bat like flying humanoid confronted in

10  
00:00:37,910 --> 00:00:35,840  
southern illinois

11  
00:00:38,869 --> 00:00:37,920  
i just read your article through a post

12  
00:00:40,950 --> 00:00:38,879  
on facebook

13  
00:00:42,630 --> 00:00:40,960

and i'd like to report that my husband

14

00:00:45,029 --> 00:00:42,640

and i witnessed what we have called a

15

00:00:47,029 --> 00:00:45,039

human vampire bad thing for years

16

00:00:48,790 --> 00:00:47,039

we live in edwardsville illinois and

17

00:00:50,869 --> 00:00:48,800

we're driving home from an event in

18

00:00:53,510 --> 00:00:50,879

saint louis late one night

19

00:00:55,670 --> 00:00:53,520

unfortunately i don't know the date but

20

00:00:58,229 --> 00:00:55,680

believe it was a work christmas party

21

00:01:00,869 --> 00:00:58,239

so that time of year it was some time

22

00:01:01,430 --> 00:01:00,879

after 1988 when we built our current

23

00:01:04,869 --> 00:01:01,440

house

24

00:01:08,070 --> 00:01:04,879

and before 1996 before our sun was born

25

00:01:09,910 --> 00:01:08,080

we think for sure after 1988

26

00:01:13,030 --> 00:01:09,920

but it's possible our sun was at a

27

00:01:14,950 --> 00:01:13,040

sitter we were on highway 270 between

28

00:01:17,749 --> 00:01:14,960

illinois route 157

29

00:01:18,390 --> 00:01:17,759

and illinois route 159 in glen carbon

30

00:01:21,030 --> 00:01:18,400

illinois

31

00:01:22,789 --> 00:01:21,040

traveling east a human-sized thing

32

00:01:24,310 --> 00:01:22,799

flying west swoop down like

33

00:01:26,550 --> 00:01:24,320

it was going to crash into our

34

00:01:27,350 --> 00:01:26,560

windshield and then over the top of our

35

00:01:29,510 --> 00:01:27,360

car

36

00:01:31,749 --> 00:01:29,520

it was all black with huge wings under a

37

00:01:32,310 --> 00:01:31,759

cape and it did have a face similar to a

38

00:01:34,870 --> 00:01:32,320

human

39

00:01:35,830 --> 00:01:34,880

and it seemed to look at us it happened

40

00:01:37,749 --> 00:01:35,840

quickly

41

00:01:39,749 --> 00:01:37,759

neither of us could believe our eyes and

42

00:01:41,590 --> 00:01:39,759

didn't see where it went from there

43

00:01:44,389 --> 00:01:41,600

we slowed down and looked in our rear

44

00:01:47,510 --> 00:01:44,399

view mirrors but never saw it again

45

00:01:48,469 --> 00:01:47,520

of course no one believed us then a few

46

00:01:50,870 --> 00:01:48,479

years ago

47

00:01:52,550 --> 00:01:50,880

maybe three or four i saw an article

48

00:01:53,350 --> 00:01:52,560

about human-sized bats in the

49

00:01:56,149 --> 00:01:53,360

philippines

50

00:01:58,310 --> 00:01:56,159

that really did look like what we saw so

51  
00:01:59,990 --> 00:01:58,320  
much we don't know about this big crazy

52  
00:02:01,640 --> 00:02:00,000  
world in which we live

53  
00:02:07,109 --> 00:02:01,650  
Is

54  
00:02:11,670 --> 00:02:09,190  
large bat like humanoid threatens family

55  
00:02:13,589 --> 00:02:11,680  
at san jose california cemetery

56  
00:02:15,510 --> 00:02:13,599  
i read your article on the flying bat

57  
00:02:16,550 --> 00:02:15,520  
man-like creature at the chicago adler

58  
00:02:18,229 --> 00:02:16,560  
planetarium

59  
00:02:21,670 --> 00:02:18,239  
i have an account that took place in

60  
00:02:23,190 --> 00:02:21,680  
1989. in the summer of 1987 my mother

61  
00:02:25,670 --> 00:02:23,200  
passed away from cancer

62  
00:02:26,470 --> 00:02:25,680  
leaving behind two sons and a husband my

63  
00:02:29,750 --> 00:02:26,480

father

64

00:02:31,509 --> 00:02:29,760

my brother to breakfast

65

00:02:33,910 --> 00:02:31,519

and then we would visit monitor graves

66

00:02:34,710 --> 00:02:33,920

site located at a lum rock in san jose

67

00:02:37,110 --> 00:02:34,720

california

68

00:02:38,790 --> 00:02:37,120

calvary catholic cemetery we would go to

69

00:02:39,350 --> 00:02:38,800

breakfast early mid morning or early

70

00:02:41,990 --> 00:02:39,360

morning

71

