that might be encounter women abducted

11
00:00:37,030 --> 00:00:35,120
in midland michigan

12
00:00:38,389 --> 00:00:37,040
i was standing behind my screen door in

13
00:00:40,229 --> 00:00:38,399

the front of my home

14

00:00:41,510 --> 00:00:40,239

i saw an old car parked next door with

15

00:00:43,110 --> 00:00:41,520

two men dressed in black

16

00:00:45,029 --> 00:00:43,120

forcing a screaming young girl into

17

00:00:46,709 --> 00:00:45,039

their vehicle the men saw that i was

18

00:00:48,630 --> 00:00:46,719

watching and came to my home

19

00:00:49,830 --> 00:00:48,640

when i saw them coming i quickly shut

20

00:00:52,069 --> 00:00:49,840

the door i thought

21

00:00:53,830 --> 00:00:52,079

myself had i locked the back door they

22

00:00:54,709 --> 00:00:53,840

spoke to me telepathically and told me

23

00:00:56,549 --> 00:00:54,719

that they could get in

24

00:00:58,549 --> 00:00:56,559

even if the door was locked and told me

25

00:01:00,549 --> 00:00:58,559

to open the front door which i did

26

00:01:02,549 --> 00:01:00,559

they were around six feet tall had top

27

00:01:04,469 --> 00:01:02,559

paths and their skin was grayish

28

00:01:06,469 --> 00:01:04,479

i thought they had wraparound sunglasses

29

00:01:07,990 --> 00:01:06,479

on because their eyes were almond shape

30

00:01:09,429 --> 00:01:08,000

i'd try to leave them out of the living

31

00:01:10,950 --> 00:01:09,439

room because i had an eight-month-old

32

00:01:12,390 --> 00:01:10,960

baby in a car bed there

33

00:01:13,990 --> 00:01:12,400

the next thing i remember was them

34

00:01:14,710 --> 00:01:14,000

asking me if i would give them eggs for

35

00:01:15,990 --> 00:01:14,720

my body

36

00:01:18,149 --> 00:01:16,000

saying that where they came from they

37

00:01:19,510 --> 00:01:18,159

needed genetic material from other races

38

00:01:21,510 --> 00:01:19,520

because they had reached a point where

39

00:01:23,190 --> 00:01:21,520

they were having problems i told them

40

00:01:24,789 --> 00:01:23,200

they could have my eggs but they were to

41

00:01:26,230 --> 00:01:24,799

remove my jeans from them that they

42

00:01:28,310 --> 00:01:26,240

belong to my husband

43

00:01:29,429 --> 00:01:28,320

i then felt intense pain in my abdomen

44

00:01:30,950 --> 00:01:29,439

and i screamed

45

00:01:32,310 --> 00:01:30,960

i thought to myself that maybe the

46

00:01:33,109 --> 00:01:32,320

neighbors would hear me and call the

47

00:01:34,630 --> 00:01:33,119

police

48

00:01:36,469 --> 00:01:34,640

they told me the neighbors couldn't hear

49

00:01:37,190 --> 00:01:36,479

me and i realized that i wasn't in my

50

00:01:38,789 --> 00:01:37,200

home

51
00:01:41,109 --> 00:01:38,799
all during this time they didn't let me

52
00:01:42,710 --> 00:01:41,119
see their faces i remember fighting them

53
00:01:43,429 --> 00:01:42,720
as they were implanting something in my

54
00:01:44,950 --> 00:01:43,439
nose

55
00:01:46,950 --> 00:01:44,960
one of them said to another that he put

56
00:01:48,710 --> 00:01:46,960
one in my breast too the next thing i

57
00:01:50,389 --> 00:01:48,720
remember is that i was in the craft and

58
00:01:52,550 --> 00:01:50,399
the pilot was having problems with the

59
00:01:53,749 --> 00:01:52,560
craft and had landed it in sag harbor

60
00:01:55,429 --> 00:01:53,759
nova scotia

61
00:01:56,950 --> 00:01:55,439
i could read a sign on a dock that said

62
00:01:58,709 --> 00:01:56,960
it was government property and no

63
00:02:00,310 --> 00:01:58,719

trespassing i was told that the

64

00:02:02,069 --> 00:02:00,320

government knew all about them

65

00:02:03,429 --> 00:02:02,079

when the craft regained power he took me

66

00:02:04,310 --> 00:02:03,439

under the water and showed me an

67

00:02:06,870 --> 00:02:04,320

underwater dome

68

00:02:08,710 --> 00:02:06,880

city i asked where were all the people i

69

00:02:09,589 --> 00:02:08,720

could see buildings in street lights but

70

00:02:11,430 --> 00:02:09,599

no people

71

00:02:13,270 --> 00:02:11,440

the next thing that happened i was taken

72

00:02:14,070 --> 00:02:13,280

to a mountain that opened up and we flew

73

00:02:15,750 --> 00:02:14,080

inside

74

00:02:17,270 --> 00:02:15,760

i was made to walk down a hallway where

75

00:02:17,750 --> 00:02:17,280

there were creatures that they kept lock

76

00:02:19,510 --> 00:02:17,760

up

77

00:02:21,589 --> 00:02:19,520

i could hear a man screaming like he was

78

00:02:23,830 --> 00:02:21,599

being eaten alive i asked where they got

79

00:02:25,270 --> 00:02:23,840

their people and was told me transients

80

00:02:26,869 --> 00:02:25,280

then i was put on a bus where the

81

00:02:27,430 --> 00:02:26,879

windows were blocked so i couldn't see

82

00:02:29,030 --> 00:02:27,440

out

83

00:02:31,110 --> 00:02:29,040

i was taken to a room where there was an

84

00:02:32,710 --> 00:02:31,120

old man standing behind a desk

85

00:02:34,229 --> 00:02:32,720

he informed me that i was going to be

86

00:02:35,430 --> 00:02:34,239

seen by a man who would decide what

87

00:02:37,110 --> 00:02:35,440

would happen to me

88

00:02:38,949 --> 00:02:37,120

i remember being told that if i told

89

00:02:40,790 --> 00:02:38,959

anyone about my abduction or what i had

90

00:02:42,470 --> 00:02:40,800

seen that they would hurt my children

91

00:02:44,309 --> 00:02:42,480

the next thing i remember i was back

92

00:02:46,070 --> 00:02:44,319

home behind the door in my living room

93

00:02:47,830 --> 00:02:46,080

and i was bleeding vaginally

94

00:02:49,589 --> 00:02:47,840

i told my husband what had happened and

95

00:02:51,990 --> 00:02:49,599

we both kept quiet for years

96

00:02:53,910 --> 00:02:52,000

when i told one of my son's wives my son

97

00:02:55,670 --> 00:02:53,920

had a bad attack of shingles and he was

98

00:03:03,190 --> 00:02:55,680

only in his early forties

99

00:03:07,430 --> 00:03:05,030

mib on the new york state museum

100

00:03:09,350 --> 00:03:07,440

elevator after hearing story after story

101
00:03:10,550 --> 00:03:09,360
of strange encounters with strange men

102
00:03:12,149 --> 00:03:10,560
dressed in black suits

103
00:03:13,589 --> 00:03:12,159
