Exploring the Unexplained 

**January 29th, 2021**  
**@ 9PM Eastern**

**Your Host**  
**Lon Strickler**

**With Guest**  
**Joni Mayhan**

**Joni Mayhan, Paranormal Investigator & Author - Friday, January 29th**

1  
00:00:06,950 --> 00:00:04,309

[Music]

2  
00:00:08,549 --> 00:00:06,960

the oldest and strongest human emotion

3  
00:00:10,709 --> 00:00:08,559

is fear

4  
00:00:11,749 --> 00:00:10,719

and the oldest and strongest type of

5  
00:00:14,950 --> 00:00:11,759

fear

6  
00:00:17,349 --> 00:00:14,960

is trepidation of the unknown

7  
00:00:20,790 --> 00:00:17,359

when we were children our parents told

8  
00:00:23,269 --> 00:00:20,800

us that monsters didn't exist

9  
00:00:26,470 --> 00:00:23,279

but we were sure that something was

10  
00:00:31,029 --> 00:00:26,480

lurking under the bed or in the closet

11  
00:00:34,069 --> 00:00:31,039

fear sees even if our eyes are closed

12  
00:00:37,270 --> 00:00:34,079

welcome to the realm of the arcane

13  
00:00:37,910 --> 00:00:37,280

my name is lon stripler join me as i

14

00:00:40,389 --> 00:00:37,920

examine

15

00:00:44,790 --> 00:00:40,399

unexplained creatures strange

16

00:00:47,750 --> 00:00:44,800

manifestations and remarkable realities

17

00:00:50,389 --> 00:00:47,760

imagine this next hour as a voyage of

18

00:00:53,430 --> 00:00:50,399

discovery to strange lands

19

00:00:55,910 --> 00:00:53,440

seeking not for new territory but for

20

00:00:58,790 --> 00:00:55,920

new knowledge of the supernatural

21

00:01:00,180 --> 00:00:58,800

come on board as we begin this adventure

22

00:01:04,149 --> 00:01:00,190

together

23

00:01:09,030 --> 00:01:06,950

hey folks good evening and welcome to

24

00:01:11,670 --> 00:01:09,040

another episode of our canyon radio

25

00:01:14,630 --> 00:01:11,680

where we explore the unexplained

26  
00:01:17,030 --> 00:01:14,640  
live on beyond explanation i'm your host

27  
00:01:19,590 --> 00:01:17,040  
lon strickler coming to you

28  
00:01:21,590 --> 00:01:19,600  
from the spectral shadows of gettysburg

29  
00:01:25,030 --> 00:01:21,600  
pennsylvania

30  
00:01:26,710 --> 00:01:25,040  
now before i uh introduce our guests i'm

31  
00:01:30,230 --> 00:01:26,720  
going to read

32  
00:01:32,069 --> 00:01:30,240  
a short report that i received this week

33  
00:01:35,429 --> 00:01:32,079  
it's it's an older report but

34  
00:01:36,950 --> 00:01:35,439  
it's pretty interesting uh the witness

35  
00:01:38,469 --> 00:01:36,960  
states that my girlfriend and i were

36  
00:01:40,630 --> 00:01:38,479  
fishing at a stone

37  
00:01:42,149 --> 00:01:40,640  
quarry that was surrounded by cornfields

38  
00:01:44,310 --> 00:01:42,159

of small patches

39

00:01:47,190 --> 00:01:44,320

of light force and chivalry we were

40

00:01:49,469 --> 00:01:47,200

outside of sugar grove illinois

41

00:01:51,590 --> 00:01:49,479

at big rock quarry now this was may of

42

00:01:54,230 --> 00:01:51,600

1988.

