

ARCANE RADIO 

Exploring the Unexplained 

Nov. 13th, 2020

9PM Eastern

Becky Cook

Researcher, Author,

'Bigfoot Lives... in Idaho'

1
00:00:10,070 --> 00:00:06,630
the oldest

2
00:00:12,230 --> 00:00:10,080
and strongest human emotion is fear

3
00:00:13,190 --> 00:00:12,240
and the oldest and strongest type of

4
00:00:16,310 --> 00:00:13,200
fear

5
00:00:18,790 --> 00:00:16,320
is trepidation of the unknown

6
00:00:22,310 --> 00:00:18,800
when we were children our parents told

7
00:00:24,710 --> 00:00:22,320
us that monsters didn't exist

8
00:00:27,990 --> 00:00:24,720
but we were sure that something was

9
00:00:32,470 --> 00:00:28,000
lurking under the bed or in the closet

10
00:00:35,510 --> 00:00:32,480
fear sees even if our eyes are closed

11
00:00:38,709 --> 00:00:35,520
welcome to the realm of the arcane

12
00:00:39,350 --> 00:00:38,719
my name is lon strickler join me as i

13
00:00:41,830 --> 00:00:39,360

examine

14

00:00:46,229 --> 00:00:41,840

unexplained creatures strange

15

00:00:49,190 --> 00:00:46,239

manifestations of remarkable realities

16

00:00:51,830 --> 00:00:49,200

imagine this next hour as a voyage of

17

00:00:54,869 --> 00:00:51,840

discovery to strange lands

18

00:00:57,350 --> 00:00:54,879

seeking not for new territory but for

19

00:01:00,229 --> 00:00:57,360

new knowledge of the supernatural

20

00:01:01,590 --> 00:01:00,239

come on board as we begin this adventure

21

00:01:09,190 --> 00:01:01,600

together

22

00:01:13,750 --> 00:01:11,429

hey folks good evening and welcome to

23

00:01:16,390 --> 00:01:13,760

another episode of arcane radio

24

00:01:18,230 --> 00:01:16,400

where we explore the unexplained live on

25

00:01:20,310 --> 00:01:18,240

beyond explanation

26

00:01:22,469 --> 00:01:20,320

i'm your host lon strickler coming to

27

00:01:26,149 --> 00:01:22,479

you from the anomalous state

28

00:01:28,550 --> 00:01:26,159

of pennsylvania now our uh

29

00:01:29,830 --> 00:01:28,560

guest tonight is from idaho she's a

30

00:01:33,590 --> 00:01:29,840

bigfoot

31

00:01:35,749 --> 00:01:33,600

writer author and uh

32

00:01:38,230 --> 00:01:35,759

because of that i decided i was gonna go

33

00:01:41,030 --> 00:01:38,240

ahead and discuss

34

00:01:43,190 --> 00:01:41,040

a uh sighting that was sent to me back

35

00:01:46,149 --> 00:01:43,200

in february

36

00:01:48,149 --> 00:01:46,159

and we're gonna have the photo of that

37

00:01:51,749 --> 00:01:48,159

was given to me

38

00:01:55,429 --> 00:01:51,759

on on the screen

39

00:01:57,590 --> 00:01:55,439

here on youtube and on facebook now the

40

00:01:58,870 --> 00:01:57,600

the information that with a copy

41

00:02:02,069 --> 00:01:58,880

accompanied this

42

00:02:04,069 --> 00:02:02,079

photo was from a guy by the name of cc

43

00:02:05,910 --> 00:02:04,079

and he states i received a photograph

44

00:02:09,190 --> 00:02:05,920

now i received a photograph from

45

00:02:12,470 --> 00:02:09,200

the eyewitness cc and otto uh

46

00:02:15,110 --> 00:02:12,480

this past february it's 2020.

