

ARCANE RADIO 
Exploring the Unexplained

Feb. 22nd, 2019

Dave Spinks

**Investigator, Author,
'West Virginia Bigfoot'**

1
00:00:08,150 --> 00:00:04,710
the oldest

2
00:00:10,310 --> 00:00:08,160
and strongest human emotion is fear

3
00:00:11,350 --> 00:00:10,320
and the oldest and strongest type of

4
00:00:14,549 --> 00:00:11,360
fear

5
00:00:16,950 --> 00:00:14,559
is trepidation of young men

6
00:00:20,390 --> 00:00:16,960
when we were children our parents told

7
00:00:22,870 --> 00:00:20,400
us that monsters didn't exist

8
00:00:26,070 --> 00:00:22,880
but we were sure that something was

9
00:00:30,630 --> 00:00:26,080
lurking under the bed or in the closet

10
00:00:33,830 --> 00:00:30,640
fear sees even if our eyes are closed

11
00:00:35,830 --> 00:00:33,840
welcome to the realm of the arcane my

12
00:00:38,229 --> 00:00:35,840
name is lon stripler

13
00:00:39,350 --> 00:00:38,239

join me as i examine unexplained

14

00:00:42,830 --> 00:00:39,360

creatures

15

00:00:44,310 --> 00:00:42,840

strange manifestations of remarkable

16

00:00:47,270 --> 00:00:44,320

realities

17

00:00:49,910 --> 00:00:47,280

imagine this next hour as a voyage of

18

00:00:52,950 --> 00:00:49,920

discovery to strange lands

19

00:00:55,510 --> 00:00:52,960

seeking not for new territory but for

20

00:00:58,310 --> 00:00:55,520

new knowledge of the supernatural

21

00:01:02,630 --> 00:00:58,320

come on board as we begin this adventure

22

00:01:06,550 --> 00:01:04,149

hey folks good evening and welcome to

23

00:01:08,550 --> 00:01:06,560

another episode of arcane radio

24

00:01:09,830 --> 00:01:08,560

i'm your host lon strickler and i thank

25

00:01:12,390 --> 00:01:09,840

you for joining me here on the

26

00:01:15,030 --> 00:01:12,400

paranormal king radio network

27

00:01:15,749 --> 00:01:15,040

now before i introduce my guest i want

28

00:01:19,109 --> 00:01:15,759

to mention an

29

00:01:20,789 --> 00:01:19,119

encounter account i recently received a

30

00:01:23,749 --> 00:01:20,799

telephone call

31

00:01:27,510 --> 00:01:23,759

describing a harrowing account from the

32

00:01:29,429 --> 00:01:27,520

eyewitness who i'll just call lh

33

00:01:31,230 --> 00:01:29,439

the incident occurred on the night of

34

00:01:35,270 --> 00:01:31,240

october 27

35

00:01:38,950 --> 00:01:35,280

1969 in rolling prairie indiana and

36

00:01:41,990 --> 00:01:38,960

lh was a young child at the time

37

00:01:44,230 --> 00:01:42,000

he states that he and his family mother

38

00:01:47,510 --> 00:01:44,240

father sister and grandmother

39

00:01:49,270 --> 00:01:47,520
were living in a trailer situated on

40

00:01:51,429 --> 00:01:49,280
their family's land

41

00:01:53,749 --> 00:01:51,439
now the trailer has sustained damage on

42

00:01:55,429 --> 00:01:53,759
the roof leaving a large hole

43

00:01:57,190 --> 00:01:55,439
the hole was covered with a wide

44

00:02:00,789 --> 00:01:57,200
waterproof tarp until

45

00:02:01,910 --> 00:02:00,799
it was going to be repaired now lh and

46

00:02:05,270 --> 00:02:01,920
his baby sister

47

00:02:07,590 --> 00:02:05,280
shared a bedroom he was awakened

48

00:02:09,669 --> 00:02:07,600
by a strange noise and a strong

49

00:02:11,990 --> 00:02:09,679
disagreeable odor

50

00:02:13,110 --> 00:02:12,000
now as he looked towards his sister's

51
00:02:15,830 --> 00:02:13,120
crib

52
00:02:17,510 --> 00:02:15,840
he saw a tall winged humanoid staring

53
00:02:20,390 --> 00:02:17,520
down at her

54
00:02:23,030 --> 00:02:20,400
the being slowly turned and looked at a

55
00:02:26,470 --> 00:02:23,040
horrified lh

56
00:02:30,470 --> 00:02:26,480
the description was a very tall

57
00:02:32,869 --> 00:02:30,480
being that was crouched a bit

58
00:02:33,589 --> 00:02:32,879
las estimates that it stood seven to

59
00:02:37,030 --> 00:02:33,599
eight foot

60
00:02:37,670 --> 00:02:37,040
in height the body and face had black

61
00:02:39,750 --> 00:02:37,680
hair

62
00:02:41,350 --> 00:02:39,760
the leather-like wings were huge and

63
00:02:43,270 --> 00:02:41,360

shaped like that of that bat our

64

00:02:46,470 --> 00:02:43,280

gargoyle

65

00:02:48,790 --> 00:02:46,480

it had muscular detached arms and legs

66

00:02:51,110 --> 00:02:48,800

the body and face were thin

67

00:02:52,229 --> 00:02:51,120

and looked like a human skeleton with

68

00:02:55,509 --> 00:02:52,239

obvious

69

00:02:56,470 --> 00:02:55,519

sharp teeth the eyes were dark and also

70

00:02:59,990 --> 00:02:56,480

made a low

71

00:03:01,910 --> 00:03:00,000

garbled sound now lh screamed in order

72

00:03:03,030 --> 00:03:01,920

to alert his parents in the adjoining

73

00:03:05,589 --> 00:03:03,040

room

74

00:03:08,229 --> 00:03:05,599

but they never responded his grandmother

75

00:03:09,990 --> 00:03:08,239

was alerted and came to his aid though

76

00:03:12,550 --> 00:03:10,000

she was stunned at the sight and

77

00:03:16,070 --> 00:03:12,560

immediately fell to her knees

78

00:03:18,309 --> 00:03:16,080

the creature picked up lh in his arms

79

00:03:19,990 --> 00:03:18,319

and made its way into the living room

80

00:03:21,830 --> 00:03:20,000

where it ascended through the hole in

81

00:03:23,750 --> 00:03:21,840

the ceiling

82

00:03:26,390 --> 00:03:23,760

it's obvious it had moved the tarp in

83

00:03:29,670 --> 00:03:26,400

order to gain access into the trailer

84

00:03:31,990 --> 00:03:29,680

now lh remembers being very cold and wet

85

00:03:33,430 --> 00:03:32,000

and hearing his grandmother screaming as

86

00:03:37,030 --> 00:03:33,440

the winged humanoid

87

00:03:38,470 --> 00:03:37,040

took off into the sky he has no idea how

88

00:03:41,110 --> 00:03:38,480

long he was gone

89

00:03:41,990 --> 00:03:41,120

but only remembers waking in his bed

90

00:03:45,670 --> 00:03:42,000

among his

91

00:03:47,750 --> 00:03:45,680

panicked parents and grandmother now lh

92

00:03:49,190 --> 00:03:47,760

states that his grandmother witnessed

93

00:03:52,229 --> 00:03:49,200

the entire event

94

00:03:54,070 --> 00:03:52,239

and documented it his living relatives

95

00:03:56,470 --> 00:03:54,080

concur with the account

96

00:03:58,390 --> 00:03:56,480

since his grandmother recalled what had

97

00:04:02,390 --> 00:03:58,400

happened to each of them

98

00:04:05,350 --> 00:04:02,400

his grandmother passed away in 1985.

99

00:04:06,149 --> 00:04:05,360

now lh's parents woke at the abduction

100

00:04:08,070 --> 00:04:06,159

it seems

101
00:04:10,229 --> 00:04:08,080
that they were somehow placed into a

102
00:04:12,470 --> 00:04:10,239
hypnotic state of some type

103
00:04:14,390 --> 00:04:12,480
until the wing being left the premises

104
00:04:16,629 --> 00:04:14,400
with lh

105
00:04:18,310 --> 00:04:16,639
after several minutes they all heard

106
00:04:21,030 --> 00:04:18,320
scratching noises

107
00:04:21,749 --> 00:04:21,040
and a loud thud on the roof lh's father

108
00:04:24,469 --> 00:04:21,759
immediately

109
00:04:26,830 --> 00:04:24,479
gained access to the roof where he saw

110
00:04:29,990 --> 00:04:26,840
lh lying

111
00:04:32,230 --> 00:04:30,000
unconscious they were able to bring

112
00:04:34,550 --> 00:04:32,240
bring lh back into the trailer dry him

113
00:04:36,070 --> 00:04:34,560

off and place him in his bed

114

00:04:37,990 --> 00:04:36,080

they were reluctant to call the

115

00:04:40,629 --> 00:04:38,000

authorities to seek medical assistance

116

00:04:43,909 --> 00:04:40,639

because of a bizarre event

117

00:04:46,390 --> 00:04:43,919

lh recovered but had has had an

118

00:04:49,350 --> 00:04:46,400

emotional problems his entire life

119

00:04:50,710 --> 00:04:49,360

which he attributes to the abduction now

120

00:04:53,110 --> 00:04:50,720

at the time

121

00:04:54,390 --> 00:04:53,120

that the or the mothman prophecy's film

122

00:04:56,870 --> 00:04:54,400

release

123

00:04:58,230 --> 00:04:56,880

he had a mental breakdown after watching

124

00:05:00,469 --> 00:04:58,240

it in the theater

125

00:05:02,550 --> 00:05:00,479

he literally had to leave during the

126

00:05:05,590 --> 00:05:02,560

scene where the mothman caused

127

00:05:08,950 --> 00:05:05,600

the automobile crash and death

128

00:05:12,230 --> 00:05:08,960

he has not attempted to watch film since

129

00:05:13,909 --> 00:05:12,240

i asked lh why he called me he stated

130

00:05:14,790 --> 00:05:13,919

that he had received a call from his

131

00:05:16,550 --> 00:05:14,800

cousin

132

00:05:18,710 --> 00:05:16,560

who was aware of the winged humanoid

133

00:05:21,270 --> 00:05:18,720

sightings in indiana

134

00:05:23,670 --> 00:05:21,280

that's when he was given my contact

135

00:05:25,830 --> 00:05:23,680

information

136

00:05:27,270 --> 00:05:25,840

i am currently in the process of

137

00:05:30,710 --> 00:05:27,280

contacting

138

00:05:32,629 --> 00:05:30,720

his relatives i i was able to get uh

139

00:05:34,550 --> 00:05:32,639

a hold of one and they absolutely

140

00:05:39,029 --> 00:05:34,560

verified robert in the

141

00:05:40,150 --> 00:05:39,039

account uh lhc very forthright but he

142

00:05:41,990 --> 00:05:40,160

was very nervous

143

00:05:44,390 --> 00:05:42,000

he seemed relieved that there have been

144

00:05:47,510 --> 00:05:44,400

other witnesses to a similar wing being

145

00:05:50,469 --> 00:05:47,520

in the indiana state of indiana

146

00:05:51,430 --> 00:05:50,479

so let's get started with tonight's show

147

00:05:53,110 --> 00:05:51,440

tonight's guest

148

00:05:54,710 --> 00:05:53,120

is paranormal investigator and author

149

00:05:56,150 --> 00:05:54,720

dave spanx

150

00:05:59,749 --> 00:05:56,160

dave has been researching and

151
00:06:01,990 --> 00:05:59,759
investigating the paranormal since 1986.

152
00:06:04,150 --> 00:06:02,000
he retired from a 20-plus year career in

153
00:06:06,469 --> 00:06:04,160
u.s military and federal law enforcement

154
00:06:08,309 --> 00:06:06,479
in 2011.

