

EVEN MORE DOG MEN!

**Four more reports
from the USA, Mexico & Nicaragua!**

1
00:00:05,710 --> 00:00:04,540
[Music]

2
00:00:10,540 --> 00:00:05,720
[Applause]

3
00:00:12,350 --> 00:00:10,550
[Music]

4
00:00:17,750 --> 00:00:12,360
[Applause]

5
00:00:21,910 --> 00:00:19,670
welcome to the best of first person

6
00:00:24,790 --> 00:00:21,920
episodes of phantoms and monsters

7
00:00:28,830 --> 00:00:24,800
please like subscribe and hit the bell

8
00:00:32,150 --> 00:00:28,840
icon so you'll be notified of all future

9
00:00:36,229 --> 00:00:33,910
where will feeding on deer along

10
00:00:37,110 --> 00:00:36,239
apalachicola national forest florida

11
00:00:41,510 --> 00:00:37,120
highway

12
00:00:42,470 --> 00:00:41,520
california on the west coast to south

13
00:00:44,950 --> 00:00:42,480

florida

14

00:00:47,110 --> 00:00:44,960

i was with my six kids and pulling a

15

00:00:47,990 --> 00:00:47,120

trailer with all my belongings and three

16

00:00:52,150 --> 00:00:48,000

dogs

17

00:00:54,389 --> 00:00:52,160

i was in a big suv it was around two am

18

00:00:56,069 --> 00:00:54,399

the kids were all asleep and my daughter

19

00:00:58,229 --> 00:00:56,079

about thirteen years old

20

00:00:59,430 --> 00:00:58,239

was in the passenger seat to make sure i

21

00:01:01,830 --> 00:00:59,440

stayed awake

22

00:01:02,630 --> 00:01:01,840

so after traveling highway 10 for three

23

00:01:05,109 --> 00:01:02,640

days

24

00:01:06,870 --> 00:01:05,119

i had decided since we reached florida

25

00:01:07,990 --> 00:01:06,880

we would cut through the state to save

26

00:01:10,469 --> 00:01:08,000

some time

27

00:01:11,990 --> 00:01:10,479

so we got off highway 10 on an off road

28

00:01:15,190 --> 00:01:12,000

in hopes of getting gas and

29

00:01:17,670 --> 00:01:15,200

making some time it was along route 27

30

00:01:19,749 --> 00:01:17,680

in apalachicola national forest

31

00:01:20,950 --> 00:01:19,759

we came to the first little gas station

32

00:01:23,749 --> 00:01:20,960

that we found

33

00:01:24,789 --> 00:01:23,759

it was closed i was nervous because we

34

00:01:27,030 --> 00:01:24,799

needed gas

35

00:01:28,310 --> 00:01:27,040

and were running on fumes so we

36

00:01:30,550 --> 00:01:28,320

continued on

37

00:01:32,789 --> 00:01:30,560

i told my daughter to keep an eye out

38

00:01:33,749 --> 00:01:32,799

for deer crossing the two-lane deserted

39

00:01:35,990 --> 00:01:33,759

highway

40

00:01:37,910 --> 00:01:36,000

because hitting a deer could kill us all

41

00:01:39,030 --> 00:01:37,920

and turn us over due to the trailer we

42

00:01:41,590 --> 00:01:39,040

were pulling

43

00:01:42,389 --> 00:01:41,600

we were traveling around 45 miles per

44

00:01:44,469 --> 00:01:42,399

hour

45

00:01:47,190 --> 00:01:44,479

i remember this so clearly like it was