47

00:02:16,710 --> 00:02:15,120

now cece stated in our telephone

48

00:02:19,350 --> 00:02:16,720

conversation

49

00:02:20,309 --> 00:02:19,360

that he and his business partner were

50

00:02:24,150 --> 00:02:20,319

hunting near

51
00:02:26,790 --> 00:02:24,160
warm lake in valley county idaho

52
00:02:27,710 --> 00:02:26,800
now this was in mid-afternoon in late

53
00:02:30,630 --> 00:02:27,720
september

54
00:02:33,830 --> 00:02:30,640
2019 the pair also

55
00:02:36,790 --> 00:02:33,840
owned a land stake in the area

56
00:02:39,030 --> 00:02:36,800
now as they were taking a break they

57
00:02:41,589 --> 00:02:39,040
heard a screaming sound coming from the

58
00:02:44,869 --> 00:02:41,599
ridge ahead of them

59
00:02:46,949 --> 00:02:44,879
cece wasn't sure what the sound was

60
00:02:48,869 --> 00:02:46,959
but his partner thought that it may have

61
00:02:52,390 --> 00:02:48,879
been a deer in distress

62
00:02:55,430 --> 00:02:52,400
or in his death throws so as he scanned

63
00:02:58,790 --> 00:02:55,440

the ridge in the valley in front of them

64

00:03:02,149 --> 00:02:58,800

they noticed movement along the edge

65

00:03:02,790 --> 00:03:02,159

and as they watched cece thought that it

66

00:03:05,830 --> 00:03:02,800

may have been

67

00:03:08,229 --> 00:03:05,840

another hunter but there was something

68

00:03:10,470 --> 00:03:08,239

unusual about the size and the way it

69

00:03:12,630 --> 00:03:10,480

was moving

70

00:03:15,190 --> 00:03:12,640

he looked through his binoculars and was

71

00:03:18,070 --> 00:03:15,200

shocked by the size of the figure

72

00:03:19,509 --> 00:03:18,080

he took out his cell camera even though

73

00:03:22,630 --> 00:03:19,519

it had a crack lens

74

00:03:23,030 --> 00:03:22,640

and he snapped off the photograph before

75

00:03:25,990 --> 00:03:23,040

the

76

00:03:28,309 --> 00:03:26,000

creature moved out of sight now both

77

00:03:30,149 --> 00:03:28,319

witnesses stated to me

78

00:03:32,869 --> 00:03:30,159

that they believe that this was a

79

00:03:34,550 --> 00:03:32,879

bigfoot with a deer carcass slung over

80

00:03:36,550 --> 00:03:34,560

his shoulder

81

00:03:37,750 --> 00:03:36,560

they also noticed it's a movement that

82

00:03:41,910 --> 00:03:37,760

indicated that may

83

00:03:44,869 --> 00:03:41,920

it also be dragging something behind it

84

00:03:46,070 --> 00:03:44,879

so i have uh i took the photograph sent

85

00:03:49,589 --> 00:03:46,080

to several people

86

00:03:52,630 --> 00:03:49,599

people in my group as well and uh

87

00:03:54,789 --> 00:03:52,640

it does seem that he this

88

00:03:55,830 --> 00:03:54,799

bigfoot has a deer slung over his

89

00:03:58,309 --> 00:03:55,840

shoulder

90

00:04:00,390 --> 00:03:58,319

and maybe also be dragging another deer

91

00:04:02,949 --> 00:04:00,400

so i don't know if it killed two deer

92

00:04:04,390 --> 00:04:02,959

or what the deal was but uh this was in

93

00:04:06,869 --> 00:04:04,400

idaho

94

00:04:09,190 --> 00:04:06,879

and i'm kind of i hope our guests can

95

00:04:12,630 --> 00:04:09,200

see it so i'll ask her about it

96

00:04:15,910 --> 00:04:12,640

while we uh go through the show

97

00:04:18,469 --> 00:04:15,920

now tonight i welcome bigfoot author

98

00:04:20,310 --> 00:04:18,479

becky cook to arcane radio now becky is

99

00:04:23,430 --> 00:04:20,320

an award-winning author

100

00:04:25,110 --> 00:04:23,440

columnist and speaker from idaho

101
00:04:26,830 --> 00:04:25,120
becca has been collecting true bigfoot

102
00:04:29,430 --> 00:04:26,840
encounter stories since she was in her

103
00:04:31,749 --> 00:04:29,440
teens becky cook has collected these

104
00:04:33,510 --> 00:04:31,759
stories from numerous people

105
00:04:35,270 --> 00:04:33,520
around the state of ottawa who have

106
00:04:37,030 --> 00:04:35,280
actually seen bigfoot

107
00:04:39,350 --> 00:04:37,040
and shares these eyewitness accounts

108
00:04:41,510 --> 00:04:39,360
along with her experience

109
00:04:43,430 --> 00:04:41,520
from this background becky cook has

110
00:04:45,030 --> 00:04:43,440
written now three books about bigfoot

111
00:04:47,270 --> 00:04:45,040
sightings in ottawa

112
00:04:49,030 --> 00:04:47,280
bigfoot lives in idaho is her first book

113
00:04:50,070 --> 00:04:49,040

it was followed by brookford still lives

114

00:04:52,070 --> 00:04:50,080

in ottawa

115

00:04:54,469 --> 00:04:52,080

and finally by bigfoot lives forever in

116

00:04:56,550 --> 00:04:54,479

idaho she grew up in eastern idaho and

117

00:04:57,830 --> 00:04:56,560

now lives near burley idaho with her

118

00:04:59,270 --> 00:04:57,840

family

119

00:05:01,350 --> 00:04:59,280

she has published several hundred

120

00:05:04,550 --> 00:05:01,360

articles and stories in local

121

00:05:06,230 --> 00:05:04,560

regional and national publications

122

00:05:10,070 --> 00:05:06,240

so becky thanks for joining me this

123

00:05:12,150 --> 00:05:10,080

evening thank you for inviting me

124

00:05:13,749 --> 00:05:12,160

so i mean have you seen hey did you see

125

00:05:16,870 --> 00:05:13,759

the pictures that came up

126

00:05:18,629 --> 00:05:16,880

yes what do you think about that

127

00:05:20,629 --> 00:05:18,639

you probably got a picture of a bigfoot

128

00:05:23,189 --> 00:05:20,639

right there that area

129

00:05:23,670 --> 00:05:23,199

where it came from is actually a really

130

00:05:25,670 --> 00:05:23,680

um

131

00:05:28,070 --> 00:05:25,680

an area where they they see the bigfoot

132

00:05:29,430 --> 00:05:28,080

quite a bit

133

00:05:31,830 --> 00:05:29,440

yeah you know when i talked to the

134

00:05:34,710 --> 00:05:31,840

witness he seemed to believe that it was

135

00:05:35,029 --> 00:05:34,720

of course and uh you know if he owned

136

00:05:39,749 --> 00:05:35,039

part

137

00:05:41,510 --> 00:05:39,759

there and he said he had heard about

138

00:05:43,670 --> 00:05:41,520

bigfoot reports

139

00:05:45,430 --> 00:05:43,680

at the time he purchased it and he said

140

00:05:47,350 --> 00:05:45,440

he was kind of surprised

141

00:05:50,469 --> 00:05:47,360

to see it but yeah he did definitely

142

00:05:53,830 --> 00:05:50,479

believe that's what it was

143

00:05:56,230 --> 00:05:53,840

so um tell us a bit about becky cook

144

00:05:57,510 --> 00:05:56,240

uh what got you involved with bigfoot

145

00:06:00,469 --> 00:05:57,520

and

146

00:06:04,550 --> 00:06:00,479

uh to what degree interest do you have

147

00:06:12,550 --> 00:06:08,870

so i was born on the um shoshone bannock

148

00:06:15,990 --> 00:06:12,560

indian reservation i am i'm not native

149

00:06:17,830 --> 00:06:16,000

and uh my father was a policeman with

150

00:06:19,350 --> 00:06:17,840

the pocatello police department which is

151
00:06:22,150 --> 00:06:19,360
just to the south of the

152
00:06:23,749 --> 00:06:22,160
reservation so starting when i was a

153
00:06:26,469 --> 00:06:23,759
little kid

154
00:06:27,990 --> 00:06:26,479
whenever the port hall indian police

155
00:06:29,189 --> 00:06:28,000
needed some help they would call my

156
00:06:31,990 --> 00:06:29,199
father

157
00:06:33,189 --> 00:06:32,000
he acted as the liaison police officer

158
00:06:36,629 --> 00:06:33,199
between the two

159
00:06:38,790 --> 00:06:36,639
police departments and the indians trust

160
00:06:40,550 --> 00:06:38,800
my dad because he's as honest as he can

161
00:06:43,909 --> 00:06:40,560
be

162
00:06:45,830 --> 00:06:43,919
so starting when i was a little kid

163
00:06:49,110 --> 00:06:45,840

i think i was four the very first time

164

00:06:52,309 --> 00:06:49,120

my dad got called out on a call

165

00:06:54,629 --> 00:06:52,319

on a big foot call and in this

166

00:06:58,150 --> 00:06:54,639

particular instance

167

00:06:59,670 --> 00:06:58,160

this family was living in a single wide

168

00:07:02,150 --> 00:06:59,680

trailer

169

00:07:04,070 --> 00:07:02,160

and this bigfoot came up and was really

170

00:07:06,710 --> 00:07:04,080

angry was gonna shake the

171

00:07:07,430 --> 00:07:06,720

the house off its foundation they didn't

172

00:07:10,230 --> 00:07:07,440

have a phone

173

00:07:11,909 --> 00:07:10,240

this is the days before cell phones and

174

00:07:13,670 --> 00:07:11,919

and it wasn't real common for everybody

175

00:07:16,150 --> 00:07:13,680

to have a phone then

176

00:07:18,790 --> 00:07:16,160

so the bigfoot was trying to to shake

177

00:07:21,110 --> 00:07:18,800

this house off its foundation

178

00:07:22,390 --> 00:07:21,120

and so the people waited until the

179

00:07:23,909 --> 00:07:22,400

bigfoot went around the back of the

180

00:07:25,110 --> 00:07:23,919

house and then they all ran out and got

181

00:07:27,990 --> 00:07:25,120

in the car

182

00:07:29,589 --> 00:07:28,000

went down to the police station and a

183

00:07:31,990 --> 00:07:29,599

couple of cars

184

00:07:33,670 --> 00:07:32,000

um and policemen were sent out after

185

00:07:35,350 --> 00:07:33,680

them so

186

00:07:37,670 --> 00:07:35,360

by the time the policeman got there the

187

00:07:40,469 --> 00:07:37,680

bigfoot was gone but it had also

188

00:07:43,749 --> 00:07:40,479

dismantled the pump house

189

00:07:45,670 --> 00:07:43,759

and there was footprints and mud and and

190

00:07:47,110 --> 00:07:45,680

all sorts of crazy things there that

191

00:07:50,550 --> 00:07:47,120

they can see and

192

00:07:52,710 --> 00:07:50,560

so they attracted down to the canal

193

00:07:54,710 --> 00:07:52,720

where they found where they actually ran

194

00:07:56,550 --> 00:07:54,720

into it and they said it was head and

195

00:07:58,710 --> 00:07:56,560

shoulders taller than

196

00:08:00,230 --> 00:07:58,720

the tree was standing behind and it was

197

00:08:02,070 --> 00:08:00,240

yelling at them

198

00:08:03,830 --> 00:08:02,080

so the ending believed that if they're

199

00:08:05,110 --> 00:08:03,840

if it's not causing an imminent threat

200

00:08:06,550 --> 00:08:05,120

they're going to leave it alone so they

201

00:08:10,390 --> 00:08:06,560

backed off and

202

00:08:15,510 --> 00:08:13,749

so i i heard that story when i was four

203

00:08:16,950 --> 00:08:15,520

and it just happened a couple of days

204

00:08:19,430 --> 00:08:16,960

after that

205

00:08:20,070 --> 00:08:19,440

we were on a trip across the reservation

206

00:08:23,029 --> 00:08:20,080

and we went

207

00:08:24,869 --> 00:08:23,039

past that house my dad pointed it out to

208

00:08:26,629 --> 00:08:24,879

my mom and said that's where

209

00:08:28,629 --> 00:08:26,639

that bigfoot had been and there's that

210

00:08:29,990 --> 00:08:28,639

pump house and it was all in smithereens

211

00:08:32,870 --> 00:08:30,000

you know

212

00:08:34,630 --> 00:08:32,880

and so i heard that when i was four and

213

00:08:37,829 --> 00:08:34,640

then

214

00:08:40,870 --> 00:08:37,839

in 2012 i was writing my first book

215

00:08:42,550 --> 00:08:40,880

and uh i happened upon this lady i was

216

00:08:44,550 --> 00:08:42,560

interviewing and

217

00:08:46,310 --> 00:08:44,560

and i told her that about this story

218

00:08:48,470 --> 00:08:46,320

that happened a long time before and

219

00:08:50,150 --> 00:08:48,480

she said so you didn't hear the rest of

220

00:08:51,670 --> 00:08:50,160

the story then and i said wait there's a

221

00:08:53,910 --> 00:08:51,680

rest of the story

222

00:08:56,150 --> 00:08:53,920

and she said yeah she said the guy who

223

00:08:57,190 --> 00:08:56,160

lived in that house had taken a pot shot

224

00:09:00,310 --> 00:08:57,200

at a juvenile

225

00:09:02,630 --> 00:09:00,320

bigfoot and drawn blood

226

00:09:04,230 --> 00:09:02,640

and then a day or so later is when this

227

00:09:06,870 --> 00:09:04,240

other bigfoot came in and

228

00:09:08,949 --> 00:09:06,880

tried to shake down the house and i said

229

00:09:09,750 --> 00:09:08,959

so basically this is like mama bigfoot

230

00:09:13,030 --> 00:09:09,760

coming down

231

00:09:14,710 --> 00:09:13,040

and saying leave my kids alone and and i

232

00:09:16,470 --> 00:09:14,720

i said so what happened to the guy and

233

00:09:18,150 --> 00:09:16,480

she said he moved out of the area

234

00:09:19,990 --> 00:09:18,160

because he was afraid that the bigfoot

235

00:09:23,110 --> 00:09:20,000

would come back

236

00:09:25,030 --> 00:09:23,120

and i thought that's interesting that's

237

00:09:27,910 --> 00:09:25,040

interesting

238

00:09:29,750 --> 00:09:27,920

so that was like the very first time i

239

00:09:30,790 --> 00:09:29,760

had heard or seen of the bigfoot and

240

00:09:34,230 --> 00:09:30,800

then

241

00:09:37,509 --> 00:09:34,240

as i got older um

242

00:09:39,190 --> 00:09:37,519

i was about 15 when we found a set of

243

00:09:42,790 --> 00:09:39,200

footprints

244

00:09:46,070 --> 00:09:42,800

oh about three miles away from our home

245

00:09:47,670 --> 00:09:46,080

and um by then we had moved we lived way

246

00:09:50,710 --> 00:09:47,680

out on the lava rock

247

00:09:52,470 --> 00:09:50,720

which is really treacherous

248

00:09:53,910 --> 00:09:52,480

going you you know you don't go out

249

00:09:57,350 --> 00:09:53,920

there barefoot

250

00:09:59,829 --> 00:09:57,360

because your feet will get ripped up and

251
00:10:01,110 --> 00:09:59,839
our neighbors had called and said hey

252
00:10:04,310 --> 00:10:01,120
you know

253
00:10:08,389 --> 00:10:04,320
when did you guys come over this way

254
00:10:11,910 --> 00:10:08,399
because i am six six and i have big feet

255
00:10:14,870 --> 00:10:11,920
and my next younger brother is now six

256
00:10:16,550 --> 00:10:14,880
eight and his feet are bigger than mine

257
00:10:18,790 --> 00:10:16,560
so she assumed that these footprints

258
00:10:20,790 --> 00:10:18,800
that she found were probably ours

259
00:10:22,230 --> 00:10:20,800
and i was thinking no no it goes

260
00:10:24,790 --> 00:10:22,240
barefoot out the rocks

261
00:10:26,550 --> 00:10:24,800
just don't but i wanted to see these

262
00:10:27,269 --> 00:10:26,560
footprints so we went down to look at

263
00:10:30,150 --> 00:10:27,279

them and

264

00:10:31,509 --> 00:10:30,160

and sure enough here's these two perfect

265

00:10:35,750 --> 00:10:31,519

footprints and a half

266

00:10:39,350 --> 00:10:35,760

print and they were about 17 inches long

267

00:10:41,269 --> 00:10:39,360

which was far longer than mine and

268

00:10:43,110 --> 00:10:41,279

you could tell that you know it was

269

00:10:45,030 --> 00:10:43,120

completely barefoot and the foot had

270

00:10:46,230 --> 00:10:45,040

spread just a little bit because it was

271

00:10:49,110 --> 00:10:46,240

running barefoot you know

272

00:10:50,230 --> 00:10:49,120

and it was just pretty cool it was just

273

00:10:53,430 --> 00:10:50,240

pretty cool to

274

00:10:55,750 --> 00:10:53,440

to see these footprints so

275

00:10:57,110 --> 00:10:55,760

anyway so that happened and then as time

276

00:11:00,150 --> 00:10:57,120

went on i actually saw

277

00:11:03,509 --> 00:11:00,160

i actually saw the first bigfoot

278

00:11:10,710 --> 00:11:06,550

let's see 2000.