155
00:06:09,909 --> 00:06:08,319
since that time he has conducted several

156
00:06:10,870 --> 00:06:09,919
hundred investigations including

157
00:06:13,189 --> 00:06:10,880
hauntings

158
00:06:15,189 --> 00:06:13,199
reports reports of strange creatures as

159
00:06:17,909 --> 00:06:15,199
well as ufo encounters

160
00:06:21,230 --> 00:06:17,919
his latest book is west virginia bigfoot

161
00:06:23,189 --> 00:06:21,240
and his website can be found at

162
00:06:24,870 --> 00:06:23,199
davespinxparanormalinvestigator.com

163
00:06:26,870 --> 00:06:24,880

dave is also the co-founder of the

164

00:06:28,230 --> 00:06:26,880

society of the supernatural with his

165

00:06:31,029 --> 00:06:28,240

colleague researcher

166

00:06:32,230 --> 00:06:31,039

david weatherly so dave thanks for

167

00:06:35,590 --> 00:06:32,240

joining me

168

00:06:37,670 --> 00:06:35,600

hey thanks for having me online so

169

00:06:39,350 --> 00:06:37,680

you were born and raised in the

170

00:06:40,790 --> 00:06:39,360

mountains of west virginia

171

00:06:42,469 --> 00:06:40,800

and i'm sure you've heard a lot of

172

00:06:44,230 --> 00:06:42,479

stories over the years

173

00:06:48,150 --> 00:06:44,240

but can you tell us a bit about your

174

00:06:51,510 --> 00:06:48,160

personal encounter with bigfoot

175

00:06:53,430 --> 00:06:51,520

yeah um back in 1983 me and my

176

00:06:55,589 --> 00:06:53,440

grandfather my dad's dad were

177

00:06:57,110 --> 00:06:55,599

fishing at a local area here that you

178

00:06:59,110 --> 00:06:57,120

know one of our favorite spots on the

179

00:07:02,550 --> 00:06:59,120

gauley river and um

180

00:07:04,870 --> 00:07:02,560

i was only 13 years old at the time and

181

00:07:06,070 --> 00:07:04,880

my uh you know i i was living in new

182

00:07:07,830 --> 00:07:06,080

mexico at the time

183

00:07:09,350 --> 00:07:07,840

with my mom and my stepdad because he

184

00:07:11,670 --> 00:07:09,360

was in the military

185

00:07:13,270 --> 00:07:11,680

and that's that's where i really grew up

186

00:07:15,029 --> 00:07:13,280

i was born here in west virginia

187

00:07:16,710 --> 00:07:15,039

both sets of my grandparents and all the

188

00:07:17,430 --> 00:07:16,720

rest of my family were here in west

189

00:07:20,790 --> 00:07:17,440

virginia my

190

00:07:21,749 --> 00:07:20,800

dad included and you know i would relish

191

00:07:24,469 --> 00:07:21,759

in the times i

192

00:07:26,070 --> 00:07:24,479

got to spend with my grandparents and my

193

00:07:26,710 --> 00:07:26,080

dad you know we often go hunting and

194

00:07:28,550 --> 00:07:26,720

fishing when

195

00:07:30,950 --> 00:07:28,560

i got to come home to visit everybody

196

00:07:33,909 --> 00:07:30,960

and this was one of those times

197

00:07:34,870 --> 00:07:33,919

and we were fishing at our one of our

198

00:07:37,350 --> 00:07:34,880

favorite spots

199

00:07:39,189 --> 00:07:37,360

and we usually would camp out you know

200

00:07:41,270 --> 00:07:39,199

at that location

201
00:07:42,309 --> 00:07:41,280
it had a nice sandy beach and everything

202
00:07:45,189 --> 00:07:42,319
on the river and

203
00:07:45,830 --> 00:07:45,199
just a great spot and that particular

204
00:07:48,150 --> 00:07:45,840
evening

205
00:07:51,029 --> 00:07:48,160
we uh we had caught our limit you know

206
00:07:53,589 --> 00:07:51,039
of a fish and we had uh

207
00:07:54,869 --> 00:07:53,599
fried them up on the fire and ate like

208
00:07:56,469 --> 00:07:54,879
champs we were full

209
00:07:57,990 --> 00:07:56,479
having a good old time and we were

210
00:08:01,350 --> 00:07:58,000
sitting in the chair just

211
00:08:03,350 --> 00:08:01,360
relaxing and out of nowhere

212
00:08:05,110 --> 00:08:03,360
a giant splash happened out in the

213
00:08:06,950 --> 00:08:05,120

middle of the river

214

00:08:08,710 --> 00:08:06,960

well we didn't know what caused the

215

00:08:09,670 --> 00:08:08,720

splash of course it startled us we

216

00:08:11,270 --> 00:08:09,680

jumped up we were

217

00:08:13,189 --> 00:08:11,280

looking around trying to figure out what

218

00:08:14,950 --> 00:08:13,199

it was because it was huge i mean

219

00:08:16,309 --> 00:08:14,960

it was something very large you know

220

00:08:16,629 --> 00:08:16,319

because you know you know when something

221

00:08:18,469 --> 00:08:16,639

large

222

00:08:20,230 --> 00:08:18,479

hits the water like that it often rains

223

00:08:21,029 --> 00:08:20,240

down water and that's what it was you

224

00:08:23,510 --> 00:08:21,039

know it's just

225

00:08:24,710 --> 00:08:23,520

this huge completion and you can hear

226

00:08:27,430 --> 00:08:24,720

all the rain just

227

00:08:29,510 --> 00:08:27,440

coming down from the splash well the

228

00:08:31,430 --> 00:08:29,520

other side of the river was very steep

229

00:08:33,509 --> 00:08:31,440

and it's an area where people

230

00:08:35,509 --> 00:08:33,519

would very rarely go because of the

231

00:08:37,990 --> 00:08:35,519

steepness of it

232

00:08:38,709 --> 00:08:38,000

and you know i just thought that was

233

00:08:40,469 --> 00:08:38,719

strange

234

00:08:42,709 --> 00:08:40,479

but we did we didn't see anything in the

235

00:08:44,710 --> 00:08:42,719

water at the time so my grandpa thought

236

00:08:45,350 --> 00:08:44,720

well maybe one of a rock rolled off the

237

00:08:48,310 --> 00:08:45,360

cliff

238

00:08:50,070 --> 00:08:48,320

over there or a large branch had fallen

239

00:08:51,269 --> 00:08:50,080

out of one of the trees you know and hit

240

00:08:53,030 --> 00:08:51,279

the water but

241

00:08:55,110 --> 00:08:53,040

we didn't see any branch floating so

242

00:08:57,590 --> 00:08:55,120

that was kind of out of the question

243

00:08:59,509 --> 00:08:57,600

so after after a few minutes of looking

244

00:09:01,030 --> 00:08:59,519

around we just chalked it up as a

245

00:09:02,949 --> 00:09:01,040

whatever you know and we kind of set

246

00:09:06,230 --> 00:09:02,959

back down

247

00:09:08,949 --> 00:09:06,240

and uh within a few minutes

248

00:09:10,870 --> 00:09:08,959

you hear what sounds like something

249

00:09:13,590 --> 00:09:10,880

crashing through the trees

250

00:09:14,150 --> 00:09:13,600

um and i look up out of the corner of my

251
00:09:17,590 --> 00:09:14,160
eye

252
00:09:18,949 --> 00:09:17,600
and i see a huge boulder type rock

253
00:09:20,949 --> 00:09:18,959
coming through the trees at an

254
00:09:23,110 --> 00:09:20,959
upward angle and it comes down and hits

255
00:09:25,670 --> 00:09:23,120
out in the middle of the water

256
00:09:26,790 --> 00:09:25,680
well we of course we jump we jump up and

257
00:09:27,590 --> 00:09:26,800
we're trying to figure out what the

258
00:09:29,269 --> 00:09:27,600
heck's going on

259
00:09:31,509 --> 00:09:29,279
i look back for my grandpa and he's

260
00:09:33,509 --> 00:09:31,519
running for the tent

261
00:09:34,949 --> 00:09:33,519
like what the heck's going on here and

262
00:09:37,750 --> 00:09:34,959
then i realized he was gonna want to get

263
00:09:39,829 --> 00:09:37,760

the shotgun

264

00:09:40,870 --> 00:09:39,839

so he comes back with the you know the

265

00:09:42,790 --> 00:09:40,880

old single shot

266

00:09:44,870 --> 00:09:42,800

shotgun squirrel gun whatever you want

267

00:09:48,070 --> 00:09:44,880

to call it and um

268

00:09:49,910 --> 00:09:48,080

he uh yells across the river and says

269

00:09:50,550 --> 00:09:49,920

you heathen's knocking off or i'm gonna

270

00:09:52,310 --> 00:09:50,560

shoot

271

00:09:54,389 --> 00:09:52,320

so in his mind he's thinking his people

272

00:09:57,269 --> 00:09:54,399

messing with us you know

273

00:09:57,750 --> 00:09:57,279

and this rock that i saw was humongous i

274

00:09:59,350 --> 00:09:57,760

mean

275

00:10:01,190 --> 00:09:59,360

a grown man probably couldn't fit his

276
00:10:03,430 --> 00:10:01,200
arms all the way around you know that's

277
00:10:06,550 --> 00:10:03,440
how big it was

278
00:10:10,069 --> 00:10:06,560
and as he's yelling out you hear this

279
00:10:12,949 --> 00:10:10,079
just very loud guttural freaking

280
00:10:13,509 --> 00:10:12,959
roar scream whatever you want to call it

281
00:10:18,550 --> 00:10:13,519
and

282
00:10:20,710 --> 00:10:18,560
cracks off a shot over there

283
00:10:23,110 --> 00:10:20,720
and then you hear the thing scream again

284
00:10:25,590 --> 00:10:23,120
and then the trees start shaking

285
00:10:26,389 --> 00:10:25,600
like we're talking 40 50 60 foot you

286
00:10:30,470 --> 00:10:26,399
know

287
00:10:31,509 --> 00:10:30,480
trees that are fairly large around you

288
00:10:33,190 --> 00:10:31,519

know and they start

289

00:10:35,030 --> 00:10:33,200

shaking violently as this thing's

290

00:10:35,910 --> 00:10:35,040

screaming and hollering and carrying on

291

00:10:37,910 --> 00:10:35,920

over there

292

00:10:41,430 --> 00:10:37,920

well you know and this is the short

293

00:10:43,910 --> 00:10:41,440

version of the story by the way so

294

00:10:45,030 --> 00:10:43,920

so he yells at me you know get to the

295

00:10:47,110 --> 00:10:45,040

truck boy and we

296

00:10:48,710 --> 00:10:47,120

the truck was about 20 30 yards away i

297

00:10:49,829 --> 00:10:48,720

run to the truck and it was parked in a

298

00:10:51,509 --> 00:10:49,839

way where i could

299

00:10:53,509 --> 00:10:51,519

kind of squat down behind the front

300

00:10:54,389 --> 00:10:53,519

fender and peek around at what was going

301
00:10:58,870 --> 00:10:54,399
on

302
00:11:01,350 --> 00:10:58,880
know five six seven shots over there now

303
00:11:01,990 --> 00:11:01,360
that point of the river is about 60

304
00:11:05,190 --> 00:11:02,000
anywhere from

305
00:11:06,870 --> 00:11:05,200
50 to 75 yards across an old

306
00:11:08,790 --> 00:11:06,880
shotgun is not going to hurt anything it

307
00:11:10,870 --> 00:11:08,800
might piss something off but

308
00:11:12,790 --> 00:11:10,880
you know if it was people would make

309
00:11:13,750 --> 00:11:12,800
them stand up and pay attention but you

310
00:11:15,509 --> 00:11:13,760
know

311
00:11:17,030 --> 00:11:15,519
so as i'm peeking around trying to get a

312
00:11:18,150 --> 00:11:17,040
look at what whatever the heck it is

313
00:11:21,030 --> 00:11:18,160

over there

314

00:11:21,670 --> 00:11:21,040

and my grandfather's you know firing off

315

00:11:25,350 --> 00:11:21,680

rounds

316

00:11:29,350 --> 00:11:25,360

over that way i see this large

317

00:11:31,750 --> 00:11:29,360

hairy you know bipedal creature

318

00:11:33,509 --> 00:11:31,760

walking up about a 45 degree angle up

319

00:11:34,389 --> 00:11:33,519

the mountain away from us and i can

320

00:11:36,870 --> 00:11:34,399

follow it by

321

00:11:39,509 --> 00:11:36,880

seeing the tree shake i mean this thing

322

00:11:41,910 --> 00:11:39,519

rip roaring tearing the woods down

323

00:11:43,350 --> 00:11:41,920

and i only see it from about maybe a

324

00:11:45,509 --> 00:11:43,360

little bit above the waist

325

00:11:47,190 --> 00:11:45,519

you know up i don't see the lower part

326

00:11:48,069 --> 00:11:47,200

of it but you could tell it was walking

327

00:11:49,910 --> 00:11:48,079

like a man

328

00:11:51,350 --> 00:11:49,920

and it was just smashing trees as it

329

00:11:54,470 --> 00:11:51,360

went through you know and just

330

00:11:55,430 --> 00:11:54,480

making one hell of a ruckus well about

331

00:11:57,430 --> 00:11:55,440

that time

332

00:11:58,470 --> 00:11:57,440

i looked and my grandpa comes running

333

00:12:00,629 --> 00:11:58,480

towards me

334

00:12:01,750 --> 00:12:00,639

i guess that you know he had seen what i

335

00:12:04,230 --> 00:12:01,760

saw

336

00:12:05,350 --> 00:12:04,240

and he grabbed me with one arm and threw

337

00:12:07,269 --> 00:12:05,360

me in the truck from

338

00:12:11,030 --> 00:12:07,279

his side and i never touched anything i

339

00:12:12,389 --> 00:12:11,040

just slammed against the passenger side

340

00:12:13,990 --> 00:12:12,399

and he said we're getting out of here

341

00:12:15,350 --> 00:12:14,000

boy that's not of god because my

342

00:12:18,470 --> 00:12:15,360

grandfather was a preacher he's a

343

00:12:21,030 --> 00:12:18,480

baptist minister for 40 years

344

00:12:22,150 --> 00:12:21,040

so he peels out of there we're taking

345

00:12:24,389 --> 00:12:22,160

off up the mountain

346

00:12:26,629 --> 00:12:24,399

you know just bottoming the truck out i

347

00:12:28,389 --> 00:12:26,639

got my hands in my head and my hand and

348

00:12:29,829 --> 00:12:28,399

my head in my hands thinking that i'm

349

00:12:31,269 --> 00:12:29,839

gonna die because

350

00:12:33,990 --> 00:12:31,279

the truck's gonna break down and that

351

00:12:35,910 --> 00:12:34,000

thing's gonna get us

352

00:12:37,750 --> 00:12:35,920

so we finally make it up out of the

353

00:12:39,509 --> 00:12:37,760

woods it's about a two mile drive up out

354

00:12:39,750 --> 00:12:39,519

of there on a really rough dirt road you

355

00:12:41,269 --> 00:12:39,760

know

356

00:12:44,870 --> 00:12:41,279

wasn't maintained or anything we're

357

00:12:46,550 --> 00:12:44,880

bottom line now hitting potholes

358

00:12:47,990 --> 00:12:46,560

and it sounds like pieces of the truck

359

00:12:49,590 --> 00:12:48,000

are just falling off you know i'm just

360

00:12:50,629 --> 00:12:49,600

like oh my god something we're gonna

361

00:12:51,030 --> 00:12:50,639

we're gonna get stranded and that

362

00:12:53,590 --> 00:12:51,040

thing's

363

00:12:55,350 --> 00:12:53,600

to get us so we finally make it back to

364

00:12:56,470 --> 00:12:55,360

the hard top we drive around for a while

365

00:12:58,710 --> 00:12:56,480

my grandfather's not

366

00:13:00,310 --> 00:12:58,720

saying anything and i'm you know i was

367

00:13:01,269 --> 00:13:00,320

scared because he was scared and this

368

00:13:02,790 --> 00:13:01,279

guy

369

00:13:04,310 --> 00:13:02,800

he's not scared of nothing you know he

370

00:13:06,389 --> 00:13:04,320

stormed the beaches at normandy

371

00:13:07,750 --> 00:13:06,399

i mean he was a medic and in world war

372

00:13:10,629 --> 00:13:07,760

ii he seen everything

373

00:13:11,110 --> 00:13:10,639

you know and and to see him scared

374

00:13:13,990 --> 00:13:11,120

really

375

00:13:15,829 --> 00:13:14,000

scared me even more so we pull off the

376

00:13:17,590 --> 00:13:15,839

road finally after about a half an hour

377

00:13:19,269 --> 00:13:17,600

driving around and he said

378

00:13:20,150 --> 00:13:19,279

