

ARCANE RADIO 
Exploring the Unexplained 

Jan. 25th, 2019

Talking Bigfoot
with Researchers
Dan Maslak & Regan Lee

1
00:00:07,990 --> 00:00:04,550
the oldest

2
00:00:10,150 --> 00:00:08,000
and strongest human emotion is fear

3
00:00:11,190 --> 00:00:10,160
and the oldest and strongest type of

4
00:00:14,390 --> 00:00:11,200
fear

5
00:00:16,790 --> 00:00:14,400
is trepidation of the unknown

6
00:00:20,230 --> 00:00:16,800
when we were children our parents told

7
00:00:22,710 --> 00:00:20,240
us that monsters didn't exist

8
00:00:25,910 --> 00:00:22,720
but we were sure that something was

9
00:00:30,470 --> 00:00:25,920
lurking under the bed or in the closet

10
00:00:33,590 --> 00:00:30,480
fear sees even if our eyes are closed

11
00:00:35,670 --> 00:00:33,600
welcome to the realm of the arcane my

12
00:00:38,069 --> 00:00:35,680
name is lon stripler

13
00:00:39,190 --> 00:00:38,079

join me as i examine unexplained

14

00:00:42,830 --> 00:00:39,200

creatures

15

00:00:44,150 --> 00:00:42,840

strange manifestations of remarkable

16

00:00:47,110 --> 00:00:44,160

realities

17

00:00:49,750 --> 00:00:47,120

imagine this next hour as a voyage of

18

00:00:52,790 --> 00:00:49,760

discovery to strange lands

19

00:00:55,350 --> 00:00:52,800

seeking not for new territory but for

20

00:00:58,150 --> 00:00:55,360

new knowledge of the supernatural

21

00:01:02,790 --> 00:00:58,160

come on board as we begin this adventure

22

00:01:06,550 --> 00:01:04,469

hey folks good evening and welcome to

23

00:01:08,550 --> 00:01:06,560

another episode of arcane radio

24

00:01:09,910 --> 00:01:08,560

i am your host lon strickler and i thank

25

00:01:12,870 --> 00:01:09,920

you for joining me here

26
00:01:13,830 --> 00:01:12,880
on the paranormal king radio network now

27
00:01:16,070 --> 00:01:13,840
since we're talking

28
00:01:17,990 --> 00:01:16,080
bigfoot this evening i'd like to present

29
00:01:20,710 --> 00:01:18,000
an account that i received not too long

30
00:01:25,429 --> 00:01:22,870
the witness states my brothers and i

31
00:01:28,149 --> 00:01:25,439
were hunting near kenosha utah

32
00:01:29,510 --> 00:01:28,159
our younger horse and dog were with us

33
00:01:31,270 --> 00:01:29,520
we were just hunting small game

34
00:01:33,030 --> 00:01:31,280
basically wasting time

35
00:01:34,710 --> 00:01:33,040
hunting squirrels and getting the colt

36
00:01:35,670 --> 00:01:34,720
used to hunting so we can use them in

37
00:01:38,710 --> 00:01:35,680
the future

38
00:01:40,310 --> 00:01:38,720

when we needed a pack horse we have been

39

00:01:42,149 --> 00:01:40,320

walking off the trail for at least two

40

00:01:42,950 --> 00:01:42,159

miles maybe three it was quite light

41

00:01:46,149 --> 00:01:42,960

outside but

42

00:01:48,149 --> 00:01:46,159

getting close to sunset we were hiking

43

00:01:49,749 --> 00:01:48,159

uphill and our dog suddenly began acting

44

00:01:52,149 --> 00:01:49,759

very squirrely

45

00:01:53,990 --> 00:01:52,159

his hair stood up along his back

46

00:01:56,550 --> 00:01:54,000

shoulders and neck he began huffing

47

00:01:57,109 --> 00:01:56,560

and snorting and getting very anxious he

48

00:02:00,230 --> 00:01:57,119

was

49

00:02:02,469 --> 00:02:00,240

growling and wolfing but

50

00:02:03,350 --> 00:02:02,479

repeatedly looked at several different

51
00:02:05,590 --> 00:02:03,360
react

52
00:02:07,109 --> 00:02:05,600
different directions at the same time

53
00:02:10,150 --> 00:02:07,119
the colt

54
00:02:12,790 --> 00:02:10,160
began acting very spooky

55
00:02:14,070 --> 00:02:12,800
his eyes widened head thrown up high

56
00:02:16,070 --> 00:02:14,080
nostrils flared

57
00:02:18,550 --> 00:02:16,080
and began to dance around nervously he

58
00:02:21,910 --> 00:02:18,560
was letting out snorts and breathing

59
00:02:24,550 --> 00:02:21,920
loud and heavily shortly after the

60
00:02:26,390 --> 00:02:24,560
animals began acting up

61
00:02:27,830 --> 00:02:26,400
we came up over the part of the hill

62
00:02:29,430 --> 00:02:27,840
where it flattened out for a couple

63
00:02:31,750 --> 00:02:29,440

hundred yards before it curved up

64

00:02:34,070 --> 00:02:31,760

steeply again

65

00:02:34,949 --> 00:02:34,080

as we came over the hill there were

66

00:02:37,750 --> 00:02:34,959

trees

67

00:02:38,630 --> 00:02:37,760

30 to 40 yards ahead and it did a double

68

00:02:40,790 --> 00:02:38,640

take

69

00:02:42,869 --> 00:02:40,800

there was a huge black hairy creature

70

00:02:44,790 --> 00:02:42,879

with bright yellow eyes standing

71

00:02:47,110 --> 00:02:44,800

slightly behind a tree

72

00:02:47,910 --> 00:02:47,120

but peering out at us as if it was

73

00:02:49,670 --> 00:02:47,920

making

74

00:02:51,190 --> 00:02:49,680

a very poor and careless effort to

75

00:02:53,750 --> 00:02:51,200

conceal itself

76

00:02:55,830 --> 00:02:53,760

it was just massive its ties were the

77

00:02:57,270 --> 00:02:55,840

size of tree trunks and its chest was

78

00:03:00,710 --> 00:02:57,280

easily four foot wide

79

00:03:01,750 --> 00:03:00,720

if not larger one arm was hanging loose

80

00:03:04,229 --> 00:03:01,760

to the side

81

00:03:05,750 --> 00:03:04,239

and one was holding on to the tree next

82

00:03:08,470 --> 00:03:05,760

to it the creature was swaying

83

00:03:11,030 --> 00:03:08,480

back and forth they stared at us for

84

00:03:14,149 --> 00:03:11,040

only a few seconds and we stared back

85

00:03:14,710 --> 00:03:14,159

and then we heard a a very low chest

86

00:03:16,830 --> 00:03:14,720

shaking

87

00:03:19,589 --> 00:03:16,840

rumble like the sound of an elephant

88

00:03:20,790 --> 00:03:19,599

makes as it made that sound it turned

89

00:03:23,030 --> 00:03:20,800

and spread up the hill

90

00:03:24,309 --> 00:03:23,040

ahead of us and into the line of trees

91

00:03:25,030 --> 00:03:24,319

that covered the rest of the mountain

92

00:03:27,830 --> 00:03:25,040

ahead

93

00:03:29,910 --> 00:03:27,840

as far as we could see as soon as it

94

00:03:31,990 --> 00:03:29,920

began running a barking dog boulder and

95

00:03:34,070 --> 00:03:32,000

it disappeared in trees accurate

96

00:03:35,110 --> 00:03:34,080

as we yelled for the stupid butt to come

97

00:03:36,949 --> 00:03:35,120

back

98

00:03:39,190 --> 00:03:36,959

we could hear the dog barking further

99

00:03:40,630 --> 00:03:39,200

and further away than silas for a few

100

00:03:42,869 --> 00:03:40,640

seconds

101
00:03:45,190 --> 00:03:42,879
suddenly we heard a faint yelp off in

102
00:03:46,949 --> 00:03:45,200
the distance and yelping continued

103
00:03:49,430 --> 00:03:46,959
and slowly got louder and louder until

104
00:03:51,990 --> 00:03:49,440
we saw the dog emerge from a tree line

105
00:03:52,869 --> 00:03:52,000
and come barreling back to us the dog

106
00:03:55,030 --> 00:03:52,879
had many small

107
00:03:57,750 --> 00:03:55,040
cuts and was very dirty and scared but

108
00:03:59,589 --> 00:03:57,760
it was otherwise in one piece

109
00:04:01,589 --> 00:03:59,599
we busted our asses back down the

110
00:04:02,710 --> 00:04:01,599
mountain after walking for what seemed

111
00:04:04,789 --> 00:04:02,720
like forever

112
00:04:07,350 --> 00:04:04,799
we found an old empty cabin that was

113
00:04:11,509 --> 00:04:07,360

actually in quite good shape

114

00:04:13,509 --> 00:04:11,519

we went outside and unlocked the garage

115

00:04:14,710 --> 00:04:13,519

her garage door and let the spooky coat

116

00:04:16,390 --> 00:04:14,720

through it then

117

00:04:17,990 --> 00:04:16,400

lock the door uncovered the little

118

00:04:20,310 --> 00:04:18,000

window at the top of the door with some

119

00:04:22,069 --> 00:04:20,320

newspaper masking tape

120

00:04:24,150 --> 00:04:22,079

we went inside the little cabin and made

121

00:04:25,990 --> 00:04:24,160

sure every window and door were locked

122

00:04:27,670 --> 00:04:26,000

all night long we could hear something

123

00:04:30,070 --> 00:04:27,680

circling that cabin

124

00:04:31,430 --> 00:04:30,080

branches of sticks snapping loud

125

00:04:34,070 --> 00:04:31,440

rustling hisses

126

00:04:35,909 --> 00:04:34,080

etc we didn't leave that cabin until

127

00:04:39,110 --> 00:04:35,919

daylight we practically ran our asses

128

00:04:44,870 --> 00:04:42,710

so let's get started with tonight's show

129

00:04:46,390 --> 00:04:44,880

tonight's guests are bigfoot enthusiasts

130

00:04:48,629 --> 00:04:46,400

dan maslick

131

00:04:50,629 --> 00:04:48,639

and reagan lee now dan has personally

132

00:04:53,270 --> 00:04:50,639

seeking the truth about bigfoot

133

00:04:54,950 --> 00:04:53,280

for 20 years in his part of georgia

134

00:04:56,070 --> 00:04:54,960

he'll be telling us about the evidence

135

00:04:59,189 --> 00:04:56,080

he has collected during

136

00:05:01,189 --> 00:04:59,199

his deep in the woods investigations

137

00:05:02,310 --> 00:05:01,199

reagan has been a long time bigfoot

138

00:05:05,110 --> 00:05:02,320

enthusiast who

139

00:05:06,950 --> 00:05:05,120

who hails from oregon she will present

140

00:05:09,350 --> 00:05:06,960

her experiences and theories

141

00:05:12,070 --> 00:05:09,360

collected during her investigations in

142

00:05:14,790 --> 00:05:12,080

the pacific northwest

143

00:05:16,629 --> 00:05:14,800

but i'll let you i'll let them tell you

144

00:05:19,510 --> 00:05:16,639

a little bit more about themselves

145

00:05:21,110 --> 00:05:19,520

so dan and reagan thanks for joining me