46

00:01:49,510 --> 00:01:47,200

yesterday but it was five years ago

47

00:01:51,190 --> 00:01:49,520

we had our brights on because the road

48

00:01:54,630 --> 00:01:51,200

was dark and winding

49

00:01:55,590 --> 00:01:54,640

a few houses but far between as we came

50

00:01:57,749 --> 00:01:55,600

around the corner

51
00:01:58,789 --> 00:01:57,759
in the headlights on the road was a lot

52
00:02:01,429 --> 00:01:58,799
of blood

53
00:02:01,990 --> 00:02:01,439
very fresh blood and on the side of the

54
00:02:04,230 --> 00:02:02,000
road

55
00:02:06,149 --> 00:02:04,240
was this six or seven foot tall creature

56
00:02:07,429 --> 00:02:06,159
on its hind legs hunched over a dead

57
00:02:09,910 --> 00:02:07,439
deer and eating it

58
00:02:11,270 --> 00:02:09,920
it did not look up not even when my

59
00:02:13,190 --> 00:02:11,280
headlights hit it

60
00:02:14,390 --> 00:02:13,200
it was using its arms like a human

61
00:02:16,550 --> 00:02:14,400
eating the deer

62
00:02:17,430 --> 00:02:16,560
it had a very muscular body pointing

63
00:02:20,070 --> 00:02:17,440

ears

64

00:02:21,589 --> 00:02:20,080

also a long muzzle if you ever saw a

65

00:02:24,630 --> 00:02:21,599

werewolf this was it

66

00:02:27,110 --> 00:02:24,640

skinny lower torso wide chest but used

67

00:02:29,270 --> 00:02:27,120

arms and hands just like a human

68

00:02:31,030 --> 00:02:29,280

if it looked up i would have died i

69

00:02:32,869 --> 00:02:31,040

looked over at my daughter

70

00:02:34,150 --> 00:02:32,879

we were both seeing the same thing at

71

00:02:36,470 --> 00:02:34,160

the same time

72

00:02:38,309 --> 00:02:36,480

tears came to my eyes instantly and at

73

00:02:41,190 --> 00:02:38,319

the same time we both said

74

00:02:42,229 --> 00:02:41,200

werewolf i sped up i was scared it would

75

00:02:44,949 --> 00:02:42,239

run towards us

76
00:02:46,630 --> 00:02:44,959
and jump on my trailer as we got about a

77
00:02:49,110 --> 00:02:46,640
mile away my heart was still

78
00:02:50,390 --> 00:02:49,120
beating so hard my daughter and i were

79
00:02:52,790 --> 00:02:50,400
so freaked out

80
00:02:54,470 --> 00:02:52,800
it was a werewolf i have never been a

81
00:02:56,869 --> 00:02:54,480
believer in a werewolf

82
00:02:58,149 --> 00:02:56,879
i don't watch movies or have any reason

83
00:03:00,470 --> 00:02:58,159
to make this up

84
00:03:02,869 --> 00:03:00,480
and as a matter of fact until today i

85
00:03:12,630 --> 00:03:02,879
have only told a handful of people

86
00:03:16,470 --> 00:03:14,229
all upright wolf like creature

87
00:03:17,270 --> 00:03:16,480
encountered in sanalo mexico bosses

88
00:03:19,509 --> 00:03:17,280

forest

89
00:03:21,350 --> 00:03:19,519
my encounter happened when i was a teen

90
00:03:23,509 --> 00:03:21,360
around 2005.