279

00:11:15,829 --> 00:11:10,720

um we how much of this story do you want

280

00:11:19,509 --> 00:11:15,839

all of it whatever you want to tell me

281

00:11:22,710 --> 00:11:19,519

okay in 2000 um we take the kids up

282

00:11:23,350 --> 00:11:22,720

camping and when we go camping we read

283

00:11:25,430 --> 00:11:23,360

books

284

00:11:26,550 --> 00:11:25,440

so we'll play in the water and then we

285

00:11:30,310 --> 00:11:26,560

read

286

00:11:32,310 --> 00:11:30,320

was starting to give out

287

00:11:33,509 --> 00:11:32,320

about midnight and i sent the kids to

288

00:11:38,470 --> 00:11:33,519

bed

289

00:11:41,269 --> 00:11:38,480

so kids are all settled in for the night

290

00:11:43,990 --> 00:11:41,279

and i'm almost asleep and i heard

291

00:11:48,310 --> 00:11:44,000

something out by the picnic table

292

00:11:50,629 --> 00:11:48,320

and i'm thinking becky you dork

293

00:11:51,750 --> 00:11:50,639

you left your scraps out there and

294

00:11:55,430 --> 00:11:51,760

there's bear

295

00:11:56,389 --> 00:11:55,440

there's moose that was really stupid you

296

00:11:59,190 --> 00:11:56,399

know

297

00:12:01,190 --> 00:11:59,200

so i unzipped the bottom of the tent and

298

00:12:03,829 --> 00:12:01,200

it kind of poked my head out

299

00:12:05,350 --> 00:12:03,839

and there was this being there that was

300

00:12:08,550 --> 00:12:05,360

bent over

301
00:12:11,990 --> 00:12:08,560
eating these scraps and its back was

302
00:12:15,910 --> 00:12:12,000
level with the top of the table

303
00:12:18,790 --> 00:12:15,920
and uh all you could see color wise was

304
00:12:20,069 --> 00:12:18,800
that it was dark and then it had this

305
00:12:22,949 --> 00:12:20,079
silver sheen across

306
00:12:23,350 --> 00:12:22,959
its back and so you know your mind says

307
00:12:27,030 --> 00:12:23,360
you know

308
00:12:30,550 --> 00:12:27,040
skunk badger definitely not a skunk

309
00:12:33,030 --> 00:12:30,560
too big definitely not a badger

310
00:12:35,430 --> 00:12:33,040
so i didn't know what to think of it and

311
00:12:38,550 --> 00:12:35,440
and it's sitting out there and i said

312
00:12:41,110 --> 00:12:38,560
what are you doing out there

313
00:12:42,150 --> 00:12:41,120

and it just it put one hand down like a

314

00:12:46,550 --> 00:12:42,160

football player

315

00:12:51,430 --> 00:12:46,560

and just ran forward on two legs

316

00:12:54,790 --> 00:12:51,440

and i thought what the heck was that

317

00:12:57,590 --> 00:12:54,800

wow what the heck was that

318

00:12:58,790 --> 00:12:57,600

it was just it wasn't that far from me

319

00:13:00,870 --> 00:12:58,800

it was like 20

320

00:13:02,150 --> 00:13:00,880

20 some odd feet away you know in the

321

00:13:03,590 --> 00:13:02,160

moonlight you could see it pretty

322

00:13:08,069 --> 00:13:03,600

clearly

323

00:13:11,910 --> 00:13:09,750

and then we started finding all these

324

00:13:15,030 --> 00:13:11,920

footprints in our in our

325

00:13:18,310 --> 00:13:15,040

their yard and all of them were like

326

00:13:21,110 --> 00:13:18,320

15 16 17 inches long

327

00:13:21,990 --> 00:13:21,120

and we were finding a lot of them like

328

00:13:23,750 --> 00:13:22,000

once a week

329

00:13:25,590 --> 00:13:23,760

we would find a new footprint in the

330

00:13:28,550 --> 00:13:25,600

yard somewhere

331

00:13:30,230 --> 00:13:28,560

and um it was just kind of cool to me to

332

00:13:31,430 --> 00:13:30,240

know that these bigfoot were around all

333

00:13:32,949 --> 00:13:31,440

the time and

334

00:13:35,670 --> 00:13:32,959

maybe i just hadn't been aware of it

335

00:13:38,069 --> 00:13:35,680

before so

336

00:13:39,269 --> 00:13:38,079

anyway so i started collecting these

337

00:13:40,710 --> 00:13:39,279

stories and

338

00:13:42,629 --> 00:13:40,720

i actually started collecting the

339

00:13:44,470 --> 00:13:42,639

stories way back in high school

340

00:13:46,150 --> 00:13:44,480

just for the intent of gosh these are

341

00:13:49,509 --> 00:13:46,160

cool stories

342

00:13:52,470 --> 00:13:49,519

and then as i've gotten older um

343

00:13:53,990 --> 00:13:52,480

it's been more for you know put them in

344

00:13:54,310 --> 00:13:54,000

a book and let other people read them

345

00:13:57,910 --> 00:13:54,320

too

346

00:14:01,670 --> 00:13:59,829

interesting man i don't know but i'd do

347

00:14:05,750 --> 00:14:01,680

it i'd see that many

348

00:14:08,470 --> 00:14:05,760

footprints out in my yard that's amazing

349

00:14:09,110 --> 00:14:08,480

um how many how many encounters have you

350

00:14:12,949 --> 00:14:09,120

had

351

00:14:16,470 --> 00:14:12,959

uh is that the only one or um

352

00:14:18,790 --> 00:14:16,480

oh um

353

00:14:21,110 --> 00:14:18,800

i let me think i would have to i would

354

00:14:23,829 --> 00:14:21,120

have to really think about that

355

00:14:25,269 --> 00:14:23,839

um the last time we there was seven of

356

00:14:28,829 --> 00:14:25,279

us humans

357

00:14:30,069 --> 00:14:28,839

uh three of them all at once during the

358

00:14:33,269 --> 00:14:30,079

daytime

359

00:14:36,629 --> 00:14:33,279

um and then seen him multiple times just

360

00:14:41,670 --> 00:14:36,639

single so

361

00:14:45,350 --> 00:14:43,350

maybe 15 times something like that is

362

00:14:48,629 --> 00:14:45,360

that right sometimes

363

00:14:50,310 --> 00:14:48,639

yeah it's amazing yep

364

00:14:52,710 --> 00:14:50,320

yeah you know you don't really hear a

365

00:14:53,910 --> 00:14:52,720

whole lot about pod groups or family

366

00:14:57,189 --> 00:14:53,920

groups

367

00:15:01,590 --> 00:14:57,199

other than in the upper well in

368

00:15:04,150 --> 00:15:01,600

pacific northwest for the west eu

369

00:15:05,350 --> 00:15:04,160

but as far as idaho goes that's pretty

370

00:15:07,990 --> 00:15:05,360

amazing

371

00:15:09,189 --> 00:15:08,000

uh it was was this a mountainous area or

372

00:15:12,550 --> 00:15:09,199

was this mostly

373

00:15:13,829 --> 00:15:12,560

uh rolling hills and you know you talk

374

00:15:16,870 --> 00:15:13,839

about the rocks

375

00:15:18,949 --> 00:15:16,880

are they like volcanic rock

376

00:15:20,949 --> 00:15:18,959

the area where i grew up was yeah it's

377

00:15:22,389 --> 00:15:20,959

volcanic rock

378

00:15:24,710 --> 00:15:22,399

where we were finding a bunch of the

379

00:15:27,430 --> 00:15:24,720

footprints but then i had moved

380

00:15:28,389 --> 00:15:27,440

you know and had a bunch of kids and um

381

00:15:32,069 --> 00:15:28,399

it's really

382

00:15:35,990 --> 00:15:32,079

it's this high valley that's nestled in

383

00:15:39,189 --> 00:15:36,000

a bunch of uh mountainous area

384

00:15:42,470 --> 00:15:39,199

very pretty very green

385

00:15:44,230 --> 00:15:42,480

um we had gone up and and taken a picnic

386

00:15:47,030 --> 00:15:44,240

and we were

387

00:15:49,189 --> 00:15:47,040

just out enjoying the sunshine everybody

388

00:15:51,910 --> 00:15:49,199

had their lawn chair and

389

00:15:52,389 --> 00:15:51,920

and uh just sitting there and my one

390

00:15:55,749 --> 00:15:52,399

friend

391

00:15:57,670 --> 00:15:55,759

had her drum with her and so she was

392

00:15:58,949 --> 00:15:57,680

playing her drum and singing a couple of

393

00:16:02,870 --> 00:15:58,959

kids are singing too

394

00:16:05,189 --> 00:16:02,880

and she says hey there's one and

395

00:16:06,629 --> 00:16:05,199

there's two and there's three and so the

396

00:16:09,910 --> 00:16:06,639

one was like

397

00:16:12,470 --> 00:16:09,920

25 feet away to the right

398

00:16:13,189 --> 00:16:12,480

of me and then the other two were like

399

00:16:15,829 --> 00:16:13,199

22

400

00:16:19,509 --> 00:16:15,839

feet ish straight up the mountain in

401
00:16:24,150 --> 00:16:21,670
and the one was here you know people are

402
00:16:26,710 --> 00:16:24,160
like how big was it i don't know

403
00:16:29,430 --> 00:16:26,720
it was just huge but all you could see

404
00:16:31,829 --> 00:16:29,440
from even 25 feet away was just part of

405
00:16:36,150 --> 00:16:31,839
his chest and his arm and

406
00:16:39,269 --> 00:16:36,160
most of his face wow

407
00:16:41,189 --> 00:16:39,279
you know um i have had

408
00:16:43,509 --> 00:16:41,199
setting reports and i've talked to

409
00:16:46,069 --> 00:16:43,519
people who have had encounters

410
00:16:47,110 --> 00:16:46,079
uh in areas where there's a lot of

411
00:16:48,870 --> 00:16:47,120
volcanic rock

412
00:16:50,550 --> 00:16:48,880
i don't know if there's a reason behind

413
00:16:53,910 --> 00:16:50,560

that and it's funny because

414

00:16:54,629 --> 00:16:53,920

one of these people had a had a trailer

415

00:16:57,269 --> 00:16:54,639

and this thing

416

00:16:59,030 --> 00:16:57,279

literally went and picked up the trailer

417

00:17:02,629 --> 00:16:59,040

and pulled it off

418

00:17:06,630 --> 00:17:02,639

pushed it off the uh of them

419

00:17:08,470 --> 00:17:06,640

of the foundation and uh

420

00:17:10,870 --> 00:17:08,480

and that's funny that you mentioned that

421

00:17:11,909 --> 00:17:10,880

but yeah for whatever reason this guy

422

00:17:16,710 --> 00:17:11,919

had a

423

00:17:19,990 --> 00:17:16,720

remember where it was at i

424

00:17:22,069 --> 00:17:20,000

kind of believe it was in um central

425

00:17:24,789 --> 00:17:22,079

washington somewhere i'm not exactly

426

00:17:26,789 --> 00:17:24,799

sure it wasn't towards the coast but it

427

00:17:30,470 --> 00:17:26,799

was a little further in

428

00:17:33,430 --> 00:17:30,480

and uh yeah and yeah but a lot of these

429

00:17:34,870 --> 00:17:33,440

uh i have had a lot of selling reports

430

00:17:36,630 --> 00:17:34,880

in these areas where there's a lot of

431

00:17:38,150 --> 00:17:36,640

volcanic rock

432

00:17:39,750 --> 00:17:38,160

and i don't know if there's a reason

433

00:17:41,830 --> 00:17:39,760

behind that

434

00:17:45,190 --> 00:17:41,840

but uh it was interesting that you

435

00:17:48,470 --> 00:17:47,750

i know when i originally interviewed dr

436

00:17:51,510 --> 00:17:48,480

meldrum

437

00:17:53,270 --> 00:17:51,520

studies

438

00:17:55,110 --> 00:17:53,280

he initially said that you'd find him

439

00:17:56,470 --> 00:17:55,120

mostly in the mountains he didn't

440

00:17:59,110 --> 00:17:56,480

he didn't think he'd find him down on

441

00:18:00,070 --> 00:17:59,120

the flats but i found quite a few

442

00:18:03,110 --> 00:18:00,080

stories of people

443

00:18:05,430 --> 00:18:03,120

who found them out on sagebrush

444

00:18:06,789 --> 00:18:05,440

out on the flat out in the dirt where

445

00:18:09,350 --> 00:18:06,799

honestly there's no

446

00:18:10,070 --> 00:18:09,360

place to hide there's there's really

447

00:18:13,270 --> 00:18:10,080

nothing

448

00:18:14,789 --> 00:18:13,280

to hide and they just travel across that

449

00:18:18,150 --> 00:18:14,799

area and

450

00:18:22,470 --> 00:18:20,549

well of course you now your belief of

451
00:18:24,470 --> 00:18:22,480
bigfoot is that it is an actual

452
00:18:26,470 --> 00:18:24,480
indigenous flesh and blood being from

453
00:18:29,029 --> 00:18:26,480
what i'm hearing from you

454
00:18:29,750 --> 00:18:29,039
you know you know the arguments for the

455
00:18:31,510 --> 00:18:29,760
uh

456
00:18:34,630 --> 00:18:31,520
the possibility of it being an

457
00:18:38,150 --> 00:18:34,640
interdimensional species possibly

458
00:18:40,950 --> 00:18:38,160
some type of uh supernatural

459
00:18:42,390 --> 00:18:40,960
aspect to it what are your thoughts in

460
00:18:46,950 --> 00:18:42,400
that do you think that

461
00:18:50,150 --> 00:18:46,960
these creatures do have abilities that

462
00:18:55,270 --> 00:18:53,350
well here's the thing i think that god

463
00:18:56,789 --> 00:18:55,280

created all of this

464

00:18:58,390 --> 00:18:56,799

and then he gave us different

465

00:19:00,870 --> 00:18:58,400

characteristics and

466

00:19:02,789 --> 00:19:00,880

uh throughout time i think that we have

467

00:19:03,990 --> 00:19:02,799

lost a lot of the stuff that we came

468

00:19:07,669 --> 00:19:04,000

with

469

00:19:09,270 --> 00:19:07,679

um that's my thought on it because

470

00:19:10,950 --> 00:19:09,280

i had this conversation with someone

471

00:19:13,990 --> 00:19:10,960

about like esp

472

00:19:17,510 --> 00:19:14,000

esp i usually say espn

473

00:19:19,110 --> 00:19:17,520

no esp and how um

474

00:19:21,350 --> 00:19:19,120

you know the the big vote will do the

475

00:19:23,110 --> 00:19:21,360

mind speak thing and people are like ah

476
00:19:24,870 --> 00:19:23,120
that you know that's just sort of hokey

477
00:19:27,270 --> 00:19:24,880
and i just think

478
00:19:30,150 --> 00:19:27,280
why do you think that's hokey because

479
00:19:32,549 --> 00:19:30,160
i've been talking to my animals for

480
00:19:34,070 --> 00:19:32,559
ever you know and a lot of the times i

481
00:19:36,070 --> 00:19:34,080
can understand i'm just as clear as

482
00:19:40,470 --> 00:19:36,080
they're speaking english

483
00:19:44,150 --> 00:19:40,480
and to me it's just

484
00:19:46,630 --> 00:19:44,160
a matter of focus like even with my

485
00:19:47,830 --> 00:19:46,640
siblings i have certain siblings that i

486
00:19:51,590 --> 00:19:47,840
can

487
00:19:53,029 --> 00:19:51,600
what's going on in their lives just from

488
00:19:55,110 --> 00:19:53,039

a distance

489

00:19:56,230 --> 00:19:55,120

i have good friends that do that to me

