00:00:35,510 --> 00:00:34,709  
black humanoid the warning on the door

10  
00:00:37,190 --> 00:00:35,520  
last month

11  
00:00:39,510 --> 00:00:37,200  
my husband and i finally bought our

12  
00:00:40,150 --> 00:00:39,520  
dream house it's on the edge of a large

13  
00:00:42,150 --> 00:00:40,160

forest

14

00:00:44,069 --> 00:00:42,160

and i love it it's a little paradise

15

00:00:46,310 --> 00:00:44,079

hidden by the large pine trees that grow

16

00:00:48,150 --> 00:00:46,320

on the premises i honestly don't know

17

00:00:49,029 --> 00:00:48,160

where my backyard ends and the forest

18

00:00:51,029 --> 00:00:49,039

starts

19

00:00:53,189 --> 00:00:51,039

when i lie in bed and let the sounds of

20

00:00:55,590 --> 00:00:53,199

the forest sing me to sleep

21

00:00:57,430 --> 00:00:55,600

i feel truly at peace that house is

22

00:00:59,270 --> 00:00:57,440

everything i ever dreamed of

23

00:01:01,349 --> 00:00:59,280

i'm a musician and usually i work from

24

00:01:02,069 --> 00:01:01,359

home so for me the transition out of new

25

00:01:04,469 --> 00:01:02,079

york city

26

00:01:05,670 --> 00:01:04,479

and into the country wasn't too big my

27

00:01:08,230 --> 00:01:05,680

husband however

28

00:01:10,390 --> 00:01:08,240

had to quit his job he gave notice last

29

00:01:12,149 --> 00:01:10,400

week and still has one week to go

30

00:01:14,469 --> 00:01:12,159

we had to leave our old apartment a few

31

00:01:14,950 --> 00:01:14,479

days ago so for the time he stays with a

32

00:01:16,550 --> 00:01:14,960

friend

33

00:01:18,149 --> 00:01:16,560

will i have already moved to our new

34

00:01:21,190 --> 00:01:18,159

house this week

35

00:01:23,190 --> 00:01:21,200

it would just be me and our two dogs now

36

00:01:25,350 --> 00:01:23,200

this situation by itself is not for the

37

00:01:27,190 --> 00:01:25,360

faint-hearted the woods can be scary

38

00:01:29,350 --> 00:01:27,200

especially at night and it gets pretty

39

00:01:29,590 --> 00:01:29,360

lonely out there but as faye will have

40

00:01:31,109 --> 00:01:29,600

it

41

00:01:33,429 --> 00:01:31,119

this week some strange things have

42

00:01:34,230 --> 00:01:33,439

started to happen it all started on

43

00:01:36,230 --> 00:01:34,240

sunday

44

00:01:38,069 --> 00:01:36,240

i was unpacking boxes of our books and

45

00:01:40,950 --> 00:01:38,079

cds when by accident

46

00:01:42,710 --> 00:01:40,960

i opened a box of christmas decorations

47

00:01:43,590 --> 00:01:42,720

my husband and i had decided for our

48

00:01:45,749 --> 00:01:43,600

unused stuff

49

00:01:47,270 --> 00:01:45,759

to be stored the basement as it was just

50

00:01:49,429 --> 00:01:47,280

a cement hole anyway

51  
00:01:50,950 --> 00:01:49,439  
a cold windowless room not much bigger

52  
00:01:52,789 --> 00:01:50,960  
than a walk-in closet

53  
00:01:54,230 --> 00:01:52,799  
i walked down the wooden stairs and

54  
00:01:55,910 --> 00:01:54,240  
dropped the box in a corner

55  
00:01:57,830 --> 00:01:55,920  
when i noticed there was a small hatch

56  
00:01:59,990 --> 00:01:57,840  
on the wall under the staircase

57  
00:02:01,910 --> 00:02:00,000  
initially i got really excited as i

58  
00:02:03,590 --> 00:02:01,920  
thought it was a safe or something

59  
00:02:05,670 --> 00:02:03,600  
but then i noticed there was only latch

60  
00:02:07,510 --> 00:02:05,680  
on it to lock it from the outside

61  
00:02:09,109 --> 00:02:07,520  
i wondered if it could be a door but the

62  
00:02:11,430 --> 00:02:09,119  
opening was quite narrow

63  
00:02:12,150 --> 00:02:11,440

a small person such as myself would

64

