

ARCANE RADIO

Exploring the Unexplained

July 19th, 2017

Fortean Research
Updates on the Chicago
Mothman & Other Reports

1
00:00:04,550 --> 00:00:02,550
and good evening everyone welcome to

2
00:00:06,070 --> 00:00:04,560
arcane radio i'm sean the fort shop

3
00:00:07,030 --> 00:00:06,080
forker he's launched trickler and butch

4
00:00:10,390 --> 00:00:07,040
witkowski

5
00:00:11,310 --> 00:00:10,400
and here we are tonight wednesday july

6
00:00:14,390 --> 00:00:11,320
the 19th

7
00:00:17,269 --> 00:00:14,400
2017 for an open mic night our

8
00:00:19,429 --> 00:00:17,279
lines are open for you to call in

9
00:00:23,029 --> 00:00:19,439
tonight and talk to us

10
00:00:24,950 --> 00:00:23,039
about your strange unusual

11
00:00:26,390 --> 00:00:24,960
or just whatever you want to talk about

12
00:00:28,150 --> 00:00:26,400
that's what we're here for tonight folks

13
00:00:30,870 --> 00:00:28,160

so those lines are open gentlemen how

14

00:00:35,910 --> 00:00:30,880

are you

15

00:00:42,229 --> 00:00:39,190

just okay lon you can't just be okay

16

00:00:43,990 --> 00:00:42,239

um i tell you

17

00:00:45,990 --> 00:00:44,000

i'm like you i've been on the horn all

18

00:00:47,190 --> 00:00:46,000

day too so i know you get tired of it

19

00:00:49,350 --> 00:00:47,200

after a while don't you

20

00:00:51,910 --> 00:00:49,360

i don't know well you know [h__h] happened

21

00:00:53,830 --> 00:00:51,920

man but well what can you do

22

00:00:55,110 --> 00:00:53,840

can't do anything and you know it's

23

00:00:56,950 --> 00:00:55,120

great i was going to give our call and

24

00:01:00,150 --> 00:00:56,960

number and i forgot it

25

00:01:03,110 --> 00:01:00,160

so i'm going to pull it up right now

26

00:01:05,350 --> 00:01:03,120

because you know i'm so uh i'm so

27

00:01:08,070 --> 00:01:05,360

professional i always forget our

28

00:01:09,590 --> 00:01:08,080

i listen if it was james baker picked my

29

00:01:10,710 --> 00:01:09,600

phone number out 11 years ago if it

30

00:01:12,230 --> 00:01:10,720

wasn't for him

31

00:01:14,149 --> 00:01:12,240

i wouldn't remember that and our phone

32

00:01:16,149 --> 00:01:14,159

number so you folks can call in the

33

00:01:21,230 --> 00:01:16,159

night is 570

34

00:01:23,830 --> 00:01:21,240

that's a 570 478

35

00:01:26,230 --> 00:01:23,840

0902 and that's now

36

00:01:27,429 --> 00:01:26,240

in the chat room so call in you don't

37

00:01:30,630 --> 00:01:27,439

have to be alone tonight

38

00:01:31,749 --> 00:01:30,640

call us pick up the phone and uh if

39

00:01:34,550 --> 00:01:31,759

james is listening

40

00:01:35,670 --> 00:01:34,560

happy belated birthday happy birthday to

41

00:01:38,950 --> 00:01:35,680

our friend

42

00:01:40,630 --> 00:01:38,960

my coho my uh cohort in crime i don't

43

00:01:42,310 --> 00:01:40,640

know how he and i aren't doing joint

44

00:01:44,469 --> 00:01:42,320

prison sentences

45

00:01:45,670 --> 00:01:44,479

to my good buddy james baker 11 years

46

00:01:51,830 --> 00:01:45,680

guys of mayhem

47

00:01:58,149 --> 00:01:55,910

yeah good old james so what's new

48

00:02:01,749 --> 00:01:58,159

what's been going on he carries it for

49

00:02:07,910 --> 00:02:05,350

what's been going on well

50

00:02:09,029 --> 00:02:07,920

uh since the last time we met there has

51
00:02:12,470 --> 00:02:09,039
been another report

52
00:02:15,350 --> 00:02:12,480
in chicago another one and uh

53
00:02:18,070 --> 00:02:15,360
this one was made by a chicago police

54
00:02:25,910 --> 00:02:22,150
and uh

55
00:02:30,229 --> 00:02:27,750
i think it was probably the best report

56
00:02:33,350 --> 00:02:30,239
that we've received

57
00:02:36,790 --> 00:02:33,360
and this area was the uh

58
00:02:38,550 --> 00:02:36,800
an area they called the auburn gresham

59
00:02:42,070 --> 00:02:38,560
neighborhood

60
00:02:42,630 --> 00:02:42,080
of chicago this was on west 81st and

61
00:02:49,190 --> 00:02:42,640
south

62
00:02:56,710 --> 00:02:53,830
at 11 15 p.m police officer

63
00:02:58,790 --> 00:02:56,720

and his partner were flagged down by a

64

00:03:00,710 --> 00:02:58,800

group of people

65

00:03:02,309 --> 00:03:00,720

who were pointing up to the top of an

66

00:03:05,110 --> 00:03:02,319

apartment building

67

00:03:06,309 --> 00:03:05,120

that was on the corner they pulled over

68

00:03:09,430 --> 00:03:06,319

and they immediately started

69

00:03:11,509 --> 00:03:09,440

telling us to look up at the building

70

00:03:13,270 --> 00:03:11,519

many of the people were very frightened

71

00:03:13,830 --> 00:03:13,280

and were very excited about seeing what

72

00:03:16,949 --> 00:03:13,840

they had

73

00:03:20,390 --> 00:03:16,959

seen my partner and i took look

74

00:03:22,869 --> 00:03:20,400

excuse me my partner and i look and see

75

00:03:25,430 --> 00:03:22,879

a large creature that was approximately

76

00:03:30,070 --> 00:03:25,440

six to six and a half foot tall

77

00:03:32,309 --> 00:03:30,080

and very thin if it was had been a human

78

00:03:34,470 --> 00:03:32,319

it would have been what you call

79

00:03:36,309 --> 00:03:34,480

emaciated

80

00:03:38,390 --> 00:03:36,319

this thing was standing on top of the

81

00:03:38,949 --> 00:03:38,400

building and had what looked like a pair

82

00:03:41,990 --> 00:03:38,959

of

83

00:03:45,830 --> 00:03:42,000

very large wings that extended out at

84

00:03:48,789 --> 00:03:45,840

least eight to ten feet from tip to tip

85

00:03:49,670 --> 00:03:48,799

discernible features it was just like a

86

00:03:53,270 --> 00:03:49,680

dark black

87

00:03:55,110 --> 00:03:53,280

shadow with wings now my partner and i

88

00:03:56,869 --> 00:03:55,120

both thought it was someone trying to

89

00:03:59,750 --> 00:03:56,879

jump from the building

90

00:04:01,350 --> 00:03:59,760

and maybe wearing a costume of some time

91

00:04:03,750 --> 00:04:01,360

but when we flashed

92

00:04:04,630 --> 00:04:03,760

the you know shine the flashlights up

93

00:04:08,149 --> 00:04:04,640

toward it

94

00:04:10,070 --> 00:04:08,159

to get a better look it took off

95

00:04:12,229 --> 00:04:10,080

in the air and flew away they thought

96

00:04:15,509 --> 00:04:12,239

they had a jumper on their hands

97

00:04:18,710 --> 00:04:15,519

yeah as this creature flew away

98

00:04:21,270 --> 00:04:18,720

headed in a southern direction something

99

00:04:23,909 --> 00:04:21,280

sounding like a scream came from it and

100

00:04:26,469 --> 00:04:23,919

within a matter of about five seconds

101

00:04:28,629 --> 00:04:26,479

this creature was gone into the night

102

00:04:30,230 --> 00:04:28,639

the people who initially flagged us down

103

00:04:32,390 --> 00:04:30,240

had said that many people in the

104

00:04:34,310 --> 00:04:32,400

neighborhood had seen this thing for the

105

00:04:36,310 --> 00:04:34,320

previous two nights

106

00:04:38,550 --> 00:04:36,320

and this just happened to be the only

107

00:04:40,310 --> 00:04:38,560

time that it was seen in a stationary

108

00:04:42,870 --> 00:04:40,320

place

109

00:04:45,270 --> 00:04:42,880

uh we stood there stunned as this thing

110

00:04:46,790 --> 00:04:45,280

flew away and disappeared into the night

111

00:04:48,950 --> 00:04:46,800

we stood there and talked to the group

112

00:04:51,110 --> 00:04:48,960

of people who flagged us down

113

00:04:52,870 --> 00:04:51,120

taking information down any information

114

00:04:55,110 --> 00:04:52,880

regarding previous settings from the

115

00:04:57,270 --> 00:04:55,120

nights before

116

00:04:59,270 --> 00:04:57,280

we were initially doubtful about

117

00:05:01,270 --> 00:04:59,280

following a report because we

118

00:05:03,110 --> 00:05:01,280

thought we'd be made fun of for seeing

119

00:05:05,590 --> 00:05:03,120

little green men

120

00:05:08,150 --> 00:05:05,600

but we finally found a report as we did

121

00:05:09,909 --> 00:05:08,160

not want to violate protocol

122

00:05:12,230 --> 00:05:09,919

nothing was ever said about the report

123

00:05:14,550 --> 00:05:12,240

being on as of right now it's been

124

00:05:18,710 --> 00:05:14,560

business as usual

125

00:05:20,310 --> 00:05:18,720

um this police officer went to say that

126

00:05:24,629 --> 00:05:20,320

his son

127

00:05:26,469 --> 00:05:24,639

talked him into contacting manuel

128

00:05:29,430 --> 00:05:26,479

because he had seen the reports about

129

00:05:32,790 --> 00:05:29,440

this thing flying around chicago

130

00:05:37,189 --> 00:05:35,270

he stated that he knows this thing was

131

00:05:40,629 --> 00:05:37,199

flushing blood

132

00:05:43,749 --> 00:05:40,639

he says a christian man and that

133

00:05:47,909 --> 00:05:43,759

he does he's very strong with his faith

134

00:05:50,710 --> 00:05:47,919

and he hopes she never sees it again

135

00:05:52,790 --> 00:05:50,720

well you know we get that paraphrase we

136

00:05:54,469 --> 00:05:52,800

get that a lot with people

137

00:05:56,870 --> 00:05:54,479

nobody wants to see these things again

138

00:05:57,990 --> 00:05:56,880

but uh man that's kind of an intense

139

00:05:59,830 --> 00:05:58,000

sighting they first they thought they

140

00:06:01,909 --> 00:05:59,840

get a jumper

141

00:06:03,350 --> 00:06:01,919

and uh it's not a jumper but i bet you

142

00:06:05,590 --> 00:06:03,360

they're like oh my god i wish it was a

143

00:06:08,950 --> 00:06:05,600

jumper now

144

00:06:09,830 --> 00:06:08,960

well yeah i mean this thing it freaked

145

00:06:12,950 --> 00:06:09,840

him out and

146

00:06:16,469 --> 00:06:12,960

uh uh

147

00:06:18,469 --> 00:06:16,479

i'm i'm pretty sure that somebody making

148

00:06:20,870 --> 00:06:18,479

an inquiry chicago police department

149

00:06:25,189 --> 00:06:20,880

about getting this report

150