91
00:03:25,190 --> 00:03:23,519
i lived in a small village not too far

92
00:03:27,670 --> 00:03:25,200
from where my encounter happened in the

93
00:03:30,229 --> 00:03:27,680
balsa forest in sinaloa mexico

94
00:03:31,670 --> 00:03:30,239
i did not tell anyone until years later

95
00:03:32,630 --> 00:03:31,680
my friend and i were quite the

96
00:03:35,030 --> 00:03:32,640
troublemakers

97
00:03:35,990 --> 00:03:35,040
i will not lie and we decided to go off

98
00:03:38,229 --> 00:03:36,000
on our own

99
00:03:40,149 --> 00:03:38,239
we went to balsa's forest and we did not

100
00:03:42,229 --> 00:03:40,159
go to camp but we messed around and

101
00:03:44,789 --> 00:03:42,239
played until dark began to come

102
00:03:45,990 --> 00:03:44,799
i was never fearful of the dark it never

103
00:03:48,229 --> 00:03:46,000
gave me fear

104
00:03:50,470 --> 00:03:48,239
so as dark began to fall upon us we were

105
00:03:52,390 --> 00:03:50,480
fine and it was not unusual for me to

106
00:03:53,910 --> 00:03:52,400
just wander off and go to my friends

107
00:03:56,470 --> 00:03:53,920
without telling me mum

108
00:03:58,869 --> 00:03:56,480
like i said i was pretty bad back then

109
00:04:01,030 --> 00:03:58,879
and i never listened to my mother anyway

110
00:04:02,470 --> 00:04:01,040
now the forest was hot and humid so we

111
00:04:04,309 --> 00:04:02,480
had no shirts on

112
00:04:05,750 --> 00:04:04,319
we took them off and casually hung them

113
00:04:08,149 --> 00:04:05,760

around our shoulders

114

00:04:10,149 --> 00:04:08,159

we wore shorts and sandals i was

115

00:04:11,830 --> 00:04:10,159

actually tormenting a snake with a stick

116

00:04:13,670 --> 00:04:11,840

while my friend laughed at me

117

00:04:15,190 --> 00:04:13,680

the dark king yet the whole moon shone

118

00:04:17,909 --> 00:04:15,200

bright down through the trees

119

00:04:20,229 --> 00:04:17,919

so it was okay we could still see we put

120

00:04:22,150 --> 00:04:20,239

our shirts on as it gets colder at night

121

00:04:24,070 --> 00:04:22,160

we were getting ready to leave and i

122

00:04:26,790 --> 00:04:24,080

thought i knew everything back then

123

00:04:28,469 --> 00:04:26,800

i was very wrong we heard footsteps off

124

00:04:29,270 --> 00:04:28,479

in front of us somewhere but they were

125

00:04:31,430 --> 00:04:29,280

so heavy

126

00:04:32,629 --> 00:04:31,440

not really like human yet clearly two

127

00:04:34,390 --> 00:04:32,639

footed steps

128

00:04:36,710 --> 00:04:34,400

we were more interested in seeing what

129

00:04:38,790 --> 00:04:36,720

it was and my friend suggest we hide in

130

00:04:41,909 --> 00:04:38,800

the foliage to scare whatever it was

131

00:04:43,670 --> 00:04:41,919

a person or an animal we just wanted fun

132

00:04:44,790 --> 00:04:43,680

we got in the foliage and giggled to

133

00:04:47,189 --> 00:04:44,800

each other and watched

134

00:04:49,350 --> 00:04:47,199

waiting the thuds became louder and it

135

00:04:50,390 --> 00:04:49,360

came out into the opening so fast like a

136

00:04:53,510 --> 00:04:50,400

raging bull

137

00:04:54,790 --> 00:04:53,520

it was notable now we are terrified this

138

00:04:57,350 --> 00:04:54,800

beast was around seven

139

00:04:57,909 --> 00:04:57,360

foot tall maybe more it was black and

140

00:05:00,710 --> 00:04:57,919

gray

141

00:05:02,629 --> 00:05:00,720

like silver in places its fur was matted

142