00:02:14,390 --> 00:02:12,160

maybe fit

65

00:02:15,510 --> 00:02:14,400

but say my husband would have trouble

66

00:02:17,910 --> 00:02:15,520

fitting through

67

00:02:18,630 --> 00:02:17,920

stepping closer i noticed a small plaque

68

00:02:21,030 --> 00:02:18,640

that said

69

00:02:23,190 --> 00:02:21,040

keep shut at all times i opened it

70

00:02:23,510 --> 00:02:23,200

anyway there really wasn't anything to

71

00:02:25,670 --> 00:02:23,520

see

72

00:02:26,790 --> 00:02:25,680

though it was really dark inside and the

73

00:02:29,110 --> 00:02:26,800

light from the basement

74

00:02:30,949 --> 00:02:29,120

was way too dim to light it at all from

75

00:02:32,070 --> 00:02:30,959

inside came a clicking or snapping kind

76  
00:02:34,150 --> 00:02:32,080  
of noise

77  
00:02:35,910 --> 00:02:34,160  
not quite rhythmic but frequent enough

78  
00:02:36,790 --> 00:02:35,920  
that i thought it maybe was some type of

79  
00:02:38,869 --> 00:02:36,800  
machine

80  
00:02:40,710 --> 00:02:38,879  
i didn't dare sticking my head or limbs

81  
00:02:41,509 --> 00:02:40,720  
in for fear of getting electrocuted or

82  
00:02:43,350 --> 00:02:41,519  
cut in half

83  
00:02:45,750 --> 00:02:43,360  
so i shut the hatch and resolved to take

84  
00:02:47,750 --> 00:02:45,760  
a look when i unpacked my flashlight

85  
00:02:50,790 --> 00:02:47,760  
the following days things got pretty

86  
00:02:52,790 --> 00:02:50,800  
weird on monday the dogs were going nuts

87  
00:02:54,390 --> 00:02:52,800  
as soon as the first one stopped barking

88  
00:02:56,390 --> 00:02:54,400

the other would start again

89

00:02:58,070 --> 00:02:56,400

they were just barking into nothing dark

90

00:02:58,869 --> 00:02:58,080

corners of the ceilings and rooms that

91

00:03:01,110 --> 00:02:58,879

were lit

92

00:03:01,910 --> 00:03:01,120

tuesday the dogs fortunately had quieted

93

00:03:04,070 --> 00:03:01,920

down

94

00:03:06,070 --> 00:03:04,080

however that night while making dinner

95

00:03:08,470 --> 00:03:06,080

in the kitchen i heard the same clicking

96

00:03:09,990 --> 00:03:08,480

that came from a space behind the hatch

97

00:03:11,670 --> 00:03:10,000

it originated from the corner of the

98

00:03:13,110 --> 00:03:11,680

living room that was only barely

99

00:03:13,910 --> 00:03:13,120

illuminated by the light from the

100

00:03:15,670 --> 00:03:13,920

kitchen

101  
00:03:16,949 --> 00:03:15,680  
i approached quietly but when i was

102  
00:03:19,110 --> 00:03:16,959  
about to flip the switch

103  
00:03:20,710 --> 00:03:19,120  
one of the dogs flew past me and barked

104  
00:03:22,149 --> 00:03:20,720  
at whatever it was that made the noise

105  
00:03:23,990 --> 00:03:22,159  
and the noise stop

106  
00:03:25,990 --> 00:03:24,000  
i turned on the light but nothing was

107  
00:03:27,670 --> 00:03:26,000  
there when i called my husband

108  
00:03:29,589 --> 00:03:27,680  
that night i told him i thought we had

109  
00:03:32,390 --> 00:03:29,599  
an infestation of some sort

110  
00:03:33,190 --> 00:03:32,400  
then at night things got really weird i

111  
00:03:35,350 --> 00:03:33,200  
was in bed

112  
00:03:37,030 --> 00:03:35,360  
sleeping soundly when i woke up from one

113  
00:03:38,390 --> 00:03:37,040

of the dogs scratching the door from

114

00:03:40,229 --> 00:03:38,400

outside the bedroom

115

00:03:42,229 --> 00:03:40,239

i cringe as i heard his nails drag

116

00:03:43,030 --> 00:03:42,239

across the fresh paint but i didn't let

117

00:03:44,869 --> 00:03:43,040

it in

118

00:03:46,390 --> 00:03:44,879

almost immediately i drifted back to

119

