

'PENELOPE' of the SIERRAS

Who or what
is this Cryptid
Crawler?

Three
corroborating
encounters!

1
00:00:05,860 --> 00:00:04,590

[Music]

2
00:00:10,540 --> 00:00:05,870

[Applause]

3
00:00:12,890 --> 00:00:10,550

[Music]

4
00:00:17,750 --> 00:00:12,900

[Applause]

5
00:00:21,910 --> 00:00:19,670
welcome to the best of first person

6
00:00:24,790 --> 00:00:21,920
episodes of phantoms and monsters

7
00:00:28,830 --> 00:00:24,800
please like subscribe and hit the bell

8
00:00:32,069 --> 00:00:28,840
icon so you'll be notified of all future

9
00:00:35,430 --> 00:00:34,870
penelope of the sierra nevada mountains

10
00:00:37,590 --> 00:00:35,440
sir

11
00:00:39,910 --> 00:00:37,600
my brother referred your email address

12
00:00:42,069 --> 00:00:39,920
to me he thought you may have an answer

13
00:00:44,229 --> 00:00:42,079

to what i saw this past july while

14

00:00:47,190 --> 00:00:44,239

camping in the sierra nevada mountains

15

00:00:47,510 --> 00:00:47,200

near tioga lake california my teenage

16

00:00:50,150 --> 00:00:47,520

son

17

00:00:51,910 --> 00:00:50,160

and i were camping in our rv there were

18

00:00:54,630 --> 00:00:51,920

other campers in the area but

19

00:00:55,350 --> 00:00:54,640

not very close to us on the third night

20

00:00:57,270 --> 00:00:55,360

of our trip

21

00:00:58,790 --> 00:00:57,280

we encountered something that neither of

22

00:01:00,709 --> 00:00:58,800

us can explain

23

00:01:02,709 --> 00:01:00,719

this is bear country and i know that

24

00:01:03,590 --> 00:01:02,719

there have been bigfoot reports over the

25

00:01:05,910 --> 00:01:03,600

years

26
00:01:06,870 --> 00:01:05,920
but what we saw was neither as far as we

27
00:01:08,870 --> 00:01:06,880
can tell

28
00:01:10,390 --> 00:01:08,880
we secured all of the food and other

29
00:01:12,710 --> 00:01:10,400
supplies in the rv

30
00:01:15,030 --> 00:01:12,720
and we're getting ready to go to bed it

31
00:01:17,350 --> 00:01:15,040
was about 12 30 a.m

32
00:01:19,109 --> 00:01:17,360
my son fell asleep quickly while i was

33
00:01:21,109 --> 00:01:19,119
getting a few things ready as we were

34
00:01:22,070 --> 00:01:21,119
going to leave this location later in

35
00:01:24,230 --> 00:01:22,080
the morning

36
00:01:26,070 --> 00:01:24,240
i was looking at a map when i started to

37
00:01:28,390 --> 00:01:26,080
hear high-pitched screams

38
00:01:30,550 --> 00:01:28,400

at first i thought it was a coyote but

39

00:01:31,109 --> 00:01:30,560

it was a single scream and sounded more

40

00:01:33,990 --> 00:01:31,119

human

41

00:01:34,950 --> 00:01:34,000

like a woman's scream i opened the rv

42

00:01:37,429 --> 00:01:34,960

door and stood

43

00:01:39,350 --> 00:01:37,439

silent in the doorway once again the

44

00:01:42,469 --> 00:01:39,360

high-pitched scream started

45

00:01:44,389 --> 00:01:42,479

this time it woke my son we both stood

46

00:01:46,310 --> 00:01:44,399

at the door as the screams continued

47

00:01:48,230 --> 00:01:46,320

from the direction of the mountain

48

00:01:50,630 --> 00:01:48,240

after about 10 minutes the screams

49

00:01:52,469 --> 00:01:50,640

stopped we both went to bed

50

00:01:53,910 --> 00:01:52,479

something startled me while i was

51

00:01:57,190 --> 00:01:53,920

sleeping because i woke in

52

00:01:58,149 --> 00:01:57,200

a panic i looked at my watch it was 2 40

53

00:02:05,190 --> 00:01:58,159

am

54

00:02:07,190 --> 00:02:05,200