00:02:42,949 --> 00:02:42,000

around 8 a.m or so this particular day

72

00:02:44,630 --> 00:02:42,959

was no different

73

00:02:46,229 --> 00:02:44,640

and we arrived at the cemetery at

74

00:02:48,550 --> 00:02:46,239

approximately 11am

75

00:02:50,309 --> 00:02:48,560

and it was a cloudless sunny day we had

76  
00:02:51,990 --> 00:02:50,319  
just walked up to the grave and had a

77  
00:02:53,430 --> 00:02:52,000  
brief moment to get in a comfortable

78  
00:02:55,270 --> 00:02:53,440  
standing position

79  
00:02:57,509 --> 00:02:55,280  
out of the corner of my eye i seen

80  
00:02:59,589 --> 00:02:57,519  
something black perched on a tree branch

81  
00:03:01,589 --> 00:02:59,599  
it seemed to be facing us however the

82  
00:03:03,430 --> 00:03:01,599  
shape of it was without definition

83  
00:03:05,270 --> 00:03:03,440  
the best description i can give is that

84  
00:03:06,149 --> 00:03:05,280  
it was in the form of a black humanoid

85  
00:03:07,750 --> 00:03:06,159  
batch shape

86  
00:03:09,589 --> 00:03:07,760  
i could see the form of what looked like

87  
00:03:11,270 --> 00:03:09,599  
a head on shoulders and having wings

88  
00:03:13,110 --> 00:03:11,280

rising above the shoulders

89

00:03:14,949 --> 00:03:13,120

the bottom part of the creature was much

90

00:03:16,949 --> 00:03:14,959

slimmer with the rest of the body giving

91

00:03:18,149 --> 00:03:16,959

the impression of legs standing upright

92

00:03:20,229 --> 00:03:18,159

on the tree branch

93

00:03:22,070 --> 00:03:20,239

but it was without definition appearing

94

00:03:23,670 --> 00:03:22,080

as if a person used a black permanent

95

00:03:26,070 --> 00:03:23,680

marker and drew its shape

96

00:03:27,750 --> 00:03:26,080

i hope that makes sense as soon as i

97

00:03:29,350 --> 00:03:27,760

looked at it the creature did a nose

98

00:03:30,149 --> 00:03:29,360

dive out of the tree with its wings

99

00:03:32,149 --> 00:03:30,159

spread out

100

00:03:33,270 --> 00:03:32,159

it then straightened its body doing a 90

101

00:03:35,270 --> 00:03:33,280

degree upward turn

102

00:03:37,670 --> 00:03:35,280

tucked in its wings and beeline straight

103

00:03:38,869 --> 00:03:37,680

towards us it didn't flap its wings when

104

00:03:40,550 --> 00:03:38,879

it flew towards us

105

00:03:41,990 --> 00:03:40,560

similar to the mothman accounts that

106

00:03:43,910 --> 00:03:42,000

seemed to cut through the air

107

00:03:45,670 --> 00:03:43,920

i've read about bees and beetles sending

108

00:03:47,589 --> 00:03:45,680

a vibration through its wings and

109

00:03:49,509 --> 00:03:47,599

allowing a different type of flight

110

00:03:51,270 --> 00:03:49,519

as the creature flew towards us a curve

111

00:03:53,270 --> 00:03:51,280

slightly and flew between me and my

112

00:03:54,070 --> 00:03:53,280

father and seemed to target my older

113

00:03:55,910 --> 00:03:54,080

brother

114

00:03:57,750 --> 00:03:55,920

i say this because he had to turn his

115

00:03:59,429 --> 00:03:57,760

shoulders and just manage dodging the

116

00:04:00,390 --> 00:03:59,439

creature from hitting him in the chest

117

00:04:02,309 --> 00:04:00,400

by hair

118

00:04:04,390 --> 00:04:02,319

the creature flew past him made a quick

119

00:04:05,509 --> 00:04:04,400

ripe flying between tombstones and was

120

00:04:07,830 --> 00:04:05,519

out of our sight

121

00:04:09,270 --> 00:04:07,840

i was extremely terrified and my dad and

122

00:04:11,270 --> 00:04:09,280

brother laughed both

123

00:04:13,110 --> 00:04:11,280

after asking my father several times

124

00:04:15,910 --> 00:04:13,120

what it was he finally said it was

125

00:04:17,189 --> 00:04:15,920

the diablo spanish for devil i stopped

126

00:04:18,949 --> 00:04:17,199

asking after that

127

00:04:20,789 --> 00:04:18,959

every now and then i'll do periodic

128

00:04:22,150 --> 00:04:20,799

google searches of the cemetery to see

129

00:04:23,510 --> 00:04:22,160

if there have been any accounts of

130

