

ARCANE RADIO

Exploring the Unexplained 

Sept. 28th, 2015

Stephen Ellis

**Paranormal & Afterlife
Researcher, Author**

1
00:00:05,349 --> 00:00:03,189
and good evening everyone welcome to

2
00:00:06,389 --> 00:00:05,359
arcane radio i'm sean the fork chop

3
00:00:09,110 --> 00:00:06,399
forker joined by

4
00:00:11,350 --> 00:00:09,120
lon strickler from phantoms and monsters

5
00:00:12,789 --> 00:00:11,360
here again this week with a fantastic

6
00:00:15,270 --> 00:00:12,799
show

7
00:00:17,830 --> 00:00:15,280
for you our listeners are great

8
00:00:20,310 --> 00:00:17,840
listeners we call you

9
00:00:23,269 --> 00:00:20,320
the people of the arcane and lon how are

10
00:00:26,550 --> 00:00:25,910
ah been a busy week i'm doing pretty

11
00:00:30,230 --> 00:00:26,560
good though

12
00:00:30,790 --> 00:00:30,240
uh kind of wore out be honest with you

13
00:00:32,549 --> 00:00:30,800

but uh

14

00:00:34,870 --> 00:00:32,559

it's been some interesting stuff going

15

00:00:36,870 --> 00:00:34,880

on a busy week i know because i

16

00:00:39,510 --> 00:00:36,880

no sooner came back from mothman and had

17

00:00:41,830 --> 00:00:39,520

to divulge into the

18

00:00:42,790 --> 00:00:41,840

world of everyday real life which sucks

19

00:00:44,950 --> 00:00:42,800

but

20

00:00:46,229 --> 00:00:44,960

someone's got to do it that's weird so i

21

00:00:47,590 --> 00:00:46,239

was there doing that i was on an

22

00:00:50,630 --> 00:00:47,600

eight-day bender

23

00:00:52,709 --> 00:00:50,640

of work and now i'm back today

24

00:00:56,069 --> 00:00:52,719

and we're gonna have a great time great

25

00:00:59,110 --> 00:00:58,709

yeah um of course we've got a lot of

26

00:01:03,270 --> 00:00:59,120

things

27

00:01:07,350 --> 00:01:03,280

going on the next week or so and uh

28

00:01:09,270 --> 00:01:07,360

uh you know with this dog land thing in

29

00:01:11,830 --> 00:01:09,280

central pa

30

00:01:15,270 --> 00:01:11,840

and of course uh i'm going to mention

31

00:01:18,310 --> 00:01:15,280

tonight's guest mr stephen ellis who's

32

00:01:21,030 --> 00:01:18,320

you know he he's kind of in been

33

00:01:22,429 --> 00:01:21,040

uh researching the paranormal for about

34

00:01:27,350 --> 00:01:22,439

40 years but

35

00:01:29,830 --> 00:01:27,360

specifically the afterlife reincarnation

36

00:01:31,190 --> 00:01:29,840

and such so he wrote a book a few years

37

00:01:33,670 --> 00:01:31,200

back

38

00:01:35,590 --> 00:01:33,680

uh title explaining the unexplained and

39

00:01:36,950 --> 00:01:35,600

he's going to be joining us a little bit

40

00:01:40,550 --> 00:01:36,960

later today

41

00:01:42,230 --> 00:01:40,560

tonight and uh you know we'll see what

42

00:01:45,590 --> 00:01:42,240

he has to say it should be very

43

00:01:48,870 --> 00:01:45,600

interesting but as far as

44

00:01:51,350 --> 00:01:48,880

what's going on with us well i

45

00:01:54,310 --> 00:01:51,360

had received a really interesting report

46

00:01:57,510 --> 00:01:54,320

you always get the interesting stuff

47

00:02:00,069 --> 00:01:57,520

well yeah but you know it keeps things

48

00:02:03,429 --> 00:02:00,079

going and of course

49

00:02:06,550 --> 00:02:03,439

i'm we're in a position now where we can

50

00:02:08,070 --> 00:02:06,560

actually you know go out and check these

51
00:02:11,750 --> 00:02:08,080
things out

52
00:02:12,630 --> 00:02:11,760
um you know unlike the you know the dog

53
00:02:14,630 --> 00:02:12,640
man

54
00:02:17,270 --> 00:02:14,640
situations that's been going on in

55
00:02:20,949 --> 00:02:17,280
central pa

56
00:02:22,150 --> 00:02:20,959
uh this happened in um this was a flying

57
00:02:24,949 --> 00:02:22,160
humanoid encounter

58
00:02:26,710 --> 00:02:24,959
that had multiple witnesses near

59
00:02:31,589 --> 00:02:26,720
littlestown pa now

60
00:02:34,630 --> 00:02:31,599
littlestown pa is in south central pa

61
00:02:35,750 --> 00:02:34,640
in adams county and it's it's just a

62
00:02:38,869 --> 00:02:35,760
stone's throw

63
00:02:40,710 --> 00:02:38,879

from the mason dixon line so

64

00:02:42,229 --> 00:02:40,720

uh you know it's almost into maryland

65

00:02:43,910 --> 00:02:42,239

it's an area there and it's it's

66

00:02:48,070 --> 00:02:43,920

approximately

67

00:02:51,670 --> 00:02:48,080

uh five or six miles from gettysburg

68

00:02:55,030 --> 00:02:51,680

so uh anyway i got to report on the 20

69

00:02:58,309 --> 00:02:55,040

uh on the 25th and this is

70

00:03:00,949 --> 00:02:58,319

uh this is what the witness had to say

71

00:03:02,550 --> 00:03:00,959

he said me my wife and three daughters

72

00:03:04,550 --> 00:03:02,560

are driving down a dark road in

73

00:03:07,750 --> 00:03:04,560

littlestown pennsylvania

74

00:03:10,309 --> 00:03:07,760

about 10 o'clock at night my wife was

75

00:03:12,070 --> 00:03:10,319

driving i was in the passenger front

76
00:03:14,229 --> 00:03:12,080
and my three daughters are in the back

77
00:03:14,790 --> 00:03:14,239
of the minivan we were coming around the

78
00:03:16,790 --> 00:03:14,800
turn

79
00:03:17,990 --> 00:03:16,800
and my wife and two of my daughters

80
00:03:19,990 --> 00:03:18,000
screamed out

81
00:03:21,350 --> 00:03:20,000
and said they saw a human-sized

82
00:03:24,470 --> 00:03:21,360
butterfly

83
00:03:26,470 --> 00:03:24,480
passed in front of the minivan

84
00:03:28,710 --> 00:03:26,480
it flew about 20 feet in front of the

85
00:03:30,390 --> 00:03:28,720
minivan and straight across the road and

86
00:03:32,630 --> 00:03:30,400
then disappeared

87
00:03:34,390 --> 00:03:32,640
they say it looked like a giant giant

88
00:03:36,710 --> 00:03:34,400

butterfly wings

89

00:03:37,910 --> 00:03:36,720

with no head and was moving very very

90

00:03:39,990 --> 00:03:37,920

fast

91

00:03:42,229 --> 00:03:40,000

i didn't see it because i was looking

92

00:03:44,630 --> 00:03:42,239

out the side window

93

00:03:46,470 --> 00:03:44,640

and you say just happened a few days ago

94

00:03:49,990 --> 00:03:46,480

now that's

95

00:03:52,390 --> 00:03:50,000

that's all i got from the uh

96

00:03:54,789 --> 00:03:52,400

you know by email so of course they did

97

00:03:57,110 --> 00:03:54,799

give me a contact information

98

00:03:57,830 --> 00:03:57,120

and i got on the horn immediately with

99

00:04:02,309 --> 00:03:57,840

this uh

100

00:04:05,350 --> 00:04:04,550

they also added that this encounter

101
00:04:08,789 --> 00:04:05,360
occurred on

102
00:04:11,910 --> 00:04:08,799
september 23rd at around 10 p.m

103
00:04:14,149 --> 00:04:11,920
on teeter road which is southwest of

104
00:04:17,430 --> 00:04:14,159
littlestown pennsylvania near

105
00:04:18,949 --> 00:04:17,440
the quail valley golf course and it's

106
00:04:22,710 --> 00:04:18,959
approximately a mile

107
00:04:24,310 --> 00:04:22,720
and mount 1.3 miles north of the mason

108
00:04:27,590 --> 00:04:24,320
ticket line

109
00:04:30,070 --> 00:04:27,600
the driver who was which was the wife

110
00:04:31,510 --> 00:04:30,080
and the two oldest daughters who were 18

111
00:04:35,030 --> 00:04:31,520
and 13

112
00:04:35,270 --> 00:04:35,040
witnessed the being it was described as

113
00:04:42,550 --> 00:04:35,280

a

114

00:04:45,430 --> 00:04:42,560

descriptions

115

00:04:47,430 --> 00:04:45,440

with huge butterfly-like wings now one

116

00:04:51,990 --> 00:04:47,440

of the daughters said the wings looked

117

00:04:55,430 --> 00:04:54,310

the wings had no feathers they were

118

00:04:58,550 --> 00:04:55,440

covered in skin

119

00:05:01,110 --> 00:04:58,560

or other type of membrane

120

00:05:02,870 --> 00:05:01,120

the color of the body and the wings was

121

00:05:07,110 --> 00:05:02,880

light

122

00:05:09,590 --> 00:05:07,120

almost a whitish pink hue

123

00:05:10,870 --> 00:05:09,600

the being quickly flew directly across

124

00:05:13,909 --> 00:05:10,880

the road

125

00:05:15,990 --> 00:05:13,919

about five foot above the surface it was

126

00:05:18,629 --> 00:05:16,000

well illuminated by the headlight

127

00:05:19,830 --> 00:05:18,639

and was about 10 to 15 foot in front of

128

00:05:23,110 --> 00:05:19,840

the van

129

00:05:25,189 --> 00:05:23,120

so it was fairly close uh the wings did

130

00:05:27,590 --> 00:05:25,199

not move or flap

131

00:05:28,230 --> 00:05:27,600

it came from the area of the golf course

132

00:05:32,469 --> 00:05:28,240

and moved

133

00:05:35,189 --> 00:05:32,479

south across teeter road into a small

134

00:05:39,270 --> 00:05:35,199

patch of woods

135

00:05:41,430 --> 00:05:39,280

now you know it's obvious to me that

136

00:05:43,350 --> 00:05:41,440

this encounter shook these witnesses up

137

00:05:46,629 --> 00:05:43,360

i mean even to the point

138

00:05:49,270 --> 00:05:46,639

where their voices were shaking

139

00:05:50,710 --> 00:05:49,280

and uh they were strongly emphasizing

140

00:05:52,230 --> 00:05:50,720

what they seen

141

00:05:55,110 --> 00:05:52,240

and in fact one of the girls wouldn't

142

00:05:58,710 --> 00:05:55,120

even talk she was that shook up

143

00:06:02,629 --> 00:06:00,950

you know i think i think it's important

144

00:06:05,550 --> 00:06:02,639

to note as well

145

00:06:06,710 --> 00:06:05,560

that this location was approximately

146

00:06:09,909 --> 00:06:06,720

11.4

147

00:06:13,110 --> 00:06:09,919

miles southwest of

148

00:06:14,950 --> 00:06:13,120

my initials in the conewago fam

149

00:06:17,270 --> 00:06:14,960

now i'm not saying that this is what

150

00:06:19,830 --> 00:06:17,280

that was

151
00:06:20,870 --> 00:06:19,840
but it just seems very interesting that

152
00:06:23,189 --> 00:06:20,880
you know

153
00:06:24,710 --> 00:06:23,199
this is another flying humanoid type

154
00:06:28,309 --> 00:06:24,720
being

155
00:06:32,230 --> 00:06:28,319
seen that close you know together so

156
00:06:34,710 --> 00:06:32,240
who knows who knows what's going on but

157
00:06:36,390 --> 00:06:34,720
i uh i am going down there i am going to

158
00:06:38,309 --> 00:06:36,400
go up there and check that out i'm going

159
00:06:41,350 --> 00:06:38,319
to look at it over

160
00:06:43,350 --> 00:06:41,360
uh sometime within the next week or so

161
00:06:44,870 --> 00:06:43,360
and see if i can get a hold of witness

162
00:06:45,270 --> 00:06:44,880
maybe one of them will go out with me

163
00:06:49,510 --> 00:06:45,280

now

164

00:06:52,950 --> 00:06:49,520

i do have some i did put some images on

165

00:06:55,589 --> 00:06:52,960

on the website from google

166

00:06:57,029 --> 00:06:55,599

uh to where this actually happened uh

167

00:06:58,950 --> 00:06:57,039

being a night

168

00:07:01,189 --> 00:06:58,960

pretty open area other than where the

169

00:07:05,029 --> 00:07:01,199

woods were went into because it was

170

00:07:10,390 --> 00:07:08,790

uh now i grew up around this area i i

171

00:07:13,430 --> 00:07:10,400

was born in hanover which is

172

00:07:14,629 --> 00:07:13,440

uh i born and grown in and grew up in

173

00:07:18,070 --> 00:07:14,639

hanover pennsylvania

174

00:07:21,350 --> 00:07:18,080

which is only like four miles

175

00:07:23,670 --> 00:07:21,360

north of littlestown and um

176

00:07:25,110 --> 00:07:23,680

four or five miles north of littlestown

177

00:07:27,189 --> 00:07:25,120

so this littlest town

178

00:07:28,469 --> 00:07:27,199

gettysburg andrew area i'm very familiar

179

00:07:32,230 --> 00:07:28,479

with so

180

00:07:35,189 --> 00:07:32,240

uh but i've honestly i i've never heard

181

00:07:36,390 --> 00:07:35,199

of anything like this being seen there

182

00:07:39,990 --> 00:07:36,400

so

183

00:07:41,189 --> 00:07:40,000

close to the maryland border

184

00:07:42,629 --> 00:07:41,199

i mean it could have been here but it

185

00:07:44,950 --> 00:07:42,639

was heading that way so it could have

186

00:07:46,629 --> 00:07:44,960

gone into maryland as well

187

00:07:48,790 --> 00:07:46,639

so that's well that's all i know at the

188

00:07:51,189 --> 00:07:48,800

points point but uh

189

00:07:54,230 --> 00:07:51,199

it's a very interesting setting and and

190

00:07:57,909 --> 00:07:54,240

that you know three people saw it

191

00:07:59,350 --> 00:07:57,919

uh substantiated as far as i'm concerned

192

00:08:00,869 --> 00:07:59,360

and uh

193

00:08:02,309 --> 00:08:00,879

you know maybe something else will come

194

00:08:03,029 --> 00:08:02,319

up maybe somebody will see something

195

00:08:06,629 --> 00:08:03,039

else later

196

00:08:08,150 --> 00:08:06,639

well they hope so yeah the interesting

197

00:08:09,990 --> 00:08:08,160

stories that we're getting uh

198

00:08:12,150 --> 00:08:10,000

specifically around these

199

00:08:13,589 --> 00:08:12,160

flying humanoid encounters lawn and i

200

00:08:17,589 --> 00:08:13,599

just wish we knew more about them we had

201
00:08:21,909 --> 00:08:19,909
well you know you know the whole mothman

202
00:08:22,469 --> 00:08:21,919
thing and then of course there have been

203
00:08:25,749 --> 00:08:22,479
some

204
00:08:27,510 --> 00:08:25,759
other type of flying humanoid sightings

205
00:08:29,909 --> 00:08:27,520
uh

206
00:08:31,510 --> 00:08:29,919
you know i kind of clap you know really

207
00:08:32,709 --> 00:08:31,520
i shouldn't do it but i kind of always

208
00:08:35,670 --> 00:08:32,719
classify

209
00:08:37,350 --> 00:08:35,680
as these things as basically being the

210
00:08:41,190 --> 00:08:37,360
same thing because

211
00:08:43,909 --> 00:08:41,200
you know i mean is it natural is it

212
00:08:44,790 --> 00:08:43,919
inter-dimensional is it you know

213
00:08:46,790 --> 00:08:44,800

something that's

214

00:08:48,150 --> 00:08:46,800

engineered or whatever i i don't know i

215

00:08:52,230 --> 00:08:48,160

don't know you know

216

00:08:52,790 --> 00:08:52,240

but uh this sighting in particular just

217

00:08:56,550 --> 00:08:52,800

the way

218

00:08:59,670 --> 00:08:58,630

tends to make me think it may have been

219

00:09:03,990 --> 00:08:59,680

natural some

220

00:09:05,829 --> 00:09:04,000

you know i don't know it's uh

221

00:09:07,190 --> 00:09:05,839

the whole thing was covered in this type

222

00:09:11,110 --> 00:09:07,200

of membrane

223

00:09:15,190 --> 00:09:11,120

with no no wings almost like

224

00:09:18,470 --> 00:09:15,200

a huge bat a huge white what is like our

225

00:09:23,509 --> 00:09:21,750

i don't know but then again it's

226

00:09:25,110 --> 00:09:23,519

pennsylvania you never know what's going

227

00:09:29,509 --> 00:09:25,120

to be seen in pennsylvania

228

00:09:32,150 --> 00:09:29,519

and uh you know actually

229

00:09:33,910 --> 00:09:32,160

we got another i got another report too

230

00:09:36,710 --> 00:09:33,920

uh

231

00:09:39,030 --> 00:09:36,720

from an individual who's going to be

232

00:09:42,630 --> 00:09:39,040

going to start helping us with this

233

00:09:46,630 --> 00:09:42,640

central pennsylvania uh dogman thing but

234

00:09:50,070 --> 00:09:46,640

um he has sent butch and i

235

00:09:54,230 --> 00:09:50,080

um uh a

236

00:09:55,030 --> 00:09:54,240

large dossier of dogman sightings in

237

00:09:58,310 --> 00:09:55,040

pennsylvania

238

00:09:58,710 --> 00:09:58,320

and in the surrounding states but he had

239

00:10:02,790 --> 00:09:58,720

had

240

00:10:04,790 --> 00:10:02,800

a personal encounter when he was younger

241

00:10:07,590 --> 00:10:04,800

and he doesn't remember the exact date

242

00:10:09,269 --> 00:10:07,600

in 1963

243

00:10:11,509 --> 00:10:09,279

but it was only his grandmother's

244

00:10:15,030 --> 00:10:11,519

property

245

00:10:15,509 --> 00:10:15,040

um i'm just going to go ahead and read

246

00:10:16,949 --> 00:10:15,519

what he

247

00:10:19,430 --> 00:10:16,959

stated then i got there's some other

248

00:10:22,069 --> 00:10:19,440

things i want to state

249

00:10:24,150 --> 00:10:22,079

after that um you know i'm not making an

250

00:10:26,550 --> 00:10:24,160

official report

251
00:10:28,150 --> 00:10:26,560
because as long as so long ago and i

252
00:10:31,110 --> 00:10:28,160
have always brushed this instant

253