00:03:48,309 --> 00:03:46,400

sleep that morning

120

00:03:50,470 --> 00:03:48,319

one of the dogs decided to pull me out

121

00:03:51,270 --> 00:03:50,480

of my slumber by aggressively licking my

122

00:03:53,270 --> 00:03:51,280

face

123

00:03:54,630 --> 00:03:53,280

i gruggily pushed it off and pulled the

124

00:03:56,710 --> 00:03:54,640

sheets over my face

125

00:03:58,630 --> 00:03:56,720

when i remembered the scratching i

126

00:03:59,670 --> 00:03:58,640

cursed and hastily got up to check if

127

00:04:01,589 --> 00:03:59,680

he'd ruined the door

128

00:04:03,670 --> 00:04:01,599

but then i noticed both the dogs were in

129

00:04:05,830 --> 00:04:03,680

my bedroom whatever it scratched the

130

00:04:07,670 --> 00:04:05,840

door last night was not one of my dogs

131

00:04:10,630 --> 00:04:07,680

oh and it ruined the door by the way

132

00:04:12,390 --> 00:04:10,640

nice also when i went down for breakfast

133

00:04:13,429 --> 00:04:12,400

i noticed the bowl of dog food was

134

00:04:14,869 --> 00:04:13,439

completely empty

135

00:04:17,349 --> 00:04:14,879

even though i just fulfilled it the

136

00:04:19,110 --> 00:04:17,359

night before when i called my husband

137

00:04:21,030 --> 00:04:19,120

that evening i told him i thought we had

138

00:04:22,550 --> 00:04:21,040

an infestation of something big

139

00:04:24,469 --> 00:04:22,560

you might think that i would have been

140

00:04:26,230 --> 00:04:24,479

scared at this point but i hadn't quite

141

00:04:26,790 --> 00:04:26,240

connected the dots and we live in an old

142

00:04:29,350 --> 00:04:26,800

house

143

00:04:31,189 --> 00:04:29,360

so i figured anything was possible after

144

00:04:31,590 --> 00:04:31,199

calling my husband i sat down with a

145

00:04:33,830 --> 00:04:31,600

book

146

00:04:35,189 --> 00:04:33,840

and a glass of wine out on the porch

147

00:04:37,110 --> 00:04:35,199

despite it being november

148

00:04:38,710 --> 00:04:37,120

the weather this week was quite pleasant

149

00:04:40,550 --> 00:04:38,720

and i love feeling the cold breeze

150

00:04:41,670 --> 00:04:40,560

across my cheeks as i'm tucked under a

151  
00:04:43,510 --> 00:04:41,680  
warm blanket

152  
00:04:45,430 --> 00:04:43,520  
i hadn't really noticed how exhausting

153  
00:04:47,270 --> 00:04:45,440  
this week had been but not 10 minutes

154  
00:04:49,270 --> 00:04:47,280  
into reading i fell asleep

155  
00:04:51,270 --> 00:04:49,280  
it must have been past midnight when i

156  
00:04:53,110 --> 00:04:51,280  
woke up from the motion activated lights

157  
00:04:55,030 --> 00:04:53,120  
in the backyard switching on

158  
00:04:56,870 --> 00:04:55,040  
half asleep i turned to look and what i

159  
00:04:58,950 --> 00:04:56,880  
saw shocked me wide awake

160  
00:05:00,310 --> 00:04:58,960  
about 30 feet away stood a tall slender

161  
00:05:01,909 --> 00:05:00,320  
humanoid figure

162  
00:05:03,749 --> 00:05:01,919  
it was hunched over as it drank from the

163  
00:05:05,029 --> 00:05:03,759

bird bath we had just put in the garden

164

00:05:06,950 --> 00:05:05,039

a few days ago

165

00:05:09,189 --> 00:05:06,960

for a few seconds i just sat there

166

00:05:11,270 --> 00:05:09,199

frozen in fear watching a drink

167

00:05:13,029 --> 00:05:11,280

the creature had long thin limbs and the

168

00:05:14,950 --> 00:05:13,039

skin was pitch black

169

00:05:17,029 --> 00:05:14,960

like a shadow that just rose from the

170

00:05:18,950 --> 00:05:17,039

pavement and became a person

171

00:05:20,870 --> 00:05:18,960

it seemed emaciated the bones were

172

00:05:23,029 --> 00:05:20,880