00:06:28,550 --> 00:06:25,199

um i'm not holding my breath

151
00:06:31,510 --> 00:06:28,560
but who knows we might be able to get it

152
00:06:34,790 --> 00:06:31,520
i listened to you on the into the fray

153
00:06:36,790 --> 00:06:34,800
auxiliary with shannon legrow

154
00:06:37,990 --> 00:06:36,800
uh we recorded that over the weekend i

155
00:06:40,870 --> 00:06:38,000
think i listened to it

156
00:06:41,510 --> 00:06:40,880
was it yesterday i listened to it and

157
00:06:43,909 --> 00:06:41,520
you know she

158
00:06:45,590 --> 00:06:43,919
said she's surprised more people didn't

159
00:06:47,350 --> 00:06:45,600
describe it like the creeper from

160
00:06:50,070 --> 00:06:47,360
jeepers creepers

161
00:06:52,150 --> 00:06:50,080
yeah and i had to say by god that's a

162
00:06:55,350 --> 00:06:52,160
pretty spot-on

163
00:06:58,390 --> 00:06:55,360

kind of uh classification from it maybe

164

00:07:01,510 --> 00:06:58,400

i'd call it the chicago creeper now why

165

00:07:07,430 --> 00:07:04,710

well you know it kind of acts looks like

166

00:07:09,189 --> 00:07:07,440

the creeper in a way but

167

00:07:11,830 --> 00:07:09,199

you know nobody described it like that

168

00:07:16,390 --> 00:07:11,840

the head is so thin

169

00:07:18,469 --> 00:07:16,400

uh and the body is so thin too

170

00:07:20,309 --> 00:07:18,479

but you know this is the first time now

171

00:07:22,710 --> 00:07:20,319

that i remember that

172

00:07:23,350 --> 00:07:22,720

we've gotten a sound coming from this

173

00:07:29,670 --> 00:07:23,360

thing

174

00:07:32,870 --> 00:07:31,430

so i don't know i mean you know this is

175

00:07:35,749 --> 00:07:32,880

a good report but

176

00:07:37,909 --> 00:07:35,759

we haven't had now it's been 19 days now

177

00:07:39,909 --> 00:07:37,919

since we've gotten a report

178

00:07:41,990 --> 00:07:39,919

or since it's not a report since it's

179

00:07:45,670 --> 00:07:42,000

been seen

180

00:07:47,430 --> 00:07:45,680

just hasn't been reported so you know

181

00:07:49,189 --> 00:07:47,440

have we looked at a pattern have you

182

00:07:50,230 --> 00:07:49,199

have we come up with a pattern i know

183

00:07:53,830 --> 00:07:50,240

jennifer

184

00:07:55,589 --> 00:07:53,840

from uh uh the acrylic ranch was

185

00:07:57,670 --> 00:07:55,599

speaking of a pattern have you been able

186

00:08:00,710 --> 00:07:57,680

to validate any of that

187

00:08:02,710 --> 00:08:00,720

you know yeah that she's she took the

188

00:08:05,909 --> 00:08:02,720

sightings early on

189

00:08:08,950 --> 00:08:05,919

and tried to uh do a a grid

190

00:08:11,029 --> 00:08:08,960

with you know the chronological order of

191

00:08:13,029 --> 00:08:11,039

sightings

192

00:08:14,550 --> 00:08:13,039

and you know it really didn't show much

193

00:08:18,790 --> 00:08:14,560

of anything i mean

194

00:08:22,309 --> 00:08:18,800

these sightings all over the city and uh

195

00:08:25,189 --> 00:08:22,319

it's just you know i i really don't

196

00:08:26,150 --> 00:08:25,199

see a pattern i don't see any uh

197

00:08:30,150 --> 00:08:26,160

correlation

198

00:08:32,149 --> 00:08:30,160

with the witnesses in the sightings

199

00:08:33,509 --> 00:08:32,159

the only thing i believe now i know

200

00:08:35,670 --> 00:08:33,519

there are two of them because

201
00:08:36,870 --> 00:08:35,680
we did someone did see two of them in

202
00:08:39,110 --> 00:08:36,880
one sighting

203
00:08:41,350 --> 00:08:39,120
but i do believe there's at least three

204
00:08:44,870 --> 00:08:41,360
of them i think there's probably three

205
00:08:48,550 --> 00:08:44,880
just because of the descriptions

206
00:08:50,150 --> 00:08:48,560
and i believe one of the earlier

207
00:08:52,070 --> 00:08:50,160
sightings the one in the earlier

208
00:08:53,910 --> 00:08:52,080
sightings is not around

209
00:08:55,269 --> 00:08:53,920
now it's something else that's being

210
00:08:57,670 --> 00:08:55,279
seen

211
00:08:59,350 --> 00:08:57,680
are they associated with each other i

212
00:09:00,310 --> 00:08:59,360
don't know they may be may not be i

213
00:09:02,790 --> 00:09:00,320

don't know

214

00:09:04,870 --> 00:09:02,800

but uh i i think that the scriptures

215

00:09:09,430 --> 00:09:04,880

have become more bat like

216

00:09:14,550 --> 00:09:09,440

as opposed to looking like a moth

217

00:09:19,750 --> 00:09:17,670

is this thing transitioning somehow well

218

00:09:23,670 --> 00:09:19,760

that may be possible

219

00:09:25,829 --> 00:09:23,680

transitioning yeah well metamorphosis

220

00:09:27,590 --> 00:09:25,839

wow what the hell is it going to

221

00:09:30,630 --> 00:09:27,600

transition to

222

00:09:30,949 --> 00:09:30,640

it's already just good i mean is it is

223

00:09:36,710 --> 00:09:30,959

it

224

00:09:38,470 --> 00:09:36,720

i don't know i mean you know

225

00:09:39,750 --> 00:09:38,480

i've heard of odd things before you know

226

00:09:41,269 --> 00:09:39,760

i this thing's

227

00:09:44,230 --> 00:09:41,279

transformed into something else it

228

00:09:48,550 --> 00:09:44,240

wouldn't surprise me be honest with you

229

00:09:50,710 --> 00:09:48,560

uh i don't know i i you know i i

230

00:09:53,910 --> 00:09:50,720

it's put this way i mean i i am very

231

00:09:58,070 --> 00:09:53,920

grateful the reports we're getting

232

00:09:59,590 --> 00:09:58,080

uh for one thing it takes a lot of ass

233

00:10:01,269 --> 00:09:59,600

to really

234

00:10:03,269 --> 00:10:01,279

start putting yourself out there and put

235

00:10:04,870 --> 00:10:03,279

a report out like this

236

00:10:06,389 --> 00:10:04,880

i mean not a lot of people are cut out

237

00:10:08,630 --> 00:10:06,399

to do that

238

00:10:11,350 --> 00:10:08,640

the fact that we've had two reports of

239

00:10:14,310 --> 00:10:11,360

police officers

240

00:10:16,829 --> 00:10:14,320

says something to me that people are

241

00:10:19,350 --> 00:10:16,839

really seeing something

242

00:10:22,150 --> 00:10:19,360

now you know the

243

00:10:23,829 --> 00:10:22,160

somebody i mean shannon asked me at

244

00:10:26,870 --> 00:10:23,839

night well you know about the media

245

00:10:28,790 --> 00:10:26,880

contacting me or media reporting on this

246

00:10:31,269 --> 00:10:28,800

i've only heard of one

247

00:10:33,110 --> 00:10:31,279

report on tv in the chicago area and

248

00:10:35,030 --> 00:10:33,120

that's it

249

00:10:37,110 --> 00:10:35,040

and but quite frankly and i don't i

250

00:10:39,190 --> 00:10:37,120

don't really want a whole lot of

251
00:10:40,470 --> 00:10:39,200
media coverage at this point now anyway

252
00:10:41,910 --> 00:10:40,480
because

253
00:10:43,590 --> 00:10:41,920
it's not i don't think it's going to

254
00:10:45,269 --> 00:10:43,600
help us

255
00:10:48,069 --> 00:10:45,279
because i'm afraid we're going to get a

256
00:10:50,870 --> 00:10:48,079
lot of crank reports

257
00:10:52,150 --> 00:10:50,880
so well yeah that's a possibility but we

258
00:10:53,829 --> 00:10:52,160
run that risk with everything even

259
00:10:57,829 --> 00:10:53,839
running it on the blog

260
00:11:00,870 --> 00:10:57,839
you know but

261
00:11:02,630 --> 00:11:00,880
you know i i believe that

262
00:11:04,790 --> 00:11:02,640
i don't know i i you know when you talk

263
00:11:07,509 --> 00:11:04,800

to people when you talk to these people

264

00:11:09,110 --> 00:11:07,519

or when you see these reports there's

265

00:11:10,470 --> 00:11:09,120

just something different than somebody

266

00:11:11,509 --> 00:11:10,480

just coming right out and seeing

267

00:11:13,829 --> 00:11:11,519

something

268

00:11:16,470 --> 00:11:13,839

you know off the top of their heads or

269

00:11:19,269 --> 00:11:16,480

what they heard on a news report

270

00:11:21,030 --> 00:11:19,279

i mean if somebody came and sent me a a

271

00:11:23,590 --> 00:11:21,040

report after hearing something on the

272

00:11:25,750 --> 00:11:23,600

news report they hadn't seen anything

273

00:11:27,269 --> 00:11:25,760

i i don't think they're gonna be able to

274

00:11:30,790 --> 00:11:27,279

send me

275

00:11:34,310 --> 00:11:30,800

a reporter send manuela report that

276

00:11:36,230 --> 00:11:34,320

that kind of grabs

277

00:11:38,069 --> 00:11:36,240

the true essence of what this thing is

278

00:11:40,389 --> 00:11:38,079

when people see it you feel it's missing

279

00:11:41,750 --> 00:11:40,399

a true narrative and some emotion

280

00:11:43,910 --> 00:11:41,760

behind it yeah i understand what you're

281

00:11:46,870 --> 00:11:43,920

saying there uh

282

00:11:48,069 --> 00:11:46,880

so i mean the only thing we can do is

283

00:11:50,710 --> 00:11:48,079

wait and see

284

00:11:52,389 --> 00:11:50,720

uh i mean did it take is it gonna take

285

00:11:54,150 --> 00:11:52,399

july off i don't know

286

00:11:55,670 --> 00:11:54,160

maybe it's gonna take july off and come

287

00:11:57,509 --> 00:11:55,680

back sometime i don't know

288

00:11:59,350 --> 00:11:57,519

well probably not i mean at the way it's

289

00:12:00,870 --> 00:11:59,360

going it's got a pattern we'll just like

290

00:12:02,150 --> 00:12:00,880

you said it's a waiting game it really

291

00:12:03,829 --> 00:12:02,160

and i know

292

00:12:05,509 --> 00:12:03,839

you know what my frustration is my

293

00:12:09,110 --> 00:12:05,519

frustration is

294

00:12:10,790 --> 00:12:09,120

where's the evidence right sure

295

00:12:12,949 --> 00:12:10,800

we do have a i'll have to bring this

296

00:12:14,710 --> 00:12:12,959

person we have someone calling him from

297

00:12:18,069 --> 00:12:14,720

the 304

298

00:12:19,670 --> 00:12:18,079

area code but i can't join them to our

299

00:12:24,389 --> 00:12:19,680

call so i'll have to add them to our

300

00:12:26,150 --> 00:12:24,399

call hold on 304.