son we better not tell no one about this

379

00:13:21,509 --> 00:13:20,160

because they're going to think we're

380

00:13:24,949 --> 00:13:21,519

crazy

381

00:13:26,629 --> 00:13:24,959

and you know you know

382

00:13:28,629 --> 00:13:26,639

and he was a you know he didn't want his

383

00:13:31,110 --> 00:13:28,639

parishioners thinking he was drinking or

384

00:13:33,030 --> 00:13:31,120

whatever the case may be you know so we

385

00:13:33,509 --> 00:13:33,040

know i never talked about it you know

386

00:13:35,110 --> 00:13:33,519

and

387

00:13:36,949 --> 00:13:35,120

there's kind of a funny side to this

388

00:13:38,629 --> 00:13:36,959

story too so i you know i kept that

389

00:13:39,509 --> 00:13:38,639

quiet all these years but at the same

390

00:13:41,189 --> 00:13:39,519

time

391

00:13:42,710 --> 00:13:41,199

i wanted to know what the heck it was

392

00:13:43,990 --> 00:13:42,720

that i saw and

393

00:13:46,710 --> 00:13:44,000

you know back in those days we didn't

394

00:13:48,949 --> 00:13:46,720

have the luxury of the internet so i was

395

00:13:51,189 --> 00:13:48,959

you know i had to uh search the local

396

00:13:53,030 --> 00:13:51,199

libraries magazine articles and

397

00:13:55,269 --> 00:13:53,040

and newspapers and whatnot and lo and

398

00:13:57,110 --> 00:13:55,279

behold i started coming across

399

00:13:58,870 --> 00:13:57,120

other accounts from people around the

400

00:14:00,470 --> 00:13:58,880

world that have seen something very

401

00:14:03,670 --> 00:14:00,480

similar to what i saw

402

00:14:05,350 --> 00:14:03,680

so i knew what i saw then i wasn't crazy

403

00:14:06,470 --> 00:14:05,360

you know other people had seen this type

404

00:14:08,550 --> 00:14:06,480

of creature

405

00:14:10,870 --> 00:14:08,560

and then i saw you know i didn't even

406

00:14:12,710 --> 00:14:10,880

know i never even heard of the patterson

407

00:14:15,189 --> 00:14:12,720

gimlin film i didn't even know about

408

00:14:17,110 --> 00:14:15,199

bigfoot back then until i started you

409

00:14:19,350 --> 00:14:17,120

know finding out other people had seen

410

00:14:21,670 --> 00:14:19,360

it and then i saw the show in search of

411

00:14:23,350 --> 00:14:21,680

and i was like oh okay there's something

412

00:14:24,710 --> 00:14:23,360

to this you know there's something going

413

00:14:26,790 --> 00:14:24,720

on here

414

00:14:27,829 --> 00:14:26,800

so the funny part of the story is you

415

00:14:29,590 --> 00:14:27,839

know several

416

00:14:31,829 --> 00:14:29,600

uh well it's been about almost three

417

00:14:33,910 --> 00:14:31,839

years ago now he died

418

00:14:36,629 --> 00:14:33,920

and i never told anybody about you know

419

00:14:39,269 --> 00:14:36,639

because i promised him we made a promise

420

00:14:41,030 --> 00:14:39,279

so i i called my uncle up and i said hey

421

00:14:42,629 --> 00:14:41,040

i'm gonna i'm gonna write about

422

00:14:44,069 --> 00:14:42,639

you know something that mean happened to

423

00:14:45,910 --> 00:14:44,079

me and grandpa you know

424

00:14:47,990 --> 00:14:45,920

back in the woods when we were fishing

425

00:14:49,110 --> 00:14:48,000

back in 83 i'm gonna write about it in a

426
00:14:51,509 --> 00:14:49,120
book

427
00:14:53,590 --> 00:14:51,519
and he said oh you're talking about that

428
00:14:55,269 --> 00:14:53,600
time you and papa i saw that monkey man

429
00:14:58,310 --> 00:14:55,279
in the woods

430
00:14:59,110 --> 00:14:58,320
and i'm like what i said you he told you

431
00:15:02,310 --> 00:14:59,120
and he said yeah

432
00:15:04,150 --> 00:15:02,320
he he told me like 20 25 years ago told

433
00:15:05,990 --> 00:15:04,160
me the whole story and he came to me one

434
00:15:07,509 --> 00:15:06,000
day he said hey stanton i gotta get

435
00:15:09,350 --> 00:15:07,519
something off my chest

436
00:15:11,030 --> 00:15:09,360
you know in case something happens to me

437
00:15:11,509 --> 00:15:11,040
i want someone else to know what me and

438
00:15:14,310 --> 00:15:11,519

david

439

00:15:14,710 --> 00:15:14,320

saw that day so here i am keeping that

440

00:15:16,790 --> 00:15:14,720

stuff

441

00:15:17,750 --> 00:15:16,800

secret the whole you know my entire life

442

00:15:20,870 --> 00:15:17,760

almost

443

00:15:22,550 --> 00:15:20,880

and he told my uncle about it so i was

444

00:15:25,269 --> 00:15:22,560

just sitting there dumbfounded

445

00:15:27,750 --> 00:15:25,279

and then my uncle proceeds to tell me

446

00:15:30,949 --> 00:15:27,760

that he and his friends had an encounter

447

00:15:34,710 --> 00:15:30,959

pretty near the same place we did

448

00:15:36,150 --> 00:15:34,720

um many years uh before that when they

449

00:15:38,069 --> 00:15:36,160

were young kids out there

450

00:15:39,829 --> 00:15:38,079

they used to go to this old moonshiners

451
00:15:41,590 --> 00:15:39,839
cave and they would camp out and drink

452
00:15:43,590 --> 00:15:41,600
and carry on and stuff

453
00:15:44,790 --> 00:15:43,600
and then he told me about our uncle

454
00:15:48,230 --> 00:15:44,800
george

455
00:15:51,350 --> 00:15:48,240
who was my grandma's brother

456
00:15:53,110 --> 00:15:51,360
who was in you know several miles away

457
00:15:55,269 --> 00:15:53,120
but pretty much in the same vicinity he

458
00:15:58,310 --> 00:15:55,279
was cutting firewood in that area one

459
00:16:01,590 --> 00:15:58,320
time and he had an encounter with one

460
00:16:03,749 --> 00:16:01,600
so out of nowhere i had all these

461
00:16:05,749 --> 00:16:03,759
reports just from my immediate family

462
00:16:07,030 --> 00:16:05,759
which really blew me away you know and i

463
00:16:08,870 --> 00:16:07,040

was like wow

464

00:16:10,550 --> 00:16:08,880

and then over the years as i you know

465

00:16:11,350 --> 00:16:10,560

investigated and researched more into

466

00:16:13,910 --> 00:16:11,360

this stuff i

467

00:16:15,749 --> 00:16:13,920

started you know get uh accumulating off

468

00:16:17,110 --> 00:16:15,759

these accounts from many people in west

469

00:16:19,590 --> 00:16:17,120

virginia

470

00:16:21,590 --> 00:16:19,600

um friend of friends and you know stuff

471

00:16:22,230 --> 00:16:21,600

like that and i had enough to put in a

472

00:16:25,269 --> 00:16:22,240

book and i

473

00:16:28,069 --> 00:16:25,279

i've got a lot more and that's basically

474

00:16:30,790 --> 00:16:28,079

how the book came about

475

00:16:32,389 --> 00:16:30,800

well that's pretty similar to how i got

476

00:16:34,230 --> 00:16:32,399

interested in it as well because i had

477

00:16:36,470 --> 00:16:34,240

my encounter 81

478

00:16:37,509 --> 00:16:36,480

and of course i heard of bigfoot but you

479

00:16:38,949 --> 00:16:37,519

know

480

00:16:41,749 --> 00:16:38,959

and i had been involved with the

481

00:16:44,790 --> 00:16:41,759

paranormal for a while but i had no

482

00:16:47,990 --> 00:16:44,800

no real intentions of going looking for

483

00:16:49,590 --> 00:16:48,000

cryptids but you know when you see

484

00:16:50,790 --> 00:16:49,600

something like that it makes a big

485

00:16:52,389 --> 00:16:50,800

impression

486

00:16:54,389 --> 00:16:52,399

and of course you want to know what the

487

00:16:57,189 --> 00:16:54,399

hell was you saw

488

00:16:58,870 --> 00:16:57,199

so yeah i can understand it completely

489

00:17:00,949 --> 00:16:58,880

yeah that's really what started me in

490

00:17:03,990 --> 00:17:00,959

the paranormal you know

491

00:17:05,909 --> 00:17:04,000

uh that's what really uh

492

00:17:07,669 --> 00:17:05,919

you know i had to know what the hell it

493

00:17:08,309 --> 00:17:07,679

was i saw and i wanted to know and you

494

00:17:11,350 --> 00:17:08,319

know i wanted

495

00:17:14,870 --> 00:17:11,360

answers what am i crazy or did we

496

00:17:17,829 --> 00:17:14,880

what did we see here you know so it just

497

00:17:20,309 --> 00:17:17,839

you know it landed you know it just set

498

00:17:23,350 --> 00:17:20,319

me on my own path so to speak and uh

499

00:17:26,230 --> 00:17:23,360

been doing it ever since really so what

500

00:17:28,710 --> 00:17:26,240

part of west virginia was this

501

00:17:30,390 --> 00:17:28,720

um it's in nicholas county it's a it's a

502

00:17:33,029 --> 00:17:30,400

river called the gauley river

503

00:17:34,310 --> 00:17:33,039

and it runs into the new river into the

504

00:17:37,510 --> 00:17:34,320

new river gorge

505

00:17:40,070 --> 00:17:37,520

okay i live i now live only

506

00:17:41,990 --> 00:17:40,080

about five a little less than five miles

507

00:17:43,350 --> 00:17:42,000

away from where the encounter happened i

508

00:17:44,470 --> 00:17:43,360

live on top of a mountain in the middle

509

00:17:47,669 --> 00:17:44,480

of the woods and

510

00:17:48,310 --> 00:17:47,679

uh it's very very close and i i'm

511

00:17:50,070 --> 00:17:48,320

actively

512

00:17:51,669 --> 00:17:50,080

researching that area again but you know

513

00:17:53,350 --> 00:17:51,679

after my encounter i didn't go into the

514

00:17:55,190 --> 00:17:53,360

woods for several years and i grew up

515

00:17:58,310 --> 00:17:55,200

hunting and fishing you know and

516

00:17:59,990 --> 00:17:58,320

yeah you know it really uh

517

00:18:01,830 --> 00:18:00,000

it really scared the living hell out of

518

00:18:03,590 --> 00:18:01,840

me because this thing was massive it was

519

00:18:05,750 --> 00:18:03,600

like two of my grandpa was a

520

00:18:07,750 --> 00:18:05,760

huge man he was six foot five it's just

521

00:18:10,630 --> 00:18:07,760

a big hulking man

522

00:18:11,590 --> 00:18:10,640

and this thing was two of him wide and

523

00:18:13,270 --> 00:18:11,600

you know and

524

00:18:15,190 --> 00:18:13,280

i mean when something has enough power

525

00:18:16,070 --> 00:18:15,200

to shake a tree like this thing was

526
00:18:18,789 --> 00:18:16,080
doing

527
00:18:19,190 --> 00:18:18,799
i mean these were huge freaking trees

528
00:18:22,549 --> 00:18:19,200
man

529
00:18:23,350 --> 00:18:22,559
probably at least 12 15 inches around 60

530
00:18:24,549 --> 00:18:23,360
feet tall

531
00:18:26,950 --> 00:18:24,559
and they were shaking like they were

532
00:18:28,470 --> 00:18:26,960
twigs in the air you know and branches

533
00:18:29,430 --> 00:18:28,480
were falling off of them and everything

534
00:18:31,510 --> 00:18:29,440
else and

535
00:18:33,750 --> 00:18:31,520
the sound this thing makes just sends

536
00:18:35,990 --> 00:18:33,760
shivers you know i'll never forget it

537
00:18:36,870 --> 00:18:36,000
you know i used to have nightmares about

538
00:18:39,110 --> 00:18:36,880

it when i was a kid

539

00:18:40,230 --> 00:18:39,120

because of the sound it was so guttural

540

00:18:41,990 --> 00:18:40,240

and so loud and in it

541

00:18:43,669 --> 00:18:42,000

on top of that it echoed through the

542

00:18:46,789 --> 00:18:43,679

canyon you know

543

00:18:49,909 --> 00:18:46,799

and it was just man you don't

544

00:18:54,710 --> 00:18:49,919

you will never mistake that sound

545

00:18:56,950 --> 00:18:54,720

you know i agree i mean it's um

546

00:18:58,870 --> 00:18:56,960

it's definitely a life-changing

547

00:19:00,070 --> 00:18:58,880

experience when you see something like

548

00:19:03,190 --> 00:19:00,080

that

549

00:19:04,710 --> 00:19:03,200

um and you know you're preaching to the

550

00:19:05,990 --> 00:19:04,720

choir because i know exactly what it

551
00:19:08,150 --> 00:19:06,000
feels like

552
00:19:09,750 --> 00:19:08,160
now you know west virginia i mean west

553
00:19:12,470 --> 00:19:09,760
virginia is pretty well known for

554
00:19:14,310 --> 00:19:12,480
for bigfoot sightings i mean there there

555
00:19:15,830 --> 00:19:14,320
have been a lot of reports that come out

556
00:19:18,950 --> 00:19:15,840
throughout the state that

557
00:19:22,710 --> 00:19:18,960
you know what aspects

558
00:19:23,430 --> 00:19:22,720
of uh the the bigfoot that are reported

559
00:19:27,270 --> 00:19:23,440
in

560
00:19:29,110 --> 00:19:27,280
same as anywhere else or

561
00:19:30,470 --> 00:19:29,120
is there there's some bit of a

562
00:19:32,390 --> 00:19:30,480
difference

563
00:19:33,909 --> 00:19:32,400

well i think um if you take a look at

564

00:19:35,110 --> 00:19:33,919

like the bfro

565

00:19:38,710 --> 00:19:35,120

you know and there's some other

566

00:19:40,710 --> 00:19:38,720

reporting sites like the gcbro or

567

00:19:42,230 --> 00:19:40,720

pardon me if i said that wrong but

568

00:19:44,630 --> 00:19:42,240

there's several

569

00:19:46,950 --> 00:19:44,640

internet reporting sites and if you look

570

00:19:47,510 --> 00:19:46,960

at the bfro they've got around a hundred

571

00:19:50,070 --> 00:19:47,520

hundred and

572

00:19:51,669 --> 00:19:50,080

between 105 something like that reports

573

00:19:53,029 --> 00:19:51,679

just in west virginia

574

00:19:55,669 --> 00:19:53,039

and then if you take the other one

575

00:19:58,710 --> 00:19:55,679

they've got i don't know 50 or so

576

00:19:59,190 --> 00:19:58,720

but i myself i've i have at least that

577

00:20:02,470 --> 00:19:59,200

many

578

00:20:05,029 --> 00:20:02,480

people

579

00:20:06,390 --> 00:20:05,039

you know have reports that don't line up

580

00:20:07,990 --> 00:20:06,400

with the same ones

581

00:20:09,669 --> 00:20:08,000

you know that are already reported on

582

00:20:12,390 --> 00:20:09,679

the internet um

583

00:20:13,830 --> 00:20:12,400

you know and then there's lots and lots

584

00:20:16,390 --> 00:20:13,840

of people that have had

585

00:20:17,350 --> 00:20:16,400

uh encounters and they won't they don't

586

00:20:19,350 --> 00:20:17,360

share it with other

587

00:20:20,390 --> 00:20:19,360

folks you know they might tell their

588

00:20:22,549 --> 00:20:20,400

brother-in-law

589

00:20:23,669 --> 00:20:22,559

or you know someone close to them

590

00:20:25,350 --> 00:20:23,679

because people you know

591

00:20:26,870 --> 00:20:25,360

especially in rural areas people are

592

00:20:28,149 --> 00:20:26,880

pretty tight-lipped about stuff like

593

00:20:29,430 --> 00:20:28,159

that and they don't want people coming

594

00:20:32,870 --> 00:20:29,440

in here and they don't want people

595

00:20:34,310 --> 00:20:32,880

thinking they're crazy you know um

596

00:20:35,990 --> 00:20:34,320

and that's what's really compelling

597

00:20:37,350 --> 00:20:36,000

about some of the reports i put in the

598

00:20:39,190 --> 00:20:37,360

book you know these are coming from

599

00:20:41,350 --> 00:20:39,200

