10
00:00:37,190 --> 00:00:34,709
unknown dogman biped negative energy

11
00:00:39,350 --> 00:00:37,200
lurk in fredericksburg virginia woods

12
00:00:41,670 --> 00:00:39,360
so i don't have to stop and explain

13
00:00:42,869 --> 00:00:41,680

later first i need to say that my mother

14

00:00:45,270 --> 00:00:42,879

is a medium

15

00:00:47,190 --> 00:00:45,280

she can see ghosts shadow people and

16

00:00:49,270 --> 00:00:47,200

entities from other places

17

00:00:50,950 --> 00:00:49,280

i don't have her abilities but she is

18

00:00:53,990 --> 00:00:50,960

able to feel things through me

19

00:00:55,510 --> 00:00:54,000

no matter how far apart we are for fun i

20

00:00:57,430 --> 00:00:55,520

used to hold a key or ring of a

21

00:00:59,270 --> 00:00:57,440

co-worker and she would do a reading

22

00:01:01,270 --> 00:00:59,280

that way while i was at work

23

00:01:03,510 --> 00:01:01,280

and the info she got made many of them

24

00:01:06,230 --> 00:01:03,520

cry so with that in mind

25

00:01:07,750 --> 00:01:06,240

back in 2012 i was living in virginia

26

00:01:09,830 --> 00:01:07,760

she was in ohio

27

00:01:12,070 --> 00:01:09,840

a girl i was dating lived in a small

28

00:01:13,109 --> 00:01:12,080

home along poplar road in fredericksburg

29

00:01:15,830 --> 00:01:13,119

virginia

30

00:01:17,510 --> 00:01:15,840

she was a ways out surrounded by woods

31

00:01:18,630 --> 00:01:17,520

for weeks she had been telling me she

32

00:01:20,469 --> 00:01:18,640

had been having bad

33

00:01:22,390 --> 00:01:20,479

feelings about her property and

34

00:01:23,350 --> 00:01:22,400

constantly feeling like she was being

35

00:01:25,429 --> 00:01:23,360

watched

36

00:01:27,590 --> 00:01:25,439

one night while we were talking about it

37

00:01:28,550 --> 00:01:27,600

i decided to call my mom and get her

38

00:01:30,310 --> 00:01:28,560

opinion

39

00:01:32,390 --> 00:01:30,320

mom said she could feel something

40

00:01:33,030 --> 00:01:32,400

negative but it was trying to hide from

41

00:01:35,749 --> 00:01:33,040

her

42

00:01:37,429 --> 00:01:35,759

it was not far behind the girl's home

43

00:01:39,830 --> 00:01:37,439

not sure what i was thinking

44

00:01:41,830 --> 00:01:39,840

but i decided to go out back and see if

45

00:01:44,230 --> 00:01:41,840

i could see anything or get closer

46

00:01:46,230 --> 00:01:44,240

and maybe she could get a better red i

47

00:01:47,109 --> 00:01:46,240

remember this night was dark with no

48

00:01:49,270 --> 00:01:47,119

moon

49

00:01:51,429 --> 00:01:49,280

i was on the phone and my girlfriend was

50

00:01:53,670 --> 00:01:51,439

using her phone light to guide us

51
00:01:56,310 --> 00:01:53,680
about 30 yards into the woods my mom

52
00:01:58,389 --> 00:01:56,320
suddenly told us to stop and back up

53
00:01:59,830 --> 00:01:58,399
the entity was right in front of us and

54
00:02:01,749 --> 00:01:59,840
it was pure evil

55
00:02:04,230 --> 00:02:01,759
i didn't see anything but did as she

56
00:02:06,469 --> 00:02:04,240
asked she went on to say that whatever

57
00:02:07,030 --> 00:02:06,479
it was had been in the area a very long

58
00:02:08,790 --> 00:02:07,040
time

59
00:02:11,350 --> 00:02:08,800
and people do rituals in the woods

60
00:02:13,350 --> 00:02:11,360
