10
00:00:35,590 --> 00:00:33,590
flying mantis-like entity confronts

11
00:00:38,310 --> 00:00:35,600
phillip park illinois experiencer

12
00:00:40,389 --> 00:00:38,320
this incident occurred on april 23 2012

13
00:00:42,310 --> 00:00:40,399

at approximately 4 40 a.m

14

00:00:44,229 --> 00:00:42,320

at the time i live in a townhouse in

15

00:00:45,750 --> 00:00:44,239

villa park illinois and often sleep on

16

00:00:46,549 --> 00:00:45,760

the ground floor in my living room on

17

00:00:48,389 --> 00:00:46,559

the couch

18

00:00:50,229 --> 00:00:48,399

i could see both front and back doors

19

00:00:51,510 --> 00:00:50,239

including a sliding glass patio door

20

00:00:53,830 --> 00:00:51,520

leading to the backyard

21

00:00:55,270 --> 00:00:53,840

i am a 31 year old male army veteran and

22

00:00:57,189 --> 00:00:55,280

lived alone at the time

23

00:00:58,709 --> 00:00:57,199

being a former military man i was and

24

00:01:00,470 --> 00:00:58,719

i'm still a very avid and active

25

00:01:02,150 --> 00:01:00,480

supporter of self-defense

26

00:01:03,830 --> 00:01:02,160

during and also after my military

27

00:01:06,070 --> 00:01:03,840

service i have always kept a weapon in

28

00:01:08,230 --> 00:01:06,080

my home for self-defense purposes

29

00:01:10,070 --> 00:01:08,240

even sleeping with a weapon a 0.380

30

00:01:12,310 --> 00:01:10,080

caliber pistol no further than arm's

31

00:01:14,070 --> 00:01:12,320

length in case of an intruder burglar

32

00:01:15,910 --> 00:01:14,080

up until this event i was also very

33

00:01:16,710 --> 00:01:15,920

skeptical of anything i hadn't seen with

34

00:01:18,149 --> 00:01:16,720

my own eyes

35

00:01:20,149 --> 00:01:18,159

especially things related to the

36

00:01:21,030 --> 00:01:20,159

paranormal all of this changed that

37

00:01:22,950 --> 00:01:21,040

early morning

38

00:01:24,469 --> 00:01:22,960

as i slept on my living room couch a

39

00:01:25,910 --> 00:01:24,479

strange feeling came across me and it

40

00:01:27,109 --> 00:01:25,920

woke me from my sleep in the pitch

41

00:01:29,270 --> 00:01:27,119

blackness of the room

42

00:01:31,109 --> 00:01:29,280

as i move myself to the sitting position

43

00:01:33,030 --> 00:01:31,119

i saw a small flash of yellowish light

44

00:01:34,870 --> 00:01:33,040

piercing my sliding glass patio door

45

00:01:36,789 --> 00:01:34,880

through the closed hall swing blinds

46

00:01:38,069 --> 00:01:36,799

at first i didn't think much of it until

47

00:01:39,910 --> 00:01:38,079

only seconds later

48

00:01:41,990 --> 00:01:39,920

i see another flash of light this time

49

00:01:43,510 --> 00:01:42,000

the flash was red and seemed larger

50

00:01:45,030 --> 00:01:43,520

thinking maybe there was an intruder

51
00:01:47,270 --> 00:01:45,040
inside the clothes wooden gate of my

52
00:01:48,630 --> 00:01:47,280
backyard i quickly grabbed my 380 pistol

53
00:01:50,310 --> 00:01:48,640
from the floor near the couch

54
00:01:52,149 --> 00:01:50,320
and hurried to look through the blinds

55
00:01:54,149 --> 00:01:52,159
what i saw next changed my life and has

56
00:01:55,910 --> 00:01:54,159
affected me mentally until this day

57
00:01:57,990 --> 00:01:55,920
as i sit at the sliding glass door

58
00:01:59,830 --> 00:01:58,000
looking across the parking lot maybe 60

59
00:02:01,429 --> 00:01:59,840
feet away on the rooftop of the adjacent

60
00:02:03,270 --> 00:02:01,439
table directly in front of me

61
00:02:04,870 --> 00:02:03,280