490

00:19:59,430 --> 00:19:56,240

too like if i'm

491

00:20:01,029 --> 00:19:59,440

really traumatized by something um

492

00:20:02,630 --> 00:20:01,039

i have one good friend that'll call me

493

00:20:06,149 --> 00:20:02,640

within about 10 minutes and

494

00:20:09,990 --> 00:20:06,159

how does he know i have no idea

495

00:20:13,430 --> 00:20:10,000

but that's interesting yeah it's just

496

00:20:15,270 --> 00:20:13,440

so i'm i'm i believe that they're

497

00:20:17,669 --> 00:20:15,280

they are spiritual beings in the same

498

00:20:19,590 --> 00:20:17,679

way that we are spiritual beings

499

00:20:21,350 --> 00:20:19,600

but i also believe that they've kept a

500

00:20:22,390 --> 00:20:21,360

lot of the gifts that heavenly father

501
00:20:26,870 --> 00:20:22,400
gave them

502
00:20:28,630 --> 00:20:26,880
that maybe we have we have or have had

503
00:20:30,710 --> 00:20:28,640
but haven't tapped into for a really

504
00:20:32,789 --> 00:20:30,720
long time or multiple generations back

505
00:20:34,630 --> 00:20:32,799
or whatever

506
00:20:36,310 --> 00:20:34,640
so that's kind of my take on that and

507
00:20:37,990 --> 00:20:36,320
you know and you can throw in all the

508
00:20:40,310 --> 00:20:38,000
stuff about the portals and

509
00:20:42,789 --> 00:20:40,320
everything else and people think oh

510
00:20:45,350 --> 00:20:42,799
that's just kind of weird well

511
00:20:47,029 --> 00:20:45,360
i i thought that was too until i started

512
00:20:49,750 --> 00:20:47,039
interviewing people and found

513
00:20:50,789 --> 00:20:49,760

people who had been through the portals

514

00:20:54,710 --> 00:20:50,799

and

515

00:20:57,190 --> 00:20:54,720

actually

516

00:20:58,549 --> 00:20:57,200

been to the lip of one or two of the

517

00:21:00,830 --> 00:20:58,559

portals and

518

00:21:02,549 --> 00:21:00,840

can tell you i didn't want to go through

519

00:21:06,470 --> 00:21:02,559

them right

520

00:21:08,710 --> 00:21:06,480

your brain it feels really weird

521

00:21:11,270 --> 00:21:08,720

it feels like you're going into a

522

00:21:15,110 --> 00:21:11,280

negative gravity

523

00:21:16,870 --> 00:21:15,120

so it just like you can't quite stand

524

00:21:19,990 --> 00:21:16,880

upright

525

00:21:20,710 --> 00:21:20,000

it just feels weird you know like all of

526
00:21:23,830 --> 00:21:20,720
a sudden you're

527
00:21:26,310 --> 00:21:23,840
dizzy and you're not you know

528
00:21:28,630 --> 00:21:26,320
so um one of the fellows that i

529
00:21:30,870 --> 00:21:28,640
interviewed

530
00:21:32,870 --> 00:21:30,880
he had been following a bigfoot and of

531
00:21:34,390 --> 00:21:32,880
course bigfoot walked a lot faster than

532
00:21:36,950 --> 00:21:34,400
people do

533
00:21:38,630 --> 00:21:36,960
and he was on this rolling hill going up

534
00:21:40,390 --> 00:21:38,640
and down and up and down and he said

535
00:21:41,750 --> 00:21:40,400
he'd wait till the bigfoot crossed over

536
00:21:42,710 --> 00:21:41,760
the top of the hill and then he'd run to

537
00:21:44,789 --> 00:21:42,720
catch up

538
00:21:46,710 --> 00:21:44,799

and then he slowed down an inch inch

539

00:21:48,310 --> 00:21:46,720

over the top and watched

540

00:21:50,070 --> 00:21:48,320

and as soon as the bigfoot went across

541

00:21:51,270 --> 00:21:50,080

the next thing he'd hurry up and catch

542

00:21:53,750 --> 00:21:51,280

up

543

00:21:54,870 --> 00:21:53,760

when he went across one of the tops of

544

00:21:57,430 --> 00:21:54,880

this

545

00:21:58,870 --> 00:21:57,440

mountain he was all of a sudden not in

546

00:22:00,870 --> 00:21:58,880

idaho anymore

547

00:22:03,190 --> 00:22:00,880

he said it was in rainforest and it

548

00:22:06,390 --> 00:22:03,200

great big leaves green

549

00:22:08,230 --> 00:22:06,400

dripping plants and and it freaked him

550

00:22:11,350 --> 00:22:08,240

right out

551
00:22:14,789 --> 00:22:11,360
but he turned around and he ran back out

552
00:22:18,149 --> 00:22:14,799
and and he was back out to sagebrush

553
00:22:19,750 --> 00:22:18,159
and i said wow that's that's pretty wild

554
00:22:22,149 --> 00:22:19,760
i said so do you know where the bigfoot

555
00:22:24,230 --> 00:22:22,159
went he said i i didn't care

556
00:22:26,549 --> 00:22:24,240
i was worried that i would get stuck

557
00:22:28,549 --> 00:22:26,559
there if i didn't go back out the way i

558
00:22:32,070 --> 00:22:28,559
came in

559
00:22:34,390 --> 00:22:32,080
so you know i i

560
00:22:36,470 --> 00:22:34,400
i have met very few people that have

561
00:22:39,990 --> 00:22:36,480
experienced the portal

562
00:22:43,590 --> 00:22:40,000
now you know i have myself

563
00:22:45,190 --> 00:22:43,600

but in my in my instance it was

564

00:22:46,950 --> 00:22:45,200

something entirely different had nothing

565

00:22:48,710 --> 00:22:46,960

to do with bigfoot you know

566

00:22:50,870 --> 00:22:48,720

it was something to do with an

567

00:22:52,950 --> 00:22:50,880

investigation or

568

00:22:55,990 --> 00:22:52,960

sensing a spirit energy which i'm

569

00:22:59,190 --> 00:22:56,000

intuitive so i can occasionally do

570

00:23:02,549 --> 00:22:59,200

and uh i have uh

571

00:23:05,350 --> 00:23:02,559

i have encountered these portals um

572

00:23:06,390 --> 00:23:05,360

you know it's usually to me it's i can i

573

00:23:09,669 --> 00:23:06,400

can

574

00:23:11,190 --> 00:23:09,679

auto audio audio like i actually hear a

575

00:23:13,750 --> 00:23:11,200

buzzing sound

576
00:23:14,230 --> 00:23:13,760
and like you said that negative energy

577
00:23:17,190 --> 00:23:14,240
that

578
00:23:20,830 --> 00:23:17,200
like a um uh how you describe i don't

579
00:23:24,630 --> 00:23:22,950
um i don't know

580
00:23:26,070 --> 00:23:24,640
you just it is a different feeling i

581
00:23:27,669 --> 00:23:26,080
mean you can tell

582
00:23:29,110 --> 00:23:27,679
that you're getting into some place

583
00:23:31,430 --> 00:23:29,120
different

584
00:23:33,270 --> 00:23:31,440
well they have the montana vortex up

585
00:23:35,669 --> 00:23:33,280
there in montana that

586
00:23:37,590 --> 00:23:35,679
they've said i have not been up there

587
00:23:38,950 --> 00:23:37,600
but i've sat next to those guys at

588
00:23:42,310 --> 00:23:38,960

conventions and been

589

00:23:45,510 --> 00:23:44,549

yeah that is and i know which the area

590

00:23:48,950 --> 00:23:45,520

you're talking about

591

00:23:51,909 --> 00:23:48,960

and it is interesting i mean uh you know

592

00:23:53,750 --> 00:23:51,919

somebody you you know i i guess maybe

593

00:23:54,149 --> 00:23:53,760

some of it is optical illusion but i

594

00:23:58,470 --> 00:23:54,159

think

595

00:24:03,350 --> 00:23:58,480

maybe the conditions uh actually

596

00:24:06,950 --> 00:24:03,360

produce that effect uh but it is strange

597

00:24:10,470 --> 00:24:06,960

yeah so uh you you're not entirely uh

598

00:24:12,870 --> 00:24:10,480

negative as to a bigfoot or any other

599

00:24:16,310 --> 00:24:12,880

cryptid having some type of uh

600

00:24:19,190 --> 00:24:16,320

abilities that we just don't understand

601
00:24:20,149 --> 00:24:19,200
yeah that's kind of where i i look at it

602
00:24:22,549 --> 00:24:20,159
just because i

603
00:24:24,789 --> 00:24:22,559
i know people that have had some really

604
00:24:26,630 --> 00:24:24,799
amazing gifts and

605
00:24:28,310 --> 00:24:26,640
i just feel like that's not something

606
00:24:31,590 --> 00:24:28,320
you really mess with

607
00:24:36,149 --> 00:24:31,600
you know yeah yeah

608
00:24:36,630 --> 00:24:36,159
so um do you do you do investigations or

609
00:24:39,669 --> 00:24:36,640
do you

610
00:24:43,110 --> 00:24:39,679
collect stories just of idaho

611
00:24:45,350 --> 00:24:43,120
for the majority i mostly collect

612
00:24:47,510 --> 00:24:45,360
stories in idaho but i i i just love to

613
00:24:49,350 --> 00:24:47,520

hear stories so if i hear a good story i

614

00:24:51,110 --> 00:24:49,360

usually write it down and i put it in a

615

00:24:52,149 --> 00:24:51,120

different file in my computer just

616

00:24:55,430 --> 00:24:52,159

because

617

00:24:57,510 --> 00:24:55,440

um

618

00:24:59,269 --> 00:24:57,520

there's some that just make me laugh

619

00:25:01,750 --> 00:24:59,279

because i just think these bigfoot

620

00:25:04,310 --> 00:25:01,760

really have a good sense of humor

621

00:25:06,549 --> 00:25:04,320

um and and i figured they probably have

622

00:25:08,870 --> 00:25:06,559

a huge imaginations because they put up

623

00:25:10,070 --> 00:25:08,880

with some really stupid behavior from

624

00:25:12,630 --> 00:25:10,080

humans

625

00:25:17,430 --> 00:25:12,640

you know without without feeling like

626

00:25:21,190 --> 00:25:19,190

yeah i've heard a lot of strange stories

627

00:25:23,590 --> 00:25:21,200

over the years and uh

628

00:25:25,350 --> 00:25:23,600

you're right i mean the way people react

629

00:25:29,350 --> 00:25:25,360

to these things

630

00:25:32,549 --> 00:25:29,360

and some of the things that they do

631

00:25:34,549 --> 00:25:32,559

uh you know it is ridiculous i mean

632

00:25:35,830 --> 00:25:34,559

you know you're you're basically living

633

00:25:39,350 --> 00:25:35,840

in their area

634

00:25:42,390 --> 00:25:39,360

yeah uh yeah so

635

00:25:43,830 --> 00:25:42,400

what's that again go ahead no i was i

636

00:25:45,990 --> 00:25:43,840

was just going to ask you

637

00:25:48,230 --> 00:25:46,000

what is probably the strangest story

638

00:25:50,789 --> 00:25:48,240

that you've ever heard

639

00:25:52,070 --> 00:25:50,799

or when it kind of tickles you more than

640

00:25:55,510 --> 00:25:52,080

anything else

641

00:25:58,789 --> 00:25:55,520

i i've heard so many well the thing that

642

00:26:01,190 --> 00:25:58,799

kind of that i'm reminded when he said

643

00:26:04,710 --> 00:26:01,200

that about just doing crazy things

644

00:26:07,590 --> 00:26:04,720

um i interviewed a guy once who

645

00:26:09,350 --> 00:26:07,600

um i swear he had a female bigfoot who

646

00:26:13,350 --> 00:26:09,360

had a big crush on him

647

00:26:15,430 --> 00:26:13,360

and um he was he was dating this gal

648

00:26:17,430 --> 00:26:15,440

and they're out on his pickup truck

649

00:26:20,710 --> 00:26:17,440

making out heavy and hot in this

650

00:26:23,990 --> 00:26:20,720

out in the middle of nowhere and he said

651
00:26:26,710 --> 00:26:24,000
um just then the back of his pickup gets

652
00:26:28,950 --> 00:26:26,720
lifted up about two feet and slid over

653
00:26:31,029 --> 00:26:28,960
two feet and just dropped

654
00:26:33,110 --> 00:26:31,039
and he said you know spoils the whole

655
00:26:36,630 --> 00:26:33,120
romance

656
00:26:38,630 --> 00:26:36,640
i bet it makes me laugh cause

657
00:26:39,750 --> 00:26:38,640
he's like the girl's like take me home

658
00:26:42,630 --> 00:26:39,760
man

659
00:26:44,710 --> 00:26:42,640
yeah absolutely the funny thing is

660
00:26:46,870 --> 00:26:44,720
another lady told me i've heard that

661
00:26:49,430 --> 00:26:46,880
story multiple multiple times

662
00:26:50,470 --> 00:26:49,440
but she said another gal was telling me

663
00:26:53,669 --> 00:26:50,480

this and

664

00:26:56,630 --> 00:26:53,679

she's like 81. and um

665

00:26:58,230 --> 00:26:56,640

she said when she was 16 17 she was out

666

00:27:00,870 --> 00:26:58,240

with her cousins

667

00:27:02,630 --> 00:27:00,880

and she and her girl girl cousin were

668

00:27:04,149 --> 00:27:02,640

eating snacks and stuff and the guys

669

00:27:06,630 --> 00:27:04,159

were drinking

670

00:27:08,310 --> 00:27:06,640

and getting kind of obnoxious and and

671

00:27:10,710 --> 00:27:08,320

honoree and stuff

672

00:27:12,470 --> 00:27:10,720

and she said um there just sits out

673

00:27:14,310 --> 00:27:12,480

there in the middle like

674

00:27:16,149 --> 00:27:14,320

somebody picks up the back of the car

675

00:27:18,870 --> 00:27:16,159

and lifts it up about three feet and

676

00:27:21,269 --> 00:27:18,880

then just drops it

677

00:27:22,710 --> 00:27:21,279

and she said the guys go pulling the

678

00:27:24,310 --> 00:27:22,720

pilot out of the car

679

00:27:32,149 --> 00:27:24,320

there's nothing there there's nobody

680

00:27:37,470 --> 00:27:35,590

wow so um

681

00:27:39,190 --> 00:27:37,480

you know do you actually go out in

682

00:27:43,990 --> 00:27:39,200

investigations yourself

683

00:27:47,269 --> 00:27:44,000

or uh do you go and collect evidence or

684

00:27:49,190 --> 00:27:47,279

other than just hearing stories

685

00:27:50,389 --> 00:27:49,200

i don't really think of myself as a

686

00:27:53,830 --> 00:27:50,399

researcher i

687

00:27:54,789 --> 00:27:53,840

i love the stories but one of the things

688

00:27:58,389 --> 00:27:54,799

that makes

689

00:28:01,350 --> 00:27:58,399

others

690

00:28:02,549 --> 00:28:01,360

is that i believe that the bigfoot live

691

00:28:05,909 --> 00:28:02,559

in families

692

00:28:09,029 --> 00:28:05,919

and um as i've listened to all of these

693

00:28:12,710 --> 00:28:09,039

stories for years and years around me

694

00:28:16,549 --> 00:28:12,720

i can pretty well pinpoint where

695

00:28:19,269 --> 00:28:16,559

many of the bigfoot families live and um

696

00:28:20,789 --> 00:28:19,279

what's funny about that is quite often i

697

00:28:24,070 --> 00:28:20,799

like to go down to the bigfoot

698

00:28:25,990 --> 00:28:24,080

to the to the um

699

00:28:29,669 --> 00:28:26,000