sticking out so far under its dry skin

173

00:05:25,590 --> 00:05:23,039

to look as if they were gonna pop out

174

00:05:27,350 --> 00:05:25,600

and when it rose up his face god that

175

00:05:29,270 --> 00:05:27,360

face will haunt me forever

176

00:05:30,390 --> 00:05:29,280

his clouded gray eyes lay way too deep

177

00:05:32,710 --> 00:05:30,400

in its skull

178

00:05:33,590 --> 00:05:32,720

the worst part though was the mouth it

179

00:05:35,670 --> 00:05:33,600

was so big

180

00:05:37,430 --> 00:05:35,680

and it had so many teeth and it was

181

00:05:38,790 --> 00:05:37,440

somehow contorted in what almost seemed

182

00:05:40,790 --> 00:05:38,800

to be a smile

183

00:05:42,550 --> 00:05:40,800

and it was looking right at me for a

184

00:05:44,230 --> 00:05:42,560

second i thought that was the end of me

185

00:05:46,710 --> 00:05:44,240

but then it just backed away into the

186

00:05:48,550 --> 00:05:46,720

darkness as it sunk into the shadows had

187

00:05:50,310 --> 00:05:48,560

become immediately invisible

188

00:05:52,150 --> 00:05:50,320

i heard the leaves wrestle further into

189

00:05:53,909 --> 00:05:52,160

the woods and it was gone

190

00:05:56,550 --> 00:05:53,919

i locked myself in the dogs in the

191

00:05:58,390 --> 00:05:56,560

bathroom and quietly cried until sunrise

192

00:06:00,710 --> 00:05:58,400

i eventually gathered up the courage to

193

00:06:02,629 --> 00:06:00,720

get out that was this morning

194

00:06:05,590 --> 00:06:02,639

i called my husband and told him

195

00:06:07,590 --> 00:06:05,600

everything he said he'd come over asap

196

00:06:09,990 --> 00:06:07,600

he should be here before dinner i

197

00:06:12,309 --> 00:06:10,000

decided to unpack some more boxes today

198

00:06:13,990 --> 00:06:12,319

to take my mind off of it all but while

199

00:06:15,909 --> 00:06:14,000

putting more boxes in the basement

200

00:06:17,189 --> 00:06:15,919

to my horror i discovered the hatch was

201

00:06:20,390 --> 00:06:17,199

all the way open

202

00:06:23,029 --> 00:06:20,400

i definitely closed it sunday i'm 100

203

00:06:23,749 --> 00:06:23,039

sure i must not have locked it whatever

204

00:06:31,749 --> 00:06:23,759

was in there

205

00:06:35,350 --> 00:06:33,749

a known creature worries residents in

206

00:06:37,430 --> 00:06:35,360

southeastern minnesota

207

00:06:38,950 --> 00:06:37,440

i had a very scary experience with

208

00:06:40,390 --> 00:06:38,960

something that might have been a weird

209

00:06:42,629 --> 00:06:40,400

creature cryptid thing

210

00:06:43,830 --> 00:06:42,639

this happened very recently i believe

211

00:06:47,029 --> 00:06:43,840

about three days ago

212

00:06:48,950 --> 00:06:47,039

on the 1st of august 2020 so i was at my

213

00:06:50,629 --> 00:06:48,960

girlfriend's house for the weekend which

214

00:06:52,390 --> 00:06:50,639

i'm at her house pretty much every

215

00:06:54,230 --> 00:06:52,400

weekend friday through sunday

216

00:06:56,710 --> 00:06:54,240

so that in and of itself wasn't out of

217

00:06:57,270 --> 00:06:56,720

the usual we both recently started

218

00:06:59,110 --> 00:06:57,280

college

219

00:07:01,830 --> 00:06:59,120

so she still currently lives with both

220

00:07:04,950 --> 00:07:01,840

her mom and dad and two younger brothers

221

00:07:07,270 --> 00:07:04,960

it was between 3 40 a.m and 4 15 a.m

222

00:07:09,270 --> 00:07:07,280

when the actual creepy stuff began

223

00:07:11,589 --> 00:07:09,280

everyone else in the house was asleep

224

00:07:13,350 --> 00:07:11,599

except for my girlfriend and i since we

225

00:07:15,430 --> 00:07:13,360

