9
00:00:36,069 --> 00:00:33,830
black cryptid canine observed near

10
00:00:38,389 --> 00:00:36,079
chelmsford essex uk i grew up in the

11
00:00:40,150 --> 00:00:38,399
countryside near chelmsford in essex uk

12
00:00:42,470 --> 00:00:40,160
in 1993.

13
00:00:44,310 --> 00:00:42,480

we lived in a very rural area surrounded

14

00:00:46,389 --> 00:00:44,320

by thick woods and fields

15

00:00:47,510 --> 00:00:46,399

there was a small farm down a single

16

00:00:49,270 --> 00:00:47,520

track road

17

00:00:51,350 --> 00:00:49,280

my first encounter of this thing that i

18

00:00:54,150 --> 00:00:51,360

can only describe as a beast was in our

19

00:00:55,110 --> 00:00:54,160

garden at about 11 30 pm when i was 14

20

00:00:57,350 --> 00:00:55,120

years old

21

00:00:58,790 --> 00:00:57,360

my stepdad had just driven back from the

22

00:00:59,349 --> 00:00:58,800

parliament was in the kitchen making

23

00:01:01,910 --> 00:00:59,359

toast

24

00:01:03,910 --> 00:01:01,920

and i went down to get a drink of water

25

00:01:05,910 --> 00:01:03,920

the back garden floodlight was switched

26

00:01:06,870 --> 00:01:05,920

to off as it was very blinding when it

27

00:01:08,870 --> 00:01:06,880

came on

28

00:01:10,710 --> 00:01:08,880

my step-dad noticed something moving

29

00:01:11,590 --> 00:01:10,720

about in the garden from looking out of

30

00:01:13,750 --> 00:01:11,600

the window

31

00:01:15,350 --> 00:01:13,760

he questioned it so i took a look and as

32

00:01:16,950 --> 00:01:15,360

we tried to work out what it was he

33

00:01:19,590 --> 00:01:16,960

switched the floodlight on

34

00:01:21,429 --> 00:01:19,600

plain as day this thing was on all fours

35

00:01:24,230 --> 00:01:21,439

drinking water from the pond

36

00:01:25,670 --> 00:01:24,240

it was huge it was black and very wide

37

00:01:27,910 --> 00:01:25,680

and very muscular

38

00:01:29,590 --> 00:01:27,920

it turned and looked towards the house

39

00:01:30,789 --> 00:01:29,600

assuming it couldn't see us from the

40

00:01:33,270 --> 00:01:30,799

blinding light

41

00:01:35,590 --> 00:01:33,280

i've never seen anything like it its

42

00:01:36,069 --> 00:01:35,600

face was just like a dog but it looked

43

00:01:38,310 --> 00:01:36,079

fizz

44

00:01:40,310 --> 00:01:38,320

and its features were very strong

45

00:01:41,030 --> 00:01:40,320

covered in thick black hair from head to

46

00:01:43,270 --> 00:01:41,040

toe

47

00:01:45,670 --> 00:01:43,280

my stepdad and i just stood there in

48

00:01:48,149 --> 00:01:45,680

shock it moved away from the pond

49

00:01:49,830 --> 00:01:48,159

stood up on its back legs and left over

50

00:01:52,630 --> 00:01:49,840

the end garden hedge

51
00:01:53,670 --> 00:01:52,640
this hedge was about 10 feet tall then

52
00:01:55,990 --> 00:01:53,680
it was gone

53
00:01:57,270 --> 00:01:56,000
my stepdad turned off the light and told

54
00:01:59,190 --> 00:01:57,280
me to get to bed

55
00:02:01,670 --> 00:01:59,200
the next morning he told me that we were

56
00:02:03,590 --> 00:02:01,680
never to discuss what we saw again

57
00:02:05,670 --> 00:02:03,600
whenever i tried to mention it he just

58
00:02:07,749 --> 00:02:05,680
denied it as if it never happened

59
00:02:09,830 --> 00:02:07,759
another time i was walking my friend

60
00:02:10,550 --> 00:02:09,840
home across the fields past the farm

61
00:02:12,229 --> 00:02:10,560
