

**Your host**

Lon Strickler

**With Guest**

Kev Baker

1  
00:00:08,070 --> 00:00:04,630  
the oldest

2  
00:00:10,230 --> 00:00:08,080  
and strongest human emotion is fear

3  
00:00:11,190 --> 00:00:10,240  
and the oldest and strongest type of

4  
00:00:14,390 --> 00:00:11,200  
fear

5  
00:00:16,870 --> 00:00:14,400  
is trepidation of the unknown

6  
00:00:20,310 --> 00:00:16,880  
when we were children our parents told

7  
00:00:22,790 --> 00:00:20,320  
us that monsters didn't exist

8  
00:00:25,990 --> 00:00:22,800  
but we were sure that something was

9  
00:00:30,550 --> 00:00:26,000  
lurking under the bed or in the closet

10  
00:00:33,750 --> 00:00:30,560  
fear sees even if our eyes are closed

11  
00:00:35,750 --> 00:00:33,760  
welcome to the realm of the arcane my

12  
00:00:38,150 --> 00:00:35,760  
name is lon strickler

13  
00:00:39,270 --> 00:00:38,160

join me as i examine unexplained

14

00:00:42,830 --> 00:00:39,280

creatures

15

00:00:44,229 --> 00:00:42,840

strange manifestations and remarkable

16

00:00:47,270 --> 00:00:44,239

realities

17

00:00:49,830 --> 00:00:47,280

imagine this next hour as a voyage of

18

00:00:52,950 --> 00:00:49,840

discovery to strange lands

19

00:00:55,670 --> 00:00:52,960

seeking not for new territory but for

20

00:00:56,310 --> 00:00:55,680

new knowledge of the supernatural come

21

00:00:59,620 --> 00:00:56,320

on board

22

00:01:04,229 --> 00:00:59,630

as we begin this adventure together

23

00:01:08,710 --> 00:01:06,550

hey folks good evening and welcome to

24

00:01:10,950 --> 00:01:08,720

another episode of arcane radio

25

00:01:12,870 --> 00:01:10,960

where we explore the unexplained live on

26

00:01:15,270 --> 00:01:12,880

beyond explanation

27

00:01:16,149 --> 00:01:15,280

i'm your host lon strickler coming to

28

00:01:19,030 --> 00:01:16,159

you from the

29

00:01:20,710 --> 00:01:19,040

spectral shadows of gettysburg

30

00:01:23,510 --> 00:01:20,720

pennsylvania

31

00:01:24,230 --> 00:01:23,520

i want to welcome our listeners in the

32

00:01:27,910 --> 00:01:24,240

uk

33

00:01:31,510 --> 00:01:27,920

and in europe and uh hope you can

34

00:01:33,590 --> 00:01:31,520

join us continuously um

35

00:01:35,670 --> 00:01:33,600

now before we start the show and before

36

00:01:39,429 --> 00:01:35,680

i introduce my guests

37

00:02:06,830 --> 00:01:39,439

i want to run a video

38

00:02:06,840 --> 00:02:20,830

ah

39

00:02:20,840 --> 00:02:32,070

wow

40

00:02:35,990 --> 00:02:35,030

now apparently this short video video

41

00:02:39,350 --> 00:02:36,000

was recorded by

42

00:02:41,990 --> 00:02:39,360

youtuber in poland who uh apparently

43

00:02:44,710 --> 00:02:42,000

have been hearing these snarling sounds

44

00:02:46,710 --> 00:02:44,720

emanating from the woods around his farm

45

00:02:49,910 --> 00:02:46,720

now

46

00:02:50,790 --> 00:02:49,920

i ran this video through the cgi

47

00:02:53,589 --> 00:02:50,800

software

48

00:02:55,750 --> 00:02:53,599

and there seems to be no digital changes

49

00:02:58,949 --> 00:02:55,760

or deception

50

00:03:03,110 --> 00:03:00,790

you know go ahead you know take a look

51  
00:03:04,070 --> 00:03:03,120  
at some of the screens captures uh that

52  
00:03:07,670 --> 00:03:04,080  
are coming up there

53  
00:03:10,390 --> 00:03:07,680  
now you know i i am i imagine this is

54  
00:03:12,470 --> 00:03:10,400  
probably a pale humanoid that people

55  
00:03:14,470 --> 00:03:12,480  
have been describing you know

56  
00:03:16,949 --> 00:03:14,480  
they have all kinds of names for it the

57  
00:03:20,149 --> 00:03:16,959  
rake flesh gate

58  
00:03:22,630 --> 00:03:20,159  
you know crawler um there

59  
00:03:25,350 --> 00:03:22,640  
now there was a previous video made

60  
00:03:28,630 --> 00:03:25,360  
months before this one

61  
00:03:30,229 --> 00:03:28,640  
where this individual who had a you know

62  
00:03:33,750 --> 00:03:30,239  
it was in his barn

63  
00:03:36,309 --> 00:03:33,760

and heard this these sounds again

64

00:03:37,190 --> 00:03:36,319

and but he wasn't able to capture this

65

00:03:38,949 --> 00:03:37,200

being

66

00:03:40,869 --> 00:03:38,959

on the video but he got the sounds the

67

00:03:43,110 --> 00:03:40,879

same dr snarling

68

00:03:44,630 --> 00:03:43,120

so i don't know what this is i

69

00:03:46,949 --> 00:03:44,640

completely leave this up

70

00:03:48,550 --> 00:03:46,959

for your determination but i think it's

71

00:03:50,949 --> 00:03:48,560

kind of interesting

72

00:03:51,750 --> 00:03:50,959

uh we occasionally will get something

73

00:03:55,429 --> 00:03:51,760

like that

74

00:03:57,670 --> 00:03:55,439

um if you go to um

75

00:03:59,830 --> 00:03:57,680

one of the videos that we put up on

76

00:04:02,869 --> 00:03:59,840

beyond

77

00:04:06,550 --> 00:04:02,879

that's titled uh penelope

78

00:04:07,670 --> 00:04:06,560

penelope is a human humanoid-like

79

00:04:11,750 --> 00:04:07,680

creature

80

00:04:14,789 --> 00:04:11,760

that has been seen in the sierra nevasdas

81

00:04:17,749 --> 00:04:14,799

over the past several years and

82

00:04:18,390 --> 00:04:17,759

uh i have i think i have three sightings

83

00:04:25,270 --> 00:04:18,400

on that

84

00:04:27,909 --> 00:04:25,280

i have actually talked to two

85

00:04:29,430 --> 00:04:27,919

rangers in that in that area where these

86

00:04:31,749 --> 00:04:29,440

sightings have been

87

00:04:33,350 --> 00:04:31,759

happening and they verified it they

88

00:04:34,950 --> 00:04:33,360

verify people have been seeing this

89

00:04:36,310 --> 00:04:34,960

thing so um

90

00:04:39,350 --> 00:04:36,320

you know that might give you a pretty

91

00:04:43,030 --> 00:04:39,360

odd pretty good idea what people are

92

00:04:44,629 --> 00:04:43,040

experiencing so i thank you for watching

93

00:04:47,189 --> 00:04:44,639

and uh if you have any comments

94

00:04:48,150 --> 00:04:47,199

and send them to me or send it to my

95

00:04:51,189 --> 00:04:48,160

email

96

00:04:54,629 --> 00:04:51,199

at lawnstricklerfansonmonsters.com

97

00:04:56,230 --> 00:04:54,639

so tonight i welcome well-known scottish

98

00:04:59,510 --> 00:04:56,240

paranormal live streamer

99

00:05:02,150 --> 00:04:59,520

kev baker to arcane radio now kev

100

00:05:04,310 --> 00:05:02,160

is based in glasgow scotland is the host

101  
00:05:05,110 --> 00:05:04,320  
of the popular podcast the kev baker

102  
00:05:08,550 --> 00:05:05,120  
show

103  
00:05:11,670 --> 00:05:08,560  
on truth frequency radio he also has his

104  
00:05:14,310 --> 00:05:11,680  
kbs channels on youtube now

105  
00:05:16,310 --> 00:05:14,320  
kev covers everything from geopolitics

106  
00:05:18,629 --> 00:05:16,320  
to exopolitics

107  
00:05:20,310 --> 00:05:18,639  
on his own live is on his own show and

108  
00:05:21,670 --> 00:05:20,320  
has a long time interest in the

109  
00:05:23,590 --> 00:05:21,680  
paranormal

110  
00:05:25,590 --> 00:05:23,600  
having being brought up in florida

111  
00:05:28,629 --> 00:05:25,600  
augustus on the southern end of

112  
00:05:29,510 --> 00:05:28,639  
loch ness kevin's uniquely placed to

113  
00:05:32,310 --> 00:05:29,520

talk about

114

00:05:33,510 --> 00:05:32,320

loch ness monster and other incidents of

115

00:05:36,870 --> 00:05:33,520

high strangers

116

00:05:39,350 --> 00:05:36,880

in the highlands of scotland so kev

117

00:05:41,110 --> 00:05:39,360

thanks for taking the time and staying

118

00:05:43,110 --> 00:05:41,120

up to join me this evening

119

00:05:45,189 --> 00:05:43,120

well lauren it's a pleasure to come and

120

00:05:46,950 --> 00:05:45,199

join you on your show you've been a very

121

00:05:49,189 --> 00:05:46,960

gracious with your time

122

00:05:50,870 --> 00:05:49,199

your information and coming on to my

123

00:05:52,550 --> 00:05:50,880

show with bill bean

124

00:05:54,550 --> 00:05:52,560

as well and i'm really looking forward

125

00:05:55,909 --> 00:05:54,560

to getting into some scottish woo with

126  
00:05:58,070 --> 00:05:55,919  
you brother

127  
00:06:01,670 --> 00:05:58,080  
it sounds good that's what we're into

128  
00:06:05,029 --> 00:06:01,680  
yeah so i i guess the uh

129  
00:06:07,590 --> 00:06:05,039  
the monster in the room so to speak is

130  
00:06:11,749 --> 00:06:07,600  
the loch ness monster nessie

131  
00:06:14,629 --> 00:06:11,759  
so you're being raised on the lock

132  
00:06:15,189 --> 00:06:14,639  
uh first of all have you ever seen it or

133  
00:06:18,230 --> 00:06:15,199  
you know

134  
00:06:20,309 --> 00:06:18,240  
what association or what interest have

135  
00:06:23,590 --> 00:06:20,319  
you had in this phenomenon

136  
00:06:24,710 --> 00:06:23,600  
well like i explained to you before we

137  
00:06:27,029 --> 00:06:24,720  
came on air

138  
00:06:29,830 --> 00:06:27,039

growing up there you don't truly

139

00:06:32,790 --> 00:06:29,840

appreciate what's on your own doorstep

140

00:06:34,790 --> 00:06:32,800

and having moved away later on after i

141

00:06:36,070 --> 00:06:34,800

left school went to the army now down in

142

00:06:39,510 --> 00:06:36,080

glasgow

143

00:06:40,950 --> 00:06:39,520

i do see the appeal of the walk i do see

144

00:06:42,469 --> 00:06:40,960

the attraction now but when i was

145

00:06:44,309 --> 00:06:42,479

growing up there

146

00:06:46,390 --> 00:06:44,319

i always had it in the back in my mind

147

00:06:47,670 --> 00:06:46,400

that we were dealing with some kind of

148

00:06:50,629 --> 00:06:47,680

plazious or

149

00:06:51,670 --> 00:06:50,639

the long neck the flippers the kind of

150

00:06:54,390 --> 00:06:51,680

dinosaur

151  
00:06:55,270 --> 00:06:54,400  
looking monster that a lot of people

152  
00:06:58,469 --> 00:06:55,280  
associate

153  
00:07:01,749 --> 00:06:58,479  
with the lock over the years though

154  
00:07:04,710 --> 00:07:01,759  
i have changed my opinion on that

155  
00:07:05,990 --> 00:07:04,720  
and i think that we're looking at

156  
00:07:09,670 --> 00:07:06,000  
something

157  
00:07:10,390 --> 00:07:09,680  
as weird and as bizarre as skinwalker

158  
00:07:13,749 --> 00:07:10,400  
ranch

159  
00:07:15,830 --> 00:07:13,759  
over in the us because it's not just one

160  
00:07:17,909 --> 00:07:15,840  
type of entity it's not just this one

161  
00:07:20,550 --> 00:07:17,919  
crypt that you get appear in their

162  
00:07:21,430 --> 00:07:20,560  
lawn and there's various descriptions of

163  
00:07:23,909 --> 00:07:21,440

the same

164

00:07:25,270 --> 00:07:23,919

water entity then you've got stories

165

00:07:28,309 --> 00:07:25,280

about bigfoot

166

00:07:29,110 --> 00:07:28,319

other creatures around the world and i

167

00:07:31,430 --> 00:07:29,120

don't think

168

00:07:33,510 --> 00:07:31,440

we can get away from the fact that

169

00:07:36,230 --> 00:07:33,520

aleister crowley

170

00:07:37,110 --> 00:07:36,240

and everyone's heard of him right and he

171

00:07:39,350 --> 00:07:37,120

selected

172

00:07:41,110 --> 00:07:39,360

loch ness and buleskin house out of

173

00:07:41,909 --> 00:07:41,120

anywhere in the world he's a very rich

174

00:07:43,749 --> 00:07:41,919

man

175

00:07:45,309 --> 00:07:43,759

but when he decided he was going to open

176

00:07:48,150 --> 00:07:45,319

a portal he

177

00:07:50,150 --> 00:07:48,160

specifically chose loch ness and

178

00:07:52,070 --> 00:07:50,160

boleskin house to do it

179

00:07:53,430 --> 00:07:52,080

and i think there was a reason for that

180

00:07:56,550 --> 00:07:53,440

i can't ever prove it

181

00:07:58,869 --> 00:07:56,560

i speculate that that area

182

00:08:00,950 --> 00:07:58,879

in the islands for whatever reason maybe

183

00:08:04,070 --> 00:08:00,960

lay lines i don't know one

184

00:08:06,710 --> 00:08:04,080

but it's almost like a natural vortex

185

00:08:08,629 --> 00:08:06,720

a natural portal and it's not the same

186

00:08:10,710 --> 00:08:08,639

as skin walker ranch

187

00:08:12,309 --> 00:08:10,720

but it's similar because there's high

188

00:08:15,670 --> 00:08:12,319

strangeness of

189

00:08:18,550 --> 00:08:15,680

various degrees you know

190

00:08:19,749 --> 00:08:18,560

what you talk about is very similar what

191

00:08:22,309 --> 00:08:19,759

uh

192

00:08:23,510 --> 00:08:22,319

nick redford and i had discussed several

193

00:08:25,830 --> 00:08:23,520

times

194

00:08:27,990 --> 00:08:25,840

he believes crowley may actually have

195

00:08:31,589 --> 00:08:28,000

been involved with

196

00:08:33,430 --> 00:08:31,599

uh some of the uh some of the sightings

197

00:08:34,709 --> 00:08:33,440

i mean as far as maybe opening up a

198

00:08:37,029 --> 00:08:34,719

portal

199

