

# ARCANE RADIO

Exploring the Unexplained

Dec. 4th, 2020

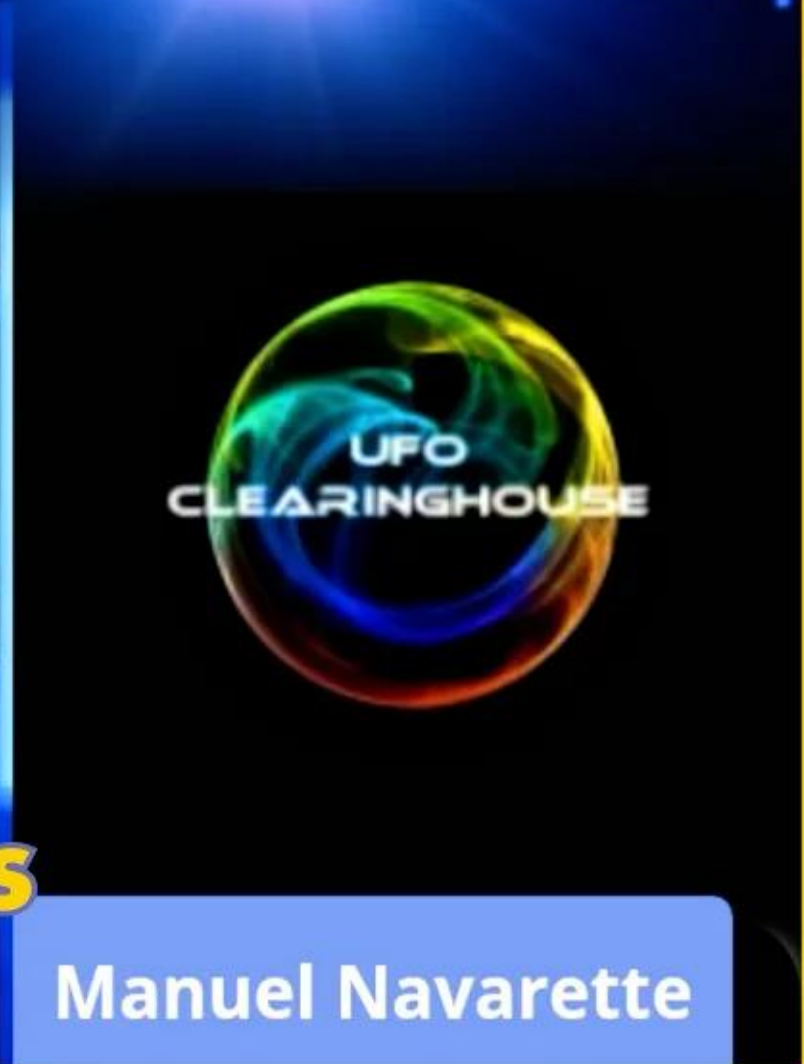

**Your host**

Lon Strickler

**With guests**

Tobias Wayland

Manuel Navarette

1  
00:00:07,030 --> 00:00:03,590  
the oldest

2  
00:00:09,190 --> 00:00:07,040  
and strongest human emotion is fear

3  
00:00:10,230 --> 00:00:09,200  
and the oldest and strongest type of

4  
00:00:13,430 --> 00:00:10,240  
fear

5  
00:00:15,829 --> 00:00:13,440  
is trepidation of the unknown

6  
00:00:19,269 --> 00:00:15,839  
when we were children our parents told

7  
00:00:21,750 --> 00:00:19,279  
us that monsters didn't exist

8  
00:00:24,950 --> 00:00:21,760  
but we were sure that something was

9  
00:00:29,509 --> 00:00:24,960  
lurking under the bed or in the closet

10  
00:00:32,709 --> 00:00:29,519  
fear sees even if our eyes are closed

11  
00:00:34,790 --> 00:00:32,719  
welcome to the realm of the arcane my

12  
00:00:37,110 --> 00:00:34,800  
name is lon strickler

13  
00:00:38,229 --> 00:00:37,120

join me as i examine unexplained

14

00:00:40,869 --> 00:00:38,239

creatures

15

00:00:43,190 --> 00:00:40,879

strange manifestations and remarkable

16

00:00:46,229 --> 00:00:43,200

realities

17

00:00:48,790 --> 00:00:46,239

imagine this next hour as a voyage of

18

00:00:51,910 --> 00:00:48,800

discovery to strange lands

19

00:00:54,630 --> 00:00:51,920

seeking not for new territory but for

20

00:00:55,270 --> 00:00:54,640

new knowledge of the supernatural come

21

00:00:58,600 --> 00:00:55,280

on board

22

00:01:02,709 --> 00:00:58,610

as we begin this adventure together

23

00:01:07,510 --> 00:01:04,950

hey folks good evening and welcome to

24

00:01:09,830 --> 00:01:07,520

another episode of arcane radio

25

00:01:12,149 --> 00:01:09,840

where we explore the unexplained live on

26

00:01:13,190 --> 00:01:12,159

beyond explanation i'm your host lon

27

00:01:16,149 --> 00:01:13,200

strickler

28

00:01:18,950 --> 00:01:16,159

and i'm coming to you from the spectral

29

00:01:22,789 --> 00:01:18,960

shadows of gettysburg pennsylvania

30

00:01:25,749 --> 00:01:22,799

now tonight we are going to be talking

31

00:01:26,390 --> 00:01:25,759

chicago lake michigan mothman chicago

32

00:01:29,350 --> 00:01:26,400

phantom

33

00:01:30,390 --> 00:01:29,360

winged humanoids you know what we have

34

00:01:33,350 --> 00:01:30,400

been looking into

35

00:01:35,510 --> 00:01:33,360

for the past oh my god has it been over

36

00:01:39,270 --> 00:01:35,520

four years almost five years

37

00:01:42,230 --> 00:01:39,280

anyway um i have tobias whalen and

38

00:01:45,270 --> 00:01:42,240

manuel navarette with me who uh

39

00:01:48,310 --> 00:01:45,280

earl we've been investigating all this

40

00:01:51,109 --> 00:01:48,320

together tobias is a

41

00:01:53,109 --> 00:01:51,119

passion of fortune who has been actively

42

00:01:54,389 --> 00:01:53,119

investigating the unusual for over a

43

00:01:56,149 --> 00:01:54,399

decade

44

00:01:57,990 --> 00:01:56,159

the first several years of his

45

00:01:58,789 --> 00:01:58,000

investigative career was spent as a blue

46

00:02:01,270 --> 00:01:58,799

fawn

47

00:02:03,030 --> 00:02:01,280

field investigator and the head writer

48

00:02:07,030 --> 00:02:03,040

and editor of the single

49

00:02:07,990 --> 00:02:07,040

singular 14 society tobias is a frequent

50

00:02:10,710 --> 00:02:08,000

guest on various

51  
00:02:12,070 --> 00:02:10,720  
podcasts and radio shows and has

52  
00:02:14,229 --> 00:02:12,080  
contributed

53  
00:02:16,390 --> 00:02:14,239  
to several books of the paranormal and

54  
00:02:18,150 --> 00:02:16,400  
is all often invited to speak at

55  
00:02:22,229 --> 00:02:18,160  
paranormal conferences

56  
00:02:24,390 --> 00:02:22,239  
events he was also featured on the small

57  
00:02:27,110 --> 00:02:24,400  
in the small town monsters documentary

58  
00:02:29,270 --> 00:02:27,120  
tell him tearing the skies in the series

59  
00:02:31,430 --> 00:02:29,280  
premiere of expedition x

60  
00:02:33,830 --> 00:02:31,440  
for his work investigating mothman

61  
00:02:35,830 --> 00:02:33,840  
sightings around lake michigan

62  
00:02:37,830 --> 00:02:35,840  
he and his wife emily have recently

63  
00:02:40,470 --> 00:02:37,840

published a book chronicling this

64

00:02:43,190 --> 00:02:40,480

experience the late michigan mothman

65

00:02:46,070 --> 00:02:43,200

high strangers in the midwest

66

00:02:52,150 --> 00:02:46,080

the singular 14 society website can be

67

00:02:56,550 --> 00:02:54,949

now emmanuel navarette is the founder

68

00:02:59,750 --> 00:02:56,560

and curator of the

69

00:03:01,750 --> 00:02:59,760

ufo clearinghouse and an active

70

00:03:03,350 --> 00:03:01,760

paranormal investigator

71

00:03:05,830 --> 00:03:03,360

manuela has been interested in the

72

00:03:08,390 --> 00:03:05,840

paranormal since the age of 17

73

00:03:10,309 --> 00:03:08,400

and has had multiple signs of ufos and

74

00:03:13,990 --> 00:03:10,319

recently a winged humanoid at

75

00:03:16,229 --> 00:03:14,000

chicago air airport the website he found

76

00:03:17,830 --> 00:03:16,239

a ufo clearing house is dedicated and

77

00:03:19,589 --> 00:03:17,840

committed to providing the most

78

00:03:22,790 --> 00:03:19,599

up-to-date information

79

00:03:25,190 --> 00:03:22,800

on recent ufo settings reported alien

80

00:03:26,710 --> 00:03:25,200

abductions encrypted sightings

81

00:03:28,710 --> 00:03:26,720

it is designed as a place where

82

00:03:31,270 --> 00:03:28,720

information can be freely exchanged and

83

00:03:34,470 --> 00:03:31,280

accessed by paranormal researchers

84

00:03:37,830 --> 00:03:34,480

and investigators for the reason of

85

00:03:40,149 --> 00:03:37,840

furthering the search for the truth his

86

00:03:44,710 --> 00:03:40,159

website ufo clearinghouse can be found

87

00:03:47,910 --> 00:03:44,720

at ufo clearinghouse.wordpress.com

88

00:03:49,350 --> 00:03:47,920

and of course both uh tobias and whalen

89

00:03:52,470 --> 00:03:49,360

are members

90

00:03:54,309 --> 00:03:52,480

of phantoms and monsters 14 research and

91

00:03:55,429 --> 00:03:54,319

have investigated the chicago lake

92

00:03:57,990 --> 00:03:55,439

michigan

93

00:04:00,070 --> 00:03:58,000

wing humanoid phenomenon when i formed

94

00:04:03,110 --> 00:04:00,080

the original chicago phantom

95

00:04:06,070 --> 00:04:03,120

task force back in the spring of 2017

96

00:04:09,750 --> 00:04:06,080

god that was a long time ago guys

97

00:04:11,429 --> 00:04:09,760

yeah it was it's hard to believe we've

98

00:04:14,630 --> 00:04:11,439

been looking into this for as long we

99

00:04:18,310 --> 00:04:14,640

have been

100

00:04:21,270 --> 00:04:18,320

oh yeah yeah i mean time flies uh

101  
00:04:22,950 --> 00:04:21,280  
when i think about the the advent of of

102  
00:04:25,749 --> 00:04:22,960  
this investigation

103  
00:04:27,110 --> 00:04:25,759  
versus where we are now um it's it's

104  
00:04:29,189 --> 00:04:27,120  
staggering i

105  
00:04:31,030 --> 00:04:29,199  
i i didn't think it would still be going

106  
00:04:31,749 --> 00:04:31,040  
i i really didn't i didn't think that it

107  
00:04:35,510 --> 00:04:31,759  
would lead

108  
00:04:39,110 --> 00:04:35,520  
where it did either you know um boy

109  
00:04:41,510 --> 00:04:39,120  
yeah it's it's been quite a ride oh yeah

110  
00:04:43,270 --> 00:04:41,520  
it's grown and grown it's just like and

111  
00:04:46,469 --> 00:04:43,280  
it seems to be gaining speed

112  
00:04:48,070 --> 00:04:46,479  
um you know it's i remember the first

113  
00:04:50,070 --> 00:04:48,080

sightings coming in and just

114

00:04:51,670 --> 00:04:50,080

thinking oh you know one off it'll never

115

00:04:52,870 --> 00:04:51,680

happen again and i could never have

116

00:04:57,270 --> 00:04:52,880

imagined how

117

00:04:58,310 --> 00:04:57,280

it would be now yeah and especially

118

00:05:01,430 --> 00:04:58,320

recently now

119

00:05:03,510 --> 00:05:01,440

since october of 2019

120

00:05:04,950 --> 00:05:03,520

it seems like the majority of my own

121

00:05:07,110 --> 00:05:04,960

majority of the sightings have been

122

00:05:10,550 --> 00:05:07,120

concentrated around o'hare

123

00:05:12,150 --> 00:05:10,560

and rosemont area so um you know i

124

00:05:14,150 --> 00:05:12,160

i guess we really still haven't figured

125

00:05:15,350 --> 00:05:14,160

out what the deal is there why that's

126

00:05:17,189 --> 00:05:15,360

happening

127

00:05:19,990 --> 00:05:17,199

though of course you know there's been a

128

00:05:20,790 --> 00:05:20,000

few some other phenomena associated with

129

00:05:23,270 --> 00:05:20,800

it

130

00:05:24,550 --> 00:05:23,280

of course there was the ufo sighting

131

00:05:28,469 --> 00:05:24,560

above the graveyard

132

00:05:30,870 --> 00:05:28,479

and then what some type of humanoid was

133

00:05:35,270 --> 00:05:30,880

ascended up into that

134

00:05:38,310 --> 00:05:35,280

and since we were on the last time

135

00:05:40,390 --> 00:05:38,320

uh manual received a

136

00:05:42,150 --> 00:05:40,400

sighting of an unknown humanoid possible

137

00:05:45,510 --> 00:05:42,160

gray alien

138

00:05:46,150 --> 00:05:45,520

so uh man well why don't you talk about

139

00:05:48,950 --> 00:05:46,160

that

140

00:05:50,629 --> 00:05:48,960

it was about the truck driver and the

141

00:05:54,390 --> 00:05:50,639

gray alien

142

00:05:57,749 --> 00:05:54,400

yeah well i mean as a lot of people

143

00:06:01,189 --> 00:05:57,759

uh seem to not know it chicago

144

00:06:02,629 --> 00:06:01,199

o'hare not only handles like domestic um

145

00:06:05,029 --> 00:06:02,639

flights international flights but they

146

00:06:06,230 --> 00:06:05,039

handle a very large amount of cargo

147

00:06:09,670 --> 00:06:06,240

they're one of the largest

148

00:06:11,590 --> 00:06:09,680

um i think after uh atlanta hartfield as

149

00:06:14,790 --> 00:06:11,600

far as cargo

150

00:06:18,629 --> 00:06:14,800

a lot of the main hubs were fedex dhl

151

00:06:21,430 --> 00:06:18,639

the usps and quite a few other

152

00:06:22,870 --> 00:06:21,440

cargo facilities are located on and

153

00:06:24,469 --> 00:06:22,880

around the airport

154

00:06:26,710 --> 00:06:24,479

and this gentleman just happened to be

155

00:06:29,430 --> 00:06:26,720

at the united facility which is

156

00:06:30,309 --> 00:06:29,440

uh not too far away from the cemetery

157

00:06:31,990 --> 00:06:30,319

where the

158

00:06:35,350 --> 00:06:32,000

the original ufo sighting that came

159

00:06:38,629 --> 00:06:35,360

through um he said he was sitting there

160

00:06:40,550 --> 00:06:38,639

waiting for a load um and he thought he

161

00:06:43,749 --> 00:06:40,560

saw a small child

162

00:06:46,790 --> 00:06:43,759

wandering and that facility

163

00:06:48,150 --> 00:06:46,800

if you go in it's just trucks going in

164

00:06:51,189 --> 00:06:48,160

and out of that facility

165

00:06:52,390 --> 00:06:51,199

at all times and he thought it was a

166

00:06:54,309 --> 00:06:52,400

small child that had might

167

00:06:55,670 --> 00:06:54,319

be gotten separated got lost or

168

00:06:58,550 --> 00:06:55,680

abandoned

169

00:07:00,830 --> 00:06:58,560

so he watched it and he said it kind of

170

00:07:03,990 --> 00:07:00,840

had like a little gate

171

00:07:05,510 --> 00:07:04,000

um and he

172

00:07:07,830 --> 00:07:05,520

got out of his truck and tried to

173

00:07:10,150 --> 00:07:07,840

approach it and he says about this time

174

00:07:13,510 --> 00:07:10,160

this thing went underneath the uh

175

00:07:14,469 --> 00:07:13,520

street lamp and if i remember right he

176

00:07:17,430 --> 00:07:14,479

said that it was

177

00:07:18,870 --> 00:07:17,440

in he whatever it was was very very

178

00:07:19,990 --> 00:07:18,880

interested in what was going on across

179

00:07:20,629 --> 00:07:20,000

the street because they were bringing a

180

00:07:22,550 --> 00:07:20,639

plane in

181

00:07:23,830 --> 00:07:22,560

to one of the cargo facilities to be

182

00:07:27,189 --> 00:07:23,840

unloaded

183

00:07:28,710 --> 00:07:27,199

and um as he got closer he saw that it

184

00:07:32,870 --> 00:07:28,720

was not a small child but

185

00:07:35,909 --> 00:07:32,880

a really thin humanoid creature with

186

00:07:37,189 --> 00:07:35,919

you know gray skin and he says it turned

187

00:07:38,710 --> 00:07:37,199

around and looked at him as

188

00:07:40,469 --> 00:07:38,720

he was you know approaching because he

189

00:07:42,230 --> 00:07:40,479

was trying to call out

190

00:07:44,469 --> 00:07:42,240

and that's when he saw the you know the

191

00:07:47,029 --> 00:07:44,479

large eyes and the really

192

00:07:48,469 --> 00:07:47,039

you know overly sized head but he also

193

00:07:50,790 --> 00:07:48,479

noticed that the arms were

194

00:07:52,070 --> 00:07:50,800

really thin and long like down to his

195

00:07:54,390 --> 00:07:52,080

knees

196

00:07:56,390 --> 00:07:54,400

and um he said this thing took off

197

00:07:58,469 --> 00:07:56,400

faster than he's ever seen any

198

00:08:00,390 --> 00:07:58,479

no human could really run that fast he

199

00:08:04,070 --> 00:08:00,400

says easily could have about ran

200

00:08:05,990 --> 00:08:04,080

usain bolt in his report so

201  
00:08:08,869 --> 00:08:06,000  
you know when he came to me about it and

202  
00:08:11,350 --> 00:08:08,879  
we he submitted the report

203  
00:08:12,070 --> 00:08:11,360  
it was just really you know just sounds

204  
00:08:14,950 --> 00:08:12,080  
like a complete

205  
00:08:16,309 --> 00:08:14,960  
typical encounter with a gray i mean it

206  
00:08:19,350 --> 00:08:16,319  
fits the

207  
00:08:22,550 --> 00:08:19,360  
the description of what you would

208  
00:08:23,430 --> 00:08:22,560  
consider with the short-nosed gray alien

209  
00:08:27,670 --> 00:08:23,440  
that you see

210  
00:08:31,029 --> 00:08:27,680  
in you know pop culture

211  
00:08:33,190 --> 00:08:31,039  
you know it i and i i'm just

212  
00:08:35,269 --> 00:08:33,200  
assuming now i mean i don't know how you

213  
00:08:39,029 --> 00:08:35,279

think about this tobias but

214

00:08:41,269 --> 00:08:39,039

you know the these alien beings that

215

00:08:42,949 --> 00:08:41,279

somehow been associated of course we had

216

00:08:45,990 --> 00:08:42,959

the the sighting

217

00:08:47,590 --> 00:08:46,000

in um in rosemont without the woman saw

218

00:08:50,630 --> 00:08:47,600

the um

219

00:08:52,389 --> 00:08:50,640

the gray and the two humanoid females in

220

00:08:55,269 --> 00:08:52,399

that park

221

00:08:57,750 --> 00:08:55,279

and of course you know this unknown

222

00:09:00,150 --> 00:08:57,760

humanoid that ascended into the ufo

223

00:09:01,990 --> 00:09:00,160

there at the rest haven cemetery

224

00:09:04,710 --> 00:09:02,000

which for those who don't know the

225

00:09:08,070 --> 00:09:04,720

cemetery is located right in

226

00:09:11,750 --> 00:09:08,080

the um o'hara and it's right there by

227

00:09:14,790 --> 00:09:11,760

some of the uh the uh cargo areas

228

00:09:17,670 --> 00:09:14,800

and uh now of course this sighting

229

00:09:21,190 --> 00:09:17,680

that manuel just described what are your

230

00:09:24,310 --> 00:09:23,829

well i mean it's uh it's difficult to

231

00:09:27,190 --> 00:09:24,320

know

232

00:09:28,949 --> 00:09:27,200

what uh what to make of that um

233

00:09:30,310 --> 00:09:28,959

necessarily i i do remember that that

234

00:09:33,430 --> 00:09:30,320

particular account

235

00:09:35,030 --> 00:09:33,440

uh was um

236

00:09:36,790 --> 00:09:35,040

