the bizarre night of strange creatures

10
00:00:37,910 --> 00:00:36,160
lost time and unexplained events

11
00:00:40,229 --> 00:00:37,920
i have been stewing on this story for a

12
00:00:41,670 --> 00:00:40,239
while this takes place in new york

13
00:00:44,069 --> 00:00:41,680

finger lakes region during the

14

00:00:45,270 --> 00:00:44,079

mid-summer it was my best friend's last

15

00:00:47,430 --> 00:00:45,280

day at his old house

16

00:00:49,350 --> 00:00:47,440

which was filled with weird crap i've

17

00:00:51,189 --> 00:00:49,360

experienced stuff there and have a few

18

00:00:52,150 --> 00:00:51,199

experiences that can be boiled down to

19

00:00:53,910 --> 00:00:52,160

ghosts

20

00:00:55,830 --> 00:00:53,920

all the way to feeling like my life was

21

00:00:57,510 --> 00:00:55,840

in danger which is why i refused to

22

00:00:58,069 --> 00:00:57,520

spend the night there as that was when

23

00:01:00,150 --> 00:00:58,079

the feeling

24

00:01:01,910 --> 00:01:00,160

came so this was their last day at the

25

00:01:03,110 --> 00:01:01,920

old house getting all their stuff to

26

00:01:05,189 --> 00:01:03,120

their new house

27

00:01:06,789 --> 00:01:05,199

i was helping them that day all i

28

00:01:08,469 --> 00:01:06,799

remember from that day is walking in the

29

00:01:09,350 --> 00:01:08,479

house and seeing the windows filled with

30

00:01:10,789 --> 00:01:09,360

dead flies

31

00:01:12,469 --> 00:01:10,799

like more than i thought could be in a

32

00:01:14,390 --> 00:01:12,479

house and then driving to their new

33

00:01:16,390 --> 00:01:14,400

house at night which had to be at least

34

00:01:17,990 --> 00:01:16,400

eight hours of missing time i was

35

00:01:20,230 --> 00:01:18,000

confused and i asked them

36

00:01:22,789 --> 00:01:20,240

where are we i was told we are in

37

00:01:24,789 --> 00:01:22,799

nowhere town on the way to the new house

38

00:01:27,109 --> 00:01:24,799

i said but we never got the rest of your

39

00:01:29,910 --> 00:01:27,119

stuff my friend's brother looked at me

40

00:01:31,270 --> 00:01:29,920

concerned and said yeah we did what

41

00:01:33,030 --> 00:01:31,280

happened i said

42

00:01:35,350 --> 00:01:33,040

and was just told they would tell me

43

00:01:35,990 --> 00:01:35,360

later this is a story best to come from

44

00:01:38,310 --> 00:01:36,000

their mouth

45

00:01:39,109 --> 00:01:38,320

as i cannot remember it was just eight

46

00:01:40,710 --> 00:01:39,119

hours proof

47

00:01:42,630 --> 00:01:40,720

gone and only their word on what

48

00:01:44,310 --> 00:01:42,640

happened all they said was

49

00:01:46,069 --> 00:01:44,320

i was very quiet the whole time when

50

00:01:47,670 --> 00:01:46,079

everything went down in the house

51
00:01:49,510 --> 00:01:47,680
we're driving and noticed that there

52
00:01:51,429 --> 00:01:49,520
were no other cars on the road

53
00:01:52,870 --> 00:01:51,439
which is strange as we are going through

54
00:01:54,389 --> 00:01:52,880
quite a few small towns

55
00:01:56,709 --> 00:01:54,399
and it was still early in the night on a

56
00:01:57,990 --> 00:01:56,719
friday the little brother mentions this

57
00:02:00,389 --> 00:01:58,000
and as soon as he does

58
00:02:01,190 --> 00:02:00,399
a bunch of cars come around the corner

59
00:02:02,950 --> 00:02:01,200
