9  
00:00:36,790 --> 00:00:34,790  
child recounts alien experiences about

10  
00:00:38,630 --> 00:00:36,800  
two months ago my three-year-old son

11  
00:00:39,830 --> 00:00:38,640  
started having dreams about visitors

12  
00:00:41,670 --> 00:00:39,840  
during the night

13  
00:00:43,510 --> 00:00:41,680

a few months before that he went to the

14

00:00:43,990 --> 00:00:43,520

doctors and received the dreaded flu

15

00:00:46,549 --> 00:00:44,000

shot

16

00:00:47,270 --> 00:00:46,559

so i passed it off as junior ptsd from

17

00:00:49,190 --> 00:00:47,280

that

18

00:00:50,950 --> 00:00:49,200

he talked about a man coming through his

19

00:00:52,229 --> 00:00:50,960

wall and giving him a glowing needle on

20

00:00:54,069 --> 00:00:52,239

the left side of his head

21

00:00:55,910 --> 00:00:54,079

which is a seemingly normal dream for a

22

00:00:58,470 --> 00:00:55,920

toddler with an imagination

23

00:01:00,229 --> 00:00:58,480

the only tv he watches is kid netflix

24

00:01:01,670 --> 00:01:00,239

and never more than an hour a day under

25

00:01:03,910 --> 00:01:01,680

direct supervision

26

00:01:05,030 --> 00:01:03,920

the dreams went on he would get up

27

00:01:07,750 --> 00:01:05,040

around the same time

28

00:01:09,990 --> 00:01:07,760

2 30 to 3 a.m almost every night come

29

00:01:11,510 --> 00:01:10,000

into my room to sleep in my bed with me

30

00:01:13,429 --> 00:01:11,520

and i would calm him down before

31

00:01:15,109 --> 00:01:13,439

bringing him back into his room

32

00:01:17,670 --> 00:01:15,119

he would go on about the dream as i

33

00:01:20,149 --> 00:01:17,680

calmed him describing a typical monster

34

00:01:20,789 --> 00:01:20,159

black eyes and hair long fingers large

35

00:01:22,789 --> 00:01:20,799

head

36

00:01:24,310 --> 00:01:22,799

a few days he was obsessed drawing

37

00:01:26,149 --> 00:01:24,320

pictures of what he called the doctor

38

00:01:27,749 --> 00:01:26,159

that visited him which just looked like

39

00:01:29,590 --> 00:01:27,759

a poorly drawn face

40

00:01:31,190 --> 00:01:29,600

it was only until we went to the library

41

00:01:32,870 --> 00:01:31,200

when it came up again

42

00:01:34,630 --> 00:01:32,880

he pointed out a book cover of an

43

00:01:35,990 --> 00:01:34,640

extraterrestrial exclaiming that was

44

00:01:38,390 --> 00:01:36,000

what was visiting him

45

00:01:39,030 --> 00:01:38,400

i'm skeptical he must have seen this on

46

00:01:40,789 --> 00:01:39,040

tv

47

00:01:43,270 --> 00:01:40,799

but when i finally start to ask him

48

00:01:45,109 --> 00:01:43,280

about it he explains what happens

49

00:01:46,550 --> 00:01:45,119

this is what i got out of it keep in

50

00:01:48,630 --> 00:01:46,560

mind three-year-old

51  
00:01:50,389 --> 00:01:48,640  
man comes through wall sometimes it's a

52  
00:01:51,190 --> 00:01:50,399  
being with a big white head with short

53  
00:01:54,149 --> 00:01:51,200  
black hair

54  
00:01:56,310 --> 00:01:54,159  
big black eyes white suit sometimes it's

55  
00:01:57,830 --> 00:01:56,320  
two small blue men in blue suits

56  
00:02:00,149 --> 00:01:57,840  
they put blowing needle in her around

57  
00:02:00,870 --> 00:02:00,159  
his left ear my three-year-old says it's

58  
00:02:02,630 --> 00:02:00,880  
for bugs

59  
00:02:05,109 --> 00:02:02,640  
and it makes him feel sick and hurts a

60  
00:02:05,990 --> 00:02:05,119  
little bit he then goes into outer space

61  
00:02:08,389 --> 00:02:06,000  
and talks to them

62  
00:02:10,070 --> 00:02:08,399  
and gets to play with other kids another

63  
00:02:11,990 --> 00:02:10,080

thing that caught me off guard is there

64

00:02:13,750 --> 00:02:12,000

was a paranormal investigator just

65

00:02:15,990 --> 00:02:13,760

across the street from our house on the

66

00:02:18,070 --> 00:02:16,000

same side as my son's bedroom

67

00:02:19,910 --> 00:02:18,080

i went and asked what it was about and

68

00:02:21,750 --> 00:02:19,920

apparently our neighbor experienced a

69

00:02:21,990 --> 00:02:21,760

ghost walking through his backyard for a

70

00:02:24,150 --> 00:02:22,000

few

71

00:02:25,270 --> 00:02:24,160

nights it would come from the river next

72

00:02:27,190 --> 00:02:25,280

to his house

73

00:02:28,470 --> 00:02:27,200

that's about it and he hasn't changed

74

00:02:30,630 --> 00:02:28,480

his story yet

75

00:02:32,390 --> 00:02:30,640

what i'm more so wondering since people

76

00:02:34,630 --> 00:02:32,400

here are interested in the subject

77

00:02:36,229 --> 00:02:34,640

does any of this sound familiar is this

78

00:02:37,750 --> 00:02:36,239

something he could have seen on a movie

79

00:02:38,550 --> 00:02:37,760

trailer somewhere and come up with on

80

00:02:40,790 --> 00:02:38,560

his own

81

00:02:42,550 --> 00:02:40,800

i'm pretty skeptical of all this but i'm

82

00:02:45,020 --> 00:02:42,560

willing to hear any thoughts and maybe

83

00:02:48,830 --> 00:02:45,030

ways to ward this off

84

00:02:54,790 --> 00:02:51,670

hh

85

00:02:56,309 --> 00:02:54,800

abduction examined by a hooded entity i

86

00:02:57,670 --> 00:02:56,319

guess the best place to start is a

87

00:02:59,589 --> 00:02:57,680

little bit about me

88

00:03:01,509 --> 00:02:59,599

why to show i am normal and that

89

00:03:03,750 --> 00:03:01,519

something not normal happened to me

90

00:03:05,110 --> 00:03:03,760

i am 46 years old and an engineering

91

00:03:07,509 --> 00:03:05,120

manager for the royal mail

92

00:03:09,670 --> 00:03:07,519

british postal service before that i was

93

00:03:09,990 --> 00:03:09,680

a highly qualified and experienced mixed

94

00:03:11,910 --> 00:03:10,000

gas

95

00:03:13,910 --> 00:03:11,920

diver two jobs where you wouldn't be

96

00:03:16,470 --> 00:03:13,920

long if the boss thinks you're crazy

97

00:03:18,470 --> 00:03:16,480

i am not crazy my wife is aware of some

98

00:03:19,750 --> 00:03:18,480

of my experiences she's sort of

99

00:03:21,589 --> 00:03:19,760

indifferent to it and doesn't tell

100

00:03:22,470 --> 00:03:21,599