43

00:01:55,030 --> 00:01:54,240

the sun had just set and the area behind

44

00:01:57,030 --> 00:01:55,040

us wrote

45

00:01:58,230 --> 00:01:57,040

slowly rose to a cornfield edged by

46

00:02:00,230 --> 00:01:58,240

shrubby

47

00:02:01,910 --> 00:02:00,240

and small trees now the edge of the

48

00:02:05,830 --> 00:02:01,920

trees and shrubby

49

00:02:07,590 --> 00:02:05,840

is about 15 to 20 yards behind us

50

00:02:10,790 --> 00:02:07,600

now we were sitting on the edge of the

51  
00:02:13,830 --> 00:02:10,800  
water and had just started packing up

52  
00:02:17,110 --> 00:02:13,840  
when all of a sudden we heard uh this

53  
00:02:20,550 --> 00:02:17,120  
very loud roar it made us

54  
00:02:23,830 --> 00:02:20,560  
jump up instantly then it roared again

55  
00:02:25,910 --> 00:02:23,840  
i could see the outline of a creature

56  
00:02:27,750 --> 00:02:25,920  
with a large head and lord's eyes i

57  
00:02:30,229 --> 00:02:27,760  
grabbed my flashlight

58  
00:02:30,790 --> 00:02:30,239  
and shined it at the creature it had

59  
00:02:34,309 --> 00:02:30,800  
large

60  
00:02:36,949 --> 00:02:34,319  
greenish orange oh eyes

61  
00:02:38,070 --> 00:02:36,959  
it roared again and you could see large

62  
00:02:39,910 --> 00:02:38,080  
predator-like

63  
00:02:41,910 --> 00:02:39,920

teeth then it moved through the trees

64

00:02:44,790 --> 00:02:41,920

and shrubbery

65

00:02:46,309 --> 00:02:44,800

so fast that uh you could see it move on

66

00:02:47,509 --> 00:02:46,319

you really couldn't see it moving until

67

00:02:50,869 --> 00:02:47,519

it actually

68

00:02:51,910 --> 00:02:50,879

got to its next destination then it

69

00:02:54,550 --> 00:02:51,920

roared again

70

00:02:55,910 --> 00:02:54,560

it had a roar that was not like anything

71

00:02:58,869 --> 00:02:55,920

that lives

72

00:03:00,550 --> 00:02:58,879

on this planet especially in illinois it

73

00:03:01,190 --> 00:03:00,560

was very frightening and a creature was

74

00:03:04,550 --> 00:03:01,200

edge

75

00:03:07,509 --> 00:03:04,560

was at its closest about 10 yards maybe

76

00:03:09,430 --> 00:03:07,519

50 yards at its furthest

77

00:03:11,430 --> 00:03:09,440

the eyes were reminding me of a large

78

00:03:14,470 --> 00:03:11,440

reptile

79

00:03:16,790 --> 00:03:14,480

now the next day i went back with a

80

00:03:18,869 --> 00:03:16,800

friend to see if i could see or detect

81

00:03:21,110 --> 00:03:18,879

signs of anything i couldn't find

82

00:03:23,270 --> 00:03:21,120

anything no traction broken limbs

83

00:03:25,350 --> 00:03:23,280

nothing and my buddy and i started

84

00:03:28,949 --> 00:03:25,360

fishing

85

00:03:32,470 --> 00:03:28,959

so uh we were there about an

86

00:03:34,630 --> 00:03:32,480

hour when it started to get dark again

87

00:03:35,910 --> 00:03:34,640

uh we packed up started to walk up the

88

00:03:39,110 --> 00:03:35,920

short path to my

89

00:03:41,030 --> 00:03:39,120

jeep when we both stopped in our tracks

90

00:03:42,550 --> 00:03:41,040

and coming across the cornfield at

91

00:03:46,710 --> 00:03:42,560

treetop level

92

00:03:49,270 --> 00:03:46,720

was a long disc shaped craft

93

00:03:50,309 --> 00:03:49,280

it had several lights on it with a large

94

00:03:53,429 --> 00:03:50,319

light that shined

95

00:03:55,509 --> 00:03:53,439

when it's from for a few seconds it then

96

00:03:57,670 --> 00:03:55,519

made a 45 degree turn

97

00:03:59,110 --> 00:03:57,680

and went up yet uh up into the

98

00:04:02,390 --> 00:03:59,120

atmosphere in a blink of a

99

00:04:04,470 --> 00:04:02,400

blink of the eye the craft that we saw

100

00:04:06,149 --> 00:04:04,480

did not have any sound this is very

101  
00:04:08,390 --> 00:04:06,159  
bizarre well

102  
00:04:10,070 --> 00:04:08,400  
this is interesting i i this first i've

103  
00:04:12,309 --> 00:04:10,080  
seen this report

104  
00:04:13,190 --> 00:04:12,319  
i'm not sure he'd been around or not it

105  
00:04:16,390 --> 00:04:13,200  
was sent

106  
00:04:18,310 --> 00:04:16,400  
by another investigator to me since i

107  
00:04:19,670 --> 00:04:18,320  
investigated a lot of phenomena in

108  
00:04:22,950 --> 00:04:19,680  
illinois and indiana

109  
00:04:25,749 --> 00:04:22,960  
and uh you know it

110  
00:04:28,230 --> 00:04:25,759  
the fact that it was a weird type of

111  
00:04:30,310 --> 00:04:28,240  
humanoid doesn't surprise me

112  
00:04:31,830 --> 00:04:30,320  
though you know we do get of course you

113  
00:04:33,590 --> 00:04:31,840

know we got a lot of reports of that

114

00:04:35,909 --> 00:04:33,600

type of thing in illinois so

115

00:04:39,110 --> 00:04:35,919

uh i don't know what the relationship

116

00:04:41,510 --> 00:04:39,120

was with the ufo in this creature but uh

117

00:04:43,030 --> 00:04:41,520

apparently there was something there um

118

00:04:45,030 --> 00:04:43,040

i went back and looked at

119

00:04:47,350 --> 00:04:45,040

reports for that area and quite frankly

120

00:04:49,350 --> 00:04:47,360

i didn't see anything so uh

121

00:04:51,270 --> 00:04:49,360

you know maybe something will turn up if

122

00:04:53,510 --> 00:04:51,280

it does i'll go ahead and attach it into

123

00:04:56,310 --> 00:04:53,520

this

124

00:04:56,790 --> 00:04:56,320

so tonight i welcome journal mexican

125

00:05:00,230 --> 00:04:56,800

author

126

00:05:02,230 --> 00:05:00,240

johnny mayhem to arcane radio now

127

00:05:03,350 --> 00:05:02,240

search for the darkest scariest places

128

00:05:04,870 --> 00:05:03,360

on the planet

129

00:05:07,350 --> 00:05:04,880

and that's where you'll probably find

130

00:05:09,430 --> 00:05:07,360

joanie she's a seasoned paranormal

131

00:05:11,990 --> 00:05:09,440

investigator and author of 20

132

00:05:12,629 --> 00:05:12,000

paranormal books her newest book is when

133

00:05:15,110 --> 00:05:12,639

ghosts are

134

00:05:17,270 --> 00:05:15,120

near and her other books include the

135

00:05:18,390 --> 00:05:17,280

best-selling paranormal true story bones

136

00:05:20,710 --> 00:05:18,400

in the basement

137

00:05:22,310 --> 00:05:20,720

surviving the s.k pierce haunted

138

00:05:25,029 --> 00:05:22,320

victorian mansion

139

00:05:25,990 --> 00:05:25,039

as well as signs of spirits when loved

140

00:05:28,870 --> 00:05:26,000

ones

141

00:05:30,870 --> 00:05:28,880

visit now my favorite of course is the

142

00:05:31,909 --> 00:05:30,880

hanover haunting the deanna simpson

143

00:05:34,550 --> 00:05:31,919

story

144

00:05:35,990 --> 00:05:34,560

which occurred in my hometown and uh who

145

00:05:39,270 --> 00:05:36,000

i recently interviewed on

146

00:05:39,830 --> 00:05:39,280

arcane radio a journey also operates

147

00:05:43,510 --> 00:05:39,840

haunted

148

00:05:46,070 --> 00:05:43,520

harmony ghost walks and investigations

149

00:05:48,710 --> 00:05:46,080

in in the town of new harmony indiana

150

00:05:51,189 --> 00:05:48,720

where she resides

151  
00:05:52,870 --> 00:05:51,199  
her intrigue regarding the unknown

152  
00:05:54,310 --> 00:05:52,880  
frequently leads her into dangerous

153  
00:05:57,350 --> 00:05:54,320  
situations

154  
00:05:59,350 --> 00:05:57,360  
one's other one others that

155  
00:06:01,270 --> 00:05:59,360  
usually leave untouched now journey has

156  
00:06:03,270 --> 00:06:01,280  
attended over 300 paranormal

157  
00:06:04,550 --> 00:06:03,280  
investigations including many haunted

158  
00:06:06,710 --> 00:06:04,560  
hot spots

159  
00:06:07,990 --> 00:06:06,720  
such as waverly hills sanitarium rolling

160  
00:06:10,710 --> 00:06:08,000  
hills asylum

161  
00:06:13,309 --> 00:06:10,720  
gettysburg and the lizzie borden house

162  
00:06:15,029 --> 00:06:13,319  
and you can check out her website at

163  
00:06:17,510 --> 00:06:15,039

jodyman.com

164

00:06:21,909 --> 00:06:17,520

so jody thanks for coming on the show

165

00:06:24,469 --> 00:06:21,919

hey thanks for having me now

166

00:06:26,390 --> 00:06:24,479

of course you're you're familiar with

167

00:06:28,790 --> 00:06:26,400

areas around where i live that of course

168

00:06:32,150 --> 00:06:28,800

with gettysburg and uh

169

00:06:35,350 --> 00:06:32,160

and whatever what whatever that was over

170

00:06:37,670 --> 00:06:35,360

at uh deanna's old house

171

00:06:39,510 --> 00:06:37,680

uh but tell us about first of all tell

172

00:06:42,870 --> 00:06:39,520

us a bit about what you do now

173

00:06:46,070 --> 00:06:42,880

in in new harmony indiana and uh

174

00:06:47,749 --> 00:06:46,080

and about your new book okay sounds good

175

00:06:49,749 --> 00:06:47,759

well when i first moved here four and a

176

00:06:52,469 --> 00:06:49,759

half years ago i really had

177

00:06:54,390 --> 00:06:52,479

no uh interest in really pursuing the

178

00:06:54,790 --> 00:06:54,400

paranormal here i just wanted a place

179

00:06:57,909 --> 00:06:54,800

where i

180

00:07:00,150 --> 00:06:57,919

kind of fit in and start over and

181

00:07:02,070 --> 00:07:00,160

uh but as a medium as i was walking

182

00:07:04,150 --> 00:07:02,080

around i discovered that this town is

183

00:07:05,510 --> 00:07:04,160

incredibly haunted and it has quite a

184

00:07:08,070 --> 00:07:05,520

vast history

185

00:07:10,309 --> 00:07:08,080

the site of two former utopian societies

186

00:07:12,230 --> 00:07:10,319

a lot of really old buildings here

187

00:07:13,350 --> 00:07:12,240

uh which i think really helps maintain

188

00:07:15,110 --> 00:07:13,360

the haunting because

189

00:07:16,550 --> 00:07:15,120

things still look the same as they did

190

00:07:19,430 --> 00:07:16,560

back in the day

191

00:07:20,870 --> 00:07:19,440

so i decided to write a book uh about

192

00:07:22,390 --> 00:07:20,880

the hauntings here and it's called

193

00:07:24,469 --> 00:07:22,400

haunted new harmony

194

00:07:25,990 --> 00:07:24,479

and once i finished that i thought you

195

00:07:27,990 --> 00:07:26,000

know what i can do better

196

00:07:31,189 --> 00:07:28,000

and i started doing a ghost walk around

197

00:07:31,909 --> 00:07:31,199

town and take people around the sites

198

00:07:33,670 --> 00:07:31,919

and

199

00:07:35,670 --> 00:07:33,680

talk about the hauntings of the

200

00:07:39,029 --> 00:07:35,680

locations that are in the book

201  
00:07:39,589 --> 00:07:39,039  
and we also do investigations uh when we

202  
00:07:42,309 --> 00:07:39,599  
can

203  
00:07:43,510 --> 00:07:42,319  
uh pre-covered days we did at least four

204  
00:07:45,350 --> 00:07:43,520  
or five a year

205  
00:07:46,869 --> 00:07:45,360  
where we would invite the public in but

206  
00:07:49,110 --> 00:07:46,879  
right now we're just pretty much doing

207  
00:07:52,390 --> 00:07:49,120  
ghost walks during the warmer weather

208  
00:07:55,430 --> 00:07:52,400  
i should be starting then in may

209  
00:07:56,390 --> 00:07:55,440  
april or may so uh and then my new book

210  
00:07:59,510 --> 00:07:56,400  
when ghost or near

211  
00:07:59,990 --> 00:07:59,520  
which i think he showed the picture um i

212  
00:08:03,110 --> 00:08:00,000  
just

213  
00:08:04,150 --> 00:08:03,120

um put that out last month a couple

214

00:08:07,990 --> 00:08:04,160

months ago

215

00:08:10,629 --> 00:08:08,000

and it's uh really kind of goes around

216

00:08:11,189 --> 00:08:10,639

the topic of how people feel ghosts

217

00:08:14,469 --> 00:08:11,199

because

218

00:08:15,510 --> 00:08:14,479

as a medium i feel them in a different

219

00:08:17,990 --> 00:08:15,520

way than

220

00:08:19,670 --> 00:08:18,000

other people do and so i started asking

221

00:08:20,869 --> 00:08:19,680

people how do you know when it goes to

222

00:08:22,469 --> 00:08:20,879

sneer

223

00:08:24,390 --> 00:08:22,479

and what is your most profound

224

00:08:27,189 --> 00:08:24,400

experience and i ended up getting

225

00:08:27,670 --> 00:08:27,199

99 stories so the book is full of some

226

00:08:30,309 --> 00:08:27,680

really

227

00:08:31,830 --> 00:08:30,319

cool paranormal encounters and the way

228

00:08:34,630 --> 00:08:31,840

people feel ghosts

229

00:08:37,589 --> 00:08:34,640

interesting you know i i'm an intuitive

230

00:08:41,110 --> 00:08:37,599

so i also sense spirit energy

231

00:08:41,990 --> 00:08:41,120

and uh i have found myself that it's

232

00:08:45,750 --> 00:08:42,000

interesting how

233

00:08:48,310 --> 00:08:45,760

certain people know that energy

234

00:08:50,470 --> 00:08:48,320

you know other than seeing something uh

235

00:08:51,829 --> 00:08:50,480

how they sense spirit energy around them

236

00:08:55,030 --> 00:08:51,839

and you being a medium how

237

00:08:55,750 --> 00:08:55,040

how do you sense it does it come to you

238

00:08:57,269 --> 00:08:55,760

somehow

239

00:08:59,750 --> 00:08:57,279

you know i'm not a medium so i really

240

00:09:02,389 --> 00:08:59,760

don't understand or really know

241

00:09:04,389 --> 00:09:02,399

the uh what's involved with how you

242

00:09:07,430 --> 00:09:04,399

sense ghosts or sense

243

00:09:10,150 --> 00:09:07,440

spiritual energy well for me i'm

244

00:09:11,590 --> 00:09:10,160

clairaudient which means i hear tones i

245

00:09:14,870 --> 00:09:11,600

hear things

246

00:09:16,470 --> 00:09:14,880

and it's usually similar to earring only

247

00:09:19,190 --> 00:09:16,480

it's a little different it's more like

248

00:09:21,190 --> 00:09:19,200

static it's like a white noise sound

249

00:09:23,030 --> 00:09:21,200

and i can pinpoint where the ghost is in

250

00:09:25,509 --> 00:09:23,040

the room by turning my head

251  
00:09:26,790 --> 00:09:25,519  
so if i turn my head and the left sound

252  
00:09:29,509 --> 00:09:26,800  
gets louder

253  
00:09:30,630 --> 00:09:29,519  
uh then i know that i'm tracking where

254  
00:09:33,430 --> 00:09:30,640  
it is in the room

255  
00:09:35,350 --> 00:09:33,440  
so once i really started embracing that

256  
00:09:38,310 --> 00:09:35,360  
instead of running from my abilities

257  
00:09:40,949 --> 00:09:38,320  
i was able to develop more mediumship

258  
00:09:43,269 --> 00:09:40,959  
around it so it becomes a gateway for me

259  
00:09:45,190 --> 00:09:43,279  
once i hear the tone and i tune into it

260  
00:09:46,870 --> 00:09:45,200  
then i start getting mine pictures and

261  
00:09:50,710 --> 00:09:46,880  
more information

262  
00:09:54,630 --> 00:09:50,720  
and it will lead me further

263  
00:09:58,310 --> 00:09:54,640

that yeah that's interesting i um

264

00:10:01,829 --> 00:09:58,320

i actually see colors in my mind's eye

265

00:10:05,910 --> 00:10:01,839

in particular or a pink green foam

266

00:10:08,389 --> 00:10:05,920

mix and after i pinpoint it

267

00:10:09,269 --> 00:10:08,399

and eventually kind of zero in on i

268

00:10:12,470 --> 00:10:09,279

start getting

269

00:10:13,590 --> 00:10:12,480

pictures or images of what i'm dealing

270

00:10:16,710 --> 00:10:13,600

with

271

00:10:18,710 --> 00:10:16,720

uh you know i and

272

00:10:19,910 --> 00:10:18,720

that's been pretty consistent most of my

273

00:10:21,990 --> 00:10:19,920

life

274

00:10:23,110 --> 00:10:22,000

uh it's kind of been up and on but you

275

00:10:25,030 --> 00:10:23,120

know that's

276

00:10:26,710 --> 00:10:25,040

i i don't really i don't consider myself

277

00:10:30,230 --> 00:10:26,720

a medium or anything like that

278

00:10:31,990 --> 00:10:30,240

it's just that i i can just sense

279

00:10:34,710 --> 00:10:32,000

the energy around me then you're

280

00:10:36,470 --> 00:10:34,720

probably a sensitive you're intuitive

281

00:10:38,710 --> 00:10:36,480

and a lot of people do that and it's

282

00:10:41,829 --> 00:10:38,720

something that you can develop

283

00:10:43,910 --> 00:10:41,839

if you so choose to uh but i always

284

00:10:46,470 --> 00:10:43,920

caution people once you stare into the

285

00:10:48,949 --> 00:10:46,480

abyss the abyss sometimes steers back

286

00:10:50,630 --> 00:10:48,959

so you know you mentioned in my intro

287

00:10:52,870 --> 00:10:50,640

that i'm a ghost magnet and

288

00:10:54,470 --> 00:10:52,880

uh a lot of that happened after i

289

00:10:57,509 --> 00:10:54,480

started trying to

290

00:10:59,509 --> 00:10:57,519

fine-tune my abilities and work with

291

00:11:02,230 --> 00:10:59,519

them more because then the ghost started

292

00:11:02,949 --> 00:11:02,240

noticing me more but uh you know work

293

00:11:04,470 --> 00:11:02,959

with that

294

00:11:06,389 --> 00:11:04,480

work with somebody who's also an

295

00:11:08,470 --> 00:11:06,399

intuitive and

296

00:11:09,590 --> 00:11:08,480

you know an experienced medium helps as

297

00:11:12,069 --> 00:11:09,600

well

298

00:11:12,630 --> 00:11:12,079

that way you can kind of have validation

299

00:11:15,590 --> 00:11:12,640

when you're

300

00:11:16,310 --> 00:11:15,600

you're getting certain information you

301

00:11:19,269 --> 00:11:16,320

can

302

00:11:20,710 --> 00:11:19,279

uh have the intuitive the other person

303

00:11:21,990 --> 00:11:20,720

write down what they're feeling and you

304

00:11:23,910 --> 00:11:22,000

write down what you're feeling and then

305

00:11:25,829 --> 00:11:23,920

you compare notes that way

306

00:11:27,330 --> 00:11:25,839

you don't impact each other with what

307

00:11:28,870 --> 00:11:27,340

you're feeling

308

00:11:30,790 --> 00:11:28,880

[Music]