00:05:03,990 --> 00:05:02,639

and horrible with a smell like i have

143

00:05:06,390 --> 00:05:04,000

never smelled again

144

00:05:07,270 --> 00:05:06,400

i cannot describe that smell but it made

145

00:05:09,590 --> 00:05:07,280

you wretch

146

00:05:11,350 --> 00:05:09,600

the ears were pointed we never said a

147

00:05:12,950 --> 00:05:11,360

word to each other as we stared at it

148

00:05:14,230 --> 00:05:12,960

sniffing the air like a wolf on the

149

00:05:16,310 --> 00:05:14,240

scent of its prey

150

00:05:17,670 --> 00:05:16,320

you could see defined body muscles and

151
00:05:19,909 --> 00:05:17,680

arms yes

152
00:05:21,430 --> 00:05:19,919

arms and hands with very long unusual

153
00:05:23,909 --> 00:05:21,440

fingers with claws

154
00:05:25,189 --> 00:05:23,919

it had a very long snout you could see

155
00:05:27,990 --> 00:05:25,199

it had fang-like teeth

156
00:05:30,150 --> 00:05:28,000

dog-like in many ways but much too big

157
00:05:31,909 --> 00:05:30,160

it had backwards bent back legs and the

158
00:05:34,469 --> 00:05:31,919

strangest feet i have ever seen

159
00:05:35,830 --> 00:05:34,479

elongated with three-toes huge toes it

160
00:05:37,510 --> 00:05:35,840

looked so strange

161
00:05:39,430 --> 00:05:37,520

it then suddenly snapped its head

162
00:05:40,150 --> 00:05:39,440

towards us and stared with intent of

163
00:05:42,550 --> 00:05:40,160

evil

164

00:05:43,749 --> 00:05:42,560

you could tell its eyes were amber and

165

00:05:46,390 --> 00:05:43,759

slanted looking

166

00:05:47,029 --> 00:05:46,400

we just ran we did not know what else to

167

00:05:49,189 --> 00:05:47,039

do

168

00:05:51,029 --> 00:05:49,199

we made a big mistake because it was now

169

00:05:52,629 --> 00:05:51,039

too dark to see clearly and in all the

170

00:05:54,629 --> 00:05:52,639

panic we thought we were lost

171

00:05:56,710 --> 00:05:54,639

and we just went to nearest large tree

172

00:05:58,550 --> 00:05:56,720

and climbed as far up as we could

173

00:06:00,469 --> 00:05:58,560

we sat there in the dark listening to

174

00:06:02,469 --> 00:06:00,479

thudding steps through the forest

175

00:06:04,230 --> 00:06:02,479

we stayed huddled in that tree all night

176

00:06:06,870 --> 00:06:04,240

waiting to be eaten or killed

177

00:06:07,990 --> 00:06:06,880

it never came the next thing i remember

178

00:06:09,909 --> 00:06:08,000

it was morning

179

00:06:11,029 --> 00:06:09,919

you don't know fear like that praying in

180

00:06:13,670 --> 00:06:11,039

a tree for your life

181

00:06:15,749 --> 00:06:13,680

cold and terrified being in danger from

182

00:06:17,830 --> 00:06:15,759

falling from the tree did not matter

183

00:06:19,909 --> 00:06:17,840

that thing did matter when the morning

184

00:06:20,950 --> 00:06:19,919

came we knew we are way back deep into

185

00:06:22,469 --> 00:06:20,960

the forest

186

00:06:24,710 --> 00:06:22,479

funny how fear can change your

187

00:06:25,350 --> 00:06:24,720

perception when i got home my mom

188

00:06:27,270 --> 00:06:25,360

scolded

189

00:06:29,670 --> 00:06:27,280

shouted and went on so long about where

190

00:06:30,870 --> 00:06:29,680

had i been i had never been shouted at

191

00:06:33,430 --> 00:06:30,880

like that before

192

00:06:34,950 --> 00:06:33,440

i never told anyone my friend and i

193

00:06:37,110 --> 00:06:34,960

never did until later

194

00:06:38,790 --> 00:06:37,120