00:04:25,670 --> 00:04:23,520

people seeing the same thing

131

00:04:27,430 --> 00:04:25,680

but not at this site i have attached a

132

00:04:29,110 --> 00:04:27,440

picture at the bottom of this email that

133

00:04:30,070 --> 00:04:29,120

i found on the internet that looks the

134

00:04:31,830 --> 00:04:30,080

exact same

135

00:04:34,070 --> 00:04:31,840

except what we seen that day did not

136

00:04:35,990 --> 00:04:34,080

have red eyes it is the same or same

137

00:04:37,830 --> 00:04:36,000

species creature that we've seen

138

00:04:39,510 --> 00:04:37,840

to my knowledge the tree branch was not

139

00:04:41,350 --> 00:04:39,520

very high off the ground and the

140

00:04:41,749 --> 00:04:41,360

distance between the tree and where we

141

00:04:43,590 --> 00:04:41,759

stood

142

00:04:47,590 --> 00:04:43,600

i estimate the creature to have to have

143

00:04:49,749 --> 00:04:47,600

flown at about 230 to 250 miles per hour

144

00:04:51,590 --> 00:04:49,759

this account is true as i remember and

145

00:04:52,469 --> 00:04:51,600

my brother could also give his account

146

00:04:54,230 --> 00:04:52,479

as well

147

00:04:56,070 --> 00:04:54,240

i also know of a very interesting

148

00:04:58,230 --> 00:04:56,080

account of another flying humanoid

149

00:04:59,990 --> 00:04:58,240

witness by a handful of kids grown

150

00:05:01,909 --> 00:05:00,000

adults now that witnessed a flying

151

00:05:03,990 --> 00:05:01,919

humanoid of a different nature

152

00:05:05,670 --> 00:05:04,000

this was also witnessed in the daytime

153

00:05:06,950 --> 00:05:05,680

and i could put you in touch with them

154

00:05:08,710 --> 00:05:06,960

if you are interested

155

00:05:10,790 --> 00:05:08,720

growing up in the evergreen area of san

156

00:05:12,870 --> 00:05:10,800

jose during the 80s and 90s i

157

00:05:13,510 --> 00:05:12,880

experienced a ton of other inexplicable

158

00:05:15,749 --> 00:05:13,520

events

159

00:05:17,749 --> 00:05:15,759

as well as my neighborhood friends i

160

00:05:19,350 --> 00:05:17,759

find that these events very bizarre

161

00:05:21,110 --> 00:05:19,360

and believe there is a good chance that

162

00:05:23,110 --> 00:05:21,120

the jet propulsion laboratory

163

00:05:25,590 --> 00:05:23,120

located a few miles away could have

164

00:05:27,990 --> 00:05:25,600

influenced some type of reality portal

165

00:05:29,909 --> 00:05:28,000

the area was not as eventful or scary as

166

00:05:32,310 --> 00:05:29,919

some of the skinwalker ranch accounts

167

00:05:34,469 --> 00:05:32,320

but definitely in the same category i

168

00:05:35,990 --> 00:05:34,479

grew up with about 20 neighborhood kids

169

00:05:37,830 --> 00:05:36,000

and i'm sure they would be willing to

170

00:05:39,510 --> 00:05:37,840

give you a lot of their accounts

171

00:05:40,870 --> 00:05:39,520

i look forward to hearing back from you

172

00:05:42,850 --> 00:05:40,880

in the near future

173

00:05:47,990 --> 00:05:42,860

ms

174

00:05:51,430 --> 00:05:49,909

possible flying humanoid observed over

175

00:05:53,029 --> 00:05:51,440

las vegas nevada

176

00:05:54,950 --> 00:05:53,039

so i am mainly wondering what i could

177

00:05:56,790 --> 00:05:54,960

have seen as far as i know

178

00:05:58,550 --> 00:05:56,800

there are no cryptid legends or any kind

179

00:06:00,469 --> 00:05:58,560

of stories from around here

180

00:06:02,390 --> 00:06:00,479

i know nevada and arizona are fairly

181

00:06:04,230 --> 00:06:02,400

known for their paranormal activity

182

00:06:06,550 --> 00:06:04,240

usually it's alien sightings or those

183

00:06:08,309 --> 00:06:06,560

ghost tours they have have around town

184

00:06:10,070 --> 00:06:08,319

i will start by giving some background

185

00:06:11,749 --> 00:06:10,080

of the area in las vegas

186

00:06:13,670 --> 00:06:11,759

i used to live on gilmore in cliff

187

00:06:14,870 --> 00:06:13,680

shadows basically where cheyenne meets

188

00:06:16,550 --> 00:06:14,880

the 215.