indian reservation and i'll sit and just

700

00:28:32,149 --> 00:28:29,679

talk or just sit and just listen

701
00:28:34,149 --> 00:28:32,159
and i used to have this fella who would

702
00:28:34,470 --> 00:28:34,159
tell me some really amazing stories and

703
00:28:37,750 --> 00:28:34,480
he

704
00:28:39,350 --> 00:28:37,760
didn't want to tell me a lot of

705
00:28:41,830 --> 00:28:39,360
information he wanted to keep it all

706
00:28:43,510 --> 00:28:41,840
hidden you know and and so

707
00:28:45,190 --> 00:28:43,520
he would be telling me the story and he

708
00:28:47,909 --> 00:28:45,200
said man that sounds like that

709
00:28:52,870 --> 00:28:47,919
that's that family epic panic creek and

710
00:28:58,870 --> 00:28:56,830
well i listen you know sounds like bunny

711
00:29:02,230 --> 00:28:58,880
creek

712
00:29:05,269 --> 00:29:04,549
i i just thought that was funny but i

713
00:29:08,389 --> 00:29:05,279

that's

714

00:29:11,029 --> 00:29:08,399

what i do is just sit and listen so

715

00:29:12,950 --> 00:29:11,039

anyway there's there's certain areas

716

00:29:14,230 --> 00:29:12,960

around here that are real hot spots

717

00:29:17,590 --> 00:29:14,240

where you hear of a lot

718

00:29:21,430 --> 00:29:17,600

of a lot of activity and

719

00:29:23,669 --> 00:29:21,440

um and it's just kind of fun

720

00:29:25,350 --> 00:29:23,679

you know people will say well sure you

721

00:29:27,750 --> 00:29:25,360

know a lot of your stories are all from

722

00:29:29,909 --> 00:29:27,760

the same areas and i think well

723

00:29:31,269 --> 00:29:29,919

i know the hot spots in my area and it

724

00:29:34,630 --> 00:29:31,279

seems like i kind of

725

00:29:36,470 --> 00:29:34,640

stumble onto people who've had amazing

726

00:29:38,789 --> 00:29:36,480

things happen to them

727

00:29:40,549 --> 00:29:38,799

and then not so much from other sections

728

00:29:43,350 --> 00:29:40,559

in idaho just because i don't have as

729

00:29:47,110 --> 00:29:43,360

many connections up there

730

00:29:50,789 --> 00:29:47,120

right well you know i i have had

731

00:29:54,870 --> 00:29:50,799

a lot of um experience with

732

00:29:58,549 --> 00:29:54,880

talking to witnesses on reservations

733

00:30:01,430 --> 00:29:58,559

in particular navajo reservation down in

734

00:30:03,590 --> 00:30:01,440

new mexico and arizona and some of the

735

00:30:05,750 --> 00:30:03,600

experiences had with the furry ones or

736

00:30:09,029 --> 00:30:05,760

what they call them

737

00:30:13,269 --> 00:30:09,039

and uh for the most part they

738

00:30:16,470 --> 00:30:13,279

you know they really do not want

739

00:30:18,470 --> 00:30:16,480

to be too uh specific as to the

740

00:30:20,789 --> 00:30:18,480

locations and some of the stuff

741

00:30:22,470 --> 00:30:20,799

though i have you know you know with

742

00:30:24,070 --> 00:30:22,480

other people i have talked to them and

743

00:30:26,310 --> 00:30:24,080

i've never been out there

744

00:30:28,230 --> 00:30:26,320

but uh you know with other researchers

745

00:30:30,789 --> 00:30:28,240

and investigators

746

00:30:32,470 --> 00:30:30,799

but uh some of the stories are just

747

00:30:35,430 --> 00:30:32,480

unbelievable

748

00:30:36,070 --> 00:30:35,440

i mean uh you know the encounters and

749

00:30:39,909 --> 00:30:36,080

some of the

750

00:30:41,990 --> 00:30:39,919

the antics that these things do uh

751

00:30:43,029 --> 00:30:42,000

i had a well i don't know if you know

752

00:30:46,870 --> 00:30:43,039

who j.c

753

00:30:48,389 --> 00:30:46,880

johnson was uh not too many years ago

754

00:30:50,310 --> 00:30:48,399

but he used to um

755

00:30:51,750 --> 00:30:50,320

do a lot of research and live down in

756

00:30:55,669 --> 00:30:51,760

the four corners area

757

00:30:59,990 --> 00:30:55,679

and um he used to talk about

758

00:31:04,230 --> 00:31:00,000

being in the um yakuza mountain area

759

00:31:06,630 --> 00:31:04,240

and um chikuska mountains i'm sorry

760

00:31:08,230 --> 00:31:06,640

and uh some of the encounters that he

761

00:31:10,149 --> 00:31:08,240

had there

762

00:31:11,669 --> 00:31:10,159

where these things would just actually

763

00:31:14,310 --> 00:31:11,679

just sit out there and throw

764

00:31:15,029 --> 00:31:14,320

rocks and small pebbles at you all night

765

00:31:18,149 --> 00:31:15,039

long and just

766

00:31:19,990 --> 00:31:18,159

you know just to get a stir a reaction

767

00:31:21,509 --> 00:31:20,000

i mean you know if bigfoot could sit

768

00:31:23,350 --> 00:31:21,519

there and laugh like you know

769

00:31:25,029 --> 00:31:23,360

i bet they would i mean i i bet they're

770

00:31:27,269 --> 00:31:25,039

sitting there just laughing their asses

771

00:31:29,190 --> 00:31:27,279

off at these guys you know

772

00:31:30,549 --> 00:31:29,200

you know one of the things that

773

00:31:33,909 --> 00:31:30,559

surprises me is

774

00:31:36,149 --> 00:31:33,919

that base they spend so much time

775

00:31:37,750 --> 00:31:36,159

around us and most of the time people

776

00:31:40,070 --> 00:31:37,760

aren't even aware of it

777

00:31:41,190 --> 00:31:40,080

you know either they're on their phones

778

00:31:44,230 --> 00:31:41,200

they're just not

779

00:31:45,029 --> 00:31:44,240

paying attention and there's been times

780

00:31:47,430 --> 00:31:45,039

when i've found

781

00:31:49,430 --> 00:31:47,440

footprints you know in really highly

782

00:31:53,269 --> 00:31:49,440

populated areas and i just think

783

00:31:55,509 --> 00:31:53,279

why isn't someone else seeing this

784

00:31:56,789 --> 00:31:55,519

you know do they just do they just not

785

00:31:59,029 --> 00:31:56,799

even notice

786

00:32:00,630 --> 00:31:59,039

you know just they just don't pay

787

00:32:02,789 --> 00:32:00,640

attention

788

00:32:04,549 --> 00:32:02,799

you know i have heard that so many times

789

00:32:08,070 --> 00:32:04,559

from people

790

00:32:11,029 --> 00:32:08,080

uh i actually believe

791

00:32:12,549 --> 00:32:11,039

that some people are predisposed to

792

00:32:15,669 --> 00:32:12,559

being able to

793

00:32:16,070 --> 00:32:15,679

see these things and i don't know if

794

00:32:19,350 --> 00:32:16,080

it's

795

00:32:23,190 --> 00:32:19,360

something that is wired into them that

796

00:32:25,190 --> 00:32:23,200

they they have the ability to um

797

00:32:27,430 --> 00:32:25,200

i don't say sense but they're able to

798

00:32:30,149 --> 00:32:27,440

actually see them

799

00:32:32,710 --> 00:32:30,159

uh or they're able to see the evidence

800

00:32:34,470 --> 00:32:32,720

as opposed to other people

801
00:32:36,710 --> 00:32:34,480
you know especially nowadays everybody

802
00:32:37,590 --> 00:32:36,720
got their face stuck in their cell phone

803
00:32:39,909 --> 00:32:37,600
or

804
00:32:42,389 --> 00:32:39,919
you know you know they're looking down

805
00:32:46,070 --> 00:32:42,399
and not looking up i mean it it

806
00:32:48,470 --> 00:32:46,080
it's an interesting you know revelations

807
00:32:49,190 --> 00:32:48,480
uh but i've also heard people that have

808
00:32:52,230 --> 00:32:49,200
said that

809
00:32:55,509 --> 00:32:52,240
they've actually been following

810
00:32:55,990 --> 00:32:55,519
a specific bigfoot and it would just

811
00:32:57,909 --> 00:32:56,000
suddenly

812
00:32:59,669 --> 00:32:57,919
disappear and they just don't have any

813
00:33:00,470 --> 00:32:59,679

rhyme or reason as to where this thing

814

00:33:02,310 --> 00:33:00,480

went

815

00:33:04,230 --> 00:33:02,320

uh there was no place for it to duck

816

00:33:07,909 --> 00:33:04,240

into or

817

00:33:10,070 --> 00:33:07,919

and uh you know do they have the ability

818

00:33:13,110 --> 00:33:10,080

to cloak do they have the ability to

819

00:33:15,669 --> 00:33:13,120

possibly disappear maybe go through some

820

00:33:17,909 --> 00:33:15,679

type open a portal up of some type

821

00:33:18,710 --> 00:33:17,919

i mean that's the big question i mean we

822

00:33:22,149 --> 00:33:18,720

do

823

00:33:23,269 --> 00:33:22,159

you know i've heard these stories for 40

824

00:33:25,590 --> 00:33:23,279

years now i mean i

825

00:33:26,789 --> 00:33:25,600

you know that these seem to show up and

826

00:33:30,630 --> 00:33:26,799

then they disappear

827

00:33:31,830 --> 00:33:30,640

well maybe there is some ability to make

828

00:33:35,509 --> 00:33:31,840

themselves

829

00:33:39,750 --> 00:33:35,519

unseen by certain people you know

830

00:33:42,149 --> 00:33:39,760

um i started getting this theory

831

00:33:43,590 --> 00:33:42,159

oh years ago when i was interviewing

832

00:33:46,470 --> 00:33:43,600

people

833

00:33:49,110 --> 00:33:46,480

and so i have this question that i

834

00:33:50,710 --> 00:33:49,120

normally ask everyone i interview

835

00:33:52,870 --> 00:33:50,720

somewhere near the end of the interview

836

00:33:54,549 --> 00:33:52,880

all to say so

837

00:33:56,470 --> 00:33:54,559

have you ever had a near-death

838

00:33:59,750 --> 00:33:56,480

experience

839

00:34:01,190 --> 00:33:59,760

and you know it's running about say 70

840

00:34:04,310 --> 00:34:01,200

percent

841

00:34:06,389 --> 00:34:04,320

that of the people who remember that

842

00:34:09,829 --> 00:34:06,399

they've had a near-death experience

843

00:34:12,710 --> 00:34:09,839

where because my thought on that is

844

00:34:13,109 --> 00:34:12,720

that if you have gone have you if you've

845

00:34:16,310 --> 00:34:13,119

gone

846

00:34:20,230 --> 00:34:16,320

past the

847

00:34:21,430 --> 00:34:20,240

the point where you almost died and then

848

00:34:23,750 --> 00:34:21,440

came back

849

00:34:25,669 --> 00:34:23,760

i feel like you pick up some extra

850

00:34:29,190 --> 00:34:25,679

sensory stuff that

851
00:34:31,109 --> 00:34:29,200
maybe others miss um i do know

852
00:34:32,629 --> 00:34:31,119
where you were talking about how they

853
00:34:35,750 --> 00:34:32,639
just disappeared i know

854
00:34:37,109 --> 00:34:35,760
um i was talking to a little indian gal

855
00:34:39,750 --> 00:34:37,119
and she said

856
00:34:41,030 --> 00:34:39,760
that she watched the bigfoot walk

857
00:34:43,430 --> 00:34:41,040
through

858
00:34:44,869 --> 00:34:43,440
a flock of wild turkeys and the turkeys

859
00:34:49,030 --> 00:34:44,879
didn't startle

860
00:34:51,510 --> 00:34:49,040
at all um

861
00:34:53,190 --> 00:34:51,520
so she said it's just i guess maybe

862
00:34:55,750 --> 00:34:53,200
being one with nature

863
00:34:56,550 --> 00:34:55,760

or whatever i don't know you know i have

864

00:34:58,710 --> 00:34:56,560

heard something

865

00:35:00,790 --> 00:34:58,720

similar that before i i know there's a

866

00:35:03,270 --> 00:35:00,800

guy i know down in the hill country in

867

00:35:06,630 --> 00:35:03,280

texas he's got a ranch

868

00:35:09,990 --> 00:35:06,640

and uh he talks about seeing

869

00:35:11,990 --> 00:35:10,000

the local bigfoot just walking among the

870

00:35:14,390 --> 00:35:12,000

sheep on his ranch just yeah

871

00:35:16,550 --> 00:35:14,400

like there's nothing there even the

872

00:35:19,109 --> 00:35:16,560

cattle i mean

873

00:35:20,710 --> 00:35:19,119

now he did say on occasion he has

874

00:35:24,710 --> 00:35:20,720

actually seen

875

00:35:27,750 --> 00:35:24,720

uh one of the bigfoot actually sitting

876

00:35:30,230 --> 00:35:27,760

in a pen basically playing with one of

877

00:35:31,910 --> 00:35:30,240

these sheep

878

00:35:33,270 --> 00:35:31,920

i don't i don't know if it's actually

879

00:35:36,550 --> 00:35:33,280

you know that

880

00:35:39,349 --> 00:35:36,560

they just are so used to each other or

881

00:35:39,910 --> 00:35:39,359

if there's something else behind that

882

00:35:41,829 --> 00:35:39,920

you know

883

00:35:43,270 --> 00:35:41,839

you you hear all the you hear all these

884

00:35:46,069 --> 00:35:43,280

encounters

885

00:35:48,069 --> 00:35:46,079

and you gotta wonder you know what are

886

00:35:49,510 --> 00:35:48,079

we missing i mean there's something that

887

00:35:52,790 --> 00:35:49,520

we just don't

888

00:35:55,510 --> 00:35:52,800

get you know as far as nature goes

889

00:35:57,270 --> 00:35:55,520

uh though we may have at one point but

890

00:36:00,310 --> 00:35:57,280

we don't now

891

00:36:01,910 --> 00:36:00,320

yeah i know that um one of the things

892

00:36:04,150 --> 00:36:01,920

that bothers me a lot when

893

00:36:05,430 --> 00:36:04,160

when i talk to people is how fearful

894

00:36:09,030 --> 00:36:05,440

people are

895

00:36:11,829 --> 00:36:09,040

is you know i guess we've grown up in an

896

00:36:13,589 --> 00:36:11,839

era where you know people go out on

897

00:36:15,510 --> 00:36:13,599

purpose to be scared you know they go to

898

00:36:17,510 --> 00:36:15,520

the haunted mansions and

899

00:36:19,190 --> 00:36:17,520

haunted houses they they like going to

900

00:36:22,310 --> 00:36:19,200

horror shows or whatever and that

901
00:36:25,430 --> 00:36:22,320
you know on purpose you go to get scared

902
00:36:26,710 --> 00:36:25,440
so when you're going into the woods if

903
00:36:27,910 --> 00:36:26,720
you expect to be scared

904
00:36:29,750 --> 00:36:27,920
you're going to run into something that

905
00:36:31,670 --> 00:36:29,760
scares you because that's

906
00:36:32,950 --> 00:36:31,680
the purpose of being going in to be

907
00:36:34,870 --> 00:36:32,960
scared

908
00:36:36,950 --> 00:36:34,880
