

ARCANE RADIO 
Exploring the Unexplained 

Jan. 18th, 2019

Jason Offutt

**Journalist, Anomalist,
Author, Photographer**

1
00:00:06,950 --> 00:00:06,630
the oldest and strongest human emotion

2
00:00:10,230 --> 00:00:06,960
is

3
00:00:10,470 --> 00:00:10,240
fear and the oldest and strongest type

4
00:00:17,029 --> 00:00:10,480
of

5
00:00:20,470 --> 00:00:17,039
when we were children our parents told

6
00:00:22,950 --> 00:00:20,480
us that monsters didn't exist

7
00:00:26,230 --> 00:00:22,960
but we were sure that something was

8
00:00:30,710 --> 00:00:26,240
lurking under the bed or in the closet

9
00:00:33,910 --> 00:00:30,720
fear sees even if our eyes are closed

10
00:00:35,990 --> 00:00:33,920
welcome to the realm of the arcane my

11
00:00:38,310 --> 00:00:36,000
name is lon stripler

12
00:00:39,430 --> 00:00:38,320
join me as i examine unexplained

13
00:00:42,830 --> 00:00:39,440

creatures

14

00:00:44,389 --> 00:00:42,840

strange manifestations and remarkable

15

00:00:47,430 --> 00:00:44,399

realities

16

00:00:50,069 --> 00:00:47,440

imagine this next hour as a voyage of

17

00:00:53,110 --> 00:00:50,079

discovery to strange lands

18

00:00:55,830 --> 00:00:53,120

seeking not for new territory but for

19

00:00:57,430 --> 00:00:55,840

new knowledge of the supernatural come

20

00:01:02,790 --> 00:00:57,440

on board as we begin

21

00:01:06,710 --> 00:01:04,549

hey folks good evening and welcome to

22

00:01:08,469 --> 00:01:06,720

another episode of arcane radio

23

00:01:09,670 --> 00:01:08,479

i'm your host lon strickler and thank

24

00:01:12,070 --> 00:01:09,680

you for joining me here on the

25

00:01:14,390 --> 00:01:12,080

paranormal king radio network

26
00:01:16,070 --> 00:01:14,400
now before i introduce my guest i'd like

27
00:01:17,830 --> 00:01:16,080
to present an account that i recently

28
00:01:19,590 --> 00:01:17,840
forwarded to me

29
00:01:21,350 --> 00:01:19,600
i received a telephone call from an

30
00:01:24,710 --> 00:01:21,360
eyewitness who i'll refer to as

31
00:01:28,630 --> 00:01:24,720
dh who encountered a wing humanoid

32
00:01:31,109 --> 00:01:28,640
during the summer of 2011.

33
00:01:32,230 --> 00:01:31,119
now dh had recently come across the

34
00:01:34,310 --> 00:01:32,240
chicago area

35
00:01:35,350 --> 00:01:34,320
wing humanoid post and subsequent

36
00:01:39,270 --> 00:01:35,360
reports

37
00:01:41,429 --> 00:01:39,280
that i had received in 2017 and 18.

38
00:01:43,670 --> 00:01:41,439

now this was the first time that dh had

39

00:01:46,550 --> 00:01:43,680

been aware of these sightings

40

00:01:48,590 --> 00:01:46,560

uh this is why dh contacted me directly

41

00:01:50,789 --> 00:01:48,600

in order to report his experience from

42

00:01:53,670 --> 00:01:50,799

2011.