189

00:06:18,070 --> 00:06:16,560

there is a small mountain range that was

190

00:06:20,309 --> 00:06:18,080

basically my backyard

191

00:06:22,230 --> 00:06:20,319

it's a suburban area stucco houses

192

00:06:23,990 --> 00:06:22,240

crammed so closely together

193

00:06:25,670 --> 00:06:24,000

it was less than a five-minute walk from

194

00:06:26,550 --> 00:06:25,680

my front door to the base of cheyenne

195

00:06:28,230 --> 00:06:26,560

mountain

196

00:06:30,710 --> 00:06:28,240

i used to run up the ridge to the peak

197

00:06:31,430 --> 00:06:30,720

as exercise i have since moved from the

198

00:06:34,309 --> 00:06:31,440

area

199

00:06:35,990 --> 00:06:34,319

this was around october of 2017. my

200

00:06:37,909 --> 00:06:36,000

fiance and i love sitting in our

201  
00:06:39,590 --> 00:06:37,919  
backyard and enjoy the scenery

202  
00:06:41,510 --> 00:06:39,600  
we had seen some weird unexplainable

203  
00:06:42,790 --> 00:06:41,520  
stuff on the top of the mountain

204  
00:06:44,629 --> 00:06:42,800  
once we were watching what we thought

205  
00:06:46,390 --> 00:06:44,639  
was a hiker before he ran towards the

206  
00:06:47,270 --> 00:06:46,400  
edge of a cliff and seemingly flew off

207  
00:06:49,029 --> 00:06:47,280  
the edge

208  
00:06:50,870 --> 00:06:49,039  
this kind of stuff was the other half of

209  
00:06:52,550 --> 00:06:50,880  
why we love sitting in our backyard and

210  
00:06:53,510 --> 00:06:52,560  
just watching the mountain and observing

211  
00:06:55,350 --> 00:06:53,520  
the sky

212  
00:06:57,430 --> 00:06:55,360  
back to the story with all the

213  
00:06:59,430 --> 00:06:57,440

strangeness this by far was the most

214

00:07:01,990 --> 00:06:59,440

unexpected and unexplainable

215

00:07:03,670 --> 00:07:02,000

one night around 10 pm 12 am we were up

216

00:07:04,790 --> 00:07:03,680

late and felt like lying out back and

217

00:07:06,629 --> 00:07:04,800

stargazing

218

00:07:08,629 --> 00:07:06,639

we dragged the dog's bed outside and

219

00:07:09,510 --> 00:07:08,639

threw a few blankets on top so we could

220

00:07:11,510 --> 00:07:09,520

lay on it

221

00:07:13,430 --> 00:07:11,520

it was always windy we lived at the base

222

00:07:14,230 --> 00:07:13,440

of the mountain so this was a part of

223

00:07:16,150 --> 00:07:14,240

life

224

00:07:17,909 --> 00:07:16,160

we also had a flood wash behind our

225

00:07:20,230 --> 00:07:17,919

house with a little running trail

226

00:07:22,390 --> 00:07:20,240

that made our yard even more windy as we

227

00:07:24,390 --> 00:07:22,400

watched the clouds pass under the stars

228

00:07:26,629 --> 00:07:24,400

something large and humanoid glided over

229

00:07:27,430 --> 00:07:26,639

us it looked like a man with wings it

230

00:07:29,830 --> 00:07:27,440

did not flap

231

00:07:31,589 --> 00:07:29,840

just glide it over silently i am not

232

00:07:32,790 --> 00:07:31,599

sure of the altitude but it looked like

233

00:07:34,629 --> 00:07:32,800

it was at about the height of the

234

00:07:36,469 --> 00:07:34,639

mountain peak below the clouds

235

00:07:38,230 --> 00:07:36,479

gliding above our house south and

236

00:07:40,469 --> 00:07:38,240

parallel to the mountain ridge

237

00:07:42,309 --> 00:07:40,479

it was silhouetted against the clouds

238

00:07:43,830 --> 00:07:42,319

the city lights barely illuminated it

239

00:07:45,350 --> 00:07:43,840

but i could clearly make out the shape

240