nearby that give this being power

61
00:02:15,110 --> 00:02:13,360
and sadly there would be nothing anyone

62
00:02:17,270 --> 00:02:15,120
could do to chase it off

63
00:02:19,190 --> 00:02:17,280

she advised the girl to move and try to

64

00:02:22,150 --> 00:02:19,200

not think about the being or it may

65

00:02:24,390 --> 00:02:22,160

follow and that would be very bad a few

66

00:02:26,390 --> 00:02:24,400

hours later i stepped out the front door

67

00:02:28,309 --> 00:02:26,400

and took two steps to the left to be

68

00:02:30,869 --> 00:02:28,319

startled by something jumping up from

69

00:02:32,630 --> 00:02:30,879

behind a bush maybe three feet away

70

00:02:34,710 --> 00:02:32,640

it was pitch black i couldn't see

71

00:02:35,990 --> 00:02:34,720

anything but whatever it was took off

72

00:02:38,470 --> 00:02:36,000

running into the woods going

73

00:02:40,309 --> 00:02:38,480

north it was clearly a two-legged

74

00:02:42,630 --> 00:02:40,319

creature and it being late fall

75

00:02:44,150 --> 00:02:42,640

i could hear the steps on the dry leaves

76

00:02:46,150 --> 00:02:44,160

quickly disappearing

77

00:02:48,150 --> 00:02:46,160

it was zigzagging through the trees of a

78

00:02:50,070 --> 00:02:48,160

rate that seemed impossible due to the

79

00:02:51,110 --> 00:02:50,080

darkness and number of trees it had to

80

00:02:53,110 --> 00:02:51,120

run through

81

00:02:54,390 --> 00:02:53,120

the terror that hit me all i could do

82

00:02:56,309 --> 00:02:54,400

was stand there

83

00:02:58,229 --> 00:02:56,319

it seemed to navigate through the dark

84

00:02:59,990 --> 00:02:58,239

and trees faster than i could have run

85

00:03:02,550 --> 00:03:00,000

down a straight roadway

86

00:03:04,630 --> 00:03:02,560

looking back if i had to guess i think

87

00:03:06,949 --> 00:03:04,640

it may have been a dogma based on the

88

00:03:09,350 --> 00:03:06,959

speed and the likeness of the steps

89

00:03:10,710 --> 00:03:09,360

it definitely didn't sound like a 800

90

00:03:12,869 --> 00:03:10,720

pound bigfoot

91

00:03:14,710 --> 00:03:12,879

i think about this night still because i

92

00:03:16,550 --> 00:03:14,720

just don't know what it was

93

00:03:19,190 --> 00:03:16,560

and could it have been working alongside

94

00:03:21,670 --> 00:03:19,200

the evil entity strange coincidence to

95

00:03:23,830 --> 00:03:21,680

have both these events in one night

96

00:03:25,350 --> 00:03:23,840

maybe not a great story but one that

97

00:03:33,910 --> 00:03:25,360

i'll never forget

98

00:03:37,670 --> 00:03:36,149

upright canine dogman charges witnesses

99

00:03:40,229 --> 00:03:37,680

in northeast montana

100

00:03:42,070 --> 00:03:40,239

this incident occurred in summer of 1993

101
00:03:44,229 --> 00:03:42,080
in rural northeast montana

102
00:03:45,589 --> 00:03:44,239
while driving home one evening i spot

103
00:03:46,390 --> 00:03:45,599
something in the middle of the road up

104
00:03:48,309 --> 00:03:46,400
ahead

105
00:03:49,509 --> 00:03:48,319
my friend in the passenger seat notices

106
00:03:52,149 --> 00:03:49,519
it at the same time

107
00:03:52,550 --> 00:03:52,159
and says what the f is that dude at

108
00:03:54,390 --> 00:03:52,560
first

109
00:03:56,390 --> 00:03:54,400
we can't tell what we are looking at but

