

SNAKE CREATURES

**Fire
Serpents!**

**Giant Lake
Snakes!**

**Reptilian
Hybrids!**

Medusa Men!

1
00:00:05,710 --> 00:00:04,540
[Music]

2
00:00:10,540 --> 00:00:05,720
[Applause]

3
00:00:12,350 --> 00:00:10,550
[Music]

4
00:00:17,830 --> 00:00:12,360
[Applause]

5
00:00:21,990 --> 00:00:19,670
welcome to the best of first person

6
00:00:24,870 --> 00:00:22,000
episodes of phantoms and monsters

7
00:00:25,429 --> 00:00:24,880
please like subscribe and hit the bell

8
00:00:28,830 --> 00:00:25,439
icon

9
00:00:32,069 --> 00:00:28,840
so you'll be notified of all future

10
00:00:36,150 --> 00:00:34,470
bizarre fire snake just after dark one

11
00:00:37,990 --> 00:00:36,160
night i had occasion to go out to the

12
00:00:39,990 --> 00:00:38,000
barn to look after the horses

13
00:00:42,310 --> 00:00:40,000

a public highway passes within yards of

14

00:00:43,990 --> 00:00:42,320

my house and the barn is built about 20

15

00:00:45,430 --> 00:00:44,000

rods from the house to south and

16

00:00:46,790 --> 00:00:45,440

somewhat near the road

17

00:00:48,709 --> 00:00:46,800

i started from the house in the

18

00:00:50,790 --> 00:00:48,719

direction of the barn and that gone

19

00:00:52,389 --> 00:00:50,800

perhaps half the distance when i noticed

20

00:00:54,470 --> 00:00:52,399

something playing along the ground that

21

00:00:56,549 --> 00:00:54,480

looked like a tremendous fire snake

22

00:00:57,990 --> 00:00:56,559

the object crossed my path and as it did

23

00:00:59,990 --> 00:00:58,000

so i felt the air grow much

24

00:01:01,750 --> 00:01:00,000

colder and the peculiar moaning sound

25

00:01:02,630 --> 00:01:01,760

arose like the sighing of the wine

26

00:01:04,630 --> 00:01:02,640

through the trees

27

00:01:06,070 --> 00:01:04,640

only it was loud enough to drown a man's

28

00:01:07,910 --> 00:01:06,080

voice when he would shout

29

00:01:10,149 --> 00:01:07,920

then i felt something come over me like

30

00:01:12,149 --> 00:01:10,159

electricity and i became motionless as

31

00:01:14,310 --> 00:01:12,159

though i had grown fast to the crowd

32

00:01:16,230 --> 00:01:14,320

i was terribly scared but i never lost

33

00:01:17,749 --> 00:01:16,240

the use of my hands or legs through fear

34

00:01:19,670 --> 00:01:17,759

though there was something peculiar in

35

00:01:21,590 --> 00:01:19,680

the air that simply paralyzed me

36

00:01:22,710 --> 00:01:21,600

but the thing had got perhaps 50 feet

37

00:01:24,789 --> 00:01:22,720

from me going west

38

00:01:26,550 --> 00:01:24,799

it turned and came back and as it did so

39

00:01:27,109 --> 00:01:26,560

the moaning sound changed to a shrill

40

00:01:28,950 --> 00:01:27,119

whistle

41

00:01:30,710 --> 00:01:28,960

something like a locomotive would make

42

00:01:32,630 --> 00:01:30,720

and when it got just in front of me

43

00:01:33,749 --> 00:01:32,640

it took a course directly away from me

44

00:01:35,670 --> 00:01:33,759

and toward the board

45

00:01:37,429 --> 00:01:35,680

it traveled very rapidly and looked like

46

00:01:39,749 --> 00:01:37,439

a large racket streak of fire

47

00:01:40,710 --> 00:01:39,759

perhaps 30 feet long and 18 inches in

48

00:01:42,389 --> 00:01:40,720

diameter

49

00:01:44,230 --> 00:01:42,399

the thing reached the barn and in almost

50

00:01:44,789 --> 00:01:44,240

an instant ran directly up in front of

51
00:01:46,789 --> 00:01:44,799
the building

52
00:01:48,950 --> 00:01:46,799
and onto the roof i expected every

53
00:01:49,990 --> 00:01:48,960
moment to see the barn burst into flames

54
00:01:51,749 --> 00:01:50,000
but it did not

55
00:01:53,429 --> 00:01:51,759
the great fire snake ran with great

56
00:01:55,749 --> 00:01:53,439
rapidity all over the building

57
00:01:57,510 --> 00:01:55,759
in almost every direction up and down

58
00:02:00,230 --> 00:01:57,520