at this point

60
00:02:05,350 --> 00:02:02,960
it's just circumstantial but there will

61
00:02:06,789 --> 00:02:05,360
be a pattern we keep driving and we

62
00:02:08,229 --> 00:02:06,799
notice that all the houses are

63
00:02:10,630 --> 00:02:08,239

completely empty like

64

00:02:11,830 --> 00:02:10,640

lights are on but we see nothing in them

65

00:02:14,309 --> 00:02:11,840

no furniture

66

00:02:15,110 --> 00:02:14,319

nothing i mentioned this in boom next

67

00:02:16,869 --> 00:02:15,120

house

68

00:02:18,869 --> 00:02:16,879

we noticed people just standing in the

69

00:02:20,390 --> 00:02:18,879

window staring at our car

70

00:02:23,030 --> 00:02:20,400

we noticed this in the next three or

71

00:02:23,589 --> 00:02:23,040

four houses at this point we are pooping

72

00:02:25,190 --> 00:02:23,599

bricks

73

00:02:27,589 --> 00:02:25,200

and noticed that this drive was taking

74

00:02:28,309 --> 00:02:27,599

way too long they had only moved a few

75

00:02:30,150 --> 00:02:28,319

towns over

76

00:02:32,390 --> 00:02:30,160

and this drive was taking well over an

77

00:02:34,150 --> 00:02:32,400

hour it feels like we have been driving

78

00:02:36,949 --> 00:02:34,160

in a cornfield for a while

79

00:02:38,710 --> 00:02:36,959

my friend says what the f is going on we

80

00:02:41,110 --> 00:02:38,720

should almost be there by now

81

00:02:42,869 --> 00:02:41,120

lo and behold the cornfield ends and we

82

00:02:45,509 --> 00:02:42,879

recognize where we are again

83

00:02:47,110 --> 00:02:45,519

seeing a pattern yet because i didn't

84

00:02:47,750 --> 00:02:47,120

and i said something that i regret to

85

00:02:49,270 --> 00:02:47,760

this day

86

00:02:51,509 --> 00:02:49,280

man what other weirdness is going to

87

00:02:52,070 --> 00:02:51,519

happen tonight as soon as it came out of

88

00:02:54,070 --> 00:02:52,080

my mouth

89

00:02:55,670 --> 00:02:54,080

i knew i messed up and my friend and his

90

00:02:57,670 --> 00:02:55,680

brother started yelling at me

91

00:02:59,110 --> 00:02:57,680

saying why would i say that and we get

92

00:03:01,589 --> 00:02:59,120

into a yelling match

93

00:03:02,550 --> 00:03:01,599

we never argue my friend slams on the

94

00:03:04,229 --> 00:03:02,560

brakes

95

00:03:05,910 --> 00:03:04,239

in front of us is what i can only

96

00:03:07,670 --> 00:03:05,920

describe as a big cat

97

00:03:09,910 --> 00:03:07,680

like the size of a person with a head of

98

00:03:12,149 --> 00:03:09,920

an owl this whatever it was struck so

99

00:03:14,070 --> 00:03:12,159

much damn fear into the three of us

100

00:03:16,229 --> 00:03:14,080

his little brother a 20 year old dude

101
00:03:17,430 --> 00:03:16,239
who played football just started crying

102
00:03:19,750 --> 00:03:17,440
and i was on the edge

103
00:03:21,750 --> 00:03:19,760
like i was going insane this wasn't

104
00:03:23,589 --> 00:03:21,760
making sense and i was having a mental

105
00:03:24,229 --> 00:03:23,599
gymnastics show trying to figure this

106
00:03:26,149 --> 00:03:24,239
out

107
00:03:28,149 --> 00:03:26,159
my friend just stared at it until he

108
00:03:29,910 --> 00:03:28,159
said someone grabbed their phone

109
00:03:31,430 --> 00:03:29,920
his battery was dead from the time he

110
00:03:33,270 --> 00:03:31,440
was in the old house

111