as it started my son jumped out of his

55

00:02:10,469 --> 00:02:07,200

rack and fell to the floor

56

00:02:11,990 --> 00:02:10,479

i grabbed my 44 just in case as we

57

00:02:13,430 --> 00:02:12,000

looked out through the windshield the

58

00:02:15,510 --> 00:02:13,440

moonlight was bright enough to

59

00:02:17,030 --> 00:02:15,520

illuminate a tall thin creature with

60

00:02:19,990 --> 00:02:17,040

light colored skin

61

00:02:21,350 --> 00:02:20,000

my son yelled zombie it did look like a

62

00:02:23,350 --> 00:02:21,360

female human form

63

00:02:24,470 --> 00:02:23,360

but the face and the rest of the body

64

00:02:26,630 --> 00:02:24,480

looked horrible

65

00:02:28,550 --> 00:02:26,640

it reminded me of an old witch no

66

00:02:30,949 --> 00:02:28,560

clothes deformed face

67

00:02:31,830 --> 00:02:30,959

long light colored hair long arms and

68

00:02:34,790 --> 00:02:31,840

legs

69

00:02:36,550 --> 00:02:34,800

i figured it stood almost seven feet it

70

00:02:39,670 --> 00:02:36,560

was walking away from the rv

71

00:02:40,070 --> 00:02:39,680

toward the lake i had seen enough i made

72

00:02:41,990 --> 00:02:40,080

sure

73

00:02:43,589 --> 00:02:42,000

everything was ready to go and drove out

74

00:02:46,470 --> 00:02:43,599

of their asap

75

00:02:48,710 --> 00:02:46,480

we ended up near mono lake a few days

76

00:02:49,990 --> 00:02:48,720

later i was able to talk to a ranger as

77

00:02:52,309 --> 00:02:50,000

he walked through the camping

78

00:02:53,430 --> 00:02:52,319

area he was an older guy and quite

79

00:02:56,150 --> 00:02:53,440

engaging

80

00:02:58,550 --> 00:02:56,160

i described what we witnessed my son

81

00:03:00,630 --> 00:02:58,560

also verified what we had seen

82

00:03:02,790 --> 00:03:00,640

the ranger got a serious look on his

83

00:03:04,630 --> 00:03:02,800

face and said that over the years

84

00:03:06,949 --> 00:03:04,640

something similar had been reported a

85

00:03:08,949 --> 00:03:06,959

few times he said that they called it

86

00:03:10,309 --> 00:03:08,959

penelope but he didn't know why it had

87

00:03:12,869 --> 00:03:10,319

gotten that name

88

00:03:13,910 --> 00:03:12,879

that's all he knew when i got home i

89

00:03:16,550 --> 00:03:13,920

searched the internet

90

00:03:18,630 --> 00:03:16,560

but no information was available my

91

00:03:21,190 --> 00:03:18,640

brother gave me your email address and

92

00:03:31,430 --> 00:03:21,200

said you may have an idea of what it was

93

00:03:35,830 --> 00:03:34,070

is penelope more than an urban legend hi

94

00:03:36,550 --> 00:03:35,840

i was searching for things in the sierra

95

00:03:38,550 --> 00:03:36,560

nevadas

96

00:03:40,710 --> 00:03:38,560

and i came across a story on your page

97

00:03:42,309 --> 00:03:40,720

about a creature named penelope

98

00:03:44,550 --> 00:03:42,319

the entire encounter and creature

99

00:03:46,710 --> 00:03:44,560

described by the lr person who sent the

100

00:03:48,630 --> 00:03:46,720

original email was something my entire

101
00:03:49,589 --> 00:03:48,640
family and myself had witnessed many

102
00:03:51,110 --> 00:03:49,599
years ago

103
00:03:53,670 --> 00:03:51,120
we were camping near convict lake

104
00:03:55,350 --> 00:03:53,680
california but further back in the woods

105
00:03:57,750 --> 00:03:55,360
there were three other groups of campers

106
00:04:00,070 --> 00:03:57,760