43

00:01:55,190 --> 00:01:53,680

dh and his companion were driving south

44

00:01:57,670 --> 00:01:55,200

on i-35

45

00:01:58,469 --> 00:01:57,680

after leaving the black bear casino on

46

00:02:01,510 --> 00:01:58,479

their way

47

00:02:04,389 --> 00:02:01,520

back to moose lake minnesota there was a

48

00:02:07,990 --> 00:02:04,399

clear moonlit night approximately 2 a.m

49

00:02:10,869 --> 00:02:08,000

t.w was driving a sports car

50

00:02:13,030 --> 00:02:10,879

now excuse me dh is driving a sports car

51
00:02:15,910 --> 00:02:13,040
as he was driving

52
00:02:19,030 --> 00:02:15,920
he observed a large winged beam quickly

53
00:02:21,270 --> 00:02:19,040
descending from the sky in front of them

54
00:02:23,990 --> 00:02:21,280
they first saw it drop straight down

55
00:02:26,390 --> 00:02:24,000
with wings horizontal and open

56
00:02:28,229 --> 00:02:26,400
it was at least one mile away and with

57
00:02:32,390 --> 00:02:28,239
dh estimates

58
00:02:34,630 --> 00:02:32,400
at 2 000 to 3 000 foot altitude

59
00:02:36,630 --> 00:02:34,640
it literally looked like a human with

60
00:02:40,309 --> 00:02:36,640
wide bat like wings

61
00:02:42,390 --> 00:02:40,319
that spanned across both freeway lanes

62
00:02:44,390 --> 00:02:42,400
the being glided towards the car as it

63
00:02:45,589 --> 00:02:44,400

was going to collide with the windshield

64

00:02:48,070 --> 00:02:45,599

in fact

65

00:02:49,430 --> 00:02:48,080

dh's companion coiled expecting an

66

00:02:51,830 --> 00:02:49,440

impact

67

00:02:53,589 --> 00:02:51,840

a dh braced himself for a collision but

68

00:02:54,550 --> 00:02:53,599

suddenly the winged being flew over the

69

00:02:57,270 --> 00:02:54,560

vehicle

70

00:02:59,190 --> 00:02:57,280

both occupants were extremely shaken to

71

00:03:00,790 --> 00:02:59,200

the point where dh pulled over onto the

72

00:03:02,949 --> 00:03:00,800

shoulder

73

00:03:04,149 --> 00:03:02,959

now dh stated that the being was dark

74

00:03:06,949 --> 00:03:04,159

brown in color

75

00:03:09,110 --> 00:03:06,959

with a shiny wet like appearance the

76

00:03:11,509 --> 00:03:09,120

wings were leather-like and quite large

77

00:03:12,869 --> 00:03:11,519

the body was six five to six foot in

78

00:03:16,229 --> 00:03:12,879

length and thin

79

00:03:18,470 --> 00:03:16,239

with a narrow head that had pointed ears

80

00:03:20,470 --> 00:03:18,480

the eyes were hollow and dark the being

81

00:03:23,589 --> 00:03:20,480

never flapped and moved its wings

82

00:03:25,910 --> 00:03:23,599

as if it had another means of propulsion

83

00:03:26,630 --> 00:03:25,920

now d.h never reported the encounter and

84

00:03:30,630 --> 00:03:26,640

felt

85

00:03:32,229 --> 00:03:30,640

comfortable relaying the encounter to me

86

00:03:36,309 --> 00:03:32,239

after reading about the chicago

87

00:03:40,470 --> 00:03:36,319

incidents now after i had posted

88

00:03:43,110 --> 00:03:40,480

this account he uh sent me a follow-up

89

00:03:45,670 --> 00:03:43,120

in his own words he said that we both

90

00:03:48,710 --> 00:03:45,680

noticed and saw what looked like a wide

91

00:03:49,110 --> 00:03:48,720

somewhat glossy object drop straight

92

00:03:52,390 --> 00:03:49,120

down

93

00:03:53,350 --> 00:03:52,400

super fast like a spider would uh when

94

00:03:56,710 --> 00:03:53,360

it drops in

95

00:03:58,869 --> 00:03:56,720

from a vertical web line to lower itself

96

00:04:01,030 --> 00:03:58,879

as it dropped and stopped suddenly just

97

00:04:03,270 --> 00:04:01,040

feet above the horizon

98

00:04:05,270 --> 00:04:03,280

as to then i instantly proceeded to

99

00:04:08,630 --> 00:04:05,280

glide towards my low prof

100

00:04:10,630 --> 00:04:08,640

profile sports car at what i estimate

101
00:04:12,869 --> 00:04:10,640
was the same speed i was heading towards

102
00:04:13,270 --> 00:04:12,879
it so we were heading toward each other

103
00:04:16,550 --> 00:04:13,280
each

104
00:04:18,710 --> 00:04:16,560
now at about 140 miles an hour

105
00:04:21,110 --> 00:04:18,720
i saw it in my high beams as i headed

106
00:04:22,870 --> 00:04:21,120
directly toward my cord's windshield

107
00:04:25,110 --> 00:04:22,880
i waited until it appeared imminent it

108
00:04:29,030 --> 00:04:25,120
was going to collide with my windshield

109
00:04:30,870 --> 00:04:29,040
which was about 20 foot in my guess

110
00:04:32,710 --> 00:04:30,880
my view of the wings face shoulder were

111
00:04:34,950 --> 00:04:32,720
brief but amazing

112
00:04:37,189 --> 00:04:34,960
before i duck sideways while trying to

113
00:04:40,790 --> 00:04:37,199

maintain control of the car

114

00:04:43,189 --> 00:04:40,800

the lower part of my body just went numb

115

00:04:45,909 --> 00:04:43,199

with the lower torso goose bumps in a

116

00:04:47,909 --> 00:04:45,919

way that i have never experienced

117

00:04:49,189 --> 00:04:47,919

this creature defined physics as it

118

00:04:52,710 --> 00:04:49,199

drops straight down

119

00:04:53,430 --> 00:04:52,720

not an angled glide it is with the air

120

00:04:55,510 --> 00:04:53,440

went

121

00:04:57,590 --> 00:04:55,520

right through its wings and it did

122

00:04:59,749 --> 00:04:57,600

appear to drop faster than gravity could

123

00:05:02,150 --> 00:04:59,759

pull any object down

124

00:05:03,909 --> 00:05:02,160

its bat leg wings nearly span the two

125

00:05:07,029 --> 00:05:03,919

freeway lanes

126

00:05:10,469 --> 00:05:07,039

it made no sense to us then

127

00:05:12,550 --> 00:05:10,479

or now so uh

128

00:05:14,230 --> 00:05:12,560

now dh is a well-known respected

129

00:05:17,350 --> 00:05:14,240

professional in the entertainment

130

00:05:19,189 --> 00:05:17,360

industry so i truly believe that this

131

00:05:20,950 --> 00:05:19,199

report

132

00:05:22,870 --> 00:05:20,960

is consistent with some of the other

133

00:05:23,990 --> 00:05:22,880

inquiries my associates and i have

134

00:05:27,990 --> 00:05:24,000

received

135

00:05:30,710 --> 00:05:28,000

concerning these winged humanoids

136

00:05:33,110 --> 00:05:30,720

so let's get started with tonight's show

137

00:05:35,990 --> 00:05:33,120

tonight's guest is jason offit

138

00:05:37,749 --> 00:05:36,000

who's a journalist author and anomalist

139

00:05:40,870 --> 00:05:37,759

jason grew up on a farm

140

00:05:42,950 --> 00:05:40,880

near a little town of orc missouri

141

00:05:45,350 --> 00:05:42,960

in his life he has been a farmhand

142

00:05:48,230 --> 00:05:45,360

journalist photographer bartender

143

00:05:49,909 --> 00:05:48,240

and the mayor of the same small town

144

00:05:51,909 --> 00:05:49,919

jason now teaches journalism at

145

00:05:53,350 --> 00:05:51,919

northwest missouri state university in

146

00:05:55,029 --> 00:05:53,360

maryville

147

00:05:57,270 --> 00:05:55,039

has written many books including

148

00:05:58,309 --> 00:05:57,280

darkness walks the shadow people among

149

00:06:00,870 --> 00:05:58,319

us

150

00:06:03,590 --> 00:06:00,880

haunted missouri a ghostly guide to the

151
00:06:05,670 --> 00:06:03,600
show me state's most spirited spots

152
00:06:06,790 --> 00:06:05,680
and paranormal missouri show me your

153
00:06:09,270 --> 00:06:06,800
monsters

154
00:06:09,990 --> 00:06:09,280
his upcoming book is titled chasing

155
00:06:13,550 --> 00:06:10,000
american

156
00:06:15,029 --> 00:06:13,560
monsters you can find his website at

157
00:06:17,590 --> 00:06:15,039
jasonoffit.com

158
00:06:18,230 --> 00:06:17,600
so jason thanks for joining me hey lon

159
00:06:21,430 --> 00:06:18,240
thanks for

160
00:06:24,150 --> 00:06:21,440
appreciate it

161
00:06:25,110 --> 00:06:24,160
now um you and i have not talked for a

162
00:06:31,270 --> 00:06:25,120
while

163
00:06:33,990 --> 00:06:31,280

uh first of all how did you become

164

00:06:37,189 --> 00:06:34,000

interested in strange and unusual

165

00:06:38,309 --> 00:06:37,199

well i i've always been um interested in

166

00:06:40,870 --> 00:06:38,319

that i'm

167

00:06:42,629 --> 00:06:40,880

growing up i was uh you know when i was

168

00:06:46,230 --> 00:06:42,639

like four or five years old

169

00:06:48,150 --> 00:06:46,240

i i didn't watch um you know like sesame

170

00:06:50,469 --> 00:06:48,160

street or mr rogers neighborhood

171

00:06:52,150 --> 00:06:50,479

because uh reruns of lost in space were

172

00:06:54,070 --> 00:06:52,160

on at that time

173

00:06:56,550 --> 00:06:54,080

yeah and the original star trek and

174

00:06:59,990 --> 00:06:56,560

that's that's what i was glued to

175

00:07:02,150 --> 00:07:00,000

and uh when i was in elementary school

176

00:07:04,550 --> 00:07:02,160

whenever the uh um

177

00:07:05,589 --> 00:07:04,560

you know the scholastic book club order

178

00:07:07,510 --> 00:07:05,599

form came by

179

00:07:09,270 --> 00:07:07,520

i was checking books on the loch ness

180

00:07:10,629 --> 00:07:09,280

monster and bigfoot that's what i wanted

181

00:07:13,749 --> 00:07:10,639

to read about

182

00:07:15,029 --> 00:07:13,759

um when i was uh god how old was i was

183

00:07:17,270 --> 00:07:15,039

five six

184

00:07:19,350 --> 00:07:17,280

six or seven uh i've always read

185

00:07:20,309 --> 00:07:19,360

newspapers i was a journalist for 17

186

00:07:22,230 --> 00:07:20,319

years and

187

00:07:23,830 --> 00:07:22,240

when i was little i mean i was always

188

00:07:26,710 --> 00:07:23,840

still a newspaper geek

189

00:07:28,870 --> 00:07:26,720

you know even at a young age that's when

190

00:07:31,510 --> 00:07:28,880

the momo encounters were happening

191

00:07:33,589 --> 00:07:31,520

over on the eastern side of missouri and

192

00:07:34,469 --> 00:07:33,599

i followed those i was just fascinated

193

00:07:37,749 --> 00:07:34,479

because we had

194

00:07:39,830 --> 00:07:37,759

bigfoot encounters in my home state

195

00:07:42,309 --> 00:07:39,840

and it was in the newspaper so it's got

196

00:07:44,950 --> 00:07:42,319

to be real right

197

00:07:46,550 --> 00:07:44,960

right so yeah i'd like to take a a

198

00:07:48,309 --> 00:07:46,560

backpack with sandwiches and

199

00:07:49,909 --> 00:07:48,319

uh you know flashlight and stuff like

200

00:07:50,629 --> 00:07:49,919

that out into the cornfields around the

201
00:07:53,110 --> 00:07:50,639
house and

202
00:07:54,869 --> 00:07:53,120
look for bigfoot footprints and drove my

203
00:07:57,990 --> 00:07:54,879
mom crazy but uh yeah i've been

204
00:07:59,909 --> 00:07:58,000
been interested in uh in all sorts

205
00:08:01,350 --> 00:07:59,919
of creepy crawlies and ghosts since i

206
00:08:02,710 --> 00:08:01,360
was pretty little

207
00:08:04,390 --> 00:08:02,720
it's pretty interesting how we get

208
00:08:05,589 --> 00:08:04,400
involved with this stuff you know for me

209
00:08:08,950 --> 00:08:05,599
it was like

210
00:08:11,749 --> 00:08:08,960
uh i think it was around 9 or 10

211
00:08:12,869 --> 00:08:11,759
when i first heard about the betty and

212
00:08:15,350 --> 00:08:12,879
barney

213
00:08:17,110 --> 00:08:15,360

abduction hill benny and boarding hill

214

00:08:19,909 --> 00:08:17,120

abduction in new hampshire

215

00:08:20,550 --> 00:08:19,919

and that just mesmerized me it was just

216

00:08:22,950 --> 00:08:20,560

before

217

00:08:23,909 --> 00:08:22,960

the uh the moonlight the apollo 11 moon

218

00:08:26,629 --> 00:08:23,919

landing

219

00:08:28,469 --> 00:08:26,639

so anything like that just fascinated

220

00:08:30,469 --> 00:08:28,479

the heck out of me and of course

221

00:08:32,630 --> 00:08:30,479

one long after that when the uncertain

222

00:08:34,149 --> 00:08:32,640

in search of tv shows started coming on

223

00:08:36,149 --> 00:08:34,159

television so

224

00:08:37,509 --> 00:08:36,159

you know it was like wow we're getting

225

00:08:41,509 --> 00:08:37,519

hit with all this

226

00:08:43,350 --> 00:08:41,519

weird stuff all of a sudden uh so

227

00:08:45,269 --> 00:08:43,360

yeah i was glued to that that was one of

228

00:08:47,910 --> 00:08:45,279

my favorite shows and i it's still

229

00:08:49,269 --> 00:08:47,920

they're all on youtube and i'll you know

230

00:08:49,910 --> 00:08:49,279

still look look them up every once in a

231

00:08:51,110 --> 00:08:49,920

while just to

232

00:08:53,829 --> 00:08:51,120

just to check them out and they still

233

00:08:56,389 --> 00:08:53,839

hold up to me i also watched uh

234

00:08:58,070 --> 00:08:56,399

could check the night stalker oh yeah as

235

00:08:59,110 --> 00:08:58,080

a kid that was that was absolutely

236

00:09:01,509 --> 00:08:59,120

terrific

237

00:09:03,750 --> 00:09:01,519

funny because you know we did this

238

00:09:06,630 --> 00:09:03,760

investigation of these chicago

239

00:09:08,269 --> 00:09:06,640

humanoids flying humanoids back in uh

240

00:09:11,430 --> 00:09:08,279

starting in 2000 early

241

00:09:13,110 --> 00:09:11,440

2017 and boy i started getting the cold

242

00:09:14,070 --> 00:09:13,120

shack reference just like crazy out of

243

00:09:16,710 --> 00:09:14,080

that city

244

00:09:17,590 --> 00:09:16,720

yeah that's a compliment that's a

245

00:09:19,269 --> 00:09:17,600

compliment

246

00:09:21,590 --> 00:09:19,279

yeah you know and because i've been

247

00:09:23,990 --> 00:09:21,600

because i followed that i i

248

00:09:25,750 --> 00:09:24,000

followed your work on that and all i

249

00:09:28,710 --> 00:09:25,760

could really think about was

250

00:09:30,070 --> 00:09:28,720

you know these things happen every once

251
00:09:33,110 --> 00:09:30,080
in a while and

252
00:09:35,269 --> 00:09:33,120
you know it started in like 2017

253
00:09:36,630 --> 00:09:35,279
there and they were big in 2018 and then

254
00:09:38,470 --> 00:09:36,640
they sort of

255
00:09:40,550 --> 00:09:38,480
started to peter out and there's

256
00:09:41,910 --> 00:09:40,560
probably not going to be many more

257
00:09:43,110 --> 00:09:41,920
after this at least i mean that's what

258
00:09:44,790 --> 00:09:43,120
i'm thinking because that's how the

259
00:09:46,710 --> 00:09:44,800
waves usually go

260
00:09:49,829 --> 00:09:46,720
and it you know it was making me think

261
00:09:53,110 --> 00:09:49,839
of john keele's window areas

262
00:09:56,870 --> 00:09:53,120
yeah when whenever uh you know a lot of

263
00:09:58,949 --> 00:09:56,880

strange activity happens in in one place

264

00:10:00,389 --> 00:09:58,959

for a period of time and then then you

265

00:10:01,670 --> 00:10:00,399

know all of a sudden here it is and then

266

00:10:02,949 --> 00:10:01,680

all of a sudden you know it kind of kind

267

00:10:05,910 --> 00:10:02,959

of stops

268

00:10:07,190 --> 00:10:05,920

um i you know that makes that makes a

269

00:10:08,790 --> 00:10:07,200

whole lot of sense to me that

270

00:10:10,310 --> 00:10:08,800

that there are areas that are a little

271

00:10:11,829 --> 00:10:10,320