anyone about it but at the same doesn't

101  
00:03:24,470 --> 00:03:22,480  
judge me

102  
00:03:26,470 --> 00:03:24,480  
my earliest memories are from about five

103  
00:03:28,630 --> 00:03:26,480  
years old i clearly remember a blue

104  
00:03:29,750 --> 00:03:28,640  
light shining into my room from outside

105  
00:03:31,589 --> 00:03:29,760  
this would have been in the middle of

106  
00:03:32,070 --> 00:03:31,599  
the night as it was dark outside i

107  
00:03:33,589 --> 00:03:32,080  
remember

108  
00:03:36,149 --> 00:03:33,599  
looking out of the window and seeing an

109  
00:03:37,830 --> 00:03:36,159  
electric blue disc approx 60 feet across

110  
00:03:39,270 --> 00:03:37,840  
i didn't realize the importance of this

111  
00:03:41,030 --> 00:03:39,280  
until later in my life

112  
00:03:42,630 --> 00:03:41,040  
there is another incident of which i am

113  
00:03:43,589 --> 00:03:42,640

very hazy and would have been from the

114

00:03:45,350 --> 00:03:43,599

same age

115

00:03:46,949 --> 00:03:45,360

again a bright light but this time i

116

00:03:48,949 --> 00:03:46,959

remember as the light dimmed i was no

117

00:03:50,869 --> 00:03:48,959

longer in my room but on a small sandy

118

00:03:52,390 --> 00:03:50,879

clearing in a forest of pine trees

119

00:03:54,229 --> 00:03:52,400

some of the sand had rough lumps of

120

00:03:54,949 --> 00:03:54,239

glass as if the sand had been melted by

121

00:03:57,429 --> 00:03:54,959

heat

122

00:03:59,030 --> 00:03:57,439

so leading into my teens the reason i

123

00:04:00,869 --> 00:03:59,040

mentioned this period is purely because

124

00:04:02,390 --> 00:04:00,879

of the questions raised by mufon

125

00:04:03,990 --> 00:04:02,400

i did suffer from horrendous migraine

126  
00:04:05,670 --> 00:04:04,000  
headaches as a teen and a couple of

127  
00:04:07,589 --> 00:04:05,680  
notable strange occurrences

128  
00:04:08,789 --> 00:04:07,599  
to be honest i will not go into this now

129  
00:04:09,670 --> 00:04:08,799  
as i do not believe there is a

130  
00:04:11,990 --> 00:04:09,680  
connection

131  
00:04:13,509 --> 00:04:12,000  
we shall see as this pans out as i said

132  
00:04:15,110 --> 00:04:13,519  
i only mentioned this as i did suffer

133  
00:04:17,349 --> 00:04:15,120  
from horrendous migraines at the time

134  
00:04:18,870 --> 00:04:17,359  
and the question did bring this up so

135  
00:04:21,189 --> 00:04:18,880  
moving into my 20s

136  
00:04:23,110 --> 00:04:21,199  
i started to experience episodes the

137  
00:04:25,110 --> 00:04:23,120  
more it happened the more i remembered

138  
00:04:26,629 --> 00:04:25,120

i had friend at the time john hayward he

139

00:04:28,230 --> 00:04:26,639

was the same age as me

140

00:04:29,749 --> 00:04:28,240

for some reason i felt he was the only

141

00:04:31,350 --> 00:04:29,759

person i could confide in

142

00:04:33,189 --> 00:04:31,360

he looked shocked when i told him of my

143

00:04:33,909 --> 00:04:33,199

experiences but at the same time

144

00:04:35,430 --> 00:04:33,919

intrigued

145

00:04:37,189 --> 00:04:35,440

he asked me to meet him the next night

146

00:04:38,230 --> 00:04:37,199

of the local bar and said he needed to

147

00:04:40,469 --> 00:04:38,240

show me something

148

00:04:41,590 --> 00:04:40,479

i agreed that next night i sat at the

149

00:04:42,870 --> 00:04:41,600

bar john came in

150

00:04:44,870 --> 00:04:42,880

walked straight up to me and pulled a

151  
00:04:45,990 --> 00:04:44,880  
book out of his bag i saw the book and

152  
00:04:47,909 --> 00:04:46,000  
have never read it

153  
00:04:49,430 --> 00:04:47,919  
i can't i believe there is a movie of

154  
00:04:50,390 --> 00:04:49,440  
the book certainly there is one of the

155  
00:04:52,550 --> 00:04:50,400  
same name

156  
00:04:54,469 --> 00:04:52,560  
i can't read it or watch it the book was

157  
00:04:56,469 --> 00:04:54,479  
called communion by whitley strieber

158  
00:04:57,990 --> 00:04:56,479  
the cover of the paperback had a picture

159  
00:04:59,270 --> 00:04:58,000  
john explained that the picture was an

160  
00:05:00,150 --> 00:04:59,280  
artist impression of the author's

161  
00:05:02,710 --> 00:05:00,160  
experience

162  
00:05:04,390 --> 00:05:02,720  
i recognized it i had seen it i will

163  
00:05:05,670 --> 00:05:04,400

swirl an oath on anything including the

164

00:05:07,830 --> 00:05:05,680

lives of my kids

165

00:05:09,430 --> 00:05:07,840

i knew that face prior to john showing

166

00:05:10,469 --> 00:05:09,440

me that picture i had had a number of

167

00:05:14,070 --> 00:05:10,479

experiences

168

00:05:15,350 --> 00:05:14,080

my knowledge or rather my memory after

169

00:05:17,029 --> 00:05:15,360

the event increased

170

00:05:18,790 --> 00:05:17,039

as the number of events or rather my

171

00:05:20,150 --> 00:05:18,800

memory of them increased i became more

172

00:05:21,670 --> 00:05:20,160

and more prepared for them

173

00:05:23,830 --> 00:05:21,680

this came to point that i remembered

174

00:05:24,550 --> 00:05:23,840

specifics my ankles were shackled

175

00:05:26,629 --> 00:05:24,560

somehow

176  
00:05:28,710 --> 00:05:26,639  
i would always be lifted from bed ankles

177  
00:05:30,070 --> 00:05:28,720  
first i clearly remember on at least

178  
00:05:31,670 --> 00:05:30,080  
five different occasions being

179  
00:05:33,110 --> 00:05:31,680  
transported in this fashion

180  
00:05:35,110 --> 00:05:33,120  
i learned not to fight it and just

181  
00:05:37,110 --> 00:05:35,120  
accept this was happening on a number of

182  
00:05:39,350 --> 00:05:37,120  
occasions the speed was quite fast

183  
00:05:40,629 --> 00:05:39,360  
i remember being put back in my bed i

184  
00:05:42,870 --> 00:05:40,639  
remember lying on a bed

185  
00:05:44,950 --> 00:05:42,880  
but not my own i would be surrounded by

186  
00:05:47,430 --> 00:05:44,960  
a team that consisted of one tall one

187  
00:05:50,230 --> 00:05:47,440  
approximately 1.8 meters and six short

188  
00:05:52,629 --> 00:05:50,240