00:10:31,990 --> 00:10:31,120
off at the time i was about eight to 11

254
00:10:33,829 --> 00:10:32,000
years old

255
00:10:36,310 --> 00:10:33,839
and i can't recall what year exactly he

256
00:10:38,870 --> 00:10:36,320
said in 1960-63

257
00:10:40,710 --> 00:10:38,880
since this was many years ago and nobody

258
00:10:42,389 --> 00:10:40,720
believed me since i was a kid

259
00:10:44,870 --> 00:10:42,399
i was spending the summer at my

260
00:10:46,710 --> 00:10:44,880
grandma's house on shank road

261
00:10:48,949 --> 00:10:46,720
in middletown maryland which is in

262
00:10:52,069 --> 00:10:48,959
frederick county

263
00:10:54,150 --> 00:10:52,079

as i had for a couple years in a row i

264

00:10:56,389 --> 00:10:54,160

welcome the summers i spent with grandma

265

00:10:59,110 --> 00:10:56,399

except for the darn outhouse

266

00:11:00,470 --> 00:10:59,120

and believe me i can i can relate to

267

00:11:03,110 --> 00:11:00,480

that

268

00:11:03,990 --> 00:11:03,120

because i i spent time at a relatives in

269

00:11:06,870 --> 00:11:04,000

the summer and

270

00:11:07,910 --> 00:11:06,880

they had an announced uh if i had to go

271

00:11:10,470 --> 00:11:07,920

at night

272

00:11:12,470 --> 00:11:10,480

i was it was a nuisance having to take

273

00:11:13,269 --> 00:11:12,480

grandma with me which meant waking her

274

00:11:16,310 --> 00:11:13,279

up

275

00:11:18,230 --> 00:11:16,320

it was an awful part of being there now

276

00:11:20,150 --> 00:11:18,240

one late night i had to get up and use

277

00:11:21,430 --> 00:11:20,160

the outhouse and it was stark black

278

00:11:24,630 --> 00:11:21,440

outside

279

00:11:27,910 --> 00:11:24,640

my lamppost or outdoor lighting lined

280

00:11:29,990 --> 00:11:27,920

the main lane grandma had electricity

281

00:11:33,030 --> 00:11:30,000

but it was only for the house inside

282

00:11:34,630 --> 00:11:33,040

of it in appliances she had a tv a very

283

00:11:37,110 --> 00:11:34,640

old floor model and nobody watched it

284

00:11:39,110 --> 00:11:37,120

anyway since there was not much tv

285

00:11:40,630 --> 00:11:39,120

on the maryland airways back in the

286

00:11:43,110 --> 00:11:40,640

early 60s

287

00:11:44,389 --> 00:11:43,120

i had to be like 3 a.m when i ventured

288

00:11:47,110 --> 00:11:44,399

outside

289

00:11:48,470 --> 00:11:47,120

i didn't take a flashlight and i didn't

290

00:11:51,430 --> 00:11:48,480

want to wake grandma

291

00:11:53,110 --> 00:11:51,440

up for finding the flashlight or her to

292

00:11:54,949 --> 00:11:53,120

walk me to the outhouse

293

00:11:56,629 --> 00:11:54,959

the outhouse is located far from the

294

00:11:58,710 --> 00:11:56,639

main grouping of structures

295

00:12:00,150 --> 00:11:58,720

on a property in the main house for

296

00:12:02,790 --> 00:12:00,160

obvious reasons

297

00:12:04,870 --> 00:12:02,800

it was not a full moon more like a half

298

00:12:07,590 --> 00:12:04,880

moon that night

299

00:12:09,670 --> 00:12:07,600

but enough nighttime illumination in the

300

00:12:11,430 --> 00:12:09,680

sky that my eyes adjusted quickly to see

301
00:12:13,670 --> 00:12:11,440
the grounds

302
00:12:15,110 --> 00:12:13,680
now i could easily navigate my way using

303
00:12:18,230 --> 00:12:15,120
grandma's long and narrow

304
00:12:19,350 --> 00:12:18,240
flower garden as a guiding trail my

305
00:12:21,750 --> 00:12:19,360
biggest fear

306
00:12:23,110 --> 00:12:21,760
was the black snakes and copperheads

307
00:12:26,389 --> 00:12:23,120
because i was worn

308
00:12:28,870 --> 00:12:26,399
constantly to look out for them i

309
00:12:31,030 --> 00:12:28,880
have made it down to the outhouse and

310
00:12:33,110 --> 00:12:31,040
don't even remember hearing

311
00:12:36,829 --> 00:12:33,120
the usual night noises like crickets and

312
00:12:39,990 --> 00:12:36,839
outs it seemed almost too quiet

313
00:12:42,069 --> 00:12:40,000

i was a sharp and smart kid with a great

314

00:12:45,190 --> 00:12:42,079

imagination but not enough

315

00:12:45,829 --> 00:12:45,200

to make this story up i felt an uncanny

316

00:12:48,069 --> 00:12:45,839

sensation

317

00:12:49,269 --> 00:12:48,079

being watched and i started getting

318

00:12:51,829 --> 00:12:49,279

scared

319

00:12:53,269 --> 00:12:51,839

i left the outhouse peaked outside first

320

00:12:54,949 --> 00:12:53,279

and for some reason

321

00:12:57,990 --> 00:12:54,959

i wanted to run back to the house

322

00:13:00,629 --> 00:12:58,000

getting to safety as quickly as possible

323

00:13:02,629 --> 00:13:00,639

it was a rough and long run and i tired

324

00:13:04,069 --> 00:13:02,639

quickly and began walking the last few

325

00:13:06,069 --> 00:13:04,079

hundred feet

326

00:13:07,430 --> 00:13:06,079

to the ports of the house something told

327

00:13:10,710 --> 00:13:07,440

me to look back

328

00:13:14,310 --> 00:13:10,720

or had been to this day i wish i hadn't

329

00:13:15,990 --> 00:13:14,320

what i saw was an impossible sight

330

00:13:18,470 --> 00:13:16,000

this animal stepping through the

331

00:13:21,269 --> 00:13:18,480

backyard of my grandma's property

332

00:13:22,629 --> 00:13:21,279

just past the garden about 10 foot past

333

00:13:24,870 --> 00:13:22,639

the outhouse

334

00:13:26,550 --> 00:13:24,880

it was this upright furry creature with

335

00:13:29,350 --> 00:13:26,560

dog with a dog

336

00:13:31,110 --> 00:13:29,360

wolf head now i have owned german

337

00:13:33,190 --> 00:13:31,120

shepherds from the age of seven so the

338

00:13:36,389 --> 00:13:33,200

head was almost similar

339

00:13:38,710 --> 00:13:36,399

to the ears and snout of a german

340

00:13:40,470 --> 00:13:38,720

shepherd dog

341

00:13:41,990 --> 00:13:40,480

i stopped dead in my tracks not

342

00:13:43,350 --> 00:13:42,000

believing my eyes because it's

343

00:13:45,509 --> 00:13:43,360

impossible

344

00:13:48,790 --> 00:13:45,519

it had arms that had claw-like hands and

345

00:13:50,710 --> 00:13:48,800

hung out in front of it as it turned its

346

00:13:53,350 --> 00:13:50,720

head it looked right at me the eyes

347

00:13:55,990 --> 00:13:53,360

looked yellow and super reflective

348

00:13:57,990 --> 00:13:56,000

chills shut up my spine as it quickly

349

00:14:00,230 --> 00:13:58,000

walked on two legs

350

00:14:01,590 --> 00:14:00,240

and he said look like real dog legs

351
00:14:03,590 --> 00:14:01,600
bending backwards

352
00:14:04,629 --> 00:14:03,600
traveling from left to right past your

353
00:14:06,949 --> 00:14:04,639
garden

354
00:14:08,310 --> 00:14:06,959
into the old gravel lane then across

355
00:14:11,189 --> 00:14:08,320
across into the thicker

356
00:14:13,509 --> 00:14:11,199
woods where it disappeared i heard the

357
00:14:15,829 --> 00:14:13,519
rustling through the weeds

358
00:14:18,230 --> 00:14:15,839
it may have initially traveled from the

359
00:14:20,550 --> 00:14:18,240
usual full cowl pasture that was

360
00:14:21,750 --> 00:14:20,560
up an incline past the spring and up to

361
00:14:23,750 --> 00:14:21,760
the cow pasture

362
00:14:25,350 --> 00:14:23,760
that was behind grandma's house i

363
00:14:26,470 --> 00:14:25,360

shuttered to think it was hiding behind

364

00:14:29,110 --> 00:14:26,480

the outhouse

365

00:14:29,990 --> 00:14:29,120

i was in but that is a distinct

366

00:14:32,389 --> 00:14:30,000

possibility as

367

00:14:34,710 --> 00:14:32,399

well now ever since that night after

368

00:14:37,110 --> 00:14:34,720

being teased of the cliché of seeing

369

00:14:38,710 --> 00:14:37,120

the big bad wolf at grandma's house

370

00:14:41,110 --> 00:14:38,720

nobody believed me and thought

371

00:14:43,990 --> 00:14:41,120

i made the story up for attention like

372

00:14:45,910 --> 00:14:44,000

the imaginary friend syndrome for kids

373

00:14:47,750 --> 00:14:45,920

from those teasing me i just put it all

374

00:14:48,870 --> 00:14:47,760

behind me bury the story forever and

375

00:14:52,150 --> 00:14:48,880

never told

376

00:14:55,509 --> 00:14:52,160

another human being this tale until now

377

00:14:58,310 --> 00:14:55,519

i just turned 62 years old this year

378

00:14:59,030 --> 00:14:58,320

and i'm sharing this tale you now like i

379

00:15:01,990 --> 00:14:59,040

said it's

380

00:15:03,590 --> 00:15:02,000

too late not just too late now to submit

381

00:15:05,110 --> 00:15:03,600

an official report

382

00:15:06,550 --> 00:15:05,120

i can't even remember which year

383

00:15:07,110 --> 00:15:06,560

occurred but i will never forget that

384

00:15:10,150 --> 00:15:07,120

creature

385

00:15:11,509 --> 00:15:10,160

until our day i die now the interesting

386

00:15:14,710 --> 00:15:11,519

thing about this

387

00:15:17,189 --> 00:15:14,720

in that area that frederick area

388

00:15:18,629 --> 00:15:17,199

is in central pennsylvania excuse me

389

00:15:22,629 --> 00:15:18,639

central maryland in

390

00:15:26,550 --> 00:15:22,639

the piedmont there is a

391

00:15:30,389 --> 00:15:26,560

legendary beast called the duo

392

00:15:33,269 --> 00:15:30,399

it's the maryland dog man and

393

00:15:34,069 --> 00:15:33,279

what i found interesting in this account

394

00:15:38,829 --> 00:15:34,079

was

395

00:15:44,069 --> 00:15:38,839

that this same area middletown maryland

396

00:15:44,079 --> 00:15:48,389

encounter back in 1944

397

00:15:51,910 --> 00:15:51,110

and in fact it was actually posted in

398

00:15:57,030 --> 00:15:51,920

the frederick

399

00:16:00,470 --> 00:15:57,040

news post uh in 1965 which was

400

00:16:03,670 --> 00:16:00,480

after this other sighting by you know

401
00:16:06,310 --> 00:16:03,680
this new sighting that i received and

402
00:16:08,629 --> 00:16:06,320
uh it was titled the mysterious duo

403
00:16:11,749 --> 00:16:08,639
loose in county

404
00:16:14,310 --> 00:16:11,759
and uh that happened on the outskirts of

405
00:16:18,949 --> 00:16:14,320
gabriel state parks which is right there

406
00:16:21,350 --> 00:16:18,959
right outside middleton so uh

407
00:16:23,350 --> 00:16:21,360
you know it had had almost the same type

408
00:16:26,230 --> 00:16:23,360
of description

409
00:16:26,949 --> 00:16:26,240
i don't think this witness was aware of

410
00:16:30,629 --> 00:16:26,959
that

411
00:16:31,829 --> 00:16:30,639
um i don't know there was another

412
00:16:35,509 --> 00:16:31,839
sighting

413
00:16:39,749 --> 00:16:35,519

in erie in 66

414

00:16:41,829 --> 00:16:39,759

and then in 1976

415

00:16:44,310 --> 00:16:41,839

there was a sighting in frederick county

416

00:16:47,030 --> 00:16:44,320

near thurmont

417

00:16:50,470 --> 00:16:47,040

uh between the cunningham state falls

418

00:16:53,670 --> 00:16:50,480

and catholic mountain national park

419

00:16:54,949 --> 00:16:53,680

which is uh just over the border from

420

00:16:57,189 --> 00:16:54,959

pennsylvania

421

00:16:59,749 --> 00:16:57,199

and really only like eight or nine miles

422

00:17:02,790 --> 00:16:59,759

from gettysburg

423

00:17:05,510 --> 00:17:02,800

so here we are again with this kind of

424

00:17:07,189 --> 00:17:05,520

same general overall area where

425

00:17:11,189 --> 00:17:07,199

something weird is being

426
00:17:15,029 --> 00:17:13,829
a long time and then there was another

427
00:17:18,710 --> 00:17:15,039
sighting

428
00:17:21,909 --> 00:17:18,720
actually in 1978

429
00:17:25,350 --> 00:17:21,919
near cunningham falls

430
00:17:29,430 --> 00:17:25,360
and uh you know

431
00:17:31,830 --> 00:17:29,440
robin swope actually wrote an article

432
00:17:32,950 --> 00:17:31,840
not too long ago about a sighting in

433
00:17:36,070 --> 00:17:32,960
2009

434
00:17:38,710 --> 00:17:36,080
in myersville maryland so

435
00:17:39,750 --> 00:17:38,720
i don't know you know i'm not really

436
00:17:41,830 --> 00:17:39,760
familiar with this

437
00:17:43,830 --> 00:17:41,840
i did you know i didn't write an article

438
00:17:46,710 --> 00:17:43,840

about it years ago

439

00:17:48,549 --> 00:17:46,720

but uh i haven't received any specific

440

00:17:51,669 --> 00:17:48,559

reports until now

441

00:17:54,549 --> 00:17:51,679

of any anybody seeing this thing

442

00:17:56,870 --> 00:17:54,559

but this is a this is a report that you

443

00:18:00,310 --> 00:17:56,880

know i guess we can put on the pile

444

00:18:01,830 --> 00:18:00,320

of the uh well it makes sense to keep it

445

00:18:05,029 --> 00:18:01,840

and you know when we think about these

446

00:18:06,470 --> 00:18:05,039

sightings happening so long ago lon

447

00:18:07,830 --> 00:18:06,480

you know information traveled

448

00:18:09,430 --> 00:18:07,840

differently back then they didn't have

449

00:18:10,909 --> 00:18:09,440

the world wide web to go to in the

450

00:18:12,789 --> 00:18:10,919

search and they couldn't go to

451
00:18:14,070 --> 00:18:12,799
phantomsandmonsters.com and click in dog

452
00:18:15,750 --> 00:18:14,080
man and search

453
00:18:17,190 --> 00:18:15,760
the extensive databases these things

454
00:18:18,950 --> 00:18:17,200
were passed by word of mouth

455
00:18:20,630 --> 00:18:18,960
newspaper clippings you know local

456
00:18:22,150 --> 00:18:20,640
legend so

457
00:18:23,909 --> 00:18:22,160
that in my opinion they have a little

458
00:18:25,909 --> 00:18:23,919
bit more credibility

459
00:18:28,789 --> 00:18:25,919
than maybe something we get today just

460
00:18:31,110 --> 00:18:28,799
because of that

461
00:18:32,390 --> 00:18:31,120
yeah i i think you're right and you know

462
00:18:35,430 --> 00:18:32,400
i think the same way

463
00:18:38,230 --> 00:18:35,440

uh you know it takes

464

00:18:40,230 --> 00:18:38,240

it took a lot of trouble back then to

465

00:18:41,909 --> 00:18:40,240

you know

466

00:18:44,870 --> 00:18:41,919

go through the encounter then get a hold

467

00:18:47,190 --> 00:18:44,880

of share for somebody explain to him

468

00:18:48,630 --> 00:18:47,200

or talk to some reporter or whatever

469

00:18:50,710 --> 00:18:48,640

because you know

470

00:18:52,310 --> 00:18:50,720

it was an instantaneous type of thing

471

00:18:55,270 --> 00:18:52,320

like it is now

472

00:18:57,430 --> 00:18:55,280

and uh yeah and it does add to the

473

00:19:00,710 --> 00:18:57,440

credibility

474

00:19:04,950 --> 00:19:02,549

so you know this is something you know

475

00:19:06,630 --> 00:19:04,960

this is something else that

476

00:19:08,390 --> 00:19:06,640

you know and i could just weigh those

477

00:19:12,470 --> 00:19:08,400

studies i could really tie this

478

00:19:14,070 --> 00:19:12,480

into a lot of this uh central pa thing

479

00:19:15,430 --> 00:19:14,080

because really

480

00:19:18,070 --> 00:19:15,440

you know you're not really talking about

481

00:19:20,789 --> 00:19:18,080

a whole lot of distance

482

00:19:23,669 --> 00:19:20,799

uh and and these are uh and these are

483

00:19:27,590 --> 00:19:23,679

historical sightings

484

00:19:30,070 --> 00:19:27,600

um you know

485

00:19:32,390 --> 00:19:30,080

you know i you know i don't know what

486

00:19:34,630 --> 00:19:32,400

butch and them are getting into

487

00:19:36,150 --> 00:19:34,640

but uh you know i thought it was kind of

488

00:19:37,430 --> 00:19:36,160

funny when you put the reference up

489

00:19:38,710 --> 00:19:37,440

about the silver bullet yeah well you

490

00:19:40,230 --> 00:19:38,720

know we got to be prepared to take these

491

00:19:42,630 --> 00:19:40,240

things down

492

00:19:44,630 --> 00:19:42,640

and i mean that jokingly of course but

493

00:19:46,390 --> 00:19:44,640

we have to be prepared to uh

494

00:19:48,310 --> 00:19:46,400

to go after these things with everything

495

00:19:51,750 --> 00:19:48,320

we've got but no seriousness

496

00:19:53,190 --> 00:19:51,760

i you know this has really you know been

497

00:19:54,310 --> 00:19:53,200

on the forefront of my mind because of

498

00:19:55,190 --> 00:19:54,320

these recent sightings we've been

499

00:19:57,190 --> 00:19:55,200

getting in

500

00:19:58,470 --> 00:19:57,200

and i know we've gotten them last year

501
00:20:00,310 --> 00:19:58,480
but really since the beginning of this

