9
00:00:32,229 --> 00:00:28,840
so you'll be notified of all future

10
00:00:35,990 --> 00:00:35,510
lost time humanoid encounter one january

11
00:00:37,750 --> 00:00:36,000
morning

12
00:00:39,590 --> 00:00:37,760
i set off on what should have been no

13
00:00:40,549 --> 00:00:39,600

more than a three-hour drive to auckland

14

00:00:42,630 --> 00:00:40,559

new zealand

15

00:00:44,790 --> 00:00:42,640

i arrived at my destination feeling

16

00:00:46,630 --> 00:00:44,800

extremely tired and confused

17

00:00:48,790 --> 00:00:46,640

when i went to the hotel front desk to

18

00:00:49,990 --> 00:00:48,800

check in i was told that i had no room

19

00:00:51,830 --> 00:00:50,000

reservation

20

00:00:53,750 --> 00:00:51,840

then after the desk clerk checked the

21

00:00:54,310 --> 00:00:53,760

records i was stunned to learn that i

22

00:00:56,709 --> 00:00:54,320

had lost

23

00:00:57,430 --> 00:00:56,719

five days and had no idea where i had

24

00:00:59,830 --> 00:00:57,440

been

25

00:01:01,510 --> 00:00:59,840

luckily there was a vacancy so i checked

26

00:01:03,590 --> 00:01:01,520

in and went right to the room

27

00:01:05,189 --> 00:01:03,600

after a quick shower and a bite to eat i

28

00:01:06,870 --> 00:01:05,199

decided to grab a nap

29

00:01:08,950 --> 00:01:06,880

i laid there wondering what had happened

30

00:01:09,350 --> 00:01:08,960

to me and that i may as well drive back

31

00:01:11,109 --> 00:01:09,360

home

32

00:01:12,469 --> 00:01:11,119

because i missed all of the appointments

33

00:01:14,630 --> 00:01:12,479

i had scheduled

34

00:01:16,630 --> 00:01:14,640

eventually i drifted off to sleep but

35

00:01:18,070 --> 00:01:16,640

would wake up every hour also feeling

36

00:01:20,950 --> 00:01:18,080

nervous and helpless

37

00:01:21,749 --> 00:01:20,960

the next day i drove back home after a

38

00:01:24,070 --> 00:01:21,759

few days

39

00:01:25,109 --> 00:01:24,080

though i continued to experience extreme

40

00:01:27,030 --> 00:01:25,119

anxiety

41

00:01:29,030 --> 00:01:27,040

i called my general practitioner and was

42

00:01:30,710 --> 00:01:29,040

able to see him the next day

43

00:01:32,710 --> 00:01:30,720

i didn't tell the doctor about my

44

00:01:34,630 --> 00:01:32,720

experience but did explain my

45

00:01:36,390 --> 00:01:34,640

nervousness and lack of sleep

46

00:01:38,710 --> 00:01:36,400

sensing this was more than a physical

47

00:01:39,590 --> 00:01:38,720

ailment he suggested i see your anxiety

48

00:01:41,030 --> 00:01:39,600

therapist

49

00:01:42,950 --> 00:01:41,040

after several sessions with the

50

00:01:43,749 --> 00:01:42,960

therapist who i confided in about the

51

00:01:45,830 --> 00:01:43,759

lost time

52

00:01:47,749 --> 00:01:45,840

i was recommended to a psychologist who

53

00:01:49,510 --> 00:01:47,759

had dealt with this phenomena before

54

00:01:51,990 --> 00:01:49,520

a week later i went to see the

55

00:01:53,670 --> 00:01:52,000

psychologist as soon as i saw him

56

00:01:55,670 --> 00:01:53,680

i had an instinctive feeling this was

57

00:01:57,510 --> 00:01:55,680

going to be an unusual session

58

00:01:59,910 --> 00:01:57,520

he was fairly young with short blonde

59

00:02:01,910 --> 00:01:59,920

hair his mannerisms were unlike those of

60

00:02:03,910 --> 00:02:01,920

any person i have ever met though i just

61

00:02:04,550 --> 00:02:03,920

couldn't put a finger on why i felt this

62

00:02:06,550 --> 00:02:04,560

way

63

00:02:08,309 --> 00:02:06,560

i sat down in a large leather chair

64

00:02:10,550 --> 00:02:08,319

directly facing the doctor