i wanted to tell a story from my

104
00:03:15,910 --> 00:03:13,599
childhood that to this day

105
00:03:17,990 --> 00:03:15,920
i have been unable to explain this took

106
00:03:20,149 --> 00:03:18,000
place in 2001 when i was 8 years

107
00:03:21,830 --> 00:03:20,159
old it was summer and i was on a field

108
00:03:23,030 --> 00:03:21,840
trip with my town's community center

109
00:03:24,789 --> 00:03:23,040
daycare program

110
00:03:26,869 --> 00:03:24,799
we were at the new york state museum in

111
00:03:28,630 --> 00:03:26,879
albany new york i was in a group with

112
00:03:30,630 --> 00:03:28,640
maybe two or three other kids and one of

113
00:03:32,070 --> 00:03:30,640

the daycare workers for a chaperone

114

00:03:33,670 --> 00:03:32,080

we got there in the morning and were

115

00:03:35,509 --> 00:03:33,680

told we could roam around the museum

116

00:03:37,270 --> 00:03:35,519

with our group until either 12 or 1 when

117

00:03:38,630 --> 00:03:37,280

we had to meet back up with everyone for

118

00:03:40,390 --> 00:03:38,640

lunch on the third floor

119

00:03:42,229 --> 00:03:40,400

our group walked around looking at all

120

00:03:44,630 --> 00:03:42,239

the exhibits and after a while

121

00:03:45,990 --> 00:03:44,640

we realized we had lost track of time we

122

00:03:47,430 --> 00:03:46,000

only had a few minutes to get

123

00:03:49,190 --> 00:03:47,440

up to the third floor for lunch and

124

00:03:50,869 --> 00:03:49,200

attendance and we were on the other side

125

00:03:51,350 --> 00:03:50,879

of the museum from where the elevators

126
00:03:52,949 --> 00:03:51,360
are

127
00:03:54,390 --> 00:03:52,959
we hurried quickly to the lobby and

128
00:03:55,910 --> 00:03:54,400
hopped into an elevator

129
00:03:57,670 --> 00:03:55,920
out of breath from the near sprint we

130
00:03:59,509 --> 00:03:57,680
had done to the lobby our group piled

131
00:04:01,509 --> 00:03:59,519
into the elevator we hit the third floor

132
00:04:02,149 --> 00:04:01,519
button and my chaperone said we had made

133
00:04:03,750 --> 00:04:02,159
it in time

134
00:04:05,910 --> 00:04:03,760
and that we still had a minute or so to

135
00:04:07,750 --> 00:04:05,920
spare then as the doors were closing

136
00:04:09,910 --> 00:04:07,760
an extremely well-dressed man walked

137
00:04:11,750 --> 00:04:09,920
into the elevator he was wearing black

138
00:04:12,789 --> 00:04:11,760

shoes a black suit with a white dress

139

00:04:14,949 --> 00:04:12,799

shirt black tie

140

00:04:16,310 --> 00:04:14,959

black leather gloves and a black fedora

141

00:04:17,270 --> 00:04:16,320

and was carrying a black leather

142

00:04:18,949 --> 00:04:17,280

briefcase

143

00:04:20,469 --> 00:04:18,959

at the time i thought nothing of it but

144

00:04:21,909 --> 00:04:20,479

i've always looked back at this and

145

00:04:23,510 --> 00:04:21,919

thought this was very odd as it was

146

00:04:24,310 --> 00:04:23,520

summer and he was dressed for the dead

147

00:04:26,469 --> 00:04:24,320

of winter

148

00:04:28,310 --> 00:04:26,479

as the man got on i noticed that he kept

149

00:04:29,830 --> 00:04:28,320

his head down almost as though he didn't

150

00:04:31,670 --> 00:04:29,840

want us to see his face

151
00:04:33,590 --> 00:04:31,680
he quickly turned around only then

152
00:04:35,510 --> 00:04:33,600
lifting his head he just stood there

153
00:04:37,270 --> 00:04:35,520
with his back to us and i don't remember

154
00:04:39,430 --> 00:04:37,280
ever seeing him select a floor

155
00:04:41,030 --> 00:04:39,440
the elevator doors closed and this eerie

156
00:04:42,070 --> 00:04:41,040
feeling seemed to be emanating from the

157
00:04:43,990 --> 00:04:42,080
man in black

158
00:04:45,430 --> 00:04:44,000
we had left the lobby on the first floor

159
00:04:47,189 --> 00:04:45,440
and were going up the third floor

160
00:04:48,550 --> 00:04:47,199
so the ride should have been maybe 10 or

161
00:04:50,310 --> 00:04:48,560
20 seconds at most

162
00:04:51,909 --> 00:04:50,320
the elevator's display showed we had

163
00:04:53,270 --> 00:04:51,919

arrived at the third floor but the

164

00:04:55,189 --> 00:04:53,280

elevator didn't stop

165

00:04:56,870 --> 00:04:55,199

the numbers just kept climbing and we

166

00:04:58,710 --> 00:04:56,880

were definitely still moving

167

00:05:00,629 --> 00:04:58,720

i want to preface this by saying those

168

00:05:02,469 --> 00:05:00,639

elevators in the lobby only have access

169

00:05:05,110 --> 00:05:02,479

to four floors and to my knowledge the

170

00:05:07,270 --> 00:05:05,120

museum only has four above ground floors

171

00:05:08,790 --> 00:05:07,280

i'll talk more about that at the end at

172

00:05:10,070 --> 00:05:08,800

this point it had been well over a

173

00:05:11,749 --> 00:05:10,080

minute since the elevator

174

00:05:13,270 --> 00:05:11,759

started moving and the numbers on the

175

00:05:15,430 --> 00:05:13,280

display continued to climb

176

00:05:17,029 --> 00:05:15,440

as did the elevator that eerie feeling

177

00:05:18,710 --> 00:05:17,039

that had been seemingly emanating from

178

00:05:20,070 --> 00:05:18,720

this man was getting more intense

179

00:05:21,909 --> 00:05:20,080

and the air in the elevator was

180

00:05:23,590 --> 00:05:21,919

beginning to get extremely heavy this

181

00:05:25,189 --> 00:05:23,600

seemed to get more and more noticeable

182

00:05:26,950 --> 00:05:25,199

as we continued to go up

183

00:05:28,950 --> 00:05:26,960

the higher the elevator climbed the

184

00:05:30,550 --> 00:05:28,960

feeling turned from eerie to foreboding

185

00:05:31,990 --> 00:05:30,560

i remember getting the feeling you get

186

00:05:33,749 --> 00:05:32,000

in the pit of your stomach when you know

187

00:05:35,510 --> 00:05:33,759

something bad is going to happen

188

00:05:37,029 --> 00:05:35,520

something definitely wasn't right the

189

00:05:39,430 --> 00:05:37,039

display was saying we had passed the

190

00:05:41,029 --> 00:05:39,440

50th floor and we were still climbing

191

00:05:43,110 --> 00:05:41,039

at this point it had been around five

192

00:05:44,710 --> 00:05:43,120

minutes in the elevator the atmosphere

193