bit on this planet that are a little bit

272

00:10:13,430 --> 00:10:11,839

thinner than the other ones and things

273

00:10:16,389 --> 00:10:13,440

leak through it from time to time

274

00:10:16,710 --> 00:10:16,399

yeah it seems that way and uh you know

275

00:10:19,750 --> 00:10:16,720

that

276

00:10:21,509 --> 00:10:19,760

this though

277

00:10:22,790 --> 00:10:21,519

you know we may not never be able to

278

00:10:25,910 --> 00:10:22,800

figure out what this was

279

00:10:27,350 --> 00:10:25,920

but uh some of the descriptions just

280

00:10:29,190 --> 00:10:27,360

some of the uh

281

00:10:31,030 --> 00:10:29,200

the things that people described to us

282

00:10:31,350 --> 00:10:31,040

made me believe that these things were

283

00:10:32,949 --> 00:10:31,360

not

284

00:10:35,509 --> 00:10:32,959

indigenous and they were coming from

285

00:10:38,710 --> 00:10:35,519

somewhere else

286

00:10:41,030 --> 00:10:38,720

so well right i mean

287

00:10:42,069 --> 00:10:41,040

because uh i mean they're you know going

288

00:10:44,069 --> 00:10:42,079

back to you know

289

00:10:45,590 --> 00:10:44,079

the similar things you know the mothman

290

00:10:47,110 --> 00:10:45,600

that it just started

291

00:10:48,790 --> 00:10:47,120

and then when some you know something

292

00:10:51,430 --> 00:10:48,800

happened it stopped

293

00:10:51,829 --> 00:10:51,440

uh so it wasn't around around a lot and

294

00:10:56,150 --> 00:10:51,839

you know

295

00:10:58,389 --> 00:10:56,160

window areas that we've

296

00:11:01,350 --> 00:10:58,399

you know the the the green children that

297

00:11:03,269 --> 00:11:01,360

appeared in england um

298

00:11:04,470 --> 00:11:03,279

that was you know could have been a

299

00:11:07,750 --> 00:11:04,480

window area

300

00:11:10,949 --> 00:11:07,760

there was a uh a case of a man

301
00:11:14,310 --> 00:11:10,959
uh who appeared in japan uh

302
00:11:15,509 --> 00:11:14,320
who had a a passport from a country that

303
00:11:17,590 --> 00:11:15,519
didn't exist and had

304
00:11:18,550 --> 00:11:17,600
money on him from a country that didn't

305
00:11:20,069 --> 00:11:18,560
exist and

306
00:11:21,910 --> 00:11:20,079
uh you know looked like he was from a

307
00:11:23,750 --> 00:11:21,920
different dimension well i mean there

308
00:11:27,110 --> 00:11:23,760
could have been a window area at that

309
00:11:29,590 --> 00:11:27,120
point where he just stepped through

310
00:11:32,310 --> 00:11:29,600
so uh your upcoming book is titled

311
00:11:35,269 --> 00:11:32,320
chasing american monsters

312
00:11:35,829 --> 00:11:35,279
would you say that the monster cryptid

313
00:11:41,269 --> 00:11:35,839

hunting

314

00:11:44,230 --> 00:11:41,279

investigation is a nationwide obsession

315

00:11:45,750 --> 00:11:44,240

oh not really i think it's more of a

316

00:11:48,310 --> 00:11:45,760

worldwide obsession

317

00:11:49,430 --> 00:11:48,320

oh you think so yeah people all over the

318

00:11:51,269 --> 00:11:49,440

world are

319

00:11:52,790 --> 00:11:51,279

uh you know search for these things i

320

00:11:56,230 --> 00:11:52,800

don't i don't know

321

00:11:57,509 --> 00:11:56,240

on a uh you know a basis as as in much

322

00:11:59,430 --> 00:11:57,519

of the united states because this is

323

00:11:59,990 --> 00:11:59,440

where i live but i know there are a lot

324

00:12:04,710 --> 00:12:00,000

of

325

00:12:08,550 --> 00:12:04,720

i've followed adam davey's uh

326

00:12:11,030 --> 00:12:08,560

work for for quite a while i mean

327

00:12:11,910 --> 00:12:11,040

i mean mommy tex sir edmund hillary went

328

00:12:15,110 --> 00:12:11,920

looking for the

329

00:12:16,629 --> 00:12:15,120

the yeti back in the day so i mean there

330

00:12:18,550 --> 00:12:16,639

are people

331

00:12:19,990 --> 00:12:18,560

worldwide who are interested in this but

332

00:12:22,310 --> 00:12:20,000

uh yeah and

333

00:12:23,590 --> 00:12:22,320

in the united states it seems to be you

334

00:12:25,030 --> 00:12:23,600

know that's where we have people on the

335

00:12:26,230 --> 00:12:25,040

weekends going and uh

336

00:12:28,069 --> 00:12:26,240

you know going out in the woods and

337

00:12:30,310 --> 00:12:28,079

knocking on trees yeah

338

00:12:32,790 --> 00:12:30,320

you know it does seem to me though maybe

339

00:12:35,030 --> 00:12:32,800

more recently in recent years

340

00:12:37,110 --> 00:12:35,040

that cryptozoology is more of a north

341

00:12:38,629 --> 00:12:37,120

american phenomenon now

342

00:12:40,949 --> 00:12:38,639

you know of course there are well known

343

00:12:42,550 --> 00:12:40,959

cryptids throughout the world

344

00:12:44,949 --> 00:12:42,560

and you name something of course like

345

00:12:47,190 --> 00:12:44,959

you know loch ness monster and stuff but

346

00:12:51,350 --> 00:12:47,200

you know our continents seem to capture

347

00:12:56,470 --> 00:12:54,150

right well one of the um one of the

348

00:12:59,990 --> 00:12:56,480

things i think uh about that in in

349

00:13:03,110 --> 00:13:00,000

researching the book uh a lot of

350

00:13:06,790 --> 00:13:03,120

monsters that we've experienced here uh

351

00:13:10,710 --> 00:13:06,800

are monsters that originated in

352

00:13:12,550 --> 00:13:10,720

europa or japan or someplace else

353

00:13:14,710 --> 00:13:12,560

uh you know like the like you know the

354

00:13:16,870 --> 00:13:14,720

tommyknockers of pennsylvania and

355

00:13:21,509 --> 00:13:16,880

california the uh

356

00:13:24,710 --> 00:13:21,519

um um where am i going the banshee

357

00:13:27,350 --> 00:13:24,720

of uh of of south dakota the uh the

358

00:13:31,750 --> 00:13:27,360

black dog of connecticut all of these

359

00:13:33,750 --> 00:13:31,760

have roots in in in foreign countries

360

00:13:35,590 --> 00:13:33,760

and and that's because you know this

361

00:13:37,110 --> 00:13:35,600

country's filled with people who came

362

00:13:38,470 --> 00:13:37,120

here from someplace else

363

00:13:40,710 --> 00:13:38,480

right and when they came when they

364

00:13:42,629 --> 00:13:40,720

immigrated here they didn't just bring

365

00:13:44,949 --> 00:13:42,639

you know a change of clothes and

366

00:13:46,710 --> 00:13:44,959

uh grandma's recipe book and maybe some

367

00:13:48,470 --> 00:13:46,720

family heirlooms they brought all their

368

00:13:52,470 --> 00:13:48,480

legends and stories

369

00:13:54,870 --> 00:13:52,480

and yeah their monsters came with them

370

00:13:57,030 --> 00:13:54,880

well yeah that's true because uh this

371

00:14:02,069 --> 00:13:57,040

part of the country was heavy

372

00:14:04,870 --> 00:14:02,079

uh german descendants and um

373

00:14:07,509 --> 00:14:04,880

you are immigrants you had uh of course

374

00:14:10,790 --> 00:14:07,519

people seeing lots of

375

00:14:13,030 --> 00:14:10,800

upright canines werewolves in

376

00:14:13,910 --> 00:14:13,040

southern pennsylvania and and throughout

377

00:14:15,750 --> 00:14:13,920

maryland

378

00:14:18,069 --> 00:14:15,760

of course the sally gaster which is

379

00:14:21,189 --> 00:14:18,079

another another cryptid that you

380

00:14:22,230 --> 00:14:21,199

you mentioned in the book that was well

381

00:14:25,670 --> 00:14:22,240

documented

382

00:14:28,870 --> 00:14:25,680

maryland as well

383

00:14:31,910 --> 00:14:28,880

so uh yeah a lot of these uh

384

00:14:34,230 --> 00:14:31,920

these these immigrants from

385

00:14:35,990 --> 00:14:34,240

old the old country you know they were

386

00:14:36,629 --> 00:14:36,000

kind of seeing the same thing they saw

387

00:14:38,310 --> 00:14:36,639

or

388

00:14:39,910 --> 00:14:38,320

was part of the legend when they were

389

00:14:42,870 --> 00:14:39,920

back home right

390

00:14:44,550 --> 00:14:42,880

yeah exactly like i'd mentioned the uh

391

00:14:47,829 --> 00:14:44,560

the the tommy knockers

392

00:14:48,310 --> 00:14:47,839

uh some of the best miners in the world

393

00:14:51,509 --> 00:14:48,320

were

394

00:14:54,470 --> 00:14:51,519

uh from cornwall england and when

395

00:14:57,110 --> 00:14:54,480

uh all this coal was was discovered in

396

00:14:59,430 --> 00:14:57,120

in pennsylvania

397

00:15:00,870 --> 00:14:59,440

companies would bring over cornish

398

00:15:01,670 --> 00:15:00,880

miners because you know they were the

399

00:15:05,110 --> 00:15:01,680

best

400

00:15:05,590 --> 00:15:05,120

well the the cornish miners had stories

401
00:15:09,350 --> 00:15:05,600
of

402
00:15:12,949 --> 00:15:09,360
the tommyknockers which were diminutive

403
00:15:14,790 --> 00:15:12,959
uh people who would you know would mine

404
00:15:16,310 --> 00:15:14,800
they would they would mine as well but

405
00:15:18,550 --> 00:15:16,320
they would also play pranks

406
00:15:20,710 --> 00:15:18,560
on on the miners you know hiding a tool

407
00:15:22,230 --> 00:15:20,720
hiding their lunch

408
00:15:23,910 --> 00:15:22,240
they would they would be also also be

409
00:15:26,310 --> 00:15:23,920
known to

410
00:15:27,750 --> 00:15:26,320
sometimes warn people uh there was a

411
00:15:31,189 --> 00:15:27,760
possible cave in

412
00:15:33,110 --> 00:15:31,199
uh other times they would be known to

413
00:15:35,030 --> 00:15:33,120

lure people deeper into the mine right

414

00:15:38,230 --> 00:15:35,040

before a cave in so that these

415

00:15:39,910 --> 00:15:38,240

miners would die as well um and when the

416

00:15:42,310 --> 00:15:39,920

cornish miners were brought over to the

417

00:15:45,110 --> 00:15:42,320

united states these these stories

418

00:15:46,870 --> 00:15:45,120

came with them and and the the american

419

00:15:47,990 --> 00:15:46,880

miners who were mining with them started

420

00:15:52,710 --> 00:15:48,000

experiencing the same

421

00:15:55,350 --> 00:15:52,720

either the the tommy knockers came

422

00:15:57,189 --> 00:15:55,360

over with the cornish miners or

423

00:15:58,790 --> 00:15:57,199

something i've been thinking of a lot is

424

00:16:01,350 --> 00:15:58,800

that there are

425

00:16:03,189 --> 00:16:01,360

entities uh there there there are

426

00:16:06,710 --> 00:16:03,199

probably entities out there

427

00:16:08,710 --> 00:16:06,720

that emulate other entities

428

00:16:10,470 --> 00:16:08,720

so it might not be the tommy knockers

429

00:16:12,629 --> 00:16:10,480

from england who were over here

430

00:16:14,150 --> 00:16:12,639

it's whatever entities uh you know

431

00:16:15,269 --> 00:16:14,160

latched onto the cornish miners that

432

00:16:18,230 --> 00:16:15,279

were uh

433

00:16:19,670 --> 00:16:18,240

emulating the emulating those stories or

434

00:16:24,069 --> 00:16:19,680

it could be like a thought-form

435

00:16:26,629 --> 00:16:24,079

manifestation a tulpa yeah

436

00:16:29,189 --> 00:16:26,639

yeah i mean you know that that's one

437

00:16:32,629 --> 00:16:29,199

thing i had thought about as well

438

00:16:33,269 --> 00:16:32,639

that i um you know people that come over

439

00:16:34,870 --> 00:16:33,279
from

440

00:16:37,189 --> 00:16:34,880
another country and they start

441

00:16:41,590 --> 00:16:37,199
experiencing the same thing

442

00:16:43,590 --> 00:16:41,600
may have you know seen or felt phenomena

443

00:16:45,910 --> 00:16:43,600
and just associated somehow with

444

00:16:49,430 --> 00:16:45,920
something that they were familiar with

445

00:16:52,790 --> 00:16:49,440
and somehow created a tulpa

446

00:16:55,910 --> 00:16:52,800
and and that i've yes absolutely

447

00:16:58,069 --> 00:16:55,920
definitely a possibility that um

448

00:16:59,350 --> 00:16:58,079
i've i've placed that sort of thing

449

00:17:02,310 --> 00:16:59,360
along with uh

450

00:17:03,749 --> 00:17:02,320
with black-eyed kids uh because uh

451

00:17:07,110 --> 00:17:03,759

journalist brian bethel

452

00:17:08,549 --> 00:17:07,120

is the first one to to talk online about

453

00:17:11,829 --> 00:17:08,559

about the black-eyed kids and this was

454

00:17:15,270 --> 00:17:11,839

back in 98 or 99 i think

455

00:17:17,909 --> 00:17:15,280

and when people caught wind of that when

456

00:17:19,110 --> 00:17:17,919

wind of it you know the discussion went

457

00:17:21,750 --> 00:17:19,120

crazy

458

00:17:23,909 --> 00:17:21,760

and all of a sudden people were seeing

459

00:17:26,390 --> 00:17:23,919

black-eyed kids all over the place

460

00:17:27,590 --> 00:17:26,400

slenderman which is a completely made-up

461

00:17:30,789 --> 00:17:27,600

entity

462

00:17:33,190 --> 00:17:30,799

it was it was fabricated um

463

00:17:34,549 --> 00:17:33,200

people started reporting that they had

464

00:17:37,990 --> 00:17:34,559

actually seen it

465

00:17:41,350 --> 00:17:38,000

right um so i mean yeah

466

00:17:43,590 --> 00:17:41,360

are there is the human mind uh

467

00:17:45,590 --> 00:17:43,600

when it gets fixated on something when

468

00:17:47,909 --> 00:17:45,600

it puts a lot of energy

469

00:17:50,470 --> 00:17:47,919

into thinking about a subject does that

470

00:17:52,390 --> 00:17:50,480

subject come to life

471

00:17:54,470 --> 00:17:52,400

well you know i believe in that i think

472

00:17:55,909 --> 00:17:54,480

that that may very well be true and you

473

00:17:59,430 --> 00:17:55,919

know you you mentioned

474

00:18:00,630 --> 00:17:59,440

the slender man i i think that you know

475

00:18:03,750 --> 00:18:00,640

the increase of

476

00:18:05,029 --> 00:18:03,760

memes are these entity encounters of

477

00:18:07,669 --> 00:18:05,039

memes

478

00:18:08,630 --> 00:18:07,679

maybe something that is going to become

479

00:18:11,830 --> 00:18:08,640

a bigger part of

480

00:18:13,830 --> 00:18:11,840

a paranormal investigation now

481

00:18:15,909 --> 00:18:13,840

are people creating thought forms

482

00:18:18,630 --> 00:18:15,919

because of their own line all the time

483

00:18:19,430 --> 00:18:18,640

and they and they they see these made-up

484

00:18:22,710 --> 00:18:19,440

entities

485

00:18:26,150 --> 00:18:22,720

will they be uh manifested because of

486

00:18:29,750 --> 00:18:26,160

something someone would think out as

487

00:18:31,669 --> 00:18:29,760

almost like what a poltergeist is

488

00:18:32,950 --> 00:18:31,679

right right the the because i think

489

00:18:36,470 --> 00:18:32,960

human

490

00:18:38,470 --> 00:18:36,480

thought has a lot of power um

491

00:18:39,750 --> 00:18:38,480

there was uh the character john

492

00:18:43,190 --> 00:18:39,760

constantine

493

00:18:44,870 --> 00:18:43,200

um that was uh it was turned into a film

494

00:18:45,990 --> 00:18:44,880

with with keanu reeves i don't remember

495

00:18:49,430 --> 00:18:46,000

what year

496

00:18:53,190 --> 00:18:49,440

but the uh writer

497

00:18:56,950 --> 00:18:53,200

of of constantine um

498

00:19:00,630 --> 00:18:56,960

alan alan something alan moore maybe

499

00:19:02,230 --> 00:19:00,640