309

00:11:32,630 --> 00:11:30,800

when you first notice that you had

310

00:11:35,350 --> 00:11:32,640

disability

311

00:11:35,990 --> 00:11:35,360

uh it's been all my life i think i was

312

00:11:37,670 --> 00:11:36,000

probably

313

00:11:39,430 --> 00:11:37,680

four years old when i had my first

314

00:11:41,509 --> 00:11:39,440

experience

315

00:11:43,190 --> 00:11:41,519

my mother would tuck me into bed and

316

00:11:45,750 --> 00:11:43,200

shut the light off and

317

00:11:46,310 --> 00:11:45,760

i would start hearing that ear-ringing

318

00:11:47,829 --> 00:11:46,320

sound

319

00:11:49,750 --> 00:11:47,839

and i would start feeling like somebody

320

00:11:51,590 --> 00:11:49,760

was in the room with me and i would

321

00:11:53,269 --> 00:11:51,600

often scream out you know help there's

322

00:11:54,710 --> 00:11:53,279

somebody in here and you know of course

323

00:11:57,030 --> 00:11:54,720

back in that day

324

00:11:58,790 --> 00:11:57,040

you know parents were taught you know

325

00:11:59,750 --> 00:11:58,800

there's no such thing as ghosts go back

326

00:12:02,790 --> 00:11:59,760

to bed

327

00:12:03,750 --> 00:12:02,800

you're over imaginative and uh so i

328

00:12:05,829 --> 00:12:03,760

really kind of

329

00:12:07,590 --> 00:12:05,839

spent most of my life knowing something

330

00:12:09,590 --> 00:12:07,600

was there but not really having anybody

331

00:12:12,150 --> 00:12:09,600

to bounce it off of or

332

00:12:14,949 --> 00:12:12,160

or work with i just it scared me for a

333

00:12:19,670 --> 00:12:17,910

yeah i was kind of the same way i i i

334

00:12:20,389 --> 00:12:19,680

never let my parents know what i was

335

00:12:21,829 --> 00:12:20,399

dealing with

336

00:12:23,430 --> 00:12:21,839

you know because i knew they would just

337

00:12:26,710 --> 00:12:23,440

not believe it

338

00:12:29,670 --> 00:12:26,720

and uh i kind of held that in

339

00:12:29,990 --> 00:12:29,680

as i got older i started using it you

340

00:12:33,590 --> 00:12:30,000

know

341

00:12:36,389 --> 00:12:33,600

of developed it in the past

342

00:12:36,949 --> 00:12:36,399

decade or so through other means with

343

00:12:43,190 --> 00:12:36,959

other

344

00:12:45,350 --> 00:12:43,200

you know now you you're going into

345

00:12:49,110 --> 00:12:45,360

certain situations uh

346

00:12:50,710 --> 00:12:49,120

other locations how do you conduct a

347

00:12:52,550 --> 00:12:50,720

paranormal investigation

348

00:12:54,629 --> 00:12:52,560

or you know say you're with you're just

349

00:12:57,590 --> 00:12:54,639

by yourself or with your team

350

00:12:59,750 --> 00:12:57,600

how do you start that well it kind of

351  
00:13:00,790 --> 00:12:59,760  
depends on what the focus is and i do

352  
00:13:03,030 --> 00:13:00,800  
get called in

353  
00:13:04,310 --> 00:13:03,040  
fairly often to people locally who think

354  
00:13:05,110 --> 00:13:04,320  
they have a ghost in their house for

355  
00:13:07,990 --> 00:13:05,120  
having

356  
00:13:10,069 --> 00:13:08,000  
something going on and i really don't

357  
00:13:11,990 --> 00:13:10,079  
need any equipment because if i just

358  
00:13:13,990 --> 00:13:12,000  
walk in and use my senses i'll be able

359  
00:13:16,310 --> 00:13:14,000  
to pull more information

360  
00:13:17,110 --> 00:13:16,320  
i'm kind of past the point where i need

361  
00:13:19,910 --> 00:13:17,120  
to prove

362  
00:13:21,990 --> 00:13:19,920  
the existence of ghosts to anybody uh

363  
00:13:23,670 --> 00:13:22,000

but sometimes i will bring a spirit box

364

00:13:25,350 --> 00:13:23,680

and a digital recorder

365

00:13:27,110 --> 00:13:25,360

just to see if they will talk to us or

366

00:13:29,590 --> 00:13:27,120

we'll use dowsing rods

367

00:13:31,350 --> 00:13:29,600

um i don't i'm not one of those people

368

00:13:33,990 --> 00:13:31,360

that comes in with suitcases full of

369

00:13:37,430 --> 00:13:34,000

equipment because it bogs you down

370

00:13:39,509 --> 00:13:37,440

and you know it gets you preoccupied by

371

00:13:40,870 --> 00:13:39,519

what's in your hands and what you're you

372

00:13:42,710 --> 00:13:40,880

know maintaining

373

00:13:44,069 --> 00:13:42,720

and if you just simplify it and just

374

00:13:47,750 --> 00:13:44,079

keep it

375

00:13:48,710 --> 00:13:47,760

get more information using your site

376

00:13:51,829 --> 00:13:48,720

your site

377

00:13:53,590 --> 00:13:51,839

your ears you know your senses um and

378

00:13:53,990 --> 00:13:53,600

looking around and seeing what you feel

379

00:13:57,030 --> 00:13:54,000

and

380

00:13:58,790 --> 00:13:57,040

what you see yeah i kind of feel the

381

00:14:00,710 --> 00:13:58,800

same way i'm old school with that type

382

00:14:03,030 --> 00:14:00,720

of thing i might use a digital recorder

383

00:14:05,110 --> 00:14:03,040

on occasion but

384

00:14:06,069 --> 00:14:05,120

that's it and i'm not really into the

385

00:14:08,870 --> 00:14:06,079

gizmo stuff

386

00:14:11,110 --> 00:14:08,880

and of course i've seen you know you see

387

00:14:15,030 --> 00:14:11,120

them using all this stuff on television

388

00:14:17,750 --> 00:14:15,040

and uh you know i don't normally go on

389

00:14:19,269 --> 00:14:17,760

crowded investigations it's always a

390

00:14:22,710 --> 00:14:19,279

private thing

391

00:14:24,870 --> 00:14:22,720

but uh yeah i'm like you i kind of use

392

00:14:25,829 --> 00:14:24,880

what abilities i have when i feel what i

393

00:14:29,350 --> 00:14:25,839

sense

394

00:14:31,829 --> 00:14:29,360

and go from there uh

395

00:14:33,829 --> 00:14:31,839

now you've been to uh gettysburg i think

396

00:14:35,670 --> 00:14:33,839

you've been to gettysburg several times

397

00:14:37,990 --> 00:14:35,680

of course you were

398

00:14:40,710 --> 00:14:38,000

outside we were in hanover uh which is

399

00:14:45,030 --> 00:14:40,720

near me where i was born raised

400

00:14:48,150 --> 00:14:45,040

um talking about deanna's case

401

00:14:51,590 --> 00:14:48,160

briefly what did you sense

402

00:14:54,069 --> 00:14:51,600

personally when you were there

403

00:14:55,509 --> 00:14:54,079

well you know she when deanna asked me

404

00:14:57,350 --> 00:14:55,519

to write the book

405

00:14:58,949 --> 00:14:57,360

i thought well that'd be great i was

406

00:15:01,189 --> 00:14:58,959

well aware of the story i mean

407

00:15:03,189 --> 00:15:01,199

you would have to be living under a rock

408

00:15:04,629 --> 00:15:03,199

to not know about the hanover haunting

409

00:15:07,269 --> 00:15:04,639

house because it had been on

410

00:15:07,990 --> 00:15:07,279

the dead files and fox news went viral

411

00:15:09,990 --> 00:15:08,000

and

412

00:15:12,069 --> 00:15:10,000

uh you know it was a very well known

413

00:15:13,829 --> 00:15:12,079

story in the paramount community so i

414

00:15:17,110 --> 00:15:13,839

was thrilled when she asked me to write

415

00:15:19,430 --> 00:15:17,120

the book and i decided i was i live in

416

00:15:20,710 --> 00:15:19,440

indiana now but i spent 30 years living

417

00:15:24,069 --> 00:15:20,720

in massachusetts

418

00:15:25,990 --> 00:15:24,079

and i often attend paracons there

419

00:15:28,310 --> 00:15:26,000

to be able to go back and you know

420

00:15:31,030 --> 00:15:28,320

connect with my fan base there

421

00:15:33,110 --> 00:15:31,040

and on my way back i decided you know i

422

00:15:34,470 --> 00:15:33,120

think i'm gonna stop at deanna's house

423

00:15:37,350 --> 00:15:34,480

and i'll spend the night that'll be my

424

00:15:39,189 --> 00:15:37,360

halfway point and

425

00:15:41,030 --> 00:15:39,199

i was fully prepared to spend the night

426

00:15:43,269 --> 00:15:41,040

there and

427

00:15:44,150 --> 00:15:43,279

i took my normal precautions with

428

00:15:46,389 --> 00:15:44,160

paranormal

429

00:15:48,870 --> 00:15:46,399

protection i didn't want anything to

430

00:15:51,189 --> 00:15:48,880

latch onto me or impact me

431

00:15:53,189 --> 00:15:51,199

and i felt very confident walking in

432

00:15:54,230 --> 00:15:53,199

until i crossed the threshold of the

433

00:15:58,230 --> 00:15:54,240

doorway

434

00:16:00,710 --> 00:15:58,240

and those ghosts were all over me it was

435

00:16:02,550 --> 00:16:00,720

it was so intense it was unlike anything

436

00:16:04,629 --> 00:16:02,560

i've ever felt before and i've gone

437

00:16:08,310 --> 00:16:04,639

through some pretty serious

438

00:16:11,749 --> 00:16:08,320

extreme hauntings this was out there

439

00:16:14,230 --> 00:16:11,759

um in its own category and

440

00:16:16,150 --> 00:16:14,240

i pretty quickly changed my mind about

441

00:16:18,790 --> 00:16:16,160

spending the night there i mean i

442

00:16:20,629 --> 00:16:18,800

am brave and i am daring i go to places

443

00:16:22,389 --> 00:16:20,639

so that i can write about them

444

00:16:23,670 --> 00:16:22,399

but i felt like if i would have spent

445

00:16:25,829 --> 00:16:23,680

the night there i

446

00:16:27,590 --> 00:16:25,839

may not wake up the next morning i knew

447

00:16:30,790 --> 00:16:27,600

it was that extreme

448

00:16:32,470 --> 00:16:30,800

uh so at that point i decided i

449

00:16:34,790 --> 00:16:32,480

brought deanna out on the porch because

450

00:16:37,910 --> 00:16:34,800

that seemed to be a safe place for me

451

00:16:39,910 --> 00:16:37,920

and i said um you know

452

00:16:41,910 --> 00:16:39,920

right i will write the book for you but

453

00:16:43,670 --> 00:16:41,920

my top priority right now is to get you

454

00:16:47,030 --> 00:16:43,680

out of this situation

455

00:16:50,389 --> 00:16:47,040

and so we set in motion um

456

00:16:52,230 --> 00:16:50,399

plans that night that eventually

457

00:16:54,949 --> 00:16:52,240

led to her being able to break free of

458

00:16:55,509 --> 00:16:54,959

the house so that became my top priority

459

00:16:57,430 --> 00:16:55,519

and then

460

00:17:00,069 --> 00:16:57,440

you know inadvertently i become a part

461

00:17:03,110 --> 00:17:00,079

of the book not just writing the story

462

00:17:05,350 --> 00:17:03,120

but uh now deanna is you know a year

463

00:17:07,750 --> 00:17:05,360

living in another house and very happy

464

00:17:09,429 --> 00:17:07,760

and her life's gone back to normal so i

465

00:17:10,789 --> 00:17:09,439

really feel like people are put together

466

00:17:13,909 --> 00:17:10,799

for a reason

467

00:17:16,829 --> 00:17:13,919

and uh deanna and i have

468

00:17:18,150 --> 00:17:16,839

we're lifelong friends from this point

469

00:17:21,510 --> 00:17:18,160

on

470

00:17:23,350 --> 00:17:21,520

yeah i as i told deanna now i i knew a

471

00:17:23,829 --> 00:17:23,360

bit about what was going on before her

472

00:17:25,590 --> 00:17:23,839

and i

473

00:17:28,230 --> 00:17:25,600

got conte in fact i never been in the

474

00:17:29,909 --> 00:17:28,240

house but the neighborhood itself and i

475

00:17:31,750 --> 00:17:29,919

don't know if deanna told you this but

476

00:17:33,990 --> 00:17:31,760

that neighborhood

477

00:17:35,510 --> 00:17:34,000

i i'd say maybe a two to three block

478

00:17:37,750 --> 00:17:35,520

area around that neighborhood i've been

479

00:17:40,950 --> 00:17:37,760

involved with several cases there

480

00:17:44,710 --> 00:17:40,960

really um yeah yeah it's

481

00:17:47,510 --> 00:17:44,720

pretty horrific as well um

482

00:17:49,750 --> 00:17:47,520

there's a house right off of maple

483

00:17:52,870 --> 00:17:49,760

street maybe

484

00:17:57,750 --> 00:17:52,880

i guess about three houses down from her

485

00:18:01,190 --> 00:17:57,760

that is extremely extremely haunted

486

00:18:03,990 --> 00:18:01,200

and uh it's it's it's also

487

00:18:04,549 --> 00:18:04,000

very similar to what she had been you

488

00:18:06,230 --> 00:18:04,559

know

489

00:18:07,830 --> 00:18:06,240

that she what she went through with her

490

00:18:11,110 --> 00:18:07,840

house with all the uh

491

00:18:14,150 --> 00:18:11,120

the strange activity and uh of course

492

00:18:15,909 --> 00:18:14,160

like poltergeist activity smells and

493

00:18:18,549 --> 00:18:15,919

things being moved and all kinds of

494

00:18:20,310 --> 00:18:18,559

weird things

495

00:18:22,789 --> 00:18:20,320

others have been others around there

496

00:18:25,510 --> 00:18:22,799

have been dealing with the same thing

497

00:18:26,230 --> 00:18:25,520

i i personally believe it's it's not

498

00:18:28,710 --> 00:18:26,240

only

499

00:18:29,669 --> 00:18:28,720

because of the people that had lived

500

00:18:34,710 --> 00:18:29,679

there

501  
00:18:36,789 --> 00:18:34,720  
had a lot of stuff going on because the

502  
00:18:39,510 --> 00:18:36,799  
history of the area is pretty

503  
00:18:40,310 --> 00:18:39,520  
mm-hmm uh pretty profound you know this

504  
00:18:46,470 --> 00:18:40,320  
this part of

505  
00:18:47,830 --> 00:18:46,480  
a way station for criminals and high

506  
00:18:50,630 --> 00:18:47,840  
women

507  
00:18:51,510 --> 00:18:50,640  
uh back in the colonial period and there

508  
00:18:55,029 --> 00:18:51,520  
were a lot of

509  
00:18:56,870 --> 00:18:55,039  
deaths around here uh

510  
00:18:58,390 --> 00:18:56,880  
you know between baltimore and

511  
00:19:00,630 --> 00:18:58,400  
harrisburg and

512  
00:19:02,070 --> 00:19:00,640  
of course philadelphia it seemed like it

513  
00:19:06,070 --> 00:19:02,080

was like a

514

00:19:08,230 --> 00:19:06,080

a roost for for criminals and highwaymen

515

00:19:10,789 --> 00:19:08,240

and a lot wouldn't happen not let alone

516

00:19:12,470 --> 00:19:10,799

the civil war because there was a battle

517

00:19:15,430 --> 00:19:12,480

here right before gettysburg

518

00:19:16,710 --> 00:19:15,440

so um yeah it's got a lot of pent-up

519

00:19:20,150 --> 00:19:16,720

energy

520

00:19:21,909 --> 00:19:20,160

so uh i i i had

521

00:19:23,510 --> 00:19:21,919

was born like i said i was born raised

522

00:19:27,029 --> 00:19:23,520

here

523

00:19:28,789 --> 00:19:27,039

and um i lived down and i moved and

524

00:19:30,310 --> 00:19:28,799

lived down in maryland for about 40

525

00:19:32,230 --> 00:19:30,320

years

526

00:19:34,630 --> 00:19:32,240

and then when i moved back up here back

527

00:19:37,270 --> 00:19:34,640

in 2016

528

00:19:38,310 --> 00:19:37,280

i was immediately getting calls to come

529

00:19:47,590 --> 00:19:38,320

and

530

00:19:50,950 --> 00:19:47,600

uh i think i had 28 or 29 i had to look

531

00:19:53,669 --> 00:19:50,960

calls and investigations

532

00:19:55,750 --> 00:19:53,679

that year after i got home i got back to

533

00:19:57,669 --> 00:19:55,760

hanover so it's

534

00:19:59,110 --> 00:19:57,679

there's a lot going on around here and

535

00:20:01,590 --> 00:19:59,120

when her case came

536

00:20:03,990 --> 00:20:01,600

public you know quite frankly it didn't

537

00:20:05,990 --> 00:20:04,000

surprise me at all

538

00:20:07,270 --> 00:20:06,000

well you know john zappos wrote the

539

00:20:09,909 --> 00:20:07,280

forward to our book

540

00:20:10,549 --> 00:20:09,919

uh hannover thing and one of the things

541

00:20:13,830 --> 00:20:10,559

that john

542

00:20:16,230 --> 00:20:13,840

said was that uh it was a perfect storm

543

00:20:17,430 --> 00:20:16,240

so you had the land that was saturated

544

00:20:18,950 --> 00:20:17,440

with negative energy

545

00:20:21,590 --> 00:20:18,960

and a lot of bad things had happened

546

