

ARCANE RADIO 

Exploring the Unexplained 

March 5th, 2015

Dennis Carroll
Folklorist, Paranormal
Researcher, Investigator

1
00:00:03,909 --> 00:00:02,149
and good evening folks good morning good

2
00:00:05,670 --> 00:00:03,919
afternoon whatever time you choose to

3
00:00:06,869 --> 00:00:05,680
listen as always it's shawn the fort

4
00:00:09,910 --> 00:00:06,879
chop forker

5
00:00:12,470 --> 00:00:09,920
joined by lon strickler uh here

6
00:00:14,230 --> 00:00:12,480
at darker day studios broadcasting from

7
00:00:16,550 --> 00:00:14,240
high atop the pajama factory in

8
00:00:17,990 --> 00:00:16,560
williamsport pennsylvania lon how are

9
00:00:21,269 --> 00:00:18,000
you doing tonight

10
00:00:23,349 --> 00:00:21,279
pretty good uh shoveled out last night i

11
00:00:26,390 --> 00:00:23,359
had about a foot of snow

12
00:00:26,790 --> 00:00:26,400
but uh everything's pretty good today a

13
00:00:28,870 --> 00:00:26,800

foot

14

00:00:31,109 --> 00:00:28,880

of snow that's incredible i had nothing

15

00:00:32,790 --> 00:00:31,119

here so i feel fortunate for once yeah

16

00:00:34,229 --> 00:00:32,800

i'm sorry you had to dig out you had a

17

00:00:35,670 --> 00:00:34,239

busy day today i'm sure that didn't make

18

00:00:37,190 --> 00:00:35,680

matters any easier uh

19

00:00:39,350 --> 00:00:37,200

we were in the hospital most of the day

20

00:00:41,670 --> 00:00:39,360

today and you know the roads were not

21

00:00:44,790 --> 00:00:41,680

that great this morning but uh

22

00:00:47,430 --> 00:00:44,800

looks pretty good now

23

00:00:48,709 --> 00:00:47,440

well one thing you can always count on

24

00:00:49,190 --> 00:00:48,719

when you have something to do is bad

25

00:00:51,430 --> 00:00:49,200

weather

26

00:00:54,709 --> 00:00:51,440

absolutely yeah there's no doubt about

27

00:01:00,150 --> 00:00:57,750

lon we've had a busy yeah week

28

00:01:01,910 --> 00:01:00,160

has been somewhat of a busy week and and

29

00:01:03,189 --> 00:01:01,920

we got an awful lot going on i mean

30

00:01:04,710 --> 00:01:03,199

asides from just

31

00:01:06,310 --> 00:01:04,720

you know things going on the personal

32

00:01:09,590 --> 00:01:06,320

time and again i apologize

33

00:01:11,910 --> 00:01:09,600

for our lack of broadcast of the crypto

34

00:01:13,750 --> 00:01:11,920

anomaly show we are still working hard

35

00:01:14,630 --> 00:01:13,760

on it and i hope to get it up sometime

36

00:01:17,510 --> 00:01:14,640

this weekend

37

00:01:18,870 --> 00:01:17,520

and by getting up i mean the show uh not

38

00:01:19,429 --> 00:01:18,880

anything that may need blue pill

39

00:01:22,870 --> 00:01:19,439

induction

40

00:01:24,710 --> 00:01:22,880

so uh we're doing okay there uh again

41

00:01:26,950 --> 00:01:24,720

though busy week lon you and i appeared

42

00:01:28,390 --> 00:01:26,960

on show notes with shannon legro monday

43

00:01:30,230 --> 00:01:28,400

night we had a pretty good time

44

00:01:33,910 --> 00:01:30,240

yeah we did it was a good show i thought

45

00:01:35,830 --> 00:01:33,920

um seemed a lot of people liked it

46

00:01:37,910 --> 00:01:35,840

it was pretty high on their ratings as

47

00:01:39,350 --> 00:01:37,920

well i got a lot of feedback off of it

48

00:01:40,149 --> 00:01:39,360

and i got you know i did get some

49

00:01:42,870 --> 00:01:40,159

stories

50

00:01:44,389 --> 00:01:42,880

because of it as well yeah you were

51
00:01:45,109 --> 00:01:44,399
telling me you got some uh reports

52
00:01:46,630 --> 00:01:45,119
coming in there

53
00:01:48,630 --> 00:01:46,640
we're gonna be uh you're gonna be

54
00:01:50,350 --> 00:01:48,640
investigating i'm sure we'll have some

55
00:01:51,910 --> 00:01:50,360
uh information on

56
00:01:53,510 --> 00:01:51,920
phantomsandmonsters.com of course where

57
00:01:54,310 --> 00:01:53,520
you can find all the good stuff from lon

58
00:01:55,910 --> 00:01:54,320
strickler

59
00:01:58,069 --> 00:01:55,920
the pulse of the paranormal that's what

60
00:02:00,069 --> 00:01:58,079
we call him because of his ability to

61
00:02:02,550 --> 00:02:00,079
get the information and get it up

62
00:02:04,069 --> 00:02:02,560
uh there for the masses to to read you

63
00:02:05,590 --> 00:02:04,079

you folks the listeners the readers

64

00:02:07,030 --> 00:02:05,600

that's what we do these uh

65

00:02:09,669 --> 00:02:07,040

these shows for and that's what lawn

66

00:02:14,309 --> 00:02:09,679

does to blog for to get the paranormal

67

00:02:17,430 --> 00:02:15,830

uh but yeah we did the show with shannon

68

00:02:19,110 --> 00:02:17,440

lee grow and if you go to sasquatch

69

00:02:21,670 --> 00:02:19,120

chronicles dot com

70

00:02:23,750 --> 00:02:21,680

you can sign up and listen now uh i i'm

71

00:02:25,750 --> 00:02:23,760

a member of sasquatch chronicles dot com

72

00:02:28,150 --> 00:02:25,760

i'm a big supporter of the program

73

00:02:29,750 --> 00:02:28,160

and the subprograms they have going on

74

00:02:32,390 --> 00:02:29,760

uh on that website

75

00:02:32,949 --> 00:02:32,400

and uh it's almost a network lawn yeah

76

00:02:36,390 --> 00:02:32,959

it is

77

00:02:38,070 --> 00:02:36,400

yeah and it's a well-done show as well

78

00:02:39,910 --> 00:02:38,080

these folks really take their time and

79

00:02:41,270 --> 00:02:39,920

they really care

80

00:02:42,790 --> 00:02:41,280

about what they're putting out there and

81

00:02:43,910 --> 00:02:42,800

the shows are phenomenal i've been

82

00:02:46,869 --> 00:02:43,920

listening they had one on

83

00:02:49,430 --> 00:02:46,879

the other weekend with a hiker uh and

84

00:02:51,270 --> 00:02:49,440

his buddy that were followed

85

00:02:52,710 --> 00:02:51,280

by a sasquatch creature it was a pretty

86

00:02:54,550 --> 00:02:52,720

compelling story and again i encourage

87

00:02:55,350 --> 00:02:54,560

you to go to sasquatch chronicles dot

88

00:02:57,030 --> 00:02:55,360

com

89

00:02:59,509 --> 00:02:57,040

and sign up and not only can you hear

90

00:03:01,190 --> 00:02:59,519

lon and i's show from monday on the

91

00:03:03,190 --> 00:03:01,200

program show notes with shannon but you

92

00:03:04,390 --> 00:03:03,200

can also hear all the other programming

93

00:03:05,910 --> 00:03:04,400

they have to offer which is

94

00:03:07,910 --> 00:03:05,920

is top notch in my opinion and you're

95

00:03:10,790 --> 00:03:07,920

talking to a guy that pretty much

96

00:03:12,710 --> 00:03:10,800

started sasquatch radio

97

00:03:15,030 --> 00:03:12,720

well yeah i uh i was on actually i was

98

00:03:18,309 --> 00:03:15,040

on sasquatch chronicles

99

00:03:20,710 --> 00:03:18,319

uh i guess a couple weeks after

100

00:03:22,309 --> 00:03:20,720

the uh monsters and mysteries sykesville

101
00:03:25,110 --> 00:03:22,319
monster thing was up

102
00:03:26,070 --> 00:03:25,120
so yeah i mean i i like their format too

103
00:03:27,750 --> 00:03:26,080
of people

104
00:03:30,789 --> 00:03:27,760
calling in are they booking people that

105
00:03:33,110 --> 00:03:30,799
just talk specifically about uh

106
00:03:34,789 --> 00:03:33,120
their encounters and uh it's pretty

107
00:03:36,309 --> 00:03:34,799
interesting stuff

108
00:03:38,229 --> 00:03:36,319
yeah in fact they had you talk about

109
00:03:39,750 --> 00:03:38,239
your encounter again on

110
00:03:41,990 --> 00:03:39,760
monday and i actually talked about my

111
00:03:43,990 --> 00:03:42,000
experience which i don't talk about

112
00:03:45,910 --> 00:03:44,000
too often and uh it was just a good

113
00:03:47,750 --> 00:03:45,920

program i enjoyed it uh from what i've

114

00:03:48,550 --> 00:03:47,760

been reading online folks also seem to

115

00:03:50,470 --> 00:03:48,560

enjoy it

116

00:03:52,229 --> 00:03:50,480

i don't do too many interviews myself

117

00:03:53,190 --> 00:03:52,239

lon so it was a rare opportunity for me

118

00:03:55,110 --> 00:03:53,200

to be on the other side of the

119

00:03:57,429 --> 00:03:55,120

microphone

120

00:03:59,509 --> 00:03:57,439

yeah well you know that may change maybe

121

00:04:01,990 --> 00:03:59,519

you know get more requests

122

00:04:02,869 --> 00:04:02,000

no me i i like to be the man asking the

123

00:04:05,750 --> 00:04:02,879

questions

124

00:04:07,750 --> 00:04:05,760

not the one given the answers but that's

125

00:04:09,270 --> 00:04:07,760

neither here nor there but uh lon

126

00:04:11,509 --> 00:04:09,280

speaking of monsters and mysteries

127

00:04:13,509 --> 00:04:11,519

you've got an upcoming appearance on m2

128

00:04:15,190 --> 00:04:13,519

on march 18th you're going to be talking

129

00:04:16,310 --> 00:04:15,200

about mantis man and folks check your

130

00:04:19,110 --> 00:04:16,320

local your local

131

00:04:20,310 --> 00:04:19,120

listings on destination america lon why

132

00:04:21,030 --> 00:04:20,320

don't you talk about that for a couple

133

00:04:23,430 --> 00:04:21,040

moments

134

00:04:24,230 --> 00:04:23,440

well you know i know i really don't know

135

00:04:26,790 --> 00:04:24,240

what

136

00:04:27,510 --> 00:04:26,800

they're going to put on the show um you

137

00:04:29,189 --> 00:04:27,520

know they did

138

00:04:30,390 --> 00:04:29,199

a lot of interviewing with me i don't

139

00:04:32,870 --> 00:04:30,400

know how much is going to go on there

140

00:04:35,510 --> 00:04:32,880

but basically this was um

141

00:04:36,469 --> 00:04:35,520

this was the ordeal two actual two

142

00:04:39,909 --> 00:04:36,479

different

143

00:04:40,790 --> 00:04:39,919

encounters and then another encounter

144

00:04:43,909 --> 00:04:40,800

but the two

145

00:04:44,629 --> 00:04:43,919

uh the two original encounters were two

146

00:04:47,830 --> 00:04:44,639

fishermen

147

00:04:51,030 --> 00:04:47,840

on um uh

148

00:04:56,230 --> 00:04:51,040

must kind of mess kanakong river up

149

00:04:57,030 --> 00:04:56,240

near a um oh god what was the town i can

150

00:04:59,270 --> 00:04:57,040

forget it

151

00:05:01,110 --> 00:04:59,280

but anyway it was in new jersey uh

152

00:05:05,990 --> 00:05:01,120

western new jersey

153

00:05:08,310 --> 00:05:06,000

and uh you know they they saw this

154

00:05:10,790 --> 00:05:08,320

whatever was a being or something some

155

00:05:14,629 --> 00:05:10,800

type of uh

156

00:05:19,029 --> 00:05:14,639

mantis looking maybe locust looking

157

00:05:19,270 --> 00:05:19,039

creature and it thing disappeared on

158

00:05:22,469 --> 00:05:19,280

them

159

00:05:23,590 --> 00:05:22,479

after they had seen it and the funny

160

00:05:28,310 --> 00:05:23,600

thing was

161

00:05:31,749 --> 00:05:28,320

the one story the one i had gotten

162

00:05:33,749 --> 00:05:31,759

was was a subsequent sighting the

163

00:05:37,350 --> 00:05:33,759

original and original sighting

164

00:05:39,270 --> 00:05:37,360

came in after they read um

165

00:05:40,629 --> 00:05:39,280

someone mentioned it on one of the

166

00:05:43,189 --> 00:05:40,639

forums in uh

167

00:05:43,670 --> 00:05:43,199

in the you know one of the town forums

168

00:05:49,350 --> 00:05:43,680

so

169

00:05:50,830 --> 00:05:49,360

monsters and mysteries got the interview

170

00:05:52,070 --> 00:05:50,840

from both of them plus i got an

171

00:05:55,909 --> 00:05:52,080

interview

172

00:05:58,309 --> 00:05:55,919

from a lady who her and her husband

173

00:05:59,189 --> 00:05:58,319

saw something similar as well at their

174

00:06:01,590 --> 00:05:59,199

mother's house

175

00:06:03,350 --> 00:06:01,600

so i don't know how long this segment's

176
00:06:04,950 --> 00:06:03,360
going to be normally those segments run

177
00:06:06,870 --> 00:06:04,960
anywhere from

178
00:06:09,029 --> 00:06:06,880
15 to 20 minutes so i don't know how

179
00:06:12,469 --> 00:06:09,039
much it's gonna be on there but

180
00:06:14,309 --> 00:06:12,479
it's it's a real strange situation uh

181
00:06:15,909 --> 00:06:14,319
normally when you get the you know these

182
00:06:17,189 --> 00:06:15,919
type of sightings or any type of slide

183
00:06:18,950 --> 00:06:17,199
encrypted site

184
00:06:20,550 --> 00:06:18,960
or even you know maybe it's a

185
00:06:21,189 --> 00:06:20,560
non-terrestrial i don't know what this

186
00:06:24,070 --> 00:06:21,199
was

187
00:06:27,110 --> 00:06:24,080
but to have three different people in

188
00:06:30,469 --> 00:06:27,120

the same area actually confirm it

189

00:06:33,350 --> 00:06:30,479

uh that's pretty interesting it is

190

00:06:36,150 --> 00:06:33,360

and uh you know we've talked about the

191

00:06:38,469 --> 00:06:36,160

mantis men in the past here

192

00:06:39,510 --> 00:06:38,479

uh you know no real explanation for what

193

00:06:41,510 --> 00:06:39,520

they are behind them

194

00:06:43,430 --> 00:06:41,520

uh i always you know jokingly call them

195

00:06:46,390 --> 00:06:43,440

the zindy insectoids from

196

00:06:49,029 --> 00:06:46,400

enterprise that's what they remind me of

197

00:06:50,469 --> 00:06:49,039

but uh folks are seeing them lon you're

198

00:06:51,990 --> 00:06:50,479

reporting on it and now it's going to be

199

00:06:54,150 --> 00:06:52,000

on monsters and mysteries in america

200

00:06:55,430 --> 00:06:54,160

again on march 18th that's this month on

201
00:06:57,830 --> 00:06:55,440
the 18th

202
00:06:59,749 --> 00:06:57,840
check your local listings for show time

203
00:07:01,270 --> 00:06:59,759
uh on the channel destination

204
00:07:04,070 --> 00:07:01,280
america and they'll be talking about

205
00:07:05,749 --> 00:07:04,080
mantis man the spotsville monster and

206
00:07:07,510 --> 00:07:05,759
tornado phantom's lawn which is

207
00:07:07,830 --> 00:07:07,520
something that neither you or i yeah

208
00:07:13,510 --> 00:07:07,840
that's

209
00:07:15,350 --> 00:07:13,520
about but i guess i'll find out

210
00:07:17,510 --> 00:07:15,360
well when we watch the program i guess

211
00:07:19,110 --> 00:07:17,520
we'll have to tune in and uh

212
00:07:20,550 --> 00:07:19,120
and check it out a little bit so we can

213
00:07:22,629 --> 00:07:20,560

maybe talk about it in the future always

214

00:07:26,150 --> 00:07:22,639

learning new stuff every day here on uh

215

00:07:27,430 --> 00:07:26,160

arcane radio uh just every day

216

00:07:29,270 --> 00:07:27,440

i guess every day in general we're

217

00:07:32,550 --> 00:07:29,280

learning something new

218

00:07:34,150 --> 00:07:32,560

yeah we do it's exciting times this is

219

00:07:35,909 --> 00:07:34,160

what we signed up for though when we did

220

00:07:37,670 --> 00:07:35,919

this we said we want we wanted to

221

00:07:38,550 --> 00:07:37,680

explore the strange the unusual in the

222

00:07:41,589 --> 00:07:38,560

unknown

223

00:07:42,230 --> 00:07:41,599

and by god are we getting it yeah yeah

224

00:07:44,790 --> 00:07:42,240

of course

225

00:07:46,550 --> 00:07:44,800

you know all the stuff we do get uh you

226

00:07:49,589 --> 00:07:46,560

know of course the stuff i get

227

00:07:51,270 --> 00:07:49,599

uh nothing's the same i mean there's

228

00:07:53,430 --> 00:07:51,280

always some kind of caveat there

229

00:07:55,670 --> 00:07:53,440

that just sets it apart from everything

230

00:07:59,430 --> 00:07:55,680

else but um

231

00:08:00,869 --> 00:07:59,440

you know this um this particular

232

00:08:03,589 --> 00:08:00,879

like we were talking about this mantis

233

00:08:08,309 --> 00:08:03,599

man this is this is a real unusual one

234

00:08:11,029 --> 00:08:08,319

and uh you know possibly and i'm hoping

235

00:08:12,469 --> 00:08:11,039

that enough people watch it that it gets

236

00:08:14,629 --> 00:08:12,479

out there maybe some other people will

237

00:08:17,029 --> 00:08:14,639

report it

238

00:08:18,950 --> 00:08:17,039

we hope that's all we can ask for a lot

239

00:08:21,589 --> 00:08:18,960

as we hope somebody gets in there

240

00:08:22,710 --> 00:08:21,599

and uh and then starts reporting

241

00:08:24,710 --> 00:08:22,720

reporting these things that's what we

242

00:08:27,270 --> 00:08:24,720

want we want more reports

243

00:08:28,950 --> 00:08:27,280

so lon i backed i don't know if you're

244

00:08:30,950 --> 00:08:28,960

too familiar with uh

245

00:08:33,190 --> 00:08:30,960

our friend seth breedlove my friend seth

246

00:08:36,630 --> 00:08:33,200

breedlove over there at the sas what

247

00:08:39,029 --> 00:08:36,640

a podcast on bigfoot he and the

248

00:08:41,029 --> 00:08:39,039

gentleman from fathom frontiers have put

249

00:08:43,190 --> 00:08:41,039

together a documentary a little

250

00:08:45,269 --> 00:08:43,200

production company small town monsters

251
00:08:48,470 --> 00:08:45,279
and they're doing a feature documentary

252
00:08:51,670 --> 00:08:48,480
on the minerva monster

253
00:08:53,030 --> 00:08:51,680
and kickstarter was they had a project

254
00:08:55,190 --> 00:08:53,040
on kickstarter

255
00:08:56,389 --> 00:08:55,200
that i funded so i'll be getting a

256
00:08:57,509 --> 00:08:56,399
little credit at the end of the movie

257
00:08:59,430 --> 00:08:57,519
and a package of goodies for

258
00:09:01,509 --> 00:08:59,440
kickstarting the project

259
00:09:02,710 --> 00:09:01,519
uh i'm excited about it i can't wait to

260
00:09:04,790 --> 00:09:02,720
see it it's all going to be talking

261
00:09:05,750 --> 00:09:04,800
about the minerva monster flap in the

262
00:09:08,870 --> 00:09:05,760
70s

263
00:09:10,550 --> 00:09:08,880

in the small town of minerva ohio so i'm

264

00:09:11,670 --> 00:09:10,560

anxious to see it we'll get seth on the

265

00:09:16,310 --> 00:09:11,680

show

266

00:09:18,710 --> 00:09:16,320

to talk about it so we can um

267

00:09:20,310 --> 00:09:18,720

we can get folks more tuned in and aware

268

00:09:21,990 --> 00:09:20,320

of the project

269

00:09:25,430 --> 00:09:22,000

so we can uh give these guys some

270

00:09:27,190 --> 00:09:25,440

support oh absolutely i'd be happy

271

00:09:28,790 --> 00:09:27,200

to promote that over fans and monsters

272

00:09:30,550 --> 00:09:28,800

no problem excellent well i'll get them

273

00:09:32,310 --> 00:09:30,560

in touch with you so we can get uh

274

00:09:33,750 --> 00:09:32,320

the ball rolling on some of that a

275

00:09:35,509 --> 00:09:33,760

little late to the game but i've been

276

00:09:37,750 --> 00:09:35,519

i've backed the project as soon as i

277

00:09:39,750 --> 00:09:37,760

found out about it so i'm excited to see

278

00:09:41,590 --> 00:09:39,760

what's going to come to fruition with

279

00:09:42,870 --> 00:09:41,600

this minerva monster i want to see

280

00:09:44,150 --> 00:09:42,880

that's going to premiere at the ohio

281

00:09:45,910 --> 00:09:44,160

bigfoot conference

282

00:09:47,509 --> 00:09:45,920

which i'll be at in may so i'll be able

283

00:09:49,470 --> 00:09:47,519

to give a full recap

284

00:09:50,910 --> 00:09:49,480

on the program as well if you go to the

285

00:09:55,190 --> 00:09:50,920

forkchop.net

286

00:09:56,790 --> 00:09:55,200

you'll be able to read reviews and

287

00:09:58,870 --> 00:09:56,800

commentary i have and lana and i are

288

00:10:01,590 --> 00:09:58,880

going to start adding some things to our

289

00:10:03,190 --> 00:10:01,600

we call it our uh the arcane radio blog

290

00:10:05,190 --> 00:10:03,200

just adding some blurbs on there too

291

00:10:07,990 --> 00:10:05,200

getting you guys

292

00:10:09,670 --> 00:10:08,000

kind of uh abreast of what's going on

293

00:10:12,710 --> 00:10:09,680

and what's going on in our lives i mean

294

00:10:16,310 --> 00:10:12,720

lon does a lot of

295

00:10:18,949 --> 00:10:16,320

uh you do a lot of everyday uh

296

00:10:20,389 --> 00:10:18,959

posting about uh stories and encounters

297

00:10:21,590 --> 00:10:20,399

and everything you get but folks really

298

00:10:23,590 --> 00:10:21,600

don't know

299

00:10:24,949 --> 00:10:23,600

a lot about us as people necessarily a

300

00:10:25,990 --> 00:10:24,959

lot about us behind the scenes so i

301

00:10:27,269 --> 00:10:26,000

thought it might be a good outlet for

302

00:10:27,670 --> 00:10:27,279

them to get to know us just a little bit

303

00:10:29,829 --> 00:10:27,680

we'll

304

00:10:32,069 --> 00:10:29,839

post little fun topical things on there

305

00:10:33,350 --> 00:10:32,079

like shawn and lon's favorite top 10

306

00:10:35,190 --> 00:10:33,360

this so they get to know us a little bit

307

00:10:36,870 --> 00:10:35,200

i think that'd be fun okay

308

00:10:40,069 --> 00:10:36,880

yeah that sounds cool and if they don't

309

00:10:43,750 --> 00:10:41,790

but of course you go to our website

310

00:10:45,430 --> 00:10:43,760

arcaneradio.com and through the website

311

00:10:47,110 --> 00:10:45,440

you can like us on twitter

312

00:10:49,990 --> 00:10:47,120

google plus yes people are still using

313

00:10:53,350 --> 00:10:50,000

google plus and facebook

314

00:10:55,110 --> 00:10:53,360

and uh i'm a social media uh whoever

315

00:10:56,389 --> 00:10:55,120

uh i guess one would say i'm socially

316

00:10:58,069 --> 00:10:56,399

active so

317

00:11:01,269 --> 00:10:58,079

uh you can usually find me on social

318

00:11:04,550 --> 00:11:01,279

media at some point during the day

319

00:11:06,630 --> 00:11:04,560

uh speaking of social media and events

320

00:11:07,750 --> 00:11:06,640

uh the paranormal round table coming up

321

00:11:11,269 --> 00:11:07,760

on april 18th

322

00:11:14,069 --> 00:11:11,279

2015 from 9 00 a.m to 8 p.m

323

00:11:16,750 --> 00:11:14,079

at the alberta area community center 220

324

00:11:19,990 --> 00:11:16,760

west 2nd street alberta's pa

325

00:11:22,949 --> 00:11:20,000

18011 tickets are 15

326

00:11:24,550 --> 00:11:22,959

online or 20 at the door uh it's a

327

00:11:26,069 --> 00:11:24,560

paranormal round table

328

00:11:28,470 --> 00:11:26,079

uh it's a round table discussion on

329

00:11:29,030 --> 00:11:28,480

ghost paranormal cryptozoology ufos in

330

00:11:31,350 --> 00:11:29,040

the high

331

00:11:33,590 --> 00:11:31,360

and the cases of high strangeness and

332

00:11:35,430 --> 00:11:33,600

pennsylvania and audience participation

333

00:11:37,829 --> 00:11:35,440

and open farm questions

334

00:11:39,350 --> 00:11:37,839

featuring ghost hunters incorporated the

335

00:11:42,069 --> 00:11:39,360

keystone bigfoot project

336

00:11:43,829 --> 00:11:42,079

legend hunters phantoms and monsters 14

337

00:11:46,230 --> 00:11:43,839

research that's you and me lawn

338

00:11:47,750 --> 00:11:46,240

uh ufo research center of pennsylvania

339

00:11:50,389 --> 00:11:47,760

uh which is butch buckowski

340

00:11:51,829 --> 00:11:50,399

are the man putting this on he's a good

341

00:11:55,590 --> 00:11:51,839

guy we we like butch

342

00:11:58,949 --> 00:11:55,600

a lot tickets available at alh

343

00:12:02,069 --> 00:11:58,959

eight credit cards are accepted

344

00:12:03,110 --> 00:12:02,079

limited supply of 300 people on yeah and

345

00:12:05,269 --> 00:12:03,120

i i you know i

346

00:12:06,389 --> 00:12:05,279

have it well i did talk to butch a

347

00:12:08,710 --> 00:12:06,399

little bit but he

348

00:12:09,829 --> 00:12:08,720

uh he's been kind of out of touch he had

349

00:12:12,870 --> 00:12:09,839

a death in the family

350

00:12:14,949 --> 00:12:12,880

not long ago and uh you know he's

351

00:12:16,389 --> 00:12:14,959

just trying to get back in order but i i

352

00:12:17,670 --> 00:12:16,399

don't know how many that have been sold

353

00:12:19,590 --> 00:12:17,680

so far

354

00:12:20,710 --> 00:12:19,600

so uh maybe we can get an update on that

355

00:12:23,190 --> 00:12:20,720

sometime soon

356

00:12:24,790 --> 00:12:23,200

well we hope to kind of get the folks an

357

00:12:26,150 --> 00:12:24,800

idea of what's going to be going on and

358

00:12:27,509 --> 00:12:26,160

you and i get an idea of what's going on

359

00:12:28,870 --> 00:12:27,519

so we can be well prepared for this

360

00:12:30,790 --> 00:12:28,880

because tentatively

361

00:12:32,150 --> 00:12:30,800

you and i are both going to be there

362

00:12:33,990 --> 00:12:32,160

yeah so uh

363

00:12:35,350 --> 00:12:34,000

i'm excited about this alone we don't do

364

00:12:39,269 --> 00:12:35,360

too much

365

00:12:42,870 --> 00:12:39,279

in the world of uh public uh

366

00:12:44,629 --> 00:12:42,880

events and uh uh but we're starting to

367

00:12:46,150 --> 00:12:44,639

get there a little bit you and i really

368

00:12:48,629 --> 00:12:46,160

i mean aside from interviews and

369

00:12:51,269 --> 00:12:48,639

everything not really publicity [h__\h]