was a perfectly round extremely bright

62
00:02:06,870 --> 00:02:04,880
orb which could have been approximately

63
00:02:08,389 --> 00:02:06,880

five to six feet in diameter

64

00:02:09,830 --> 00:02:08,399

i couldn't help feeling as if i was

65

00:02:11,190 --> 00:02:09,840

being beckoned to come to the door with

66

00:02:13,190 --> 00:02:11,200

these flashes of light

67

00:02:15,030 --> 00:02:13,200

after about 10 seconds or so of staring

68

00:02:16,869 --> 00:02:15,040

at the bright luminescent orb it doubled

69

00:02:18,470 --> 00:02:16,879

in size and again changed color to

70

00:02:19,350 --> 00:02:18,480

yellowish green in a single flash of

71

00:02:20,949 --> 00:02:19,360

bright light

72

00:02:22,550 --> 00:02:20,959

immediately following the flash there

73

00:02:23,990 --> 00:02:22,560

was what sounded like a very loud

74

00:02:25,589 --> 00:02:24,000

helicopter if one could have been

75

00:02:27,270 --> 00:02:25,599

directly above my house

76
00:02:28,869 --> 00:02:27,280
at the same time the orb grew something

77
00:02:30,470 --> 00:02:28,879
that looked like a large praying mantis

78
00:02:31,350 --> 00:02:30,480
mixed with a snake flew out of the orb

79
00:02:32,869 --> 00:02:31,360
and straight up

80
00:02:34,390 --> 00:02:32,879
i could see that it did what seemed like

81
00:02:36,390 --> 00:02:34,400
a long three to four feet tale

82
00:02:38,470 --> 00:02:36,400
as it exited what i can only describe as

83
00:02:40,309 --> 00:02:38,480
a portal and then the portal was gone

84
00:02:42,150 --> 00:02:40,319
almost as quickly as it had exited this

85
00:02:44,150 --> 00:02:42,160
warp the being flew directly towards me

86
00:02:45,750 --> 00:02:44,160
as the loud sound was ear piercing

87
00:02:47,589 --> 00:02:45,760
the being moved at an extreme speed

88
00:02:49,509 --> 00:02:47,599

toward me it took all of two to three

89

00:02:51,350 --> 00:02:49,519

seconds to cross the 60-plus feet of

90

00:02:53,190 --> 00:02:51,360

parking lot between the adjacent rooftop

91

00:02:55,030 --> 00:02:53,200

of the town home directly behind mine

92

00:02:56,790 --> 00:02:55,040

over my wooden backyard fence where it

93

00:02:58,390 --> 00:02:56,800

came to stopped directly in front of me

94

00:03:00,710 --> 00:02:58,400

no more than two and a half feet

95

00:03:02,470 --> 00:03:00,720

hovering about five feet off the ground

96

00:03:03,110 --> 00:03:02,480

at this time the creature displayed no

97

00:03:04,630 --> 00:03:03,120

lights

98

00:03:06,390 --> 00:03:04,640

it was all black with what seemed like

99

00:03:08,390 --> 00:03:06,400

very strange symbols i had never seen

100

00:03:09,509 --> 00:03:08,400

before that went across its midsection

101
00:03:11,110 --> 00:03:09,519
torso area

102
00:03:12,790 --> 00:03:11,120
at first glimpse i could only describe

103
00:03:14,390 --> 00:03:12,800
this being as a biomechanical praying

104
00:03:16,470 --> 00:03:14,400
mantis mix with a snake

105
00:03:17,990 --> 00:03:16,480
it had a small hat long ringed neck but

106
00:03:19,670 --> 00:03:18,000
very large and laid black eyes

107
00:03:21,750 --> 00:03:19,680
that extended beyond the sides of its

108
00:03:23,750 --> 00:03:21,760
head i quickly and carefully lifted over

109
00:03:24,630 --> 00:03:23,760
from bottom to top my jaw stood wide

110
00:03:26,550 --> 00:03:24,640
open and all

111
00:03:28,309 --> 00:03:26,560
of a sheer terror in the close proximity

112
00:03:29,430 --> 00:03:28,319
