01:11:54,950 --> 01:11:52,800

if you have came back with any sort of

1983

01:11:56,390 --> 01:11:54,960

enhanced psychic awareness is the way i

1984

01:11:59,590 --> 01:11:56,400

like to phrase it

1985

01:12:01,510 --> 01:11:59,600

use it um you know it's it's something

1986

01:12:04,790 --> 01:12:01,520

that you can turn into a positive

1987

01:12:07,750 --> 01:12:04,800

uh i use mine to help people you know

1988

01:12:09,350 --> 01:12:07,760

both sides the living and those of the

1989

01:12:10,229 --> 01:12:09,360

uh you know i don't even like to use the

1990

01:12:11,830 --> 01:12:10,239

word dead i don't

1991

01:12:13,350 --> 01:12:11,840

i don't even believe in that it's simply

1992

01:12:15,910 --> 01:12:13,360

a transition and

1993

01:12:17,350 --> 01:12:15,920

and uh and i when i started doing that i

1994

01:12:17,669 --> 01:12:17,360

was like wow this is something you know

1995

01:12:21,189 --> 01:12:17,679

this

1996

01:12:23,189 --> 01:12:21,199

if i had not had these experiences

1997

01:12:24,950 --> 01:12:23,199

uh so it's something that it's a

1998

01:12:27,030 --> 01:12:24,960

positive that i pull from it

1999

01:12:29,590 --> 01:12:27,040

um and there's there's lots of stuff

2000

01:12:31,990 --> 01:12:29,600

like that you can empower yourself here

2001

01:12:32,870 --> 01:12:32,000

and it really helps you to cope with

2002

01:12:34,470 --> 01:12:32,880

what uh

2003

01:12:36,149 --> 01:12:34,480

because you have no power there

2004

01:12:37,189 --> 01:12:36,159

whatsoever i mean you're basically a

2005

01:12:39,110 --> 01:12:37,199

human guinea pig

2006

01:12:40,709 --> 01:12:39,120

and uh and it really affects you

2007

01:12:41,910 --> 01:12:40,719

psychologically and your self-worth and

2008

01:12:43,830 --> 01:12:41,920

everything because of that

2009

01:12:45,750 --> 01:12:43,840

but you can turn it around you know i've

2010

01:12:49,030 --> 01:12:45,760

done it i'm nothing special you know

2011

01:12:49,669 --> 01:12:49,040

i i it's just uh you become very strong

2012

01:12:51,510 --> 01:12:49,679

from it

2013

01:12:53,350 --> 01:12:51,520

but if you if you pull the positives

2014

01:12:56,390 --> 01:12:53,360

from these experiences

2015

01:12:58,790 --> 01:12:56,400

like that um and use it

2016

01:12:59,510 --> 01:12:58,800

um then you win you know i mean it's

2017

01:13:01,430 --> 01:12:59,520

that simple

2018

01:13:02,709 --> 01:13:01,440

and it helps everybody and so i

2019

01:13:03,430 --> 01:13:02,719

encourage anybody that's had these

2020

01:13:07,110 --> 01:13:03,440

experiences

2021

01:13:09,910 --> 01:13:07,120

to to do that yeah i agree with you

2022

01:13:11,430 --> 01:13:09,920

and i i do believe there is a connection

2023

01:13:13,830 --> 01:13:11,440

as far as

2024

01:13:15,189 --> 01:13:13,840

spiritual activity uh paranormal

2025

01:13:18,310 --> 01:13:15,199

activity

2026

01:13:19,910 --> 01:13:18,320

uh and you're right there there are a

2027

01:13:22,550 --> 01:13:19,920

lot of people that have ex

2028

01:13:25,189 --> 01:13:22,560

that say or have said that they are

2029

01:13:28,390 --> 01:13:25,199

experiencers or abductees

2030

01:13:32,149 --> 01:13:28,400

who are intuitives are

2031

01:13:34,229 --> 01:13:32,159

have some type of uh some type of

2032

01:13:35,189 --> 01:13:34,239

ability to be able to clairvoyance

2033

01:13:38,229 --> 01:13:35,199

basically

2034

01:13:41,669 --> 01:13:38,239

uh that you know they're able to use and

2035

01:13:45,990 --> 01:13:41,679

uh yeah i agree with you in that 100

2036

01:13:48,310 --> 01:13:46,000

um now talking about alien beings

2037

01:13:51,990 --> 01:13:48,320

have you ever had contact with any other

2038

01:13:59,030 --> 01:13:55,350

um recently i did

2039

01:14:02,390 --> 01:13:59,040

uh it was a i i've actually

2040

01:14:05,590 --> 01:14:02,400

uh witnessed other humans

2041

01:14:06,870 --> 01:14:05,600

working along with the greys uh in in a

2042

01:14:10,550 --> 01:14:06,880

location that

2043

01:14:11,270 --> 01:14:10,560

i don't believe was uh any kind of craft

2044

01:14:14,310 --> 01:14:11,280

i believe it was

2045

01:14:17,590 --> 01:14:14,320

it was some somewhere here on earth um

2046

01:14:20,790 --> 01:14:17,600

and but i've encountered um

2047

01:14:22,550 --> 01:14:20,800

also human clones

2048

01:14:24,950 --> 01:14:22,560

i mean men that seem to be working for

2049

01:14:28,390 --> 01:14:24,960

the graves it looked exactly alike

2050

01:14:29,510 --> 01:14:28,400

yeah yeah which was which is to me very

2051

01:14:32,709 --> 01:14:29,520

alarming

2052

01:14:33,669 --> 01:14:32,719

um and as is you know i mean it's

2053

01:14:37,189 --> 01:14:33,679

obvious that there's

2054

01:14:37,910 --> 01:14:37,199

a certain faction within the government

2055

01:14:40,310 --> 01:14:37,920

you know some

2056

01:14:41,350 --> 01:14:40,320

black ops stuff that working alongside

2057

01:14:44,390 --> 01:14:41,360

with these guys

2058

01:14:45,510 --> 01:14:44,400

i mean there's this and you know we

2059

01:14:47,510 --> 01:14:45,520

talked about earlier that the

2060

01:14:48,950 --> 01:14:47,520

technology tradeoff and and all that i

2061

01:14:52,070 --> 01:14:48,960

mean either

2062

01:14:55,430 --> 01:14:52,080

either mankind got

2063

01:14:58,070 --> 01:14:55,440

way up on the uh intellectual iq

2064

01:14:59,189 --> 01:14:58,080

you know the the the quotient went way

2065

01:15:02,149 --> 01:14:59,199

up uh

2066

01:15:03,110 --> 01:15:02,159

you know 75 85 years ago um because we

2067

01:15:05,910 --> 01:15:03,120

were just sort of

2068

01:15:07,030 --> 01:15:05,920

planes and uh you know cars going 40

2069

01:15:08,790 --> 01:15:07,040

miles an hour

2070

01:15:10,310 --> 01:15:08,800

and all of a sudden if you look at the

2071

01:15:11,110 --> 01:15:10,320

whole existence of how long we've been