and i look at it the other way and i

909
00:36:39,109 --> 00:36:36,960
just think you know

910
00:36:41,750 --> 00:36:39,119
we have this beautiful earth we have

911
00:36:43,910 --> 00:36:41,760
some amazing things out there

912
00:36:45,030 --> 00:36:43,920
and if you go out to just actually just

913
00:36:47,270 --> 00:36:45,040

enjoy

914

00:36:48,790 --> 00:36:47,280

the beauty you're going to find

915

00:36:52,069 --> 00:36:48,800

something to appreciate

916

00:36:55,589 --> 00:36:52,079

you know so i i

917

00:36:59,190 --> 00:36:55,599

just i guess being tall myself

918

00:37:01,829 --> 00:36:59,200

i'm six six so being tall myself

919

00:37:02,470 --> 00:37:01,839

i have run into a lot of people women in

920

00:37:05,750 --> 00:37:02,480

specific

921

00:37:07,750 --> 00:37:05,760

three

922

00:37:09,990 --> 00:37:07,760

they are scared of me by virtue of the

923

00:37:14,710 --> 00:37:10,000

fact that i'm tall

924

00:37:19,270 --> 00:37:17,349

i make a point when i when i watch

925

00:37:21,589 --> 00:37:19,280

someone's face

926

00:37:23,430 --> 00:37:21,599

if they act like they're scared i

927

00:37:26,550 --> 00:37:23,440

immediately sit down

928

00:37:28,150 --> 00:37:26,560

so that i'm on their level because it's

929

00:37:31,190 --> 00:37:28,160

a it's a fear factor thing

930

00:37:31,829 --> 00:37:31,200

they're scared so they interview people

931

00:37:35,270 --> 00:37:31,839

and they're like

932

00:37:37,589 --> 00:37:35,280

oh my gosh it was huge

933

00:37:38,470 --> 00:37:37,599

and i just think okay so how tall was it

934

00:37:39,990 --> 00:37:38,480

oh it's only

935

00:37:41,829 --> 00:37:40,000

seven and a half eight feet tall you

936

00:37:45,990 --> 00:37:41,839

know and i just think

937

00:37:49,030 --> 00:37:46,000

okay so so did you have any

938

00:37:49,510 --> 00:37:49,040

method of comparison to to arrive at

939

00:37:52,870 --> 00:37:49,520

that

940

00:37:55,750 --> 00:37:52,880

measurement um what's been interesting

941

00:37:57,430 --> 00:37:55,760

is to me is that those that have been

942

00:38:00,550 --> 00:37:57,440

able to measure them against

943

00:38:02,550 --> 00:38:00,560

something like a tree or whatever

944

00:38:05,270 --> 00:38:02,560

um they found out that they're actually

945

00:38:07,349 --> 00:38:05,280

taller than that but

946

00:38:09,990 --> 00:38:07,359

it's a hype it's a height thing you know

947

00:38:11,670 --> 00:38:10,000

like my sisters are all six inches

948

00:38:13,829 --> 00:38:11,680

shorter than i am

949

00:38:15,670 --> 00:38:13,839

but a lot of people if they run into us

950

00:38:18,710 --> 00:38:15,680

they think well you guys are all tall

951
00:38:21,430 --> 00:38:18,720
and i think well okay they're

952
00:38:23,030 --> 00:38:21,440
they're tall but i'm extraordinarily

953
00:38:25,990 --> 00:38:23,040
tall

954
00:38:28,870 --> 00:38:26,000
it's just a it's a hype thing you know

955
00:38:32,710 --> 00:38:31,190
to me the hype part is not something to

956
00:38:36,310 --> 00:38:32,720
be scared of

957
00:38:38,390 --> 00:38:36,320
um so i i've been really blessed to be

958
00:38:39,829 --> 00:38:38,400
able to talk to some people who

959
00:38:41,750 --> 00:38:39,839
who literally are still having

960
00:38:43,829 --> 00:38:41,760
nightmares after having run into a

961
00:38:45,670 --> 00:38:43,839
bigfoot and i just think you know

962
00:38:47,589 --> 00:38:45,680
okay so let's break this down what

963
00:38:48,069 --> 00:38:47,599

happened you know and they told me what

964

00:38:51,109 --> 00:38:48,079

happened

965

00:38:52,710 --> 00:38:51,119

and i and i just said you know it really

966

00:38:55,430 --> 00:38:52,720

sounds to me

967

00:38:57,349 --> 00:38:55,440

like they weren't trying to scare you

968

00:38:58,870 --> 00:38:57,359

but they were merely curious about what

969

00:39:01,510 --> 00:38:58,880

you were doing

970

00:39:01,990 --> 00:39:01,520

and if you can look at that experience

971

00:39:05,349 --> 00:39:02,000

with the

972

00:39:07,510 --> 00:39:05,359

you know throw in the curiosity factor

973

00:39:08,950 --> 00:39:07,520

um i think you'll see that a little bit

974

00:39:12,390 --> 00:39:08,960

different

975

00:39:14,550 --> 00:39:12,400

and i talked to one guy oh

976
00:39:15,670 --> 00:39:14,560
just a couple weeks ago and he's like

977
00:39:19,030 --> 00:39:15,680
thank you

978
00:39:22,230 --> 00:39:19,040
said this happened a year ago and i've

979
00:39:25,750 --> 00:39:22,240
still been having nightmares

980
00:39:26,150 --> 00:39:25,760
wow it does affect people it really does

981
00:39:41,030 --> 00:39:26,160
i

982
00:39:43,109 --> 00:39:41,040
does other people

983
00:39:44,870 --> 00:39:43,119
you know and you mentioned earlier about

984
00:39:47,670 --> 00:39:44,880
uh people

985
00:39:48,310 --> 00:39:47,680
going out into uh the woods or wherever

986
00:39:50,550 --> 00:39:48,320
and ex

987
00:39:52,150 --> 00:39:50,560
and looking for something you know it's

988
00:39:53,670 --> 00:39:52,160

just like you people who go out

989

00:39:55,750 --> 00:39:53,680

big food hunters are out there looking

990

00:39:56,470 --> 00:39:55,760

for bigfoot they just very rarely find

991

00:39:58,310 --> 00:39:56,480

one

992

00:39:59,670 --> 00:39:58,320

but you know the people that do see a

993

00:40:01,750 --> 00:39:59,680

bigfoot are

994

00:40:03,510 --> 00:40:01,760

another type of crypt that are out there

995

00:40:07,510 --> 00:40:03,520

just enjoying themselves

996

00:40:10,870 --> 00:40:07,520

for no reason and i think that you know

997

00:40:13,589 --> 00:40:10,880

they're uh maybe their attitude uh

998

00:40:15,510 --> 00:40:13,599

their their the way they carry

999

00:40:17,990 --> 00:40:15,520

themselves and

1000

00:40:19,750 --> 00:40:18,000

less threatening maybe that's why they

1001

00:40:22,829 --> 00:40:19,760

are able to see

1002

00:40:25,990 --> 00:40:22,839

these beings there was a fellow i

1003

00:40:28,550 --> 00:40:26,000

interviewed actually i i was standing in

1004

00:40:30,390 --> 00:40:28,560

a group of older folks

1005

00:40:32,710 --> 00:40:30,400

and i just kind of threw out a random

1006

00:40:35,190 --> 00:40:32,720

question hey has have anybody

1007

00:40:35,750 --> 00:40:35,200

around here ever seen a big butt and you

1008

00:40:40,550 --> 00:40:35,760

know

1009

00:40:41,349 --> 00:40:40,560

uh this is becky she's just silly you

1010

00:40:42,950 --> 00:40:41,359

know

1011

00:40:44,870 --> 00:40:42,960

and this one guy just kind of made her

1012

00:40:46,790 --> 00:40:44,880

funny expression and

1013

00:40:49,750 --> 00:40:46,800

oh a couple of days later he said you

1014

00:40:52,309 --> 00:40:49,760

know i ran into a bigfoot

1015

00:40:53,670 --> 00:40:52,319

i said really where he said just around

1016

00:40:57,190 --> 00:40:53,680

the corner from here

1017

00:40:59,670 --> 00:40:57,200

in the middle of the town and i said so

1018

00:41:02,150 --> 00:40:59,680

how did that happen and he said well we

1019

00:41:04,309 --> 00:41:02,160

had this great big snowstorm

1020

00:41:05,670 --> 00:41:04,319

and he said i wanted to go check on a

1021

00:41:08,630 --> 00:41:05,680

couple of widows i knew

1022

00:41:10,309 --> 00:41:08,640

so i'm on my snowmobile and went around

1023

00:41:12,150 --> 00:41:10,319

check on them made sure that everybody

1024

00:41:13,750 --> 00:41:12,160

had firewood and whatnot and he said i

1025

00:41:15,589 --> 00:41:13,760

was coming home

1026

00:41:16,870 --> 00:41:15,599

and here was this bigfoot stand in the

1027

00:41:18,950 --> 00:41:16,880

middle road

1028

00:41:20,790 --> 00:41:18,960

and i said so what color was he and he

1029

00:41:23,990 --> 00:41:20,800

says it was kind of

1030

00:41:25,670 --> 00:41:24,000

silver gray kind of like a dirty gray

1031

00:41:27,589 --> 00:41:25,680

you could see him just as clear as can

1032

00:41:29,670 --> 00:41:27,599

be you know and

1033

00:41:30,870 --> 00:41:29,680

and i said so what'd he do he said he

1034

00:41:33,270 --> 00:41:30,880

just kind of looked at me

1035

00:41:33,990 --> 00:41:33,280

and i lifted him and then he kept

1036

00:41:37,670 --> 00:41:34,000

walking across

1037

00:41:41,430 --> 00:41:37,680

the road and i thought they do exist

1038

00:41:46,309 --> 00:41:44,550

he's also one of the few people um

1039

00:41:47,990 --> 00:41:46,319

one of the other common questions i get

1040

00:41:48,390 --> 00:41:48,000

is what do they do with their dead you

1041

00:41:50,950 --> 00:41:48,400

know

1042

00:41:52,230 --> 00:41:50,960

how come we never found the body and the

1043

00:41:54,069 --> 00:41:52,240

indians that i've asked

1044

00:41:55,510 --> 00:41:54,079

about that they'll say that they either

1045

00:41:57,510 --> 00:41:55,520

bury them in water

1046

00:41:59,430 --> 00:41:57,520

and they'll put like heavy rocks on

1047

00:42:02,150 --> 00:41:59,440

their chest and sink the bodies down

1048

00:42:03,030 --> 00:42:02,160

they've seen them do that or they will

1049

00:42:06,710 --> 00:42:03,040

bury them

1050

00:42:07,750 --> 00:42:06,720

like we do so the same guy was saying

1051
00:42:11,670 --> 00:42:07,760
that he was a

1052
00:42:13,910 --> 00:42:11,680
um he was a boy scout leader

1053
00:42:16,069 --> 00:42:13,920
and he'd taken the guys on a 50-mile

1054
00:42:18,870 --> 00:42:16,079
hike way out in the middle of nowhere

1055
00:42:19,750 --> 00:42:18,880
it's beautiful hike by the way highly

1056
00:42:23,430 --> 00:42:19,760
recommended

1057
00:42:25,109 --> 00:42:23,440
i know so they were about the mid point

1058
00:42:28,390 --> 00:42:25,119
in their week so they've been out

1059
00:42:30,550 --> 00:42:28,400
probably about 22 miles he said and um

1060
00:42:31,910 --> 00:42:30,560
up in those hills and they'd set up camp

1061
00:42:34,390 --> 00:42:31,920
and the guys were just running around

1062
00:42:35,190 --> 00:42:34,400
playing and stuff and they come running

1063
00:42:37,109 --> 00:42:35,200

back and they're like

1064

00:42:38,230 --> 00:42:37,119

you gotta see this you've got to say

1065

00:42:41,910 --> 00:42:38,240

this

1066

00:42:43,270 --> 00:42:41,920

that was surrounded by bushes and right

1067

00:42:44,309 --> 00:42:43,280

in the middle there were these five

1068

00:42:47,109 --> 00:42:44,319

grapes

1069

00:42:47,750 --> 00:42:47,119

they were all about 10 feet long and

1070

00:42:49,829 --> 00:42:47,760

there were

1071

00:42:51,510 --> 00:42:49,839

limited vegetation growing over the top

1072

00:42:54,710 --> 00:42:51,520

of them

1073

00:42:55,910 --> 00:42:54,720

but they you know he figured that they

1074

00:42:58,230 --> 00:42:55,920

must have been

1075

00:42:59,349 --> 00:42:58,240

put there like sometime the last year

1076

00:43:08,309 --> 00:42:59,359

the

1077

00:43:11,430 --> 00:43:08,319

he's like nothing about this

1078

00:43:12,630 --> 00:43:11,440

you know what axe murder is kill

1079

00:43:16,230 --> 00:43:12,640

somebody

1080

00:43:19,829 --> 00:43:16,240

and drag them up 22 miles out of nowhere

1081

00:43:27,750 --> 00:43:23,910

we're probably safe these are old graves

1082

00:43:30,950 --> 00:43:27,760

we're going to leave them alone now

1083

00:43:33,589 --> 00:43:30,960

back away from graves anyway so

1084

00:43:34,390 --> 00:43:33,599

um so he told me that story and i just

1085

00:43:38,470 --> 00:43:34,400

thought that was

1086

00:43:40,790 --> 00:43:38,480

that's pretty dang cool you know

1087

00:43:44,390 --> 00:43:40,800

it's you know it's people who tell me

1088

00:43:47,910 --> 00:43:46,550

i feel so privileged that they trust me

1089

00:43:51,109 --> 00:43:47,920

with those stories

1090

00:43:52,710 --> 00:43:51,119

yeah because there's some you know

1091

00:43:54,870 --> 00:43:52,720

sometimes people will say you know i've

1092

00:43:57,270 --> 00:43:54,880

never told anyone

1093

00:43:57,910 --> 00:43:57,280

because people laugh at you they're you

1094

00:44:00,230 --> 00:43:57,920

know

1095

00:44:01,190 --> 00:44:00,240

it's like even with pictures that you

1096

00:44:02,390 --> 00:44:01,200

know

1097

00:44:04,630 --> 00:44:02,400

somebody will put a picture up and

1098

00:44:07,349 --> 00:44:04,640

they're like oh you can easily tell

1099

00:44:10,630 --> 00:44:07,359

that's all fake man

1100

00:44:14,710 --> 00:44:10,640

yeah really so

1101
00:44:17,910 --> 00:44:14,720
have you seen one nope okay

1102
00:44:20,950 --> 00:44:17,920
okay then so just

1103
00:44:24,870 --> 00:44:20,960
back off yeah have a little bit of

1104
00:44:25,510 --> 00:44:24,880
and just respect for other people who

1105
00:44:29,990 --> 00:44:25,520
have had

1106
00:44:31,829 --> 00:44:30,000
different experiences you know i have

1107
00:44:34,150 --> 00:44:31,839
and i find this hard to believe but it's

1108
00:44:37,589 --> 00:44:34,160
true i have never heard

1109
00:44:39,349 --> 00:44:37,599
of a water burial possibility

1110
00:44:40,790 --> 00:44:39,359
and you've had you've had several people

1111
00:44:44,230 --> 00:44:40,800
tell you that

1112
00:44:48,550 --> 00:44:46,230
even better than that you know people

1113
00:44:50,710 --> 00:44:48,560

always say that the bigfoot stink

1114

00:44:53,030 --> 00:44:50,720

well you think about it if we didn't

1115

00:44:55,670 --> 00:44:53,040

take showers regularly

1116

00:44:57,430 --> 00:44:55,680

we would probably stink too but i

1117

00:45:00,069 --> 00:44:57,440