65

00:02:12,470 --> 00:02:10,560

he stand at me for almost a minute then

66

00:02:13,350 --> 00:02:12,480

smiled and asked me to tell him what i

67

00:02:15,350 --> 00:02:13,360

remembered

68

00:02:16,470 --> 00:02:15,360

all of a sudden a large flash seemed to

69

00:02:17,990 --> 00:02:16,480

hit me in the face

70

00:02:20,229 --> 00:02:18,000

and i was able to remember being

71

00:02:22,070 --> 00:02:20,239

escorted on board a huge craft by a tall

72

00:02:22,790 --> 00:02:22,080

and thin female dressed in a dark grey

73

00:02:24,630 --> 00:02:22,800

elited

74

00:02:26,550 --> 00:02:24,640

her body features were human-like

75

00:02:29,190 --> 00:02:26,560

similar figure with hips and breasts

76

00:02:29,589 --> 00:02:29,200

but a slightly larger head her nose

77

00:02:31,750 --> 00:02:29,599

mouth

78

00:02:33,430 --> 00:02:31,760

ears and hair looked human-like but her

79

00:02:34,710 --> 00:02:33,440

eyes were large and round with onyx

80

00:02:36,470 --> 00:02:34,720

black pupils

81

00:02:38,949 --> 00:02:36,480

i suppose she could be termed as a

82

00:02:41,350 --> 00:02:38,959

humanoid she directed me to a room where

83

00:02:43,350 --> 00:02:41,360

i was told in english to wait

84

00:02:44,949 --> 00:02:43,360

soon i was approached by three other

85

00:02:46,550 --> 00:02:44,959

humanoids one tall

86

00:02:48,550 --> 00:02:46,560

looking like the previous female

87

00:02:49,589 --> 00:02:48,560

humanoid the second a bit shorter one

88

00:02:51,509 --> 00:02:49,599

was male

89

00:02:53,910 --> 00:02:51,519

the third was a very short and stout

90

00:02:56,150 --> 00:02:53,920

male and walked ahead of the other two

91

00:02:58,149 --> 00:02:56,160

all three had similar facial features

92

00:02:58,550 --> 00:02:58,159

except the short stutt humanoid had a

93

00:03:00,790 --> 00:02:58,560

small

94

00:03:02,470 --> 00:03:00,800

mouth and nose i was struck with an

95

00:03:03,110 --> 00:03:02,480

almost overpowering feeling of his

96

00:03:04,790 --> 00:03:03,120

presence

97

00:03:06,869 --> 00:03:04,800

as if he possessed an energy that was

98

00:03:07,670 --> 00:03:06,879

being projected then reabsorbed by his

99

00:03:09,910 --> 00:03:07,680

body

100

00:03:11,830 --> 00:03:09,920

the short humanoid said welcome and told

101
00:03:12,949 --> 00:03:11,840
me that he was the designated guardian

102
00:03:14,949 --> 00:03:12,959
of this section

103
00:03:17,030 --> 00:03:14,959
the humanoids seemed to communicate to

104
00:03:18,309 --> 00:03:17,040
each other by using telepathy in various

105
00:03:20,149 --> 00:03:18,319
hand motions

106
00:03:21,350 --> 00:03:20,159
i was shown another world and arrived at

107
00:03:23,509 --> 00:03:21,360
a huge metropolis

108
00:03:25,190 --> 00:03:23,519
which was very neat and orderly i

109
00:03:27,509 --> 00:03:25,200
noticed when the craft landed that the

110
00:03:29,030 --> 00:03:27,519
city lacked any tall buildings and most

111
00:03:29,670 --> 00:03:29,040
of the buildings were pyramid-shaped

112
00:03:31,110 --> 00:03:29,680
dwellings

113
00:03:33,350 --> 00:03:31,120

and made of what appeared to be a

114

00:03:35,430 --> 00:03:33,360

transparent but tinted material

115

00:03:36,949 --> 00:03:35,440

i was taken to a residential area with

116

00:03:38,149 --> 00:03:36,959

children who were playing just like

117

00:03:39,990 --> 00:03:38,159

human children

118

00:03:41,990 --> 00:03:40,000

the buildings here were cylinder shaped

119

00:03:43,830 --> 00:03:42,000

and opaque the color inside the

120

00:03:46,470 --> 00:03:43,840