always tend to stay up late playing

226

00:07:17,430 --> 00:07:15,440

video games or watching movies

227

00:07:19,670 --> 00:07:17,440

we had just finished watching a movie

228

00:07:21,749 --> 00:07:19,680

and we were getting ready to go to sleep

229

00:07:23,110 --> 00:07:21,759

i was getting changed into shorts and a

230

00:07:24,870 --> 00:07:23,120

t-shirt to sleep in

231

00:07:26,629 --> 00:07:24,880

and my girlfriend went to the kitchen to

232

00:07:28,710 --> 00:07:26,639

get us both a glass of water

233

00:07:30,309 --> 00:07:28,720

since her room can get extremely hot and

234

00:07:32,230 --> 00:07:30,319

stuffy during the summer

235

00:07:34,150 --> 00:07:32,240

so after getting changed i was just

236

00:07:36,309 --> 00:07:34,160

chilling on the bean bag in her room

237

00:07:38,390 --> 00:07:36,319

waiting for her to get back at this

238

00:07:40,309 --> 00:07:38,400

point i should explain the basic layout

239

00:07:41,670 --> 00:07:40,319

of where she lives or this next part

240

00:07:43,589 --> 00:07:41,680

could get confusing

241

00:07:45,430 --> 00:07:43,599

so her house is about eight minutes out

242

00:07:47,189 --> 00:07:45,440

of city limits and she has a long

243

00:07:48,950 --> 00:07:47,199

driveway that goes from the road up a

244

00:07:50,950 --> 00:07:48,960

hill that leads to her house

245

00:07:52,230 --> 00:07:50,960

her house is surrounded by trees and

246

00:07:53,909 --> 00:07:52,240

fairly dense forest

247

00:07:55,270 --> 00:07:53,919

and her nearest neighbors are a good

248

00:07:57,189 --> 00:07:55,280

couple minutes away

249

00:07:59,510 --> 00:07:57,199

at the end of her driveway is a motion

250

00:08:01,510 --> 00:07:59,520

sensor that when activated by movement

251  
00:08:04,150 --> 00:08:01,520  
then makes three loud beeps inside the

252  
00:08:05,110 --> 00:08:04,160  
house her dad is a fairly high ranking

253  
00:08:07,270 --> 00:08:05,120  
military man

254  
00:08:09,430 --> 00:08:07,280  
so he definitely takes precautions and

255  
00:08:10,230 --> 00:08:09,440  
safety measures to ensure his family's

256  
00:08:12,230 --> 00:08:10,240  
safety

257  
00:08:14,550 --> 00:08:12,240  
so like i said before she was in the

258  
00:08:16,710 --> 00:08:14,560  
kitchen alone between three and four am

259  
00:08:18,390 --> 00:08:16,720  
and i was still in her bedroom her

260  
00:08:20,070 --> 00:08:18,400  
kitchen is down the hallway and through

261  
00:08:20,390 --> 00:08:20,080  
the living room from where her bedroom

262  
00:08:22,230 --> 00:08:20,400  
is

263  
00:08:23,589 --> 00:08:22,240

so she should have been back within just

264

00:08:25,589 --> 00:08:23,599

a minute or two

265

00:08:26,629 --> 00:08:25,599

she was taking at least triple the usual

266

00:08:28,550 --> 00:08:26,639

amount of time

267

00:08:29,909 --> 00:08:28,560

and right before i was going to head to

268

00:08:31,670 --> 00:08:29,919

the kitchen to check on her

269

00:08:33,670 --> 00:08:31,680

she walked around the hallway corner

270

00:08:35,909 --> 00:08:33,680

with a worried look on her face

271

00:08:37,750 --> 00:08:35,919

she can be spooked pretty easily so i

272

00:08:39,750 --> 00:08:37,760

wasn't that alarmed at first

273

00:08:42,070 --> 00:08:39,760

she handed me the water and then started

274

00:08:42,709 --> 00:08:42,080

to quickly explain why she had taken so

275

00:08:44,550 --> 00:08:42,719

long

276

00:08:46,470 --> 00:08:44,560

she pretty much said that while she was

277

00:08:48,470 --> 00:08:46,480

at the kitchen sink filling up water

278

00:08:50,470 --> 00:08:48,480

she heard a whining sound from outside