actually got this really cool report

1118

00:45:03,349 --> 00:45:00,079

about a bigfoot taking shower too

1119

00:45:04,470 --> 00:45:03,359

so these these two little girls had gone

1120

00:45:08,390 --> 00:45:04,480

to the

1121

00:45:11,030 --> 00:45:08,400

spend

1122

00:45:12,390 --> 00:45:11,040

their two dollars and change you know

1123

00:45:14,710 --> 00:45:12,400

and on the way back

1124

00:45:16,950 --> 00:45:14,720

their bicycles ran over some puncture

1125

00:45:18,950 --> 00:45:16,960

weed and got flat tires

1126

00:45:21,030 --> 00:45:18,960

so they were taking a cut off to their

1127

00:45:22,230 --> 00:45:21,040

house which was right along the edge of

1128

00:45:24,790 --> 00:45:22,240

a canal

1129

00:45:26,950 --> 00:45:24,800

and this gal was saying we could hear

1130

00:45:28,710 --> 00:45:26,960

something in front of us singing

1131

00:45:31,270 --> 00:45:28,720

and she said only it didn't sound like

1132

00:45:34,069 --> 00:45:31,280

anything i'd ever heard before

1133

00:45:35,829 --> 00:45:34,079

and she said we got up a little closer

1134

00:45:39,030 --> 00:45:35,839

and there was this place where

1135

00:45:41,349 --> 00:45:39,040

the the stream of water comes

1136

00:45:42,710 --> 00:45:41,359

off the top of the hill and down into

1137

00:45:44,550 --> 00:45:42,720

the canal

1138

00:45:48,870 --> 00:45:44,560

and she said there was a big foot

1139

00:45:51,910 --> 00:45:48,880

standing there under the stream of water

1140

00:45:53,670 --> 00:45:51,920

and she said we sat there and we watched

1141

00:45:55,750 --> 00:45:53,680

it for a while and then

1142

00:45:58,790 --> 00:45:55,760

and then i convinced my friend let's go

1143

00:46:01,109 --> 00:45:58,800

sneak home and tell dad

1144

00:46:04,870 --> 00:46:01,119

so they did and i just thought you know

1145

00:46:06,790 --> 00:46:04,880

what that is actually pretty dang cool

1146

00:46:08,950 --> 00:46:06,800

yeah i you know i i've heard of them

1147

00:46:11,030 --> 00:46:08,960

actually going into water

1148

00:46:12,390 --> 00:46:11,040

uh for something other than grabbing

1149

00:46:15,829 --> 00:46:12,400

fish or whatever

1150

00:46:18,630 --> 00:46:15,839

but uh you know i've never heard of one

1151
00:46:19,030 --> 00:46:18,640
standing under a waterfall or something

1152
00:46:21,670 --> 00:46:19,040
to

1153
00:46:22,630 --> 00:46:21,680
take a shower that's a new one you know

1154
00:46:25,750 --> 00:46:22,640
you you

1155
00:46:29,030 --> 00:46:25,760
you were raised around uh native

1156
00:46:33,030 --> 00:46:29,040
native people um

1157
00:46:35,270 --> 00:46:33,040
overall do they do they look at these

1158
00:46:36,630 --> 00:46:35,280
these bigfoot or sasquatch or whatever

1159
00:46:39,829 --> 00:46:36,640
you want to call them

1160
00:46:42,230 --> 00:46:39,839
as actual beings or more spiritual than

1161
00:46:44,870 --> 00:46:42,240
anything else they

1162
00:46:45,750 --> 00:46:44,880
treat almost everything like a spiritual

1163
00:46:49,349 --> 00:46:45,760

entity

1164

00:46:52,550 --> 00:46:49,359

and um it's one of the things that i

1165

00:46:56,470 --> 00:46:52,560

actually miss a lot of because

1166

00:46:57,829 --> 00:46:56,480

they treat people with respect far more

1167

00:47:00,470 --> 00:46:57,839

than i think

1168

00:47:01,430 --> 00:47:00,480

we as people treat other people with

1169

00:47:05,030 --> 00:47:01,440

respect

1170

00:47:06,150 --> 00:47:05,040

yeah they just you know if it's not

1171

00:47:08,470 --> 00:47:06,160

hurting you

1172

00:47:10,150 --> 00:47:08,480

don't mess with it but in the same

1173

00:47:12,309 --> 00:47:10,160

aspect like if they go out and they're

1174

00:47:15,430 --> 00:47:12,319

going hunting it's for food

1175

00:47:17,030 --> 00:47:15,440

it's not for sport you know and i've

1176

00:47:17,990 --> 00:47:17,040

seen an awful lot of white people are

1177

00:47:19,510 --> 00:47:18,000

like they're

1178

00:47:21,109 --> 00:47:19,520

they've got three freezers at home

1179

00:47:22,950 --> 00:47:21,119

they're all full of meat but they gotta

1180

00:47:24,790 --> 00:47:22,960

go out and go hunting because they got a

1181

00:47:27,270 --> 00:47:24,800

tag this year you know

1182

00:47:29,349 --> 00:47:27,280

and they just what's the purpose in that

1183

00:47:31,030 --> 00:47:29,359

really what's the purpose in that

1184

00:47:32,390 --> 00:47:31,040

you know i used to do a lot of hunting

1185

00:47:35,190 --> 00:47:32,400

at one point but i

1186

00:47:36,549 --> 00:47:35,200

i almost got to the point like said i

1187

00:47:39,589 --> 00:47:36,559

thought well what am i

1188

00:47:41,510 --> 00:47:39,599

doing you know uh

1189

00:47:43,510 --> 00:47:41,520

you know when you're young you you know

1190

00:47:44,230 --> 00:47:43,520

that doesn't bother i'll be quite honest

1191

00:47:46,390 --> 00:47:44,240

with you

1192

00:47:47,349 --> 00:47:46,400

over the past 40 years and i haven't

1193

00:47:50,549 --> 00:47:47,359

hunted since

1194

00:47:53,750 --> 00:47:50,559

back in this early 80s i

1195

00:47:56,630 --> 00:47:53,760

um i don't think i'd go out into

1196

00:47:58,309 --> 00:47:56,640

some of the places i used to go as

1197

00:48:00,150 --> 00:47:58,319

before because

1198

00:48:02,790 --> 00:48:00,160

you know when you hear all this stuff

1199

00:48:04,390 --> 00:48:02,800

and uh on a regular basis you're kind of

1200

00:48:07,990 --> 00:48:04,400

apprehensive about going out in the

1201

00:48:13,030 --> 00:48:10,309

you know there have been some instances

1202

00:48:15,750 --> 00:48:13,040

where i have been out there

1203

00:48:17,510 --> 00:48:15,760

and uh let's say i'd be squirrel hunting

1204

00:48:19,589 --> 00:48:17,520

and i'm sitting and watching a tree i

1205

00:48:22,549 --> 00:48:19,599

hear some of the strangest noises

1206

00:48:23,349 --> 00:48:22,559

that i couldn't even figure what it was

1207

00:48:25,430 --> 00:48:23,359

yeah

1208

00:48:26,870 --> 00:48:25,440

and back then i had a bigfoot what the

1209

00:48:30,549 --> 00:48:26,880

hell's a bigfoot yeah

1210

00:48:32,549 --> 00:48:30,559

but maybe i mean because

1211

00:48:34,390 --> 00:48:32,559

these are areas where i have gotten

1212

00:48:37,829 --> 00:48:34,400

reports from

1213

00:48:40,470 --> 00:48:37,839

since that time so uh it makes you think

1214

00:48:41,990 --> 00:48:40,480

you know wonder mom maybe i did have an

1215

00:48:43,750 --> 00:48:42,000

encounter maybe at that point

1216

00:48:45,030 --> 00:48:43,760

maybe it was there and i just didn't

1217

00:48:48,470 --> 00:48:45,040

recognize it or

1218

00:48:50,870 --> 00:48:48,480

whatever yeah you know i

1219

00:48:52,710 --> 00:48:50,880

i heard this really amazing story and

1220

00:48:54,790 --> 00:48:52,720

unfortunately the

1221

00:48:57,829 --> 00:48:54,800

the fellow had happened to passed away

1222

00:49:00,230 --> 00:48:57,839

before i got to interview him personally

1223

00:49:01,190 --> 00:49:00,240

but his hunting partner told me the

1224

00:49:03,030 --> 00:49:01,200

story

1225

00:49:05,589 --> 00:49:03,040

and he said they went out with a group

1226
00:49:06,710 --> 00:49:05,599
of them a group of hunters and he said

1227
00:49:10,069 --> 00:49:06,720
as they were passing

1228
00:49:12,230 --> 00:49:10,079
under the shale area some rocks came

1229
00:49:13,750 --> 00:49:12,240
down and one of them bounced off his

1230
00:49:17,430 --> 00:49:13,760
friend's head

1231
00:49:19,430 --> 00:49:17,440
and cut him cut him across the temple

1232
00:49:21,270 --> 00:49:19,440
and it kind of gave him a headache he

1233
00:49:23,910 --> 00:49:21,280
really didn't feel very good after that

1234
00:49:25,109 --> 00:49:23,920
and and so they were headed out for a

1235
00:49:27,190 --> 00:49:25,119
couple of days and

1236
00:49:29,270 --> 00:49:27,200
and he finally convinced his partners he

1237
00:49:32,069 --> 00:49:29,280
said you know i

1238
00:49:32,950 --> 00:49:32,079

i really don't feel like riding in for a

1239

00:49:34,470 --> 00:49:32,960

couple of days

1240

00:49:36,790 --> 00:49:34,480

why don't you just leave me here and

1241

00:49:38,549 --> 00:49:36,800

i'll stay in this cave right here

1242

00:49:40,069 --> 00:49:38,559

and then when you come past again you

1243

00:49:42,630 --> 00:49:40,079

can pick me up

1244

00:49:44,230 --> 00:49:42,640

so they left him there and he had you

1245

00:49:47,829 --> 00:49:44,240

know food and

1246

00:49:51,109 --> 00:49:47,839

food and fire and whatnot and he

1247

00:49:54,150 --> 00:49:51,119

what he told his partner was that he

1248

00:49:56,470 --> 00:49:54,160

was awakened in the middle of the night

1249

00:49:58,150 --> 00:49:56,480

and there was this bigfoot crouched down

1250

00:50:01,190 --> 00:49:58,160

beside him

1251
00:50:05,750 --> 00:50:01,200
and it was wiping his head

1252
00:50:09,270 --> 00:50:05,760
with what felt like the soot of the fire

1253
00:50:11,670 --> 00:50:09,280
and he said his head really hurt

1254
00:50:13,829 --> 00:50:11,680
so i'm sure that whatever it was doing

1255
00:50:17,510 --> 00:50:13,839
it thought it was helping but

1256
00:50:19,349 --> 00:50:17,520
um he said it was there for some time

1257
00:50:21,109 --> 00:50:19,359
and then when he woke the next morning

1258
00:50:22,470 --> 00:50:21,119
headache was gone and the bigfoot was

1259
00:50:24,870 --> 00:50:22,480
gone

1260
00:50:25,670 --> 00:50:24,880
and i asked his hunting partner he said

1261
00:50:27,589 --> 00:50:25,680
so

1262
00:50:30,470 --> 00:50:27,599
how truthful do you think he was and he

1263
00:50:32,470 --> 00:50:30,480

said oh he liked his jokes just as well

1264

00:50:35,349 --> 00:50:32,480

as everyone else but he said when he

1265

00:50:37,109 --> 00:50:35,359

told you something that serious you

1266

00:50:40,630 --> 00:50:37,119

never change the story

1267

00:50:44,150 --> 00:50:40,640

no man that would be pretty intense

1268

00:50:48,390 --> 00:50:47,510

that that that's a good story you know

1269

00:50:52,549 --> 00:50:48,400

uh

1270

00:50:55,190 --> 00:50:52,559

i have i have heard a few

1271

00:50:56,790 --> 00:50:55,200

few stories from people where it did

1272

00:50:58,069 --> 00:50:56,800

seem like they were actually trying to

1273

00:51:00,710 --> 00:50:58,079

help

1274

00:51:02,870 --> 00:51:00,720

yeah there's a there's a gal i talked to

1275

00:51:06,069 --> 00:51:02,880

out in um

1276
00:51:06,950 --> 00:51:06,079
in uh eastern new mexico she lives close

1277
00:51:10,230 --> 00:51:06,960
to texas

1278
00:51:11,270 --> 00:51:10,240
order and she's had a couple run-ins

1279
00:51:15,030 --> 00:51:11,280
with bigfoot

1280
00:51:15,510 --> 00:51:15,040
and um she said that when she was

1281
00:51:19,910 --> 00:51:15,520
younger

1282
00:51:21,589 --> 00:51:19,920
she had actually uh

1283
00:51:23,109 --> 00:51:21,599
she well you know she used to play

1284
00:51:24,069 --> 00:51:23,119
around there was a school there when she

1285
00:51:26,069 --> 00:51:24,079
went to school but

1286
00:51:27,109 --> 00:51:26,079
you know during the day she would go and

1287
00:51:29,270 --> 00:51:27,119
play there

1288
00:51:31,349 --> 00:51:29,280

at the night and she said there was an

1289

00:51:31,670 --> 00:51:31,359

old store that was abandoned that was

1290

00:51:34,309 --> 00:51:31,680

there

1291

00:51:36,069 --> 00:51:34,319

so she figured she'd go exploring well

1292

00:51:37,829 --> 00:51:36,079

when she walked up there

1293

00:51:39,349 --> 00:51:37,839

onto the porch she fell through the

1294

00:51:42,710 --> 00:51:39,359

porch and

1295

00:51:45,670 --> 00:51:42,720

she cut her leg and she's

1296

00:51:46,870 --> 00:51:45,680

uh sitting there on the porch you seem

1297

00:51:50,069 --> 00:51:46,880

good all the way through

1298

00:51:50,470 --> 00:51:50,079

she's sitting here on the porch and got

1299

00:51:57,190 --> 00:51:50,480

this

1300

00:51:59,510 --> 00:51:57,200

and you know and she's crying and she's

1301
00:52:02,630 --> 00:51:59,520
upset because she can't walk

1302
00:52:03,990 --> 00:52:02,640
and she said a couple minutes later this

1303
00:52:07,510 --> 00:52:04,000
shadow comes over top

1304
00:52:08,710 --> 00:52:07,520
of her you know and she looks up and

1305
00:52:12,950 --> 00:52:08,720
hits this bigfoot

1306
00:52:20,710 --> 00:52:16,790
bends down picks her up and takes her

1307
00:52:23,910 --> 00:52:20,720
to her home sits her on the porch

1308
00:52:27,109 --> 00:52:23,920
and takes the shard out of her leg

1309
00:52:29,510 --> 00:52:27,119
and then just runs off and

1310
00:52:30,950 --> 00:52:29,520
you know and i i tell you the way she

1311
00:52:33,270 --> 00:52:30,960
told it to me and she was native

1312
00:52:35,510 --> 00:52:33,280
american too she was navajo

1313
00:52:37,349 --> 00:52:35,520

and with the way she told this to i i

1314

00:52:39,030 --> 00:52:37,359

knew she was telling me the truth

1315

00:52:40,549 --> 00:52:39,040

you know after all these years you can

1316

00:52:41,910 --> 00:52:40,559

tell when somebody's

1317

00:52:43,589 --> 00:52:41,920

you know pulling their leg or telling

1318

00:52:46,069 --> 00:52:43,599

you something and

1319

00:52:47,670 --> 00:52:46,079

that's one of the things i watch for

1320

00:52:48,630 --> 00:52:47,680

when people are telling me stories you

1321

00:52:51,990 --> 00:52:48,640

just think uh

1322

00:52:55,430 --> 00:52:52,000