in the campground and it was late spring

107
00:04:02,149 --> 00:04:00,080
on our second night there around 1am

108
00:04:03,830 --> 00:04:02,159
just outside my old nissan datsun

109
00:04:06,229 --> 00:04:03,840
six-pack camper my father

110
00:04:07,830 --> 00:04:06,239
mother and i heard a very loud scream

111
00:04:08,229 --> 00:04:07,840
other people in the camp heard it as

112
00:04:10,149 --> 00:04:08,239
well

113
00:04:12,070 --> 00:04:10,159

because when i look out the window i saw

114

00:04:13,910 --> 00:04:12,080

lights and all the tents turn on

115

00:04:15,589 --> 00:04:13,920

following the loud screen a second

116

00:04:16,390 --> 00:04:15,599

scream came from the hell across the

117

00:04:18,229 --> 00:04:16,400

stream

118

00:04:20,229 --> 00:04:18,239

there were two of these creatures a

119

00:04:22,310 --> 00:04:20,239

minute or two went by and then again

120

00:04:24,070 --> 00:04:22,320

from the same location we heard another

121

00:04:25,749 --> 00:04:24,080

loud blood-curdling scream

122

00:04:27,510 --> 00:04:25,759

it then proceeded to begin running in

123

00:04:28,310 --> 00:04:27,520

the direction of the creature across the

124

00:04:30,230 --> 00:04:28,320

stream

125

00:04:31,990 --> 00:04:30,240

it must have been large because my dad

126

00:04:33,830 --> 00:04:32,000

is six four three hundred pounds

127

00:04:35,590 --> 00:04:33,840

and could not make the same loud thuds

128

00:04:37,430 --> 00:04:35,600

this creature made when running

129

00:04:39,189 --> 00:04:37,440

we only got a look at part of it as it

130

00:04:39,990 --> 00:04:39,199

emerged from the brush when crossing the

131

00:04:41,990 --> 00:04:40,000

stream

132

00:04:43,110 --> 00:04:42,000

it was a whitish blur at least that's

133

00:04:45,189 --> 00:04:43,120

what we saw

134

00:04:46,870 --> 00:04:45,199

even though several campers had weapons

135

00:04:49,909 --> 00:04:46,880

we left right then and there

136

00:04:50,950 --> 00:04:49,919

this was back in 1986 i don't really

137

00:04:54,070 --> 00:04:50,960

believe in bigfoot

138

00:04:55,670 --> 00:04:54,080

aliens etc but whatever this was it was

139

00:04:57,590 --> 00:04:55,680

real and it was real big

140

00:04:59,590 --> 00:04:57,600

i will never go camping without at least

141

00:05:07,110 --> 00:04:59,600

a shotgun since that incident

142

00:05:11,749 --> 00:05:09,749

another penelope encounter i have been

143

00:05:13,830 --> 00:05:11,759

searching for months to find answers to

144

00:05:15,110 --> 00:05:13,840

what it is my wife and i saw near labor

145

00:05:16,950 --> 00:05:15,120

day 2014

146

00:05:18,550 --> 00:05:16,960

while camping in the eastern sierras in

147

00:05:20,950 --> 00:05:18,560

the mono village area

148

00:05:22,710 --> 00:05:20,960

most websites are just so outlandish and

149

00:05:24,070 --> 00:05:22,720

full of people that want to believe in

150

00:05:26,230 --> 00:05:24,080

monsters or ufos

151
00:05:28,230 --> 00:05:26,240
it just became frustrating that any hope

152
00:05:29,749 --> 00:05:28,240
of putting together the puzzle and maybe

153
00:05:30,710 --> 00:05:29,759
learning something from these rare

154
00:05:32,950 --> 00:05:30,720
experiences

155
00:05:34,629 --> 00:05:32,960
would be lost i read the reported

156
00:05:36,550 --> 00:05:34,639
sighting of the man and his son

157
00:05:39,029 --> 00:05:36,560
seeing a tall skinny witch-looking thing

