

ARCANE RADIO 
Exploring the Unexplained 

January 22nd, 2021
@ 9PM Eastern

Your Host
Lon Strickler

With Guest
Dave Scott

Dave Scott, Host of 'Spaced Out Radio' - Friday, January 22nd, 2021

1
00:00:04,870 --> 00:00:04,070

[Music]

2
00:00:08,310 --> 00:00:04,880

the oldest

3
00:00:10,470 --> 00:00:08,320

and strongest human emotion is fear

4
00:00:11,509 --> 00:00:10,480

and the oldest and strongest type of

5
00:00:14,709 --> 00:00:11,519

fear

6
00:00:17,109 --> 00:00:14,719

is trepidation of the unknown

7
00:00:20,550 --> 00:00:17,119

when we were children our parents told

8
00:00:23,029 --> 00:00:20,560

us that monsters didn't exist

9
00:00:26,230 --> 00:00:23,039

but we were sure that something was

10
00:00:30,790 --> 00:00:26,240

lurking under the bed or in the closet

11
00:00:33,830 --> 00:00:30,800

fear sees even if our eyes are closed

12
00:00:37,030 --> 00:00:33,840

welcome to the realm of the arcane

13
00:00:37,670 --> 00:00:37,040

my name is lon strickler join me as i

14

00:00:40,150 --> 00:00:37,680

examine

15

00:00:44,549 --> 00:00:40,160

unexplained creatures strange

16

00:00:47,510 --> 00:00:44,559

manifestations of remarkable realities

17

00:00:50,150 --> 00:00:47,520

imagine this next hour as a voyage of

18

00:00:53,189 --> 00:00:50,160

discovery to strange lands

19

00:00:55,750 --> 00:00:53,199

seeking not for new territory but for

20

00:00:58,549 --> 00:00:55,760

new knowledge of the supernatural

21

00:00:59,920 --> 00:00:58,559

come on board as we begin this adventure

22

00:01:04,229 --> 00:00:59,930

together

23

00:01:08,469 --> 00:01:06,550

hey folks good evening and welcome to

24

00:01:10,550 --> 00:01:08,479

another episode of walking radio where

25

00:01:13,429 --> 00:01:10,560

we explore the unexplained

26
00:01:14,630 --> 00:01:13,439
live on beyond explanation i'm your host

27
00:01:17,030 --> 00:01:14,640
lon strickler

28
00:01:19,990 --> 00:01:17,040
coming to you from the spectral shadows

29
00:01:22,550 --> 00:01:20,000
of gettysburg pennsylvania

30
00:01:23,510 --> 00:01:22,560
uh now i did want to mention uh i i've

31
00:01:26,630 --> 00:01:23,520
had a lot of

32
00:01:30,069 --> 00:01:26,640
folks asking about the uh

33
00:01:33,670 --> 00:01:30,079
chicago lake michigan mothman

34
00:01:36,630 --> 00:01:33,680
map well as many of you know about

35
00:01:37,990 --> 00:01:36,640
five or six months ago it got i don't

36
00:01:39,030 --> 00:01:38,000
know it got trashed i don't know what

37
00:01:42,389 --> 00:01:39,040
happened to it

38
00:01:43,670 --> 00:01:42,399

google lost it so i spent a couple

39

00:01:47,510 --> 00:01:43,680

nights this week

40

00:01:50,550 --> 00:01:47,520

uh reconstituting it so it's it is now

41

00:01:53,590 --> 00:01:50,560

back up and if you want to look at it

42

00:01:57,510 --> 00:01:53,600

you can go to the go to my blog

43

00:01:58,950 --> 00:01:57,520

and the link the links are there so um

44

00:02:00,789 --> 00:01:58,960

go ahead and check it out it's a little

45

00:02:02,310 --> 00:02:00,799

different before but i think it's

46

00:02:04,789 --> 00:02:02,320

uh i think it's a little bit better

47

00:02:09,190 --> 00:02:04,799

actually than it was before

48

00:02:11,830 --> 00:02:09,200

so tonight i welcome spaced out radio

49

00:02:14,550 --> 00:02:11,840

host and supernatural experienter dave

50

00:02:16,550 --> 00:02:14,560

scott dark and radio now dave

51
00:02:18,550 --> 00:02:16,560
is the creator and host of spaced out

52
00:02:18,949 --> 00:02:18,560
radio that is presented seven nights a

53
00:02:21,510 --> 00:02:18,959
week

54
00:02:23,030 --> 00:02:21,520
on youtube and the spaced out radio

55
00:02:25,110 --> 00:02:23,040
website

56
00:02:27,270 --> 00:02:25,120
spaced out radio is an entertaining

57
00:02:29,589 --> 00:02:27,280
online radio program and website

58
00:02:30,710 --> 00:02:29,599
dedicated to talking about intriguing

59
00:02:34,150 --> 00:02:30,720
topics

60
00:02:35,270 --> 00:02:34,160
from ufos to paranormal to sasquatch and

61
00:02:38,150 --> 00:02:35,280
more

62
00:02:39,110 --> 00:02:38,160
a former radio journalist dave graduated

63
00:02:41,750 --> 00:02:39,120

with a diploma

64

00:02:42,949 --> 00:02:41,760

in broadcast communication one of

65

00:02:46,150 --> 00:02:42,959

canada's top

66

00:02:49,750 --> 00:02:46,160

broadcasting schools bcit

67

00:02:50,070 --> 00:02:49,760

in 1998. now dave then spent nearly 10

68

00:02:54,150 --> 00:02:50,080

years

69

00:02:55,990 --> 00:02:54,160

in radio mostly working in sports before

70

00:02:58,710 --> 00:02:56,000

leaving the field and pursuing other

71

00:03:01,910 --> 00:02:58,720

interests dave's personal question to

72

00:03:04,309 --> 00:03:01,920

the unknown started december 2011

73

00:03:05,270 --> 00:03:04,319

when he had contact from what he calls

74

00:03:08,149 --> 00:03:05,280

the angel

75

00:03:09,350 --> 00:03:08,159

of death that he saw in his mother's

76

00:03:11,270 --> 00:03:09,360

eyes

77

00:03:12,550 --> 00:03:11,280

which led to his first channeling

78

00:03:14,869 --> 00:03:12,560

experience

79

00:03:16,830 --> 00:03:14,879

now after this incident dave's personal

80

00:03:19,430 --> 00:03:16,840

experiences started becoming more

81

00:03:20,550 --> 00:03:19,440

frequent premonitions started coming

82

00:03:22,390 --> 00:03:20,560

true

83

00:03:25,030 --> 00:03:22,400

a bigfoot sighting with two of the

84

00:03:27,910 --> 00:03:25,040

creatures within 100 feet of him

85

00:03:28,550 --> 00:03:27,920

ufos started appearing anytime he wanted

86

00:03:32,949 --> 00:03:28,560

even though

87

00:03:34,309 --> 00:03:32,959

dave had no idea what something was

88

00:03:36,789 --> 00:03:34,319

personal settings of five

89

00:03:39,750 --> 00:03:36,799

extraterrestrial species

90

00:03:43,190 --> 00:03:39,760

one that he is nicknamed carl on

91

00:03:44,309 --> 00:03:43,200

november 30th 2014 dave launched spaced

92

00:03:47,190 --> 00:03:44,319

out radio

93

00:03:48,470 --> 00:03:47,200

of which we are all grateful for so dave

94

00:03:51,030 --> 00:03:48,480

my friend

95

00:03:52,070 --> 00:03:51,040

thanks for coming on the show lon it's

96

00:03:54,630 --> 00:03:52,080

always a pleasure

97

00:03:55,830 --> 00:03:54,640

to be in the presence of someone like

98

00:03:57,429 --> 00:03:55,840

yourself and

99

00:03:58,869 --> 00:03:57,439

you know the one thing over the years

100

00:04:02,070 --> 00:03:58,879

that i have noticed is

101
00:04:04,710 --> 00:04:02,080
yourself and butch witkowski have

102
00:04:05,990 --> 00:04:04,720
really treated me very well with spaced

103
00:04:08,630 --> 00:04:06,000
out radio

104
00:04:10,789 --> 00:04:08,640
and i cannot thank you enough for being

105
00:04:11,830 --> 00:04:10,799
not only a friend but a mentor in this

106
00:04:14,710 --> 00:04:11,840
business

107
00:04:16,550 --> 00:04:14,720
well the feeling's mutual man and i

108
00:04:17,830 --> 00:04:16,560
appreciate it anytime you ask me to come

109
00:04:21,990 --> 00:04:17,840
on

110
00:04:25,030 --> 00:04:22,000
and uh you know well let me ask you this

111
00:04:27,270 --> 00:04:25,040
how's it covered situation up your way

112
00:04:28,390 --> 00:04:27,280
our little town where i live in is

113
00:04:31,110 --> 00:04:28,400

starting to get

114

00:04:31,670 --> 00:04:31,120

beat up pretty bad uh pretty big right

115

00:04:34,710 --> 00:04:31,680

now

116

00:04:38,310 --> 00:04:34,720

of 1800

117

00:04:41,909 --> 00:04:38,320

so when i think there's like 54 cases

118

00:04:43,909 --> 00:04:41,919

in town right now so it is uh it is

119

00:04:46,950 --> 00:04:43,919

starting to take effect here

120

00:04:49,510 --> 00:04:46,960

you know but right across canada there

121

00:04:51,350 --> 00:04:49,520

there is quite a bit of covid happening

122

00:04:54,830 --> 00:04:51,360

and and my cousin

123

00:04:57,909 --> 00:04:54,840

who is a doctor he is literally

124

00:05:00,550 --> 00:04:57,919

um lectured all over the world

125

00:05:02,150 --> 00:05:00,560

talking about infectious diseases and i

126

00:05:03,270 --> 00:05:02,160

always used to tease him about being a

127

00:05:06,870 --> 00:05:03,280

disease geek

128

00:05:10,390 --> 00:05:06,880

and now you know i don't read them

129

00:05:13,110 --> 00:05:10,400

the media or the newspapers or or online

130

00:05:16,550 --> 00:05:13,120

about covet if i have any questions

131

00:05:16,950 --> 00:05:16,560

i go to him uh i have not contacted it

132

00:05:20,230 --> 00:05:16,960

yet

133

00:05:23,430 --> 00:05:20,240

i know people who have contacted it

134

00:05:25,590 --> 00:05:23,440

i'm not a covid denier however i will

135

00:05:28,870 --> 00:05:25,600

say i do have some questions

136

00:05:30,629 --> 00:05:28,880

that don't make sense and you know but

137

00:05:32,629 --> 00:05:30,639

we all got to be careful

138

00:05:35,110 --> 00:05:32,639

we all have to take care of each other i

139

00:05:37,749 --> 00:05:35,120

hate wearing that stupid mask

140

00:05:39,270 --> 00:05:37,759

but i put it on because it's not for me

141

00:05:41,510 --> 00:05:39,280

it's for other people

142

00:05:43,430 --> 00:05:41,520

and i just would love one day to get my

143

00:05:44,710 --> 00:05:43,440

questions answered i don't think we'll

144

00:05:46,950 --> 00:05:44,720

ever be able to

145

00:05:48,390 --> 00:05:46,960

but the sooner the better that we get

146

00:05:50,629 --> 00:05:48,400

this crap out of here

147

00:05:53,830 --> 00:05:50,639

that way because i'm dying for a trip to

148

00:05:56,230 --> 00:05:53,840

vegas man dying for a trip to vegas

149

00:05:57,110 --> 00:05:56,240

and i haven't been there in almost five

150

00:06:00,230 --> 00:05:57,120

years and

151

00:06:02,150 --> 00:06:00,240

it's time to go back yeah i'm with you

152

00:06:03,990 --> 00:06:02,160

on that i hadn't been there since oh my

153

00:06:07,990 --> 00:06:04,000

lord 94.