barn

62
00:02:13,990 --> 00:02:12,239
there was a large broken hole in the

63
00:02:15,670 --> 00:02:14,000

side of the barn which we had to walk

64

00:02:18,630 --> 00:02:15,680

past to get down the track

65

00:02:20,390 --> 00:02:18,640

it was around lunchtime so daylight as

66

00:02:22,390 --> 00:02:20,400

we got closer to the barn we both

67

00:02:24,470 --> 00:02:22,400

noticed this animal edged inside of the

68

00:02:27,190 --> 00:02:24,480

barn looking out of the hole at us

69

00:02:29,190 --> 00:02:27,200

it moved and i knew i'd seen it before

70

00:02:30,309 --> 00:02:29,200

we both questioned it but decided to

71

00:02:32,229 --> 00:02:30,319

back off slowly

72

00:02:34,630 --> 00:02:32,239

and it moved further backwards into the

73

00:02:36,550 --> 00:02:34,640

barn we walked back to my house

74

00:02:39,030 --> 00:02:36,560

very quickly and never went down there

75

00:02:40,710 --> 00:02:39,040

again we had a few neighbors in the area

76

00:02:42,470 --> 00:02:40,720

who all said that they had heard weird

77

00:02:45,190 --> 00:02:42,480

howling noises at night

78

00:02:46,869 --> 00:02:45,200

but quickly were convinced it was foxes

79

00:02:49,509 --> 00:02:46,879

having lived in the countryside

80

00:02:51,350 --> 00:02:49,519

i know what foxes sound like these

81

00:02:53,190 --> 00:02:51,360

houndings were not of a fox

82

00:02:55,270 --> 00:02:53,200

there was one report sent to the police

83

00:02:57,350 --> 00:02:55,280

about an unusual animal in the area

84

00:02:59,270 --> 00:02:57,360

after something huge ran out in front of

85

00:03:01,350 --> 00:02:59,280

the dog walker into the woods

86

00:03:02,470 --> 00:03:01,360

the dogs refused to walk near where the

87

00:03:04,470 --> 00:03:02,480

animal was and sat

88

00:03:05,990 --> 00:03:04,480

whimpering then it shot out across the

89

00:03:08,229 --> 00:03:06,000

field into the woods

90

00:03:10,470 --> 00:03:08,239

the police got a casting of some prince

91

00:03:11,910 --> 00:03:10,480

but then it all went hush and never to

92

00:03:14,390 --> 00:03:11,920

be mentioned again

93

00:03:16,550 --> 00:03:14,400

so this is my personal experience and i

94

00:03:17,589 --> 00:03:16,560

am thankful that i no longer live in

95

00:03:19,650 --> 00:03:17,599

essex

96

00:03:24,949 --> 00:03:19,660

name with help

97

00:03:28,630 --> 00:03:26,789

huge upright canine encountered in

98

00:03:31,110 --> 00:03:28,640

jefferson township ohio

99

00:03:33,509 --> 00:03:31,120

one night in 2005 we had crossed onto

100

00:03:36,390 --> 00:03:33,519

stacy road in jefferson township ohio

101
00:03:38,390 --> 00:03:36,400
going between 30 and 35 miles per hour

102
00:03:38,869 --> 00:03:38,400
just after the first bend near a juniper

103
00:03:40,869 --> 00:03:38,879
tree

104
00:03:42,390 --> 00:03:40,879
i saw something in my headlights

105
00:03:43,670 --> 00:03:42,400
squatting her sitting in the ditch was

106
00:03:45,910 --> 00:03:43,680
something bigger than a man

107
00:03:48,070 --> 00:03:45,920
and covered with fur from head to toe it

108
00:03:50,550 --> 00:03:48,080
had a definite dog shaped head and large

109
00:03:52,309 --> 00:03:50,560
ears i watched in disbelief as we passed

110
00:03:54,070 --> 00:03:52,319
this thing with my other three friends

111
00:03:55,030 --> 00:03:54,080
in the van also looking on and awe and

112