158
00:05:41,270 --> 00:05:39,039
outside is rv in the same region

159
00:05:43,029 --> 00:05:41,280
also i was very interested in an article

160
00:05:45,029 --> 00:05:43,039
that discussed the bigfoot problem

161
00:05:46,629 --> 00:05:45,039
and how people might be seeing ghosts of

162
00:05:48,390 --> 00:05:46,639
animals from the past

163
00:05:50,950 --> 00:05:48,400

this is why it's so hard to gather

164

00:05:52,070 --> 00:05:50,960

evidence on maybe they materialize and

165

00:05:54,550 --> 00:05:52,080

dematerialize

166

00:05:56,629 --> 00:05:54,560

and we are just lucky to be present this

167

00:05:58,629 --> 00:05:56,639

seems like a legitimate explanation to

168

00:05:59,749 --> 00:05:58,639

me because the creature i saw running by

169

00:06:01,430 --> 00:05:59,759

the road of living

170

00:06:03,189 --> 00:06:01,440

breathing and hunting in our physical

171

00:06:05,270 --> 00:06:03,199

world would send all the people that

172

00:06:07,749 --> 00:06:05,280

live in mono county back to the city

173

00:06:09,590 --> 00:06:07,759

once reports came of its appearance i

174

00:06:11,990 --> 00:06:09,600

have been coming to the same area to

175

00:06:14,790 --> 00:06:12,000

camp and fish for over 30 years

176

00:06:16,950 --> 00:06:14,800

hell it's 40 years to be exact the twin

177

00:06:19,029 --> 00:06:16,960

lakes resort and bridgeport california

178

00:06:21,189 --> 00:06:19,039

ride on the california nevada border

179

00:06:23,430 --> 00:06:21,199

about an hour north of mono lake

180

00:06:24,469 --> 00:06:23,440

high elevation tons of wildlife and

181

00:06:26,309 --> 00:06:24,479

great fishing

182

00:06:28,150 --> 00:06:26,319

one wear out up to the twins ending at

183

00:06:30,550 --> 00:06:28,160

the base of the huge mountain range

184

00:06:32,070 --> 00:06:30,560

north side of yosemite my parents

185

00:06:34,150 --> 00:06:32,080

brought me when i was five

186

00:06:36,230 --> 00:06:34,160

and now i bring them and my family every

187

00:06:37,270 --> 00:06:36,240

year so i am very familiar with the

188

00:06:39,110 --> 00:06:37,280

wildlife

189

00:06:41,510 --> 00:06:39,120

on many occasions had up close

190

00:06:43,670 --> 00:06:41,520

experiences with many of its inhabitants

191

00:06:45,189 --> 00:06:43,680

for instance one time a bear was spooked

192

00:06:46,950 --> 00:06:45,199

and backed up into my tent

193

00:06:48,309 --> 00:06:46,960

sending me flying over the other two

194

00:06:51,110 --> 00:06:48,319

people in my tent

195

00:06:51,589 --> 00:06:51,120

i've seen some stuff my family loves to

196

00:06:54,150 --> 00:06:51,599

fish

197

00:06:56,309 --> 00:06:54,160

mostly catch and release my favorite

198

00:06:57,110 --> 00:06:56,319

pastime is hiking and bird and animal

199

00:06:59,270 --> 00:06:57,120

watching

200

00:07:01,990 --> 00:06:59,280

i have developed a keen eye for locating

201
00:07:03,670 --> 00:07:02,000
and identifying all types of wildlife to

202
00:07:05,510 --> 00:07:03,680
give you an example of what i have

203
00:07:05,990 --> 00:07:05,520
personally seen in this valley mountain

204
00:07:08,469 --> 00:07:06,000
lion

205
00:07:09,029 --> 00:07:08,479
sierra moose bald eagle golden eagle

206
00:07:11,430 --> 00:07:09,039
nesting

207
00:07:12,629 --> 00:07:11,440
mountain goats osprey king snake the

208
00:07:14,390 --> 00:07:12,639
list goes on

209
00:07:16,150 --> 00:07:14,400