ones approximately 1.2 meters

189

00:05:53,430 --> 00:05:52,639

i felt i was being observed until one

190

00:05:55,350 --> 00:05:53,440

occasion

191

00:05:57,029 --> 00:05:55,360

the large one pissed my left testicle

192

00:05:58,550 --> 00:05:57,039

with an object best described as a

193

00:05:59,749 --> 00:05:58,560

syringe that had an appearance of

194

00:06:01,909 --> 00:05:59,759

stainless steel

195

00:06:03,029 --> 00:06:01,919

i remember the pain you don't feel pain

196

00:06:04,950 --> 00:06:03,039

in a nightmare right

197

00:06:06,629 --> 00:06:04,960

this is important a few months later i

198

00:06:08,150 --> 00:06:06,639

was told that i had cancer and had to

199

00:06:09,909 --> 00:06:08,160

have the same one removed

200

00:06:12,230 --> 00:06:09,919

as i said what looked like a stainless

201  
00:06:13,270 --> 00:06:12,240  
steel silver syringe was pushed into my

202  
00:06:15,270 --> 00:06:13,280  
left testicle

203  
00:06:17,189 --> 00:06:15,280  
i felt the pain and i clearly remember

204  
00:06:18,629 --> 00:06:17,199  
it now this was done by the taller of

205  
00:06:19,189 --> 00:06:18,639  
the entities who was darker in

206  
00:06:21,029 --> 00:06:19,199  
appearance

207  
00:06:22,230 --> 00:06:21,039  
clothing i remember a hood that kept the

208  
00:06:24,550 --> 00:06:22,240  
face in darkness

209  
00:06:26,390 --> 00:06:24,560  
the process lasted for about a minute i

210  
00:06:27,909 --> 00:06:26,400  
remember screaming and the scream came

211  
00:06:30,070 --> 00:06:27,919  
out and it was not muffled

212  
00:06:32,550 --> 00:06:30,080  
however i was unable to move this was

213  
00:06:34,230 --> 00:06:32,560

not paralysis i was restrained somehow

214

00:06:36,309 --> 00:06:34,240

after the procedure i lay there in pain

215

00:06:38,070 --> 00:06:36,319

for some time the taller one left

216

00:06:39,590 --> 00:06:38,080

the shorter ones remained surrounding

217

00:06:41,189 --> 00:06:39,600

whatever i was lying on

218

00:06:42,950 --> 00:06:41,199

this occasion is the only time where i

219

00:06:45,270 --> 00:06:42,960

recall the descent back to my room

220

00:06:47,110 --> 00:06:45,280

like making a fast decent in an elevator

221

00:06:49,189 --> 00:06:47,120

i remember the shorter ones in my room

222

00:06:50,870 --> 00:06:49,199

moving around me and checking i was okay

223

00:06:52,710 --> 00:06:50,880

on this occasion i recall the feeling of

224

00:06:53,830 --> 00:06:52,720

restraint being replaced with a feeling

225

00:06:55,670 --> 00:06:53,840

of paralysis

226

00:06:57,430 --> 00:06:55,680

this is where i would fight to breath i

227

00:06:58,309 --> 00:06:57,440

would be completely awake but stuck in

228

00:06:59,830 --> 00:06:58,319

that moment

229

00:07:01,270 --> 00:06:59,840

i believe i have been in the presence of

230

00:07:02,070 --> 00:07:01,280

the taller one on at least three

231

00:07:03,830 --> 00:07:02,080

occasions

232

00:07:05,510 --> 00:07:03,840

it's out of the town centre the last

233

00:07:07,029 --> 00:07:05,520

road before the countryside

234

00:07:08,710 --> 00:07:07,039

it only occurred to me recently the

235

00:07:10,469 --> 00:07:08,720

number of military slash defense and

236

00:07:11,029 --> 00:07:10,479

space contractors are in the immediate

237

00:07:12,790 --> 00:07:11,039

area

238

00:07:14,309 --> 00:07:12,800

i moved to a flat just out of the town

239

00:07:16,469 --> 00:07:14,319

center and this is where the last

240

00:07:18,309 --> 00:07:16,479

incident that i can recall took place

241

00:07:20,629 --> 00:07:18,319

again i was taken up and lay on a table

242

00:07:22,790 --> 00:07:20,639

of sorts metallic body temperature

243

00:07:23,990 --> 00:07:22,800

i do not recall any procedures just

244

00:07:26,629 --> 00:07:24,000

being observed

245

00:07:28,150 --> 00:07:26,639

so regarding the cancer i do not smoke

246

00:07:30,230 --> 00:07:28,160

and i have not smoked

247

00:07:32,070 --> 00:07:30,240

i have no genetic disposition to cancer

248

00:07:34,070 --> 00:07:32,080

and no family history of if

249

00:07:36,070 --> 00:07:34,080

it was quite advanced and came on and

250

00:07:37,990 --> 00:07:36,080

grew quickly but did not spread

251  
00:07:39,110 --> 00:07:38,000  
it was localized to that one point where

252  
00:07:41,029 --> 00:07:39,120  
the syringe was

253  
00:07:42,950 --> 00:07:41,039  
i did not have chemotherapy but i did

254  
00:07:44,390 --> 00:07:42,960  
have radiotherapy which was described as

255  
00:07:46,550 --> 00:07:44,400  
being done for precaution

256  
00:07:48,629 --> 00:07:46,560  
i made an extremely quick recovery with

257  
00:07:50,550 --> 00:07:48,639  
no further cancer at all since then

258  
00:07:51,909 --> 00:07:50,560  
i had scans for a further 10 years with

259  
00:07:54,790 --> 00:07:51,919  
no reoccurrences

260  
00:07:56,390 --> 00:07:54,800  
i know what i saw i know what i felt i

261  
00:07:58,309 --> 00:07:56,400  
know what i experienced

262  
00:07:59,749 --> 00:07:58,319  
at first i was terrified but as the

263  
00:08:01,670 --> 00:07:59,759

number incidence took place

264

00:08:03,270 --> 00:08:01,680

i became curious and wanted to learn

265

00:08:04,710 --> 00:08:03,280

more about what was happening

266

00:08:06,390 --> 00:08:04,720

i would try and take in what was

267

00:08:08,629 --> 00:08:06,400

happening and observe back

268

00:08:10,390 --> 00:08:08,639

all these years later when i go to bed i

269

00:08:10,869 --> 00:08:10,400

am still mentally prepared for it happen

270

00:08:14,390 --> 00:08:10,879

again

271

00:08:15,990 --> 00:08:14,400

but not since 1999 to be honest i miss

272

00:08:17,830 --> 00:08:16,000

it in a strange way

273

00:08:19,029 --> 00:08:17,840

from that perspective i almost feel

274

00:08:21,029 --> 00:08:19,039

abandoned by them

275

00:08:22,790 --> 00:08:21,039

maybe that's why it stopped i was

276

00:08:23,589 --> 00:08:22,800

showing just as much interest in them as

277

00:08:25,270 --> 00:08:23,599

