black winged humanoid observed in cape

11  
00:00:38,389 --> 00:00:35,600  
girardeau missouri

12  
00:00:40,229 --> 00:00:38,399  
me my two girls and my fiance went to a

13  
00:00:42,549 --> 00:00:40,239

little street area where the houses have

14

00:00:44,549 --> 00:00:42,559

halloween decorations at night time

15

00:00:46,229 --> 00:00:44,559

we went down one way and then came back

16

00:00:47,190 --> 00:00:46,239

the other way to look at both sides of

17

00:00:49,750 --> 00:00:47,200

the street

18

00:00:51,590 --> 00:00:49,760

we did that and we were headed back home

19

00:00:53,350 --> 00:00:51,600

we came up over a hill and when we got

20

00:00:55,670 --> 00:00:53,360

down almost to the stop sign

21

00:00:57,670 --> 00:00:55,680

that's when i saw it it was like a human

22

00:00:59,430 --> 00:00:57,680

figure but with big wings the feet and

23

00:01:00,470 --> 00:00:59,440

toes were pointed to the ground and had

24

00:01:02,790 --> 00:01:00,480

scrummy legs

25

00:01:04,149 --> 00:01:02,800

but muscled at the calf the feet were

26

00:01:06,550 --> 00:01:04,159

long but pointy

27

00:01:07,350 --> 00:01:06,560

it was maybe six feet tall the wings

28

00:01:09,590 --> 00:01:07,360

weren't open

29

00:01:11,590 --> 00:01:09,600

they were still closed the creatures

30

00:01:13,590 --> 00:01:11,600

wings looked like they were made of skin

31

00:01:15,670 --> 00:01:13,600

were really pointy and they were past

32

00:01:17,190 --> 00:01:15,680

its head the creature just looked like

33

00:01:18,870 --> 00:01:17,200

somebody getting ready to dive

34

00:01:21,429 --> 00:01:18,880

off of something like they have their

35

00:01:23,109 --> 00:01:21,439

hands out the wings were over top of it

36

00:01:25,350 --> 00:01:23,119

and they were pulled in like wrapped

37

00:01:26,310 --> 00:01:25,360

around it the wings weren't as long as

38

00:01:28,070 --> 00:01:26,320

the body

39

00:01:29,590 --> 00:01:28,080

they came out over the head but were

40

00:01:31,510 --> 00:01:29,600

shorter than the legs

41

00:01:33,350 --> 00:01:31,520

his head was really little and round

42

00:01:35,590 --> 00:01:33,360

kind of pointed but round

43

00:01:37,749 --> 00:01:35,600

about 100 feet from the stop sign to the

44

00:01:39,670 --> 00:01:37,759

right is a grove of tall trees

45

00:01:41,910 --> 00:01:39,680

about two to three acres of big tall

46

00:01:44,149 --> 00:01:41,920

trees that's where i saw it

47

00:01:45,830 --> 00:01:44,159

it looked like it had leaped or dove it

48

00:01:47,990 --> 00:01:45,840

was higher than the street lights but

49

00:01:49,109 --> 00:01:48,000

not real high midway over the road but

50

00:01:50,950 --> 00:01:49,119

in the sky

51  
00:01:52,950 --> 00:01:50,960  
the life in the softball field littered

52  
00:01:54,630 --> 00:01:52,960  
some it didn't look like the creature

53  
00:01:56,550 --> 00:01:54,640  
had any fur feathers

54  
00:01:58,389 --> 00:01:56,560  
it was bigger than a bird it didn't look

55  
00:01:59,590 --> 00:01:58,399  
like a bird it was blacker than the

56  
00:02:01,429 --> 00:01:59,600  
night itself

57  
00:02:02,950 --> 00:02:01,439  
when i saw it it was kind of like

58  
00:02:05,030 --> 00:02:02,960  
jeepers creepers

59  
00:02:06,789 --> 00:02:05,040  
i was going to get my phone out but then

60  
00:02:08,070 --> 00:02:06,799  
i thought what if it sees me and tries

61  
00:02:09,910 --> 00:02:08,080  