146

00:05:23,670 --> 00:05:21,120

oh thank you thanks ron

147

00:05:24,550 --> 00:05:23,680

it's great to be here now damn how did

148

00:05:27,670 --> 00:05:24,560

you become

149

00:05:31,830 --> 00:05:27,680

interested in bigfoot well

150

00:05:34,950 --> 00:05:31,840

um um i'm about to turn 50 years old so

151

00:05:38,150 --> 00:05:34,960

that means i was a child of the 70s

152

00:05:41,430 --> 00:05:38,160

and that means that most

153

00:05:44,230 --> 00:05:41,440

guys around my age became

154

00:05:45,749 --> 00:05:44,240

fascinated when they first glanced at a

155

00:05:50,870 --> 00:05:45,759

movie called the legend of

156

00:05:53,670 --> 00:05:50,880

foggy creek i remember that

157

00:05:55,830 --> 00:05:53,680

seriously captivated me and frightened

158

00:05:58,790 --> 00:05:55,840

me all at the same time

159

00:05:59,590 --> 00:05:58,800

um also you know shortly thereafter that

160

00:06:02,070 --> 00:05:59,600

i remember

161

00:06:03,110 --> 00:06:02,080

watching um letter nimoys in search of

162

00:06:06,390 --> 00:06:03,120

episode

163

00:06:09,590 --> 00:06:06,400

that focused on on bigfoot and

164

00:06:10,150 --> 00:06:09,600

the other thing um i went to grade

165

00:06:13,350 --> 00:06:10,160

school

166

00:06:15,189 --> 00:06:13,360

in upstate new york and um

167

00:06:16,710 --> 00:06:15,199

i hate to admit this but i was a child

168

00:06:20,390 --> 00:06:16,720

who didn't like to read

169

00:06:22,629 --> 00:06:20,400

however when i was uh

170

00:06:25,110 --> 00:06:22,639

when my class was asked to go to the

171

00:06:28,309 --> 00:06:25,120

library and pick out books to read

172

00:06:32,550 --> 00:06:28,319

i happen to stumble across a a

173

00:06:34,070 --> 00:06:32,560

shelf of of books that were

174

00:06:36,150 --> 00:06:34,080

i guess you could say we're all about

175

00:06:37,350 --> 00:06:36,160

the paranormal bigfoot the bermuda

176

00:06:40,150 --> 00:06:37,360

triangle

177

00:06:41,270 --> 00:06:40,160

ghosts flying saucers and it was the

178

00:06:43,430 --> 00:06:41,280

ones

179

00:06:44,629 --> 00:06:43,440

related to sasquatch that captivated me

180

00:06:46,550 --> 00:06:44,639

the most and

181

00:06:48,309 --> 00:06:46,560

i i must have read for a kid who didn't

182

00:06:50,070 --> 00:06:48,319

like to read i probably read those

183

00:06:53,189 --> 00:06:50,080

bigfoot books about

184

00:06:55,110 --> 00:06:53,199

20 times so

185

00:06:56,309 --> 00:06:55,120

um and that's where i learned you kind

186

00:06:59,189 --> 00:06:56,319

of like the basics

187

00:07:00,550 --> 00:06:59,199

of um about you know the patterson

188

00:07:03,430 --> 00:07:00,560

gimlin film

189

00:07:04,870 --> 00:07:03,440

what this creature is the common

190

00:07:05,830 --> 00:07:04,880

characteristics of what this creature

191

00:07:07,510 --> 00:07:05,840

may look like

192

00:07:08,950 --> 00:07:07,520

based on eyewitness accounts you know

193

00:07:12,950 --> 00:07:08,960

stuff like that

194

00:07:15,749 --> 00:07:12,960

uh fast forward you know to um

195

00:07:17,029 --> 00:07:15,759

to my early 30s uh that's where and that

196

00:07:17,749 --> 00:07:17,039

at the same time that's where the

197

00:07:20,710 --> 00:07:17,759

internet

198

00:07:21,909 --> 00:07:20,720

started coming about into play uh that's

199

00:07:23,830 --> 00:07:21,919

where i really started getting a lot

200

00:07:24,790 --> 00:07:23,840

more serious about my research catching

201
00:07:27,830 --> 00:07:24,800
up on books

202
00:07:30,390 --> 00:07:27,840
documentaries and then um

203
00:07:31,510 --> 00:07:30,400
i really got into it about 10 years ago

204
00:07:33,670 --> 00:07:31,520
when i started doing my own

205
00:07:37,029 --> 00:07:33,680
investigations here in georgia

206
00:07:38,230 --> 00:07:37,039
and nothing really to speak about for a

207
00:07:40,629 --> 00:07:38,240
number of years

208
00:07:42,309 --> 00:07:40,639
until just the last couple of years and

209
00:07:42,710 --> 00:07:42,319
i've had some pretty incredible stuff

210
00:07:45,430 --> 00:07:42,720
happen

211
00:07:47,029 --> 00:07:45,440
i haven't seen a creature yet i'm not

212
00:07:48,710 --> 00:07:47,039
quite sure i want to see one because i

213
00:07:52,629 --> 00:07:48,720

know they exist

214

00:07:54,150 --> 00:07:52,639

but i've had some really fascinating um

215

00:07:57,589 --> 00:07:54,160

what i like to call occurrence has

216

00:08:01,749 --> 00:07:59,909

interesting now reagan i'll ask you the

217

00:08:04,230 --> 00:08:01,759

same question why does the study of

218

00:08:07,350 --> 00:08:04,240

bigfoot interest you

219

00:08:10,309 --> 00:08:07,360

well i've always been interested in

220

00:08:11,350 --> 00:08:10,319

just the strange and unusual and mainly

221

00:08:15,270 --> 00:08:11,360

ufos

222

00:08:18,550 --> 00:08:15,280

just given my experiences with that

223

00:08:22,550 --> 00:08:18,560

going back to my childhood and then

224

00:08:26,710 --> 00:08:22,560

when i moved to oregon about

225

00:08:29,350 --> 00:08:26,720

probably 40 years ago now of course

226

00:08:30,790 --> 00:08:29,360

just hearing about bigfoot and doing at

227

00:08:33,829 --> 00:08:30,800

the time i was

228

00:08:38,790 --> 00:08:33,839

going to the university and studying

229

00:08:41,589 --> 00:08:38,800

folklore and ufos and i started coming

230

00:08:44,630 --> 00:08:41,599

across a lot of bigfoot stories

231

00:08:46,949 --> 00:08:44,640

in connection with ufos and other just

232

00:08:47,509 --> 00:08:46,959

strange experiences like that other than

233

00:08:50,310 --> 00:08:47,519

the

234

00:08:52,470 --> 00:08:50,320

flesh and blood stuff and at first i

235

00:08:55,750 --> 00:08:52,480

thought it was really too strange

236

00:08:58,630 --> 00:08:55,760

to bother with but i was also fascinated

237

00:09:00,150 --> 00:08:58,640

and the more i got into it the more of

238

00:09:02,150 --> 00:09:00,160

course i

239

00:09:03,990 --> 00:09:02,160

just had to find out everything i could

240

00:09:06,710 --> 00:09:04,000

and then i started meeting people

241

00:09:07,030 --> 00:09:06,720

you know living here in oregon i've just

242

00:09:10,389 --> 00:09:07,040

know

243

00:09:12,070 --> 00:09:10,399

so many people that have had encounters

244

00:09:14,389 --> 00:09:12,080

with sasquatch

245

00:09:15,110 --> 00:09:14,399

and you know people all walk i mean

246

00:09:17,670 --> 00:09:15,120

teachers

247

00:09:18,870 --> 00:09:17,680

doctors profess you know just all kinds

248

00:09:23,030 --> 00:09:18,880

of people

249

00:09:26,150 --> 00:09:23,040

and like dan i myself have not

250

00:09:28,550 --> 00:09:26,160

seen a sasquatch but i've had a couple

251
00:09:32,150 --> 00:09:28,560
of strange experiences connected

252
00:09:34,949 --> 00:09:32,160
to bigfoot um and so

253
00:09:37,110 --> 00:09:34,959
that interest of mine with bigfoot just

254
00:09:40,389 --> 00:09:37,120
goes along with my interest

255
00:09:43,910 --> 00:09:40,399
in everything strange yeah

256
00:09:47,269 --> 00:09:43,920
if it's strange i'm interested

257
00:09:48,790 --> 00:09:47,279
no now uh i i have had an encounter and

258
00:09:50,310 --> 00:09:48,800
i will tell you they are out there

259
00:09:51,910 --> 00:09:50,320
there's no other fans or butts but i

260
00:09:53,910 --> 00:09:51,920
ain't convinced

261
00:09:55,590 --> 00:09:53,920
that something's out there i'm not i'm

262
00:09:58,070 --> 00:09:55,600
not saying whether it's

263
00:10:00,550 --> 00:09:58,080

an indigenous flesh and blood

264

00:10:02,870 --> 00:10:00,560

inter-dimensional or whatever it is

265

00:10:04,150 --> 00:10:02,880

i think it kind of changes in the

266

00:10:07,110 --> 00:10:04,160

location

267

00:10:09,269 --> 00:10:07,120

i think out in the pacific northwest

268

00:10:14,710 --> 00:10:09,279

there may be indigenous pods of

269

00:10:17,990 --> 00:10:14,720

bigfoot uh i think in the east coast

270

00:10:20,550 --> 00:10:18,000

maybe the northeast i i think

271

00:10:21,350 --> 00:10:20,560

i think it's more of the other something

272

00:10:23,750 --> 00:10:21,360

that

273

00:10:24,870 --> 00:10:23,760

comes in and out somehow is not actually

274

00:10:26,630 --> 00:10:24,880

indigenous

275

00:10:28,069 --> 00:10:26,640

but we'll get into that a little further

276

00:10:29,509 --> 00:10:28,079

now dan why don't you tell us a little

277

00:10:30,710 --> 00:10:29,519

bit about your research what you

278

00:10:33,509 --> 00:10:30,720

discovered

279

00:10:35,670 --> 00:10:33,519

some of the uh some of the evidence

280

00:10:40,310 --> 00:10:35,680

you've collected over the years

281

00:10:44,550 --> 00:10:40,320

all right um i've had three occurrences

282

00:10:45,590 --> 00:10:44,560

two in um 2017 within just 30 days of

283

00:10:47,910 --> 00:10:45,600

one another

284

00:10:48,870 --> 00:10:47,920

and then i had a real um interesting one

285

00:10:52,710 --> 00:10:48,880

just this

286

00:10:54,630 --> 00:10:52,720

last year in 2018 uh back in september

287

00:10:56,069 --> 00:10:54,640

um i'll i don't want to take up all the

288

00:10:58,230 --> 00:10:56,079

time so i'll i'll do

289

00:11:00,389 --> 00:10:58,240

a kind of a quicker version of them so

290

00:11:02,450 --> 00:11:00,399

that reagan can also

291

00:11:04,069 --> 00:11:02,460

share experiences um

292

00:11:06,470 --> 00:11:04,079

[Music]