2072

01:15:14,790 --> 01:15:11,120

here

2073

01:15:17,830 --> 01:15:14,800

um how long it took us to get to that

2074

01:15:18,630 --> 01:15:17,840

point um thousands of years to get to

2075

01:15:21,750 --> 01:15:18,640

that point and

2076

01:15:22,550 --> 01:15:21,760

then in just less than 100 years we're

2077

01:15:26,070 --> 01:15:22,560

now

2078

01:15:29,510 --> 01:15:26,080

technology all these

2079

01:15:30,870 --> 01:15:29,520

stuff just moving super rapidly

2080

01:15:32,470 --> 01:15:30,880

if you just look at it in the whole

2081

01:15:33,350 --> 01:15:32,480

timeline of you know how long we've been

2082

01:15:35,430 --> 01:15:33,360

around

2083

01:15:37,189 --> 01:15:35,440

uh so either we got really really

2084

01:15:40,390 --> 01:15:37,199

intelligent all of a sudden

2085

01:15:40,870 --> 01:15:40,400

do this stuff or we had help and you

2086

01:15:42,950 --> 01:15:40,880

know

2087

01:15:45,669 --> 01:15:42,960

i tend to think we had help and so yeah

2088

01:15:49,270 --> 01:15:46,950

yeah i think there was a trade off

2089

01:15:50,790 --> 01:15:49,280

somewhere down the line uh

2090

01:15:52,630 --> 01:15:50,800

yeah whether it was the eisenhower thing

2091

01:15:54,550 --> 01:15:52,640

you know that's that's yeah you know

2092

01:15:56,229 --> 01:15:54,560

that's a big one who knows i don't know

2093

01:15:57,430 --> 01:15:56,239

you know it's like i don't think anybody

2094

01:16:00,149 --> 01:15:57,440

really knows but i

2095

01:16:00,790 --> 01:16:00,159

i do know that uh i've seen other humans

2096

01:16:04,149 --> 01:16:00,800

um

2097

01:16:06,310 --> 01:16:04,159

working uh alongside uh with the greys

2098

01:16:07,270 --> 01:16:06,320

but yeah the only other uh and beside

2099

01:16:10,310 --> 01:16:07,280

the clones

2100

01:16:13,510 --> 01:16:10,320

uh i i did have a an encounter

2101

01:16:16,550 --> 01:16:13,520

uh with what to me

2102

01:16:18,709 --> 01:16:16,560

uh was was very frightening i tried my

2103

01:16:20,070 --> 01:16:18,719

best to uh one of the things i i pulled

2104

01:16:22,229 --> 01:16:20,080

from all these experiences

2105

01:16:23,270 --> 01:16:22,239

and and even a lot of my paranormal work

2106

01:16:25,910 --> 01:16:23,280

is to

2107

01:16:27,110 --> 01:16:25,920

have a life of no fear uh you know

2108

01:16:28,470 --> 01:16:27,120

because i figured like

2109

01:16:30,390 --> 01:16:28,480

i don't know things happened to me what

2110

01:16:33,669 --> 01:16:30,400

do i have to be afraid of you know

2111

01:16:36,310 --> 01:16:33,679

and but this one um

2112

01:16:37,189 --> 01:16:36,320

really shook me up um i mean really

2113

01:16:42,790 --> 01:16:37,199

shook me up

2114

01:16:47,510 --> 01:16:45,830

some sort of a hybrid uh that looks uh

2115

01:16:48,870 --> 01:16:47,520

it really looked like a combination of a

2116

01:16:52,390 --> 01:16:48,880

human a gray

2117

01:16:52,790 --> 01:16:52,400

and reptilian um and you know i know

2118

01:16:56,070 --> 01:16:52,800

there's

2119

01:16:58,229 --> 01:16:56,080

uh i've never seen an actual reptilian

2120

01:17:00,470 --> 01:16:58,239

um i've talked to others who've seen

2121

01:17:02,790 --> 01:17:00,480

gray's engine reptilians together

2122

01:17:04,310 --> 01:17:02,800

uh and and sometimes with the reptilians

2123

01:17:05,590 --> 01:17:04,320

it seems like people have a

2124

01:17:07,030 --> 01:17:05,600

harder time even wrapping their head

2125

01:17:09,510 --> 01:17:07,040

around that you know because you're

2126

01:17:12,870 --> 01:17:09,520

talking some kind of uh

2127

01:17:15,669 --> 01:17:12,880

reptile looking creature you know um

2128

01:17:15,990 --> 01:17:15,679

but there's you know a lot of evidence

2129

01:17:18,790 --> 01:17:16,000

with that

2130

01:17:20,390 --> 01:17:18,800

you know in fact i'm not so sure that

2131

01:17:24,149 --> 01:17:20,400

they're even extraterrestrial

2132

01:17:26,709 --> 01:17:24,159

they might have been here all along um

2133

01:17:27,830 --> 01:17:26,719

you may be right about that uh there has

2134

01:17:31,669 --> 01:17:27,840

there is

2135

01:17:34,470 --> 01:17:31,679

well may be true

2136

01:17:36,310 --> 01:17:34,480

now that's a thought well yeah i mean

2137

01:17:37,669 --> 01:17:36,320

you know i just go back to some of the

2138

01:17:40,070 --> 01:17:37,679

things i heard

2139

01:17:41,270 --> 01:17:40,080

from other experiencers in particular

2140

01:17:42,790 --> 01:17:41,280

david where

2141

01:17:44,310 --> 01:17:42,800

he has been taking the underground

2142

01:17:47,189 --> 01:17:44,320

underwater facilities

2143

01:17:48,229 --> 01:17:47,199

and where there be humans working along

2144

01:17:52,709 --> 01:17:48,239

with

2145

01:17:55,830 --> 01:17:52,719

other species in in these undergrounds

2146

01:17:59,189 --> 01:17:55,840

uh even doing labor manual work

2147

01:18:01,669 --> 01:17:59,199

uh and there is a hierarchy i mean

2148

01:18:02,870 --> 01:18:01,679

that you know there's uh the grays like

2149

01:18:04,630 --> 01:18:02,880

you said earlier the

2150

01:18:06,550 --> 01:18:04,640

the small grain seemed to be a

2151

01:18:09,189 --> 01:18:06,560

biological type of

2152

01:18:10,229 --> 01:18:09,199

entity used strictly for work and taking

2153

01:18:13,669 --> 01:18:10,239

orders

2154

01:18:15,350 --> 01:18:13,679

uh the tall grays seem to be an actual

2155

01:18:19,590 --> 01:18:15,360

biological

2156

01:18:22,870 --> 01:18:19,600

uh flesh and blood type of creature

2157

01:18:26,149 --> 01:18:22,880

and it seems that for the most part

2158

01:18:28,229 --> 01:18:26,159

that the reptilians kind of

2159

01:18:30,390 --> 01:18:28,239

put things in order but they have they

2160

01:18:32,229 --> 01:18:30,400

got something above them as well

2161

01:18:33,750 --> 01:18:32,239

i mean you would call them insectoids or