154

00:06:09,830 --> 00:06:08,000

so yeah and i used to go there a lot

155

00:06:11,029 --> 00:06:09,840

but uh i don't know that's what happens

156

00:06:14,150 --> 00:06:11,039

you get old i guess

157

00:06:17,430 --> 00:06:14,160

anyway uh yeah i have lost several

158

00:06:20,950 --> 00:06:17,440

friends with this cobot i mean

159

00:06:21,350 --> 00:06:20,960

you know it's uh and talking into them

160

00:06:24,870 --> 00:06:21,360

and

161

00:06:27,749 --> 00:06:24,880

experienced it's

162

00:06:29,270 --> 00:06:27,759

it's pretty weird it's pretty bad and uh

163

00:06:30,309 --> 00:06:29,280

you know i'm on one of those covered

164

00:06:33,430 --> 00:06:30,319

diets you know

165

00:06:36,710 --> 00:06:33,440

less money less crap you can eat so

166

00:06:39,189 --> 00:06:36,720

you know that's what i'm at right now

167

00:06:41,029 --> 00:06:39,199

uh luckily it hasn't really been too bad

168

00:06:43,830 --> 00:06:41,039

in my area

169

00:06:45,510 --> 00:06:43,840

but uh you know it has definitely

170

00:06:48,950 --> 00:06:45,520

increased recently and

171

00:06:49,749 --> 00:06:48,960

uh i'm just i'm just waiting for the

172

00:06:52,469 --> 00:06:49,759

vaccine

173

00:06:54,790 --> 00:06:52,479

and uh well my son and i because my son

174

00:06:57,990 --> 00:06:54,800

actually works in the grocery store

175

00:07:00,150 --> 00:06:58,000

so of course he's on the top list

176
00:07:02,790 --> 00:07:00,160
and uh you know we're waiting for that

177
00:07:03,909 --> 00:07:02,800
stuff to get here so we'll have to wait

178
00:07:06,790 --> 00:07:03,919
and see

179
00:07:07,270 --> 00:07:06,800
oh for sure and it's really really put a

180
00:07:11,350 --> 00:07:07,280
crimp

181
00:07:11,990 --> 00:07:11,360
on on the paranormal this past year with

182
00:07:14,710 --> 00:07:12,000
all the

183
00:07:16,150 --> 00:07:14,720
conferences being shut down and i

184
00:07:17,749 --> 00:07:16,160
actually had three three

185
00:07:19,270 --> 00:07:17,759
places i was supposed to be which is

186
00:07:21,110 --> 00:07:19,280
high for me

187
00:07:22,790 --> 00:07:21,120
to be you know i was booked to be at

188
00:07:23,990 --> 00:07:22,800

this past year of course that didn't

189

00:07:26,550 --> 00:07:24,000

work out

190

00:07:27,589 --> 00:07:26,560

so uh well we'll have to wait and see i

191

00:07:30,230 --> 00:07:27,599

think it's gonna be

192

00:07:31,670 --> 00:07:30,240

causing problems up until maybe late

193

00:07:34,150 --> 00:07:31,680

this year

194

00:07:35,110 --> 00:07:34,160

well we're we're going to see and i mean

195

00:07:37,990 --> 00:07:35,120

i could go down an

196

00:07:40,070 --> 00:07:38,000

entire road with that uh you know just

197

00:07:42,870 --> 00:07:40,080

with my own personal thoughts and

198

00:07:45,110 --> 00:07:42,880

agendas and i don't have enough tinfoil

199

00:07:49,270 --> 00:07:45,120

for that one but

200

00:07:53,270 --> 00:07:49,280

but uh you know i i'll say this

201
00:07:54,869 --> 00:07:53,280

i i think it's scary

202
00:07:56,629 --> 00:07:54,879

where i don't know if it's happening in

203
00:07:58,869 --> 00:07:56,639

the united states but

204
00:08:01,029 --> 00:07:58,879

it's happening here in my community and

205
00:08:04,390 --> 00:08:01,039

around canada

206
00:08:06,790 --> 00:08:04,400

i think it's real scary when

207
00:08:08,230 --> 00:08:06,800

people are calling the police or the

208
00:08:11,110 --> 00:08:08,240

newspapers

209
00:08:12,469 --> 00:08:11,120

to report businesses that they feel are

210
00:08:16,390 --> 00:08:12,479

not

211
00:08:18,469 --> 00:08:16,400

protocol

212
00:08:20,469 --> 00:08:18,479

because here's the thing nobody really

213
00:08:23,430 --> 00:08:20,479

knows what the proper protocol

214

00:08:24,309 --> 00:08:23,440

is we just hear the the the up here we

215

00:08:26,230 --> 00:08:24,319

hear the

216

00:08:27,909 --> 00:08:26,240

the you know you got to have a mask to

217

00:08:29,589 --> 00:08:27,919

go in everywhere but you know there are

218

00:08:31,589 --> 00:08:29,599

people who are exempt from the mask

219

00:08:35,269 --> 00:08:31,599

children are exempt from the mask

220

00:08:36,469 --> 00:08:35,279

you know and and so i know for one of my

221

00:08:39,509 --> 00:08:36,479

biggest concerns

222

00:08:43,350 --> 00:08:39,519

is when you have society

223

00:08:44,550 --> 00:08:43,360

ratting out people the one thing that

224

00:08:48,150 --> 00:08:44,560

our society

225

00:08:48,630 --> 00:08:48,160

especially as we we move away from world

226

00:08:52,310 --> 00:08:48,640

war

227

00:08:55,829 --> 00:08:52,320

ii our society really

228

00:08:59,110 --> 00:08:55,839

hasn't given two cares about history

229

00:09:01,430 --> 00:08:59,120

and that's true and

230

00:09:03,590 --> 00:09:01,440

i know it seems like a long reach and

231

00:09:04,870 --> 00:09:03,600

some people may be upset with me by

232

00:09:07,430 --> 00:09:04,880

saying this

233

00:09:08,949 --> 00:09:07,440

but but i will say this when when kovid

234

00:09:12,150 --> 00:09:08,959

became political

235

00:09:15,590 --> 00:09:12,160

we were in trouble when pokovid

236

00:09:18,550 --> 00:09:15,600

or pardon me when the masks became

237

00:09:19,350 --> 00:09:18,560

fashion statements we were in real

238

00:09:22,550 --> 00:09:19,360

trouble

239

00:09:25,350 --> 00:09:22,560

but third if you go back in history to

240

00:09:28,150 --> 00:09:25,360

some of the darkest times on this planet

241

00:09:29,590 --> 00:09:28,160

it all started with citizens telling on

242

00:09:32,630 --> 00:09:29,600

other citizens

243

00:09:36,230 --> 00:09:32,640

to the police to to the military

244

00:09:36,949 --> 00:09:36,240

to everybody and seeing that happen and

245

00:09:39,190 --> 00:09:36,959

being a

246

00:09:40,230 --> 00:09:39,200

fan of like i'm not a fan of ancient

247

00:09:43,190 --> 00:09:40,240

history but

248

00:09:44,470 --> 00:09:43,200

of recent history say the last 100 200

249

00:09:47,190 --> 00:09:44,480

years

250

00:09:47,990 --> 00:09:47,200

it's scary to me because this could

251
00:09:51,670 --> 00:09:48,000
really turn

252
00:09:52,790 --> 00:09:51,680
ugly i hope it doesn't i don't think it

253
00:09:55,590 --> 00:09:52,800
will

254
00:09:56,949 --> 00:09:55,600
but when you have your own citizens

255
00:10:01,190 --> 00:09:56,959
calling you in

256
00:10:04,710 --> 00:10:01,200
on things that's where

257
00:10:08,710 --> 00:10:04,720
things can get real ugly real fast if we

258
00:10:10,470 --> 00:10:08,720
the the the free and people with a vote

259
00:10:12,310 --> 00:10:10,480
don't start paying attention to what's

260
00:10:14,630 --> 00:10:12,320
going on

261
00:10:16,150 --> 00:10:14,640
well i i agree with you on that i mean

262
00:10:18,710 --> 00:10:16,160
that's not good

263
00:10:19,590 --> 00:10:18,720

and uh we do have some of that around

264

00:10:23,509 --> 00:10:19,600

here

265

00:10:26,310 --> 00:10:23,519

not as much but uh i i'm i'd say

266

00:10:26,790 --> 00:10:26,320

in more progressive areas that may

267

00:10:28,069 --> 00:10:26,800

happen

268

00:10:29,990 --> 00:10:28,079

i definitely do not live in a

269

00:10:33,590 --> 00:10:30,000

progressive area you know

270

00:10:35,590 --> 00:10:33,600

this is probably as red here around

271

00:10:36,870 --> 00:10:35,600

south central pennsylvania than most

272

00:10:40,710 --> 00:10:36,880

places

273

00:10:41,590 --> 00:10:40,720

and uh you know i know my son gets up so

274

00:10:43,990 --> 00:10:41,600

he works in

275

00:10:45,910 --> 00:10:44,000

that grocery store and he of course he's

276

00:10:47,110 --> 00:10:45,920

been wearing the mask and the gloves

277

00:10:50,150 --> 00:10:47,120

actually

278

00:10:51,509 --> 00:10:50,160

and uh he gets upset when people come in

279

00:10:54,389 --> 00:10:51,519

there without it

280

00:10:54,870 --> 00:10:54,399

the mask and stuff but i don't know you

281

00:10:58,069 --> 00:10:54,880

know i

282

00:10:59,670 --> 00:10:58,079

i tell them just don't just don't get

283

00:11:02,710 --> 00:10:59,680

people around i just try to

284

00:11:04,230 --> 00:11:02,720

keep yourself as safe as possible well

285

00:11:05,829 --> 00:11:04,240

i'm going to tell you one more thing

286

00:11:06,710 --> 00:11:05,839

because i was talking about this with

287

00:11:11,430 --> 00:11:06,720

someone

288

00:11:13,670 --> 00:11:11,440

earlier today you know

289

00:11:14,630 --> 00:11:13,680

when it comes to what helps of what

290

00:11:17,190 --> 00:11:14,640

doesn't we

291

00:11:18,550 --> 00:11:17,200

we do know that vitamin c and vitamin d

292

00:11:20,470 --> 00:11:18,560

work

293

00:11:23,190 --> 00:11:20,480

and i was talking to my doctor about

294

00:11:26,870 --> 00:11:23,200

this because in 2019

295

00:11:30,310 --> 00:11:26,880

from april 2019 until the end of august

296

00:11:31,190 --> 00:11:30,320

of that year i had bronchitis could not

297

00:11:35,269 --> 00:11:31,200

shake it

298

00:11:38,790 --> 00:11:38,069

i was on three different puffers i was

299

00:11:45,509 --> 00:11:38,800

on

300

00:11:49,030 --> 00:11:45,519

was working and

301
00:11:52,629 --> 00:11:49,040
i'm not a big naturopath kind of guy

302
00:11:54,790 --> 00:11:52,639
and so but i got so frustrated with my

303
00:11:57,110 --> 00:11:54,800
medicine not working

304
00:11:58,550 --> 00:11:57,120
that i actually went online and went to

305
00:12:00,310 --> 00:11:58,560
one of these naturopath

306
00:12:01,829 --> 00:12:00,320
healing sites i couldn't even tell you

307
00:12:04,629 --> 00:12:01,839
what the website is

308
00:12:06,150 --> 00:12:04,639
and they had a list of the top 10

309
00:12:08,949 --> 00:12:06,160
healing items

310
00:12:11,030 --> 00:12:08,959
you know for natural regression of

311
00:12:13,990 --> 00:12:11,040
bronchitis

312
00:12:15,269 --> 00:12:14,000
and first one i read was hot tea and

313
00:12:17,030 --> 00:12:15,279

lemon

314

00:12:18,949 --> 00:12:17,040

and i said well i'm gonna throw that

315

00:12:21,430 --> 00:12:18,959

garbage out because after

316

00:12:23,190 --> 00:12:21,440

this long in radio i know it works for a

317

00:12:25,670 --> 00:12:23,200

voice and hot tea and lemon

318

00:12:27,269 --> 00:12:25,680

or honey and lemon does not work at

319

00:12:29,430 --> 00:12:27,279

least for me

320

00:12:31,269 --> 00:12:29,440

you know and then i scrolled down a

321

00:12:33,670 --> 00:12:31,279

couple of more i'm like this is bs

322

00:12:37,030 --> 00:12:33,680

that's garbage and then it got to number

323

00:12:39,030 --> 00:12:37,040

five where it said capsicum

324

00:12:40,870 --> 00:12:39,040

okay now for people who don't know what

325

00:12:44,069 --> 00:12:40,880

capsicum is

326

00:12:46,870 --> 00:12:44,079

it's the spice inside the heat

327

00:12:47,430 --> 00:12:46,880

of peppers from habanero peppers on up

328

00:12:51,590 --> 00:12:47,440

to

329

00:12:54,069 --> 00:12:51,600

carolina reaper peppers and

330

00:12:56,150 --> 00:12:54,079

what the the capsicum does when it

331

00:12:59,350 --> 00:12:56,160

enters your system

332

00:13:01,509 --> 00:12:59,360

is you know if you anybody eats anything

333

00:13:04,790 --> 00:13:01,519

hot and spicy

334

00:13:08,389 --> 00:13:04,800

it cleans your lungs and

335

00:13:10,790 --> 00:13:08,399

it burns the mucous lining of your lungs

336

00:13:12,150 --> 00:13:10,800

which is why when you eat spicy food

337

00:13:14,310 --> 00:13:12,160

your nose

338

00:13:16,470 --> 00:13:14,320

gets runny and usually you ha like

339

00:13:18,310 --> 00:13:16,480

you're in a hot wings competition

340

00:13:20,310 --> 00:13:18,320

you're usually blowing your nose a lot

341

00:13:23,350 --> 00:13:20,320

well that's all the mucus

342

00:13:27,110 --> 00:13:23,360

that's coming up from your lungs

343

00:13:28,790 --> 00:13:27,120

and so me having a little bit of a hot

344

00:13:30,150 --> 00:13:28,800

sauce addiction that i do

345

00:13:31,990 --> 00:13:30,160

i said you know what i'm gonna do

346

00:13:36,790 --> 00:13:32,000

something stupid here

347

00:13:38,790 --> 00:13:36,800

and i started taking capsicum

348

00:13:41,350 --> 00:13:38,800

and i i would take hot sauce and i

349

00:13:44,230 --> 00:13:41,360

poured it into a teaspoon in the morning

350

00:13:45,910 --> 00:13:44,240

shove it down let it burn down my throat

351
00:13:47,110 --> 00:13:45,920
you know for a couple of minutes as long

352
00:13:49,269 --> 00:13:47,120
as i could take it

353
00:13:51,509 --> 00:13:49,279
and then quickly run and grab some milk

354
00:13:53,750 --> 00:13:51,519
and i did that morning night and one

355
00:13:57,990 --> 00:13:53,760
time i did it in the afternoon

356
00:14:00,629 --> 00:13:58,000
and in five days my bronchitis was gone

357
00:14:02,710 --> 00:14:00,639
and so i started talking to my doctor

358
00:14:05,030 --> 00:14:02,720
about this because of my daytime work

359
00:14:06,310 --> 00:14:05,040
my doctor i'm a client of his he's a

360
00:14:09,030 --> 00:14:06,320
client of mine

361
00:14:10,230 --> 00:14:09,040
and he came in one day and i said he

362
00:14:12,150 --> 00:14:10,240
goes how are you

363
00:14:13,350 --> 00:14:12,160

doing with the whole covid thing this is

364

00:14:16,790 --> 00:14:13,360

before masks

365

00:14:19,990 --> 00:14:16,800

became mandatory and i said i feel great

366

00:14:20,550 --> 00:14:20,000

i said i am taking capsicum i eat hot

367

00:14:23,910 --> 00:14:20,560

sauce