301
00:12:27,590 --> 00:12:26,160
304 is that one of our friends that we

302
00:12:32,150 --> 00:12:27,600
know lon

303
00:12:35,829 --> 00:12:35,030
that's west virginia isn't it yeah it is

304
00:12:37,430 --> 00:12:35,839
west virginia

305
00:12:39,430 --> 00:12:37,440
that's probably red that's what i'm

306
00:12:43,750 --> 00:12:39,440
thinking so well we'll have to do it the

307
00:12:43,760 --> 00:12:47,910
can we add

308
00:13:00,550 --> 00:12:51,509
can we do this you still there with me

309
00:13:04,829 --> 00:13:02,550
okay well we'll keep going here until i

310
00:13:07,350 --> 00:13:04,839
can go ahead and get this number in

311
00:13:09,590 --> 00:13:07,360
there

312
00:13:11,350 --> 00:13:09,600
that's all right i'm not distracted you

313
00:13:13,110 --> 00:13:11,360

guys keep going there so anyhow

314

00:13:15,030 --> 00:13:13,120

like we were saying is the absence of

315

00:13:17,430 --> 00:13:15,040

some evidence and

316

00:13:19,190 --> 00:13:17,440

i don't know what kind of evidence i

317

00:13:21,110 --> 00:13:19,200

mean we've has there been any at least

318

00:13:24,710 --> 00:13:21,120

photographic evidence lon

319

00:13:28,550 --> 00:13:24,720

no nothing no photographic evidence

320

00:13:32,949 --> 00:13:28,560

uh only sketches

321

00:13:34,069 --> 00:13:32,959

uh it seems to bother a lot of people

322

00:13:37,590 --> 00:13:34,079

and i can understand

323

00:13:41,750 --> 00:13:37,600

that you know people haven't earned

324

00:13:48,069 --> 00:13:45,430

hello hello yeah

325

00:13:53,030 --> 00:13:48,079

i was trying to say hello and um yeah we

326

00:13:53,040 --> 00:13:58,470

how may i help who are you speaking to

327

00:13:58,480 --> 00:14:04,150

this is seven northeast ruby hospital oh

328

00:14:09,269 --> 00:14:05,430

all right well that's not who we wanted

329

00:14:14,310 --> 00:14:12,310

oh no that was well okay

330

00:14:15,590 --> 00:14:14,320

sorry ruby hospital that's not what

331

00:14:18,550 --> 00:14:15,600

we're looking for so

332

00:14:19,509 --> 00:14:18,560

if you're calling in try us back another

333

00:14:24,230 --> 00:14:19,519

day

334

00:14:27,430 --> 00:14:24,240

all right and somewhere along the line

335

00:14:29,110 --> 00:14:27,440

i screwed up all right so from michael

336

00:14:30,389 --> 00:14:29,120

in the chat room it says it seems to him

337

00:14:32,949 --> 00:14:30,399

that the first few sightings are the

338

00:14:35,030 --> 00:14:32,959

most genuine then it starts to snowball

339

00:14:36,150 --> 00:14:35,040

that makes it tough to weed through

340

00:14:44,150 --> 00:14:36,160

thoughts

341

00:14:45,509 --> 00:14:44,160

taken them all

342

00:14:47,670 --> 00:14:45,519

i don't know i don't think that's the

343

00:14:50,870 --> 00:14:47,680

case in this

344

00:14:53,030 --> 00:14:50,880

i i think the um

345

00:14:54,870 --> 00:14:53,040

i think your early sightings were i

346

00:14:56,710 --> 00:14:54,880

think all the settings were good

347

00:14:58,710 --> 00:14:56,720

i mean of course i've got a few that i

348

00:15:01,110 --> 00:14:58,720

can't verify and i you know was

349

00:15:01,910 --> 00:15:01,120

you know we didn't make mention of them

350

00:15:05,990 --> 00:15:01,920

but those

351

00:15:09,269 --> 00:15:06,000

those that we have received that

352

00:15:11,030 --> 00:15:09,279

offer the most and it's believable to

353

00:15:12,470 --> 00:15:11,040

myself emmanuel

354

00:15:15,110 --> 00:15:12,480

those are the ones that we're going to

355

00:15:18,230 --> 00:15:16,230

those are the ones you feel the most

356

00:15:22,069 --> 00:15:18,240

vetted yeah

357

00:15:26,550 --> 00:15:22,079

yeah yeah i mean you know and we spoke

358

00:15:29,749 --> 00:15:26,560

i mean he's on the open up

359

00:15:33,030 --> 00:15:29,759

i uh i mean there is at least

360

00:15:35,110 --> 00:15:33,040

one that i received that i'm not

361

00:15:36,470 --> 00:15:35,120

i've got on the board but i may take

362

00:15:37,829 --> 00:15:36,480

down because i haven't heard anything

363

00:15:40,949 --> 00:15:37,839

else on it

364

00:15:44,470 --> 00:15:40,959

uh then there's a couple others that i

365

00:15:44,949 --> 00:15:44,480

heard that you know you can tell they

366

00:15:49,110 --> 00:15:44,959

were

367

00:15:56,790 --> 00:15:49,120

not real so i didn't bother with them so

368

00:16:00,550 --> 00:15:59,670

you still there i'm still here i got

369

00:16:02,629 --> 00:16:00,560

this call

370

00:16:04,230 --> 00:16:02,639

i'm gonna try to add to us one more time

371

00:16:05,829 --> 00:16:04,240

this time

372

00:16:07,590 --> 00:16:05,839

it's not gonna be me making the wrong

373

00:16:12,230 --> 00:16:07,600

phone number as i did the last time as i

374

00:16:15,269 --> 00:16:13,749

we just crank called the hospital we

375

00:16:18,150 --> 00:16:15,279

didn't even mean to

376

00:16:19,509 --> 00:16:18,160

sorry folks yep that that's what it was

377

00:16:30,550 --> 00:16:19,519

okay

378

00:16:36,710 --> 00:16:33,430

seven west peggy can i help you no this

379

00:16:39,590 --> 00:16:36,720

is the second time we're getting that

380

00:16:43,509 --> 00:16:39,600

oops sorry whoever keeps calling us

381

00:16:49,670 --> 00:16:47,110

maybe a state hospital yeah

382

00:16:50,150 --> 00:16:49,680

that makes sense okay that doesn't make

383

00:16:52,310 --> 00:16:50,160

sense

384

00:16:53,670 --> 00:16:52,320

there's a lot of things all right well

385

00:16:54,790 --> 00:16:53,680

it doesn't get any better than this but

386

00:16:55,509 --> 00:16:54,800

i have a feeling like we're going to be

387

00:16:57,430 --> 00:16:55,519

getting the

388

00:16:59,269 --> 00:16:57,440

fence hammering on my door here at some

389

00:17:01,350 --> 00:16:59,279

point

390

00:17:02,949 --> 00:17:01,360

do we know anybody working that's in a

391

00:17:06,390 --> 00:17:02,959

in a state hospital

392

00:17:08,150 --> 00:17:06,400

i hope not all right

393

00:17:11,990 --> 00:17:08,160

well okay back to what we were talking

394

00:17:15,750 --> 00:17:14,230

like i said we've been vetting you know

395

00:17:16,870 --> 00:17:15,760

you've been vetting these cases and

396

00:17:18,309 --> 00:17:16,880

they've been coming through

397

00:17:19,990 --> 00:17:18,319

i'm just concerned we don't have a lot

398

00:17:22,710 --> 00:17:20,000

of evidence yet but

399

00:17:23,350 --> 00:17:22,720

you know realistically what kind of

400

00:17:26,470 --> 00:17:23,360

evidence

401
00:17:29,430 --> 00:17:26,480
are we going to be able to collect

402
00:17:30,789 --> 00:17:29,440
well i mean look at point pleasant did

403
00:17:32,390 --> 00:17:30,799
they get any food i mean i

404
00:17:34,789 --> 00:17:32,400
understand that they didn't have cell

405
00:17:37,909 --> 00:17:34,799
phones back then but still there were

406
00:17:39,510 --> 00:17:37,919
a lot a lot of sightings and all they

407
00:17:41,430 --> 00:17:39,520
ever got was sketches

408
00:17:42,950 --> 00:17:41,440
yeah i mean that's fair you know the

409
00:17:44,950 --> 00:17:42,960
whole point pleasant thing is really

410
00:17:47,270 --> 00:17:44,960
based off

411
00:17:48,950 --> 00:17:47,280
uh a feeling in eyewitness testimony but

412
00:17:50,789 --> 00:17:48,960
no physical evidence it's not like we've

413
00:17:52,950 --> 00:17:50,799

got the chicago phantom going around

414

00:17:54,230 --> 00:17:52,960

taking craps on people's cars and we can

415

00:17:57,590 --> 00:17:54,240

go and

416

00:17:58,950 --> 00:17:57,600

get that tested i mean it i don't know

417

00:18:00,630 --> 00:17:58,960

and then you get into the hole you know

418

00:18:02,230 --> 00:18:00,640

because i listened to

419

00:18:03,750 --> 00:18:02,240

uh like i said the program that you were

420

00:18:05,270 --> 00:18:03,760

on with shin and by the way can we just

421

00:18:06,390 --> 00:18:05,280

take a minute and just say how wonderful

422

00:18:10,230 --> 00:18:06,400

she is

423

00:18:12,710 --> 00:18:10,240

like the barbara walters

424

00:18:14,310 --> 00:18:12,720

of of the paranormal she's she's so

425

00:18:17,669 --> 00:18:14,320

great if i tell you what

426

00:18:18,870 --> 00:18:17,679

if i wasn't married and i was what

427

00:18:21,990 --> 00:18:18,880

wasn't well me

428

00:18:23,590 --> 00:18:22,000

you know i poor shannon she'd have a

429

00:18:25,190 --> 00:18:23,600

a bunch of callers and waiting but she's

430

00:18:27,990 --> 00:18:25,200

fantastic she really is

431

00:18:29,190 --> 00:18:28,000

uh and you just sounded so natural on

432

00:18:35,270 --> 00:18:29,200

there you sound more natural with her

433

00:18:39,110 --> 00:18:37,029

i wasn't i wasn't tired that day i was

434

00:18:42,710 --> 00:18:39,120

done the afternoon so i was wide awake

435

00:18:44,470 --> 00:18:42,720

yeah no check it out check it out folks

436

00:18:46,630 --> 00:18:44,480

it wasn't a good interview it was into

437

00:18:47,830 --> 00:18:46,640

the frayradio.com if you listen to the

438

00:18:49,909 --> 00:18:47,840

auxiliary

439

00:18:51,430 --> 00:18:49,919

it was the last episode and and lana

440

00:18:53,270 --> 00:18:51,440

will pop up there and if you have uh

441

00:18:55,990 --> 00:18:53,280

itunes you should subscribe to it on

442

00:18:57,510 --> 00:18:56,000

itunes or stitcher

443

00:18:58,870 --> 00:18:57,520

uh here's a good program i really

444

00:19:00,070 --> 00:18:58,880

enjoyed it lon you've been really making

445

00:19:03,110 --> 00:19:00,080

the circuits though you've been you've

446

00:19:10,230 --> 00:19:06,230

yeah i i have been this uh

447

00:19:12,230 --> 00:19:10,240

this chicago thing is really

448

00:19:14,070 --> 00:19:12,240

has really grabbed a lot of attention

449

00:19:15,830 --> 00:19:14,080

and um what has

450

00:19:17,590 --> 00:19:15,840

you know i think everybody's confused

451
00:19:18,470 --> 00:19:17,600
about as much as i am be quite honest

452
00:19:21,909 --> 00:19:18,480
with you it's

453
00:19:23,270 --> 00:19:21,919
you know i you know of course i've got

454
00:19:26,630 --> 00:19:23,280
you know i do get these

455
00:19:28,310 --> 00:19:26,640
uh i do get emails from people that

456
00:19:30,070 --> 00:19:28,320
think they've cracked the case for me

457
00:19:31,669 --> 00:19:30,080
but

458
00:19:33,990 --> 00:19:31,679
are going to try to tell me how to

459
00:19:35,510 --> 00:19:34,000
interview people and what to look for

460
00:19:39,350 --> 00:19:35,520
and

461
00:19:41,590 --> 00:19:39,360
well you know let me see i don't

462
00:19:43,990 --> 00:19:41,600
think i don't deal with that i i

463
00:19:47,110 --> 00:19:44,000

appreciate the people

464

00:19:50,070 --> 00:19:47,120

that want evidence i want evidence right

465

00:19:52,230 --> 00:19:50,080

i you know me guys i'm uh i'm a little

466

00:19:54,230 --> 00:19:52,240

bit of a hardliner liner myself

467

00:19:55,669 --> 00:19:54,240

as much as anybody else but i'm not

468

00:19:59,190 --> 00:19:55,679

going to contrive anything

469

00:20:01,029 --> 00:19:59,200

and and you know i i can understand why

470

00:20:01,909 --> 00:20:01,039

people are not taking pictures of this

471

00:20:04,470 --> 00:20:01,919

thing

472

00:20:06,470 --> 00:20:04,480

i mean there have been people that tried

473

00:20:07,990 --> 00:20:06,480

there's no doubt

474

00:20:10,230 --> 00:20:08,000

my other point i want to make to that

475

00:20:11,510 --> 00:20:10,240

quick is that you know you do have

476
00:20:14,310 --> 00:20:11,520
people calling in

477
00:20:15,830 --> 00:20:14,320
and submitting these reports that are

478
00:20:17,510 --> 00:20:15,840
their reports they're the ones that

479
00:20:18,830 --> 00:20:17,520
experience this they're the ones who are

480
00:20:21,990 --> 00:20:18,840
sharing with us

481
00:20:24,630 --> 00:20:22,000
right i don't feel it's our place

482
00:20:27,430 --> 00:20:24,640
to do an interrogation you know we want

483
00:20:29,750 --> 00:20:27,440
to talk to them question them

484
00:20:31,029 --> 00:20:29,760
that's one thing my job is not to upset

485
00:20:32,390 --> 00:20:31,039
them and to embarrass them

486
00:20:33,590 --> 00:20:32,400
you know you put the information out

487
00:20:35,430 --> 00:20:33,600
there and i know you long because i've

488
00:20:37,110 --> 00:20:35,440

known you for a long time now

489

00:20:38,470 --> 00:20:37,120

you put the information out there as you

490

00:20:40,390 --> 00:20:38,480

get it and you let the reader make the

491

00:20:43,909 --> 00:20:40,400