110
00:03:57,830 --> 00:03:56,400
as the car draws nearer to the big black

111
00:04:00,309 --> 00:03:57,840
shape in the middle of the road

112
00:04:01,190 --> 00:04:00,319
it starts to look like a massive fur i

113
00:04:03,030 --> 00:04:01,200

think it must be an

114

00:04:04,229 --> 00:04:03,040

animal but it looks big enough to do

115

00:04:05,990 --> 00:04:04,239

damage to my car

116

00:04:08,229 --> 00:04:06,000

so i slowed down and stopped the car

117

00:04:09,750 --> 00:04:08,239

about 20 feet away from the thing

118

00:04:11,429 --> 00:04:09,760

at this point it is completely

119

00:04:13,110 --> 00:04:11,439

illuminated by the headlights

120

00:04:15,429 --> 00:04:13,120

but neither of us can figure out what

121

00:04:17,430 --> 00:04:15,439

the hell kind of animal it might be

122

00:04:19,430 --> 00:04:17,440

since it hasn't moved we assume it must

123

00:04:21,509 --> 00:04:19,440

be dead and start to argue over who will

124

00:04:23,670 --> 00:04:21,519

drag it over to the side of the road

125

00:04:25,510 --> 00:04:23,680

that's when the thing starts to rise up

126

00:04:27,909 --> 00:04:25,520

we silently watch as it stirs

127

00:04:29,990 --> 00:04:27,919

then suddenly stands up i preface the

128

00:04:30,950 --> 00:04:30,000

next part of the story with i know this

129

00:04:33,510 --> 00:04:30,960

sounds crazy

130

00:04:35,189 --> 00:04:33,520

but i really can't describe what i saw

131

00:04:36,070 --> 00:04:35,199

because i had never seen anything like

132

00:04:38,310 --> 00:04:36,080

it before

133

00:04:39,350 --> 00:04:38,320

the closest i can come is this the thing

134

00:04:41,350 --> 00:04:39,360

whatever it was

135

00:04:42,550 --> 00:04:41,360

was about seven feet tall when it rose

136

00:04:44,629 --> 00:04:42,560

to its full height

137

00:04:46,950 --> 00:04:44,639

its body was shaped like a human bail

138

00:04:49,189 --> 00:04:46,960

but it was covered with a thick dark fur

139

00:04:51,270 --> 00:04:49,199

the hat was not human it looked almost

140

00:04:53,030 --> 00:04:51,280

like a jackal or german shepherd with a

141

00:04:54,310 --> 00:04:53,040

long snout and pointed ears

142

00:04:56,150 --> 00:04:54,320

and its eyes were blowing in the

143

00:04:57,510 --> 00:04:56,160

headlights the way that a cat's eyes

144

00:04:59,670 --> 00:04:57,520

sometimes glow

145

00:05:01,270 --> 00:04:59,680

it was staring right at us i don't know

146

00:05:03,029 --> 00:05:01,280

how long we stared back at the thing

147

00:05:04,790 --> 00:05:03,039

before we noticed that it was clutching

148

00:05:05,270 --> 00:05:04,800

a dead rabbit in one of its enormous

149

00:05:07,590 --> 00:05:05,280

hands

150

00:05:09,430 --> 00:05:07,600

or pause i had barely had time to

151
00:05:10,070 --> 00:05:09,440
register this bit of information when

152
00:05:11,990 --> 00:05:10,080
the creature

153
00:05:14,070 --> 00:05:12,000
suddenly flung the dead rabbit away and

154
00:05:16,070 --> 00:05:14,080
took several steps for the car

155
00:05:17,990 --> 00:05:16,080
we both screamed and i slammed the car

156
00:05:26,950 --> 00:05:18,000
into reverse made a u-turn

157
00:05:30,390 --> 00:05:28,710
terrifying upright canine dogman

158
00:05:31,670 --> 00:05:30,400