it was to me i immediately raised my

113
00:03:31,110 --> 00:03:29,440

weapon over my head

114

00:03:33,270 --> 00:03:31,120

and pressed it firmly against the glass

115

00:03:34,949 --> 00:03:33,280

of the sliding doors almost as soon as i

116

00:03:36,869 --> 00:03:34,959

had made this motion the creature then

117

00:03:38,470 --> 00:03:36,879

extended from both sides what i can only

118

00:03:40,070 --> 00:03:38,480

describe as two sets of wing-like

119

00:03:41,750 --> 00:03:40,080

appendages and emitted what looked like

120

00:03:43,509 --> 00:03:41,760

hundreds of tiny blue sparkling

121

00:03:44,949 --> 00:03:43,519

lightning bolts in every direction

122

00:03:47,110 --> 00:03:44,959

above and below each of the four

123

00:03:48,630 --> 00:03:47,120

appendages i say appendages because if

124

00:03:49,670 --> 00:03:48,640

they were wings they didn't seem to be

125

00:03:51,110 --> 00:03:49,680

used for flight

126
00:03:52,710 --> 00:03:51,120
the small bolts and compass stand

127
00:03:54,630 --> 00:03:52,720
engulfed the being completely

128
00:03:57,030 --> 00:03:54,640
at this moment the loud helicopter

129
00:03:58,390 --> 00:03:57,040
static-like sound had completely stopped

130
00:04:00,070 --> 00:03:58,400
each of these small blue lightning

131
00:04:01,750 --> 00:04:00,080
bolt-like energy emissions were no

132
00:04:03,509 --> 00:04:01,760
larger than my pinky finger

133
00:04:05,030 --> 00:04:03,519
after just a few short seconds of me

134
00:04:06,710 --> 00:04:05,040
witnessing these lightning bolt-like

135
00:04:08,470 --> 00:04:06,720
electric emissions the entity shot

136
00:04:10,470 --> 00:04:08,480
directly up and over the roof of my home

137
00:04:11,670 --> 00:04:10,480
at an amazing speed out of sight towards

138
00:04:13,350 --> 00:04:11,680

the front of the town

139

00:04:15,030 --> 00:04:13,360

after much time and thought i've come to

140

00:04:16,949 --> 00:04:15,040

the conclusion that this entity did not

141

00:04:18,550 --> 00:04:16,959

spread the wing-like appendages and emit

142

00:04:19,749 --> 00:04:18,560

the plasma-like discharge until i

143

00:04:21,590 --> 00:04:19,759

brandished my weapon

144

00:04:23,270 --> 00:04:21,600

this led me to believe that this display

145

00:04:25,110 --> 00:04:23,280

must have been some sort of protective

146

00:04:26,070 --> 00:04:25,120

energy field to shield itself had i

147

00:04:28,070 --> 00:04:26,080

fired upon it

148

00:04:29,189 --> 00:04:28,080

this entire encounter lasted no longer

149

00:04:30,710 --> 00:04:29,199

than a few minutes

150

00:04:32,629 --> 00:04:30,720

after the being had disappeared out of

151
00:04:34,230 --> 00:04:32,639
view over my home i quickly ran to the

152
00:04:36,230 --> 00:04:34,240
back door and went outside

153
00:04:37,830 --> 00:04:36,240
as i sit there staring into the sky i

154
00:04:39,590 --> 00:04:37,840
immediately realized that it had left

155
00:04:40,870 --> 00:04:39,600
almost the exact time of dawn because

156
00:04:42,790 --> 00:04:40,880
the sun was coming up

157
00:04:43,909 --> 00:04:42,800
honestly i don't like mentioning this

158
00:04:45,670 --> 00:04:43,919
part of the account

159
00:04:47,350 --> 00:04:45,680
at that moment i realized that what i

160
00:04:49,270 --> 00:04:47,360
thought to be only a few minutes was

161
00:04:50,790 --> 00:04:49,280
in reality an hour or more had passed

162
00:04:51,909 --> 00:04:50,800
because it was now dawn with the sun

163
00:04:53,990 --> 00:04:51,919