293

00:11:07,829 --> 00:11:06,480

oddly enough the first experience i

294

00:11:11,269 --> 00:11:07,839

wasn't investigating

295

00:11:14,630 --> 00:11:11,279

now i was in north georgia and

296

00:11:15,190 --> 00:11:14,640

anyone who's done research especially in

297

00:11:18,630 --> 00:11:15,200

this state

298

00:11:22,150 --> 00:11:18,640

knows that there there is a hotbed of

299

00:11:25,030 --> 00:11:22,160

activity in the north georgia mountains

300

00:11:26,870 --> 00:11:25,040

just to add a side note in my own

301

00:11:29,910 --> 00:11:26,880

investigation there's basically

302

00:11:30,470 --> 00:11:29,920

five what i would consider five very

303

00:11:33,190 --> 00:11:30,480

active

304

00:11:35,190 --> 00:11:33,200

areas in the state of georgia and three

305

00:11:36,230 --> 00:11:35,200

of them are actually in middle and south

306

00:11:38,710 --> 00:11:36,240

georgia but

307

00:11:39,910 --> 00:11:38,720

uh we can save that for another time one

308

00:11:42,230 --> 00:11:39,920

of one of the uh

309

00:11:42,949 --> 00:11:42,240

the one of the fourth one active areas

310

00:11:45,829 --> 00:11:42,959

is

311

00:11:48,870 --> 00:11:45,839

in north georgia all along the um

312

00:11:52,790 --> 00:11:48,880

appalachian trail at certain points

313

00:11:54,230 --> 00:11:52,800

and um this now i i love to go

314

00:11:57,509 --> 00:11:54,240

backpacking

315

00:11:59,670 --> 00:11:57,519

i'll hit the trail

316

00:12:01,110 --> 00:11:59,680

for two three four days at a time and

317

00:12:01,750 --> 00:12:01,120

and you know camp off the trail

318

00:12:04,150 --> 00:12:01,760

overnight

319

00:12:04,949 --> 00:12:04,160

and continue on the next day in this

320

00:12:07,829 --> 00:12:04,959

particular

321

00:12:11,030 --> 00:12:07,839

uh instance my first experience i i was

322

00:12:14,470 --> 00:12:11,040

just doing basic camping at a campground

323

00:12:17,509 --> 00:12:14,480

and this campground um

324

00:12:21,030 --> 00:12:17,519

is one side of it

325

00:12:22,550 --> 00:12:21,040

lies off a a fairly busy highway

326

00:12:24,069 --> 00:12:22,560

and then the other side is a pretty

327

00:12:27,190 --> 00:12:24,079

heavily forested

328

00:12:29,030 --> 00:12:27,200

area and the campground itself is only

329

00:12:31,190 --> 00:12:29,040

maybe i don't know probably 10 or 15

330

00:12:33,190 --> 00:12:31,200

minutes from one of the trail heads

331

00:12:35,110 --> 00:12:33,200

for the appalachian trail so it's it

332

00:12:37,350 --> 00:12:35,120

it's up there

333

00:12:38,870 --> 00:12:37,360

um at about two is about two somewhere

334

00:12:42,310 --> 00:12:38,880

between two and three in the morning

335

00:12:44,710 --> 00:12:42,320

and um i was awakened by a group of

336

00:12:48,550 --> 00:12:44,720

coyotes doing a howl

337

00:12:49,269 --> 00:12:48,560

and about ten seconds after they had

338

00:12:53,190 --> 00:12:49,279

started

339

00:12:57,190 --> 00:12:53,200

here comes what i can only describe

340

00:13:01,269 --> 00:12:57,200

as a super massive loud

341

00:13:04,550 --> 00:13:01,279

low guttural yahoo

342

00:13:05,990 --> 00:13:04,560

type noise that was made it completely

343

00:13:09,030 --> 00:13:06,000

drowned out the coyotes

344

00:13:12,230 --> 00:13:09,040

and this this uh

345

00:13:14,710 --> 00:13:12,240

yahoo low guttural yahoo sound

346

00:13:15,829 --> 00:13:14,720

was so powerful that i could feel it

347

00:13:17,590 --> 00:13:15,839

coming

348

00:13:19,990 --> 00:13:17,600

through the ground up and through my

349

00:13:23,190 --> 00:13:20,000

sleeping bag right into my tent

350

00:13:26,629 --> 00:13:23,200

and um i have

351
00:13:29,670 --> 00:13:26,639
talked to people who have um

352
00:13:30,790 --> 00:13:29,680
said that they heard the same thing same

353
00:13:35,350 --> 00:13:30,800
type of sound

354
00:13:38,629 --> 00:13:35,360
it's a low massive loud yahoo sound

355
00:13:41,110 --> 00:13:38,639
which is which usually happens

356
00:13:42,870 --> 00:13:41,120
minutes before a sighting occurs now i

357
00:13:45,350 --> 00:13:42,880
didn't see the creature but

358
00:13:47,670 --> 00:13:45,360
based on what other people have said and

359
00:13:49,670 --> 00:13:47,680
then what i was hearing that night

360
00:13:51,750 --> 00:13:49,680
tells me that there was a creature close

361
00:13:53,829 --> 00:13:51,760
by and um

362
00:13:55,430 --> 00:13:53,839
i was i was i started putting two and

363
00:13:57,269 --> 00:13:55,440

two together and i was thinking those

364

00:13:59,350 --> 00:13:57,279

coyotes started howling

365

00:14:00,629 --> 00:13:59,360

they may have come across some road kill

366

00:14:02,710 --> 00:14:00,639

or or kill

367

00:14:04,550 --> 00:14:02,720

that they had made and this creature

368

00:14:07,990 --> 00:14:04,560

decided to swipe it away

369

00:14:11,269 --> 00:14:08,000

and you know was letting out this low

370

00:14:14,710 --> 00:14:11,279

guttural unbelievable yahoo sound as

371

00:14:17,829 --> 00:14:14,720

a chant of victory of some sort

372

00:14:19,110 --> 00:14:17,839

but needless to say it it was uh it was

373

00:14:20,949 --> 00:14:19,120

amazing

374

00:14:22,629 --> 00:14:20,959

and a little frightening because it was

375

00:14:24,790 --> 00:14:22,639

you know i couldn't see

376

00:14:25,829 --> 00:14:24,800

two inches in front of out outside of my

377

00:14:27,990 --> 00:14:25,839

tent

378

00:14:29,670 --> 00:14:28,000

because you know up there as anyone

379

00:14:30,389 --> 00:14:29,680

knows when you're in the woods like that

380

00:14:32,150 --> 00:14:30,399

it's

381

00:14:33,750 --> 00:14:32,160

once the sun goes down you can't see

382

00:14:36,629 --> 00:14:33,760

much so

383

00:14:38,790 --> 00:14:36,639

um if i had to guess i'd say that

384

00:14:41,509 --> 00:14:38,800

creature was no more than

385

00:14:45,350 --> 00:14:41,519

he had to be at least 50 or no more than

386

00:14:46,949 --> 00:14:45,360

50 to 100 yards away and um

387

00:14:49,670 --> 00:14:46,959

and that was the first instance the

388

00:14:52,949 --> 00:14:49,680

second instance is the

389

00:14:55,269 --> 00:14:52,959

the one that i submitted to you which um

390

00:14:57,990 --> 00:14:55,279

again this was an area right off the

391

00:15:00,150 --> 00:14:58,000

appalachian trail in north georgia

392

00:15:01,030 --> 00:15:00,160

um this happened just 30 days later from

393

00:15:04,550 --> 00:15:01,040

that first

394

00:15:08,069 --> 00:15:04,560

instance and what happened was

395

00:15:11,030 --> 00:15:08,079

a um uh there was

396

00:15:11,910 --> 00:15:11,040

there's a camping area a kind of a an

397

00:15:14,629 --> 00:15:11,920

agreed-upon

398

00:15:16,069 --> 00:15:14,639

camping area off this one section of the

399

00:15:17,269 --> 00:15:16,079

appalachian trail

400

00:15:19,110 --> 00:15:17,279

and you can see that it's been used

401
00:15:21,350 --> 00:15:19,120
before there's you know um

402
00:15:22,150 --> 00:15:21,360
fire rings and it's it's flat and it's

403
00:15:23,829 --> 00:15:22,160
ground level

404
00:15:25,350 --> 00:15:23,839
it's a great place to pitch a tent for

405
00:15:27,670 --> 00:15:25,360
the night and

406
00:15:28,629 --> 00:15:27,680
um so there i was there there were a few

407
00:15:31,829 --> 00:15:28,639
others there

408
00:15:34,949 --> 00:15:31,839
and um as the uh

409
00:15:38,069 --> 00:15:34,959
as the sun was going down

410
00:15:39,189 --> 00:15:38,079
out of nowhere this huge tree comes

411
00:15:42,470 --> 00:15:39,199
crashing down

412
00:15:45,430 --> 00:15:42,480
and immediately afterward um

413
00:15:45,910 --> 00:15:45,440

there is a what i can only describe is a

414

00:15:48,310 --> 00:15:45,920

low

415

00:15:49,749 --> 00:15:48,320

guttural grunt it sounded like a

416

00:15:51,590 --> 00:15:49,759

silverback gorilla

417

00:15:53,590 --> 00:15:51,600

the tree comes crashing down you hear

418

00:15:56,870 --> 00:15:53,600

the thump that hits the ground

419

00:16:02,710 --> 00:16:00,470

like that and um i remember i

420

00:16:03,670 --> 00:16:02,720

i didn't say anything because i was i

421

00:16:06,069 --> 00:16:03,680

was stunned

422

00:16:07,590 --> 00:16:06,079

and then the other i think it was there

423

00:16:08,870 --> 00:16:07,600

were four other campers

424

00:16:10,949 --> 00:16:08,880

and they all just looked at each other

425

00:16:12,870 --> 00:16:10,959

and said holy smokes that's that's got

426
00:16:16,710 --> 00:16:12,880
to be a sasquatch

427
00:16:18,230 --> 00:16:16,720
and um but that's as weird as that is

428
00:16:20,790 --> 00:16:18,240
this is where the story gets

429
00:16:21,269 --> 00:16:20,800
even more weird as i had submitted to

430
00:16:25,110 --> 00:16:21,279
you

431
00:16:28,310 --> 00:16:25,120
uh earlier the next more there's a

432
00:16:31,430 --> 00:16:28,320
four u.s forest service road that runs

433
00:16:34,150 --> 00:16:31,440
parallel to this section of the at

434
00:16:35,990 --> 00:16:34,160
and the next morning i would had

435
00:16:39,269 --> 00:16:36,000
ventured off trail to get some

436
00:16:40,710 --> 00:16:39,279
water uh to make coffee

437
00:16:42,550 --> 00:16:40,720
and which i like to do when i'm

438
00:16:44,710 --> 00:16:42,560

backpacking i get up real early get a

439

00:16:45,829 --> 00:16:44,720

fire going get some coffee going take my

440

00:16:49,590 --> 00:16:45,839

time

441

00:16:52,710 --> 00:16:49,600

and when i was near the um

442

00:16:55,829 --> 00:16:52,720

the forest u.s forest service road

443

00:16:56,389 --> 00:16:55,839

uh getting water here comes a an suv

444

00:16:58,949 --> 00:16:56,399

with a

445

00:16:59,910 --> 00:16:58,959

and i noticed that it had a huge

446

00:17:01,829 --> 00:16:59,920

sasquatch

447

00:17:03,749 --> 00:17:01,839

silhouette sticker i mean it was huge it

448

00:17:07,270 --> 00:17:03,759

was like the size of a basketball

449

00:17:09,110 --> 00:17:07,280

on the back of this suv so

450

00:17:11,990 --> 00:17:09,120

i immediately looked at that and i said

451
00:17:14,230 --> 00:17:12,000
well here's a couple of guys i can share

452
00:17:15,909 --> 00:17:14,240
um what just happened the night before

453
00:17:18,470 --> 00:17:15,919
with and you know

454
00:17:19,189 --> 00:17:18,480
they'll be just as interested as me and

455
00:17:21,029 --> 00:17:19,199
as i'm

456
00:17:22,870 --> 00:17:21,039
approaching the vehicle the the on the

457
00:17:24,789 --> 00:17:22,880
driver's side the guy rolls the window

458
00:17:27,750 --> 00:17:24,799
down a little bit

459
00:17:28,789 --> 00:17:27,760
and he gives me this really kind of

460
00:17:30,630 --> 00:17:28,799
strange look

461
00:17:33,350 --> 00:17:30,640
and at the same time i'm looking into

462
00:17:36,549 --> 00:17:33,360
the suv and there's two guys in there

463
00:17:40,710 --> 00:17:36,559

and lon they were completely tacked

464

00:17:41,750 --> 00:17:40,720

out to the max these guys had ar-15s on

465

00:17:44,950 --> 00:17:41,760

the rack

466

00:17:47,430 --> 00:17:44,960

uh tactical vests

467

00:17:49,110 --> 00:17:47,440

um you know uh pistols knives i mean

468

00:17:50,630 --> 00:17:49,120

these guys were complete

469

00:17:53,669 --> 00:17:50,640

completely tacked uh they looked like

470

00:17:57,270 --> 00:17:53,679

the military that's what they look like

471

00:17:58,390 --> 00:17:57,280

and so i i just to keep as i'm noticing

472

00:18:00,310 --> 00:17:58,400

this just to keep it kind of

473

00:18:02,549 --> 00:18:00,320

light-hearted i said hey guys i said i

474

00:18:06,070 --> 00:18:02,559

saw the sticker on the back of your

475

00:18:08,150 --> 00:18:06,080

of your suv and i said i i said

476

00:18:10,070 --> 00:18:08,160

i i kind of have that a smaller version

477

00:18:12,470 --> 00:18:10,080

of that sticker on my car which i do

478

00:18:15,110 --> 00:18:12,480

it was given to me by a family member

479

00:18:17,270 --> 00:18:15,120

and i just stuck it on there for fun

480

00:18:18,710 --> 00:18:17,280

and when i said that they both looked at

481

00:18:20,470 --> 00:18:18,720

each other then with this

482

00:18:22,470 --> 00:18:20,480

kind of strange look then they looked at

483

00:18:23,029 --> 00:18:22,480

me and the guy and the passengers he

484

00:18:24,549 --> 00:18:23,039

said

485

00:18:26,630 --> 00:18:24,559

well that was just a gag gift from my

486

00:18:29,669 --> 00:18:26,640

girlfriend he stomps on the gas

487

00:18:32,789 --> 00:18:29,679

and takes off now

488

00:18:33,590 --> 00:18:32,799

95 of my mind says that it was

489

00:18:37,029 --> 00:18:33,600

coincidence

490

00:18:38,789 --> 00:18:37,039

that these two guys happen to show up

491

00:18:41,590 --> 00:18:38,799

you know literally just eight to ten

492

00:18:43,350 --> 00:18:41,600

hours after there was

493

00:18:45,029 --> 00:18:43,360

an encounter with a creature who had

494

00:18:48,470 --> 00:18:45,039

pushed over a

495

00:18:50,230 --> 00:18:48,480

a pretty big healthy tree but there's

496

00:18:51,909 --> 00:18:50,240

five percent in my mind that says that's

497

00:18:53,029 --> 00:18:51,919

just that can't be coincidence

498

00:18:56,789 --> 00:18:53,039

especially

499

00:18:58,630 --> 00:18:56,799

when you factor in how military style

500

00:19:00,310 --> 00:18:58,640

these two guys were

501
00:19:02,150 --> 00:19:00,320
um and the fact that they showed up in

502
00:19:04,950 --> 00:19:02,160
that very spot

503
00:19:07,029 --> 00:19:04,960
you know i now one of the more likely

504
00:19:08,070 --> 00:19:07,039
scenarios that i've been told by other

505
00:19:10,710 --> 00:19:08,080
people

506
00:19:12,710 --> 00:19:10,720
that i've shared this story with is that

507
00:19:14,789 --> 00:19:12,720
um i don't get a sell signal when i'm up

508
00:19:16,870 --> 00:19:14,799
there in north georgia but sometimes

509
00:19:17,830 --> 00:19:16,880
other carriers i guess maybe they have

510
00:19:20,230 --> 00:19:17,840
better strength and

511
00:19:21,909 --> 00:19:20,240