00:08:37,829 --> 00:08:37,039

uh i mean he has other theories as well

200

00:08:42,070 --> 00:08:37,839

but he he's

201  
00:08:44,310 --> 00:08:42,080  
he feels very strong about uh

202  
00:08:45,350 --> 00:08:44,320  
nessie actually being a supernatural

203  
00:08:47,829 --> 00:08:45,360  
being

204  
00:08:49,430 --> 00:08:47,839  
that's coming through possibly coming

205  
00:08:52,310 --> 00:08:49,440  
through some type of intervention

206  
00:08:54,710 --> 00:08:52,320  
interdimensional portal uh what are your

207  
00:08:57,750 --> 00:08:54,720  
thoughts on that

208  
00:09:01,350 --> 00:08:57,760  
i am big fan of nick redfern uh

209  
00:09:01,750 --> 00:09:01,360  
absolute legend i love reading what he

210  
00:09:05,350 --> 00:09:01,760  
has

211  
00:09:07,910 --> 00:09:05,360  
to say about loch ness and um

212  
00:09:09,190 --> 00:09:07,920  
i think we're dealing with something

213  
00:09:11,990 --> 00:09:09,200

very specific

214

00:09:12,389 --> 00:09:12,000

and it's called a kelpie now if you look

215

00:09:15,590 --> 00:09:12,399

at what

216

00:09:18,790 --> 00:09:15,600

kelpie is that is a shape-shifting

217

00:09:20,949 --> 00:09:18,800

water entity and it's found

218

00:09:23,350 --> 00:09:20,959

in and around the locks or as you guys

219

00:09:25,750 --> 00:09:23,360

would call it the lakes of scotland

220

00:09:27,990 --> 00:09:25,760

it's not just loch ness there's a kind

221

00:09:29,110 --> 00:09:28,000

of nessy story attached to it we've got

222

00:09:31,110 --> 00:09:29,120

lokmore

223

00:09:32,470 --> 00:09:31,120

as well morag that's the name of the

224

00:09:34,470 --> 00:09:32,480

monster there

225

00:09:36,870 --> 00:09:34,480

and the reason i think it's this entity

226

00:09:38,949 --> 00:09:36,880

lawn is that one of the

227

00:09:41,190 --> 00:09:38,959

characteristics of the kelpie is that

228

00:09:44,389 --> 00:09:41,200

it's a shape shifter

229

00:09:45,350 --> 00:09:44,399

and it's often depicted as a horse so

230

00:09:46,870 --> 00:09:45,360

we've had

231

00:09:48,230 --> 00:09:46,880

loads of sightings that you'll be

232

00:09:49,030 --> 00:09:48,240

familiar with we've got the old

233

00:09:51,430 --> 00:09:49,040

surgeon's

234

00:09:53,350 --> 00:09:51,440

photo whether it was fake or real

235

00:09:55,509 --> 00:09:53,360

everyone can picture that

236

00:09:57,430 --> 00:09:55,519

we've seen the humps we've seen various

237

00:09:58,470 --> 00:09:57,440

photos of something in the lock over the

238

00:10:00,949 --> 00:09:58,480

years but

239

00:10:01,910 --> 00:10:00,959

my family if i take you back around the

240

00:10:05,750 --> 00:10:01,920

time of

241

00:10:08,630 --> 00:10:05,760

world war one and one of my

242

00:10:10,470 --> 00:10:08,640

relatives was involved in a very famous

243

00:10:12,870 --> 00:10:10,480

sighting indeed and we only found out it

244

00:10:14,949 --> 00:10:12,880

was a famous sighting recently

245

00:10:16,230 --> 00:10:14,959

because my brother started to track back

246

00:10:18,710 --> 00:10:16,240

the family tree

247

00:10:19,910 --> 00:10:18,720

and he came across old newspaper

248

00:10:22,949 --> 00:10:19,920

cuttings

249

00:10:24,550 --> 00:10:22,959

of the sighting that my family we always

250

00:10:26,630 --> 00:10:24,560

tell this story

251  
00:10:28,389 --> 00:10:26,640  
and the story as i remember it when i

252  
00:10:30,710 --> 00:10:28,399  
was growing up was that

253  
00:10:32,949 --> 00:10:30,720  
my great great grandfather probably

254  
00:10:35,750 --> 00:10:32,959  
another great on the top of that

255  
00:10:37,269 --> 00:10:35,760  
going fishing going playing one day and

256  
00:10:39,670 --> 00:10:37,279  
i remember it was going to work

257  
00:10:41,750 --> 00:10:39,680  
it turns out they're a lot younger but

258  
00:10:45,590 --> 00:10:41,760  
they were down at the mouth of the walk

259  
00:10:46,870 --> 00:10:45,600  
and what they'd seen was a horse-like

260  
00:10:50,150 --> 00:10:46,880  
figure

261  
00:10:51,910 --> 00:10:50,160  
coming down off the hill then i just

262  
00:10:54,630 --> 00:10:51,920  
walked straight into the water

263  
00:10:56,310 --> 00:10:54,640

and continued down until it submerged

264

00:10:58,230 --> 00:10:56,320

into the water

265

00:10:59,509 --> 00:10:58,240

so here we have something completely

266

00:11:02,389 --> 00:10:59,519

different

267

00:11:03,110 --> 00:11:02,399

we have this on land entity going into

268

00:11:05,269 --> 00:11:03,120

the water

269

00:11:06,710 --> 00:11:05,279

and then you've got all the the various

270

00:11:09,990 --> 00:11:06,720

monster sightings long

271

00:11:10,710 --> 00:11:10,000

neck no long neck my mum's she's seen

272

00:11:12,870 --> 00:11:10,720

something

273

00:11:13,750 --> 00:11:12,880

it was like um she described it as like

274

00:11:15,990 --> 00:11:13,760

a whale

275

00:11:17,110 --> 00:11:16,000

something large under the water no big

276  
00:11:19,670 --> 00:11:17,120  
humps

277  
00:11:20,470 --> 00:11:19,680  
so i think the way that you can bring

278  
00:11:23,269 --> 00:11:20,480  
all of these

279  
00:11:25,030 --> 00:11:23,279  
various descriptions together is if

280  
00:11:26,389 --> 00:11:25,040  
we're potentially dealing with

281  
00:11:29,190 --> 00:11:26,399  
shape-shifting

282  
00:11:31,269 --> 00:11:29,200  
paranormal entity and if it's scotland

283  
00:11:34,870 --> 00:11:31,279  
i'm going to go for the kelpie

284  
00:11:35,430 --> 00:11:34,880  
definitely one that's interesting you

285  
00:11:38,069 --> 00:11:35,440  
know i don't

286  
00:11:39,350 --> 00:11:38,079  
really believe i've ever heard that that

287  
00:11:40,870 --> 00:11:39,360  
theory before

288  
00:11:43,350 --> 00:11:40,880

though you know when you hear about the

289

00:11:47,190 --> 00:11:43,360

kelpie you think about this

290

00:11:48,310 --> 00:11:47,200

horse-shaped cryptid or shape-shifter or

291

00:11:52,069 --> 00:11:48,320

whatever

292

00:11:54,790 --> 00:11:52,079

that people would jump on top of and

293

00:11:57,110 --> 00:11:54,800

go into the lake or the water and and

294

00:11:59,269 --> 00:11:57,120

drown on top of this creature i mean you

295

00:12:01,910 --> 00:11:59,279

know that's what it's supposed to be

296

00:12:03,110 --> 00:12:01,920

uh the lore behind it the legend behind

297

00:12:04,629 --> 00:12:03,120

it

298

00:12:06,470 --> 00:12:04,639

i'll give you a description here this

299

00:12:10,069 --> 00:12:06,480

comes from historic

300

00:12:13,190 --> 00:12:10,079

uk the kelp is a shape-shifting aquatic

301  
00:12:15,190 --> 00:12:13,200  
spirit of scottish legend

302  
00:12:17,190 --> 00:12:15,200  
and its name may derive from the

303  
00:12:20,310 --> 00:12:17,200  
scottish gaelic words

304  
00:12:23,030 --> 00:12:20,320  
kael pick or culprit meaning hefer

305  
00:12:24,310 --> 00:12:23,040  
or colt and kelpies are said to haunt

306  
00:12:27,350 --> 00:12:24,320  
rivers and streams

307  
00:12:29,269 --> 00:12:27,360  
usually in the shape of a horse

308  
00:12:30,949 --> 00:12:29,279  
and i know it might be a stretch for

309  
00:12:33,829 --> 00:12:30,959  
some people out there to say well

310  
00:12:35,350 --> 00:12:33,839  
that's not the loch ness monster kev but

311  
00:12:41,110 --> 00:12:35,360  
this is a shape-shifting

312  
00:12:45,829 --> 00:12:44,870  
yeah um now if you go back to the

313  
00:12:53,910 --> 00:12:45,839

history of

314

00:12:57,350 --> 00:12:53,920

messi um this goes back to the irish

315

00:13:00,949 --> 00:12:57,360

saint saint columba and uh

316

00:13:02,710 --> 00:13:00,959

apparently he had threatened threatened

317

00:13:05,509 --> 00:13:02,720

this beast to

318

00:13:06,470 --> 00:13:05,519

not hurt or attack an individual

319

00:13:10,230 --> 00:13:06,480

computer

320

00:13:13,030 --> 00:13:10,240

he'd sent one of his um one of his hands

321

00:13:14,389 --> 00:13:13,040

across the lock to fetch a boat and on

322

00:13:18,150 --> 00:13:14,399

his way across the walk

323

00:13:18,829 --> 00:13:18,160

and he was met by this great leviathan

324

00:13:22,069 --> 00:13:18,839

type

325

00:13:24,949 --> 00:13:22,079

monster and the priest

326

00:13:25,509 --> 00:13:24,959

prayed it down crammed it down subdued

327

00:13:28,550 --> 00:13:25,519

it

328

00:13:29,030 --> 00:13:28,560

now i i i i get what people are gonna

329

00:13:33,590 --> 00:13:29,040

say

330

00:13:35,509 --> 00:13:33,600

convenient way to scare the light

331

00:13:37,750 --> 00:13:35,519

to get them to turn away from their

332

00:13:40,550 --> 00:13:37,760

druidic pictures way

333

00:13:41,750 --> 00:13:40,560

and come to christianity i totally

334

00:13:43,590 --> 00:13:41,760

appreciate that

335

00:13:45,350 --> 00:13:43,600

i'm not naive there certainly could be

336

00:13:48,949 --> 00:13:45,360

an element to that

337

00:13:52,150 --> 00:13:48,959

i also sent you something today an image

338

00:13:55,189 --> 00:13:52,160

um of a carving on a stone

339

00:13:58,629 --> 00:13:55,199

that was found by loch ness

340

00:13:59,110 --> 00:13:58,639

and near archer castle and what you see

341

00:14:02,870 --> 00:13:59,120

on

342

00:14:06,550 --> 00:14:02,880

it's something very serpent

343

00:14:08,470 --> 00:14:06,560

like at the top and then there's a line

344

00:14:09,750 --> 00:14:08,480

going through the middle of it and then

345

00:14:11,509 --> 00:14:09,760

at the bottom you've got two

346

00:14:14,389 --> 00:14:11,519

interconnecting

347

00:14:15,110 --> 00:14:14,399

circles now the pects they were always

348

00:14:18,150 --> 00:14:15,120

drawing

349

00:14:19,990 --> 00:14:18,160

circles circles within circles but i

350

00:14:23,590 --> 00:14:20,000

think the interesting thing

351  
00:14:24,470 --> 00:14:23,600  
is the snake-like creature scotland is

352  
00:14:27,750 --> 00:14:24,480  
not known for

353  
00:14:29,910 --> 00:14:27,760  
any crazy snakes one

354  
00:14:31,430 --> 00:14:29,920  
it's not we're stepping over snakes

355  
00:14:33,030 --> 00:14:31,440  
everywhere we go

356  
00:14:34,629 --> 00:14:33,040  
so what was it they were trying to

357  
00:14:36,310 --> 00:14:34,639  
depict

358  
00:14:38,150 --> 00:14:36,320  
you know if you look at that stone

359  
00:14:41,590 --> 00:14:38,160  
slightly in a different way

360  
00:14:42,710 --> 00:14:41,600  
you see a long neck and then you see a

361  
00:14:45,030 --> 00:14:42,720  
hump

362  
00:14:46,150 --> 00:14:45,040  
above the line and i was wondering you

363  
00:14:48,389 --> 00:14:46,160

know i was thinking to myself

364

00:14:49,910 --> 00:14:48,399

i wonder if that's meant to be the

365

00:14:53,750 --> 00:14:49,920

surface of the water

366

00:14:57,430 --> 00:14:53,760

that's what i would think yeah yeah so

367

00:15:00,949 --> 00:14:57,440

the pects before saint columba got there

368

00:15:02,310 --> 00:15:00,959

they were already leaving messages in

369

00:15:04,550 --> 00:15:02,320

stone

370

00:15:05,990 --> 00:15:04,560

about something significant enough lawn

371

00:15:08,629 --> 00:15:06,000

to go and carve

372

00:15:10,790 --> 00:15:08,639

this magnificent piece of work here you

373

00:15:15,829 --> 00:15:10,800

know

374

00:15:18,710 --> 00:15:15,839

place called

375

00:15:19,509 --> 00:15:18,720

balnahan house and it's near drum the

376

00:15:21,829 --> 00:15:19,519

rocket

377

00:15:22,949 --> 00:15:21,839

oh i know what you're talking about yes

378

00:15:25,269 --> 00:15:22,959

right everyone

379

00:15:26,389 --> 00:15:25,279

thinks of the castle on loch ness that's

380

00:15:28,629 --> 00:15:26,399

akirt castle

381

00:15:29,990 --> 00:15:28,639

that's from the rocket right there and

382

00:15:32,230 --> 00:15:30,000

then stone was

383

00:15:33,350 --> 00:15:32,240

just at one of the houses on the banks

384

00:15:36,230 --> 00:15:33,360

of loch ness

385

00:15:38,069 --> 00:15:36,240

and as i was telling you before the show

386

00:15:40,230 --> 00:15:38,079

there's a strong

387

00:15:41,590 --> 00:15:40,240

peckish connection up there were clever

388

00:15:43,030 --> 00:15:41,600

cairns right

389

00:15:45,350 --> 00:15:43,040

a lot of people listening probably

390

00:15:46,870 --> 00:15:45,360

watched the tv show outlander

391

00:15:48,470 --> 00:15:46,880

and then they've got the stone and

392

00:15:51,590 --> 00:15:48,480

that's a stargate

393

00:15:54,069 --> 00:15:51,600

but well that's maybe i don't know 10 15

394

00:15:56,069 --> 00:15:54,079

minutes drive from loch ness

395

00:15:57,189 --> 00:15:56,079

but one of the things that most people

396

00:15:59,269 --> 00:15:57,199

don't know

397

00:16:00,629 --> 00:15:59,279