quickly rising

164

00:04:55,590 --> 00:04:54,000

until this day years later i'm still no

165

00:04:56,230 --> 00:04:55,600

closer to an answer of what this being

166

00:04:57,990 --> 00:04:56,240

could have been

167

00:04:59,670 --> 00:04:58,000

what it wanted or why it beckoned me to

168

00:05:01,430 --> 00:04:59,680

the door with the light flashes

169

00:05:02,790 --> 00:05:01,440

and most importantly what happened

170

00:05:08,870 --> 00:05:02,800

during that missing hour

171

00:05:12,469 --> 00:05:10,629

six foot tall mantis entity encountered

172

00:05:14,310 --> 00:05:12,479

outside of fillmore new york home

173

00:05:15,909 --> 00:05:14,320

this is in response to a recent post

174

00:05:18,710 --> 00:05:15,919

about a mantis-like entity

175

00:05:20,629 --> 00:05:18,720

the incident occurred on june 22 2018 a

176

00:05:21,350 --> 00:05:20,639

bit before 12 am midnight in fillmore

177

00:05:23,189 --> 00:05:21,360

new york

178

00:05:25,029 --> 00:05:23,199

i was in the shed to use wi-fi for my

179

00:05:26,629 --> 00:05:25,039

phone because the kids were on devices

180

00:05:28,070 --> 00:05:26,639

and dogs are loud in the house

181

00:05:29,749 --> 00:05:28,080

while i was watching from inside the

182

00:05:30,710 --> 00:05:29,759

shed i noticed something an hour after i

183

00:05:32,310 --> 00:05:30,720

was in there

184

00:05:34,230 --> 00:05:32,320

i heard movement of something shuffling

185

00:05:35,909 --> 00:05:34,240

in the tall grass i thought it was a

186

00:05:37,270 --> 00:05:35,919

deer until my cat started growling and

187

00:05:39,029 --> 00:05:37,280

staring at the shed door

188

00:05:41,189 --> 00:05:39,039

when i scan the tree line in bushes with

189

00:05:42,469 --> 00:05:41,199

my big led light i thought i saw a head

190

00:05:44,150 --> 00:05:42,479

pop up into the dark

191

00:05:45,749 --> 00:05:44,160

i pretended i didn't see it and spotted

192

00:05:46,629 --> 00:05:45,759

my light to the left and her to quickly

193

00:05:48,390 --> 00:05:46,639

get closer

194

00:05:50,629 --> 00:05:48,400

i flashed the light back fast and it was

195

00:05:51,110 --> 00:05:50,639

very close now about 30 feet in front of

196

00:05:54,390 --> 00:05:51,120

me

197

00:05:56,150 --> 00:05:54,400

like forever but i know it was probably

198

00:05:58,629 --> 00:05:56,160

only 20 seconds or so

199

00:06:00,070 --> 00:05:58,639

i was so scared i couldn't move also it

200

00:06:01,749 --> 00:06:00,080

didn't move as i watched it

201
00:06:03,110 --> 00:06:01,759
i noticed its limbs and features while

202
00:06:05,029 --> 00:06:03,120
we stared at each other

203
00:06:07,189 --> 00:06:05,039
it was greenish gray with very big manta

204
00:06:08,710 --> 00:06:07,199
size the skin was smooth and had broad

205
00:06:09,670 --> 00:06:08,720
shoulders but as you followed down it

206
00:06:11,510 --> 00:06:09,680
got skinny

207
00:06:12,790 --> 00:06:11,520
the eyebrow stuck out with a wide head

208
00:06:14,710 --> 00:06:12,800
with an upward slant

209
00:06:16,390 --> 00:06:14,720
its eyes reflected green there were

210
00:06:17,749 --> 00:06:16,400
light green flecks that shone yellow and

211
00:06:19,990 --> 00:06:17,759
orange for my light

212
00:06:21,670 --> 00:06:20,000
it was over six foot tall i suddenly got

213
00:06:23,270 --> 00:06:21,680

the feeling that it was going to grab me

214

00:06:25,189 --> 00:06:23,280

so i slammed the shed door and turned

215

00:06:27,029 --> 00:06:25,199