some people do get signals i can't help

512
00:19:23,669 --> 00:19:21,919
but think that maybe one of those other

513
00:19:26,070 --> 00:19:23,679

campers made a call

514

00:19:27,909 --> 00:19:26,080

somebody overheard it and that's how

515

00:19:29,110 --> 00:19:27,919

they these guys were able to show up i'm

516

00:19:31,990 --> 00:19:29,120

not quite sure

517

00:19:34,789 --> 00:19:32,000

um yeah you know this is something

518

00:19:36,710 --> 00:19:34,799

that's starting to crop up more and more

519

00:19:38,630 --> 00:19:36,720

in the appalachian mountains and

520

00:19:40,470 --> 00:19:38,640

especially along the trail

521

00:19:42,789 --> 00:19:40,480

uh there's been a lot of stories and

522

00:19:44,549 --> 00:19:42,799

because people are on that trail

523

00:19:45,909 --> 00:19:44,559

of course you know if anybody's going to

524

00:19:46,789 --> 00:19:45,919

see anything it's going to be along

525

00:19:49,350 --> 00:19:46,799

there

526

00:19:50,230 --> 00:19:49,360

but these guys and military that are

527

00:19:55,110 --> 00:19:50,240

carrying

528

00:19:58,230 --> 00:19:55,120

weapons is being reported more and more

529

00:20:01,110 --> 00:19:58,240

and unfortunately

530

00:20:02,630 --> 00:20:01,120

in in in for you know in my opinion i i

531

00:20:03,669 --> 00:20:02,640

don't like the idea of people out there

532

00:20:06,149 --> 00:20:03,679

shooting guns

533

00:20:06,950 --> 00:20:06,159

and trying to kill these things yeah i

534

00:20:10,070 --> 00:20:06,960

don't either

535

00:20:14,630 --> 00:20:12,470

go ahead okay i'm sorry about that i

536

00:20:18,950 --> 00:20:14,640

wanted to add real quick lon

537

00:20:21,909 --> 00:20:18,960

um one of the more uh

538

00:20:23,830 --> 00:20:21,919

i guess popular more iconic parts of the

539

00:20:25,909 --> 00:20:23,840

appalachian trail

540

00:20:27,510 --> 00:20:25,919

in georgia there's 80 miles of

541

00:20:29,430 --> 00:20:27,520

appalachian trail one of the more

542

00:20:31,190 --> 00:20:29,440

popular iconic spots of that

543

00:20:32,470 --> 00:20:31,200

of those 80 miles is a section of the

544

00:20:35,750 --> 00:20:32,480

appalachian trail

545

00:20:36,870 --> 00:20:35,760

called blood mountain and i just want to

546

00:20:40,390 --> 00:20:36,880

throw this in real quick

547

00:20:46,310 --> 00:20:40,400

there was a roadside sighting

548

00:20:52,070 --> 00:20:49,350

interesting yes so reagan what's

549

00:20:53,350 --> 00:20:52,080

uh what's been going on your neck of the

550

00:20:55,110 --> 00:20:53,360

woods

551
00:20:56,870 --> 00:20:55,120
what's uh what kind of things have you

552
00:20:59,110 --> 00:20:56,880
collected and

553
00:21:00,710 --> 00:20:59,120
seen and uh some of the stories that

554
00:21:03,669 --> 00:21:00,720
you've been hearing

555
00:21:04,149 --> 00:21:03,679
right well um even though i i've never

556
00:21:07,990 --> 00:21:04,159
seen

557
00:21:09,029 --> 00:21:08,000
a sasquatch um i i have no doubt they

558
00:21:12,470 --> 00:21:09,039
exist

559
00:21:15,510 --> 00:21:12,480
you know and um well two

560
00:21:18,710 --> 00:21:15,520
oregon cases that are very

561
00:21:23,830 --> 00:21:18,720
on the stranger side of all this

562
00:21:26,149 --> 00:21:23,840
um one happened back in the 60s not too

563
00:21:27,110 --> 00:21:26,159

far from here maybe about 50 miles from

564

00:21:33,110 --> 00:21:27,120

here

565

00:21:36,630 --> 00:21:33,120

saucer crashing into a lake

566

00:21:40,630 --> 00:21:36,640

and then right after that there were

567

00:21:43,669 --> 00:21:40,640

reports of a white bigfoot like

568

00:21:48,149 --> 00:21:43,679

creature in the area that

569

00:21:50,710 --> 00:21:48,159

would run alongside of cars and trucks

570

00:21:52,630 --> 00:21:50,720

some investigators went out there

571

00:21:56,390 --> 00:21:52,640

journalists

572

00:21:57,190 --> 00:21:56,400

she went out there with a friend who was

573

00:21:59,110 --> 00:21:57,200

a psychic

574

00:22:00,310 --> 00:21:59,120

who said she communicated with this

575

00:22:07,430 --> 00:22:00,320

creature

576

00:22:09,990 --> 00:22:07,440

and he came from outer space and

577

00:22:11,750 --> 00:22:10,000

so there there were a lot of things a

578

00:22:14,149 --> 00:22:11,760

lot of stories like that from the

579

00:22:17,190 --> 00:22:14,159

sheriffs and other witnesses who would

580

00:22:20,390 --> 00:22:17,200

go down there looking for the creature

581

00:22:23,830 --> 00:22:20,400

who would hear sounds growls

582

00:22:27,029 --> 00:22:23,840

and they would smell that typical

583

00:22:29,190 --> 00:22:27,039

kind of sulfur smell and hear like

584

00:22:30,870 --> 00:22:29,200

sudden footsteps but they would never

585

00:22:33,430 --> 00:22:30,880

see anything

586

00:22:36,149 --> 00:22:33,440

they'd have the same reactions of

587

00:22:39,350 --> 00:22:36,159

animals horses and dogs

588

00:22:42,149 --> 00:22:39,360

supposedly this creature killed a dog

589

00:22:43,029 --> 00:22:42,159

some hunting dogs that were sent out

590

00:22:45,909 --> 00:22:43,039

there and

591

00:22:47,750 --> 00:22:45,919

so that was a big story going around at

592

00:22:50,950 --> 00:22:47,760

the time

593

00:22:53,830 --> 00:22:50,960

and then another one uh

594

00:22:56,310 --> 00:22:53,840

i think back in the 70s maybe a little

595

00:23:00,310 --> 00:22:58,950

a man by the name of stan johnson had a

596

00:23:03,110 --> 00:23:00,320

ranch

597

00:23:04,470 --> 00:23:03,120

and one day he was out there now he said

598

00:23:07,430 --> 00:23:04,480

he had had

599

00:23:09,190 --> 00:23:07,440

ufo experiences and bigfoot encounters

600

00:23:12,549 --> 00:23:09,200

when he was much younger and i

601
00:23:14,470 --> 00:23:12,559
think and i might have this wrong he

602
00:23:16,230 --> 00:23:14,480
used to live back east i think at

603
00:23:19,430 --> 00:23:16,240
tennessee but then

604
00:23:21,590 --> 00:23:19,440
in oregon he encountered a sasquatch

605
00:23:23,950 --> 00:23:21,600
family on his property

606
00:23:25,190 --> 00:23:23,960
and once again they communicated

607
00:23:29,110 --> 00:23:25,200
telepathically

608
00:23:34,630 --> 00:23:31,350
all of these strange stories he

609
00:23:37,909 --> 00:23:34,640
self-published a couple of

610
00:23:40,950 --> 00:23:37,919
books he wrote about these experiences

611
00:23:43,430 --> 00:23:40,960
and so i had

612
00:23:44,630 --> 00:23:43,440
occasion to meet him once he was

613
00:23:49,110 --> 00:23:44,640

speaking at a

614

00:23:51,350 --> 00:23:49,120

ufo conference here in eugene oregon

615

00:23:52,390 --> 00:23:51,360

and at the time he was still quite out

616

00:23:56,390 --> 00:23:52,400

he

617

00:24:00,390 --> 00:23:56,400

very vibrant

618

00:24:02,390 --> 00:24:00,400

very uh you never very strong he

619

00:24:04,390 --> 00:24:02,400

went to shake my hand and i thought he

620

00:24:08,149 --> 00:24:04,400

was going to break my arm he was that

621

00:24:11,590 --> 00:24:08,159

strong he was like whoa the energy

622

00:24:14,470 --> 00:24:11,600

coming off the sky was something else

623

00:24:17,029 --> 00:24:14,480

so i just was interested in these

624

00:24:20,230 --> 00:24:17,039

stories and i collected his stories

625

00:24:23,510 --> 00:24:20,240

and all the material i could on him and

626

00:24:26,950 --> 00:24:23,520

a few actually several years ago now

627

00:24:30,870 --> 00:24:26,960

i was talking to a

628

00:24:33,269 --> 00:24:30,880

new age bookstore the owner here in town

629

00:24:35,110 --> 00:24:33,279

about this guy stan johnson and his

630

00:24:38,710 --> 00:24:35,120

bigfoot experiences

631

00:24:42,149 --> 00:24:38,720

and we're standing there in her shop and

632

00:24:45,269 --> 00:24:42,159

all of a sudden i feel well i don't

633

00:24:47,110 --> 00:24:45,279

i feel but i also see and believe me i

634

00:24:50,870 --> 00:24:47,120

know the sense is seeing

635

00:24:52,710 --> 00:24:50,880

a cone of white light coming down from

636

00:24:56,470 --> 00:24:52,720

the ceiling and just going

637

00:24:58,950 --> 00:24:56,480

whoops right over me and i could see

638

00:25:01,590 --> 00:24:58,960

through it like kind of like frosted

639

00:25:01,990 --> 00:25:01,600

glass i could see everything but i was

640

00:25:04,710 --> 00:25:02,000

like

641

00:25:05,990 --> 00:25:04,720

inside this thing and sound was a little

642

00:25:08,710 --> 00:25:06,000

muffled

643

00:25:11,830 --> 00:25:08,720

and i've seen strange kind of lights

644

00:25:16,149 --> 00:25:14,630

and then when we fit finished our

645

00:25:18,149 --> 00:25:16,159

conversation

646

00:25:19,909 --> 00:25:18,159

this cone went right back up into the

647

00:25:22,789 --> 00:25:19,919

ceiling

648

00:25:24,549 --> 00:25:22,799

and i must have had a really weird look

649

00:25:26,310 --> 00:25:24,559

on my face because she's looking at me

650

00:25:27,669 --> 00:25:26,320

so responding i said

651
00:25:29,430 --> 00:25:27,679
so i told her what happened i said

652
00:25:30,230 --> 00:25:29,440
you're not going to believe this i know

653
00:25:32,950 --> 00:25:30,240
how it sounds

654
00:25:33,430 --> 00:25:32,960
but the whole time we were talking about

655
00:25:36,549 --> 00:25:33,440
stan

656
00:25:39,590 --> 00:25:36,559
johnson and his bigfoot experiences

657
00:25:41,430 --> 00:25:39,600
and she just smiled and said oh

658
00:25:43,750 --> 00:25:41,440
that stuff happens all the time when we

659
00:25:47,110 --> 00:25:43,760
talk about him

660
00:25:48,470 --> 00:25:47,120
so all i have to say is that's what

661
00:25:51,510 --> 00:25:48,480
happened

662
00:25:53,190 --> 00:25:51,520
i was at a bigfoot conference a couple

663
00:25:56,149 --> 00:25:53,200

years after that and i was telling

664

00:25:57,190 --> 00:25:56,159

a woman there that she said it was the

665

00:26:03,110 --> 00:25:57,200

spirit

666

00:26:03,909 --> 00:26:03,120

i'm not saying anything about that

667

00:26:07,190 --> 00:26:03,919

either way

668

00:26:10,630 --> 00:26:07,200

i'm just reporting what happened

669

00:26:13,510 --> 00:26:10,640

right you know like yeah

670

00:26:15,350 --> 00:26:13,520

and um so i did think that was a very

671

00:26:19,269 --> 00:26:15,360

strange experience

672

00:26:23,669 --> 00:26:19,279

yeah absolutely yeah right and i've had

673

00:26:25,750 --> 00:26:23,679

some a lot of things that happened to me

674

00:26:28,470 --> 00:26:25,760

again in connection with ufos and other

675

00:26:31,990 --> 00:26:28,480

things come to me psychically

676
00:26:33,990 --> 00:26:32,000
and through the dreams state and

677
00:26:36,149 --> 00:26:34,000
when i'm meditating and trance-like

678
00:26:40,070 --> 00:26:36,159
states and on the astral

679
00:26:43,190 --> 00:26:40,080
and i had uh so i was kind of doing that

680
00:26:46,149 --> 00:26:43,200
in a little meditation thing

681
00:26:47,350 --> 00:26:46,159
and this image all of a sudden i was

682
00:26:50,710 --> 00:26:47,360
kind of flying

683
00:26:55,190 --> 00:26:50,720
along the coastline

684
00:26:58,390 --> 00:26:55,200
the oregon coast and

685
00:27:00,630 --> 00:26:58,400
was i almost hit a sasquatch

686
00:27:02,070 --> 00:27:00,640
walking amongst the rocks he had come

687
00:27:05,190 --> 00:27:02,080
down from the woods

688
00:27:08,950 --> 00:27:05,200

and he looked at me and he was really

689

00:27:13,190 --> 00:27:08,960

upset that i was like interfering

690

00:27:16,710 --> 00:27:13,200

with his space you know it was uh

691

00:27:20,070 --> 00:27:16,720

he was not happy that i was there

692

00:27:21,190 --> 00:27:20,080

and so i just freaked myself out i don't

693

00:27:21,530 --> 00:27:21,200

know what's going on here but i'm

694

00:27:23,510 --> 00:27:21,540

leaving

695

00:27:26,549 --> 00:27:23,520

[Laughter]

696

00:27:29,590 --> 00:27:26,559

like i'm going to snap out of it and you

697

00:27:32,630 --> 00:27:29,600

know some other strange

698

00:27:33,350 --> 00:27:32,640

just events like that i could go on and

699

00:27:39,830 --> 00:27:33,360

on and on

700

00:27:43,630 --> 00:27:41,909

i made a note of it now i can't find it

701
00:27:46,710 --> 00:27:43,640
that's all about

702
00:27:49,669 --> 00:27:46,720
coincidences i don't think there are any

703
00:27:51,430 --> 00:27:49,679
coincidences i think that was what you

704
00:27:54,789 --> 00:27:51,440
experienced now was

705
00:27:58,549 --> 00:27:54,799
a real synchronicity i mean something

706
00:28:00,470 --> 00:27:58,559
was really going on there more than just

707
00:28:02,070 --> 00:28:00,480
you know a coincidence i don't know how

708
00:28:04,389 --> 00:28:02,080
you feel about that but

709
00:28:05,669 --> 00:28:04,399
that's how it struck me i think at

710
00:28:09,190 --> 00:28:05,679
things like this

711
00:28:12,470 --> 00:28:09,200
um yeah i

712
00:28:15,510 --> 00:28:12,480
do all these weird synchronicities i i

713
00:28:18,950 --> 00:28:15,520

i you know i i tend to be i tend to

714

00:28:20,470 --> 00:28:18,960

shade more towards the practical side

715

00:28:22,389 --> 00:28:20,480

when it comes to a lot of these things

716

00:28:24,789 --> 00:28:22,399

but i this is the one

717

00:28:27,269 --> 00:28:24,799

part that one part of my mind that says

718

00:28:30,389 --> 00:28:27,279

no that it just can't be coincidence

719

00:28:32,630 --> 00:28:30,399

that part i just can't let go

720

00:28:34,710 --> 00:28:32,640

i mean you know out of out of the 80

721

00:28:36,870 --> 00:28:34,720

miles of appalachian trail in georgia

722

00:28:38,470 --> 00:28:36,880

you mean to tell me that these guys just

723

00:28:40,549 --> 00:28:38,480

happened to show up at the one spot

724

00:28:43,029 --> 00:28:40,559

where a creature had had pushed down a

725

00:28:44,950 --> 00:28:43,039

tree just eight to ten hours earlier i

726

00:28:47,580 --> 00:28:44,960

that's that camp that there's just no

727

00:28:49,269 --> 00:28:47,590

way that's a coincidence

728

00:28:52,870 --> 00:28:49,279

[Music]

