9
00:00:35,670 --> 00:00:34,069
upright wolfman scene a campsite near

10
00:00:40,950 --> 00:00:35,680
natick massachusetts

11
00:00:42,709 --> 00:00:40,960
incident happened in the spring of 2006.

12
00:00:44,150 --> 00:00:42,719
there's a wooded area with a portion of

13
00:00:46,069 --> 00:00:44,160

it containing an old abandoned

14

00:00:47,750 --> 00:00:46,079

fenced-off factory that is relatively

15

00:00:49,110 --> 00:00:47,760

near apartment buildings

16

00:00:51,270 --> 00:00:49,120

some of my friends who live at the

17

00:00:53,189 --> 00:00:51,280

apartment complex went about half a mile

18

00:00:55,510 --> 00:00:53,199

into the wooded area for camping

19

00:00:57,510 --> 00:00:55,520

their names will be omitted now before i

20

00:00:59,590 --> 00:00:57,520

go further i must say that my area has

21

00:01:01,910 --> 00:00:59,600

experienced very weird sounds

22

00:01:03,110 --> 00:01:01,920

although in my opinion they are very

23

00:01:04,549 --> 00:01:03,120

unwolf-like

24

00:01:06,630 --> 00:01:04,559

they sound like a woman screaming

25

00:01:09,190 --> 00:01:06,640

crossed with long dog barks

26

00:01:10,950 --> 00:01:09,200

a very indescribable and terrible sound

27

00:01:13,109 --> 00:01:10,960

they come from various directions

28

00:01:14,789 --> 00:01:13,119

though usually from the apartment area

29

00:01:15,590 --> 00:01:14,799

much of the camping trip went normally

30

00:01:17,590 --> 00:01:15,600

for them

31

00:01:19,190 --> 00:01:17,600

however at about us they noticed the cry

32

00:01:21,190 --> 00:01:19,200

from off in the distance

33

00:01:22,789 --> 00:01:21,200

they set up their tent and lights etc

34

00:01:24,310 --> 00:01:22,799

and got into their tents

35

00:01:25,990 --> 00:01:24,320

one had to get up in the midst of the

36

00:01:27,670 --> 00:01:26,000

night to relieve themselves

37

00:01:30,149 --> 00:01:27,680

but when she went outside she got the

38

00:01:31,830 --> 00:01:30,159

overpowering sensation of being watched

39

00:01:33,510 --> 00:01:31,840

she returned inside and roused her

40

00:01:34,870 --> 00:01:33,520

boyfriend to come out with her

41

00:01:36,950 --> 00:01:34,880

when they got out he too felt the

42

00:01:38,950 --> 00:01:36,960

sensation but at the time said he didn't

43

00:01:40,870 --> 00:01:38,960

mention it in order to comfort her

44

00:01:42,389 --> 00:01:40,880

as she was going her boyfriend swears he

45

00:01:43,350 --> 00:01:42,399

saw something walking away from the

46

00:01:44,710 --> 00:01:43,360

campsite

47

00:01:46,950 --> 00:01:44,720

he could see it through the brush to the

48

00:01:49,109 --> 00:01:46,960

right of the tree where she was a large

49

00:01:51,030 --> 00:01:49,119

approximately six foot five to seven

50

00:01:52,710 --> 00:01:51,040

foot in height man-shaped figure

51

00:01:54,550 --> 00:01:52,720

covered in grayish fur sporting

52

00:01:55,830 --> 00:01:54,560

wolf-like features and a bushy tail

53

00:01:57,670 --> 00:01:55,840

swing behind it

54

00:01:59,350 --> 00:01:57,680

he was shocked and ran into the tent

55

00:02:00,389 --> 00:01:59,360

leaving his girlfriend who came running

56

00:02:01,670 --> 00:02:00,399

in a moment later

57

00:02:03,590 --> 00:02:01,680