them to me

278

00:08:26,629 --> 00:08:25,280

there's been some other incidents that i

279

00:08:28,150 --> 00:08:26,639

have not mentioned here

280

00:08:30,230 --> 00:08:28,160

these relate to some of the questions

281

00:08:31,589 --> 00:08:30,240

you have asked me and to be honest i had

282

00:08:32,550 --> 00:08:31,599

not thought of them like that until i

283

00:08:34,149 --> 00:08:32,560

saw the questions

284

00:08:41,350 --> 00:08:34,159

hence me keeping them separate from my

285

00:08:43,670 --> 00:08:41,360

main narrative

286

00:08:45,110 --> 00:08:43,680

an experienter's unique daughter at the

287

00:08:47,910 --> 00:08:45,120

time of my first encounter

288

00:08:50,230 --> 00:08:47,920

i was a 23 year old mom and newlywed my

289

00:08:51,910 --> 00:08:50,240

husband was a proud and possessive dad

290

00:08:54,230 --> 00:08:51,920

and of course my son was spoiled and

291

00:08:55,990 --> 00:08:54,240

cried a lot one particular night

292

00:08:57,670 --> 00:08:56,000

my husband and i had settled in after a

293

00:08:59,269 --> 00:08:57,680

minor disagreement about whether or not

294

00:09:00,070 --> 00:08:59,279

our son should have his bed in a room or

295

00:09:02,150 --> 00:09:00,080

his own

296

00:09:03,910 --> 00:09:02,160

i was a little upset so i turned away

297

00:09:05,750 --> 00:09:03,920

from my husband because i didn't want to

298

00:09:06,310 --> 00:09:05,760

be hugged or embraced like we normally

299

00:09:08,070 --> 00:09:06,320

did

300

00:09:09,590 --> 00:09:08,080

within the hour my husband had fallen

301

00:09:11,670 --> 00:09:09,600

asleep however

302

00:09:13,750 --> 00:09:11,680

i was having a difficult time so i just

303

00:09:15,670 --> 00:09:13,760

laid there staring at the ceiling

304

00:09:17,430 --> 00:09:15,680

for some unknown reason i was feeling

305

00:09:19,190 --> 00:09:17,440

anxious and restless

306

00:09:20,949 --> 00:09:19,200

every creaking sound of the furnace or

307

00:09:23,670 --> 00:09:20,959

heating van kept me awake

308

00:09:26,470 --> 00:09:23,680

finally around 12 30 or 1am i began to

309

00:09:28,230 --> 00:09:26,480

doze off as i felt my body relaxing

310

00:09:30,150 --> 00:09:28,240

just as i was entering my deep sleep

311

00:09:32,070 --> 00:09:30,160

mode i felt the covers moving as if

312

00:09:33,910 --> 00:09:32,080

someone was climbing up on the bed

313

00:09:35,509 --> 00:09:33,920

in my head i thought there's no way my

314

00:09:37,110 --> 00:09:35,519

son could have climbed out of his baby

315

00:09:39,509 --> 00:09:37,120

bed and made it to our room

316

00:09:41,430 --> 00:09:39,519

he couldn't even walk at the time i also

317

00:09:42,710 --> 00:09:41,440

knew my husband was fast asleep because

318

00:09:44,949 --> 00:09:42,720

he snored a little

319

00:09:46,710 --> 00:09:44,959

at that point i decided to turn over on

320

00:09:48,870 --> 00:09:46,720

my side and look over the bed

321

00:09:50,389 --> 00:09:48,880

as i began to move i felt myself be

322

00:09:51,269 --> 00:09:50,399

straddled with my back pinned to the

323

00:09:52,710 --> 00:09:51,279

mattress

324

00:09:54,949 --> 00:09:52,720

my eyes and mouth felt that they were

325

00:09:56,550 --> 00:09:54,959

sealed shut as much as i wanted to

326

00:09:58,230 --> 00:09:56,560

scream and wiggle i couldn't

327

00:10:00,389 --> 00:09:58,240

this lasted for about two or three

328

00:10:02,230 --> 00:10:00,399

minutes as soon as i called out the name

329

00:10:04,630 --> 00:10:02,240

of jesus three times in my mind

330

00:10:06,150 --> 00:10:04,640

the pressure lifted suddenly i yelled

331

00:10:08,069 --> 00:10:06,160

out my husband's name

332

00:10:10,069 --> 00:10:08,079

he abruptly woke up and asked what was

333

00:10:11,990 --> 00:10:10,079

wrong i started crying saying that

334

00:10:12,870 --> 00:10:12,000

someone was in her house and just lifted

335

00:10:14,470 --> 00:10:12,880

off the bed

336

00:10:16,470 --> 00:10:14,480

he turned on the light and i began

337

00:10:18,150 --> 00:10:16,480

yelling for him to call the police

338

00:10:20,310 --> 00:10:18,160

i ran into our son's room while he

339

00:10:22,310 --> 00:10:20,320

called the police i beg him not to go

340

00:10:24,710 --> 00:10:22,320

downstairs until the police came but he

341

00:10:26,389 --> 00:10:24,720

went downstairs anyway in his pajamas

342

00:10:28,550 --> 00:10:26,399

when the police arrived they searched

343

00:10:30,389 --> 00:10:28,560

the house thoroughly even the basement

344

00:10:32,710 --> 00:10:30,399

there was no sign of any break-in so

345

00:10:34,069 --> 00:10:32,720

they left i kept panicking assuring my

346

00:10:34,550 --> 00:10:34,079

husband that someone had been in the

347

00:10:36,389 --> 00:10:34,560

room

348

00:10:38,949 --> 00:10:36,399

sat on my stomach and covered my mouth

349

00:10:40,949 --> 00:10:38,959

and eyes my heart was beating fast and i

350

00:10:42,310 --> 00:10:40,959

was afraid to go to sleep but afraid to

351  
00:10:44,069 --> 00:10:42,320

be up by myself

352  
00:10:46,150 --> 00:10:44,079

i begged my husband not to go to work

353  
00:10:48,150 --> 00:10:46,160

the next day he assured me that he would

354  
00:10:50,069 --> 00:10:48,160

call during lunch and check on me

355  
00:10:51,350 --> 00:10:50,079

that day i kept my door opened and

356  
00:10:53,430 --> 00:10:51,360

locked the basement

357  
00:10:55,509 --> 00:10:53,440

from that day forward i wanted to move

358  
00:10:57,509 --> 00:10:55,519

and i was afraid to be left alone

359  
00:10:59,590 --> 00:10:57,519

when i told my grandmother what happened

360  
00:11:01,350 --> 00:10:59,600

she said that it was the devil riding me

361  
00:11:02,949 --> 00:11:01,360

i just thought it was a demon trying to

362  
00:11:04,150 --> 00:11:02,959

attack me because there was friction and

363  
00:11:06,630 --> 00:11:04,160

discourse in my home

364

00:11:08,550 --> 00:11:06,640

and i was a young new mom over the years

365

00:11:10,630 --> 00:11:08,560