729

00:28:54,710 --> 00:28:52,880

well you know this metaphysical or part

730

00:28:56,950 --> 00:28:54,720

paranormal aspect

731

00:28:58,950 --> 00:28:56,960

to the bigfoot phenomena is becoming

732

00:29:02,070 --> 00:28:58,960

more apparent

733

00:29:05,029 --> 00:29:02,080

more and more nowadays uh you know it

734

00:29:12,470 --> 00:29:08,230

if you were a bigfoot uh enthusiast

735

00:29:15,510 --> 00:29:12,480

and you were investigating bigfoot

736

00:29:18,549 --> 00:29:15,520

this this other

737

00:29:21,590 --> 00:29:18,559

aspect to the phenomena would not

738

00:29:23,190 --> 00:29:21,600

come into play but

739

00:29:24,710 --> 00:29:23,200

i think it's becoming more and more

740

00:29:25,590 --> 00:29:24,720

prevalent now i think people are

741

00:29:29,190 --> 00:29:25,600

actually

742

00:29:32,630 --> 00:29:29,200

being more open to the to the uh

743

00:29:35,909 --> 00:29:32,640

possibility that these beings

744

00:29:37,430 --> 00:29:35,919

may not they may be also actual flesh

745

00:29:41,110 --> 00:29:37,440

and blood

746

00:29:43,350 --> 00:29:41,120

but they not it's not exactly

747

00:29:45,510 --> 00:29:43,360

you know indigenous that they're coming

748

00:29:48,549 --> 00:29:45,520

in from somewhere else

749

00:29:50,389 --> 00:29:48,559

i i don't you know it's it's just too

750

00:29:53,029 --> 00:29:50,399

many there's just too many incidents

751
00:29:55,590 --> 00:29:53,039
where these things suddenly disappear

752
00:29:58,389 --> 00:29:55,600
where they uh they do things that it's

753
00:30:01,990 --> 00:29:58,399
just impossible to understand

754
00:30:04,230 --> 00:30:02,000
in the natural world

755
00:30:05,909 --> 00:30:04,240
i mean one phenomena that we have been

756
00:30:08,310 --> 00:30:05,919
noticing

757
00:30:10,630 --> 00:30:08,320
more so the past three to four years

758
00:30:13,909 --> 00:30:10,640
especially here in pennsylvania

759
00:30:15,430 --> 00:30:13,919
is the the orb activity around settings

760
00:30:18,070 --> 00:30:15,440
bigfoot

761
00:30:18,789 --> 00:30:18,080
now i i know you you've written about

762
00:30:21,750 --> 00:30:18,799
orbs

763
00:30:23,669 --> 00:30:21,760

for many years reagan but uh this is

764

00:30:25,269 --> 00:30:23,679

something that seems to be showing up

765

00:30:27,750 --> 00:30:25,279

with this phenomena

766

00:30:31,510 --> 00:30:27,760

uh i'm gonna ask dan have you ever seen

767

00:30:34,070 --> 00:30:31,520

any orbs in any of your investigations

768

00:30:34,950 --> 00:30:34,080

uh i have not i have not i know i've

769

00:30:37,029 --> 00:30:34,960

heard of

770

00:30:38,230 --> 00:30:37,039

others you know having that type of

771

00:30:41,350 --> 00:30:38,240

experience but

772

00:30:43,430 --> 00:30:41,360

i have not okay

773

00:30:45,110 --> 00:30:43,440

and you reagan i'm quite sure you have

774

00:30:48,389 --> 00:30:45,120

heard of it

775

00:30:51,430 --> 00:30:48,399

yes i have in fact one of the first

776
00:30:54,710 --> 00:30:51,440
stories i came across i forgot where now

777
00:30:58,470 --> 00:30:54,720
when i first started looking into this

778
00:30:59,029 --> 00:30:58,480
was of a orbs being seen in connection

779
00:31:02,549 --> 00:30:59,039
with

780
00:31:05,350 --> 00:31:02,559
a bigfoot encounter and uh

781
00:31:06,789 --> 00:31:05,360
you know there's all kinds of orbs uh

782
00:31:10,389 --> 00:31:06,799
the spirit orbs

783
00:31:13,029 --> 00:31:10,399
and there's light that i think

784
00:31:13,430 --> 00:31:13,039
is different than what somebody would

785
00:31:15,909 --> 00:31:13,440
say

786
00:31:16,630 --> 00:31:15,919
is like a ghost or spirit right and then

787
00:31:19,909 --> 00:31:16,640
there's just

788
00:31:22,310 --> 00:31:19,919

craft and then there's so there's all

789

00:31:23,830 --> 00:31:22,320

you know when we talk about orbs i i

790

00:31:25,269 --> 00:31:23,840

think sometimes we just need to make

791

00:31:26,149 --> 00:31:25,279

distinctions so we know what we're

792

00:31:29,350 --> 00:31:26,159

talking about

793

00:31:32,710 --> 00:31:29,360

right but um yeah and i

794

00:31:36,710 --> 00:31:32,720

myself saw a huge orb uh but that was

795

00:31:39,909 --> 00:31:36,720

a a ufo and

796

00:31:42,389 --> 00:31:39,919

uh there was no bigfoot connection

797

00:31:43,430 --> 00:31:42,399

or at least of course i know as far as

798

00:31:45,909 --> 00:31:43,440

you know you know this

799

00:31:47,590 --> 00:31:45,919

and this is one thing that i have been

800

00:31:48,149 --> 00:31:47,600

investigating for a long time and in

801
00:31:50,789 --> 00:31:48,159
fact

802
00:31:52,310 --> 00:31:50,799
stan gordon has talked about this for

803
00:31:55,509 --> 00:31:52,320
many many years

804
00:31:58,830 --> 00:31:55,519
that the ufo activity and bigfoot

805
00:32:00,389 --> 00:31:58,840
activities seem to be connected in some

806
00:32:03,190 --> 00:32:00,399
circumstances

807
00:32:04,870 --> 00:32:03,200
where you know there have been sightings

808
00:32:07,509 --> 00:32:04,880
of ufos

809
00:32:07,990 --> 00:32:07,519
and then not long after or even the same

810
00:32:11,509 --> 00:32:08,000
time

811
00:32:13,669 --> 00:32:11,519
a bigfoot is being seen um

812
00:32:15,669 --> 00:32:13,679
i think it's more prevalent in areas

813
00:32:18,389 --> 00:32:15,679

that have high activity

814

00:32:20,630 --> 00:32:18,399

uh like in the chestnut ridge in

815

00:32:23,830 --> 00:32:20,640

pennsylvania and west virginia

816

00:32:25,830 --> 00:32:23,840

uh out in you know

817

00:32:28,070 --> 00:32:25,840

and you talk about north and northern

818

00:32:31,029 --> 00:32:28,080

georgia i mean that i have heard so many

819

00:32:34,230 --> 00:32:31,039

crazy stories in that area for years

820

00:32:37,509 --> 00:32:34,240

of uh these uh

821

00:32:39,909 --> 00:32:37,519

these ufo and and other phenomena being

822

00:32:42,070 --> 00:32:39,919

associated with ufos

823

00:32:44,630 --> 00:32:42,080

i i think the veils at this point the

824

00:32:48,630 --> 00:32:44,640

veil has thinned to where

825

00:32:49,029 --> 00:32:48,640

you can kind of make a a strong argument

826

00:32:53,029 --> 00:32:49,039

for

827

00:32:59,430 --> 00:32:53,039

there being a connection to a lot of

828

00:33:03,509 --> 00:33:01,590

north georgia is definitely i i

829

00:33:05,509 --> 00:33:03,519

completely agree with your assessment

830

00:33:06,789 --> 00:33:05,519

and uh i mean even north georgia has

831

00:33:10,230 --> 00:33:06,799

even had some dogman

832

00:33:12,070 --> 00:33:10,240

sightings as well

833

00:33:14,070 --> 00:33:12,080

yeah i mean i think i think cryptid

834

00:33:17,430 --> 00:33:14,080

activity and ufo

835

00:33:20,549 --> 00:33:17,440

and even even spirit energy

836

00:33:21,830 --> 00:33:20,559

kind of goes hand in hand uh in a lot of

837

00:33:24,070 --> 00:33:21,840

these uh

838

00:33:26,310 --> 00:33:24,080

these areas and uh you know we've been

839

00:33:28,630 --> 00:33:26,320

hearing for years around here

840

00:33:30,630 --> 00:33:28,640

of that happening and uh there are a lot

841

00:33:32,470 --> 00:33:30,640

of areas in the united states

842

00:33:35,590 --> 00:33:32,480

particularly in canada

843

00:33:38,470 --> 00:33:35,600

where these all these phenomena seem to

844

00:33:39,669 --> 00:33:38,480

congregate or show up once in a while so

845

00:33:43,190 --> 00:33:39,679

um

846

00:33:44,710 --> 00:33:43,200

you know i i think you know i i think

847

00:33:46,789 --> 00:33:44,720

like i said i think there's a strong

848

00:33:48,950 --> 00:33:46,799

argument for these phenomena being

849

00:33:51,590 --> 00:33:48,960

connected

850

00:33:51,990 --> 00:33:51,600

yeah i agree with that too and here on

851
00:33:55,750 --> 00:33:52,000
the

852
00:33:59,110 --> 00:33:55,760
researchers who go

853
00:34:01,750 --> 00:33:59,120
out there and do active

854
00:34:02,389 --> 00:34:01,760
you know physical field investigations

855
00:34:05,909 --> 00:34:02,399
and

856
00:34:06,470 --> 00:34:05,919
i don't know you mentioned stan gordon

857
00:34:08,550 --> 00:34:06,480
and

858
00:34:11,990 --> 00:34:08,560
there's tom powell who's written some

859
00:34:15,430 --> 00:34:12,000
interesting books about his experiences

860
00:34:17,990 --> 00:34:15,440
that include the more i don't know if

861
00:34:19,909 --> 00:34:18,000
you want caught paranormal or what but

862
00:34:22,069 --> 00:34:19,919
beyond flesh and blood you know

863
00:34:26,230 --> 00:34:22,079

something else is going on

864

00:34:29,750 --> 00:34:26,240

strange synchronicities uh telepathy

865

00:34:33,510 --> 00:34:29,760

you know just um that

866

00:34:36,629 --> 00:34:33,520

clearly is saying there's more here than

867

00:34:39,430 --> 00:34:36,639

i don't know if in every case those

868

00:34:40,069 --> 00:34:39,440

stranger elements are present or part of

869

00:34:43,270 --> 00:34:40,079

it but

870

00:34:46,790 --> 00:34:43,280

certainly a big part of it and

871

00:34:49,510 --> 00:34:46,800

i agree with you alon too that

872

00:34:49,909 --> 00:34:49,520

i think researchers are starting to open

873

00:34:55,109 --> 00:34:49,919

be

874

00:34:56,230 --> 00:34:55,119

if we pretend it's not there we're not

875

00:34:58,069 --> 00:34:56,240

going to get anywhere

876

00:35:00,310 --> 00:34:58,079

you know well there are you know i i

877

00:35:03,750 --> 00:35:00,320

know years ago when i was doing this

878

00:35:05,190 --> 00:35:03,760

and uh if i even mention something

879

00:35:08,230 --> 00:35:05,200

about an interdimensional

880

00:35:10,230 --> 00:35:08,240

or paranormal aspect to

881

00:35:12,150 --> 00:35:10,240

the bigfoot i mean you get laughed at

882

00:35:13,829 --> 00:35:12,160

you think people think you're crazy

883

00:35:15,510 --> 00:35:13,839

and it's just not it's just not like

884

00:35:18,630 --> 00:35:15,520

that will carry you out

885

00:35:20,950 --> 00:35:18,640

yeah yeah that's true

886

00:35:22,150 --> 00:35:20,960

yeah i mean it has gotten to the point

887

00:35:25,589 --> 00:35:22,160

now where

888

00:35:30,069 --> 00:35:25,599

well i mean a body's never been found

889

00:35:33,990 --> 00:35:30,079

uh there's fleeing evidence

890

00:35:36,870 --> 00:35:34,000

physical evidence uh footprints stat

891

00:35:37,270 --> 00:35:36,880

hair whatever of these beings but the

892

00:35:43,109 --> 00:35:37,280

body

893

00:35:44,790 --> 00:35:43,119

you know as you start thinking about

894

00:35:48,069 --> 00:35:44,800

this

895

00:35:50,550 --> 00:35:48,079

and and i and i do realize it

896

00:35:51,510 --> 00:35:50,560

it's it's difficult to even find much of

897

00:35:53,990 --> 00:35:51,520

any wildlife

898

00:35:55,829 --> 00:35:54,000

bodies in the woods because you know

899

00:35:57,270 --> 00:35:55,839

nature takes care of a lot of that very

900

00:36:01,270 --> 00:35:57,280

quickly

901
00:36:04,550 --> 00:36:01,280
but it does just still still seem very

902
00:36:07,990 --> 00:36:04,560
hard to believe that any body

903
00:36:08,550 --> 00:36:08,000
or any aspect skeleton or whatever has

904
00:36:11,670 --> 00:36:08,560
ever been

905
00:36:14,069 --> 00:36:11,680
found uh with bigfoot you gotta have

906
00:36:15,750 --> 00:36:14,079
that in the back of your mind that

907
00:36:18,950 --> 00:36:15,760
you know maybe there's something else

908
00:36:20,230 --> 00:36:18,960
that to explain why people aren't seeing

909
00:36:25,510 --> 00:36:20,240
these things

910
00:36:27,750 --> 00:36:25,520
dead what you think about that dan

911
00:36:29,990 --> 00:36:27,760
um i mean it's definitely something to

912
00:36:33,430 --> 00:36:30,000
consider you know if you had asked me

913
00:36:34,550 --> 00:36:33,440

five ten years ago what this creature is

914

00:36:37,030 --> 00:36:34,560