about loch ness is that not only does it

398

00:16:03,670 --> 00:16:00,639

have a monster in there

399

00:16:07,110 --> 00:16:03,680

allegedly but did you know lon

400

00:16:10,550 --> 00:16:07,120

that there are concentric

401  
00:16:13,749 --> 00:16:10,560  
stone circles 70 feet below

402  
00:16:16,550 --> 00:16:13,759  
the surface of loch ness and they were

403  
00:16:19,189 --> 00:16:16,560  
back i only them is thanks to nick

404  
00:16:22,790 --> 00:16:19,199  
redfern actually that i heard about this

405  
00:16:26,470 --> 00:16:22,800  
um it was a mit professor called

406  
00:16:29,829 --> 00:16:26,480  
marty klein he was the inventor of the

407  
00:16:30,949 --> 00:16:29,839  
side scan sonar he helped find titanic

408  
00:16:32,550 --> 00:16:30,959  
things like that

409  
00:16:34,310 --> 00:16:32,560  
and when he went looking for the lock

410  
00:16:37,350 --> 00:16:34,320  
and it was an mit

411  
00:16:39,189 --> 00:16:37,360  
study that was done in the 70s and they

412  
00:16:41,189 --> 00:16:39,199  
seen a couple of interesting things they

413  
00:16:42,470 --> 00:16:41,199

got photographs but the thing that blew

414

00:16:44,310 --> 00:16:42,480

everyone away

415

00:16:46,550 --> 00:16:44,320

was something that went on to be called

416

00:16:49,749 --> 00:16:46,560

klein eng

417

00:16:50,710 --> 00:16:49,759

and like i say 70 feet below the surface

418

00:16:53,829 --> 00:16:50,720

you had

419

00:16:56,870 --> 00:16:53,839

four or five massive stone

420

00:17:00,150 --> 00:16:56,880

circular monuments very similar

421

00:17:02,870 --> 00:17:00,160

to what is nearby at clavichairns

422

00:17:04,789 --> 00:17:02,880

now that hints that way back in the day

423

00:17:08,230 --> 00:17:04,799

then around the fifth

424

00:17:11,669 --> 00:17:08,240

sixth a.d that the level of the lock was

425

00:17:15,350 --> 00:17:11,679

substantially lower there was obviously

426  
00:17:15,990 --> 00:17:15,360  
human activity that is now under water

427  
00:17:17,350 --> 00:17:16,000  
but

428  
00:17:19,189 --> 00:17:17,360  
you know what's really strange about

429  
00:17:21,429 --> 00:17:19,199  
that storyline

430  
00:17:22,630 --> 00:17:21,439  
you would think all of the locals would

431  
00:17:26,150 --> 00:17:22,640  
know

432  
00:17:30,470 --> 00:17:26,160  
about the occasion when an american team

433  
00:17:32,630 --> 00:17:30,480  
of scientists came to the lock 1976

434  
00:17:34,630 --> 00:17:32,640  
it was the year i was born it was a

435  
00:17:36,470 --> 00:17:34,640  
record hot summer that year

436  
00:17:37,669 --> 00:17:36,480  
so it was already a summer that stood

437  
00:17:40,710 --> 00:17:37,679  
out

438  
00:17:42,390 --> 00:17:40,720

no locals have any idea everyone i speak

439

00:17:43,830 --> 00:17:42,400

to

440

00:17:47,270 --> 00:17:43,840

they've got no idea what i'm talking

441

00:17:49,430 --> 00:17:47,280

about when i tell them about kleinhenge

442

00:17:51,190 --> 00:17:49,440

now that for me just adds a level of

443

00:17:52,789 --> 00:17:51,200

weirdness to it because it's a small

444

00:17:55,270 --> 00:17:52,799

community up there

445

00:17:56,870 --> 00:17:55,280

and you'd imagine if this had been a

446

00:17:58,950 --> 00:17:56,880

story at the time and i'm not saying it

447

00:18:02,470 --> 00:17:58,960

wasn't a story at the time

448

00:18:04,470 --> 00:18:02,480

but for some reason it got down played

449

00:18:06,630 --> 00:18:04,480

when the information went to the

450

00:18:08,789 --> 00:18:06,640

university of edinburgh

451  
00:18:09,909 --> 00:18:08,799  
and when the scientists from mit went

452  
00:18:12,630 --> 00:18:09,919  
home

453  
00:18:13,590 --> 00:18:12,640  
all talk of any stone circles in loch

454  
00:18:17,510 --> 00:18:13,600  
ness

455  
00:18:20,070 --> 00:18:17,520  
was clamped down on it just disappears

456  
00:18:21,350 --> 00:18:20,080  
nobody wants to talk about it it's a

457  
00:18:24,230 --> 00:18:21,360  
weird one

458  
00:18:26,230 --> 00:18:24,240  
yeah it is unusual yeah but i read from

459  
00:18:26,870 --> 00:18:26,240  
big shout out to nick he had wrote about

460  
00:18:33,669 --> 00:18:26,880  
that

461  
00:18:34,549 --> 00:18:33,679  
up again if you look below the serpent

462  
00:18:36,789 --> 00:18:34,559  
um

463  
00:18:39,350 --> 00:18:36,799

and the two circles connected you know

464

00:18:43,830 --> 00:18:39,360

that almost looks like a wormhole to me

465

00:18:45,669 --> 00:18:43,840

yeah i mean i often look at these um

466

00:18:47,270 --> 00:18:45,679

pictograms and things like that

467

00:18:49,830 --> 00:18:47,280

petroglyph and and

468

00:18:51,510 --> 00:18:49,840

it does you can definitely see a portal

469

00:18:54,150 --> 00:18:51,520

type

470

00:18:55,990 --> 00:18:54,160

our minds think portal one whether the

471

00:18:59,029 --> 00:18:56,000

pects who are depicting a portal

472

00:18:59,909 --> 00:18:59,039

or not it's for our interpretation isn't

473

00:19:03,430 --> 00:18:59,919

it

474

00:19:04,470 --> 00:19:03,440

yeah yeah that's interesting i had never

475

00:19:06,549 --> 00:19:04,480

seen that before

476

00:19:08,470 --> 00:19:06,559

um see i think you put all of these

477

00:19:09,510 --> 00:19:08,480

things together and remember aleister

478

00:19:12,630 --> 00:19:09,520

crowley was

479

00:19:15,350 --> 00:19:12,640

like reading manuscripts and

480

00:19:16,950 --> 00:19:15,360

books that the general public we don't

481

00:19:18,630 --> 00:19:16,960

get access to

482

00:19:21,029 --> 00:19:18,640

so potentially and again it's

483

00:19:23,669 --> 00:19:21,039

speculatory but potentially he read

484

00:19:26,470 --> 00:19:23,679

about some ancient knowledge

485

00:19:27,590 --> 00:19:26,480

ancient information about perhaps a

486

00:19:29,909 --> 00:19:27,600

known portal

487

00:19:31,430 --> 00:19:29,919

up in that area and if you're gonna do a

488

00:19:33,029 --> 00:19:31,440

magic working where you're trying to

489

00:19:34,789 --> 00:19:33,039

open a portal

490

00:19:36,830 --> 00:19:34,799

i don't know i'm not a master magician

491

00:19:39,430 --> 00:19:36,840

but that'd be the perfect place to go

492

00:19:41,830 --> 00:19:39,440

right well i tell you if anybody has

493

00:19:43,990 --> 00:19:41,840

watched like you said outlander i mean

494

00:19:45,830 --> 00:19:44,000

you know you've got the portal in the

495

00:19:48,070 --> 00:19:45,840

stone circle and other odd

496

00:19:49,270 --> 00:19:48,080

things going on when she travels back in

497

00:19:52,390 --> 00:19:49,280

time

498

00:19:54,710 --> 00:19:52,400

and uh you know it well you know the

499

00:19:57,029 --> 00:19:54,720

whole show itself

500

00:19:58,710 --> 00:19:57,039

uh just like the colladen scene i that

501  
00:20:01,190 --> 00:19:58,720  
fascinated me

502  
00:20:03,029 --> 00:20:01,200  
and uh you know i have heard for years

503  
00:20:04,630 --> 00:20:03,039  
about colladen

504  
00:20:06,230 --> 00:20:04,640  
uh for those who don't know where

505  
00:20:09,909 --> 00:20:06,240  
colladen is it's it's

506  
00:20:10,789 --> 00:20:09,919  
just east of inverness which is the

507  
00:20:15,350 --> 00:20:10,799  
northern

508  
00:20:18,789 --> 00:20:15,360  
uh part of uh draw a triangle between

509  
00:20:21,029 --> 00:20:18,799  
loch ness colladen and clavic irons

510  
00:20:22,549 --> 00:20:21,039  
where the standing stones are is that

511  
00:20:26,950 --> 00:20:22,559  
right yeah

512  
00:20:29,830 --> 00:20:26,960  
yeah colloden battlefield

513  
00:20:30,630 --> 00:20:29,840

that same like gettysburg i would

514

00:20:33,510 --> 00:20:30,640

imagine

515

00:20:34,230 --> 00:20:33,520

yeah it's a feeling it's just an

516

00:20:37,909 --> 00:20:34,240

atmosphere

517

00:20:40,630 --> 00:20:37,919

you know even to this day everybody who

518

00:20:43,830 --> 00:20:40,640

i have talked to who has been there

519

00:20:46,710 --> 00:20:43,840

has been greatly affected by um

520

00:20:48,630 --> 00:20:46,720

the energy there is like they state and

521

00:20:52,470 --> 00:20:48,640

like i feel when i go to gettysburg

522

00:20:55,909 --> 00:20:52,480

it's palpable yeah uh you know there's

523

00:20:57,750 --> 00:20:55,919

people here hear things uh i i know the

524

00:21:00,310 --> 00:20:57,760

one monument

525

00:21:01,510 --> 00:21:00,320

uh the rule the tower monument that's

526  
00:21:05,909 --> 00:21:01,520  
there

527  
00:21:08,390 --> 00:21:05,919  
lot of other strange

528  
00:21:10,149 --> 00:21:08,400  
phenomena basically the places on you

529  
00:21:13,590 --> 00:21:10,159  
know the battlefield itself

530  
00:21:14,310 --> 00:21:13,600  
was a more wasn't it yeah yeah just a

531  
00:21:16,710 --> 00:21:14,320  
big long

532  
00:21:18,230 --> 00:21:16,720  
field and then you know there's the

533  
00:21:21,590 --> 00:21:18,240  
reports of people

534  
00:21:25,190 --> 00:21:21,600  
hearing like the battle is still going

535  
00:21:29,110 --> 00:21:25,200  
people they report smelling you know

536  
00:21:31,510 --> 00:21:29,120  
the smells it's yeah

537  
00:21:32,390 --> 00:21:31,520  
i wonder what causes that lawn i think

538  
00:21:35,110 --> 00:21:32,400

all of that

539

00:21:36,789 --> 00:21:35,120  
trauma all that bloodshed in one

540

00:21:40,230 --> 00:21:36,799  
location in a short period of

541

00:21:41,510 --> 00:21:40,240  
time it just it it scars the place

542

00:21:44,149 --> 00:21:41,520  
doesn't it

543

00:21:44,789 --> 00:21:44,159  
yeah i tell you you know like i i have

544

00:21:48,630 --> 00:21:44,799  
talked about

545

00:21:51,909 --> 00:21:48,640  
so many times before you know with uh

546

00:21:54,549 --> 00:21:51,919  
with my experiences at gettysburg it's

547

00:21:56,230 --> 00:21:54,559  
uh and i i've been to other battlefields

548

00:21:59,990 --> 00:21:56,240  
where i've experienced it as well i

549

00:22:01,590 --> 00:22:00,000  
tatum and especially because of the the

550

00:22:03,270 --> 00:22:01,600  
large amount of death that occurred

551

00:22:06,710 --> 00:22:03,280

there uh

552

00:22:10,070 --> 00:22:06,720

these these places get imprinted

553

00:22:13,110 --> 00:22:10,080

and uh i mean for many centuries now

554

00:22:13,830 --> 00:22:13,120

colladen was that was back in the 18th

555

00:22:17,029 --> 00:22:13,840

century

556

00:22:17,909 --> 00:22:17,039

and uh you know with the uh the jack of

557

00:22:21,190 --> 00:22:17,919

bites

558

00:22:24,149 --> 00:22:21,200

fighting the uh fighting the british and

559

00:22:27,029 --> 00:22:24,159

uh you know the amount of death and

560

00:22:29,430 --> 00:22:27,039

destruction that cause cause there

561

00:22:30,789 --> 00:22:29,440

i'm quite sure imprinted the the whole

562

00:22:33,590 --> 00:22:30,799

area

563

00:22:34,789 --> 00:22:33,600

yeah um for augustus there's uh the

564

00:22:36,230 --> 00:22:34,799

kings in

565

00:22:38,830 --> 00:22:36,240

bed and breakfast and that's where

566

00:22:41,669 --> 00:22:38,840

bonnie and charlie actually hid

567

00:22:43,110 --> 00:22:41,679

um yeah when he was on his way when he

568

00:22:45,909 --> 00:22:43,120

was on the run

569

00:22:48,870 --> 00:22:45,919

so you've got a lot of history up there

570

00:22:52,789 --> 00:22:48,880

as well as the loch ness thing going on

571

00:22:56,630 --> 00:22:52,799

um hauntings you've got people that

572

00:22:59,990 --> 00:22:56,640

partake in ouija boards and it goes

573

00:23:02,630 --> 00:23:00,000

crazy totally crazy and now

574

00:23:04,630 --> 00:23:02,640

you've got the whole um spectacle of

575

00:23:06,830 --> 00:23:04,640

buleskin house been turned into a

576

00:23:11,029 --> 00:23:06,840

spiritual retreat

577

00:23:13,830 --> 00:23:11,039

where the teachings of aleister crowley

578

00:23:15,990 --> 00:23:13,840

are allegedly going to be taught again

579

00:23:19,590 --> 00:23:16,000

rituals will be carried out

580

00:23:23,750 --> 00:23:19,600

you know i read that recently yeah

581

00:23:25,990 --> 00:23:23,760

the locals are up in arms and then

582

00:23:27,830 --> 00:23:26,000

people that are restoring the property

583

00:23:29,830 --> 00:23:27,840

the bulescan foundation

584

00:23:31,430 --> 00:23:29,840

they made a big song and dance about how

585

00:23:32,310 --> 00:23:31,440

well we're nothing to do with aleister

586

00:23:34,710 --> 00:23:32,320

crowley

587

00:23:36,070 --> 00:23:34,720

we just want to restore this once great

588

00:23:39,190 --> 00:23:36,080

edwardian property

589

00:23:40,310 --> 00:23:39,200

that's but it's once glory all right

590

00:23:41,830 --> 00:23:40,320

fair enough

591

00:23:43,669 --> 00:23:41,840