00:03:35,270 --> 00:03:33,280
this woke me up and i went to grab my

112
00:03:37,270 --> 00:03:35,280
phone and miss whatever ran into the

113
00:03:38,710 --> 00:03:37,280

field into the darkness as soon as i

114

00:03:41,350 --> 00:03:38,720

started pulling it out

115

00:03:43,350 --> 00:03:41,360

so we finally get to the new house we

116

00:03:44,550 --> 00:03:43,360

pull in the driveway and back into their

117

00:03:46,470 --> 00:03:44,560

parking space

118

00:03:48,309 --> 00:03:46,480

when his brother says what the hell is

119

00:03:49,910 --> 00:03:48,319

that we look up and see

120

00:03:52,309 --> 00:03:49,920

what i can say look like a pure white

121

00:03:54,390 --> 00:03:52,319

bigfoot crawling around like a spider

122

00:03:55,509 --> 00:03:54,400

it has red eyes and it just crawls away

123

00:03:57,750 --> 00:03:55,519

to the forest

124

00:03:59,190 --> 00:03:57,760

we sit in the car for 45 minutes until

125

00:04:00,949 --> 00:03:59,200

their mother arrives

126

00:04:03,190 --> 00:04:00,959

no drugs or alcohol were taken that

127

00:04:04,390 --> 00:04:03,200

night well not until after we got into

128

00:04:06,229 --> 00:04:04,400

the new house

129

00:04:08,390 --> 00:04:06,239

the best logical conclusion i can come

130

00:04:09,429 --> 00:04:08,400

to is there was a carbon monoxide leak

131

00:04:11,670 --> 00:04:09,439

in the old house

132

00:04:13,509 --> 00:04:11,680

and we were having a group loose nation

133

00:04:14,229 --> 00:04:13,519

this is by far the weirdest day of my

134

00:04:16,229 --> 00:04:14,239

life

135

00:04:17,830 --> 00:04:16,239

i mention this now because my friends

136

00:04:19,430 --> 00:04:17,840

said the new owners of the old house

137

00:04:21,590 --> 00:04:19,440

have a for sale sign on it

138

00:04:23,670 --> 00:04:21,600

they were there for less than two years

139

00:04:25,270 --> 00:04:23,680

i was told they had a thriving daycare

140

00:04:34,310 --> 00:04:25,280

there for about a year and a half

141

00:04:37,990 --> 00:04:36,550

unexplained limping humanoid scene in

142

00:04:39,909 --> 00:04:38,000

western michigan

143

00:04:42,390 --> 00:04:39,919

so this all just happened less than an

144

00:04:44,950 --> 00:04:42,400

hour ago and i'm still freaking out

145

00:04:45,990 --> 00:04:44,960

but here goes nothing me and this friend

146

00:04:48,310 --> 00:04:46,000

of mine mel

147

00:04:50,550 --> 00:04:48,320

not his real name usually spend our

148

00:04:52,870 --> 00:04:50,560

nights together around a campfire or

149

00:04:55,030 --> 00:04:52,880

out in the woods doing various things

150

00:04:57,830 --> 00:04:55,040

tonight we decided to go fishing out of

151
00:05:00,070 --> 00:04:57,840
chaos on a river here in west michigan

152
00:05:01,110 --> 00:05:00,080
after we got on the water it was rather

153
00:05:03,350 --> 00:05:01,120
peaceful

154
00:05:04,790 --> 00:05:03,360
we could hear foxes and fish were coming

155
00:05:06,950 --> 00:05:04,800
right up to the boat

156
00:05:09,350 --> 00:05:06,960
we were shooting the bull for maybe 20

157
00:05:11,029 --> 00:05:09,360
minutes before we hit this bend

158
00:05:13,350 --> 00:05:11,039
mel had brought a friend we'll call

159
00:05:15,670 --> 00:05:13,360
colin colin was ahead of us

160
00:05:17,909 --> 00:05:15,680
and said he could hear singing we all

