

ARCANE RADIO

Exploring the Unexplained

Nov. 20th, 2020

Your host

Lon Strickler

With guest

Steve Stockton

1
00:00:05,269 --> 00:00:04,470

[Music]

2
00:00:08,790 --> 00:00:05,279

the oldest

3
00:00:10,950 --> 00:00:08,800

and strongest human emotion is fear

4
00:00:11,910 --> 00:00:10,960

and the oldest and strongest type of

5
00:00:15,110 --> 00:00:11,920

fear

6
00:00:17,510 --> 00:00:15,120

is trepidation of the unknown

7
00:00:20,950 --> 00:00:17,520

when we were children our parents told

8
00:00:23,429 --> 00:00:20,960

us that monsters didn't exist

9
00:00:26,630 --> 00:00:23,439

but we were sure that something was

10
00:00:31,189 --> 00:00:26,640

lurking under the bed or in the closet

11
00:00:34,389 --> 00:00:31,199

fear sees even if our eyes are closed

12
00:00:36,470 --> 00:00:34,399

welcome to the realm of the arcane my

13
00:00:38,790 --> 00:00:36,480

name is lon stripler

14

00:00:39,910 --> 00:00:38,800

join me as i examine unexplained

15

00:00:42,830 --> 00:00:39,920

creatures

16

00:00:44,869 --> 00:00:42,840

strange manifestations of remarkable

17

00:00:47,910 --> 00:00:44,879

realities

18

00:00:50,470 --> 00:00:47,920

imagine this next hour as a voyage of

19

00:00:53,590 --> 00:00:50,480

discovery to strange lands

20

00:00:56,310 --> 00:00:53,600

seeking not for new territory but for

21

00:00:56,950 --> 00:00:56,320

new knowledge of the supernatural come

22

00:01:00,270 --> 00:00:56,960

on board

23

00:01:08,390 --> 00:01:00,280

as we begin this adventure together

24

00:01:12,789 --> 00:01:10,310

hey folks good evening and welcome to

25

00:01:15,190 --> 00:01:12,799

another episode of arcane radio

26
00:01:15,830 --> 00:01:15,200
where we explore the unexplained live on

27
00:01:18,630 --> 00:01:15,840
beyond

28
00:01:19,590 --> 00:01:18,640
explanation i'm your host lon strickler

29
00:01:23,109 --> 00:01:19,600
coming to you

30
00:01:25,990 --> 00:01:23,119
from the anomalous state of pennsylvania

31
00:01:27,670 --> 00:01:26,000
now uh before i start with my guest i

32
00:01:29,030 --> 00:01:27,680
want to mention something that came to

33
00:01:33,030 --> 00:01:29,040
me

34
00:01:36,149 --> 00:01:33,040
this week we had talked previously about

35
00:01:38,149 --> 00:01:36,159
a um a bigfoot sighting in

36
00:01:41,270 --> 00:01:38,159
bald eagle state park up in center

37
00:01:43,670 --> 00:01:41,280
county pennsylvania

38
00:01:46,149 --> 00:01:43,680

if anybody people that aren't familiar

39

00:01:49,030 --> 00:01:46,159

center county is actually

40

00:01:50,950 --> 00:01:49,040

the county where penn state is located

41

00:01:52,389 --> 00:01:50,960

in state college

42

00:01:54,230 --> 00:01:52,399

it's been an area where there's been a

43

00:01:57,670 --> 00:01:54,240

lot of activity and also

44

00:02:01,429 --> 00:01:57,680

upright canine activity as well so

45

00:02:04,149 --> 00:02:01,439

the the email i received was

46

00:02:07,190 --> 00:02:04,159

the witness stated i have a cabin on the

47

00:02:09,910 --> 00:02:07,200

outskirts of bald eagle state park

48

00:02:10,389 --> 00:02:09,920

and i've had a few odd experiences that

49

00:02:13,750 --> 00:02:10,399

i could

50

00:02:16,070 --> 00:02:13,760

consider your bigfoot i take my children

51
00:02:17,670 --> 00:02:16,080
hiking on an old logging trail on the

52
00:02:21,510 --> 00:02:17,680
outskirts of the park

53
00:02:23,350 --> 00:02:21,520
i made a list of the experiences below

54
00:02:24,790 --> 00:02:23,360
during the summer i crossed over a

55
00:02:26,790 --> 00:02:24,800
stream

56
00:02:29,110 --> 00:02:26,800
where i found a large footprint along

57
00:02:29,830 --> 00:02:29,120
the water the print was at least 14

58
00:02:33,030 --> 00:02:29,840
inches long

59
00:02:35,110 --> 00:02:33,040
seven inches wide and you can see

60
00:02:37,509 --> 00:02:35,120
clearly see the indents in the mud where

61
00:02:41,270 --> 00:02:37,519
the there were toes

62
00:02:44,710 --> 00:02:41,280
uh she had also sent a photograph of it

63
00:02:48,150 --> 00:02:44,720

uh one separate excursion we

64

00:02:48,869 --> 00:02:48,160

heard unusual vocalizations chattering

65

00:02:51,990 --> 00:02:48,879

noises

66

00:02:54,150 --> 00:02:52,000

like someone was trying to talk and

67

00:02:56,470 --> 00:02:54,160

creating their own language within that

68

00:02:58,470 --> 00:02:56,480

language were distinct sounds

69

00:03:01,670 --> 00:02:58,480

that were very human-like that day we

70

00:03:04,149 --> 00:03:01,680

were completely on the trail

71

00:03:05,350 --> 00:03:04,159

now uh in the winter my husband and i

72

00:03:08,790 --> 00:03:05,360

decided to walk

73

00:03:11,830 --> 00:03:08,800

down the trail to see if the streams

74

00:03:13,830 --> 00:03:11,840

on the trail were frozen over uh there

75

00:03:16,470 --> 00:03:13,840

were snow in the ground and i i know we

76

00:03:19,750 --> 00:03:16,480

were completely alone on the trail

77

00:03:21,750 --> 00:03:19,760

on the way back the car we uh

78

00:03:22,869 --> 00:03:21,760

back to the car we heard a distinctive

79

00:03:26,149 --> 00:03:22,879

whoop

80

00:03:27,270 --> 00:03:26,159

followed by some wood knocks um i made

81

00:03:30,390 --> 00:03:27,280

that noise back

82

00:03:32,390 --> 00:03:30,400

and heard another wood knock and then

83

00:03:34,229 --> 00:03:32,400

one night this fall

84

00:03:36,149 --> 00:03:34,239

we were in our cabin and opened the

85

00:03:38,229 --> 00:03:36,159

window because the fireplace had made

86

00:03:40,229 --> 00:03:38,239

their rooms too hot

87

00:03:42,070 --> 00:03:40,239

uh laying quietly in the bed we heard

88

00:03:44,149 --> 00:03:42,080

this loud yell

89

00:03:46,229 --> 00:03:44,159

that was too loud for a human to make

90

00:03:48,789 --> 00:03:46,239

but wasn't an animal

91

00:03:51,030 --> 00:03:48,799

after this yell all the coyotes started

92

00:03:54,229 --> 00:03:51,040

howling and barking

93

00:03:56,789 --> 00:03:54,239

and it was very strange and a bit scary

94

00:03:59,110 --> 00:03:56,799

the cabinet is less than a mile from

95

00:04:01,190 --> 00:03:59,120

where we had the initial experiences on

96

00:04:03,509 --> 00:04:01,200

the trail

97

00:04:04,390 --> 00:04:03,519

yeah that i i will state the other

98

00:04:07,350 --> 00:04:04,400

witness that

99

00:04:07,910 --> 00:04:07,360

that contacted me a month ago and

100

00:04:11,670 --> 00:04:07,920

actually

101
00:04:14,070 --> 00:04:11,680
seen this this bigfoot and um

102
00:04:15,910 --> 00:04:14,080
i have talked to a couple people since

103
00:04:19,430 --> 00:04:15,920
that time

104
00:04:21,830 --> 00:04:19,440
and uh there have been some sightings in

105
00:04:25,030 --> 00:04:21,840
the area so

106
00:04:27,189 --> 00:04:25,040
i'm going to have uh a couple of

107
00:04:28,150 --> 00:04:27,199
the investment investigators go out

108
00:04:33,590 --> 00:04:28,160
there

109
00:04:34,790 --> 00:04:33,600
soon and going to be taking some

110
00:04:38,310 --> 00:04:34,800
evidence see

111
00:04:39,189 --> 00:04:38,320
what he can find uh he's got a friend of

112
00:04:41,110 --> 00:04:39,199
his who

113
00:04:42,230 --> 00:04:41,120

actually i think has a cabin there as

114

00:04:44,469 --> 00:04:42,240

well

115

00:04:46,150 --> 00:04:44,479

uh sean is very close by he's up in

116

00:04:48,070 --> 00:04:46,160

williamsport

117

00:04:49,189 --> 00:04:48,080

and i don't know if butch is gonna make

118

00:04:51,749 --> 00:04:49,199

his trip up there

119

00:04:54,230 --> 00:04:51,759

as well so we get anything else and

120

00:04:56,870 --> 00:04:54,240

we'll let you know about it

121

00:04:58,150 --> 00:04:56,880

and i have it posted on the blog so

122

00:04:59,830 --> 00:04:58,160

tonight

123

00:05:02,150 --> 00:04:59,840

i welcome paranormal author and

124

00:05:03,670 --> 00:05:02,160

researcher steve stockton to arcane

125

00:05:06,150 --> 00:05:03,680

radio now steve

126
00:05:08,150 --> 00:05:06,160
is a veteran outdoorsman and paranormal

127
00:05:09,430 --> 00:05:08,160
researcher who puts together collections

128
00:05:12,790 --> 00:05:09,440
of terrifying

129
00:05:14,629 --> 00:05:12,800
odd and strange encounters he also

130
00:05:16,469 --> 00:05:14,639
references his own personal encounters

131
00:05:18,390 --> 00:05:16,479
with the unexplained

132
00:05:20,790 --> 00:05:18,400
steve studied english language at the

133
00:05:24,390 --> 00:05:20,800
university of tennessee knoxville

134
00:05:26,469 --> 00:05:24,400
and leaves and lives in portland oregon

135
00:05:29,270 --> 00:05:26,479
his books include strange things in the

136
00:05:31,510 --> 00:05:29,280
woods a collection of terrifying tales

137
00:05:33,510 --> 00:05:31,520
and my strange world from his early

138
00:05:35,270 --> 00:05:33,520

years steve has had

139

00:05:37,990 --> 00:05:35,280

what can be called strange and

140

00:05:41,029 --> 00:05:38,000

oftentimes frightening experiences

141

00:05:43,189 --> 00:05:41,039

with the paranormal one unexplained

142

00:05:45,510 --> 00:05:43,199

these encounters led him to search for

143

00:05:47,430 --> 00:05:45,520

answers only to discover the truth isn't

144

00:05:49,510 --> 00:05:47,440

always easy to find

145

00:05:51,350 --> 00:05:49,520

my experience world is a collection of

146

00:05:52,150 --> 00:05:51,360

steve's encounters from his personal

147

00:05:55,670 --> 00:05:52,160

life

148

00:05:58,469 --> 00:05:55,680

researcher

149

00:06:01,350 --> 00:05:58,479

so steve welcome to the show hey lon

150

00:06:04,550 --> 00:06:01,360

thanks for having me on glad to be here

151
00:06:07,590 --> 00:06:04,560
i um i'm interested

152
00:06:10,710 --> 00:06:07,600
to to know what

153
00:06:14,629 --> 00:06:10,720
started you on this what experiences

154
00:06:17,110 --> 00:06:14,639
experiences you've had and

155
00:06:18,790 --> 00:06:17,120
how did it you know how did it influence

156
00:06:21,350 --> 00:06:18,800
you to start

157
00:06:23,510 --> 00:06:21,360
looking into the phenomena yeah well it

158
00:06:26,390 --> 00:06:23,520
started when i was around six years old

159
00:06:27,670 --> 00:06:26,400
i saw my first ghost full body

160
00:06:29,990 --> 00:06:27,680
apparition

161
00:06:30,870 --> 00:06:30,000
and it didn't scare me as much as it you

162
00:06:32,150 --> 00:06:30,880
know like

163
00:06:33,430 --> 00:06:32,160

what was that you know i knew that

164

00:06:35,990 --> 00:06:33,440

wasn't supposed to happen i wasn't

165

00:06:37,830 --> 00:06:36,000

supposed to see things like that

166

00:06:39,510 --> 00:06:37,840

and that just kind of started me on a

167

00:06:41,430 --> 00:06:39,520

lifelong quest

168

00:06:47,189 --> 00:06:41,440

of looking into things that basically

169

00:06:53,670 --> 00:06:50,550

so how many experiences have you had uh

170

00:06:55,350 --> 00:06:53,680

dozens um really yeah it's

171

00:06:57,430 --> 00:06:55,360

one of those things i don't think that i

172

00:06:58,230 --> 00:06:57,440

necessarily chose the paranormal i think

173

00:07:01,350 --> 00:06:58,240

the paranormal

174

00:07:03,189 --> 00:07:01,360

chose me um i'm one of those people just

175

00:07:04,710 --> 00:07:03,199

about anywhere i go if there's any type

176

00:07:07,670 --> 00:07:04,720

of activity there i will have

177

00:07:09,110 --> 00:07:07,680

some sort of experience it's not always

178

00:07:11,830 --> 00:07:09,120

visual it can be uh

179

00:07:13,029 --> 00:07:11,840

auditory uh things like that or

180

00:07:15,350 --> 00:07:13,039

olfactory i've

181

00:07:16,870 --> 00:07:15,360

heard things smell things occasionally

182

00:07:18,950 --> 00:07:16,880

see things

183

00:07:20,870 --> 00:07:18,960

but uh i don't know just one of those

184

00:07:23,909 --> 00:07:20,880

things man i'm just i've gotten used to

185

00:07:27,110 --> 00:07:23,919

it and uh come to expect it

186

00:07:29,510 --> 00:07:27,120

um are you an intuitive or do you have

187

00:07:30,790 --> 00:07:29,520

abilities that allow you to sense spirit

188

00:07:33,749 --> 00:07:30,800

energy

189

00:07:36,070 --> 00:07:33,759

i i think so i like to think so

190

00:07:37,990 --> 00:07:36,080

according to my grandmother i do

191

00:07:40,710 --> 00:07:38,000

my grandmother was uh on my mother's

192

00:07:42,870 --> 00:07:40,720

side she was a self-styled gypsy witch

193

00:07:43,990 --> 00:07:42,880

she told fortunes and red tea leaves

194

00:07:47,589 --> 00:07:44,000

coffee grounds animal

195

00:07:49,350 --> 00:07:47,599

entrails the whole bit they were

196

00:07:51,749 --> 00:07:49,360

active in the spiritualism movement from

197

00:07:54,469 --> 00:07:51,759

around the turn of the last century

198

00:07:55,189 --> 00:07:54,479

and they held seances and did table

199

00:07:58,309 --> 00:07:55,199

tippings

200

00:08:00,950 --> 00:07:58,319

or tappings and the whole nine yards

201
00:08:03,110 --> 00:08:00,960
ouija board so i grew up around it

202
00:08:04,950 --> 00:08:03,120
and according to her she was present at

203
00:08:06,390 --> 00:08:04,960
my birth i was born with a call over my

204
00:08:07,589 --> 00:08:06,400
face which is just

205
00:08:09,670 --> 00:08:07,599
it's the after birth part of the

206
00:08:11,830 --> 00:08:09,680
amniotic sac that doesn't

207
00:08:14,070 --> 00:08:11,840
doesn't come away but in her southern

208
00:08:16,710 --> 00:08:14,080
appalachian superstitious mind

209
00:08:18,150 --> 00:08:16,720
that marked me as a special child and

210
00:08:19,270 --> 00:08:18,160
that was one of the things that i was

211
00:08:21,110 --> 00:08:19,280
supposed to

212
00:08:22,950 --> 00:08:21,120
well traits or gifts that i had with

213
00:08:25,029 --> 00:08:22,960

second sight intuition

214

00:08:27,029 --> 00:08:25,039

things like that so according to her

215

00:08:31,110 --> 00:08:27,039

there you go

216

00:08:33,670 --> 00:08:31,120

um are you from uh eastern tennessee

217

00:08:34,630 --> 00:08:33,680

yeah grew up in the knoxville oak ridge

218

00:08:37,670 --> 00:08:34,640

area

219

00:08:40,709 --> 00:08:37,680

yeah i have family down in western north

220

00:08:43,589 --> 00:08:40,719

carolina around roon mountain and uh

221

00:08:44,550 --> 00:08:43,599

i'm kind of familiar with the uh the

222

00:08:48,070 --> 00:08:44,560

appalachian

223

00:08:49,590 --> 00:08:48,080

folklore and folk magic and such and

224

00:08:52,150 --> 00:08:49,600

i was actually raised here in

225

00:08:54,310 --> 00:08:52,160

pennsylvania and uh

226

00:08:55,269 --> 00:08:54,320

i was introduced to pow wowing a long

227

00:08:56,710 --> 00:08:55,279

time ago because

228

00:08:58,949 --> 00:08:56,720

i've had family members that were

229

00:09:00,150 --> 00:08:58,959

involved with it so it's kind of the

230

00:09:02,790 --> 00:09:00,160

same thing if you

231

00:09:04,710 --> 00:09:02,800

actually put the two together yeah so

232

00:09:05,350 --> 00:09:04,720

even though she called herself a gypsy

233

00:09:06,790 --> 00:09:05,360

witch

234

00:09:08,870 --> 00:09:06,800

in appalachia it's really known as a

235

00:09:10,710 --> 00:09:08,880

granny witch that's right they call them

236

00:09:13,750 --> 00:09:10,720

they made potions and spells

237

00:09:16,070 --> 00:09:13,760

and uh herb concoctions

238

00:09:17,990 --> 00:09:16,080

and things but uh yeah i'm familiar with

239

00:09:19,750 --> 00:09:18,000

roan mountain too that's uh

240

00:09:21,990 --> 00:09:19,760

interesting place there you've got

241

00:09:24,310 --> 00:09:22,000

fiddler's rock you've got the jingling

242

00:09:26,070 --> 00:09:24,320

hole not too far from there over in

243

00:09:29,750 --> 00:09:26,080

mountain city

244

00:09:31,269 --> 00:09:29,760

um there's uh a cave up there on road

245

00:09:32,870 --> 00:09:31,279

mountain that i've heard about i've

246

00:09:33,269 --> 00:09:32,880

never been able to find it but according

247

00:09:35,430 --> 00:09:33,279

to

248

00:09:38,070 --> 00:09:35,440

somebody i know that went there and he

249

00:09:41,990 --> 00:09:38,080

saw a spider as big as a house cat

250

00:09:45,030 --> 00:09:42,000

wow an interesting area

251

00:09:45,910 --> 00:09:45,040

yeah it is i heard stories ever since i

252

00:09:48,630 --> 00:09:45,920

was a kid

253

00:09:49,269 --> 00:09:48,640