i would have said look it's an

915

00:36:39,430 --> 00:36:37,040

undiscovered primate 100

916

00:36:40,390 --> 00:36:39,440

flesh and blood but let me tell you

917

00:36:44,230 --> 00:36:40,400

something as

918

00:36:46,870 --> 00:36:44,240

time has gone on in in the deeper i've

919

00:36:48,630 --> 00:36:46,880

gotten into this the this this

920

00:36:52,069 --> 00:36:48,640

phenomenon

921

00:36:55,910 --> 00:36:52,079

um i would say my opinion

922

00:36:58,150 --> 00:36:55,920

has changed and i still believe

923

00:37:00,150 --> 00:36:58,160

in the flesh and blood but only by about

924

00:37:03,190 --> 00:37:00,160

60 to 70 percent

925

00:37:04,390 --> 00:37:03,200

the remaining 30 has now of my of my

926

00:37:06,829 --> 00:37:04,400

opinion has now

927

00:37:08,069 --> 00:37:06,839

been opened to these type of

928

00:37:11,270 --> 00:37:08,079

possibilities

929

00:37:14,310 --> 00:37:11,280

ron moorehead um you know who

930

00:37:16,390 --> 00:37:14,320

has some of the best audio

931

00:37:18,230 --> 00:37:16,400

i think and just like just like the

932

00:37:19,030 --> 00:37:18,240

patterson gimlin film is considered the

933

00:37:21,270 --> 00:37:19,040

best evidence

934

00:37:22,069 --> 00:37:21,280

over the course of 50 years i think the

935

00:37:24,230 --> 00:37:22,079

best audio

936

00:37:25,270 --> 00:37:24,240

evidence ever collected was by ron

937

00:37:27,589 --> 00:37:25,280

morehead

938

00:37:29,670 --> 00:37:27,599

in the 70s you know and of course i'm

939

00:37:32,069 --> 00:37:29,680

referring to the sierra sounds

940

00:37:32,710 --> 00:37:32,079

and he came out with a book last year

941

00:37:35,109 --> 00:37:32,720

called

942

00:37:37,990 --> 00:37:35,119

quantum bigfoot and i haven't read the

943

00:37:41,270 --> 00:37:38,000

whole book but i've read excerpts and he

944

00:37:44,390 --> 00:37:41,280

he lay he he lays out

945

00:37:45,750 --> 00:37:44,400

um how quantum theory can be used as an

946

00:37:48,710 --> 00:37:45,760

explanation for

947

00:37:49,030 --> 00:37:48,720

what some of these creatures can do uh

948

00:37:52,790 --> 00:37:49,040

like

949

00:37:54,470 --> 00:37:52,800

cloaking and and seeing a set of

950

00:37:57,510 --> 00:37:54,480

footprints

951
00:37:57,990 --> 00:37:57,520
that just out of nowhere disappear you

952
00:38:04,630 --> 00:37:58,000
know

953
00:38:05,990 --> 00:38:04,640
you've got the you've got another camp

954
00:38:08,950 --> 00:38:06,000
that says well they're the part of the

955
00:38:10,069 --> 00:38:08,960
nephilim so there are so many different

956
00:38:12,150 --> 00:38:10,079
camps that

957
00:38:14,069 --> 00:38:12,160
that i've kind of become a little more

958
00:38:16,470 --> 00:38:14,079
open to because

959
00:38:19,109 --> 00:38:16,480
the the longer your i'm sure you guys

960
00:38:21,190 --> 00:38:19,119
can probably back me up on this the

961
00:38:21,670 --> 00:38:21,200
longer you're in it the more strange it

962
00:38:24,630 --> 00:38:21,680
gets

963
00:38:25,829 --> 00:38:24,640

and one simple solution in this case

964

00:38:30,390 --> 00:38:25,839

flesh and blood

965

00:38:34,550 --> 00:38:30,400

explain

966

00:38:38,230 --> 00:38:37,750

well you know yeah yeah i think there

967

00:38:43,109 --> 00:38:38,240

are

968

00:38:44,710 --> 00:38:43,119

and canada where there very well may be

969

00:38:48,310 --> 00:38:44,720

indigenous

970

00:38:49,270 --> 00:38:48,320

Pods of the these beings now uh pacific

971

00:38:52,310 --> 00:38:49,280

northwest

972

00:38:55,589 --> 00:38:52,320

florida i mean you know

973

00:39:01,190 --> 00:38:58,870

a specific type of bigfoot has been seen

974

00:39:03,750 --> 00:39:01,200

over the years

975

00:39:05,030 --> 00:39:03,760

but the fact that here in like the

976
00:39:06,710 --> 00:39:05,040
eastern part of the united states

977
00:39:09,030 --> 00:39:06,720
northeast part of the united states

978
00:39:10,230 --> 00:39:09,040
the upper midwest there seem to be a

979
00:39:12,630 --> 00:39:10,240
different varieties

980
00:39:14,470 --> 00:39:12,640
and i mean i'm just not talking i'm

981
00:39:17,470 --> 00:39:14,480
talking different body shapes

982
00:39:19,349 --> 00:39:17,480
different uh aspects different

983
00:39:23,430 --> 00:39:19,359
characteristics

984
00:39:27,109 --> 00:39:23,440
uh to where it's kind of hard to believe

985
00:39:30,550 --> 00:39:27,119
that that in these indigenous

986
00:39:33,589 --> 00:39:30,560
groups would be living

987
00:39:34,950 --> 00:39:33,599
and not seen somehow that there there's

988
00:39:37,670 --> 00:39:34,960

some way like you mentioned

989

00:39:39,750 --> 00:39:37,680

cloaking well maybe that is part of

990

00:39:40,710 --> 00:39:39,760

what's going on maybe it's the cloaking

991

00:39:47,190 --> 00:39:40,720

maybe

992

00:39:49,510 --> 00:39:47,200

parallel reality something where you

993

00:39:52,550 --> 00:39:49,520

know they come in and out somehow

994

00:39:54,550 --> 00:39:52,560

but in some areas it to me

995

00:39:56,950 --> 00:39:54,560

it just seems difficult to believe that

996

00:39:59,109 --> 00:39:56,960

there are family groups

997

00:40:00,630 --> 00:39:59,119

and uh that they haven't been seen more

998

00:40:05,589 --> 00:40:00,640

often

999

00:40:10,309 --> 00:40:08,950

yeah i i agree that there does seem to

1000

00:40:14,950 --> 00:40:10,319

be uh

1001
00:40:18,069 --> 00:40:14,960
different types you know varieties

1002
00:40:21,109 --> 00:40:18,079
and like i said before i'm not i

1003
00:40:24,630 --> 00:40:23,510
some just some of them have these

1004
00:40:28,230 --> 00:40:24,640
abilities

1005
00:40:31,510 --> 00:40:28,240
or they just choose not to

1006
00:40:33,589 --> 00:40:31,520
use them or use them in other

1007
00:40:35,670 --> 00:40:33,599
in certain situations you know i don't

1008
00:40:38,069 --> 00:40:35,680
have any answers

1009
00:40:40,309 --> 00:40:38,079
except that there's a lot obviously

1010
00:40:43,829 --> 00:40:40,319
there's a lot going on

1011
00:40:45,750 --> 00:40:43,839
and the types of activity and the types

1012
00:40:49,510 --> 00:40:45,760
of creatures seen

1013
00:40:53,270 --> 00:40:49,520

uh do seem to have some variety

1014

00:40:55,190 --> 00:40:53,280

on you know regionally and uh

1015

00:40:56,390 --> 00:40:55,200

you mentioned ron moorhead too yes

1016

00:40:58,390 --> 00:40:56,400

that's a book

1017

00:41:00,390 --> 00:40:58,400

i'm aware of i'm looking forward to

1018

00:41:02,870 --> 00:41:00,400

reading it i haven't had chestery

1019

00:41:04,710 --> 00:41:02,880

yet but i you know i've heard him

1020

00:41:06,069 --> 00:41:04,720

interviewed and read interviews with him

1021

00:41:09,430 --> 00:41:06,079

and his experiences

1022

00:41:13,910 --> 00:41:09,440

and his take on it are very interesting

1023

00:41:18,150 --> 00:41:13,920

and he's you know open and willing to

1024

00:41:25,030 --> 00:41:21,510

as to again

1025

00:41:28,150 --> 00:41:25,040

what what is it i don't know

1026

00:41:30,470 --> 00:41:28,160

but it but it is

1027

00:41:31,510 --> 00:41:30,480

well dan what what else have you you

1028

00:41:35,270 --> 00:41:31,520

seen

1029

00:41:39,030 --> 00:41:35,280

in your your investigations that um

1030

00:41:42,470 --> 00:41:39,040

that seem to indicate that

1031

00:41:45,589 --> 00:41:42,480

the bigfoot are in the area

1032

00:41:46,630 --> 00:41:45,599

okay um so this this occurrence happened

1033

00:41:49,670 --> 00:41:46,640

just this past

1034

00:41:50,069 --> 00:41:49,680

uh september um if this is going to take

1035

00:41:51,589 --> 00:41:50,079

me

1036

00:41:52,870 --> 00:41:51,599

probably just a couple minutes because i

1037

00:41:54,950 --> 00:41:52,880

have to provide the background

1038

00:41:58,390 --> 00:41:54,960

information but just bear with me

1039

00:41:59,270 --> 00:41:58,400

so um here in the state of georgia we

1040

00:42:02,630 --> 00:41:59,280

have a

1041

00:42:04,790 --> 00:42:02,640

truly excellent place um

1042

00:42:05,829 --> 00:42:04,800

it's called expedition bigfoot it's and

1043

00:42:08,069 --> 00:42:05,839

it's a museum

1044

00:42:09,990 --> 00:42:08,079

dedicated to bigfoot it is a fantastic

1045

00:42:12,150 --> 00:42:10,000

place and um

1046

00:42:14,069 --> 00:42:12,160

there was a big event there a couple

1047

00:42:17,670 --> 00:42:14,079

years ago

1048

00:42:20,550 --> 00:42:17,680

uh bob gimlin was visiting and um

1049

00:42:21,990 --> 00:42:20,560

i i went to this event i wanted to meet

1050

00:42:25,829 --> 00:42:22,000

meet the man meet the legend

1051
00:42:27,190 --> 00:42:25,839
and uh um there were a lot of people

1052
00:42:30,309 --> 00:42:27,200
there as you can imagine

1053
00:42:32,950 --> 00:42:30,319
and um um

1054
00:42:33,750 --> 00:42:32,960
so of course uh i started meeting

1055
00:42:35,829 --> 00:42:33,760
different people

1056
00:42:37,270 --> 00:42:35,839
talking with other people and i met a

1057
00:42:39,510 --> 00:42:37,280
young man

1058
00:42:40,950 --> 00:42:39,520
um i i don't want to submit any names

1059
00:42:42,069 --> 00:42:40,960
and i i don't want to submit any

1060
00:42:43,910 --> 00:42:42,079
locations

1061
00:42:45,589 --> 00:42:43,920
so uh um you'll have to forgive me for

1062
00:42:48,790 --> 00:42:45,599
that but

1063
00:42:51,990 --> 00:42:48,800

i met a young man um and

1064

00:42:54,630 --> 00:42:52,000

uh he's a bright guy and

1065

00:42:55,990 --> 00:42:54,640

we kept in touch through facebook uh for

1066

00:42:58,710 --> 00:42:56,000

the last couple years

1067

00:43:00,710 --> 00:42:58,720

talking about bigfoot different bigfoot

1068

00:43:03,829 --> 00:43:00,720

topic related subjects

1069

00:43:06,069 --> 00:43:03,839

and he actually had had a couple of

1070

00:43:07,510 --> 00:43:06,079

sightings in different parts of north

1071

00:43:11,270 --> 00:43:07,520

georgia which he

1072

00:43:12,390 --> 00:43:11,280

described to me um i didn't hear from

1073

00:43:14,230 --> 00:43:12,400

him for a little while

1074

00:43:15,829 --> 00:43:14,240

probably about six months and then out

1075

00:43:18,470 --> 00:43:15,839

of nowhere

1076

00:43:20,309 --> 00:43:18,480

um back uh this past summer i get a

1077

00:43:22,870 --> 00:43:20,319

couple messages from him

1078

00:43:23,670 --> 00:43:22,880

and he's telling me that he's discovered

1079

00:43:25,829 --> 00:43:23,680

an area

1080

00:43:27,510 --> 00:43:25,839

in north georgia not as north as the

1081

00:43:29,190 --> 00:43:27,520

appalachian trail

1082

00:43:32,230 --> 00:43:29,200

which is significant and i'll talk about

1083

00:43:35,990 --> 00:43:34,630

but he found an area where not only did

1084

00:43:39,349 --> 00:43:36,000

he have a sighting

1085

00:43:41,349 --> 00:43:39,359

but basically you don't have to hike

1086

00:43:42,950 --> 00:43:41,359

very far before you start getting

1087

00:43:44,790 --> 00:43:42,960

activity

1088

00:43:46,069 --> 00:43:44,800

and to be perfectly honest i didn't

1089

00:43:47,829 --> 00:43:46,079

believe them

1090

00:43:49,430 --> 00:43:47,839

but you know i love the outdoors i'm a

1091

00:43:50,550 --> 00:43:49,440

backpacker so i'm like you know what if

1092

00:43:52,230 --> 00:43:50,560

i can get a

1093

00:43:54,309 --> 00:43:52,240

partner with me to go hiking one night

1094

00:43:57,190 --> 00:43:54,319

why not i'll go

1095

00:43:57,510 --> 00:43:57,200

so we met up and this is a month later

1096

00:43:59,910 --> 00:43:57,520

which

1097

00:44:02,230 --> 00:43:59,920

now would be september of just this past

1098

00:44:06,230 --> 00:44:02,240

year 2018

1099

00:44:08,470 --> 00:44:06,240

and um we're actually driving

1100

00:44:10,230 --> 00:44:08,480

on a gravel road to the parking lot

1101
00:44:12,950 --> 00:44:10,240