you know it was it was interesting in

237

00:09:40,949 --> 00:09:36,800

that the

238

00:09:44,310 --> 00:09:40,959

the the witness thought that he may have

239

00:09:45,190 --> 00:09:44,320

or i i don't want to say that he thought

240

00:09:47,590 --> 00:09:45,200

he had but

241

00:09:49,990 --> 00:09:47,600

uh it he had sort of allowed for the

242

00:09:53,590 --> 00:09:50,000

possibility that that maybe he had dozed

243

00:09:56,550 --> 00:09:53,600

off or something um although

244

00:09:57,190 --> 00:09:56,560

it doesn't seem you know particularly

245

00:10:00,150 --> 00:09:57,200

likely

246

00:10:02,150 --> 00:10:00,160

given exactly what what he described

247

00:10:05,190 --> 00:10:02,160

what was interesting about that to me

248

00:10:07,750 --> 00:10:05,200

was i had actually encountered uh

249

00:10:09,190 --> 00:10:07,760

another witness in uh janesville

250

00:10:13,030 --> 00:10:09,200

wisconsin who had had

251  
00:10:15,509 --> 00:10:13,040  
a sort of uh foiled abduction

252  
00:10:16,069 --> 00:10:15,519  
attempt and she described something

253  
00:10:19,030 --> 00:10:16,079  
similar

254  
00:10:19,670 --> 00:10:19,040  
where at the end uh you know she really

255  
00:10:23,110 --> 00:10:19,680  
hadn't

256  
00:10:25,590 --> 00:10:23,120  
fallen asleep but she said that she felt

257  
00:10:27,350 --> 00:10:25,600  
like uh when she could move again like

258  
00:10:30,069 --> 00:10:27,360  
she had to wonder like if she was

259  
00:10:31,670 --> 00:10:30,079  
suddenly coming too and you know i

260  
00:10:32,470 --> 00:10:31,680  
started thinking about it and just sort

261  
00:10:35,750 --> 00:10:32,480  
of wondering

262  
00:10:37,990 --> 00:10:35,760  
um if that isn't some sort of of

263  
00:10:40,069 --> 00:10:38,000

you know defense mechanism or something

264

00:10:43,190 --> 00:10:40,079

that that sort of takes place in

265

00:10:45,990 --> 00:10:43,200

in these people's minds where um you

266

00:10:49,509 --> 00:10:46,000

know they're trying to rationalize their

267

00:10:53,269 --> 00:10:49,519

experience as far as the overall like

268

00:10:58,069 --> 00:10:53,279

humanoid sightings at o'hare um

269

00:11:01,509 --> 00:10:58,079

it's i mean i think that a lot of people

270

00:11:02,790 --> 00:11:01,519

are very sort of dubious of of those

271

00:11:04,470 --> 00:11:02,800

claims because they

272

00:11:05,829 --> 00:11:04,480

you know they think of o'hare maybe if

273

00:11:07,509 --> 00:11:05,839

they've never been there

274

00:11:10,310 --> 00:11:07,519

they're picturing you know this this

275

00:11:12,710 --> 00:11:10,320

huge metropolitan area

276

00:11:15,509 --> 00:11:12,720

um you know like it's right in the

277

00:11:17,430 --> 00:11:15,519

middle of chicago or something but

278

00:11:19,110 --> 00:11:17,440

really there's some there's some big

279

00:11:21,990 --> 00:11:19,120

open areas around

280

00:11:23,350 --> 00:11:22,000

this this airport and it's it's

281

00:11:26,710 --> 00:11:23,360

relatively

282

00:11:27,350 --> 00:11:26,720

isolated in a lot of ways i mean if if

283

00:11:29,590 --> 00:11:27,360

you look at

284

00:11:31,509 --> 00:11:29,600

the majority of these humanoid setting

285

00:11:34,550 --> 00:11:31,519

reports they're coming from the

286

00:11:38,150 --> 00:11:34,560

the cargo area you know um of

287

00:11:40,870 --> 00:11:38,160

of o'hare and having been out there um

288

00:11:41,990 --> 00:11:40,880

you know it's uh it's a relatively

289

00:11:43,509 --> 00:11:42,000

remote location

290

00:11:45,190 --> 00:11:43,519

you know sort of surrounded by these

291

00:11:46,870 --> 00:11:45,200

huge fields and

292

00:11:48,710 --> 00:11:46,880

in open areas there's not going to be a

293

00:11:49,350 --> 00:11:48,720

lot of like like foot traffic or

294

00:11:52,230 --> 00:11:49,360

anything in

295

00:11:52,949 --> 00:11:52,240

in those areas there was one area in

296

00:11:56,389 --> 00:11:52,959

particular

297

00:11:57,990 --> 00:11:56,399

that i i went down to investigate i had

298

00:12:00,150 --> 00:11:58,000

spoken to a gentleman

299

00:12:01,509 --> 00:12:00,160

who worked for one of the o'hare cargo

300

00:12:04,069 --> 00:12:01,519

companies and

301  
00:12:05,750 --> 00:12:04,079  
um and you know he had said that he had

302  
00:12:08,389 --> 00:12:05,760  
seen this red-eyed black

303  
00:12:09,030 --> 00:12:08,399  
flying humanoid thing after work one

304  
00:12:11,509 --> 00:12:09,040  
evening

305  
00:12:13,350 --> 00:12:11,519  
and um you know i wanted to to look at

306  
00:12:14,389 --> 00:12:13,360  
the the siding area and sort of get the

307  
00:12:16,790 --> 00:12:14,399  
the lay of the

308  
00:12:18,150 --> 00:12:16,800  
land and everything and you know i i

309  
00:12:19,030 --> 00:12:18,160  
went down there and he said that he had

310  
00:12:20,790 --> 00:12:19,040  
been driving

311  
00:12:22,389 --> 00:12:20,800  
you know along this road just next to

312  
00:12:24,550 --> 00:12:22,399  
o'hare when he saw it and i

313  
00:12:26,310 --> 00:12:24,560

went and the only things over there were

314

00:12:27,590 --> 00:12:26,320

uh like in an office building which

315

00:12:29,110 --> 00:12:27,600

definitely wouldn't have been open

316

00:12:30,790 --> 00:12:29,120

during his sighting and then

317

00:12:32,790 --> 00:12:30,800

you know it was like a fedex store or

318

00:12:34,550 --> 00:12:32,800

something and um

319

00:12:36,470 --> 00:12:34,560

and so the idea that there would just

320

00:12:38,389 --> 00:12:36,480

always be a ton of people around

321

00:12:40,230 --> 00:12:38,399

who would all you know always be seeing

322

00:12:41,670 --> 00:12:40,240

these things in the areas that people

323

00:12:44,629 --> 00:12:41,680

are reporting them

324

00:12:46,629 --> 00:12:44,639

um isn't necessarily true so i i look at

325

00:12:49,910 --> 00:12:46,639

that particular trucker's

326

00:12:52,069 --> 00:12:49,920

account and um you know

327

00:12:53,430 --> 00:12:52,079

uh he he seems forthright he seems

328

00:12:56,710 --> 00:12:53,440

honest and

329

00:12:59,269 --> 00:12:56,720

um you know i i think that given

330

00:13:00,069 --> 00:12:59,279

where it took place it's it's an

331

00:13:04,150 --> 00:13:00,079

interesting

332

00:13:09,590 --> 00:13:07,750

yeah you know of course

333

00:13:11,350 --> 00:13:09,600

you know before all this has been going

334

00:13:13,990 --> 00:13:11,360

on around o'hara

335

00:13:15,350 --> 00:13:14,000

we have had reports of humanoid like

336

00:13:18,550 --> 00:13:15,360

sightings

337

00:13:21,590 --> 00:13:18,560

in these uh preserve areas uh there's a

338

00:13:25,110 --> 00:13:21,600

large preserve area here just east of

339

00:13:26,310 --> 00:13:25,120

rosemont east of o'hara where we've also

340

00:13:29,430 --> 00:13:26,320

received these

341

00:13:30,790 --> 00:13:29,440

um humanoid sightings possible humanoid

342

00:13:33,110 --> 00:13:30,800

settings

343

00:13:34,069 --> 00:13:33,120

so uh you know i don't know what is

344

00:13:37,269 --> 00:13:34,079

exactly

345

00:13:39,350 --> 00:13:37,279

in in that preserve maybe

346

00:13:40,949 --> 00:13:39,360

there's there's some way they're getting

347

00:13:42,629 --> 00:13:40,959

in there i don't know but it just seems

348

00:13:44,310 --> 00:13:42,639

unusual to me

349

00:13:45,990 --> 00:13:44,320

now of course i i've talked to people

350

00:13:47,670 --> 00:13:46,000

who have told me

351  
00:13:49,590 --> 00:13:47,680  
and i think manuel might have mentioned

352  
00:13:51,350 --> 00:13:49,600  
this at some point that

353  
00:13:52,790 --> 00:13:51,360  
there seemed to be a lot of occult

354  
00:13:55,910 --> 00:13:52,800  
activity in these

355  
00:13:58,310 --> 00:13:55,920  
these preserve areas and i i know

356  
00:14:00,150 --> 00:13:58,320  
chicago's got a ton of i mean in or

357  
00:14:03,110 --> 00:14:00,160  
around chicago

358  
00:14:04,310 --> 00:14:03,120  
so uh you know i don't know you know you

359  
00:14:05,750 --> 00:14:04,320  
know i'm just trying to grow i'm

360  
00:14:07,350 --> 00:14:05,760  
grasping straws

361  
00:14:09,829 --> 00:14:07,360  
trying to figure out of course we all

362  
00:14:11,509 --> 00:14:09,839  
are what's been going on

363  
00:14:12,870 --> 00:14:11,519

but you know over the years we've heard

364

00:14:15,829 --> 00:14:12,880

a lot of strange stuff

365

00:14:18,389 --> 00:14:15,839

you know a paranormal as well as ufos

366

00:14:20,550 --> 00:14:18,399

coming out of o'hara

367

00:14:21,910 --> 00:14:20,560

you know i've talked to witness you told

368

00:14:24,230 --> 00:14:21,920

me that you know there's

369

00:14:25,750 --> 00:14:24,240

there's actually a lot of ghost settings

370

00:14:29,590 --> 00:14:25,760

at o'hare

371

00:14:30,389 --> 00:14:29,600

uh a lot of strange activity and in fact

372

00:14:56,949 --> 00:14:30,399

i

373

00:14:59,990 --> 00:14:56,959

planes of runway

374

00:15:03,750 --> 00:15:00,000

uh cargo areas you know for

375

00:15:05,750 --> 00:15:03,760

luggage and stuff and uh

376

00:15:07,110 --> 00:15:05,760

she's telling me that she's hearing all

377

00:15:09,430 --> 00:15:07,120

kinds of stuff

378

00:15:11,110 --> 00:15:09,440

from people i mean from you know pilots

379

00:15:14,389 --> 00:15:11,120

and

380

00:15:17,030 --> 00:15:14,399

baggage people you know

381

00:15:18,470 --> 00:15:17,040

all kinds of different sightings and you

382

00:15:19,030 --> 00:15:18,480

know i'm trying to get her to come

383

00:15:23,670 --> 00:15:19,040

forward

384

00:15:26,870 --> 00:15:23,680

into before with pilots

385

00:15:29,030 --> 00:15:26,880

and other people um

386

00:15:31,590 --> 00:15:29,040

you know even the guy in the tower you

387

00:15:34,389 --> 00:15:31,600

know they all have security clearances

388

00:15:35,189 --> 00:15:34,399

and uh they're really hesitant to really

389

00:15:38,310 --> 00:15:35,199

come out and

390

00:15:39,350 --> 00:15:38,320

mention their engineering on the record

391

00:15:42,790 --> 00:15:39,360

so it's all got gonna be

392

00:15:44,069 --> 00:15:42,800

done anonymously but uh i i think she's

393

00:15:45,590 --> 00:15:44,079

got something to help us with

394

00:15:50,069 --> 00:15:45,600

of course i hope some of these other

395

00:15:52,550 --> 00:15:50,079

witnesses can help us out eventually

396

00:15:54,310 --> 00:15:52,560

oh yeah and as going back to what you're

397

00:15:55,509 --> 00:15:54,320

talking about with the porsche preserves

398

00:15:58,790 --> 00:15:55,519

um

399

00:16:01,590 --> 00:15:58,800

live

400

00:16:03,269 --> 00:16:01,600

maybe a couple blocks from one and

401  
00:16:06,710 --> 00:16:03,279  
that's gotta encompass at least

402  
00:16:07,350 --> 00:16:06,720  
a couple of hundred acres um rosemont

403  
00:16:10,470 --> 00:16:07,360  
has

404  
00:16:11,829 --> 00:16:10,480  
quite a lot of very extensive forest

405  
00:16:14,069 --> 00:16:11,839  
preserve area

406  
00:16:14,870 --> 00:16:14,079  
um and some of it can get pretty

407  
00:16:18,710 --> 00:16:14,880  
isolated

408  
00:16:20,470 --> 00:16:18,720  
um there's uh just to tell you how big

409  
00:16:22,310 --> 00:16:20,480  
some of them are my wife and my son

410  
00:16:24,230 --> 00:16:22,320  
recently we went to a place called bussy

411  
00:16:28,310 --> 00:16:24,240  
woods that's near schauburg

412  
00:16:31,509 --> 00:16:28,320  
and this place is literally a couple of

413  
00:16:34,470 --> 00:16:31,519

maybe three four thousand acres

414

00:16:36,470 --> 00:16:34,480

of forest preserve and they have bike

415

00:16:38,470 --> 00:16:36,480

trails and walking trails

416

00:16:40,629 --> 00:16:38,480

and some of these biking and walking

417

00:16:44,069 --> 00:16:40,639

trails can get really remote

418

00:16:47,670 --> 00:16:44,079

like where way deep inside the woods

419

00:16:49,030 --> 00:16:47,680

um and yeah there are a lot of

420

00:16:50,389 --> 00:16:49,040

you know reports you always hear you

421

00:16:51,590 --> 00:16:50,399

always find things if you know what

422

00:16:54,230 --> 00:16:51,600

you're looking for

423

00:16:57,030 --> 00:16:54,240

you know where people have done ritual

424

00:17:00,389 --> 00:16:57,040

or they left offerings out

425

00:17:01,030 --> 00:17:00,399

you know there is a chicago has a very

426

00:17:03,670 --> 00:17:01,040

very

427

00:17:04,870 --> 00:17:03,680

healthy and vibrant you know pagan

428

00:17:07,829 --> 00:17:04,880

population

429

00:17:09,270 --> 00:17:07,839

um and we're talking everything from

430

00:17:12,789 --> 00:17:09,280

voodoo to

431

00:17:16,230 --> 00:17:12,799

you know santeria to bruhidia um to

432

00:17:19,990 --> 00:17:16,240

many many many other eclectic forms of

433

00:17:22,470 --> 00:17:20,000

of paganism and a lot of people do use

434

00:17:24,789 --> 00:17:22,480

and you know make use of these woods to

435

00:17:27,429 --> 00:17:24,799

go out there and do their rituals and

436

00:17:28,309 --> 00:17:27,439

you know that's and we actually had a

437

00:17:30,230 --> 00:17:28,319

report i

438

00:17:32,230 --> 00:17:30,240

i know from one of the horse preserves

439

00:17:34,950 --> 00:17:32,240

that's what they were doing they were

440

00:17:35,430 --> 00:17:34,960

doing a wicked ritual and they saw this

441

00:17:39,590 --> 00:17:35,440

large

442

00:17:42,070 --> 00:17:39,600

mantis like uh entity um

443

00:17:43,990 --> 00:17:42,080

and the thing about it is my wife and my

444

00:17:44,870 --> 00:17:44,000

son and may have gone deer spot in that

445

00:17:47,350 --> 00:17:44,880

area

446

00:17:48,870 --> 00:17:47,360

quite often and you can get out there

447

00:17:51,750 --> 00:17:48,880

especially if the sun goes down

448

00:17:53,750 --> 00:17:51,760

you can get jet black dark you walk away

449

00:17:55,190 --> 00:17:53,760

from the path and you are

450

00:17:56,870 --> 00:17:55,200

you are not going to see anything in

451

00:17:58,710 --> 00:17:56,880

front of you so

452

00:18:01,190 --> 00:17:58,720

if anything really wanted to hide it

453

00:18:03,430 --> 00:18:01,200

could really easily do it without and

454

00:18:06,630 --> 00:18:03,440

just be within a stone's throw of people

455

00:18:12,630 --> 00:18:10,150

you know besides the o'hara area

456

00:18:13,750 --> 00:18:12,640

we've had um we've had some settings

457

00:18:17,029 --> 00:18:13,760

from other areas

458

00:18:18,630 --> 00:18:17,039

carroll stream illinois we had one down

459

00:18:20,470 --> 00:18:18,640

in schauburg you just mentioned

460

00:18:25,029 --> 00:18:20,480

schauburg

461

00:18:28,230 --> 00:18:25,039

uh schiller park which is in chicago

462

00:18:29,830 --> 00:18:28,240

we had one in waukegan which was

463

00:18:33,190 --> 00:18:29,840

described as a lacusa

464

00:18:34,470 --> 00:18:33,200

al man type thing so it's just not

465

00:18:37,430 --> 00:18:34,480

around the airport

466

00:18:38,470 --> 00:18:37,440

and i of course i think whalen uh tobias

467

00:18:41,669 --> 00:18:38,480

you had one

468

00:18:44,870 --> 00:18:41,679

recently as well you're working on

469

00:18:48,230 --> 00:18:44,880

um yeah you know i've had several that

470

00:18:49,430 --> 00:18:48,240

uh that i have come across recently i

471

00:18:52,710 --> 00:18:49,440

actually

472

00:18:53,590 --> 00:18:52,720

um had a couple well let's see one very

473

00:18:56,310 --> 00:18:53,600

recently

474

00:18:59,190 --> 00:18:56,320

in rockford but that actually took place

475

00:19:02,390 --> 00:18:59,200

i want to say back in 2016.