00:03:56,630 --> 00:03:55,040
hysteria

113
00:03:58,630 --> 00:03:56,640

as it looked through the passenger side

114

00:04:00,869 --> 00:03:58,640

window of the van at us its eyes had a

115

00:04:02,789 --> 00:04:00,879

yellowish color reflecting the moonlight

116

00:04:03,990 --> 00:04:02,799

its eyes and face were about level with

117

00:04:05,509 --> 00:04:04,000

the middle of the window

118

00:04:07,429 --> 00:04:05,519

the head looked bigger than a human's

119

00:04:09,190 --> 00:04:07,439

head and was definitely canine

120

00:04:11,350 --> 00:04:09,200

the ear is even more apparent in looking

121

00:04:13,110 --> 00:04:11,360

at it dead on it was close enough

122

00:04:14,789 --> 00:04:13,120

that if that window would have been open

123

00:04:16,390 --> 00:04:14,799

my friend in the passenger seat could

124

00:04:17,909 --> 00:04:16,400

have reached out and touched it

125

00:04:19,909 --> 00:04:17,919

as we passed it and the rear of the

126

00:04:21,590 --> 00:04:19,919

vehicle cleared the creature's position

127

00:04:23,909 --> 00:04:21,600

i saw it get up and cross the road

128

00:04:25,749 --> 00:04:23,919

behind the van its form blotted out the

129

00:04:26,390 --> 00:04:25,759

moonlight briefly as it stepped onto the

130

00:04:28,469 --> 00:04:26,400

road

131

00:04:30,150 --> 00:04:28,479

watching it in my side mirror its third

132

00:04:31,510 --> 00:04:30,160

step carried it into the field on the

133

00:04:33,749 --> 00:04:31,520

other side of the road

134

00:04:34,629 --> 00:04:33,759

by that time my heart was pounding half

135

00:04:36,469 --> 00:04:34,639

out of excitement

136

00:04:38,629 --> 00:04:36,479

and half out of fear from the pure size

137

00:04:39,510 --> 00:04:38,639

of the thing i got a very good look at

138

00:04:41,670 --> 00:04:39,520

it as it crossed

139

00:04:42,790 --> 00:04:41,680

and it was definitely walking by pedally

140

00:04:44,230 --> 00:04:42,800

and digiti grade

141

00:04:46,230 --> 00:04:44,240

and stood well over the height of the

142

00:04:46,950 --> 00:04:46,240

van in the neighborhood of around seven

143

00:04:49,189 --> 00:04:46,960

foot six

144

00:04:50,870 --> 00:04:49,199

if i had to guess it would probably have

145

00:04:51,350 --> 00:04:50,880

weighed in the neighborhood of 400

146

00:04:53,430 --> 00:04:51,360

pounds

147

00:04:55,030 --> 00:04:53,440

based on the size of deer i have skinned

148

00:04:56,870 --> 00:04:55,040

and dressed out in the past

149

00:04:58,790 --> 00:04:56,880

i couldn't tell if a tail was present or

150

00:05:00,550 --> 00:04:58,800

not and couldn't make out a lot of real

151
00:05:02,230 --> 00:05:00,560
detail of the hands or four paws

152
00:05:04,070 --> 00:05:02,240
but i saw what i thought to be at least

153
00:05:05,270 --> 00:05:04,080
two or three fingers on one of the four

154
00:05:07,110 --> 00:05:05,280
limbs of the creature

155
00:05:08,550 --> 00:05:07,120
the other thing that struck me was how

156
00:05:10,150 --> 00:05:08,560
wide its shoulders were

157
00:05:11,909 --> 00:05:10,160
my shoulders are pretty wide from a

158
00:05:13,749 --> 00:05:11,919
human perspective but this thing's

159
00:05:15,590 --> 00:05:13,759
shoulders were absolutely massive

160
00:05:22,830 --> 00:05:15,600
at least three or four inches wider than

161
00:05:27,590 --> 00:05:25,590
robert

162
00:05:29,909 --> 00:05:27,600