he had told a story that he was sitting

500

00:19:05,510 --> 00:19:02,240

in a coffee shop

501
00:19:07,590 --> 00:19:05,520
and a person who

502
00:19:09,590 --> 00:19:07,600
it was constantine it was the character

503
00:19:11,590 --> 00:19:09,600
that he created the character that

504
00:19:13,750 --> 00:19:11,600
that he had written he'd conjured this

505
00:19:16,789 --> 00:19:13,760
up this fictional character in his head

506
00:19:19,909 --> 00:19:16,799
he said that this guy walked past him

507
00:19:22,070 --> 00:19:19,919
in a coffee shop ordered a cup of coffee

508
00:19:24,150 --> 00:19:22,080
and when he was leaving turned around

509
00:19:25,029 --> 00:19:24,160
and looked him right in the eye and

510
00:19:27,669 --> 00:19:25,039
nodded and

511
00:19:29,029 --> 00:19:27,679
walked out the door was that just a

512
00:19:31,190 --> 00:19:29,039
coincidence a guy who

513
00:19:33,110 --> 00:19:31,200

looked just like the character that he

514

00:19:36,870 --> 00:19:33,120
created

515

00:19:39,909 --> 00:19:36,880
or yeah or was was did he

516

00:19:43,110 --> 00:19:39,919
you know did he actually

517

00:19:45,350 --> 00:19:43,120
create something physical um i i

518

00:19:46,630 --> 00:19:45,360
i you know i think that sort of thing's

519

00:19:50,470 --> 00:19:46,640
possible because

520

00:19:52,070 --> 00:19:50,480
whenever um we start thinking about

521

00:19:55,430 --> 00:19:52,080
things a lot you know that

522

00:19:57,590 --> 00:19:55,440
they sometimes they kind of happen yeah

523

00:19:59,029 --> 00:19:57,600
that's true and you know i do run across

524

00:20:02,549 --> 00:19:59,039
a case here and there but

525

00:20:04,549 --> 00:20:02,559
uh you know that closely resembles a

526

00:20:06,149 --> 00:20:04,559

possibility of it being a thought form i

527

00:20:09,830 --> 00:20:06,159

mean it's just something that

528

00:20:12,549 --> 00:20:09,840

manifests for some unknown reason

529

00:20:14,310 --> 00:20:12,559

and of course uh the human that's

530

00:20:15,830 --> 00:20:14,320

manifesting has no idea what that

531

00:20:19,270 --> 00:20:15,840

they're doing it

532

00:20:22,070 --> 00:20:19,280

and uh it just becomes

533

00:20:22,470 --> 00:20:22,080

bigger than life apparently but it's a

534

00:20:25,430 --> 00:20:22,480

lot of

535

00:20:26,630 --> 00:20:25,440

it no it does happen i think right i did

536

00:20:29,990 --> 00:20:26,640

and but

537

00:20:33,110 --> 00:20:30,000

let me go because i am um

538

00:20:36,230 --> 00:20:33,120

right uh you know at my base

539

00:20:39,350 --> 00:20:36,240

uh i'm a skeptical person because i

540

00:20:41,350 --> 00:20:39,360

i want science to prove things uh i'm

541

00:20:43,350 --> 00:20:41,360

i'm not gonna say i believe in bigfoot

542

00:20:44,149 --> 00:20:43,360

because i want science to show me the

543

00:20:46,230 --> 00:20:44,159

body

544

00:20:47,350 --> 00:20:46,240

um do i think it's possible bigfoot

545

00:20:48,950 --> 00:20:47,360

exists i

546

00:20:51,270 --> 00:20:48,960

of all the cryptids i think that one's

547

00:20:52,710 --> 00:20:51,280

one of the you know the most ones the uh

548

00:20:54,149 --> 00:20:52,720

there's the most evidence showing yeah

549

00:20:56,310 --> 00:20:54,159

it probably does

550

00:20:57,830 --> 00:20:56,320

but still i want to see the evidence

551

00:21:00,390 --> 00:20:57,840

before i say 100 100

552

00:21:01,669 --> 00:21:00,400

that that's what i'm i'm sure of so i

553

00:21:04,310 --> 00:21:01,679

mean there are also

554

00:21:05,590 --> 00:21:04,320

things uh the that the human mind does

555

00:21:07,909 --> 00:21:05,600

like

556

00:21:11,190 --> 00:21:07,919

for example my wife and i uh two years

557

00:21:13,830 --> 00:21:11,200

ago bought a uh about a ford escape

558

00:21:16,310 --> 00:21:13,840

and you know frankly i never could

559

00:21:17,590 --> 00:21:16,320

remember seeing what a ford escape was i

560

00:21:19,430 --> 00:21:17,600

we went to the lot and i'm like yeah

561

00:21:20,310 --> 00:21:19,440

it's a nice car oh my gosh it drives

562

00:21:22,470 --> 00:21:20,320

well

563

00:21:25,270 --> 00:21:22,480

uh i like what the mileage is it's got a

564

00:21:28,149 --> 00:21:25,280

good record yeah yeah i like this car

565

00:21:29,669 --> 00:21:28,159

and when we got back to the town a small

566

00:21:32,390 --> 00:21:29,679

town where we live

567

00:21:34,870 --> 00:21:32,400

i saw ford escapes everywhere yeah

568

00:21:37,990 --> 00:21:34,880

meaning they were already there

569

00:21:40,549 --> 00:21:38,000

i just never noticed them you know until

570

00:21:41,909 --> 00:21:40,559

i knew what to look for

571

00:21:43,990 --> 00:21:41,919

so i mean i mean a lot of this

572

00:21:47,430 --> 00:21:44,000

paranormal stuff could be that as

573

00:21:50,390 --> 00:21:47,440

as well we didn't know what to see

574

00:21:52,149 --> 00:21:50,400

until we we knew until we knew it it

575

00:21:55,190 --> 00:21:52,159

reminds me do you ever read any douglas

576

00:21:58,230 --> 00:21:55,200

adams hitchhiker's guide to the galaxy

577

00:21:59,350 --> 00:21:58,240

no i didn't i never read the book okay

578

00:22:01,590 --> 00:21:59,360

and well in one of his

579

00:22:03,990 --> 00:22:01,600

um one of his later hitchhiker guide

580

00:22:04,549 --> 00:22:04,000

books i think that maybe the fifth one

581

00:22:08,230 --> 00:22:04,559

in his

582

00:22:10,710 --> 00:22:08,240

trilogy that's part of the joke he um

583

00:22:11,510 --> 00:22:10,720

wrote about an alien landing a spaceship

584

00:22:14,549 --> 00:22:11,520

right in a

585

00:22:17,270 --> 00:22:14,559

really populated area and

586

00:22:18,630 --> 00:22:17,280

the human he was there to to get said

587

00:22:19,510 --> 00:22:18,640

aren't you worried about people seeing

588

00:22:22,470 --> 00:22:19,520

the spaceship

589

00:22:23,750 --> 00:22:22,480

and the aliens said no this is somebody

590

00:22:26,950 --> 00:22:23,760

else's problem

591

00:22:29,350 --> 00:22:26,960

humans will see something

592

00:22:30,710 --> 00:22:29,360

out of the ordinary but their minds will

593

00:22:33,270 --> 00:22:30,720

immediately reject it

594

00:22:35,029 --> 00:22:33,280

because somebody else will will see it

595

00:22:37,430 --> 00:22:35,039

and do something about it it's their

596

00:22:40,789 --> 00:22:37,440

problem it's not mine

597

00:22:41,590 --> 00:22:40,799

which uh yeah that really i think

598

00:22:43,909 --> 00:22:41,600

happens a lot

599

00:22:45,510 --> 00:22:43,919

i think that does happen i i agree with

600

00:22:51,350 --> 00:22:45,520

you

601
00:22:52,310 --> 00:22:51,360
it's in as far as cryptids go let's put

602
00:22:53,830 --> 00:22:52,320
it that way

603
00:22:55,590 --> 00:22:53,840
do you think people are actually

604
00:22:57,990 --> 00:22:55,600
witnessing in uh

605
00:22:59,830 --> 00:22:58,000
indigenous creatures or are these

606
00:23:01,669 --> 00:22:59,840
possible corporeal

607
00:23:04,070 --> 00:23:01,679
cryptids that are finding their way on

608
00:23:06,789 --> 00:23:04,080
earth plane

609
00:23:07,909 --> 00:23:06,799
it well it really depends it really

610
00:23:11,830 --> 00:23:07,919
depends on the creature

611
00:23:13,590 --> 00:23:11,840
when it comes to bigfoot i've i've

612
00:23:15,270 --> 00:23:13,600
read a lot and and i've listened to a

613
00:23:16,310 --> 00:23:15,280

lot of people and i've had discussions

614

00:23:18,950 --> 00:23:16,320

with people

615

00:23:21,029 --> 00:23:18,960

who are convinced that that bigfoot is

616

00:23:23,590 --> 00:23:21,039

an interdimensional being and they they

617

00:23:24,870 --> 00:23:23,600

pop in and pop out of dimensions i've

618

00:23:27,830 --> 00:23:24,880

talked to people who are

619

00:23:28,630 --> 00:23:27,840

certain because of all the bigfoot

620

00:23:31,430 --> 00:23:28,640

sightings that

621

00:23:31,830 --> 00:23:31,440

correspond with you know ufo sightings

622

00:23:34,630 --> 00:23:31,840

that

623

00:23:35,350 --> 00:23:34,640

something's there uh i'm the type of

624

00:23:38,710 --> 00:23:35,360

person that

625

00:23:40,470 --> 00:23:38,720

is more uh i think bigfoot

626

00:23:42,310 --> 00:23:40,480

if he exists and like i said i think he

627

00:23:45,990 --> 00:23:42,320

really very well could

628

00:23:49,110 --> 00:23:46,000

it is more of a flesh and blood thing

629

00:23:49,750 --> 00:23:49,120

i mean because it leaves physical traces

630

00:23:52,310 --> 00:23:49,760

it leaves

631

00:23:54,230 --> 00:23:52,320

footprints uh deep footprints with

632

00:23:54,549 --> 00:23:54,240

dermal ridges which that really excites

633

00:23:57,110 --> 00:23:54,559

me

634

00:23:59,830 --> 00:23:57,120

that it will leave scat and blood and

635

00:24:03,830 --> 00:24:02,070

there are people who claim to have taken

636

00:24:04,950 --> 00:24:03,840

a shot at it and some who claim to to

637

00:24:08,549 --> 00:24:04,960

have shot it

638

00:24:08,950 --> 00:24:08,559

um i i really do think that that bigfoot

639

00:24:15,990 --> 00:24:08,960

is

640

00:24:18,470 --> 00:24:16,000

corporeal it's it's flesh and blood

641

00:24:19,190 --> 00:24:18,480

but how does it disappear well that's

642

00:24:21,669 --> 00:24:19,200

just it

643

00:24:23,269 --> 00:24:21,679

that's why you know i had of course i

644

00:24:25,029 --> 00:24:23,279

had my encounter

645

00:24:26,950 --> 00:24:25,039

i had no doubt that this thing was

646

00:24:30,630 --> 00:24:26,960

flushing blood

647

00:24:32,789 --> 00:24:30,640

but i also have heard so too many it's

648

00:24:34,390 --> 00:24:32,799

put that way too many cases

649

00:24:36,390 --> 00:24:34,400

where these things just suddenly

650

00:24:40,630 --> 00:24:36,400

disappear or just

651
00:24:44,310 --> 00:24:40,640
manifest in front of somebody uh

652
00:24:46,230 --> 00:24:44,320
are these corporeal beings that come

653
00:24:49,750 --> 00:24:46,240
from another

654
00:24:50,789 --> 00:24:49,760
dimension or universe where they come

655
00:24:53,510 --> 00:24:50,799
through some type of

656
00:24:54,070 --> 00:24:53,520
portal of some type i don't know i mean

657
00:24:55,750 --> 00:24:54,080
you know

658
00:24:57,269 --> 00:24:55,760
this this thing with what happened in

659
00:25:00,070 --> 00:24:57,279
chicago

660
00:25:00,710 --> 00:25:00,080
with these wing humanoids you know we

661
00:25:04,870 --> 00:25:00,720
have had

662
00:25:08,470 --> 00:25:04,880
two reports out of all the reports where

663
00:25:11,510 --> 00:25:08,480

these beings would suddenly disappear

664

00:25:12,830 --> 00:25:11,520

just like it went through a doorway and

665

00:25:16,549 --> 00:25:12,840

just

666

00:25:18,950 --> 00:25:16,559

vanish so

667

00:25:20,710 --> 00:25:18,960

yeah but that's that's that's different

668

00:25:24,630 --> 00:25:20,720

from from bigfoot

669

00:25:27,029 --> 00:25:24,640

um uh bigfoot for for one if

670

00:25:28,149 --> 00:25:27,039

anybody spent you know time in in the

671

00:25:30,549 --> 00:25:28,159

woods especially

672

00:25:32,310 --> 00:25:30,559

thick woods there have been plenty of

673

00:25:35,430 --> 00:25:32,320

times to where i have been

674

00:25:36,549 --> 00:25:35,440

within a couple of feet of a deer and i

675

00:25:40,710 --> 00:25:36,559

didn't know it until

676
00:25:41,990 --> 00:25:40,720
and took off right and deer aren't small

677
00:25:43,430 --> 00:25:42,000
animals i mean they're not bigfoot

678
00:25:46,470 --> 00:25:43,440
size of course but they're not small

679
00:25:49,669 --> 00:25:46,480
animals i didn't see it

680
00:25:50,710 --> 00:25:49,679
and what other animals are within 10

681
00:25:52,870 --> 00:25:50,720
feet of me

682
00:25:53,750 --> 00:25:52,880
and i have no clue they're there all

683
00:25:55,350 --> 00:25:53,760
right the same

684
00:25:57,830 --> 00:25:55,360
i mean same could be you know it could

685
00:26:01,110 --> 00:25:57,840
be you know with with bigfoot it's just

686
00:26:03,029 --> 00:26:01,120
not only um does the you know

687
00:26:05,990 --> 00:26:03,039
the color in the hair would would make

688
00:26:08,710 --> 00:26:06,000

it uh easy to blend in with the foliage

689

00:26:09,269 --> 00:26:08,720

uh even though it's so big it you know

690

00:26:12,149 --> 00:26:09,279

it's

691

00:26:12,950 --> 00:26:12,159

from all accounts pretty intelligent

692

00:26:15,510 --> 00:26:12,960

well my

693

00:26:18,230 --> 00:26:15,520

my theory on bigfoot is that i do

694

00:26:21,350 --> 00:26:18,240

believe that there are indigenous

695

00:26:23,750 --> 00:26:21,360

bigfoot in other words these are bigfoot

696

00:26:24,950 --> 00:26:23,760

that our flesh and blood live on this

697

00:26:26,950 --> 00:26:24,960

earth

698

00:26:28,230 --> 00:26:26,960

in certain areas like the pacific

699

00:26:31,510 --> 00:26:28,240

northwest

700

00:26:35,830 --> 00:26:31,520

possibly down in florida some parts of

701
00:26:38,310 --> 00:26:35,840
the deep south but

702
00:26:40,310 --> 00:26:38,320
i do believe for the most part what

703
00:26:42,310 --> 00:26:40,320
people are seeing like where i live at

704
00:26:45,269 --> 00:26:42,320
here in pennsylvania

705
00:26:46,710 --> 00:26:45,279
and in the upper midwest and such i

706
00:26:50,470 --> 00:26:46,720
think

707
00:26:53,110 --> 00:26:50,480
i i really believe sincerely that these

708
00:26:54,950 --> 00:26:53,120
are some type of other being these are

709
00:26:56,470 --> 00:26:54,960
beings that are coming from another

710
00:27:01,750 --> 00:26:56,480
reality

711
00:27:03,430 --> 00:27:01,760
and you know that's definitely that

712
00:27:06,789 --> 00:27:03,440
that's that definitely could

713
00:27:09,269 --> 00:27:06,799

could be i'm just i'm i'm hesitant

714

00:27:10,070 --> 00:27:09,279

yeah i understand why you're coming yeah

715

00:27:11,669 --> 00:27:10,080

yeah yeah

716

00:27:13,510 --> 00:27:11,679

because i mean that's that's explaining

717

00:27:14,310 --> 00:27:13,520

an unknown with another unknown because

718

00:27:17,029 --> 00:27:14,320

right

719

00:27:17,350 --> 00:27:17,039

yeah i mean you know mathematically and

720

00:27:19,590 --> 00:27:17,360

and

721

00:27:20,870 --> 00:27:19,600

you know scientists have said yes there

722

00:27:22,389 --> 00:27:20,880

are other dimensions

723

00:27:24,549 --> 00:27:22,399

there definitely are you know quantum

724

00:27:27,350 --> 00:27:24,559

mechanics have shown that

725

00:27:28,149 --> 00:27:27,360

but that's math and you know we don't

726

00:27:31,350 --> 00:27:28,159

know 100

727

00:27:33,269 --> 00:27:31,360

for sure that that's right uh

728

00:27:34,389 --> 00:27:33,279

but when you when you break it down i

729

00:27:36,789 --> 00:27:34,399

mean

730

00:27:39,190 --> 00:27:36,799

given the fact that bigfoot just does it

731

00:27:40,950 --> 00:27:39,200