279

00:08:52,710 --> 00:08:50,480

the two windows next to the sink

280

00:08:54,790 --> 00:08:52,720

she figured it was one of her two dogs

281

00:08:55,430 --> 00:08:54,800

and decided to go to the garage to check

282

00:08:57,190 --> 00:08:55,440

on them

283

00:08:58,470 --> 00:08:57,200

they were both curled up in their kennel

284

00:09:00,710 --> 00:08:58,480

when she opened the door

285

00:09:02,550 --> 00:09:00,720

asleep and had only just been woken up

286

00:09:03,110 --> 00:09:02,560

by her turning the light on to check on

287

00:09:05,110 --> 00:09:03,120

them

288

00:09:07,430 --> 00:09:05,120

she told me at that point she was pretty

289

00:09:09,110 --> 00:09:07,440

confused and slightly uneasy

290

00:09:11,110 --> 00:09:09,120

she walked back into the kitchen and

291

00:09:13,110 --> 00:09:11,120

heard this really deep weird bark

292

00:09:14,310 --> 00:09:13,120

coming again from somewhere outside the

293

00:09:16,070 --> 00:09:14,320

kitchen windows

294

00:09:18,310 --> 00:09:16,080

and please note that it was three or

295

00:09:19,030 --> 00:09:18,320

four am so it's nearly pitch black

296

00:09:21,190 --> 00:09:19,040

outside

297

00:09:23,590 --> 00:09:21,200

especially since the dense trees around

298

00:09:25,509 --> 00:09:23,600

their house block out a lot of moonlight

299

00:09:27,350 --> 00:09:25,519

she told me she couldn't see anything

300

00:09:27,910 --> 00:09:27,360

and she hurried back to the room to tell

301  
00:09:30,310 --> 00:09:27,920  
me

302  
00:09:32,710 --> 00:09:30,320  
i was slightly skeptical at first since

303  
00:09:34,630 --> 00:09:32,720  
i assumed it was in fact just the dogs

304  
00:09:36,230 --> 00:09:34,640  
and that my girlfriend was just really

305  
00:09:38,070 --> 00:09:36,240  
tired and tripping out

306  
00:09:40,389 --> 00:09:38,080  
so i agree to follow her back to the

307  
00:09:41,670 --> 00:09:40,399  
kitchen at first i heard nothing for a

308  
00:09:43,829 --> 00:09:41,680  
good two minutes

309  
00:09:44,790 --> 00:09:43,839  
so i decided to try and recreate what

310  
00:09:47,590 --> 00:09:44,800  
she had done

311  
00:09:49,509 --> 00:09:47,600  
i walk in turn on the sink and wait

312  
00:09:51,590 --> 00:09:49,519  
after another two minutes go by

313  
00:09:53,750 --> 00:09:51,600

i hear the same freaky whining sound

314

00:09:56,389 --> 00:09:53,760

coming from outside the windows

315

00:09:57,910 --> 00:09:56,399

it sounded so much like a wounded animal

316

00:09:58,870 --> 00:09:57,920

i had her turn the lights on in the

317

00:10:00,949 --> 00:09:58,880

garage again

318

00:10:01,910 --> 00:10:00,959

which slightly lit up the area outside

319

00:10:04,310 --> 00:10:01,920

the windows

320

00:10:05,110 --> 00:10:04,320

but again no sign of any animals or

321

00:10:07,110 --> 00:10:05,120

anything

322

00:10:09,110 --> 00:10:07,120

she turns off the light and we hear the

323

00:10:10,949 --> 00:10:09,120

whining sound getting farther away

324

00:10:12,470 --> 00:10:10,959

almost as if the creature had fled up

325

00:10:13,509 --> 00:10:12,480

the hill near the kitchen and towards

326

00:10:15,190 --> 00:10:13,519

the forest

327

00:10:17,509 --> 00:10:15,200

that was when we realized that it was

328

00:10:19,590 --> 00:10:17,519

scared or sensitive to the lights

329

00:10:21,829 --> 00:10:19,600

so we left the kitchen and went back to

330

00:10:23,910 --> 00:10:21,839

her room at this point i was pretty

331

00:10:24,870 --> 00:10:23,920

spooked and i wanted to make sure that

332

00:10:27,269 --> 00:10:24,880

whatever it was

333

00:10:28,870 --> 00:10:27,279