the point i'm trying to make is i've

210
00:07:16,790 --> 00:07:16,160
seen every kind of animal in this

211
00:07:18,629 --> 00:07:16,800
wilderness

212
00:07:20,469 --> 00:07:18,639
and i have a great knowledge of every

213
00:07:21,270 --> 00:07:20,479

other species of animal all over the

214

00:07:23,430 --> 00:07:21,280

world

215

00:07:24,469 --> 00:07:23,440

nature and wildlife have been a lifelong

216

00:07:26,390 --> 00:07:24,479

interest of mine

217

00:07:27,589 --> 00:07:26,400

and been the subject of much of my art

218

00:07:29,510 --> 00:07:27,599

since a child

219

00:07:31,189 --> 00:07:29,520

knowing the body parts and how they move

220

00:07:32,870 --> 00:07:31,199

together has been essential to

221

00:07:35,990 --> 00:07:32,880

understand as an artist

222

00:07:37,670 --> 00:07:36,000

okay now to the siding my wife stepson

223

00:07:39,189 --> 00:07:37,680

and myself were headed to the creek for

224

00:07:41,029 --> 00:07:39,199

some daybreak fishing

225

00:07:42,710 --> 00:07:41,039

we left before dawn to get the car

226

00:07:45,510 --> 00:07:42,720

parked and walked to the creek

227

00:07:47,510 --> 00:07:45,520

the time must have been close to 5 30 am

228

00:07:48,230 --> 00:07:47,520

and it was still very dark and a slight

229

00:07:50,150 --> 00:07:48,240

fog

230

00:07:51,430 --> 00:07:50,160

this trip which is about a quarter mile

231

00:07:53,430 --> 00:07:51,440

from cabin to creek

232

00:07:55,270 --> 00:07:53,440

is always full of nocturnal animals

233

00:07:56,309 --> 00:07:55,280

headed home after raiding the local

234

00:07:58,469 --> 00:07:56,319

campgrounds

235

00:08:00,390 --> 00:07:58,479

so mule deer black bear and huge

236

00:08:01,510 --> 00:08:00,400

jackrabbits crossing the road is no

237

00:08:03,670 --> 00:08:01,520

surprise

238

00:08:05,430 --> 00:08:03,680

like i have done a hundred times before

239

00:08:07,110 --> 00:08:05,440

keep an eye out slow down

240

00:08:08,950 --> 00:08:07,120

hit the high beams to illuminate the

241

00:08:09,749 --> 00:08:08,960

beasts with eyes reflecting my car

242

00:08:13,110 --> 00:08:09,759

lights

243

00:08:14,790 --> 00:08:13,120

crossing the road that did not have

244

00:08:17,110 --> 00:08:14,800

reflective nocturnal eyes

245

00:08:18,070 --> 00:08:17,120

so i slowed down immediately to about 20

246

00:08:20,150 --> 00:08:18,080

mile per hour

247

00:08:22,790 --> 00:08:20,160

and tried my best to identify what it

248

00:08:24,550 --> 00:08:22,800

was i was having trouble doing so since

249

00:08:25,350 --> 00:08:24,560

the thing was moving very low to the

250

00:08:27,350 --> 00:08:25,360

ground

251
00:08:29,830 --> 00:08:27,360
its belly just inches from touching the

252
00:08:32,230 --> 00:08:29,840
ground it appeared very pale or white

253
00:08:34,070 --> 00:08:32,240
so i think goater sheep i immediately

254
00:08:35,829 --> 00:08:34,080
remembered decades ago there had been

255
00:08:38,070 --> 00:08:35,839
sheep herders on the side of the hill

256
00:08:39,909 --> 00:08:38,080
but they had been gone for many years

257
00:08:41,829 --> 00:08:39,919
well when my high beams hit this thing

258
00:08:43,589 --> 00:08:41,839
it turned its long neck and glared at us

259
00:08:44,389 --> 00:08:43,599
and almost shook its head as if we

260
00:08:46,550 --> 00:08:44,399
pissed it off

261
00:08:48,389 --> 00:08:46,560
and didn't want to be seen at all at