after hearing the wrestling of the

58

00:02:05,030 --> 00:02:03,600

creature throughout the night they

59

00:02:07,190 --> 00:02:05,040

and the others who awoke during the

60

00:02:08,469 --> 00:02:07,200

commotion stayed awake continuously

61

00:02:09,430 --> 00:02:08,479

thinking they heard the cry in the

62

00:02:11,430 --> 00:02:09,440

distance

63

00:02:12,790 --> 00:02:11,440

they never encountered it again but left

64

00:02:19,670 --> 00:02:12,800

probably in the morning

65

00:02:23,350 --> 00:02:21,750

a bright wolf-like dogman cryptid scene

66

00:02:25,830 --> 00:02:23,360

in east cheyenne wyoming

67

00:02:27,430 --> 00:02:25,840

this occurred in 1992 when i was in my

68

00:02:29,190 --> 00:02:27,440

senior year of high school

69

00:02:31,110 --> 00:02:29,200

i was cruising around at night in a

70

00:02:31,670 --> 00:02:31,120

small area where people used to go four

71

00:02:33,830 --> 00:02:31,680

wheeling

72

00:02:35,030 --> 00:02:33,840

though it is now a developed area this

73

00:02:36,949 --> 00:02:35,040

is an east cheyenne

74

00:02:38,790 --> 00:02:36,959

between the area known as sun valley and

75

00:02:40,710 --> 00:02:38,800

lincoln valley otto salvage

76

00:02:42,790 --> 00:02:40,720

i was driving in an easterly direction

77

00:02:44,710 --> 00:02:42,800

on a dirt road and saw some kind of

78

00:02:47,350 --> 00:02:44,720

wolf-like creature in my headlights

79

00:02:49,670 --> 00:02:47,360

approximately 60 yards in front of me

80

00:02:51,589 --> 00:02:49,680

first thought was coyote but it wasn't

81

00:02:54,309 --> 00:02:51,599

it seriously looked like a werewolf from

82

00:02:55,110 --> 00:02:54,319

the movies i only saw it for five to six

83

00:02:56,869 --> 00:02:55,120

seconds

84

00:02:58,869 --> 00:02:56,879

the thing glanced halfway at me and my

85

00:03:01,110 --> 00:02:58,879

lights reflected on its eyes which were

86

00:03:01,830 --> 00:03:01,120

a bright yellow glow and it ran off over

87

00:03:03,670 --> 00:03:01,840

hill

88

00:03:05,990 --> 00:03:03,680

honestly but it scared the crap out of

89

00:03:06,790 --> 00:03:06,000

me i rolled up both windows and locked

90

00:03:08,710 --> 00:03:06,800

my doors

91

00:03:10,630 --> 00:03:08,720

and started turning my truck to see if i

92

00:03:12,869 --> 00:03:10,640

could catch it on the headlights again

93

00:03:14,390 --> 00:03:12,879

i didn't see it again and i wasn't about

94

00:03:17,350 --> 00:03:14,400

to go out any further

95

00:03:19,030 --> 00:03:17,360

like i said i was scared but curious i

96

00:03:20,949 --> 00:03:19,040

ended up turning around to the nearest

97

00:03:22,949 --> 00:03:20,959

neighborhood by a couple street lumps

98

00:03:24,630 --> 00:03:22,959

unlocked my door and bailed out and

99

00:03:25,990 --> 00:03:24,640

immediately scrambled to the ground to

100

00:03:28,070 --> 00:03:26,000

look under the truck

101
00:03:29,750 --> 00:03:28,080
much like bailing off your bed as a kid

102
00:03:31,589 --> 00:03:29,760
leaping halfway across the room and

103
00:03:33,509 --> 00:03:31,599
jumping down to look under the bed just

104
00:03:35,670 --> 00:03:33,519
to prove there is nothing really there

105
00:03:37,509 --> 00:03:35,680
i still laugh about it i had to look

106
00:03:38,390 --> 00:03:37,519