police officers

600

00:20:44,310 --> 00:20:41,360

lawyers doctors teachers people that

601
00:20:46,230 --> 00:20:44,320
have something you know reputations to

602
00:20:48,149 --> 00:20:46,240
uh that could be damaged you know by

603
00:20:48,950 --> 00:20:48,159
coming out and going out into the public

604
00:20:51,270 --> 00:20:48,960
and saying

605
00:20:52,390 --> 00:20:51,280
hey i you know one night i saw this

606
00:20:53,990 --> 00:20:52,400
freaking

607
00:20:55,909 --> 00:20:54,000
eight foot tall hairy creature in my

608
00:20:56,470 --> 00:20:55,919
backyard or whatever the case may be you

609
00:20:57,909 --> 00:20:56,480
know

610
00:20:59,590 --> 00:20:57,919
so you gotta take that into

611
00:21:03,510 --> 00:20:59,600
consideration when you uh

612
00:21:07,510 --> 00:21:03,520
read these type of reports and whatnot

613
00:21:09,590 --> 00:21:07,520

um what what areas of west virginia

614

00:21:10,630 --> 00:21:09,600

do you consider hot spots now i know for

615

00:21:13,110 --> 00:21:10,640

a fact

616

00:21:14,789 --> 00:21:13,120

i the reports i've received out of west

617

00:21:16,630 --> 00:21:14,799

virginia it seems like

618

00:21:18,549 --> 00:21:16,640

some of the strangest reports come out

619

00:21:21,909 --> 00:21:18,559

of the dalai saads area

620

00:21:23,110 --> 00:21:21,919

now oh yeah i mean i've gotten upright

621

00:21:25,270 --> 00:21:23,120

canines and

622

00:21:26,310 --> 00:21:25,280

other type of cryptid sightings there

623

00:21:29,990 --> 00:21:26,320

but

624

00:21:33,110 --> 00:21:30,000

it seems that that area itself offers a

625

00:21:36,230 --> 00:21:33,120

lot of different types of uh

626

00:21:38,149 --> 00:21:36,240

cryptid sightings yeah i think i think

627

00:21:40,470 --> 00:21:38,159

you know west virginia in general is a

628

00:21:42,710 --> 00:21:40,480

small state you know and a number of

629

00:21:43,990 --> 00:21:42,720

the number of reported sightings is

630

00:21:46,549 --> 00:21:44,000

actually really high

631

00:21:48,230 --> 00:21:46,559

for such a small you know state but you

632

00:21:48,870 --> 00:21:48,240

got to take into account the state in

633

00:21:52,149 --> 00:21:48,880

general

634

00:21:52,470 --> 00:21:52,159

also is very rural and very mountainous

635

00:21:55,510 --> 00:21:52,480

and

636

00:21:57,590 --> 00:21:55,520

very remote in some places now the area

637

00:21:58,710 --> 00:21:57,600

the area you're talking about is dolly

638

00:22:00,870 --> 00:21:58,720

saads and that's

639

00:22:02,390 --> 00:22:00,880

lies right in the heart of the manga

640

00:22:05,190 --> 00:22:02,400

gila national forest

641

00:22:08,070 --> 00:22:05,200

right the monk gila is a very very

642

00:22:10,950 --> 00:22:08,080

remote and rugged area of the state

643

00:22:11,350 --> 00:22:10,960

it's a huge expanse of land and there

644

00:22:13,750 --> 00:22:11,360

are

645

00:22:15,510 --> 00:22:13,760

literally thousands of cave systems

646

00:22:17,750 --> 00:22:15,520

there are plenty of there's plenty of

647

00:22:19,190 --> 00:22:17,760

cover and food for an animal such as

648

00:22:22,950 --> 00:22:19,200

bigfoot to survive

649

00:22:25,029 --> 00:22:22,960

there's you know um that's where they

650

00:22:26,470 --> 00:22:25,039

basically take all the problematic bears

651
00:22:28,390 --> 00:22:26,480
and they dump them you know

652
00:22:30,549 --> 00:22:28,400
take them out of the suburban areas and

653
00:22:32,470 --> 00:22:30,559
whatnot and is that right

654
00:22:33,990 --> 00:22:32,480
oh yeah they take all the bears out

655
00:22:34,789 --> 00:22:34,000
there and dump them off there because

656
00:22:37,909 --> 00:22:34,799
it's such

657
00:22:40,470 --> 00:22:37,919
so remote you know um and

658
00:22:42,789 --> 00:22:40,480
um they're you know it's just a it's a

659
00:22:45,029 --> 00:22:42,799
huge experience and dolly sausage yes

660
00:22:46,789 --> 00:22:45,039
does have a very large amount of reports

661
00:22:48,870 --> 00:22:46,799
of bigfoot that whole area

662
00:22:50,870 --> 00:22:48,880
over in there is just one of them one of

663
00:22:51,270 --> 00:22:50,880

those areas that have reports of pretty

664

00:22:55,350 --> 00:22:51,280

much

665

00:22:57,909 --> 00:22:55,360

everything um uh dogman you know bigfoot

666

00:22:59,510 --> 00:22:57,919

uh goat i've even got a few goat man

667

00:23:01,990 --> 00:22:59,520

sightings in that area but you know some

668

00:23:03,750 --> 00:23:02,000

of those could be mistaken identities uh

669

00:23:05,350 --> 00:23:03,760

someone saw a bigfoot thought it was a

670

00:23:08,390 --> 00:23:05,360

dog man or vice versa

671

00:23:10,549 --> 00:23:08,400

you know but bigfoot has a hole in west

672

00:23:12,870 --> 00:23:10,559

virginia is literally you know

673

00:23:14,149 --> 00:23:12,880

all around the state you know that's of

674

00:23:15,909 --> 00:23:14,159

course i think the mon

675

00:23:18,390 --> 00:23:15,919

as i call it the monk hilo national

676

00:23:21,590 --> 00:23:18,400

forest is a very hot spot

677

00:23:24,549 --> 00:23:21,600

um up north on the border of pa

678

00:23:25,510 --> 00:23:24,559

in west virginia chestnut ridge area

679

00:23:27,669 --> 00:23:25,520

chestnut

680

00:23:29,430 --> 00:23:27,679

runs right into morgantown right on the

681

00:23:31,430 --> 00:23:29,440

outskirts of morgantown

682

00:23:34,149 --> 00:23:31,440

there's a lot of reports at cooper's

683

00:23:37,350 --> 00:23:34,159

rock and all that area up there

684

00:23:40,310 --> 00:23:37,360

there's also a lot of reports down here

685

00:23:42,070 --> 00:23:40,320

in the um southern counties south

686

00:23:44,950 --> 00:23:42,080

southeastern counties

687

00:23:46,710 --> 00:23:44,960

uh like greenbrier county pocahontas

688

00:23:47,590 --> 00:23:46,720

county has a bunch and all these

689

00:23:50,310 --> 00:23:47,600

counties lie

690

00:23:51,029 --> 00:23:50,320

right on the on the edge and some are

691

00:23:53,190 --> 00:23:51,039

right in

692

00:23:54,789 --> 00:23:53,200

the manga gila national forest even

693

00:23:56,549 --> 00:23:54,799

monroe county down the border of

694

00:23:56,870 --> 00:23:56,559

virginia has a lot of accounts and

695

00:24:00,310 --> 00:23:56,880

there's

696

00:24:02,470 --> 00:24:00,320

a really good one in my book um a man

697

00:24:04,149 --> 00:24:02,480

you know woke up one morning fresh snow

698

00:24:06,310 --> 00:24:04,159

on the ground and there's a single uh

699

00:24:08,310 --> 00:24:06,320

trackway going right coming out of his

700

00:24:09,990 --> 00:24:08,320

cow pasture going right past his house

701
00:24:13,269 --> 00:24:10,000
under a clothesline

702
00:24:15,029 --> 00:24:13,279
um and the tracks were like he had a

703
00:24:16,549 --> 00:24:15,039
he has a big walking stick he carries

704
00:24:17,990 --> 00:24:16,559
and he laid it down next to the tracks

705
00:24:20,470 --> 00:24:18,000
you can see it in the book

706
00:24:21,350 --> 00:24:20,480
i think it was 67 inches apart the

707
00:24:24,630 --> 00:24:21,360
spread

708
00:24:28,230 --> 00:24:24,640
on this thing it was long yeah it was

709
00:24:29,269 --> 00:24:28,240
huge and they actually recovered a tuft

710
00:24:31,269 --> 00:24:29,279
of hair

711
00:24:32,789 --> 00:24:31,279
on the clothes line because the thing

712
00:24:34,950 --> 00:24:32,799
had actually grabbed a hold of

713
00:24:37,750 --> 00:24:34,960

clothesline and went underneath of it

714

00:24:39,590 --> 00:24:37,760

and they turned it in and there was

715

00:24:41,190 --> 00:24:39,600

police officers involved and everything

716

00:24:42,149 --> 00:24:41,200

they turned it in and never heard

717

00:24:44,870 --> 00:24:42,159

anything back

718

00:24:45,750 --> 00:24:44,880

this and got no information no response

719

00:24:47,190 --> 00:24:45,760

after numerous

720

00:24:49,430 --> 00:24:47,200

inquiries because they were trying to

721

00:24:50,950 --> 00:24:49,440

get a dna sample off of it but

722

00:24:53,510 --> 00:24:50,960

the local veterinarian and everything

723

00:24:53,830 --> 00:24:53,520

was involved and it goes to show you

724

00:24:55,430 --> 00:24:53,840

that

725

00:24:57,029 --> 00:24:55,440

to me it's one of those cover-up

726

00:25:00,230 --> 00:24:57,039

situations again

727

00:25:03,510 --> 00:25:00,240

oh yeah well i know about that

728

00:25:05,909 --> 00:25:03,520

yeah so uh

729

00:25:07,269 --> 00:25:05,919

what why don't you give us another

730

00:25:08,789 --> 00:25:07,279

account that's probably

731

00:25:11,110 --> 00:25:08,799

that's one of your favorites out of the

732

00:25:13,990 --> 00:25:11,120

book oh yeah

733

00:25:14,470 --> 00:25:14,000

um one of my one of the most bizarre

734

00:25:15,990 --> 00:25:14,480

ones

735

00:25:18,310 --> 00:25:16,000

is from a friend of mine who's another

736

00:25:21,669 --> 00:25:18,320

bigfoot researcher in the state

737

00:25:23,909 --> 00:25:21,679

um his name's chris allen and he was

738

00:25:25,590 --> 00:25:23,919

him and his ex-wife his ex-wife was a

739

00:25:26,390 --> 00:25:25,600

naturalist worked for the state and they

740

00:25:29,029 --> 00:25:26,400

camped out

741

00:25:30,149 --> 00:25:29,039

all the time i'm talking all all times

742

00:25:31,430 --> 00:25:30,159

of the year out in the middle of the

743

00:25:34,230 --> 00:25:31,440

boondocks

744

00:25:35,510 --> 00:25:34,240

in the snow and everything and one of

745

00:25:39,029 --> 00:25:35,520

the accounts in the book you

746

00:25:40,549 --> 00:25:39,039

gave me was really just mind-blowing and

747

00:25:43,750 --> 00:25:40,559

you've probably heard some accounts like

748

00:25:46,549 --> 00:25:43,760

this from other states and whatnot but

749

00:25:48,549 --> 00:25:46,559

anyway as it goes him and his wife went

750

00:25:51,669 --> 00:25:48,559

out to an area

751
00:25:52,710 --> 00:25:51,679
and a camping area and it was it wasn't

752
00:25:55,510 --> 00:25:52,720
a remote area

753
00:25:56,710 --> 00:25:55,520
but it was a location uh where people

754
00:25:57,350 --> 00:25:56,720
camped but it was in the middle of the

755
00:25:59,110 --> 00:25:57,360
winter and

756
00:26:01,510 --> 00:25:59,120
nobody was there so they pitched the

757
00:26:03,350 --> 00:26:01,520
tent and he said right away his two dogs

758
00:26:04,549 --> 00:26:03,360
were always happy go lucky were acting

759
00:26:06,549 --> 00:26:04,559
very very strange

760
00:26:08,789 --> 00:26:06,559
out of the norm they didn't want to run

761
00:26:10,630 --> 00:26:08,799
around and carry you know play like dogs

762
00:26:12,149 --> 00:26:10,640
do and they they just want it in their

763
00:26:13,750 --> 00:26:12,159

little box that he kept them in the

764

00:26:15,510 --> 00:26:13,760

winter time to keep them warm

765

00:26:17,590 --> 00:26:15,520

so he opened in the box and they hopped

766

00:26:18,950 --> 00:26:17,600

in and they didn't come out

767

00:26:21,029 --> 00:26:18,960

and there was about a foot and a half of

768

00:26:22,830 --> 00:26:21,039

snow on the ground and

769

00:26:24,149 --> 00:26:22,840

so he he got his tent set up and

770

00:26:28,070 --> 00:26:24,159

everything

771

00:26:30,070 --> 00:26:28,080

and they went to bed for the night and

772

00:26:32,710 --> 00:26:30,080

in the middle of the night he heard all

773

00:26:34,549 --> 00:26:32,720

this ruckus going on outside

774

00:26:36,149 --> 00:26:34,559

and as he's laying there he was about to

775

00:26:36,950 --> 00:26:36,159

get up and he looked over at his wife

776

00:26:38,710 --> 00:26:36,960

and she was

777

00:26:40,789 --> 00:26:38,720

laying there in the tent you know next

778

00:26:41,110 --> 00:26:40,799

to him and her eyes were very wide-eyed

779

00:26:53,430 --> 00:26:41,120

and

780

00:26:56,549 --> 00:26:53,440

chest

781

00:26:57,669 --> 00:26:56,559

well anyway they didn't move

782

00:26:59,669 --> 00:26:57,679

they didn't get out they didn't know

783

00:27:01,510 --> 00:26:59,679

what to do

784

00:27:02,789 --> 00:27:01,520

waited till the crack in the you know he

785

00:27:05,269 --> 00:27:02,799

kind of like smacked the

786

00:27:06,070 --> 00:27:05,279

at the tent and the hand just let off

787

00:27:08,149 --> 00:27:06,080

and nothing else

788

00:27:09,590 --> 00:27:08,159

happened so they waited till the crack

789

00:27:12,390 --> 00:27:09,600

of dawn

790

00:27:13,110 --> 00:27:12,400

he started peeking his head out and he

791

00:27:15,510 --> 00:27:13,120

started seeing

792

00:27:16,390 --> 00:27:15,520

all these deer tracks around his tent

793

00:27:17,909 --> 00:27:16,400

and there was

794

00:27:20,070 --> 00:27:17,919

just a he looks it looked like a whole

795

00:27:21,750 --> 00:27:20,080

herd of deer had come through there then

796

00:27:24,630 --> 00:27:21,760

he started noticing what looked

797

00:27:25,830 --> 00:27:24,640

like human bare foot tracks all around

798

00:27:29,669 --> 00:27:25,840

and they were huge

799

00:27:31,110 --> 00:27:29,679

15 15 or 15 18 inches he said

800

00:27:32,710 --> 00:27:31,120

roughly he was just guesstimating

801
00:27:34,230 --> 00:27:32,720
because he didn't have you know a ruler

802
00:27:35,909 --> 00:27:34,240
with him or anything

803
00:27:37,669 --> 00:27:35,919
so he starts looking around and he said

804
00:27:40,389 --> 00:27:37,679
the dogs would still not come out of the

805
00:27:42,389 --> 00:27:40,399
box they were whimpering and whining

806
00:27:44,549 --> 00:27:42,399
and he starts looking around and he said

807
00:27:45,269 --> 00:27:44,559
man something's just not right here and

808
00:27:46,870 --> 00:27:45,279
they uh

809
00:27:49,269 --> 00:27:46,880
they started packing up their gear and

810
00:27:51,750 --> 00:27:49,279
stuff and

811
00:27:53,510 --> 00:27:51,760
he saw something laying off the side of

812
00:27:54,230 --> 00:27:53,520
the you know the camp there and he

813
00:27:57,430 --> 00:27:54,240

walked over

814

00:27:59,909 --> 00:27:57,440

and he found a doji ear laying there

815

00:28:01,830 --> 00:27:59,919

with steam still coming out of her mouth

816

00:28:05,590 --> 00:28:01,840

and there was like a football

817

00:28:10,310 --> 00:28:08,870

and he said it was he said man it

818

00:28:10,870 --> 00:28:10,320

freaked him out he didn't know what to

819

00:28:13,350 --> 00:28:10,880

do

820

00:28:15,350 --> 00:28:13,360

and he just he knew right then and there

821

00:28:17,990 --> 00:28:15,360

that it seemed like to him

822

00:28:18,549 --> 00:28:18,000