370

00:12:52,069 --> 00:12:51,279

no i wouldn't i wouldn't say so though

371

00:12:53,910 --> 00:12:52,079

you know i don't

372

00:12:55,269 --> 00:12:53,920

mind putting things up on facebook and

373

00:12:57,030 --> 00:12:55,279

on the blog once well

374

00:12:59,269 --> 00:12:57,040

but other than that i'm not sure my face

375

00:13:00,790 --> 00:12:59,279

all over the place yeah no i mean aside

376
00:13:02,550 --> 00:13:00,800
from the you know couple interviews you

377
00:13:04,629 --> 00:13:02,560
do i don't do too many interviews and i

378
00:13:05,990 --> 00:13:04,639
i haven't done tv and you know me i

379
00:13:09,350 --> 00:13:06,000
struggle with actually wanting to do

380
00:13:11,110 --> 00:13:09,360
tv so uh this is our preferred medium

381
00:13:12,949 --> 00:13:11,120
our radio show where we kind of control

382
00:13:14,629 --> 00:13:12,959
the conversation and we get to talk

383
00:13:15,030 --> 00:13:14,639
about what uh what's really important to

384
00:13:16,389 --> 00:13:15,040
us

385
00:13:19,110 --> 00:13:16,399
and what's important to you the

386
00:13:20,870 --> 00:13:19,120
listeners and folks we always strive for

387
00:13:22,710 --> 00:13:20,880
uh you know bringing you the best show

388
00:13:24,470 --> 00:13:22,720

possible in terms of information and

389

00:13:26,710 --> 00:13:24,480

quality so as always if you have any

390

00:13:28,150 --> 00:13:26,720

questions comments concerns or ideas

391

00:13:31,310 --> 00:13:28,160

send them to us

392

00:13:32,470 --> 00:13:31,320

arcane radio it's info at

393

00:13:35,430 --> 00:13:32,480

arcaneradio.com

394

00:13:36,629 --> 00:13:35,440

info arcane radio dot com and i check

395

00:13:38,949 --> 00:13:36,639

that email

396

00:13:39,990 --> 00:13:38,959

every time it goes to my phone so which

397

00:13:43,350 --> 00:13:40,000

is quite often

398

00:13:45,189 --> 00:13:43,360

so we get uh updated frequently from

399

00:13:47,269 --> 00:13:45,199

what people want to hear but we need you

400

00:13:49,430 --> 00:13:47,279

to start telling us so we can make the

401
00:13:53,030 --> 00:13:49,440
show better

402
00:13:53,829 --> 00:13:53,040
any input lon well no not really you

403
00:13:57,509 --> 00:13:53,839
know i i

404
00:14:00,629 --> 00:13:57,519
i did what i did want to mention uh

405
00:14:02,310 --> 00:14:00,639
uh a signing report i did receive now

406
00:14:05,110 --> 00:14:02,320
it's not a recent signing report

407
00:14:07,430 --> 00:14:05,120
but it was from someone who had heard

408
00:14:10,790 --> 00:14:07,440
the show we had with shannon

409
00:14:12,150 --> 00:14:10,800
and uh as a result i i did receive a lot

410
00:14:15,189 --> 00:14:12,160
of inquiries

411
00:14:16,949 --> 00:14:15,199
and a few signing accounts by email but

412
00:14:17,990 --> 00:14:16,959
this one report in particular caught my

413
00:14:21,189 --> 00:14:18,000

attention so

414

00:14:23,990 --> 00:14:21,199

i followed up on it and

415

00:14:25,430 --> 00:14:24,000

this is uh it's from uh lake barkley

416

00:14:30,870 --> 00:14:25,440

kentucky

417

00:14:33,430 --> 00:14:30,880

she said hi lana i enjoyed the interview

418

00:14:35,350 --> 00:14:33,440

you you and sean gave with shannon

419

00:14:37,829 --> 00:14:35,360

i'm one of those eyewitnesses who has a

420

00:14:40,710 --> 00:14:37,839

refrain from talking about my sighting

421

00:14:42,710 --> 00:14:40,720

but here it goes i currently live in

422

00:14:45,990 --> 00:14:42,720

southern illinois my husband

423

00:14:46,310 --> 00:14:46,000

i grew up in rural line county kentucky

424

00:14:53,829 --> 00:14:46,320

and

425

00:14:57,590 --> 00:14:53,839

many weekends fishing one early

426
00:14:59,670 --> 00:14:57,600
april 2001 morning when i was 14

427
00:15:01,590 --> 00:14:59,680
we pulled the boat out of the slip we

428
00:15:02,150 --> 00:15:01,600
pulled the boat out of the slip and

429
00:15:05,189 --> 00:15:02,160
headed

430
00:15:07,509 --> 00:15:05,199
south into lake barkley

431
00:15:08,870 --> 00:15:07,519
it was an extremely overcast day with a

432
00:15:11,509 --> 00:15:08,880
heavy fog

433
00:15:11,990 --> 00:15:11,519
in fact we almost canceled that day

434
00:15:14,629 --> 00:15:12,000
about an

435
00:15:16,550 --> 00:15:14,639
hour after we moved into the river the

436
00:15:18,550 --> 00:15:16,560
sun broke through the clouds and the fog

437
00:15:19,670 --> 00:15:18,560
started to lift so dad said he wanted to

438
00:15:21,350 --> 00:15:19,680

try out

439

00:15:24,790 --> 00:15:21,360

the brush piles in one of the shallow

440

00:15:27,670 --> 00:15:24,800

bays off the land between the lakes area

441

00:15:29,350 --> 00:15:27,680

now dad pulled into one of the bays and

442

00:15:31,350 --> 00:15:29,360

dropped anchor

443

00:15:33,350 --> 00:15:31,360

we then started fishing off the brush

444

00:15:35,509 --> 00:15:33,360

piles i can remember

445

00:15:37,670 --> 00:15:35,519

that we were landing crappies and were

446

00:15:39,910 --> 00:15:37,680

having a very good morning

447

00:15:42,710 --> 00:15:39,920

after an hour things slowed down so we

448

00:15:45,990 --> 00:15:42,720

decided to have some lunch

449

00:15:47,269 --> 00:15:46,000

we sat in the boat eating about 100

450

00:15:50,389 --> 00:15:47,279

yards excuse me

451
00:15:51,430 --> 00:15:50,399
100 foot from shore i think it was close

452
00:15:54,470 --> 00:15:51,440
to noon but i'm not

453
00:15:56,470 --> 00:15:54,480
positive we had finished eating and dad

454
00:16:00,150 --> 00:15:56,480
started to pull the anchor when we heard

455
00:16:01,509 --> 00:16:00,160
a loud splash we looked towards the

456
00:16:03,910 --> 00:16:01,519
brush pile

457
00:16:05,509 --> 00:16:03,920
and again there was a large and loud

458
00:16:07,350 --> 00:16:05,519
splash

459
00:16:08,870 --> 00:16:07,360
dad thought someone was throwing rocks

460
00:16:11,749 --> 00:16:08,880
so he said that we

461
00:16:12,949 --> 00:16:11,759
needed to find another location we

462
00:16:14,870 --> 00:16:12,959
started to pull

463
00:16:15,990 --> 00:16:14,880

off towards the main lake when i

464

00:16:19,110 --> 00:16:16,000

happened to catch

465

00:16:20,310 --> 00:16:19,120

a look at a man walking along the shore

466

00:16:23,670 --> 00:16:20,320

after

467

00:16:26,629 --> 00:16:23,680

it walked from behind the brush pile

468

00:16:27,749 --> 00:16:26,639

then i noticed that this was not a man

469

00:16:31,350 --> 00:16:27,759

because i had hair

470

00:16:33,749 --> 00:16:31,360

over its entire body it was a bigfoot

471

00:16:35,990 --> 00:16:33,759

i yelled at dad and he looked as i

472

00:16:37,990 --> 00:16:36,000

pointed towards it

473

00:16:40,069 --> 00:16:38,000

he cut the motor off and we sat there

474

00:16:40,949 --> 00:16:40,079

watching the bigfoot throwing rocks into

475

00:16:42,389 --> 00:16:40,959

the water

476

00:16:44,310 --> 00:16:42,399

it looked like it was trying to hit

477

00:16:46,230 --> 00:16:44,320

something

478

00:16:48,150 --> 00:16:46,240

we watched for several minutes as the

479

00:16:51,189 --> 00:16:48,160

bigfoot moved in and out of the brush

480

00:16:52,550 --> 00:16:51,199

on shore dad wanted to get closer so he

481

00:16:55,269 --> 00:16:52,560

could take a picture on his

482

00:16:56,870 --> 00:16:55,279

on his phone but i was scared and begged

483

00:16:58,790 --> 00:16:56,880

him to leave

484

00:17:01,910 --> 00:16:58,800

the water was shallow and i was afraid

485

00:17:04,390 --> 00:17:01,920

it would get mad and attack us

486

00:17:06,069 --> 00:17:04,400

we tried to get a he tried to get a

487

00:17:07,990 --> 00:17:06,079

photo but for some reason the phone

488

00:17:10,549 --> 00:17:08,000

wasn't working correctly

489

00:17:12,230 --> 00:17:10,559

we then noticed that there were small

490

00:17:13,669 --> 00:17:12,240

there was a smaller boat heading toward

491

00:17:17,350 --> 00:17:13,679

us

492

00:17:19,510 --> 00:17:17,360

there was a man on the motor as he came

493

00:17:20,549 --> 00:17:19,520

near he cut the motor and looked towards

494

00:17:22,230 --> 00:17:20,559

the bigfoot

495

00:17:23,590 --> 00:17:22,240

he definitely saw it because he looked

496

00:17:27,270 --> 00:17:23,600

back at us

497

00:17:29,110 --> 00:17:27,280

with a surprise look on his face

498

00:17:31,830 --> 00:17:29,120

dad was alarmed and said that we were

499

00:17:33,750 --> 00:17:31,840

leaving by that time he was upset that

500

00:17:35,270 --> 00:17:33,760

someone else had seen us observing the

501
00:17:37,430 --> 00:17:35,280
bigfoot

502
00:17:39,190 --> 00:17:37,440
he recognized the man in the boat my dad

503
00:17:42,230 --> 00:17:39,200
was well known in the area

504
00:17:44,549 --> 00:17:42,240
and he was worried that would hap

505
00:17:48,310 --> 00:17:44,559
what would happen if his name was

506
00:17:50,549 --> 00:17:48,320
associated with a bigfoot sighting

507
00:17:51,990 --> 00:17:50,559
when we got home that evening i told mom

508
00:17:55,430 --> 00:17:52,000
what we saw

509
00:17:57,270 --> 00:17:55,440
well

510
00:17:59,510 --> 00:17:57,280
that's as far as the story won i was

511
00:18:01,750 --> 00:17:59,520
told to never tell anyone

512
00:18:03,750 --> 00:18:01,760
what we saw had seen because it would

513
00:18:05,750 --> 00:18:03,760

create problems

514

00:18:07,590 --> 00:18:05,760

i told the story to my husband not long

515

00:18:08,630 --> 00:18:07,600

after we were married his reaction was

516

00:18:10,310 --> 00:18:08,640

favorable

517

00:18:12,070 --> 00:18:10,320

and he has showed interest in what we

518

00:18:14,230 --> 00:18:12,080

saw

519

00:18:15,990 --> 00:18:14,240

i guess we can refer to ourselves as

520

00:18:17,909 --> 00:18:16,000

bigfoot enthusiasts

521

00:18:20,630 --> 00:18:17,919

this is why we listened to you and sean

522

00:18:24,070 --> 00:18:20,640

because we were aware of your encounter

523

00:18:25,750 --> 00:18:24,080

and have listened to your podcast

524

00:18:28,150 --> 00:18:25,760

and that's my story i wish to remain

525

00:18:31,590 --> 00:18:28,160

anonymous mostly because my parents

526

00:18:35,590 --> 00:18:31,600

fear of ridicule thanks for reading so

527

00:18:39,029 --> 00:18:35,600

i got a hold of uh her initial d e

528

00:18:40,630 --> 00:18:39,039

and i got a hold of d e i contacted d

529

00:18:42,390 --> 00:18:40,640

in order to get a description of the

530

00:18:44,070 --> 00:18:42,400

bigfoot she really didn't give me any

531

00:18:46,870 --> 00:18:44,080

description in the original

532

00:18:47,430 --> 00:18:46,880

letter so um she states that it was

533

00:18:49,830 --> 00:18:47,440

about

534

00:18:51,990 --> 00:18:49,840

six and a half to seven foot tall and

535

00:18:55,029 --> 00:18:52,000

very broad in the shoulders the hair was

536

00:18:57,590 --> 00:18:55,039

very thick and dark brown

537

00:19:00,150 --> 00:18:57,600

she could not estimate a weight i asked

538

00:19:01,510 --> 00:19:00,160

if it was bipedal the entire time

539

00:19:03,909 --> 00:19:01,520

that she observed it which she

540

00:19:06,549 --> 00:19:03,919

acknowledged it was

541

00:19:08,789 --> 00:19:06,559

uh she believes that they viewed the

542

00:19:10,789 --> 00:19:08,799

bigfoot for almost 10 minutes

543

00:19:12,630 --> 00:19:10,799

which you know i believe a fairly

544

00:19:16,230 --> 00:19:12,640

remarkable long period of time

545

00:19:18,789 --> 00:19:16,240

and uh now i asked her if she was aware

546

00:19:21,430 --> 00:19:18,799

of the supernatural war in the area

547

00:19:23,190 --> 00:19:21,440

particularly the beast the beast of the

548

00:19:26,789 --> 00:19:23,200

land between the lakes

549

00:19:30,150 --> 00:19:26,799

which is the uh supposed

550

00:19:31,190 --> 00:19:30,160

canine cryptid that runs around in that

551
00:19:32,710 --> 00:19:31,200
area

552
00:19:35,830 --> 00:19:32,720
and she what she didn't knowing about

553
00:19:41,029 --> 00:19:37,350
i don't know you know that's what i got

554
00:19:45,990 --> 00:19:42,630
it's interesting was she they were on

555
00:19:49,190 --> 00:19:46,000
the water in a boat yeah

556
00:19:52,549 --> 00:19:49,200
i had i had a bigfoot sighting

557
00:19:55,830 --> 00:19:52,559
a few years ago up in wisconsin

558
00:19:58,310 --> 00:19:55,840
uh from fisherman

559
00:19:59,990 --> 00:19:58,320
where they saw it on the uh and that was

560
00:20:03,270 --> 00:20:00,000
actually i think that was a group

561
00:20:05,190 --> 00:20:03,280
a group of three that was seen i forget

562
00:20:08,310 --> 00:20:05,200
the name of the lake

563
00:20:09,990 --> 00:20:08,320

but uh yeah this one in this

564

00:20:11,990 --> 00:20:10,000

report in that report have been the only

565

00:20:15,350 --> 00:20:12,000

two i've ever received

566

00:20:17,029 --> 00:20:15,360

from people's on a boat

567

00:20:21,270 --> 00:20:17,039

i haven't heard too many and they also

568

00:20:22,950 --> 00:20:21,280

describe the actual um

569

00:20:24,390 --> 00:20:22,960

what am i trying the activity of rock

570

00:20:26,149 --> 00:20:24,400

throwing at something in the water

571

00:20:28,149 --> 00:20:26,159

probably trying to fish or get something

572

00:20:30,870 --> 00:20:28,159

to eat possibly

573

00:20:32,230 --> 00:20:30,880

definitely a good uh a good uh

574

00:20:35,350 --> 00:20:32,240

eyewitness report

575

00:20:40,390 --> 00:20:35,360

yeah um you know that was you know what

576

00:20:43,110 --> 00:20:40,400

14 years ago but still uh

577

00:20:43,990 --> 00:20:43,120

you know it's uh it's pretty compelling

578

00:20:46,149 --> 00:20:44,000

report

579

00:20:48,549 --> 00:20:46,159

now of course we've all heard of the you

580

00:20:52,230 --> 00:20:48,559

know the legends of the area

581

00:20:53,110 --> 00:20:52,240

uh but you know she and she wasn't even

582

00:20:55,190 --> 00:20:53,120

aware of that

583

00:20:56,789 --> 00:20:55,200

so you know i don't know what that was

584

00:20:58,870 --> 00:20:56,799

all about i thought everybody around

585

00:21:00,789 --> 00:20:58,880

there knew that story but

586

00:21:02,310 --> 00:21:00,799

apparently she didn't so i don't think

587

00:21:05,750 --> 00:21:02,320

her parents

588

00:21:08,230 --> 00:21:05,760

were probably into the cryptid folklore

589

00:21:10,149 --> 00:21:08,240

that much they weren't happy about you

590

00:21:14,310 --> 00:21:10,159

know seeing that bigfoot so

591

00:21:15,830 --> 00:21:14,320

um yeah so i can understand why it

592

00:21:17,909 --> 00:21:15,840

wasn't reported

593

00:21:19,430 --> 00:21:17,919

with like people in that area though lon

594

00:21:22,710 --> 00:21:19,440

and people in some of these more

595

00:21:24,470 --> 00:21:22,720

rural communities uh they don't like to

596

00:21:26,630 --> 00:21:24,480

talk about this stuff too often

597

00:21:28,310 --> 00:21:26,640

uh you know very conservative areas

598

00:21:29,590 --> 00:21:28,320

where they don't like to put their

599

00:21:31,510 --> 00:21:29,600

credibility on the line

600

00:21:33,110 --> 00:21:31,520

and i think oftentimes we forget that

601
00:21:35,029 --> 00:21:33,120
and that's why i'm glad we do arcane

602
00:21:36,390 --> 00:21:35,039
radio to get the word out there and

603
00:21:38,390 --> 00:21:36,400
you know they have an outlet like

604
00:21:40,310 --> 00:21:38,400
phantoms and monsters to report this

605
00:21:41,909 --> 00:21:40,320
stuff to because

606
00:21:43,190 --> 00:21:41,919
who else they going to talk to you know

607
00:21:43,990 --> 00:21:43,200
i mean where else is this information

608
00:21:45,190 --> 00:21:44,000
going to go besides

609
00:21:46,470 --> 00:21:45,200
nowhere they're going to take it to the

610
00:21:47,909 --> 00:21:46,480
grave because they're not going to talk

611
00:21:49,510 --> 00:21:47,919
to their neighbors about it

612
00:21:51,110 --> 00:21:49,520
unless usually someone sparks that

613
00:21:51,669 --> 00:21:51,120

conversation first you know what i'm

614

00:21:53,909 --> 00:21:51,679

saying

615

00:21:54,870 --> 00:21:53,919

somebody somebody initially initiates

616

00:21:57,510 --> 00:21:54,880

that

617

00:21:59,029 --> 00:21:57,520

and i just wonder how many reports are

618

00:22:00,549 --> 00:21:59,039

out there that we don't have because of

619

00:22:02,310 --> 00:22:00,559

those attitudes so the more we can

620

00:22:03,350 --> 00:22:02,320

provide something like this and an

621

00:22:05,110 --> 00:22:03,360

outlet

622

00:22:07,190 --> 00:22:05,120

uh i think it's a much greater service

623

00:22:08,789 --> 00:22:07,200

than what we um than what we think we're

624

00:22:10,950 --> 00:22:08,799

doing out here on the program and

625

00:22:13,110 --> 00:22:10,960

different avenues we have going

626

00:22:14,230 --> 00:22:13,120

yeah i agree with you i do i do agree

627

00:22:16,470 --> 00:22:14,240

with you because there is uh

628

00:22:17,350 --> 00:22:16,480

it's like pulling t sometimes with

629

00:22:19,190 --> 00:22:17,360

people you know i

630

00:22:20,390 --> 00:22:19,200

you know they do get enough courage

631

00:22:22,310 --> 00:22:20,400

sometimes

632

00:22:23,909 --> 00:22:22,320

to give you a cursory report of

633

00:22:24,789 --> 00:22:23,919

something but then they won't go beyond

634

00:22:25,909 --> 00:22:24,799

that

635

00:22:28,230 --> 00:22:25,919

and of course they're not going to tell

636

00:22:30,230 --> 00:22:28,240

you who they are so you know

637

00:22:31,830 --> 00:22:30,240

you get very little out of that and you

638

00:22:33,350 --> 00:22:31,840

know then it's hard

639

00:22:35,110 --> 00:22:33,360

to even get anybody to believe what was

640

00:22:37,590 --> 00:22:35,120

going on i mean it's good for records

641

00:22:40,070 --> 00:22:37,600

but other than that it's not much to it

642

00:22:41,430 --> 00:22:40,080

but um you know that's why i try to

643

00:22:43,750 --> 00:22:41,440

follow up with people

644

00:22:44,710 --> 00:22:43,760

because i never know what else i'm going

645

00:22:47,669 --> 00:22:44,720

to get

646

00:22:49,270 --> 00:22:47,679

out of them of course this this report i

647

00:22:51,029 --> 00:22:49,280

had to get ahold of her because

648

00:22:53,190 --> 00:22:51,039

she really didn't give me a description

649

00:22:56,070 --> 00:22:53,200

and i wanted to see what she had to say

650

00:22:56,950 --> 00:22:56,080

but uh you know that that is a good

651
00:23:00,149 --> 00:22:56,960
thing about

652
00:23:02,149 --> 00:23:00,159
trying to follow up because uh you know

653
00:23:02,710 --> 00:23:02,159
you you can find out other information

654
00:23:04,470 --> 00:23:02,720
which is

655
00:23:06,830 --> 00:23:04,480
you know that's that's what

656
00:23:11,110 --> 00:23:06,840
investigating is all about

657
00:23:14,149 --> 00:23:12,470
you know me i don't like to miss

658
00:23:15,830 --> 00:23:14,159
opportunities like this when we don't

659
00:23:18,390 --> 00:23:15,840
have to when we have something we can

660
00:23:20,149 --> 00:23:18,400
jump on and talk to and especially if

661
00:23:22,070 --> 00:23:20,159
it's in my area i don't mind going out

662
00:23:24,310 --> 00:23:22,080
to check these things

663
00:23:25,830 --> 00:23:24,320

check these things out get them going i

664

00:23:28,549 --> 00:23:25,840

we need these reports to keep the

665

00:23:30,710 --> 00:23:28,559

research fresh

666

00:23:32,230 --> 00:23:30,720

yeah and you know actually the reports

667

00:23:35,990 --> 00:23:32,240

coming into uh

668

00:23:38,230 --> 00:23:36,000

pbs have been fairly steady and uh

669

00:23:39,110 --> 00:23:38,240

you know of course you know we get we

670

00:23:41,830 --> 00:23:39,120

got our uh

671

00:23:42,230 --> 00:23:41,840

an email when one comes in now i'm not

672

00:23:43,909 --> 00:23:42,240

saying

673

00:23:45,990 --> 00:23:43,919

oh i'm not the greatest but you know

674

00:23:47,029 --> 00:23:46,000

they we have been getting some decent

675

00:23:48,950 --> 00:23:47,039

reports

676

00:23:50,070 --> 00:23:48,960

well we have uh recently we've been

677

00:23:51,510 --> 00:23:50,080

getting some good ones and

678

00:23:54,070 --> 00:23:51,520

and you know let's see if they come to

679

00:23:55,830 --> 00:23:54,080

fruition and what comes of these

680

00:23:57,269 --> 00:23:55,840

uh what comes of these things at least

681

00:23:59,430 --> 00:23:57,279

we're taking the shots you know i mean

682

00:24:02,950 --> 00:23:59,440

we're following up on what's coming out

683

00:24:06,230 --> 00:24:02,960

and to me that's really important

684

00:24:08,470 --> 00:24:06,240

yeah absolutely i agree with you

685

00:24:10,630 --> 00:24:08,480

just so much going on uh you know with

686

00:24:13,029 --> 00:24:10,640

uh

687

00:24:14,870 --> 00:24:13,039

that that we investigate and follow up

688

00:24:16,789 --> 00:24:14,880

on specifically yourself

689

00:24:18,070 --> 00:24:16,799

um have you heard anything up from our

690

00:24:19,269 --> 00:24:18,080

friends up in canada about that

691

00:24:22,950 --> 00:24:19,279

habituation

692

00:24:26,630 --> 00:24:22,960

going on up there now uh the gentleman

693

00:24:29,110 --> 00:24:26,640

hasn't contacted me lately uh

694

00:24:29,990 --> 00:24:29,120

i i know i know he did have some medical

695

00:24:32,950 --> 00:24:30,000

issues

696

00:24:34,950 --> 00:24:32,960

at that time so i don't know if if

697

00:24:36,549 --> 00:24:34,960

that's what's been going on

698

00:24:38,230 --> 00:24:36,559

he was a regular listen to the other

699

00:24:40,070 --> 00:24:38,240

show

700

00:24:42,789 --> 00:24:40,080

and i think that's the reason why he

701
00:24:44,830 --> 00:24:42,799
initially contacted me though he did um

702
00:24:45,990 --> 00:24:44,840
he does get phantoms of monsters as well

703
00:24:49,430 --> 00:24:46,000
but

704
00:24:52,149 --> 00:24:49,440
uh i you know

705
00:24:53,909 --> 00:24:52,159
this may sound strange but you know the

706
00:24:56,549 --> 00:24:53,919
habituation was one thing and i

707
00:24:58,230 --> 00:24:56,559
did believe what he told me but i think

708
00:25:02,310 --> 00:24:58,240
some of the ufo activity

709
00:25:05,750 --> 00:25:02,320
was more you know was more interesting

710
00:25:07,510 --> 00:25:05,760
um and just because

711
00:25:09,909 --> 00:25:07,520
you know they had the ufo activity in

712
00:25:11,590 --> 00:25:09,919
habituation at the same time

713
00:25:13,110 --> 00:25:11,600

i'm i'm pretty sure there may have been

714

00:25:14,230 --> 00:25:13,120

well there may very well been a

715

00:25:17,669 --> 00:25:14,240

connection

716

00:25:21,269 --> 00:25:17,679

he had um he had been putting out

717

00:25:26,230 --> 00:25:21,279

trail cams and

718

00:25:29,029 --> 00:25:26,240

he had been picking up um

719

00:25:30,710 --> 00:25:29,039

he'd been picking up uh images of

720

00:25:32,630 --> 00:25:30,720

something with hair

721

00:25:34,549 --> 00:25:32,640

trying to sneak a look into the trail

722

00:25:36,789 --> 00:25:34,559

cam a couple times

723

00:25:38,070 --> 00:25:36,799

uh it was hard to distinguish what it

724

00:25:43,669 --> 00:25:38,080

was

725

00:25:45,350 --> 00:25:43,679

enough light if this thing got too close

726
00:25:48,710 --> 00:25:45,360
to the lens

727
00:25:51,909 --> 00:25:48,720
the hair was nothing that i had

728
00:25:55,590 --> 00:25:51,919
i know that was you know

729
00:25:59,590 --> 00:25:55,600
as far as an indigenous animal or

730
00:26:03,110 --> 00:26:01,190
you know i had to i had to send those

731
00:26:06,310 --> 00:26:03,120
over to you i got a few of the uh

732
00:26:06,789 --> 00:26:06,320
i got a few of the uh videos well you

733
00:26:08,870 --> 00:26:06,799
know what's

734
00:26:10,549 --> 00:26:08,880