and ran to my house when i got and i

216

00:06:28,550 --> 00:06:27,039

told my husband about what i had seen

217

00:06:30,629 --> 00:06:28,560

i noticed that a whole hour pass by it

218

00:06:31,990 --> 00:06:30,639

was now a few minutes after 1am

219

00:06:34,070 --> 00:06:32,000

i know i didn't look at this thing for

220

00:06:34,629 --> 00:06:34,080

an hour my husband came out with me with

221

00:06:36,710 --> 00:06:34,639

his gun

222

00:06:38,629 --> 00:06:36,720

but it was gone i was really scared

223

00:06:39,430 --> 00:06:38,639

after that i will not be out at night

224

00:06:41,590 --> 00:06:39,440

anymore

225

00:06:43,830 --> 00:06:41,600

i always feel like i'm being watched i

226
00:06:45,510 --> 00:06:43,840
started to look into ufos and abductions

227
00:06:47,110 --> 00:06:45,520
i had never read up on this before my

228
00:06:49,189 --> 00:06:47,120
experience and now believe i was

229
00:06:56,150 --> 00:06:49,199
abducted but have no memory of it

230
00:07:00,230 --> 00:06:58,309
praying mantis man sighting musconetkong

231
00:07:01,909 --> 00:07:00,240
river hackettstown new jersey

232
00:07:03,909 --> 00:07:01,919
i have recently been doing research

233
00:07:04,710 --> 00:07:03,919
regarding an encounter i had about five

234
00:07:06,629 --> 00:07:04,720
years ago

235
00:07:08,070 --> 00:07:06,639
fly fishing on the musconetcong river in

236
00:07:09,990 --> 00:07:08,080
new jersey with my boss

237
00:07:11,510 --> 00:07:10,000
i saw briefly what i could only describe

238
00:07:13,189 --> 00:07:11,520

as a praying mantis man

239

00:07:15,510 --> 00:07:13,199

although the water was clear there had

240

00:07:17,029 --> 00:07:15,520

been heavy rains the past couple of days

241

00:07:18,710 --> 00:07:17,039

we should not have been out there the

242

00:07:20,070 --> 00:07:18,720

river was smooth but the current was

243

00:07:21,830 --> 00:07:20,080

exceptionally strong

244

00:07:23,830 --> 00:07:21,840

i was leaning backwards and digging my

245

00:07:25,749 --> 00:07:23,840

heels into the gravel but the river was

246

00:07:28,150 --> 00:07:25,759

still kicking me along pretty good

247

00:07:29,990 --> 00:07:28,160

sketchy navigating please know i am

248

00:07:32,950 --> 00:07:30,000

privy to the paranormal and always have

249

00:07:34,550 --> 00:07:32,960

been shadow people ghosts whatever but

250

00:07:35,189 --> 00:07:34,560

what i encountered that day was not

251
00:07:37,589 --> 00:07:35,199
spirit

252
00:07:39,270 --> 00:07:37,599
it was a biological living creature but

253
00:07:40,390 --> 00:07:39,280
it disappeared into thin air almost as

254
00:07:42,309 --> 00:07:40,400
soon as i saw it

255
00:07:43,749 --> 00:07:42,319
for whatever reason my searches at the

256
00:07:45,589 --> 00:07:43,759
time turned up nothing

257
00:07:47,510 --> 00:07:45,599
but then by chance i came across an

258
00:07:49,189 --> 00:07:47,520
alien race type video on youtube

259
00:07:51,110 --> 00:07:49,199
and there in the artwork i saw what i

260
00:07:53,110 --> 00:07:51,120
saw ancient mantis leaders

261
00:07:54,629 --> 00:07:53,120
so when i began searching mantis alien

262
00:07:56,710 --> 00:07:54,639
instead of praying mantis man

263
00:07:57,990 --> 00:07:56,720

i found a lot more they say they are

264

00:07:59,670 --> 00:07:58,000

interdimensional whatever

265

00:08:02,230 --> 00:07:59,680

that means but i did not get that

266

00:08:04,150 --> 00:08:02,240

impression no this creature was cloaked

267