disappears sometimes and then reappears

732

00:27:42,310 --> 00:27:40,960

or sometimes the footprints it's

733

00:27:44,389 --> 00:27:42,320

definitely leaving

734

00:27:45,350 --> 00:27:44,399

all of a sudden just stop yeah that's

735

00:27:47,510 --> 00:27:45,360

another thing

736

00:27:49,110 --> 00:27:47,520

where'd it go where did this thing go

737

00:27:52,230 --> 00:27:49,120

you know that's interesting because the

738

00:27:55,110 --> 00:27:52,240

the late great jc johnson

739

00:27:56,630 --> 00:27:55,120

you know he and i were friends and he he

740

00:27:58,470 --> 00:27:56,640

would tell me

741

00:28:00,070 --> 00:27:58,480

i you know i'd be tracking this bigfoot

742

00:28:01,750 --> 00:28:00,080

and all of a sudden it looked like the

743

00:28:03,350 --> 00:28:01,760

thing sprouted wings and took off

744

00:28:06,549 --> 00:28:03,360

because the

745

00:28:08,789 --> 00:28:06,559

you know the footprints just ended

746

00:28:10,149 --> 00:28:08,799

you know it's uh and that's happened and

747

00:28:11,590 --> 00:28:10,159

i've heard that from other people as

748

00:28:13,990 --> 00:28:11,600

well

749

00:28:15,190 --> 00:28:14,000

so uh you know how do you explain that

750

00:28:17,110 --> 00:28:15,200

phenomena

751
00:28:18,230 --> 00:28:17,120
that if this thing is eight feet tall

752
00:28:21,430 --> 00:28:18,240
and weighs you know

753
00:28:24,789 --> 00:28:21,440
600 pounds it didn't jump

754
00:28:27,830 --> 00:28:24,799
no no so right yeah

755
00:28:28,710 --> 00:28:27,840
i mean like i said i i i in my opinion

756
00:28:30,950 --> 00:28:28,720
it's it's you know

757
00:28:33,110 --> 00:28:30,960
flesh and blood animal but all the i

758
00:28:35,350 --> 00:28:33,120
mean there are so many

759
00:28:37,029 --> 00:28:35,360
problems with that just just what we

760
00:28:39,269 --> 00:28:37,039
just talked about that don't

761
00:28:42,230 --> 00:28:39,279
really fit in with with the this is

762
00:28:45,430 --> 00:28:42,240
flesh flesh and blood and indigenous

763
00:28:47,110 --> 00:28:45,440

but then we have you know the stories uh

764

00:28:48,630 --> 00:28:47,120

native american stories and you know

765

00:28:49,510 --> 00:28:48,640

first nation stories from up up in

766

00:28:52,710 --> 00:28:49,520

canada

767

00:28:55,190 --> 00:28:52,720

of the the the the

768

00:28:56,789 --> 00:28:55,200

indigenous people here would they they

769

00:28:58,870 --> 00:28:56,799

didn't consider them animals

770

00:29:01,269 --> 00:28:58,880

for the most part they were just another

771

00:29:03,590 --> 00:29:01,279

tribe of people big hairy people

772

00:29:04,710 --> 00:29:03,600

and although sometimes the the the

773

00:29:08,549 --> 00:29:04,720

bigfoot would you know

774

00:29:11,830 --> 00:29:08,559

steal a kid or or a woman or a man

775

00:29:12,950 --> 00:29:11,840

and you know probably eat them they they

776

00:29:16,630 --> 00:29:12,960

traded with them

777

00:29:18,230 --> 00:29:16,640

as well so i just

778

00:29:21,190 --> 00:29:18,240

and here's something that's been been

779

00:29:23,750 --> 00:29:21,200

bouncing around my head recently

780

00:29:25,190 --> 00:29:23,760

and it's not just man i'm gonna i'm

781

00:29:26,710 --> 00:29:25,200

gonna throw aliens in here too for a

782

00:29:29,909 --> 00:29:26,720

second if you'll go ahead

783

00:29:33,750 --> 00:29:29,919

okay thank you all right

784

00:29:35,269 --> 00:29:33,760

we have yeah the dna evidence uh that dr

785

00:29:39,110 --> 00:29:35,279

melba ketchum

786

00:29:41,430 --> 00:29:39,120

got analyzed and it came back human

787

00:29:43,510 --> 00:29:41,440

with some anomalies uh there was a

788

00:29:47,110 --> 00:29:43,520

researcher in alberta canada

789

00:29:47,590 --> 00:29:47,120

who had some uh dna blood and hair that

790

00:29:51,750 --> 00:29:47,600

that he

791

00:29:53,029 --> 00:29:51,760

sure no he was it was positive this was

792

00:29:56,070 --> 00:29:53,039

from sasquatch but

793

00:29:56,789 --> 00:29:56,080

it came back after after the dna uh you

794

00:29:59,990 --> 00:29:56,799

know

795

00:30:03,110 --> 00:30:00,000

sequencing it was human but with an

796

00:30:04,549 --> 00:30:03,120

anomaly there was a there's a british

797

00:30:07,990 --> 00:30:04,559

professor that i don't know

798

00:30:11,269 --> 00:30:08,000

four or five years ago met with

799

00:30:15,830 --> 00:30:11,279

zaina's uh descendants zaina

800

00:30:16,470 --> 00:30:15,840

was uh uh uh in in russia a distant

801
00:30:19,830 --> 00:30:16,480
village

802
00:30:20,870 --> 00:30:19,840
captured in alma which is the russian

803
00:30:23,750 --> 00:30:20,880
bigfoot

804
00:30:24,549 --> 00:30:23,760
and she was a wild woman all covered in

805
00:30:26,630 --> 00:30:24,559
hair

806
00:30:28,630 --> 00:30:26,640
and some of the men in town had sex with

807
00:30:32,470 --> 00:30:28,640
her and produced offspring

808
00:30:34,710 --> 00:30:32,480
and those offspring you know

809
00:30:36,630 --> 00:30:34,720
could talk weren't quite as hairy they

810
00:30:37,669 --> 00:30:36,640
had large brown ridges which was

811
00:30:40,389 --> 00:30:37,679
interesting

812
00:30:40,870 --> 00:30:40,399
but they continued to have offspring and

813
00:30:43,669 --> 00:30:40,880

and this

814

00:30:44,950 --> 00:30:43,679

this scientist tracked them down and and

815

00:30:52,870 --> 00:30:44,960

um

816

00:30:56,230 --> 00:30:52,880

but there was there were some anomalies

817

00:30:56,950 --> 00:30:56,240

um and and i mentioned aliens and i'll

818

00:31:00,789 --> 00:30:56,960

just go to one

819

00:31:04,549 --> 00:31:00,799

one spot the uh uh the star child

820

00:31:07,669 --> 00:31:04,559

uh was it lloyd lloyd pie right

821

00:31:10,070 --> 00:31:07,679

he had that dna analyzed

822

00:31:11,029 --> 00:31:10,080

and it came back human with some

823

00:31:13,990 --> 00:31:11,039

anomalies so

824

00:31:15,830 --> 00:31:14,000

right that made me wondering okay

825

00:31:19,269 --> 00:31:15,840

instead of all this stuff being

826
00:31:22,710 --> 00:31:19,279
human as in us walking around

827
00:31:25,990 --> 00:31:22,720
right now on this planet what if

828
00:31:28,710 --> 00:31:26,000
these dna samples did come from bigfoot

829
00:31:29,990 --> 00:31:28,720
what if the starchild was alien but you

830
00:31:34,070 --> 00:31:30,000
know what

831
00:31:36,870 --> 00:31:34,080
we're all one big human family

832
00:31:37,269 --> 00:31:36,880
maybe that's why the dna uh keeps coming

833
00:31:40,789 --> 00:31:37,279
back

834
00:31:44,149 --> 00:31:40,799
as human because they are i mean

835
00:31:47,029 --> 00:31:44,159
two legs two arms you know a

836
00:31:47,509 --> 00:31:47,039
neck head two eyes and nostril with two

837
00:31:50,549 --> 00:31:47,519
you know

838
00:31:51,029 --> 00:31:50,559

or a nose with two nostrils a mouth you

839

00:31:53,430 --> 00:31:51,039

know

840

00:31:55,830 --> 00:31:53,440

all of that or those are all human you

841

00:31:57,669 --> 00:31:55,840

know structural attributes

842

00:31:59,190 --> 00:31:57,679

why couldn't they all be human well they

843

00:32:03,110 --> 00:31:59,200

could be i mean you know

844

00:32:05,509 --> 00:32:03,120

you you hear this um this term

845

00:32:06,470 --> 00:32:05,519

that gets bounced around genetics junk

846

00:32:14,630 --> 00:32:06,480

dna

847

00:32:18,310 --> 00:32:14,640

what it is

848

00:32:21,430 --> 00:32:18,320

right exactly i mean that could be the

849

00:32:23,909 --> 00:32:21,440

anomalous dna in all of us absolutely

850

00:32:24,789 --> 00:32:23,919

yeah absolutely i mean you know that you

851

00:32:28,310 --> 00:32:24,799

keep hearing about the

852

00:32:30,710 --> 00:32:28,320

the missing link well you know i

853

00:32:31,909 --> 00:32:30,720

i you know i do believe in evolution for

854

00:32:33,750 --> 00:32:31,919

the most part

855

00:32:35,509 --> 00:32:33,760

but i think there was an intervention

856

00:32:39,029 --> 00:32:35,519

somewhere down the line

857

00:32:41,590 --> 00:32:39,039

uh it it just seems to me

858

00:32:43,909 --> 00:32:41,600

impossible not to believe that there was

859

00:32:47,830 --> 00:32:43,919

intervention somewhere down the line

860

00:32:50,710 --> 00:32:47,840

uh it's a fascinating idea yes it is

861

00:32:52,389 --> 00:32:50,720

uh we it's hard to explain i mean it's

862

00:32:53,750 --> 00:32:52,399

you know

863

00:32:55,590 --> 00:32:53,760

you can think about it and drive

864

00:32:58,549 --> 00:32:55,600

yourself crazy sometimes

865

00:33:00,389 --> 00:32:58,559

but uh you know i think about it a lot i

866

00:33:03,509 --> 00:33:00,399

really do and i agree with you

867

00:33:06,950 --> 00:33:03,519

i mean there are possibilities

868

00:33:08,789 --> 00:33:06,960

there maybe now we can't explain it but

869

00:33:10,710 --> 00:33:08,799

who's to say one of these days somebody

870

00:33:13,350 --> 00:33:10,720

isn't going to figure it out

871

00:33:15,590 --> 00:33:13,360

right and this is i mean looking back at

872

00:33:16,870 --> 00:33:15,600

science from 150 years ago the things

873

00:33:19,590 --> 00:33:16,880

that they thought and the things that

874

00:33:22,950 --> 00:33:19,600

they believed and they were sure

875

00:33:26,149 --> 00:33:22,960

that was the truth is laughable

876

00:33:26,549 --> 00:33:26,159

in a lot of cases well in 150 years from

877

00:33:31,190 --> 00:33:26,559

now

878

00:33:32,789 --> 00:33:31,200

telling people that are the truth

879

00:33:34,389 --> 00:33:32,799

are going to be laughable to the to the

880

00:33:37,669 --> 00:33:34,399

people in the future

881

00:33:40,470 --> 00:33:37,679

so all of the reasons that that

882

00:33:42,389 --> 00:33:40,480

you know and again i love science but

883

00:33:43,509 --> 00:33:42,399

all the all the reasons that the science

884

00:33:46,230 --> 00:33:43,519

is telling us that

885

00:33:48,310 --> 00:33:46,240

bigfoot can't exist and and uh you know

886

00:33:49,750 --> 00:33:48,320

chupacabra can't exist and the thylacine

887

00:33:52,389 --> 00:33:49,760

is definitely dead

888

00:33:54,470 --> 00:33:52,399

and you know all of this is is probably

889

00:33:56,470 --> 00:33:54,480

going to be laughable at some point

890

00:33:58,310 --> 00:33:56,480

maybe 150 years from now they'll dig up

891

00:33:59,110 --> 00:33:58,320

the old podcast and say hey they were

892

00:34:02,549 --> 00:33:59,120

actually right they

893

00:34:04,549 --> 00:34:02,559

were right yes

894

00:34:07,669 --> 00:34:04,559

man that often strickler knew what they

895

00:34:10,310 --> 00:34:07,679

were talking about

896

00:34:12,149 --> 00:34:10,320

now you're right since you're a resident

897

00:34:14,869 --> 00:34:12,159

of missouri

898

00:34:16,869 --> 00:34:14,879

and that you write a lot about your

899

00:34:20,470 --> 00:34:16,879

state's strange anomalies

900

00:34:21,510 --> 00:34:20,480

i have to tell you that the underground

901
00:34:24,550 --> 00:34:21,520
reptilian

902
00:34:26,790 --> 00:34:24,560
encounter at carthage probably creeped

903
00:34:31,030 --> 00:34:26,800
me out more than anything else

904
00:34:33,190 --> 00:34:31,040
oh yeah i i know i i agree that is uh

905
00:34:34,710 --> 00:34:33,200
yeah that's a terrific story some guys

906
00:34:36,310 --> 00:34:34,720
were writing because there's

907
00:34:37,750 --> 00:34:36,320
there was a whole lot of coal mining

908
00:34:38,950 --> 00:34:37,760
down there and there are a lot of

909
00:34:41,990 --> 00:34:38,960
abandoned mines

910
00:34:44,149 --> 00:34:42,000
right actually um

911
00:34:45,190 --> 00:34:44,159
oh i can't remember the name of the

912
00:34:48,790 --> 00:34:45,200
serial killer but

913
00:34:51,030 --> 00:34:48,800

he went uh people called him mad dog uh

914

00:34:53,190 --> 00:34:51,040

it was made in how his story was made

915

00:34:57,510 --> 00:34:53,200

into the movie the hitchhiker

916

00:34:59,750 --> 00:34:57,520

uh wow back in 1950 something anyway

917

00:35:00,950 --> 00:34:59,760

he used he used those caves too to dump

918

00:35:04,390 --> 00:35:00,960

bodies

919

00:35:06,069 --> 00:35:04,400

but but um yeah some some people some

920

00:35:07,190 --> 00:35:06,079

guys were you know riding four wheelers

921

00:35:10,310 --> 00:35:07,200

down there

922

00:35:13,430 --> 00:35:10,320

and they came to a part of the cave that

923

00:35:15,030 --> 00:35:13,440

you know people had you know like built

924

00:35:16,150 --> 00:35:15,040

into a tunnel you know a tunnel with

925

00:35:18,150 --> 00:35:16,160

concrete

926
00:35:20,069 --> 00:35:18,160
and yeah then they they encountered a

927
00:35:22,790 --> 00:35:20,079
reptilian down there that's

928
00:35:23,349 --> 00:35:22,800
you know scares the hell out of me yeah

929
00:35:26,790 --> 00:35:23,359
there

930
00:35:28,950 --> 00:35:26,800
offshoots of that thing and a lot of

931
00:35:32,310 --> 00:35:28,960
connotations about it

932
00:35:34,630 --> 00:35:32,320
uh i had some guy tell me one time that

933
00:35:37,750 --> 00:35:34,640
he had actually

934
00:35:40,150 --> 00:35:37,760
uh been on an underground river

935
00:35:41,589 --> 00:35:40,160
in that area and he came across these

936
00:35:44,790 --> 00:35:41,599
reptilians

937
00:35:46,150 --> 00:35:44,800
as well i you know i don't know what to

938
00:35:46,790 --> 00:35:46,160

believe as far as that because there but

939

00:35:50,150 --> 00:35:46,800

that was

940

00:35:53,030 --> 00:35:50,160

that ever came out of missouri but there

941

00:35:57,030 --> 00:35:53,040

is another phenomenon another story

942

00:35:59,109 --> 00:35:57,040

in missouri that maybe you can tell

943

00:36:00,710 --> 00:35:59,119

the listeners about and that is the

944

00:36:03,990 --> 00:36:00,720

butterfly people

945

00:36:07,430 --> 00:36:04,000

of joplin right uh

946

00:36:11,109 --> 00:36:07,440

when joplin had its uh tornado back in

947

00:36:12,150 --> 00:36:11,119

11 2011 i think uh i think it was an f4

948

00:36:16,230 --> 00:36:12,160

it might have been an

949

00:36:19,510 --> 00:36:16,240

f5 um it just it did tore joplin up

950

00:36:21,750 --> 00:36:19,520

the pictures are heartbreaking um

951
00:36:23,750 --> 00:36:21,760
but i think only like 150 people died

952
00:36:24,950 --> 00:36:23,760
which given the destruction was pretty

953
00:36:28,310 --> 00:36:24,960
amazing

954
00:36:30,230 --> 00:36:28,320
but there came you know after

955
00:36:31,910 --> 00:36:30,240
you know the rescue rescues were

956
00:36:34,150 --> 00:36:31,920
happening people happening people were

957
00:36:36,390 --> 00:36:34,160
pulled out of rubble

958
00:36:38,390 --> 00:36:36,400
the hospitals were filling up and

959
00:36:40,069 --> 00:36:38,400
everything you know

960
00:36:42,230 --> 00:36:40,079
people were getting time to breathe and

961
00:36:44,230 --> 00:36:42,240
start talking

962