368

00:14:25,509 --> 00:14:23,920

every day and i'm taking vitamin d and

369

00:14:28,790 --> 00:14:25,519

i'm taking vitamin c

370

00:14:31,350 --> 00:14:28,800

he goes capsicum he goes wonderful

371

00:14:33,350 --> 00:14:31,360

he goes you know what he goes if you're

372

00:14:34,389 --> 00:14:33,360

taking capsicum with vitamin c and

373

00:14:36,629 --> 00:14:34,399

vitamin d

374

00:14:38,790 --> 00:14:36,639

he goes the chances of you getting covid

375

00:14:42,550 --> 00:14:38,800

are slim to none

376

00:14:46,230 --> 00:14:42,560

slim to none and i went really

377

00:14:49,030 --> 00:14:46,240

and he goes yes he goes just keep it up

378

00:14:50,790 --> 00:14:49,040

and yet okay it worked for me not

379

00:14:53,030 --> 00:14:50,800

everything works for everybody what

380

00:14:54,710 --> 00:14:53,040

what is good for me may not be good for

381

00:14:56,150 --> 00:14:54,720

you or people in your audience or

382

00:14:58,790 --> 00:14:56,160

anything like that

383

00:14:59,590 --> 00:14:58,800

you know but here here's my thinking

384

00:15:02,470 --> 00:14:59,600

through this whole

385

00:15:04,629 --> 00:15:02,480

covid thing we haven't heard about

386

00:15:07,509 --> 00:15:04,639

capsicum once

387

00:15:09,189 --> 00:15:07,519

because what capsicum does or pardon me

388

00:15:12,230 --> 00:15:09,199

what covid19

389

00:15:15,430 --> 00:15:12,240

what pneumonia and what sars

390

00:15:17,910 --> 00:15:15,440

and bronchitis is is that forms with

391

00:15:20,310 --> 00:15:17,920

inside your lungs

392

00:15:22,550 --> 00:15:20,320

with a thick mucous lining and the

393

00:15:24,790 --> 00:15:22,560

mucous lining gets thicker and thicker

394

00:15:27,670 --> 00:15:24,800

to the point where you cannot breathe

395

00:15:29,910 --> 00:15:27,680

as the infection takes over what does

396

00:15:33,110 --> 00:15:29,920

capsicum do

397

00:15:35,590 --> 00:15:33,120

it cleans your lungs

398

00:15:37,350 --> 00:15:35,600

therefore if you're cleaning your lungs

399

00:15:40,150 --> 00:15:37,360

on a daily basis

400

00:15:41,910 --> 00:15:40,160

you are not going to or or these

401
00:15:44,389 --> 00:15:41,920
diseases for the most part

402
00:15:46,470 --> 00:15:44,399
are not going to have an opportunity to

403
00:15:50,069 --> 00:15:46,480
sit inside your system

404
00:15:52,949 --> 00:15:50,079
now hey like i said i'm not a doctor i

405
00:15:54,710 --> 00:15:52,959
i know what worked for me i'm not if you

406
00:15:56,389 --> 00:15:54,720
want if anybody out there wants to try

407
00:16:00,470 --> 00:15:56,399
it see if it works for him

408
00:16:03,509 --> 00:16:00,480
or her or or whatever go for it

409
00:16:06,790 --> 00:16:03,519
it worked for me i'm sticking with it

410
00:16:10,790 --> 00:16:06,800
and i haven't had it knock on wood yet

411
00:16:13,590 --> 00:16:10,800
and my family has not had it and

412
00:16:15,509 --> 00:16:13,600
hopefully we don't so that's kind of

413
00:16:18,310 --> 00:16:15,519

what i'm what i'm thinking of

414

00:16:20,230 --> 00:16:18,320

you know i kind of went in the same root

415

00:16:25,509 --> 00:16:20,240

you did

416

00:16:28,470 --> 00:16:25,519

uh i had pneumonia back in 2016

417

00:16:30,629 --> 00:16:28,480

and i was in hospital for like a week so

418

00:16:32,389 --> 00:16:30,639

i developed some scar tissue in my lungs

419

00:16:32,949 --> 00:16:32,399

and some other stuff so what i started

420

00:16:34,949 --> 00:16:32,959

doing

421

00:16:36,389 --> 00:16:34,959

and because i'm diabetic i started

422

00:16:39,910 --> 00:16:36,399

taking

423

00:16:43,189 --> 00:16:39,920

5000 units of vitamin d every day

424

00:16:45,910 --> 00:16:43,199

right and i'm i've

425

00:16:46,710 --> 00:16:45,920

always been a hot sauce lover and i eat

426

00:16:50,629 --> 00:16:46,720

it on

427

00:16:52,069 --> 00:16:50,639

everything me too and uh

428

00:16:53,910 --> 00:16:52,079

you know i haven't had any problem i

429

00:16:54,870 --> 00:16:53,920

take zinc too i take a whole bunch of

430

00:16:57,509 --> 00:16:54,880

other stuff

431

00:16:58,389 --> 00:16:57,519

turmeric and all kinds of other things

432

00:17:00,310 --> 00:16:58,399

but uh

433

00:17:01,590 --> 00:17:00,320

you know when this this covered stuff

434

00:17:04,870 --> 00:17:01,600

started

435

00:17:07,270 --> 00:17:04,880

i i definitely stuck to the regime

436

00:17:08,390 --> 00:17:07,280

and and started taking religiously every

437

00:17:11,270 --> 00:17:08,400

day

438

00:17:11,990 --> 00:17:11,280

and uh fortunately i haven't had any

439

00:17:15,510 --> 00:17:12,000

issues

440

00:17:17,270 --> 00:17:15,520

so far and uh i do believe that may has

441

00:17:19,429 --> 00:17:17,280

something to do with it as well

442

00:17:21,750 --> 00:17:19,439

but you're right the capsicum and you

443

00:17:24,470 --> 00:17:21,760

know hot using hot sauce and

444

00:17:25,029 --> 00:17:24,480

chili peppers and that the whole thing

445

00:17:29,190 --> 00:17:25,039

it does

446

00:17:32,310 --> 00:17:29,200

agree with you

447

00:17:34,950 --> 00:17:32,320

everything you said i really do and like

448

00:17:36,789 --> 00:17:34,960

i said it i know it it worked for me

449

00:17:38,390 --> 00:17:36,799

you know and a lot of people will say

450

00:17:41,190 --> 00:17:38,400

well if it is work

451
00:17:42,150 --> 00:17:41,200
if that if that so-called works why why

452
00:17:44,710 --> 00:17:42,160
are peop

453
00:17:46,310 --> 00:17:44,720
is this disease blowing up in mexico or

454
00:17:48,150 --> 00:17:46,320
pakistan or india

455
00:17:50,710 --> 00:17:48,160
where their use or vietnam where they're

456
00:17:53,830 --> 00:17:50,720
used to very spicy foods

457
00:17:55,029 --> 00:17:53,840
you know well our bodies here are

458
00:17:58,950 --> 00:17:55,039
different

459
00:18:01,590 --> 00:17:58,960
everywhere you go

460
00:18:03,669 --> 00:18:01,600
so a person in in vietnam or india is

461
00:18:07,029 --> 00:18:03,679
going to have a different immune system

462
00:18:08,710 --> 00:18:07,039
than you or i have here in north america

463
00:18:10,789 --> 00:18:08,720

and their body is going to react

464

00:18:15,110 --> 00:18:10,799

different so

465

00:18:17,750 --> 00:18:15,120

you're able to to um

466

00:18:19,990 --> 00:18:17,760

you know like i said what works for me

467

00:18:21,990 --> 00:18:20,000

may not work for anybody else

468

00:18:23,430 --> 00:18:22,000

everybody is different i just know

469

00:18:25,590 --> 00:18:23,440

what's working for me

470

00:18:27,350 --> 00:18:25,600

and i feel great i mean i could probably

471

00:18:29,750 --> 00:18:27,360

lose about 40 pounds

472

00:18:31,830 --> 00:18:29,760

that's for sure you know well i'm on

473

00:18:34,789 --> 00:18:31,840

you're i'm there with you my friend

474

00:18:37,110 --> 00:18:34,799

but as far as as kovid i'm not as

475

00:18:39,430 --> 00:18:37,120

worried about it because i have been

476
00:18:41,590 --> 00:18:39,440
taking preventative measures and i do

477
00:18:45,029 --> 00:18:41,600
abide by the law even though i can't

478
00:18:49,990 --> 00:18:47,750
well i i think that's probably i think

479
00:18:53,669 --> 00:18:50,000
everybody's got to try to

480
00:18:55,909 --> 00:18:53,679
uh come up with their own

481
00:18:58,310 --> 00:18:55,919
type of protection and i you know i

482
00:18:59,909 --> 00:18:58,320
think when this is all over with or

483
00:19:02,390 --> 00:18:59,919
close to being over with i think there's

484
00:19:05,350 --> 00:19:02,400
going to be a lot more coming out

485
00:19:07,590 --> 00:19:05,360
uh more research people coming forward

486
00:19:11,110 --> 00:19:07,600
with what they've used

487
00:19:12,390 --> 00:19:11,120
to maybe avoid having you know getting

488
00:19:14,390 --> 00:19:12,400

covered

489

00:19:16,630 --> 00:19:14,400

uh you know i think there's a lot there

490

00:19:19,270 --> 00:19:16,640

i think there are a lot of factors there

491

00:19:21,510 --> 00:19:19,280

that we just don't know about yet

492

00:19:22,630 --> 00:19:21,520

uh i think it has a lot to do with maybe

493

00:19:25,750 --> 00:19:22,640

blood type

494

00:19:26,310 --> 00:19:25,760

and other such things and uh i don't

495

00:19:31,190 --> 00:19:26,320

know

496

00:19:34,390 --> 00:19:31,200

at this point but um

497

00:19:35,110 --> 00:19:34,400

uh this thing you know it it just does

498

00:19:38,150 --> 00:19:35,120

seem to hit

499

00:19:38,630 --> 00:19:38,160

certain people so bad that it's well you

500

00:19:43,510 --> 00:19:38,640

know

501
00:19:48,070 --> 00:19:43,520
listens to me

502
00:19:51,270 --> 00:19:48,080
and she's a nurse in a carrier facility

503
00:19:53,669 --> 00:19:51,280
and you know she's she's right on the

504
00:19:55,029 --> 00:19:53,679
front line she has to wear a hazmat suit

505
00:19:57,990 --> 00:19:55,039
every day

506
00:19:59,830 --> 00:19:58,000
she's like dave ever since covid hit

507
00:20:02,230 --> 00:19:59,840
we've been locked down

508
00:20:03,590 --> 00:20:02,240
which means that nobody can enter the

509
00:20:06,710 --> 00:20:03,600
building

510
00:20:08,630 --> 00:20:06,720
and and we all have to wear hazmat suits

511
00:20:12,310 --> 00:20:08,640
everything gets cleaned

512
00:20:13,590 --> 00:20:12,320
multiple times a day and

513
00:20:15,909 --> 00:20:13,600

you know it doesn't matter whether it's

514

00:20:17,990 --> 00:20:15,919

the directors the the bosses the

515

00:20:19,590 --> 00:20:18,000

management the janitors the nurses the

516

00:20:21,909 --> 00:20:19,600

care aides whatever

517

00:20:24,630 --> 00:20:21,919

if you were in contact with the elderly

518

00:20:27,430 --> 00:20:24,640

there you have to wear a hazmat suit

519

00:20:28,710 --> 00:20:27,440

she's like what doesn't make sense to me

520

00:20:31,110 --> 00:20:28,720

is

521

00:20:32,070 --> 00:20:31,120

we lock down before she goes we locked

522

00:20:36,070 --> 00:20:32,080

down before

523

00:20:38,789 --> 00:20:36,080

kovid entered our facility

524

00:20:40,070 --> 00:20:38,799

and she's like how did it get in if we

525

00:20:44,230 --> 00:20:40,080

were locked down

526
00:20:46,149 --> 00:20:44,240
and we cannot enter the building without

527
00:20:48,310 --> 00:20:46,159
like for instance if we're sick if we're

528
00:20:49,830 --> 00:20:48,320
ill if we're showing any symptoms

529
00:20:51,669 --> 00:20:49,840
we're not allowed in the building and

530
00:20:54,149 --> 00:20:51,679
when we enter the building we have to be

531
00:20:57,430 --> 00:20:54,159
in a hazmat suit

532
00:21:00,149 --> 00:20:57,440
how did it get in and

533
00:21:01,270 --> 00:21:00,159
she's not the most non-conspiratorial

534
00:21:04,390 --> 00:21:01,280
person

535
00:21:06,310 --> 00:21:04,400
that i know or you know a lot of the

536
00:21:08,789 --> 00:21:06,320
well i shouldn't say that i know that's

537
00:21:11,830 --> 00:21:08,799
that's putting her up on a pedestal

538
00:21:14,950 --> 00:21:11,840

but she's very non-conspiratorial

539

00:21:18,149 --> 00:21:14,960

she doesn't buy into conspiracy theory

540

00:21:19,990 --> 00:21:18,159

or any garbage like that however

541

00:21:21,270 --> 00:21:20,000

she does have like many of us she does

542

00:21:23,990 --> 00:21:21,280

have questions

543

00:21:25,510 --> 00:21:24,000

and in her controlled environment where

544

00:21:29,430 --> 00:21:25,520

she works

545

00:21:32,710 --> 00:21:29,440

she cannot understand how kovid has

546

00:21:35,590 --> 00:21:32,720

entered that building when everybody

547

00:21:37,029 --> 00:21:35,600

has been locked down since before kovid

548

00:21:38,950 --> 00:21:37,039

was even there

549

00:21:40,230 --> 00:21:38,960

and these are a lot of the questions

550

00:21:43,190 --> 00:21:40,240

that i have

551
00:21:45,669 --> 00:21:43,200
as well it's like last year with the nhl

552
00:21:48,149 --> 00:21:45,679
season you'd see the players all sitting

553
00:21:50,470 --> 00:21:48,159
side by side on the bench

554
00:21:52,870 --> 00:21:50,480
right and they're all locked down in

555
00:21:55,510 --> 00:21:52,880
their players bubble

556
00:21:57,750 --> 00:21:55,520
but when they go to a press conference

557
00:22:00,950 --> 00:21:57,760
after the post game press conference

558
00:22:02,789 --> 00:22:00,960
they're sitting six feet apart these are

559
00:22:03,590 --> 00:22:02,799
guys who are just touching shoulder to

560
00:22:05,750 --> 00:22:03,600
shoulder

561
00:22:08,149 --> 00:22:05,760
you know spraying sweat on each other or

562
00:22:09,350 --> 00:22:08,159
playing a hard physical game

563
00:22:11,270 --> 00:22:09,360

but when it comes to the press

564

00:22:15,669 --> 00:22:11,280

conference after they're gonna sit

565

00:22:17,830 --> 00:22:15,679

six feet apart why

566

00:22:19,750 --> 00:22:17,840

you know they haven't showered after the

567

00:22:21,750 --> 00:22:19,760

game they haven't done anything yet

568

00:22:23,510 --> 00:22:21,760

it doesn't make sense so there's all

569

00:22:25,590 --> 00:22:23,520

these little nuances

570

00:22:26,549 --> 00:22:25,600

that i've noticed and they and you know

571

00:22:29,830 --> 00:22:26,559

they're all

572

00:22:33,190 --> 00:22:29,840

know what pennies add

573

00:22:35,669 --> 00:22:33,200

up you know pennies add

574

00:22:36,390 --> 00:22:35,679

up and much like with everything in this

575

00:22:38,950 --> 00:22:36,400

world

576

00:22:41,590 --> 00:22:38,960

you know when when the media and the

577

00:22:42,630 --> 00:22:41,600