00:05:45,590 --> 00:05:44,720

in the elevator had gotten almost

194

00:05:47,350 --> 00:05:45,600

unbearable

195

00:05:49,110 --> 00:05:47,360

this heavy ominous feeling was something

196

00:05:51,029 --> 00:05:49,120

i've never experienced since

197

00:05:52,550 --> 00:05:51,039

the closest thing i can compare it to is

198

00:05:54,310 --> 00:05:52,560

that feeling you get when you walk down

199

00:05:54,790 --> 00:05:54,320

a dark hallway after watching a horror

200

00:05:56,550 --> 00:05:54,800

movie

201
00:05:59,270 --> 00:05:56,560
and even that doesn't begin to describe

202
00:06:00,950 --> 00:05:59,280
this suddenly the elevator stops

203
00:06:02,710 --> 00:06:00,960
there's a sudden shift in the atmosphere

204
00:06:04,230 --> 00:06:02,720
of the elevator it went from this

205
00:06:05,350 --> 00:06:04,240
foreboding feeling to a feeling of

206
00:06:07,189 --> 00:06:05,360
impending doom

207
00:06:08,629 --> 00:06:07,199
then i remember an almost panic when i

208
00:06:09,510 --> 00:06:08,639
thought about was on the other side of

209
00:06:11,590 --> 00:06:09,520
those doors

210
00:06:13,189 --> 00:06:11,600
i was telling myself over and over again

211
00:06:14,469 --> 00:06:13,199
that the buttons on the elevator don't

212
00:06:16,230 --> 00:06:14,479
go past the fourth floor

213
00:06:17,909 --> 00:06:16,240

so there aren't any floors beyond that

214

00:06:19,749 --> 00:06:17,919

so whatever on the other side of those

215

00:06:21,510 --> 00:06:19,759

doors can't possibly exist

216

00:06:23,189 --> 00:06:21,520

this whole experience can't possibly

217

00:06:24,790 --> 00:06:23,199

have happened and when the doors open

218

00:06:25,749 --> 00:06:24,800

i'll see all my friends from the other

219

00:06:27,749 --> 00:06:25,759

groups eating lunch

220

00:06:28,870 --> 00:06:27,759

and everything will be okay but that's

221

00:06:30,390 --> 00:06:28,880

not what happened

222

00:06:32,550 --> 00:06:30,400

and this is where things have always

223

00:06:33,990 --> 00:06:32,560

gotten fuzzy for me i remember getting

224

00:06:35,830 --> 00:06:34,000

on the elevator with my group

225

00:06:37,909 --> 00:06:35,840

the man walking in and the elevator

226
00:06:39,590 --> 00:06:37,919
going up but i can't remember my group

227
00:06:40,150 --> 00:06:39,600
being in the elevator after a certain

228
00:06:41,990 --> 00:06:40,160
point

229
00:06:43,670 --> 00:06:42,000
i know it was at least five minutes from

230
00:06:45,510 --> 00:06:43,680
the time we entered the elevator before

231
00:06:47,110 --> 00:06:45,520
it stopped and yet i can't tell you how

232
00:06:47,990 --> 00:06:47,120
much time passed between when the

233
00:06:50,150 --> 00:06:48,000
elevator stopped

234
00:06:51,909 --> 00:06:50,160
and when the doors opened i can remember

235
00:06:52,469 --> 00:06:51,919
looking at the display to see what floor

236
00:06:54,309 --> 00:06:52,479
we were on

237
00:06:56,150 --> 00:06:54,319
but can't remember what it said i

238
00:06:57,749 --> 00:06:56,160

remember being frozen there with no

239

00:06:59,670 --> 00:06:57,759

sound or movement whatsoever

240

00:07:01,670 --> 00:06:59,680

i remember feeling like if those doors

241

00:07:03,430 --> 00:07:01,680

opened something bad was going to happen

242

00:07:05,270 --> 00:07:03,440

to the point where i remember panicking

243

00:07:06,469 --> 00:07:05,280

inside my head pretending that none of

244

00:07:08,390 --> 00:07:06,479

this wasn't happening

245

00:07:10,390 --> 00:07:08,400

but every time i opened my eyes that

246

00:07:11,670 --> 00:07:10,400

sinister man was still standing there as

247

00:07:13,510 --> 00:07:11,680

still as a statue

248

00:07:15,350 --> 00:07:13,520

and then all of a sudden the man who was

249

00:07:17,270 --> 00:07:15,360

responsible for all of this who had not

250

00:07:18,150 --> 00:07:17,280

moved a single muscle since the elevator

251
00:07:20,550 --> 00:07:18,160
doors closed

252
00:07:22,150 --> 00:07:20,560
drops his briefcase not even a second

253
00:07:24,469 --> 00:07:22,160
after the briefcase hit the ground

254
00:07:26,150 --> 00:07:24,479
the doors of the elevator opened and yet

255
00:07:26,790 --> 00:07:26,160
i can't remember what was beyond those

256
00:07:28,790 --> 00:07:26,800
doors

257
00:07:29,990 --> 00:07:28,800
i have tried for the last 18 years to

258
00:07:32,150 --> 00:07:30,000
remember and have never been

259
00:07:33,110 --> 00:07:32,160
able to see it i just remember it being

260
00:07:34,629 --> 00:07:33,120
wide and bright

261
00:07:36,950 --> 00:07:34,639
the man then calmly picked up his

262
00:07:37,830 --> 00:07:36,960
briefcase tipped his fedora almost as to

263
00:07:39,909 --> 00:07:37,840

bid as goodbye

264

00:07:41,430 --> 00:07:39,919
and walked off the elevator i then

265

00:07:42,870 --> 00:07:41,440
remember the doors closing and that

266

00:07:44,390 --> 00:07:42,880
ominous feeling being gone

267

00:07:46,230 --> 00:07:44,400
and in an instant we were on the third

268

00:07:48,070 --> 00:07:46,240
floor and the doors popped open

269

00:07:49,749 --> 00:07:48,080
only then do i remember seeing the rest

270

00:07:51,430 --> 00:07:49,759
of my group on the elevator

271

00:07:53,430 --> 00:07:51,440
all of them looking as terrified as i

272

00:07:55,430 --> 00:07:53,440
did especially our chaperone

273

00:07:57,270 --> 00:07:55,440
looking out i saw the rest of the kids

274

00:07:59,029 --> 00:07:57,280
and chaperones from the other groups

275

00:08:00,790 --> 00:07:59,039
we walked out of the elevator and had

276
00:08:02,790 --> 00:08:00,800
been expecting to be extremely late for

277
00:08:04,469 --> 00:08:02,800
lunch but we had made it on time

278
00:08:05,990 --> 00:08:04,479
which is impossible because we had

279
00:08:07,909 --> 00:08:06,000
initially made it to the elevator a

280
00:08:09,589 --> 00:08:07,919
minute or so before lunch started and

281
00:08:11,589 --> 00:08:09,599
that encounter on the elevator had

282
00:08:13,270 --> 00:08:11,599
lasted at least five or ten minutes

283
00:08:15,350 --> 00:08:13,280
i remember our chaperone pulling the

284
00:08:16,710 --> 00:08:15,360
other adults aside and i assume told

285
00:08:17,510 --> 00:08:16,720