2162

01:18:36,550 --> 01:18:33,760

whatever you want to call them

2163

01:18:37,669 --> 01:18:36,560

but there does seem to be a hierarchy

2164

01:18:39,990 --> 01:18:37,679

and uh

2165

01:18:41,830 --> 01:18:40,000

you know i was just interested if you

2166

01:18:43,270 --> 01:18:41,840

had ever you know if you had experienced

2167

01:18:45,030 --> 01:18:43,280

any of that at all

2168

01:18:47,510 --> 01:18:45,040

though yeah there have been people that

2169

01:18:50,709 --> 01:18:47,520

have experienced it

2170

01:18:54,149 --> 01:18:50,719

yeah yeah uh i have had experience

2171

01:18:55,030 --> 01:18:54,159

uh also uh in on was an underwater

2172

01:18:58,470 --> 01:18:55,040

facility

2173

01:19:01,669 --> 01:18:58,480

um and i remember like being put in

2174

01:19:02,550 --> 01:19:01,679

a tube like it was some kind of a small

2175

01:19:06,149 --> 01:19:02,560

little

2176
01:19:07,510 --> 01:19:06,159
craft uh and they there was me and three

2177
01:19:10,310 --> 01:19:07,520
other people

2178
01:19:12,390 --> 01:19:10,320
humans and there was these little

2179
01:19:15,590 --> 01:19:12,400
cylinder tube things

2180
01:19:17,590 --> 01:19:15,600
that they actually locked us in which

2181
01:19:20,870 --> 01:19:17,600
got me very claustrophobic

2182
01:19:24,070 --> 01:19:20,880
and i could actually see

2183
01:19:26,870 --> 01:19:24,080
out the top of it as the

2184
01:19:28,229 --> 01:19:26,880
as the uh the craft went under water and

2185
01:19:30,630 --> 01:19:28,239
i could see all this water like

2186
01:19:31,350 --> 01:19:30,640
rushing really fast you know and it

2187
01:19:34,470 --> 01:19:31,360
really uh

2188
01:19:38,310 --> 01:19:34,480

it really freaked me out um and

2189

01:19:41,189 --> 01:19:38,320

ended up in an underwater facility uh

2190

01:19:41,750 --> 01:19:41,199

a dome-shaped uh part of it you could

2191

01:19:44,790 --> 01:19:41,760

actually

2192

01:19:47,750 --> 01:19:44,800

look out you know into into the sea

2193

01:19:50,229 --> 01:19:47,760

um on the floor of the ocean yeah yeah

2194

01:19:53,270 --> 01:19:50,239

that's what's been described to me

2195

01:19:56,470 --> 01:19:53,280

um they had these

2196

01:19:57,430 --> 01:19:56,480

these um these underground facilities

2197

01:20:00,070 --> 01:19:57,440

that like you said

2198

01:20:02,070 --> 01:20:00,080

seem to be domed where you can see out

2199

01:20:04,550 --> 01:20:02,080

of it and uh

2200

01:20:05,350 --> 01:20:04,560

they're more like cities the ones under

2201

01:20:09,750 --> 01:20:05,360

water

2202

01:20:12,390 --> 01:20:09,760

they're more like cities and yeah yeah

2203

01:20:13,110 --> 01:20:12,400

yeah it's pretty interesting i mean and

2204

01:20:15,830 --> 01:20:13,120

actually

2205

01:20:17,590 --> 01:20:15,840

a lot of what you're telling me is a lot

2206

01:20:20,149 --> 01:20:17,600

of what i've been hearing from

2207

01:20:21,830 --> 01:20:20,159

one person in particular though i have

2208

01:20:25,030 --> 01:20:21,840

heard other things from other

2209

01:20:27,990 --> 01:20:25,040

experiences but uh

2210

01:20:29,030 --> 01:20:28,000

yeah the thing with the uh the portal in

2211

01:20:32,070 --> 01:20:29,040

the bedroom

2212

01:20:36,070 --> 01:20:32,080

seeing into a facility is

2213

01:20:38,470 --> 01:20:36,080

wow yeah well what happened on that

2214

01:20:39,750 --> 01:20:38,480

is and part of what uh reason i got into

2215

01:20:42,470 --> 01:20:39,760

the talking about a little bit about the

2216

01:20:44,709 --> 01:20:42,480

turmoil is because a lot of times

2217

01:20:46,390 --> 01:20:44,719

uh you know in the quiet of the night is

2218

01:20:48,229 --> 01:20:46,400

when i will be visited

2219

01:20:49,350 --> 01:20:48,239

uh which of course if you're scared of

2220

01:20:51,590 --> 01:20:49,360

this perfect time to try to get

2221

01:20:55,270 --> 01:20:51,600

somebody's attention

2222

01:20:57,830 --> 01:20:55,280

and and i

2223

01:20:59,030 --> 01:20:57,840

was awakened by this tapping on the side

2224

01:21:00,470 --> 01:20:59,040

of my bed that's what

2225

01:21:02,390 --> 01:21:00,480

you're talking about and i just heard a

2226

01:21:04,149 --> 01:21:02,400

lot of that kind of sound

2227

01:21:07,189 --> 01:21:04,159

uh i wrote about this in the book and

2228

01:21:09,270 --> 01:21:07,199

and uh i didn't immediately open my eyes

2229

01:21:10,550 --> 01:21:09,280

because uh and i'm sure you guys are

2230

01:21:12,149 --> 01:21:10,560

aware of this but a lot of times you

2231

01:21:15,189 --> 01:21:12,159

know you can actually

2232

01:21:17,990 --> 01:21:15,199

scare a ghost away you know

2233

01:21:19,350 --> 01:21:18,000

i mean seriously so uh if you're

2234

01:21:23,510 --> 01:21:19,360

reacting the wrong way

2235

01:21:27,270 --> 01:21:23,520

you know uh and and so i was like i

2236

01:21:27,990 --> 01:21:27,280

my first thought was uh it was a spirit

2237

01:21:29,510 --> 01:21:28,000

you know uh

2238

01:21:31,030 --> 01:21:29,520

somebody needed help because that's

2239

01:21:34,149 --> 01:21:31,040

usually why they're coming for

2240

01:21:35,110 --> 01:21:34,159

in my case and uh so i didn't open my

2241

01:21:37,430 --> 01:21:35,120

eyes i

2242

01:21:38,550 --> 01:21:37,440

it hooked me up uh i almost had a sleep

2243

01:21:40,550 --> 01:21:38,560

disorder as it is

2244

01:21:42,229 --> 01:21:40,560

uh you know i'm a very very likely for

2245

01:21:42,950 --> 01:21:42,239

all i'm sure stemming from my

2246

01:21:45,990 --> 01:21:42,960

experiences

2247

01:21:49,350 --> 01:21:46,000

and um and i'm on edge a lot

2248

01:21:51,350 --> 01:21:49,360

uh during you know a lot of

2249

01:21:52,950 --> 01:21:51,360

it's not like normal life for people to

2250

01:21:53,270 --> 01:21:52,960

just go to bed and don't think about you

2251

01:21:55,830 --> 01:21:53,280