my mom thought her shots changed me but

195

00:06:41,350 --> 00:06:38,800

no that thing changed me

196

00:06:43,270 --> 00:06:41,360

and i did not stray again now i live in

197

00:06:46,830 --> 00:06:43,280

london england but it will stay with me

198

00:06:46,840 --> 00:06:51,350

ch

199

00:06:55,110 --> 00:06:53,350

werewolf encountered a long roadway in

200

00:06:57,270 --> 00:06:55,120

calvert county maryland

201
00:06:59,350 --> 00:06:57,280
this is a rather short encounter because

202
00:07:00,950 --> 00:06:59,360
i was riding in a car and basically saw

203
00:07:02,870 --> 00:07:00,960
it and rode past it

204
00:07:04,950 --> 00:07:02,880
i have been past the site hundreds of

205
00:07:06,870 --> 00:07:04,960
times since then but have never gotten

206
00:07:09,589 --> 00:07:06,880
out and walked around the area

207
00:07:10,390 --> 00:07:09,599
maybe i should this encounter changed my

208
00:07:12,629 --> 00:07:10,400
life

209
00:07:14,150 --> 00:07:12,639
when i read the encounters by others i

210
00:07:16,469 --> 00:07:14,160
never discount them

211
00:07:19,189 --> 00:07:16,479
why because i know what i saw and who am

212
00:07:21,350 --> 00:07:19,199
i to question someone else's experience

213
00:07:23,270 --> 00:07:21,360

sure there are a lot of made-up stories

214

00:07:25,350 --> 00:07:23,280

and creepypasta out here

215

00:07:26,309 --> 00:07:25,360

but i strive to find credible sounding

216

00:07:28,150 --> 00:07:26,319

accounts

217

00:07:29,830 --> 00:07:28,160

it was evening and my family and i were

218

00:07:31,589 --> 00:07:29,840

coming back from chesapeake beach

219

00:07:32,150 --> 00:07:31,599

maryland from having dinner with my

220

00:07:35,670 --> 00:07:32,160

brother

221

00:07:37,270 --> 00:07:35,680

mom and dad i was 15 or 16 years old and

222

00:07:38,870 --> 00:07:37,280

in the back right passenger seat

223

00:07:40,870 --> 00:07:38,880

chilling with my brother

224

00:07:42,629 --> 00:07:40,880

riding along i'm just looking out the

225

00:07:43,990 --> 00:07:42,639

window and there is a little road that

226

00:07:46,070 --> 00:07:44,000

merges onto the main road

227

00:07:47,110 --> 00:07:46,080

on the left so as we merge we pick up a

228

00:07:49,749 --> 00:07:47,120

little speed

229

00:07:50,150 --> 00:07:49,759

we are going maybe 25 to 30 miles per

230

00:07:52,230 --> 00:07:50,160

hour

231

00:07:53,589 --> 00:07:52,240

and you have to cross this little bridge

232

00:07:56,070 --> 00:07:53,599

and it's really bumpy

233

00:07:57,029 --> 00:07:56,080

so we slowed even more to maybe 20 miles

234

00:07:58,790 --> 00:07:57,039

per hour

235

00:08:01,270 --> 00:07:58,800

once we do that i look up ahead and

236

00:08:02,790 --> 00:08:01,280

about 75 yards ahead i see something

237

00:08:03,510 --> 00:08:02,800

standing on the wood edge off to the

238

00:08:05,189 --> 00:08:03,520

right a little

239

00:08:07,909 --> 00:08:05,199

but it was exactly at the edge of the

240

00:08:08,790 --> 00:08:07,919

woods it had both arms on a tree just

241

00:08:10,790 --> 00:08:08,800

standing there

242

00:08:11,990 --> 00:08:10,800

meaning its right arm was on a tree

243

00:08:14,150 --> 00:08:12,000

about shoulder height

244

00:08:15,350 --> 00:08:14,160

and its left arm was on a tree at about

245

00:08:17,430 --> 00:08:15,360

shoulder height

246

00:08:19,350 --> 00:08:17,440

so its arms were basically spread out

247