i had an um well all my grandmother's

254

00:09:52,630 --> 00:09:49,279

family

255

00:09:52,949 --> 00:09:52,640

was born and raised there uh an area

256

00:09:54,630 --> 00:09:52,959

called

257

00:09:57,269 --> 00:09:54,640

building i don't know if you're familiar

258

00:10:00,949 --> 00:09:57,279

with the town in the area

259

00:10:04,150 --> 00:10:00,959

but uh everybody moved back

260

00:10:04,949 --> 00:10:04,160

up north and he stayed there uh michael

261

00:10:08,230 --> 00:10:04,959

george

262

00:10:11,590 --> 00:10:08,240

stayed there and started a farm and he

263

00:10:13,670 --> 00:10:11,600

actually had us still up on the mountain

264

00:10:15,910 --> 00:10:13,680

and he used to tell me to talk about

265

00:10:18,949 --> 00:10:15,920

this bigfoot would come through there

266

00:10:20,630 --> 00:10:18,959

and terry's still up you know

267

00:10:21,990 --> 00:10:20,640

he didn't call it a bigfoot back then

268

00:10:23,590 --> 00:10:22,000

but you know he said that

269

00:10:26,790 --> 00:10:23,600

the hairy man would come in there and

270

00:10:28,870 --> 00:10:26,800

start tearing up you still

271

00:10:31,590 --> 00:10:28,880

yeah he always talked about that and you

272

00:10:33,509 --> 00:10:31,600

know me being young i don't know

273

00:10:34,630 --> 00:10:33,519

really understand what he was saying but

274

00:10:36,550 --> 00:10:34,640

uh

275

00:10:38,870 --> 00:10:36,560

you know as years have gone by i've kind

276

00:10:41,910 --> 00:10:38,880

of interpreted as being a bigfoot

277

00:10:43,750 --> 00:10:41,920

yeah and that's uh my that side of the

278

00:10:45,670 --> 00:10:43,760

family they're from

279

00:10:47,030 --> 00:10:45,680

eastern tennessee they're in the smokies

280

00:10:49,750 --> 00:10:47,040

caedes cove area

281

00:10:51,269 --> 00:10:49,760

in particular and there they had tails

282

00:10:53,670 --> 00:10:51,279

going back

283

00:10:55,670 --> 00:10:53,680

at least into the 1800s of wild hairy

284

00:10:58,829 --> 00:10:55,680

men that lived in the forest and

285

00:11:00,230 --> 00:10:58,839

the cherokee also talked about oh yeah

286

00:11:06,550 --> 00:11:00,240

yeah

287

00:11:08,550 --> 00:11:06,560

uh born and raised on the reservation at

288

00:11:10,069 --> 00:11:08,560

cherokee and uh

289

00:11:12,069 --> 00:11:10,079

yeah i mean there's a lot of tales that

290

00:11:13,430 --> 00:11:12,079

come out of that area it really is it's

291

00:11:16,790 --> 00:11:13,440

amazing

292

00:11:18,710 --> 00:11:16,800

but uh you know i'll be honest with you

293

00:11:19,990 --> 00:11:18,720

the other the other kids in the family

294

00:11:20,790 --> 00:11:20,000

and my grandmother's brothers and

295

00:11:22,630 --> 00:11:20,800

sisters

296

00:11:23,910 --> 00:11:22,640

they really didn't like talk about it a

297

00:11:25,990 --> 00:11:23,920

lot now

298

00:11:27,350 --> 00:11:26,000

i don't know what all they experienced i

299

00:11:30,310 --> 00:11:27,360

i was talking to seth

300

00:11:32,069 --> 00:11:30,320

reid love the other day and he i was

301
00:11:35,110 --> 00:11:32,079
telling him

302
00:11:36,069 --> 00:11:35,120
that uh you know he's got this this new

303
00:11:39,190 --> 00:11:36,079
uh

304
00:11:42,470 --> 00:11:39,200
the bell witch film coming out and

305
00:11:44,550 --> 00:11:42,480
uh i was telling him i had a great aunt

306
00:11:46,870 --> 00:11:44,560
who experienced a lot

307
00:11:48,069 --> 00:11:46,880
of what uh elizabeth bell had

308
00:11:50,870 --> 00:11:48,079
experienced

309
00:11:52,870 --> 00:11:50,880
something similar to that you know so a

310
00:11:54,710 --> 00:11:52,880
lot of those kids had seen that and

311
00:11:57,590 --> 00:11:54,720
experienced it

312
00:11:58,470 --> 00:11:57,600
uh in their home back in the euro in

313
00:12:01,590 --> 00:11:58,480

1900

314

00:12:02,550 --> 00:12:01,600

so um it kind of hit home when i when i

315

00:12:05,110 --> 00:12:02,560

saw it so

316

00:12:07,350 --> 00:12:05,120

uh it's an interesting story but you

317

00:12:10,150 --> 00:12:07,360

know it's southern folklore you know you

318

00:12:10,470 --> 00:12:10,160

kind of you know you see it you know

319

00:12:14,230 --> 00:12:10,480

come

320

00:12:17,750 --> 00:12:14,240

uh but uh

321

00:12:19,590 --> 00:12:17,760

yeah i think it was uh you know i can

322

00:12:21,509 --> 00:12:19,600

i'm pretty interested to see what you've

323

00:12:24,150 --> 00:12:21,519

experienced as well can you kind of go

324

00:12:27,190 --> 00:12:24,160

into a little more detail uh

325

00:12:30,069 --> 00:12:27,200

well i'll just kind of start

326

00:12:31,990 --> 00:12:30,079

backwards and then and work forward um

327

00:12:32,870 --> 00:12:32,000

not too long after i saw the full-body

328

00:12:34,629 --> 00:12:32,880

apparition

329

00:12:35,910 --> 00:12:34,639

i hadn't encountered again it was on our

330

00:12:38,310 --> 00:12:35,920

property we lived down in

331

00:12:39,190 --> 00:12:38,320

west knox county it was rural or

332

00:12:40,870 --> 00:12:39,200

semi-rural

333

00:12:42,870 --> 00:12:40,880

at that time about two years later i

334

00:12:45,430 --> 00:12:42,880

would have been around eight

335

00:12:47,509 --> 00:12:45,440

and something chased me in the woods

336

00:12:49,350 --> 00:12:47,519

that i wasn't able to see

337

00:12:51,430 --> 00:12:49,360

i could see the effect it was having it

338

00:12:53,430 --> 00:12:51,440

was running and kicking leaves up i

339

00:12:55,190 --> 00:12:53,440

could see the branches and small trees

340

00:12:57,030 --> 00:12:55,200

being bent back out of the way

341

00:13:00,069 --> 00:12:57,040

but long there was absolutely nothing

342

00:13:02,949 --> 00:13:00,079

there scared the daylights out of me

343

00:13:05,110 --> 00:13:02,959

i was within oh a couple hundred yards

344

00:13:06,069 --> 00:13:05,120

of home but i was in the woods we had 26

345

00:13:08,790 --> 00:13:06,079

acres

346

00:13:09,990 --> 00:13:08,800

and only about five of it cleared off i

347

00:13:11,269 --> 00:13:10,000

ran back down the hill

348

00:13:12,949 --> 00:13:11,279

screaming and hollering making a big

349

00:13:13,990 --> 00:13:12,959

commotion my mom heard me came out on

350

00:13:16,550 --> 00:13:14,000

the back porch to

351

00:13:19,269 --> 00:13:16,560

see what was going on i went past her

352

00:13:22,710 --> 00:13:19,279

went inside and hid under the bed

353

00:13:24,230 --> 00:13:22,720

and my dad and brother got home from

354

00:13:26,150 --> 00:13:24,240

work they went up there and

355

00:13:27,269 --> 00:13:26,160

looked and they could see you know where

356

00:13:30,389 --> 00:13:27,279

something had ran

357

00:13:32,470 --> 00:13:30,399

and the trees were broken and bent and

358

00:13:34,389 --> 00:13:32,480

they would name off what was it a bear

359

00:13:34,790 --> 00:13:34,399

was it a dog was it you know this that

360

00:13:36,550 --> 00:13:34,800

you know

361

00:13:39,750 --> 00:13:36,560

no i couldn't see it i don't know what

362

00:13:43,110 --> 00:13:39,760

it was other than it was chasing me

363

00:13:43,990 --> 00:13:43,120

and uh kind of forgot about that and

364

00:13:46,389 --> 00:13:44,000

stayed out of that

365

00:13:48,470 --> 00:13:46,399

part of the woods for a long time well

366

00:13:49,590 --> 00:13:48,480

flash forward a few years later i'm 15

367

00:13:51,110 --> 00:13:49,600

years old we're getting ready to move

368

00:13:53,590 --> 00:13:51,120

from there we bought

369

00:13:54,949 --> 00:13:53,600

a house a few miles farther up the road

370

00:13:57,590 --> 00:13:54,959

had one built

371

00:13:59,030 --> 00:13:57,600

and i was just kind of out messing

372

00:14:00,550 --> 00:13:59,040

around in the woods you know taking a

373

00:14:02,710 --> 00:14:00,560

look around at some of my

374

00:14:04,389 --> 00:14:02,720

old haunts knowing that i'd probably

375

00:14:06,710 --> 00:14:04,399

never see it again at least not under

376

00:14:08,389 --> 00:14:06,720

those circumstances and i wandered back

377

00:14:10,230 --> 00:14:08,399

up to where that ditch was i stood there

378

00:14:11,990 --> 00:14:10,240

and i looked down in the ditch

379

00:14:13,910 --> 00:14:12,000

and i was thinking what that was that

380

00:14:15,750 --> 00:14:13,920

scared me when i was a kid you know that

381

00:14:18,389 --> 00:14:15,760

was that was weird

382

00:14:20,069 --> 00:14:18,399

and i turned to walk away sure enough i

383

00:14:23,829 --> 00:14:20,079

hear something in the leaves again

384

00:14:25,750 --> 00:14:23,839

i whip back around and look same thing

385

00:14:28,069 --> 00:14:25,760

seven years later it comes up out of the

386

00:14:29,829 --> 00:14:28,079

ditch it's coming straight for me

387

00:14:32,069 --> 00:14:29,839

can't see it but i can see the effects

388

00:14:33,750 --> 00:14:32,079

it's having on the woods around it

389

00:14:34,949 --> 00:14:33,760

and uh i didn't run screaming and crying

390

00:14:35,509 --> 00:14:34,959

down the hill that time and i didn't

391

00:14:40,230 --> 00:14:35,519

waste

392

00:14:43,430 --> 00:14:40,240

any time getting out of there and uh

393

00:14:45,189 --> 00:14:43,440

years after that i was at a party with

394

00:14:47,430 --> 00:14:45,199

uh one of those where

395

00:14:49,189 --> 00:14:47,440

i'd gone to a party with somebody that i

396

00:14:50,710 --> 00:14:49,199

knew only from work and just

397

00:14:52,870 --> 00:14:50,720

after work like hey come to this party

398

00:14:55,430 --> 00:14:52,880

with me so i went didn't know him that

399

00:14:56,949 --> 00:14:55,440

well didn't know anybody else there

400

00:14:58,310 --> 00:14:56,959

and some of the girls in attendance had

401
00:14:59,350 --> 00:14:58,320
pulled the ouija board out from under

402
00:15:00,790 --> 00:14:59,360
the couch

403
00:15:02,870 --> 00:15:00,800
and they were going around the room

404
00:15:04,550 --> 00:15:02,880
asking questions when they got to me i

405
00:15:06,069 --> 00:15:04,560
thought i've got a good one for you

406
00:15:08,069 --> 00:15:06,079
and the only thing i said was what

407
00:15:10,389 --> 00:15:08,079
scared me when i was a kid

408
00:15:11,350 --> 00:15:10,399
with that in my mind and i didn't didn't

409
00:15:13,030 --> 00:15:11,360
give any more

410
00:15:14,790 --> 00:15:13,040
any more information i'd never seen

411
00:15:16,710 --> 00:15:14,800
those people before didn't know the guy

412
00:15:22,750 --> 00:15:16,720
that i was with him

413
00:15:26,790 --> 00:15:24,069

w-a-t-e-r-s-p-r-i-t-e

414

00:15:27,750 --> 00:15:26,800

water sprite and they looked at me like

415

00:15:28,949 --> 00:15:27,760

why didn't i'm just

416

00:15:30,470 --> 00:15:28,959

kind of shrugging my shoulders and

417

00:15:32,230 --> 00:15:30,480

they're like well maybe it's thirsty

418

00:15:34,629 --> 00:15:32,240

once a drink or something

419

00:15:36,550 --> 00:15:34,639

the next day i went to the library and

420

00:15:38,230 --> 00:15:36,560

had the day off

421

00:15:40,069 --> 00:15:38,240

and went to the reference library and i

422

00:15:43,430 --> 00:15:40,079

said what can you tell me about a water

423

00:15:45,430 --> 00:15:43,440

sprite and then she came back in a few

424

00:15:47,829 --> 00:15:45,440

minutes and had a book and it's

425

00:15:49,269 --> 00:15:47,839

an elemental type creature there's a

426

00:15:50,629 --> 00:15:49,279

couple different types there's one that

427

00:15:53,749 --> 00:15:50,639

protects the woods

428

00:15:55,990 --> 00:15:53,759

which is a dryad and then one that uh is

429

00:15:57,749 --> 00:15:56,000

around water called a nyad

430

00:16:00,150 --> 00:15:57,759

and the strange thing about that the

431

00:16:01,350 --> 00:16:00,160

area of our property where that was not

432

00:16:03,350 --> 00:16:01,360

more than

433

00:16:05,189 --> 00:16:03,360

a few hundred feet away there were seven

434

00:16:06,150 --> 00:16:05,199

natural springs that came out of the

435

00:16:08,150 --> 00:16:06,160

hillsides

436

00:16:11,030 --> 00:16:08,160

flowed into one which went into the lake

437

00:16:13,030 --> 00:16:11,040

about a quarter mile the way

438

00:16:15,590 --> 00:16:13,040

so according to the ouija board there

439

00:16:17,350 --> 00:16:15,600

was some sort of fey or elemental

440

00:16:19,030 --> 00:16:17,360

that i'd encountered and that makes as

441

00:16:19,430 --> 00:16:19,040

much sense as anything else i've heard

442

00:16:20,710 --> 00:16:19,440

because

443

00:16:24,710 --> 00:16:20,720

whatever it was i couldn't see it but it

444

00:16:28,069 --> 00:16:26,790

wow that's an interesting story i don't

445

00:16:30,949 --> 00:16:28,079

know

446

00:16:32,870 --> 00:16:30,959

anything like that in particular i

447

00:16:34,470 --> 00:16:32,880

probably have but i just you know

448

00:16:35,990 --> 00:16:34,480

i get a lot of different things but

449

00:16:40,150 --> 00:16:36,000

that's interesting

450

00:16:42,069 --> 00:16:40,160

um anything else if you experienced

451
00:16:43,509 --> 00:16:42,079
well we were talking about cherokee and

452
00:16:46,470 --> 00:16:43,519
cherokee legends and myths

453
00:16:48,150 --> 00:16:46,480
and um i've had some some cherokee

454
00:16:50,069 --> 00:16:48,160
people chide me before like you don't

455
00:16:50,870 --> 00:16:50,079
talk about those things you'll draw them

456
00:16:52,870 --> 00:16:50,880
to you

457
00:16:54,790 --> 00:16:52,880
yeah and they fiercely believe that

458
00:16:56,550 --> 00:16:54,800
especially some of the elders and i'm

459
00:16:58,150 --> 00:16:56,560
cherokee on my dad's side his

460
00:17:02,550 --> 00:16:58,160
grandmother was full

461
00:17:06,069 --> 00:17:04,470
i was over at a friend's house that

462
00:17:08,710 --> 00:17:06,079
lived close by this i would have been

463
00:17:11,110 --> 00:17:08,720

about 11 or 12 at this time

464

00:17:12,630 --> 00:17:11,120

and they lived way way back out in the

465

00:17:14,309 --> 00:17:12,640

woods their driveway was

466

00:17:15,750 --> 00:17:14,319

over a mile long they liked their

467

00:17:17,429 --> 00:17:15,760

privacy

468

00:17:19,110 --> 00:17:17,439

and we were about halfway down the

469

00:17:19,990 --> 00:17:19,120

driveway there was an old shale pit

470

00:17:23,110 --> 00:17:20,000

there

471

00:17:26,230 --> 00:17:23,120

building

472

00:17:28,630 --> 00:17:26,240

a little shack a farm

473

00:17:29,510 --> 00:17:28,640

building that was falling down one very

474

00:17:31,110 --> 00:17:29,520

big

475

00:17:32,710 --> 00:17:31,120

but we're down there in the shell pit

476
00:17:34,710 --> 00:17:32,720
just messing around and about the same

477
00:17:37,669 --> 00:17:34,720
time we both looked up

478
00:17:39,270 --> 00:17:37,679
and there was something looking at us

479
00:17:40,710 --> 00:17:39,280
out the window of this thing and it was

480
00:17:43,350 --> 00:17:40,720
falling down to the point that i don't

481
00:17:46,630 --> 00:17:43,360
think a person could have gotten in it

482
00:17:48,390 --> 00:17:46,640
it resembled a horse except both eyes

483
00:17:49,750 --> 00:17:48,400
were on the front of its head these huge

484
00:17:52,789 --> 00:17:49,760
eyes and it had

485
00:17:55,590 --> 00:17:52,799
sharp teeth unlike the flat teeth that

486
00:17:57,510 --> 00:17:55,600
horses had we both saw it

487
00:18:00,310 --> 00:17:57,520
scared the daylights out of both of us

488
00:18:02,789 --> 00:18:00,320

we tore back up the driveway and

489

00:18:04,230 --> 00:18:02,799

his dad who was a full cherokee he

490

00:18:05,990 --> 00:18:04,240

listened to us for a while he's like

491

00:18:07,669 --> 00:18:06,000

okay this is nonsense i'm going to go

492

00:18:09,909 --> 00:18:07,679

down there and see

493

00:18:11,350 --> 00:18:09,919

took a shotgun went back down the road

494

00:18:13,510 --> 00:18:11,360

of course we stayed at the house we

495

00:18:15,029 --> 00:18:13,520

didn't want anything else to do with it

496

00:18:17,270 --> 00:18:15,039

but we kept waiting and we were

497

00:18:18,950 --> 00:18:17,280

listening for a shotgun blast or

498

00:18:21,029 --> 00:18:18,960

yelling or something didn't hear

499

00:18:22,789 --> 00:18:21,039

anything a few minutes later he comes