encounter in madness kasu sit in the

159
00:05:33,430 --> 00:05:31,680
valley alaska

160
00:05:35,029 --> 00:05:33,440
i was traveling on a local road in the

161
00:05:37,830 --> 00:05:35,039
mannuskasus in the valley

162
00:05:40,230 --> 00:05:37,840
about 30 miles north of anchorage alaska

163
00:05:41,830 --> 00:05:40,240

this occurred in the fall of 1998

164

00:05:43,830 --> 00:05:41,840

it was close to midnight when my

165

00:05:44,469 --> 00:05:43,840

headlights caught a large dark figure up

166

00:05:46,390 --> 00:05:44,479

ahead

167

00:05:48,150 --> 00:05:46,400

i'm bad at judging distance but i

168

00:05:48,870 --> 00:05:48,160

believe it was maybe six car lengths

169

00:05:51,189 --> 00:05:48,880

away

170

00:05:52,070 --> 00:05:51,199

i instinctively let off the gas coasting

171

00:05:54,230 --> 00:05:52,080

closer

172

00:05:55,990 --> 00:05:54,240

at first i assumed it was a moose as the

173

00:05:59,510 --> 00:05:56,000

areas infested with them

174

00:06:02,629 --> 00:05:59,520

but no it was standing upright bear then

175

00:06:04,230 --> 00:06:02,639

no not a bear it looked so strange it

176
00:06:06,469 --> 00:06:04,240
was tall enough to be an uncommonly

177
00:06:07,990 --> 00:06:06,479
large bear but far too slender

178
00:06:09,510 --> 00:06:08,000
it looked like it had spikes running

179
00:06:11,749 --> 00:06:09,520
down his neck and back

180
00:06:13,350 --> 00:06:11,759
was i being pranked all those thoughts

181
00:06:14,230 --> 00:06:13,360
ran through my head in a fraction of a

182
00:06:16,150 --> 00:06:14,240
second

183
00:06:17,749 --> 00:06:16,160
the car was still coasting closer and i

184
00:06:19,990 --> 00:06:17,759
could see more details

185
00:06:20,870 --> 00:06:20,000
it was standing in profile gazing across

186
00:06:22,790 --> 00:06:20,880
the road

187
00:06:24,469 --> 00:06:22,800
i could clearly see his wolf-like muzzle

188
00:06:26,070 --> 00:06:24,479

in large upright ears

189

00:06:28,309 --> 00:06:26,080

the spikes on his back were in fact

190

00:06:30,230 --> 00:06:28,319

clumps of fur his spine curved in a

191

00:06:32,150 --> 00:06:30,240

smooth very natural looking way

192

00:06:33,510 --> 00:06:32,160

it was standing in the ditch inches from

193

00:06:35,590 --> 00:06:33,520

the road's surface

194

00:06:37,590 --> 00:06:35,600

because i was focused on its upper body

195

00:06:39,510 --> 00:06:37,600

i do not recall anything about its back

196

00:06:41,670 --> 00:06:39,520

legs or if it had a tail

197

00:06:42,790 --> 00:06:41,680

i did see his front legs though these

198

00:06:44,390 --> 00:06:42,800

were very dog-like

199

00:06:47,029 --> 00:06:44,400

hanging awkwardly down and slightly

200

00:06:48,550 --> 00:06:47,039

towards front exactly as you'd expect if

201

00:06:50,309 --> 00:06:48,560

a dog stood upright

202

00:06:51,990 --> 00:06:50,319

while it clearly had a canine look there

203

00:06:53,270 --> 00:06:52,000

was still something off about it that i

204

00:06:55,589 --> 00:06:53,280

could not articulate

205

00:06:57,430 --> 00:06:55,599

it was perfectly still and at this point

206

00:06:59,270 --> 00:06:57,440

given the proximity to halloween

207

00:07:01,270 --> 00:06:59,280

i was quite convinced it was some sort

208

00:07:01,990 --> 00:07:01,280