00:36:46,710 --> 00:36:44,240
there were a lot of children who started

963
00:36:49,750 --> 00:36:46,720

talking about the butterfly people

964

00:36:52,470 --> 00:36:49,760

uh and and it'd be cases like

965

00:36:53,349 --> 00:36:52,480

uh there was one case a a mom was

966

00:36:56,630 --> 00:36:53,359

driving

967

00:36:57,270 --> 00:36:56,640

and her her child was like four years

968

00:36:58,870 --> 00:36:57,280

old

969

00:37:00,710 --> 00:36:58,880

uh strapped in the car seat in the back

970

00:37:01,750 --> 00:37:00,720

seat and she was she was trying to get

971

00:37:05,190 --> 00:37:01,760

away

972

00:37:07,109 --> 00:37:05,200

and the car started moving in a way that

973

00:37:09,109 --> 00:37:07,119

she hadn't anticipated

974

00:37:11,589 --> 00:37:09,119

and and she thought that you know well

975

00:37:15,109 --> 00:37:11,599

the tornadoes grabbed me were dead

976

00:37:16,790 --> 00:37:15,119

but the car was moved out of the path of

977

00:37:19,190 --> 00:37:16,800

the tornado

978

00:37:21,270 --> 00:37:19,200

and you know the mom was like oh my god

979

00:37:23,829 --> 00:37:21,280

thank thank you god for this and

980

00:37:26,390 --> 00:37:23,839

um when she started talking to her to

981

00:37:29,349 --> 00:37:26,400

her kid about are you okay

982

00:37:31,190 --> 00:37:29,359

the child said yes i i'm fine because of

983

00:37:34,310 --> 00:37:31,200

the butterfly people

984

00:37:37,430 --> 00:37:34,320

that the the kids said that people

985

00:37:39,670 --> 00:37:37,440

with butterfly wings had

986

00:37:40,950 --> 00:37:39,680

picked up the back of the car and moved

987

00:37:42,950 --> 00:37:40,960

the vehicle out of the way of the

988

00:37:45,349 --> 00:37:42,960

tornado

989

00:37:46,790 --> 00:37:45,359

there was another case of of a dad

990

00:37:50,310 --> 00:37:46,800

running with his child

991

00:37:53,670 --> 00:37:50,320

and about ready to dive in a ditch and

992

00:37:57,750 --> 00:37:53,680

this huge piece of a building was thrown

993

00:38:00,870 --> 00:37:57,760

and should have crushed them but it

994

00:38:03,109 --> 00:38:00,880

how they landed uh and how the

995

00:38:04,390 --> 00:38:03,119

the the part of the building that landed

996

00:38:06,230 --> 00:38:04,400

on top of them

997

00:38:08,630 --> 00:38:06,240

it landed in a way to where it didn't

998

00:38:11,430 --> 00:38:08,640

crush them and the child said that

999

00:38:13,190 --> 00:38:11,440

he had seen a butterfly a person with

1000

00:38:15,670 --> 00:38:13,200

butterfly wings

1001
00:38:17,190 --> 00:38:15,680
holding on to the part of building the

1002
00:38:19,190 --> 00:38:17,200
part of the building and setting it down

1003
00:38:21,030 --> 00:38:19,200
softly instead of letting it crash onto

1004
00:38:23,430 --> 00:38:21,040
them and there were a lot of other

1005
00:38:25,190 --> 00:38:23,440
other cases you know very similar to

1006
00:38:28,150 --> 00:38:25,200
that

1007
00:38:29,589 --> 00:38:28,160
it's a fascinating story i mean you you

1008
00:38:31,670 --> 00:38:29,599
want to believe that

1009
00:38:32,710 --> 00:38:31,680
well maybe they saw angels or maybe

1010
00:38:35,750 --> 00:38:32,720
these were

1011
00:38:37,349 --> 00:38:35,760
large fairies of some type you know i

1012
00:38:40,069 --> 00:38:37,359
you know i don't know what to equate it

1013
00:38:43,990 --> 00:38:40,079

to i've always been interested in

1014

00:38:46,470 --> 00:38:44,000

in wing beans wing humanoids but

1015

00:38:48,069 --> 00:38:46,480

you know the fact that kids were seeing

1016

00:38:50,069 --> 00:38:48,079

these things and

1017

00:38:51,750 --> 00:38:50,079

that they had come to the rescues of

1018

00:38:56,870 --> 00:38:51,760

other people and

1019

00:38:59,990 --> 00:38:56,880

tried to um help people avoid disaster

1020

00:39:02,150 --> 00:39:00,000

it's such a strange story and i quite

1021

00:39:04,230 --> 00:39:02,160

frankly i can't really think of any

1022

00:39:08,310 --> 00:39:04,240

other story

1023

00:39:10,550 --> 00:39:08,320

even that equates to that

1024

00:39:12,790 --> 00:39:10,560

right now with butterfly people i i

1025

00:39:14,950 --> 00:39:12,800

can't either and and i did some looking

1026

00:39:16,870 --> 00:39:14,960

for it as well and and i couldn't see

1027

00:39:19,030 --> 00:39:16,880

anything that equated to that

1028

00:39:20,390 --> 00:39:19,040

but it was it was just the kids the kids

1029

00:39:23,589 --> 00:39:20,400

were the only people who

1030

00:39:24,950 --> 00:39:23,599

saw it adults did not see it which which

1031

00:39:26,950 --> 00:39:24,960

also

1032

00:39:28,950 --> 00:39:26,960

you know makes sense because you know

1033

00:39:31,270 --> 00:39:28,960

kids report seeing ghosts they report

1034

00:39:33,030 --> 00:39:31,280

seeing you know shadow people more than

1035

00:39:34,390 --> 00:39:33,040

uh more than adults do

1036

00:39:37,190 --> 00:39:34,400

and and they report seeing a lot of

1037

00:39:40,630 --> 00:39:37,200

weird things more than adults do

1038

00:39:41,349 --> 00:39:40,640

and you know i really seriously think

1039

00:39:47,430 --> 00:39:41,359

that

1040

00:39:49,430 --> 00:39:47,440

i i've done so many paranormal

1041

00:39:50,390 --> 00:39:49,440

investigations where the kid just tells

1042

00:39:53,910 --> 00:39:50,400

you

1043

00:39:56,150 --> 00:39:53,920

know

1044

00:39:57,190 --> 00:39:56,160

it it leaves you dumbfounded but you

1045

00:39:58,950 --> 00:39:57,200

know

1046

00:40:01,990 --> 00:39:58,960

they aren't lying to you they saw

1047

00:40:03,349 --> 00:40:02,000

something and they reacted to it somehow

1048

00:40:06,030 --> 00:40:03,359

and um

1049

00:40:09,030 --> 00:40:06,040

yeah i mean i guess it's the

1050

00:40:12,790 --> 00:40:09,040

unadulterated mind of a child

1051
00:40:14,630 --> 00:40:12,800
that it sees something and

1052
00:40:16,069 --> 00:40:14,640
something's not is telling it not

1053
00:40:18,950 --> 00:40:16,079
telling it that you

1054
00:40:21,109 --> 00:40:18,960
you aren't seeing this right and i don't

1055
00:40:22,870 --> 00:40:21,119
know if it's is it something in the eye

1056
00:40:25,349 --> 00:40:22,880
that changes over time is it something

1057
00:40:28,069 --> 00:40:25,359
in the brain that changes over time

1058
00:40:28,710 --> 00:40:28,079
or is it just the fact that over time

1059
00:40:30,150 --> 00:40:28,720
people

1060
00:40:32,630 --> 00:40:30,160
you know children get it beaten in their

1061
00:40:35,109 --> 00:40:32,640
head that yeah ghosts don't exist

1062
00:40:37,430 --> 00:40:35,119
yeah you know it it could be well it

1063
00:40:38,230 --> 00:40:37,440

could be all the above or any of the

1064

00:40:40,790 --> 00:40:38,240

above

1065

00:40:41,430 --> 00:40:40,800

that's why when when my children tell me

1066

00:40:44,710 --> 00:40:41,440

things i

1067

00:40:45,990 --> 00:40:44,720

i like to believe them but let me give

1068

00:40:48,950 --> 00:40:46,000

you a quick example of that

1069

00:40:51,030 --> 00:40:48,960

uh my uh wife and i were looking to move

1070

00:40:54,470 --> 00:40:51,040

to uh to a bigger house because

1071

00:40:55,510 --> 00:40:54,480

we we had a uh a five-year-old son and a

1072

00:40:57,990 --> 00:40:55,520

three-year-old

1073

00:40:59,589 --> 00:40:58,000

girl and we only had a two-bedroom house

1074

00:41:01,190 --> 00:40:59,599

and we needed to get

1075

00:41:03,910 --> 00:41:01,200

enough room to get those two kids away

1076

00:41:09,030 --> 00:41:07,109

and every time we'd go into a house this

1077

00:41:11,510 --> 00:41:09,040

an empty house brand new house both kids

1078

00:41:13,750 --> 00:41:11,520

would go freaking crazy

1079

00:41:15,270 --> 00:41:13,760

running around screaming exploring and

1080

00:41:17,270 --> 00:41:15,280

because it was fun

1081

00:41:18,950 --> 00:41:17,280

and we went into this one house that was

1082

00:41:19,990 --> 00:41:18,960

uh it was a gorgeous house i would have

1083

00:41:22,870 --> 00:41:20,000

loved to live there it was

1084

00:41:23,829 --> 00:41:22,880

it was built in the 1880s and my

1085

00:41:26,230 --> 00:41:23,839

three-year-old

1086

00:41:27,430 --> 00:41:26,240

said daddy picked me up she was fine out

1087

00:41:28,950 --> 00:41:27,440

in the yard but as soon as we got in the

1088

00:41:32,630 --> 00:41:28,960

house she said pick me up

1089

00:41:35,589 --> 00:41:32,640

so i held her and she

1090

00:41:37,589 --> 00:41:35,599

just was on me like you know like like a

1091

00:41:38,950 --> 00:41:37,599

leech or a baby possum or something as

1092

00:41:41,430 --> 00:41:38,960

we walked throughout

1093

00:41:43,109 --> 00:41:41,440

the entire house and finally when we

1094

00:41:44,790 --> 00:41:43,119

were back down in the living room i said

1095

00:41:48,309 --> 00:41:44,800

honey what's the matter

1096

00:41:53,270 --> 00:41:48,319

and she said they're scary and i said

1097

00:41:55,349 --> 00:41:53,280

who's scary and she whispered the ghosts

1098

00:41:57,349 --> 00:41:55,359

and by the time we got back out in the

1099

00:41:58,710 --> 00:41:57,359

yard she was fine and wanted down and

1100

00:41:59,750 --> 00:41:58,720

wanted to run around and chase her

1101
00:42:03,109 --> 00:41:59,760
brother

1102
00:42:04,550 --> 00:42:03,119
but she saw something in there that

1103
00:42:07,589 --> 00:42:04,560
scout scared her we

1104
00:42:09,510 --> 00:42:07,599
we didn't get that house of course

1105
00:42:11,510 --> 00:42:09,520
yeah i can understand that i have had

1106
00:42:15,109 --> 00:42:11,520
people that you know have small

1107
00:42:17,670 --> 00:42:15,119
kids and uh you know

1108
00:42:19,829 --> 00:42:17,680
the parent will be there and the kids

1109
00:42:21,829 --> 00:42:19,839
tell them monsters monsters

1110
00:42:23,349 --> 00:42:21,839
and they're looking around they can't

1111
00:42:26,550 --> 00:42:23,359
see anything and

1112
00:42:28,950 --> 00:42:26,560
it causes so much you know

1113
00:42:30,069 --> 00:42:28,960

stress on the parent when these kids are

1114

00:42:33,349 --> 00:42:30,079

scared to death

1115

00:42:36,069 --> 00:42:33,359

but they're seeing something right

1116

00:42:37,190 --> 00:42:36,079

yeah absolutely i i listen i listen to

1117

00:42:40,550 --> 00:42:37,200

kids when they talk about

1118

00:42:43,910 --> 00:42:40,560

stuff like that that's what you do now

1119

00:42:46,630 --> 00:42:43,920

does it seem to you that there are more

1120

00:42:48,150 --> 00:42:46,640

been more bizarre eyewitness reports

1121

00:42:49,829 --> 00:42:48,160

currently being filed

1122

00:42:51,990 --> 00:42:49,839

i mean as opposed to maybe just a few

1123

00:42:53,030 --> 00:42:52,000

years ago it just seems to me that

1124

00:42:56,230 --> 00:42:53,040

there's a lot

1125

00:42:57,109 --> 00:42:56,240

weirder things going on well okay i

1126

00:42:59,670 --> 00:42:57,119

don't know if

1127

00:43:00,390 --> 00:42:59,680

there actually are a lot weirder things

1128

00:43:03,190 --> 00:43:00,400

going on

1129

00:43:03,589 --> 00:43:03,200

or the fact that with the proclivity of

1130

00:43:07,190 --> 00:43:03,599

uh

1131

00:43:09,829 --> 00:43:07,200

paranormal shows on tv and how accepted

1132

00:43:10,870 --> 00:43:09,839

the topics become is that people feel

1133

00:43:12,790 --> 00:43:10,880

more comfortable

1134

00:43:14,550 --> 00:43:12,800

in talking about it well that may very

1135

00:43:15,750 --> 00:43:14,560

well be and of course with the internet

1136

00:43:17,990 --> 00:43:15,760

as well too

1137

00:43:20,230 --> 00:43:18,000

yeah when i wrote my my first book on

1138

00:43:23,829 --> 00:43:20,240

the paranormal haunted missouri back in

1139

00:43:26,390 --> 00:43:23,839

well that was 11 years ago 2007 um

1140

00:43:27,190 --> 00:43:26,400

i ran into a lot of people who said yeah

1141

00:43:31,589 --> 00:43:27,200

i

1142

00:43:33,430 --> 00:43:31,599

of me

1143

00:43:35,030 --> 00:43:33,440

and by the time i got to the second and

1144

00:43:38,550 --> 00:43:35,040

third book

1145

00:43:40,710 --> 00:43:38,560

everybody was open so i i think that has

1146

00:43:42,230 --> 00:43:40,720

something to do with it and but i also

1147

00:43:43,750 --> 00:43:42,240

wouldn't discount the fact that maybe

1148

00:43:47,030 --> 00:43:43,760

more weird stuff is happening

1149

00:43:48,150 --> 00:43:47,040

yeah i know it just seems to me and you

1150

00:43:51,990 --> 00:43:48,160

know i

1151
00:43:55,510 --> 00:43:52,000
it just seems to me that people are

1152
00:43:58,950 --> 00:43:55,520
recognizing more bizarre type of

1153
00:44:00,230 --> 00:43:58,960
phenomena now i i don't i can't explain

1154
00:44:06,790 --> 00:44:00,240
that

1155
00:44:09,990 --> 00:44:06,800
something i would have never received

1156
00:44:16,150 --> 00:44:13,190
why is that i have no idea

1157
00:44:17,990 --> 00:44:16,160
okay well i mean uh again it could be

1158
00:44:18,470 --> 00:44:18,000
either one or it could be a combination

1159
00:44:20,390 --> 00:44:18,480
of both

1160
00:44:22,069 --> 00:44:20,400
maybe yeah maybe things more things are

1161
00:44:25,190 --> 00:44:22,079
happening or

1162
00:44:27,349 --> 00:44:25,200
uh as again as i found out you know

1163
00:44:28,470 --> 00:44:27,359

people thought jason's not gonna make

1164

00:44:30,470 --> 00:44:28,480

fun of me

1165

00:44:32,870 --> 00:44:30,480

i've read his work i know what he's

1166

00:44:35,430 --> 00:44:32,880

doing he's gonna treat me

1167

00:44:37,030 --> 00:44:35,440

you know he's gonna treat me well and

1168

00:44:40,390 --> 00:44:37,040

and and i think that could could be

1169

00:44:43,589 --> 00:44:40,400

it that may be it that may be it

1170

00:44:46,950 --> 00:44:43,599

yeah or maybe you know one of the things

1171

00:44:47,430 --> 00:44:46,960

that has always amazed me and it's

1172

00:44:50,550 --> 00:44:47,440

gotten

1173

00:44:52,550 --> 00:44:50,560

so much worse which which is counter to

1174

00:44:55,430 --> 00:44:52,560

what we just talked about

1175

00:44:56,550 --> 00:44:55,440

is when people are walking i observed

1176

00:45:00,390 --> 00:44:56,560

this in college

1177

00:45:03,349 --> 00:45:00,400

way back you know in 1872

1178

00:45:03,670 --> 00:45:03,359

is that if somebody's walking they might

1179

00:45:07,750 --> 00:45:03,680

be

1180

00:45:09,190 --> 00:45:07,760

know reading or talking to a friend or

1181

00:45:11,190 --> 00:45:09,200

looking at their feet as they walked

1182

00:45:13,510 --> 00:45:11,200

with their hands in their pockets

1183

00:45:14,470 --> 00:45:13,520

i was always looking straight ahead or

1184

00:45:15,750 --> 00:45:14,480

up

1185

00:45:16,870 --> 00:45:15,760

you know and people now as they're

1186

00:45:18,630 --> 00:45:16,880

walking around they got their face

1187

00:45:20,550 --> 00:45:18,640