crosswise and everywhere

59
00:02:01,429 --> 00:02:00,240
i suppose a thousand times it then came

60
00:02:02,550 --> 00:02:01,439
to the front of the building and

61
00:02:04,389 --> 00:02:02,560
elevated itself

62
00:02:05,749 --> 00:02:04,399
and it stood straight on its tail fully

63
00:02:07,830 --> 00:02:05,759

30 feet in the air

64

00:02:09,589 --> 00:02:07,840

i was perfectly conscious all the time

65

00:02:10,469 --> 00:02:09,599

but try as i would i could not move from

66

00:02:11,910 --> 00:02:10,479

the spot

67

00:02:13,910 --> 00:02:11,920

after the thing had remained in an

68

00:02:15,589 --> 00:02:13,920

upright position for i presumed

69

00:02:17,670 --> 00:02:15,599

three or four minutes there was a sudden

70

00:02:19,670 --> 00:02:17,680

explosion like the discharge of a cannon

71

00:02:21,190 --> 00:02:19,680

and the thing disappeared entirely

72

00:02:23,190 --> 00:02:21,200

with the disappearance of the strange

73

00:02:25,190 --> 00:02:23,200

phenomenon i felt a shock like the first

74

00:02:26,949 --> 00:02:25,200

one i had felt and at the same time i

75

00:02:29,030 --> 00:02:26,959

gained control of my limbs

76

00:02:30,869 --> 00:02:29,040

i hastened to the house told my wife

77

00:02:32,790 --> 00:02:30,879

what i had seen and she thought i was

78

00:02:34,869 --> 00:02:32,800

crazy but upon my insisting she

79

00:02:35,670 --> 00:02:34,879

consented to accompany me to investigate

80

00:02:37,430 --> 00:02:35,680

the matter

81

00:02:39,190 --> 00:02:37,440

you can imagine our surprise upon

82

00:02:41,110 --> 00:02:39,200

reaching the barn to find a covert with

83

00:02:42,229 --> 00:02:41,120

a remarkable network resembling large

84

00:02:43,990 --> 00:02:42,239

ropes of ice

85

00:02:46,070 --> 00:02:44,000

they appear to pass around the building

86

00:02:46,790 --> 00:02:46,080

in exactly the way the fiery monster had

87

00:02:48,949 --> 00:02:46,800

passed

88

00:02:50,949 --> 00:02:48,959

it was not ice however but seemed to be

89

00:02:52,869 --> 00:02:50,959

more of a crystal for it would not melt

90

00:02:54,710 --> 00:02:52,879

even when we held a flame to it and when

91

00:02:56,790 --> 00:02:54,720

struck with a hatchet it simply gave a

92

00:02:58,949 --> 00:02:56,800

dullish sound and did not break

93

00:03:00,710 --> 00:02:58,959

upon entering the barn we were amazed as

94

00:03:01,670 --> 00:03:00,720

two good horses stood in their stalls

95

00:03:03,430 --> 00:03:01,680

and movable

96

00:03:05,750 --> 00:03:03,440

they were alive but neither could move a

97

00:03:07,350 --> 00:03:05,760

muscle they seem to be paralyzed and

98

00:03:08,470 --> 00:03:07,360

stood there more like statues than

99

00:03:10,070 --> 00:03:08,480

anything else

100

00:03:11,830 --> 00:03:10,080

they were warm and breathed all right

101
00:03:12,869 --> 00:03:11,840
but aside from this you could not tell

102
00:03:14,390 --> 00:03:12,879
they were alive

103
00:03:16,790 --> 00:03:14,400
i applied the whip and they never

104
00:03:18,309 --> 00:03:16,800
flinched the dog that sleeps in the barn

105
00:03:19,270 --> 00:03:18,319
was dead and appeared completely

106
00:03:21,110 --> 00:03:19,280
petrified

107
00:03:23,270 --> 00:03:21,120
he was lying on the ground with his head

108
00:03:25,030 --> 00:03:23,280
on his paws just like he was sleeping

109
00:03:26,869 --> 00:03:25,040
when i left home this afternoon

110
00:03:33,910 --> 00:03:26,879
everything was just as i have described

111
00:03:37,270 --> 00:03:35,830
viewed short snouted snake like creature

112
00:03:39,110 --> 00:03:37,280
fort myers florida

113
00:03:40,309 --> 00:03:39,120

i'm a department director for a county

114

00:03:42,229 --> 00:03:40,319

in south florida

115

00:03:44,070 --> 00:03:42,239

i was traveling with another director to

116