of halloween prop because it was clearly

209

00:07:04,070 --> 00:07:02,000

not any kind

210

00:07:05,589 --> 00:07:04,080

of existing animal i was deeply

211

00:07:06,150 --> 00:07:05,599

impressed and gently stepped on the

212

00:07:08,710 --> 00:07:06,160

brakes

213

00:07:10,629 --> 00:07:08,720

intending to stop and examine it closely

214

00:07:12,469 --> 00:07:10,639

then it turned his head towards me

215

00:07:14,390 --> 00:07:12,479

in the tiny fraction of a second that it

216

00:07:16,150 --> 00:07:14,400

took for it to swivel his head i knew i

217

00:07:17,909 --> 00:07:16,160

had made a terrible mistake

218

00:07:19,510 --> 00:07:17,919

the fluidness of this movement removed

219

00:07:20,550 --> 00:07:19,520

any and all doubt that this was some

220

00:07:23,110 --> 00:07:20,560

kind of prop

221

00:07:24,950 --> 00:07:23,120

it was horribly terrifyingly alive the

222

00:07:25,749 --> 00:07:24,960

pale off-white glow of its eye shine in

223

00:07:27,749 --> 00:07:25,759

the headlights

224

00:07:30,150 --> 00:07:27,759

destroyed any possibility of a human in

225

00:07:31,670 --> 00:07:30,160

a costume i think i sat there gaping at

226

00:07:33,830 --> 00:07:31,680

it in shock for a few seconds

227

00:07:35,029 --> 00:07:33,840

the car barely moving by now but still

228

00:07:37,029 --> 00:07:35,039

inching closer

229

00:07:38,550 --> 00:07:37,039

as i was almost upon it i think it could

230

00:07:39,430 --> 00:07:38,560

have leaned forward and touched the car

231

00:07:42,070 --> 00:07:39,440

if it wanted

232

00:07:44,309 --> 00:07:42,080

i had to look up to see his face again

233

00:07:45,189 --> 00:07:44,319

i'm a bad judge of such things but i am

234

00:07:46,790 --> 00:07:45,199

five foot four

235

00:07:49,430 --> 00:07:46,800

and it was a hell of a lot taller than

236

00:07:51,350 --> 00:07:49,440

me tall like a polar bear standing

237

00:07:53,749 --> 00:07:51,360

seven to eight feet at least i really

238

00:07:55,270 --> 00:07:53,759

can't say i snapped out of my trance and

239

00:07:57,270 --> 00:07:55,280

slammed on the gas

240

00:07:58,550 --> 00:07:57,280

the car fishtailed and i prepared myself

241

00:08:00,469 --> 00:07:58,560

for death by monster

242

00:08:02,150 --> 00:08:00,479

as i was certain i'd end up in the ditch

243

00:08:04,070 --> 00:08:02,160

but the tires caught the pavement

244

00:08:13,430 --> 00:08:04,080

and i drove like a complete maniac all

245

00:08:15,430 --> 00:08:13,440

the way home i did not look back

246

00:08:17,510 --> 00:08:15,440

upright canine dogman encounter in

247

00:08:19,589 --> 00:08:17,520

managua nicaragua barrios

248

00:08:21,430 --> 00:08:19,599

my mom used to take me to stay with my

249

00:08:22,309 --> 00:08:21,440

grandma who lived about three and a half

250

00:08:24,150 --> 00:08:22,319

miles away

251
00:08:25,990 --> 00:08:24,160
close to lake nicaragua which is

252
00:08:27,830 --> 00:08:26,000
infested with both sharks

253
00:08:29,110 --> 00:08:27,840
the area where grandma lived was under

254
00:08:31,189 --> 00:08:29,120
constant construction

255
00:08:32,630 --> 00:08:31,199
and the city was deforesting the area to

256
00:08:34,230 --> 00:08:32,640
make more houses

257
00:08:36,310 --> 00:08:34,240