lawyers get involved and the politics

578

00:22:45,350 --> 00:22:42,640

get involved

579

00:22:46,390 --> 00:22:45,360

we're all in trouble but you know i i

580

00:22:49,909 --> 00:22:46,400

hate to say this but

581

00:22:51,750 --> 00:22:49,919

i i think i think there's something a

582

00:22:53,350 --> 00:22:51,760

little more to this i'm not going to say

583

00:22:55,029 --> 00:22:53,360

it's a conspiracy

584

00:22:57,830 --> 00:22:55,039

i'm not going to go down that road

585

00:23:00,630 --> 00:22:57,840

because i'm not a covid denier

586

00:23:02,549 --> 00:23:00,640

but there are questions there are

587

00:23:03,270 --> 00:23:02,559

serious questions that need to be

588

00:23:06,830 --> 00:23:03,280

answered

589

00:23:08,630 --> 00:23:06,840

and unfortunately we'll never get those

590

00:23:10,230 --> 00:23:08,640

answers

591

00:23:12,630 --> 00:23:10,240

well we'll just have to wait and see

592

00:23:17,029 --> 00:23:12,640

that's all i can say at this point

593

00:23:21,350 --> 00:23:17,039

exactly hey um dave there was a um

594

00:23:24,149 --> 00:23:21,360

there was a sighting in the in bc

595

00:23:25,750 --> 00:23:24,159

in silvertown not long ago i think it was

596

00:23:28,630 --> 00:23:25,760

christmas day

597

00:23:29,669 --> 00:23:28,640

and i i know the uh i know the toronto

598

00:23:31,669 --> 00:23:29,679

paper

599

00:23:33,029 --> 00:23:31,679

got windowed and they wrote a story

600

00:23:35,990 --> 00:23:33,039

about it

601
00:23:37,909 --> 00:23:36,000
so since you are in bc is there anything

602
00:23:39,430 --> 00:23:37,919
uh you know about it you can add to the

603
00:23:41,830 --> 00:23:39,440
story

604
00:23:43,909 --> 00:23:41,840
well this happened about two and a half

605
00:23:45,750 --> 00:23:43,919
three hours south of me

606
00:23:47,669 --> 00:23:45,760
uh where i am in british columbia i'm

607
00:23:48,789 --> 00:23:47,679
almost at the central part and this was

608
00:23:50,950 --> 00:23:48,799
by

609
00:23:51,830 --> 00:23:50,960
kind of in the kamloops kelowna type

610
00:23:54,950 --> 00:23:51,840
area

611
00:23:57,590 --> 00:23:54,960
of british columbia which you know

612
00:23:59,350 --> 00:23:57,600
british columbia is very diverse okay

613
00:24:01,909 --> 00:23:59,360

you have the ocean on the

614

00:24:03,269 --> 00:24:01,919

and the rain forest on the west coast

615

00:24:06,549 --> 00:24:03,279

and then as you move

616

00:24:09,110 --> 00:24:06,559

into the interior it becomes a giant

617

00:24:09,830 --> 00:24:09,120

desert and then you move a little bit

618

00:24:12,470 --> 00:24:09,840

further out

619

00:24:13,110 --> 00:24:12,480

not even 15 20 minutes away and you're

620

00:24:16,549 --> 00:24:13,120

in dense

621

00:24:19,350 --> 00:24:16,559

forest once again and this area

622

00:24:21,669 --> 00:24:19,360

has always been kind of known as a

623

00:24:24,070 --> 00:24:21,679

sasquatch area

624

00:24:25,350 --> 00:24:24,080

okay much like all of british columbia

625

00:24:28,549 --> 00:24:25,360

and the lady who

626

00:24:30,470 --> 00:24:28,559

came in in uh contact with

627

00:24:32,149 --> 00:24:30,480

with the footprints her name was erica

628

00:24:35,190 --> 00:24:32,159

[h__\h] d'souza

629

00:24:36,789 --> 00:24:35,200

and she said that the purse she was

630

00:24:37,750 --> 00:24:36,799

speaking for the people who saw the

631

00:24:39,430 --> 00:24:37,760

creature

632

00:24:40,789 --> 00:24:39,440

but they at first thought it was a

633

00:24:43,830 --> 00:24:40,799

grizzly bear

634

00:24:46,070 --> 00:24:43,840

in the area or a large man that just

635

00:24:48,470 --> 00:24:46,080

stood up right in front of them and

636

00:24:49,830 --> 00:24:48,480

and from there it was just a little bit

637

00:24:50,630 --> 00:24:49,840

weird because the minute they turned

638

00:24:53,269 --> 00:24:50,640

around

639

00:24:54,630 --> 00:24:53,279

you know kind of like what did we really

640

00:24:57,110 --> 00:24:54,640

see what we saw

641

00:24:58,950 --> 00:24:57,120

you know this thing had disappeared as

642

00:25:01,190 --> 00:24:58,960

per usual because sasquatch

643

00:25:02,149 --> 00:25:01,200

seems to have that ability just to

644

00:25:04,789 --> 00:25:02,159

disappear

645

00:25:06,630 --> 00:25:04,799

you know the beautiful part about it was

646

00:25:09,830 --> 00:25:06,640

they were able to track

647

00:25:12,310 --> 00:25:09,840

a nice long set of tracks because

648

00:25:14,710 --> 00:25:12,320

when the snow is falling i mean snow and

649

00:25:17,510 --> 00:25:14,720

mud are perfect for sasquatch

650

00:25:18,390 --> 00:25:17,520

let's be honest we're able to track them

651
00:25:20,149 --> 00:25:18,400
you know

652
00:25:22,310 --> 00:25:20,159
except maybe butch witkowski who would

653
00:25:23,590 --> 00:25:22,320
probably chase him on down and tackle

654
00:25:25,029 --> 00:25:23,600
him and drop an elbow right in the

655
00:25:28,070 --> 00:25:25,039
middle of their back

656
00:25:31,590 --> 00:25:28,080
you know because butch is that guy

657
00:25:33,909 --> 00:25:31,600
but but they were able to track him

658
00:25:35,110 --> 00:25:33,919
they only had a quick glimpse of this

659
00:25:39,110 --> 00:25:35,120
creature

660
00:25:42,470 --> 00:25:40,870
once again it's it's one of those

661
00:25:45,190 --> 00:25:42,480
eyewitness accounts

662
00:25:48,149 --> 00:25:45,200
where there's no photographs there's no

663
00:25:50,310 --> 00:25:48,159

video of it we do have footprints but

664

00:25:51,510 --> 00:25:50,320

in sasquatch land we always seem to have

665

00:25:53,990 --> 00:25:51,520

footprints so

666

00:25:54,549 --> 00:25:54,000

you know it's just something that that

667

00:25:58,390 --> 00:25:54,559

happens

668

00:26:00,630 --> 00:25:58,400

almost every day around this province

669

00:26:01,909 --> 00:26:00,640

and it's just a matter of who's going to

670

00:26:05,350 --> 00:26:01,919

be the first one

671

00:26:07,909 --> 00:26:05,360

to finally be able to say

672

00:26:10,390 --> 00:26:07,919

we got it we got it we got the proof we

673

00:26:12,630 --> 00:26:10,400

got that next patterson gimlin video

674

00:26:14,310 --> 00:26:12,640

or we shook hands with it and it gave us

675

00:26:17,430 --> 00:26:14,320

a urine sample

676
00:26:20,710 --> 00:26:17,440
a blood sample a semen sample and

677
00:26:23,990 --> 00:26:20,720
you know about four inches of hair

678
00:26:27,110 --> 00:26:24,000
with dna on it i don't know i don't know

679
00:26:30,710 --> 00:26:27,120
but well you know you live in an area

680
00:26:33,830 --> 00:26:30,720
that is right for bigfoot activity

681
00:26:35,830 --> 00:26:33,840
and right for ufo activity yes do you

682
00:26:37,350 --> 00:26:35,840
think there is actually a relationship

683
00:26:41,190 --> 00:26:37,360
between those two things

684
00:26:43,350 --> 00:26:41,200
100 percent oh do you 100

685
00:26:45,029 --> 00:26:43,360
the one thing that i have and lon i'm

686
00:26:46,870 --> 00:26:45,039
going to say when i started spaced out

687
00:26:49,510 --> 00:26:46,880
radio in 2014

688
00:26:50,390 --> 00:26:49,520

i didn't believe that at all i thought

689

00:26:53,990 --> 00:26:50,400

they were all

690

00:26:55,830 --> 00:26:54,000

separate but the more i got involved and

691

00:26:59,110 --> 00:26:55,840

listened to people like you

692

00:27:02,630 --> 00:26:59,120

to listen butch david weatherly john

693

00:27:05,590 --> 00:27:02,640

tenney timothy renner and some people i

694

00:27:08,710 --> 00:27:05,600

hold in really high regard

695

00:27:11,750 --> 00:27:08,720

there always is something strange

696

00:27:14,950 --> 00:27:11,760

with this creature and with these

697

00:27:18,310 --> 00:27:14,960

events that happen and there is

698

00:27:21,750 --> 00:27:18,320

absolutely no way that we can

699

00:27:23,430 --> 00:27:21,760

say 100 that none of it is

700

00:27:25,750 --> 00:27:23,440

related you know this is the

701
00:27:27,990 --> 00:27:25,760
disappointing fact i heard from a

702
00:27:30,549 --> 00:27:28,000
gentleman i interviewed a couple of

703
00:27:34,149 --> 00:27:30,559
months ago named carter brouchard

704
00:27:34,870 --> 00:27:34,159
who is a member of the bfro and he came

705
00:27:37,909 --> 00:27:34,880
on the air

706
00:27:38,710 --> 00:27:37,919
and he went on record saying that any of

707
00:27:41,669 --> 00:27:38,720
these

708
00:27:44,310 --> 00:27:41,679
woo type of scenarios where there's

709
00:27:47,190 --> 00:27:44,320
ghosts around bigfoot sightings or ufos

710
00:27:51,190 --> 00:27:47,200
or aliens or dog man or chupacabra

711
00:27:54,389 --> 00:27:51,200
around bigfoot sightings that the bfro

712
00:27:57,830 --> 00:27:54,399
is actually um

713
00:28:00,310 --> 00:27:57,840

hiding those and burying those

714

00:28:01,990 --> 00:28:00,320

reports that come in and there are

715

00:28:05,430 --> 00:28:02,000

hundreds of them

716

00:28:07,750 --> 00:28:05,440

believe in the woo

717

00:28:09,750 --> 00:28:07,760

and they're all playing i'm a scientist

718

00:28:10,389 --> 00:28:09,760

even though i don't have a scientific

719

00:28:12,389 --> 00:28:10,399

degree

720

00:28:13,750 --> 00:28:12,399

and i haven't done science since high

721

00:28:17,909 --> 00:28:13,760

school look at me

722

00:28:21,110 --> 00:28:17,919

i'm a bigfoot scientist right

723

00:28:24,710 --> 00:28:21,120

that they are burying proper

724

00:28:27,350 --> 00:28:24,720

and potentially quality evidence because

725

00:28:28,630 --> 00:28:27,360

their science is about conducting

726

00:28:31,190 --> 00:28:28,640

opinion

727

00:28:33,909 --> 00:28:31,200

it's not about conducting science it's

728

00:28:35,990 --> 00:28:33,919

about conducting opinion

729

00:28:38,470 --> 00:28:36,000

and if what carter bruce art says is

730

00:28:40,710 --> 00:28:38,480

true shame on the bfro

731

00:28:41,750 --> 00:28:40,720

shame on them for holding back what

732

00:28:44,950 --> 00:28:41,760

could potentially

733

00:28:47,110 --> 00:28:44,960

be groundbreaking information

734

00:28:48,630 --> 00:28:47,120

that they won't even pass on to a guy

735

00:28:51,830 --> 00:28:48,640

like me or a guy like you or

736

00:28:52,870 --> 00:28:51,840

butcher or my buddy nate foote in in

737

00:28:56,630 --> 00:28:52,880

spokane

738

00:28:59,830 --> 00:28:56,640

or anybody they won't do it

739

00:29:01,830 --> 00:28:59,840

well you know how i feel about this i

740

00:29:03,190 --> 00:29:01,840

uh i've been saying the same thing about

741

00:29:07,029 --> 00:29:03,200

mufon

742

00:29:12,389 --> 00:29:07,039

uh for for years now where they withhold

743

00:29:15,269 --> 00:29:12,399

uh either entity or possibly bigfoot

744

00:29:17,190 --> 00:29:15,279

connections with ufos you know they they

745

00:29:20,470 --> 00:29:17,200

don't like to mention it

746

00:29:23,909 --> 00:29:20,480

they will keep in their cms but

747

00:29:26,549 --> 00:29:23,919

very rarely will they investigate it

748

00:29:28,230 --> 00:29:26,559

uh and then when somebody else does

749

00:29:28,870 --> 00:29:28,240

investigate it then they got an issue

750

00:29:31,830 --> 00:29:28,880

with it

751
00:29:32,630 --> 00:29:31,840
right uh well you know what i have gone

752
00:29:35,669 --> 00:29:32,640
through

753
00:29:37,430 --> 00:29:35,679
and uh and i think it's the same with

754
00:29:40,789 --> 00:29:37,440
bfro in fact

755
00:29:43,029 --> 00:29:40,799
carter joined just joined our group

756
00:29:45,669 --> 00:29:43,039
so i know how he feels about it and he

757
00:29:47,830 --> 00:29:45,679
and i have talked about it before

758
00:29:50,630 --> 00:29:47,840
uh i you know i don't really know the

759
00:29:53,430 --> 00:29:50,640
ins and outs of the bfrl

760
00:29:56,389 --> 00:29:53,440
as much as he does or other folks do but

761
00:29:59,430 --> 00:29:56,399
i do know there is a tendency for them

762
00:30:03,269 --> 00:29:59,440
to dismiss other activity

763
00:30:06,870 --> 00:30:03,279

that they feel is not related to bigfoot

764

00:30:09,269 --> 00:30:06,880

and that includes ufos spirit

765

00:30:09,909 --> 00:30:09,279

parents other paranormal activity and

766

00:30:14,070 --> 00:30:09,919

you're right

767

00:30:17,269 --> 00:30:14,080

it does hurt the actual investigation

768

00:30:20,389 --> 00:30:17,279

in research because there is

769

00:30:22,549 --> 00:30:20,399

definitely in my opinion a connection

770

00:30:25,190 --> 00:30:22,559

i do believe that bigfoot for the most

771

00:30:26,950 --> 00:30:25,200

part is a supernatural being

772

00:30:30,470 --> 00:30:26,960

and there's some other force or

773

00:30:33,990 --> 00:30:30,480

phenomena that's associated with it

774

00:30:36,549 --> 00:30:34,000

look we can't have thousands of years of

775

00:30:38,470 --> 00:30:36,559

legends and stories from first nations

776

00:30:40,950 --> 00:30:38,480

and indigenous people

777

00:30:42,070 --> 00:30:40,960

who claim that this creature disappears

778

00:30:45,350 --> 00:30:42,080

right in front of them

779

00:30:48,630 --> 00:30:45,360

or the bfro theory that when we

780

00:30:51,830 --> 00:30:48,640

find these tracks that just ended mud or

781

00:30:53,190 --> 00:30:51,840

end in the snow that bigfoot is highly

782

00:30:56,389 --> 00:30:53,200

qualified enough

783

00:30:56,789 --> 00:30:56,399

to walk backwards into its tracks and

784

00:31:01,029 --> 00:30:56,799

not

785

00:31:04,310 --> 00:31:01,039

create a double print i mean how stupid

786

00:31:08,070 --> 00:31:04,320