them what had happened to us on that

286
00:08:19,350 --> 00:08:17,520
elevator

287
00:08:21,029 --> 00:08:19,360
i remember sitting at the table with my

288
00:08:22,629 --> 00:08:21,039

friends eating a pizza lunchable and the

289

00:08:24,070 --> 00:08:22,639

kids from my group and i sharing the

290

00:08:26,150 --> 00:08:24,080

story of what had just happened

291

00:08:27,909 --> 00:08:26,160

no one believing us i remember the

292

00:08:28,869 --> 00:08:27,919

chaperone i had avoided the subject for

293

00:08:30,629 --> 00:08:28,879

the rest of the day

294

00:08:31,909 --> 00:08:30,639

and the other kids in my group seemed to

295

00:08:33,750 --> 00:08:31,919

have dropped it as well

296

00:08:35,430 --> 00:08:33,760

i remember that i told my mom what had

297

00:08:36,630 --> 00:08:35,440

happened and i've always felt as though

298

00:08:38,709 --> 00:08:36,640

she didn't believe me

299

00:08:39,990 --> 00:08:38,719

but before writing this i wanted to make

300

00:08:41,670 --> 00:08:40,000

sure that really did happen

301
00:08:43,589 --> 00:08:41,680
since i was so young and it had been

302
00:08:45,110 --> 00:08:43,599
well over a decade since this happened

303
00:08:47,190 --> 00:08:45,120
and that it wasn't something my mind

304
00:08:48,389 --> 00:08:47,200
made up over the years or maybe just a

305
00:08:50,310 --> 00:08:48,399
very vivid dream

306
00:08:51,430 --> 00:08:50,320
so i asked my mom if she remembered me

307
00:08:53,509 --> 00:08:51,440
telling her about this

308
00:08:55,350 --> 00:08:53,519
and she said she did she remembers

309
00:08:57,190 --> 00:08:55,360
picking me up from the community center

310
00:08:58,949 --> 00:08:57,200
and the second we got into the car i had

311
00:09:00,550 --> 00:08:58,959
told her all about the man in black

312
00:09:02,310 --> 00:09:00,560
and the elevator going up all these

313
00:09:03,269 --> 00:09:02,320

floors and even that he had dropped his

314

00:09:05,190 --> 00:09:03,279

briefcase

315

00:09:06,870 --> 00:09:05,200

she said she also remembers me telling

316

00:09:08,630 --> 00:09:06,880

her that he had said something to me

317

00:09:10,150 --> 00:09:08,640

though she doesn't remember what and i

318

00:09:10,949 --> 00:09:10,160

don't have any memory of him saying

319

00:09:13,750 --> 00:09:10,959

anything

320

00:09:15,590 --> 00:09:13,760

so there is my story 18 years later i

321

00:09:16,230 --> 00:09:15,600

still have absolutely no clue who that

322

00:09:17,990 --> 00:09:16,240

man was

323

00:09:19,750 --> 00:09:18,000

where the elevator took us what was

324

00:09:21,350 --> 00:09:19,760

beyond the doors where the man walked

325

00:09:22,230 --> 00:09:21,360

off or anything that happened in that

326

00:09:24,470 --> 00:09:22,240

elevator

327

00:09:26,630 --> 00:09:24,480

i just know that it happened i have no

328

00:09:28,310 --> 00:09:26,640

idea how long we were in that elevator

329

00:09:30,550 --> 00:09:28,320

it could have been minutes or even hours

330

00:09:32,230 --> 00:09:30,560

but what i do know is that time seems to

331

00:09:34,070 --> 00:09:32,240

have been separate from our reality

332

00:09:35,590 --> 00:09:34,080

since no time had actually passed when

333

00:09:36,949 --> 00:09:35,600

we got to the third floor

334

00:09:39,110 --> 00:09:36,959

hopefully you have heard something

335

00:09:39,829 --> 00:09:39,120

similar or at least have an idea what

336

00:09:41,590 --> 00:09:39,839

happened

337

00:09:43,910 --> 00:09:41,600

i've gone through every explanation i

338

00:09:45,590 --> 00:09:43,920

can think of and none of them make sense

339

00:09:47,750 --> 00:09:45,600

from not remembering correctly what

340

00:09:49,269 --> 00:09:47,760

elevator we got on and perhaps getting

341

00:09:49,990 --> 00:09:49,279

in one somewhere else but that's

342

00:09:51,670 --> 00:09:50,000

impossible for

343

00:09:53,670 --> 00:09:51,680

reasons i've listed in the paragraph

344

00:09:54,710 --> 00:09:53,680

below this i thought maybe it was a

345

00:09:56,630 --> 00:09:54,720

really vivid dream

346

00:09:58,550 --> 00:09:56,640

but my mom remembers me telling her

347

00:09:59,990 --> 00:09:58,560

right after picking me up from daycare

348

00:10:01,829 --> 00:10:00,000

the day of the field trip

349

00:10:03,990 --> 00:10:01,839

i've even considered a gas leak in the

350

00:10:05,430 --> 00:10:04,000

elevator causing us to hallucinate the

351

00:10:06,389 --> 00:10:05,440

one thought that's always been in the

352

00:10:08,310 --> 00:10:06,399

back of my mind

353

00:10:09,590 --> 00:10:08,320

has been that we got onto the elevator

354

00:10:10,470 --> 00:10:09,600

and took a ride through another

355

00:10:12,630 --> 00:10:10,480

dimension

356

00:10:14,389 --> 00:10:12,640

just a little side note i had a job with

357

00:10:16,069 --> 00:10:14,399

a catering company in the albany area

358

00:10:17,670 --> 00:10:16,079

last summer and one of the most common

359

00:10:18,710 --> 00:10:17,680

venues we catered at was the new york

360

00:10:20,870 --> 00:10:18,720

state museum

361

00:10:22,470 --> 00:10:20,880

over that summer i rode probably every

362

00:10:24,470 --> 00:10:22,480

public elevator in that building

363

00:10:26,230 --> 00:10:24,480

and even a cargo elevator they have and

364

00:10:30,829 --> 00:10:26,240

not a single one i rode on had any

365

00:10:30,839 --> 00:10:34,949

yes

366

00:10:39,350 --> 00:10:36,870

shapeshifter man and black attack female

367

00:10:40,870 --> 00:10:39,360

conference attendee in irvine california

368

00:10:42,870 --> 00:10:40,880

i was up on the roof of the hotel

369

00:10:44,069 --> 00:10:42,880

watching the 2015 eclipse of the moon

370

00:10:45,750 --> 00:10:44,079

with a few other people from a

371

00:10:46,870 --> 00:10:45,760

conference i was attending in irvine

372

00:10:49,110 --> 00:10:46,880

california

373

00:10:50,230 --> 00:10:49,120

around 10 30 p.m i decided to go to my

374

00:10:51,829 --> 00:10:50,240

hotel room and pack

375

00:10:53,910 --> 00:10:51,839

so that i could catch my flight in the

376
00:10:54,310 --> 00:10:53,920
morning my roommate was already in the