00:08:21,749 --> 00:08:19,360

with its hands on the trees

248

00:08:23,749 --> 00:08:21,759

it was about seven foot tall maybe even

249

00:08:25,909 --> 00:08:23,759

taller had a wolf-like face

250

00:08:26,950 --> 00:08:25,919

only larger like a dire wolf from game

251
00:08:28,950 --> 00:08:26,960
of thrones

252
00:08:30,070 --> 00:08:28,960
it had really broad shoulders very

253
00:08:32,230 --> 00:08:30,080
muscular arms

254
00:08:34,389 --> 00:08:32,240
a barrel chest and it narrowed the rest

255
00:08:36,230 --> 00:08:34,399
of the way down the abdominal area

256
00:08:37,509 --> 00:08:36,240
it was dark brown and the hair was

257
00:08:39,190 --> 00:08:37,519
medium length

258
00:08:41,110 --> 00:08:39,200
i didn't get a great look at the legs

259
00:08:43,829 --> 00:08:41,120
because it locked eyes with me

260
00:08:45,750 --> 00:08:43,839
it knew i saw it and it saw me i saw it

261
00:08:47,269 --> 00:08:45,760
a good distance up ahead and was like

262
00:08:49,910 --> 00:08:47,279
what the hell is that standing on the

263
00:08:51,509 --> 00:08:49,920

wood edge soon as i said that to myself

264

00:08:54,150 --> 00:08:51,519

i locked eyes with it

265

00:08:55,910 --> 00:08:54,160

i saw it for a good 10 to 15 seconds

266

00:08:58,070 --> 00:08:55,920

because of how far up ahead i first

267

00:08:59,190 --> 00:08:58,080

noticed it moving around and how slow we

268

00:09:01,829 --> 00:08:59,200

were traveling

269

00:09:03,910 --> 00:09:01,839

its eyes followed mine the entire time

270

00:09:05,110 --> 00:09:03,920

it took my breath when i first realized

271

00:09:07,430 --> 00:09:05,120

what i was looking at

272

00:09:08,389 --> 00:09:07,440

and my first thought was god that thing

273

00:09:10,470 --> 00:09:08,399

is ugly

274

00:09:11,910 --> 00:09:10,480

it had very pointy features and it

275

00:09:14,389 --> 00:09:11,920

didn't look like a bigfoot

276

00:09:15,509 --> 00:09:14,399

but an actual werewolf a lot of people

277

00:09:17,509 --> 00:09:15,519

call it a dogman

278

00:09:18,790 --> 00:09:17,519

but i'm more inclined to say this was an

279

00:09:20,949 --> 00:09:18,800

actual wolfman

280

00:09:22,389 --> 00:09:20,959

i said out loud to my family did you

281

00:09:24,710 --> 00:09:22,399

guys see that thing

282

00:09:25,509 --> 00:09:24,720

obviously they were like see what

283

00:09:27,110 --> 00:09:25,519

another thing

284

00:09:28,790 --> 00:09:27,120

this was in southern maryland where

285

00:09:29,670 --> 00:09:28,800

there are no bears or other large

286

00:09:31,670 --> 00:09:29,680

animals

287

00:09:33,350 --> 00:09:31,680

but i asked my family over and over if

288

00:09:34,630 --> 00:09:33,360

they saw it and they started getting

289

00:09:36,790 --> 00:09:34,640

annoyed with me

290

00:09:38,790 --> 00:09:36,800

i told people over the years but i was

291

00:09:41,190 --> 00:09:38,800

only ridiculed and teased about it

292

00:09:42,310 --> 00:09:41,200

so i just stopped so that was my

293

00:09:44,150 --> 00:09:42,320

encounter

294

00:09:46,070 --> 00:09:44,160

my family still doesn't believe me

295

00:09:47,269 --> 00:09:46,080

either and most other people think i'm

296

00:09:49,750 --> 00:09:47,279

crazy or lying

297

00:09:50,710 --> 00:09:49,760

so i very rarely tell anyone about it

298

00:09:52,949 --> 00:09:50,720

but it was real

299

00:09:54,790 --> 00:09:52,959

it was there i just want to know the

300