fun the hair is it's pretty interesting

735
00:26:11,990 --> 00:26:10,559
to see

736
00:26:13,669 --> 00:26:12,000
folks really liked your comment you made

737
00:26:15,510 --> 00:26:13,679
the other night about trail cam is not

738
00:26:17,190 --> 00:26:15,520

picking up bigfoot but they sure always

739

00:26:17,909 --> 00:26:17,200

pick up the raccoon stealing the candy

740

00:26:20,070 --> 00:26:17,919

bar

741

00:26:21,430 --> 00:26:20,080

absolutely you know folks really enjoyed

742

00:26:21,909 --> 00:26:21,440

that comment there's a lot of truth to

743

00:26:25,269 --> 00:26:21,919

that

744

00:26:26,710 --> 00:26:25,279

yeah but uh we we got an interesting

745

00:26:30,070 --> 00:26:26,720

show coming up tonight lon

746

00:26:33,190 --> 00:26:30,080

uh tonight's guests uh dennis carroll

747

00:26:37,350 --> 00:26:33,200

uh demonologist and cryptid researcher

748

00:26:39,350 --> 00:26:37,360

uh from the uh carolina society for

749

00:26:40,630 --> 00:26:39,360

paranormal research and investigations

750

00:26:43,909 --> 00:26:40,640

incorporated

751
00:26:46,070 --> 00:26:43,919
they're more than just ghost hunters and

752
00:26:47,510 --> 00:26:46,080
uh dennis is going to be joining us he's

753
00:26:49,750 --> 00:26:47,520
going to be talking about his upcoming

754
00:26:51,029 --> 00:26:49,760
episode on ghost asylum on destination

755
00:26:53,350 --> 00:26:51,039
america

756
00:26:54,390 --> 00:26:53,360
he's the co-author of the road unseen a

757
00:26:56,950 --> 00:26:54,400
paranormal journey

758
00:26:58,710 --> 00:26:56,960
into high strangeness he's the co-host

759
00:27:00,149 --> 00:26:58,720
of paranormal shop talk and he's going

760
00:27:00,870 --> 00:27:00,159
to be on to talk to us tonight about

761
00:27:03,190 --> 00:27:00,880
what they do

762
00:27:05,430 --> 00:27:03,200
and what he's been involved in it's a

763
00:27:06,070 --> 00:27:05,440

new guest to us so we're just excited as

764

00:27:09,269 --> 00:27:06,080

uh anyone

765

00:27:09,830 --> 00:27:09,279

else to get started on this uh on this

766

00:27:11,830 --> 00:27:09,840

show

767

00:27:14,310 --> 00:27:11,840

and uh you know delon we haven't really

768

00:27:17,350 --> 00:27:14,320

de-evolved into uh demonology

769

00:27:20,870 --> 00:27:17,360

and and that sort of stuff in a while

770

00:27:22,710 --> 00:27:20,880

yeah you know i um i do kind of get

771

00:27:24,950 --> 00:27:22,720

involved with it with clients once in a

772

00:27:29,590 --> 00:27:24,960

while but you know i don't you know

773

00:27:35,029 --> 00:27:33,990

my uh description of malevolence or evil

774

00:27:37,029 --> 00:27:35,039

i don't like to really call it

775

00:27:38,870 --> 00:27:37,039

demonology or demons

776

00:27:41,269 --> 00:27:38,880

uh i guess that that's i think that's

777

00:27:44,549 --> 00:27:41,279

more of a religious

778

00:27:48,470 --> 00:27:44,559

you know religious connotation for

779

00:27:51,029 --> 00:27:48,480

evil and malevolency

780

00:27:52,630 --> 00:27:51,039

it's just plain evil you know and there

781

00:27:56,310 --> 00:27:52,640

are different levels of evil

782

00:27:58,870 --> 00:27:56,320

and in fact i i got somebody calling

783

00:27:59,830 --> 00:27:58,880

i had somebody contact me today about

784

00:28:03,430 --> 00:27:59,840

shadow people

785

00:28:05,510 --> 00:28:03,440

and uh and it's something that's been

786

00:28:06,950 --> 00:28:05,520

going on with the family for over 15

787

00:28:09,269 --> 00:28:06,960

years so that'll be

788

00:28:10,230 --> 00:28:09,279

something that'll be interesting those

789

00:28:13,190 --> 00:28:10,240

shadow people

790

00:28:15,190 --> 00:28:13,200

cases are um they're dangerous they can

791

00:28:18,630 --> 00:28:15,200

be dangerous and

792

00:28:20,549 --> 00:28:18,640

there have been some reports that

793

00:28:21,830 --> 00:28:20,559

people think that you know these things

794

00:28:25,029 --> 00:28:21,840

these shattered people

795

00:28:27,430 --> 00:28:25,039

were responsible for a death

796

00:28:28,149 --> 00:28:27,440

especially with an older person or a

797

00:28:31,990 --> 00:28:28,159

young

798

00:28:34,070 --> 00:28:32,000

or a child and uh they they do seem to

799

00:28:35,830 --> 00:28:34,080

cause a lot of havoc

800

00:28:37,750 --> 00:28:35,840

so you know this is something new this

801
00:28:40,389 --> 00:28:37,760
is something i'm gonna be getting into

802
00:28:42,149 --> 00:28:40,399
i've had other cases as well so yeah

803
00:28:43,430 --> 00:28:42,159
it's gonna be interesting talking to

804
00:28:45,029 --> 00:28:43,440
dennis and

805
00:28:46,710 --> 00:28:45,039
and i don't know if his partner

806
00:28:47,350 --> 00:28:46,720
brandon's gonna be with him but i'd like

807
00:28:49,510 --> 00:28:47,360
to you know

808
00:28:51,190 --> 00:28:49,520
see what he has to say about it yeah i

809
00:28:54,070 --> 00:28:51,200
mean they wrote the book

810
00:28:55,669 --> 00:28:54,080
uh again the road unseen a paranormal

811
00:28:56,870 --> 00:28:55,679
journey into high strangeness which i

812
00:28:58,310 --> 00:28:56,880
haven't read yet

813
00:29:00,230 --> 00:28:58,320

i'm going to be quite transparent about

814

00:29:02,310 --> 00:29:00,240

it i haven't read the

815

00:29:03,590 --> 00:29:02,320

book yet but it's definitely going to be

816

00:29:06,389 --> 00:29:03,600

on my list of

817

00:29:08,230 --> 00:29:06,399

next reads speaking of lists of reads

818

00:29:11,430 --> 00:29:08,240

lon have you seen

819

00:29:14,549 --> 00:29:11,440

the latest from the

820

00:29:17,430 --> 00:29:14,559

north american wood ape conservancy no

821

00:29:19,190 --> 00:29:17,440

i have the uh monogram they just put out

822

00:29:21,590 --> 00:29:19,200

and let me get some information on that

823

00:29:23,350 --> 00:29:21,600

here real quick

824

00:29:26,630 --> 00:29:23,360

north american wood ape you can find

825

00:29:28,950 --> 00:29:26,640

them on the book face as my

826

00:29:30,389 --> 00:29:28,960

good friend will caps likes to call it

827

00:29:34,389 --> 00:29:30,399

the big face

828

00:29:36,230 --> 00:29:34,399

um it's called the uh

829

00:29:37,590 --> 00:29:36,240

uh ochita project i believe i'm

830

00:29:40,310 --> 00:29:37,600

pronouncing that right

831

00:29:42,549 --> 00:29:40,320

uh and it's their uh it's long too so if

832

00:29:44,070 --> 00:29:42,559

you're looking for a bigfoot book

833

00:29:47,350 --> 00:29:44,080

you can go on it it's a couple it's

834

00:29:50,630 --> 00:29:47,360

about 170 pages long i think lon

835

00:29:53,430 --> 00:29:50,640

and uh it's really

836

00:29:54,710 --> 00:29:53,440

it's probably one of the best papers

837

00:29:56,149 --> 00:29:54,720

i've read

838

00:29:58,789 --> 00:29:56,159

i've started because i haven't finished

839

00:30:00,389 --> 00:29:58,799

it all yet on documentation of what's

840

00:30:02,389 --> 00:30:00,399

going on in a bigfoot research area of

841

00:30:04,070 --> 00:30:02,399

course you know they talk about area x

842

00:30:06,549 --> 00:30:04,080

which is an area they've done long-term

843

00:30:09,190 --> 00:30:06,559

study and investigations into

844

00:30:14,430 --> 00:30:09,200

and uh you know i really encourage folks

845

00:30:17,990 --> 00:30:17,029

www.woodape.org and check it out brian

846

00:30:21,029 --> 00:30:18,000

brown he's the

847

00:30:21,350 --> 00:30:21,039

communications uh spokesperson for the

848

00:30:25,350 --> 00:30:21,360

uh

849

00:30:27,510 --> 00:30:25,360

he's been on

850

00:30:28,630 --> 00:30:27,520

it was on i doubted i mean doubtful news

851

00:30:30,950 --> 00:30:28,640

with uh

852

00:30:32,310 --> 00:30:30,960

oh i can't even remember her name sharon

853

00:30:34,470 --> 00:30:32,320

hill yeah i'm sorry sharon if you're

854

00:30:36,870 --> 00:30:34,480

listening to this i apologize

855

00:30:37,990 --> 00:30:36,880

uh you know and say what you want about

856

00:30:39,350 --> 00:30:38,000

her she's a little uh

857

00:30:40,630 --> 00:30:39,360

you know she's a skeptic you know what i

858

00:30:42,470 --> 00:30:40,640

mean which you know we toss that word

859

00:30:44,230 --> 00:30:42,480

around like it's dirty it's not

860

00:30:46,149 --> 00:30:44,240

i mean i think it's all depending on the

861

00:30:49,110 --> 00:30:46,159

attitude that person carries with it

862

00:30:49,669 --> 00:30:49,120

and she's given this a very a level and

863

00:30:52,470 --> 00:30:49,679

fair

864

00:30:54,149 --> 00:30:52,480

assessment uh on this paper which i

865

00:30:56,389 --> 00:30:54,159

appreciate because you know milan

866

00:30:57,669 --> 00:30:56,399

that scientist in me i i like that fair

867

00:31:01,509 --> 00:30:57,679

and balanced

868

00:31:03,110 --> 00:31:01,519

like the fair

869

00:31:04,310 --> 00:31:03,120

fair balanced reporting from actual

870

00:31:06,230 --> 00:31:04,320

researchers when they're putting stuff

871

00:31:07,909 --> 00:31:06,240

out there saying this is the possibility

872

00:31:10,149 --> 00:31:07,919

this is the documentation this is what

873

00:31:13,110 --> 00:31:10,159

we have this is what we think it is

874

00:31:14,710 --> 00:31:13,120

based upon those factors

875

00:31:16,710 --> 00:31:14,720

yeah i mean you know i can't comment a

876

00:31:18,389 --> 00:31:16,720

whole lot on sharon she threw me off her

877

00:31:21,269 --> 00:31:18,399

website i can't tell you that

878

00:31:21,830 --> 00:31:21,279

but uh at least it wasn't off a bridge

879

00:31:26,149 --> 00:31:21,840

no

880

00:31:29,350 --> 00:31:26,159

read her calm

881

00:31:30,710 --> 00:31:29,360

her blog so uh yeah i mean yeah you know

882

00:31:32,789 --> 00:31:30,720

you got to be skeptic you got to be

883

00:31:33,350 --> 00:31:32,799

skeptical about this anyway i mean

884

00:31:36,310 --> 00:31:33,360

that's

885

00:31:37,669 --> 00:31:36,320

aren't you have to go and just take

886

00:31:39,830 --> 00:31:37,679

everything for

887

00:31:41,269 --> 00:31:39,840

you know as written you know are just

888

00:31:43,509 --> 00:31:41,279

getting themselves in a bind

889

00:31:45,110 --> 00:31:43,519

for the most part so themselves up for

890

00:31:47,029 --> 00:31:45,120

failure yeah

891

00:31:50,230 --> 00:31:47,039

there's no doubt about that so yeah if

892

00:31:52,470 --> 00:31:50,240

you're uh if you're reporting on stuff

893

00:31:55,269 --> 00:31:52,480

uh you you do have to take it with a

894

00:31:59,269 --> 00:31:55,279

grain of salt and have to check into it

895

00:32:01,990 --> 00:31:59,279

uh you know it may not be true but if

896

00:32:04,710 --> 00:32:02,000

if you know my motto is it you know if

897

00:32:08,789 --> 00:32:04,720

they took the time to contact me

898

00:32:10,870 --> 00:32:08,799

and they continue to talk and

899

00:32:12,549 --> 00:32:10,880

they do believe they saw something then

900

00:32:16,310 --> 00:32:12,559

i'm going to report it

901
00:32:17,830 --> 00:32:16,320
and it would go from there definitely

902
00:32:19,430 --> 00:32:17,840
but you know like i said folks if you're

903
00:32:21,110 --> 00:32:19,440
interested go to woodape.org

904
00:32:22,630 --> 00:32:21,120
and check it out it's right on the main

905
00:32:25,669 --> 00:32:22,640
page

906
00:32:27,669 --> 00:32:25,679
uh and it's just it's a great read and

907
00:32:28,950 --> 00:32:27,679
i i really think it's important for

908
00:32:30,149 --> 00:32:28,960
folks that are really serious about it

909
00:32:31,909 --> 00:32:30,159
to take a look

910
00:32:33,269 --> 00:32:31,919
and i'm going to be going into it a lot

911
00:32:36,149 --> 00:32:33,279
deeper

912
00:32:37,750 --> 00:32:36,159
but i just really appreciate the uh

913
00:32:39,110 --> 00:32:37,760

appreciate the efforts they put into it

914

00:32:42,310 --> 00:32:39,120

and being able to

915

00:32:45,669 --> 00:32:42,320

read this great piece of uh what we'll

916

00:32:50,870 --> 00:32:48,950

yeah i'm looking forward to look at that

917

00:32:52,710 --> 00:32:50,880

and you know i'll actually put the link

918

00:32:54,630 --> 00:32:52,720

up to that on our page so anybody who

919

00:32:55,590 --> 00:32:54,640

wants to go check it out they can go and

920

00:32:59,590 --> 00:32:55,600

uh

921

00:33:01,029 --> 00:32:59,600

go and see and it shall be

922

00:33:03,909 --> 00:33:01,039

you know i haven't you know i haven't

923

00:33:06,149 --> 00:33:03,919

really read a foot a bigfoot book and

924

00:33:08,230 --> 00:33:06,159

god knows how long it's been a long time

925

00:33:12,630 --> 00:33:08,240

let's say the last book i actually read

926
00:33:14,310 --> 00:33:12,640
cover to cover was tom pals the locals

927
00:33:16,710 --> 00:33:14,320
that was a good book and it was very

928
00:33:20,389 --> 00:33:16,720
different because it explores different

929
00:33:21,909 --> 00:33:20,399
uh possibilities for what the bigfoot

930
00:33:23,430 --> 00:33:21,919
may be in one i think you'd like it

931
00:33:23,990 --> 00:33:23,440
because it expounds on some of those

932
00:33:27,509 --> 00:33:24,000
with different

933
00:33:28,950 --> 00:33:27,519
cases and studies and and will not

934
00:33:31,990 --> 00:33:28,960
studies different cases

935
00:33:33,430 --> 00:33:32,000
and uh witness reports and uh you know

936
00:33:34,789 --> 00:33:33,440
opinion that tom puts in there but it's

937
00:33:36,149 --> 00:33:34,799
a really good book and it's one of my

938
00:33:36,950 --> 00:33:36,159

favorites of course you know we all know

939

00:33:39,509 --> 00:33:36,960

my favorite is

940

00:33:41,430 --> 00:33:39,519

sasquatch the apes among us by john

941

00:33:45,029 --> 00:33:41,440

green that started it all for me

942

00:33:46,389 --> 00:33:45,039

but uh the tom pals uh the locals is

943

00:33:47,509 --> 00:33:46,399

right up there is one of my favorite

944

00:33:49,590 --> 00:33:47,519

books

945

00:33:51,830 --> 00:33:49,600

and it's definitely worth checking out

946

00:33:52,950 --> 00:33:51,840

you can get that on amazon.com still

947

00:33:56,789 --> 00:33:52,960

good book he also

948

00:33:58,230 --> 00:33:56,799

wrote uh wrote another book after that

949

00:33:59,909 --> 00:33:58,240

regarding that i haven't read i think

950

00:34:01,509 --> 00:33:59,919

it's called shady neighbors

951
00:34:02,789 --> 00:34:01,519
it might be uh it might be titled

952
00:34:03,509 --> 00:34:02,799
something else i hope it's shady

953
00:34:05,590 --> 00:34:03,519
neighbors

954
00:34:08,389 --> 00:34:05,600
uh but the book also from what i

955
00:34:10,869 --> 00:34:08,399
understand is uh that book's also

956
00:34:12,149 --> 00:34:10,879
pretty well uh written but the locals is

957
00:34:14,149 --> 00:34:12,159
another one to check out folks if you're

958
00:34:17,190 --> 00:34:14,159
looking to read so check out the

959
00:34:19,030 --> 00:34:17,200
monograph uh monogram put out by the uh

960
00:34:21,030 --> 00:34:19,040
what ape conservancy

961
00:34:22,389 --> 00:34:21,040
yeah the monograph i'm sorry i'm

962
00:34:24,310 --> 00:34:22,399
butchering that

963
00:34:26,230 --> 00:34:24,320

all the hell tonight i haven't been

964

00:34:28,310 --> 00:34:26,240

drinking folks i promise

965

00:34:29,669 --> 00:34:28,320

uh just a little iced tea here from the

966

00:34:31,030 --> 00:34:29,679

local mcdonald's which

967

00:34:32,389 --> 00:34:31,040

you know i really don't care for

968

00:34:33,829 --> 00:34:32,399

mcdonald's but it was in the

969

00:34:35,270 --> 00:34:33,839

neighborhood and i was thirsty and

970

00:34:37,430 --> 00:34:35,280

hungry

971

00:34:38,790 --> 00:34:37,440

what you got to do on the fly lawn

972

00:34:40,470 --> 00:34:38,800

anything coming from phantoms and

973

00:34:44,149 --> 00:34:40,480

monsters this week that we can

974

00:34:45,829 --> 00:34:44,159

jack about not really um you know i'm

975

00:34:47,669 --> 00:34:45,839

normally most of stuff comes in during

976

00:34:49,510 --> 00:34:47,679

the weekend so um

977

00:34:50,869 --> 00:34:49,520

right now i don't know i'm you know i

978

00:34:54,069 --> 00:34:50,879

don't have anything

979

00:34:56,869 --> 00:34:54,079

uh sitting there waiting to go in so

980

00:34:57,510 --> 00:34:56,879

uh it'll all be by year from now to

981

00:34:58,950 --> 00:34:57,520

monday

982

00:35:00,710 --> 00:34:58,960

well you know i guess one thing we could

983

00:35:02,710 --> 00:35:00,720

report on that we didn't was the passing

984

00:35:05,430 --> 00:35:02,720

of leonard nimoy

985

00:35:06,710 --> 00:35:05,440

yeah that's true and you know i did

986

00:35:09,750 --> 00:35:06,720

write a little bit about

987

00:35:12,470 --> 00:35:09,760

that the other day uh

988

00:35:13,589 --> 00:35:12,480

well especially with his involvement in

989

00:35:17,589 --> 00:35:13,599

in search of

990

00:35:21,030 --> 00:35:17,599

and i wrote something about the bigfoot

991

00:35:21,750 --> 00:35:21,040

episode and uh you know it was really

992

00:35:23,510 --> 00:35:21,760

the first thing

993

00:35:25,510 --> 00:35:23,520

that you know i knew about bigfoot but

994

00:35:28,790 --> 00:35:25,520

it was really the first time

995

00:35:29,589 --> 00:35:28,800

that some of the evidence was put out

996

00:35:31,510 --> 00:35:29,599

there

997

00:35:32,870 --> 00:35:31,520

of course john green was on that show

998

00:35:34,950 --> 00:35:32,880

and uh

999

00:35:38,230 --> 00:35:34,960

renee was on there and some other people

1000

00:35:40,310 --> 00:35:38,240

and uh it you know it was uh

1001
00:35:42,710 --> 00:35:40,320
it was just really talking about the

1002
00:35:44,470 --> 00:35:42,720
bigfoot in you know pacific northwest

1003
00:35:47,030 --> 00:35:44,480
but of course since then you know

1004
00:35:50,390 --> 00:35:47,040
bigfoot's been reported worldwide but

1005
00:35:54,470 --> 00:35:50,400
you know i i just think that was the

1006
00:35:58,069 --> 00:35:54,480
in the initial the most important maybe

1007
00:36:00,870 --> 00:35:58,079
uh documentary even though it was just

1008
00:36:02,870 --> 00:36:00,880
a half hour documentary and uh kind of

1009
00:36:03,510 --> 00:36:02,880
gave people a little idea the science

1010
00:36:06,950 --> 00:36:03,520
behind

1011
00:36:09,109 --> 00:36:06,960
bigfoot you know lon it's

1012
00:36:09,990 --> 00:36:09,119
you know i think about you know as a kid

1013
00:36:11,270 --> 00:36:10,000

because you know two different

1014

00:36:12,390 --> 00:36:11,280

generations you and i are

1015

00:36:15,109 --> 00:36:12,400

you know actually almost three different

1016

00:36:17,750 --> 00:36:15,119

generations but

1017

00:36:19,030 --> 00:36:17,760

between us but you know literally

1018

00:36:21,270 --> 00:36:19,040

speaking here

1019

00:36:22,870 --> 00:36:21,280

uh i grew up on syndication you know

1020

00:36:24,150 --> 00:36:22,880

with uh things like in search you know

1021

00:36:25,750 --> 00:36:24,160

reruns

1022

00:36:27,510 --> 00:36:25,760

uh same with star trek i grew up on

1023

00:36:28,550 --> 00:36:27,520

reruns of those things but you know as a

1024

00:36:30,630 --> 00:36:28,560

kid

1025

00:36:32,310 --> 00:36:30,640

you know and if folks read about me or

1026

00:36:33,829 --> 00:36:32,320

listen to any of my other episodes

1027

00:36:35,990 --> 00:36:33,839

you'll know that things i

1028

00:36:38,310 --> 00:36:36,000

you know attribute to my my passion and

1029

00:36:40,230 --> 00:36:38,320

my love of cryptozoology and what we do

1030

00:36:42,230 --> 00:36:40,240

was in search of as a kid growing up it

1031

00:36:44,230 --> 00:36:42,240

was on in the house

1032

00:36:47,030 --> 00:36:44,240

in search of unsolved mysteries both

1033

00:36:48,630 --> 00:36:47,040

leonard and robert stack are gone

1034

00:36:51,109 --> 00:36:48,640

and those are two voices i'm very

1035

00:36:52,470 --> 00:36:51,119

familiar with uh from my childhood that

1036

00:36:54,950 --> 00:36:52,480

i really

1037

00:36:56,870 --> 00:36:54,960

really enjoyed and uh you know gentlemen

1038

00:36:58,950 --> 00:36:56,880

i aspired to be

1039

00:37:00,550 --> 00:36:58,960

i always wanted to host my own program

1040

00:37:04,230 --> 00:37:00,560

about uh

1041

00:37:05,829 --> 00:37:04,240

the paranormal alas here i am and uh

1042

00:37:08,630 --> 00:37:05,839

but that was one thing i always wanted

1043

00:37:10,310 --> 00:37:08,640

to do growing up so i always had a yeah

1044

00:37:12,470 --> 00:37:10,320

i want to say a kinship

1045

00:37:14,390 --> 00:37:12,480

with those guys because what they did

1046

00:37:15,670 --> 00:37:14,400

was cool at a time when

1047

00:37:18,550 --> 00:37:15,680

you know those things still really

1048

00:37:19,829 --> 00:37:18,560

weren't mainstream and

1049

00:37:21,510 --> 00:37:19,839

you know i guess i have an appreciation

1050

00:37:21,990 --> 00:37:21,520

that besides you know my affinity for

1051
00:37:25,030 --> 00:37:22,000
star trek

1052
00:37:26,710 --> 00:37:25,040
i am a uh i want i don't say a lifelong

1053
00:37:28,390 --> 00:37:26,720
star trek fan my uncle tom

1054
00:37:30,470 --> 00:37:28,400
got me into it when i was like nine or

1055
00:37:31,589 --> 00:37:30,480
ten years old so around the same time i

1056
00:37:32,790 --> 00:37:31,599
started getting interested in the

1057
00:37:35,990 --> 00:37:32,800
sasquatch

1058
00:37:39,750 --> 00:37:36,000
and uh those things you know to explore

1059
00:37:41,750 --> 00:37:39,760
and or have always been kind of uh

1060
00:37:43,109 --> 00:37:41,760
you know a personal uh credence and

1061
00:37:44,550 --> 00:37:43,119
activity for me you know i like to

1062
00:37:48,069 --> 00:37:44,560
explore i like to

1063
00:37:50,069 --> 00:37:48,079

discuss and travel and see new things

1064

00:37:51,670 --> 00:37:50,079

and have new experiences and i really

1065

00:37:52,630 --> 00:37:51,680

thank leonard nimoy for that because as

1066

00:37:54,870 --> 00:37:52,640

a kid

1067

00:37:56,630 --> 00:37:54,880

you know that voice resonated with the

1068

00:37:57,990 --> 00:37:56,640

paranormal in my household i grew up in

1069

00:37:59,510 --> 00:37:58,000

those things my grandfather whose

1070

00:38:00,550 --> 00:37:59,520

birthday was yesterday happy birthday

1071

00:38:02,390 --> 00:38:00,560

paw

1072

00:38:04,230 --> 00:38:02,400

which i uh you know put out there on the

1073

00:38:06,790 --> 00:38:04,240

facebook shameless plugs

1074

00:38:08,390 --> 00:38:06,800

and uh you know around his house growing

1075

00:38:11,910 --> 00:38:08,400

up he always had books about

1076

00:38:13,750 --> 00:38:11,920

uh strange journeys and amazon uh

1077

00:38:15,109 --> 00:38:13,760

he had us actually had a first edition

1078

00:38:19,270 --> 00:38:15,119

of vincent price

1079

00:38:20,950 --> 00:38:19,280

monsters which a heartbound uh

1080

00:38:22,710 --> 00:38:20,960

was a hardbound book that i have in my

1081

00:38:24,230 --> 00:38:22,720

possession now it's really beaten up as

1082

00:38:25,910 --> 00:38:24,240

a kid i read that book

1083

00:38:28,230 --> 00:38:25,920

and referred to it many times actually

1084

00:38:30,069 --> 00:38:28,240

have it duct taped together

1085

00:38:32,390 --> 00:38:30,079

so it's probably not worth anything but

1086

00:38:33,829 --> 00:38:32,400

the sentimental value on it

1087

00:38:36,950 --> 00:38:33,839

you know that was the book my grandpa

1088

00:38:38,870 --> 00:38:36,960

gave me and uh between that book and

1089

00:38:39,990 --> 00:38:38,880

uh sasquatch apes among us and shows

1090

00:38:41,910 --> 00:38:40,000

like in search of

1091

00:38:43,510 --> 00:38:41,920

and unsolved mysteries and arthur c

1092

00:38:45,109 --> 00:38:43,520

clarke's mysterious world