161
00:05:19,990 --> 00:05:17,919
stopped our chaos and listened

162
00:05:21,830 --> 00:05:20,000
silence for 30 seconds then all of a

163
00:05:24,390 --> 00:05:21,840

sudden we hear this scream

164

00:05:25,830 --> 00:05:24,400

it started high pitch almost like a bell

165

00:05:26,790 --> 00:05:25,840

and would end in these screams of

166

00:05:29,029 --> 00:05:26,800

torture

167

00:05:30,230 --> 00:05:29,039

we hurried our way back to shore not too

168

00:05:32,629 --> 00:05:30,240

long after

169

00:05:34,070 --> 00:05:32,639

now this is the part that still has meow

170

00:05:35,990 --> 00:05:34,080

anxiety filled

171

00:05:37,749 --> 00:05:36,000

while we were loading up the kayaks into

172

00:05:38,710 --> 00:05:37,759

mel's truck we could still hear this

173

00:05:41,350 --> 00:05:38,720

screaming

174

00:05:43,110 --> 00:05:41,360

i felt like it kept getting closer by

175

00:05:45,029 --> 00:05:43,120

the time everything was packed up i

176

00:05:47,350 --> 00:05:45,039

heard it again this time sounding no

177

00:05:49,510 --> 00:05:47,360

more than a quarter mile up the road

178

00:05:51,189 --> 00:05:49,520

mel and i hopped into his truck calling

179

00:05:53,189 --> 00:05:51,199

in his and headed home

180

00:05:54,629 --> 00:05:53,199

as we were about to pull off this dirt

181

00:05:56,309 --> 00:05:54,639

road onto the main road

182

00:05:58,150 --> 00:05:56,319

i saw on the side of the road this

183

00:06:00,390 --> 00:05:58,160

humanoid creature hunched over

184

00:06:01,749 --> 00:06:00,400

then long gray hair covering its face

185

00:06:04,070 --> 00:06:01,759

almost to its knees

186

00:06:05,270 --> 00:06:04,080

and it walked with a strong and i mean

187

00:06:07,749 --> 00:06:05,280

strong limp

188

00:06:09,749 --> 00:06:07,759

i freaked out and told mel he hadn't

189

00:06:10,550 --> 00:06:09,759

seen anything but he felt like all of

190

00:06:12,870 --> 00:06:10,560

his energy

191

00:06:14,870 --> 00:06:12,880

had left his body and he almost blew the

192

00:06:17,670 --> 00:06:14,880

stop sign we were passing

193

00:06:19,510 --> 00:06:17,680

i told my fiance two days ago i felt

194

00:06:20,950 --> 00:06:19,520

like i was going to see a creature i

195

00:06:23,270 --> 00:06:20,960

couldn't comprehend

196

00:06:25,510 --> 00:06:23,280

and i feel it happened tonight i'm

197

00:06:27,350 --> 00:06:25,520

definitely not sleeping tonight

198

00:06:35,189 --> 00:06:27,360

i'd like to get to the bottom of what i

199

00:06:37,270 --> 00:06:35,199

saw tr

200

00:06:38,950 --> 00:06:37,280

large muscular creature and euphocene in

201
00:06:40,950 --> 00:06:38,960
mac in noc county michigan

202
00:06:42,150 --> 00:06:40,960
one night this past winter i was driving

203
00:06:43,830 --> 00:06:42,160
on i-75

204
00:06:45,590 --> 00:06:43,840
a couple hundred yards south of the bay

205
00:06:46,390 --> 00:06:45,600
road overpass in mackinac county

206
00:06:47,830 --> 00:06:46,400
michigan

207
00:06:49,749 --> 00:06:47,840
i noticed something moved near the

208
00:06:51,350 --> 00:06:49,759
highway reflectors thinking it was a

209
00:06:53,110 --> 00:06:51,360
deer i turned on the bright lights and

210
00:06:54,870 --> 00:06:53,120
watched for it to cross the road

211
00:06:56,070 --> 00:06:54,880