00:10:04,790 --> 00:09:54,800

double use of the creature

301
00:10:06,470 --> 00:10:04,800
where what why etc s then shake shifts

302
00:10:07,430 --> 00:10:06,480
into dog-like entity near granada

303
00:10:10,310 --> 00:10:07,440
nicaragua

304
00:10:12,150 --> 00:10:10,320
this encounter happened in may 1989. we

305
00:10:14,310 --> 00:10:12,160
went on a school trip visiting the ruins

306
00:10:15,590 --> 00:10:14,320
of an old sandinistas outpost that was

307
00:10:17,590 --> 00:10:15,600
politically historic

308
00:10:20,630 --> 00:10:17,600
located by the town called granada in

309
00:10:22,310 --> 00:10:20,640
nicaragua we were 27 kids all together

310
00:10:23,670 --> 00:10:22,320
and had special permission from our

311
00:10:25,110 --> 00:10:23,680
parents to go there

312
00:10:27,190 --> 00:10:25,120
i happened to notice that there were

313
00:10:28,150 --> 00:10:27,200

houses by the place where the historical

314

00:10:29,670 --> 00:10:28,160

site was

315

00:10:32,150 --> 00:10:29,680

they were on the hills of a mountain

316

00:10:34,230 --> 00:10:32,160

where i stupidly had gone to investigate

317

00:10:35,990 --> 00:10:34,240

the houses were old and made of wood

318

00:10:37,350 --> 00:10:36,000

they were about 60 yards from the

319

00:10:39,350 --> 00:10:37,360

historical site

320

00:10:41,350 --> 00:10:39,360

as i came by the first house an elderly

321

00:10:42,230 --> 00:10:41,360

man came and asked me why i wasn't with

322

00:10:44,870 --> 00:10:42,240

my group

323

00:10:46,550 --> 00:10:44,880

i told him why do you care he responded

324

00:10:48,550 --> 00:10:46,560

in an angry tone because there are

325

00:10:50,470 --> 00:10:48,560

things out here that will take you

326

00:10:51,670 --> 00:10:50,480

our country is wild but only if you

327

00:10:54,230 --> 00:10:51,680

travel in the mountains

328

00:10:55,590 --> 00:10:54,240

rivers lakes are by the sea so i paid no

329

00:10:58,069 --> 00:10:55,600

mind to his warning

330

00:10:59,990 --> 00:10:58,079

it was around 5 30 p.m and i was about

331

00:11:02,069 --> 00:11:00,000

100 yards from the historical

332

00:11:03,829 --> 00:11:02,079

site as soon as the teacher blew her

333

00:11:04,870 --> 00:11:03,839

whistle we were to regroup at the bus in

334

00:11:06,550 --> 00:11:04,880

order to leave

335

00:11:08,550 --> 00:11:06,560

i was sitting next to the tree line

336

00:11:09,910 --> 00:11:08,560

eating a sandwich when behind me i heard

337

00:11:11,670 --> 00:11:09,920

a distinct noise

338

00:11:13,269 --> 00:11:11,680

it was a growling sound that literally

339

00:11:14,949 --> 00:11:13,279

shook all of my nerves

340

00:11:16,710 --> 00:11:14,959

i immediately turned back to see if

341

00:11:19,110 --> 00:11:16,720

anything was coming my way

342

00:11:20,630 --> 00:11:19,120

suddenly i heard the teacher's whistle i

343

00:11:21,990 --> 00:11:20,640

figured i had a good two or three

344

00:11:23,910 --> 00:11:22,000

minutes to get up the tree

345

00:11:26,069 --> 00:11:23,920

and see if i could spot anything so i

346

00:11:28,310 --> 00:11:26,079

did what i saw crawling on the forest

347

00:11:30,230 --> 00:11:28,320

floor did not make any sense at all

348

00:11:32,550 --> 00:11:30,240

it was a man lying on the ground about

349

00:11:34,630 --> 00:11:32,560

80 or 100 feet in the wood line

350

00:11:36,949 --> 00:11:34,640

his body was jerking as if in extreme

351