1093

00:38:46,630 --> 00:38:45,119

yeah you know those are shows that

1094

00:38:48,790 --> 00:38:46,640

really got me hooked

1095

00:38:50,630 --> 00:38:48,800

and that's what uh you know really

1096

00:38:52,790 --> 00:38:50,640

prompted me to stay involved and to do

1097

00:38:54,230 --> 00:38:52,800

this and now here we are along with

1098

00:38:55,990 --> 00:38:54,240

you know we were on beyond the edge we

1099

00:38:56,710 --> 00:38:56,000

have arcane radio you know those things

1100

00:38:58,630 --> 00:38:56,720

said still

1101
00:39:00,230 --> 00:38:58,640
i owe a great deal of thanks to leonard

1102
00:39:02,710 --> 00:39:00,240
nimoy for

1103
00:39:03,990 --> 00:39:02,720
yeah you know that that actual episode

1104
00:39:07,349 --> 00:39:04,000
was first presented

1105
00:39:09,829 --> 00:39:07,359
in april 77 and that was about a year

1106
00:39:11,270 --> 00:39:09,839
after i graduated from high school

1107
00:39:13,349 --> 00:39:11,280
and you know i had already been

1108
00:39:13,750 --> 00:39:13,359
investigating a whole lot of locations

1109
00:39:15,990 --> 00:39:13,760
in

1110
00:39:19,190 --> 00:39:16,000
southern pennsylvania but that

1111
00:39:22,069 --> 00:39:19,200
documentary really did do my eyes up

1112
00:39:23,510 --> 00:39:22,079
to our mysterious and anomalous world

1113
00:39:26,150 --> 00:39:23,520

and

1114

00:39:28,230 --> 00:39:26,160

you know then of course five years four

1115

00:39:29,990 --> 00:39:28,240

years later i had my encounter

1116

00:39:32,550 --> 00:39:30,000

in sykesville and my world changed

1117

00:39:34,470 --> 00:39:32,560

forever and i was hooked you know i

1118

00:39:36,790 --> 00:39:34,480

you know i needed to find the truth out

1119

00:39:39,510 --> 00:39:36,800

about bigfoot and other cryptids

1120

00:39:41,109 --> 00:39:39,520

uh but you know that show itself had uh

1121

00:39:43,510 --> 00:39:41,119

you know like i said had john green

1122

00:39:44,950 --> 00:39:43,520

robert w morgan was in there sam

1123

00:39:49,030 --> 00:39:44,960

melville

1124

00:39:52,630 --> 00:39:49,040

uh renee was in it uh

1125

00:39:56,710 --> 00:39:52,640

it was uh you know it really was the

1126

00:39:59,829 --> 00:39:56,720

the kind of thing that sparked uh

1127

00:40:00,470 --> 00:39:59,839

my interest in you know bigfoot in

1128

00:40:03,829 --> 00:40:00,480

general

1129

00:40:06,950 --> 00:40:03,839

but you know after seeing one then i had

1130

00:40:10,950 --> 00:40:09,430

well you know and my story you know came

1131

00:40:12,069 --> 00:40:10,960

just from reading the books and and

1132

00:40:14,470 --> 00:40:12,079

being involved

1133

00:40:16,870 --> 00:40:14,480

and watching the tv programs but they

1134

00:40:19,190 --> 00:40:16,880

made a lasting impact on my life

1135

00:40:20,550 --> 00:40:19,200

and uh you know i don't know you don't

1136

00:40:22,230 --> 00:40:20,560

think about these things and you don't

1137

00:40:24,630 --> 00:40:22,240

really pay much attention until the

1138

00:40:27,750 --> 00:40:24,640

people that inspire you uh

1139

00:40:29,190 --> 00:40:27,760

those that inspire start to expire and

1140

00:40:30,790 --> 00:40:29,200

then you start thinking about things and

1141

00:40:33,670 --> 00:40:30,800

putting things in perspective and

1142

00:40:34,309 --> 00:40:33,680

absolutely it's sad but you know as you

1143

00:40:39,990 --> 00:40:34,319

know

1144

00:40:42,069 --> 00:40:40,000

was 83 at some point he

1145

00:40:44,230 --> 00:40:42,079

that uh that timetable was going to be

1146

00:40:48,470 --> 00:40:44,240

up yeah

1147

00:40:50,630 --> 00:40:48,480

yeah he was kind of looking rough anyway

1148

00:40:54,309 --> 00:40:50,640

and you know i know he had copd

1149

00:40:57,109 --> 00:40:54,319

and um you know

1150

00:40:57,589 --> 00:40:57,119

it's just another one it's funny it's

1151

00:40:59,349 --> 00:40:57,599

funny

1152

00:41:01,190 --> 00:40:59,359

people that you looked up to or people

1153

00:41:01,589 --> 00:41:01,200

that were celebrities when you were a

1154

00:41:04,950 --> 00:41:01,599

kid

1155

00:41:06,230 --> 00:41:04,960

of course i'm dating myself but yeah

1156

00:41:08,069 --> 00:41:06,240

you know they're all going by the

1157

00:41:11,270 --> 00:41:08,079

wayside now and uh

1158

00:41:12,470 --> 00:41:11,280

it is kind of strange it is

1159

00:41:14,230 --> 00:41:12,480

who's going to replace them you know

1160

00:41:16,550 --> 00:41:14,240

what i mean those are just not like

1161

00:41:18,069 --> 00:41:16,560

people but iconic voices you know

1162

00:41:19,829 --> 00:41:18,079

name another person that had a voice

1163

00:41:21,190 --> 00:41:19,839

like leonard nimoy or a voice like

1164

00:41:24,309 --> 00:41:21,200

robert stack

1165

00:41:25,670 --> 00:41:24,319

yeah even yeah i always joke with my

1166

00:41:27,430 --> 00:41:25,680

wife that if i want to get a voice like

1167

00:41:29,430 --> 00:41:27,440

that i gotta drink more scotch and smoke

1168

00:41:31,190 --> 00:41:29,440

more cigarettes

1169

00:41:32,630 --> 00:41:31,200

of course you know i don't smoke but the

1170

00:41:34,790 --> 00:41:32,640

occasional cigar and i'm not

1171

00:41:36,230 --> 00:41:34,800

fond of drinking but you know it's one

1172

00:41:38,470 --> 00:41:36,240

of those you know those voices

1173

00:41:39,910 --> 00:41:38,480

you know who else has a voice like that

1174

00:41:41,750 --> 00:41:39,920

and

1175

00:41:43,109 --> 00:41:41,760

you know these guys you take it for

1176

00:41:45,270 --> 00:41:43,119

granted but you know

1177

00:41:46,630 --> 00:41:45,280

the you can almost close your eyes when

1178

00:41:49,910 --> 00:41:46,640

you think about bigfoot

1179

00:41:52,950 --> 00:41:49,920

or or loch ness or ogopogo and you can

1180

00:41:54,630 --> 00:41:52,960

hear leonard nimoy talking about

1181

00:41:57,589 --> 00:41:54,640

those things in here he also narrated

1182

00:41:59,510 --> 00:41:57,599

ancient mysteries uh segment on bigfoot

1183

00:42:00,790 --> 00:41:59,520

yeah yeah he did which is one of my

1184

00:42:03,430 --> 00:42:00,800

favorite documentaries

1185

00:42:04,630 --> 00:42:03,440

uh as well so i mean you know just

1186

00:42:05,990 --> 00:42:04,640

closing your eyes and think about

1187

00:42:07,510 --> 00:42:06,000

resonating on these things yeah he was

1188

00:42:08,550 --> 00:42:07,520

important to the world of star trek but

1189

00:42:15,990 --> 00:42:08,560

really

1190

00:42:17,510 --> 00:42:16,000

know the world of star trek

1191

00:42:18,870 --> 00:42:17,520

you know the trekkers and the trekkies

1192

00:42:20,870 --> 00:42:18,880

out there and then you know the world of

1193

00:42:23,430 --> 00:42:20,880

cryptozoology and the paranormal

1194

00:42:23,990 --> 00:42:23,440

uh inspired by in search of and and

1195

00:42:26,470 --> 00:42:24,000

shows

1196

00:42:27,109 --> 00:42:26,480

like that man you know that's something

1197

00:42:30,230 --> 00:42:27,119

special

1198

00:42:31,829 --> 00:42:30,240

and uh we we are very thankful for those

1199

00:42:33,190 --> 00:42:31,839

gentlemen and again close your eyes and

1200

00:42:34,150 --> 00:42:33,200

you think about it those are the voices

1201
00:42:36,309 --> 00:42:34,160
i hear

1202
00:42:37,190 --> 00:42:36,319
right away in my head well you know rod

1203
00:42:39,349 --> 00:42:37,200
serling

1204
00:42:40,870 --> 00:42:39,359
actually was supposed to do that show

1205
00:42:42,550 --> 00:42:40,880
but he passed away

1206
00:42:44,069 --> 00:42:42,560
before the first season started because

1207
00:42:47,030 --> 00:42:44,079
he had done um

1208
00:42:48,790 --> 00:42:47,040
he had done specials in search of

1209
00:42:52,150 --> 00:42:48,800
ancient astronauts

1210
00:42:55,510 --> 00:42:52,160
in the in search of uh ancient mysteries

1211
00:42:58,630 --> 00:42:55,520
which aired prior to the regular

1212
00:42:59,270 --> 00:42:58,640
nimoy series but rod sterling passed

1213
00:43:01,510 --> 00:42:59,280

away

1214

00:43:02,309 --> 00:43:01,520

but before that so then he won't get the

1215

00:43:04,710 --> 00:43:02,319

job

1216

00:43:05,829 --> 00:43:04,720

and we caught we'd go from there well

1217

00:43:07,430 --> 00:43:05,839

you know it's strange because i'm

1218

00:43:09,109 --> 00:43:07,440

sitting here for the moment just writing

1219

00:43:12,309 --> 00:43:09,119

down some names here quick

1220

00:43:14,710 --> 00:43:12,319

all right of a gentleman that i know

1221

00:43:16,309 --> 00:43:14,720

have narrated different programs on

1222

00:43:18,390 --> 00:43:16,319

cryptozoology so you've got leonard

1223

00:43:21,190 --> 00:43:18,400

nimoy who's passed away

1224

00:43:22,069 --> 00:43:21,200

robert stack has passed away peter

1225

00:43:25,990 --> 00:43:22,079

graves

1226

00:43:28,550 --> 00:43:26,000

folks may know

1227

00:43:30,150 --> 00:43:28,560

him from the show gilmore girls or some

1228

00:43:32,150 --> 00:43:30,160

other projects but he actually did a lot

1229

00:43:35,910 --> 00:43:32,160

of narrating for

1230

00:43:39,430 --> 00:43:35,920

monster quest he's passed away in fact

1231

00:43:43,270 --> 00:43:39,440

i know who stills alive stacy keach

1232

00:43:46,470 --> 00:43:43,280

yep yes he has he did uh sasquatch

1233

00:43:48,950 --> 00:43:46,480

legend mead science but uh you know

1234

00:43:50,150 --> 00:43:48,960

think about that now four iconic voices

1235

00:43:51,589 --> 00:43:50,160

that you know you think about their

1236

00:43:53,510 --> 00:43:51,599

names you can hear their voices in your

1237

00:43:57,030 --> 00:43:53,520

head that's how powerful

1238

00:43:58,150 --> 00:43:57,040

those voices are and four of the five of

1239

00:44:00,790 --> 00:43:58,160

those

1240

00:44:02,790 --> 00:44:00,800

are now passed away yeah well you know

1241

00:44:06,309 --> 00:44:02,800

also think about david attenborough he

1242

00:44:10,069 --> 00:44:06,319

you know aleister mclean you know

1243

00:44:12,309 --> 00:44:10,079

they they did mostly uh

1244

00:44:13,910 --> 00:44:12,319

you know maybe social documentaries but

1245

00:44:15,990 --> 00:44:13,920

they did a lot of uh

1246

00:44:17,750 --> 00:44:16,000

nature documentaries and such of course

1247

00:44:21,030 --> 00:44:17,760

david attenborough

1248

00:44:23,589 --> 00:44:21,040

uh did a lot of the nature stuff and

1249

00:44:24,390 --> 00:44:23,599

you know one of the most iconic voices

1250

00:44:27,829 --> 00:44:24,400

as far as

1251

00:44:28,230 --> 00:44:27,839

uh that goes and uh yeah i mean yeah it

1252

00:44:30,950 --> 00:44:28,240

is

1253

00:44:33,750 --> 00:44:30,960

and uh you know who's gonna pick the

1254

00:44:35,510 --> 00:44:33,760

ball up and run with it i mean

1255

00:44:37,349 --> 00:44:35,520

i don't know i don't know if you can

1256

00:44:39,190 --> 00:44:37,359

really say they make documentaries like

1257

00:44:39,910 --> 00:44:39,200

that anymore they do make documentaries

1258

00:44:42,630 --> 00:44:39,920

of course they make

1259

00:44:43,430 --> 00:44:42,640

monsters and mysteries and a few other

1260

00:44:46,790 --> 00:44:43,440

shows but

1261

00:44:47,910 --> 00:44:46,800

uh you know pbs still has some pretty

1262

00:44:51,030 --> 00:44:47,920

good stuff and

1263

00:44:52,470 --> 00:44:51,040

i do watch pbs a lot still do even

1264

00:44:54,630 --> 00:44:52,480

though there's a lot of cable but i

1265

00:44:56,550 --> 00:44:54,640

still watch pbs a lot

1266

00:44:58,550 --> 00:44:56,560

well like i said let me get uh some

1267

00:45:00,230 --> 00:44:58,560

chain smoking going on and some scotch

1268

00:45:03,430 --> 00:45:00,240

in my system

1269

00:45:06,309 --> 00:45:03,440

we'll see how i can go yeah let

1270

00:45:06,710 --> 00:45:06,319

two and one folks you're listening to

1271

00:45:10,470 --> 00:45:06,720

again

1272

00:45:12,710 --> 00:45:10,480

arcane radio sean forker lon strickler

1273

00:45:13,829 --> 00:45:12,720

uh and tonight's special guest we have

1274

00:45:16,550 --> 00:45:13,839

joining us here

1275

00:45:17,589 --> 00:45:16,560

via telephone via skype is mr dennis

1276

00:45:19,750 --> 00:45:17,599

carroll

1277

00:45:21,109 --> 00:45:19,760

uh lon you got a little bit there on

1278

00:45:22,950 --> 00:45:21,119

dennis to pull out

1279

00:45:24,790 --> 00:45:22,960

dennis is with yeah this is with the

1280

00:45:27,430 --> 00:45:24,800

carolina society for

1281

00:45:28,550 --> 00:45:27,440

paranormal research and investigation

1282

00:45:31,349 --> 00:45:28,560

inc

1283

00:45:31,990 --> 00:45:31,359

um they have one here that they're a

1284

00:45:34,309 --> 00:45:32,000

non-profit

1285

00:45:35,589 --> 00:45:34,319

corporation that uses scientific

1286

00:45:37,030 --> 00:45:35,599

principles to perform every

1287

00:45:38,630 --> 00:45:37,040

investigation

1288

00:45:40,550 --> 00:45:38,640

we are also striving to further the

1289

00:45:41,829 --> 00:45:40,560

field of paranormal investigation and

1290

00:45:43,510 --> 00:45:41,839

research

1291

00:45:45,510 --> 00:45:43,520

though all our investigations are

1292

00:45:47,270 --> 00:45:45,520

performed with scientific protocol we

1293

00:45:50,390 --> 00:45:47,280

hold the christian ideals

1294

00:45:54,710 --> 00:45:50,400

and beliefs cspri inc

1295

00:45:56,950 --> 00:45:54,720

was founded in february 29 2012

1296

00:45:58,790 --> 00:45:56,960

and we have over a half a century of

1297

00:45:59,349 --> 00:45:58,800

paranormal research and investigation

1298

00:46:03,349 --> 00:45:59,359

experience

1299

00:46:05,030 --> 00:46:03,359

between all of our members now

1300

00:46:06,790 --> 00:46:05,040

they're located in they've got two

1301
00:46:09,589 --> 00:46:06,800
branch locations

1302
00:46:12,150 --> 00:46:09,599
one in anderson county south carolina

1303
00:46:13,750 --> 00:46:12,160
and the cerrone counties and charleston

1304
00:46:14,790 --> 00:46:13,760
south carolina area and the surrounding

1305
00:46:18,069 --> 00:46:14,800
counties

1306
00:46:20,870 --> 00:46:18,079
um so i'd like to welcome dennis and uh

1307
00:46:22,950 --> 00:46:20,880
welcome to the show thank you it's good

1308
00:46:25,109 --> 00:46:22,960
to be on

1309
00:46:27,589 --> 00:46:25,119
um like i said i'm fans of you guys i

1310
00:46:30,069 --> 00:46:27,599
listen to your show a lot

1311
00:46:31,510 --> 00:46:30,079
well we appreciate that dennis you're a

1312
00:46:32,950 --> 00:46:31,520
demonologist

1313
00:46:35,510 --> 00:46:32,960

what does a door what does a

1314

00:46:38,230 --> 00:46:35,520

demonologist do

1315

00:46:41,190 --> 00:46:38,240

well i'm usually a demonologist or what

1316

00:46:44,550 --> 00:46:41,200

i do mainly i'm more or less sort of a

1317

00:46:46,309 --> 00:46:44,560

demonology consultant i have

1318

00:46:48,309 --> 00:46:46,319

consulted with people all over the world

1319

00:46:50,630 --> 00:46:48,319

about their problems

1320

00:46:51,990 --> 00:46:50,640

and uh a lot of the questions about

1321

00:46:58,470 --> 00:46:52,000

demonology

1322

00:46:59,270 --> 00:46:58,480

i've been in this field for 49 years and

1323

00:47:01,670 --> 00:46:59,280

almost

1324

00:47:03,589 --> 00:47:01,680

from the beginning immunology was a very

1325

00:47:05,750 --> 00:47:03,599

uh interesting aspect of it

1326
00:47:06,630 --> 00:47:05,760
uh you know the paranormal field has

1327
00:47:10,309 --> 00:47:06,640
many

1328
00:47:11,349 --> 00:47:10,319
uh smaller fields in it uh such as

1329
00:47:14,069 --> 00:47:11,359
crypto

1330
00:47:15,990 --> 00:47:14,079
uh zoology encrypted research or the

1331
00:47:17,510 --> 00:47:16,000
old-fashioned anklets monster hunting

1332
00:47:20,150 --> 00:47:17,520
i've done a lot of that

1333
00:47:21,990 --> 00:47:20,160
uh i've done a lot of ghost research or

1334
00:47:25,109 --> 00:47:22,000
ghost hunting as they call it

1335
00:47:27,109 --> 00:47:25,119
uh demonology to me was a very

1336
00:47:30,950 --> 00:47:27,119
fascinating aspect because

1337
00:47:33,430 --> 00:47:30,960
at a very young age um

1338
00:47:34,150 --> 00:47:33,440

my research into this my interest in

1339

00:47:37,430 --> 00:47:34,160

this field

1340

00:47:41,270 --> 00:47:37,440

uh took a a 180 degree angle turn

1341

00:47:44,069 --> 00:47:41,280

when i actually saw

1342

00:47:44,950 --> 00:47:44,079

demons i saw two demons exit a man

1343

00:47:47,750 --> 00:47:44,960

during a

1344

00:47:49,430 --> 00:47:47,760

church service and that got me

1345

00:47:51,589 --> 00:47:49,440

interested in what uh

1346

00:47:52,470 --> 00:47:51,599

what this was you know what it was all

1347

00:47:55,910 --> 00:47:52,480

about

1348

00:47:58,710 --> 00:47:55,920

i began to uh study to get deeper into

1349

00:47:59,670 --> 00:47:58,720

the subject of demonology uh i read a

1350

00:48:02,069 --> 00:47:59,680

lot of the uh

1351
00:48:04,069 --> 00:48:02,079
former leaders that were there a lot of

1352
00:48:06,230 --> 00:48:04,079
the ancient books and of course

1353
00:48:08,069 --> 00:48:06,240
the bible that says a lot about it uh

1354
00:48:09,430 --> 00:48:08,079
that's a good sort of a good textbook

1355
00:48:13,109 --> 00:48:09,440
for it as well

1356
00:48:14,069 --> 00:48:13,119
uh i i i went to many different avenues

1357
00:48:17,190 --> 00:48:14,079
looking

1358
00:48:20,870 --> 00:48:17,200
for the answers that i saw and uh

1359
00:48:23,349 --> 00:48:20,880
for uh the would haunt me and you know

1360
00:48:24,950 --> 00:48:23,359
um i've said this to a lot of people

1361
00:48:27,910 --> 00:48:24,960
whenever you have your

1362
00:48:29,270 --> 00:48:27,920
first paranormal experience uh the first

1363
00:48:30,870 --> 00:48:29,280

thing that always comes to your mind

1364

00:48:33,829 --> 00:48:30,880

you're not going to believe it

1365

00:48:34,630 --> 00:48:33,839

that's the first thing he pops in the

1366

00:48:38,710 --> 00:48:34,640

second

1367

00:48:41,910 --> 00:48:38,720

probably for the rest of your life

1368

00:48:45,510 --> 00:48:41,920

is what else is out there you know and

1369

00:48:48,870 --> 00:48:45,520

to me that that is what really keeps my

1370

00:48:50,470 --> 00:48:48,880

curiosity into it um and i began to

1371

00:48:52,950 --> 00:48:50,480

study from my angle

1372

00:48:54,069 --> 00:48:52,960

a lot of what was going on not just in

1373

00:48:56,069 --> 00:48:54,079

ghost research but

1374

00:48:58,230 --> 00:48:56,079

like i said of all the small fields of

1375

00:48:58,710 --> 00:48:58,240

paranormal i love them all i don't want

1376

00:49:00,790 --> 00:48:58,720

just

1377

00:49:02,710 --> 00:49:00,800

one little piece of the pack i want to

1378

00:49:05,349 --> 00:49:02,720

sample the whole

1379

00:49:07,109 --> 00:49:05,359

thing uh to me that that is the

1380

00:49:08,390 --> 00:49:07,119

interesting aspect of it all and i've

1381

00:49:10,710 --> 00:49:08,400

had a lot of

1382

00:49:11,430 --> 00:49:10,720

members that in my goodness i don't

1383

00:49:15,510 --> 00:49:11,440

believe

1384

00:49:17,030 --> 00:49:15,520

you got to you got to research it all

1385

00:49:19,030 --> 00:49:17,040

that's what a true

1386

00:49:20,630 --> 00:49:19,040

paranormal investigator does he

1387

00:49:23,670 --> 00:49:20,640

investigates anything

1388

00:49:24,470 --> 00:49:23,680

having to do with the paranormal uh as a

1389

00:49:27,990 --> 00:49:24,480

matter of fact

1390

00:49:31,190 --> 00:49:28,000

i had an interesting incident last fall

1391

00:49:33,030 --> 00:49:31,200

with a doing um a cryptid research

1392

00:49:35,190 --> 00:49:33,040

session out in the woods of oconee

1393

00:49:38,309 --> 00:49:35,200

county which are not far from anderson

1394

00:49:39,750 --> 00:49:38,319

south carolina where i'm at um

1395

00:49:41,510 --> 00:49:39,760

and there have been a lot of sightings

1396

00:49:43,030 --> 00:49:41,520

of bigfoot up there and

1397

00:49:45,109 --> 00:49:43,040

uh i was out there one night with a

1398

00:49:47,109 --> 00:49:45,119

knife scope and saw something to this

1399

00:49:49,670 --> 00:49:47,119

day i can't really tell you what

1400

00:49:51,670 --> 00:49:49,680

what it really was because unfortunately

1401
00:49:52,069 --> 00:49:51,680
at that time i had the knife scope off

1402
00:49:55,349 --> 00:49:52,079
you know

1403
00:49:58,069 --> 00:49:55,359
experience of looking for a nightstand

1404
00:49:58,710 --> 00:49:58,079
but you'll hurt your eyes after a while

1405
00:50:00,630 --> 00:49:58,720
and so

1406
00:50:02,230 --> 00:50:00,640
i had to turn off my kind of rest in my

1407
00:50:03,270 --> 00:50:02,240
eye and i put it back up and when i did

1408
00:50:05,109 --> 00:50:03,280
i saw

1409
00:50:07,109 --> 00:50:05,119
something moved behind the tree i mean

1410
00:50:07,910 --> 00:50:07,119
look on this forgiveness more or less

1411
00:50:11,349 --> 00:50:07,920
like

1412
00:50:14,870 --> 00:50:13,190
on a elbow with this thing and went

1413
00:50:15,990 --> 00:50:14,880

behind the tree right now of course it

1414

00:50:17,829 --> 00:50:16,000

could have been rocky the fire and

1415

00:50:20,150 --> 00:50:17,839

squirrel too so i want to know

1416

00:50:22,630 --> 00:50:20,160

because i've seen flying squirrels they

1417

00:50:25,190 --> 00:50:22,640

do operate at night as well

1418

00:50:25,990 --> 00:50:25,200

so i don't know what it really was i

1419

00:50:27,990 --> 00:50:26,000

didn't really

1420

00:50:29,190 --> 00:50:28,000

if i had just raised my scope about a

1421

00:50:32,230 --> 00:50:29,200

second so

1422

00:50:33,670 --> 00:50:32,240

sooner i got a better look at it but it

1423

00:50:35,589 --> 00:50:33,680

just makes me want to see

1424

00:50:36,710 --> 00:50:35,599

more of it makes me want to find out

1425

00:50:39,190 --> 00:50:36,720

more about it

1426
00:50:41,109 --> 00:50:39,200
uh to me that's the most interesting

1427
00:50:44,309 --> 00:50:41,119
aspect of it all

1428
00:50:47,190 --> 00:50:44,319
uh to me

1429
00:50:48,309 --> 00:50:47,200
that is what paranormal investigation

1430
00:50:50,549 --> 00:50:48,319
research is all about

1431
00:50:52,230 --> 00:50:50,559
looking for those answers seeking the

1432
00:50:54,950 --> 00:50:52,240
truth on these things

1433
00:50:56,150 --> 00:50:54,960
uh it's what i saw was bigfoot i have to

1434
00:50:58,790 --> 00:50:56,160
say this

1435
00:51:00,710 --> 00:50:58,800
if uh it knew it i would have to say it

1436
00:51:02,309 --> 00:51:00,720
almost disappeared supernaturally in

1437
00:51:03,990 --> 00:51:02,319
front of me because i've hunted

1438
00:51:05,910 --> 00:51:04,000

i've got a lot of money i've been in the

1439

00:51:10,870 --> 00:51:05,920

area i've been

1440

00:51:14,390 --> 00:51:12,950

i was looking further deeper into the

1441

00:51:15,750 --> 00:51:14,400

woods fort to move down through there

1442

00:51:16,549 --> 00:51:15,760

and there was no way it could have got

1443

00:51:19,349 --> 00:51:16,559

away from me

1444

00:51:21,510 --> 00:51:19,359

it could have gotten away that quick it

1445

00:51:25,589 --> 00:51:21,520

was just like it was gone

1446

00:51:27,270 --> 00:51:25,599

almost supernaturally like yeah

1447

00:51:28,950 --> 00:51:27,280

i mean i i hear you know and you've read

1448

00:51:31,829 --> 00:51:28,960

the blog and i i hear that

1449

00:51:33,190 --> 00:51:31,839

a lot um you know they're one minutes

1450

00:51:35,190 --> 00:51:33,200

and gone if you're hunting and you're

1451
00:51:37,109 --> 00:51:35,200
having a squirrel [h__\h] or whatever

1452
00:51:37,950 --> 00:51:37,119
they just don't disappear but for

1453
00:51:39,510 --> 00:51:37,960
whatever reason

1454
00:51:41,430 --> 00:51:39,520
[Music]