i started having dreams that extended

366

00:11:12,710 --> 00:11:10,640

beyond my normal sleep pattern

367

00:11:14,230 --> 00:11:12,720

in other words during my waking hours i

368

00:11:15,829 --> 00:11:14,240

felt that the same people i dreamed

369

00:11:16,389 --> 00:11:15,839

about were still watching me during the

370

00:11:18,069 --> 00:11:16,399

day

371

00:11:19,509 --> 00:11:18,079

they were discussing me and following me

372

00:11:21,590 --> 00:11:19,519

everywhere i went as if i were being

373

00:11:24,150 --> 00:11:21,600

observed by a parallel dimension

374

00:11:25,190 --> 00:11:24,160

as i traveled aiden even showered i felt

375

00:11:26,870 --> 00:11:25,200

eyes on me

376

00:11:28,550 --> 00:11:26,880

i never told anyone for fear of being

377

00:11:30,630 --> 00:11:28,560

identified is strange

378

00:11:31,750 --> 00:11:30,640

five years later i became pregnant from

379

00:11:33,829 --> 00:11:31,760

another relationship

380

00:11:35,910 --> 00:11:33,839

well and after my divorce from my son's

381

00:11:37,110 --> 00:11:35,920

dad i was quite surprised

382

00:11:39,030 --> 00:11:37,120

seeing that the big gap in my

383

00:11:40,230 --> 00:11:39,040

pregnancies ever occurred and seeing

384

00:11:42,150 --> 00:11:40,240

that i had an iud

385

00:11:43,990 --> 00:11:42,160

intrauterine device inserted a year

386

00:11:44,790 --> 00:11:44,000

before to ensure that i would not become

387

00:11:46,870 --> 00:11:44,800

pregnant

388

00:11:48,949 --> 00:11:46,880

the biggest surprise was that the iud

389

00:11:50,150 --> 00:11:48,959

had to be removed and i was already five

390

00:11:52,310 --> 00:11:50,160

weeks pregnant

391

00:11:53,910 --> 00:11:52,320

as my pregnancy progressed i was worried

392

00:11:54,470 --> 00:11:53,920

that my baby would be affected by the

393

00:11:56,550 --> 00:11:54,480

device

394

00:11:59,030 --> 00:11:56,560

or that she would have a birth defect

395

00:12:01,030 --> 00:11:59,040

nonetheless i worked during my pregnancy

396

00:12:02,069 --> 00:12:01,040

walked a lot and even fell on my stomach

397

00:12:04,069 --> 00:12:02,079

at eight a half months

398

00:12:05,269 --> 00:12:04,079

yet my baby girl was more resilient than

399

00:12:07,350 --> 00:12:05,279

her older brother

400

00:12:09,110 --> 00:12:07,360

nonetheless during my pregnancy there

401  
00:12:10,069 --> 00:12:09,120  
were times when i felt my body being

402  
00:12:12,150 --> 00:12:10,079  
levitated a few

403  
00:12:14,470 --> 00:12:12,160  
times in the night i even remember

404  
00:12:16,710 --> 00:12:14,480  
waking up not being able to open my eyes

405  
00:12:17,670 --> 00:12:16,720  
as i was lowered back to my bed during

406  
00:12:19,590 --> 00:12:17,680  
my childbirth

407  
00:12:21,350 --> 00:12:19,600  
the doctors found an extra mass on other

408  
00:12:23,030 --> 00:12:21,360  
ivory i was gray

409  
00:12:24,629 --> 00:12:23,040  
its shape resembled a human ear and

410  
00:12:25,590 --> 00:12:24,639  
slippery like a muscle or piece of

411  
00:12:27,750 --> 00:12:25,600  
octopus

412  
00:12:28,870 --> 00:12:27,760  
the doctors placed it in a plastic bag

413  
00:12:30,870 --> 00:12:28,880

and gave it to me

414

00:12:32,629 --> 00:12:30,880

i inquired of my gynecologist if this

415

00:12:35,350 --> 00:12:32,639

mass was possibly another baby that

416

00:12:37,750 --> 00:12:35,360

never formed and they just said possibly

417

00:12:39,990 --> 00:12:37,760

ironically despite the hard work walking

418

00:12:42,230 --> 00:12:40,000

and falling never affected my daughter

419

00:12:43,670 --> 00:12:42,240

she has never endured childhood diseases

420

00:12:44,150 --> 00:12:43,680

had a healthier weight than her older

421

00:12:46,069 --> 00:12:44,160

brother

422

00:12:47,910 --> 00:12:46,079

her teething came earlier she learned to

423

00:12:49,350 --> 00:12:47,920

walk earlier and she is much more

424

00:12:50,710 --> 00:12:49,360

intelligent than her brother

425

00:12:52,710 --> 00:12:50,720

although both are smart and in the

426

00:12:53,509 --> 00:12:52,720

medical field my daughter is very

427

00:12:55,509 --> 00:12:53,519

independent

428

00:12:57,269 --> 00:12:55,519

captures everyone's attention and has

429

00:12:58,949 --> 00:12:57,279

traveled and been accepted in many parts

430

00:13:00,629 --> 00:12:58,959

of the world she has traveled

431

00:13:02,790 --> 00:13:00,639

after my daughter's birth and becoming

432

00:13:03,670 --> 00:13:02,800

of age i no longer experience being

433

00:13:05,430 --> 00:13:03,680

watched

434

00:13:07,350 --> 00:13:05,440

however i have developed a strong

435

00:13:08,790 --> 00:13:07,360

perception and extra sensitivity to

436

00:13:11,190 --> 00:13:08,800

people and voices of people in a

437

00:13:12,949 --> 00:13:11,200

psychological and spiritual sense

438

00:13:14,470 --> 00:13:12,959

nowadays i feel that there is another

439

00:13:16,389 --> 00:13:14,480

entity working inside me

440

00:13:17,670 --> 00:13:16,399

influencing me and speaking to me from

441

00:13:19,910 --> 00:13:17,680

within my brain

442

00:13:21,829 --> 00:13:19,920

it's not a noise i hear it's like a

443

00:13:22,629 --> 00:13:21,839

suggestion of words being transmitted to

444

00:13:25,030 --> 00:13:22,639

me at times

445

00:13:25,990 --> 00:13:25,040

giving me instructions when i encounter

446

00:13:27,670 --> 00:13:26,000

certain persons

447

00:13:29,829 --> 00:13:27,680

i can feel their personalities their

448

00:13:31,829 --> 00:13:29,839

coldness people find themselves saying

449

00:13:33,670 --> 00:13:31,839

things to me that they don't realize

450

00:13:35,670 --> 00:13:33,680

later when i bring up a conversation

451  
00:13:37,190 --> 00:13:35,680  
that we've had those same people say

452  
00:13:39,350 --> 00:13:37,200  
i didn't tell you that or how did you

453  
00:13:41,509 --> 00:13:39,360  
know that so i just stopped telling them

454  
00:13:43,269 --> 00:13:41,519  
things because they look at me strangely

455  