476

00:19:06,070 --> 00:19:02,400

um but also uh there have been

477

00:19:09,110 --> 00:19:06,080

two uh strange winged creature reports

478

00:19:11,510 --> 00:19:09,120

uh just very very recently uh in in

479

00:19:13,270 --> 00:19:11,520

august and october of this year in cape

480

00:19:16,310 --> 00:19:13,280

girardeau missouri

481

00:19:18,710 --> 00:19:16,320

and i haven't even had time to to

482

00:19:20,070 --> 00:19:18,720

get this latest one typed up emily and i

483

00:19:20,870 --> 00:19:20,080

are actually going out to the siding

484

00:19:23,830 --> 00:19:20,880

area

485

00:19:25,830 --> 00:19:23,840

right after this show but in oregon

486

00:19:27,190 --> 00:19:25,840

wisconsin which is only about 20 minutes

487

00:19:29,270 --> 00:19:27,200

away from us

488

00:19:30,950 --> 00:19:29,280

we we of course live in madison

489

00:19:32,870 --> 00:19:30,960

wisconsin uh

490

00:19:34,230 --> 00:19:32,880

i talked to these uh these two young

491

00:19:38,070 --> 00:19:34,240

women recently

492

00:19:41,830 --> 00:19:38,080

and they said that on the night

493

00:19:42,789 --> 00:19:41,840

of uh thanksgiving they were out driving

494

00:19:44,549 --> 00:19:42,799

around uh

495

00:19:46,470 --> 00:19:44,559

now for anybody not familiar with with

496

00:19:50,150 --> 00:19:46,480

the area uh oregon's it's

497

00:19:51,909 --> 00:19:50,160

it's a fairly small community uh and so

498

00:19:53,350 --> 00:19:51,919

you know for anybody who didn't grow up

499

00:19:55,909 --> 00:19:53,360

in a a small town

500

00:19:57,190 --> 00:19:55,919

in in wisconsin like like i did uh one

501  
00:19:58,870 --> 00:19:57,200  
of the few things that there are for

502  
00:20:01,110 --> 00:19:58,880  
teenagers to do and this is probably

503  
00:20:04,230 --> 00:20:01,120  
true in most small towns in the midwest

504  
00:20:04,870 --> 00:20:04,240  
um is you know you just you you go drive

505  
00:20:06,390 --> 00:20:04,880  
around

506  
00:20:07,990 --> 00:20:06,400  
you know frankly like you'll just drive

507  
00:20:08,870 --> 00:20:08,000  
around on country roads because there

508  
00:20:11,590 --> 00:20:08,880  
isn't a whole

509  
00:20:13,190 --> 00:20:11,600  
heck of a lot else else to to do and so

510  
00:20:14,310 --> 00:20:13,200  
these two young women were out driving

511  
00:20:17,830 --> 00:20:14,320  
around

512  
00:20:20,950 --> 00:20:17,840  
uh last week before last thursday

513  
00:20:23,350 --> 00:20:20,960

and uh they saw at first

514

00:20:26,149 --> 00:20:23,360

um as they were approaching this this

515

00:20:27,270 --> 00:20:26,159

intersection about 250 yards away they

516

00:20:30,870 --> 00:20:27,280

estimated

517

00:20:31,669 --> 00:20:30,880

they saw this huge uh eight to nine foot

518

00:20:35,590 --> 00:20:31,679

tall

519

00:20:36,390 --> 00:20:35,600

uh uh winged humanoid beings swoop

520

00:20:37,909 --> 00:20:36,400

across the

521

00:20:40,630 --> 00:20:37,919

the road in front of them they said it

522

00:20:42,470 --> 00:20:40,640

was partially illuminated by this lamp

523

00:20:43,830 --> 00:20:42,480

post that was nearby and they described

524

00:20:46,870 --> 00:20:43,840

it as

525

00:20:49,029 --> 00:20:46,880

as being rather bulky actually like

526

00:20:50,870 --> 00:20:49,039

uh they they described it specifically

527

00:20:53,110 --> 00:20:50,880

as as having the sort of

528

00:20:55,190 --> 00:20:53,120

physique you would expect out of uh out

529

00:20:58,310 --> 00:20:55,200

of a bigfoot actually

530

00:21:02,149 --> 00:20:58,320

so um that of course is reminiscent

531

00:21:05,190 --> 00:21:02,159

of the uh woodstock sightings um

532

00:21:08,390 --> 00:21:05,200

that were honestly some of the the best

533

00:21:09,190 --> 00:21:08,400

uh uh most uh credible sightings that

534

00:21:12,470 --> 00:21:09,200

that that we've

535

00:21:14,390 --> 00:21:12,480

received so far um and so they they

536

00:21:14,789 --> 00:21:14,400

describe the the wingspan as saying is

537

00:21:17,350 --> 00:21:14,799

you know

538

00:21:19,190 --> 00:21:17,360

in the the relatively normal range for

539

00:21:22,549 --> 00:21:19,200

what we normally get so between

540

00:21:24,390 --> 00:21:22,559

10 and 15 feet or so and uh the the

541

00:21:26,230 --> 00:21:24,400

the first sighting of it for them was

542

00:21:27,990 --> 00:21:26,240

relatively quick like i said they they

543

00:21:31,669 --> 00:21:28,000

saw it you know swoop

544

00:21:33,590 --> 00:21:31,679

across the road and then you know they

545

00:21:34,870 --> 00:21:33,600

kind of sped out of there and decided

546

00:21:36,310 --> 00:21:34,880

you know they were still going to go out

547

00:21:38,149 --> 00:21:36,320

driving around they were

548

00:21:41,350 --> 00:21:38,159

frightened at first but i think that

549

00:21:44,630 --> 00:21:41,360

fear uh eventually sort of turned into

550

00:21:46,470 --> 00:21:44,640

uh sort of excitement you know uh

551  
00:21:48,149 --> 00:21:46,480  
they're they're they're 18 years old and

552  
00:21:49,110 --> 00:21:48,159  
so you have to remember you know what it

553  
00:21:52,070 --> 00:21:49,120  
was like to

554  
00:21:52,789 --> 00:21:52,080  
to be a teenager and uh and fear could

555  
00:21:55,510 --> 00:21:52,799  
turn to

556  
00:21:57,190 --> 00:21:55,520  
uh excitement at that age uh pretty

557  
00:21:58,310 --> 00:21:57,200  
pretty quickly and so

558  
00:22:00,710 --> 00:21:58,320  
they decided they were going to keep

559  
00:22:02,950 --> 00:22:00,720  
driving around and go back to this spot

560  
00:22:05,110 --> 00:22:02,960  
a few times just to see if if they saw

561  
00:22:08,630 --> 00:22:05,120  
anything else and so

562  
00:22:09,590 --> 00:22:08,640  
as they were going back again the uh the

563  
00:22:12,870 --> 00:22:09,600

the passenger

564

00:22:15,190 --> 00:22:12,880

in in the uh the vehicle she said that

565

00:22:17,350 --> 00:22:15,200

she had looked over into this field and

566

00:22:19,029 --> 00:22:17,360

she saw the huge figure standing in the

567

00:22:21,830 --> 00:22:19,039

field and at that point she said that

568

00:22:23,750 --> 00:22:21,840

she saw these these glowing red eyes

569

00:22:25,510 --> 00:22:23,760

um you know of course i asked him if

570

00:22:25,830 --> 00:22:25,520

anything else strange had been happening

571

00:22:28,149 --> 00:22:25,840

that

572

00:22:29,590 --> 00:22:28,159

evening you know if there was any sort

573

00:22:32,470 --> 00:22:29,600

of uh associated

574

00:22:33,270 --> 00:22:32,480

unusual phenomenon they they described

575

00:22:36,549 --> 00:22:33,280

how

576

00:22:39,669 --> 00:22:36,559

the radio in the the car

577

00:22:39,990 --> 00:22:39,679

um their words i believe exactly were

578

00:22:42,310 --> 00:22:40,000

that

579

00:22:43,029 --> 00:22:42,320

it would glitch every time they they

580

00:22:46,390 --> 00:22:43,039

went past

581

00:22:48,470 --> 00:22:46,400

this this uh area and you know i i

582

00:22:52,549 --> 00:22:48,480

of course asked them a little bit more

583

00:22:54,789 --> 00:22:52,559

uh about that to try to get them to

584

00:22:56,630 --> 00:22:54,799

explain it further and and and they said

585

00:22:58,070 --> 00:22:56,640

that basically what would happen is when

586

00:22:59,590 --> 00:22:58,080

they would drive past this area the

587

00:22:59,990 --> 00:22:59,600

radio would get very staticky and then

588

00:23:02,470 --> 00:23:00,000

it would

589

00:23:04,070 --> 00:23:02,480

you know play multiple radio stations so

590

00:23:06,630 --> 00:23:04,080

you know uh they were listening to one

591

00:23:08,310 --> 00:23:06,640

station in like the 80s or something and

592

00:23:10,470 --> 00:23:08,320

it was playing uh it would play

593

00:23:12,950 --> 00:23:10,480

simultaneously another station all the

594

00:23:16,149 --> 00:23:12,960

way across the dial in like the hundreds

595

00:23:17,430 --> 00:23:16,159

um and they would drive past this area

596

00:23:20,630 --> 00:23:17,440

and then they also

597

00:23:21,830 --> 00:23:20,640

reported seeing uh a large number of

598

00:23:24,149 --> 00:23:21,840

deer

599

00:23:25,990 --> 00:23:24,159

so running in the direction away from

600

00:23:27,029 --> 00:23:26,000

that area throughout the evening as well

601  
00:23:30,230 --> 00:23:27,039  
so

602  
00:23:32,230 --> 00:23:30,240  
um it's an interesting report

603  
00:23:34,390 --> 00:23:32,240  
uh you know having spoken to both of

604  
00:23:37,029 --> 00:23:34,400  
them directly

605  
00:23:38,789 --> 00:23:37,039  
they seem they seem credible uh you know

606  
00:23:39,350 --> 00:23:38,799  
they they both seem like fine young

607  
00:23:42,310 --> 00:23:39,360  
women

608  
00:23:44,070 --> 00:23:42,320  
um and so uh you know i'm excited to go

609  
00:23:46,149 --> 00:23:44,080  
out there and check it out and

610  
00:23:48,470 --> 00:23:46,159  
sort of verify all of the the details

611  
00:23:50,070 --> 00:23:48,480  
that i i can and we'll we'll have our

612  
00:23:52,149 --> 00:23:50,080  
our cameras on us in case anything

613  
00:23:54,230 --> 00:23:52,159

happens you never know

614

00:23:56,549 --> 00:23:54,240

it's good yeah that sounds interesting i

615

00:23:58,149 --> 00:23:56,559

mean you know

616

00:23:59,750 --> 00:23:58,159

you almost got to check everything out

617

00:24:03,110 --> 00:23:59,760

now i mean you know we never

618

00:24:05,190 --> 00:24:03,120

really know when any type of report

619

00:24:06,950 --> 00:24:05,200

it you know in the whole you know the

620

00:24:08,630 --> 00:24:06,960

whole region

621

00:24:10,549 --> 00:24:08,640

is going to be connected to whatever

622

00:24:14,870 --> 00:24:10,559

we've been investigating you know it's

623

00:24:17,750 --> 00:24:14,880

um you know this whole investigation has

624

00:24:17,990 --> 00:24:17,760

just been so bizarre you know it's funny

625

00:24:30,470 --> 00:24:18,000

i

626  
00:24:33,190 --> 00:24:30,480  
park

627  
00:24:34,149 --> 00:24:33,200  
where that woman walked up into the uh

628  
00:24:37,350 --> 00:24:34,159  
at the playground

629  
00:24:40,390 --> 00:24:37,360  
and to that standing uh

630  
00:24:42,390 --> 00:24:40,400  
winged humanoid and you know she had the

631  
00:24:44,070 --> 00:24:42,400  
reaction where she got weak and had to

632  
00:24:46,230 --> 00:24:44,080  
go sit down and

633  
00:24:48,070 --> 00:24:46,240  
you know then got back to her house and

634  
00:24:50,149 --> 00:24:48,080  
her son or her

635  
00:24:52,149 --> 00:24:50,159  
went back out and this thing jumped out

636  
00:24:54,390 --> 00:24:52,159  
of the bushes at her

637  
00:24:56,149 --> 00:24:54,400  
at them in the car and they came back

638  
00:24:59,590 --> 00:24:56,159

and called me

639

00:25:01,190 --> 00:24:59,600

but uh you know of course that was that

640

00:25:03,430 --> 00:25:01,200

was strange in itself you know

641

00:25:05,029 --> 00:25:03,440

some of the reactions especially early

642

00:25:06,630 --> 00:25:05,039

on with the people that are having with

643

00:25:09,669 --> 00:25:06,640

these things now

644

00:25:10,149 --> 00:25:09,679

i i don't know if that's really been the

645

00:25:13,750 --> 00:25:10,159

case

646

00:25:15,909 --> 00:25:13,760

lately i don't know if any of the

647

00:25:19,190 --> 00:25:15,919

witnesses that we have had in

648

00:25:22,310 --> 00:25:19,200

the past years coming out of the um

649

00:25:25,590 --> 00:25:22,320

airport have had any

650

00:25:30,549 --> 00:25:25,600

real physical reactions to these things

651  
00:25:37,350 --> 00:25:34,789  
um not really i mean

652  
00:25:39,110 --> 00:25:37,360  
this last sighting they the gentleman

653  
00:25:40,630 --> 00:25:39,120  
said i asked you know did you feel

654  
00:25:42,470 --> 00:25:40,640  
anything you know did you

655  
00:25:44,549 --> 00:25:42,480  
you know feel any kind of like fear

656  
00:25:47,990 --> 00:25:44,559  
dread anything like that

657  
00:25:50,870 --> 00:25:48,000  
um he said no i mean

658  
00:25:52,070 --> 00:25:50,880  
the lady from the usps facility of

659  
00:25:53,909 --> 00:25:52,080  
course yeah

660  
00:25:55,190 --> 00:25:53,919  
i can understand her that thing took off

661  
00:25:57,590 --> 00:25:55,200  
straight for her

662  
00:25:58,310 --> 00:25:57,600  
um i would be screaming ducking into my

663  
00:26:00,710 --> 00:25:58,320

car and

664

00:26:02,549 --> 00:26:00,720

going hysterical at that point as well

665

00:26:05,590 --> 00:26:02,559

um

666

00:26:06,789 --> 00:26:05,600

but most of the time no i mean the

667

00:26:08,470 --> 00:26:06,799

people in the

668

00:26:09,990 --> 00:26:08,480

in the woods yeah of course i mean

669

00:26:11,669 --> 00:26:10,000

you're seeing something

670

00:26:13,510 --> 00:26:11,679

staring back at you that's seven foot

671

00:26:14,470 --> 00:26:13,520

tall and you know looks like a giant

672

00:26:18,070 --> 00:26:14,480

praying mantis

673

00:26:21,590 --> 00:26:18,080

uh i would be scared too um

674

00:26:23,669 --> 00:26:21,600

but as far as feeling anything dread or

675

00:26:27,190 --> 00:26:23,679

anything like that i would really

676  
00:26:28,230 --> 00:26:27,200  
associated nothing really the gentleman

677  
00:26:29,990 --> 00:26:28,240  
who uh

678  
00:26:31,909 --> 00:26:30,000  
the group of gentlemen who saw the uh

679  
00:26:34,789 --> 00:26:31,919  
the one in versailles

680  
00:26:35,669 --> 00:26:34,799  
the uh while they were fishing they did

681  
00:26:38,630 --> 00:26:35,679  
state that

682  
00:26:39,669 --> 00:26:38,640  
you know for a while you know there were

683  
00:26:43,430 --> 00:26:39,679  
no birds singing

684  
00:26:46,310 --> 00:26:43,440  
there's no bird no activity no no

685  
00:26:46,870 --> 00:26:46,320  
surrounding you know sound of anything

686  
00:26:49,190 --> 00:26:46,880  
and

687  
00:26:50,390 --> 00:26:49,200  
that area itself is it's pretty teeming

688  
00:26:53,510 --> 00:26:50,400

when it comes to

689

00:26:56,149 --> 00:26:53,520

wildlife um the

690

00:26:57,190 --> 00:26:56,159

that pond that whole lake area right

691

00:27:00,630 --> 00:26:57,200

there is

692

00:27:03,510 --> 00:27:00,640

is well known for having lots of birds

693

00:27:05,029 --> 00:27:03,520

and lots of uh wildlife you know in

694

00:27:06,789 --> 00:27:05,039

there and in that area that's why it's

695

00:27:08,390 --> 00:27:06,799

such a good fishing spot that people

696

00:27:11,669 --> 00:27:08,400

flock to

697

00:27:12,470 --> 00:27:11,679

but as far as you know feelings of dread

698

00:27:15,350 --> 00:27:12,480

i like to

699

00:27:17,029 --> 00:27:15,360

be kind of like to what people would

700

00:27:19,029 --> 00:27:17,039

experience in point pleasant

701  
00:27:21,669 --> 00:27:19,039  
i really haven't gotten really anything

702  
00:27:23,909 --> 00:27:21,679  
that that people saying that they have

703  
00:27:26,070 --> 00:27:23,919  
uh felt other than just you know being

704  
00:27:28,870 --> 00:27:26,080  
scared

705  
00:27:30,470 --> 00:27:28,880  
um like i'm just going through the the

706  
00:27:32,870 --> 00:27:30,480  
timeline real quick while we're

707  
00:27:34,070 --> 00:27:32,880  
while we're talking and see a couple

708  
00:27:37,669 --> 00:27:34,080  
things stood out

709  
00:27:39,190 --> 00:27:37,679  
uh just from the the o'hare um

710  
00:27:41,669 --> 00:27:39,200  
sightings like those those three snow

711  
00:27:44,950 --> 00:27:41,679  
hair settings we had the

712  
00:27:46,149 --> 00:27:44,960  
uh let's see the june 30th uh the two

713  
00:27:48,470 --> 00:27:46,159

women

714

00:27:50,070 --> 00:27:48,480

who said that they encountered a huge

715

00:27:52,630 --> 00:27:50,080

owl with glowing red eyes it looked like

716

00:27:56,470 --> 00:27:52,640

they belonged to the devil himself

717

00:27:59,830 --> 00:27:56,480

um they seem to have a pretty

718

00:28:02,310 --> 00:27:59,840

pretty violent reaction um

719

00:28:03,990 --> 00:28:02,320

you know as far as as screaming and then

720

00:28:08,070 --> 00:28:04,000

describing this thing as

721

00:28:10,070 --> 00:28:08,080

as as you know you know being

722

00:28:12,389 --> 00:28:10,080

not necessarily demonic but using you

723

00:28:13,269 --> 00:28:12,399

know uh comparing it to the devil or

724

00:28:16,950 --> 00:28:13,279

whatever

725

00:28:20,070 --> 00:28:16,960

um and then that cargo

726

00:28:23,110 --> 00:28:20,080

employee that i mentioned before daniel

727

00:28:27,350 --> 00:28:23,120

now when i spoke to him

728

00:28:30,310 --> 00:28:27,360

he had a fairly strong reaction

729

00:28:31,750 --> 00:28:30,320

as well you know he he immediately sort

730

00:28:33,909 --> 00:28:31,760

of thought he was going crazy because he

731

00:28:36,070 --> 00:28:33,919

couldn't believe what he was seeing

732

00:28:37,350 --> 00:28:36,080

um you know and he described how he

733

00:28:39,990 --> 00:28:37,360

freaked out

734

00:28:40,630 --> 00:28:40,000

but and this is something that i've seen

735

00:28:50,870 --> 00:28:40,640

a

736

00:28:51,190 --> 00:28:50,880

uh level of objectivity or if you know

737

00:28:54,230 --> 00:28:51,200

this

738

00:28:56,710 --> 00:28:54,240

is purely uh uh uh

739

00:28:58,070 --> 00:28:56,720

some sort of you know cultural uh

740

00:29:00,870 --> 00:28:58,080

reaction to the the

741

00:29:02,549 --> 00:29:00,880

sighting but you know he he said that

742

00:29:05,190 --> 00:29:02,559

this thing that he saw

743

00:29:06,549 --> 00:29:05,200

it felt really evil and you know that's

744

00:29:08,630 --> 00:29:06,559

that's come through

745

00:29:10,950 --> 00:29:08,640

at least a few times you know i talked

746

00:29:13,990 --> 00:29:10,960

to a witness recently

747

00:29:16,310 --> 00:29:14,000

who uh he had his sighting uh uh

748

00:29:18,310 --> 00:29:16,320

jonathan lane in in rockford illinois he

749

00:29:21,110 --> 00:29:18,320

was willing to go on the record

750

00:29:23,750 --> 00:29:21,120

and um you know when he had his siding

751  
00:29:27,350 --> 00:29:23,760  
back in in 2016

752  
00:29:30,310 --> 00:29:27,360  
you know he had a very sort of

753  
00:29:31,350 --> 00:29:30,320  
you know violent reaction to to whatever

754  
00:29:33,830 --> 00:29:31,360  
he had seen

755  
00:29:35,269 --> 00:29:33,840  
and you know speaking to him directly uh

756  
00:29:38,950 --> 00:29:35,279  
just earlier this year

757  
00:29:42,070 --> 00:29:38,960  
i could tell what kind of um effect that

758  
00:29:44,070 --> 00:29:42,080  
this had had had on him um

759  
00:29:45,909 --> 00:29:44,080  
because when he saw this thing outside

760  
00:29:48,630 --> 00:29:45,919  
of his home and he described it as

761  
00:29:50,070 --> 00:29:48,640  
uh this black winged entity with these

762  
00:29:52,950 --> 00:29:50,080  
glowing red eyes

763  
00:29:53,990 --> 00:29:52,960

uh you know he just he immediately fled

764

00:29:56,470 --> 00:29:54,000

like he he just

765

00:29:58,549 --> 00:29:56,480

ran as fast as he as he could you know

766

00:30:02,149 --> 00:29:58,559

into into his house

767

00:30:02,870 --> 00:30:02,159

um and so there there is some of that

768

00:30:04,789 --> 00:30:02,880

but you know i

769

00:30:06,149 --> 00:30:04,799

i've talked to witnesses relatively

770

00:30:09,510 --> 00:30:06,159

recently too

771

00:30:09,750 --> 00:30:09,520

who who don't describe that um you know

772

00:30:17,590 --> 00:30:09,760

i

773

00:30:19,190 --> 00:30:17,600

past october

774

00:30:21,190 --> 00:30:19,200

and um you know she didn't really

775

00:30:23,909 --> 00:30:21,200

describe that that

776

00:30:24,950 --> 00:30:23,919

kind of overpowering fear that that

777

00:30:27,430 --> 00:30:24,960

fight or flight

778

00:30:28,630 --> 00:30:27,440

you know um this thing feels evil i have

779

00:30:31,909 --> 00:30:28,640

to get the hell out of here

780

00:30:33,029 --> 00:30:31,919

kind of fear um you know for her it was

781

00:30:35,269 --> 00:30:33,039

more

782

00:30:36,710 --> 00:30:35,279