1455
00:51:42,870 --> 00:51:41,440
these bigfoot just have a tendency to

1456
00:51:45,510 --> 00:51:42,880
just vanish

1457
00:51:46,950 --> 00:51:45,520
and uh you know it is it's it you can't

1458
00:51:49,270 --> 00:51:46,960
explain it

1459
00:51:50,870 --> 00:51:49,280
yeah i would definitely want to see more

1460
00:51:51,750 --> 00:51:50,880
of it well like you have with your

1461
00:51:54,069 --> 00:51:51,760
experience

1462
00:51:55,190 --> 00:51:54,079
right i would like to see all of it you

1463
00:51:57,430 --> 00:51:55,200

know that would conclude

1464

00:51:58,630 --> 00:51:57,440

in my mind for me you know i told this

1465

00:52:00,950 --> 00:51:58,640

to a lot of people

1466

00:52:02,870 --> 00:52:00,960

uh the skeptic will immediately call you

1467

00:52:04,630 --> 00:52:02,880

a liar and i'm not that way i'm not a

1468

00:52:07,030 --> 00:52:04,640

skeptic i know i try to

1469

00:52:09,190 --> 00:52:07,040

uh approach it although the scientific

1470

00:52:12,630 --> 00:52:09,200

slant but with an open mind

1471

00:52:15,510 --> 00:52:12,640

right uh i don't think you know

1472

00:52:16,790 --> 00:52:15,520

fast is benefitted by clotheslines

1473

00:52:20,630 --> 00:52:16,800

definitely not

1474

00:52:23,829 --> 00:52:20,640

and um uh people are seeing something

1475

00:52:24,470 --> 00:52:23,839

you know um and that's why i say i get a

1476

00:52:26,230 --> 00:52:24,480

lot of

1477

00:52:28,150 --> 00:52:26,240

photographs sent to me can you tell me

1478

00:52:30,470 --> 00:52:28,160

what this is what this is like

1479

00:52:31,349 --> 00:52:30,480

and i say well i don't know i'd have to

1480

00:52:34,630 --> 00:52:31,359

be there

1481

00:52:38,549 --> 00:52:34,640

myself

1482

00:52:41,990 --> 00:52:38,559

and that would conclude and uh

1483

00:52:45,109 --> 00:52:42,000

you had experienced in a church

1484

00:52:47,670 --> 00:52:45,119

or during a service two demons leaving

1485

00:52:49,349 --> 00:52:47,680

an individual what uh what was the

1486

00:52:53,270 --> 00:52:49,359

circumstances behind that

1487

00:52:54,069 --> 00:52:53,280

and uh have you the ability to see other

1488

00:52:57,430 --> 00:52:54,079

entities as

1489

00:53:00,230 --> 00:52:57,440

well okay uh well

1490

00:53:01,910 --> 00:53:00,240

uh in the incident with the demons i was

1491

00:53:05,270 --> 00:53:01,920

about probably

1492

00:53:06,630 --> 00:53:05,280

about 17 years old when that plays on

1493

00:53:09,030 --> 00:53:06,640

because it was during church service i

1494

00:53:12,230 --> 00:53:09,040

began to pray for this man up front

1495

00:53:13,910 --> 00:53:12,240

at the church and uh i was just sitting

1496

00:53:15,990 --> 00:53:13,920

there watching and i it's kind of hard

1497

00:53:19,109 --> 00:53:16,000

to describe this but

1498

00:53:19,750 --> 00:53:19,119

it was almost like two basketballs so i

1499

00:53:22,150 --> 00:53:19,760

was

1500

00:53:23,589 --> 00:53:22,160

dirty white like i said dirty white they

1501
00:53:24,309 --> 00:53:23,599
were they were they want a glowing

1502
00:53:26,829 --> 00:53:24,319
bright

1503
00:53:27,990 --> 00:53:26,839
you know they were like dirty balls of

1504
00:53:30,549 --> 00:53:28,000
life

1505
00:53:31,670 --> 00:53:30,559
that came out of his hand one at a time

1506
00:53:33,670 --> 00:53:31,680
there were two dollars

1507
00:53:34,710 --> 00:53:33,680
and went through the wall disappeared

1508
00:53:36,790 --> 00:53:34,720
and i'm sitting there

1509
00:53:38,710 --> 00:53:36,800
like you know my jaw is on the floor

1510
00:53:41,430 --> 00:53:38,720
looking at this and i'm saying

1511
00:53:41,990 --> 00:53:41,440
did i see what i saw just now you know

1512
00:53:45,589 --> 00:53:42,000
it took me

1513
00:53:47,190 --> 00:53:45,599

a while for my mind to comprehend what i

1514

00:53:49,910 --> 00:53:47,200

actually saw

1515

00:53:51,510 --> 00:53:49,920

right uh you hear about these things but

1516

00:53:53,750 --> 00:53:51,520

until you actually see it

1517

00:53:56,630 --> 00:53:53,760

that's what you know puts the icing on

1518

00:53:59,750 --> 00:53:56,640

your cake how to speak you know uh

1519

00:54:01,589 --> 00:53:59,760

to me that made me say what was that

1520

00:54:03,030 --> 00:54:01,599

and what is this and what's going on

1521

00:54:05,670 --> 00:54:03,040

here and i want to know more

1522

00:54:08,829 --> 00:54:05,680

definitely i want to know what this is

1523

00:54:08,839 --> 00:54:16,870

well something's going on

1524

00:54:16,880 --> 00:54:22,829

really yes

1525

00:54:31,910 --> 00:54:24,470

dennis

1526

00:54:36,789 --> 00:54:34,950

oh christmas lawn i knew it was too good

1527

00:54:39,670 --> 00:54:36,799

to be true

1528

00:54:40,309 --> 00:54:39,680

okay so we're talking about the church

1529

00:54:47,030 --> 00:54:40,319

yeah

1530

00:54:49,270 --> 00:54:47,040

uh those uh two lights like come out of

1531

00:54:53,270 --> 00:54:49,280

this man they were like

1532

00:54:53,990 --> 00:54:53,280

uh dirty balls of black about basketball

1533

00:54:56,069 --> 00:54:54,000

size

1534

00:54:57,750 --> 00:54:56,079

and they like came out one after the

1535

00:54:59,190 --> 00:54:57,760

other out of this man went through the

1536

00:55:02,230 --> 00:54:59,200

wall like i said

1537

00:55:03,829 --> 00:55:02,240

i was sitting there my my jaw was on the

1538

00:55:05,750 --> 00:55:03,839

floor

1539

00:55:08,069 --> 00:55:05,760

and uh i just couldn't believe what i

1540

00:55:10,710 --> 00:55:08,079

saw i mean it took a long time for my

1541

00:55:13,670 --> 00:55:10,720

mind to comprehend what i saw

1542

00:55:14,069 --> 00:55:13,680

um but that just again i kind of journey

1543

00:55:15,990 --> 00:55:14,079

into

1544

00:55:17,349 --> 00:55:16,000

them and i was letting you wonder what

1545

00:55:20,390 --> 00:55:17,359

this was

1546

00:55:23,430 --> 00:55:20,400

why it you know had it

1547

00:55:25,750 --> 00:55:23,440

had these kind of properties to it um

1548

00:55:28,150 --> 00:55:25,760

i had a lot of questions for which i had

1549

00:55:32,390 --> 00:55:28,160

no answers and i began to search

1550

00:55:36,150 --> 00:55:32,400

in a lot of ancient books like uh the

1551
00:55:38,630 --> 00:55:36,160
uh the books and the bible records this

1552
00:55:41,430 --> 00:55:38,640
is sort of a textbook

1553
00:55:43,030 --> 00:55:41,440
in a way uh it does talk a lot about

1554
00:55:46,549 --> 00:55:43,040
beings or these negative

1555
00:55:48,630 --> 00:55:46,559
energies as some people call them um

1556
00:55:49,589 --> 00:55:48,640
there was a question that concerning me

1557
00:55:52,549 --> 00:55:49,599
back in my

1558
00:55:53,270 --> 00:55:52,559
in my beginning the beginning days of my

1559
00:55:55,109 --> 00:55:53,280
uh

1560
00:55:56,710 --> 00:55:55,119
career in the paranormal and that was

1561
00:55:59,349 --> 00:55:56,720
this uh

1562
00:56:02,069 --> 00:55:59,359
cultures a world apart from each other

1563
00:56:04,230 --> 00:56:02,079

why do they have the same things

1564

00:56:06,789 --> 00:56:04,240

uh in almost every culture you found

1565

00:56:09,829 --> 00:56:06,799

shape shifters you found vampires

1566

00:56:12,230 --> 00:56:09,839

you found ghosts witches monsters

1567

00:56:12,950 --> 00:56:12,240

what was going on here you know and the

1568

00:56:16,950 --> 00:56:12,960

only

1569

00:56:18,950 --> 00:56:16,960

reasonable explanation i could come up

1570

00:56:20,150 --> 00:56:18,960

somebody somewhere must have seen

1571

00:56:23,190 --> 00:56:20,160

something like this

1572

00:56:25,589 --> 00:56:23,200

you know uh for this to be for this to

1573

00:56:28,789 --> 00:56:25,599

become almost like a racial memory

1574

00:56:30,549 --> 00:56:28,799

in many cultures uh what's going on here

1575

00:56:32,309 --> 00:56:30,559

like the dragon is found in every

1576
00:56:34,789 --> 00:56:32,319
culture on this worldwide what's going

1577
00:56:37,109 --> 00:56:34,799
on with that and yet science tells us

1578
00:56:38,870 --> 00:56:37,119
that no men were living in the in the

1579
00:56:41,349 --> 00:56:38,880
days of dinosaurs

1580
00:56:41,990 --> 00:56:41,359
i don't know about that because it's

1581
00:56:46,230 --> 00:56:42,000
just too

1582
00:56:49,829 --> 00:56:46,240
prevalent for it to be just imagination

1583
00:56:51,430 --> 00:56:49,839
you know but uh there were questions

1584
00:56:52,870 --> 00:56:51,440
like that begin to haunt me the more i

1585
00:56:55,829 --> 00:56:52,880
looked into it the more

1586
00:56:56,870 --> 00:56:55,839
questions they raised and somebody uh

1587
00:56:59,510 --> 00:56:56,880
for me

1588
00:57:00,870 --> 00:56:59,520

uh it was just like quicksand the deeper

1589

00:57:04,150 --> 00:57:00,880

i got into it and

1590

00:57:06,630 --> 00:57:04,160

the deeper it got and uh it still is

1591

00:57:09,270 --> 00:57:06,640

that way 40 years later

1592

00:57:12,470 --> 00:57:09,280

uh it still fascinates me it hasn't

1593

00:57:15,670 --> 00:57:12,480

gotten old it never does

1594

00:57:17,670 --> 00:57:15,680

yeah but now as for beings uh after that

1595

00:57:19,589 --> 00:57:17,680

incident later on when i got deeper into

1596

00:57:22,150 --> 00:57:19,599

demonology i actually

1597

00:57:23,910 --> 00:57:22,160

have seen demons several times since

1598

00:57:25,349 --> 00:57:23,920

then and they have manifested in

1599

00:57:27,510 --> 00:57:25,359

different forms

1600

00:57:29,670 --> 00:57:27,520

i've even been on several occasions

1601
00:57:32,710 --> 00:57:29,680
attacked by these things

1602
00:57:33,430 --> 00:57:32,720
uh i think and just recently in the last

1603
00:57:35,990 --> 00:57:33,440
time i ran

1604
00:57:37,030 --> 00:57:36,000
into one i found out something about it

1605
00:57:39,430 --> 00:57:37,040
that i never knew

1606
00:57:41,270 --> 00:57:39,440
and read anywhere and that was the fact

1607
00:57:42,150 --> 00:57:41,280
that these things came to a certain

1608
00:57:45,030 --> 00:57:42,160
point i believe

1609
00:57:46,950 --> 00:57:45,040
read your mind they can use images they

1610
00:57:47,910 --> 00:57:46,960
can turn your mind against you in some

1611
00:57:50,309 --> 00:57:47,920
ways

1612
00:57:52,390 --> 00:57:50,319
uh i think the images that are just

1613
00:57:54,789 --> 00:57:52,400

floating on the surface of your

1614

00:57:56,630 --> 00:57:54,799

conscious mind i believe they can use

1615

00:57:59,670 --> 00:57:56,640

these we read these things

1616

00:58:02,230 --> 00:57:59,680

and uh i found that out firsthand

1617

00:58:04,230 --> 00:58:02,240

uh the last time i actually ran into one

1618

00:58:06,470 --> 00:58:04,240

of these things actually i was in a room

1619

00:58:07,670 --> 00:58:06,480

with this thing manifested itself as a

1620

00:58:09,990 --> 00:58:07,680

shadow form

1621

00:58:11,910 --> 00:58:10,000

that was probably it was a it was a

1622

00:58:12,710 --> 00:58:11,920

shadow darker than the darkness around

1623

00:58:16,470 --> 00:58:12,720

it

1624

00:58:22,789 --> 00:58:16,480

eight

1625

00:58:25,190 --> 00:58:22,799

like it was pulling in darkness to it

1626
00:58:26,470 --> 00:58:25,200
and uh and then that's when i saw very

1627
00:58:29,750 --> 00:58:26,480
faint two red

1628
00:58:31,829 --> 00:58:29,760
eyes in this darkness and this thing

1629
00:58:32,309 --> 00:58:31,839
began to advance toward me and actually

1630
00:58:34,150 --> 00:58:32,319
my

1631
00:58:36,549 --> 00:58:34,160
colleague brandon hudgetts he was in the

1632
00:58:39,190 --> 00:58:36,559
room too he was attacked by it

1633
00:58:40,789 --> 00:58:39,200
emotionally it attacked me physically it

1634
00:58:43,829 --> 00:58:40,799
was almost

1635
00:58:45,829 --> 00:58:43,839
as if i was having a heart attack i was

1636
00:58:48,710 --> 00:58:45,839
something like that yeah the same again

1637
00:58:50,789 --> 00:58:48,720
the energy i would begin to go up my leg

1638
00:58:53,190 --> 00:58:50,799

and up towards my chest it was almost i

1639

00:58:56,230 --> 00:58:53,200

began to get short of breath almost

1640

00:58:58,789 --> 00:58:56,240

and it was uh it was almost like it was

1641

00:59:00,549 --> 00:58:58,799

you know uh with the signs of a free

1642

00:59:03,829 --> 00:59:00,559

heart attack type thing

1643

00:59:05,589 --> 00:59:03,839

um finding how he buked this thing and

1644

00:59:08,390 --> 00:59:05,599

got it off of me

1645

00:59:09,270 --> 00:59:08,400

uh only then i began to feel better you

1646

00:59:11,829 --> 00:59:09,280

know

1647

00:59:12,549 --> 00:59:11,839

but uh it took several days for brandon

1648

00:59:15,589 --> 00:59:12,559

to get over

1649

00:59:17,430 --> 00:59:15,599

his attack because emotionally

1650

00:59:19,030 --> 00:59:17,440

it really did the job on him unless

1651
00:59:21,670 --> 00:59:19,040
these things will attack you

1652
00:59:22,549 --> 00:59:21,680
basically in four different ways uh

1653
00:59:25,750 --> 00:59:22,559
spiritually

1654
00:59:27,670 --> 00:59:25,760
mentally physically and emotionally uh

1655
00:59:29,270 --> 00:59:27,680
those are the four things that really

1656
00:59:32,150 --> 00:59:29,280
make us who we are

1657
00:59:33,190 --> 00:59:32,160
in many aspects and i got this too i

1658
00:59:35,589 --> 00:59:33,200
also mentioned this

1659
00:59:37,430 --> 00:59:35,599
psychic people people who have psychic

1660
00:59:39,510 --> 00:59:37,440
abilities to be careful because these

1661
00:59:42,390 --> 00:59:39,520
negative energies can attack you

1662
00:59:44,470 --> 00:59:42,400
psychically as well uh i don't know if

1663
00:59:48,470 --> 00:59:44,480

my lion's ever had that problem

1664

00:59:51,270 --> 00:59:48,480

well i've had psychic attacks

1665

00:59:53,190 --> 00:59:51,280

during uh well rvs but i i've had

1666

00:59:56,390 --> 00:59:53,200

psychic attacks during

1667

00:59:57,750 --> 00:59:56,400

sessions with clients oh yeah that's uh

1668

01:00:00,549 --> 00:59:57,760

and i mean some of them have been

1669

01:00:06,150 --> 01:00:00,559

physical as well

1670

01:00:09,510 --> 01:00:08,390

i really know what you're doing yeah you

1671

01:00:11,270 --> 01:00:09,520

gotta really uh

1672

01:00:13,190 --> 01:00:11,280

you gotta really be aware of it i agree

1673

01:00:15,190 --> 01:00:13,200

with that and i tell anybody

1674

01:00:16,549 --> 01:00:15,200

you know protect yourself absolutely

1675

01:00:17,670 --> 01:00:16,559

protect yourself before you get into

1676

01:00:19,750 --> 01:00:17,680

this type of thing

1677

01:00:22,789 --> 01:00:19,760

because uh you never know what's going

1678

01:00:26,230 --> 01:00:24,470

and you know these things can sometimes

1679

01:00:35,750 --> 01:00:26,240

even attach to you if you're not careful

1680

01:00:40,309 --> 01:00:38,390

with people who have actually these uh

1681

01:00:42,069 --> 01:00:40,319

negative energy type attachments

1682

01:00:43,750 --> 01:00:42,079

to them and they really make life

1683

01:00:46,870 --> 01:00:43,760

terrible for these people

1684

01:00:48,549 --> 01:00:46,880

uh these things these things

1685

01:00:49,589 --> 01:00:48,559

and i think i know ryan knows what i'm

1686

01:00:51,589 --> 01:00:49,599

about to say these things are

1687

01:00:52,230 --> 01:00:51,599

opportunists they take that opportunity

1688

01:00:53,670 --> 01:00:52,240

and

1689

01:00:55,270 --> 01:00:53,680

if they get that opportunity they'll

1690

01:00:58,390 --> 01:00:55,280

definitely take it

1691

01:01:00,549 --> 01:00:58,400

uh i've seen that i've seen that happen

1692

01:01:02,470 --> 01:01:00,559

many times and these things can manifest

1693

01:01:05,750 --> 01:01:02,480

themselves in different ways

1694

01:01:08,150 --> 01:01:05,760

uh so you never know how they're gonna

1695

01:01:21,190 --> 01:01:08,160

come at you but likewise you can protect

1696

01:01:24,870 --> 01:01:23,910

or exactly what it is that gives you a

1697

01:01:31,270 --> 01:01:24,880

leg up on it

1698

01:01:34,630 --> 01:01:33,349

what do you use for deliverance or i

1699

01:01:35,829 --> 01:01:34,640

don't know if you call it deliverance or

1700

01:01:39,589 --> 01:01:35,839

exorcism what do you

1701

01:01:42,630 --> 01:01:39,599

use what kind of uh ritual do you use

1702

01:01:43,910 --> 01:01:42,640

well actually uh i do a lot of judeo

1703

01:01:46,069 --> 01:01:43,920

christian i have done

1704

01:01:48,470 --> 01:01:46,079

a lot where there's a certain thing you

1705

01:01:51,990 --> 01:01:48,480

can do for people who are pagans

1706

01:01:52,710 --> 01:01:52,000

uh and then there are for my father i've

1707

01:01:55,829 --> 01:01:52,720

even helped

1708

01:01:57,510 --> 01:01:55,839

hindu people who are hindu uh

1709

01:01:59,270 --> 01:01:57,520

but it's just whatever they're

1710

01:02:00,870 --> 01:01:59,280

comfortable with

1711

01:02:01,990 --> 01:02:00,880

you know is what's going to help them

1712

01:02:03,190 --> 01:02:02,000

you know what i'm saying whatever

1713

01:02:10,630 --> 01:02:03,200

they're

1714

01:02:13,029 --> 01:02:10,640

is what empowers them just any sense

1715

01:02:14,309 --> 01:02:13,039

yeah to form that bumper around and

1716

01:02:16,789 --> 01:02:14,319

perform that

1717

01:02:18,549 --> 01:02:16,799

that uh that light you might want to say

1718

01:02:21,829 --> 01:02:18,559

psychic lightning

1719

01:02:25,029 --> 01:02:21,839

but uh can be a bumper or

1720

01:02:28,069 --> 01:02:25,039

armor as the old saying used to be armor

1721

01:02:29,510 --> 01:02:28,079

um it just depends on who the individual

1722

01:02:33,029 --> 01:02:29,520

is and what the case is

1723

01:02:36,789 --> 01:02:33,039

uh i don't actually do exorcisms

1724

01:02:39,589 --> 01:02:36,799

uh now mainly i mainly do

1725

01:02:40,390 --> 01:02:39,599

what we call location exorcisms or

1726

01:02:42,950 --> 01:02:40,400

cleansings

1727

01:02:44,789 --> 01:02:42,960

that's what i basically thought but now

1728

01:02:47,190 --> 01:02:44,799

if it does run into

1729

01:02:48,390 --> 01:02:47,200

something like an actual demonic

1730

01:02:51,270 --> 01:02:48,400

possession

1731

01:02:52,549 --> 01:02:51,280

uh then i think it's time for the real

1732

01:02:55,190 --> 01:02:52,559

experts in that

1733

01:02:56,950 --> 01:02:55,200

to take over uh because you know there's

1734

01:02:58,069 --> 01:02:56,960

so many different ramifications in that

1735

01:03:05,750 --> 01:02:58,079

it could be

1736

01:03:07,190 --> 01:03:05,760

something besides that but uh here's one

1737

01:03:10,230 --> 01:03:07,200

thing you have to think about

1738

01:03:13,349 --> 01:03:10,240

these negative energies are drawn to

1739

01:03:15,349 --> 01:03:13,359

pain and suffering they are grown to

1740

01:03:18,390 --> 01:03:15,359

normal

1741

01:03:19,670 --> 01:03:18,400

of english and no suffering just like

1742

01:03:21,910 --> 01:03:19,680

any kind of money

1743

01:03:23,829 --> 01:03:21,920

they're drawn to that so you never know

1744

01:03:26,069 --> 01:03:23,839

what it is you're really dealing with

1745

01:03:29,510 --> 01:03:26,079

you got to be very careful you got to

1746

01:03:31,190 --> 01:03:29,520

really understand what it is you're

1747

01:03:32,950 --> 01:03:31,200

dealing with before you can call it for

1748

01:03:34,789 --> 01:03:32,960

what you know you think it is it's like

1749

01:03:37,349 --> 01:03:34,799

a doctor diagnosing someone

1750

01:03:38,150 --> 01:03:37,359