00:13:45,030 --> 00:13:43,279  
i feel that my hypersensitivity is

456  
00:13:46,310 --> 00:13:45,040  
because of my encounters with species

457  
00:13:48,069 --> 00:13:46,320  
not of our likeness

458  
00:13:49,590 --> 00:13:48,079  
i felt i was observed from a highly

459  
00:13:50,230 --> 00:13:49,600  
intelligent transmission within our

460  
00:13:52,310 --> 00:13:50,240  
galaxy

461  
00:13:53,910 --> 00:13:52,320  
but beyond this earth my daughter is

462  
00:13:55,350 --> 00:13:53,920  
shocked and thinks it's unique how i can

463  
00:13:57,030 --> 00:13:55,360

duplicate some of her thoughts and

464

00:13:59,030 --> 00:13:57,040

conversations with her husband

465

00:14:01,189 --> 00:13:59,040

while living in a different state she

466

00:14:02,629 --> 00:14:01,199

lives in illinois and i live in ohio

467

00:14:04,949 --> 00:14:02,639

i bring up words and private

468

00:14:13,189 --> 00:14:04,959

conversations she's had with her husband

469

00:14:17,910 --> 00:14:15,189

assisted by the ant-man when i was a

470

00:14:19,750 --> 00:14:17,920

young child of about three in 1965 or so

471

00:14:21,030 --> 00:14:19,760

i started having dreams about once a

472

00:14:22,230 --> 00:14:21,040

month that there were big ants in my

473

00:14:23,910 --> 00:14:22,240

room walking like people

474

00:14:25,910 --> 00:14:23,920

and coming up to the side of my crib and

475

00:14:27,670 --> 00:14:25,920

looking at me i remember one morning as

476

00:14:28,870 --> 00:14:27,680

my dad was getting ready to go to work

477

00:14:30,470 --> 00:14:28,880

at around 5am

478

00:14:32,389 --> 00:14:30,480

i ran into the kitchen where he and my

479

00:14:34,069 --> 00:14:32,399

mother were standing drinking coffee

480

00:14:35,750 --> 00:14:34,079

my dad picked me up and sat me on the

481

00:14:36,870 --> 00:14:35,760

kitchen counter and asked me how i got

482

00:14:39,030 --> 00:14:36,880

out of my crib

483

00:14:40,949 --> 00:14:39,040

i told him the big ant-man let me out

484

00:14:42,629 --> 00:14:40,959

now i'm not saying i was abducted by

485

00:14:43,990 --> 00:14:42,639

aliens or anything like that but this

486

00:14:45,750 --> 00:14:44,000

did happen for about a year

487

00:14:47,590 --> 00:14:45,760

and my parents were finding me sleeping

488

00:14:48,629 --> 00:14:47,600

all over the house once in the rambler

489

00:14:50,310 --> 00:14:48,639

in the carport

490

00:14:52,230 --> 00:14:50,320

so they started tying me down at night

491

00:14:53,829 --> 00:14:52,240

in my crib and every time i got out and

492

00:14:55,670 --> 00:14:53,839

i don't ever remember getting out on my

493

00:14:56,710 --> 00:14:55,680

own or anyone else letting me out except

494

00:14:58,629 --> 00:14:56,720

for the one time

495

00:15:00,389 --> 00:14:58,639

i'm in my late 50s now and i remember

496

00:15:02,310 --> 00:15:00,399

this clearly but i would never say that

497

00:15:04,150 --> 00:15:02,320

i thought i was abducted by alien

498

00:15:05,509 --> 00:15:04,160

some of the circumstances could suggest

499

00:15:06,870 --> 00:15:05,519

a possibility of it

500

00:15:08,629 --> 00:15:06,880

as soon as you even mention in

501  
00:15:10,150 --> 00:15:08,639  
seriousness that you have a feeling or

502  
00:15:11,829 --> 00:15:10,160  
that you know you have been in contact

503  
00:15:13,990 --> 00:15:11,839  
with beings not of this world you are

504  
00:15:15,750 --> 00:15:14,000  
going to be labeled as crazy or a weirdo

505  
00:15:17,590 --> 00:15:15,760  
and life can become even harder for a

506  
00:15:19,350 --> 00:15:17,600  
person living with this kind of thing

507  
00:15:21,269 --> 00:15:19,360  
i'm not saying that i did have some kind

508  
00:15:21,990 --> 00:15:21,279  
of contact with beings other than humans

509  
00:15:23,670 --> 00:15:22,000  
i don't know

510  
00:15:25,670 --> 00:15:23,680  
because i don't have any vivid memories

511  
00:15:27,670 --> 00:15:25,680  
of being taken anywhere out of my house

512  
00:15:29,670 --> 00:15:27,680  
even when i was sleeping in the car what

513  
00:15:31,269 --> 00:15:29,680

i remember is what cut most likely have

514

00:15:32,629 --> 00:15:31,279

been a recurring dream of human size

515

00:15:33,990 --> 00:15:32,639

hence being in my room men in the

516

00:15:34,710 --> 00:15:34,000

hallway of our house leading to the

517

00:15:36,389 --> 00:15:34,720

bedrooms

518

00:15:37,749 --> 00:15:36,399

what kind of bugs me is it the more i

519

00:15:39,189 --> 00:15:37,759

think about it the more i think they

520

00:15:41,189 --> 00:15:39,199

could have been grazed and i wasn't

521

00:15:43,189 --> 00:15:41,199

dreaming the problem here is that i have

522

00:15:44,870 --> 00:15:43,199

been exposed to media all of my life

523

00:15:46,230 --> 00:15:44,880

and can't tell if it's just my mind

524

00:15:47,749 --> 00:15:46,240

remembering things this way

525

00:15:49,829 --> 00:15:47,759

and my thoughts have been influenced by

526

00:15:51,590 --> 00:15:49,839

the media reports i've seen all my life

527

00:15:53,509 --> 00:15:51,600

starting with betty and barney hill or

528

00:15:55,590 --> 00:15:53,519

if this was in actuality real

529

00:15:57,430 --> 00:15:55,600

i still wonder if that was what happened

530

00:15:59,030 --> 00:15:57,440

i was adopted by the way and none of my

531

00:16:00,710 --> 00:15:59,040

family members or my brother who was

532

00:16:01,670 --> 00:16:00,720

also adopted to remember anything out of

533

00:16:03,350 --> 00:16:01,680

the ordinary

534

00:16:05,030 --> 00:16:03,360

i can't say that i had any contact

535

00:16:06,550 --> 00:16:05,040

because i just can't be sure but

536

00:16:08,310 --> 00:16:06,560

something has kept this interesting to

537

00:16:08,870 --> 00:16:08,320

me for this long without any concrete

538

00:16:10,310 --> 00:16:08,880

answers

539

00:16:11,509 --> 00:16:10,320

and i just get the feeling that there

540

00:16:13,350 --> 00:16:11,519

has always been something either

541

00:16:14,150 --> 00:16:13,360