crazy to anyone in that neighborhood you

107
00:03:40,630 --> 00:03:38,400
saw me

108
00:03:42,710 --> 00:03:40,640
so to best describe what i saw was like

109
00:03:43,589 --> 00:03:42,720
a standing wolf but it was like a movie

110
00:03:45,509 --> 00:03:43,599
werewolf

111
00:03:47,750 --> 00:03:45,519
if it had stood up completely straight

112
00:03:49,670 --> 00:03:47,760
it would have been about six feet tall

113
00:03:50,869 --> 00:03:49,680

it wasn't completely covered with hair

114

00:03:52,869 --> 00:03:50,879

if any at all

115

00:03:55,030 --> 00:03:52,879

i remember it had a dog-like face with

116

00:03:57,589 --> 00:03:55,040

the cheeks huffs and shorter pointy ears

117

00:03:58,869 --> 00:03:57,599

as well as a snout like a dog its arms

118

00:04:00,470 --> 00:03:58,879

were like an orangutan

119

00:04:02,070 --> 00:04:00,480

and its hind legs were shorter than

120

00:04:04,229 --> 00:04:02,080

human like i said

121

00:04:06,070 --> 00:04:04,239

like a movie werewolf except it wasn't

122

00:04:12,830 --> 00:04:06,080

all huge in the shoulders and neck like

123

00:04:16,469 --> 00:04:14,390

nm

124

00:04:18,150 --> 00:04:16,479

menacing orange eyed canine dogman

125

00:04:18,949 --> 00:04:18,160

cryptid encountered near guntersville

126
00:04:21,030 --> 00:04:18,959
alabama

127
00:04:22,629 --> 00:04:21,040
i've always had weird experiences be it

128
00:04:24,550 --> 00:04:22,639
ghosts are strange animals

129
00:04:26,950 --> 00:04:24,560
it just always seems to follow me and my

130
00:04:28,870 --> 00:04:26,960
family we had just recently moved into

131
00:04:30,469 --> 00:04:28,880
an old farmhouse just off the main road

132
00:04:32,629 --> 00:04:30,479
near guntersville alabama

133
00:04:34,310 --> 00:04:32,639
the house comes with 88 acres of land

134
00:04:34,790 --> 00:04:34,320
and only four people live on or near the

135
00:04:36,950 --> 00:04:34,800
land

136
00:04:38,390 --> 00:04:36,960
including us when we first moved and

137
00:04:40,150 --> 00:04:38,400
nothing abnormal happened

138
00:04:42,310 --> 00:04:40,160

it was just a small out of the way house

139

00:04:43,909 --> 00:04:42,320

that seemed like a new start for us all

140

00:04:45,909 --> 00:04:43,919

after a month of us living here we

141

00:04:47,909 --> 00:04:45,919

started hearing strange noises outside

142

00:04:49,749 --> 00:04:47,919

at night but nothing too serious

143

00:04:51,909 --> 00:04:49,759

one night we decided to have a fire and

144

00:04:53,590 --> 00:04:51,919

get drunk well me and a few other guys

145

00:04:54,710 --> 00:04:53,600

that were there that night decided to do

146

00:04:56,390 --> 00:04:54,720

some night fishing

147

00:04:58,150 --> 00:04:56,400

while fishing in the pond that was maybe

148

00:04:58,950 --> 00:04:58,160

a mile into the woods we start hearing

149

00:05:00,230 --> 00:04:58,960

screaming

150

00:05:02,150 --> 00:05:00,240

we just think that it is one of the

151
00:05:03,990 --> 00:05:02,160
girls back at the house so we head back

152
00:05:05,670 --> 00:05:04,000
but on our way back we start noticing

153
00:05:08,310 --> 00:05:05,680
that there is no more sounds

154
00:05:10,070 --> 00:05:08,320
no sounds of nature no birds no crickets

155
00:05:11,749 --> 00:05:10,080