light posts were spread throughout the

258
00:08:37,750 --> 00:08:36,320
area where no homes were yet built

259
00:08:39,589 --> 00:08:37,760
there were creeks that went under

260
00:08:40,149 --> 00:08:39,599
bridges and one could walk to other

261
00:08:41,829 --> 00:08:40,159
barriers

262
00:08:43,909 --> 00:08:41,839
or parts of the neighborhood that were

263
00:08:46,070 --> 00:08:43,919

closer to the lake in the mountains

264

00:08:48,070 --> 00:08:46,080

a lot of native people lived there they

265

00:08:50,710 --> 00:08:48,080

cooked rice and beans on the stove and

266

00:08:52,630 --> 00:08:50,720

by hand on a couple handmade tortillas

267

00:08:54,389 --> 00:08:52,640

my mother had a knack of sending me to

268

00:08:56,230 --> 00:08:54,399

those neighborhoods to buy beans and

269

00:08:57,190 --> 00:08:56,240

tortillas which is what i did that

270

00:08:59,110 --> 00:08:57,200

afternoon

271

00:09:00,949 --> 00:08:59,120

i had never believed in werewolves or

272

00:09:01,590 --> 00:09:00,959

witches or anything supernatural or

273

00:09:03,430 --> 00:09:01,600

unknown

274

00:09:05,509 --> 00:09:03,440

but this shocked me to understand the

275

00:09:07,430 --> 00:09:05,519

importance of keeping an open mind and

276

00:09:08,550 --> 00:09:07,440

to know and respect others who have seen

277

00:09:10,150 --> 00:09:08,560

the paranormal

278

00:09:11,829 --> 00:09:10,160

i was heading with two plastic

279

00:09:13,990 --> 00:09:11,839

containers to buy the beans and

280

00:09:14,710 --> 00:09:14,000

tortillas that afternoon by my grandma's

281

00:09:16,389 --> 00:09:14,720

house

282

00:09:18,630 --> 00:09:16,399

i had to go through an area where a

283

00:09:20,630 --> 00:09:18,640

creek went all the way to lake nicaragua

284

00:09:22,630 --> 00:09:20,640

and still had a lot of forested areas

285

00:09:24,790 --> 00:09:22,640

there and had encroaching buildings that

286

00:09:26,710 --> 00:09:24,800

were being built but not finished yet

287

00:09:28,550 --> 00:09:26,720

the road i walked on was in between the

288

00:09:30,470 --> 00:09:28,560

forest and creek alongside

289

00:09:32,310 --> 00:09:30,480

as one got closer to my grandma's

290

00:09:34,230 --> 00:09:32,320

neighborhood the unfinished buildings

291

00:09:35,670 --> 00:09:34,240

were apparent with few trees about

292

00:09:37,590 --> 00:09:35,680

and the creek became part of the

293

00:09:39,350 --> 00:09:37,600

waterway to get across

294

00:09:41,110 --> 00:09:39,360

you had to walk on a bridge to get to

295

00:09:43,030 --> 00:09:41,120

the road that lead to the outskirts of

296

00:09:44,230 --> 00:09:43,040

the city of managua which is where my

297

00:09:46,870 --> 00:09:44,240

grandma's house was

298

00:09:47,430 --> 00:09:46,880

in an area called america's number two

299

00:09:49,190 --> 00:09:47,440

anyway

300

00:09:51,509 --> 00:09:49,200

on the way to buy moms beans and

301
00:09:52,150 --> 00:09:51,519
tortillas i had no ill feelings on the

302
00:09:54,630 --> 00:09:52,160
road

303
00:09:55,430 --> 00:09:54,640
the sun was still up it was about 6 30

304
00:09:57,190 --> 00:09:55,440
pm

305
00:09:59,030 --> 00:09:57,200
since we are near the equator there is

306
00:10:01,110 --> 00:09:59,040
still sunlight at that time

307