00:20:22,789 --> 00:20:21,600

there you know the battle of gettysburg

547

00:20:24,390 --> 00:20:22,799

wasn't that far

548

00:20:26,070 --> 00:20:24,400

away and a lot of soldiers marched

549

00:20:28,310 --> 00:20:26,080

through there there were land skirmishes

550

00:20:30,710 --> 00:20:28,320

back from the 1600s

551  
00:20:32,549 --> 00:20:30,720  
murders oh kinds of things and the land

552  
00:20:34,470 --> 00:20:32,559  
kind of absorbed that

553  
00:20:36,789 --> 00:20:34,480  
and then and then you had deanna coming

554  
00:20:40,789 --> 00:20:36,799  
in uh to a house that had uh

555  
00:20:42,950 --> 00:20:40,799  
collected several pretty nasty ghosts

556  
00:20:44,710 --> 00:20:42,960  
and she was a sensitive and she was very

557  
00:20:46,070 --> 00:20:44,720  
vulnerable she was exactly what they

558  
00:20:47,270 --> 00:20:46,080  
were looking for they were hoping to

559  
00:20:50,470 --> 00:20:47,280  
have somebody they could

560  
00:20:51,510 --> 00:20:50,480  
latch onto and control and so there she

561  
00:20:53,510 --> 00:20:51,520  
was i mean

562  
00:20:54,789 --> 00:20:53,520  
they tried to sell the house to several

563  
00:20:57,350 --> 00:20:54,799

other people

564

00:20:58,870 --> 00:20:57,360

and the deals fell through until deanna

565

00:21:00,230 --> 00:20:58,880

walked up on that sidewalk and the

566

00:21:02,070 --> 00:21:00,240

ghosts were

567

00:21:03,909 --> 00:21:02,080

immediately enthralled with her they

568

00:21:06,870 --> 00:21:03,919

knew that she was the one

569

00:21:08,630 --> 00:21:06,880

and uh so once she when she laid eyes on

570

00:21:09,830 --> 00:21:08,640

it she couldn't leave it alone that's

571

00:21:12,390 --> 00:21:09,840

where she needed to live

572

00:21:13,350 --> 00:21:12,400

so i really feel like a lot of things

573

00:21:15,669 --> 00:21:13,360

came together

574

00:21:17,510 --> 00:21:15,679

in one time to create that extreme

575

00:21:21,510 --> 00:21:17,520

haunting

576

00:21:24,870 --> 00:21:21,520

yeah it's uh it did seem that

577

00:21:26,149 --> 00:21:24,880

they kind of persuaded her psychically

578

00:21:29,510 --> 00:21:26,159

to move in that place

579

00:21:32,310 --> 00:21:29,520

oh yeah yeah you know

580

00:21:34,549 --> 00:21:32,320

go ahead no she was just she was

581

00:21:36,070 --> 00:21:34,559

obsessed with it from the very beginning

582

00:21:37,590 --> 00:21:36,080

and there's really if you see the house

583

00:21:39,190 --> 00:21:37,600

it's cute but it's nothing to be

584

00:21:43,270 --> 00:21:39,200

obsessed over

585

00:21:45,270 --> 00:21:43,280

uh she had this she had to live there

586

00:21:48,070 --> 00:21:45,280

you know that there's a a brethren

587

00:21:51,510 --> 00:21:48,080

church across the street from there

588

00:21:54,149 --> 00:21:51,520

and right on right there on maple street

589

00:21:55,510 --> 00:21:54,159

and you know when you when i read in the

590

00:21:59,430 --> 00:21:55,520

book about

591

00:22:01,909 --> 00:21:59,440

the uh the preacher coming in from

592

00:22:03,270 --> 00:22:01,919

across the street and then really

593

00:22:06,310 --> 00:22:03,280

lambasting her and

594

00:22:08,630 --> 00:22:06,320

acting a fool once they got there was

595

00:22:11,830 --> 00:22:08,640

kind of bizarre because

596

00:22:12,789 --> 00:22:11,840

i found out later i mean i found out

597

00:22:15,110 --> 00:22:12,799

earlier

598

00:22:16,470 --> 00:22:15,120

before i read that that when they were

599

00:22:19,669 --> 00:22:16,480

building that

600

00:22:20,950 --> 00:22:19,679

that church there was a lot of activity

601  
00:22:23,190 --> 00:22:20,960  
going on

602  
00:22:24,950 --> 00:22:23,200  
in fact a worker was almost killed there

603  
00:22:26,310 --> 00:22:24,960  
from something that shouldn't have fell

604  
00:22:29,510 --> 00:22:26,320  
from a height

605  
00:22:31,909 --> 00:22:29,520  
and fell on him wow yeah

606  
00:22:33,190 --> 00:22:31,919  
there there just seems to be a lot going

607  
00:22:35,669 --> 00:22:33,200  
on there

608  
00:22:37,430 --> 00:22:35,679  
and uh you know i knew about that church

609  
00:22:40,470 --> 00:22:37,440  
maybe a decade ago

610  
00:22:41,990 --> 00:22:40,480  
i heard about that so as far as

611  
00:22:44,470 --> 00:22:42,000  
connecting it with what

612  
00:22:45,110 --> 00:22:44,480  
happened to her across the street you

613  
00:22:47,909 --> 00:22:45,120

know i

614

00:22:49,669 --> 00:22:47,919

just kind of came hand in hand but yeah

615

00:22:52,950 --> 00:22:49,679

it's a bizarre area bizarre

616

00:22:53,990 --> 00:22:52,960

story and uh you know i'll be honest

617

00:22:55,830 --> 00:22:54,000

with you i i

618

00:22:57,590 --> 00:22:55,840

won't be i wouldn't be surprised i get

619

00:23:00,630 --> 00:22:57,600

more cases around there now

620

00:23:03,990 --> 00:23:00,640

again you know so we'll see you know

621

00:23:05,750 --> 00:23:04,000

yeah i'm surprised you haven't uh yeah

622

00:23:07,990 --> 00:23:05,760

i mean you know the house has been

623

00:23:10,549 --> 00:23:08,000

cleared uh it's been cleansed but there

624

00:23:12,230 --> 00:23:10,559

is a portal in the basement that keeps

625

00:23:15,350 --> 00:23:12,240

like letting more things in

626

00:23:18,149 --> 00:23:15,360

so uh people that are living there now

627

00:23:19,830 --> 00:23:18,159

um they're having some experiences but

628

00:23:22,549 --> 00:23:19,840

they're kind of discounting them

629

00:23:23,430 --> 00:23:22,559

um you know they rent the house out to

630

00:23:26,390 --> 00:23:23,440

friends of theirs

631

00:23:28,710 --> 00:23:26,400

and uh my last trip to massachusetts i

632

00:23:29,750 --> 00:23:28,720

stopped by i really wanted to walk in

633

00:23:32,549 --> 00:23:29,760

the house

634

00:23:34,310 --> 00:23:32,559

to see what i felt to see if it really

635

00:23:36,310 --> 00:23:34,320

was truly clear because i knew what it

636

00:23:38,390 --> 00:23:36,320

felt like before and

637

00:23:40,710 --> 00:23:38,400

uh when i walked in i was definitely i

638

00:23:41,269 --> 00:23:40,720

felt the portal i felt things there i

639

00:23:44,070 --> 00:23:41,279

felt

640

00:23:45,110 --> 00:23:44,080

nothing is negative and into full of

641

00:23:47,590 --> 00:23:45,120

malicious intent

642

00:23:49,750 --> 00:23:47,600

as had been there before but there were

643

00:23:51,830 --> 00:23:49,760

there's more ghosts there so

644

00:23:53,590 --> 00:23:51,840

yeah that portal in the basement is

645

00:23:55,350 --> 00:23:53,600

pretty profound i

646

00:23:56,630 --> 00:23:55,360

i got some of the photographs that she

647

00:24:00,310 --> 00:23:56,640

had taken

648

00:24:02,950 --> 00:24:00,320

of that thing opening up and uh i ran it

649

00:24:05,190 --> 00:24:02,960

by a few people and

650

00:24:06,789 --> 00:24:05,200

you know it's probably one like when i

651  
00:24:09,430 --> 00:24:06,799  
say profound it's probably the most

652  
00:24:12,630 --> 00:24:09,440  
profound portal that i've ever seen

653  
00:24:16,070 --> 00:24:12,640  
open up it being so linear and

654  
00:24:17,669 --> 00:24:16,080  
as compared to others that i have seen

655  
00:24:19,350 --> 00:24:17,679  
of course now i've been never been in a

656  
00:24:20,870 --> 00:24:19,360  
house so i didn't sense it but of course

657  
00:24:22,870 --> 00:24:20,880  
there's a lot of activity going on in

658  
00:24:26,230 --> 00:24:22,880  
that basement as well

659  
00:24:27,110 --> 00:24:26,240  
so um you know folks if you if you want

660  
00:24:30,470 --> 00:24:27,120  
to go back

661  
00:24:32,710 --> 00:24:30,480  
and read uh or listen to

662  
00:24:34,230 --> 00:24:32,720  
my interview with deanna it's it's it'll

663  
00:24:36,710 --> 00:24:34,240

be it's supposed to hear on

664

00:24:38,149 --> 00:24:36,720

beyond explanation i suggest you you

665

00:24:40,549 --> 00:24:38,159

listen to it because

666

00:24:41,510 --> 00:24:40,559

and your the book was excellent i mean i

667

00:24:45,430 --> 00:24:41,520

you know i was

668

00:24:48,789 --> 00:24:45,440

i was very intrigued by the book

669

00:24:53,110 --> 00:24:48,799

so um so of course

670

00:24:55,669 --> 00:24:53,120

near us you know beyond deanna's house

671

00:24:57,830 --> 00:24:55,679

is gettysburg and gettysburg of course

672

00:25:01,350 --> 00:24:57,840

has that reputation

673

00:25:03,510 --> 00:25:01,360

of uh holding spirit energy and

674

00:25:04,390 --> 00:25:03,520

you know there's a lot of residual but

675

00:25:08,470 --> 00:25:04,400

there's a lot of

676  
00:25:14,789 --> 00:25:11,669  
intelligent energy as well

677  
00:25:17,029 --> 00:25:14,799  
i had my most profound my

678  
00:25:17,909 --> 00:25:17,039  
earliest and most profound experience

679  
00:25:21,110 --> 00:25:17,919  
there

680  
00:25:23,750 --> 00:25:21,120  
personally so uh what what have you

681  
00:25:25,830 --> 00:25:23,760  
experienced there in and around the

682  
00:25:27,830 --> 00:25:25,840  
gettysburg area

683  
00:25:29,909 --> 00:25:27,840  
you know it's such an incredible area

684  
00:25:31,990 --> 00:25:29,919  
and i've really been drawn to it for

685  
00:25:32,710 --> 00:25:32,000  
years i've been there i think five times

686  
00:25:37,909 --> 00:25:32,720  
now

687  
00:25:39,669 --> 00:25:37,919  
me and

688  
00:25:41,029 --> 00:25:39,679

when i was in massachusetts it was about

689

00:25:43,029 --> 00:25:41,039

10 hours so

690

00:25:45,110 --> 00:25:43,039

uh for me to keep going back there was

691

00:25:48,149 --> 00:25:45,120

definitely a strong pull there

692

00:25:49,510 --> 00:25:48,159

and i just uh i don't know i was i

693

00:25:50,710 --> 00:25:49,520

became really enthralled with the

694

00:25:52,870 --> 00:25:50,720

history

695

00:25:54,470 --> 00:25:52,880

information that we were getting as

696

00:25:56,789 --> 00:25:54,480

mediums going in

697

00:25:58,630 --> 00:25:56,799

uh we could feel some of their them

698

00:26:01,029 --> 00:25:58,640

lingering around and

699

00:26:03,190 --> 00:26:01,039

at one point i went back uh and i

700

00:26:03,750 --> 00:26:03,200

brought i used to teach a paranormal 101

701  
00:26:06,710 --> 00:26:03,760  
class

702  
00:26:07,909 --> 00:26:06,720  
and what ended up happening was a lot of

703  
00:26:09,909 --> 00:26:07,919  
budding mediums

704  
00:26:11,510 --> 00:26:09,919  
uh ended up joining the class and we all

705  
00:26:13,510 --> 00:26:11,520  
kind of grew and learned together and we

706  
00:26:15,830 --> 00:26:13,520  
got a lot stronger so we decided that we

707  
00:26:19,430 --> 00:26:15,840  
were going to take a trip to gettysburg

708  
00:26:22,390 --> 00:26:19,440  
and we were going to spend uh a few days

709  
00:26:23,430 --> 00:26:22,400  
in uh a campground there we rented a

710  
00:26:25,909 --> 00:26:23,440  
couple cabins

711  
00:26:26,710 --> 00:26:25,919  
and we would go out and we'd spend all

712  
00:26:28,789 --> 00:26:26,720  
day at the

713  
00:26:29,909 --> 00:26:28,799

at the battlefields and checking

714

00:26:31,669 --> 00:26:29,919

everything out and

715

00:26:33,350 --> 00:26:31,679

we'd stay until we were you know

716

00:26:35,669 --> 00:26:33,360

basically kicked out

717

00:26:36,789 --> 00:26:35,679

and uh one thing that we were doing was

718

00:26:39,510 --> 00:26:36,799

um

719

00:26:41,269 --> 00:26:39,520

trying to help cross over so if we felt

720

00:26:43,350 --> 00:26:41,279

somebody there we were trying to

721

00:26:44,870 --> 00:26:43,360

help them move on because it just felt

722

00:26:45,909 --> 00:26:44,880

wrong to leave them there if they wanted

723

00:26:48,390 --> 00:26:45,919

to go

724

00:26:50,070 --> 00:26:48,400

and uh together as a group we were very

725

00:26:53,750 --> 00:26:50,080

capable of doing that

726

00:26:56,390 --> 00:26:53,760

and that got somebody very upset

727

00:26:57,350 --> 00:26:56,400

so um we got back to the campground that

728

00:27:00,549 --> 00:26:57,360

night

729

00:27:02,630 --> 00:27:00,559

and we kept feeling like something was

730

00:27:04,149 --> 00:27:02,640

outside we were hearing scratching on

731

00:27:05,269 --> 00:27:04,159

the window we were hearing banging on

732

00:27:07,269 --> 00:27:05,279

the walls

733

00:27:08,549 --> 00:27:07,279

and as mediums we were all picking up on

734

00:27:10,870 --> 00:27:08,559

it and uh

735

00:27:12,230 --> 00:27:10,880

one member of our group went out to get

736

00:27:15,110 --> 00:27:12,240

um

737

00:27:16,310 --> 00:27:15,120

some sage from his car and as he walked

738

00:27:18,870 --> 00:27:16,320

out onto the steps

739

00:27:20,230 --> 00:27:18,880

there was a man standing um at the edge

740

00:27:22,149 --> 00:27:20,240

of the campground

741

00:27:24,070 --> 00:27:22,159

and i should preface this by saying

742

00:27:27,029 --> 00:27:24,080

before he walked out

743

00:27:28,149 --> 00:27:27,039

we were all as a group deciding what

744

00:27:29,830 --> 00:27:28,159

this guy looked like

745

00:27:32,830 --> 00:27:29,840

that was trying to get in and we all

746

00:27:36,230 --> 00:27:32,840

described him exactly the same way

747

00:27:37,750 --> 00:27:36,240

um and when ken got outside to go get

748

00:27:39,909 --> 00:27:37,760

his sage there was the man

749

00:27:42,310 --> 00:27:39,919

that we described standing at the in the

750

00:27:44,149 --> 00:27:42,320

shadows at the edge of the campground

751

00:27:45,590 --> 00:27:44,159

and i really you know it was a scary

752

00:27:47,590 --> 00:27:45,600

night we kept

753

00:27:49,110 --> 00:27:47,600

really trying to push him out and keep

754

00:27:51,269 --> 00:27:49,120

him out and

755

00:27:52,950 --> 00:27:51,279

we would hear banging on the windows and

756

00:27:54,549 --> 00:27:52,960

you know sounds that we couldn't explain

757

00:27:57,909 --> 00:27:54,559

and just that sensation of

758

00:27:59,830 --> 00:27:57,919

somebody coming in and the next day was

759

00:28:02,389 --> 00:27:59,840

the day we were all leaving and

760

00:28:03,750 --> 00:28:02,399

i was going back to indiana and the rest

761

00:28:05,830 --> 00:28:03,760

of them were all going back to

762

00:28:07,750 --> 00:28:05,840

massachusetts they were cutting part of

763

00:28:10,389 --> 00:28:07,760

parting ways which was kind of sad for

764

00:28:12,310 --> 00:28:10,399

me after spending a week with them

765

00:28:14,070 --> 00:28:12,320

and as i got in the car i really never

766

00:28:15,909 --> 00:28:14,080

thought about the fact that this thing

767

00:28:17,430 --> 00:28:15,919

may follow me i thought he was attached

768

00:28:19,909 --> 00:28:17,440

to the land

769

00:28:22,149 --> 00:28:19,919

and as i'm driving i start hearing that

770

00:28:23,190 --> 00:28:22,159

same tone you know as a clairaudient i

771

00:28:25,029 --> 00:28:23,200

hear

772

00:28:27,029 --> 00:28:25,039

the sounds that ghosts make and they're

773

00:28:29,029 --> 00:28:27,039

all a little bit different and you know

774

00:28:30,789 --> 00:28:29,039

like i said earlier when i tune into it

775

00:28:34,630 --> 00:28:30,799

i can get a feeling of who it is

776

00:28:38,470 --> 00:28:34,640

and he was in the car with me um

777

00:28:42,789 --> 00:28:38,480

cutting dark curl most of the way and

778

00:28:44,710 --> 00:28:42,799

as i'm driving one of my mentors

779

00:28:46,310 --> 00:28:44,720

a psychic medium called me and said i

780

00:28:46,950 --> 00:28:46,320