buildings was mostly a bright white with

121

00:03:48,390 --> 00:03:46,480

a touch of silver gray and red inside

122

00:03:50,470 --> 00:03:48,400

a soft light seemed to radiate from

123

00:03:51,670 --> 00:03:50,480

everything and all the residents seemed

124

00:03:53,830 --> 00:03:51,680

so peaceful

125

00:03:55,589 --> 00:03:53,840

after what seemed like a few minutes i

126

00:03:57,350 --> 00:03:55,599

remember sitting in my car parked in

127

00:03:59,830 --> 00:03:57,360

front of the hotel in auckland

128

00:04:01,910 --> 00:03:59,840

then i hear the words is that everything

129

00:04:03,589 --> 00:04:01,920

i opened my eyes and looked directly at

130

00:04:05,910 --> 00:04:03,599

the doctor but this time he had

131

00:04:07,429 --> 00:04:05,920

transformed into the small stat humanoid

132

00:04:09,910 --> 00:04:07,439

wearing a business suit

133

00:04:11,990 --> 00:04:09,920

he simply said hello did you enjoy your

134

00:04:13,190 --> 00:04:12,000

journey and i attempted to reply but

135

00:04:15,030 --> 00:04:13,200

could not speak

136

00:04:17,110 --> 00:04:15,040

then he told me to wait here and walk

137

00:04:19,110 --> 00:04:17,120

through a side door in the office

138

00:04:21,189 --> 00:04:19,120

several minutes later the secretary

139

00:04:22,469 --> 00:04:21,199

walked in shocked when she saw me and

140

00:04:24,790 --> 00:04:22,479

inquired to who i was

141

00:04:27,110 --> 00:04:24,800

and why i was in the doctor's office i

142

00:04:29,350 --> 00:04:27,120

told her that the doctor had just left

143

00:04:31,030 --> 00:04:29,360

she gave me the oddest look then told me

144

00:04:31,990 --> 00:04:31,040

the doctor was out all day on an

145

00:04:33,510 --> 00:04:32,000

emergency

146

00:04:35,350 --> 00:04:33,520

she then asked if i would care to

147

00:04:37,590 --> 00:04:35,360

reschedule an appointment

148

00:04:38,870 --> 00:04:37,600

still taken aback i replied that i would

149

00:04:40,629 --> 00:04:38,880

call back later

150

00:04:42,070 --> 00:04:40,639

i never have figured out how i got in

151
00:04:43,909 --> 00:04:42,080
the psychologist's office

152
00:04:45,350 --> 00:04:43,919
and why the small stat humanoid

153
00:04:47,510 --> 00:04:45,360
confronted me there

154
00:04:48,550 --> 00:04:47,520
since that time i have never had another

155
00:04:50,390 --> 00:04:48,560
experience

156
00:04:59,189 --> 00:04:50,400
i wonder if others have had a similar

157
00:05:04,150 --> 00:05:02,150
tall hunchbacked beings central iowa

158
00:05:06,550 --> 00:05:04,160
saylorville state park the nights of

159
00:05:09,189 --> 00:05:06,560
december 14th and 15th

160
00:05:10,150 --> 00:05:09,199
so i was with two friends and we had a

161
00:05:11,990 --> 00:05:10,160
strange encounter

162
00:05:13,830 --> 00:05:12,000
with multiple humanoids that we saw in

163
00:05:15,430 --> 00:05:13,840

the woods from our car at night

164

00:05:17,830 --> 00:05:15,440

we were really freaked out and were

165

00:05:19,270 --> 00:05:17,840

barely talking the only reason we were

166

00:05:20,950 --> 00:05:19,280

there was we had an encounter the

167

00:05:23,029 --> 00:05:20,960

previous night with what we thought were

168

00:05:23,590 --> 00:05:23,039

multiple humans watching us for multiple

169

00:05:25,510 --> 00:05:23,600

hours

170

00:05:27,270 --> 00:05:25,520

and communicating with each other by

171

00:05:29,270 --> 00:05:27,280

tapping on trees and some code

172

00:05:32,070 --> 00:05:29,280

and making noises not dissimilar to

173

00:05:34,310 --> 00:05:32,080

squeaks these noises coincided with when

174