report of frightening cryptid canine

163
00:05:31,670 --> 00:05:29,919

encounter near decatur illinois

164

00:05:33,350 --> 00:05:31,680

the witness pulled out of her driveway

165

00:05:34,469 --> 00:05:33,360

onto needle road in hickory point

166

00:05:36,550 --> 00:05:34,479

township illinois

167

00:05:39,029 --> 00:05:36,560

already looking across to the west field

168

00:05:41,670 --> 00:05:39,039

for ran the condition of the corn

169

00:05:43,510 --> 00:05:41,680

then salshi went for about 300 yards and

170

00:05:45,670 --> 00:05:43,520

a left turn onto ash avenue for

171

00:05:47,670 --> 00:05:45,680

approximately one half mile turning

172

00:05:49,830 --> 00:05:47,680

south onto northwest lawn

173

00:05:51,029 --> 00:05:49,840

traveling south now she was going

174

00:05:54,629 --> 00:05:51,039

extremely slow

175

00:05:56,710 --> 00:05:54,639

no more than 25 miles an hour tall corn

176

00:05:58,870 --> 00:05:56,720

border both sides of the road

177

00:06:00,629 --> 00:05:58,880

as she drove she watched for deer and

178

00:06:01,990 --> 00:06:00,639

thought that in another month the corn

179

00:06:04,230 --> 00:06:02,000

will be harvested

180

00:06:05,510 --> 00:06:04,240

the creature had appeared some 60 yards

181

00:06:07,430 --> 00:06:05,520

in front of me

182

00:06:09,749 --> 00:06:07,440

it emerged from the cornfield to the

183

00:06:12,309 --> 00:06:09,759

left east of me on all fours

184

00:06:13,670 --> 00:06:12,319

i tapped the brakes from the offset i

185

00:06:16,710 --> 00:06:13,680

knew it was not a deer

186

00:06:18,309 --> 00:06:16,720

dog or coyote i had started coasting

187

00:06:20,629 --> 00:06:18,319

not knowing which way the thing was

188

00:06:22,870 --> 00:06:20,639

going to go as i coasted

189

00:06:25,189 --> 00:06:22,880

getting closer by the second i could see

190

00:06:27,749 --> 00:06:25,199

it had stopped and started looking north

191

00:06:29,110 --> 00:06:27,759

then south then north again it started

192

00:06:31,430 --> 00:06:29,120

taking small steps

193

00:06:33,510 --> 00:06:31,440

like in a slow motion movement as if it

194

00:06:35,350 --> 00:06:33,520

were contemplating whether to continue

195

00:06:37,909 --> 00:06:35,360

or retreat to the field

196

00:06:38,790 --> 00:06:37,919

however it did not seem alarmed or in a

197

00:06:40,870 --> 00:06:38,800

hurry

198

00:06:42,950 --> 00:06:40,880

two small steps were taken then it

199

00:06:43,909 --> 00:06:42,960

sniffed the ground or was listening or

200

00:06:45,990 --> 00:06:43,919

something

201
00:06:47,270 --> 00:06:46,000
she continued it kept sniffing all the

202
00:06:49,589 --> 00:06:47,280
way to the road's edge

203
00:06:51,430 --> 00:06:49,599
some 10 feet turning its head

204
00:06:54,710 --> 00:06:51,440
continuously north to south

205
00:06:55,589 --> 00:06:54,720
north to south now i was 30 to 40 feet

206
00:06:58,550 --> 00:06:55,599
from it

207
00:07:00,230 --> 00:06:58,560
i kept tapping my brakes at this point

208
00:07:01,350 --> 00:07:00,240
it was at the gravel road edge and

209
00:07:03,350 --> 00:07:01,360
stopped sniffing

210
00:07:04,629 --> 00:07:03,360
then the head turned again as if looking

211
00:07:06,550 --> 00:07:04,639
for traffic

212
00:07:09,589 --> 00:07:06,560
it lifted its head and stepped upon the

213
00:07:11,830 --> 00:07:09,599

road my vehicle is now at a crawl

214