are we and i remember talking to to

787

00:31:10,630 --> 00:31:08,080

um a bigfoot research about that

788

00:31:11,830 --> 00:31:10,640

i forget his name right now but he was

789

00:31:14,310 --> 00:31:11,840

part of bfro

790

00:31:15,430 --> 00:31:14,320

and i said i said you can't be serious

791

00:31:17,590 --> 00:31:15,440

about that

792

00:31:19,269 --> 00:31:17,600

reversing where there's not a double

793

00:31:22,630 --> 00:31:19,279

print i said

794

00:31:25,590 --> 00:31:22,640

that that's ignorant and stupid

795

00:31:27,269 --> 00:31:25,600

you know i mean to try and pull that off

796

00:31:31,110 --> 00:31:27,279

on the public

797

00:31:34,070 --> 00:31:31,120

as a as a reasoning as to why

798

00:31:37,029 --> 00:31:34,080

we're not seeing or why these bigfoot

799

00:31:40,230 --> 00:31:37,039

tracks just stop in the snow

800

00:31:43,430 --> 00:31:40,240

and they do not continue i mean

801
00:31:44,070 --> 00:31:43,440
how dumb do you think we have to be to

802
00:31:47,350 --> 00:31:44,080
think that

803
00:31:50,230 --> 00:31:47,360
anything can create a perfect footprint

804
00:31:51,669 --> 00:31:50,240
walking backwards right into its

805
00:31:55,269 --> 00:31:51,679
previous

806
00:31:58,830 --> 00:31:55,279
foot setting it's terrible yeah

807
00:32:00,470 --> 00:31:58,840
you're right yeah you know it it's

808
00:32:02,070 --> 00:32:00,480
interesting

809
00:32:04,470 --> 00:32:02,080
the the people that have been involved

810
00:32:06,230 --> 00:32:04,480
with this especially with bigfoot

811
00:32:08,070 --> 00:32:06,240
who have had an open mind about the

812
00:32:10,230 --> 00:32:08,080
whole phenomena for years you know you

813
00:32:12,950 --> 00:32:10,240

talk about like stan gordon

814

00:32:14,389 --> 00:32:12,960

uh you you talk to stan and other folks

815

00:32:16,070 --> 00:32:14,399

you know and

816

00:32:17,750 --> 00:32:16,080

you know those folks that have known

817

00:32:21,750 --> 00:32:17,760

stan and talked to stan for

818

00:32:25,269 --> 00:32:21,760

years and frankly what he says

819

00:32:26,950 --> 00:32:25,279

is what's going on and the fact that uh

820

00:32:28,870 --> 00:32:26,960

there has been some pretty well

821

00:32:32,070 --> 00:32:28,880

documented evidence

822

00:32:34,149 --> 00:32:32,080

that there is

823

00:32:36,950 --> 00:32:34,159

uh there is a connection between the

824

00:32:39,350 --> 00:32:36,960

paranormal or the supernatural

825

00:32:40,149 --> 00:32:39,360

and uh and we hear it more and more all

826
00:32:43,669 --> 00:32:40,159
the time

827
00:32:45,110 --> 00:32:43,679
actually but lon you know you take it a

828
00:32:47,350 --> 00:32:45,120
step further

829
00:32:49,269 --> 00:32:47,360
okay look some of the bigger names in

830
00:32:51,669 --> 00:32:49,279
this field who are looking into bigfoot

831
00:32:52,470 --> 00:32:51,679
you take david politis this guy is a

832
00:32:54,950 --> 00:32:52,480
20-year

833
00:32:56,549 --> 00:32:54,960
cop who is on one of the greatest

834
00:32:59,029 --> 00:32:56,559
mystery runs

835
00:32:59,750 --> 00:32:59,039
right now and and been very successful

836
00:33:01,990 --> 00:32:59,760
with it

837
00:33:03,590 --> 00:33:02,000
in regards to sasquatch research and the

838
00:33:06,789 --> 00:33:03,600

missing 4-1-1

839

00:33:08,070 --> 00:33:06,799

you take what he does and bfro poopos

840

00:33:09,669 --> 00:33:08,080

it because

841

00:33:11,110 --> 00:33:09,679

you know there could be something

842

00:33:13,430 --> 00:33:11,120

supernatural about it

843

00:33:14,389 --> 00:33:13,440

you take what the work of ronald

844

00:33:16,230 --> 00:33:14,399

moorhead

845

00:33:20,070 --> 00:33:16,240

you know this is a guy who recorded the

846

00:33:23,190 --> 00:33:20,080

sierra sounds in 1974 i believe

847

00:33:24,470 --> 00:33:23,200

from you know the the sierra nevada

848

00:33:27,509 --> 00:33:24,480

mountains

849

00:33:30,950 --> 00:33:27,519

and he can't get a bigfoot conference

850

00:33:33,029 --> 00:33:30,960

beca with the bfro because he's too woo

851
00:33:34,310 --> 00:33:33,039
he he believes there's something

852
00:33:37,430 --> 00:33:34,320
supernatural

853
00:33:40,630 --> 00:33:37,440
about this creature i mean so

854
00:33:41,509 --> 00:33:40,640
when you have people editing what can

855
00:33:44,070 --> 00:33:41,519
and cannot be

856
00:33:45,029 --> 00:33:44,080
said for the community we are all worse

857
00:33:47,669 --> 00:33:45,039
off for it

858
00:33:49,750 --> 00:33:47,679
because they're not there for the answer

859
00:33:51,669 --> 00:33:49,760
they are there to promote their brand

860
00:33:53,509 --> 00:33:51,679
and it's their way or the highway well

861
00:33:55,830 --> 00:33:53,519
you know what i'm not a scientist

862
00:33:57,350 --> 00:33:55,840
i'm a journalist but the one thing i do

863
00:34:00,149 --> 00:33:57,360

know about science

864

00:34:01,110 --> 00:34:00,159

is science is the proof or disproof of

865

00:34:04,630 --> 00:34:01,120

theory

866

00:34:07,750 --> 00:34:04,640

one way or another proving or disproving

867

00:34:10,190 --> 00:34:07,760

theory does not come from opinion

868

00:34:11,669 --> 00:34:10,200

it comes from evidence it comes from

869

00:34:14,790 --> 00:34:11,679

experimentation

870

00:34:17,190 --> 00:34:14,800

it comes from journals of writing okay a

871

00:34:18,389 --> 00:34:17,200

guy like dr jeff meldrum who doesn't

872

00:34:20,389 --> 00:34:18,399

believe in the woo

873

00:34:22,470 --> 00:34:20,399

well guess what he's been able to track

874

00:34:24,790 --> 00:34:22,480

creatures through their footprints

875

00:34:25,990 --> 00:34:24,800

because footprints leave the same are

876

00:34:28,069 --> 00:34:26,000

like handprints

877

00:34:29,510 --> 00:34:28,079

your footprints never change and he's

878

00:34:32,230 --> 00:34:29,520

been able to see

879

00:34:32,710 --> 00:34:32,240

footprints grow and grow and grow okay

880

00:34:37,349 --> 00:34:32,720

that's

881

00:34:39,270 --> 00:34:37,359

doesn't want to study the other stuff

882

00:34:41,270 --> 00:34:39,280

he's got his angle of study for

883

00:34:43,349 --> 00:34:41,280

university that's what he does

884

00:34:45,430 --> 00:34:43,359

but when i see people like there was

885

00:34:47,430 --> 00:34:45,440

this one vancouver gentleman at a

886

00:34:49,589 --> 00:34:47,440

conference i spoke at a couple years ago

887

00:34:51,270 --> 00:34:49,599

where he kept calling it the big hairy

888

00:34:53,829 --> 00:34:51,280

monkey or the big ape

889

00:34:55,030 --> 00:34:53,839

the big hairy monkey you don't know it's

890

00:34:57,270 --> 00:34:55,040

a monkey

891

00:34:58,390 --> 00:34:57,280

don't put down people who have had

892

00:34:59,910 --> 00:34:58,400

experiences

893

00:35:01,430 --> 00:34:59,920

because all you're doing is making

894

00:35:04,390 --> 00:35:01,440

yourself look like a real

895

00:35:05,270 --> 00:35:04,400

jerk and that's the problem that we have

896

00:35:07,829 --> 00:35:05,280

in this field

897

00:35:08,950 --> 00:35:07,839

because there's not a lot of education

898

00:35:10,870 --> 00:35:08,960

people want to make

899

00:35:12,390 --> 00:35:10,880

themselves known they want to make

900

00:35:14,470 --> 00:35:12,400

themselves a star

901
00:35:15,510 --> 00:35:14,480
and be the man when they go out for a

902
00:35:17,750 --> 00:35:15,520
beer at the bar and

903
00:35:19,270 --> 00:35:17,760
you know some cute girl is around and

904
00:35:21,910 --> 00:35:19,280
his buddy introduced her yeah

905
00:35:23,910 --> 00:35:21,920
this is my buddy mick over here and he

906
00:35:26,550 --> 00:35:23,920
investigates sasquatch

907
00:35:27,589 --> 00:35:26,560
you know now he's the man to talk about

908
00:35:30,230 --> 00:35:27,599
these things

909
00:35:32,470 --> 00:35:30,240
right and that's what we are we're it's

910
00:35:35,510 --> 00:35:32,480
an egotistical society that needs an

911
00:35:38,870 --> 00:35:35,520
enema on what is right and what is wrong

912
00:35:41,349 --> 00:35:38,880
with the investigation technique look

913
00:35:42,630 --> 00:35:41,359

i'm going to preface once again i am not

914

00:35:45,589 --> 00:35:42,640

an investigator

915

00:35:47,430 --> 00:35:45,599

i am a journalist i am a radio show host

916

00:35:50,310 --> 00:35:47,440

and i am an experimenter

917

00:35:51,910 --> 00:35:50,320

i tell stories but when it comes to

918

00:35:53,270 --> 00:35:51,920

researchers it doesn't matter whether

919

00:35:56,630 --> 00:35:53,280

it's paranormal

920

00:35:57,270 --> 00:35:56,640

cryptids or ufos if you're not willing

921

00:36:06,150 --> 00:35:57,280

to

922

00:36:07,589 --> 00:36:06,160

like a lot of the ufo people claim

923

00:36:09,270 --> 00:36:07,599

they're journalists and

924

00:36:11,109 --> 00:36:09,280

investigative journalists that they've

925

00:36:12,150 --> 00:36:11,119

never worked in a newsroom in the day in

926

00:36:13,750 --> 00:36:12,160

their lives

927

00:36:15,910 --> 00:36:13,760

or you have a lot of people in the

928

00:36:17,589 --> 00:36:15,920

cryptid world who claim to be

929

00:36:19,510 --> 00:36:17,599

conducting and paranormal is pretty much

930

00:36:22,790 --> 00:36:19,520

the same too claim to be

931

00:36:24,790 --> 00:36:22,800

conducting scientific experimentation

932

00:36:25,990 --> 00:36:24,800

on the phenomena when they haven't

933

00:36:29,190 --> 00:36:26,000

conducted a science

934

00:36:32,310 --> 00:36:29,200

experiment since probably high school

935

00:36:35,030 --> 00:36:32,320

come on this is what makes people laugh

936

00:36:36,230 --> 00:36:35,040

at our field we have incredible

937

00:36:38,790 --> 00:36:36,240

experiences

938

00:36:40,710 --> 00:36:38,800

we have an incredible journey we have

939

00:36:41,670 --> 00:36:40,720

people who are taking this very

940

00:36:45,109 --> 00:36:41,680

seriously

941

00:36:48,550 --> 00:36:45,119

and not afraid to open any doors

942

00:36:49,990 --> 00:36:48,560

we have to be able to look at all facets

943

00:36:52,390 --> 00:36:50,000

because if we don't

944

00:36:53,510 --> 00:36:52,400

we're never going to solve the mysteries

945

00:36:56,710 --> 00:36:53,520

and this is why

946

00:36:58,069 --> 00:36:56,720

when in my own research lawn i've always

947

00:36:59,990 --> 00:36:58,079

and i'm sorry for going on a little bit

948

00:37:02,550 --> 00:37:00,000

of a rant here oh okay

949

00:37:03,030 --> 00:37:02,560

but i've always looked up to people like

950

00:37:06,230 --> 00:37:03,040

you

951
00:37:07,190 --> 00:37:06,240
and butch and and and like i said david

952
00:37:10,390 --> 00:37:07,200
weatherly john

953
00:37:11,190 --> 00:37:10,400
tenney ross allison because the door is

954
00:37:14,870 --> 00:37:11,200
never

955
00:37:15,270 --> 00:37:14,880
closed grant cameron is a great example

956
00:37:18,550 --> 00:37:15,280
of that

957
00:37:20,069 --> 00:37:18,560
in the ufo world where you know

958
00:37:22,390 --> 00:37:20,079
grant and i were talking about it and

959
00:37:22,870 --> 00:37:22,400
it's much like this when you open up the

960
00:37:26,310 --> 00:37:22,880
first

961
00:37:27,190 --> 00:37:26,320
door to this phenomena and you look

962
00:37:29,910 --> 00:37:27,200
inside

963
00:37:31,670 --> 00:37:29,920

there's 10 more doors and behind each

964

00:37:34,550 --> 00:37:31,680

one of those 10 doors

965

00:37:36,870 --> 00:37:34,560

is 10 more doors and what people like

966

00:37:37,430 --> 00:37:36,880

grant and david and butch and everybody

967

00:37:42,150 --> 00:37:37,440

do

968

00:37:44,950 --> 00:37:42,160

they either come to a dead end

969

00:37:46,150 --> 00:37:44,960

or they come to a stop but if that door

970

00:37:49,030 --> 00:37:46,160

stays open

971

00:37:50,310 --> 00:37:49,040

they keep on going because you don't

972

00:37:52,710 --> 00:37:50,320

know what's at the end

973

00:37:53,589 --> 00:37:52,720

and it's the people who take the most

974

00:37:56,870 --> 00:37:53,599

crap

975

00:38:00,310 --> 00:37:56,880

and the most vitriol from the

976
00:38:02,310 --> 00:38:00,320
the ufo paranormal cryptid public

977
00:38:03,430 --> 00:38:02,320
who are the ones who are actually doing

978
00:38:05,670 --> 00:38:03,440
for the most part

979
00:38:06,870 --> 00:38:05,680
the best research possible because

980
00:38:10,310 --> 00:38:06,880
they're not closing

981
00:38:13,510 --> 00:38:10,320
any doors until they have the answer

982
00:38:15,990 --> 00:38:13,520
and if we had more brilliancy like that

983
00:38:17,109 --> 00:38:16,000
in this field imagine how much further

984
00:38:18,950 --> 00:38:17,119
we would get

985
00:38:20,230 --> 00:38:18,960
we would be a hell of a lot further in

986
00:38:22,950 --> 00:38:20,240
finding those answers

987
00:38:26,390 --> 00:38:22,960
if we took the time to open the doors

988
00:38:29,829 --> 00:38:27,829

hey you're preaching to the choir my

989

00:38:34,390 --> 00:38:29,839

friend i know

990

00:38:37,510 --> 00:38:34,400

you know i i feel the same way you know

991

00:38:40,630 --> 00:38:37,520

this is why i like to get into

992

00:38:42,310 --> 00:38:40,640

the hard cases you know uh

993

00:38:43,990 --> 00:38:42,320

just like the one i was explaining to

994

00:38:45,349 --> 00:38:44,000

you tonight that butch and i are looking

995

00:38:47,910 --> 00:38:45,359

into now

996

00:38:49,589 --> 00:38:47,920

and uh you know of course the seas case

997

00:38:53,270 --> 00:38:49,599

in other cases

998

00:38:54,230 --> 00:38:53,280