in a way you know and there are signs

1751

01:03:40,710 --> 01:03:38,160

there uh

1752

01:03:42,710 --> 01:03:40,720

in the first book i wrote that my

1753

01:03:45,670 --> 01:03:42,720

partner and i wrote it was called uh

1754

01:03:46,630 --> 01:03:45,680

beyond the shadows i put a whole list in

1755

01:03:48,549 --> 01:03:46,640

there of

1756

01:03:50,630 --> 01:03:48,559

the signs of the demonic or evil

1757

01:03:54,390 --> 01:03:50,640

negative whatever

1758

01:03:55,990 --> 01:03:54,400

you want to give them um a long list

1759

01:03:57,589 --> 01:03:56,000

and i've had a lot of people calling

1760

01:04:00,710 --> 01:03:57,599

this girl i got three of these on this

1761

01:04:04,870 --> 01:04:03,109

oh no no that doesn't these are just

1762

01:04:06,390 --> 01:04:04,880

indicators it doesn't actually mean

1763

01:04:07,109 --> 01:04:06,400

that's what's going on but it's just

1764

01:04:09,270 --> 01:04:07,119

like

1765

01:04:12,390 --> 01:04:09,280

you know if you sample the smoke you

1766

01:04:13,270 --> 01:04:12,400

know where it's coming from to be

1767

01:04:15,670 --> 01:04:13,280

something

1768

01:04:17,109 --> 01:04:15,680

going on there and so this is a lot of

1769

01:04:18,069 --> 01:04:17,119

smoke then you know there's a fire

1770

01:04:21,510 --> 01:04:18,079

somewhere

1771

01:04:23,349 --> 01:04:21,520

uh so these are just indicators for

1772

01:04:26,789 --> 01:04:23,359

people to understand

1773

01:04:28,150 --> 01:04:26,799

but now we have in this last book of the

1774

01:04:30,150 --> 01:04:28,160

roman scene

1775

01:04:31,829 --> 01:04:30,160

we have a hypothesis and they have what

1776

01:04:34,950 --> 01:04:31,839

we call actually

1777

01:04:37,510 --> 01:04:34,960

laden position now you have uh

1778

01:04:39,750 --> 01:04:37,520

you have the ironic influence and then

1779

01:04:42,150 --> 01:04:39,760

you have the ammoniac oppression

1780

01:04:44,150 --> 01:04:42,160

and then demonic possession we believe

1781

01:04:48,230 --> 01:04:44,160

there may be a third

1782

01:04:49,589 --> 01:04:48,240

a third level in there that is basically

1783

01:04:51,430 --> 01:04:49,599

leading to this in other words you're

1784

01:04:52,309 --> 01:04:51,440

possessed and you don't exhibit very

1785

01:04:54,150 --> 01:04:52,319

many signs

1786

01:04:56,309 --> 01:04:54,160

and you don't even know it it's nothing

1787

01:04:58,630 --> 01:04:56,319

it's nothing like landing by an exorcism

1788

01:05:01,510 --> 01:04:58,640

there's no heat going around there's no

1789

01:05:03,750 --> 01:05:01,520

piece of being fit up it's a very very

1790

01:05:07,109 --> 01:05:03,760

very subtle type of position

1791

01:05:09,589 --> 01:05:07,119

and we think this may be what you see in

1792

01:05:12,150 --> 01:05:09,599

the headlines of today a lot with these

1793

01:05:13,029 --> 01:05:12,160

shootings and tragic things that you're

1794

01:05:16,069 --> 01:05:13,039

learning schools

1795

01:05:19,510 --> 01:05:16,079

that could be a lot of that could be

1796

01:05:21,430 --> 01:05:19,520

actually in possession you never know uh

1797

01:05:23,270 --> 01:05:21,440

we think that's out there too i don't

1798

01:05:25,109 --> 01:05:23,280

know how prevalent it is

1799

01:05:26,630 --> 01:05:25,119

nobody's ever done a study on it this is

1800

01:05:28,870 --> 01:05:26,640

just our theory that we

1801
01:05:30,870 --> 01:05:28,880
come up with to explain a lot of things

1802
01:05:32,390 --> 01:05:30,880
because a lot of times these people

1803
01:05:33,670 --> 01:05:32,400
after they've done these horrendous

1804
01:05:35,270 --> 01:05:33,680
things

1805
01:05:37,270 --> 01:05:35,280
they come back and say what did i do

1806
01:05:40,470 --> 01:05:37,280
that for you know

1807
01:05:42,309 --> 01:05:40,480
they're they're like what happened to me

1808
01:05:43,670 --> 01:05:42,319
it wasn't me that was driving a car

1809
01:05:47,190 --> 01:05:43,680
anymore you know

1810
01:05:48,710 --> 01:05:47,200
i wouldn't know how many wheels so uh

1811
01:05:50,309 --> 01:05:48,720
there's got to be an explanation for

1812
01:05:51,829 --> 01:05:50,319
some of this it doesn't it doesn't have

1813
01:05:52,710 --> 01:05:51,839

to be a well we can't paint it with a

1814

01:05:56,150 --> 01:05:52,720

broad brush

1815

01:05:59,430 --> 01:05:56,160

but i think there are certain instances

1816

01:06:01,029 --> 01:05:59,440

where this may occur and how prevalent

1817

01:06:03,990 --> 01:06:01,039

it is i really don't know

1818

01:06:04,549 --> 01:06:04,000

but i think it's out there had mentioned

1819

01:06:07,589 --> 01:06:04,559

that

1820

01:06:10,870 --> 01:06:07,599

yeah you had mentioned in your bio to me

1821

01:06:14,470 --> 01:06:10,880

that you you consulted on

1822

01:06:18,630 --> 01:06:14,480

um an incident that was on

1823

01:06:22,230 --> 01:06:18,640

a show on uh on destination america

1824

01:06:25,270 --> 01:06:22,240

can you can you tell us about that

1825

01:06:28,470 --> 01:06:25,280

uh the the right i'm sorry i didn't

1826
01:06:30,230 --> 01:06:28,480
quite get that one okay you mentioned

1827
01:06:34,549 --> 01:06:30,240
you you had mentioned me that

1828
01:06:37,349 --> 01:06:34,559
you were uh you consulted on a case

1829
01:06:39,109 --> 01:06:37,359
that's going to be covered on one of the

1830
01:06:42,230 --> 01:06:39,119
one of the shows on

1831
01:06:44,630 --> 01:06:42,240
destination america uh can you

1832
01:06:45,430 --> 01:06:44,640
can you tell us a little bit about that

1833
01:06:48,710 --> 01:06:45,440
oh

1834
01:06:51,829 --> 01:06:48,720
yeah yeah that's the uh ghost asylum

1835
01:06:53,910 --> 01:06:51,839
yeah um so and um they are

1836
01:06:55,510 --> 01:06:53,920
actually i think called the tennessee

1837
01:06:57,670 --> 01:06:55,520
race chasers

1838
01:06:59,349 --> 01:06:57,680

uh the other show is on the destination

1839

01:07:00,630 --> 01:06:59,359

channel they actually called me in a

1840

01:07:03,109 --> 01:07:00,640

couple of weeks ago

1841

01:07:04,789 --> 01:07:03,119

they had an incident where uh one of the

1842

01:07:06,870 --> 01:07:04,799

members was sort of

1843

01:07:09,029 --> 01:07:06,880

taken over by what i could turn as a

1844

01:07:11,190 --> 01:07:09,039

sort of spirit of anger

1845

01:07:12,710 --> 01:07:11,200

uh and it was in a uh it was i think in

1846

01:07:15,190 --> 01:07:12,720

a uh a

1847

01:07:16,390 --> 01:07:15,200

deserted normal institute where they

1848

01:07:18,870 --> 01:07:16,400

took place

1849

01:07:21,430 --> 01:07:18,880

um they wanted to know what they could

1850

01:07:25,029 --> 01:07:21,440

do to protect themselves a little more

1851
01:07:27,270 --> 01:07:25,039
and so i kind of advise them on that um

1852
01:07:28,150 --> 01:07:27,280
and like i you know said previously

1853
01:07:31,910 --> 01:07:28,160
these uh

1854
01:07:33,829 --> 01:07:31,920
these places seem to be uh a hotbed for

1855
01:07:35,990 --> 01:07:33,839
these negative energies these evil type

1856
01:07:36,789 --> 01:07:36,000
spirits they seem to be drawn to these

1857
01:07:39,910 --> 01:07:36,799
places where

1858
01:07:41,589 --> 01:07:39,920
they like battlefields or or uh or

1859
01:07:42,150 --> 01:07:41,599
hospitals and all that they've known a

1860
01:07:44,630 --> 01:07:42,160
lot of

1861
01:07:46,309 --> 01:07:44,640
trauma and anguish and suffering and

1862
01:07:48,630 --> 01:07:46,319
mental instability

1863
01:07:50,549 --> 01:07:48,640

these things seem to haunt these areas

1864

01:07:52,630 --> 01:07:50,559

more than other places

1865

01:07:54,829 --> 01:07:52,640

uh that's what i want them and that's

1866

01:07:56,470 --> 01:07:54,839

their specialty by the way they like to

1867

01:07:58,549 --> 01:07:56,480

investigate

1868

01:07:59,990 --> 01:07:58,559

old hospitals and mental institutions

1869

01:08:02,390 --> 01:08:00,000

and asylums

1870

01:08:03,589 --> 01:08:02,400

and uh i warned them you know be careful

1871

01:08:05,990 --> 01:08:03,599

because

1872

01:08:07,670 --> 01:08:06,000

you can basically run into this is a

1873

01:08:09,670 --> 01:08:07,680

little bit more pervasive than in other

1874

01:08:11,589 --> 01:08:09,680

places

1875

01:08:12,950 --> 01:08:11,599

so you need to really go in and protect

1876

01:08:14,789 --> 01:08:12,960

yourselves uh

1877

01:08:16,149 --> 01:08:14,799

we were a nice bunch of guys and we

1878

01:08:19,110 --> 01:08:16,159

really had a good rapport

1879

01:08:20,229 --> 01:08:19,120

and uh i think it's gonna be coming up

1880

01:08:23,030 --> 01:08:20,239

on their next season

1881

01:08:24,390 --> 01:08:23,040

when that's gonna show uh return on that

1882

01:08:27,430 --> 01:08:24,400

but it was a very uh

1883

01:08:29,669 --> 01:08:27,440

it was a uh a very enjoyable

1884

01:08:32,070 --> 01:08:29,679

uh experience for me to be able to

1885

01:08:35,590 --> 01:08:32,080

advise these people on that because

1886

01:08:37,189 --> 01:08:35,600

they uh are really uh

1887

01:08:40,149 --> 01:08:37,199

messing around something that you really

1888

01:08:43,349 --> 01:08:41,829

how did you advise them to protect

1889

01:08:46,550 --> 01:08:43,359

themselves

1890

01:08:48,709 --> 01:08:46,560

different ways uh

1891

01:08:52,309 --> 01:08:48,719

and since they were rather religious

1892

01:08:53,269 --> 01:08:52,319

more christian religious people that the

1893

01:08:55,110 --> 01:08:53,279

best thing to do

1894

01:08:57,110 --> 01:08:55,120

if you're going into these places

1895

01:08:59,349 --> 01:08:57,120

perhaps wear a blessed cross

1896

01:09:01,030 --> 01:08:59,359

uh say a prayer before you go in a

1897

01:09:02,870 --> 01:09:01,040

prayer protection

1898

01:09:05,030 --> 01:09:02,880

uh i gave them one of my favorites

1899

01:09:07,590 --> 01:09:05,040

that's wrong in 1312

1900

01:09:08,309 --> 01:09:07,600

uh the night is far spent the day is at

1901

01:09:10,470 --> 01:09:08,319

hand

1902

01:09:12,709 --> 01:09:10,480

brothers therefore cast off the works of

1903

01:09:15,030 --> 01:09:12,719

darkness and let us put on

1904

01:09:15,829 --> 01:09:15,040

the armor of light i like that one

1905

01:09:18,950 --> 01:09:15,839

that's a very

1906

01:09:20,309 --> 01:09:18,960

that's very good uh description and i

1907

01:09:22,229 --> 01:09:20,319

said what you've got to do

1908

01:09:23,349 --> 01:09:22,239

since you know they believe in god and

1909

01:09:26,149 --> 01:09:23,359

and they believe in

1910

01:09:27,510 --> 01:09:26,159

faith is that they have to enhance that

1911

01:09:30,390 --> 01:09:27,520

and with their belief

1912

01:09:31,910 --> 01:09:30,400

come deep down inside and support that

1913

01:09:33,430 --> 01:09:31,920

honor that they can put on that

1914

01:09:35,910 --> 01:09:33,440

spiritual honor

1915

01:09:38,229 --> 01:09:35,920

to protect themselves i also advise them

1916

01:09:39,269 --> 01:09:38,239

to carry holy water perhaps in there

1917

01:09:41,669 --> 01:09:39,279

with them

1918

01:09:43,349 --> 01:09:41,679

just a few of these things and i tell

1919

01:09:44,470 --> 01:09:43,359

them you can't put your faith in the

1920

01:09:47,829 --> 01:09:44,480

things

1921

01:09:50,309 --> 01:09:47,839

it's the symbol that they stand for

1922

01:09:52,309 --> 01:09:50,319

that's where your real faith goes in uh

1923

01:09:54,310 --> 01:09:52,319

what the example is just a way for them

1924

01:09:56,709 --> 01:09:54,320

to focus their faith

1925

01:09:58,070 --> 01:09:56,719

and when you focus your faith whatever

1926

01:10:00,790 --> 01:09:58,080

it is you believe

1927

01:10:04,149 --> 01:10:00,800

uh that enhances and makes you somewhat

1928

01:10:07,830 --> 01:10:04,159

stronger psychically and spiritually

1929

01:10:08,630 --> 01:10:07,840

uh in order to face these things a lot

1930

01:10:11,030 --> 01:10:08,640

of times

1931

01:10:13,110 --> 01:10:11,040

in my group when we go in to investigate

1932

01:10:14,070 --> 01:10:13,120

areas we think that have these negative

1933

01:10:16,390 --> 01:10:14,080

energies

1934

01:10:18,229 --> 01:10:16,400

we will say for our protection going in

1935

01:10:19,910 --> 01:10:18,239

and also will come out

1936

01:10:21,590 --> 01:10:19,920

so that we don't get any attachments we

1937

01:10:23,830 --> 01:10:21,600

don't ever want to bring home

1938

01:10:25,990 --> 01:10:23,840

homeless you know from these places we

1939

01:10:28,390 --> 01:10:26,000

don't want anything to follow us back

1940

01:10:30,470 --> 01:10:28,400

right uh so you've got to keep that in

1941

01:10:31,590 --> 01:10:30,480

mind because it is an occupational

1942

01:10:34,950 --> 01:10:31,600

hazard when you do

1943

01:10:36,229 --> 01:10:34,960

paranormal investigation uh

1944

01:10:38,630 --> 01:10:36,239

you've got to buy that in mind that

1945

01:10:42,149 --> 01:10:38,640

that's a risk that you run

1946

01:10:44,630 --> 01:10:42,159

now um also in in this book what we've

1947

01:10:47,110 --> 01:10:44,640

got out here that's to the little team

1948

01:10:48,709 --> 01:10:47,120

we uh we also talk about high strangers

1949

01:10:49,669 --> 01:10:48,719

which is another favorite subject of

1950

01:10:52,310 --> 01:10:49,679

mine

1951

01:10:53,990 --> 01:10:52,320

um high strength i've actually been

1952

01:10:55,830 --> 01:10:54,000

touched with it matter of fact

1953

01:10:58,630 --> 01:10:55,840

i feel like for a while that i was doing

1954

01:10:59,910 --> 01:10:58,640

the mothman prophecies i felt like john

1955

01:11:02,390 --> 01:10:59,920

keel there for a while

1956

01:11:04,070 --> 01:11:02,400

because i had a very dramatic ufo

1957

01:11:07,350 --> 01:11:04,080

sighting

1958

01:11:08,470 --> 01:11:07,360

um yeah about about six or seven years

1959

01:11:11,189 --> 01:11:08,480

ago

1960

01:11:11,750 --> 01:11:11,199

uh i was uptown it was in the autumn it

1961

01:11:13,510 --> 01:11:11,760

was uh

1962

01:11:15,750 --> 01:11:13,520

late in the day it was almost almost

1963

01:11:17,350 --> 01:11:15,760

dark i hadn't been walking a little

1964

01:11:18,870 --> 01:11:17,360

route that i walked up there you know

1965

01:11:20,790 --> 01:11:18,880

for exercise

1966

01:11:22,070 --> 01:11:20,800

and i come back to my car was standing

1967

01:11:23,669 --> 01:11:22,080

there kind of cooling off

1968

01:11:25,350 --> 01:11:23,679

i was right there on the sidewalk this

1969

01:11:27,990 --> 01:11:25,360

is uptown now so

1970

01:11:28,709 --> 01:11:28,000

with some midsize sound here in anderson

1971

01:11:30,790 --> 01:11:28,719

and uh

1972

01:11:32,550 --> 01:11:30,800

i was saying this is cooling off i was

1973

01:11:33,510 --> 01:11:32,560

not even thinking about anything like

1974

01:11:35,510 --> 01:11:33,520

this

1975

01:11:37,430 --> 01:11:35,520

and like i say i've been interested in

1976

01:11:39,990 --> 01:11:37,440

the parallel all these years

1977

01:11:41,270 --> 01:11:40,000

and my attitude towards ufos and people

1978

01:11:42,390 --> 01:11:41,280

that saw them i said well people would

1979

01:11:44,070 --> 01:11:42,400

have seen something

1980

01:11:46,310 --> 01:11:44,080

but i thought most of the time it was

1981

01:11:48,870 --> 01:11:46,320

something that could be explained

1982

01:11:51,669 --> 01:11:48,880

uh i knew there was a percentage of

1983

01:11:53,910 --> 01:11:51,679

stuff that was unexplainable i knew that

1984

01:11:55,350 --> 01:11:53,920

but until then i've never seen anything

1985

01:11:57,669 --> 01:11:55,360

like this

1986

01:11:59,590 --> 01:11:57,679

but what i saw that day blew me away it

1987

01:12:01,110 --> 01:11:59,600

was even more dramatic to me than the

1988

01:12:04,229 --> 01:12:01,120

demons that i thought

1989

01:12:05,910 --> 01:12:04,239

and uh i have been privileged to see

1990

01:12:08,709 --> 01:12:05,920

some paranormal things that some people

1991

01:12:11,510 --> 01:12:08,719

go their whole lives and never see

1992

01:12:12,950 --> 01:12:11,520

but um i don't know why but that's i

1993

01:12:14,870 --> 01:12:12,960

just happened to be in around places

1994

01:12:16,630 --> 01:12:14,880

where i came that's all i can say

1995

01:12:18,229 --> 01:12:16,640

i'm nobody special that way i'm not

1996

01:12:21,110 --> 01:12:18,239

psychic um

1997

01:12:21,510 --> 01:12:21,120

if i have psychic abilities i don't know

1998

01:12:24,229 --> 01:12:21,520

but

1999

01:12:26,390 --> 01:12:24,239

um i never explored that part of myself

2000

01:12:27,669 --> 01:12:26,400

but i think i think psychic abilities

2001

01:12:30,070 --> 01:12:27,679

like are like talents

2002

01:12:31,430 --> 01:12:30,080

by the way everybody's got some kind of

2003

01:12:34,630 --> 01:12:31,440

gift some kind of talent

2004

01:12:36,630 --> 01:12:34,640

you know um but anyway i was saying very

2005

01:12:38,790 --> 01:12:36,640

cool just kind of looking up to the sky

2006

01:12:41,189 --> 01:12:38,800

i wasn't even thinking about anything

2007

01:12:42,470 --> 01:12:41,199

and uh the clouds were very little

2008

01:12:43,750 --> 01:12:42,480

hanging that day and that's why i was

2009

01:12:46,070 --> 01:12:43,760

kind of waking up because you know

2010

01:12:47,830 --> 01:12:46,080

low-hanging clouds rain on me

2011

01:12:49,350 --> 01:12:47,840

and i've been watching them all during

2012

01:12:51,189 --> 01:12:49,360

my walk

2013

01:12:52,550 --> 01:12:51,199

and i had walked about an hour and i was

2014

01:12:54,229 --> 01:12:52,560

just standing through and i'm looking up

2015

01:12:57,590 --> 01:12:54,239

at these low-hanging moms

2016

01:12:57,990 --> 01:12:57,600

and i see through the clouds and the

2017

01:13:00,470 --> 01:12:58,000

shape

2018

01:13:01,910 --> 01:13:00,480

coming coming from the horizon directly

2019

01:13:04,470 --> 01:13:01,920

towards me

2020

01:13:05,830 --> 01:13:04,480

it is uh back then it wasn't pronounced

2021

01:13:09,350 --> 01:13:05,840

sort of a classic

2022

01:13:12,390 --> 01:13:09,360

triangular ufo that's what it was it was

2023

01:13:14,550 --> 01:13:12,400

uh black it had no lights on

2024

01:13:16,470 --> 01:13:14,560

it there were no running lights of any

2025

01:13:19,189 --> 01:13:16,480

kind it was it was black but it was sort

2026

01:13:21,750 --> 01:13:19,199

of a double black he wasn't shiny

2027

01:13:22,470 --> 01:13:21,760

and he had like a platform hanging under

2028

01:13:25,910 --> 01:13:22,480

it

2029

01:13:27,270 --> 01:13:25,920

like um i thought i drew a sketch for

2030

01:13:31,910 --> 01:13:27,280

this thing

2031

01:13:33,910 --> 01:13:31,920

it was huge i mean football size huge

2032

01:13:35,270 --> 01:13:33,920

and i could see it partially in and out

2033

01:13:37,590 --> 01:13:35,280

of the clouds

2034

01:13:39,110 --> 01:13:37,600

that was low hanging it went directly

2035

01:13:41,510 --> 01:13:39,120

over my head

2036

01:13:42,310 --> 01:13:41,520

at a very fast speed and i would have to

2037

01:13:44,470 --> 01:13:42,320

say

2038

01:13:46,790 --> 01:13:44,480

estimating it as fast as it was moving

2039

01:13:49,910 --> 01:13:46,800

it had to be doing in excess of three

2040

01:13:50,870 --> 01:13:49,920

at least 300 miles an hour and this

2041

01:13:55,830 --> 01:13:50,880

thing was going over

2042

01:13:57,830 --> 01:13:55,840

and it was absolutely eerily silent

2043

01:13:59,350 --> 01:13:57,840