really am picking up something really

781

00:28:48,549 --> 00:28:46,960

bad

782

00:28:50,070 --> 00:28:48,559

he said you're in danger he said you

783

00:28:52,149 --> 00:28:50,080

have a shadow demon

784

00:28:53,830 --> 00:28:52,159

with you somebody latched onto you i

785

00:28:56,230 --> 00:28:53,840

don't know where you are

786

00:28:57,110 --> 00:28:56,240

uh but you know this is something pretty

787

00:28:59,590 --> 00:28:57,120

dangerous

788

00:29:01,430 --> 00:28:59,600

and he said what he's going to do is

789

00:29:02,950 --> 00:29:01,440

he's going to wait till it's dark

790

00:29:05,029 --> 00:29:02,960

and then he's going to pop out he's

791

00:29:07,269 --> 00:29:05,039

going to show himself and pop out

792

00:29:08,870 --> 00:29:07,279

and hopefully you know cause you to have

793

00:29:12,950 --> 00:29:08,880

an accident

794

00:29:15,590 --> 00:29:12,960

and i have um

795

00:29:17,669 --> 00:29:15,600

i have a friend who helps me out with uh

796

00:29:19,430 --> 00:29:17,679

hauntings named michael robicha

797

00:29:21,029 --> 00:29:19,440

and i talk about him on every interview

798

00:29:23,190 --> 00:29:21,039

because he is my hero

799

00:29:25,350 --> 00:29:23,200

he's probably saved me so many times it

800

00:29:27,990 --> 00:29:25,360

can't even count but he's a shaman

801  
00:29:30,149 --> 00:29:28,000  
and he's able to help me remotely so he

802  
00:29:33,750 --> 00:29:30,159  
can send in his spirit guides

803  
00:29:34,470 --> 00:29:33,760  
and help remove whatever is traumatizing

804  
00:29:36,230 --> 00:29:34,480  
me

805  
00:29:38,230 --> 00:29:36,240  
but i couldn't get through to michael so

806  
00:29:40,149 --> 00:29:38,240  
i'm in the car it's starting to get dark

807  
00:29:42,230 --> 00:29:40,159  
and i can't get a hold of michael and i

808  
00:29:44,070 --> 00:29:42,240  
kept losing self-service and

809  
00:29:45,430 --> 00:29:44,080  
i can feel this thing getting stronger

810  
00:29:47,909 --> 00:29:45,440  
and stronger

811  
00:29:49,590 --> 00:29:47,919  
and uh i thought this is it this is how

812  
00:29:50,950 --> 00:29:49,600  
i'm gonna die nobody's gonna know

813  
00:29:52,630 --> 00:29:50,960

i'm just gonna have an accident

814

00:29:54,389 --> 00:29:52,640

everybody's just gonna think oh that's

815

00:29:55,830 --> 00:29:54,399

you know really sad she died on the way

816

00:29:57,269 --> 00:29:55,840

back from gettysburg

817

00:29:59,029 --> 00:29:57,279

in a car accident they're not going to

818

00:30:01,190 --> 00:29:59,039

know the whole story

819

00:30:02,710 --> 00:30:01,200

and then at the last minute michael's

820

00:30:04,389 --> 00:30:02,720

guides were able to swoop in

821

00:30:06,310 --> 00:30:04,399

i heard him i can hear his guides they

822

00:30:09,510 --> 00:30:06,320

have a different sound to me

823

00:30:11,110 --> 00:30:09,520

and when darkness came i was safe and

824

00:30:15,750 --> 00:30:11,120

uh that was one of the most terrifying

825

00:30:19,430 --> 00:30:17,669

do you believe as a soldier you think it

826

00:30:21,990 --> 00:30:19,440

was somebody

827

00:30:22,950 --> 00:30:22,000

somebody other than a soldier no i think

828

00:30:25,110 --> 00:30:22,960

you know as

829

00:30:26,230 --> 00:30:25,120

we were pursuing it later we think that

830

00:30:29,029 --> 00:30:26,240

it was probably

831

00:30:30,470 --> 00:30:29,039

um something drawn there by all the

832

00:30:33,750 --> 00:30:30,480

deaths and all the

833

00:30:35,430 --> 00:30:33,760

um anguish and emotions that he was

834

00:30:36,549 --> 00:30:35,440

feeding on the souls that were still

835

00:30:39,590 --> 00:30:36,559

lingering

836

00:30:41,029 --> 00:30:39,600

and got very upset when we actually were

837

00:30:44,389 --> 00:30:41,039

crossing some of his

838

00:30:46,230 --> 00:30:44,399

food supply over basically uh so he was

839

00:30:50,470 --> 00:30:46,240

going to teach us a lesson and i was the

840

00:30:53,110 --> 00:30:50,480

easiest one to latch on to

841

00:30:54,070 --> 00:30:53,120

you know there has been um there have

842

00:30:57,830 --> 00:30:54,080

been several

843

00:30:58,710 --> 00:30:57,840

incidents of um maybe something similar

844

00:31:00,950 --> 00:30:58,720

to that

845

00:31:03,990 --> 00:31:00,960

and i don't know if it's the same one or

846

00:31:06,070 --> 00:31:04,000

not but i have had people tell me uh

847

00:31:08,389 --> 00:31:06,080

that they've seen apparitions of

848

00:31:10,070 --> 00:31:08,399

what looked like like these old-time

849

00:31:12,870 --> 00:31:10,080

preachers with the black hat

850

00:31:14,630 --> 00:31:12,880

you know the white brim hat you know i

851  
00:31:15,990 --> 00:31:14,640  
don't know if it's just like

852  
00:31:18,630 --> 00:31:16,000  
somewhat of a thing with a hat like a

853  
00:31:20,549 --> 00:31:18,640  
hat man or a shadow person but

854  
00:31:23,590 --> 00:31:20,559  
i have heard a lot of that from people

855  
00:31:25,909 --> 00:31:23,600  
who live in around gettysburg

856  
00:31:27,669 --> 00:31:25,919  
that have seen that type of apparition

857  
00:31:30,870 --> 00:31:27,679  
especially

858  
00:31:32,950 --> 00:31:30,880  
up on route 30 which is the uh

859  
00:31:34,389 --> 00:31:32,960  
which is the main road that goes into

860  
00:31:36,310 --> 00:31:34,399  
gettysburg

861  
00:31:38,310 --> 00:31:36,320  
from the western you know from the

862  
00:31:40,789 --> 00:31:38,320  
western side and uh

863  
00:31:41,990 --> 00:31:40,799

going up into the mountains there's a

864

00:31:45,350 --> 00:31:42,000

lot of cabins and

865

00:31:49,190 --> 00:31:45,360

um residents

866

00:31:51,590 --> 00:31:49,200

along that route that have a lot of

867

00:31:53,990 --> 00:31:51,600

activity i mean a lot of activity now

868

00:31:58,070 --> 00:31:54,000

why that is i don't know

869

00:32:00,149 --> 00:31:58,080

but uh you know this type of entity has

870

00:32:02,230 --> 00:32:00,159

been seen a lot and been reported to me

871

00:32:05,350 --> 00:32:02,240

and others a lot as well

872

00:32:05,750 --> 00:32:05,360

it's just it's just a strange area you

873

00:32:07,909 --> 00:32:05,760

know

874

00:32:09,190 --> 00:32:07,919

i've been to a lot of battlefields in my

875

00:32:12,149 --> 00:32:09,200

time

876

00:32:12,710 --> 00:32:12,159

but uh you know gettysburg for whatever

877

00:32:15,990 --> 00:32:12,720

reason

878

00:32:18,470 --> 00:32:16,000

it it just seems to be

879

00:32:20,230 --> 00:32:18,480

you know just being is able to hold that

880

00:32:22,549 --> 00:32:20,240

energy as compared to other but

881

00:32:24,710 --> 00:32:22,559

maybe it's a topography and there's a

882

00:32:25,590 --> 00:32:24,720

lot of limestone in that area it's a lot

883

00:32:29,350 --> 00:32:25,600

you know it's got a

884

00:32:32,950 --> 00:32:29,360

it's got a weird topography compared to

885

00:32:35,269 --> 00:32:32,960

most other places in the in east uh

886

00:32:36,789 --> 00:32:35,279

this part of the country i don't know

887

00:32:39,990 --> 00:32:36,799

what it is i mean do you have any

888

00:32:43,029 --> 00:32:42,230

i think you know the battles that

889

00:32:45,110 --> 00:32:43,039  
happened there

890

00:32:46,630 --> 00:32:45,120  
were pretty profound and i think that

891

00:32:49,029 --> 00:32:46,640  
the land recorded that

892

00:32:49,990 --> 00:32:49,039  
uh remembered so i think that holds on

893

00:32:52,870 --> 00:32:50,000  
to it's like

894

00:32:53,269 --> 00:32:52,880  
you know like attracts like so um you

895

00:32:55,430 --> 00:32:53,279  
know

896

00:32:57,830 --> 00:32:55,440  
if you have a lot of energy in one

897

00:33:00,549 --> 00:32:57,840  
location other energy's going to join it

898

00:33:01,509 --> 00:33:00,559  
and um sometimes you know i'm not saying

899

00:33:03,269 --> 00:33:01,519  
gettysburg is

900

00:33:04,630 --> 00:33:03,279  
a lot of negative energy a lot of it's

901  
00:33:06,870 --> 00:33:04,640

just sad

902  
00:33:08,230 --> 00:33:06,880

um you know it's very hallowed ground

903  
00:33:10,870 --> 00:33:08,240

when you're walking through there

904  
00:33:12,470 --> 00:33:10,880

uh it's unlike anything i've ever felt

905  
00:33:14,710 --> 00:33:12,480

that's probably why i'm so

906  
00:33:15,990 --> 00:33:14,720

pulled there made me want to learn more

907  
00:33:18,789 --> 00:33:16,000

about the history and

908  
00:33:21,430 --> 00:33:18,799

really you know help if i could uh a lot

909  
00:33:26,070 --> 00:33:21,440

of residual energy there

910  
00:33:27,590 --> 00:33:26,080

yeah yeah it is a lot of residual energy

911  
00:33:29,190 --> 00:33:27,600

i have people telling me all the time

912  
00:33:31,509 --> 00:33:29,200

they see

913  
00:33:32,230 --> 00:33:31,519

lines of soldiers walking across fields

914

00:33:38,389 --> 00:33:32,240

and

915

00:33:41,669 --> 00:33:38,399

recently there had been this apparition

916

00:33:45,269 --> 00:33:41,679

scene near a cannonade

917

00:33:46,549 --> 00:33:45,279

uh up off the um the area the first day

918

00:33:48,789 --> 00:33:46,559

of the battle which is

919

00:33:50,549 --> 00:33:48,799

the western part of get uh the

920

00:33:53,190 --> 00:33:50,559

battlefield

921

00:33:54,149 --> 00:33:53,200

well i've known about that for about 20

922

00:33:55,990 --> 00:33:54,159

years now

923

00:33:58,230 --> 00:33:56,000

this thing seems to show up all the time

924

00:34:00,950 --> 00:33:58,240

so it's a residual energy

925

00:34:02,950 --> 00:34:00,960

so uh you know those type of apparitions

926

00:34:05,190 --> 00:34:02,960

are pretty well known

927

00:34:06,710 --> 00:34:05,200

and uh you know i used to see when i was

928

00:34:07,669 --> 00:34:06,720

a kid i used to sneak on that

929

00:34:11,190 --> 00:34:07,679

battlefield and

930

00:34:12,950 --> 00:34:11,200

stay overnight camp out uh you get away

931

00:34:14,310 --> 00:34:12,960

with it back then you can't now

932

00:34:16,629 --> 00:34:14,320

because they closed everything off and

933

00:34:18,629 --> 00:34:16,639

they actually control everything

934

00:34:20,629 --> 00:34:18,639

but uh yeah i've seen a lot of things

935

00:34:25,190 --> 00:34:20,639

out there and uh

936

00:34:28,389 --> 00:34:25,200

you know i guess being a kid it kind of

937

00:34:30,310 --> 00:34:28,399

uh imprints you or maybe i don't know

938

00:34:30,950 --> 00:34:30,320

what it does but you know like i said i

939

00:34:32,950 --> 00:34:30,960

had

940

00:34:34,470 --> 00:34:32,960

some pretty pretty interesting

941

00:34:36,950 --> 00:34:34,480

encounters

942

00:34:37,990 --> 00:34:36,960

and of course you know people have known

943

00:34:41,430 --> 00:34:38,000

about that

944

00:34:42,149 --> 00:34:41,440

gettysburg being haunted for for many

945

00:34:45,270 --> 00:34:42,159

decades

946

00:34:46,470 --> 00:34:45,280

but you know with the paranormal craze

947

00:34:49,510 --> 00:34:46,480

now in the past

948

00:34:52,389 --> 00:34:49,520

10 15 years it just seems to be

949

00:34:54,629 --> 00:34:52,399

more more people are aware of it and and

950

00:34:57,190 --> 00:34:54,639

go there just for that

951  
00:34:57,750 --> 00:34:57,200  
yeah definitely well we kept you know

952  
00:34:59,750 --> 00:34:57,760  
for me

953  
00:35:01,829 --> 00:34:59,760  
i kept forgetting about the paranormal

954  
00:35:04,870 --> 00:35:01,839  
because i would get so

955  
00:35:05,670 --> 00:35:04,880  
into the history and uh just i think it

956  
00:35:07,670 --> 00:35:05,680  
was

957  
00:35:08,790 --> 00:35:07,680  
really fascinating to me how everything

958  
00:35:10,710 --> 00:35:08,800  
looks the same

959  
00:35:12,550 --> 00:35:10,720  
that it did back then you know you could

960  
00:35:13,910 --> 00:35:12,560  
look at the pictures from the battle

961  
00:35:15,349 --> 00:35:13,920  
and and then you could stand right in

962  
00:35:16,310 --> 00:35:15,359  
front of where that was and everything

963  
00:35:18,230 --> 00:35:16,320

looks exciting

964

00:35:19,430 --> 00:35:18,240

the same except there's no dead bodies

965

00:35:21,829 --> 00:35:19,440

and you know

966

00:35:23,190 --> 00:35:21,839

uh i don't know it just it was just

967

00:35:25,510 --> 00:35:23,200

profound to me

968

00:35:26,950 --> 00:35:25,520

being there yeah they you know the

969

00:35:27,510 --> 00:35:26,960

government has taken care of that but

970

00:35:29,990 --> 00:35:27,520

it'll feel

971

00:35:30,870 --> 00:35:30,000

very well and you know other than you

972

00:35:33,589 --> 00:35:30,880

know all the

973

00:35:35,829 --> 00:35:33,599

statuary or the memorials that are on

974

00:35:37,750 --> 00:35:35,839

the on the battlefield being there

975

00:35:39,349 --> 00:35:37,760

if you took those away it would look

976  
00:35:39,990 --> 00:35:39,359  
very close to what it looked like back

977  
00:35:43,109 --> 00:35:40,000  
then

978  
00:35:45,109 --> 00:35:43,119  
yeah yeah i i actually

979  
00:35:46,390 --> 00:35:45,119  
used to conduct tours on their private

980  
00:35:49,349 --> 00:35:46,400  
tours

981  
00:35:50,790 --> 00:35:49,359  
and when i was younger and uh yeah the

982  
00:35:54,870 --> 00:35:50,800  
history

983  
00:35:57,270 --> 00:35:54,880  
when you think about it

984  
00:35:57,990 --> 00:35:57,280  
uh some of the stories of certain

985  
00:36:00,790 --> 00:35:58,000  
individuals

986  
00:36:01,190 --> 00:36:00,800  
during that battle it's pretty easy to

987  
00:36:06,230 --> 00:36:01,200  
see

988  
00:36:07,990 --> 00:36:06,240

why things you know things happen there

989

00:36:10,470 --> 00:36:08,000

you know and also i think people i think

990

00:36:12,710 --> 00:36:10,480

when people come there

991

00:36:14,150 --> 00:36:12,720

knowing the history i think you know i i

992

00:36:17,190 --> 00:36:14,160

believe a lot of in

993

00:36:19,349 --> 00:36:17,200

thought form and tulpas i

994

00:36:20,630 --> 00:36:19,359

i think people kind of leave an imprint

995

00:36:24,150 --> 00:36:20,640

there as well

996

00:36:26,150 --> 00:36:24,160

that's very possible very well because

997

00:36:27,589 --> 00:36:26,160

we're all have that expectation of what

998

00:36:31,190 --> 00:36:27,599

we're going to feel or see

999

00:36:34,790 --> 00:36:31,200

and um you know

1000

00:36:38,150 --> 00:36:34,800

intent is very powerful now

1001  
00:36:40,550 --> 00:36:38,160  
your new book i'm kind of interested in

1002  
00:36:41,430 --> 00:36:40,560  
some of the descriptions from others on

1003  
00:36:44,870 --> 00:36:41,440  
how they sense

1004  
00:36:47,589 --> 00:36:44,880  
energy that's fascinating to me uh

1005  
00:36:49,910 --> 00:36:47,599  
when ghosts are near uh can you kind of

1006  
00:36:52,310 --> 00:36:49,920  
talk about some of those uh

1007  
00:36:53,349 --> 00:36:52,320  
some of those parts of the book yeah

1008  
00:36:55,430 --> 00:36:53,359  
absolutely

1009  
00:36:57,109 --> 00:36:55,440  
so it's kind of divided into categories

1010  
00:36:59,430 --> 00:36:57,119  
of how people feel

1011  
00:37:00,870 --> 00:36:59,440  
how people feel ghosts and there's a

1012  
00:37:03,030 --> 00:37:00,880  
talks about people that are

1013  
00:37:04,470 --> 00:37:03,040

clairaudient that hear sounds like i do

1014

00:37:06,790 --> 00:37:04,480

um there's other

1015

00:37:08,390 --> 00:37:06,800

categories like clairsentience people

1016

00:37:11,430 --> 00:37:08,400

that feel the paranormal