buried in their phones oh yeah

1188

00:45:22,870 --> 00:45:20,560

so i'm surprised they're frankly i'm

1189

00:45:24,950 --> 00:45:22,880

surprised there aren't fewer

1190

00:45:27,270 --> 00:45:24,960

fewer reports because people just don't

1191

00:45:28,630 --> 00:45:27,280

notice any hell people will walk into a

1192

00:45:30,069 --> 00:45:28,640

street light pole

1193

00:45:31,750 --> 00:45:30,079

yeah because they're looking at their

1194

00:45:34,390 --> 00:45:31,760

phone you know how are they going to

1195

00:45:35,270 --> 00:45:34,400

notice a ghost or uh you know a ufo

1196

00:45:39,349 --> 00:45:35,280

looking and

1197

00:45:42,630 --> 00:45:41,190

well what are your thoughts on the

1198

00:45:46,790 --> 00:45:42,640

paranormal in the government

1199

00:45:49,990 --> 00:45:46,800

i mean do you believe that

1200

00:45:50,309 --> 00:45:50,000

they know what's actually being is going

1201
00:45:51,750 --> 00:45:50,319
on

1202
00:45:53,750 --> 00:45:51,760
and what what do you think to do with

1203
00:45:56,630 --> 00:45:53,760
that knowledge and in particular i'm

1204
00:45:59,430 --> 00:45:56,640
talking about like bigfoot

1205
00:46:01,030 --> 00:45:59,440
oh with with you know there have been a

1206
00:46:03,750 --> 00:46:01,040
lot of stories

1207
00:46:04,390 --> 00:46:03,760
um there have been i'm i'm i'm sure you

1208
00:46:06,069 --> 00:46:04,400
know that well

1209
00:46:07,670 --> 00:46:06,079
yeah i know you know these stories that

1210
00:46:11,190 --> 00:46:07,680
yeah uh you know uh

1211
00:46:14,790 --> 00:46:11,200
soldiers in vietnam reporting bigfoot

1212
00:46:15,990 --> 00:46:14,800
and um there was um you know a story

1213
00:46:19,270 --> 00:46:16,000

about after uh mount st

1214

00:46:20,790 --> 00:46:19,280

helens erupted uh that soldiers went and

1215

00:46:24,390 --> 00:46:20,800

took bigfoot bodies off

1216

00:46:26,150 --> 00:46:24,400

off the mountain um i

1217

00:46:28,069 --> 00:46:26,160

i mean this is going to sound paranoid

1218

00:46:31,190 --> 00:46:28,079

and paranoid and conspiratorial

1219

00:46:35,030 --> 00:46:31,200

but i am paranoid and conspiratorial

1220

00:46:36,230 --> 00:46:35,040

i i don't trust the government

1221

00:46:38,150 --> 00:46:36,240

well i'll just leave it at that i don't

1222

00:46:39,829 --> 00:46:38,160

trust the government

1223

00:46:41,589 --> 00:46:39,839

when it comes to anything anything

1224

00:46:44,309 --> 00:46:41,599

paranormal i think that

1225

00:46:45,670 --> 00:46:44,319

they they have to know they have to know

1226

00:46:47,430 --> 00:46:45,680

yeah you would think they do

1227

00:46:48,950 --> 00:46:47,440

i mean and i you know i have had

1228

00:46:51,589 --> 00:46:48,960

experienced

1229

00:46:52,630 --> 00:46:51,599

well just look at my encounter with the

1230

00:46:56,230 --> 00:46:52,640

bigfoot

1231

00:46:58,230 --> 00:46:56,240

in sykesville the the fact that five

1232

00:47:01,910 --> 00:46:58,240

minutes after i made the report

1233

00:47:05,109 --> 00:47:01,920

there were state police and

1234

00:47:07,750 --> 00:47:05,119

federal people all over the place

1235

00:47:09,270 --> 00:47:07,760

i mean you never hear that but for

1236

00:47:11,109 --> 00:47:09,280

whatever reason

1237

00:47:13,109 --> 00:47:11,119

i believe they were tracking this thing

1238

00:47:16,150 --> 00:47:13,119

for some reason

1239

00:47:17,510 --> 00:47:16,160

right and uh well let's let's go uh

1240

00:47:19,270 --> 00:47:17,520

i'm sure you're familiar with david

1241

00:47:21,430 --> 00:47:19,280

pilate's work right

1242

00:47:23,030 --> 00:47:21,440

right and and some of the stories that

1243

00:47:26,309 --> 00:47:23,040

he's had about

1244

00:47:29,910 --> 00:47:26,319

the disappearance of kids in uh in in

1245

00:47:33,030 --> 00:47:29,920

in in parks national parks state parks

1246

00:47:33,829 --> 00:47:33,040

is like green berets were called in the

1247

00:47:37,829 --> 00:47:33,839

fbi

1248

00:47:40,230 --> 00:47:37,839

came in those two groups of people don't

1249

00:47:42,950 --> 00:47:40,240

come in for a missing persons report

1250

00:47:43,829 --> 00:47:42,960

right right so what exactly were they

1251
00:47:45,589 --> 00:47:43,839
looking for

1252
00:47:47,190 --> 00:47:45,599
well that's just it i've heard too many

1253
00:47:49,829 --> 00:47:47,200
stories

1254
00:47:50,549 --> 00:47:49,839
of uh certain departments in the

1255
00:47:53,030 --> 00:47:50,559
government

1256
00:47:54,549 --> 00:47:53,040
in in the pentagon that's for some

1257
00:47:57,750 --> 00:47:54,559
reason

1258
00:48:02,069 --> 00:47:57,760
you know without any explanation have

1259
00:48:05,430 --> 00:48:02,079
uh certain groups go in

1260
00:48:07,510 --> 00:48:05,440
to eradicate or look for people

1261
00:48:08,630 --> 00:48:07,520
but you you know you have people that

1262
00:48:10,470 --> 00:48:08,640
witness it

1263
00:48:12,790 --> 00:48:10,480

but you can't ever get a straight story

1264

00:48:15,990 --> 00:48:12,800

but they know something

1265

00:48:16,790 --> 00:48:16,000

they do and i mean again uh the trust of

1266

00:48:20,870 --> 00:48:16,800

the government is

1267

00:48:25,109 --> 00:48:20,880

is so limited um you know

1268

00:48:27,589 --> 00:48:25,119

the the tuskegee um the tuskegee uh

1269

00:48:28,150 --> 00:48:27,599

syphilis experiment our government you

1270

00:48:31,349 --> 00:48:28,160

know

1271

00:48:32,470 --> 00:48:31,359

used on our own people i mean if they

1272

00:48:34,710 --> 00:48:32,480

can do that

1273

00:48:37,030 --> 00:48:34,720

i mean what else are they doing and

1274

00:48:39,349 --> 00:48:37,040

trying to keep secret

1275

00:48:40,470 --> 00:48:39,359

well i mean the mk altar is a perfect

1276

00:48:42,390 --> 00:48:40,480

example

1277

00:48:44,470 --> 00:48:42,400

some of the stuff that that happened

1278

00:48:48,710 --> 00:48:44,480

through that program

1279

00:48:50,390 --> 00:48:48,720

and uh i mean you would think

1280

00:48:52,150 --> 00:48:50,400

when they had the church commission and

1281

00:48:53,510 --> 00:48:52,160

and they say it stopped

1282

00:48:55,109 --> 00:48:53,520

well i don't believe that i don't

1283

00:48:55,750 --> 00:48:55,119

believe any i don't believe that stuff

1284

00:48:57,829 --> 00:48:55,760

has stopped

1285

00:48:59,030 --> 00:48:57,839

and in fact he's probably increased to a

1286

00:49:01,990 --> 00:48:59,040

point where

1287

00:49:03,750 --> 00:49:02,000

you know it's just it's just kept more

1288

00:49:06,630 --> 00:49:03,760

quiet

1289

00:49:08,710 --> 00:49:06,640

right well when they say i mean after um

1290

00:49:11,750 --> 00:49:08,720

you know project blue book closed

1291

00:49:14,870 --> 00:49:11,760

uh they were the government was done

1292

00:49:15,270 --> 00:49:14,880

investigating ufos right yeah you know

1293

00:49:16,790 --> 00:49:15,280

and

1294

00:49:19,270 --> 00:49:16,800

then you know when the new york times

1295

00:49:21,030 --> 00:49:19,280

was it last december this i'm not not

1296

00:49:21,990 --> 00:49:21,040

this last but a year year ago last

1297

00:49:24,069 --> 00:49:22,000

december

1298

00:49:25,349 --> 00:49:24,079

came out with the with the story about

1299

00:49:28,549 --> 00:49:25,359

the the government

1300

00:49:30,630 --> 00:49:28,559

investigating ufos i mean that

1301

00:49:32,630 --> 00:49:30,640

blew my mind that it actually hit the

1302

00:49:35,510 --> 00:49:32,640

new york times

1303

00:49:37,190 --> 00:49:35,520

but i mean yeah the government was lying

1304

00:49:39,589 --> 00:49:37,200

to us of course they were investigating

1305

00:49:42,069 --> 00:49:39,599

all this stuff all this time

1306

00:49:44,630 --> 00:49:42,079

do you um do you think bigfoot all be a

1307

00:49:49,670 --> 00:49:44,640

protected species

1308

00:49:51,510 --> 00:49:49,680

well um here

1309

00:49:52,710 --> 00:49:51,520

i know i'm throwing this stuff random at

1310

00:49:55,030 --> 00:49:52,720

you but i you know

1311

00:49:57,030 --> 00:49:55,040

i'm interested in other people's

1312

00:49:59,670 --> 00:49:57,040

opinions on a lot of this stuff that

1313

00:50:00,309 --> 00:49:59,680

you know that you know that i think

1314

00:50:03,349 --> 00:50:00,319

about

1315

00:50:05,109 --> 00:50:03,359

all right this is an opinion that people

1316

00:50:08,309 --> 00:50:05,119

have gotten upset with me before

1317

00:50:13,589 --> 00:50:08,319

okay all right bigfoot could

1318

00:50:14,630 --> 00:50:13,599

be and an uncategorized species of north

1319

00:50:18,630 --> 00:50:14,640

american ape

1320

00:50:21,670 --> 00:50:18,640

okay and if it's that the population

1321

00:50:24,870 --> 00:50:21,680

is really small if

1322

00:50:26,630 --> 00:50:24,880

um bigfoot is just you know as as the

1323

00:50:28,549 --> 00:50:26,640

native americans said was just another

1324

00:50:32,150 --> 00:50:28,559

species of people

1325

00:50:33,349 --> 00:50:32,160

uh yeah it'd be nice to know about them

1326

00:50:36,950 --> 00:50:33,359

but you know let's leave

1327

00:50:38,309 --> 00:50:36,960

leave them alone however i really want

1328

00:50:40,630 --> 00:50:38,319

to know

1329

00:50:42,630 --> 00:50:40,640

so i really wouldn't be opposed to

1330

00:50:46,309 --> 00:50:42,640

somebody shooting one in the head

1331

00:50:49,510 --> 00:50:46,319

yeah just one just one so we'd know

1332

00:50:50,630 --> 00:50:49,520

i mean that really doesn't feel good in

1333

00:50:53,589 --> 00:50:50,640

my stomach

1334

00:50:54,069 --> 00:50:53,599

saying that because these are obviously

1335

00:50:56,470 --> 00:50:54,079

given

1336

00:50:58,150 --> 00:50:56,480

all of the stories that that i've gotten

1337

00:50:59,430 --> 00:50:58,160

from eyewitnesses and the stories i've

1338

00:51:02,230 --> 00:50:59,440

read from other people

1339

00:51:02,950 --> 00:51:02,240

these are obviously intelligent beings

1340

00:51:05,990 --> 00:51:02,960

that

1341

00:51:06,829 --> 00:51:06,000

are probably kin to us and it would be

1342

00:51:09,670 --> 00:51:06,839

it would be

1343

00:51:13,829 --> 00:51:09,680

murder to put one down

1344

00:51:17,109 --> 00:51:13,839

but damn it i'm really curious

1345

00:51:18,230 --> 00:51:17,119

yeah i am too and you know you know i

1346

00:51:22,549 --> 00:51:18,240

always thought

1347

00:51:25,990 --> 00:51:22,559

would go out there

1348

00:51:27,670 --> 00:51:26,000

and pop one of these things and the body

1349

00:51:30,150 --> 00:51:27,680

would go to science

1350

00:51:31,430 --> 00:51:30,160

and they would uh figure out that what

1351

00:51:35,750 --> 00:51:31,440

it is

1352

00:51:39,109 --> 00:51:35,760

exactly and that it's not a myth

1353

00:51:42,950 --> 00:51:39,119

and then bigfoot investigation and

1354

00:51:44,470 --> 00:51:42,960

and enthusiasm is moot

1355

00:51:46,950 --> 00:51:44,480

all the books that were written about

1356

00:51:50,390 --> 00:51:46,960

bigfoot are probably moved by then

1357

00:51:52,950 --> 00:51:50,400

well but so what

1358

00:51:54,950 --> 00:51:52,960

so what i mean look look at all the

1359

00:51:57,349 --> 00:51:54,960

mythical creatures that turned out to be

1360

00:51:59,670 --> 00:51:57,359

real gorillas were mythical creatures

1361

00:52:00,630 --> 00:51:59,680

the great the giant panda was a mythical

1362

00:52:03,510 --> 00:52:00,640

creature

1363

00:52:03,990 --> 00:52:03,520

uh wood bison you know were a mythical

1364

00:52:06,549 --> 00:52:04,000

creature

1365

00:52:07,990 --> 00:52:06,559

but you know they're they're actually

1366

00:52:10,790 --> 00:52:08,000

real i mean

1367

00:52:11,750 --> 00:52:10,800

i don't have a problem with finding out

1368

00:52:13,510 --> 00:52:11,760

that bigfoot's real

1369

00:52:15,510 --> 00:52:13,520

the one problem i have with finding out

1370

00:52:17,670 --> 00:52:15,520

that bigfoot's real

1371

00:52:18,790 --> 00:52:17,680

is that again they appear to be

1372

00:52:20,230 --> 00:52:18,800

intelligent

1373

00:52:22,790 --> 00:52:20,240

they're bigger than us they're stronger

1374

00:52:23,910 --> 00:52:22,800

than us these guys are going to go on tv

1375

00:52:25,750 --> 00:52:23,920

and take our you know take our

1376

00:52:27,190 --> 00:52:25,760

entertainment jobs

1377

00:52:29,270 --> 00:52:27,200

okay can you imagine these guys on a

1378

00:52:29,589 --> 00:52:29,280

construction crew oh that may very well

1379

00:52:32,710 --> 00:52:29,599

be

1380

00:52:35,510 --> 00:52:32,720

i mean yeah look at it like that look at

1381

00:52:37,589 --> 00:52:35,520

professional bigfoot wrestling

1382

00:52:38,950 --> 00:52:37,599

actually i want to see that that would

1383

00:52:42,309 --> 00:52:38,960

be great

1384

00:52:42,790 --> 00:52:42,319

uh do you um or can you share or have

1385

00:52:46,470 --> 00:52:42,800

you had

1386

00:52:50,309 --> 00:52:46,480

any personal paranormal experiences

1387

00:52:55,270 --> 00:52:50,319

i have not had one

1388

00:52:58,790 --> 00:52:55,280

cryptozoo cryptozoological experience

1389

00:53:01,670 --> 00:52:58,800

uh but i i did see

1390

00:53:02,950 --> 00:53:01,680

i did see a ghost i saw a full-bodied

1391

00:53:06,710 --> 00:53:02,960

apparition i was

1392

00:53:09,349 --> 00:53:06,720

i grew up um in a farmhouse

1393

00:53:11,030 --> 00:53:09,359

that had spent most of its existence 100

1394

00:53:11,990 --> 00:53:11,040

it was 120 years old by the time we

1395

00:53:15,109 --> 00:53:12,000

moved in

1396

00:53:17,109 --> 00:53:15,119

it had spent uh that time being a

1397

00:53:19,190 --> 00:53:17,119

two-room schoolhouse

1398

00:53:20,470 --> 00:53:19,200

okay actually my grandma taught there

1399

00:53:22,470 --> 00:53:20,480

and my dad went and

1400

00:53:24,549 --> 00:53:22,480

his sisters and brother would school

1401

00:53:25,589 --> 00:53:24,559

there but it was it was turned into a

1402

00:53:28,950 --> 00:53:25,599

three-bedroom house

1403

00:53:31,510 --> 00:53:28,960

and uh and we moved in there and

1404

00:53:33,190 --> 00:53:31,520

you know i'd always hear creaking and

1405

00:53:34,870 --> 00:53:33,200

what sounded like footsteps

1406

00:53:36,790 --> 00:53:34,880

and i'd yell for my dad and he'd come

1407

00:53:40,069 --> 00:53:36,800

into the room and say damn it jason

1408

00:53:41,990 --> 00:53:40,079

it's the house settling yeah that's that

1409

00:53:42,630 --> 00:53:42,000

was always the excuse people would give

1410

00:53:46,710 --> 00:53:42,640

their kids

1411

00:53:49,109 --> 00:53:46,720

yeah one one afternoon

1412

00:53:50,069 --> 00:53:49,119

uh it was it was in the winter and i

1413

00:53:52,710 --> 00:53:50,079

know it was a

1414

00:53:54,549 --> 00:53:52,720

saturday or sunday because it was in the

1415

00:53:57,349 --> 00:53:54,559

middle of the afternoon and