uh just being shocked you know just kind

783

00:30:40,149 --> 00:30:36,720

of being in off

784

00:30:43,269 --> 00:30:40,159

for a a moment having seen this

785

00:30:45,590 --> 00:30:43,279

seemingly impossible being so um

786

00:30:46,389 --> 00:30:45,600

yeah i i think we get a pretty a pretty

787

00:30:49,430 --> 00:30:46,399

good mix

788

00:30:53,269 --> 00:30:49,440

but um there's always that element

789

00:30:54,630 --> 00:30:53,279

of of at least a a percentage

790

00:30:56,389 --> 00:30:54,640

of these sightings too big of a

791

00:30:59,590 --> 00:30:56,399

percentage to ignore in

792

00:31:00,710 --> 00:30:59,600

in my personal opinion that uh that

793

00:31:04,070 --> 00:31:00,720

describe either

794

00:31:06,230 --> 00:31:04,080

this sense of of evil or or this this

795

00:31:07,590 --> 00:31:06,240

panicked sort of fear where they feel

796

00:31:13,269 --> 00:31:07,600

like they have to just

797

00:31:15,909 --> 00:31:13,279

run away yeah you know um

798

00:31:18,310 --> 00:31:15,919

you know of course we've all heard these

799

00:31:19,750 --> 00:31:18,320

accounts with other cryptids especially

800

00:31:23,590 --> 00:31:19,760

with bigfoot

801  
00:31:25,909 --> 00:31:23,600  
where you know the witness would say

802  
00:31:26,870 --> 00:31:25,919  
that they had these physical feelings

803  
00:31:29,750 --> 00:31:26,880  
like you know

804  
00:31:30,789 --> 00:31:29,760  
weakness or maybe dread or something

805  
00:31:34,310 --> 00:31:30,799  
like that

806  
00:31:37,350 --> 00:31:34,320  
and that it realized that this thing

807  
00:31:39,909 --> 00:31:37,360  
was you know watching their reaction and

808  
00:31:42,710 --> 00:31:39,919  
reacting to that reaction

809  
00:31:44,870 --> 00:31:42,720  
uh you know that that's why i was asking

810  
00:31:47,990 --> 00:31:44,880  
about more recently if

811  
00:31:50,630 --> 00:31:48,000  
people have been expressing that over by

812  
00:31:53,269 --> 00:31:50,640  
the airport that you know i don't know

813  
00:31:53,750 --> 00:31:53,279

i i guess because of being such an open

814

00:31:55,830 --> 00:31:53,760

space

815

00:31:58,789 --> 00:31:55,840

maybe that has something to do with it

816

00:32:00,950 --> 00:31:58,799

as opposed to being in a closed space or

817

00:32:03,509 --> 00:32:00,960

you know nothing else going no activity

818

00:32:07,190 --> 00:32:03,519

around the person

819

00:32:09,830 --> 00:32:07,200

i don't know go ahead you had the uh

820

00:32:11,430 --> 00:32:09,840

i mean obviously the the one at the

821

00:32:14,630 --> 00:32:11,440

sorting facility the usps

822

00:32:17,190 --> 00:32:14,640

sorting facility and she was maybe

823

00:32:18,950 --> 00:32:17,200

20 feet and this thing closed the

824

00:32:19,509 --> 00:32:18,960

distance to her within 10 feet and

825

00:32:22,630 --> 00:32:19,519

before you

826

00:32:24,310 --> 00:32:22,640

hop into the air i mean obviously

827

00:32:25,350 --> 00:32:24,320

she's going to have a reaction she's in

828

00:32:27,110 --> 00:32:25,360

the middle of a parking lot in the

829

00:32:29,990 --> 00:32:27,120

middle of the night and

830

00:32:31,269 --> 00:32:30,000

this thing's running for you um i would

831

00:32:33,909 --> 00:32:31,279

be

832

00:32:35,509 --> 00:32:33,919

you know screaming probably too i'd

833

00:32:37,509 --> 00:32:35,519

probably scream like a girl

834

00:32:38,549 --> 00:32:37,519

uh-huh i mean at the top of my lungs to

835

00:32:40,950 --> 00:32:38,559

get out of there

836

00:32:42,470 --> 00:32:40,960

and then you had the uh the group in

837

00:32:45,830 --> 00:32:42,480

waukegan

838

00:32:46,470 --> 00:32:45,840

on halloween night um the thing was with

839

00:32:50,070 --> 00:32:46,480

that

840

00:32:51,430 --> 00:32:50,080

prank

841

00:32:53,110 --> 00:32:51,440

they thought somebody was playing around

842

00:32:55,909 --> 00:32:53,120

with a mask with uh

843

00:32:58,470 --> 00:32:55,919

battery-operated light-up eyes and they

844

00:33:00,230 --> 00:32:58,480

got within i believe five feet

845

00:33:02,230 --> 00:33:00,240

of this thing before it took off into

846

00:33:04,789 --> 00:33:02,240

the air and they took off

847

00:33:06,310 --> 00:33:04,799

um they were running and screaming to

848

00:33:07,509 --> 00:33:06,320

their friends and

849

00:33:09,350 --> 00:33:07,519

you know their friends obviously didn't

850

00:33:10,470 --> 00:33:09,360

believe them i think the quote was get

851

00:33:13,509 --> 00:33:10,480

off the drugs but

852

00:33:16,950 --> 00:33:13,519

uh you know they got within

853

00:33:19,669 --> 00:33:16,960

you know a stone's throw of this thing

854

00:33:21,029 --> 00:33:19,679

before it took off on them and it

855

00:33:23,350 --> 00:33:21,039

solicited yeah i mean

856

00:33:24,389 --> 00:33:23,360

it's a it's you know basic human enzyme

857

00:33:28,149 --> 00:33:24,399

it's a fight-or-flight

858

00:33:29,110 --> 00:33:28,159

um instinct um the one with the ladies

859

00:33:32,630 --> 00:33:29,120

again at the

860

00:33:34,549 --> 00:33:32,640

o'hare sorting facility you know

861

00:33:35,909 --> 00:33:34,559

they yeah they described it as demonic

862

00:33:37,750 --> 00:33:35,919

but i mean

863

00:33:39,750 --> 00:33:37,760

in speaking with those witnesses you

864

00:33:42,630 --> 00:33:39,760

know they were both very religious

865

00:33:44,070 --> 00:33:42,640

uh individuals and they both you know

866

00:33:46,470 --> 00:33:44,080

grew up in the church

867

00:33:48,310 --> 00:33:46,480

so that was basically you know that's a

868

00:33:49,830 --> 00:33:48,320

fallback for them to be able to say hey

869

00:33:50,830 --> 00:33:49,840

you know it was the devil himself you

870

00:33:53,669 --> 00:33:50,840

know

871

00:33:57,590 --> 00:33:53,679

um same kind of thing with the uh

872

00:33:59,110 --> 00:33:57,600

the ladies in schiller park i mean uh

873

00:34:00,789 --> 00:33:59,120

the one lady telling the daughter you

874

00:34:02,070 --> 00:34:00,799

know it's it's it's a demon

875

00:34:03,590 --> 00:34:02,080

you know and she started praying the

876  
00:34:04,830 --> 00:34:03,600  
rosary trying to you know make it go

877  
00:34:08,149 --> 00:34:04,840  
away

878  
00:34:08,710 --> 00:34:08,159  
um a lot of these i would say are just

879  
00:34:12,149 --> 00:34:08,720  
basic

880  
00:34:13,270 --> 00:34:12,159  
human you know emotions you know i see

881  
00:34:15,190 --> 00:34:13,280  
something that i don't

882  
00:34:17,349 --> 00:34:15,200  
understand or something that doesn't

883  
00:34:20,470 --> 00:34:17,359  
that appears threatening to me

884  
00:34:22,230 --> 00:34:20,480  
um you know my first thing is the first

885  
00:34:23,750 --> 00:34:22,240  
instinct that's going to happen and

886  
00:34:25,430 --> 00:34:23,760  
you really can't even control it's the

887  
00:34:27,349 --> 00:34:25,440  
fight-or-flight instinct

888  
00:34:28,710 --> 00:34:27,359

and you know you're thinking about

889

00:34:30,710 --> 00:34:28,720

self-preservation

890

00:34:31,750 --> 00:34:30,720

at this point or you know but defending

891

00:34:34,389 --> 00:34:31,760

your family

892

00:34:34,869 --> 00:34:34,399

um and it's going to solicit that kind

893

00:34:37,909 --> 00:34:34,879

of

894

00:34:39,990 --> 00:34:37,919

response now

895

00:34:42,629 --> 00:34:40,000

uh the folks in the chat if you have a

896

00:34:46,629 --> 00:34:42,639

question don't hesitate to go ahead and

897

00:34:48,230 --> 00:34:46,639

type it out i'll um see we can answer we

898

00:34:50,950 --> 00:34:48,240

got one here

899

00:34:52,430 --> 00:34:50,960

uh do you think these wing cryptids are

900

00:34:54,869 --> 00:34:52,440

going through

901  
00:34:56,389 --> 00:34:54,879  
metamorphosis and changing or

902  
00:34:58,630 --> 00:34:56,399  
shape-shifting

903  
00:34:59,829 --> 00:34:58,640  
you know i think we've talked about that

904  
00:35:03,109 --> 00:34:59,839  
um

905  
00:35:05,030 --> 00:35:03,119  
previously or among ourselves

906  
00:35:09,030 --> 00:35:05,040  
uh what do you guys think about that

907  
00:35:13,030 --> 00:35:11,670  
oh oh i'm sorry i was i was looking at

908  
00:35:19,030 --> 00:35:13,040  
at some of these comments

909  
00:35:23,030 --> 00:35:21,589  
yeah he's got uh do you think these

910  
00:35:24,470 --> 00:35:23,040  
winged cryptids are going through

911  
00:35:27,510 --> 00:35:24,480  
metamorphosis

912  
00:35:31,030 --> 00:35:27,520  
and changing our shape-shifting

913  
00:35:35,030 --> 00:35:31,040

huh interesting um

914

00:35:35,990 --> 00:35:35,040

you know i haven't seen anything to make

915

00:35:38,790 --> 00:35:36,000

me believe

916

00:35:40,069 --> 00:35:38,800

that that's the case uh now certainly

917

00:35:43,270 --> 00:35:40,079

there has been

918

00:35:45,750 --> 00:35:43,280

a wide variety of of descriptions

919

00:35:46,550 --> 00:35:45,760

throughout this investigation for you

920

00:35:49,910 --> 00:35:46,560

know these the

921

00:35:53,430 --> 00:35:49,920

the uh various uh uh winged humanoids

922

00:35:57,190 --> 00:35:53,440

um but as far as i know

923

00:36:01,109 --> 00:35:57,200

uh nobody so far has described

924

00:36:05,430 --> 00:36:01,119

um one as as

925

00:36:06,710 --> 00:36:05,440

shape-shifting when when they saw it uh

926  
00:36:10,710 --> 00:36:06,720  
you know although i don't really want to

927  
00:36:12,710 --> 00:36:10,720  
misspeak about that i seem to remember

928  
00:36:14,710 --> 00:36:12,720  
there may have been a very very early

929  
00:36:16,310 --> 00:36:14,720  
report where somebody may have described

930  
00:36:19,829 --> 00:36:16,320  
something similar like that

931  
00:36:23,750 --> 00:36:19,839  
uh so i guess my answer to that is

932  
00:36:26,069 --> 00:36:23,760  
um i don't i don't personally think so

933  
00:36:26,950 --> 00:36:26,079  
given the uh the evidence that we

934  
00:36:30,630 --> 00:36:26,960  
currently have

935  
00:36:33,270 --> 00:36:30,640  
um i think it's possible but

936  
00:36:37,030 --> 00:36:33,280  
um nothing is is really pointing me in

937  
00:36:40,069 --> 00:36:39,430  
you know i haven't really noticed that

938  
00:36:42,870 --> 00:36:40,079

as well

939

00:36:44,390 --> 00:36:42,880

um you know sometimes when people

940

00:36:47,430 --> 00:36:44,400

describe these things

941

00:36:51,270 --> 00:36:47,440

they um they do

942

00:36:54,630 --> 00:36:51,280

seem to change

943

00:36:57,670 --> 00:36:54,640

in subtle ways like the one over by

944

00:37:00,790 --> 00:36:57,680

the lakeshore drive that was uh

945

00:37:03,829 --> 00:37:00,800

hovering in front of the couple and it

946

00:37:05,349 --> 00:37:03,839

kind of started vibrating on them but

947

00:37:06,950 --> 00:37:05,359

you know it really didn't show many

948

00:37:08,870 --> 00:37:06,960

changes and of course when we first

949

00:37:11,270 --> 00:37:08,880

started getting these reports

950

00:37:12,230 --> 00:37:11,280

the earlier the earlier reports were

951  
00:37:15,430 --> 00:37:12,240  
like that of

952  
00:37:18,390 --> 00:37:15,440  
the sector mothman then it kind of got

953  
00:37:21,510 --> 00:37:18,400  
went to the uh the alman type thing

954  
00:37:24,470 --> 00:37:21,520  
something with feathers and it changed

955  
00:37:25,109 --> 00:37:24,480  
to what we get now most of the time is

956  
00:37:28,470 --> 00:37:25,119  
which the

957  
00:37:31,910 --> 00:37:28,480  
the winged the batwing dark gargle

958  
00:37:33,430 --> 00:37:31,920  
style wing creature now i don't know if

959  
00:37:36,950 --> 00:37:33,440  
these things have

960  
00:37:38,550 --> 00:37:36,960  
are metamorphosized or they're just

961  
00:37:40,630 --> 00:37:38,560  
different ones out there i believe

962  
00:37:44,390 --> 00:37:40,640  
they're different ones out there just by

963  
00:37:48,310 --> 00:37:44,400

maybe the locations and uh

964

00:37:50,390 --> 00:37:48,320

you know some of the subtle differences

965

00:37:51,430 --> 00:37:50,400

in these things now of course we don't

966

00:37:53,990 --> 00:37:51,440

know if they're

967

00:37:54,550 --> 00:37:54,000

indigenous but we kind of believe and i

968

00:37:56,790 --> 00:37:54,560

think mo

969

00:37:58,630 --> 00:37:56,800

you guys kind of believe that there's

970

00:38:00,550 --> 00:37:58,640

some way they're coming in and out some

971

00:38:02,790 --> 00:38:00,560

way because we've had people

972

00:38:04,950 --> 00:38:02,800

describe to us that they've seen them

973

00:38:08,230 --> 00:38:04,960

simply vanish

974

00:38:11,270 --> 00:38:08,240

or they just pop up somewhere they know

975

00:38:12,390 --> 00:38:11,280

um you know the fleeting settings for

976  
00:38:17,349 --> 00:38:12,400  
the most part

977  
00:38:21,349 --> 00:38:19,109  
here we got another here we got another

978  
00:38:24,470 --> 00:38:21,359  
one uh do you distinguish

979  
00:38:26,870 --> 00:38:24,480  
a moth man or flying humanoid sighting

980  
00:38:29,430 --> 00:38:26,880  
from a misidentification of an animal

981  
00:38:30,950 --> 00:38:29,440  
drone or other logical explanation

982  
00:38:32,470 --> 00:38:30,960  
well this is something we look to for

983  
00:38:35,030 --> 00:38:32,480  
the very beginning

984  
00:38:36,310 --> 00:38:35,040  
man well why don't you handle that one

985  
00:38:39,349 --> 00:38:36,320  
well as

986  
00:38:39,750 --> 00:38:39,359  
we do make you know every effort to try

987  
00:38:42,790 --> 00:38:39,760  
to

988  
00:38:44,069 --> 00:38:42,800

you know come up with um you know with a

989

00:38:46,470 --> 00:38:44,079

logical explanation

990

00:38:49,030 --> 00:38:46,480

tobias would you know agree you know you

991

00:38:51,750 --> 00:38:49,040

want to change it from a ufo to an ifo

992

00:38:53,030 --> 00:38:51,760

uh you know it's basic 10 years of

993

00:38:56,230 --> 00:38:53,040

investigation

994

00:38:58,069 --> 00:38:56,240

but sometimes you can't i mean

995

00:38:59,750 --> 00:38:58,079

yes you have animals around here that

996

00:39:01,270 --> 00:38:59,760

can be misidentified

997

00:39:02,870 --> 00:39:01,280

you know if someone doesn't know what

998

00:39:05,510 --> 00:39:02,880

they're looking for or

999

00:39:05,910 --> 00:39:05,520

in the middle of the night but when

1000

00:39:07,190 --> 00:39:05,920

you're

1001

00:39:09,750 --> 00:39:07,200

talking about creatures that are

1002

00:39:13,270 --> 00:39:09,760

standing seven eight nine foot tall

1003

00:39:14,550 --> 00:39:13,280

um i you know it's kind of hard to i

1004

00:39:17,589 --> 00:39:14,560

mean you have some large

1005

00:39:20,150 --> 00:39:17,599

animals here like sand hill cranes uh

1006

00:39:21,190 --> 00:39:20,160

herons can get pretty large but they're

1007

00:39:24,390 --> 00:39:21,200

not that

1008

00:39:26,310 --> 00:39:24,400

large um and you can tell uh

1009

00:39:28,230 --> 00:39:26,320

if you see them in flight i can i see

1010

00:39:30,069 --> 00:39:28,240

them all the time

1011

00:39:31,270 --> 00:39:30,079

along with like canadian geese they're

1012

00:39:34,950 --> 00:39:31,280

everywhere right now

1013

00:39:35,829 --> 00:39:34,960

um so you see them you can tell what

1014

00:39:38,069 --> 00:39:35,839

they are

1015

00:39:39,430 --> 00:39:38,079

um some of these people are seeing them

1016

00:39:43,109 --> 00:39:39,440

on the ground and they're seeing

1017

00:39:43,829 --> 00:39:43,119

um they're seeing you know the eyes and

1018

00:39:47,670 --> 00:39:43,839

stuff like the

1019

00:39:48,950 --> 00:39:47,680

glowing red eyes um i saw somebody sent

1020

00:39:51,190 --> 00:39:48,960

me a picture recently of an

1021

00:39:52,790 --> 00:39:51,200

owl that was shut up in a tree that had

1022

00:39:57,270 --> 00:39:52,800

glowing red eyes

1023

00:40:01,910 --> 00:40:00,069

but i mean owls i think the biggest

1024

00:40:03,109 --> 00:40:01,920

house you can find are maybe what two

1025

00:40:05,270 --> 00:40:03,119

foot three foot

1026  
00:40:07,190 --> 00:40:05,280  
at the most biggest eagles which will

1027  
00:40:08,390 --> 00:40:07,200  
read like harpy eagles or something like

1028  
00:40:10,630 --> 00:40:08,400  
that would be

1029  
00:40:11,430 --> 00:40:10,640  
at most three to four feet tall they're

1030  
00:40:14,630 --> 00:40:11,440  
not seven

1031  
00:40:17,510 --> 00:40:14,640  
eight foot tall um and

1032  
00:40:17,910 --> 00:40:17,520  
you can tell what that the birds as far

1033  
00:40:21,190 --> 00:40:17,920  
as

1034  
00:40:24,390 --> 00:40:21,200  
drones the thing about drones

1035  
00:40:26,069 --> 00:40:24,400  
is that you are taking a huge chance i

1036  
00:40:27,670 --> 00:40:26,079  
mean i've seen drones all over the place

1037  
00:40:29,030 --> 00:40:27,680  
here they people have them here that

1038  
00:40:30,790 --> 00:40:29,040

they fly them around

1039

00:40:32,870 --> 00:40:30,800

you can hear them you can you know what

1040

00:40:34,630 --> 00:40:32,880

they are um

1041

00:40:35,910 --> 00:40:34,640

and even these professional drones they

1042

00:40:38,870 --> 00:40:35,920

make noise

1043

00:40:39,430 --> 00:40:38,880

uh and that can be distinguished you

1044

00:40:41,510 --> 00:40:39,440

know this

1045

00:40:43,190 --> 00:40:41,520

you can distinguish the noise but you're

1046

00:40:45,750 --> 00:40:43,200

also taking a huge

1047

00:40:47,349 --> 00:40:45,760

chance doing this around the airport

1048

00:40:48,790 --> 00:40:47,359

this is something that they're not gonna

1049

00:40:49,589 --> 00:40:48,800

take a prank they're gonna put you in

1050

00:40:52,470 --> 00:40:49,599

jail

1051  
00:40:53,750 --> 00:40:52,480  
um for that one of those uh and we

1052  
00:40:55,510 --> 00:40:53,760  
discussed this before one of those

1053  
00:40:56,550 --> 00:40:55,520  
drones gets sucked up into the engine of

1054  
00:41:03,109 --> 00:40:56,560  
an

1055  
00:41:05,829 --> 00:41:03,119  
for sure it's gonna destroy that engine

1056  
00:41:07,109 --> 00:41:05,839  
um and you're gonna be in a world of

1057  
00:41:09,430 --> 00:41:07,119  
trouble at that point

1058  
00:41:10,870 --> 00:41:09,440  
um because you're absolutely endangering

1059  
00:41:13,990 --> 00:41:10,880  
people's lives

1060  
00:41:14,710 --> 00:41:14,000  
but it's these people are talking about

1061  
00:41:17,750 --> 00:41:14,720  
the seeing

1062  
00:41:19,589 --> 00:41:17,760  
flesh and blood and the way that they

1063  
00:41:21,030 --> 00:41:19,599

describe the movement can only be

1064

00:41:21,910 --> 00:41:21,040

described as something that's flesh and

1065

00:41:25,750 --> 00:41:21,920

blood

1066

00:41:27,430 --> 00:41:25,760

um you know there are some things that

1067

00:41:29,510 --> 00:41:27,440

just don't add up i mean

1068

00:41:30,790 --> 00:41:29,520

we've talked about wing size we talked

1069

00:41:33,589 --> 00:41:30,800

about you know

1070

00:41:35,670 --> 00:41:33,599

the physics of the of the matter but

1071

00:41:39,109 --> 00:41:35,680

we're also talking about you know

1072

00:41:40,230 --> 00:41:39,119

the way it takes off uh you know some

1073

00:41:43,430 --> 00:41:40,240

things don't add up

1074

00:41:45,190 --> 00:41:43,440

but i you know there's just too many we

1075

00:41:47,109 --> 00:41:45,200

go through every process we can to

1076  
00:41:48,710 --> 00:41:47,119  
identify you know what this could have

1077  
00:41:49,829 --> 00:41:48,720  
been and there are quite a few reports

1078  
00:41:51,430 --> 00:41:49,839  
that we've all gotten

1079  
00:41:54,309 --> 00:41:51,440  
that we've been able to you know

1080  
00:41:56,230 --> 00:41:54,319  
identify but

1081  
00:41:58,550 --> 00:41:56,240  
and dismiss them as something like a

1082  
00:42:01,270 --> 00:41:58,560  
bird or you know or something else

1083  
00:42:02,870 --> 00:42:01,280  
but there's quite a few the majority of

1084  
00:42:04,710 --> 00:42:02,880  
the ones that we cannot explain and we

1085  
00:42:06,870 --> 00:42:04,720  
do everything as a team

1086  
00:42:08,069 --> 00:42:06,880  
to try to explain that and come up with

1087  