know

2252

01:21:57,750 --> 01:21:55,840

when the dusty goes to bed you always in

2253

01:22:00,149 --> 01:21:57,760

the back of your mind

2254

01:22:02,149 --> 01:22:00,159

you know tonight the night you know

2255

01:22:05,189 --> 01:22:02,159

imagine

2256

01:22:06,870 --> 01:22:05,199

um you know that type of thing and

2257

01:22:09,430 --> 01:22:06,880

and uh i mean i haven't had an

2258

01:22:10,950 --> 01:22:09,440

experience that i remember in a year now

2259

01:22:13,189 --> 01:22:10,960

you know which is a very long time for

2260

01:22:15,270 --> 01:22:13,199

me and it's been i i i'm

2261

01:22:16,550 --> 01:22:15,280

it's peaceful i was just going to ask

2262

01:22:19,910 --> 01:22:16,560

you when your

2263

01:22:22,070 --> 01:22:19,920

last encounter was

2264

01:22:23,590 --> 01:22:22,080

yeah it's been it's been about that you

2265

01:22:24,870 --> 01:22:23,600

know but what happened is i hear this

2266

01:22:27,189 --> 01:22:24,880

rat attack sound and

2267

01:22:29,270 --> 01:22:27,199

my first thought was uh you know spirit

2268

01:22:31,030 --> 01:22:29,280

and so i just didn't want to like

2269

01:22:32,790 --> 01:22:31,040

i actually sincerely wanted to help but

2270

01:22:35,110 --> 01:22:32,800

uh i reached this point where i

2271

01:22:36,550 --> 01:22:35,120

i mean i talk to him all you know all

2272

01:22:40,550 --> 01:22:36,560

the time it's not something i'm

2273

01:22:42,950 --> 01:22:40,560

afraid of and uh i hear it again

2274

01:22:44,709 --> 01:22:42,960

and i decided just to open my eyes and

2275

01:22:47,189 --> 01:22:44,719

not move

2276

01:22:48,629 --> 01:22:47,199

may or may not see full body apparition

2277

01:22:50,310 --> 01:22:48,639

uh sometimes i have

2278

01:22:52,550 --> 01:22:50,320

other times you know they don't have the

2279

01:22:54,870 --> 01:22:52,560

energy to do that and

2280

01:22:55,990 --> 01:22:54,880

i'll just try to speak to them if i can

2281

01:23:00,470 --> 01:22:56,000

hear them

2282

01:23:02,550 --> 01:23:00,480

and uh instead i'm laying on my side

2283

01:23:04,149 --> 01:23:02,560

toward toward the edge of the bed where

2284

01:23:07,669 --> 01:23:04,159

the tapping is coming from

2285

01:23:08,149 --> 01:23:07,679

when i open my eyes i see this oval

2286

01:23:10,709 --> 01:23:08,159

shape

2287

01:23:12,310 --> 01:23:10,719

oh i see three grays standing right on

2288

01:23:13,510 --> 01:23:12,320

the edge of my bed which

2289

01:23:15,350 --> 01:23:13,520

obviously were the ones making the

2290

01:23:19,189 --> 01:23:15,360

tapping noise uh

2291

01:23:20,470 --> 01:23:19,199

and i see my whole bedroom wall which i

2292

01:23:23,430 --> 01:23:20,480

was facing

2293

01:23:24,229 --> 01:23:23,440

was gone and in this place was this oval

2294

01:23:28,390 --> 01:23:24,239

shape

2295

01:23:31,990 --> 01:23:30,550

watery kind of texture you know like

2296

01:23:35,030 --> 01:23:32,000

like in a mirage but it was

2297

01:23:35,830 --> 01:23:35,040

upright and but it was clear enough you

2298

01:23:39,510 --> 01:23:35,840

could still see

2299

01:23:42,709 --> 01:23:39,520

foot um and there was this white

2300

01:23:47,189 --> 01:23:42,719

kind of uh misty stuff

2301

01:23:50,550 --> 01:23:47,199

around it uh maybe 18 inches

2302

01:23:53,669 --> 01:23:50,560

all the way around it and i could see

2303

01:23:56,709 --> 01:23:53,679

another gray in that i could see into

2304

01:23:58,310 --> 01:23:56,719

into the craft and um they have a

2305

01:23:59,990 --> 01:23:58,320

what i call like sort of a receiving

2306

01:24:01,990 --> 01:24:00,000

room like when they first take

2307

01:24:03,430 --> 01:24:02,000

it's not very big and it's sort of this

2308

01:24:05,590 --> 01:24:03,440

initial

2309

01:24:06,629 --> 01:24:05,600

place they look you over before they do

2310

01:24:07,990 --> 01:24:06,639

whatever they're gonna do for that

2311

01:24:11,590 --> 01:24:08,000

particular time

2312

01:24:15,510 --> 01:24:11,600

and um but it was waiting

2313

01:24:18,070 --> 01:24:15,520

and my first thought was uh gina

2314

01:24:18,790 --> 01:24:18,080

and i i was didn't want you know like i

2315

01:24:23,110 --> 01:24:18,800

said earlier

2316

01:24:26,470 --> 01:24:23,120

you don't want anybody else taken and um

2317

01:24:29,030 --> 01:24:26,480

and so i i tried to uh

2318

01:24:30,629 --> 01:24:29,040

speak to them like you know basically i

2319

01:24:31,510 --> 01:24:30,639

tried to wake her up and i was trying to

2320

01:24:33,830 --> 01:24:31,520

you know like

2321

01:24:35,510 --> 01:24:33,840

i don't know what what i thought at the

2322

01:24:35,990 --> 01:24:35,520

time that she was going to be able to do

2323

01:24:37,910 --> 01:24:36,000

but

2324

01:24:39,110 --> 01:24:37,920

you know it's just your first thing is

2325

01:24:41,430 --> 01:24:39,120

like

2326

01:24:43,189 --> 01:24:41,440

just to react and naturally try to get

2327

01:24:46,310 --> 01:24:43,199

away you know

2328

01:24:49,270 --> 01:24:46,320

and i couldn't speak and i was so

2329

01:24:52,550 --> 01:24:49,280

frustrated like i was trying to

2330

01:24:57,270 --> 01:24:52,560

to scream to wake her up and i couldn't

2331

01:24:58,950 --> 01:24:57,280

and then i i was started

2332

01:25:00,629 --> 01:24:58,960

in my mind like you know begging them

2333

01:25:04,310 --> 01:25:00,639

not to take her

2334

01:25:08,390 --> 01:25:04,320

and uh i started to scream the word

2335

01:25:11,910 --> 01:25:08,400

no meaning you know no don't take her

2336

01:25:13,189 --> 01:25:11,920

and as i was starting to in my mind

2337

01:25:16,229 --> 01:25:13,199

trying to scream it

2338

01:25:18,790 --> 01:25:16,239

in that instant i was on the ship

2339

01:25:19,990 --> 01:25:18,800

and the word came out the rest of the

2340

01:25:24,149 --> 01:25:20,000

world

2341