to come after me

62  
00:02:11,589 --> 00:02:09,920  
i'd never seen or read about anything

63  
00:02:13,510 --> 00:02:11,599

like that until i looked it up to see if

64

00:02:14,470 --> 00:02:13,520

anybody else had seen any other bad

65

00:02:16,150 --> 00:02:14,480

looking humans

66

00:02:18,390 --> 00:02:16,160

it was a shock to see something like

67

00:02:20,830 --> 00:02:18,400

that it is a little scary to go out at

68

00:02:27,030 --> 00:02:20,840

night and know something like that's out

69

00:02:31,110 --> 00:02:28,869

the following account was forwarded to

70

00:02:33,270 --> 00:02:31,120

phantoms and monsters 40 in research and

71

00:02:37,190 --> 00:02:33,280

the singular fortian society

72

00:02:39,430 --> 00:02:37,200

investigator tobias wayland

73

00:02:41,350 --> 00:02:39,440

spoke recently with two sisters who said

74

00:02:43,190 --> 00:02:41,360

they saw a strange flying creature in

75

00:02:44,790 --> 00:02:43,200

late august of this year near the site

76  
00:02:46,949 --> 00:02:44,800  
where another woman said she'd seen a

77  
00:02:48,790 --> 00:02:46,959  
black humanoid figure with very large

78  
00:02:50,869 --> 00:02:48,800  
wings and legs last october

79  
00:02:54,229 --> 00:02:50,879  
in cape girardeau missouri this is

80  
00:02:58,229 --> 00:02:56,150  
second large black winged humanoid

81  
00:03:00,390 --> 00:02:58,239  
observed in cape girardeau missouri

82  
00:03:02,229 --> 00:03:00,400  
the two women were driving at about six

83  
00:03:04,390 --> 00:03:02,239  
o'clock in the evening on lexington

84  
00:03:05,750 --> 00:03:04,400  
avenue and had just passed sprig street

85  
00:03:07,750 --> 00:03:05,760  
when they had their encounter

86  
00:03:09,910 --> 00:03:07,760  
which took place only about a mile from

87  
00:03:12,790 --> 00:03:09,920  
the previously reported sighting

88  
00:03:13,430 --> 00:03:12,800

beverly 67 was behind the wheel while

89

00:03:17,750 --> 00:03:13,440

brenda

90

00:03:18,790 --> 00:03:17,760

looking at her phone when she heard her

91

00:03:21,509 --> 00:03:18,800

sister exclaim

92

00:03:22,790 --> 00:03:21,519

what was that i was on my phone i heard

93

00:03:24,710 --> 00:03:22,800

her and i looked up

94

00:03:26,630 --> 00:03:24,720

i got a good look at it but i didn't

95

00:03:28,470 --> 00:03:26,640

really know what i was looking at

96

00:03:29,670 --> 00:03:28,480

it seemed like it was just across the

97

00:03:31,830 --> 00:03:29,680

road and gone

98

00:03:34,070 --> 00:03:31,840

there was no place for it to land said

99

00:03:35,910 --> 00:03:34,080

brenda she described the creature as

100

00:03:37,910 --> 00:03:35,920

being big and blackish brownish

101  
00:03:39,990 --> 00:03:37,920  
more brown than black but dark and

102  
00:03:42,309 --> 00:03:40,000  
shaped like nothing i've ever seen

103  
00:03:44,070 --> 00:03:42,319  
i saw a lot of movement like wings i saw

104  
00:03:46,309 --> 00:03:44,080  
more of that than anything else

105  
00:03:47,430 --> 00:03:46,319  
i'd say it was five or six feet tall

106  
00:03:49,509 --> 00:03:47,440  
maybe bigger

107  
00:03:50,470 --> 00:03:49,519  
i was kind of rationalizing what i was

108  
00:03:52,470 --> 00:03:50,480  
looking at

109  
00:03:54,309 --> 00:03:52,480  
there were no feet i just saw a big

110  
00:03:56,550 --> 00:03:54,319  
brown mass basically

111  
00:03:58,630 --> 00:03:56,560  