262
00:08:50,230 --> 00:08:48,399
first sight it was crossing the street

263
00:08:51,750 --> 00:08:50,240

almost diagonally headed our way then

264

00:08:52,710 --> 00:08:51,760

along the side of the road in our

265

00:08:54,710 --> 00:08:52,720

direction

266

00:08:56,230 --> 00:08:54,720

now my wife had seen it from the start

267

00:08:58,310 --> 00:08:56,240

but i needed extra time

268

00:09:00,230 --> 00:08:58,320

so that i could id and give her an

269

00:09:00,630 --> 00:09:00,240

explanation of what type of animal it

270

00:09:03,350 --> 00:09:00,640

was

271

00:09:03,990 --> 00:09:03,360

like i always do i asked her what is

272

00:09:05,910 --> 00:09:04,000

that

273

00:09:07,670 --> 00:09:05,920

i just wanted to make sure she was

274

00:09:08,470 --> 00:09:07,680

seeing and observing the same thing i

275

00:09:10,310 --> 00:09:08,480

was

276

00:09:12,150 --> 00:09:10,320

now the first odd thing that i couldn't

277

00:09:14,070 --> 00:09:12,160

understand besides the way it was

278

00:09:16,230 --> 00:09:14,080

crawling so low to the ground

279

00:09:18,710 --> 00:09:16,240

unlike a hunting cat the legs were all

280

00:09:20,710 --> 00:09:18,720

wrong its knees seemed to be backwards

281

00:09:22,470 --> 00:09:20,720

but it was running on them my thought

282

00:09:23,670 --> 00:09:22,480

was that it was an escaped sheep or goat

283

00:09:25,509 --> 00:09:23,680

that had broken knees

284

00:09:27,030 --> 00:09:25,519

and it was running for its life because

285

00:09:29,430 --> 00:09:27,040

it was moving fast

286

00:09:31,430 --> 00:09:29,440

as it came closer and closer towards us

287

00:09:32,550 --> 00:09:31,440

i could hardly take my eyes off its

288

00:09:34,550 --> 00:09:32,560

freaky legs

289

00:09:36,870 --> 00:09:34,560

i still lay awake at night puzzled by

290

00:09:38,310 --> 00:09:36,880

how they were working i've not seen any

291

00:09:40,070 --> 00:09:38,320

mammal move this way

292

00:09:42,150 --> 00:09:40,080

the closest thing would be a crabber

293

00:09:43,509 --> 00:09:42,160

insect the front and back legs moved

294

00:09:46,070 --> 00:09:43,519

together in unison

295

00:09:47,829 --> 00:09:46,080

there was no bouncing swing galloping or

296

00:09:49,350 --> 00:09:47,839

jumping like that of the mammal

297

00:09:51,110 --> 00:09:49,360

to me it looked like a puppet with a

298

00:09:53,910 --> 00:09:51,120

marionette moving it along

299

00:09:56,070 --> 00:09:53,920

so unreal like one of hr geiger's alien

300

00:09:58,870 --> 00:09:56,080

creatures is shown climbing around super

301
00:10:00,870 --> 00:09:58,880
fast with only its arms and legs moving

302
00:10:03,269 --> 00:10:00,880
by this time my wife could only get out

303
00:10:05,509 --> 00:10:03,279
what the hell as we saw it from maybe 50

304
00:10:07,350 --> 00:10:05,519
yards away to about 20 yards

305
00:10:09,430 --> 00:10:07,360
you could see that it had no fur at all

306
00:10:11,670 --> 00:10:09,440
just pale sinewy stretched skin over

307
00:10:13,590 --> 00:10:11,680
long skinny well-defined limbs

308
00:10:15,990 --> 00:10:13,600
its broken knees were long skinny

309
00:10:18,230 --> 00:10:16,000
fingers or claws a foot long or more

310
00:10:20,470 --> 00:10:18,240
the torso was maybe the size of a large

311
00:10:22,710 --> 00:10:20,480
goat but it also had broad shoulders

312
00:10:24,310 --> 00:10:22,720
very human possibly like this thing