1017

00:37:13,190 --> 00:37:11,440

physically and a couple of my friends

1018

00:37:15,430 --> 00:37:13,200

actually feel like a tingling on their

1019

00:37:18,230 --> 00:37:15,440

scalp when there's a ghost near

1020

00:37:19,829 --> 00:37:18,240

and uh i've talked a lot about my friend

1021

00:37:21,910 --> 00:37:19,839

sandy macleod because when

1022

00:37:23,990 --> 00:37:21,920

i was really starting to explore my

1023

00:37:27,349 --> 00:37:24,000

abilities she was too

1024

00:37:30,150 --> 00:37:27,359

and we would validate for each other and

1025

00:37:32,069 --> 00:37:30,160

she would feel a touch on her scalp and

1026

00:37:33,349 --> 00:37:32,079

she started learning that if it were

1027

00:37:36,230 --> 00:37:33,359

in a certain place she could

1028

00:37:38,870 --> 00:37:36,240

differentiate between male and female or

1029

00:37:40,470 --> 00:37:38,880

um you know my friend tracy hayne is

1030

00:37:42,710 --> 00:37:40,480

also clairsentient

1031

00:37:44,390 --> 00:37:42,720

and one thing she said she can tell if

1032

00:37:46,550 --> 00:37:44,400

it's a child that the touch is much

1033

00:37:48,550 --> 00:37:46,560

lighter it's almost like a tickle

1034

00:37:50,950 --> 00:37:48,560

um then there's other people that have

1035

00:37:53,510 --> 00:37:50,960

the sensation of being watched

1036

00:37:55,190 --> 00:37:53,520

and um i think that was that one is big

1037

00:37:57,349 --> 00:37:55,200

for me too because

1038

00:37:59,670 --> 00:37:57,359

my cliraudience is always accompanied

1039

00:38:01,750 --> 00:37:59,680

by the sense that somebody's there

1040

00:38:03,510 --> 00:38:01,760

and i remember one of the first times i

1041

00:38:04,630 --> 00:38:03,520

really had this happen i was at rolling

1042

00:38:07,750 --> 00:38:04,640

hills asylum

1043

00:38:09,349 --> 00:38:07,760

up in upstate new york and if you've

1044

00:38:11,270 --> 00:38:09,359

never been to there make them try to

1045

00:38:13,030 --> 00:38:11,280

make plans to go because it's incredibly

1046

00:38:16,470 --> 00:38:13,040

haunted very active

1047

00:38:19,430 --> 00:38:16,480

and interactive and my group was

1048

00:38:21,270 --> 00:38:19,440

having a evp session in the room that

1049

00:38:23,750 --> 00:38:21,280

was the chapel

1050

00:38:25,670 --> 00:38:23,760

and i kind of i kind of got bored and i

1051  
00:38:26,870 --> 00:38:25,680  
decided i was going to walk outside with

1052  
00:38:28,550 --> 00:38:26,880  
i had a camera

1053  
00:38:30,150 --> 00:38:28,560  
and i wanted to take a picture of the

1054  
00:38:31,750 --> 00:38:30,160  
long hallway because it was just

1055  
00:38:34,550 --> 00:38:31,760  
you know it's like an old hospital with

1056  
00:38:36,710 --> 00:38:34,560  
all the doors and just very spooky

1057  
00:38:38,550 --> 00:38:36,720  
and i had my digital recorder i had it

1058  
00:38:39,190 --> 00:38:38,560  
with me and as i'm trying to take

1059  
00:38:40,710 --> 00:38:39,200  
picture

1060  
00:38:42,390 --> 00:38:40,720  
of the hallway my camera kept

1061  
00:38:43,349 --> 00:38:42,400  
malfunctioning i thought well this is

1062  
00:38:46,710 --> 00:38:43,359  
weird

1063  
00:38:48,630 --> 00:38:46,720

and i didn't learn why until i got home

1064

00:38:50,150 --> 00:38:48,640

and listened to my audio recorder at

1065

00:38:51,109 --> 00:38:50,160

that time when i was trying to take the

1066

00:38:53,030 --> 00:38:51,119

picture

1067

00:38:54,310 --> 00:38:53,040

there was somebody whispering in the ep

1068

00:38:56,550 --> 00:38:54,320

in the uh recorder

1069

00:38:57,510 --> 00:38:56,560

saying uh we've got to get her camera

1070

00:39:00,470 --> 00:38:57,520

off her

1071

00:39:01,990 --> 00:39:00,480

and it was kind of in a sing-song voice

1072

00:39:03,270 --> 00:39:02,000

so they were trying to mess with my

1073

00:39:06,550 --> 00:39:03,280

camera

1074

00:39:07,990 --> 00:39:06,560

um so but that came with the sensation

1075

00:39:09,990 --> 00:39:08,000

of being watched

1076  
00:39:11,670 --> 00:39:10,000  
and there's stories in here about people

1077  
00:39:14,790 --> 00:39:11,680  
seeing ghosts there's one girl

1078  
00:39:16,310 --> 00:39:14,800  
named kira emily uh who was coming back

1079  
00:39:18,470 --> 00:39:16,320  
from lizzie borden

1080  
00:39:21,270 --> 00:39:18,480  
investigation and she got on the wrong

1081  
00:39:22,870 --> 00:39:21,280  
road and she ended up on route 44

1082  
00:39:25,430 --> 00:39:22,880  
uh which is where the red-headed

1083  
00:39:28,470 --> 00:39:25,440  
hitchhiker is often seen

1084  
00:39:30,069 --> 00:39:28,480  
and uh so she actually um she saw

1085  
00:39:31,910 --> 00:39:30,079  
something and people see this

1086  
00:39:34,230 --> 00:39:31,920  
hitchhiker walking along the side of the

1087  
00:39:35,990 --> 00:39:34,240  
road and as she's driving she saw all

1088  
00:39:39,430 --> 00:39:36,000

she saw were legs

1089

00:39:40,950 --> 00:39:39,440

at feet and ankles and up ahead and as

1090

00:39:42,390 --> 00:39:40,960

she got closer she thought well i'm

1091

00:39:43,430 --> 00:39:42,400

going to see the whole body and she

1092

00:39:45,030 --> 00:39:43,440

never did

1093

00:39:46,950 --> 00:39:45,040

and then she turned around to look

1094

00:39:48,550 --> 00:39:46,960

behind her in the rearview mirror and

1095

00:39:50,630 --> 00:39:48,560

when she looked up there was a flash of

1096

00:39:53,750 --> 00:39:50,640

red right in front of her in the road

1097

00:39:56,470 --> 00:39:53,760

and then it just disappeared so um

1098

00:39:59,109 --> 00:39:56,480

and this bad luck is another sign uh

1099

00:40:02,150 --> 00:39:59,119

people have uh we investigated

1100

00:40:02,950 --> 00:40:02,160

a location where um the people were

1101  
00:40:04,470 --> 00:40:02,960  
having

1102  
00:40:06,390 --> 00:40:04,480  
just so much bad luck this woman had

1103  
00:40:09,750 --> 00:40:06,400  
just bought this huge property

1104  
00:40:11,190 --> 00:40:09,760  
and it had a house uh two houses and uh

1105  
00:40:14,470 --> 00:40:11,200  
a large

1106  
00:40:14,790 --> 00:40:14,480  
um recreational kind of center used to

1107  
00:40:17,990 --> 00:40:14,800  
be

1108  
00:40:20,230 --> 00:40:18,000  
um a private gym and

1109  
00:40:21,589 --> 00:40:20,240  
they had a garage there and everything

1110  
00:40:22,550 --> 00:40:21,599  
they would bring onto the property

1111  
00:40:26,230 --> 00:40:22,560  
seemed like it broke

1112  
00:40:28,870 --> 00:40:26,240  
motorcycles cars lawn mowers computers

1113  
00:40:29,750 --> 00:40:28,880

uh digital equipment machinery and it

1114

00:40:32,309 --> 00:40:29,760

was just

1115

00:40:34,710 --> 00:40:32,319

constant so we came in uh and

1116

00:40:36,950 --> 00:40:34,720

investigated that and learned that

1117

00:40:38,069 --> 00:40:36,960

the previous owner had tried to start up

1118

00:40:40,870 --> 00:40:38,079

a gym there

1119

00:40:42,630 --> 00:40:40,880

and he ended up going bankrupt and lost

1120

00:40:44,470 --> 00:40:42,640

it and then he ended up dying

1121

00:40:46,950 --> 00:40:44,480

and i think he just did not want them to

1122

00:40:50,390 --> 00:40:46,960

be successful there because he wasn't

1123

00:40:51,990 --> 00:40:50,400

so he was causing everything to break so

1124

00:40:54,390 --> 00:40:52,000

you know and there's other people have

1125

00:40:54,950 --> 00:40:54,400

had stories um stories about pets and

1126  
00:40:59,270 --> 00:40:54,960

ghosts

1127  
00:41:00,710 --> 00:40:59,280

i mean um anybody that has a cat and has

1128  
00:41:02,390 --> 00:41:00,720

a ghost

1129  
00:41:04,150 --> 00:41:02,400

are gonna know about the ghost because

1130  
00:41:06,069 --> 00:41:04,160

the cat is gonna be watching the ghost

1131  
00:41:09,430 --> 00:41:06,079

it depends on the cat but

1132  
00:41:11,430 --> 00:41:09,440

uh mine seem very preoccupied by ghosts

1133  
00:41:12,790 --> 00:41:11,440

and sometimes it's a little startling uh

1134  
00:41:14,870 --> 00:41:12,800

especially if you're laying in bed and

1135  
00:41:17,030 --> 00:41:14,880

you're getting ready to go to sleep

1136  
00:41:19,030 --> 00:41:17,040

and uh you know for me i can hear them

1137  
00:41:20,870 --> 00:41:19,040

and i know there's something above me

1138  
00:41:22,950 --> 00:41:20,880

and then my cat starts watching

1139

00:41:24,710 --> 00:41:22,960

something above me and tracking it over

1140

00:41:25,270 --> 00:41:24,720

the side of the bed and into the corner

1141

00:41:26,550 --> 00:41:25,280

and

1142

00:41:28,390 --> 00:41:26,560

you know then i'm supposed to turn the

1143

00:41:30,630 --> 00:41:28,400

light off and go to sleep

1144

00:41:31,430 --> 00:41:30,640

um so a lot of people use pets as

1145

00:41:33,109 --> 00:41:31,440

validation

1146

00:41:34,550 --> 00:41:33,119

i see you nodding have you had that

1147

00:41:37,829 --> 00:41:34,560

experience

1148

00:41:38,790 --> 00:41:37,839

oh yeah plenty of times i uh i have a

1149

00:41:41,430 --> 00:41:38,800

cat and he

1150

00:41:42,470 --> 00:41:41,440

he does that all the time and i i know

1151

00:41:45,829 --> 00:41:42,480

that's what he's doing

1152

00:41:47,910 --> 00:41:45,839

and um you know

1153

00:41:50,069 --> 00:41:47,920

it's funny we lived in it we lived in an

1154

00:41:53,750 --> 00:41:50,079

apartment years ago

1155

00:41:56,230 --> 00:41:53,760

we had two dogs also and my dog

1156

00:41:58,550 --> 00:41:56,240

why one dog especially my dalmatian he

1157

00:42:01,190 --> 00:41:58,560

used to lay on the sofa

1158

00:42:02,069 --> 00:42:01,200

and he'd be laying there sleeping and he

1159

00:42:06,630 --> 00:42:02,079

jumped up

1160

00:42:09,589 --> 00:42:06,640

like something jumped on it and i knew

1161

00:42:10,710 --> 00:42:09,599

that's what it was because one at one

1162

00:42:13,030 --> 00:42:10,720

point

1163

00:42:15,349 --> 00:42:13,040

i actually got a glimpse of something

1164

00:42:18,230 --> 00:42:15,359

moving off of him

1165

00:42:19,030 --> 00:42:18,240

so i'm moving off for her and uh yeah

1166

00:42:23,030 --> 00:42:19,040

and i knew

1167

00:42:24,870 --> 00:42:23,040

we had cat spirits and dog spirits

1168

00:42:26,950 --> 00:42:24,880

around there you know

1169

00:42:28,950 --> 00:42:26,960

you know and i think most people do have

1170

00:42:31,349 --> 00:42:28,960

that you know for whatever reason i

1171

00:42:35,030 --> 00:42:31,359

think people that live in apartments

1172

00:42:36,870 --> 00:42:35,040

and uh residences that are used over and

1173

00:42:40,150 --> 00:42:36,880

over i think

1174

00:42:43,349 --> 00:42:40,160

i think animals leave their imprint very

1175

00:42:44,710 --> 00:42:43,359

very many times and i think other

1176

00:42:48,230 --> 00:42:44,720

animals in particular

1177

00:42:51,109 --> 00:42:48,240

pick up on that i think so too

1178

00:42:53,430 --> 00:42:51,119

um one of my friends has a lot of cats

1179

00:42:55,430 --> 00:42:53,440

and always has had a lot of cats and

1180

00:42:57,430 --> 00:42:55,440

um they all jump on the bed

1181

00:42:59,829 --> 00:42:57,440

distinctively different

1182

00:43:01,109 --> 00:42:59,839

and uh after they passed she can tell

1183

00:43:03,109 --> 00:43:01,119

you which cat is

1184

00:43:04,470 --> 00:43:03,119

on the bed or jumped up you know in

1185

00:43:06,630 --> 00:43:04,480

spirit form because

1186

00:43:08,309 --> 00:43:06,640

one of them jumps up like a bowling ball

1187

00:43:10,309 --> 00:43:08,319

because he was a heavy cat

1188

00:43:11,510 --> 00:43:10,319

and another one walks around the whole

1189

00:43:13,270 --> 00:43:11,520

edge of the bed

1190

00:43:14,630 --> 00:43:13,280

and then tucks itself in next to her in

1191

00:43:16,390 --> 00:43:14,640

the pillow so

1192

00:43:18,069 --> 00:43:16,400

you know she can tell you which cat is

1193

00:43:21,510 --> 00:43:18,079

coming to visit on each night

1194

00:43:24,950 --> 00:43:21,520

so i think that's kind of neat

1195

00:43:27,430 --> 00:43:24,960

wow well you know i

1196

00:43:29,510 --> 00:43:27,440

i i had a question here in the chat

1197

00:43:31,190 --> 00:43:29,520

about spirit rescue

1198

00:43:33,030 --> 00:43:31,200

uh i've been involved with spear rescue

1199

00:43:34,550 --> 00:43:33,040

for a long time but uh

1200

00:43:36,710 --> 00:43:34,560

have you ever done that any of the

1201

00:43:39,430 --> 00:43:36,720

spirit rescue yourself

1202

00:43:40,790 --> 00:43:39,440

yes absolutely it's a lot of times it's

1203

00:43:43,190 --> 00:43:40,800

a priority

1204

00:43:44,150 --> 00:43:43,200

uh when i get called into a location i

1205

00:43:45,990 --> 00:43:44,160

want to find out

1206

00:43:47,270 --> 00:43:46,000

who's there and why they're there and if

1207

00:43:49,349 --> 00:43:47,280

they need help

1208

00:43:50,710 --> 00:43:49,359

and uh you know the homeowner is also

1209

00:43:53,270 --> 00:43:50,720

important to me

1210

00:43:54,550 --> 00:43:53,280

um because i want uh i want to make sure

1211

00:43:57,430 --> 00:43:54,560

that they're comfortable

1212

00:43:58,630 --> 00:43:57,440

in a lot of situations it's just um the

1213

00:44:00,309 --> 00:43:58,640

ghost is some

1214

00:44:02,710 --> 00:44:00,319

there before and they're quite happy

1215

00:44:04,790 --> 00:44:02,720

being there they don't want to move on

1216

00:44:07,030 --> 00:44:04,800

but we have had a lot of situations

1217

00:44:09,190 --> 00:44:07,040

where somebody's trapped and they're not

1218

00:44:09,589 --> 00:44:09,200

happy and they don't know how they got

1219

00:44:12,550 --> 00:44:09,599

there

1220

00:44:13,190 --> 00:44:12,560

and they want to pass a message on and

1221

00:44:15,510 --> 00:44:13,200

um

1222

00:44:17,829 --> 00:44:15,520

yeah so if they're willing to go to move

1223

00:44:20,069 --> 00:44:17,839

on i can cross them over

1224

00:44:21,030 --> 00:44:20,079

i can't cross them if they don't want to

1225

00:44:22,790 --> 00:44:21,040

go

1226

00:44:24,870 --> 00:44:22,800

so a lot of times you get into almost

1227

00:44:25,750 --> 00:44:24,880

like you become a psychologist to the

1228

00:44:28,470 --> 00:44:25,760

dead

1229

00:44:30,230 --> 00:44:28,480

and you know you're counseling and

1230

00:44:31,030 --> 00:44:30,240

coaching them and telling them look you

1231

00:44:32,390 --> 00:44:31,040

know

1232

00:44:34,069 --> 00:44:32,400

you're not supposed to be here you're

1233

00:44:35,829 --> 00:44:34,079

supposed to move on you know go be with

1234

00:44:36,950 --> 00:44:35,839

your loved ones you can still come back

1235

00:44:39,910 --> 00:44:36,960

and visit

1236

00:44:41,750 --> 00:44:39,920

but just in a different form um you know

1237

00:44:42,470 --> 00:44:41,760

i differentiate between ghosts and

1238

00:44:44,069 --> 00:44:42,480

spirits

1239

00:44:46,150 --> 00:44:44,079

a ghost to somebody who has never

1240

00:44:48,230 --> 00:44:46,160

crossed over their earthbound

1241

00:44:49,990 --> 00:44:48,240

they don't know anything more than uh

1242

00:44:51,430 --> 00:44:50,000

what they've experienced as a living

1243

00:44:53,109 --> 00:44:51,440

person so they don't know what heaven

1244

00:44:54,470 --> 00:44:53,119

looks like uh they don't know that

1245

00:44:55,990 --> 00:44:54,480

process

1246

00:44:57,829 --> 00:44:56,000

and they don't have their spiritual

1247

00:44:59,670 --> 00:44:57,839

enlightenment i feel like once you've

1248