00:10:03,590 --> 00:10:01,120
it took me approximately one hour to do

308
00:10:05,190 --> 00:10:03,600
this i had no worry since the people

309
00:10:07,350 --> 00:10:05,200
around the area knew me

310
00:10:09,030 --> 00:10:07,360
on the way back to grandma's as i got

311
00:10:11,030 --> 00:10:09,040
close to where the new buildings were

312
00:10:13,030 --> 00:10:11,040
being constructed it was already dark

313
00:10:16,389 --> 00:10:13,040

and there was a full moon that night

314

00:10:17,350 --> 00:10:16,399

it was around 7 45 pm since i always had

315

00:10:19,350 --> 00:10:17,360

a watch with me

316

00:10:21,670 --> 00:10:19,360

since i like watches a lot as a matter

317

00:10:23,750 --> 00:10:21,680

of fact i still wear a watch today

318

00:10:25,590 --> 00:10:23,760

anyway as i had finished crossing the

319

00:10:27,990 --> 00:10:25,600

bridge i came up to a building which had

320

00:10:30,310 --> 00:10:28,000

not been finished 10 had no roofer doors

321

00:10:31,670 --> 00:10:30,320

and it was about 150 yards from the

322

00:10:33,350 --> 00:10:31,680

creek and woodline

323

00:10:35,350 --> 00:10:33,360

the moon happened to light the building

324

00:10:37,430 --> 00:10:35,360

and leave places dark on the ground

325

00:10:38,550 --> 00:10:37,440

and light up the mid-level places around

326

00:10:40,230 --> 00:10:38,560

five feet and up

327

00:10:42,470 --> 00:10:40,240

as the moonlight hit the building at an

328

00:10:44,550 --> 00:10:42,480

angle as i walked in front of the door

329

00:10:44,949 --> 00:10:44,560

by the road suddenly i heard a growling

330

00:10:47,590 --> 00:10:44,959

sound

331

00:10:48,310 --> 00:10:47,600

like a dog growl i was never fond of

332

00:10:50,470 --> 00:10:48,320

dogs

333

00:10:52,630 --> 00:10:50,480

since they always seemed to chase me and

334

00:10:54,710 --> 00:10:52,640

had one bit me when i was six

335

00:10:56,150 --> 00:10:54,720

but now i'm grown up and actually like

336

00:10:58,630 --> 00:10:56,160

dogs and cats

337

00:11:01,190 --> 00:10:58,640

anyway as i heard this sound i don't

338

00:11:03,750 --> 00:11:01,200

know if it was curiosity or stupidity

339

00:11:05,990 --> 00:11:03,760

i decided to investigate by backtracking

340

00:11:06,870 --> 00:11:06,000

and seeing if in fact it was a wild dog

341

00:11:09,030 --> 00:11:06,880

with rabies

342

00:11:10,069 --> 00:11:09,040

since rabies at that time was rampant in

343

00:11:11,910 --> 00:11:10,079

our country

344

00:11:14,069 --> 00:11:11,920

this way i knew whether to expect an

345

00:11:16,230 --> 00:11:14,079

attack or just to get a rock in one of

346

00:11:16,870 --> 00:11:16,240

my hands in case it decided to mess with

347

00:11:20,710 --> 00:11:16,880

me

348

00:11:22,949 --> 00:11:20,720

to the door of the building

349

00:11:25,190 --> 00:11:22,959

only to be ten feet from a thing that i

350

00:11:27,350 --> 00:11:25,200

only saw in the movies like the howling

351

00:11:29,350 --> 00:11:27,360

i couldn't believe what i was seeing

352

00:11:31,030 --> 00:11:29,360

this thing slowly began to rise from a

353

00:11:31,990 --> 00:11:31,040

hunched position to where the moonlight

354

00:11:34,069 --> 00:11:32,000

hit its face

355

00:11:35,590 --> 00:11:34,079

and mind you this was a one-story