nothing so we stop to listen

156
00:05:13,350 --> 00:05:11,759
as we do this we hear the sounds of

157
00:05:15,749 --> 00:05:13,360
chains rushing towards us

158
00:05:17,430 --> 00:05:15,759
as it gets maybe 15 feet from us i point

159
00:05:17,670 --> 00:05:17,440
a gun at where i think the sound stopped

160
00:05:21,590 --> 00:05:17,680
at

161
00:05:23,590 --> 00:05:21,600
inches from it after a minute passes the

162
00:05:25,590 --> 00:05:23,600
chain sounds rushed towards the house

163
00:05:27,590 --> 00:05:25,600

nothing happened after that until we all

164

00:05:29,590 --> 00:05:27,600

go inside and start going to bed

165

00:05:31,270 --> 00:05:29,600

we all hear a female scream again but

166

00:05:31,909 --> 00:05:31,280

behind it there was a deep distorted

167

00:05:33,830 --> 00:05:31,919

laugh

168

00:05:36,070 --> 00:05:33,840

after that nothing happened but three

169

00:05:38,150 --> 00:05:36,080

weeks later my dad and i go fishing out

170

00:05:39,990 --> 00:05:38,160

at the impound late in the afternoon as

171

00:05:41,909 --> 00:05:40,000

it inches closer to dusk we noticed

172

00:05:42,950 --> 00:05:41,919

three pale wide animals on the opposite

173

00:05:44,710 --> 00:05:42,960

side of the pond

174

00:05:46,550 --> 00:05:44,720

but as soon as we noticed the animals

175

00:05:48,550 --> 00:05:46,560

they're on but instead of running on all

176
00:05:50,310 --> 00:05:48,560
fours like a normal animal they all jump

177
00:05:51,350 --> 00:05:50,320
up to their hind legs and jump eight

178
00:05:53,670 --> 00:05:51,360
feet into a tree

179
00:05:55,270 --> 00:05:53,680
and hop from tree to tree as we see this

180
00:05:57,029 --> 00:05:55,280
we decide to head back home

181
00:05:58,710 --> 00:05:57,039
but on the way back we hear the trees

182
00:06:00,469 --> 00:05:58,720
start rustling and it keeps getting

183
00:06:01,990 --> 00:06:00,479
closer and closer until we get to the

184
00:06:03,909 --> 00:06:02,000
house and lock the doors

185
00:06:05,029 --> 00:06:03,919
i decide to set cams in the woods and

186
00:06:07,110 --> 00:06:05,039
around the house

187
00:06:09,350 --> 00:06:07,120
at first i don't get anything just deer

188
00:06:11,110 --> 00:06:09,360

and coyote until one night a camp

189

00:06:13,270 --> 00:06:11,120

close to the house is moved for hour

190

00:06:15,029 --> 00:06:13,280

then moved back nothing really came of

191

00:06:17,029 --> 00:06:15,039

that until one night recently

192

00:06:19,029 --> 00:06:17,039

after a long day of working i decide to

193

00:06:21,510 --> 00:06:19,039

play a video game with a few friends

194

00:06:23,029 --> 00:06:21,520

at about 11 p.m at night i hear two taps

195

00:06:23,590 --> 00:06:23,039

but i ignore it thinking it was on the

196

00:06:25,590 --> 00:06:23,600

game

197

00:06:27,430 --> 00:06:25,600

it continues till 2 a.m in the morning

198

00:06:29,189 --> 00:06:27,440

periodically every 5 minutes two

199

00:06:31,029 --> 00:06:29,199

consecutive taps would happen

200

00:06:32,309 --> 00:06:31,039

i finally took my headphones off and

201
00:06:34,469 --> 00:06:32,319
hear it at my window

202
00:06:35,430 --> 00:06:34,479
when i look i saw orange eyes seven feet

203
00:06:37,110 --> 00:06:35,440
off the ground

204