that the bigfoot were possibly hunting

823

00:28:20,870 --> 00:28:18,559

deer

824

00:28:22,070 --> 00:28:20,880

and he got he just hauled they hauled

825

00:28:23,269 --> 00:28:22,080

blood out of there they packed their

826

00:28:24,710 --> 00:28:23,279

gear up and left

827

00:28:26,230 --> 00:28:24,720

because they they felt like something

828

00:28:26,870 --> 00:28:26,240

was watching them you know and they were

829

00:28:28,310 --> 00:28:26,880

like

830

00:28:30,310 --> 00:28:28,320

and they were just they were out of

831

00:28:31,909 --> 00:28:30,320

there and that's a really startling

832

00:28:34,070 --> 00:28:31,919

account because you hear all these

833

00:28:38,230 --> 00:28:34,080

accounts of bigfoot's killing deer

834

00:28:40,070 --> 00:28:38,240

for food and whatnot so you know

835

00:28:42,470 --> 00:28:40,080

and that happened right here in west

836

00:28:45,590 --> 00:28:42,480

virginia as well

837

00:28:46,470 --> 00:28:45,600

well you know um when you were you

838

00:28:48,470 --> 00:28:46,480

talked about the

839

00:28:49,750 --> 00:28:48,480

the chestnut ridge and that whole area

840

00:28:52,070 --> 00:28:49,760

runs down into

841

00:28:53,909 --> 00:28:52,080

from uh westmoreland county down south

842

00:28:57,830 --> 00:28:53,919

into west virginia

843

00:29:00,310 --> 00:28:57,840

um now yeah i'm pretty sure you're aware

844

00:29:01,990 --> 00:29:00,320

of other activity i mean especially ufo

845

00:29:02,710 --> 00:29:02,000

activity associated with bigfoot

846

00:29:04,310 --> 00:29:02,720

sightings

847

00:29:06,149 --> 00:29:04,320

have you run across a lot of that in

848

00:29:08,630 --> 00:29:06,159

west virginia

849

00:29:10,310 --> 00:29:08,640

um i've got several accounts from folks

850

00:29:12,950 --> 00:29:10,320

over the years that uh

851
00:29:13,909 --> 00:29:12,960
had either saw a ufo and then had a

852
00:29:16,549 --> 00:29:13,919
bigfoot encounter

853
00:29:18,870 --> 00:29:16,559
or vice versa they saw a bigfoot and

854
00:29:21,430 --> 00:29:18,880
then saw strange lights in the sky

855
00:29:23,909 --> 00:29:21,440
so it just makes you wonder that uh is

856
00:29:26,950 --> 00:29:23,919
there some kind of correlation or

857
00:29:29,990 --> 00:29:26,960
uh are they are they related you know is

858
00:29:32,549 --> 00:29:30,000
are are these things ets or are

859
00:29:33,510 --> 00:29:32,559
ets watching them as well we don't know

860
00:29:36,630 --> 00:29:33,520
you know

861
00:29:39,110 --> 00:29:36,640
it's pretty fascinating stuff

862
00:29:41,669 --> 00:29:39,120
yeah there does seem to be some

863
00:29:43,510 --> 00:29:41,679

correlation there i mean

864

00:29:45,350 --> 00:29:43,520

the more and more that we've been

865

00:29:47,430 --> 00:29:45,360

looking into cryptid activity and i'm

866

00:29:50,630 --> 00:29:47,440

just not talking about bigfoot

867

00:29:51,830 --> 00:29:50,640

uh there does seem to be a connection

868

00:29:55,029 --> 00:29:51,840

somehow

869

00:29:55,350 --> 00:29:55,039

with other type of paranormal activity i

870

00:29:58,470 --> 00:29:55,360

hear

871

00:29:59,830 --> 00:29:58,480

more researchers and investigators talk

872

00:30:03,430 --> 00:29:59,840

about that

873

00:30:05,029 --> 00:30:03,440

uh orb activity associated with bigfoot

874

00:30:08,549 --> 00:30:05,039

sightings

875

00:30:10,870 --> 00:30:08,559

uh ufo activity

876

00:30:12,789 --> 00:30:10,880

it just seems you know and you know it's

877

00:30:13,510 --> 00:30:12,799

it's interesting because you know years

878

00:30:16,070 --> 00:30:13,520

ago

879

00:30:17,190 --> 00:30:16,080

you didn't hear a whole lot about that

880

00:30:20,549 --> 00:30:17,200

but you don't see

881

00:30:22,310 --> 00:30:20,559

now for whatever reason it's either

882

00:30:23,029 --> 00:30:22,320

people are being more observant or

883

00:30:28,710 --> 00:30:23,039

they're

884

00:30:30,549 --> 00:30:28,720

associated with the sighting but there

885

00:30:32,149 --> 00:30:30,559

does seem to be more of that coming you

886

00:30:34,230 --> 00:30:32,159

know coming forward

887

00:30:36,149 --> 00:30:34,240

yeah i think a lot of that lawn would be

888

00:30:38,230 --> 00:30:36,159

um you know back in the old days you've

889

00:30:40,950 --> 00:30:38,240

been around a while you know

890

00:30:43,430 --> 00:30:40,960

you couldn't do both you were either you

891

00:30:45,590 --> 00:30:43,440

were either a ufo researcher or slash

892

00:30:47,909 --> 00:30:45,600

investigator or a bigfoot guy

893

00:30:49,909 --> 00:30:47,919

yeah and you know if you tried to talk

894

00:30:51,029 --> 00:30:49,919

about the two in the same sentence to

895

00:30:53,430 --> 00:30:51,039

the wrong people

896

00:30:54,389 --> 00:30:53,440

i mean they would get really irate you

897

00:30:57,909 --> 00:30:54,399

know

898

00:30:58,950 --> 00:30:57,919

um and now thankfully it's coming to a

899

00:31:00,710 --> 00:30:58,960

point where

900

00:31:02,830 --> 00:31:00,720

people are starting to notice there's a

901
00:31:05,990 --> 00:31:02,840
lot of similarities and a lot of

902
00:31:08,470 --> 00:31:06,000
crossover you know with these type of uh

903
00:31:09,350 --> 00:31:08,480
encounters and sightings and stuff so

904
00:31:10,950 --> 00:31:09,360
folks are finally

905
00:31:12,870 --> 00:31:10,960
starting to think outside the box a

906
00:31:14,549 --> 00:31:12,880
little bit better uh

907
00:31:17,430 --> 00:31:14,559
and seeing if there is some kind of

908
00:31:20,149 --> 00:31:17,440
relation between these things

909
00:31:22,389 --> 00:31:20,159
well and and also i mean there just

910
00:31:25,110 --> 00:31:22,399
seems to be um

911
00:31:27,190 --> 00:31:25,120
oh i don't know you know do you look at

912
00:31:30,230 --> 00:31:27,200
the uh you look at the situation

913
00:31:32,149 --> 00:31:30,240

or the theories about bigfoot itself uh

914

00:31:33,269 --> 00:31:32,159
as being either flesh and blood

915

00:31:36,149 --> 00:31:33,279
indigenous

916

00:31:38,070 --> 00:31:36,159
or some type of supernatural being there

917

00:31:40,710 --> 00:31:38,080
used to be a point where

918

00:31:41,990 --> 00:31:40,720
you very rarely can get anybody to agree

919

00:31:43,269 --> 00:31:42,000
with your talk to you about the

920

00:31:45,590 --> 00:31:43,279
supernatural

921

00:31:46,549 --> 00:31:45,600
possibilities but i think more and more

922

00:31:49,669 --> 00:31:46,559
researchers are

923

00:31:51,590 --> 00:31:49,679
getting to be open-minded about it and

924

00:31:54,389 --> 00:31:51,600
it seems to be a little more accepted

925

00:31:56,230 --> 00:31:54,399
now as compared to what it used to be

926

00:31:58,549 --> 00:31:56,240

oh yeah absolutely and then you know you

927

00:31:59,830 --> 00:31:58,559

have more encounters and reports coming

928

00:32:01,590 --> 00:31:59,840

in from people that

929

00:32:03,110 --> 00:32:01,600

have claimed to have seen a bigfoot

930

00:32:05,590 --> 00:32:03,120

walking in the woods

931

00:32:06,389 --> 00:32:05,600

and simply go behind a tree and

932

00:32:08,950 --> 00:32:06,399

disappear

933

00:32:10,549 --> 00:32:08,960

and their trackway stops and everything

934

00:32:11,750 --> 00:32:10,559

so you know you have to take those some

935

00:32:14,950 --> 00:32:11,760

of those reports into

936

00:32:16,950 --> 00:32:14,960

uh consideration like that does it have

937

00:32:18,870 --> 00:32:16,960

supernatural abilities is it from

938

00:32:21,029 --> 00:32:18,880

another dimension is it an e.t

939

00:32:22,230 --> 00:32:21,039

we don't know you know that's why what

940

00:32:24,789 --> 00:32:22,240

we're all doing we're trying to find

941

00:32:28,230 --> 00:32:24,799

answers is the puzzle you know

942

00:32:30,950 --> 00:32:28,240

uh now in in your time investigating in

943

00:32:33,590 --> 00:32:30,960

west virginia where anywhere else

944

00:32:34,630 --> 00:32:33,600

what have you come across any uh

945

00:32:38,710 --> 00:32:34,640

distinctive

946

00:32:39,509 --> 00:32:38,720

physical uh evidence um i've got a few

947

00:32:43,669 --> 00:32:39,519

tracks

948

00:32:46,389 --> 00:32:43,679

um that that i consider legit um

949

00:32:47,990 --> 00:32:46,399

some you know some folks they'll call

950

00:32:49,669 --> 00:32:48,000

you up and they'll say hey i got this

951

00:32:50,950 --> 00:32:49,679

these weird tracks in my yard or

952

00:32:51,509 --> 00:32:50,960

whatever the case you go out and check

953

00:32:53,430 --> 00:32:51,519

them out

954

00:32:55,990 --> 00:32:53,440

and they turn out to be just uh bear

955

00:32:58,710 --> 00:32:56,000

tracks one one inside the other one

956

00:32:59,990 --> 00:32:58,720

um yeah i've got a few castings of of

957

00:33:03,830 --> 00:33:00,000

tracks here in the state

958

00:33:05,190 --> 00:33:03,840

and uh a few picks and stuff like that

959

00:33:08,470 --> 00:33:05,200

i've never seen

960

00:33:10,789 --> 00:33:08,480

any um actually like you know

961

00:33:12,710 --> 00:33:10,799

i wish i could come across a tuft of

962

00:33:15,509 --> 00:33:12,720

hair or something that i could

963

00:33:16,789 --> 00:33:15,519

say was definitely bigfoot but uh and

964

00:33:18,549 --> 00:33:16,799

get it turned in but

965

00:33:20,389 --> 00:33:18,559

unfortunately i haven't come across any

966

00:33:21,909 --> 00:33:20,399

of that yet like i said i was involved

967

00:33:22,710 --> 00:33:21,919

with that case where they turned in the

968

00:33:25,830 --> 00:33:22,720

one

969

00:33:27,830 --> 00:33:25,840

um down there in monroe county and never

970

00:33:31,269 --> 00:33:27,840

got a single word

971

00:33:33,990 --> 00:33:31,279

or anything back with anything on it

972

00:33:35,909 --> 00:33:34,000

and their calls and emails are just

973

00:33:38,389 --> 00:33:35,919

disregarded never answered

974

00:33:39,669 --> 00:33:38,399

right so you know it's very it's highly

975

00:33:41,190 --> 00:33:39,679

suspicious

976
00:33:42,630 --> 00:33:41,200
you know at least they could tell them

977
00:33:43,430 --> 00:33:42,640
something but they wouldn't tell them

978
00:33:44,870 --> 00:33:43,440
anything

979
00:33:47,029 --> 00:33:44,880
like if they could have said no it was a

980
00:33:49,750 --> 00:33:47,039
bear or was this or was that

981
00:33:50,789 --> 00:33:49,760
but nothing you know that's highly

982
00:33:55,509 --> 00:33:50,799
suspect to me

983
00:33:57,990 --> 00:33:55,519
you know so if someone wanted to

984
00:33:59,269 --> 00:33:58,000
what's up like that a lot of weird tree

985
00:34:01,269 --> 00:33:59,279
breaks and uh

986
00:34:03,110 --> 00:34:01,279
a few structures i've come across in the

987
00:34:05,990 --> 00:34:03,120
woods stuff like that

988
00:34:07,590 --> 00:34:06,000

so you know the the typical stuff

989

00:34:11,430 --> 00:34:07,600

everyone seems to find

990

00:34:15,270 --> 00:34:11,440

but as of yet no hard hard evidence

991

00:34:17,270 --> 00:34:15,280

yeah well you know it was if somebody

992

00:34:20,069 --> 00:34:17,280

was interested

993

00:34:20,790 --> 00:34:20,079

in going out and and investigating

994

00:34:23,349 --> 00:34:20,800

bigfoot

995

00:34:24,629 --> 00:34:23,359

say they came to you and asked you well

996

00:34:27,270 --> 00:34:24,639

what should i do

997

00:34:29,909 --> 00:34:27,280

what should i expect what would you say

998

00:34:35,349 --> 00:34:31,669

i say well i hope you got a whole lot of

999

00:34:38,950 --> 00:34:35,359

time and money

1000

00:34:41,190 --> 00:34:38,960

no it's not it's just something you you

1001
00:34:42,950 --> 00:34:41,200
aren't getting paid for or ever should

1002
00:34:46,310 --> 00:34:42,960
plan to make any money off of

1003
00:34:48,149 --> 00:34:46,320
absolutely yeah i mean you know

1004
00:34:50,149 --> 00:34:48,159
it's it's a fun thing to do the first

1005
00:34:51,349 --> 00:34:50,159
thing i would recommend recommend is get

1006
00:34:53,030 --> 00:34:51,359
with some folks that

1007
00:34:55,109 --> 00:34:53,040
have been doing it for a while you know

1008
00:34:56,950 --> 00:34:55,119
kind of tag along and watch how they do

1009
00:34:58,550 --> 00:34:56,960
things and uh formulate your own

1010
00:35:01,030 --> 00:34:58,560
opinions and

1011
00:35:01,829 --> 00:35:01,040
you know go with them and learn you know

1012
00:35:03,910 --> 00:35:01,839
just

1013
00:35:05,349 --> 00:35:03,920

do more listening than talking you know

1014

00:35:07,670 --> 00:35:05,359

and see how things are done

1015

00:35:09,430 --> 00:35:07,680

and you know there's a whole there's a

1016

00:35:10,390 --> 00:35:09,440

whole bunch of different things you know

1017

00:35:12,630 --> 00:35:10,400

you have to know how to

1018

00:35:14,630 --> 00:35:12,640

interview folks you have to ask the

1019

00:35:17,190 --> 00:35:14,640

right type of questions

1020

00:35:18,230 --> 00:35:17,200

to these folks you know and then you

1021

00:35:21,430 --> 00:35:18,240

need to have

1022

00:35:22,069 --> 00:35:21,440

a a good background in in tracking i

1023

00:35:25,349 --> 00:35:22,079

would say

1024

00:35:28,470 --> 00:35:25,359

you know what to look for and what to uh

1025

00:35:29,829 --> 00:35:28,480

know what is legit and what is something

1026
00:35:31,990 --> 00:35:29,839
you know what's the difference between a

1027
00:35:33,430 --> 00:35:32,000
bear track and a bigfoot

1028
00:35:35,510 --> 00:35:33,440
stuff like that you know you need to

1029
00:35:36,390 --> 00:35:35,520
know the basics of some of that stuff at

1030
00:35:38,710 --> 00:35:36,400
least

1031
00:35:40,710 --> 00:35:38,720
and um you know do a lot of reading you

1032
00:35:42,150 --> 00:35:40,720
know i mean that's about the tips i

1033
00:35:45,030 --> 00:35:42,160
could give someone

1034
00:35:46,390 --> 00:35:45,040
um read read read man and get with folks

1035
00:35:47,829 --> 00:35:46,400
that have been doing it a while i mean

1036
00:35:51,349 --> 00:35:47,839
that's only you know really all

1037
00:35:54,230 --> 00:35:51,359
you can do right so

1038
00:35:55,910 --> 00:35:54,240

what's your personal opinion on the

1039

00:35:59,030 --> 00:35:55,920

paraphysic

1040

00:36:00,870 --> 00:35:59,040

aspects of a bigfoot are the theories do

1041

00:36:03,349 --> 00:36:00,880

you believe that

1042

00:36:04,310 --> 00:36:03,359

it's all flesh and blood some is flesh

1043

00:36:06,870 --> 00:36:04,320

and blood or

1044

00:36:09,190 --> 00:36:06,880

they're supernatural you know this is a

1045

00:36:12,470 --> 00:36:09,200

supernatural being