00:03:44,789 --> 00:03:44,080

a meeting we were on palm beach

117

00:03:47,830 --> 00:03:44,799

boulevard

118

00:03:49,670 --> 00:03:47,840

state route 80 near the ramp to i-75

119

00:03:51,509 --> 00:03:49,680

a traffic accident was blocking two of

120

00:03:53,670 --> 00:03:51,519

the three westbound lanes of state route

121

00:03:54,869 --> 00:03:53,680

80 and traffic was backed up and moving

122

00:03:56,949 --> 00:03:54,879

very slowly

123

00:03:59,030 --> 00:03:56,959

to my right was a small lake while the

124

00:04:01,110 --> 00:03:59,040

general area is heavily populated the

125

00:04:03,589 --> 00:04:01,120

lake connects to the colusahechi river

126
00:04:05,190 --> 00:04:03,599
and eventually to the gulf of mexico on

127
00:04:06,710 --> 00:04:05,200
the other side of the river is a large

128
00:04:08,710 --> 00:04:06,720
wildlife refuge

129
00:04:10,550 --> 00:04:08,720
while sitting in traffic my companion

130
00:04:11,350 --> 00:04:10,560
and i noticed a strange disturbance on

131
00:04:13,509 --> 00:04:11,360
the lake

132
00:04:15,670 --> 00:04:13,519
i first thought it was a fish jumping

133
00:04:17,990 --> 00:04:15,680
however the disturbance grew

134
00:04:20,069 --> 00:04:18,000
she suggested it was a may 18 or dolphin

135
00:04:21,909 --> 00:04:20,079
however we ruled this out as maynay t's

136
00:04:23,590 --> 00:04:21,919
don't rise this high above the water

137
00:04:25,670 --> 00:04:23,600
and there was no evidence of the dorsal

138
00:04:27,030 --> 00:04:25,680

fin what we saw appear to be something

139

00:04:28,629 --> 00:04:27,040

like a very large snake

140

00:04:30,390 --> 00:04:28,639

i would estimate that it was close to

141

00:04:32,070 --> 00:04:30,400

the diameter of a telephone pole

142

00:04:34,390 --> 00:04:32,080

though probably a little narrower and

143

00:04:36,390 --> 00:04:34,400

could have been as much as 40 feet long

144

00:04:37,990 --> 00:04:36,400

as sometimes it would disappear and at

145

00:04:39,990 --> 00:04:38,000

other times it appeared as if it had

146

00:04:41,590 --> 00:04:40,000

multiple parts of its body rising out of

147

00:04:43,749 --> 00:04:41,600

the water at the same time

148

00:04:45,830 --> 00:04:43,759

it looked almost like a very large snake

149

00:04:47,590 --> 00:04:45,840

until it stuck his head out of the water

150

00:04:49,510 --> 00:04:47,600

the head did not look like a snake so it

151
00:04:51,830 --> 00:04:49,520
appeared to have a shorts now

152
00:04:54,070 --> 00:04:51,840
i did not see any fins but my companion

153
00:04:55,670 --> 00:04:54,080
said she was certain she saw one finn

154
00:04:57,510 --> 00:04:55,680
i thought the color two of the body was

155
00:04:58,310 --> 00:04:57,520
dark gray but the head appeared to be

156
00:05:00,469 --> 00:04:58,320
brown

157
00:05:01,590 --> 00:05:00,479
it was approximately 400 feet away from

158
00:05:04,070 --> 00:05:01,600
us throughout the siding

159
00:05:05,990 --> 00:05:04,080
and it remained circling around one area

160
00:05:06,950 --> 00:05:06,000
eventually traffic cleared and we had to

161
00:05:08,790 --> 00:05:06,960
drive on

162
00:05:11,189 --> 00:05:08,800
i have lived in florida for over 20

163
00:05:12,870 --> 00:05:11,199

years my companion has lived in south

164

00:05:14,550 --> 00:05:12,880

florida all of her life

165

00:05:16,550 --> 00:05:14,560

she and her husband have an offshore

166

00:05:17,430 --> 00:05:16,560

boat and often go fishing far out into

167

00:05:19,029 --> 00:05:17,440

the gulf

168

00:05:26,150 --> 00:05:19,039

neither of us have ever seen anything

169

00:05:29,830 --> 00:05:28,790

snake-like humanoid in the bathtub back

170

00:05:31,590 --> 00:05:29,840

in 2012

171

00:05:33,590 --> 00:05:31,600

i went to the dominican republic to

172

00:05:36,070 --> 00:05:33,600

spend time with my parents