500

00:18:24,070 --> 00:18:22,799

walking back up the hill shotgun over

501
00:18:26,470 --> 00:18:24,080
his shoulder

502
00:18:27,590 --> 00:18:26,480
and he just he had a real concerned look

503
00:18:29,990 --> 00:18:27,600
on his face and

504
00:18:31,430 --> 00:18:30,000
he never would tell us if he saw

505
00:18:33,990 --> 00:18:31,440
anything or not but he made us

506
00:18:34,950 --> 00:18:34,000
swear i mean he was adamant that we not

507
00:18:36,549 --> 00:18:34,960
that we would never

508
00:18:38,789 --> 00:18:36,559
go back down there and play around that

509
00:18:41,510 --> 00:18:38,799
area and we didn't

510
00:18:41,990 --> 00:18:41,520
and to this day i've never been back and

511
00:18:43,990 --> 00:18:42,000
my friend

512
00:18:45,750 --> 00:18:44,000
told me a few weeks later that his dad

513
00:18:47,590 --> 00:18:45,760

pulled that shack down into the shell

514

00:18:49,830 --> 00:18:47,600

pit and burned it down

515

00:18:52,630 --> 00:18:49,840

so knowing what i know now i think it

516

00:18:54,310 --> 00:18:52,640

was some sort of a windigo or skinwalker

517

00:18:55,990 --> 00:18:54,320

or something like that just from the way

518

00:18:59,190 --> 00:18:56,000

it looked

519

00:19:00,950 --> 00:18:59,200

you know and i think his dad being

520

00:19:02,710 --> 00:19:00,960

cherokee knew what it was and

521

00:19:04,710 --> 00:19:02,720

and knew that we needed to stay out of

522

00:19:06,630 --> 00:19:04,720

there and i think sometimes that happens

523

00:19:08,150 --> 00:19:06,640

you see things that are actually

524

00:19:10,230 --> 00:19:08,160

meant for other people and that's what

525

00:19:10,549 --> 00:19:10,240

my granny used to tell me cause i'd

526
00:19:12,870 --> 00:19:10,559
share

527
00:19:14,230 --> 00:19:12,880
her with her some of the things that i'd

528
00:19:14,630 --> 00:19:14,240
seen her experience and she said well

529
00:19:20,390 --> 00:19:14,640
some

530
00:19:24,630 --> 00:19:20,400
and you just happen to see them too

531
00:19:25,110 --> 00:19:24,640
so there you go i think that does happen

532
00:19:28,230 --> 00:19:25,120
a lot

533
00:19:31,669 --> 00:19:28,240
um you know once a person

534
00:19:33,190 --> 00:19:31,679
reports uh seeing some type of cryptid

535
00:19:35,669 --> 00:19:33,200
or such

536
00:19:36,310 --> 00:19:35,679
uh i think in a lot of instances that

537
00:19:38,630 --> 00:19:36,320
person

538
00:19:39,830 --> 00:19:38,640

was inclined to actually see it and

539

00:19:43,270 --> 00:19:39,840

others weren't

540

00:19:44,950 --> 00:19:43,280

you know i think that i think that is

541

00:19:46,310 --> 00:19:44,960

something that may happen in a lot of

542

00:19:48,789 --> 00:19:46,320

cryptid reports

543

00:19:50,230 --> 00:19:48,799

even bigfoot and you know upright

544

00:19:52,310 --> 00:19:50,240

canines and such

545

00:19:54,150 --> 00:19:52,320

i think some people are inclined to see

546

00:19:57,510 --> 00:19:54,160

it in others or not

547

00:20:00,470 --> 00:19:57,520

i i can't really prove that but uh

548

00:20:02,549 --> 00:20:00,480

i i think that does happen i feel the

549

00:20:04,549 --> 00:20:02,559

same way especially some of the one-offs

550

00:20:06,630 --> 00:20:04,559

like the dover demon or the flatwoods

551

00:20:08,390 --> 00:20:06,640

monster things like that where it just

552

00:20:10,470 --> 00:20:08,400

shows up one time to

553

00:20:12,310 --> 00:20:10,480

one or a small group of people and then

554

00:20:15,830 --> 00:20:12,320

it's never seen it hurt from again

555

00:20:17,110 --> 00:20:15,840

yeah yeah yeah i think that's entirely

556

00:20:21,190 --> 00:20:17,120

possible

557

00:20:22,789 --> 00:20:21,200

um so you know you're from that area

558

00:20:24,549 --> 00:20:22,799

in the appalachians what are your

559

00:20:27,909 --> 00:20:24,559

thoughts on bigfoot

560

00:20:31,270 --> 00:20:27,919

and uh other types of uh

561

00:20:34,230 --> 00:20:31,280

cryptids like these dog man and such

562

00:20:36,470 --> 00:20:34,240

well i don't really know that much about

563

00:20:38,310 --> 00:20:36,480

dog man i've never encountered

564

00:20:39,750 --> 00:20:38,320

one of those that i'm aware of i've

565

00:20:41,909 --> 00:20:39,760

heard some things in the woods that i

566

00:20:44,950 --> 00:20:41,919

always attributed to bigfoot

567

00:20:47,430 --> 00:20:44,960

but um there

568

00:20:49,110 --> 00:20:47,440

there's something there i don't know as

569

00:20:51,270 --> 00:20:49,120

far as to the origin of it if it's a

570

00:20:55,190 --> 00:20:51,280

species that's unknown to us

571

00:20:57,029 --> 00:20:55,200

if it's something supernatural if it's

572

00:20:59,430 --> 00:20:57,039

from another dimension but there's

573

00:21:01,669 --> 00:20:59,440

definitely something out there i've had

574

00:21:02,470 --> 00:21:01,679

i've never had an actual sighting but

575

00:21:05,430 --> 00:21:02,480

i've heard them

576

00:21:06,710 --> 00:21:05,440

i've smelled them once in the the

577

00:21:09,590 --> 00:21:06,720

jefferson

578

00:21:10,710 --> 00:21:09,600

national forest up in virginia i'd heard

579

00:21:13,190 --> 00:21:10,720

the tree knocks and

580

00:21:13,750 --> 00:21:13,200

yips and whoops and things and then i

581

00:21:14,950 --> 00:21:13,760

started

582

00:21:17,590 --> 00:21:14,960

and it's about two o'clock in the

583

00:21:19,350 --> 00:21:17,600

morning i like to night hike or used to

584

00:21:21,669 --> 00:21:19,360

i started getting pelted with river

585

00:21:24,230 --> 00:21:21,679

rocks little frown little round flat

586

00:21:24,950 --> 00:21:24,240

river rocks and they were just coming

587

00:21:27,830 --> 00:21:24,960

out of the woods

588

00:21:29,430 --> 00:21:27,840

in different directions and i didn't

589

00:21:31,590 --> 00:21:29,440

really even feel them hitting me i just

590

00:21:33,590 --> 00:21:31,600

i heard them hitting the ground

591

00:21:35,350 --> 00:21:33,600

and i thought okay i'm somewhere where i

592

00:21:35,990 --> 00:21:35,360

don't need to be and i got out of there

593

00:21:38,390 --> 00:21:36,000

but

594

00:21:39,430 --> 00:21:38,400

that just based on other accounts and

595

00:21:43,990 --> 00:21:39,440

things i think that was

596

00:21:46,070 --> 00:21:44,000

some sort of bigfoot encounter

597

00:21:47,669 --> 00:21:46,080

yeah i know a lot of people who didn't

598

00:21:50,549 --> 00:21:47,679

see whatever it was but

599

00:21:52,310 --> 00:21:50,559

they you know that seems to be the uh

600

00:21:56,310 --> 00:21:52,320

standard operation

601
00:21:58,310 --> 00:21:56,320
stopper mo of these uh of these bigfoot

602
00:22:00,390 --> 00:21:58,320
throwing either pine cones or small

603
00:22:02,870 --> 00:22:00,400
little rocks and such

604
00:22:04,390 --> 00:22:02,880
uh you know and i've talked to countless

605
00:22:07,430 --> 00:22:04,400
people who've experienced that

606
00:22:09,270 --> 00:22:07,440
it's uh though they didn't see anything

607
00:22:12,390 --> 00:22:09,280
you know it was coming out of the woods

608
00:22:15,510 --> 00:22:12,400
you know you mentioned the uh that that

609
00:22:17,750 --> 00:22:15,520
previous account with the uh a possible

610
00:22:19,350 --> 00:22:17,760
wendigo or maybe a skin walker you know

611
00:22:23,029 --> 00:22:19,360
i do believe

612
00:22:25,430 --> 00:22:23,039
that mostly indigenous tribes have that

613
00:22:27,190 --> 00:22:25,440

have something very similar to that in

614

00:22:29,270 --> 00:22:27,200

either their floor

615

00:22:31,909 --> 00:22:29,280

or part of their religion of course the

616

00:22:34,470 --> 00:22:31,919

skin walker

617

00:22:36,710 --> 00:22:34,480

basically is you know if you're talking

618

00:22:40,630 --> 00:22:36,720

about the navajo culture

619

00:22:41,750 --> 00:22:40,640

uh some a witch that kind of transforms

620

00:22:44,870 --> 00:22:41,760

or

621

00:22:47,830 --> 00:22:44,880

shapeshifts into another being and

622

00:22:49,909 --> 00:22:47,840

uh you're right i i have heard a lot of

623

00:22:53,590 --> 00:22:49,919

weird stories up and down the

624

00:22:55,190 --> 00:22:53,600

appalachia and uh

625

00:22:56,630 --> 00:22:55,200

you know i i think there is some

626
00:22:59,669 --> 00:22:56,640
indigenous

627
00:23:02,310 --> 00:22:59,679
affiliation cherokee in particular

628
00:23:02,710 --> 00:23:02,320
even some of the shawnee and such i've

629
00:23:06,070 --> 00:23:02,720
heard

630
00:23:07,830 --> 00:23:06,080
over the years i think they all have it

631
00:23:09,750 --> 00:23:07,840
i mean you know i think the beliefs kind

632
00:23:12,070 --> 00:23:09,760
of are very slimmer

633
00:23:13,990 --> 00:23:12,080
through all these groups yeah it's there

634
00:23:14,630 --> 00:23:14,000
and it's that's the unusual and

635
00:23:16,870 --> 00:23:14,640
interesting

636
00:23:18,710 --> 00:23:16,880
to me part about it is you can have a

637
00:23:20,549 --> 00:23:18,720
tribe on the other side of the country

638
00:23:22,630 --> 00:23:20,559

and they have a lot of the same stories

639

00:23:25,430 --> 00:23:22,640

a lot of the similar

640

00:23:27,430 --> 00:23:25,440

uh legends and tales um like you

641

00:23:29,029 --> 00:23:27,440

mentioned the navajo

642

00:23:31,029 --> 00:23:29,039

i can't remember the name of the tribes

643

00:23:32,710 --> 00:23:31,039

but around the mount shasta area in

644

00:23:34,710 --> 00:23:32,720

california

645

00:23:36,470 --> 00:23:34,720

they have uh creatures they talk about

646

00:23:38,070 --> 00:23:36,480

that are made of rock

647

00:23:39,669 --> 00:23:38,080

and they can open up and swallow people

648

00:23:41,190 --> 00:23:39,679

and then close back

649

00:23:43,110 --> 00:23:41,200

and you also have a lot of

650

00:23:45,350 --> 00:23:43,120

disappearances in that area

651
00:23:46,630 --> 00:23:45,360
same with crater lake here in southern

652
00:23:49,510 --> 00:23:46,640
oregon

653
00:23:49,990 --> 00:23:49,520
and then yeah back east a cherokee and

654
00:23:51,590 --> 00:23:50,000
i'm more

655
00:23:53,029 --> 00:23:51,600
familiar with that just because of the

656
00:23:55,750 --> 00:23:53,039
family connections

657
00:23:56,549 --> 00:23:55,760
but they have a legend for everything

658
00:23:58,149 --> 00:23:56,559
there's uh

659
00:24:00,149 --> 00:23:58,159
they have the little people there in the

660
00:24:01,430 --> 00:24:00,159
smokies the pukwudgie or whatever you

661
00:24:04,070 --> 00:24:01,440
want to call them

662
00:24:05,110 --> 00:24:04,080
um and they consider those uh they

663
00:24:08,070 --> 00:24:05,120

talked about

664

00:24:09,430 --> 00:24:08,080

being the blessed ones or a special race

665

00:24:11,110 --> 00:24:09,440

of people but they

666

00:24:12,630 --> 00:24:11,120

still avoided them and didn't didn't

667

00:24:13,750 --> 00:24:12,640

want to make any trouble with them and

668

00:24:16,789 --> 00:24:13,760

then you've got

669

00:24:20,070 --> 00:24:16,799

legends like spearfinger which was kind

670

00:24:22,549 --> 00:24:20,080

of a skinwalker type thing she was uh

671

00:24:23,350 --> 00:24:22,559

could appear as anybody but often

672

00:24:25,830 --> 00:24:23,360

appeared as a

673

00:24:27,990 --> 00:24:25,840

grandmotherly old lady that was lost in

674

00:24:30,789 --> 00:24:28,000

the woods and wanted you to help her

675

00:24:32,789 --> 00:24:30,799

on her way home and then she had a piece

676
00:24:34,310 --> 00:24:32,799
of obsidian for one of her index fingers

677
00:24:35,190 --> 00:24:34,320
and she would cut your liver out and eat

678
00:24:38,549 --> 00:24:35,200
it and then you

679
00:24:39,909 --> 00:24:38,559
actually ever heard of you yeah that's

680
00:24:41,350 --> 00:24:39,919
understanding lots of interesting

681
00:24:42,310 --> 00:24:41,360
legends and then they're on the north

682
00:24:46,390 --> 00:24:42,320
shore

683
00:24:48,710 --> 00:24:46,400
of fontana lake on there's a a cherokee

684
00:24:49,830 --> 00:24:48,720
legend about a pond somewhere there near

685
00:24:52,789 --> 00:24:49,840
the lake

686
00:24:53,909 --> 00:24:52,799
where um a deer had waded out into the

687
00:24:55,990 --> 00:24:53,919
pond and

688
00:24:57,350 --> 00:24:56,000

the pond started swirling pulled the

689

00:24:59,590 --> 00:24:57,360

deer down into it

690

00:25:02,230 --> 00:24:59,600

and then all that came back up was bits

691

00:25:04,630 --> 00:25:02,240

of fur and cartilage and bone so

692

00:25:07,190 --> 00:25:04,640

something big in that pond that uh likes

693

00:25:08,950 --> 00:25:07,200

to consume deer

694

00:25:10,950 --> 00:25:08,960

and that's the other interesting thing

695

00:25:12,950 --> 00:25:10,960

all those areas in the smokies

696

00:25:15,110 --> 00:25:12,960

the ones that have the most activity

697

00:25:17,110 --> 00:25:15,120

which basically is cates cove

698

00:25:19,190 --> 00:25:17,120

and the north shore fontana lake in that

699

00:25:20,870 --> 00:25:19,200

area those are also the places where

700

00:25:24,230 --> 00:25:20,880

people have gone missing

701

00:25:27,830 --> 00:25:24,240

uh kate's covering mount lakant

702

00:25:29,110 --> 00:25:27,840

dennis martin trini gibson of pauline

703

00:25:32,149 --> 00:25:29,120

milton

704

00:25:34,070 --> 00:25:32,159

i don't know it just it's all kind of

705

00:25:35,990 --> 00:25:34,080

somehow related i don't believe in

706

00:25:37,029 --> 00:25:36,000

string theory or something that way but

707

00:25:40,149 --> 00:25:37,039

there are

708

00:25:42,310 --> 00:25:40,159

almost 40 in connections with everything

709

00:25:43,430 --> 00:25:42,320

there the legends the disappearances the

710

00:25:46,070 --> 00:25:43,440

little people

711

00:25:47,830 --> 00:25:46,080

the wild hairy men and there's elements

712

00:25:50,710 --> 00:25:47,840

of each one of those in a lot of the

713

00:25:53,269 --> 00:25:50,720

disappearances of things

714

00:25:53,750 --> 00:25:53,279

yeah you know people may not realize but

715

00:25:56,390 --> 00:25:53,760

the

716

00:25:58,070 --> 00:25:56,400

smoky mountains that area in particular

717

00:25:59,909 --> 00:25:58,080

there have been a lot of disappearances

718

00:26:03,750 --> 00:25:59,919

of people for whatever reason

719

00:26:04,470 --> 00:26:03,760

um you know i know when this 4-1-1

720

00:26:05,830 --> 00:26:04,480

phenomena

721

00:26:07,990 --> 00:26:05,840

started getting out there in the

722

00:26:09,430 --> 00:26:08,000

mainstream uh

723

00:26:12,390 --> 00:26:09,440

people were talking about it in

724

00:26:14,630 --> 00:26:12,400

particular about the state parks or

725

00:26:16,070 --> 00:26:14,640

some type either federal land or such

726
00:26:17,909 --> 00:26:16,080
but really

727
00:26:20,070 --> 00:26:17,919
you know over the past century or so

728
00:26:21,990 --> 00:26:20,080
there have been a lot of disappearances

729
00:26:25,029 --> 00:26:22,000
up in the smoky mountains

730
00:26:26,230 --> 00:26:25,039
um you know i and people attributed to a

731
00:26:29,350 --> 00:26:26,240
lot of different things

732
00:26:30,630 --> 00:26:29,360
but uh a lot of these disappearances

733
00:26:37,909 --> 00:26:30,640
were

734
00:26:39,269 --> 00:26:37,919
you know they suddenly disappear or um

735
00:26:42,390 --> 00:26:39,279
you know

736
00:26:43,990 --> 00:26:42,400
there have been cases where lots of

737
00:26:45,669 --> 00:26:44,000
lights have been seen

738
00:26:47,990 --> 00:26:45,679

now i'm not talking about the brown

739

00:26:50,149 --> 00:26:48,000

mountain lights but other areas

740

00:26:52,310 --> 00:26:50,159

in the smoky mountain area where these

741

00:26:55,510 --> 00:26:52,320

lights would be seen uh

742

00:26:57,190 --> 00:26:55,520

possible abductions you know so

743

00:26:58,870 --> 00:26:57,200

there's been a lot of weird stuff that's

744

00:27:01,269 --> 00:26:58,880

happened in that area

745

00:27:01,990 --> 00:27:01,279

kind of all ties in together and uh i

746

00:27:03,350 --> 00:27:02,000

talked to an

747

00:27:05,029 --> 00:27:03,360

older gentleman one time up in the

748

00:27:06,149 --> 00:27:05,039

smokies was telling me a story about he

749

00:27:08,070 --> 00:27:06,159

was out

750

00:27:09,909 --> 00:27:08,080

of i think he was possum hunting or [h__\h]