1046

00:36:12,950 --> 00:36:12,480

well i'm still formulating my opinion on

1047

00:36:15,910 --> 00:36:12,960

that

1048

00:36:17,829 --> 00:36:15,920

lon but i think uh what i saw was a

1049

00:36:19,990 --> 00:36:17,839

flesh and blood creature

1050

00:36:22,230 --> 00:36:20,000

that may have uh some type of

1051
00:36:22,710 --> 00:36:22,240
supernatural abilities whatever they may

1052
00:36:26,230 --> 00:36:22,720
be

1053
00:36:27,109 --> 00:36:26,240
you know um i mean i saw the thing until

1054
00:36:30,470 --> 00:36:27,119
it disappeared

1055
00:36:31,990 --> 00:36:30,480
into the thicket you know and i didn't

1056
00:36:35,190 --> 00:36:32,000
see any supernatural

1057
00:36:37,190 --> 00:36:35,200
uh powers if you will

1058
00:36:38,550 --> 00:36:37,200
or whatever you want to call it um when

1059
00:36:40,150 --> 00:36:38,560
i saw my mind but

1060
00:36:41,750 --> 00:36:40,160
you gotta remember too i was a 13 year

1061
00:36:42,790 --> 00:36:41,760
old boy and i was scared out of my witch

1062
00:36:44,069 --> 00:36:42,800
i didn't i wasn't even

1063
00:36:47,190 --> 00:36:44,079

i just wanted to get the hell out of

1064

00:36:48,790 --> 00:36:47,200

there so over the years you know hearing

1065

00:36:49,109 --> 00:36:48,800

all these other reports from folks you

1066

00:36:52,230 --> 00:36:49,119

know

1067

00:36:53,589 --> 00:36:52,240

having seen them disappear and then you

1068

00:36:55,589 --> 00:36:53,599

talk about you know

1069

00:36:57,589 --> 00:36:55,599

people seeing uh strange lights in the

1070

00:36:59,349 --> 00:36:57,599

sky and everything else when these

1071

00:37:01,349 --> 00:36:59,359

things are being seen

1072

00:37:03,109 --> 00:37:01,359

then you know you gotta kind of step

1073

00:37:05,109 --> 00:37:03,119

back and say whoa you know

1074

00:37:06,790 --> 00:37:05,119

what is this thing you know and there's

1075

00:37:08,950 --> 00:37:06,800

many different takes on that from many

1076

00:37:11,109 --> 00:37:08,960

different researchers and investigators

1077

00:37:12,069 --> 00:37:11,119

um some people think it's some sort of

1078

00:37:14,390 --> 00:37:12,079

uh

1079

00:37:15,510 --> 00:37:14,400

native american spirit that is a

1080

00:37:17,829 --> 00:37:15,520

protector of the

1081

00:37:19,510 --> 00:37:17,839

of the woods some people think it's an

1082

00:37:21,109 --> 00:37:19,520

interdimensional creature some people

1083

00:37:22,790 --> 00:37:21,119

think it's an et and some people think

1084

00:37:23,430 --> 00:37:22,800

it's the missing link between man and

1085

00:37:25,990 --> 00:37:23,440

nate

1086

00:37:27,990 --> 00:37:26,000

so you know i'm not sure what the hell

1087

00:37:29,589 --> 00:37:28,000

it is i'm just trying to

1088

00:37:32,550 --> 00:37:29,599

you know i'm doing my thing trying to

1089

00:37:35,829 --> 00:37:32,560

find answers like everyone else

1090

00:37:37,430 --> 00:37:35,839

yeah i mean you know i guess i've come

1091

00:37:41,109 --> 00:37:37,440

maybe full circle

1092

00:37:42,790 --> 00:37:41,119

as as far as what you know my thoughts

1093

00:37:44,710 --> 00:37:42,800

have been on bigfoot you know when i

1094

00:37:47,270 --> 00:37:44,720

first had the encounter

1095

00:37:49,510 --> 00:37:47,280

and that was an 81 you know i was all

1096

00:37:51,589 --> 00:37:49,520

flushing blood i figured

1097

00:37:54,230 --> 00:37:51,599

i mean it did i saw this thing and i

1098

00:37:57,349 --> 00:37:54,240

figured well you know this thing is real

1099

00:37:59,589 --> 00:37:57,359

and i had

1100

00:38:01,349 --> 00:37:59,599

i wasn't even thinking about this thing

1101
00:38:03,349 --> 00:38:01,359
being possibly something

1102
00:38:04,790 --> 00:38:03,359
other than a flesh and blood being but

1103
00:38:07,430 --> 00:38:04,800
you know

1104
00:38:10,710 --> 00:38:07,440
after all these years of re receiving

1105
00:38:14,870 --> 00:38:10,720
reports and people talking to people

1106
00:38:17,109 --> 00:38:14,880
uh you really start to question it

1107
00:38:18,150 --> 00:38:17,119
yeah they're just too much they're just

1108
00:38:21,430 --> 00:38:18,160
too much

1109
00:38:21,750 --> 00:38:21,440
anecdotal evidence and it is anecdotal

1110
00:38:25,030 --> 00:38:21,760
but

1111
00:38:27,430 --> 00:38:25,040
it's it's still evidence right and

1112
00:38:29,270 --> 00:38:27,440
some of it is so weird and so hard to

1113
00:38:31,430 --> 00:38:29,280

believe

1114

00:38:33,270 --> 00:38:31,440

uh you get somebody says they'd be

1115

00:38:35,030 --> 00:38:33,280

fouling and it just suddenly disappeared

1116

00:38:36,870 --> 00:38:35,040

and there's no way in hell

1117

00:38:38,950 --> 00:38:36,880

this thing ducked behind a tree or got

1118

00:38:42,150 --> 00:38:38,960

some place where they didn't see it

1119

00:38:43,510 --> 00:38:42,160

or you you'd follow a track line and it

1120

00:38:45,430 --> 00:38:43,520

just suddenly ends like the things

1121

00:38:47,910 --> 00:38:45,440

sprouted wings and took off

1122

00:38:49,430 --> 00:38:47,920

i mean this this is the kind of stuff

1123

00:38:54,630 --> 00:38:49,440

you hear

1124

00:38:56,550 --> 00:38:54,640

and it makes you wonder

1125

00:38:57,829 --> 00:38:56,560

yeah and you know these reports are like

1126

00:39:00,150 --> 00:38:57,839

i said they're coming from credible

1127

00:39:03,190 --> 00:39:00,160

people like law enforcement officers

1128

00:39:03,589 --> 00:39:03,200

uh and whatnot you know that uh really

1129

00:39:06,390 --> 00:39:03,599

have

1130

00:39:07,829 --> 00:39:06,400

nothing to gain by uh you know sharing

1131

00:39:08,870 --> 00:39:07,839

their encounters and their sightings of

1132

00:39:11,190 --> 00:39:08,880

these things

1133

00:39:12,550 --> 00:39:11,200

they're just as uh stumped as as the

1134

00:39:14,790 --> 00:39:12,560

rest of us when they

1135

00:39:15,589 --> 00:39:14,800

you know when they had their encounter

1136

00:39:17,270 --> 00:39:15,599

and

1137

00:39:18,870 --> 00:39:17,280

you know when they tell you things like

1138

00:39:20,950 --> 00:39:18,880

that you have to stand up and pay

1139

00:39:22,630 --> 00:39:20,960

attention to it

1140

00:39:26,069 --> 00:39:22,640

yeah there's just a lot of it out there

1141

00:39:28,470 --> 00:39:26,079

i mean you just kind of wonder what

1142

00:39:29,510 --> 00:39:28,480

and you know and this is another thing i

1143

00:39:31,510 --> 00:39:29,520

mean we

1144

00:39:33,670 --> 00:39:31,520

butch and i which wilkowski and i have

1145

00:39:35,510 --> 00:39:33,680

been working on these uh

1146

00:39:37,109 --> 00:39:35,520

these upright canine societies up here

1147

00:39:38,470 --> 00:39:37,119

in pennsylvania of course we're getting

1148

00:39:40,870 --> 00:39:38,480

you know you get the dogma

1149

00:39:42,150 --> 00:39:40,880

upright canine sightings in a lot of

1150

00:39:43,829 --> 00:39:42,160

different places

1151

00:39:46,870 --> 00:39:43,839

and there's a lot down in west virginia

1152

00:39:49,510 --> 00:39:46,880

too but you wonder now

1153

00:39:51,109 --> 00:39:49,520

how many if some of the sightings people

1154

00:39:53,990 --> 00:39:51,119

are are getting

1155

00:39:54,550 --> 00:39:54,000

or a misidentification i mean if it if

1156

00:39:59,270 --> 00:39:54,560

it was

1157

00:40:01,829 --> 00:39:59,280

actually a bigfoot

1158

00:40:04,230 --> 00:40:01,839

right and you know you know to me

1159

00:40:05,910 --> 00:40:04,240

primarily most of my encounters seem to

1160

00:40:07,510 --> 00:40:05,920

have been reported you know as being at

1161

00:40:09,750 --> 00:40:07,520

night um

1162

00:40:12,150 --> 00:40:09,760

and you know that that's very easy with

1163

00:40:14,710 --> 00:40:12,160

shadows and and stuff like that to

1164

00:40:16,150 --> 00:40:14,720

you know think you saw something and it

1165

00:40:19,990 --> 00:40:16,160

may have looked like a

1166

00:40:22,470 --> 00:40:20,000

wolf man or a dog because of the shadow

1167

00:40:24,150 --> 00:40:22,480

play involved you know most people here

1168

00:40:26,069 --> 00:40:24,160

live out like say where i live out in

1169

00:40:28,630 --> 00:40:26,079

the out in the mountains

1170

00:40:29,190 --> 00:40:28,640

mountainous areas they all have dust

1171

00:40:32,069 --> 00:40:29,200

dated

1172

00:40:34,230 --> 00:40:32,079

dust daylight lights you know and they

1173

00:40:36,109 --> 00:40:34,240

create a lot of shadows around the trees

1174

00:40:38,309 --> 00:40:36,119

so you know yeah it definitely could be

1175

00:40:39,510 --> 00:40:38,319

misidentification in some cases but not

1176

00:40:41,430 --> 00:40:39,520

always you know

1177

00:40:42,550 --> 00:40:41,440

it just is what it is you have to take

1178

00:40:44,710 --> 00:40:42,560

all that into account

1179

00:40:45,829 --> 00:40:44,720

and um you know they might have saw they

1180

00:40:49,349 --> 00:40:45,839

thought they it had a

1181

00:40:50,309 --> 00:40:49,359

you know a tainted type nose and face on

1182

00:40:52,309 --> 00:40:50,319

it but it could have been

1183

00:40:54,390 --> 00:40:52,319

a shadow as well you know it's just hard

1184

00:40:56,710 --> 00:40:54,400

to say

1185

00:40:58,230 --> 00:40:56,720

unless you got the thing five feet in

1186

00:41:00,069 --> 00:40:58,240

front of your vehicle and it's standing

1187

00:41:01,589 --> 00:41:00,079

there looking you in the face then

1188

00:41:04,230 --> 00:41:01,599

you know there's always that chance of a

1189

00:41:06,390 --> 00:41:04,240

misidentification of something

1190

00:41:08,390 --> 00:41:06,400

well why don't you give us another

1191

00:41:12,550 --> 00:41:08,400

account that uh

1192

00:41:16,630 --> 00:41:14,710

i there's one that's another favorite of

1193

00:41:17,750 --> 00:41:16,640

mine and it comes from a three-year-old

1194

00:41:19,670 --> 00:41:17,760

little boy now

1195

00:41:21,750 --> 00:41:19,680

a three-year-old little boy would not

1196

00:41:24,790 --> 00:41:21,760

know anything about a bigfoot

1197

00:41:27,990 --> 00:41:24,800

or what it was you know that he saw

1198

00:41:31,030 --> 00:41:28,000

he just told everyone what he saw right

1199

00:41:32,630 --> 00:41:31,040

and the story is right here in uh

1200

00:41:34,870 --> 00:41:32,640

right down the road in richwood west

1201
00:41:36,550 --> 00:41:34,880
virginia when he saw this thing he was

1202
00:41:39,589 --> 00:41:36,560
three he was almost four

1203
00:41:41,349 --> 00:41:39,599
um and his mom his house and his

1204
00:41:42,790 --> 00:41:41,359
grandpa's house were basically right

1205
00:41:44,390 --> 00:41:42,800
next door to each other

1206
00:41:45,910 --> 00:41:44,400
and he would go you know he would play

1207
00:41:47,270 --> 00:41:45,920
and this this encounter happened during

1208
00:41:49,670 --> 00:41:47,280
the day too

1209
00:41:51,349 --> 00:41:49,680
um he would play and run back and forth

1210
00:41:52,870 --> 00:41:51,359
from his grandpa's house to his house

1211
00:41:54,230 --> 00:41:52,880
they were right there you know 20 feet

1212
00:41:57,030 --> 00:41:54,240
away or whatever

1213
00:41:57,910 --> 00:41:57,040

well between the houses the mountain

1214

00:41:59,750 --> 00:41:57,920

went up behind the

1215

00:42:01,910 --> 00:41:59,760

you know behind their houses and there

1216

00:42:03,910 --> 00:42:01,920

was a an old logging road there behind

1217

00:42:06,470 --> 00:42:03,920

the house and whatnot

1218

00:42:07,270 --> 00:42:06,480

and he was out there playing and one

1219

00:42:08,790 --> 00:42:07,280

evening it was

1220

00:42:10,309 --> 00:42:08,800

you know still daylight plenty of

1221

00:42:13,430 --> 00:42:10,319

daylight left

1222

00:42:16,550 --> 00:42:13,440

and he uh

1223

00:42:19,670 --> 00:42:16,560

saw what he reported as being a

1224

00:42:20,230 --> 00:42:19,680

large hairy man looking at him covered

1225

00:42:22,390 --> 00:42:20,240

in hair

1226

00:42:23,670 --> 00:42:22,400

and he freaked out and he went screaming

1227

00:42:26,309 --> 00:42:23,680

home you know and

1228

00:42:27,349 --> 00:42:26,319

he to this day he does not play outside

1229

00:42:29,109 --> 00:42:27,359

by himself

1230

00:42:30,710 --> 00:42:29,119

and he's about eight years seven or

1231

00:42:33,430 --> 00:42:30,720

eight years old now

1232

00:42:35,510 --> 00:42:33,440

and you know his whole account was

1233

00:42:37,349 --> 00:42:35,520

describing that bigfoot he said it was

1234

00:42:40,630 --> 00:42:37,359

bigger than his dad and his grandpa

1235

00:42:43,430 --> 00:42:40,640

it was covered in uh brownish red hair

1236

00:42:45,030 --> 00:42:43,440

and uh it was standing there looking at

1237

00:42:50,390 --> 00:42:45,040

him

1238

00:42:51,829 --> 00:42:50,400

uh and i've been i actually talked to

1239

00:42:52,790 --> 00:42:51,839

the kid and interviewed him and you know

1240

00:42:54,790 --> 00:42:52,800

you could tell

1241

00:42:56,950 --> 00:42:54,800

i mean he was telling the truth he he

1242

00:42:58,309 --> 00:42:56,960

still will tell he'd describe it exactly

1243

00:43:00,790 --> 00:42:58,319

the same as he did when he was that

1244

00:43:03,910 --> 00:43:00,800

little today

1245

00:43:06,950 --> 00:43:03,920

so you know you you talk about

1246

00:43:08,710 --> 00:43:06,960

a child and experience with bigfoot i

1247

00:43:11,349 --> 00:43:08,720

have to go back to that

1248

00:43:12,069 --> 00:43:11,359

that recent encounter with a boy down in

1249

00:43:15,109 --> 00:43:12,079

north carolina

1250

00:43:17,589 --> 00:43:15,119

was lost oh yeah and he told everybody

1251
00:43:18,550 --> 00:43:17,599
that he he was actually rescued by a

1252
00:43:21,589 --> 00:43:18,560
bear

1253
00:43:23,430 --> 00:43:21,599
now you know

1254
00:43:24,790 --> 00:43:23,440
i don't know what to really think about

1255
00:43:31,589 --> 00:43:24,800
it

1256
00:43:33,510 --> 00:43:31,599
or some hairy alien of some type but i

1257
00:43:35,270 --> 00:43:33,520
don't believe he was a bear

1258
00:43:36,550 --> 00:43:35,280
no a bear would have ate him being that

1259
00:43:38,150 --> 00:43:36,560
little

1260
00:43:40,390 --> 00:43:38,160
even being a black bear he would have

1261
00:43:44,150 --> 00:43:40,400
took it you know you took him out

1262
00:43:46,150 --> 00:43:44,160
yeah absolutely yeah i mean

1263
00:43:47,910 --> 00:43:46,160

that's a food source for a bear you know

1264

00:43:51,589 --> 00:43:47,920

a little kid that small

1265

00:43:53,270 --> 00:43:51,599

i mean you know um and another thing is