you know we you you've got to keep an

999

00:38:55,829 --> 00:38:54,240

open mind

1000

00:38:57,349 --> 00:38:55,839

when something doesn't smell right you

1001

00:39:00,150 --> 00:38:57,359

need to look into it

1002

00:39:01,190 --> 00:39:00,160

you need to try to find a decent answer

1003

00:39:03,670 --> 00:39:01,200

well you look at the

1004

00:39:06,230 --> 00:39:03,680

the chicago phenomena uh these wing

1005

00:39:09,109 --> 00:39:06,240

humanoids i mean these things

1006

00:39:10,470 --> 00:39:09,119

we have no idea why they are doing what

1007

00:39:12,150 --> 00:39:10,480

they're doing why they're showing up

1008

00:39:16,550 --> 00:39:12,160

where they're showing up

1009

00:39:20,310 --> 00:39:16,560

but you know people are coming forward

1010

00:39:22,150 --> 00:39:20,320

you know we're up to over 120 cases now

1011

00:39:24,790 --> 00:39:22,160

where we believe that something was

1012

00:39:28,870 --> 00:39:24,800

actually seen

1013

00:39:30,790 --> 00:39:28,880

and uh we just really don't at this

1014

00:39:32,390 --> 00:39:30,800

point know what it is but we got a good

1015

00:39:34,550 --> 00:39:32,400

idea

1016

00:39:36,790 --> 00:39:34,560

we believe it's something beyond our

1017

00:39:38,550 --> 00:39:36,800

reality

1018

00:39:41,109 --> 00:39:38,560

uh for a lot of different reasons the

1019

00:39:43,430 --> 00:39:41,119

way it just shows up suddenly and it

1020

00:39:47,190 --> 00:39:43,440

taped disappear suddenly

1021

00:39:50,829 --> 00:39:47,200

and uh some of the other aspects of it

1022

00:39:53,910 --> 00:39:50,839

you know uh where you know the air now

1023

00:39:55,829 --> 00:39:53,920

aerodynamically this thing can't fly

1024

00:39:57,349 --> 00:39:55,839

you know there's something supernatural

1025

00:39:59,670 --> 00:39:57,359

about it

1026
00:40:02,310 --> 00:39:59,680
so you know you got to take that type of

1027
00:40:03,910 --> 00:40:02,320
thinking into anything you look into

1028
00:40:06,790 --> 00:40:03,920
yeah you know and you talk about the

1029
00:40:08,309 --> 00:40:06,800
ufos you know mufon

1030
00:40:11,109 --> 00:40:08,319
exactly yeah they're looks they're the

1031
00:40:14,870 --> 00:40:11,119
same way you know i get i have gotten so

1032
00:40:16,790 --> 00:40:14,880
frustrated with them for years uh

1033
00:40:18,230 --> 00:40:16,800
and have gotten a lot of cases from

1034
00:40:21,190 --> 00:40:18,240
people where they just

1035
00:40:22,550 --> 00:40:21,200
decided you know there's an entity

1036
00:40:23,349 --> 00:40:22,560
involved so we're not going to get

1037
00:40:25,510 --> 00:40:23,359
involved with

1038
00:40:26,710 --> 00:40:25,520

it you know and just ignore them and

1039

00:40:29,589 --> 00:40:26,720

then somebody comes

1040

00:40:29,910 --> 00:40:29,599

begging to you to look into their case

1041

00:40:31,829 --> 00:40:29,920

yeah

1042

00:40:34,150 --> 00:40:31,839

and you know you're lucky enough to find

1043

00:40:37,829 --> 00:40:34,160

something you know something's there

1044

00:40:39,430 --> 00:40:37,839

absolutely i could tell you this

1045

00:40:41,349 --> 00:40:39,440

can i can i please tell you a couple of

1046

00:40:44,870 --> 00:40:41,359

personal experiences sure

1047

00:40:46,309 --> 00:40:44,880

okay thank you when i had my bigfoot

1048

00:40:49,670 --> 00:40:46,319

sighting in 2013

1049

00:40:52,309 --> 00:40:49,680

a few days later uh my friends and i

1050

00:40:53,349 --> 00:40:52,319

this happened on my friend's property in

1051
00:40:55,589 --> 00:40:53,359
the

1052
00:40:57,349 --> 00:40:55,599
top of a mountain in in british columbia

1053
00:41:01,030 --> 00:40:57,359
here in mission british columbia

1054
00:41:03,829 --> 00:41:01,040
which is a well-known bigfoot hot spot

1055
00:41:04,150 --> 00:41:03,839
it's about 45 minutes between mission

1056
00:41:06,710 --> 00:41:04,160
and

1057
00:41:08,550 --> 00:41:06,720
harrison hot springs which of course is

1058
00:41:09,990 --> 00:41:08,560
where all the bait a lot of the major

1059
00:41:12,870 --> 00:41:10,000
activity has happened

1060
00:41:14,790 --> 00:41:12,880
but we were doing they had a lot of

1061
00:41:16,150 --> 00:41:14,800
things happen on their property they had

1062
00:41:18,870 --> 00:41:16,160
like this mini

1063
00:41:21,750 --> 00:41:18,880

10-acre e-city ranch i mean there was

1064

00:41:22,230 --> 00:41:21,760

like paranormal activity there was ufos

1065

00:41:25,349 --> 00:41:22,240

there was

1066

00:41:28,710 --> 00:41:25,359

aliens bigfoot it was

1067

00:41:29,829 --> 00:41:28,720

unbelievable unbelievable what was

1068

00:41:32,309 --> 00:41:29,839

happening there

1069

00:41:32,950 --> 00:41:32,319

anyways long story short five days after

1070

00:41:35,589 --> 00:41:32,960

we

1071

00:41:37,670 --> 00:41:35,599

had the sasquatch experience where my

1072

00:41:40,230 --> 00:41:37,680

buddy and i saw two of them

1073

00:41:41,589 --> 00:41:40,240

and we were doing a perimeter walk

1074

00:41:43,190 --> 00:41:41,599

around their house

1075

00:41:45,270 --> 00:41:43,200

and there was four of us there there's a

1076
00:41:47,589 --> 00:41:45,280
couple of ponds and we started hearing

1077
00:41:50,470 --> 00:41:47,599
giant splashes in the ponds well

1078
00:41:52,150 --> 00:41:50,480
we knew it wasn't beavers or otters or

1079
00:41:55,829 --> 00:41:52,160
anything like that because

1080
00:41:57,589 --> 00:41:55,839
they're not up in our mountains okay so

1081
00:41:59,589 --> 00:41:57,599
we started thinking this is weird so we

1082
00:42:00,790 --> 00:41:59,599
keep walking we we're kind of walking

1083
00:42:03,589 --> 00:42:00,800
along the side of the house

1084
00:42:05,750 --> 00:42:03,599
got this feeling i did that we were

1085
00:42:09,510 --> 00:42:05,760
being followed i turned and looked

1086
00:42:11,990 --> 00:42:09,520
and in the backyard uh going towards the

1087
00:42:12,550 --> 00:42:12,000
the old horsepen there was this giant

1088
00:42:15,109 --> 00:42:12,560

old

1089

00:42:16,550 --> 00:42:15,119

black cherry tree and i could see

1090

00:42:18,309 --> 00:42:16,560

pixelation

1091

00:42:20,309 --> 00:42:18,319

standing from the ground to about eight

1092

00:42:22,230 --> 00:42:20,319

feet ten feet up

1093

00:42:24,150 --> 00:42:22,240

one other person of the four of us saw

1094

00:42:27,670 --> 00:42:24,160

that pixelation

1095

00:42:30,630 --> 00:42:27,680

we brushed it off walked another

1096

00:42:31,750 --> 00:42:30,640

10 15 yards to the front of the house

1097

00:42:34,790 --> 00:42:31,760

and that's when we got

1098

00:42:37,190 --> 00:42:34,800

roared at like 15 20 seconds later

1099

00:42:38,710 --> 00:42:37,200

and it was the most blood curdling roar

1100

00:42:40,390 --> 00:42:38,720

slash scream

1101

00:42:42,550 --> 00:42:40,400

i have ever had there's a couple things

1102

00:42:45,349 --> 00:42:42,560

i noticed about it number one

1103

00:42:47,109 --> 00:42:45,359

it did not echo all the other farm

1104

00:42:50,069 --> 00:42:47,119

animals up on that mountain

1105

00:42:51,109 --> 00:42:50,079

you could hear the echo this did not

1106

00:42:54,550 --> 00:42:51,119

echo

1107

00:42:57,990 --> 00:42:54,560

and number two it was just gone

1108

00:43:00,230 --> 00:42:58,000

just disappeared but in our area

1109

00:43:02,069 --> 00:43:00,240

a lot of first nations believe that

1110

00:43:05,589 --> 00:43:02,079

sasquatch can shape shift

1111

00:43:06,870 --> 00:43:05,599

or is interdimensional so what was that

1112

00:43:09,349 --> 00:43:06,880

pixelation

1113

00:43:10,230 --> 00:43:09,359

according to the bfro or people like

1114

00:43:13,270 --> 00:43:10,240

that

1115

00:43:15,349 --> 00:43:13,280

what i saw means nothing

1116

00:43:16,470 --> 00:43:15,359

it means nothing well guess what as a

1117

00:43:19,670 --> 00:43:16,480

journalist

1118

00:43:21,829 --> 00:43:19,680

i'm a paid observer when i would sit in

1119

00:43:25,829 --> 00:43:21,839

the vancouver canucks press box

1120

00:43:28,630 --> 00:43:25,839

for 486 games straight my job was to

1121

00:43:30,309 --> 00:43:28,640

observe a hockey game

1122

00:43:31,910 --> 00:43:30,319

what happened what didn't happen where

1123

00:43:33,750 --> 00:43:31,920

did things break down

1124

00:43:35,670 --> 00:43:33,760

same as with the canadian football

1125

00:43:38,710 --> 00:43:35,680

league i would do the same thing

1126

00:43:42,309 --> 00:43:38,720

and that was my job okay

1127

00:43:45,109 --> 00:43:42,319

so i'm pretty sure if i saw a pixelation

1128

00:43:45,829 --> 00:43:45,119

i saw pixelation you know and fast

1129

00:43:47,750 --> 00:43:45,839

forward

1130

00:43:50,150 --> 00:43:47,760

to just a couple years ago now that i'm

1131

00:43:52,790 --> 00:43:50,160

living up here in british columbia

1132

00:43:53,990 --> 00:43:52,800

where i am you know speaking of the ron

1133

00:43:57,430 --> 00:43:54,000

ronald morehead sierra

1134

00:43:59,829 --> 00:43:57,440

sounds we heard that we heard that

1135

00:44:01,109 --> 00:43:59,839

talking that what they call the samurai

1136

00:44:03,829 --> 00:44:01,119

chatter

1137

00:44:04,230 --> 00:44:03,839

we heard that right in front of us maybe

1138

00:44:08,230 --> 00:44:04,240

50

1139

00:44:11,829 --> 00:44:08,240

60 feet we ended up this past year

1140

00:44:14,069 --> 00:44:11,839

setting up a gifting site there

1141

00:44:15,349 --> 00:44:14,079

and we had some weird stuff happen yeah

1142

00:44:18,710 --> 00:44:15,359

i know

1143

00:44:22,069 --> 00:44:18,720

we did and and this

1144

00:44:24,150 --> 00:44:22,079

did i tell you the story of the nickel

1145

00:44:25,349 --> 00:44:24,160

no i don't think he told me that one oh

1146

00:44:29,109 --> 00:44:25,359

well do you mind if i do

1147

00:44:32,950 --> 00:44:29,119

no go ahead okay so i actually

1148

00:44:35,030 --> 00:44:32,960

um i'm gonna try this i don't know if

1149

00:44:38,309 --> 00:44:35,040

it's going to work

1150

00:44:41,030 --> 00:44:38,319

but i'm going to just see if we can

1151
00:44:42,550 --> 00:44:41,040
play a little game here because my buddy

1152
00:44:45,349 --> 00:44:42,560
mark

1153
00:44:46,230 --> 00:44:45,359
when we set up the gifting site ah there

1154
00:44:49,670 --> 00:44:46,240
it is

1155
00:44:50,550 --> 00:44:49,680
perfect so when we set up a gifting site

1156
00:44:52,630 --> 00:44:50,560
we put it

1157
00:44:53,670 --> 00:44:52,640
there's this giant tree it's literally

1158
00:44:57,109 --> 00:44:53,680
about 15

1159
00:44:59,030 --> 00:44:57,119
16 feet round beautiful just

1160
00:45:00,550 --> 00:44:59,040
way up there it was right by where we

1161
00:45:03,270 --> 00:45:00,560
had heard the sounds

1162
00:45:05,349 --> 00:45:03,280
okay we found this big open tree so we

1163
00:45:09,349 --> 00:45:05,359

set up some toys there

1164

00:45:12,069 --> 00:45:09,359

okay and my buddy mark was with him

1165

00:45:13,910 --> 00:45:12,079

and his with was with us he's our armed

1166

00:45:14,550 --> 00:45:13,920

guard when we go into these areas

1167

00:45:16,230 --> 00:45:14,560

because

1168

00:45:17,589 --> 00:45:16,240

there's a lot of animals that could kill

1169

00:45:18,950 --> 00:45:17,599

you where i am

1170

00:45:22,230 --> 00:45:18,960

and i don't mean that i mean there's

1171

00:45:25,510 --> 00:45:22,240

grizzly bears black bears cougars

1172

00:45:26,470 --> 00:45:25,520

moose wild horses so anyways his

1173

00:45:29,430 --> 00:45:26,480

daughter

1174

00:45:29,750 --> 00:45:29,440

grabs a nickel out of her pocket and if

1175

00:45:33,270 --> 00:45:29,760

you

1176

00:45:38,069 --> 00:45:33,280

i i hope this works hold on let me just

1177

00:45:44,829 --> 00:45:42,550

let me zoom in here she puts a nickel

1178

00:45:46,870 --> 00:45:44,839

on let me see if i can get rid of that

1179

00:45:50,710 --> 00:45:46,880

glare

1180

00:45:52,390 --> 00:45:50,720

um she there it is you can see she puts

1181

00:45:54,710 --> 00:45:52,400

a nickel right in the middle of that

1182

00:46:00,630 --> 00:45:54,720

rotted out tree

1183

00:46:04,230 --> 00:46:00,640

okay we go there the following week

1184

00:46:06,630 --> 00:46:04,240

that nickel is gone okay

1185

00:46:09,349 --> 00:46:06,640

gone can't find it okay let's think

1186

00:46:12,390 --> 00:46:09,359

logically here for a second could be a

1187

00:46:16,550 --> 00:46:12,400

pack rat could be a crow a raven

1188

00:46:18,710 --> 00:46:16,560

chimpunk squirrel whatever it may be

1189

00:46:20,230 --> 00:46:18,720

but here here's the problem we go back

1190

00:46:23,510 --> 00:46:20,240

the following week

1191

00:46:26,550 --> 00:46:23,520

the nickel is still not there

1192

00:46:28,870 --> 00:46:26,560

but my son who's seven years old

1193

00:46:30,309 --> 00:46:28,880

says as we're kind of looking around the

1194

00:46:32,069 --> 00:46:30,319

area for the nickel

1195

00:46:34,710 --> 00:46:32,079

and just looking for footprints he goes

1196

00:46:37,829 --> 00:46:34,720

hey dad what's that

1197

00:46:38,790 --> 00:46:37,839

i said what do you mean he goes why is

1198

00:46:41,990 --> 00:46:38,800

there a corn

1199

00:46:47,829 --> 00:46:42,000

on the coin pardon me not corn coin

1200

00:46:55,030 --> 00:46:51,589

okay so

1201
00:46:58,069 --> 00:46:55,040
this nickel that went missing originally

1202
00:47:02,390 --> 00:46:58,079
was a 1960s nickel

1203
00:47:04,710 --> 00:47:02,400
this one is a 2019

1204
00:47:05,750 --> 00:47:04,720
now in my area okay so now if you think