00:05:36,150 --> 00:05:34,320

a light turned on and at one point we

175

00:05:36,790 --> 00:05:36,160

stopped hearing them for almost 30

176

00:05:38,710 --> 00:05:36,800

minutes

177

00:05:40,469 --> 00:05:38,720

so we called a friend and while my

178

00:05:40,950 --> 00:05:40,479

friend that called was whispering on the

179

00:05:42,950 --> 00:05:40,960

phone

180

00:05:44,950 --> 00:05:42,960

we heard the communication again and

181

00:05:45,909 --> 00:05:44,960

whispered for him to hang up immediately

182

00:05:47,830 --> 00:05:45,919

and immediately

183

00:05:49,749 --> 00:05:47,840

as we said that the noise stopped before

184

00:05:50,870 --> 00:05:49,759

he even hung up or pulled the phone from

185

00:05:53,029 --> 00:05:50,880

his face

186

00:05:54,550 --> 00:05:53,039

we also saw multiple silhouettes walking

187

00:05:56,390 --> 00:05:54,560

away through the trees

188

00:05:57,909 --> 00:05:56,400

so we were checking out the area again

189

00:05:59,909 --> 00:05:57,919

after that encounter

190

00:06:02,070 --> 00:05:59,919

what we saw chilled our spine the second

191

00:06:03,909 --> 00:06:02,080

we looked we didn't discuss it

192

00:06:06,469 --> 00:06:03,919

instead we individually wrote down what

193

00:06:08,390 --> 00:06:06,479

we saw and compared to avoid influencing

194

00:06:10,550 --> 00:06:08,400

each other's thoughts on what was seen

195

00:06:12,629 --> 00:06:10,560

and our descriptions were all the same

196

00:06:14,390 --> 00:06:12,639

only a small discrepancy and height in

197

00:06:16,309 --> 00:06:14,400

different levels of detail

198

00:06:18,629 --> 00:06:16,319

they were about six foot eight to seven

199

00:06:21,029 --> 00:06:18,639

foot one the description that follows

200

00:06:22,710 --> 00:06:21,039

was the most detailed as blake actually

201
00:06:24,469 --> 00:06:22,720
got out of the car and went to the edge

202
00:06:26,230 --> 00:06:24,479
of the woods to listen closer

203
00:06:27,590 --> 00:06:26,240
something none of us will ever do after

204
00:06:30,070 --> 00:06:27,600
seeing those eyes

205
00:06:32,070 --> 00:06:30,080
there was more than one to our right to

206
00:06:34,550 --> 00:06:32,080
our left and straight ahead

207
00:06:35,590 --> 00:06:34,560
very slender tall hunchbacked and they

208
00:06:37,830 --> 00:06:35,600
were brown

209
00:06:39,590 --> 00:06:37,840
eyes were an orange yellow glow almost

210
00:06:40,309 --> 00:06:39,600
like cat eyes with a light put on them

211
00:06:42,710 --> 00:06:40,319
in the dark

212
00:06:44,950 --> 00:06:42,720
but no lights around the movements were

213
00:06:45,909 --> 00:06:44,960

precise and quiet despite dry leaves

214

00:06:48,070 --> 00:06:45,919

everywhere

215

00:06:49,430 --> 00:06:48,080

they each had two primary locations they

216

00:06:51,990 --> 00:06:49,440

went back and forth from

217

00:06:53,670 --> 00:06:52,000

but had more spots on their path when i

218

00:06:54,469 --> 00:06:53,680

was outside the car i could hear

219

00:06:56,629 --> 00:06:54,479

breathing

220

00:06:58,230 --> 00:06:56,639

their footsteps mimicked mine and only

221

00:06:59,830 --> 00:06:58,240

happened when i was moving or was

222

00:07:01,510 --> 00:06:59,840

looking back to the car

223

00:07:03,510 --> 00:07:01,520

they used the trees to cover the light

224

00:07:04,469 --> 00:07:03,520

reflection and when we spoke all was

225

00:07:06,629 --> 00:07:04,479

silent

226

00:07:08,150 --> 00:07:06,639

when they walked it was not heel to toe

227

00:07:16,710 --> 00:07:08,160

they walked toe to heel

228

00:07:19,350 --> 00:07:16,720