and like i said that was a jaw-dropping

2044

01:14:00,790 --> 01:13:59,360

moment i was just standing and here's

2045

01:14:02,390 --> 01:14:00,800

what i got i mean he had a [h__\h] i have a

2046

01:14:04,790 --> 01:14:02,400

phone with a camera in my pocket

2047

01:14:06,310 --> 01:14:04,800

and never once so i think that i was

2048

01:14:08,709 --> 01:14:06,320

trying to take a picture of this thing i

2049

01:14:11,669 --> 01:14:08,719

was just flabbergasted by this

2050

01:14:13,350 --> 01:14:11,679

um i went back i remember going back and

2051

01:14:16,390 --> 01:14:13,360

telling my uncle about it

2052

01:14:17,669 --> 01:14:16,400

you could see how shaken up i was and he

2053

01:14:19,030 --> 01:14:17,679

said well i don't know what you thought

2054

01:14:20,630 --> 01:14:19,040

i heard you must have experienced

2055

01:14:22,390 --> 01:14:20,640

something you know

2056

01:14:23,910 --> 01:14:22,400

i told my brother who immediately didn't

2057

01:14:25,430 --> 01:14:23,920

believe me

2058

01:14:27,030 --> 01:14:25,440

but that's the first thing that always

2059

01:14:28,070 --> 01:14:27,040

comes in your mind nobody's gonna

2060

01:14:30,709 --> 01:14:28,080

believe this

2061

01:14:32,550 --> 01:14:30,719

all right you know right but what what

2062

01:14:35,830 --> 01:14:32,560

the impression of it he gave me

2063

01:14:37,990 --> 01:14:35,840

and uh to this day i have it was very

2064

01:14:40,149 --> 01:14:38,000

military looking

2065

01:14:42,709 --> 01:14:40,159

but his military i don't know i don't i

2066

01:14:44,550 --> 01:14:42,719

just don't see how we

2067

01:14:48,950 --> 01:14:44,560

as human beings have that kind of

2068

01:14:52,550 --> 01:14:50,630

this is this is something that

2069

01:14:56,709 --> 01:14:52,560

fascinates me as well

2070

01:15:00,470 --> 01:14:56,719

uh these these triangular

2071

01:15:01,030 --> 01:15:00,480

ufos and they normally have some size to

2072

01:15:04,550 --> 01:15:01,040

them

2073

01:15:07,669 --> 01:15:04,560

uh are seen they're seen nationwide

2074

01:15:10,630 --> 01:15:07,679

and i mean now i don't know if there's

2075

01:15:12,310 --> 01:15:10,640

some type of disinformation where

2076
01:15:13,669 --> 01:15:12,320
they're trying to get people to actually

2077
01:15:16,790 --> 01:15:13,679
believe these are government

2078
01:15:19,189 --> 01:15:16,800
somehow or or you know i don't know

2079
01:15:20,070 --> 01:15:19,199
but you know the explanation i keep

2080
01:15:22,950 --> 01:15:20,080
getting from

2081
01:15:24,870 --> 01:15:22,960
and for people i know that are well

2082
01:15:28,229 --> 01:15:24,880
versed in ufos

2083
01:15:31,750 --> 01:15:28,239
that they believe that most of it is um

2084
01:15:32,630 --> 01:15:31,760
are test vehicles or sometimes to do

2085
01:15:35,590 --> 01:15:32,640
with the government

2086
01:15:35,990 --> 01:15:35,600
and that very well may be true but if it

2087
01:15:37,910 --> 01:15:36,000
is

2088
01:15:40,149 --> 01:15:37,920

then there's a technology they're using

2089

01:15:42,470 --> 01:15:40,159

that we know nothing about

2090

01:15:44,229 --> 01:15:42,480

exactly right i agree with that and this

2091

01:15:46,790 --> 01:15:44,239

was like i said i have seen

2092

01:15:47,990 --> 01:15:46,800

everything that man that i know a man

2093

01:15:50,229 --> 01:15:48,000

has ever made to fly

2094

01:15:52,709 --> 01:15:50,239

and this was something completely

2095

01:15:56,149 --> 01:15:52,719

different and to be so i mean it raises

2096

01:15:58,550 --> 01:15:56,159

hairs on my neck it was so eerily solid

2097

01:15:59,590 --> 01:15:58,560

and it was so swift and gone so quick it

2098

01:16:01,669 --> 01:15:59,600

was just something

2099

01:16:03,430 --> 01:16:01,679

and it caught me i mean it blindsided me

2100

01:16:04,550 --> 01:16:03,440

you know you're not expecting anything

2101

01:16:07,110 --> 01:16:04,560

like that

2102

01:16:09,110 --> 01:16:07,120

and it just you know i can say it just

2103

01:16:12,310 --> 01:16:09,120

bit my mind out of shape i'm thinking

2104

01:16:14,630 --> 01:16:12,320

what you know what else is out there

2105

01:16:16,229 --> 01:16:14,640

you know this is here this is not

2106

01:16:17,189 --> 01:16:16,239

telling what else is going on in this

2107

01:16:20,229 --> 01:16:17,199

world

2108

01:16:22,470 --> 01:16:20,239

and uh to me uh this is another

2109

01:16:25,110 --> 01:16:22,480

section of the paranormal house rankings

2110

01:16:27,590 --> 01:16:25,120

and by the way i define how it's racist

2111

01:16:30,070 --> 01:16:27,600

as there's weird and then there's really

2112

01:16:33,189 --> 01:16:30,080

really weird math

2113

01:16:34,790 --> 01:16:33,199

uh for me and this thing here's

2114

01:16:36,709 --> 01:16:34,800

here's here's what really happened

2115

01:16:37,270 --> 01:16:36,719

really was sort of the icing on the cake

2116

01:16:39,830 --> 01:16:37,280

in this

2117

01:16:41,430 --> 01:16:39,840

situation after this happened i made it

2118

01:16:43,270 --> 01:16:41,440

matter of fact i sent him

2119

01:16:44,709 --> 01:16:43,280

a report to mufon that never got

2120

01:16:46,390 --> 01:16:44,719

anything back i don't know if he got

2121

01:16:48,070 --> 01:16:46,400

term or not but i sent him a report

2122

01:16:51,350 --> 01:16:48,080

about it unfortunately

2123

01:16:53,830 --> 01:16:51,360

that happens a lot yeah and then i

2124

01:16:55,110 --> 01:16:53,840

i wasn't told a few people on the phone

2125

01:16:57,189 --> 01:16:55,120

i even told the people

2126

01:17:00,709 --> 01:16:57,199

here's what really the reason i wrote

2127

01:17:04,790 --> 01:17:02,630

i began to see a government car buzzing

2128

01:17:08,070 --> 01:17:04,800

my house a black

2129

01:17:09,990 --> 01:17:08,080

black unmarked van actually uh and it

2130

01:17:10,390 --> 01:17:10,000

had government place i mean you can tell

2131

01:17:14,070 --> 01:17:10,400

them

2132

01:17:16,229 --> 01:17:14,080

[h__h] looks like uh it began to buzz

2133

01:17:19,350 --> 01:17:16,239

my house on a regular basis

2134

01:17:21,189 --> 01:17:19,360

i began to get weird phone calls night

2135

01:17:24,149 --> 01:17:21,199

and day which is with like

2136

01:17:26,229 --> 01:17:24,159

weird metallic sound and then like

2137

01:17:28,870 --> 01:17:26,239

almost like robotic

2138

01:17:30,470 --> 01:17:28,880

and also i began to get calls that were

2139

01:17:32,229 --> 01:17:30,480

like howling but

2140

01:17:33,669 --> 01:17:32,239

talking about demonic they sounded

2141

01:17:35,830 --> 01:17:33,679

better than mine

2142

01:17:36,709 --> 01:17:35,840

it was like a howling wind on it or

2143

01:17:39,189 --> 01:17:36,719

something

2144

01:17:39,830 --> 01:17:39,199

uh i wish i had recorded some of these

2145

01:17:41,510 --> 01:17:39,840

actually and

2146

01:17:44,470 --> 01:17:41,520

and one there was one instance that's

2147

01:17:47,030 --> 01:17:44,480

really got me where it was like a global

2148

01:17:49,430 --> 01:17:47,040

radio transmission that actually came in

2149

01:17:51,189 --> 01:17:49,440

over my answering machine at that time

2150

01:17:52,790 --> 01:17:51,199

i never ever known that that happened

2151

01:17:56,229 --> 01:17:52,800

that was weird

2152

01:17:59,030 --> 01:17:56,239

and um and then i have a dog

2153

01:18:00,470 --> 01:17:59,040

and he barks at a certain way i know

2154

01:18:01,990 --> 01:18:00,480

somebody's outside

2155

01:18:04,149 --> 01:18:02,000

you know it's not usually a cat or

2156

01:18:05,430 --> 01:18:04,159

another dog out there and one night he

2157

01:18:07,750 --> 01:18:05,440

woke me up doing that

2158

01:18:09,510 --> 01:18:07,760

and i found signs that someone had been

2159

01:18:11,669 --> 01:18:09,520

in my yard

2160

01:18:13,189 --> 01:18:11,679

now for a reason i don't know moving

2161

01:18:13,990 --> 01:18:13,199

around all this i wrote about in the

2162

01:18:17,590 --> 01:18:14,000

book

2163

01:18:20,149 --> 01:18:17,600

uh these things began to sort of help me

2164

01:18:20,709 --> 01:18:20,159

this weird stuff so what's going on here

2165

01:18:22,870 --> 01:18:20,719

you know

2166

01:18:25,189 --> 01:18:22,880

it's just me i'm not that important why

2167

01:18:27,990 --> 01:18:25,199

they checking on me and also

2168

01:18:31,669 --> 01:18:28,000

listen to this they began the government

2169

01:18:33,990 --> 01:18:31,679

car began to follow my partner brandon

2170

01:18:36,470 --> 01:18:34,000

uh my colleague brandon hudson's who uh

2171

01:18:39,110 --> 01:18:36,480

also i had talked a lot about this

2172

01:18:41,270 --> 01:18:39,120

they began to shut down especially after

2173

01:18:44,470 --> 01:18:41,280

we began writing this live book

2174

01:18:47,030 --> 01:18:44,480

um they came back again

2175

01:18:47,590 --> 01:18:47,040

now it was in my house and he saw him as

2176

01:18:49,189 --> 01:18:47,600

well

2177

01:18:51,669 --> 01:18:49,199

so what's going on here why are we so

2178

01:18:54,149 --> 01:18:51,679

important to someone that's watching us

2179

01:18:56,070 --> 01:18:54,159

well you know this is a story i hear

2180

01:18:58,550 --> 01:18:56,080

countless times and

2181

01:19:00,470 --> 01:18:58,560

unfortunately it's happened to me twice

2182

01:19:04,790 --> 01:19:00,480

and uh

2183

01:19:06,790 --> 01:19:04,800

uh for for the most mundane things

2184

01:19:08,310 --> 01:19:06,800

even if it is a ufo or something

2185

01:19:09,910 --> 01:19:08,320

somebody just sees a light in the sky

2186

01:19:12,149 --> 01:19:09,920

for whatever reason

2187

01:19:13,669 --> 01:19:12,159

some of these reports or some of these

2188

01:19:16,310 --> 01:19:13,679

sightings

2189

01:19:18,310 --> 01:19:16,320

do spark something where they either

2190

01:19:20,630 --> 01:19:18,320

have somebody come to your police

2191

01:19:22,070 --> 01:19:20,640

and want to be talking to you or they're

2192

01:19:24,310 --> 01:19:22,080

following you around or they're

2193

01:19:27,189 --> 01:19:24,320

monitoring the phones or whatever

2194

01:19:27,590 --> 01:19:27,199

uh you know i hear this all the time you

2195

01:19:34,790 --> 01:19:27,600

know

2196

01:19:38,070 --> 01:19:34,800

and uh now that they've done a return

2197

01:19:41,910 --> 01:19:38,080

it's not a van anymore it's a black suv

2198

01:19:44,790 --> 01:19:41,920

um so you know i'm saying almost like

2199

01:19:45,669 --> 01:19:44,800

i'm beginning to live with prophecy to a

2200

01:19:47,990 --> 01:19:45,679

certain extent

2201

01:19:48,950 --> 01:19:48,000

i don't understand why i killed it but

2202

01:19:50,790 --> 01:19:48,960

here's what i'll say

2203

01:19:52,950 --> 01:19:50,800

the only only thing left is for the men

2204

01:19:54,550 --> 01:19:52,960

in black and i'd like to issue an

2205

01:19:55,430 --> 01:19:54,560

invitation to him right now if you're

2206

01:19:59,270 --> 01:19:55,440

listening

2207

01:20:02,390 --> 01:19:59,280

come see me let's talk

2208

01:20:04,310 --> 01:20:02,400

i'll be waiting yeah just yeah just 10

2209

01:20:07,510 --> 01:20:04,320

don't come here

2210

01:20:07,910 --> 01:20:07,520

um what now you talk about you also do a

2211

01:20:09,830 --> 01:20:07,920

lot of

2212

01:20:11,350 --> 01:20:09,840

cryptic investigation or you start a

2213

01:20:12,950 --> 01:20:11,360

group to invest

2214

01:20:15,990 --> 01:20:12,960

other than bigfoot is there something

2215

01:20:18,149 --> 01:20:16,000

else that you've been interested in

2216

01:20:20,149 --> 01:20:18,159

uh well i could say i've been interested

2217

01:20:23,110 --> 01:20:20,159

in pictures who are olivia a lot

2218

01:20:25,030 --> 01:20:23,120

they are uh i also like the uh earth

2219

01:20:26,070 --> 01:20:25,040

live anomalies you know like the martha

2220

01:20:27,590 --> 01:20:26,080

lights

2221

01:20:29,350 --> 01:20:27,600

the brown mountain light this is not

2222

01:20:30,149 --> 01:20:29,360

very far from about about a two hour

2223

01:20:33,350 --> 01:20:30,159

drive from my

2224

01:20:33,669 --> 01:20:33,360

house uh that's interesting to me uh i

2225

01:20:35,510 --> 01:20:33,679

love

2226

01:20:36,950 --> 01:20:35,520

every aspect of paranormal you can't

2227

01:20:38,550 --> 01:20:36,960

come up with one i don't like and i

2228

01:20:42,229 --> 01:20:38,560

haven't investigated

2229

01:20:46,310 --> 01:20:42,239

uh i love it all to me it's a

2230

01:20:48,790 --> 01:20:46,320

it's an all-consuming passion for me um

2231

01:20:49,669 --> 01:20:48,800

the uh the what's going on in this world

2232

01:20:51,750 --> 01:20:49,679

and um

2233

01:20:52,790 --> 01:20:51,760

that's why well if you wouldn't mind

2234

01:20:54,950 --> 01:20:52,800

i'll read you a little

2235

01:20:57,830 --> 01:20:54,960

uh excerpt from my book right quick here

2236

01:21:00,390 --> 01:20:57,840

and this is the way i look at it here

2237

01:21:02,149 --> 01:21:00,400

they seem to be elements in this world

2238

01:21:05,110 --> 01:21:02,159

that have no rhyme or reason

2239

01:21:07,189 --> 01:21:05,120

in the execution of their actions they

2240

01:21:09,110 --> 01:21:07,199

hide always behind the veil of the

2241

01:21:09,910 --> 01:21:09,120

unknown and play their little games with

2242

01:21:11,270 --> 01:21:09,920

us

2243

01:21:13,830 --> 01:21:11,280

all the while laughing at our

2244

01:21:14,390 --> 01:21:13,840

bafflements with sly grins as they twist

2245

01:21:17,430 --> 01:21:14,400

us

2246

01:21:19,510 --> 01:21:17,440

first one way then another feeding off

2247

01:21:21,910 --> 01:21:19,520

of our doubts and fears

2248

01:21:24,470 --> 01:21:21,920

always knowing how near impossible it is

2249

01:21:28,550 --> 01:21:24,480

for us to pin them down

2250

01:21:30,550 --> 01:21:28,560

all these things are aware of mask

2251
01:21:33,270 --> 01:21:30,560
they are not really what they may appear

2252
01:21:34,149 --> 01:21:33,280
to be but it is the thing behind the

2253
01:21:36,629 --> 01:21:34,159
mask

2254
01:21:39,030 --> 01:21:36,639
that we as paranormal researchers are

2255
01:21:41,910 --> 01:21:39,040
truthfully concerned

2256
01:21:43,590 --> 01:21:41,920
so what is behind our mask what's going

2257
01:21:44,950 --> 01:21:43,600
on with all this stuff to me that's the

2258
01:21:46,870 --> 01:21:44,960
big question

2259
01:21:48,229 --> 01:21:46,880
what is the one thing that i can find

2260
01:21:50,550 --> 01:21:48,239
one day before i

2261
01:21:51,910 --> 01:21:50,560
become part of the paranormal myself

2262
01:21:53,830 --> 01:21:51,920
well

2263
01:21:55,110 --> 01:21:53,840

and people answer a lot of this you know

2264

01:21:57,270 --> 01:21:55,120

what i'm saying

2265

01:21:58,229 --> 01:21:57,280

don't you think they're not this is

2266

01:22:01,189 --> 01:21:58,239

something i think

2267

01:22:02,550 --> 01:22:01,199

may may be actually what's going on

2268

01:22:05,110 --> 01:22:02,560

don't you think all

2269

01:22:06,550 --> 01:22:05,120

this uh these anomalies and uh

2270

01:22:08,830 --> 01:22:06,560

paranormal activity

2271

01:22:10,550 --> 01:22:08,840

may have a connection all together

2272

01:22:13,830 --> 01:22:10,560

somehow

2273

01:22:16,709 --> 01:22:13,840

no i think so you know

2274

01:22:18,629 --> 01:22:16,719

you you look at the big the bigfoot

2275

01:22:20,550 --> 01:22:18,639

sightings you have ufo sightings

2276

01:22:23,030 --> 01:22:20,560

simultaneously with those

2277

01:22:23,990 --> 01:22:23,040

uh people who have seen the photos now

2278

01:22:26,390 --> 01:22:24,000

this didn't happen to me

2279

01:22:28,390 --> 01:22:26,400

but some people who have seen ufos have

2280

01:22:28,790 --> 01:22:28,400

poltergeist activity in their houses

2281

01:22:31,189 --> 01:22:28,800

yeah

2282

01:22:32,790 --> 01:22:31,199

what's going on here i mean uh and i

2283

01:22:36,390 --> 01:22:32,800

kind of aside

2284

01:22:41,510 --> 01:22:36,400

back when i began my career i studied uh

2285

01:22:44,790 --> 01:22:41,520

i studied uh henry price i said he'd uh

2286

01:22:48,310 --> 01:22:44,800

it on anyone i said he met with

2287

01:22:50,629 --> 01:22:48,320

uh uh hans holster with johnny

2288

01:22:52,470 --> 01:22:50,639

field all these people and john keel i

2289

01:22:53,669 --> 01:22:52,480

think came very close to a lot of

2290

01:22:56,310 --> 01:22:53,679

answers

2291

01:22:57,030 --> 01:22:56,320

uh in his in his perspective on it and

2292

01:23:01,030 --> 01:22:57,040

he

2293

01:23:04,390 --> 01:23:01,040

is

2294

01:23:06,149 --> 01:23:04,400

even demonology stuff you know uh um

2295

01:23:08,310 --> 01:23:06,159

that makes me wonder about that too i

2296

01:23:09,030 --> 01:23:08,320

wanna i wanna look deeper into that

2297

01:23:12,229 --> 01:23:09,040

aspect

2298

01:23:13,830 --> 01:23:12,239

could that possibly be uh an answer for

2299

01:23:15,830 --> 01:23:13,840

some of this like i said you can't paint

2300

01:23:18,390 --> 01:23:15,840

it all with the same brush

2301
01:23:19,270 --> 01:23:18,400
but there is common denominator

2302
01:23:21,750 --> 01:23:19,280
somewhere

2303
01:23:22,950 --> 01:23:21,760
you know yeah i agree there i agree

2304
01:23:24,390 --> 01:23:22,960
there uh

2305
01:23:26,790 --> 01:23:24,400
yeah there's just too many many

2306
01:23:30,470 --> 01:23:26,800
instances where multiple

2307
01:23:34,550 --> 01:23:30,480
uh multiple paranormal or

2308
01:23:36,310 --> 01:23:34,560
uh anomalies take place and uh

2309
01:23:37,590 --> 01:23:36,320
you know and it's it's interesting

2310
01:23:38,310 --> 01:23:37,600
because there just seems to be certain

2311
01:23:40,790 --> 01:23:38,320
hot spots

2312
01:23:42,950 --> 01:23:40,800
you know just like where you're from now

2313
01:23:45,669 --> 01:23:42,960

the ufo activity

2314

01:23:46,470 --> 01:23:45,679

in in coastal carolina coastal south

2315

01:23:49,510 --> 01:23:46,480

carolina

2316

01:23:50,550 --> 01:23:49,520

has really been phenomenal for the last

2317

01:23:52,310 --> 01:23:50,560

couple years

2318

01:23:54,629 --> 01:23:52,320

uh especially in the air emergency beach

2319

01:23:55,910 --> 01:23:54,639

in that area there's been a lot of weird

2320

01:23:58,870 --> 01:23:55,920

things

2321

01:24:00,709 --> 01:23:58,880

and a little bit of an inlet as well and

2322

01:24:02,470 --> 01:24:00,719

here's another thing where i live in

2323

01:24:02,870 --> 01:24:02,480

anderson which is right on the border

2324

01:24:06,070 --> 01:24:02,880

almost

2325

01:24:08,470 --> 01:24:06,080

of georgia and south carolina um one of

2326

01:24:10,310 --> 01:24:08,480

the latest lines runs almost in the

2327

01:24:12,629 --> 01:24:10,320

smack middle of this county

2328

01:24:14,149 --> 01:24:12,639

and i began to wonder why isn't that

2329

01:24:15,110 --> 01:24:14,159

some of the weird stuff that's going on

2330

01:24:16,229 --> 01:24:15,120

here that couldn't be another

2331

01:24:17,990 --> 01:24:16,239

explanation

2332

01:24:19,990 --> 01:24:18,000

uh you know you know the theory about

2333

01:24:22,390 --> 01:24:20,000

ley lines yeah and uh

2334

01:24:23,430 --> 01:24:22,400

where they cross and intersect uh i'm

2335

01:24:25,320 --> 01:24:23,440

gonna wonder if there's

2336

01:24:26,629 --> 01:24:25,330

not something to that uh

2337

01:24:28,629 --> 01:24:26,639

[Music]