00:45:01,109 --> 00:44:59,680

crossed over and gone to heaven

1249

00:45:02,470 --> 00:45:01,119

you've had time to spend with your

1250

00:45:04,150 --> 00:45:02,480

spirit guides you've gone through

1251

00:45:05,510 --> 00:45:04,160

counseling and uh

1252

00:45:07,349 --> 00:45:05,520

you know almost like going to the

1253

00:45:08,470 --> 00:45:07,359

hospital especially for a traumatic

1254

00:45:12,550 --> 00:45:08,480

death

1255

00:45:15,109 --> 00:45:12,560

um so you know spirits can come back

1256

00:45:16,829 --> 00:45:15,119

but they've gone through that elevated

1257

00:45:17,990 --> 00:45:16,839

status so they come back with more

1258

00:45:19,990 --> 00:45:18,000

knowledge

1259

00:45:21,270 --> 00:45:20,000

uh so we try to you know we always try

1260

00:45:23,109 --> 00:45:21,280

to help them and

1261

00:45:26,150 --> 00:45:23,119

for me when i cross them over it's such

1262

00:45:29,349 --> 00:45:26,160

a beautiful feeling um i always picture

1263

00:45:31,430 --> 00:45:29,359

a cone of white going white like going

1264

00:45:33,990 --> 00:45:31,440

straight up into the heavens and

1265

00:45:35,829 --> 00:45:34,000

uh i become almost the portal for them

1266

00:45:37,349 --> 00:45:35,839

to cross through i feel them

1267

00:45:38,950 --> 00:45:37,359

when they want to cross i feel a

1268

00:45:40,790 --> 00:45:38,960

tingling at my ankles

1269

00:45:42,710 --> 00:45:40,800

and then i'll keep talking to them

1270

00:45:44,790 --> 00:45:42,720

telling them call to your loved ones

1271

00:45:45,990 --> 00:45:44,800

you know go to go be where you need to

1272

00:45:49,510 --> 00:45:46,000

be and you let go

1273

00:45:50,950 --> 00:45:49,520

of this you know sadness and agony that

1274

00:45:53,430 --> 00:45:50,960

you've been latched onto

1275

00:45:54,470 --> 00:45:53,440

and if they cross over i feel that cold

1276

00:45:57,190 --> 00:45:54,480

show

1277

00:45:58,069 --> 00:45:57,200

travel up my body and then it comes out

1278

00:46:00,390 --> 00:45:58,079

through the crown

1279

00:46:01,990 --> 00:46:00,400

of my head and afterwards i'm just

1280

00:46:04,230 --> 00:46:02,000

almost giddy

1281

00:46:05,030 --> 00:46:04,240

and uh you know i've done it quite a few

1282

00:46:08,630 --> 00:46:05,040

times and it's

1283

00:46:10,470 --> 00:46:08,640

one of the most um

1284

00:46:11,990 --> 00:46:10,480

monumental things i feel like i've ever

1285

00:46:15,109 --> 00:46:12,000

done as a human being is

1286

00:46:15,829 --> 00:46:15,119

to release somebody who's been trapped

1287

00:46:18,870 --> 00:46:15,839

here for

1288

00:46:21,349 --> 00:46:18,880

you know sometimes 100 years

1289

00:46:23,190 --> 00:46:21,359

they've been just living there and

1290

00:46:25,190 --> 00:46:23,200

sometimes we've crossed them over

1291

00:46:27,109 --> 00:46:25,200

um they've crossed over on their own

1292

00:46:29,990 --> 00:46:27,119

after we've talked to them

1293

00:46:32,390 --> 00:46:30,000

so you know doing my ghost walks and

1294

00:46:33,910 --> 00:46:32,400

investigations here in town there are

1295

00:46:35,750 --> 00:46:33,920

a lot of ghosts that are hanging around

1296

00:46:38,870 --> 00:46:35,760

that have been around for 200 years

1297

00:46:41,109 --> 00:46:38,880

and uh one of them was a suicide victim

1298

00:46:43,030 --> 00:46:41,119

um but every time we would go to the

1299

00:46:45,349 --> 00:46:43,040

building you would feel him very very

1300

00:46:47,109 --> 00:46:45,359

powerfully strong in one room

1301

00:46:49,190 --> 00:46:47,119

and every time we would go we just

1302

00:46:51,270 --> 00:46:49,200

talked to and we'd say you know look

1303

00:46:52,630 --> 00:46:51,280

god loves you you're allowed in heaven

1304

00:46:54,630 --> 00:46:52,640

even though you heard that

1305

00:46:55,670 --> 00:46:54,640

you know suicide's immortal sin and

1306

00:46:58,069 --> 00:46:55,680

you're going to hell

1307

00:46:59,670 --> 00:46:58,079

that's not true you're allowed in heaven

1308

00:47:02,150 --> 00:46:59,680

and go be with your family

1309

00:47:04,069 --> 00:47:02,160

and every single time we'd say that and

1310

00:47:06,790 --> 00:47:04,079

then just one day he just disappeared

1311

00:47:09,510 --> 00:47:06,800

so you know he took our advice and moved

1312

00:47:12,630 --> 00:47:09,520

on on his own

1313

00:47:13,030 --> 00:47:12,640

yeah i mean these energies all have free

1314

00:47:15,430 --> 00:47:13,040

will

1315

00:47:16,790 --> 00:47:15,440

i mean you know they're they're there

1316

00:47:20,069 --> 00:47:16,800

for a reason

1317

00:47:21,510 --> 00:47:20,079

and many times they're there because

1318

00:47:24,710 --> 00:47:21,520

they want to stay there and they don't

1319

00:47:25,349 --> 00:47:24,720

want to move on um and then like you

1320

00:47:27,190 --> 00:47:25,359

said

1321

00:47:29,270 --> 00:47:27,200

others don't really even know they're

1322

00:47:32,390 --> 00:47:29,280

dead i mean even if it's a

1323

00:47:32,950 --> 00:47:32,400

traumatic death or you know so all of a

1324

00:47:35,030 --> 00:47:32,960

sudden

1325

00:47:36,790 --> 00:47:35,040

you know they don't even know and yeah

1326

00:47:40,470 --> 00:47:36,800

i'm going through that experience

1327

00:47:43,750 --> 00:47:40,480

it is a very fulfilling experience

1328

00:47:47,829 --> 00:47:43,760

um basically i i

1329

00:47:50,470 --> 00:47:47,839

have it usually happens to me as i

1330

00:47:51,990 --> 00:47:50,480

see in my mind's eye too and i don't

1331

00:47:53,430 --> 00:47:52,000

know what kind of beans they are i call

1332

00:47:57,270 --> 00:47:53,440

them angels but

1333

00:48:01,030 --> 00:47:57,280

that come from another level

1334

00:48:04,790 --> 00:48:01,040

and basically grab a hold or

1335

00:48:08,230 --> 00:48:04,800

kind of accompany this spirit

1336

00:48:10,950 --> 00:48:08,240

to the next level and uh it is

1337

00:48:12,470 --> 00:48:10,960

it's like a rush comes over you when it

1338

00:48:14,549 --> 00:48:12,480

happens

1339

00:48:16,790 --> 00:48:14,559

and you know i've had people tell and i

1340

00:48:20,069 --> 00:48:16,800

do a lot of this remotely

1341

00:48:22,470 --> 00:48:20,079

and um i have had people tell me that

1342

00:48:23,750 --> 00:48:22,480

uh when it happens some of the things

1343

00:48:27,190 --> 00:48:23,760

they hear

1344

00:48:30,309 --> 00:48:27,200

some of the energy that they sense and

1345

00:48:33,750 --> 00:48:30,319

how things are just change within

1346

00:48:35,670 --> 00:48:33,760

the location and uh yeah it is very

1347

00:48:37,750 --> 00:48:35,680

fulfilling i'm gonna have to do a spirit

1348

00:48:39,349 --> 00:48:37,760

rescue show sometime

1349

00:48:41,510 --> 00:48:39,359

because i have been involved with it for

1350

00:48:43,829 --> 00:48:41,520

so long and um

1351

00:48:44,870 --> 00:48:43,839

you know i don't do as much as i used to

1352

00:48:47,829 --> 00:48:44,880

because it kind of

1353

00:48:49,589 --> 00:48:47,839

it can't it can wear on you i've had

1354

00:48:52,950 --> 00:48:49,599

psychic attacks

1355

00:48:56,069 --> 00:48:52,960

in the past doing remote views and

1356

00:48:59,030 --> 00:48:56,079

uh it can wear on you

1357

00:49:01,270 --> 00:48:59,040

but uh it is it's a fulfilling thing and

1358

00:49:02,870 --> 00:49:01,280

anybody that has the ability to do that

1359

00:49:05,430 --> 00:49:02,880

and and you know and

1360

00:49:06,630 --> 00:49:05,440

look most people have some type of

1361

00:49:09,750 --> 00:49:06,640

psychic ability and

1362

00:49:10,710 --> 00:49:09,760

and i think and learn to do things like

1363

00:49:14,230 --> 00:49:10,720

that

1364

00:49:16,309 --> 00:49:14,240

but it it is a bit different and uh

1365

00:49:18,230 --> 00:49:16,319

you know every spirit rescue or light

1366

00:49:21,190 --> 00:49:18,240

worker i've talked to

1367

00:49:21,990 --> 00:49:21,200

kind of goes through the same thing uh

1368

00:49:25,349 --> 00:49:22,000

where they can

1369

00:49:29,030 --> 00:49:25,359

sense something coming down

1370

00:49:30,870 --> 00:49:29,040

or coming to this spirit enveloping them

1371

00:49:33,109 --> 00:49:30,880

and moving them on

1372

00:49:35,670 --> 00:49:33,119

and uh they do have that sense of

1373

00:49:39,030 --> 00:49:35,680

fulfillment after it's done

1374

00:49:41,270 --> 00:49:39,040

yeah it's it's it's wonderful and

1375

00:49:42,150 --> 00:49:41,280

you know it's sometimes we just do it

1376

00:49:45,190 --> 00:49:42,160

quietly

1377

00:49:46,549 --> 00:49:45,200

um you know we just you don't

1378

00:49:49,430 --> 00:49:46,559

necessarily need to

1379

00:49:50,950 --> 00:49:49,440

have a whole lot of communication i mean

1380

00:49:51,829 --> 00:49:50,960

you know sometimes you can just let them

1381

00:49:53,430 --> 00:49:51,839

know your intent

1382

00:49:55,109 --> 00:49:53,440

and and i know when they're ready to

1383

00:49:56,630 --> 00:49:55,119

cross over because i feel the tingling

1384

00:49:57,829 --> 00:49:56,640

on my ankles and

1385

00:50:00,470 --> 00:49:57,839

you know if they're ready to move on

1386

00:50:02,150 --> 00:50:00,480

then i just move them through so

1387

00:50:04,069 --> 00:50:02,160

um you know and it's like there's a but

1388

00:50:06,549 --> 00:50:04,079

we've been to a lot of investigations

1389

00:50:09,670 --> 00:50:06,559

that like famously haunted places that

1390

00:50:10,630 --> 00:50:09,680

tell you no crossing over the ghost you

1391

00:50:13,109 --> 00:50:10,640

know they don't want

1392

00:50:15,030 --> 00:50:13,119

um they don't want their ghosts to be

1393

00:50:17,270 --> 00:50:15,040

you know moved on and

1394

00:50:18,790 --> 00:50:17,280

that's i don't like that um most of the

1395

00:50:19,829 --> 00:50:18,800

time they're there because they want to

1396

00:50:22,870 --> 00:50:19,839

be anyways

1397

00:50:23,349 --> 00:50:22,880

um but you know somebody wants to cross

1398

00:50:25,430 --> 00:50:23,359

over

1399

00:50:27,829 --> 00:50:25,440

i feel like it's their right um it's

1400

00:50:29,430 --> 00:50:27,839

almost like ghost slavery if you force

1401

00:50:31,190 --> 00:50:29,440

them to stay in a spot

1402

00:50:33,829 --> 00:50:31,200

so that somebody can make money off of

1403

00:50:36,150 --> 00:50:33,839

them i just think that's wrong

1404

00:50:38,390 --> 00:50:36,160

yeah that's like people that go into a

1405

00:50:41,349 --> 00:50:38,400

location and start screaming at goose

1406

00:50:42,870 --> 00:50:41,359

and start acting up with them i just

1407

00:50:45,030 --> 00:50:42,880

don't buy into any of that you know

1408

00:50:46,950 --> 00:50:45,040

that really you know when these these

1409

00:50:47,990 --> 00:50:46,960

paranormal shows just first start coming

1410

00:50:50,390 --> 00:50:48,000

on tv

1411

00:50:51,430 --> 00:50:50,400

that really bothered me oh yeah

1412

00:50:53,829 --> 00:50:51,440

absolutely and uh

1413

00:50:55,030 --> 00:50:53,839

you know that's something i never got

1414

00:50:57,670 --> 00:50:55,040

involved with

1415

00:51:00,870 --> 00:50:57,680

now you know it's kind of challenging a

1416

00:51:02,790 --> 00:51:00,880

spirit or an energy

1417

00:51:04,470 --> 00:51:02,800

first of all that could be dangerous for

1418

00:51:06,870 --> 00:51:04,480

one thing but yeah

1419

00:51:08,390 --> 00:51:06,880

yeah and and if they you know unless

1420

00:51:09,829 --> 00:51:08,400

they know what it is i mean

1421

00:51:12,150 --> 00:51:09,839

you know they could be yelling at a

1422

00:51:13,589 --> 00:51:12,160

little old lady uh that they think is a

1423

00:51:15,750 --> 00:51:13,599

demon or if they're

1424

00:51:17,510 --> 00:51:15,760

yelling at a demon you know they're

1425

00:51:18,630 --> 00:51:17,520

gonna you know they may be poking a bear

1426

00:51:20,790 --> 00:51:18,640

they don't want to poke

1427

00:51:22,470 --> 00:51:20,800

so yeah you know and you've got to

1428

00:51:25,190 --> 00:51:22,480

remember they were most of

1429

00:51:26,069 --> 00:51:25,200

what we encounter were people at one

1430

00:51:28,390 --> 00:51:26,079

point

1431

00:51:29,510 --> 00:51:28,400

and you know show a little compassion

1432

00:51:30,870 --> 00:51:29,520

because they've gone through something

1433

00:51:32,309 --> 00:51:30,880

really traumatic they've been living

1434

00:51:34,549 --> 00:51:32,319

somewhere with nobody

1435

00:51:35,510 --> 00:51:34,559

no way to really communicate with people

1436

00:51:38,309 --> 00:51:35,520

and

1437

00:51:39,109 --> 00:51:38,319

latched on to strong emotions about

1438

00:51:41,670 --> 00:51:39,119

their death

1439

00:51:42,309 --> 00:51:41,680

and you go in and you know you poke and

1440

00:51:44,470 --> 00:51:42,319

prod at

1441

00:51:46,309 --> 00:51:44,480

them and try to get them to answer

1442

00:51:46,950 --> 00:51:46,319

questions or be aggressive or rude to

1443

00:51:48,630 --> 00:51:46,960

them

1444

00:51:51,750 --> 00:51:48,640

it's just i don't know it's just not

1445

00:51:54,870 --> 00:51:51,760

right you have to have compassion

1446

00:51:57,829 --> 00:51:54,880

you know when i when i was uh

1447

00:51:59,190 --> 00:51:57,839

more involved with doing this many of

1448

00:52:01,030 --> 00:51:59,200

the people and i would say

1449

00:52:02,870 --> 00:52:01,040

probably most the people that were

1450

00:52:04,870 --> 00:52:02,880

coming to me for help

1451  
00:52:06,230 --> 00:52:04,880  
were folks who got involved with the

1452  
00:52:08,549 --> 00:52:06,240  
paranormal

1453  
00:52:10,710 --> 00:52:08,559  
are very normal investigations in

1454  
00:52:13,109 --> 00:52:10,720  
graveyards and really

1455  
00:52:14,950 --> 00:52:13,119  
other locations where there was a lot of

1456  
00:52:16,950 --> 00:52:14,960  
haunting going on even had

1457  
00:52:18,230 --> 00:52:16,960  
one that came out of waverly hills one

1458  
00:52:22,069 --> 00:52:18,240  
time

1459  
00:52:24,630 --> 00:52:22,079  
and uh they got an attachment

1460  
00:52:25,510 --> 00:52:24,640  
and uh you know that's not a pretty

1461  
00:52:28,630 --> 00:52:25,520  
sight i mean

1462  
00:52:30,309 --> 00:52:28,640  
and they they were scared to death

1463  
00:52:31,990 --> 00:52:30,319

you know the first thing i you know and

1464

00:52:34,790 --> 00:52:32,000

i can always tell one of somebody

1465

00:52:36,630 --> 00:52:34,800

that did that uh you know they they went

1466

00:52:40,470 --> 00:52:36,640

in there with no protection

1467

00:52:43,910 --> 00:52:40,480

started provoking uh didn't

1468

00:52:45,589 --> 00:52:43,920

know how to clear themselves or how to

1469

00:52:47,829 --> 00:52:45,599

the lessen the energy when they were

1470

00:52:52,470 --> 00:52:47,839

done and they just had an attachment

1471

00:52:54,069 --> 00:52:52,480

you know and it left with them and uh

1472

00:52:55,910 --> 00:52:54,079

you know i don't go into graveyards you

1473

00:52:57,030 --> 00:52:55,920

know i i even hate going to a funeral

1474

00:52:59,670 --> 00:52:57,040

because look

1475

00:53:01,510 --> 00:52:59,680

i got i'll sit i can sit at a funeral

1476

00:53:04,549 --> 00:53:01,520

even at a few of them

1477

00:53:07,030 --> 00:53:04,559

and i know this stuff is around me and

1478

00:53:08,710 --> 00:53:07,040

and it's bothering me it doesn't really

1479

00:53:10,069 --> 00:53:08,720

bother me i can't go to antique stores

1480