breathing was heavy through nostrils

229

00:07:20,390 --> 00:07:19,360

crouching humanoid in illinois woods i

230

00:07:22,790 --> 00:07:20,400

live in illinois

231

00:07:25,670 --> 00:07:22,800

fulton county illinois near peckin this

232

00:07:27,270 --> 00:07:25,680

is alleged sighting i had october 25th

233

00:07:28,790 --> 00:07:27,280

we were walking through a trail in the

234

00:07:30,390 --> 00:07:28,800

woods at 10 at night

235

00:07:32,790 --> 00:07:30,400

while walking through we heard a weird

236

00:07:34,309 --> 00:07:32,800

screeching sound almost like a tree

237

00:07:36,150 --> 00:07:34,319

squeaking which is what we thought it

238

00:07:37,830 --> 00:07:36,160

was because we were in the woods but it

239

00:07:38,950 --> 00:07:37,840

was everywhere we went in the woods it

240

00:07:41,110 --> 00:07:38,960

was squeaking

241

00:07:42,469 --> 00:07:41,120

but then we left and came back into the

242

00:07:43,909 --> 00:07:42,479

woods on the same trail

243

00:07:45,990 --> 00:07:43,919

but it was there on the side of the

244

00:07:46,629 --> 00:07:46,000

trail crouch down facing us staring at

245

00:07:48,469 --> 00:07:46,639

us

246

00:07:50,869 --> 00:07:48,479

it wasn't making the noise that we heard

247

00:07:53,029 --> 00:07:50,879

earlier though i think it was about five

248

00:07:54,869 --> 00:07:53,039

feet tall but that's a prediction

249

00:07:56,629 --> 00:07:54,879

crouched down it was probably around

250

00:07:58,950 --> 00:07:56,639

three and a half feet tall

251

00:08:00,629 --> 00:07:58,960

it was gray my two friends thought it

252

00:08:01,909 --> 00:08:00,639

didn't have fur i thought it was had

253

00:08:03,990 --> 00:08:01,919

really short fur

254

00:08:05,909 --> 00:08:04,000

the arms were very human like and i saw

255

00:08:08,309 --> 00:08:05,919

the hands were five fingered hands

256

00:08:09,350 --> 00:08:08,319

but the legs looked like frog legs i

257

00:08:10,950 --> 00:08:09,360

couldn't see the feet

258

00:08:13,430 --> 00:08:10,960

but just the shape and direction the

259

00:08:15,189 --> 00:08:13,440

legs were going reminded me of the frog

260

00:08:17,029 --> 00:08:15,199

i couldn't recognize what the face

261

00:08:19,110 --> 00:08:17,039

looked like but from what i remember it

262

00:08:21,189 --> 00:08:19,120

had slanted fully black eyes

263

00:08:23,510 --> 00:08:21,199

the head wasn't very large compared to

264

00:08:25,110 --> 00:08:23,520

the body it was around the same body

265

00:08:26,790 --> 00:08:25,120

proportions as a human

266

00:08:29,189 --> 00:08:26,800

but the head shape was different than a

267

00:08:31,189 --> 00:08:29,199

human head shape the head shape was more

268

00:08:32,070 --> 00:08:31,199

square like with one point on each side

269

00:08:33,430 --> 00:08:32,080

of the head

270

00:08:35,909 --> 00:08:33,440

couldn't tell if they were ears or

271

00:08:38,230 --> 00:08:35,919

something else the torso was covered up

272

00:08:40,310 --> 00:08:38,240

by the arms and legs so i can't really

273

00:08:42,630 --> 00:08:40,320

explain that but it looked muscular

274

00:08:44,389 --> 00:08:42,640

unlike the alien pictures you see online

275

00:08:45,190 --> 00:08:44,399

where they are very skinny like all

276

00:08:47,350 --> 00:08:45,200

bones

277

00:08:48,310 --> 00:08:47,360

its arms were very defined and a little

278

00:08:50,070 --> 00:08:48,320

muscular

279

00:08:51,990 --> 00:08:50,080

it tilted its head and stared at us

280

00:08:54,230 --> 00:08:52,000

almost like it was an alarm or frozen

281

00:08:55,269 --> 00:08:54,240