00:07:47,110 --> 00:07:45,360

of a man with wings

241

00:07:48,629 --> 00:07:47,120

my original thought was a hand glider

242

00:07:50,710 --> 00:07:48,639

but it was super late at night

243

00:07:52,869 --> 00:07:50,720

and as far as i know you don't just jump

244

00:07:54,869 --> 00:07:52,879

off of random mountains to do this

245

00:07:56,469 --> 00:07:54,879

there are designated flying zones and

246

00:07:58,469 --> 00:07:56,479

you have to log quite a bit of flight

247

00:08:00,629 --> 00:07:58,479

hours to be able to fly alone

248

00:08:02,469 --> 00:08:00,639

i also thought vampire gargoyle but

249

00:08:03,990 --> 00:08:02,479

again i have not heard any legends or

250

00:08:05,830 --> 00:08:04,000

stories from this area

251  
00:08:06,950 --> 00:08:05,840  
i have done a bit of research and my new

252  
00:08:08,629 --> 00:08:06,960  
thought is that someone may have

253  
00:08:10,469 --> 00:08:08,639  
released a flying fox

254  
00:08:12,150 --> 00:08:10,479  
i looked up videos of them flying and

255  
00:08:13,990 --> 00:08:12,160  
they seemed smaller than what i saw

256  
00:08:15,670 --> 00:08:14,000  
but maybe someone had one that got too

257  
00:08:17,510 --> 00:08:15,680  
big and they let it loose

258  
00:08:19,830 --> 00:08:17,520  
i have had friends that have exotic pet

259  
00:08:20,869 --> 00:08:19,840  
birds cats or monkeys so i could see

260  
00:08:22,550 --> 00:08:20,879  
this happening

261  
00:08:24,309 --> 00:08:22,560  
they seem like they need to flap a lot

262  
00:08:26,070 --> 00:08:24,319  
though but i guess if it were higher up

263  
00:08:27,670 --> 00:08:26,080

it would not need to so much

264

00:08:29,350 --> 00:08:27,680

it had such a smooth straight flight

265

00:08:30,790 --> 00:08:29,360

path that gives me douse

266

00:08:32,550 --> 00:08:30,800

this still seems like the most

267

00:08:39,350 --> 00:08:32,560

reasonable explanation

268

00:08:44,389 --> 00:08:42,310

flying humanoid observed in austin texas

269

00:08:46,389 --> 00:08:44,399

a couple of months back me and one of my

270

00:08:47,350 --> 00:08:46,399

older cousins were standing outside of

271

00:08:49,269 --> 00:08:47,360

my house

272

00:08:51,590 --> 00:08:49,279

he was having a cigarette i'm not a

273

00:08:53,430 --> 00:08:51,600

smoker but was always reluctantly called

274

00:08:55,750 --> 00:08:53,440

outside every smoke break

275

00:08:57,750 --> 00:08:55,760

it was about 9 p.m and being four

276  
00:08:59,430 --> 00:08:57,760  
cigarette breaks and we pretty much ran

277  
00:09:01,430 --> 00:08:59,440  
out of things to talk about

278  
00:09:03,350 --> 00:09:01,440  
i opted for just looking into the night

279  
00:09:05,269 --> 00:09:03,360  
sky and gazing for the big dipper

280  
00:09:06,630 --> 00:09:05,279  
it being the only star i could typically

281  
00:09:08,470 --> 00:09:06,640  
spot right away

282  
00:09:10,470 --> 00:09:08,480  
as i'm looking up i notice a dark

283  
00:09:11,990 --> 00:09:10,480  
silhouette literally about ten feet from

284  
00:09:14,310 --> 00:09:12,000  
the top of my house

285  
00:09:16,310 --> 00:09:14,320  
i live in a two-story home so ten feet

286  
00:09:18,710 --> 00:09:16,320  
from my roof is pretty high up but yet

287  
00:09:20,389 --> 00:09:18,720  
still close enough for me to still see

288  
00:09:22,389 --> 00:09:20,399

i could vividly see that it was the

289

00:09:24,389 --> 00:09:22,399

shape of a person flying from above my

290