377
00:10:56,710 --> 00:10:54,320
room

378
00:10:57,910 --> 00:10:56,720
and was watching tv she had already

379
00:10:59,590 --> 00:10:57,920
packed her things

380
00:11:01,190 --> 00:10:59,600
there was a strange bottle by my bed

381
00:11:03,430 --> 00:11:01,200
which had green liquid inside

382
00:11:05,350 --> 00:11:03,440
and a label which said bio cleaner on it

383
00:11:06,870 --> 00:11:05,360
i commented to my roommate how odd it

384
00:11:08,710 --> 00:11:06,880
was for that bottle to be there

385
00:11:10,550 --> 00:11:08,720
and that the hotel staff would use bio

386
00:11:12,470 --> 00:11:10,560
cleaner to clean a hotel room

387
00:11:13,670 --> 00:11:12,480
i then moved a bottle from beside my bed

388
00:11:15,750 --> 00:11:13,680

to behind the tv

389

00:11:17,910 --> 00:11:15,760

because i did not want to sleep next to

390

00:11:19,190 --> 00:11:17,920

it we talked for approximately an hour

391

00:11:21,509 --> 00:11:19,200

as i packed my things

392

00:11:22,470 --> 00:11:21,519

and got ready for bed then we both tried

393

00:11:24,949 --> 00:11:22,480

to sleep

394

00:11:26,389 --> 00:11:24,959

about 30 minutes later my roommate asked

395

00:11:28,630 --> 00:11:26,399

if i was still awake

396

00:11:30,710 --> 00:11:28,640

i said yes i could not sleep and she

397

00:11:32,389 --> 00:11:30,720

said that she felt the same way

398

00:11:34,470 --> 00:11:32,399

she got up got dressed and went

399

00:11:35,190 --> 00:11:34,480

downstairs to see who else was still

400

00:11:36,630 --> 00:11:35,200

awake

401
00:11:38,230 --> 00:11:36,640
after she left the room i heard her

402
00:11:39,430 --> 00:11:38,240
loudly talking in the hallway with two

403
00:11:41,990 --> 00:11:39,440
male voices

404
00:11:43,110 --> 00:11:42,000
then i heard some asian voices as well i

405
00:11:44,790 --> 00:11:43,120
felt very afraid

406
00:11:46,630 --> 00:11:44,800
after hearing the escalated voices in

407
00:11:47,190 --> 00:11:46,640
the hallway and curled up in a ball in

408
00:11:49,670 --> 00:11:47,200
my bed

409
00:11:51,590 --> 00:11:49,680
and began to cry silently as i was

410
00:11:52,470 --> 00:11:51,600
crying i heard the hotel room door began

411
00:11:54,230 --> 00:11:52,480
to open

412
00:11:55,670 --> 00:11:54,240
i laid in bed and prayed for my roommate

413
00:11:57,509 --> 00:11:55,680

to come back quickly

414

00:11:59,190 --> 00:11:57,519

i felt like i could not move i wanted to

415

00:12:00,790 --> 00:11:59,200

look at the door to see who was coming

416

00:12:02,710 --> 00:12:00,800

into the room but could not

417

00:12:04,550 --> 00:12:02,720

i may have blacked out for a minute or

418

00:12:06,470 --> 00:12:04,560

two from the fear i was feeling

419

00:12:08,389 --> 00:12:06,480

when i opened my eyes i saw three men in

420

00:12:10,710 --> 00:12:08,399

the room with me two were tall

421

00:12:12,870 --> 00:12:10,720

and one was shorter one taller man was

422

00:12:15,110 --> 00:12:12,880

at the foot of the bed holding my legs

423

00:12:16,710 --> 00:12:15,120

one man was holding my arm down and one

424

00:12:18,230 --> 00:12:16,720

man was holding my head

425

00:12:19,990 --> 00:12:18,240

at first i thought they were trying to

426

00:12:22,230 --> 00:12:20,000

have sex with me or rape me

427

00:12:23,990 --> 00:12:22,240

i was very afraid and kept struggling to

428

00:12:25,430 --> 00:12:24,000

get free from them and asking them why

429

00:12:27,190 --> 00:12:25,440

they were doing this to me

430

00:12:28,470 --> 00:12:27,200

as i looked at the faces they changed to

431

00:12:29,430 --> 00:12:28,480

people i had encountered at the

432

00:12:31,509 --> 00:12:29,440

conference

433

00:12:33,110 --> 00:12:31,519

i began to question if these people were

434

00:12:34,790 --> 00:12:33,120

hurting me for some reason

435

00:12:36,710 --> 00:12:34,800

then the faces changed again back to

436

00:12:38,629 --> 00:12:36,720

their original ones i had seen

437

00:12:39,990 --> 00:12:38,639

the three men kept talking to me and

438

00:12:42,069 --> 00:12:40,000

telling me various things

439

00:12:43,190 --> 00:12:42,079

such as this is for your own good we are

440

00:12:45,190 --> 00:12:43,200

not hurting you

441

00:12:47,190 --> 00:12:45,200

these people are hurting you we need to

442

00:12:49,269 --> 00:12:47,200

know if there's anything left

443

00:12:50,949 --> 00:12:49,279

you need to stop talking to people or

444

00:12:52,389 --> 00:12:50,959

bad things will happen to you

445

00:12:54,230 --> 00:12:52,399

then the man who was holding my arm

446

00:12:55,430 --> 00:12:54,240

pulled out a needle and tried to stick

447

00:12:57,430 --> 00:12:55,440

it into my arm

448

00:12:59,350 --> 00:12:57,440

i kept fighting him the man who was

449

00:13:00,629 --> 00:12:59,360

holding my head kept trying to put a

450

00:13:02,870 --> 00:13:00,639

white pill into my mouth

451
00:13:03,829 --> 00:13:02,880
and make me swallow it i kept spitting

452
00:13:05,509 --> 00:13:03,839
the white pill out

453
00:13:07,269 --> 00:13:05,519
and turning my head away from him to see

454
00:13:07,910 --> 00:13:07,279
what the man holding my arm down was

455
00:13:09,350 --> 00:13:07,920
doing

456
00:13:11,350 --> 00:13:09,360
i'm not sure what the man who was

457
00:13:12,949 --> 00:13:11,360
holding my legs was doing to me

458
00:13:14,550 --> 00:13:12,959
at one point the man holding my head

459
00:13:15,269 --> 00:13:14,560
pushed the white pill way into the back

460
00:13:16,790 --> 00:13:15,279
of my mouth

461
00:13:18,870 --> 00:13:16,800
and put some water in my mouth and

462
00:13:19,590 --> 00:13:18,880
tilted my head back and forced me to

463
00:13:21,509 --> 00:13:19,600

swallow

464

00:13:22,710 --> 00:13:21,519

at the same time the man holding my arm

465

00:13:24,550 --> 00:13:22,720

gave me an injection

466

00:13:27,030 --> 00:13:24,560

and then i suddenly felt very calm and

467

00:13:27,990 --> 00:13:27,040

sleepy the man by my head gently tilted

468

00:13:29,670 --> 00:13:28,000

my head toward him

469

00:13:32,310 --> 00:13:29,680

and told me he would make sure that i

470

00:13:33,910 --> 00:13:32,320

was okay and would not swallow my tongue