00:42:10,550 --> 00:42:08,079  
an explanation

1088  
00:42:11,349 --> 00:42:10,560

to uh whether it's something that can be

1089

00:42:13,750 --> 00:42:11,359

identified

1090

00:42:14,470 --> 00:42:13,760

as i an ifo or something that's

1091

00:42:17,270 --> 00:42:14,480

identified

1092

00:42:19,109 --> 00:42:17,280

you know quote-unquote ufo and i'm so

1093

00:42:19,750 --> 00:42:19,119

glad that that that you mentioned that

1094

00:42:22,309 --> 00:42:19,760

too

1095

00:42:23,589 --> 00:42:22,319

manuel um you know i i think people have

1096

00:42:25,190 --> 00:42:23,599

this idea

1097

00:42:27,349 --> 00:42:25,200

because maybe they don't hear about

1098

00:42:30,790 --> 00:42:27,359

these sightings quite as much that like

1099

00:42:32,870 --> 00:42:30,800

we never get any any uh uh

1100

00:42:34,710 --> 00:42:32,880

reports that that end up being explained

1101

00:42:37,109 --> 00:42:34,720

as misidentified birds or something

1102

00:42:37,910 --> 00:42:37,119

we absolutely do like that that's the

1103

00:42:41,030 --> 00:42:37,920

thing that

1104

00:42:43,510 --> 00:42:41,040

that happens um but you know

1105

00:42:45,510 --> 00:42:43,520

once you've explained it as a a bird

1106

00:42:46,470 --> 00:42:45,520

it's not really a huge fortian mystery

1107

00:42:48,710 --> 00:42:46,480

anymore

1108

00:42:49,589 --> 00:42:48,720

and um you know you probably don't hear

1109

00:42:52,309 --> 00:42:49,599

about those

1110

00:42:53,109 --> 00:42:52,319

uh as as much but it definitely does

1111

00:42:56,150 --> 00:42:53,119

happen

1112

00:42:56,790 --> 00:42:56,160

so when you by by the time you get uh a

1113

00:42:58,390 --> 00:42:56,800

sighting

1114

00:43:00,470 --> 00:42:58,400

uh in front of you you know when you're

1115

00:43:02,550 --> 00:43:00,480

reading the article about it or whatever

1116

00:43:03,990 --> 00:43:02,560

um and it's describing something weird

1117

00:43:05,589 --> 00:43:04,000

then we've already gone through all of

1118

00:43:08,470 --> 00:43:05,599

the steps that we would normally do

1119

00:43:09,270 --> 00:43:08,480

to try to weed out any any monday uh

1120

00:43:13,430 --> 00:43:09,280

explanation

1121

00:43:15,910 --> 00:43:13,440

for that that citing report

1122

00:43:17,430 --> 00:43:15,920

yeah uh we got another one here it's

1123

00:43:19,589 --> 00:43:17,440

interesting do you guys think the

1124

00:43:21,750 --> 00:43:19,599

chicago sightings are related uh related

1125

00:43:25,670 --> 00:43:21,760

to the point pleasant sightings

1126  
00:43:27,510 --> 00:43:25,680  
50 years ago to december well i i think

1127  
00:43:29,109 --> 00:43:27,520  
personally and i think you guys may

1128  
00:43:31,349 --> 00:43:29,119  
agree that

1129  
00:43:32,150 --> 00:43:31,359  
the uh there is a difference i don't i

1130  
00:43:35,190 --> 00:43:32,160  
don't think

1131  
00:43:38,069 --> 00:43:35,200  
what was going on at point pleasant

1132  
00:43:39,349 --> 00:43:38,079  
is uh is what people are seeing in

1133  
00:43:41,190 --> 00:43:39,359  
chicago first of all

1134  
00:43:42,790 --> 00:43:41,200  
the point pleasant sightings those

1135  
00:43:44,069 --> 00:43:42,800  
things were that thing was aggressive

1136  
00:43:46,790 --> 00:43:44,079  
and i think it was probably

1137  
00:43:48,790 --> 00:43:46,800  
one it wasn't a whole if it was more

1138  
00:43:51,270 --> 00:43:48,800

than one and one many of them

1139

00:43:54,150 --> 00:43:51,280

uh it was a different style it was the

1140

00:43:55,190 --> 00:43:54,160

of course the insectoid wing of course i

1141

00:43:58,470 --> 00:43:55,200

had the red eyes

1142

00:44:01,510 --> 00:43:58,480

but it didn't seem to um to

1143

00:44:03,109 --> 00:44:01,520

really be similar to what

1144

00:44:05,750 --> 00:44:03,119

people are seeing in chicago you know

1145

00:44:09,109 --> 00:44:05,760

chicago we're getting the

1146

00:44:10,630 --> 00:44:09,119

the gargoyle bat like wings pretty good

1147

00:44:13,829 --> 00:44:10,640

wingspan

1148

00:44:14,230 --> 00:44:13,839

uh not flapping the wings for the most

1149

00:44:17,430 --> 00:44:14,240

part

1150

00:44:18,390 --> 00:44:17,440

has some type of propulsion mechanism to

1151  
00:44:21,510 --> 00:44:18,400  
where they can

1152  
00:44:24,710 --> 00:44:21,520  
kind of just shoot up into the air

1153  
00:44:27,510 --> 00:44:24,720  
uh i don't you know

1154  
00:44:28,710 --> 00:44:27,520  
talking about harbingers i don't think

1155  
00:44:31,349 --> 00:44:28,720  
the harbinger thing

1156  
00:44:31,990 --> 00:44:31,359  
even comes into any of the equations on

1157  
00:44:35,670 --> 00:44:32,000  
both

1158  
00:44:38,150 --> 00:44:35,680  
of uh in point pleasant or chicago you

1159  
00:44:39,990 --> 00:44:38,160  
know that's

1160  
00:44:42,390 --> 00:44:40,000  
i think the part from your theory is

1161  
00:44:44,470 --> 00:44:42,400  
kind of fiction for the most part

1162  
00:44:45,750 --> 00:44:44,480  
uh it'll maybe it'll prove me wrong one

1163  
00:44:48,630 --> 00:44:45,760

day i don't know

1164

00:44:49,510 --> 00:44:48,640

but uh you know i i don't think there's

1165

00:44:51,829 --> 00:44:49,520

really much

1166

00:44:53,750 --> 00:44:51,839

connection between the two other than

1167

00:44:56,870 --> 00:44:53,760

that they're winged humanoids and

1168

00:45:00,550 --> 00:44:56,880

um you know they they may very well

1169

00:45:04,390 --> 00:45:00,560

come from the same place uh they may be

1170

00:45:05,829 --> 00:45:04,400

either some type of unknown being an

1171

00:45:08,230 --> 00:45:05,839

ultra-terrestrial

1172

00:45:10,309 --> 00:45:08,240

extraterrestrial that moves in and out

1173

00:45:11,349 --> 00:45:10,319

some type of portal or from some other

1174

00:45:12,790 --> 00:45:11,359

reality

1175

00:45:15,030 --> 00:45:12,800

you know that's something we just don't

1176

00:45:16,710 --> 00:45:15,040

know uh i i don't think they're

1177

00:45:19,510 --> 00:45:16,720

indigenous because we haven't

1178

00:45:20,390 --> 00:45:19,520

really received any reports of people

1179

00:45:23,910 --> 00:45:20,400

seeing these things

1180

00:45:26,150 --> 00:45:23,920

feed i mean you know

1181

00:45:27,670 --> 00:45:26,160

you think if something was living yeah

1182

00:45:30,630 --> 00:45:27,680

and that's another thing

1183

00:45:32,950 --> 00:45:30,640

uh how many dead animal reports pets and

1184

00:45:36,309 --> 00:45:32,960

such that we heard coming out of chicago

1185

00:45:39,349 --> 00:45:36,319

zilch we haven't heard any of that

1186

00:45:41,109 --> 00:45:39,359

so uh the only report i remember is

1187

00:45:42,870 --> 00:45:41,119

this this thing coming down a tree and

1188

00:45:47,589 --> 00:45:42,880

grabbing a squirrel but that was about

1189

00:45:50,710 --> 00:45:47,599

it you guys got anything to add to that

1190

00:45:51,589 --> 00:45:50,720

um not as far as like missing missing

1191

00:45:53,670 --> 00:45:51,599

animals i

1192

00:45:55,589 --> 00:45:53,680

i think that that that you and i do

1193

00:45:59,030 --> 00:45:55,599

disagree a little bit on

1194

00:45:59,990 --> 00:45:59,040

on uh any uh possible connection to the

1195

00:46:03,030 --> 00:46:00,000

the 66

1196

00:46:06,150 --> 00:46:03,040

to 67 point pleasant flap um

1197

00:46:08,790 --> 00:46:06,160

i i do think if if you go back

1198

00:46:09,589 --> 00:46:08,800

and look at what people were were really

1199

00:46:11,750 --> 00:46:09,599

reporting

1200

00:46:12,950 --> 00:46:11,760

in in point pleasant and still are like

1201  
00:46:15,910 --> 00:46:12,960  
i mean it never

1202  
00:46:17,589 --> 00:46:15,920  
ended so you know all through the the uh

1203  
00:46:19,109 --> 00:46:17,599  
ohio river valley people are still

1204  
00:46:22,390 --> 00:46:19,119  
seeing this thing

1205  
00:46:25,990 --> 00:46:22,400  
um you do see a relatively

1206  
00:46:26,870 --> 00:46:26,000  
broad array of descriptive elements in

1207  
00:46:30,150 --> 00:46:26,880  
those sightings

1208  
00:46:32,150 --> 00:46:30,160  
and a lot of them do correlate to the

1209  
00:46:32,950 --> 00:46:32,160  
the the same descriptive elements that

1210  
00:46:36,069 --> 00:46:32,960  
we see

1211  
00:46:37,990 --> 00:46:36,079  
uh in the the sightings all around like

1212  
00:46:40,550 --> 00:46:38,000  
that is true i mean we are getting

1213  
00:46:43,510 --> 00:46:40,560

sightings from those areas now

1214

00:46:44,790 --> 00:46:43,520

that have that exact same description

1215

00:46:46,550 --> 00:46:44,800

but as far as the

1216

00:46:48,630 --> 00:46:46,560

point pleasant moth man i don't think

1217

00:46:51,030 --> 00:46:48,640

there was any deviation

1218

00:46:53,349 --> 00:46:51,040

as to what people were seeing it in that

1219

00:46:55,990 --> 00:46:53,359

year do you think

1220

00:46:56,630 --> 00:46:56,000

well it yeah there there there there was

1221

00:46:59,990 --> 00:46:56,640

some

1222

00:47:02,309 --> 00:47:00,000

um and i'm gonna have to try to remember

1223

00:47:04,150 --> 00:47:02,319

right details off the top of my head but

1224

00:47:08,150 --> 00:47:04,160

like if you look at

1225

00:47:10,230 --> 00:47:08,160

say like uh uh uh linda scarberry uh

1226

00:47:11,829 --> 00:47:10,240

you know she was a famous mothman

1227

00:47:14,390 --> 00:47:11,839

witness from that era

1228

00:47:15,349 --> 00:47:14,400

and sort of what she described was more

1229

00:47:18,630 --> 00:47:15,359

of like the

1230

00:47:22,230 --> 00:47:18,640

the giant owl type creature

1231

00:47:23,430 --> 00:47:22,240

you know um and uh and then you know you

1232

00:47:26,710 --> 00:47:23,440

you had other people

1233

00:47:28,630 --> 00:47:26,720

uh well much like today

1234

00:47:30,069 --> 00:47:28,640

now there there were the witnesses who

1235

00:47:30,710 --> 00:47:30,079

went on record but there were also many

1236

00:47:33,349 --> 00:47:30,720

witnesses

1237

00:47:33,990 --> 00:47:33,359

as noted by by john keel who who didn't

1238

00:47:36,230 --> 00:47:34,000

want to

1239

00:47:37,910 --> 00:47:36,240

have their their name put out there yeah

1240

00:47:39,430 --> 00:47:37,920

some of those descriptions would be sort

1241

00:47:41,589 --> 00:47:39,440

of all over the place

1242

00:47:42,790 --> 00:47:41,599

and and you would end up with people uh

1243

00:47:46,870 --> 00:47:42,800

describing you know

1244

00:47:49,910 --> 00:47:46,880

a giant bat a giant owl uh a flying man

1245

00:47:52,549 --> 00:47:49,920

um you know it it it really ran

1246

00:47:54,069 --> 00:47:52,559

the the gamut i think that we've seen

1247

00:47:57,670 --> 00:47:54,079

culturally

1248

00:48:01,109 --> 00:47:57,680

um uh that that people have

1249

00:48:04,390 --> 00:48:01,119

sort of adopted one of the the specific

1250

00:48:07,829 --> 00:48:04,400

descriptions um and sort of

1251

00:48:09,829 --> 00:48:07,839

uh uh overlaid that over the the entire

1252

00:48:11,750 --> 00:48:09,839

phenomenon from that time but

1253

00:48:13,829 --> 00:48:11,760

i i really think that that the

1254

00:48:16,549 --> 00:48:13,839

descriptions given from people

1255

00:48:17,670 --> 00:48:16,559

you know in that area varied more than

1256

00:48:21,030 --> 00:48:17,680

than generally

1257

00:48:22,309 --> 00:48:21,040

uh we we give them credit for it um

1258

00:48:24,390 --> 00:48:22,319

yeah i think there's a lot of parallels

1259

00:48:26,069 --> 00:48:24,400

i think you throw in the ufos and

1260

00:48:27,990 --> 00:48:26,079

and everything else the the other

1261

00:48:29,190 --> 00:48:28,000

strange flying creatures pterosaur

1262

00:48:33,349 --> 00:48:29,200

sightings and things

1263

00:48:35,750 --> 00:48:33,359

happening uh uh around those areas and

1264

00:48:37,589 --> 00:48:35,760

it all seems pretty similar to me i mean

1265

00:48:39,910 --> 00:48:37,599

the only thing we were missing was

1266

00:48:42,549 --> 00:48:39,920

was strange men in black but even that

1267

00:48:46,829 --> 00:48:42,559

popped up just a a little bit here too

1268

00:48:50,870 --> 00:48:46,839

so yeah yeah oh yeah

1269

00:48:53,430 --> 00:48:50,880

um matt mccart mccartney has a

1270

00:48:55,670 --> 00:48:53,440

uh question are any of the wing

1271

00:48:57,750 --> 00:48:55,680

humanoids seen flying

1272

00:48:58,710 --> 00:48:57,760

by actually flapping their bat-like

1273

00:49:02,230 --> 00:48:58,720

wings

1274

00:49:03,829 --> 00:49:02,240

occasionally yeah uh very few most of

1275

00:49:06,390 --> 00:49:03,839

the time they're gliding or

1276

00:49:07,109 --> 00:49:06,400

shooting around somewhere on the ground

1277

00:49:08,630 --> 00:49:07,119

um

1278

00:49:11,990 --> 00:49:08,640

but there have been some flight there

1279

00:49:13,750 --> 00:49:12,000

has been some flapping

1280

00:49:15,510 --> 00:49:13,760

oh yeah their cells have been flapping

1281

00:49:17,430 --> 00:49:15,520

with um well

1282

00:49:19,030 --> 00:49:17,440

the most recent one with the air traffic

1283

00:49:22,150 --> 00:49:19,040

controller um

1284

00:49:23,829 --> 00:49:22,160

he stated that you know uh

1285

00:49:25,670 --> 00:49:23,839

it flapping won't trying to take off

1286

00:49:28,549 --> 00:49:25,680

some of the airports once have

1287

00:49:30,470 --> 00:49:28,559

have reported you know it flapping its

1288

00:49:32,630 --> 00:49:30,480

wings as it took off i mean

1289

00:49:34,470 --> 00:49:32,640

the majority of them you know still say

1290

00:49:36,069 --> 00:49:34,480

hey this thing jettisoned itself into

1291

00:49:39,349 --> 00:49:36,079

the air and took off

1292

00:49:41,430 --> 00:49:39,359

but um for the most part you know

1293

00:49:42,870 --> 00:49:41,440

there's not a whole lot of seeing it

1294

00:49:45,109 --> 00:49:42,880

while in flight

1295

00:49:46,630 --> 00:49:45,119

uh flappiness wings most time i would

1296

00:49:49,750 --> 00:49:46,640

think it's gliding

1297

00:49:51,430 --> 00:49:49,760

whether you know riding thermals or

1298

00:49:53,109 --> 00:49:51,440

you know it's kind of doing like a bird

1299

00:49:55,030 --> 00:49:53,119

it gets enough acceleration that it can

1300

00:49:58,470 --> 00:49:55,040

fl it can glide for a little bit without

1301  
00:50:00,710 --> 00:49:58,480  
moving its wings

1302  
00:50:02,710 --> 00:50:00,720  
uh we got another question do witnesses

1303  
00:50:05,430 --> 00:50:02,720  
that report tragic events happening

1304  
00:50:09,190 --> 00:50:05,440  
subsequent to their sightings

1305  
00:50:10,230 --> 00:50:09,200  
no that's all i can say uh we're not

1306  
00:50:11,589 --> 00:50:10,240  
getting that and

1307  
00:50:13,510 --> 00:50:11,599  
and that's just that you know it's

1308  
00:50:15,990 --> 00:50:13,520  
interesting when we first started

1309  
00:50:19,030 --> 00:50:16,000  
getting these reports back in mid

1310  
00:50:22,230 --> 00:50:19,040  
uh 2017

1311  
00:50:23,190 --> 00:50:22,240  
i was literally you know i was getting

1312  
00:50:25,990 --> 00:50:23,200  
calls 24

1313  
00:50:28,230 --> 00:50:26,000

7 between july and august and i was

1314

00:50:31,510 --> 00:50:28,240

getting like 20 calls a day

1315

00:50:34,230 --> 00:50:31,520

from people that live in around chicago

1316

00:50:35,829 --> 00:50:34,240

that were scared of hearing about

1317

00:50:39,109 --> 00:50:35,839

sightings

1318

00:50:40,790 --> 00:50:39,119

and were calling me which i just got a

1319

00:50:44,630 --> 00:50:40,800

call now

1320

00:50:46,950 --> 00:50:44,640

anyway i uh were calling me

1321

00:50:48,870 --> 00:50:46,960

and asking me well what's going to

1322

00:50:50,630 --> 00:50:48,880

happen in chicago

1323

00:50:52,230 --> 00:50:50,640

i mean is something going to happen of

1324

00:50:54,309 --> 00:50:52,240

course you know these people seeing the

1325

00:50:56,309 --> 00:50:54,319

mothman prophecies and

1326  
00:50:57,670 --> 00:50:56,319  
know the story and all so yeah i mean

1327  
00:50:59,109 --> 00:50:57,680  
people were frightened

1328  
00:51:01,750 --> 00:50:59,119  
people are still frightened i'm still

1329  
00:51:03,990 --> 00:51:01,760  
getting people that occasionally call me

1330  
00:51:05,510 --> 00:51:04,000  
and want to know you know what the deal

1331  
00:51:09,910 --> 00:51:05,520  
is with this you know

1332  
00:51:12,630 --> 00:51:09,920  
is this thing a harbinger i i just don't

1333  
00:51:15,430 --> 00:51:12,640  
i just don't have anything from anybody

1334  
00:51:18,309 --> 00:51:15,440  
that has said anything even similar

1335  
00:51:22,470 --> 00:51:18,319  
or related some tragedy to what people

1336  
00:51:26,069 --> 00:51:22,480  
are seeing what do you guys think

1337  
00:51:28,390 --> 00:51:26,079  
i'm with you yeah yeah you know i

1338  
00:51:30,549 --> 00:51:28,400

i don't think that the the silver bridge

1339

00:51:32,790 --> 00:51:30,559

collapsing had anything to do with

1340

00:51:33,829 --> 00:51:32,800

the sightings in point pleasant yeah i

1341

00:51:36,230 --> 00:51:33,839

don't know

1342

00:51:37,430 --> 00:51:36,240

i hope not because and i i agree with

1343

00:51:38,870 --> 00:51:37,440

you too that it it

1344

00:51:40,230 --> 00:51:38,880

i don't believe in the harbinger doom

1345

00:51:42,150 --> 00:51:40,240

but and i hope not because one of the

1346

00:51:43,510 --> 00:51:42,160

last the latest reports was from outside

1347

00:51:47,030 --> 00:51:43,520

of a nuclear power plant

1348

00:51:48,870 --> 00:51:47,040

and uh i don't wanna i live in this area

1349

00:51:51,670 --> 00:51:48,880

so i don't wanna

1350

00:51:52,390 --> 00:51:51,680

wake up glowing next day but uh i mean

1351  
00:51:54,630 --> 00:51:52,400  
obviously i

1352  
00:51:55,430 --> 00:51:54,640  
don't think that there is any

1353  
00:51:57,109 --> 00:51:55,440  
correlation

1354  
00:51:58,790 --> 00:51:57,119  
yeah we get things like the the

1355  
00:52:02,230 --> 00:51:58,800  
blackbird of chernobyl the

1356  
00:52:03,750 --> 00:52:02,240  
fukushima sightings the um

1357  
00:52:05,430 --> 00:52:03,760  
oh i can never remember the name of the

1358  
00:52:07,589 --> 00:52:05,440  
german one the streaker

1359  
00:52:08,870 --> 00:52:07,599  
uh the strasbourg streaker i believe is

1360  
00:52:12,870 --> 00:52:08,880  
what it's called

1361  
00:52:15,589 --> 00:52:12,880  
um but those can be just as anecdotal

1362  
00:52:16,950 --> 00:52:15,599  
you know as you know deciding from the

1363  
00:52:17,670 --> 00:52:16,960

more generality the signings we've been

1364

00:52:19,990 --> 00:52:17,680

having

1365

00:52:20,790 --> 00:52:20,000

have been going on for a while since

1366

00:52:23,270 --> 00:52:20,800

2011

1367

00:52:24,950 --> 00:52:23,280

and nothing's happened in chicago that's

1368

00:52:28,549 --> 00:52:24,960

usually out of the ordinary

1369

00:52:30,390 --> 00:52:28,559

aside from maybe like coronavirus

1370

00:52:33,030 --> 00:52:30,400

and that happened everywhere you know i

1371

00:52:36,710 --> 00:52:33,040

mean that's a part of it too you know

1372

00:52:38,150 --> 00:52:36,720

uh the the the unfortunate fact is in in

1373

00:52:39,990 --> 00:52:38,160

in the world in which we live terrible

1374

00:52:43,109 --> 00:52:40,000

things happen all the time and

1375

00:52:46,630 --> 00:52:43,119

uh and they don't need a mothman around

1376

00:52:48,470 --> 00:52:46,640

you know so it's just it never it never

1377

00:52:49,430 --> 00:52:48,480

really made sense doesn't seem to be any

1378

00:52:53,109 --> 00:52:49,440

strong like

1379

00:52:55,829 --> 00:52:53,119

a a causative element there that i can

1380

00:52:59,829 --> 00:52:57,829

yeah we've got two good questions here

1381

00:53:02,470 --> 00:52:59,839

one one is do you think these flying

1382

00:53:05,510 --> 00:53:02,480

humanoids and jetpack pranksters

1383

00:53:07,910 --> 00:53:05,520

are infiltrators like lax maybe connect

1384

00:53:09,030 --> 00:53:07,920

i sure hell hope not you know we don't

1385

00:53:12,790 --> 00:53:09,040

need a bunch of

1386

00:53:16,069 --> 00:53:12,800

jet pack flying around o'hara now