watching or in my life in some sort of

542

00:16:15,990 --> 00:16:14,160

hidden way

543

00:16:17,829 --> 00:16:16,000

i served in the military and came close

544

00:16:19,829 --> 00:16:17,839

to being killed a few times and wasn't

545

00:16:21,829 --> 00:16:19,839

because of somewhat freak circumstances

546

00:16:24,069 --> 00:16:21,839

i wouldn't go into in an online post

547

00:16:26,069 --> 00:16:24,079

i also had pancreatic cancer 15 years

548

00:16:27,910 --> 00:16:26,079

ago and after nine rounds of chemo and

549

00:16:28,629 --> 00:16:27,920

many radiation treatments i was still

550

00:16:30,389 --> 00:16:28,639

getting worse

551  
00:16:32,310 --> 00:16:30,399  
then in the matter of six months i went

552  
00:16:33,910 --> 00:16:32,320  
into remission i have been cancer-free

553  
00:16:35,350 --> 00:16:33,920  
for going on eight years now

554  
00:16:37,030 --> 00:16:35,360  
i had a heart attack when i was all

555  
00:16:38,550 --> 00:16:37,040  
alone at home what they called a pretty

556  
00:16:40,310 --> 00:16:38,560  
major one at that and i lost

557  
00:16:41,269 --> 00:16:40,320  
consciousness after i was able to call

558  
00:16:42,710 --> 00:16:41,279  
9-1-1

559  
00:16:44,150 --> 00:16:42,720  
my front door was locked and i am

560  
00:16:45,590 --> 00:16:44,160  
positive i locked it because i was

561  
00:16:47,590 --> 00:16:45,600  
headed to bed when the heart attack

562  
00:16:48,790 --> 00:16:47,600  
happened and i always lock my front door

563  
00:16:50,710 --> 00:16:48,800

and all others too

564

00:16:52,389 --> 00:16:50,720

the empties hooked right in the door was

565

00:16:53,990 --> 00:16:52,399

unlocked and i was saved from what would

566

00:16:54,870 --> 00:16:54,000

have been certain death if i had waited

567

00:17:04,390 --> 00:16:54,880

any longer

568

00:17:06,630 --> 00:17:04,400

how is my door unlocked you got me rt

569

00:17:07,669 --> 00:17:06,640

incident above earth i don't know where

570

00:17:09,750 --> 00:17:07,679

to begin and

571

00:17:11,669 --> 00:17:09,760

honestly i'm hesitant to even bring it

572

00:17:13,350 --> 00:17:11,679

up but i believe there should be a

573

00:17:15,909 --> 00:17:13,360

record of my experience

574

00:17:16,549 --> 00:17:15,919

i don't want any notoriety nothing like

575

00:17:18,150 --> 00:17:16,559

that

576

00:17:20,630 --> 00:17:18,160

i don't want to ever speak about it

577

00:17:22,309 --> 00:17:20,640

again because it scares me so much

578

00:17:24,630 --> 00:17:22,319

this is the truth as best as i can

579

00:17:26,870 --> 00:17:24,640

recollect my experience occurred in the

580

00:17:27,750 --> 00:17:26,880

first week of june 2018 near naples

581

00:17:30,150 --> 00:17:27,760

florida

582

00:17:30,870 --> 00:17:30,160

i went to sleep around 11 p.m in a room

583

00:17:33,190 --> 00:17:30,880

with a friend

584

00:17:35,110 --> 00:17:33,200

who was sleeping in a bed next to mine

585

00:17:37,990 --> 00:17:35,120

we were sharing a hotel room

586

00:17:39,750 --> 00:17:38,000

i go to sleep nothing unusual then

587

00:17:40,950 --> 00:17:39,760

suddenly i woke in what seemed like a

588

00:17:42,549 --> 00:17:40,960

hospital room

589

00:17:44,390 --> 00:17:42,559

the first thing i noticed was i was

590

00:17:45,029 --> 00:17:44,400

laying on what appeared to be a hospital

591

00:17:47,430 --> 00:17:45,039

bed

592

00:17:49,510 --> 00:17:47,440

i immediately assumed i'm in a hospital

593

00:17:51,830 --> 00:17:49,520

as i realized there is no way i could be

594

00:17:53,510 --> 00:17:51,840

in a hospital i began to look around

595

00:17:55,029 --> 00:17:53,520

i noticed the walls of the room have a

596

00:17:56,630 --> 00:17:55,039

dark metallic color

597

00:17:58,630 --> 00:17:56,640

this freaked me out because i know

598

00:18:00,150 --> 00:17:58,640

hospital rooms have bright colors and do

599

00:18:01,990 --> 00:18:00,160

not have metal walls

600

00:18:03,830 --> 00:18:02,000

i was trying to understand where i was

601  
00:18:06,070 --> 00:18:03,840  
and the more things i noticed the more

602  
00:18:08,390 --> 00:18:06,080  
disoriented and scared i became

603  
00:18:10,230 --> 00:18:08,400  
i then glanced to my right and i saw two

604  
00:18:12,549 --> 00:18:10,240  
people dressed in white attire

605  
00:18:14,549 --> 00:18:12,559  
then near my feet two more then to my

606  
00:18:15,510 --> 00:18:14,559  
left a person sitting in a chair beside

607  
00:18:17,350 --> 00:18:15,520  
my bed

608  
00:18:18,630 --> 00:18:17,360  
my attention was concentrated on the

609  
00:18:20,870 --> 00:18:18,640  
person in the chair

610  
00:18:23,110 --> 00:18:20,880  
i soon realized i was unable to move

611  
00:18:24,950 --> 00:18:23,120  
almost like sleep paralysis

612  
00:18:27,510 --> 00:18:24,960  
i would describe it as like being in a

613  
00:18:29,190 --> 00:18:27,520

coma but with complete mental awareness

614

00:18:31,510 --> 00:18:29,200

i could see and hear everything around

615

00:18:32,310 --> 00:18:31,520

me the person in the chair was a human

616

00:18:34,470 --> 00:18:32,320

female

617

00:18:35,510 --> 00:18:34,480

at least it is what she looked like i

618

00:18:37,590 --> 00:18:35,520

was frightened

619

00:18:39,430 --> 00:18:37,600

i remember her telling me to stay calm

620

00:18:41,190 --> 00:18:39,440

and it would all be over soon

621

00:18:42,950 --> 00:18:41,200

she then pushes a needle into my left

622

00:18:45,270 --> 00:18:42,960

arm like an iv needle but

623

00:18:46,310 --> 00:18:45,280

different the needle required no tape to

624

00:18:48,470 --> 00:18:46,320

hold it in place

625

00:18:50,710 --> 00:18:48,480

which was weird the needle was an odd

626

00:18:53,110 --> 00:18:50,720

metal that gave off a strange luster

627

00:18:54,150 --> 00:18:53,120

her telling me to stay calm to me meant

628

00:18:56,310 --> 00:18:54,160

i was screwed

629

00:18:58,310 --> 00:18:56,320

i was beginning to panic one of the

630

00:19:00,549 --> 00:18:58,320

people standing at the bottom of the bed