00:11:38,630 --> 00:11:36,959
pain i saw that his back looked sweaty

352
00:11:39,269 --> 00:11:38,640
and as he jerked he turned his face

353
00:11:41,190 --> 00:11:39,279
towards me

354
00:11:43,269 --> 00:11:41,200
and i could see his eyes were red and

355
00:11:44,230 --> 00:11:43,279
his nose was literally turning black and

356
00:11:46,310 --> 00:11:44,240
elongated

357
00:11:47,590 --> 00:11:46,320
i quickly climbed down the tree grabbed

358
00:11:50,069 --> 00:11:47,600
my backpack and left

359
00:11:51,350 --> 00:11:50,079
running to the bus apparently i was the

360
00:11:53,509 --> 00:11:51,360
last to return

361
00:11:55,350 --> 00:11:53,519
as the bus started to drive off i said a

362
00:11:56,629 --> 00:11:55,360
prayer to protect me from this monster

363
00:11:58,550 --> 00:11:56,639

that roams the land

364

00:12:00,150 --> 00:11:58,560

i asked my grandpa the next day about

365

00:12:01,750 --> 00:12:00,160

this things that i had seen

366

00:12:03,430 --> 00:12:01,760

he grew up there and was a native from

367

00:12:05,269 --> 00:12:03,440

our country and his dad i've been a

368

00:12:07,590 --> 00:12:05,279

coffee farmer which is one of the things

369

00:12:09,190 --> 00:12:07,600

my country still trades to the us

370

00:12:10,949 --> 00:12:09,200

he explained that the locals had a

371

00:12:12,629 --> 00:12:10,959

curfew and that they never went out

372

00:12:13,590 --> 00:12:12,639

unarmed to pick the coffee because of

373

00:12:15,030 --> 00:12:13,600

these things

374

00:12:17,190 --> 00:12:15,040

they had suspected they were both

375

00:12:17,990 --> 00:12:17,200

animals and humans and practiced devil

376

00:12:19,829 --> 00:12:18,000

worshipping

377

00:12:22,069 --> 00:12:19,839

and traded their souls in order to

378

00:12:24,470 --> 00:12:22,079

shapeshift into many animal forms

379

00:12:26,069 --> 00:12:24,480

such as the great wolf spirit i have to

380

00:12:26,629 --> 00:12:26,079

tell you that when we made our life in

381

00:12:28,389 --> 00:12:26,639

the u.s

382

00:12:30,389 --> 00:12:28,399

i had thought i had left the monsters

383

00:12:31,110 --> 00:12:30,399

behind me but as it turns out i was

384

00:12:33,430 --> 00:12:31,120

wrong

385

00:12:35,269 --> 00:12:33,440

i am in austin texas and have been here

386

00:12:37,190 --> 00:12:35,279

since 1996.

387

00:12:38,389 --> 00:12:37,200

i encourage people i know to not go out

388

00:12:40,710 --> 00:12:38,399

into the woods alone

389

00:12:42,870 --> 00:12:40,720

and do not wear bright colors at least

390

00:12:44,949 --> 00:12:42,880

go armed with a gunner beer pepper spray

391

00:12:46,629 --> 00:12:44,959

because i do believe i was lucky but i

392

00:12:52,310 --> 00:12:46,639

will not tempt fade again

393

00:12:54,870 --> 00:12:52,320

name withheld

394

00:12:55,750 --> 00:12:54,880

this is lon strickler if you like this

395

00:12:57,509 --> 00:12:55,760

program

396

00:12:58,870 --> 00:12:57,519

it would help us if you would give it a

397

00:13:01,750 --> 00:12:58,880

thumbs up

398

00:13:02,230 --> 00:13:01,760

then subscribe and click the bell icon

399

00:13:04,550 --> 00:13:02,240

so you

400

00:13:06,710 --> 00:13:04,560

get notification when we upload new

401

00:13:09,829 --> 00:13:06,720

first person encounters

402

00:13:12,230 --> 00:13:09,839

we have many more to come very soon and

403

00:13:14,629 --> 00:13:12,240

by the way if you have a suggestion