00:53:13,190 --> 00:53:10,079

anymore

1481

00:53:13,990 --> 00:53:13,200

you know just you know the imprint on

1482

00:53:16,790 --> 00:53:14,000

the antiques

1483

00:53:17,349 --> 00:53:16,800

and the surroundings is just really

1484

00:53:19,190 --> 00:53:17,359

mm-hmm

1485

00:53:21,829 --> 00:53:19,200

and it just really bothers me you're

1486

00:53:24,069 --> 00:53:21,839

feeling yeah you're feeling the energy

1487

00:53:25,829 --> 00:53:24,079

i know yeah a lot of people are that way

1488

00:53:28,230 --> 00:53:25,839

a friend of mine i'm laughing at you

1489

00:53:29,510 --> 00:53:28,240

at your uh antique store because a

1490

00:53:31,430 --> 00:53:29,520

friend of mine

1491

00:53:33,670 --> 00:53:31,440

and i we play this game called find the

1492

00:53:35,990 --> 00:53:33,680

haunted haunted item and we'll go into

1493

00:53:38,230 --> 00:53:36,000

an antique store we'll walk around

1494

00:53:40,230 --> 00:53:38,240

and we'll say okay i found one it's in

1495

00:53:42,470 --> 00:53:40,240

this back room go find it

1496

00:53:44,069 --> 00:53:42,480

and uh you know i'll go back and find it

1497

00:53:45,510 --> 00:53:44,079

and then i'll send her to another room

1498

00:53:46,870 --> 00:53:45,520

it's actually a good way to test out

1499

00:53:47,910 --> 00:53:46,880

your abilities but

1500

00:53:49,750 --> 00:53:47,920

you just got to make sure you don't

1501  
00:53:51,670 --> 00:53:49,760  
bring that ghost home with you when

1502  
00:53:54,549 --> 00:53:51,680  
you're doing that

1503  
00:53:55,430 --> 00:53:54,559  
you know yeah i mean you know i there

1504  
00:53:58,630 --> 00:53:55,440  
have been

1505  
00:54:02,230 --> 00:53:58,640  
times when i thought i may have one

1506  
00:54:03,430 --> 00:54:02,240  
uh and it turned out that it didn't but

1507  
00:54:04,230 --> 00:54:03,440  
boy i was getting all kinds of

1508  
00:54:06,870 --> 00:54:04,240  
indications

1509  
00:54:08,069 --> 00:54:06,880  
something was going on i i don't know i

1510  
00:54:12,150 --> 00:54:08,079  
don't know what it was

1511  
00:54:14,470 --> 00:54:12,160  
but um yeah that's a scary thing and

1512  
00:54:15,829 --> 00:54:14,480  
and and most people don't realize that

1513  
00:54:16,790 --> 00:54:15,839

that can happen to them when they get

1514

00:54:20,309 --> 00:54:16,800

involved

1515

00:54:23,349 --> 00:54:20,319

with investigating a paranormal so um

1516

00:54:24,630 --> 00:54:23,359

well anyway i you have been to waverly

1517

00:54:26,870 --> 00:54:24,640

hills i mean

1518

00:54:27,670 --> 00:54:26,880

what was your impression of that place i

1519

00:54:30,150 --> 00:54:27,680

you know i

1520

00:54:31,430 --> 00:54:30,160

i have never been there i i have passed

1521

00:54:34,069 --> 00:54:31,440

by it i've

1522

00:54:34,470 --> 00:54:34,079

talked to so many people you know it's

1523

00:54:37,990 --> 00:54:34,480

these

1524

00:54:41,349 --> 00:54:38,000

they just hold

1525

00:54:42,309 --> 00:54:41,359

some of the most uh i don't either

1526

00:54:45,750 --> 00:54:42,319

gruesome or

1527

00:54:48,069 --> 00:54:45,760

very very sad

1528

00:54:49,589 --> 00:54:48,079

history i i just don't really want to go

1529

00:54:49,910 --> 00:54:49,599

there but you know i know you've been

1530

00:54:52,309 --> 00:54:49,920

there

1531

00:54:54,390 --> 00:54:52,319

what do you think well i and you know

1532

00:54:54,950 --> 00:54:54,400

waverly hills i'm drawn there just like

1533

00:55:03,270 --> 00:54:54,960

i

1534

00:55:05,670 --> 00:55:03,280

and um you go and you feel the sadness

1535

00:55:06,870 --> 00:55:05,680

but you also feel other things you feel

1536

00:55:09,430 --> 00:55:06,880

um some of their joy

1537

00:55:10,549 --> 00:55:09,440

in some of their life and you see things

1538

00:55:12,710 --> 00:55:10,559

like we

1539

00:55:14,870 --> 00:55:12,720

we always investigate with no

1540

00:55:16,309 --> 00:55:14,880

flashlights at waverly hills and let our

1541

00:55:18,870 --> 00:55:16,319

eyes adapt

1542

00:55:20,069 --> 00:55:18,880

and because there's the open verandas

1543

00:55:23,030 --> 00:55:20,079

and it spills moonlight

1544

00:55:24,549 --> 00:55:23,040

into the past and if you stand there and

1545

00:55:26,710 --> 00:55:24,559

without your flashlight let your eyes

1546

00:55:27,030 --> 00:55:26,720

adjust you'll actually see them crossing

1547

00:55:31,510 --> 00:55:27,040

the

1548

00:55:33,990 --> 00:55:31,520

it's just incredible

1549

00:55:35,030 --> 00:55:34,000

just some of the experiences uh one

1550

00:55:38,470 --> 00:55:35,040

thing that's there

1551

00:55:40,309 --> 00:55:38,480

that i'm not crazy about is the uh

1552

00:55:41,510 --> 00:55:40,319

is the crawler or some people call him

1553

00:55:44,309 --> 00:55:41,520

the creeper

1554

00:55:46,069 --> 00:55:44,319

and uh basically we think that he

1555

00:55:49,030 --> 00:55:46,079

started off as human

1556

00:55:51,190 --> 00:55:49,040

uh that he's kind of lost a lot of his

1557

00:55:52,870 --> 00:55:51,200

attachments with being a human he crawls

1558

00:55:55,510 --> 00:55:52,880

across the ceiling

1559

00:55:57,829 --> 00:55:55,520

and uh like almost like a crab and when

1560

00:55:59,510 --> 00:55:57,839

he gets within like 20 feet of you

1561

00:56:01,589 --> 00:55:59,520

he drops down to the ground and he

1562

00:56:02,710 --> 00:56:01,599

rushes right through you he runs right

1563

00:56:05,589 --> 00:56:02,720

at you

1564

00:56:07,750 --> 00:56:05,599

and the last time we were there um we

1565

00:56:10,870 --> 00:56:07,760

were there with a big group of people

1566

00:56:12,549 --> 00:56:10,880

and we had divided up into areas and my

1567

00:56:13,990 --> 00:56:12,559

group was no flashlights but there were

1568

00:56:15,670 --> 00:56:14,000

other people there that were walking

1569

00:56:18,390 --> 00:56:15,680

around flashlights

1570

00:56:19,270 --> 00:56:18,400

and uh my friend tracy and i were

1571

00:56:21,349 --> 00:56:19,280

walking down

1572

00:56:22,549 --> 00:56:21,359

a long corridor and we could see a lump

1573

00:56:25,349 --> 00:56:22,559

in the middle of the

1574

00:56:25,670 --> 00:56:25,359

aisle in a puddle of moonlight and we

1575

00:56:29,990 --> 00:56:25,680

were

1576

00:56:32,309 --> 00:56:30,000

and closer and my heart

1577

00:56:33,750 --> 00:56:32,319

was pounding and tracy's like the

1578

00:56:35,990 --> 00:56:33,760

bravest person i know

1579

00:56:37,270 --> 00:56:36,000

so i couldn't let her one-up me on that

1580

00:56:38,950 --> 00:56:37,280

so i'm right next to her and we're

1581

00:56:41,589 --> 00:56:38,960

getting closer and closer

1582

00:56:42,309 --> 00:56:41,599

and we get right up to within 10 feet of

1583

00:56:43,829 --> 00:56:42,319

it and

1584

00:56:45,589 --> 00:56:43,839

starting to really start to see some

1585

00:56:47,589 --> 00:56:45,599

details and some

1586

00:56:49,670 --> 00:56:47,599

yahoo comes up with a flashlight in

1587

00:56:51,670 --> 00:56:49,680

between us and shines his light

1588

00:56:53,030 --> 00:56:51,680

right you know at where we were looking

1589

00:56:56,150 --> 00:56:53,040

at he goes well what are you looking at

1590

00:56:57,990 --> 00:56:56,160

we're like nothing now you know

1591

00:56:59,829 --> 00:56:58,000

so that's why i like doing

1592

00:57:00,710 --> 00:56:59,839

investigations without a lot of other

1593

00:57:03,510 --> 00:57:00,720

people

1594

00:57:07,030 --> 00:57:03,520

you know yeah yeah i agree with that

1595

00:57:09,589 --> 00:57:07,040

yeah a pretty powerful experience though

1596

00:57:11,829 --> 00:57:09,599

so jeremy what uh what's in the future

1597

00:57:13,510 --> 00:57:11,839

for you what do you plan on doing uh you

1598

00:57:15,030 --> 00:57:13,520

have another book in the works or what's

1599

00:57:17,670 --> 00:57:15,040

going on

1600

00:57:19,829 --> 00:57:17,680

uh yeah right now i'm starting i love

1601  
00:57:20,309 --> 00:57:19,839  
writing fiction and i have six fiction

1602  
00:57:23,109 --> 00:57:20,319  
books

1603  
00:57:23,670 --> 00:57:23,119  
um one is a paranormal series and it

1604  
00:57:26,710 --> 00:57:23,680  
follows

1605  
00:57:27,510 --> 00:57:26,720  
um a woman named shelby and her dog

1606  
00:57:29,510 --> 00:57:27,520  
fugly so

1607  
00:57:30,950 --> 00:57:29,520  
there's some humor in it i'm an animal

1608  
00:57:31,829 --> 00:57:30,960  
lover so there has to be an animal in

1609  
00:57:34,549 --> 00:57:31,839  
this book

1610  
00:57:36,549 --> 00:57:34,559  
but uh she's a scout for a paranormal tv

1611  
00:57:39,910 --> 00:57:36,559  
show so she goes ahead

1612  
00:57:41,510 --> 00:57:39,920  
and uh scouts out the location and every

1613  
00:57:43,829 --> 00:57:41,520

time she goes something

1614

00:57:46,069 --> 00:57:43,839

crazy happens so my first book in that

1615

00:57:48,870 --> 00:57:46,079

series was crazy dead people

1616

00:57:50,470 --> 00:57:48,880

and i'm starting uh demon a la mode

1617

00:57:53,670 --> 00:57:50,480

right now so

1618

00:57:55,190 --> 00:57:53,680

um it's going to be a wild ride uh

1619

00:57:57,030 --> 00:57:55,200

and there there'll always be another

1620

00:57:58,630 --> 00:57:57,040

book coming up um

1621

00:58:00,150 --> 00:57:58,640

i get people contact me all the time

1622

00:58:02,789 --> 00:58:00,160

with ghost stories they want to share

1623

00:58:04,870 --> 00:58:02,799

and uh you know who knows i just kind of

1624

00:58:05,510 --> 00:58:04,880

go with the flow on it but definitely my

1625

00:58:09,190 --> 00:58:05,520

next

1626  
00:58:10,870 --> 00:58:09,200  
shelby and ugly book is on my agenda

1627  
00:58:12,470 --> 00:58:10,880  
and then of course ghost walks i can't

1628  
00:58:14,549 --> 00:58:12,480  
wait till it gets warm enough to get out

1629  
00:58:16,470 --> 00:58:14,559  
and do more ghost walks i love

1630  
00:58:17,750 --> 00:58:16,480  
i love just getting out and doing that

1631  
00:58:22,549 --> 00:58:17,760  
it's so much fun and

1632  
00:58:24,390 --> 00:58:22,559  
um people seem to enjoy it as well yeah

1633  
00:58:25,589 --> 00:58:24,400  
this whole cobra thing has really put a

1634  
00:58:28,309 --> 00:58:25,599  
damper on everything

1635  
00:58:30,069 --> 00:58:28,319  
and uh you know i know i have had three

1636  
00:58:31,910 --> 00:58:30,079  
i don't normally do appearances but i

1637  
00:58:35,030 --> 00:58:31,920  
had three of them canceled this past

1638  
00:58:37,589 --> 00:58:35,040

year and uh me too yeah it really

1639

00:58:39,270 --> 00:58:37,599

it really knocked everything down but

1640

00:58:40,309 --> 00:58:39,280

maybe it'll straighten out in the very

1641

00:58:45,109 --> 00:58:40,319

near future

1642

00:58:51,109 --> 00:58:48,150

so uh look if you're ever in the area

1643

00:58:52,549 --> 00:58:51,119

again oh yeah look me up let me know

1644

00:58:55,510 --> 00:58:52,559

about it and uh

1645

00:58:56,390 --> 00:58:55,520

maybe we can get together sometime well

1646

00:58:58,069 --> 00:58:56,400

we're probably

1647

00:59:01,109 --> 00:58:58,079

going to be at the same pair cons that

1648

00:59:04,470 --> 00:59:01,119

got canceled last year the um

1649

00:59:06,150 --> 00:59:04,480

not phenomenology and um the gettysburg

1650

00:59:07,670 --> 00:59:06,160

battlefield bash

1651  
00:59:10,390 --> 00:59:07,680  
were two of them that i was supposed to

1652  
00:59:12,069 --> 00:59:10,400  
go to as well so i'm really hoping

1653  
00:59:13,750 --> 00:59:12,079  
that things are a little more under

1654  
00:59:15,510 --> 00:59:13,760  
control and enough of us have gotten the

1655  
00:59:16,870 --> 00:59:15,520  
vaccine that we can be able to do these

1656  
00:59:19,190 --> 00:59:16,880  
things again

1657  
00:59:20,870 --> 00:59:19,200  
um but i'm i'm cautious i'm probably

1658  
00:59:23,750 --> 00:59:20,880  
borderline paranoid about

1659  
00:59:26,069 --> 00:59:23,760  
being safe and i'm not going to do any

1660  
00:59:26,390 --> 00:59:26,079  
kind of investigations around here until

1661  
00:59:28,950 --> 00:59:26,400  
i'm

1662  
00:59:30,470 --> 00:59:28,960  
convinced that we're okay ghost walks

1663  
00:59:32,230 --> 00:59:30,480

are different because they're outdoors

1664

00:59:33,670 --> 00:59:32,240

and you know we can wear masks and

1665

00:59:36,069 --> 00:59:33,680

socially distance but

1666

00:59:37,589 --> 00:59:36,079

when you get indoors in a building it's

1667

00:59:39,190 --> 00:59:37,599

you know there's this chance that you

1668

00:59:41,109 --> 00:59:39,200

take

1669

00:59:42,470 --> 00:59:41,119

yeah i think a lot of us are going to be

1670

00:59:45,589 --> 00:59:42,480

like that for a while

1671

00:59:47,109 --> 00:59:45,599

and uh but hopefully we can get all and

1672

00:59:49,430 --> 00:59:47,119

get through this and

1673

00:59:51,670 --> 00:59:49,440

get back to normal so you know generally

1674

00:59:55,589 --> 00:59:51,680

thanks again for coming on the show

1675

00:59:57,910 --> 00:59:55,599

and uh please keep in touch and uh

1676

00:59:59,670 --> 00:59:57,920

i hope you have a good year thank you

1677

01:00:05,510 --> 00:59:59,680

same to you thanks for having me on

1678

01:00:09,270 --> 01:00:07,430

now if you have an unexplained encounter

1679

01:00:12,069 --> 01:00:09,280

or sighting feel free to contact me

1680

01:00:13,910 --> 01:00:12,079

through the famza monster blog site

1681

01:00:16,710 --> 01:00:13,920

uh if you're interested in supporting

1682

01:00:19,109 --> 01:00:16,720

fans of monsters and arcane radio

1683

01:00:22,230 --> 01:00:19,119

you can always use the paypal donation

1684

01:00:24,710 --> 01:00:22,240

buttons on the blog and the newsletter

1685

01:00:25,990 --> 01:00:24,720

uh you know our youtube channel is

1686

01:00:28,950 --> 01:00:26,000

beyond explanation

1687

01:00:31,990 --> 01:00:28,960

a lot of new content being added we have

1688

01:00:35,270 --> 01:00:32,000

a lot of new shows coming on there

1689

01:00:38,710 --> 01:00:35,280

uh this sunday we have uh

1690

01:00:40,789 --> 01:00:38,720

we have a lot of special shows dealing

1691

01:00:44,069 --> 01:00:40,799

with astrology

1692

01:00:47,190 --> 01:00:44,079

and psychic phenomena and

1693

01:00:49,670 --> 01:00:47,200

mediumship uh let's check it out

1694

01:00:50,230 --> 01:00:49,680

you can get you know you can go directly

1695

01:00:53,349 --> 01:00:50,240

on there

1696

01:00:56,870 --> 01:00:53,359

through the the beyond explanation uh

1697

01:00:57,190 --> 01:00:56,880

youtube site you know and please you

1698

01:01:00,390 --> 01:00:57,200

know

1699

01:01:02,630 --> 01:01:00,400

check it out and subscribe uh

1700

01:01:03,589 --> 01:01:02,640

and uh you know pass it along to others

1701

01:01:06,470 --> 01:01:03,599

your friends and

1702

01:01:07,349 --> 01:01:06,480

family it's uh we're trying to build it

1703

01:01:10,549 --> 01:01:07,359

build the

1704

01:01:13,589 --> 01:01:10,559

channel now and so we can could

1705

01:01:15,109 --> 01:01:13,599

sustain it and uh we we think it's

1706

01:01:17,589 --> 01:01:15,119

something special

1707

01:01:19,510 --> 01:01:17,599

and we all hope you do as well so i want

1708

01:01:20,710 --> 01:01:19,520

to again thank johnny man for joining me

1709

01:01:22,549 --> 01:01:20,720

tonight

1710

01:01:23,990 --> 01:01:22,559

and i want to thank you for listening to

1711

01:01:26,390 --> 01:01:24,000

the show stay