1387

00:53:18,630 --> 00:53:16,079

and uh you know as far as what we're

1388

00:53:20,230 --> 00:53:18,640

investigating that would just i would

1389

00:53:22,150 --> 00:53:20,240

kind of put a monkey wrench into our

1390

00:53:22,710 --> 00:53:22,160

whole investigation people would start

1391

00:53:24,950 --> 00:53:22,720

saying oh

1392

00:53:27,510 --> 00:53:24,960

that's what it's been all along what do

1393

00:53:31,430 --> 00:53:27,520

you guys think

1394

00:53:34,710 --> 00:53:31,440

honestly this lax jetpack

1395

00:53:38,069 --> 00:53:34,720

um you know phenomenon

1396

00:53:39,670 --> 00:53:38,079

i first off respect to him because you

1397

00:53:42,790 --> 00:53:39,680

have to have balls of steel

1398

00:53:43,349 --> 00:53:42,800

to be doing this especially in and

1399

00:53:45,910 --> 00:53:43,359

around

1400

00:53:47,190 --> 00:53:45,920

jets uh commercial jets and in their

1401

00:53:51,030 --> 00:53:47,200

flight paths

1402

00:53:53,109 --> 00:53:51,040

um but whoever's doing it eventually

1403

00:53:56,230 --> 00:53:53,119

gonna get found out and they're gonna be

1404

00:53:57,510 --> 00:53:56,240

in a world of trouble for this but uh i

1405

00:53:57,990 --> 00:53:57,520

don't think that they're connected

1406

00:54:00,470 --> 00:53:58,000

because

1407

00:54:01,589 --> 00:54:00,480

obviously you know if it's a jet pack

1408

00:54:05,030 --> 00:54:01,599

that's it's in the name

1409

00:54:06,950 --> 00:54:05,040

jet it's gonna make a lot of noise um

1410

00:54:08,470 --> 00:54:06,960

these things aren't silent these this is

1411

00:54:12,069 --> 00:54:08,480

not you know tony stark

1412

00:54:13,589 --> 00:54:12,079

uh iron man technology uh and even that

1413

00:54:15,270 --> 00:54:13,599

made noise but uh

1414

00:54:17,270 --> 00:54:15,280

i don't think that they're connected in

1415

00:54:18,630 --> 00:54:17,280

any way these seem to be

1416

00:54:20,470 --> 00:54:18,640

flesh and blood creatures because

1417

00:54:22,549 --> 00:54:20,480

they're doing things that

1418

00:54:27,109 --> 00:54:22,559

can only be described as something being

1419

00:54:30,950 --> 00:54:29,270

have any of the witnesses reported

1420

00:54:32,309 --> 00:54:30,960

strange health problems at their

1421

00:54:35,829 --> 00:54:32,319

encounters

1422

00:54:39,109 --> 00:54:35,839

yeah we had billy yeah yeah

1423

00:54:42,230 --> 00:54:39,119

that that guy out in bosticero

1424

00:54:43,910 --> 00:54:42,240

uh if you guys don't remember it's one

1425

00:54:45,349 --> 00:54:43,920

of the earlier reports in fact i think

1426

00:54:48,230 --> 00:54:45,359

his report

1427

00:54:48,950 --> 00:54:48,240

came from march of 2017 though we got it

1428

00:54:51,190 --> 00:54:48,960

later

1429

00:54:52,630 --> 00:54:51,200

it originally went to mufon and they

1430

00:54:56,309 --> 00:54:52,640

screwed that one up

1431

00:54:59,349 --> 00:54:56,319

but uh yeah that uh

1432

00:55:02,069 --> 00:54:59,359

he had some issues with his eyes

1433

00:55:03,589 --> 00:55:02,079

uh where he had some i don't know

1434

00:55:04,630 --> 00:55:03,599

exactly what happened something that

1435

00:55:07,670 --> 00:55:04,640

happened to his optic

1436

00:55:11,109 --> 00:55:07,680

nerve on both eyes

1437

00:55:14,069 --> 00:55:11,119

after he had seen this thing

1438

00:55:15,990 --> 00:55:14,079

and he showed me the documentation i

1439

00:55:17,829 --> 00:55:16,000

mean this guy actually went to doctor

1440

00:55:19,589 --> 00:55:17,839

something's going on and he had a lot of

1441

00:55:23,030 --> 00:55:19,599

weird stuff going on around you

1442

00:55:25,750 --> 00:55:23,040

you know health issues with his family

1443

00:55:26,789 --> 00:55:25,760

uh he i think he believes that it was

1444

00:55:28,950 --> 00:55:26,799

because of this

1445

00:55:31,109 --> 00:55:28,960

the i don't know if we can really prove

1446

00:55:33,990 --> 00:55:31,119

that's what it was or not but

1447

00:55:35,510 --> 00:55:34,000

i i can't think of anybody else that had

1448

00:55:40,390 --> 00:55:35,520

any

1449

00:55:42,390 --> 00:55:40,400

can you guys remember andy

1450

00:55:43,510 --> 00:55:42,400

no that's i mean that's that's literally

1451

00:55:46,549 --> 00:55:43,520

the only one that

1452

00:55:47,349 --> 00:55:46,559

that that came to mind um was was that

1453

00:55:49,430 --> 00:55:47,359

particular one i

1454

00:55:50,630 --> 00:55:49,440

i i think he mentioned like his mother

1455

00:55:53,430 --> 00:55:50,640

passed away

1456

00:55:53,750 --> 00:55:53,440

yeah very good after two um which i mean

1457

00:56:26,870 --> 00:55:53,760

i

1458

00:56:29,829 --> 00:56:26,880

some type of

1459

00:56:31,910 --> 00:56:29,839

interdimensional being or that they kind

1460

00:56:34,390 --> 00:56:31,920

of move in and out of realities i mean

1461

00:56:36,549 --> 00:56:34,400

we've had two witnesses now

1462

00:56:38,870 --> 00:56:36,559

who have stated to us uh one from

1463

00:56:43,109 --> 00:56:38,880

rockford and the other

1464

00:56:45,030 --> 00:56:43,119

the pair of old ladies just south of uh

1465

00:56:48,230 --> 00:56:45,040

of wrigley field you saw this these

1466

00:56:51,430 --> 00:56:48,240

things fly to suddenly disappear

1467

00:56:51,750 --> 00:56:51,440

uh unless they cloak somehow i don't

1468

00:56:55,829 --> 00:56:51,760

know

1469

00:56:59,510 --> 00:56:55,839

uh but i i kind of believe

1470

00:57:02,390 --> 00:56:59,520

myself that they're not of this world

1471

00:57:03,829 --> 00:57:02,400

well we also had a rosemont uh episode

1472

00:57:06,789 --> 00:57:03,839

where the lady was watching

1473

00:57:08,950 --> 00:57:06,799

and yeah the uh the what it looked like

1474

00:57:10,230 --> 00:57:08,960

a gray alien and the two humans i was

1475

00:57:13,270 --> 00:57:10,240

there's a blinding flash of

1476

00:57:15,990 --> 00:57:13,280

blue light and they were gone um

1477

00:57:18,710 --> 00:57:16,000

so you do have that and but you also

1478

00:57:20,390 --> 00:57:18,720

have to think that it's chicago there

1479

00:57:21,750 --> 00:57:20,400

you know a lot of people think that

1480

00:57:23,589 --> 00:57:21,760

chicago is like you know you're

1481

00:57:25,349 --> 00:57:23,599

everyone's gonna be watching out what's

1482

00:57:27,430 --> 00:57:25,359

you know seeing things

1483

00:57:30,230 --> 00:57:27,440

you have to understand that the whole

1484

00:57:32,230 --> 00:57:30,240

area around chicago's the suburbs

1485

00:57:34,069 --> 00:57:32,240

are riddled with tunnels and riddled

1486

00:57:36,150 --> 00:57:34,079

with caves um

1487

00:57:37,349 --> 00:57:36,160

o'hare is no different there are tunnels

1488

00:57:40,630 --> 00:57:37,359

everywhere

1489

00:57:43,670 --> 00:57:40,640

and small tunnels big tunnels um

1490

00:57:44,870 --> 00:57:43,680

that anything could hide um the ones

1491

00:57:45,430 --> 00:57:44,880

when we were getting them around the

1492

00:57:48,549 --> 00:57:45,440

lake

1493

00:57:49,990 --> 00:57:48,559

area that whole area is just completely

1494

00:57:52,710 --> 00:57:50,000

riddled with tunnels

1495

00:57:53,510 --> 00:57:52,720

um utility tunnels some of the odors and

1496

00:57:55,109 --> 00:57:53,520

old uh

1497

00:57:57,190 --> 00:57:55,119

in the loop there's an old railroad

1498

00:57:59,270 --> 00:57:57,200

station or railroad tunnels

1499

00:58:00,710 --> 00:57:59,280

uh you have the I tracks that go

1500

00:58:03,349 --> 00:58:00,720

underneath everything

1501

00:58:04,390 --> 00:58:03,359

um roads you know you have lower wacker

1502

00:58:06,630 --> 00:58:04,400

drive one of the

1503

00:58:07,589 --> 00:58:06,640

one of the ways we get to uh though to

1504

00:58:09,990 --> 00:58:07,599

the

1505

00:58:10,870 --> 00:58:10,000

lake front to take lower whack or drive

1506

00:58:13,349 --> 00:58:10,880

and

1507

00:58:14,230 --> 00:58:13,359

those are just you have had semi trucks

1508

00:58:17,510 --> 00:58:14,240

that go down there

1509

00:58:20,069 --> 00:58:17,520

that's how big these tunnels are um

1510

00:58:21,829 --> 00:58:20,079

you know there are abandoned tunnels all

1511

00:58:23,270 --> 00:58:21,839

over the place

1512

00:58:25,430 --> 00:58:23,280

some of them that are still in use some

1513

00:58:28,069 --> 00:58:25,440

of them are not and

1514

00:58:30,309 --> 00:58:28,079

easily ways for these things to hide um

1515

00:58:33,510 --> 00:58:30,319

but i also think as well is that the

1516

00:58:36,309 --> 00:58:33,520

inter-dimensional you know um

1517

00:58:37,990 --> 00:58:36,319

i particularly love the i more gravitate

1518

00:58:41,109 --> 00:58:38,000

towards a summoned

1519

00:58:44,069 --> 00:58:41,119

um you know theory um

1520

00:58:45,190 --> 00:58:44,079

such as yeah you know you hear the the

1521

00:58:46,789 --> 00:58:45,200

stories of the things that like that

1522

00:58:48,870 --> 00:58:46,799

like tusa and stuff like that where the

1523

00:58:52,309 --> 00:58:48,880

ledusa has to be summoned

1524

00:58:55,030 --> 00:58:52,319

uh to be found um you know

1525

00:58:56,309 --> 00:58:55,040

to be support to come to this plane so i

1526

00:58:58,069 --> 00:58:56,319

kind of think that that's where you're

1527

00:58:59,430 --> 00:58:58,079

kind of coming off of

1528

00:59:02,230 --> 00:58:59,440

you've got things that can be summoned

1529

00:59:05,109 --> 00:59:02,240

and just brought into existence

1530

00:59:05,910 --> 00:59:05,119

yeah i think that summon theory i i kind

1531

00:59:07,829 --> 00:59:05,920

of believe that

1532

00:59:09,030 --> 00:59:07,839

has a lot to do with happening point

1533

00:59:11,990 --> 00:59:09,040

pleasant

1534

00:59:14,390 --> 00:59:12,000

and uh you know i it's it's very

1535

00:59:16,069 --> 00:59:14,400

possible that's been going on in around

1536

00:59:18,069 --> 00:59:16,079

chicago but who knows

1537

00:59:20,150 --> 00:59:18,079

you know it's funny you know when this

1538

00:59:23,589 --> 00:59:20,160

we started getting these sightings

1539

00:59:26,630 --> 00:59:23,599

and especially the sightings um

1540

00:59:29,910 --> 00:59:26,640

down down along the lakefront uh

1541

00:59:31,750 --> 00:59:29,920

along lake lakeshore drive and the

1542

00:59:32,630 --> 00:59:31,760

overpass as these things were seen

1543

00:59:35,030 --> 00:59:32,640

ducked in the

1544

00:59:36,549 --> 00:59:35,040

ducking under the underpasses and of

1545

00:59:38,390 --> 00:59:36,559

course a lot of those have

1546

00:59:39,670 --> 00:59:38,400

uh maintenance tunnels that run

1547

00:59:41,349 --> 00:59:39,680

underneath there

1548

00:59:43,270 --> 00:59:41,359

and of course we were looking into that

1549

00:59:43,990 --> 00:59:43,280

of course the city wasn't gonna help us

1550

00:59:46,390 --> 00:59:44,000

out

1551  
00:59:47,589 --> 00:59:46,400  
you know they weren't gonna tell us that

1552  
00:59:50,230 --> 00:59:47,599  
they were spotting any

1553  
00:59:51,670 --> 00:59:50,240  
any cameras or anything going in there

1554  
00:59:55,430 --> 00:59:51,680  
but that you know that's something we

1555  
00:59:55,440 --> 00:59:59,670  
so let's see um

1556  
01:00:04,950 --> 01:00:02,309  
can each person share what they think is

1557  
01:00:08,069 --> 01:00:04,960  
the most remarkable report

1558  
01:00:08,630 --> 01:00:08,079  
that they have investigated now are you

1559  
01:00:15,829 --> 01:00:08,640  
talking

1560  
01:00:18,309 --> 01:00:15,839  
uh with this phenomena

1561  
01:00:19,589 --> 01:00:18,319  
i don't know but let's just talk about

1562  
01:00:23,030 --> 01:00:19,599  
this phenomena

1563  
01:00:27,750 --> 01:00:23,040

which uh which report is the uh

1564

01:00:30,870 --> 01:00:27,760

most remarkable to you start with manuel

1565

01:00:32,150 --> 01:00:30,880

uh to me the most remarkable one has to

1566

01:00:34,390 --> 01:00:32,160

be one of the first ones i ever

1567

01:00:37,990 --> 01:00:34,400

investigated which is the odds park

1568

01:00:38,710 --> 01:00:38,000

uh sighting and the reason being is

1569

01:00:42,309 --> 01:00:38,720

because

1570

01:00:44,950 --> 01:00:42,319

she was pretty close to this

1571

01:00:45,670 --> 01:00:44,960

creature she walked up on it uh much

1572

01:00:49,430 --> 01:00:45,680

like the

1573

01:00:52,390 --> 01:00:49,440

later report um and

1574

01:00:53,270 --> 01:00:52,400

she had um there was just a lot of

1575

01:00:55,270 --> 01:00:53,280

environmental

1576

01:00:57,270 --> 01:00:55,280

things i mean she says it was and i've

1577

01:00:58,150 --> 01:00:57,280

been to oz park there's a lot of birds

1578

01:01:01,030 --> 01:00:58,160

and a lot of

1579

01:01:01,990 --> 01:01:01,040

noise but she wasn't hearing any of that

1580

01:01:04,150 --> 01:01:02,000

and

1581

01:01:05,510 --> 01:01:04,160

on top of the fact that she had her dog

1582

01:01:07,670 --> 01:01:05,520

with her and um

1583

01:01:08,789 --> 01:01:07,680

like in the investigation it's a jack

1584

01:01:11,829 --> 01:01:08,799

russell terrier and

1585

01:01:13,190 --> 01:01:11,839

jack russell terriers will you know

1586

01:01:15,270 --> 01:01:13,200

you don't really think of it they can be

1587

01:01:16,069 --> 01:01:15,280

really aggressive dogs and they are very

1588

01:01:20,150 --> 01:01:16,079

high energy

1589

01:01:22,470 --> 01:01:20,160

and they will defend their their master

1590

01:01:23,990 --> 01:01:22,480

and this dog did not want anything to be

1591

01:01:27,589 --> 01:01:24,000

he did not even want to be in the

1592

01:01:31,430 --> 01:01:27,599

park uh it was cowering behind her

1593

01:01:32,870 --> 01:01:31,440

and she was really close when this thing

1594

01:01:34,390 --> 01:01:32,880

turned around and looked at her and then

1595

01:01:37,750 --> 01:01:34,400

shot up into the air

1596

01:01:39,349 --> 01:01:37,760

but just the environment the location

1597

01:01:41,030 --> 01:01:39,359

oz park sits in the middle of the

1598

01:01:43,109 --> 01:01:41,040

lincoln park neighborhood

1599

01:01:44,950 --> 01:01:43,119

uh it's surrounded by condos it's

1600

01:01:48,069 --> 01:01:44,960

surrounded by high rises

1601  
01:01:49,109 --> 01:01:48,079  
um and just the environmental factors

1602  
01:01:51,270 --> 01:01:49,119  
that went into this

1603  
01:01:53,270 --> 01:01:51,280  
just made it one of the most interesting

1604  
01:01:54,309 --> 01:01:53,280  
cases on top of the fact that this lady

1605  
01:01:56,309 --> 01:01:54,319  
was an attorney

1606  
01:01:57,589 --> 01:01:56,319  
and she was a professional through and

1607  
01:02:00,630 --> 01:01:57,599  
through she was just

1608  
01:02:04,390 --> 01:02:00,640  
she had nothing to gain by you know

1609  
01:02:08,309 --> 01:02:04,400  
everything to lose by making this report

1610  
01:02:09,829 --> 01:02:08,319  
how about you to boss um yeah i i love

1611  
01:02:13,430 --> 01:02:09,839  
that that oz park sighting

1612  
01:02:17,190 --> 01:02:13,440  
uh honestly um boy

1613  
01:02:20,870 --> 01:02:17,200

i guess i would have to say the

1614

01:02:21,990 --> 01:02:20,880

february 2019 woodstock uh sighting like

1615

01:02:25,190 --> 01:02:22,000

that first one

1616

01:02:27,430 --> 01:02:25,200

where the the the guy was

1617

01:02:28,950 --> 01:02:27,440

coming back from a trip to walgreens

1618

01:02:33,349 --> 01:02:28,960

like just a normal thing

1619

01:02:37,270 --> 01:02:33,359

you know everybody does um and uh

1620

01:02:40,789 --> 01:02:37,280

that he saw what he described as a

1621

01:02:43,349 --> 01:02:40,799

a bigfoot with these large

1622

01:02:44,470 --> 01:02:43,359

leathery gargoye wings crossing the the

1623

01:02:47,270 --> 01:02:44,480

road in front of him

1624

01:02:47,990 --> 01:02:47,280

in front of the the dewfield pond uh

1625

01:02:51,029 --> 01:02:48,000

conservation

1626

01:02:54,309 --> 01:02:51,039

area said it it crossed the street uh in

1627

01:02:56,230 --> 01:02:54,319

in his headlights and uh went between a

1628

01:02:58,710 --> 01:02:56,240

house and this line of trees and then

1629

01:03:00,549 --> 01:02:58,720

it you know it was it disappeared you

1630

01:03:02,150 --> 01:03:00,559

know into the direction of the mchenry

1631

01:03:03,750 --> 01:03:02,160

county fairgrounds

1632

01:03:06,630 --> 01:03:03,760

and there's just some really interesting

1633

01:03:09,029 --> 01:03:06,640

aspects to that that was one where

1634

01:03:09,670 --> 01:03:09,039

emily and i were able to to go down

1635

01:03:12,630 --> 01:03:09,680

there

1636

01:03:13,349 --> 01:03:12,640

i i met the witness you know we we met

1637

01:03:15,670 --> 01:03:13,359

his wife

1638

01:03:17,109 --> 01:03:15,680

like i mean we we talked to these people

1639

01:03:19,109 --> 01:03:17,119

for a significant

1640

01:03:20,630 --> 01:03:19,119

amount of time face to face they took us

1641

01:03:22,950 --> 01:03:20,640

out to the siding area

1642

01:03:23,750 --> 01:03:22,960

walked us around um you know we found

1643

01:03:27,029 --> 01:03:23,760

that that

1644

01:03:29,750 --> 01:03:27,039

that bizarre anomalous footprint in the

1645

01:03:31,670 --> 01:03:29,760

the ice there like that that distorted

1646

01:03:35,029 --> 01:03:31,680

like bare human footprints

1647

01:03:37,910 --> 01:03:35,039

um in in snow and ice uh

1648

01:03:40,069 --> 01:03:37,920

um and it was just everything about it

1649

01:03:40,549 --> 01:03:40,079

was was credible just like the oz park

1650

01:03:42,870 --> 01:03:40,559

sighting

1651  
01:03:44,069 --> 01:03:42,880  
uh these people had everything to lose

1652  
01:03:47,430 --> 01:03:44,079  
by sharing the story

1653  
01:03:49,589 --> 01:03:47,440  
they they were are uh

1654  
01:03:50,870 --> 01:03:49,599  
respected professionals within their

1655  
01:03:53,910 --> 01:03:50,880  
community

1656  
01:03:56,870 --> 01:03:53,920  
um they had no reason to to want

1657  
01:03:57,990 --> 01:03:56,880  
to to to tell this story they didn't

1658  
01:04:01,029 --> 01:03:58,000  
seek publicity for

1659  
01:04:04,390 --> 01:04:01,039  
it certainly um i think it was

1660  
01:04:07,270 --> 01:04:04,400  
a sort of cathartic release for them

1661  
01:04:09,349 --> 01:04:07,280  
in a lot of ways to be able to share

1662  
01:04:11,349 --> 01:04:09,359  
this with people that took it seriously

1663  
01:04:13,510 --> 01:04:11,359

and were willing to discuss it and

1664

01:04:15,430 --> 01:04:13,520

and uh investigate it and that was

1665

01:04:16,309 --> 01:04:15,440

really is it's one that stuck with me

1666

01:04:19,750 --> 01:04:16,319

you know

1667

01:04:21,750 --> 01:04:19,760

um because of of sort of the impact

1668

01:04:23,190 --> 01:04:21,760

that speaking with these people had on

1669

01:04:24,950 --> 01:04:23,200

me you know it's

1670

01:04:26,390 --> 01:04:24,960

honestly it's one thing to read about

1671

01:04:29,190 --> 01:04:26,400

these stories online

1672

01:04:31,589 --> 01:04:29,200

um you know you you you read a an

1673

01:04:33,589 --> 01:04:31,599

article or a blog post or something

1674

01:04:34,630 --> 01:04:33,599

um it's another when you're you know

1675

01:04:38,309 --> 01:04:34,640

you're face to face

1676

01:04:41,829 --> 01:04:38,319

with with somebody who has had this this

1677

01:04:45,029 --> 01:04:41,839

traumatic impossible experience um

1678

01:04:46,470 --> 01:04:45,039

it's difficult to describe it it really

1679

01:04:48,870 --> 01:04:46,480

puts a lot of things in

1680

01:04:50,309 --> 01:04:48,880

in perspective for you and even if

1681

01:04:52,789 --> 01:04:50,319

you're a skeptically minded

1682

01:04:54,309 --> 01:04:52,799

person it's very difficult not to take

1683

01:04:57,750 --> 01:04:54,319

these sightings seriously

1684

01:05:00,470 --> 01:04:57,760

after uh after an experience like that

1685

01:05:01,829 --> 01:05:00,480

and so you know woodstock um that one

1686

01:05:04,270 --> 01:05:01,839

that one stuck with me and then

1687

01:05:05,750 --> 01:05:04,280

you know you had all of the other uh uh

1688

01:05:07,670 --> 01:05:05,760

[Music]