1416

00:53:58,870 --> 00:53:57,359

you know it was really bright and i

1417

00:54:01,270 --> 00:53:58,880

walked out of my bedroom and went into

1418

00:54:03,109 --> 00:54:01,280

this hallway across from my bedroom door

1419

00:54:04,710 --> 00:54:03,119

where we kept dad put bookshelves

1420

00:54:05,829 --> 00:54:04,720

everywhere they were just loaded with

1421

00:54:07,630 --> 00:54:05,839

books

1422

00:54:09,270 --> 00:54:07,640

and i was going to get the world book

1423

00:54:11,510 --> 00:54:09,280

encyclopedia

1424

00:54:12,790 --> 00:54:11,520

probably dinosaurs because i was locked

1425

00:54:15,829 --> 00:54:12,800

on that

1426

00:54:17,910 --> 00:54:15,839

and um i walk into the hallway

1427

00:54:19,190 --> 00:54:17,920

and there's a little boy about six years

1428

00:54:23,670 --> 00:54:19,200

old

1429

00:54:26,069 --> 00:54:23,680

standing in the hallway staring at me

1430

00:54:27,430 --> 00:54:26,079

and yeah six months we lived six miles

1431

00:54:28,230 --> 00:54:27,440

out in the country we there were no

1432

00:54:32,150 --> 00:54:28,240

little boys

1433

00:54:33,829 --> 00:54:32,160

i was the only little boy out there and

1434

00:54:35,910 --> 00:54:33,839

we stared at each other for a while and

1435

00:54:36,950 --> 00:54:35,920

i remember what i can see him in my head

1436

00:54:39,270 --> 00:54:36,960

right now

1437

00:54:40,470 --> 00:54:39,280

he had brown hair parted on the on the

1438

00:54:43,430 --> 00:54:40,480

left side

1439

00:54:44,309 --> 00:54:43,440

um had a blue flannel shirt and blue

1440

00:54:46,069 --> 00:54:44,319

jeans

1441

00:54:48,150 --> 00:54:46,079

and i could see the bookshelf through

1442

00:54:51,109 --> 00:54:48,160

this kid

1443

00:54:52,470 --> 00:54:51,119

and i stood there in shock staring i

1444

00:54:54,309 --> 00:54:52,480

have no idea how long i stood there

1445

00:54:57,430 --> 00:54:54,319

staring at him it was probably

1446

00:55:00,390 --> 00:54:57,440

10 or 15 seconds something like that but

1447

00:55:02,390 --> 00:55:00,400

he blinked and when he blinked that

1448

00:55:04,230 --> 00:55:02,400

broke the shock i was in

1449

00:55:06,390 --> 00:55:04,240

and i turned around walked back into my

1450

00:55:08,470 --> 00:55:06,400

bedroom and shut the door

1451
00:55:10,069 --> 00:55:08,480
and i eventually went came came out and

1452
00:55:14,309 --> 00:55:10,079
he was gone of course

1453
00:55:16,789 --> 00:55:14,319
but that made me think you know what

1454
00:55:17,829 --> 00:55:16,799
i just saw a ghost saw a ghost in my

1455
00:55:19,990 --> 00:55:17,839
house

1456
00:55:21,349 --> 00:55:20,000
i wasn't really that scared i was more

1457
00:55:23,910 --> 00:55:21,359
curious

1458
00:55:25,589 --> 00:55:23,920
it was like okay so ghosts really do

1459
00:55:29,750 --> 00:55:25,599
exist

1460
00:55:32,870 --> 00:55:29,760
when you die there's something after it

1461
00:55:35,990 --> 00:55:32,880
i want to find out what's going on

1462
00:55:38,069 --> 00:55:36,000
and so that that's why when i got

1463
00:55:40,470 --> 00:55:38,079

old enough i started researching these

1464

00:55:42,710 --> 00:55:40,480

subjects

1465

00:55:44,390 --> 00:55:42,720

well you know you wrote darkness walks

1466

00:55:48,230 --> 00:55:44,400

the shadow people among us

1467

00:55:51,430 --> 00:55:48,240

and you know i i i read that book

1468

00:55:52,069 --> 00:55:51,440

many years ago and i've had clients that

1469

00:55:55,349 --> 00:55:52,079

have had

1470

00:55:56,950 --> 00:55:55,359

these shadow people encounters what do

1471

00:55:57,670 --> 00:55:56,960

you believe the shadow people are

1472

00:55:58,870 --> 00:55:57,680

because

1473

00:56:00,710 --> 00:55:58,880

i get all kinds of different

1474

00:56:02,710 --> 00:56:00,720

explanations from people

1475

00:56:04,470 --> 00:56:02,720

i have my own opinions but what do you

1476

00:56:07,670 --> 00:56:04,480

think shadow persons are

1477

00:56:11,109 --> 00:56:07,680

i i interviewed

1478

00:56:14,470 --> 00:56:11,119

at least 250 people for the book

1479

00:56:16,950 --> 00:56:14,480

i didn't include all of them because

1480

00:56:18,309 --> 00:56:16,960

some of them i i thought it was um you

1481

00:56:25,270 --> 00:56:18,319

know

1482

00:56:27,270 --> 00:56:25,280

but i i included a whole lot i

1483

00:56:30,549 --> 00:56:27,280

came to the conclusion that shadow

1484

00:56:33,030 --> 00:56:30,559

people are probably a lot of things

1485

00:56:33,910 --> 00:56:33,040

that just look the same you know shadow

1486

00:56:37,430 --> 00:56:33,920

people

1487

00:56:38,230 --> 00:56:37,440

are human you know blacker than night

1488

00:56:40,630 --> 00:56:38,240

human shaped

1489

00:56:42,390 --> 00:56:40,640

shadows generally they appear

1490

00:56:44,630 --> 00:56:42,400

two-dimensional

1491

00:56:47,190 --> 00:56:44,640

some of them just walk through a

1492

00:56:50,390 --> 00:56:47,200

person's life not paying attention

1493

00:56:52,309 --> 00:56:50,400

never noticing the person like never

1494

00:56:54,150 --> 00:56:52,319

noticing the person who sees them

1495

00:56:56,309 --> 00:56:54,160

then there are those that notice the

1496

00:56:57,270 --> 00:56:56,319

person watching them get scared and run

1497

00:56:58,870 --> 00:56:57,280

away

1498

00:57:00,710 --> 00:56:58,880

then there are shadow people that seem

1499

00:57:03,589 --> 00:57:00,720

to observe

1500

00:57:06,230 --> 00:57:03,599

people watching them and then there are

1501
00:57:07,270 --> 00:57:06,240
shadows with red eyes that terrify those

1502
00:57:09,430 --> 00:57:07,280
who see them

1503
00:57:11,190 --> 00:57:09,440
and and they report that it feels like

1504
00:57:11,990 --> 00:57:11,200
they're feeding off the fear that they

1505
00:57:15,270 --> 00:57:12,000
generate

1506
00:57:17,750 --> 00:57:15,280
yeah yeah there's the hat man which is a

1507
00:57:20,950 --> 00:57:17,760
shadow person wearing a fedora

1508
00:57:23,990 --> 00:57:20,960
which stalks people and and

1509
00:57:27,430 --> 00:57:24,000
it also tends to generate fear

1510
00:57:30,630 --> 00:57:27,440
all of all of these things only

1511
00:57:31,829 --> 00:57:30,640
have one thing in common and it's their

1512
00:57:34,870 --> 00:57:31,839
appearance they're

1513
00:57:37,750 --> 00:57:34,880

black they're uh you know

1514

00:57:38,630 --> 00:57:37,760

human shaped and and and that's it you

1515

00:57:41,589 --> 00:57:38,640

can't see

1516

00:57:43,510 --> 00:57:41,599

any features on them on them at all some

1517

00:57:46,069 --> 00:57:43,520

of the behavior seems like a residual

1518

00:57:47,510 --> 00:57:46,079

ghost if somebody sees a shadow person

1519

00:57:49,109 --> 00:57:47,520

every once in a while does the same

1520

00:57:51,430 --> 00:57:49,119

thing walks down the stairs

1521

00:57:53,190 --> 00:57:51,440

takes a left goes into the kitchen and

1522

00:57:54,789 --> 00:57:53,200

disappears

1523

00:57:56,470 --> 00:57:54,799

you know that's definitely sounds like a

1524

00:57:58,150 --> 00:57:56,480

residual ghost

1525

00:57:59,910 --> 00:57:58,160

the the the ones that walk through

1526

00:58:01,750 --> 00:57:59,920

somebody's you know life their living

1527

00:58:04,230 --> 00:58:01,760

room their backyard whatever

1528

00:58:05,670 --> 00:58:04,240

and doesn't take notice you know that

1529

00:58:07,349 --> 00:58:05,680

seems like

1530

00:58:09,670 --> 00:58:07,359

you know somebody's going from place to

1531

00:58:11,270 --> 00:58:09,680

place yeah you know maybe it's a

1532

00:58:13,190 --> 00:58:11,280

you know somebody you know maybe it's

1533

00:58:15,589 --> 00:58:13,200

this is a window area

1534

00:58:17,670 --> 00:58:15,599

and it's just another human being

1535

00:58:18,789 --> 00:58:17,680

walking you know from place to place and

1536

00:58:22,309 --> 00:58:18,799

all we can see is

1537

00:58:25,750 --> 00:58:22,319

is you know the shadow uh or you know

1538

00:58:28,069 --> 00:58:25,760

most of it i interviewed uh

1539

00:58:28,870 --> 00:58:28,079

an exorcist a catholic exorcist i

1540

00:58:31,349 --> 00:58:28,880

interviewed

1541

00:58:32,309 --> 00:58:31,359

an expert in islam an expert in buddhist

1542

00:58:36,390 --> 00:58:32,319

buddhism uh

1543

00:58:39,270 --> 00:58:36,400

hinduism a native american shaman uh

1544

00:58:41,510 --> 00:58:39,280

for all of these except for the the the

1545

00:58:43,670 --> 00:58:41,520

buddhist expert i interviewed

1546

00:58:46,069 --> 00:58:43,680

these all have negative connotations

1547

00:58:50,630 --> 00:58:46,079

they're they're a demonic type being

1548

00:58:53,829 --> 00:58:50,640

that's only meaningless harm so

1549

00:58:55,589 --> 00:58:53,839

i've also a couple of people

1550

00:58:57,670 --> 00:58:55,599

told me they're they're convinced shadow

1551
00:59:00,069 --> 00:58:57,680
people are extraterrestrials but

1552
00:59:00,950 --> 00:59:00,079
you know what isn't but so yeah to

1553
00:59:03,030 --> 00:59:00,960
answer your question

1554
00:59:04,069 --> 00:59:03,040
i i think they're more than one thing

1555
00:59:07,190 --> 00:59:04,079
yeah although that's that's

1556
00:59:08,950 --> 00:59:07,200
probably true i mean i i haven't been

1557
00:59:11,910 --> 00:59:08,960
able to pinpoint and really get a good

1558
00:59:14,069 --> 00:59:11,920
read on myself i i know

1559
00:59:16,069 --> 00:59:14,079
it seems that they do show up in

1560
00:59:18,710 --> 00:59:16,079
dysfunctional situations

1561
00:59:19,430 --> 00:59:18,720
a lot of times or where there's sickness

1562
00:59:22,470 --> 00:59:19,440
or

1563
00:59:24,150 --> 00:59:22,480

whatever

1564

00:59:27,030 --> 00:59:24,160

they seem to you're right they do seem

1565

00:59:29,670 --> 00:59:27,040

to feed off of that type of energy

1566

00:59:30,069 --> 00:59:29,680

well and that's that's one type and and

1567

00:59:35,910 --> 00:59:30,079

i

1568

00:59:38,470 --> 00:59:35,920

and they just walked through my room

1569

00:59:40,710 --> 00:59:38,480

that's all they did took no notice of me

1570

00:59:42,630 --> 00:59:40,720

and this happened for a few month period

1571

00:59:45,349 --> 00:59:42,640

but eventually they stopped

1572

00:59:46,789 --> 00:59:45,359

and i was scared because it was like

1573

00:59:48,789 --> 00:59:46,799

what the hell is that

1574

00:59:51,270 --> 00:59:48,799

but it wasn't the type of fear that it

1575

00:59:55,030 --> 00:59:51,280

felt like the entity was generating

1576

00:59:57,349 --> 00:59:55,040

just to feed off of i was just scared

1577

00:59:58,390 --> 00:59:57,359

so i i think you know there there are

1578

01:00:01,670 --> 00:59:58,400

definitely different

1579

01:00:02,630 --> 01:00:01,680

different types so uh what's in the

1580

01:00:05,270 --> 01:00:02,640

future for

1581

01:00:07,430 --> 01:00:05,280

uh jason offic i know you have a new

1582

01:00:10,230 --> 01:00:07,440

book coming up what else is going on

1583

01:00:11,829 --> 01:00:10,240

well i've got a novel that i just

1584

01:00:12,950 --> 01:00:11,839

finished that's what else i do i write

1585

01:00:16,390 --> 01:00:12,960

novels

1586

01:00:18,150 --> 01:00:16,400

um it's uh in my hands of my beta

1587

01:00:20,789 --> 01:00:18,160

readers right now so i don't even know

1588

01:00:23,430 --> 01:00:20,799

if it's any good or not

1589

01:00:26,829 --> 01:00:23,440

but uh when it comes to uh any anything

1590

01:00:28,390 --> 01:00:26,839

on on the paranormal bent i'm working on

1591

01:00:31,750 --> 01:00:28,400

um

1592

01:00:35,349 --> 01:00:31,760

uh chasing uh candidates monsters

1593

01:00:37,190 --> 01:00:35,359

um yeah i i know you've been writing a

1594

01:00:39,990 --> 01:00:37,200

series of stories

1595

01:00:40,390 --> 01:00:40,000

or articles over at mysterious universe

1596

01:00:43,270 --> 01:00:40,400

for

1597

01:00:46,069 --> 01:00:43,280

several years now so and yeah i know the

1598

01:00:48,390 --> 01:00:46,079

the last several have been about um

1599

01:00:50,230 --> 01:00:48,400

about canada so yeah that'll be very

1600

01:00:54,150 --> 01:00:50,240

interesting

1601
01:00:55,750 --> 01:00:54,160
yeah i have heard that you are a home

1602
01:00:58,230 --> 01:00:55,760
beer brewer as well

1603
01:00:59,349 --> 01:00:58,240
yes yes i am any thoughts about going

1604
01:01:02,549 --> 01:00:59,359
commercial

1605
01:01:04,950 --> 01:01:02,559
well no because i can't get it right

1606
01:01:07,030 --> 01:01:04,960
every single time

1607
01:01:09,270 --> 01:01:07,040
yeah i think consistency is a big part

1608
01:01:12,549 --> 01:01:09,280
of that oh man because i will brew

1609
01:01:14,549 --> 01:01:12,559
i brewed two batches back to back

1610
01:01:15,910 --> 01:01:14,559
one i brewed in a way that was really

1611
01:01:17,510 --> 01:01:15,920
difficult to do and i thought it was

1612
01:01:19,910 --> 01:01:17,520
gonna be awful and it was

1613
01:01:21,430 --> 01:01:19,920

delicious and another batch that i

1614

01:01:22,829 --> 01:01:21,440

brewed before that i knew was gonna be

1615

01:01:26,789 --> 01:01:22,839

good tasted terrible

1616

01:01:29,910 --> 01:01:26,799

oh so so yeah

1617

01:01:31,750 --> 01:01:29,920

yeah well jason thanks again for being

1618

01:01:33,109 --> 01:01:31,760

on the show i appreciate you coming on

1619

01:01:35,670 --> 01:01:33,119

and hope i can get you

1620

01:01:36,549 --> 01:01:35,680

a little sooner the next time hey lon

1621

01:01:38,390 --> 01:01:36,559

just uh any

1622

01:01:39,750 --> 01:01:38,400

anytime you want me on just let me know

1623

01:01:41,670 --> 01:01:39,760

i've had a great time

1624

01:01:43,750 --> 01:01:41,680

wonderful talking to you again you take

1625

01:01:45,430 --> 01:01:43,760

care youtube

1626

01:01:47,589 --> 01:01:45,440

now listeners can show their support for

1627

01:01:49,589 --> 01:01:47,599

arcane radio by becoming a patron

1628

01:01:50,870 --> 01:01:49,599

simply go to phantomsomemonsters.com and

1629

01:01:53,349 --> 01:01:50,880

click the podbean

1630

01:01:55,109 --> 01:01:53,359

patron banner i want to thank my newest

1631

01:01:57,430 --> 01:01:55,119

patron michelle

1632

01:01:58,870 --> 01:01:57,440

arcane radio also accepts direct

1633

01:02:00,950 --> 01:01:58,880

donations

1634

01:02:02,870 --> 01:02:00,960

if you have an unexplained encounter or

1635

01:02:05,270 --> 01:02:02,880

sighting feel free to contact me through

1636

01:02:07,349 --> 01:02:05,280

the phantoms and monsters blog site

1637

01:02:09,029 --> 01:02:07,359

i want to again thank jason often for

1638

01:02:11,349 --> 01:02:09,039

joining me this evening

1639

01:02:12,309 --> 01:02:11,359

and i want to thank you for listening to

1640

01:02:22,850 --> 01:02:12,319

the show

1641

01:02:22,860 --> 01:02:46,829

[Music]

1642

01:02:46,839 --> 01:03:00,540

so