1205
00:47:07,589 --> 00:47:05,760
logically

1206
00:47:09,430 --> 00:47:07,599
people will say well maybe somebody went

1207
00:47:12,710 --> 00:47:09,440
in there and placed one

1208
00:47:14,550 --> 00:47:12,720
good possibility good possibility

1209
00:47:15,829 --> 00:47:14,560
okay but i'm going to give you another

1210
00:47:19,670 --> 00:47:15,839
angle here

1211
00:47:22,870 --> 00:47:19,680
if you don't mind okay

1212
00:47:25,750 --> 00:47:22,880
this was afterwards you will see

1213
00:47:27,670 --> 00:47:25,760

uh let me just go like this here for a

1214

00:47:31,430 --> 00:47:27,680

second then i'll hit the explanation

1215

00:47:37,349 --> 00:47:31,440

you will see that that purple ball

1216

00:47:40,470 --> 00:47:39,510

and you see the basketball down on the

1217

00:47:42,309 --> 00:47:40,480

left

1218

00:47:43,829 --> 00:47:42,319

right okay we're gonna get to the

1219

00:47:47,030 --> 00:47:43,839

basketball in a second

1220

00:47:48,230 --> 00:47:47,040

so the nickel was placed on top of that

1221

00:47:51,510 --> 00:47:48,240

purple thing

1222

00:47:51,990 --> 00:47:51,520

that's sticking out on an angle and as i

1223

00:47:53,750 --> 00:47:52,000

thought about

1224

00:47:55,990 --> 00:47:53,760

it more i talked to my good friend bob

1225

00:47:59,109 --> 00:47:56,000

mcguire who's a

1226

00:48:01,270 --> 00:47:59,119

former um all right hi

1227

00:48:02,790 --> 00:48:01,280

uh that's alaska's greatest athlete

1228

00:48:05,430 --> 00:48:02,800

emily bigelow right there

1229

00:48:07,030 --> 00:48:05,440

the gorgeous and talented emily bigelow

1230

00:48:10,950 --> 00:48:07,040

she's amazing

1231

00:48:14,630 --> 00:48:10,960

uh anyways uh

1232

00:48:15,829 --> 00:48:14,640

so i was talking to dr bob mcguire about

1233

00:48:18,230 --> 00:48:15,839

it he goes dave

1234

00:48:19,270 --> 00:48:18,240

you're missing one of the most important

1235

00:48:21,030 --> 00:48:19,280

facts

1236

00:48:22,549 --> 00:48:21,040

out of this whole thing i said what's

1237

00:48:24,630 --> 00:48:22,559

that he goes

1238

00:48:26,309 --> 00:48:24,640

who the hell would place a nickel on

1239

00:48:27,910 --> 00:48:26,319

there

1240

00:48:29,430 --> 00:48:27,920

right because we don't have a lot of

1241

00:48:31,670 --> 00:48:29,440

people

1242

00:48:34,230 --> 00:48:31,680

running through the forests in our area

1243

00:48:37,349 --> 00:48:34,240

there's not a lot of people up here

1244

00:48:38,390 --> 00:48:37,359

okay but here's the thing lon if you and

1245

00:48:41,589 --> 00:48:38,400

i

1246

00:48:43,030 --> 00:48:41,599

are are around okay or

1247

00:48:45,270 --> 00:48:43,040

even if you're home alone or your

1248

00:48:46,069 --> 00:48:45,280

audience is home alone and we take our

1249

00:48:49,670 --> 00:48:46,079

cell phone

1250

00:48:52,790 --> 00:48:49,680

the edge

1251

00:48:55,190 --> 00:48:52,800

of the table so it sits there like that

1252

00:48:57,109 --> 00:48:55,200

or are we putting it someplace where

1253

00:48:59,109 --> 00:48:57,119

it's safe

1254

00:49:01,270 --> 00:48:59,119

do you see what i'm saying we're gonna

1255

00:49:04,870 --> 00:49:01,280

put a nickel on top

1256

00:49:05,829 --> 00:49:04,880

of a ball where any heavy rain any heavy

1257

00:49:09,510 --> 00:49:05,839

wind

1258

00:49:10,950 --> 00:49:09,520

any snowfall any snow that gathers in

1259

00:49:13,589 --> 00:49:10,960

the trees that falls

1260

00:49:14,790 --> 00:49:13,599

down because of weight when it gets wet

1261

00:49:17,670 --> 00:49:14,800

any sleet

1262

00:49:19,910 --> 00:49:17,680

is going to knock that nickel off why

1263

00:49:22,870 --> 00:49:19,920

would you put it there

1264

00:49:25,030 --> 00:49:22,880

doesn't make sense a human is always

1265

00:49:28,630 --> 00:49:25,040

going to place things for the most part

1266

00:49:31,670 --> 00:49:28,640

in a stable structured area

1267

00:49:33,109 --> 00:49:31,680

it wasn't in the toys it what that we

1268

00:49:35,750 --> 00:49:33,119

have on the ground it wasn't

1269

00:49:37,109 --> 00:49:35,760

in the bark it wasn't near the colored

1270

00:49:40,470 --> 00:49:37,119

glass rocks that we

1271

00:49:41,670 --> 00:49:40,480

placed on that tree it was sitting on

1272

00:49:44,470 --> 00:49:41,680

top of the ball

1273

00:49:45,670 --> 00:49:44,480

that it wanted to be found so could it

1274

00:49:48,630 --> 00:49:45,680

have been human

1275

00:49:49,510 --> 00:49:48,640

absolutely absolutely we can never rule

1276

00:49:51,670 --> 00:49:49,520

that out

1277

00:49:52,870 --> 00:49:51,680

but the chances of it if you think of

1278

00:49:55,190 --> 00:49:52,880

human instinct

1279

00:49:57,430 --> 00:49:55,200

the chances of it being human and

1280

00:50:00,950 --> 00:49:57,440

potentially being something else

1281

00:50:05,510 --> 00:50:03,829

so the basketball okay i wanna i wanna

1282

00:50:06,470 --> 00:50:05,520

get your opinion on this here for a

1283

00:50:09,750 --> 00:50:06,480

second because

1284

00:50:12,309 --> 00:50:09,760

a week later we go back again

1285

00:50:13,190 --> 00:50:12,319

the basketball hold on let me just bring

1286

00:50:15,990 --> 00:50:13,200

this here

1287

00:50:17,589 --> 00:50:16,000

the basketball as you can let me just

1288

00:50:21,030 --> 00:50:17,599

get out of the light there

1289

00:50:23,670 --> 00:50:21,040

it can see that it's now moved

1290

00:50:27,030 --> 00:50:23,680

okay let's move to the front of the tree

1291

00:50:36,069 --> 00:50:27,040

i pick up the basketball

1292

00:50:50,630 --> 00:50:41,190

yeah what is it is it blood um

1293

00:50:55,270 --> 00:50:53,430

interesting so if you look at it let me

1294

00:50:58,790 --> 00:50:55,280

do that again

1295

00:51:02,549 --> 00:51:01,190

if you look at it oh goodness there's my

1296

00:51:07,109 --> 00:51:02,559

clumsiness

1297

00:51:12,069 --> 00:51:07,119

if you look at it it looks like

1298

00:51:16,309 --> 00:51:15,349

yeah yeah i very well could be

1299

00:51:18,870 --> 00:51:16,319

fingerprints

1300

00:51:19,750 --> 00:51:18,880

could be could be could it be a bear

1301

00:51:23,430 --> 00:51:19,760

could it be

1302

00:51:31,910 --> 00:51:23,440

know

1303

00:51:34,950 --> 00:51:31,920

uh the substance that was on there

1304

00:51:39,030 --> 00:51:34,960

was very greasy

1305

00:51:42,630 --> 00:51:41,109

i have greasy skin if i go like that i

1306

00:51:44,069 --> 00:51:42,640

can feel the grease of my forehead

1307

00:51:48,630 --> 00:51:44,079

because apparently

1308

00:51:52,309 --> 00:51:51,430

it it didn't feel wet it would it would

1309

00:51:55,030 --> 00:51:52,319

be like if you

1310

00:51:57,430 --> 00:51:55,040

it didn't smell but if you sprayed wd-40

1311

00:51:59,670 --> 00:51:57,440

on something and it gets really slick

1312

00:52:00,950 --> 00:51:59,680

and and it almost feels moist but it

1313

00:52:04,030 --> 00:52:00,960

isn't

1314

00:52:06,630 --> 00:52:04,040

that's what it felt like um

1315

00:52:08,270 --> 00:52:06,640

unfortunately here's the crappy part

1316

00:52:12,309 --> 00:52:08,280

about that

1317

00:52:15,990 --> 00:52:12,319

unfortunately i brought the ball

1318

00:52:16,790 --> 00:52:16,000

up to my chest because my hands were

1319

00:52:20,230 --> 00:52:16,800

cold

1320

00:52:23,589 --> 00:52:20,240

and i was fumbling with my phone

1321

00:52:26,710 --> 00:52:23,599

and the

1322

00:52:28,710 --> 00:52:26,720

basketball i didn't realize was a

1323

00:52:30,069 --> 00:52:28,720

where the grease was was against my

1324

00:52:33,750 --> 00:52:30,079

chest

1325

00:52:37,030 --> 00:52:33,760

and it wiped off i'm a little

1326

00:52:39,990 --> 00:52:37,040

po'd about that because

1327

00:52:41,430 --> 00:52:40,000

it would have uh been a nice would have

1328

00:52:44,790 --> 00:52:41,440

been a nice little uh

1329

00:52:47,670 --> 00:52:44,800

thing to test that's for sure

1330

00:52:48,630 --> 00:52:47,680

but yeah it was greasy so was is it

1331

00:52:51,670 --> 00:52:48,640

fingerprints

1332

00:52:54,309 --> 00:52:51,680

i don't know all i know is whatever

1333

00:52:55,349 --> 00:52:54,319

brown substance was on there was greasy

1334

00:52:56,790 --> 00:52:55,359

maybe it was poo

1335

00:53:00,069 --> 00:52:56,800

i don't know maybe it used it to wipe

1336

00:53:02,390 --> 00:53:00,079

its ass i don't know

1337

00:53:03,990 --> 00:53:02,400

right i don't know i had that you know

1338

00:53:05,510 --> 00:53:04,000

that's really the first time i've heard

1339

00:53:08,549 --> 00:53:05,520

anything like that

1340

00:53:11,990 --> 00:53:08,559

yeah uh you know and i had

1341

00:53:13,589 --> 00:53:12,000

you know recent years i have been more

1342

00:53:15,030 --> 00:53:13,599

fascinated by

1343

00:53:16,470 --> 00:53:15,040

some of the results and some of the

1344

00:53:17,750 --> 00:53:16,480

things people talk about as far as

1345

00:53:20,950 --> 00:53:17,760

gifting goes

1346

00:53:26,069 --> 00:53:23,990

you know i i years ago i really didn't

1347

00:53:27,270 --> 00:53:26,079

buy into it i wasn't really sure what to

1348

00:53:29,510 --> 00:53:27,280

think about it

1349

00:53:32,309 --> 00:53:29,520

but the more and more people do things

1350

00:53:35,510 --> 00:53:32,319

now and do different types of things

1351

00:53:36,230 --> 00:53:35,520

there does seem to be actual gifting

1352

00:53:38,230 --> 00:53:36,240

going on

1353

00:53:39,829 --> 00:53:38,240

where you know you'll lay something down

1354

00:53:42,470 --> 00:53:39,839

it'll pick it up and exchange with

1355

00:53:45,190 --> 00:53:42,480

something else back and forth and

1356

00:53:47,589 --> 00:53:45,200

uh i i think it does i think there is

1357

00:53:49,510 --> 00:53:47,599

something to that

1358

00:53:51,829 --> 00:53:49,520

now why they do it you know i i don't

1359

00:53:54,390 --> 00:53:51,839

know you like human nature where

1360

00:53:55,349 --> 00:53:54,400

they're curious or they want to bond

1361

00:53:57,670 --> 00:53:55,359

somehow or

1362

00:53:58,390 --> 00:53:57,680

want you to know that they know they're

1363

00:54:00,230 --> 00:53:58,400

there or

1364

00:54:02,069 --> 00:54:00,240

you know what's the what's the rationale

1365

00:54:04,870 --> 00:54:02,079

behind it

1366

00:54:06,309 --> 00:54:04,880

i don't know i know that we shortly

1367

00:54:09,349 --> 00:54:06,319

after that

1368

00:54:12,870 --> 00:54:09,359

had placed a a uh

1369

00:54:15,589 --> 00:54:12,880

a camera up there we placed a trail cam

1370

00:54:16,069 --> 00:54:15,599

up there and my buddy mike stated that

1371

00:54:19,510 --> 00:54:16,079

uh

1372

00:54:22,870 --> 00:54:19,520

we had that camera up there for

1373

00:54:26,710 --> 00:54:22,880

seven and a half eight days and

1374

00:54:30,390 --> 00:54:26,720

we did not get a single photo

1375

00:54:33,910 --> 00:54:30,400

no birds no deer no

1376

00:54:37,190 --> 00:54:33,920

no wolves no cats no horses no

1377

00:54:39,910 --> 00:54:37,200

no uh you know grazing cattle

1378

00:54:40,390 --> 00:54:39,920

no nothing nothing that's unusual the

1379

00:54:44,230 --> 00:54:40,400

only

1380

00:54:49,750 --> 00:54:44,240

photos that we got in that area were

1381

00:54:54,549 --> 00:54:52,950

that's unusual yes i mean i don't care

1382

00:54:55,990 --> 00:54:54,559

where you put one of those cams at

1383

00:54:57,030 --> 00:54:56,000

you're gonna get something over that

1384

00:55:00,069 --> 00:54:57,040

period of time

1385

00:55:02,630 --> 00:55:00,079

you would think yeah unless there's

1386

00:55:07,190 --> 00:55:05,670

something that uh because either

1387

00:55:10,150 --> 00:55:07,200

sasquatch being there

1388

00:55:13,109 --> 00:55:10,160

or marked the territory somehow that

1389

00:55:16,630 --> 00:55:13,119

these other creatures avoid the area

1390

00:55:19,670 --> 00:55:16,640

right right i don't know

1391

00:55:22,950 --> 00:55:19,680

yeah no that's that that's interesting

1392

00:55:23,910 --> 00:55:22,960

yeah it's uh it's one of the mysteries

1393

00:55:27,750 --> 00:55:23,920

we have

1394

00:55:29,430 --> 00:55:27,760

yeah you know but

1395

00:55:30,950 --> 00:55:29,440

we're i can't wait to get back there i

1396

00:55:32,150 --> 00:55:30,960

would love to get back there right now

1397

00:55:33,829 --> 00:55:32,160

but the problem is

1398

00:55:35,349 --> 00:55:33,839

the way the snow goes in the mountains

1399

00:55:39,109 --> 00:55:35,359

here there's no chance

1400

00:55:41,349 --> 00:55:39,119

unless i had an atv with tracks on it

1401

00:55:42,950 --> 00:55:41,359

um there's no way we're getting out

1402

00:55:44,789 --> 00:55:42,960

there and i left everything out there i

1403

00:55:47,510 --> 00:55:44,799

left the basketball out there

1404

00:55:47,990 --> 00:55:47,520

i left the toys out there i left the i

1405

00:55:50,390 --> 00:55:48,000

left

1406

00:55:51,910 --> 00:55:50,400

everything out there because there was

1407

00:55:53,750 --> 00:55:51,920

no point bringing the ball back

1408

00:55:55,750 --> 00:55:53,760

because i had accidentally wiped off

1409

00:55:59,030 --> 00:55:55,760

whatever was on there

1410

00:56:00,829 --> 00:55:59,040

a stupid stupid amateur move on my end i

1411

00:56:03,670 --> 00:56:00,839

know

1412

00:56:04,630 --> 00:56:03,680

but what do you do can't do anything

1413

00:56:06,870 --> 00:56:04,640

about it now

1414

00:56:08,230 --> 00:56:06,880

i screwed up well it'll be interesting