as i approached it i noticed that what i

212
00:06:57,909 --> 00:06:56,080
thought was the reflectors on the

213
00:06:59,350 --> 00:06:57,919

highway were orange and then it blinked

214

00:07:01,589 --> 00:06:59,360

on and off like an eye

215

00:07:02,629 --> 00:07:01,599

thinking what the heck is that i sped up

216

00:07:04,230 --> 00:07:02,639

to get closer

217

00:07:06,150 --> 00:07:04,240

as i got closer i could see the

218

00:07:08,070 --> 00:07:06,160

silhouette of the animal it was sitting

219

00:07:09,029 --> 00:07:08,080

like a dog its head was even with the

220

00:07:10,710 --> 00:07:09,039

reflectors

221

00:07:12,150 --> 00:07:10,720

it stood on all fours and turned and

222

00:07:12,950 --> 00:07:12,160

walked down in the ditch then up a

223

00:07:14,870 --> 00:07:12,960

little incline

224

00:07:15,990 --> 00:07:14,880

then turned and looked at my truck it

225

00:07:17,589 --> 00:07:16,000

turned back to the highway

226

00:07:19,270 --> 00:07:17,599

walked on all fours to the shoulder of

227

00:07:20,710 --> 00:07:19,280

the blacktop looked at the truck again

228

00:07:22,870 --> 00:07:20,720

with those orange eyes

229

00:07:24,710 --> 00:07:22,880

the eyes were huge it then jumped to

230

00:07:26,230 --> 00:07:24,720

within a foot or two of the center line

231

00:07:27,909 --> 00:07:26,240

and then the next jump landed in the

232

00:07:30,390 --> 00:07:27,919

grass on the shoulder of the road

233

00:07:32,230 --> 00:07:30,400

i was probably like 100 feet from it

234

00:07:34,070 --> 00:07:32,240

this animal was rippling in muscles

235

00:07:35,350 --> 00:07:34,080

and looked like it weighed around 500

236

00:07:37,110 --> 00:07:35,360

pounds if not more

237

00:07:38,950 --> 00:07:37,120

its hair which covered its body looked

238

00:07:39,749 --> 00:07:38,960

short and its head was huge with hardly

239

00:07:41,350 --> 00:07:39,759

no neck

240

00:07:43,189 --> 00:07:41,360

after i passed where it crossed i hit

241

00:07:45,189 --> 00:07:43,199

the brakes as there were no cars on the

242

00:07:46,950 --> 00:07:45,199

highway and started to back up

243

00:07:48,710 --> 00:07:46,960

as i got close to the spot where it

244

00:07:50,070 --> 00:07:48,720

crossed i suddenly felt fear and thought

245

00:07:51,990 --> 00:07:50,080

what the hell am i doing

246

00:07:54,230 --> 00:07:52,000

i put the truck back and drive and began

247

00:07:55,909 --> 00:07:54,240

to leave as i was rolling the window up

248

00:07:57,749 --> 00:07:55,919

i glanced back and noticed a light

249

00:07:59,510 --> 00:07:57,759

bright like a floodlight ascending into

250

00:08:01,510 --> 00:07:59,520

the sky at a high rate of speed

251
00:08:03,270 --> 00:08:01,520
it was at an angle of about one o'clock

252
00:08:03,990 --> 00:08:03,280
and in just a few seconds was out of

253
00:08:05,430 --> 00:08:04,000
sight

254
00:08:07,029 --> 00:08:05,440
something else that was strange was

255
00:08:07,510 --> 00:08:07,039
there were not any light rays trailing

256
00:08:14,629 --> 00:08:07,520
it

257
00:08:18,629 --> 00:08:16,469
terrifying cryptic creature encountered

258
00:08:20,629 --> 00:08:18,639
along the osable river in michigan

259
00:08:23,270 --> 00:08:20,639
i was hacking along the osable river in

260
00:08:25,110 --> 00:08:23,280
michigan during the summer of 1999.