where the trailhead is

1102
00:44:14,470 --> 00:44:12,960
he uh stops the car and says look to

1103
00:44:18,870 --> 00:44:14,480
your left

1104
00:44:21,750 --> 00:44:18,880
and i see this humongous tree structure

1105
00:44:22,069 --> 00:44:21,760
in the form of a letter x now let me be

1106
00:44:26,630 --> 00:44:22,079
the

1107
00:44:30,230 --> 00:44:26,640
been kind of skeptical about

1108
00:44:30,790 --> 00:44:30,240
tree formations but when you see one up

1109
00:44:33,829 --> 00:44:30,800
close

1110
00:44:37,109 --> 00:44:33,839
in real time in the in the woods

1111
00:44:38,069 --> 00:44:37,119
with no connective root system in other

1112
00:44:40,790 --> 00:44:38,079
words where these

1113
00:44:43,109 --> 00:44:40,800

trees broke and where they were placed

1114

00:44:46,309 --> 00:44:43,119

were very far apart

1115

00:44:50,150 --> 00:44:46,319

and the way they were situated about 12

1116

00:44:51,910 --> 00:44:50,160

10 to 12 feet high it you can

1117

00:44:53,510 --> 00:44:51,920

it's not hard to figure it out when

1118

00:44:55,349 --> 00:44:53,520

you're looking at it that these were

1119

00:44:57,430 --> 00:44:55,359

placed there and it just not it's just

1120

00:45:00,790 --> 00:44:57,440

not deadfall

1121

00:45:03,270 --> 00:45:00,800

now um so here i am

1122

00:45:03,990 --> 00:45:03,280

in the woods off the parking lot looking

1123

00:45:07,109 --> 00:45:04,000

at this

1124

00:45:08,630 --> 00:45:07,119

tree structure in complete amazement and

1125

00:45:12,230 --> 00:45:08,640

what happens next

1126

00:45:14,550 --> 00:45:12,240

a clear loud whoop

1127

00:45:15,349 --> 00:45:14,560

i mean it's just like the kind that you

1128

00:45:19,829 --> 00:45:15,359

hear on

1129

00:45:22,950 --> 00:45:19,839

shows or recordings i mean it was

1130

00:45:23,910 --> 00:45:22,960

clear as day so he's looking at me and

1131

00:45:26,470 --> 00:45:23,920

i'm looking at him

1132

00:45:28,790 --> 00:45:26,480

he's like you heard that i said i did

1133

00:45:32,309 --> 00:45:28,800

and he's like they're close by

1134

00:45:34,550 --> 00:45:32,319

so um we continued onward we

1135

00:45:36,550 --> 00:45:34,560

got to the parking lot hiked in a little

1136

00:45:40,309 --> 00:45:36,560

bit

1137

00:45:42,309 --> 00:45:40,319

and um it was during the week when most

1138

00:45:44,069 --> 00:45:42,319

people are working or in school

1139

00:45:45,990 --> 00:45:44,079

so there was nobody that we were the

1140

00:45:47,990 --> 00:45:46,000

only people on that trail because

1141

00:45:50,950 --> 00:45:48,000

there were no other cars there were no

1142

00:45:56,309 --> 00:45:50,960

other hikers nobody was around

1143

00:46:01,190 --> 00:45:56,319

um about 45 minutes in

1144

00:46:03,829 --> 00:46:01,200

after the wolf we hear this um

1145

00:46:04,550 --> 00:46:03,839

how can i describe it line it was it was

1146

00:46:07,990 --> 00:46:04,560

like a

1147

00:46:08,390 --> 00:46:08,000

it was a yell not it wasn't a it was a

1148

00:46:13,190 --> 00:46:08,400

yell

1149

00:46:17,190 --> 00:46:15,829

like like a like a like an insane mad

1150

00:46:20,230 --> 00:46:17,200

woman

1151
00:46:23,349 --> 00:46:20,240
um because it was high pitched and that

1152
00:46:25,109 --> 00:46:23,359
also is a very common sound heard among

1153
00:46:26,950 --> 00:46:25,119
many other eyewitnesses

1154
00:46:28,790 --> 00:46:26,960
that i've talked to in my own

1155
00:46:31,030 --> 00:46:28,800
investigations over the years

1156
00:46:31,990 --> 00:46:31,040
so once again he looks at me i look at

1157
00:46:34,630 --> 00:46:32,000
him

1158
00:46:36,630 --> 00:46:34,640
and we're like you know maybe we should

1159
00:46:38,390 --> 00:46:36,640
start heading back to the car

1160
00:46:40,550 --> 00:46:38,400
maybe we've overstayed our welcome

1161
00:46:42,950 --> 00:46:40,560
because there's obviously

1162
00:46:44,710 --> 00:46:42,960
not someone but something here besides

1163
00:46:47,270 --> 00:46:44,720

us

1164

00:46:49,589 --> 00:46:47,280

about 10 minutes after that we're as

1165

00:46:51,670 --> 00:46:49,599

because we did decide to head back

1166

00:46:52,790 --> 00:46:51,680

what happens next that just the good

1167

00:46:55,510 --> 00:46:52,800

old-fashioned

1168

00:46:56,150 --> 00:46:55,520

rocks start being pelted our way yeah

1169

00:46:59,270 --> 00:46:56,160

and

1170

00:47:01,190 --> 00:46:59,280

i said that's it i've had enough i

1171

00:47:02,630 --> 00:47:01,200

i want to i want to leave and i want to

1172

00:47:04,150 --> 00:47:02,640

get out of here

1173

00:47:06,390 --> 00:47:04,160

and he and the guy that was when you

1174

00:47:08,230 --> 00:47:06,400

said okay so so

1175

00:47:10,230 --> 00:47:08,240

needless to say we double timed it back

1176
00:47:10,710 --> 00:47:10,240
to the car and and we got out of there

1177
00:47:13,349 --> 00:47:10,720
and

1178
00:47:14,470 --> 00:47:13,359
i was i was really frightened because

1179
00:47:16,230 --> 00:47:14,480
you know to leave

1180
00:47:17,510 --> 00:47:16,240
the trailhead you had the you had to

1181
00:47:20,549 --> 00:47:17,520
drive on that

1182
00:47:23,829 --> 00:47:20,559
gravel road first and

1183
00:47:24,549 --> 00:47:23,839
um uh to get to the road and i'm

1184
00:47:27,510 --> 00:47:24,559
thinking

1185
00:47:28,230 --> 00:47:27,520
if these things are that close well you

1186
00:47:29,990 --> 00:47:28,240
know

1187
00:47:31,990 --> 00:47:30,000
something's probably gonna run at our

1188
00:47:33,030 --> 00:47:32,000

car or in front of our car

1189

00:47:34,950 --> 00:47:33,040

and that's gonna make the whole

1190

00:47:35,910 --> 00:47:34,960

situation even a little more frightening

1191

00:47:37,750 --> 00:47:35,920

for me but

1192

00:47:40,790 --> 00:47:37,760

but thankfully that that didn't happen

1193

00:47:43,910 --> 00:47:40,800

but nonetheless um we got out of there

1194

00:47:45,109 --> 00:47:43,920

now here's here's the the mindbender

1195

00:47:48,150 --> 00:47:45,119

lawn

1196

00:47:50,630 --> 00:47:48,160

that area that i'm referring to and

1197

00:47:51,190 --> 00:47:50,640

again i i apologize i i don't want to

1198

00:47:52,630 --> 00:47:51,200

name

1199

00:47:54,309 --> 00:47:52,640

any locations because i don't want

1200

00:47:57,670 --> 00:47:54,319

people flocking to it or

1201
00:48:00,790 --> 00:47:57,680
well i understand um this

1202
00:48:02,150 --> 00:48:00,800
location where this occurred

1203
00:48:04,309 --> 00:48:02,160
and there have been other sightings

1204
00:48:07,510 --> 00:48:04,319
there too um

1205
00:48:08,549 --> 00:48:07,520
is literally on only one hour's walking

1206
00:48:12,710 --> 00:48:08,559
distance

1207
00:48:14,790 --> 00:48:12,720
from that from what would be considered

1208
00:48:17,990 --> 00:48:14,800
a downtown type of setting

1209
00:48:20,870 --> 00:48:18,000
you know strip malls uh you know

1210
00:48:21,109 --> 00:48:20,880
intersections four-lane roads it's only

1211
00:48:32,470 --> 00:48:21,119
an

1212
00:48:36,790 --> 00:48:35,670
you know you you do hear a lot more of

1213
00:48:38,790 --> 00:48:36,800

the uh

1214

00:48:40,870 --> 00:48:38,800

what people sometimes call the urban

1215

00:48:43,109 --> 00:48:40,880

bigfoot where you see them in these

1216

00:48:45,190 --> 00:48:43,119

these more populated areas you know i

1217

00:48:48,470 --> 00:48:45,200

had a um

1218

00:48:52,230 --> 00:48:48,480

i had a woman down in a near san antonio

1219

00:48:55,510 --> 00:48:52,240

texas contact me not long ago

1220

00:48:58,630 --> 00:48:55,520

lived in a subdivision and

1221

00:49:00,790 --> 00:48:58,640

this this one bigfoot was

1222

00:49:03,109 --> 00:49:00,800

just scaring the hell out of everybody

1223

00:49:07,190 --> 00:49:03,119

in this subdivision

1224

00:49:09,030 --> 00:49:07,200

uh would walk up to people

1225

00:49:10,549 --> 00:49:09,040

while they'd be in the garden doing

1226

00:49:13,430 --> 00:49:10,559

something or out

1227

00:49:14,069 --> 00:49:13,440

out in the front part of the house just

1228

00:49:16,470 --> 00:49:14,079

woke up

1229

00:49:17,670 --> 00:49:16,480

and i was getting i was getting people

1230

00:49:20,309 --> 00:49:17,680

telling me

1231

00:49:22,150 --> 00:49:20,319

that you know when i keep i kept saying

1232

00:49:24,470 --> 00:49:22,160

well can you get a photograph

1233

00:49:26,390 --> 00:49:24,480

i you know and it's a that's one thing

1234

00:49:27,670 --> 00:49:26,400

well by the time i start i got the phone

1235

00:49:30,950 --> 00:49:27,680

and everything

1236

00:49:31,829 --> 00:49:30,960

it was gone well yeah i did send an

1237

00:49:35,589 --> 00:49:31,839

investigator

1238

00:49:38,150 --> 00:49:35,599

to it and uh they told me

1239

00:49:39,670 --> 00:49:38,160

i believe what they're telling i've seen

1240

00:49:42,549 --> 00:49:39,680

tracks

1241

00:49:43,670 --> 00:49:42,559

and these people are genuinely

1242

00:49:47,510 --> 00:49:43,680

frightened

1243

00:49:49,589 --> 00:49:47,520

so the fact that these um these reports

1244

00:49:52,950 --> 00:49:49,599

coming from residential areas

1245

00:49:57,190 --> 00:49:52,960

is not surprising to me so

1246

00:50:00,549 --> 00:49:57,200

i i wanted to um oh i'm sorry reagan

1247

00:50:02,790 --> 00:50:00,559

you go ahead i just had uh to

1248

00:50:03,670 --> 00:50:02,800

you know piggyback on what you were

1249

00:50:07,510 --> 00:50:03,680

saying

1250

00:50:10,790 --> 00:50:07,520

but you go ahead

1251

00:50:13,270 --> 00:50:10,800

um i i just want to add on real quick

1252

00:50:14,630 --> 00:50:13,280

a few weeks later lon i decided to go

1253

00:50:17,990 --> 00:50:14,640

back to that area

1254

00:50:18,630 --> 00:50:18,000

by myself and i really wish i hadn't

1255

00:50:21,030 --> 00:50:18,640

because

1256

00:50:23,670 --> 00:50:21,040

first of all i am a missing 4-1-1

1257

00:50:28,870 --> 00:50:27,510

and and so i broke the the cardinal rule

1258

00:50:34,150 --> 00:50:28,880

of going by myself

1259

00:50:36,549 --> 00:50:34,160

uh like that but um i i was so

1260

00:50:38,829 --> 00:50:36,559

uh i was so amazed at what had happened

1261

00:50:40,390 --> 00:50:38,839

that i went back by myself a few weeks

1262

00:50:43,270 --> 00:50:40,400

later

1263

00:50:44,549 --> 00:50:43,280

same thing um i saw the tree structure

1264

00:50:48,390 --> 00:50:44,559

again

1265

00:50:51,750 --> 00:50:48,400

i hiked in about only about a mile

1266

00:50:54,150 --> 00:50:51,760

and i heard the most

1267

00:50:55,829 --> 00:50:54,160

prolific series of wood knocks that i've

1268

00:50:58,870 --> 00:50:55,839

ever heard in my life

1269

00:51:01,270 --> 00:50:58,880

and it this wasn't dead fall

1270

00:51:03,430 --> 00:51:01,280

any of anyone who's been in the woods

1271

00:51:04,630 --> 00:51:03,440

for even if it was even if it's for a

1272

00:51:05,510 --> 00:51:04,640

short amount of time knows the

1273

00:51:08,150 --> 00:51:05,520

difference of what

1274

00:51:08,549 --> 00:51:08,160

deadfall sounds like and what wood on

1275

00:51:10,069 --> 00:51:08,559

wood

1276
00:51:11,750 --> 00:51:10,079
being pounded against each other

1277
00:51:13,750 --> 00:51:11,760
purposely sounds like

1278
00:51:15,030 --> 00:51:13,760
this was like two louisville sluggers

1279
00:51:18,870 --> 00:51:15,040
going at it

1280
00:51:21,510 --> 00:51:18,880
and i i i immediately turned around

1281
00:51:22,230 --> 00:51:21,520
and got out of there and then as i was

1282
00:51:24,950 --> 00:51:22,240
leaving

1283
00:51:25,510 --> 00:51:24,960
just before i got back to the trailhead

1284
00:51:28,710 --> 00:51:25,520
um

1285
00:51:30,630 --> 00:51:28,720
i saw a tree and and i

1286
00:51:32,470 --> 00:51:30,640
i wanted to get out of there so but i i

1287
00:51:34,710 --> 00:51:32,480