00:07:13,830 --> 00:07:11,840

at approximately halfway across the road

215

00:07:16,390 --> 00:07:13,840

it slowly began to rise

216

00:07:18,230 --> 00:07:16,400

i've never seen anything like this by

217

00:07:20,469 --> 00:07:18,240

the time it got to the other side

218

00:07:21,350 --> 00:07:20,479

it was standing erect on two legs

219

00:07:23,670 --> 00:07:21,360

walking

220

00:07:25,749 --> 00:07:23,680

it moved a snail's pace again turning

221

00:07:28,469 --> 00:07:25,759

its head from side to side

222

00:07:29,909 --> 00:07:28,479

i'm now less than 20 feet away

223

00:07:32,070 --> 00:07:29,919

approaching the west side of the

224

00:07:33,430 --> 00:07:32,080

cornfield its left appendage reached out

225

00:07:36,150 --> 00:07:33,440

and pulled back the corn

226

00:07:36,790 --> 00:07:36,160

as if opening a curtain as it went into

227

00:07:39,189 --> 00:07:36,800

the corn

228

00:07:41,670 --> 00:07:39,199

i was all but even with it then it

229

00:07:44,469 --> 00:07:41,680

immediately disappeared into the field

230

00:07:45,189 --> 00:07:44,479

the vehicle was at a dead stop i even

231

00:07:47,909 --> 00:07:45,199

backed up

232

00:07:49,189 --> 00:07:47,919

then pulled forward but could not see it

233

00:07:51,589 --> 00:07:49,199

her description was

234

00:07:53,430 --> 00:07:51,599

straggly long hair hanging two inches

235

00:07:55,350 --> 00:07:53,440

off its upper arms

236

00:07:57,589 --> 00:07:55,360

back hair was thick looking as if it was

237

00:07:59,909 --> 00:07:57,599

in need of a really good brushing

238

00:08:00,950 --> 00:07:59,919

its tail was about a foot long straight

239

00:08:02,869 --> 00:08:00,960

and bushy

240

00:08:04,710 --> 00:08:02,879

ears were located on the side of its

241

00:08:07,189 --> 00:08:04,720

head and the size of a human

242

00:08:07,830 --> 00:08:07,199

teardrop shaped with hair hanging off of

243

00:08:10,150 --> 00:08:07,840

them

244

00:08:11,189 --> 00:08:10,160

the corn was seven foot tall and this

245

00:08:14,070 --> 00:08:11,199

critter was at least

246

00:08:15,189 --> 00:08:14,080

six foot tall it was so thin like

247

00:08:16,869 --> 00:08:15,199

undernourished

248

00:08:18,629 --> 00:08:16,879

the hair color was reddish brown

249

00:08:21,510 --> 00:08:18,639

possibly due to the sunshine

250

00:08:23,110 --> 00:08:21,520

it was bright that day my only memory of

251

00:08:25,670 --> 00:08:23,120

the eyes is dark

252

00:08:27,270 --> 00:08:25,680

the muzzle was like a wolf it never

253

00:08:29,670 --> 00:08:27,280

opened its mouth

254

00:08:31,270 --> 00:08:29,680

long hair was also hanging off its paws

255

00:08:33,829 --> 00:08:31,280

or whatever they were

256

00:08:36,230 --> 00:08:33,839

i didn't get a look at the feet it never

257

00:08:37,190 --> 00:08:36,240

made a sound and i didn't smell anything

258

00:08:39,269 --> 00:08:37,200

strange

259

00:08:41,670 --> 00:08:39,279

it never really looked at me more like

260

00:08:50,790 --> 00:08:41,680

it was looking through mere past me

261

00:08:55,269 --> 00:08:52,949

a prey cryptid canine patch ace vehicle

262

00:08:56,949 --> 00:08:55,279

near hughes national park zimbabwe

263

00:08:59,190 --> 00:08:56,959

the encounter i'm going tell happened

264

00:09:01,269 --> 00:08:59,200

near hughes national park in zimbabwe

265

00:09:03,269 --> 00:09:01,279