but then you find out that one of the

592

00:23:46,230 --> 00:23:43,679

people on the bellescan

593

00:23:47,990 --> 00:23:46,240

foundation board he's written books

594

00:23:51,110 --> 00:23:48,000

about aleister crowley

595

00:23:53,750 --> 00:23:51,120

right so you know and then i think the

596

00:23:55,830 --> 00:23:53,760

locals because they're still uh

597

00:23:57,909 --> 00:23:55,840

you've got the free presbyterian church

598

00:23:59,909 --> 00:23:57,919

up there and still

599

00:24:02,070 --> 00:23:59,919

quite religious for the the times we're

600

00:24:02,950 --> 00:24:02,080

living in now on when you when i think

601  
00:24:04,870 --> 00:24:02,960  
about it

602  
00:24:06,549 --> 00:24:04,880  
and they're obviously that they're up in

603  
00:24:08,470 --> 00:24:06,559  
arms so

604  
00:24:09,909 --> 00:24:08,480  
yeah we'll see how this goes but not one

605  
00:24:13,190 --> 00:24:09,919  
but two fires

606  
00:24:16,549 --> 00:24:13,200  
at burlesque and house right

607  
00:24:18,950 --> 00:24:16,559  
yeah yeah i remember the time when uh

608  
00:24:20,230 --> 00:24:18,960  
jimmy page led zeppelin owned the place

609  
00:24:21,909 --> 00:24:20,240  
and they were

610  
00:24:23,750 --> 00:24:21,919  
i guess they had a retreat there

611  
00:24:25,430 --> 00:24:23,760  
occasionally but uh

612  
00:24:27,909 --> 00:24:25,440  
there was a lot of controversy about

613  
00:24:29,669 --> 00:24:27,919

that as well

614

00:24:31,190 --> 00:24:29,679

yeah a couple of people that owned that

615

00:24:33,190 --> 00:24:31,200

and they took their own lives

616

00:24:34,390 --> 00:24:33,200

i was reading about that i am not

617

00:24:37,269 --> 00:24:34,400

actually

618

00:24:38,390 --> 00:24:37,279

but i went there with my brother and our

619

00:24:42,630 --> 00:24:38,400

friend

620

00:24:45,750 --> 00:24:42,640

it was um 2016 just after the first fire

621

00:24:46,549 --> 00:24:45,760

we went in there like i don't know zach

622

00:24:48,710 --> 00:24:46,559

begins the

623

00:24:50,310 --> 00:24:48,720

ghost hunters or something charging in

624

00:24:52,310 --> 00:24:50,320

there thought we were uh

625

00:24:54,630 --> 00:24:52,320

we thought we knew what we were doing

626  
00:24:57,269 --> 00:24:54,640  
calling out spirits and

627  
00:24:57,990 --> 00:24:57,279  
you know long within six months of me my

628  
00:25:01,350 --> 00:24:58,000  
brother

629  
00:25:03,830 --> 00:25:01,360  
and my friend doing that all three of us

630  
00:25:05,350 --> 00:25:03,840  
i had a couple of heart attacks and he

631  
00:25:06,870 --> 00:25:05,360  
had something going on with his health

632  
00:25:08,230 --> 00:25:06,880  
my friend and something was health as

633  
00:25:10,549 --> 00:25:08,240  
well

634  
00:25:12,830 --> 00:25:10,559  
and not even just our group because

635  
00:25:16,070 --> 00:25:12,840  
other groups that went there

636  
00:25:18,390 --> 00:25:16,080  
um they all had like

637  
00:25:19,669 --> 00:25:18,400  
i don't want to call it a curse but

638  
00:25:21,990 --> 00:25:19,679

there was like bad luck

639

00:25:24,470 --> 00:25:22,000

bad juju attached itself to people that

640

00:25:26,549 --> 00:25:24,480

were was going near that property

641

00:25:28,310 --> 00:25:26,559

now i know people might say oh come on

642

00:25:30,870 --> 00:25:28,320

kev that's just

643

00:25:32,070 --> 00:25:30,880

your own imagination but it could very

644

00:25:34,310 --> 00:25:32,080

well be

645

00:25:36,230 --> 00:25:34,320

however you can't get away from the fact

646

00:25:38,870 --> 00:25:36,240

that the other thing that we all have in

647

00:25:42,230 --> 00:25:38,880

common apart from having an imagination

648

00:25:45,510 --> 00:25:42,240

is that we all went to belesco house so

649

00:25:52,549 --> 00:25:49,029

i have talked about psychic attacks and

650

00:25:55,110 --> 00:25:52,559

you know people being um

651  
00:25:55,990 --> 00:25:55,120  
having attachments from you know places

652  
00:25:59,110 --> 00:25:56,000  
like where there's

653  
00:26:02,390 --> 00:25:59,120  
lots of uh different energies and

654  
00:26:04,310 --> 00:26:02,400  
uh i'm quite sure the energy there isn't

655  
00:26:07,190 --> 00:26:04,320  
the greatest and if you

656  
00:26:10,149 --> 00:26:07,200  
i guess if you perturb the spirits and i

657  
00:26:13,029 --> 00:26:10,159  
i don't believe in going into a place

658  
00:26:14,710 --> 00:26:13,039  
and and start calling out and agitating

659  
00:26:17,990 --> 00:26:14,720  
crazy law knowledge

660  
00:26:21,430 --> 00:26:20,310  
you know that same i ended up having to

661  
00:26:23,990 --> 00:26:21,440  
get bill

662  
00:26:25,029 --> 00:26:24,000  
to do a kind of deliverance for me yeah

663  
00:26:28,470 --> 00:26:25,039

yeah

664

00:26:29,830 --> 00:26:28,480

admit but

665

00:26:32,230 --> 00:26:29,840

to anyone out there i wouldn't tell

666

00:26:34,390 --> 00:26:32,240

anyone what to do but you know like lon

667

00:26:36,470 --> 00:26:34,400

says you can't go into these places just

668

00:26:37,269 --> 00:26:36,480

half baked you gotta really be prepared

669

00:26:41,190 --> 00:26:37,279

and

670

00:26:46,549 --> 00:26:41,200

don't

671

00:26:48,630 --> 00:26:46,559

yeah it it normally causes problems

672

00:26:49,669 --> 00:26:48,640

at the end of the one right it's like

673

00:26:51,510 --> 00:26:49,679

when people

674

00:26:53,669 --> 00:26:51,520

this is what gets me this is like when

675

00:26:56,630 --> 00:26:53,679

people will come to me

676

00:26:58,230 --> 00:26:56,640

and say look i i have an attachment i

677

00:27:00,310 --> 00:26:58,240

know i've got an attachment i don't know

678

00:27:03,029 --> 00:27:00,320

where i got it from

679

00:27:05,110 --> 00:27:03,039

and the first thing i ask them is uh you

680

00:27:07,029 --> 00:27:05,120

you do paranormal investigations don't

681

00:27:10,149 --> 00:27:07,039

you oh yeah

682

00:27:12,230 --> 00:27:10,159

why why how you know that uh

683

00:27:13,669 --> 00:27:12,240

well you know the problem was you didn't

684

00:27:15,430 --> 00:27:13,679

protect yourself

685

00:27:17,750 --> 00:27:15,440

and you know these people to go into

686

00:27:20,389 --> 00:27:17,760

cemeteries and stuff and start

687

00:27:21,909 --> 00:27:20,399

calling on the spirits that are into a

688

00:27:25,350 --> 00:27:21,919

well-known

689

00:27:27,750 --> 00:27:25,360

uh location that's haunted and start

690

00:27:29,590 --> 00:27:27,760

you know stirring the pot that that's

691

00:27:32,470 --> 00:27:29,600

going to lead to problems i've seen

692

00:27:33,430 --> 00:27:32,480

it so many times yeah you know quite

693

00:27:35,909 --> 00:27:33,440

honestly

694

00:27:36,710 --> 00:27:35,919

and and i joke about it but it's not

695

00:27:39,029 --> 00:27:36,720

funny

696

00:27:39,909 --> 00:27:39,039

i say half the people who have come to

697

00:27:44,230 --> 00:27:39,919

me

698

00:27:46,310 --> 00:27:44,240

issues

699

00:27:47,510 --> 00:27:46,320

or somebody that's involved with the

700

00:27:49,269 --> 00:27:47,520

paranormal

701

00:27:51,990 --> 00:27:49,279

well you know i'm funny you should say

702

00:27:54,789 --> 00:27:52,000

that again shout out to nick redfern

703

00:27:57,909 --> 00:27:54,799

but he had kind of um taken a look at i

704

00:28:00,789 --> 00:27:57,919

think it was a black-eyed kid phenomenon

705

00:28:01,990 --> 00:28:00,799

and one thing that all of the victims

706

00:28:04,470 --> 00:28:02,000

had in common or all

707

00:28:06,389 --> 00:28:04,480

of the witnesses had in common was they

708

00:28:09,110 --> 00:28:06,399

had either recently got into

709

00:28:12,230 --> 00:28:09,120

the occult or the paranormal or they

710

00:28:14,630 --> 00:28:12,240

already had a long time interest in it

711

00:28:16,630 --> 00:28:14,640

so it wasn't something new to them and i

712

00:28:17,190 --> 00:28:16,640

kind of think it's like don't stick your

713

00:28:20,149 --> 00:28:17,200

head too

714

00:28:22,230 --> 00:28:20,159

far above the trenches because then you

715

00:28:24,630 --> 00:28:22,240

must be like a beacon like a light

716

00:28:26,789 --> 00:28:24,640

in that spiritual realm and you're just

717

00:28:29,110 --> 00:28:26,799

lighting them towards you you know

718

00:28:29,830 --> 00:28:29,120

yeah you know it does attract uh it

719

00:28:32,950 --> 00:28:29,840

doesn't crack

720

00:28:34,789 --> 00:28:32,960

problems uh that's for sure um yeah what

721

00:28:35,110 --> 00:28:34,799

you tell me there that doesn't surprise

722

00:28:37,269 --> 00:28:35,120

me

723

00:28:38,630 --> 00:28:37,279

at all you know that's what's

724

00:28:41,909 --> 00:28:38,640

interesting

725

00:28:44,389 --> 00:28:41,919

about uh well you know

726

00:28:45,830 --> 00:28:44,399

great britain england countries of

727

00:28:49,430 --> 00:28:45,840

scotland wales and

728

00:28:53,269 --> 00:28:49,440

ireland you have all these these areas

729

00:28:56,950 --> 00:28:53,279

that have seen a lot of activity

730

00:29:01,750 --> 00:28:56,960

for many centuries you know and even

731

00:29:06,789 --> 00:29:04,870

i i you know people talk about

732

00:29:08,789 --> 00:29:06,799

things that happen in these areas just

733

00:29:10,470 --> 00:29:08,799

like scotland in england

734

00:29:12,230 --> 00:29:10,480

well there's no wonder i mean there's

735

00:29:14,950 --> 00:29:12,240

just so much energy

736

00:29:16,789 --> 00:29:14,960

there so much history we know most of

737

00:29:19,269 --> 00:29:16,799

the history we don't know all of it

738

00:29:21,190 --> 00:29:19,279

but we know some of it and a lot of it

739

00:29:26,630 --> 00:29:21,200

wasn't good

740

00:29:29,669 --> 00:29:26,640

uh you know so um

741

00:29:31,669 --> 00:29:29,679

and everything else and wars

742

00:29:33,750 --> 00:29:31,679

there's a lot of imprints and there's a

743

00:29:35,590 --> 00:29:33,760

lot of energy floating around

744

00:29:37,110 --> 00:29:35,600

big time big things like i was saying to

745

00:29:39,269 --> 00:29:37,120

you as well um

746

00:29:40,230 --> 00:29:39,279

different attitude on this side of the

747

00:29:42,470 --> 00:29:40,240

pond

748

00:29:44,149 --> 00:29:42,480

and when it comes to the reporting of

749

00:29:46,230 --> 00:29:44,159

some of these stories when it's the

750

00:29:47,590 --> 00:29:46,240

bigfoot or loch ness monster or

751  
00:29:50,310 --> 00:29:47,600  
something like that

752  
00:29:51,510 --> 00:29:50,320  
and um i was telling you just recently

753  
00:29:54,310 --> 00:29:51,520  
we had

754  
00:29:55,909 --> 00:29:54,320  
another loch ness monster sighting and

755  
00:29:58,470 --> 00:29:55,919  
i've got a couple of for well we've got

756  
00:30:00,870 --> 00:29:58,480  
an r4 we can take a look at in a moment

757  
00:30:01,669 --> 00:30:00,880  
of one of the the better sightings i

758  
00:30:04,950 --> 00:30:01,679  
think

759  
00:30:05,909 --> 00:30:04,960  
but then we had a guy that allegedly saw

760  
00:30:08,630 --> 00:30:05,919  
a big foot

761  
00:30:09,510 --> 00:30:08,640  
up near inverness as well near colladon

762  
00:30:12,549 --> 00:30:09,520  
actually

763  
00:30:13,750 --> 00:30:12,559

and got hit by a fish and that was in

764

00:30:15,350 --> 00:30:13,760

the local media

765

00:30:16,710 --> 00:30:15,360

that made it into the news and that's

766

00:30:17,430 --> 00:30:16,720

what i was saying to you before the show

767

00:30:19,909 --> 00:30:17,440

isn't it

768

00:30:21,750 --> 00:30:19,919

the same we just kind of talk about it

769

00:30:23,830 --> 00:30:21,760

we take it for granted it's just a part

770

00:30:25,830 --> 00:30:23,840

of life here

771

00:30:28,149 --> 00:30:25,840

and it's just an everyday occurrence

772

00:30:30,870 --> 00:30:28,159

because we've got this big long history

773

00:30:32,789 --> 00:30:30,880

we've got all these things going on and

774

00:30:34,389 --> 00:30:32,799

over in america it doesn't really work

775

00:30:36,230 --> 00:30:34,399

like that it's not the same attitude at

776

00:30:39,990 --> 00:30:36,240

all on is it

777

00:30:42,070 --> 00:30:40,000

no you know we our history is you know

778

00:30:44,710 --> 00:30:42,080

of course there were indigenous people

779

00:30:47,190 --> 00:30:44,720

before us but our known history

780

00:30:48,870 --> 00:30:47,200

is only several centuries and that's it

781

00:30:50,870 --> 00:30:48,880

and um

782

00:30:53,750 --> 00:30:50,880

you know we can understand when we go to

783

00:30:56,230 --> 00:30:53,760

battlefields or places where there were

784

00:30:58,950 --> 00:30:56,240

you know lots of death and such you know