stopped for just for a quick moment to

1288
00:51:35,990 --> 00:51:34,720

i was gonna take a picture but i was

1289

00:51:38,710 --> 00:51:36,000

kind of frightened so i

1290

00:51:39,829 --> 00:51:38,720

just kept on going but there was a tree

1291

00:51:42,309 --> 00:51:39,839

right there

1292

00:51:43,430 --> 00:51:42,319

on the side of the trail that had been

1293

00:51:46,870 --> 00:51:43,440

just freshly

1294

00:51:48,870 --> 00:51:46,880

twisted and bent now it was a clear day

1295

00:51:51,750 --> 00:51:48,880

sunny blue skies

1296

00:51:53,270 --> 00:51:51,760

so then so and that same tree had not

1297

00:51:55,910 --> 00:51:53,280

been like that

1298

00:51:59,510 --> 00:51:55,920

went just 20 minutes prior when i had

1299

00:52:06,309 --> 00:52:04,150

so that that that it was the same area

1300

00:52:07,670 --> 00:52:06,319

so reagan what have were you about to

1301
00:52:11,030 --> 00:52:07,680
say about the uh

1302
00:52:14,549 --> 00:52:11,040
oh yeah well i

1303
00:52:18,069 --> 00:52:14,559
um it's just one of those things

1304
00:52:21,829 --> 00:52:18,079
uh not far outside of eugene at all

1305
00:52:25,190 --> 00:52:21,839
i mean less than 10 m less than 10 miles

1306
00:52:27,510 --> 00:52:25,200
but still a very rural area

1307
00:52:28,870 --> 00:52:27,520
you know eugene's kind of urban it's a

1308
00:52:30,549 --> 00:52:28,880
small city it's

1309
00:52:33,109 --> 00:52:30,559
you know there's a university here in

1310
00:52:34,870 --> 00:52:33,119
the whole thing but you just drive a few

1311
00:52:38,390 --> 00:52:34,880
minutes in any direction

1312
00:52:41,670 --> 00:52:38,400
and it's you know woods and rural and

1313
00:52:45,990 --> 00:52:41,680

so anyway i decided and i'm a 4-1-1

1314

00:52:47,430 --> 00:52:46,000

you know nerd as well and

1315

00:52:49,510 --> 00:52:47,440

so i probably should have been doing

1316

00:52:50,309 --> 00:52:49,520

this but i just i'm going to take a

1317

00:52:53,670 --> 00:52:50,319

drive

1318

00:52:55,109 --> 00:52:53,680

into wherever and i'm driving it's a

1319

00:52:57,670 --> 00:52:55,119

beautiful day

1320

00:53:00,150 --> 00:52:57,680

beautiful afternoon and i'm up you know

1321

00:53:02,950 --> 00:53:00,160

further further out

1322

00:53:04,309 --> 00:53:02,960

still on a paved road and there are

1323

00:53:06,630 --> 00:53:04,319

houses here and there

1324

00:53:07,510 --> 00:53:06,640

but you know the further you go and then

1325

00:53:12,069 --> 00:53:07,520

i get to

1326
00:53:15,829 --> 00:53:15,030
beautiful stunning view so i i just get

1327
00:53:19,270 --> 00:53:15,839
pull over

1328
00:53:21,270 --> 00:53:19,280
get out of the car i'm looking out over

1329
00:53:24,069 --> 00:53:21,280
the valley

1330
00:53:24,549 --> 00:53:24,079
and but right across the road behind me

1331
00:53:29,910 --> 00:53:24,559
just

1332
00:53:32,390 --> 00:53:29,920
thick woods

1333
00:53:33,829 --> 00:53:32,400
and i feel great it's a beautiful day

1334
00:53:38,630 --> 00:53:33,839
i'm just standing there and

1335
00:53:42,390 --> 00:53:38,640
all of a sudden i felt

1336
00:53:45,990 --> 00:53:42,400
uh i almost heard it like this

1337
00:53:49,829 --> 00:53:46,000
roaring a

1338
00:53:51,670 --> 00:53:49,839

cloud of energy coming from behind me

1339

00:53:53,270 --> 00:53:51,680

from the woods i mean this was an

1340

00:53:57,109 --> 00:53:53,280

intelligent

1341

00:54:01,030 --> 00:53:57,119

sentient presence that was

1342

00:54:04,150 --> 00:54:01,040

shouting at me to get out they did not

1343

00:54:05,670 --> 00:54:04,160

want me there get out now

1344

00:54:07,349 --> 00:54:05,680

if you know what's good for you kind of

1345

00:54:10,150 --> 00:54:07,359

thing and

1346

00:54:11,510 --> 00:54:10,160

it a couple people said to me well maybe

1347

00:54:14,230 --> 00:54:11,520

it's a panic attack well

1348

00:54:15,030 --> 00:54:14,240

you know i've had panic attacks and

1349

00:54:18,630 --> 00:54:15,040

believe me

1350

00:54:19,510 --> 00:54:18,640

this was nothing going on with me at all

1351
00:54:23,190 --> 00:54:19,520
this was from

1352
00:54:26,230 --> 00:54:23,200
outside coming at me

1353
00:54:29,829 --> 00:54:26,240
and i i took about two seconds to wonder

1354
00:54:32,950 --> 00:54:29,839
what the what is going

1355
00:54:34,630 --> 00:54:32,960
and the thing just kept coming and i

1356
00:54:38,230 --> 00:54:34,640
said fine i'm leaving

1357
00:54:41,109 --> 00:54:38,240
i hear ya

1358
00:54:42,549 --> 00:54:41,119
and i took off and i don't know what

1359
00:54:45,430 --> 00:54:42,559
that was i've never

1360
00:54:46,710 --> 00:54:45,440
experienced anything like that before

1361
00:54:50,309 --> 00:54:46,720
ever

1362
00:54:54,230 --> 00:54:50,319
um and there have been reports

1363
00:54:57,510 --> 00:54:54,240

of a bigfoot uh very close by

1364

00:55:00,309 --> 00:54:57,520

uh so i don't

1365

00:55:01,829 --> 00:55:00,319

doubt that at all you know i know people

1366

00:55:03,430 --> 00:55:01,839

that

1367

00:55:05,430 --> 00:55:03,440

you know within five minutes you're at

1368

00:55:09,589 --> 00:55:05,440

their house and they say they've seen

1369

00:55:12,549 --> 00:55:09,599

bigfoot on their property you know so

1370

00:55:12,950 --> 00:55:12,559

i think they're a lot closer than some

1371

00:55:15,510 --> 00:55:12,960

people

1372

00:55:16,470 --> 00:55:15,520

might might think oh absolutely i think

1373

00:55:18,710 --> 00:55:16,480

that's right

1374

00:55:20,150 --> 00:55:18,720

i couldn't agree i couldn't agree more

1375

00:55:22,789 --> 00:55:20,160

as a matter of fact

1376

00:55:23,750 --> 00:55:22,799

one of my future projects is to put

1377

00:55:26,789 --> 00:55:23,760

together

1378

00:55:28,549 --> 00:55:26,799

a sightings database where sightings are

1379

00:55:32,390 --> 00:55:28,559

occurring within only three to

1380

00:55:34,870 --> 00:55:32,400

three my three to five miles of

1381

00:55:35,750 --> 00:55:34,880

everyday civilization you know stores

1382

00:55:39,109 --> 00:55:35,760

intersections

1383

00:55:42,069 --> 00:55:39,119

you know busy roads right

1384

00:55:42,710 --> 00:55:42,079

yeah this and this thing my point was

1385

00:55:46,630 --> 00:55:42,720

this thing

1386

00:55:47,510 --> 00:55:46,640

i don't know why um there's a little bit

1387

00:55:51,109 --> 00:55:47,520

of me

1388

00:55:54,150 --> 00:55:51,119

that associates it with sasquatch

1389

00:55:57,829 --> 00:55:54,160

and i don't know why i mean i didn't

1390

00:55:59,750 --> 00:55:57,839

hear anything you know any gra there

1391

00:56:02,950 --> 00:55:59,760

wasn't any rock throwing or

1392

00:56:05,430 --> 00:56:02,960

any of the typical behaviors

1393

00:56:06,309 --> 00:56:05,440

and i certainly didn't see anything but

1394

00:56:10,870 --> 00:56:06,319

there's this like

1395

00:56:13,510 --> 00:56:10,880

weird subconscious nagging nudging thing

1396

00:56:13,990 --> 00:56:13,520

that tells me that and i'm not saying

1397

00:56:20,950 --> 00:56:14,000

that

1398

00:56:24,710 --> 00:56:20,960

it's what what happened and i'm just

1399

00:56:26,789 --> 00:56:24,720

relaying the experience well

1400

00:56:29,109 --> 00:56:26,799

dan and reagan i want to thank you both

1401

00:56:31,349 --> 00:56:29,119

for joining me on this show

1402

00:56:33,510 --> 00:56:31,359

i think i'm gonna do more of this have

1403

00:56:37,829 --> 00:56:33,520

these theme shows like this

1404

00:56:40,150 --> 00:56:37,839

and just bring regular

1405

00:56:41,270 --> 00:56:40,160

enthusiasts to whatever crypt that we're

1406

00:56:44,549 --> 00:56:41,280

talking about

1407

00:56:46,150 --> 00:56:44,559

to come on in and present their evidence

1408

00:56:47,990 --> 00:56:46,160

and their cases

1409

00:56:49,190 --> 00:56:48,000

maybe this is something that will will

1410

00:56:51,510 --> 00:56:49,200

keep going again

1411

00:56:52,549 --> 00:56:51,520

thank you both for coming on the show oh

1412

00:56:55,990 --> 00:56:52,559

wow thank you

1413

00:56:58,309 --> 00:56:56,000

very much thank you ron okay

1414

00:56:59,910 --> 00:56:58,319

now i want to talk about a three-day

1415

00:57:03,270 --> 00:56:59,920

event that's coming up on

1416

00:57:06,470 --> 00:57:03,280

may 31st to june the 2nd

1417

00:57:07,270 --> 00:57:06,480

of this year it's it's titled the

1418

00:57:11,750 --> 00:57:07,280

bigfoot

1419

00:57:14,870 --> 00:57:11,760

camping adventure and it's going to be

1420

00:57:18,390 --> 00:57:14,880

out in fayette county pennsylvania

1421

00:57:23,589 --> 00:57:18,400

you can find the website

1422

00:57:25,670 --> 00:57:23,599

at pabigfootcampingadventure.com

1423

00:57:27,109 --> 00:57:25,680

and i tell you this is going to be the

1424

00:57:33,030 --> 00:57:27,119

event of the year

1425

00:57:38,390 --> 00:57:36,630

eric altman is is the person running the

1426

00:57:41,750 --> 00:57:38,400

show on this and he had

1427

00:57:44,230 --> 00:57:41,760

two other two other events

1428

00:57:45,109 --> 00:57:44,240

two years well one three years ago one

1429

00:57:48,390 --> 00:57:45,119

two years ago

1430

00:57:50,710 --> 00:57:48,400

and we skipped last year but it's coming

1431

00:57:52,390 --> 00:57:50,720

back this year and i'm going to tell you

1432

00:57:55,910 --> 00:57:52,400

you don't want to miss it

1433

00:57:59,589 --> 00:57:55,920

uh some of the guests dr jeffrey meldrum

1434

00:58:03,349 --> 00:57:59,599

cliff barrackman the ames team

1435

00:58:08,549 --> 00:58:03,359

ken gerhart bill brock then there's stan

1436

00:58:11,670 --> 00:58:08,559

gordon david weatherly seth breedlove

1437

00:58:14,870 --> 00:58:14,069

jay picoche and his son rose marielle

1438

00:58:18,150 --> 00:58:14,880

and guyley

1439

00:58:19,349 --> 00:58:18,160

rick fisher as well the phantoms and

1440

00:58:23,190 --> 00:58:19,359

monsters 14

1441

00:58:26,309 --> 00:58:23,200

research team butch witkowski

1442

00:58:28,470 --> 00:58:26,319

shawn forker and myself will be there

1443

00:58:29,990 --> 00:58:28,480

there are going to be a lot of different

1444

00:58:32,630 --> 00:58:30,000

guest

1445

00:58:34,230 --> 00:58:32,640

speakers uh it's going to be a

1446

00:58:37,270 --> 00:58:34,240

fun-filled weekend so

1447

00:58:40,750 --> 00:58:37,280

i'm going to tell you again the website

1448

00:58:47,589 --> 00:58:43,109

pabigfootcampingadventure.com

1449

00:58:49,750 --> 00:58:47,599

get your tickets make your plans

1450

00:58:51,190 --> 00:58:49,760

the hotel rooms are going quick so if

1451

00:58:54,309 --> 00:58:51,200

you plan on being there i

1452

00:58:55,430 --> 00:58:54,319

i suggest you you get on the ball as

1453

00:58:56,950 --> 00:58:55,440

quick as possible

1454

00:58:59,349 --> 00:58:56,960

because this is going to be the event of

1455

00:59:03,270 --> 00:58:59,359

the year

1456

00:59:05,910 --> 00:59:03,280

now listeners can show their support for

1457

00:59:08,950 --> 00:59:05,920

arcane radio by becoming a patron

1458

00:59:11,829 --> 00:59:08,960

simply go to phantomsmonsters.com

1459

00:59:13,190 --> 00:59:11,839

and click the podbean patron banner

1460

00:59:16,549 --> 00:59:13,200

arcane radio also

1461

00:59:18,309 --> 00:59:16,559

accepts direct donations now if you have

1462

00:59:20,789 --> 00:59:18,319

an unexplained encounter on sighting

1463

00:59:23,109 --> 00:59:20,799

feel free to contact me through the

1464

00:59:25,349 --> 00:59:23,119

phantoms of monsters blog site

1465

00:59:27,750 --> 00:59:25,359

i want to again thank dan maslek and

1466

00:59:29,829 --> 00:59:27,760

reagan lee for joining me this evening

1467

00:59:30,789 --> 00:59:29,839

and want to thank you for listening to

1468

00:59:58,829 --> 00:59:30,799

the show

1469

01:00:19,640 --> 01:00:12,829

so