decision for what they believe

492

00:20:46,230 --> 00:20:43,919

and that's fair that's fair right

493

00:20:47,990 --> 00:20:46,240

uh to me that's the most humane way to

494

00:20:48,630 --> 00:20:48,000

deal with these folks nobody's out here

495

00:20:51,029 --> 00:20:48,640

to hurt us

496

00:20:52,390 --> 00:20:51,039

nobody's i haven't listened to any of

497

00:20:53,669 --> 00:20:52,400

these reports or

498

00:20:56,390 --> 00:20:53,679

you know heard you say any of these

499

00:20:59,750 --> 00:20:56,400

people are out here to be

500

00:21:01,830 --> 00:20:59,760

naysayers or plants or you know they're

501
00:21:02,870 --> 00:21:01,840
you know trying to purposefully hurt the

502
00:21:04,390 --> 00:21:02,880
field

503
00:21:05,990 --> 00:21:04,400
they're everyday people experiencing

504
00:21:07,669 --> 00:21:06,000
something strange and i think we have to

505
00:21:10,390 --> 00:21:07,679
be a little sensitive to that

506
00:21:12,390 --> 00:21:10,400
we can't be out there playing good cop

507
00:21:13,830 --> 00:21:12,400
bad cop law and order with people that

508
00:21:15,430 --> 00:21:13,840
are taking their own time

509
00:21:17,430 --> 00:21:15,440
to share with us what they're

510
00:21:18,549 --> 00:21:17,440
experiencing for little or no

511
00:21:20,870 --> 00:21:18,559
you know they don't want anything out of

512
00:21:24,230 --> 00:21:20,880
this they just want to make their report

513
00:21:26,230 --> 00:21:24,240

well i will tell you this now

514

00:21:27,830 --> 00:21:26,240

and i agree with you 100 and that's the

515

00:21:29,909 --> 00:21:27,840

way i like doing things because

516

00:21:32,230 --> 00:21:29,919

i have had so many people and this is no

517

00:21:35,190 --> 00:21:32,240

lie i have had people

518

00:21:35,669 --> 00:21:35,200

contact me since this has been going on

519

00:21:37,590 --> 00:21:35,679

wanting

520

00:21:39,590 --> 00:21:37,600

me to take the hard line with these

521

00:21:41,750 --> 00:21:39,600

witnesses and i am simply not going to

522

00:21:43,430 --> 00:21:41,760

do that

523

00:21:46,149 --> 00:21:43,440

and i don't want anybody ever thinking

524

00:21:49,510 --> 00:21:46,159

that we do that you know

525

00:21:52,950 --> 00:21:50,950

you know i mean i'm not a police

526

00:21:53,669 --> 00:21:52,960

interrogator and you know that's not

527

00:21:56,870 --> 00:21:53,679

what i do

528

00:21:59,510 --> 00:21:56,880

and you know i take any everybody at

529

00:22:02,630 --> 00:21:59,520

their word until i found out otherwise

530

00:22:04,070 --> 00:22:02,640

but you know i'm not a complete rube

531

00:22:05,590 --> 00:22:04,080

i mean you know i can you know

532

00:22:05,990 --> 00:22:05,600

somebody's gonna try to pull one over me

533

00:22:07,990 --> 00:22:06,000

i'm

534

00:22:09,430 --> 00:22:08,000

probably gonna see it lon all you have

535

00:22:11,029 --> 00:22:09,440

to do is tell me to take the gloves off

536

00:22:13,110 --> 00:22:11,039

and i'll

537

00:22:14,470 --> 00:22:13,120

i'll lenny brisk of them like i've got

538

00:22:16,310 --> 00:22:14,480

no problem

539

00:22:17,990 --> 00:22:16,320

interrogating people i've done it a time

540

00:22:19,669 --> 00:22:18,000

or two but

541

00:22:22,630 --> 00:22:19,679

it's not what we're here for right we're

542

00:22:23,750 --> 00:22:22,640

not supposed to hardline we're here to

543

00:22:25,430 --> 00:22:23,760

i just don't feel that that's our

544

00:22:26,789 --> 00:22:25,440

responsibility and if anybody out there

545

00:22:27,990 --> 00:22:26,799

is expecting that then

546

00:22:29,270 --> 00:22:28,000

unfortunately you're listening to the

547

00:22:30,310 --> 00:22:29,280

wrong program because that's just not

548

00:22:34,470 --> 00:22:30,320

what we do

549

00:22:37,990 --> 00:22:34,480

now if somebody's blatantly being uh

550

00:22:39,669 --> 00:22:38,000

blatantly hoaxing or just being a

551
00:22:41,590 --> 00:22:39,679
jack-off then we're gonna call him on it

552
00:22:43,029 --> 00:22:41,600
and we'll spank them for everybody to

553
00:22:45,430 --> 00:22:43,039
see it right

554
00:22:46,950 --> 00:22:45,440
that hasn't happened yet and but be rest

555
00:22:48,149 --> 00:22:46,960
assured today it does you folks will

556
00:22:52,470 --> 00:22:48,159
have entertainment like you've never

557
00:22:57,590 --> 00:22:55,909
oh boy okay

558
00:22:59,029 --> 00:22:57,600
but there's a lot of these chicago

559
00:22:59,669 --> 00:22:59,039
sightings in this you know we got just

560
00:23:03,990 --> 00:22:59,679
got a

561
00:23:05,750 --> 00:23:04,000
uh a message from manuel offline here

562
00:23:07,510 --> 00:23:05,760
with a great idea which i think we

563
00:23:11,510 --> 00:23:07,520

should can't really talk about that but

564

00:23:15,830 --> 00:23:13,590

going back to interviewing games butch

565

00:23:17,350 --> 00:23:15,840

what what butch what do you got for ufos

566

00:23:18,549 --> 00:23:17,360

talk to us a little bit let's switch

567

00:23:21,110 --> 00:23:18,559

gears here a little

568

00:23:24,070 --> 00:23:21,120

and put our eyes on first of all here we

569

00:23:27,270 --> 00:23:24,080

go butch you're on the hot seat bush um

570

00:23:30,470 --> 00:23:27,280

i was talking to stan yesterday

571

00:23:31,350 --> 00:23:30,480

stan called him man i meant to ask you

572

00:23:33,110 --> 00:23:31,360

and i was

573

00:23:35,350 --> 00:23:33,120

i was gonna i told stan i'd ask you

574

00:23:38,789 --> 00:23:35,360

tonight i'm glad you brought that up

575

00:23:43,750 --> 00:23:38,799

uh sean have you heard anything about

576

00:23:50,470 --> 00:23:47,029

no okay

577

00:23:52,230 --> 00:23:50,480

well stan said to me

578

00:23:53,909 --> 00:23:52,240

well he i mean he asked me he said have

579

00:23:56,070 --> 00:23:53,919

you heard anything i said what butch i'm

580

00:23:58,149 --> 00:23:56,080

saying about it i don't hear anything

581

00:24:08,470 --> 00:23:58,159

they said well i'm getting reports of

582

00:24:11,830 --> 00:24:09,990

and i have people up there so i would

583

00:24:14,390 --> 00:24:11,840

assume that they would know about it

584

00:24:15,110 --> 00:24:14,400

yeah i mean i if anybody knew about you

585

00:24:18,950 --> 00:24:15,120

know about it

586

00:24:21,190 --> 00:24:18,960

so you know well

587

00:24:22,710 --> 00:24:21,200

uh this week is like photographic week

588

00:24:25,750 --> 00:24:22,720

for me

589

00:24:29,190 --> 00:24:25,760

um i did uh send that

590

00:24:32,070 --> 00:24:29,200

i did send the one into you guys um

591

00:24:33,269 --> 00:24:32,080

taking over in ireland a lady was taking

592

00:24:37,269 --> 00:24:33,279

photographs of the

593

00:24:39,269 --> 00:24:37,279

lush beautiful ireland countryside

594

00:24:41,029 --> 00:24:39,279

and didn't look at her photographs until

595

00:24:42,549 --> 00:24:41,039

she got home

596

00:24:44,070 --> 00:24:42,559

and as she was processing her

597

00:24:47,830 --> 00:24:44,080

photographs and pulling them out

598

00:24:49,669 --> 00:24:47,840

of the camera uh her cell phone rather

599

00:24:52,549 --> 00:24:49,679

she gets um

600

00:24:53,190 --> 00:24:52,559

what i'm going to classify as a humanoid

601
00:24:55,590 --> 00:24:53,200
um

602
00:24:56,390 --> 00:24:55,600
i worked on it a few hours trying to

603
00:24:58,390 --> 00:24:56,400
take it apart

604
00:25:00,630 --> 00:24:58,400
and it is what it is i sent it to a few

605
00:25:02,549 --> 00:25:00,640
other people i also sent to eulon

606
00:25:05,669 --> 00:25:02,559
i couldn't change it it's there whatever

607
00:25:11,350 --> 00:25:09,269
and so

608
00:25:13,430 --> 00:25:11,360
that just goes to show when you do have

609
00:25:16,630 --> 00:25:13,440
some kind of evidence you don't always

610
00:25:19,190 --> 00:25:16,640
have the um

611
00:25:21,510 --> 00:25:19,200
luxury of exactly naming what you're

612
00:25:25,510 --> 00:25:21,520
looking at

613
00:25:28,149 --> 00:25:25,520

but i've had some people

614

00:25:29,190 --> 00:25:28,159

tell me you know it's probably a some

615

00:25:31,510 --> 00:25:29,200

kind of omen

616

00:25:32,230 --> 00:25:31,520

or it's a uh definitely it's a gray

617

00:25:35,590 --> 00:25:32,240

alien

618

00:25:36,710 --> 00:25:35,600

or if it's a leprechaun or so on and so

619

00:25:39,430 --> 00:25:36,720

forth

620

00:25:41,269 --> 00:25:39,440

yeah now i'm like okay well right now

621

00:25:42,870 --> 00:25:41,279

i'm just classifying as an unknown

622

00:25:45,990 --> 00:25:42,880

humanoid in the field because

623

00:25:46,230 --> 00:25:46,000

that's really all i got i can't distort

624

00:25:58,149 --> 00:25:46,240

it

625

00:25:59,830 --> 00:25:58,159

and um you know photoshop you can

626

00:26:02,230 --> 00:25:59,840

debunk as quick as they can put that

627

00:26:03,830 --> 00:26:02,240

kind of stuff up but it's there yeah

628

00:26:06,390 --> 00:26:03,840

oh you're using photoshop that was my

629

00:26:10,230 --> 00:26:06,400

question what are you using to

630

00:26:13,269 --> 00:26:10,240

i use uh ce6 okay

631

00:26:15,190 --> 00:26:13,279

up and um uh

632

00:26:17,430 --> 00:26:15,200

you know once you start peeling layers

633

00:26:17,909 --> 00:26:17,440

away if you're peeling layers away and

634

00:26:20,870 --> 00:26:17,919

then

635

00:26:21,350 --> 00:26:20,880

and the the object starts to disappear

636

00:26:23,110 --> 00:26:21,360

well

637

00:26:25,990 --> 00:26:23,120

that's pretty good indication was put in

638

00:26:29,830 --> 00:26:27,990

there there's no distortion and

639

00:26:31,909 --> 00:26:29,840

pixelization or anything like that

640

00:26:36,230 --> 00:26:31,919

around the object

641

00:26:40,870 --> 00:26:36,240

so and no matter what you do with it

642

00:26:42,310 --> 00:26:40,880

it's there don't you wish that

643

00:26:43,830 --> 00:26:42,320

don't you wish the people taking these

644

00:26:45,909 --> 00:26:43,840

photos were better photographers to

645

00:26:47,350 --> 00:26:45,919

begin with

646

00:26:50,789 --> 00:26:47,360

like i think that would make our job

647

00:26:53,190 --> 00:26:50,799

easier i think they rely too much on

648

00:26:54,789 --> 00:26:53,200

numerous of these cell phones and the

649

00:26:58,950 --> 00:26:54,799

cell phone camera although they're

650

00:27:02,390 --> 00:26:58,960

really nice for a selfie or you know uh

651

00:27:04,390 --> 00:27:02,400

taking something close up

652

00:27:06,710 --> 00:27:04,400

they're okay that way but when you're

653

00:27:07,990 --> 00:27:06,720

you know shooting us a landscape scene

654

00:27:09,510 --> 00:27:08,000

you know i prefer to have one of my

655

00:27:12,630 --> 00:27:09,520

nikons in my hand than i

656

00:27:16,390 --> 00:27:12,640

would my cell phone you know

657

00:27:20,310 --> 00:27:16,400

and um and then you know

658

00:27:21,350 --> 00:27:20,320

the the um inner workings of those

659

00:27:24,630 --> 00:27:21,360

cameras

660

00:27:28,310 --> 00:27:24,640

everything is so tight that you

661

00:27:30,389 --> 00:27:28,320

even distance you lose distance um

662

00:27:31,669 --> 00:27:30,399

like if there's trees in the background

663

00:27:33,029 --> 00:27:31,679

and shot

664

00:27:34,149 --> 00:27:33,039

you know those trees are going to be one

665

00:27:35,110 --> 00:27:34,159

of two things they're either going to

666

00:27:37,830 --> 00:27:35,120

look like they're right in front of the

667

00:27:40,549 --> 00:27:37,840

camera or they're five miles away

668

00:27:42,470 --> 00:27:40,559

they the perspective of the lens just

669

00:27:46,470 --> 00:27:42,480

isn't there like it would be on a

670

00:27:49,669 --> 00:27:46,480

dslr and um

671

00:27:51,430 --> 00:27:49,679

and then so then i get uh uh well i

672

00:27:53,590 --> 00:27:51,440

guess it was long's picture of uh from

673

00:27:57,510 --> 00:27:53,600

delaware of a uh

674

00:27:59,990 --> 00:27:57,520

uh a dog man possibility

675

00:28:01,830 --> 00:28:00,000

and laying down some trees and when i

676

00:28:04,549 --> 00:28:01,840

ran that through photoshop it's

677

00:28:05,990 --> 00:28:04,559

just a domestic dog it's a probably it

678

00:28:07,590 --> 00:28:06,000

more looks like german shepherd than

679

00:28:10,470 --> 00:28:07,600

anything

680

00:28:11,830 --> 00:28:10,480

and um and then today right before the

681

00:28:13,590 --> 00:28:11,840

show i got some pictures out of

682

00:28:17,669 --> 00:28:13,600

schuylkill county

683

00:28:20,630 --> 00:28:17,679