but it did feel like i saw movement like

112  
00:04:00,710 --> 00:03:58,640  
wings or something brenda said

113  
00:04:02,390 --> 00:04:00,720

i saw whipping fluttering motion and it

114

00:04:03,030 --> 00:04:02,400

looked like it almost took up the whole

115

00:04:04,869 --> 00:04:03,040

route

116

00:04:06,070 --> 00:04:04,879

it probably didn't but that's what it

117

00:04:08,149 --> 00:04:06,080

looked like to me

118

00:04:10,229 --> 00:04:08,159

i honestly wondered at first if it was a

119

00:04:11,910 --> 00:04:10,239

big throw rug flying across the road and

120

00:04:13,270 --> 00:04:11,920

whipping up in the wind or something but

121

00:04:15,589 --> 00:04:13,280

there was no wind

122

00:04:17,990 --> 00:04:15,599

it wasn't a stormy day or anything i

123

00:04:20,469 --> 00:04:18,000

said oh my god we saw mothman

124

00:04:22,629 --> 00:04:20,479

however said brenda her sister beverly

125

00:04:24,550 --> 00:04:22,639

saw much more of the thing than she did

126

00:04:26,070 --> 00:04:24,560

according to beverly it looked like it

127

00:04:27,990 --> 00:04:26,080

might have come from the side of the

128

00:04:30,310 --> 00:04:28,000

road there are some trees there but

129

00:04:31,189 --> 00:04:30,320

it was fully in our vision in the car it

130

00:04:32,710 --> 00:04:31,199

wasn't high

131

00:04:34,710 --> 00:04:32,720

it was maybe eight feet off of the

132

00:04:35,909 --> 00:04:34,720

ground you could see underneath it you

133

00:04:38,390 --> 00:04:35,919

could see over it

134

00:04:39,670 --> 00:04:38,400

it was probably five to six feet long

135

00:04:41,350 --> 00:04:39,680

and it was brown

136

00:04:43,590 --> 00:04:41,360

it didn't look like it had feathers to

137

00:04:45,350 --> 00:04:43,600

me it looked like it had membranes

138

00:04:47,590 --> 00:04:45,360

it looked like it had webbed membranous

139

00:04:49,670 --> 00:04:47,600

wings and there were a lot of wings

140

00:04:50,710 --> 00:04:49,680

some were flapping they were ribbed like

141

00:04:52,710 --> 00:04:50,720

umbrellas

142

00:04:54,550 --> 00:04:52,720

it didn't look like a pterodactyl but it

143

00:04:56,950 --> 00:04:54,560

looked like those kind of wings

144

00:04:58,629 --> 00:04:56,960

it was probably 10 to 15 feet ahead of

145

00:05:01,110 --> 00:04:58,639

us and it was flying

146

00:05:02,710 --> 00:05:01,120

i didn't see a person like a body shape

147

00:05:04,230 --> 00:05:02,720

but it certainly could have been a thin

148

00:05:05,909 --> 00:05:04,240

something that was long

149

00:05:07,670 --> 00:05:05,919

beverly said the creature looked like

150

00:05:08,390 --> 00:05:07,680

something was shrouded in this bunch of

151  
00:05:10,310 --> 00:05:08,400  
wings

152  
00:05:12,310 --> 00:05:10,320  
it taught skinnier towards the last two

153  
00:05:14,550 --> 00:05:12,320  
feet like they were wrapped around

154  
00:05:17,110 --> 00:05:14,560  
to me it looked like a body shrouded in

155  
00:05:17,590 --> 00:05:17,120  
wings it was definitely wings of some

156  
00:05:19,270 --> 00:05:17,600  
sort

157  
00:05:21,590 --> 00:05:19,280  
and they looked like they were meat not

158  
00:05:24,390 --> 00:05:21,600  
feathers i didn't see any limbs

159  
00:05:26,070 --> 00:05:24,400  
i didn't see a head the 67 year old

160  
00:05:27,350 --> 00:05:26,080  
described the wings moving in an

161  
00:05:29,830 --> 00:05:27,360  
undulating fashion

162  