751

00:27:13,350 --> 00:27:09,919

hunting or something at night

752

00:27:14,710 --> 00:27:13,360

and uh this was before they had electric

753

00:27:17,190 --> 00:27:14,720

lights and things

754

00:27:17,990 --> 00:27:17,200

or at least rudimentary ones and he was

755

00:27:21,269 --> 00:27:18,000

using the old

756

00:27:22,230 --> 00:27:21,279

carbide light on our hat like a miner's

757

00:27:24,710 --> 00:27:22,240

helmet

758

00:27:26,549 --> 00:27:24,720

and he ran out of carbide and was lost

759

00:27:28,230 --> 00:27:26,559

in the woods in the dark

760

00:27:29,669 --> 00:27:28,240

and he saw a light off in the distance

761

00:27:31,110 --> 00:27:29,679

he thought it was another hunter so he's

762

00:27:32,950 --> 00:27:31,120

trying to get to the light

763

00:27:34,389 --> 00:27:32,960

he notices it's moving so he's just

764

00:27:37,830 --> 00:27:34,399

following it

765

00:27:39,510 --> 00:27:37,840

and uh one place he said that it crossed

766

00:27:41,430 --> 00:27:39,520

over a little gap and when he went

767

00:27:43,830 --> 00:27:41,440

across that gap he fell off like a 12

768

00:27:46,789 --> 00:27:43,840

foot little bluff or cliff there

769

00:27:47,990 --> 00:27:46,799

and uh bro he didn't break his ankle but

770

00:27:49,590 --> 00:27:48,000

he twisted it pretty good

771

00:27:51,830 --> 00:27:49,600

jammed his gun down in the ground and

772

00:27:53,830 --> 00:27:51,840

stuff and he said steve i know

773

00:27:55,510 --> 00:27:53,840

i watched that light walk he said it

774

00:27:57,269 --> 00:27:55,520

looked like somebody carrying a lantern

775

00:27:58,950 --> 00:27:57,279

it walked across that area and i just

776

00:27:59,269 --> 00:27:58,960

went right along behind it and i fell

777

00:28:02,149 --> 00:27:59,279

off

778

00:28:02,870 --> 00:28:02,159

and he when he went back in the daytime

779

00:28:04,470 --> 00:28:02,880

to get his

780

00:28:06,630 --> 00:28:04,480

rifle and stuff which he couldn't even

781

00:28:07,190 --> 00:28:06,640

find in the dark he said there was no

782

00:28:09,909 --> 00:28:07,200

way that

783

00:28:11,590 --> 00:28:09,919

anything human could have walked across

784

00:28:13,590 --> 00:28:11,600

there

785

00:28:14,870 --> 00:28:13,600

and i've heard other stories like that

786

00:28:16,549 --> 00:28:14,880

that there are

787

00:28:18,470 --> 00:28:16,559

if you want to call them spook lights or

788

00:28:19,750 --> 00:28:18,480

fairy lights or ghost lights or whatever

789

00:28:23,190 --> 00:28:19,760

those are prevalent

790

00:28:25,029 --> 00:28:23,200

in the smokies and a lot of the cherokee

791

00:28:25,909 --> 00:28:25,039

attributed to the little people and if

792

00:28:27,269 --> 00:28:25,919

they like you

793

00:28:28,789 --> 00:28:27,279

they can lead you out of the woods but

794

00:28:29,750 --> 00:28:28,799

if you've done something to anger them

795

00:28:31,750 --> 00:28:29,760

or upset them

796

00:28:33,830 --> 00:28:31,760

they could lead you off into the woods

797

00:28:34,310 --> 00:28:33,840

and that's part of the legend is you

798

00:28:37,909 --> 00:28:34,320

you're

799

00:28:39,430 --> 00:28:37,919

again yeah

800

00:28:41,190 --> 00:28:39,440

yeah i've heard a lot of that over the

801
00:28:43,190 --> 00:28:41,200
years um

802
00:28:44,630 --> 00:28:43,200
you know occasionally a story from up

803
00:28:48,149 --> 00:28:44,640
there will make

804
00:28:49,750 --> 00:28:48,159
the meteor be on the show or such but

805
00:28:52,230 --> 00:28:49,760
there have been a lot of a lot of

806
00:28:56,470 --> 00:28:52,240
disappearances over the years

807
00:28:59,029 --> 00:28:56,480
um i i even from people from my family

808
00:29:01,510 --> 00:28:59,039
had talked about disappearances

809
00:29:03,269 --> 00:29:01,520
uh where you know someone just vanishes

810
00:29:08,149 --> 00:29:03,279
and

811
00:29:09,590 --> 00:29:08,159
you know it's interesting i got involved

812
00:29:12,710 --> 00:29:09,600
in a lot of cases with

813
00:29:16,630 --> 00:29:12,720

uh alien experiencers

814

00:29:18,710 --> 00:29:16,640

and such and we're in even an instance

815

00:29:19,750 --> 00:29:18,720

one instance where a person i had been

816

00:29:23,029 --> 00:29:19,760

involved with

817

00:29:25,990 --> 00:29:23,039

who i just started working with uh

818

00:29:26,950 --> 00:29:26,000

had been experiencing possible alien ufo

819

00:29:29,750 --> 00:29:26,960

activity

820

00:29:30,230 --> 00:29:29,760

just simply disappeared she never showed

821

00:29:35,990 --> 00:29:30,240

she

822

00:29:37,590 --> 00:29:36,000

and uh you know that's something he kind

823

00:29:38,630 --> 00:29:37,600

of weighs on you after well it's been

824

00:29:41,029 --> 00:29:38,640

about a decade

825

00:29:41,750 --> 00:29:41,039

for me that was out that was actually

826
00:29:44,470 --> 00:29:41,760
out in

827
00:29:45,750 --> 00:29:44,480
um eastern washington near the idaho

828
00:29:47,830 --> 00:29:45,760
border

829
00:29:51,590 --> 00:29:47,840
that was that was a strange strange

830
00:29:55,029 --> 00:29:51,600
story so you're out in portland now

831
00:29:56,870 --> 00:29:55,039
uh which i consider a weird center i'll

832
00:29:58,710 --> 00:29:56,880
be honest with you because i've

833
00:30:00,630 --> 00:29:58,720
i've gotten a lot of things out there

834
00:30:02,230 --> 00:30:00,640
over the years in particular and of

835
00:30:03,830 --> 00:30:02,240
course people know about the bigfoot

836
00:30:07,190 --> 00:30:03,840
phenomena but

837
00:30:08,710 --> 00:30:07,200
um and of course the show grim

838
00:30:11,830 --> 00:30:08,720

being out of there didn't help much

839

00:30:11,840 --> 00:30:15,590

but uh i um

840

00:30:22,389 --> 00:30:19,029

i had been getting

841

00:30:26,070 --> 00:30:22,399

more recently a lot of alien type

842

00:30:28,310 --> 00:30:26,080

being sightings and interactions

843

00:30:29,510 --> 00:30:28,320

um can you tell us some of the stuff

844

00:30:32,070 --> 00:30:29,520

that you've

845

00:30:33,029 --> 00:30:32,080

either experienced or heard about it up

846

00:30:36,070 --> 00:30:33,039

in that area

847

00:30:37,750 --> 00:30:36,080

uh yeah there's a lot going on here in

848

00:30:40,950 --> 00:30:37,760

portland right now so i don't get out

849

00:30:41,830 --> 00:30:40,960

as often as i used to and explore but uh

850

00:30:44,149 --> 00:30:41,840

there are

851
00:30:46,149 --> 00:30:44,159
a lot of purportedly haunted places here

852
00:30:47,750 --> 00:30:46,159
you've got the shanghai tunnels

853
00:30:49,269 --> 00:30:47,760
you've got the pitta mansion you've got

854
00:30:52,470 --> 00:30:49,279
a cathedral park

855
00:30:55,669 --> 00:30:52,480
and some of these hauntings go back

856
00:30:57,029 --> 00:30:55,679
hundreds of years and uh are over a

857
00:31:00,389 --> 00:30:57,039
hundred anyway

858
00:31:01,990 --> 00:31:00,399
and uh there's not a lot of ufo

859
00:31:03,590 --> 00:31:02,000
sightings here that i'm aware of i know

860
00:31:05,909 --> 00:31:03,600
there are some

861
00:31:07,269 --> 00:31:05,919
but it's get into that more when you get

862
00:31:09,190 --> 00:31:07,279
over just across the river into

863
00:31:11,669 --> 00:31:09,200

washington state

864

00:31:13,430 --> 00:31:11,679

uh you've got the gifford pinchot

865

00:31:15,830 --> 00:31:13,440

national forest there

866

00:31:18,630 --> 00:31:15,840

and again it's a hotbed it's got ufos

867

00:31:20,389 --> 00:31:18,640

it's got bigfoot it's a little bit of

868

00:31:21,269 --> 00:31:20,399

everything and then just a little bit

869

00:31:22,870 --> 00:31:21,279

farther up that

870

00:31:25,029 --> 00:31:22,880

mount st helens i can see mount st

871

00:31:26,470 --> 00:31:25,039

helens from my driveway yeah my prayer

872

00:31:28,710 --> 00:31:26,480

day where i live

873

00:31:30,630 --> 00:31:28,720

and there you've got the ape caves and

874

00:31:32,149 --> 00:31:30,640

that's the same area where the abe

875

00:31:33,669 --> 00:31:32,159

canyon attacks

876

00:31:36,630 --> 00:31:33,679

happened if you remember those from the

877

00:31:38,630 --> 00:31:36,640

the 1900s early 1900s

878

00:31:40,230 --> 00:31:38,640

and uh i saw something the other day

879

00:31:41,430 --> 00:31:40,240

where there's a

880

00:31:43,350 --> 00:31:41,440

paranormal group i think they're from

881

00:31:46,070 --> 00:31:43,360

california they think they've

882

00:31:47,830 --> 00:31:46,080

located that cabin where the uh the

883

00:31:49,350 --> 00:31:47,840

remains of it where the abe canyon

884

00:31:51,110 --> 00:31:49,360

attacks happened

885

00:31:52,950 --> 00:31:51,120

and anybody not familiar with it it was

886

00:31:53,990 --> 00:31:52,960

some miners that got trapped in their

887

00:31:56,070 --> 00:31:54,000

cabin by

888

00:31:57,669 --> 00:31:56,080

again what they described as a group of

889

00:32:00,549 --> 00:31:57,679

hairy wild men

890

00:32:01,430 --> 00:32:00,559

and uh they were attacked by uh boulders

891

00:32:03,110 --> 00:32:01,440

and

892

00:32:04,470 --> 00:32:03,120

the the hairy men were trying to get in

893

00:32:05,590 --> 00:32:04,480

the cabin even reaching through the

894

00:32:07,430 --> 00:32:05,600

cracks one of them reached in and

895

00:32:08,389 --> 00:32:07,440

grabbed an axe and tried to pull it back

896

00:32:09,909 --> 00:32:08,399

out

897

00:32:11,590 --> 00:32:09,919

and uh one of the gentlemen i can't

898

00:32:13,190 --> 00:32:11,600

remember his name he claims to have shot

899

00:32:15,669 --> 00:32:13,200

one of them

900

00:32:17,269 --> 00:32:15,679

upon a cliff or a bluff and it fell a

901
00:32:20,549 --> 00:32:17,279
couple hundred feet down into

902
00:32:21,509 --> 00:32:20,559
a canyon there and uh so the thinking of

903
00:32:24,230 --> 00:32:21,519
this paranormal

904
00:32:24,710 --> 00:32:24,240
organization is if this is the cabin

905
00:32:26,870 --> 00:32:24,720
then

906
00:32:27,990 --> 00:32:26,880
somewhere if we can find this canyon

907
00:32:29,669 --> 00:32:28,000
there might be a skeleton

908
00:32:31,669 --> 00:32:29,679
there of whatever it was he shot now

909
00:32:34,789 --> 00:32:31,679
it's been you know 80

910
00:32:38,389 --> 00:32:34,799
years or more ago so who knows but

911
00:32:40,149 --> 00:32:38,399
be worth a look i think and uh there's

912
00:32:42,149 --> 00:32:40,159
again it's it's mostly bigfoot and

913
00:32:45,029 --> 00:32:42,159

things out here but a little bit uh

914

00:32:46,389 --> 00:32:45,039

farther up beyond that area you have the

915

00:32:47,830 --> 00:32:46,399

city ranch i don't know if you're

916

00:32:50,470 --> 00:32:47,840

familiar with

917

00:32:51,509 --> 00:32:50,480

that up there or not it's yeah oh yes oh

918

00:32:53,750 --> 00:32:51,519

yeah absolutely

919

00:32:56,310 --> 00:32:53,760

yeah now they have regular sightings

920

00:32:58,230 --> 00:32:56,320

there they've had ufo sightings uh

921

00:32:59,830 --> 00:32:58,240

i know a person went there that had some

922

00:33:03,350 --> 00:32:59,840

sort of dog man

923

00:33:05,110 --> 00:33:03,360

encounter that uh basically saw what

924

00:33:07,190 --> 00:33:05,120

looked like a portal open

925

00:33:08,789 --> 00:33:07,200

and a dog man just come strolling out on

926

00:33:12,230 --> 00:33:08,799

two legs and

927

00:33:15,350 --> 00:33:12,240

just continues on nobody's business and

928

00:33:16,870 --> 00:33:15,360

ufo bigfoot everything there i've never

929

00:33:19,990 --> 00:33:16,880

had a chance to go up

930

00:33:22,070 --> 00:33:20,000

but i'd like to go there sometime

931

00:33:23,110 --> 00:33:22,080

yeah i've heard a lot of stories around

932

00:33:25,750 --> 00:33:23,120

about

933

00:33:26,710 --> 00:33:25,760

mount adams and also mount shasta and

934

00:33:29,909 --> 00:33:26,720

such

935

00:33:32,310 --> 00:33:29,919

uh actual openings up on the mountain

936

00:33:33,190 --> 00:33:32,320

where ufos would fly out grab them fly

937

00:33:36,070 --> 00:33:33,200

out

938

00:33:37,509 --> 00:33:36,080

yeah you hear a lot of that shasta

939

00:33:38,789 --> 00:33:37,519

something else i've been down there a

940

00:33:40,549 --> 00:33:38,799

few times

941

00:33:42,149 --> 00:33:40,559

and there's just a weird energy there

942

00:33:43,269 --> 00:33:42,159

there's people claim that there's a

943

00:33:45,029 --> 00:33:43,279

vortex

944

00:33:47,110 --> 00:33:45,039

or a series of portals or something

945

00:33:48,389 --> 00:33:47,120

there it's other places where i felt

946

00:33:51,990 --> 00:33:48,399

that or like in sedona

947

00:33:55,590 --> 00:33:52,000

arizona joshua tree california

948

00:33:57,350 --> 00:33:55,600

um and then there's the oregon vortex

949

00:33:59,350 --> 00:33:57,360

just across the state line there around

950

00:34:01,669 --> 00:33:59,360

the clay crater lake area

951
00:34:03,830 --> 00:34:01,679
but you know shasta there's all kinds of

952
00:34:06,870 --> 00:34:03,840
strange strange things that go in there

953
00:34:07,909 --> 00:34:06,880
disappearances uh sightings of people in

954
00:34:12,069 --> 00:34:07,919
robes

955
00:34:14,069 --> 00:34:12,079
uh the stories of the lemurians and the

956
00:34:15,190 --> 00:34:14,079
people that live inside the mountain in

957
00:34:17,109 --> 00:34:15,200
the tunnels

958
00:34:18,710 --> 00:34:17,119
and then also there's supposedly bunkers

959
00:34:20,230 --> 00:34:18,720
with equipment and things in there and

960
00:34:21,990 --> 00:34:20,240
then um

961
00:34:23,829 --> 00:34:22,000
one of the the stories we covered on

962
00:34:26,310 --> 00:34:23,839
missing persons and mysteries was a

963
00:34:28,069 --> 00:34:26,320

robot grandma where a little boy went