173

00:05:37,909 --> 00:05:36,080

i'm a very social guy so i made friends

174

00:05:39,510 --> 00:05:37,919

with a lot of the dominicans as well as

175

00:05:41,590 --> 00:05:39,520

haitians in the neighborhood

176

00:05:43,670 --> 00:05:41,600

one night i was hanging out with my new

177

00:05:45,430 --> 00:05:43,680

friends and one of them decided to tell

178

00:05:47,510 --> 00:05:45,440

us what had just happened to a girl who

179

00:05:49,350 --> 00:05:47,520

we all recognized from the area

180

00:05:51,029 --> 00:05:49,360

she was a prostitute however in the

181

00:05:52,150 --> 00:05:51,039

dominican republic that's a way of

182

00:05:54,390 --> 00:05:52,160

living for some women

183

00:05:56,710 --> 00:05:54,400

so others know what they do for work

184

00:05:58,710 --> 00:05:56,720

anyway the story went like this

185

00:06:00,870 --> 00:05:58,720

the girl was working a couple nights ago

186

00:06:02,469 --> 00:06:00,880

in a tourist area called sasua

187

00:06:04,230 --> 00:06:02,479

there she met a man from europe who

188

00:06:06,469 --> 00:06:04,240

wanted her to spend the night with him

189

00:06:07,430 --> 00:06:06,479

and she agreed prior to that they were

190

00:06:09,670 --> 00:06:07,440

enjoying the night

191

00:06:11,909 --> 00:06:09,680

drinking and partying at a bar after

192

00:06:13,749 --> 00:06:11,919

drinking lots of beers they left the bar

193

00:06:15,830 --> 00:06:13,759

and headed for the man's place

194

00:06:16,790 --> 00:06:15,840

when they got to his place they had sex

195

00:06:18,710 --> 00:06:16,800

multiple times

196

00:06:19,990 --> 00:06:18,720

and she fell asleep but woke up in the

197

00:06:22,070 --> 00:06:20,000

middle of the night because she

198

00:06:24,150 --> 00:06:22,080

didn't want to stay until the morning

199

00:06:24,870 --> 00:06:24,160

however she wanted to get paid for her

200

00:06:27,029 --> 00:06:24,880

services

201
00:06:28,230 --> 00:06:27,039
so she looked around but the man was not

202
00:06:29,909 --> 00:06:28,240
in the bed with her

203
00:06:31,830 --> 00:06:29,919
she thought he was testing her to see if

204
00:06:32,309 --> 00:06:31,840
she was a thief and would go through his

205
00:06:34,309 --> 00:06:32,319
things

206
00:06:35,590 --> 00:06:34,319
so she decided to leave the bedroom and

207
00:06:37,510 --> 00:06:35,600
go looking for him

208
00:06:39,110 --> 00:06:37,520
she heard the shower running and decided

209
00:06:41,189 --> 00:06:39,120
to go into the bathroom

210
00:06:43,029 --> 00:06:41,199
when she got inside the bathroom she saw

211
00:06:43,670 --> 00:06:43,039
a huge snake-like humanoid laying in the

212
00:06:45,670 --> 00:06:43,680
bathtub

213
00:06:47,270 --> 00:06:45,680

she was so terrified that she screamed

214

00:06:48,070 --> 00:06:47,280

and bolted out of the house for getting

215

00:06:50,070 --> 00:06:48,080

her clothes

216

00:06:51,589 --> 00:06:50,080

and ran all the way back to her house in

217

00:06:53,830 --> 00:06:51,599

the middle of the night naked

218

00:06:55,430 --> 00:06:53,840

this girl i recognized and she did not

219

00:06:57,189 --> 00:06:55,440

want to talk about the incident

220

00:07:00,830 --> 00:06:57,199

and she was so traumatized that she

221

00:07:00,840 --> 00:07:06,870

cbt

222

00:07:11,749 --> 00:07:09,589

visited by a snake-haired being i was

223

00:07:14,309 --> 00:07:11,759

working as an information technology

224

00:07:15,830 --> 00:07:14,319

contractor for mgm studios during the

225

00:07:17,909 --> 00:07:15,840

year

226

00:07:19,909 --> 00:07:17,919

it was a lot of fun working there

227

00:07:22,150 --> 00:07:19,919

getting to see movie props such as the

228

00:07:24,309 --> 00:07:22,160

stargate was an extra bonus

229

00:07:27,110 --> 00:07:24,319

i was staying at the georgian hotel in