00:09:25,269 --> 00:09:24,399

home and over across the street and out

291

00:09:27,590 --> 00:09:25,279

of sight

292

00:09:29,430 --> 00:09:27,600

it moved smoothly across the sky not too

293

00:09:32,150 --> 00:09:29,440

fast just at a glide

294

00:09:33,910 --> 00:09:32,160

i stared in disbelief unable to speak

295

00:09:35,590 --> 00:09:33,920

long after it vanished behind my

296

00:09:37,670 --> 00:09:35,600

neighbor's home i still looked in its

297

00:09:38,389 --> 00:09:37,680

direction trying to understand what just

298

00:09:40,389 --> 00:09:38,399

happened

299

00:09:42,230 --> 00:09:40,399

when i finally was able to gather my

300

00:09:44,310 --> 00:09:42,240

thoughts enough to talk i turned to my

301  
00:09:44,949 --> 00:09:44,320  
cousin who was also looking into the sky

302  
00:09:47,590 --> 00:09:44,959  
and said

303  
00:09:49,590 --> 00:09:47,600  
let's go inside he put out a cigarette

304  
00:09:49,910 --> 00:09:49,600  
and we both walked into the house and

305  
00:09:52,310 --> 00:09:49,920  
sat

306  
00:09:54,310 --> 00:09:52,320  
in silence for about five minutes the

307  
00:09:56,230 --> 00:09:54,320  
silence was broken by the sound of my

308  
00:09:56,870 --> 00:09:56,240  
cousin taking in a deep breath before

309  
00:09:59,269 --> 00:09:56,880  
asking me

310  
00:10:01,269 --> 00:09:59,279  
did you see something flying outside

311  
00:10:03,509 --> 00:10:01,279  
before he could finish i burst out into

312  
00:10:05,670 --> 00:10:03,519  
rapid sentences about what i saw

313  
00:10:07,350 --> 00:10:05,680

before i knew it we were both going back

314

00:10:08,230 --> 00:10:07,360

and forward barely letting either get a

315

00:10:10,470 --> 00:10:08,240

word out

316

00:10:11,829 --> 00:10:10,480

we decided that what we saw was real and

317

00:10:13,670 --> 00:10:11,839

it really did happen

318

00:10:16,150 --> 00:10:13,680

that's not the most terrifying part

319

00:10:17,910 --> 00:10:16,160

though a few weeks later after my mind

320

00:10:20,310 --> 00:10:17,920

had finally calmed down the little i

321

00:10:20,870 --> 00:10:20,320

stumbled across tv show on destination

322

00:10:22,870 --> 00:10:20,880

america

323

00:10:25,350 --> 00:10:22,880

entitled monsters and mysteries i

324

00:10:27,350 --> 00:10:25,360

believe the second episode one watch

325

00:10:28,630 --> 00:10:27,360

turned out to be based on sightings in

326

00:10:30,550 --> 00:10:28,640

austin texas

327

00:10:32,630 --> 00:10:30,560

i couldn't believe it the episode was

328

00:10:33,750 --> 00:10:32,640

about flying humanoids being spotted in

329

00:10:35,750 --> 00:10:33,760

here in the city

330

00:10:37,829 --> 00:10:35,760

it confirmed for me that what i saw was

331

00:10:39,670 --> 00:10:37,839

actually real and i hadn't been one of

332

00:10:41,590 --> 00:10:39,680

the only ones who spotted it

333

00:10:43,590 --> 00:10:41,600

rather you believe me or not do some

334

00:10:45,269 --> 00:10:43,600

research or laugh it up and accuse me of

335

00:10:46,550 --> 00:10:45,279

being on drugs or watching too much

336

00:10:48,550 --> 00:10:46,560

jeepers creepers

337

00:10:51,110 --> 00:10:48,560

i honestly don't care if you believe me

338

00:10:51,910 --> 00:10:51,120

or not i still look to the sky on most

339

00:11:00,150 --> 00:10:51,920

nights

340

00:11:01,670 --> 00:11:00,160

i know they sri still out there zl this

341

00:11:03,910 --> 00:11:01,680

is lon strickler