502
00:20:01,909 --> 00:20:00,320
year since january when you received

503
00:20:04,230 --> 00:20:01,919
that report

504
00:20:06,070 --> 00:20:04,240
they've just been pouring in at an

505
00:20:08,549 --> 00:20:06,080
accelerated rate and sometimes i wonder

506
00:20:10,070 --> 00:20:08,559
if maybe we're causing this but

507
00:20:11,830 --> 00:20:10,080
perhaps it's just another outlet for

508
00:20:13,350 --> 00:20:11,840
people to report

509
00:20:14,390 --> 00:20:13,360
what you know what that what they're

510
00:20:15,830 --> 00:20:14,400
really seeing what they're really

511
00:20:17,029 --> 00:20:15,840
experiencing and i want to be out there

512
00:20:18,390 --> 00:20:17,039
and investigating this i know this

513
00:20:20,549 --> 00:20:18,400

weekend

514

00:20:21,750 --> 00:20:20,559

uh butch watkowski is going to be out

515

00:20:23,909 --> 00:20:21,760

there with a team

516

00:20:24,950 --> 00:20:23,919

to really start getting getting into

517

00:20:27,430 --> 00:20:24,960

these areas

518

00:20:29,510 --> 00:20:27,440

with a fine-tooth comb putting out bait

519

00:20:30,870 --> 00:20:29,520

stations you know really

520

00:20:32,870 --> 00:20:30,880

getting the equipment out there to see

521

00:20:35,430 --> 00:20:32,880

if we can get something on film

522

00:20:37,190 --> 00:20:35,440

something physical just something that

523

00:20:41,190 --> 00:20:37,200

can lead more credence to what people

524

00:20:46,070 --> 00:20:44,310

yeah and you know and

525

00:20:47,909 --> 00:20:46,080

the way they're going about it in the

526

00:20:48,950 --> 00:20:47,919

equipment they're using is actually

527

00:20:51,190 --> 00:20:48,960

something

528

00:20:54,630 --> 00:20:51,200

much different than anybody else that i

529

00:21:00,830 --> 00:20:57,669

i mean they're setting up a base camp

530

00:21:02,710 --> 00:21:00,840

in an area that has known for strange

531

00:21:05,270 --> 00:21:02,720

phenomena

532

00:21:06,630 --> 00:21:05,280

they've got two sightings that were

533

00:21:09,909 --> 00:21:06,640

fresh

534

00:21:12,549 --> 00:21:09,919

in that area uh they

535

00:21:15,270 --> 00:21:12,559

got another story just the other night

536

00:21:19,909 --> 00:21:15,280

or something that happened there

537

00:21:22,070 --> 00:21:19,919

uh previously and of course after they

538

00:21:23,909 --> 00:21:22,080

actually investigate this specific area

539

00:21:26,149 --> 00:21:23,919

in clearfield county

540

00:21:28,310 --> 00:21:26,159

then they're going to be going i think

541

00:21:32,549 --> 00:21:28,320

the next one will be south from there

542

00:21:35,590 --> 00:21:32,559

into uh cambria and and blair counties

543

00:21:39,110 --> 00:21:35,600

where we've actually got three

544

00:21:39,350 --> 00:21:39,120

fresh sightings and a historical signing

545

00:21:42,870 --> 00:21:39,360

as

546

00:21:44,310 --> 00:21:42,880

well uh and actually two three of those

547

00:21:48,230 --> 00:21:44,320

sightings happened in

548

00:21:51,270 --> 00:21:48,240

one small town park

549

00:21:53,990 --> 00:21:51,280

which uh is very interesting so

550

00:21:55,029 --> 00:21:54,000

you know we'll see what comes up but you

551
00:21:58,070 --> 00:21:55,039
know it's it's

552
00:22:00,710 --> 00:21:58,080
uh hopefully we can get

553
00:22:02,070 --> 00:22:00,720
some answers to what's going on here and

554
00:22:05,590 --> 00:22:02,080
uh

555
00:22:07,190 --> 00:22:05,600
you know we'll see well speaking about

556
00:22:08,310 --> 00:22:07,200
getting answers tonight's show is going

557
00:22:09,190 --> 00:22:08,320
to be something a little different

558
00:22:12,390 --> 00:22:09,200
something we don't

559
00:22:13,510 --> 00:22:12,400
typically talk about a lot one and it's

560
00:22:14,789 --> 00:22:13,520
mainly because i don't have any

561
00:22:15,430 --> 00:22:14,799
experience with it because i've never

562
00:22:18,470 --> 00:22:15,440
been there but

563
00:22:20,310 --> 00:22:18,480

uh life after death the afterlife and

564

00:22:21,590 --> 00:22:20,320

all kinds of things that uh

565

00:22:23,029 --> 00:22:21,600

you know kind of relate to that so

566

00:22:24,950 --> 00:22:23,039

tonight's guest is stephen ellis is

567

00:22:27,270 --> 00:22:24,960

somebody i'm not familiar with

568

00:22:28,789 --> 00:22:27,280

but uh lon he's been writing articles

569

00:22:30,630 --> 00:22:28,799

and you've been posting on phantoms and

570

00:22:31,510 --> 00:22:30,640

monsters for some time now and if folks

571

00:22:33,029 --> 00:22:31,520

you don't know what phantoms and

572

00:22:34,669 --> 00:22:33,039

monsters is shame on you you've been

573

00:22:37,430 --> 00:22:34,679

listening long enough

574

00:22:38,390 --> 00:22:37,440

phenomenalmonsters.com so tonight about

575

00:22:40,710 --> 00:22:38,400

stephen stephen

576

00:22:43,270 --> 00:22:40,720

ellis is an author of the best-selling

577

00:22:44,950 --> 00:22:43,280

book explaining the unexplained

578

00:22:46,549 --> 00:22:44,960

in the past he has been a successful

579

00:22:49,510 --> 00:22:46,559

businessman as well as an economic

580

00:22:51,430 --> 00:22:49,520

advisor to former la mayor sam jordy

581

00:22:53,510 --> 00:22:51,440

presently he is serving his fifth

582

00:22:56,230 --> 00:22:53,520

four-year term of office as a referee

583

00:22:58,710 --> 00:22:56,240

for the superior court of california

584

00:22:59,830 --> 00:22:58,720

in 1979 while on a business trip to san

585

00:23:01,430 --> 00:22:59,840

francisco

586

00:23:03,590 --> 00:23:01,440

he had an incident involving a ghost

587

00:23:05,909 --> 00:23:03,600

that completely changed his life

588

00:23:07,430 --> 00:23:05,919

this started almost 40 years of research

589

00:23:09,669 --> 00:23:07,440

into the paranormal

590

00:23:11,750 --> 00:23:09,679

his research and critical examination of

591

00:23:13,190 --> 00:23:11,760

people claiming to have lived before he

592

00:23:15,029 --> 00:23:13,200

has uh

593

00:23:16,950 --> 00:23:15,039

lived before has resulted in his

594

00:23:17,750 --> 00:23:16,960

unequivocal belief that when our bodies

595

00:23:20,390 --> 00:23:17,760

die

596

00:23:22,149 --> 00:23:20,400

our consciousness survives and whether

597

00:23:23,350 --> 00:23:22,159

we call it an immortal soul or an

598

00:23:25,110 --> 00:23:23,360

afterlife

599

00:23:26,390 --> 00:23:25,120

our minds and thoughts will continue to

600

00:23:28,549 --> 00:23:26,400

live far beyond the time

601
00:23:29,750 --> 00:23:28,559
our bodies are sent to the grave and

602
00:23:31,029 --> 00:23:29,760
it's going to be a pleasure to have him

603
00:23:32,870 --> 00:23:31,039
on the show here

604
00:23:34,630 --> 00:23:32,880
uh tonight with us lon something new

605
00:23:38,149 --> 00:23:34,640
something different

606
00:23:42,470 --> 00:23:40,310
yeah i mean this is something that i

607
00:23:46,789 --> 00:23:42,480
really don't

608
00:23:48,549 --> 00:23:46,799
or look into you know comes up

609
00:23:51,029 --> 00:23:48,559
every once in a while in a case i'm

610
00:23:52,470 --> 00:23:51,039
involved with and uh from working with a

611
00:23:55,669 --> 00:23:52,480
client

612
00:23:56,070 --> 00:23:55,679
uh but of course you know i'm dealing

613
00:24:00,789 --> 00:23:56,080

with

614

00:24:03,350 --> 00:24:00,799

energies

615

00:24:05,029 --> 00:24:03,360

and uh you know it's always been

616

00:24:07,669 --> 00:24:05,039

something that

617

00:24:09,590 --> 00:24:07,679

i've got questions about so possibly

618

00:24:12,310 --> 00:24:09,600

stephen will be able to

619

00:24:14,390 --> 00:24:12,320

you know answer some of these questions

620

00:24:16,710 --> 00:24:14,400

but it's an interesting subject and

621

00:24:18,710 --> 00:24:16,720

uh it's one thing that's going to affect

622

00:24:21,190 --> 00:24:18,720

all of us eventually

623

00:24:22,470 --> 00:24:21,200

so let's see what uh we'll see what

624

00:24:25,110 --> 00:24:22,480

comes out of it

625

00:24:26,549 --> 00:24:25,120

and folks welcome back arcane radio sean

626
00:24:27,750 --> 00:24:26,559
fork and launch strickler and tonight's

627
00:24:30,950 --> 00:24:27,760
guest mr stephen

628
00:24:31,430 --> 00:24:30,960
ellis as we gave his uh intro before the

629
00:24:33,110 --> 00:24:31,440
break

630
00:24:34,710 --> 00:24:33,120
we're glad to have him on lon go ahead

631
00:24:36,950 --> 00:24:34,720
and get us started

632
00:24:38,870 --> 00:24:36,960
well stephen it's glad i'm glad to have

633
00:24:41,029 --> 00:24:38,880
you on actually i'm glad to be able to

634
00:24:44,230 --> 00:24:41,039
talk to you for the first time

635
00:24:46,149 --> 00:24:44,240
uh you you wrote this book

636
00:24:47,510 --> 00:24:46,159
uh explain the young explains several

637
00:24:50,549 --> 00:24:47,520
years ago

638
00:24:54,070 --> 00:24:50,559

and uh you've been writing this

639

00:24:56,149 --> 00:24:54,080

this 14-part essay on fams and monsters

640

00:24:57,269 --> 00:24:56,159

which was very interesting got some very

641

00:25:00,950 --> 00:24:57,279

good

642

00:25:04,789 --> 00:25:00,960

feedback uh thanks for joining us

643

00:25:07,350 --> 00:25:04,799

well my pleasure uh

644

00:25:07,990 --> 00:25:07,360

interesting it's interesting that you uh

645

00:25:14,549 --> 00:25:08,000

would

646

00:25:15,990 --> 00:25:14,559

the book you see i have a i take really

647

00:25:19,590 --> 00:25:16,000

a very different

648

00:25:20,149 --> 00:25:19,600

approach to uh the paranormal i look at

649

00:25:23,750 --> 00:25:20,159

everything

650

00:25:26,789 --> 00:25:23,760

objectively and not not with my personal

651
00:25:27,590 --> 00:25:26,799
prejudices or or what i would like to be

652
00:25:34,390 --> 00:25:27,600
so

653
00:25:36,789 --> 00:25:34,400
it's it's a it's really written

654
00:25:38,789 --> 00:25:36,799
objectively i use the facts

655
00:25:40,230 --> 00:25:38,799
you know i'm a i'm a referee for the

656
00:25:43,269 --> 00:25:40,240
superior court

657
00:25:45,190 --> 00:25:43,279
and i and i deal in facts and so i try

658
00:25:48,630 --> 00:25:45,200
and deal that way with the

659
00:25:51,990 --> 00:25:48,640
paranormal and it's it it just

660
00:25:56,950 --> 00:25:52,000
has opened up a whole vista of

661
00:25:58,549 --> 00:25:56,960
of interesting things well maybe you can

662
00:26:01,909 --> 00:25:58,559
take us back to

663
00:26:05,590 --> 00:26:01,919

when you had your encounter 35 years ago

664

00:26:07,510 --> 00:26:05,600

and we can go from there okay okay from

665

00:26:12,310 --> 00:26:07,520

san francisco

666

00:26:15,029 --> 00:26:12,320

uh the story is is very very simple

667

00:26:15,590 --> 00:26:15,039

i had some business up in san francisco

668

00:26:18,230 --> 00:26:15,600

and i was

669

00:26:19,029 --> 00:26:18,240

going to be up there for about six

670

00:26:21,909 --> 00:26:19,039

months

671

00:26:24,070 --> 00:26:21,919

and i did not want to stay in a hotel

672

00:26:27,750 --> 00:26:24,080

room for six months

673

00:26:32,390 --> 00:26:27,760

so i rented a furnished apartment

674

00:26:35,350 --> 00:26:32,400

on dolores street in san francisco

675

00:26:36,310 --> 00:26:35,360

and a unit which is very similar to

676

00:26:39,430 --> 00:26:36,320

oakwood

677

00:26:42,390 --> 00:26:39,440

a very large complex with

678

00:26:44,230 --> 00:26:42,400

uh furnished apartments and some

679

00:26:47,510 --> 00:26:44,240

unfurnished i guess but

680

00:26:51,110 --> 00:26:47,520

uh anyhow i went i i

681

00:26:54,310 --> 00:26:51,120

my first night in the apartment

682

00:26:57,590 --> 00:26:54,320

i went to bed and

683

00:27:00,630 --> 00:26:57,600

i guess about 1am i

684

00:27:02,230 --> 00:27:00,640

i just was not feeling comfortable so i

685

00:27:05,269 --> 00:27:02,240

opened my eyes

686

00:27:08,549 --> 00:27:05,279

and there in my in in the room with

687

00:27:12,310 --> 00:27:08,559

me was a very attractive blonde

688

00:27:15,990 --> 00:27:12,320

girl i'd say early 20s about 23

689

00:27:20,549 --> 00:27:16,000

24 years old she was wearing a tan

690

00:27:24,630 --> 00:27:20,559

pants suit and a page boy hairdo

691

00:27:28,230 --> 00:27:24,640

uh very minor jewelry

692

00:27:30,310 --> 00:27:28,240

and i mean i saw her so vividly

693

00:27:31,269 --> 00:27:30,320

now normally i don't object to finding a

694

00:27:34,950 --> 00:27:31,279

beautiful girl

695

00:27:36,470 --> 00:27:34,960

in my room in this in this particular

696

00:27:38,149 --> 00:27:36,480

case it scared me

697

00:27:39,909 --> 00:27:38,159

all right so i asked her who are you

698

00:27:41,990 --> 00:27:39,919

what do you want

699

00:27:44,230 --> 00:27:42,000

she didn't answer but she folded her

700

00:27:45,909 --> 00:27:44,240

arms crossed her arms in front of her

701
00:27:48,149 --> 00:27:45,919
and looked at me

702
00:27:51,430 --> 00:27:48,159
so i bent over and i turned on the night

703
00:27:55,350 --> 00:27:51,440
lamp on the table next to the bed

704
00:27:57,830 --> 00:27:55,360
and she was gone so i

705
00:27:59,830 --> 00:27:57,840
being being the kind of person i am in

706
00:28:02,950 --> 00:27:59,840
the training that i've had

707
00:28:04,630 --> 00:28:02,960
i simply figured well this is just one

708
00:28:06,710 --> 00:28:04,640
of those things where you're half asleep

709
00:28:09,510 --> 00:28:06,720
half awake

710
00:28:09,909 --> 00:28:09,520
and you and it's kind of like a dream

711
00:28:14,549 --> 00:28:09,919
that's

712
00:28:15,750 --> 00:28:14,559
apartment i found no trace of anyone

713
00:28:18,230 --> 00:28:15,760

else

714

00:28:19,669 --> 00:28:18,240

and now to save time because we're on

715

00:28:24,070 --> 00:28:19,679

the radio

716

00:28:27,750 --> 00:28:24,080

let's fast forward about three weeks

717

00:28:31,029 --> 00:28:27,760

san francisco had one of those rare

718

00:28:33,590 --> 00:28:31,039

rare san francisco days where the sky

719

00:28:37,350 --> 00:28:33,600

was clear the sun was bright

720

00:28:39,590 --> 00:28:37,360

and the temperature was in the 80s and

721

00:28:41,029 --> 00:28:39,600

that very rarely happens and it was on a

722

00:28:43,909 --> 00:28:41,039

sunday

723

00:28:46,710 --> 00:28:43,919

so everybody in the entire complex is

724

00:28:49,909 --> 00:28:46,720

out by the pool in the complex

725

00:28:53,590 --> 00:28:49,919

and san francisco being what it is

726

00:28:54,549 --> 00:28:53,600

uh some young guy kind of hit on me a

727

00:28:56,950 --> 00:28:54,559

bit

728

00:28:58,950 --> 00:28:56,960

but it that didn't bother me because

729

00:28:59,990 --> 00:28:58,960

while i'm not homosexual i'm not

730

00:29:03,029 --> 00:29:00,000

homophobic

731

00:29:05,350 --> 00:29:03,039

either so it was nice to have somebody

732

00:29:07,909 --> 00:29:05,360

to talk to i didn't know anybody

733

00:29:09,750 --> 00:29:07,919

so we were talking and i made the

734

00:29:10,549 --> 00:29:09,760

comment i said you know you really do

735

00:29:13,510 --> 00:29:10,559

have a

736

00:29:15,029 --> 00:29:13,520

beautiful physique that's all he had to

737

00:29:16,950 --> 00:29:15,039

hear because he went

738

00:29:18,710 --> 00:29:16,960

excuse me i'll be right back he goes

739

00:29:21,590 --> 00:29:18,720

running up to his apartment

740

00:29:23,110 --> 00:29:21,600

comes back with a stack of pictures of

741

00:29:25,830 --> 00:29:23,120

him posing like

742

00:29:26,870 --> 00:29:25,840

mr america and most of the pictures were

743

00:29:29,909 --> 00:29:26,880

taken by that

744

00:29:32,549 --> 00:29:29,919

very same pool and as he's going

745

00:29:33,909 --> 00:29:32,559

as he's going through the pictures i

746

00:29:36,389 --> 00:29:33,919

said stop

747

00:29:37,590 --> 00:29:36,399

because in the background to where he

748

00:29:40,389 --> 00:29:37,600

was posing

749

00:29:40,870 --> 00:29:40,399

were two girls uh they were not wearing

750

00:29:47,430 --> 00:29:40,880

pant

751

00:29:49,590 --> 00:29:47,440

and i but but one of the two girls was

752

00:29:52,630 --> 00:29:49,600