huh you're just looking for you know

1323

00:52:57,670 --> 00:52:55,440

blowing it out your ear i got one really

1324

00:53:00,790 --> 00:52:57,680

cool story kind of along those lines

1325

00:53:01,990 --> 00:53:00,800

um there was a little lady who lived

1326

00:53:05,190 --> 00:53:02,000

down the road from

1327

00:53:05,589 --> 00:53:05,200

where i grew up i didn't i didn't know

1328

00:53:09,109 --> 00:53:05,599

where

1329

00:53:11,349 --> 00:53:09,119

i wish i had but i um in their family

1330

00:53:14,230 --> 00:53:11,359

they had multiple people who

1331

00:53:15,750 --> 00:53:14,240

experienced the bigfoot and i was

1332

00:53:19,030 --> 00:53:15,760

interviewing her granddaughter

1333

00:53:21,750 --> 00:53:19,040

some time later and she said here's a

1334

00:53:23,990 --> 00:53:21,760

cool thing she said my grandma used to

1335

00:53:26,950 --> 00:53:24,000

talk to the bigfoot all the time

1336

00:53:28,630 --> 00:53:26,960

and she used to tell us these stories

1337

00:53:31,430 --> 00:53:28,640

and at the time i just thought

1338

00:53:32,390 --> 00:53:31,440

oh you know it's just grandma talking

1339

00:53:34,230 --> 00:53:32,400

and she said i

1340

00:53:36,870 --> 00:53:34,240

i would give anything if i could just

1341

00:53:40,950 --> 00:53:36,880

listen to my grandma tell stories again

1342

00:53:44,470 --> 00:53:40,960

but she said you know when i was younger

1343

00:53:47,190 --> 00:53:44,480

grandma lived in this little dugout of a

1344

00:53:50,390 --> 00:53:47,200

cabin it really was kind of pathetic and

1345

00:53:53,910 --> 00:53:50,400

the the uh outhouse was

1346

00:53:56,870 --> 00:53:53,920

20 feet down in behind the house

1347

00:53:58,630 --> 00:53:56,880

and no running water that type of stuff

1348

00:54:02,470 --> 00:53:58,640

wood stove

1349

00:54:05,750 --> 00:54:02,480

and the family got fairly prosperous

1350

00:54:07,589 --> 00:54:05,760

so the kids built her a house but she

1351

00:54:10,630 --> 00:54:07,599

wouldn't live in it

1352

00:54:12,309 --> 00:54:10,640

she liked her old house so so they would

1353

00:54:13,430 --> 00:54:12,319

get together and they would go get her a

1354

00:54:16,790 --> 00:54:13,440

load of wood

1355

00:54:18,470 --> 00:54:16,800

and then um come back and stack it for

1356

00:54:19,910 --> 00:54:18,480

and all that stuff so

1357

00:54:21,670 --> 00:54:19,920

it just happened the family got all

1358

00:54:22,150 --> 00:54:21,680

together they went out and got a load of

1359

00:54:23,750 --> 00:54:22,160

wood

1360

00:54:25,270 --> 00:54:23,760

they brought it in they just dumped it

1361

00:54:27,270 --> 00:54:25,280

in the middle of the yard

1362

00:54:28,710 --> 00:54:27,280

they said now mom just leave this here

1363

00:54:30,710 --> 00:54:28,720

and we'll come back tomorrow we'll stack

1364

00:54:32,390 --> 00:54:30,720

it for you

1365

00:54:35,750 --> 00:54:32,400

they came back the next day and all the

1366

00:54:37,829 --> 00:54:35,760

wood was stacked as neat as can be

1367

00:54:40,390 --> 00:54:37,839

they said mom we told you leave the wood

1368

00:54:43,990 --> 00:54:40,400

alone and she said i didn't stack it

1369

00:54:45,750 --> 00:54:44,000

my friends did and she said some of the

1370

00:54:46,789 --> 00:54:45,760

things that her grandma would say was

1371

00:54:48,710 --> 00:54:46,799

like

1372

00:54:50,150 --> 00:54:48,720

she said sometimes when the wind was

1373

00:54:51,270 --> 00:54:50,160

really blowing or when it was really

1374

00:54:53,030 --> 00:54:51,280

snowy

1375

00:54:55,190 --> 00:54:53,040

the bigfoot would come and they'd clear

1376

00:54:57,030 --> 00:54:55,200

a path from the back of her house to her

1377

00:54:59,910 --> 00:54:57,040

outhouse for her

1378

00:55:01,190 --> 00:54:59,920

and she said that her grandma had a

1379

00:55:07,829 --> 00:55:01,200

friend

1380

00:55:10,230 --> 00:55:07,839

and she said they would sit in there in

1381

00:55:12,069 --> 00:55:10,240

these porch swings

1382

00:55:14,950 --> 00:55:12,079

and just kind of out look out over the

1383

00:55:17,349 --> 00:55:14,960

valley and and she said i just

1384

00:55:19,510 --> 00:55:17,359

remember my grandma saying you know that

1385

00:55:21,990 --> 00:55:19,520

she had a little bit of a hitch

1386

00:55:23,750 --> 00:55:22,000

in her hip like she was as old as the

1387

00:55:25,910 --> 00:55:23,760

grandma was and the grandma passed away

1388

00:55:29,430 --> 00:55:25,920

and she's 94.

1389

00:55:32,069 --> 00:55:29,440

so that is really kind of cool

1390

00:55:34,150 --> 00:55:32,079

cool story you know you told you you

1391

00:55:36,710 --> 00:55:34,160

mentioned that i it kind of

1392

00:55:39,109 --> 00:55:36,720

reminds me of my great aunt she was like

1393

00:55:41,990 --> 00:55:39,119

she lived in a

1394

00:55:43,750 --> 00:55:42,000

a ranshackle little shack with a wood

1395

00:55:46,710 --> 00:55:43,760

stove and

1396

00:55:48,309 --> 00:55:46,720

uh she was crippled and you know she

1397

00:55:49,109 --> 00:55:48,319

didn't want anybody doing anything for

1398

00:55:52,710 --> 00:55:49,119

her

1399

00:55:53,990 --> 00:55:52,720

stay she didn't want you to do anything

1400

00:55:57,190 --> 00:55:54,000

for it

1401
00:55:57,589 --> 00:55:57,200
so uh yeah i know i can understand that

1402
00:56:02,069 --> 00:55:57,599
that

1403
00:56:04,150 --> 00:56:02,079
becky

1404
00:56:06,309 --> 00:56:04,160
do you uh do you have another book that

1405
00:56:09,190 --> 00:56:06,319
you're working on or

1406
00:56:11,190 --> 00:56:09,200
yeah is there anything else coming up

1407
00:56:12,110 --> 00:56:11,200
i'm actually working on kind of the

1408
00:56:14,549 --> 00:56:12,120
greatest hits

1409
00:56:16,710 --> 00:56:14,559
[Laughter]

1410
00:56:17,589 --> 00:56:16,720
what i did is i went and compiled

1411
00:56:19,109 --> 00:56:17,599
combined

1412
00:56:21,510 --> 00:56:19,119
all three of the books i worked on

1413
00:56:22,950 --> 00:56:21,520

before and the people that i could go

1414

00:56:25,190 --> 00:56:22,960

back and re-interview

1415

00:56:27,030 --> 00:56:25,200

i just went back to see you know have

1416

00:56:29,670 --> 00:56:27,040

you had any other experiences

1417

00:56:30,150 --> 00:56:29,680

since the first you know the first time

1418

00:56:33,589 --> 00:56:30,160

i

1419

00:56:36,549 --> 00:56:33,599

then

1420

00:56:38,630 --> 00:56:36,559

i i've had i think 10 different news

1421

00:56:40,230 --> 00:56:38,640

stories that i'll be adding to it and

1422

00:56:43,270 --> 00:56:40,240

adding in new

1423

00:56:45,190 --> 00:56:43,280

um oh diagrams and charts

1424

00:56:46,870 --> 00:56:45,200

showing that was one of the things

1425

00:56:48,069 --> 00:56:46,880

people said well we want to see a map

1426

00:56:50,470 --> 00:56:48,079

where this place is

1427

00:56:51,990 --> 00:56:50,480

you know i just think well you know

1428

00:56:54,470 --> 00:56:52,000

map's not going to be very helpful

1429

00:56:58,230 --> 00:56:54,480

because the bigfoot do move around

1430

00:57:01,510 --> 00:56:58,240

yeah but we are also working on

1431

00:57:02,390 --> 00:57:01,520

a um an online bigfoot convention and

1432

00:57:05,589 --> 00:57:02,400

it's going to be

1433

00:57:09,109 --> 00:57:05,599

just this next week on the 21st

1434

00:57:11,510 --> 00:57:09,119

um actually let me send you over

1435

00:57:13,910 --> 00:57:11,520

a post on that and you're welcome to put

1436

00:57:20,309 --> 00:57:13,920

that up to

1437

00:57:23,910 --> 00:57:22,309

yeah yeah you've got me you've got my

1438

00:57:26,950 --> 00:57:23,920

email address so yes send it

1439

00:57:31,190 --> 00:57:26,960

over there and uh give out your uh

1440

00:57:42,549 --> 00:57:37,589

you get your books it's bigfootlimps.com

1441

00:57:42,559 --> 00:57:47,990

i'll send this over to you okay

1442

00:57:53,589 --> 00:57:51,430

but bigfootlives.com and then

1443

00:57:54,950 --> 00:57:53,599

you can find us on facebook and bigfoot

1444

00:57:59,270 --> 00:57:54,960

lives

1445

00:58:02,309 --> 00:57:59,280

okay there we go that should be

1446

00:58:04,230 --> 00:58:02,319

so for this bigfoot convention it's you

1447

00:58:05,990 --> 00:58:04,240

know all of the bigfoot conventions got

1448

00:58:09,510 --> 00:58:06,000

cancelled this year

1449

00:58:12,870 --> 00:58:09,520

tell me about it it's so sad

1450

00:58:13,670 --> 00:58:12,880

so i i know a lot of bigfoot folks love

1451
00:58:17,030 --> 00:58:13,680
their swag

1452
00:58:18,150 --> 00:58:17,040
i mean bigfoot it's bigfoot cool things

1453
00:58:21,670 --> 00:58:18,160
you know

1454
00:58:22,390 --> 00:58:21,680
so um i work with a fellow named brandon

1455
00:58:27,670 --> 00:58:22,400
tenant

1456
00:58:30,390 --> 00:58:27,680
he's sasquat prince sasquatchprince.com

1457
00:58:31,670 --> 00:58:30,400
and we had everything all geared up to

1458
00:58:34,150 --> 00:58:31,680
go to quinault which

1459
00:58:35,430 --> 00:58:34,160
was supposed to be this next saturday

1460
00:58:37,589 --> 00:58:35,440
and then quinnell

1461
00:58:39,670 --> 00:58:37,599
isn't gonna happen so he has all of

1462
00:58:43,349 --> 00:58:39,680
these really incredible t-shirts

1463
00:58:46,390 --> 00:58:43,359

i mean really incredible t-shirts and um

1464

00:58:47,750 --> 00:58:46,400

so we uh

1465

00:58:49,829 --> 00:58:47,760

we're kind of we're doing this

1466

00:58:51,510 --> 00:58:49,839

convention and basically it's just a

1467

00:58:53,670 --> 00:58:51,520

storytelling thing i'm

1468

00:58:54,950 --> 00:58:53,680

i'm getting a bunch of the people that

1469

00:58:58,230 --> 00:58:54,960

i've interviewed before

1470

00:59:00,150 --> 00:58:58,240

and um interviewing them over the air

1471

00:59:01,510 --> 00:59:00,160

but we're gonna allow anyone who's

1472

00:59:03,750 --> 00:59:01,520

listening in to

1473

00:59:05,190 --> 00:59:03,760

post their own questions in other words

1474

00:59:06,549 --> 00:59:05,200

if there's something that i didn't ask

1475

00:59:10,230 --> 00:59:06,559

that you really want to know

1476
00:59:11,030 --> 00:59:10,240
please ask and um we're going to do that

1477
00:59:14,069 --> 00:59:11,040
just

1478
00:59:15,190 --> 00:59:14,079
um completely live but we'll re record

1479
00:59:18,710 --> 00:59:15,200
it

1480
00:59:20,789 --> 00:59:18,720
and just we're seriously just gonna have

1481
00:59:21,750 --> 00:59:20,799
some fun i'm gonna give away some prizes

1482
00:59:25,510 --> 00:59:21,760
and

1483
00:59:27,589 --> 00:59:25,520
um just have some fun it may not be

1484
00:59:29,030 --> 00:59:27,599
quite as much fun as a bigfoot

1485
00:59:32,549 --> 00:59:29,040
convention and

1486
00:59:35,430 --> 00:59:32,559
on you know in person we'll do pretty

1487
00:59:40,630 --> 00:59:38,549
i hope it goes well for you i really do

1488
00:59:42,549 --> 00:59:40,640

and you know i want to thank you for

1489

00:59:44,710 --> 00:59:42,559

coming on tonight i i like your

1490

00:59:47,829 --> 00:59:44,720

perspective i like your perspective

1491

00:59:51,109 --> 00:59:47,839

on the phenomena because uh of course

1492

00:59:53,510 --> 00:59:51,119

you know you've grown up around it but

1493

00:59:54,309 --> 00:59:53,520

you kind of take it for what it is and

1494

00:59:59,190 --> 00:59:54,319

uh

1495

01:00:01,829 --> 00:59:59,200

i like that attitude well thank you

1496

01:00:03,030 --> 01:00:01,839

so you know if you ever anything you

1497

01:00:05,829 --> 01:00:03,040

ever want to talk about

1498

01:00:09,030 --> 01:00:05,839

or uh anything you know you can contact

1499

01:00:12,309 --> 01:00:10,789

okay it'd be my privilege to talk to it

1500

01:00:14,069 --> 01:00:12,319

say about it so

1501

01:00:15,430 --> 01:00:14,079

you take care and you have a good

1502

01:00:18,630 --> 01:00:15,440

evening and uh

1503

01:00:19,670 --> 01:00:18,640

i'm sure we'll talk soon alrighty thank

1504

01:00:24,230 --> 01:00:19,680

you very much

1505

01:00:26,150 --> 01:00:24,240

you take care now bye

1506

01:00:27,910 --> 01:00:26,160

now if you have an unexplained encounter

1507

01:00:29,349 --> 01:00:27,920

or something feel free to contact me

1508

01:00:30,309 --> 01:00:29,359

through the phantoms of monsters blog

1509

01:00:32,069 --> 01:00:30,319

site

1510

01:00:34,069 --> 01:00:32,079

if you're interested in supporting fans

1511

01:00:36,069 --> 01:00:34,079

of monsters in arcane radio you can use

1512

01:00:39,270 --> 01:00:36,079

the paypal donation buttons

1513

01:00:41,829 --> 01:00:39,280

on the blog and newsletter uh

1514

01:00:44,069 --> 01:00:41,839

our youtube channel beyond explanation

1515

01:00:47,109 --> 01:00:44,079

with many you're watching right now

1516

01:00:50,870 --> 01:00:47,119

and it has content being added daily

1517

01:00:52,789 --> 01:00:50,880

and uh all the archive all the arcane

1518

01:00:55,750 --> 01:00:52,799

radio shows archived there

1519

01:00:56,309 --> 01:00:55,760

even some of the real old ones so uh you

1520

01:00:59,109 --> 01:00:56,319

know

1521

01:01:00,150 --> 01:00:59,119

check it out uh make sure you subscribe

1522

01:01:02,789 --> 01:01:00,160

as well

1523

01:01:04,710 --> 01:01:02,799

so again i want to thank becky cook for

1524

01:01:06,710 --> 01:01:04,720

joining me this evening

1525

01:01:08,630 --> 01:01:06,720

and i want to thank you for listening to

1526

01:01:11,870 --> 01:01:08,640

the show stay healthy