00:08:05,909 --> 00:08:04,160

and because of both my innate sensory

268

00:08:07,909 --> 00:08:05,919

perception skills and the particular

269

00:08:10,230 --> 00:08:07,919

physical circumstances at the time

270

00:08:11,909 --> 00:08:10,240

important i just caught it movement out

271

00:08:12,869 --> 00:08:11,919

of the corner of my eye to my left and

272

00:08:15,749 --> 00:08:12,879

there it was

273

00:08:18,150 --> 00:08:15,759

humanoid tall six foot at least no

274

00:08:20,469 --> 00:08:18,160

reference points but i sent six foot six

275

00:08:21,589 --> 00:08:20,479

maybe seven foot moving away from me

276

00:08:23,749 --> 00:08:21,599

back up the bank

277

00:08:25,589 --> 00:08:23,759

i am chest high in the river the first

278

00:08:27,430 --> 00:08:25,599

thing i see was the grasshopper thigh

279

00:08:29,510 --> 00:08:27,440

but bending forward like a human

280

00:08:31,430 --> 00:08:29,520

then the whole form he is looking at me

281

00:08:33,909 --> 00:08:31,440

over his shoulder moving up the bank

282

00:08:35,829 --> 00:08:33,919

astonished amazed what that i am in the

283

00:08:36,310 --> 00:08:35,839

water in a strong current that i can see

284

00:08:38,230 --> 00:08:36,320

him

285

00:08:39,990 --> 00:08:38,240

but yes we lock eyes and this creature

286

00:08:41,670 --> 00:08:40,000

is astonished i get the sense that he

287

00:08:43,509 --> 00:08:41,680

can't believe i am in the water that he

288

00:08:44,630 --> 00:08:43,519

can't believe i have seen him that i am

289

00:08:46,470 --> 00:08:44,640

not perturbed of all

290

00:08:48,310 --> 00:08:46,480

something of all three i still don't

291

00:08:50,070 --> 00:08:48,320

know just astonishment and he is

292

00:08:50,870 --> 00:08:50,080

actually trying to get away from me in

293

00:08:54,150 --> 00:08:50,880

the water

294

00:08:56,230 --> 00:08:54,160

triangular head huge slanted black eyes

295

00:08:57,269 --> 00:08:56,240

just like a praying mantis its whole

296

00:08:59,110 --> 00:08:57,279

body was gangly

297

00:09:00,310 --> 00:08:59,120

knobby but you could still sense it was

298

00:09:02,550 --> 00:09:00,320

powerful and no

299

00:09:04,470 --> 00:09:02,560

i would not say it was a big bug it was

300

00:09:05,829 --> 00:09:04,480

definitely humanoid despite the mantis

301
00:09:08,230 --> 00:09:05,839
insect qualities

302
00:09:09,350 --> 00:09:08,240
no i did not tell my boss about this who

303
00:09:11,670 --> 00:09:09,360
was in the water too

304
00:09:13,430 --> 00:09:11,680
about 50 yards behind me at the time

305
00:09:15,030 --> 00:09:13,440
being privy to the paranormal you just

306
00:09:17,990 --> 00:09:15,040
see these things and sort of go

307
00:09:19,430 --> 00:09:18,000
okay no fear no nothing but i do get the

308
00:09:20,710 --> 00:09:19,440
sense that my whatever attitude

309
00:09:21,750 --> 00:09:20,720
contributed to this creature's

310
00:09:23,750 --> 00:09:21,760
astonishment

311
00:09:25,110 --> 00:09:23,760
frankly i didn't give the encounter much

312
00:09:26,949 --> 00:09:25,120
though until recently

313
00:09:28,630 --> 00:09:26,959

i just believe now that this encounter

314

00:09:30,230 --> 00:09:28,640

was somehow very important

315

00:09:32,070 --> 00:09:30,240

the stretch of the musconetkong river

316

00:09:33,509 --> 00:09:32,080

here is unusual in that its west bank

317

00:09:35,590 --> 00:09:33,519

borders route 46

318

00:09:37,430 --> 00:09:35,600

a local highway congested with lots of