471

00:13:35,829 --> 00:13:33,920

it was best for me to sleep through the

472

00:13:36,949 --> 00:13:35,839

rest of this and not remember what was

473

00:13:39,189 --> 00:13:36,959

happening to me

474

00:13:40,710 --> 00:13:39,199

i must have fallen asleep at this point

475

00:13:43,189 --> 00:13:40,720

i could after a while

476

00:13:44,629 --> 00:13:43,199

feel my body being washed down it felt

477

00:13:46,069 --> 00:13:44,639

as though i was being systematically

478

00:13:47,829 --> 00:13:46,079

washed for a reason

479

00:13:49,269 --> 00:13:47,839

i was being moved in different positions

480

00:13:51,430 --> 00:13:49,279

and washed down with something

481

00:13:52,949 --> 00:13:51,440

and then my skin was dried off then i

482

00:13:54,870 --> 00:13:52,959

must have fallen asleep again

483

00:13:56,310 --> 00:13:54,880

because the next thing i remember is the

484

00:13:57,910 --> 00:13:56,320

hotel room door opening

485

00:14:00,150 --> 00:13:57,920

and my roommate coming back into the

486

00:14:02,150 --> 00:14:00,160

room i was still too afraid to move or

487

00:14:03,590 --> 00:14:02,160

talk to her but felt relieved that she

488

00:14:06,150 --> 00:14:03,600

was now in the room

489

00:14:07,350 --> 00:14:06,160

she got back into bed and went to sleep

490

00:14:09,910 --> 00:14:07,360

she kept waking up

491

00:14:11,750 --> 00:14:09,920

and asking me if i was okay because i

492

00:14:13,430 --> 00:14:11,760

kept sitting up in bed trying to stretch

493

00:14:15,750 --> 00:14:13,440

my legs and my body

494

00:14:17,350 --> 00:14:15,760

i told her that i hurt really bad and

495

00:14:17,990 --> 00:14:17,360

felt like something bad had happened to

496

00:14:21,269 --> 00:14:18,000

me

497

00:14:23,910 --> 00:14:21,279

that after they visit you

498

00:14:25,910 --> 00:14:23,920

i did not ask her what she meant by that

499

00:14:26,550 --> 00:14:25,920

i laid down and tried to sleep but could

500

00:14:28,629 --> 00:14:26,560

not

501
00:14:30,069 --> 00:14:28,639
my legs still hurt and i felt very raw

502
00:14:32,710 --> 00:14:30,079
vaginally inside as well as

503
00:14:34,550 --> 00:14:32,720
itchy and various parts of my body i

504
00:14:36,470 --> 00:14:34,560
waited until i thought she was asleep

505
00:14:37,829 --> 00:14:36,480
and then went into the bathroom to check

506
00:14:40,550 --> 00:14:37,839
my body for bruises

507
00:14:41,990 --> 00:14:40,560
because i hurt so badly i couldn't sleep

508
00:14:44,150 --> 00:14:42,000
so i left the hotel room

509
00:14:45,269 --> 00:14:44,160
and went for a walk downstairs and out

510
00:14:47,670 --> 00:14:45,279
by the pool to see

511
00:14:49,350 --> 00:14:47,680
if anyone else was still awake the only

512
00:14:50,389 --> 00:14:49,360
other people awake in the hotel were the

513
00:14:51,990 --> 00:14:50,399

cleaning crew

514

00:14:53,590 --> 00:14:52,000

i rode the elevator back up to the

515

00:14:55,509 --> 00:14:53,600

second floor and when i got off there

516

00:14:57,670 --> 00:14:55,519

was a sign by the elevator which read

517

00:14:58,790 --> 00:14:57,680

remember your manual do not forget your

518

00:15:01,189 --> 00:14:58,800

instructions

519

00:15:02,550 --> 00:15:01,199

the sign struck me as odd it also had a

520

00:15:05,030 --> 00:15:02,560

room number listed on it

521

00:15:05,750 --> 00:15:05,040

i decided to investigate i went down the

522

00:15:07,509 --> 00:15:05,760

hallway

523

00:15:09,590 --> 00:15:07,519

found the room and put my ear to the

524

00:15:10,069 --> 00:15:09,600

door i could hear movement inside of the

525

00:15:13,750 --> 00:15:10,079

room

526

00:15:15,670 --> 00:15:13,760

card wouldn't open the door

527

00:15:17,430 --> 00:15:15,680

i inserted it into the slot and it did

528

00:15:19,910 --> 00:15:17,440

not open i tried it again

529

00:15:21,670 --> 00:15:19,920

the noise inside the room stopped i then

530

00:15:23,509 --> 00:15:21,680

slowly walked back to my hotel room

531

00:15:24,150 --> 00:15:23,519

stopping to use a public restroom on the

532

00:15:25,750 --> 00:15:24,160

way

533

00:15:27,670 --> 00:15:25,760

after i used the bathroom i looked in

534

00:15:29,189 --> 00:15:27,680

the toilet and noticed what appeared to

535

00:15:31,189 --> 00:15:29,199

be white human tissue

536

00:15:33,110 --> 00:15:31,199

i thought of reaching and grabbing it

537

00:15:34,710 --> 00:15:33,120

but then decided to just not

538

00:15:36,389 --> 00:15:34,720

i have already had two mysterious

539

00:15:38,069 --> 00:15:36,399

pregnancies and miscarriages

540

00:15:40,069 --> 00:15:38,079

and did not want to go down the road of

541

00:15:40,870 --> 00:15:40,079

unexplained tissue so i flushed the

542

00:15:42,870 --> 00:15:40,880

toilet

543

00:15:45,110 --> 00:15:42,880

i then went back to my hotel room to try

544

00:15:47,670 --> 00:15:45,120

to sleep i still could not sleep

545

00:15:49,350 --> 00:15:47,680

so i got up and took my shaver and went

546

00:15:50,550 --> 00:15:49,360

back down to the public restroom to

547

00:15:52,389 --> 00:15:50,560

shave my legs

548

00:15:54,069 --> 00:15:52,399

i then tried to sleep again in the hotel

549

00:15:56,230 --> 00:15:54,079

room i may have dozed off for a minute

550

00:15:57,350 --> 00:15:56,240

or two but mostly just laid there sore

551
00:15:59,509 --> 00:15:57,360
and wide awake

552
00:16:01,590 --> 00:15:59,519
at about 5 30 a.m i could not lay there

553
00:16:02,629 --> 00:16:01,600
any longer and decided it was time for

554
00:16:04,870 --> 00:16:02,639
me to get up

555
00:16:07,189 --> 00:16:04,880
i got dressed my roommate woke up

556
00:16:09,269 --> 00:16:07,199
slightly and asked if i was leaving

557
00:16:10,949 --> 00:16:09,279
i told her yes that i could not sleep

558
00:16:11,910 --> 00:16:10,959
and thought it best for me to just go to

559
00:16:13,910 --> 00:16:11,920
the airport

560
00:16:15,030 --> 00:16:13,920
she wished me a safe flight and told me

561
00:16:16,870 --> 00:16:15,040
to be careful

562
00:16:18,710 --> 00:16:16,880
as i waited in the lobby for the airport

563
00:16:19,430 --> 00:16:18,720

shuttle there were three other men also

564