absolutely no question about it

753

00:29:55,750 --> 00:29:52,640

was the girl i had seen in uh

754

00:29:57,590 --> 00:29:55,760

when i was half asleep in my room

755

00:29:59,430 --> 00:29:57,600

so i asked her do you know the girl's

756

00:30:00,630 --> 00:29:59,440

name and he said yes and he gave me her

757

00:30:02,470 --> 00:30:00,640

name

758

00:30:04,710 --> 00:30:02,480

i said do you know where i can contact

759

00:30:08,070 --> 00:30:04,720

her

760

00:30:08,789 --> 00:30:08,080

and he looked at me so strangely he said

761

00:30:10,389 --> 00:30:08,799

didn't they

762

00:30:12,389 --> 00:30:10,399

tell you she was murdered in your

763

00:30:15,990 --> 00:30:12,399

apartment about three weeks before you

764

00:30:19,510 --> 00:30:18,149

and that's what started that's what

765

00:30:23,430 --> 00:30:19,520

started me

766

00:30:26,630 --> 00:30:23,440

on a completely new branch of life

767

00:30:30,149 --> 00:30:26,640

studying the paranormal is it possible

768

00:30:32,549 --> 00:30:30,159

that that the walls

769

00:30:34,389 --> 00:30:32,559

were that the inanimate wall somehow

770

00:30:37,190 --> 00:30:34,399

bore the memories of a

771

00:30:39,029 --> 00:30:37,200

horrific event that took place there or

772

00:30:43,990 --> 00:30:39,039

maybe

773

00:30:47,510 --> 00:30:44,000

knows

774

00:30:50,549 --> 00:30:47,520

so i decided to start exploring

775

00:30:53,750 --> 00:30:50,559

and finding out what i could about

776

00:30:56,549 --> 00:30:53,760

uh the paranormal and it's

777

00:30:57,430 --> 00:30:56,559

it's been not only life-changing but it

778

00:31:02,310 --> 00:30:57,440

has

779

00:31:08,630 --> 00:31:05,509

um now as as a result of this

780

00:31:11,669 --> 00:31:08,640

incident what what was what did you

781

00:31:15,029 --> 00:31:11,679

start looking for how did you begin

782

00:31:16,710 --> 00:31:15,039

to your research into this phenomenon

783

00:31:18,310 --> 00:31:16,720

well the first thing i did was i wanted

784

00:31:19,830 --> 00:31:18,320

to check that she was really the same

785

00:31:21,830 --> 00:31:19,840

girl that was

786

00:31:23,830 --> 00:31:21,840

murdered in my room it was the same one

787

00:31:26,710 --> 00:31:23,840

that i saw and i went to the

788

00:31:30,630 --> 00:31:26,720

san francisco examiner's office and i

789

00:31:35,909 --> 00:31:33,669

some of the back issues and i found that

790

00:31:37,509 --> 00:31:35,919

that was the girl and she was murdered

791

00:31:41,509 --> 00:31:37,519

by her boyfriend

792

00:31:42,310 --> 00:31:41,519

in that apartment uh then i went to the

793

00:31:44,310 --> 00:31:42,320

police and

794

00:31:47,590 --> 00:31:44,320

the police were not very cooperative but

795

00:31:49,909 --> 00:31:47,600

they gave me a little smattering of

796

00:31:51,990 --> 00:31:49,919

information

797

00:31:53,110 --> 00:31:52,000

then i said now wait a second if that

798

00:31:55,990 --> 00:31:53,120

girl

799

00:31:57,750 --> 00:31:56,000

had an image in that room how did that

800

00:32:00,549 --> 00:31:57,760

happen

801
00:32:02,870 --> 00:32:00,559
and so i decided that i was going to

802
00:32:06,630 --> 00:32:02,880
start doing some reading on it

803
00:32:07,990 --> 00:32:06,640
and the more i read the more i began to

804
00:32:11,029 --> 00:32:08,000
realize that

805
00:32:13,350 --> 00:32:11,039
there's a lot more to ghosts than just a

806
00:32:16,870 --> 00:32:13,360
white sheet saying boo

807
00:32:19,990 --> 00:32:16,880
right so uh

808
00:32:21,750 --> 00:32:20,000
i i did start to study it and as i

809
00:32:23,509 --> 00:32:21,760
started to study it i started to speak

810
00:32:26,470 --> 00:32:23,519
to others about it

811
00:32:29,029 --> 00:32:26,480
and i found other people that had some

812
00:32:32,389 --> 00:32:29,039
ghostly experiences

813
00:32:36,149 --> 00:32:32,399

and i spoke to them and i

814

00:32:39,269 --> 00:32:36,159

i think my training was was enabling me

815

00:32:42,310 --> 00:32:39,279

to separate the wheat from the chafe

816

00:32:44,230 --> 00:32:42,320

and i those people who were just

817

00:32:46,870 --> 00:32:44,240

uh trying to make themselves look

818

00:32:48,870 --> 00:32:46,880

important or impressed me

819

00:32:50,870 --> 00:32:48,880

i was able to discard and i found that

820

00:32:53,909 --> 00:32:50,880

there were an awful lot of

821

00:32:57,750 --> 00:32:53,919

uh people that had these experiences

822

00:33:01,110 --> 00:32:57,760

so i actually put a put an ad

823

00:33:02,870 --> 00:33:01,120

in a newspaper up there uh

824

00:33:05,190 --> 00:33:02,880

if you've had a ghostly experience i'd

825

00:33:08,630 --> 00:33:05,200

like to talk to you

826

00:33:10,950 --> 00:33:08,640

and i start and i i got a lot of

827

00:33:14,630 --> 00:33:10,960

telephone calls

828

00:33:17,590 --> 00:33:14,640

and i interviewed an awful lot of people

829

00:33:18,789 --> 00:33:17,600

and then i started to do some more

830

00:33:22,789 --> 00:33:18,799

reading because

831

00:33:26,230 --> 00:33:22,799

if there were ghosts what were ghosts

832

00:33:28,149 --> 00:33:26,240

with a is this the immortal soul that

833

00:33:32,149 --> 00:33:28,159

religion talks about

834

00:33:33,590 --> 00:33:32,159

uh is there is there actually another

835

00:33:37,830 --> 00:33:33,600

dimension that

836

00:33:39,190 --> 00:33:37,840

exists with these where dead people can

837

00:33:41,830 --> 00:33:39,200

exist

838

00:33:43,669 --> 00:33:41,840

there are just so many questions that

839

00:33:47,909 --> 00:33:43,679

were asked and

840

00:33:49,190 --> 00:33:47,919

i think i must have spent a one-third of

841

00:33:53,110 --> 00:33:49,200

every week

842

00:33:56,230 --> 00:33:53,120

in the library reading on

843

00:33:58,630 --> 00:33:56,240

on the subject and then as i and as i

844

00:34:02,310 --> 00:33:58,640

read more and more i began to

845

00:34:04,710 --> 00:34:02,320

get into the field of reincarnation was

846

00:34:08,790 --> 00:34:04,720

it really reincarnated

847

00:34:12,149 --> 00:34:08,800

or somehow did these people

848

00:34:14,550 --> 00:34:12,159

bear the consciousness of people that

849

00:34:19,190 --> 00:34:14,560

had died

850

00:34:20,550 --> 00:34:19,200

and really really really fascinating and

851

00:34:22,869 --> 00:34:20,560

as i say i look at everything

852

00:34:24,790 --> 00:34:22,879

objectively i want proof

853

00:34:26,629 --> 00:34:24,800

now you're not going to get proof like

854

00:34:30,550 --> 00:34:26,639

in a in a

855

00:34:34,230 --> 00:34:30,560

lab but there is there is a thing called

856

00:34:37,030 --> 00:34:34,240

uh empirical evidence and

857

00:34:39,669 --> 00:34:37,040

the empirical evidence began to become

858

00:34:43,109 --> 00:34:39,679

so overwhelming

859

00:34:45,109 --> 00:34:43,119

that i i just started to talk to more

860

00:34:48,389 --> 00:34:45,119

people i started to

861

00:34:50,629 --> 00:34:48,399

put out feelers

862

00:34:53,109 --> 00:34:50,639

it was it's been a it's been an

863

00:34:55,829 --> 00:34:53,119

interesting 35 years

864

00:34:56,389 --> 00:34:55,839

yeah i can say and you know back in that

865

00:34:58,470 --> 00:34:56,399

time

866

00:34:59,510 --> 00:34:58,480

when you started this you know the

867

00:35:01,829 --> 00:34:59,520

information as

868

00:35:03,109 --> 00:35:01,839

compared to what there's out there now

869

00:35:06,069 --> 00:35:03,119

it had to be pretty

870

00:35:06,630 --> 00:35:06,079

minimal i mean you know you had to do a

871

00:35:13,670 --> 00:35:06,640

lot of

872

00:35:17,430 --> 00:35:13,680

i really did because uh

873

00:35:20,390 --> 00:35:17,440

for example uh

874

00:35:20,710 --> 00:35:20,400

there's a thing that we all have called

875

00:35:24,150 --> 00:35:20,720

uh

876

00:35:27,349 --> 00:35:24,160

an electromagnetic aura it's

877

00:35:29,589 --> 00:35:27,359

it's it's there uh

878

00:35:31,910 --> 00:35:29,599

you can you can't see it you can't feel

879

00:35:34,150 --> 00:35:31,920

it but you can photograph it with

880

00:35:37,270 --> 00:35:34,160

infrared film

881

00:35:38,710 --> 00:35:37,280

and there was some experimentation being

882

00:35:41,230 --> 00:35:38,720

done by people

883

00:35:43,670 --> 00:35:41,240

who were interested in this

884

00:35:46,790 --> 00:35:43,680

electromagnetic aura

885

00:35:48,630 --> 00:35:46,800

and they ran uh

886

00:35:50,069 --> 00:35:48,640

a motion picture or i guess you'd call

887

00:35:54,870 --> 00:35:50,079

it a

888

00:35:59,109 --> 00:35:54,880

a video on someone who was dying

889

00:36:02,870 --> 00:35:59,119

and in infrared and the

890

00:36:05,990 --> 00:36:02,880

when the person died the aura

891

00:36:09,109 --> 00:36:06,000

stayed with the body for

892

00:36:11,670 --> 00:36:09,119

oh maybe three or four minutes then it

893

00:36:13,270 --> 00:36:11,680

began to rise and separated from the

894

00:36:16,710 --> 00:36:13,280

body

895

00:36:20,550 --> 00:36:16,720

went

896

00:36:23,829 --> 00:36:20,560

up through the ceiling and

897

00:36:24,829 --> 00:36:23,839

that was it yeah it was it was no longer

898

00:36:29,829 --> 00:36:24,839

there

899

00:36:33,589 --> 00:36:29,839

now to a to a rank amateur like myself

900

00:36:36,790 --> 00:36:33,599

this was impressive yeah

901
00:36:40,069 --> 00:36:36,800
i bet what was your uh so what was your

902
00:36:40,630 --> 00:36:40,079
conclusion about the specter you had

903
00:36:43,190 --> 00:36:40,640
scene

904
00:36:45,270 --> 00:36:43,200
did you uh do you believe she just had

905
00:36:48,550 --> 00:36:45,280
residual energy or

906
00:36:49,510 --> 00:36:48,560
that there was uh you know that their

907
00:36:53,510 --> 00:36:49,520
consciousness

908
00:36:55,990 --> 00:36:53,520
was actually there in the room

909
00:36:56,950 --> 00:36:56,000
well yeah her consciousness was there in

910
00:36:59,910 --> 00:36:56,960
the room

911
00:37:02,150 --> 00:36:59,920
and it was strong enough to actually

912
00:37:05,349 --> 00:37:02,160
create something that was visual

913
00:37:06,950 --> 00:37:05,359

and it was visual to me only because i

914

00:37:11,589 --> 00:37:06,960

was half asleep

915

00:37:14,470 --> 00:37:11,599

if i had been wide awake and alert

916

00:37:14,790 --> 00:37:14,480

i probably would not have seen her right

917

00:37:18,069 --> 00:37:14,800

but

918

00:37:21,270 --> 00:37:18,079

as a as i have discovered as

919

00:37:25,109 --> 00:37:21,280

my studies continued

920

00:37:25,910 --> 00:37:25,119

we tend to pick up the consciousness of

921

00:37:29,349 --> 00:37:25,920

the dead

922

00:37:31,670 --> 00:37:29,359

when we sleep how many times have you

923

00:37:34,550 --> 00:37:31,680

had been asleep and you have a dream

924

00:37:37,109 --> 00:37:34,560

about somebody who's passed on

925

00:37:38,310 --> 00:37:37,119

but they're but they're so real in the

926
00:37:42,950 --> 00:37:38,320
dream you wonder

927
00:37:44,470 --> 00:37:42,960
gee i don't even remember

928
00:37:46,470 --> 00:37:44,480
i don't even remember some of the

929
00:37:49,589 --> 00:37:46,480
details about this person

930
00:37:53,829 --> 00:37:49,599
that i saw in the dream yeah

931
00:37:57,270 --> 00:37:53,839
when when we sleep we tend to

932
00:38:00,470 --> 00:37:57,280
open up our mind and

933
00:38:03,589 --> 00:38:00,480
our ability to perceive the

934
00:38:03,990 --> 00:38:03,599
uh the thoughts that are not coming from

935
00:38:06,790 --> 00:38:04,000
the same

936
00:38:07,430 --> 00:38:06,800
dimension that we live in and i do

937
00:38:10,550 --> 00:38:07,440
believe

938
00:38:14,710 --> 00:38:10,560

enough

939

00:38:17,510 --> 00:38:14,720

unequivocally

940

00:38:17,990 --> 00:38:17,520

yes there are other dimensions but

941

00:38:21,190 --> 00:38:18,000

there's at

942

00:38:24,630 --> 00:38:21,200

least one that

943

00:38:28,069 --> 00:38:24,640

the dead go to now they may not

944

00:38:32,710 --> 00:38:28,079

stay there because

945

00:38:36,069 --> 00:38:32,720

uh people that i've spoken to who have

946

00:38:39,589 --> 00:38:36,079

experience with reincarnation

947

00:38:42,790 --> 00:38:39,599

say that they remember dying

948

00:38:44,550 --> 00:38:42,800

they remember going to a waiting place

949

00:38:46,470 --> 00:38:44,560

to come back

950

00:38:47,670 --> 00:38:46,480

but that they had options if they could

951
00:38:51,109 --> 00:38:47,680
have gone

952
00:38:52,720 --> 00:38:51,119
as the stories go into the light or

953
00:38:55,109 --> 00:38:52,730
whatever

954
00:38:56,950 --> 00:38:55,119
[Music]

955
00:38:58,310 --> 00:38:56,960
yeah you know it's it's it's interesting

956
00:39:01,109 --> 00:38:58,320
because you know when i read

957
00:39:02,870 --> 00:39:01,119
um you know you were talking about that

958
00:39:05,430 --> 00:39:02,880
you have performed

959
00:39:06,550 --> 00:39:05,440
hypnotic uh regression with some

960
00:39:10,069 --> 00:39:06,560
individuals

961
00:39:12,870 --> 00:39:10,079
and after i had i had actually

962
00:39:14,950 --> 00:39:12,880
witnessed this people being put into

963
00:39:17,670 --> 00:39:14,960

hypnotic regression

964

00:39:18,870 --> 00:39:17,680

the the one thing that stands out is

965

00:39:22,230 --> 00:39:18,880

that

966

00:39:25,270 --> 00:39:22,240

when you do talk to them later they

967

00:39:27,910 --> 00:39:25,280

they kind of mention that

968

00:39:28,870 --> 00:39:27,920

when they pass they eventually end up in

969

00:39:31,990 --> 00:39:28,880

an

970

00:39:33,030 --> 00:39:32,000

area or a place where they wait for

971

00:39:36,630 --> 00:39:33,040

another body

972

00:39:39,910 --> 00:39:36,640

or you know i call it a way station

973

00:39:40,550 --> 00:39:39,920

yes you know ron this is absolutely true

974

00:39:43,030 --> 00:39:40,560

and there's

975

00:39:44,550 --> 00:39:43,040

so many so many cases that i've read

976
00:39:47,829 --> 00:39:44,560
about where

977
00:39:48,390 --> 00:39:47,839
it's just it's just backed up as i said

978
00:39:51,670 --> 00:39:48,400
you'll never

979
00:39:55,589 --> 00:39:51,680
right but it's

980
00:39:55,990 --> 00:39:55,599
it's obvious just by the overwhelming

981
00:39:59,829 --> 00:39:56,000
weight of

982
00:40:02,870 --> 00:39:59,839
evidence that uh this does happen

983
00:40:06,710 --> 00:40:02,880
i think i i think i mentioned

984
00:40:09,190 --> 00:40:06,720
uh in one of the one of the parts of the

985
00:40:11,030 --> 00:40:09,200
live die and live again series that i

986
00:40:14,230 --> 00:40:11,040
had been writing

987
00:40:16,069 --> 00:40:14,240
that i hypnotized a group i

988
00:40:18,069 --> 00:40:16,079

i used to do when i went to college i

989

00:40:21,349 --> 00:40:18,079

should explain that

990

00:40:23,670 --> 00:40:21,359

uh i used to go for weekends up to what

991

00:40:26,390 --> 00:40:23,680

they call the borscht belt

992

00:40:28,150 --> 00:40:26,400

which is upstate new york a bunch of

993

00:40:30,069 --> 00:40:28,160

hotels

994

00:40:31,670 --> 00:40:30,079

and i was going to long island

995

00:40:34,150 --> 00:40:31,680

university

996

00:40:36,069 --> 00:40:34,160

and i would go up on weekends and i

997

00:40:39,910 --> 00:40:36,079

would entertain sometimes

998

00:40:42,150 --> 00:40:39,920

as a magician sometimes as a hypnotist

999

00:40:44,230 --> 00:40:42,160

and when i gave these hypnotism shows i

1000

00:40:46,390 --> 00:40:44,240

would try to make them as entertaining

1001

00:40:50,150 --> 00:40:46,400

as possible and not

1002

00:40:51,990 --> 00:40:50,160

get too far into it but there had just

1003

00:40:54,630 --> 00:40:52,000

been a book out called the search

1004

00:40:55,829 --> 00:40:54,640

for bridey murphy now i'm sure you've

1005

00:40:59,670 --> 00:40:55,839

heard of that book

1006

00:41:02,950 --> 00:40:59,680

yes and so

1007

00:41:04,150 --> 00:41:02,960

just in having fun there was a girl who

1008

00:41:07,829 --> 00:41:04,160

was one of my

1009

00:41:09,270 --> 00:41:07,839

one of the subjects she was about 17.