785

00:31:02,230 --> 00:30:58,960

we can understand the energy being there

786

00:31:06,470 --> 00:31:02,240

but as where you are uh

787

00:31:09,029 --> 00:31:06,480

it's just so much that um

788

00:31:09,669 --> 00:31:09,039

you know you people that don't aren't

789

00:31:12,149 --> 00:31:09,679

from there

790

00:31:12,789 --> 00:31:12,159

don't really understand it you know you

791

00:31:17,029 --> 00:31:12,799

talked about

792

00:31:19,190 --> 00:31:17,039

uh bigfoot

793

00:31:20,789 --> 00:31:19,200

and you sit around cladding and around

794

00:31:24,789 --> 00:31:20,799

inverness you know

795

00:31:27,110 --> 00:31:24,799

if there is a bigfoot in scotland

796

00:31:28,470 --> 00:31:27,120

or in the british isles if there is a

797

00:31:30,870 --> 00:31:28,480

bigfoot

798

00:31:33,430 --> 00:31:30,880

there's no doubt to me that it would be

799

00:31:33,990 --> 00:31:33,440

attracted to areas like cladding or loch

800

00:31:37,029 --> 00:31:34,000

ness or

801  
00:31:38,710 --> 00:31:37,039  
areas where there is a lot of spirit

802  
00:31:39,830 --> 00:31:38,720  
energy you know people talk about

803  
00:31:41,669 --> 00:31:39,840  
cryptids

804  
00:31:43,269 --> 00:31:41,679  
here in the united states in north

805  
00:31:46,389 --> 00:31:43,279  
america

806  
00:31:49,350 --> 00:31:46,399  
that seem to be attracted to cemeteries

807  
00:31:50,710 --> 00:31:49,360  
seem to be attracted to areas where

808  
00:31:55,509 --> 00:31:50,720  
there has been death

809  
00:31:58,389 --> 00:31:55,519  
or areas where there is lingering energy

810  
00:31:59,269 --> 00:31:58,399  
i get reports about that all the time

811  
00:32:01,190 --> 00:31:59,279  
now

812  
00:32:02,470 --> 00:32:01,200  
if you're looking into what's going on

813  
00:32:06,070 --> 00:32:02,480

over there if there

814

00:32:08,310 --> 00:32:06,080

are these cryptids in scotland

815

00:32:09,990 --> 00:32:08,320

or british isles why would it you know

816

00:32:12,630 --> 00:32:10,000

why would it be any different why would

817

00:32:14,710 --> 00:32:12,640

they not be attracted to these areas

818

00:32:16,789 --> 00:32:14,720

a very good point and i was saying to

819

00:32:19,110 --> 00:32:16,799

you as well usually the big cats

820

00:32:21,110 --> 00:32:19,120

that's our usual kind of thing that gets

821

00:32:23,509 --> 00:32:21,120

spotted all the time yeah

822

00:32:24,630 --> 00:32:23,519

that bigfoot the alleged bigfoot

823

00:32:27,029 --> 00:32:24,640

sighting that really

824

00:32:28,070 --> 00:32:27,039

caught my attention because here we had

825

00:32:30,070 --> 00:32:28,080

a guy and

826

00:32:31,990 --> 00:32:30,080

he lives right on the edge of this

827

00:32:34,149 --> 00:32:32,000

wooded area that he went

828

00:32:36,310 --> 00:32:34,159

he knows all the noises you know knows

829

00:32:37,830 --> 00:32:36,320

all he knows his way about the place

830

00:32:40,230 --> 00:32:37,840

he's not an idiot

831

00:32:41,509 --> 00:32:40,240

and all of a sudden whack right in the

832

00:32:44,389 --> 00:32:41,519

back of the head

833

00:32:45,909 --> 00:32:44,399

looks round and there's like a salmon at

834

00:32:49,190 --> 00:32:45,919

his feet

835

00:32:52,710 --> 00:32:49,200

now the the seed the seas wait

836

00:32:54,470 --> 00:32:52,720

murray firth is way off so when he turns

837

00:32:57,029 --> 00:32:54,480

around he also says that he's seen

838

00:32:59,430 --> 00:32:57,039

something about seven or eight feet tall

839

00:33:01,350 --> 00:32:59,440

but just dark and moving away in the

840

00:33:04,389 --> 00:33:01,360

opposite direction

841

00:33:07,029 --> 00:33:04,399

and this is a guy he describes himself

842

00:33:08,789 --> 00:33:07,039

as not being into things like nessie not

843

00:33:10,630 --> 00:33:08,799

been into the paranormal

844

00:33:13,190 --> 00:33:10,640

but at the end of the day what he seen

845

00:33:16,870 --> 00:33:13,200

was a seven or eight foot tall

846

00:33:19,029 --> 00:33:16,880

dark figure and that he seen it

847

00:33:20,149 --> 00:33:19,039

immediately after he got hit in the back

848

00:33:22,710 --> 00:33:20,159

by a salmon

849

00:33:23,269 --> 00:33:22,720

i know it's funny it's funny but they're

850

00:33:26,070 --> 00:33:23,279

trying to

851  
00:33:27,990 --> 00:33:26,080  
explain it away as well maybe an osprey

852  
00:33:29,669 --> 00:33:28,000  
dropped a fish on your head

853  
00:33:31,669 --> 00:33:29,679  
he said well maybe it did but that

854  
00:33:33,029 --> 00:33:31,679  
doesn't explain the seven or eight foot

855  
00:33:34,070 --> 00:33:33,039  
tall thing i've seen going into the

856  
00:33:35,830 --> 00:33:34,080  
bushes

857  
00:33:37,990 --> 00:33:35,840  
so i don't know what was going on there

858  
00:33:39,750 --> 00:33:38,000  
at all you know that's interesting

859  
00:33:41,190 --> 00:33:39,760  
that kind of reminds me a bit about the

860  
00:33:44,389 --> 00:33:41,200  
big gray man of

861  
00:33:47,190 --> 00:33:44,399  
ben mcdoug you know with the uh

862  
00:33:48,389 --> 00:33:47,200  
the legends is a legend or is it

863  
00:33:50,830 --> 00:33:48,399

actually

864

00:33:52,870 --> 00:33:50,840

a bigfoot like creature i mean who knows

865

00:33:56,789 --> 00:33:52,880

but uh

866

00:33:59,830 --> 00:33:56,799

this supposed shadow or

867

00:34:00,789 --> 00:33:59,840

maybe a spirit or maybe it is maybe it

868

00:34:04,630 --> 00:34:00,799

is corporal

869

00:34:08,790 --> 00:34:04,640

i don't know but uh that story

870

00:34:11,510 --> 00:34:08,800

fascinates me uh i mean is it this

871

00:34:12,869 --> 00:34:11,520

mountain spirit that manifests

872

00:34:16,470 --> 00:34:12,879

occasionally

873

00:34:17,430 --> 00:34:16,480

when a man or someone goes into its area

874

00:34:20,230 --> 00:34:17,440

i don't know

875

00:34:20,790 --> 00:34:20,240

but it's it's a great story and you know

876

00:34:24,069 --> 00:34:20,800

and

877

00:34:24,550 --> 00:34:24,079

ever since i have heard that i mean i i

878

00:34:27,829 --> 00:34:24,560

really ha

879

00:34:31,030 --> 00:34:27,839

i i don't have much doubt now

880

00:34:32,950 --> 00:34:31,040

that there are but maybe people called

881

00:34:35,990 --> 00:34:32,960

years and years ago as feral

882

00:34:39,669 --> 00:34:36,000

wild men or something in in

883

00:34:41,430 --> 00:34:39,679

in scotland or in great britain i mean

884

00:34:43,109 --> 00:34:41,440

over the past few years we've been

885

00:34:46,069 --> 00:34:43,119

having more and more people

886

00:34:47,750 --> 00:34:46,079

citing uh supposed bigfoot like

887

00:34:50,550 --> 00:34:47,760

creatures

888

00:34:52,230 --> 00:34:50,560

in the great britain so i i don't know i

889

00:34:54,629 --> 00:34:52,240

mean what's your take on that

890

00:34:56,069 --> 00:34:54,639

well i know them to be honest up until a

891

00:34:59,270 --> 00:34:56,079

couple of years ago

892

00:35:00,870 --> 00:34:59,280

um i had no idea that there was a uk

893

00:35:03,270 --> 00:35:00,880

bigfoot community

894

00:35:04,230 --> 00:35:03,280

and they call them the wild men over

895

00:35:06,790 --> 00:35:04,240

here

896

00:35:08,150 --> 00:35:06,800

kind of them more commonly i know

897

00:35:10,710 --> 00:35:08,160

there's an irish

898

00:35:12,390 --> 00:35:10,720

bigfoot association uh i seen them

899

00:35:13,910 --> 00:35:12,400

getting interviewed on a show last

900

00:35:17,030 --> 00:35:13,920

weekend

901  
00:35:21,190 --> 00:35:17,040  
to be honest one i had no idea

902  
00:35:24,230 --> 00:35:21,200  
the frequency at which people do report

903  
00:35:25,589 --> 00:35:24,240  
these type of entities in the uk um

904  
00:35:28,150 --> 00:35:25,599  
and when you look at the uk

905  
00:35:31,270 --> 00:35:28,160  
geographically the environment

906  
00:35:33,030 --> 00:35:31,280  
for me it's like the pacific northwest

907  
00:35:35,510 --> 00:35:33,040  
and that's somewhere where the bigfoot

908  
00:35:38,550 --> 00:35:35,520  
hangs out lots of trees here

909  
00:35:39,829 --> 00:35:38,560  
lots of hills lots of them lakes it

910  
00:35:43,190 --> 00:35:39,839  
would be perfect

911  
00:35:45,270 --> 00:35:43,200  
so i don't see why we wouldn't expect to

912  
00:35:48,470 --> 00:35:45,280  
see the bigfoot here

913  
00:35:50,550 --> 00:35:48,480

you know the climate in the uh pacific

914

00:35:53,030 --> 00:35:50,560

northwest is very similar

915

00:35:55,270 --> 00:35:53,040

yeah to the climate in great britain and

916

00:35:58,550 --> 00:35:55,280

especially up north where you're at

917

00:36:00,310 --> 00:35:58,560

yeah that's right i mean you know

918

00:36:01,510 --> 00:36:00,320

i don't know you know we've got

919

00:36:02,470 --> 00:36:01,520

mountains as well we've got the

920

00:36:05,430 --> 00:36:02,480

cairngorms

921

00:36:06,310 --> 00:36:05,440

and jordan rose they're over 3000 feet

922

00:36:08,470 --> 00:36:06,320

so

923

00:36:09,750 --> 00:36:08,480

you look at over the himalayas you've

924

00:36:11,670 --> 00:36:09,760

got the yeti

925

00:36:12,870 --> 00:36:11,680

so you find these things in mountainous

926  
00:36:16,310 --> 00:36:12,880  
regions

927  
00:36:18,310 --> 00:36:16,320  
now there's the there is one

928  
00:36:20,470 --> 00:36:18,320  
a couple of stories about something

929  
00:36:21,990 --> 00:36:20,480  
obviously on the cairngorms whether that

930  
00:36:24,950 --> 00:36:22,000  
is a

931  
00:36:26,710 --> 00:36:24,960  
uh bigfoot or something different i

932  
00:36:29,750 --> 00:36:26,720  
don't know i'm kind of up in the air

933  
00:36:30,390 --> 00:36:29,760  
i can go either way on that but we've

934  
00:36:32,710 --> 00:36:30,400  
also

935  
00:36:33,670 --> 00:36:32,720  
got lots of other things that happen

936  
00:36:37,829 --> 00:36:33,680  
over here as well

937  
00:36:40,310 --> 00:36:37,839  
hunting wise story i've told a few times

938  
00:36:42,390 --> 00:36:40,320

but i'm sure it'll blow you away

939

00:36:43,349 --> 00:36:42,400

and it goes back to like world war ii

940

00:36:46,310 --> 00:36:43,359

this time

941

00:36:47,750 --> 00:36:46,320

and it was a local dance in one of the

942

00:36:49,430 --> 00:36:47,760

village halls

943

00:36:51,589 --> 00:36:49,440

and everyone knows everyone else up

944

00:36:54,230 --> 00:36:51,599

there alone and it's all kind of

945

00:36:57,109 --> 00:36:54,240

different time back in the 50s you know

946

00:36:59,510 --> 00:36:57,119

a bit more gentlemanly and ladylike and

947

00:37:00,950 --> 00:36:59,520

you'd ask somebody to the dance or you

948

00:37:02,790 --> 00:37:00,960

have the women on one side of the hall

949

00:37:03,910 --> 00:37:02,800

the men on the other and it was a very

950

00:37:07,190 --> 00:37:03,920

kind of um

951  
00:37:10,230 --> 00:37:07,200  
classy affair and then there was this

952  
00:37:12,470 --> 00:37:10,240  
gentleman at this stranger

953  
00:37:14,150 --> 00:37:12,480  
that was at the dance this night and he

954  
00:37:14,870 --> 00:37:14,160  
was in the full kind of highland dress

955  
00:37:18,710 --> 00:37:14,880  
he had the kill

956  
00:37:20,550 --> 00:37:18,720  
on looking absolutely phenomenal

957  
00:37:22,310 --> 00:37:20,560  
all the women in the hall they were all

958  
00:37:22,950 --> 00:37:22,320  
falling over themselves because he was a

959  
00:37:25,190 --> 00:37:22,960  
gorgeous

960  
00:37:25,990 --> 00:37:25,200  
piece of fresh meat in the village

961  
00:37:27,589 --> 00:37:26,000  
basically

962  
00:37:29,030 --> 00:37:27,599  
all the guys they were wanting to fight

963  
00:37:30,230 --> 00:37:29,040

one because all the girls were looking

964

00:37:33,670 --> 00:37:30,240

at him

965

00:37:34,470 --> 00:37:33,680

but long story short one of my gran's

966

00:37:37,510 --> 00:37:34,480

friends

967

00:37:39,430 --> 00:37:37,520

got dancing with this guy

968

00:37:40,950 --> 00:37:39,440

and everything was going great

969

00:37:43,190 --> 00:37:40,960

everything was perfect

970

00:37:44,150 --> 00:37:43,200

she was obviously over the moon here she

971

00:37:47,510 --> 00:37:44,160

was with

972

00:37:48,630 --> 00:37:47,520

the catch of the night and then the band

973

00:37:51,270 --> 00:37:48,640

stopped playing

974

00:37:52,870 --> 00:37:51,280

and the dance finished and that's when

975

00:37:54,470 --> 00:37:52,880

all went horribly wrong because the

976  
00:37:57,829 --> 00:37:54,480  
lights went on

977  
00:38:00,710 --> 00:37:57,839  
and she looked at him

978  
00:38:03,109 --> 00:38:00,720  
and the way my mom and my gran told the

979  
00:38:05,510 --> 00:38:03,119  
story was she doesn't know why but