319

00:09:39,509 --> 00:09:37,440

stores but the east bank where we were

320

00:09:41,269 --> 00:09:39,519

fishing borders fields and farmlands

321

00:09:43,269 --> 00:09:41,279

no bank to speak of on the developed

322

00:09:44,150 --> 00:09:43,279

side but the sloping bank on the rural

323

00:09:46,870 --> 00:09:44,160

side was high

324

00:09:47,509 --> 00:09:46,880

10 feet a strip of trees about 10 to 20

325

00:09:49,030 --> 00:09:47,519

yards thick

326

00:09:50,630 --> 00:09:49,040

separated the river from the fields

327

00:09:51,430 --> 00:09:50,640

beyond but there was the occasional

328

00:09:53,590 --> 00:09:51,440

gapper path

329

00:09:55,269 --> 00:09:53,600

each about 20 yards wide that allowed

330

00:09:56,870 --> 00:09:55,279

clear access to the river

331

00:09:58,470 --> 00:09:56,880

like i mentioned the weather had been

332

00:10:00,710 --> 00:09:58,480

bad the previous several days

333

00:10:01,750 --> 00:10:00,720

and the sky was wide and heavy it was

334

00:10:03,750 --> 00:10:01,760

mid-afternoon

335

00:10:05,750 --> 00:10:03,760

when i saw the mantis man it was in one

336

00:10:06,710 --> 00:10:05,760

of these gaps moving back up the bank

337

00:10:08,230 --> 00:10:06,720

towards the fields

338

00:10:11,110 --> 00:10:08,240

looking back at me over its left

339

00:10:12,790 --> 00:10:11,120

shoulder about 15 to 20 yards away

340

00:10:14,870 --> 00:10:12,800

so understand that it was several feet

341

00:10:17,110 --> 00:10:14,880

above me i looked up at it and framed

342

00:10:18,949 --> 00:10:17,120

clearly against that blank white sky

343

00:10:20,870 --> 00:10:18,959

like a full ghost apparition it was

344

00:10:22,710 --> 00:10:20,880

indeed clear but nevertheless nearly

345

00:10:25,350 --> 00:10:22,720

transparent and fading fast

346

00:10:26,870 --> 00:10:25,360

then it evaporated mid-stride again i

347

00:10:28,710 --> 00:10:26,880

stressed the strong impression that the

348

00:10:30,630 --> 00:10:28,720

mantis man was cloaked and i caught it

349

00:10:32,230 --> 00:10:30,640

just right it abruptly found itself

350

00:10:34,310 --> 00:10:32,240

against a new blank background

351
00:10:35,670 --> 00:10:34,320
and was adjusting quickly i do not

352
00:10:36,870 --> 00:10:35,680
believe it slipped into another

353
00:10:38,870 --> 00:10:36,880
dimension or plane

354
00:10:41,030 --> 00:10:38,880
i detected movement and first saw that

355
00:10:42,550 --> 00:10:41,040
strong left thigh and strong right calf

356
00:10:45,030 --> 00:10:42,560
then the whole thing and immediately

357
00:10:46,550 --> 00:10:45,040
those eyes face the whole encounter was

358
00:10:48,230 --> 00:10:46,560
only a couple of seconds

359
00:10:49,829 --> 00:10:48,240
i cannot tell you with any strong

360
00:10:51,269 --> 00:10:49,839
certainty what its feeder hands looked

361
00:10:52,870 --> 00:10:51,279
like i wasn't looking there

362
00:10:54,630 --> 00:10:52,880
but i can tell you that its arms were

363
00:10:56,550 --> 00:10:54,640

normal and not the literal mantis four

364

00:10:57,590 --> 00:10:56,560

legs i have recently seen in drawings of

365

00:10:59,670 --> 00:10:57,600

these aliens

366

00:11:07,590 --> 00:10:59,680

that's really about it if you have any

367

00:11:11,990 --> 00:11:10,150

tall mantisguardian angels i found your

368

00:11:13,910 --> 00:11:12,000

channel few months ago because i was

369

00:11:15,670 --> 00:11:13,920

trying to look for explanation of what i