00:16:20,870 --> 00:16:19,440

waiting

565

00:16:22,790 --> 00:16:20,880

they looked very similar to the three

566

00:16:23,990 --> 00:16:22,800

men that i had seen in my hotel room

567

00:16:26,069 --> 00:16:24,000

earlier that night

568

00:16:27,350 --> 00:16:26,079

they stood together outside of the hotel

569

00:16:28,629 --> 00:16:27,360

and kept looking at me as we were

570

00:16:30,870 --> 00:16:28,639

waiting for the shuttle

571

00:16:32,550 --> 00:16:30,880

we all boarded the shuttle together i

572

00:16:34,310 --> 00:16:32,560

sat behind the tall man in the back

573

00:16:36,150 --> 00:16:34,320

and the other two men sat on the left

574

00:16:38,150 --> 00:16:36,160

side of the shuttle i felt very

575

00:16:39,269 --> 00:16:38,160

disoriented or drugged but tried to

576

00:16:41,350 --> 00:16:39,279

shake it off

577

00:16:42,710 --> 00:16:41,360

a song came on the radio and i sang

578

00:16:44,310 --> 00:16:42,720

along silently to it

579

00:16:46,150 --> 00:16:44,320

still trying to make sense of what had

580

00:16:47,749 --> 00:16:46,160

happened to me earlier that evening

581

00:16:49,269 --> 00:16:47,759

none of the men talked to each other on

582

00:16:51,110 --> 00:16:49,279

the shuttle to the airport

583

00:16:52,949 --> 00:16:51,120

two of the men got off the shuttle with

584

00:16:53,430 --> 00:16:52,959

me they followed me to the check-in

585

00:16:55,350 --> 00:16:53,440

point

586

00:16:56,949 --> 00:16:55,360

and then the shorter men told me have a

587

00:16:59,110 --> 00:16:56,959

nice flight and try to forget

588

00:17:00,949 --> 00:16:59,120

or something to that extent i looked

589

00:17:03,189 --> 00:17:00,959

down at my luggage and looked up

590

00:17:04,710 --> 00:17:03,199

they were gone i'm not sure if they

591

00:17:05,750 --> 00:17:04,720

disappeared into the crowd or just

592

00:17:07,350 --> 00:17:05,760

disappeared

593

00:17:09,270 --> 00:17:07,360

skipping ahead to the airplane flight

594

00:17:09,829 --> 00:17:09,280

home my seat was in the back of the

595

00:17:11,669 --> 00:17:09,839

plane

596

00:17:13,429 --> 00:17:11,679

and a man sat next to me in the aisle

597

00:17:14,870 --> 00:17:13,439

seat with a seat between us

598

00:17:16,789 --> 00:17:14,880

during the whole flight he never talked

599

00:17:18,870 --> 00:17:16,799

to me but i felt very tired and

600

00:17:19,590 --> 00:17:18,880

disorientated so i slept for most of the

601
00:17:21,270 --> 00:17:19,600

flight

602
00:17:23,110 --> 00:17:21,280

i was aware of people moving around on

603
00:17:23,750 --> 00:17:23,120

the plane but just could not shake the

604
00:17:25,829 --> 00:17:23,760

tiredness

605
00:17:28,230 --> 00:17:25,839

that i was feeling when the plane landed

606
00:17:29,990 --> 00:17:28,240

in minneapolis we started getting off

607
00:17:31,590 --> 00:17:30,000

the man who had sat next to me waited

608
00:17:31,990 --> 00:17:31,600

until it was time for me to get off then

609
00:17:33,669 --> 00:17:32,000

he got

610
00:17:35,110 --> 00:17:33,679

up and went out the back door of the

611
00:17:37,190 --> 00:17:35,120

airplane and disappeared

612
00:17:38,870 --> 00:17:37,200

it struck me as odd for a passenger to

613
00:17:40,470 --> 00:17:38,880

exit through the rear of the plane

614

00:17:42,150 --> 00:17:40,480

i got off the plane and waited for a

615

00:17:43,190 --> 00:17:42,160

minute or two in the ramp into the

616

00:17:45,350 --> 00:17:43,200

terminal to see

617

00:17:47,110 --> 00:17:45,360

if the man would come this direction no

618

00:17:49,110 --> 00:17:47,120

one else came off the plane

619

00:17:50,710 --> 00:17:49,120

i just decided it was best to forget and

620

00:17:52,310 --> 00:17:50,720

when to find my luggage

621

00:17:54,390 --> 00:17:52,320

i got my luggage and waited for the

622

00:17:55,909 --> 00:17:54,400

shuttle bus to bring me to my vehicle

623

00:17:58,070 --> 00:17:55,919

because i had parked away from the

624

00:17:58,789 --> 00:17:58,080

airport two men got onto the shuttle

625

00:18:00,549 --> 00:17:58,799

with me

626

00:18:02,150 --> 00:18:00,559

they reminded me of the two men that i

627

00:18:03,190 --> 00:18:02,160

had seen earlier that morning in

628

00:18:05,190 --> 00:18:03,200

california

629

00:18:07,110 --> 00:18:05,200

they did not talk to each other much and

630

00:18:08,789 --> 00:18:07,120

did look at me from time to time

631

00:18:10,950 --> 00:18:08,799

they got off the shuttle before me and

632

00:18:12,870 --> 00:18:10,960

then the driver brought me to my vehicle

633

00:18:13,990 --> 00:18:12,880

as i drove away from minneapolis toward

634

00:18:15,909 --> 00:18:14,000

my home my body began

635

00:18:17,430 --> 00:18:15,919

to hurt again and i began to remember

636

00:18:19,909 --> 00:18:17,440

the night before being touched

637

00:18:21,750 --> 00:18:19,919

washed and talked to the further i drove

638

00:18:23,190 --> 00:18:21,760

the more afraid i felt until finally i

639

00:18:25,510 --> 00:18:23,200

pulled over at a gas station

640

00:18:27,190 --> 00:18:25,520

and purchased a car charger for my phone

641

00:18:28,870 --> 00:18:27,200

because i had lost mine

642

00:18:30,870 --> 00:18:28,880

i called a friend who advised me to go

643

00:18:32,150 --> 00:18:30,880

to the nearest hospital and get checked

644

00:18:33,669 --> 00:18:32,160

out which i did

645

00:18:35,029 --> 00:18:33,679

after talking with other people from

646

00:18:36,710 --> 00:18:35,039

minnesota who had attended the

647

00:18:38,310 --> 00:18:36,720

conference they told me that at the time

648

00:18:39,909 --> 00:18:38,320

i was claiming to have been visited or

649

00:18:41,430 --> 00:18:39,919

assaulted that a group of them had been

650

00:18:43,350 --> 00:18:41,440

down in near the hotel lobby

651
00:18:45,510 --> 00:18:43,360
and that the hotel fire alarm system had

652
00:18:47,190 --> 00:18:45,520
gone off a few of them have also joked

653
00:18:48,150 --> 00:18:47,200
about seeing the craft hovering near the

654
00:18:55,029 --> 00:18:48,160
hotel

655
00:18:59,830 --> 00:18:57,510
experiencer recalls mib grey alien

656
00:19:02,789 --> 00:18:59,840