1266

00:43:53,990 --> 00:43:53,280

this time of year the bears are the

1267

00:43:56,470 --> 00:43:54,000

black bears are

1268

00:43:57,430 --> 00:43:56,480

even hibernating you know so that's

1269

00:43:59,670 --> 00:43:57,440

right

1270

00:44:01,430 --> 00:43:59,680

you know they're not out and about very

1271

00:44:02,790 --> 00:44:01,440

rarely unless it's some kind of sick

1272

00:44:03,750 --> 00:44:02,800

bear and if it would have been a sick

1273

00:44:06,470 --> 00:44:03,760

rabbit bear

1274

00:44:08,069 --> 00:44:06,480

it would have uh took the kid out anyway

1275

00:44:11,030 --> 00:44:08,079

so

1276

00:44:13,109 --> 00:44:11,040

it does not make sense it was to me i

1277

00:44:15,829 --> 00:44:13,119

wholeheartedly think it was a bigfoot

1278

00:44:16,390 --> 00:44:15,839

well you know that story and you know

1279

00:44:18,309 --> 00:44:16,400

when i

1280

00:44:20,390 --> 00:44:18,319

first heard about that story then i

1281

00:44:23,349 --> 00:44:20,400

heard about you know this uh

1282

00:44:24,550 --> 00:44:23,359

teacher being mauled to death down there

1283

00:44:26,870 --> 00:44:24,560

as well

1284

00:44:28,870 --> 00:44:26,880

you know i i don't know what the deal is

1285

00:44:32,470 --> 00:44:28,880

with that but i you know i talked to

1286

00:44:34,550 --> 00:44:32,480

um i talked to one of the people that

1287

00:44:38,069 --> 00:44:34,560

was involved with the search

1288

00:44:41,109 --> 00:44:38,079

for this child and uh

1289

00:44:43,109 --> 00:44:41,119

you know i i was trying to get someone

1290

00:44:44,630 --> 00:44:43,119

who was involved with to give me the

1291

00:44:47,990 --> 00:44:44,640

skinny on it

1292

00:44:49,349 --> 00:44:48,000

and this guy was with one of the local

1293

00:44:51,750 --> 00:44:49,359

authorities i mean he was

1294

00:44:53,670 --> 00:44:51,760

you know one of the sheriff's office i

1295

00:44:56,630 --> 00:44:53,680

believe that's what it was

1296

00:44:58,230 --> 00:44:56,640

and he told me he said you know there

1297

00:45:01,829 --> 00:44:58,240

was nobody out there looking for

1298

00:45:04,150 --> 00:45:01,839

bear you know when this kid you know

1299

00:45:06,470 --> 00:45:04,160

after this kid was found

1300

00:45:07,990 --> 00:45:06,480

you know they wanted to look around they

1301
00:45:09,349 --> 00:45:08,000
were they were a lot of helicopter

1302
00:45:11,670 --> 00:45:09,359
searches to see if there was

1303
00:45:13,910 --> 00:45:11,680
you know what was going on and they

1304
00:45:19,270 --> 00:45:13,920
weren't looking for a bear

1305
00:45:21,109 --> 00:45:19,280
no so uh you know i i think it was in

1306
00:45:22,790 --> 00:45:21,119
i thought it was interesting that they

1307
00:45:25,510 --> 00:45:22,800
were actually following up

1308
00:45:26,309 --> 00:45:25,520
on this after the kid was found but

1309
00:45:28,309 --> 00:45:26,319
apparently

1310
00:45:29,910 --> 00:45:28,319
there were people interested in trying

1311
00:45:31,750 --> 00:45:29,920
to get behind the story

1312
00:45:32,950 --> 00:45:31,760
you know i guess they probably would

1313
00:45:35,510 --> 00:45:32,960

have done that because

1314

00:45:36,069 --> 00:45:35,520

uh say somebody would have kidnapped the

1315

00:45:38,230 --> 00:45:36,079

kid

1316

00:45:39,990 --> 00:45:38,240

and he they had told them but you know

1317

00:45:43,190 --> 00:45:40,000

not saying and say look

1318

00:45:44,630 --> 00:45:43,200

you know make up some story but

1319

00:45:47,190 --> 00:45:44,640

you know i don't know i don't know what

1320

00:45:50,550 --> 00:45:47,200

the situation was but he told me

1321

00:45:52,550 --> 00:45:50,560

he said we were not looking for no bear

1322

00:45:54,710 --> 00:45:52,560

so i don't i don't know i don't know

1323

00:45:57,589 --> 00:45:54,720

what to believe as far as that goes

1324

00:45:58,230 --> 00:45:57,599

but it's an interesting story definitely

1325

00:46:00,630 --> 00:45:58,240

interesting

1326

00:46:02,790 --> 00:46:00,640

and uh you know it goes back to that

1327

00:46:04,230 --> 00:46:02,800

that story way back in the 70s that

1328

00:46:06,470 --> 00:46:04,240

little boy dennis

1329

00:46:07,589 --> 00:46:06,480

was kidnapped down there in tennessee

1330

00:46:09,910 --> 00:46:07,599

yeah by

1331

00:46:11,589 --> 00:46:09,920

what reports you know people said was a

1332

00:46:14,150 --> 00:46:11,599

large hairy man that had him over his

1333

00:46:16,309 --> 00:46:14,160

shoulder and was running off with him

1334

00:46:18,069 --> 00:46:16,319

you know yeah and they even had they had

1335

00:46:20,150 --> 00:46:18,079

the green berets involved in that

1336

00:46:21,990 --> 00:46:20,160

they they searched for this kid for

1337

00:46:23,910 --> 00:46:22,000

weeks and weeks

1338

00:46:25,910 --> 00:46:23,920

you know and he disappeared and his

1339

00:46:29,430 --> 00:46:25,920

family was right there

1340

00:46:31,430 --> 00:46:29,440

yep like 20 yards away

1341

00:46:32,470 --> 00:46:31,440

so you know that's what i try to tell

1342

00:46:35,190 --> 00:46:32,480

folks you know

1343

00:46:37,190 --> 00:46:35,200

most people don't you know if most

1344

00:46:40,550 --> 00:46:37,200

people live in suburban or city

1345

00:46:42,390 --> 00:46:40,560

you know metropolitan areas

1346

00:46:44,309 --> 00:46:42,400

i live out in the woods i could stand

1347

00:46:45,750 --> 00:46:44,319

behind a tree beside your house

1348

00:46:47,589 --> 00:46:45,760

and you would never know i was there

1349

00:46:49,670 --> 00:46:47,599

because people got their heads buried in

1350

00:46:51,430 --> 00:46:49,680

their cell phones

1351

00:46:53,510 --> 00:46:51,440

they're worried about their nine to five

1352

00:46:54,710 --> 00:46:53,520

you know their jobs and the kids and the

1353

00:46:55,990 --> 00:46:54,720

family and all that

1354

00:46:58,309 --> 00:46:56,000

they don't pay attention to their

1355

00:47:01,270 --> 00:46:58,319

surroundings and yeah

1356

00:47:03,430 --> 00:47:01,280

a creature is as uh intelligent as a

1357

00:47:04,870 --> 00:47:03,440

bigfoot in my opinion could stand right

1358

00:47:08,790 --> 00:47:04,880

there and you'd never know it was there

1359

00:47:10,790 --> 00:47:08,800

you know well i i tell you you know

1360

00:47:13,030 --> 00:47:10,800

it's funny you know several years ago

1361

00:47:14,950 --> 00:47:13,040

when david pilates

1362

00:47:17,349 --> 00:47:14,960

started reporting about the missing

1363

00:47:19,829 --> 00:47:17,359

4-1-1 and uh

1364

00:47:21,990 --> 00:47:19,839

you know people disappearing in the in

1365

00:47:22,870 --> 00:47:22,000

these national forests and state parks

1366

00:47:27,030 --> 00:47:22,880

or

1367

00:47:28,710 --> 00:47:27,040

federal lands and such and uh

1368

00:47:30,390 --> 00:47:28,720

you know i got a bit of tiff with him

1369

00:47:31,750 --> 00:47:30,400

because i hadn't mentioned something on

1370

00:47:35,190 --> 00:47:31,760

the blog about

1371

00:47:36,870 --> 00:47:35,200

well it was probably bigfoot that maybe

1372

00:47:38,630 --> 00:47:36,880

abducted these people and he really got

1373

00:47:40,950 --> 00:47:38,640

upset about that

1374

00:47:42,069 --> 00:47:40,960

and i think he's kind of softened on

1375

00:47:44,309 --> 00:47:42,079

that stance

1376

00:47:46,230 --> 00:47:44,319

i i think from the very beginning he

1377

00:47:48,470 --> 00:47:46,240

didn't want people just thinking

1378

00:47:49,990 --> 00:47:48,480

off hand you know out of hand that it

1379

00:47:51,270 --> 00:47:50,000

was a bigfoot that he thought it was a

1380

00:47:53,910 --> 00:47:51,280

bigfoot

1381

00:47:55,109 --> 00:47:53,920

uh he really didn't want to give anybody

1382

00:47:58,309 --> 00:47:55,119

any indication

1383

00:48:02,150 --> 00:47:58,319

of what he thought it was he was pretty

1384

00:48:07,349 --> 00:48:05,190

i tell you unless the thing

1385

00:48:09,750 --> 00:48:07,359

these kids were or people were abducted

1386

00:48:10,950 --> 00:48:09,760

by aliens or fell into a portal of some

1387

00:48:12,950 --> 00:48:10,960

type

1388

00:48:14,790 --> 00:48:12,960

i i believe there was only one other

1389

00:48:16,630 --> 00:48:14,800

explanation

1390

00:48:18,390 --> 00:48:16,640

oh yeah i mean they would have found

1391

00:48:20,150 --> 00:48:18,400

them some of these people

1392

00:48:21,430 --> 00:48:20,160

there's you know there's many different

1393

00:48:23,349 --> 00:48:21,440

things that could have happened with

1394

00:48:25,349 --> 00:48:23,359

some of these people i mean

1395

00:48:27,510 --> 00:48:25,359

because some of the stories are you know

1396

00:48:28,790 --> 00:48:27,520

that that are in his books and stuff

1397

00:48:30,309 --> 00:48:28,800

are talking about people that just

1398

00:48:30,870 --> 00:48:30,319

opened and vanished and their clothes

1399

00:48:33,349 --> 00:48:30,880

were

1400

00:48:35,430 --> 00:48:33,359

sitting there right you know they got

1401

00:48:37,349 --> 00:48:35,440

sucked into something and then it left

1402

00:48:40,470 --> 00:48:37,359

the clothes and they were gone

1403

00:48:41,910 --> 00:48:40,480

um or you know you know it could have

1404

00:48:42,630 --> 00:48:41,920

been a mountain lion attack but they

1405

00:48:44,309 --> 00:48:42,640

would have found

1406

00:48:46,549 --> 00:48:44,319

something of these people they never

1407

00:48:48,309 --> 00:48:46,559

found any you know most of those cases

1408

00:48:49,190 --> 00:48:48,319

they never found a trace of these people

1409

00:48:51,670 --> 00:48:49,200

other than

1410

00:48:52,870 --> 00:48:51,680

some of their clothes and whatnot yeah

1411

00:48:55,510 --> 00:48:52,880

if it was a mountain lion you'd have

1412

00:48:59,829 --> 00:48:55,520

found blood or tissue or something

1413

00:49:02,710 --> 00:48:59,839

and uh you know you know a bigfoot

1414

00:49:03,829 --> 00:49:02,720

if the person wasn't really that big or

1415

00:49:04,549 --> 00:49:03,839

caused that much probably they could

1416

00:49:06,870 --> 00:49:04,559

have

1417

00:49:08,710 --> 00:49:06,880

grabbed them put them over her shoulder

1418

00:49:11,030 --> 00:49:08,720

and kept them quiet and took them right

1419

00:49:14,390 --> 00:49:11,040

out of there and not even know about it

1420

00:49:16,230 --> 00:49:14,400

yep so i don't know

1421

00:49:18,710 --> 00:49:16,240

you know it's one of those things i

1422

00:49:20,870 --> 00:49:18,720

guess it's just another mystery

1423

00:49:21,910 --> 00:49:20,880

uh you know i've been involved i'm

1424

00:49:23,990 --> 00:49:21,920

actually

1425

00:49:26,630 --> 00:49:24,000

in the process of writing a book about

1426

00:49:29,190 --> 00:49:26,640

alien disclosure right now

1427

00:49:31,750 --> 00:49:29,200

and i look at some of the uh some of the

1428

00:49:35,190 --> 00:49:31,760

abduction reports

1429

00:49:40,390 --> 00:49:35,200

that i have received over the years

1430

00:49:43,190 --> 00:49:40,400

and quite frankly if it wasn't

1431

00:49:44,150 --> 00:49:43,200

you know some type of anecdotal evidence

1432

00:49:49,670 --> 00:49:44,160

or

1433

00:49:52,390 --> 00:49:49,680

abductees that these were actual

1434

00:49:53,910 --> 00:49:52,400

otherworldly beings or some type of

1435

00:49:55,190 --> 00:49:53,920

alien that was involved with the

1436

00:49:58,870 --> 00:49:55,200

abduction

1437

00:50:03,829 --> 00:49:58,880

it could have very easily been a bigfoot

1438

00:50:05,589 --> 00:50:03,839

oh yeah absolutely so um

1439

00:50:06,870 --> 00:50:05,599

i don't know you know i i don't know

1440

00:50:09,910 --> 00:50:06,880

what to think about that

1441

00:50:11,829 --> 00:50:09,920

you know i guess it's uh it's

1442

00:50:13,030 --> 00:50:11,839

it's really hard to talk about sometimes

1443

00:50:15,109 --> 00:50:13,040

because you know

1444

00:50:16,950 --> 00:50:15,119

if people think you're absolutely crazy

1445

00:50:18,230 --> 00:50:16,960

you know when i put it in the blog i

1446

00:50:20,630 --> 00:50:18,240

i like to get it where people are going

1447

00:50:23,030 --> 00:50:20,640

to give me their ideas about it

1448

00:50:26,069 --> 00:50:23,040

uh and believe me i get i get all kinds

1449

00:50:29,190 --> 00:50:26,079

of crazy responses sometimes but uh

1450

00:50:30,870 --> 00:50:29,200

oh everybody has their own opinions yeah

1451

00:50:32,870 --> 00:50:30,880

you know it just is what it is but

1452

00:50:34,309 --> 00:50:32,880

that's you know that's what makes it all

1453

00:50:36,950 --> 00:50:34,319

worth it you know

1454

00:50:37,990 --> 00:50:36,960

sharing folks sharing their ideas their

1455

00:50:39,750 --> 00:50:38,000

opinions

1456

00:50:41,270 --> 00:50:39,760

and that's what we have to do more of

1457

00:50:44,150 --> 00:50:41,280

you know come together

1458

00:50:45,829 --> 00:50:44,160

as a collective so to speak and uh and

1459

00:50:48,630 --> 00:50:45,839

and maybe it'll help us advance

1460

00:50:50,549 --> 00:50:48,640

you know to the next level somehow um it

1461

00:50:52,069 --> 00:50:50,559

might take many years but

1462

00:50:54,950 --> 00:50:52,079

you know by people talking and

1463

00:50:56,710 --> 00:50:54,960

brainstorming and sharing ideas opinions

1464

00:50:57,430 --> 00:50:56,720

and counter sightings the whole nine

1465

00:50:59,910 --> 00:50:57,440

yards

1466

00:51:00,870 --> 00:50:59,920

you know then we can you know formulate

1467

00:51:04,150 --> 00:51:00,880

opinions and

1468

00:51:06,549 --> 00:51:04,160

and formulate different uh you know

1469

00:51:07,190 --> 00:51:06,559

theories and whatnot and pursue those

1470

00:51:09,349 --> 00:51:07,200

things and

1471

00:51:10,309 --> 00:51:09,359

hopefully that'll lead to something more

1472

00:51:13,349 --> 00:51:10,319

you know

1473

00:51:15,990 --> 00:51:13,359

yeah i wish there was more cooperation

1474

00:51:16,950 --> 00:51:16,000

you know as far as the a lot of these

1475

00:51:19,270 --> 00:51:16,960

investigators

1476
00:51:20,309 --> 00:51:19,280
especially in the bigfoot community i

1477
00:51:22,150 --> 00:51:20,319
mean it's

1478
00:51:23,829 --> 00:51:22,160
it does seem that some people are very

1479
00:51:25,750 --> 00:51:23,839
reluctant to help

1480
00:51:28,790 --> 00:51:25,760
i mean for the most part people that i

1481
00:51:31,430 --> 00:51:28,800
know or who i've worked with

1482
00:51:33,030 --> 00:51:31,440
are are pretty cooperative and and free

1483
00:51:34,069 --> 00:51:33,040