980  
00:38:07,190 --> 00:38:05,520  
she felt she had to look down and when

981  
00:38:10,230 --> 00:38:07,200  
she looked down

982  
00:38:14,390 --> 00:38:10,240  
the dude she'd been dancing with had

983  
00:38:17,270 --> 00:38:14,400  
clothing feet and legs

984  
00:38:18,710 --> 00:38:17,280  
like an animal now that sounds like a

985  
00:38:21,190 --> 00:38:18,720  
story

986  
00:38:22,790 --> 00:38:21,200  
but i've seen people that were either

987  
00:38:25,349 --> 00:38:22,800  
witness to that

988  
00:38:27,030 --> 00:38:25,359

or had been told at first hand and my

989

00:38:29,030 --> 00:38:27,040

mom talks about this as well because

990

00:38:32,069 --> 00:38:29,040

that story to this day

991

00:38:34,630 --> 00:38:32,079

it still affects people because

992

00:38:36,230 --> 00:38:34,640

something real happened that night one i

993

00:38:39,270 --> 00:38:36,240

don't know what it was

994

00:38:41,670 --> 00:38:39,280

but something real happened and then

995

00:38:42,870 --> 00:38:41,680

the weirdest part to tie it all back

996

00:38:45,510 --> 00:38:42,880

into loch ness

997

00:38:46,069 --> 00:38:45,520

is that one show i was doing i was

998

00:38:49,589 --> 00:38:46,079

diving

999

00:38:51,990 --> 00:38:49,599

really deep into the whole kelpie lore

1000

00:38:54,310 --> 00:38:52,000

and it talked about how on rare occasion

1001  
00:38:57,190 --> 00:38:54,320  
it can take human form

1002  
00:38:58,069 --> 00:38:57,200  
and often when it takes human form it

1003  
00:39:01,270 --> 00:38:58,079  
has

1004  
00:39:04,630 --> 00:39:01,280  
cloven beat

1005  
00:39:07,750 --> 00:39:04,640  
so i don't know make it what you will

1006  
00:39:08,710 --> 00:39:07,760  
that's interesting fanny when you're

1007  
00:39:10,310 --> 00:39:08,720  
talking about

1008  
00:39:12,390 --> 00:39:10,320  
scotland you're going to come up you got

1009  
00:39:14,470 --> 00:39:12,400  
to come up with a great legend

1010  
00:39:15,750 --> 00:39:14,480  
even if it's just a personal legend

1011  
00:39:17,829 --> 00:39:15,760  
exactly

1012  
00:39:18,870 --> 00:39:17,839  
you know you were talking about the big

1013  
00:39:20,950 --> 00:39:18,880

cats now

1014

00:39:23,349 --> 00:39:20,960

you know there's been talk about these

1015

00:39:27,190 --> 00:39:23,359

big cats in great britain

1016

00:39:30,550 --> 00:39:27,200

for well since the 70s you know when the

1017

00:39:32,310 --> 00:39:30,560

the the wildlife law was passed when

1018

00:39:36,550 --> 00:39:32,320

people who had these

1019

00:39:38,950 --> 00:39:36,560

these large big cats for for pets

1020

00:39:40,710 --> 00:39:38,960

unfortunately they had to pay to start

1021

00:39:42,870 --> 00:39:40,720

paying a tax to keep them and people

1022

00:39:45,990 --> 00:39:42,880

were letting them go

1023

00:39:49,430 --> 00:39:46,000

and eventually it turned out that the

1024

00:39:51,109 --> 00:39:49,440

these big cats found a way to survive in

1025

00:39:53,430 --> 00:39:51,119

the wild

1026  
00:39:54,710 --> 00:39:53,440  
and uh no i have talked to people who

1027  
00:39:57,349 --> 00:39:54,720  
have seen these things and

1028  
00:39:59,670 --> 00:39:57,359  
and they these things are out there in

1029  
00:40:03,109 --> 00:39:59,680  
fact i i i knew somebody in in

1030  
00:40:06,390 --> 00:40:03,119  
in wales lived near the carmarthen and

1031  
00:40:06,950 --> 00:40:06,400  
uh it was on a farm and she literally

1032  
00:40:10,390 --> 00:40:06,960  
saw

1033  
00:40:13,270 --> 00:40:10,400  
a black cat grab a sheep

1034  
00:40:14,150 --> 00:40:13,280  
and take it over a fence you know you

1035  
00:40:15,829 --> 00:40:14,160  
know i thought

1036  
00:40:18,150 --> 00:40:15,839  
well geez i mean are you sure that's

1037  
00:40:21,190 --> 00:40:18,160  
what you saw until absolutely

1038  
00:40:22,829 --> 00:40:21,200

yeah yeah so yeah i i've heard a lot of

1039

00:40:26,950 --> 00:40:22,839

different

1040

00:40:29,910 --> 00:40:26,960

yeah you get the jaguars

1041

00:40:30,390 --> 00:40:29,920

um like you said i think a lot of these

1042

00:40:34,470 --> 00:40:30,400

things

1043

00:40:36,630 --> 00:40:34,480

probably got a foothold in the wild

1044

00:40:38,630 --> 00:40:36,640

when people threw them away when they

1045

00:40:41,270 --> 00:40:38,640

couldn't afford to keep them anymore

1046

00:40:43,190 --> 00:40:41,280

yeah as opposed to the bigfoot stories i

1047

00:40:44,790 --> 00:40:43,200

would say it's more common to hear about

1048

00:40:46,630 --> 00:40:44,800

big cats

1049

00:40:48,150 --> 00:40:46,640

but then you know that's not to say that

1050

00:40:50,069 --> 00:40:48,160

in local media

1051  
00:40:51,190 --> 00:40:50,079  
you know there aren't these reports of

1052  
00:40:53,510 --> 00:40:51,200  
the bigfoot

1053  
00:40:55,750 --> 00:40:53,520  
that's the great thing now nowadays long

1054  
00:40:58,069 --> 00:40:55,760  
um with the internet

1055  
00:41:00,390 --> 00:40:58,079  
that we're able to get these reports

1056  
00:41:03,109 --> 00:41:00,400  
from all around the world that perhaps

1057  
00:41:05,030 --> 00:41:03,119  
20 30 years ago they would have just

1058  
00:41:05,670 --> 00:41:05,040  
remained little stories in the local

1059  
00:41:07,109 --> 00:41:05,680  
area

1060  
00:41:09,990 --> 00:41:07,119  
and we didn't have a chance to put them

1061  
00:41:12,630 --> 00:41:10,000  
all together you know

1062  
00:41:13,829 --> 00:41:12,640  
well unfortunately for us over here we

1063  
00:41:17,190 --> 00:41:13,839

don't get the

1064

00:41:17,589 --> 00:41:17,200

the press uh that you guys get over

1065

00:41:20,550 --> 00:41:17,599

there

1066

00:41:21,589 --> 00:41:20,560

unfortunately because it's very few and

1067

00:41:24,790 --> 00:41:21,599

far between

1068

00:41:28,309 --> 00:41:24,800

when there's a bigfoot story or uh

1069

00:41:30,550 --> 00:41:28,319

a decent ufo story in our press

1070

00:41:32,309 --> 00:41:30,560

uh and most of the time when there is

1071

00:41:35,270 --> 00:41:32,319

they're gonna ridicule it so

1072

00:41:35,910 --> 00:41:35,280

yeah most of the ufo stories now are all

1073

00:41:39,190 --> 00:41:35,920

wrapped up

1074

00:41:41,990 --> 00:41:39,200

and handed to us by the pentagon right

1075

00:41:43,349 --> 00:41:42,000

to be the way it goes yeah i've got my

1076

00:41:45,510 --> 00:41:43,359

own thoughts about that

1077

00:41:46,950 --> 00:41:45,520

i mean i don't know why they're doing

1078

00:41:49,109 --> 00:41:46,960

that

1079

00:41:51,349 --> 00:41:49,119

are they are they trying to appease

1080

00:41:53,829 --> 00:41:51,359

certain people spoon feed us

1081

00:41:55,829 --> 00:41:53,839

a case here or there you don't see them

1082

00:41:56,309 --> 00:41:55,839

talking about alien beings yet though do

1083

00:42:00,710 --> 00:41:56,319

you

1084

00:42:03,270 --> 00:42:00,720

well um the israeli the ex-space

1085

00:42:04,470 --> 00:42:03,280

security chief of israel he came out the

1086

00:42:07,910 --> 00:42:04,480

other day

1087

00:42:09,030 --> 00:42:07,920

and now granted he's also releasing a

1088

00:42:12,069 --> 00:42:09,040

book

1089

00:42:12,950 --> 00:42:12,079

but he is talking about how israel and

1090

00:42:14,630 --> 00:42:12,960

the us

1091

00:42:16,309 --> 00:42:14,640

have been in contact with something

1092

00:42:18,950 --> 00:42:16,319

called the galactic

1093

00:42:20,630 --> 00:42:18,960

federation for a while now the reason i

1094

00:42:22,150 --> 00:42:20,640

laugh the reason i kind of snickered

1095

00:42:26,069 --> 00:42:22,160

there is because

1096

00:42:27,190 --> 00:42:26,079

there's some wackier realms of ufology

1097

00:42:29,990 --> 00:42:27,200

that have them

1098

00:42:30,470 --> 00:42:30,000

come to life with the internet age sure

1099

00:42:32,550 --> 00:42:30,480

and

1100

00:42:34,470 --> 00:42:32,560

some of the wackier end of the galactic

1101  
00:42:34,950 --> 00:42:34,480  
federation and blue chickens and things

1102  
00:42:37,349 --> 00:42:34,960  
like that

1103  
00:42:40,230 --> 00:42:37,359  
it does tend to make me smile so i don't

1104  
00:42:42,870 --> 00:42:40,240  
know what this is really cat's game is

1105  
00:42:44,309 --> 00:42:42,880  
but um paul hellier he is the

1106  
00:42:47,510 --> 00:42:44,319  
ex-defenseman

1107  
00:42:51,270 --> 00:42:47,520  
from canada he talks about it

1108  
00:42:51,910 --> 00:42:51,280  
maybe somewhere maybe our sky brothers

1109  
00:42:54,390 --> 00:42:51,920  
and sisters

1110  
00:42:56,630 --> 00:42:54,400  
have said maybe it's time long maybe

1111  
00:42:58,630 --> 00:42:56,640  
they're going to tell us at long last

1112  
00:43:00,710 --> 00:42:58,640  
i wouldn't believe anything they tell us

1113  
00:43:03,910 --> 00:43:00,720

but maybe i don't know

1114

00:43:06,150 --> 00:43:03,920

well i mean you know i i i

1115

00:43:07,349 --> 00:43:06,160

and i wrote about it in my book i mean i

1116

00:43:11,109 --> 00:43:07,359

i was abducted

1117

00:43:13,430 --> 00:43:11,119

and um i was shown some

1118

00:43:14,630 --> 00:43:13,440

pretty bizarre things that you know

1119

00:43:16,550 --> 00:43:14,640

historical ones

1120

00:43:17,670 --> 00:43:16,560

that you know they aren't really

1121

00:43:20,710 --> 00:43:17,680

explainable

1122

00:43:23,829 --> 00:43:20,720

but when you start thinking about it

1123

00:43:24,309 --> 00:43:23,839

maybe there's something to this uh but

1124

00:43:28,790 --> 00:43:24,319

um

1125

00:43:33,270 --> 00:43:28,800

you know i i talking about scotland and

1126

00:43:35,910 --> 00:43:33,280

uh ufos and abductions and such

1127

00:43:38,069 --> 00:43:35,920

i there is one case that i'm interested

1128

00:43:41,190 --> 00:43:38,079

well there's two cases actually

1129

00:43:45,990 --> 00:43:41,200

the uh the duchmont woods

1130

00:43:48,710 --> 00:43:46,000

encounter and also the a7d abduction

1131

00:43:50,470 --> 00:43:48,720

uh are you aware of those two no i'm not

1132

00:43:54,950 --> 00:43:50,480

one i'm yeah i'm not

1133

00:43:58,470 --> 00:43:54,960

tell me more man i'm intrigued well

1134

00:44:02,470 --> 00:43:58,480

the detriment case was back in

1135

00:44:08,309 --> 00:44:02,480

uh i had to pull it up here but

1136

00:44:10,550 --> 00:44:08,319

let's see here

1137

00:44:12,069 --> 00:44:10,560

yeah i don't have it right now but i i

1138

00:44:13,430 --> 00:44:12,079

you know what what i'm gonna have to do

1139

00:44:15,109 --> 00:44:13,440

i'll send them to you

1140

00:44:16,550 --> 00:44:15,119

please do it i'll send you yeah i'll

1141

00:44:19,109 --> 00:44:16,560

send you the cases

1142

00:44:20,630 --> 00:44:19,119

you know there's i was trying to figure

1143

00:44:23,109 --> 00:44:20,640

out and try to remember

1144

00:44:24,550 --> 00:44:23,119

cases that i had heard from from

1145

00:44:26,230 --> 00:44:24,560

scotland but

1146

00:44:28,630 --> 00:44:26,240

and they're they're not a whole lot i

1147

00:44:30,950 --> 00:44:28,640

mean not like it is down in wales or

1148

00:44:31,990 --> 00:44:30,960

we've got a lamb we've got a designated

1149

00:44:36,150 --> 00:44:32,000

dark area

1150

00:44:40,069 --> 00:44:38,950

where we have a big massive statues of

1151  
00:44:42,870 --> 00:44:40,079  
kelpies

1152  
00:44:44,550 --> 00:44:42,880  
yeah and it's a designated dark zone for

1153  
00:44:46,950 --> 00:44:44,560  
ufo hunters

1154  
00:44:48,950 --> 00:44:46,960  
and it's like a little hot spot bonnie

1155  
00:44:52,069 --> 00:44:48,960  
bridge

1156  
00:44:54,230 --> 00:44:52,079  
ufo hot spot in the uk but as a as for

1157  
00:44:56,069 --> 00:44:54,240  
abductions or things like that

1158  
00:44:58,550 --> 00:44:56,079  
it's not i can't think of any that

1159  
00:44:59,349 --> 00:44:58,560  
spring to mind to be honest with you

1160  
00:45:02,550 --> 00:44:59,359  
it's not

1161  
00:45:04,870 --> 00:45:02,560  
a major thing but maybe it is maybe

1162  
00:45:05,750 --> 00:45:04,880  
people just don't talk about that yeah

1163  
00:45:09,109 --> 00:45:05,760

the

1164

00:45:12,630 --> 00:45:09,119

encounter

1165

00:45:14,630 --> 00:45:12,640

and um it was back in oh god i think it

1166

00:45:17,349 --> 00:45:14,640

was back in the 60s

1167

00:45:18,550 --> 00:45:17,359

and then the a70 abduction was a little

1168

00:45:21,589 --> 00:45:18,560

bit later

1169

00:45:23,589 --> 00:45:21,599

uh i've got them i will send them to you

1170

00:45:25,430 --> 00:45:23,599

so you can yeah you can read about them

1171

00:45:27,750 --> 00:45:25,440

um

1172

00:45:29,670 --> 00:45:27,760

you know when you think scotland or when

1173

00:45:32,630 --> 00:45:29,680