356

00:11:37,269 --> 00:11:35,600

building with no roof

357

00:11:39,509 --> 00:11:37,279

this building was at least eight and a

358

00:11:41,350 --> 00:11:39,519

half feet tall yet this thing's head was

359

00:11:43,990 --> 00:11:41,360

maybe five inches above it

360

00:11:45,750 --> 00:11:44,000

i was having trouble speaking i was in a

361

00:11:47,990 --> 00:11:45,760

state of awe and disbelief

362

00:11:50,230 --> 00:11:48,000

this thing had pointy black ears and a

363

00:11:52,629 --> 00:11:50,240

mid-size snout like a german shepherd

364

00:11:54,310 --> 00:11:52,639

and it had a yellow glow to its eyes it

365

00:11:56,550 --> 00:11:54,320

had hands like a raccoons

366

00:11:57,590 --> 00:11:56,560

but with a curve to them suddenly my

367

00:12:00,389 --> 00:11:57,600

reaction came

368

00:12:01,990 --> 00:12:00,399

and i spoke out loud and said no at this

369

00:12:03,910 --> 00:12:02,000

point this creature heard me

370

00:12:05,269 --> 00:12:03,920

and immediately turned its head to see

371

00:12:08,069 --> 00:12:05,279

me i realized

372

00:12:09,190 --> 00:12:08,079

at this point i had two choices stay and

373

00:12:11,030 --> 00:12:09,200

hope it didn't eat me

374

00:12:13,430 --> 00:12:11,040

or run the mile left in my grandma's

375

00:12:14,389 --> 00:12:13,440

house i can tell you the second option

376

00:12:16,150 --> 00:12:14,399

was better

377

00:12:17,990 --> 00:12:16,160

i immediately turned and ran in the

378

00:12:20,150 --> 00:12:18,000

direction of grandma's house

379

00:12:21,030 --> 00:12:20,160

i felt the thing behind me but i dared

380

00:12:23,190 --> 00:12:21,040

not look

381

00:12:25,430 --> 00:12:23,200

i ran and the funny thing is i didn't

382

00:12:26,230 --> 00:12:25,440

even drop my mom's containers that were

383

00:12:28,389 --> 00:12:26,240

with me

384

00:12:30,230 --> 00:12:28,399

i ran all the way to my grandma's house

385

00:12:31,910 --> 00:12:30,240

and i ran into the house

386

00:12:33,990 --> 00:12:31,920

the good thing was that in those days

387

00:12:36,790 --> 00:12:34,000

grandma always left the door open

388

00:12:37,590 --> 00:12:36,800

i ran inside and ran past my mom and my

389

00:12:39,430 --> 00:12:37,600

grandma

390

00:12:41,430 --> 00:12:39,440

i then rushed to the kitchen and put

391

00:12:42,470 --> 00:12:41,440

mom's containers on the counter i took

392

00:12:44,710 --> 00:12:42,480

the steak knives

393

00:12:46,710 --> 00:12:44,720

that grandma had and told my mom and

394

00:12:48,710 --> 00:12:46,720

grandmas after me and i'm ready

395

00:12:50,790 --> 00:12:48,720

at this point my mom and grandma tried

396

00:12:53,269 --> 00:12:50,800

to convince me that i was okay

397

00:12:55,350 --> 00:12:53,279

and to put the knives down i did not put

398

00:12:57,269 --> 00:12:55,360

the knives down until i was sure that

399

00:12:58,550 --> 00:12:57,279

the monster was not showing up to attack

400

00:13:00,710 --> 00:12:58,560

grandma's house

401
00:13:02,470 --> 00:13:00,720
i had nightmares and horrible dreams for

402
00:13:04,389 --> 00:13:02,480
about two years after that

403
00:13:06,310 --> 00:13:04,399
but this was not the last time i would

404
00:13:13,110 --> 00:13:06,320

405
00:13:16,550 --> 00:13:15,590