313
00:10:26,790 --> 00:10:24,320

normally walks upright

314

00:10:28,710 --> 00:10:26,800

this is what my wife kept pointing out

315

00:10:30,949 --> 00:10:28,720

the shoulders made it look human

316

00:10:31,750 --> 00:10:30,959

all this was freaky but we both stared

317

00:10:34,150 --> 00:10:31,760

intensely

318

00:10:36,310 --> 00:10:34,160

as to figure out what it was when as we

319

00:10:37,269 --> 00:10:36,320

got closer the face became more and more

320

00:10:39,430 --> 00:10:37,279

defined

321

00:10:41,590 --> 00:10:39,440

the first second we laid eyes on it the

322

00:10:43,430 --> 00:10:41,600

face and head did not make sense

323

00:10:45,430 --> 00:10:43,440

but i put my mind that he is saying to

324

00:10:47,269 --> 00:10:45,440

myself well it looks strange now

325

00:10:48,790 --> 00:10:47,279

but when you get face to face you will

326

00:10:51,750 --> 00:10:48,800

see a familiar goat snout

327

00:10:52,550 --> 00:10:51,760

or cat or canine nose or jackrabbit face

328

00:10:54,150 --> 00:10:52,560

no

329

00:10:56,710 --> 00:10:54,160

this thing looked like it came out of a

330

00:10:58,230 --> 00:10:56,720

horror movie like a space alien creature

331

00:11:00,470 --> 00:10:58,240

or humanoid monster

332

00:11:02,550 --> 00:11:00,480

the nose i was looking for was not there

333

00:11:04,150 --> 00:11:02,560

just a flat opening with two nose holes

334

00:11:06,790 --> 00:11:04,160

high up on the face

335

00:11:08,389 --> 00:11:06,800

no ears just small holes on the side of

336

00:11:10,550 --> 00:11:08,399

its head but whatever they were they

337

00:11:12,550 --> 00:11:10,560

were smaller than the humans for sure

338

00:11:14,949 --> 00:11:12,560

it had high brow ridge bones but the

339

00:11:17,350 --> 00:11:14,959

skull did not have a huge human cranium

340

00:11:19,509 --> 00:11:17,360

more like the size of a chimps it had a

341

00:11:20,470 --> 00:11:19,519

large chin that protruded maybe strong

342

00:11:22,870 --> 00:11:20,480

jawbones

343

00:11:23,910 --> 00:11:22,880

but this part i totally don't get it all

344

00:11:26,150 --> 00:11:23,920

the eyes

345

00:11:28,150 --> 00:11:26,160

i saw these large eye sockets off in the

346

00:11:28,790 --> 00:11:28,160

distance but they never reflected in the

347

00:11:30,710 --> 00:11:28,800

light

348

00:11:32,550 --> 00:11:30,720

as it came nearer and nearer i saw the

349

00:11:33,110 --> 00:11:32,560

color red not like a light that was

350

00:11:35,590 --> 00:11:33,120

glowing

351
00:11:37,509 --> 00:11:35,600
but maybe many veins the blood within

352
00:11:38,630 --> 00:11:37,519
was giving it the darkest color on this

353
00:11:41,190 --> 00:11:38,640
pale beast

354
00:11:43,269 --> 00:11:41,200
as we were within 10 to 15 yards away i

355
00:11:45,829 --> 00:11:43,279
only saw sockets and no eyeball

356
00:11:47,030 --> 00:11:45,839
like that of a blind cave fish now this

357
00:11:48,710 --> 00:11:47,040
blew me away

358
00:11:50,790 --> 00:11:48,720
i thought how is this thing turning its

359
00:11:53,350 --> 00:11:50,800
head to glare at me with no eyes

360
00:11:55,509 --> 00:11:53,360
was it a ghost but as it passed us and i

361
00:11:57,670 --> 00:11:55,519
came to a complete stop i saw it zip

362
00:11:59,590 --> 00:11:57,680
into the chaparral and kick up dust

363
00:12:01,910 --> 00:11:59,600

this thing had been flesh and blood at

364