1010

00:41:11,910 --> 00:41:09,280

and i thought i would see what would

1011

00:41:15,190 --> 00:41:11,920

happen if i tried to regress her back

1012

00:41:18,069 --> 00:41:15,200

to the time before she was born as

1013

00:41:20,230 --> 00:41:18,079

was done with uh teague and she became

1014

00:41:22,870 --> 00:41:20,240

bridey murphy

1015

00:41:25,030 --> 00:41:22,880

well this girl suddenly started to speak

1016

00:41:31,510 --> 00:41:25,040

french

1017

00:41:32,829 --> 00:41:31,520

but i'm fortunate that one of the people

1018

00:41:36,230 --> 00:41:32,839

in the audience

1019

00:41:38,710 --> 00:41:36,240

did speak french and she said the girl

1020

00:41:41,750 --> 00:41:38,720

is speaking a very archaic

1021

00:41:45,109 --> 00:41:41,760

type of french well

1022

00:41:46,790 --> 00:41:45,119

i i gradually brought her back woke her

1023

00:41:49,829 --> 00:41:46,800

up

1024

00:41:50,870 --> 00:41:49,839

of course you remembered none of it but

1025

00:41:53,349 --> 00:41:50,880

the thing is

1026

00:41:55,510 --> 00:41:53,359

that i asked her well uh do you go to

1027

00:41:57,589 --> 00:41:55,520

school yes

1028

00:41:58,870 --> 00:41:57,599

what are you studying a language yes

1029

00:42:02,309 --> 00:41:58,880

what he's studying

1030

00:42:06,069 --> 00:42:02,319

spanish well are any are

1031

00:42:08,950 --> 00:42:06,079

any of your family french no

1032

00:42:09,750 --> 00:42:08,960

have you ever been to france no have you

1033

00:42:12,710 --> 00:42:09,760

ever been to a

1034

00:42:13,670 --> 00:42:12,720

french-speaking country no have your

1035

00:42:14,829 --> 00:42:13,680

parents

1036

00:42:18,390 --> 00:42:14,839

[Music]

1037

00:42:21,510 --> 00:42:18,400

no so it

1038

00:42:26,069 --> 00:42:21,520

it certainly opened up uh

1039

00:42:29,910 --> 00:42:28,150

oh absolutely yeah that mean you know

1040

00:42:33,190 --> 00:42:29,920

it's like i said i've um

1041

00:42:37,030 --> 00:42:33,200

i've also witnessed this and uh

1042

00:42:40,390 --> 00:42:37,040

it's it's fairly startling now we have

1043

00:42:43,670 --> 00:42:40,400

you know i have seen regression

1044

00:42:46,870 --> 00:42:43,680

used in in these in ufo sightings are

1045

00:42:50,470 --> 00:42:46,880

in particular uh alien abductions

1046

00:42:51,270 --> 00:42:50,480

and i you know i guess the jury is still

1047

00:42:54,309 --> 00:42:51,280

out on that

1048

00:42:55,589 --> 00:42:54,319

on how accurate that is or if it's

1049

00:42:58,150 --> 00:42:55,599

actually you know

1050

00:42:59,030 --> 00:42:58,160

you know if it's something that maybe

1051

00:43:01,030 --> 00:42:59,040

they're making up

1052

00:43:03,030 --> 00:43:01,040

i don't know well that's my questions on

1053

00:43:03,670 --> 00:43:03,040

it is you know what's the validity of

1054

00:43:06,230 --> 00:43:03,680

the uh

1055

00:43:08,630 --> 00:43:06,240

regression you know hypnotic regression

1056

00:43:12,150 --> 00:43:08,640

and i've heard it used many times but

1057

00:43:15,589 --> 00:43:12,160

you know how valid is it

1058

00:43:15,990 --> 00:43:15,599

maybe you can answer steve i i i believe

1059

00:43:19,109 --> 00:43:16,000

it's

1060

00:43:21,670 --> 00:43:19,119

very valid the only problem is that it

1061

00:43:24,710 --> 00:43:21,680

doesn't always work

1062

00:43:26,950 --> 00:43:24,720

i've hypnotized any number of people and

1063

00:43:31,990 --> 00:43:26,960

tried to regress them back to a past

1064

00:43:34,390 --> 00:43:32,000

life and not been successful in doing so

1065

00:43:35,190 --> 00:43:34,400

but the couple of occasions when i have

1066

00:43:39,750 --> 00:43:35,200

been

1067

00:43:42,630 --> 00:43:39,760

successful uh are startling and

1068

00:43:44,470 --> 00:43:42,640

there's no really other explanation

1069

00:43:48,069 --> 00:43:44,480

available

1070

00:43:50,870 --> 00:43:48,079

uh you know when you're hypnotized

1071

00:43:51,270 --> 00:43:50,880

you go into a sleep that's really a

1072

00:43:53,990 --> 00:43:51,280

little

1073

00:43:54,950 --> 00:43:54,000

different than when you go to bed at

1074

00:43:59,109 --> 00:43:54,960

night

1075

00:44:02,390 --> 00:43:59,119

right uh the sleep is is deeper

1076
00:44:04,069 --> 00:44:02,400
your your optic nerves your ear nerves

1077
00:44:07,109 --> 00:44:04,079
your eardrums

1078
00:44:10,310 --> 00:44:07,119
they they work differently

1079
00:44:11,349 --> 00:44:10,320
for example uh i can tell

1080
00:44:15,750 --> 00:44:11,359
[Music]