encounters in navarre beach florida

657
00:19:03,990 --> 00:19:02,799
during my spring break of 1977 my family

658
00:19:05,669 --> 00:19:04,000
and three other families

659
00:19:07,430 --> 00:19:05,679
from the neighborhood i grew up in

660
00:19:08,630 --> 00:19:07,440
traveled to a holiday inn in navarre

661
00:19:10,470 --> 00:19:08,640
beach florida

662
00:19:13,029 --> 00:19:10,480
my mother had told me it was a newly

663
00:19:15,830 --> 00:19:13,039

opened hotel it had an indoor pool

664

00:19:16,549 --> 00:19:15,840

arcade gift shop deli and small movie

665

00:19:18,230 --> 00:19:16,559

theater

666

00:19:20,390 --> 00:19:18,240

for its day it was considered to be a

667

00:19:22,070 --> 00:19:20,400

very nice place and my family went to

668

00:19:23,870 --> 00:19:22,080

this hotel three times

669

00:19:26,710 --> 00:19:23,880

during our second visit in august of

670

00:19:28,470 --> 00:19:26,720

1977 the movie jaws 2 was being filmed

671

00:19:30,470 --> 00:19:28,480

at navarre and i even got to see the

672

00:19:31,110 --> 00:19:30,480

mechanical jaws stored with other movie

673

00:19:32,870 --> 00:19:31,120

equipment

674

00:19:34,390 --> 00:19:32,880

and props in the eastern portion of the

675

00:19:36,630 --> 00:19:34,400

hotel parking lot

676
00:19:38,630 --> 00:19:36,640
during this spring break vacation around

677
00:19:40,310 --> 00:19:38,640
late march of 1977

678
00:19:42,470 --> 00:19:40,320
there was a special showing of the film

679
00:19:43,830 --> 00:19:42,480
bugsy malone where only children were

680
00:19:45,990 --> 00:19:43,840
permitted to attend

681
00:19:47,669 --> 00:19:46,000
it was during the film that i started to

682
00:19:49,909 --> 00:19:47,679
feel a bit disoriented

683
00:19:52,070 --> 00:19:49,919
i heard some other children crying and i

684
00:19:53,909 --> 00:19:52,080
heard the sound of someone throwing up

685
00:19:55,830 --> 00:19:53,919
at one point in the film i got up from

686
00:19:57,909 --> 00:19:55,840
my chair to leave but i was quickly

687
00:19:59,750 --> 00:19:57,919
escorted back to my chair by an usher in

688
00:20:01,990 --> 00:19:59,760

a black suit and black hat

689

00:20:03,909 --> 00:20:02,000

i saw one or maybe two more men in black

690

00:20:06,149 --> 00:20:03,919

suits at the back of the theater

691

00:20:08,230 --> 00:20:06,159

after the film was over i felt just fine

692

00:20:09,510 --> 00:20:08,240

and i never did complain to anyone about

693

00:20:11,830 --> 00:20:09,520

that experience

694

00:20:13,190 --> 00:20:11,840

one evening on this vacation i awoke and

695

00:20:15,270 --> 00:20:13,200

sat up in my bed

696

00:20:17,350 --> 00:20:15,280

i looked across the room and could see a

697

00:20:18,070 --> 00:20:17,360

group of small figures in the dimly lit

698

00:20:20,390 --> 00:20:18,080

room

699

00:20:22,230 --> 00:20:20,400

my brother was asleep to my right and my

700

00:20:22,950 --> 00:20:22,240

parents were asleep in the bed to my

701
00:20:25,029 --> 00:20:22,960
left

702
00:20:26,870 --> 00:20:25,039
the feeling i felt was something i had

703
00:20:27,830 --> 00:20:26,880
felt before which i immediately

704
00:20:29,669 --> 00:20:27,840
recognized

705
00:20:31,029 --> 00:20:29,679
it was a feeling i only have felt when

706
00:20:33,110 --> 00:20:31,039
the grays were near

707
00:20:35,029 --> 00:20:33,120
i thought it's been a while and to a

708
00:20:37,430 --> 00:20:35,039
young boy it had been over two years

709
00:20:39,909 --> 00:20:37,440
since his last encounter with the grace

710
00:20:40,870 --> 00:20:39,919
so it had felt like a long time but then

711
00:20:42,710 --> 00:20:40,880
i could not move

712
00:20:44,950 --> 00:20:42,720
and one of the figures moved towards me

713
00:20:47,190 --> 00:20:44,960

very fast and the last thing i recalled

714

00:20:47,590 --> 00:20:47,200

were its big black eyes very close to my

715

00:20:49,750 --> 00:20:47,600

face

716

00:20:51,909 --> 00:20:49,760

and a wand like object being pointed at

717

00:20:53,830 --> 00:20:51,919

me then there was blackness

718

00:20:55,669 --> 00:20:53,840

the next thing i recall was being in the

719

00:20:56,950 --> 00:20:55,679

sand dunes away from the hotel in a

720

00:20:58,710 --> 00:20:56,960

circle of children

721

00:21:00,390 --> 00:20:58,720

i must have been one of the youngest

722

00:21:02,310 --> 00:21:00,400

because i was the shortest

723

00:21:03,990 --> 00:21:02,320

but my attention was more on the blue

724

00:21:05,830 --> 00:21:04,000

object directly over us that had a

725

00:21:07,430 --> 00:21:05,840

glowing blue light all about it

726

00:21:09,029 --> 00:21:07,440

the closest thing i've seen to this

727

00:21:10,310 --> 00:21:09,039

shade of blue would be that of the blue

728

00:21:12,470 --> 00:21:10,320

glow of radiation

729

00:21:13,909 --> 00:21:12,480

that i've only seen from photos then

730

00:21:15,909 --> 00:21:13,919

there was blackness

731

00:21:17,510 --> 00:21:15,919

the next morning was a saturday and i

732

00:21:19,830 --> 00:21:17,520

was watching cartoons

733

00:21:21,590 --> 00:21:19,840

it was not until i was watching tv that

734

00:21:23,110 --> 00:21:21,600

i then recalled that previous night's

735

00:21:25,110 --> 00:21:23,120

experience with the greys

736

00:21:26,549 --> 00:21:25,120

seeing the blue glowing sphere above me

737

00:21:28,549 --> 00:21:26,559

and the other children

738

00:21:30,630 --> 00:21:28,559

i then told one of the other children

739

00:21:32,710 --> 00:21:30,640

that were traveling with us on this trip

740

00:21:34,230 --> 00:21:32,720

about my experience that night and she

741

00:21:36,390 --> 00:21:34,240

did not believe me

742

00:21:38,070 --> 00:21:36,400

i also recall walking around the hotel

743

00:21:38,549 --> 00:21:38,080

later that day and then getting up the

744

00:21:40,710 --> 00:21:38,559

nerve

745

00:21:46,870 --> 00:21:40,720

to tell my older brother who also teased

746

00:21:50,310 --> 00:21:49,350

this is lon strickler if you like this

747

00:21:52,070 --> 00:21:50,320

program

748

00:21:53,350 --> 00:21:52,080

it would help us if you would give it a

749

00:21:56,230 --> 00:21:53,360

thumbs up

750