00:05:30,790 --> 00:05:29,840  
like a wave the wings were moving she

163  
00:05:32,629 --> 00:05:30,800

explained

164

00:05:34,390 --> 00:05:32,639

it looked like it had taken off and it

165

00:05:36,790 --> 00:05:34,400

had these little wings throughout

166

00:05:38,070 --> 00:05:36,800

the way it flew was weird it didn't use

167

00:05:40,390 --> 00:05:38,080

all of its wings at one

168

00:05:41,350 --> 00:05:40,400

time it was the strangest thing i've

169

00:05:43,909 --> 00:05:41,360

ever seen

170

00:05:45,510 --> 00:05:43,919

it rippled kind of neither woman was

171

00:05:47,430 --> 00:05:45,520

able to tell where the creature went

172

00:05:49,590 --> 00:05:47,440

after it flew across the road

173

00:05:51,110 --> 00:05:49,600

i was driving so i didn't see where it

174

00:05:53,029 --> 00:05:51,120

went beverly said

175

00:05:55,350 --> 00:05:53,039

i don't know why we didn't try to stop

176

00:05:57,909 --> 00:05:55,360

and look some more but it was scary

177

00:05:59,590 --> 00:05:57,919

i think that's why as for brenda she

178

00:06:02,309 --> 00:05:59,600

didn't see as much as beverly

179

00:06:03,830 --> 00:06:02,319

because she just looked up and glanced i

180

00:06:05,990 --> 00:06:03,840

didn't see all that detail

181

00:06:07,350 --> 00:06:06,000

she said i did see a glimpse of the

182

00:06:09,670 --> 00:06:07,360

fluttering wing or something

183

00:06:11,430 --> 00:06:09,680

but not all the detailed beverly saw

184

00:06:12,469 --> 00:06:11,440

although the sighting lasted only

185

00:06:14,710 --> 00:06:12,479

several seconds

186

00:06:16,870 --> 00:06:14,720

both women stuck by their story despite

187

00:06:17,350 --> 00:06:16,880

the skepticism expressed by those close

188

00:06:19,350 --> 00:06:17,360

to them

189

00:06:21,749 --> 00:06:19,360

and emphasized that they did not wish to

190

00:06:23,909 --> 00:06:21,759

embellish their testimony in any way

191

00:06:25,749 --> 00:06:23,919

in fact if it wasn't for brenda's son

192

00:06:27,510 --> 00:06:25,759

mentioning the report from october

193

00:06:29,350 --> 00:06:27,520

they may never have reported their own

194

00:06:31,270 --> 00:06:29,360

sighting brenda said that

195

00:06:32,950 --> 00:06:31,280

following their sighting everybody was

196

00:06:35,430 --> 00:06:32,960

saying oh you saw an owl

197

00:06:37,749 --> 00:06:35,440

or whatever i just shut up because

198

00:06:39,670 --> 00:06:37,759

everybody was acting like i'm crazy

199

00:06:41,430 --> 00:06:39,680

we went home kind of scared and

200

00:06:42,309 --> 00:06:41,440

beverly's family acted like we were

201  
00:06:44,230 --> 00:06:42,319  
crazy

202  
00:06:46,550 --> 00:06:44,240  
i honestly don't know how i could shut

203  
00:06:49,110 --> 00:06:46,560  
up about it because i know what i saw

204  
00:06:50,870 --> 00:06:49,120  
i just kind of let it go until my son

205  
00:06:53,350 --> 00:06:50,880  
said that people started seeing it

206  
00:06:55,589 --> 00:06:53,360  
she explained what makes this so funny

207  
00:06:56,950 --> 00:06:55,599  
or odd is that my son messaged me and

208  
00:06:57,909 --> 00:06:56,960  
asked if i'd heard of all these

209  
00:06:59,749 --> 00:06:57,919  
sightings

210  
00:07:02,550 --> 00:06:59,759  
before i heard anything that he'd had to

211  
00:07:03,510 --> 00:07:02,560  
say i told him what we saw i told him

212  
00:07:06,390 --> 00:07:03,520  