01:25:27,350 --> 01:25:24,159

of a one-syllable word and

2342

01:25:30,229 --> 01:25:27,360

that was it you know and that was but

2343

01:25:32,310 --> 01:25:30,239

uh i think they knew that looking back

2344

01:25:33,110 --> 01:25:32,320

on them now i think they did me a favor

2345

01:25:36,229 --> 01:25:33,120

because

2346

01:25:37,669 --> 01:25:36,239

um i had sort of expressed that uh i

2347

01:25:40,629 --> 01:25:37,679

think they knew

2348

01:25:41,750 --> 01:25:40,639

that it bothered me that i i never knew

2349

01:25:45,189 --> 01:25:41,760

how they were doing it

2350

01:25:45,669 --> 01:25:45,199

like all these years and um and so i

2351

01:25:47,750 --> 01:25:45,679

think they

2352

01:25:50,070 --> 01:25:47,760

like oh we'll wake him up we'll show

2353

01:25:51,750 --> 01:25:50,080

them and that's exactly what they did

2354

01:25:53,510 --> 01:25:51,760

so in a way i guess they did me a favor

2355

01:25:54,629 --> 01:25:53,520

you know but because they always fought

2356

01:25:57,510 --> 01:25:54,639

the other reedy's account

2357

01:25:58,950 --> 01:25:57,520

you know and and i i know there's times

2358

01:26:00,870 --> 01:25:58,960

i would see him

2359

01:26:02,149 --> 01:26:00,880

then i would black out just like the

2360

01:26:02,629 --> 01:26:02,159

very first time that it happened you

2361

01:26:03,990 --> 01:26:02,639

know but

2362

01:26:05,910 --> 01:26:04,000

when i saw it on the other side of the

2363

01:26:07,750 --> 01:26:05,920

window i i

2364

01:26:09,590 --> 01:26:07,760

after the shock of like blacked out the

2365

01:26:11,430 --> 01:26:09,600

next thing i know like i'm on the crap

2366

01:26:13,270 --> 01:26:11,440

you know surrounded by these things and

2367

01:26:13,910 --> 01:26:13,280

screaming like crazy as a little kid you

2368

01:26:15,990 --> 01:26:13,920

know

2369

01:26:17,030 --> 01:26:16,000

and uh but i would read the stuff i

2370

01:26:18,950 --> 01:26:17,040

talked about like where

2371

01:26:21,110 --> 01:26:18,960

people said oh i was floated out you

2372

01:26:24,950 --> 01:26:21,120

know through the window through the look

2373

01:26:25,750 --> 01:26:24,960

whatever and it just bothered me like

2374

01:26:27,430 --> 01:26:25,760

wow all these

2375

01:26:30,310 --> 01:26:27,440

all these times that i've been taking

2376

01:26:32,550 --> 01:26:30,320

and i i don't know how they i don't know

2377

01:26:34,870 --> 01:26:32,560

how they get from point a to point b and

2378

01:26:36,550 --> 01:26:34,880

so because that was only a few years ago

2379

01:26:40,310 --> 01:26:36,560

so uh

2380

01:26:43,830 --> 01:26:40,320

and then once once that happened

2381

01:26:46,470 --> 01:26:43,840

then it just it was uh like wow this is

2382

01:26:48,149 --> 01:26:46,480

this explains they're doing this

2383

01:26:50,470 --> 01:26:48,159

dimensional portals

2384

01:26:51,430 --> 01:26:50,480

this explains the whole paranormal

2385

01:26:54,470 --> 01:26:51,440

connection

2386

01:26:56,629 --> 01:26:54,480

as to why so many of us you know uh are

2387

01:26:57,510 --> 01:26:56,639

attracted are such an attractant to the

2388

01:26:59,669 --> 01:26:57,520

spirit world

2389

01:27:01,270 --> 01:26:59,679

and why we've had these uh certain

2390

01:27:04,629 --> 01:27:01,280

psychic abilities

2391

01:27:05,669 --> 01:27:04,639

uh and mine and funny enough and not

2392

01:27:08,950 --> 01:27:05,679

only just me but

2393

01:27:11,910 --> 01:27:08,960

uh there's a lot of us that these uh

2394

01:27:13,430 --> 01:27:11,920

this psychic awareness seems to be uh

2395

01:27:14,229 --> 01:27:13,440

amplifying now that seems to be

2396

01:27:15,990 --> 01:27:14,239

increasing

2397

01:27:18,149 --> 01:27:16,000

i've been having more and more things

2398

01:27:19,590 --> 01:27:18,159

like uh and i'm not even trying you know

2399

01:27:20,709 --> 01:27:19,600

like we were walking to walmart the

2400

01:27:23,430 --> 01:27:20,719

other day and i looked at gene and i

2401
01:27:25,270 --> 01:27:23,440
said 176 that have popped in my head

2402
01:27:26,629 --> 01:27:25,280
because what's that i said that's what

2403
01:27:29,830 --> 01:27:26,639
our bill's going to be

2404
01:27:31,350 --> 01:27:29,840
and we went through it was 176.13 and i

2405
01:27:32,870 --> 01:27:31,360
wasn't even like you know

2406
01:27:34,390 --> 01:27:32,880
like even taking it that serious you

2407
01:27:36,950 --> 01:27:34,400
know but uh

2408
01:27:38,310 --> 01:27:36,960
and the other days these two little 11

2409
01:27:41,270 --> 01:27:38,320
year old girls were at a table

2410
01:27:42,709 --> 01:27:41,280
they were talking to one system about my

2411
01:27:45,990 --> 01:27:42,719
mama didn't make me breakfast

2412
01:27:47,430 --> 01:27:46,000
and and i says for some reason this

2413
01:27:49,189 --> 01:27:47,440

pops in my head and i said well how are

2414

01:27:51,350 --> 01:27:49,199

your lucky charms and she goes how did

2415

01:27:53,910 --> 01:27:51,360

you know i had lucky charms

2416

01:27:55,510 --> 01:27:53,920

and and the other girl goes i had lucky

2417

01:27:57,350 --> 01:27:55,520

charms too

2418

01:27:58,790 --> 01:27:57,360

you know so there's been a lot of freaky

2419

01:28:00,870 --> 01:27:58,800

stuff like that starting to happen

2420

01:28:02,390 --> 01:28:00,880

like this sort of premonition type thing

2421

01:28:04,310 --> 01:28:02,400

you know

2422

01:28:06,310 --> 01:28:04,320

and i'm just sort of embracing it you

2423

01:28:08,629 --> 01:28:06,320

know like well you know

2424

01:28:10,229 --> 01:28:08,639

but i've talked to others i don't know

2425

01:28:13,590 --> 01:28:10,239

why but it does seem to be

2426

01:28:15,430 --> 01:28:13,600

sort of increasing with a lot of us

2427

01:28:17,110 --> 01:28:15,440

well well i've heard the same thing as

2428

01:28:19,030 --> 01:28:17,120

well

2429

01:28:23,189 --> 01:28:19,040