964

00:34:31,430 --> 00:34:28,079

missing in the woods

965

00:34:33,190 --> 00:34:31,440

and uh they eventually found him and

966

00:34:34,869 --> 00:34:33,200

a few days later he tells this story

967

00:34:35,589 --> 00:34:34,879

that he's looking at his grandma and he

968

00:34:37,349 --> 00:34:35,599

said

969

00:34:39,109 --> 00:34:37,359

i like you better than the other grandma

970

00:34:42,310 --> 00:34:39,119

and she thought he meant the other

971

00:34:44,550 --> 00:34:42,320

parents mother and he said no he's like

972

00:34:45,829 --> 00:34:44,560

i'm talking about the robot grandma

973

00:34:47,750 --> 00:34:45,839

and she's like what are you talking

974

00:34:49,270 --> 00:34:47,760

about and he said do you remember when i

975

00:34:51,750 --> 00:34:49,280

was lost in the woods

976
00:34:52,389 --> 00:34:51,760
he said you came to get me but it wasn't

977
00:34:56,389 --> 00:34:52,399
you

978
00:34:58,790 --> 00:34:56,399
and according to the little boy

979
00:35:00,630 --> 00:34:58,800
this robot grandma took him into a cave

980
00:35:04,630 --> 00:35:00,640
there on mount shasta

981
00:35:06,710 --> 00:35:04,640
and he recalls seeing uh old swords and

982
00:35:08,950 --> 00:35:06,720
guns and cannons and things with cobwebs

983
00:35:11,349 --> 00:35:08,960
on them and she tried to get him to use

984
00:35:13,270 --> 00:35:11,359
the bathroom on a piece of paper

985
00:35:14,710 --> 00:35:13,280
and he wouldn't do it and she got very

986
00:35:17,430 --> 00:35:14,720
angry with him

987
00:35:18,230 --> 00:35:17,440
and took him back and let him go and

988
00:35:19,670 --> 00:35:18,240

then that was

989

00:35:22,230 --> 00:35:19,680

in the area where they found him the

990

00:35:23,349 --> 00:35:22,240

next day and then the odd thing about

991

00:35:26,950 --> 00:35:23,359

that

992

00:35:29,589 --> 00:35:26,960

she had had an

993

00:35:31,349 --> 00:35:29,599

encounter in the same area of shasta

994

00:35:34,390 --> 00:35:31,359

prior to this where she had

995

00:35:36,790 --> 00:35:34,400

woken up like the next morning

996

00:35:38,710 --> 00:35:36,800

outside her tent didn't know how she got

997

00:35:41,030 --> 00:35:38,720

there and had some sort of puncture

998

00:35:43,349 --> 00:35:41,040

wound on the back of her neck

999

00:35:44,790 --> 00:35:43,359

so there's some some strange stuff going

1000

00:35:46,550 --> 00:35:44,800

on on mount shasta

1001

00:35:48,069 --> 00:35:46,560

and in the nearby town of weed

1002

00:35:50,630 --> 00:35:48,079

california there there's

1003

00:35:52,710 --> 00:35:50,640

a lot of new age centers a lot of uh

1004

00:35:54,390 --> 00:35:52,720

meditation and alternate religions

1005

00:35:56,550 --> 00:35:54,400

things it's an interesting place to

1006

00:35:58,150 --> 00:35:56,560

visit it's a lot like sedona

1007

00:35:59,829 --> 00:35:58,160

yeah i got a friend who goes out there

1008

00:36:03,589 --> 00:35:59,839

almost every year

1009

00:36:05,670 --> 00:36:03,599

on retreat and uh and you talk about

1010

00:36:06,230 --> 00:36:05,680

these new age centers involved in some

1011

00:36:08,870 --> 00:36:06,240

of that

1012

00:36:11,270 --> 00:36:08,880

but um yeah i've heard a lot of weird

1013

00:36:15,109 --> 00:36:11,280

stories out there over the years it's

1014

00:36:17,670 --> 00:36:15,119

you know i i i used i would dig up the

1015

00:36:19,349 --> 00:36:17,680

the old accounts you know of course back

1016

00:36:23,349 --> 00:36:19,359

then you know

1017

00:36:28,069 --> 00:36:26,310

the newspapers accounts would be uh

1018

00:36:30,310 --> 00:36:28,079

embellished to a degree

1019

00:36:31,990 --> 00:36:30,320

they weren't like they are now though we

1020

00:36:35,109 --> 00:36:32,000

do get some now

1021

00:36:38,790 --> 00:36:35,119

but uh you know i i did i do remember

1022

00:36:41,109 --> 00:36:38,800

one in particular where there was a um

1023

00:36:42,630 --> 00:36:41,119

uh there was a woman and her friend who

1024

00:36:45,910 --> 00:36:42,640

were on a train

1025

00:36:49,109 --> 00:36:45,920

and they were going by mount shasta and

1026
00:36:50,310 --> 00:36:49,119
she talks about the bigfoot up on the

1027
00:36:53,109 --> 00:36:50,320
mountain

1028
00:36:54,310 --> 00:36:53,119
throwing things at the train as it was

1029
00:36:57,109 --> 00:36:54,320
going by

1030
00:36:58,069 --> 00:36:57,119
i had another woman tell me she was on a

1031
00:37:01,270 --> 00:36:58,079
train

1032
00:37:04,150 --> 00:37:01,280
near mount shasta and saw

1033
00:37:05,030 --> 00:37:04,160
bigfoot out in the fields you know in

1034
00:37:07,430 --> 00:37:05,040
the foothills

1035
00:37:10,150 --> 00:37:07,440
and uh you know you talked about the

1036
00:37:12,390 --> 00:37:10,160
lemurian legends yeah that's us

1037
00:37:14,790 --> 00:37:12,400
that's a whole new ball game right there

1038
00:37:16,950 --> 00:37:14,800

that's a deep rabbit hole right yeah

1039

00:37:18,710 --> 00:37:16,960

yeah now st germain that's been

1040

00:37:19,990 --> 00:37:18,720

encountered on the mountain supposedly

1041

00:37:22,310 --> 00:37:20,000

and then

1042

00:37:23,910 --> 00:37:22,320

he had channeled his religion to uh i

1043

00:37:26,470 --> 00:37:23,920

came there was a guy back in the

1044

00:37:28,470 --> 00:37:26,480

20s or 30s or something that basically

1045

00:37:30,230 --> 00:37:28,480

started a religion based on

1046

00:37:31,670 --> 00:37:30,240

knowledge he had gained on mount shasta

1047

00:37:33,430 --> 00:37:31,680

and had one time like 2 million

1048

00:37:36,950 --> 00:37:33,440

followers

1049

00:37:37,750 --> 00:37:36,960

wow yeah i mean that there are a lot of

1050

00:37:39,910 --> 00:37:37,760

people that i

1051

00:37:41,750 --> 00:37:39,920

i have talked to over the years that

1052

00:37:44,870 --> 00:37:41,760

swear that there are portals there

1053

00:37:48,230 --> 00:37:44,880

there you know they have experienced uh

1054

00:37:50,950 --> 00:37:48,240

lost time but have also experienced

1055

00:37:52,310 --> 00:37:50,960

where they believe they have going back

1056

00:37:55,589 --> 00:37:52,320

into time

1057

00:37:58,790 --> 00:37:55,599

uh time travel and such

1058

00:37:59,750 --> 00:37:58,800

uh it is it's kind of bizarre and you're

1059

00:38:02,230 --> 00:37:59,760

right there

1060

00:38:04,069 --> 00:38:02,240

there are so many hot spots especially

1061

00:38:06,790 --> 00:38:04,079

here in the united states

1062

00:38:08,710 --> 00:38:06,800

there it just seems to be certain areas

1063

00:38:12,870 --> 00:38:08,720

for whatever reason

1064

00:38:15,510 --> 00:38:12,880

it was geology or just some type of

1065

00:38:17,270 --> 00:38:15,520

energy vortex or something that causes a

1066

00:38:19,589 --> 00:38:17,280

lot of different phenomena

1067

00:38:21,589 --> 00:38:19,599

to be seen of course out in your area

1068

00:38:23,910 --> 00:38:21,599

there just seemed to be a lot of it

1069

00:38:25,510 --> 00:38:23,920

yeah from basically here all the way up

1070

00:38:26,310 --> 00:38:25,520

from northern california all through

1071

00:38:28,630 --> 00:38:26,320

oregon

1072

00:38:30,310 --> 00:38:28,640

up to washington up to uh to the

1073

00:38:31,430 --> 00:38:30,320

canadian border there i mean you've got

1074

00:38:33,270 --> 00:38:31,440

weird stuff

1075

00:38:35,030 --> 00:38:33,280

yeah all through there up in uh like

1076

00:38:37,589 --> 00:38:35,040

seattle you've got the the

1077

00:38:39,349 --> 00:38:37,599

seatac home they call it which you also

1078

00:38:40,230 --> 00:38:39,359

have in taos new mexico there's this

1079

00:38:42,310 --> 00:38:40,240

home

1080

00:38:43,670 --> 00:38:42,320

that sounds like a machinery or a dynamo

1081

00:38:45,750 --> 00:38:43,680

or something that kicks on

1082

00:38:47,670 --> 00:38:45,760

it's underground but nobody knows what

1083

00:38:50,870 --> 00:38:47,680

it is they can feel it

1084

00:38:53,750 --> 00:38:50,880

and you're talking about the geomagnetic

1085

00:38:55,910 --> 00:38:53,760

anomalies and things i was talking to um

1086

00:38:57,670 --> 00:38:55,920

nathan isaac the other night he's been

1087

00:38:59,270 --> 00:38:57,680

on he was in season two of hell here and

1088

00:39:01,349 --> 00:38:59,280

he has a

1089

00:39:03,670 --> 00:39:01,359

podcast called pityroil and he was

1090

00:39:06,310 --> 00:39:03,680

talking about the geomagnetic anomaly

1091

00:39:09,430 --> 00:39:06,320

there called the kentucky anomaly

1092

00:39:12,150 --> 00:39:09,440

one of the few places in the world where

1093

00:39:14,230 --> 00:39:12,160

all this weird magnetic stuff happens

1094

00:39:15,990 --> 00:39:14,240

there's been meteor strikes there it's

1095

00:39:17,510 --> 00:39:16,000

close to where they saw the the kelly

1096

00:39:19,670 --> 00:39:17,520

hopkins field goblins

1097

00:39:21,349 --> 00:39:19,680

it's close to hillier it's close to all

1098

00:39:22,710 --> 00:39:21,359

these other things that have gone on

1099

00:39:24,710 --> 00:39:22,720

there so

1100

00:39:25,829 --> 00:39:24,720

is that something that's drawing stuff

1101

00:39:27,270 --> 00:39:25,839

there or

1102

00:39:28,710 --> 00:39:27,280

is it the stuff that's going there

1103

00:39:31,030 --> 00:39:28,720

causing that i mean there's so many

1104

00:39:33,670 --> 00:39:31,040

different ways you can go with that

1105

00:39:34,870 --> 00:39:33,680

just it boggles the mind yeah i mean

1106

00:39:36,470 --> 00:39:34,880

there are places

1107

00:39:38,069 --> 00:39:36,480

and i live in pennsylvania but there are

1108

00:39:41,349 --> 00:39:38,079

places like that here

1109

00:39:42,310 --> 00:39:41,359

where you just constantly hear of

1110

00:39:45,990 --> 00:39:42,320

strange

1111

00:39:48,710 --> 00:39:46,000

occurrences in these areas uh

1112

00:39:49,510 --> 00:39:48,720

but then again you know just like now

1113

00:39:51,670 --> 00:39:49,520

you're up in

1114

00:39:53,030 --> 00:39:51,680

the pacific northwest and of course

1115

00:39:53,750 --> 00:39:53,040

everybody knows that area for the

1116

00:39:57,510 --> 00:39:53,760

bigfoot

1117

00:39:59,750 --> 00:39:57,520

sasquatch phenomena but i you know

1118

00:40:01,349 --> 00:39:59,760

i i do believe and i don't know what

1119

00:40:02,630 --> 00:40:01,359

your thoughts are on this but i do

1120

00:40:05,190 --> 00:40:02,640

believe

1121

00:40:07,750 --> 00:40:05,200

that the bigfoot or the sasquatch that

1122

00:40:09,829 --> 00:40:07,760

are seen up in that area

1123

00:40:11,990 --> 00:40:09,839

are actually indigenous beings i don't

1124

00:40:14,150 --> 00:40:12,000

believe they may be supernatural

1125

00:40:16,470 --> 00:40:14,160

though i believe that phenomena is

1126

00:40:19,510 --> 00:40:16,480

supernatural in some places i

1127

00:40:20,790 --> 00:40:19,520

i think that uh they they and other

1128

00:40:22,069 --> 00:40:20,800

cryptic beings may

1129

00:40:24,550 --> 00:40:22,079

very well be some type of

1130

00:40:26,790 --> 00:40:24,560

interdimensional uh beings

1131

00:40:29,030 --> 00:40:26,800

or you know are just like the wing

1132

00:40:32,230 --> 00:40:29,040

humanoids we've been involved with

1133

00:40:33,430 --> 00:40:32,240

in the upper midwest i think that's

1134

00:40:35,750 --> 00:40:33,440

very likely some type of

1135

00:40:38,470 --> 00:40:35,760

interdimensional being but up there in

1136

00:40:40,470 --> 00:40:38,480

your area i do believe

1137

00:40:43,750 --> 00:40:40,480

most of those are indigenous because you

1138

00:40:47,589 --> 00:40:43,760

do get a lot of reports with family pods

1139

00:40:49,190 --> 00:40:47,599

or family groups um you know just not

1140

00:40:51,510 --> 00:40:49,200

one singular

1141

00:40:53,270 --> 00:40:51,520

being just seen all the time yeah

1142

00:40:53,990 --> 00:40:53,280

there's something else associated with

1143

00:40:57,990 --> 00:40:54,000

it

1144

00:40:59,589 --> 00:40:58,000

almost like

1145

00:41:01,750 --> 00:40:59,599

the ones that you see in other parts

1146

00:41:03,510 --> 00:41:01,760

maybe they migrated or followed a path

1147

00:41:05,349 --> 00:41:03,520

or something and they've kind of

1148

00:41:07,589 --> 00:41:05,359

changed or evolved and adapted to their

1149

00:41:08,630 --> 00:41:07,599

area but you don't hear as much about

1150

00:41:10,069 --> 00:41:08,640

the

1151

00:41:12,630 --> 00:41:10,079

i've heard stories out here people

1152

00:41:14,150 --> 00:41:12,640

seeing them female bigfoot with uh

1153

00:41:16,069 --> 00:41:14,160

nursing and young i think that might

1154

00:41:17,990 --> 00:41:16,079

have been on mount shasta

1155

00:41:19,910 --> 00:41:18,000

and things like that now as far as any

1156

00:41:21,349 --> 00:41:19,920

winged humanoids i haven't really heard

1157

00:41:23,430 --> 00:41:21,359

of any out here but

1158

00:41:25,030 --> 00:41:23,440

that really seems to be popping off back

1159

00:41:26,069 --> 00:41:25,040

east i'm subscribed to your email

1160

00:41:27,750 --> 00:41:26,079

newsletter

1161

00:41:29,270 --> 00:41:27,760

and it's like almost every day or every

1162

00:41:30,550 --> 00:41:29,280

other day there's another report of a

1163

00:41:31,910 --> 00:41:30,560

winged humanoid

1164

00:41:33,910 --> 00:41:31,920

coming in some of them are older of

1165

00:41:35,910 --> 00:41:33,920

course but that's just fascinating i

1166

00:41:38,630 --> 00:41:35,920

mean i know about mothman and

1167

00:41:40,470 --> 00:41:38,640

and some of that but i'd love to know

1168

00:41:43,109 --> 00:41:40,480

what's going on with that what's

1169

00:41:44,470 --> 00:41:43,119

if that's becoming more prevalent or if

1170