230

00:07:29,749 --> 00:07:27,120

santa monica during a major renovation

231

00:07:31,990 --> 00:07:29,759

having worked at mgm for a month my

232

00:07:34,550 --> 00:07:32,000

contract was coming to an end

233

00:07:37,430 --> 00:07:34,560

during my last night at the hotel i woke

234

00:07:39,430 --> 00:07:37,440

up suddenly at approximately 3 a.m

235

00:07:40,710 --> 00:07:39,440

via the light from the window and the

236

00:07:42,469 --> 00:07:40,720

night light in the room

237

00:07:43,749 --> 00:07:42,479

i could see something floating in the

238

00:07:45,589 --> 00:07:43,759

middle of the room

239

00:07:48,230 --> 00:07:45,599

it was the head of something i've never

240

00:07:50,390 --> 00:07:48,240

seen and never want to see again

241

00:07:51,830 --> 00:07:50,400

it was grotesque a man's head with

242

00:07:54,390 --> 00:07:51,840

snakes his hair

243

00:07:56,950 --> 00:07:54,400

its skin which looked to be dark green

244

00:07:59,749 --> 00:07:56,960

seemed to be moving with smaller snakes

245

00:08:01,510 --> 00:07:59,759

as i watched it it moved its lips as if

246

00:08:03,990 --> 00:08:01,520

it was trying to talk to me

247

00:08:05,670 --> 00:08:04,000

but i couldn't hear anything i could see

248

00:08:07,350 --> 00:08:05,680

the back of its head in the mirror on

249

00:08:09,430 --> 00:08:07,360

the wall in front of me

250

00:08:11,110 --> 00:08:09,440

i really don't know how i knew to say

251

00:08:13,749 --> 00:08:11,120

this but i told him

252

00:08:16,070 --> 00:08:13,759

it wasn't welcome and it had to leave

253

00:08:19,029 --> 00:08:16,080

after saying this a few more times

254

00:08:21,029 --> 00:08:19,039

it just slowly faded away i got up and

255

00:08:23,830 --> 00:08:21,039

turned on the lights in the room

256

00:08:25,830 --> 00:08:23,840

working for mgm i thought maybe one of

257

00:08:27,110 --> 00:08:25,840

the guys i was working with was playing

258

00:08:29,029 --> 00:08:27,120

a joke on me

259

00:08:30,950 --> 00:08:29,039

i checked the whole room for anything

260

00:08:33,670 --> 00:08:30,960

that could produce this head image

261

00:08:35,509 --> 00:08:33,680

but i found nothing needless to say i

262

00:08:37,509 --> 00:08:35,519

didn't go back to sleep

263

00:08:39,670 --> 00:08:37,519

when the time came to check out later

264

00:08:40,949 --> 00:08:39,680

that morning i was too embarrassed to

265

00:08:43,430 --> 00:08:40,959

say anything

266

00:08:44,389 --> 00:08:43,440

heading into work one last time i did

267

00:08:46,949 --> 00:08:44,399

ask the guys

268

00:08:47,829 --> 00:08:46,959

if they knew anything about it they all

269

00:08:49,590 --> 00:08:47,839

said no

270

00:08:51,190 --> 00:08:49,600

and promised me they would never do

271

00:08:53,430 --> 00:08:51,200

anything so cool

272

00:08:55,110 --> 00:08:53,440

one of them did tell me that the hotel

273

00:08:57,590 --> 00:08:55,120

was in fact haunted

274

00:08:59,590 --> 00:08:57,600

this incident has left me wondering just

275

00:09:01,190 --> 00:08:59,600

what it was i saw that night

276

00:09:08,389 --> 00:09:01,200

i think it might have been a demon

277

00:09:08,790 --> 00:09:08,399

looking for someone to possess this is

278

00:09:11,509 --> 00:09:08,800

lon

279

00:09:12,230 --> 00:09:11,519

strickler if you like this program it

280

00:09:14,710 --> 00:09:12,240

would help us

281

00:09:17,350 --> 00:09:14,720

if you would give it a thumbs up then

282

00:09:19,910 --> 00:09:17,360

subscribe and click the bell icon

283

00:09:22,310 --> 00:09:19,920

so you get notification when we upload

284

00:09:25,430 --> 00:09:22,320

new first person encounters

285

00:09:27,829 --> 00:09:25,440

we have many more to come very soon and

286

00:09:30,230 --> 00:09:27,839

by the way if you have a suggestion