had been scared off for good so we go

334

00:10:29,430 --> 00:10:28,880

back into the kitchen after a few

335

00:10:31,509 --> 00:10:29,440

minutes

336

00:10:33,430 --> 00:10:31,519

both armed with decently sized knives

337

00:10:34,389 --> 00:10:33,440

that my girlfriend has in her room for

338

00:10:36,389 --> 00:10:34,399

protection

339

00:10:37,750 --> 00:10:36,399

five minutes go by in the kitchen and

340

00:10:40,230 --> 00:10:37,760

it's just silent

341

00:10:42,150 --> 00:10:40,240

but then the whining starts up again and

342

00:10:43,910 --> 00:10:42,160

then a weird sad barking sound

343

00:10:46,230 --> 00:10:43,920

like something imitating an injured

344

00:10:47,590 --> 00:10:46,240

animal was maybe 10 feet outside the

345

00:10:49,990 --> 00:10:47,600

kitchen windows

346

00:10:51,829 --> 00:10:50,000

and in that moment i realized something

347

00:10:53,910 --> 00:10:51,839

there's no reason some creature would

348

00:10:55,829 --> 00:10:53,920

try to imitate injured animal sounds

349

00:10:57,030 --> 00:10:55,839

unless it wanted to lure us out and

350

00:10:59,269 --> 00:10:57,040

cause us harm

351  
00:11:01,269 --> 00:10:59,279  
so i get slightly pissed off at it and i

352  
00:11:03,590 --> 00:11:01,279  
start yelling at it to go away

353  
00:11:05,350 --> 00:11:03,600  
it goes silent and i hear very slight

354  
00:11:07,430 --> 00:11:05,360  
movement outside the windows

355  
00:11:09,350 --> 00:11:07,440  
and then a weird sound almost as if

356  
00:11:10,710 --> 00:11:09,360  
something was moving alongside the wall

357  
00:11:12,389 --> 00:11:10,720  
ride under the window

358  
00:11:14,150 --> 00:11:12,399  
then whatever it was lets out this

359  
00:11:16,389 --> 00:11:14,160  
really disturbing and unnatural

360  
00:11:17,190 --> 00:11:16,399  
sound almost like a loud groaning growl

361  
00:11:19,509 --> 00:11:17,200  
hybrid

362  
00:11:21,269 --> 00:11:19,519  
and let me tell you my girlfriend and i

363  
00:11:23,430 --> 00:11:21,279

looked at each other and just sprinted

364

00:11:25,269 --> 00:11:23,440

out of the kitchen without a single word

365

00:11:27,750 --> 00:11:25,279

we hid in her room until we passed out

366

00:11:29,829 --> 00:11:27,760

at some point around five or six am

367

00:11:31,030 --> 00:11:29,839

we had talked it over listened to a ton

368

00:11:33,110 --> 00:11:31,040

of animal noises

369

00:11:35,269 --> 00:11:33,120

and not a single one got anywhere close

370

00:11:37,190 --> 00:11:35,279

to that final unnatural sound

371

00:11:38,389 --> 00:11:37,200

i wouldn't even be able to accurately

372

00:11:40,310 --> 00:11:38,399

mimic the sound

373

00:11:42,790 --> 00:11:40,320

it was so eerie and haunting and i can

374

00:11:44,069 --> 00:11:42,800

still hear it in my head so we did some

375

00:11:45,910 --> 00:11:44,079

research the next day

376

00:11:47,269 --> 00:11:45,920

and there are a few known possibilities

377

00:11:49,590 --> 00:11:47,279

that we came up with

378

00:11:51,110 --> 00:11:49,600

werewolf skinwalker or some type of

379

00:11:53,110 --> 00:11:51,120

shapeshifter perhaps

380

00:11:55,190 --> 00:11:53,120

we looked around outside in the morning

381

00:11:57,509 --> 00:11:55,200

and there was no blood and no tracks

382

00:11:59,430 --> 00:11:57,519

so definitely not an injured animal

383

00:12:00,870 --> 00:11:59,440

however on the hill about 10 feet in

384

00:12:03,030 --> 00:12:00,880

front of the kitchen windows

385

00:12:05,190 --> 00:12:03,040

we saw too heavy and dents in the ground

386

00:12:06,870 --> 00:12:05,200

and then flattened grass leading up