00:41:44,950 --> 00:41:44,480

it's just one of those things that

1171

00:41:47,270 --> 00:41:44,960

people

1172

00:41:48,790 --> 00:41:47,280

are more aware of it um one of the

1173

00:41:49,510 --> 00:41:48,800

things we do on missing persons and

1174

00:41:51,589 --> 00:41:49,520

mysteries

1175

00:41:52,790 --> 00:41:51,599

we let listeners send in their stories

1176

00:41:53,829 --> 00:41:52,800

and then i narrate those in a

1177

00:41:56,069 --> 00:41:53,839

compilation

1178

00:41:57,589 --> 00:41:56,079

and we're seeing more and more glimmer

1179

00:42:00,309 --> 00:41:57,599

man stories

1180

00:42:01,829 --> 00:42:00,319

oh yeah the the predator type creature

1181

00:42:03,430 --> 00:42:01,839

and again is it one of those things

1182

00:42:05,270 --> 00:42:03,440

where it's

1183

00:42:06,950 --> 00:42:05,280

more people are aware of it and they

1184

00:42:08,390 --> 00:42:06,960

realize they've seen it or they've heard

1185

00:42:09,270 --> 00:42:08,400

other stories they're willing to come

1186

00:42:12,069 --> 00:42:09,280

forward

1187

00:42:13,990 --> 00:42:12,079

and tell theirs i had an encounter with

1188

00:42:16,630 --> 00:42:14,000

something like that in downtown portland

1189

00:42:18,470 --> 00:42:16,640

oregon one night about midnight

1190

00:42:20,710 --> 00:42:18,480

i was waiting on a train i was the only

1191

00:42:23,990 --> 00:42:20,720

one who's the last train of the night

1192

00:42:26,309 --> 00:42:24,000

i was the only one at the stop and i saw

1193

00:42:29,430 --> 00:42:26,319

something over between uh

1194

00:42:29,990 --> 00:42:29,440

a signpost and a garbage can and it was

1195

00:42:32,790 --> 00:42:30,000

like like

1196

00:42:34,309 --> 00:42:32,800

the shimmer and i thought well is that

1197

00:42:35,829 --> 00:42:34,319

you know like heat coming out of the

1198

00:42:37,390 --> 00:42:35,839

because it wasn't really that cold and i

1199

00:42:39,750 --> 00:42:37,400

thought is that like heat coming out of

1200

00:42:41,750 --> 00:42:39,760

a steam vent or a

1201
00:42:43,430 --> 00:42:41,760
grate or something i walk over there to

1202
00:42:44,790 --> 00:42:43,440
where i could see it a little better

1203
00:42:47,349 --> 00:42:44,800
and there's nothing there but i can

1204
00:42:49,750 --> 00:42:47,359
still see this outline now it was

1205
00:42:51,430 --> 00:42:49,760
roughly humanoid in shape but it wasn't

1206
00:42:52,309 --> 00:42:51,440
very tall it was only about four feet

1207
00:42:55,430 --> 00:42:52,319
tall

1208
00:42:58,309 --> 00:42:55,440
but when i was looking at it it sort of

1209
00:43:00,390 --> 00:42:58,319
hunkered down or squatted down and i

1210
00:43:01,349 --> 00:43:00,400
just like every hair on my body stood up

1211
00:43:03,829 --> 00:43:01,359
and i thought you know this

1212
00:43:05,030 --> 00:43:03,839
this isn't a good thing so i'm trying to

1213
00:43:07,990 --> 00:43:05,040

figure out how i'm going to

1214

00:43:10,150 --> 00:43:08,000

make my exit here i ended up crossing

1215

00:43:12,390 --> 00:43:10,160

the street against the light

1216

00:43:13,349 --> 00:43:12,400

and a car had to slam on his brakes i

1217

00:43:16,069 --> 00:43:13,359

ran to get out

1218

00:43:17,349 --> 00:43:16,079

in front of the car and hoping whatever

1219

00:43:20,390 --> 00:43:17,359

it was wouldn't chase me

1220

00:43:21,030 --> 00:43:20,400

and it didn't but uh those stories are

1221

00:43:22,950 --> 00:43:21,040

becoming

1222

00:43:24,470 --> 00:43:22,960

more and more prevalent and people are

1223

00:43:27,109 --> 00:43:24,480

seeing them in cities and just

1224

00:43:28,870 --> 00:43:27,119

outside of the country whereas the early

1225

00:43:30,630 --> 00:43:28,880

reports it was in the woods and heavily

1226

00:43:33,349 --> 00:43:30,640

wooded areas

1227

00:43:34,150 --> 00:43:33,359

had a story in the compilation before

1228

00:43:36,710 --> 00:43:34,160

last

1229

00:43:38,069 --> 00:43:36,720

a lady in new jersey and her little boy

1230

00:43:40,470 --> 00:43:38,079

saw one

1231

00:43:42,470 --> 00:43:40,480

and a tree just and this is not a really

1232

00:43:46,710 --> 00:43:42,480

rural area in new jersey but

1233

00:43:50,870 --> 00:43:49,589

this glitter man phenomena is has been

1234

00:43:53,990 --> 00:43:50,880

turning up more and more

1235

00:43:54,950 --> 00:43:54,000

recently now i don't know why i don't

1236

00:43:57,030 --> 00:43:54,960

know if it was

1237

00:43:58,470 --> 00:43:57,040

like you said because the predator maybe

1238

00:44:01,670 --> 00:43:58,480

people are actually noticing

1239

00:44:03,109 --> 00:44:01,680

it uh and it's been there all along

1240

00:44:04,870 --> 00:44:03,119

i believe that there's a good

1241

00:44:07,670 --> 00:44:04,880

possibility

1242

00:44:09,750 --> 00:44:07,680

that these are some type of cryptid

1243

00:44:12,550 --> 00:44:09,760

cloaking

1244

00:44:14,710 --> 00:44:12,560

you know uh you know we've got a i got

1245

00:44:18,950 --> 00:44:14,720

that case reported to me

1246

00:44:21,430 --> 00:44:18,960

from oklahoma over the past month or so

1247

00:44:24,230 --> 00:44:21,440

and this individual was talking about

1248

00:44:26,630 --> 00:44:24,240

seeing all kinds of weird phenomena

1249

00:44:27,270 --> 00:44:26,640

and one of the investigators on my team

1250

00:44:30,790 --> 00:44:27,280

ryan

1251
00:44:32,630 --> 00:44:30,800
he um he drove out there about i don't

1252
00:44:35,190 --> 00:44:32,640
know about two weeks ago

1253
00:44:36,870 --> 00:44:35,200
and he collected some evidence while i

1254
00:44:39,910 --> 00:44:36,880
was out there

1255
00:44:43,349 --> 00:44:39,920
and uh we'll we'll be posting it up on

1256
00:44:46,630 --> 00:44:43,359
my blog and in sometime soon but

1257
00:44:48,870 --> 00:44:46,640
he actually called a photograph of this

1258
00:44:50,230 --> 00:44:48,880
glimmer effect this glimmer being up in

1259
00:44:51,829 --> 00:44:50,240
the tree

1260
00:44:54,069 --> 00:44:51,839
and beyonce it's one of the better

1261
00:44:56,390 --> 00:44:54,079
photos i've seen

1262
00:44:58,550 --> 00:44:56,400
of this phenomena and uh they're

1263
00:45:00,870 --> 00:44:58,560

definitely something there

1264

00:45:03,430 --> 00:45:00,880

but you know i have i have talked to a

1265

00:45:06,390 --> 00:45:03,440

lot of people that have seen this

1266

00:45:08,230 --> 00:45:06,400

and uh you know i think you i think most

1267

00:45:11,190 --> 00:45:08,240

people believe it's a cloaked

1268

00:45:12,790 --> 00:45:11,200

being of some type be an alien you know

1269

00:45:15,750 --> 00:45:12,800

is it an alien just like in

1270

00:45:16,150 --> 00:45:15,760

uh like for the movies yeah uh i don't

1271

00:45:20,150 --> 00:45:16,160

know

1272

00:45:23,510 --> 00:45:20,160

i've also seen video of like

1273

00:45:25,270 --> 00:45:23,520

from battlefields where soldiers seem to

1274

00:45:27,190 --> 00:45:25,280

be using that kind of technology too so

1275

00:45:29,030 --> 00:45:27,200

is it something like that is it

1276

00:45:30,870 --> 00:45:29,040

something our government has or somebody

1277

00:45:32,950 --> 00:45:30,880

else's government has or

1278

00:45:34,790 --> 00:45:32,960

is it an alien technology that we've

1279

00:45:35,910 --> 00:45:34,800

somehow reverse engineered and nobody

1280

00:45:37,589 --> 00:45:35,920

knows about

1281

00:45:39,190 --> 00:45:37,599

or is it you know something supernatural

1282

00:45:39,829 --> 00:45:39,200

it could be all the above or any of the

1283

00:45:42,069 --> 00:45:39,839

above

1284

00:45:43,349 --> 00:45:42,079

that's the thing about it it kind of

1285

00:45:45,349 --> 00:45:43,359

like the other some of the other stuff

1286

00:45:46,710 --> 00:45:45,359

it just overlaps and doesn't fit into

1287

00:45:49,510 --> 00:45:46,720

one pigeonhole

1288

00:45:50,069 --> 00:45:49,520

really neatly it's interesting because

1289

00:45:52,630 --> 00:45:50,079

um

1290

00:45:53,190 --> 00:45:52,640

like i said it's something that has you

1291

00:45:58,470 --> 00:45:53,200

know

1292

00:46:01,270 --> 00:45:58,480

been investigators i have talked to for

1293

00:46:03,190 --> 00:46:01,280

years we're just starting to get reports

1294

00:46:06,069 --> 00:46:03,200

like this as well you know

1295

00:46:08,630 --> 00:46:06,079

you know the overall sense was early on

1296

00:46:09,910 --> 00:46:08,640

about too many people watching the movie

1297

00:46:11,829 --> 00:46:09,920

and believe me that's what they're

1298

00:46:14,550 --> 00:46:11,839

saying but you know

1299

00:46:16,470 --> 00:46:14,560

some of the uh you know i thought i was

1300

00:46:19,349 --> 00:46:16,480

i heard bruce mcabee talk

1301

00:46:21,030 --> 00:46:19,359

not long ago about he actually

1302

00:46:23,990 --> 00:46:21,040

experiencing

1303

00:46:25,190 --> 00:46:24,000

one of these glimmer men out in mary's

1304

00:46:28,710 --> 00:46:25,200

home

1305

00:46:31,430 --> 00:46:28,720

uh this uh this phenomenon's turning up

1306

00:46:31,829 --> 00:46:31,440

now what's behind it well i guess that's

1307

00:46:34,390 --> 00:46:31,839

uh

1308

00:46:35,430 --> 00:46:34,400

what we got to figure out at some point

1309

00:46:38,069 --> 00:46:35,440

yeah um

1310

00:46:39,829 --> 00:46:38,079

yeah bruce's wife uh jan saw one when

1311

00:46:42,230 --> 00:46:39,839

she was deer hunting she was up yeah

1312

00:46:43,829 --> 00:46:42,240

stand and she's got a picture of it it

1313

00:46:45,030 --> 00:46:43,839

wasn't a very good picture it might even

1314

00:46:46,950 --> 00:46:45,040

be video but

1315

00:46:48,630 --> 00:46:46,960

i've seen stills from that and there's

1316

00:46:51,990 --> 00:46:48,640

absolutely something there

1317

00:46:54,150 --> 00:46:52,000

and at the same time as her sighting not

1318

00:46:55,750 --> 00:46:54,160

too far away there was a marching band

1319

00:46:57,910 --> 00:46:55,760

practicing on a football field

1320

00:46:59,030 --> 00:46:57,920

and they had some sort of ufo sighting

1321

00:47:01,750 --> 00:46:59,040

or encounter

1322

00:47:03,190 --> 00:47:01,760

so it kind of goes hand in hand with

1323

00:47:04,630 --> 00:47:03,200

even though they were technically

1324

00:47:07,910 --> 00:47:04,640

unrelated and

1325

00:47:11,349 --> 00:47:07,920

close to each other the ufo sighting and

1326

00:47:14,630 --> 00:47:11,359

this strange glimmer creature

1327

00:47:15,349 --> 00:47:14,640

at the same time it's interesting you

1328

00:47:17,670 --> 00:47:15,359

know when you

1329

00:47:19,349 --> 00:47:17,680

when you're involved with this with the

1330

00:47:21,190 --> 00:47:19,359

paranormal it's interesting some of the

1331

00:47:24,150 --> 00:47:21,200

stuff that turns up

1332

00:47:25,990 --> 00:47:24,160

uh you know this glimmer man thing now

1333

00:47:27,910 --> 00:47:26,000

another thing has been

1334

00:47:30,870 --> 00:47:27,920

more prevalent in the past decade are

1335

00:47:34,470 --> 00:47:30,880

these pale humanoid beings

1336

00:47:36,230 --> 00:47:34,480

uh people call them flesh gates rakes or

1337

00:47:37,750 --> 00:47:36,240

whatever you want to call them

1338

00:47:40,470 --> 00:47:37,760

but it was something that would

1339

00:47:42,390 --> 00:47:40,480

occasionally turn up in a report

1340

00:47:44,549 --> 00:47:42,400

but now we're getting them everywhere i

1341

00:47:46,549 --> 00:47:44,559

mean you know even even here defensive

1342

00:47:48,630 --> 00:47:46,559

in pennsylvania we've got a couple of

1343

00:47:51,430 --> 00:47:48,640

cases we're actually looking into

1344

00:47:52,069 --> 00:47:51,440

now but you know it you know people some

1345

00:47:54,790 --> 00:47:52,079

some

1346

00:47:55,829 --> 00:47:54,800

people say wow it's a when to go or you

1347

00:47:57,589 --> 00:47:55,839

know but

1348

00:47:59,670 --> 00:47:57,599

what they're describing is an actual

1349

00:48:02,870 --> 00:47:59,680

flesh and blood being

1350

00:48:05,349 --> 00:48:02,880

and uh you know they just seem to pop

1351
00:48:06,150 --> 00:48:05,359
up here and there or they you know are

1352
00:48:09,270 --> 00:48:06,160
they some kind

1353
00:48:10,470 --> 00:48:09,280
of manifestation of a spirit or such i

1354
00:48:13,430 --> 00:48:10,480
don't know it's hard to tell

1355
00:48:14,150 --> 00:48:13,440
but uh some of the evidence is pretty

1356
00:48:16,150 --> 00:48:14,160
compelling

1357
00:48:19,109 --> 00:48:16,160
as to what these things you know what

1358
00:48:22,230 --> 00:48:20,870
well like the the night walkers if

1359
00:48:23,030 --> 00:48:22,240
you've ever seen any of that before

1360
00:48:26,470 --> 00:48:23,040
right

1361
00:48:29,270 --> 00:48:26,480
places too

1362
00:48:30,950 --> 00:48:29,280
almost the same exact thing and i've had

1363
00:48:32,230 --> 00:48:30,960

some native americans tell me that

1364

00:48:34,390 --> 00:48:32,240

that's

1365

00:48:36,230 --> 00:48:34,400

i can't remember the term that they used

1366

00:48:38,710 --> 00:48:36,240

but that's something that they're aware

1367

00:48:44,150 --> 00:48:38,720

of that it's it's

1368

00:48:49,510 --> 00:48:47,430

yeah it's strange i mean we've um

1369

00:48:51,829 --> 00:48:49,520

you know when we started getting reports

1370

00:48:54,549 --> 00:48:51,839

of butt brake canines and

1371

00:48:55,910 --> 00:48:54,559

you know dog men and all that you know i

1372

00:48:57,510 --> 00:48:55,920

i thought you know and but

1373

00:48:59,430 --> 00:48:57,520

quite odds when i started getting into

1374

00:49:01,510 --> 00:48:59,440

this i mean i wasn't

1375

00:49:04,069 --> 00:49:01,520

getting any of those type of reports you

1376

00:49:06,390 --> 00:49:04,079

know but now