1081
00:44:16,150 --> 00:44:15,760
uh i can tell a a man who's hypnotized

1082
00:44:19,349 --> 00:44:16,160
that

1083
00:44:20,710 --> 00:44:19,359
and put a an 80 year old woman in front

1084
00:44:22,309 --> 00:44:20,720
of him and say

1085
00:44:24,150 --> 00:44:22,319
when you open your eyes you're going to

1086
00:44:26,710 --> 00:44:24,160
see the most beautiful

1087
00:44:27,510 --> 00:44:26,720
sexy delightful thing you've ever seen

1088
00:44:29,430 --> 00:44:27,520

hypnotized

1089

00:44:31,430 --> 00:44:29,440

he'll open his eyes and you'll look at

1090

00:44:34,829 --> 00:44:31,440

this 80 year old woman

1091

00:44:36,550 --> 00:44:34,839

but what he'll see is the most

1092

00:44:39,990 --> 00:44:36,560

delightful beautiful

1093

00:44:43,109 --> 00:44:40,000

sexy woman he's ever seen now

1094

00:44:46,230 --> 00:44:43,119

why is it why is it that the mind

1095

00:44:49,990 --> 00:44:46,240

can override the optic nerve

1096

00:44:54,390 --> 00:44:50,000

in the same sense i can tell

1097

00:44:58,150 --> 00:44:54,400

i can tell him that uh every time i

1098

00:44:59,109 --> 00:44:58,160

uh tap my foot he's going to hear a song

1099

00:45:01,190 --> 00:44:59,119

playing uh

1100

00:45:02,230 --> 00:45:01,200

i could give him the name of the song

1101

00:45:05,829 --> 00:45:02,240

and i tap my

1102

00:45:08,470 --> 00:45:05,839

foot and he'll he'll hear that song

1103

00:45:09,510 --> 00:45:08,480

all of our senses the five senses by

1104

00:45:13,589 --> 00:45:09,520

which

1105

00:45:16,870 --> 00:45:13,599

we live in this world can be overridden

1106

00:45:19,589 --> 00:45:16,880

under hypnosis which to me means

1107

00:45:21,109 --> 00:45:19,599

that when you're hypnotized you're

1108

00:45:24,390 --> 00:45:21,119

actually

1109

00:45:27,589 --> 00:45:24,400

very close to another

1110

00:45:31,109 --> 00:45:27,599

reality and that other reality

1111

00:45:33,349 --> 00:45:31,119

and that other reality comes comes at

1112

00:45:33,990 --> 00:45:33,359

you when you wake up you don't remember

1113

00:45:37,430 --> 00:45:34,000

it

1114

00:45:40,390 --> 00:45:37,440

uh sometimes you may have a dream

1115

00:45:41,270 --> 00:45:40,400

uh a few nights later where some of it

1116

00:45:44,950 --> 00:45:41,280

comes back

1117

00:45:46,069 --> 00:45:44,960

to you but in but in fact you really

1118

00:45:48,470 --> 00:45:46,079

don't

1119

00:45:50,710 --> 00:45:48,480

remember because it didn't happen in

1120

00:45:52,230 --> 00:45:50,720

this reality it happened in a different

1121

00:45:55,750 --> 00:45:52,240

reality

1122

00:45:59,829 --> 00:45:55,760

different dimension as i

1123

00:46:00,950 --> 00:45:59,839

choose to call it i can't say for sure

1124

00:46:03,270 --> 00:46:00,960

but it's

1125

00:46:05,190 --> 00:46:03,280

it's very very possible in fact i would

1126

00:46:09,270 --> 00:46:05,200

say it's probable

1127

00:46:13,109 --> 00:46:09,280

yeah you know you you made a statement

1128

00:46:14,710 --> 00:46:13,119

in um in the series where you

1129

00:46:17,430 --> 00:46:14,720

you said there was almost all who

1130

00:46:19,349 --> 00:46:17,440

claimed the previous lay under hypnosis

1131

00:46:20,790 --> 00:46:19,359

were people whose earlier lives have

1132

00:46:23,030 --> 00:46:20,800

been cut short

1133

00:46:24,790 --> 00:46:23,040

some by accident some by illness and

1134

00:46:27,349 --> 00:46:24,800

some by war

1135

00:46:28,550 --> 00:46:27,359

you know i never really thought of that

1136

00:46:32,550 --> 00:46:28,560

uh

1137

00:46:35,670 --> 00:46:32,560

i i do know that um

1138

00:46:36,069 --> 00:46:35,680

many earthbound spirits tend to be those

1139

00:46:45,270 --> 00:46:36,079

that

1140

00:46:47,349 --> 00:46:45,280

you know when they passed like they were

1141

00:46:49,109 --> 00:46:47,359

you know murdered or they

1142

00:46:50,950 --> 00:46:49,119

died so they murdered the died of

1143

00:46:53,510 --> 00:46:50,960

sickness when they were 12 you know

1144

00:46:55,349 --> 00:46:53,520

yeah yeah this happens it happens that

1145

00:46:57,750 --> 00:46:55,359

way and it seems to be

1146

00:46:58,950 --> 00:46:57,760

it seems to be consistent unfortunately

1147

00:47:01,990 --> 00:46:58,960

i don't have a way of

1148

00:47:05,910 --> 00:47:02,000

really measuring it except

1149

00:47:09,030 --> 00:47:05,920

that every single time without exception

1150

00:47:12,230 --> 00:47:09,040

that i have had someone

1151
00:47:14,550 --> 00:47:12,240
communicate with uh a past

1152
00:47:16,230 --> 00:47:14,560
life it was always a past life that was

1153
00:47:18,550 --> 00:47:16,240
cut short

1154
00:47:20,230 --> 00:47:18,560
for whatever reason it might have been

1155
00:47:23,670 --> 00:47:20,240
yeah

1156
00:47:24,870 --> 00:47:23,680
interesting um maybe you know there was

1157
00:47:28,549 --> 00:47:24,880
a there was a

1158
00:47:30,150 --> 00:47:28,559
case that you mentioned uh

1159
00:47:31,829 --> 00:47:30,160
you know and it sounded familiar though

1160
00:47:34,790 --> 00:47:31,839
i'm not sure it's the same one that i

1161
00:47:35,910 --> 00:47:34,800
had heard of uh the reincarnation of uh

1162
00:47:37,910 --> 00:47:35,920
shanti devi

1163
00:47:39,430 --> 00:47:37,920

can you uh can you go through that and

1164

00:47:42,230 --> 00:47:39,440

tell us about that

1165

00:47:43,270 --> 00:47:42,240

i think it's very interesting which was

1166

00:47:46,710 --> 00:47:43,280

that i'm sorry

1167

00:47:50,150 --> 00:47:46,720

shantae debbie oh shanti debbie

1168

00:47:51,510 --> 00:47:50,160

yeah there's a there's a reincarnation

1169

00:47:55,190 --> 00:47:51,520

story that

1170

00:47:58,069 --> 00:47:55,200

that would blow the mind off of anyone

1171

00:47:58,870 --> 00:47:58,079

it's a story it's and by the way it's

1172

00:48:03,109 --> 00:47:58,880

all been

1173

00:48:07,109 --> 00:48:03,119

totally documented it's been verified

1174

00:48:10,230 --> 00:48:07,119

there have been books written about it

1175

00:48:13,670 --> 00:48:10,240

shanti devi was a girl born

1176

00:48:16,790 --> 00:48:13,680

born to a poor home

1177

00:48:20,549 --> 00:48:16,800

in a small village in india now

1178

00:48:21,030 --> 00:48:20,559

if you have any ideas to what india is

1179

00:48:25,109 --> 00:48:21,040

like

1180

00:48:28,309 --> 00:48:25,119

away from delhi and calcutta or

1181

00:48:31,270 --> 00:48:28,319

now they call it mombosa

1182

00:48:31,750 --> 00:48:31,280

it's it's a very very crowded areas and

1183

00:48:34,150 --> 00:48:31,760

they're just

1184

00:48:35,109 --> 00:48:34,160

filled with tiny little homes little

1185

00:48:38,150 --> 00:48:35,119

shanties

1186

00:48:41,829 --> 00:48:38,160

where whole families live

1187

00:48:44,790 --> 00:48:41,839

now when she was about

1188

00:48:46,710 --> 00:48:44,800

five years old she started saying this

1189

00:48:49,910 --> 00:48:46,720

is not my home

1190

00:48:54,870 --> 00:48:49,920

my home is in a village which was about

1191

00:48:58,630 --> 00:48:54,880

uh 40 kilometers away

1192

00:49:01,190 --> 00:48:58,640

and her parents were well

1193

00:49:03,589 --> 00:49:01,200

a little bit upset because she would say

1194

00:49:06,710 --> 00:49:03,599

i have a husband there

1195

00:49:10,309 --> 00:49:09,270

nobody would listen to her but when she

1196

00:49:13,430 --> 00:49:10,319

went to school

1197

00:49:16,710 --> 00:49:13,440

as she in the first grade she told the

1198

00:49:19,910 --> 00:49:16,720

same story to her teacher

1199

00:49:23,589 --> 00:49:19,920

and her teacher was curious and he said

1200

00:49:27,430 --> 00:49:23,599

well tell you what let me have the

1201
00:49:30,630 --> 00:49:27,440
name of your husband and the address

1202
00:49:33,829 --> 00:49:30,640
where you used to live use as you said

1203
00:49:36,870 --> 00:49:33,839
in a previous life and

1204
00:49:38,630 --> 00:49:36,880
uh he wrote a letter to him just asked

1205
00:49:41,829 --> 00:49:38,640
if anyone in his

1206
00:49:44,630 --> 00:49:41,839
family had died and

1207
00:49:46,870 --> 00:49:44,640
in recent years and he was very

1208
00:49:48,309 --> 00:49:46,880
surprised when he got a letter back from

1209
00:49:54,710 --> 00:49:48,319
the

1210
00:49:59,990 --> 00:49:54,720
my wife who i married when she was about

1211
00:50:05,430 --> 00:50:03,109
she she died giving birth to her second

1212
00:50:08,549 --> 00:50:05,440
child

1213
00:50:13,510 --> 00:50:08,559

and that was only about

1214

00:50:17,270 --> 00:50:13,520

uh two years before shanti was born

1215

00:50:18,790 --> 00:50:17,280

so the teacher called the newspapers and

1216

00:50:20,309 --> 00:50:18,800

said you know this is this is something

1217

00:50:22,309 --> 00:50:20,319

that i think you might want to write

1218

00:50:24,309 --> 00:50:22,319

about

1219

00:50:25,990 --> 00:50:24,319

so the newspaper sent some reporters

1220

00:50:29,750 --> 00:50:26,000

over to talk to shanti devi

1221

00:50:32,230 --> 00:50:29,760

and shanti described her life

1222

00:50:34,390 --> 00:50:32,240

in this other village the house that she

1223

00:50:36,950 --> 00:50:34,400

lived in and so forth and it

1224

00:50:38,710 --> 00:50:36,960

it made very big news in the indian

1225

00:50:41,589 --> 00:50:38,720

newspapers as a matter of fact it made

1226
00:50:44,630 --> 00:50:41,599
news in the world newspapers

1227
00:50:48,150 --> 00:50:44,640
and so there were there was a

1228
00:50:51,349 --> 00:50:48,160
group of skeptics

1229
00:50:54,950 --> 00:50:51,359
that wanted to prove this child was just

1230
00:50:57,109 --> 00:50:54,960
uh talking through her to her

1231
00:50:58,710 --> 00:50:57,119
i'll be polite on the air through her

1232
00:51:02,549 --> 00:50:58,720
nose

1233
00:51:04,710 --> 00:51:02,559
and uh they wanted to just prove that

1234
00:51:07,990 --> 00:51:04,720
this was

1235
00:51:08,549 --> 00:51:08,000
phony so they said tell you what we'll

1236
00:51:10,470 --> 00:51:08,559
take you

1237
00:51:12,150 --> 00:51:10,480
back to the village and we'll let you

1238
00:51:14,390 --> 00:51:12,160

identify

1239

00:51:15,750 --> 00:51:14,400

the place that you used to live and they

1240

00:51:19,190 --> 00:51:15,760

took her on a

1241

00:51:21,030 --> 00:51:19,200

uh i guess a cart bus or whatever they

1242

00:51:23,670 --> 00:51:21,040

had in those days it was very early

1243

00:51:27,589 --> 00:51:23,680

1900s

1244

00:51:29,510 --> 00:51:27,599

and they intentionally stopped at a

1245

00:51:32,470 --> 00:51:29,520

different village

1246

00:51:34,230 --> 00:51:32,480

and shanty devi when she got out of the

1247

00:51:37,829 --> 00:51:34,240

vehicle she said no

1248

00:51:40,390 --> 00:51:37,839

that's that's not that's not my town

1249

00:51:42,230 --> 00:51:40,400

so they said well we made a mistake

1250

00:51:44,950 --> 00:51:42,240

we'll go on further

1251
00:51:45,349 --> 00:51:44,960
they took her to the right place where

1252
00:51:53,030 --> 00:51:45,359
she

1253
00:51:54,710 --> 00:51:53,040
they tried to lead her in the wrong

1254
00:51:56,950 --> 00:51:54,720
direction

1255
00:51:58,950 --> 00:51:56,960
but she refused to go she knew exactly

1256
00:52:01,990 --> 00:51:58,960
where she wanted to go

1257
00:52:03,430 --> 00:52:02,000
she recognized the house that she said

1258
00:52:06,150 --> 00:52:03,440
she used to live in

1259
00:52:06,790 --> 00:52:06,160
even though it had been modernized a

1260
00:52:09,829 --> 00:52:06,800
little bit

1261
00:52:11,829 --> 00:52:09,839
not too much and then they even tried to

1262
00:52:14,549 --> 00:52:11,839
fool her further by

1263
00:52:15,190 --> 00:52:14,559

having some actor pretend that he was

1264

00:52:17,349 --> 00:52:15,200

the

1265

00:52:19,829 --> 00:52:17,359

her former husband while her former

1266

00:52:23,270 --> 00:52:19,839

husband was hiding in the crowd

1267

00:52:27,349 --> 00:52:23,280

and she picked him out right away

1268

00:52:29,750 --> 00:52:27,359

then she since he didn't believe

1269

00:52:31,430 --> 00:52:29,760

what this little girl was saying she

1270

00:52:34,549 --> 00:52:31,440

whispered to him

1271

00:52:37,510 --> 00:52:34,559

certain things about his anatomy

1272

00:52:39,190 --> 00:52:37,520

that no one but a wife would have known

1273

00:52:44,630 --> 00:52:39,200

right

1274

00:52:47,510 --> 00:52:44,640

wow and he and he not only

1275

00:52:48,470 --> 00:52:47,520

had to acknowledge the fact that she

1276

00:52:51,030 --> 00:52:48,480

knew

1277

00:52:52,870 --> 00:52:51,040

too much not to have not to have known

1278

00:52:55,910 --> 00:52:52,880

him intimately

1279

00:52:59,430 --> 00:52:55,920

and then uh there was a

1280

00:53:01,190 --> 00:52:59,440

uh an award a nobel winning

1281

00:53:03,910 --> 00:53:01,200

author i can't even think of his name

1282

00:53:06,710 --> 00:53:03,920

right now sir something

1283

00:53:08,309 --> 00:53:06,720

who interviewed her and wrote a wrote a

1284

00:53:11,589 --> 00:53:08,319

book about it and it got

1285

00:53:12,870 --> 00:53:11,599

international recognition and the

1286

00:53:15,829 --> 00:53:12,880

details that she

1287

00:53:17,109 --> 00:53:15,839

gave of her previous life could not

1288

00:53:21,510 --> 00:53:17,119

possibly

1289

00:53:28,390 --> 00:53:24,710

now the question is though did she

1290

00:53:32,230 --> 00:53:28,400

was she actually reincarnated as as a

1291

00:53:35,670 --> 00:53:32,240

little girl or somehow

1292

00:53:39,190 --> 00:53:35,680

was her brain open to picking up

1293

00:53:42,309 --> 00:53:39,200

the waves of the dead woman who

1294

00:53:46,150 --> 00:53:42,319

had died there yeah

1295

00:53:49,190 --> 00:53:46,160

you know and of course now this is

1296

00:53:51,349 --> 00:53:49,200

they were probably hindus

1297

00:53:52,870 --> 00:53:51,359

and you know the the actual religion of

1298

00:53:55,430 --> 00:53:52,880

hinduism i mean

1299

00:53:56,309 --> 00:53:55,440

reincarnation is part of that religion

1300

00:53:58,549 --> 00:53:56,319

it's you know

1301

00:54:00,309 --> 00:53:58,559

a lot of what they believe in is based

1302

00:54:03,829 --> 00:54:00,319

on reincarnation

1303

00:54:07,030 --> 00:54:03,839

uh was there any did anybody

1304

00:54:08,309 --> 00:54:07,040

in the religious community uh make any

1305

00:54:11,670 --> 00:54:08,319

statements that you know

1306

00:54:12,470 --> 00:54:11,680

of about this well none that none that i

1307

00:54:15,670 --> 00:54:12,480

know of i'm

1308

00:54:19,670 --> 00:54:15,680

sure absolutely positive that

1309

00:54:21,910 --> 00:54:19,680

uh someone from hindu religion

1310

00:54:23,990 --> 00:54:21,920

had something to say about that about

1311

00:54:26,309 --> 00:54:24,000

the story of shanty daddy

1312

00:54:28,069 --> 00:54:26,319

uh i mean it would be it would be just

1313

00:54:32,549 --> 00:54:28,079

so unlikely that they would

1314

00:54:38,630 --> 00:54:32,559

bypass uh a proof of reincarnation

1315

00:54:41,670 --> 00:54:38,640

uh so i can't say that i

1316

00:54:41,990 --> 00:54:41,680

it's a fascinating story it is and it's

1317

00:54:44,630 --> 00:54:42,000

just

1318

00:54:46,710 --> 00:54:44,640

one of many i mean i could i could give

1319

00:54:47,990 --> 00:54:46,720

you the story for example of james

1320

00:54:51,829 --> 00:54:48,000

mcgreedy

1321

00:54:54,309 --> 00:54:51,839

uh there's a little boy recently about

1322

00:54:58,950 --> 00:54:54,319

oh maybe 10-15 years ago

1323

00:55:03,510 --> 00:54:58,960

his name was oh

1324

00:55:07,430 --> 00:55:03,520

his name was james lanninger

1325

00:55:09,589 --> 00:55:07,440

now james lenninger when he was

1326

00:55:10,710 --> 00:55:09,599

he was always interested in aircraft

1327

00:55:14,710 --> 00:55:10,720

even as a little

1328

00:55:17,750 --> 00:55:14,720

toddler but his mother bought him

1329

00:55:19,670 --> 00:55:17,760

a toy uh airplane

1330

00:55:22,069 --> 00:55:19,680

which was supposed to have been a world

1331

00:55:24,069 --> 00:55:22,079

war ii fighter plane

1332

00:55:25,190 --> 00:55:24,079

and she even pointed to the bottom and

1333

00:55:27,829 --> 00:55:25,200

said you see

1334

00:55:29,109 --> 00:55:27,839

it's got a it's even got a bomb attached

1335

00:55:31,349 --> 00:55:29,119

to the toy