00:12:02,790 --> 00:12:01,920

least for the 15 to 20 seconds that we

365

00:12:04,629 --> 00:12:02,800

observed it

366

00:12:06,629 --> 00:12:04,639

i might add there was no smell or

367

00:12:08,230 --> 00:12:06,639

anything else odd that we noticed

368

00:12:10,150 --> 00:12:08,240

i should have taken pictures of the

369

00:12:12,069 --> 00:12:10,160

tracks but did not think to do it

370

00:12:13,910 --> 00:12:12,079

because i was very puzzled and thought

371

00:12:15,509 --> 00:12:13,920

maybe we had witnessed a ghost because

372

00:12:17,750 --> 00:12:15,519

of how unreal it appeared

373

00:12:19,350 --> 00:12:17,760

i was also with my family which i am

374

00:12:21,269 --> 00:12:19,360

very protective of

375

00:12:23,430 --> 00:12:21,279

normally if i had been alone i would be

376

00:12:23,990 --> 00:12:23,440

on the trail what this thing was doing

377

00:12:26,949 --> 00:12:24,000

so close

378

00:12:28,710 --> 00:12:26,959

to a campground puzzles me my wife said

379

00:12:30,550 --> 00:12:28,720

even though i was only thinking it

380

00:12:31,990 --> 00:12:30,560

this thing seemed intelligent and was

381

00:12:34,150 --> 00:12:32,000

creeping in the dark

382

00:12:36,310 --> 00:12:34,160

mad at us for discovering it the mouth

383

00:12:38,069 --> 00:12:36,320

was closed but it had tight closed lips

384

00:12:40,470 --> 00:12:38,079

that almost seemed to grin

385

00:12:41,750 --> 00:12:40,480

i did not see any teeth large canine or

386

00:12:44,150 --> 00:12:41,760

flat herbivores

387

00:12:46,310 --> 00:12:44,160

its coal was that of a predator not prey

388

00:12:48,949 --> 00:12:46,320

with eye sockets positioned on the front

389

00:12:50,710 --> 00:12:48,959

not the sides i have seen a great many

390

00:12:52,230 --> 00:12:50,720

extraordinary things in my life

391

00:12:54,470 --> 00:12:52,240

so i have learned to be a great

392

00:12:56,710 --> 00:12:54,480

eyewitness and not jump to conclusions

393

00:12:57,509 --> 00:12:56,720

only observe make note and evaluate

394

00:12:59,509 --> 00:12:57,519

later

395

00:13:01,590 --> 00:12:59,519

my wife is the biggest skeptic i have

396

00:13:03,910 --> 00:13:01,600

ever met not fully believing the many

397

00:13:06,069 --> 00:13:03,920

extraordinary stories i have told

398

00:13:07,190 --> 00:13:06,079

she comes from a lifetime of cold hard

399

00:13:08,629 --> 00:13:07,200

harsh reality

400

00:13:11,190 --> 00:13:08,639

no room for any stretch of the

401
00:13:13,110 --> 00:13:11,200
imagination well now she is a believer

402
00:13:14,949 --> 00:13:13,120
and is afraid to this day of what is

403
00:13:15,750 --> 00:13:14,959
walking around those sierra nevada

404
00:13:18,310 --> 00:13:15,760
mountains

405
00:13:24,710 --> 00:13:18,320
i would be open for correspondence thank

406
00:13:28,150 --> 00:13:27,269
this is lon strickler if you like this

407
00:13:29,910 --> 00:13:28,160
program

408
00:13:31,269 --> 00:13:29,920
it would help us if you would give it a

409
00:13:34,150 --> 00:13:31,279
thumbs up

410
00:13:34,629 --> 00:13:34,160
then subscribe and click the bell icon

411
00:13:36,949 --> 00:13:34,639
so you

412
00:13:39,110 --> 00:13:36,959
get notification when we upload new

413
00:13:42,230 --> 00:13:39,120

first person encounters

414

00:13:44,629 --> 00:13:42,240

we have many more to come very soon and

415

00:13:47,030 --> 00:13:44,639

by the way if you have a suggestion