1377

00:49:07,510 --> 00:49:06,400

it seems to be part of everything i mean

1378

00:49:08,950 --> 00:49:07,520

we um

1379

00:49:11,190 --> 00:49:08,960

you know i don't know what your thoughts

1380

00:49:12,630 --> 00:49:11,200

are on how the paranormal and all the

1381

00:49:13,829 --> 00:49:12,640

genres are connected

1382

00:49:15,910 --> 00:49:13,839

but i believe they're definite

1383

00:49:18,549 --> 00:49:15,920

connection they're they're i

1384

00:49:20,069 --> 00:49:18,559

we get so many reports where two

1385

00:49:20,870 --> 00:49:20,079

different things are seen at the same

1386

00:49:25,109 --> 00:49:20,880

time say

1387

00:49:28,710 --> 00:49:25,119

bigfoot and ufos or another cryptid and

1388

00:49:32,309 --> 00:49:28,720

light phenomena it just it all seems

1389

00:49:35,510 --> 00:49:32,319

to be i mean and more and more becoming

1390

00:49:37,190 --> 00:49:35,520

something that's connected somewhat

1391

00:49:38,950 --> 00:49:37,200

definitely and then take for example

1392

00:49:42,710 --> 00:49:38,960

skinwalker ranch

1393

00:49:45,270 --> 00:49:42,720

ufos dogman the super wolf

1394

00:49:47,270 --> 00:49:45,280

bigfoot type creatures portals you know

1395

00:49:49,190 --> 00:49:47,280

again it's all just kind of

1396

00:49:50,390 --> 00:49:49,200

that's like a potpourri of the

1397

00:49:52,549 --> 00:49:50,400

paranormal right there

1398

00:49:53,670 --> 00:49:52,559

just in that one little spot there in

1399

00:49:56,630 --> 00:49:53,680

utah

1400

00:49:58,230 --> 00:49:56,640

and uh some of the there was one story

1401
00:49:59,510 --> 00:49:58,240
out there where the lady was looking at

1402
00:50:01,990 --> 00:49:59,520
her kitchen window

1403
00:50:04,230 --> 00:50:02,000
saw a portal open up and there was

1404
00:50:05,349 --> 00:50:04,240
somebody sitting at a desk like without

1405
00:50:08,390 --> 00:50:05,359
a typewriter or

1406
00:50:09,990 --> 00:50:08,400
doing something some kind of work and so

1407
00:50:11,589 --> 00:50:10,000
the guy i think he looked up at her and

1408
00:50:12,230 --> 00:50:11,599
then the portal just closed back and was

1409
00:50:14,150 --> 00:50:12,240
gone

1410
00:50:15,750 --> 00:50:14,160
what in the world is that you know

1411
00:50:19,190 --> 00:50:15,760
that's

1412
00:50:19,430 --> 00:50:19,200
is there some sort of uh i don't know if

1413
00:50:21,109 --> 00:50:19,440

you're

1414

00:50:22,790 --> 00:50:21,119

familiar with project bluebeam and

1415

00:50:24,309 --> 00:50:22,800

things like that where they hopefully

1416

00:50:25,990 --> 00:50:24,319

have the ability to

1417

00:50:27,910 --> 00:50:26,000

beam things into your head that you

1418

00:50:30,230 --> 00:50:27,920

think you see but you really don't

1419

00:50:31,190 --> 00:50:30,240

is there some kind of technology like

1420

00:50:33,030 --> 00:50:31,200

that at work

1421

00:50:34,870 --> 00:50:33,040

and the same with the glimmer man i

1422

00:50:36,230 --> 00:50:34,880

wonder how that ties in with

1423

00:50:38,230 --> 00:50:36,240

some of these people that have gone

1424

00:50:40,069 --> 00:50:38,240

missing from say bars

1425

00:50:41,990 --> 00:50:40,079

where they they have video of them going

1426

00:50:43,510 --> 00:50:42,000

in and there's security cameras

1427

00:50:44,950 --> 00:50:43,520

everywhere but there's no video of them

1428

00:50:46,230 --> 00:50:44,960

ever coming out and then they're never

1429

00:50:48,870 --> 00:50:46,240

seen again

1430

00:50:50,069 --> 00:50:48,880

same in the the uk the manchester area

1431

00:50:51,750 --> 00:50:50,079

the the pusher

1432

00:50:53,670 --> 00:50:51,760

they call it somebody's putting people

1433

00:50:55,670 --> 00:50:53,680

in the canals and again

1434

00:50:57,910 --> 00:50:55,680

and if you've ever been to the uk they

1435

00:50:59,990 --> 00:50:57,920

have more surveillance cameras

1436

00:51:01,829 --> 00:51:00,000

per head than anywhere in the world

1437

00:51:04,390 --> 00:51:01,839

everywhere

1438

00:51:06,069 --> 00:51:04,400

they have there's not one single frame

1439

00:51:08,630 --> 00:51:06,079

of anybody shoving somebody

1440

00:51:10,390 --> 00:51:08,640

in one of the canals there in manchester

1441

00:51:11,990 --> 00:51:10,400

they see them going into a pub

1442

00:51:13,589 --> 00:51:12,000

and then the next thing though they find

1443

00:51:15,270 --> 00:51:13,599

the body in the canal so

1444

00:51:16,549 --> 00:51:15,280

maybe it's like the shanghai tunnels out

1445

00:51:17,750 --> 00:51:16,559

here there's some kind of underground

1446

00:51:19,829 --> 00:51:17,760

way that they're

1447

00:51:21,750 --> 00:51:19,839

dropping them down through a tunnel and

1448

00:51:25,349 --> 00:51:21,760

and sending them out into the canal but

1449

00:51:28,470 --> 00:51:27,510

you know the only place that i can

1450

00:51:31,430 --> 00:51:28,480

really recall

1451
00:51:31,829 --> 00:51:31,440
that happening that i got involved with

1452
00:51:36,069 --> 00:51:31,839
was

1453
00:51:39,910 --> 00:51:36,079
uh in la crosse wisconsin uh

1454
00:51:43,270 --> 00:51:39,920
it's a college town and uh

1455
00:51:45,990 --> 00:51:43,280
these kids would hang around the bars

1456
00:51:47,589 --> 00:51:46,000
that was close to the this area of the

1457
00:51:48,630 --> 00:51:47,599
city where there were a lot of bars and

1458
00:51:51,670 --> 00:51:48,640
such

1459
00:51:54,790 --> 00:51:51,680
uh we're area close to the parks

1460
00:51:59,270 --> 00:51:54,800
beside the uh mississippi river

1461
00:52:02,390 --> 00:51:59,280
and in the past i don't know

1462
00:52:05,750 --> 00:52:02,400
12 years or so there have been 20

1463
00:52:07,750 --> 00:52:05,760

at least 20 uh people that have

1464

00:52:09,670 --> 00:52:07,760

young people that have died and have

1465

00:52:12,790 --> 00:52:09,680

been found in mississippi

1466

00:52:13,910 --> 00:52:12,800

in that area they have no explanation

1467

00:52:16,950 --> 00:52:13,920

for it

1468

00:52:18,549 --> 00:52:16,960

uh somebody would see one of these kids

1469

00:52:21,190 --> 00:52:18,559

go into the pub

1470

00:52:22,470 --> 00:52:21,200

be drinking with them or socializing

1471

00:52:25,270 --> 00:52:22,480

with them

1472

00:52:26,069 --> 00:52:25,280

and uh you know you the first thing you

1473

00:52:27,670 --> 00:52:26,079

think is when the

1474

00:52:29,589 --> 00:52:27,680

body turns up well they were drunk and

1475

00:52:32,790 --> 00:52:29,599

made a bad step somewhere

1476

00:52:36,230 --> 00:52:32,800

well i mean they just don't really have

1477

00:52:40,069 --> 00:52:36,240

any explanation for it now there were

1478

00:52:41,510 --> 00:52:40,079

a few that were associated to the happy

1479

00:52:43,270 --> 00:52:41,520

face killer

1480

00:52:44,829 --> 00:52:43,280

uh you know where they saw the happy

1481

00:52:47,349 --> 00:52:44,839

face had been drawn

1482

00:52:49,750 --> 00:52:47,359

nearby but that was only just a few of

1483

00:52:52,950 --> 00:52:49,760

them but there have been many more

1484

00:52:55,750 --> 00:52:52,960

that's a strange that's a strange job

1485

00:52:56,870 --> 00:52:55,760

yeah bunch of pieces out there i've

1486

00:52:58,870 --> 00:52:56,880

heard people

1487

00:53:00,630 --> 00:52:58,880

you know put that in with the missing

1488

00:53:01,910 --> 00:53:00,640

four one once i fold that it's serial

1489

00:53:03,990 --> 00:53:01,920

killer

1490

00:53:04,950 --> 00:53:04,000

but if it is they're they're 100

1491

00:53:06,950 --> 00:53:04,960

successful

1492

00:53:08,710 --> 00:53:06,960

and they don't leave behind any evidence

1493

00:53:11,030 --> 00:53:08,720

not a shred so

1494

00:53:12,630 --> 00:53:11,040

i just i don't see that i mean i can see

1495

00:53:13,990 --> 00:53:12,640

how some of them could be that way and

1496

00:53:16,870 --> 00:53:14,000

that's the thing

1497

00:53:17,270 --> 00:53:16,880

there is no really hard and fast thing

1498

00:53:19,349 --> 00:53:17,280

that

1499

00:53:21,030 --> 00:53:19,359

everything fits but everything kind of

1500

00:53:22,069 --> 00:53:21,040

fits a little bit of all the different

1501
00:53:23,589 --> 00:53:22,079
theories

1502
00:53:24,790 --> 00:53:23,599
it could be a government it could be

1503
00:53:26,710 --> 00:53:24,800
aliens it could be something

1504
00:53:28,309 --> 00:53:26,720
extraterrestrial or

1505
00:53:30,549 --> 00:53:28,319
from another dimension it could be

1506
00:53:33,589 --> 00:53:30,559
serial killers it could be

1507
00:53:36,470 --> 00:53:33,599
who knows what but there's definitely

1508
00:53:38,390 --> 00:53:36,480
something going on out there

1509
00:53:39,589 --> 00:53:38,400
yeah you start to wonder whether

1510
00:53:43,190 --> 00:53:39,599
paranormal

1511
00:53:45,349 --> 00:53:43,200
serial killers out there yeah

1512
00:53:46,230 --> 00:53:45,359
and i mentioned the grim shows that were

1513
00:53:50,150 --> 00:53:46,240

on you know

1514

00:53:52,390 --> 00:53:50,160

and supposedly based out of portland

1515

00:53:54,069 --> 00:53:52,400

uh you know that was pretty wild stuff

1516

00:53:55,910 --> 00:53:54,079

that show anyway

1517

00:53:57,910 --> 00:53:55,920

you know it was funny how they used to

1518

00:54:02,630 --> 00:53:57,920

incorporate actual

1519

00:54:06,230 --> 00:54:02,640

uh more in the paranormal into that show

1520

00:54:08,230 --> 00:54:06,240

and uh you know if you took it seriously

1521

00:54:09,589 --> 00:54:08,240

you think wow there's a lot of

1522

00:54:11,190 --> 00:54:09,599

there's a lot of weird stuff but there

1523

00:54:13,190 --> 00:54:11,200

is a lot of weird stuff that goes on out

1524

00:54:16,950 --> 00:54:13,200

there i know that for a fact

1525

00:54:18,230 --> 00:54:16,960

but uh you know let me ask you this have

1526

00:54:21,510 --> 00:54:18,240

you experienced anything

1527

00:54:24,710 --> 00:54:21,520

bizarre since you've lived out there

1528

00:54:25,910 --> 00:54:24,720

uh well the the glimmer person thing

1529

00:54:29,750 --> 00:54:25,920

that i talked about

1530

00:54:32,069 --> 00:54:29,760

right downtown um i had another

1531

00:54:33,349 --> 00:54:32,079

weird thing happen at an old victorian

1532

00:54:37,030 --> 00:54:33,359

house that i lived in

1533

00:54:40,230 --> 00:54:37,040

for a few years out here back in the 90s

1534

00:54:41,829 --> 00:54:40,240

i had a black-eyed kids encounter

1535

00:54:43,510 --> 00:54:41,839

yeah and i that's one of the ones i

1536

00:54:45,109 --> 00:54:43,520

don't talk about too much i'll

1537

00:54:46,549 --> 00:54:45,119

occasionally tell it

1538

00:54:49,430 --> 00:54:46,559

and the first time i ever told it

1539

00:54:51,589 --> 00:54:49,440

publicly that night and lon

1540

00:54:53,349 --> 00:54:51,599

that house i had security cameras i had

1541

00:54:55,349 --> 00:54:53,359

perimeter alarms

1542

00:54:57,510 --> 00:54:55,359

i had everything i would know if

1543

00:54:59,430 --> 00:54:57,520

somebody were even close to the house

1544

00:55:00,789 --> 00:54:59,440

but that night after i told that story

1545

00:55:04,069 --> 00:55:00,799

for the first time

1546

00:55:05,990 --> 00:55:04,079

on the air i had a knock on the door

1547

00:55:07,349 --> 00:55:06,000

about three am

1548

00:55:08,870 --> 00:55:07,359

and again it didn't trip any of the

1549

00:55:09,750 --> 00:55:08,880

alarms it didn't trip any of the cameras

1550

00:55:11,829 --> 00:55:09,760

or anything

1551
00:55:13,430 --> 00:55:11,839
and then there was a scream sounded like

1552
00:55:14,789 --> 00:55:13,440
it started on the front porch came all

1553
00:55:17,349 --> 00:55:14,799
the way through the house continued

1554
00:55:19,510 --> 00:55:17,359
screaming and went out the back door

1555
00:55:20,950 --> 00:55:19,520
and i thought my daughter had something

1556
00:55:22,390 --> 00:55:20,960
terrible happen to her she was living

1557
00:55:23,990 --> 00:55:22,400
with me at the time i

1558
00:55:25,829 --> 00:55:24,000
ran to her room and flung open the door

1559
00:55:27,589 --> 00:55:25,839
she sounded asleep

1560
00:55:29,030 --> 00:55:27,599
and i said did you hear that screaming

1561
00:55:31,430 --> 00:55:29,040
and she said i told you not to talk

1562
00:55:34,950 --> 00:55:31,440
about those black-eyed kids

1563
00:55:38,630 --> 00:55:34,960

but had that happen out here um

1564

00:55:40,470 --> 00:55:38,640

i think what else there's a place here

1565

00:55:43,109 --> 00:55:40,480

out in the county called the troll

1566

00:55:44,870 --> 00:55:43,119

bridge that i've got a video on my 13

1567

00:55:47,349 --> 00:55:44,880

past midnight channel

1568

00:55:48,950 --> 00:55:47,359

about that it's more just like a creepy

1569

00:55:51,109 --> 00:55:48,960

legend type thing

1570

00:55:54,309 --> 00:55:51,119

but there's definitely a presence there

1571

00:55:56,309 --> 00:55:54,319

it's a misused railroad trestle

1572

00:55:57,910 --> 00:55:56,319

where years ago somebody started putting

1573

00:55:59,190 --> 00:55:57,920

these little troll dolls on it the ones

1574

00:56:02,789 --> 00:55:59,200

with the the spiked up

1575

00:56:04,230 --> 00:56:02,799

multicolored hair and just depending on

1576

00:56:06,390 --> 00:56:04,240

when you go there there may be a few

1577

00:56:09,030 --> 00:56:06,400

dozen up to a few hundred of them

1578

00:56:11,030 --> 00:56:09,040

and people have even climbed way up into

1579

00:56:13,670 --> 00:56:11,040

the trestle and put them up there

1580

00:56:15,190 --> 00:56:13,680

and legend says that if you bring one

1581

00:56:16,549 --> 00:56:15,200

and put it there it's good luck but if

1582

00:56:18,630 --> 00:56:16,559

you take one

1583

00:56:20,309 --> 00:56:18,640