where we'd seen it

213  
00:07:07,909 --> 00:07:06,400

and he said mom that's the same area if

214

00:07:09,510 --> 00:07:07,919

we'd have turned instead of going

215

00:07:11,430 --> 00:07:09,520

straight we would have ended up where

216

00:07:13,589 --> 00:07:11,440

the october siding happened

217

00:07:15,589 --> 00:07:13,599

beverly added my husband said it was a

218

00:07:18,790 --> 00:07:15,599

pile of leaves that were swirling

219

00:07:19,670 --> 00:07:18,800

no it's not that's not what it was a

220

00:07:25,029 --> 00:07:19,680

crane

221

00:07:26,950 --> 00:07:25,039

it was very unusual and unsettling

222

00:07:27,749 --> 00:07:26,960

that's why we started talking about it

223

00:07:29,749 --> 00:07:27,759

again

224

00:07:31,749 --> 00:07:29,759

we saw something in the same area as the

225

00:07:32,550 --> 00:07:31,759

other siding and i cannot tell you what

226

00:07:34,950 --> 00:07:32,560

it was

227

00:07:37,029 --> 00:07:34,960

i'm so glad you called she said to lead

228

00:07:39,270 --> 00:07:37,039

investigator to bias wayland

229

00:07:40,790 --> 00:07:39,280

because i wanted to tell somebody but we

230

00:07:41,510 --> 00:07:40,800

just didn't know what to do with the

231

00:07:43,830 --> 00:07:41,520

information

232

00:07:44,869 --> 00:07:43,840

so we just didn't do anything then we

233

00:07:52,790 --> 00:07:44,879

heard talk again

234

00:07:57,350 --> 00:07:55,189

seven foot tall winged humanoid lechuza

235

00:07:59,909 --> 00:07:57,360

encountered in waukegan illinois

236

00:08:00,869 --> 00:07:59,919

it was saturday night and it was about 8

237

00:08:03,350 --> 00:08:00,879

30 at night

238

00:08:04,869 --> 00:08:03,360

i was with a group of friends there were

239

00:08:07,029 --> 00:08:04,879

five of us all together

240

00:08:09,270 --> 00:08:07,039

and just chilling out hanging out and

241

00:08:11,430 --> 00:08:09,280

walking around doing nothing at all

242

00:08:13,510 --> 00:08:11,440

we decided to stop at that convenience

243

00:08:16,150 --> 00:08:13,520

store across the street from the skate

244

00:08:18,309 --> 00:08:16,160

park and pick up some snacks and drinks

245

00:08:20,150 --> 00:08:18,319

me and three others were waiting outside

246

00:08:21,749 --> 00:08:20,160

by the bus stop for our friends to

247

00:08:23,510 --> 00:08:21,759

finish grabbing their stuff

248

00:08:25,029 --> 00:08:23,520

when we saw something moving in the

249

00:08:26,710 --> 00:08:25,039

trees behind us

250

00:08:28,230 --> 00:08:26,720

we thought that it was just someone

251

00:08:30,710 --> 00:08:28,240

walking until we saw

252

00:08:32,790 --> 00:08:30,720

that it had red eyes we laughed thinking

253

00:08:34,310 --> 00:08:32,800

it was someone with a mask on trying to

254

00:08:36,709 --> 00:08:34,320

prank us until we saw

255

00:08:39,110 --> 00:08:36,719

that it must have been like seven feet

256

00:08:41,269 --> 00:08:39,120

we decided to walk over to the bushes

257

00:08:43,589 --> 00:08:41,279

and see if it was someone trying to pull

258

00:08:45,430 --> 00:08:43,599

a bad halloween prank on us

259

00:08:46,949 --> 00:08:45,440

we walked over and that's when we

260

00:08:48,870 --> 00:08:46,959

started hearing a sound

261

00:08:51,110 --> 00:08:48,880

that sounded like a baby when they are

262

00:08:53,269 --> 00:08:51,120

crying it was really high pitch

263

00:08:54,150 --> 00:08:53,279