last year while a father and son were on

266

00:09:05,350 --> 00:09:03,279

their way to bulawayo late at night

267

00:09:07,110 --> 00:09:05,360

the sun was driving as he had recently

268

00:09:08,949 --> 00:09:07,120

got his driving license

269

00:09:10,630 --> 00:09:08,959

they were coming from a housing project

270

00:09:12,389 --> 00:09:10,640

the father had won the contract where

271

00:09:14,070 --> 00:09:12,399

they were surveying the land

272

00:09:16,710 --> 00:09:14,080

naturally they were excited for the

273

00:09:18,389 --> 00:09:16,720

project so the mood was extremely good

274

00:09:20,550 --> 00:09:18,399

as they were traveling along there was a

275

00:09:23,350 --> 00:09:20,560

loud pop and the car suddenly swerved to

276

00:09:25,110 --> 00:09:23,360

the side of the road it was a blown tire

277

00:09:26,949 --> 00:09:25,120

luckily no one was hurt and the car

278

00:09:28,630 --> 00:09:26,959

wasn't too badly damaged

279

00:09:30,550 --> 00:09:28,640

where they had stopped was the middle of

280

00:09:31,350 --> 00:09:30,560

nowhere and seemed to be unnaturally

281

00:09:33,030 --> 00:09:31,360

silent

282

00:09:34,949 --> 00:09:33,040

they said about to change the tire

283

00:09:37,110 --> 00:09:34,959

feeling nervous for some reason

284

00:09:39,110 --> 00:09:37,120

that good feeling had gone away they had

285

00:09:40,230 --> 00:09:39,120

left the headlights of the car on so as

286

00:09:41,670 --> 00:09:40,240

to have some light

287

00:09:43,430 --> 00:09:41,680

with the light that was there they could

288

00:09:45,190 --> 00:09:43,440

see shadows moving around them

289

00:09:47,509 --> 00:09:45,200

and the car they started hearing heavy

290

00:09:48,630 --> 00:09:47,519

deep growling the father kept his cool

291

00:09:50,470 --> 00:09:48,640

for his son's sake

292

00:09:52,389 --> 00:09:50,480

as he started freaking out just keep

293

00:09:54,550 --> 00:09:52,399

working on changing that tire said the

294

00:09:56,389 --> 00:09:54,560

father and he frantically finished

295

00:09:58,389 --> 00:09:56,399

they got in the car they saw four pairs

296

00:09:59,509 --> 00:09:58,399

of golden shield eyes just by the edge

297

00:10:01,350 --> 00:09:59,519

of the darkness

298

00:10:03,430 --> 00:10:01,360

the sun floored the accelerator and they

299

00:10:05,030 --> 00:10:03,440

sped off but to their horror those eyes

300

00:10:05,750 --> 00:10:05,040

started following them matching their

301
00:10:07,670 --> 00:10:05,760
speed

302
00:10:09,269 --> 00:10:07,680
one of the creatures ran past the car

303
00:10:10,470 --> 00:10:09,279
only to reveal something they never

304
00:10:12,470 --> 00:10:10,480
thought possible

305
00:10:14,389 --> 00:10:12,480
it was running on all four legs moving

306
00:10:15,670 --> 00:10:14,399
on like anything they've ever seen

307
00:10:18,470 --> 00:10:15,680
they looked at them and they saw the

308
00:10:20,389 --> 00:10:18,480
head of a wild dog but with large fangs

309
00:10:22,470 --> 00:10:20,399
it was built like a lean fit basketball

310
00:10:24,150 --> 00:10:22,480
player with well-defined muscles

311
00:10:25,829 --> 00:10:24,160
they realized in that instant that they

312
00:10:27,430 --> 00:10:25,839
are being hunted he pressed the

313
00:10:29,269 --> 00:10:27,440

accelerator to the end praying and

314

00:10:30,150 --> 00:10:29,279

hoping that the car was fast enough to