i think scotland because you know

1174

00:45:33,750 --> 00:45:32,640

i'm a history buff when i think scotland

1175

00:45:37,030 --> 00:45:33,760

i think ah

1176

00:45:40,069 --> 00:45:37,040

templars rosalind chapel

1177

00:45:43,430 --> 00:45:40,079

uh the mysteries of rosalind chapel

1178

00:45:48,870 --> 00:45:43,440

the sinclair's possibly uh

1179

00:45:55,829 --> 00:45:52,470

you know what's your whole take on that

1180

00:45:59,510 --> 00:45:55,839

funnily enough i'm 44 years old

1181

00:46:02,790 --> 00:45:59,520

and i only went to rosalind chapel

1182

00:46:04,390 --> 00:46:02,800

maybe about a year ago first time i've

1183

00:46:07,589 --> 00:46:04,400

ever been there

1184

00:46:10,790 --> 00:46:07,599

now that is a special special place

1185

00:46:13,750 --> 00:46:10,800

and it sells itself

1186

00:46:13,990 --> 00:46:13,760

obviously with the history the lore like

1187

00:46:17,589 --> 00:46:14,000

we

1188

00:46:21,190 --> 00:46:17,599

with

1189

00:46:21,910 --> 00:46:21,200

gettysburg obviously different situation

1190

00:46:29,510 --> 00:46:21,920

here

1191

00:46:32,870 --> 00:46:29,520

and you know you're in the presence of

1192

00:46:34,790 --> 00:46:32,880

something pretty magical and when we

1193

00:46:37,109 --> 00:46:34,800

were in there

1194

00:46:38,790 --> 00:46:37,119

some of the the architecture the stone

1195

00:46:40,950 --> 00:46:38,800

masonry

1196

00:46:43,190 --> 00:46:40,960

you really you have to be up close and

1197

00:46:46,069 --> 00:46:43,200

personal to it to really appreciate

1198

00:46:46,630 --> 00:46:46,079

it and the story of the pillar and the

1199

00:46:53,589 --> 00:46:46,640

the

1200

00:46:56,630 --> 00:46:53,599

everything i do think that

1201

00:46:59,510 --> 00:46:56,640

um something special

1202

00:47:00,230 --> 00:46:59,520

was found by the templars during one of

1203

00:47:03,349 --> 00:47:00,240

the

1204

00:47:05,510 --> 00:47:03,359

yeah

1205

00:47:07,030 --> 00:47:05,520

yep i don't know what it was i think it

1206

00:47:10,710 --> 00:47:07,040

was something that was

1207

00:47:14,550 --> 00:47:10,720

obviously worth great monetary

1208

00:47:17,589 --> 00:47:14,560

value and they left that what i call

1209

00:47:18,150 --> 00:47:17,599

a message written in stone if you know

1210

00:47:21,030 --> 00:47:18,160

how to

1211

00:47:24,069 --> 00:47:21,040

read their messages rosalind chapel must

1212

00:47:24,710 --> 00:47:24,079

look like some kind of holy textbook and

1213

00:47:27,829 --> 00:47:24,720

there's one

1214

00:47:29,270 --> 00:47:27,839

part of the ceiling that's got 216 stone

1215

00:47:31,990 --> 00:47:29,280

blocks in it

1216

00:47:32,630 --> 00:47:32,000

each of them has been found to represent

1217

00:47:36,069 --> 00:47:32,640

a different

1218

00:47:36,710 --> 00:47:36,079

cymatic frequency there's a pattern on

1219

00:47:38,309 --> 00:47:36,720

them

1220

00:47:40,069 --> 00:47:38,319

and if you're in the cymatics and you

1221

00:47:41,510 --> 00:47:40,079

put frequency through a board and you

1222

00:47:44,150 --> 00:47:41,520

put sand on it

1223

00:47:45,589 --> 00:47:44,160

every frequency has a unique pattern

1224

00:47:47,430 --> 00:47:45,599

that it makes

1225

00:47:49,030 --> 00:47:47,440

so um you've even had people coming in

1226

00:47:52,150 --> 00:47:49,040

there looking at that

1227

00:47:54,790 --> 00:47:52,160

and making pieces of musical work

1228

00:47:55,829 --> 00:47:54,800

from this message that's encoded in

1229

00:47:57,750 --> 00:47:55,839

stone

1230

00:47:59,030 --> 00:47:57,760

we think we've decoded it and we think

1231

00:48:01,510 --> 00:47:59,040

we know what we're looking at

1232

00:48:03,430 --> 00:48:01,520

but only the templars that put it there

1233

00:48:07,190 --> 00:48:03,440

and the sinclairs probably

1234

00:48:08,710 --> 00:48:07,200

they'll know as for the oak island thing

1235

00:48:10,390 --> 00:48:08,720

i don't think you can get away from a

1236

00:48:13,349 --> 00:48:10,400

templar connection

1237

00:48:14,390 --> 00:48:13,359

yeah i think you're right yeah you know

1238

00:48:17,589 --> 00:48:14,400

i have uh

1239

00:48:20,549 --> 00:48:17,599

i have looked into the

1240

00:48:22,069 --> 00:48:20,559

the oak island mystery for almost two

1241

00:48:25,109 --> 00:48:22,079

decades now

1242

00:48:26,150 --> 00:48:25,119

i actually went up there about 20 years

1243

00:48:28,950 --> 00:48:26,160

ago

1244

00:48:30,710 --> 00:48:28,960

but anyway you know i you know i was

1245

00:48:31,270 --> 00:48:30,720

fascinated with people looking for the

1246

00:48:32,870 --> 00:48:31,280

treasure

1247

00:48:34,390 --> 00:48:32,880

first but then i really started getting

1248

00:48:37,190 --> 00:48:34,400

into the history

1249

00:48:39,510 --> 00:48:37,200

and uh of course with the uh the

1250

00:48:42,549 --> 00:48:39,520

sinclairs and the templars

1251  
00:48:44,790 --> 00:48:42,559  
and like you said most likely they found

1252  
00:48:48,230 --> 00:48:44,800  
something in jerusalem

1253  
00:48:52,069 --> 00:48:48,240  
uh at the temple mount or where the

1254  
00:48:54,549 --> 00:48:52,079  
or the old um the old temple was where

1255  
00:48:56,309 --> 00:48:54,559  
solomon's temple was yeah down beneath

1256  
00:49:00,150 --> 00:48:56,319  
solomon's temple they were

1257  
00:49:04,309 --> 00:49:01,750  
who knows what they found i mean you

1258  
00:49:08,230 --> 00:49:04,319  
know they they they

1259  
00:49:11,109 --> 00:49:08,240  
you know they say possibly the

1260  
00:49:13,270 --> 00:49:11,119  
the ark of the coven or maybe the the

1261  
00:49:15,349 --> 00:49:13,280  
the gold menorah that was in

1262  
00:49:16,950 --> 00:49:15,359  
solomon's tomb who knows but you know i

1263  
00:49:20,069 --> 00:49:16,960

don't think i do anything

1264

00:49:20,870 --> 00:49:20,079

i think if they did take trouble after

1265

00:49:24,950 --> 00:49:20,880

the purge

1266

00:49:27,510 --> 00:49:24,960

and and come over and travel here

1267

00:49:29,589 --> 00:49:27,520

to north america i'm quite sure they

1268

00:49:31,109 --> 00:49:29,599

brought more than that with them yeah

1269

00:49:33,510 --> 00:49:31,119

and there are people that have talked

1270

00:49:34,470 --> 00:49:33,520

about uh maybe shakespeare's manuscripts

1271

00:49:37,109 --> 00:49:34,480

are there

1272

00:49:39,430 --> 00:49:37,119

maybe there's something else i i think i

1273

00:49:43,270 --> 00:49:39,440

think something is there now

1274

00:49:47,510 --> 00:49:45,270

they would have been people in the know

1275

00:49:49,270 --> 00:49:47,520

would have known that there was a

1276

00:49:51,109 --> 00:49:49,280

something going on if they were

1277

00:49:54,950 --> 00:49:51,119

connected through the right

1278

00:49:57,750 --> 00:49:54,960

kind of um brothers

1279

00:49:58,630 --> 00:49:57,760

people they knew maybe they had heard

1280

00:50:00,790 --> 00:49:58,640

about this

1281

00:50:02,309 --> 00:50:00,800

operation this because it must have

1282

00:50:04,630 --> 00:50:02,319

taken them years

1283

00:50:05,589 --> 00:50:04,640

to do what they've done at oak island so

1284

00:50:08,549 --> 00:50:05,599

somebody like

1285

00:50:09,829 --> 00:50:08,559

sir francis drake you know um his

1286

00:50:11,430 --> 00:50:09,839

writings

1287

00:50:13,109 --> 00:50:11,440

unlike you i think it might have been a

1288

00:50:14,710 --> 00:50:13,119

couple of journeys there may have been a

1289

00:50:17,190 --> 00:50:14,720

whole heap of different stuff

1290

00:50:18,309 --> 00:50:17,200

stashed there but my question to you

1291

00:50:19,990 --> 00:50:18,319

would be

1292

00:50:21,589 --> 00:50:20,000

do you think there's anything still

1293

00:50:24,829 --> 00:50:21,599

there or

1294

00:50:26,230 --> 00:50:24,839

that's just it you know yeah i i don't

1295

00:50:29,270 --> 00:50:26,240

know

1296

00:50:32,309 --> 00:50:29,280

my honest opinion i don't think there is

1297

00:50:34,630 --> 00:50:32,319

uh there may be remnants of something

1298

00:50:36,950 --> 00:50:34,640

but you know they had dug all over that

1299

00:50:40,069 --> 00:50:36,960

island and quite frankly

1300

00:50:42,710 --> 00:50:40,079

if they they should have hit the vault

1301  
00:50:44,309 --> 00:50:42,720  
by now if that vault is actually there

1302  
00:50:46,390 --> 00:50:44,319  
now of course they're going off on

1303  
00:50:49,829 --> 00:50:46,400  
tangents and other things

1304  
00:50:53,349 --> 00:50:49,839  
they're they're finding school uh

1305  
00:50:54,950 --> 00:50:53,359  
evidence you know if it was the templars

1306  
00:50:55,589 --> 00:50:54,960  
there were more than just the templars

1307  
00:51:08,790 --> 00:50:55,599  
there

1308  
00:51:10,150 --> 00:51:08,800  
yeah you know you know it it's it's not

1309  
00:51:15,829 --> 00:51:10,160  
beyond

1310  
00:51:17,990 --> 00:51:15,839  
the actual theory of them being there

1311  
00:51:19,030 --> 00:51:18,000  
because we know the vikings were in

1312  
00:51:22,230 --> 00:51:19,040  
finland

1313  
00:51:26,710 --> 00:51:22,240

around the 11th century so

1314

00:51:28,470 --> 00:51:26,720

um yeah who knows what's there i

1315

00:51:30,630 --> 00:51:28,480

you know i kind of got stuck on that

1316

00:51:33,109 --> 00:51:30,640

show i hated to do that because

1317

00:51:41,750 --> 00:51:33,119

it seems like you got strung on every

1318

00:51:44,790 --> 00:51:43,670

and you're right you know they keep you

1319

00:51:46,790 --> 00:51:44,800

hanging and

1320

00:51:49,349 --> 00:51:46,800

i tell you what em the guys that have

1321

00:51:50,870 --> 00:51:49,359

got it rick and marty laguna

1322

00:51:53,190 --> 00:51:50,880

i think they're in it for the right

1323

00:51:56,390 --> 00:51:53,200

reason they're already millionaires

1324

00:51:58,390 --> 00:51:56,400

and i think they enjoy the history as

1325

00:51:59,270 --> 00:51:58,400

much as they enjoy the actual treasure

1326

00:52:01,349 --> 00:51:59,280

hunt you know

1327

00:52:03,270 --> 00:52:01,359

i think you're right and that's why

1328

00:52:06,069 --> 00:52:03,280

that's the part of it i enjoy

1329

00:52:08,230 --> 00:52:06,079

yeah because i really like to know what

1330

00:52:10,549 --> 00:52:08,240

they find as far as history was

1331

00:52:12,309 --> 00:52:10,559

if they never find a piece of gold

1332

00:52:14,390 --> 00:52:12,319

that's i don't care

1333

00:52:16,390 --> 00:52:14,400

yeah i don't do either and i think

1334

00:52:18,549 --> 00:52:16,400

that's probably the best type of people

1335

00:52:23,750 --> 00:52:18,559

to have the island because then

1336

00:52:27,190 --> 00:52:25,510

a couple i'd like to get them i'd like

1337

00:52:28,309 --> 00:52:27,200

to have a chat with them one day put it

1338

00:52:31,270 --> 00:52:28,319

that way

1339

00:52:32,630 --> 00:52:31,280

that's for sure yeah i you know i i

1340

00:52:34,069 --> 00:52:32,640

would probably

1341

00:52:35,589 --> 00:52:34,079

like to get them i don't know how much

1342

00:52:38,230 --> 00:52:35,599

problem it would be to get them on the

1343

00:52:40,630 --> 00:52:38,240

show but they'd be a good interview

1344

00:52:42,150 --> 00:52:40,640

but you know i'm with you i think it i

1345

00:52:43,829 --> 00:52:42,160

think the history is the most

1346

00:52:47,670 --> 00:52:43,839

fascinating part about it

1347

00:52:51,030 --> 00:52:47,680

yeah and uh you know our history

1348

00:52:55,270 --> 00:52:51,040

in north america is is not that long

1349

00:52:58,549 --> 00:52:55,280

and uh whatever we can find

1350

00:52:58,950 --> 00:52:58,559

that connects to the old world connects

1351  
00:53:02,069 --> 00:52:58,960  
to

1352  
00:53:03,750 --> 00:53:02,079  
great britain and you know the countries

1353  
00:53:06,549 --> 00:53:03,760  
of

1354  
00:53:06,950 --> 00:53:06,559  
the united kingdom and and such that's

1355  
00:53:09,190 --> 00:53:06,960  
just

1356  
00:53:10,309 --> 00:53:09,200  
fine with me because you know i i love

1357  
00:53:11,750 --> 00:53:10,319  
history periods

1358  
00:53:13,349 --> 00:53:11,760  
and i mean you're talking about oak

1359  
00:53:15,670 --> 00:53:13,359  
island nova scotia

1360  
00:53:17,270 --> 00:53:15,680  
new scotland i mean when we were in the

1361  
00:53:20,069 --> 00:53:17,280  
military when we went over to

1362  
00:53:21,270 --> 00:53:20,079  
mcdill air force base oh do you want

1363  
00:53:23,270 --> 00:53:21,280

you're in mcdill

1364

00:53:25,109 --> 00:53:23,280

yeah yeah we spent a night up in um

1365

00:53:27,910 --> 00:53:25,119

canada nova scotia

1366

00:53:29,349 --> 00:53:27,920

and i swear it was like something i was