of a uh um a home that's haunted

684

00:28:21,269 --> 00:28:20,640

and they had some cameras set up and i i

685

00:28:22,950 --> 00:28:21,279

just

686

00:28:24,950 --> 00:28:22,960

got a glimpse of them i'm gonna get the

687

00:28:28,149 --> 00:28:24,960

originals tomorrow

688

00:28:29,430 --> 00:28:28,159

uh but i don't got a clue what they are

689

00:28:30,710 --> 00:28:29,440

either

690

00:28:31,990 --> 00:28:30,720

but it's it's something that's

691

00:28:34,070 --> 00:28:32,000

definitely there i mean it doesn't look

692

00:28:35,750 --> 00:28:34,080

like it was anything that was um

693

00:28:38,230 --> 00:28:35,760

you know fudged into the foreground of

694

00:28:41,350 --> 00:28:38,240

the background

695

00:28:43,590 --> 00:28:41,360

but i got the reason tomorrow

696

00:28:45,110 --> 00:28:43,600

well you know if you look at the picture

697

00:28:48,149 --> 00:28:45,120

now if you look the full scan

698

00:28:50,950 --> 00:28:48,159

full landscape picture and then

699

00:28:52,710 --> 00:28:50,960

you look at the the blow up this thing

700

00:28:54,389 --> 00:28:52,720

has some decent size to it it's not

701
00:28:57,669 --> 00:28:54,399
really that small

702
00:28:58,389 --> 00:28:57,679
no it's not small at all i mean i don't

703
00:29:02,070 --> 00:28:58,399
have anything

704
00:29:05,909 --> 00:29:02,080
to do but it's at least i'd say at least

705
00:29:09,110 --> 00:29:05,919
five to six foot oh yeah easy

706
00:29:10,710 --> 00:29:09,120
yeah and

707
00:29:12,070 --> 00:29:10,720
you know i had it to the point i don't

708
00:29:13,269 --> 00:29:12,080
remember what the percentage was i was

709
00:29:15,110 --> 00:29:13,279
working with anymore it might have been

710
00:29:17,909 --> 00:29:15,120
seven eight hundred percent

711
00:29:19,110 --> 00:29:17,919
i i had at the point where it almost

712
00:29:20,789 --> 00:29:19,120
looked like

713
00:29:23,190 --> 00:29:20,799

it was turning around and looking at the

714

00:29:25,350 --> 00:29:23,200

person taking the photograph

715

00:29:26,470 --> 00:29:25,360

but then as i went higher it kind of

716

00:29:30,389 --> 00:29:26,480

distorted i couldn't

717

00:29:31,909 --> 00:29:30,399

i couldn't place that but

718

00:29:33,510 --> 00:29:31,919

yeah it's definitely not a [h__\h] this

719

00:29:35,909 --> 00:29:33,520

is not something small this is no this

720

00:29:38,389 --> 00:29:35,919

is no three foot grey

721

00:29:41,110 --> 00:29:38,399

and the arms and legs are very distinct

722

00:29:43,029 --> 00:29:41,120

there is a shadow from it so it's there

723

00:29:44,230 --> 00:29:43,039

and that beam of light that goes through

724

00:29:46,710 --> 00:29:44,240

the photograph

725

00:29:48,230 --> 00:29:46,720

i'm assuming that is probably sunlight a

726

00:29:51,669 --> 00:29:48,240

camera issue

727

00:29:54,310 --> 00:29:51,679

yeah i think so too yeah because uh

728

00:29:55,510 --> 00:29:54,320

the cell phone cameras are notorious for

729

00:29:57,669 --> 00:29:55,520

picking up

730

00:29:59,990 --> 00:29:57,679

uh any bright light and then you know

731

00:30:02,549 --> 00:30:00,000

the lens itself tries to protect itself

732

00:30:03,990 --> 00:30:02,559

by uh either streaming the light or

733

00:30:05,190 --> 00:30:04,000

shutting the light down altogether like

734

00:30:06,950 --> 00:30:05,200

if you take a shot at the sun you're

735

00:30:10,470 --> 00:30:06,960

just gonna get a black dot

736

00:30:13,190 --> 00:30:10,480

right but um hey it is what it is

737

00:30:13,750 --> 00:30:13,200

i mean i don't know what it is but it's

738

00:30:20,830 --> 00:30:13,760

there

739

00:30:24,950 --> 00:30:20,840

into it

740

00:30:27,190 --> 00:30:24,960

um but i tried to get the location

741

00:30:29,110 --> 00:30:27,200

from the uh submitter and i haven't

742

00:30:30,310 --> 00:30:29,120

heard back from them yet so

743

00:30:31,830 --> 00:30:30,320

you know maybe they just don't want to

744

00:30:33,909 --> 00:30:31,840

get involved not they know it's not

745

00:30:35,350 --> 00:30:33,919

supposed to be there

746

00:30:39,110 --> 00:30:35,360

and it wasn't there when the person took

747

00:30:45,830 --> 00:30:42,789

um on the same link where i posted that

748

00:30:51,110 --> 00:30:45,840

which was uh the date

749

00:30:55,110 --> 00:30:51,120

i posted uh the 15th on saturday

750

00:30:55,590 --> 00:30:55,120

i um i had also put a picture or an

751
00:30:59,190 --> 00:30:55,600

image

752
00:31:02,830 --> 00:30:59,200

of something opening up or something

753
00:31:05,430 --> 00:31:02,840

appearing in the skies of chicago

754
00:31:05,750 --> 00:31:05,440

um and the first thing i thought just

755
00:31:08,950 --> 00:31:05,760

like

756
00:31:10,070 --> 00:31:08,960

sean told me well maybe there's a a

757
00:31:12,710 --> 00:31:10,080

light coming

758
00:31:13,909 --> 00:31:12,720

reflecting off the window inside the the

759
00:31:15,750 --> 00:31:13,919

uh

760
00:31:17,350 --> 00:31:15,760

right it kind of looked like that didn't

761
00:31:19,509 --> 00:31:17,360

it like it was a little

762
00:31:22,630 --> 00:31:19,519

it looked a little too symmetrical yeah

763
00:31:26,230 --> 00:31:22,640

look looked like a lampshade

764

00:31:28,149 --> 00:31:26,240

but i went i went and

765

00:31:30,549 --> 00:31:28,159

looked at it a little further and i

766

00:31:36,389 --> 00:31:30,559

don't think that's what it is

767

00:31:40,149 --> 00:31:38,549

i mean if i knew who the witness was

768

00:31:42,470 --> 00:31:40,159

because this came off move on if i knew

769

00:31:45,350 --> 00:31:42,480

who the witness was

770

00:31:48,070 --> 00:31:45,360

uh like i'd make for make sure they took

771

00:31:51,509 --> 00:31:49,990

the hotel room instead of being out on a

772

00:31:53,269 --> 00:31:51,519

balcony or anything

773

00:31:54,710 --> 00:31:53,279

but um and i don't think it would have

774

00:31:57,990 --> 00:31:54,720

been a balcony that high up

775

00:32:00,310 --> 00:31:58,000

the edges in shape just looked too

776

00:32:01,029 --> 00:32:00,320

yeah they do they look oblong and they

777

00:32:03,110 --> 00:32:01,039

look

778

00:32:04,710 --> 00:32:03,120

too lampshade-ish to me that's all like

779

00:32:06,710 --> 00:32:04,720

i and like you said there's not a whole

780

00:32:08,389 --> 00:32:06,720

lot of detail to go off of for it

781

00:32:10,389 --> 00:32:08,399

so that's what i thought when i first

782

00:32:12,389 --> 00:32:10,399

seen it but

783

00:32:14,710 --> 00:32:12,399

when i looked at it closer the

784

00:32:15,430 --> 00:32:14,720

surrounding you know when you've seen

785

00:32:18,630 --> 00:32:15,440

pictures

786

00:32:20,230 --> 00:32:18,640

like that where the backlight like a

787

00:32:23,110 --> 00:32:20,240

light or something behind

788

00:32:24,789 --> 00:32:23,120

the glass behind the person that's

789

00:32:26,950 --> 00:32:24,799

reflecting in the glass and gets onto

790

00:32:31,029 --> 00:32:26,960

the photo

791

00:32:33,750 --> 00:32:31,039

you normally do get some ambient light

792

00:32:34,950 --> 00:32:33,760

or some type of shape around it

793

00:32:38,389 --> 00:32:34,960

somewhere

794

00:32:40,389 --> 00:32:38,399

and this just doesn't have that and i

795

00:32:43,430 --> 00:32:40,399

ran through a whole lot of filters

796

00:32:46,870 --> 00:32:43,440

and um you know

797

00:32:51,269 --> 00:32:46,880

i don't see anything so i don't know

798

00:32:54,830 --> 00:32:51,279

i mean you know i have seen pictures

799

00:32:57,990 --> 00:32:54,840

similar to this in the past where people

800

00:32:59,909 --> 00:32:58,000

swore they uh

801
00:33:01,430 --> 00:32:59,919
something opened up in fact they saw it

802
00:33:04,870 --> 00:33:01,440
open up

803
00:33:08,549 --> 00:33:04,880
from a smaller type of object

804
00:33:10,149 --> 00:33:08,559
or opening to a larger opening now

805
00:33:13,509 --> 00:33:10,159
you know you can't tell how large this

806
00:33:15,430 --> 00:33:13,519
is but um

807
00:33:17,029 --> 00:33:15,440
yeah i mean it like you say it is what

808
00:33:19,750 --> 00:33:17,039
it is so i don't know what it is

809
00:33:22,310 --> 00:33:19,760
but it's interesting uh i got another

810
00:33:24,870 --> 00:33:22,320
report today that i haven't gotten up

811
00:33:26,549 --> 00:33:24,880
on the blog i'll brew it i'll do it

812
00:33:27,750 --> 00:33:26,559
tomorrow i just got this evening but it

813
00:33:32,470 --> 00:33:27,760

was a

814

00:33:37,430 --> 00:33:32,480

person in uh in detroit

815

00:33:40,070 --> 00:33:37,440

with a u.s suiciding several years ago

816

00:33:42,310 --> 00:33:40,080

and uh that's a topic we got to get back

817

00:33:45,509 --> 00:33:42,320

into you know usc yeah that's

818

00:33:46,950 --> 00:33:45,519

maybe we'll do that next week uh usos

819

00:33:49,110 --> 00:33:46,960

because

820

00:33:52,470 --> 00:33:49,120

there have you know there have been a

821

00:33:55,830 --> 00:33:52,480

lot of uh

822

00:33:57,190 --> 00:33:55,840

over the years even official sightings

823

00:34:00,710 --> 00:33:57,200

over the years

824

00:34:03,430 --> 00:34:00,720

of these ufos that take a dive you know

825

00:34:06,870 --> 00:34:03,440

and are come out or even coming out

826

00:34:08,470 --> 00:34:06,880

submerged and come out and fly off um

827

00:34:10,869 --> 00:34:08,480

that sounds like a good subject for next

828

00:34:13,589 --> 00:34:10,879

week i mean we haven't got a guess so

829

00:34:14,149 --> 00:34:13,599

yeah we can do that and the amount of

830

00:34:16,550 --> 00:34:14,159

u.s

831

00:34:18,389 --> 00:34:16,560

fighting that's increased a lot too yes

832

00:34:20,389 --> 00:34:18,399

it has what's that

833

00:34:22,869 --> 00:34:20,399

the amount of uso sightings has

834

00:34:27,349 --> 00:34:25,510

when i i had i had covered a lot of

835

00:34:31,190 --> 00:34:27,359

sightings

836

00:34:31,669 --> 00:34:31,200

uh around the uh the lake ontario area

837

00:34:35,589 --> 00:34:31,679

and

838

00:34:38,389 --> 00:34:35,599

because

839

00:34:38,710 --> 00:34:38,399

a lot of people i i know several people

840

00:34:42,710 --> 00:34:38,720

in

841

00:34:43,669 --> 00:34:42,720

there for about six months i lived up

842

00:34:46,950 --> 00:34:43,679

there

843

00:34:53,270 --> 00:34:50,950

those usa uso sags are fairly

844

00:34:54,230 --> 00:34:53,280

well i mean they're fairly common up

845

00:34:57,190 --> 00:34:54,240

there

846

00:34:58,150 --> 00:34:57,200

now i don't know and actually closer

847

00:35:00,870 --> 00:34:58,160

towards the

848

00:35:02,630 --> 00:35:00,880

you know maybe a mile away off the city

849

00:35:04,230 --> 00:35:02,640

you know off the city shore

850

00:35:05,829 --> 00:35:04,240

so i don't know i mean but there have

851
00:35:06,310 --> 00:35:05,839
been a lot of things over the years up

852
00:35:10,069 --> 00:35:06,320
there

853
00:35:12,390 --> 00:35:10,079
settings along the rivers

854
00:35:13,270 --> 00:35:12,400
in the niagara and others that feed in

855
00:35:17,990 --> 00:35:13,280
there as well

856
00:35:19,910 --> 00:35:18,000
so i don't know you know

857
00:35:21,109 --> 00:35:19,920
i had to dig all those up i'll dig those

858
00:35:23,190 --> 00:35:21,119
up for next week

859
00:35:25,910 --> 00:35:23,200
i'm sure you'll dig a few up too well

860
00:35:29,430 --> 00:35:25,920
look at shag harbor shag harbor's

861
00:35:32,470 --> 00:35:29,440
a well-known deciding that was uh

862
00:35:36,069 --> 00:35:32,480
so uso yeah we can talk

863
00:35:39,750 --> 00:35:38,550

but you know i think the reference she

864

00:35:43,829 --> 00:35:39,760

was making was

865

00:35:45,190 --> 00:35:43,839

i was i was making uh i made a comment

866

00:35:49,190 --> 00:35:45,200

with shannon about

867

00:35:52,150 --> 00:35:49,200

the um and i even posted on the blog

868

00:35:53,670 --> 00:35:52,160

about possible portals opening up in

869

00:35:55,270 --> 00:35:53,680

lake michigan

870

00:35:57,510 --> 00:35:55,280

and there have been reports over the

871

00:35:59,510 --> 00:35:57,520

years people seeing uh

872

00:36:01,349 --> 00:35:59,520

you know green orbs and such and craft

873

00:36:03,270 --> 00:36:01,359

coming out of

874

00:36:05,190 --> 00:36:03,280

out of the lake and that what they call

875

00:36:08,069 --> 00:36:05,200

the michigan triangle

876

00:36:08,630 --> 00:36:08,079

so i mean is that involved with this who

877

00:36:14,390 --> 00:36:08,640

knows

878