how did you how did your wife handle

2430

01:28:26,950 --> 01:28:26,229

well she really has no memory of

2431

01:28:30,229 --> 01:28:26,960

anything

2432

01:28:32,149 --> 01:28:30,239

um there you know she i mean

2433

01:28:33,590 --> 01:28:32,159

well i can't say that for sure because

2434

01:28:37,189 --> 01:28:33,600

she she has had

2435

01:28:40,950 --> 01:28:37,199

a couple memories of uh babies

2436

01:28:44,229 --> 01:28:40,960

which has really bothered her um and

2437

01:28:45,189 --> 01:28:44,239

you know so she's she thinks there's

2438

01:28:48,310 --> 01:28:45,199

probably a connection

2439

01:28:49,510 --> 01:28:48,320

with that uh we had an incident where we

2440

01:28:52,870 --> 01:28:49,520

were both uh

2441

01:28:57,030 --> 01:28:52,880

one night taken um and

2442

01:29:00,390 --> 01:28:57,040

you know i did all the stuff like

2443

01:29:01,910 --> 01:29:00,400

cameras in the room and of course

2444

01:29:05,110 --> 01:29:01,920

you know they're going to shut them off

2445

01:29:07,030 --> 01:29:05,120

but i did leave a recorder one night

2446

01:29:08,709 --> 01:29:07,040

and this you guys might find this

2447

01:29:11,189 --> 01:29:08,719

interesting um

2448

01:29:12,629 --> 01:29:11,199

because we had an incident where uh we

2449

01:29:15,750 --> 01:29:12,639

woke up

2450

01:29:18,709 --> 01:29:15,760

i got up in the morning and i had

2451

01:29:22,070 --> 01:29:18,719

a gash i mean not just a scratch but i

2452

01:29:25,350 --> 01:29:22,080

mean a large gash

2453

01:29:28,950 --> 01:29:25,360

on my shin area of my leg

2454

01:29:29,590 --> 01:29:28,960

and uh gina came out of the bathroom and

2455

01:29:32,629 --> 01:29:29,600

i was like

2456

01:29:33,510 --> 01:29:32,639

whoa and she didn't notice it but she

2457

01:29:36,470 --> 01:29:33,520

had

2458

01:29:37,510 --> 01:29:36,480

almost matching uh about an inch and a

2459

01:29:40,470 --> 01:29:37,520

half

2460

01:29:41,430 --> 01:29:40,480

scratches on each side of her collarbone

2461

01:29:42,550 --> 01:29:41,440

um

2462

01:29:44,550 --> 01:29:42,560

almost like something that had her

2463

01:29:46,229 --> 01:29:44,560

around the neck you know and

2464

01:29:47,510 --> 01:29:46,239

of course some people say well with your

2465

01:29:47,990 --> 01:29:47,520

paranormal work you know you're going to

2466

01:29:51,350 --> 01:29:48,000

get

2467

01:29:51,990 --> 01:29:51,360

and that really has i've had like one

2468

01:29:54,709 --> 01:29:52,000

incident where

2469

01:29:55,189 --> 01:29:54,719

i've been scratched uh on my back you

2470

01:29:59,030 --> 01:29:55,199

know from

2471

01:30:02,390 --> 01:29:59,040

something like that but um i it for us

2472

01:30:05,510 --> 01:30:02,400

won't be taking that so we set up uh

2473

01:30:06,550 --> 01:30:05,520

recorders and cameras and stuff and it

2474

01:30:09,350 --> 01:30:06,560

was uh

2475

01:30:09,750 --> 01:30:09,360

just a couple nights after that that

2476

01:30:12,390 --> 01:30:09,760

that

2477

01:30:13,830 --> 01:30:12,400

uh we were do i was checking going back

2478

01:30:16,870 --> 01:30:13,840

over the recorder

2479

01:30:22,390 --> 01:30:20,709

evps in the in the room with us you know

2480

01:30:24,629 --> 01:30:22,400

and uh

2481

01:30:27,830 --> 01:30:24,639

gina's friend had just gave her uh this

2482

01:30:29,189 --> 01:30:27,840

large crystal and as a gift and

2483

01:30:31,669 --> 01:30:29,199

we helped her out you know she wanted to

2484

01:30:34,550 --> 01:30:31,679

try to pay back some way you know

2485

01:30:35,750 --> 01:30:34,560

and uh and so she had given her this uh

2486

01:30:38,950 --> 01:30:35,760

large crystal that she

2487

01:30:41,189 --> 01:30:38,960

had on her nightstand and

2488

01:30:42,470 --> 01:30:41,199

um they were commenting about the spirit

2489

01:30:43,750 --> 01:30:42,480

we were actually getting edps of the

2490

01:30:47,110 --> 01:30:43,760

spirits commenting about

2491

01:30:49,350 --> 01:30:47,120

the crystal is that right yeah

2492

01:30:50,790 --> 01:30:49,360

and i pissed gina good night and we you

2493

01:30:51,510 --> 01:30:50,800

could you could hear us say good night

2494

01:30:54,629 --> 01:30:51,520

to each other

2495

01:30:55,750 --> 01:30:54,639

and and then a female we had catch a

2496

01:30:59,669 --> 01:30:55,760

female evp

2497

01:31:00,950 --> 01:30:59,679

says i like that um so you know we knew

2498

01:31:02,790 --> 01:31:00,960

it was kind of freaking annoying like

2499

01:31:05,590 --> 01:31:02,800

we're going to bed and all these people

2500

01:31:06,709 --> 01:31:05,600

that we can't see or watching us but

2501

01:31:10,149 --> 01:31:06,719

later in the night

2502

01:31:13,590 --> 01:31:10,159

i hear this very strange uh

2503

01:31:14,550 --> 01:31:13,600

metallic type noise which i was not able

2504

01:31:16,390 --> 01:31:14,560

to debunk

2505

01:31:18,470 --> 01:31:16,400

and you know as a paranormal researcher

2506

01:31:19,350 --> 01:31:18,480

i mean you debunk first and then go from

2507

01:31:22,790 --> 01:31:19,360

there

2508

01:31:23,669 --> 01:31:22,800

and uh could not find any rational

2509

01:31:26,709 --> 01:31:23,679

explanation

2510

01:31:29,669 --> 01:31:26,719

as to what caused that noise and right

2511

01:31:37,110 --> 01:31:34,070

there's a male spirit you caught evp and

2512

01:31:40,229 --> 01:31:37,120

this this is very strange to hear

2513

01:31:45,189 --> 01:31:40,239

from the spirit world uh but he seemed

2514

01:31:48,310 --> 01:31:45,199

upset and he says oh my god oh my god

2515

01:31:52,470 --> 01:31:48,320

and you know my old thought was like

2516

01:31:54,709 --> 01:31:52,480

well what is he seeing uh

2517

01:31:55,910 --> 01:31:54,719

that you get something to that effect

2518

01:31:57,430 --> 01:31:55,920

you know because we knew they must have

2519