1415

00:56:09,829 --> 00:56:08,240

to see if there's anything

1416

00:56:11,510 --> 00:56:09,839

changed or anything there when you get

1417

00:56:16,470 --> 00:56:11,520

back uh

1418

00:56:19,430 --> 00:56:16,480

three months i got three months to wait

1419

00:56:21,349 --> 00:56:19,440

um yeah i'd be like you i'd be having

1420

00:56:25,030 --> 00:56:21,359

ants in my pants too because

1421

00:56:28,309 --> 00:56:25,040

oh we are we are um

1422

00:56:31,030 --> 00:56:28,319

we just have to uh we're working on

1423

00:56:35,349 --> 00:56:31,040

something where a buddy of mine out here

1424

00:56:37,670 --> 00:56:35,359

uh just bought a four seat side by side

1425

00:56:39,349 --> 00:56:37,680

with tracks on it the problem is he

1426

00:56:40,950 --> 00:56:39,359

doesn't have a trailer for it

1427

00:56:43,589 --> 00:56:40,960

because he usually just goes out of his

1428

00:56:45,670 --> 00:56:43,599

backyard and starts riding

1429

00:56:47,270 --> 00:56:45,680

but where we need to go we need to

1430

00:56:49,349 --> 00:56:47,280

trailer it in so

1431

00:56:51,430 --> 00:56:49,359

we may have to borrow a trailer from

1432

00:56:51,990 --> 00:56:51,440

someone or one of my other buddies who

1433

00:56:54,150 --> 00:56:52,000

has a

1434

00:56:55,750 --> 00:56:54,160

a bigger trailer to load this thing on

1435

00:56:58,309 --> 00:56:55,760

and and then

1436

00:56:59,589 --> 00:56:58,319

make our way out there because that's

1437

00:57:00,390 --> 00:56:59,599

the only way we could get out there

1438

00:57:03,270 --> 00:57:00,400

right now

1439

00:57:04,630 --> 00:57:03,280

is if we had tracks because tires just

1440

00:57:08,150 --> 00:57:04,640

will not cut it

1441

00:57:10,950 --> 00:57:08,160

yeah wow

1442

00:57:11,990 --> 00:57:10,960

well you know that area you know that

1443

00:57:14,309 --> 00:57:12,000

year you didn't mention

1444

00:57:15,589 --> 00:57:14,319

there has been ufo activity as well is

1445

00:57:17,510 --> 00:57:15,599

there any uh

1446

00:57:19,910 --> 00:57:17,520

anything you can tell us about that it's

1447

00:57:21,270 --> 00:57:19,920

what famous case my area is really

1448

00:57:23,349 --> 00:57:21,280

strange lon

1449

00:57:24,870 --> 00:57:23,359

because and i didn't really know this

1450

00:57:28,470 --> 00:57:24,880

until i moved up here

1451
00:57:31,349 --> 00:57:28,480
because i moved up here on a whim um

1452
00:57:33,670 --> 00:57:31,359
my area is very haunted it's right along

1453
00:57:37,510 --> 00:57:33,680
the original gold rush trail

1454
00:57:40,950 --> 00:57:37,520
so if i drew a line straight behind me

1455
00:57:42,870 --> 00:57:40,960
about one mile if that you're literally

1456
00:57:45,270 --> 00:57:42,880
on the gold rush trail that went right

1457
00:57:49,349 --> 00:57:45,280
up to alaska in the 1800s

1458
00:57:50,390 --> 00:57:49,359
oh okay okay um you have a community

1459
00:57:53,670 --> 00:57:50,400
that was

1460
00:57:57,910 --> 00:57:53,680
built off of a religious

1461
00:58:01,030 --> 00:57:57,920
cult 52 years ago

1462
00:58:03,829 --> 00:58:01,040
okay you have uh you have an

1463
00:58:04,950 --> 00:58:03,839

area where there is a lot of ufo

1464

00:58:07,270 --> 00:58:04,960

sightings

1465

00:58:09,190 --> 00:58:07,280

uh i know the first i was talking to one

1466

00:58:11,750 --> 00:58:09,200

of the first nations chiefs

1467

00:58:13,349 --> 00:58:11,760

around here and i was asking him about

1468

00:58:15,829 --> 00:58:13,359

sasquatch one day

1469

00:58:17,750 --> 00:58:15,839

and he kind of sheepishly said no we

1470

00:58:19,750 --> 00:58:17,760

don't get a lot of sasquatch

1471

00:58:22,470 --> 00:58:19,760

he goes i just wish the star people

1472

00:58:25,349 --> 00:58:22,480

would leave our people alone for once

1473

00:58:28,390 --> 00:58:25,359

so you have a lot of ufo activity the

1474

00:58:31,750 --> 00:58:28,400

famous case of miriam delicato

1475

00:58:34,630 --> 00:58:31,760

back in 1988 happened in our town

1476

00:58:37,309 --> 00:58:34,640

where her their vehicle her and her

1477

00:58:40,870 --> 00:58:37,319

friend's vehicle was followed for

1478

00:58:44,549 --> 00:58:40,880

approximately um

1479

00:58:46,549 --> 00:58:44,559

200 kilometers

1480

00:58:48,470 --> 00:58:46,559

and then when they got outside of our

1481

00:58:52,150 --> 00:58:48,480

town on what we call the 99

1482

00:58:54,630 --> 00:58:52,160

mile hill it ended up

1483

00:58:56,870 --> 00:58:54,640

this the craft ended up pulling her the

1484

00:59:00,150 --> 00:58:56,880

vehicle over

1485

00:59:01,910 --> 00:59:00,160

and three people in the car basically

1486

00:59:05,030 --> 00:59:01,920

turned into zombies

1487

00:59:06,789 --> 00:59:05,040

and fell asleep and then she got out of

1488

00:59:07,589 --> 00:59:06,799

the vehicle and went for a three-hour

1489

00:59:10,150 --> 00:59:07,599

tour

1490

00:59:10,789 --> 00:59:10,160

came back when she closed the door to

1491

00:59:13,109 --> 00:59:10,799

the vehicle

1492

00:59:14,549 --> 00:59:13,119

everybody else woke up and they couldn't

1493

00:59:17,270 --> 00:59:14,559

figure out why they were

1494

00:59:19,349 --> 00:59:17,280

the car was cold and that they were uh

1495

00:59:22,549 --> 00:59:19,359

still in 100 mile house

1496

00:59:25,829 --> 00:59:22,559

so we have a very large trifecta

1497

00:59:27,589 --> 00:59:25,839

also i'm hearing reports from a couple

1498

00:59:30,069 --> 00:59:27,599

of first nations people

1499

00:59:31,990 --> 00:59:30,079

that there have been some dogman

1500

00:59:34,789 --> 00:59:32,000

sightings up here as well

1501
00:59:35,349 --> 00:59:34,799
in this area one one of them told me

1502
00:59:39,030 --> 00:59:35,359
that he

1503
00:59:41,349 --> 00:59:39,040
hunting with his brother and they were

1504
00:59:43,030 --> 00:59:41,359
hunting for black bear

1505
00:59:44,950 --> 00:59:43,040
and his brother thought that they had a

1506
00:59:46,630 --> 00:59:44,960
couple of black bears standing up about

1507
00:59:49,750 --> 00:59:46,640
200 yards in front of them

1508
00:59:52,309 --> 00:59:49,760
but when he raised his rifle he realized

1509
00:59:52,870 --> 00:59:52,319
that it was a dog-like creature standing

1510
00:59:55,030 --> 00:59:52,880
up

1511
00:59:57,270 --> 00:59:55,040
staring back at him and he got the

1512
00:59:57,990 --> 00:59:57,280
typical telepathic message that says

1513
00:59:59,990 --> 00:59:58,000

don't shoot

1514

01:00:01,750 --> 01:00:00,000

won't be good for you so he put his

1515

01:00:04,470 --> 01:00:01,760

rifle down and he said to

1516

01:00:04,950 --> 01:00:04,480

his brother eddie he said we we need to

1517

01:00:07,589 --> 01:00:04,960

go

1518

01:00:09,430 --> 01:00:07,599

we need to leave right now and let's get

1519

01:00:12,870 --> 01:00:09,440

out of here let's go home

1520

01:00:14,870 --> 01:00:12,880

and so they did and so

1521

01:00:16,069 --> 01:00:14,880

there's been i know there's been dog van

1522

01:00:19,589 --> 01:00:16,079

north of me

1523

01:00:21,670 --> 01:00:19,599

um by a few hours but we

1524

01:00:23,910 --> 01:00:21,680

really run the gamut in this little

1525

01:00:26,950 --> 01:00:23,920

community it's very haunted

1526

01:00:27,990 --> 01:00:26,960

it's it's traipsed with paranormal

1527

01:00:30,870 --> 01:00:28,000

history

1528

01:00:31,510 --> 01:00:30,880

and watching the town you know kind of

1529

01:00:33,670 --> 01:00:31,520

deny

1530

01:00:35,349 --> 01:00:33,680

that paranormal existence it's kind of

1531

01:00:36,470 --> 01:00:35,359

funny and kind of frustrating at the

1532

01:00:38,390 --> 01:00:36,480

same time

1533

01:00:40,309 --> 01:00:38,400

because my little community doesn't get

1534

01:00:42,789 --> 01:00:40,319

a lot of tourism revenue

1535

01:00:43,670 --> 01:00:42,799

and trying to tell people and explain to

1536

01:00:45,990 --> 01:00:43,680

people

1537

01:00:47,589 --> 01:00:46,000

you know about what what happens in what

1538

01:00:51,829 --> 01:00:47,599

in uh

1539

01:00:52,309 --> 01:00:51,839

in west virginia or in snowflake arizona

1540

01:00:54,870 --> 01:00:52,319

or

1541

01:00:56,630 --> 01:00:54,880

all of these hotbed communities where

1542

01:00:58,710 --> 01:00:56,640

weird things have happened

1543

01:01:00,870 --> 01:00:58,720

you know that there's tourism revenue to

1544

01:01:03,589 --> 01:01:00,880

be made off of this if you just

1545

01:01:05,030 --> 01:01:03,599

accept it and you know by time i die i

1546

01:01:07,829 --> 01:01:05,040

would love to get a

1547

01:01:08,789 --> 01:01:07,839

a memorial plaque put down where miriam

1548

01:01:11,030 --> 01:01:08,799

delicato

1549

01:01:12,630 --> 01:01:11,040

was taken i think that would be a great

1550

01:01:14,710 --> 01:01:12,640

tourist attraction

1551

01:01:16,150 --> 01:01:14,720

you know that that that was a weird

1552

01:01:19,109 --> 01:01:16,160

story

1553

01:01:21,109 --> 01:01:19,119

yeah that was a weird account um i

1554

01:01:24,309 --> 01:01:21,119

remember reading that

1555

01:01:26,309 --> 01:01:24,319

several years ago and uh that has always

1556

01:01:29,270 --> 01:01:26,319

stuck with me

1557

01:01:30,710 --> 01:01:29,280

yeah it is it's a bizarre account i

1558

01:01:32,390 --> 01:01:30,720

might have to go back and look at that

1559

01:01:35,670 --> 01:01:32,400

and repost that sometime

1560

01:01:38,789 --> 01:01:35,680

that was that was amazing every day

1561

01:01:41,589 --> 01:01:38,799

all day every day

1562

01:01:43,270 --> 01:01:41,599

and i would wave every day i know you

1563

01:01:47,789 --> 01:01:43,280

got your own show tonight

1564

01:01:54,390 --> 01:01:51,030

spacedownradio.com and on youtube

1565

01:01:55,270 --> 01:01:54,400

uh folks if you haven't just listened to

1566

01:01:58,150 --> 01:01:55,280

and seen

1567

01:01:59,990 --> 01:01:58,160

space now radio i definitely recommend

1568

01:02:01,029 --> 01:02:00,000

it you never know what you're gonna see

1569

01:02:04,150 --> 01:02:01,039

there

1570

01:02:06,630 --> 01:02:04,160

uh david is an entertainer

1571

01:02:07,910 --> 01:02:06,640

and a great show host there's no doubt

1572

01:02:11,829 --> 01:02:07,920

about that

1573

01:02:13,670 --> 01:02:11,839

and uh let's say it is a stumper's a

1574

01:02:19,270 --> 01:02:13,680

stone

1575

01:02:20,950 --> 01:02:19,280

oh yeah no it's all team stump man it's

1576

01:02:22,870 --> 01:02:20,960

all team stump

1577

01:02:25,109 --> 01:02:22,880

and apparently i'm in the minority

1578

01:02:27,270 --> 01:02:25,119

because i don't eat breakfast for dinner

1579

01:02:29,990 --> 01:02:27,280

and i because in my opinion they're

1580

01:02:31,589 --> 01:02:30,000

labeled as breakfast foods for a reason

1581

01:02:34,710 --> 01:02:31,599

yeah and they shouldn't be eating at

1582

01:02:36,950 --> 01:02:34,720

dinner time and shame on you if you do

1583

01:02:38,069 --> 01:02:36,960

but uh yeah we we try and have a little

1584

01:02:40,309 --> 01:02:38,079

bit of fun and

1585

01:02:41,109 --> 01:02:40,319

and kind of do things out of the normal

1586

01:02:44,630 --> 01:02:41,119

you know

1587

01:02:46,870 --> 01:02:44,640

but it's i i'm blessed with a a

1588

01:02:48,870 --> 01:02:46,880

an audience that keeps growing i'm

1589

01:02:52,150 --> 01:02:48,880

blessed with people like you and

1590

01:02:53,349 --> 01:02:52,160

butch and other people in uh in my life

1591

01:02:56,309 --> 01:02:53,359

who've helped me

1592

01:02:57,510 --> 01:02:56,319

uh not only learn a lot about this

1593

01:03:00,630 --> 01:02:57,520

phenomena

1594

01:03:01,990 --> 01:03:00,640

but but uh you know on how to broadcast

1595

01:03:05,430 --> 01:03:02,000

and talk about it

1596

01:03:06,069 --> 01:03:05,440

uh lon uh thank you so much for allowing

1597

01:03:08,630 --> 01:03:06,079

me this

1598

01:03:10,150 --> 01:03:08,640

opportunity to share with you again it's

1599

01:03:11,910 --> 01:03:10,160

really humbling and

1600

01:03:13,510 --> 01:03:11,920

i'm such a big fan of yours and i hope

1601

01:03:15,349 --> 01:03:13,520

we could do it again

1602

01:03:16,789 --> 01:03:15,359

uh we'll talk soon i'm quite sure of

1603

01:03:17,990 --> 01:03:16,799

that so you have a good show tonight and

1604

01:03:19,589 --> 01:03:18,000

i'll talk to you later

1605

01:03:21,750 --> 01:03:19,599

thank you so much you take care take

1606

01:03:23,750 --> 01:03:21,760

care

1607

01:03:26,230 --> 01:03:23,760

now if you have an unexplained encounter

1608

01:03:28,230 --> 01:03:26,240

sighting feel free to contact me

1609

01:03:30,309 --> 01:03:28,240

through the phantoms of monsters blog

1610

01:03:31,430 --> 01:03:30,319

site if you're interested in supporting

1611

01:03:33,670 --> 01:03:31,440

fans of monsters

1612

01:03:34,549 --> 01:03:33,680

and arcane radio you can go to the use

1613

01:03:42,309 --> 01:03:34,559

the

1614

01:03:43,430 --> 01:03:42,319

of course youtube channel beyond

1615

01:03:45,990 --> 01:03:43,440

explanation

1616

01:03:46,870 --> 01:03:46,000

has content being entered all all the

1617

01:03:48,870 --> 01:03:46,880

time

1618

01:03:50,630 --> 01:03:48,880

lots of new shows on there lots of new

1619

01:03:53,750 --> 01:03:50,640

stuff on the way

1620

01:03:55,589 --> 01:03:53,760

uh check it out and subscribe once again

1621

01:03:57,270 --> 01:03:55,599

thank dave scott for joining me this

1622

01:03:58,950 --> 01:03:57,280

evening and i want to thank you for