370

00:11:16,470 --> 00:11:15,680

seen tall white angels that look like

371

00:11:18,550 --> 00:11:16,480

bugs

372

00:11:20,389 --> 00:11:18,560

this happened in central pennsylvania

373

00:11:22,230 --> 00:11:20,399

july 2013

374

00:11:23,430 --> 00:11:22,240

i was injured and not on any meds and

375

00:11:26,069 --> 00:11:23,440

not drinking

376

00:11:28,069 --> 00:11:26,079

just resting trying to heal in my room

377

00:11:29,750 --> 00:11:28,079

there was four of them in my room

378

00:11:31,350 --> 00:11:29,760

height around eight to nine and a half

379

00:11:33,110 --> 00:11:31,360

feet tall with extremely large

380

00:11:34,710 --> 00:11:33,120

protruding black eyes which wrapped

381

00:11:36,150 --> 00:11:34,720

around the head and whitish skin with

382

00:11:37,990 --> 00:11:36,160

slight tinge of color

383

00:11:40,389 --> 00:11:38,000

bodies were extremely skinny but

384

00:11:42,389 --> 00:11:40,399

muscular i don't know exact height

385

00:11:44,470 --> 00:11:42,399

because they had to duck in my room

386

00:11:46,470 --> 00:11:44,480

when they came through the air and walls

387

00:11:48,150 --> 00:11:46,480

from the entities i felt overwhelmingly

388

00:11:49,110 --> 00:11:48,160

love and compassion like a parent for

389

00:11:51,350 --> 00:11:49,120

their child

390

00:11:52,629 --> 00:11:51,360

the first one spoke to me in my thoughts

391

00:11:56,069 --> 00:11:52,639

don't be scared

392

00:11:58,710 --> 00:11:56,079

see

393

00:12:00,069 --> 00:11:58,720

us don't be scared it was telling me

394

00:12:02,150 --> 00:12:00,079

this in my brain

395

00:12:03,350 --> 00:12:02,160

i was looking and listening add them

396

00:12:05,430 --> 00:12:03,360

around my room

397

00:12:07,430 --> 00:12:05,440

the whole experience only lasted a few

398

00:12:09,829 --> 00:12:07,440

minutes before i blacked out

399

00:12:11,590 --> 00:12:09,839

next morning i told my mom and she said

400

00:12:12,629 --> 00:12:11,600

she prayed for guardian angels to be

401
00:12:15,030 --> 00:12:12,639
around me

402
00:12:16,949 --> 00:12:15,040
my husband told me do not say that or

403
00:12:19,190 --> 00:12:16,959
they will put me in crazy home

404
00:12:21,190 --> 00:12:19,200
then i secretly told my best friend and

405
00:12:23,190 --> 00:12:21,200
she told me that a girl in our town was

406
00:12:23,990 --> 00:12:23,200
forced into a hospital by her family

407
00:12:26,550 --> 00:12:24,000
because she saw

408
00:12:28,230 --> 00:12:26,560
aliens so i was shocked because i never

409
00:12:29,350 --> 00:12:28,240
knew the story of the other girl until

410
00:12:31,430 --> 00:12:29,360
she told me

411
00:12:33,829 --> 00:12:31,440
i tried to explain they were angels that

412
00:12:35,750 --> 00:12:33,839
look like extremely tall bug people

413
00:12:37,269 --> 00:12:35,760

but after that i kept quiet about what

414

00:12:39,590 --> 00:12:37,279

they looked like for years

415

00:12:41,750 --> 00:12:39,600

now i research online but it's hard to

416

00:12:42,710 --> 00:12:41,760

find kind stories about tallbug-like

417

00:12:45,509 --> 00:12:42,720

entities

418

00:12:47,269 --> 00:12:45,519

and yeah they are telepathic they were

419

00:12:48,230 --> 00:12:47,279

as real as the glass of water i was

420

00:12:50,150 --> 00:12:48,240

holding

421

00:12:51,990 --> 00:12:50,160

never seen a ufo and i have never been

422

00:12:58,230 --> 00:12:52,000

abducted never a believer

423

00:13:01,670 --> 00:13:00,790