1689

01:05:09,349 --> 01:05:07,680

reports and sort of like associated

1690

01:05:11,990 --> 01:05:09,359

phenomena with that where

1691

01:05:13,990 --> 01:05:12,000

you know i i got that uh that incident

1692

01:05:15,670 --> 01:05:14,000

detail report from the

1693

01:05:17,829 --> 01:05:15,680

niece you know where that guy called

1694

01:05:20,710 --> 01:05:17,839

9-1-1 to report a monster

1695

01:05:21,589 --> 01:05:20,720

in the the same area that the the first

1696

01:05:25,190 --> 01:05:21,599

witness

1697

01:05:27,990 --> 01:05:25,200

saw uh the the whatever he he had seen

1698

01:05:28,309 --> 01:05:28,000

go so in the direction that it went then

1699

01:05:33,510 --> 01:05:28,319

uh

1700

01:05:36,710 --> 01:05:33,520

matter of days somebody

1701

01:05:38,390 --> 01:05:36,720

uh reported seeing a monster in the the

1702

01:05:40,549 --> 01:05:38,400

mchenry county fairgrounds

1703

01:05:41,990 --> 01:05:40,559

and they they took it seriously enough

1704

01:05:44,549 --> 01:05:42,000

to call 9-1-1 and i

1705

01:05:46,549 --> 01:05:44,559

i have the incident detail report that i

1706

01:05:48,309 --> 01:05:46,559

published on our our website and it's in

1707

01:05:51,029 --> 01:05:48,319

the lake michigan mothman book

1708

01:05:53,270 --> 01:05:51,039

um and so you know it was really this

1709

01:05:56,470 --> 01:05:53,280

this confluence of

1710

01:05:59,510 --> 01:05:56,480

uh uh just really credible events

1711

01:06:00,390 --> 01:05:59,520

in this this relatively small illinois

1712

01:06:03,430 --> 01:06:00,400

community

1713

01:06:06,950 --> 01:06:03,440

um that uh it was powerful you know

1714

01:06:07,589 --> 01:06:06,960

it was uh it was important yeah i i

1715

01:06:09,750 --> 01:06:07,599

think that's

1716

01:06:11,589 --> 01:06:09,760

one thing that has impressed all of us

1717

01:06:12,870 --> 01:06:11,599

with the individuals who have made these

1718

01:06:15,750 --> 01:06:12,880

reports

1719

01:06:16,390 --> 01:06:15,760

there's so many professional people

1720

01:06:20,549 --> 01:06:16,400

people

1721

01:06:23,190 --> 01:06:20,559

who are celebrities uh

1722

01:06:24,789 --> 01:06:23,200

people who are politicians like in

1723

01:06:26,789 --> 01:06:24,799

woodstock

1724

01:06:28,069 --> 01:06:26,799

you know people that have something to

1725

01:06:32,470 --> 01:06:28,079

lose uh

1726

01:06:37,190 --> 01:06:32,480

you know air traffic controller pilots

1727

01:06:43,670 --> 01:06:41,029

tsa uh security people

1728

01:06:44,630 --> 01:06:43,680

it is strange but we have had a lot

1729

01:06:47,750 --> 01:06:44,640

of them

1730

01:06:49,829 --> 01:06:47,760

and in fact i i think that well

1731

01:06:52,630 --> 01:06:49,839

that has tie in with the one i i like

1732

01:06:56,150 --> 01:06:52,640

which guys probably know which one it is

1733

01:06:56,549 --> 01:06:56,160

is the lace shore drive uh citing where

1734

01:07:00,549 --> 01:06:56,559

this

1735

01:07:03,829 --> 01:07:00,559

couple were visiting the woman's mother

1736

01:07:06,150 --> 01:07:03,839

who lived in chicago they were

1737

01:07:07,990 --> 01:07:06,160

there visiting from washington d.c and

1738

01:07:09,589 --> 01:07:08,000

this thing flew in front of them coming

1739

01:07:11,910 --> 01:07:09,599

from the lake

1740

01:07:13,510 --> 01:07:11,920

and as they watched it flew right in

1741

01:07:17,109 --> 01:07:13,520

front and went up

1742

01:07:19,190 --> 01:07:17,119

past the trees up into the um

1743

01:07:20,870 --> 01:07:19,200

the condominium up alongside the

1744

01:07:24,069 --> 01:07:20,880

condominium and

1745

01:07:27,349 --> 01:07:24,079

just hovered

1746

01:07:28,710 --> 01:07:27,359

like it was looking in a window for i

1747

01:07:29,430 --> 01:07:28,720

don't know how many seconds five seconds

1748

01:07:32,390 --> 01:07:29,440

or so

1749

01:07:34,710 --> 01:07:32,400

and then it just leaned back and started

1750

01:07:36,309 --> 01:07:34,720

diving back down toward the trees

1751  
01:07:37,750 --> 01:07:36,319  
by that time they were running towards

1752  
01:07:41,349 --> 01:07:37,760  
the door

1753  
01:07:43,829 --> 01:07:41,359  
and that was on silver avenue

1754  
01:07:45,750 --> 01:07:43,839  
and uh they were they were getting to

1755  
01:07:47,589 --> 01:07:45,760  
going towards the act you know the the

1756  
01:07:50,549 --> 01:07:47,599  
actual entrance door

1757  
01:07:51,990 --> 01:07:50,559  
and this thing came descended right in

1758  
01:07:55,510 --> 01:07:52,000  
front of them

1759  
01:07:58,789 --> 01:07:55,520  
wings spread out

1760  
01:08:01,910 --> 01:07:58,799  
the red eyes dark body

1761  
01:08:04,549 --> 01:08:01,920  
the bat like wings and this thing was

1762  
01:08:07,349 --> 01:08:04,559  
vibrating and the witness told me you

1763  
01:08:09,430 --> 01:08:07,359

know i could feel the vibration

1764

01:08:10,870 --> 01:08:09,440

you know the the legs were actually

1765

01:08:13,349 --> 01:08:10,880

vibrating

1766

01:08:15,029 --> 01:08:13,359

and they said it had a wet look to it it

1767

01:08:17,669 --> 01:08:15,039

was shining

1768

01:08:18,070 --> 01:08:17,679

and the woman it affected her so much

1769

01:08:21,110 --> 01:08:18,080

she

1770

01:08:21,990 --> 01:08:21,120

just hit the ground and uh there were

1771

01:08:24,070 --> 01:08:22,000

other people

1772

01:08:26,870 --> 01:08:24,080

on the road there was a guy in a van who

1773

01:08:29,349 --> 01:08:26,880

saw it he jumped in his van took off

1774

01:08:29,990 --> 01:08:29,359

uh they said they saw flashes from

1775

01:08:32,149 --> 01:08:30,000

cameras

1776

01:08:33,990 --> 01:08:32,159

people taking pictures of it though

1777

01:08:34,870 --> 01:08:34,000

unfortunately we've never gotten any of

1778

01:08:37,829 --> 01:08:34,880

them

1779

01:08:39,910 --> 01:08:37,839

but uh anyway i mean it affected him

1780

01:08:41,910 --> 01:08:39,920

tremendously and this thing hovered

1781

01:08:44,149 --> 01:08:41,920

for like 10 seconds and it slowly

1782

01:08:46,309 --> 01:08:44,159

ascended back up into the air

1783

01:08:47,749 --> 01:08:46,319

and then took off and he picked her up

1784

01:08:51,189 --> 01:08:47,759

carried her in

1785

01:08:52,070 --> 01:08:51,199

to the condo and took her up to her

1786

01:08:54,390 --> 01:08:52,080

mother's

1787

01:08:57,110 --> 01:08:54,400

condominium and they called me the next

1788

01:09:00,149 --> 01:08:57,120

day to let me know what they saw

1789

01:09:02,229 --> 01:09:00,159

and uh you know

1790

01:09:04,630 --> 01:09:02,239

they were supposed to leave chicago for

1791

01:09:06,630 --> 01:09:04,640

dc back that day but they had

1792

01:09:08,470 --> 01:09:06,640

i mean she could she was afraid to fly

1793

01:09:10,630 --> 01:09:08,480

for two days

1794

01:09:12,149 --> 01:09:10,640

so and the interesting thing about that

1795

01:09:15,349 --> 01:09:12,159

was the

1796

01:09:18,470 --> 01:09:15,359

the guy the husband was a professional

1797

01:09:22,149 --> 01:09:18,480

athlete in dc

1798

01:09:24,070 --> 01:09:22,159

uh so you know he was uh you know

1799

01:09:25,349 --> 01:09:24,080

of course i wasn't gonna let on who he

1800

01:09:28,070 --> 01:09:25,359

was

1801  
01:09:30,229 --> 01:09:28,080  
but i you know that being that close to

1802  
01:09:33,510 --> 01:09:30,239  
that being like that

1803  
01:09:33,990 --> 01:09:33,520  
and for that to happen then of course i

1804  
01:09:37,110 --> 01:09:34,000  
tried to get

1805  
01:09:38,070 --> 01:09:37,120  
the security camera footage from the

1806  
01:09:39,829 --> 01:09:38,080  
condominium

1807  
01:09:41,829 --> 01:09:39,839  
and you know the security company wasn't

1808  
01:09:43,990 --> 01:09:41,839  
going to let loose on that

1809  
01:09:45,269 --> 01:09:44,000  
so and that's the problem we've run into

1810  
01:09:47,910 --> 01:09:45,279  
we've asked

1811  
01:09:49,349 --> 01:09:47,920  
you know we've tried to get people the

1812  
01:09:52,950 --> 01:09:49,359  
city itself and and

1813  
01:09:54,229 --> 01:09:52,960

security companies to to uh cooperate

1814

01:09:55,030 --> 01:09:54,239

with it's just like with the police

1815

01:09:57,750 --> 01:09:55,040

department

1816

01:09:58,790 --> 01:09:57,760

we tried with foia requests didn't get

1817

01:10:00,870 --> 01:09:58,800

anything there

1818

01:10:02,550 --> 01:10:00,880

we tried with the fcc with four-year

1819

01:10:06,709 --> 01:10:02,560

requests would depile it

1820

01:10:09,590 --> 01:10:06,719

didn't get anything there either so

1821

01:10:10,390 --> 01:10:09,600

you know it it's been an uphill

1822

01:10:13,990 --> 01:10:10,400

struggle for

1823

01:10:15,990 --> 01:10:14,000

all of us but uh yeah i think the uh the

1824

01:10:19,030 --> 01:10:16,000

fact that all these

1825

01:10:22,709 --> 01:10:19,040

famous or semi-famous people are

1826

01:10:25,910 --> 01:10:22,719

very well thought of in their community

1827

01:10:27,990 --> 01:10:25,920

uh coming forward you know that gives a

1828

01:10:29,590 --> 01:10:28,000

lot of credibility of what we're

1829

01:10:32,709 --> 01:10:29,600

you know to these sightings of these

1830

01:10:32,719 --> 01:10:37,270

i have to agree it does

1831

01:10:40,630 --> 01:10:39,510

yeah i mean i that's that that that says

1832

01:10:44,630 --> 01:10:40,640

it all um

1833

01:10:47,030 --> 01:10:44,640

you know frankly the people who report

1834

01:10:47,830 --> 01:10:47,040

these sightings um you know they they

1835

01:10:51,189 --> 01:10:47,840

could be

1836

01:10:52,229 --> 01:10:51,199

could work in your office they could go

1837

01:10:54,470 --> 01:10:52,239

to your church

1838

01:10:55,830 --> 01:10:54,480

you'd pass them in the grocery store and

1839

01:10:58,790 --> 01:10:55,840

you wouldn't look twice at them

1840

01:11:00,229 --> 01:10:58,800

um they're just uh they're normal

1841

01:11:02,950 --> 01:11:00,239

respected members

1842

01:11:04,229 --> 01:11:02,960

of their community and and it's as

1843

01:11:06,550 --> 01:11:04,239

simple as that

1844

01:11:08,550 --> 01:11:06,560

most of them didn't really have any kind

1845

01:11:10,630 --> 01:11:08,560

of interest in anything like this before

1846

01:11:12,390 --> 01:11:10,640

their their sighting a lot of people

1847

01:11:13,270 --> 01:11:12,400

ended up hanging on to their sightings

1848

01:11:16,630 --> 01:11:13,280

for

1849

01:11:18,310 --> 01:11:16,640

days weeks months years even because

1850

01:11:20,709 --> 01:11:18,320

they weren't into this stuff they had no

1851  
01:11:22,149 --> 01:11:20,719  
idea where to to go with it until they

1852  
01:11:25,669 --> 01:11:22,159  
found you know

1853  
01:11:28,709 --> 01:11:25,679  
one of us frankly so um

1854  
01:11:30,070 --> 01:11:28,719  
yeah it's it's it's all very credible

1855  
01:11:32,229 --> 01:11:30,080  
when you when you actually

1856  
01:11:33,110 --> 01:11:32,239  
are able to to speak with these people

1857  
01:11:36,550 --> 01:11:33,120  
because they're

1858  
01:11:38,229 --> 01:11:36,560  
they're just normal people uh

1859  
01:11:41,910 --> 01:11:38,239  
vincent wants to know do you think the

1860  
01:11:46,390 --> 01:11:41,920  
government knows about these creatures

1861  
01:11:49,510 --> 01:11:46,400  
well i know the local government does

1862  
01:11:51,430 --> 01:11:49,520  
we've got verification of that

1863  
01:11:53,510 --> 01:11:51,440

from one of the witnesses who worked in

1864

01:11:55,350 --> 01:11:53,520

the mayor's office and she told us point

1865

01:11:57,270 --> 01:11:55,360

blank that they know about it

1866

01:11:58,390 --> 01:11:57,280

and they're trying to keep it quiet and

1867

01:12:00,630 --> 01:11:58,400

um

1868

01:12:01,510 --> 01:12:00,640

i think the local government does it it

1869

01:12:05,030 --> 01:12:01,520

you know and

1870

01:12:06,709 --> 01:12:05,040

of course in the city of chicago and of

1871

01:12:07,990 --> 01:12:06,719

course some of the publicity that came

1872

01:12:10,470 --> 01:12:08,000

out of it

1873

01:12:12,470 --> 01:12:10,480

i'm quite sure the higher-ups know about

1874

01:12:14,870 --> 01:12:12,480

it as well

1875

01:12:17,270 --> 01:12:14,880

well like you stated you have the one

1876

01:12:19,030 --> 01:12:17,280

lady who works for the airport i mean

1877

01:12:21,590 --> 01:12:19,040

obviously if the airport's talking about

1878

01:12:24,630 --> 01:12:21,600

it and you know it's governed by the faa

1879

01:12:27,350 --> 01:12:24,640

and if you're getting pilots commercial

1880

01:12:29,750 --> 01:12:27,360

airline pipes you're getting pilots and

1881

01:12:30,709 --> 01:12:29,760

ground personnel and now air traffic

1882

01:12:32,470 --> 01:12:30,719

controllers

1883

01:12:34,630 --> 01:12:32,480

seeing this thing and talking about it

1884

01:12:36,470 --> 01:12:34,640

obviously they have to know

1885

01:12:38,470 --> 01:12:36,480

what's going on because i mean these are

1886

01:12:41,830 --> 01:12:38,480

their employees and they have to

1887

01:12:44,790 --> 01:12:41,840

um you know probably get reports filed

1888

01:12:46,550 --> 01:12:44,800

um and even the witness florida air

1889

01:12:48,709 --> 01:12:46,560  
traffic control has said you know

1890

01:12:50,229 --> 01:12:48,719  
people talk about it people have had

1891

01:12:52,550 --> 01:12:50,239  
these you know

1892

01:12:54,709 --> 01:12:52,560  
these uh sightings and they you know

1893

01:12:57,750 --> 01:12:54,719  
they've been told you know not to

1894

01:12:59,590 --> 01:12:57,760  
to say anything so obviously they know

1895

01:13:01,830 --> 01:12:59,600  
but obviously they probably don't want

1896

01:13:03,189 --> 01:13:01,840  
to have you know a mad either a mass

1897

01:13:06,709 --> 01:13:03,199  
panic or a bunch of

1898

01:13:08,149 --> 01:13:06,719  
you know um guys out there with cameras

1899

01:13:09,669 --> 01:13:08,159  
trying to break into the

1900

01:13:11,910 --> 01:13:09,679  
into the facility to see if they can

1901

01:13:13,669 --> 01:13:11,920

find something

1902

01:13:15,189 --> 01:13:13,679

well they already got that they've been

1903

01:13:17,030 --> 01:13:15,199

picking people up

1904

01:13:18,310 --> 01:13:17,040

coming onto the airport grounds trying

1905

01:13:21,830 --> 01:13:18,320

to see this thing

1906

01:13:27,030 --> 01:13:25,189

um yeah that's a piece of advice if you

1907

01:13:28,790 --> 01:13:27,040

are an investigator or wanting to be an

1908

01:13:30,790 --> 01:13:28,800

investigator

1909

01:13:31,990 --> 01:13:30,800

please be respectful and this is for

1910

01:13:33,830 --> 01:13:32,000

somebody who has

1911

01:13:35,350 --> 01:13:33,840

clearance at the airport because i work

1912

01:13:37,750 --> 01:13:35,360

with a trucking company

1913

01:13:40,070 --> 01:13:37,760

i mean they do take security to the

1914

01:13:41,270 --> 01:13:40,080

highest measure over there uh if you are

1915

01:13:42,870 --> 01:13:41,280

on the other side of that fence when

1916

01:13:45,990 --> 01:13:42,880

you're not supposed to be

1917

01:13:47,030 --> 01:13:46,000

you will be arrested um you will hope to

1918

01:13:49,030 --> 01:13:47,040

just be arrested

1919

01:13:51,270 --> 01:13:49,040

if not seen as a threat you can probably

1920

01:13:54,310 --> 01:13:51,280

be dealt with in another way but

1921

01:13:56,229 --> 01:13:54,320

um yeah climbing the fence or trying to

1922