with their information

1484
00:51:35,430 --> 00:51:34,079
but of course you're going to have

1485
00:51:36,870 --> 00:51:35,440
people out there not going to do that

1486
00:51:39,190 --> 00:51:36,880
and that's like

1487
00:51:40,230 --> 00:51:39,200
any any part of the paranormal world you

1488
00:51:41,750 --> 00:51:40,240

know you're going to get people that

1489

00:51:42,470 --> 00:51:41,760

just want to hold stuff to their best

1490

00:51:49,190 --> 00:51:42,480

and

1491

00:51:52,150 --> 00:51:49,200

roy doesn't help anybody no

1492

00:51:53,670 --> 00:51:52,160

it's bad in in that situation you know

1493

00:51:55,030 --> 00:51:53,680

and there's many reasons for that

1494

00:51:57,829 --> 00:51:55,040

because there's so much uh

1495

00:51:58,390 --> 00:51:57,839

copying and thievery that goes on people

1496

00:52:00,230 --> 00:51:58,400

you know

1497

00:52:01,670 --> 00:52:00,240

people get really upset and stuff they

1498

00:52:04,150 --> 00:52:01,680

think they own an area

1499

00:52:06,309 --> 00:52:04,160

or they own a particular topic and you

1500

00:52:08,309 --> 00:52:06,319

know it's just real touchy touchy in

1501
00:52:09,990 --> 00:52:08,319
some aspects and it's a shame that it's

1502
00:52:11,109 --> 00:52:10,000
that bad but that's just the nature of

1503
00:52:13,430 --> 00:52:11,119
it you know

1504
00:52:14,630 --> 00:52:13,440
um i try to help you know as many people

1505
00:52:17,910 --> 00:52:14,640
as i can

1506
00:52:19,670 --> 00:52:17,920
i always have you know and to me that's

1507
00:52:21,109 --> 00:52:19,680
what what it's all about you know but

1508
00:52:25,030 --> 00:52:21,119
unfortunately you got a lot of

1509
00:52:29,670 --> 00:52:27,109
you know either better there's just

1510
00:52:31,349 --> 00:52:29,680
outright blatant stealing and copying of

1511
00:52:32,549 --> 00:52:31,359
people's material which i don't you know

1512
00:52:35,430 --> 00:52:32,559
that's to me that's just

1513
00:52:37,510 --> 00:52:35,440

ridiculous but yeah i fight that every

1514

00:52:40,710 --> 00:52:37,520

day unfortunately

1515

00:52:43,990 --> 00:52:40,720

yeah i know exactly how that goes

1516

00:52:45,510 --> 00:52:44,000

but you know i i i think well i mean you

1517

00:52:46,150 --> 00:52:45,520

know i've known you for a while and

1518

00:52:47,829 --> 00:52:46,160

david

1519

00:52:49,990 --> 00:52:47,839

weatherly and all and i you know a lot

1520

00:52:53,030 --> 00:52:50,000

of the a lot it seems like there's

1521

00:52:55,109 --> 00:52:53,040

a certain click of investigators

1522

00:52:57,030 --> 00:52:55,119

that don't have any problems sharing

1523

00:52:58,710 --> 00:52:57,040

information with each other and

1524

00:53:00,470 --> 00:52:58,720

you know i'm glad to be a part of that

1525

00:53:01,990 --> 00:53:00,480

you know in fact

1526
00:53:04,870 --> 00:53:02,000
you're going to be and you're going to

1527
00:53:08,390 --> 00:53:04,880
be a part of the pennsylvania

1528
00:53:11,750 --> 00:53:08,400
bigfoot uh camping adventure in

1529
00:53:13,589 --> 00:53:11,760
may in june so uh i'll get

1530
00:53:15,510 --> 00:53:13,599
i'll be able to get to meet you and a

1531
00:53:18,069 --> 00:53:15,520
lot of other people

1532
00:53:19,910 --> 00:53:18,079
uh that should be an interesting and

1533
00:53:21,589 --> 00:53:19,920
interesting get together

1534
00:53:23,030 --> 00:53:21,599
oh yeah there's a lot of a lot of great

1535
00:53:24,950 --> 00:53:23,040
people going through that thing

1536
00:53:26,309 --> 00:53:24,960
and i'm look really looking forward to

1537
00:53:28,150 --> 00:53:26,319
it i know you were there

1538
00:53:30,309 --> 00:53:28,160

last time and we kind of missed each

1539

00:53:32,790 --> 00:53:30,319

other or whatever and

1540

00:53:34,360 --> 00:53:32,800

um you know it was bad weather it was

1541

00:53:36,230 --> 00:53:34,370

raining the whole time it was terrible

1542

00:53:38,309 --> 00:53:36,240

[Laughter]

1543

00:53:39,990 --> 00:53:38,319

it was a good time though and i'm sure

1544

00:53:41,829 --> 00:53:40,000

it's going to be even better this time i

1545

00:53:43,430 --> 00:53:41,839

mean eric's doing a phenomenal job

1546

00:53:45,829 --> 00:53:43,440

putting that thing together and he's got

1547

00:53:49,109 --> 00:53:45,839

a lot of top-notch people there

1548

00:53:51,270 --> 00:53:49,119

and i i'm really looking forward to that

1549

00:53:52,870 --> 00:53:51,280

yeah i suggest anybody that's interested

1550

00:53:55,430 --> 00:53:52,880

in in bigfoot

1551
00:53:56,069 --> 00:53:55,440
and it was not that far for you to go i

1552
00:53:59,270 --> 00:53:56,079
i suggest

1553
00:54:00,870 --> 00:53:59,280
you make the trip because it's um i

1554
00:54:02,390 --> 00:54:00,880
i think it'd be well worth your effort

1555
00:54:04,069 --> 00:54:02,400
because they're going to be a lot of

1556
00:54:05,270 --> 00:54:04,079
people there i mean a lot of people that

1557
00:54:07,670 --> 00:54:05,280
are involved with

1558
00:54:08,390 --> 00:54:07,680
big foot research and other other

1559
00:54:11,990 --> 00:54:08,400
cryptid

1560
00:54:13,829 --> 00:54:12,000
research as well um

1561
00:54:16,309 --> 00:54:13,839
yeah it's gonna be it's it's gonna be a

1562
00:54:19,430 --> 00:54:16,319
good time for all i'm quite sure

1563
00:54:19,990 --> 00:54:19,440

so uh dave people want to get in contact

1564

00:54:25,510 --> 00:54:20,000

with you

1565

00:54:26,950 --> 00:54:25,520

how can they contact you and working to

1566

00:54:32,910 --> 00:54:26,960

get your book

1567

00:54:36,150 --> 00:54:34,390

www.davespinxparanormalinvestigator.com

1568

00:54:38,230 --> 00:54:36,160

you can if you have a signing or

1569

00:54:38,950 --> 00:54:38,240

encounter you'd like to report there's a

1570

00:54:41,670 --> 00:54:38,960

there's a

1571

00:54:43,750 --> 00:54:41,680

contact page on there and you can uh

1572

00:54:45,910 --> 00:54:43,760

share your report right to my email

1573

00:54:47,670 --> 00:54:45,920

and i'll get in touch with you love to

1574

00:54:49,190 --> 00:54:47,680

hear them you know i'd love to hear

1575

00:54:51,270 --> 00:54:49,200

people's sightings and encounters and

1576

00:54:52,950 --> 00:54:51,280

even thoughts and ideas on on all

1577

00:54:55,510 --> 00:54:52,960

aspects of the paranormal

1578

00:54:56,549 --> 00:54:55,520

you can get my book off of amazon just

1579

00:54:58,309 --> 00:54:56,559

type in the name

1580

00:54:59,670 --> 00:54:58,319

west virginia bigfoot or my name and

1581

00:55:01,910 --> 00:54:59,680

it'll pop up in the

1582

00:55:05,349 --> 00:55:01,920

authors and books section or if you want

1583

00:55:07,910 --> 00:55:05,359

to sign copy you can go to my paypal

1584

00:55:09,829 --> 00:55:07,920

it's pay it's paypal dot me slap

1585

00:55:12,309 --> 00:55:09,839

backslash

1586

00:55:12,870 --> 00:55:12,319

dave spinks and you can get a signed

1587

00:55:15,430 --> 00:55:12,880

copy

1588

00:55:16,069 --> 00:55:15,440

it's uh 18 it tells you all that on

1589

00:55:19,109 --> 00:55:16,079

there

1590

00:55:21,670 --> 00:55:19,119

uh 18 and that covers shipping as well

1591

00:55:23,190 --> 00:55:21,680

um the price of the book and shipping so

1592

00:55:24,710 --> 00:55:23,200

yeah if you'd like a signed copy just

1593

00:55:26,230 --> 00:55:24,720

get with me and uh

1594

00:55:28,470 --> 00:55:26,240

and you can get you can see on my

1595

00:55:31,430 --> 00:55:28,480

website other items i have available

1596

00:55:33,670 --> 00:55:31,440

um that i've been in like the seth

1597

00:55:34,630 --> 00:55:33,680

breedloves flatwoods monster legacy of

1598

00:55:36,230 --> 00:55:34,640

fear movie

1599

00:55:38,630 --> 00:55:36,240

if you want a signed copy of that i can

1600

00:55:40,789 --> 00:55:38,640

hook you up with that um got a new book

1601
00:55:41,670 --> 00:55:40,799
coming out on west virginia ghosts and

1602
00:55:44,950 --> 00:55:41,680
hauntings

1603
00:55:46,950 --> 00:55:44,960
any day now in the next whatever several

1604
00:55:50,150 --> 00:55:46,960
weeks anytime it could drop from the

1605
00:55:52,789 --> 00:55:50,160
publisher so i'm excited about that

1606
00:55:54,470 --> 00:55:52,799
basically that book is covering it's a

1607
00:55:55,190 --> 00:55:54,480
series of books actually and it's going

1608
00:55:57,030 --> 00:55:55,200
to have at least

1609
00:55:58,470 --> 00:55:57,040
one encounter an investigation from

1610
00:56:01,109 --> 00:55:58,480
every single county

1611
00:56:03,270 --> 00:56:01,119
in west virginia which is 55 counties

1612
00:56:06,870 --> 00:56:03,280
and of course some counties have

1613
00:56:08,069 --> 00:56:06,880

um multiple uh investigations i've done

1614

00:56:10,789 --> 00:56:08,079

over the years

1615

00:56:12,069 --> 00:56:10,799

uh in the state and uh so it i'm really

1616

00:56:14,470 --> 00:56:12,079

looking forward to that that's

1617

00:56:16,230 --> 00:56:14,480

that's volume one of a probably a five

1618

00:56:17,030 --> 00:56:16,240

book series i'm doing because i've done

1619

00:56:19,190 --> 00:56:17,040

so much here in

1620

00:56:21,510 --> 00:56:19,200

the state of west virginia so i'm super

1621

00:56:24,549 --> 00:56:21,520

stoked about that

1622

00:56:26,150 --> 00:56:24,559

you know the moniker for west virginia

1623

00:56:27,589 --> 00:56:26,160

is wild and wonderful

1624

00:56:30,230 --> 00:56:27,599

but i'll be honest with you i've always

1625

00:56:32,549 --> 00:56:30,240

considered more weird and woolly because

1626
00:56:34,309 --> 00:56:32,559
it's uh

1627
00:56:35,750 --> 00:56:34,319
there's just so much going on in the

1628
00:56:38,870 --> 00:56:35,760
state of west virginia

1629
00:56:41,190 --> 00:56:38,880
oh yeah man i mean uh i you know i i

1630
00:56:42,069 --> 00:56:41,200
i recollect west virginia to be almost

1631
00:56:44,069 --> 00:56:42,079
like the pacific

1632
00:56:45,109 --> 00:56:44,079
northwest of the east coast in a lot of

1633
00:56:47,430 --> 00:56:45,119
aspects with the big

1634
00:56:49,309 --> 00:56:47,440
foot sightings i mean it's crazy and

1635
00:56:51,349 --> 00:56:49,319
there's sightings that go back to the

1636
00:56:52,789 --> 00:56:51,359
1700s here man

1637
00:56:54,549 --> 00:56:52,799
you know that have been reported in

1638
00:56:56,549 --> 00:56:54,559

church uh church

1639

00:56:57,589 --> 00:56:56,559

script you know they in the old days

1640

00:56:59,270 --> 00:56:57,599

they used to report

1641

00:57:01,109 --> 00:56:59,280

sightings and stuff and crazy stuff in

1642

00:57:03,349 --> 00:57:01,119

the church logs

1643

00:57:04,470 --> 00:57:03,359

and um before the newspapers were big

1644

00:57:07,430 --> 00:57:04,480

and everything

1645

00:57:09,670 --> 00:57:07,440

so lots of logger reports from the early

1646

00:57:13,270 --> 00:57:09,680

days and early 1900s

1647

00:57:15,349 --> 00:57:13,280

um loggers being attacked by a

1648

00:57:17,750 --> 00:57:15,359

large ape-like men they called it you

1649

00:57:20,870 --> 00:57:17,760

know and all kinds of crazy stuff

1650

00:57:22,710 --> 00:57:20,880

so uh um also

1651
00:57:24,549 --> 00:57:22,720
society's supernatural me and weatherly

1652
00:57:26,069 --> 00:57:24,559
are putting on an event an event at my

1653
00:57:28,470 --> 00:57:26,079
haunted house in indiana

1654
00:57:30,950 --> 00:57:28,480
known as willow's weep we've got the

1655
00:57:31,430 --> 00:57:30,960
honda collector john zaphis will be our

1656
00:57:35,030 --> 00:57:31,440
featured

1657
00:57:37,270 --> 00:57:35,040
speaker there june 21st and 22nd

1658
00:57:38,630 --> 00:57:37,280
tickets are on sale for that now for

1659
00:57:40,789 --> 00:57:38,640
vendor tables

1660
00:57:43,349 --> 00:57:40,799
and the friday night ghost hunt with me

1661
00:57:45,750 --> 00:57:43,359
weatherly and zappos at the house

1662
00:57:46,789 --> 00:57:45,760
um going to be a really cool thing man

1663
00:57:50,789 --> 00:57:46,799

this house is

1664

00:57:52,549 --> 00:57:50,799

unlike any other you've ever heard of

1665

00:57:55,190 --> 00:57:52,559

just a phenomenal thing we got a book

1666

00:57:57,670 --> 00:57:55,200

coming out on it later this year

1667

00:57:59,190 --> 00:57:57,680

um telling the story and all the all the

1668

00:57:59,990 --> 00:57:59,200

deaths and stuff that have occurred in

1669

00:58:02,789 --> 00:58:00,000

this house it's

1670

00:58:03,190 --> 00:58:02,799

just crazy and uh looking forward to

1671

00:58:05,109 --> 00:58:03,200

that

1672

00:58:07,030 --> 00:58:05,119

as well so you can go to our society

1673

00:58:08,630 --> 00:58:07,040

supernatural facebook page

1674

00:58:11,190 --> 00:58:08,640

go to the events and you can order

1675

00:58:14,309 --> 00:58:11,200

tickets now early bird special you'll

1676

00:58:17,270 --> 00:58:14,319

save money if you order them now

1677

00:58:19,030 --> 00:58:17,280

well i have to get you to come back a

1678

00:58:20,710 --> 00:58:19,040

little bit down the road here and we can

1679

00:58:23,670 --> 00:58:20,720

talk about all that

1680

00:58:24,630 --> 00:58:23,680

yeah let's do it okay dave well thanks

1681

00:58:27,829 --> 00:58:24,640

again for uh

1682

00:58:29,510 --> 00:58:27,839

for being on the show and uh i'll talk

1683

00:58:31,510 --> 00:58:29,520

to you when i see you

1684

00:58:32,710 --> 00:58:31,520

up all right pennsylvania and uh you

1685

00:58:34,789 --> 00:58:32,720

take care

1686

00:58:38,069 --> 00:58:34,799

hey you too thanks for having me okay

1687

00:58:39,829 --> 00:58:38,079

now have a good night

1688

00:58:42,150 --> 00:58:39,839

now listeners can show their support for

1689

00:58:44,470 --> 00:58:42,160

arcane radio about becoming a patron

1690

00:58:46,309 --> 00:58:44,480

simply go to fans of monsters dot com

1691

00:58:49,750 --> 00:58:46,319

and click the pod bean

1692

00:58:51,349 --> 00:58:49,760

patron banner arcane radio also accepts

1693

00:58:53,270 --> 00:58:51,359

direct donations

1694

00:58:54,549 --> 00:58:53,280

now if you have an unexplained encounter

1695

00:58:56,549 --> 00:58:54,559

or sighting

1696

00:58:58,470 --> 00:58:56,559

feel free to contact me through phantoms

1697

00:59:00,390 --> 00:58:58,480

and monsters blog site

1698

00:59:02,309 --> 00:59:00,400

i want to again thank dave spinks for

1699

00:59:04,549 --> 00:59:02,319

joining me this evening

1700

00:59:05,510 --> 00:59:04,559

and i want to thank you for listening to

1701

00:59:16,829 --> 00:59:05,520

the show

1702

00:59:16,839 --> 00:59:54,490

weekend