but still sounded like a baby when they

264

00:08:56,710 --> 00:08:54,160

cry

265

00:08:58,870 --> 00:08:56,720

as we got like closer it got louder and

266

00:08:59,590 --> 00:08:58,880

louder till we were about five to six

267

00:09:01,829 --> 00:08:59,600

feet from it

268

00:09:03,190 --> 00:09:01,839

when we saw it shoot up into the trees

269

00:09:05,509 --> 00:09:03,200

and into the air

270

00:09:06,949 --> 00:09:05,519

we all jumped and screamed as this thing

271

00:09:09,829 --> 00:09:06,959

took off into the air

272

00:09:11,509 --> 00:09:09,839

still staring at us and was gone we all

273

00:09:13,430 --> 00:09:11,519

ran back toward the store

274

00:09:14,949 --> 00:09:13,440

and told our other friends who had just

275

00:09:17,110 --> 00:09:14,959

come from inside

276

00:09:19,350 --> 00:09:17,120

they told us to get off the drugs and

277

00:09:20,389 --> 00:09:19,360

that it was probably an owl or some kind

278

00:09:22,790 --> 00:09:20,399

of bird

279

00:09:24,070 --> 00:09:22,800

we all walked over to the skating park

280

00:09:26,470 --> 00:09:24,080

and jumped the fence

281

00:09:28,070 --> 00:09:26,480

and went to hang out inside sitting on

282

00:09:30,070 --> 00:09:28,080

the edge of the bowl talking

283

00:09:31,509 --> 00:09:30,080

and watching our friends skate around

284

00:09:33,430 --> 00:09:31,519

inside the bowl

285

00:09:35,509 --> 00:09:33,440

we had been there like an hour when we

286

00:09:36,710 --> 00:09:35,519

heard the same sound again coming from

287

00:09:38,630 --> 00:09:36,720

behind us

288

00:09:40,470 --> 00:09:38,640

we all heard it and we turned to see the

289

00:09:42,389 --> 00:09:40,480

same red eyes up in the tree on the

290

00:09:43,269 --> 00:09:42,399

other side of the fence we had jumped to

291

00:09:45,350 --> 00:09:43,279

get in

292

00:09:47,509 --> 00:09:45,360

we all sat there watching it for a few

293

00:09:47,910 --> 00:09:47,519

seconds when it flew back up into the

294

00:09:50,150 --> 00:09:47,920

air

295

00:09:52,630 --> 00:09:50,160

and we were able to barely make out that

296

00:09:54,949 --> 00:09:52,640

it had wings and looked like a person

297

00:09:57,269 --> 00:09:54,959

my friend javier yelled out that it was

298

00:09:59,590 --> 00:09:57,279

a lechuza and we all freaked out

299

00:10:01,590 --> 00:09:59,600

we watched as it flew over us twice and

300

00:10:03,590 --> 00:10:01,600

then flew off into the night

301  
00:10:05,350 --> 00:10:03,600  
we all jumped the fence and walked home

302  
00:10:07,750 --> 00:10:05,360  
as fast as we could

303  
00:10:09,670 --> 00:10:07,760  
the entire time we were walking home we

304  
00:10:11,990 --> 00:10:09,680  
were completely freaked the hell out

305  
00:10:13,829 --> 00:10:12,000  
and we heard the same sound three times

306  
00:10:15,030 --> 00:10:13,839  
but it always seemed to be from above

307  
00:10:17,350 --> 00:10:15,040  
and behind us

308  
00:10:18,310 --> 00:10:17,360  
we got home and we all crashed at our

309  
00:10:20,470 --> 00:10:18,320  
friend's house

310  
00:10:21,910 --> 00:10:20,480  
and didn't leave till the morning i'm

311  
00:10:24,069 --> 00:10:21,920  
not sure what we saw

312  
00:10:25,670 --> 00:10:24,079  
but it really scared the hell out of me

313  
00:10:27,910 --> 00:10:25,680

and all of my friends

314

00:10:29,190 --> 00:10:27,920

i really don't care if you or anyone

315

00:10:31,590 --> 00:10:29,200