and didn't make a sound and we turned

282

00:08:57,430 --> 00:08:55,279

our back and ran

283

00:08:59,350 --> 00:08:57,440

which was stupid because we are in shock

284

00:09:01,350 --> 00:08:59,360

because no one knew what it was but then

285

00:09:02,949 --> 00:09:01,360

when we looked back we couldn't see it

286

00:09:05,030 --> 00:09:02,959

i'm thinking that us running and the

287

00:09:06,949 --> 00:09:05,040

leaves crunching may have startled it

288

00:09:08,790 --> 00:09:06,959

if there is anything else you want me to

289

00:09:09,509 --> 00:09:08,800

explain that i left out please let me

290

00:09:11,750 --> 00:09:09,519

know

291

00:09:19,590 --> 00:09:11,760

i've been researching for over a month

292

00:09:22,710 --> 00:09:21,750

you for humanoid encounter near coleman

293

00:09:25,110 --> 00:09:22,720

texas

294

00:09:27,030 --> 00:09:25,120

i work as a hazardous material transport

295

00:09:27,910 --> 00:09:27,040

driver in the oil field in north central

296

00:09:29,670 --> 00:09:27,920

texas

297

00:09:31,190 --> 00:09:29,680

i have been following the mystery light

298

00:09:33,350 --> 00:09:31,200

story around the area

299

00:09:35,110 --> 00:09:33,360

i have been seeing these lights as well

300

00:09:36,630 --> 00:09:35,120

i had three sightings in an eight day

301
00:09:38,630 --> 00:09:36,640
period in 2010

302
00:09:39,910 --> 00:09:38,640
i was asked by mufon to capture these

303
00:09:42,550 --> 00:09:39,920
images on camera

304
00:09:44,070 --> 00:09:42,560
on the night of march 2nd 2011 i got way

305
00:09:46,230 --> 00:09:44,080
more than i bargained for

306
00:09:47,910 --> 00:09:46,240
while at work around 9 00 pm 10 miles

307
00:09:49,829 --> 00:09:47,920
northeast of coleman texas

308
00:09:51,110 --> 00:09:49,839
i was observing strange lights above the

309
00:09:53,430 --> 00:09:51,120
tree line near me

310
00:09:55,110 --> 00:09:53,440
i took several pictures then the lights

311
00:09:57,269 --> 00:09:55,120
began to move straight at me

312
00:09:59,269 --> 00:09:57,279
they were large silent and unnervingly

313
00:10:00,790 --> 00:09:59,279

close the shape of the craft could

314

00:10:02,870 --> 00:10:00,800

partially be seen now

315

00:10:04,310 --> 00:10:02,880

it was 50 yards away and just hovering

316

00:10:06,550 --> 00:10:04,320

50 feet above the ground

317

00:10:07,590 --> 00:10:06,560

and not making a sound a large white

318

00:10:09,670 --> 00:10:07,600

light came on

319

00:10:11,750 --> 00:10:09,680

i wanted to flee but was paralyzed with

320

00:10:12,470 --> 00:10:11,760

fear i managed to get a shot with the

321

00:10:14,310 --> 00:10:12,480

camera

322

00:10:17,030 --> 00:10:14,320

there was a humanoid figure staring out

323

00:10:18,710 --> 00:10:17,040

of the opening definitely not human

324

00:10:21,190 --> 00:10:18,720

i could see it from the waist area

325

00:10:23,750 --> 00:10:21,200

upward i thought i would be abducted

326
00:10:25,430 --> 00:10:23,760
to my relief it began moving away slowly

327
00:10:27,509 --> 00:10:25,440
the large white light went out

328
00:10:29,350 --> 00:10:27,519
and soon the lights disappeared some

329
00:10:30,310 --> 00:10:29,360
lights were moving overhead around my

330
00:10:32,389 --> 00:10:30,320
location

331
00:10:33,910 --> 00:10:32,399
20 minutes later a huge craft came in

332
00:10:35,829 --> 00:10:33,920
directly over my head

333
00:10:37,269 --> 00:10:35,839
massive in size it blocked out much of

334
00:10:39,269 --> 00:10:37,279
the night sky overhead

335
00:10:40,949 --> 00:10:39,279
it was probably the most amazing sight