261
00:08:26,629 --> 00:08:25,120
this is in the counties of the skoda

262
00:08:28,550 --> 00:08:26,639
alcona and iosco

263
00:08:30,390 --> 00:08:28,560

i remember one of my most scariest

264

00:08:32,070 --> 00:08:30,400

encounters with the wilderness

265

00:08:34,310 --> 00:08:32,080

while walking east down along the river

266

00:08:35,589 --> 00:08:34,320

around one hour prior to dusk i heard

267

00:08:38,070 --> 00:08:35,599

what to my ears to be

268

00:08:39,829 --> 00:08:38,080

a wolf howl i have seen wolf prince and

269

00:08:41,829 --> 00:08:39,839

seen wolves at my home in long lake

270

00:08:44,310 --> 00:08:41,839

michigan but never have i heard a howl

271

00:08:46,389 --> 00:08:44,320

so deep and almost human-like in my life

272

00:08:48,870 --> 00:08:46,399

i got spooked and set up camp and made a

273

00:08:50,550 --> 00:08:48,880

fire larger than most due to my fear

274

00:08:53,110 --> 00:08:50,560

at dusk i heard that the howling was

275

00:08:54,949 --> 00:08:53,120

getting closer directly across the river

276

00:08:57,190 --> 00:08:54,959

i had heard stories of the wolfman from

277

00:08:58,790 --> 00:08:57,200

native powwows and in my family folklore

278

00:09:00,710 --> 00:08:58,800

covering the whole usa

279

00:09:02,550 --> 00:09:00,720

but never have i personally seen what i

280

00:09:04,710 --> 00:09:02,560

saw that night or the next day

281

00:09:06,230 --> 00:09:04,720

that night after eating beef barley stew

282

00:09:08,310 --> 00:09:06,240

from my canned good collection

283

00:09:10,310 --> 00:09:08,320

i laid down by the fire with my huge

284

00:09:11,110 --> 00:09:10,320

folding knife closely gripped by my

285

00:09:12,630 --> 00:09:11,120

chest

286

00:09:14,550 --> 00:09:12,640

i was watching and listening to the

287

00:09:15,269 --> 00:09:14,560

surrounding wood lying for about 30

288

00:09:17,269 --> 00:09:15,279

minutes

289

00:09:18,870 --> 00:09:17,279

when the average night noises stopped to

290

00:09:20,550 --> 00:09:18,880

this me meant two things

291

00:09:21,990 --> 00:09:20,560

either something had spooked the local

292

00:09:24,310 --> 00:09:22,000

animals and that it made me

293

00:09:26,630 --> 00:09:24,320

very uneasy i looked out away from the

294

00:09:28,070 --> 00:09:26,640

fire and shot the fire away from my ice

295

00:09:30,070 --> 00:09:28,080

using the unarmed hand

296

00:09:32,870 --> 00:09:30,080

i looked across the river which was only

297

00:09:34,710 --> 00:09:32,880

about 100 meters across from my fire

298

00:09:36,870 --> 00:09:34,720

that is when i saw the most unnerving

299

00:09:38,630 --> 00:09:36,880

sight ever on the sand was a creature

300

00:09:40,470 --> 00:09:38,640

standing maybe larger than the average

301

00:09:42,389 --> 00:09:40,480

so black bear with black fur

302

00:09:43,750 --> 00:09:42,399

large long skull and yellow reflecting

303

00:09:45,590 --> 00:09:43,760

eyes like the wolf

304

00:09:47,430 --> 00:09:45,600

i closed my eyes and hoped i was

305

00:09:48,550 --> 00:09:47,440

imagining things and then it gave out

306

00:09:50,630 --> 00:09:48,560

the howl again

307

00:09:52,310 --> 00:09:50,640

i open my eyes and it ran up the bank

308

00:09:54,310 --> 00:09:52,320

and disappeared into the night

309

00:09:55,829 --> 00:09:54,320

as it ran it didn't run on all fours

310

00:09:57,750 --> 00:09:55,839

like a bear nor wolf

311

00:09:59,670 --> 00:09:57,760

unlike the local bigfoot it wasn't full

312

00:10:01,590 --> 00:09:59,680

upright like a human or primate

313

00:10:03,430 --> 00:10:01,600

i was so scared that i slept the rest of

314

00:10:04,710 --> 00:10:03,440

that night in a damn tree about twenty

315

00:10:06,389 --> 00:10:04,720

foot off the ground

316

00:10:08,389 --> 00:10:06,399

it took me three hours and praying to

317

00:10:14,069 --> 00:10:08,399

easing my fears so i could sleep

318

00:10:17,430 --> 00:10:16,550

this is lon strickler if you like this