it's bad luck and i'm gonna talk to a

1584

00:56:21,750 --> 00:56:20,319

lady who uh

1585

00:56:23,109 --> 00:56:21,760

swore that she had stopped there one

1586

00:56:24,390 --> 00:56:23,119

time there was one on the ground and

1587

00:56:25,589 --> 00:56:24,400

instead of putting it back on the bridge

1588

00:56:26,950 --> 00:56:25,599

like you're supposed to do she took it

1589

00:56:28,549 --> 00:56:26,960

home with her

1590

00:56:30,470 --> 00:56:28,559

and then she started having all this

1591

00:56:33,510 --> 00:56:30,480

unexplained phenomena happened

1592

00:56:35,030 --> 00:56:33,520

she would hear giggling and little feet

1593

00:56:36,390 --> 00:56:35,040

and find things moved around in her

1594

00:56:37,510 --> 00:56:36,400

house she lived alone she didn't have

1595

00:56:39,670 --> 00:56:37,520

any pets

1596

00:56:40,950 --> 00:56:39,680

and finally she decided it was the curse

1597

00:56:42,470 --> 00:56:40,960

of the troll doll

1598

00:56:44,309 --> 00:56:42,480

she took it put it back on the bridge

1599

00:56:45,670 --> 00:56:44,319

and the activity stopped

1600

00:56:47,910 --> 00:56:45,680

not never is that one of those things

1601
00:56:49,829 --> 00:56:47,920
like a tuple where just thinking about

1602
00:56:53,349 --> 00:56:49,839
it and putting that energy out there

1603
00:56:54,789 --> 00:56:53,359
can bring it back to you cause possibly

1604
00:56:56,390 --> 00:56:54,799
you know you hear a lot about things

1605
00:56:58,630 --> 00:56:56,400
like that um

1606
00:56:59,910 --> 00:56:58,640
i've had some time slips out here too

1607
00:57:02,390 --> 00:56:59,920
simple time

1608
00:57:03,829 --> 00:57:02,400
i was i think that's what it was i was

1609
00:57:06,069 --> 00:57:03,839
downtown once

1610
00:57:07,670 --> 00:57:06,079
and uh this is in broad daylight and i

1611
00:57:09,109 --> 00:57:07,680
was just turning a corner to go around

1612
00:57:11,109 --> 00:57:09,119
the building i think it was a bank or

1613
00:57:12,950 --> 00:57:11,119

something there big building

1614

00:57:14,309 --> 00:57:12,960

and just as i turned the corner there

1615

00:57:15,750 --> 00:57:14,319

was a guy coming the other direction

1616

00:57:18,950 --> 00:57:15,760

turning in the corner

1617

00:57:20,230 --> 00:57:18,960

and he had on like 1800 style clothing

1618

00:57:21,910 --> 00:57:20,240

with a

1619

00:57:23,190 --> 00:57:21,920

it wasn't an abe lincoln style hat it

1620

00:57:25,190 --> 00:57:23,200

wasn't that tall but it was kind of a

1621

00:57:26,470 --> 00:57:25,200

top hat type thing

1622

00:57:27,750 --> 00:57:26,480

just as i turned the corner i thought

1623

00:57:29,190 --> 00:57:27,760

well i want to get a look at that i

1624

00:57:29,829 --> 00:57:29,200

thought it was you know maybe a cosplay

1625

00:57:33,430 --> 00:57:29,839

or

1626
00:57:33,829 --> 00:57:33,440
something and we made a few steps i

1627
00:57:36,069 --> 00:57:33,839
turned

1628
00:57:37,910 --> 00:57:36,079
right around went back around the corner

1629
00:57:41,270 --> 00:57:37,920
no sign of the guy anywhere

1630
00:57:42,870 --> 00:57:41,280
and that side of the street there was no

1631
00:57:45,109 --> 00:57:42,880
entrances or anything to the building

1632
00:57:47,510 --> 00:57:45,119
other than windows that were all closed

1633
00:57:48,950 --> 00:57:47,520
and nothing on the other side there was

1634
00:57:51,430 --> 00:57:48,960
no way he could have gone

1635
00:57:52,230 --> 00:57:51,440
anywhere in that short time so i don't

1636
00:57:54,710 --> 00:57:52,240
know if

1637
00:57:56,549 --> 00:57:54,720
if i slipped or if he did or if it was a

1638
00:57:57,990 --> 00:57:56,559

ghost in broad daylight

1639

00:58:01,190 --> 00:57:58,000

or what one of those things it makes you

1640

00:58:04,309 --> 00:58:02,789

well steve before we go i want you to

1641

00:58:05,910 --> 00:58:04,319

tell folks how they can get all your

1642

00:58:09,190 --> 00:58:05,920

books and uh

1643

00:58:12,309 --> 00:58:09,200

you know what productions you have and

1644

00:58:14,950 --> 00:58:12,319

how other things involve with uh

1645

00:58:15,829 --> 00:58:14,960

either youtube or your facebook or a

1646

00:58:18,390 --> 00:58:15,839

website

1647

00:58:20,069 --> 00:58:18,400

absolutely my book's available on amazon

1648

00:58:23,030 --> 00:58:20,079

and whoever find books are sold my

1649

00:58:25,910 --> 00:58:23,040

publisher told me to say that

1650

00:58:26,549 --> 00:58:25,920

stern's things in the woods and that's

1651

00:58:28,230 --> 00:58:26,559

actually

1652

00:58:29,430 --> 00:58:28,240

my first two books combined i used to

1653

00:58:31,109 --> 00:58:29,440

have strange things in the woods and

1654

00:58:33,270 --> 00:58:31,119

more strange things in the woods

1655

00:58:34,549 --> 00:58:33,280

that's both combined into one and then

1656

00:58:35,990 --> 00:58:34,559

the other book that's also out in

1657

00:58:38,630 --> 00:58:36,000

paperback is my strange

1658

00:58:39,829 --> 00:58:38,640

world the first one strange things in

1659

00:58:41,109 --> 00:58:39,839

the woods that's stories that i've

1660

00:58:43,829 --> 00:58:41,119

collected from

1661

00:58:45,430 --> 00:58:43,839

friends family friends of family that

1662

00:58:47,510 --> 00:58:45,440

type thing over the years

1663

00:58:49,349 --> 00:58:47,520

and my strange world those are an

1664

00:58:49,990 --> 00:58:49,359

account of some of my personal

1665

00:58:52,710 --> 00:58:50,000

experiences

1666

00:58:53,750 --> 00:58:52,720

that's as much as i could fit in one

1667

00:58:55,910 --> 00:58:53,760

book

1668

00:58:57,510 --> 00:58:55,920

but um gather they're on amazon or like

1669

00:59:00,309 --> 00:58:57,520

i said whoever you buy books

1670

00:59:01,109 --> 00:59:00,319

uh paperback ebook and uh strange things

1671

00:59:04,309 --> 00:59:01,119

in the woods is an

1672

00:59:05,750 --> 00:59:04,319

audible version i'm on youtube i have uh

1673

00:59:07,430 --> 00:59:05,760

13 past midnight

1674

00:59:09,190 --> 00:59:07,440

which is my personal channel where i

1675

00:59:10,309 --> 00:59:09,200

narrate things from my books and some

1676

00:59:12,630 --> 00:59:10,319

other

1677

00:59:14,069 --> 00:59:12,640

uh encounters and a little bit of

1678

00:59:15,670 --> 00:59:14,079

everything on there

1679

00:59:17,190 --> 00:59:15,680

there's some fiction and stuff on there

1680

00:59:19,190 --> 00:59:17,200

as well and then

1681

00:59:20,630 --> 00:59:19,200

bill melder who's in the chat there is

1682

00:59:23,910 --> 00:59:20,640

missing persons in ministries

1683

00:59:25,670 --> 00:59:23,920

we do that channel together uh we cover

1684

00:59:27,910 --> 00:59:25,680

much like it says missing person cases

1685

00:59:30,950 --> 00:59:27,920

and then on the mystery side of that

1686

00:59:34,549 --> 00:59:30,960

we use that as a lot of leeway

1687

00:59:35,589 --> 00:59:34,559

and cover anything mysterious we have

1688

00:59:37,270 --> 00:59:35,599

cryptids and

1689

00:59:39,670 --> 00:59:37,280

and other things on there so missing

1690

00:59:42,710 --> 00:59:39,680

persons and ministries i'm on facebook

1691

00:59:45,750 --> 00:59:42,720

steve stockton81 and i'm on twitter

1692

00:59:47,190 --> 00:59:45,760

strange and odd is my twitter handle and

1693

00:59:49,750 --> 00:59:47,200

i love to hear from folks

1694

00:59:52,710 --> 00:59:49,760

and my email address is all over the web

1695

00:59:55,190 --> 00:59:52,720

it's in the back of all my books

1696

00:59:57,030 --> 00:59:55,200

before you go i got a question here from

1697

00:59:58,309 --> 00:59:57,040

ryan who wants to know if you have any

1698

01:00:03,349 --> 00:59:58,319

accounts

1699

01:00:08,069 --> 01:00:05,910

hmm i've i've never had a men in black

1700

01:00:08,549 --> 01:00:08,079

encounter i know about them like from

1701

01:00:14,470 --> 01:00:08,559

the

1702

01:00:17,430 --> 01:00:14,480

of like this trickster figure

1703

01:00:19,109 --> 01:00:17,440

and if you look starting back like

1704

01:00:20,069 --> 01:00:19,119

around the men in black and then going

1705

01:00:22,309 --> 01:00:20,079

forward

1706

01:00:23,990 --> 01:00:22,319

then a few years later you had the

1707

01:00:26,150 --> 01:00:24,000

phantom clowns

1708

01:00:27,430 --> 01:00:26,160

then you had the black-eyed children

1709

01:00:28,870 --> 01:00:27,440

yeah you know it's just

1710

01:00:31,829 --> 01:00:28,880

it's like there's something out there

1711

01:00:33,190 --> 01:00:31,839

that tries to entice people or talk to

1712

01:00:34,710 --> 01:00:33,200

people or interact with people but they

1713

01:00:36,549 --> 01:00:34,720

don't get it quite right

1714

01:00:38,390 --> 01:00:36,559

you know in black they they wear nice

1715

01:00:40,390 --> 01:00:38,400

clothes they drive nice cars

1716

01:00:41,670 --> 01:00:40,400

but they they speak weird and they look

1717

01:00:43,510 --> 01:00:41,680

like robots

1718

01:00:45,910 --> 01:00:43,520

well phantom clowns you know who doesn't

1719

01:00:47,990 --> 01:00:45,920

like clowns but these are scary clowns

1720

01:00:50,630 --> 01:00:48,000

that come out of the woods and chase you

1721

01:00:52,630 --> 01:00:50,640

and the black-eyed kids oh well we'll

1722

01:00:53,829 --> 01:00:52,640

send kids out to interact with people

1723

01:00:55,510 --> 01:00:53,839

everybody likes kids

1724

01:00:57,750 --> 01:00:55,520

but these are weird little kids with jet

1725

01:00:58,789 --> 01:00:57,760

black eyes that talk weird and do weird

1726

01:01:01,750 --> 01:00:58,799

things

1727

01:01:03,510 --> 01:01:01,760

so if i ever disappear it was probably

1728

01:01:08,069 --> 01:01:03,520

the

1729

01:01:09,710 --> 01:01:08,079

bikini models with pizza and heavy metal

1730

01:01:12,710 --> 01:01:09,720

albums that i let in

1731

01:01:14,470 --> 01:01:12,720

[Laughter]

1732

01:01:16,390 --> 01:01:14,480

well steve thanks again for coming on

1733

01:01:18,069 --> 01:01:16,400

the show it's my pleasure

1734

01:01:19,510 --> 01:01:18,079

i'd like to have you come back and get

1735

01:01:21,750 --> 01:01:19,520

another book out and

1736

01:01:23,670 --> 01:01:21,760

uh we'll talk again sure i just got a

1737

01:01:24,870 --> 01:01:23,680

contract for three more so uh

1738

01:01:26,710 --> 01:01:24,880

i'll have something coming up within a

1739

01:01:30,710 --> 01:01:26,720

few months sounds good

1740

01:01:34,150 --> 01:01:32,470

now if you have an unexplained counter

1741

01:01:36,309 --> 01:01:34,160

sighting feel free to contact me through

1742

01:01:37,910 --> 01:01:36,319

the phantoms of monsters blog site

1743

01:01:40,390 --> 01:01:37,920

uh if you're interested in supporting

1744

01:01:43,589 --> 01:01:40,400

fans of monsters or arcane radio

1745

01:01:44,230 --> 01:01:43,599

you can use the paypal donation buttons

1746

01:01:47,510 --> 01:01:44,240

or

1747

01:01:49,349 --> 01:01:47,520

links on the blog and newsletter uh we

1748

01:01:53,670 --> 01:01:49,359

have a few things going on we got a

1749

01:01:56,230 --> 01:01:53,680

a gofundme page for david

1750

01:01:57,029 --> 01:01:56,240

eckhart trying to buy some equipment for

1751

01:02:00,309 --> 01:01:57,039

him

1752

01:02:03,990 --> 01:02:00,319

so he can continue to get better

1753

01:02:05,750 --> 01:02:04,000

uh alien images uh at his home and his

1754

01:02:08,150 --> 01:02:05,760

research

1755

01:02:09,990 --> 01:02:08,160

is also part of the fans of monster 4g

1756

01:02:12,549 --> 01:02:10,000

research team now

1757

01:02:13,029 --> 01:02:12,559

and uh he's going to be getting involved

1758

01:02:16,309 --> 01:02:13,039

with

1759

01:02:18,069 --> 01:02:16,319

a few cases that we are constantly

1760

01:02:20,470 --> 01:02:18,079

getting

1761

01:02:21,430 --> 01:02:20,480

i'm going to be on coast to coast next

1762

01:02:25,190 --> 01:02:21,440

tuesday night

1763

01:02:25,589 --> 01:02:25,200

wednesday morning uh you can hear me on

1764

01:02:27,430 --> 01:02:25,599

there

1765

01:02:29,910 --> 01:02:27,440

that'll be interesting i've been on

1766

01:02:33,109 --> 01:02:29,920

there several times now

1767

01:02:36,150 --> 01:02:33,119

and uh it usually is very fruitful

1768

01:02:38,630 --> 01:02:36,160

as far as getting cases coming my way so

1769

01:02:41,670 --> 01:02:38,640

hopefully that'll be the case again

1770

01:02:45,589 --> 01:02:41,680

and uh the beyond

1771

01:02:47,670 --> 01:02:45,599

explanation membership uh you become a

1772

01:02:49,990 --> 01:02:47,680

member of this channel

1773

01:02:51,750 --> 01:02:50,000

on youtube and get a lot of different

1774

01:02:54,710 --> 01:02:51,760

perks a lot of

1775

01:02:56,470 --> 01:02:54,720

premieres before everybody else gets

1776

01:02:57,990 --> 01:02:56,480

them we've got some things coming up

1777

01:03:01,270 --> 01:02:58,000

very soon

1778

01:03:04,710 --> 01:03:01,280

uh you know get on board it's

1779

01:03:08,230 --> 01:03:04,720

very very cheap 2.99 a month

1780

01:03:10,309 --> 01:03:08,240

and uh you you know be able to see a few

1781

01:03:12,630 --> 01:03:10,319

things here a few things

1782

01:03:14,630 --> 01:03:12,640

uh before everybody else does and we're

1783

01:03:16,069 --> 01:03:14,640

gonna have discounts on merchandise when

1784

01:03:19,349 --> 01:03:16,079

that starts

1785

01:03:22,470 --> 01:03:19,359

so you know become part of the team

1786

01:03:25,670 --> 01:03:22,480

uh i want to again thank steve stockton

1787

01:03:26,470 --> 01:03:25,680

for coming on this evening and i want to

1788

01:03:29,029 --> 01:03:26,480

thank you

1789

01:03:30,069 --> 01:03:29,039

for listening to the show just stay