315

00:10:31,670 --> 00:10:30,160

lose them

316

00:10:33,590 --> 00:10:31,680

as the car passed the creature it

317

00:10:34,470 --> 00:10:33,600

suddenly and fluidly stood up to reveal

318

00:10:37,190 --> 00:10:34,480

that it was seven

319

00:10:39,030 --> 00:10:37,200

foot tall and had hands like claws it

320

00:10:40,790 --> 00:10:39,040

reached out for the car before the car

321

00:10:42,389 --> 00:10:40,800

accelerated away from them

322

00:10:44,630 --> 00:10:42,399

as soon as they knew they were somewhat

323

00:10:52,270 --> 00:10:44,640

safe the father broke down and cried

324

00:10:55,829 --> 00:10:53,990

[Music]

325

00:10:58,230 --> 00:10:55,839

bizarre canine my creature recently

326

00:11:00,790 --> 00:10:58,240

encountered in durham north carolina

327

00:11:02,550 --> 00:11:00,800

i am riding from durham north carolina

328

00:11:04,389 --> 00:11:02,560

i'm not going to assume that what i saw

329

00:11:06,069 --> 00:11:04,399

was an actual cryptid but i've spent

330

00:11:06,949 --> 00:11:06,079

nearly four hours trying to figure out

331

00:11:08,550 --> 00:11:06,959

what it could be

332

00:11:10,630 --> 00:11:08,560

and i've come up with nothing except

333

00:11:11,910 --> 00:11:10,640

moose and this is way too far south to

334

00:11:14,150 --> 00:11:11,920

have been a moose

335

00:11:15,910 --> 00:11:14,160

it was probably 100 feet ahead of me

336

00:11:17,350 --> 00:11:15,920

loping out of the woods like a dog would

337

00:11:19,430 --> 00:11:17,360

lope through deep snow

338

00:11:21,350 --> 00:11:19,440

it was almost black in color except for

339

00:11:23,750 --> 00:11:21,360

enormous reflective eyes that were the

340

00:11:25,750 --> 00:11:23,760

size of dinner plates glowing back at me

341

00:11:27,190 --> 00:11:25,760

it had thin legs like a deer but was

342

00:11:29,430 --> 00:11:27,200

easily twice my size

343

00:11:30,949 --> 00:11:29,440

covered in long matted fur it had the

344

00:11:33,269 --> 00:11:30,959

face of the dog and the tail that

345

00:11:34,949 --> 00:11:33,279

extended probably two feet behind it

346

00:11:36,710 --> 00:11:34,959

it almost looked like it was grimacing

347

00:11:37,829 --> 00:11:36,720

as it moved like i caught it and when it

348

00:11:39,509 --> 00:11:37,839

was vulnerable

349

00:11:41,350 --> 00:11:39,519

it didn't slow down though loping the

350

00:11:43,190 --> 00:11:41,360

full width of the street and maybe five

351
00:11:43,910 --> 00:11:43,200
hops before disappearing among more

352
00:11:45,910 --> 00:11:43,920
trees

353
00:11:46,949 --> 00:11:45,920
i texted my neighbor and he joked that

354
00:11:48,790 --> 00:11:46,959
it's a dog elope

355
00:11:50,710 --> 00:11:48,800
but honestly i just want to know if

356
00:11:51,670 --> 00:11:50,720
anyone else has ever seen anything else

357
00:11:53,350 --> 00:11:51,680
like this

358
00:11:54,870 --> 00:11:53,360
it was definitely not a moose and i

359
00:11:57,110 --> 00:11:54,880
don't think it was an elk

360
00:11:59,350 --> 00:11:57,120
it wasn't a cow or beefalo for those

361
00:12:00,870 --> 00:11:59,360
wondering it had no antlers the head was

362
00:12:02,389 --> 00:12:00,880
distinctly canine

363
00:12:08,829 --> 00:12:02,399

it was in the backwoods near durham

364

00:12:13,509 --> 00:12:10,790

max this is lon

365

00:12:14,230 --> 00:12:13,519

strickler if you like this program it