00:36:16,630 --> 00:36:14,400

last year at the mothman festival a lady

879

00:36:18,870 --> 00:36:16,640

shared her uso report with me and i'll

880

00:36:21,190 --> 00:36:18,880

see if i can dig that up for next week

881

00:36:23,030 --> 00:36:21,200

she uh it was interesting because i we

882

00:36:23,750 --> 00:36:23,040

had just talked about it not too long

883

00:36:26,550 --> 00:36:23,760

ago

884

00:36:28,310 --> 00:36:26,560

before i went to point pleasant and it's

885

00:36:30,950 --> 00:36:28,320

not a topic

886

00:36:32,710 --> 00:36:30,960

too familiar with and this lady just

887

00:36:33,430 --> 00:36:32,720

opens up about deciding she had in the

888

00:36:35,990 --> 00:36:33,440

70s that

889

00:36:37,670 --> 00:36:36,000

she was shaped like a big giant wheel

890

00:36:38,550 --> 00:36:37,680

and i'll see if i can dig that up for

891

00:36:40,150 --> 00:36:38,560

next week

892

00:36:41,990 --> 00:36:40,160

i think it's a good topic i think we

893

00:36:43,109 --> 00:36:42,000

have uh

894

00:36:44,790 --> 00:36:43,119

really talk about some good things with

895

00:36:45,750 --> 00:36:44,800

that now i'm excited now i'm thinking

896

00:36:47,589 --> 00:36:45,760

about next week yeah we still have a

897

00:36:50,230 --> 00:36:47,599

show going on right now

898

00:36:53,349 --> 00:36:50,240

well you know and another fact of that

899

00:36:57,109 --> 00:36:53,359

is i mean those uh

900

00:36:57,990 --> 00:36:57,119

those manta ray shaped beings or ufos

901
00:37:01,190 --> 00:36:58,000
that

902
00:37:05,030 --> 00:37:01,200
i have been digging into for years now

903
00:37:07,589 --> 00:37:05,040
they're always around water um

904
00:37:08,069 --> 00:37:07,599
but they're flying at a considerable

905
00:37:11,109 --> 00:37:08,079
height

906
00:37:14,150 --> 00:37:11,119
and but there's water nearby uh either a

907
00:37:16,150 --> 00:37:14,160
river or a lake or whatever

908
00:37:19,270 --> 00:37:16,160
are they originating from water are they

909
00:37:21,030 --> 00:37:19,280
usos it's hard to tell

910
00:37:23,510 --> 00:37:21,040
so i'll talk about that i'll dig that up

911
00:37:26,550 --> 00:37:23,520
too there's uh

912
00:37:29,910 --> 00:37:26,560
there's a well-known navy photo

913
00:37:32,550 --> 00:37:29,920

of a uh of a possible uso

914

00:37:34,470 --> 00:37:32,560

that was taken well wasn't the navy it

915

00:37:36,950 --> 00:37:34,480

was an actual seaman but he had taken

916

00:37:38,870 --> 00:37:36,960

the picture and

917

00:37:41,430 --> 00:37:38,880

it didn't get classified anything he had

918

00:37:44,870 --> 00:37:41,440

it and he released it a couple years ago

919

00:37:47,990 --> 00:37:44,880

i had to i had to pull that up too

920

00:37:50,550 --> 00:37:48,000

so anyway careful how we chain words

921

00:37:57,910 --> 00:37:52,470

releasing pictures of never mind i'm not

922

00:38:01,750 --> 00:37:59,990

okay yeah special victims unit right

923

00:38:04,390 --> 00:38:01,760

here

924

00:38:05,109 --> 00:38:04,400

just like not lon butch said midgets i

925

00:38:06,630 --> 00:38:05,119

was almost

926

00:38:09,589 --> 00:38:06,640

i almost caught our website midgets and

927

00:38:13,589 --> 00:38:12,470

spin-off uh sorry for all the little

928

00:38:17,270 --> 00:38:13,599

listeners out there

929

00:38:20,630 --> 00:38:17,280

uh we love you each and every one of you

930

00:38:24,150 --> 00:38:20,640

usos next week by god uh

931

00:38:26,230 --> 00:38:24,160

yeah that's a good subject so anyway

932

00:38:27,270 --> 00:38:26,240

getting back to what maybe we were

933

00:38:29,910 --> 00:38:27,280

talking about oh

934

00:38:33,190 --> 00:38:29,920

it was at this point we derailed i i

935

00:38:36,710 --> 00:38:33,200

posted a story today

936

00:38:39,190 --> 00:38:36,720

about uh ufo landings

937

00:38:40,310 --> 00:38:39,200

at u.s air force base did you read a

938

00:38:43,109 --> 00:38:40,320

butch

939

00:38:45,589 --> 00:38:43,119

yeah they did i saw you post it i

940

00:38:49,270 --> 00:38:45,599

haven't read it yet

941

00:38:52,790 --> 00:38:49,280

well you're gonna hear it anyway uh

942

00:38:54,470 --> 00:38:52,800

this gentleman sent this into me now he

943

00:38:56,870 --> 00:38:54,480

wanted to keep quiet

944

00:39:00,069 --> 00:38:56,880

he didn't want any part so just going

945

00:39:02,310 --> 00:39:00,079

out as far as name-wise or location-wise

946

00:39:03,670 --> 00:39:02,320

but back in her 70s she said my aunt had

947

00:39:05,670 --> 00:39:03,680

sold her house

948

00:39:07,109 --> 00:39:05,680

because she was getting too old to take

949

00:39:08,470 --> 00:39:07,119

care of it so she moved into a

950

00:39:10,630 --> 00:39:08,480

one-bedroom apartment

951
00:39:12,390 --> 00:39:10,640
about six blocks or so from our house so

952
00:39:13,190 --> 00:39:12,400
my wife and i used to take walks in the

953
00:39:15,030 --> 00:39:13,200
evening

954
00:39:17,670 --> 00:39:15,040
after we put her sons to bed about 10

955
00:39:19,430 --> 00:39:17,680
o'clock often to a popular restaurant to

956
00:39:20,870 --> 00:39:19,440
pop their natural chain

957
00:39:22,310 --> 00:39:20,880
so one evening we walked into the

958
00:39:24,150 --> 00:39:22,320
restaurant and found my aunt and a man

959
00:39:26,870 --> 00:39:24,160
from her apartments having late

960
00:39:28,710 --> 00:39:26,880
evening iced tea and pie nice little it

961
00:39:31,349 --> 00:39:28,720
must be a little town

962
00:39:33,750 --> 00:39:31,359
anyway we we joined them and were served

963
00:39:35,430 --> 00:39:33,760

quickly because the servers knew us

964

00:39:37,589 --> 00:39:35,440

as we were visiting with my aunt and her

965

00:39:40,710 --> 00:39:37,599

friend three young men and teenagers

966

00:39:41,990 --> 00:39:40,720

took the booth next to ours i then heard

967

00:39:44,150 --> 00:39:42,000

one of the teens telling

968

00:39:46,870 --> 00:39:44,160

a story so i listened having to keep

969

00:39:51,109 --> 00:39:46,880

track of two conversations at once

970

00:39:53,109 --> 00:39:51,119

so this was the team's story uh

971

00:39:55,030 --> 00:39:53,119

he said that he knew a girl whose dad

972

00:39:56,470 --> 00:39:55,040

was stationed at an air force base in

973

00:39:58,470 --> 00:39:56,480

our state

974

00:40:00,870 --> 00:39:58,480

at the time there were two air force

975

00:40:01,990 --> 00:40:00,880

bases and one marine air station in our

976
00:40:04,790 --> 00:40:02,000
state

977
00:40:06,390 --> 00:40:04,800
the teen said he went to see the girl

978
00:40:07,430 --> 00:40:06,400
and stay with her family over the

979
00:40:10,470 --> 00:40:07,440
weekend

980
00:40:12,150 --> 00:40:10,480
he arrived friday evening

981
00:40:14,309 --> 00:40:12,160
the family had dinner then he and the

982
00:40:15,910 --> 00:40:14,319
girlfriend decided to walk over to the

983
00:40:18,710 --> 00:40:15,920
beast movie theater

984
00:40:20,950 --> 00:40:18,720
and to see what was playing he said that

985
00:40:22,870 --> 00:40:20,960
they saw the movie and were walking back

986
00:40:24,790 --> 00:40:22,880
to the family's quarters

987
00:40:28,309 --> 00:40:24,800
and the company of many air force kids

988
00:40:30,630 --> 00:40:28,319

and families who also saw the movie

989

00:40:32,309 --> 00:40:30,640

he said that as they were walking air

990

00:40:33,829 --> 00:40:32,319

force air police

991

00:40:35,430 --> 00:40:33,839

and he said he thinks that they hold

992

00:40:37,589 --> 00:40:35,440

them back then they may actually call me

993

00:40:40,309 --> 00:40:37,599

aps yet i don't know

994

00:40:41,670 --> 00:40:40,319

ap personnel began driving down the base

995

00:40:44,470 --> 00:40:41,680

housing streets

996

00:40:47,190 --> 00:40:44,480

ordering the theater goes to the

997

00:40:49,270 --> 00:40:47,200

nearest base housing residence

998

00:40:50,309 --> 00:40:49,280

a siren or tone was wailing from

999

00:40:52,150 --> 00:40:50,319

somewhere

1000

00:40:54,710 --> 00:40:52,160

it seems to me that the order included

1001

00:40:59,030 --> 00:40:54,720

some kind of spoken code

1002

00:41:01,750 --> 00:40:59,040

but i had no idea now what it was

1003

00:41:04,230 --> 00:41:01,760

uh with no resistance the crowd began

1004

00:41:06,230 --> 00:41:04,240

moving towards the base houses

1005

00:41:07,670 --> 00:41:06,240

when the guy his friend and several who

1006

00:41:10,390 --> 00:41:07,680

had been walking near them

1007

00:41:12,309 --> 00:41:10,400

came to the house his girlfriend without

1008

00:41:13,829 --> 00:41:12,319

knocking pushed the door open and they

1009

00:41:15,589 --> 00:41:13,839

all walked in

1010

00:41:17,829 --> 00:41:15,599

he said the members of the house were

1011

00:41:19,190 --> 00:41:17,839

about to the business of point when the

1012

00:41:21,190 --> 00:41:19,200

grapes closed

1013

00:41:22,790 --> 00:41:21,200

he said the guy said that he had the

1014

00:41:23,990 --> 00:41:22,800

impression that this was a regular

1015

00:41:25,670 --> 00:41:24,000

occurrence

1016

00:41:27,430 --> 00:41:25,680

because the household family was

1017

00:41:29,670 --> 00:41:27,440

pleasant the family invited

1018

00:41:31,430 --> 00:41:29,680

everyone to sit pulling out some folding

1019

00:41:34,150 --> 00:41:31,440

chairs and they were

1020

00:41:34,630 --> 00:41:34,160

able to accommodate everyone the group

1021

00:41:37,510 --> 00:41:34,640

and

1022

00:41:40,390 --> 00:41:37,520

servicing something to drink sometime

1023

00:41:42,150 --> 00:41:40,400

about an hour or so later the air police

1024

00:41:43,750 --> 00:41:42,160

again went up and down the streets

1025

00:41:46,829 --> 00:41:43,760

giving the all clear

1026
00:41:48,710 --> 00:41:46,839
and somewhere the same siren or tone was

1027
00:41:51,030 --> 00:41:48,720
sounding

1028
00:41:52,950 --> 00:41:51,040
what the team said was that the girl

1029
00:41:56,150 --> 00:41:52,960
told him

1030
00:41:57,109 --> 00:41:56,160
that he must not ever tell anyone he

1031
00:42:01,349 --> 00:41:57,119
knows

1032
00:42:04,069 --> 00:42:01,359
that he had been involved in uh

1033
00:42:06,069 --> 00:42:04,079
and what happened i i gotta reward them

1034
00:42:08,150 --> 00:42:06,079
like most teenagers the boy was telling

1035
00:42:10,230 --> 00:42:08,160
his friends the story

1036
00:42:11,510 --> 00:42:10,240
so the girlfriend said that the incident

1037
00:42:13,829 --> 00:42:11,520
was either a drill

1038
00:42:17,190 --> 00:42:13,839

or the real thing she said that the

1039

00:42:20,470 --> 00:42:17,200

incident was what happened when ufos

1040

00:42:23,430 --> 00:42:20,480

land on base property are nearby

1041

00:42:26,470 --> 00:42:23,440

and that these matters were common on

1042

00:42:28,550 --> 00:42:26,480

various air force bases

1043

00:42:30,069 --> 00:42:28,560

because i was with my wife and my aunt's

1044

00:42:32,870 --> 00:42:30,079

friend i could not involve the teen in

1045

00:42:35,030 --> 00:42:32,880

any conversation to ask questions

1046

00:42:36,630 --> 00:42:35,040

he said to this day i have no idea where

1047

00:42:38,470 --> 00:42:36,640

the boy is pulling her leg whether his

1048

00:42:39,990 --> 00:42:38,480

girlfriend just made up a story

1049

00:42:42,069 --> 00:42:40,000

or if this is the real air force

1050

00:42:42,870 --> 00:42:42,079

phenomenon i have never seen the kid

1051
00:42:46,069 --> 00:42:42,880
again

1052
00:42:48,790 --> 00:42:46,079
well the writer

1053
00:42:51,190 --> 00:42:48,800
remain wants to remain anonymous and

1054
00:42:52,790 --> 00:42:51,200
wouldn't divulge the location

1055
00:42:54,950 --> 00:42:52,800
but you know in the past i've received

1056
00:42:55,990 --> 00:42:54,960
reports of similar incidents on military

1057
00:43:02,309 --> 00:42:56,000
bases

1058
00:43:05,829 --> 00:43:02,319
there i i i looked it up today and

1059
00:43:07,750 --> 00:43:05,839
i i have a list of

1060
00:43:09,510 --> 00:43:07,760
seven air force bases in the united

1061
00:43:12,309 --> 00:43:09,520
states stateside

1062
00:43:14,550 --> 00:43:12,319
that have had reports or people had made

1063
00:43:17,750 --> 00:43:14,560

reports or stated something

1064

00:43:21,349 --> 00:43:17,760

about ufos landing on base property

1065

00:43:23,589 --> 00:43:21,359

uh uh mino air force base north dakota

1066

00:43:25,990 --> 00:43:23,599

monotony here from monotone no i don't

1067

00:43:28,630 --> 00:43:26,000

know um dakota

1068

00:43:29,750 --> 00:43:28,640