1336

00:55:32,829 --> 00:55:31,359

and he said no that's not a bomb that's

1337

00:55:35,910 --> 00:55:32,839

what they call a drop

1338

00:55:38,630 --> 00:55:35,920

box well

1339

00:55:39,750 --> 00:55:38,640

his mother had never heard of a drop box

1340

00:55:41,750 --> 00:55:39,760

a matter of fact most

1341

00:55:43,829 --> 00:55:41,760

people have never heard of a dropbox

1342

00:55:45,109 --> 00:55:43,839

unless you happen to have

1343

00:55:47,990 --> 00:55:45,119

the unless you happen to be very

1344

00:55:52,390 --> 00:55:48,000

familiar with world war ii aircraft

1345

00:55:56,309 --> 00:55:52,400

right and then

1346

00:55:57,589 --> 00:55:56,319

then about three years later when he was

1347

00:55:59,670 --> 00:55:57,599

about five

1348

00:56:01,349 --> 00:55:59,680

he started having nightmares started

1349

00:56:04,230 --> 00:56:01,359

waking up at night

1350

00:56:05,109 --> 00:56:04,240

and screaming uh and his mother would

1351

00:56:07,109 --> 00:56:05,119

come in and say

1352

00:56:10,950 --> 00:56:07,119

what's the matter and he'd say my

1353

00:56:17,430 --> 00:56:14,230

and she'd say well where did this happen

1354

00:56:18,710 --> 00:56:17,440

and he would say over the ocean well who

1355

00:56:20,069 --> 00:56:18,720

shot you down

1356

00:56:23,670 --> 00:56:20,079

and the little boy would look at his

1357

00:56:27,190 --> 00:56:26,470

now this is years after the world war ii

1358

00:56:29,589 --> 00:56:27,200

ended

1359

00:56:30,950 --> 00:56:29,599

and certainly a boy of four or five

1360

00:56:34,549 --> 00:56:30,960

years old

1361

00:56:38,630 --> 00:56:34,559

is not going to know about the japanese

1362

00:56:42,309 --> 00:56:38,640

war over the pacific ocean right

1363

00:56:46,390 --> 00:56:42,319

wow hello yes are you there

1364

00:56:49,430 --> 00:56:46,400

yeah yep we're still good all right

1365

00:56:51,910 --> 00:56:49,440

and then okay i'm sorry

1366

00:56:54,230 --> 00:56:51,920

i i'm i'm taking too much of your time

1367

00:56:58,630 --> 00:56:54,240

yeah go ahead steve go ahead continue

1368

00:57:00,950 --> 00:56:58,640

it's interesting all right anyhow uh

1369

00:57:02,230 --> 00:57:00,960

in one of these after one of these

1370

00:57:04,309 --> 00:57:02,240

nightmares

1371

00:57:05,750 --> 00:57:04,319

his father asked him what's your name

1372

00:57:09,349 --> 00:57:05,760

and he gave the name

1373

00:57:14,390 --> 00:57:12,630

and james mccready the kid told his

1374

00:57:26,789 --> 00:57:14,400

father

1375

00:57:29,030 --> 00:57:26,799

was a pilot a fighter pilot

1376

00:57:30,230 --> 00:57:29,040

do we lose him he's still showing on the

1377

00:57:32,150 --> 00:57:30,240

board lawn so

1378

00:57:33,589 --> 00:57:32,160

i'm not certain what happened there i'm

1379

00:57:37,030 --> 00:57:33,599

sorry we got we got caught

1380

00:57:40,069 --> 00:57:37,040

there we are he's back okay uh

1381

00:57:43,510 --> 00:57:40,079

his uh mccready

1382

00:57:45,589 --> 00:57:43,520

was a a fighter pilot on

1383

00:57:48,789 --> 00:57:45,599

an aircraft carrier called the natoma

1384

00:57:51,910 --> 00:57:48,799

bay now the natoma bay

1385

00:57:54,630 --> 00:57:51,920

was a very small carrier and

1386

00:57:55,670 --> 00:57:54,640

not not very well known but the boy knew

1387

00:58:01,829 --> 00:57:55,680

the

1388

00:58:03,430 --> 00:58:01,839

uh she didn't make meatloaf as good as

1389

00:58:07,990 --> 00:58:03,440

they did in the mess hall

1390

00:58:11,190 --> 00:58:08,000

on the natoma bay someone's in trouble

1391

00:58:14,710 --> 00:58:11,200

yeah that that but there

1392

00:58:15,990 --> 00:58:14,720

but the thing is that there are not just

1393

00:58:22,230 --> 00:58:16,000

hundreds there are

1394

00:58:24,549 --> 00:58:22,240

thousands of stories like this you know

1395

00:58:27,990 --> 00:58:24,559

you were talking about dreams and the

1396

00:58:29,910 --> 00:58:28,000

you had actually had an experience with

1397

00:58:33,910 --> 00:58:29,920

a very

1398

00:58:38,230 --> 00:58:33,920

very vivid very well

1399

00:58:40,710 --> 00:58:38,240

the waltz dream can you talk about that

1400

00:58:42,789 --> 00:58:40,720

that's right that's that's fascinating

1401
00:58:43,510 --> 00:58:42,799
it was one of the very few times in my

1402
00:58:45,270 --> 00:58:43,520
life

1403
00:58:47,270 --> 00:58:45,280
that i personally was involved in

1404
00:58:50,309 --> 00:58:47,280
something that could be deemed

1405
00:58:54,150 --> 00:58:50,319
paranormal i was

1406
00:58:58,230 --> 00:58:54,160
i went to france with my wife

1407
00:59:00,630 --> 00:58:58,240
and we stayed at the uh

1408
00:59:02,470 --> 00:59:00,640
of the intercontinental hotel which is

1409
00:59:05,750 --> 00:59:02,480
just across the street

1410
00:59:09,270 --> 00:59:05,760
from the louvre and the louis xiv

1411
00:59:12,710 --> 00:59:09,280
palace now the first

1412
00:59:13,030 --> 00:59:12,720
night i was there uh i was dreaming but

1413
00:59:24,950 --> 00:59:13,040

i

1414
00:59:27,990 --> 00:59:24,960
sounds nor waltz

1415
00:59:29,910 --> 00:59:28,000
sounds but they were playing

1416
00:59:32,710 --> 00:59:29,920
and i'd never heard this waltz before i

1417
00:59:33,990 --> 00:59:32,720
could probably i've since that time i've

1418
00:59:37,670 --> 00:59:34,000
listened to

1419
00:59:39,750 --> 00:59:37,680
hundreds of strauss waltzes and so forth

1420
00:59:41,349 --> 00:59:39,760
but this is none of those this was none

1421
00:59:46,470 --> 00:59:41,359
of those waltzes

1422
00:59:49,910 --> 00:59:46,480
and uh it was so intense

1423
00:59:51,990 --> 00:59:49,920
uh that i i thought maybe i could write

1424
00:59:55,510 --> 00:59:52,000
the music down when i wake up

1425
00:59:57,750 --> 00:59:55,520
but i couldn't but in that

1426
00:59:58,950 --> 00:59:57,760
with that waltz that waltz was coming

1427
01:00:03,349 --> 00:59:58,960
from

1428
01:00:06,710 --> 01:00:03,359
an alcove above a huge dance floor

1429
01:00:10,150 --> 01:00:06,720
and there were four violinists

1430
01:00:13,349 --> 01:00:10,160
in that uh in that alcove

1431
01:00:14,230 --> 01:00:13,359
wearing white wigs and long and long

1432
01:00:17,510 --> 01:00:14,240
broke hearted

1433
01:00:21,270 --> 01:00:17,520
coats that were playing this music

1434
01:00:23,270 --> 01:00:21,280
and people in what looked to me like a

1435
01:00:27,190 --> 01:00:23,280
movie set

1436
01:00:28,870 --> 01:00:27,200
were dancing and i suddenly realized hey

1437
01:00:31,030 --> 01:00:28,880
wait a second

1438
01:00:34,230 --> 01:00:31,040

if they're dancing and i'm standing on

1439

01:00:37,109 --> 01:00:34,240

the side wonder what i look like

1440

01:00:38,789 --> 01:00:37,119

so i turned to someone next to me and i

1441

01:00:41,829 --> 01:00:38,799

said do you have a looking

1442

01:00:42,470 --> 01:00:41,839

glass now where the hell i came up with

1443

01:00:46,309 --> 01:00:42,480

the term

1444

01:00:48,950 --> 01:00:46,319

looking glass i have no idea

1445

01:00:50,230 --> 01:00:48,960

i've never used that term in my life but

1446

01:00:53,190 --> 01:00:50,240

someone handed me a

1447

01:00:54,309 --> 01:00:53,200

wood-handled mirror i looked at myself

1448

01:00:58,870 --> 01:00:54,319

and i was a

1449

01:01:02,150 --> 01:00:58,880

i was a girl uh probably in my teens

1450

01:01:05,510 --> 01:01:02,160

uh and i was i was dressed

1451
01:01:08,630 --> 01:01:05,520
slightly less uh elaborately than those

1452
01:01:11,510 --> 01:01:08,640
that were dancing but i it was just so

1453
01:01:13,349 --> 01:01:11,520
interesting that i when i woke up

1454
01:01:14,950 --> 01:01:13,359
i wasn't sure whether i should write

1455
01:01:17,430 --> 01:01:14,960
down what the

1456
01:01:19,270 --> 01:01:17,440
dream was or whether i should try and

1457
01:01:20,789 --> 01:01:19,280
write down what the music was it was

1458
01:01:25,109 --> 01:01:20,799
just uh

1459
01:01:28,710 --> 01:01:25,119
it was it was a terrible awakening but

1460
01:01:29,589 --> 01:01:28,720
the next day we went to tour the louis

1461
01:01:32,870 --> 01:01:29,599
xiv

1462
01:01:36,789 --> 01:01:32,880
palace and

1463
01:01:40,150 --> 01:01:36,799

when they got to the grand ballroom

1464

01:01:43,670 --> 01:01:40,160

it looked very much like the

1465

01:01:46,230 --> 01:01:43,680

ballroom i had seen in my dream except

1466

01:01:47,270 --> 01:01:46,240

that it was not nearly as ornate and

1467

01:01:52,710 --> 01:01:47,280

there was no

1468

01:01:56,069 --> 01:01:52,720

alcove for violinists to have played

1469

01:01:58,950 --> 01:01:56,079

so i mustered my courage and then

1470

01:02:00,150 --> 01:01:58,960

and i asked the guide i said was there

1471

01:02:03,910 --> 01:02:00,160

ever an orchestra

1472

01:02:04,549 --> 01:02:03,920

alcove up there and he said yes there

1473

01:02:07,589 --> 01:02:04,559

was

1474

01:02:12,069 --> 01:02:07,599

however when the nazis occupied

1475

01:02:18,470 --> 01:02:15,190

now that's as close as i come to being a

1476
01:02:24,390 --> 01:02:21,670
you know you know that's and have you

1477
01:02:24,870 --> 01:02:24,400
ever had anything even similar to that

1478
01:02:28,230 --> 01:02:24,880
happen

1479
01:02:30,309 --> 01:02:28,240
again no

1480
01:02:32,150 --> 01:02:30,319
unfortunately i would have i mean i

1481
01:02:35,349 --> 01:02:32,160
would have looked forward to it if

1482
01:02:36,950 --> 01:02:35,359
i had i would have probably slept with a

1483
01:02:40,309 --> 01:02:36,960
tape recorder

1484
01:02:42,870 --> 01:02:40,319
under my pillow or something yeah

1485
01:02:43,990 --> 01:02:42,880
and it just seems it seems odd that you

1486
01:02:46,870 --> 01:02:44,000
know

1487
01:02:47,430 --> 01:02:46,880
you go to someplace new someplace you've

1488
01:02:50,710 --> 01:02:47,440

never

1489

01:02:53,029 --> 01:02:50,720

been i mean in your current life

1490

01:02:54,630 --> 01:02:53,039

but possibly had been in a past life or

1491

01:02:57,910 --> 01:02:54,640

that you were just picking up

1492

01:03:01,270 --> 01:03:00,309

i don't know some type of memories

1493

01:03:06,230 --> 01:03:01,280

thoughts

1494

01:03:08,870 --> 01:03:06,240

see that's the thing that i can't

1495

01:03:10,069 --> 01:03:08,880

i can't prove whether it's whether

1496

01:03:13,430 --> 01:03:10,079

actually

1497

01:03:16,789 --> 01:03:13,440

there was a reincarnation physically

1498

01:03:19,670 --> 01:03:16,799

or whether the person who's living now

1499

01:03:21,270 --> 01:03:19,680

is merely picking up the thoughts of the

1500

01:03:23,829 --> 01:03:21,280

decendent

1501

01:03:26,150 --> 01:03:23,839

but the the key to it is that it really

1502

01:03:29,190 --> 01:03:26,160

doesn't make any difference

1503

01:03:31,270 --> 01:03:29,200

no because what it means is that the

1504

01:03:36,069 --> 01:03:31,280

thought the consciousness

1505

01:03:40,789 --> 01:03:38,150

that that that's that is a fascinating

1506

01:03:45,270 --> 01:03:43,910

um we have a question in in the chat

1507

01:03:47,510 --> 01:03:45,280

room from judy

1508

01:03:48,950 --> 01:03:47,520

where she asks is it a spirit if you

1509

01:03:51,510 --> 01:03:48,960

hear someone

1510

01:03:52,950 --> 01:03:51,520

talk loudly in your ear just as you're

1511

01:03:56,950 --> 01:03:52,960

falling asleep

1512

01:03:58,390 --> 01:03:56,960

what do you believe that is steve

1513

01:03:59,990 --> 01:03:58,400

i don't know i've never had the

1514

01:04:01,670 --> 01:04:00,000

experience and i've never spoken to

1515

01:04:05,829 --> 01:04:01,680

anyone who did have it

1516

01:04:08,950 --> 01:04:05,839

so i would i would be hesitant to uh

1517

01:04:10,829 --> 01:04:08,960

to take a guess as i say my nature is to

1518

01:04:13,829 --> 01:04:10,839

look at everything

1519

01:04:16,870 --> 01:04:13,839

objectively and try and try and see what

1520

01:04:19,990 --> 01:04:16,880

can be proven what can be disproven

1521

01:04:21,029 --> 01:04:20,000

uh i have never had that experience i've

1522

01:04:24,870 --> 01:04:21,039

never had anyone

1523

01:04:29,270 --> 01:04:24,880

even tell me that experience uh

1524

01:04:31,750 --> 01:04:29,280

i now i have worked with clients

1525

01:04:32,549 --> 01:04:31,760

uh and i i do know of at least one

1526

01:04:34,870 --> 01:04:32,559

client who

1527

01:04:37,109 --> 01:04:34,880

mentioned that to me but like you i have

1528

01:04:40,150 --> 01:04:37,119

no idea what that was

1529

01:04:43,589 --> 01:04:40,160

uh i i you know i do believe

1530

01:04:46,710 --> 01:04:43,599

that when we are

1531

01:04:50,549 --> 01:04:46,720

going to sleep that there is a

1532

01:04:55,270 --> 01:04:50,559

appear a brief period before you go into

1533

01:04:57,190 --> 01:04:55,280

i don't know an unconscious state that

1534

01:04:58,549 --> 01:04:57,200

i guess you're you're susceptible to

1535

01:05:00,309 --> 01:04:58,559

hearing voices

1536

01:05:01,589 --> 01:05:00,319

and i do believe that i do believe

1537

01:05:04,230 --> 01:05:01,599

that's the case

1538

01:05:05,270 --> 01:05:04,240

uh where they come from you know i kind

1539

01:05:08,390 --> 01:05:05,280

of

1540

01:05:10,710 --> 01:05:08,400

that

1541

01:05:12,390 --> 01:05:10,720

you're basically in a state where you

1542

01:05:14,950 --> 01:05:12,400

can pick up

1543

01:05:16,950 --> 01:05:14,960

these type of voices now where they come

1544

01:05:20,230 --> 01:05:16,960

from that's another story

1545

01:05:22,309 --> 01:05:20,240

come for another dimension possibly uh

1546

01:05:24,710 --> 01:05:22,319

you know does the veil thin enough at

1547

01:05:27,349 --> 01:05:24,720

that point where you can pick that up

1548

01:05:28,309 --> 01:05:27,359

or are these or are these uncon are

1549

01:05:30,950 --> 01:05:28,319

these conscious

1550

01:05:31,750 --> 01:05:30,960

uh thoughts and memories coming from

1551

01:05:34,870 --> 01:05:31,760

this plane

1552

01:05:38,630 --> 01:05:34,880

i don't know well you know

1553

01:05:39,750 --> 01:05:38,640

since since the eardrum and the optic

1554

01:05:42,950 --> 01:05:39,760

nerve

1555

01:05:45,109 --> 01:05:42,960

both seem to uh be

1556

01:05:47,270 --> 01:05:45,119

unnecessary when you're asleep or when

1557

01:05:49,270 --> 01:05:47,280

you're hypnotized

1558

01:05:50,789 --> 01:05:49,280

yeah i would say i would say there's a

1559

01:05:54,870 --> 01:05:50,799

possibility

1560

01:05:58,069 --> 01:05:54,880

that you're picking up sounds voices

1561

01:05:58,710 --> 01:05:58,079

uh maybe even full sentences i don't

1562

01:06:02,230 --> 01:05:58,720

know

1563

01:06:05,589 --> 01:06:02,240

but i just can't i can't really

1564

01:06:08,549 --> 01:06:05,599

say this with any uh with any

1565

01:06:09,109 --> 01:06:08,559

firm backing because i've never ra i've

1566

01:06:15,589 --> 01:06:09,119

never

1567

01:06:15,599 --> 01:06:21,190

uh do you have anything sean

1568

01:06:24,470 --> 01:06:23,750

uh it's been really fascinating uh i

1569

01:06:26,950 --> 01:06:24,480

learned

1570

01:06:27,750 --> 01:06:26,960

quite a bit i'm really glad that uh

1571

01:06:29,029 --> 01:06:27,760

you've joined us

1572

01:06:30,150 --> 01:06:29,039

uh stephen and shared some of these

1573

01:06:31,510 --> 01:06:30,160

stories you know one of the things i've

1574

01:06:33,430 --> 01:06:31,520

always thought about

1575

01:06:34,789 --> 01:06:33,440

is you know that feeling where you meet

1576

01:06:36,470 --> 01:06:34,799

somebody and you're like oh

1577

01:06:38,549 --> 01:06:36,480

i've met them somewhere before like you

1578

01:06:41,430 --> 01:06:38,559

have that deep gut instinct that you've

1579

01:06:42,230 --> 01:06:41,440

met them that deja vu i guess is you

1580

01:06:46,309 --> 01:06:42,240

know

1581

01:06:49,430 --> 01:06:46,319

that's all got to be relative right

1582

01:06:50,470 --> 01:06:49,440

i have had that happen and that has

1583

01:06:53,589 --> 01:06:50,480

happened

1584

01:06:55,910 --> 01:06:53,599

where i meet someone for the first time

1585

01:06:57,670 --> 01:06:55,920

and we're talking and all of a sudden it

1586

01:07:01,270 --> 01:06:57,680

strikes me hey wait a minute

1587

01:07:02,710 --> 01:07:01,280

i've had this conversation before

1588

01:07:05,670 --> 01:07:02,720

[Music]