01:13:59,990 --> 01:13:56,239

get into the secure area is gonna

1923

01:14:04,790 --> 01:14:00,000

and bad for you um mossman will be the

1924

01:14:11,430 --> 01:14:07,910

yeah i i imagine so you know

1925

01:14:12,470 --> 01:14:11,440

um i don't know what do you guys have

1926

01:14:16,310 --> 01:14:12,480

any

1927

01:14:19,030 --> 01:14:16,320

as far as

1928

01:14:19,669 --> 01:14:19,040

what what what's the future what are we

1929

01:14:23,510 --> 01:14:19,679

going to

1930

01:14:25,750 --> 01:14:23,520

uh can we do we think we expect

1931

01:14:28,550 --> 01:14:25,760

what's gonna happen is this gonna is

1932

01:14:30,630 --> 01:14:28,560

this something that's gonna continue on

1933

01:14:32,229 --> 01:14:30,640

i mean of course none of us thought this

1934

01:14:32,950 --> 01:14:32,239

thing was going to last as long as it

1935

01:14:35,030 --> 01:14:32,960

did

1936

01:14:37,430 --> 01:14:35,040

you know that first winner after you

1937

01:14:39,830 --> 01:14:37,440

know 2017

1938

01:14:41,350 --> 01:14:39,840

it practically stopped and we thought

1939

01:14:43,510 --> 01:14:41,360

well that's it you know

1940

01:14:45,430 --> 01:14:43,520

this thing is you know and then all of a

1941

01:14:46,870 --> 01:14:45,440

sudden it started picking up again

1942

01:14:48,950 --> 01:14:46,880

and then we started getting these

1943

01:14:49,830 --> 01:14:48,960

sightings uh just like the woodstock

1944

01:14:55,110 --> 01:14:49,840

sighting

1945

01:14:59,430 --> 01:14:57,110

yeah and we started getting all these

1946

01:15:02,470 --> 01:14:59,440

now in the wintertime so

1947

01:15:03,430 --> 01:15:02,480

you know this thing doesn't seem to be

1948

01:15:06,390 --> 01:15:03,440

the weather

1949

01:15:07,990 --> 01:15:06,400

causing any issues with it so i mean

1950

01:15:09,350 --> 01:15:08,000

what do you guys think what do you

1951

01:15:12,229 --> 01:15:09,360

believe

1952

01:15:14,550 --> 01:15:12,239

we're going to expect possibly expect

1953

01:15:16,470 --> 01:15:14,560

what's going to be the future of this

1954

01:15:17,669 --> 01:15:16,480

well you know i i think that the

1955

01:15:21,669 --> 01:15:17,679

sightings

1956

01:15:25,350 --> 01:15:21,679

have slowed down some since 2017

1957

01:15:28,070 --> 01:15:25,360

but when when i say that what's really

1958

01:15:28,630 --> 01:15:28,080

missing from the the the current

1959

01:15:30,870 --> 01:15:28,640

sightings

1960

01:15:33,189 --> 01:15:30,880

and why they seem to have slowed down is

1961

01:15:34,070 --> 01:15:33,199

we're not getting as many misidentified

1962

01:15:38,390 --> 01:15:34,080

bird sightings

1963

01:15:40,709 --> 01:15:38,400

as as we were back in like 2017.

1964

01:15:43,110 --> 01:15:40,719

so the while the sightings have

1965

01:15:44,790 --> 01:15:43,120

seemingly slowed down now really

1966

01:15:46,550 --> 01:15:44,800

what's happening is we're only getting

1967

01:15:50,310 --> 01:15:46,560

the really weird ones

1968

01:15:53,430 --> 01:15:50,320

anymore um as far as

1969

01:15:56,229 --> 01:15:53,440

it uh it ever ending i mean you know

1970

01:15:57,990 --> 01:15:56,239

god like you you said it lon i mean we

1971

01:15:59,590 --> 01:15:58,000

didn't expect it to go this long we

1972

01:16:03,270 --> 01:15:59,600

thought it was over in the

1973

01:16:07,189 --> 01:16:03,280

winter of uh 2017 but uh

1974

01:16:11,189 --> 01:16:07,199

certainly seems to be no end in sight um

1975

01:16:15,270 --> 01:16:11,199

you know i i think that it's easy

1976

01:16:17,189 --> 01:16:15,280

to be discouraged sometimes as far as

1977

01:16:18,870 --> 01:16:17,199

you know not having all of the answers

1978

01:16:22,790 --> 01:16:18,880

that that we we want

1979

01:16:25,030 --> 01:16:22,800

um you know not having a solution to the

1980

01:16:26,709 --> 01:16:25,040

the mystery but i think at the same time

1981

01:16:29,830 --> 01:16:26,719

if you look at everything we've learned

1982

01:16:32,070 --> 01:16:29,840

since spring of 2017 you know we've

1983

01:16:34,470 --> 01:16:32,080

definitely gained some ground like there

1984

01:16:36,790 --> 01:16:34,480

i i think that our our perspectives are

1985

01:16:39,430 --> 01:16:36,800

much more informed now

1986

01:16:39,910 --> 01:16:39,440

than than they they would have been back

1987

01:16:41,430 --> 01:16:39,920

then

1988

01:16:43,990 --> 01:16:41,440

and so i do think we've learned some

1989

01:16:45,910 --> 01:16:44,000

things i think we can expect to continue

1990

01:16:47,990 --> 01:16:45,920

to keep learning things

1991

01:16:49,030 --> 01:16:48,000

and uh and who knows where it's all

1992

01:16:52,630 --> 01:16:49,040

gonna end up

1993

01:16:56,070 --> 01:16:52,640

you know um i i i think that we could

1994

01:16:57,750 --> 01:16:56,080

ultimately end up with with some very uh

1995

01:16:59,350 --> 01:16:57,760

uh important you know maybe even

1996

01:17:02,550 --> 01:16:59,360

paradigm uh

1997

01:17:03,110 --> 01:17:02,560

shifting uh uh perspectives by the time

1998

01:17:06,390 --> 01:17:03,120

this is

1999

01:17:09,669 --> 01:17:06,400

so

2000

01:17:10,310 --> 01:17:09,679

you know for me i'm just gonna try to

2001

01:17:12,149 --> 01:17:10,320

keep

2002

01:17:14,149 --> 01:17:12,159

uh you know chronicling everything as

2003

01:17:16,550 --> 01:17:14,159

best i can and learning and sort of

2004

01:17:19,510 --> 01:17:16,560

growing right along with it frankly i

2005

01:17:21,910 --> 01:17:19,520

i think that's probably the the best i

2006

01:17:25,189 --> 01:17:21,920

can expect

2007

01:17:27,350 --> 01:17:25,199

what about you manuel i i have to

2008

01:17:29,189 --> 01:17:27,360

completely agree with tobias i mean

2009

01:17:30,390 --> 01:17:29,199

you know we didn't think it was going to

2010

01:17:34,149 --> 01:17:30,400

go this far

2011

01:17:36,390 --> 01:17:34,159

um or this long and it seems to be

2012

01:17:37,830 --> 01:17:36,400

gaining more and more speed i mean we're

2013

01:17:39,830 --> 01:17:37,840

now seeing

2014

01:17:41,350 --> 01:17:39,840

reports i mean when the initial reports

2015

01:17:43,990 --> 01:17:41,360

were coming in they were coming in from

2016

01:17:44,550 --> 01:17:44,000

like a small area within the city you

2017

01:17:48,229 --> 01:17:44,560

know

2018

01:17:50,229 --> 01:17:48,239

um

2019

01:17:51,430 --> 01:17:50,239

you know we're seeing people coming out

2020

01:17:54,229 --> 01:17:51,440

of you know

2021

01:17:55,990 --> 01:17:54,239

out to report things that happened 15 20

2022

01:17:59,030 --> 01:17:56,000

years ago

2023

01:18:01,030 --> 01:17:59,040

and you know we're getting into

2024

01:18:02,950 --> 01:18:01,040

you know different types of beings and

2025

01:18:05,990 --> 01:18:02,960

different types of encounters

2026

01:18:09,669 --> 01:18:06,000

uh you know the the bat squats

2027

01:18:12,550 --> 01:18:09,679

one uh being one you know you had the

2028

01:18:13,189 --> 01:18:12,560

the insectoid one that they said the

2029

01:18:15,430 --> 01:18:13,199

gentleman's

2030

01:18:17,270 --> 01:18:15,440

uh saw jumping off the willis tower or

2031

01:18:18,870 --> 01:18:17,280

the pterodactyl one that's seen outside

2032

01:18:22,630 --> 01:18:18,880

the owl nightclub

2033

01:18:24,550 --> 01:18:22,640

um you know i think that

2034

01:18:26,709 --> 01:18:24,560

it's starting it's changing it's

2035

01:18:30,310 --> 01:18:26,719

evolving people are starting to get

2036

01:18:31,830 --> 01:18:30,320

uh more confident you know

2037

01:18:33,830 --> 01:18:31,840

i think in a way called it's kind of

2038

01:18:35,510 --> 01:18:33,840

helped because people you know they've

2039

01:18:36,630 --> 01:18:35,520

stayed home now they can they know they

2040

01:18:38,630 --> 01:18:36,640

have time to read they

2041

01:18:40,070 --> 01:18:38,640

have time to research they see that

2042

01:18:43,030 --> 01:18:40,080

they're not you know

2043

01:18:44,630 --> 01:18:43,040

the oddball standing out there you know

2044

01:18:45,990 --> 01:18:44,640

because they thought they saw something

2045

01:18:47,669 --> 01:18:46,000

they see that it's happening

2046

01:18:49,910 --> 01:18:47,679

and they're they're getting more

2047

01:18:50,470 --> 01:18:49,920

confident and and not afraid to come out

2048

01:18:54,070 --> 01:18:50,480

to us

2049

01:18:57,030 --> 01:18:54,080

um i think the sightings at the airport

2050

01:18:57,990 --> 01:18:57,040

have been really really you know a shift

2051

01:19:00,390 --> 01:18:58,000

because people

2052

01:19:02,229 --> 01:19:00,400

who are who usually would keep their

2053

01:19:04,149 --> 01:19:02,239

mouths shut about this because

2054

01:19:05,750 --> 01:19:04,159

you know they had security clearances or

2055

01:19:07,669 --> 01:19:05,760

they had jobs

2056

01:19:09,830 --> 01:19:07,679

that were they kind of frowned upon you

2057

01:19:11,510 --> 01:19:09,840

know reporting these kinds of things

2058

01:19:13,350 --> 01:19:11,520

especially like pilots

2059

01:19:15,110 --> 01:19:13,360

uh they're seeing this and they're

2060

01:19:16,630 --> 01:19:15,120

talking about it amongst each other and

2061

01:19:19,270 --> 01:19:16,640

they're coming out to us and

2062

01:19:21,350 --> 01:19:19,280

and you know they they do the research

2063

01:19:23,030 --> 01:19:21,360

they see that the investigators

2064

01:19:24,390 --> 01:19:23,040

that are out there researching it they

2065

01:19:25,990 --> 01:19:24,400

come to us and

2066

01:19:30,310 --> 01:19:26,000

and are more than willing to talk to us

2067

01:19:34,149 --> 01:19:32,550

yeah i gotta agree with y'all uh here's

2068

01:19:35,030 --> 01:19:34,159

one quick question i want to put out

2069

01:19:36,390 --> 01:19:35,040

there

2070

01:19:38,470 --> 01:19:36,400

uh do you think these things are

2071

01:19:40,790 --> 01:19:38,480

frightening of us i personally don't

2072

01:19:43,030 --> 01:19:40,800

think they are because they

2073

01:19:44,149 --> 01:19:43,040

they seem pretty bold to me at some some

2074

01:19:47,510 --> 01:19:44,159

points

2075

01:19:50,630 --> 01:19:47,520

uh you know there have been instances

2076

01:19:52,310 --> 01:19:50,640

where they have been seen but it does

2077

01:19:53,750 --> 01:19:52,320

seem like it's just certain people are

2078

01:19:55,990 --> 01:19:53,760

able to see them

2079

01:19:58,870 --> 01:19:56,000

you know uh like the sightings out by

2080

01:20:01,189 --> 01:19:58,880

the planetarium or over there by the

2081

01:20:03,270 --> 01:20:01,199

north of the island uh where all those

2082

01:20:05,990 --> 01:20:03,280

people are out there for the eclipse

2083

01:20:07,830 --> 01:20:06,000

this thing was flying around uh we

2084

01:20:09,510 --> 01:20:07,840

didn't get any reports other than the

2085

01:20:11,590 --> 01:20:09,520

one from that incident and there were

2086

01:20:13,990 --> 01:20:11,600

thousands of people out there

2087

01:20:15,910 --> 01:20:14,000

yeah so you know i you know i don't

2088

01:20:16,950 --> 01:20:15,920

think i don't think if they're afraid of

2089

01:20:20,709 --> 01:20:16,960

us

2090

01:20:22,470 --> 01:20:20,719

but man they they don't really seem to

2091

01:20:24,950 --> 01:20:22,480

be afraid of us at all

2092

01:20:25,510 --> 01:20:24,960

what do you think the boss i would tend

2093

01:20:28,470 --> 01:20:25,520

to agree

2094

01:20:29,430 --> 01:20:28,480

um i i think that the fear in these

2095

01:20:31,669 --> 01:20:29,440

encounters is

2096

01:20:33,270 --> 01:20:31,679

is very much one-sided and it's very

2097

01:20:34,390 --> 01:20:33,280

much on the human side of these

2098

01:20:36,470 --> 01:20:34,400

encounters

2099

01:20:37,910 --> 01:20:36,480

uh whatever these things are whatever

2100

01:20:40,310 --> 01:20:37,920

people are encountering

2101  
01:20:41,430 --> 01:20:40,320  
they don't seem to have any fear at all

2102  
01:20:44,550 --> 01:20:41,440  
ma'am

2103  
01:20:46,070 --> 01:20:44,560  
yep um i honestly think that

2104  
01:20:47,990 --> 01:20:46,080  
yeah it's kind of like what you would

2105  
01:20:50,629 --> 01:20:48,000  
see with sasquatch sightings

2106  
01:20:52,790 --> 01:20:50,639  
you know you know if you get it let's

2107  
01:20:53,270 --> 01:20:52,800  
say if you were to go up on a sasquatch

2108  
01:20:55,430 --> 01:20:53,280  
you know

2109  
01:20:56,790 --> 01:20:55,440  
you're gonna your life expectancy is not

2110  
01:20:58,950 --> 01:20:56,800  
gonna be very long

2111  
01:21:02,149 --> 01:20:58,960  
uh but they're wary of us you know they

2112  
01:21:07,270 --> 01:21:04,709  
maybe not afraid but i would say they

2113  
01:21:10,470 --> 01:21:07,280

know that we can cause more trouble

2114

01:21:11,189 --> 01:21:10,480

uh for them so i don't yeah i don't

2115

01:21:12,870 --> 01:21:11,199

think they are

2116

01:21:14,550 --> 01:21:12,880

because they have not shown any fear

2117

01:21:18,550 --> 01:21:14,560

toward you know

2118

01:21:20,470 --> 01:21:18,560

anybody at all well guys i want to thank

2119

01:21:23,030 --> 01:21:20,480

you for coming on the show

2120

01:21:25,990 --> 01:21:23,040

we uh we will do this again i'm quite

2121

01:21:28,070 --> 01:21:26,000

sure because if things get busy we'll

2122

01:21:29,990 --> 01:21:28,080

you know we'll have reason come on and

2123

01:21:33,270 --> 01:21:30,000

start talking about it but

2124

01:21:37,110 --> 01:21:33,280

again thanks for working with me on this

2125

01:21:40,149 --> 01:21:37,120

and uh being part of the team uh

2126

01:21:41,669 --> 01:21:40,159

we're busy there's there's no two two

2127

01:21:43,350 --> 01:21:41,679

things about that we're always busy

2128

01:21:43,669 --> 01:21:43,360

we've got a lot of weird stuff going on

2129

01:21:46,149 --> 01:21:43,679

so

2130

01:21:47,750 --> 01:21:46,159

uh y'all take easy have a nice weekend

2131

01:21:51,590 --> 01:21:47,760

and i'll be talking to you soon

2132

01:21:54,709 --> 01:21:51,600

sounds good thanks good thank you

2133

01:21:55,189 --> 01:21:54,719

take care now if you have an unexplained

2134

01:21:56,950 --> 01:21:55,199

counter

2135

01:21:59,270 --> 01:21:56,960

sighting feel free to contact me through

2136

01:22:01,030 --> 01:21:59,280

the pharms of monsters blog site

2137

01:22:03,830 --> 01:22:01,040

uh if you're interested in supporting

2138

01:22:06,390 --> 01:22:03,840

phantoms of monsters and arcane radio

2139

01:22:07,270 --> 01:22:06,400

you can use the paypal donation buttons

2140

01:22:09,990 --> 01:22:07,280

on the blog

2141

01:22:11,750 --> 01:22:10,000

on the newsletter i also got links there

2142

01:22:13,110 --> 01:22:11,760

your continued support is always

2143

01:22:15,750 --> 01:22:13,120

appreciated

2144

01:22:18,870 --> 01:22:15,760

our youtube channel beyond explanation

2145

01:22:21,189 --> 01:22:18,880

has new content being added daily

2146

01:22:23,189 --> 01:22:21,199

including the arcane radio arcade

2147

01:22:25,590 --> 01:22:23,199

archive show so

2148

01:22:26,470 --> 01:22:25,600

check it out and make sure you subscribe

2149

01:22:29,030 --> 01:22:26,480

i want to again

2150

01:22:31,350 --> 01:22:29,040

thank uh tobias whalen and emmanuel

2151

01:22:33,669 --> 01:22:31,360

navarette for joining me this evening

2152

01:22:34,629 --> 01:22:33,679

and i want to thank you for listening to

2153

01:22:36,870 --> 01:22:34,639

the show