why not uh kirkland air force base new

1069

00:43:31,910 --> 00:43:29,760

mexico

1070

00:43:33,109 --> 00:43:31,920

mcguire air force base in new jersey

1071

00:43:36,710 --> 00:43:33,119

which is

1072

00:43:39,589 --> 00:43:36,720

mcguire fort dix now they just joined

1073

00:43:39,990 --> 00:43:39,599

eglin air force base in florida mcdill

1074

00:43:43,829 --> 00:43:40,000

air force

1075

00:43:46,470 --> 00:43:43,839

california

1076
00:43:47,990 --> 00:43:46,480
and the lackland air force base in texas

1077
00:43:51,349 --> 00:43:48,000
you know i've also received

1078
00:43:54,790 --> 00:43:51,359
similar reports of activity

1079
00:43:58,069 --> 00:43:54,800
near military other military bases and

1080
00:43:59,990 --> 00:43:58,079
of course butch probably knows of other

1081
00:44:01,829 --> 00:44:00,000
sightings too around fort campbell which

1082
00:44:05,270 --> 00:44:01,839
is kentucky and tennessee

1083
00:44:06,309 --> 00:44:05,280
and also also holloman air force base in

1084
00:44:08,309 --> 00:44:06,319
new mexico

1085
00:44:09,430 --> 00:44:08,319
well home mean yeah homies were they

1086
00:44:12,150 --> 00:44:09,440
supposed to kept the uh

1087
00:44:12,710 --> 00:44:12,160
aliens and had the meetings and all that

1088
00:44:14,230 --> 00:44:12,720

a lot of stuff

1089

00:44:16,550 --> 00:44:14,240

i never received a port from there but i

1090

00:44:17,670 --> 00:44:16,560

am aware of the stuff that happened at

1091

00:44:19,270 --> 00:44:17,680

holloman

1092

00:44:21,349 --> 00:44:19,280

and of course there's a well-known

1093

00:44:23,829 --> 00:44:21,359

incident that happened back in 78 before

1094

00:44:25,910 --> 00:44:23,839

dixon mcguire so um

1095

00:44:29,030 --> 00:44:25,920

these things do happen but i thought it

1096

00:44:29,040 --> 00:44:33,030

so i mean what you think about

1097

00:44:37,670 --> 00:44:36,069

oh i think i think a lot more happens

1098

00:44:40,870 --> 00:44:37,680

than we're ever going to know

1099

00:44:43,829 --> 00:44:40,880

but uh i mean my knot i i think

1100

00:44:45,349 --> 00:44:43,839

minot was probably the best documented

1101

00:44:46,710 --> 00:44:45,359

um

1102

00:44:49,109 --> 00:44:46,720

yeah they had that's right they did have

1103

00:44:50,150 --> 00:44:49,119

an incident in minot that is well known

1104

00:44:51,750 --> 00:44:50,160

yeah

1105

00:44:53,270 --> 00:44:51,760

which is the shutdown of the missile

1106

00:44:57,109 --> 00:44:53,280

systems right

1107

00:44:59,190 --> 00:44:57,119

uh and it you know

1108

00:45:00,950 --> 00:44:59,200

my knot has always been to me one of the

1109

00:45:03,990 --> 00:45:00,960

best reported cases

1110

00:45:07,510 --> 00:45:04,000

of a craft or crafts over

1111

00:45:11,190 --> 00:45:09,349

and it's never been disputed by the

1112

00:45:16,069 --> 00:45:11,200

government

1113

00:45:21,670 --> 00:45:19,270

well this is all new to me i'm not too

1114

00:45:23,270 --> 00:45:21,680

familiar with ufos and air force bases

1115

00:45:27,670 --> 00:45:23,280

but

1116

00:45:33,109 --> 00:45:31,030

like well no real

1117

00:45:35,670 --> 00:45:33,119

classification or justification by the

1118

00:45:38,230 --> 00:45:35,680

military they don't report on this

1119

00:45:39,190 --> 00:45:38,240

yeah it's just like when you have

1120

00:45:40,309 --> 00:45:39,200

bigfoots

1121

00:45:42,870 --> 00:45:40,319

just like when they have bigfoot

1122

00:45:45,190 --> 00:45:42,880

encounters on base i mean

1123

00:45:46,150 --> 00:45:45,200

up in uh what's the name that the base

1124

00:45:49,829 --> 00:45:46,160

up in uh

1125

00:45:53,750 --> 00:45:49,839

in washington again uh butch

1126

00:45:57,349 --> 00:45:53,760

oh um thank you yeah yeah i know

1127

00:46:00,390 --> 00:45:57,359

i can't remember anyone yeah

1128

00:46:01,670 --> 00:46:00,400

there is a there is a and i think it's

1129

00:46:04,710 --> 00:46:01,680

an air force base but i'm not

1130

00:46:06,390 --> 00:46:04,720

quite sure anyway there is a base up in

1131

00:46:10,790 --> 00:46:06,400

the state of washington

1132

00:46:12,950 --> 00:46:10,800

that has had bigfoot drills for years

1133

00:46:14,470 --> 00:46:12,960

and i've received stories of all kinds

1134

00:46:17,190 --> 00:46:14,480

of weird stuff well

1135

00:46:18,870 --> 00:46:17,200

i've also got reports up in canada too

1136

00:46:21,829 --> 00:46:18,880

real quick junior wants to know what

1137

00:46:25,910 --> 00:46:21,839

happened in 78 at fort dix

1138

00:46:30,390 --> 00:46:25,920

oh god well

1139

00:46:34,550 --> 00:46:30,400

let me pull it up here uh

1140

00:46:38,710 --> 00:46:34,560

this was january 18 1978

1141

00:46:42,069 --> 00:46:38,720

uh cortex mcguire air force base

1142

00:46:43,270 --> 00:46:42,079

it was uh the primary witness in the

1143

00:46:46,790 --> 00:46:43,280

case his name was

1144

00:46:50,630 --> 00:46:46,800

jeffrey morse and he had been

1145

00:46:53,270 --> 00:46:50,640

working as security policing at mcguire

1146

00:46:55,349 --> 00:46:53,280

when he was notified by uf oh activity

1147

00:46:58,630 --> 00:46:55,359

over fort dix army base

1148

00:47:02,230 --> 00:46:58,640

now morris alleged that he had heard

1149

00:47:04,470 --> 00:47:02,240

that a non-human entity had been shot

1150

00:47:06,950 --> 00:47:04,480

and he later witnessed the dead body of

1151

00:47:11,430 --> 00:47:06,960

the entity lying on the ground

1152

00:47:15,910 --> 00:47:11,440

in an unused runway on mcguire

1153

00:47:17,990 --> 00:47:15,920

um a primary witness in the case jeffrey

1154

00:47:21,670 --> 00:47:18,000

morris alleged that he had been working

1155

00:47:25,030 --> 00:47:21,680

as a security police officer at mcguire

1156

00:47:28,069 --> 00:47:25,040

at three o'clock in in the morning

1157

00:47:30,710 --> 00:47:28,079

on january 18 1978 when he

1158

00:47:32,470 --> 00:47:30,720

was notified about ufo activity over

1159

00:47:35,750 --> 00:47:32,480

fort dix

1160

00:47:37,190 --> 00:47:35,760

and uh you know he had heard about the

1161

00:47:40,790 --> 00:47:37,200

non-human entity being

1162

00:47:43,910 --> 00:47:40,800

shot uh he said the scene was

1163

00:47:47,030 --> 00:47:43,920

actually cordoned off and the body was

1164

00:47:49,190 --> 00:47:47,040

crated and flown to wright patterson

1165

00:47:50,950 --> 00:47:49,200

for examination now he made that that's

1166

00:47:52,950 --> 00:47:50,960

the statement he made

1167

00:47:54,390 --> 00:47:52,960

morse himself two days after the

1168

00:47:57,109 --> 00:47:54,400

shooting incident

1169

00:47:59,109 --> 00:47:57,119

was allegedly summoned to wright

1170

00:48:00,309 --> 00:47:59,119

patterson and interrogated about the

1171

00:48:02,630 --> 00:48:00,319

event

1172

00:48:07,910 --> 00:48:02,640

he was warned to keep quiet and shortly

1173

00:48:15,190 --> 00:48:10,230

now this report i think this report came

1174

00:48:21,510 --> 00:48:18,710

did leo sprinkle do that report butch

1175

00:48:22,150 --> 00:48:21,520

yeah yeah yeah i thought that you got

1176

00:48:25,990 --> 00:48:22,160

the init

1177

00:48:29,030 --> 00:48:26,000

who did the report but uh

1178

00:48:32,790 --> 00:48:29,040

i know he looked into it

1179

00:48:36,950 --> 00:48:34,230

i'm looking for oh yeah here's the

1180

00:48:39,750 --> 00:48:36,960

status report

1181

00:48:41,030 --> 00:48:39,760

uh let's see well anyway that's the

1182

00:48:46,710 --> 00:48:41,040

story

1183

00:48:49,109 --> 00:48:46,720

now i i've got a link to that

1184

00:48:50,309 --> 00:48:49,119

on that on that uh i got a link to the

1185

00:48:53,510 --> 00:48:50,319

story on

1186

00:48:55,349 --> 00:48:53,520

the uh on the post i made today so if

1187

00:48:57,510 --> 00:48:55,359

you get the uh

1188

00:49:01,030 --> 00:48:57,520

you can get the or go to the blog or get

1189

00:49:06,549 --> 00:49:04,069

but uh i don't know you know

1190

00:49:07,829 --> 00:49:06,559

maccabee and william hall also were

1191

00:49:11,030 --> 00:49:07,839

investigating it

1192

00:49:16,630 --> 00:49:11,040

and bruce mcavee and um william

1193

00:49:18,710 --> 00:49:16,640

william hall and uh

1194

00:49:21,190 --> 00:49:18,720

apparently this this morse guy now it's

1195

00:49:23,829 --> 00:49:21,200

not his real name that's a student name

1196

00:49:25,190 --> 00:49:23,839

but he pro wait looks like he got some

1197

00:49:26,790 --> 00:49:25,200

um

1198

00:49:28,950 --> 00:49:26,800

he was detained a lot of different

1199

00:49:30,790 --> 00:49:28,960

places

1200

00:49:32,069 --> 00:49:30,800

while this thing was being investigated

1201

00:49:34,870 --> 00:49:32,079

so

1202

00:49:38,150 --> 00:49:34,880

i don't know if the the army was trying

1203

00:49:42,390 --> 00:49:38,160

to keep him quiet or what the deal was

1204

00:49:49,750 --> 00:49:46,630

yeah i mean you know yeah yeah

1205

00:49:51,670 --> 00:49:49,760

so i i don't know i mean i know filer

1206

00:49:54,950 --> 00:49:51,680

did a report as well

1207

00:49:56,230 --> 00:49:54,960

uh he was also he was a major at the

1208

00:50:00,230 --> 00:49:56,240

time

1209

00:50:03,589 --> 00:50:01,510

do you know of any do you know of

1210

00:50:05,030 --> 00:50:03,599

anything that filer reported about it

1211

00:50:07,190 --> 00:50:05,040

butch

1212

00:50:08,549 --> 00:50:07,200

no he pretty much reported the original

1213

00:50:12,309 --> 00:50:08,559

story

1214

00:50:13,829 --> 00:50:12,319

okay and um i mean there were some other

1215

00:50:16,390 --> 00:50:13,839

little things put in there but didn't

1216

00:50:18,470 --> 00:50:16,400

change much of the original incident

1217

00:50:20,790 --> 00:50:18,480

and as far as my not concerned if

1218

00:50:23,589 --> 00:50:20,800

anybody's interested in that minot case

1219

00:50:25,109 --> 00:50:23,599

there's a the one of the commanders that

1220

00:50:25,990 --> 00:50:25,119

was in charge that evening when this all

1221

00:50:28,790 --> 00:50:26,000

took place was

1222

00:50:29,829 --> 00:50:28,800

robert salas and he has a book called

1223

00:50:31,510 --> 00:50:29,839

faded giant

1224

00:50:33,510 --> 00:50:31,520

you can get that book and read it you

1225

00:50:36,950 --> 00:50:33,520

will be amazed at what happened and how

1226

00:50:41,589 --> 00:50:39,270

yeah my knot has had i have gotten

1227

00:50:44,710 --> 00:50:41,599

reports from mine not in the past

1228

00:50:48,069 --> 00:50:44,720

uh there seems to be quite a

1229

00:50:51,510 --> 00:50:48,079

uh a lot of um ufo activity

1230

00:50:55,190 --> 00:50:51,520

from minot north into uh

1231

00:50:57,030 --> 00:50:55,200

manitoba and back and forth

1232

00:50:59,510 --> 00:50:57,040

uh because there's been a lot of weird

1233

00:50:59,990 --> 00:50:59,520

stuff that has gone on up in manitoba as

1234

00:51:01,270 --> 00:51:00,000

well

1235

00:51:03,750 --> 00:51:01,280

but there's been a lot of there's been a

1236

00:51:07,030 --> 00:51:03,760

lot of encounter reports up there

1237

00:51:08,630 --> 00:51:07,040

so um yeah it's bizarre i mean

1238

00:51:10,790 --> 00:51:08,640

you know you think minot right in the

1239

00:51:12,870 --> 00:51:10,800

middle of nowhere but then again they

1240

00:51:13,910 --> 00:51:12,880

they had nuclear weapons there and for

1241

00:51:17,349 --> 00:51:13,920

whatever reason

1242

00:51:19,910 --> 00:51:17,359

these these craft

1243

00:51:21,589 --> 00:51:19,920

kind of congregate around these bases

1244

00:51:25,109 --> 00:51:21,599

they know where they're at

1245

00:51:28,790 --> 00:51:25,119

uh um i heard i got a report

1246

00:51:30,790 --> 00:51:28,800

years ago about whitehead as well

1247

00:51:32,470 --> 00:51:30,800

uh but i don't recall it offhand but i

1248

00:51:35,349 --> 00:51:32,480

know something about

1249

00:51:37,270 --> 00:51:35,359

them being buzzed at wayhead now of

1250

00:51:41,109 --> 00:51:37,280

course whitehead

1251
00:51:42,630 --> 00:51:41,119
is the the bomber group well the obama

1252
00:51:46,309 --> 00:51:42,640
group my dad used to be with

1253
00:51:49,990 --> 00:51:46,319
um and the same bomber group

1254
00:51:51,750 --> 00:51:50,000
that was at uh at roswell as well the

1255
00:51:54,870 --> 00:51:51,760
five of the ninth

1256
00:51:57,589 --> 00:51:54,880
and uh but they're the ones that that

1257
00:52:00,470 --> 00:51:57,599
were in sacks and the ones that also

1258
00:52:02,230 --> 00:52:00,480
do the bombing runs if uh if a nuclear