631

00:19:02,630 --> 00:19:00,559

was holding an led like light on a long

632

00:19:04,150 --> 00:19:02,640

wire i was told that it was used to

633

00:19:05,990 --> 00:19:04,160

decipher who i was

634

00:19:08,390 --> 00:19:06,000

the light was placed on the sole of my

635

00:19:10,789 --> 00:19:08,400

left foot i didn't feel any pain

636

00:19:11,590 --> 00:19:10,799

but suddenly blacked out i woke in the

637

00:19:13,990 --> 00:19:11,600

same room

638

00:19:15,110 --> 00:19:14,000

not knowing how much time had passed i

639

00:19:17,430 --> 00:19:15,120

was alone

640

00:19:18,230 --> 00:19:17,440

soon someone came into the room i never

641

00:19:20,710 --> 00:19:18,240

saw a door

642

00:19:22,950 --> 00:19:20,720

and i began to move i assume i walked

643

00:19:25,830 --> 00:19:22,960

out of the room and was now in a hallway

644

00:19:27,029 --> 00:19:25,840

on one side was a dark metal flat wall i

645

00:19:28,789 --> 00:19:27,039

noticed a door

646

00:19:30,870 --> 00:19:28,799

i opened it and was in a room very

647

00:19:32,950 --> 00:19:30,880

similar to the one i was in before

648

00:19:34,390 --> 00:19:32,960

i close the door and start walking down

649

00:19:35,270 --> 00:19:34,400

another hallway in the opposite

650

00:19:37,510 --> 00:19:35,280

direction

651  
00:19:38,950 --> 00:19:37,520  
i pass many more rooms identical to what

652  
00:19:40,710 --> 00:19:38,960  
i just came out of

653  
00:19:41,990 --> 00:19:40,720  
i eventually reached an area with a

654  
00:19:44,870 --> 00:19:42,000  
giant window

655  
00:19:46,710 --> 00:19:44,880  
maybe 20 feet tall and 50 feet wide i

656  
00:19:47,909 --> 00:19:46,720  
approached the window and saw the clouds

657  
00:19:49,990 --> 00:19:47,919  
and surface of earth

658  
00:19:51,669 --> 00:19:50,000  
thinking we're in orbiting the planet i

659  
00:19:53,190 --> 00:19:51,679  
then knew i had been abducted and was in

660  
00:19:55,750 --> 00:19:53,200  
a craft of some type

661  
00:19:58,390 --> 00:19:55,760  
i again started to panic i looked around

662  
00:20:00,710 --> 00:19:58,400  
me and observed humanoids walking by me

663  
00:20:02,549 --> 00:20:00,720

but these were not human they had olive

664

00:20:05,029 --> 00:20:02,559

colored skin that appeared wet but

665

00:20:05,990 --> 00:20:05,039

actually dry like that of a reptile the

666

00:20:08,549 --> 00:20:06,000

faces had human

667

00:20:10,310 --> 00:20:08,559

features but more ethnic i then noticed

668

00:20:11,510 --> 00:20:10,320

what appeared to be gills on each side

669

00:20:13,430 --> 00:20:11,520

of their faces

670

00:20:15,190 --> 00:20:13,440

it was a startling sight like their

671

00:20:17,430 --> 00:20:15,200

cheeks had been sliced open

672

00:20:18,710 --> 00:20:17,440

they are quite tall about seven feet or

673

00:20:20,789 --> 00:20:18,720

so and muscular

674

00:20:22,789 --> 00:20:20,799

they wore no clothes or uniforms but i

675

00:20:24,549 --> 00:20:22,799

couldn't tell if they were of any gender

676  
00:20:26,630 --> 00:20:24,559  
i approached one of the beings and asked

677  
00:20:28,390 --> 00:20:26,640  
is this real it grabbed my arm and

678  
00:20:29,110 --> 00:20:28,400  
glared at me with its golden colored

679  
00:20:30,870 --> 00:20:29,120  
eyes

680  
00:20:32,710 --> 00:20:30,880  
the next thing i remember was waking up

681  
00:20:33,430 --> 00:20:32,720  
on the bedroom floor in my apartment in

682  
00:20:36,070 --> 00:20:33,440  
miami

683  
00:20:37,430 --> 00:20:36,080  
not the hotel room near naples i believe

684  
00:20:39,270 --> 00:20:37,440  
i went into shock

685  
00:20:41,270 --> 00:20:39,280  
i was suddenly sick to my stomach and

686  
00:20:42,630 --> 00:20:41,280  
shivering i looked where the needle had

687  
00:20:44,870 --> 00:20:42,640  
been inserted into my arm

688  
00:20:46,950 --> 00:20:44,880

and there was a small scab i looked at

689

00:20:49,750 --> 00:20:46,960

the clock it was 11 10 am

690

00:20:51,669 --> 00:20:49,760

but i was unsure what day it was i felt

691

00:20:54,310 --> 00:20:51,679

exhausted and wanted to do nothing but

692

00:20:55,909 --> 00:20:54,320

sleep it turned out that i had about 36

693

00:20:57,909 --> 00:20:55,919

hours of lost time

694

00:20:59,830 --> 00:20:57,919

i also had a painful bruise on the sole

695

00:21:00,710 --> 00:20:59,840

of my left foot where the light object

696

00:21:02,710 --> 00:21:00,720

touched me

697

00:21:04,070 --> 00:21:02,720

i later contacted the friend i shared

698

00:21:06,310 --> 00:21:04,080

the hotel room with

699

00:21:07,909 --> 00:21:06,320

they said that when they woke i was gone

700

00:21:10,149 --> 00:21:07,919

but my bed had been made

701  
00:21:12,070 --> 00:21:10,159  
all of my personal property my wallet

702  
00:21:13,669 --> 00:21:12,080  
and phone were gone as well

703  
00:21:15,590 --> 00:21:13,679  
they said that they called me but it

704  
00:21:17,990 --> 00:21:15,600  
immediately went to voicemail

705  
00:21:19,590 --> 00:21:18,000  
there were no messages on my phone i

706  
00:21:21,990 --> 00:21:19,600  
have no idea what happened

707  
00:21:24,310 --> 00:21:22,000  
but my life has changed i have suffered

708  
00:21:25,909 --> 00:21:24,320  
extreme anxiety for no apparent reason

709  
00:21:33,110 --> 00:21:25,919  
other than i feel that they may abduct

710  
00:21:36,549 --> 00:21:35,669  
this is lon strickler if you like this

711  
00:21:38,310 --> 00:21:36,559  
program

712  
00:21:39,669 --> 00:21:38,320  
it would help us if you would give it a

713  
00:21:42,470 --> 00:21:39,679

thumbs up

714

00:21:43,029 --> 00:21:42,480

then subscribe and click the bell icon

715

00:21:45,350 --> 00:21:43,039

so you

716

00:21:47,430 --> 00:21:45,360

get notification when we upload new

717

00:21:50,549 --> 00:21:47,440

first-person encounters

718

00:21:51,270 --> 00:21:50,559

we have many more to come very soon and

719

00:21:53,430 --> 00:21:51,280

by the way

720

00:21:55,029 --> 00:21:53,440

if you have a suggestion or an