01:32:01,030 --> 01:31:57,440

been observing us

2520

01:32:02,870 --> 01:32:01,040

um and so you know

2521

01:32:04,310 --> 01:32:02,880

something must have happened that night

2522

01:32:05,430 --> 01:32:04,320

um you know

2523

01:32:07,510 --> 01:32:05,440

maybe it was associated with the

2524

01:32:09,830 --> 01:32:07,520

metallic sound um

2525

01:32:11,270 --> 01:32:09,840

you know there are uh i i usually have

2526

01:32:13,669 --> 01:32:11,280

precursors of an event

2527

01:32:14,310 --> 01:32:13,679

you know a humming sound uh it's

2528

01:32:15,430 --> 01:32:14,320

something that

2529

01:32:17,510 --> 01:32:15,440

i've been trying to bring a little bit

2530

01:32:18,070 --> 01:32:17,520

more into the forefront with with other

2531

01:32:22,310 --> 01:32:18,080

uh

2532

01:32:25,669 --> 01:32:22,320

sounds

2533

01:32:26,790 --> 01:32:25,679

uh because i i'm the only one when i'm i

2534

01:32:29,510 --> 01:32:26,800

hear the slow

2535

01:32:31,030 --> 01:32:29,520

pulsating humming sound uh and it's

2536

01:32:32,709 --> 01:32:31,040

usually happens for three or four days

2537

01:32:35,750 --> 01:32:32,719

and then there'll be an event

2538

01:32:39,030 --> 01:32:35,760

um and others that i've been talking to

2539

01:32:41,270 --> 01:32:39,040

i found uh one time

2540

01:32:43,189 --> 01:32:41,280

there was a friend of mine in kentucky

2541

01:32:45,669 --> 01:32:43,199

um the experiencer

2542

01:32:47,830 --> 01:32:45,679

and another guy that's about an hour

2543

01:32:51,030 --> 01:32:47,840

south of me here in tennessee

2544

01:32:54,470 --> 01:32:51,040

and all had remembered

2545

01:32:56,870 --> 01:32:54,480

having uh an event and all

2546

01:32:57,590 --> 01:32:56,880

at both of them uh because i asked if

2547

01:32:59,189 --> 01:32:57,600

you guys heard

2548

01:33:01,110 --> 01:32:59,199

you know this this humming sound you

2549

01:33:03,830 --> 01:33:01,120

know which they both

2550

01:33:04,310 --> 01:33:03,840

the same thing happened to them uh so we

2551
01:33:06,629 --> 01:33:04,320
were

2552
01:33:08,470 --> 01:33:06,639
all separated from each other but had an

2553
01:33:09,030 --> 01:33:08,480
event the same night it seemed like

2554
01:33:11,189 --> 01:33:09,040
anyway

2555
01:33:12,790 --> 01:33:11,199
we didn't see each other but uh you know

2556
01:33:14,629 --> 01:33:12,800
with the precursor of this the summing

2557
01:33:16,229 --> 01:33:14,639
sound you know so the metallic sound

2558
01:33:18,149 --> 01:33:16,239
uh it wasn't like the the humming sound

2559
01:33:20,310 --> 01:33:18,159
that i hear but uh i don't know if it

2560
01:33:23,430 --> 01:33:20,320
had something to do with the

2561
01:33:23,990 --> 01:33:23,440
uh with with it or not you know but uh

2562
01:33:25,430 --> 01:33:24,000
so we

2563
01:33:27,270 --> 01:33:25,440

you know with gina's case you know she

2564

01:33:29,590 --> 01:33:27,280

she has had a little bit of uh

2565

01:33:30,629 --> 01:33:29,600

you know memories and stuff like that

2566

01:33:33,830 --> 01:33:30,639

about the

2567

01:33:35,750 --> 01:33:33,840

babies and a couple of very unusual

2568

01:33:37,350 --> 01:33:35,760

elusive

2569

01:33:38,870 --> 01:33:37,360

it seems to be stemming from that as

2570

01:33:40,310 --> 01:33:38,880

well

2571

01:33:42,709 --> 01:33:40,320

and that's that's pretty much it you

2572

01:33:45,430 --> 01:33:42,719

know we probably think that

2573

01:33:47,669 --> 01:33:45,440

uh if anything they've implanted her you

2574

01:33:49,910 --> 01:33:47,679

know just to monitor

2575

01:33:51,350 --> 01:33:49,920

once again you know that's one of those

2576

01:33:52,790 --> 01:33:51,360

various parts about this whole thing and

2577

01:33:55,189 --> 01:33:52,800

to me is the implants

2578

01:33:56,470 --> 01:33:55,199

you know because i i think that you know

2579

01:34:03,430 --> 01:33:56,480

they

2580

01:34:04,550 --> 01:34:03,440

just like the biological robots i think

2581

01:34:07,669 --> 01:34:04,560

they attach

2582

01:34:09,270 --> 01:34:07,679

to you and become part of you and that

2583

01:34:11,030 --> 01:34:09,280

they can measure like your syntax

2584

01:34:14,390 --> 01:34:11,040

sensory information

2585

01:34:17,990 --> 01:34:14,400

allows them to uh see what we see

2586

01:34:20,390 --> 01:34:18,000

hear what we hear and possibly even can

2587

01:34:23,030 --> 01:34:20,400

control our thoughts or actions you know

2588

01:34:25,910 --> 01:34:23,040

and that part of it is very alarming

2589

01:34:28,470 --> 01:34:25,920

well brett i tell you what i want you to

2590

01:34:32,070 --> 01:34:28,480

keep in contact with us and let us know

2591

01:34:33,669 --> 01:34:32,080

what's going on uh and i would like to

2592

01:34:35,590 --> 01:34:33,679

have come back with us sometimes

2593

01:34:39,189 --> 01:34:35,600

definitely in the future

2594

01:34:40,629 --> 01:34:39,199

uh for sure sure uh i also want to hear

2595

01:34:41,669 --> 01:34:40,639

some more about your paranormal

2596

01:34:43,990 --> 01:34:41,679

investigations

2597

01:34:45,510 --> 01:34:44,000

other things you're coming you know

2598

01:34:48,470 --> 01:34:45,520

coming in contact with

2599

01:34:50,229 --> 01:34:48,480

because uh it sounds very interesting

2600

01:34:52,470 --> 01:34:50,239

and yeah there it there is a connection

2601
01:34:56,070 --> 01:34:52,480
i do believe that myself

2602
01:34:57,270 --> 01:34:56,080
so uh but then again you know do keep in

2603
01:34:58,950 --> 01:34:57,280
contact with me i

2604
01:35:00,790 --> 01:34:58,960
i really appreciate hearing what's going

2605
01:35:03,030 --> 01:35:00,800
on with you in your life

2606
01:35:03,910 --> 01:35:03,040
and so i will do i will be lonely and

2607
01:35:07,189 --> 01:35:03,920
sean i appreciate

2608
01:35:10,229 --> 01:35:07,199
you guys uh having me on uh uh

2609
01:35:12,950 --> 01:35:10,239