1259
00:52:05,589 --> 00:52:02,240
weapon needs to be uh

1260
00:52:08,950 --> 00:52:05,599
dropped somewhere over in europe so

1261
00:52:12,470 --> 00:52:10,710
well how about we transition from the

1262
00:52:13,270 --> 00:52:12,480
dropping of nuclear weapons to the

1263
00:52:18,790 --> 00:52:13,280

dropping of

1264

00:52:21,910 --> 00:52:18,800

unidentified flying sausage uh

1265

00:52:25,270 --> 00:52:21,920

about this 15

1266

00:52:27,030 --> 00:52:25,280

pounds of frozen italian sausage crashes

1267

00:52:29,430 --> 00:52:27,040

on a florida family's roof

1268

00:52:30,230 --> 00:52:29,440

family wonders how mystery meat ended up

1269

00:52:32,870 --> 00:52:30,240

there

1270

00:52:35,109 --> 00:52:32,880

and this was in deerfield beach florida

1271

00:52:37,750 --> 00:52:35,119

a south florida family is perplexed

1272

00:52:39,990 --> 00:52:37,760

after recently waking up to a loud thud

1273

00:52:42,150 --> 00:52:40,000

only to find that the mysterious sound

1274

00:52:45,190 --> 00:52:42,160

was several packages of frozen

1275

00:52:45,990 --> 00:52:45,200

italian sausage it was like thunder and

1276

00:52:50,390 --> 00:52:46,000

it awakened me

1277

00:52:51,910 --> 00:52:50,400

out of a sleep travis adair told wplg tv

1278

00:52:53,670 --> 00:52:51,920

eder said he and his family were

1279

00:52:55,349 --> 00:52:53,680

awakened saturday morning by a loud thud

1280

00:52:55,990 --> 00:52:55,359

on the roof of their deerfield beach

1281

00:52:58,230 --> 00:52:56,000

home

1282

00:52:59,430 --> 00:52:58,240

we got up found two packages of sausage

1283

00:53:01,510 --> 00:52:59,440

on our side yard

1284

00:53:03,030 --> 00:53:01,520

and then we were like okay well we got

1285

00:53:04,710 --> 00:53:03,040

to go to the roof and check to see if we

1286

00:53:06,309 --> 00:53:04,720

find more of this stuff

1287

00:53:08,390 --> 00:53:06,319

and sure enough there were three more

1288

00:53:09,750 --> 00:53:08,400

packages of italian sausage a total of

1289

00:53:11,750 --> 00:53:09,760

15 pounds

1290

00:53:13,430 --> 00:53:11,760

of italian sausage was found in bags

1291

00:53:14,470 --> 00:53:13,440

marked william land service a land

1292

00:53:16,069 --> 00:53:14,480

clearing company

1293

00:53:17,990 --> 00:53:16,079

in alabama and the homeowners were

1294

00:53:19,750 --> 00:53:18,000

baffled about how the sausage ended up

1295

00:53:22,790 --> 00:53:19,760

on their roof

1296

00:53:25,670 --> 00:53:22,800

uh and there's still no kind of update

1297

00:53:27,109 --> 00:53:25,680

on how this sausage managed to uh end up

1298

00:53:27,990 --> 00:53:27,119

on someone's roof but anytime anybody

1299

00:53:30,309 --> 00:53:28,000

wants to air drop me

1300

00:53:32,150 --> 00:53:30,319

meat feel free to do so no really

1301
00:53:32,710 --> 00:53:32,160
especially frozen meat i'm telling you

1302
00:53:38,549 --> 00:53:32,720
man

1303
00:53:40,549 --> 00:53:38,559
and look 15 pounds is just enough for me

1304
00:53:43,750 --> 00:53:40,559
how about it butch

1305
00:53:44,790 --> 00:53:43,760
got it he laughs butch but he wasn't

1306
00:53:47,750 --> 00:53:44,800
there for the uh

1307
00:53:49,829 --> 00:53:47,760
sausage massacre there at the albertus

1308
00:53:51,190 --> 00:53:49,839
albertus uh shindig you put together i

1309
00:53:52,870 --> 00:53:51,200
ate them out of hot dogs those boy

1310
00:53:56,950 --> 00:53:52,880
scouts weren't prepared

1311
00:53:58,470 --> 00:53:56,960
they had no idea what to do

1312
00:54:00,790 --> 00:53:58,480
it was horrifying and i even gave them

1313
00:54:03,349 --> 00:54:00,800

fair warning they did

1314

00:54:05,190 --> 00:54:03,359

but 15 pounds of sausage just flying out

1315

00:54:06,870 --> 00:54:05,200

of nowhere landing on your roof

1316

00:54:08,630 --> 00:54:06,880

uh and you know what things like that

1317

00:54:11,829 --> 00:54:08,640

happened though right probably

1318

00:54:13,510 --> 00:54:11,839

got taken out of some storm or who knows

1319

00:54:14,549 --> 00:54:13,520

what kind of atmospheric follies were

1320

00:54:17,829 --> 00:54:14,559

going on and

1321

00:54:22,230 --> 00:54:19,910

that's kind of that's kind of like this

1322

00:54:24,390 --> 00:54:22,240

uh phenomena with the fish

1323

00:54:25,990 --> 00:54:24,400

when they got a uh when they got a water

1324

00:54:27,589 --> 00:54:26,000

spout or something out in the water and

1325

00:54:29,910 --> 00:54:27,599

start picking fish up and dropping them

1326
00:54:33,190 --> 00:54:29,920
a couple miles away or frogs you know

1327
00:54:35,990 --> 00:54:33,200
over overseas where they get the the uh

1328
00:54:37,430 --> 00:54:36,000
rainings of frogs that's some strange

1329
00:54:40,950 --> 00:54:37,440
crab

1330
00:54:42,230 --> 00:54:40,960
yeah pretty weird makes you wonder

1331
00:54:44,390 --> 00:54:42,240
though

1332
00:54:46,390 --> 00:54:44,400
how does this happen but that's the i

1333
00:54:46,870 --> 00:54:46,400
saw that article and i had to look at it

1334
00:54:51,190 --> 00:54:46,880
that was

1335
00:54:55,510 --> 00:54:52,549
i'm gonna check my yard tonight before i

1336
00:54:57,270 --> 00:54:55,520
go to bed for any lobster out there

1337
00:54:58,630 --> 00:54:57,280
yeah if you get any brisket or ribeye

1338
00:55:02,789 --> 00:54:58,640

laying out there let me know

1339

00:55:06,549 --> 00:55:05,510

uh-oh someone got to someone so michael

1340

00:55:09,589 --> 00:55:06,559

picked out the theme

1341

00:55:13,510 --> 00:55:09,599

sausage fort dix semen and airdrop meet

1342

00:55:20,549 --> 00:55:19,910

word association folks tonight is meat

1343

00:55:22,470 --> 00:55:20,559

can't

1344

00:55:23,750 --> 00:55:22,480

oh my god i'm dying i love our audience

1345

00:55:25,109 --> 00:55:23,760

i love our listeners

1346

00:55:26,789 --> 00:55:25,119

next week folks we're going to be

1347

00:55:29,670 --> 00:55:26,799

talking about unidentified

1348

00:55:30,150 --> 00:55:29,680

submergible objects or submerged objects

1349

00:55:31,430 --> 00:55:30,160

uh

1350

00:55:33,349 --> 00:55:31,440

pretty sure we'll have some interesting

1351

00:55:34,069 --> 00:55:33,359

lake stories i'll go to the archives and

1352

00:55:36,870 --> 00:55:34,079

pull some stuff

1353

00:55:37,510 --> 00:55:36,880

up i know lawn will reach down deep into

1354

00:55:40,630 --> 00:55:37,520

the vault

1355

00:55:42,710 --> 00:55:40,640

of uh estorica as he goes into the world

1356

00:55:46,069 --> 00:55:42,720

of phantoms and monsters and butch

1357

00:55:48,470 --> 00:55:46,079

well butch has got it all so i'm sure

1358

00:55:51,670 --> 00:55:48,480

he'll use his ba and bs

1359

00:55:53,349 --> 00:55:51,680

to bring us some good tales

1360

00:55:55,349 --> 00:55:53,359

you guys one thing i wanted i wanted to

1361

00:55:55,990 --> 00:55:55,359

mention first do you read that thing

1362

00:55:57,510 --> 00:55:56,000

about that

1363

00:56:00,150 --> 00:55:57,520

great white that's off the coast of

1364

00:56:03,190 --> 00:56:00,160

north carolina 12.5 footer

1365

00:56:04,549 --> 00:56:03,200

it's the size of a camry yeah that's a

1366

00:56:07,510 --> 00:56:04,559

that's a big fish

1367

00:56:08,870 --> 00:56:07,520

that shock swallows all sides it's still

1368

00:56:12,230 --> 00:56:08,880

damn big

1369

00:56:15,910 --> 00:56:12,240

that's any shark is a big shark right

1370

00:56:17,109 --> 00:56:15,920

12.5 feet folks i'm five foot six on a

1371

00:56:19,430 --> 00:56:17,119

good day

1372

00:56:21,910 --> 00:56:19,440

uh that shark is twice the size of me

1373

00:56:25,910 --> 00:56:21,920

and probably we weigh the same so

1374

00:56:28,789 --> 00:56:25,920

uh but man that's a big ass fish

1375

00:56:30,549 --> 00:56:28,799

and that is a big fish i don't do

1376

00:56:32,230 --> 00:56:30,559

beaches and it's not because every time

1377

00:56:33,510 --> 00:56:32,240

i go there someone calls greenpeace and

1378

00:56:37,030 --> 00:56:33,520

there's a rescue

1379

00:56:39,990 --> 00:56:37,040

i don't like water

1380

00:56:41,430 --> 00:56:40,000

over my head and uh i'm five foot six i

1381

00:56:41,990 --> 00:56:41,440

do the math i don't have to go out very

1382

00:56:44,069 --> 00:56:42,000

far

1383

00:56:46,470 --> 00:56:44,079

and jaws is my favorite movie of all

1384

00:56:48,789 --> 00:56:46,480

time i've seen it so many times i can

1385

00:56:51,910 --> 00:56:48,799

quote it chapter line and verse

1386

00:56:53,750 --> 00:56:51,920

but those sharks well i was up in

1387

00:56:55,030 --> 00:56:53,760

plymouth massachusetts

1388

00:56:57,190 --> 00:56:55,040

during the period of time they were

1389

00:56:59,670 --> 00:56:57,200

filming that movie

1390

00:57:00,789 --> 00:56:59,680

and the guy i was staying with he took

1391

00:57:03,910 --> 00:57:00,799

me out on

1392

00:57:05,349 --> 00:57:03,920

hyannis point which is there's a new

1393

00:57:06,390 --> 00:57:05,359

there used to be a nuclear plant there

1394

00:57:09,430 --> 00:57:06,400

on the point and there

1395

00:57:12,309 --> 00:57:09,440

you can look over the uh over the

1396

00:57:13,750 --> 00:57:12,319

ridge well as we were looking out in the

1397

00:57:15,750 --> 00:57:13,760

water

1398

00:57:17,430 --> 00:57:15,760

we saw this big shadow coming across

1399

00:57:19,510 --> 00:57:17,440

down below

1400

00:57:21,109 --> 00:57:19,520

and i actually thought it was a whale

1401
00:57:21,750 --> 00:57:21,119
small whale or right whale or something

1402
00:57:23,910 --> 00:57:21,760
like

1403
00:57:28,549 --> 00:57:23,920
he said oh no that's a great weight that

1404
00:57:33,190 --> 00:57:32,069
now there are there there are great ways

1405
00:57:35,829 --> 00:57:33,200
up there

1406
00:57:37,270 --> 00:57:35,839
so i mean the fact that the was shot not

1407
00:57:39,109 --> 00:57:37,280
far from there

1408
00:57:41,750 --> 00:57:39,119
i i test there are great weights up

1409
00:57:43,589 --> 00:57:41,760
there show me the way to go home

1410
00:57:46,069 --> 00:57:43,599
well i have this thing about if you

1411
00:57:49,109 --> 00:57:46,079
enter the water you enter the food chain

1412
00:57:50,789 --> 00:57:49,119
yeah really so uh

1413
00:57:52,630 --> 00:57:50,799

words to live by which just remember

1414

00:57:54,390 --> 00:57:52,640

that you know vanessa

1415

00:57:57,030 --> 00:57:54,400

i can't talking tom vanessa over the

1416

00:58:00,630 --> 00:57:57,040

years i said you want to go to the beach

1417

00:58:00,640 --> 00:58:04,069

you know

1418

00:58:09,349 --> 00:58:06,829

folks check out our friends into

1419

00:58:10,150 --> 00:58:09,359

thefrayradio.com uh shannon legrow and

1420

00:58:12,630 --> 00:58:10,160

the guys

1421

00:58:13,430 --> 00:58:12,640

over there do a great show every week

1422

00:58:16,470 --> 00:58:13,440

vance

1423

00:58:18,309 --> 00:58:16,480

and jennifer ann at the acrylic ranch

1424

00:58:19,910 --> 00:58:18,319

check that out on facebook the acrylic

1425

00:58:23,030 --> 00:58:19,920

ranch uh

1426

00:58:26,710 --> 00:58:23,040

go in the existence of strange things uh

1427

00:58:28,789 --> 00:58:26,720

one of our fellow shows that happens uh

1428

00:58:30,630 --> 00:58:28,799

on friday nights it's a great program to

1429

00:58:32,150 --> 00:58:30,640

listen to from radio memphis you get a

1430

00:58:34,470 --> 00:58:32,160

little fork chop in there each and every

1431

00:58:36,789 --> 00:58:34,480

week a little long strickler

1432

00:58:38,470 --> 00:58:36,799

but you butch can be heard oftentimes on

1433

00:58:40,630 --> 00:58:38,480

spaced out radio

1434

00:58:42,069 --> 00:58:40,640

lots of ways you can hear us and hear

1435

00:58:44,390 --> 00:58:42,079

our friends

1436

00:58:45,710 --> 00:58:44,400

uh and for questions comments concerns

1437

00:58:48,390 --> 00:58:45,720

you can always email us

1438

00:58:50,630 --> 00:58:48,400

arcaneradio.com or arcaneradioshow

1439

00:58:52,230 --> 00:58:50,640

gmail.com as always i'm sean

1440

00:58:54,230 --> 00:58:52,240

the fork chop forker he's launched

1441

00:58:56,109 --> 00:58:54,240

strickler that's butch witkowski

1442

00:58:57,270 --> 00:58:56,119

you can check out more about them

1443

00:59:00,549 --> 00:58:57,280

phantomsandmonsters.com

1444

00:59:02,069 --> 00:59:00,559

and you4cop.com is that right butch did

1445

00:59:04,710 --> 00:59:02,079

i get it

1446

00:59:06,150 --> 00:59:04,720

perfect all right folks another one in

1447

00:59:09,670 --> 00:59:06,160

the can next week