387

00:12:08,310 --> 00:12:06,880

we decided to tell one of my

388

00:12:09,110 --> 00:12:08,320

girlfriend's brothers about our

389

00:12:11,350 --> 00:12:09,120

experience

390

00:12:13,590 --> 00:12:11,360

so that he could help test something we

391

00:12:14,790 --> 00:12:13,600

had one person go inside to the kitchen

392

00:12:16,790 --> 00:12:14,800

sink near the windows

393

00:12:18,790 --> 00:12:16,800

and the others walk around in various

394

00:12:19,350 --> 00:12:18,800

different places near the windows making

395

00:12:20,949 --> 00:12:19,360

sounds

396

00:12:22,629 --> 00:12:20,959

to try and triangulate where the

397

00:12:24,790 --> 00:12:22,639

creature had been standing

398

00:12:26,550 --> 00:12:24,800

we concluded it was at one point no more

399

00:12:28,310 --> 00:12:26,560

than five feet from the windows

400

00:12:30,150 --> 00:12:28,320

and then at another point had fled up

401  
00:12:32,470 --> 00:12:30,160  
the hill which matched with the trampled

402  
00:12:34,150 --> 00:12:32,480  
grass and indents leading up the hill

403  
00:12:36,230 --> 00:12:34,160  
farther up the hill there's a path that

404  
00:12:38,310 --> 00:12:36,240  
branches and one part of the path is

405  
00:12:40,069 --> 00:12:38,320  
fairly abandoned and overgrown

406  
00:12:42,310 --> 00:12:40,079  
nobody had walked there in at least two

407  
00:12:44,310 --> 00:12:42,320  
years and i followed it to the end

408  
00:12:45,350 --> 00:12:44,320  
and kept going a little farther looking

409  
00:12:47,190 --> 00:12:45,360  
for tracks

410  
00:12:49,190 --> 00:12:47,200  
i did manage to find something

411  
00:12:51,509 --> 00:12:49,200  
interesting three foot tall ferns and

412  
00:12:53,750 --> 00:12:51,519  
brambles almost completely flattened and

413  
00:12:55,590 --> 00:12:53,760

a few twigs snapped perfectly in half

414

00:12:57,190 --> 00:12:55,600

as if something decently large had

415

00:12:59,430 --> 00:12:57,200

walked through that area in a hurry

416

00:13:01,509 --> 00:12:59,440

and it seemed very recent we then

417

00:13:02,069 --> 00:13:01,519

decided to tell my girlfriend's parents

418

00:13:04,629 --> 00:13:02,079

about it

419

00:13:06,629 --> 00:13:04,639

and her dad seemed especially interested

420

00:13:08,550 --> 00:13:06,639

he told us that the wood panels on their

421

00:13:09,990 --> 00:13:08,560

pump house had been torn off within the

422

00:13:11,910 --> 00:13:10,000

last couple days

423

00:13:14,150 --> 00:13:11,920

he then took one of their dogs into the

424

00:13:15,269 --> 00:13:14,160

woods and we assume he went to check for

425

00:13:17,750 --> 00:13:15,279

any signs

426

00:13:19,430 --> 00:13:17,760

he came back and about two days later he

427

00:13:21,190 --> 00:13:19,440

installed a camera right next to the

428

00:13:21,990 --> 00:13:21,200

kitchen windows where we heard those

429

00:13:23,829 --> 00:13:22,000

sounds

430

00:13:26,230 --> 00:13:23,839

and again he is a pretty high ranking

431

00:13:27,829 --> 00:13:26,240

military man and he 100

432

00:13:30,230 --> 00:13:27,839

believed that something was there that

433

00:13:32,150 --> 00:13:30,240

night so if anyone has any input

434

00:13:33,350 --> 00:13:32,160

thoughts or explanations that would be

435

00:13:39,110 --> 00:13:33,360

really helpful

436

00:13:42,550 --> 00:13:41,670

this is lon strickler if you like this

437

00:13:44,310 --> 00:13:42,560

program

438

00:13:45,670 --> 00:13:44,320

it would help us if you would give it a

439

00:13:48,550 --> 00:13:45,680

thumbs up

we have many more to come very soon and

by the way