i enjoyed it and um you know what i uh

2610
01:35:18,470 --> 01:35:12,960
keep up the good work well thanks again

2611
01:35:22,229 --> 01:35:20,790
all right lon good interview there with

2612
01:35:26,070 --> 01:35:22,239
mr brett oldham

2613
01:35:26,080 --> 01:35:29,990

yeah that was quite interesting

2614

01:35:34,470 --> 01:35:33,030

it's interesting because because his his

2615

01:35:36,149 --> 01:35:34,480

experiences

2616

01:35:38,790 --> 01:35:36,159

kind of parallel a lot of what's been

2617

01:35:41,430 --> 01:35:38,800

told to me over the years

2618

01:35:42,629 --> 01:35:41,440

and uh i find that i find that very

2619

01:35:43,270 --> 01:35:42,639

interesting in fact i'm going to be

2620

01:35:47,590 --> 01:35:43,280

going back

2621

01:35:51,030 --> 01:35:47,600

over some notes and start to um

2622

01:35:52,950 --> 01:35:51,040

start to check on what he said tonight

2623

01:35:54,950 --> 01:35:52,960

on some things that i've been hearing

2624

01:35:55,510 --> 01:35:54,960

that i just hadn't really correlated

2625

01:35:58,629 --> 01:35:55,520

before

2626

01:35:59,910 --> 01:35:58,639

but uh uh i think he did me he did me

2627

01:36:01,430 --> 01:35:59,920

some favors coming on the night and

2628

01:36:03,189 --> 01:36:01,440

talking to us

2629

01:36:06,070 --> 01:36:03,199

yeah and hopefully for folks that have

2630

01:36:07,430 --> 01:36:06,080

also gone through something similar it's

2631

01:36:09,030 --> 01:36:07,440

helped them in some way listen to

2632

01:36:13,510 --> 01:36:09,040

somebody who survived

2633

01:36:15,830 --> 01:36:13,520

many different visitations

2634

01:36:17,350 --> 01:36:15,840

and if you have and you want to talk

2635

01:36:18,870 --> 01:36:17,360

about it or you've had any type of

2636

01:36:21,750 --> 01:36:18,880

experiences

2637

01:36:23,189 --> 01:36:21,760

other than that as well feel free to

2638

01:36:25,430 --> 01:36:23,199

contact me

2639

01:36:26,709 --> 01:36:25,440

at uh lawn strickler fans and monsters

2640

01:36:30,070 --> 01:36:26,719

dot com

2641

01:36:33,030 --> 01:36:30,080

uh we do get a lot of interesting

2642

01:36:34,950 --> 01:36:33,040

experiences encounters and other such

2643

01:36:36,470 --> 01:36:34,960

and uh

2644

01:36:38,950 --> 01:36:36,480

hey you gotta if you've got a great

2645

01:36:41,669 --> 01:36:38,960

story we'll bring you on the radio

2646

01:36:43,109 --> 01:36:41,679

definitely you know next week uh who do

2647

01:36:45,590 --> 01:36:43,119

we got lon

2648

01:36:48,070 --> 01:36:45,600

oh i don't even remember david weatherly

2649

01:36:49,669 --> 01:36:48,080

i think it is david

2650

01:36:53,830 --> 01:36:49,679

and we'll find finally get david

2651

01:36:57,270 --> 01:36:55,830

well we had him on again didn't we it

2652

01:36:59,030 --> 01:36:57,280

was uh

2653

01:37:01,109 --> 01:36:59,040

been a couple times poor david always

2654

01:37:02,709 --> 01:37:01,119

gets the uh

2655

01:37:04,390 --> 01:37:02,719

that's terrible i always feel like an

2656

01:37:07,350 --> 01:37:04,400

[h__\h] about it because we always

2657

01:37:08,870 --> 01:37:07,360

well i tell you and david's fun guy to

2658

01:37:12,070 --> 01:37:08,880

talk to him yeah

2659

01:37:13,350 --> 01:37:12,080

he's he's an incredible researcher and

2660

01:37:17,669 --> 01:37:13,360

uh

2661

01:37:19,990 --> 01:37:17,679

definitely we'll have a lot to talk

2662

01:37:23,510 --> 01:37:20,000

about next week with mr david weatherly

2663

01:37:25,430 --> 01:37:23,520

lon uh midweek and the show was

2664

01:37:27,510 --> 01:37:25,440

a big hit tonight a lot of live

2665

01:37:30,149 --> 01:37:27,520

listeners that we're not used to

2666

01:37:31,669 --> 01:37:30,159

a lot of folks listen to archives

2667

01:37:34,790 --> 01:37:31,679

listeners live

2668

01:37:38,470 --> 01:37:34,800

53 here 47 else where we had about 180

2669

01:37:40,950 --> 01:37:38,480

190 live listeners which is really cool

2670

01:37:42,470 --> 01:37:40,960

yeah that's great that's awesome and i

2671

01:37:43,430 --> 01:37:42,480

want to thank brett for coming on with

2672

01:37:46,709 --> 01:37:43,440

us that was that was

2673

01:37:48,950 --> 01:37:46,719

definitely thank you brett

2674

01:37:50,149 --> 01:37:48,960

so folks we'll we'll catch you next week

2675

01:37:52,550 --> 01:37:50,159

and um

2676

01:37:54,229 --> 01:37:52,560

it'll be monday night not wednesday back

2677

01:37:58,470 --> 01:37:54,239

to monday

2678

01:38:00,310 --> 01:37:58,480

and uh with mr david weatherly and uh

2679

01:38:02,149 --> 01:38:00,320

it'll be quite a show for more

2680

01:38:04,950 --> 01:38:02,159

information or any questions again

2681

01:38:06,270 --> 01:38:04,960

info arcane radio dot com visit our

2682

01:38:09,669 --> 01:38:06,280

website

2683

01:38:11,470 --> 01:38:09,679

arcaneradio.com that's arcaneradio.com

2684

01:38:13,350 --> 01:38:11,480

and always stop by

2685

01:38:14,830 --> 01:38:13,360

phantomsandmonsters.com where lon has a

2686

01:38:17,189 --> 01:38:14,840

litany of

2687

01:38:19,990 --> 01:38:17,199

paranormal happenings and

2688

01:38:21,830 --> 01:38:20,000

strange encounters posted daily you can

2689

01:38:24,629 --> 01:38:21,840

subscribe to his newsletter as well so

2690

01:38:26,629 --> 01:38:24,639

it goes right to your inbox a daily dose

2691

01:38:27,830 --> 01:38:26,639

of the paranormal from the pope of the

2692

01:38:30,310 --> 01:38:27,840

paranormal who has

2693

01:38:32,310 --> 01:38:30,320

his pulse who has the pulse of the

2694

01:38:34,310 --> 01:38:32,320

paranormal

2695

01:38:37,590 --> 01:38:34,320

there's a lot right there okay shit's

2696

01:38:41,990 --> 01:38:40,229

it's getting deep folks you've been

2697

01:38:43,189 --> 01:38:42,000

listening to arcane radio shawn fork or

2698

01:38:45,030 --> 01:38:43,199

launch strickler