1367

00:53:30,470 --> 00:53:29,359

like i don't know

1368

00:53:32,790 --> 00:53:30,480

what it was like because i don't know

1369

00:53:33,589 --> 00:53:32,800

what i was expecting but when we got

1370

00:53:36,549 --> 00:53:33,599

there it was all

1371

00:53:38,390 --> 00:53:36,559

scottish flags and and i'm thinking all

1372

00:53:39,990 --> 00:53:38,400

right i know it's called nova scotia but

1373

00:53:42,309 --> 00:53:40,000

i had no idea

1374

00:53:43,430 --> 00:53:42,319

just how proud of the scottish

1375

00:53:45,750 --> 00:53:43,440

connections

1376

00:53:47,349 --> 00:53:45,760

that the people had there i mean we were

1377

00:53:49,270 --> 00:53:47,359

only there one night on the way there

1378

00:53:51,829 --> 00:53:49,280

one night on the way back but

1379

00:53:53,190 --> 00:53:51,839

i tell you what um wow what what people

1380

00:53:55,430 --> 00:53:53,200

so welcoming

1381

00:53:57,109 --> 00:53:55,440

and like a little warm away from home it

1382

00:53:58,230 --> 00:53:57,119

really was and when you had an accent

1383

00:53:59,510 --> 00:53:58,240

like this

1384

00:54:03,270 --> 00:53:59,520

you didn't have to put your hand in your

1385

00:54:05,109 --> 00:54:03,280

pocket all night so bonus

1386

00:54:06,710 --> 00:54:05,119

yeah i'll have to talk to you someday

1387

00:54:10,710 --> 00:54:06,720

about the uh

1388

00:54:12,309 --> 00:54:10,720

the bigfoot uh uh habituation i was

1389

00:54:15,349 --> 00:54:12,319

involved with up in northern

1390

00:54:17,030 --> 00:54:15,359

nova scotia uh we've had some pretty

1391

00:54:19,109 --> 00:54:17,040

interesting case

1392

00:54:20,870 --> 00:54:19,119

cases from up there i'll have to forward

1393

00:54:23,750 --> 00:54:20,880

that to you one day

1394

00:54:24,470 --> 00:54:23,760

and uh yeah nova scotia is pretty cool

1395

00:54:27,670 --> 00:54:24,480

uh

1396

00:54:29,750 --> 00:54:27,680

new scotland it's it is it's pretty cool

1397

00:54:30,790 --> 00:54:29,760

uh when people think of nova scotia

1398

00:54:33,589 --> 00:54:30,800

think about the

1399

00:54:36,470 --> 00:54:33,599

i mean cajuns and you know and you know

1400

00:54:40,309 --> 00:54:36,480

french and such well it's not like that

1401  
00:54:42,390 --> 00:54:40,319  
you know that whole maritimes of of uh

1402  
00:54:44,230 --> 00:54:42,400  
of canada are quite interesting my dad

1403  
00:54:45,349 --> 00:54:44,240  
spent time in the air force up there as

1404  
00:54:47,589 --> 00:54:45,359  
well

1405  
00:54:49,589 --> 00:54:47,599  
yeah yeah he was in uh he was in

1406  
00:54:52,230 --> 00:54:49,599  
labrador gooseberry

1407  
00:54:54,470 --> 00:54:52,240  
and of course and that's where we

1408  
00:54:58,309 --> 00:54:54,480  
actually came in

1409  
00:55:01,589 --> 00:54:58,319  
yeah yeah yeah so yeah he was with uh

1410  
00:55:03,670 --> 00:55:01,599  
strategic air command and uh yeah

1411  
00:55:04,870 --> 00:55:03,680  
he actually his commander was paul

1412  
00:55:06,710 --> 00:55:04,880  
tibbetts

1413  
00:55:09,270 --> 00:55:06,720

and you know during you know when he was

1414

00:55:12,150 --> 00:55:09,280

in during uh korea so yeah

1415

00:55:14,309 --> 00:55:12,160

he was with the 509th the same the same

1416

00:55:17,270 --> 00:55:14,319

bomber group that was at roswell

1417

00:55:19,510 --> 00:55:17,280

and uh i have had the fortune of being

1418

00:55:22,309 --> 00:55:19,520

able to talk to a lot of guys that were

1419

00:55:23,030 --> 00:55:22,319

out there at the time who remained in

1420

00:55:24,710 --> 00:55:23,040

the in the

1421

00:55:27,349 --> 00:55:24,720

group and i've been to reunions and

1422

00:55:29,030 --> 00:55:27,359

stuff it's interesting

1423

00:55:30,549 --> 00:55:29,040

they don't say a whole lot you know my

1424

00:55:31,910 --> 00:55:30,559

father was pretty tight-lipped about

1425

00:55:34,950 --> 00:55:31,920

that stuff too

1426

00:55:37,589 --> 00:55:34,960

he really honored his uh his

1427

00:55:39,430 --> 00:55:37,599

disclosure agreement with the government

1428

00:55:40,950 --> 00:55:39,440

that's why i always kind of then tell

1429

00:55:43,829 --> 00:55:40,960

people to be very wary

1430

00:55:44,789 --> 00:55:43,839

when um get whistleblowers turning up on

1431

00:55:48,069 --> 00:55:44,799

youtube

1432

00:55:50,230 --> 00:55:48,079

yeah and like lorne is saying here

1433

00:55:51,190 --> 00:55:50,240

these people they're not the kind of

1434

00:55:53,109 --> 00:55:51,200

people that tell

1435

00:55:55,270 --> 00:55:53,119

tell tales you don't get into these

1436

00:55:57,589 --> 00:55:55,280

positions if you're the type of person

1437

00:56:00,789 --> 00:55:57,599

that has a loose tongue

1438

00:56:02,789 --> 00:56:00,799

so um yeah it makes sense to me

1439

00:56:04,230 --> 00:56:02,799

one hearing you say that they don't

1440

00:56:06,230 --> 00:56:04,240

really talk about it

1441

00:56:09,030 --> 00:56:06,240

because that's what i would expect you

1442

00:56:10,950 --> 00:56:09,040

know from proper military

1443

00:56:13,670 --> 00:56:10,960

yeah yeah that's just the way it is i

1444

00:56:16,470 --> 00:56:13,680

mean he honored that all the time

1445

00:56:19,109 --> 00:56:16,480

i mean i know um he was the reserves

1446

00:56:21,030 --> 00:56:19,119

when i was very young and uh

1447

00:56:23,510 --> 00:56:21,040

he used to actually when nasa first

1448

00:56:25,270 --> 00:56:23,520

started down in huntsville alabama

1449

00:56:27,510 --> 00:56:25,280

he was actually down there as well doing

1450

00:56:30,549 --> 00:56:27,520

some things so yeah i mean it's

1451

00:56:32,230 --> 00:56:30,559

uh they they do it a lot of these guys

1452

00:56:33,190 --> 00:56:32,240

honor that you know and when you hear

1453

00:56:35,910 --> 00:56:33,200

about the

1454

00:56:37,670 --> 00:56:35,920

these ex-military telling you about this

1455

00:56:41,270 --> 00:56:37,680

and that as far as ufos and

1456

00:56:43,109 --> 00:56:41,280

stuff you know i take it with a grain of

1457

00:56:45,589 --> 00:56:43,119

salt for the most part

1458

00:56:46,470 --> 00:56:45,599

i don't necessarily buy into all that

1459

00:56:48,950 --> 00:56:46,480

because i know

1460

00:56:49,670 --> 00:56:48,960

i know the the culture and you know the

1461

00:56:52,710 --> 00:56:49,680

culture

1462

00:56:55,030 --> 00:56:52,720

so you know how that is yeah i am

1463

00:56:57,190 --> 00:56:55,040

i learned the hard way buying into all

1464

00:56:59,670 --> 00:56:57,200

of it at the beginning and then

1465

00:57:02,309 --> 00:56:59,680

poorly picking apart these people that

1466

00:57:03,910 --> 00:57:02,319

had put on pedestals and thought oh no

1467

00:57:05,910 --> 00:57:03,920

but um that's how you learn that's how

1468

00:57:07,910 --> 00:57:05,920

you learn over here in the uk we've got

1469

00:57:12,309 --> 00:57:07,920

the 40th anniversary

1470

00:57:15,510 --> 00:57:12,319

of the rendelstrom forest institute

1471

00:57:17,750 --> 00:57:15,520

that's like our roswell you know yes

1472

00:57:20,230 --> 00:57:17,760

yes interesting yeah that's a that's an

1473

00:57:23,670 --> 00:57:20,240

enigma on itself it really is

1474

00:57:26,710 --> 00:57:23,680

yeah you know 40 years later

1475

00:57:29,190 --> 00:57:26,720

it still gets so much or there is so

1476

00:57:32,470 --> 00:57:29,200

much controversy still around it

1477

00:57:33,430 --> 00:57:32,480

that for me you know um the fact that

1478

00:57:36,870 --> 00:57:33,440

there's still people

1479

00:57:37,829 --> 00:57:36,880

arguing over in it no smoke without fire

1480

00:57:39,829 --> 00:57:37,839

there's something at the

1481

00:57:41,109 --> 00:57:39,839

the core of that story that people don't

1482

00:57:45,349 --> 00:57:41,119

want you to know about

1483

00:57:46,069 --> 00:57:45,359

you know yeah yep so kev before we go

1484

00:57:47,589 --> 00:57:46,079

tonight i

1485

00:57:50,470 --> 00:57:47,599

want you to tell the folks about your

1486

00:57:53,910 --> 00:57:50,480

shows and uh

1487

00:57:54,549 --> 00:57:53,920

go ahead and advertise what you do and

1488

00:57:57,030 --> 00:57:54,559

yeah

1489

00:57:58,789 --> 00:57:57,040

so how they can connect with you um you

1490

00:58:02,950 --> 00:57:58,799

can find me here on

1491

00:58:05,430 --> 00:58:02,960

youtube um i'm on tfr uh monday tuesday

1492

00:58:06,150 --> 00:58:05,440

wednesday thursday on the kev baker so 5

1493

00:58:09,190 --> 00:58:06,160

p.m and

1494

00:58:09,829 --> 00:58:09,200

est it's on for two hours we get authors

1495

00:58:13,109 --> 00:58:09,839

coming on

1496

00:58:16,309 --> 00:58:13,119

something scientists real people

1497

00:58:18,549 --> 00:58:16,319

just like ordinary listeners as well uh

1498

00:58:21,109 --> 00:58:18,559

cover everything from geopolitics to

1499

00:58:22,549 --> 00:58:21,119

exopolitics but i prefer to do the stuff

1500

00:58:25,109 --> 00:58:22,559

like lawn does

1501

00:58:27,109 --> 00:58:25,119

this is the stuff that really genuinely

1502

00:58:29,270 --> 00:58:27,119

interests me and excites me so it's

1503

00:58:30,230 --> 00:58:29,280

easier to get into and be enthusiastic

1504

00:58:33,030 --> 00:58:30,240

about

1505

00:58:33,670 --> 00:58:33,040

i am we cover the election shenanigans

1506

00:58:36,470 --> 00:58:33,680

anything

1507

00:58:37,190 --> 00:58:36,480

everything we'll talk about it and uh

1508

00:58:40,390 --> 00:58:37,200

yeah

1509

00:58:43,990 --> 00:58:40,400

head on over find me at [tfrlive.com](http://tfrlive.com) or

1510

00:58:44,390 --> 00:58:44,000

here on youtube well kev i want to thank

1511

00:58:48,150 --> 00:58:44,400

you for

1512

00:58:50,230 --> 00:58:48,160

for spending the time with us staying up

1513

00:58:52,549 --> 00:58:50,240

i have been on your show one it's been

1514

00:58:54,230 --> 00:58:52,559

great i've been on your show it's a

1515

00:58:56,630 --> 00:58:54,240

great show i love it i

1516

00:58:58,950 --> 00:58:56,640

plan on coming back again sometime and i

1517

00:59:00,950 --> 00:58:58,960

definitely want you to come back as well

1518

00:59:03,190 --> 00:59:00,960

oh i most certainly will brother

1519

00:59:05,430 --> 00:59:03,200

anything that goes on in scotland

1520

00:59:06,870 --> 00:59:05,440

i'll be your man on the ground right now

1521

00:59:08,870 --> 00:59:06,880

sounds good to me

1522

00:59:10,950 --> 00:59:08,880

all right my mind you have a good

1523

00:59:14,390 --> 00:59:10,960

evening and i'll talk to you later

1524

00:59:16,390 --> 00:59:14,400

thank you one bye bye take care

1525

00:59:18,230 --> 00:59:16,400

now if you have an unexplained counter

1526  
00:59:20,630 --> 00:59:18,240  
sighting feel free to contact me through

1527  
00:59:22,390 --> 00:59:20,640  
the phantoms of monsters blog site

1528  
00:59:24,390 --> 00:59:22,400  
uh if you're interested in supporting

1529  
00:59:26,230 --> 00:59:24,400  
phantoms and monsters in arcane radio

1530  
00:59:28,309 --> 00:59:26,240  
you can use the paypal

1531  
00:59:30,150 --> 00:59:28,319  
donation buttons on our links on the

1532  
00:59:32,150 --> 00:59:30,160  
blog and newsletter

1533  
00:59:33,589 --> 00:59:32,160  
you know our youtube channel beyond

1534  
00:59:37,270 --> 00:59:33,599  
explanation has

1535  
00:59:39,750 --> 00:59:37,280  
new content being added almost daily

1536  
00:59:40,630 --> 00:59:39,760  
uh we've got several radio shows that

1537  
00:59:43,750 --> 00:59:40,640  
are archived

1538  
00:59:45,430 --> 00:59:43,760

live and archived there uh we've got

1539

00:59:47,589 --> 00:59:45,440

actually right now we've got four shows

1540

00:59:49,430 --> 00:59:47,599

that are going to be you know one's

1541

00:59:50,150 --> 00:59:49,440

going to be starting in january we've

1542

00:59:52,870 --> 00:59:50,160

got uh

1543

00:59:53,910 --> 00:59:52,880

jack harry uh paranormal plan and amy

1544

00:59:57,510 --> 00:59:53,920

booze beyond

1545

01:00:00,390 --> 00:59:57,520

yonder that are that are actually

1546

01:00:01,589 --> 01:00:00,400

streaming now so uh check them out and

1547

01:00:04,470 --> 01:00:01,599

when you go to the

1548

01:00:06,069 --> 01:00:04,480

beyond explanation make sure to uh

1549

01:00:07,990 --> 01:00:06,079

subscribe

1550

01:00:09,589 --> 01:00:08,000

and a little bit of word of mouth would

1551

01:00:11,430 --> 01:00:09,599

wouldn't hurt either

1552

01:00:13,030 --> 01:00:11,440

so i once again thank kev baker for

1553

01:00:14,870 --> 01:00:13,040

joining me this evening

1554

01:00:16,470 --> 01:00:14,880

and i want to thank you for listening to

1555

01:00:18,829 --> 01:00:16,480

the show stay healthy