1589

01:07:09,029 --> 01:07:05,680

i know when i first went to went off to

1590

01:07:09,039 --> 01:07:13,510

i went to new orleans and

1591

01:07:17,270 --> 01:07:15,190

i've never been to new orleans in my

1592

01:07:20,950 --> 01:07:17,280

life but i knew where

1593

01:07:22,630 --> 01:07:20,960

everything was in that station

1594

01:07:24,789 --> 01:07:22,640

and i had the strangest feeling that

1595

01:07:25,750 --> 01:07:24,799

i've been there before those are deja vu

1596

01:07:28,710 --> 01:07:25,760

things but

1597

01:07:30,390 --> 01:07:28,720

i think they're so hard to to

1598

01:07:33,990 --> 01:07:30,400

substantiate with

1599

01:07:34,470 --> 01:07:34,000

with facts but they but they but they

1600

01:07:36,069 --> 01:07:34,480

certainly

1601
01:07:38,789 --> 01:07:36,079
are things that make you sit up and take

1602
01:07:45,029 --> 01:07:42,069
yeah well i've had the experience that

1603
01:07:46,390 --> 01:07:45,039
whether that has happened to me or

1604
01:07:48,230 --> 01:07:46,400
something similar to that

1605
01:07:49,670 --> 01:07:48,240
and you know like you said you can't

1606
01:07:53,990 --> 01:07:49,680
really prove it

1607
01:07:57,190 --> 01:07:54,000
uh i mean in your in your own

1608
01:07:59,109 --> 01:07:57,200
own mind you you feel that you know

1609
01:08:00,309 --> 01:07:59,119
you can prove it and you feel that it's

1610
01:08:02,230 --> 01:08:00,319
it's

1611
01:08:04,390 --> 01:08:02,240
the the indication is strong enough that

1612
01:08:06,309 --> 01:08:04,400
you know it it had to have happened

1613
01:08:08,630 --> 01:08:06,319

you know this is another thing you you

1614

01:08:13,270 --> 01:08:08,640

bring up about

1615

01:08:16,149 --> 01:08:13,280

the mind and the brain not really being

1616

01:08:17,910 --> 01:08:16,159

one in the same one at all yeah they are

1617

01:08:22,070 --> 01:08:17,920

not one and the same

1618

01:08:26,390 --> 01:08:22,080

uh of that i am absolutely

1619

01:08:26,709 --> 01:08:26,400

100 certain the mind and the brain are

1620

01:08:29,910 --> 01:08:26,719

not

1621

01:08:31,349 --> 01:08:29,920

one if i could yeah could you explain a

1622

01:08:35,749 --> 01:08:31,359

little bit of that

1623

01:08:38,870 --> 01:08:35,759

sure uh i i look at it this way

1624

01:08:42,390 --> 01:08:38,880

your brain is the computer

1625

01:08:47,030 --> 01:08:42,400

but your mind is at the keyboard

1626

01:08:50,709 --> 01:08:47,040

now the mind we know is not

1627

01:08:53,829 --> 01:08:50,719

locatable within the body so

1628

01:08:55,990 --> 01:08:53,839

let's assume that the mind is

1629

01:08:57,110 --> 01:08:56,000

anyplace else in the body besides the

1630

01:09:00,470 --> 01:08:57,120

brain

1631

01:09:04,149 --> 01:09:00,480

it doesn't make sense to to say well my

1632

01:09:08,070 --> 01:09:04,159

my brain is in my toe or in my butt

1633

01:09:11,430 --> 01:09:08,080

the fact is that uh

1634

01:09:15,269 --> 01:09:11,440

the mind has to be located external

1635

01:09:17,189 --> 01:09:15,279

to the body because what we call our

1636

01:09:19,910 --> 01:09:17,199

mind is really

1637

01:09:22,950 --> 01:09:19,920

just listening to our own voice talk to

1638

01:09:28,229 --> 01:09:25,990

and uh if it's

1639

01:09:29,669 --> 01:09:28,239

external where would it be well the only

1640

01:09:32,390 --> 01:09:29,679

thing i can think of

1641

01:09:34,390 --> 01:09:32,400

the only thing that makes sense to me is

1642

01:09:37,749 --> 01:09:34,400

that the aura

1643

01:09:40,870 --> 01:09:37,759

has our mind our consciousness

1644

01:09:41,749 --> 01:09:40,880

and that's why when someone died and

1645

01:09:44,709 --> 01:09:41,759

they actually

1646

01:09:45,110 --> 01:09:44,719

filmed the aura leaving the body and

1647

01:09:48,149 --> 01:09:45,120

going

1648

01:09:51,430 --> 01:09:48,159

through a ceiling

1649

01:09:54,550 --> 01:09:51,440

why the consciousness i think stays

1650

01:09:55,350 --> 01:09:54,560

alive the consciousness is there it's

1651

01:10:02,070 --> 01:09:55,360

not

1652

01:10:04,149 --> 01:10:02,080

the uh and if it's in the aura and

1653

01:10:08,229 --> 01:10:04,159

that's that's as close as i can

1654

01:10:12,870 --> 01:10:08,239

come to to theorizing because

1655

01:10:16,470 --> 01:10:12,880

that that aura is a mysterious thing

1656

01:10:18,709 --> 01:10:16,480

it really is i mean it's

1657

01:10:20,229 --> 01:10:18,719

we this kind of gets back to uh this

1658

01:10:23,430 --> 01:10:20,239

kind of gets back to a lot of

1659

01:10:23,910 --> 01:10:23,440

uh the teachings of edgar cayce and

1660

01:10:27,030 --> 01:10:23,920

others

1661

01:10:28,149 --> 01:10:27,040

uh in particular the uh the akashic

1662

01:10:30,790 --> 01:10:28,159

records

1663

01:10:31,910 --> 01:10:30,800

where like every you know all

1664

01:10:34,950 --> 01:10:31,920

consciousness

1665

01:10:37,669 --> 01:10:34,960

from anyone who has lived and

1666

01:10:38,630 --> 01:10:37,679

you know possibly those who have not yet

1667

01:10:42,830 --> 01:10:38,640

lived

1668

01:10:46,149 --> 01:10:42,840

is stored in one celestial

1669

01:10:47,910 --> 01:10:46,159

database you know it's it's entirely

1670

01:10:51,030 --> 01:10:47,920

possible i'm not a

1671

01:10:54,470 --> 01:10:51,040

i'm not a big fan of edgar cayce because

1672

01:10:55,750 --> 01:10:54,480

uh when edgar cayce tried to convince

1673

01:11:00,550 --> 01:10:55,760

houdini

1674

01:11:04,550 --> 01:11:00,560

as a

1675

01:11:05,110 --> 01:11:04,560

fraud so i'm not a big fan of edgar

1676

01:11:06,709 --> 01:11:05,120

casey

1677

01:11:08,310 --> 01:11:06,719

but that doesn't mean that the man was

1678

01:11:10,229 --> 01:11:08,320

not intelligent

1679

01:11:11,350 --> 01:11:10,239

and it does not mean that the man did

1680

01:11:15,030 --> 01:11:11,360

not have

1681

01:11:18,870 --> 01:11:15,040

good independent thinking

1682

01:11:19,350 --> 01:11:18,880

so i what he what edgar casey had to say

1683

01:11:22,390 --> 01:11:19,360

may

1684

01:11:25,270 --> 01:11:22,400

very well have merit to it it's just

1685

01:11:31,590 --> 01:11:28,950

it's just that i can't i kind of

1686

01:11:33,910 --> 01:11:31,600

i kind of feel disappointed because here

1687

01:11:37,030 --> 01:11:33,920

there was someone who when i was first

1688

01:11:40,149 --> 01:11:37,040

studying about uh

1689

01:11:41,990 --> 01:11:40,159

the mind and communication with the dead

1690

01:11:43,430 --> 01:11:42,000

he was one of those people that stood

1691

01:11:47,350 --> 01:11:43,440

out to me as

1692

01:11:51,350 --> 01:11:47,360

uh as being exceptional

1693

01:11:54,709 --> 01:11:51,360

but as i said i one of his disciples

1694

01:11:57,830 --> 01:11:54,719

ruth montgomery uh also

1695

01:12:01,030 --> 01:11:57,840

also was proven to be an expert cold

1696

01:12:05,510 --> 01:12:01,040

reader but not very psychic

1697

01:12:09,430 --> 01:12:05,520

yeah yeah you you you do state

1698

01:12:13,350 --> 01:12:09,440

uh that you don't have much uh

1699

01:12:17,110 --> 01:12:13,360

regard for psychics uh

1700

01:12:19,910 --> 01:12:17,120

because uh or espoused psychics

1701

01:12:21,430 --> 01:12:19,920

uh and because of what they how they uh

1702

01:12:23,110 --> 01:12:21,440

cold read

1703

01:12:24,950 --> 01:12:23,120

and you know i can agree with that i

1704

01:12:27,110 --> 01:12:24,960

mean

1705

01:12:28,149 --> 01:12:27,120

people that people that are familiar

1706

01:12:31,189 --> 01:12:28,159

with

1707

01:12:34,790 --> 01:12:31,199

uh you know mediums of psychics

1708

01:12:38,149 --> 01:12:34,800

that that use that

1709

01:12:40,790 --> 01:12:38,159

use the cold read i mean it is

1710

01:12:42,470 --> 01:12:40,800

i mean it is what it is it's it's it's

1711

01:12:44,390 --> 01:12:42,480

it's just digging for everybody it is

1712

01:12:47,510 --> 01:12:44,400

convincing

1713

01:12:49,590 --> 01:12:47,520

oh yeah yeah it's very impressive and

1714

01:12:52,790 --> 01:12:49,600

convincing and i know people

1715

01:12:53,750 --> 01:12:52,800

that i've that i have been with at a

1716

01:12:55,590 --> 01:12:53,760

reading that i

1717

01:12:57,910 --> 01:12:55,600

could spot immediately it was a cold

1718

01:13:00,709 --> 01:12:57,920

reading and i would swear

1719

01:13:02,630 --> 01:13:00,719

that the man was actually peeling back

1720

01:13:05,270 --> 01:13:02,640

their own thoughts

1721

01:13:07,270 --> 01:13:05,280

oh i agree oh yeah it is impressive

1722

01:13:09,350 --> 01:13:07,280

you're right i mean i've

1723

01:13:10,630 --> 01:13:09,360

i've seen maybe hundreds of people do

1724

01:13:14,149 --> 01:13:10,640

this

1725

01:13:17,430 --> 01:13:14,159

and even i've heard people do it and it

1726

01:13:18,070 --> 01:13:17,440

it doesn't take a whole lot to to figure

1727

01:13:21,110 --> 01:13:18,080

out when they're

1728

01:13:23,750 --> 01:13:21,120

digging for information but you know

1729

01:13:24,790 --> 01:13:23,760

like you said when when they're in front

1730

01:13:28,149 --> 01:13:24,800

of a group of

1731

01:13:31,189 --> 01:13:28,159

people uh uh and

1732

01:13:34,310 --> 01:13:31,199

to say something to the effect of i am

1733

01:13:35,270 --> 01:13:34,320

seeing someone who lost someone with the

1734

01:13:38,790 --> 01:13:35,280

name

1735

01:13:41,350 --> 01:13:38,800

that begins with a j well yeah come on

1736

01:13:42,950 --> 01:13:41,360

everybody's lost somebody and i'd say

1737

01:13:45,430 --> 01:13:42,960

half of them

1738

01:13:46,390 --> 01:13:45,440

uh had somebody they lost with the the

1739

01:13:50,950 --> 01:13:46,400

letter j

1740

01:13:55,110 --> 01:13:53,590

yeah it's it's an obvious it's an

1741

01:13:57,189 --> 01:13:55,120

obvious

1742

01:13:59,590 --> 01:13:57,199

employee well if you've ever watched if

1743

01:14:03,110 --> 01:13:59,600

you've ever watched

1744

01:14:05,430 --> 01:14:03,120

james van pragg or uh

1745

01:14:07,189 --> 01:14:05,440

oh i don't even remember his name

1746

01:14:10,790 --> 01:14:07,199

anymore but uh

1747

01:14:14,310 --> 01:14:10,800

these tv these tv people who

1748

01:14:16,149 --> 01:14:14,320

uh communicate with the dead uh

1749

01:14:21,510 --> 01:14:16,159

i think the dead that's the deadest

1750

01:14:29,030 --> 01:14:25,430

yeah yeah oh my

1751

01:14:30,790 --> 01:14:29,040

uh let's see you know i was writing

1752

01:14:34,229 --> 01:14:30,800

stuff down to ask

1753

01:14:36,149 --> 01:14:34,239

you know i you know

1754

01:14:37,750 --> 01:14:36,159

let's talk about stephen ellis what do

1755

01:14:38,790 --> 01:14:37,760

you believe what do you believe is gonna

1756

01:14:42,070 --> 01:14:38,800

happen to you

1757

01:14:45,270 --> 01:14:42,080

in when you uh

1758

01:14:46,390 --> 01:14:45,280

pass away do you think you have free

1759

01:14:49,430 --> 01:14:46,400

will to determine

1760

01:14:50,630 --> 01:14:49,440

what happens to you yeah to a certain

1761

01:14:52,550 --> 01:14:50,640

extent yes

1762

01:14:55,030 --> 01:14:52,560

but i think that basically what's going

1763

01:14:58,390 --> 01:14:55,040

to happen when i die

1764

01:15:00,149 --> 01:14:58,400

is i'm going to get a chance to review

1765

01:15:03,270 --> 01:15:00,159

some of the things i did when i was

1766

01:15:06,630 --> 01:15:03,280

alive okay i mean i

1767

01:15:09,750 --> 01:15:06,640

i i have not always been a nice

1768

01:15:12,149 --> 01:15:09,760

perfect clean skirt person i've done

1769

01:15:14,550 --> 01:15:12,159

some things that i'm ashamed of

1770

01:15:17,510 --> 01:15:14,560

and i want to and i think that when i

1771

01:15:20,550 --> 01:15:17,520

die i'll get a chance to review them

1772

01:15:21,510 --> 01:15:20,560

and if i decide to come back i'll come

1773

01:15:26,790 --> 01:15:21,520

back

1774

01:15:30,470 --> 01:15:29,590

and i think if if the things that i've

1775

01:15:33,830 --> 01:15:30,480

done are not

1776

01:15:35,669 --> 01:15:33,840

too bad because you know i said that

1777

01:15:38,630 --> 01:15:35,679

i've done some things that are not

1778

01:15:39,350 --> 01:15:38,640

that are not necessarily the best we all

1779

01:15:43,030 --> 01:15:39,360

have

1780

01:15:45,990 --> 01:15:43,040

everybody has uh

1781

01:15:48,070 --> 01:15:46,000

but i think we i think we get a chance

1782

01:15:50,550 --> 01:15:48,080

to review it

1783

01:15:51,350 --> 01:15:50,560

see if we're ready to move on you know

1784

01:15:55,430 --> 01:15:51,360

the old

1785

01:15:57,990 --> 01:15:55,440

light

1786

01:15:59,669 --> 01:15:58,000

maybe there's something to that yeah

1787

01:16:03,590 --> 01:15:59,679

just maybe

1788

01:16:07,030 --> 01:16:03,600

uh because if you have the chance

1789

01:16:08,790 --> 01:16:07,040

to rectify or correct those

1790

01:16:10,070 --> 01:16:08,800

things that you did that were not so

1791

01:16:13,990 --> 01:16:10,080

good when you were

1792

01:16:16,229 --> 01:16:14,000

alive maybe now you have that chance

1793

01:16:18,630 --> 01:16:16,239

to correct them and move toward the

1794

01:16:21,030 --> 01:16:18,640

dimension that's in the light

1795

01:16:23,910 --> 01:16:21,040

that's a hell of a thought i don't know

1796

01:16:27,350 --> 01:16:23,920

and i probably won't know for a while

1797

01:16:30,550 --> 01:16:27,360

well you know you mentioned biocentrism

1798

01:16:32,950 --> 01:16:30,560

um as you know

1799

01:16:35,189 --> 01:16:32,960

something that is related to string

1800

01:16:39,750 --> 01:16:35,199

theory or quantum mechanics

1801

01:16:42,390 --> 01:16:39,760

uh and that the consciousness

1802

01:16:43,430 --> 01:16:42,400

continues to exist after our body dies

1803

01:16:45,189 --> 01:16:43,440

now i just

1804

01:16:47,110 --> 01:16:45,199

you know and i do believe that i really

1805

01:16:49,189 --> 01:16:47,120

do believe that but

1806

01:16:51,590 --> 01:16:49,199

like i asked you i you know what

1807

01:16:54,709 --> 01:16:51,600

direction does it go

1808

01:16:57,590 --> 01:16:54,719

after it you know is it

1809

01:16:59,590 --> 01:16:57,600

well of course the super strength theory

1810

01:17:03,430 --> 01:16:59,600

is just the latest

1811

01:17:07,270 --> 01:17:03,440

in uh theory of physicists as to

1812

01:17:11,110 --> 01:17:07,280

creation what our universe is about

1813

01:17:15,350 --> 01:17:11,120

but for example the superstring

1814

01:17:18,870 --> 01:17:15,360

physicists now say they can actually

1815

01:17:22,149 --> 01:17:18,880

measure the movement

1816

01:17:25,590 --> 01:17:22,159

of energy into a into a different

1817

01:17:28,870 --> 01:17:25,600

dimension now

1818

01:17:29,669 --> 01:17:28,880

you know when i was a kid i was told

1819

01:17:33,030 --> 01:17:29,679

that

1820

01:17:36,149 --> 01:17:33,040

the earth was created when another star

1821

01:17:37,110 --> 01:17:36,159

passed close to our sun and pulled gases

1822

01:17:41,189 --> 01:17:37,120

from it

1823

01:17:43,510 --> 01:17:41,199

and they globalized and became planets

1824

01:17:45,430 --> 01:17:43,520

then of course after that there was the

1825

01:17:47,189 --> 01:17:45,440

uh

1826

01:17:49,750 --> 01:17:47,199

oh i can't even think of the big bang

1827

01:17:51,669 --> 01:17:49,760

theory and there was

1828

01:17:53,270 --> 01:17:51,679

oh god i can't even think of so many

1829

01:17:56,229 --> 01:17:53,280

theories as to how we

1830

01:17:56,630 --> 01:17:56,239

came to be but i think this thing has

1831

01:17:59,110 --> 01:17:56,640

this

1832

01:17:59,910 --> 01:17:59,120

i think the super strength theory has

1833

01:18:03,030 --> 01:17:59,920

some very

1834

01:18:05,910 --> 01:18:03,040

interesting merit because if they can

1835

01:18:09,270 --> 01:18:05,920

measure the energy going to some place

1836

01:18:13,030 --> 01:18:09,280

that we can't see feel hear taste

1837

01:18:15,750 --> 01:18:13,040

touch uh then

1838

01:18:17,830 --> 01:18:15,760

that's proof of another dimension uh i

1839

01:18:19,510 --> 01:18:17,840

had a i had a an interesting experience

1840

01:18:23,110 --> 01:18:19,520

just the other day

1841

01:18:24,709 --> 01:18:23,120

when someone said uh well i believe that

1842

01:18:28,229 --> 01:18:24,719

there's another dimension

1843

01:18:32,950 --> 01:18:30,390

and i said well what can you do to prove

1844

01:18:36,149 --> 01:18:32,960

that he says i can't he says but

1845

01:18:39,270 --> 01:18:36,159

it just makes sense that rather than

1846

01:18:41,110 --> 01:18:39,280

be someplace that we're not maybe it's

1847

01:18:44,149 --> 01:18:41,120

the same place that we are it's just

1848

01:18:47,750 --> 01:18:44,159

that it's not sensitive to our five

1849

01:18:53,110 --> 01:18:51,110

so you know there is so much lon

1850

01:18:55,149 --> 01:18:53,120

you have done a remark excuse me for

1851

01:18:57,830 --> 01:18:55,159

saying so that you have done a

1852

01:19:01,990 --> 01:18:57,840

remarkable job on phantoms and mar

1853

01:19:05,910 --> 01:19:04,790

you really i mean you've you've brought

1854

01:19:08,709 --> 01:19:05,920

so many

1855

01:19:10,630 --> 01:19:08,719

things to for people to read and to

1856

01:19:13,750 --> 01:19:10,640

study and to look into

1857

01:19:15,830 --> 01:19:13,760

uh it's not just

1858

01:19:17,750 --> 01:19:15,840

i mean sure there are some of those

1859

01:19:18,390 --> 01:19:17,760

things that people write to you about

1860

01:19:20,870 --> 01:19:18,400

that

1861

01:19:21,750 --> 01:19:20,880

sound like they came from outer space

1862

01:19:24,709 --> 01:19:21,760

but

1863

01:19:26,790 --> 01:19:24,719

the fact is that you have done an

1864

01:19:31,110 --> 01:19:26,800

absolutely outstanding

1865

01:19:34,149 --> 01:19:31,120

job and i i personally would commend you

1866

01:19:35,669 --> 01:19:34,159

anyone who asked well i i really

1867

01:19:38,709 --> 01:19:35,679

appreciate that

1868

01:19:41,110 --> 01:19:38,719

stephen i know you and i have uh

1869

01:19:42,709 --> 01:19:41,120

have known each other on facebook i

1870

01:19:44,709 --> 01:19:42,719

don't mean yours now

1871

01:19:47,270 --> 01:19:44,719

several years and i know you've been a

1872

01:19:50,790 --> 01:19:47,280

reader of the blog and i i do appreciate

1873

01:19:53,430 --> 01:19:50,800

your thoughts um so how can people get

1874

01:19:55,830 --> 01:19:53,440

in contact with you steve uh

1875

01:19:57,990 --> 01:19:55,840

uh well of course of course i'm hopeful

1876

01:20:00,630 --> 01:19:58,000

that people will buy my book

1877

01:20:01,270 --> 01:20:00,640

explaining the unexplained which is

1878

01:20:04,149 --> 01:20:01,280

available

1879

01:20:08,149 --> 01:20:04,159

on amazon and at barnes and noble and in

1880

01:20:11,430 --> 01:20:10,229

i i'm hoping that they will read it

1881

01:20:14,390 --> 01:20:11,440

because

1882

01:20:15,270 --> 01:20:14,400

nothing that i put in there is said with

1883

01:20:28,149 --> 01:20:15,280

a

1884

01:20:31,590 --> 01:20:28,159

i

1885

01:20:35,510 --> 01:20:31,600

happen

1886

01:20:39,030 --> 01:20:35,520

people can keep people can contact me by

1887

01:20:44,149 --> 01:20:39,040

email at steve rell s t e

1888

01:20:47,750 --> 01:20:44,159

be like boy r e l at aol.com

1889

01:20:51,030 --> 01:20:47,760

i i have never refused to

1890

01:20:52,790 --> 01:20:51,040

respond to an email i i sometimes i'll

1891

01:20:54,070 --> 01:20:52,800

spend the whole weekend responding to

1892

01:20:57,669 --> 01:20:54,080

emails

1893

01:20:59,430 --> 01:20:57,679

but i will never not respond to one

1894

01:21:01,510 --> 01:20:59,440

because it means to me that someone's

1895

01:21:04,390 --> 01:21:01,520

interested enough to ask

1896

01:21:05,110 --> 01:21:04,400

that's right that's it there you are

1897

01:21:07,590 --> 01:21:05,120

well i

1898

01:21:09,669 --> 01:21:07,600

i thank you for coming up with us uh

1899

01:21:12,870 --> 01:21:09,679

it's been a long time

1900

01:21:15,590 --> 01:21:12,880

in in the making but uh

1901

01:21:17,750 --> 01:21:15,600

it was fascinating and i i'm sure we're

1902

01:21:20,070 --> 01:21:17,760

gonna hear from you again

1903

01:21:22,310 --> 01:21:20,080

well i'd be i'd be pleased to be a guest

1904

01:21:23,910 --> 01:21:22,320

again

1905

01:21:26,310 --> 01:21:23,920

all right here we are there's stephen

1906

01:21:29,189 --> 01:21:26,320

ellis thanks again stephen

1907

01:21:29,590 --> 01:21:29,199

all right i thank you lon you take care

1908

01:21:33,030 --> 01:21:29,600

now

1909

01:21:33,669 --> 01:21:33,040

wow what a show lots of information

1910

01:21:37,110 --> 01:21:33,679

there

1911

01:21:40,149 --> 01:21:37,120

really good stuff yeah i you know

1912

01:21:41,350 --> 01:21:40,159

i i i asked the readers if they're

1913

01:21:43,590 --> 01:21:41,360

still people listening they're

1914

01:21:48,070 --> 01:21:43,600

interested go to the go to the blog

1915

01:21:51,270 --> 01:21:48,080

uh and uh

1916

01:21:54,070 --> 01:21:51,280

look for the uh live diet

1917

01:21:54,390 --> 01:21:54,080

live again series that i've been running

1918

01:21:58,390 --> 01:21:54,400

on

1919

01:22:01,750 --> 01:21:58,400

remarkable

1920

01:22:04,870 --> 01:22:03,669

yeah it's a lot of good stuff in there

1921

01:22:06,470 --> 01:22:04,880

and uh

1922

01:22:07,990 --> 01:22:06,480

it got me thinking about a lot of

1923

01:22:09,629 --> 01:22:08,000

different things that i never really

1924

01:22:13,430 --> 01:22:09,639

thought about but his

1925

01:22:17,189 --> 01:22:13,440

experiences uh especially that

1926

01:22:19,910 --> 01:22:17,199

the the waltz that that situation i uh

1927

01:22:21,669 --> 01:22:19,920

you know i'm one of these people that i

1928

01:22:24,709 --> 01:22:21,679

do not remember my dreams

1929

01:22:27,189 --> 01:22:24,719

but when i do remember one

1930

01:22:28,390 --> 01:22:27,199

it's normally something that's very very

1931

01:22:30,870 --> 01:22:28,400

unusual

1932

01:22:32,310 --> 01:22:30,880

something that's much out of the

1933

01:22:36,070 --> 01:22:32,320

ordinary

1934

01:22:39,110 --> 01:22:36,080

and uh i usually try to write it down

1935

01:22:42,310 --> 01:22:39,120

and get some information on it because

1936

01:22:43,510 --> 01:22:42,320

uh it's something that's not the norm

1937

01:22:45,110 --> 01:22:43,520

for me

1938

01:22:46,709 --> 01:22:45,120

and i imagine that's the same with a lot

1939

01:22:47,350 --> 01:22:46,719

of people that they just don't remember

1940

01:22:49,110 --> 01:22:47,360

their

1941

01:22:50,550 --> 01:22:49,120

they know they they went through

1942

01:22:51,270 --> 01:22:50,560

something in you know while they were

1943

01:22:52,790 --> 01:22:51,280

sleeping

1944

01:22:54,390 --> 01:22:52,800

but they can't remember i remember the

1945

01:22:55,590 --> 01:22:54,400

important ones myself the ones that

1946

01:22:58,870 --> 01:22:55,600

really resonate

1947

01:23:02,470 --> 01:22:58,880

that have meaning yeah yeah but

1948

01:23:05,990 --> 01:23:02,480

uh next week stan gordon

1949

01:23:09,990 --> 01:23:06,000

ah stan comes back and uh he's got a new

1950

01:23:12,950 --> 01:23:10,000

book out called astounding encounters

1951

01:23:14,790 --> 01:23:12,960

and he's got a few new stories from the

1952

01:23:16,390 --> 01:23:14,800

state of pennsylvania

1953

01:23:18,390 --> 01:23:16,400

uh got to spend some time with him last

1954

01:23:20,229 --> 01:23:18,400

week at the mothman festival

1955

01:23:21,990 --> 01:23:20,239

and yeah you did yeah you did you

1956

01:23:25,189 --> 01:23:22,000

mentioned that i uh i talked

1957

01:23:26,950 --> 01:23:25,199

uh briefly with him and uh you know

1958

01:23:30,229 --> 01:23:26,960

there's one thing i do want to mention

1959

01:23:32,390 --> 01:23:30,239

and uh this is

1960

01:23:33,990 --> 01:23:32,400

this is on a personal note i want to

1961

01:23:37,110 --> 01:23:34,000

thank each and every

1962

01:23:40,629 --> 01:23:37,120

person who has been

1963

01:23:43,189 --> 01:23:40,639

supporting myself my family and

1964

01:23:46,229 --> 01:23:43,199

especially my wife vanessa

1965

01:23:49,910 --> 01:23:46,239

uh who was diagnosed with cancer back in

1966

01:23:53,110 --> 01:23:49,920

january uh she's been going through

1967

01:23:56,149 --> 01:23:53,120

a lot and i i you know

1968

01:23:58,950 --> 01:23:56,159

she's the chemo has really

1969

01:23:59,669 --> 01:23:58,960

taken a toll on her but she's getting

1970

01:24:03,669 --> 01:23:59,679

through it

1971

01:24:06,870 --> 01:24:03,679

uh she's getting much better

1972

01:24:09,990 --> 01:24:06,880

and uh the fact that

1973

01:24:13,590 --> 01:24:10,000

so many people stepped forward and

1974

01:24:17,030 --> 01:24:13,600

donated money and their time

1975

01:24:19,110 --> 01:24:17,040

and efforts and thoughts and prayers

1976

01:24:20,629 --> 01:24:19,120

meant so much to us and we are

1977

01:24:21,830 --> 01:24:20,639

internally grateful well i think i could

1978

01:24:24,149 --> 01:24:21,840

speak for the listeners

1979

01:24:25,910 --> 01:24:24,159

and myself on where we thank you for

1980

01:24:26,550 --> 01:24:25,920

continuing to come on here every week

1981

01:24:29,590 --> 01:24:26,560

and

1982

01:24:31,910 --> 01:24:29,600

you have so much going on in your own

1983

01:24:33,669 --> 01:24:31,920

life taking that a part of your

1984

01:24:35,030 --> 01:24:33,679

you know that time away to spend some

1985

01:24:36,550 --> 01:24:35,040

time with us each and every week we

1986

01:24:38,709 --> 01:24:36,560

really appreciate that too

1987

01:24:40,390 --> 01:24:38,719

and i'm sure all our listeners would

1988

01:24:43,590 --> 01:24:40,400

personally say you're quite welcome

1989

01:24:45,189 --> 01:24:43,600

and uh thank you and for me it's a

1990

01:24:45,990 --> 01:24:45,199

pleasure being your sidekick here each

1991

01:24:48,070 --> 01:24:46,000

and every week

1992

01:24:49,510 --> 01:24:48,080

and we're going to keep doing this until

1993

01:24:51,350 --> 01:24:49,520

we can't do it anymore but

1994

01:24:52,629 --> 01:24:51,360

i'm so glad to hear that vanessa's doing

1995

01:24:54,470 --> 01:24:52,639

well and that uh

1996

01:24:58,550 --> 01:24:54,480

you yourself are in and better health

1997

01:25:00,229 --> 01:24:58,560

and better spirits yeah well i just

1998

01:25:01,430 --> 01:25:00,239

wanted to mention something you know i

1999

01:25:03,430 --> 01:25:01,440

really haven't said anything on the

2000

01:25:04,950 --> 01:25:03,440

radio about it but i i figured it was

2001

01:25:08,070 --> 01:25:04,960

time to do that

2002

01:25:11,110 --> 01:25:08,080

uh i've said enough on the blog

2003

01:25:13,750 --> 01:25:11,120

so um i just wanted to mention that so

2004

01:25:15,030 --> 01:25:13,760

next week folks stan gordon will be

2005

01:25:17,270 --> 01:25:15,040

joining us

2006

01:25:18,709 --> 01:25:17,280

uh we're going to be talking about a lot

2007

01:25:22,390 --> 01:25:18,719

of different things

2008

01:25:25,189 --> 01:25:22,400

uh uh stan's aware of some of the

2009

01:25:25,990 --> 01:25:25,199

uh situations we've been investigating

2010

01:25:27,350 --> 01:25:26,000

lately

2011

01:25:28,870 --> 01:25:27,360

so we're going to talk about a few

2012

01:25:29,830 --> 01:25:28,880

things and it should be very

2013

01:25:31,590 --> 01:25:29,840

entertaining

2014

01:25:32,950 --> 01:25:31,600

yeah and before we go there's a couple

2015

01:25:33,910 --> 01:25:32,960

things you know lon and i always talk

2016

01:25:35,750 --> 01:25:33,920

about stewardship

2017

01:25:37,510 --> 01:25:35,760

being very important a part of what we

2018

01:25:39,430 --> 01:25:37,520

do uh

2019

01:25:41,270 --> 01:25:39,440

you know we live in a very uh unfair

2020

01:25:44,149 --> 01:25:41,280

world sometimes so i want you folks take

2021

01:25:45,830 --> 01:25:44,159

some time go to feedingamerica.org

2022

01:25:48,229 --> 01:25:45,840

feedamerica.org you can find the links

2023

01:25:51,110 --> 01:25:48,239

on our website arcaneradio.com

2024

01:25:52,229 --> 01:25:51,120

uh and support uh you know children who

2025

01:25:54,229 --> 01:25:52,239

you know don't know where their next

2026

01:25:55,910 --> 01:25:54,239

meals are coming from and

2027

01:25:57,669 --> 01:25:55,920

you know we were doing uh commercials

2028

01:25:58,709 --> 01:25:57,679

earlier in the year for the national

2029

01:25:59,510 --> 01:25:58,719

suicide awareness

2030

01:26:02,310 --> 01:25:59,520

we're going to be running those

2031

01:26:03,669 --> 01:26:02,320

commercials again very soon uh it's time

2032

01:26:05,510 --> 01:26:03,679

for us to get back a little bit

2033

01:26:06,790 --> 01:26:05,520

to uh each and every one of you into the

2034

01:26:09,110 --> 01:26:06,800

communities we belong to

2035

01:26:10,390 --> 01:26:09,120

and just i guess i'll leave us with this

2036

01:26:12,070 --> 01:26:10,400

final thought

2037

01:26:13,669 --> 01:26:12,080

that the world's a better place and we

2038

01:26:15,430 --> 01:26:13,679

think a little bit less of ourselves and

2039

01:26:17,430 --> 01:26:15,440

more about each other

2040

01:26:20,229 --> 01:26:17,440

so we'll see you next week folks take