336
00:10:42,630 --> 00:10:40,959
any human has ever seen

337
00:10:44,389 --> 00:10:42,640
i pulled out the camera and had to wait

338
00:10:46,230 --> 00:10:44,399

for it to pass to get a shot

339

00:10:48,790 --> 00:10:46,240

it was so large i could only get a piece

340

00:10:50,389 --> 00:10:48,800

of it in frame it was moving so fast i

341

00:10:51,269 --> 00:10:50,399

was afraid i would miss the shock

342

00:10:53,190 --> 00:10:51,279

completely

343

00:10:54,630 --> 00:10:53,200

it circled and went out as fast as it

344

00:10:56,310 --> 00:10:54,640

came in mufon

345

00:10:57,829 --> 00:10:56,320

asked me to return to the site and

346

00:11:00,069 --> 00:10:57,839

inquired as to the location

347

00:11:01,990 --> 00:11:00,079

direction and angle of the photos they

348

00:11:04,550 --> 00:11:02,000

told me the stars in the background had

349

00:11:06,230 --> 00:11:04,560

been verified for that time and location

350

00:11:08,710 --> 00:11:06,240

i am amazed that this hasn't made the

351
00:11:10,470 --> 00:11:08,720
news i believe these things came in so

352
00:11:12,470 --> 00:11:10,480
fast they were amazed that intelligent

353
00:11:13,350 --> 00:11:12,480
life existed here as i was at them for

354
00:11:14,949 --> 00:11:13,360
being here

355
00:11:16,710 --> 00:11:14,959
the large ship seemed more like a

356
00:11:18,790 --> 00:11:16,720
floating factory built on a piece of

357
00:11:21,110 --> 00:11:18,800
meteor than a dwelling complex

358
00:11:22,550 --> 00:11:21,120
the small ship seemed like a scout ship

359
00:11:24,550 --> 00:11:22,560
it appeared to have some stealth

360
00:11:26,069 --> 00:11:24,560
technology that was partially disabled

361
00:11:26,870 --> 00:11:26,079
when the craft opened the doorway or

362
00:11:28,550 --> 00:11:26,880
window

363
00:11:30,630 --> 00:11:28,560

i have had a year to think about this

364

00:11:32,389 --> 00:11:30,640

sighting i don't believe it matters so

365

00:11:33,509 --> 00:11:32,399

much as to whether i believe or you

366

00:11:35,269 --> 00:11:33,519

believe this

367

00:11:37,350 --> 00:11:35,279

the fact remains that now they know we

368

00:11:38,790 --> 00:11:37,360

are here perhaps they always knew or

369

00:11:40,470 --> 00:11:38,800

maybe they never knew

370

00:11:42,470 --> 00:11:40,480

maybe they have been here always or have

371

00:11:44,630 --> 00:11:42,480

never been here before like the first

372

00:11:45,350 --> 00:11:44,640

native american to report seeing a wagon

373

00:11:47,350 --> 00:11:45,360

train

374

00:11:48,949 --> 00:11:47,360

i am telling you what i saw have

375

00:11:50,870 --> 00:11:48,959

evidence of what i saw

376

00:11:52,310 --> 00:11:50,880

my images are real images of something

377

00:11:54,790 --> 00:11:52,320

that we have always believed

378

00:11:56,150 --> 00:11:54,800

and been told dost exists i believe we

379

00:12:01,590 --> 00:11:56,160

will see them again

380

00:12:05,030 --> 00:12:04,150

this is lon strickler if you like this

381

00:12:06,790 --> 00:12:05,040

program

382

00:12:08,150 --> 00:12:06,800

it would help us if you would give it a

383

00:12:10,949 --> 00:12:08,160

thumbs up

384

00:12:11,509 --> 00:12:10,959

then subscribe and click the bell icon

385

00:12:13,829 --> 00:12:11,519

so you

386

00:12:15,910 --> 00:12:13,839

get notification when we upload new

387

00:12:19,030 --> 00:12:15,920

first-person encounters

388

00:12:19,750 --> 00:12:19,040

we have many more to come very soon and

389

00:12:21,910 --> 00:12:19,760

by the way

390

00:12:23,509 --> 00:12:21,920

if you have a suggestion or an