2338

01:24:30,390 --> 01:24:28,639

like you say and here's what i teach a

2339

01:24:32,709 --> 01:24:30,400

lot of my people in my group

2340

01:24:34,790 --> 01:24:32,719

you know you gotta look for the patterns

2341

01:24:37,189 --> 01:24:34,800

you know it's funny

2342

01:24:38,790 --> 01:24:37,199

yeah they tell you something it's funny

2343

01:24:41,350 --> 01:24:38,800

dennis that you talk about ley lines

2344

01:24:44,390 --> 01:24:41,360

because one of my old research partners

2345

01:24:45,270 --> 01:24:44,400

ernie delp used to really he firmly

2346

01:24:47,510 --> 01:24:45,280

believed

2347

01:24:49,830 --> 01:24:47,520

that there was a correlation between an

2348

01:24:52,070 --> 01:24:49,840

increase in paranormal activities

2349

01:24:54,149 --> 01:24:52,080

and and ley lines you know the natural

2350

01:24:55,990 --> 01:24:54,159

formations of this earth and high

2351

01:24:56,709 --> 01:24:56,000

deposits of quartz and those sort of

2352

01:24:58,709 --> 01:24:56,719

things

2353

01:24:59,830 --> 01:24:58,719

that are really kind of a maybe a

2354

01:25:01,990 --> 01:24:59,840

catalyst or a

2355

01:25:04,470 --> 01:25:02,000

you know a natural storage device for

2356

01:25:07,270 --> 01:25:04,480

some of this paranormal

2357

01:25:07,830 --> 01:25:07,280

energy for lack of a better term i i

2358

01:25:11,430 --> 01:25:07,840

think so

2359

01:25:12,629 --> 01:25:11,440

kind of something like it's like a

2360

01:25:15,830 --> 01:25:12,639

magnet

2361

01:25:19,350 --> 01:25:15,840

it seems to draw

2362

01:25:21,510 --> 01:25:19,360

paranormal activity like to it to me

2363

01:25:23,270 --> 01:25:21,520

i agree with that uh to a certain extent

2364

01:25:24,070 --> 01:25:23,280

i think there is something there with

2365

01:25:26,709 --> 01:25:24,080

that

2366

01:25:28,790 --> 01:25:26,719

and as the electromagnetic properties of

2367

01:25:30,950 --> 01:25:28,800

the world surround us

2368

01:25:31,990 --> 01:25:30,960

uh there's a tie in there with that as

2369

01:25:35,189 --> 01:25:32,000

well

2370

01:25:36,709 --> 01:25:35,199

and there have been theories that uh

2371

01:25:39,229 --> 01:25:36,719

when the earth was young

2372

01:25:40,390 --> 01:25:39,239

it was covered with a much denser

2373

01:25:44,070 --> 01:25:40,400

electromagnetic

2374

01:25:48,550 --> 01:25:44,080

field that is why things live longer

2375

01:25:51,990 --> 01:25:48,560

and were stronger in their content

2376

01:25:54,870 --> 01:25:52,000

they existed in a better

2377

01:25:56,709 --> 01:25:54,880

type of world that was different than it

2378

01:25:59,270 --> 01:25:56,719

is now

2379

01:26:00,870 --> 01:25:59,280

because of electromagnetism there's

2380

01:26:01,189 --> 01:26:00,880

there's some properties there that i

2381

01:26:03,990 --> 01:26:01,199

think

2382

01:26:04,950 --> 01:26:04,000

science seems to ignore electromagnetism

2383

01:26:07,189 --> 01:26:04,960

for some reason

2384

01:26:08,950 --> 01:26:07,199

to a certain extent i don't know why

2385

01:26:09,990 --> 01:26:08,960

because there seems to be some answers

2386

01:26:13,629 --> 01:26:10,000

there with that maybe

2387

01:26:15,430 --> 01:26:13,639

you know i think the uh i think

2388

01:26:18,950 --> 01:26:15,440

electromagnetic

2389

01:26:20,229 --> 01:26:18,960

get

2390

01:26:22,629 --> 01:26:20,239

i agree with you i don't think it's

2391

01:26:26,070 --> 01:26:22,639

being explored enough i think in

2392

01:26:27,470 --> 01:26:26,080

in the matter maybe people try to use it

2393

01:26:30,470 --> 01:26:27,480

for ghost

2394

01:26:31,669 --> 01:26:30,480

investigations i you know that may very

2395

01:26:32,790 --> 01:26:31,679

well be true i don't

2396

01:26:35,430 --> 01:26:32,800

you know i don't really know the

2397

01:26:38,470 --> 01:26:35,440

correlation but you know

2398

01:26:39,110 --> 01:26:38,480

i i do know where there are known ley

2399

01:26:42,070 --> 01:26:39,120

lines

2400

01:26:43,189 --> 01:26:42,080

the um and i i've done this the

2401

01:26:45,350 --> 01:26:43,199

measurements

2402

01:26:47,669 --> 01:26:45,360

just go crazy and in fact you go up and

2403

01:26:52,629 --> 01:26:47,679

down the leg line and know the lane line

2404

01:26:57,510 --> 01:26:55,750

it's never a steady reading and i've

2405

01:26:58,870 --> 01:26:57,520

mentioned that also in my book about the

2406

01:27:00,870 --> 01:26:58,880

37 parallel

2407

01:27:02,550 --> 01:27:00,880

you know that goes across me that's

2408

01:27:04,709 --> 01:27:02,560

another interesting aspect and if you

2409

01:27:06,629 --> 01:27:04,719

look at the ley lines in connection with

2410

01:27:08,550 --> 01:27:06,639

that 37 parallel you've got a lot of

2411

01:27:10,709 --> 01:27:08,560

cross ones in there

2412

01:27:11,910 --> 01:27:10,719

uh to a certain extent i don't know

2413

01:27:13,990 --> 01:27:11,920

what's going on with that either but

2414

01:27:16,310 --> 01:27:14,000

that's another interesting

2415

01:27:18,629 --> 01:27:16,320

property as well i'll tell you this that

2416

01:27:20,950 --> 01:27:18,639

i have noted in some of my

2417

01:27:23,030 --> 01:27:20,960

ghost research and i've had this happen

2418

01:27:25,430 --> 01:27:23,040

i have broken open fresh

2419

01:27:27,510 --> 01:27:25,440

batteries put them in a device walk in

2420

01:27:30,629 --> 01:27:27,520

the room and they committed a dream

2421

01:27:33,910 --> 01:27:30,639

i've had people who have been attacked

2422

01:27:36,149 --> 01:27:33,920

by that

2423

01:27:37,430 --> 01:27:36,159

tell me later oh i feel completely

2424

01:27:39,590 --> 01:27:37,440

drained

2425

01:27:40,950 --> 01:27:39,600

you know and i said what's going on here

2426

01:27:44,950 --> 01:27:40,960

these things

2427

01:27:47,830 --> 01:27:44,960

use energy to manifest whatever it is

2428

01:27:49,030 --> 01:27:47,840

absolutely and uh and there you have

2429

01:27:51,149 --> 01:27:49,040

with a ley line

2430

01:27:53,270 --> 01:27:51,159

inherent higher field of

2431

01:27:54,709 --> 01:27:53,280

electromagnetism would they not be gone

2432

01:27:56,390 --> 01:27:54,719

to something like that definitely

2433

01:27:58,870 --> 01:27:56,400

they are i think the i think they are i

2434

01:28:00,229 --> 01:27:58,880

think um you know i i have talked to

2435

01:28:03,669 --> 01:28:00,239

psychics and

2436

01:28:04,470 --> 01:28:03,679

intuitives that tell me without a doubt

2437

01:28:07,910 --> 01:28:04,480

they have seen

2438

01:28:09,270 --> 01:28:07,920

spiritual activity high along ley lines

2439

01:28:11,189 --> 01:28:09,280

they have actually seen they have

2440

01:28:12,830 --> 01:28:11,199

actually seen entities moving along lego

2441

01:28:15,189 --> 01:28:12,840

lines

2442

01:28:17,350 --> 01:28:15,199

uh supposed to be a lot of churches

2443

01:28:20,229 --> 01:28:17,360

built along some of those lines

2444

01:28:20,550 --> 01:28:20,239

of that i have no doubt of that uh you

2445

01:28:22,870 --> 01:28:20,560

know

2446

01:28:23,590 --> 01:28:22,880

you go over to great britain over very

2447

01:28:34,870 --> 01:28:23,600

well and

2448

01:28:38,070 --> 01:28:36,390

i just forgot my train of thought right

2449

01:28:40,709 --> 01:28:38,080

there for a second uh

2450

01:28:41,270 --> 01:28:40,719

stonehenge where stonehenge is at uh the

2451

01:28:45,189 --> 01:28:41,280

the

2452

01:28:48,390 --> 01:28:45,199

that area and

2453

01:28:49,270 --> 01:28:48,400

a lot of the um a lot of the areas where

2454

01:28:51,189 --> 01:28:49,280

the uh

2455

01:28:54,629 --> 01:28:51,199

where these these crop circles have been

2456

01:28:57,669 --> 01:28:54,639

showing up are along leylands as well

2457

01:29:00,149 --> 01:28:57,679

now if it has to do you know

2458

01:29:02,229 --> 01:29:00,159

i i myself don't believe the ley line

2459

01:29:03,030 --> 01:29:02,239

activity has ain't doing ufos but i do

2460

01:29:05,310 --> 01:29:03,040

believe

2461

01:29:06,709 --> 01:29:05,320

it has something to do with the uh the

2462

01:29:09,590 --> 01:29:06,719

electromagnetic

2463

01:29:12,310 --> 01:29:09,600

uh fields in the earth itself i think

2464

01:29:13,669 --> 01:29:12,320

that's being manipulated somehow

2465

01:29:15,430 --> 01:29:13,679

and i'll tell you something else and

2466

01:29:19,189 --> 01:29:15,440

speaking of my own culture i'm

2467

01:29:19,510 --> 01:29:19,199

scotch irish that race of people has

2468

01:29:22,390 --> 01:29:19,520

been

2469

01:29:24,070 --> 01:29:22,400

very close to the land uh very

2470

01:29:26,550 --> 01:29:24,080

knowledgeable of the mystical

2471

01:29:27,830 --> 01:29:26,560

properties of this world uh i think a

2472

01:29:29,510 --> 01:29:27,840

lot of other

2473

01:29:31,030 --> 01:29:29,520

nationalities are the same way too i'm

2474

01:29:33,110 --> 01:29:31,040

not just singling them out

2475

01:29:34,709 --> 01:29:33,120

it's better than anybody else but

2476

01:29:38,310 --> 01:29:34,719

they're one example

2477

01:29:39,510 --> 01:29:38,320

and um i believe these people especially

2478

01:29:42,310 --> 01:29:39,520

the ancient peoples

2479

01:29:43,270 --> 01:29:42,320

knew a lot more and felt a lot more

2480

01:29:45,510 --> 01:29:43,280

along these

2481

01:29:46,709 --> 01:29:45,520

ley lines about them or more

2482

01:29:50,390 --> 01:29:46,719

knowledgeable about them

2483

01:29:52,070 --> 01:29:50,400

than we are today and i believe that's

2484

01:29:53,910 --> 01:29:52,080

what you're seeing here with

2485

01:29:56,070 --> 01:29:53,920

the stonehenge and some of these places

2486

01:29:59,110 --> 01:29:56,080

here in america that have been built

2487

01:30:01,590 --> 01:29:59,120

on these lines as well i mean

2488

01:30:04,229 --> 01:30:01,600

you gotta ask a question these people

2489

01:30:07,750 --> 01:30:04,239

knew a little bit more or something

2490

01:30:09,830 --> 01:30:07,760

well i think i i think uh yeah i think

2491

01:30:11,430 --> 01:30:09,840

modern man for the most part has lost a

2492

01:30:14,950 --> 01:30:11,440

lot of that intuition

2493

01:30:17,750 --> 01:30:14,960

uh i know native americans

2494

01:30:18,790 --> 01:30:17,760

were more spiritual and could detect

2495

01:30:21,110 --> 01:30:18,800

these things even

2496

01:30:22,070 --> 01:30:21,120

i mean those before them it just seems

2497

01:30:25,030 --> 01:30:22,080

that you know if

2498

01:30:28,550 --> 01:30:25,040

they needed it to survive for the most

2499

01:30:32,229 --> 01:30:30,390

i agree i agree and you know these

2500

01:30:32,950 --> 01:30:32,239

people were more sensitive in that

2501
01:30:35,590 --> 01:30:32,960
aspect

2502
01:30:36,229 --> 01:30:35,600
i think as we uh uh when we get older we

2503
01:30:38,390 --> 01:30:36,239
lose

2504
01:30:40,390 --> 01:30:38,400
a lot of that sensitivity as a matter of

2505
01:30:41,990 --> 01:30:40,400
fact that's why i use a dog sometimes in

2506
01:30:44,149 --> 01:30:42,000
my investigations

2507
01:30:45,830 --> 01:30:44,159
uh they are very sensitive i pay

2508
01:30:47,510 --> 01:30:45,840
attention to what they say for one

2509
01:30:49,110 --> 01:30:47,520
the one thing the dog is not gonna lie

2510
01:30:52,229 --> 01:30:49,120
to you he doesn't know how i

2511
01:30:55,030 --> 01:30:52,239
he just tells you what he perceives uh

2512
01:30:56,070 --> 01:30:55,040
to me that's a pretty good indicator of

2513
01:30:58,149 --> 01:30:56,080

something you know

2514

01:31:00,229 --> 01:30:58,159

uh that's why i like to use them a lot

2515

01:31:00,709 --> 01:31:00,239

on that and i pay attention to small

2516

01:31:02,629 --> 01:31:00,719

children

2517

01:31:05,030 --> 01:31:02,639

too who tell me things about that

2518

01:31:06,310 --> 01:31:05,040

because unless they've been exposed to a

2519

01:31:08,149 --> 01:31:06,320

lot of stuff and uh

2520

01:31:09,830 --> 01:31:08,159

you know the smaller they are the least

2521

01:31:11,430 --> 01:31:09,840

exposed they are

2522

01:31:13,350 --> 01:31:11,440

they uh they don't tend to lie they

2523

01:31:14,950 --> 01:31:13,360

don't have an opinion like the dogs or

2524

01:31:16,709 --> 01:31:14,960

cats they don't have an opinion

2525

01:31:19,270 --> 01:31:16,719

they're not they're they're their

2526

01:31:21,669 --> 01:31:19,280

observation is not shaded my opinion

2527

01:31:23,430 --> 01:31:21,679

that way and then these children are the

2528

01:31:25,669 --> 01:31:23,440

same way and i pay attention a lot to

2529

01:31:28,709 --> 01:31:25,679

that because i can tell you things

2530

01:31:30,550 --> 01:31:28,719

you know uh about what's going on

2531

01:31:32,310 --> 01:31:30,560

in that environment and i believe these

2532

01:31:34,390 --> 01:31:32,320

people were very sensitive

2533

01:31:36,310 --> 01:31:34,400

to their environment as well and i think

2534

01:31:39,030 --> 01:31:36,320

we've lost a lot of that definitely

2535

01:31:39,910 --> 01:31:39,040

especially since we were civilized we

2536

01:31:43,030 --> 01:31:39,920

have become

2537

01:31:45,830 --> 01:31:43,040

the more we lose that i believe

2538

01:31:46,470 --> 01:31:45,840

definitely dennis tell folks a little

2539

01:31:48,550 --> 01:31:46,480

bit about

2540

01:31:51,350 --> 01:31:48,560

paranormal shop talk and how they can

2541

01:31:54,629 --> 01:31:51,360

listen to the program

2542

01:31:58,229 --> 01:31:54,639

the house the other things you mean

2543

01:32:01,830 --> 01:31:58,239

you're ready

2544

01:32:03,910 --> 01:32:01,840

okay the uh the location blessings well

2545

01:32:06,470 --> 01:32:03,920

you tell people how they can how they

2546

01:32:07,669 --> 01:32:06,480

can get online to listen to your radio

2547

01:32:11,030 --> 01:32:07,679

show

2548

01:32:13,750 --> 01:32:11,040

oh oh okay uh i'm sorry uh

2549

01:32:14,149 --> 01:32:13,760

the uh uh the best way to look it up is

2550

01:32:17,270 --> 01:32:14,159

called

2551

01:32:19,149 --> 01:32:17,280

carolina radio it's all like carolina's

2552

01:32:22,229 --> 01:32:19,159

carolina

2553

01:32:24,870 --> 01:32:22,239

radio.com and it's called uh

2554

01:32:25,060 --> 01:32:24,880

paranormal shop talk right now we call

2555

01:32:29,189 --> 01:32:25,070

the

2556

01:32:32,709 --> 01:32:31,830

we just talk shop off top of our heads

2557

01:32:33,910 --> 01:32:32,719

it has anything to do with the

2558

01:32:36,229 --> 01:32:33,920

paranormal

2559

01:32:37,990 --> 01:32:36,239

uh it's a free open comment at all we

2560

01:32:39,669 --> 01:32:38,000

don't have any certain subject

2561

01:32:41,189 --> 01:32:39,679

and we fight to sit around shoot the

2562

01:32:42,629 --> 01:32:41,199

breeze for about hour and believe me it

2563

01:32:44,070 --> 01:32:42,639

is one of the fastest hours it's an

2564

01:32:47,350 --> 01:32:44,080

enjoyable thing

2565

01:32:48,709 --> 01:32:47,360

and uh so we have that going uh and like

2566

01:32:51,910 --> 01:32:48,719

i said we have a look here

2567

01:32:54,629 --> 01:32:51,920

uh beyond the shadows uh

2568

01:32:55,830 --> 01:32:54,639

a field guide to the paranormal and we

2569

01:32:58,550 --> 01:32:55,840

also have

2570

01:33:00,629 --> 01:32:58,560

the world unseen a paranormal journey

2571

01:33:03,030 --> 01:33:00,639

into high strangeness

2572

01:33:04,229 --> 01:33:03,040

uh i've got a lot of examples some

2573

01:33:06,709 --> 01:33:04,239

people say it's almost like an

2574

01:33:09,910 --> 01:33:06,719

encyclopedia not strangers because

2575

01:33:10,229 --> 01:33:09,920

i put a lot of examples in there of what

2576

01:33:14,149 --> 01:33:10,239

that

2577

01:33:17,590 --> 01:33:14,159

lot of personal stories

2578

01:33:20,550 --> 01:33:17,600

of our own and other people's uh we have

2579

01:33:22,950 --> 01:33:20,560

uh some hypothesis that we look at some

2580

01:33:25,270 --> 01:33:22,960

conjectures we do on something so

2581

01:33:27,110 --> 01:33:25,280

it's a very interesting book i say that

2582

01:33:28,790 --> 01:33:27,120

once you read this book

2583

01:33:31,350 --> 01:33:28,800

you probably won't look at this world

2584

01:33:33,270 --> 01:33:31,360

the same way again

2585

01:33:35,110 --> 01:33:33,280

it raises a lot of questions and a lot

2586

01:33:36,070 --> 01:33:35,120

of it gets you thinking a lot about some

2587

01:33:38,629 --> 01:33:36,080

things

2588

01:33:40,229 --> 01:33:38,639

and that's why we wrote it it's not only

2589

01:33:42,070 --> 01:33:40,239

to be entertained but hopefully

2590

01:33:44,870 --> 01:33:42,080

educational as well

2591

01:33:47,910 --> 01:33:44,880

uh that can be found on amazon just you

2592

01:33:49,750 --> 01:33:47,920

can look it up by my name dennis carroll

2593

01:33:51,910 --> 01:33:49,760

or you can just look it up by the title

2594

01:33:54,149 --> 01:33:51,920

of the road on the screen

2595

01:33:55,110 --> 01:33:54,159

what's the uh what's the website what's

2596

01:33:58,709 --> 01:33:55,120

your uh

2597

01:34:04,709 --> 01:33:58,719

url is the website you can find my

2598

01:34:08,229 --> 01:34:04,719

website at carolinastri.net

2599

01:34:10,070 --> 01:34:08,239

okay that's one word and uh

2600

01:34:12,070 --> 01:34:10,080

we have a long title for our group so

2601

01:34:17,830 --> 01:34:12,080

that's why we can't shorten it

2602

01:34:19,990 --> 01:34:17,840

a little more man yeah that's your last

2603

01:34:21,669 --> 01:34:20,000

definitely and dennis thanks for joining

2604

01:34:22,629 --> 01:34:21,679

us we're just out of time tonight we got

2605

01:34:23,990 --> 01:34:22,639

to uh

2606

01:34:26,229 --> 01:34:24,000

wrap this up but we want to have you on

2607

01:34:28,070 --> 01:34:26,239

again sometime show is very good

2608

01:34:30,070 --> 01:34:28,080

a lot of good information man we can't

2609

01:34:31,990 --> 01:34:30,080

thank you enough for coming on

2610

01:34:33,910 --> 01:34:32,000

well yeah i appreciate it i enjoyed it

2611

01:34:36,070 --> 01:34:33,920

and yeah definitely i will

2612

01:34:38,709 --> 01:34:36,080

be able to talk with you again this is

2613

01:34:41,030 --> 01:34:38,719

one of my favorites

2614

01:34:42,070 --> 01:34:41,040

well we appreciate it absolutely you

2615

01:34:51,270 --> 01:34:42,080

know

2616

01:34:56,310 --> 01:34:54,950

dennis carroll folks from carolina.com

2617

01:34:59,109 --> 01:34:56,320

and i'll have the

2618

01:35:00,629 --> 01:34:59,119

website up on arcaneradio.com so we can

2619

01:35:02,229 --> 01:35:00,639

get more about dennis

2620

01:35:03,990 --> 01:35:02,239

uh quite a few books actually he has

2621

01:35:06,790 --> 01:35:04,000

published lon

2622

01:35:08,470 --> 01:35:06,800

we're glad to have him on the program uh

2623

01:35:10,470 --> 01:35:08,480

tonight albeit briefly and some

2624

01:35:13,109 --> 01:35:10,480

technical difficulty but at last

2625

01:35:14,229 --> 01:35:13,119

it's done any final thoughts lon nothing

2626

01:35:17,030 --> 01:35:14,239

i can think of just

2627

01:35:18,709 --> 01:35:17,040

everybody have a great weekend and we

2628

01:35:20,229 --> 01:35:18,719

promise to get this stuff up as soon as

2629

01:35:21,830 --> 01:35:20,239

possible

2630

01:35:24,629 --> 01:35:21,840

that's right folks and you've been