else don't believe us

316

00:10:33,590 --> 00:10:31,600

but we all saw and heard the same thing

317

00:10:35,829 --> 00:10:33,600

and we know what happened to us

318

00:10:38,069 --> 00:10:35,839

we weren't hired drunk we were just a

319

00:10:45,990 --> 00:10:38,079

group of friends just trying to get out

320

00:10:47,910 --> 00:10:46,000

and hang out on a saturday night

321

00:10:49,990 --> 00:10:47,920

tall winged humanoid observed by four

322

00:10:51,110 --> 00:10:50,000

witnesses near nuclear plant in lasalle

323

00:10:53,190 --> 00:10:51,120

county illinois

324

00:10:54,870 --> 00:10:53,200

i was out bass fishing with my buddy and

325

00:10:56,630 --> 00:10:54,880

his son and another friend over at the

326

00:10:57,670 --> 00:10:56,640

cooling pond near the power plant south

327

00:10:59,750 --> 00:10:57,680

of seneca

328

00:11:01,430 --> 00:10:59,760

it was very warm that day and we decided

329

00:11:03,350 --> 00:11:01,440

to take the chance to get some late

330

00:11:04,949 --> 00:11:03,360

season fishing done before it got too

331

00:11:06,949 --> 00:11:04,959

cold to be out on the water

332

00:11:09,110 --> 00:11:06,959

we were at our usual spot over by one of

333

00:11:11,030 --> 00:11:09,120

the barriers about a mile in half from

334

00:11:12,230 --> 00:11:11,040

the boat launch where the water is about

335

00:11:13,829 --> 00:11:12,240

15 feet deep

336

00:11:16,550 --> 00:11:13,839

we were sitting around talking and

337

00:11:18,310 --> 00:11:16,560

casting our lines it was about 6 p.m

338

00:11:20,470 --> 00:11:18,320

and we were just about to wrap it up for

339

00:11:22,550 --> 00:11:20,480

the day and head on back to the house

340

00:11:24,310 --> 00:11:22,560

my buddy's son saw it first and said

341

00:11:26,230 --> 00:11:24,320

look at that big bird over there

342

00:11:28,630 --> 00:11:26,240

we all looked to see this thing fly over

343

00:11:29,590 --> 00:11:28,640

the top of us it must have been 20 to 30

344

00:11:31,910 --> 00:11:29,600

feet up in the air

345

00:11:33,829 --> 00:11:31,920

and it was moving silently it wasn't

346

00:11:34,710 --> 00:11:33,839

squawking and making noise like a flock

347

00:11:37,030 --> 00:11:34,720

of goose wood

348

00:11:38,790 --> 00:11:37,040

and it was barely moving its wings we

349

00:11:40,550 --> 00:11:38,800

watched it as it flew over us and in the

350

00:11:42,069 --> 00:11:40,560

direction of the power plant and we

351  
00:11:44,389 --> 00:11:42,079  
seemed that it looked like a tall man

352  
00:11:46,389 --> 00:11:44,399  
with really big wings it flew off toward

353  
00:11:48,470 --> 00:11:46,399  
the plant without making any changes in

354  
00:11:50,310 --> 00:11:48,480  
its path until it was out of sight

355  
00:11:51,990 --> 00:11:50,320  
we saw nothing else after that and we

356  
00:11:53,590 --> 00:11:52,000  
decided that it was enough for us to

357  
00:12:00,550 --> 00:11:53,600  
call it a day and head back to the

358  
00:12:03,990 --> 00:12:03,110  
this is lon strickler if you like this

359  
00:12:05,750 --> 00:12:04,000  
program

360  
00:12:07,110 --> 00:12:05,760  
it would help us if you would give it a

361  
00:12:09,990 --> 00:12:07,120  
thumbs up

362  
00:12:11,990 --> 00:12:10,000  
then subscribe and click the bell icon

363  
00:12:12,550 --> 00:12:12,000

so you'll get notification when we

364

00:12:15,509 --> 00:12:12,560

upload