00:06:39,029 --> 00:06:37,120
after two minutes of staring at each

205
00:06:40,870 --> 00:06:39,039
other it moved closer to the window and

206
00:06:41,590 --> 00:06:40,880
smiled at me with blood stained daggers

207
00:06:43,430 --> 00:06:41,600
for teeth

208
00:06:45,430 --> 00:06:43,440
its face looked like a pale wolf-like

209
00:06:46,550 --> 00:06:45,440
face with some decay on along the sides

210
00:06:48,070 --> 00:06:46,560
of its head and neck

211
00:06:50,790 --> 00:06:48,080
after doing this it backs away and

212
00:06:52,710 --> 00:06:50,800
leaves now every night something happens

213
00:06:54,230 --> 00:06:52,720

like tonight as i'm riding this it

214

00:06:54,790 --> 00:06:54,240

rushed onto the porch and clawed the

215

00:06:56,550 --> 00:06:54,800

door

216

00:06:58,309 --> 00:06:56,560

as it's doing this it is bellowing out a

217

00:07:00,150 --> 00:06:58,319

laugh that almost sounds like a deranged

218

00:07:02,390 --> 00:07:00,160

madman crossed with a hyena

219

00:07:03,670 --> 00:07:02,400

at this point i'm not sure what to think

220

00:07:10,550 --> 00:07:03,680

are we being hunted

221

00:07:14,950 --> 00:07:12,629

black bipedal cryptid wolf dogman

222

00:07:17,749 --> 00:07:14,960

observed at west grand lake maine

223

00:07:19,990 --> 00:07:17,759

this occurred in september 2016 while

224

00:07:21,990 --> 00:07:20,000

visiting at west grand lake maine

225

00:07:24,150 --> 00:07:22,000

i had been playing with the dogs outside

226

00:07:24,629 --> 00:07:24,160

around dusk the sun was below the tree

227

00:07:26,309 --> 00:07:24,639

line

228

00:07:29,110 --> 00:07:26,319

but there was still plenty of light to

229

00:07:30,629 --> 00:07:29,120

see by and went in to use the bathroom

230

00:07:32,790 --> 00:07:30,639

my husband had been fiddling with a

231

00:07:34,309 --> 00:07:32,800

guitar but wandered into the bathroom

232

00:07:36,950 --> 00:07:34,319

looking like he wanted to say

233

00:07:38,309 --> 00:07:36,960

something he was pale and sweaty kind of

234

00:07:40,870 --> 00:07:38,319

staring into space

235

00:07:42,870 --> 00:07:40,880

so i was naturally concerned he wouldn't

236

00:07:44,550 --> 00:07:42,880

tell me what was wrong at first but i

237

00:07:47,189 --> 00:07:44,560

finally got out of him that he had seen

238

00:07:49,189 --> 00:07:47,199

a huge black wolf walk by the window

239

00:07:50,710 --> 00:07:49,199

i told him it must have been a bear

240

00:07:51,830 --> 00:07:50,720

knowing that there aren't supposed to be

241

00:07:53,670 --> 00:07:51,840

wolves around here

242

00:07:56,469 --> 00:07:53,680

and that the window was too high for any

243

00:07:58,710 --> 00:07:56,479

canine on four legs to walk in front of

244

00:08:00,309 --> 00:07:58,720

he said no but whatever it was i didn't

245

00:08:02,790 --> 00:08:00,319

want the dogs messing with it

246

00:08:04,230 --> 00:08:02,800

so i ran back outside they were still

247

00:08:06,390 --> 00:08:04,240

wrestling in the side yard

248

00:08:08,869 --> 00:08:06,400

oblivious so it was easy to get them

249

00:08:11,189 --> 00:08:08,879

back in and then i had a look around

250

00:08:12,950 --> 00:08:11,199

i didn't see any animal or sign but

251
00:08:14,070 --> 00:08:12,960
noted that the window was even higher

252
00:08:16,469 --> 00:08:14,080
than i thought

253
00:08:19,110 --> 00:08:16,479
when i went back in my husband described

254
00:08:20,629 --> 00:08:19,120
what he had seen as a black bipedal wolf

255
00:08:22,550 --> 00:08:20,639
he said the snout and ears were

256
00:08:24,469 --> 00:08:22,560
wolf-like but that it had yellow eyes

257
00:08:26,390 --> 00:08:24,479
that reminded him more of a cat

258
00:08:27,990 --> 00:08:26,400
i measured the window and the bottom of

259
00:08:30,230 --> 00:08:28,000
it is six feet off the ground

260
00:08:31,909 --> 00:08:30,240
so for anything's head and torso to pass

261
00:08:33,829 --> 00:08:31,919
by it from where he was standing the

262
00:08:34,870 --> 00:08:33,839
animal would have to be more like seven

263
00:08:36,709 --> 00:08:34,880

feet tall

264

00:08:38,630 --> 00:08:36,719

one of our dogs is tall enough if he

265

00:08:40,149 --> 00:08:38,640

stood up on his hind legs but we've

266

00:08:42,870 --> 00:08:40,159

never seen him do that on his

267

00:08:44,149 --> 00:08:42,880

own and he's blue gray with floppy ears

268

00:08:46,710 --> 00:08:44,159

and brown eyes

269

00:08:48,389 --> 00:08:46,720

there aren't any huge black circus dogs

270

00:08:50,470 --> 00:08:48,399

on my road that i know of

271

00:08:52,870 --> 00:08:50,480

my husband is very skeptical of anything

272

00:08:55,030 --> 00:08:52,880

not accepted by the scientific community

273

00:08:56,230 --> 00:08:55,040

but still insists that it wasn't a black

274

00:08:57,509 --> 00:08:56,240

bear he saw

275

00:08:59,269 --> 00:08:57,519

he concluded that he must have

276

00:09:01,509 --> 00:08:59,279

hallucinated the whole thing

277

00:09:04,310 --> 00:09:01,519

two weeks later around the same time of

278

00:09:06,389 --> 00:09:04,320

day my husband saw the same animal

279

00:09:08,070 --> 00:09:06,399

this time he was close to the window and

280

00:09:09,990 --> 00:09:08,080

the animal was further away

281

00:09:12,230 --> 00:09:10,000

running out through a small stand of red

282

00:09:12,710 --> 00:09:12,240

pine he still doesn't believe it was

283

00:09:15,350 --> 00:09:12,720

real

284

00:09:15,829 --> 00:09:15,360

even after seeing it a second time and

285

00:09:18,150 --> 00:09:15,839

then

286

00:09:19,590 --> 00:09:18,160

not sure if this is related about a week

287

00:09:21,750 --> 00:09:19,600

after that i was gardening and my

288

00:09:23,910 --> 00:09:21,760

husband comes out back calling for me

289

00:09:25,509 --> 00:09:23,920

really shook up again he said he was

290

00:09:27,750 --> 00:09:25,519

sitting in his computer chair and

291

00:09:29,590 --> 00:09:27,760

thought i was standing over his shoulder

292

00:09:31,590 --> 00:09:29,600

he said when he looked up it was a black

293

00:09:33,750 --> 00:09:31,600

form like a shadow person

294

00:09:35,110 --> 00:09:33,760

he jumped and it was gone but it scared

295

00:09:37,269 --> 00:09:35,120

the crap out of him

296

00:09:38,949 --> 00:09:37,279

he wanted me to come inside and keep an

297

00:09:40,389 --> 00:09:38,959

eye on him because he was afraid it

298

00:09:41,269 --> 00:09:40,399

meant he was having a stroke or

299

00:09:46,870 --> 00:09:41,279

something

300

00:09:50,310 --> 00:09:49,430
